

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Mon Jan 9, 2023 **LIVE**

1
00:00:36,950 --> 00:00:35,229
[Music]

2
00:00:40,630 --> 00:00:36,960
thank you

3
00:00:45,770 --> 00:00:43,150
all right welcome

4
00:00:49,549 --> 00:00:45,780
all of the Fade to Black breaking news

5
00:00:53,029 --> 00:00:49,559
you need on this Monday January 9th 2023

6
00:00:54,709 --> 00:00:53,039
I'm Jimmy Church let's start off with on

7
00:00:57,130 --> 00:00:54,719
this day in history

8
00:01:00,049 --> 00:00:57,140
otd

9
00:01:02,869 --> 00:01:00,059
1493. Christopher Columbus

10
00:01:04,009 --> 00:01:02,879
sailing near what is now the Dominican

11
00:01:06,890 --> 00:01:04,019
Republic

12
00:01:08,570 --> 00:01:06,900
writes in his journal that he sees three

13
00:01:12,410 --> 00:01:08,580

mermaids

14

00:01:16,010 --> 00:01:12,420

in reality they were manatees and

15

00:01:19,490 --> 00:01:16,020

describes them as quote not half as

16

00:01:23,870 --> 00:01:19,500

beautiful as they are painted

17

00:01:25,330 --> 00:01:23,880

that's right end quote fader fact

18

00:01:28,310 --> 00:01:25,340

here you go

19

00:01:30,910 --> 00:01:28,320

banging your head against a wall for one

20

00:01:33,230 --> 00:01:30,920

hour Burns

21

00:01:35,210 --> 00:01:33,240

150 calories

22

00:01:37,149 --> 00:01:35,220

and that's your fader fact today let's

23

00:01:39,950 --> 00:01:37,159

get to the breaking news

24

00:01:43,789 --> 00:01:39,960

the video is pretty incredible by the

25

00:01:47,510 --> 00:01:43,799

way Canada's own Loch Ness monster has

26
00:01:50,210 --> 00:01:47,520
been spotted once again in Lake Okanagan

27
00:01:52,370 --> 00:01:50,220
going by the name of Ogopogo and

28
00:01:54,889 --> 00:01:52,380
originated from the First Nations tribes

29
00:01:58,130 --> 00:01:54,899
of the area the video seems to be taken

30
00:02:01,069 --> 00:01:58,140
off the side of a boat and a pale long

31
00:02:05,389 --> 00:02:01,079
white like tail can be seen going around

32
00:02:07,609 --> 00:02:05,399
the boat oh uh Olga Pogo is lazily

33
00:02:11,330 --> 00:02:07,619
swimming just beneath the surface and a

34
00:02:13,729 --> 00:02:11,340
full shot of its uh plesios sore-like

35
00:02:17,150 --> 00:02:13,739
body can be seen with what appears to be

36
00:02:20,270 --> 00:02:17,160
four flippers and a long tail like a

37
00:02:22,070 --> 00:02:20,280
whale or a dolphin you've got to go and

38
00:02:23,089 --> 00:02:22,080

check out the video it's incredible I

39

00:02:27,710 --> 00:02:23,099

saw it on

40

00:02:30,710 --> 00:02:27,720

Tick Tock living quarters of NASA's Moon

41

00:02:33,410 --> 00:02:30,720

orbiting Gateway station will be so tiny

42

00:02:36,770 --> 00:02:33,420

that astronauts will not be able to

43

00:02:40,790 --> 00:02:36,780

stand upright inside the International

44

00:02:43,910 --> 00:02:40,800

Space Station with its 7.2 feet by 7.2

45

00:02:46,610 --> 00:02:43,920

feet wide Interiors offers a luxury

46

00:02:50,570 --> 00:02:46,620

experience compared to what awaits Moon

47

00:02:52,190 --> 00:02:50,580

explores on the Gateway NASA and its

48

00:02:54,290 --> 00:02:52,200

International Partners plan to begin

49

00:02:56,089 --> 00:02:54,300

construction of the Gateway station in

50

00:02:56,990 --> 00:02:56,099

the moon's orbit in the next couple of

51

00:03:00,410 --> 00:02:57,000

years

52

00:03:03,170 --> 00:03:00,420

when complete near the end of the decade

53

00:03:04,910 --> 00:03:03,180

the space lab will be about one-sixth of

54

00:03:08,390 --> 00:03:04,920

the size of the International Space

55

00:03:11,390 --> 00:03:08,400

Station featuring two habitation modules

56

00:03:15,070 --> 00:03:11,400

while the American halo module may be

57

00:03:17,390 --> 00:03:15,080

launched as early as next year 2024

58

00:03:21,110 --> 00:03:17,400

ihab's Journey To The Moon is not

59

00:03:23,890 --> 00:03:21,120

expected before 2027.

60

00:03:28,250 --> 00:03:23,900

it's basically a tube with two hatches

61

00:03:30,770 --> 00:03:28,260

that's about it but you do have sleeping

62

00:03:34,270 --> 00:03:30,780

quarters with a door that you can close

63

00:03:37,190 --> 00:03:34,280

a little bit of privacy all right

64

00:03:40,330 --> 00:03:37,200

scientists have found new evidence of

65

00:03:42,649 --> 00:03:40,340

early use of the Mesoamerican calendar

66

00:03:44,930 --> 00:03:42,659

hundreds of years before written

67

00:03:46,970 --> 00:03:44,940

evidence suggests a shedding new light

68

00:03:49,850 --> 00:03:46,980

on the astronomical studies and

69

00:03:52,670 --> 00:03:49,860

practices of the ancient olmecs and

70

00:03:55,729 --> 00:03:52,680

Mayans all of this in a new study what

71

00:03:58,250 --> 00:03:55,739

is ultimately indicating is that the

72

00:04:00,289 --> 00:03:58,260

Mayans had some very Advanced and

73

00:04:05,509 --> 00:04:00,299

sophisticated understanding of the stars

74

00:04:07,430 --> 00:04:05,519

all the way back to 1100 BC the findings

75

00:04:12,949 --> 00:04:07,440

of the new study will be published in

76

00:04:19,789 --> 00:04:16,009

a recently discovered bird

77

00:04:24,170 --> 00:04:19,799

with the t-rex-like skull was Unearthed

78

00:04:26,330 --> 00:04:24,180

in China showing in one bizarre fossil A

79

00:04:29,510 --> 00:04:26,340

visual representation of the evolution

80

00:04:32,930 --> 00:04:29,520

from dinosaurs to birds

81

00:04:35,749 --> 00:04:32,940

called the krananavis Zooey the strange

82

00:04:37,909 --> 00:04:35,759

hybrid died some 150 million years ago

83

00:04:41,150 --> 00:04:37,919

and was uncovered by paleontologists

84

00:04:45,730 --> 00:04:41,160

from the Chinese Academy of Sciences of

85

00:04:51,230 --> 00:04:48,070

is most likely

86

00:04:54,290 --> 00:04:51,240

uh something that behaved like a raptor

87

00:04:57,230 --> 00:04:54,300

they suggest but flying from tree to

88

00:05:00,590 --> 00:04:57,240

tree and pouncing on prey with its sharp

89

00:05:04,670 --> 00:05:00,600

claws the skull with its sharp pointy

90

00:05:06,890 --> 00:05:04,680

teeth is oddly similar to the Jurassic

91

00:05:08,530 --> 00:05:06,900

Park logo

92

00:05:10,969 --> 00:05:08,540

that's right

93

00:05:14,510 --> 00:05:10,979

researchers now believe that ancient

94

00:05:18,890 --> 00:05:14,520

stone tools discovered in Brazil are the

95

00:05:21,890 --> 00:05:18,900

work of monkeys not early humans

96

00:05:24,890 --> 00:05:21,900

check this out the oldest of the stone

97

00:05:27,529 --> 00:05:24,900

tools discovered are 50 000 years old

98

00:05:30,110 --> 00:05:27,539

which led to evidence of early human

99

00:05:32,150 --> 00:05:30,120

habitation of the region

100

00:05:35,629 --> 00:05:32,160

but the researchers compared the tools

101
00:05:38,990 --> 00:05:35,639
found at Pedro ferrata to those that the

102
00:05:41,930 --> 00:05:39,000
capuchin monkeys make today and the

103
00:05:43,850 --> 00:05:41,940
result is surprising there is no

104
00:05:47,150 --> 00:05:43,860
difference between the supposed human

105
00:05:50,870 --> 00:05:47,160
tools from 50 000 years ago and those

106
00:05:53,110 --> 00:05:50,880
produced by the monkeys today

107
00:05:55,070 --> 00:05:53,120
there you go

108
00:05:57,590 --> 00:05:55,080
investigators looking into The

109
00:06:00,350 --> 00:05:57,600
Disappearance of Anna Walsh of

110
00:06:02,090 --> 00:06:00,360
Massachusetts found a bloody knife in

111
00:06:05,090 --> 00:06:02,100
the basement of the home she shares with

112
00:06:08,810 --> 00:06:05,100
her husband Brian Walsh and has now

113
00:06:11,810 --> 00:06:08,820

accused him of misleading police

114

00:06:13,969 --> 00:06:11,820

you see Walsh said she took an Uber she

115

00:06:15,710 --> 00:06:13,979

was going to the airport no Uber who

116

00:06:17,629 --> 00:06:15,720

showed up at their house

117

00:06:19,850 --> 00:06:17,639

she never showed up for work she never

118

00:06:23,029 --> 00:06:19,860

showed up for her flight and then

119

00:06:26,930 --> 00:06:23,039

researchers are investigators found

120

00:06:31,550 --> 00:06:26,940

search queries on Brian Walsh's internet

121

00:06:33,770 --> 00:06:31,560

records for quote how to dispose of 115

122

00:06:38,990 --> 00:06:33,780

pound woman's body

123

00:06:41,689 --> 00:06:39,000

end quote and how to dismember a body

124

00:06:43,969 --> 00:06:41,699

surveillance video shows that instead he

125

00:06:45,129 --> 00:06:43,979

went to Home Depot on January 2nd and

126
00:06:49,790 --> 00:06:45,139
bought

127
00:06:54,710 --> 00:06:49,800
450 dollars of cleaning supplies in cash

128
00:06:57,950 --> 00:06:54,720
including mops a bucket and tarps

129
00:07:01,010 --> 00:06:57,960
Brian Walsh has just been arrested and

130
00:07:05,210 --> 00:07:01,020
arraigned today in Quincy District Court

131
00:07:08,090 --> 00:07:05,220
on a charge of misleading investigators

132
00:07:10,189 --> 00:07:08,100
well there you go that's all of your

133
00:07:14,749 --> 00:07:10,199
Fade to Black breaking news I threw out

134
00:07:17,210 --> 00:07:14,759
my back this weekend while vacuuming

135
00:07:19,850 --> 00:07:17,220
yeah it can happen I heard a little tick

136
00:07:22,909 --> 00:07:19,860
yep but it's really weird I heard

137
00:07:25,909 --> 00:07:22,919
another tick uh right before Showtime

138
00:07:28,730 --> 00:07:25,919

and I'm feeling a little bit better

139

00:07:31,129 --> 00:07:28,740

yeah we've got a great week lined up on

140

00:07:34,969 --> 00:07:31,139

Fade to Black and so check it out

141

00:07:37,730 --> 00:07:34,979

tonight the conscious life Expo 2023

142

00:07:41,510 --> 00:07:37,740

special that we do annually every single

143

00:07:45,290 --> 00:07:41,520

year is on tap for tonight we've got a

144

00:07:46,550 --> 00:07:45,300

whole load of very special guests that

145

00:07:47,809 --> 00:07:46,560

are going to be stopping by so you're

146

00:07:51,409 --> 00:07:47,819

not going to want to miss that we've got

147

00:07:54,650 --> 00:07:51,419

a great week lined up also today another

148

00:07:57,650 --> 00:07:54,660

episode of into the Vortex is now

149

00:08:00,110 --> 00:07:57,660

streaming and this week it's Billy

150

00:08:04,309 --> 00:08:00,120

Carson that's all of your Fade to Black

151

00:08:07,010 --> 00:08:04,319

news for this Monday January 9th 2023

152

00:08:11,870 --> 00:08:07,020

I'm Jimmy Church Fade to Black breaking

153

00:08:14,270 --> 00:08:11,880

news is produced by Renee Newman and

154

00:08:17,710 --> 00:08:14,280

with that I have to say
