

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

RON JAMES

FILM: 'ACCIDENTAL TRUTH'

WED JAN 11 LIVE

7:00 PM PT/10:00PM ET

1
00:00:32,830 --> 00:00:27,910

[Music]

2
00:00:36,170 --> 00:00:32,840

the smoke radio for the masses of July 8

3
00:00:38,569 --> 00:00:36,180

1947 the Army Air Forces has announced

4
00:00:40,729 --> 00:00:38,579

that a flying disc has been found and is

5
00:00:43,790 --> 00:00:40,739

now in the possession of the army

6
00:00:47,510 --> 00:00:43,800

game is rigged change the game game

7
00:00:51,110 --> 00:00:47,520

changer I occasionally think how quickly

8
00:00:54,529 --> 00:00:51,120

our differences worldwide would vanish

9
00:00:55,750 --> 00:00:54,539

if we were facing an alien threat from

10
00:00:57,650 --> 00:00:55,760

outside this work

11
00:00:57,830 --> 00:00:57,660

[Music]

12
00:01:00,410 --> 00:00:57,840

[Applause]

13
00:01:03,110 --> 00:01:00,420

[Music]

14

00:01:05,990 --> 00:01:03,120

this is Fade to Black with your host

15

00:01:06,600 --> 00:01:06,000

Jimmy Church on the game changer Radio

16

00:01:10,010 --> 00:01:06,610

Network

17

00:01:16,630 --> 00:01:14,870

all right welcome Fade to Black today is

18

00:01:19,310 --> 00:01:16,640

January 11

19

00:01:22,070 --> 00:01:19,320

2023 I'm Yours Jimmy Church

20

00:01:24,530 --> 00:01:22,080

and welcome everybody we're starting to

21

00:01:26,270 --> 00:01:24,540

dry out here in uh Southern California a

22

00:01:30,830 --> 00:01:26,280

little bit another wave of storms about

23

00:01:31,630 --> 00:01:30,840

to come in and uh so and and today of

24

00:01:35,210 --> 00:01:31,640

course

25

00:01:39,830 --> 00:01:35,220

uh the music world was uh shocked with

26

00:01:41,810 --> 00:01:39,840

the passing of of Jeff Beck and I'm

27

00:01:43,630 --> 00:01:41,820

going to dedicate this show tonight uh

28

00:01:47,990 --> 00:01:43,640

to Mr Beck and

29

00:01:50,510 --> 00:01:48,000

uh I've been blasting uh Jeff Beck all

30

00:01:54,350 --> 00:01:50,520

afternoon and our guest tonight is Ron

31

00:01:58,370 --> 00:01:54,360

James and Iran is a director uh a

32

00:02:01,330 --> 00:01:58,380

filmmaker uh a television host and also

33

00:02:05,330 --> 00:02:01,340

a musician and earlier today

34

00:02:08,210 --> 00:02:05,340

uh Ron and I were trading pictures of

35

00:02:11,690 --> 00:02:08,220

guitars and talking music uh back and

36

00:02:13,850 --> 00:02:11,700

forth uh right uh before uh the

37

00:02:16,790 --> 00:02:13,860

announcement uh came today about uh Mr

38

00:02:21,350 --> 00:02:16,800

Beck and I'd like to bring in Ron now

39

00:02:23,750 --> 00:02:21,360

Ron uh uh a crazy day welcome to the

40

00:02:24,470 --> 00:02:23,760

show uh I miss you my friend how you

41

00:02:27,350 --> 00:02:24,480

doing

42

00:02:29,330 --> 00:02:27,360

great thanks for having me it uh it was

43

00:02:30,770 --> 00:02:29,340

kind of yeah kind of strange that you

44

00:02:34,010 --> 00:02:30,780

know you and I were doing the sixth

45

00:02:36,589 --> 00:02:34,020

string Madness uh uh this morning and

46

00:02:38,809 --> 00:02:36,599

you know in such a great mood and and

47

00:02:40,850 --> 00:02:38,819

messing with each other uh and talking

48

00:02:43,369 --> 00:02:40,860

about that and then and then the news

49

00:02:46,430 --> 00:02:43,379

broke about the passing of Jeff Beck and

50

00:02:48,229 --> 00:02:46,440

uh how you know you're a musician you've

51
00:02:49,250 --> 00:02:48,239
got a great guitar collection you're a

52
00:02:51,050 --> 00:02:49,260
player

53
00:02:53,089 --> 00:02:51,060
um you've invited me to play on some of

54
00:02:55,729 --> 00:02:53,099
your tracks uh over the years too as

55
00:02:57,589 --> 00:02:55,739
well how'd you take the news today

56
00:02:59,330 --> 00:02:57,599
you know it's interesting it was right

57
00:03:01,070 --> 00:02:59,340
after you and I were having our guitar

58
00:03:04,130 --> 00:03:01,080
uh

59
00:03:07,490 --> 00:03:04,140
um shoot out and then I ran across it um

60
00:03:09,949 --> 00:03:07,500
and uh yeah I mean you know he was uh he

61
00:03:11,869 --> 00:03:09,959
was a ripe old age but still it was hard

62
00:03:14,690 --> 00:03:11,879
to uh take and it was very unexpected

63
00:03:17,930 --> 00:03:14,700

yeah yeah totally and you know 78 years

64

00:03:19,910 --> 00:03:17,940

old uh okay all right so we can you know

65

00:03:22,850 --> 00:03:19,920

say those normal things well Manny he

66

00:03:27,410 --> 00:03:22,860

lived a great life 70. but he was he was

67

00:03:29,630 --> 00:03:27,420

playing and touring uh right now you

68

00:03:32,089 --> 00:03:29,640

know he was you know still it was that's

69

00:03:35,149 --> 00:03:32,099

true yeah he was at the top of his game

70

00:03:37,910 --> 00:03:35,159

and I went back uh and then we'll we'll

71

00:03:39,649 --> 00:03:37,920

get to let's talk UFOs tonight right so

72

00:03:41,750 --> 00:03:39,659

we're gonna do that but

73

00:03:44,690 --> 00:03:41,760

um everything is connected

74

00:03:49,570 --> 00:03:44,700

um I went back uh one of my favorite

75

00:03:53,750 --> 00:03:49,580

concert uh uh videos I mean of all time

76

00:03:59,089 --> 00:03:53,760

is Jeff Beck live at Ronnie Scott's and

77

00:04:02,089 --> 00:03:59,099

uh when you look at his performance this

78

00:04:04,430 --> 00:04:02,099

is a modern it's not a it's not an old

79

00:04:08,449 --> 00:04:04,440

uh contract I think it was shot 10 years

80

00:04:12,410 --> 00:04:08,459

ago so he was almost 70 years old when

81

00:04:15,710 --> 00:04:12,420

he shot that and he never sounded better

82

00:04:18,670 --> 00:04:15,720

right and uh you know he had the most

83

00:04:23,390 --> 00:04:18,680

amazing band backing him up and uh

84

00:04:26,570 --> 00:04:23,400

Wilkenfeld uh on base uh just a great uh

85

00:04:28,969 --> 00:04:26,580

just just a great thing and so I I

86

00:04:31,129 --> 00:04:28,979

blasted that today in the studio just

87

00:04:34,550 --> 00:04:31,139

just heartbroken I mean for me I'm

88

00:04:36,770 --> 00:04:34,560

crushed he's such a big big part of uh

89

00:04:39,590 --> 00:04:36,780

my musical palette and he was somebody

90

00:04:43,850 --> 00:04:39,600

that I always went back to so

91

00:04:45,290 --> 00:04:43,860

um who uh I wanted to ask you you've got

92

00:04:48,550 --> 00:04:45,300

a pretty

93

00:04:52,490 --> 00:04:48,560

pretty wide uh guitar and instrument

94

00:04:55,310 --> 00:04:52,500

collection who was your uh big influence

95

00:04:57,590 --> 00:04:55,320

growing up as far as guitar players go

96

00:04:59,930 --> 00:04:57,600

well Van Halen obviously

97

00:05:02,930 --> 00:04:59,940

um and then of course uh going back

98

00:05:03,909 --> 00:05:02,940

further than that Jimmy Page yeah

99

00:05:06,890 --> 00:05:03,919

yeah yeah

100

00:05:08,870 --> 00:05:06,900

Paige see you know I I thought about

101
00:05:11,330 --> 00:05:08,880
that today

102
00:05:13,670 --> 00:05:11,340
um when I I did the the post out there

103
00:05:15,890 --> 00:05:13,680
in in social media and I went you know I

104
00:05:18,110 --> 00:05:15,900
called him the guitar God

105
00:05:19,610 --> 00:05:18,120
and and I've thought about that for a

106
00:05:21,350 --> 00:05:19,620
second well you know what about what

107
00:05:24,110 --> 00:05:21,360
about you know Jimmy Page or what about

108
00:05:27,170 --> 00:05:24,120
what about and I did that those thoughts

109
00:05:29,870 --> 00:05:27,180
went through my mind and then I thought

110
00:05:31,909 --> 00:05:29,880
and I don't think I'm wrong here all

111
00:05:35,270 --> 00:05:31,919
those guitar players out there

112
00:05:37,249 --> 00:05:35,280
it's back that they look to right you

113
00:05:39,830 --> 00:05:37,259

know it's true you know and you know he

114

00:05:41,749 --> 00:05:39,840

was a Pioneer and a legend and an

115

00:05:43,670 --> 00:05:41,759

inspiration to a lot of the guys that

116

00:05:47,210 --> 00:05:43,680

are that are out there now and that

117

00:05:50,210 --> 00:05:47,220

really came up in the uh in the 70s that

118

00:05:51,650 --> 00:05:50,220

we we grew up with ourselves yeah yeah I

119

00:05:56,749 --> 00:05:51,660

mean if you talk to any of those dudes

120

00:05:58,610 --> 00:05:56,759

you know you know uh Clapton or or page

121

00:06:00,710 --> 00:05:58,620

or you know any of those greats they go

122

00:06:05,110 --> 00:06:00,720

well you know I'm I'm good

123

00:06:08,570 --> 00:06:05,120

I know Jeff Beck but you know I can play

124

00:06:10,430 --> 00:06:08,580

and guitar players get it right they

125

00:06:12,770 --> 00:06:10,440

they watch and listen to Jeff and they

126

00:06:16,610 --> 00:06:12,780

go man I wish I could do that

127

00:06:17,990 --> 00:06:16,620

so there you go all right so uh you've

128

00:06:21,529 --> 00:06:18,000

got a new film out it's called

129

00:06:24,590 --> 00:06:21,539

accidental truth and I I do want to talk

130

00:06:25,390 --> 00:06:24,600

about the ideas behind the film uh the

131

00:06:28,249 --> 00:06:25,400

the the

132

00:06:30,529 --> 00:06:28,259

website and and the link for that are

133

00:06:33,529 --> 00:06:30,539

throughout social media with us also on

134

00:06:36,770 --> 00:06:33,539

our website and in the description uh

135

00:06:38,450 --> 00:06:36,780

box uh below so you can go and check

136

00:06:41,090 --> 00:06:38,460

that out the trailer for the film is

137

00:06:43,189 --> 00:06:41,100

about to be released

138

00:06:46,129 --> 00:06:43,199

um so check back and when the trailer

139

00:06:48,770 --> 00:06:46,139

hits uh the website and starts to hit

140

00:06:52,309 --> 00:06:48,780

social media we'll uh uh let everybody

141

00:06:55,909 --> 00:06:52,319

know but the title of the film is an

142

00:06:57,409 --> 00:06:55,919

interesting one accidental truth if so

143

00:07:00,170 --> 00:06:57,419

what is that

144

00:07:01,790 --> 00:07:00,180

well you know the uh in the film the

145

00:07:02,930 --> 00:07:01,800

definition of accidental truth now I

146

00:07:04,790 --> 00:07:02,940

probably won't get it exactly even

147

00:07:06,529 --> 00:07:04,800

though I wrote it but an accidental

148

00:07:08,689 --> 00:07:06,539

truth is what happens when a combination

149

00:07:11,090 --> 00:07:08,699

of statements and evidence leads

150

00:07:13,670 --> 00:07:11,100

somebody to a conclusion that was not

151
00:07:16,670 --> 00:07:13,680
originally intended to be revealed and

152
00:07:18,290 --> 00:07:16,680
basically we have the front-facing guys

153
00:07:21,830 --> 00:07:18,300
that we've seen everybody from Lu

154
00:07:24,409 --> 00:07:21,840
Elizondo Chris Mellon all the way to the

155
00:07:28,189 --> 00:07:24,419
sitting uh congressional committees and

156
00:07:30,850 --> 00:07:28,199
Congress people uh all kind of trying to

157
00:07:33,409 --> 00:07:30,860
continue this story for whatever reason

158
00:07:37,189 --> 00:07:33,419
uh that just isn't holding water anymore

159
00:07:39,529 --> 00:07:37,199
and so in their own words they say

160
00:07:41,210 --> 00:07:39,539
things that through slips of the tongue

161
00:07:42,890 --> 00:07:41,220
through things that they decided to go

162
00:07:45,230 --> 00:07:42,900
ahead and reveal to me that that they

163
00:07:47,510 --> 00:07:45,240

hadn't said publicly anywhere else that

164

00:07:51,350 --> 00:07:47,520

are really giving them nowhere else to

165

00:07:52,969 --> 00:07:51,360

go but to finally start admitting in a

166

00:07:55,249 --> 00:07:52,979

concrete manner what's really going on

167

00:07:57,589 --> 00:07:55,259

in other words you've got guys

168

00:07:59,990 --> 00:07:57,599

right now that there's a little bit of

169

00:08:02,029 --> 00:08:00,000

air still between the oh it's ET or oh

170

00:08:04,189 --> 00:08:02,039

it's this or oh it's that they're coming

171

00:08:05,930 --> 00:08:04,199

right up to that wall and there's a

172

00:08:08,210 --> 00:08:05,940

little bit of space that's still there

173

00:08:10,189 --> 00:08:08,220

in between that barrier and what they're

174

00:08:12,290 --> 00:08:10,199

able to say when this film comes out

175

00:08:15,050 --> 00:08:12,300

they're not going to have any space left

176

00:08:17,930 --> 00:08:15,060

whatsoever it's time to Spill the Beans

177

00:08:19,909 --> 00:08:17,940

all of us in this field and and you're

178

00:08:21,710 --> 00:08:19,919

in the film commenting on this all of us

179

00:08:25,129 --> 00:08:21,720

in this field have been extremely

180

00:08:27,950 --> 00:08:25,139

frustrated for a long time and when I

181

00:08:29,990 --> 00:08:27,960

first started to make this film I was

182

00:08:31,610 --> 00:08:30,000

really kind of like you know as much as

183

00:08:33,829 --> 00:08:31,620

I hate to say it as much as I don't want

184

00:08:36,170 --> 00:08:33,839

to have this mentality this really is a

185

00:08:38,329 --> 00:08:36,180

war this is a war for the most important

186

00:08:40,370 --> 00:08:38,339

knowledge to humanity and we're looking

187

00:08:43,430 --> 00:08:40,380

at guys we're sitting across a table

188

00:08:44,990 --> 00:08:43,440

from them that hold these keys and

189

00:08:47,210 --> 00:08:45,000

somehow we've gotten to the point where

190

00:08:49,490 --> 00:08:47,220

we just accept that you can be this

191

00:08:51,769 --> 00:08:49,500

close I can be this close Jimmy you can

192

00:08:53,449 --> 00:08:51,779

be this close and we just have to accept

193

00:08:56,990 --> 00:08:53,459

that we're still not going to get the

194

00:08:58,310 --> 00:08:57,000

answers that we want and my attitude has

195

00:09:00,350 --> 00:08:58,320

kind of changed over the course of

196

00:09:02,210 --> 00:09:00,360

making the film a little bit but I

197

00:09:03,949 --> 00:09:02,220

really did start off in militant mode

198

00:09:05,870 --> 00:09:03,959

it's like you know I'm tired of these

199

00:09:08,870 --> 00:09:05,880

lightweight UFO docs I'm tired of people

200

00:09:10,310 --> 00:09:08,880

that are afraid to pull the punches and

201
00:09:12,650 --> 00:09:10,320
I you know accidental truth comes out

202
00:09:15,050 --> 00:09:12,660
swinging and it does not let up and by

203
00:09:16,850 --> 00:09:15,060
the time it's over is like you know

204
00:09:19,130 --> 00:09:16,860
nothing against anybody nobody's

205
00:09:21,230 --> 00:09:19,140
denigrated in the film but the body

206
00:09:24,050 --> 00:09:21,240
politic needs to own up and they've got

207
00:09:26,389 --> 00:09:24,060
no room left after this film

208
00:09:27,769 --> 00:09:26,399
um a couple of points if I may respond

209
00:09:32,269 --> 00:09:27,779
to that

210
00:09:35,870 --> 00:09:32,279
um uh first off uh uh I am in the film I

211
00:09:37,730 --> 00:09:35,880
don't know what I I say in the film or

212
00:09:41,269 --> 00:09:37,740
or how much I'm in the film because I'm

213
00:09:44,930 --> 00:09:41,279

not here for a couple of Clips but my

214

00:09:48,230 --> 00:09:44,940

point is this is my point with that

215

00:09:53,090 --> 00:09:48,240

um we we talked for quite a while uh uh

216

00:09:56,870 --> 00:09:53,100

uh we shot uh for a minute and and I

217

00:10:00,110 --> 00:09:56,880

said some things where I

218

00:10:04,310 --> 00:10:00,120

um overall I I didn't hold back I I

219

00:10:06,290 --> 00:10:04,320

could tell where uh it's somewhat I

220

00:10:10,490 --> 00:10:06,300

should say where your mind was coming

221

00:10:13,130 --> 00:10:10,500

from but I didn't have a real idea of

222

00:10:17,230 --> 00:10:13,140

the the overall flavor for the film I

223

00:10:20,690 --> 00:10:17,240

didn't know but uh I mean I do remember

224

00:10:23,329 --> 00:10:20,700

this uh you and I having many phone

225

00:10:27,410 --> 00:10:23,339

calls after that and I was like man Ron

226

00:10:28,850 --> 00:10:27,420

man where's this coming from right you

227

00:10:34,430 --> 00:10:28,860

were

228

00:10:36,829 --> 00:10:34,440

I was forced to think what did I say

229

00:10:40,550 --> 00:10:36,839

because I know where his mind is right

230

00:10:43,370 --> 00:10:40,560

now what is it that I know that and but

231

00:10:46,670 --> 00:10:43,380

that's that's what the film is is based

232

00:10:51,110 --> 00:10:46,680

on and and I'm sure that whatever I said

233

00:10:53,329 --> 00:10:51,120

the context uh is what was on point and

234

00:10:56,690 --> 00:10:53,339

uh you know a little small contribution

235

00:10:59,509 --> 00:10:56,700

but it will will help carry the the

236

00:11:02,329 --> 00:10:59,519

flavor of of what's going on well it

237

00:11:04,670 --> 00:11:02,339

really does you uh you you shared uh

238

00:11:07,430 --> 00:11:04,680

your response when the 2017 stories

239

00:11:09,170 --> 00:11:07,440

dropped you were driving your car uh and

240

00:11:12,110 --> 00:11:09,180

right that's a little bit funny what you

241

00:11:13,610 --> 00:11:12,120

said and then um you summarized what's

242

00:11:15,949 --> 00:11:13,620

happened over the last few years you

243

00:11:18,769 --> 00:11:15,959

know here we are we have no new anything

244

00:11:21,710 --> 00:11:18,779

and and you know all of the stuff that

245

00:11:24,889 --> 00:11:21,720

uh that came and went with great promise

246

00:11:26,750 --> 00:11:24,899

and total lack of delivery and so you uh

247

00:11:29,030 --> 00:11:26,760

you came in very handy in the film to

248

00:11:31,670 --> 00:11:29,040

summarize a couple of those things well

249

00:11:33,230 --> 00:11:31,680

yeah okay again let me comment on that

250

00:11:35,030 --> 00:11:33,240

because

251

00:11:38,269 --> 00:11:35,040

um I'm not a I'm not a prophet or a

252

00:11:40,910 --> 00:11:38,279

soothsayer right I'm not but

253

00:11:43,610 --> 00:11:40,920

um the things that I have uh the the

254

00:11:47,389 --> 00:11:43,620

said back in 2017 I think they still

255

00:11:50,930 --> 00:11:47,399

hold true today Ron in that don't go all

256

00:11:54,949 --> 00:11:50,940

in on anything let's just wait let time

257

00:11:57,710 --> 00:11:54,959

be the judge here right none of us your

258

00:12:01,190 --> 00:11:57,720

phone Community or anything uh and need

259

00:12:04,190 --> 00:12:01,200

to be the judges let's just see what

260

00:12:07,730 --> 00:12:04,200

happens but what I didn't think though

261

00:12:11,509 --> 00:12:07,740

was that back in 2017 that we would be

262

00:12:13,550 --> 00:12:11,519

here six years later in 2023

263

00:12:15,410 --> 00:12:13,560

um still kind of sitting on our hands

264

00:12:18,650 --> 00:12:15,420

somewhat not to say that there hasn't

265

00:12:21,769 --> 00:12:18,660

been progress but it's it's a pretty

266

00:12:25,009 --> 00:12:21,779

strange feeling knowing that six years

267

00:12:27,050 --> 00:12:25,019

we've almost let get bias right

268

00:12:29,090 --> 00:12:27,060

yeah and it's gone by so fast and

269

00:12:30,769 --> 00:12:29,100

there's been so many distractions but

270

00:12:33,110 --> 00:12:30,779

also there's been all of these false

271

00:12:34,790 --> 00:12:33,120

starts you know the the the only thing

272

00:12:38,030 --> 00:12:34,800

that's been accomplished in the body

273

00:12:40,670 --> 00:12:38,040

politic moving the UFO agenda forward is

274

00:12:42,110 --> 00:12:40,680

the creation of new acronyms it's like

275

00:12:43,370 --> 00:12:42,120

well you know okay it's this department

276

00:12:45,290 --> 00:12:43,380

it's that department it's a new

277

00:12:47,290 --> 00:12:45,300

Department it's a bunch of people and in

278

00:12:50,509 --> 00:12:47,300

the film we catch these guys red-handed

279

00:12:52,430 --> 00:12:50,519

and expose them in a most embarrassing

280

00:12:54,230 --> 00:12:52,440

manner of the way that they've just

281

00:12:56,329 --> 00:12:54,240

managed to take advantage of this to

282

00:12:58,190 --> 00:12:56,339

compartmentalize information uh well

283

00:12:59,990 --> 00:12:58,200

that doesn't fall under the purvey of my

284

00:13:02,569 --> 00:13:00,000

particular task force and it's like dude

285

00:13:04,730 --> 00:13:02,579

enough already and and then we also

286

00:13:07,370 --> 00:13:04,740

point out that the what we call the new

287

00:13:10,129 --> 00:13:07,380

narrative is the same story we got back

288

00:13:12,050 --> 00:13:10,139

when General Samford in this in the 60s

289

00:13:13,550 --> 00:13:12,060

was talking about the Air Force's

290

00:13:15,769 --> 00:13:13,560

involvement with UFOs it's almost

291

00:13:18,769 --> 00:13:15,779

verbatim they didn't even have the money

292

00:13:20,930 --> 00:13:18,779

to hire a new scriptwriter they just use

293

00:13:23,509 --> 00:13:20,940

the same script it's it's it's really

294

00:13:27,470 --> 00:13:23,519

sad yeah you're right about that now I

295

00:13:30,170 --> 00:13:27,480

want to uh to to expand on that with

296

00:13:32,930 --> 00:13:30,180

this next few questions which is this

297

00:13:36,350 --> 00:13:32,940

Ron you

298

00:13:38,870 --> 00:13:36,360

um you have done thousands of interviews

299

00:13:41,569 --> 00:13:38,880

I don't know how many hours of

300

00:13:45,110 --> 00:13:41,579

programming of Television that you have

301

00:13:49,670 --> 00:13:45,120

done I have no idea it's a big big body

302

00:13:53,449 --> 00:13:49,680

of work and you have interviewed every

303

00:13:57,650 --> 00:13:53,459

player here so uh and and for those that

304

00:14:00,110 --> 00:13:57,660

may not know you uh a lot of stuff stays

305

00:14:03,470 --> 00:14:00,120

on The Cutting Room floor right it does

306

00:14:07,790 --> 00:14:03,480

but you are listening and you are there

307

00:14:12,230 --> 00:14:07,800

you know what is you know what has been

308

00:14:14,870 --> 00:14:12,240

um immortalized on on on film or audio

309

00:14:17,449 --> 00:14:14,880

forever but you're able to go and

310

00:14:20,030 --> 00:14:17,459

connect the dots right you you go back

311

00:14:21,310 --> 00:14:20,040

and wait a minute this this was said

312

00:14:24,350 --> 00:14:21,320

exactly

313

00:14:25,670 --> 00:14:24,360

and is that where the idea for the film

314

00:14:28,730 --> 00:14:25,680

came from

315

00:14:31,129 --> 00:14:28,740

yeah uh well the title accidental truth

316

00:14:33,530 --> 00:14:31,139

came to me because of an interview that

317

00:14:36,410 --> 00:14:33,540

I did with Lou Elizondo and I actually

318

00:14:38,750 --> 00:14:36,420

had one of the only sit down properly

319

00:14:40,790 --> 00:14:38,760

lit professionally set up interviews

320

00:14:43,189 --> 00:14:40,800

with him because he was so tied up with

321

00:14:44,870 --> 00:14:43,199

ttsa and History Channel so you can see

322

00:14:46,490 --> 00:14:44,880

lots of little Elizondo interviews that

323

00:14:49,069 --> 00:14:46,500

are out there that are skyped in and

324

00:14:50,689 --> 00:14:49,079

things like that but I had the the real

325

00:14:53,030 --> 00:14:50,699

setting and there was a lot of interest

326

00:14:55,310 --> 00:14:53,040

in that interview but while I was

327

00:14:56,810 --> 00:14:55,320

questioning him he's he as he said

328

00:14:58,850 --> 00:14:56,820

something and then when I asked him to

329

00:15:01,850 --> 00:14:58,860

clarify his answer it was one of those

330

00:15:04,069 --> 00:15:01,860

oh crap moments and it's caught right

331

00:15:06,290 --> 00:15:04,079

there on camera and it's uh and that's

332

00:15:09,230 --> 00:15:06,300

where I got the the idea for the title

333

00:15:11,689 --> 00:15:09,240

accidental truth is that you know

334

00:15:14,329 --> 00:15:11,699

sometimes we will reveal something in

335

00:15:15,769 --> 00:15:14,339

what we don't say sometimes we will

336

00:15:18,889 --> 00:15:15,779

reveal something in what we say

337

00:15:21,050 --> 00:15:18,899

accidentally and sometimes we'll reveal

338

00:15:23,509 --> 00:15:21,060

something just by a slip of the tongue

339

00:15:25,550 --> 00:15:23,519

and so that gave me that idea but then

340

00:15:26,509 --> 00:15:25,560

as I'm going back through my stuff

341

00:15:28,310 --> 00:15:26,519

up

342

00:15:31,129 --> 00:15:28,320

you know like I've got three interviews

343

00:15:32,810 --> 00:15:31,139

with Nick Pope dating back to 2009 and

344

00:15:34,970 --> 00:15:32,820

it's really interesting to hear these

345

00:15:37,250 --> 00:15:34,980

guys story evolve same thing with

346

00:15:39,650 --> 00:15:37,260

Colonel John Alexander I interviewed him

347

00:15:42,769 --> 00:15:39,660

in 2009 and then I interviewed him again

348

00:15:47,509 --> 00:15:42,779

in 2018 and then again in 2019 and again

349

00:15:51,170 --> 00:15:47,519

in 2022 and this is a person whose story

350

00:15:53,090 --> 00:15:51,180

has completely uh changed over time and

351

00:15:56,509 --> 00:15:53,100

we we illustrate that with their own

352

00:15:58,310 --> 00:15:56,519

words and so it's interesting with with

353

00:16:01,910 --> 00:15:58,320

Colonel Alexander

354

00:16:06,290 --> 00:16:01,920

um is that he was out making the rounds

355

00:16:08,210 --> 00:16:06,300

to the UFO Community a lot and saying

356

00:16:10,430 --> 00:16:08,220

that you know he believed that more

357

00:16:12,650 --> 00:16:10,440

study should be permissible and blah

358

00:16:15,710 --> 00:16:12,660

blah blah blah blah but we find out in

359

00:16:17,389 --> 00:16:15,720

2021 that he was actually running a

360

00:16:19,490 --> 00:16:17,399

program just like the kind that he was

361

00:16:20,829 --> 00:16:19,500

officially denying the whole time he was

362

00:16:24,170 --> 00:16:20,839

walking around in this community

363

00:16:26,810 --> 00:16:24,180

pretending to be to be like like he was

364

00:16:29,990 --> 00:16:26,820

an ally and at the end of the day was he

365

00:16:30,710 --> 00:16:30,000

an ally in his own way for sure

366

00:16:33,829 --> 00:16:30,720

um

367

00:16:36,230 --> 00:16:33,839

but you know the line gets blurred and

368

00:16:37,730 --> 00:16:36,240

where where I might have originally when

369

00:16:39,470 --> 00:16:37,740

I started on this film I might have said

370

00:16:41,030 --> 00:16:39,480

oh yeah that's that's crap this guy's

371

00:16:43,370 --> 00:16:41,040

been out there doing this stuff for this

372

00:16:46,490 --> 00:16:43,380

whole time he's he's been part of a

373

00:16:48,410 --> 00:16:46,500

disinformation and a a campaign of

374

00:16:49,670 --> 00:16:48,420

deception and shame on him and shame on

375

00:16:52,430 --> 00:16:49,680

all these other people that are doing

376

00:16:55,550 --> 00:16:52,440

this and I kind of uh started to see

377

00:16:57,829 --> 00:16:55,560

things from Another angle also and kind

378

00:17:01,129 --> 00:16:57,839

of understand that maybe that's kind of

379

00:17:03,170 --> 00:17:01,139

how they just had to be and what started

380

00:17:05,270 --> 00:17:03,180

out as a really militant film where

381

00:17:08,210 --> 00:17:05,280

we're going to get these guys kind of

382

00:17:10,130 --> 00:17:08,220

turned into a gentle expose you know I'm

383

00:17:11,569 --> 00:17:10,140

not a there's nobody getting denigrated

384

00:17:14,710 --> 00:17:11,579

or attacked in the film but they're

385

00:17:19,850 --> 00:17:14,720

certainly getting exposed

386

00:17:21,650 --> 00:17:19,860

let me ask you this uh we we all when I

387

00:17:23,630 --> 00:17:21,660

say we all you know our community but I

388

00:17:25,370 --> 00:17:23,640

think that the world now understands

389

00:17:28,429 --> 00:17:25,380

that you know something's going on in

390

00:17:31,850 --> 00:17:28,439

the skies and and it's not us and it's

391

00:17:34,310 --> 00:17:31,860

coming from somewhere but if you've seen

392

00:17:36,730 --> 00:17:34,320

something that you can't explain uh like

393

00:17:40,909 --> 00:17:36,740

I have and so many others have

394

00:17:43,970 --> 00:17:40,919

it forces you onto the road of uh

395

00:17:47,510 --> 00:17:43,980

Discovery and in a seeker of knowledge

396

00:17:50,870 --> 00:17:47,520

so we have that side of things and then

397

00:17:53,930 --> 00:17:50,880

we have everything else

398

00:17:57,409 --> 00:17:53,940

what is what ultimately are these

399

00:18:00,770 --> 00:17:57,419

agendas is it agenda is it an agenda for

400

00:18:03,470 --> 00:18:00,780

truth or is it too obscure and and

401
00:18:05,270 --> 00:18:03,480
present something else

402
00:18:07,010 --> 00:18:05,280
well if you're talking about the agenda

403
00:18:10,430 --> 00:18:07,020
that we're seeing unfold in the human

404
00:18:12,950 --> 00:18:10,440
realm uh I think that there's

405
00:18:15,470 --> 00:18:12,960
uh there's warring factions even to this

406
00:18:17,870 --> 00:18:15,480
day and we actually call that out in the

407
00:18:19,310 --> 00:18:17,880
film when when Lou and Chris came out in

408
00:18:21,529 --> 00:18:19,320
2017

409
00:18:22,850 --> 00:18:21,539
there it rather people want to say

410
00:18:24,289 --> 00:18:22,860
they're part of an organized

411
00:18:27,110 --> 00:18:24,299
disinformation campaign and they're

412
00:18:28,789 --> 00:18:27,120
playing their part or they really did

413
00:18:31,430 --> 00:18:28,799

want to start bringing this to the

414

00:18:34,190 --> 00:18:31,440

public uh that that's debatable and and

415

00:18:36,230 --> 00:18:34,200

we can have that discussion but the fact

416

00:18:39,230 --> 00:18:36,240

of the matter is that whatever we're

417

00:18:42,230 --> 00:18:39,240

being told there are factions that do

418

00:18:44,150 --> 00:18:42,240

not want us to be told anything and so

419

00:18:46,549 --> 00:18:44,160

you've got this internal fight going on

420

00:18:48,950 --> 00:18:46,559

at the very deepest levels and also in

421

00:18:51,409 --> 00:18:48,960

within the Air Force within the a little

422

00:18:54,169 --> 00:18:51,419

bit of the military but most of this is

423

00:18:57,230 --> 00:18:54,179

obviously hidden away from even the rank

424

00:18:59,090 --> 00:18:57,240

and file military but there there is uh

425

00:19:00,770 --> 00:18:59,100

you know there there is not agreement

426
00:19:02,390 --> 00:19:00,780
about what we should be told about what

427
00:19:04,610 --> 00:19:02,400
should be revealed and there is

428
00:19:07,190 --> 00:19:04,620
infighting going on and we illustrate

429
00:19:08,510 --> 00:19:07,200
that and we kind of prove it in in the

430
00:19:11,150 --> 00:19:08,520
film with some of the stuff that

431
00:19:13,850 --> 00:19:11,160
happened after Lou came out and how he

432
00:19:15,590 --> 00:19:13,860
was disavowed how he had to hire uh

433
00:19:17,390 --> 00:19:15,600
Danny Sheehan to go into the defense

434
00:19:19,250 --> 00:19:17,400
intelligence agency and make them take

435
00:19:21,710 --> 00:19:19,260
back that he was a fraud and that he

436
00:19:23,450 --> 00:19:21,720
they hadn't done his stuff that he said

437
00:19:26,810 --> 00:19:23,460
he did

438
00:19:28,909 --> 00:19:26,820

so that there is no fixed agenda it's

439

00:19:32,090 --> 00:19:28,919

it's very clear that we're going to have

440

00:19:35,570 --> 00:19:32,100

to confront the reality that there are

441

00:19:37,669 --> 00:19:35,580

non-human or maybe even another type of

442

00:19:40,010 --> 00:19:37,679

human intelligence is that we don't know

443

00:19:42,409 --> 00:19:40,020

that are interacting with our planet and

444

00:19:44,510 --> 00:19:42,419

probably with us this is this is a given

445

00:19:47,210 --> 00:19:44,520

and at some point if they don't figure

446

00:19:49,430 --> 00:19:47,220

out a way to to clue Us in officially

447

00:19:50,810 --> 00:19:49,440

you know Elon Musk is going to land

448

00:19:53,210 --> 00:19:50,820

right in the middle of an ancient city

449

00:19:55,070 --> 00:19:53,220

on Mars and and the beans are going to

450

00:19:58,310 --> 00:19:55,080

be spilled so they can't keep it going

451
00:20:01,250 --> 00:19:58,320
for for long but the problem is they

452
00:20:02,810 --> 00:20:01,260
can't just come out and say oh yeah well

453
00:20:04,549 --> 00:20:02,820
you know yeah we've known about this

454
00:20:07,850 --> 00:20:04,559
since well the the pope knew about it

455
00:20:10,190 --> 00:20:07,860
back in the church in before uh they

456
00:20:12,890 --> 00:20:10,200
started even having technology all of

457
00:20:15,409 --> 00:20:12,900
recorded history we've had UFOs and and

458
00:20:16,789 --> 00:20:15,419
the secret has been sequestered away

459
00:20:18,409 --> 00:20:16,799
they're not going to be able to keep it

460
00:20:20,750 --> 00:20:18,419
a secret for too much longer but there's

461
00:20:22,070 --> 00:20:20,760
a whole lot of disagreement about what

462
00:20:23,870 --> 00:20:22,080
we're going to be told how we're going

463
00:20:26,330 --> 00:20:23,880

to be told and when we're going to be

464

00:20:28,130 --> 00:20:26,340

told and it's it's it's bubbling to the

465

00:20:29,990 --> 00:20:28,140

surface to the point where it's evident

466

00:20:31,310 --> 00:20:30,000

through that you can just see it

467

00:20:33,470 --> 00:20:31,320

happening

468

00:20:35,289 --> 00:20:33,480

the uh let me ask you a couple of

469

00:20:38,330 --> 00:20:35,299

questions uh

470

00:20:41,450 --> 00:20:38,340

this may be opinion and also maybe

471

00:20:46,570 --> 00:20:41,460

something that you that you know but

472

00:20:52,909 --> 00:20:46,580

um but your comment is is valuable the

473

00:20:55,789 --> 00:20:52,919

the story The the storyline in in 2017

474

00:21:00,470 --> 00:20:55,799

um not only coming directly from tsa

475

00:21:03,169 --> 00:21:00,480

but from those around them uh as well

476
00:21:04,850 --> 00:21:03,179
saying the same thing uh there's there's

477
00:21:06,230 --> 00:21:04,860
going to be more videos there's going to

478
00:21:07,789 --> 00:21:06,240
be more evidence there's going to be

479
00:21:10,430 --> 00:21:07,799
more witnesses coming forward there's

480
00:21:13,270 --> 00:21:10,440
going to be some this is what and and

481
00:21:16,850 --> 00:21:13,280
this entire and at the time

482
00:21:20,210 --> 00:21:16,860
we were buying into it and we had to we

483
00:21:22,610 --> 00:21:20,220
had three Navy videos that that made it

484
00:21:25,730 --> 00:21:22,620
out and we had uh people coming forward

485
00:21:27,950 --> 00:21:25,740
like Lou and and David fravor and you

486
00:21:29,690 --> 00:21:27,960
know later Alex Dietrich Ryan Grace you

487
00:21:33,470 --> 00:21:29,700
know it's a long list

488
00:21:37,370 --> 00:21:33,480

and then the brakes completely got

489

00:21:39,590 --> 00:21:37,380

pumped right and and it it it stopped

490

00:21:41,210 --> 00:21:39,600

and it didn't stop after a couple of

491

00:21:44,990 --> 00:21:41,220

years it stopped after a couple of

492

00:21:47,330 --> 00:21:45,000

months and we've literally have had six

493

00:21:49,190 --> 00:21:47,340

years with nothing

494

00:21:51,470 --> 00:21:49,200

yeah we kind of explained that in the

495

00:21:53,990 --> 00:21:51,480

film that when when these guys got their

496

00:21:57,169 --> 00:21:54,000

momentum and the story got so big so

497

00:21:59,149 --> 00:21:57,179

fast there were factions within within

498

00:22:00,770 --> 00:21:59,159

the the managers of this information

499

00:22:02,750 --> 00:22:00,780

that were like hold on wait a minute

500

00:22:04,010 --> 00:22:02,760

they got blindsided they didn't they

501
00:22:05,750 --> 00:22:04,020
didn't know how to react they didn't

502
00:22:08,450 --> 00:22:05,760
have time to react but then they got

503
00:22:11,450 --> 00:22:08,460
time to get that off of their back feet

504
00:22:14,029 --> 00:22:11,460
and form a strategy to combat this and

505
00:22:16,130 --> 00:22:14,039
to limit what is going to be put out the

506
00:22:17,930 --> 00:22:16,140
the the story grew so fast and there

507
00:22:19,549 --> 00:22:17,940
were some lines that got crossed like

508
00:22:22,010 --> 00:22:19,559
when the New York Times did the

509
00:22:24,890 --> 00:22:22,020
follow-up story about materials being

510
00:22:26,930 --> 00:22:24,900
held uh okay that was a red line you

511
00:22:28,370 --> 00:22:26,940
cannot go there that that was never part

512
00:22:29,810 --> 00:22:28,380
of the agreement that you can all of a

513
00:22:32,990 --> 00:22:29,820

sudden say we've got materials from

514

00:22:36,649 --> 00:22:33,000

crashed UFOs and so

515

00:22:38,450 --> 00:22:36,659

that was way Beyond where there anybody

516

00:22:40,310 --> 00:22:38,460

was willing to let it go that had any

517

00:22:41,930 --> 00:22:40,320

control over whatsoever so they

518

00:22:43,970 --> 00:22:41,940

immediately started walking that stuff

519

00:22:46,010 --> 00:22:43,980

back they had to print the retraction in

520

00:22:48,649 --> 00:22:46,020

the New York Times we had Susan Guff

521

00:22:51,169 --> 00:22:48,659

coming out from the Pentagon uh walking

522

00:22:53,330 --> 00:22:51,179

back the whole materials story but the

523

00:22:56,149 --> 00:22:53,340

the cat was already out of the bag and

524

00:22:57,610 --> 00:22:56,159

it's been just a dog and pony show ever

525

00:22:59,149 --> 00:22:57,620

since

526

00:23:10,130 --> 00:22:59,159

the

527

00:23:12,950 --> 00:23:10,140

because we've we had different versions

528

00:23:17,450 --> 00:23:12,960

of all of this being spoken of at the

529

00:23:20,750 --> 00:23:17,460

same time where normally and let's say

530

00:23:23,570 --> 00:23:20,760

I'll take something uh very basic right

531

00:23:25,730 --> 00:23:23,580

let's say we all go to a friend's

532

00:23:28,970 --> 00:23:25,740

birthday party right and we have a group

533

00:23:31,730 --> 00:23:28,980

of friends there later on a month a year

534

00:23:35,570 --> 00:23:31,740

on down the road and we go back and talk

535

00:23:38,169 --> 00:23:35,580

about the birthday party we may not all

536

00:23:41,810 --> 00:23:38,179

have the exact recollection

537

00:23:43,250 --> 00:23:41,820

but the source of the story you know you

538

00:23:46,190 --> 00:23:43,260

know what I mean there's going to be a

539

00:23:49,549 --> 00:23:46,200

general thing that you're not going to

540

00:23:51,289 --> 00:23:49,559

get wrong well there were statements and

541

00:23:54,110 --> 00:23:51,299

things that were being made from uh

542

00:23:57,230 --> 00:23:54,120

people in the middle of this that were

543

00:24:00,350 --> 00:23:57,240

complete opposites and and were not

544

00:24:03,830 --> 00:24:00,360

making sense and then even those

545

00:24:07,010 --> 00:24:03,840

reversed right and and and and and by

546

00:24:08,450 --> 00:24:07,020

the time you get to the end of it uh you

547

00:24:11,090 --> 00:24:08,460

can't you can't really make sense of

548

00:24:13,549 --> 00:24:11,100

anything because nobody has got a basic

549

00:24:15,230 --> 00:24:13,559

point source of information

550

00:24:17,990 --> 00:24:15,240

yeah it's kind of that weight by Design

551
00:24:19,909 --> 00:24:18,000
Ralph Blumenthal is in the movie I went

552
00:24:22,010 --> 00:24:19,919
to New York and I interviewed him and

553
00:24:23,390 --> 00:24:22,020
and he's instrumental in telling the

554
00:24:25,490 --> 00:24:23,400
story from his point of view and for

555
00:24:28,010 --> 00:24:25,500
those that don't know who he is Ralph

556
00:24:31,909 --> 00:24:28,020
Blumenthal is the the New York Times

557
00:24:33,830 --> 00:24:31,919
writer that broke the atip story and in

558
00:24:37,250 --> 00:24:33,840
the film he tells a story about how

559
00:24:39,110 --> 00:24:37,260
Leslie Keane was invited to a private

560
00:24:41,090 --> 00:24:39,120
meeting with Lou Elizondo with

561
00:24:44,330 --> 00:24:41,100
Christopher melon we're to talk about

562
00:24:46,430 --> 00:24:44,340
UFOs and that's Lew had just written his

563
00:24:48,830 --> 00:24:46,440

resignation letter to the uh to the

564

00:24:51,830 --> 00:24:48,840

defense department but he had not given

565

00:24:54,710 --> 00:24:51,840

it to them yet and this was a you know

566

00:24:57,289 --> 00:24:54,720

kind of this is what we know this is

567

00:25:00,529 --> 00:24:57,299

this is a program that's been run that

568

00:25:02,810 --> 00:25:00,539

nobody knows about and um and that's

569

00:25:04,850 --> 00:25:02,820

what was the Nexus for the story being

570

00:25:07,430 --> 00:25:04,860

broken but it wasn't a spontaneous thing

571

00:25:09,169 --> 00:25:07,440

this was this was orchestrated to these

572

00:25:12,890 --> 00:25:09,179

guys coming together Chris and Lou

573

00:25:15,289 --> 00:25:12,900

coming to the media and for a while the

574

00:25:16,430 --> 00:25:15,299

story got it got massaged it's like how

575

00:25:17,690 --> 00:25:16,440

are we going to get it into the times

576

00:25:19,250 --> 00:25:17,700

how are we going to get the time so go

577

00:25:21,350 --> 00:25:19,260

ahead and print it and there's a whole

578

00:25:23,330 --> 00:25:21,360

back story to how that happened and

579

00:25:25,250 --> 00:25:23,340

there's a case to be made

580

00:25:27,590 --> 00:25:25,260

that this was part of an organized

581

00:25:29,810 --> 00:25:27,600

rollout and that Lou and Chris were just

582

00:25:31,549 --> 00:25:29,820

kind of front men for this organized

583

00:25:33,350 --> 00:25:31,559

rollout and there's also a case to be

584

00:25:35,149 --> 00:25:33,360

made that that's not really the the

585

00:25:37,130 --> 00:25:35,159

truth and that they had just decided

586

00:25:39,230 --> 00:25:37,140

we're going to leave government we're

587

00:25:40,549 --> 00:25:39,240

going to take what we can say and what

588

00:25:42,110 --> 00:25:40,559

we can't say and we're going to start

589

00:25:44,870 --> 00:25:42,120

doing what we can to get this to the

590

00:25:47,210 --> 00:25:44,880

public and so there's two different ways

591

00:25:48,710 --> 00:25:47,220

of looking at what happened back in

592

00:25:50,330 --> 00:25:48,720

those days and there's two different

593

00:25:53,269 --> 00:25:50,340

ways of looking at the motivation of

594

00:25:56,750 --> 00:25:53,279

these two gentlemen uh I find it very

595

00:25:58,190 --> 00:25:56,760

interesting that uh shortly after the

596

00:26:01,310 --> 00:25:58,200

story broke

597

00:26:03,529 --> 00:26:01,320

all of a sudden here comes tsa and

598

00:26:05,450 --> 00:26:03,539

these guys are already organized is that

599

00:26:07,130 --> 00:26:05,460

they didn't just organically pop up

600

00:26:08,690 --> 00:26:07,140

right after the New York Times story

601
00:26:10,789 --> 00:26:08,700
there were years in the making to put

602
00:26:13,250 --> 00:26:10,799
this thing together Lou and Chris and

603
00:26:15,049 --> 00:26:13,260
Jim semivan and all these guys from from

604
00:26:17,750 --> 00:26:15,059
the intelligence Community helped put

605
00:26:19,610 --> 00:26:17,760
off these were all guys yeah Steve

606
00:26:21,289 --> 00:26:19,620
Justice yeah these are all guys that

607
00:26:23,930 --> 00:26:21,299
were involved in this stuff for ages how

608
00:26:27,710 --> 00:26:23,940
put off and and Colonel John Alexander

609
00:26:29,630 --> 00:26:27,720
were running programs to study UFOs back

610
00:26:31,730 --> 00:26:29,640
in the 70s just within a very short

611
00:26:34,789 --> 00:26:31,740
window after Project Blue Book closed

612
00:26:38,269 --> 00:26:34,799
and and so a big thing that we cover in

613
00:26:40,490 --> 00:26:38,279

our in our film is that what we call the

614

00:26:43,070 --> 00:26:40,500

new narrative the new narrative that

615

00:26:44,870 --> 00:26:43,080

came out in 2017 is

616

00:26:46,370 --> 00:26:44,880

we have these things we don't know what

617

00:26:48,890 --> 00:26:46,380

they are they're not ours they're not

618

00:26:50,450 --> 00:26:48,900

adversaries we think they might be a

619

00:26:52,310 --> 00:26:50,460

threat so we're going to have to take it

620

00:26:53,690 --> 00:26:52,320

seriously and investigate it but the

621

00:26:55,310 --> 00:26:53,700

biggest part of the new narrative is

622

00:26:59,029 --> 00:26:55,320

that there was nothing going on after

623

00:27:01,010 --> 00:26:59,039

blue book before atip and so we go in

624

00:27:04,370 --> 00:27:01,020

there and we dig the crap out of that

625

00:27:06,230 --> 00:27:04,380

and what we're able to prove we we've

626

00:27:07,970 --> 00:27:06,240

we're able to identify the programs

627

00:27:10,190 --> 00:27:07,980

we're able to identify the people that

628

00:27:12,470 --> 00:27:10,200

ran the programs we're able to identify

629

00:27:15,409 --> 00:27:12,480

what they studied we're able to identify

630

00:27:17,930 --> 00:27:15,419

what they found and it's it's profound

631

00:27:19,970 --> 00:27:17,940

and through admissions of their own and

632

00:27:20,870 --> 00:27:19,980

through Freedom of Information

633

00:27:23,930 --> 00:27:20,880

um

634

00:27:26,810 --> 00:27:23,940

so what happens in accidental truth is

635

00:27:29,269 --> 00:27:26,820

that the the deception just gets

636

00:27:30,590 --> 00:27:29,279

completely undermined and the truth

637

00:27:32,029 --> 00:27:30,600

about these programs because that's

638

00:27:34,070 --> 00:27:32,039

where the that's where the truth lives

639

00:27:36,049 --> 00:27:34,080

it lives between the end of Blue Book

640

00:27:39,169 --> 00:27:36,059

well actually before the beginning of

641

00:27:41,029 --> 00:27:39,179

blue book but it it and and atip and

642

00:27:43,190 --> 00:27:41,039

they're whitewashing that entire history

643

00:27:46,310 --> 00:27:43,200

and they're doing it for a very specific

644

00:27:48,890 --> 00:27:46,320

reason and that is to to reframe The

645

00:27:51,350 --> 00:27:48,900

Narrative and to abolish anybody that's

646

00:27:54,769 --> 00:27:51,360

involved in this stuff uh from any kind

647

00:27:57,049 --> 00:27:54,779

of responsibility and so part some of

648

00:27:59,330 --> 00:27:57,059

them are dying off but they're still an

649

00:28:01,490 --> 00:27:59,340

Institutional responsibility that has to

650

00:28:03,950 --> 00:28:01,500

be whitewashed so we can come out in

651
00:28:05,690 --> 00:28:03,960
2017 and say oh the Navy's studying this

652
00:28:07,549 --> 00:28:05,700
stuff and all of a sudden oh here's

653
00:28:09,590 --> 00:28:07,559
these dirts these defense intelligence

654
00:28:11,330 --> 00:28:09,600
reports about all these technologies

655
00:28:13,850 --> 00:28:11,340
that came out a big little Aerospace

656
00:28:15,350 --> 00:28:13,860
here's these materials reports that with

657
00:28:17,390 --> 00:28:15,360
logical explanations about where all

658
00:28:21,230 --> 00:28:17,400
this stuff came from what we're really

659
00:28:23,510 --> 00:28:21,240
seeing in that release is we are seeing

660
00:28:27,470 --> 00:28:23,520
the information that these guys gleaned

661
00:28:29,390 --> 00:28:27,480
from before Blue Book until atip over

662
00:28:31,190 --> 00:28:29,400
these years all these top secret back

663
00:28:33,890 --> 00:28:31,200

engineering programs all these crash

664

00:28:35,450 --> 00:28:33,900

retrieval debris uh studies all these

665

00:28:37,490 --> 00:28:35,460

material studies all these things that

666

00:28:39,230 --> 00:28:37,500

these guys were doing how do we get that

667

00:28:40,669 --> 00:28:39,240

information out in such a way as we can

668

00:28:42,649 --> 00:28:40,679

say oh yeah well we just found this

669

00:28:45,470 --> 00:28:42,659

stuff it's just like we we talk about

670

00:28:47,510 --> 00:28:45,480

night and all the the shape-shifting

671

00:28:50,330 --> 00:28:47,520

alloy that it was supposed to be around

672

00:28:51,890 --> 00:28:50,340

Roswell we go back and we proved that it

673

00:28:56,269 --> 00:28:51,900

didn't come from where they say it came

674

00:28:59,390 --> 00:28:56,279

from and that it very likely came from

675

00:29:01,669 --> 00:28:59,400

some kind of a UFO crash so they're

676
00:29:03,950 --> 00:29:01,679
they're whitewashing the past so they

677
00:29:06,409 --> 00:29:03,960
can deny these programs existed and

678
00:29:09,110 --> 00:29:06,419
they're using the cover of bass big

679
00:29:11,930 --> 00:29:09,120
little Aerospace the the Freedom of

680
00:29:14,210 --> 00:29:11,940
Information Act requests about material

681
00:29:16,909 --> 00:29:14,220
studies to come up with a new

682
00:29:20,029 --> 00:29:16,919
explanation for how this knowledge and

683
00:29:21,169 --> 00:29:20,039
information was obtained so that they

684
00:29:23,210 --> 00:29:21,179
don't have to take responsibility

685
00:29:25,250 --> 00:29:23,220
ability or accountability or even tell

686
00:29:27,049 --> 00:29:25,260
the truth for what they did in the past

687
00:29:29,810 --> 00:29:27,059
and and so that's what we're seeing

688
00:29:32,510 --> 00:29:29,820

that's what started to unfold in 2017

689

00:29:35,570 --> 00:29:32,520

rather Lou and Chris and and those in

690

00:29:38,149 --> 00:29:35,580

ttsa are intentionally carrying that

691

00:29:38,750 --> 00:29:38,159

which you know obviously

692

00:29:40,610 --> 00:29:38,760

um

693

00:29:43,010 --> 00:29:40,620

there they're certainly not telling us

694

00:29:45,470 --> 00:29:43,020

what they know how put off is not

695

00:29:48,409 --> 00:29:45,480

telling us what he knows we know him and

696

00:29:51,169 --> 00:29:48,419

Alexander we're working way back uh same

697

00:29:53,029 --> 00:29:51,179

thing with all these guys so

698

00:29:55,430 --> 00:29:53,039

they've come up with a very clever way

699

00:29:57,649 --> 00:29:55,440

to say oh yes there's all these

700

00:29:58,970 --> 00:29:57,659

materials that that may have we don't

701
00:30:01,850 --> 00:29:58,980
know what they came from maybe they came

702
00:30:04,850 --> 00:30:01,860
from off-world Craft they could have uh

703
00:30:06,529 --> 00:30:04,860
there's all these technologies that we

704
00:30:07,610 --> 00:30:06,539
have spent a ridiculous amount of time

705
00:30:09,649 --> 00:30:07,620
studying

706
00:30:11,710 --> 00:30:09,659
but they're not going to tell us where

707
00:30:13,909 --> 00:30:11,720
that stuff originated because they can't

708
00:30:16,190 --> 00:30:13,919
and so

709
00:30:18,470 --> 00:30:16,200
here we go that's what accidental truth

710
00:30:20,350 --> 00:30:18,480
unveils

711
00:30:22,850 --> 00:30:20,360
um

712
00:30:29,029 --> 00:30:22,860
oh man I'm gonna ask you a very direct

713
00:30:30,370 --> 00:30:29,039

question do you feel that atip was a

714

00:30:33,289 --> 00:30:30,380

staffed

715

00:30:36,470 --> 00:30:33,299

Venture that there was a staff

716

00:30:38,810 --> 00:30:36,480

underneath Lou Elizondo that he was the

717

00:30:41,690 --> 00:30:38,820

director of people that were researching

718

00:30:44,510 --> 00:30:41,700

uh information eyewitness testimony and

719

00:30:47,510 --> 00:30:44,520

videos and imaging and sensor data or

720

00:30:49,669 --> 00:30:47,520

was atip a party of one and he was the

721

00:30:52,490 --> 00:30:49,679

director of himself

722

00:30:54,169 --> 00:30:52,500

well it's kind of probably somewhere in

723

00:30:56,750 --> 00:30:54,179

between and and let me explain what I

724

00:30:58,669 --> 00:30:56,760

mean uh one thing that I learned through

725

00:31:00,950 --> 00:30:58,679

the investigations that I've done is

726

00:31:03,889 --> 00:31:00,960

that they would there's these groups

727

00:31:05,630 --> 00:31:03,899

that they call ad hoc where say you're a

728

00:31:08,149 --> 00:31:05,640

high-ranking government official with an

729

00:31:10,370 --> 00:31:08,159

interest in UFOs well you can put

730

00:31:11,930 --> 00:31:10,380

together a group of a whole bunch of

731

00:31:13,370 --> 00:31:11,940

other high-ranking government officials

732

00:31:14,930 --> 00:31:13,380

and you can all have security clearances

733

00:31:17,690 --> 00:31:14,940

and you can have secret meetings and you

734

00:31:20,389 --> 00:31:17,700

can do you can run programs but they

735

00:31:24,649 --> 00:31:20,399

don't have to be ever official programs

736

00:31:26,750 --> 00:31:24,659

so they they call it ad hoc programs

737

00:31:28,669 --> 00:31:26,760

where there's no official sanction of

738

00:31:30,830 --> 00:31:28,679

this program but it still exists it

739

00:31:32,750 --> 00:31:30,840

still has all the benefits of your

740

00:31:35,870 --> 00:31:32,760

access to technology your access to

741

00:31:38,450 --> 00:31:35,880

security your access to secrets and can

742

00:31:40,909 --> 00:31:38,460

be run just like an official program but

743

00:31:42,409 --> 00:31:40,919

it's not it's on that borderline of well

744

00:31:44,750 --> 00:31:42,419

it's not official and that's how they're

745

00:31:46,610 --> 00:31:44,760

able to do a lot of these things that

746

00:31:48,590 --> 00:31:46,620

and burying them within Private Industry

747

00:31:50,269 --> 00:31:48,600

that makes it so that they don't have to

748

00:31:52,310 --> 00:31:50,279

admit it so

749

00:31:53,570 --> 00:31:52,320

I think what happened and you know I've

750

00:31:55,549 --> 00:31:53,580

talked to Lou about it and I've talked

751
00:31:57,769 --> 00:31:55,559
to others and so I can I'm going to

752
00:32:00,409 --> 00:31:57,779
venture my opinion but what it seems

753
00:32:02,990 --> 00:32:00,419
happened is that Lou was involved with

754
00:32:05,269 --> 00:32:03,000
the ASAP program which was the contract

755
00:32:07,730 --> 00:32:05,279
awarded to Bigelow Aerospace he was

756
00:32:10,909 --> 00:32:07,740
brought on into that program he had a

757
00:32:14,750 --> 00:32:10,919
role it was a real thing they they are

758
00:32:17,330 --> 00:32:14,760
the group that released the 1500 pages

759
00:32:18,830 --> 00:32:17,340
of reports on all kinds of esoteric

760
00:32:20,810 --> 00:32:18,840
Technologies

761
00:32:23,029 --> 00:32:20,820
um so that was a real thing and it was a

762
00:32:25,850 --> 00:32:23,039
real government contract and then at

763
00:32:28,010 --> 00:32:25,860

some point it slipped into DOD the bat

764

00:32:30,169 --> 00:32:28,020

the bass contract ended the program

765

00:32:33,590 --> 00:32:30,179

still continued now

766

00:32:35,210 --> 00:32:33,600

it can be debated rather it was well you

767

00:32:37,789 --> 00:32:35,220

know they say that atip was kind of a

768

00:32:39,289 --> 00:32:37,799

nickname for it and Lou had a portfolio

769

00:32:41,570 --> 00:32:39,299

of things that he was working on it

770

00:32:43,190 --> 00:32:41,580

wasn't just that but the program did

771

00:32:45,649 --> 00:32:43,200

continue the same people were still

772

00:32:48,049 --> 00:32:45,659

involved but it was somewhere in between

773

00:32:50,990 --> 00:32:48,059

an official program and an ad hoc

774

00:32:53,930 --> 00:32:51,000

program it didn't the the 20 million

775

00:32:55,190 --> 00:32:53,940

dollars that big little Aerospace got I

776

00:32:56,690 --> 00:32:55,200

don't think that Lou had that kind of

777

00:33:00,110 --> 00:32:56,700

budget to work with when he was running

778

00:33:01,669 --> 00:33:00,120

it out of DIA and so

779

00:33:05,810 --> 00:33:01,679

um the answer is somewhere in between

780

00:33:08,330 --> 00:33:05,820

but yes there it was a thing

781

00:33:11,690 --> 00:33:08,340

um I I have um

782

00:33:14,570 --> 00:33:11,700

because when I look at things overall

783

00:33:16,730 --> 00:33:14,580

and these are the same comments that I

784

00:33:20,269 --> 00:33:16,740

have today and same questions that I had

785

00:33:22,669 --> 00:33:20,279

today have today I had in 2017 and I was

786

00:33:24,830 --> 00:33:22,679

you know I had I had the dirt reports

787

00:33:28,070 --> 00:33:24,840

and all the awesome information a year

788

00:33:30,889 --> 00:33:28,080

before that stuff was made public and I

789

00:33:33,230 --> 00:33:30,899

had distributed uh out through my

790

00:33:35,630 --> 00:33:33,240

friends and small network of people you

791

00:33:40,370 --> 00:33:35,640

know what do you think about this and

792

00:33:42,649 --> 00:33:40,380

when tsa rolled out and then we had

793

00:33:44,389 --> 00:33:42,659

This Acronym you know atip uh suddenly

794

00:33:46,610 --> 00:33:44,399

in play

795

00:33:48,950 --> 00:33:46,620

um was a to the you know the big

796

00:33:51,830 --> 00:33:48,960

question was was atip a version of ASAP

797

00:33:54,350 --> 00:33:51,840

was it a continuation of the program but

798

00:33:57,169 --> 00:33:54,360

ASAP had nothing to do with UFOs

799

00:33:59,090 --> 00:33:57,179

and when you go and you read all of

800

00:34:02,570 --> 00:33:59,100

their stuff paranormal absolutely

801
00:34:05,269 --> 00:34:02,580
Supernatural yeah bending spoons warp

802
00:34:08,329 --> 00:34:05,279
drives right okay so all of that was in

803
00:34:11,089 --> 00:34:08,339
warp drives has to do with UFOs but and

804
00:34:12,409 --> 00:34:11,099
so does material studies and ASAP was

805
00:34:13,849 --> 00:34:12,419
doing all that stuff but do you

806
00:34:17,149 --> 00:34:13,859
understand what I'm saying they weren't

807
00:34:19,730 --> 00:34:17,159
researching Navy videos and eyewitness

808
00:34:22,490 --> 00:34:19,740
testimony with UFOs now they were doing

809
00:34:24,770 --> 00:34:22,500
research studies projecting out 50 years

810
00:34:27,770 --> 00:34:24,780
in the future where they thought that uh

811
00:34:29,990 --> 00:34:27,780
we may be in a in a in in technology

812
00:34:33,050 --> 00:34:30,000
which is fine I don't have any issues

813
00:34:37,070 --> 00:34:33,060

with that it was a great reading but uh

814

00:34:38,750 --> 00:34:37,080

atip was an awesome right in that a

815

00:34:40,129 --> 00:34:38,760

square can be a rectangle but a

816

00:34:42,230 --> 00:34:40,139

rectangle yeah so here's how that was

817

00:34:44,510 --> 00:34:42,240

explained to me the uh when they were

818

00:34:48,290 --> 00:34:44,520

when they were doing the ASAP work they

819

00:34:49,550 --> 00:34:48,300

had what uh was called like a wide

820

00:34:50,930 --> 00:34:49,560

spectrum of stuff that they were

821

00:34:52,490 --> 00:34:50,940

investigating all the stuff at

822

00:34:53,869 --> 00:34:52,500

Skinwalker Ranch all the Paranormal

823

00:34:56,149 --> 00:34:53,879

stuff like you're talking about there

824

00:34:57,470 --> 00:34:56,159

was a UFO element to it

825

00:35:00,650 --> 00:34:57,480

um as a matter of fact there was a time

826

00:35:03,109 --> 00:35:00,660

when mufon was brought in to go and

827

00:35:05,450 --> 00:35:03,119

travel to UFO sighting hot spots and

828

00:35:08,690 --> 00:35:05,460

provide the information to Bigelow and

829

00:35:11,990 --> 00:35:08,700

so there was a UFO element to it but by

830

00:35:14,450 --> 00:35:12,000

the time it uh Lou was involved and then

831

00:35:17,270 --> 00:35:14,460

by the time the program disintegrated it

832

00:35:21,170 --> 00:35:17,280

was decided that they were just going to

833

00:35:23,089 --> 00:35:21,180

uh stick with the UFO stuff in what got

834

00:35:26,810 --> 00:35:23,099

carried on into the defense intelligence

835

00:35:28,250 --> 00:35:26,820

agency that other things were as Lou

836

00:35:30,770 --> 00:35:28,260

puts it and he says this in the movie

837

00:35:32,810 --> 00:35:30,780

it's like we're trying to

838

00:35:35,329 --> 00:35:32,820

um hit an elephant with this with a

839

00:35:37,670 --> 00:35:35,339

sniper rifle there's there there's just

840

00:35:39,609 --> 00:35:37,680

no way that we could process all this

841

00:35:42,829 --> 00:35:39,619

data and

842

00:35:45,770 --> 00:35:42,839

study all of these things so as the

843

00:35:48,589 --> 00:35:45,780

program developed and and changed hands

844

00:35:51,170 --> 00:35:48,599

and and went into uh the the government

845

00:35:52,970 --> 00:35:51,180

offices that it ended up in and Bigelow

846

00:35:56,089 --> 00:35:52,980

and his participation kind of went by

847

00:36:00,410 --> 00:35:56,099

the wayside the focus became primarily

848

00:36:01,730 --> 00:36:00,420

on the UAP phenomenon yeah and and I see

849

00:36:04,370 --> 00:36:01,740

that

850

00:36:06,230 --> 00:36:04,380

um but uh there's some the reason why

851

00:36:08,390 --> 00:36:06,240

I'm talking about the front issue this

852

00:36:10,970 --> 00:36:08,400

the part that reaches the public right

853

00:36:12,770 --> 00:36:10,980

and this communication and and what is

854

00:36:16,490 --> 00:36:12,780

being presented to the public

855

00:36:18,349 --> 00:36:16,500

ASAP atip Elizondo melon all of that

856

00:36:20,750 --> 00:36:18,359

that's the stuff that's on the surface

857

00:36:25,370 --> 00:36:20,760

that's the the things that we can see

858

00:36:27,410 --> 00:36:25,380

that has nothing at zero to do with the

859

00:36:29,450 --> 00:36:27,420

crash retrieval of something that's out

860

00:36:30,829 --> 00:36:29,460

here in the Palm you know in Palmdale at

861

00:36:32,690 --> 00:36:30,839

Lockheed that's being backwards

862

00:36:36,530 --> 00:36:32,700

engineered that has nothing to do with

863

00:36:38,870 --> 00:36:36,540

us app or atip and the dod or anybody

864

00:36:40,970 --> 00:36:38,880

else wouldn't have any idea what a

865

00:36:43,490 --> 00:36:40,980

subcontractor is doing and that includes

866

00:36:46,370 --> 00:36:43,500

anybody that is involved with you know

867

00:36:48,349 --> 00:36:46,380

like like OS app which we know what that

868

00:36:52,130 --> 00:36:48,359

basically was about and where that

869

00:36:54,589 --> 00:36:52,140

funding came from and and atip there was

870

00:36:57,050 --> 00:36:54,599

you know they when when we talk about

871

00:37:01,130 --> 00:36:57,060

research and data into this subject

872

00:37:03,230 --> 00:37:01,140

matter wasn't anybody at atip Ron uh

873

00:37:05,690 --> 00:37:03,240

running research and looking at sensor

874

00:37:07,910 --> 00:37:05,700

data of stuff that Lockheed is working

875

00:37:09,530 --> 00:37:07,920

on no they would never know that they

876
00:37:11,089 --> 00:37:09,540
would never know about it and that would

877
00:37:12,230 --> 00:37:11,099
never get turn around and get back to

878
00:37:15,109 --> 00:37:12,240
the public

879
00:37:16,609 --> 00:37:15,119
well you're right and because the the

880
00:37:18,770 --> 00:37:16,619
stuff that you're talking about with uh

881
00:37:21,530 --> 00:37:18,780
crash debris materials reverse

882
00:37:24,950 --> 00:37:21,540
engineering groups like like awesome

883
00:37:27,290 --> 00:37:24,960
atip Project Blue Book and and and even

884
00:37:29,150 --> 00:37:27,300
uh Colonel John Alexander's group the

885
00:37:32,569 --> 00:37:29,160
advanced theoretical physics working

886
00:37:34,849 --> 00:37:32,579
group these guys were were on were

887
00:37:38,210 --> 00:37:34,859
scratching the surface in in an official

888
00:37:40,069 --> 00:37:38,220

capacity but they were never bred in to

889

00:37:42,170 --> 00:37:40,079

the depth of you know John Alexander

890

00:37:45,069 --> 00:37:42,180

never got to actually talk to the guys

891

00:37:49,069 --> 00:37:45,079

that recovered Roswell

892

00:37:51,170 --> 00:37:49,079

he had certain knowledge but these guys

893

00:37:54,290 --> 00:37:51,180

are not the guys they're not the people

894

00:37:56,569 --> 00:37:54,300

that that are deeply into this and that

895

00:38:00,109 --> 00:37:56,579

really hold the keys they're just more

896

00:38:01,849 --> 00:38:00,119

public players with it you know um lose

897

00:38:03,050 --> 00:38:01,859

manager told me and hopefully I'm not

898

00:38:04,609 --> 00:38:03,060

gonna get in trouble for this but he

899

00:38:06,589 --> 00:38:04,619

told me you know we're working on the

900

00:38:08,450 --> 00:38:06,599

ultimate UFO documentary and I'm like

901
00:38:11,750 --> 00:38:08,460
well you're never going to be able to

902
00:38:14,450 --> 00:38:11,760
make it because Lou's not read in and

903
00:38:16,910 --> 00:38:14,460
and it's just true these guys that we

904
00:38:19,130 --> 00:38:16,920
see publicly that they're not read into

905
00:38:21,530 --> 00:38:19,140
to what's really going on and and even

906
00:38:23,930 --> 00:38:21,540
the guys that we think have this

907
00:38:26,630 --> 00:38:23,940
knowledge they're not the guys the

908
00:38:28,790 --> 00:38:26,640
people that that ported

909
00:38:30,470 --> 00:38:28,800
um you know night and all and

910
00:38:33,650 --> 00:38:30,480
transparent aluminum and some of these

911
00:38:35,990 --> 00:38:33,660
other things into industry uh you know

912
00:38:38,510 --> 00:38:36,000
Corso's got his story that's that's not

913
00:38:40,430 --> 00:38:38,520

even really the way it happened and the

914

00:38:42,650 --> 00:38:40,440

people that that are managing this

915

00:38:44,930 --> 00:38:42,660

information it is sequestered within

916

00:38:47,390 --> 00:38:44,940

Private Industry to the point it's just

917

00:38:50,150 --> 00:38:47,400

like in the Wilson Davis memo

918

00:38:52,550 --> 00:38:50,160

you you're not read in it's in Private

919

00:38:53,990 --> 00:38:52,560

Industry you can't get to it and so even

920

00:38:56,270 --> 00:38:54,000

the front-facing people that we're

921

00:38:58,910 --> 00:38:56,280

talking to today they are not the people

922

00:39:03,349 --> 00:38:58,920

and in fact you say that in the movie

923

00:39:05,210 --> 00:39:03,359

I I probably well it's whoever they are

924

00:39:07,069 --> 00:39:05,220

we don't know their names they're not on

925

00:39:09,230 --> 00:39:07,079

TV they're not in front of a camera we

926

00:39:11,089 --> 00:39:09,240

don't know who they are and that's a

927

00:39:14,569 --> 00:39:11,099

Jimmy Church quote and I don't think

928

00:39:18,349 --> 00:39:14,579

that'll ever change right where

929

00:39:21,950 --> 00:39:18,359

um it is when you bring up to Wilson

930

00:39:23,630 --> 00:39:21,960

Davis uh document and there are a couple

931

00:39:25,849 --> 00:39:23,640

of points in that and I'm glad that you

932

00:39:28,130 --> 00:39:25,859

did because you know the John

933

00:39:29,870 --> 00:39:28,140

Alexander's of the world you know the

934

00:39:32,270 --> 00:39:29,880

oak Shannons and and the people that

935

00:39:34,849 --> 00:39:32,280

were involved you know going back uh to

936

00:39:37,550 --> 00:39:34,859

those meetings that were uh documented

937

00:39:39,890 --> 00:39:37,560

from uh 1985 where we've got Oak

938

00:39:42,829 --> 00:39:39,900

Shannon's notes and we've got Jack house

939

00:39:46,550 --> 00:39:42,839

notes that turn around and support the

940

00:39:50,450 --> 00:39:46,560

Wilson Davis memo and my point with uh

941

00:39:52,550 --> 00:39:50,460

everybody on this is exactly what you're

942

00:39:56,329 --> 00:39:52,560

saying there we'll never know the real

943

00:39:58,010 --> 00:39:56,339

names anybody that is in play here and

944

00:40:01,970 --> 00:39:58,020

you look at the bigot list or whatever

945

00:40:04,310 --> 00:40:01,980

it is you are so not only read in but

946

00:40:06,109 --> 00:40:04,320

you're so vetted to get on that bigot

947

00:40:09,589 --> 00:40:06,119

list or to be a part of those programs

948

00:40:13,550 --> 00:40:09,599

that and and your dedication to that and

949

00:40:17,030 --> 00:40:13,560

to this country you are not ever going

950

00:40:20,329 --> 00:40:17,040

to say anything to anybody and that is

951
00:40:22,310 --> 00:40:20,339
what the Wilson Davis document to me uh

952
00:40:25,130 --> 00:40:22,320
that's what is so important about it

953
00:40:28,609 --> 00:40:25,140
because you have you have you have a

954
00:40:31,510 --> 00:40:28,619
rear Admiral right you've got you've got

955
00:40:36,650 --> 00:40:31,520
you've got Thomas Wilson

956
00:40:40,069 --> 00:40:36,660
J2 right that is budgeting the the sap

957
00:40:42,530 --> 00:40:40,079
programs right he's in control of it and

958
00:40:45,109 --> 00:40:42,540
and he is told dude

959
00:40:49,190 --> 00:40:45,119
go kick sand yeah and they threatened

960
00:40:51,950 --> 00:40:49,200
him they threatened him and a j-2 so

961
00:40:53,210 --> 00:40:51,960
yeah I think that that is absolutely the

962
00:40:54,829 --> 00:40:53,220
most important point about the Wilson

963
00:40:56,270 --> 00:40:54,839

Davis document I believe it's an

964

00:40:58,190 --> 00:40:56,280

authentic document I think that the

965

00:41:00,890 --> 00:40:58,200

meeting really happened uh between

966

00:41:03,349 --> 00:41:00,900

Thomas Wilson and Eric Davis again

967

00:41:06,170 --> 00:41:03,359

another name that it you know keeps

968

00:41:08,710 --> 00:41:06,180

getting you know put into this

969

00:41:11,510 --> 00:41:08,720

um and those two guys

970

00:41:14,150 --> 00:41:11,520

yeah so we cover a lot of that in the

971

00:41:17,030 --> 00:41:14,160

film and and one thing that that I've

972

00:41:19,670 --> 00:41:17,040

done with accidental truth is that it

973

00:41:22,010 --> 00:41:19,680

has a lot of Revelations in it that even

974

00:41:23,930 --> 00:41:22,020

people that are hardcore in the field

975

00:41:25,130 --> 00:41:23,940

are gonna go wow that's pretty good you

976

00:41:27,349 --> 00:41:25,140

really are you're stitching it together

977

00:41:28,970 --> 00:41:27,359

you're moving the ball I didn't want to

978

00:41:31,370 --> 00:41:28,980

make a film that did not move the ball

979

00:41:33,530 --> 00:41:31,380

but I've also made a film that will

980

00:41:36,650 --> 00:41:33,540

bring your average Ancient Aliens fan

981

00:41:39,650 --> 00:41:36,660

that's not a hardcore ufologist up to

982

00:41:41,990 --> 00:41:39,660

speed to to the modern day there's been

983

00:41:44,810 --> 00:41:42,000

a few films like that this is the next

984

00:41:46,970 --> 00:41:44,820

one and so there's there's a lot of

985

00:41:48,650 --> 00:41:46,980

things your average UFO person guys in

986

00:41:50,210 --> 00:41:48,660

your audience maybe they're going to go

987

00:41:52,670 --> 00:41:50,220

ah well I do that well I knew that well

988

00:41:54,589 --> 00:41:52,680

I knew that you might know 90 of what's

989

00:41:56,390 --> 00:41:54,599

in the film but it's never been sewn

990

00:41:59,089 --> 00:41:56,400

together this well it's never been

991

00:42:01,550 --> 00:41:59,099

represented by the people in the film

992

00:42:03,890 --> 00:42:01,560

we've got Dr Michio Kaku arguably the

993

00:42:05,930 --> 00:42:03,900

world's most famous scientist chiming in

994

00:42:07,370 --> 00:42:05,940

on the specifics of all of these

995

00:42:09,650 --> 00:42:07,380

different Technologies and how they're

996

00:42:11,030 --> 00:42:09,660

how they're possible we've got Dr Gary

997

00:42:13,250 --> 00:42:11,040

Nolan

998

00:42:17,270 --> 00:42:13,260

um revealing some things that he has not

999

00:42:18,770 --> 00:42:17,280

revealed ever to anybody we've got um an

1000

00:42:20,569 --> 00:42:18,780

interview with the I'm the only person

1001
00:42:23,270 --> 00:42:20,579
that's put an interview with a sitting

1002
00:42:25,190 --> 00:42:23,280
congressperson in an independent UFO

1003
00:42:26,870 --> 00:42:25,200
documentary we've got Tim birchett in

1004
00:42:29,510 --> 00:42:26,880
Washington I went I sat in his office

1005
00:42:31,130 --> 00:42:29,520
and I lined him out about all this stuff

1006
00:42:32,569 --> 00:42:31,140
and he's like yeah I know all about it

1007
00:42:34,910 --> 00:42:32,579
and um

1008
00:42:37,130 --> 00:42:34,920
and and we've got Ralph Blumenthal

1009
00:42:39,290 --> 00:42:37,140
Inside Story on how that all got broken

1010
00:42:41,210 --> 00:42:39,300
we have the exclusive interview with Lou

1011
00:42:43,790 --> 00:42:41,220
Elizondo where he makes an absolutely

1012
00:42:46,130 --> 00:42:43,800
stunning admission we have Chris uh

1013
00:42:48,230 --> 00:42:46,140

Mellon making an absolutely stunning

1014

00:42:50,870 --> 00:42:48,240

admission and then we have all of the

1015

00:42:53,150 --> 00:42:50,880

other people that uh are in the film

1016

00:42:55,790 --> 00:42:53,160

supporting Richard Dolan's in it he

1017

00:42:57,530 --> 00:42:55,800

plays a big part but it's I I can tell

1018

00:43:01,010 --> 00:42:57,540

you it's Dolan like you haven't seen him

1019

00:43:04,030 --> 00:43:01,020

for a while and um yeah I see somebody

1020

00:43:07,010 --> 00:43:04,040

uh somebody saying Fox did that yeah but

1021

00:43:08,630 --> 00:43:07,020

when that came out it was uh there's

1022

00:43:11,630 --> 00:43:08,640

been so much that's happened since then

1023

00:43:14,329 --> 00:43:11,640

so yeah I have to continue to do these

1024

00:43:17,210 --> 00:43:14,339

yeah I missed the fox comment but I'm

1025

00:43:18,530 --> 00:43:17,220

not wearing my glasses so yeah I think

1026

00:43:20,809 --> 00:43:18,540

last time you told me not to pay

1027

00:43:23,750 --> 00:43:20,819

attention to the chat yeah I try not to

1028

00:43:27,349 --> 00:43:23,760

it it's it's too busy they have a lot of

1029

00:43:28,550 --> 00:43:27,359

fun in there uh I just can't keep up

1030

00:43:31,490 --> 00:43:28,560

with it

1031

00:43:34,250 --> 00:43:31,500

um and and just a dark protocol James

1032

00:43:38,589 --> 00:43:34,260

Fox has watched my movie twice and uh

1033

00:43:43,790 --> 00:43:41,329

do you have a release date really quick

1034

00:43:45,770 --> 00:43:43,800

it's gonna it's gonna be sometime in mid

1035

00:43:47,930 --> 00:43:45,780

to late March they're gonna they're

1036

00:43:48,710 --> 00:43:47,940

gonna announce the release date next

1037

00:43:53,510 --> 00:43:48,720

week

1038

00:43:55,430 --> 00:43:53,520

okay gotcha gotcha the um uh the other

1039

00:43:59,870 --> 00:43:55,440

part of this though

1040

00:44:05,150 --> 00:43:59,880

um as as we really take a hard look

1041

00:44:07,490 --> 00:44:05,160

at John Alexander who uh as Ben in in

1042

00:44:10,730 --> 00:44:07,500

and and threaded through this entire

1043

00:44:13,309 --> 00:44:10,740

narrative uh for a few decades now

1044

00:44:17,809 --> 00:44:13,319

um if we go back and we take a look at

1045

00:44:19,250 --> 00:44:17,819

Jack house notes Oak Shannon's notes

1046

00:44:23,750 --> 00:44:19,260

um and and take a look at those which

1047

00:44:25,430 --> 00:44:23,760

predate by what 15 years uh the the

1048

00:44:28,190 --> 00:44:25,440

conversation that happened between Eric

1049

00:44:31,849 --> 00:44:28,200

Davis and Admiral Wilson that's a

1050

00:44:34,329 --> 00:44:31,859

15-year Gap but what they all say

1051

00:44:37,910 --> 00:44:34,339

um is that uh ah the president

1052

00:44:41,450 --> 00:44:37,920

nah nah no he's not no no politicians

1053

00:44:45,490 --> 00:44:41,460

nah no no military people man not really

1054

00:44:48,950 --> 00:44:45,500

no no and it's a very interesting point

1055

00:44:51,890 --> 00:44:48,960

that uh the president the vice president

1056

00:44:53,809 --> 00:44:51,900

the politicians don't have a need to

1057

00:44:55,670 --> 00:44:53,819

know on this the military doesn't have a

1058

00:44:57,770 --> 00:44:55,680

need to know on this this is something

1059

00:45:00,770 --> 00:44:57,780

that is going to be independent from all

1060

00:45:03,950 --> 00:45:00,780

of that to be kept from prying eyes and

1061

00:45:07,130 --> 00:45:03,960

oversight and then Timber Chet with his

1062

00:45:08,930 --> 00:45:07,140

anger and and Congress in the Senate but

1063

00:45:10,849 --> 00:45:08,940

they're here they feel like they're

1064

00:45:14,809 --> 00:45:10,859

hearing about this for the first time

1065

00:45:16,130 --> 00:45:14,819

it's by Design isn't it yeah and I can

1066

00:45:17,450 --> 00:45:16,140

tell you one of the things that we

1067

00:45:20,510 --> 00:45:17,460

didn't mention at the beginning of this

1068

00:45:22,490 --> 00:45:20,520

is that I also own mufon television and

1069

00:45:24,050 --> 00:45:22,500

I am the media relations director for

1070

00:45:25,309 --> 00:45:24,060

mufon which means that you know like

1071

00:45:28,010 --> 00:45:25,319

right now we're working on a big episode

1072

00:45:30,349 --> 00:45:28,020

of Ancient Aliens about mufon we have

1073

00:45:32,870 --> 00:45:30,359

been in Washington DC behind closed

1074

00:45:36,170 --> 00:45:32,880

doors having meetings we've influenced

1075

00:45:38,329 --> 00:45:36,180

uh some of the new uh protocols that are

1076

00:45:40,550 --> 00:45:38,339

going to go into place we helped with

1077

00:45:41,870 --> 00:45:40,560

some of the by consulting or some of the

1078

00:45:44,390 --> 00:45:41,880

language that went into the

1079

00:45:45,829 --> 00:45:44,400

Appropriations act that got passed and

1080

00:45:48,109 --> 00:45:45,839

we're going to have a seat at the table

1081

00:45:50,870 --> 00:45:48,119

in these in these panels and what we're

1082

00:45:53,750 --> 00:45:50,880

finding is that exactly what you said

1083

00:45:55,849 --> 00:45:53,760

these guys really they're interested

1084

00:45:57,589 --> 00:45:55,859

they're angry they don't understand why

1085

00:45:59,030 --> 00:45:57,599

they're not they know they're being lied

1086

00:46:01,910 --> 00:45:59,040

to they know they're being lied to by

1087

00:46:03,530 --> 00:46:01,920

everybody some of them have uh you know

1088

00:46:04,670 --> 00:46:03,540

a passion for the topic and have studied

1089

00:46:06,770 --> 00:46:04,680

it some of them just know there's

1090

00:46:11,569 --> 00:46:06,780

something going on the threat narrative

1091

00:46:14,690 --> 00:46:11,579

is Alive and Well in Washington DC but

1092

00:46:17,210 --> 00:46:14,700

the movement by the body politic in my

1093

00:46:18,710 --> 00:46:17,220

opinion is the it's not the first time

1094

00:46:21,170 --> 00:46:18,720

it's happened it's not going to be the

1095

00:46:22,309 --> 00:46:21,180

last and at the end of the day it's a

1096

00:46:23,569 --> 00:46:22,319

pretty

1097

00:46:27,829 --> 00:46:23,579

uh

1098

00:46:30,230 --> 00:46:27,839

it's not a effective organization to get

1099

00:46:31,849 --> 00:46:30,240

to the truth these guys cannot demand

1100

00:46:33,650 --> 00:46:31,859

the truth from the people that have it

1101
00:46:36,710 --> 00:46:33,660
because a they don't know who those

1102
00:46:38,870 --> 00:46:36,720
people are right B even if they did

1103
00:46:41,030 --> 00:46:38,880
they're not going to put they're not

1104
00:46:43,250 --> 00:46:41,040
going to have the political will and the

1105
00:46:45,530 --> 00:46:43,260
political courage to do what has to be

1106
00:46:49,550 --> 00:46:45,540
done to push this issue

1107
00:46:54,609 --> 00:46:49,560
now what what can be done about this

1108
00:46:57,349 --> 00:46:54,619
because I am sure that if you are

1109
00:47:01,069 --> 00:46:57,359
sitting on a committee in the senate or

1110
00:47:04,790 --> 00:47:01,079
in the house and you understand your job

1111
00:47:06,650 --> 00:47:04,800
and responsibilities but suddenly you're

1112
00:47:08,870 --> 00:47:06,660
stonewalled and you don't have a

1113
00:47:11,450 --> 00:47:08,880

direction to go in for answers

1114

00:47:13,910 --> 00:47:11,460

that that's a big problem isn't it where

1115

00:47:16,370 --> 00:47:13,920

they know that there's something going

1116

00:47:17,930 --> 00:47:16,380

on but there is absolutely what they

1117

00:47:20,270 --> 00:47:17,940

feel there's nothing that they can do

1118

00:47:23,569 --> 00:47:20,280

about it and that's not a situation you

1119

00:47:25,430 --> 00:47:23,579

want in on Capitol Hill I would think no

1120

00:47:27,650 --> 00:47:25,440

and in my interview with with Tim

1121

00:47:30,230 --> 00:47:27,660

birchett he really lays it out that

1122

00:47:31,609 --> 00:47:30,240

unfortunately there's only so far that

1123

00:47:33,589 --> 00:47:31,619

any of these guys are going to go

1124

00:47:35,630 --> 00:47:33,599

because there's a certain level of

1125

00:47:38,569 --> 00:47:35,640

political corruption there's a certain

1126

00:47:40,250 --> 00:47:38,579

level of self-preservation you know we

1127

00:47:41,870 --> 00:47:40,260

know what happened to Admiral Wilson he

1128

00:47:44,150 --> 00:47:41,880

basically was told that he was going to

1129

00:47:47,089 --> 00:47:44,160

not get a promotion if he continued to

1130

00:47:48,890 --> 00:47:47,099

push the issue there are people that

1131

00:47:50,750 --> 00:47:48,900

then there are these people that have

1132

00:47:53,270 --> 00:47:50,760

these ways of exerting pressure when

1133

00:47:56,990 --> 00:47:53,280

pressure needs to be exerted to back off

1134

00:47:57,530 --> 00:47:57,000

and a perfect example of that is

1135

00:47:59,870 --> 00:47:57,540

um

1136

00:48:02,390 --> 00:47:59,880

uh Marco Rubio

1137

00:48:05,030 --> 00:48:02,400

you know let's look at that he was he

1138

00:48:06,470 --> 00:48:05,040

was a staunch advocate of of a movement

1139

00:48:08,390 --> 00:48:06,480

for truth and all of a sudden they had

1140

00:48:10,569 --> 00:48:08,400

that meeting behind closed doors on

1141

00:48:13,430 --> 00:48:10,579

Capitol Hill and it was like Marco

1142

00:48:15,050 --> 00:48:13,440

crickets nothing guys barely said

1143

00:48:17,990 --> 00:48:15,060

anything about the entire topic since

1144

00:48:19,790 --> 00:48:18,000

that meeting and so something happened

1145

00:48:23,569 --> 00:48:19,800

where it was like either yeah here's

1146

00:48:25,550 --> 00:48:23,579

what's going on it's time but no and and

1147

00:48:27,530 --> 00:48:25,560

you know my guess is he walked out of

1148

00:48:29,270 --> 00:48:27,540

there just shaking his head just going

1149

00:48:31,190 --> 00:48:29,280

yeah you know what I can understand why

1150

00:48:33,109 --> 00:48:31,200

we can't tell people this stuff either

1151

00:48:36,290 --> 00:48:33,119

that or he was just told you've gone as

1152

00:48:40,010 --> 00:48:36,300

far as you can go back off but he was a

1153

00:48:42,530 --> 00:48:40,020

vocal opponent of the uh truth embargo

1154

00:48:45,290 --> 00:48:42,540

right up until they had those private

1155

00:48:47,329 --> 00:48:45,300

briefings uh to the uh to the Committees

1156

00:48:50,089 --> 00:48:47,339

and then nothing they walked out of

1157

00:48:54,849 --> 00:48:50,099

those briefings silent nobody made even

1158

00:48:57,530 --> 00:48:54,859

a comment and it's it's it's interesting

1159

00:49:01,010 --> 00:48:57,540

okay let me ask you about that

1160

00:49:03,470 --> 00:49:01,020

um what do you think uh I obviously this

1161

00:49:07,490 --> 00:49:03,480

is going to be an opinion but what do

1162

00:49:09,530 --> 00:49:07,500

you think it was revealed in that it at

1163

00:49:11,809 --> 00:49:09,540

the UFO hearing and we can talk more

1164

00:49:14,630 --> 00:49:11,819

about that after the Break

1165

00:49:16,370 --> 00:49:14,640

um when it was brought up by one of the

1166

00:49:18,470 --> 00:49:16,380

community members

1167

00:49:21,530 --> 00:49:18,480

um are we going to talk about E.T in the

1168

00:49:24,410 --> 00:49:21,540

classified briefing this afternoon that

1169

00:49:25,849 --> 00:49:24,420

was a question at the UFO hearing and I

1170

00:49:28,250 --> 00:49:25,859

want to know about E.T now but if you

1171

00:49:30,290 --> 00:49:28,260

can't talk about E.T now is that going

1172

00:49:33,290 --> 00:49:30,300

to be later in the classified briefing

1173

00:49:36,230 --> 00:49:33,300

and if we swing this over to Marco Rubio

1174

00:49:37,550 --> 00:49:36,240

who I remember TMZ stopped him in the

1175

00:49:41,390 --> 00:49:37,560

airport so what about the little green

1176
00:49:43,430 --> 00:49:41,400
men right and and Marco's he was willing

1177
00:49:46,970 --> 00:49:43,440
to talk about it you know right there

1178
00:49:49,670 --> 00:49:46,980
and and it seems that now

1179
00:49:52,370 --> 00:49:49,680
it's it's not there is it because they

1180
00:49:55,069 --> 00:49:52,380
were told you know little green men that

1181
00:49:57,950 --> 00:49:55,079
this is something else uh is that is

1182
00:49:59,870 --> 00:49:57,960
seriously going on that isn't uh

1183
00:50:01,550 --> 00:49:59,880
originating here on planet Earth and is

1184
00:50:04,550 --> 00:50:01,560
that enough to scare the crap out of a

1185
00:50:06,650 --> 00:50:04,560
Rubio or or somebody else

1186
00:50:07,970 --> 00:50:06,660
well here's the thing I'll get asked

1187
00:50:10,010 --> 00:50:07,980
this question a lot and the question

1188
00:50:12,170 --> 00:50:10,020

that I get asked and I'll Circle back to

1189

00:50:13,790 --> 00:50:12,180

your answer is you know well what's the

1190

00:50:17,030 --> 00:50:13,800

reason for the secrecy and what do you

1191

00:50:18,829 --> 00:50:17,040

think uh the human response will be to

1192

00:50:20,270 --> 00:50:18,839

finding out and there's there's always

1193

00:50:23,030 --> 00:50:20,280

been this thing where people say well

1194

00:50:26,210 --> 00:50:23,040

we're ready for the truth but it's not a

1195

00:50:29,329 --> 00:50:26,220

generic answer my response to that is it

1196

00:50:30,950 --> 00:50:29,339

depends on the context if you tell an

1197

00:50:33,109 --> 00:50:30,960

entire planet that we're not alone in

1198

00:50:34,730 --> 00:50:33,119

the universe but there's aliens they

1199

00:50:37,490 --> 00:50:34,740

mind their own business we mind ours

1200

00:50:39,950 --> 00:50:37,500

they're super Superior to us and and uh

1201
00:50:41,390 --> 00:50:39,960
you know just move along then people are

1202
00:50:42,650 --> 00:50:41,400
just going to go okay well we knew that

1203
00:50:45,470 --> 00:50:42,660
and they're going to go about their day

1204
00:50:47,030 --> 00:50:45,480
but if you say Hey you know we're not

1205
00:50:49,309 --> 00:50:47,040
alone in the universe we don't

1206
00:50:52,130 --> 00:50:49,319
understand the methods of these beings

1207
00:50:53,870 --> 00:50:52,140
they're abducting people they're who

1208
00:50:55,849 --> 00:50:53,880
knows what else they're up to what what

1209
00:50:58,309 --> 00:50:55,859
kind who knows what we are maybe we

1210
00:51:00,890 --> 00:50:58,319
could be food we could be a genetic farm

1211
00:51:03,589 --> 00:51:00,900
at the end of the day we could be

1212
00:51:06,170 --> 00:51:03,599
property if if the answer is something

1213
00:51:08,150 --> 00:51:06,180

more along those lines then that's going

1214

00:51:10,370 --> 00:51:08,160

to cause Widespread Panic and a complete

1215

00:51:12,309 --> 00:51:10,380

disintegration of everybody's perception

1216

00:51:15,349 --> 00:51:12,319

of their own self-importance and and

1217

00:51:17,210 --> 00:51:15,359

Humanity's importance so the the answer

1218

00:51:19,670 --> 00:51:17,220

to the question is

1219

00:51:23,930 --> 00:51:19,680

the reason for the secrecy may have to

1220

00:51:25,490 --> 00:51:23,940

do with the context and so if these guys

1221

00:51:28,849 --> 00:51:25,500

are pulled back by closed doors and it's

1222

00:51:31,190 --> 00:51:28,859

like look yeah there's a number of

1223

00:51:33,770 --> 00:51:31,200

non-human intelligences at work here

1224

00:51:35,809 --> 00:51:33,780

some of them are nefarious some of them

1225

00:51:38,030 --> 00:51:35,819

might be benevolent but the fact of the

1226

00:51:40,970 --> 00:51:38,040

matter is that people don't need to know

1227

00:51:42,170 --> 00:51:40,980

and here's why then yeah they could walk

1228

00:51:44,750 --> 00:51:42,180

out of that room and never say another

1229

00:51:47,630 --> 00:51:44,760

word because I believe that

1230

00:51:51,049 --> 00:51:47,640

they they are they are being reasoned

1231

00:51:53,210 --> 00:51:51,059

with to keep mom rather than threatened

1232

00:51:55,010 --> 00:51:53,220

to keep mom so in other words you sit

1233

00:51:57,890 --> 00:51:55,020

him down in the room you say this is why

1234

00:51:59,210 --> 00:51:57,900

we can't tell people and and they walk

1235

00:52:02,089 --> 00:51:59,220

out and they're like yeah no [h__\h] I'm

1236

00:52:03,650 --> 00:52:02,099

not going to do it right so instead of

1237

00:52:05,630 --> 00:52:03,660

if you tell this is what's going on and

1238

00:52:06,770 --> 00:52:05,640

if you tell people that uh you know

1239

00:52:08,630 --> 00:52:06,780

you're gonna get in trouble and you're

1240

00:52:10,370 --> 00:52:08,640

going to get you know go and go to jail

1241

00:52:12,230 --> 00:52:10,380

blah blah blah I don't think they could

1242

00:52:14,450 --> 00:52:12,240

be threatened into silence but I think

1243

00:52:19,069 --> 00:52:14,460

that they can be reasoned into silence

1244

00:52:20,569 --> 00:52:19,079

here's why uh I I agree with you it may

1245

00:52:22,990 --> 00:52:20,579

not be for the reasons you think though

1246

00:52:26,870 --> 00:52:23,000

but I want to make this point

1247

00:52:30,349 --> 00:52:26,880

that let's look at the alternative that

1248

00:52:33,650 --> 00:52:30,359

they are told uh behind closed doors

1249

00:52:35,930 --> 00:52:33,660

that it's not UFOs that that China has

1250

00:52:38,930 --> 00:52:35,940

made a big leap in technology and

1251
00:52:42,290 --> 00:52:38,940
they've got anti-gravity and this stuff

1252
00:52:45,170 --> 00:52:42,300
that is coming into our airspace is

1253
00:52:49,069 --> 00:52:45,180
adversarial that would scare the crap

1254
00:52:50,390 --> 00:52:49,079
out of Marco Rubio for sure and that is

1255
00:52:52,670 --> 00:52:50,400
something that he wouldn't talk about

1256
00:52:55,670 --> 00:52:52,680
but here's the alternative to that

1257
00:52:57,710 --> 00:52:55,680
this is why that never happened because

1258
00:53:00,710 --> 00:52:57,720
then Marco Rubio would have come out and

1259
00:53:02,890 --> 00:53:00,720
said yep ETS are real he's not going to

1260
00:53:06,829 --> 00:53:02,900
say the other

1261
00:53:09,109 --> 00:53:06,839
the excuse for all of this the story

1262
00:53:11,690 --> 00:53:09,119
that they would go with is that it's ET

1263
00:53:14,270 --> 00:53:11,700

they would never they would not freak

1264

00:53:16,190 --> 00:53:14,280

out the World by saying that Putin has

1265

00:53:19,190 --> 00:53:16,200

got anti-gravity and he can time travel

1266

00:53:21,170 --> 00:53:19,200

whatever it may be but no they wouldn't

1267

00:53:23,990 --> 00:53:21,180

come out and say that therefore I don't

1268

00:53:26,630 --> 00:53:24,000

think that that's what they were told

1269

00:53:28,609 --> 00:53:26,640

right no I think I think that's true and

1270

00:53:30,770 --> 00:53:28,619

I think that the uh I don't think that

1271

00:53:32,809 --> 00:53:30,780

the the these

1272

00:53:34,250 --> 00:53:32,819

other countries and adversaries have

1273

00:53:36,770 --> 00:53:34,260

this technology but then if you look at

1274

00:53:38,870 --> 00:53:36,780

Tom delong's book secret machines he

1275

00:53:40,670 --> 00:53:38,880

actually postulates that that's exactly

1276

00:53:42,710 --> 00:53:40,680

true that we have this and this was

1277

00:53:45,170 --> 00:53:42,720

supposed to be this big Revelation novel

1278

00:53:47,390 --> 00:53:45,180

from inside information

1279

00:53:48,950 --> 00:53:47,400

um and so I'm not saying that that I

1280

00:53:51,530 --> 00:53:48,960

think it's correct because there's a lot

1281

00:53:53,809 --> 00:53:51,540

about that series that really seems like

1282

00:53:57,109 --> 00:53:53,819

it was just gleaned from the Mythos but

1283

00:54:00,109 --> 00:53:57,119

the uh you know in in that book uh they

1284

00:54:02,930 --> 00:54:00,119

have the the anti-gravity uh craft

1285

00:54:05,150 --> 00:54:02,940

Russia has them we have them they don't

1286

00:54:07,250 --> 00:54:05,160

mention China but and then there's an ET

1287

00:54:09,049 --> 00:54:07,260

component that's that's involved in

1288

00:54:12,290 --> 00:54:09,059

these craft and that this is all

1289

00:54:14,569 --> 00:54:12,300

something that that has been uh you know

1290

00:54:16,849 --> 00:54:14,579

created from back in the uh the days of

1291

00:54:18,950 --> 00:54:16,859

German technology so there is that whole

1292

00:54:21,410 --> 00:54:18,960

timeline Mythos

1293

00:54:23,750 --> 00:54:21,420

but you have to ask yourself if if we

1294

00:54:26,329 --> 00:54:23,760

really have this technology even at the

1295

00:54:27,950 --> 00:54:26,339

deepest Secrets uh then you know why are

1296

00:54:30,890 --> 00:54:27,960

we letting this thing happen in Ukraine

1297

00:54:34,370 --> 00:54:30,900

yeah that's the biggest point of all Ron

1298

00:54:37,010 --> 00:54:34,380

right there if if Putin had uh

1299

00:54:39,309 --> 00:54:37,020

anti-gravity tr3bs

1300

00:54:41,630 --> 00:54:39,319

we would see it in Ukraine right now

1301
00:54:43,130 --> 00:54:41,640
yeah something would be going on we

1302
00:54:45,290 --> 00:54:43,140
would love for some reason we're not

1303
00:54:46,670 --> 00:54:45,300
doing it you know I know you said stay

1304
00:54:48,470 --> 00:54:46,680
out of the chat but this guy's string

1305
00:54:51,349 --> 00:54:48,480
Gene just said something that that

1306
00:54:54,230 --> 00:54:51,359
Echoes what I was about to say

1307
00:54:55,670 --> 00:54:54,240
for people you know people could say oh

1308
00:54:56,690 --> 00:54:55,680
they're they're lying to us oh they're

1309
00:54:58,549 --> 00:54:56,700
keeping us a secret they've been

1310
00:55:01,670 --> 00:54:58,559
covering it up for years and and and

1311
00:55:04,670 --> 00:55:01,680
that is largely true but

1312
00:55:06,829 --> 00:55:04,680
I can say that I believe that for the

1313
00:55:09,710 --> 00:55:06,839

people that in the field that really

1314

00:55:11,750 --> 00:55:09,720

want the answers these same people that

1315

00:55:14,030 --> 00:55:11,760

have been keeping this secret have been

1316

00:55:16,849 --> 00:55:14,040

peppering the answers to anybody who

1317

00:55:18,950 --> 00:55:16,859

wants to look they're they're there and

1318

00:55:20,870 --> 00:55:18,960

so if you've dedicated your life to

1319

00:55:24,109 --> 00:55:20,880

being a UFO researcher and that that

1320

00:55:26,690 --> 00:55:24,119

question is burning your existence there

1321

00:55:29,089 --> 00:55:26,700

these guys are making sure that if you

1322

00:55:31,010 --> 00:55:29,099

really want to know yeah you know you

1323

00:55:32,150 --> 00:55:31,020

can find out most of of what's going on

1324

00:55:34,010 --> 00:55:32,160

you're going to have to use your own

1325

00:55:37,490 --> 00:55:34,020

discernment to figure out what's BS and

1326

00:55:41,030 --> 00:55:37,500

what's not but but we have always done

1327

00:55:43,370 --> 00:55:41,040

what we can to give information to the

1328

00:55:44,890 --> 00:55:43,380

people that are able to look for it and

1329

00:55:48,230 --> 00:55:44,900

willing to look for it

1330

00:55:50,750 --> 00:55:48,240

see what you did Ron Jimmy said stay out

1331

00:55:53,510 --> 00:55:50,760

of the chat no that's not Ron's not

1332

00:55:55,910 --> 00:55:53,520

saying that well though let me explain

1333

00:55:58,069 --> 00:55:55,920

that the last time we were the last time

1334

00:56:00,470 --> 00:55:58,079

I was on your show I was literally

1335

00:56:03,049 --> 00:56:00,480

typing back to people in the chat yeah

1336

00:56:04,910 --> 00:56:03,059

he was like Ron we're doing a show you

1337

00:56:06,290 --> 00:56:04,920

gotta knock that off you know because I

1338

00:56:07,609 --> 00:56:06,300

was like I haven't typing at the

1339

00:56:09,470 --> 00:56:07,619

keyboard and I'm responding to people

1340

00:56:12,530 --> 00:56:09,480

and he's like chill out so so you didn't

1341

00:56:14,690 --> 00:56:12,540

tell me nothing against the chat yeah

1342

00:56:17,930 --> 00:56:14,700

that's uh yeah it's not uh that's kind

1343

00:56:19,849 --> 00:56:17,940

of funny see you know um uh I love it

1344

00:56:23,210 --> 00:56:19,859

people actually pay attention to the

1345

00:56:27,829 --> 00:56:25,549

listening to us let's take a quick break

1346

00:56:29,950 --> 00:56:27,839

our guest tonight is Ron James his new

1347

00:56:33,950 --> 00:56:29,960

film it's about to be released is called

1348

00:56:35,390 --> 00:56:33,960

accidental truth and uh be as I as I get

1349

00:56:38,210 --> 00:56:35,400

this ready

1350

00:56:41,690 --> 00:56:38,220

um we will have the trailer up and out

1351

00:56:43,730 --> 00:56:41,700

and as soon as it is available

1352

00:56:45,230 --> 00:56:43,740

um I will let everybody know in the

1353

00:56:48,530 --> 00:56:45,240

meantime we're going to take this break

1354

00:56:50,930 --> 00:56:48,540

be right back

1355

00:56:53,210 --> 00:56:50,940

this is Jimmy Church of Fade to Black

1356

00:56:55,430 --> 00:56:53,220

please visit all of our sponsors we're

1357

00:56:57,109 --> 00:56:55,440

taking a quick break here all of the

1358

00:57:00,109 --> 00:56:57,119

links are below

1359

00:57:02,450 --> 00:57:00,119

and we'll be right back

1360

00:57:03,370 --> 00:57:02,460

check out Billy Carson's Forbidden

1361

00:57:05,530 --> 00:57:03,380

Knowledge

1362

00:57:07,549 --> 00:57:05,540

forbiddenknowledge.com or

1363

00:57:11,510 --> 00:57:07,559

forbiddenknowledge.tv where you can get

1364

00:57:14,030 --> 00:57:11,520

access to over 6 000 videos movies TV

1365

00:57:16,010 --> 00:57:14,040

series exclusive documentaries like the

1366

00:57:17,470 --> 00:57:16,020

Black Knight satellite you can do it all

1367

00:57:22,069 --> 00:57:17,480

for just

1368

00:57:24,290 --> 00:57:22,079

7.77 per month for 77 per year after the

1369

00:57:26,329 --> 00:57:24,300

three-day trial which is also totally

1370

00:57:30,130 --> 00:57:26,339

free to check out it's all simple to do

1371

00:57:32,530 --> 00:57:30,140

Billy Carson is the best it's simple

1372

00:57:34,730 --> 00:57:32,540

forbiddenknowledge.com or

1373

00:57:38,750 --> 00:57:34,740

forbiddenknowledge.tv that's the number

1374

00:57:43,130 --> 00:57:40,730

I will be hosting an M seeing the

1375

00:57:45,710 --> 00:57:43,140

conscious life Expo this February 10th

1376
00:57:48,650 --> 00:57:45,720
through the 13th at The Lax Hilton right

1377
00:57:50,750 --> 00:57:48,660
here in Los Angeles California 200

1378
00:57:52,849 --> 00:57:50,760
speakers including Linda Moulton Howe

1379
00:57:55,250 --> 00:57:52,859
Bashar Deborah King George Nori Daniel

1380
00:57:58,730 --> 00:57:55,260
Sheehan Scott Walter Sean Stone and

1381
00:58:02,569 --> 00:57:58,740
David Wolfe over 200 vendors special

1382
00:58:05,329 --> 00:58:02,579
events this is the biggest event of its

1383
00:58:07,309 --> 00:58:05,339
kind on planet Earth you've got to come

1384
00:58:10,010 --> 00:58:07,319
and hang out with all of us tickets and

1385
00:58:11,690 --> 00:58:10,020
info at consciouslifeexpo.com the links

1386
00:58:14,930 --> 00:58:11,700
are below

1387
00:58:18,109 --> 00:58:14,940
on Saturday April 1st that's right April

1388
00:58:20,270 --> 00:58:18,119

Fool's Day 2023 I will be hosting the

1389

00:58:23,809 --> 00:58:20,280

peripod festival at the Hyatt Regency

1390

00:58:26,270 --> 00:58:23,819

right here in Valencia California it's a

1391

00:58:29,329 --> 00:58:26,280

live one-day podcast Awards it's a film

1392

00:58:31,370 --> 00:58:29,339

festival it's a full-on media event

1393

00:58:33,230 --> 00:58:31,380

we're going to have Sky watching it's

1394

00:58:35,990 --> 00:58:33,240

going to be a Lifetime Achievement Award

1395

00:58:37,970 --> 00:58:36,000

presented to Linda Moulton Howe right

1396

00:58:40,069 --> 00:58:37,980

now you can submit your podcast your

1397

00:58:42,770 --> 00:58:40,079

film your TV series any of your

1398

00:58:44,750 --> 00:58:42,780

paranormal media for consideration you

1399

00:58:47,950 --> 00:58:44,760

can do all of that on the links below

1400

00:58:49,910 --> 00:58:47,960

for info and tickets go to

1401

00:58:52,990 --> 00:58:49,920

parapodfilmfest.com that's

1402

00:58:58,670 --> 00:58:57,049

April 7th through the 14th 2023 I'll be

1403

00:59:01,609 --> 00:58:58,680

hosting and presenting on the hidden

1404

00:59:04,250 --> 00:59:01,619

secrets seminar at Sea cruise from Los

1405

00:59:06,530 --> 00:59:04,260

Angeles to the Mexican Riviera I'm the

1406

00:59:09,170 --> 00:59:06,540

Navigator of the Seas that's right up

1407

00:59:10,849 --> 00:59:09,180

top a giant water slide you've got to

1408

00:59:12,770 --> 00:59:10,859

check out the Navigator of the Seas it's

1409

00:59:15,109 --> 00:59:12,780

amazing we've got Scott Walter Adam

1410

00:59:17,990 --> 00:59:15,119

Apollo Nick Pope Brad Olson Vivian

1411

00:59:20,329 --> 00:59:18,000

Chauvet Jason sherka Robert Grant Reuben

1412

00:59:22,670 --> 00:59:20,339

Langdon and another 12 amazing speakers

1413

00:59:24,069 --> 00:59:22,680

and presenters it's all simple to do

1414

00:59:26,510 --> 00:59:24,079

just visit

1415

00:59:30,230 --> 00:59:26,520

divinetravels.com forward slash hidden

1416

00:59:32,450 --> 00:59:30,240

secrets 2023 you know you want to go on

1417

00:59:35,870 --> 00:59:32,460

a cruise with me

1418

00:59:38,690 --> 00:59:35,880

River Moon coffee makers of the Fade to

1419

00:59:40,569 --> 00:59:38,700

Black blend truly the best coffee on

1420

00:59:42,829 --> 00:59:40,579

planet Earth just visit

1421

00:59:44,690 --> 00:59:42,839

rivermoonwellness.com or or their Amazon

1422

00:59:46,130 --> 00:59:44,700

store it's all simple to do you can

1423

00:59:48,170 --> 00:59:46,140

check out the Fade to Black blend the

1424

00:59:50,809 --> 00:59:48,180

game changer Blend or any of their black

1425

00:59:54,589 --> 00:59:50,819

moon wellness products it's the only

1426

01:00:02,089 --> 00:59:54,599

coffee I drink it is the best and it's

1427

01:00:06,589 --> 01:00:05,270

all right Welcome Back Fade to Black I

1428

01:00:08,510 --> 01:00:06,599

am your host Jimmy church I guess

1429

01:00:12,170 --> 01:00:08,520

tonight Ron James his new film is called

1430

01:00:16,010 --> 01:00:12,180

accidental truth and the trailer will be

1431

01:00:18,109 --> 01:00:16,020

out soon and uh like within the week and

1432

01:00:19,970 --> 01:00:18,119

we will hit social media with that and

1433

01:00:23,030 --> 01:00:19,980

of course you can go to Accidental truth

1434

01:00:26,930 --> 01:00:23,040

it's got an asset an s in there I think

1435

01:00:31,250 --> 01:00:28,670

because I could I couldn't get the

1436

01:00:33,289 --> 01:00:31,260

singular so I had to take it yes so

1437

01:00:35,450 --> 01:00:33,299

there you go and we've got the links uh

1438

01:00:37,849 --> 01:00:35,460

uh for everything you can go and there

1439

01:00:39,289 --> 01:00:37,859

there is a little uh trailer that I put

1440

01:00:40,970 --> 01:00:39,299

together but it's not the official one

1441

01:00:43,250 --> 01:00:40,980

and it's definitely not anything super

1442

01:00:45,950 --> 01:00:43,260

great but you can see it at that website

1443

01:00:48,530 --> 01:00:45,960

and it actually forwards you to a place

1444

01:00:51,650 --> 01:00:48,540

inside move on television yeah there you

1445

01:00:55,390 --> 01:00:51,660

go and I appreciate that Ron

1446

01:01:00,109 --> 01:00:55,400

um the what is what is the path forward

1447

01:01:04,490 --> 01:01:00,119

uh now and uh we've I've got a whole

1448

01:01:06,170 --> 01:01:04,500

list of of questions here in my head uh

1449

01:01:09,430 --> 01:01:06,180

about this because if we go back to

1450

01:01:12,829 --> 01:01:09,440

October 31st where we had this deadline

1451

01:01:16,250 --> 01:01:12,839

uh semi-official deadline That was

1452

01:01:20,270 --> 01:01:16,260

supposed to have been written into uh

1453

01:01:23,329 --> 01:01:20,280

the last budget uh for a UFO report that

1454

01:01:25,430 --> 01:01:23,339

that never made it uh never made it uh

1455

01:01:28,370 --> 01:01:25,440

to Capitol Hill

1456

01:01:32,569 --> 01:01:28,380

um do you anticipate paid in this path

1457

01:01:35,270 --> 01:01:32,579

forward a release of of that report that

1458

01:01:36,710 --> 01:01:35,280

was due uh on Halloween

1459

01:01:38,870 --> 01:01:36,720

well you know it's interesting that they

1460

01:01:40,910 --> 01:01:38,880

managed to sidestep that and not have to

1461

01:01:42,770 --> 01:01:40,920

put out a report and that just kind of

1462

01:01:44,390 --> 01:01:42,780

shows that the tug of war that's

1463

01:01:46,490 --> 01:01:44,400

happening within the military and

1464

01:01:48,950 --> 01:01:46,500

government com industrial complex the

1465

01:01:52,370 --> 01:01:48,960

front-facing guys and the puppeteers

1466

01:01:53,930 --> 01:01:52,380

behind them uh as Richard Dolan says in

1467

01:01:55,609 --> 01:01:53,940

my film if they can drag this out for

1468

01:01:59,270 --> 01:01:55,619

another 50 years they're going to do it

1469

01:02:01,190 --> 01:01:59,280

and what we unfortunately are just going

1470

01:02:03,530 --> 01:02:01,200

to have to accept is that we're going to

1471

01:02:05,569 --> 01:02:03,540

be told what we're going to be told and

1472

01:02:07,809 --> 01:02:05,579

we're just going to have to take it and

1473

01:02:10,910 --> 01:02:07,819

and be happy we're getting something

1474

01:02:12,770 --> 01:02:10,920

eventually the truth will come out

1475

01:02:16,010 --> 01:02:12,780

um but who knows how long it's going to

1476
01:02:17,870 --> 01:02:16,020
take uh and who knows if we as people

1477
01:02:19,549 --> 01:02:17,880
are going to make it to the point where

1478
01:02:22,370 --> 01:02:19,559
we're actually deserving of that truth

1479
01:02:23,990 --> 01:02:22,380
the you know there's a lot of people

1480
01:02:26,089 --> 01:02:24,000
that believe in this whole Galactic

1481
01:02:27,950 --> 01:02:26,099
Federation idea of the prime directive

1482
01:02:29,930 --> 01:02:27,960
from Star Trek and that there's certain

1483
01:02:32,990 --> 01:02:29,940
things that we have to achieve on our

1484
01:02:34,789 --> 01:02:33,000
own in the evolution of

1485
01:02:36,829 --> 01:02:34,799
our own species and our own

1486
01:02:39,770 --> 01:02:36,839
Consciousness before we're really going

1487
01:02:41,690 --> 01:02:39,780
to be eligible to be privy to this

1488
01:02:44,990 --> 01:02:41,700

information and have this whole new

1489

01:02:46,670 --> 01:02:45,000

Gateway of the Stars open up to us and

1490

01:02:48,230 --> 01:02:46,680

another thing is that you know toward

1491

01:02:50,510 --> 01:02:48,240

the end of accidental truth we start

1492

01:02:53,809 --> 01:02:50,520

really exploring all of the other things

1493

01:02:55,370 --> 01:02:53,819

that these that is at play this is not

1494

01:02:58,190 --> 01:02:55,380

just little green men from Alpha

1495

01:03:01,130 --> 01:02:58,200

Centauri this is consciousness it's

1496

01:03:04,130 --> 01:03:01,140

nature of reality it is there are things

1497

01:03:05,750 --> 01:03:04,140

that are so profound and so deep in the

1498

01:03:08,390 --> 01:03:05,760

way they're going to affect us that are

1499

01:03:10,130 --> 01:03:08,400

part of this phenomenon that

1500

01:03:11,690 --> 01:03:10,140

a lot of people can make the argument

1501
01:03:13,130 --> 01:03:11,700
that we don't even know what questions

1502
01:03:15,710 --> 01:03:13,140
to ask yet

1503
01:03:18,049 --> 01:03:15,720
I think Tim burchett has has rubbed off

1504
01:03:21,829 --> 01:03:18,059
on you because you you sidestep the

1505
01:03:25,130 --> 01:03:21,839
question okay so let's go back but my

1506
01:03:27,530 --> 01:03:25,140
question do you do you anticipate the

1507
01:03:30,890 --> 01:03:27,540
election is over right there's no more

1508
01:03:33,770 --> 01:03:30,900
excuses on on that end

1509
01:03:36,530 --> 01:03:33,780
um do you anticipate a release of that

1510
01:03:38,270 --> 01:03:36,540
report in 2023 well there's going to be

1511
01:03:40,010 --> 01:03:38,280
a release of something I mean I have

1512
01:03:42,349 --> 01:03:40,020
information for sure that that's that's

1513
01:03:44,510 --> 01:03:42,359

going to happen is it going to be

1514

01:03:46,430 --> 01:03:44,520

anything more exciting than the last one

1515

01:03:48,170 --> 01:03:46,440

they released probably not it's going to

1516

01:03:51,309 --> 01:03:48,180

be as watered down as humanly possible

1517

01:03:54,049 --> 01:03:51,319

now I'm going back to Washington The

1518

01:03:55,130 --> 01:03:54,059

Accidental truth part two is uh

1519

01:03:58,190 --> 01:03:55,140

tentatively going to be called

1520

01:04:00,470 --> 01:03:58,200

accidentally on purpose and uh I'm

1521

01:04:03,410 --> 01:04:00,480

actually going back to Washington DC at

1522

01:04:05,270 --> 01:04:03,420

the end of January uh there's a there's

1523

01:04:06,890 --> 01:04:05,280

a big meeting the move on board of

1524

01:04:11,329 --> 01:04:06,900

directors is convening we've been given

1525

01:04:14,510 --> 01:04:11,339

offices uh to to work out of as we kind

1526

01:04:15,950 --> 01:04:14,520

of start putting together a a tapestry

1527

01:04:17,870 --> 01:04:15,960

of

1528

01:04:20,630 --> 01:04:17,880

what it's going to look like to have a

1529

01:04:22,130 --> 01:04:20,640

civilian entity having input into these

1530

01:04:23,390 --> 01:04:22,140

committees and having access to a

1531

01:04:24,829 --> 01:04:23,400

certain amount of information and

1532

01:04:27,049 --> 01:04:24,839

helping to work with how that's going to

1533

01:04:29,150 --> 01:04:27,059

get dispersed how is that going to work

1534

01:04:30,530 --> 01:04:29,160

I have no idea

1535

01:04:33,829 --> 01:04:30,540

um even though I'm a media relations

1536

01:04:35,510 --> 01:04:33,839

director for mufon I'm not sure that uh

1537

01:04:39,589 --> 01:04:35,520

you know having a seat at that

1538

01:04:42,650 --> 01:04:39,599

particular table is really going to be

1539

01:04:44,450 --> 01:04:42,660

beneficial to to our cause the the one

1540

01:04:47,150 --> 01:04:44,460

thing that there's too many people in

1541

01:04:48,710 --> 01:04:47,160

our field right now a lot of them that

1542

01:04:50,089 --> 01:04:48,720

have been pulled aside and been told

1543

01:04:52,250 --> 01:04:50,099

look I'm going to tell you something but

1544

01:04:55,309 --> 01:04:52,260

you can't share it and and so they've

1545

01:04:57,530 --> 01:04:55,319

traded the inside knowledge for the

1546

01:05:00,770 --> 01:04:57,540

commitment to reveal to the public

1547

01:05:02,630 --> 01:05:00,780

anything that they find out and

1548

01:05:05,030 --> 01:05:02,640

it's really sad to see it happen it's

1549

01:05:07,789 --> 01:05:05,040

widespread I'm not going to name names

1550

01:05:10,370 --> 01:05:07,799

but it's more more people than it's not

1551

01:05:13,250 --> 01:05:10,380

and so once you become a part of the

1552

01:05:17,990 --> 01:05:13,260

secrecy then you're not really serving a

1553

01:05:19,730 --> 01:05:18,000

mission to Enlighten the public and so

1554

01:05:22,670 --> 01:05:19,740

it's happened to a lot of people in the

1555

01:05:24,289 --> 01:05:22,680

field I'm interested to see how this

1556

01:05:25,849 --> 01:05:24,299

evolves in Washington how these

1557

01:05:27,410 --> 01:05:25,859

different groups play out you know we've

1558

01:05:29,569 --> 01:05:27,420

got NASA oh they're going to start

1559

01:05:31,210 --> 01:05:29,579

studying it I mean give me a break you

1560

01:05:34,309 --> 01:05:31,220

know they covered up Life on Mars in

1561

01:05:36,530 --> 01:05:34,319

1976. so who who is NASA to come forward

1562

01:05:39,289 --> 01:05:36,540

and say oh yeah we're forming a group

1563

01:05:40,910 --> 01:05:39,299

within NASA to study UAP and now we have

1564

01:05:41,990 --> 01:05:40,920

the one at the Pentagon and now we have

1565

01:05:44,450 --> 01:05:42,000

another one that's going to be a whole

1566

01:05:47,569 --> 01:05:44,460

independent office and the one thing

1567

01:05:50,089 --> 01:05:47,579

that's that's been consistent since 2017

1568

01:05:53,030 --> 01:05:50,099

is that there has been a new program

1569

01:05:54,770 --> 01:05:53,040

that was just about to start

1570

01:05:56,450 --> 01:05:54,780

and then all of a sudden it's replaced

1571

01:05:58,430 --> 01:05:56,460

by another new program that's just about

1572

01:06:01,430 --> 01:05:58,440

to start and a report that's just about

1573

01:06:03,650 --> 01:06:01,440

to be released and it's it seems like if

1574

01:06:06,349 --> 01:06:03,660

you study the the the field going way

1575

01:06:09,230 --> 01:06:06,359

back and you know this Jimmy uh this is

1576

01:06:12,230 --> 01:06:09,240

just a it's a Playbook that's been in in

1577

01:06:14,329 --> 01:06:12,240

motion since you know the 40s so we're

1578

01:06:15,890 --> 01:06:14,339

not seeing anything new we're just we're

1579

01:06:18,849 --> 01:06:15,900

not seeing a new script we're not seeing

1580

01:06:22,309 --> 01:06:18,859

a new movie we're just seeing a remake

1581

01:06:23,630 --> 01:06:22,319

the there must be

1582

01:06:25,250 --> 01:06:23,640

um I don't know if you can comment on

1583

01:06:29,470 --> 01:06:25,260

this directly but I'm going to ask the

1584

01:06:33,349 --> 01:06:29,480

question anyway there must be

1585

01:06:35,870 --> 01:06:33,359

those in the Washington DC metropolitan

1586

01:06:36,650 --> 01:06:35,880

area that don't want mufon involved in

1587

01:06:39,230 --> 01:06:36,660

this

1588

01:06:41,450 --> 01:06:39,240

right that they don't want you going and

1589

01:06:44,390 --> 01:06:41,460

and talking to members and

1590

01:06:46,910 --> 01:06:44,400

representatives and senators and and and

1591

01:06:48,349 --> 01:06:46,920

getting involved have you have you had

1592

01:06:49,970 --> 01:06:48,359

that kind of pushback

1593

01:06:55,010 --> 01:06:49,980

no

1594

01:06:57,170 --> 01:06:55,020

has been around for going on 55 years

1595

01:06:58,970 --> 01:06:57,180

and I will be the first to acknowledge

1596

01:07:01,130 --> 01:06:58,980

that they've had their ups and downs and

1597

01:07:04,670 --> 01:07:01,140

that's an understatement but the

1598

01:07:07,309 --> 01:07:04,680

organization today is evolved it's

1599

01:07:09,109 --> 01:07:07,319

professional it's tight it's good at

1600

01:07:11,150 --> 01:07:09,119

what they do and there is no other

1601
01:07:13,069 --> 01:07:11,160
organization on the planet that can do

1602
01:07:15,349 --> 01:07:13,079
this and what's really interesting is

1603
01:07:17,630 --> 01:07:15,359
that we're not going to them asking for

1604
01:07:20,089 --> 01:07:17,640
anything they are more interested in

1605
01:07:22,549 --> 01:07:20,099
what we can provide to them and the

1606
01:07:25,130 --> 01:07:22,559
reason is because we're the ones with

1607
01:07:26,569 --> 01:07:25,140
150 000 cases in our database we're the

1608
01:07:31,010 --> 01:07:26,579
ones with the largest body of

1609
01:07:33,230 --> 01:07:31,020
independent research in in our files and

1610
01:07:35,150 --> 01:07:33,240
this info this information and sharing

1611
01:07:37,490 --> 01:07:35,160
of some of this information is very

1612
01:07:39,770 --> 01:07:37,500
valuable and so nobody else brings that

1613
01:07:42,109 --> 01:07:39,780

to the table and nobody else has the

1614

01:07:44,990 --> 01:07:42,119

reach that mufon has and nobody else has

1615

01:07:47,029 --> 01:07:45,000

the uh the ability to interact with the

1616

01:07:49,370 --> 01:07:47,039

public in such a way that as information

1617

01:07:50,809 --> 01:07:49,380

comes out you know people are going to

1618

01:07:52,130 --> 01:07:50,819

have to have a place to go they're going

1619

01:07:53,750 --> 01:07:52,140

to have to have a place to find like

1620

01:07:55,910 --> 01:07:53,760

minds they're going to have to have a

1621

01:07:57,770 --> 01:07:55,920

place to collectively reconcile the

1622

01:07:59,750 --> 01:07:57,780

information there's no other group on

1623

01:08:02,029 --> 01:07:59,760

the planet that's better positioned to

1624

01:08:04,970 --> 01:08:02,039

be an interface between the general

1625

01:08:09,049 --> 01:08:04,980

civilian population and the information

1626
01:08:12,230 --> 01:08:09,059
as it comes out yeah but that's that but

1627
01:08:14,750 --> 01:08:12,240
that is my point Ron that that is what

1628
01:08:17,150 --> 01:08:14,760
you guys bring to the table and there

1629
01:08:19,010 --> 01:08:17,160
has to be some in Washington that

1630
01:08:21,410 --> 01:08:19,020
doesn't want that

1631
01:08:23,269 --> 01:08:21,420
well there it's the same people that

1632
01:08:25,849 --> 01:08:23,279
don't want to if you're against the

1633
01:08:28,010 --> 01:08:25,859
general release of that information then

1634
01:08:30,410 --> 01:08:28,020
you might be against us being involved

1635
01:08:33,349 --> 01:08:30,420
in that General release but we haven't

1636
01:08:35,090 --> 01:08:33,359
detected any kind of direct targeting at

1637
01:08:37,970 --> 01:08:35,100
mufon that's not covered under that

1638
01:08:38,930 --> 01:08:37,980

overall umbrella if there's been nothing

1639

01:08:40,490 --> 01:08:38,940

but

1640

01:08:42,229 --> 01:08:40,500

um access

1641

01:08:45,709 --> 01:08:42,239

meetings

1642

01:08:47,510 --> 01:08:45,719

um conversations with people uh Beyond

1643

01:08:50,150 --> 01:08:47,520

just committee staffers and stuff like

1644

01:08:52,010 --> 01:08:50,160

that I mean real serious involvement and

1645

01:08:53,630 --> 01:08:52,020

the uh so

1646

01:08:56,030 --> 01:08:53,640

yeah there might be people that are

1647

01:08:58,249 --> 01:08:56,040

against the broad release of information

1648

01:08:59,930 --> 01:08:58,259

and mufan would get sucked up in that

1649

01:09:02,150 --> 01:08:59,940

but we haven't experienced anything

1650

01:09:03,530 --> 01:09:02,160

where we've been singled out of oh we

1651
01:09:05,090 --> 01:09:03,540
want disclosure but we don't want them

1652
01:09:07,490 --> 01:09:05,100
involved nothing like that has happened

1653
01:09:08,990 --> 01:09:07,500
oh I want to go back to a couple of

1654
01:09:10,309 --> 01:09:09,000
points that you made at the beginning of

1655
01:09:14,209 --> 01:09:10,319
the show

1656
01:09:16,610 --> 01:09:14,219
um about uh Bigelow uh Aerospace in that

1657
01:09:18,849 --> 01:09:16,620
and bass that

1658
01:09:21,890 --> 01:09:18,859
um there was

1659
01:09:24,470 --> 01:09:21,900
a lot of I'm going to say rumor but also

1660
01:09:26,209 --> 01:09:24,480
some public statements as well

1661
01:09:28,550 --> 01:09:26,219
um and and stuff that was released into

1662
01:09:30,229 --> 01:09:28,560
the press that I covered here and on

1663
01:09:32,570 --> 01:09:30,239

coast to coast and and I've had

1664

01:09:37,430 --> 01:09:32,580

discussions uh with many people about

1665

01:09:40,729 --> 01:09:37,440

and that is that Bigelow had a warehouse

1666

01:09:44,329 --> 01:09:40,739

um that was you know full of uh crash

1667

01:09:46,789 --> 01:09:44,339

debris and my comment then and we're

1668

01:09:49,370 --> 01:09:46,799

going back many many many years here

1669

01:09:51,769 --> 01:09:49,380

when when these uh stories start to

1670

01:09:54,890 --> 01:09:51,779

surface I had said then

1671

01:09:58,189 --> 01:09:54,900

if I was in possession of anything like

1672

01:10:00,290 --> 01:09:58,199

that I'm doing a press conference

1673

01:10:03,350 --> 01:10:00,300

I'm not going to hide behind anything I

1674

01:10:05,330 --> 01:10:03,360

am going to go public I don't you know

1675

01:10:07,189 --> 01:10:05,340

and and that's it because it would be

1676

01:10:10,370 --> 01:10:07,199

one of the greatest discoveries if not

1677

01:10:13,550 --> 01:10:10,380

the greatest statement and reveal in the

1678

01:10:17,390 --> 01:10:13,560

history of mankind and why would you sit

1679

01:10:20,510 --> 01:10:17,400

on that so you made that comment earlier

1680

01:10:24,590 --> 01:10:20,520

about uh Bigelow and and crash debris do

1681

01:10:28,130 --> 01:10:24,600

you believe that Bigelow bass in any uh

1682

01:10:31,070 --> 01:10:28,140

in any version of this was in possession

1683

01:10:33,830 --> 01:10:31,080

of of Crash debris

1684

01:10:35,149 --> 01:10:33,840

from an alien craft or was that a smoke

1685

01:10:38,990 --> 01:10:35,159

screen

1686

01:10:42,229 --> 01:10:39,000

well let me just say that accidental

1687

01:10:44,330 --> 01:10:42,239

truth is called that for a reason and

1688

01:10:46,850 --> 01:10:44,340

the answer to that question is revealed

1689

01:10:49,450 --> 01:10:46,860

in the film by anybody who's got enough

1690

01:10:53,209 --> 01:10:49,460

common sense to see it when it happens

1691

01:10:55,250 --> 01:10:53,219

the uh the the stuff that was studied at

1692

01:10:59,270 --> 01:10:55,260

big little Aerospace there's a there

1693

01:11:02,090 --> 01:10:59,280

there's a history here and I'm going to

1694

01:11:04,669 --> 01:11:02,100

some of this is some of this is just my

1695

01:11:06,470 --> 01:11:04,679

own opinion so I don't I'm not stating

1696

01:11:07,790 --> 01:11:06,480

this is historical fact

1697

01:11:11,390 --> 01:11:07,800

but

1698

01:11:14,090 --> 01:11:11,400

it seems to me that when uh Robert

1699

01:11:16,610 --> 01:11:14,100

Bigelow went on 60 Minutes and and said

1700

01:11:19,790 --> 01:11:16,620

aliens he did the one thing that nobody

1701

01:11:21,470 --> 01:11:19,800

else was able to do or would do uh and

1702

01:11:23,990 --> 01:11:21,480

we covered this in the film he said the

1703

01:11:26,510 --> 01:11:24,000

a word uh look what happened to him

1704

01:11:28,790 --> 01:11:26,520

immediately after that Bigelow Aerospace

1705

01:11:30,830 --> 01:11:28,800

uh was basically shut down because of

1706

01:11:32,750 --> 01:11:30,840

covid but what really happened is NASA

1707

01:11:35,990 --> 01:11:32,760

stiffed him for his contracts didn't pay

1708

01:11:37,970 --> 01:11:36,000

him his technology was cannibalized

1709

01:11:39,590 --> 01:11:37,980

throughout Private Industry all of his

1710

01:11:42,229 --> 01:11:39,600

space habitats everything else other

1711

01:11:44,750 --> 01:11:42,239

companies picked up the ball basically I

1712

01:11:46,790 --> 01:11:44,760

I think and again this is just my

1713

01:11:48,050 --> 01:11:46,800

opinion and and I've asked some people

1714

01:11:49,370 --> 01:11:48,060

and they've said well no that's not

1715

01:11:52,850 --> 01:11:49,380

really what happened but I don't believe

1716

01:11:54,709 --> 01:11:52,860

those people but my guess is that that

1717

01:11:56,149 --> 01:11:54,719

was a punishment for going on and

1718

01:11:59,090 --> 01:11:56,159

spilling the beans like that on 60

1719

01:12:00,649 --> 01:11:59,100

Minutes and when the uh and and he paid

1720

01:12:03,169 --> 01:12:00,659

a heavy price for it you notice right

1721

01:12:05,330 --> 01:12:03,179

after that he went off to life after

1722

01:12:07,729 --> 01:12:05,340

death you know he's not even involved in

1723

01:12:10,729 --> 01:12:07,739

the ET stuff anymore or the conversation

1724

01:12:13,310 --> 01:12:10,739

but then he got the double whammy when

1725

01:12:16,910 --> 01:12:13,320

the Freedom of Information Act requests

1726

01:12:18,350 --> 01:12:16,920

uh were dropped that exposed the fact

1727

01:12:20,030 --> 01:12:18,360

that

1728

01:12:21,410 --> 01:12:20,040

um and this is in the film too not very

1729

01:12:23,390 --> 01:12:21,420

many people know this and the people

1730

01:12:25,430 --> 01:12:23,400

that do know it tried to debunk it but

1731

01:12:27,649 --> 01:12:25,440

the fact is that the defense

1732

01:12:30,850 --> 01:12:27,659

intelligence agency admitted that there

1733

01:12:34,209 --> 01:12:30,860

was materials from crashed uaps being

1734

01:12:37,550 --> 01:12:34,219

examined at Bigelow Aerospace they they

1735

01:12:39,050 --> 01:12:37,560

admitted it in writing and we present

1736

01:12:40,669 --> 01:12:39,060

this in the film

1737

01:12:42,649 --> 01:12:40,679

um now that was a double whammy for

1738

01:12:45,590 --> 01:12:42,659

Bigelow because it's like he was just he

1739

01:12:48,290 --> 01:12:45,600

he already got you know pretty much

1740

01:12:51,410 --> 01:12:48,300

messed up from making the big reveal on

1741

01:12:54,229 --> 01:12:51,420

60 Minutes he didn't need another big

1742

01:12:56,810 --> 01:12:54,239

reveal about what was going on at Bass

1743

01:12:58,370 --> 01:12:56,820

so what you'll see is you'll see it in

1744

01:13:00,290 --> 01:12:58,380

the film and if you look at the at the

1745

01:13:03,350 --> 01:13:00,300

history of what was going on

1746

01:13:05,209 --> 01:13:03,360

um right after this there was a big flap

1747

01:13:07,430 --> 01:13:05,219

at the Pentagon there were certain guys

1748

01:13:09,470 --> 01:13:07,440

that are big in our field going out

1749

01:13:12,830 --> 01:13:09,480

doing everything they could to debunk

1750

01:13:15,530 --> 01:13:12,840

these foia releases and then all of a

1751
01:13:17,810 --> 01:13:15,540
sudden we have these new stories we have

1752
01:13:19,550 --> 01:13:17,820
the New York Times saying well you know

1753
01:13:21,110 --> 01:13:19,560
we said that there was a warehouse built

1754
01:13:23,270 --> 01:13:21,120
to house the parts but we never said

1755
01:13:25,490 --> 01:13:23,280
they were there then we have

1756
01:13:26,930 --> 01:13:25,500
um you know the whole story being walked

1757
01:13:29,750 --> 01:13:26,940
back to those materials we have

1758
01:13:32,570 --> 01:13:29,760
reporting from from you know credible

1759
01:13:34,189 --> 01:13:32,580
reporters yes there was materials there

1760
01:13:37,310 --> 01:13:34,199
yes there was materials there then all

1761
01:13:39,590 --> 01:13:37,320
of a sudden oh no no no I never serious

1762
01:13:41,990 --> 01:13:39,600
yeah right right right so so what we

1763
01:13:44,390 --> 01:13:42,000

have there is I think that that Bigelow

1764

01:13:46,490 --> 01:13:44,400

stuck his neck out on 60 Minutes I think

1765

01:13:49,010 --> 01:13:46,500

he paid a price for it and I think that

1766

01:13:51,649 --> 01:13:49,020

when the whole big thing exploded onto

1767

01:13:53,090 --> 01:13:51,659

the the scene about oh yeah material is

1768

01:13:55,630 --> 01:13:53,100

a big low Aerospace and this is what

1769

01:13:58,669 --> 01:13:55,640

they were and this is blah blah blah um

1770

01:14:01,850 --> 01:13:58,679

there was like no way he was going to be

1771

01:14:05,090 --> 01:14:01,860

in a position to to you know be the Fall

1772

01:14:07,189 --> 01:14:05,100

Guy for another big accidental truth so

1773

01:14:09,410 --> 01:14:07,199

and for people who want to know what the

1774

01:14:11,890 --> 01:14:09,420

why that movie is called that that's why

1775

01:14:15,590 --> 01:14:11,900

because the whole film is about

1776

01:14:17,750 --> 01:14:15,600

accidentally revealing things that they

1777

01:14:19,729 --> 01:14:17,760

do not want us to know and doing it in

1778

01:14:21,470 --> 01:14:19,739

such a way that there's you know if you

1779

01:14:24,470 --> 01:14:21,480

have any common sense

1780

01:14:26,090 --> 01:14:24,480

and and critical thinking you watch this

1781

01:14:27,830 --> 01:14:26,100

film and you're just going to shake your

1782

01:14:28,970 --> 01:14:27,840

head and not because it's not a good

1783

01:14:31,310 --> 01:14:28,980

film you're gonna shake your head

1784

01:14:35,630 --> 01:14:31,320

because it's so pathetic what we're

1785

01:14:39,229 --> 01:14:35,640

seeing unfold as the story gets revealed

1786

01:14:42,169 --> 01:14:39,239

um but yeah so of course there was it

1787

01:14:45,470 --> 01:14:42,179

did okay now there is a difference I

1788

01:14:48,950 --> 01:14:45,480

could be wrong here uh Ron there's a

1789

01:14:52,729 --> 01:14:48,960

difference between backwards engineering

1790

01:14:56,110 --> 01:14:52,739

a craft at Lockheed Skunk Works

1791

01:14:59,390 --> 01:14:56,120

a craft and and

1792

01:15:01,669 --> 01:14:59,400

analyzing little melted pieces of metal

1793

01:15:04,250 --> 01:15:01,679

that have been found in the ground right

1794

01:15:06,709 --> 01:15:04,260

do you feel that's that's two different

1795

01:15:11,090 --> 01:15:06,719

situations here do you think that

1796

01:15:14,330 --> 01:15:11,100

Bigelow ever had a a component you know

1797

01:15:16,130 --> 01:15:14,340

a component a p you know or did they

1798

01:15:19,669 --> 01:15:16,140

only have

1799

01:15:21,290 --> 01:15:19,679

slag and and melted materials well you

1800

01:15:22,729 --> 01:15:21,300

know slagging melted materials jock

1801

01:15:24,709 --> 01:15:22,739

valet's got that stuff there's nothing

1802

01:15:27,950 --> 01:15:24,719

classified or

1803

01:15:29,810 --> 01:15:27,960

um or but you understand but you

1804

01:15:32,330 --> 01:15:29,820

understand what I'm asking right there

1805

01:15:34,729 --> 01:15:32,340

there's a difference between a a flying

1806

01:15:37,010 --> 01:15:34,739

saucer right and then something else

1807

01:15:38,510 --> 01:15:37,020

that you can't identify even if it was

1808

01:15:41,390 --> 01:15:38,520

this small but you could look at it and

1809

01:15:43,430 --> 01:15:41,400

go oh that that's something

1810

01:15:44,689 --> 01:15:43,440

um what do you think that Bigelow was in

1811

01:15:47,030 --> 01:15:44,699

possession of

1812

01:15:48,890 --> 01:15:47,040

well you know that's I don't want to go

1813

01:15:50,270 --> 01:15:48,900

that far I've been told a couple things

1814

01:15:53,570 --> 01:15:50,280

but I don't know if they're true or not

1815

01:15:55,729 --> 01:15:53,580

and I and the the film is really what

1816

01:15:57,590 --> 01:15:55,739

can we prove and so I'd want to add to

1817

01:15:59,570 --> 01:15:57,600

the Sea of speculation one thing that

1818

01:16:02,750 --> 01:15:59,580

I'm very careful about in putting out

1819

01:16:04,790 --> 01:16:02,760

the film is that too many UFO

1820

01:16:06,830 --> 01:16:04,800

documentaries they get you to the point

1821

01:16:08,510 --> 01:16:06,840

where yeah okay that makes sense and

1822

01:16:11,450 --> 01:16:08,520

then all of a sudden we got bases on

1823

01:16:12,709 --> 01:16:11,460

Mars and and you know time traveling you

1824

01:16:15,830 --> 01:16:12,719

know and so

1825

01:16:19,070 --> 01:16:15,840

I have I have this test I call it the

1826

01:16:20,030 --> 01:16:19,080

Midwest bar test it's and it basically

1827

01:16:22,490 --> 01:16:20,040

says

1828

01:16:24,290 --> 01:16:22,500

that if you were to walk into a bar in

1829

01:16:26,630 --> 01:16:24,300

the Midwest and you were to sit down

1830

01:16:28,790 --> 01:16:26,640

with just average Americans sitting

1831

01:16:31,250 --> 01:16:28,800

around having beer eating hot dogs and

1832

01:16:34,310 --> 01:16:31,260

say I'm into UFOs and they said really

1833

01:16:36,950 --> 01:16:34,320

well what do you think and you say well

1834

01:16:38,149 --> 01:16:36,960

I think that there's a good uh body of

1835

01:16:41,450 --> 01:16:38,159

evidence that there's been a

1836

01:16:43,430 --> 01:16:41,460

extraterrestrial and uh imprint on

1837

01:16:44,689 --> 01:16:43,440

Humanity from day one I think the

1838

01:16:47,390 --> 01:16:44,699

government knows a lot more than they're

1839

01:16:51,709 --> 01:16:47,400

saying and I think that there's you know

1840

01:16:54,410 --> 01:16:51,719

pretty much 100 positive uh

1841

01:16:56,870 --> 01:16:54,420

action that there's life off of Earth

1842

01:16:58,850 --> 01:16:56,880

everybody in that Midwest bar with their

1843

01:17:00,649 --> 01:16:58,860

beer they'd go yeah yeah yeah sure man

1844

01:17:03,169 --> 01:17:00,659

no problem I get that that's pretty

1845

01:17:06,229 --> 01:17:03,179

profound but then if you go on to say

1846

01:17:08,630 --> 01:17:06,239

and um you know I used to be 20 years

1847

01:17:10,370 --> 01:17:08,640

old and I got time regressed and went to

1848

01:17:13,070 --> 01:17:10,380

Mars and then I came back and I used to

1849

01:17:14,810 --> 01:17:13,080

fight bugs and uh and and I live in a

1850

01:17:17,750 --> 01:17:14,820

secret space Fleet and we time travel

1851

01:17:19,490 --> 01:17:17,760

and okay now all of a sudden the guys in

1852

01:17:21,950 --> 01:17:19,500

the midwest bar are gathering around you

1853

01:17:24,470 --> 01:17:21,960

and they're gonna kick your ass and so

1854

01:17:25,669 --> 01:17:24,480

yeah if it doesn't pass the Midwest bar

1855

01:17:27,950 --> 01:17:25,679

test

1856

01:17:30,590 --> 01:17:27,960

other people can address that I'm not

1857

01:17:32,870 --> 01:17:30,600

going to be that guy so I I have put out

1858

01:17:35,030 --> 01:17:32,880

a film about what we can prove and as

1859

01:17:37,189 --> 01:17:35,040

Ralph Blumenthal says in the film what

1860

01:17:39,229 --> 01:17:37,199

we can prove is compelling enough and

1861

01:17:40,850 --> 01:17:39,239

I'll leave the the speculation in the

1862

01:17:42,970 --> 01:17:40,860

wild stories which may or may not be

1863

01:17:46,610 --> 01:17:42,980

true I'm not denigrating anybody's stuff

1864

01:17:49,550 --> 01:17:46,620

but it's just not a place that I want to

1865

01:17:51,890 --> 01:17:49,560

be so when we talk about well what do I

1866

01:17:52,430 --> 01:17:51,900

think was a big Low's place

1867

01:17:58,970 --> 01:17:52,440

um

1868

01:18:02,390 --> 01:17:58,980

comment that was made in the Wilson

1869

01:18:05,630 --> 01:18:02,400

Davis uh document which I thought was

1870

01:18:07,669 --> 01:18:05,640

extremely profound is the three guys

1871

01:18:09,410 --> 01:18:07,679

from I'm going to say Lockheed we don't

1872

01:18:11,810 --> 01:18:09,420

know if it was Lockheed but I think we

1873

01:18:13,669 --> 01:18:11,820

can you know you know betting man is

1874

01:18:17,270 --> 01:18:13,679

gonna say that it was Lockheed but the

1875

01:18:19,189 --> 01:18:17,280

three guys so you've got uh a research

1876

01:18:23,290 --> 01:18:19,199

guy you've got a lawyer and you've got

1877

01:18:27,169 --> 01:18:23,300

the head of security right and they said

1878

01:18:28,310 --> 01:18:27,179

allegedly again to Admiral Wilson uh we

1879

01:18:32,510 --> 01:18:28,320

have a craft

1880

01:18:34,850 --> 01:18:32,520

and we think it can fly

1881

01:18:36,770 --> 01:18:34,860

that's a pretty I mean that one line

1882

01:18:38,510 --> 01:18:36,780

still to this day I mean that just

1883

01:18:42,770 --> 01:18:38,520

really sticks out

1884

01:18:46,010 --> 01:18:42,780

do you believe that private industry is

1885

01:18:49,070 --> 01:18:46,020

in possession of uh a craft not of this

1886

01:18:52,310 --> 01:18:49,080

earth that is intact and and can fly

1887

01:18:54,470 --> 01:18:52,320

yeah absolutely the there's been there's

1888

01:18:57,709 --> 01:18:54,480

evidence of multiple reverse engineering

1889

01:18:59,390 --> 01:18:57,719

programs that were funded and that were

1890

01:19:02,390 --> 01:18:59,400

canceled because of a lack of progress

1891

01:19:04,850 --> 01:19:02,400

Eric Davis talks about it who is the

1892

01:19:05,870 --> 01:19:04,860

other half of the Wilson Davis memo uh

1893

01:19:07,850 --> 01:19:05,880

pair

1894

01:19:09,890 --> 01:19:07,860

um and he would know he's he's knee-deep

1895

01:19:12,110 --> 01:19:09,900

in all this stuff you know that if you

1896

01:19:15,229 --> 01:19:12,120

look at the uh it's it's the same people

1897

01:19:17,030 --> 01:19:15,239

all the way back to to the bird names

1898

01:19:19,610 --> 01:19:17,040

you know it's it's Alexander it's put

1899

01:19:21,890 --> 01:19:19,620

off it's it's uh Eric Davis was part of

1900

01:19:24,290 --> 01:19:21,900

it these are all the guys that were

1901

01:19:26,090 --> 01:19:24,300

circling around trying to get to the to

1902

01:19:27,410 --> 01:19:26,100

the guys that were deeper and they were

1903

01:19:31,250 --> 01:19:27,420

read into a certain amount of stuff

1904

01:19:33,890 --> 01:19:31,260

going way back enough to say okay you

1905

01:19:35,570 --> 01:19:33,900

know look John we need you to say

1906

01:19:37,790 --> 01:19:35,580

Roswell wasn't real but here's what

1907

01:19:39,290 --> 01:19:37,800

really happened and so so you got these

1908

01:19:42,410 --> 01:19:39,300

guys that are kind of their straddling

1909

01:19:44,630 --> 01:19:42,420

the line I believe but um

1910

01:19:47,750 --> 01:19:44,640

is there an intact craft yeah I think

1911

01:19:50,090 --> 01:19:47,760

that there is and I think luellizando

1912

01:19:53,390 --> 01:19:50,100

actually uh you know I'm sure you

1913

01:19:56,030 --> 01:19:53,400

remember this he he told uh Danny

1914

01:19:58,010 --> 01:19:56,040

Sheehan that he had seen in intact craft

1915

01:19:59,450 --> 01:19:58,020

and Danny Sheehan said something and it

1916

01:20:01,610 --> 01:19:59,460

got Lou into a lot of trouble and he had

1917

01:20:03,770 --> 01:20:01,620

to walk it back and we covered this in

1918

01:20:05,750 --> 01:20:03,780

the movie uh the

1919

01:20:08,330 --> 01:20:05,760

um that what what happened there it's

1920

01:20:10,490 --> 01:20:08,340

like well it's the same story on Bigelow

1921

01:20:12,649 --> 01:20:10,500

and crash materials well I I went to a

1922

01:20:14,270 --> 01:20:12,659

place that was set up for to have an

1923

01:20:18,050 --> 01:20:14,280

attack craft but I didn't see an intact

1924

01:20:20,149 --> 01:20:18,060

craft but the uh the the threads of the

1925

01:20:22,729 --> 01:20:20,159

story of unsuccessful reverse

1926

01:20:25,790 --> 01:20:22,739

engineering programs uh there's a lot of

1927

01:20:27,470 --> 01:20:25,800

them there's consistency in them and we

1928

01:20:28,669 --> 01:20:27,480

only need one of them to be true but I

1929

01:20:31,970 --> 01:20:28,679

think yeah I think that they've

1930

01:20:33,649 --> 01:20:31,980

recovered craft uh and but they haven't

1931

01:20:35,030 --> 01:20:33,659

been able to figure out how to how to

1932

01:20:37,130 --> 01:20:35,040

work some of them and I think they've

1933

01:20:39,890 --> 01:20:37,140

had some success with others

1934

01:20:42,649 --> 01:20:39,900

now back to the path forward do you

1935

01:20:44,750 --> 01:20:42,659

think that we'll have another hearing uh

1936

01:20:46,130 --> 01:20:44,760

either in the senate or the house uh

1937

01:20:49,010 --> 01:20:46,140

this year

1938

01:20:51,290 --> 01:20:49,020

I I'm sure we will yeah there's of

1939

01:20:54,169 --> 01:20:51,300

course you know the the geopolitical

1940

01:20:57,410 --> 01:20:54,179

situation is a big thing the political

1941

01:21:01,370 --> 01:20:57,420

upheaval is a big thing uh a lot of

1942

01:21:03,890 --> 01:21:01,380

people think that back when uh tsa

1943

01:21:05,750 --> 01:21:03,900

rolled out part of the plan was that

1944

01:21:07,550 --> 01:21:05,760

Hillary was going to win you know then

1945

01:21:09,229 --> 01:21:07,560

the podesta crowd and the and the bill

1946

01:21:10,430 --> 01:21:09,239

crowd everybody was going to get in and

1947

01:21:13,130 --> 01:21:10,440

they were going to be able to really

1948

01:21:15,110 --> 01:21:13,140

move forward the uh disclosure agenda

1949

01:21:16,850 --> 01:21:15,120

but then when Trump won

1950

01:21:19,310 --> 01:21:16,860

um and I'm not getting political here

1951

01:21:22,550 --> 01:21:19,320

I'm just saying that that that changed

1952

01:21:23,870 --> 01:21:22,560

the landscape and so this plan of

1953

01:21:25,669 --> 01:21:23,880

disclosure that could have gone all the

1954

01:21:27,530 --> 01:21:25,679

way to Hillary Clinton Steve Bassett is

1955

01:21:28,850 --> 01:21:27,540

a big proponent that this was really in

1956

01:21:30,550 --> 01:21:28,860

the works

1957

01:21:33,530 --> 01:21:30,560

um

1958

01:21:35,930 --> 01:21:33,540

I think that what happened is that all

1959

01:21:37,790 --> 01:21:35,940

got changed and so that's when the the

1960

01:21:39,890 --> 01:21:37,800

whole tsa rollout and everything else

1961

01:21:41,390 --> 01:21:39,900

they got thrown on their back feet by

1962

01:21:43,610 --> 01:21:41,400

the fact that they didn't have that

1963

01:21:45,350 --> 01:21:43,620

pipeline to to some sort of disclosure

1964

01:21:48,410 --> 01:21:45,360

that had already been kind of arranged

1965

01:21:51,229 --> 01:21:48,420

and that's when the people that oppose

1966

01:21:54,169 --> 01:21:51,239

it had a chance to regain their footing

1967

01:21:56,090 --> 01:21:54,179

and come back fighting so

1968

01:21:58,130 --> 01:21:56,100

it's a lot of whether or not we have

1969

01:22:00,950 --> 01:21:58,140

significant hearings are going to depend

1970

01:22:02,990 --> 01:22:00,960

on two things the action of the body

1971

01:22:05,630 --> 01:22:03,000

politic what's happening the

1972

01:22:08,990 --> 01:22:05,640

geopolitical situation should put those

1973

01:22:11,090 --> 01:22:09,000

into one category and then the uh the

1974

01:22:14,149 --> 01:22:11,100

other thing is going to be how fast they

1975

01:22:16,910 --> 01:22:14,159

enact that law and rather or not the

1976

01:22:18,709 --> 01:22:16,920

whistleblowers come forward I do have

1977

01:22:21,050 --> 01:22:18,719

information that there's work being done

1978

01:22:22,430 --> 01:22:21,060

inside of Dia Danny Sheehan we'll talk

1979

01:22:24,770 --> 01:22:22,440

about this

1980

01:22:27,229 --> 01:22:24,780

um they are trying to kind of form that

1981

01:22:29,330 --> 01:22:27,239

pathway for UFO whistleblowers to be

1982

01:22:32,030 --> 01:22:29,340

able to come forward and that

1983

01:22:33,649 --> 01:22:32,040

legislation is the beginning of that

1984

01:22:38,810 --> 01:22:33,659

um how long that's all going to take to

1985

01:22:40,970 --> 01:22:38,820

unfold is you know anybody's guess but

1986

01:22:42,590 --> 01:22:40,980

there is Rumbings that there's going to

1987

01:22:44,750 --> 01:22:42,600

be a new set of hearings and guys like

1988

01:22:47,810 --> 01:22:44,760

Eric Davis and possibly Admiral Wilson

1989

01:22:50,510 --> 01:22:47,820

and people that that uh are in the know

1990

01:22:52,610 --> 01:22:50,520

incredible make at some point Come

1991

01:22:53,870 --> 01:22:52,620

forward I know that there's some of them

1992

01:22:59,030 --> 01:22:53,880

that want to

1993

01:23:04,010 --> 01:22:59,040

is there a way uh to get the Air Force

1994

01:23:05,870 --> 01:23:04,020

to cooperate where the uh out of all of

1995

01:23:07,970 --> 01:23:05,880

the branches of the military you would

1996

01:23:10,550 --> 01:23:07,980

think that it would be the air force

1997

01:23:13,010 --> 01:23:10,560

that is got the most data and the most

1998

01:23:15,590 --> 01:23:13,020

footage in the most eyewitness uh

1999

01:23:17,630 --> 01:23:15,600

interaction and and probably goes beyond

2000

01:23:21,229 --> 01:23:17,640

that than any other branch of the

2001

01:23:23,930 --> 01:23:21,239

military but they they have seriously

2002

01:23:25,970 --> 01:23:23,940

stopped this train and and their

2003

01:23:29,209 --> 01:23:25,980

involvement with this everything is uh

2004

01:23:32,510 --> 01:23:29,219

come out almost exclusively uh from the

2005

01:23:34,490 --> 01:23:32,520

United States Navy is there a way to get

2006

01:23:37,970 --> 01:23:34,500

to the Air Force or are they too

2007

01:23:39,470 --> 01:23:37,980

comfortable with doing their own thing

2008

01:23:41,450 --> 01:23:39,480

well you know the Air Force is

2009

01:23:43,430 --> 01:23:41,460

conspicuously absent because the air

2010

01:23:46,010 --> 01:23:43,440

force is Right Patterson the Air Forces

2011

01:23:47,750 --> 01:23:46,020

is the whole everything that was

2012

01:23:50,450 --> 01:23:47,760

happening back when this whole thing was

2013

01:23:52,189 --> 01:23:50,460

initiated and they have been arguably

2014

01:23:54,169 --> 01:23:52,199

the biggest guardian of this information

2015

01:23:57,050 --> 01:23:54,179

the Navy might be encountering these

2016

01:23:58,910 --> 01:23:57,060

craft but the air force holds the keys

2017

01:24:01,010 --> 01:23:58,920

to the kingdom and they are in my

2018

01:24:03,709 --> 01:24:01,020

opinion they're being quiet for a reason

2019

01:24:06,229 --> 01:24:03,719

because they want to keep the the

2020

01:24:07,610 --> 01:24:06,239

spotlight off of them because there's

2021

01:24:10,310 --> 01:24:07,620

too many questions that could be

2022

01:24:12,050 --> 01:24:10,320

directly asked to the air force that

2023

01:24:13,189 --> 01:24:12,060

they're going to have to answer one of

2024

01:24:15,709 --> 01:24:13,199

the things that we cover in the film

2025

01:24:18,169 --> 01:24:15,719

it's it's an old story but it but we

2026

01:24:20,689 --> 01:24:18,179

were able to to prove that it's true the

2027

01:24:23,450 --> 01:24:20,699

Blue Room the the rumor Wright-Patterson

2028

01:24:25,970 --> 01:24:23,460

Air Force Base it was rumored to have uh

2029

01:24:28,850 --> 01:24:25,980

be a storage repository for crash debris

2030

01:24:30,590 --> 01:24:28,860

and technology and even bodies and it

2031

01:24:33,110 --> 01:24:30,600

was there was a rumor that there was a

2032

01:24:34,669 --> 01:24:33,120

film shot of this room

2033

01:24:38,510 --> 01:24:34,679

and we found the Freedom of Information

2034

01:24:40,430 --> 01:24:38,520

Act Trail where the existence of that

2035

01:24:43,570 --> 01:24:40,440

film was denied was denied was denied

2036

01:24:46,669 --> 01:24:43,580

until it finally got to an office that

2037

01:24:49,630 --> 01:24:46,679

safeguarded media the Blue Room footage

2038

01:24:52,910 --> 01:24:49,640

from the Air Force's uh right Patterson

2039

01:24:55,790 --> 01:24:52,920

was an actual media project it had an

2040

01:24:59,270 --> 01:24:55,800

actual name that had a actual media

2041

01:25:02,689 --> 01:24:59,280

number and a date of its destruction and

2042

01:25:05,990 --> 01:25:02,699

so the Wright-Patterson Blue Room story

2043

01:25:08,030 --> 01:25:06,000

is appears to be true just based on that

2044

01:25:10,130 --> 01:25:08,040

and some of the other accounts like from

2045

01:25:12,530 --> 01:25:10,140

Barry Goldwater so the Air Force is

2046

01:25:15,350 --> 01:25:12,540

knee-deep in this more than probably any

2047

01:25:18,050 --> 01:25:15,360

of the other services and um if you go

2048

01:25:20,149 --> 01:25:18,060

back to the early history of the Air

2049

01:25:23,689 --> 01:25:20,159

Force Wright-Patterson

2050

01:25:26,270 --> 01:25:23,699

um and Battelle Memorial Institute and

2051

01:25:29,630 --> 01:25:26,280

nitinol uh you know that's that's

2052

01:25:31,370 --> 01:25:29,640

basically where that stuff came from the

2053

01:25:34,070 --> 01:25:31,380

Battelle had a contract with Wright

2054

01:25:36,470 --> 01:25:34,080

Patterson to do material studies nitinol

2055

01:25:39,470 --> 01:25:36,480

is a

2056

01:25:41,510 --> 01:25:39,480

um it's it's a metal that they've knew

2057

01:25:43,790 --> 01:25:41,520

very little about back in that time it's

2058

01:25:46,729 --> 01:25:43,800

a titanium alloy uh there was a

2059

01:25:49,729 --> 01:25:46,739

scientist at Patel that kind of figured

2060

01:25:52,910 --> 01:25:49,739

out nitinol passed it off to the naval

2061

01:25:55,310 --> 01:25:52,920

weapons research laboratory but it

2062

01:25:56,990 --> 01:25:55,320

originated from Patel

2063

01:25:59,930 --> 01:25:57,000

because they were given materials from

2064

01:26:01,790 --> 01:25:59,940

Wright Patterson to study and then the

2065

01:26:04,129 --> 01:26:01,800

history that was all covered up so the

2066

01:26:06,350 --> 01:26:04,139

Air Force is knee-deep in this further

2067

01:26:09,890 --> 01:26:06,360

than probably any branch of the service

2068

01:26:12,370 --> 01:26:09,900

uh Chris Mellon wrote about this uh a

2069

01:26:15,890 --> 01:26:12,380

couple of years ago in one of his op-eds

2070

01:26:19,790 --> 01:26:15,900

and in the breakdown of that uh there's

2071

01:26:22,250 --> 01:26:19,800

this one one paragraph that uh stood out

2072

01:26:25,310 --> 01:26:22,260

at least for me

2073

01:26:27,050 --> 01:26:25,320

um and not much was made of this in the

2074

01:26:28,669 --> 01:26:27,060

media and I would have thought that a

2075

01:26:30,530 --> 01:26:28,679

really good journalist you know would

2076
01:26:32,510 --> 01:26:30,540
have jumped on that and said okay what's

2077
01:26:35,510 --> 01:26:32,520
going on here and turn around a question

2078
01:26:38,689 --> 01:26:35,520
the Pentagon and the point of this is

2079
01:26:41,870 --> 01:26:38,699
Chris said that there was a secure

2080
01:26:43,370 --> 01:26:41,880
secure chat room inside of the Pentagon

2081
01:26:45,310 --> 01:26:43,380
where all of the branches of the

2082
01:26:48,350 --> 01:26:45,320
military could collectively get together

2083
01:26:51,530 --> 01:26:48,360
and and talk about uaps and and what

2084
01:26:53,990 --> 01:26:51,540
they have learned and the Air Force

2085
01:26:56,030 --> 01:26:54,000
found out that there were some Air Force

2086
01:26:59,629 --> 01:26:56,040
personnel participating in that chat

2087
01:27:02,330 --> 01:26:59,639
room and literally sent out a directive

2088
01:27:04,370 --> 01:27:02,340

that no Air Force personnel are to

2089

01:27:07,970 --> 01:27:04,380

participate in that secure chat room

2090

01:27:10,250 --> 01:27:07,980

about uaps and and when melon wrote that

2091

01:27:12,290 --> 01:27:10,260

I said she said wait a minute here isn't

2092

01:27:15,890 --> 01:27:12,300

that exactly what they should be doing

2093

01:27:18,709 --> 01:27:15,900

but nobody followed up on that run

2094

01:27:20,030 --> 01:27:18,719

yeah um the Air Forces knee deep in this

2095

01:27:22,729 --> 01:27:20,040

and they've got the thing is is they've

2096

01:27:24,410 --> 01:27:22,739

got the most documented history with

2097

01:27:25,850 --> 01:27:24,420

this stuff if you talk to guys like

2098

01:27:27,229 --> 01:27:25,860

Michael schrat who could tell you the

2099

01:27:28,550 --> 01:27:27,239

whole story he can tell you the name of

2100

01:27:30,649 --> 01:27:28,560

the plane that picked up the stuff from

2101
01:27:32,810 --> 01:27:30,659
Roswell where it flew all the way down

2102
01:27:35,510 --> 01:27:32,820
to the name of the pilot the thing is is

2103
01:27:37,910 --> 01:27:35,520
they they can't whitewash a lot of this

2104
01:27:39,410 --> 01:27:37,920
history going back to you could argue

2105
01:27:41,510 --> 01:27:39,420
rather than started around the Roswell

2106
01:27:44,209 --> 01:27:41,520
time with that incident or others like

2107
01:27:46,370 --> 01:27:44,219
it or World War II you can you can you

2108
01:27:49,129 --> 01:27:46,380
can have that debate but the Air Force

2109
01:27:51,830 --> 01:27:49,139
was instrumental in all of that in that

2110
01:27:54,950 --> 01:27:51,840
transition between Army to Air Force

2111
01:27:57,470 --> 01:27:54,960
this was all going on and um

2112
01:27:59,030 --> 01:27:57,480
so that they've got the uh the Navy

2113
01:28:01,250 --> 01:27:59,040

might have the Tic Tacs but the Air

2114

01:28:04,370 --> 01:28:01,260

Force has the pedigree

2115

01:28:08,030 --> 01:28:04,380

and the the other part with uh the path

2116

01:28:09,530 --> 01:28:08,040

moving forward are the you know citizens

2117

01:28:12,590 --> 01:28:09,540

of this country you know the the

2118

01:28:17,810 --> 01:28:12,600

constituents and so forth is that enough

2119

01:28:21,709 --> 01:28:17,820

of a force uh to cause action in in

2120

01:28:23,570 --> 01:28:21,719

Washington DC and they uh you can't you

2121

01:28:25,090 --> 01:28:23,580

know necessarily keep your head in the

2122

01:28:29,689 --> 01:28:25,100

sand or

2123

01:28:32,950 --> 01:28:29,699

not have the motivation to go and ask

2124

01:28:35,930 --> 01:28:32,960

questions and to move this forward

2125

01:28:38,209 --> 01:28:35,940

those are elected officials by us is

2126

01:28:40,250 --> 01:28:38,219

that enough of a motivation

2127

01:28:43,250 --> 01:28:40,260

well here's how it was explained to me

2128

01:28:45,290 --> 01:28:43,260

if enough people I mean politicians you

2129

01:28:47,390 --> 01:28:45,300

know at the end of the day think of them

2130

01:28:50,270 --> 01:28:47,400

however you will they're into their own

2131

01:28:52,669 --> 01:28:50,280

self-preservation if everybody in a

2132

01:28:54,770 --> 01:28:52,679

congressman's district a huge number of

2133

01:28:56,090 --> 01:28:54,780

people an influential number of people a

2134

01:28:58,910 --> 01:28:56,100

number of people that could influence

2135

01:29:01,790 --> 01:28:58,920

his ability to be re-elected or to push

2136

01:29:04,729 --> 01:29:01,800

this issue with him he would push the

2137

01:29:07,310 --> 01:29:04,739

issue the problem is there is not enough

2138

01:29:09,890 --> 01:29:07,320

Collective will among the people to rise

2139

01:29:11,390 --> 01:29:09,900

up and demand the truth uh and that's

2140

01:29:13,310 --> 01:29:11,400

probably never going to change because

2141

01:29:16,189 --> 01:29:13,320

people are distracted with their daily

2142

01:29:18,050 --> 01:29:16,199

lives the you know nobody's going to get

2143

01:29:20,570 --> 01:29:18,060

elected to congress because they promise

2144

01:29:22,490 --> 01:29:20,580

they're going to put a lid off the UFO

2145

01:29:26,030 --> 01:29:22,500

thing they're most more likely to to get

2146

01:29:29,450 --> 01:29:26,040

laughed away even today so the answer is

2147

01:29:32,149 --> 01:29:29,460

yes if enough of us go and make enough

2148

01:29:33,530 --> 01:29:32,159

noise to the point where these guys have

2149

01:29:35,810 --> 01:29:33,540

to listen to us just because of the

2150

01:29:37,430 --> 01:29:35,820

shared numbers we will be able to make a

2151
01:29:39,410 --> 01:29:37,440
lot more Headway than if we don't do

2152
01:29:41,990 --> 01:29:39,420
that because as

2153
01:29:44,090 --> 01:29:42,000
this is a it's a it's a It's a Spooky

2154
01:29:45,709 --> 01:29:44,100
Topic at best even if you're a

2155
01:29:47,750 --> 01:29:45,719
politician in Washington that would be

2156
01:29:48,890 --> 01:29:47,760
willing to look into it you're still

2157
01:29:51,169 --> 01:29:48,900
going to face a certain amount of

2158
01:29:53,629 --> 01:29:51,179
ridicule Timber chat it was the biggest

2159
01:29:55,610 --> 01:29:53,639
thing that challenged his re-election is

2160
01:29:57,770 --> 01:29:55,620
people making fun of him about the UFO

2161
01:30:01,250 --> 01:29:57,780
thing he did win re-election thank

2162
01:30:03,590 --> 01:30:01,260
goodness but um yeah these guys they'll

2163
01:30:05,870 --> 01:30:03,600

do it to a point and and that point will

2164

01:30:08,330 --> 01:30:05,880

be my constituents are demanding the

2165

01:30:10,310 --> 01:30:08,340

truth in vast numbers I'm going to have

2166

01:30:11,990 --> 01:30:10,320

to to take some action

2167

01:30:13,669 --> 01:30:12,000

right up until the point where he gets

2168

01:30:15,410 --> 01:30:13,679

pulled into that room and told why he's

2169

01:30:18,410 --> 01:30:15,420

not going to do it

2170

01:30:19,510 --> 01:30:18,420

there was let's stay on uh Burchette for

2171

01:30:23,930 --> 01:30:19,520

a second

2172

01:30:25,250 --> 01:30:23,940

his comments after the the hearing I

2173

01:30:28,430 --> 01:30:25,260

think were more important than the

2174

01:30:30,530 --> 01:30:28,440

hearing itself and he was using words

2175

01:30:32,330 --> 01:30:30,540

like sham that this this hearing was

2176
01:30:35,270 --> 01:30:32,340
Hashem that our government my government

2177
01:30:37,970 --> 01:30:35,280
he said is lying to us and and lying to

2178
01:30:39,310 --> 01:30:37,980
the people uh those are really really

2179
01:30:43,550 --> 01:30:39,320
big words

2180
01:30:47,270 --> 01:30:43,560
why do you think that the the

2181
01:30:51,229 --> 01:30:47,280
conversation started uh back in 2017

2182
01:30:53,450 --> 01:30:51,239
were suddenly disclosure and UFOs were

2183
01:30:55,850 --> 01:30:53,460
allowed to be talked about in in a

2184
01:30:58,790 --> 01:30:55,860
public form and to have somebody like

2185
01:31:01,010 --> 01:30:58,800
Tim Burchette uh come out and say these

2186
01:31:03,350 --> 01:31:01,020
things so why the change

2187
01:31:04,850 --> 01:31:03,360
well it was all the media thing that

2188
01:31:06,410 --> 01:31:04,860

happened with Lou and Chris they went to

2189

01:31:08,990 --> 01:31:06,420

the to the New York Times They got the

2190

01:31:12,169 --> 01:31:09,000

New York Times to publish the story that

2191

01:31:14,629 --> 01:31:12,179

lit a fire it led a huge fire and so

2192

01:31:16,430 --> 01:31:14,639

when you have people coming from you

2193

01:31:18,350 --> 01:31:16,440

know inside government the former under

2194

01:31:20,870 --> 01:31:18,360

secretary of defense for intelligence a

2195

01:31:22,250 --> 01:31:20,880

guy that was uh you know high up the

2196

01:31:24,169 --> 01:31:22,260

ladder at the defense intelligence

2197

01:31:26,030 --> 01:31:24,179

agency these are these are real

2198

01:31:28,729 --> 01:31:26,040

government insiders coming out with a

2199

01:31:30,110 --> 01:31:28,739

bombshell and so yeah it ignited the

2200

01:31:32,209 --> 01:31:30,120

conversation and there was no getting

2201

01:31:34,669 --> 01:31:32,219

away from it and

2202

01:31:37,729 --> 01:31:34,679

it accidentally do you think that

2203

01:31:41,450 --> 01:31:37,739

something happened before that though

2204

01:31:42,649 --> 01:31:41,460

something allowed melon to to be in that

2205

01:31:46,310 --> 01:31:42,659

comfort zone

2206

01:31:50,750 --> 01:31:46,320

and you know and Steve Justice right and

2207

01:31:52,610 --> 01:31:50,760

and Jim semivan and others to just uh

2208

01:31:55,250 --> 01:31:52,620

start speaking about this in such a

2209

01:31:56,870 --> 01:31:55,260

public way leaking yeah these guys have

2210

01:31:59,930 --> 01:31:56,880

been talking about this for a long time

2211

01:32:01,610 --> 01:31:59,940

you know Lou really was uh and I do

2212

01:32:02,750 --> 01:32:01,620

believe in that he was frustrated with

2213

01:32:04,250 --> 01:32:02,760

the fact that he wasn't getting the

2214

01:32:07,610 --> 01:32:04,260

attention inside of government but what

2215

01:32:08,930 --> 01:32:07,620

I think he didn't know is that he was he

2216

01:32:10,970 --> 01:32:08,940

wasn't getting attention inside of

2217

01:32:13,910 --> 01:32:10,980

government because that's a policy the

2218

01:32:15,830 --> 01:32:13,920

the front-facing military are are part

2219

01:32:17,870 --> 01:32:15,840

of the ridicule Factor not part of the

2220

01:32:21,050 --> 01:32:17,880

let's investigate this and I'm not sure

2221

01:32:22,370 --> 01:32:21,060

he understood that at the time but you

2222

01:32:23,930 --> 01:32:22,380

know these guys got together and said

2223

01:32:25,850 --> 01:32:23,940

yeah we're gonna go and there was a

2224

01:32:27,950 --> 01:32:25,860

certain amount of green lighting nobody

2225

01:32:30,890 --> 01:32:27,960

got got in their way and opposed them

2226

01:32:32,870 --> 01:32:30,900

I'm sure there were discussions within

2227

01:32:34,370 --> 01:32:32,880

the classified Community about what they

2228

01:32:36,770 --> 01:32:34,380

were going to be able to say and what

2229

01:32:38,270 --> 01:32:36,780

they can't we covered that in accidental

2230

01:32:40,790 --> 01:32:38,280

truths but this thing didn't just happen

2231

01:32:44,330 --> 01:32:40,800

all of a sudden one day Lou decides to

2232

01:32:46,430 --> 01:32:44,340

call Leslie King this was right he's in

2233

01:32:48,290 --> 01:32:46,440

the works for a really long time yeah

2234

01:32:50,450 --> 01:32:48,300

and it was an organized rollout of

2235

01:32:52,910 --> 01:32:50,460

information with with approvals all the

2236

01:32:55,550 --> 01:32:52,920

way across the board and

2237

01:32:58,250 --> 01:32:55,560

you're asking me about Tim burchett

2238

01:33:00,290 --> 01:32:58,260

you know I went to Washington and I went

2239

01:33:02,270 --> 01:33:00,300

to his office and I interviewed him I

2240

01:33:05,149 --> 01:33:02,280

shot an hour to hour interview with two

2241

01:33:08,030 --> 01:33:05,159

cameras and we talked about all of it

2242

01:33:09,950 --> 01:33:08,040

I'll post the interview on YouTube uh at

2243

01:33:11,149 --> 01:33:09,960

some point but you know there's a

2244

01:33:12,649 --> 01:33:11,159

there's a part where I'm like you know

2245

01:33:14,750 --> 01:33:12,659

Tim

2246

01:33:16,370 --> 01:33:14,760

this all started before Roswell but

2247

01:33:17,990 --> 01:33:16,380

here's what happened and I gave him the

2248

01:33:21,709 --> 01:33:18,000

Reader's Digest version of everything

2249

01:33:23,689 --> 01:33:21,719

face to face him and me and it turns out

2250

01:33:26,390 --> 01:33:23,699

that he has had a passion for this topic

2251

01:33:28,790 --> 01:33:26,400

he's a Sci-Fi fan I mean he's just into

2252

01:33:30,950 --> 01:33:28,800

the UFO thing just like a you know an

2253

01:33:32,390 --> 01:33:30,960

average person which is why I had him

2254

01:33:34,189 --> 01:33:32,400

move on

2255

01:33:36,169 --> 01:33:34,199

um Skyping in we had a great

2256

01:33:38,450 --> 01:33:36,179

conversation in front of the uh the

2257

01:33:40,490 --> 01:33:38,460

crowd at the Buffon Symposium he's

2258

01:33:43,250 --> 01:33:40,500

personally involved and he knows about

2259

01:33:45,290 --> 01:33:43,260

the the BS just like we do because he's

2260

01:33:47,209 --> 01:33:45,300

had been in our position he's kind of

2261

01:33:49,310 --> 01:33:47,219

like Tom DeLong was at one time you know

2262

01:33:51,830 --> 01:33:49,320

somebody that even though he's got some

2263

01:33:54,830 --> 01:33:51,840

Fame and notoriety he's he's a nerd

2264

01:33:56,689 --> 01:33:54,840

ufologist at heart and and Tim is is is

2265

01:33:58,010 --> 01:33:56,699

like that and he's you know he's very

2266

01:34:00,229 --> 01:33:58,020

personable

2267

01:34:02,629 --> 01:34:00,239

um but we talked for a long time and the

2268

01:34:04,310 --> 01:34:02,639

interview is is stunning some of the

2269

01:34:07,010 --> 01:34:04,320

best parts of it are in accidental truth

2270

01:34:09,830 --> 01:34:07,020

but I'll put it out at some point but he

2271

01:34:12,050 --> 01:34:09,840

is making those comments not as a

2272

01:34:13,970 --> 01:34:12,060

Insider that knows stuff that we don't

2273

01:34:17,390 --> 01:34:13,980

know he he's making those comments is

2274

01:34:19,790 --> 01:34:17,400

another frustrated ufologist who who

2275

01:34:25,129 --> 01:34:19,800

knows the same kind of stuff that we do

2276

01:34:28,669 --> 01:34:25,139

and when it comes to saps and so much

2277

01:34:31,729 --> 01:34:28,679

has been revealed the public in general

2278

01:34:34,070 --> 01:34:31,739

knows nothing about an sap they don't

2279

01:34:36,669 --> 01:34:34,080

our community we're starting to learn

2280

01:34:39,770 --> 01:34:36,679

more and more about them

2281

01:34:43,189 --> 01:34:39,780

but the companies that benefit from

2282

01:34:48,430 --> 01:34:43,199

those programs have been completely

2283

01:34:50,990 --> 01:34:48,440

sheltered and the the the paper trail

2284

01:34:53,450 --> 01:34:51,000

the assignment numbers to government

2285

01:34:56,330 --> 01:34:53,460

documents the document numbers and the

2286

01:34:58,729 --> 01:34:56,340

way to go and fi and find and and

2287

01:35:00,290 --> 01:34:58,739

release and comment on these things that

2288

01:35:02,990 --> 01:35:00,300

doesn't apply in a special access

2289

01:35:05,209 --> 01:35:03,000

program those corporations and those

2290

01:35:07,610 --> 01:35:05,219

people and those names are completely

2291

01:35:10,729 --> 01:35:07,620

sheltered is this something that should

2292

01:35:12,530 --> 01:35:10,739

be discussed publicly or should some

2293

01:35:16,070 --> 01:35:12,540

things remain a secret

2294

01:35:18,290 --> 01:35:16,080

well you know that's it it's depends on

2295

01:35:20,330 --> 01:35:18,300

the context again the special access

2296

01:35:23,270 --> 01:35:20,340

programs the whole way these things are

2297

01:35:25,910 --> 01:35:23,280

structured is for plausible deniability

2298

01:35:27,470 --> 01:35:25,920

and for the ability to shield from

2299

01:35:29,750 --> 01:35:27,480

Freedom of Information Act requests

2300

01:35:31,250 --> 01:35:29,760

there's a this the structure of the

2301
01:35:33,350 --> 01:35:31,260
special access programs the way they're

2302
01:35:35,629 --> 01:35:33,360
integrated With Private Industry and

2303
01:35:38,990 --> 01:35:35,639
very small factions of government were

2304
01:35:40,729 --> 01:35:39,000
built that way on purpose and

2305
01:35:42,530 --> 01:35:40,739
you'd have to look at each one of them

2306
01:35:44,810 --> 01:35:42,540
to say well should we know about this

2307
01:35:46,430 --> 01:35:44,820
should we not know about that uh you

2308
01:35:48,590 --> 01:35:46,440
know a lot of special access programs

2309
01:35:50,330 --> 01:35:48,600
have given us breakthrough technologies

2310
01:35:52,430 --> 01:35:50,340
that are very useful there's a reason

2311
01:35:54,169 --> 01:35:52,440
they exist and there's a reason that

2312
01:35:56,870 --> 01:35:54,179
they're secret so you can't put a

2313
01:35:58,669 --> 01:35:56,880

blanket thing about exposing them

2314

01:36:01,070 --> 01:35:58,679

um but I think that the uh

2315

01:36:04,189 --> 01:36:01,080

you know this lack of accountability

2316

01:36:06,169 --> 01:36:04,199

is you could say well that it's evil

2317

01:36:08,090 --> 01:36:06,179

that if you if you're hiding technology

2318

01:36:10,010 --> 01:36:08,100

that could give us free energy or that

2319

01:36:11,689 --> 01:36:10,020

could Advance Humanity in such a way

2320

01:36:14,450 --> 01:36:11,699

that we can stop our self-destructive

2321

01:36:16,729 --> 01:36:14,460

path or any of these other things that

2322

01:36:19,129 --> 01:36:16,739

would benefit the greater good and

2323

01:36:20,990 --> 01:36:19,139

you're sitting on that technology that

2324

01:36:23,090 --> 01:36:21,000

is some would call it a crime against

2325

01:36:24,530 --> 01:36:23,100

humanity but if you're sitting on

2326
01:36:26,450 --> 01:36:24,540
technology that we have no business

2327
01:36:28,310 --> 01:36:26,460
having like you know say there's an

2328
01:36:30,229 --> 01:36:28,320
energy source that could give us free

2329
01:36:32,209 --> 01:36:30,239
energy but if it's misused mishandled

2330
01:36:33,950 --> 01:36:32,219
could destroy the whole planet it could

2331
01:36:35,450 --> 01:36:33,960
blow us into another dimension well

2332
01:36:38,050 --> 01:36:35,460
maybe there's a reason for keeping that

2333
01:36:40,250 --> 01:36:38,060
under wraps so

2334
01:36:42,229 --> 01:36:40,260
unfortunately we can't just make a

2335
01:36:44,629 --> 01:36:42,239
blanket assumption about that we deserve

2336
01:36:46,970 --> 01:36:44,639
to know all the truth and this was the

2337
01:36:48,649 --> 01:36:46,980
most bitter pill for me to swallow is

2338
01:36:50,810 --> 01:36:48,659

because this movie took me a year and a

2339

01:36:52,490 --> 01:36:50,820

half to to put together and it's got

2340

01:36:54,590 --> 01:36:52,500

material that I shot as far back as

2341

01:36:56,390 --> 01:36:54,600

2008.

2342

01:36:58,610 --> 01:36:56,400

um and

2343

01:37:01,729 --> 01:36:58,620

over the course of making the film I've

2344

01:37:03,709 --> 01:37:01,739

been surveilled I've been threatened I I

2345

01:37:05,570 --> 01:37:03,719

there was a little bit of a time when I

2346

01:37:07,550 --> 01:37:05,580

wasn't even sure that I was going to be

2347

01:37:10,610 --> 01:37:07,560

able to put this film out and I'm pretty

2348

01:37:12,709 --> 01:37:10,620

convinced at this point that I'm not

2349

01:37:16,729 --> 01:37:12,719

putting it out that it's not reaching

2350

01:37:18,649 --> 01:37:16,739

the public because of my tenacity it's

2351

01:37:20,810 --> 01:37:18,659

going to reach the public because for

2352

01:37:22,970 --> 01:37:20,820

some reason it's going to be allowed to

2353

01:37:25,430 --> 01:37:22,980

reach the public but I was scared to

2354

01:37:27,470 --> 01:37:25,440

death for months on this thing

2355

01:37:30,050 --> 01:37:27,480

um and I didn't know who to trust I

2356

01:37:32,209 --> 01:37:30,060

didn't know who I could talk to it got

2357

01:37:34,790 --> 01:37:32,219

really really strange I'm just so glad

2358

01:37:35,930 --> 01:37:34,800

it's done but um you know at the end of

2359

01:37:37,850 --> 01:37:35,940

the day

2360

01:37:40,070 --> 01:37:37,860

you cannot

2361

01:37:42,229 --> 01:37:40,080

fault the people that are keeping these

2362

01:37:44,689 --> 01:37:42,239

secrets there's a reason for some of it

2363

01:37:46,430 --> 01:37:44,699

and then there some of it is just

2364

01:37:48,410 --> 01:37:46,440

they've been keeping the secret for so

2365

01:37:50,330 --> 01:37:48,420

long and they've dug such a deep hole

2366

01:37:51,370 --> 01:37:50,340

how do they possibly dig out of it

2367

01:37:54,110 --> 01:37:51,380

without

2368

01:37:56,510 --> 01:37:54,120

problems yeah Ron that's that's that's

2369

01:37:59,689 --> 01:37:56,520

like the best point uh that could be

2370

01:38:00,669 --> 01:37:59,699

made about this which is so the reveal

2371

01:38:04,010 --> 01:38:00,679

happens

2372

01:38:05,810 --> 01:38:04,020

whatever that reveal is but what would

2373

01:38:07,550 --> 01:38:05,820

freak out what would piss off the planet

2374

01:38:09,830 --> 01:38:07,560

more

2375

01:38:13,129 --> 01:38:09,840

um you've known about E.T and you've

2376

01:38:15,350 --> 01:38:13,139

been sitting on this information okay or

2377

01:38:17,990 --> 01:38:15,360

you mean you've been sitting on free

2378

01:38:21,709 --> 01:38:18,000

energy that could have powered our

2379

01:38:23,629 --> 01:38:21,719

schools and heated the homes and and fed

2380

01:38:26,030 --> 01:38:23,639

the world you've been sitting I think

2381

01:38:28,070 --> 01:38:26,040

that would piss a few people off yeah

2382

01:38:30,649 --> 01:38:28,080

and see that's where it really becomes

2383

01:38:32,030 --> 01:38:30,659

questionable uh and and there are people

2384

01:38:33,649 --> 01:38:32,040

that would have to be accountable for

2385

01:38:35,930 --> 01:38:33,659

that and they can't let this information

2386

01:38:38,090 --> 01:38:35,940

out until all those people are dead

2387

01:38:39,229 --> 01:38:38,100

and there's there's this institutional

2388

01:38:42,410 --> 01:38:39,239

memory

2389

01:38:43,610 --> 01:38:42,420

that we have but there's also one thing

2390

01:38:45,590 --> 01:38:43,620

that really shocked me as I was

2391

01:38:48,530 --> 01:38:45,600

researching this is that

2392

01:38:50,510 --> 01:38:48,540

these agencies and these people in these

2393

01:38:51,770 --> 01:38:50,520

organizations and even you know within

2394

01:38:53,570 --> 01:38:51,780

the military

2395

01:38:55,129 --> 01:38:53,580

you would think that they would preserve

2396

01:38:56,510 --> 01:38:55,139

something like in Raiders of the Lost

2397

01:38:58,610 --> 01:38:56,520

Ark they went and put it in a warehouse

2398

01:39:01,010 --> 01:38:58,620

they have no problem whatsoever

2399

01:39:03,830 --> 01:39:01,020

destroying things like they never even

2400

01:39:06,770 --> 01:39:03,840

happened the you know the the the video

2401

01:39:09,290 --> 01:39:06,780

and the or the the film the photos the

2402

01:39:10,970 --> 01:39:09,300

debris everything from Roswell it may

2403

01:39:12,530 --> 01:39:10,980

have just been destroyed it might not

2404

01:39:14,450 --> 01:39:12,540

even be sitting in a warehouse somewhere

2405

01:39:16,790 --> 01:39:14,460

because these people will do those kinds

2406

01:39:17,629 --> 01:39:16,800

of things and so

2407

01:39:21,530 --> 01:39:17,639

um

2408

01:39:24,050 --> 01:39:21,540

is huge

2409

01:39:26,030 --> 01:39:24,060

the uh

2410

01:39:28,310 --> 01:39:26,040

the established I'm going to say status

2411

01:39:30,410 --> 01:39:28,320

quo I'm gonna go status quo even though

2412

01:39:33,229 --> 01:39:30,420

you can't find a definition for it but

2413

01:39:35,390 --> 01:39:33,239

my version of status quo is you know

2414

01:39:37,310 --> 01:39:35,400

what is just out there running and

2415

01:39:39,350 --> 01:39:37,320

moving along right and that's it it's

2416

01:39:43,610 --> 01:39:39,360

just it's just plugging along

2417

01:39:46,129 --> 01:39:43,620

elected officials the status quo of the

2418

01:39:48,350 --> 01:39:46,139

sap programs and the way that that is

2419

01:39:51,950 --> 01:39:48,360

run and everything else they run in the

2420

01:39:53,629 --> 01:39:51,960

comfort zone of knowing that well four

2421

01:39:56,930 --> 01:39:53,639

years they're out of office eight years

2422

01:39:59,990 --> 01:39:56,940

at best all right and and and that's how

2423

01:40:02,090 --> 01:40:00,000

they operate and the stuff that's in

2424

01:40:05,930 --> 01:40:02,100

those sap programs or any information

2425

01:40:07,970 --> 01:40:05,940

that is there is never making it into

2426

01:40:11,890 --> 01:40:07,980

the Oval Office there's no way to

2427

01:40:15,590 --> 01:40:11,900

overwhelm uh any sitting president with

2428

01:40:17,870 --> 01:40:15,600

you know a million pages of of crazies

2429

01:40:19,370 --> 01:40:17,880

you just wouldn't do that that you need

2430

01:40:21,590 --> 01:40:19,380

to run the government and do other

2431

01:40:23,030 --> 01:40:21,600

things on a day-to-day basis you're not

2432

01:40:25,850 --> 01:40:23,040

going to be overwhelmed with what's

2433

01:40:28,010 --> 01:40:25,860

going on in Palmdale yeah presidents

2434

01:40:29,510 --> 01:40:28,020

quit being ready and everybody in the

2435

01:40:31,729 --> 01:40:29,520

field knows that it probably ended with

2436

01:40:33,350 --> 01:40:31,739

Reagan possibly Bush

2437

01:40:35,209 --> 01:40:33,360

um you know somebody's saying something

2438

01:40:37,729 --> 01:40:35,219

about the lighting is there any way to

2439

01:40:41,270 --> 01:40:37,739

to that's you that's you you've got your

2440

01:40:43,970 --> 01:40:41,280

automatic lighting is is running your

2441

01:40:45,709 --> 01:40:43,980

sensitivity on your camera uh this is a

2442

01:40:47,209 --> 01:40:45,719

different computer because I've got so

2443

01:40:49,729 --> 01:40:47,219

much light on me right now that I can't

2444

01:40:51,890 --> 01:40:49,739

even see yeah I look like I'm sitting in

2445

01:40:54,070 --> 01:40:51,900

a dark room yeah I turn off all

2446

01:40:57,229 --> 01:40:54,080

automation all of my stuff is in manual

2447

01:40:58,970 --> 01:40:57,239

uh with my cameras and I can't even find

2448

01:41:01,370 --> 01:40:58,980

a place to control it yeah okay well

2449

01:41:03,169 --> 01:41:01,380

sorry people I'm in the dark it's okay

2450

01:41:06,050 --> 01:41:03,179

no you look fine

2451
01:41:08,330 --> 01:41:06,060
why did you don't want to see Ron lit up

2452
01:41:10,070 --> 01:41:08,340
everybody trust me on this I've seen

2453
01:41:12,229 --> 01:41:10,080
that that's true yeah you don't want to

2454
01:41:13,189 --> 01:41:12,239
see Ron lit up uh I like the darker

2455
01:41:14,930 --> 01:41:13,199
version

2456
01:41:17,930 --> 01:41:14,940
um no you look fine

2457
01:41:21,890 --> 01:41:17,940
um but is is that's that's the thing

2458
01:41:24,530 --> 01:41:21,900
they know that the turnover is going to

2459
01:41:28,129 --> 01:41:24,540
happen in in Washington that's it and

2460
01:41:30,950 --> 01:41:28,139
the career sap program Runners are doing

2461
01:41:34,250 --> 01:41:30,960
it for 30 40 50 years at a crack or

2462
01:41:36,770 --> 01:41:34,260
longer and there's there's just no way

2463
01:41:38,570 --> 01:41:36,780

that uh anybody is going to be sharing

2464

01:41:42,649 --> 01:41:38,580

that information

2465

01:41:48,890 --> 01:41:45,590

oh that's funny so yeah I'm gonna quit

2466

01:41:50,629 --> 01:41:48,900

looking at that so see see that's why

2467

01:41:53,450 --> 01:41:50,639

you don't pay attention to the chat room

2468

01:41:55,250 --> 01:41:53,460

this is a professional show if I ever

2469

01:41:57,709 --> 01:41:55,260

did

2470

01:41:59,530 --> 01:41:57,719

that on set okay the next time you and I

2471

01:42:01,850 --> 01:41:59,540

are shooting Ron

2472

01:42:05,030 --> 01:42:01,860

during the shoot I'm gonna go hold on

2473

01:42:07,070 --> 01:42:05,040

let me check my let me check my email I

2474

01:42:09,290 --> 01:42:07,080

think somebody sent me a text okay so

2475

01:42:12,470 --> 01:42:09,300

I'm gonna do that to you

2476

01:42:13,970 --> 01:42:12,480

um but again the path forward so what is

2477

01:42:17,390 --> 01:42:13,980

next then

2478

01:42:18,950 --> 01:42:17,400

what is next is that people that we

2479

01:42:20,570 --> 01:42:18,960

don't know are making the decisions

2480

01:42:22,430 --> 01:42:20,580

about what we're going to be told and

2481

01:42:23,689 --> 01:42:22,440

how we're going to be told it and there

2482

01:42:25,970 --> 01:42:23,699

is nothing that we're going to be able

2483

01:42:29,209 --> 01:42:25,980

to do about it the the there's not going

2484

01:42:32,090 --> 01:42:29,219

to be any kind of gigantic peel back

2485

01:42:34,850 --> 01:42:32,100

that is not engineered approved and

2486

01:42:37,189 --> 01:42:34,860

implemented uh I wish that it was going

2487

01:42:38,629 --> 01:42:37,199

to be different but unfortunately I

2488

01:42:40,010 --> 01:42:38,639

don't believe that that's the case I

2489

01:42:42,709 --> 01:42:40,020

think that there is a general

2490

01:42:45,350 --> 01:42:42,719

understanding that through throughout

2491

01:42:47,689 --> 01:42:45,360

all of the people involved in this that

2492

01:42:50,149 --> 01:42:47,699

Humanity needs to be enlightened to at

2493

01:42:52,189 --> 01:42:50,159

least some better extent that we are now

2494

01:42:54,950 --> 01:42:52,199

but are they ever going to tell us

2495

01:42:57,970 --> 01:42:54,960

everything no I don't think so are they

2496

01:43:02,330 --> 01:42:57,980

ever going to tell us uh

2497

01:43:04,790 --> 01:43:02,340

some of the implications of this no is

2498

01:43:08,689 --> 01:43:04,800

there secret space programs and all this

2499

01:43:10,430 --> 01:43:08,699

stuff that's that far out maybe

2500

01:43:12,770 --> 01:43:10,440

are we ever going to know all of the

2501
01:43:14,990 --> 01:43:12,780
information we're not and and you know

2502
01:43:16,550 --> 01:43:15,000
we talk about that in the film also uh

2503
01:43:19,850 --> 01:43:16,560
you know Nick Pope is is very

2504
01:43:21,229 --> 01:43:19,860
interesting because I have him in 2009

2505
01:43:22,970 --> 01:43:21,239
um you know that we have a little line

2506
01:43:24,649 --> 01:43:22,980
in the film that says you know Nick Pope

2507
01:43:27,709 --> 01:43:24,659
denied any existence of a government

2508
01:43:29,890 --> 01:43:27,719
program right up until he didn't and in

2509
01:43:32,090 --> 01:43:29,900
2009 he's like well

2510
01:43:34,070 --> 01:43:32,100
certainly people have looked at some of

2511
01:43:37,070 --> 01:43:34,080
these topics but there's never been any

2512
01:43:40,189 --> 01:43:37,080
kind of uh government UFO program and

2513
01:43:42,410 --> 01:43:40,199

then it cuts to Nick Pope in 2019. we

2514

01:43:44,149 --> 01:43:42,420

now know of a government UFO program but

2515

01:43:46,970 --> 01:43:44,159

we probably don't know about the

2516

01:43:48,410 --> 01:43:46,980

government UFO program and so you know

2517

01:43:50,750 --> 01:43:48,420

it's kind of like

2518

01:43:52,669 --> 01:43:50,760

we're never going to get all of the

2519

01:43:54,609 --> 01:43:52,679

information and what information we do

2520

01:43:57,410 --> 01:43:54,619

get is going to be carefully

2521

01:44:00,189 --> 01:43:57,420

orchestrated digested and released to

2522

01:44:04,070 --> 01:44:00,199

fit the new narrative

2523

01:44:05,390 --> 01:44:04,080

you know what I did uh last week I I

2524

01:44:08,750 --> 01:44:05,400

it's funny that you bring this up

2525

01:44:12,290 --> 01:44:08,760

because just last week I pulled down my

2526

01:44:16,370 --> 01:44:12,300

my old copy of uh Above Top Secret right

2527

01:44:19,010 --> 01:44:16,380

Timothy good and I had remembered that

2528

01:44:21,770 --> 01:44:19,020

he had wrote

2529

01:44:23,090 --> 01:44:21,780

um about in the book uh about and you

2530

01:44:25,609 --> 01:44:23,100

got to remember when that book came out

2531

01:44:28,370 --> 01:44:25,619

right it's that's it's it's quite a

2532

01:44:31,609 --> 01:44:28,380

while ago 1990 I think is is when it

2533

01:44:35,149 --> 01:44:31,619

came out when I got my first copy the um

2534

01:44:38,330 --> 01:44:35,159

the pages that he wrote on this was

2535

01:44:41,270 --> 01:44:38,340

about a staffed building I can't

2536

01:44:43,850 --> 01:44:41,280

remember the city I just read it uh but

2537

01:44:45,950 --> 01:44:43,860

he said it was 50 miles Northwest of

2538

01:44:49,310 --> 01:44:45,960

London there was a building that was

2539

01:44:53,570 --> 01:44:49,320

permanently staffed with 50 people from

2540

01:44:57,290 --> 01:44:53,580

the mod that were investigating and and

2541

01:45:00,410 --> 01:44:57,300

had radar operations running on uh for

2542

01:45:02,450 --> 01:45:00,420

UFOs and that was in 1990 so I went back

2543

01:45:05,689 --> 01:45:02,460

and I and I found the pages and there it

2544

01:45:08,149 --> 01:45:05,699

was and he also said in there and this

2545

01:45:10,609 --> 01:45:08,159

predates Nick Pope right

2546

01:45:15,530 --> 01:45:10,619

um uh he also said in there that in this

2547

01:45:17,770 --> 01:45:15,540

building that they tracked a UFO

2548

01:45:21,290 --> 01:45:17,780

um on radar

2549

01:45:22,970 --> 01:45:21,300

I believe uh I'll go back I'll I'll

2550

01:45:25,250 --> 01:45:22,980

email you tomorrow

2551
01:45:30,430 --> 01:45:25,260
three days

2552
01:45:33,709 --> 01:45:30,440
yeah

2553
01:45:37,669 --> 01:45:33,719
a traditional plane right is running out

2554
01:45:39,890 --> 01:45:37,679
of gas after after so many hours

2555
01:45:42,109 --> 01:45:39,900
um is going to run out of fuel or

2556
01:45:45,590 --> 01:45:42,119
whatever but this was something that

2557
01:45:48,229 --> 01:45:45,600
went down for three days and so the the

2558
01:45:50,990 --> 01:45:48,239
mod has had a permanently staffed

2559
01:45:53,510 --> 01:45:51,000
building and it's never stopped uh with

2560
01:45:56,810 --> 01:45:53,520
50 people covering this subject and and

2561
01:45:59,689 --> 01:45:56,820
they've been doing it according to uh

2562
01:46:01,970 --> 01:45:59,699
Timothy good for decades oh yeah never

2563
01:46:03,770 --> 01:46:01,980

say they never stopped investigating

2564

01:46:07,729 --> 01:46:03,780

after the first evidence of this stuff

2565

01:46:09,470 --> 01:46:07,739

and and they're still doing it now and

2566

01:46:11,090 --> 01:46:09,480

so we've gotta we've got a very

2567

01:46:13,550 --> 01:46:11,100

established government Insider in

2568

01:46:15,790 --> 01:46:13,560

accidental truth that talks about uh

2569

01:46:19,070 --> 01:46:15,800

sensors picking up UFOs all the time

2570

01:46:20,870 --> 01:46:19,080

huge varieties of them and they've

2571

01:46:24,229 --> 01:46:20,880

they've captured UFOs a mile wide

2572

01:46:26,870 --> 01:46:24,239

according to him and it's routine and so

2573

01:46:29,930 --> 01:46:26,880

you know the just getting closer and

2574

01:46:32,870 --> 01:46:29,940

closer to uh peeling away different

2575

01:46:34,609 --> 01:46:32,880

layers of the onion or you know in in

2576

01:46:37,669 --> 01:46:34,619

accidental truth we try to use an ice

2577

01:46:39,169 --> 01:46:37,679

pick to Chip Away uh more of the statue

2578

01:46:40,609 --> 01:46:39,179

because you know it's time that the

2579

01:46:44,090 --> 01:46:40,619

gloves come off and we do that a little

2580

01:46:45,649 --> 01:46:44,100

bit in the film so um yeah but the

2581

01:46:48,590 --> 01:46:45,659

information that we're getting is the

2582

01:46:50,750 --> 01:46:48,600

information that it's been decided that

2583

01:46:52,910 --> 01:46:50,760

we're gonna get and we're getting it in

2584

01:46:55,070 --> 01:46:52,920

the manner that it's been decided that

2585

01:46:56,870 --> 01:46:55,080

we're gonna get and the people that are

2586

01:46:58,370 --> 01:46:56,880

making those decisions are the same ones

2587

01:47:01,669 --> 01:46:58,380

that we talk about that we we don't know

2588

01:47:03,590 --> 01:47:01,679

who they are Ron I want to thank you for

2589

01:47:05,930 --> 01:47:03,600

everything that you have done and

2590

01:47:08,990 --> 01:47:05,940

contributed uh to our community over the

2591

01:47:11,570 --> 01:47:09,000

decades and you're very tireless in in

2592

01:47:12,950 --> 01:47:11,580

what you do and uh do we have a

2593

01:47:15,830 --> 01:47:12,960

tentative date for the release of the

2594

01:47:18,290 --> 01:47:15,840

film uh supposedly between March 15th

2595

01:47:20,689 --> 01:47:18,300

and the end of March oh so next month

2596

01:47:22,609 --> 01:47:20,699

month and a half yeah yeah it's uh the

2597

01:47:25,370 --> 01:47:22,619

trailers the official trailer will be

2598

01:47:26,890 --> 01:47:25,380

out uh probably next week we're putting

2599

01:47:29,450 --> 01:47:26,900

the finishing touches on it one of the

2600

01:47:31,370 --> 01:47:29,460

same company that made the trailer for

2601

01:47:34,129 --> 01:47:31,380

Maverick is doing the trailer for this

2602

01:47:36,229 --> 01:47:34,139

uh the distributor is kind of going all

2603

01:47:38,689 --> 01:47:36,239

out on it and then

2604

01:47:40,010 --> 01:47:38,699

um yeah it's going to be it's going to

2605

01:47:41,570 --> 01:47:40,020

be interesting when it comes out and

2606

01:47:42,770 --> 01:47:41,580

I've got two and a half months of I

2607

01:47:44,990 --> 01:47:42,780

thought I could take a break when I

2608

01:47:47,450 --> 01:47:45,000

finished the film but forget it I'm not

2609

01:47:49,550 --> 01:47:47,460

I've got to go into marketing mode and

2610

01:47:51,470 --> 01:47:49,560

podcast mode and everything else it's

2611

01:47:55,850 --> 01:47:51,480

gonna be awesome man I'm very excited

2612

01:47:58,850 --> 01:47:55,860

for this and uh it it it's time that uh

2613

01:47:59,870 --> 01:47:58,860

people start uh observing the truth and

2614

01:48:02,570 --> 01:47:59,880

that's what the film was about

2615

01:48:04,370 --> 01:48:02,580

accidental truth thank you so much do

2616

01:48:06,050 --> 01:48:04,380

you have one more second sure you can do

2617

01:48:08,030 --> 01:48:06,060

whatever you want it's your show you

2618

01:48:09,770 --> 01:48:08,040

want to see something funny yeah we're

2619

01:48:12,590 --> 01:48:09,780

like well okay Ron you finished the film

2620

01:48:14,390 --> 01:48:12,600

what are you doing and so you know we're

2621

01:48:16,550 --> 01:48:14,400

all artists right so I'm spending a lot

2622

01:48:18,109 --> 01:48:16,560

of time doing the music but I also I

2623

01:48:20,510 --> 01:48:18,119

used to own a t-shirt printing company

2624

01:48:21,890 --> 01:48:20,520

and and I've wanted to dabble in it

2625

01:48:24,050 --> 01:48:21,900

again so I bought one of those machines

2626

01:48:25,669 --> 01:48:24,060

that prints on t-shirts okay and I have

2627

01:48:28,930 --> 01:48:25,679

I have it set up in my house and I've

2628

01:48:30,950 --> 01:48:28,940

been designing t-shirts so I did a whole

2629

01:48:32,090 --> 01:48:30,960

bunch and I'm not trying to sell

2630

01:48:33,770 --> 01:48:32,100

t-shirts I'm not even going to tell you

2631

01:48:35,450 --> 01:48:33,780

guys where these are but this is one of

2632

01:48:36,950 --> 01:48:35,460

the designs I did

2633

01:48:39,050 --> 01:48:36,960

um

2634

01:48:42,590 --> 01:48:39,060

desert Essentials it's got the Flying

2635

01:48:45,109 --> 01:48:42,600

Saucer drive down there so that's pretty

2636

01:48:47,629 --> 01:48:45,119

cool I want that I want that and then

2637

01:48:49,010 --> 01:48:47,639

this is another one I came up with

2638

01:48:50,990 --> 01:48:49,020

um and I designed these and then I

2639

01:48:55,090 --> 01:48:51,000

actually printed them here at my house

2640

01:48:57,950 --> 01:48:55,100

uh Roswell garage

2641

01:49:00,709 --> 01:48:57,960

dude it's one of my favorites and then I

2642

01:49:03,950 --> 01:49:00,719

I've come up with a line for music I

2643

01:49:07,669 --> 01:49:03,960

actually did some artwork in Ai and I

2644

01:49:10,370 --> 01:49:07,679

came up with a uh a a brand called

2645

01:49:12,470 --> 01:49:10,380

Rockin destiny and then these are like

2646

01:49:14,750 --> 01:49:12,480

really dark haunting musically themed

2647

01:49:17,390 --> 01:49:14,760

t-shirts like this one's called Dance

2648

01:49:20,030 --> 01:49:17,400

the this design was actually created by

2649

01:49:23,090 --> 01:49:20,040

artificial intelligence and I and I I

2650

01:49:24,890 --> 01:49:23,100

fixed it up and put it on the shirt and

2651

01:49:27,950 --> 01:49:24,900

like this one too this is one of my

2652

01:49:31,729 --> 01:49:27,960

favorites I call it one man band it's

2653

01:49:33,470 --> 01:49:31,739

this dude oh that's tasty with with

2654

01:49:35,810 --> 01:49:33,480

skeletons playing yeah yeah yeah yeah

2655

01:49:37,609 --> 01:49:35,820

that's tasty and then of course we have

2656

01:49:40,310 --> 01:49:37,619

The Accidental truth t-shirt which is

2657

01:49:42,290 --> 01:49:40,320

really cool

2658

01:49:43,790 --> 01:49:42,300

and so then one other thing I bought a

2659

01:49:47,870 --> 01:49:43,800

3D printer

2660

01:49:50,510 --> 01:49:47,880

and I am designing I'm designing the uh

2661

01:49:53,030 --> 01:49:50,520

the mufon 55th anniversary sculptures

2662

01:49:55,729 --> 01:49:53,040

and so this is all something I I built

2663

01:49:57,590 --> 01:49:55,739

it in a 3D animation program

2664

01:50:00,229 --> 01:49:57,600

um and have been experimenting with the

2665

01:50:03,530 --> 01:50:00,239

3D printer printing on my I built the

2666

01:50:05,450 --> 01:50:03,540

base and so I am so sick of looking at a

2667

01:50:08,750 --> 01:50:05,460

computer screen and doing video

2668

01:50:11,090 --> 01:50:08,760

production that I've put my show on ice

2669

01:50:13,910 --> 01:50:11,100

and I am you know I'm in my basement

2670

01:50:15,830 --> 01:50:13,920

building models of flying saucers I'll

2671

01:50:18,709 --> 01:50:15,840

get back to the show at some point but I

2672

01:50:20,570 --> 01:50:18,719

need a break man I love it man I

2673

01:50:22,270 --> 01:50:20,580

absolutely love it I want that desert

2674

01:50:25,430 --> 01:50:22,280

shirt

2675

01:50:27,109 --> 01:50:25,440

yeah well I don't have it but uh send it

2676

01:50:28,850 --> 01:50:27,119

to me and I'm going to be out in La next

2677

01:50:30,050 --> 01:50:28,860

week so maybe we can get together yeah

2678

01:50:32,990 --> 01:50:30,060

let's hang out let's hang out let's

2679

01:50:35,090 --> 01:50:33,000

break some bread all right okay Ron

2680

01:50:37,790 --> 01:50:35,100

James thank you so much my friend behave

2681

01:50:39,590 --> 01:50:37,800

be well good luck with the film it's

2682

01:50:40,729 --> 01:50:39,600

going to be amazing and we need it thank

2683

01:50:42,830 --> 01:50:40,739

you so much

2684

01:50:44,689 --> 01:50:42,840

hey so somebody's asking me about the

2685

01:50:46,609 --> 01:50:44,699

the pedestals

2686

01:50:48,950 --> 01:50:46,619

if there's a way that they could reach

2687

01:50:52,270 --> 01:50:48,960

me the 3D printing is a pain in the butt

2688

01:50:58,010 --> 01:50:55,669

well uh it's you you're on Twitter

2689

01:51:00,530 --> 01:50:58,020

you're on Facebook you have your website

2690

01:51:02,450 --> 01:51:00,540

you have move on yeah you can reach me

2691

01:51:04,250 --> 01:51:02,460

through mufon's Facebook page that's an

2692

01:51:07,990 --> 01:51:04,260

easy way to reach it just go to muffon's

2693

01:51:11,990 --> 01:51:08,000

Facebook absolutely that the pedestal

2694

01:51:15,129 --> 01:51:12,000

reminds me of lockheed's facility out

2695

01:51:17,930 --> 01:51:15,139

here where they did all of the radio

2696

01:51:20,870 --> 01:51:17,940

radar uh cross

2697

01:51:23,209 --> 01:51:20,880

uh sensor readings yeah you know what it

2698

01:51:25,370 --> 01:51:23,219

is is it somebody built a model of a

2699

01:51:28,010 --> 01:51:25,380

panel on the Death Star and I thought

2700

01:51:29,870 --> 01:51:28,020

you know this looks kind of like S4 you

2701
01:51:33,050 --> 01:51:29,880
know it looks like some remote place so

2702
01:51:36,410 --> 01:51:33,060
so I did that and then I found a a the

2703
01:51:39,470 --> 01:51:36,420
stand and I actually integrated into one

2704
01:51:42,890 --> 01:51:39,480
piece of 3D it takes a day to print it

2705
01:51:45,830 --> 01:51:42,900
24 hours and it but yeah it's been a

2706
01:51:47,810 --> 01:51:45,840
it's been trial by fire in the uh in the

2707
01:51:49,550 --> 01:51:47,820
3D printing thing and then the Roswell

2708
01:51:52,129 --> 01:51:49,560
Flying Saucer this is this is something

2709
01:51:53,510 --> 01:51:52,139
you can get anywhere and it prints in a

2710
01:51:55,669 --> 01:51:53,520
few pieces

2711
01:51:58,490 --> 01:51:55,679
my girlfriend just came back from from

2712
01:52:01,250 --> 01:51:58,500
the studio in LA and there's flying

2713
01:52:02,450 --> 01:52:01,260

saucer Parts all over the kitchen what

2714

01:52:03,770 --> 01:52:02,460

are you doing you know like well it's

2715

01:52:05,649 --> 01:52:03,780

what happens when you leave me alone for

2716

01:52:09,050 --> 01:52:05,659

too long

2717

01:52:11,270 --> 01:52:09,060

Ron James sorry I'm still not sure about

2718

01:52:14,689 --> 01:52:11,280

that oh wow

2719

01:52:16,430 --> 01:52:14,699

okay oh is that Siri yeah you know I

2720

01:52:19,310 --> 01:52:16,440

don't know what this is but my watch is

2721

01:52:20,930 --> 01:52:19,320

listening to me I was talking to to the

2722

01:52:22,790 --> 01:52:20,940

dog the other day and you know doing

2723

01:52:25,189 --> 01:52:22,800

that pet Taco girl you're just so cute

2724

01:52:29,450 --> 01:52:25,199

you know like that and Siri on my watch

2725

01:52:31,669 --> 01:52:29,460

starts laughing I'm like no this is just

2726
01:52:35,030 --> 01:52:31,679
wrong you know I have I have a smart

2727
01:52:37,729 --> 01:52:35,040
house but I have no I have no Alexa I

2728
01:52:39,709 --> 01:52:37,739
have no listening devices here

2729
01:52:42,770 --> 01:52:39,719
um now that that part kind of freaks me

2730
01:52:44,570 --> 01:52:42,780
out that's why right there Ron be safe

2731
01:52:46,970 --> 01:52:44,580
be well

2732
01:52:49,729 --> 01:52:46,980
um and and stay dry the rain is coming

2733
01:52:51,649 --> 01:52:49,739
your way and uh there you go thank you

2734
01:52:53,030 --> 01:52:51,659
so much I'm headed for Laguna Beach next

2735
01:52:55,490 --> 01:52:53,040
week so I'll be out there hopefully I

2736
01:52:56,870 --> 01:52:55,500
can miss it it'll be dry I'll talk bye

2737
01:52:59,149 --> 01:52:56,880
everybody in the chat room you can find

2738
01:53:01,790 --> 01:52:59,159

me if you want to talk to me I'll see

2739

01:53:04,669 --> 01:53:01,800

you Rod thank you so much Ron James and

2740

01:53:08,649 --> 01:53:04,679

and the links for Ron's new film is uh

2741

01:53:11,450 --> 01:53:08,659

below and uh it's accidental truths

2742

01:53:13,970 --> 01:53:11,460

uh.com the links are below and as soon

2743

01:53:17,570 --> 01:53:13,980

as the trailer hits I will let everybody

2744

01:53:19,850 --> 01:53:17,580

know in social media and of course the

2745

01:53:22,729 --> 01:53:19,860

premiere date too as well I'm Yours

2746

01:53:24,970 --> 01:53:22,739

Jimmy church this is Fade to Black and

2747

01:53:27,950 --> 01:53:24,980

let's see tomorrow night I've got

2748

01:53:31,250 --> 01:53:27,960

Patricia Corey all the way from the

2749

01:53:33,229 --> 01:53:31,260

Azores is going to be with us talking

2750

01:53:35,870 --> 01:53:33,239

about her new book which I have here

2751

01:53:37,970 --> 01:53:35,880

it's called hacking the god code that's

2752

01:53:39,830 --> 01:53:37,980

tomorrow night on Fade to Black Fade to

2753

01:53:42,229 --> 01:53:39,840

Black is produced by Hilton J Palm Renee

2754

01:53:44,390 --> 01:53:42,239

Dennis and Kevin webmaster is through

2755

01:53:46,490 --> 01:53:44,400

the geek music Doug Aldrich intro space

2756

01:53:48,830 --> 01:53:46,500

boy spaceboymusic.com

2757

01:53:49,970 --> 01:53:48,840

paint the black is produced by kjcr for

2758

01:53:52,609 --> 01:53:49,980

the game changer Network and this

2759

01:53:54,290 --> 01:53:52,619

broadcast is owned and copyrighted 2023

2760

01:53:56,390 --> 01:53:54,300

by Fade to Black and The Game Changer

2761

01:53:57,950 --> 01:53:56,400

Network Inc it cannot be rebroadcast

2762

01:53:59,689 --> 01:53:57,960

downloaded copied or used anywhere in

2763

01:54:01,010 --> 01:53:59,699

the known universe without written

2764

01:54:02,570 --> 01:54:01,020

permission from Fade to Black in the

2765

01:54:04,729 --> 01:54:02,580

game changer Network I'm your chimney

2766

01:54:06,770 --> 01:54:04,739

church tomorrow night Patricia Corey

2767

01:54:08,330 --> 01:54:06,780

until then

2768

01:54:11,350 --> 01:54:08,340

save

2769

01:54:23,570 --> 01:54:11,360

go back Lee tappy

2770

01:54:35,910 --> 01:54:24,490

yes
