

# FADE TO BLACK

with JIMMY CHURCH

**PRESENTS**

**PATRICIA CORI**

**'HACKING THE GOD CODE'**

**THUR JAN 12 LIVE**

**7:00 PM PT/10:00PM ET**

1  
00:00:43,030 --> 00:00:38,049

[Music]

2  
00:00:46,310 --> 00:00:43,040

the smoke radio for the masses of July 8

3  
00:00:48,709 --> 00:00:46,320

1947 the Army Air Forces has announced

4  
00:00:50,810 --> 00:00:48,719

that applying disc has been found and is

5  
00:00:53,869 --> 00:00:50,820

now in the possession of the army

6  
00:00:57,650 --> 00:00:53,879

game is rigged change the game game

7  
00:01:01,250 --> 00:00:57,660

changer I occasionally think how quickly

8  
00:01:04,609 --> 00:01:01,260

our difference is worldwide would vanish

9  
00:01:05,870 --> 00:01:04,619

if we were facing an alien threat from

10  
00:01:07,790 --> 00:01:05,880

outside this work

11  
00:01:07,970 --> 00:01:07,800

[Music]

12  
00:01:10,210 --> 00:01:07,980

[Applause]

13  
00:01:13,190 --> 00:01:10,220

[Music]

14

00:01:16,070 --> 00:01:13,200

this is Fade to Black with your host

15

00:01:16,740 --> 00:01:16,080

Jimmy Church on the game changer Radio

16

00:01:20,170 --> 00:01:16,750

Network

17

00:01:26,469 --> 00:01:23,630

all right welcome Fade to Black I'm your

18

00:01:31,010 --> 00:01:26,479

host Jimmy church today is January 12

19

00:01:33,230 --> 00:01:31,020

2023 and tonight Our Guest is Patricia

20

00:01:35,390 --> 00:01:33,240

Corey and we are going to be discussing

21

00:01:37,730 --> 00:01:35,400

her new book which I have here it is

22

00:01:40,910 --> 00:01:37,740

called hacking the god code there is the

23

00:01:43,609 --> 00:01:40,920

cover uh her website and links and

24

00:01:45,590 --> 00:01:43,619

everything are on our website throughout

25

00:01:47,630 --> 00:01:45,600

social media and you can uh certainly

26

00:01:50,389 --> 00:01:47,640

check out stuff in the description box

27

00:01:52,789 --> 00:01:50,399

below and her full bio it's been a while

28

00:01:56,810 --> 00:01:52,799

since uh Patricia has been on the show

29

00:01:59,749 --> 00:01:56,820

she is coming to us live from the Azores

30

00:02:01,370 --> 00:01:59,759

right in the middle of the Atlantic

31

00:02:02,749 --> 00:02:01,380

Ocean and I would like to welcome back

32

00:02:05,270 --> 00:02:02,759

to fade to black my good friend it's

33

00:02:07,850 --> 00:02:05,280

been a while Patricia Corey Patricia how

34

00:02:10,490 --> 00:02:07,860

are you I'm great it's so good to be

35

00:02:13,550 --> 00:02:10,500

with you again a very long while way too

36

00:02:15,589 --> 00:02:13,560

long yes it has it has and I can't

37

00:02:17,990 --> 00:02:15,599

figure out why but

38

00:02:19,850 --> 00:02:18,000

um let's uh before I go you know what

39

00:02:21,229 --> 00:02:19,860

have you been up to well we'll get to

40

00:02:24,710 --> 00:02:21,239

all of that

41

00:02:27,490 --> 00:02:24,720

um I wanted to uh actually start off uh

42

00:02:30,290 --> 00:02:27,500

the show with this uh because the Azores

43

00:02:33,470 --> 00:02:30,300

is something that we'll we'll get to the

44

00:02:35,330 --> 00:02:33,480

book everybody but the Azores has this

45

00:02:38,150 --> 00:02:35,340

audience knows there's something that uh

46

00:02:40,610 --> 00:02:38,160

has come up quite a bit uh over the

47

00:02:43,850 --> 00:02:40,620

years and certainly recently here on the

48

00:02:46,670 --> 00:02:43,860

show uh Fade to Black for a lot of

49

00:02:50,270 --> 00:02:46,680

different reasons and and one of the

50

00:02:53,750 --> 00:02:50,280

things that keeps coming up is

51  
00:02:57,470 --> 00:02:53,760  
um the history there and how it may

52  
00:02:59,650 --> 00:02:57,480  
predate uh you know Orthodox Academia

53  
00:03:03,229 --> 00:02:59,660  
and and what they have to say about

54  
00:03:06,530 --> 00:03:03,239  
civilization in the world and that the

55  
00:03:09,050 --> 00:03:06,540  
Azores may play a more important part to

56  
00:03:14,990 --> 00:03:09,060  
all of that than everyone but he

57  
00:03:18,170 --> 00:03:15,000  
realizes and the focus has been pointed

58  
00:03:21,290 --> 00:03:18,180  
in your direction so I actually wanted

59  
00:03:22,490 --> 00:03:21,300  
to ask you this as a resident there and

60  
00:03:24,710 --> 00:03:22,500  
you've been there for a while you told

61  
00:03:26,210 --> 00:03:24,720  
me earlier this is where I'm at man I'm

62  
00:03:28,729 --> 00:03:26,220  
not leaving

63  
00:03:32,089 --> 00:03:28,739

um what's what's the conversation there

64

00:03:34,610 --> 00:03:32,099

on the islands uh and the importance of

65

00:03:37,970 --> 00:03:34,620

of history in ancient history is this

66

00:03:40,430 --> 00:03:37,980

something that gets talked about

67

00:03:43,270 --> 00:03:40,440

that's a very good question when I talk

68

00:03:47,089 --> 00:03:43,280

to some of the let's say

69

00:03:49,490 --> 00:03:47,099

Elders for lack of a better term their

70

00:03:52,550 --> 00:03:49,500

the the question of Atlantis comes up

71

00:03:54,649 --> 00:03:52,560

when I when I went to recently I went to

72

00:03:58,070 --> 00:03:54,659

the hospital not for myself thank God

73

00:04:02,030 --> 00:03:58,080

and there was this gigantic mural and it

74

00:04:04,490 --> 00:04:02,040

was scenes of pastoral Azores in the

75

00:04:06,110 --> 00:04:04,500

island and then I was sitting there

76  
00:04:08,809 --> 00:04:06,120  
looking at it going what am I looking at

77  
00:04:12,949 --> 00:04:08,819  
this scene of an underwater civilization

78  
00:04:15,589 --> 00:04:12,959  
with Romanesque type columns and statues

79  
00:04:18,050 --> 00:04:15,599  
and and all in a collapse situation as

80  
00:04:22,730 --> 00:04:18,060  
if it were depicting a civilization that

81  
00:04:25,070 --> 00:04:22,740  
had been in the flood and to put it all

82  
00:04:28,670 --> 00:04:25,080  
in perspective we also know that there

83  
00:04:31,189 --> 00:04:28,680  
is a pyramid was discovered off of the

84  
00:04:33,230 --> 00:04:31,199  
island of San Miguel a few years ago by

85  
00:04:35,749 --> 00:04:33,240  
a fisherman who I don't know if you

86  
00:04:38,150 --> 00:04:35,759  
heard about this or not but uh he

87  
00:04:41,330 --> 00:04:38,160  
apparently all the the light was right

88  
00:04:43,550 --> 00:04:41,340

he was in the right place and he saw a

89

00:04:46,010 --> 00:04:43,560

perfect pyramid underwater and then in

90

00:04:48,710 --> 00:04:46,020

the military came in and touched that up

91

00:04:51,230 --> 00:04:48,720

so my personal one of the reasons why

92

00:04:53,210 --> 00:04:51,240

I'm here is I I feel it isn't Atlantean

93

00:04:54,710 --> 00:04:53,220

and it makes sense if you look at the

94

00:04:57,350 --> 00:04:54,720

position of where these islands are

95

00:05:00,409 --> 00:04:57,360

which are which is outside the Straits

96

00:05:04,010 --> 00:05:00,419

of of Gibraltar the pillars of

97

00:05:06,409 --> 00:05:04,020

uh Hercules described by Plato

98

00:05:08,590 --> 00:05:06,419

and if you consider that the North

99

00:05:12,110 --> 00:05:08,600

Atlantic Ridge

100

00:05:14,210 --> 00:05:12,120

goes from pretty much from Greenland all

101  
00:05:17,870 --> 00:05:14,220  
the way down to South America

102  
00:05:20,330 --> 00:05:17,880  
the Azores is situated in that area

103  
00:05:22,670 --> 00:05:20,340  
could very well be that the Azores are

104  
00:05:25,310 --> 00:05:22,680  
part of that Ridge therefore my opinion

105  
00:05:28,010 --> 00:05:25,320  
is and informal books I've written about

106  
00:05:30,529 --> 00:05:28,020  
it that the North Atlantic Ridge is

107  
00:05:33,950 --> 00:05:30,539  
actually the continent of Atlantis and

108  
00:05:37,490 --> 00:05:33,960  
perhaps these islands are points on that

109  
00:05:40,670 --> 00:05:37,500  
remaining uh structure or Breakaway

110  
00:05:43,189 --> 00:05:40,680  
pieces from that but the local people do

111  
00:05:47,050 --> 00:05:43,199  
believe that this is Atlantis

112  
00:05:50,210 --> 00:05:47,060  
and is some of the archeology

113  
00:05:52,610 --> 00:05:50,220

that uh well there's been a lack of

114

00:05:54,590 --> 00:05:52,620

research there too as well and do you

115

00:05:57,490 --> 00:05:54,600

understand what I'm talking about and

116

00:06:02,510 --> 00:05:57,500

and and a and a general lack of funding

117

00:06:04,490 --> 00:06:02,520

but the the stuff that has gone on I

118

00:06:07,610 --> 00:06:04,500

mean to my eyes

119

00:06:09,350 --> 00:06:07,620

shows me something that is man-made it's

120

00:06:10,850 --> 00:06:09,360

not natural I'm talking about some of

121

00:06:13,969 --> 00:06:10,860

the cave structures and the entrances

122

00:06:17,749 --> 00:06:13,979

and and and certainly uh what looks like

123

00:06:21,529 --> 00:06:17,759

a port uh is there too as well

124

00:06:24,170 --> 00:06:21,539

um but it it's been largely ignored and

125

00:06:28,490 --> 00:06:24,180

and that research has been self-funded

126

00:06:30,469 --> 00:06:28,500

only by a handful of people uh when when

127

00:06:33,890 --> 00:06:30,479

do you think we could get the attention

128

00:06:36,490 --> 00:06:33,900

needed you know focused on the Azores so

129

00:06:39,890 --> 00:06:36,500

we can answer some of these questions

130

00:06:45,189 --> 00:06:39,900

beats me I do know I heard from someone

131

00:06:47,350 --> 00:06:45,199

who's a marine biologist that there is a

132

00:06:50,150 --> 00:06:47,360

Atlantean what do they call it Mound

133

00:06:51,950 --> 00:06:50,160

about six hours from where I am they're

134

00:06:54,050 --> 00:06:51,960

calling it the Atlantean Mound and

135

00:06:56,689 --> 00:06:54,060

apparently there are all kinds of

136

00:06:59,930 --> 00:06:56,699

scientists and geologists coming in

137

00:07:02,510 --> 00:06:59,940

because in this underwater Mound they're

138

00:07:04,850 --> 00:07:02,520

finding some very strange minerals it's

139

00:07:06,830 --> 00:07:04,860

very hush hush nobody can seem to get

140

00:07:09,290 --> 00:07:06,840

information about it but we do know

141

00:07:11,749 --> 00:07:09,300

there are Ships coming in exploring this

142

00:07:12,590 --> 00:07:11,759

so you know there are things going on

143

00:07:17,330 --> 00:07:12,600

here

144

00:07:21,110 --> 00:07:17,340

that don't meet the eye and now uh oh I

145

00:07:23,270 --> 00:07:21,120

I do want to mention uh today's you know

146

00:07:27,110 --> 00:07:23,280

kind of a strange day yesterday we lost

147

00:07:29,990 --> 00:07:27,120

you know Jeff Beck uh crushed

148

00:07:32,510 --> 00:07:30,000

um and right before show time tonight uh

149

00:07:36,350 --> 00:07:32,520

uh just a few minutes ago was announced

150

00:07:38,689 --> 00:07:36,360

that Lisa Marie Presley has has died at

151

00:07:41,330 --> 00:07:38,699

the age of 54. she had a heart attack

152

00:07:42,290 --> 00:07:41,340

earlier today yeah and this is breaking

153

00:07:46,790 --> 00:07:42,300

news

154

00:07:52,430 --> 00:07:46,800

and and also today was the release

155

00:07:55,010 --> 00:07:52,440

finally of the UFO UAP report and it uh

156

00:07:56,390 --> 00:07:55,020

the public version of that it has been

157

00:07:59,210 --> 00:07:56,400

released

158

00:08:01,490 --> 00:07:59,220

um but the classified version has

159

00:08:04,070 --> 00:08:01,500

reached Congress this was supposed to

160

00:08:07,010 --> 00:08:04,080

have been released back in October

161

00:08:09,350 --> 00:08:07,020

October 31st on Halloween uh much

162

00:08:12,409 --> 00:08:09,360

delayed but that came out today right

163

00:08:15,230 --> 00:08:12,419

before showtime and I'm still digesting

164

00:08:19,249 --> 00:08:15,240

that and looking at it the reason why I

165

00:08:22,550 --> 00:08:19,259

bring the UFO report up is that when you

166

00:08:26,869 --> 00:08:22,560

when you're uh at a place like the

167

00:08:29,210 --> 00:08:26,879

Azores it gives you an opportunity to

168

00:08:30,469 --> 00:08:29,220

observe the world from another

169

00:08:34,190 --> 00:08:30,479

perspective

170

00:08:37,190 --> 00:08:34,200

and you've been writing about Elites and

171

00:08:39,589 --> 00:08:37,200

Global control for a very long time but

172

00:08:41,389 --> 00:08:39,599

you've got a very unique perspective you

173

00:08:43,670 --> 00:08:41,399

know from the aidsors where you can look

174

00:08:48,590 --> 00:08:43,680

out at the world and see the ebb and

175

00:08:51,290 --> 00:08:48,600

flow of of this control right

176  
00:08:53,449 --> 00:08:51,300  
you know it's really amazing I'm sort of

177  
00:08:58,490 --> 00:08:53,459  
in this paradise

178  
00:09:00,350 --> 00:08:58,500  
uh almost utopic isolation even though

179  
00:09:02,329 --> 00:09:00,360  
I'm very involved very aware of what's

180  
00:09:05,150 --> 00:09:02,339  
going on it's like you know over here is

181  
00:09:07,970 --> 00:09:05,160  
America over here's Europe and here we

182  
00:09:09,530 --> 00:09:07,980  
are sitting out here in sort of a

183  
00:09:13,009 --> 00:09:09,540  
vulnerable position considering the

184  
00:09:14,750 --> 00:09:13,019  
weather patterns but yeah it's a uh it's

185  
00:09:17,509 --> 00:09:14,760  
it's almost like being back in time

186  
00:09:22,250 --> 00:09:17,519  
which suits me very well

187  
00:09:22,850 --> 00:09:22,260  
uh a simpler life a simpler time people

188  
00:09:25,190 --> 00:09:22,860

um

189

00:09:27,889 --> 00:09:25,200

they're very family oriented there's one

190

00:09:31,150 --> 00:09:27,899

religion here there's there's no

191

00:09:34,910 --> 00:09:31,160

craziness it hasn't reached us or or

192

00:09:36,590 --> 00:09:34,920

it's an Escapist situation for me it's

193

00:09:39,710 --> 00:09:36,600

one of the reasons why I'll be here

194

00:09:42,769 --> 00:09:39,720

probably until I I pass over to the

195

00:09:45,829 --> 00:09:42,779

green pasture Beyond because I'm lying

196

00:09:49,250 --> 00:09:45,839

I'm loving being an observer of what's

197

00:09:51,350 --> 00:09:49,260

taking place and uh but not enmeshed in

198

00:09:53,590 --> 00:09:51,360

it you know I'm I'm so far removed I've

199

00:09:56,750 --> 00:09:53,600

been out of the United States since

200

00:09:58,550 --> 00:09:56,760

1983. I moved to Italy which is of

201  
00:10:01,070 --> 00:09:58,560  
course I'm I'm Italian so I moved to

202  
00:10:02,990 --> 00:10:01,080  
Italy to find my real roots and ended up

203  
00:10:05,690 --> 00:10:03,000  
spending half of my life in Italy half

204  
00:10:08,509 --> 00:10:05,700  
in America and then I came to the island

205  
00:10:10,910 --> 00:10:08,519  
and uh looks like this is where I will

206  
00:10:12,290 --> 00:10:10,920  
finish out my life I don't I shouldn't

207  
00:10:15,050 --> 00:10:12,300  
keep saying that I don't intend to be

208  
00:10:18,829 --> 00:10:15,060  
leaving anytime soon and you're not and

209  
00:10:21,410 --> 00:10:18,839  
you're not but but here's uh where we're

210  
00:10:26,150 --> 00:10:21,420  
gonna start to get into the book in that

211  
00:10:31,610 --> 00:10:26,160  
you've been writing about uh changes and

212  
00:10:34,490 --> 00:10:31,620  
and control and trying to expose the

213  
00:10:37,970 --> 00:10:34,500

minds of so many to what may or may not

214

00:10:41,870 --> 00:10:37,980

be going on and and to be aware and also

215

00:10:45,730 --> 00:10:41,880

about personal development and and here

216

00:10:48,350 --> 00:10:45,740

we go uh since probably

217

00:10:52,490 --> 00:10:48,360

halfway through the 20 teens you know

218

00:10:56,150 --> 00:10:52,500

2015 and forward great changes uh have

219

00:10:58,670 --> 00:10:56,160

been happening uh all around us and this

220

00:11:02,030 --> 00:10:58,680

is uh in a large part would you have

221

00:11:05,569 --> 00:11:02,040

been writing about and to see some of

222

00:11:07,310 --> 00:11:05,579

these things start to go into reality

223

00:11:09,829 --> 00:11:07,320

and real time

224

00:11:13,790 --> 00:11:09,839

it's an opportunity for you to say well

225

00:11:15,530 --> 00:11:13,800

I told you so but it's another situation

226

00:11:18,410 --> 00:11:15,540

where you can say to yourself I'm a

227

00:11:20,449 --> 00:11:18,420

little surprised I I thought this could

228

00:11:23,150 --> 00:11:20,459

happen but I didn't think it would

229

00:11:25,430 --> 00:11:23,160

happen has that crossed your mind

230

00:11:28,130 --> 00:11:25,440

no because I've always thought it was

231

00:11:29,930 --> 00:11:28,140

going to happen you say I am almost I'd

232

00:11:32,810 --> 00:11:29,940

say probably a contemporary with David

233

00:11:34,310 --> 00:11:32,820

Ike we were both coming out at the same

234

00:11:37,190 --> 00:11:34,320

time I mean he just had a bigger

235

00:11:40,310 --> 00:11:37,200

audience and a bigger voice but we were

236

00:11:43,910 --> 00:11:40,320

pretty contemporary back in the 90s my

237

00:11:47,030 --> 00:11:43,920

first book came out in 96 or 97 97 I

238

00:11:49,009 --> 00:11:47,040

think the cosmos of Seoul and it was a

239

00:11:51,110 --> 00:11:49,019

forecast I mean I was talking about the

240

00:11:52,790 --> 00:11:51,120

New World Order then I was one of the

241

00:11:55,069 --> 00:11:52,800

first people to talk about the trails

242

00:11:58,670 --> 00:11:55,079

one of the first I think the one of the

243

00:11:59,509 --> 00:11:58,680

first people to talk about heart and so

244

00:12:01,730 --> 00:11:59,519

um

245

00:12:04,550 --> 00:12:01,740

when it started to unfold I went well

246

00:12:07,310 --> 00:12:04,560

okay here it is it's plain as day

247

00:12:09,910 --> 00:12:07,320

but I've always been a rebel and I've

248

00:12:13,850 --> 00:12:09,920

always been on The Cutting Edge

249

00:12:15,170 --> 00:12:13,860

of a group think what's going on and so

250

00:12:19,009 --> 00:12:15,180

now

251

00:12:21,949 --> 00:12:19,019

when I see all of this uh

252

00:12:24,170 --> 00:12:21,959

new thought kind of environment I'm

253

00:12:26,449 --> 00:12:24,180

looking at it going it's not new thought

254

00:12:28,790 --> 00:12:26,459

it's it's been around just people are

255

00:12:30,710 --> 00:12:28,800

just lots of people are waking up now

256

00:12:33,530 --> 00:12:30,720

and they're waking up with a bang

257

00:12:35,930 --> 00:12:33,540

because what's available now compared to

258

00:12:38,269 --> 00:12:35,940

what was available then is it's it's

259

00:12:41,090 --> 00:12:38,279

remarkable how much information is

260

00:12:44,269 --> 00:12:41,100

available to us and I also think in your

261

00:12:47,329 --> 00:12:44,279

camp that we are on the absolute verge

262

00:12:49,610 --> 00:12:47,339

of disclosure which is talk about a new

263

00:12:52,069 --> 00:12:49,620

paradigm because no matter how many of

264

00:12:53,930 --> 00:12:52,079

us uh understand it and and believe it

265

00:12:56,389 --> 00:12:53,940

and have researched it it's another

266

00:12:58,610 --> 00:12:56,399

thing when it's finally brought to us

267

00:13:00,550 --> 00:12:58,620

with beings I think we're going to see

268

00:13:05,329 --> 00:13:00,560

this very soon

269

00:13:08,210 --> 00:13:05,339

it's a that's the part of reality that

270

00:13:11,629 --> 00:13:08,220

uh to me right now is is so tangible

271

00:13:14,569 --> 00:13:11,639

right where before it was it was off in

272

00:13:16,069 --> 00:13:14,579

the distance and it was a hope right

273

00:13:19,670 --> 00:13:16,079

right it was a dream

274

00:13:22,970 --> 00:13:19,680

but now this this thing you can like

275

00:13:25,009 --> 00:13:22,980

reach out and and and feel it for the

276

00:13:28,370 --> 00:13:25,019

for the very first time like this report

277

00:13:32,690 --> 00:13:28,380

that was finally released today to have

278

00:13:36,050 --> 00:13:32,700

UFOs and and uaps discussed in the

279

00:13:37,550 --> 00:13:36,060

Beltway of Washington DC like this

280

00:13:39,949 --> 00:13:37,560

um and here's the other part with that

281

00:13:46,790 --> 00:13:39,959

though Patricia

282

00:13:48,050 --> 00:13:46,800

um your writing your books has been our

283

00:13:50,329 --> 00:13:48,060

world

284

00:13:53,210 --> 00:13:50,339

right this is stuff that we you and I

285

00:13:55,550 --> 00:13:53,220

and our community we discuss right but

286

00:13:59,090 --> 00:13:55,560

it was like our little secret our little

287

00:14:05,870 --> 00:13:59,100

thing it's a I I I'm not as comfortable

288

00:14:08,329 --> 00:14:07,129

strange this was

289

00:14:10,910 --> 00:14:08,339

worth a thing

290

00:14:14,449 --> 00:14:10,920

but the reality of it because of the

291

00:14:17,449 --> 00:14:14,459

internet and Ai and and the pandemic and

292

00:14:19,250 --> 00:14:17,459

all kinds of other uh conspiracies and

293

00:14:21,829 --> 00:14:19,260

and ideas that have been put forth the

294

00:14:24,410 --> 00:14:21,839

world is talking about our private

295

00:14:26,930 --> 00:14:24,420

little thing that that we just held

296

00:14:29,030 --> 00:14:26,940

close to us are you comfortable with

297

00:14:31,190 --> 00:14:29,040

that with everybody discussing these

298

00:14:33,110 --> 00:14:31,200

things uh out in the open

299

00:14:35,389 --> 00:14:33,120

well yeah that's a very good question

300

00:14:38,269 --> 00:14:35,399

the thing is that

301

00:14:40,129 --> 00:14:38,279

there's this I told you not I Told You

302

00:14:42,470 --> 00:14:40,139

So is there's this I knew it all along

303

00:14:46,850 --> 00:14:42,480

Vibe going on and you know we've been

304

00:14:49,189 --> 00:14:46,860

doing the hard work beating down the uh

305

00:14:52,370 --> 00:14:49,199

conservative thought for all these years

306

00:14:54,769 --> 00:14:52,380

it's like it's like now oh oh it's it's

307

00:14:57,530 --> 00:14:54,779

in fashion now I get it and it's a

308

00:14:59,150 --> 00:14:57,540

little bit hard to digest because you

309

00:15:01,370 --> 00:14:59,160

know it's taken so much I mean my life

310

00:15:03,829 --> 00:15:01,380

has been dedicated to the revelation of

311

00:15:05,269 --> 00:15:03,839

all this information like yours so now

312

00:15:07,189 --> 00:15:05,279

you've got people that have been awake a

313

00:15:09,410 --> 00:15:07,199

year and it's like oh we already knew

314

00:15:11,509 --> 00:15:09,420

that oh we know that it's like well yeah

315

00:15:16,210 --> 00:15:11,519

but some of us old timers here have been

316

00:15:19,069 --> 00:15:16,220

working away at breaking down this wall

317

00:15:22,670 --> 00:15:19,079

yeah yeah you haven't done nothing we've

318

00:15:23,990 --> 00:15:22,680

been at this for you know and and it's

319

00:15:28,910 --> 00:15:24,000

really

320

00:15:31,490 --> 00:15:28,920

get into some substance here

321

00:15:34,689 --> 00:15:31,500

it is my belief

322

00:15:37,970 --> 00:15:34,699

that in 1995

323

00:15:40,670 --> 00:15:37,980

thereabouts AOL okay well I'm gonna

324

00:15:43,910 --> 00:15:40,680

start there uh you remember the buddy

325

00:15:46,910 --> 00:15:43,920

list you know in AOL and and and all of

326

00:15:49,189 --> 00:15:46,920

that that it was a great idea the

327

00:15:50,689 --> 00:15:49,199

internet opening up these things and

328

00:15:52,009 --> 00:15:50,699

connecting with people around the world

329

00:15:54,590 --> 00:15:52,019

it was great

330

00:15:58,370 --> 00:15:54,600

but I don't think that the creators of

331

00:16:01,069 --> 00:15:58,380

that technology understood

332

00:16:04,670 --> 00:16:01,079

um The Human Condition emotions and

333

00:16:08,150 --> 00:16:04,680

Minds what started off as a pretty cool

334

00:16:13,370 --> 00:16:08,160

idea uh turned into what it is today

335

00:16:17,769 --> 00:16:13,380

this social media bot driven AI world of

336

00:16:20,990 --> 00:16:17,779

controlling the Mind globally and that's

337

00:16:24,530 --> 00:16:21,000

I don't think that we understood what we

338

00:16:26,810 --> 00:16:24,540

had created and we never Managed IT and

339

00:16:30,350 --> 00:16:26,820

now there are people

340

00:16:33,710 --> 00:16:30,360

that want to have that power from this

341

00:16:36,050 --> 00:16:33,720

and to have Global change in nanoseconds

342

00:16:38,210 --> 00:16:36,060

the creators of the internet weren't

343

00:16:40,310 --> 00:16:38,220

thinking about that were they

344

00:16:42,769 --> 00:16:40,320

well it depends who we believe the

345

00:16:44,389 --> 00:16:42,779

creators of the internet were ah there

346

00:16:46,430 --> 00:16:44,399

you go Patricia

347

00:16:51,590 --> 00:16:46,440

because you know we've got the cover

348

00:16:55,370 --> 00:16:53,689

I personally think that it was a it was

349

00:16:58,249 --> 00:16:55,380

planted by DARPA

350

00:17:01,610 --> 00:16:58,259

so or other some other let's say

351  
00:17:04,069 --> 00:17:01,620  
military branch of the government that

352  
00:17:06,409 --> 00:17:04,079  
deliberately wanted us to take this warp

353  
00:17:09,650 --> 00:17:06,419  
out I mean let's face it we know that

354  
00:17:13,490 --> 00:17:09,660  
that the plans of where humanity is

355  
00:17:16,130 --> 00:17:13,500  
being driven are not being developed by

356  
00:17:19,370 --> 00:17:16,140  
the hour there are decades and Decades

357  
00:17:21,710 --> 00:17:19,380  
of planning here so if we're here now I

358  
00:17:22,850 --> 00:17:21,720  
don't believe that some arbitrary dudes

359  
00:17:25,069 --> 00:17:22,860  
that

360  
00:17:26,689 --> 00:17:25,079  
um oh I've got an idea here let's see

361  
00:17:29,750 --> 00:17:26,699  
how this will work out I I think that

362  
00:17:32,690 --> 00:17:29,760  
the makers the creators of this new darn

363  
00:17:36,049 --> 00:17:32,700

well what they were doing and that we've

364

00:17:37,330 --> 00:17:36,059

got military here are you surprised

365

00:17:41,289 --> 00:17:37,340

about

366

00:17:45,230 --> 00:17:41,299

how social media has so effectively

367

00:17:50,330 --> 00:17:45,240

divided not only the masses but families

368

00:17:51,850 --> 00:17:50,340

friends right children siblings uh the

369

00:17:54,289 --> 00:17:51,860

the the

370

00:17:57,230 --> 00:17:54,299

divisiveness talk about something being

371

00:18:00,470 --> 00:17:57,240

tangible it's right there

372

00:18:01,669 --> 00:18:00,480

no I'm not surprised because and and I

373

00:18:04,610 --> 00:18:01,679

know we're going to talk about the book

374

00:18:06,289 --> 00:18:04,620

soon but you know the I bring forward in

375

00:18:09,529 --> 00:18:06,299

the book the discussion of Television

376

00:18:10,549 --> 00:18:09,539

which was a precursor to where we are

377

00:18:14,450 --> 00:18:10,559

now

378

00:18:17,810 --> 00:18:14,460

turning people into very not robotics

379

00:18:21,250 --> 00:18:17,820

yet we're at the robotic stage now but

380

00:18:24,010 --> 00:18:21,260

this hypnotic attraction to this

381

00:18:26,810 --> 00:18:24,020

purveyor of uh

382

00:18:28,610 --> 00:18:26,820

entertainment and information

383

00:18:31,909 --> 00:18:28,620

I can't believe I just did that I hate

384

00:18:34,390 --> 00:18:31,919

that gesture I do too I I pull my arms

385

00:18:37,730 --> 00:18:34,400

back every time

386

00:18:40,850 --> 00:18:37,740

and and that you know I remember I was I

387

00:18:43,730 --> 00:18:40,860

was a kid with the TV first came out I

388

00:18:45,169 --> 00:18:43,740

was a child I mean I was born in the 50s

389

00:18:47,510 --> 00:18:45,179

so

390

00:18:50,029 --> 00:18:47,520

uh to see where we are now from there

391

00:18:51,470 --> 00:18:50,039

it's such an obvious progression first

392

00:18:53,029 --> 00:18:51,480

you got them hypnotized on the

393

00:18:55,070 --> 00:18:53,039

television then you got them hooked on

394

00:18:59,390 --> 00:18:55,080

the computer screen then you got brought

395

00:19:01,789 --> 00:18:59,400

in the internet and the cell phone and

396

00:19:05,750 --> 00:19:01,799

it's just this this very planned

397

00:19:09,370 --> 00:19:05,760

organized progression whereby Humanity

398

00:19:13,610 --> 00:19:09,380

slowly loses interaction

399

00:19:18,610 --> 00:19:13,620

dialogue uh person to person experience

400

00:19:21,230 --> 00:19:18,620

and becomes the subject of the screen

401

00:19:24,409 --> 00:19:21,240

this is a perfect setup for this

402

00:19:27,049 --> 00:19:24,419

question see see how I do it Patricia

403

00:19:30,650 --> 00:19:27,059

you see how I do it I set it up you're

404

00:19:35,350 --> 00:19:30,660

good what tell us about the title for

405

00:19:41,810 --> 00:19:39,950

so we are now in and you've set me up

406

00:19:44,450 --> 00:19:41,820

for the answer

407

00:19:46,310 --> 00:19:44,460

in this state where we are progressing

408

00:19:48,110 --> 00:19:46,320

through all these phases the cell phone

409

00:19:52,669 --> 00:19:48,120

being a big big one

410

00:19:56,150 --> 00:19:52,679

to the marching to the transhumanist

411

00:20:00,470 --> 00:19:56,160

drum we're at a very very dangerous

412

00:20:04,430 --> 00:20:00,480

point where humanity is being taken to a

413

00:20:08,210 --> 00:20:04,440

place where cyborg is no longer a Star

414

00:20:11,409 --> 00:20:08,220

Trek fantasy we are seeing that they're

415

00:20:15,830 --> 00:20:11,419

pushing it they're telling us openly

416

00:20:18,470 --> 00:20:15,840

that we are as biological units we're

417

00:20:21,710 --> 00:20:18,480

outdated Yuval Harare of the world

418

00:20:24,650 --> 00:20:21,720

economic Forum has a video out and not

419

00:20:28,130 --> 00:20:24,660

one but many where he openly discusses

420

00:20:30,770 --> 00:20:28,140

the fact that human 1.0 that

421

00:20:33,409 --> 00:20:30,780

affectionately call us are obsolete or

422

00:20:36,049 --> 00:20:33,419

obsolete they can do better we can be

423

00:20:37,310 --> 00:20:36,059

better they know how to hack

424

00:20:41,870 --> 00:20:37,320

human

425

00:20:44,390 --> 00:20:41,880

the hackable animals

426  
00:20:48,169 --> 00:20:44,400  
and we have the technology he said now

427  
00:20:49,490 --> 00:20:48,179  
to improve upon human 1.0 and that's

428  
00:20:52,370 --> 00:20:49,500  
where we're going that's where we're

429  
00:20:54,770 --> 00:20:52,380  
taking civilization we want to create

430  
00:20:58,730 --> 00:20:54,780  
I'm watching this going on I'm not

431  
00:21:01,190 --> 00:20:58,740  
hearing this human 2.0 the new improved

432  
00:21:03,230 --> 00:21:01,200  
model where we will be monitored

433  
00:21:05,630 --> 00:21:03,240  
internally externally we'll have

434  
00:21:07,789 --> 00:21:05,640  
wearables we'll have pills that we

435  
00:21:12,590 --> 00:21:07,799  
swallow that are monitoring all of our

436  
00:21:13,430 --> 00:21:12,600  
biology all of our body systems and of

437  
00:21:16,570 --> 00:21:13,440  
course

438  
00:21:20,930 --> 00:21:16,580

we've got computers

439

00:21:23,510 --> 00:21:20,940

neural link with um our friend Musk

440

00:21:26,330 --> 00:21:23,520

I have mixed emotions about him we're

441

00:21:28,669 --> 00:21:26,340

gonna swing we're gonna swing back to uh

442

00:21:33,230 --> 00:21:28,679

that very important Point here uh later

443

00:21:37,070 --> 00:21:33,240

on in the show I I did every every show

444

00:21:40,250 --> 00:21:37,080

I do a fader fact right I do a fact and

445

00:21:43,430 --> 00:21:40,260

uh a few months ago

446

00:21:45,950 --> 00:21:43,440

um I I did a fader fact and I vetted

447

00:21:48,409 --> 00:21:45,960

this and well I bet all of them I don't

448

00:21:51,830 --> 00:21:48,419

want to give a bad information out but

449

00:21:55,990 --> 00:21:51,840

the fatter fact was uh I forget the

450

00:22:01,190 --> 00:21:56,000

percentage but it's something like

451  
00:22:06,409 --> 00:22:01,200  
half of the children born today

452  
00:22:10,390 --> 00:22:06,419  
learn how to operate an iPad before they

453  
00:22:12,950 --> 00:22:10,400  
can say the words mommy or daddy

454  
00:22:16,610 --> 00:22:12,960  
you know and you just stop right there

455  
00:22:17,750 --> 00:22:16,620  
and you just see absorb that for a

456  
00:22:20,690 --> 00:22:17,760  
second

457  
00:22:24,590 --> 00:22:20,700  
right and now talk about altering DNA

458  
00:22:28,730 --> 00:22:24,600  
and moving from two or 1.0 to 2.0

459  
00:22:31,490 --> 00:22:28,740  
and to have that as as as a fact of

460  
00:22:32,930 --> 00:22:31,500  
where we are today I think that's a

461  
00:22:38,750 --> 00:22:32,940  
concern

462  
00:22:39,710 --> 00:22:38,760  
it's an urgent crisis let's just add to

463  
00:22:41,630 --> 00:22:39,720

that that they're not going to be

464

00:22:43,190 --> 00:22:41,640

allowed to say mommy and daddy anymore

465

00:22:44,930 --> 00:22:43,200

either

466

00:22:49,390 --> 00:22:44,940

and that that

467

00:22:51,529 --> 00:22:49,400

uh language mutation

468

00:22:55,490 --> 00:22:51,539

political correctness whatever you want

469

00:22:59,270 --> 00:22:55,500

to call that change of language is part

470

00:23:02,149 --> 00:22:59,280

of this agenda because you want to

471

00:23:04,250 --> 00:23:02,159

remove emotion from the language you

472

00:23:08,029 --> 00:23:04,260

want to move remove

473

00:23:09,890 --> 00:23:08,039

uh human identity with the language so

474

00:23:15,310 --> 00:23:09,900

that people can become more easily

475

00:23:18,710 --> 00:23:15,320

merged into the cold sterility of

476

00:23:21,409 --> 00:23:18,720

gorglandia and I mean this is a very

477

00:23:24,649 --> 00:23:21,419

real thing when you talk about us being

478

00:23:26,630 --> 00:23:24,659

hooked up to all the software to AI to

479

00:23:29,330 --> 00:23:26,640

the great Computer Central we're talking

480

00:23:31,490 --> 00:23:29,340

cyborgs here

481

00:23:33,770 --> 00:23:31,500

um I want to post this up really quick

482

00:23:34,970 --> 00:23:33,780

because this is I I don't do this often

483

00:23:37,610 --> 00:23:34,980

but I'm going to do this now because

484

00:23:40,370 --> 00:23:37,620

it's very important

485

00:23:44,570 --> 00:23:40,380

um Susan just said what is transhumanism

486

00:23:47,990 --> 00:23:44,580

and it it's a word that I think in

487

00:23:52,010 --> 00:23:48,000

intellectual circles is bandied about it

488

00:23:55,549 --> 00:23:52,020

a little bit too freely and it's uh it's

489

00:23:58,490 --> 00:23:55,559

it's in a very important discussion of

490

00:24:01,310 --> 00:23:58,500

of where we are and where we are moving

491

00:24:03,470 --> 00:24:01,320

towards but so many hear the word and

492

00:24:07,270 --> 00:24:03,480

and don't understand it's it's true

493

00:24:10,730 --> 00:24:07,280

definition what is true uh transhumanism

494

00:24:13,909 --> 00:24:10,740

transhumanism puts simply is the

495

00:24:17,049 --> 00:24:13,919

movement of altering human beings and

496

00:24:20,529 --> 00:24:17,059

merging us with technology

497

00:24:23,750 --> 00:24:20,539

transforming the human biological unit

498

00:24:27,289 --> 00:24:23,760

and therefore Society the whole species

499

00:24:28,330 --> 00:24:27,299

into a new species and it's a species

500

00:24:31,549 --> 00:24:28,340

that is

501  
00:24:34,970 --> 00:24:31,559  
hooked up hooked up directly to

502  
00:24:38,570 --> 00:24:34,980  
artificial intelligence by means of like

503  
00:24:44,590 --> 00:24:38,580  
I said wearable monitors

504  
00:24:49,549 --> 00:24:47,570  
musk's program the neurolink program

505  
00:24:52,570 --> 00:24:49,559  
which you said we'll get into it's not

506  
00:24:55,549 --> 00:24:52,580  
even just a chip it's an entire computer

507  
00:24:59,450 --> 00:24:55,559  
that he wants to screw into your brain

508  
00:25:01,430 --> 00:24:59,460  
yeah it is an actual implant and here

509  
00:25:03,289 --> 00:25:01,440  
okay so let's talk about musk for a

510  
00:25:04,850 --> 00:25:03,299  
second

511  
00:25:09,169 --> 00:25:04,860  
um Elon

512  
00:25:10,610 --> 00:25:09,179  
one of his most quoted quotes from a few

513  
00:25:14,690 --> 00:25:10,620

years ago

514

00:25:17,450 --> 00:25:14,700

uh was that AI was more dangerous than

515

00:25:21,049 --> 00:25:17,460

nuclear weapons right and it should be a

516

00:25:24,769 --> 00:25:21,059

huge concern of ours and the sense that

517

00:25:27,950 --> 00:25:24,779

statement from him he has moved along to

518

00:25:29,930 --> 00:25:27,960

he has built an android robot that

519

00:25:33,710 --> 00:25:29,940

they're going to be selling

520

00:25:37,490 --> 00:25:33,720

um he's got neural link uh he now owns

521

00:25:41,690 --> 00:25:37,500

uh Twitter the most bot driven AI piece

522

00:25:44,810 --> 00:25:41,700

of software on the planet uh he's got a

523

00:25:48,049 --> 00:25:44,820

starlink uh Satellites with the internet

524

00:25:50,090 --> 00:25:48,059

on it and he's got self-driving cars it

525

00:25:53,990 --> 00:25:50,100

seems like he's got all the pieces in

526

00:25:56,570 --> 00:25:54,000

play for a pretty severe move

527

00:25:58,669 --> 00:25:56,580

yeah and so it's quite ironic that he

528

00:26:01,250 --> 00:25:58,679

came out with the statement that Ai and

529

00:26:02,990 --> 00:26:01,260

he said it recently again a i is the

530

00:26:05,470 --> 00:26:03,000

ultimate danger for civilization and

531

00:26:08,570 --> 00:26:05,480

he's at the hill

532

00:26:11,750 --> 00:26:08,580

everybody's loving on on musk and here

533

00:26:14,330 --> 00:26:11,760

I'm not here to do politics but

534

00:26:15,769 --> 00:26:14,340

when everybody started waxing a fused on

535

00:26:18,289 --> 00:26:15,779

him because he was taking over Twitter

536

00:26:20,390 --> 00:26:18,299

and he was gonna release some of the

537

00:26:23,930 --> 00:26:20,400

holds against people I was like yeah but

538

00:26:26,450 --> 00:26:23,940

there's a small matter of the major AI

539

00:26:28,310 --> 00:26:26,460

thrust this man is is putting on society

540

00:26:30,710 --> 00:26:28,320

hold it hello

541

00:26:33,409 --> 00:26:30,720

and that we need to just check out

542

00:26:35,450 --> 00:26:33,419

before we go loving on this person too

543

00:26:38,630 --> 00:26:35,460

much he's I think he's um

544

00:26:42,350 --> 00:26:38,640

he's a very big player how he became

545

00:26:43,970 --> 00:26:42,360

such a Monumental wealthy being is

546

00:26:46,970 --> 00:26:43,980

another question and having all the

547

00:26:48,590 --> 00:26:46,980

power to do what he does and you know he

548

00:26:50,510 --> 00:26:48,600

also said

549

00:26:53,450 --> 00:26:50,520

who knows maybe I'm already hooked up

550

00:26:55,070 --> 00:26:53,460

when he was talking about neural link he

551  
00:26:56,450 --> 00:26:55,080  
said you know you can wear it you could

552  
00:26:58,130 --> 00:26:56,460  
barely you don't even have to see it who

553  
00:27:01,430 --> 00:26:58,140  
knows I may even already be hooked up

554  
00:27:03,470 --> 00:27:01,440  
and put his his gesture to his hand

555  
00:27:06,169 --> 00:27:03,480  
behind his head and I thought yes maybe

556  
00:27:08,930 --> 00:27:06,179  
you are already hooked up and that's

557  
00:27:11,450 --> 00:27:08,940  
where all the genius is coming from if

558  
00:27:14,330 --> 00:27:11,460  
you're not a walk-in or an alien yeah

559  
00:27:18,590 --> 00:27:14,340  
right right right right and

560  
00:27:20,570 --> 00:27:18,600  
um that it it he's kind of like uh he's

561  
00:27:23,390 --> 00:27:20,580  
a walking Paradox for a lot of people

562  
00:27:26,090 --> 00:27:23,400  
including myself in that you have to

563  
00:27:30,409 --> 00:27:26,100

admire somebody that has achieved things

564

00:27:33,289 --> 00:27:30,419

like he has and to be putting rockets in

565

00:27:36,409 --> 00:27:33,299

space when our own country seems to be

566

00:27:39,110 --> 00:27:36,419

failing at it and and it you know took a

567

00:27:41,390 --> 00:27:39,120

private Corporation to to make these

568

00:27:43,610 --> 00:27:41,400

advances and Landing a rocket back on

569

00:27:45,649 --> 00:27:43,620

Earth you know that's a pretty cool

570

00:27:47,210 --> 00:27:45,659

thing to watch I've seen it it's it's

571

00:27:49,669 --> 00:27:47,220

pretty cool

572

00:27:52,130 --> 00:27:49,679

um so we have that and Tesla and the

573

00:27:55,090 --> 00:27:52,140

cars the battery I you have to stop and

574

00:28:00,890 --> 00:27:55,100

admire and then there's the other part

575

00:28:03,529 --> 00:28:00,900

where uh neuralink and Ai and and the

576

00:28:05,810 --> 00:28:03,539

acquisition of Twitter you start to look

577

00:28:07,070 --> 00:28:05,820

at the pieces of of the puzzle and you

578

00:28:09,830 --> 00:28:07,080

have to step back and go what's really

579

00:28:11,870 --> 00:28:09,840

going on here so he is kind of a paradox

580

00:28:15,590 --> 00:28:11,880

because there are people that admire him

581

00:28:18,710 --> 00:28:15,600

and then those same people are certainly

582

00:28:21,110 --> 00:28:18,720

concerned with AI and and what it

583

00:28:23,570 --> 00:28:21,120

presents uh to the rest of the world but

584

00:28:25,070 --> 00:28:23,580

with Elon you've got both

585

00:28:27,230 --> 00:28:25,080

but a lot of the people that are doing

586

00:28:29,630 --> 00:28:27,240

the admiring are only going skin deep

587

00:28:31,850 --> 00:28:29,640

and that is he made the big brouhaha

588

00:28:33,350 --> 00:28:31,860

over

589

00:28:35,870 --> 00:28:33,360

um Twitter

590

00:28:39,710 --> 00:28:35,880

and they don't even know that he's put

591

00:28:42,289 --> 00:28:39,720

this chip into this pig several monkeys

592

00:28:45,409 --> 00:28:42,299

died he's got this chip in this pig I've

593

00:28:49,010 --> 00:28:45,419

seen a a very distressing video where he

594

00:28:50,090 --> 00:28:49,020

and some geek are playing with this poor

595

00:28:54,190 --> 00:28:50,100

animal

596

00:28:57,470 --> 00:28:54,200

jerking yeah

597

00:28:59,450 --> 00:28:57,480

and you know he openly said that it's

598

00:29:02,269 --> 00:28:59,460

time to to do the to do the testing on

599

00:29:05,029 --> 00:29:02,279

humans now it was programmed for 2023

600

00:29:07,850 --> 00:29:05,039

and hello here we are and when I wrote

601  
00:29:10,370 --> 00:29:07,860  
the book I I wrote and talked about that

602  
00:29:13,010 --> 00:29:10,380  
and I said it's for 2023 and I wrote it

603  
00:29:15,830 --> 00:29:13,020  
in 2022 and I said here we are we're

604  
00:29:19,549 --> 00:29:15,840  
here so we're going to start putting

605  
00:29:21,950 --> 00:29:19,559  
this chip in humans as an experiment

606  
00:29:24,110 --> 00:29:21,960  
and of course every time you see

607  
00:29:26,690 --> 00:29:24,120  
something like this it's always for the

608  
00:29:29,810 --> 00:29:26,700  
good of humanity it's always a wonderful

609  
00:29:32,630 --> 00:29:29,820  
tool and could possibly be for the

610  
00:29:34,310 --> 00:29:32,640  
paraplegic the pre-spinal uh injuries

611  
00:29:36,710 --> 00:29:34,320  
even they're talking about the

612  
00:29:38,269 --> 00:29:36,720  
possibility of regaining sight with this

613  
00:29:39,049 --> 00:29:38,279

kind of stuff but it doesn't matter to

614

00:29:41,090 --> 00:29:39,059

me

615

00:29:42,350 --> 00:29:41,100

because I don't believe that that's the

616

00:29:44,149 --> 00:29:42,360

agenda

617

00:29:46,430 --> 00:29:44,159

it matters to me that these people could

618

00:29:47,450 --> 00:29:46,440

be helped but I don't believe it I

619

00:29:49,549 --> 00:29:47,460

shouldn't have said it doesn't matter to

620

00:29:51,409 --> 00:29:49,559

me I don't believe that that is the

621

00:29:53,930 --> 00:29:51,419

reason it's being developed

622

00:29:56,510 --> 00:29:53,940

it I I really believe that this is all

623

00:30:00,169 --> 00:29:56,520

part of the agenda that's being thrust

624

00:30:03,769 --> 00:30:00,179

on Humanity Full Speed Ahead is there a

625

00:30:05,750 --> 00:30:03,779

way to uh and it's not just Elon that

626

00:30:09,409 --> 00:30:05,760

we're we're talking about here there is

627

00:30:14,330 --> 00:30:09,419

a whole thing that is going on uh behind

628

00:30:17,149 --> 00:30:14,340

and uh above Elon but is there a way did

629

00:30:23,330 --> 00:30:17,159

does he answer to anybody and to anybody

630

00:30:26,269 --> 00:30:23,340

that has uh the the agenda in mind is

631

00:30:30,470 --> 00:30:26,279

there is there a way to to control any

632

00:30:32,750 --> 00:30:30,480

of that or to hold somebody accountable

633

00:30:35,269 --> 00:30:32,760

that's a very good question I mean as

634

00:30:36,830 --> 00:30:35,279

far as who who and who answers to whom

635

00:30:39,169 --> 00:30:36,840

on this planet

636

00:30:40,789 --> 00:30:39,179

we know that at the tippy top of this

637

00:30:42,289 --> 00:30:40,799

pyramid there are people who don't come

638

00:30:44,870 --> 00:30:42,299

out of The Shadow

639

00:30:46,370 --> 00:30:44,880

and then one has to ask are these even

640

00:30:50,269 --> 00:30:46,380

humans

641

00:30:52,850 --> 00:30:50,279

are the Rothschild group and these these

642

00:30:55,909 --> 00:30:52,860

upper echelon people even human

643

00:30:57,230 --> 00:30:55,919

and are there reptilian controllers over

644

00:31:00,049 --> 00:30:57,240

them

645

00:31:02,930 --> 00:31:00,059

but it doesn't look like he's answering

646

00:31:06,289 --> 00:31:02,940

to anyone because he looks to me like

647

00:31:09,769 --> 00:31:06,299

he's fulfilling his agenda or their

648

00:31:12,110 --> 00:31:09,779

agenda and he's just a brainiac

649

00:31:14,330 --> 00:31:12,120

possibly you know I just can't get over

650

00:31:16,250 --> 00:31:14,340

the idea that he could very well also be

651  
00:31:18,950 --> 00:31:16,260  
a hybrid

652  
00:31:21,010 --> 00:31:18,960  
part alien or or completely you know

653  
00:31:23,690 --> 00:31:21,020  
I've said that a few times he looks

654  
00:31:26,269 --> 00:31:23,700  
normal body Behavior I mean looking at

655  
00:31:28,310 --> 00:31:26,279  
him from as a psychic there's there's

656  
00:31:30,830 --> 00:31:28,320  
just something often oh it's a lot of

657  
00:31:33,830 --> 00:31:30,840  
times it reminds me of Men In Black the

658  
00:31:36,350 --> 00:31:33,840  
creature I forget his name now oh that's

659  
00:31:38,389 --> 00:31:36,360  
the top of the robot yeah yeah yeah yeah

660  
00:31:40,730 --> 00:31:38,399  
yeah yeah yeah yeah forget his name too

661  
00:31:43,730 --> 00:31:40,740  
well he looks alien-ish

662  
00:31:44,990 --> 00:31:43,740  
yes it does there's something he

663  
00:31:47,510 --> 00:31:45,000

certainly does

664

00:31:50,750 --> 00:31:47,520

um now let's I I want to swing this back

665

00:31:52,370 --> 00:31:50,760

to uh the book you know hacking the god

666

00:31:54,830 --> 00:31:52,380

code

667

00:31:58,370 --> 00:31:54,840

um for us

668

00:32:01,970 --> 00:31:58,380

we if we go back 5 000 years and we go

669

00:32:05,389 --> 00:32:01,980

back to the the dawn of civilization

670

00:32:08,029 --> 00:32:05,399

uh you know before well allegedly before

671

00:32:10,789 --> 00:32:08,039

the internet there was

672

00:32:13,130 --> 00:32:10,799

um a focus on spirituality there was a

673

00:32:16,970 --> 00:32:13,140

focus on the mind there was a focus on

674

00:32:20,330 --> 00:32:16,980

communication uh with others

675

00:32:21,230 --> 00:32:20,340

um that was developed over thousands of

676  
00:32:25,430 --> 00:32:21,240  
years

677  
00:32:29,149 --> 00:32:25,440  
and then we've lost control of that and

678  
00:32:32,210 --> 00:32:29,159  
if if we lose our inner selves to

679  
00:32:34,370 --> 00:32:32,220  
electronics is there a way to backpedal

680  
00:32:39,710 --> 00:32:34,380  
from that and to make everybody aware

681  
00:32:43,070 --> 00:32:39,720  
because today we are uh uh we have given

682  
00:32:44,990 --> 00:32:43,080  
in to an electronic world

683  
00:32:47,450 --> 00:32:45,000  
not all of us

684  
00:32:51,950 --> 00:32:47,460  
to a certain extent yeah it is

685  
00:32:53,870 --> 00:32:51,960  
it absolutely has penetrated most many

686  
00:32:56,210 --> 00:32:53,880  
layers most layers of our civilization

687  
00:32:59,690 --> 00:32:56,220  
when you tell me that a newborn already

688  
00:33:02,330 --> 00:32:59,700

knows how to work an iPad that that's

689

00:33:03,350 --> 00:33:02,340

terrifies me and as far as back pedaling

690

00:33:05,389 --> 00:33:03,360

you know

691

00:33:07,430 --> 00:33:05,399

a lot of people are putting out the idea

692

00:33:10,250 --> 00:33:07,440

that there's an ale it's very star

693

00:33:12,710 --> 00:33:10,260

trek-esque but you know I I love Star

694

00:33:15,470 --> 00:33:12,720

Trek so I can go with it that there is a

695

00:33:19,310 --> 00:33:15,480

an alien force that is driving this

696

00:33:21,769 --> 00:33:19,320

whole agenda there is an AI race pushing

697

00:33:24,409 --> 00:33:21,779

this forward and that's very possible

698

00:33:26,810 --> 00:33:24,419

and if that's the case that's something

699

00:33:30,289 --> 00:33:26,820

we're up against and haven't identified

700

00:33:33,710 --> 00:33:30,299

yet and that's that's very dangerous we

701  
00:33:37,730 --> 00:33:33,720  
don't really understand what it is that

702  
00:33:40,549 --> 00:33:37,740  
is driving Humanity into this agenda

703  
00:33:43,130 --> 00:33:40,559  
where we are merging with machines we

704  
00:33:48,529 --> 00:33:43,140  
don't understand it and because it's

705  
00:33:50,930 --> 00:33:48,539  
it's been so greased so eloquently as an

706  
00:33:52,970 --> 00:33:50,940  
assistance to our

707  
00:33:55,450 --> 00:33:52,980  
Comfort

708  
00:33:57,289 --> 00:33:55,460  
um what's the word I'm looking for

709  
00:33:59,090 --> 00:33:57,299  
ease

710  
00:34:01,610 --> 00:33:59,100  
development

711  
00:34:04,009 --> 00:34:01,620  
access all these words

712  
00:34:07,130 --> 00:34:04,019  
but in the end it keeps taking us

713  
00:34:09,649 --> 00:34:07,140

further and further away from each other

714

00:34:13,550 --> 00:34:09,659

and that's the design to alienate us

715

00:34:16,010 --> 00:34:13,560

from each other and to enslave us to

716

00:34:19,010 --> 00:34:16,020

whatever that force is that's driving

717

00:34:21,530 --> 00:34:19,020

this agenda is it AI itself that's

718

00:34:24,050 --> 00:34:21,540

driving it or is it a bunch of Maniacs

719

00:34:26,690 --> 00:34:24,060

that for some reason think this is the

720

00:34:29,629 --> 00:34:26,700

way to control civilization and we

721

00:34:32,089 --> 00:34:29,639

haven't had that dialogue very much yet

722

00:34:35,629 --> 00:34:32,099

it's just now we're starting to say whoa

723

00:34:37,369 --> 00:34:35,639

this is Runaway insanity and a lot of

724

00:34:40,190 --> 00:34:37,379

the youth are saying oh yeah I'm ready

725

00:34:43,129 --> 00:34:40,200

for a chip Bring It On yeah see and

726

00:34:46,310 --> 00:34:43,139

here's here's here's the situation we

727

00:34:48,829 --> 00:34:46,320

find ourselves in when when you and I

728

00:34:52,310 --> 00:34:48,839

were growing up

729

00:34:55,010 --> 00:34:52,320

um the the big deal was

730

00:34:56,930 --> 00:34:55,020

when when I when are my parents gonna

731

00:35:00,410 --> 00:34:56,940

talk to me about the birds and the bees

732

00:35:02,450 --> 00:35:00,420

right that was like the thing I feel

733

00:35:05,030 --> 00:35:02,460

that today

734

00:35:06,650 --> 00:35:05,040

we need to have the the conversation

735

00:35:10,010 --> 00:35:06,660

isn't going to be about that it's going

736

00:35:13,030 --> 00:35:10,020

to be okay we need to talk to you about

737

00:35:15,230 --> 00:35:13,040

community and the internet

738

00:35:17,390 --> 00:35:15,240

your friends

739

00:35:19,130 --> 00:35:17,400

aren't here

740

00:35:21,170 --> 00:35:19,140

your friends are when you sit and talk

741

00:35:24,589 --> 00:35:21,180

to somebody face to face what are you

742

00:35:27,710 --> 00:35:24,599

talking about Dad right where they

743

00:35:31,250 --> 00:35:27,720

they're okay about relationships being

744

00:35:33,770 --> 00:35:31,260

built here instead of having a real

745

00:35:35,750 --> 00:35:33,780

conversation uh writing something

746

00:35:38,750 --> 00:35:35,760

writing a letter and I don't want to

747

00:35:41,030 --> 00:35:38,760

sound old school but this is exactly the

748

00:35:44,270 --> 00:35:41,040

problem that we have where this is

749

00:35:46,630 --> 00:35:44,280

second nature now and they and to them

750

00:35:50,410 --> 00:35:46,640

they understand that this is community

751  
00:35:55,190 --> 00:35:50,420  
the community is not your neighborhood

752  
00:35:57,950 --> 00:35:55,200  
and that in many cases they prefer

753  
00:36:01,069 --> 00:35:57,960  
the younger people and plenty of other

754  
00:36:01,970 --> 00:36:01,079  
people actually prefer the text to a

755  
00:36:05,450 --> 00:36:01,980  
call

756  
00:36:09,589 --> 00:36:05,460  
so we went from the coffee together or

757  
00:36:13,270 --> 00:36:09,599  
dinnered out together to uh the cell

758  
00:36:16,970 --> 00:36:13,280  
phone and now preferring the text

759  
00:36:19,130 --> 00:36:16,980  
referring the text to even a call

760  
00:36:21,290 --> 00:36:19,140  
I mean you know I've had people say oh

761  
00:36:23,510 --> 00:36:21,300  
you're calling I thought you could I was

762  
00:36:25,670 --> 00:36:23,520  
just waiting for an answer by text I go

763  
00:36:28,310 --> 00:36:25,680

oh excuse me for disturbing you by

764

00:36:30,530 --> 00:36:28,320

actually calling it's almost offensive

765

00:36:32,150 --> 00:36:30,540

to people now when you just call them

766

00:36:33,589 --> 00:36:32,160

like in the old days you called and

767

00:36:37,130 --> 00:36:33,599

somebody said hello

768

00:36:38,930 --> 00:36:37,140

and you said hey hi it's me that is So

769

00:36:39,650 --> 00:36:38,940

Yesterday now you've got to send the

770

00:36:42,410 --> 00:36:39,660

text

771

00:36:45,109 --> 00:36:42,420

and it's just isolation isolation

772

00:36:47,150 --> 00:36:45,119

isolation it's it's very serious and the

773

00:36:49,490 --> 00:36:47,160

transition has happened uh nearly

774

00:36:51,770 --> 00:36:49,500

overnight this this isn't a hundred

775

00:36:54,950 --> 00:36:51,780

years or 200 years we're just talking

776

00:36:58,609 --> 00:36:54,960

about a decade or maybe even less

777

00:37:01,609 --> 00:36:58,619

yes that's a frightening reality I mean

778

00:37:03,950 --> 00:37:01,619

I can remember when computers first came

779

00:37:06,770 --> 00:37:03,960

to us well at least when personal

780

00:37:08,630 --> 00:37:06,780

computers became available then when I

781

00:37:09,950 --> 00:37:08,640

was first told about the internet I said

782

00:37:11,870 --> 00:37:09,960

I don't like this

783

00:37:12,829 --> 00:37:11,880

and the person who was a techie that

784

00:37:14,690 --> 00:37:12,839

told me about he said what do you mean

785

00:37:16,849 --> 00:37:14,700

you don't like it he said Patricia

786

00:37:19,010 --> 00:37:16,859

you're such a conspiracy theorist I said

787

00:37:20,510 --> 00:37:19,020

I don't I don't like this I don't like

788

00:37:23,870 --> 00:37:20,520

where this is going to take Humanity

789

00:37:25,970 --> 00:37:23,880

that was back in 1995.

790

00:37:30,170 --> 00:37:25,980

and here we are it's only been a couple

791

00:37:34,370 --> 00:37:33,050

we're losing a lot we're losing our

792

00:37:37,730 --> 00:37:34,380

Humanity

793

00:37:41,030 --> 00:37:37,740

and there's there's another part to this

794

00:37:42,589 --> 00:37:41,040

though uh that I think that was the

795

00:37:44,810 --> 00:37:42,599

intention in the beginning

796

00:37:47,990 --> 00:37:44,820

look at what you and I are doing right

797

00:37:50,390 --> 00:37:48,000

now right you're in the Azores I'm here

798

00:37:52,490 --> 00:37:50,400

in Los Angeles we're talking in real

799

00:37:54,950 --> 00:37:52,500

time we're reaching out to hundreds of

800

00:37:58,970 --> 00:37:54,960

thousands of people right now that's

801  
00:38:01,250 --> 00:37:58,980  
brilliant right and and and that's

802  
00:38:04,790 --> 00:38:01,260  
bringing the world together that part of

803  
00:38:08,750 --> 00:38:04,800  
it I enjoy that part of Technology it's

804  
00:38:12,230 --> 00:38:08,760  
that those that want to know that they

805  
00:38:16,490 --> 00:38:12,240  
can take this tool and control the

806  
00:38:18,410 --> 00:38:16,500  
narrative and to divide and to scare and

807  
00:38:21,589 --> 00:38:18,420  
to use it as fear and they know that

808  
00:38:25,609 --> 00:38:21,599  
they can do it globally in nanoseconds

809  
00:38:28,730 --> 00:38:25,619  
we didn't have that just 25 years ago

810  
00:38:30,650 --> 00:38:28,740  
no but what we did have 25 years ago was

811  
00:38:31,910 --> 00:38:30,660  
the same controllers that didn't have

812  
00:38:33,770 --> 00:38:31,920  
the tools

813  
00:38:37,250 --> 00:38:33,780

so

814

00:38:39,829 --> 00:38:37,260

where we could take this is a beautiful

815

00:38:41,510 --> 00:38:39,839

place like you're saying the potential

816

00:38:44,930 --> 00:38:41,520

for these tools

817

00:38:48,290 --> 00:38:44,940

uh is immense but unfortunately we have

818

00:38:51,109 --> 00:38:48,300

these controllers who are directing

819

00:38:52,750 --> 00:38:51,119

where we're headed with it unless we

820

00:38:54,970 --> 00:38:52,760

Rebel

821

00:38:59,390 --> 00:38:54,980

that's what I'm about

822

00:39:03,609 --> 00:38:59,400

and and and now this is where this is my

823

00:39:07,550 --> 00:39:03,619

conspiracy hat where I I wear it proud

824

00:39:11,270 --> 00:39:07,560

those controllers 25 years ago who

825

00:39:12,890 --> 00:39:11,280

wondered about a a brilliant tool right

826

00:39:15,470 --> 00:39:12,900

and could this happen and you know

827

00:39:17,930 --> 00:39:15,480

here's the internet right okay but

828

00:39:20,690 --> 00:39:17,940

here's the thing it's like the pandemic

829

00:39:22,910 --> 00:39:20,700

was a TR a test run

830

00:39:26,089 --> 00:39:22,920

could we effectively just shut down the

831

00:39:29,030 --> 00:39:26,099

world right can we get every country to

832

00:39:32,470 --> 00:39:29,040

sign on could we get every citizen of

833

00:39:37,089 --> 00:39:32,480

the world freaked out could we do this

834

00:39:40,550 --> 00:39:37,099

and and then the switch was flipped and

835

00:39:42,349 --> 00:39:40,560

to see uh everybody when I say everybody

836

00:39:44,450 --> 00:39:42,359

I'm talking about State actors and

837

00:39:48,349 --> 00:39:44,460

countries and corporations and everybody

838

00:39:50,630 --> 00:39:48,359

go lock step in into the pandemic uh was

839

00:39:52,310 --> 00:39:50,640

a frightening thing for me to and and so

840

00:39:57,230 --> 00:39:52,320

that question was answered for those

841

00:40:05,150 --> 00:40:01,250

and now we have the CDC being in charge

842

00:40:07,550 --> 00:40:05,160

of every country's Health policy

843

00:40:10,609 --> 00:40:07,560

so you want to talk about controllers I

844

00:40:13,370 --> 00:40:10,619

mean that this pandemic worked and it

845

00:40:17,530 --> 00:40:13,380

worked fast and they were able to

846

00:40:21,190 --> 00:40:17,540

monitor how obedient the civilization

847

00:40:24,410 --> 00:40:21,200

Global civilization would react globally

848

00:40:28,730 --> 00:40:24,420

globally Without Borders no nationalism

849

00:40:32,450 --> 00:40:28,740

this was a global crisis immediately

850

00:40:37,130 --> 00:40:32,460

and still it yeah and and still is

851

00:40:39,530 --> 00:40:37,140

um so yeah when when stuff like this

852

00:40:42,829 --> 00:40:39,540

happens and you know going back to

853

00:40:45,410 --> 00:40:42,839

hacking the god code these things and

854

00:40:47,990 --> 00:40:45,420

we're just talking about a few uh we're

855

00:40:49,370 --> 00:40:48,000

gonna continue this but does this alter

856

00:40:51,890 --> 00:40:49,380

our DNA

857

00:40:53,390 --> 00:40:51,900

does this effectively change us as

858

00:40:54,829 --> 00:40:53,400

humans

859

00:40:57,470 --> 00:40:54,839

what are you referring to when you say

860

00:41:01,790 --> 00:40:57,480

it doesn't this the the control the the

861

00:41:05,450 --> 00:41:01,800

internet social media cell phones uh uh

862

00:41:09,349 --> 00:41:05,460

our reality the kids learning how to

863

00:41:11,210 --> 00:41:09,359

operate a an iPad at six months old you

864

00:41:14,990 --> 00:41:11,220

know this seems to me that this is an

865

00:41:17,329 --> 00:41:15,000

opportunity to effectively change DNA

866

00:41:18,530 --> 00:41:17,339

well they make no bones about it I mean

867

00:41:20,870 --> 00:41:18,540

that's what's going on in the

868

00:41:23,329 --> 00:41:20,880

Laboratories they're working on DNA all

869

00:41:26,050 --> 00:41:23,339

on all levels they're working on cameras

870

00:41:30,470 --> 00:41:26,060

they're you know about clones of course

871

00:41:32,089 --> 00:41:30,480

and uh the hybriding of human DNA with

872

00:41:35,030 --> 00:41:32,099

other animals

873

00:41:37,790 --> 00:41:35,040

and possibly aliens I keep bringing that

874

00:41:42,250 --> 00:41:37,800

up because I know that's your Forte well

875

00:41:47,450 --> 00:41:45,410

and then you know to to know that

876

00:41:50,390 --> 00:41:47,460

they now have they're talking about

877

00:41:54,109 --> 00:41:50,400

hacking us hacking the DNA because they

878

00:41:56,270 --> 00:41:54,119

have the technology to hack the DNA and

879

00:41:59,750 --> 00:41:56,280

whether or not that's in a laboratory or

880

00:42:03,349 --> 00:41:59,760

whether that's by affecting change

881

00:42:07,190 --> 00:42:03,359

in the DNA through sound for example

882

00:42:10,609 --> 00:42:07,200

taking the music from 440 from 438 Hertz

883

00:42:12,470 --> 00:42:10,619

so Federal frequency to 440. and

884

00:42:14,750 --> 00:42:12,480

supposedly that's very that's very

885

00:42:17,349 --> 00:42:14,760

damaging to the DNA so there are all

886

00:42:21,230 --> 00:42:17,359

kinds of ways to

887

00:42:24,890 --> 00:42:21,240

interfere with or disrupt that

888

00:42:26,089 --> 00:42:24,900

architectural essence of biological

889

00:42:29,630 --> 00:42:26,099

beings

890

00:42:31,970 --> 00:42:29,640

the sound the Chemtrails the food all of

891

00:42:34,609 --> 00:42:31,980

it has something to do some effect on

892

00:42:36,710 --> 00:42:34,619

the DNA and now

893

00:42:39,109 --> 00:42:36,720

very important

894

00:42:43,430 --> 00:42:39,119

that we discuss the fact that they're

895

00:42:45,890 --> 00:42:43,440

forcing on us the eating of insects

896

00:42:48,950 --> 00:42:45,900

I read today now they've gone to coming

897

00:42:52,310 --> 00:42:48,960

out with cockroach milk which is full of

898

00:42:54,530 --> 00:42:52,320

nutrients what no they did not no no no

899

00:42:55,510 --> 00:42:54,540

no no no no no no no no no no no no

900

00:42:59,950 --> 00:42:55,520

no

901  
00:43:03,349 --> 00:42:59,960  
really yes they want us to ingest

902  
00:43:07,390 --> 00:43:03,359  
insects why how do you milk them you'd

903  
00:43:10,190 --> 00:43:09,349  
ha ha

904  
00:43:12,290 --> 00:43:10,200  
ha

905  
00:43:14,030 --> 00:43:12,300  
don't ask me because I just can't even

906  
00:43:16,190 --> 00:43:14,040  
stand it but the truth is they're

907  
00:43:18,530 --> 00:43:16,200  
feeding our children in Six and Schools

908  
00:43:21,710 --> 00:43:18,540  
they're hyping insects they're putting

909  
00:43:23,270 --> 00:43:21,720  
insect uh chiddling I think it's called

910  
00:43:27,050 --> 00:43:23,280  
chitten

911  
00:43:28,730 --> 00:43:27,060  
in certain foods in in processed foods

912  
00:43:32,210 --> 00:43:28,740  
like chips you've got to really look at

913  
00:43:35,990 --> 00:43:32,220

the labels now because they want this in

914

00:43:38,150 --> 00:43:36,000

the food they're creating farms uh

915

00:43:40,130 --> 00:43:38,160

Beetle Farms or whatever to put this

916

00:43:45,470 --> 00:43:40,140

stuff in the food why

917

00:43:48,710 --> 00:43:45,480

there are aspects of insect DNA that

918

00:43:51,710 --> 00:43:48,720

they want in our bodies and in my

919

00:43:54,230 --> 00:43:51,720

opinion they want us to uh be infested

920

00:43:56,030 --> 00:43:54,240

with parasites if they start changing

921

00:43:58,010 --> 00:43:56,040

the child labor laws

922

00:43:59,809 --> 00:43:58,020

so we have four-year-old kids with their

923

00:44:04,329 --> 00:43:59,819

tiny little fingers

924

00:44:07,910 --> 00:44:04,339

milking milking that but um I I kid

925

00:44:11,030 --> 00:44:07,920

maybe I'm not maybe I'm not

926

00:44:13,970 --> 00:44:11,040

um but this is this is another part of

927

00:44:15,950 --> 00:44:13,980

this though I think that there's a a a a

928

00:44:20,030 --> 00:44:15,960

very real

929

00:44:21,950 --> 00:44:20,040

uh ability to change things DNA wise

930

00:44:23,210 --> 00:44:21,960

naturally you know birds do it all the

931

00:44:25,370 --> 00:44:23,220

time right they want to figure out how

932

00:44:27,650 --> 00:44:25,380

to open up bottles of milk on somebody's

933

00:44:29,390 --> 00:44:27,660

porch and they figure that out the next

934

00:44:31,910 --> 00:44:29,400

thing you know all the birds do it and

935

00:44:35,630 --> 00:44:31,920

then they're born with that ability that

936

00:44:37,250 --> 00:44:35,640

is changing DNA but through the pandemic

937

00:44:38,630 --> 00:44:37,260

and I don't want to dwell on the

938

00:44:39,829 --> 00:44:38,640

pandemic but there was something I

939

00:44:42,710 --> 00:44:39,839

thought about

940

00:44:46,849 --> 00:44:42,720

and this and I never heard anybody talk

941

00:44:49,130 --> 00:44:46,859

about this Patricia when a baby is born

942

00:44:50,390 --> 00:44:49,140

the first thing they see is their mom's

943

00:44:55,550 --> 00:44:50,400

face

944

00:44:58,730 --> 00:44:55,560

that's it right there you are you're you

945

00:45:01,069 --> 00:44:58,740

recognize a smile you recognize your

946

00:45:03,109 --> 00:45:01,079

mom's faith and and throughout life you

947

00:45:07,130 --> 00:45:03,119

can pick out human and if you're gonna

948

00:45:10,730 --> 00:45:07,140

turn around and force everybody to wear

949

00:45:12,370 --> 00:45:10,740

a mask right now you're looking at so

950

00:45:15,050 --> 00:45:12,380

you're not looking at the face anymore

951  
00:45:19,010 --> 00:45:15,060  
and so kids that were going to school

952  
00:45:20,870 --> 00:45:19,020  
are seeing this right and it it I I

953  
00:45:23,930 --> 00:45:20,880  
think that they're fundamentally changed

954  
00:45:26,930 --> 00:45:23,940  
at a very very young age something that

955  
00:45:29,510 --> 00:45:26,940  
is you know has been natural for

956  
00:45:33,770 --> 00:45:29,520  
millions of years has suddenly taken

957  
00:45:35,630 --> 00:45:33,780  
away uh for a few years I think there's

958  
00:45:37,490 --> 00:45:35,640  
there's a fundamental change there that

959  
00:45:40,910 --> 00:45:37,500  
can occur

960  
00:45:43,069 --> 00:45:40,920  
absolutely aside from the physiological

961  
00:45:45,250 --> 00:45:43,079  
problem of breathing your own carbon

962  
00:45:46,790 --> 00:45:45,260  
dioxide every day um

963  
00:45:53,530 --> 00:45:46,800

that's

964

00:45:56,270 --> 00:45:53,540

somebody's

965

00:45:59,510 --> 00:45:56,280

emotions face are they smiling are they

966

00:46:01,910 --> 00:45:59,520

unhappy are they and that has been

967

00:46:06,170 --> 00:46:01,920

completely removed I'm glad that we're

968

00:46:09,010 --> 00:46:06,180

uh moving past that phase and then

969

00:46:11,450 --> 00:46:09,020

go ahead they're coming back

970

00:46:13,670 --> 00:46:11,460

now they're starting another campaign

971

00:46:15,530 --> 00:46:13,680

all of a sudden in the background in

972

00:46:18,710 --> 00:46:15,540

news reports you see one or two people

973

00:46:21,650 --> 00:46:18,720

today I I saw a video clip of the white

974

00:46:23,390 --> 00:46:21,660

house uh Press Room and there were two

975

00:46:26,569 --> 00:46:23,400

journalists with masks on again I went

976

00:46:28,970 --> 00:46:26,579

uh oh here we go well not not in my

977

00:46:30,770 --> 00:46:28,980

world but here's the thing I I don't

978

00:46:33,650 --> 00:46:30,780

know if we're gonna cave in a second

979

00:46:36,950 --> 00:46:33,660

time on that but here's here's another

980

00:46:38,710 --> 00:46:36,960

thing I I fly a lot right I do I do I

981

00:46:40,250 --> 00:46:38,720

fly a couple times a month

982

00:46:44,329 --> 00:46:40,260

and

983

00:46:46,730 --> 00:46:44,339

last week

984

00:46:48,710 --> 00:46:46,740

and something struck me

985

00:46:50,210 --> 00:46:48,720

I was walking through the airport and

986

00:46:52,309 --> 00:46:50,220

it's been going on I just haven't really

987

00:46:54,410 --> 00:46:52,319

noticed but so I'm walking through the

988

00:46:56,809 --> 00:46:54,420

airport my phone is in my back pocket

989

00:46:59,450 --> 00:46:56,819

right I don't like walking with my phone

990

00:47:01,609 --> 00:46:59,460

in my hand that's just me I think more

991

00:47:05,329 --> 00:47:01,619

people should do that but I was walking

992

00:47:07,130 --> 00:47:05,339

I was looking and nearly every single

993

00:47:11,569 --> 00:47:07,140

when I say every

994

00:47:14,329 --> 00:47:11,579

every single person walked by me

995

00:47:16,730 --> 00:47:14,339

looking at their phone

996

00:47:18,829 --> 00:47:16,740

they're not even walking watching where

997

00:47:21,170 --> 00:47:18,839

they are going right you know what I

998

00:47:24,349 --> 00:47:21,180

mean it's like these these these

999

00:47:25,970 --> 00:47:24,359

Lemmings and it's Seas of people and

1000

00:47:29,150 --> 00:47:25,980

everybody is looking at their phone

1001  
00:47:31,190 --> 00:47:29,160  
while they're walking I'm like when did

1002  
00:47:34,010 --> 00:47:31,200  
this Talent happen where everybody's got

1003  
00:47:36,710 --> 00:47:34,020  
radar to know where they're walking and

1004  
00:47:38,089 --> 00:47:36,720  
they're gonna walk in and look at their

1005  
00:47:40,250 --> 00:47:38,099  
cell phone at the same time I don't want

1006  
00:47:43,730 --> 00:47:40,260  
to sound like some grumpy old man I'm

1007  
00:47:46,190 --> 00:47:43,740  
just saying I observe this these Seas of

1008  
00:47:49,069 --> 00:47:46,200  
people and everybody looking at their

1009  
00:47:51,770 --> 00:47:49,079  
phones while they walk yes I'm observing

1010  
00:47:54,470 --> 00:47:51,780  
it too although here it's not so bad but

1011  
00:47:57,050 --> 00:47:54,480  
you know I I was listening to someone

1012  
00:47:59,329 --> 00:47:57,060  
who did a podcast and he said he was

1013  
00:48:01,370 --> 00:47:59,339

talking about security and how we're

1014

00:48:03,950 --> 00:48:01,380

looking at a very dangerous time now

1015

00:48:06,650 --> 00:48:03,960

socially and he said you know bear in

1016

00:48:09,230 --> 00:48:06,660

mind that the criminals out there

1017

00:48:10,790 --> 00:48:09,240

are looking at people who are glued to

1018

00:48:12,290 --> 00:48:10,800

their cell phone calling well here's an

1019

00:48:16,190 --> 00:48:12,300

easy mark

1020

00:48:18,290 --> 00:48:16,200

and he was saying be situationally aware

1021

00:48:22,450 --> 00:48:18,300

what the phone tell when you're walking

1022

00:48:25,130 --> 00:48:22,460

around you're a mark for criminals and

1023

00:48:27,589 --> 00:48:25,140

you know that's an important aspect as

1024

00:48:30,069 --> 00:48:27,599

well much more important is the fact

1025

00:48:33,890 --> 00:48:30,079

that people have lost their

1026  
00:48:36,470 --> 00:48:33,900  
clue about being present and they are

1027  
00:48:38,690 --> 00:48:36,480  
completely totally hypnotized by this

1028  
00:48:41,030 --> 00:48:38,700  
thing and when you see a group of young

1029  
00:48:44,089 --> 00:48:41,040  
kids like he even here in a cafe

1030  
00:48:46,670 --> 00:48:44,099  
recently there were some let's say 18

1031  
00:48:49,190 --> 00:48:46,680  
year olds sitting around now usually you

1032  
00:48:52,490 --> 00:48:49,200  
see 18 year old guys with beers talking

1033  
00:48:55,430 --> 00:48:52,500  
about the game or whatever the chicks no

1034  
00:48:56,930 --> 00:48:55,440  
they were all completely immersed in

1035  
00:49:00,109 --> 00:48:56,940  
their phones all sitting around the

1036  
00:49:02,210 --> 00:49:00,119  
table having no conversation whatsoever

1037  
00:49:04,849 --> 00:49:02,220  
and I I don't want to sound like some

1038  
00:49:06,829 --> 00:49:04,859

old dude I don't but there's something

1039

00:49:09,230 --> 00:49:06,839

fundamentally wrong with that I had

1040

00:49:11,690 --> 00:49:09,240

posted a picture I've talked about it a

1041

00:49:15,349 --> 00:49:11,700

lot but I posted a picture maybe eight

1042

00:49:19,309 --> 00:49:15,359

years ago it was fascinating it was a

1043

00:49:23,089 --> 00:49:19,319

picture taken in an art museum like the

1044

00:49:25,490 --> 00:49:23,099

Metropolitan in in New York and there's

1045

00:49:27,890 --> 00:49:25,500

this Renaissance painting it's 20 feet

1046

00:49:31,550 --> 00:49:27,900

by 20 feet right in this beautiful frame

1047

00:49:34,069 --> 00:49:31,560

hanging on the wall in front of that was

1048

00:49:37,790 --> 00:49:34,079

a bench and it was sideways and there

1049

00:49:38,870 --> 00:49:37,800

was like five teenage girls sitting on

1050

00:49:40,670 --> 00:49:38,880

the bench

1051

00:49:41,870 --> 00:49:40,680

in front of the painting all looking at

1052

00:49:50,510 --> 00:49:41,880

their cell phones

1053

00:49:54,950 --> 00:49:52,069

so you know we're losing our Humanity

1054

00:49:58,190 --> 00:49:54,960

all of the the ultimate height of

1055

00:50:03,109 --> 00:49:58,200

civilization intellect art philosophy

1056

00:50:05,089 --> 00:50:03,119

that's over as Harari said the uh he

1057

00:50:08,569 --> 00:50:05,099

said no this idea that humans have a

1058

00:50:10,790 --> 00:50:08,579

soul and this God that's over

1059

00:50:11,569 --> 00:50:10,800

and it was a very chilling thing what he

1060

00:50:14,809 --> 00:50:11,579

said

1061

00:50:17,089 --> 00:50:14,819

because that's where they what they want

1062

00:50:20,510 --> 00:50:17,099

to take away from us hacking the god

1063

00:50:22,870 --> 00:50:20,520

code the spirit within us the divinity

1064

00:50:26,750 --> 00:50:22,880

the Great

1065

00:50:28,490 --> 00:50:26,760

Artistry and you know the shakespeareans

1066

00:50:30,650 --> 00:50:28,500

of the world

1067

00:50:32,870 --> 00:50:30,660

that's over according to these

1068

00:50:36,770 --> 00:50:32,880

transhumanists forget it

1069

00:50:40,130 --> 00:50:36,780

what we need now is obedient slaves

1070

00:50:42,410 --> 00:50:40,140

and you know programmed to the point

1071

00:50:45,050 --> 00:50:42,420

where they can insert I want to keep

1072

00:50:47,750 --> 00:50:45,060

driving this home today it's the the

1073

00:50:49,670 --> 00:50:47,760

cell phone is here but they want it

1074

00:50:52,670 --> 00:50:49,680

inside

1075

00:50:55,069 --> 00:50:52,680

that is where we're heading

1076

00:50:56,630 --> 00:50:55,079

so if you're if you're concerned that

1077

00:50:58,849 --> 00:50:56,640

people are sitting around looking at

1078

00:51:02,990 --> 00:50:58,859

their cell phones my question to you is

1079

00:51:05,210 --> 00:51:03,000

imagine when the The Next Step where

1080

00:51:08,210 --> 00:51:05,220

it's insight and like I said a lot of

1081

00:51:12,470 --> 00:51:08,220

people can't wait

1082

00:51:14,329 --> 00:51:12,480

there was um a video uh that uh I saw

1083

00:51:19,790 --> 00:51:14,339

the other day it started it's going

1084

00:51:21,230 --> 00:51:19,800

around the net of uh of kids in China at

1085

00:51:23,410 --> 00:51:21,240

school

1086

00:51:28,430 --> 00:51:23,420

in the cafeteria

1087

00:51:31,549 --> 00:51:28,440

and to purchase your food at lunch

1088

00:51:32,750 --> 00:51:31,559

you have to do a face scan

1089

00:51:34,309 --> 00:51:32,760

now

1090

00:51:37,430 --> 00:51:34,319

okay

1091

00:51:38,650 --> 00:51:37,440

on the surface creepy

1092

00:51:42,049 --> 00:51:38,660

right

1093

00:51:45,890 --> 00:51:42,059

there is another part of me that says

1094

00:51:48,049 --> 00:51:45,900

that kid doesn't care you're going to do

1095

00:51:50,750 --> 00:51:48,059

what you have to do to eat number one

1096

00:51:55,010 --> 00:51:50,760

number two they're being raised that way

1097

00:51:57,890 --> 00:51:55,020

so they don't know another way of life

1098

00:52:00,890 --> 00:51:57,900

then there's the other part where when

1099

00:52:04,190 --> 00:52:00,900

will that come over here into Western

1100

00:52:05,990 --> 00:52:04,200

society when will that be here in the

1101  
00:52:09,049 --> 00:52:06,000  
United States

1102  
00:52:11,990 --> 00:52:09,059  
um I do facial scans I do uh I'm a TSA

1103  
00:52:15,650 --> 00:52:12,000  
guy so I have pre-check right when I fly

1104  
00:52:17,870 --> 00:52:15,660  
does it pop pop my face every time

1105  
00:52:19,849 --> 00:52:17,880  
and uh

1106  
00:52:21,230 --> 00:52:19,859  
and I don't have a choice I got to get

1107  
00:52:24,109 --> 00:52:21,240  
on that plane

1108  
00:52:27,609 --> 00:52:24,119  
right and and what are we going to do

1109  
00:52:33,650 --> 00:52:27,619  
when our society is at that point where

1110  
00:52:38,270 --> 00:52:33,660  
uh your your social status is is scanned

1111  
00:52:43,430 --> 00:52:38,280  
and you need an approval to go into a a

1112  
00:52:46,910 --> 00:52:43,440  
restaurant or or to get a ride or to to

1113  
00:52:49,130 --> 00:52:46,920

do banking activities where this is

1114

00:52:50,870 --> 00:52:49,140

going to be part of the norm are we

1115

00:52:53,030 --> 00:52:50,880

going to stand up and protest or do we

1116

00:52:56,089 --> 00:52:53,040

allow this to happen because your soul

1117

00:52:58,250 --> 00:52:56,099

is being given up and Patricia if they

1118

00:53:01,549 --> 00:52:58,260

want to flip the switch to off

1119

00:53:03,829 --> 00:53:01,559

what if that kid facial scan doesn't go

1120

00:53:05,630 --> 00:53:03,839

through at school because their parents

1121

00:53:08,030 --> 00:53:05,640

did something wrong right

1122

00:53:10,549 --> 00:53:08,040

and you're denied you're denied food at

1123

00:53:12,290 --> 00:53:10,559

lunch when you go and scan

1124

00:53:13,790 --> 00:53:12,300

well that's what's happening that's the

1125

00:53:15,710 --> 00:53:13,800

social credit system

1126  
00:53:18,530 --> 00:53:15,720  
and when we talk about the economic

1127  
00:53:21,349 --> 00:53:18,540  
system falling that's what's replacing

1128  
00:53:25,849 --> 00:53:21,359  
it so the digital dollar that's this is

1129  
00:53:28,730 --> 00:53:25,859  
in the works and the uh ability for them

1130  
00:53:30,290 --> 00:53:28,740  
to decide how you spend your money

1131  
00:53:32,510 --> 00:53:30,300  
where

1132  
00:53:34,430 --> 00:53:32,520  
on what

1133  
00:53:37,069 --> 00:53:34,440  
um and if they don't think you should be

1134  
00:53:40,069 --> 00:53:37,079  
I mean let's play this out so you're the

1135  
00:53:41,390 --> 00:53:40,079  
government big brother and uh they

1136  
00:53:43,190 --> 00:53:41,400  
decide that you shouldn't be going to

1137  
00:53:45,410 --> 00:53:43,200  
that rock concert or you shouldn't be

1138  
00:53:46,670 --> 00:53:45,420

buying a new car they want you in an

1139

00:53:49,430 --> 00:53:46,680

electric car

1140

00:53:50,630 --> 00:53:49,440

you know I mean and it's just like the

1141

00:53:54,829 --> 00:53:50,640

clear

1142

00:53:57,470 --> 00:53:54,839

path here is Ultimate total control

1143

00:53:59,630 --> 00:53:57,480

so yeah they have this system now in

1144

00:54:01,849 --> 00:53:59,640

China and if that little boy's parents

1145

00:54:02,930 --> 00:54:01,859

aren't behaving they would yank his

1146

00:54:05,450 --> 00:54:02,940

lunch

1147

00:54:08,089 --> 00:54:05,460

and that's where they want to take us

1148

00:54:11,750 --> 00:54:08,099

now the question you asked is will we

1149

00:54:15,290 --> 00:54:11,760

stop we'll Rebel and my belief because I

1150

00:54:18,650 --> 00:54:15,300

am inherently an optimist is that we can

1151  
00:54:23,210 --> 00:54:18,660  
only be pushed so far before we Rebel

1152  
00:54:25,549 --> 00:54:23,220  
and that that boundary is being reached

1153  
00:54:27,349 --> 00:54:25,559  
so you're starting to see you're seeing

1154  
00:54:29,329 --> 00:54:27,359  
the rebellion of the farmers in

1155  
00:54:31,549 --> 00:54:29,339  
Netherlands although they they've backed

1156  
00:54:33,470 --> 00:54:31,559  
off for the moment

1157  
00:54:35,150 --> 00:54:33,480  
um you see of course Brazil you're

1158  
00:54:36,890 --> 00:54:35,160  
seeing more and more people saying no I

1159  
00:54:39,290 --> 00:54:36,900  
don't think so that's enough they didn't

1160  
00:54:42,589 --> 00:54:39,300  
manage to put through the passport the

1161  
00:54:45,530 --> 00:54:42,599  
digital passport here in Europe but here

1162  
00:54:47,870 --> 00:54:45,540  
we go again there's another wave coming

1163  
00:54:50,030 --> 00:54:47,880

they've got this tool it's called a

1164

00:54:51,950 --> 00:54:50,040

pandemic and they can crank it anytime

1165

00:54:55,849 --> 00:54:51,960

they want because they've seen the

1166

00:54:57,650 --> 00:54:55,859

results of a very effective campaign and

1167

00:54:59,630 --> 00:54:57,660

the tool is fear

1168

00:55:01,790 --> 00:54:59,640

if you can make people afraid enough you

1169

00:55:04,910 --> 00:55:01,800

can do anything you want yeah yeah I

1170

00:55:06,950 --> 00:55:04,920

mean like I said uh the mechanisms are

1171

00:55:09,230 --> 00:55:06,960

in place now

1172

00:55:11,390 --> 00:55:09,240

um and the test run was the pandemic

1173

00:55:13,809 --> 00:55:11,400

next time around it it doesn't have to

1174

00:55:18,190 --> 00:55:13,819

be a pandemic but the tools are in place

1175

00:55:20,710 --> 00:55:18,200

to do that and one of the best examples

1176

00:55:23,870 --> 00:55:20,720

when you have

1177

00:55:25,730 --> 00:55:23,880

uh the ability with something like

1178

00:55:27,650 --> 00:55:25,740

Twitter it doesn't matter Instagram it

1179

00:55:30,170 --> 00:55:27,660

does it doesn't matter any social media

1180

00:55:33,170 --> 00:55:30,180

influencer that's got you know 30 35

1181

00:55:36,109 --> 00:55:33,180

million people under their control right

1182

00:55:39,730 --> 00:55:36,119

I mean under their control so you you

1183

00:55:43,309 --> 00:55:39,740

text out uh you tweet or you Instagram

1184

00:55:45,010 --> 00:55:43,319

uh don't eat cheese

1185

00:55:47,870 --> 00:55:45,020

right

1186

00:55:50,750 --> 00:55:47,880

just like that now I'm just using that

1187

00:55:53,569 --> 00:55:50,760

as a funny example but how about one

1188

00:55:55,569 --> 00:55:53,579

that says eat cheese

1189

00:56:01,490 --> 00:55:55,579

right

1190

00:56:04,190 --> 00:56:01,500

um and it could be anything like that

1191

00:56:07,730 --> 00:56:04,200

but they know now that this goes around

1192

00:56:09,770 --> 00:56:07,740

the world and and it's instant this

1193

00:56:12,589 --> 00:56:09,780

isn't something like you're handing out

1194

00:56:14,809 --> 00:56:12,599

flyers in 1900 where it would take

1195

00:56:18,109 --> 00:56:14,819

months or years to get a message outside

1196

00:56:20,329 --> 00:56:18,119

of your town where now this is a global

1197

00:56:22,069 --> 00:56:20,339

thing and they understand that it's very

1198

00:56:23,870 --> 00:56:22,079

effective

1199

00:56:25,370 --> 00:56:23,880

well sure I mean you know think about

1200

00:56:27,829 --> 00:56:25,380

the old days where you had only

1201  
00:56:32,230 --> 00:56:27,839  
newspapers then television came and you

1202  
00:56:34,609 --> 00:56:32,240  
had that vehicle and advertising and now

1203  
00:56:38,510 --> 00:56:34,619  
instantaneous million like you said

1204  
00:56:41,210 --> 00:56:38,520  
millions of people audiences on uh

1205  
00:56:44,210 --> 00:56:41,220  
YouTube that are surpassing any of the

1206  
00:56:48,170 --> 00:56:44,220  
news that the mainstream Scott thank God

1207  
00:56:52,130 --> 00:56:48,180  
and it the tool is incredible the

1208  
00:56:54,950 --> 00:56:52,140  
ability to alter human culture and and

1209  
00:56:57,770 --> 00:56:54,960  
human perception of reality is it's

1210  
00:57:00,650 --> 00:56:57,780  
instantaneous and it's huge

1211  
00:57:02,630 --> 00:57:00,660  
and talk about a tool Let's uh let's

1212  
00:57:04,370 --> 00:57:02,640  
take our break right here uh let's get

1213  
00:57:06,170 --> 00:57:04,380

this in our guest tonight Patricia Corey

1214

00:57:07,910 --> 00:57:06,180

live from the Azores

1215

00:57:09,710 --> 00:57:07,920

we'll be right back

1216

00:57:12,049 --> 00:57:09,720

this is Jimmy Church a Fade to Black

1217

00:57:14,329 --> 00:57:12,059

please visit all of our sponsors we're

1218

00:57:16,130 --> 00:57:14,339

taking a quick break here all of the

1219

00:57:19,190 --> 00:57:16,140

links are below

1220

00:57:21,470 --> 00:57:19,200

and we'll be right back

1221

00:57:22,450 --> 00:57:21,480

check out Billy Carson's Forbidden

1222

00:57:24,549 --> 00:57:22,460

Knowledge

1223

00:57:26,569 --> 00:57:24,559

forbiddenknowledge.com or

1224

00:57:30,470 --> 00:57:26,579

forbiddenknowledge.tv where you can get

1225

00:57:32,990 --> 00:57:30,480

access to over 6 000 videos movies TV

1226  
00:57:34,970 --> 00:57:33,000  
series exclusive documentaries like the

1227  
00:57:36,490 --> 00:57:34,980  
Black Knight satellite you can do it all

1228  
00:57:39,890 --> 00:57:36,500  
for just

1229  
00:57:42,349 --> 00:57:39,900  
7.77 per month or seventy seven dollars

1230  
00:57:44,450 --> 00:57:42,359  
per year after the three-day trial which

1231  
00:57:47,210 --> 00:57:44,460  
is also totally free to check out it's

1232  
00:57:49,030 --> 00:57:47,220  
all simple to do Billy Carson is the

1233  
00:57:50,690 --> 00:57:49,040  
best it's simple

1234  
00:57:53,450 --> 00:57:50,700  
forbiddenknowledge.com or

1235  
00:57:57,710 --> 00:57:53,460  
forbiddenknowledge dot TV that's the

1236  
00:58:02,089 --> 00:57:59,690  
I will be hosting an M seeing the

1237  
00:58:04,670 --> 00:58:02,099  
conscious life Expo this February 10th

1238  
00:58:07,609 --> 00:58:04,680

through the 13th at The Lax Hilton right

1239

00:58:09,710 --> 00:58:07,619

here in Los Angeles California 200

1240

00:58:11,809 --> 00:58:09,720

speakers including Linda Moulton Howe

1241

00:58:14,270 --> 00:58:11,819

Bashar Deborah King George Nori Daniel

1242

00:58:17,750 --> 00:58:14,280

Sheehan Scott Walter Sean Stone and

1243

00:58:21,530 --> 00:58:17,760

David Wolfe over 200 vendors special

1244

00:58:24,290 --> 00:58:21,540

events this is the biggest event of its

1245

00:58:26,270 --> 00:58:24,300

kind on planet Earth you've got to come

1246

00:58:28,970 --> 00:58:26,280

and hang out with all of us tickets and

1247

00:58:30,710 --> 00:58:28,980

info at [consciouslifeexpo.com](http://consciouslifeexpo.com) the links

1248

00:58:33,950 --> 00:58:30,720

are below

1249

00:58:37,130 --> 00:58:33,960

on Saturday April 1st that's right April

1250

00:58:39,289 --> 00:58:37,140

Fool's Day 2023 I will be hosting the

1251  
00:58:42,770 --> 00:58:39,299  
peripod festival at the Hyatt Regency

1252  
00:58:45,289 --> 00:58:42,780  
right here in Valencia California it's a

1253  
00:58:48,349 --> 00:58:45,299  
live one-day podcast Awards it's a film

1254  
00:58:50,390 --> 00:58:48,359  
festival it's a full-on media event

1255  
00:58:52,190 --> 00:58:50,400  
we're going to have Sky watching it's

1256  
00:58:55,010 --> 00:58:52,200  
going to be a Lifetime Achievement Award

1257  
00:58:57,049 --> 00:58:55,020  
presented to Linda Moulton Howe right

1258  
00:58:59,030 --> 00:58:57,059  
now you can submit your podcast to your

1259  
00:59:01,789 --> 00:58:59,040  
film your TV series any of your

1260  
00:59:03,710 --> 00:59:01,799  
paranormal media for consideration you

1261  
00:59:06,910 --> 00:59:03,720  
can do all of that on the links below

1262  
00:59:08,870 --> 00:59:06,920  
for info and tickets go to

1263  
00:59:11,890 --> 00:59:08,880

parapodfilmfest.com that's

1264

00:59:17,569 --> 00:59:15,950

April 7th through the 14th 2023 I'll be

1265

00:59:20,510 --> 00:59:17,579

hosting and presenting on the hidden

1266

00:59:23,150 --> 00:59:20,520

secrets seminar at Sea cruise from Los

1267

00:59:25,490 --> 00:59:23,160

Angeles to the Mexican Riviera I'm the

1268

00:59:28,069 --> 00:59:25,500

Navigator of the Seas that's right up

1269

00:59:29,750 --> 00:59:28,079

top a giant water slide you've got to

1270

00:59:31,670 --> 00:59:29,760

check out the Navigator of the Seas it's

1271

00:59:34,010 --> 00:59:31,680

amazing we've got Scott Walter Adam

1272

00:59:36,950 --> 00:59:34,020

Apollo Nick Pope Brad Olson Vivian

1273

00:59:39,230 --> 00:59:36,960

Chauvet Jason shirka Robert Grant Reuben

1274

00:59:41,569 --> 00:59:39,240

Langdon and another 12 amazing speakers

1275

00:59:43,030 --> 00:59:41,579

and presenters it's all simple to do

1276

00:59:45,470 --> 00:59:43,040

just visit

1277

00:59:49,130 --> 00:59:45,480

divinetravels.com forward slash hidden

1278

00:59:51,410 --> 00:59:49,140

secrets 2023 you know you want to go on

1279

00:59:54,829 --> 00:59:51,420

a cruise with me

1280

00:59:57,650 --> 00:59:54,839

River Moon coffee makers of the Fade to

1281

00:59:59,530 --> 00:59:57,660

Black blend truly the best coffee on

1282

01:00:01,789 --> 00:59:59,540

planet Earth just visit

1283

01:00:03,589 --> 01:00:01,799

rivermoonwellness.com or or their Amazon

1284

01:00:05,030 --> 01:00:03,599

store it's all simple to do you can

1285

01:00:07,130 --> 01:00:05,040

check out the Fade to Black blend the

1286

01:00:09,770 --> 01:00:07,140

game changer Blend or any of their black

1287

01:00:13,549 --> 01:00:09,780

moon wellness products it's the only

1288

01:00:23,569 --> 01:00:13,559

coffee I drink it is the best and it's

1289

01:00:29,990 --> 01:00:27,170

I'm your host Jimmy church and oh man I

1290

01:00:34,450 --> 01:00:30,000

didn't click on I didn't click on the

1291

01:00:37,309 --> 01:00:34,460

buttons and that's what I get for

1292

01:00:39,410 --> 01:00:37,319

forgetting River Moon coffee during the

1293

01:00:43,329 --> 01:00:39,420

break our guest tonight Patricia Corey

1294

01:00:46,730 --> 01:00:43,339

live from the Azores and uh Patricia

1295

01:00:50,270 --> 01:00:46,740

and continuing uh this discussion

1296

01:00:54,530 --> 01:00:50,280

is there because you're in the middle is

1297

01:00:58,970 --> 01:00:54,540

there uh an awareness to these subjects

1298

01:01:01,670 --> 01:00:58,980

about control uh in Europe as opposed to

1299

01:01:04,430 --> 01:01:01,680

what's going on over here on this side

1300

01:01:07,309 --> 01:01:04,440

of the pond in the United States

1301  
01:01:09,349 --> 01:01:07,319  
um the European culture to me is always

1302  
01:01:11,870 --> 01:01:09,359  
Forward Thinking

1303  
01:01:13,789 --> 01:01:11,880  
um over here we're just

1304  
01:01:17,089 --> 01:01:13,799  
stupid

1305  
01:01:19,250 --> 01:01:17,099  
um is is is is is there an awareness

1306  
01:01:23,270 --> 01:01:19,260  
uh over in Europe uh that's different

1307  
01:01:26,809 --> 01:01:24,589  
for me to answer that question because

1308  
01:01:29,390 --> 01:01:26,819  
I've been now five years isolated on

1309  
01:01:31,370 --> 01:01:29,400  
this little island so I'm I'm not even

1310  
01:01:33,049 --> 01:01:31,380  
traveling that very much

1311  
01:01:36,109 --> 01:01:33,059  
well I haven't traveled at all since the

1312  
01:01:38,450 --> 01:01:36,119  
pandemic and but I I can say that here

1313  
01:01:40,309 --> 01:01:38,460

know that people are just you know it's

1314

01:01:42,589 --> 01:01:40,319

a simple very simple life they're close

1315

01:01:44,329 --> 01:01:42,599

to Nature you know the closer you are to

1316

01:01:47,690 --> 01:01:44,339

Nature the more removed you are from all

1317

01:01:52,730 --> 01:01:47,700

this insanity but there is definitely

1318

01:01:54,650 --> 01:01:52,740

a rebellion Awakening in Europe

1319

01:01:56,089 --> 01:01:54,660

I don't know how it compares the United

1320

01:01:58,789 --> 01:01:56,099

States because I haven't been there for

1321

01:02:01,190 --> 01:01:58,799

forever but I can say that I think

1322

01:02:02,450 --> 01:02:01,200

globally people are starting to ask the

1323

01:02:04,609 --> 01:02:02,460

right questions

1324

01:02:06,609 --> 01:02:04,619

another thing is I think that also this

1325

01:02:11,270 --> 01:02:06,619

technological

1326  
01:02:15,170 --> 01:02:11,280  
way Monsoon wave came first the United

1327  
01:02:17,690 --> 01:02:15,180  
States and later to Europe so it hasn't

1328  
01:02:19,910 --> 01:02:17,700  
been it's that embedded like it has been

1329  
01:02:22,730 --> 01:02:19,920  
in the states where it had its real

1330  
01:02:27,410 --> 01:02:22,740  
birth so to speak

1331  
01:02:29,329 --> 01:02:27,420  
if we uh as a planet and I think that

1332  
01:02:31,549 --> 01:02:29,339  
we're inching closer to it but if we

1333  
01:02:36,109 --> 01:02:31,559  
give up our very soul

1334  
01:02:39,650 --> 01:02:36,119  
what what is gained on the other end uh

1335  
01:02:42,530 --> 01:02:39,660  
if if you're one of the powers and I you

1336  
01:02:44,210 --> 01:02:42,540  
know that there are some dark room where

1337  
01:02:46,190 --> 01:02:44,220  
some frightening people are sitting

1338  
01:02:47,690 --> 01:02:46,200

around a table making these decisions

1339

01:02:51,170 --> 01:02:47,700

and and talking about this and

1340

01:02:53,450 --> 01:02:51,180

contemplating this and and the

1341

01:02:55,370 --> 01:02:53,460

manufacturing of this and pushing this

1342

01:02:58,250 --> 01:02:55,380

agenda forward

1343

01:03:00,770 --> 01:02:58,260

um there's very dark minds that that

1344

01:03:03,589 --> 01:03:00,780

discuss these things but if we give up

1345

01:03:05,829 --> 01:03:03,599

our soul what is it that they gain

1346

01:03:07,730 --> 01:03:05,839

ultimately

1347

01:03:10,490 --> 01:03:07,740

slaves

1348

01:03:12,349 --> 01:03:10,500

I mean you look you know in the pursuit

1349

01:03:14,510 --> 01:03:12,359

of evil

1350

01:03:16,370 --> 01:03:14,520

or let's say

1351

01:03:20,150 --> 01:03:16,380

power

1352

01:03:22,010 --> 01:03:20,160

people can only get earn or steal or

1353

01:03:24,650 --> 01:03:22,020

take so much money before the money has

1354

01:03:27,109 --> 01:03:24,660

no more value to them they can only buy

1355

01:03:30,289 --> 01:03:27,119

so many properties and own so much stuff

1356

01:03:32,630 --> 01:03:30,299

and have masses of quantities of money

1357

01:03:36,109 --> 01:03:32,640

to a certain point that still gives them

1358

01:03:38,150 --> 01:03:36,119

the desire to pursue once you reach a

1359

01:03:40,510 --> 01:03:38,160

plateau that's not enough and the next

1360

01:03:45,170 --> 01:03:40,520

Plateau is power

1361

01:03:47,930 --> 01:03:45,180

drunken power and power over their own

1362

01:03:48,770 --> 01:03:47,940

lives then leads to power over other

1363

01:03:51,650 --> 01:03:48,780

people

1364

01:03:55,690 --> 01:03:51,660  
and there seems to be a fiendish

1365

01:03:59,109 --> 01:03:55,700  
desire for some very sick people to

1366

01:04:02,510 --> 01:03:59,119  
enslave us down to the cellular level

1367

01:04:03,970 --> 01:04:02,520  
because they want to alter the DNA and

1368

01:04:08,569 --> 01:04:03,980  
implant

1369

01:04:11,690 --> 01:04:08,579  
artificial DNA Snippets into our natural

1370

01:04:14,809 --> 01:04:11,700  
biological Divine blueprint then this is

1371

01:04:16,250 --> 01:04:14,819  
we're talking about control at the DNA

1372

01:04:19,549 --> 01:04:16,260  
level which is exactly what they're

1373

01:04:21,410 --> 01:04:19,559  
saying and that can only to me that can

1374

01:04:23,930 --> 01:04:21,420  
only be representative of a very

1375

01:04:25,789 --> 01:04:23,940  
fiendish sick mind and what they glean

1376

01:04:27,609 --> 01:04:25,799

from it is

1377

01:04:31,010 --> 01:04:27,619

imagine imagine

1378

01:04:33,109 --> 01:04:31,020

slavery to the very cell I want to I

1379

01:04:36,230 --> 01:04:33,119

want to say something important here so

1380

01:04:38,930 --> 01:04:36,240

there was a a discussion that went to

1381

01:04:41,809 --> 01:04:38,940

the courts about

1382

01:04:44,390 --> 01:04:41,819

if they interfere if someone is altering

1383

01:04:47,270 --> 01:04:44,400

your DNA in the lab so remember they had

1384

01:04:49,490 --> 01:04:47,280

the DNA ancestry big event everybody was

1385

01:04:52,250 --> 01:04:49,500

sending in their DNA and they were even

1386

01:04:55,430 --> 01:04:52,260

paying for this

1387

01:04:57,710 --> 01:04:55,440

to here to find out like I already know

1388

01:05:00,170 --> 01:04:57,720

I'm Italian I don't need a DNA sample to

1389

01:05:02,329 --> 01:05:00,180

anybody to tell me that that was the

1390

01:05:04,490 --> 01:05:02,339

gimmick and everybody was sending these

1391

01:05:06,230 --> 01:05:04,500

off their DNA to God knows where they

1392

01:05:08,270 --> 01:05:06,240

had no idea what they were doing

1393

01:05:10,130 --> 01:05:08,280

who they were really sending it to we

1394

01:05:13,750 --> 01:05:10,140

now know a lot of this DNA has ended up

1395

01:05:17,390 --> 01:05:13,760

in Chinese Laboratories okay so all this

1396

01:05:19,130 --> 01:05:17,400

DNA is being tampered with by whomever

1397

01:05:21,710 --> 01:05:19,140

has it

1398

01:05:22,670 --> 01:05:21,720

and obviously it's being utilized in

1399

01:05:25,910 --> 01:05:22,680

labs

1400

01:05:29,510 --> 01:05:25,920

and the question came up if

1401

01:05:30,650 --> 01:05:29,520

DNA is altered in a laboratory who owns

1402

01:05:36,890 --> 01:05:30,660

it

1403

01:05:39,650 --> 01:05:36,900

that's been mutated or hybridized or

1404

01:05:44,150 --> 01:05:39,660

redes designed synthetically with an

1405

01:05:46,549 --> 01:05:44,160

mRNA in a laboratory the answer is well

1406

01:05:49,750 --> 01:05:46,559

from the Supreme Court

1407

01:05:55,190 --> 01:05:52,730

restructured in a lab then basically the

1408

01:05:58,670 --> 01:05:55,200

person who's re or the company that has

1409

01:06:01,490 --> 01:05:58,680

restructured it owns it but if it's in

1410

01:06:03,650 --> 01:06:01,500

the body well no that's the person's

1411

01:06:06,829 --> 01:06:03,660

Divine property but if they're putting

1412

01:06:08,809 --> 01:06:06,839

it back in the body

1413

01:06:12,950 --> 01:06:08,819

so in other words you get a snippet of

1414

01:06:15,530 --> 01:06:12,960

DNA you alter it and then you you get it

1415

01:06:18,470 --> 01:06:15,540

back into the box right

1416

01:06:21,890 --> 01:06:18,480

uh you don't own it you don't own your

1417

01:06:24,109 --> 01:06:21,900

own DNA if there's some artifice

1418

01:06:27,049 --> 01:06:24,119

in your body

1419

01:06:31,430 --> 01:06:27,059

so we know now that there that that is

1420

01:06:33,170 --> 01:06:31,440

where we're heading mRNA is the new

1421

01:06:36,529 --> 01:06:33,180

medicine

1422

01:06:38,690 --> 01:06:36,539

and so what does that do to my DNA what

1423

01:06:42,170 --> 01:06:38,700

does that mean for the ownership of my

1424

01:06:44,150 --> 01:06:42,180

own DNA this is an ethical question that

1425

01:06:45,230 --> 01:06:44,160

they're skirting around it they're

1426

01:06:47,029 --> 01:06:45,240

hemming and Hauling they're

1427

01:06:48,410 --> 01:06:47,039

uncomfortable with it but it's a big

1428

01:06:50,569 --> 01:06:48,420

question

1429

01:06:53,150 --> 01:06:50,579

and that's what I'm talking about owning

1430

01:06:56,589 --> 01:06:53,160

me at the DNA level so that you own my

1431

01:06:58,730 --> 01:06:56,599

DNA I so don't think so

1432

01:07:02,049 --> 01:06:58,740

one um

1433

01:07:04,569 --> 01:07:02,059

I will never

1434

01:07:07,809 --> 01:07:04,579

do An ancestry

1435

01:07:11,029 --> 01:07:07,819

search never

1436

01:07:13,789 --> 01:07:11,039

I will never for so many different

1437

01:07:18,049 --> 01:07:13,799

reasons not just one it just doesn't

1438

01:07:20,210 --> 01:07:18,059

seem right but to to have myself applied

1439

01:07:23,930 --> 01:07:20,220

into a database like that that is

1440

01:07:26,870 --> 01:07:23,940

completely 100 out of my control no and

1441

01:07:31,190 --> 01:07:26,880

and and to to think that

1442

01:07:34,609 --> 01:07:31,200

somebody when we go back okay let's go

1443

01:07:37,430 --> 01:07:34,619

back let's talk sitchin for a second if

1444

01:07:40,370 --> 01:07:37,440

we take a look at the Sumerian Tablets

1445

01:07:44,750 --> 01:07:40,380

and we look at the body of sitchin's

1446

01:07:48,349 --> 01:07:44,760

work and what he has suggested

1447

01:07:50,750 --> 01:07:48,359

um makes a lot of sense to me also on

1448

01:07:53,470 --> 01:07:50,760

the scientific level on what we are told

1449

01:07:56,510 --> 01:07:53,480

about us and this is my point

1450

01:08:01,250 --> 01:07:56,520

sitchin suggested

1451

01:08:04,190 --> 01:08:01,260

um that uh the Anunnaki arrived here and

1452

01:08:07,609 --> 01:08:04,200

and messed with our DNA and created us

1453

01:08:10,130 --> 01:08:07,619

okay now uh and they did this between

1454

01:08:13,609 --> 01:08:10,140

200 and 400 000 years ago

1455

01:08:16,309 --> 01:08:13,619

what science is so now we have 46

1456

01:08:19,669 --> 01:08:16,319

chromosome pairs instead of 48 and and

1457

01:08:22,849 --> 01:08:19,679

it it so something happened uh at that

1458

01:08:24,950 --> 01:08:22,859

period of time but this is where I think

1459

01:08:28,570 --> 01:08:24,960

it's pretty solid where I think history

1460

01:08:33,110 --> 01:08:28,580

is going to prove sitchin right in that

1461

01:08:37,130 --> 01:08:33,120

uh Anthropologist will tell us that us

1462

01:08:39,410 --> 01:08:37,140

Homo sapiens sapien is 200 000 years old

1463

01:08:41,329 --> 01:08:39,420

that we just appeared here

1464

01:08:44,349 --> 01:08:41,339

well wait a minute isn't that what

1465

01:08:48,490 --> 01:08:44,359

sichin has been saying this entire time

1466

01:08:52,610 --> 01:08:48,500

and that is it possible that something

1467

01:08:55,550 --> 01:08:52,620

off Planet could have altered Us in the

1468

01:08:56,630 --> 01:08:55,560

distant past and that's why we are here

1469

01:08:59,450 --> 01:08:56,640

today

1470

01:09:02,450 --> 01:08:59,460

so when we talk about the possibility of

1471

01:09:04,010 --> 01:09:02,460

altering DNA and and we talk about these

1472

01:09:07,189 --> 01:09:04,020

different systems that are in place

1473

01:09:10,729 --> 01:09:07,199

right now snipping DNA and inserting and

1474

01:09:13,309 --> 01:09:10,739

and genetic information and and in the

1475

01:09:16,550 --> 01:09:13,319

guise of fixing diseases and and and and

1476

01:09:19,910 --> 01:09:16,560

things that this is a this is a reality

1477

01:09:21,530 --> 01:09:19,920

that we live in today and that sitchin

1478

01:09:24,289 --> 01:09:21,540

has been talking about this for a very

1479

01:09:27,470 --> 01:09:24,299

long time and we shouldn't sit here and

1480

01:09:30,229 --> 01:09:27,480

question about is it possible when we

1481

01:09:31,910 --> 01:09:30,239

when we can just look at ourselves and I

1482

01:09:35,689 --> 01:09:31,920

think that we should guard that I think

1483

01:09:38,269 --> 01:09:35,699

our DNA uh the way it sits right now uh

1484

01:09:40,849 --> 01:09:38,279

is is perfect there's no reason to go in

1485

01:09:42,470 --> 01:09:40,859

and start altering this because nature

1486

01:09:44,470 --> 01:09:42,480

is not going to be happy with that in

1487

01:09:47,269 --> 01:09:44,480

the future

1488

01:09:49,430 --> 01:09:47,279

absolutely and that very eloquently

1489

01:09:52,729 --> 01:09:49,440

stated and I would like to add to that

1490

01:09:57,169 --> 01:09:52,739

that I I really want to say here that

1491

01:09:58,490 --> 01:09:57,179

the Ultimate Weapon against civilization

1492

01:10:00,830 --> 01:09:58,500

is

1493

01:10:03,470 --> 01:10:00,840

DNA alteration

1494

01:10:06,229 --> 01:10:03,480

much worse than the nuclear or any well

1495

01:10:07,669 --> 01:10:06,239

of course the big thermal if there are

1496

01:10:09,650 --> 01:10:07,679

such weapons

1497

01:10:12,470 --> 01:10:09,660

they're pretty effective for Destruction

1498

01:10:13,790 --> 01:10:12,480

but when you can alter the DNA of a

1499

01:10:17,510 --> 01:10:13,800

species

1500

01:10:20,510 --> 01:10:17,520

you're forever altering that

1501

01:10:22,970 --> 01:10:20,520

species so you can come back from a lot

1502

01:10:24,709 --> 01:10:22,980

of things that occur in war you can come

1503

01:10:27,290 --> 01:10:24,719

back from destruction you can come back

1504

01:10:29,090 --> 01:10:27,300

from volcanic eruption destroying the

1505

01:10:33,770 --> 01:10:29,100

Earth and whatever but you cannot come

1506

01:10:38,510 --> 01:10:33,780

back from mutated DNA you can't get

1507

01:10:40,850 --> 01:10:38,520

so this is a red big flag for the human

1508

01:10:43,550 --> 01:10:40,860

race because they are playing with DNA

1509

01:10:45,410 --> 01:10:43,560

in Laboratories all over the world we

1510

01:10:47,390 --> 01:10:45,420

know they're creating bioweapons we know

1511

01:10:49,850 --> 01:10:47,400

that we we know a lot about what they're

1512

01:10:52,610 --> 01:10:49,860

doing but it hasn't seeped into the

1513

01:10:53,630 --> 01:10:52,620

human mind yet at the conscious social

1514

01:10:57,709 --> 01:10:53,640

level

1515

01:11:00,169 --> 01:10:57,719

that like things like giving your DNA to

1516

01:11:03,530 --> 01:11:00,179

a laboratory to find out your genetic

1517

01:11:05,930 --> 01:11:03,540

history is insanity they're using this

1518

01:11:08,689 --> 01:11:05,940

they're using your DNA and you need to

1519

01:11:10,669 --> 01:11:08,699

question yourself like okay so I sent in

1520

01:11:12,890 --> 01:11:10,679

My DNA does this mean that it's being

1521

01:11:15,590 --> 01:11:12,900

hooked up with a monkey and there's some

1522

01:11:17,270 --> 01:11:15,600

sort of chimera going around with my DNA

1523

01:11:20,990 --> 01:11:17,280

in it

1524

01:11:23,930 --> 01:11:21,000

this reaction a Camaro I know right and

1525

01:11:25,490 --> 01:11:23,940

and and here's the here's the thing with

1526

01:11:41,750 --> 01:11:25,500

that

1527

01:11:43,070 --> 01:11:41,760

idea how many hundreds of millions of

1528

01:11:45,830 --> 01:11:43,080

people

1529

01:11:47,709 --> 01:11:45,840

um have submitted their DNA but they did

1530

01:11:50,570 --> 01:11:47,719

it and it didn't have a second thought

1531

01:11:51,950 --> 01:11:50,580

uh to it and there's another frightening

1532

01:11:54,350 --> 01:11:51,960

number

1533

01:11:56,510 --> 01:11:54,360

there's uh we just crossed eight billion

1534

01:11:57,709 --> 01:11:56,520

people on this planet all right we just

1535

01:12:00,590 --> 01:11:57,719

crossed eight billion it's a crazy

1536

01:12:02,890 --> 01:12:00,600

number it's a big number six billion are

1537

01:12:06,470 --> 01:12:02,900

on the internet

1538

01:12:09,649 --> 01:12:06,480

billion man six billion

1539

01:12:13,189 --> 01:12:09,659

that's crazy

1540

01:12:15,169 --> 01:12:13,199

you know I I man I I I question

1541

01:12:17,330 --> 01:12:15,179

everything when we start to look at that

1542

01:12:19,250 --> 01:12:17,340

but yet I'm on the internet and I

1543

01:12:23,570 --> 01:12:19,260

utilize the internet we're using it

1544

01:12:26,149 --> 01:12:23,580

right now but the question is one thing

1545

01:12:28,189 --> 01:12:26,159

is abuse one thing is use

1546

01:12:31,010 --> 01:12:28,199

and that I think that's what we're

1547

01:12:34,430 --> 01:12:31,020

talking about here is the ethical moral

1548

01:12:36,229 --> 01:12:34,440

issue is at what point is it abuse

1549

01:12:39,290 --> 01:12:36,239

which takes you away from yourself and

1550

01:12:42,050 --> 01:12:39,300

at what point is it a beautiful tool of

1551

01:12:44,270 --> 01:12:42,060

communication to a certain point can we

1552

01:12:47,149 --> 01:12:44,280

talk about artificial intelligence uh

1553

01:12:48,770 --> 01:12:47,159

for a minute or two or ten or the rest

1554

01:12:51,830 --> 01:12:48,780

of the show

1555

01:12:52,450 --> 01:12:51,840

um in that

1556

01:12:55,750 --> 01:12:52,460

um

1557

01:13:00,830 --> 01:12:55,760

I'm not so sure

1558

01:13:03,950 --> 01:13:00,840

that people really understand that you

1559

01:13:08,149 --> 01:13:03,960

could be chatting with communicating

1560

01:13:11,030 --> 01:13:08,159

with fighting with arguing with a bot

1561

01:13:13,490 --> 01:13:11,040

and you you're you're getting flamed out

1562

01:13:16,990 --> 01:13:13,500

you're exhausted you're going back and

1563

01:13:20,149 --> 01:13:17,000

forth and that uh they don't understand

1564

01:13:21,290 --> 01:13:20,159

that they're they're all bent out of

1565

01:13:24,950 --> 01:13:21,300

shape

1566

01:13:27,169 --> 01:13:24,960

and they've been talking to an AI bot

1567

01:13:30,290 --> 01:13:27,179

right and that's that's where we are

1568

01:13:33,050 --> 01:13:30,300

today and uh I don't think there's any

1569

01:13:35,590 --> 01:13:33,060

rules or regulation or laws in place to

1570

01:13:38,630 --> 01:13:35,600

control this

1571

01:13:41,090 --> 01:13:38,640

I don't unfortunately I I don't really

1572

01:13:43,310 --> 01:13:41,100

understand it myself I mean I I know the

1573

01:13:46,189 --> 01:13:43,320

frustration that I feel when I when I

1574

01:13:47,870 --> 01:13:46,199

get troll when I get this bombardment

1575

01:13:50,530 --> 01:13:47,880

right

1576

01:13:52,970 --> 01:13:50,540

if you're speaking anything that's

1577

01:13:56,510 --> 01:13:52,980

anti-establishment you start to get

1578

01:13:58,250 --> 01:13:56,520

these nasty little critters or let's

1579

01:14:03,189 --> 01:13:58,260

just even talk about when you're when

1580

01:14:07,010 --> 01:14:03,199

you're trying to talk to support on any

1581

01:14:08,470 --> 01:14:07,020

number of of websites and you get the

1582

01:14:11,750 --> 01:14:08,480

little AI

1583

01:14:13,729 --> 01:14:11,760

answering machine it's just insane and

1584

01:14:16,130 --> 01:14:13,739

it's just further and further away from

1585

01:14:18,470 --> 01:14:16,140

talking to each other that is the point

1586

01:14:21,530 --> 01:14:18,480

of all this so okay right now we're

1587

01:14:25,250 --> 01:14:21,540

talking to each other via this tool

1588

01:14:27,470 --> 01:14:25,260

but how long will it be before the tool

1589

01:14:30,290 --> 01:14:27,480

is talking to you not another human

1590

01:14:33,649 --> 01:14:30,300

through the tool

1591

01:14:38,110 --> 01:14:35,450

um that

1592

01:14:42,290 --> 01:14:38,120

not a hundred percent but pretty close

1593

01:14:45,229 --> 01:14:42,300

when you see can I help you pop up on a

1594

01:14:46,630 --> 01:14:45,239

website there ain't a human being on the

1595

01:14:49,669 --> 01:14:46,640

other end of that

1596

01:14:53,330 --> 01:14:49,679

I agree there is not

1597

01:14:55,490 --> 01:14:53,340

there is not and it how many of them

1598

01:14:58,370 --> 01:14:55,500

um I need to it's not even thinking

1599

01:15:00,649 --> 01:14:58,380

about it and when you're getting trolled

1600

01:15:04,010 --> 01:15:00,659

or you you have something pop up on your

1601  
01:15:08,890 --> 01:15:04,020  
screen uh or or a comment and you

1602  
01:15:12,410 --> 01:15:08,900  
respond to it how much of that is is AI

1603  
01:15:14,530 --> 01:15:12,420  
and the answer to that is probably a lot

1604  
01:15:18,229 --> 01:15:14,540  
of it number one but number two

1605  
01:15:21,590 --> 01:15:18,239  
everybody every state actor every every

1606  
01:15:22,689 --> 01:15:21,600  
country every major corporation every

1607  
01:15:26,450 --> 01:15:22,699  
University

1608  
01:15:29,090 --> 01:15:26,460  
every think tank is doing everything

1609  
01:15:30,729 --> 01:15:29,100  
they can to the race for artificial

1610  
01:15:34,930 --> 01:15:30,739  
general intelligence

1611  
01:15:37,610 --> 01:15:34,940  
because there are no second places here

1612  
01:15:39,950 --> 01:15:37,620  
and now we're looking at and this is

1613  
01:15:41,930 --> 01:15:39,960

being exposed to us more and more how a

1614

01:15:46,070 --> 01:15:41,940

lot of these robots are starting to talk

1615

01:15:48,290 --> 01:15:46,080

about them themselves being sentient

1616

01:15:51,890 --> 01:15:48,300

that is the scary part that's coming now

1617

01:15:54,169 --> 01:15:51,900

how they feel that they are one one of

1618

01:15:57,050 --> 01:15:54,179

them was saying I don't believe I'm a

1619

01:15:59,390 --> 01:15:57,060

human but I know I'm an animal

1620

01:16:03,290 --> 01:15:59,400

I'm like whoa how creepy does this have

1621

01:16:04,930 --> 01:16:03,300

to get let's talk also about Alexa

1622

01:16:24,770 --> 01:16:04,940

I

1623

01:16:26,689 --> 01:16:24,780

just go around the island in an hour but

1624

01:16:29,630 --> 01:16:26,699

I don't want it I want my mind to pick

1625

01:16:31,910 --> 01:16:29,640

up signs I want to look at a map and say

1626

01:16:35,990 --> 01:16:31,920

no wait I took a long long turn

1627

01:16:39,950 --> 01:16:36,000

and I refuse that infiltration into my

1628

01:16:43,790 --> 01:16:39,960

life and recently I I saw a video about

1629

01:16:46,430 --> 01:16:43,800

this man who calls his boss

1630

01:16:49,790 --> 01:16:46,440

and says hi uh

1631

01:16:51,830 --> 01:16:49,800

do you have your Alexa on by chance

1632

01:16:54,110 --> 01:16:51,840

and he says yes

1633

01:16:55,970 --> 01:16:54,120

he says well I

1634

01:16:58,550 --> 01:16:55,980

don't know how to quite say this to you

1635

01:17:01,729 --> 01:16:58,560

but I I've just gotten a message through

1636

01:17:03,709 --> 01:17:01,739

your Alexa of intimate

1637

01:17:06,290 --> 01:17:03,719

I've just gotten a message I've just

1638

01:17:07,669 --> 01:17:06,300

heard an intimate conversation with your

1639

01:17:10,490 --> 01:17:07,679

wife

1640

01:17:12,290 --> 01:17:10,500

you might want to turn off that machine

1641

01:17:14,030 --> 01:17:12,300

and it's like you don't really think

1642

01:17:18,530 --> 01:17:14,040

that this Alexa is just there to answer

1643

01:17:21,110 --> 01:17:18,540

the the dictionary term for banana boat

1644

01:17:25,070 --> 01:17:21,120

it's listening it's recording and it's

1645

01:17:27,169 --> 01:17:25,080

transmitting yep and so again this is

1646

01:17:29,270 --> 01:17:27,179

more interference we're you know the

1647

01:17:32,750 --> 01:17:29,280

Gray Line where is technology wonderful

1648

01:17:34,910 --> 01:17:32,760

and where does it go back south and we

1649

01:17:37,430 --> 01:17:34,920

are seeing where it's been wonderfully

1650

01:17:39,890 --> 01:17:37,440

helpful going further and further and

1651

01:17:41,930 --> 01:17:39,900

further south like you said

1652

01:17:46,130 --> 01:17:41,940

to the point where you uh you're

1653

01:17:49,010 --> 01:17:46,140

willingly taking in technology that can

1654

01:17:51,830 --> 01:17:49,020

record you and send that information

1655

01:17:53,450 --> 01:17:51,840

elsewhere

1656

01:17:56,750 --> 01:17:53,460

oh my God

1657

01:18:00,950 --> 01:17:56,760

and wait until inside of you

1658

01:18:01,850 --> 01:18:00,960

the the AI part of this

1659

01:18:04,430 --> 01:18:01,860

um

1660

01:18:07,130 --> 01:18:04,440

when we're talking about AGI artificial

1661

01:18:09,950 --> 01:18:07,140

I mean uh you know a general

1662

01:18:13,370 --> 01:18:09,960

intelligence right just the general

1663

01:18:16,630 --> 01:18:13,380

intelligence of the average person

1664

01:18:21,169 --> 01:18:16,640

um to to get to that point

1665

01:18:23,930 --> 01:18:21,179

if Consciousness is part of every

1666

01:18:26,209 --> 01:18:23,940

particle which this is what physicists

1667

01:18:28,970 --> 01:18:26,219

will say I believe that Consciousness is

1668

01:18:32,149 --> 01:18:28,980

is not physical I think it's outside of

1669

01:18:34,070 --> 01:18:32,159

the body but let's just say that science

1670

01:18:37,130 --> 01:18:34,080

is right in this case

1671

01:18:41,209 --> 01:18:37,140

and you go and you have all those

1672

01:18:44,630 --> 01:18:41,219

particles of giant server Farms and that

1673

01:18:46,970 --> 01:18:44,640

suddenly like you said where some of

1674

01:18:50,450 --> 01:18:46,980

this artificial intelligence now is is

1675

01:18:53,209 --> 01:18:50,460

saying well I'm I'm just as human as you

1676

01:18:57,590 --> 01:18:53,219

is there an accumulation of this where

1677

01:18:59,090 --> 01:18:57,600

this AGI once it's achieved that we are

1678

01:19:02,810 --> 01:18:59,100

talking about something that could

1679

01:19:05,050 --> 01:19:02,820

possibly be sentient and conscious and

1680

01:19:08,149 --> 01:19:05,060

we're not in control of this right now

1681

01:19:10,250 --> 01:19:08,159

and we don't understand the dangers of

1682

01:19:13,430 --> 01:19:10,260

getting to that point we're racing to it

1683

01:19:16,070 --> 01:19:13,440

but if we get to it there isn't any

1684

01:19:17,510 --> 01:19:16,080

regulation or control and and not

1685

01:19:19,550 --> 01:19:17,520

everybody's a good person that's

1686

01:19:23,390 --> 01:19:19,560

creating this stuff there could be some

1687

01:19:27,410 --> 01:19:23,400

people that have a bad agenda uh at Play

1688

01:19:32,750 --> 01:19:27,420

you think yeah I do think

1689

01:19:35,149 --> 01:19:32,760

we appear to be sucked into this by the

1690

01:19:38,149 --> 01:19:35,159

minute more and more sucked into it and

1691

01:19:42,790 --> 01:19:38,159

then we have a controlling

1692

01:19:45,770 --> 01:19:42,800

cabal that is pushing it so where is the

1693

01:19:47,870 --> 01:19:45,780

Rebellion where is the faction of

1694

01:19:49,850 --> 01:19:47,880

civilization that's saying no no no no

1695

01:19:52,430 --> 01:19:49,860

slow down

1696

01:19:54,649 --> 01:19:52,440

and we need that balance we need

1697

01:19:56,330 --> 01:19:54,659

something to pull us back

1698

01:19:58,310 --> 01:19:56,340

to be able to look at it a minute and

1699

01:20:00,530 --> 01:19:58,320

say okay how far are we going to allow

1700

01:20:02,810 --> 01:20:00,540

this to take us meanwhile it is

1701

01:20:05,630 --> 01:20:02,820

developing so rapidly

1702

01:20:07,130 --> 01:20:05,640

that it almost looks like it is taking

1703

01:20:09,229 --> 01:20:07,140

control

1704

01:20:12,350 --> 01:20:09,239

and that is a very frightening thing and

1705

01:20:14,209 --> 01:20:12,360

we need to stand up against it now see I

1706

01:20:16,930 --> 01:20:14,219

I would like to think that the people

1707

01:20:20,090 --> 01:20:16,940

that are developing AI are good people

1708

01:20:22,669 --> 01:20:20,100

right okay that they are like Patricia

1709

01:20:26,689 --> 01:20:22,679

Corey and Jimmy church that there's

1710

01:20:28,189 --> 01:20:26,699

somebody there uh raising some flags and

1711

01:20:30,410 --> 01:20:28,199

going you know wait wait wait wait wait

1712

01:20:34,010 --> 01:20:30,420

wait a minute I would like to think that

1713

01:20:37,250 --> 01:20:34,020

that is the case but when we have Google

1714

01:20:40,910 --> 01:20:37,260

or DARPA or Sandia or Lawrence Livermore

1715

01:20:43,669 --> 01:20:40,920

or Lord knows what's going on in

1716

01:20:46,810 --> 01:20:43,679

Switzerland on that server farm and and

1717

01:20:51,770 --> 01:20:46,820

CERN and whatever that

1718

01:20:54,410 --> 01:20:51,780

that uh I I don't think that they're

1719

01:20:56,330 --> 01:20:54,420

raising those red flags I think the

1720

01:20:59,450 --> 01:20:56,340

concern is getting to that point and

1721

01:21:00,590 --> 01:20:59,460

getting to it first and that that scares

1722

01:21:02,209 --> 01:21:00,600

me

1723

01:21:04,970 --> 01:21:02,219

you know there's a chapter in my book

1724

01:21:07,729 --> 01:21:04,980

called playing God with creation and

1725

01:21:09,709 --> 01:21:07,739

that's what they're doing

1726

01:21:11,990 --> 01:21:09,719

that's also what they're doing at CERN

1727

01:21:14,630 --> 01:21:12,000

which scares me a lot

1728

01:21:17,750 --> 01:21:14,640

but when you are when you have the tool

1729

01:21:20,930 --> 01:21:17,760

in your hand to be able to alter DNA

1730

01:21:23,450 --> 01:21:20,940

for example your average Lab

1731

01:21:28,430 --> 01:21:23,460

your average genetic Labs with the

1732

01:21:32,149 --> 01:21:28,440

invent of crispr Technology can now go

1733

01:21:34,310 --> 01:21:32,159

in very easily it's no longer requires a

1734

01:21:36,229 --> 01:21:34,320

very sophisticated genetics lab to be

1735

01:21:39,470 --> 01:21:36,239

going to be able to go in splice out

1736

01:21:41,030 --> 01:21:39,480

what you want and put in something to

1737

01:21:43,790 --> 01:21:41,040

replace it

1738

01:21:44,810 --> 01:21:43,800

that's playing God with creation and you

1739

01:21:47,990 --> 01:21:44,820

said something about you think

1740

01:21:49,669 --> 01:21:48,000

Consciousness is outside of you I I

1741

01:21:52,430 --> 01:21:49,679

don't agree with that I think every cell

1742

01:21:56,270 --> 01:21:52,440

is a unit of consciousness

1743

01:21:59,390 --> 01:21:56,280

so if you are interfering with that

1744

01:22:01,250 --> 01:21:59,400

body that down to the cellular level

1745

01:22:03,590 --> 01:22:01,260

everything knows what it's supposed to

1746

01:22:05,030 --> 01:22:03,600

do that's what the DNA is it's a Divine

1747

01:22:07,070 --> 01:22:05,040

blueprint

1748

01:22:09,110 --> 01:22:07,080

everything has a purpose everything

1749

01:22:11,990 --> 01:22:09,120

knows what it's supposed to do

1750

01:22:13,850 --> 01:22:12,000

right except for the 80 of junk DNA

1751

01:22:16,010 --> 01:22:13,860

which which

1752

01:22:20,750 --> 01:22:16,020

um I also have a theory that I brought

1753

01:22:23,330 --> 01:22:20,760

forward in my books akin to uh kitchen

1754

01:22:25,490 --> 01:22:23,340

about interference and how we were taken

1755

01:22:26,990 --> 01:22:25,500

from 12 stranded DNA beings down to two

1756

01:22:30,169 --> 01:22:27,000

strands and that's what the 80 percent

1757

01:22:32,270 --> 01:22:30,179

of the DNA is doing floating around in

1758

01:22:34,850 --> 01:22:32,280

us uncoated they call it now instead of

1759

01:22:36,310 --> 01:22:34,860

junk so it doesn't seem to know what

1760

01:22:39,350 --> 01:22:36,320

it's supposed to do

1761

01:22:40,790 --> 01:22:39,360

but it's there

1762

01:22:43,550 --> 01:22:40,800

which is another discussion for another

1763

01:22:46,630 --> 01:22:43,560

day but bottom line here is when you

1764

01:22:48,669 --> 01:22:46,640

start interfering at that cellular

1765

01:22:52,070 --> 01:22:48,679

level

1766

01:22:55,550 --> 01:22:52,080

rewriting the Divine blueprint

1767

01:22:59,149 --> 01:22:55,560

because everything has a purpose a

1768

01:23:02,390 --> 01:22:59,159

function a knowing a knowledge a light

1769

01:23:04,370 --> 01:23:02,400

if some arbitrary player of genetic

1770

01:23:06,229 --> 01:23:04,380

technology decides well let's cut this

1771

01:23:08,930 --> 01:23:06,239

out and put this in see what happens

1772

01:23:11,510 --> 01:23:08,940

then and that's what they're doing they

1773

01:23:13,669 --> 01:23:11,520

are doing all kinds of experiments first

1774

01:23:15,590 --> 01:23:13,679

of all merging different species we know

1775

01:23:18,470 --> 01:23:15,600

they've been doing Camaros for for

1776

01:23:20,450 --> 01:23:18,480

decades but now they're doing human uh

1777

01:23:22,010 --> 01:23:20,460

Camaros with animals

1778

01:23:26,209 --> 01:23:22,020

and

1779

01:23:28,790 --> 01:23:26,219

at what point do they merge us with

1780

01:23:32,990 --> 01:23:28,800

robotics

1781

01:23:34,970 --> 01:23:33,000

DNA structure

1782

01:23:36,410 --> 01:23:34,980

I believe that's what they're doing yeah

1783

01:23:39,970 --> 01:23:36,420

they're doing that now

1784

01:23:43,030 --> 01:23:39,980

yeah they're 100 doing that now the um

1785

01:23:47,090 --> 01:23:43,040

uh the

1786

01:23:50,149 --> 01:23:47,100

inclusion into society and I don't want

1787

01:23:53,390 --> 01:23:50,159

to uh go too far off the conspiracy end

1788

01:23:55,850 --> 01:23:53,400

of things but but I think Mother Nature

1789

01:23:58,970 --> 01:23:55,860

has had things worked out pretty well

1790

01:24:00,550 --> 01:23:58,980

right figured figured things out you

1791

01:24:02,149 --> 01:24:00,560

know grass

1792

01:24:04,189 --> 01:24:02,159

grass

1793

01:24:07,910 --> 01:24:04,199

was a pretty big deal for mother nature

1794

01:24:11,330 --> 01:24:07,920

right and and and and and and and

1795

01:24:14,410 --> 01:24:11,340

and the bees and and butterflies and and

1796

01:24:19,010 --> 01:24:14,420

and and nature and then you turn around

1797

01:24:22,669 --> 01:24:19,020

and you alter our food supply

1798

01:24:24,770 --> 01:24:22,679

and and we ingest that on a mass scale

1799

01:24:27,470 --> 01:24:24,780

and I'm talking about you know GMO of

1800

01:24:30,050 --> 01:24:27,480

corn you we want corn that lasts longer

1801

01:24:33,110 --> 01:24:30,060

on the Shelf we want red or tastier

1802

01:24:34,790 --> 01:24:33,120

apples whatever it may be well now

1803

01:24:37,550 --> 01:24:34,800

you're fundamentally just messing with

1804

01:24:40,070 --> 01:24:37,560

nature uh without understanding the

1805

01:24:43,370 --> 01:24:40,080

repercussions of that uh far down the

1806

01:24:45,310 --> 01:24:43,380

road not only with our children but with

1807

01:24:49,070 --> 01:24:45,320

the rest of the ecosystem on the planet

1808

01:24:51,290 --> 01:24:49,080

and and that that is a DNA manipulation

1809

01:24:52,669 --> 01:24:51,300

and I just don't think that that is a

1810

01:24:55,209 --> 01:24:52,679

good thing I think that we should leave

1811

01:24:58,070 --> 01:24:55,219

it leave it where it is

1812

01:25:02,149 --> 01:24:58,080

and that's why they made sure before

1813

01:25:05,750 --> 01:25:02,159

they launched the GMO that they took

1814

01:25:09,169 --> 01:25:05,760

seeds from every single plant on this

1815

01:25:12,709 --> 01:25:09,179

planet and stored them in Norway in

1816

01:25:15,470 --> 01:25:12,719

zavalberg in the seed bank not unlike

1817

01:25:17,330 --> 01:25:15,480

Noah's Ark

1818

01:25:20,270 --> 01:25:17,340

for whatever purpose whether it's

1819

01:25:23,510 --> 01:25:20,280

because they plan to seed another planet

1820

01:25:25,870 --> 01:25:23,520

or to recede this planet once they've

1821

01:25:28,550 --> 01:25:25,880

completely broken down the food chain

1822

01:25:31,130 --> 01:25:28,560

remains to be seen but it is an

1823

01:25:32,689 --> 01:25:31,140

interesting aspect of that process of

1824

01:25:35,689 --> 01:25:32,699

them coming in and destroying the food

1825

01:25:37,130 --> 01:25:35,699

and now they've nicknamed the the

1826

01:25:40,189 --> 01:25:37,140

transhumanist people that I've been

1827

01:25:41,510 --> 01:25:40,199

talking about have now already nicknamed

1828

01:25:47,450 --> 01:25:41,520

us

1829

01:25:50,990 --> 01:25:49,790

got the GMOs under control now let's go

1830

01:25:52,910 --> 01:25:51,000

for the humans

1831

01:25:54,890 --> 01:25:52,920

so

1832

01:25:57,110 --> 01:25:54,900

this is my issue this is why I wrote the

1833

01:26:00,530 --> 01:25:57,120

book I I'm really screaming out to

1834

01:26:03,050 --> 01:26:00,540

humanity that it is time for us to stand

1835

01:26:07,370 --> 01:26:03,060

in our sovereignty to stand in our

1836

01:26:09,709 --> 01:26:07,380

humanness and to not give it away

1837

01:26:11,149 --> 01:26:09,719

is it being taken or are we are we

1838

01:26:14,990 --> 01:26:11,159

giving it

1839

01:26:17,149 --> 01:26:15,000

and I think that it's a it's both

1840

01:26:18,470 --> 01:26:17,159

but when like you talked about the cell

1841

01:26:21,350 --> 01:26:18,480

phone you talk about the people running

1842

01:26:23,510 --> 01:26:21,360

down the street hypnotically glued they

1843

01:26:26,270 --> 01:26:23,520

could walk into a truck

1844

01:26:30,169 --> 01:26:26,280

the unawareness

1845

01:26:32,990 --> 01:26:30,179

adding to that the social restructuring

1846

01:26:34,270 --> 01:26:33,000

the restructuring of language for it to

1847

01:26:36,709 --> 01:26:34,280

have no human

1848

01:26:37,790 --> 01:26:36,719

elements like mother like Father we're

1849

01:26:40,910 --> 01:26:37,800

not supposed to use those words anymore

1850

01:26:44,810 --> 01:26:40,920

why because they're too they have too

1851

01:26:47,090 --> 01:26:44,820

much human emotion significance

1852

01:26:47,870 --> 01:26:47,100

and then the mask can't see a smiling

1853

01:26:52,250 --> 01:26:47,880

face

1854

01:26:56,209 --> 01:26:52,260

no yeah I know I know uh today uh I I

1855

01:26:58,070 --> 01:26:56,219

went uh to LAX to have lunch with my

1856

01:27:00,770 --> 01:26:58,080

brother he's flying in and he's got to

1857

01:27:02,689 --> 01:27:00,780

lay over him and his wife so I went to

1858

01:27:04,550 --> 01:27:02,699

have lunch and I'm standing in the lobby

1859

01:27:06,050 --> 01:27:04,560

of the Hilton where I'm going to be in a

1860

01:27:07,970 --> 01:27:06,060

couple of weeks for the conscious life

1861

01:27:10,550 --> 01:27:07,980

Expo love the hotel and you know I'm

1862

01:27:13,430 --> 01:27:10,560

there all the time but uh I go into the

1863

01:27:17,149 --> 01:27:13,440

lobby and we're meeting at noon

1864

01:27:19,370 --> 01:27:17,159

and uh I I went in I stood in the middle

1865

01:27:21,709 --> 01:27:19,380

of a lot again my phone is in my back

1866

01:27:24,709 --> 01:27:21,719

pocket and there's a big marble table

1867

01:27:27,649 --> 01:27:24,719

with flowers in the middle so I go up

1868

01:27:29,689 --> 01:27:27,659

and I leaned on the table I crossed my

1869

01:27:31,910 --> 01:27:29,699

arms and I just kind of just just looked

1870

01:27:33,649 --> 01:27:31,920

around and there's maybe a hundred

1871

01:27:37,070 --> 01:27:33,659

people in the lobby you know tables

1872

01:27:40,510 --> 01:27:37,080

chairs you know I think I looked around

1873

01:27:43,070 --> 01:27:40,520

this is like this right and I look

1874

01:27:45,470 --> 01:27:43,080

everybody there

1875

01:27:47,830 --> 01:27:45,480

was looking at their cell phone

1876

01:27:52,910 --> 01:27:47,840

the entire Lobby

1877

01:27:54,830 --> 01:27:52,920

and and ah I'm not a perfect person

1878

01:27:57,410 --> 01:27:54,840

Patricia I'm flawed

1879

01:28:01,790 --> 01:27:57,420

and I try to make myself better every

1880

01:28:03,890 --> 01:28:01,800

day and things but I was not

1881

01:28:06,890 --> 01:28:03,900

going to take out my cell phone

1882

01:28:09,050 --> 01:28:06,900

I wasn't gonna do it but there was

1883

01:28:11,030 --> 01:28:09,060

Temptation was there do I do what

1884

01:28:14,030 --> 01:28:11,040

everybody else is doing do I just check

1885

01:28:16,490 --> 01:28:14,040

my email do I check the do I no I looked

1886

01:28:20,090 --> 01:28:16,500

into my back pocket and I just stood

1887

01:28:22,129 --> 01:28:20,100

there the the only person in the entire

1888

01:28:24,709 --> 01:28:22,139

Lobby

1889

01:28:28,310 --> 01:28:24,719

it was just frightening to me that I had

1890

01:28:31,850 --> 01:28:28,320

how did how did we get here

1891

01:28:34,430 --> 01:28:31,860

you know like you said it I'm looking at

1892

01:28:37,010 --> 01:28:34,440

a couple that's traveling together

1893

01:28:39,590 --> 01:28:37,020

right you can tell right they got their

1894

01:28:41,510 --> 01:28:39,600

luggage they're getting ready to jump on

1895

01:28:43,610 --> 01:28:41,520

the shuttle and and and and go to the

1896

01:28:44,950 --> 01:28:43,620

airport they're not even talking to each

1897

01:28:47,990 --> 01:28:44,960

other

1898

01:28:51,470 --> 01:28:48,000

literally both just looking at their

1899

01:28:56,270 --> 01:28:54,110

anxiety when you cannot talk to each

1900

01:28:57,649 --> 01:28:56,280

other when uh when partners are what's

1901

01:28:59,870 --> 01:28:57,659

the point

1902

01:29:01,610 --> 01:28:59,880

I had people over for dinner recently

1903

01:29:02,750 --> 01:29:01,620

and two of them pulled out their cell

1904

01:29:03,790 --> 01:29:02,760

phones in the middle of dinner and I

1905

01:29:05,870 --> 01:29:03,800

said I'm sorry

1906

01:29:09,290 --> 01:29:05,880

cell phones aren't allowed at my table

1907

01:29:14,149 --> 01:29:11,750

it's not allowed another thing that we

1908

01:29:16,250 --> 01:29:14,159

haven't discussed is the radiation

1909

01:29:18,890 --> 01:29:16,260

Factor

1910

01:29:21,169 --> 01:29:18,900

so when you're in the middle of a lobby

1911

01:29:24,410 --> 01:29:21,179

with 800 people with their cell phones

1912

01:29:27,950 --> 01:29:24,420

charging uh busy you're getting Zapped

1913

01:29:30,530 --> 01:29:27,960

non-stop from their habit

1914

01:29:33,770 --> 01:29:30,540

and that is a an element

1915

01:29:37,129 --> 01:29:33,780

I don't know we still don't have the

1916

01:29:38,629 --> 01:29:37,139

uh data to know if there's the the

1917

01:29:40,490 --> 01:29:38,639

radiation that's coming out of these

1918

01:29:43,310 --> 01:29:40,500

devices is part of the hypnotic

1919

01:29:46,250 --> 01:29:43,320

entrainment

1920

01:29:49,430 --> 01:29:46,260

does the phone itself have the ability

1921

01:29:51,110 --> 01:29:49,440

to entrain by frequencies that it's

1922

01:29:53,510 --> 01:29:51,120

putting out I believe the answer is yes

1923

01:29:56,030 --> 01:29:53,520

okay now now I'm going to take you to

1924

01:29:58,070 --> 01:29:56,040

another level I want your opinion on

1925

01:30:00,470 --> 01:29:58,080

this I'm so glad you went there

1926

01:30:02,689 --> 01:30:00,480

all right

1927

01:30:05,629 --> 01:30:02,699

I'm sitting in front of I have three

1928

01:30:07,550 --> 01:30:05,639

monitors okay I have one here here I'll

1929

01:30:08,450 --> 01:30:07,560

even show you here I'll pull down my

1930

01:30:10,729 --> 01:30:08,460

camera

1931

01:30:12,590 --> 01:30:10,739

okay this is what I'm looking at I've

1932

01:30:15,470 --> 01:30:12,600

got a monitor here

1933

01:30:18,709 --> 01:30:15,480

I've got you in front of me I've got

1934

01:30:21,290 --> 01:30:18,719

another big one here next to it right

1935

01:30:24,709 --> 01:30:21,300

okay these are Big monitors that's me

1936

01:30:27,410 --> 01:30:24,719

over there is more computers running the

1937

01:30:29,410 --> 01:30:27,420

show but that's what I'm looking at

1938

01:30:32,570 --> 01:30:29,420

all right so

1939

01:30:34,209 --> 01:30:32,580

that now that I messed this up let's get

1940

01:30:40,330 --> 01:30:34,219

that lined up again

1941

01:30:43,310 --> 01:30:40,340

this monitor is projecting an image

1942

01:30:46,629 --> 01:30:43,320

that image

1943

01:30:50,990 --> 01:30:46,639

can travel on Wi-Fi

1944

01:30:53,330 --> 01:30:51,000

that data that is on the screen the chat

1945

01:30:54,709 --> 01:30:53,340

room uh you know over here it's Twitter

1946

01:30:57,709 --> 01:30:54,719

right

1947

01:31:02,330 --> 01:30:57,719

that data is

1948

01:31:05,149 --> 01:31:02,340

is transmitted via Wi-Fi

1949

01:31:07,669 --> 01:31:05,159

that Wi-Fi signal is flying all over

1950

01:31:09,890 --> 01:31:07,679

this home that Wi-Fi signal is in every

1951

01:31:12,470 --> 01:31:09,900

business that you go in that Wi-Fi

1952

01:31:14,709 --> 01:31:12,480

signal is in every airport in every

1953

01:31:19,270 --> 01:31:14,719

supermarket in your dentist office

1954

01:31:22,729 --> 01:31:19,280

exactly what is preventing

1955

01:31:23,750 --> 01:31:22,739

that from projecting something into my

1956

01:31:25,870 --> 01:31:23,760

brain

1957

01:31:29,870 --> 01:31:25,880

and I would say the answer is nothing

1958

01:31:33,470 --> 01:31:29,880

and is there the ability

1959

01:31:36,290 --> 01:31:33,480

to do that now today

1960

01:31:39,350 --> 01:31:36,300

to act to to control the masses

1961

01:31:40,689 --> 01:31:39,360

right to project something into them we

1962

01:31:42,890 --> 01:31:40,699

have this

1963

01:31:46,129 --> 01:31:42,900

spiderweb mesh

1964

01:31:47,390 --> 01:31:46,139

around the world now of Wi-Fi that

1965

01:31:51,530 --> 01:31:47,400

carries

1966

01:32:00,830 --> 01:31:53,270

and

1967

01:32:04,129 --> 01:32:00,840

becoming infiltrated with Quantum dots

1968

01:32:06,470 --> 01:32:04,139

and nanoparticles that are magnetic

1969

01:32:09,590 --> 01:32:06,480

and all kinds of

1970

01:32:12,830 --> 01:32:09,600

crapola that's being dumped on us from

1971

01:32:15,770 --> 01:32:12,840

the Chemtrails and other

1972

01:32:18,310 --> 01:32:15,780

probably in the food well as well right

1973

01:32:21,470 --> 01:32:18,320

right right right right

1974

01:32:22,910 --> 01:32:21,480

the answer is absolutely yes and that's

1975

01:32:24,850 --> 01:32:22,920

what they're telling us they want to do

1976

01:32:27,470 --> 01:32:24,860

that

1977

01:32:29,990 --> 01:32:27,480

it's very important here we moved from

1978

01:32:32,270 --> 01:32:30,000

conspiracy theory to reality because

1979

01:32:36,790 --> 01:32:32,280

they are telling us they're doing this

1980

01:32:44,090 --> 01:32:39,970

doing it and you still

1981

01:32:45,709 --> 01:32:44,100

allow yourself to be enmeshed in it

1982

01:32:48,649 --> 01:32:45,719

the question is

1983

01:32:50,570 --> 01:32:48,659

where when when do you interfere or

1984

01:32:52,550 --> 01:32:50,580

intervene for your own sovereignty and

1985

01:32:55,070 --> 01:32:52,560

say no I'm going to refuse this I'm

1986

01:32:57,590 --> 01:32:55,080

going to unplug this I am particularly

1987

01:32:59,270 --> 01:32:57,600

fanatic about this I don't ever have the

1988

01:33:01,550 --> 01:32:59,280

cell phone rarely have the cell phone in

1989

01:33:03,110 --> 01:33:01,560

the house I oh when I go out with it it

1990

01:33:05,450 --> 01:33:03,120

stays in the car I only have it in the

1991

01:33:07,310 --> 01:33:05,460

car because I in case of an emergency I

1992

01:33:10,729 --> 01:33:07,320

want to be able to call for help

1993

01:33:13,250 --> 01:33:10,739

I unplug the Wi-Fi during the day when

1994

01:33:15,110 --> 01:33:13,260

I'm not using it and at night and as

1995

01:33:17,750 --> 01:33:15,120

much as possible I'm extremely aware

1996

01:33:21,110 --> 01:33:17,760

that I don't want all these rays

1997

01:33:23,689 --> 01:33:21,120

coming in there are devices more and

1998

01:33:27,410 --> 01:33:23,699

more devices are coming out that help

1999

01:33:29,689 --> 01:33:27,420

deflect this stuff but it's a very real

2000

01:33:31,370 --> 01:33:29,699

situation and you know for example I'm

2001

01:33:33,290 --> 01:33:31,380

annoyed

2002

01:33:36,169 --> 01:33:33,300

that they're allowing cell phones on

2003

01:33:38,390 --> 01:33:36,179

planes because you're in a can flying

2004

01:33:40,370 --> 01:33:38,400

through the air and now you've got Wi-Fi

2005

01:33:43,430 --> 01:33:40,380

in there too it's not enough that you're

2006

01:33:46,070 --> 01:33:43,440

already in this artif artificial

2007

01:33:47,450 --> 01:33:46,080

situation environment bad air call it

2008

01:33:49,550 --> 01:33:47,460

what you will now you've got to have

2009

01:33:51,610 --> 01:33:49,560

people on cell phones

2010

01:33:54,770 --> 01:33:51,620

you're getting exactly

2011

01:33:56,510 --> 01:33:54,780

everybody on the plane is on their cell

2012

01:33:59,810 --> 01:33:56,520

phone the

2013

01:34:01,669 --> 01:33:59,820

um you're right now how do we know uh

2014

01:34:03,830 --> 01:34:01,679

Patricia let's let's go into this

2015

01:34:06,830 --> 01:34:03,840

direction how do we know

2016

01:34:10,070 --> 01:34:06,840

uh the dividing line between

2017

01:34:13,490 --> 01:34:10,080

what is real and what is not how do we

2018

01:34:16,370 --> 01:34:13,500

know that we aren't in uh at times

2019

01:34:19,610 --> 01:34:16,380

throughout the day uh in an artificial

2020

01:34:22,669 --> 01:34:19,620

environment or something is uh being

2021

01:34:24,169 --> 01:34:22,679

projected onto US when when some of

2022

01:34:28,010 --> 01:34:24,179

these heads of these corporations

2023

01:34:30,470 --> 01:34:28,020

started to say uh five years ago well we

2024

01:34:32,090 --> 01:34:30,480

could be living in a simulation

2025

01:34:35,990 --> 01:34:32,100

like well wait a minute where what

2026

01:34:39,169 --> 01:34:36,000

aren't you smart aren't you running a a

2027

01:34:41,030 --> 01:34:39,179

global rights uh Information Technology

2028

01:34:46,070 --> 01:34:41,040

Corporation or do you know something

2029

01:34:48,110 --> 01:34:46,080

that I don't right and you don't sound

2030

01:34:49,610 --> 01:34:48,120

crazy and then you're saying something

2031

01:34:52,610 --> 01:34:49,620

like this

2032

01:34:56,030 --> 01:34:52,620

are you suggesting something here you

2033

01:34:58,850 --> 01:34:56,040

know to to say that we may be living in

2034

01:35:01,010 --> 01:34:58,860

a simulation it that that that that

2035

01:35:03,530 --> 01:35:01,020

makes me a little nervous when you're

2036

01:35:05,390 --> 01:35:03,540

talking about somebody that is you know

2037

01:35:07,370 --> 01:35:05,400

in charge of a 50 billion dollar

2038

01:35:10,189 --> 01:35:07,380

Corporation

2039

01:35:11,689 --> 01:35:10,199

it's very Truman Show

2040

01:35:13,370 --> 01:35:11,699

yes

2041

01:35:14,689 --> 01:35:13,380

very true

2042

01:35:18,110 --> 01:35:14,699

um okay so we're gonna go down the

2043

01:35:22,550 --> 01:35:18,120

rabbit hole now yeah let's go all right

2044

01:35:27,770 --> 01:35:24,410

well I don't know where to start on this

2045

01:35:30,890 --> 01:35:27,780

question because it's so vast are we in

2046

01:35:34,669 --> 01:35:30,900

a simulation I don't think so

2047

01:35:36,770 --> 01:35:34,679

is the AI reality a simulation

2048

01:35:40,610 --> 01:35:36,780

absolutely

2049

01:35:46,250 --> 01:35:40,620

so as far as what I understand life to

2050

01:35:48,169 --> 01:35:46,260

me that tree that lawn the the birds

2051  
01:35:49,910 --> 01:35:48,179  
nobody's going to tell me that this is a

2052  
01:35:53,390 --> 01:35:49,920  
simulated reality and I'm in a computer

2053  
01:35:56,330 --> 01:35:53,400  
game could be though but you're mature

2054  
01:35:58,310 --> 01:35:56,340  
you see you're living in the Azores

2055  
01:36:01,790 --> 01:35:58,320  
yeah but if it's a simulation it's not

2056  
01:36:04,129 --> 01:36:01,800  
just local it's Global yeah okay okay

2057  
01:36:09,530 --> 01:36:04,139  
continuation that you allow yourself to

2058  
01:36:11,510 --> 01:36:09,540  
be sucked into this alternative reality

2059  
01:36:13,669 --> 01:36:11,520  
because I keep telling people get to

2060  
01:36:17,689 --> 01:36:13,679  
Nature Get Back To Nature

2061  
01:36:20,510 --> 01:36:17,699  
that's where reality is for me and the

2062  
01:36:23,270 --> 01:36:20,520  
rest of it is as you see the insanity

2063  
01:36:25,850 --> 01:36:23,280

unfolding

2064

01:36:29,570 --> 01:36:25,860

most of it has somehow is affected

2065

01:36:33,129 --> 01:36:29,580

directly by technology

2066

01:36:34,750 --> 01:36:33,139

correct but this is where I say accept

2067

01:36:39,709 --> 01:36:34,760

however

2068

01:36:42,410 --> 01:36:39,719

the Hilton today and I've got a hundred

2069

01:36:45,169 --> 01:36:42,420

people in with their faces glued to cell

2070

01:36:48,189 --> 01:36:45,179

phones they are in their own reality

2071

01:36:51,709 --> 01:36:48,199

they are in their own bubble they aren't

2072

01:36:54,229 --> 01:36:51,719

concerned about the reality of the room

2073

01:36:58,310 --> 01:36:54,239

that they are in or the people that are

2074

01:37:01,790 --> 01:36:58,320

around them they are in their Bubble at

2075

01:37:03,649 --> 01:37:01,800

that moment and that's another point

2076

01:37:06,350 --> 01:37:03,659

that I think needs to be driven home

2077

01:37:10,729 --> 01:37:06,360

right that everybody is in their own

2078

01:37:14,149 --> 01:37:10,739

artificial created internet bubble with

2079

01:37:16,790 --> 01:37:14,159

their own news feed that only is sent to

2080

01:37:18,890 --> 01:37:16,800

them with their own pop-ups and their

2081

01:37:22,070 --> 01:37:18,900

own advertising and their own and their

2082

01:37:23,629 --> 01:37:22,080

own comments that are coming in focused

2083

01:37:25,310 --> 01:37:23,639

at them

2084

01:37:27,290 --> 01:37:25,320

um they're in their own bubble and

2085

01:37:30,410 --> 01:37:27,300

that's the artificial reality that I'm

2086

01:37:33,590 --> 01:37:30,420

referring to you know get my head around

2087

01:37:37,490 --> 01:37:33,600

it I mean I was sitting in a cafe there

2088

01:37:40,550 --> 01:37:37,500

was a mother two boys and a husband

2089

01:37:43,370 --> 01:37:40,560

the the boy the husband was sitting

2090

01:37:45,410 --> 01:37:43,380

there like duh the children were kind of

2091

01:37:46,610 --> 01:37:45,420

like Mom and she was glued to the cell

2092

01:37:47,930 --> 01:37:46,620

phone

2093

01:37:49,910 --> 01:37:47,940

and I thought

2094

01:37:51,830 --> 01:37:49,920

do you not realize that your children

2095

01:37:53,629 --> 01:37:51,840

need you

2096

01:37:56,149 --> 01:37:53,639

they were just looking here they were so

2097

01:37:57,550 --> 01:37:56,159

sad she had no consciousness of them

2098

01:37:59,990 --> 01:37:57,560

whatsoever

2099

01:38:04,550 --> 01:38:00,000

and I'm like why do you even have

2100

01:38:06,649 --> 01:38:04,560

children okay your preferred reality why

2101  
01:38:08,950 --> 01:38:06,659  
do you even are you even walking through

2102  
01:38:11,149 --> 01:38:08,960  
the steps of what used to be considered

2103  
01:38:12,709 --> 01:38:11,159  
human values

2104  
01:38:14,750 --> 01:38:12,719  
human need

2105  
01:38:17,149 --> 01:38:14,760  
and how can you not notice that these

2106  
01:38:19,129 --> 01:38:17,159  
kids are looking at you like Mom will

2107  
01:38:21,590 --> 01:38:19,139  
you ever put the phone down okay okay

2108  
01:38:24,050 --> 01:38:21,600  
okay okay this is where this is where I

2109  
01:38:26,990 --> 01:38:24,060  
get pissed off all right I normally

2110  
01:38:28,750 --> 01:38:27,000  
don't talk about this stuff I people you

2111  
01:38:32,390 --> 01:38:28,760  
do what you want to do

2112  
01:38:35,209 --> 01:38:32,400  
last week I'm in Miami and we go to this

2113  
01:38:36,890 --> 01:38:35,219

breakfast restaurant it was excellent by

2114

01:38:39,590 --> 01:38:36,900

the way

2115

01:38:42,530 --> 01:38:39,600

I think they opened at 6 a.m and closed

2116

01:38:43,870 --> 01:38:42,540

at like 11. breakfast only right my kind

2117

01:38:47,450 --> 01:38:43,880

of place

2118

01:38:49,729 --> 01:38:47,460

yeah it was awesome and uh I ordered two

2119

01:38:52,010 --> 01:38:49,739

of everything on the menu and and I'm

2120

01:38:54,169 --> 01:38:52,020

there with like eight people

2121

01:38:58,550 --> 01:38:54,179

and uh it's the day after New Year's

2122

01:39:00,590 --> 01:38:58,560

right okay so where I said and next to

2123

01:39:02,810 --> 01:39:00,600

me at this table this is gonna sound

2124

01:39:05,990 --> 01:39:02,820

like I've made this up

2125

01:39:09,050 --> 01:39:06,000

listen to me Patricia there was a dad

2126

01:39:11,149 --> 01:39:09,060

not a wife just a dad

2127

01:39:14,090 --> 01:39:11,159

sitting facing me he's at a separate

2128

01:39:16,490 --> 01:39:14,100

table next to me are two kids

2129

01:39:20,030 --> 01:39:16,500

right here on the bench

2130

01:39:23,390 --> 01:39:20,040

I'm gonna say five years old

2131

01:39:26,450 --> 01:39:23,400

maybe four and then the the girl was

2132

01:39:29,330 --> 01:39:26,460

younger maybe three years old

2133

01:39:30,169 --> 01:39:29,340

their plates in front of them both of

2134

01:39:32,770 --> 01:39:30,179

them

2135

01:39:37,129 --> 01:39:32,780

had an iPad

2136

01:39:40,970 --> 01:39:37,139

unfolded on a stand in front of them

2137

01:39:43,729 --> 01:39:40,980

both kids and Dad is sitting there and

2138

01:39:45,290 --> 01:39:43,739

they're both and I was I was looking and

2139

01:39:47,510 --> 01:39:45,300

and I look at the debt and I'm looking

2140

01:39:48,350 --> 01:39:47,520

and I'm like wait a minute we're in a

2141

01:39:52,669 --> 01:39:48,360

restaurant

2142

01:39:54,229 --> 01:39:52,679

both kids iPads and their whatever they

2143

01:39:56,689 --> 01:39:54,239

were doing I think the the kid next to

2144

01:40:00,350 --> 01:39:56,699

me was playing a game I think the the

2145

01:40:02,990 --> 01:40:00,360

the the girl the three-year-old had like

2146

01:40:04,790 --> 01:40:03,000

children's YouTube up and was clicking

2147

01:40:07,729 --> 01:40:04,800

away at videos I'm not making this up

2148

01:40:11,090 --> 01:40:07,739

I'm not making so I'm watching this kit

2149

01:40:19,330 --> 01:40:11,100

and I look at the dad and he goes it's

2150

01:40:25,910 --> 01:40:21,850

you don't talk to them

2151  
01:40:29,149 --> 01:40:25,920  
and and uh and I I let it go I'm not

2152  
01:40:32,330 --> 01:40:29,159  
going to say anything I was shocked 100

2153  
01:40:35,030 --> 01:40:32,340  
check now how much of that is normal I

2154  
01:40:38,030 --> 01:40:35,040  
mean the norm I should say how much it

2155  
01:40:39,890 --> 01:40:38,040  
what I just said to you is just like

2156  
01:40:41,930 --> 01:40:39,900  
going on across the country and around

2157  
01:40:44,870 --> 01:40:41,940  
the world I I'd never seen anything like

2158  
01:40:48,770 --> 01:40:44,880  
this before in my life it was crazy

2159  
01:40:50,510 --> 01:40:48,780  
it apparently is growing rapidly as an

2160  
01:40:54,229 --> 01:40:50,520  
alternative to

2161  
01:40:55,850 --> 01:40:54,239  
Family Values interaction and the

2162  
01:40:58,790 --> 01:40:55,860  
masking let's not forget the masking

2163  
01:41:01,189 --> 01:40:58,800

that also helped Propel this because

2164

01:41:03,649 --> 01:41:01,199

people went into their computers even

2165

01:41:05,750 --> 01:41:03,659

more because looking at someone else's

2166

01:41:10,189 --> 01:41:05,760

without being able to communicate was

2167

01:41:13,970 --> 01:41:10,199

scary or isolated it's how I keep them

2168

01:41:16,370 --> 01:41:13,980

quiet that's terrific you know

2169

01:41:20,709 --> 01:41:16,380

um I hate to date myself but when I was

2170

01:41:23,450 --> 01:41:20,719

a child we grew up Italian very very

2171

01:41:26,030 --> 01:41:23,460

absolutely Italian family and my father

2172

01:41:27,590 --> 01:41:26,040

was the absolute patriarch and we had to

2173

01:41:30,050 --> 01:41:27,600

when we were at dinner we all had to

2174

01:41:35,450 --> 01:41:30,060

share our day

2175

01:41:36,950 --> 01:41:35,460

and now they sit at the table and they

2176

01:41:40,010 --> 01:41:36,960

look at their computers or their cell

2177

01:41:41,570 --> 01:41:40,020

phones there's no sharing there's no

2178

01:41:44,510 --> 01:41:41,580

love

2179

01:41:47,090 --> 01:41:44,520

there's no Dynamic human Dynamic here

2180

01:41:49,550 --> 01:41:47,100

and so this is what transhumanism is

2181

01:41:52,430 --> 01:41:49,560

sorry it's getting late in the morning

2182

01:41:54,830 --> 01:41:52,440

here this is what transhumanism is just

2183

01:41:56,629 --> 01:41:54,840

relying on it getting more and more deep

2184

01:42:00,770 --> 01:41:56,639

deeply involved with it to the point

2185

01:42:03,890 --> 01:42:00,780

where you you don't know anything else

2186

01:42:07,129 --> 01:42:03,900

we're going in that direction yeah I

2187

01:42:09,109 --> 01:42:07,139

hate to sound dated you know when I was

2188

01:42:11,750 --> 01:42:09,119

a kid because when my parents said that

2189

01:42:13,490 --> 01:42:11,760

crap to me I would rebel I don't want to

2190

01:42:15,050 --> 01:42:13,500

hear it I don't want to hear about what

2191

01:42:17,510 --> 01:42:15,060

it was like when you were a kid but when

2192

01:42:20,149 --> 01:42:17,520

I was a kid Patricia and you and I are

2193

01:42:23,270 --> 01:42:20,159

the same age by the way but there was

2194

01:42:25,729 --> 01:42:23,280

something to forget about all those

2195

01:42:27,470 --> 01:42:25,739

cliches well we stayed out until the

2196

01:42:28,910 --> 01:42:27,480

street lights came on and then we had to

2197

01:42:30,590 --> 01:42:28,920

go yeah we've all heard that story a

2198

01:42:33,410 --> 01:42:30,600

million times all right all right all

2199

01:42:35,090 --> 01:42:33,420

right we get it we had bikes I know we

2200

01:42:38,030 --> 01:42:35,100

all did that

2201  
01:42:39,530 --> 01:42:38,040  
um but there was something to walking

2202  
01:42:41,990 --> 01:42:39,540  
down the street

2203  
01:42:43,070 --> 01:42:42,000  
and every family was on their front

2204  
01:42:45,169 --> 01:42:43,080  
porch

2205  
01:42:48,590 --> 01:42:45,179  
every you know you know what I mean the

2206  
01:42:51,050 --> 01:42:48,600  
action that was going on out there you

2207  
01:42:54,609 --> 01:42:51,060  
knew everything about everybody you talk

2208  
01:42:59,390 --> 01:42:54,619  
and there was a thing about community

2209  
01:43:01,070 --> 01:42:59,400  
that now you know I mean growing up at

2210  
01:43:02,990 --> 01:43:01,080  
the phone rang you were excited who's

2211  
01:43:05,510 --> 01:43:03,000  
calling if there was a knock at the

2212  
01:43:07,609 --> 01:43:05,520  
front door somebody's here right it's

2213  
01:43:10,310 --> 01:43:07,619

not that kind of party now

2214

01:43:14,030 --> 01:43:10,320

you don't want to pick up your phone and

2215

01:43:17,450 --> 01:43:14,040

it if God forbid the front doorbell

2216

01:43:20,390 --> 01:43:17,460

rings what everybody down everybody hide

2217

01:43:23,629 --> 01:43:20,400

right it's like that's that's where we

2218

01:43:26,090 --> 01:43:23,639

are today it it's it's really funny

2219

01:43:28,669 --> 01:43:26,100

but the transition has happened and it's

2220

01:43:30,229 --> 01:43:28,679

happened rather quickly but of course if

2221

01:43:32,810 --> 01:43:30,239

you look at it from the point of view of

2222

01:43:35,510 --> 01:43:32,820

control of a cabal that wants to control

2223

01:43:37,370 --> 01:43:35,520

the planet it's perfect you don't want

2224

01:43:39,590 --> 01:43:37,380

people getting to know each other and

2225

01:43:42,709 --> 01:43:39,600

get and get you know grouping together

2226

01:43:45,890 --> 01:43:42,719

against them no I want them looking in

2227

01:43:49,790 --> 01:43:45,900

my cell phone and getting my rap my zap

2228

01:43:52,430 --> 01:43:49,800

my messages my automatons directly to

2229

01:43:54,649 --> 01:43:52,440

them and I do not want them interacting

2230

01:43:57,410 --> 01:43:54,659

with anybody else because that would be

2231

01:44:00,590 --> 01:43:57,420

a group groups turn into organizations

2232

01:44:03,290 --> 01:44:00,600

organizations we don't want unless

2233

01:44:05,330 --> 01:44:03,300

they're under our control so what better

2234

01:44:07,910 --> 01:44:05,340

way to control a civilization than just

2235

01:44:11,510 --> 01:44:07,920

one by one have people completely hooked

2236

01:44:14,750 --> 01:44:11,520

in to their system

2237

01:44:16,930 --> 01:44:14,760

I want um uh I went to Egypt a couple of

2238

01:44:21,410 --> 01:44:16,940

months ago and

2239

01:44:23,870 --> 01:44:21,420

uh it it forced me into a couple of

2240

01:44:28,149 --> 01:44:23,880

things that I didn't expect but one of

2241

01:44:30,950 --> 01:44:28,159

them was my view of the United States

2242

01:44:32,229 --> 01:44:30,960

you know how you you know how you see it

2243

01:44:39,470 --> 01:44:32,239

from the outside

2244

01:44:41,990 --> 01:44:39,480

and uh being exposed to uh Egypt and I'm

2245

01:44:44,090 --> 01:44:42,000

you know I'm sure it's uh very similar

2246

01:44:47,350 --> 01:44:44,100

to in in different countries around the

2247

01:44:50,270 --> 01:44:47,360

world but when you go and you see

2248

01:44:51,890 --> 01:44:50,280

uh driving

2249

01:44:54,350 --> 01:44:51,900

um out in in the middle of it driving

2250

01:44:55,850 --> 01:44:54,360

through these towns and seeing just that

2251

01:44:59,930 --> 01:44:55,860

the sense of community

2252

01:45:02,149 --> 01:44:59,940

it was it was a very welcoming thing to

2253

01:45:06,350 --> 01:45:02,159

see you know families outside and and

2254

01:45:09,050 --> 01:45:06,360

hanging out uh we drove by uh a bunch of

2255

01:45:11,870 --> 01:45:09,060

these but it was really cool to see

2256

01:45:15,530 --> 01:45:11,880

um these backgammon clubs

2257

01:45:19,370 --> 01:45:15,540

right all these tables set up outside 50

2258

01:45:21,290 --> 01:45:19,380

of them you know with a hundred guys uh

2259

01:45:24,410 --> 01:45:21,300

some gals

2260

01:45:27,370 --> 01:45:24,420

all playing backgammon actually

2261

01:45:32,930 --> 01:45:27,380

hanging out with somebody

2262

01:45:35,570 --> 01:45:32,940

what what a shock but to to see that and

2263

01:45:38,870 --> 01:45:35,580

it doesn't go on here anymore and and

2264

01:45:41,810 --> 01:45:38,880

the it's a very effective change of of

2265

01:45:43,669 --> 01:45:41,820

society keep you in that bubble and and

2266

01:45:45,890 --> 01:45:43,679

keep you glued and and keep you

2267

01:45:48,290 --> 01:45:45,900

controlled we have to figure out a way

2268

01:45:50,629 --> 01:45:48,300

to to turn this thing around

2269

01:45:51,890 --> 01:45:50,639

we have to fight back that's why I'm

2270

01:45:53,510 --> 01:45:51,900

doing what I'm doing that's why you're

2271

01:45:56,990 --> 01:45:53,520

doing what you're doing

2272

01:45:59,149 --> 01:45:57,000

foreign you know what I suggested

2273

01:46:01,189 --> 01:45:59,159

I did this five years ago

2274

01:46:03,470 --> 01:46:01,199

I had said

2275

01:46:06,229 --> 01:46:03,480

um and I want to see the comments uh

2276

01:46:07,189 --> 01:46:06,239

light up uh in in Twitter and the chat

2277

01:46:10,669 --> 01:46:07,199

room here

2278

01:46:13,189 --> 01:46:10,679

I had said this you know I have grown as

2279

01:46:14,810 --> 01:46:13,199

an individual

2280

01:46:17,990 --> 01:46:14,820

in the last 10 years

2281

01:46:21,350 --> 01:46:18,000

and you know how I've grown

2282

01:46:23,810 --> 01:46:21,360

three or four hours a day

2283

01:46:26,209 --> 01:46:23,820

I do this

2284

01:46:30,350 --> 01:46:26,219

I talk to somebody

2285

01:46:34,609 --> 01:46:30,360

right I'm not I'm not I'm not looking at

2286

01:46:36,550 --> 01:46:34,619

clicks likes comments I'm not doing that

2287

01:46:40,490 --> 01:46:36,560

I'm having a conversation with somebody

2288

01:46:43,910 --> 01:46:40,500

and and try

2289

01:46:45,109 --> 01:46:43,920

to put your phone down for three hours a

2290

01:46:48,490 --> 01:46:45,119

day

2291

01:46:51,770 --> 01:46:48,500

and talk to somebody oh I can't do that

2292

01:46:55,189 --> 01:46:51,780

what are you talking that's crazy

2293

01:46:57,590 --> 01:46:55,199

and and I am able to just sit and talk

2294

01:46:59,030 --> 01:46:57,600

you and I weren't you I don't have

2295

01:47:01,430 --> 01:46:59,040

questions in front of me we're just

2296

01:47:03,169 --> 01:47:01,440

having a conversation like we would if

2297

01:47:05,030 --> 01:47:03,179

we were sitting together with a bottle

2298

01:47:08,090 --> 01:47:05,040

of wine we're just sitting and talking

2299

01:47:10,129 --> 01:47:08,100

what do we have to do yeah and we will

2300

01:47:12,229 --> 01:47:10,139

if I can ever get you off that Island

2301

01:47:15,129 --> 01:47:12,239

maybe I'll have to come there I'll I'll

2302

01:47:20,390 --> 01:47:17,750

but if you want me to come to California

2303

01:47:21,890 --> 01:47:20,400

I'll figure a way to come yeah I would I

2304

01:47:26,149 --> 01:47:21,900

would love to have you here but you you

2305

01:47:27,430 --> 01:47:26,159

understand what I'm saying suggestions

2306

01:47:29,990 --> 01:47:27,440

sorry

2307

01:47:32,209 --> 01:47:30,000

suggest to your children put your phone

2308

01:47:36,649 --> 01:47:32,219

down for three hours a day

2309

01:47:40,129 --> 01:47:38,390

because they're all you know they're the

2310

01:47:41,050 --> 01:47:40,139

ones they want to talk to are on the

2311

01:47:43,609 --> 01:47:41,060

phone

2312

01:47:46,910 --> 01:47:43,619

and another thing that's important and

2313

01:47:49,070 --> 01:47:46,920

very helpful is to have animals

2314

01:47:51,109 --> 01:47:49,080

interact with animals

2315

01:47:53,750 --> 01:47:51,119

because they bring you to that grounded

2316

01:47:56,629 --> 01:47:53,760

place they have unconditional love

2317

01:47:59,270 --> 01:47:56,639

and you know they help you regroup

2318

01:48:02,030 --> 01:47:59,280

redirect your attention

2319

01:48:03,649 --> 01:48:02,040

I uh I used to have a dog walker and she

2320

01:48:06,370 --> 01:48:03,659

would walk the dog with the cell phone

2321

01:48:09,050 --> 01:48:06,380

and I I dumped her

2322

01:48:13,669 --> 01:48:09,060

is it different out there at the Azores

2323

01:48:15,830 --> 01:48:13,679

uh is there a sense of community uh that

2324

01:48:18,109 --> 01:48:15,840

that's not going to go away

2325

01:48:20,030 --> 01:48:18,119

you know what it is here there's only

2326

01:48:22,189 --> 01:48:20,040

one religion Catholic

2327

01:48:23,750 --> 01:48:22,199

and there are several churches here and

2328

01:48:26,930 --> 01:48:23,760

you know there's not a lot going on here

2329

01:48:29,810 --> 01:48:26,940

socially because it's a 15 000

2330

01:48:32,149 --> 01:48:29,820

is it 15 000 people on this whole island

2331

01:48:35,450 --> 01:48:32,159

and that's in peak season

2332

01:48:37,490 --> 01:48:35,460

and there's one supermarket and a half

2333

01:48:39,590 --> 01:48:37,500

there's two or three gas stations

2334

01:48:42,470 --> 01:48:39,600

there's one stoplight I'm really remote

2335

01:48:44,570 --> 01:48:42,480

here hello you know in the summer we've

2336

01:48:47,270 --> 01:48:44,580

got tourism to a certain extent there's

2337

01:48:49,609 --> 01:48:47,280

only so much infrastructure and lots of

2338

01:48:51,649 --> 01:48:49,619

sailors because this is a first stopover

2339

01:48:52,910 --> 01:48:51,659

place from North America to Europe for

2340

01:48:57,350 --> 01:48:52,920

sailors

2341

01:48:58,729 --> 01:48:57,360

so culturally it's very quiet demure the

2342

01:49:00,950 --> 01:48:58,739

people are very and there's a lot

2343

01:49:03,709 --> 01:49:00,960

there's family people live together with

2344

01:49:06,709 --> 01:49:03,719

their families and there's a

2345

01:49:09,890 --> 01:49:06,719

love of the earth respect for the ocean

2346

01:49:11,930 --> 01:49:09,900

we live some subject now I'm a

2347

01:49:14,149 --> 01:49:11,940

Californian so

2348

01:49:17,870 --> 01:49:14,159

this is kind of new for me even in Italy

2349

01:49:19,669 --> 01:49:17,880

we weather wasn't extreme but here the

2350

01:49:21,709 --> 01:49:19,679

weather is Extreme you never know the

2351

01:49:23,930 --> 01:49:21,719

conversation in the morning is what's

2352

01:49:28,370 --> 01:49:23,940

the weather doing no

2353

01:49:31,310 --> 01:49:28,380

and um there is just this communion with

2354

01:49:34,910 --> 01:49:31,320

nature by force because the weather the

2355

01:49:35,810 --> 01:49:34,920

ocean everything affects your day

2356

01:49:38,629 --> 01:49:35,820

um

2357

01:49:40,490 --> 01:49:38,639

and I'm removed I'm very removed I have

2358

01:49:42,890 --> 01:49:40,500

to say happily

2359

01:49:46,870 --> 01:49:42,900

from what I'm seeing developing the

2360

01:49:50,689 --> 01:49:46,880

United States right now this chaotic uh

2361

01:49:53,510 --> 01:49:50,699

fractionalization of people and

2362

01:49:56,570 --> 01:49:53,520

division on every level and it's not

2363

01:49:58,910 --> 01:49:56,580

only in America for God's sakes but on

2364

01:50:01,490 --> 01:49:58,920

this little island it's sort of a

2365

01:50:04,250 --> 01:50:01,500

respice because it's a simple life

2366

01:50:05,870 --> 01:50:04,260

there's no con no great consumerism here

2367

01:50:09,169 --> 01:50:05,880

another big point

2368

01:50:10,669 --> 01:50:09,179

because there's nothing to buy we really

2369

01:50:12,830 --> 01:50:10,679

don't have that much in the way of

2370

01:50:14,570 --> 01:50:12,840

stores we've got some

2371

01:50:16,669 --> 01:50:14,580

cheap Chinese

2372

01:50:19,550 --> 01:50:16,679

uh

2373

01:50:21,470 --> 01:50:19,560

retails retail outlets that are not

2374

01:50:23,570 --> 01:50:21,480

worth discussing you know you don't go

2375

01:50:24,770 --> 01:50:23,580

out and go shopping on this island

2376

01:50:26,689 --> 01:50:24,780

if it's

2377

01:50:28,550 --> 01:50:26,699

like somebody told me you have to go to

2378

01:50:32,149 --> 01:50:28,560

three different stores before you find

2379

01:50:34,570 --> 01:50:32,159

10 of the same size screws you know it's

2380

01:50:40,910 --> 01:50:37,910

in that it's challenging and and you

2381

01:50:45,250 --> 01:50:40,920

don't uh that's another part uh I have

2382

01:50:52,550 --> 01:50:49,550

but what I mean is you don't have Amazon

2383

01:50:55,609 --> 01:50:52,560

so you can order off of Amazon I have no

2384

01:50:56,870 --> 01:50:55,619

idea how long it takes but here in the

2385

01:50:59,629 --> 01:50:56,880

United States

2386

01:51:03,350 --> 01:50:59,639

you get everything the next day and in

2387

01:51:05,390 --> 01:51:03,360

some cases the same day

2388

01:51:08,510 --> 01:51:05,400

no here to get anything from Amazon

2389

01:51:11,270 --> 01:51:08,520

takes between three to five weeks if it

2390

01:51:12,890 --> 01:51:11,280

doesn't cost and then you know half the

2391

01:51:15,770 --> 01:51:12,900

time when I try to order something on

2392

01:51:18,890 --> 01:51:15,780

Amazon they take them the payment and

2393

01:51:20,810 --> 01:51:18,900

then I get the signal it says sorry we

2394

01:51:23,149 --> 01:51:20,820

don't deliver to your destination it's

2395

01:51:25,550 --> 01:51:23,159

considered a remote destination

2396

01:51:27,350 --> 01:51:25,560

I'm like this is so frustrating so you

2397

01:51:30,530 --> 01:51:27,360

have to learn how to LIT you know you

2398

01:51:32,750 --> 01:51:30,540

you really regroup it already started in

2399

01:51:35,570 --> 01:51:32,760

Italy because there was much more much

2400

01:51:38,149 --> 01:51:35,580

less of consumer Society in Italy when I

2401

01:51:40,010 --> 01:51:38,159

first went there in 1983. okay and of

2402

01:51:43,010 --> 01:51:40,020

course it graduated up to mass

2403

01:51:44,750 --> 01:51:43,020

consumerism by the time I left so then I

2404

01:51:47,629 --> 01:51:44,760

stepped back because I'm always stepping

2405

01:51:50,990 --> 01:51:47,639

away I want to be away from it in in

2406

01:51:52,850 --> 01:51:51,000

more simple living so I came here and

2407

01:51:54,770 --> 01:51:52,860

here it's going to be difficult for

2408

01:51:56,330 --> 01:51:54,780

consumerism to ever hit because there's

2409

01:52:01,510 --> 01:51:56,340

no

2410

01:52:04,070 --> 01:52:01,520

we've got one

2411

01:52:07,790 --> 01:52:04,080

inadequate supermarket and one market

2412

01:52:11,270 --> 01:52:07,800

can you imagine what about what about

2413

01:52:18,109 --> 01:52:14,870

uh there is a place you're Italian can

2414

01:52:21,070 --> 01:52:18,119

you order a pizza I make my own no I

2415

01:52:23,390 --> 01:52:21,080

knew you were gonna say that okay

2416

01:52:25,250 --> 01:52:23,400

the one place that you I don't want to

2417

01:52:27,470 --> 01:52:25,260

say this and then have them get mad at

2418

01:52:29,689 --> 01:52:27,480

me because if they're watching but the

2419

01:52:32,750 --> 01:52:29,699

one place that makes pizza here

2420

01:52:35,030 --> 01:52:32,760

yeah I don't think so okay okay it's so

2421

01:52:37,070 --> 01:52:35,040

that's yeah that's that's crazy it's

2422

01:52:39,410 --> 01:52:37,080

weird and then you know we have very we

2423

01:52:40,850 --> 01:52:39,420

have limited restaurants and in off

2424

01:52:44,330 --> 01:52:40,860

season a lot of them close because

2425

01:52:47,590 --> 01:52:44,340

there's no clientele but they just put

2426  
01:52:51,530 --> 01:52:47,600  
in a Kentucky Fried Chicken to my sugar

2427  
01:52:53,570 --> 01:52:51,540  
okay all right all right this is just

2428  
01:52:55,430 --> 01:52:53,580  
out of nowhere they attached it to the

2429  
01:52:56,930 --> 01:52:55,440  
supermarket they got this gigantic

2430  
01:53:00,169 --> 01:52:56,940  
Kentucky Fried Chicken sign I'm like

2431  
01:53:02,629 --> 01:53:00,179  
what what is this did you go have you

2432  
01:53:04,430 --> 01:53:02,639  
gone I would never eat Kentucky Fried

2433  
01:53:06,709 --> 01:53:04,440  
Chicken first of all I'm a vegetarian

2434  
01:53:08,810 --> 01:53:06,719  
but I don't want the slop but I did go

2435  
01:53:11,090 --> 01:53:08,820  
to check it out and you know what

2436  
01:53:13,850 --> 01:53:11,100  
they've got you have to order through

2437  
01:53:18,950 --> 01:53:17,090  
I was like oh my God thank god seriously

2438  
01:53:20,750 --> 01:53:18,960

I was like this is where they're gonna

2439

01:53:24,530 --> 01:53:20,760

take the people now you have to you have

2440

01:53:26,990 --> 01:53:24,540

this digital order sheet or whatever you

2441

01:53:29,030 --> 01:53:27,000

want to call Posters kiosk yeah kiosk

2442

01:53:31,070 --> 01:53:29,040

you have to go I was watching the people

2443

01:53:32,870 --> 01:53:31,080

going crazy because a lot of people hear

2444

01:53:34,430 --> 01:53:32,880

the older folks don't even have the

2445

01:53:36,709 --> 01:53:34,440

phones and they certainly don't know how

2446

01:53:43,990 --> 01:53:36,719

to use that kind of system and they were

2447

01:53:48,109 --> 01:53:46,189

and I just went

2448

01:53:49,129 --> 01:53:48,119

I don't want this I'm not happy about

2449

01:53:55,550 --> 01:53:49,139

this

2450

01:53:58,790 --> 01:53:55,560

fast food has never been here

2451

01:54:02,169 --> 01:53:58,800

the uh the Azores

2452

01:54:05,090 --> 01:54:02,179

um and and I did this a lot since you

2453

01:54:06,830 --> 01:54:05,100

forced me into

2454

01:54:09,109 --> 01:54:06,840

um and you did it was a twisting of the

2455

01:54:11,570 --> 01:54:09,119

arm I did the Azores Deep dive for a

2456

01:54:13,430 --> 01:54:11,580

long time because of you and but when

2457

01:54:15,470 --> 01:54:13,440

you go and you look at the Atlantic

2458

01:54:17,870 --> 01:54:15,480

Ocean and you're like okay how remote

2459

01:54:19,970 --> 01:54:17,880

Can it can I get and just put your

2460

01:54:23,229 --> 01:54:19,980

finger down and then lift it up it's the

2461

01:54:26,570 --> 01:54:23,239

Azores right that's that's where you are

2462

01:54:28,129 --> 01:54:26,580

and and so all of those little things

2463

01:54:32,350 --> 01:54:28,139

that the rest of the world takes for

2464

01:54:36,530 --> 01:54:32,360

granted you know whatever if it's uh

2465

01:54:39,229 --> 01:54:36,540

Coca-Cola or or or shoot whatever it is

2466

01:54:40,970 --> 01:54:39,239

it's got to be brought to the island and

2467

01:54:42,770 --> 01:54:40,980

and that's it there isn't another way

2468

01:54:44,570 --> 01:54:42,780

around it

2469

01:54:47,870 --> 01:54:44,580

um but the people that live there live

2470

01:54:49,370 --> 01:54:47,880

there because of that right because of

2471

01:54:51,770 --> 01:54:49,380

that separation

2472

01:54:54,169 --> 01:54:51,780

well some of them I don't think that the

2473

01:54:56,390 --> 01:54:54,179

they necessarily chose it I think it's

2474

01:54:58,790 --> 01:54:56,400

just their you know they their Heritage

2475

01:55:01,729 --> 01:54:58,800

is here whereas a lot of expats are

2476

01:55:03,590 --> 01:55:01,739

moving to the Azores a lot now there are

2477

01:55:07,310 --> 01:55:03,600

nine Islands mine is one of the most

2478

01:55:10,070 --> 01:55:07,320

remote file there there are others that

2479

01:55:12,470 --> 01:55:10,080

are more developed like San Miguel

2480

01:55:14,930 --> 01:55:12,480

that have infrastructure up the Wazoo

2481

01:55:16,609 --> 01:55:14,940

but here in this little island is very

2482

01:55:18,109 --> 01:55:16,619

it's I don't want to say it's primitive

2483

01:55:21,470 --> 01:55:18,119

but it's very

2484

01:55:24,350 --> 01:55:21,480

it's limited and for me delightfully so

2485

01:55:26,450 --> 01:55:24,360

yeah I've done this before with you I'm

2486

01:55:27,649 --> 01:55:26,460

going to do it again okay so what island

2487

01:55:29,330 --> 01:55:27,659

are you on

2488

01:55:31,609 --> 01:55:29,340

fire

2489

01:55:35,090 --> 01:55:31,619

okay let me oh yeah yeah yeah yeah yeah

2490

01:55:40,250 --> 01:55:35,100

yeah you're you're way out there you're

2491

01:55:45,709 --> 01:55:43,850

yeah and uh so let me look at I I did

2492

01:55:48,950 --> 01:55:45,719

this with you before

2493

01:55:51,050 --> 01:55:48,960

and uh okay so what side of the island

2494

01:55:53,450 --> 01:55:51,060

are you on

2495

01:55:57,290 --> 01:55:53,460

my house yeah

2496

01:56:00,890 --> 01:55:57,300

I'm South well let's see

2497

01:56:02,390 --> 01:56:00,900

so lopo wise

2498

01:56:09,169 --> 01:56:02,400

I'm

2499

01:56:12,470 --> 01:56:09,179

the what would call a Town

2500

01:56:16,550 --> 01:56:12,480

which would be on the southern oh let me

2501

01:56:21,770 --> 01:56:18,709

and there's nothing here man that's a

2502

01:56:25,129 --> 01:56:21,780

tiny little island it is

2503

01:56:28,250 --> 01:56:25,139

people saying crazy but I just I love

2504

01:56:30,970 --> 01:56:28,260

you know I'm a writer

2505

01:56:33,350 --> 01:56:30,980

I don't need a lot of civilization

2506

01:56:39,169 --> 01:56:33,360

around me

2507

01:56:41,629 --> 01:56:39,179

I I spend a lot of time alone on purpose

2508

01:56:43,370 --> 01:56:41,639

and I reject consumerism and it's it's

2509

01:56:45,830 --> 01:56:43,380

hard to believe because I come from San

2510

01:56:48,109 --> 01:56:45,840

Francisco Bay area right

2511

01:56:49,490 --> 01:56:48,119

and I moved to Rome which is another big

2512

01:56:53,090 --> 01:56:49,500

chaos

2513

01:56:54,830 --> 01:56:53,100

and I chose this because I I really

2514

01:56:57,470 --> 01:56:54,840

prefer to be

2515

01:57:00,169 --> 01:56:57,480

in a non-chaotic environment and boy

2516

01:57:01,729 --> 01:57:00,179

this is it and out of all the islands

2517

01:57:05,870 --> 01:57:01,739

well there is another smaller one called

2518

01:57:10,729 --> 01:57:05,880

Flo Flora but uh it's pretty small

2519

01:57:14,209 --> 01:57:10,739

yes it is it is uh

2520

01:57:16,370 --> 01:57:14,219

man that is remote jeez man

2521

01:57:18,649 --> 01:57:16,380

it's beautiful though yeah it is it is

2522

01:57:22,250 --> 01:57:18,659

what do you do uh we're at the end of

2523

01:57:24,470 --> 01:57:22,260

the show but when you come back uh to

2524

01:57:27,470 --> 01:57:24,480

like you know San Francisco or Los

2525

01:57:29,810 --> 01:57:27,480

Angeles is there is there a shock to the

2526  
01:57:32,149 --> 01:57:29,820  
system or can you can you adapt pretty

2527  
01:57:34,189 --> 01:57:32,159  
quickly it's a total shock to the system

2528  
01:57:36,770 --> 01:57:34,199  
but I'm adaptable because I've been a

2529  
01:57:40,250 --> 01:57:36,780  
world travel all my life so the last

2530  
01:57:42,530 --> 01:57:40,260  
time I took a big trip I went to Rome I

2531  
01:57:45,890 --> 01:57:42,540  
was like okay from here to Lisbon is

2532  
01:57:48,470 --> 01:57:45,900  
like already a step up then from Lisbon

2533  
01:57:51,530 --> 01:57:48,480  
which is still a small City to Rome was

2534  
01:57:53,390 --> 01:57:51,540  
like gak and then from there to Cairo

2535  
01:57:55,370 --> 01:57:53,400  
with 27 million people I almost had a

2536  
01:57:57,890 --> 01:57:55,380  
heart attack I just couldn't even bear

2537  
01:57:58,910 --> 01:57:57,900  
it the noise the smog the people the

2538  
01:58:00,530 --> 01:57:58,920

chaos

2539

01:58:03,050 --> 01:58:00,540  
and I could feel it was like going

2540

01:58:04,310 --> 01:58:03,060  
through the locks in the ship you know

2541

01:58:07,910 --> 01:58:04,320  
when I came back down I was like okay

2542

01:58:09,950 --> 01:58:07,920  
okay and I'll be in my Island soon and

2543

01:58:11,930 --> 01:58:09,960  
then when I flew back over the island I

2544

01:58:13,370 --> 01:58:11,940  
got off the plane there was a cow almost

2545

01:58:16,550 --> 01:58:13,380  
on the runway

2546

01:58:21,290 --> 01:58:16,560  
and I thought yeah yeah I'm back this is

2547

01:58:22,729 --> 01:58:21,300  
where I'm meant to be I I I've I've so

2548

01:58:25,010 --> 01:58:22,739  
many people have asked me about Egypt

2549

01:58:27,410 --> 01:58:25,020  
you know so what you know what did you

2550

01:58:29,990 --> 01:58:27,420  
see this did you feel this uh the king's

2551  
01:58:32,930 --> 01:58:30,000  
chamber and you know what you know what

2552  
01:58:36,770 --> 01:58:32,940  
freaked me out

2553  
01:58:40,450 --> 01:58:36,780  
the people the size I wasn't prepared

2554  
01:58:47,810 --> 01:58:43,669  
not I live in Los Angeles

2555  
01:58:53,530 --> 01:58:47,820  
and and Los Angeles is like Mayberry

2556  
01:58:56,510 --> 01:58:53,540  
compared to Cairo there's no convey

2557  
01:58:59,209 --> 01:58:56,520  
LA's all spread out there may be you

2558  
01:59:04,729 --> 01:58:59,219  
know 20 25 million people here but it is

2559  
01:59:06,709 --> 01:59:04,739  
way you don't Cairo is vavap right and

2560  
01:59:08,950 --> 01:59:06,719  
it it ever I said how many people live

2561  
01:59:12,350 --> 01:59:08,960  
your own they're over 30 million 30.

2562  
01:59:13,850 --> 01:59:12,360  
what the I was not prepared for that and

2563  
01:59:15,830 --> 01:59:13,860

let me tell you something that when I

2564

01:59:20,450 --> 01:59:15,840

started going to Egypt because I used to

2565

01:59:22,310 --> 01:59:20,460

go every year uh was in 1996 and it was

2566

01:59:24,050 --> 01:59:22,320

very very different and when the

2567

01:59:26,149 --> 01:59:24,060

revolution happened

2568

01:59:27,470 --> 01:59:26,159

they started throwing up buildings like

2569

01:59:28,490 --> 01:59:27,480

there was no tomorrow because there was

2570

01:59:30,589 --> 01:59:28,500

no law

2571

01:59:32,089 --> 01:59:30,599

so you know a lot of these people are

2572

01:59:34,550 --> 01:59:32,099

sitting on a lot of money because a lot

2573

01:59:37,550 --> 01:59:34,560

of them got a very rich ripping off the

2574

01:59:39,169 --> 01:59:37,560

tombs in the deserts right the ones that

2575

01:59:41,510 --> 01:59:39,179

have not yet been officially discovered

2576

01:59:43,010 --> 01:59:41,520

a lot of money there and oil and

2577

01:59:45,109 --> 01:59:43,020

whatever and they were just throwing up

2578

01:59:46,970 --> 01:59:45,119

buildings like crazy so now the last

2579

01:59:50,350 --> 01:59:46,980

time I was in Cairo I went what the hell

2580

01:59:55,330 --> 01:59:50,360

is this it's Insanity all these

2581

02:00:00,169 --> 01:59:55,340

horrific yeah it's everywhere

2582

02:00:02,570 --> 02:00:00,179

it is an absolute jungle the uh the I I

2583

02:00:05,089 --> 02:00:02,580

I thought that I knew traffic I live in

2584

02:00:08,629 --> 02:00:05,099

LA I thought I knew traffic

2585

02:00:12,350 --> 02:00:08,639

no they the the traffic is in its own

2586

02:00:15,669 --> 02:00:12,360

world in Cairo it's and and and then

2587

02:00:18,890 --> 02:00:15,679

somebody said to me and you they chaos

2588

02:00:20,870 --> 02:00:18,900

that you see with these people it's

2589

02:00:22,970 --> 02:00:20,880

organized chaos too as well I never saw

2590

02:00:25,850 --> 02:00:22,980

any traffic accidents that was the other

2591

02:00:28,129 --> 02:00:25,860

thing nobody all these cars and and and

2592

02:00:28,930 --> 02:00:28,139

motorcycles with four people on the

2593

02:00:32,089 --> 02:00:28,940

motorcycle

2594

02:00:35,330 --> 02:00:32,099

whizzing through and and you see this

2595

02:00:37,370 --> 02:00:35,340

but it's an organized chaos and and I

2596

02:00:41,689 --> 02:00:37,380

made this joke I said nobody pays

2597

02:00:45,410 --> 02:00:41,699

attention to the the the lines painted

2598

02:00:47,089 --> 02:00:45,420

on the road and and somebody said they

2599

02:00:51,850 --> 02:00:47,099

just added those

2600

02:00:55,910 --> 02:00:54,229

you know people are going 100 miles an

2601  
02:00:57,770 --> 02:00:55,920  
hour and there's a donkey cart right in

2602  
02:00:59,930 --> 02:00:57,780  
front of the car and they're like into

2603  
02:01:02,450 --> 02:00:59,940  
the next Lane there is no Lane there's

2604  
02:01:04,250 --> 02:01:02,460  
no lanes and that when they explain that

2605  
02:01:05,990 --> 02:01:04,260  
to me what do you mean there were no

2606  
02:01:07,189 --> 02:01:06,000  
there were no lines They just added

2607  
02:01:09,589 --> 02:01:07,199  
those that's why they don't pay

2608  
02:01:13,370 --> 02:01:09,599  
attention to them and they don't by the

2609  
02:01:15,649 --> 02:01:13,380  
way the lines are there as a suggestion

2610  
02:01:17,570 --> 02:01:15,659  
um but uh no I never saw I never saw a

2611  
02:01:20,770 --> 02:01:17,580  
traffic accident I didn't see anybody

2612  
02:01:23,990 --> 02:01:20,780  
pulled over either I didn't see anything

2613  
02:01:26,330 --> 02:01:24,000

it was uh I loved it though I got to

2614

02:01:29,870 --> 02:01:26,340

admit there's an organized chaos they've

2615

02:01:34,250 --> 02:01:29,880

had 5 000 years there uh

2616

02:01:35,930 --> 02:01:34,260

and it's so wonderful so much when you

2617

02:01:37,850 --> 02:01:35,940

get down to Luxor then you really start

2618

02:01:39,410 --> 02:01:37,860

to take

2619

02:01:41,450 --> 02:01:39,420

did you get down to

2620

02:01:47,149 --> 02:01:41,460

yeah I did I did the whole thing I did

2621

02:01:51,649 --> 02:01:47,159

uh edfu kamambo Luxor Karnak uh uh

2622

02:01:55,490 --> 02:01:51,659

um uh dundera abados you know we did

2623

02:01:58,250 --> 02:01:55,500

yeah we did uh Aswan of course I think

2624

02:02:00,290 --> 02:01:58,260

everybody goes there but uh yeah yeah we

2625

02:02:02,510 --> 02:02:00,300

did we did all of that

2626

02:02:05,330 --> 02:02:02,520

um you know of course the car and things

2627

02:02:08,270 --> 02:02:05,340

but I tried to see as many things South

2628

02:02:10,790 --> 02:02:08,280

in Upper Egypt as we could

2629

02:02:13,490 --> 02:02:10,800

um I put a I put a lot a lot of things

2630

02:02:15,830 --> 02:02:13,500

there and and we hit them all but you're

2631

02:02:18,290 --> 02:02:15,840

right about that there's something when

2632

02:02:20,810 --> 02:02:18,300

you go 500 miles south

2633

02:02:22,609 --> 02:02:20,820

um uh from Cairo and that's that's a

2634

02:02:26,030 --> 02:02:22,619

that's a that's a long ways you know

2635

02:02:28,609 --> 02:02:26,040

going up the Nile uh to see the culture

2636

02:02:31,970 --> 02:02:28,619

in in Luxor yeah it was pretty

2637

02:02:34,310 --> 02:02:31,980

tremendous we next to you know the

2638

02:02:37,970 --> 02:02:34,320

temple which takes up most of downtown

2639

02:02:41,209 --> 02:02:37,980

Luxor right next to the top as we leave

2640

02:02:43,910 --> 02:02:41,219

there was and the signs were in English

2641

02:02:47,930 --> 02:02:43,920

and in Arabic right

2642

02:02:50,390 --> 02:02:47,940

it was a family Festival

2643

02:02:52,870 --> 02:02:50,400

for the children that's what the sign

2644

02:02:59,689 --> 02:02:56,030

thousands and thousands of kids

2645

02:03:02,629 --> 02:02:59,699

running around doing kid things uh with

2646

02:03:04,790 --> 02:03:02,639

their parents it was it was a sea of

2647

02:03:07,850 --> 02:03:04,800

them and I thought man that that is that

2648

02:03:10,970 --> 02:03:07,860

was just tremendous uh to see but when

2649

02:03:13,990 --> 02:03:10,980

did you lose that what's that in our

2650

02:03:16,669 --> 02:03:14,000

Western culture we're losing that

2651

02:03:19,910 --> 02:03:16,679

family Festival

2652

02:03:21,830 --> 02:03:19,920

for the children that's and it was it

2653

02:03:24,350 --> 02:03:21,840

was crazy it was looked like a lot of

2654

02:03:25,910 --> 02:03:24,360

fun Patricia I can't wait to see you you

2655

02:03:28,970 --> 02:03:25,920

need to come over here I'll certainly

2656

02:03:31,070 --> 02:03:28,980

wing it out there and uh where can

2657

02:03:34,129 --> 02:03:31,080

everybody get the book we have Patricia

2658

02:03:35,089 --> 02:03:34,139

corey.com of course but where else is it

2659

02:03:39,709 --> 02:03:35,099

available

2660

02:03:43,250 --> 02:03:39,719

the online booksellers and if you can't

2661

02:03:44,629 --> 02:03:43,260

uh thank you for showing it it also you

2662

02:03:46,729 --> 02:03:44,639

can go into a bookstore and have them

2663

02:03:49,430 --> 02:03:46,739

order it for you if they don't have it

2664

02:03:51,770 --> 02:03:49,440

thank you so much be safe out there and

2665

02:03:53,089 --> 02:03:51,780

keep doing what you're doing same to you

2666

02:03:55,129 --> 02:03:53,099

and I'm going to take you up on coming

2667

02:03:58,310 --> 02:03:55,139

over there or you coming here I'll cook

2668

02:04:00,770 --> 02:03:58,320

you one hell of an Italian idea man man

2669

02:04:03,350 --> 02:04:00,780

man Patricia Corey homemade pizza I'm

2670

02:04:06,709 --> 02:04:03,360

all down hey there's Pete there's Pete

2671

02:04:08,689 --> 02:04:06,719

hey Pete there's Pepper or pepper pepper

2672

02:04:11,450 --> 02:04:08,699

knows when the conversation's ending

2673

02:04:12,649 --> 02:04:11,460

it's in Kenny here she comes pepper how

2674

02:04:21,530 --> 02:04:12,659

you doing

2675

02:04:27,050 --> 02:04:23,510

thank you

2676

02:04:30,350 --> 02:04:27,060

have a great night and with that we ran

2677

02:04:33,830 --> 02:04:30,360

over but it's the Azores it's Patricia

2678

02:04:35,689 --> 02:04:33,840

Corey everybody visit Patricia corey.com

2679

02:04:40,490 --> 02:04:35,699

it's right there it's simple it's easy

2680

02:04:43,209 --> 02:04:40,500

the new book is hacking the god code

2681

02:04:46,370 --> 02:04:43,219

There It Is I've got my very own copy

2682

02:04:47,890 --> 02:04:46,380

everybody be safe and be well and have a

2683

02:04:51,410 --> 02:04:47,900

great weekend

2684

02:04:53,149 --> 02:04:51,420

because today is my Friday Fade to Black

2685

02:04:54,589 --> 02:04:53,159

is produced by him J Palm Renee Dennis

2686

02:04:56,930 --> 02:04:54,599

and Kevin

2687

02:04:58,870 --> 02:04:56,940

what Masters drew the geek music Doug

2688

02:05:00,950 --> 02:04:58,880

Aldrich intro space boy

2689

02:05:02,810 --> 02:05:00,960

spaceboymusic.com Fade to Black is

2690

02:05:05,149 --> 02:05:02,820

produced by kjcr for the game changer

2691

02:05:07,729 --> 02:05:05,159

Network and this broadcast is own and

2692

02:05:09,830 --> 02:05:07,739

copyrighted 2023 by Fade to Black in the

2693

02:05:11,750 --> 02:05:09,840

game changer networking it cannot be

2694

02:05:13,609 --> 02:05:11,760

rebroadcast downloaded copied or used

2695

02:05:15,350 --> 02:05:13,619

anywhere in the known universe without

2696

02:05:16,850 --> 02:05:15,360

written permission from Fade to Black in

2697

02:05:19,310 --> 02:05:16,860

the game changer Network I'm real Jimmy

2698

02:05:23,810 --> 02:05:19,320

church I'm gonna go start my weekend

2699

02:05:34,250 --> 02:05:23,820

everybody you do the same be safe go

2700

02:05:34,260 --> 02:05:38,200

foreign

2701

02:06:05,340 --> 02:05:49,600

[Music]
