

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Tue Jan 17, 2023 **LIVE**

1
00:00:36,310 --> 00:00:22,370

[Music]

2
00:00:43,250 --> 00:00:39,049

welcome Fade to Black breaking news for

3
00:00:44,750 --> 00:00:43,260

this Tuesday January 17 2023 I am your

4
00:00:48,650 --> 00:00:44,760

host Jimmy Church

5
00:00:52,150 --> 00:00:48,660

this is all of the news that you need

6
00:00:55,790 --> 00:00:52,160

start here on this day in history

7
00:00:58,189 --> 00:00:55,800

1950. 11 men steal more than 2 million

8
00:01:01,130 --> 00:00:58,199

dollars 29 million dollars in today's

9
00:01:04,430 --> 00:01:01,140

Dosh from the Brinks in Boston

10
00:01:07,670 --> 00:01:04,440

Massachusetts it was the Perfect Crime

11
00:01:09,830 --> 00:01:07,680

almost as the culprits weren't caught

12
00:01:14,210 --> 00:01:09,840

until somebody started talking

13
00:01:16,670 --> 00:01:14,220

in January 1956 just days before the

14

00:01:18,590 --> 00:01:16,680
statute of limitations for the theft

15

00:01:21,710 --> 00:01:18,600
expired

16

00:01:24,289 --> 00:01:21,720
on this day in 1950 let's get to your

17

00:01:27,850 --> 00:01:24,299
fader fact

18

00:01:32,450 --> 00:01:27,860
the most venomous jellyfish in the world

19

00:01:36,289 --> 00:01:32,460
is the urukanji they're smaller than

20

00:01:38,690 --> 00:01:36,299
your fingernail and their venom is 100

21

00:01:41,090 --> 00:01:38,700
times more potent

22

00:01:44,749 --> 00:01:41,100
than a cobras

23

00:01:47,929 --> 00:01:44,759
this big little teeny little teeny tiny

24

00:01:50,450 --> 00:01:47,939
yeah you can't even see him coming let's

25

00:01:52,550 --> 00:01:50,460
get to the breaking news lots of

26
00:01:54,889 --> 00:01:52,560
breaking news today archaeologists in

27
00:01:59,289 --> 00:01:54,899
Norway by the way

28
00:02:02,870 --> 00:01:59,299
today we've got lots of Norway news

29
00:02:05,510 --> 00:02:02,880
archaeologists in Norway said today that

30
00:02:08,930 --> 00:02:05,520
they have found a rune Stone which they

31
00:02:10,910 --> 00:02:08,940
say is the world's oldest and that the

32
00:02:13,309 --> 00:02:10,920
inscriptions are up to 2 000 years old

33
00:02:15,309 --> 00:02:13,319
and date back to the earliest days of

34
00:02:19,250 --> 00:02:15,319
runic writing

35
00:02:21,589 --> 00:02:19,260
measuring just 31 centimeters by 32

36
00:02:24,410 --> 00:02:21,599
centimeters about 12 inches by 12 inches

37
00:02:26,930 --> 00:02:24,420
the stone has several types of

38
00:02:28,250 --> 00:02:26,940

inscriptions and not all make linguistic

39

00:02:30,589 --> 00:02:28,260

sense

40

00:02:33,290 --> 00:02:30,599

eight runes on the front of the stoned

41

00:02:37,309 --> 00:02:33,300

Reed idaberg

42

00:02:40,610 --> 00:02:37,319

that's right idaberg which could mean

43

00:02:42,830 --> 00:02:40,620

the name of a woman they don't know it

44

00:02:45,589 --> 00:02:42,840

could be a man or it could be a family

45

00:02:48,410 --> 00:02:45,599

the runestone will be exhibited for a

46

00:02:51,229 --> 00:02:48,420

month starting January 21st at the

47

00:02:52,970 --> 00:02:51,239

Museum of cultural history which is

48

00:02:54,949 --> 00:02:52,980

Norway's largest collection of

49

00:02:59,290 --> 00:02:54,959

historical artifacts from the Stone Age

50

00:03:03,830 --> 00:02:59,300

all the way through to modern times now

51
00:03:06,410 --> 00:03:03,840
in other Norway news the Norwegian

52
00:03:09,770 --> 00:03:06,420
police unit that investigates war crimes

53
00:03:13,309 --> 00:03:09,780
said today that it wants to talk to

54
00:03:16,190 --> 00:03:13,319
Andre Medvedev a Russian Asylum Seeker

55
00:03:18,729 --> 00:03:16,200
who is a former high-ranking member of

56
00:03:23,270 --> 00:03:18,739
the private Russian military contractor

57
00:03:26,030 --> 00:03:23,280
the Wagner group last week Medvedev who

58
00:03:28,790 --> 00:03:26,040
says he fears for his life fled to

59
00:03:32,149 --> 00:03:28,800
Norway where he sought Asylum and police

60
00:03:34,369 --> 00:03:32,159
in Arctic Norway said a person had

61
00:03:37,149 --> 00:03:34,379
illegally entered from Russia by

62
00:03:40,369 --> 00:03:37,159
crossing the border which is about

63
00:03:44,210 --> 00:03:40,379

123 miles long

64

00:03:46,250 --> 00:03:44,220

the last guy that left Wagner the last

65

00:03:49,910 --> 00:03:46,260

guy

66

00:03:51,530 --> 00:03:49,920

killed Sledgehammer to the Head public

67

00:03:54,770 --> 00:03:51,540

execution

68

00:03:56,690 --> 00:03:54,780

on a live video stream he doesn't want

69

00:04:01,009 --> 00:03:56,700

that

70

00:04:03,530 --> 00:04:01,019

the massive excuse me

71

00:04:06,350 --> 00:04:03,540

the massive volcanic blast in the

72

00:04:08,750 --> 00:04:06,360

Pacific last year was felt 18 000

73

00:04:12,009 --> 00:04:08,760

kilometers away on the other side of the

74

00:04:15,949 --> 00:04:12,019

world on the floor of the Atlantic Ocean

75

00:04:21,050 --> 00:04:15,959

the eruption of The hungatanga Hunger ha

76
00:04:23,210 --> 00:04:21,060
up high on January 15 2022 send pressure

77
00:04:24,770 --> 00:04:23,220
waves through Earth's atmosphere that

78
00:04:27,790 --> 00:04:24,780
connected with the sea surface and

79
00:04:31,790 --> 00:04:27,800
triggered 50 highly sensitive size

80
00:04:36,650 --> 00:04:31,800
seismometers placed 500

81
00:04:40,129 --> 00:04:36,660
five thousand meters under the ocean uh

82
00:04:43,249 --> 00:04:40,139
on the seabed in the Azores Madera

83
00:04:47,030 --> 00:04:43,259
Canary Islands region scientists LED

84
00:04:49,430 --> 00:04:47,040
from the University of uh London had set

85
00:04:52,670 --> 00:04:49,440
up the stations primarily to detect

86
00:04:58,730 --> 00:04:55,249
yeah it's freezing here

87
00:05:03,290 --> 00:04:58,740
it's freezing I I can't concentrate it

88
00:05:07,270 --> 00:05:03,300

is so cold the mayor of Amion in

89

00:05:12,290 --> 00:05:07,280

northern France has asked Madonna

90

00:05:15,050 --> 00:05:12,300

yes that Madonna to lend the city a

91

00:05:17,870 --> 00:05:15,060

painting as it seeks to become the

92

00:05:21,110 --> 00:05:17,880

European capital of culture

93

00:05:23,029 --> 00:05:21,120

now the painting in question and I've

94

00:05:25,430 --> 00:05:23,039

seen it it's

95

00:05:30,370 --> 00:05:25,440

it's different the painting a question

96

00:05:32,990 --> 00:05:30,380

is Diana and Andy Mion by Jerome Martin

97

00:05:35,930 --> 00:05:33,000

langwa which was commissioned by Louis

98

00:05:39,290 --> 00:05:35,940

the 18th and had been on display in

99

00:05:41,450 --> 00:05:39,300

amian however it was thought to have

100

00:05:44,689 --> 00:05:41,460

been destroyed when the city was bombed

101
00:05:49,249 --> 00:05:44,699
by Germany in 1918. painting just

102
00:05:53,510 --> 00:05:49,259
disappeared right or did it the painting

103
00:05:56,629 --> 00:05:53,520
or one almost identical to it went on

104
00:05:57,710 --> 00:05:56,639
sale at auction in New York in 1989 and

105
00:06:01,430 --> 00:05:57,720
Madonna

106
00:06:04,070 --> 00:06:01,440
forked over 1.3 million dollars for it

107
00:06:06,529 --> 00:06:04,080
it's hanging in her house

108
00:06:09,050 --> 00:06:06,539
they kind of want it back they're saying

109
00:06:11,990 --> 00:06:09,060
no you you got it legally

110
00:06:13,090 --> 00:06:12,000
but can you lend it to us we'll see what

111
00:06:17,689 --> 00:06:13,100
happens

112
00:06:20,810 --> 00:06:17,699
a staggering 10-month absence of snow in

113
00:06:24,170 --> 00:06:20,820

New York City has made the ongoing

114

00:06:26,990 --> 00:06:24,180

streak the fourth longest since record

115

00:06:29,469 --> 00:06:27,000

keeping began the National Weather

116

00:06:32,749 --> 00:06:29,479

service's Central Park climate station

117

00:06:35,210 --> 00:06:32,759

has not registered one tenth of an inch

118

00:06:39,890 --> 00:06:35,220

of accumulation you know the threshold

119

00:06:43,870 --> 00:06:39,900

of measurable snowfall in 313 days

120

00:06:47,270 --> 00:06:43,880

through yesterday January 16 2023

121

00:06:50,950 --> 00:06:47,280

trailing only three streaks one of 319

122

00:06:54,770 --> 00:06:50,960

days one of 320 days and one of

123

00:06:57,409 --> 00:06:54,780

332 days for the current stretch to

124

00:06:59,749 --> 00:06:57,419

break the record Central Park would have

125

00:07:03,529 --> 00:06:59,759

to remain without measurable snow until

126

00:07:06,110 --> 00:07:03,539

February 4th next month

127

00:07:07,550 --> 00:07:06,120

uh some of the biggest news of the year

128

00:07:11,150 --> 00:07:07,560

just broke today

129

00:07:13,850 --> 00:07:11,160

and that's because In and Out Burger is

130

00:07:15,469 --> 00:07:13,860

finally coming east of the Mississippi

131

00:07:18,710 --> 00:07:15,479

River

132

00:07:22,610 --> 00:07:18,720

that's right the california-based burger

133

00:07:24,890 --> 00:07:22,620

chain the best burger in the world which

134

00:07:26,990 --> 00:07:24,900

has been concentrated primarily out here

135

00:07:29,809 --> 00:07:27,000

in the west since its founding more than

136

00:07:33,409 --> 00:07:29,819

70 years ago announced it will open

137

00:07:36,129 --> 00:07:33,419

restaurants in Tennessee the furthest

138

00:07:38,830 --> 00:07:36,139

expansion East in the company's history

139

00:07:41,930 --> 00:07:38,840

in and out is expected to launch

140

00:07:46,010 --> 00:07:41,940

locations around the Nashville area by

141

00:07:48,830 --> 00:07:46,020

2026 as well as opening brand new fresh

142

00:07:52,129 --> 00:07:48,840

corporate offices in the state those are

143

00:07:53,050 --> 00:07:52,139

breaking ground next year there are

144

00:07:55,550 --> 00:07:53,060

currently

145

00:07:58,249 --> 00:07:55,560

385 locations throughout California

146

00:07:59,390 --> 00:07:58,259

Nevada Arizona Utah Texas Oregon and

147

00:08:04,309 --> 00:07:59,400

Colorado

148

00:08:08,029 --> 00:08:04,319

it's our thing it's our little thing it

149

00:08:09,370 --> 00:08:08,039

feels strange going Nationwide I like

150

00:08:13,490 --> 00:08:09,380

the mystery

151
00:08:16,730 --> 00:08:13,500
reality TV stars Todd and Julie Chrisley

152
00:08:19,369 --> 00:08:16,740
are now in the custody of federal prison

153
00:08:21,230 --> 00:08:19,379
officials it's a couple who last month

154
00:08:23,990 --> 00:08:21,240
were sentenced to prison for fraud and

155
00:08:27,249 --> 00:08:24,000
tax crimes reported there as to their

156
00:08:31,070 --> 00:08:27,259
assigned prisons in Florida and Kentucky

157
00:08:34,010 --> 00:08:31,080
Todd Chrisley is serving 12 years at FPC

158
00:08:36,769 --> 00:08:34,020
Pensacola minimum security facility in

159
00:08:39,589 --> 00:08:36,779
Pensacola Florida Julie Chrisley is

160
00:08:43,850 --> 00:08:39,599
serving her seven-year sentence at FMC

161
00:08:45,230 --> 00:08:43,860
Lexington in Kentucky now Chrisley Knows

162
00:08:48,350 --> 00:08:45,240
Best

163
00:08:50,210 --> 00:08:48,360

it's a show I've never seen all right I

164

00:08:52,670 --> 00:08:50,220

gotta be transparent never seen it don't

165

00:08:57,050 --> 00:08:52,680

know anything about these two it debuted

166

00:08:58,730 --> 00:08:57,060

in 2014 on the USA Network right a short

167

00:09:01,430 --> 00:08:58,740

10 seasons

168

00:09:04,550 --> 00:09:01,440

a shortened tenth season is scheduled to

169

00:09:06,710 --> 00:09:04,560

air later on this year

170

00:09:09,889 --> 00:09:06,720

but here's the deal

171

00:09:12,949 --> 00:09:09,899

how do you have a successful TV show

172

00:09:16,730 --> 00:09:12,959

with a 10 season run which is nearly

173

00:09:20,930 --> 00:09:16,740

impossible to do in Hollywood it's just

174

00:09:22,150 --> 00:09:20,940

a fact how do you screw that up with tax

175

00:09:25,670 --> 00:09:22,160

fraud

176
00:09:27,889 --> 00:09:25,680
absolutely incredible all right now I'm

177
00:09:32,030 --> 00:09:27,899
going to leave you with this

178
00:09:35,570 --> 00:09:32,040
the Tesla Model S that I had to do some

179
00:09:36,470 --> 00:09:35,580
Elon news today I I I I cannot do the

180
00:09:38,150 --> 00:09:36,480
news

181
00:09:41,509 --> 00:09:38,160
without Elon

182
00:09:43,550 --> 00:09:41,519
now here we go that Tesla Model S that

183
00:09:46,070 --> 00:09:43,560
braked sharply and triggered an

184
00:09:47,570 --> 00:09:46,080
eight-car crash in San Francisco back in

185
00:09:51,430 --> 00:09:47,580
November's on Thanksgiving by the way

186
00:09:54,829 --> 00:09:51,440
had Tesla's driver assist software

187
00:09:57,110 --> 00:09:54,839
engaged at the time according to data

188
00:09:58,310 --> 00:09:57,120

that the federal government released

189

00:10:02,750 --> 00:09:58,320

today

190

00:10:06,530 --> 00:10:02,760

the Tesla Model S slowed down on the

191

00:10:08,329 --> 00:10:06,540

freeway to seven miles per hour at the

192

00:10:11,329 --> 00:10:08,339

time of the crash and according to the

193

00:10:14,150 --> 00:10:11,339

data all of this was seen in a publicly

194

00:10:17,150 --> 00:10:14,160

released video showing the car moving to

195

00:10:20,090 --> 00:10:17,160

the far left lane and slamming on its

196

00:10:21,949 --> 00:10:20,100

brakes the Tesla driver told authorities

197

00:10:24,230 --> 00:10:21,959

at the time that the vehicle's full

198

00:10:26,810 --> 00:10:24,240

self-driving software broke

199

00:10:28,310 --> 00:10:26,820

unexpectedly and triggered the pile up

200

00:10:29,750 --> 00:10:28,320

on Thanksgiving Day and that's what you

201
00:10:32,449 --> 00:10:29,760
think you know you're gonna blame it on

202
00:10:34,490 --> 00:10:32,459
the car right you know it's your fault

203
00:10:38,329 --> 00:10:34,500
but you you're just gonna blame it on

204
00:10:41,870 --> 00:10:38,339
the car well it turns out with the data

205
00:10:44,210 --> 00:10:41,880
the driver was telling the truth and

206
00:10:48,530 --> 00:10:44,220
here's here's the spin

207
00:10:51,170 --> 00:10:48,540
the pileup took place hours after Elon

208
00:10:54,530 --> 00:10:51,180
Musk announced that it's full

209
00:10:57,650 --> 00:10:54,540
self-driving driver assist system was

210
00:11:02,210 --> 00:10:57,660
available to anyone in North America who

211
00:11:04,610 --> 00:11:02,220
requested it and had paid for the option

212
00:11:07,250 --> 00:11:04,620
there you go that's your Fade to Black

213
00:11:09,590 --> 00:11:07,260

breaking news all of the needs that you

214

00:11:11,269 --> 00:11:09,600

need for this Thursday or did I say

215

00:11:12,530 --> 00:11:11,279

Thursday again keep saying Thursday

216

00:11:20,449 --> 00:11:12,540

Tuesday

217

00:11:24,710 --> 00:11:20,459

breaking news is produced by Renee

218

00:11:29,830 --> 00:11:24,720

Newman and with that I'm just gonna say

219

00:11:48,650 --> 00:11:41,970

[Music]
