

FADE TO BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Wed Jan 18, 2023 **LIVE**

1
00:00:00,659 --> 00:00:15,520
foreign

2
00:00:41,569 --> 00:00:27,660
[Music]

3
00:00:48,490 --> 00:00:44,450
good afternoon Fade to Black breaking

4
00:00:51,950 --> 00:00:48,500
news for this Wednesday January 18 2023

5
00:00:54,650 --> 00:00:51,960
this is all of the news that you need

6
00:00:56,450 --> 00:00:54,660
I'm Jimmy Church let's start off with on

7
00:00:57,910 --> 00:00:56,460
this day in history

8
00:01:02,209 --> 00:00:57,920
otd

9
00:01:04,009 --> 00:01:02,219
1912 after a two-month ordeal the

10
00:01:06,649 --> 00:01:04,019
expedition of British Explorer Robert

11
00:01:10,370 --> 00:01:06,659
Falcon Scott arrives at the South Pole

12
00:01:13,550 --> 00:01:10,380
only to find that rolled amundsen the

13
00:01:17,210 --> 00:01:13,560

Norwegian Explorer had arrived there

14

00:01:19,550 --> 00:01:17,220

before him by about a month

15

00:01:23,149 --> 00:01:19,560

he must have been bummed

16

00:01:25,850 --> 00:01:23,159

your fader fact today

17

00:01:28,429 --> 00:01:25,860

write this down

18

00:01:32,330 --> 00:01:28,439

according to Genesis

19

00:01:36,530 --> 00:01:32,340

Genesis 1 20-22

20

00:01:38,450 --> 00:01:36,540

the chicken came before the egg

21

00:01:40,490 --> 00:01:38,460

and that

22

00:01:41,710 --> 00:01:40,500

is your fader fact let's get to the

23

00:01:46,010 --> 00:01:41,720

breaking news

24

00:01:48,530 --> 00:01:46,020

Lucille Randon a French nun who was the

25

00:01:51,530 --> 00:01:48,540

world's oldest person has died at the

26

00:01:55,010 --> 00:01:51,540

age of 118.

27

00:01:56,030 --> 00:01:55,020

just a few weeks before her 119th

28

00:01:59,090 --> 00:01:56,040

birthday

29

00:02:01,510 --> 00:01:59,100

known as sister Andre she was born on

30

00:02:05,929 --> 00:02:01,520

February 11

31

00:02:07,969 --> 00:02:05,939

1904 and lived through two world wars as

32

00:02:10,490 --> 00:02:07,979

a little girl she was astonished by her

33

00:02:13,790 --> 00:02:10,500

first contact with electric lighting at

34

00:02:16,910 --> 00:02:13,800

school and more recently survived covid

35

00:02:18,170 --> 00:02:16,920

without even realizing she had been

36

00:02:21,170 --> 00:02:18,180

infected

37

00:02:23,990 --> 00:02:21,180

rest in peace Lucille absolutely

38

00:02:25,970 --> 00:02:24,000

incredible 118 years old all right I got

39

00:02:29,030 --> 00:02:25,980

a bunch of Elon Musk news today haven't

40

00:02:31,030 --> 00:02:29,040

done Elon Musk in a few days so had to

41

00:02:34,369 --> 00:02:31,040

get caught up because

42

00:02:37,130 --> 00:02:34,379

as Elon Musk prepares to take the stand

43

00:02:39,949 --> 00:02:37,140

at a trial to determine whether he

44

00:02:41,410 --> 00:02:39,959

misled investors about taking Tesla Inc

45

00:02:44,630 --> 00:02:41,420

private in 2018

46

00:02:49,130 --> 00:02:44,640

the billionaire can expect his tweets

47

00:02:52,369 --> 00:02:49,140

his public comments and his thin skin to

48

00:02:54,830 --> 00:02:52,379

be used against him Tesla's shareholders

49

00:02:59,809 --> 00:02:54,840

want a jury to find musk liable for a

50

00:03:02,449 --> 00:02:59,819

2018 tweet that he had uh he had said in

51
00:03:05,570 --> 00:03:02,459
the Tweet he had

52
00:03:08,330 --> 00:03:05,580
funding secured to take the electric

53
00:03:10,210 --> 00:03:08,340
vehicle maker private which sparked wild

54
00:03:13,670 --> 00:03:10,220
swings in the company's Securities

55
00:03:18,530 --> 00:03:13,680
investors lost millions of dollars as it

56
00:03:20,869 --> 00:03:18,540
became clear no buyout was imminent musk

57
00:03:25,009 --> 00:03:20,879
is expected to be called as a witness in

58
00:03:28,550 --> 00:03:25,019
San Francisco Federal Court this week

59
00:03:31,910 --> 00:03:28,560
today is Wednesday

60
00:03:35,210 --> 00:03:31,920
also Elon Musk and the world economic

61
00:03:38,030 --> 00:03:35,220
forum all right odds over the reason for

62
00:03:40,430 --> 00:03:38,040
his absence from the global conference

63
00:03:43,550 --> 00:03:40,440

the world economic Forum takes place

64

00:03:46,130 --> 00:03:43,560

every year in Davos Switzerland as we

65

00:03:48,670 --> 00:03:46,140

know where billionaire CEOs world

66

00:03:52,970 --> 00:03:48,680

leaders and other influential figures

67

00:03:56,149 --> 00:03:52,980

gather do us discuss a range of ways to

68

00:03:58,130 --> 00:03:56,159

control the world musk says he was

69

00:04:02,630 --> 00:03:58,140

invited to the conference but chose to

70

00:04:05,289 --> 00:04:02,640

skip it saying that it was boring AF

71

00:04:08,210 --> 00:04:05,299

air quotes

72

00:04:11,390 --> 00:04:08,220

the organizers of the wef say the

73

00:04:13,550 --> 00:04:11,400

Twitter CEO hasn't been invited since

74

00:04:17,090 --> 00:04:13,560

2015.

75

00:04:20,210 --> 00:04:17,100

now here is elon's tweet in its entirety

76
00:04:22,129 --> 00:04:20,220
quote my reason for declining the Davos

77
00:04:24,770 --> 00:04:22,139
invitation was not because I thought

78
00:04:26,390 --> 00:04:24,780
that they were engaged in diabolical

79
00:04:30,850 --> 00:04:26,400
scheming

80
00:04:32,810 --> 00:04:30,860
but because it sounded boring a f LOL

81
00:04:35,570 --> 00:04:32,820
end quote

82
00:04:40,210 --> 00:04:35,580
all right there you go well more more

83
00:04:43,430 --> 00:04:40,220
Elon news SpaceX fired a new GPS

84
00:04:45,670 --> 00:04:43,440
three satellite into orbit on behalf of

85
00:04:47,930 --> 00:04:45,680
the United States military today

86
00:04:49,850 --> 00:04:47,940
continuing an effort to bolster the

87
00:04:52,189 --> 00:04:49,860
constellation of global positioning and

88
00:04:56,330 --> 00:04:52,199

navigation satellites that underpin

89

00:04:59,150 --> 00:04:56,340

smartphone apps wartime operations and

90

00:05:02,150 --> 00:04:59,160

so much more the GPS satellite launched

91

00:05:05,330 --> 00:05:02,160

on board a SpaceX Falcon 9 rocket at 7

92

00:05:08,030 --> 00:05:05,340

24 a.m eastern time from Cape Canaveral

93

00:05:10,730 --> 00:05:08,040

Space 4 station in Florida

94

00:05:13,670 --> 00:05:10,740

SpaceX confirmed the satellite had been

95

00:05:17,510 --> 00:05:13,680

deployed in a tweet featuring video of

96

00:05:20,090 --> 00:05:17,520

the moment the Next Generation GPS 3

97

00:05:24,070 --> 00:05:20,100

satellites are built by Lockheed Martin

98

00:05:27,529 --> 00:05:24,080

and a total of 32 will complete the new

99

00:05:29,830 --> 00:05:27,539

gps3 system

100

00:05:33,529 --> 00:05:29,840

gps3

101

00:05:35,749 --> 00:05:33,539

Microsoft is cutting 10 000 jobs the

102

00:05:39,170 --> 00:05:35,759

company announced everything today as it

103

00:05:40,189 --> 00:05:39,180

deals with economic uncertainty and they

104

00:05:44,710 --> 00:05:40,199

added

105

00:05:47,210 --> 00:05:44,720

that they are shifting Focus directly to

106

00:05:50,150 --> 00:05:47,220

artificial intelligence

107

00:05:52,490 --> 00:05:50,160

the cuts which began today and will go

108

00:05:56,689 --> 00:05:52,500

through March will impact five percent

109

00:05:58,790 --> 00:05:56,699

of Microsoft's Global Workforce

110

00:06:01,610 --> 00:05:58,800

artificial intelligence they didn't even

111

00:06:04,370 --> 00:06:01,620

mention gaming by the way

112

00:06:06,730 --> 00:06:04,380

a genetic study has revealed the

113

00:06:10,010 --> 00:06:06,740

existence of a previously unknown

114

00:06:13,310 --> 00:06:10,020

hunter-gatherer group humans that lived

115

00:06:16,370 --> 00:06:13,320

in Siberia upwards of ten thousand years

116

00:06:18,710 --> 00:06:16,380

ago the find was made during a genetic

117

00:06:21,409 --> 00:06:18,720

investigation of human remains in North

118

00:06:24,590 --> 00:06:21,419

Asia dating back as far as 7 500 years

119

00:06:28,189 --> 00:06:24,600

ago the study also revealed that gene

120

00:06:31,670 --> 00:06:28,199

flow of human DNA not only traveled from

121

00:06:34,430 --> 00:06:31,680

Asia to the Americas as everybody knows

122

00:06:36,950 --> 00:06:34,440

but also in the opposite direction

123

00:06:39,290 --> 00:06:36,960

meaning people were moving back and

124

00:06:42,590 --> 00:06:39,300

forth like ping pong balls along the

125

00:06:44,930 --> 00:06:42,600

Bering land bridge in addition the

126
00:06:47,090 --> 00:06:44,940
researchers discovered multiple episodes

127
00:06:50,450 --> 00:06:47,100
of gene flow in the opposite direction

128
00:06:53,629 --> 00:06:50,460
from North America back to Asia over the

129
00:06:55,550 --> 00:06:53,639
past five thousand years with genes from

130
00:06:58,850 --> 00:06:55,560
the new world reaching Russia's

131
00:07:02,450 --> 00:06:58,860
kamchakka Peninsula on the Pacific Ocean

132
00:07:05,390 --> 00:07:02,460
and Central Siberia back back and forth

133
00:07:06,950 --> 00:07:05,400
pretty interesting so I guess the the

134
00:07:09,650 --> 00:07:06,960
rooskis

135
00:07:12,770 --> 00:07:09,660
are North American I'm just saying I'm

136
00:07:16,909 --> 00:07:12,780
I'm I'm I'm just saying

137
00:07:20,390 --> 00:07:16,919
a pristine personal copy of Isaac

138
00:07:22,969 --> 00:07:20,400

Newton's book Optics that was recently

139

00:07:26,689 --> 00:07:22,979

found after going missing for a century

140

00:07:29,330 --> 00:07:26,699

is going up for auction and in the book

141

00:07:31,129 --> 00:07:29,340

Newton analyzes the fundamental nature

142

00:07:33,469 --> 00:07:31,139

of light and is considered one of

143

00:07:36,710 --> 00:07:33,479

scientific revolutions three most

144

00:07:38,990 --> 00:07:36,720

important major works on Optics

145

00:07:42,529 --> 00:07:39,000

the long-lost copy was discovered by

146

00:07:45,710 --> 00:07:42,539

book collector David de Laura while he

147

00:07:48,050 --> 00:07:45,720

was sorting through his collection the

148

00:07:51,290 --> 00:07:48,060

book is set to be sold at the rare books

149

00:07:54,770 --> 00:07:51,300

auction in San Francisco Fair held this

150

00:07:58,909 --> 00:07:54,780

February 3rd to February 5th and is

151

00:08:01,309 --> 00:07:58,919

expected to sell for around just five

152

00:08:03,409 --> 00:08:01,319

hundred thousand dollars

153

00:08:04,210 --> 00:08:03,419

and there you go that's your Fade to

154

00:08:08,930 --> 00:08:04,220

break

155

00:08:10,870 --> 00:08:08,940

all the news that you need for this

156

00:08:15,110 --> 00:08:10,880

Wednesday January 18

157

00:08:18,469 --> 00:08:15,120

2023 breaking news is produced by Renee

158

00:08:19,850 --> 00:08:18,479

Newman I'm Jimmy church and I just have

159

00:08:24,800 --> 00:08:19,860

to say

160

00:08:43,670 --> 00:08:36,940

[Music]
