

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Thur Jan 19, 2023 **LIVE**

1
00:00:44,410 --> 00:00:34,440

[Music]

2
00:00:48,010 --> 00:00:44,420

thank you

3
00:00:55,330 --> 00:00:50,990

all right how you doing Fade to Black

4
00:00:58,250 --> 00:00:55,340

breaking news on Thursday January 19th

5
00:01:01,970 --> 00:00:58,260

2023. this is all of the news

6
00:01:04,609 --> 00:01:01,980

that you need I am Jimmy Church let's

7
00:01:07,550 --> 00:01:04,619

get straight to it little Eights

8
00:01:10,850 --> 00:01:07,560

action going on here in the studio on

9
00:01:15,649 --> 00:01:10,860

this day in history 2004.

10
00:01:18,770 --> 00:01:15,659

it was the Howard Dean scream and an

11
00:01:22,249 --> 00:01:18,780

energetic rally Democratic presidential

12
00:01:26,390 --> 00:01:22,259

hopeful Howard Dean emits a noise so

13
00:01:29,690 --> 00:01:26,400

crazy that it ended his career in

14

00:01:32,929 --> 00:01:29,700

politics it became known as that's right

15

00:01:37,130 --> 00:01:32,939

the Howard Dean scream on this day in

16

00:01:39,469 --> 00:01:37,140

2004 fader facts

17

00:01:47,870 --> 00:01:39,479

pound cake

18

00:01:49,249 --> 00:01:47,880

original recipe contained a pound of

19

00:01:51,469 --> 00:01:49,259

butter

20

00:01:53,030 --> 00:01:51,479

a pound

21

00:01:54,889 --> 00:01:53,040

of butter

22

00:01:56,109 --> 00:01:54,899

and that's your fader fact let's get to

23

00:01:59,450 --> 00:01:56,119

the breaking news

24

00:02:02,749 --> 00:01:59,460

prosecutors plan to charge actor Alec

25

00:02:07,089 --> 00:02:02,759

Baldwin with involuntary manslaughter in

26

00:02:10,190 --> 00:02:07,099

the deadly 2021 rust film shooting

27

00:02:12,470 --> 00:02:10,200

Baldwin and armor Hannah Gutierrez read

28

00:02:15,589 --> 00:02:12,480

will each be charged with two counts of

29

00:02:18,589 --> 00:02:15,599

involuntary manslaughter in the death of

30

00:02:22,369 --> 00:02:18,599

um uh Helena Hutchins and here's the

31

00:02:24,589 --> 00:02:22,379

deal a conviction is punishable by up to

32

00:02:26,270 --> 00:02:24,599

18 months in jail and up to a five

33

00:02:28,729 --> 00:02:26,280

thousand dollar fine the district

34

00:02:31,670 --> 00:02:28,739

attorney said no charges will be filed

35

00:02:34,970 --> 00:02:31,680

specific to the non-fatal shooting of

36

00:02:37,430 --> 00:02:34,980

the film's director Joel Souza

37

00:02:40,430 --> 00:02:37,440

Alduin has placed responsibility on

38

00:02:42,710 --> 00:02:40,440

Hannah Gutierrez read who served as the

39

00:02:46,250 --> 00:02:42,720

armorer and props assistant on the film

40

00:02:50,750 --> 00:02:46,260

an assistant director Dave Halls who

41

00:02:52,009 --> 00:02:50,760

handed him the gun more as this story

42

00:02:54,530 --> 00:02:52,019

develops

43

00:02:57,770 --> 00:02:54,540

the United States Coast Guard

44

00:03:00,170 --> 00:02:57,780

says it's tracking a suspected Russian

45

00:03:02,150 --> 00:03:00,180

spy ship in the international waters off

46

00:03:04,790 --> 00:03:02,160

the coast of Hawaii

47

00:03:07,190 --> 00:03:04,800

and the Coast Guard says that it has

48

00:03:10,250 --> 00:03:07,200

been monitoring The Vessel for weeks now

49

00:03:13,910 --> 00:03:10,260

and is sharing updated information with

50

00:03:16,790 --> 00:03:13,920

the Department of Defense

51
00:03:19,309 --> 00:03:16,800
crazy news as it broke yesterday British

52
00:03:22,670 --> 00:03:19,319
actor Julian Sands

53
00:03:24,430 --> 00:03:22,680
known for his work like TV shows 24 in

54
00:03:27,770 --> 00:03:24,440
films A Room With a View and

55
00:03:30,530 --> 00:03:27,780
Arachnophobia has been identified as the

56
00:03:33,710 --> 00:03:30,540
hiker missing in the Mount Baldy

57
00:03:37,130 --> 00:03:33,720
California area since last Friday

58
00:03:40,009 --> 00:03:37,140
Sands was reported missing at 7 30 pm on

59
00:03:41,809 --> 00:03:40,019
January 13th search and rescue crews

60
00:03:44,030 --> 00:03:41,819
were on the mountain looking for Sands

61
00:03:47,089 --> 00:03:44,040
but due to the severe weather and an

62
00:03:49,670 --> 00:03:47,099
avalanche Avalanche threat rescue

63
00:03:52,550 --> 00:03:49,680

workers had to suspend their search

64

00:03:55,190 --> 00:03:52,560

efforts officials continue to use drones

65

00:03:57,530 --> 00:03:55,200

to search for Sands but are limited to

66

00:04:00,890 --> 00:03:57,540

other resources due to the weather on

67

00:04:03,289 --> 00:04:00,900

Mount Baldy here in Southern California

68

00:04:06,110 --> 00:04:03,299

and especially the San Gabriel Valley

69

00:04:10,130 --> 00:04:06,120

and I'm talking about Pasadena Arcadia

70

00:04:12,589 --> 00:04:10,140

Monrovia that area Mount Baldy sits

71

00:04:15,350 --> 00:04:12,599

right there and looks over it's easy to

72

00:04:16,729 --> 00:04:15,360

access lots of great hiking trails and

73

00:04:18,949 --> 00:04:16,739

all of that and getting to the top of

74

00:04:22,310 --> 00:04:18,959

Mount Bali it's right there and that's

75

00:04:24,530 --> 00:04:22,320

where he went hiking absolutely tragic

76

00:04:28,070 --> 00:04:24,540

story so we'll see how this plays out

77

00:04:30,409 --> 00:04:28,080

more than 22 million Americans are under

78

00:04:33,409 --> 00:04:30,419

a winter weather warning or advisory

79

00:04:36,469 --> 00:04:33,419

today as a snowstorm that hammered

80

00:04:40,490 --> 00:04:36,479

Denver with the biggest two-day January

81

00:04:43,550 --> 00:04:40,500

snowfall in more than 30 years is slowly

82

00:04:47,469 --> 00:04:43,560

pushing Eastward Colorado's Wolf Creek

83

00:04:52,070 --> 00:04:47,479

Ski Resort got 52 inches encrusted Butte

84

00:04:54,830 --> 00:04:52,080

recorded 48 inches of snow in a single

85

00:04:57,770 --> 00:04:54,840

day today's snowfall push the

86

00:05:00,409 --> 00:04:57,780

Minneapolis-St Paul area over 50 inches

87

00:05:03,650 --> 00:05:00,419

for the season that is twice the average

88

00:05:06,110 --> 00:05:03,660

for the date and about equal to an

89

00:05:07,749 --> 00:05:06,120

entire winter for the region

90

00:05:11,689 --> 00:05:07,759

wow

91

00:05:15,290 --> 00:05:11,699

the strange rocket range in Sweden's

92

00:05:17,689 --> 00:05:15,300

Arctic Circle will soon see missions fly

93

00:05:21,350 --> 00:05:17,699

into orbit now that it has been unveiled

94

00:05:24,650 --> 00:05:21,360

as the first Mainland European orbital

95

00:05:26,570 --> 00:05:24,660

Spaceport the facility will finally let

96

00:05:30,170 --> 00:05:26,580

the European Space Agency otherwise

97

00:05:32,270 --> 00:05:30,180

known as the esa to launch rockets on

98

00:05:35,990 --> 00:05:32,280

the continent to supplement Decades of

99

00:05:39,050 --> 00:05:36,000

missions from French Guyana orbital

100

00:05:41,570 --> 00:05:39,060

launches will soar from the Spaceport as

101
00:05:45,590 --> 00:05:41,580
soon as this year according to Spaceport

102
00:05:48,770 --> 00:05:45,600
manager Swedish space Corporation

103
00:05:51,310 --> 00:05:48,780
a new study of the Milky Way's Galactic

104
00:05:55,730 --> 00:05:51,320
plain has revealed

105
00:05:56,990 --> 00:05:55,740
3.32 billion Cosmic objects in stunning

106
00:05:58,850 --> 00:05:57,000
detail

107
00:06:01,790 --> 00:05:58,860
it's incredible

108
00:06:04,370 --> 00:06:01,800
the celestial catalog the largest of its

109
00:06:08,150 --> 00:06:04,380
type was built using data from the Dark

110
00:06:10,730 --> 00:06:08,160
Energy camera at the zero talolo inner

111
00:06:13,129 --> 00:06:10,740
American observatory in Chile which is

112
00:06:16,670 --> 00:06:13,139
operated by the United States National

113
00:06:19,610 --> 00:06:16,680

Science Foundation the NSF the catalog

114

00:06:22,070 --> 00:06:19,620

took two years to complete with the dark

115

00:06:27,230 --> 00:06:22,080

energy camera producing over 10

116

00:06:30,790 --> 00:06:27,240

terabytes of data from 21 400 individual

117

00:06:33,710 --> 00:06:30,800

exposures of the Southern sky

118

00:06:36,890 --> 00:06:33,720

scientists from McGill University in

119

00:06:40,450 --> 00:06:36,900

Canada have detected a record-breaking

120

00:06:45,050 --> 00:06:40,460

radio signal from a very distant Galaxy

121

00:06:47,629 --> 00:06:45,060

the Galaxy is at redshift Z equals 1.29

122

00:06:50,629 --> 00:06:47,639

the because of the Galaxy's immense

123

00:06:53,710 --> 00:06:50,639

distance the emission line has shifted

124

00:06:57,050 --> 00:06:53,720

to a 48 centimeter line from the 21

125

00:07:00,710 --> 00:06:57,060

centimeter line they had expected

126

00:07:03,650 --> 00:07:00,720

the Galaxy that it originated from is

127

00:07:07,430 --> 00:07:03,660

believed to have existed when the

128

00:07:10,129 --> 00:07:07,440

universe was only 4.9 billion years old

129

00:07:12,850 --> 00:07:10,139

making the source of the record-breaking

130

00:07:16,730 --> 00:07:12,860

radio signal

131

00:07:19,309 --> 00:07:16,740

8.8 billion years old

132

00:07:24,350 --> 00:07:19,319

and that's incredible

133

00:07:26,029 --> 00:07:24,360

on the evening of July 19 1952 bizarre

134

00:07:28,249 --> 00:07:26,039

incident occurred and the Skies over

135

00:07:30,409 --> 00:07:28,259

Washington D.C

136

00:07:32,990 --> 00:07:30,419

that would last into the early morning

137

00:07:36,710 --> 00:07:33,000

hours of July 20th it lasted for two

138

00:07:41,270 --> 00:07:36,720

weeks and had become known as the 1952

139

00:07:46,430 --> 00:07:41,280

Washington DC UFO flap we all know about

140

00:07:49,309 --> 00:07:46,440

it well Reverend Louie a gardner wrote

141

00:07:52,610 --> 00:07:49,319

A's from Los Angeles by the way wrote

142

00:07:56,150 --> 00:07:52,620

Albert Einstein a letter asking for his

143

00:07:58,210 --> 00:07:56,160

opinion on flying saucers you know did

144

00:08:01,430 --> 00:07:58,220

he believe saucers come from space

145

00:08:04,010 --> 00:08:01,440

specifically for Mars or Venus you know

146

00:08:06,589 --> 00:08:04,020

Garner asked him that he also said you

147

00:08:08,390 --> 00:08:06,599

know he wanted to know if UFOs uh were

148

00:08:10,309 --> 00:08:08,400

some kind of military technology

149

00:08:14,409 --> 00:08:10,319

experiments created by the United States

150

00:08:18,950 --> 00:08:14,419

Air Force or America's foes right well

151

00:08:23,689 --> 00:08:18,960

Einstein replied and the letter has

152

00:08:30,189 --> 00:08:23,699

surfaced in short it says this this is

153

00:08:33,170 --> 00:08:30,199

the entire reply July 23 1952 dear sir

154

00:08:37,070 --> 00:08:33,180

those people have seen something

155

00:08:39,670 --> 00:08:37,080

what it is I do not know and I am not

156

00:08:41,690 --> 00:08:39,680

curious to know

157

00:08:45,050 --> 00:08:41,700

sincerely yours

158

00:08:46,370 --> 00:08:45,060

Albert Einstein

159

00:08:50,810 --> 00:08:46,380

well I'm going to leave you with this

160

00:08:53,570 --> 00:08:50,820

today Chihuahua mix from Ohio has now

161

00:08:57,110 --> 00:08:53,580

claimed the Guinness World Record as the

162

00:08:58,430 --> 00:08:57,120

world's oldest living dog

163

00:09:07,070 --> 00:08:58,440

Spike

164

00:09:08,810 --> 00:09:07,080

days today hails from Camden Ohio a

165

00:09:11,389 --> 00:09:08,820

small town with a population of just

166

00:09:13,790 --> 00:09:11,399

over 2 000 people right around the

167

00:09:16,250 --> 00:09:13,800

Dayton area and the Guinness World

168

00:09:20,030 --> 00:09:16,260

Record says that uh the new record

169

00:09:24,170 --> 00:09:20,040

holding pup stands nine inches tall and

170

00:09:26,990 --> 00:09:24,180

weighs just under 13 pounds he was a

171

00:09:28,970 --> 00:09:27,000

rescue by the way from a parking lot and

172

00:09:31,670 --> 00:09:28,980

it's a great story and the pictures are

173

00:09:34,550 --> 00:09:31,680

wonderful happy birthday Spike and

174

00:09:36,470 --> 00:09:34,560

congratulations and that's your Fade to

175

00:09:39,190 --> 00:09:36,480

Black breaking news all the news that

176

00:09:43,670 --> 00:09:39,200

you need for this Thursday January 19

177

00:09:46,970 --> 00:09:43,680

2023 breaking news is produced by Renee

178

00:09:49,550 --> 00:09:46,980

Newman and with that

179

00:09:52,870 --> 00:09:49,560

I'm gonna say
