

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Mon Jan 23, 2023 **LIVE**

1
00:00:37,960 --> 00:00:27,990

[Music]

2
00:00:41,889 --> 00:00:37,970

thank you

3
00:00:48,889 --> 00:00:44,990

good afternoon Fade to Black breaking

4
00:00:52,930 --> 00:00:48,899

news for this Monday January 23rd 2023

5
00:00:55,189 --> 00:00:52,940

I'm Jimmy church this is all of the news

6
00:00:56,750 --> 00:00:55,199

that you need

7
00:00:59,350 --> 00:00:56,760

it's going to end this day in history

8
00:01:03,709 --> 00:00:59,360

1957.

9
00:01:06,230 --> 00:01:03,719

wamo produces the first frisbees

10
00:01:07,210 --> 00:01:06,240

and would sell over 100 million of them

11
00:01:11,510 --> 00:01:07,220

by

12
00:01:15,190 --> 00:01:11,520

1977. the official frisbee is now owned

13
00:01:19,450 --> 00:01:15,200

by Mattel who bought it from wamo in

14

00:01:23,030 --> 00:01:19,460

1994. there's your otd for this day in

15

00:01:25,929 --> 00:01:23,040

1957. here's your fader fact genocide

16

00:01:30,230 --> 00:01:25,939

fader fact and it's vetted

17

00:01:32,090 --> 00:01:30,240

your brain is three percent of your body

18

00:01:34,690 --> 00:01:32,100

weight

19

00:01:38,450 --> 00:01:34,700

but it consumes 20

20

00:01:41,330 --> 00:01:38,460

of your calorie intake

21

00:01:43,550 --> 00:01:41,340

and that is your favorite fact let's get

22

00:01:46,010 --> 00:01:43,560

to the breaking news today the second

23

00:01:50,030 --> 00:01:46,020

person to walk on the moon

24

00:01:52,190 --> 00:01:50,040

just got married again Buzz Aldrin who

25

00:01:55,490 --> 00:01:52,200

set his feet on the moon in the Apollo

26
00:01:58,850 --> 00:01:55,500
11 Mission back in 1969 announced his

27
00:02:04,069 --> 00:01:58,860
marriage on Twitter Friday January 20th

28
00:02:06,770 --> 00:02:04,079
on his 93rd birthday quote I'm pleased

29
00:02:11,330 --> 00:02:06,780
to announce that my longtime love Dr

30
00:02:14,570 --> 00:02:11,340
Anka Fowler and I have tied the knot and

31
00:02:18,830 --> 00:02:14,580
quote Aldrin wrote that on Twitter on

32
00:02:21,830 --> 00:02:18,840
Friday Anka is 63 years old

33
00:02:23,570 --> 00:02:21,840
30 years younger than Buzz

34
00:02:27,050 --> 00:02:23,580
right on

35
00:02:29,630 --> 00:02:27,060
the British Antarctic Survey

36
00:02:32,869 --> 00:02:29,640
okay now listen to me

37
00:02:35,869 --> 00:02:32,879
the British Antarctic Survey announced

38
00:02:38,390 --> 00:02:35,879

the existence of a previously

39

00:02:40,550 --> 00:02:38,400

undiscovered emperor penguin colony in

40

00:02:43,490 --> 00:02:40,560

one of the most remote and inaccessible

41

00:02:47,150 --> 00:02:43,500

parts of Antarctica the scientists

42

00:02:49,850 --> 00:02:47,160

spotted The Colony the 66th to be found

43

00:02:52,070 --> 00:02:49,860

on the continent by comparing satellite

44

00:02:54,970 --> 00:02:52,080

imagery captured by the European space

45

00:02:59,869 --> 00:02:54,980

agency's Copernicus Sentinel to Mission

46

00:03:03,110 --> 00:02:59,879

and maxar's worldview 3 satellite they

47

00:03:07,910 --> 00:03:03,120

did it by following a trail

48

00:03:13,430 --> 00:03:09,910

you gotta love technology

49

00:03:15,530 --> 00:03:13,440

weather again played the spoiler for

50

00:03:17,869 --> 00:03:15,540

Rocket lab's latest attempt to launch

51
00:03:20,690 --> 00:03:17,879
its electron rocket from the Wallops

52
00:03:23,750 --> 00:03:20,700
Island Flight Facility in Virginia

53
00:03:25,610 --> 00:03:23,760
rocket Labs Virginia is for launch

54
00:03:28,610 --> 00:03:25,620
lovers mission

55
00:03:31,009 --> 00:03:28,620
is scheduled to lift off today but it

56
00:03:33,649 --> 00:03:31,019
didn't from complex two at the

57
00:03:37,190 --> 00:03:33,659
Mid-Atlantic Regional Spaceport within

58
00:03:39,290 --> 00:03:37,200
NASA's Wallops of Flight Facility rocket

59
00:03:42,830 --> 00:03:39,300
lab says the next launch attempt is

60
00:03:46,009 --> 00:03:42,840
planned for tomorrow January 24th and

61
00:03:47,630 --> 00:03:46,019
the weather is forecast to be 90 percent

62
00:03:51,369 --> 00:03:47,640
for go

63
00:03:55,610 --> 00:03:51,379

we'll see all right

64

00:03:59,930 --> 00:03:55,620

say so long to red yellow and all the

65

00:04:01,610 --> 00:03:59,940

other M M's spokes candies Mars the

66

00:04:05,030 --> 00:04:01,620

company behind the candy coated

67

00:04:08,449 --> 00:04:05,040

chocolate said it is shelving it's m

68

00:04:11,030 --> 00:04:08,459

mascots after receiving backlash over

69

00:04:13,690 --> 00:04:11,040

recent design changes

70

00:04:15,890 --> 00:04:13,700

it's because on Thursday last Thursday

71

00:04:18,229 --> 00:04:15,900

Mars said the company would be

72

00:04:20,990 --> 00:04:18,239

redesigning the M M's characters as part

73

00:04:23,990 --> 00:04:21,000

of the Brand's commitment quote to

74

00:04:29,150 --> 00:04:24,000

creating a world where everyone feels

75

00:04:31,909 --> 00:04:29,160

they belong end quote for example the

76

00:04:34,969 --> 00:04:31,919

green Eminem traded her go-go boots for

77

00:04:39,010 --> 00:04:34,979

a pair of sneakers and the brown m m

78

00:04:42,290 --> 00:04:39,020

changed her motto to quote not bossy

79

00:04:44,090 --> 00:04:42,300

just the boss end quote

80

00:04:47,450 --> 00:04:44,100

they also introduced the new purple

81

00:04:49,670 --> 00:04:47,460

Eminem who is also female

82

00:04:52,610 --> 00:04:49,680

and that changes through backlash and

83

00:04:54,890 --> 00:04:52,620

Spark debate online as well as from Fox

84

00:04:56,870 --> 00:04:54,900

News political commentator

85

00:04:58,730 --> 00:04:56,880

Tucker Carlson

86

00:05:02,150 --> 00:04:58,740

Tucker was upset

87

00:05:04,610 --> 00:05:02,160

so today Mars says it's ditching the

88

00:05:08,270 --> 00:05:04,620

candy mascot and replacing them with

89

00:05:11,390 --> 00:05:08,280

real life spokesperson Maya Rudolph

90

00:05:14,450 --> 00:05:11,400

Maya is shooting new commercials right

91

00:05:17,150 --> 00:05:14,460

now and will appear in their Super Bowl

92

00:05:18,969 --> 00:05:17,160

advertising

93

00:05:23,090 --> 00:05:18,979

there you go

94

00:05:27,050 --> 00:05:23,100

ancient silver Hoards from 1600 BC in

95

00:05:30,110 --> 00:05:27,060

Israel and Gaza which contain not coins

96

00:05:32,930 --> 00:05:30,120

but irregularly cut pieces of the

97

00:05:35,570 --> 00:05:32,940

precious metal may be the earliest known

98

00:05:39,230 --> 00:05:35,580

silver currency in the region and came

99

00:05:41,629 --> 00:05:39,240

from turkey and Europe the practice of

100

00:05:43,189 --> 00:05:41,639

exchanging silver by weight was also

101
00:05:46,430 --> 00:05:43,199
common during the Viking age in Europe

102
00:05:48,830 --> 00:05:46,440
where silver for this purpose came to be

103
00:05:50,749 --> 00:05:48,840
known as hack silver

104
00:05:53,870 --> 00:05:50,759
the silver hordes were not found

105
00:05:56,210 --> 00:05:53,880
alongside silversmith tools a fact that

106
00:05:59,689 --> 00:05:56,220
the hordes were being used only for

107
00:06:04,310 --> 00:05:59,699
exchange and not to create other silver

108
00:06:07,790 --> 00:06:04,320
objects that's really big news well

109
00:06:10,850 --> 00:06:07,800
a bizarre ufo-shaped Cloud over the

110
00:06:13,550 --> 00:06:10,860
Turkish city of Bursa has left everyone

111
00:06:16,730 --> 00:06:13,560
baffled as it went viral on social media

112
00:06:18,590 --> 00:06:16,740
over the weekend the giant Red Cloud

113
00:06:21,710 --> 00:06:18,600

appeared over Bersa in the country's

114

00:06:25,010 --> 00:06:21,720

Northwest last Thursday I don't know

115

00:06:28,309 --> 00:06:25,020

what I would do and what would go

116

00:06:31,370 --> 00:06:28,319

through my mind if I walked outside and

117

00:06:33,710 --> 00:06:31,380

saw this above my house it's totally

118

00:06:36,770 --> 00:06:33,720

insane the images of the cloud were

119

00:06:40,070 --> 00:06:36,780

taken at Sunset and Witnesses said it

120

00:06:42,350 --> 00:06:40,080

remained in its giant form for about an

121

00:06:45,590 --> 00:06:42,360

hour meteorologists identified the

122

00:06:48,230 --> 00:06:45,600

weather phenomenon as a lenticular or

123

00:06:49,909 --> 00:06:48,240

lens Cloud I think there's a flying

124

00:06:52,210 --> 00:06:49,919

saucer hiding inside of it but that's

125

00:06:53,990 --> 00:06:52,220

just me

126
00:06:56,629 --> 00:06:54,000
post

127
00:06:59,749 --> 00:06:56,639
the breakfast cereal

128
00:07:02,090 --> 00:06:59,759
has filed a lawsuit against the band

129
00:07:04,730 --> 00:07:02,100
okay go

130
00:07:07,010 --> 00:07:04,740
saying it was following legal threats

131
00:07:09,650 --> 00:07:07,020
from the band which claimed that the

132
00:07:12,730 --> 00:07:09,660
company was trying to capitalize on its

133
00:07:17,210 --> 00:07:12,740
name over check this

134
00:07:20,150 --> 00:07:17,220
disposable cereal bowls

135
00:07:22,370 --> 00:07:20,160
a cereal bowl with instant milk powder

136
00:07:24,770 --> 00:07:22,380
where you only have to add cold water

137
00:07:28,490 --> 00:07:24,780
you can't make this stuff up unless you

138
00:07:31,610 --> 00:07:28,500

add water but here's the thing Post in

139

00:07:34,370 --> 00:07:31,620

its complaint filed January 13th in

140

00:07:36,230 --> 00:07:34,380

Minnesota federal court says the ban has

141

00:07:39,010 --> 00:07:36,240

been threatening legal action over the

142

00:07:42,469 --> 00:07:39,020

product post is seeking

143

00:07:45,290 --> 00:07:42,479

declaratory judgment from the courts

144

00:07:49,370 --> 00:07:45,300

which essentially will clear the company

145

00:07:53,390 --> 00:07:49,380

from any trademark right it claims and

146

00:07:56,450 --> 00:07:53,400

they're okay go instant cereal in other

147

00:07:59,450 --> 00:07:56,460

news General Mills the maker of Lucky

148

00:08:01,930 --> 00:07:59,460

Charms is suing a little green dude in

149

00:08:07,490 --> 00:08:05,089

Tesla CEO Elon Musk took the witness

150

00:08:10,029 --> 00:08:07,500

stand for a second day today and

151
00:08:13,010 --> 00:08:10,039
attempted to explain the thought process

152
00:08:17,290 --> 00:08:13,020
behind his controversial

153
00:08:20,809 --> 00:08:17,300
pot stricken funding secured tweet from

154
00:08:25,010 --> 00:08:20,819
2018. now what am I talking about Musk

155
00:08:26,990 --> 00:08:25,020
Tesla and company directors are facing a

156
00:08:29,390 --> 00:08:27,000
shareholder lawsuit over the tweet in

157
00:08:32,149 --> 00:08:29,400
which the billionaire said he was

158
00:08:35,149 --> 00:08:32,159
thinking about taking Tesla private for

159
00:08:38,510 --> 00:08:35,159
420 a share and that he had funding

160
00:08:42,170 --> 00:08:38,520
secured which resulted in Elon having to

161
00:08:44,810 --> 00:08:42,180
Forfeit his position as Tesla's CEO and

162
00:08:49,790 --> 00:08:44,820
paid millions of dollars in fines and

163
00:08:52,070 --> 00:08:49,800

legal fees now about 420 Eli Elon

164

00:08:55,970 --> 00:08:52,080

testified

165

00:08:58,610 --> 00:08:55,980

quote there is some Karma around 4 20

166

00:09:02,329 --> 00:08:58,620

although I should question if that is

167

00:09:04,670 --> 00:09:02,339

good or bad karma at this point end

168

00:09:06,650 --> 00:09:04,680

quote that was from the witness stand

169

00:09:09,230 --> 00:09:06,660

I think Elon should go back on Rogan

170

00:09:11,870 --> 00:09:09,240

fire up another blunt maybe he can

171

00:09:14,389 --> 00:09:11,880

forget about all of this seriously

172

00:09:16,910 --> 00:09:14,399

well that's all of your Fade to Black

173

00:09:20,949 --> 00:09:16,920

breaking news for this Monday January

174

00:09:24,769 --> 00:09:20,959

the January 23rd

175

00:09:26,750 --> 00:09:24,779

2023 breaking news is produced by

176

00:09:28,670 --> 00:09:26,760

Renee Newman

177

00:09:33,820 --> 00:09:28,680

I'm Jimmy Church
