

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

DEBBIE KAUBLE

LIFE AFTER 'INTRUDERS'

TUE JAN 24 LIVE

7:00 PM PT/10:00PM ET

1
00:00:31,749 --> 00:00:26,830

[Music]

2
00:00:35,090 --> 00:00:31,759

the smoke radio for the masses of July 8

3
00:00:37,490 --> 00:00:35,100

1947 the Army Air Forces has announced

4
00:00:39,590 --> 00:00:37,500

that a flying disc has been found and is

5
00:00:42,650 --> 00:00:39,600

now in the possession of the army

6
00:00:46,369 --> 00:00:42,660

game is rigged change the game game

7
00:00:50,029 --> 00:00:46,379

changer I occasionally think how quickly

8
00:00:53,389 --> 00:00:50,039

hard differences worldwide would vanish

9
00:00:54,740 --> 00:00:53,399

if we were facing an alien threat from

10
00:00:56,550 --> 00:00:54,750

outside this work

11
00:00:56,730 --> 00:00:56,560

[Music]

12
00:00:59,049 --> 00:00:56,740

[Applause]

13
00:01:01,970 --> 00:00:59,059

[Music]

14

00:01:04,850 --> 00:01:01,980

this is Fade to Black with your host

15

00:01:05,500 --> 00:01:04,860

Jimmy Church on the game changer Radio

16

00:01:09,050 --> 00:01:05,510

Network

17

00:01:12,230 --> 00:01:09,060

[Music]

18

00:01:14,410 --> 00:01:12,240

good evening Fade to Black I am your

19

00:01:20,210 --> 00:01:14,420

host Jimmy church today is Tuesday

20

00:01:25,370 --> 00:01:20,220

Tuesday January 24th 2023 and our guest

21

00:01:28,429 --> 00:01:25,380

tonight is Debbie Cobble and Debbie uh

22

00:01:31,010 --> 00:01:28,439

has been on with us many times and most

23

00:01:33,590 --> 00:01:31,020

of us know uh maybe some of you don't

24

00:01:37,490 --> 00:01:33,600

that she was the subject of Bud Hopkins

25

00:01:39,230 --> 00:01:37,500

book Intruders and tonight we're going

26

00:01:40,190 --> 00:01:39,240

to talk about a lot of things Debbie and

27

00:01:43,249 --> 00:01:40,200

I are just going to keep the

28

00:01:46,429 --> 00:01:43,259

conversation open but um I've titled the

29

00:01:48,890 --> 00:01:46,439

show life after Intruders which is a

30

00:01:52,429 --> 00:01:48,900

book that she and her sister wrote

31

00:01:56,569 --> 00:01:52,439

called abducted and uh you know contact

32

00:01:59,389 --> 00:01:56,579

life uh Beyond Intruders and we'll touch

33

00:02:02,569 --> 00:01:59,399

upon all of that tonight and and so much

34

00:02:07,850 --> 00:02:02,579

more there might be some ghost talk

35

00:02:09,469 --> 00:02:07,860

tonight if I can if I can talk Debbie

36

00:02:12,670 --> 00:02:09,479

into it and I would like to welcome come

37

00:02:15,589 --> 00:02:12,680

back to fade to black the one the only

38

00:02:17,990 --> 00:02:15,599

Debbie Cobble there she is how you doing

39

00:02:21,910 --> 00:02:18,000

young lady all right thanks for having

40

00:02:25,250 --> 00:02:21,920

me uh it don't seem so excited Deb

41

00:02:28,010 --> 00:02:25,260

ah yay yeah you know all the great

42

00:02:30,710 --> 00:02:28,020

conversations we have on the phone you

43

00:02:32,089 --> 00:02:30,720

know yay team and then you know and now

44

00:02:33,670 --> 00:02:32,099

the show starts you're like yeah okay

45

00:02:38,270 --> 00:02:33,680

all right

46

00:02:41,330 --> 00:02:38,280

oh what's going on church so uh welcome

47

00:02:43,070 --> 00:02:41,340

back and uh how are the holidays for you

48

00:02:45,110 --> 00:02:43,080

and the family

49

00:02:48,470 --> 00:02:45,120

um they were really good it was quiet

50

00:02:50,630 --> 00:02:48,480

and uh we had a big storm that came

51
00:02:53,030 --> 00:02:50,640
through Indiana you probably knew about

52
00:02:55,250 --> 00:02:53,040
it um I did kind of messed up our plans

53
00:02:57,589 --> 00:02:55,260
about going to uh hang out with the

54
00:03:00,290 --> 00:02:57,599
granddaughter we had to kind of delay it

55
00:03:02,449 --> 00:03:00,300
for a few days but we finally got there

56
00:03:05,630 --> 00:03:02,459
I told you I was excited we bought her a

57
00:03:08,710 --> 00:03:05,640
her first uh Fender Strat for Christmas

58
00:03:13,070 --> 00:03:08,720
and I was dying to give it to her so

59
00:03:15,770 --> 00:03:13,080
that rocks I saw your post about it and

60
00:03:19,729 --> 00:03:15,780
uh we talked about it earlier but uh

61
00:03:23,210 --> 00:03:19,739
that is just man a strat for Christmas I

62
00:03:25,729 --> 00:03:23,220
don't care that's it that's that's that

63
00:03:28,790 --> 00:03:25,739

might be better than a BB gun you know

64

00:03:31,009 --> 00:03:28,800

very happy well she's only 16. right

65

00:03:32,449 --> 00:03:31,019

right could have got her a car I guess

66

00:03:34,970 --> 00:03:32,459

that would have made her happy too but

67

00:03:36,770 --> 00:03:34,980

now I'll let her dad do that

68

00:03:38,570 --> 00:03:36,780

um one of my friends

69

00:03:41,030 --> 00:03:38,580

um you're you're no longer an

70

00:03:42,890 --> 00:03:41,040

Indianapolis proper uh you're you're

71

00:03:46,430 --> 00:03:42,900

North but

72

00:03:49,490 --> 00:03:46,440

um a friend of mine uh uh posted today

73

00:03:52,610 --> 00:03:49,500

from our you and I our old neighborhood

74

00:03:56,210 --> 00:03:52,620

and she goes ah just a gray and dreary

75

00:03:58,850 --> 00:03:56,220

day again here in Indy I can't wait to

76
00:04:01,309 --> 00:03:58,860
get down to Florida in a couple of weeks

77
00:04:02,869 --> 00:04:01,319
so that was my you know I I get the

78
00:04:05,030 --> 00:04:02,879
latest update

79
00:04:07,070 --> 00:04:05,040
you know from the weather from all of my

80
00:04:09,289 --> 00:04:07,080
friends there and you know one of the

81
00:04:10,869 --> 00:04:09,299
things that you know people like to do I

82
00:04:14,030 --> 00:04:10,879
can't speak for the rest of the country

83
00:04:16,789 --> 00:04:14,040
but Indianapolis for sure

84
00:04:18,469 --> 00:04:16,799
Florida is the spot for us isn't it

85
00:04:20,689 --> 00:04:18,479
right

86
00:04:22,250 --> 00:04:20,699
getting out getting out of Indy in the

87
00:04:23,689 --> 00:04:22,260
winter and and heading down to Florida

88
00:04:26,030 --> 00:04:23,699

for a couple of weeks and coming back

89

00:04:28,310 --> 00:04:26,040

have you ever done that oh yeah I mean

90

00:04:31,430 --> 00:04:28,320

when I was a kid growing up from

91

00:04:33,830 --> 00:04:31,440

probably 1971 I think it was because I

92

00:04:36,650 --> 00:04:33,840

think that's the year Disney World down

93

00:04:38,870 --> 00:04:36,660

there opened in Orlando right and my dad

94

00:04:40,730 --> 00:04:38,880

my dad was an electrician he worked at

95

00:04:42,950 --> 00:04:40,740

Ford but he also had his own electrical

96

00:04:44,689 --> 00:04:42,960

contracting company so he actually

97

00:04:45,890 --> 00:04:44,699

hailed the whole family down there that

98

00:04:48,290 --> 00:04:45,900

first year

99

00:04:49,670 --> 00:04:48,300

he was looking for a job he was looking

100

00:04:50,810 --> 00:04:49,680

to get a job down there as an

101

00:04:53,870 --> 00:04:50,820

electrician they were still building

102

00:04:56,090 --> 00:04:53,880

part of the parks and so uh it ended up

103

00:04:58,790 --> 00:04:56,100

we ended up going like every year for

104

00:05:01,310 --> 00:04:58,800

multiple years then down to Indian Rocks

105

00:05:04,490 --> 00:05:01,320

Beach for probably eight or nine years

106

00:05:06,409 --> 00:05:04,500

right and uh you know and then of course

107

00:05:09,409 --> 00:05:06,419

when I was a teenager it was Daytona

108

00:05:13,129 --> 00:05:09,419

Beach back then and now you know and and

109

00:05:15,290 --> 00:05:13,139

then when I back in the early 90s it was

110

00:05:17,450 --> 00:05:15,300

Pensacola Beach and Gulf Breeze so yeah

111

00:05:18,730 --> 00:05:17,460

I've been down to Florida many many

112

00:05:20,270 --> 00:05:18,740

times

113

00:05:27,890 --> 00:05:20,280

the

114

00:05:29,450 --> 00:05:27,900

think about you and and you're I'm just

115

00:05:31,310 --> 00:05:29,460

gonna say case right you're you're

116

00:05:35,090 --> 00:05:31,320

thinking yeah

117

00:05:38,529 --> 00:05:35,100

um uh I I just keep thinking about and

118

00:05:41,090 --> 00:05:38,539

the audience needs to know uh exactly

119

00:05:42,590 --> 00:05:41,100

what I'm about to say and what we are

120

00:05:44,330 --> 00:05:42,600

talking about when we say our

121

00:05:47,029 --> 00:05:44,340

neighborhood

122

00:05:49,090 --> 00:05:47,039

um I grew up along with Debbie on the

123

00:05:53,629 --> 00:05:49,100

east side of Indianapolis

124

00:05:55,129 --> 00:05:53,639

and there's a broad if you draw a circle

125

00:05:58,749 --> 00:05:55,139

around the east side of Indianapolis

126

00:06:01,310 --> 00:05:58,759

where the four uh 65 and the 70 cross

127

00:06:03,890 --> 00:06:01,320

you have Indianapolis on one side you

128

00:06:06,670 --> 00:06:03,900

have Cumberland on the other and in the

129

00:06:10,249 --> 00:06:06,680

middle of all of that is Warren Township

130

00:06:13,070 --> 00:06:10,259

and and that's our Hood right the same

131

00:06:15,070 --> 00:06:13,080

height same Junior highs and everything

132

00:06:18,710 --> 00:06:15,080

that's our name that's our neighborhood

133

00:06:20,810 --> 00:06:18,720

and and Deb and I went to the same High

134

00:06:23,570 --> 00:06:20,820

School Warren Central High School But

135

00:06:25,370 --> 00:06:23,580

but so in saying that

136

00:06:28,550 --> 00:06:25,380

um you know in the interest of

137

00:06:29,749 --> 00:06:28,560

transparency when I think about your

138

00:06:32,930 --> 00:06:29,759

case

139

00:06:37,189 --> 00:06:32,940

and I think about my first apartment in

140

00:06:40,430 --> 00:06:37,199

Irvington which was just a a few blocks

141

00:06:44,450 --> 00:06:40,440

from where uh everything uh happened

142

00:06:47,629 --> 00:06:44,460

with you and and I was there it just

143

00:06:51,170 --> 00:06:47,639

blows my mind about that neighborhood

144

00:06:53,629 --> 00:06:51,180

and you and and everything that

145

00:06:55,490 --> 00:06:53,639

transpired there it's just mind-blowing

146

00:06:58,969 --> 00:06:55,500

this this kind of connection that I have

147

00:07:01,730 --> 00:06:58,979

to that and you and I having uh if we

148

00:07:03,290 --> 00:07:01,740

have mutual friends right if we just I'm

149

00:07:06,950 --> 00:07:03,300

sure we probably ran around the same

150

00:07:08,930 --> 00:07:06,960

places too yeah yeah yeah you might have

151
00:07:12,469 --> 00:07:08,940
even cut your hair at both Rick's their

152
00:07:14,390 --> 00:07:12,479
own midhoffer yeah oh well are you

153
00:07:16,370 --> 00:07:14,400
serious yeah I used to that's where I

154
00:07:20,270 --> 00:07:16,380
first worked when I first got my beauty

155
00:07:23,510 --> 00:07:20,280
license back in 85. really

156
00:07:26,990 --> 00:07:23,520
um that that that stretch of of

157
00:07:28,790 --> 00:07:27,000
midhoffer if you go from 10th to like

158
00:07:31,309 --> 00:07:28,800
25th Street

159
00:07:32,350 --> 00:07:31,319
right you know what I'm saying that

160
00:07:35,950 --> 00:07:32,360
stretch

161
00:07:38,930 --> 00:07:35,960
that I I owned

162
00:07:43,490 --> 00:07:38,940
I owned it I owned it right there and

163
00:07:44,930 --> 00:07:43,500

21st in Mitthoeffer man man man all

164

00:07:46,969 --> 00:07:44,940

right

165

00:07:48,469 --> 00:07:46,979

see we could do this all night long but

166

00:07:52,370 --> 00:07:48,479

that's yeah and nobody would understand

167

00:07:54,290 --> 00:07:52,380

it but we we'd have a ball though

168

00:07:57,529 --> 00:07:54,300

it's so funny because 21st to

169

00:08:00,830 --> 00:07:57,539

Mitthoeffer you had United gas you had

170

00:08:03,529 --> 00:08:00,840

that hooks drugs you had that bar over

171

00:08:06,589 --> 00:08:03,539

in the corner the 7-Eleven next door

172

00:08:08,870 --> 00:08:06,599

Domino's right I mean that this is our

173

00:08:12,710 --> 00:08:08,880

hood and Deb's going yeah exactly yeah

174

00:08:15,230 --> 00:08:12,720

yeah that's the spot I I don't exactly

175

00:08:17,809 --> 00:08:15,240

remember all those places but I'm a few

176

00:08:19,309 --> 00:08:17,819

years older than you it's like my brains

177

00:08:20,990 --> 00:08:19,319

probably go yeah yeah yeah yeah yeah

178

00:08:23,689 --> 00:08:21,000

yeah so

179

00:08:26,510 --> 00:08:23,699

um uh but

180

00:08:29,150 --> 00:08:26,520

um reflecting back on all of that and

181

00:08:31,249 --> 00:08:29,160

and then I want to also talk about uh

182

00:08:34,909 --> 00:08:31,259

how you reached out to Bud Hopkins which

183

00:08:37,490 --> 00:08:34,919

you did uh in a fully analog old school

184

00:08:39,290 --> 00:08:37,500

way you wrote a letter right you put in

185

00:08:45,170 --> 00:08:39,300

the paper

186

00:08:48,530 --> 00:08:45,180

um that evening when everything started

187

00:08:50,509 --> 00:08:48,540

um and uh that evening which I I want to

188

00:08:53,030 --> 00:08:50,519

briefly go through so everybody has a

189

00:08:56,269 --> 00:08:53,040

foundation of of your story

190

00:08:59,329 --> 00:08:56,279

that evening had just about everything

191

00:09:04,190 --> 00:08:59,339

involved with it right flying saucers

192

00:09:07,009 --> 00:09:04,200

alien contact E.T missing time uh uh

193

00:09:10,130 --> 00:09:07,019

physical health injuries uh your

194

00:09:12,290 --> 00:09:10,140

family's involved uh witness everything

195

00:09:14,449 --> 00:09:12,300

that could have happened the mark in the

196

00:09:16,550 --> 00:09:14,459

yard yeah that that's what I'm saying

197

00:09:19,130 --> 00:09:16,560

physical trace evidence everything was

198

00:09:21,290 --> 00:09:19,140

there but when you woke up that morning

199

00:09:23,389 --> 00:09:21,300

before everything kicked off did that

200

00:09:26,509 --> 00:09:23,399

day seem different to you

201
00:09:29,449 --> 00:09:26,519
I I don't remember that it was I don't

202
00:09:33,290 --> 00:09:29,459
recall thinking that it was

203
00:09:36,230 --> 00:09:33,300
it was just another day

204
00:09:37,670 --> 00:09:36,240
you know I don't no I don't think I woke

205
00:09:39,170 --> 00:09:37,680
up thinking that it was any different

206
00:09:40,610 --> 00:09:39,180
today

207
00:09:43,009 --> 00:09:40,620
was there

208
00:09:45,769 --> 00:09:43,019
um prior to that I know that with your

209
00:09:46,850 --> 00:09:45,779
sister there's a possibility but was

210
00:09:53,750 --> 00:09:46,860
there

211
00:09:56,570 --> 00:09:53,760
know yeah UFO was oh yeah yeah

212
00:09:59,210 --> 00:09:56,580
um I had had uh something happened to me

213
00:10:01,730 --> 00:09:59,220

you know in my obviously in my older

214

00:10:04,009 --> 00:10:01,740

sister had that experience in 65 and

215

00:10:06,350 --> 00:10:04,019

told all the family about it and so I'd

216

00:10:08,750 --> 00:10:06,360

been exposed to it when I was young

217

00:10:11,329 --> 00:10:08,760

because she's 11 years older than me

218

00:10:13,009 --> 00:10:11,339

and uh when I was

219

00:10:16,490 --> 00:10:13,019

um first married

220

00:10:20,030 --> 00:10:16,500

and or moved out on my own uh with my

221

00:10:22,030 --> 00:10:20,040

husband and I was only just turned 18.

222

00:10:25,730 --> 00:10:22,040

um

223

00:10:27,650 --> 00:10:25,740

I had a experience which I called a

224

00:10:28,790 --> 00:10:27,660

dream I called a dream but it wasn't a

225

00:10:30,829 --> 00:10:28,800

dream I kept telling everybody it wasn't

226
00:10:32,750 --> 00:10:30,839
a dream I told my husband it wasn't and

227
00:10:34,790 --> 00:10:32,760
called my mother the next morning to

228
00:10:37,550 --> 00:10:34,800
tell her about what happened and she

229
00:10:40,009 --> 00:10:37,560
even I remember her telling Bud thou

230
00:10:42,829 --> 00:10:40,019
animated I was when I was telling her

231
00:10:46,610 --> 00:10:42,839
that you know this was adamantly not a

232
00:10:48,290 --> 00:10:46,620
dream with these two uh gray beings with

233
00:10:51,350 --> 00:10:48,300
the big black eyes came in my room and

234
00:10:55,190 --> 00:10:51,360
they had a black Black Box in their hand

235
00:10:57,949 --> 00:10:55,200
and uh when I first saw them I was Panic

236
00:11:00,050 --> 00:10:57,959
stricken you know and I and I

237
00:11:02,090 --> 00:11:00,060
my I can remember my immediate first

238
00:11:03,769 --> 00:11:02,100

thought was oh my God don't just don't

239

00:11:04,730 --> 00:11:03,779

come any closer to me please don't touch

240

00:11:10,009 --> 00:11:04,740

me

241

00:11:12,230 --> 00:11:10,019

um

242

00:11:15,530 --> 00:11:12,240

and then all of a sudden I was calm

243

00:11:18,410 --> 00:11:15,540

it's calm enough to sit up and somehow

244

00:11:20,030 --> 00:11:18,420

the Box ended up in my hand and I asked

245

00:11:22,670 --> 00:11:20,040

him what it was for and could I keep it

246

00:11:24,230 --> 00:11:22,680

and they said no and they basically

247

00:11:26,090 --> 00:11:24,240

didn't tell me what it was for but they

248

00:11:28,250 --> 00:11:26,100

did tell me if I saw it again I'd know

249

00:11:31,430 --> 00:11:28,260

what it was and how to use it

250

00:11:33,949 --> 00:11:31,440

and then they went away and

251

00:11:35,449 --> 00:11:33,959

I I could move and I tried to wake my

252

00:11:37,970 --> 00:11:35,459

husband up who was laying riding bed

253

00:11:40,850 --> 00:11:37,980

next to me and he wouldn't wake up and

254

00:11:44,750 --> 00:11:40,860

so I just went I fell asleep which makes

255

00:11:47,630 --> 00:11:44,760

no sense but that's that's what I did so

256

00:11:51,230 --> 00:11:47,640

I mean I and so I had this memory

257

00:11:53,389 --> 00:11:51,240

you know of seeing this this alien head

258

00:11:57,050 --> 00:11:53,399

this gray with the

259

00:11:59,449 --> 00:11:57,060

you know big black eyes that was in 78

260

00:12:01,370 --> 00:11:59,459

and um

261

00:12:03,170 --> 00:12:01,380

we'd had all kinds of strange things

262

00:12:06,769 --> 00:12:03,180

happen in my house

263

00:12:09,710 --> 00:12:06,779

not just the house out on Irvington but

264

00:12:10,430 --> 00:12:09,720

also when we lived on the closer to East

265

00:12:12,710 --> 00:12:10,440

Side

266

00:12:15,470 --> 00:12:12,720

around Michigan Street and post and

267

00:12:16,790 --> 00:12:15,480

Franklin and that's where I was born uh

268

00:12:20,030 --> 00:12:16,800

in that house

269

00:12:21,889 --> 00:12:20,040

um we had like Paranormal stuff happen

270

00:12:24,350 --> 00:12:21,899

like ghostly things and I remember my

271

00:12:26,870 --> 00:12:24,360

mom and my older sister talking about

272

00:12:29,210 --> 00:12:26,880

uh stuff like that and seeing things and

273

00:12:32,210 --> 00:12:29,220

just assuming that that was just normal

274

00:12:35,750 --> 00:12:32,220

you know I mean it was just part of life

275

00:12:39,710 --> 00:12:35,760

so it wasn't you know I didn't get up

276

00:12:41,810 --> 00:12:39,720

that morning in June uh in 83

277

00:12:44,750 --> 00:12:41,820

and think this is going to be a weird

278

00:12:45,949 --> 00:12:44,760

night with aliens and whatever I I was a

279

00:12:49,069 --> 00:12:45,959

single mom

280

00:12:51,230 --> 00:12:49,079

that had just gotten divorced I was you

281

00:12:53,030 --> 00:12:51,240

know like 22 years old

282

00:12:54,949 --> 00:12:53,040

and had just moved back home with my

283

00:12:56,449 --> 00:12:54,959

parents and

284

00:12:59,090 --> 00:12:56,459

um so

285

00:13:01,190 --> 00:12:59,100

I was probably in my mind when I got up

286

00:13:03,410 --> 00:13:01,200

that morning okay what am I going to do

287

00:13:07,790 --> 00:13:03,420

take care of the kids you know and and

288

00:13:10,190 --> 00:13:07,800

whatnot like that and I house the house

289

00:13:12,050 --> 00:13:10,200

um uh Poston Franklin run parallel what

290

00:13:15,350 --> 00:13:12,060

was the cross street

291

00:13:18,949 --> 00:13:15,360

um well it was like wasn't it like 16th

292

00:13:21,590 --> 00:13:18,959

Street no I was born and raised on East

293

00:13:24,170 --> 00:13:21,600

Michigan Street and it backed up dead

294

00:13:26,509 --> 00:13:24,180

ended at 465 and then 10th Street was on

295

00:13:28,430 --> 00:13:26,519

one side right and then and then uh

296

00:13:30,949 --> 00:13:28,440

Washington was on the other and Franklin

297

00:13:33,889 --> 00:13:30,959

ran uh in front of it I used to walk

298

00:13:35,690 --> 00:13:33,899

walk down Michigan uh to uh Franklin

299

00:13:37,850 --> 00:13:35,700

Road to catch the school bus every

300

00:13:40,430 --> 00:13:37,860

morning right and and again for

301

00:13:44,150 --> 00:13:40,440

everybody this is hard this is absolute

302

00:13:46,250 --> 00:13:44,160

East Side East Side absolutely and um

303

00:13:49,730 --> 00:13:46,260

you know Washington Square Mall you know

304

00:13:51,889 --> 00:13:49,740

right there oh yeah so

305

00:13:55,129 --> 00:13:51,899

um and back then

306

00:13:57,650 --> 00:13:55,139

um and it's changed a lot today but back

307

00:14:00,050 --> 00:13:57,660

then it was it was was it was pretty

308

00:14:02,150 --> 00:14:00,060

rural you know it was cornfields you

309

00:14:05,930 --> 00:14:02,160

know now it's all built up in in

310

00:14:08,269 --> 00:14:05,940

subdivisions uh but back then it was it

311

00:14:10,370 --> 00:14:08,279

was a it was it was it was Farmland

312

00:14:11,930 --> 00:14:10,380

that's that's the way that I I can't

313

00:14:14,090 --> 00:14:11,940

believe when I drive through it now I

314

00:14:16,970 --> 00:14:14,100

was like wait a minute mini bikes

315

00:14:18,710 --> 00:14:16,980

through here and and and today it's just

316

00:14:20,090 --> 00:14:18,720

all subdivisions

317

00:14:22,610 --> 00:14:20,100

um almost all the way to Greenfield

318

00:14:24,650 --> 00:14:22,620

really I mean it's all built out now I

319

00:14:26,990 --> 00:14:24,660

haven't been that far back you know

320

00:14:29,389 --> 00:14:27,000

since then but I know that back when I

321

00:14:32,090 --> 00:14:29,399

was a teenager uh and we used to go

322

00:14:33,949 --> 00:14:32,100

skating out on Pendleton Pike uh on a

323

00:14:36,769 --> 00:14:33,959

Saturday night and my girlfriend and I

324

00:14:38,930 --> 00:14:36,779

and another gal were out driving around

325

00:14:41,150 --> 00:14:38,940

out there you know in German Church an

326

00:14:43,250 --> 00:14:41,160

area out in there because her boyfriend

327

00:14:44,930 --> 00:14:43,260

that we were like spying on her

328

00:14:46,370 --> 00:14:44,940

boyfriend to make sure he was where he

329

00:14:48,009 --> 00:14:46,380

said he was supposed to be I think I was

330

00:14:53,389 --> 00:14:48,019

like

331

00:14:56,269 --> 00:14:53,399

know we were in the it was corn fields

332

00:14:57,530 --> 00:14:56,279

and nothing for Miles you know out there

333

00:14:59,750 --> 00:14:57,540

where we were driving around and you

334

00:15:01,569 --> 00:14:59,760

lived in this old farmhouse and now the

335

00:15:04,610 --> 00:15:01,579

last time I was there it that's all

336

00:15:07,329 --> 00:15:04,620

subdivisions and and it just blows my

337

00:15:10,370 --> 00:15:07,339

mind how things change yeah

338

00:15:12,769 --> 00:15:10,380

German Church Road

339

00:15:15,470 --> 00:15:12,779

um it was kind of used to be midhoff or

340

00:15:17,990 --> 00:15:15,480

Jim German church is the next street uh

341

00:15:20,269 --> 00:15:18,000

heading east and

342

00:15:22,490 --> 00:15:20,279

um I lived in between uh Mitthoeffer and

343

00:15:25,970 --> 00:15:22,500

German Church Road right on on 25th

344

00:15:28,970 --> 00:15:25,980

Street and German church was like the

345

00:15:30,650 --> 00:15:28,980

end of to all of us I had a boyfriend

346

00:15:34,629 --> 00:15:30,660

that lived right about there his last

347

00:15:38,590 --> 00:15:34,639

name was ham do you recognize that

348

00:15:42,650 --> 00:15:38,600

we could do that all night

349

00:15:44,509 --> 00:15:42,660

but German Church Road and East that was

350

00:15:48,410 --> 00:15:44,519

the dividing line of like Indianapolis

351
00:15:51,590 --> 00:15:48,420
behind you and in front of you was corn

352
00:15:53,750 --> 00:15:51,600
fields all the way to Ohio right it was

353
00:15:55,670 --> 00:15:53,760
like that I mean it was just

354
00:15:58,430 --> 00:15:55,680
um and it's it's not like that anymore

355
00:16:02,150 --> 00:15:58,440
it's uh it's all completely built out

356
00:16:04,370 --> 00:16:02,160
yeah so now where where June 30th 1983

357
00:16:05,750 --> 00:16:04,380
happened in near Irvington outer

358
00:16:07,670 --> 00:16:05,760
Irvington

359
00:16:09,230 --> 00:16:07,680
um we were still only

360
00:16:12,470 --> 00:16:09,240
10 minutes from downtown Indianapolis

361
00:16:15,129 --> 00:16:12,480
and even at 40 years ago which I cannot

362
00:16:19,850 --> 00:16:15,139
believe that it's been almost 40 years

363
00:16:23,269 --> 00:16:19,860

40 years ago Indianapolis still had a

364

00:16:24,889 --> 00:16:23,279

huge population so I mean it was a

365

00:16:25,730 --> 00:16:24,899

really populated area where this

366

00:16:28,730 --> 00:16:25,740

happened

367

00:16:32,629 --> 00:16:28,740

yeah um and I lived right there uh

368

00:16:35,150 --> 00:16:32,639

Irvington is a very small little uh it's

369

00:16:37,430 --> 00:16:35,160

what 10 blocks by 10 blocks or something

370

00:16:40,310 --> 00:16:37,440

it's a very small part but it's an older

371

00:16:43,670 --> 00:16:40,320

part of Indianapolis great place and

372

00:16:45,949 --> 00:16:43,680

yeah that's at my first apartment and so

373

00:16:50,150 --> 00:16:45,959

I've looked at everything on a map

374

00:16:51,949 --> 00:16:50,160

and from my old apartment over to where

375

00:16:56,210 --> 00:16:51,959

your house was it was just a couple

376

00:16:57,949 --> 00:16:56,220

blocks away and I probably could have

377

00:16:59,870 --> 00:16:57,959

seen it happen if I was looking out my

378

00:17:02,930 --> 00:16:59,880

back window

379

00:17:07,010 --> 00:17:02,940

um and this area uh because of where it

380

00:17:10,010 --> 00:17:07,020

is on on the east side is populated you

381

00:17:13,069 --> 00:17:10,020

know and it's it's not this isn't the

382

00:17:14,390 --> 00:17:13,079

country aspect uh that we're referring

383

00:17:17,210 --> 00:17:14,400

to now when we're talking about

384

00:17:20,929 --> 00:17:17,220

Indianapolis and that craft came down

385

00:17:23,150 --> 00:17:20,939

and landed in in your backyard that's

386

00:17:26,449 --> 00:17:23,160

that's absolutely incredible did any

387

00:17:28,189 --> 00:17:26,459

neighbors or did anybody uh step out and

388

00:17:29,330 --> 00:17:28,199

say what was going on in your backyard

389

00:17:31,789 --> 00:17:29,340

last night

390

00:17:35,270 --> 00:17:31,799

Well the lady that lived directly north

391

00:17:38,510 --> 00:17:35,280

of us on the north side of the house

392

00:17:41,630 --> 00:17:38,520

um we found out a little bit later that

393

00:17:44,930 --> 00:17:41,640

night she had seen a red bright red

394

00:17:46,850 --> 00:17:44,940

Flash and heard her loud noise and like

395

00:17:48,110 --> 00:17:46,860

she said her whole house shook her TV

396

00:17:51,049 --> 00:17:48,120

turned red

397

00:17:54,049 --> 00:17:51,059

and she got real paranoid her she her

398

00:17:55,850 --> 00:17:54,059

husband told Bud when bud you know

399

00:17:57,830 --> 00:17:55,860

because when he did the investigation

400

00:17:59,930 --> 00:17:57,840

the first time he came he was knocking

401
00:18:02,330 --> 00:17:59,940
on doors you know talk trying to talk to

402
00:18:05,630 --> 00:18:02,340
neighbors and stuff and and the guy next

403
00:18:07,789 --> 00:18:05,640
door told him that when he got home from

404
00:18:11,990 --> 00:18:07,799
work that night his wife was so upset by

405
00:18:14,630 --> 00:18:12,000
the uh the sound of something that had

406
00:18:16,130 --> 00:18:14,640
this loud sound and the red Flash and

407
00:18:17,690 --> 00:18:16,140
she thought somebody was going to cut

408
00:18:19,730 --> 00:18:17,700
was trying to get in her house and get

409
00:18:20,990 --> 00:18:19,740
her and she was like hiding behind a

410
00:18:21,770 --> 00:18:21,000
couch or something when he got home from

411
00:18:24,169 --> 00:18:21,780
work

412
00:18:25,250 --> 00:18:24,179
and then the lady across directly across

413
00:18:29,029 --> 00:18:25,260

the street

414

00:18:30,529 --> 00:18:29,039

from the house which would be on the

415

00:18:32,350 --> 00:18:30,539

West

416

00:18:35,750 --> 00:18:32,360

of the house

417

00:18:38,930 --> 00:18:35,760

she was a night shift nurse at community

418

00:18:40,430 --> 00:18:38,940

hospital and was asleep

419

00:18:42,350 --> 00:18:40,440

because she was going to be having to

420

00:18:45,169 --> 00:18:42,360

get up in a little while go to work but

421

00:18:47,270 --> 00:18:45,179

she was awakened earlier than her alarms

422

00:18:49,010 --> 00:18:47,280

went off because she thought that it

423

00:18:50,450 --> 00:18:49,020

sounded like a jet was about to crash

424

00:18:54,409 --> 00:18:50,460

into her house

425

00:18:56,029 --> 00:18:54,419

and it startled her and I think it had I

426

00:18:58,310 --> 00:18:56,039

can't remember for sure I think it had

427

00:19:01,070 --> 00:18:58,320

an effect on the electricity in her

428

00:19:03,650 --> 00:19:01,080

house and I know that some of the clocks

429

00:19:05,810 --> 00:19:03,660

closest you know in the front of the

430

00:19:09,890 --> 00:19:05,820

house stopped working

431

00:19:13,070 --> 00:19:09,900

and um then Bud had talked to a neighbor

432

00:19:15,409 --> 00:19:13,080

a couple of houses down to the South

433

00:19:18,350 --> 00:19:15,419

down the road a bit

434

00:19:21,650 --> 00:19:18,360

and uh they didn't see anything that

435

00:19:24,049 --> 00:19:21,660

night but they told him that they had

436

00:19:26,510 --> 00:19:24,059

seen strange stuff above the house

437

00:19:27,710 --> 00:19:26,520

several times since we had moved in

438

00:19:30,590 --> 00:19:27,720

there and we didn't even know anything

439

00:19:34,490 --> 00:19:30,600

about that and then like 20 some years

440

00:19:36,169 --> 00:19:34,500

after Intruders was published bud got a

441

00:19:38,810 --> 00:19:36,179

letter from a gal

442

00:19:42,350 --> 00:19:38,820

who lived the street behind us on Hunter

443

00:19:44,210 --> 00:19:42,360

Road and she told him that her teenage

444

00:19:45,770 --> 00:19:44,220

Sons at the time used to like to have

445

00:19:48,529 --> 00:19:45,780

their buddies come over on the weekend

446

00:19:52,070 --> 00:19:48,539

and they would camp out in the garage

447

00:19:54,110 --> 00:19:52,080

and the open garage door faced the back

448

00:19:56,570 --> 00:19:54,120

of our house but there's a lot of wooded

449

00:20:00,049 --> 00:19:56,580

area and huge Lots between our house and

450

00:20:01,970 --> 00:20:00,059

theirs you know but she said one night

451
00:20:04,190 --> 00:20:01,980
and she said she couldn't specifically

452
00:20:06,770 --> 00:20:04,200
say it was that exact day but she knew

453
00:20:09,950 --> 00:20:06,780
it was around that same time frame

454
00:20:13,690 --> 00:20:09,960
the boys came in hysterical

455
00:20:16,150 --> 00:20:13,700
and they told her that they had seen

456
00:20:19,130 --> 00:20:16,160
dozens of basketball

457
00:20:22,669 --> 00:20:19,140
sized white balls of light floating

458
00:20:27,370 --> 00:20:22,679
through the woods between our house and

459
00:20:30,230 --> 00:20:27,380
theirs and they panicked and ran inside

460
00:20:32,390 --> 00:20:30,240
and she told Bud that they never slept

461
00:20:34,730 --> 00:20:32,400
out in the garage again after that and

462
00:20:36,710 --> 00:20:34,740
what bud thought was odd what we thought

463
00:20:40,130 --> 00:20:36,720

was odd was that

464

00:20:41,630 --> 00:20:40,140

my mother that night when she called me

465

00:20:43,970 --> 00:20:41,640

to come home

466

00:20:46,370 --> 00:20:43,980

the reason that she'd called me was

467

00:20:47,570 --> 00:20:46,380

because she'd seen a ball of white light

468

00:20:49,669 --> 00:20:47,580

about the size of a basketball

469

00:20:53,210 --> 00:20:49,679

illuminate the bird feeder out in front

470

00:20:55,430 --> 00:20:53,220

of the outside the kitchen window and

471

00:20:57,169 --> 00:20:55,440

when she saw that light that's when it

472

00:20:59,029 --> 00:20:57,179

thought came into her head to call me

473

00:21:00,169 --> 00:20:59,039

that I needed to come home

474

00:21:02,450 --> 00:21:00,179

so

475

00:21:05,330 --> 00:21:02,460

that those are a few

476

00:21:06,310 --> 00:21:05,340

um and that's the way it would have it

477

00:21:10,190 --> 00:21:06,320

it

478

00:21:12,470 --> 00:21:10,200

would have to be that way there's too

479

00:21:15,350 --> 00:21:12,480

many houses there's too much going on

480

00:21:18,049 --> 00:21:15,360

for for this event to happen in your

481

00:21:20,750 --> 00:21:18,059

backyard that uh the neighbors there had

482

00:21:23,690 --> 00:21:20,760

to have seen or heard something and so I

483

00:21:26,029 --> 00:21:23,700

guess uh everybody did right they did

484

00:21:29,090 --> 00:21:26,039

some yeah

485

00:21:31,909 --> 00:21:29,100

um the next part that I want to touch on

486

00:21:34,010 --> 00:21:31,919

um because I want to get to a a major

487

00:21:36,409 --> 00:21:34,020

part of this but for everybody here to

488

00:21:41,090 --> 00:21:36,419

understand your case

489

00:21:44,210 --> 00:21:41,100

um when uh and you can jump in and fill

490

00:21:46,850 --> 00:21:44,220

in the because uh you know the the the

491

00:21:48,710 --> 00:21:46,860

significant stuff uh the the important

492

00:21:52,669 --> 00:21:48,720

points but

493

00:21:54,230 --> 00:21:52,679

um you were physically

494

00:21:55,850 --> 00:21:54,240

um I'm going to use the word blinded

495

00:21:58,390 --> 00:21:55,860

okay

496

00:22:02,270 --> 00:21:58,400

um you uh

497

00:22:04,430 --> 00:22:02,280

came in your encounter with the craft

498

00:22:06,289 --> 00:22:04,440

and with what was going on with the

499

00:22:09,590 --> 00:22:06,299

beings

500

00:22:12,590 --> 00:22:09,600

um you you got a physical injury that is

501
00:22:15,470 --> 00:22:12,600
with you to this day

502
00:22:18,830 --> 00:22:15,480
um did you have any idea when that went

503
00:22:21,230 --> 00:22:18,840
down how significant it was we all see

504
00:22:25,549 --> 00:22:21,240
camera flashes right and we know what's

505
00:22:28,070 --> 00:22:25,559
going to pass in your case it's it's you

506
00:22:30,409 --> 00:22:28,080
know it's a life of uh you know a trauma

507
00:22:32,750 --> 00:22:30,419
uh injury and and other things of course

508
00:22:37,190 --> 00:22:32,760
too as well but did you know at the time

509
00:22:40,370 --> 00:22:37,200
uh that it was going to be that severe

510
00:22:43,310 --> 00:22:40,380
well I knew at the time I was in pain

511
00:22:44,810 --> 00:22:43,320
um when when I first got hit with that

512
00:22:46,789 --> 00:22:44,820
ball of light as I came out of the

513
00:22:50,090 --> 00:22:46,799

garage door

514

00:22:52,430 --> 00:22:50,100

um and saw that bright white light and

515

00:22:55,450 --> 00:22:52,440

you like you said I it was like a flash

516

00:22:58,490 --> 00:22:55,460

bulb went off in front of me and my eyes

517

00:23:01,010 --> 00:22:58,500

were the vision was splotchy you know so

518

00:23:04,370 --> 00:23:01,020

I had a hard time seeing

519

00:23:05,870 --> 00:23:04,380

um later on that evening when my friend

520

00:23:07,430 --> 00:23:05,880

and her daughter and I were in the

521

00:23:09,710 --> 00:23:07,440

swimming pool my eyes started burning

522

00:23:12,110 --> 00:23:09,720

and I noticed this white halo around all

523

00:23:14,390 --> 00:23:12,120

the lights that were outside it was dark

524

00:23:16,789 --> 00:23:14,400

at that point and I knew my eyes hurt

525

00:23:18,649 --> 00:23:16,799

and I knew I felt sick to my stomach and

526

00:23:20,149 --> 00:23:18,659

they actually felt kind of nauseated too

527

00:23:22,250 --> 00:23:20,159

but their eyes weren't bothering them

528

00:23:24,230 --> 00:23:22,260

like mine were the next morning when I

529

00:23:26,270 --> 00:23:24,240

woke up my eyes were swelled completely

530

00:23:28,130 --> 00:23:26,280

shut right my mom took me to the

531

00:23:31,250 --> 00:23:28,140

emergency room

532

00:23:32,810 --> 00:23:31,260

and the the doctor there was there was a

533

00:23:35,090 --> 00:23:32,820

doctor in the emergency room that

534

00:23:37,370 --> 00:23:35,100

happened to be an eye doctor

535

00:23:39,770 --> 00:23:37,380

but he wanted my mom to take me across

536

00:23:41,510 --> 00:23:39,780

the street to his office so he could

537

00:23:43,010 --> 00:23:41,520

examine me he had said he had better

538

00:23:44,930 --> 00:23:43,020

equipment to examine me in his office

539

00:23:47,810 --> 00:23:44,940

instead of in the ER

540

00:23:50,630 --> 00:23:47,820

so my mom took me there why why he was

541

00:23:52,250 --> 00:23:50,640

even there I don't know but uh you know

542

00:23:54,470 --> 00:23:52,260

it took several weeks for my eyes to

543

00:23:55,870 --> 00:23:54,480

heal in the meantime the dog that had

544

00:23:59,270 --> 00:23:55,880

been out there with me that night

545

00:24:00,950 --> 00:23:59,280

started to have symptoms of I mean her

546

00:24:03,110 --> 00:24:00,960

teeth started falling out she started

547

00:24:05,029 --> 00:24:03,120

first her hair came out on her back and

548

00:24:07,370 --> 00:24:05,039

we thought she had mange but then she

549

00:24:09,350 --> 00:24:07,380

started getting big black Uzi sewers all

550

00:24:12,049 --> 00:24:09,360

up and down her spine and her eyes

551
00:24:13,130 --> 00:24:12,059
started Whiting over and by that I know

552
00:24:15,529 --> 00:24:13,140
maybe

553
00:24:18,289 --> 00:24:15,539
six weeks later or so we ended up having

554
00:24:19,370 --> 00:24:18,299
to have her put down

555
00:24:20,930 --> 00:24:19,380
um

556
00:24:22,610 --> 00:24:20,940
and she had been out there with me that

557
00:24:24,950 --> 00:24:22,620
night and I know the thought had crossed

558
00:24:26,270 --> 00:24:24,960
me in the back of my mind you know I

559
00:24:28,850 --> 00:24:26,280
wonder if it had something to do with

560
00:24:30,230 --> 00:24:28,860
that night and I wondered if it had

561
00:24:33,350 --> 00:24:30,240
something to do with that night with my

562
00:24:34,909 --> 00:24:33,360
eyes but eyes I didn't tell the doctors

563
00:24:37,909 --> 00:24:34,919

at the emergency room the next morning

564

00:24:39,529 --> 00:24:37,919

because until I saw the mark in the yard

565

00:24:42,350 --> 00:24:39,539

a couple of days later

566

00:24:44,510 --> 00:24:42,360

I didn't remember

567

00:24:45,649 --> 00:24:44,520

getting hit with this white light this

568

00:24:49,070 --> 00:24:45,659

bright light

569

00:24:50,870 --> 00:24:49,080

so I couldn't really tell them

570

00:24:54,470 --> 00:24:50,880

um

571

00:24:56,750 --> 00:24:54,480

and now when I was in my mid-30s I was

572

00:24:58,250 --> 00:24:56,760

diagnosed with macular degeneration and

573

00:25:02,390 --> 00:24:58,260

cataracts

574

00:25:04,370 --> 00:25:02,400

and uh I'm dilated every six months

575

00:25:07,010 --> 00:25:04,380

since then and my my macular

576

00:25:09,070 --> 00:25:07,020

degeneration is dry and stable I take a

577

00:25:12,409 --> 00:25:09,080

bunch of stuff for it lutein and

578

00:25:16,070 --> 00:25:12,419

xanathol or however you say that but uh

579

00:25:18,350 --> 00:25:16,080

I had to have finally my I the cataracts

580

00:25:21,710 --> 00:25:18,360

got so bad that I had to have both my

581

00:25:25,130 --> 00:25:21,720

lenses removed and replaced uh you know

582

00:25:26,870 --> 00:25:25,140

at a pretty young age right I think I

583

00:25:29,210 --> 00:25:26,880

had just hit 50 or maybe I was in my

584

00:25:31,789 --> 00:25:29,220

late 40s I can't remember exactly but it

585

00:25:32,630 --> 00:25:31,799

was in that area

586

00:25:33,890 --> 00:25:32,640

um

587

00:25:36,890 --> 00:25:33,900

and

588

00:25:40,010 --> 00:25:36,900

nobody else in my family had stuff like

589

00:25:42,769 --> 00:25:40,020

that that early you know before I did

590

00:25:45,110 --> 00:25:42,779

and I always thought in the back of my

591

00:25:47,990 --> 00:25:45,120

mind that my eyes were never right after

592

00:25:50,510 --> 00:25:48,000

that night uh for about a year

593

00:25:51,950 --> 00:25:50,520

afterwards my eyes would get all of a

594

00:25:53,269 --> 00:25:51,960

sudden they turn red and just water for

595

00:25:55,730 --> 00:25:53,279

no reason at all and then it would go

596

00:25:56,690 --> 00:25:55,740

away and that first year after that

597

00:25:58,909 --> 00:25:56,700

night

598

00:26:01,669 --> 00:25:58,919

I would the glands in my neck would

599

00:26:03,950 --> 00:26:01,679

swell up and for no reason and then

600

00:26:07,010 --> 00:26:03,960

they'd go away I'd get little little

601
00:26:09,409 --> 00:26:07,020
heavy rashes on my cheeks

602
00:26:10,789 --> 00:26:09,419
um I'd get stomach problems it seemed

603
00:26:13,430 --> 00:26:10,799
like my immune system was shot

604
00:26:16,549 --> 00:26:13,440
everything that came into town I caught

605
00:26:18,169 --> 00:26:16,559
and of course I had the sleeping problem

606
00:26:20,510 --> 00:26:18,179
and

607
00:26:23,029 --> 00:26:20,520
um I developed irregular heartbeats you

608
00:26:26,090 --> 00:26:23,039
know which they checked me all out with

609
00:26:30,289 --> 00:26:26,100
that and it was they called them Pacs

610
00:26:32,390 --> 00:26:30,299
premature atrial contractions but they

611
00:26:34,250 --> 00:26:32,400
said that it was benign that's what the

612
00:26:36,350 --> 00:26:34,260
word they used that it probably wouldn't

613
00:26:39,350 --> 00:26:36,360

kill me of course the only thing I heard

614

00:26:42,169 --> 00:26:39,360

was probably right right

615

00:26:44,630 --> 00:26:42,179

but um that's a pretty young age to

616

00:26:46,610 --> 00:26:44,640

start falling apart I know yes this

617

00:26:51,289 --> 00:26:46,620

because this happened I was like 22

618

00:26:53,510 --> 00:26:51,299

years old something like that the

619

00:26:55,310 --> 00:26:53,520

um uh you and I were talking about

620

00:26:57,169 --> 00:26:55,320

health well we were talking about it all

621

00:27:00,830 --> 00:26:57,179

week but

622

00:27:03,110 --> 00:27:00,840

um yeah I mean at 22 we you and I were

623

00:27:05,990 --> 00:27:03,120

talking to her when you know when when

624

00:27:07,730 --> 00:27:06,000

you're that age you're not scared of

625

00:27:09,830 --> 00:27:07,740

anything you know you're in a different

626
00:27:13,669 --> 00:27:09,840
physical body when you're at the age of

627
00:27:16,490 --> 00:27:13,679
22 and you're gonna die yeah yeah life

628
00:27:19,490 --> 00:27:16,500
lasts forever and you get to a certain

629
00:27:21,110 --> 00:27:19,500
point in age like you know for me now

630
00:27:22,970 --> 00:27:21,120
I'm 60 and you start to think about

631
00:27:25,370 --> 00:27:22,980
things that you never concerned yourself

632
00:27:27,470 --> 00:27:25,380
about when you were young and here you

633
00:27:28,970 --> 00:27:27,480
are at the age of 22 after this

634
00:27:31,970 --> 00:27:28,980
encounter

635
00:27:33,649 --> 00:27:31,980
um in the backyard things just came

636
00:27:37,130 --> 00:27:33,659
unraveled

637
00:27:38,930 --> 00:27:37,140
um were you were you putting were you

638
00:27:41,049 --> 00:27:38,940

were you connecting the dots eventually

639

00:27:44,230 --> 00:27:41,059

like like you know what I was fine

640

00:27:46,850 --> 00:27:44,240

before that date after that date

641

00:27:49,970 --> 00:27:46,860

everything everything seems to be

642

00:27:54,890 --> 00:27:52,669

when I saw the dog start to fall apart

643

00:27:56,930 --> 00:27:54,900

and get sick that's when it started to

644

00:27:59,510 --> 00:27:56,940

be a little bit of a nagging question in

645

00:28:02,570 --> 00:27:59,520

the back of my mind and it's been that

646

00:28:03,590 --> 00:28:02,580

way for me ever since you know

647

00:28:08,269 --> 00:28:03,600

um

648

00:28:11,210 --> 00:28:08,279

now I've had a lot of unusual things uh

649

00:28:13,130 --> 00:28:11,220

come up with my health in the last five

650

00:28:16,310 --> 00:28:13,140

years that most people don't ever

651
00:28:19,190 --> 00:28:16,320
encounter and it always is in the back

652
00:28:21,950 --> 00:28:19,200
of my mind is is this because of

653
00:28:24,529 --> 00:28:21,960
whatever I was exposed to I don't know I

654
00:28:26,810 --> 00:28:24,539
mean it's just it's just gonna be a

655
00:28:28,730 --> 00:28:26,820
thing and I can't do anything about it

656
00:28:31,330 --> 00:28:28,740
or prove anything and it is what it is

657
00:28:34,070 --> 00:28:31,340
just deal with it as it comes so

658
00:28:35,930 --> 00:28:34,080
there is um and we're going to condense

659
00:28:37,789 --> 00:28:35,940
this down a little bit again you can

660
00:28:42,470 --> 00:28:37,799
fill in the blanks if you want

661
00:28:43,990 --> 00:28:42,480
um but um the ET side of it starts to

662
00:28:45,890 --> 00:28:44,000
present itself

663
00:28:49,669 --> 00:28:45,900

and

664

00:28:50,930 --> 00:28:49,679

um you you you got a book uh by Bud

665

00:28:54,049 --> 00:28:50,940

Hopkins

666

00:28:55,909 --> 00:28:54,059

um and and Reddit

667

00:28:57,950 --> 00:28:55,919

um tell us about that and how did you

668

00:29:00,529 --> 00:28:57,960

get the book and why

669

00:29:03,649 --> 00:29:00,539

well before I move back home with my

670

00:29:06,289 --> 00:29:03,659

parents we my kids and I lived on 21st

671

00:29:08,210 --> 00:29:06,299

Street across from the library so I

672

00:29:09,950 --> 00:29:08,220

would take the the boys you know they

673

00:29:12,289 --> 00:29:09,960

were two three years old I would take

674

00:29:14,930 --> 00:29:12,299

them over there because the library was

675

00:29:16,490 --> 00:29:14,940

free and I'd get books I'd get books for

676

00:29:20,090 --> 00:29:16,500

myself and for them

677

00:29:21,950 --> 00:29:20,100

and uh Bud's book missing time was one I

678

00:29:27,049 --> 00:29:21,960

picked up I always been interested in

679

00:29:30,049 --> 00:29:27,059

weird stuff and I wasn't a 100 percent

680

00:29:32,570 --> 00:29:30,059

sure as to what the book was about but I

681

00:29:34,669 --> 00:29:32,580

thought it looked interesting and I was

682

00:29:36,889 --> 00:29:34,679

open-minded and I'm like okay it was a

683

00:29:39,230 --> 00:29:36,899

stack of big books and honestly it had

684

00:29:40,669 --> 00:29:39,240

it was orange bright orange cover with

685

00:29:42,049 --> 00:29:40,679

these big black letters and I'm like

686

00:29:44,330 --> 00:29:42,059

okay that looks cool

687

00:29:46,190 --> 00:29:44,340

and so um I brought it home with other

688

00:29:48,350 --> 00:29:46,200

books

689

00:29:50,330 --> 00:29:48,360

and uh because I take the kids there

690

00:29:53,570 --> 00:29:50,340

after I moved back to Mom and Dad's I

691

00:29:56,990 --> 00:29:53,580

had taken the kids there and um

692

00:29:58,669 --> 00:29:57,000

uh I tried to read this book and I as I

693

00:30:00,350 --> 00:29:58,679

began to read it I began to realize what

694

00:30:02,930 --> 00:30:00,360

it was about and the first things that I

695

00:30:06,169 --> 00:30:02,940

thought about were my older sister and

696

00:30:07,490 --> 00:30:06,179

her experience that she had in 65.

697

00:30:11,210 --> 00:30:07,500

um

698

00:30:14,330 --> 00:30:11,220

and uh I would read a couple of chapters

699

00:30:15,289 --> 00:30:14,340

or maybe a chapter and I'd have a panic

700

00:30:18,289 --> 00:30:15,299

attack

701
00:30:21,250 --> 00:30:18,299
and it would be so bad because I wasn't

702
00:30:23,990 --> 00:30:21,260
back then I had anxiety

703
00:30:26,090 --> 00:30:24,000
disorder had started and the panic

704
00:30:29,570 --> 00:30:26,100
attacks but I didn't know what they were

705
00:30:30,529 --> 00:30:29,580
at that point in my life at that age so

706
00:30:32,029 --> 00:30:30,539
I just thought I was having a heart

707
00:30:33,289 --> 00:30:32,039
attack and my mom take me to the

708
00:30:35,210 --> 00:30:33,299
emergency room

709
00:30:37,490 --> 00:30:35,220
and after like the third trip to the

710
00:30:39,350 --> 00:30:37,500
emergency room within a couple weeks and

711
00:30:40,970 --> 00:30:39,360
and trying to read this book because

712
00:30:42,769 --> 00:30:40,980
every time I try to read it I'd have a

713
00:30:45,110 --> 00:30:42,779

panic attack and my Mom finally said to

714

00:30:46,430 --> 00:30:45,120

me one day she told but I told her she

715

00:30:48,169 --> 00:30:46,440

don't have to take that book back to the

716

00:30:50,330 --> 00:30:48,179

library because we can't keep doing this

717

00:30:53,690 --> 00:30:50,340

so

718

00:30:55,789 --> 00:30:53,700

but I always read books by I was never

719

00:30:57,470 --> 00:30:55,799

conventional I always looked at the

720

00:30:59,930 --> 00:30:57,480

pictures first and then I would like

721

00:31:01,909 --> 00:30:59,940

look at the back cover and then read the

722

00:31:04,370 --> 00:31:01,919

last few pages and see if it interested

723

00:31:05,090 --> 00:31:04,380

me and then if I did I'd go forward with

724

00:31:07,549 --> 00:31:05,100

it

725

00:31:09,169 --> 00:31:07,559

I noticed in that book right off the bat

726

00:31:10,549 --> 00:31:09,179

that there was an address in the back

727

00:31:12,230 --> 00:31:10,559

where you could write to the guy you'd

728

00:31:15,289 --> 00:31:12,240

written the book

729

00:31:17,269 --> 00:31:15,299

and um I thought oh that's cool you know

730

00:31:21,250 --> 00:31:17,279

and I thought I should write him about

731

00:31:24,889 --> 00:31:21,260

Kathy my older sister in her June or her

732

00:31:26,990 --> 00:31:24,899

1965 thing at Holy Spirit Church

733

00:31:29,750 --> 00:31:27,000

but um

734

00:31:32,529 --> 00:31:29,760

you know book went back to the library

735

00:31:36,470 --> 00:31:32,539

and then it wasn't too long after that

736

00:31:40,010 --> 00:31:36,480

I I'm not for sure it was just maybe a

737

00:31:41,750 --> 00:31:40,020

a couple months or so

738

00:31:45,590 --> 00:31:41,760

um like it's been 40 years I don't

739

00:31:46,789 --> 00:31:45,600

remember exactly but then June 30th came

740

00:31:50,149 --> 00:31:46,799

and happened

741

00:31:52,610 --> 00:31:50,159

and like I said when uh that night first

742

00:31:55,490 --> 00:31:52,620

happened I didn't remember

743

00:31:56,990 --> 00:31:55,500

any of it until a couple days later when

744

00:31:59,029 --> 00:31:57,000

we went out and saw the mark in the yard

745

00:32:01,190 --> 00:31:59,039

for the first time and when I saw the

746

00:32:02,149 --> 00:32:01,200

mark in the yard for the first time that

747

00:32:03,649 --> 00:32:02,159

kind of

748

00:32:07,250 --> 00:32:03,659

triggered

749

00:32:08,930 --> 00:32:07,260

my memory I started memories started

750

00:32:11,870 --> 00:32:08,940

flooding back of that night and what had

751
00:32:15,230 --> 00:32:11,880
happened as well as other things from my

752
00:32:17,210 --> 00:32:15,240
past and um one of the things I

753
00:32:19,970 --> 00:32:17,220
remembered was that book missing time

754
00:32:21,710 --> 00:32:19,980
and the Le and the uh address that was

755
00:32:24,350 --> 00:32:21,720
in the back of it

756
00:32:27,409 --> 00:32:24,360
so at some point I went back to the

757
00:32:29,149 --> 00:32:27,419
library just to to get the address out

758
00:32:31,250 --> 00:32:29,159
of that book

759
00:32:34,549 --> 00:32:31,260
and then I came home

760
00:32:37,310 --> 00:32:34,559
I was having horrible nightmares and I

761
00:32:39,470 --> 00:32:37,320
was I couldn't sleep I would be up all

762
00:32:41,510 --> 00:32:39,480
night sitting between my two kids in

763
00:32:43,190 --> 00:32:41,520

their twin beds in the bedroom and then

764

00:32:45,169 --> 00:32:43,200

I would only be able to sleep after the

765

00:32:46,490 --> 00:32:45,179

sun came up when when people other

766

00:32:48,889 --> 00:32:46,500

people were in the house were up thank

767

00:32:50,450 --> 00:32:48,899

God for my parents at the time and their

768

00:32:51,769 --> 00:32:50,460

understanding that I was going through

769

00:32:53,330 --> 00:32:51,779

something because

770

00:32:55,310 --> 00:32:53,340

you know I don't know what I had done

771

00:32:58,610 --> 00:32:55,320

without him I was I think

772

00:33:00,430 --> 00:32:58,620

I have I had a nervous breakdown is what

773

00:33:04,190 --> 00:33:00,440

I think happens

774

00:33:07,070 --> 00:33:04,200

how many years was this since

775

00:33:10,430 --> 00:33:07,080

what what do you mean what year did you

776

00:33:14,210 --> 00:33:10,440

have uh Bud's book

777

00:33:19,430 --> 00:33:16,789

three and the book was I'd only had buds

778

00:33:21,049 --> 00:33:19,440

I'd only read missing time a few months

779

00:33:23,630 --> 00:33:21,059

Maybe

780

00:33:25,850 --> 00:33:23,640

six I don't know a few months before it

781

00:33:27,889 --> 00:33:25,860

happened so it hadn't been that long

782

00:33:29,450 --> 00:33:27,899

right so it was still fresh in my mind

783

00:33:31,789 --> 00:33:29,460

and that was one of the things that came

784

00:33:34,070 --> 00:33:31,799

back when I remembered right right about

785

00:33:35,630 --> 00:33:34,080

it um I went and got the book and I got

786

00:33:38,269 --> 00:33:35,640

the address and I wrote him this letter

787

00:33:40,430 --> 00:33:38,279

it's 14 pages long

788

00:33:43,370 --> 00:33:40,440

and of course I started out with Kathy's

789

00:33:46,370 --> 00:33:43,380

experience because I was gonna throw her

790

00:33:48,169 --> 00:33:46,380

under the bus you know she she was mad

791

00:33:49,370 --> 00:33:48,179

at me when she found out that I had

792

00:33:51,289 --> 00:33:49,380

written him and told him about it

793

00:33:54,409 --> 00:33:51,299

because I didn't ask her for permission

794

00:33:57,049 --> 00:33:54,419

I just did it and I thought oh yeah Holy

795

00:33:59,750 --> 00:33:57,059

Spirit was that Holy Spirit on 16th and

796

00:34:01,430 --> 00:33:59,760

post 10th and Post Yeah 10th and Post

797

00:34:03,590 --> 00:34:01,440

Yeah

798

00:34:07,130 --> 00:34:03,600

okay that's the neighborhood church

799

00:34:08,450 --> 00:34:07,140

everybody just so you just so yeah okay

800

00:34:14,149 --> 00:34:08,460

so

801
00:34:16,250 --> 00:34:14,159
Polaroids of the mark in the yard

802
00:34:18,290 --> 00:34:16,260
and uh

803
00:34:20,690 --> 00:34:18,300
you know I told him the most of the 14

804
00:34:22,669 --> 00:34:20,700
pages was Kathy's story and then like

805
00:34:25,430 --> 00:34:22,679
the last couple pages and oh by the way

806
00:34:27,889 --> 00:34:25,440
this happened not too long ago and I'm

807
00:34:29,750 --> 00:34:27,899
not sure I know what to make of this and

808
00:34:31,730 --> 00:34:29,760
here's what I remember and then look at

809
00:34:33,109 --> 00:34:31,740
these pictures you know and then I gave

810
00:34:35,930 --> 00:34:33,119
it to Mom

811
00:34:37,970 --> 00:34:35,940
and uh I asked her to mail it for me and

812
00:34:39,950 --> 00:34:37,980
then she told Bud later that she carried

813
00:34:43,010 --> 00:34:39,960

that letter around in her pocketbook for

814

00:34:45,589 --> 00:34:43,020

a couple weeks she didn't she wasn't

815

00:34:48,109 --> 00:34:45,599

going to mail it she didn't want to

816

00:34:52,970 --> 00:34:48,119

um start something you know she didn't

817

00:34:55,430 --> 00:34:52,980

want this to be out in public but then

818

00:34:56,869 --> 00:34:55,440

something she said I was mailing bills

819

00:34:58,430 --> 00:34:56,879

one day because that's what she used to

820

00:34:59,930 --> 00:34:58,440

do you made out checks and you went to

821

00:35:02,150 --> 00:34:59,940

the mailbox or the post office they

822

00:35:03,890 --> 00:35:02,160

don't do it like that now but she went

823

00:35:05,450 --> 00:35:03,900

to mail the bills one day and she

824

00:35:07,310 --> 00:35:05,460

remembered that letter was in her purse

825

00:35:10,250 --> 00:35:07,320

and she said something in my mind said

826

00:35:12,589 --> 00:35:10,260

you need to mail this letter for her

827

00:35:14,750 --> 00:35:12,599

so she got it out and mailed it and I'm

828

00:35:18,050 --> 00:35:14,760

not sure how long it took because it was

829

00:35:20,390 --> 00:35:18,060

quite a while like weeks and weeks

830

00:35:22,430 --> 00:35:20,400

and all of a sudden I came home from uh

831

00:35:25,130 --> 00:35:22,440

being out one night with my friends

832

00:35:26,390 --> 00:35:25,140

and my mom said she was laying on the

833

00:35:28,069 --> 00:35:26,400

couch when I came in and she goes hey

834

00:35:30,290 --> 00:35:28,079

you know that guy that wrote that book

835

00:35:33,230 --> 00:35:30,300

he wrote that letter to he called

836

00:35:35,210 --> 00:35:33,240

tonight I about passed out yeah

837

00:35:37,370 --> 00:35:35,220

immediately I have almost had a heart

838

00:35:39,230 --> 00:35:37,380

attack and she said she get you know

839

00:35:41,810 --> 00:35:39,240

this is before cell phones and whatnot

840

00:35:43,849 --> 00:35:41,820

so a phone call to New York would be

841

00:35:46,130 --> 00:35:43,859

like a lot of money and I'm like well

842

00:35:47,569 --> 00:35:46,140

you can I call him she says you have my

843

00:35:51,290 --> 00:35:47,579

permission to call him back but keep it

844

00:35:52,010 --> 00:35:51,300

like three minutes so

845

00:35:54,770 --> 00:35:52,020

um

846

00:35:56,210 --> 00:35:54,780

I called him and I remember dialing the

847

00:35:57,890 --> 00:35:56,220

number and my heart was beaten in my

848

00:35:59,930 --> 00:35:57,900

throat and I was thinking to myself do I

849

00:36:01,970 --> 00:35:59,940

want to do this do I really do I do I

850

00:36:03,770 --> 00:36:01,980

want to do this do I really want to know

851

00:36:05,630 --> 00:36:03,780

anything you know

852

00:36:07,730 --> 00:36:05,640

and then he answered

853

00:36:08,990 --> 00:36:07,740

and then he called me back so you know

854

00:36:10,310 --> 00:36:09,000

we talked for a few minutes and he

855

00:36:13,010 --> 00:36:10,320

called me back so it wouldn't cost me

856

00:36:15,950 --> 00:36:13,020

any more money and and that was it

857

00:36:20,089 --> 00:36:15,960

that's how the that's how he made the

858

00:36:22,190 --> 00:36:20,099

connection and then he decided

859

00:36:26,690 --> 00:36:22,200

um I believe I went to New York first

860

00:36:29,990 --> 00:36:26,700

and that was weird because I I had this

861

00:36:31,370 --> 00:36:30,000

fear of being lost I've always felt I've

862

00:36:32,450 --> 00:36:31,380

always had this as long as I can

863

00:36:35,210 --> 00:36:32,460

remember

864

00:36:37,849 --> 00:36:35,220

and I never traveled anywhere by myself

865

00:36:39,589 --> 00:36:37,859

and here and in the New York City just

866

00:36:41,030 --> 00:36:39,599

the thought of it scared me you know

867

00:36:42,950 --> 00:36:41,040

from Indiana I've never been anywhere

868

00:36:44,390 --> 00:36:42,960

without my parents anyway

869

00:36:47,690 --> 00:36:44,400

but uh

870

00:36:50,089 --> 00:36:47,700

I sold I had a portable washer and dryer

871

00:36:51,290 --> 00:36:50,099

in my storage unit from when I moved

872

00:36:52,970 --> 00:36:51,300

back home with my parents but I was

873

00:36:55,370 --> 00:36:52,980

saving my stuff and I sold it to get

874

00:36:56,450 --> 00:36:55,380

enough money for a bus ticket to New

875

00:37:00,829 --> 00:36:56,460

York

876

00:37:03,710 --> 00:37:00,839

Dawns on me what the hell are you doing

877

00:37:04,730 --> 00:37:03,720

you are on a bus to New York City by

878

00:37:05,750 --> 00:37:04,740

yourself you don't know where you're

879

00:37:07,550 --> 00:37:05,760

going you don't know what you're doing

880

00:37:10,310 --> 00:37:07,560

you don't even know who you're meeting

881

00:37:12,290 --> 00:37:10,320

up this guy could be an Ax Murderer he's

882

00:37:14,870 --> 00:37:12,300

CR he wrote a book about aliens for

883

00:37:19,190 --> 00:37:14,880

God's sake what what the hell is wrong

884

00:37:23,089 --> 00:37:19,200

with you did I almost jumped off the bus

885

00:37:25,310 --> 00:37:23,099

but I didn't and uh you know I ended up

886

00:37:28,370 --> 00:37:25,320

going to New York several times over the

887

00:37:30,890 --> 00:37:28,380

next couple years and he came to Indiana

888

00:37:33,470 --> 00:37:30,900

to Indianapolis several times

889

00:37:34,970 --> 00:37:33,480

he interviewed my boss he interviewed

890

00:37:38,569 --> 00:37:34,980

our neighbors he interviewed my friends

891

00:37:40,069 --> 00:37:38,579

our family you know he he knocked on

892

00:37:41,750 --> 00:37:40,079

Doors

893

00:37:44,569 --> 00:37:41,760

and uh

894

00:37:46,970 --> 00:37:44,579

he when I went to New York he had got he

895

00:37:51,109 --> 00:37:46,980

made arrangements for me to have um

896

00:37:52,849 --> 00:37:51,119

uh I it was a a voice stress test it

897

00:37:54,290 --> 00:37:52,859

wasn't like a lie detector test but it

898

00:37:55,430 --> 00:37:54,300

was like sort of like that only with

899

00:38:00,410 --> 00:37:55,440

your voice

900

00:38:02,329 --> 00:38:00,420

and uh I had psychological uh testing at

901
00:38:04,430 --> 00:38:02,339
I think it was Columbia hospital New

902
00:38:06,050 --> 00:38:04,440
York he had somebody donated either the

903
00:38:08,450 --> 00:38:06,060
time or money for it

904
00:38:10,849 --> 00:38:08,460
it was verbal and written psychological

905
00:38:12,829 --> 00:38:10,859
testing and then they did like a CAT

906
00:38:16,730 --> 00:38:12,839
scan and they put these wires on my head

907
00:38:19,670 --> 00:38:16,740
to see if I had epilepsy or I had

908
00:38:21,050 --> 00:38:19,680
something wrong on my brain you know and

909
00:38:24,650 --> 00:38:21,060
um

910
00:38:26,390 --> 00:38:24,660
so he he did all this all right let me

911
00:38:28,069 --> 00:38:26,400
let me jump in real quick I I just

912
00:38:32,150 --> 00:38:28,079
interrupted you and I'm sorry about that

913
00:38:34,190 --> 00:38:32,160

but did you know oh uh uh Dolan and

914

00:38:35,750 --> 00:38:34,200

Tracy are in the chat by the way they

915

00:38:38,450 --> 00:38:35,760

say hello

916

00:38:40,130 --> 00:38:38,460

um they couldn't resist uh the

917

00:38:43,370 --> 00:38:40,140

Magnificent

918

00:38:47,050 --> 00:38:43,380

um Terry toll told me to tell you hi too

919

00:38:50,390 --> 00:38:47,060

uh Tracy or Terry Terry

920

00:38:52,849 --> 00:38:50,400

it's a family it's a family affair did

921

00:38:56,410 --> 00:38:52,859

did Bud tell you

922

00:38:58,790 --> 00:38:56,420

um that these things were did you know

923

00:39:00,290 --> 00:38:58,800

that you were going to get some testing

924

00:39:03,410 --> 00:39:00,300

done

925

00:39:06,349 --> 00:39:03,420

yeah when I went there he he asked me if

926

00:39:08,510 --> 00:39:06,359

I would if I wanted to you know the

927

00:39:11,450 --> 00:39:08,520

phone before you left

928

00:39:13,609 --> 00:39:11,460

oh uh yeah it wasn't the first time I

929

00:39:15,530 --> 00:39:13,619

went the but the first time that I went

930

00:39:17,990 --> 00:39:15,540

to New York he took me out of the bus

931

00:39:20,270 --> 00:39:18,000

out of the bus station straight to Dr

932

00:39:22,450 --> 00:39:20,280

clamar's office that's the psychiatrist

933

00:39:25,250 --> 00:39:22,460

that he worked with right

934

00:39:28,910 --> 00:39:25,260

in retrospect I Pro I thought probably

935

00:39:30,650 --> 00:39:28,920

it was much for him as me to make sure I

936

00:39:33,050 --> 00:39:30,660

wasn't coming in and being some kind of

937

00:39:35,870 --> 00:39:33,060

Ax Murderer you know either because but

938

00:39:38,450 --> 00:39:35,880

uh she was very nice uh so but the rest

939

00:39:40,550 --> 00:39:38,460

of the stuff when I went out there I

940

00:39:42,650 --> 00:39:40,560

that's what I went out for you know so I

941

00:39:43,910 --> 00:39:42,660

knew ahead of time and I agreed to do it

942

00:39:49,609 --> 00:39:43,920

so

943

00:39:50,990 --> 00:39:49,619

weighed down on you I mean it's one

944

00:39:54,410 --> 00:39:51,000

thing to have the experience and you've

945

00:39:56,990 --> 00:39:54,420

got the physical stuff going on but now

946

00:40:01,069 --> 00:39:57,000

now things are on another level right

947

00:40:04,730 --> 00:40:01,079

were you were you handling this well I'm

948

00:40:08,450 --> 00:40:04,740

sure you didn't expect this to no I did

949

00:40:09,829 --> 00:40:08,460

not it's kind of uh scrutiny now well in

950

00:40:12,770 --> 00:40:09,839

the beginning

951
00:40:15,050 --> 00:40:12,780
um like when I coming home from New York

952
00:40:17,510 --> 00:40:15,060
for the first time on the bus my one of

953
00:40:21,589 --> 00:40:17,520
my first thoughts when I got on the bus

954
00:40:23,450 --> 00:40:21,599
was um oh my god what have I done and I

955
00:40:24,470 --> 00:40:23,460
was there there was a thought in my head

956
00:40:26,329 --> 00:40:24,480
that

957
00:40:28,849 --> 00:40:26,339
you know what if they

958
00:40:31,130 --> 00:40:28,859
whoever they were what whatever they

959
00:40:32,990 --> 00:40:31,140
were whatever it was that did this what

960
00:40:35,390 --> 00:40:33,000
if they were pissed at me now because I

961
00:40:37,849 --> 00:40:35,400
told somebody right and now I'm going

962
00:40:39,710 --> 00:40:37,859
back out into the middle of nowhere in

963
00:40:41,990 --> 00:40:39,720

BFE and I'm going to be a Sitting Duck

964

00:40:43,670 --> 00:40:42,000

and what if they come back and they're

965

00:40:45,950 --> 00:40:43,680

mad you know what I mean this this sort

966

00:40:47,690 --> 00:40:45,960

of thing no I didn't I didn't do well

967

00:40:49,550 --> 00:40:47,700

with that in the beginning as far as

968

00:40:52,370 --> 00:40:49,560

scrutiny goes I wanted

969

00:40:54,950 --> 00:40:52,380

somebody I you know in the beginning I

970

00:40:56,870 --> 00:40:54,960

was doing everything I could do that I

971

00:41:01,190 --> 00:40:56,880

could figure out what to do to try to

972

00:41:02,930 --> 00:41:01,200

explain it all and uh so I welcomed

973

00:41:05,270 --> 00:41:02,940

bud

974

00:41:07,370 --> 00:41:05,280

you know and all the testing and all the

975

00:41:09,710 --> 00:41:07,380

people and I even told the psychiatrist

976

00:41:11,990 --> 00:41:09,720

during the test I said you know it's

977

00:41:13,609 --> 00:41:12,000

okay if you tell me I'm crazy I'm I'm

978

00:41:15,710 --> 00:41:13,619

good with that because they make pills

979

00:41:19,130 --> 00:41:15,720

for that and that means this will go

980

00:41:20,690 --> 00:41:19,140

away and I'm that's okay so you know I

981

00:41:23,450 --> 00:41:20,700

welcomed it

982

00:41:25,970 --> 00:41:23,460

um I I welcomed I went out and took

983

00:41:28,430 --> 00:41:25,980

samples uh of the stuff in the yard and

984

00:41:30,829 --> 00:41:28,440

the mark in the yard and and a matter of

985

00:41:33,950 --> 00:41:30,839

fact 40 years later I still have some

986

00:41:37,130 --> 00:41:33,960

that they survived the tornado in my uh

987

00:41:39,710 --> 00:41:37,140

mom's uh Cedar Chest I still have some

988

00:41:42,530 --> 00:41:39,720

you know bud did took some and did

989

00:41:44,510 --> 00:41:42,540

testing on it yeah I welcomed anybody

990

00:41:46,670 --> 00:41:44,520

who could tell me what this was all I

991

00:41:48,230 --> 00:41:46,680

could find were people that could tell

992

00:41:51,470 --> 00:41:48,240

me what it wasn't

993

00:41:54,109 --> 00:41:51,480

can we um uh I wanted to go back really

994

00:41:56,750 --> 00:41:54,119

quick I I we may I know that we've

995

00:42:00,109 --> 00:41:56,760

talked about it before but for the

996

00:42:02,569 --> 00:42:00,119

audience here we kind of let the the

997

00:42:04,790 --> 00:42:02,579

Black Box come and go and we didn't stop

998

00:42:05,810 --> 00:42:04,800

on it right we did

999

00:42:09,470 --> 00:42:05,820

um

1000

00:42:11,750 --> 00:42:09,480

deal

1001
00:42:13,670 --> 00:42:11,760
um so the Black Box itself that first

1002
00:42:16,310 --> 00:42:13,680
night I'm sorry that I don't want to

1003
00:42:17,329 --> 00:42:16,320
lose progress here but before we head to

1004
00:42:18,470 --> 00:42:17,339
the Break

1005
00:42:20,630 --> 00:42:18,480
um because we're going to come back and

1006
00:42:23,630 --> 00:42:20,640
talk about it uh the black box that

1007
00:42:26,630 --> 00:42:23,640
night how heavy was it what did it look

1008
00:42:28,970 --> 00:42:26,640
like you held it and you know that's

1009
00:42:31,370 --> 00:42:28,980
whatever wait a minute Church oh what it

1010
00:42:34,010 --> 00:42:31,380
look like what was it how heavy what did

1011
00:42:35,690 --> 00:42:34,020
it smell you know all these things

1012
00:42:37,130 --> 00:42:35,700
um let's go back to the black box for a

1013
00:42:38,990 --> 00:42:37,140

second

1014

00:42:40,430 --> 00:42:39,000

um and and tell us about it describe it

1015

00:42:42,650 --> 00:42:40,440

for us

1016

00:42:43,910 --> 00:42:42,660

um it was about the size of a shoebox it

1017

00:42:46,730 --> 00:42:43,920

wasn't big

1018

00:42:48,170 --> 00:42:46,740

uh it wasn't heavy didn't feel like

1019

00:42:51,050 --> 00:42:48,180

anything actually it didn't even feel

1020

00:42:54,170 --> 00:42:51,060

like it was you know anything

1021

00:42:57,410 --> 00:42:54,180

and um there was either a red light in

1022

00:42:59,750 --> 00:42:57,420

it or on it there was a small like uh

1023

00:43:01,670 --> 00:42:59,760

area on the top that had like a red

1024

00:43:05,510 --> 00:43:01,680

light of some kind either coming out of

1025

00:43:09,470 --> 00:43:05,520

it or on the surface of it

1026

00:43:10,849 --> 00:43:09,480

and it it just kind of set on my hands

1027

00:43:13,490 --> 00:43:10,859

in front of me

1028

00:43:15,230 --> 00:43:13,500

and that's when I remember saying what

1029

00:43:17,450 --> 00:43:15,240

is this can I have it because I'm

1030

00:43:18,829 --> 00:43:17,460

thinking and I can show this to somebody

1031

00:43:21,230 --> 00:43:18,839

you know I could show this to Charlie

1032

00:43:24,290 --> 00:43:21,240

that was my husband

1033

00:43:25,790 --> 00:43:24,300

and they said no you can't have it but

1034

00:43:27,349 --> 00:43:25,800

when you see it again you'll know what

1035

00:43:30,410 --> 00:43:27,359

it is and how to use it and I'm like

1036

00:43:32,870 --> 00:43:30,420

okay uh and I don't

1037

00:43:35,329 --> 00:43:32,880

I remember it but I don't know what it

1038

00:43:37,550 --> 00:43:35,339

was for or how to use it

1039

00:43:39,109 --> 00:43:37,560

but yeah it wasn't it wasn't you know a

1040

00:43:40,970 --> 00:43:39,119

big spectacular thing it's just a little

1041

00:43:43,329 --> 00:43:40,980

thing like the size not much bigger than

1042

00:43:44,930 --> 00:43:43,339

shoebox Maybe

1043

00:43:47,210 --> 00:43:44,940

and

1044

00:43:48,890 --> 00:43:47,220

um I remember us talking about this over

1045

00:43:50,990 --> 00:43:48,900

dinner one night

1046

00:43:53,089 --> 00:43:51,000

um and I had a million questions so I'm

1047

00:43:56,750 --> 00:43:53,099

just going to repeat our conversation

1048

00:43:56,760 --> 00:44:03,290

um uh did the Black Box show up again

1049

00:44:07,670 --> 00:44:05,030

um

1050

00:44:09,230 --> 00:44:07,680

I had this conversation with Whitley too

1051
00:44:11,690 --> 00:44:09,240
during this conversation with Whitley

1052
00:44:13,609 --> 00:44:11,700
when I had my near-death experience I

1053
00:44:16,790 --> 00:44:13,619
don't know that the Black Box showed up

1054
00:44:20,809 --> 00:44:16,800
but I possibly

1055
00:44:22,730 --> 00:44:20,819
I felt like you know a Whitley first

1056
00:44:25,250 --> 00:44:22,740
brought it up that maybe I showed up in

1057
00:44:26,569 --> 00:44:25,260
the black box right during my near-death

1058
00:44:28,190 --> 00:44:26,579
experience

1059
00:44:32,750 --> 00:44:28,200
so um

1060
00:44:35,329 --> 00:44:32,760
you know I it wasn't too long after uh I

1061
00:44:38,030 --> 00:44:35,339
had the the in 78 when they came in my

1062
00:44:43,010 --> 00:44:38,040
room and then when I went to have my son

1063
00:44:44,510 --> 00:44:43,020

in 79 he was born July 13th and 79 uh

1064

00:44:46,430 --> 00:44:44,520

and that's when I had the near-death

1065

00:44:49,370 --> 00:44:46,440

experience and that's when I woke up

1066

00:44:52,370 --> 00:44:49,380

quote unquote inside a box and I tried

1067

00:44:53,809 --> 00:44:52,380

to get out it was a black box and I

1068

00:44:57,530 --> 00:44:53,819

never

1069

00:44:59,750 --> 00:44:57,540

I didn't connect that until

1070

00:45:01,910 --> 00:44:59,760

I was telling Whitley the story one time

1071

00:45:04,430 --> 00:45:01,920

and Whitley's like you know it explains

1072

00:45:07,370 --> 00:45:04,440

to me about ancient Egypt and the the

1073

00:45:09,589 --> 00:45:07,380

soul box the soul box and you know and

1074

00:45:11,210 --> 00:45:09,599

and do you remember

1075

00:45:13,849 --> 00:45:11,220

um and let's stay right here for a

1076

00:45:16,970 --> 00:45:13,859

second on this because all of us at the

1077

00:45:21,170 --> 00:45:16,980

table that night right it was me

1078

00:45:24,950 --> 00:45:21,180

it was Dolan it was Whitley uh William

1079

00:45:26,870 --> 00:45:24,960

Henry Linda Moulton Howe uh that was it

1080

00:45:29,589 --> 00:45:26,880

right was there somebody else was there

1081

00:45:34,430 --> 00:45:29,599

no I think that was that was it right

1082

00:45:36,710 --> 00:45:34,440

and this conversation went to Soul box

1083

00:45:38,390 --> 00:45:36,720

uh for the rest of the night and we were

1084

00:45:41,030 --> 00:45:38,400

all giving

1085

00:45:45,170 --> 00:45:41,040

um our ideas about this and it was

1086

00:45:46,849 --> 00:45:45,180

pretty profound and it all matched up

1087

00:45:50,390 --> 00:45:46,859

because everybody's got their own little

1088

00:45:52,550 --> 00:45:50,400

take on it we put it together all of

1089

00:45:55,069 --> 00:45:52,560

this and started thinking about it that

1090

00:45:56,930 --> 00:45:55,079

what you were holding

1091

00:45:59,030 --> 00:45:56,940

um as a child

1092

00:46:01,430 --> 00:45:59,040

quite possibly could have been yourself

1093

00:46:04,790 --> 00:46:01,440

and your future and that's why they said

1094

00:46:09,829 --> 00:46:07,790

possibly I don't know for sure but uh

1095

00:46:11,750 --> 00:46:09,839

you know and I've never heard of

1096

00:46:17,030 --> 00:46:11,760

I never heard of a soul box or anything

1097

00:46:18,530 --> 00:46:17,040

like that until you know I wetly started

1098

00:46:20,510 --> 00:46:18,540

telling me about it and William Henry

1099

00:46:22,970 --> 00:46:20,520

explained some of it to me you know he

1100

00:46:24,770 --> 00:46:22,980

knows a lot about Egypt and stuff and

1101

00:46:28,130 --> 00:46:24,780

and while Linda wrote about it in her

1102

00:46:30,109 --> 00:46:28,140

book uh Soul catchers and you know sole

1103

00:46:33,069 --> 00:46:30,119

containers

1104

00:46:37,609 --> 00:46:33,079

um weird stuff it's just weird

1105

00:46:39,349 --> 00:46:37,619

man weird stuff oh just just absolutely

1106

00:46:42,589 --> 00:46:39,359

incredible okay so everybody that's

1107

00:46:44,450 --> 00:46:42,599

that's the black box and what may be the

1108

00:46:48,410 --> 00:46:44,460

significance when they said you're gonna

1109

00:46:50,809 --> 00:46:48,420

find out later and you'll know well uh

1110

00:46:52,609 --> 00:46:50,819

there you go it's just it's just

1111

00:46:54,230 --> 00:46:52,619

absolutely incredible okay so back to

1112

00:46:55,010 --> 00:46:54,240

Bud okay

1113

00:47:05,150 --> 00:46:55,020

um

1114

00:47:08,089 --> 00:47:05,160

long time and and he was very uh

1115

00:47:10,010 --> 00:47:08,099

comprehensive in his research

1116

00:47:11,630 --> 00:47:10,020

um he takes it he's an artist he's a

1117

00:47:15,589 --> 00:47:11,640

painter he's this and that but he takes

1118

00:47:17,630 --> 00:47:15,599

this subject very very seriously very

1119

00:47:19,970 --> 00:47:17,640

tirelessly

1120

00:47:23,270 --> 00:47:19,980

um he wants the truth to come out on

1121

00:47:27,050 --> 00:47:23,280

this was that um uh was that a part of

1122

00:47:29,930 --> 00:47:27,060

his life to you could you tell that how

1123

00:47:32,990 --> 00:47:29,940

serious Bud was on this subject

1124

00:47:35,150 --> 00:47:33,000

yeah and I was surprised I mean he you

1125

00:47:37,910 --> 00:47:35,160

know when I went to New York he let me I

1126

00:47:39,829 --> 00:47:37,920

stayed at his house and thank God his

1127

00:47:40,910 --> 00:47:39,839

wife at the time April Kingsley was very

1128

00:47:44,270 --> 00:47:40,920

gracious

1129

00:47:46,730 --> 00:47:44,280

and I her and I got along pretty good

1130

00:47:49,609 --> 00:47:46,740

she'd be like I didn't you know I

1131

00:47:51,829 --> 00:47:49,619

Married an artist you know not a UFO

1132

00:47:55,730 --> 00:47:51,839

investigator and I always and I said to

1133

00:47:57,290 --> 00:47:55,740

Bud uh one time I said why are you so

1134

00:47:57,890 --> 00:47:57,300

why are you so

1135

00:48:00,230 --> 00:47:57,900

um

1136

00:48:02,510 --> 00:48:00,240

into this why are you so why do you want

1137

00:48:04,970 --> 00:48:02,520

to investigate this and you're so deep

1138

00:48:06,770 --> 00:48:04,980

and thorough and and everything and I

1139

00:48:07,490 --> 00:48:06,780

said did you have something happen to

1140

00:48:11,809 --> 00:48:07,500

you

1141

00:48:13,790 --> 00:48:11,819

abducted or something and he's like no

1142

00:48:15,710 --> 00:48:13,800

no I haven't been abducted but he did

1143

00:48:17,990 --> 00:48:15,720

tell me a story about

1144

00:48:20,690 --> 00:48:18,000

um him and some friends were driving on

1145

00:48:24,589 --> 00:48:20,700

the cape back in the 60s and they had a

1146

00:48:26,569 --> 00:48:24,599

sighting and I guess that just

1147

00:48:29,210 --> 00:48:26,579

hooked him you know piqued his interest

1148

00:48:33,410 --> 00:48:29,220

and Bud was an extremely intelligent

1149

00:48:35,569 --> 00:48:33,420

person and I find you know and 40 Years

1150

00:48:37,849 --> 00:48:35,579

of talking about this publicly now I

1151

00:48:39,829 --> 00:48:37,859

find that a lot of people who are

1152

00:48:40,790 --> 00:48:39,839

interested in this are very intelligent

1153

00:48:45,170 --> 00:48:40,800

people

1154

00:48:46,609 --> 00:48:45,180

and uh very curious and you know I I

1155

00:48:49,390 --> 00:48:46,619

don't know I always kind of thought

1156

00:48:52,370 --> 00:48:49,400

maybe he there was more to his

1157

00:48:55,430 --> 00:48:52,380

uh siding on the cape than just driving

1158

00:48:58,250 --> 00:48:55,440

with some friends but he insisted not so

1159

00:49:01,250 --> 00:48:58,260

I wasn't good you know he's told that

1160

00:49:03,829 --> 00:49:01,260

story many times and he said it was real

1161

00:49:08,089 --> 00:49:03,839

and very very significant now it was

1162

00:49:09,530 --> 00:49:08,099

inducted was there missing time well I

1163

00:49:12,410 --> 00:49:09,540

always I've asked him that and he said

1164

00:49:15,109 --> 00:49:12,420

now he always said no but yeah we I

1165

00:49:17,510 --> 00:49:15,119

think we all wondered about that I still

1166

00:49:20,329 --> 00:49:17,520

do you know he's no longer with us and

1167

00:49:24,230 --> 00:49:20,339

and he took that secret with him but

1168

00:49:25,910 --> 00:49:24,240

yeah I think that uh uh I mean he

1169

00:49:28,790 --> 00:49:25,920

pointed back to that sighting many times

1170

00:49:30,829 --> 00:49:28,800

and and talked about it but he was very

1171

00:49:33,170 --> 00:49:30,839

quick to say but

1172

00:49:35,210 --> 00:49:33,180

that that was it it was it was cool but

1173

00:49:38,270 --> 00:49:35,220

that that's all you know so I I don't

1174

00:49:38,930 --> 00:49:38,280

know I think it was more significant so

1175

00:49:41,150 --> 00:49:38,940

um

1176

00:49:42,829 --> 00:49:41,160

now let's move forward before we get to

1177

00:49:44,450 --> 00:49:42,839

the break because we're gonna go into

1178

00:49:49,130 --> 00:49:44,460

another Direction when we come back

1179

00:49:54,470 --> 00:49:49,140

still about you and and in this case but

1180

00:49:59,329 --> 00:49:54,480

um uh when the book came out

1181

00:50:02,030 --> 00:49:59,339

um he ran with a pseudonym right for you

1182

00:50:04,430 --> 00:50:02,040

um was that something that was discussed

1183

00:50:10,089 --> 00:50:04,440

uh before the book was published or was

1184

00:50:15,530 --> 00:50:13,490

we had to be talked into uh allowing him

1185

00:50:17,690 --> 00:50:15,540

to write the book and he came to the

1186

00:50:19,790 --> 00:50:17,700

family and said I think this is an

1187

00:50:21,109 --> 00:50:19,800

important story and I want to write a

1188

00:50:24,170 --> 00:50:21,119

book about it so that other people can

1189

00:50:25,970 --> 00:50:24,180

hear about the story and and my family

1190

00:50:29,030 --> 00:50:25,980

and I were like I don't know about that

1191

00:50:31,609 --> 00:50:29,040

I I just wanted some help I just wanted

1192

00:50:33,829 --> 00:50:31,619

to have a normal life I didn't want all

1193

00:50:37,250 --> 00:50:33,839

this and I didn't we sure didn't want a

1194

00:50:39,170 --> 00:50:37,260

book and you know who our attitude my

1195

00:50:40,910 --> 00:50:39,180

attitude was that the time was who who

1196

00:50:43,130 --> 00:50:40,920

in the right mind wants to be famous for

1197

00:50:45,349 --> 00:50:43,140

something like this I'll pass thank you

1198

00:50:48,530 --> 00:50:45,359

I just want a normal life that's all

1199

00:50:51,829 --> 00:50:48,540

I've ever tried to hope for but um

1200

00:50:54,109 --> 00:50:51,839

eventually we said well okay one of the

1201
00:50:56,690 --> 00:50:54,119
conditions was a pseudonym because we

1202
00:50:58,849 --> 00:50:56,700
already had people coming to the house

1203
00:51:01,309 --> 00:50:58,859
we had a couple of incidences where

1204
00:51:03,170 --> 00:51:01,319
people came to the house once while we

1205
00:51:05,210 --> 00:51:03,180
weren't home and we're out messing

1206
00:51:07,490 --> 00:51:05,220
around in that Mark in the yard and then

1207
00:51:11,089 --> 00:51:07,500
one time daddy was sitting in his window

1208
00:51:12,770 --> 00:51:11,099
in the kitchen that looked over the out

1209
00:51:15,170 --> 00:51:12,780
the back and somebody pulled up along

1210
00:51:16,910 --> 00:51:15,180
the side and turned around and then

1211
00:51:18,170 --> 00:51:16,920
pulled up got out jumped out took

1212
00:51:19,790 --> 00:51:18,180
pictures of the back of the house jumped

1213
00:51:21,410 --> 00:51:19,800

back in their car and left you know and

1214

00:51:23,210 --> 00:51:21,420

this was before

1215

00:51:25,549 --> 00:51:23,220

there was even a book

1216

00:51:29,150 --> 00:51:25,559

about it this was before it was known

1217

00:51:31,670 --> 00:51:29,160

publicly wide widely you know

1218

00:51:33,670 --> 00:51:31,680

and so it concerned us

1219

00:51:35,990 --> 00:51:33,680

and um

1220

00:51:37,490 --> 00:51:36,000

it was Bud's idea he's like well how

1221

00:51:39,829 --> 00:51:37,500

about if we use the pseudonym not only

1222

00:51:43,490 --> 00:51:39,839

for you and your names and your family

1223

00:51:45,950 --> 00:51:43,500

but your friends uh and the street that

1224

00:51:48,049 --> 00:51:45,960

the area that you live in you know

1225

00:51:50,809 --> 00:51:48,059

Copley Woods is a pseudonym that's not

1226
00:51:54,230 --> 00:51:50,819
an actual place no company Woods does

1227
00:51:56,470 --> 00:51:54,240
not exist no so um

1228
00:51:59,750 --> 00:51:56,480
eventually

1229
00:52:01,250 --> 00:51:59,760
we said okay yeah Mom you know because

1230
00:52:03,290 --> 00:52:01,260
this had to be a whole family thing

1231
00:52:07,490 --> 00:52:03,300
because it wasn't just about me it was

1232
00:52:09,170 --> 00:52:07,500
about my mom my sister my kids my dad

1233
00:52:11,630 --> 00:52:09,180
was involved you know it was a whole

1234
00:52:14,569 --> 00:52:11,640
family right I just I was just a

1235
00:52:17,870 --> 00:52:14,579
spokesperson yeah right right right

1236
00:52:20,690 --> 00:52:17,880
right and you got the neighbors and and

1237
00:52:23,030 --> 00:52:20,700
everything else and and and by doing his

1238
00:52:24,770 --> 00:52:23,040

due diligence and all the neighbors that

1239

00:52:26,569 --> 00:52:24,780

are talked about in the book and and the

1240

00:52:27,890 --> 00:52:26,579

woman that I went and did The Sewing and

1241

00:52:29,690 --> 00:52:27,900

the or The Cutting of the patterns were

1242

00:52:31,130 --> 00:52:29,700

all those are pseudonyms those are not

1243

00:52:34,790 --> 00:52:31,140

their real names

1244

00:52:37,730 --> 00:52:34,800

it I I can understand all of that

1245

00:52:40,430 --> 00:52:37,740

um and then so the book comes out the

1246

00:52:42,770 --> 00:52:40,440

book is uh not only a hit and something

1247

00:52:44,390 --> 00:52:42,780

that's been a part of my library for for

1248

00:52:48,170 --> 00:52:44,400

a very long time

1249

00:52:53,030 --> 00:52:48,180

but it becomes a very very big deal

1250

00:52:57,069 --> 00:52:53,040

um how long after that uh did you decide

1251

00:53:02,150 --> 00:52:57,079

uh you and Bud to reveal who you were

1252

00:53:06,170 --> 00:53:02,160

well bud left that up to me and um I had

1253

00:53:08,990 --> 00:53:06,180

been going with him to conferences uh on

1254

00:53:10,370 --> 00:53:09,000

occasion and speaking with him you know

1255

00:53:13,010 --> 00:53:10,380

I just get up on the stage for a couple

1256

00:53:15,290 --> 00:53:13,020

minutes and tell my story uh and I'd

1257

00:53:17,210 --> 00:53:15,300

done um some you know back then when you

1258

00:53:18,829 --> 00:53:17,220

had a book and a publishing company they

1259

00:53:21,049 --> 00:53:18,839

sent you on a press junket so you went

1260

00:53:24,770 --> 00:53:21,059

around and you did TV shows and all that

1261

00:53:26,630 --> 00:53:24,780

stuff and Bud asked me to come along and

1262

00:53:28,970 --> 00:53:26,640

I came on some of them I went with him

1263

00:53:31,250 --> 00:53:28,980

on some of them because you know I felt

1264

00:53:34,190 --> 00:53:31,260

obligated to he spent three years of his

1265

00:53:36,230 --> 00:53:34,200

life trying to help me and so I felt

1266

00:53:38,630 --> 00:53:36,240

like I needed to do this for him to help

1267

00:53:40,010 --> 00:53:38,640

him get this book out so people would

1268

00:53:42,170 --> 00:53:40,020

learn our story

1269

00:53:44,390 --> 00:53:42,180

and maybe people would have answers you

1270

00:53:46,549 --> 00:53:44,400

know that didn't hear it before

1271

00:53:48,950 --> 00:53:46,559

so I um

1272

00:53:50,750 --> 00:53:48,960

I would do that and in the course of

1273

00:53:54,410 --> 00:53:50,760

doing that I

1274

00:53:57,970 --> 00:53:54,420

I met a lot of people like me who had

1275

00:54:01,490 --> 00:53:57,980

stories just like mine and Wilder even

1276
00:54:03,410 --> 00:54:01,500
and they all seemed like decent good

1277
00:54:05,450 --> 00:54:03,420
people that just were trying to figure

1278
00:54:07,670 --> 00:54:05,460
out something weird in their life you

1279
00:54:09,290 --> 00:54:07,680
know and trying to find their way in

1280
00:54:11,450 --> 00:54:09,300
this world and try to have a normal life

1281
00:54:13,609 --> 00:54:11,460
and function and do you know regular

1282
00:54:17,510 --> 00:54:13,619
normal stuff and uh

1283
00:54:20,150 --> 00:54:17,520
I uh after a while I felt like I wanted

1284
00:54:22,030 --> 00:54:20,160
to tell our story in the first person

1285
00:54:24,710 --> 00:54:22,040
it's one thing to read a book by

1286
00:54:26,750 --> 00:54:24,720
investigators investigated it and done

1287
00:54:28,490 --> 00:54:26,760
all these things that they do but it's

1288
00:54:31,130 --> 00:54:28,500

another thing altogether to hear the

1289

00:54:33,290 --> 00:54:31,140

story from the person that lived it

1290

00:54:35,270 --> 00:54:33,300

in the first person and I wanted to do

1291

00:54:37,849 --> 00:54:35,280

that for the people

1292

00:54:40,370 --> 00:54:37,859

that I had met along the way and I

1293

00:54:41,870 --> 00:54:40,380

wanted to also you know address some of

1294

00:54:43,609 --> 00:54:41,880

the questions that I got because I got a

1295

00:54:44,510 --> 00:54:43,619

lot of the same questions and I did that

1296

00:54:47,329 --> 00:54:44,520

in the book

1297

00:54:49,790 --> 00:54:47,339

and um that was the book that I wrote

1298

00:54:51,410 --> 00:54:49,800

with my sister abducted and then the

1299

00:54:53,510 --> 00:54:51,420

second book that just came out a couple

1300

00:54:55,730 --> 00:54:53,520

years ago in August that's con that's

1301
00:54:57,890 --> 00:54:55,740
extraordinary contact that came along

1302
00:55:00,890 --> 00:54:57,900
later and that was just written by me

1303
00:55:03,589 --> 00:55:00,900
and that's just trying to show people

1304
00:55:05,690 --> 00:55:03,599
I survived I mean I've had this weird

1305
00:55:06,890 --> 00:55:05,700
life and a lot of crazy stuff I don't

1306
00:55:09,650 --> 00:55:06,900
understand

1307
00:55:13,250 --> 00:55:09,660
but I've managed to

1308
00:55:16,010 --> 00:55:13,260
not only survive it you know to to to

1309
00:55:19,130 --> 00:55:16,020
live through it but to to live above it

1310
00:55:20,930 --> 00:55:19,140
to to grow from it and in some weird way

1311
00:55:23,990 --> 00:55:20,940
and I wanted to share that with people

1312
00:55:26,089 --> 00:55:24,000
who are struggling with it now and back

1313
00:55:28,370 --> 00:55:26,099

then times are different than they are

1314

00:55:31,190 --> 00:55:28,380

now you know it's a lot more accepting

1315

00:55:33,770 --> 00:55:31,200

even though it's still crazy stuff is a

1316

00:55:37,730 --> 00:55:33,780

lot more accepted now than it was 40

1317

00:55:40,370 --> 00:55:37,740

years ago or even 30 years ago but uh I

1318

00:55:42,470 --> 00:55:40,380

felt when I wrote abducted with Kathy

1319

00:55:45,950 --> 00:55:42,480

at that point I'm putting this store I'm

1320

00:55:47,569 --> 00:55:45,960

telling my story in my own words I have

1321

00:55:51,349 --> 00:55:47,579

to own it

1322

00:55:53,690 --> 00:55:51,359

I have to you know I got permission from

1323

00:55:57,109 --> 00:55:53,700

the family my kids were a little bit

1324

00:55:59,030 --> 00:55:57,119

older and more uh you know I was able to

1325

00:56:01,609 --> 00:55:59,040

protect them a little better you know

1326

00:56:03,530 --> 00:56:01,619

and I so I just felt at that point in my

1327

00:56:05,530 --> 00:56:03,540

life it was time for me

1328

00:56:12,230 --> 00:56:05,540

to

1329

00:56:14,630 --> 00:56:12,240

I can't even tell you my real name how

1330

00:56:17,870 --> 00:56:14,640

can I expect you

1331

00:56:19,790 --> 00:56:17,880

to believe anything I say not that I not

1332

00:56:22,849 --> 00:56:19,800

that people believe in me is my number

1333

00:56:24,589 --> 00:56:22,859

one goal I mean honestly I know if I

1334

00:56:27,470 --> 00:56:24,599

hadn't seen a lot of this stuff I would

1335

00:56:32,510 --> 00:56:27,480

have a hard time believing it myself but

1336

00:56:34,430 --> 00:56:32,520

and I I'm 63 years old I I don't care

1337

00:56:36,049 --> 00:56:34,440

what people think of me or if I did

1338

00:56:38,450 --> 00:56:36,059

things would have been different a long

1339

00:56:41,510 --> 00:56:38,460

time ago okay but

1340

00:56:42,290 --> 00:56:41,520

um I just feel like it I feel like it

1341

00:56:43,430 --> 00:56:42,300

was

1342

00:56:46,069 --> 00:56:43,440

uh

1343

00:56:49,010 --> 00:56:46,079

and then it had to do with my

1344

00:56:50,870 --> 00:56:49,020

credibility and my Integrity as a person

1345

00:56:54,010 --> 00:56:50,880

you know to be able to tell my story and

1346

00:56:56,150 --> 00:56:54,020

tell my story and tell who I am

1347

00:56:57,650 --> 00:56:56,160

the uh we're going to take a break in

1348

00:57:02,990 --> 00:56:57,660

about two minutes

1349

00:57:06,410 --> 00:57:03,000

um the the events and the way it went

1350

00:57:10,010 --> 00:57:06,420

down then the book did contact

1351

00:57:11,030 --> 00:57:10,020

continue and also

1352

00:57:13,910 --> 00:57:11,040

um

1353

00:57:17,210 --> 00:57:13,920

I remember you telling me about a black

1354

00:57:18,470 --> 00:57:17,220

triangle over Irvington yes

1355

00:57:23,390 --> 00:57:18,480

um

1356

00:57:25,490 --> 00:57:23,400

just can't believe I was looking

1357

00:57:29,390 --> 00:57:25,500

I mean you must not have been looking up

1358

00:57:32,630 --> 00:57:29,400

I moved out of my Irvington apartment in

1359

00:57:39,109 --> 00:57:35,470

I came to California in in

1360

00:57:42,230 --> 00:57:39,119

like November of 84.

1361

00:57:43,970 --> 00:57:42,240

um so yeah yeah it's just crazy

1362

00:57:47,030 --> 00:57:43,980

um so

1363

00:57:50,329 --> 00:57:47,040

um after the book came out was their uh

1364

00:57:57,109 --> 00:57:53,450

um yeah uh

1365

00:58:04,309 --> 00:58:00,589

only thing the last time I had what I

1366

00:58:07,910 --> 00:58:04,319

feel like is actual contact you know I

1367

00:58:09,530 --> 00:58:07,920

was living with my late husband and our

1368

00:58:13,250 --> 00:58:09,540

roommate Gene Robinson and her daughter

1369

00:58:14,990 --> 00:58:13,260

and I had I think I had just had a

1370

00:58:16,849 --> 00:58:15,000

complete hysterectomy I think I was

1371

00:58:18,710 --> 00:58:16,859

still recuperating on the couch either

1372

00:58:20,930 --> 00:58:18,720

that or I was like gonna go in and have

1373

00:58:22,309 --> 00:58:20,940

one in a couple days it was like right

1374

00:58:25,130 --> 00:58:22,319

in that area

1375

00:58:26,870 --> 00:58:25,140

and there had been uh I was laying on

1376

00:58:28,190 --> 00:58:26,880

the couch and this is when we lived out

1377

00:58:29,930 --> 00:58:28,200

in the country and we were up here at

1378

00:58:34,309 --> 00:58:29,940

this point we were up you know north of

1379

00:58:36,349 --> 00:58:34,319

India at this point and um I was laying

1380

00:58:38,150 --> 00:58:36,359

on the couch and I this flashing outside

1381

00:58:39,710 --> 00:58:38,160

caught my eye

1382

00:58:41,450 --> 00:58:39,720

and I said hey guys there's something

1383

00:58:43,250 --> 00:58:41,460

out here and everybody jumped up and

1384

00:58:45,230 --> 00:58:43,260

went out and I went out had my house

1385

00:58:48,170 --> 00:58:45,240

coat on because so because I was you

1386

00:58:49,730 --> 00:58:48,180

know infirmed and um

1387

00:58:52,190 --> 00:58:49,740

we were outside

1388

00:58:55,250 --> 00:58:52,200

with me Jean and her daughter outside on

1389

00:58:58,069 --> 00:58:55,260

the driveway and we had cows in the barn

1390

00:59:01,130 --> 00:58:58,079

to the um

1391

00:59:04,430 --> 00:59:01,140

east of us and the cows were making

1392

00:59:06,410 --> 00:59:04,440

noise and then my late husband started

1393

00:59:09,109 --> 00:59:06,420

hearing a beeping sound coming from the

1394

00:59:11,089 --> 00:59:09,119

barns weird beeping sound and he went

1395

00:59:14,030 --> 00:59:11,099

inside to get his camcorder at the time

1396

00:59:16,069 --> 00:59:14,040

big clunky you know camcorders he was a

1397

00:59:18,890 --> 00:59:16,079

ham radio operator also and he had a

1398

00:59:20,870 --> 00:59:18,900

handheld his like a two-way two short

1399

00:59:23,510 --> 00:59:20,880

shortwave radio or something handheld

1400

00:59:24,349 --> 00:59:23,520

and he was trying to

1401

00:59:26,690 --> 00:59:24,359

um

1402

00:59:28,609 --> 00:59:26,700

talk to somebody on the other side of

1403

00:59:29,930 --> 00:59:28,619

town asking if they they could see this

1404

00:59:31,910 --> 00:59:29,940

light that we were seeing that was

1405

00:59:33,650 --> 00:59:31,920

flashing around the sky

1406

00:59:35,809 --> 00:59:33,660

and um

1407

00:59:37,190 --> 00:59:35,819

I remember walking out to the end of the

1408

00:59:39,049 --> 00:59:37,200

driveway

1409

00:59:42,650 --> 00:59:39,059

and Jean and her daughter were with me

1410

00:59:44,750 --> 00:59:42,660

and I saw something walk towards me down

1411

00:59:46,670 --> 00:59:44,760

this Country Lane no lights you know

1412

00:59:48,470 --> 00:59:46,680

it's out in the middle of nowhere but

1413

00:59:51,710 --> 00:59:48,480

there was like some Moonlight or

1414

00:59:54,470 --> 00:59:51,720

whatever you could see I thought was it

1415

00:59:57,770 --> 00:59:54,480

this is Kokomo and that yes it was

1416

00:59:59,329 --> 00:59:57,780

Southeast Southeast side anyway I was

1417

01:00:00,770 --> 00:59:59,339

out in the country I was looking down

1418

01:00:02,930 --> 01:00:00,780

this country road in front of our old

1419

01:00:05,210 --> 01:00:02,940

farmhouse and

1420

01:00:07,309 --> 01:00:05,220

um I thought

1421

01:00:11,030 --> 01:00:07,319

it was a deer

1422

01:00:12,829 --> 01:00:11,040

looking at it straight on coming at me

1423

01:00:15,410 --> 01:00:12,839

down the edge of the road but it was

1424

01:00:16,309 --> 01:00:15,420

walking kind of weird its head looked

1425

01:00:18,950 --> 01:00:16,319

bigger

1426

01:00:21,490 --> 01:00:18,960

and I said what is that in the road and

1427

01:00:27,049 --> 01:00:21,500

you could hear me say that on the on the

1428

01:00:28,609 --> 01:00:27,059

video page yes and then you hear Gene go

1429

01:00:31,309 --> 01:00:28,619

I don't know what is that and then you

1430

01:00:32,990 --> 01:00:31,319

hear Gene's daughter scream

1431

01:00:35,930 --> 01:00:33,000

and we could and we could hear the

1432

01:00:38,510 --> 01:00:35,940

beeping noises on the videotape and then

1433

01:00:41,990 --> 01:00:38,520

the next thing on the videotape it's

1434

01:00:43,930 --> 01:00:42,000

like 18 minutes later it's 18 minutes

1435

01:00:48,349 --> 01:00:43,940

and

1436

01:00:50,510 --> 01:00:48,359

this just jumble you know um I guess KO

1437

01:00:53,030 --> 01:00:50,520

stop in the video and and the end of it

1438

01:00:55,370 --> 01:00:53,040

but you could hear us having this

1439

01:00:57,770 --> 01:00:55,380

incident out in the front I don't know

1440

01:01:00,170 --> 01:00:57,780

what happened I still don't I don't even

1441

01:01:03,530 --> 01:01:00,180

remember how we got back in the house

1442

01:01:06,470 --> 01:01:03,540

but I feel like in that something

1443

01:01:09,170 --> 01:01:06,480

happened that night and that was the

1444

01:01:11,809 --> 01:01:09,180

last night that anything I think really

1445

01:01:14,150 --> 01:01:11,819

major physical happened and of course I

1446

01:01:15,230 --> 01:01:14,160

wasn't alone I had three other people

1447

01:01:17,630 --> 01:01:15,240

with me

1448

01:01:19,010 --> 01:01:17,640

and they all had remembered it you know

1449

01:01:20,809 --> 01:01:19,020

so

1450

01:01:22,490 --> 01:01:20,819

I don't know what that was and like I

1451

01:01:25,130 --> 01:01:22,500

said that was right when I had my

1452

01:01:29,150 --> 01:01:25,140

complete hysterectomy and then

1453

01:01:32,809 --> 01:01:29,160

you know nothing major like that except

1454

01:01:36,049 --> 01:01:32,819

come around like 2006.

1455

01:01:38,990 --> 01:01:36,059

the Kokomo boom happened yeah everybody

1456

01:01:41,569 --> 01:01:39,000

in Kokomo's had contact you took the

1457

01:01:44,890 --> 01:01:41,579

words out of my mouth okay go ahead go

1458

01:01:51,049 --> 01:01:48,890

don't worry about it well I you know one

1459

01:01:52,849 --> 01:01:51,059

of the ways that I try to to deal with

1460

01:01:54,770 --> 01:01:52,859

things that scare me is to learn as much

1461

01:01:56,930 --> 01:01:54,780

about it as I can because I feel

1462

01:02:00,230 --> 01:01:56,940

knowledge is power and the more powerful

1463

01:02:03,470 --> 01:02:00,240

I feel the less fear I feel so

1464

01:02:05,569 --> 01:02:03,480

um back in the 90s I took the test and

1465

01:02:07,010 --> 01:02:05,579

became an investigator for mufon in

1466

01:02:10,010 --> 01:02:07,020

Indiana

1467

01:02:13,849 --> 01:02:10,020

and I did that for a long time and I

1468

01:02:16,250 --> 01:02:13,859

loved it was interesting uh I tried to

1469

01:02:18,890 --> 01:02:16,260

investigate my own you know case right

1470

01:02:21,289 --> 01:02:18,900

at the beginning and so I kind of you

1471

01:02:22,490 --> 01:02:21,299

know had a had a propensity for that I

1472

01:02:23,870 --> 01:02:22,500

guess the word I don't know what the

1473

01:02:25,329 --> 01:02:23,880

word is but anyway

1474

01:02:28,309 --> 01:02:25,339

um

1475

01:02:30,170 --> 01:02:28,319

uh then I dropped out because I had

1476

01:02:32,930 --> 01:02:30,180

other stuff I had to do and I had gotten

1477

01:02:36,109 --> 01:02:32,940

a job at GM and whatnot

1478

01:02:37,549 --> 01:02:36,119

um so uh

1479

01:02:39,170 --> 01:02:37,559

uh

1480

01:02:40,849 --> 01:02:39,180

I was coming home from my friend's house

1481

01:02:42,890 --> 01:02:40,859

one night she lived in Sharpsville and I

1482

01:02:44,870 --> 01:02:42,900

lived in south side of Kokomo and I was

1483

01:02:48,109 --> 01:02:44,880

driving down the side road and I saw

1484

01:02:49,670 --> 01:02:48,119

these three lights one pop in one after

1485

01:02:52,549 --> 01:02:49,680

another and then until they were three

1486

01:02:54,289 --> 01:02:52,559

they were orange they were balls and

1487

01:02:55,910 --> 01:02:54,299

they were dancing around each other they

1488

01:02:57,950 --> 01:02:55,920

were quite large they weren't very high

1489

01:02:58,670 --> 01:02:57,960

in the sky and

1490

01:03:01,730 --> 01:02:58,680

um

1491

01:03:03,589 --> 01:03:01,740

uh it absolutely blew my mind I actually

1492

01:03:05,089 --> 01:03:03,599

pulled over on the road to get a better

1493

01:03:07,370 --> 01:03:05,099

look at him roll the windows down and

1494

01:03:10,130 --> 01:03:07,380

watch them and then they just popped and

1495

01:03:13,069 --> 01:03:10,140

they were gone and I freaked out and I

1496

01:03:14,690 --> 01:03:13,079

tore ass home I ran in the house I I

1497

01:03:17,150 --> 01:03:14,700

remember getting out of the car and I

1498

01:03:18,890 --> 01:03:17,160

was ducking as I was running up to the

1499

01:03:21,109 --> 01:03:18,900

porch like I don't know why I was

1500

01:03:23,210 --> 01:03:21,119

ducking that you know like they were

1501

01:03:25,190 --> 01:03:23,220

gonna come grab me

1502

01:03:27,710 --> 01:03:25,200

and I ran and told my husband of course

1503

01:03:29,210 --> 01:03:27,720

he looked at me like I was crazy so I

1504

01:03:30,770 --> 01:03:29,220

started carrying a camcorder with me

1505

01:03:34,010 --> 01:03:30,780

because I was bound and determined to

1506

01:03:35,690 --> 01:03:34,020

show him these things I knew they were

1507

01:03:39,710 --> 01:03:35,700

around I could feel them

1508

01:03:42,829 --> 01:03:39,720

well that was I think that was in March

1509

01:03:46,250 --> 01:03:42,839

by April of that year was the Kokomo

1510

01:03:48,170 --> 01:03:46,260

boom and I heard it I had been sitting

1511

01:03:51,109 --> 01:03:48,180

in the park at Jackson Morrow

1512

01:03:53,210 --> 01:03:51,119

at night with my camcorder waiting for

1513

01:03:55,970 --> 01:03:53,220

these orange balls of light I was having

1514

01:03:58,190 --> 01:03:55,980

one of my uh Close Encounters of the

1515

01:04:00,890 --> 01:03:58,200

Third Kind moment that guy Roy guy you

1516

01:04:01,690 --> 01:04:00,900

know I would say you see and and for

1517

01:04:06,890 --> 01:04:01,700

everybody

1518

01:04:08,809 --> 01:04:06,900

this area that she was talking about

1519

01:04:10,730 --> 01:04:08,819

this was Close Encounters of the Third

1520

01:04:13,390 --> 01:04:10,740

Kind this is this is where it all went

1521

01:04:18,530 --> 01:04:13,400

down those corn fields

1522

01:04:20,270 --> 01:04:18,540

the lights uh that white farmhouse in in

1523

01:04:21,849 --> 01:04:20,280

cold encounters right you know right

1524

01:04:24,950 --> 01:04:21,859

there uh

1525

01:04:27,349 --> 01:04:24,960

that that's that's everywhere in Indiana

1526

01:04:29,210 --> 01:04:27,359

and that's what's going down right here

1527

01:04:32,569 --> 01:04:29,220

um there's a reason why Steven Spielberg

1528

01:04:33,530 --> 01:04:32,579

picked it Kokomo is crazy

1529

01:04:35,210 --> 01:04:33,540

um but anyway

1530

01:04:37,130 --> 01:04:35,220

um so I'm sitting out there and I see

1531

01:04:39,230 --> 01:04:37,140

one of these orange balls I get my

1532

01:04:40,549 --> 01:04:39,240

camcorder up I'm on the phone with my

1533

01:04:42,829 --> 01:04:40,559

friend who lives in Florida and I'm like

1534

01:04:45,950 --> 01:04:42,839

there's one and I'm trying to use this

1535

01:04:49,190 --> 01:04:45,960

new camera and I'm sucking at it because

1536

01:04:50,870 --> 01:04:49,200

you know it's it's low Lux but I'm not I

1537

01:04:53,390 --> 01:04:50,880

don't know how to use this camera and

1538

01:04:57,950 --> 01:04:53,400

I'm I'm frustrated and you can hear me

1539

01:05:00,710 --> 01:04:57,960

on the video I'm frustrated but um uh

1540

01:05:02,270 --> 01:05:00,720

Then I then I hear I didn't hear them

1541

01:05:03,170 --> 01:05:02,280

until they were like on top of me the

1542

01:05:05,210 --> 01:05:03,180

Jets

1543

01:05:06,829 --> 01:05:05,220

and you know we're 18 miles south of

1544

01:05:10,730 --> 01:05:06,839

Grissom Air Base

1545

01:05:13,069 --> 01:05:10,740

and uh where I happen to be is right in

1546

01:05:14,809 --> 01:05:13,079

front of a MOA military operating

1547

01:05:18,049 --> 01:05:14,819

um you know Arena or whatever that's

1548

01:05:19,670 --> 01:05:18,059

where they practice out there and

1549

01:05:22,849 --> 01:05:19,680

um

1550

01:05:24,710 --> 01:05:22,859

uh as soon as I heard the sounds of the

1551

01:05:26,410 --> 01:05:24,720

Jets the Lights Went Away they'd buy

1552

01:05:29,809 --> 01:05:26,420

them they were gone and I'm like damn

1553

01:05:34,250 --> 01:05:29,819

something's down I felt I felt tingly

1554

01:05:37,250 --> 01:05:34,260

and like like turned on like weird

1555

01:05:40,490 --> 01:05:37,260

it got to be in late too much coffee I

1556

01:05:42,650 --> 01:05:40,500

had to pee really bad I had to go to

1557

01:05:44,150 --> 01:05:42,660

work the next day so I'm like I gotta I

1558

01:05:45,410 --> 01:05:44,160

gotta go home I didn't want to leave the

1559

01:05:48,109 --> 01:05:45,420

park because I knew something was going

1560

01:05:49,670 --> 01:05:48,119

to go down but I did I got home went in

1561

01:05:51,589 --> 01:05:49,680

and went to the bathroom went back

1562

01:05:53,329 --> 01:05:51,599

outside stood on my at the end of my

1563

01:05:55,730 --> 01:05:53,339

driveway looking in the direction of the

1564

01:05:57,589 --> 01:05:55,740

park with my camcorder and all of a

1565

01:06:00,470 --> 01:05:57,599

sudden all the animals in the

1566

01:06:03,289 --> 01:06:00,480

neighborhood all the dogs the coyote or

1567

01:06:04,970 --> 01:06:03,299

the the little wild animals and

1568

01:06:06,109 --> 01:06:04,980

everything started howling and making a

1569

01:06:08,630 --> 01:06:06,119

weird noise

1570

01:06:10,010 --> 01:06:08,640

I started recording it you couldn't see

1571

01:06:11,930 --> 01:06:10,020

anything but you could hear all that

1572

01:06:13,670 --> 01:06:11,940

animal noise on the video

1573

01:06:14,270 --> 01:06:13,680

and anyway

1574

01:06:16,430 --> 01:06:14,280

um

1575

01:06:18,650 --> 01:06:16,440

that I'm thinking and then they stopped

1576

01:06:21,170 --> 01:06:18,660

and I thought okay well something

1577

01:06:23,690 --> 01:06:21,180

weird's going on I went back inside went

1578

01:06:25,549 --> 01:06:23,700

upstairs to try to get the video off my

1579

01:06:28,250 --> 01:06:25,559

camera onto my computer

1580

01:06:30,049 --> 01:06:28,260

and I'm sitting in my office

1581

01:06:33,349 --> 01:06:30,059

and Bam

1582

01:06:36,289 --> 01:06:33,359

this loud explosion

1583

01:06:38,390 --> 01:06:36,299

and the orangish yellow light flash

1584

01:06:41,029 --> 01:06:38,400

filled up my whole office and my house

1585

01:06:43,730 --> 01:06:41,039

shook and it sounded like something hit

1586

01:06:45,829 --> 01:06:43,740

the roof of my roof bam real hard and

1587

01:06:48,049 --> 01:06:45,839

I'm like what the hell

1588

01:06:49,789 --> 01:06:48,059

jumped up and I ran in the bedroom and

1589

01:06:50,809 --> 01:06:49,799

tried to awake my husband I said do you

1590

01:06:53,510 --> 01:06:50,819

hear that did you hear that and he's

1591

01:06:56,210 --> 01:06:53,520

like no I didn't hear her I went outside

1592

01:06:57,950 --> 01:06:56,220

because I thought my first thought in my

1593

01:07:00,349 --> 01:06:57,960

head was you know because I had seen

1594

01:07:02,029 --> 01:07:00,359

those military jets and that MOA and

1595

01:07:04,670 --> 01:07:02,039

they looked like they were crisscrossing

1596

01:07:07,309 --> 01:07:04,680

like a checkerboard pattern and I

1597

01:07:11,510 --> 01:07:07,319

thought one of them hit another one and

1598

01:07:13,370 --> 01:07:11,520

I think maybe a pilot has hit jettisoned

1599

01:07:15,710 --> 01:07:13,380

himself you know ejected himself and hit

1600

01:07:17,750 --> 01:07:15,720

my roof I ran outside in my nightgown

1601
01:07:20,870 --> 01:07:17,760
with my house coat on looking for a

1602
01:07:22,130 --> 01:07:20,880
parachute in my in my yard you know

1603
01:07:25,430 --> 01:07:22,140
that's what I was thinking I wasn't

1604
01:07:28,849 --> 01:07:25,440
thinking aliens or anything like that

1605
01:07:31,549 --> 01:07:28,859
well it my son called me a few minutes

1606
01:07:33,410 --> 01:07:31,559
after that and he was a cab driver and

1607
01:07:35,150 --> 01:07:33,420
he goes are you okay and I'm like yeah

1608
01:07:37,490 --> 01:07:35,160
why what's going on and he's like they

1609
01:07:38,870 --> 01:07:37,500
just pulled us off the road uh they got

1610
01:07:40,549 --> 01:07:38,880
First Responders from every County

1611
01:07:42,829 --> 01:07:40,559
around here he said there's a plane

1612
01:07:45,529 --> 01:07:42,839
crash over right by where we live our

1613
01:07:47,870 --> 01:07:45,539

house and I'm like you're kidding me no

1614

01:07:49,849 --> 01:07:47,880

and I I said I I saw this bright flash

1615

01:07:51,770 --> 01:07:49,859

you know and all this stuff so I was a

1616

01:07:54,950 --> 01:07:51,780

witness to the Kokomo boom in that

1617

01:07:57,589 --> 01:07:54,960

respect and then um

1618

01:07:59,990 --> 01:07:57,599

later when uh the report started coming

1619

01:08:01,609 --> 01:08:00,000

in I mean the police got like 149 phone

1620

01:08:03,349 --> 01:08:01,619

calls that night and some of these

1621

01:08:07,250 --> 01:08:03,359

people were saying they saw

1622

01:08:09,829 --> 01:08:07,260

a UFO in the sky right and uh you know

1623

01:08:11,569 --> 01:08:09,839

it was a lot more than just a boom and a

1624

01:08:12,710 --> 01:08:11,579

Flash and it was definitely a lot more

1625

01:08:15,890 --> 01:08:12,720

than

1626
01:08:18,410 --> 01:08:15,900
um afterburners and uh and a sonic boom

1627
01:08:20,150 --> 01:08:18,420
listen we live next to Grissom all those

1628
01:08:22,550 --> 01:08:20,160
years we know what a sonic boom sounds

1629
01:08:25,189 --> 01:08:22,560
like and that was not a sonic boom

1630
01:08:27,289 --> 01:08:25,199
uh but uh I immediately went upstairs

1631
01:08:28,910 --> 01:08:27,299
and turned on the police scanner on my

1632
01:08:31,510 --> 01:08:28,920
computer and started recording and I

1633
01:08:35,030 --> 01:08:31,520
recorded six hours and I got some pretty

1634
01:08:37,130 --> 01:08:35,040
interesting recordings of the police

1635
01:08:39,169 --> 01:08:37,140
scanner chatter like I'm at the only

1636
01:08:41,209 --> 01:08:39,179
known debris site and somebody get on

1637
01:08:42,890 --> 01:08:41,219
the horn with Grissom and find out what

1638
01:08:44,809 --> 01:08:42,900

they're doing and you know all kinds of

1639

01:08:45,769 --> 01:08:44,819

stuff and I have all those recordings to

1640

01:08:47,269 --> 01:08:45,779

this day

1641

01:08:49,669 --> 01:08:47,279

but um

1642

01:08:51,169 --> 01:08:49,679

I got a call from Jerry sivers who was

1643

01:08:54,829 --> 01:08:51,179

the state director of muthon at the time

1644

01:08:56,630 --> 01:08:54,839

not too long after this happened and he

1645

01:08:58,070 --> 01:08:56,640

said I know you're not you're not an

1646

01:09:00,590 --> 01:08:58,080

investigator anymore but would you

1647

01:09:03,229 --> 01:09:00,600

please do this case with my Star Team

1648

01:09:04,510 --> 01:09:03,239

guy because you were a witness and I

1649

01:09:07,070 --> 01:09:04,520

also know you know what you're doing

1650

01:09:10,010 --> 01:09:07,080

investigatively and I'm like yeah I do

1651
01:09:12,249 --> 01:09:10,020
it so I was a witness to the boom and an

1652
01:09:16,189 --> 01:09:12,259
investigator

1653
01:09:18,309 --> 01:09:16,199
so and what what kind did anybody

1654
01:09:20,450 --> 01:09:18,319
ever see anything in the sky that night

1655
01:09:22,130 --> 01:09:20,460
there were some people that reported

1656
01:09:24,890 --> 01:09:22,140
there were some people there were a few

1657
01:09:27,950 --> 01:09:24,900
people that reported seeing um a UFO one

1658
01:09:30,530 --> 01:09:27,960
boy said it was uh he saw what wasn't

1659
01:09:32,510 --> 01:09:30,540
like an octagon shape with blue lights

1660
01:09:33,349 --> 01:09:32,520
around the edges of it and it was on its

1661
01:09:35,150 --> 01:09:33,359
side

1662
01:09:38,150 --> 01:09:35,160
and then there were I think a couple

1663
01:09:40,189 --> 01:09:38,160

people reported that they actually saw

1664

01:09:43,490 --> 01:09:40,199

um what they thought was like a

1665

01:09:45,829 --> 01:09:43,500

something blew up in the sky like it

1666

01:09:47,870 --> 01:09:45,839

didn't crash on the ground it it blew up

1667

01:09:50,809 --> 01:09:47,880

in the sky

1668

01:09:54,590 --> 01:09:50,819

uh well and you saw a flash you know

1669

01:09:56,570 --> 01:09:54,600

right right yes all right that's my

1670

01:09:59,209 --> 01:09:56,580

whole office all right stay right there

1671

01:10:01,910 --> 01:09:59,219

Debbie I need to take a break and uh

1672

01:10:04,310 --> 01:10:01,920

we're gonna do that right now and we'll

1673

01:10:06,590 --> 01:10:04,320

be right back

1674

01:10:08,870 --> 01:10:06,600

this is Jimmy Church of Fade to Black

1675

01:10:11,090 --> 01:10:08,880

please visit all of our sponsors we're

1676
01:10:12,770 --> 01:10:11,100
taking a quick break here all of the

1677
01:10:15,830 --> 01:10:12,780
links are below

1678
01:10:18,169 --> 01:10:15,840
and we'll be right back

1679
01:10:19,090 --> 01:10:18,179
check out Billy Carson's Forbidden

1680
01:10:21,250 --> 01:10:19,100
Knowledge

1681
01:10:23,270 --> 01:10:21,260
forbiddenknowledge.com or

1682
01:10:27,229 --> 01:10:23,280
forbiddenknowledge.tv where you can get

1683
01:10:29,750 --> 01:10:27,239
access to over 6 000 videos movies TV

1684
01:10:31,669 --> 01:10:29,760
series exclusive documentaries like the

1685
01:10:33,189 --> 01:10:31,679
Black Knight satellite you can do it all

1686
01:10:37,790 --> 01:10:33,199
for just

1687
01:10:40,010 --> 01:10:37,800
7.77 per month for 77 per year after the

1688
01:10:41,990 --> 01:10:40,020

three-day trial which is also totally

1689

01:10:45,850 --> 01:10:42,000

free to check out it's all simple to do

1690

01:10:48,189 --> 01:10:45,860

Billy Carson is the best it's simple

1691

01:10:50,450 --> 01:10:48,199

forbiddenknowledge.com or

1692

01:10:54,410 --> 01:10:50,460

forbiddenknowledge.tv that's the number

1693

01:10:58,729 --> 01:10:56,390

I will be hosting an M seeing the

1694

01:11:01,370 --> 01:10:58,739

conscious life Expo this February 10th

1695

01:11:04,310 --> 01:11:01,380

through the 13th at The Lax Hilton right

1696

01:11:06,410 --> 01:11:04,320

here in Los Angeles California 200

1697

01:11:08,510 --> 01:11:06,420

speakers including Linda Moulton Howe

1698

01:11:10,910 --> 01:11:08,520

Bashar Deborah King George Nori Daniel

1699

01:11:14,390 --> 01:11:10,920

Sheehan Scout Walter Sean Stone and

1700

01:11:18,229 --> 01:11:14,400

David Wolfe over 200 vendors special

1701

01:11:20,990 --> 01:11:18,239

events this is the biggest event of its

1702

01:11:22,970 --> 01:11:21,000

kind on planet Earth you've got to come

1703

01:11:25,669 --> 01:11:22,980

and hang out with all of us tickets and

1704

01:11:27,530 --> 01:11:25,679

info at consciouslifeexpo.com the links

1705

01:11:30,709 --> 01:11:27,540

are below

1706

01:11:33,830 --> 01:11:30,719

on Saturday April 1st that's right April

1707

01:11:36,050 --> 01:11:33,840

Fool's Day 2023 I will be hosting the

1708

01:11:39,530 --> 01:11:36,060

peripod festival at the Hyatt Regency

1709

01:11:41,990 --> 01:11:39,540

right here in Valencia California it's a

1710

01:11:45,050 --> 01:11:42,000

live one-day podcast Awards it's a film

1711

01:11:47,149 --> 01:11:45,060

festival it's a full-on media event

1712

01:11:48,950 --> 01:11:47,159

we're going to have Sky watching it's

1713

01:11:51,770 --> 01:11:48,960

going to be a Lifetime Achievement Award

1714

01:11:53,750 --> 01:11:51,780

presented to Linda Moulton Howe right

1715

01:11:55,790 --> 01:11:53,760

now you can submit your podcast to your

1716

01:11:58,550 --> 01:11:55,800

film your TV series any of your

1717

01:12:00,470 --> 01:11:58,560

paranormal media for consideration you

1718

01:12:03,669 --> 01:12:00,480

can do all of that on the links below

1719

01:12:05,570 --> 01:12:03,679

for info and tickets go to

1720

01:12:08,649 --> 01:12:05,580

parapodfilmfest.com that's

1721

01:12:14,330 --> 01:12:12,709

April 7th through the 14th 2023 I'll be

1722

01:12:17,270 --> 01:12:14,340

hosting and presenting on the hidden

1723

01:12:19,910 --> 01:12:17,280

secrets seminar at Sea cruise from Los

1724

01:12:22,250 --> 01:12:19,920

Angeles to the Mexican Riviera I'm the

1725

01:12:24,830 --> 01:12:22,260

Navigator of the Seas that's right up

1726

01:12:26,510 --> 01:12:24,840

top a giant water slide you've got to

1727

01:12:28,430 --> 01:12:26,520

check out the Navigator of the Seas it's

1728

01:12:30,770 --> 01:12:28,440

amazing we've got Scott Walter Adam

1729

01:12:33,709 --> 01:12:30,780

Apollo Nick Pope Brad Olson Vivian

1730

01:12:35,990 --> 01:12:33,719

Chavez Jason shirka Robert Grant Reuben

1731

01:12:38,330 --> 01:12:36,000

Langdon and another 12 amazing speakers

1732

01:12:39,729 --> 01:12:38,340

and presenters it's all simple to do

1733

01:12:42,169 --> 01:12:39,739

just visit

1734

01:12:45,890 --> 01:12:42,179

divinetravels.com forward slash hidden

1735

01:12:48,110 --> 01:12:45,900

secrets 2023 you know you want to go on

1736

01:12:51,530 --> 01:12:48,120

a cruise with me

1737

01:12:54,350 --> 01:12:51,540

River Moon coffee makers of the Fade to

1738

01:12:56,169 --> 01:12:54,360

Black blend truly the best coffee on

1739

01:12:58,430 --> 01:12:56,179

planet Earth just visit

1740

01:13:00,290 --> 01:12:58,440

rivermoonwellness.com or their Amazon

1741

01:13:01,729 --> 01:13:00,300

store it's all simple to do you can

1742

01:13:03,770 --> 01:13:01,739

check out the Fade to Black blend the

1743

01:13:06,470 --> 01:13:03,780

game changer Blend or any of their black

1744

01:13:10,189 --> 01:13:06,480

moon wellness products it's the only

1745

01:13:16,250 --> 01:13:10,199

coffee I drink it is the best and it's

1746

01:13:20,330 --> 01:13:18,649

all right Welcome Back Fade to Black how

1747

01:13:22,310 --> 01:13:20,340

many Church our guest tonight one of my

1748

01:13:26,149 --> 01:13:22,320

favorite people in the world uh Debbie

1749

01:13:28,669 --> 01:13:26,159

Cobble is with us and uh

1750

01:13:30,950 --> 01:13:28,679

um I I Debbie can I just say this really

1751

01:13:36,530 --> 01:13:33,290

oh wait I've got you muted oh you

1752

01:13:37,790 --> 01:13:36,540

unmuted yourself you are so good you are

1753

01:13:38,510 --> 01:13:37,800

so good

1754

01:13:44,450 --> 01:13:38,520

um

1755

01:13:46,510 --> 01:13:44,460

and I'm I'm watching some of the

1756

01:13:49,669 --> 01:13:46,520

responses tonight with this conversation

1757

01:13:51,410 --> 01:13:49,679

uh and and so many are hearing you for

1758

01:13:54,470 --> 01:13:51,420

the first time right which is kind of

1759

01:13:58,729 --> 01:13:54,480

extraordinary to me but nonetheless

1760

01:14:00,590 --> 01:13:58,739

um uh when when I first met you and and

1761

01:14:03,649 --> 01:14:00,600

we were able to hang out for like a week

1762

01:14:06,830 --> 01:14:03,659

right we had the best time ever

1763

01:14:09,590 --> 01:14:06,840

um I remember turning to you uh that

1764

01:14:12,370 --> 01:14:09,600

night and just said you are you're the

1765

01:14:15,229 --> 01:14:12,380

absolute coolest person I have ever met

1766

01:14:18,830 --> 01:14:15,239

and and I just want to say that uh to

1767

01:14:21,770 --> 01:14:18,840

your your your your life uh is just uh

1768

01:14:24,590 --> 01:14:21,780

extraordinary extraordinary but you as

1769

01:14:26,570 --> 01:14:24,600

as a person as a soul I mean you are the

1770

01:14:29,330 --> 01:14:26,580

absolute coolest and and never change

1771

01:14:32,530 --> 01:14:29,340

well it's too late now it's too late now

1772

01:14:35,510 --> 01:14:32,540

here you are I'm too old

1773

01:14:36,470 --> 01:14:35,520

that's very sweet I appreciate it I

1774

01:14:39,290 --> 01:14:36,480

remember

1775

01:14:43,430 --> 01:14:39,300

um uh Richard Dolan and I

1776

01:14:44,169 --> 01:14:43,440

we were at the hotel and

1777

01:14:47,510 --> 01:14:44,179

um

1778

01:14:48,830 --> 01:14:47,520

and uh Richard goes I I said to Richard

1779

01:14:51,830 --> 01:14:48,840

I said um

1780

01:14:55,250 --> 01:14:51,840

uh Linda Moulton Howe is uh bringing

1781

01:14:59,570 --> 01:14:55,260

Debbie Cobble uh uh to uh to meet with

1782

01:15:01,810 --> 01:14:59,580

us and he lost are you kidding right I

1783

01:15:04,669 --> 01:15:01,820

was like man settle down

1784

01:15:08,209 --> 01:15:04,679

yeah you don't understand how cool she

1785

01:15:09,550 --> 01:15:08,219

is and uh uh and so we sat outside

1786

01:15:13,010 --> 01:15:09,560

waiting

1787

01:15:16,189 --> 01:15:13,020

Richard and I bonded over coffee and uh

1788

01:15:17,930 --> 01:15:16,199

uh stuff in the Ozarks we got picked up

1789

01:15:21,050 --> 01:15:17,940

by the same limo driver at the airport

1790

01:15:24,050 --> 01:15:21,060

when we went to uh speak at the Ozark uh

1791

01:15:27,290 --> 01:15:24,060

UFO conference one year and the guy kind

1792

01:15:29,810 --> 01:15:27,300

of took us on a side track drive I mean

1793

01:15:31,189 --> 01:15:29,820

he got kind of at first was like oh my

1794

01:15:34,430 --> 01:15:31,199

God he's going to take us out here into

1795

01:15:36,050 --> 01:15:34,440

the woods and kill us he just wanted he

1796

01:15:37,970 --> 01:15:36,060

took us to the convenience store for

1797

01:15:39,950 --> 01:15:37,980

coffee which we both thank God we wanted

1798

01:15:43,669 --> 01:15:39,960

coffee and then he showed us the most

1799

01:15:45,110 --> 01:15:43,679

beautiful parts of Arkansas in the

1800

01:15:47,630 --> 01:15:45,120

spring and it was just gorgeous and

1801

01:15:48,770 --> 01:15:47,640

Richard and I kind of bonded during that

1802

01:15:51,709 --> 01:15:48,780

time

1803

01:15:53,750 --> 01:15:51,719

and and he and and he wasn't wrong you

1804

01:15:55,910 --> 01:15:53,760

know and so just just thank you uh

1805

01:15:58,070 --> 01:15:55,920

you're you're just uh just an incredible

1806

01:16:00,110 --> 01:15:58,080

Soul incredible thank you I appreciate

1807

01:16:02,870 --> 01:16:00,120

that that's very kind

1808

01:16:05,649 --> 01:16:02,880

um it's the neighborhood we grew up in I

1809

01:16:08,750 --> 01:16:05,659

mean it's the Hoosier thing

1810

01:16:10,790 --> 01:16:08,760

it's absolutely uh the Hoosier thing you

1811

01:16:13,850 --> 01:16:10,800

know what I do today now uh we're gonna

1812

01:16:16,250 --> 01:16:13,860

continue with the conversation I am not

1813

01:16:18,169 --> 01:16:16,260

making this up you you probably don't

1814

01:16:19,910 --> 01:16:18,179

remember this but there was a little Mom

1815

01:16:21,169 --> 01:16:19,920

and Pop

1816

01:16:23,090 --> 01:16:21,179

um I think they had like two or three

1817

01:16:27,050 --> 01:16:23,100

locations maybe I don't know called

1818

01:16:30,110 --> 01:16:27,060

Noble Roman's Pizza oh yeah okay and it

1819

01:16:32,330 --> 01:16:30,120

was on 38th and Mitthoefffer right and we

1820

01:16:35,330 --> 01:16:32,340

lived behind it at that time before we

1821

01:16:37,250 --> 01:16:35,340

moved uh further east uh up to 25th and

1822

01:16:38,870 --> 01:16:37,260

Mitthoefffer

1823

01:16:41,630 --> 01:16:38,880

um we lived right there and that was our

1824

01:16:44,630 --> 01:16:41,640

neighborhood to this day

1825

01:16:48,229 --> 01:16:44,640

when I taste Pizza I don't care if it's

1826
01:16:51,410 --> 01:16:48,239
New York Chicago or we don't have good

1827
01:16:53,330 --> 01:16:51,420
pizza in Los Angeles but when I T I

1828
01:16:56,689 --> 01:16:53,340
compare everything

1829
01:16:59,810 --> 01:16:56,699
to Noble Romans no we have a noble

1830
01:17:01,310 --> 01:16:59,820
romance in Kokomo now oh man next time

1831
01:17:02,990 --> 01:17:01,320
you come to Indy you got to come up here

1832
01:17:06,729 --> 01:17:03,000
I'll make you some tenderloins and we'll

1833
01:17:10,630 --> 01:17:06,739
have Noble Romans at the same time

1834
01:17:14,510 --> 01:17:10,640
and then we'll both go to the hospital

1835
01:17:17,630 --> 01:17:14,520
so Noble Romans is still around wow wow

1836
01:17:20,810 --> 01:17:17,640
wow just that's that's just crazy to me

1837
01:17:23,209 --> 01:17:20,820
um anyway uh with what with everything

1838
01:17:26,630 --> 01:17:23,219

that is happening today

1839

01:17:29,149 --> 01:17:26,640

and uh of course I'm talking about Navy

1840

01:17:31,850 --> 01:17:29,159

videos and eyewitnesses in Congress and

1841

01:17:34,669 --> 01:17:31,860

the Senate and Department of Defense and

1842

01:17:36,470 --> 01:17:34,679

odni and you know this craziness that we

1843

01:17:39,290 --> 01:17:36,480

find ourselves in

1844

01:17:41,930 --> 01:17:39,300

um and the possibility of witnesses

1845

01:17:45,530 --> 01:17:41,940

coming forward that all of that is great

1846

01:17:46,970 --> 01:17:45,540

uh to me Debbie but there's an element

1847

01:17:51,110 --> 01:17:46,980

missing here

1848

01:17:52,630 --> 01:17:51,120

and it's hearing from those that have

1849

01:17:56,510 --> 01:17:52,640

made contact

1850

01:17:58,669 --> 01:17:56,520

if you were invited would you go and and

1851

01:18:01,430 --> 01:17:58,679

sit down in front of Congress

1852

01:18:03,610 --> 01:18:01,440

yes absolutely

1853

01:18:07,790 --> 01:18:03,620

I would tell them what I remember

1854

01:18:08,750 --> 01:18:07,800

why why do you think um that that part

1855

01:18:11,270 --> 01:18:08,760

of it

1856

01:18:15,010 --> 01:18:11,280

um isn't isn't being discussed is there

1857

01:18:17,570 --> 01:18:15,020

still too much taboo behind it uh or or

1858

01:18:21,890 --> 01:18:17,580

you know and I can understand why I I

1859

01:18:27,770 --> 01:18:21,900

fully get it but uh why do you think

1860

01:18:33,229 --> 01:18:30,649

well you know you said it's the wildest

1861

01:18:35,510 --> 01:18:33,239

part of all you know

1862

01:18:43,370 --> 01:18:39,590

even mufon the biggest investigative

1863

01:18:46,130 --> 01:18:43,380

body you know of this whole phenomenon

1864

01:18:48,290 --> 01:18:46,140

for years and years and years is

1865

01:18:50,689 --> 01:18:48,300

still

1866

01:18:52,010 --> 01:18:50,699

only wants the nuts and bolts part of it

1867

01:18:55,010 --> 01:18:52,020

I mean

1868

01:18:56,870 --> 01:18:55,020

it's very hard it's very difficult to

1869

01:19:01,370 --> 01:18:56,880

deal with the

1870

01:19:03,350 --> 01:19:01,380

the contact part although I mean

1871

01:19:06,169 --> 01:19:03,360

like I said I've had

1872

01:19:08,510 --> 01:19:06,179

I've had a lot of weird experiences I

1873

01:19:10,370 --> 01:19:08,520

personally think that everybody almost

1874

01:19:12,890 --> 01:19:10,380

everybody on the planet has had some

1875

01:19:15,890 --> 01:19:12,900

weird experience somehow or another it's

1876

01:19:17,870 --> 01:19:15,900

they either have brushed it off and put

1877

01:19:20,030 --> 01:19:17,880

it away and just not refused to think

1878

01:19:21,830 --> 01:19:20,040

about it anymore you know I just happen

1879

01:19:23,630 --> 01:19:21,840

to not be one of those kind of people I

1880

01:19:25,669 --> 01:19:23,640

can't do that

1881

01:19:29,149 --> 01:19:25,679

um but uh

1882

01:19:30,950 --> 01:19:29,159

I think that uh

1883

01:19:35,030 --> 01:19:30,960

I'm just glad they're talking about it

1884

01:19:37,370 --> 01:19:35,040

and with all of the pilots and um folks

1885

01:19:39,709 --> 01:19:37,380

that are starting to come forward I I

1886

01:19:42,950 --> 01:19:39,719

want them to feel comfortable doing that

1887

01:19:44,689 --> 01:19:42,960

I like to see the stigma go down from uh

1888

01:19:47,330 --> 01:19:44,699

making these reports so that they are

1889

01:19:48,890 --> 01:19:47,340

more comfortable telling their story and

1890

01:19:50,689 --> 01:19:48,900

what they've seen and I bet you're going

1891

01:19:54,410 --> 01:19:50,699

to find

1892

01:19:56,990 --> 01:19:54,420

some of those Pilots more than just saw

1893

01:19:58,850 --> 01:19:57,000

this craft some other things maybe

1894

01:20:00,290 --> 01:19:58,860

happened to them you know what I mean I

1895

01:20:01,370 --> 01:20:00,300

bet you'll find that I bet you're going

1896

01:20:06,169 --> 01:20:01,380

to find that

1897

01:20:08,510 --> 01:20:06,179

I'm just that's my gut but yeah it's I I

1898

01:20:12,110 --> 01:20:08,520

think that we were all

1899

01:20:14,630 --> 01:20:12,120

um well happy in one regard for sure

1900

01:20:18,050 --> 01:20:14,640

but also pretty surprised that for the

1901

01:20:20,270 --> 01:20:18,060

first time we've got you know members of

1902

01:20:23,030 --> 01:20:20,280

the military stepping up you know with

1903

01:20:25,070 --> 01:20:23,040

these absolutely incredible incidents

1904

01:20:28,010 --> 01:20:25,080

and maybe they're just thinking baby

1905

01:20:30,830 --> 01:20:28,020

steps you know we're trying to get

1906

01:20:32,930 --> 01:20:30,840

people to just listen the the lights in

1907

01:20:37,130 --> 01:20:32,940

the sky part of it and get used to that

1908

01:20:40,370 --> 01:20:37,140

and accept that and you know except that

1909

01:20:41,810 --> 01:20:40,380

is a reality and it's like baby steps

1910

01:20:43,790 --> 01:20:41,820

because honestly I feel like the

1911

01:20:47,570 --> 01:20:43,800

governments of the world they know a

1912

01:20:49,149 --> 01:20:47,580

whole lot more of what's going on

1913

01:20:52,790 --> 01:20:49,159

um then

1914

01:20:55,130 --> 01:20:52,800

we think they do and uh I think it's

1915

01:20:58,250 --> 01:20:55,140

just like it's Mike just like my dentist

1916

01:20:59,870 --> 01:20:58,260

told me with my new teeth you gotta walk

1917

01:21:04,550 --> 01:20:59,880

before you can run

1918

01:21:07,630 --> 01:21:04,560

okay so this is this is uh this is their

1919

01:21:10,250 --> 01:21:07,640

way of walking before they run

1920

01:21:12,770 --> 01:21:10,260

do you think that the world handled it

1921

01:21:17,229 --> 01:21:12,780

you know when when everything started to

1922

01:21:19,550 --> 01:21:17,239

go uh public back in 2017

1923

01:21:21,649 --> 01:21:19,560

we keep going back to the word stigma

1924

01:21:23,410 --> 01:21:21,659

right but yeah it's getting better

1925

01:21:27,590 --> 01:21:23,420

though right

1926

01:21:30,410 --> 01:21:27,600

the world didn't end did it right nobody

1927

01:21:32,990 --> 01:21:30,420

freaked out no we've come a long way

1928

01:21:36,890 --> 01:21:33,000

since the War of the Worlds and I think

1929

01:21:41,750 --> 01:21:36,900

that the the younger generation has been

1930

01:21:44,990 --> 01:21:41,760

um conditioned to accept these images in

1931

01:21:48,950 --> 01:21:45,000

marketing and you know television and

1932

01:21:52,070 --> 01:21:48,960

it's nothing to see aliens on TV and

1933

01:21:53,750 --> 01:21:52,080

even my granddaughter's 16 you know and

1934

01:21:55,250 --> 01:21:53,760

she looked at me one day and said ninny

1935

01:21:57,290 --> 01:21:55,260

do you believe in aliens we don't talk

1936

01:22:00,410 --> 01:21:57,300

about this whole stuff around her she

1937

01:22:02,570 --> 01:22:00,420

knows a little bit about that I just

1938

01:22:04,490 --> 01:22:02,580

looked we were watching TV and Ancient

1939

01:22:06,649 --> 01:22:04,500

Aliens commercial came on or something

1940

01:22:08,090 --> 01:22:06,659

you know right right and and she looked

1941

01:22:11,870 --> 01:22:08,100

over at me and she said do you believe

1942

01:22:14,570 --> 01:22:11,880

in aliens I said yeah that's all I said

1943

01:22:16,850 --> 01:22:14,580

and she said cool she said cool so do I

1944

01:22:20,270 --> 01:22:16,860

you didn't say come over here I got a

1945

01:22:22,490 --> 01:22:20,280

story to tell you no because I respect

1946

01:22:24,110 --> 01:22:22,500

her parents wishes and they don't they

1947

01:22:26,090 --> 01:22:24,120

you know for years and she was little

1948

01:22:29,209 --> 01:22:26,100

they didn't want anybody talking about

1949

01:22:31,070 --> 01:22:29,219

it around her and I respected that we

1950

01:22:33,590 --> 01:22:31,080

had the same rule when my boys were

1951

01:22:36,250 --> 01:22:33,600

little and you know but she's 16 now I'm

1952

01:22:39,290 --> 01:22:36,260

like she probably knows more than me

1953

01:22:43,010 --> 01:22:39,300

slipper Intruders you know Christmas

1954

01:22:45,050 --> 01:22:43,020

gift stocking stuffer right yeah slipper

1955

01:22:47,209 --> 01:22:45,060

Intruders but that you know you can go

1956

01:22:48,830 --> 01:22:47,219

to Walmart now and buy lunch boxes with

1957

01:22:50,450 --> 01:22:48,840

aliens on them and t-shirts and it's

1958

01:22:53,030 --> 01:22:50,460

cool and everybody thinks it's cool and

1959

01:22:56,270 --> 01:22:53,040

all that and back you know 40 years ago

1960

01:23:00,590 --> 01:22:56,280

no that's not what happened so they

1961

01:23:03,350 --> 01:23:00,600

we've come a long way and uh now

1962

01:23:04,870 --> 01:23:03,360

um let's let's take it to the next level

1963

01:23:07,910 --> 01:23:04,880

though

1964

01:23:11,530 --> 01:23:07,920

don't the

1965

01:23:16,189 --> 01:23:11,540

um contactees abductees around the world

1966

01:23:17,810 --> 01:23:16,199

don't they deserve uh disclosure for

1967

01:23:20,090 --> 01:23:17,820

them

1968

01:23:22,669 --> 01:23:20,100

um that you said it yourself that that

1969

01:23:23,870 --> 01:23:22,679

have kept it bottled up inside you know

1970

01:23:26,090 --> 01:23:23,880

they put it

1971

01:23:29,630 --> 01:23:26,100

put it on a box and put it in the shelf

1972

01:23:32,330 --> 01:23:29,640

and put it in a box on the shelf and and

1973

01:23:34,870 --> 01:23:32,340

and tuck it away because they can't

1974

01:23:37,850 --> 01:23:34,880

discuss it but if it goes a step further

1975

01:23:39,890 --> 01:23:37,860

then those out there that have had uh

1976

01:23:41,149 --> 01:23:39,900

something bottled up they can now talk

1977

01:23:43,490 --> 01:23:41,159

about it

1978

01:23:45,830 --> 01:23:43,500

well yeah of course they do I mean I I

1979

01:23:47,689 --> 01:23:45,840

that's one of the that's like the reason

1980

01:23:50,030 --> 01:23:47,699

that I talk about it that's the reason I

1981

01:23:51,590 --> 01:23:50,040

do these things that's the reason I do

1982

01:23:53,930 --> 01:23:51,600

the other things that I do that's the

1983

01:23:57,590 --> 01:23:53,940

reason I wrote the books because I want

1984

01:24:01,310 --> 01:23:57,600

them to see somebody talking about it

1985

01:24:02,990 --> 01:24:01,320

you know somebody that's um

1986

01:24:04,970 --> 01:24:03,000

could be your next door neighbor

1987

01:24:07,970 --> 01:24:04,980

somebody that works in the factory next

1988

01:24:09,530 --> 01:24:07,980

to you in line you know I want them to

1989

01:24:12,229 --> 01:24:09,540

see that and they want I want them to

1990

01:24:14,149 --> 01:24:12,239

see that uh you know my life isn't a

1991

01:24:16,970 --> 01:24:14,159

shambles because of it that uh and I'm

1992

01:24:21,229 --> 01:24:16,980

not a basket case because of it at least

1993

01:24:24,790 --> 01:24:21,239

not anymore so with um I have to ask you

1994

01:24:27,950 --> 01:24:24,800

about this you you mentioned Factory

1995

01:24:29,990 --> 01:24:27,960

that area uh everybody that we're

1996

01:24:30,850 --> 01:24:30,000

talking about uh that part of

1997

01:24:34,550 --> 01:24:30,860

Indianapolis

1998

01:24:36,229 --> 01:24:34,560

huge Automotive uh industry

1999

01:24:39,530 --> 01:24:36,239

um and it's certainly back then

2000

01:24:43,729 --> 01:24:39,540

everything from Chrysler and Delco and

2001

01:24:45,770 --> 01:24:43,739

and and GE this this was that part that

2002

01:24:46,669 --> 01:24:45,780

that's it I mean I everybody I knew

2003

01:24:49,930 --> 01:24:46,679

worked there

2004

01:24:54,890 --> 01:24:49,940

and uh and so did you

2005

01:24:58,990 --> 01:24:54,900

did anybody on the line uh recognize you

2006

01:25:00,610 --> 01:24:59,000

or or talk about a book or maybe

2007

01:25:05,930 --> 01:25:00,620

attended

2008

01:25:07,250 --> 01:25:05,940

did that ever come up in your personal

2009

01:25:08,870 --> 01:25:07,260

life

2010

01:25:10,669 --> 01:25:08,880

every once in a while you know of course

2011

01:25:12,770 --> 01:25:10,679

my husband worked in the same plant that

2012

01:25:14,270 --> 01:25:12,780

I worked at he was there 30 years before

2013

01:25:17,149 --> 01:25:14,280

I even got there

2014

01:25:19,370 --> 01:25:17,159

and you know he told a few people about

2015

01:25:21,110 --> 01:25:19,380

me and so when I actually ended up

2016

01:25:23,450 --> 01:25:21,120

working there you know they're like oh

2017

01:25:25,310 --> 01:25:23,460

that's the UFO lady and they'd look at

2018

01:25:27,530 --> 01:25:25,320

me kind of funny and I'm like whatever

2019

01:25:32,149 --> 01:25:27,540

you don't know me you know get to know

2020

01:25:34,910 --> 01:25:32,159

me and you but they got to know me you

2021

01:25:36,050 --> 01:25:34,920

know and they talked to me and they it

2022

01:25:38,390 --> 01:25:36,060

wasn't something that we talked about

2023

01:25:40,430 --> 01:25:38,400

every day they realized that I was a

2024

01:25:43,010 --> 01:25:40,440

decent human being and I knew how to do

2025

01:25:44,330 --> 01:25:43,020

my job and I didn't bother people and

2026

01:25:50,209 --> 01:25:44,340

you know

2027

01:25:53,689 --> 01:25:50,219

as the years passed and it got more

2028

01:25:55,250 --> 01:25:53,699

out there in the mainstream and shows

2029

01:25:57,110 --> 01:25:55,260

like Ancient Aliens popped up and

2030

01:25:59,090 --> 01:25:57,120

whatnot I'd be in the break room

2031

01:26:01,189 --> 01:25:59,100

and I'd hear a conversation somebody'd

2032

01:26:04,250 --> 01:26:01,199

say something they'd seen on one of the

2033

01:26:05,750 --> 01:26:04,260

shows about aliens you know or UFOs and

2034

01:26:08,330 --> 01:26:05,760

people would ask me do you believe in

2035

01:26:10,669 --> 01:26:08,340

aliens and I'd be like yeah I've seen

2036

01:26:13,010 --> 01:26:10,679

them I've seen I've seen uh you know

2037

01:26:14,209 --> 01:26:13,020

stuff and then they want to tell me

2038

01:26:16,490 --> 01:26:14,219

their story

2039

01:26:20,090 --> 01:26:16,500

they want to tell me what they saw you

2040

01:26:22,610 --> 01:26:20,100

know and so I dreaded it when I first

2041

01:26:24,110 --> 01:26:22,620

started there 15 years ago

2042

01:26:24,830 --> 01:26:24,120

but

2043

01:26:27,470 --> 01:26:24,840

um

2044

01:26:29,990 --> 01:26:27,480

oh look what look what somebody just

2045

01:26:32,450 --> 01:26:30,000

posted are you ready I'm gonna pop this

2046

01:26:35,930 --> 01:26:32,460

up I just mentioned all the automobile

2047

01:26:39,110 --> 01:26:35,940

plans but are you ready yeah

2048

01:26:40,610 --> 01:26:39,120

don't forget Western Electric oh my God

2049

01:26:43,729 --> 01:26:40,620

my mother-in-law worked at Western

2050

01:26:46,490 --> 01:26:43,739

Electric Aaron Shadeland yes hi I I

2051
01:26:49,490 --> 01:26:46,500
worked there at I worked at Bell Labs uh

2052
01:26:52,669 --> 01:26:49,500
on the second floor of the Shadeland

2053
01:26:54,709 --> 01:26:52,679
plant which you know it in some regards

2054
01:26:57,350 --> 01:26:54,719
Western Electric

2055
01:26:59,689 --> 01:26:57,360
um that was like especially at that time

2056
01:27:00,610 --> 01:26:59,699
my memory it was like half of

2057
01:27:06,169 --> 01:27:00,620
Indianapolis

2058
01:27:07,390 --> 01:27:06,179
it was so friggin big that was huge it

2059
01:27:10,970 --> 01:27:07,400
was

2060
01:27:13,189 --> 01:27:10,980
huge they had like 10 train tracks out

2061
01:27:15,169 --> 01:27:13,199
back you know it was

2062
01:27:16,850 --> 01:27:15,179
um and the parking lot but yeah yeah I

2063
01:27:19,129 --> 01:27:16,860

worked there for a few years right there

2064

01:27:21,770 --> 01:27:19,139

on shading you never saw a six foot tall

2065

01:27:23,510 --> 01:27:21,780

redhead with another foot of red hair up

2066

01:27:27,350 --> 01:27:23,520

on top on the line that was my

2067

01:27:30,169 --> 01:27:27,360

mother-in-law you know um so I remember

2068

01:27:32,750 --> 01:27:30,179

um walking in now I was 18 when I

2069

01:27:37,189 --> 01:27:32,760

started working there right 18 19 18.

2070

01:27:38,270 --> 01:27:37,199

and the first time I walked into the

2071

01:27:41,149 --> 01:27:38,280

plant

2072

01:27:43,250 --> 01:27:41,159

okay now uh I want everybody to

2073

01:27:46,729 --> 01:27:43,260

understand what we're talking about here

2074

01:27:50,330 --> 01:27:46,739

the telephones in use in the United

2075

01:27:52,790 --> 01:27:50,340

States were all made in that factory

2076

01:27:56,990 --> 01:27:52,800

yeah the biggest plastic injection

2077

01:27:59,270 --> 01:27:57,000

molding plant in the world right and so

2078

01:28:02,930 --> 01:27:59,280

I remember walking into that I had never

2079

01:28:04,669 --> 01:28:02,940

seen anything that big and that many

2080

01:28:08,390 --> 01:28:04,679

people working at the same time there's

2081

01:28:11,810 --> 01:28:08,400

like 15 20 000 people in there and it it

2082

01:28:14,030 --> 01:28:11,820

was I mean extraordinary it was just I

2083

01:28:15,530 --> 01:28:14,040

it's unreal

2084

01:28:18,649 --> 01:28:15,540

um so yeah don't forget about Western

2085

01:28:20,570 --> 01:28:18,659

Electric I think I think at one point

2086

01:28:23,629 --> 01:28:20,580

um in Indiana I think half of the city

2087

01:28:26,330 --> 01:28:23,639

worked there I really do I think half of

2088

01:28:28,490 --> 01:28:26,340

Indianapolis uh worked out the other

2089

01:28:30,890 --> 01:28:28,500

half worked at Chrysler and Ford yeah

2090

01:28:32,330 --> 01:28:30,900

and Chrysler was right at the street

2091

01:28:35,330 --> 01:28:32,340

from Western Electric

2092

01:28:37,310 --> 01:28:35,340

and then the the Wonder Bread Factory my

2093

01:28:38,570 --> 01:28:37,320

sister my mother-in-law sister worked in

2094

01:28:40,669 --> 01:28:38,580

the Wonder Bread Factory and every

2095

01:28:43,390 --> 01:28:40,679

morning when they fired up oh my God the

2096

01:28:46,669 --> 01:28:43,400

holy side smell like bread

2097

01:28:48,050 --> 01:28:46,679

I I I I just missed those days I I

2098

01:28:50,810 --> 01:28:48,060

remember the east side of Indianapolis

2099

01:28:56,030 --> 01:28:50,820

was uh incredible

2100

01:28:58,070 --> 01:28:56,040

um now uh what about uh today

2101
01:29:00,229 --> 01:28:58,080
because here we are you brought up a

2102
01:29:03,169 --> 01:29:00,239
really good point it's 2023 right it was

2103
01:29:07,189 --> 01:29:03,179
four years ago it is it's 40 years ago

2104
01:29:09,350 --> 01:29:07,199
how how have you grown as as a person

2105
01:29:13,090 --> 01:29:09,360
how has it changed you

2106
01:29:16,610 --> 01:29:13,100
well wow it's changed me a lot I think

2107
01:29:19,850 --> 01:29:16,620
and I've had I've had

2108
01:29:23,330 --> 01:29:19,860
traumatic things happen to me in my life

2109
01:29:24,649 --> 01:29:23,340
since the June 30th 1983 thing and the

2110
01:29:27,709 --> 01:29:24,659
other traumatic things that happened to

2111
01:29:29,270 --> 01:29:27,719
me and I I go to I'm not sure I'm not

2112
01:29:31,490 --> 01:29:29,280
embarrassed to tell you I go see a

2113
01:29:36,110 --> 01:29:31,500

therapist you know even to this day and

2114

01:29:38,930 --> 01:29:36,120

I have I've had peop I have PTSD and

2115

01:29:40,850 --> 01:29:38,940

I've done EMDR therapy on not only the

2116

01:29:44,629 --> 01:29:40,860

traumatic parts of my life but also

2117

01:29:48,110 --> 01:29:44,639

we've done EMDR therapy on the June 30th

2118

01:29:49,010 --> 01:29:48,120

1983 incident and another incident

2119

01:29:51,410 --> 01:29:49,020

um

2120

01:29:53,030 --> 01:29:51,420

my therapist is fantastic and she's

2121

01:29:55,310 --> 01:29:53,040

open-minded about all this stuff and

2122

01:29:57,050 --> 01:29:55,320

that's helping me a lot and working but

2123

01:30:00,890 --> 01:29:57,060

she thinks that I

2124

01:30:05,030 --> 01:30:00,900

uh did well with the like my my late

2125

01:30:09,110 --> 01:30:05,040

husband's suicide uh and the tornado you

2126
01:30:10,669 --> 01:30:09,120
know I I've overcome those things uh and

2127
01:30:12,950 --> 01:30:10,679
I did a lot of that on my own before I

2128
01:30:15,229 --> 01:30:12,960
even met her and she feels like that

2129
01:30:18,169 --> 01:30:15,239
dealing with the stuff that I dealt with

2130
01:30:21,530 --> 01:30:18,179
with the UFO stuff

2131
01:30:23,330 --> 01:30:21,540
helped me grow and be able to deal with

2132
01:30:25,910 --> 01:30:23,340
the other stuff later on in life I mean

2133
01:30:29,330 --> 01:30:25,920
because you know my husband

2134
01:30:30,530 --> 01:30:29,340
committed suicide when uh it's been 30

2135
01:30:32,870 --> 01:30:30,540
years now

2136
01:30:34,310 --> 01:30:32,880
and I it was bad enough that he killed

2137
01:30:35,750 --> 01:30:34,320
himself but I watched him do it he shot

2138
01:30:37,729 --> 01:30:35,760

himself in our backyard in front of me

2139

01:30:40,910 --> 01:30:37,739

and every sheriff in Howard County

2140

01:30:43,550 --> 01:30:40,920

so talk about trauma traumatizing and

2141

01:30:46,430 --> 01:30:43,560

yet I mean 30 years later I can talk to

2142

01:30:49,910 --> 01:30:46,440

you about it and I don't I feel fine I

2143

01:30:50,689 --> 01:30:49,920

feel okay I feel I can even feel like

2144

01:30:53,990 --> 01:30:50,699

um

2145

01:30:56,930 --> 01:30:54,000

in some way it was a blessing that it

2146

01:31:00,050 --> 01:30:56,940

showed it showed me how strong I am you

2147

01:31:02,330 --> 01:31:00,060

know as a person and same with the

2148

01:31:05,570 --> 01:31:02,340

tornado had a tornado dropped the house

2149

01:31:07,250 --> 01:31:05,580

on me and had to be dug out of it but

2150

01:31:10,129 --> 01:31:07,260

um and I you know shook up for a few

2151
01:31:13,610 --> 01:31:10,139
weeks but I'm stronger and better for it

2152
01:31:15,530 --> 01:31:13,620
I feel like now this whatever happened

2153
01:31:17,450 --> 01:31:15,540
to me whatever happened to me when I was

2154
01:31:19,850 --> 01:31:17,460
younger I feel like

2155
01:31:22,310 --> 01:31:19,860
somebody a visualize somebody with a

2156
01:31:25,070 --> 01:31:22,320
slingshot and I'm the little bean in the

2157
01:31:27,110 --> 01:31:25,080
little patch and they just keep pulling

2158
01:31:28,729 --> 01:31:27,120
me back down down further farther with

2159
01:31:30,590 --> 01:31:28,739
all this traumatic stuff and then when

2160
01:31:31,850 --> 01:31:30,600
they let go of me I just go all that

2161
01:31:34,790 --> 01:31:31,860
much higher

2162
01:31:36,350 --> 01:31:34,800
I just feel like that dealing with these

2163
01:31:41,830 --> 01:31:36,360

experiences has

2164

01:31:44,450 --> 01:31:41,840

in some way forced me to

2165

01:31:49,390 --> 01:31:44,460

grow you know

2166

01:31:52,010 --> 01:31:49,400

as a person and as a human being and um

2167

01:31:53,810 --> 01:31:52,020

it's just weird

2168

01:31:54,850 --> 01:31:53,820

um and you also lost your house in a

2169

01:31:57,229 --> 01:31:54,860

tornado

2170

01:32:00,770 --> 01:31:57,239

and the weird part about that is okay

2171

01:32:05,209 --> 01:32:00,780

the tornado was was November 13th

2172

01:32:07,790 --> 01:32:05,219

November 17 2013. it's here in Kokomo

2173

01:32:09,890 --> 01:32:07,800

and it was years later somebody pointed

2174

01:32:12,830 --> 01:32:09,900

out to me there's a video on YouTube of

2175

01:32:15,350 --> 01:32:12,840

a guy whose video video recording the

2176

01:32:17,629 --> 01:32:15,360

tornado that was hitting our town and

2177

01:32:20,990 --> 01:32:17,639

there was a UFO weaving In and Out of

2178

01:32:23,149 --> 01:32:21,000

This Tornado I remember that yeah yeah I

2179

01:32:24,590 --> 01:32:23,159

do I do and it's funny my house was the

2180

01:32:27,470 --> 01:32:24,600

only house on the street that was

2181

01:32:28,729 --> 01:32:27,480

destroyed uh it's like the tornado flew

2182

01:32:31,270 --> 01:32:28,739

over the house said oh there she is went

2183

01:32:33,830 --> 01:32:31,280

boom and then took off

2184

01:32:36,770 --> 01:32:33,840

but uh I mean it was a blessing in

2185

01:32:39,530 --> 01:32:36,780

disguise in many ways and we're alive

2186

01:32:42,770 --> 01:32:39,540

and it taught me not to be attached to

2187

01:32:46,669 --> 01:32:42,780

stuff I'm you know that's a lot of the

2188

01:32:48,410 --> 01:32:46,679

changes a lot of you changes but um

2189

01:32:50,750 --> 01:32:48,420

yeah

2190

01:32:53,510 --> 01:32:50,760

I I just don't understand why all this

2191

01:32:54,890 --> 01:32:53,520

stuff happens to me the way it does but

2192

01:32:57,530 --> 01:32:54,900

not just

2193

01:33:00,720 --> 01:32:57,540

sometimes I think okay who did I piss

2194

01:33:03,050 --> 01:33:00,730

off before I got here that I got stuck

2195

01:33:05,629 --> 01:33:03,060

[Laughter]

2196

01:33:06,709 --> 01:33:05,639

and now this may seem like a strange

2197

01:33:08,149 --> 01:33:06,719

question

2198

01:33:11,689 --> 01:33:08,159

but

2199

01:33:13,430 --> 01:33:11,699

um and I say you know no matter you know

2200

01:33:15,290 --> 01:33:13,440

the screwed up things in my past that

2201
01:33:17,930 --> 01:33:15,300
have happened and we all we all have

2202
01:33:21,410 --> 01:33:17,940
stuff that we deal with right and when

2203
01:33:23,330 --> 01:33:21,420
we go back and and change anything

2204
01:33:25,250 --> 01:33:23,340
um and there's a romantic side to time

2205
01:33:28,910 --> 01:33:25,260
travel you know with that you know you

2206
01:33:34,189 --> 01:33:28,920
go back to and you know I wouldn't

2207
01:33:37,729 --> 01:33:34,199
because it has made me who I am exactly

2208
01:33:39,950 --> 01:33:37,739
made you who you are you changed one

2209
01:33:41,110 --> 01:33:39,960
little thing and you're not Debbie

2210
01:33:43,790 --> 01:33:41,120
Cobble anymore

2211
01:33:46,010 --> 01:33:43,800
exactly I've had many many people over

2212
01:33:46,910 --> 01:33:46,020
the years say if you could if you could

2213
01:33:48,950 --> 01:33:46,920

have

2214

01:33:50,570 --> 01:33:48,960

done your life over and not had that

2215

01:33:53,810 --> 01:33:50,580

strange weird stuff happen to you would

2216

01:33:56,450 --> 01:33:53,820

you do that and I always say no and

2217

01:33:59,090 --> 01:33:56,460

because if it hadn't been for the June

2218

01:34:01,010 --> 01:33:59,100

30th 1983 incident I wouldn't have met

2219

01:34:03,830 --> 01:34:01,020

Bud who

2220

01:34:05,990 --> 01:34:03,840

you know not only did he help me get

2221

01:34:08,149 --> 01:34:06,000

through all that but he also exposed me

2222

01:34:10,910 --> 01:34:08,159

to things that I would have never been

2223

01:34:12,770 --> 01:34:10,920

exposed to you know art and New York I

2224

01:34:14,810 --> 01:34:12,780

was able to travel and things like that

2225

01:34:16,490 --> 01:34:14,820

that I would have never had I would have

2226

01:34:17,930 --> 01:34:16,500

never met my husband I would have never

2227

01:34:19,850 --> 01:34:17,940

met my late husband I would have never

2228

01:34:22,129 --> 01:34:19,860

met my husband I have now I would have

2229

01:34:24,950 --> 01:34:22,139

never moved here my kids would have

2230

01:34:27,290 --> 01:34:24,960

never came here and lived which meant my

2231

01:34:30,050 --> 01:34:27,300

my son yeah my son wouldn't have met his

2232

01:34:31,750 --> 01:34:30,060

wife I mean there was be nothing even

2233

01:34:34,430 --> 01:34:31,760

remotely

2234

01:34:37,129 --> 01:34:34,440

resembling the life that I have now had

2235

01:34:38,450 --> 01:34:37,139

it not been for June 30th 1983 and I

2236

01:34:42,169 --> 01:34:38,460

would not change a thing it was

2237

01:34:44,570 --> 01:34:42,179

traumatic and scary at the time and I

2238

01:34:46,669 --> 01:34:44,580

still feel like it injured me and

2239

01:34:49,669 --> 01:34:46,679

damaged my body in some way that I'm

2240

01:34:51,590 --> 01:34:49,679

still probably gonna pay for in the long

2241

01:34:53,330 --> 01:34:51,600

run but

2242

01:34:56,090 --> 01:34:53,340

um

2243

01:34:58,189 --> 01:34:56,100

it made me

2244

01:35:01,370 --> 01:34:58,199

uh Stronger

2245

01:35:05,870 --> 01:35:01,380

it made me smarter

2246

01:35:07,850 --> 01:35:05,880

it made me it make the choices I made

2247

01:35:10,370 --> 01:35:07,860

the choices in my life I made because of

2248

01:35:11,990 --> 01:35:10,380

that experience and I wouldn't you know

2249

01:35:14,750 --> 01:35:12,000

I wouldn't have the life so no I would

2250

01:35:17,350 --> 01:35:14,760

not change a thing now

2251

01:35:19,669 --> 01:35:17,360

just stay with me on this

2252

01:35:23,450 --> 01:35:19,679

you're probably hopefully you're going

2253

01:35:25,610 --> 01:35:23,460

to go yes Jimmy you're right yes but

2254

01:35:28,370 --> 01:35:25,620

here's the question

2255

01:35:30,590 --> 01:35:28,380

when recording this is going to sound

2256

01:35:34,209 --> 01:35:30,600

like left field to the audience but Deb

2257

01:35:37,330 --> 01:35:34,219

you're going to get this when recording

2258

01:35:45,350 --> 01:35:41,390

my favorite thing yeah do you think

2259

01:35:48,169 --> 01:35:45,360

you've been enhanced do you think you

2260

01:35:50,390 --> 01:35:48,179

are now a magnet to this stuff

2261

01:35:52,669 --> 01:35:50,400

I don't think I am but the people that I

2262

01:35:55,189 --> 01:35:52,679

used to be in the Paranormal groups with

2263

01:35:56,810 --> 01:35:55,199

they called me the antenna yeah they

2264

01:35:58,189 --> 01:35:56,820

thought I was

2265

01:36:01,430 --> 01:35:58,199

um

2266

01:36:05,570 --> 01:36:01,440

I I think it's it's the intent that you

2267

01:36:08,810 --> 01:36:05,580

go into it with no I don't I don't I

2268

01:36:10,850 --> 01:36:08,820

think you're a special person I I have

2269

01:36:13,930 --> 01:36:10,860

plenty of friends with intent including

2270

01:36:17,629 --> 01:36:13,940

me that get nothing

2271

01:36:20,510 --> 01:36:17,639

I'm wired I I think something sometimes

2272

01:36:22,189 --> 01:36:20,520

I wonder if the some of the experiences

2273

01:36:24,649 --> 01:36:22,199

that I had especially the early ones

2274

01:36:27,410 --> 01:36:24,659

when I was younger didn't change the

2275

01:36:30,649 --> 01:36:27,420

wiring in my brain somehow

2276

01:36:32,629 --> 01:36:30,659

um oh so you just ask okay uh Deb I'm

2277

01:36:34,010 --> 01:36:32,639

going to let you uh handle this because

2278

01:36:37,189 --> 01:36:34,020

I'll spend too much time doing it

2279

01:36:40,729 --> 01:36:37,199

somebody just said what are EVPs I just

2280

01:36:43,070 --> 01:36:40,739

assumed uh but uh so that's the

2281

01:36:45,770 --> 01:36:43,080

Paranormal side of things the EVP is an

2282

01:36:47,990 --> 01:36:45,780

electronic voice phenomenon and that's

2283

01:36:51,850 --> 01:36:48,000

when people use

2284

01:36:54,530 --> 01:36:51,860

um you know recording devices to record

2285

01:36:56,810 --> 01:36:54,540

disembodied voices oftentimes you won't

2286

01:36:59,209 --> 01:36:56,820

even hear them with your ears but the

2287

01:37:01,070 --> 01:36:59,219

electronics will pick it up

2288

01:37:04,910 --> 01:37:01,080

and then I've gotten some really juicy

2289

01:37:07,790 --> 01:37:04,920

ones yeah really juicy ones I do there

2290

01:37:09,709 --> 01:37:07,800

there's got to be a connection there I

2291

01:37:12,410 --> 01:37:09,719

feel there is and I don't feel like I'm

2292

01:37:14,930 --> 01:37:12,420

hearing or recording just ghosts you

2293

01:37:16,850 --> 01:37:14,940

know spirits of dead people I personally

2294

01:37:19,610 --> 01:37:16,860

feel

2295

01:37:21,470 --> 01:37:19,620

um and I'm not 100 sure I know why I

2296

01:37:22,669 --> 01:37:21,480

have these thoughts or feelings I do but

2297

01:37:26,090 --> 01:37:22,679

I feel like

2298

01:37:27,649 --> 01:37:26,100

all around us is life and

2299

01:37:29,209 --> 01:37:27,659

um that some of the things that I've

2300

01:37:32,990 --> 01:37:29,219

been able to pick up with some of my

2301
01:37:34,810 --> 01:37:33,000
digital equipment are actually uh maybe

2302
01:37:37,850 --> 01:37:34,820
um somebody in some other

2303
01:37:39,890 --> 01:37:37,860
reality or Dimension or something you

2304
01:37:41,270 --> 01:37:39,900
know that's never lived here that's

2305
01:37:44,090 --> 01:37:41,280
living somewhere else right now that's

2306
01:37:47,030 --> 01:37:44,100
not dead yet I had an epiphany like

2307
01:37:49,490 --> 01:37:47,040
30 years ago and I did my first EVP with

2308
01:37:53,149 --> 01:37:49,500
my nephew we sat in this quiet kitchen

2309
01:37:56,629 --> 01:37:53,159
for 30 minutes and then played back the

2310
01:37:58,550 --> 01:37:56,639
tape and listened to it and on the tape

2311
01:38:00,470 --> 01:37:58,560
you could hear an old man's voice as

2312
01:38:02,750 --> 01:38:00,480
clear as day and he said are the spirits

2313
01:38:04,910 --> 01:38:02,760

listening and right behind it quickly it

2314

01:38:06,830 --> 01:38:04,920

was like a child's voice that said can I

2315

01:38:08,930 --> 01:38:06,840

listen too and I looked at my nephew

2316

01:38:11,450 --> 01:38:08,940

bill and I had this Epiphany I'm like oh

2317

01:38:13,790 --> 01:38:11,460

my God we're the spirit somewhere else

2318

01:38:16,729 --> 01:38:13,800

and someone's listening to us you know

2319

01:38:21,169 --> 01:38:16,739

and that's when the veil just dropped

2320

01:38:24,470 --> 01:38:21,179

from my mind and everything became clear

2321

01:38:26,930 --> 01:38:24,480

yeah we have to be I've talked to so

2322

01:38:28,430 --> 01:38:26,940

many uh uh paranormal investigators

2323

01:38:31,430 --> 01:38:28,440

about this

2324

01:38:34,610 --> 01:38:31,440

we have to be the ghost

2325

01:38:36,169 --> 01:38:34,620

the spirits to them right because

2326

01:38:37,990 --> 01:38:36,179

they're in another dimension right

2327

01:38:40,970 --> 01:38:38,000

they're trying to pull us into Focus

2328

01:38:44,689 --> 01:38:40,980

just like we're trying to reach out to

2329

01:38:46,669 --> 01:38:44,699

them and pull them into focus and I am

2330

01:38:48,530 --> 01:38:46,679

sure that we scare the crap out of them

2331

01:38:51,770 --> 01:38:48,540

just like they scare the crap out of us

2332

01:38:54,229 --> 01:38:51,780

it's the same thing well I I well I'm

2333

01:38:55,970 --> 01:38:54,239

not scared but I know most a lot of

2334

01:38:57,830 --> 01:38:55,980

people are I used to make fun of the

2335

01:38:59,390 --> 01:38:57,840

young ones in our group when something

2336

01:39:00,590 --> 01:38:59,400

would actually happen and they take off

2337

01:39:03,050 --> 01:39:00,600

running I'd be like where you going

2338

01:39:05,629 --> 01:39:03,060

isn't this what you came for sit

2339

01:39:08,450 --> 01:39:05,639

yourself down and shut up

2340

01:39:11,870 --> 01:39:08,460

um my house is is completely haunted

2341

01:39:15,169 --> 01:39:11,880

right and uh the one you're in now yeah

2342

01:39:16,490 --> 01:39:15,179

yeah and and I honestly Deb and I say

2343

01:39:24,110 --> 01:39:16,500

this all the time

2344

01:39:28,129 --> 01:39:26,230

it's like man wow

2345

01:39:29,750 --> 01:39:28,139

[Music]

2346

01:39:34,370 --> 01:39:29,760

what do

2347

01:39:36,229 --> 01:39:34,380

um it'll grind you down one and two if I

2348

01:39:38,629 --> 01:39:36,239

wanted to get freaked out about it then

2349

01:39:40,570 --> 01:39:38,639

I would freak myself out about it and I

2350

01:39:46,910 --> 01:39:40,580

don't know if there's any coming back so

2351

01:39:50,209 --> 01:39:46,920

so I I I I don't just last night this

2352

01:39:54,110 --> 01:39:50,219

has happened a lot but I'm talking about

2353

01:39:57,050 --> 01:39:54,120

last night not last week last night I'm

2354

01:40:01,189 --> 01:39:57,060

in bed I've got my iPad on my lap

2355

01:40:03,830 --> 01:40:01,199

nothing is on TV is off right and and

2356

01:40:07,729 --> 01:40:03,840

I'm reading

2357

01:40:12,610 --> 01:40:07,739

house is dead quiet it's uh

2358

01:40:17,990 --> 01:40:12,620

uh midnightish right 11 30 midnight dead

2359

01:40:21,410 --> 01:40:18,000

and from my left from the bathroom area

2360

01:40:24,530 --> 01:40:21,420

was this loud I almost spilled my coffee

2361

01:40:25,970 --> 01:40:24,540

but it was like this

2362

01:40:29,149 --> 01:40:25,980

okay like

2363

01:40:33,410 --> 01:40:29,159

friggin loud and

2364

01:40:35,510 --> 01:40:33,420

and I turned and I I think I said you

2365

01:40:38,689 --> 01:40:35,520

know I'm just gonna say it I just I'm

2366

01:40:41,750 --> 01:40:38,699

holding my I'm holding my iPad like this

2367

01:40:43,070 --> 01:40:41,760

I go what the [h__h]

2368

01:40:48,649 --> 01:40:43,080

really

2369

01:40:50,510 --> 01:40:48,659

just looked straight ahead and and I

2370

01:40:52,070 --> 01:40:50,520

started talking to myself I said do you

2371

01:40:53,870 --> 01:40:52,080

expect me to get up and come in there

2372

01:40:56,990 --> 01:40:53,880

and look I'm not I'm just not gonna do

2373

01:41:02,330 --> 01:40:57,000

it I'm not I'm not all right all right

2374

01:41:03,649 --> 01:41:02,340

all right and my house is is very

2375

01:41:05,510 --> 01:41:03,659

organized

2376

01:41:07,910 --> 01:41:05,520

all right I'm not a neat freak or

2377

01:41:10,610 --> 01:41:07,920

anything but when you come into my home

2378

01:41:12,890 --> 01:41:10,620

you're gonna see that Jimmy's got a

2379

01:41:15,470 --> 01:41:12,900

little bit of a disorder here because

2380

01:41:18,649 --> 01:41:15,480

you can tell that everything is like you

2381

01:41:20,930 --> 01:41:18,659

know has its spot I'm the same way yeah

2382

01:41:24,169 --> 01:41:20,940

and so

2383

01:41:26,570 --> 01:41:24,179

um that morning this morning I should

2384

01:41:29,990 --> 01:41:26,580

say when I went I just kind of poked

2385

01:41:31,610 --> 01:41:30,000

around a little bit like what what moved

2386

01:41:35,510 --> 01:41:31,620

because everything's in its place

2387

01:41:37,550 --> 01:41:35,520

nothing is so what makes the sound

2388

01:41:39,649 --> 01:41:37,560

you know I don't know what do you think

2389

01:41:41,990 --> 01:41:39,659

that is when you have that kind of you

2390

01:41:46,030 --> 01:41:42,000

know there's a disability yeah and then

2391

01:41:49,490 --> 01:41:46,040

you have that that disembodied

2392

01:41:52,550 --> 01:41:49,500

object move right a dis how would you

2393

01:41:53,830 --> 01:41:52,560

say that disembodied voice this object

2394

01:41:56,689 --> 01:41:53,840

object

2395

01:41:59,090 --> 01:41:56,699

I don't know something is making that

2396

01:42:00,830 --> 01:41:59,100

energy transference and and I don't know

2397

01:42:04,850 --> 01:42:00,840

what it is

2398

01:42:06,109 --> 01:42:04,860

know if everything is energy so it's

2399

01:42:08,030 --> 01:42:06,119

something

2400

01:42:10,430 --> 01:42:08,040

we're energy

2401

01:42:13,490 --> 01:42:10,440

I just don't care anymore you know I'm

2402

01:42:15,830 --> 01:42:13,500

not you know yeah I'm I'm Not Afraid uh

2403

01:42:17,570 --> 01:42:15,840

of hardly anything anymore I don't know

2404

01:42:22,450 --> 01:42:17,580

I'm afraid of people more than I am

2405

01:42:28,910 --> 01:42:25,370

yeah yeah yeah I

2406

01:42:31,189 --> 01:42:28,920

um I I have this you know it's like a a

2407

01:42:34,850 --> 01:42:31,199

parting of the road right I can go left

2408

01:42:37,570 --> 01:42:34,860

or right I can either accept it right

2409

01:42:41,149 --> 01:42:37,580

and and and and move on and deal with it

2410

01:42:44,149 --> 01:42:41,159

or I could you know just freak out and

2411

01:42:46,310 --> 01:42:44,159

get all concerned and and you know

2412

01:42:49,790 --> 01:42:46,320

cleanse the house and bring over this

2413

01:42:52,430 --> 01:42:49,800

and then do and and really uh Elevate

2414

01:42:54,229 --> 01:42:52,440

things when you know and and I don't I

2415

01:42:57,129 --> 01:42:54,239

just don't want to go down that road

2416

01:43:00,169 --> 01:42:57,139

and then you know some people just

2417

01:43:02,750 --> 01:43:00,179

they refuse to even think that it's

2418

01:43:04,129 --> 01:43:02,760

anything other than well it has to be

2419

01:43:06,770 --> 01:43:04,139

something I don't know what it is and

2420

01:43:08,990 --> 01:43:06,780

just shut down their mind and they don't

2421

01:43:10,970 --> 01:43:09,000

you know allow for anything else so

2422

01:43:12,050 --> 01:43:10,980

there's a third fork in the there's a

2423

01:43:15,470 --> 01:43:12,060

third

2424

01:43:17,750 --> 01:43:15,480

tongue and the four things

2425

01:43:25,189 --> 01:43:17,760

yeah yeah that's what they're called

2426

01:43:29,350 --> 01:43:26,990

um I think that everybody listening to

2427

01:43:32,890 --> 01:43:29,360

us including you right now

2428

01:43:35,090 --> 01:43:32,900

knows or remembers their grandparents

2429

01:43:37,250 --> 01:43:35,100

you know talking about the ghosts in

2430

01:43:39,370 --> 01:43:37,260

their house growing up and you know

2431

01:43:42,890 --> 01:43:39,380

that's just our ghost you know man

2432

01:43:45,410 --> 01:43:42,900

ignore that that's just our ghost and

2433

01:43:47,149 --> 01:43:45,420

they they were dealing with it the same

2434

01:43:48,890 --> 01:43:47,159

way that I am now did you have that

2435

01:43:51,890 --> 01:43:48,900

growing up too did your grandparents go

2436

01:43:54,169 --> 01:43:51,900

Ah that's just our ghost well I never

2437

01:43:55,910 --> 01:43:54,179

knew my grandparents because they were

2438

01:43:58,729 --> 01:43:55,920

all dead before I was born well except

2439

01:43:59,510 --> 01:43:58,739

for one my one grandmother

2440

01:44:01,790 --> 01:43:59,520

um

2441

01:44:06,169 --> 01:44:01,800

but I was never around her very much but

2442

01:44:08,750 --> 01:44:06,179

my parents did I mean I I remember a

2443

01:44:11,930 --> 01:44:08,760

long time you know my mom making a

2444

01:44:14,570 --> 01:44:11,940

comment of my mostly my mom making a

2445

01:44:17,149 --> 01:44:14,580

comment the last ghost you know she goes

2446

01:44:18,590 --> 01:44:17,159

he ain't gonna hurt nobody it don't hurt

2447

01:44:21,770 --> 01:44:18,600

you just hanging around

2448

01:44:23,330 --> 01:44:21,780

I'm like well okay that's fine if you

2449

01:44:25,250 --> 01:44:23,340

don't burn my house down you can stay

2450

01:44:27,050 --> 01:44:25,260

here all you want I don't care have you

2451

01:44:29,090 --> 01:44:27,060

ever seen a ghost or something you can't

2452

01:44:32,090 --> 01:44:29,100

explain enough oh I've seen yeah I've

2453

01:44:34,129 --> 01:44:32,100

seen I've got video of uh something that

2454

01:44:36,290 --> 01:44:34,139

peaked around the corner and during an

2455

01:44:38,990 --> 01:44:36,300

investigation that my little group did

2456

01:44:40,729 --> 01:44:39,000

you told me about that

2457

01:44:41,750 --> 01:44:40,739

um tell everybody about this I remember

2458

01:44:44,149 --> 01:44:41,760

this

2459

01:44:44,870 --> 01:44:44,159

we did a private investigation

2460

01:44:46,970 --> 01:44:44,880

um

2461

01:44:49,490 --> 01:44:46,980

it was here in Kokomo and it was in one

2462

01:44:52,129 --> 01:44:49,500

of the old houses in Alan Sycamore you

2463

01:44:55,669 --> 01:44:52,139

know but uh uh

2464

01:44:57,169 --> 01:44:55,679

we had set our camera up in um a room

2465

01:44:58,550 --> 01:44:57,179

and it was looking into another room and

2466

01:45:01,490 --> 01:44:58,560

there was like a doorway it was kind of

2467

01:45:02,510 --> 01:45:01,500

looking into a doorway and the video you

2468

01:45:04,910 --> 01:45:02,520

see

2469

01:45:07,070 --> 01:45:04,920

um a missed

2470

01:45:09,350 --> 01:45:07,080

in the shape of a head and a part of a

2471

01:45:12,530 --> 01:45:09,360

shoulder comes around the corner

2472

01:45:15,109 --> 01:45:12,540

it sees our camera and then it backs up

2473

01:45:16,850 --> 01:45:15,119

it goes back behind the thing you know

2474

01:45:17,870 --> 01:45:16,860

and we caught we caught that that was

2475

01:45:20,930 --> 01:45:17,880

pretty cool

2476

01:45:25,490 --> 01:45:20,940

and um

2477

01:45:28,070 --> 01:45:25,500

we've had conversations with stuff

2478

01:45:31,970 --> 01:45:28,080

with our K2 meters and our Tria Court

2479

01:45:35,030 --> 01:45:31,980

Tri meters you know where it would we

2480

01:45:37,910 --> 01:45:35,040

would ask uh yes or no questions and you

2481

01:45:39,830 --> 01:45:37,920

know make the lights flicker twice for

2482

01:45:41,870 --> 01:45:39,840

yes and once for no or whatever and it

2483

01:45:43,790 --> 01:45:41,880

would actually do it and then I remember

2484

01:45:48,169 --> 01:45:43,800

one time we did an investigation at the

2485

01:45:50,270 --> 01:45:48,179

Atlanta hotel in Atlanta Indiana and

2486

01:45:51,770 --> 01:45:50,280

um or was it the Atlanta I can't

2487

01:45:54,830 --> 01:45:51,780

remember what the Rhodes Hotel in

2488

01:45:57,410 --> 01:45:54,840

Atlanta India and um we're in the

2489

01:45:59,270 --> 01:45:57,420

preacher's room back there with our we

2490

01:46:01,850 --> 01:45:59,280

were doing an EVP session

2491

01:46:04,189 --> 01:46:01,860

and we heard footsteps that sounded like

2492

01:46:06,169 --> 01:46:04,199

a child running down the hall wooden

2493

01:46:08,149 --> 01:46:06,179

floor towards the room we were in

2494

01:46:11,209 --> 01:46:08,159

everybody heard it was clear and loud as

2495

01:46:12,470 --> 01:46:11,219

a bell and when we got up to look out

2496

01:46:15,830 --> 01:46:12,480

there and there was nothing in the

2497

01:46:18,470 --> 01:46:15,840

hallway but uh one of the reports that

2498

01:46:20,090 --> 01:46:18,480

people used to have in that house was a

2499

01:46:22,609 --> 01:46:20,100

little kid that would play ball up and

2500

01:46:24,290 --> 01:46:22,619

down the hall and we captured the sound

2501
01:46:26,629 --> 01:46:24,300
of the running up and down the hallway

2502
01:46:28,010 --> 01:46:26,639
we even captured the sound of a cat

2503
01:46:29,750 --> 01:46:28,020
meowing

2504
01:46:31,609 --> 01:46:29,760
uh over and over again and there wasn't

2505
01:46:34,370 --> 01:46:31,619
any cats in the house or around the

2506
01:46:37,189 --> 01:46:34,380
house the owners didn't have a cat

2507
01:46:39,709 --> 01:46:37,199
yeah I find

2508
01:46:42,229 --> 01:46:39,719
um I I think that everything is just

2509
01:46:45,649 --> 01:46:42,239
connected oh yeah and you know we're

2510
01:46:52,490 --> 01:46:45,659
talking about ghosts or Spirits or

2511
01:46:55,370 --> 01:46:52,500
voices or UFOs or the it seems to me

2512
01:46:57,530 --> 01:46:55,380
there's just another dimension in front

2513
01:47:01,669 --> 01:46:57,540

of us that exists

2514

01:47:05,169 --> 01:47:01,679

that we are not 100 aware of we're only

2515

01:47:08,810 --> 01:47:05,179

aware of it when the frequencies cross

2516

01:47:14,209 --> 01:47:08,820

Here's my thought on human brains I feel

2517

01:47:16,609 --> 01:47:14,219

like human brains are tube type radios

2518

01:47:18,050 --> 01:47:16,619

sitting in the middle of a digital Dolby

2519

01:47:21,109 --> 01:47:18,060

Surround Sound world

2520

01:47:23,689 --> 01:47:21,119

and I see myself in my office and I know

2521

01:47:26,689 --> 01:47:23,699

for a fact there are

2522

01:47:28,609 --> 01:47:26,699

Wi-Fi signals probably seven or eight of

2523

01:47:30,590 --> 01:47:28,619

them from my neighbors and and my

2524

01:47:33,830 --> 01:47:30,600

husband's got a couple

2525

01:47:36,350 --> 01:47:33,840

television signals radio signals are all

2526

01:47:38,870 --> 01:47:36,360

kinds of stuff coming right through this

2527

01:47:40,729 --> 01:47:38,880

room probably right through me I don't

2528

01:47:44,330 --> 01:47:40,739

see him my brain doesn't see him because

2529

01:47:47,050 --> 01:47:44,340

I'm not wired to receive them so I don't

2530

01:47:50,810 --> 01:47:47,060

perceive them but my

2531

01:47:54,410 --> 01:47:50,820

Wi-Fi on my phone it it's it's built to

2532

01:47:58,550 --> 01:47:54,420

receive the signal from my Wi-Fi right I

2533

01:48:01,430 --> 01:47:58,560

I think our brains are wired one way for

2534

01:48:03,169 --> 01:48:01,440

one thing but there's a whole bunch of

2535

01:48:06,590 --> 01:48:03,179

stuff going on around us

2536

01:48:08,030 --> 01:48:06,600

I feel like having the contact I had

2537

01:48:10,310 --> 01:48:08,040

with whatever this was when I was

2538

01:48:12,370 --> 01:48:10,320

younger that's why I said before I think

2539

01:48:15,169 --> 01:48:12,380

it affects

2540

01:48:17,930 --> 01:48:15,179

affects something in the way I perceive

2541

01:48:20,629 --> 01:48:17,940

things and maybe rerouted some wiring in

2542

01:48:22,729 --> 01:48:20,639

me I think that it does that to a lot of

2543

01:48:24,470 --> 01:48:22,739

people who have contact especially at a

2544

01:48:26,629 --> 01:48:24,480

young age when you're still you know

2545

01:48:27,169 --> 01:48:26,639

growing and stuff

2546

01:48:33,470 --> 01:48:27,179

um

2547

01:48:36,830 --> 01:48:33,480

able to receive and perceive things

2548

01:48:39,350 --> 01:48:36,840

maybe a little bit differently than most

2549

01:48:41,570 --> 01:48:39,360

people do even you know

2550

01:48:44,570 --> 01:48:41,580

back when we had that black triangle

2551
01:48:48,169 --> 01:48:44,580
sighting in April of 90 of 84 mom and I

2552
01:48:50,209 --> 01:48:48,179
over Indy uh we actually reported it to

2553
01:48:53,510 --> 01:48:50,219
the Center for UFO studies in Chicago

2554
01:48:56,450 --> 01:48:53,520
and when we called that 24-hour number

2555
01:48:57,169 --> 01:48:56,460
that bud gave us Dr heinek answered the

2556
01:49:00,169 --> 01:48:57,179
phone

2557
01:49:02,450 --> 01:49:00,179
uh so we talked to him and we both Drew

2558
01:49:05,510 --> 01:49:02,460
pictures and then my mother had a

2559
01:49:06,950 --> 01:49:05,520
conversation with him I think at one

2560
01:49:11,030 --> 01:49:06,960
other time

2561
01:49:13,910 --> 01:49:11,040
and he my mother always said that he

2562
01:49:16,189 --> 01:49:13,920
told her that he felt like uh from what

2563
01:49:18,470 --> 01:49:16,199

he was seeing what he was learning over

2564

01:49:22,729 --> 01:49:18,480

the years that maybe not everybody is

2565

01:49:25,669 --> 01:49:22,739

able to see these things or meant to

2566

01:49:27,410 --> 01:49:25,679

um like you you could put 10 people out

2567

01:49:29,209 --> 01:49:27,420

in the field and have something happen

2568

01:49:31,550 --> 01:49:29,219

but maybe only four people would

2569

01:49:33,649 --> 01:49:31,560

actually see it you know or notice it or

2570

01:49:35,270 --> 01:49:33,659

be able to see it I really believe that

2571

01:49:35,990 --> 01:49:35,280

I feel that

2572

01:49:38,570 --> 01:49:36,000

um

2573

01:49:41,209 --> 01:49:38,580

and I think that because I had contact

2574

01:49:42,950 --> 01:49:41,219

so young and at an early age especially

2575

01:49:45,830 --> 01:49:42,960

when my brain was growing and everything

2576

01:49:47,870 --> 01:49:45,840

I just feel like it's you know and then

2577

01:49:52,609 --> 01:49:47,880

I I had took the

2578

01:49:54,530 --> 01:49:52,619

I went from UFO stuff mostly into the

2579

01:49:57,830 --> 01:49:54,540

Paranormal because we were experiencing

2580

01:50:00,410 --> 01:49:57,840

paranormal activity at the same time we

2581

01:50:02,330 --> 01:50:00,420

were having the UFO stuff when it was

2582

01:50:05,810 --> 01:50:02,340

when when the activity was at its peak

2583

01:50:08,330 --> 01:50:05,820

back in the 80s and early 90s we were

2584

01:50:10,250 --> 01:50:08,340

also experiencing a peak in paranormal

2585

01:50:12,109 --> 01:50:10,260

activity in our home and around us and

2586

01:50:15,109 --> 01:50:12,119

it wasn't just in the house

2587

01:50:16,790 --> 01:50:15,119

it would be where we moved

2588

01:50:19,250 --> 01:50:16,800

um you know like when I moved away from

2589

01:50:21,470 --> 01:50:19,260

my mom and dad's house it followed me

2590

01:50:22,850 --> 01:50:21,480

sorry about my dogs they must have just

2591

01:50:24,830 --> 01:50:22,860

gotten out of the bedroom I don't know

2592

01:50:27,830 --> 01:50:24,840

if you can hear them barking or not they

2593

01:50:29,750 --> 01:50:27,840

sound wonderful they're a little ankle

2594

01:50:33,290 --> 01:50:29,760

biters but anyway

2595

01:50:37,250 --> 01:50:33,300

um so and I made the transition in the

2596

01:50:39,290 --> 01:50:37,260

early 2000s from UFO Only research to

2597

01:50:41,990 --> 01:50:39,300

Paranormal research and I got involved

2598

01:50:43,850 --> 01:50:42,000

in that's how that's when I first

2599

01:50:47,570 --> 01:50:43,860

uh started to learn more about

2600

01:50:49,490 --> 01:50:47,580

Paranormal Activity uh and research it

2601
01:50:50,990 --> 01:50:49,500
and investigate it for the people you

2602
01:50:53,090 --> 01:50:51,000
know and I feel like there's the

2603
01:50:55,310 --> 01:50:53,100
connection I don't know so far the only

2604
01:50:57,530 --> 01:50:55,320
common denominator I've found is the

2605
01:50:59,390 --> 01:50:57,540
actual experiencer themselves you know

2606
01:51:02,330 --> 01:50:59,400
it seems that a lot of people who have

2607
01:51:04,609 --> 01:51:02,340
UFO activity have this other layer of

2608
01:51:07,070 --> 01:51:04,619
Paranormal Activity happening at the

2609
01:51:08,689 --> 01:51:07,080
same time or or you know kind of

2610
01:51:10,750 --> 01:51:08,699
overlapping

2611
01:51:14,149 --> 01:51:10,760
there's got to be a connection you

2612
01:51:18,189 --> 01:51:14,159
explain it so well though it's a very

2613
01:51:21,830 --> 01:51:18,199

elegant way to look at it because

2614

01:51:25,490 --> 01:51:21,840

right now I'm looking at a computer

2615

01:51:29,090 --> 01:51:25,500

screen with you on it right your image

2616

01:51:33,609 --> 01:51:29,100

this is a digital carrier signal and the

2617

01:51:37,490 --> 01:51:33,619

same signal is uh accessible on Wi-Fi

2618

01:51:39,649 --> 01:51:37,500

going through the air to that can be

2619

01:51:41,990 --> 01:51:39,659

received by something but what what

2620

01:51:45,410 --> 01:51:42,000

comes out of it

2621

01:51:50,330 --> 01:51:45,420

is a picture is a world right and that's

2622

01:51:52,070 --> 01:51:50,340

that's what we see and that idea that

2623

01:51:56,870 --> 01:51:52,080

just right there if we can understand

2624

01:51:58,310 --> 01:51:56,880

that then there is a way to see a whole

2625

01:52:02,510 --> 01:51:58,320

lot of things

2626
01:52:05,750 --> 01:52:02,520
and to have those signals going through

2627
01:52:09,350 --> 01:52:05,760
you know the ether right the air into

2628
01:52:11,149 --> 01:52:09,360
our brains so we can see the world right

2629
01:52:13,189 --> 01:52:11,159
that's that's what's happening this is

2630
01:52:15,350 --> 01:52:13,199
an electronic signal between your eye

2631
01:52:18,410 --> 01:52:15,360
and your brain with nerves

2632
01:52:20,390 --> 01:52:18,420
so we can see reality and if we just

2633
01:52:22,609 --> 01:52:20,400
take that concept and apply it to

2634
01:52:25,189 --> 01:52:22,619
everything across the board that's

2635
01:52:27,770 --> 01:52:25,199
that's definitely would explain a lot of

2636
01:52:30,050 --> 01:52:27,780
what's going on especially when you know

2637
01:52:33,830 --> 01:52:30,060
what I'm going to be straight

2638
01:52:35,870 --> 01:52:33,840

that black triangle or a UFO that

2639

01:52:38,570 --> 01:52:35,880

appears and disappears in the sky right

2640

01:52:41,570 --> 01:52:38,580

in front of your eyes right what what do

2641

01:52:43,729 --> 01:52:41,580

you mean disappearing wow it just it

2642

01:52:46,970 --> 01:52:43,739

came and went out of a dimension it

2643

01:52:51,109 --> 01:52:46,980

didn't necessarily disappear right it

2644

01:52:53,870 --> 01:52:51,119

didn't demolecularize it came into this

2645

01:52:55,129 --> 01:52:53,880

dimension for a brief second the black

2646

01:52:57,709 --> 01:52:55,139

triangle

2647

01:52:59,350 --> 01:52:57,719

which was seen over going back to our

2648

01:53:04,010 --> 01:52:59,360

neighborhood right

2649

01:53:06,470 --> 01:53:04,020

this is a densely populated area so why

2650

01:53:09,770 --> 01:53:06,480

didn't uh the Indianapolis Police

2651
01:53:11,890 --> 01:53:09,780
Department why didn't 9-1-1 you know the

2652
01:53:15,470 --> 01:53:11,900
phone system light up that night

2653
01:53:17,510 --> 01:53:15,480
this thing was huge yeah only certain

2654
01:53:21,169 --> 01:53:17,520
people see things

2655
01:53:23,090 --> 01:53:21,179
um uh at a time it's it's a really

2656
01:53:25,669 --> 01:53:23,100
strange thing and I I think you explain

2657
01:53:27,470 --> 01:53:25,679
it really well I do Debbie I mean I

2658
01:53:29,990 --> 01:53:27,480
could be wrong I mean these are what I'm

2659
01:53:32,090 --> 01:53:30,000
saying is just my thoughts and theories

2660
01:53:34,850 --> 01:53:32,100
on things you know I've thought about it

2661
01:53:38,229 --> 01:53:34,860
for a long time I had a year in my life

2662
01:53:41,990 --> 01:53:38,239
when I got like all these images and

2663
01:53:43,850 --> 01:53:42,000

messages not messages but like phrases

2664

01:53:46,790 --> 01:53:43,860

and words that I'd have to write down or

2665

01:53:48,830 --> 01:53:46,800

Draw and one of the things I drew was a

2666

01:53:50,709 --> 01:53:48,840

bunch of bubbles all touching together

2667

01:53:54,229 --> 01:53:50,719

soap bubbles

2668

01:53:56,990 --> 01:53:54,239

and somewhere somebody somehow told me

2669

01:53:59,510 --> 01:53:57,000

that those bubbles were universes and

2670

01:54:01,970 --> 01:53:59,520

those little places where they touch and

2671

01:54:03,950 --> 01:54:01,980

wear a soap bubble kind of becomes the

2672

01:54:06,169 --> 01:54:03,960

bubble it touches for a minute

2673

01:54:08,870 --> 01:54:06,179

those are the places where you can pass

2674

01:54:11,750 --> 01:54:08,880

through but they're fleeting they don't

2675

01:54:14,629 --> 01:54:11,760

last long because this whole thing moves

2676

01:54:16,550 --> 01:54:14,639

and you know that's just always stuck

2677

01:54:18,410 --> 01:54:16,560

with me and then when I hear Michio Kaku

2678

01:54:20,570 --> 01:54:18,420

say things like and I probably said his

2679

01:54:22,129 --> 01:54:20,580

name wrong but I love him so much you

2680

01:54:25,669 --> 01:54:22,139

know there's a dinosaur in your living

2681

01:54:28,010 --> 01:54:25,679

room right now I get that I see that I

2682

01:54:33,010 --> 01:54:28,020

know what that means and I believe that

2683

01:54:35,629 --> 01:54:33,020

I don't know I see this my brain just

2684

01:54:38,689 --> 01:54:35,639

goes everywhere

2685

01:54:40,729 --> 01:54:38,699

oh man absolute very best what are you

2686

01:54:41,950 --> 01:54:40,739

doing now what's what what's going on in

2687

01:54:45,050 --> 01:54:41,960

your world

2688

01:54:48,229 --> 01:54:45,060

right now I'm using another appearance

2689

01:54:51,530 --> 01:54:48,239

uh happening I'm gonna be um actually

2690

01:54:54,830 --> 01:54:51,540

I'm gonna be going to the UFO Con in uh

2691

01:54:56,629 --> 01:54:54,840

San Francisco in March okay I'm going to

2692

01:54:57,709 --> 01:54:56,639

speak there

2693

01:54:59,750 --> 01:54:57,719

um this is going to be the first time

2694

01:55:03,470 --> 01:54:59,760

I've been out for a long time

2695

01:55:05,990 --> 01:55:03,480

so uh you know I hope I don't

2696

01:55:07,870 --> 01:55:06,000

I hope I don't mess up

2697

01:55:11,030 --> 01:55:07,880

I'll be just fine

2698

01:55:13,250 --> 01:55:11,040

and uh and there there may be something

2699

01:55:15,290 --> 01:55:13,260

with Debbie and I in our future too as

2700

01:55:17,810 --> 01:55:15,300

well I can't really say too much right

2701

01:55:19,970 --> 01:55:17,820

now but but we've got something in the

2702

01:55:23,209 --> 01:55:19,980

works we've got something in the works

2703

01:55:26,030 --> 01:55:23,219

so there you go Debbie thank you so much

2704

01:55:28,850 --> 01:55:26,040

enjoy the rest of the holidays and and

2705

01:55:31,669 --> 01:55:28,860

and and the new year and let's speak

2706

01:55:36,410 --> 01:55:31,679

over the next couple of days thank you

2707

01:55:39,530 --> 01:55:36,420

oh um can everybody go and uh visit you

2708

01:55:41,570 --> 01:55:39,540

at debshome.com yes they can and they

2709

01:55:43,310 --> 01:55:41,580

can also if they want to get my book

2710

01:55:46,129 --> 01:55:43,320

extraordinary contact they can get that

2711

01:55:48,169 --> 01:55:46,139

on Amazon or books a million or Barnes

2712

01:55:50,330 --> 01:55:48,179

and Nobles online they're all available

2713

01:55:53,330 --> 01:55:50,340

up there yeah and everything is over at

2714

01:55:55,669 --> 01:55:53,340

Deb's home so there you go Debbie thank

2715

01:55:57,830 --> 01:55:55,679

you so much now go make some tenderloins

2716

01:56:00,649 --> 01:55:57,840

and send me more

2717

01:56:01,870 --> 01:56:00,659

all right I'll talk to you bye dad all

2718

01:56:05,510 --> 01:56:01,880

right bye-bye

2719

01:56:08,330 --> 01:56:05,520

Debbie Cobble and uh it's extraordinary

2720

01:56:11,750 --> 01:56:08,340

uh her website debshome.com the links

2721

01:56:14,270 --> 01:56:11,760

are in social media and over on our

2722

01:56:17,450 --> 01:56:14,280

website you can go and check out uh

2723

01:56:19,669 --> 01:56:17,460

Debbie over there and yes she just sent

2724

01:56:21,410 --> 01:56:19,679

me pictures of the tenderloins that she

2725

01:56:24,530 --> 01:56:21,420

just made

2726

01:56:26,450 --> 01:56:24,540

and they looked really good this is Fade

2727

01:56:30,649 --> 01:56:26,460

to Black I'm Yours Jimmy church so we

2728

01:56:33,830 --> 01:56:30,659

had uh we had Kane we had Cobble and

2729

01:56:37,250 --> 01:56:33,840

tomorrow we have cosme that's right oh

2730

01:56:38,750 --> 01:56:37,260

an amazing week here on Fade to Black so

2731

01:56:42,830 --> 01:56:38,760

tomorrow nights

2732

01:56:45,290 --> 01:56:42,840

Sarah breskman cosme is with us

2733

01:56:50,450 --> 01:56:45,300

I'm here with Jimmy church this is Fade

2734

01:56:53,930 --> 01:56:50,460

to Black and we just went pole to pole

2735

01:56:55,790 --> 01:56:53,940

beginning to end with Debbie Cobble it

2736

01:56:57,169 --> 01:56:55,800

was amazing thank you Debbie paid the

2737

01:56:59,629 --> 01:56:57,179

black kids produced by Hilton J Palm

2738

01:57:02,570 --> 01:56:59,639

Renee Dennis and Kevin webmaster is Drew

2739

01:57:04,149 --> 01:57:02,580

the geek music Doug Aldridge intro space

2740

01:57:08,810 --> 01:57:04,159

boy

2741

01:57:11,390 --> 01:57:08,820

produced by kjcr for the game changer

2742

01:57:12,970 --> 01:57:11,400

Network and this broadcast is owned and

2743

01:57:15,530 --> 01:57:12,980

copyrighted

2744

01:57:17,990 --> 01:57:15,540

2023 by Fade to Black in the game

2745

01:57:19,729 --> 01:57:18,000

changer Network Inc it cannot be

2746

01:57:21,169 --> 01:57:19,739

rebroadcast sound or the copy they're

2747

01:57:23,149 --> 01:57:21,179

used anywhere in the known universe

2748

01:57:24,589 --> 01:57:23,159

without written permission from Fade to

2749

01:57:26,990 --> 01:57:24,599

Black in the game changer Network I'm

2750

01:57:29,629 --> 01:57:27,000

your Tippy church until tomorrow night

2751

01:57:32,030 --> 01:57:29,639

with Sarah breskman cosme I want

2752

01:57:36,770 --> 01:57:32,040

everybody to be safe
