

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Wed Jan 25, 2023 **LIVE**

1
00:00:42,549 --> 00:00:28,840

[Music]

2
00:00:49,549 --> 00:00:45,709
welcome Fade to Black breaking news for

3
00:00:52,670 --> 00:00:49,559
this Wednesday January 25th 2023 I'm

4
00:00:56,090 --> 00:00:52,680
Jimmy church this is all of the news

5
00:00:58,069 --> 00:00:56,100
that you need on this day in history in

6
00:01:03,130 --> 00:00:58,079
1905

7
00:01:06,490 --> 00:01:03,140
at the premier mine in South Africa a

8
00:01:10,010 --> 00:01:06,500
3106 carat diamond is discovered

9
00:01:14,330 --> 00:01:10,020
weighing 1.33 pounds and named the

10
00:01:17,810 --> 00:01:14,340
culinan it was the largest diamond ever

11
00:01:19,730 --> 00:01:17,820
found on this day in 1905. here's your

12
00:01:21,850 --> 00:01:19,740
fader fact today

13
00:01:25,990 --> 00:01:21,860

and it's vetted

14

00:01:29,149 --> 00:01:26,000

cats don't naturally meow

15

00:01:33,289 --> 00:01:29,159

meowing is in addition to the cat's

16

00:01:36,350 --> 00:01:33,299

vocabulary after birth and made to

17

00:01:40,190 --> 00:01:36,360

communicate with humans

18

00:01:43,730 --> 00:01:40,200

and that is your fader fact let's get to

19

00:01:47,590 --> 00:01:43,740

the breaking news an iceberg the size of

20

00:01:49,550 --> 00:01:47,600

London broke off in Antarctica on Sunday

21

00:01:51,710 --> 00:01:49,560

scientists first discovered the

22

00:01:54,170 --> 00:01:51,720

significant cracks in the ice shelf a

23

00:01:57,350 --> 00:01:54,180

decade ago but in the last two years

24

00:02:00,530 --> 00:01:57,360

there have been two major breaks the Bas

25

00:02:03,289 --> 00:02:00,540

Holly research station is located on the

26

00:02:07,010 --> 00:02:03,299

brunt ice shelf and officials say the

27

00:02:10,490 --> 00:02:07,020

research station is safe the iceberg is

28

00:02:13,610 --> 00:02:10,500

around 600 square miles the researchers

29

00:02:17,150 --> 00:02:13,620

say this event was expected and not a

30

00:02:20,030 --> 00:02:17,160

result of climate change satellite data

31

00:02:22,309 --> 00:02:20,040

since 1978 shows that the region was

32

00:02:27,710 --> 00:02:22,319

still producing record high sea ice

33

00:02:31,490 --> 00:02:27,720

extend as recently as 2014 and 2015.

34

00:02:36,050 --> 00:02:31,500

then it suddenly plunged in 2016 and has

35

00:02:40,369 --> 00:02:36,060

stayed lower than an average sense

36

00:02:42,589 --> 00:02:40,379

aboard hacktivist browsing an unsecured

37

00:02:46,130 --> 00:02:42,599

Airline server stumbled upon National

38

00:02:48,369 --> 00:02:46,140

Security Secrets including the FBI's

39

00:02:51,650 --> 00:02:48,379

no-fly list

40

00:02:53,690 --> 00:02:51,660

Maya cream you described by the

41

00:02:56,990 --> 00:02:53,700

Department of Justice as a prolific

42

00:03:00,350 --> 00:02:57,000

hacker said she was just clicking around

43

00:03:03,949 --> 00:03:00,360

on an unprotected server for commute air

44

00:03:05,930 --> 00:03:03,959

on January 12th commute air is a

45

00:03:08,930 --> 00:03:05,940

regional airline that partners with the

46

00:03:13,670 --> 00:03:08,940

United Airlines to form United Express

47

00:03:18,229 --> 00:03:13,680

routes and the server contained amongst

48

00:03:22,449 --> 00:03:18,239

its files a 2019 version of the FBI's

49

00:03:26,630 --> 00:03:22,459

no-fly list the file called

50

00:03:28,910 --> 00:03:26,640

nofly.csv contains over 1.5 million

51
00:03:31,309 --> 00:03:28,920
entries including names and dates of

52
00:03:35,750 --> 00:03:31,319
birth of people the FBI identifies as

53
00:03:38,809 --> 00:03:35,760
quote known or suspected terrorist end

54
00:03:41,750 --> 00:03:38,819
quote the credential she found which

55
00:03:46,009 --> 00:03:41,760
gave her access to the files would also

56
00:03:49,250 --> 00:03:46,019
allow her access to internal interfaces

57
00:03:52,970 --> 00:03:49,260
that controlled refueling canceling

58
00:03:55,970 --> 00:03:52,980
updating flights and swapping out crew

59
00:03:58,009 --> 00:03:55,980
members and unprotected server

60
00:04:00,710 --> 00:03:58,019
absolutely incredible

61
00:04:05,030 --> 00:04:00,720
now artificial intelligence back in the

62
00:04:11,149 --> 00:04:05,040
news because CNET that's right

63
00:04:13,250 --> 00:04:11,159

CNET has paused AI written articles

64

00:04:16,789 --> 00:04:13,260

all of this after more than a week of

65

00:04:19,490 --> 00:04:16,799

pushback the tech Network told staff it

66

00:04:20,930 --> 00:04:19,500

would stop publishing AI generated

67

00:04:22,850 --> 00:04:20,940

content

68

00:04:26,689 --> 00:04:22,860

for now

69

00:04:30,050 --> 00:04:26,699

CNET acquired in 2020 by private Equity

70

00:04:33,050 --> 00:04:30,060

Group Red Ventures has been quietly

71

00:04:37,390 --> 00:04:33,060

publishing AI generated content for

72

00:04:42,530 --> 00:04:37,400

months under the byline CNET money staff

73

00:04:45,770 --> 00:04:42,540

or CNET money according to Lance Davis a

74

00:04:49,010 --> 00:04:45,780

Red Ventures executive other sites owned

75

00:04:52,249 --> 00:04:49,020

by Red Ventures including bank rate and

76
00:04:56,570 --> 00:04:52,259
credit cards.com have also been using

77
00:04:58,370 --> 00:04:56,580
the same unnamed proprietary AI tool to

78
00:05:01,909 --> 00:04:58,380
generate content

79
00:05:04,790 --> 00:05:01,919
CNN has been using some of uh some form

80
00:05:08,510 --> 00:05:04,800
of automated assistance and posts for at

81
00:05:13,310 --> 00:05:08,520
least the past 18 months and has issued

82
00:05:16,670 --> 00:05:13,320
Corrections on 41 of 77 stories that

83
00:05:18,110 --> 00:05:16,680
were published and written with their AI

84
00:05:20,030 --> 00:05:18,120
tool

85
00:05:22,670 --> 00:05:20,040
you just don't know anymore what's human

86
00:05:26,749 --> 00:05:22,680
and what is not

87
00:05:31,129 --> 00:05:26,759
the non-native aggressive eats anything

88
00:05:34,189 --> 00:05:31,139

air breathing land Crossing fish known

89
00:05:37,010 --> 00:05:34,199
as the snakehead was documented for the

90
00:05:39,950 --> 00:05:37,020
first time in the Gulf Coast region of

91
00:05:42,170 --> 00:05:39,960
Florida the fish were discovered in

92
00:05:46,070 --> 00:05:42,180
freshwater ponds in Manatee County

93
00:05:48,409 --> 00:05:46,080
Florida about 155 miles from the only

94
00:05:51,170 --> 00:05:48,419
other known population of this species

95
00:05:54,129 --> 00:05:51,180
in the United States which has existed

96
00:05:57,350 --> 00:05:54,139
in Broward County since about the year

97
00:05:59,629 --> 00:05:57,360
2000. Florida Fish and Wildlife

98
00:06:03,350 --> 00:05:59,639
Conservation Commission removed almost

99
00:06:05,629 --> 00:06:03,360
400 snakeheads from the ponds how did

100
00:06:09,650 --> 00:06:05,639
they get there well they did it by

101
00:06:12,790 --> 00:06:09,660
traveling over land through sewers and

102
00:06:16,570 --> 00:06:12,800
probably hitching a ride on a car or two

103
00:06:19,870 --> 00:06:16,580
this is scary stuff

104
00:06:23,210 --> 00:06:19,880
Egyptian archaeologists announced today

105
00:06:26,510 --> 00:06:23,220
the discovery of the first burial site

106
00:06:29,870 --> 00:06:26,520
in the city of Luxor that dates back to

107
00:06:32,990 --> 00:06:29,880
the 13th Dynasty that means the

108
00:06:35,629 --> 00:06:33,000
sarcophagi and the remains and artifacts

109
00:06:40,189 --> 00:06:35,639
found at the site in luxor's dra Abu

110
00:06:43,689 --> 00:06:40,199
al-naga necropolis date back almost 4

111
00:06:47,330 --> 00:06:43,699
000 years to sometime between 1803 BC

112
00:06:49,809 --> 00:06:47,340
and 1649 BC

113
00:06:53,870 --> 00:06:49,819

among the discoveries in the burial site

114

00:06:58,909 --> 00:06:53,880

was a complete sarcophagus made of pink

115

00:07:01,969 --> 00:06:58,919

Granite weighing 11 tons inscribed with

116

00:07:03,590 --> 00:07:01,979

the name of a minister named anko who

117

00:07:07,790 --> 00:07:03,600

lived there during the reign of King

118

00:07:09,770 --> 00:07:07,800

Sobo hope the second during the 13th

119

00:07:13,670 --> 00:07:09,780

Dynasty

120

00:07:17,749 --> 00:07:13,680

Joseph oshbacher the European space

121

00:07:20,809 --> 00:07:17,759

agency's director said today that it's

122

00:07:23,870 --> 00:07:20,819

crucial to rebuild Europe's access to

123

00:07:25,850 --> 00:07:23,880

space following the botched launch of a

124

00:07:29,089 --> 00:07:25,860

European rocket carrying two Earth

125

00:07:31,909 --> 00:07:29,099

observation satellites last year and the

126

00:07:36,409 --> 00:07:31,919

delayed introduction of their new Arion

127

00:07:39,110 --> 00:07:36,419

6 rocket launcher ashbacher said the esa

128

00:07:41,589 --> 00:07:39,120

is working at identifying the causes of

129

00:07:45,529 --> 00:07:41,599

the failure of the vegancy rocket launch

130

00:07:48,110 --> 00:07:45,539

in French Guyana the launch of Legacy

131

00:07:51,650 --> 00:07:48,120

was meant to take two Earth observation

132

00:07:55,430 --> 00:07:51,660

satellites made by Airbus the neo5 and

133

00:07:58,309 --> 00:07:55,440

the neo6 into orbit the satellites and

134

00:08:01,189 --> 00:07:58,319

check this the satellites would have

135

00:08:05,870 --> 00:08:01,199

been capable of taking images of any

136

00:08:08,629 --> 00:08:05,880

point on Earth with the resolution of 30

137

00:08:11,629 --> 00:08:08,639

centimeters incredible

138

00:08:13,490 --> 00:08:11,639

the delayed launch of the Arion 6 is

139

00:08:15,589 --> 00:08:13,500

stopping Europe's capacity to send

140

00:08:18,650 --> 00:08:15,599

satellites into space with all that

141

00:08:21,730 --> 00:08:18,660

competition from SpaceX and other rocker

142

00:08:24,230 --> 00:08:21,740

programs in the United States and China

143

00:08:26,330 --> 00:08:24,240

so there you go that's all of your Fade

144

00:08:30,350 --> 00:08:26,340

to Black breaking news that you need for

145

00:08:33,290 --> 00:08:30,360

this Wednesday January 25th 2023

146

00:08:35,990 --> 00:08:33,300

breaking news is produced by Renee

147

00:08:41,590 --> 00:08:36,000

Newman I'm Jimmy Church

148

00:09:03,700 --> 00:08:53,730

[Music]
