

# FADE TO BLACK

with JIMMY CHURCH

**PRESENTS**

## ASK ME ANYTHING

JIMMY CHURCH ANSWERS ALL!

THUR JAN 26 **LIVE**

7:00 PM PT/10:00PM ET

Ask Me  
Anything

1  
00:00:41,470 --> 00:00:36,490

[Music]

2  
00:00:44,750 --> 00:00:41,480

the smoke radio for the masses of July 8

3  
00:00:47,150 --> 00:00:44,760

1947 the Army Air Forces has announced

4  
00:00:49,250 --> 00:00:47,160

that applying disc has been found and is

5  
00:00:52,310 --> 00:00:49,260

now in the possession of the army

6  
00:00:56,090 --> 00:00:52,320

game is rigged change the game game

7  
00:00:59,330 --> 00:00:56,100

changer I occasionally think how quickly

8  
00:01:02,389 --> 00:00:59,340

hard difference is worldwide would

9  
00:01:04,440 --> 00:01:02,399

vanish if we were facing an alien threat

10  
00:01:06,240 --> 00:01:04,450

from outside this work

11  
00:01:06,430 --> 00:01:06,250

[Music]

12  
00:01:08,710 --> 00:01:06,440

[Applause]

13  
00:01:11,630 --> 00:01:08,720

[Music]

14

00:01:14,510 --> 00:01:11,640

this is Fade to Black with your host

15

00:01:15,200 --> 00:01:14,520

Jimmy Church on the game changer Radio

16

00:01:18,649 --> 00:01:15,210

Network

17

00:01:25,450 --> 00:01:21,710

all right welcome Fade to Black I'm your

18

00:01:29,469 --> 00:01:25,460

host Jimmy church today is Thursday

19

00:01:34,609 --> 00:01:33,230

2023. how you doing everybody tonight's

20

00:01:37,789 --> 00:01:34,619

tonight we're going to get straight to

21

00:01:39,289 --> 00:01:37,799

it it's our AMA we haven't done an AMA

22

00:01:42,230 --> 00:01:39,299

in a while trying to do them about once

23

00:01:46,190 --> 00:01:42,240

a month or so and uh so here we are it's

24

00:01:49,310 --> 00:01:46,200

Thursday night AMA and what you can do

25

00:01:50,330 --> 00:01:49,320

ask me anything uh lots of stuff going

26

00:01:57,469 --> 00:01:50,340

on

27

00:02:00,469 --> 00:01:57,479

talk about stuff well I do with uh

28

00:02:02,929 --> 00:02:00,479

Christina Gomez and uh I take over her

29

00:02:04,850 --> 00:02:02,939

show once a week but nonetheless

30

00:02:07,010 --> 00:02:04,860

I don't get a chance right and so we're

31

00:02:09,169 --> 00:02:07,020

going to do that tonight uh there's lots

32

00:02:11,390 --> 00:02:09,179

of headlines there's lots of stuff and

33

00:02:14,390 --> 00:02:11,400

and and whatever it does it doesn't

34

00:02:17,210 --> 00:02:14,400

matter it's uh ask me anything and you

35

00:02:20,830 --> 00:02:17,220

can post your questions in YouTube chat

36

00:02:24,410 --> 00:02:20,840

and if you do that over there if you can

37

00:02:27,110 --> 00:02:24,420

well actually I implore you

38

00:02:28,850 --> 00:02:27,120

um all caps so that way I can see it I'm

39

00:02:31,610 --> 00:02:28,860

blind as a bat and you can see I'm

40

00:02:34,130 --> 00:02:31,620

wearing my glasses tonight and uh so you

41

00:02:37,790 --> 00:02:34,140

can post there and then also over in

42

00:02:41,030 --> 00:02:37,800

Twitter hashtag f2b which is the sandbox

43

00:02:44,390 --> 00:02:41,040

you can also use hashtag f2bq I have

44

00:02:45,670 --> 00:02:44,400

both of them live in front of me uh

45

00:02:49,610 --> 00:02:45,680

right now

46

00:02:52,850 --> 00:02:49,620

and uh and also Facebook

47

00:02:56,150 --> 00:02:52,860

so our Facebook radio page and let me

48

00:02:59,229 --> 00:02:56,160

get that geared up too as well uh so it

49

00:03:01,910 --> 00:02:59,239

is right in front of me

50

00:03:03,890 --> 00:03:01,920

and there you go okay so now I got the

51  
00:03:05,930 --> 00:03:03,900  
radio page up and let me scroll down

52  
00:03:07,150 --> 00:03:05,940  
here let me make sure that we're queued

53  
00:03:12,890 --> 00:03:07,160  
up

54  
00:03:15,530 --> 00:03:12,900  
and there it is live okay yes

55  
00:03:18,229 --> 00:03:15,540  
yes yes yes okay so now I've got that

56  
00:03:20,809 --> 00:03:18,239  
live in front of me too so I think we're

57  
00:03:25,369 --> 00:03:20,819  
set up and we are good to go there's uh

58  
00:03:28,130 --> 00:03:25,379  
Fade to Black questions hashtag f2b okay

59  
00:03:28,750 --> 00:03:28,140  
so those are good and then we have

60  
00:03:30,670 --> 00:03:28,760  
um

61  
00:03:34,729 --> 00:03:30,680  
uh

62  
00:03:38,210 --> 00:03:34,739  
wants to start off how many questions

63  
00:03:40,789 --> 00:03:38,220

can we ask uh one and you just did

64

00:03:43,850 --> 00:03:40,799

genocide so uh there you go that's how

65

00:03:45,890 --> 00:03:43,860

you do it all caps just like that and

66

00:03:49,009 --> 00:03:45,900

that way John aside it's your birthday

67

00:03:51,530 --> 00:03:49,019

right so uh I'll give you a pass card

68

00:03:54,009 --> 00:03:51,540

you can you can do one more oh wait um

69

00:03:57,670 --> 00:03:54,019

it's Bill's birthday today too as well

70

00:04:00,890 --> 00:03:57,680

I'm just kidding happy birthday Bill

71

00:04:03,110 --> 00:04:00,900

and uh there you go happy birthday Bill

72

00:04:06,050 --> 00:04:03,120

uh that's really cool it was kind of

73

00:04:09,350 --> 00:04:06,060

weird because I thought Bill's birthday

74

00:04:12,110 --> 00:04:09,360

already happened like last month and I

75

00:04:14,270 --> 00:04:12,120

was like how can it be his birthday

76

00:04:15,949 --> 00:04:14,280

already so I don't know I think he's

77

00:04:20,090 --> 00:04:15,959

playing with all of us

78

00:04:22,550 --> 00:04:20,100

and uh so there you go all caps in the

79

00:04:23,930 --> 00:04:22,560

chat all caps and hashtag of just all

80

00:04:27,409 --> 00:04:23,940

caps period

81

00:04:31,550 --> 00:04:27,419

okay that way you know it stands out for

82

00:04:33,710 --> 00:04:31,560

me it just stands out for me

83

00:04:35,290 --> 00:04:33,720

um I want to kick off the show uh

84

00:04:37,370 --> 00:04:35,300

tonight

85

00:04:40,430 --> 00:04:37,380

with um

86

00:04:45,710 --> 00:04:40,440

let me give you a little insight

87

00:04:48,890 --> 00:04:45,720

of uh I have been as been going off and

88

00:04:50,270 --> 00:04:48,900

on now for about six months but I

89

00:04:54,290 --> 00:04:50,280

haven't told anybody and you guys

90

00:04:59,570 --> 00:04:54,300

certainly haven't seen this and today I

91

00:05:06,249 --> 00:05:02,870

Horizon for Forza 5. it's a driving

92

00:05:09,710 --> 00:05:06,259

racing game okay

93

00:05:11,030 --> 00:05:09,720

and uh you know and it's just my little

94

00:05:15,050 --> 00:05:11,040

thing and I do it on the side and I've

95

00:05:17,930 --> 00:05:15,060

got a setup in here and uh underneath

96

00:05:22,129 --> 00:05:17,940

right here I've got my uh

97

00:05:25,070 --> 00:05:22,139

my my pedals right down here and and

98

00:05:27,830 --> 00:05:25,080

I've got my wheel which is a a Logitech

99

00:05:30,110 --> 00:05:27,840

I think it's a the the G20 I'm not

100

00:05:33,950 --> 00:05:30,120

kidding look this sits underneath the

101  
00:05:38,570 --> 00:05:37,730  
this bolts to the desk

102  
00:05:41,210 --> 00:05:38,580  
um

103  
00:05:43,070 --> 00:05:41,220  
in my free time and so the steering

104  
00:05:46,610 --> 00:05:43,080  
wheel bolts down right here you know and

105  
00:05:48,830 --> 00:05:46,620  
I've got uh uh three monitors here and

106  
00:05:52,010 --> 00:05:48,840  
these are curved so I've got this

107  
00:05:53,560 --> 00:05:52,020  
sweeping pattern that kind of Forza I'm

108  
00:05:54,730 --> 00:05:53,570  
just in here

109  
00:05:58,850 --> 00:05:54,740  
[Music]

110  
00:06:00,950 --> 00:05:58,860  
and uh and so last night and this is

111  
00:06:04,189 --> 00:06:00,960  
this is why I'm even mentioning it uh

112  
00:06:06,110 --> 00:06:04,199  
today so it's really weird it's my own

113  
00:06:09,290 --> 00:06:06,120

little I keep it a secret from myself

114

00:06:11,450 --> 00:06:09,300

right so when I'm not playing uh you

115

00:06:15,290 --> 00:06:11,460

know uh you know it's just a few minutes

116

00:06:16,969 --> 00:06:15,300

a day and whatever uh allegedly I unbolt

117

00:06:19,249 --> 00:06:16,979

Everything clean everything up

118

00:06:22,010 --> 00:06:19,259

move the keyboards back and I could have

119

00:06:26,090 --> 00:06:22,020

so last night uh I was stuck in this

120

00:06:28,070 --> 00:06:26,100

thing uh uh and uh just this monstrous

121

00:06:28,969 --> 00:06:28,080

drive all the way across Mexico in one

122

00:06:30,469 --> 00:06:28,979

shot

123

00:06:32,870 --> 00:06:30,479

and you got to do it in this time limit

124

00:06:35,809 --> 00:06:32,880

and if you don't do it man you got and

125

00:06:37,610 --> 00:06:35,819

you can't reset it you gotta drive all

126  
00:06:39,950 --> 00:06:37,620  
the way across Mexico I'm driving

127  
00:06:42,830 --> 00:06:39,960  
through Fields just mowing down

128  
00:06:44,870 --> 00:06:42,840  
everything trying to get back and uh and

129  
00:06:47,629 --> 00:06:44,880  
last night I was like I was through and

130  
00:06:49,070 --> 00:06:47,639  
I tried like four times uh driving

131  
00:06:51,469 --> 00:06:49,080  
across Mexico

132  
00:06:53,689 --> 00:06:51,479  
and I was like I can't do this anymore

133  
00:06:55,909 --> 00:06:53,699  
and I just got up and I walked out

134  
00:06:58,670 --> 00:06:55,919  
normally

135  
00:07:01,909 --> 00:06:58,680  
um when I exit the bunker everything

136  
00:07:03,890 --> 00:07:01,919  
gets shut off all the lights are down oh

137  
00:07:12,050 --> 00:07:03,900  
the computer everything just goes black

138  
00:07:17,570 --> 00:07:14,029

making coffee and stuff I've completely

139

00:07:20,150 --> 00:07:17,580

forgot and uh and and I walk into the

140

00:07:23,029 --> 00:07:20,160

bunker and there's the wheel the the

141

00:07:24,909 --> 00:07:23,039

game is still running if I hear a car in

142

00:07:27,409 --> 00:07:24,919

the background

143

00:07:30,290 --> 00:07:27,419

this is embarrassing this is what it's

144

00:07:33,230 --> 00:07:30,300

come down to this is this is why I keep

145

00:07:34,430 --> 00:07:33,240

stuff a secret I don't need anybody to

146

00:07:37,610 --> 00:07:34,440

know

147

00:07:39,350 --> 00:07:37,620

that this is going on in here but uh I

148

00:07:40,790 --> 00:07:39,360

just disclosed it it was just so funny

149

00:07:43,730 --> 00:07:40,800

how

150

00:07:45,589 --> 00:07:43,740

um I was uh cracking jokes last night

151

00:07:48,350 --> 00:07:45,599

with uh

152

00:07:52,010 --> 00:07:48,360

um Sarah uh cosme Sarah bestman cosme

153

00:07:54,110 --> 00:07:52,020

about being under uh hypnosis right and

154

00:07:57,110 --> 00:07:54,120

and she finds out that I have a secret

155

00:07:59,390 --> 00:07:57,120

stash of of Twinkies

156

00:08:02,930 --> 00:07:59,400

or whatever

157

00:08:05,629 --> 00:08:02,940

uh and and something and and

158

00:08:09,110 --> 00:08:05,639

and I did this today and this is this

159

00:08:10,850 --> 00:08:09,120

but I I hide it from myself I don't

160

00:08:14,390 --> 00:08:10,860

think we should you know I enjoy video

161

00:08:16,550 --> 00:08:14,400

games I haven't played uh video games

162

00:08:20,629 --> 00:08:16,560

yeah third Stone that's me right there

163

00:08:24,050 --> 00:08:20,639

that's me that's me right there

164

00:08:27,290 --> 00:08:24,060

um that uh uh

165

00:08:29,330 --> 00:08:27,300

I I like video games I think we all do I

166

00:08:31,490 --> 00:08:29,340

don't know I don't know anybody thinking

167

00:08:32,829 --> 00:08:31,500

it's nah man video games suck now that's

168

00:08:35,209 --> 00:08:32,839

not true

169

00:08:37,490 --> 00:08:35,219

somebody's lying

170

00:08:40,850 --> 00:08:37,500

um but for me it isn't the crazy

171

00:08:44,029 --> 00:08:40,860

strategy games or this or that I used to

172

00:08:45,710 --> 00:08:44,039

like Civilization and and Rome was a

173

00:08:49,490 --> 00:08:45,720

good series I like that and I you know

174

00:08:52,550 --> 00:08:49,500

Silent Hill and a couple others but

175

00:08:54,290 --> 00:08:52,560

I like those driving simulation games

176

00:08:57,430 --> 00:08:54,300

I think they're a whole lot of fun and I

177

00:09:00,850 --> 00:08:57,440

told everybody over the years Sony play

178

00:09:03,530 --> 00:09:00,860

Playstation Gran Turismo oh man

179

00:09:06,350 --> 00:09:03,540

oh that was a big chunk of my life when

180

00:09:08,690 --> 00:09:06,360

I was in my 30s and uh yeah it's hard to

181

00:09:10,910 --> 00:09:08,700

believe that that was 25 years ago and

182

00:09:13,670 --> 00:09:10,920

uh so there you go so I picked up the

183

00:09:14,990 --> 00:09:13,680

wheel and now all my stuff is Tangled Up

184

00:09:17,509 --> 00:09:15,000

so

185

00:09:20,690 --> 00:09:17,519

um yeah yeah yeah a little bit of

186

00:09:24,110 --> 00:09:20,700

disclosure there I feel cleaner I you

187

00:09:26,509 --> 00:09:24,120

know and and the interns interest of

188

00:09:29,930 --> 00:09:26,519

transparency that I've come clean on

189

00:09:33,889 --> 00:09:29,940

this my little thing that you know and

190

00:09:36,170 --> 00:09:33,899

uh so there you go all right uh post

191

00:09:39,650 --> 00:09:36,180

your questions uh tonight ask me

192

00:09:43,130 --> 00:09:39,660

anything let's see here uh got things

193

00:09:46,430 --> 00:09:43,140

starting to pop up also in uh the

194

00:09:50,870 --> 00:09:46,440

sandbox so the sandbox is hashtag f2b on

195

00:09:54,470 --> 00:09:50,880

Twitter and there you go and then of

196

00:09:57,110 --> 00:09:54,480

course we have uh the chat room and I'll

197

00:09:59,930 --> 00:09:57,120

make sure that people are posting up

198

00:10:03,110 --> 00:09:59,940

over I see this is the problem Facebook

199

00:10:05,570 --> 00:10:03,120

I gotta refresh that I just can't click

200

00:10:07,130 --> 00:10:05,580

it's not automatic and then I gotta

201  
00:10:11,050 --> 00:10:07,140  
scroll down but you know what I'm gonna

202  
00:10:13,250 --> 00:10:11,060  
do it anyway because I said that I would

203  
00:10:17,090 --> 00:10:13,260  
and uh

204  
00:10:19,190 --> 00:10:17,100  
uh okay look at all these questions okay

205  
00:10:21,829 --> 00:10:19,200  
so yes

206  
00:10:25,910 --> 00:10:21,839  
um let me uh I guess we can almost start

207  
00:10:28,970 --> 00:10:25,920  
off here I guess we can start off in

208  
00:10:29,990 --> 00:10:28,980  
Facebook so let's go over to Facebook

209  
00:10:32,269 --> 00:10:30,000  
first

210  
00:10:33,949 --> 00:10:32,279  
which is

211  
00:10:37,090 --> 00:10:33,959  
you guys ready for this are you guys

212  
00:10:40,190 --> 00:10:37,100  
ready you guys ready is this thing on

213  
00:10:44,350 --> 00:10:40,200

this thing working hello hello single

214

00:10:48,889 --> 00:10:44,360

working you ready for this let's go

215

00:10:51,949 --> 00:10:48,899

Karen Karen Kaufman Tucker her question

216

00:10:54,949 --> 00:10:51,959

is tonight did you ever think your

217

00:10:57,490 --> 00:10:54,959

crystals go uh could be the cause of

218

00:11:01,970 --> 00:10:57,500

your shoe issue

219

00:11:03,889 --> 00:11:01,980

uh yes yeah the the thought didn't cross

220

00:11:05,870 --> 00:11:03,899

my mind uh but I don't have any crystal

221

00:11:08,569 --> 00:11:05,880

skulls upstairs

222

00:11:10,490 --> 00:11:08,579

all right so all the crystal skulls are

223

00:11:14,930 --> 00:11:10,500

downstairs

224

00:11:16,550 --> 00:11:14,940

um I did move uh the crystal skulls out

225

00:11:18,650 --> 00:11:16,560

of the bunker so I don't have any

226

00:11:19,910 --> 00:11:18,660

crystal skulls in here anymore they're

227

00:11:21,710 --> 00:11:19,920

all gone

228

00:11:27,230 --> 00:11:21,720

um I took him out of the bunker there's

229

00:11:30,110 --> 00:11:27,240

a reason for that and uh I have those

230

00:11:33,230 --> 00:11:30,120

um in my foyer I've got a setup out

231

00:11:36,110 --> 00:11:33,240

there and uh I mean it's a lot of

232

00:11:37,550 --> 00:11:36,120

crystal skulls so but anyway so they

233

00:11:39,110 --> 00:11:37,560

have been moved out of the bunker

234

00:11:40,970 --> 00:11:39,120

otherwise normally I'd be able to pick

235

00:11:43,310 --> 00:11:40,980

one up and show it to you so back to

236

00:11:45,949 --> 00:11:43,320

your question Karen did I ever think

237

00:11:50,090 --> 00:11:45,959

your Crystal Skull could be um and she's

238

00:11:51,710 --> 00:11:50,100

got Crystal Skull singular here I am

239

00:11:54,290 --> 00:11:51,720

sure she knows that that is actually

240

00:11:56,090 --> 00:11:54,300

plural because it could be any number of

241

00:11:58,069 --> 00:11:56,100

crystal skulls

242

00:12:01,610 --> 00:11:58,079

um that that could be the problem I

243

00:12:04,610 --> 00:12:01,620

think crystal skulls are very powerful

244

00:12:06,550 --> 00:12:04,620

um but it's all up here and and how who

245

00:12:10,370 --> 00:12:06,560

you are as a person

246

00:12:13,069 --> 00:12:10,380

and and you know that's the influence uh

247

00:12:16,250 --> 00:12:13,079

uh on crystals in general but uh

248

00:12:18,050 --> 00:12:16,260

certainly crystal skulls but yeah you

249

00:12:19,610 --> 00:12:18,060

know I've got one that's always been uh

250

00:12:23,210 --> 00:12:19,620

kind of a troublemaker and I'm gonna

251  
00:12:25,069 --> 00:12:23,220  
call it uh two that have been no no

252  
00:12:30,590 --> 00:12:25,079  
three

253  
00:12:32,889 --> 00:12:30,600  
troublemakers and

254  
00:12:36,710 --> 00:12:32,899  
um and I can't explain that one is Jose

255  
00:12:38,750 --> 00:12:36,720  
uh the original troublemaker and he he

256  
00:12:41,389 --> 00:12:38,760  
does cause trouble

257  
00:12:42,650 --> 00:12:41,399  
um and so he needs to be specifically in

258  
00:12:44,769 --> 00:12:42,660  
a spot where he's not going to cause

259  
00:12:49,550 --> 00:12:44,779  
trouble and and nowhere near a bed

260  
00:12:51,769 --> 00:12:49,560  
because of the dream state and and also

261  
00:12:53,690 --> 00:12:51,779  
just in close proximity of where you are

262  
00:12:57,050 --> 00:12:53,700  
all day long

263  
00:12:59,329 --> 00:12:57,060

um you know just just that that's my

264

00:13:02,389 --> 00:12:59,339

opinion I think that other uh people

265

00:13:04,009 --> 00:13:02,399

that uh have crystal skulls um and know

266

00:13:05,569 --> 00:13:04,019

a lot about them will tell you the exact

267

00:13:07,610 --> 00:13:05,579

same thing

268

00:13:09,769 --> 00:13:07,620

um also in in which direction they face

269

00:13:12,050 --> 00:13:09,779

my other one

270

00:13:15,230 --> 00:13:12,060

um ingvay

271

00:13:17,329 --> 00:13:15,240

um which is a pyrite solid metal skull

272

00:13:20,389 --> 00:13:17,339

he weighs like 10 pounds

273

00:13:24,050 --> 00:13:20,399

um a gorgeous skull but he's got a lot

274

00:13:28,690 --> 00:13:24,060

of energy and I used to uh keep ingvay

275

00:13:31,910 --> 00:13:28,700

in the studio because pyrite absorbs uh

276

00:13:33,470 --> 00:13:31,920

electromagnetic uh energy fields and

277

00:13:35,150 --> 00:13:33,480

they're really good for around monitors

278

00:13:37,790 --> 00:13:35,160

and stuff I do have a you know a couple

279

00:13:40,129 --> 00:13:37,800

bowls of pyrite that that I keep hearing

280

00:13:46,190 --> 00:13:40,139

the bunker for that reason uh there's

281

00:13:50,389 --> 00:13:46,200

too much uh stuff going on in here if um

282

00:13:53,269 --> 00:13:50,399

uh I can't really I don't have there's a

283

00:13:57,290 --> 00:13:53,279

lot of electromagnetic stuff going on

284

00:13:59,269 --> 00:13:57,300

so if you let me I'm going to pull the

285

00:14:02,210 --> 00:13:59,279

camera down can I pull this camera down

286

00:14:05,930 --> 00:14:02,220

so let me see if I can if I've got room

287

00:14:08,629 --> 00:14:05,940

on the cable here uh uh I just unplugged

288

00:14:10,610 --> 00:14:08,639

it see see what happened

289

00:14:15,310 --> 00:14:10,620

see what happened I just unplugged it

290

00:14:20,810 --> 00:14:18,530

I just unplugged my camera

291

00:14:22,190 --> 00:14:20,820

from the back of something let me see

292

00:14:25,910 --> 00:14:22,200

here

293

00:14:28,670 --> 00:14:25,920

pop that back in and uh

294

00:14:31,370 --> 00:14:28,680

uh yeah my camera unplugged

295

00:14:32,870 --> 00:14:31,380

oh man what what did I do here let me

296

00:14:36,590 --> 00:14:32,880

let me try this

297

00:14:39,829 --> 00:14:36,600

and see what's going on

298

00:14:41,689 --> 00:14:39,839

oh man see I just goofed around and I

299

00:14:42,889 --> 00:14:41,699

unplugged my camera stay with me

300

00:14:45,350 --> 00:14:42,899

everybody

301

00:14:48,850 --> 00:14:45,360

dude what a great way to start off the

302

00:14:58,030 --> 00:14:54,889

uh this goes back here this goes down

303

00:15:06,410 --> 00:15:02,509

and how did this unplug

304

00:15:12,710 --> 00:15:09,410

yeah wait a minute

305

00:15:15,410 --> 00:15:12,720

that's not it this is it here

306

00:15:20,030 --> 00:15:15,420

this comes down here

307

00:15:20,040 --> 00:15:28,430

I didn't unplug anything

308

00:15:33,650 --> 00:15:30,590

yeah it's weird

309

00:15:33,660 --> 00:15:37,310

ah

310

00:15:37,320 --> 00:15:50,269

dude

311

00:15:59,090 --> 00:15:54,850

okay so I've got the wrong camera

312

00:16:02,870 --> 00:15:59,100

uh set up here we want

313

00:16:12,110 --> 00:16:06,650

uh uh uh uh uh

314

00:16:21,769 --> 00:16:17,269

so

315

00:16:25,069 --> 00:16:21,779

the camera around the studio really

316

00:16:28,009 --> 00:16:25,079

quick and show you guys uh all the

317

00:16:30,889 --> 00:16:28,019

electronic gear so that's why I have

318

00:16:34,210 --> 00:16:30,899

pyrite that's why I pyrite uh to absorb

319

00:16:36,710 --> 00:16:34,220

all of this stuff there's just too much

320

00:16:39,050 --> 00:16:36,720

electromagnetic things going on here so

321

00:16:41,509 --> 00:16:39,060

thank you for that don't worry about the

322

00:16:45,530 --> 00:16:41,519

camera I don't need a camera uh thank

323

00:16:47,090 --> 00:16:45,540

you for that Karen and uh let's see

324

00:16:48,889 --> 00:16:47,100

let's keep going

325

00:16:50,990 --> 00:16:48,899

now that I just wasted five minutes

326

00:16:53,449 --> 00:16:51,000

trying to plug in a camera

327

00:16:55,129 --> 00:16:53,459

yeah

328

00:16:58,069 --> 00:16:55,139

well Carl said Jimmy tell me tell us

329

00:17:00,050 --> 00:16:58,079

what kind of artist you are and where

330

00:17:05,569 --> 00:17:00,060

can we find your work

331

00:17:07,970 --> 00:17:05,579

I have no idea what that question means

332

00:17:09,650 --> 00:17:07,980

uh Carl you're talking about drawing I

333

00:17:11,750 --> 00:17:09,660

mean that's years ago

334

00:17:15,049 --> 00:17:11,760

when I was a kid so

335

00:17:19,490 --> 00:17:15,059

um I do have uh

336

00:17:31,970 --> 00:17:19,500

I do have hold on a minute

337

00:17:31,980 --> 00:17:35,029

okay

338

00:17:40,370 --> 00:17:37,250

and it just shows you how improvised

339

00:17:42,590 --> 00:17:40,380

this show is how live it is so Carl says

340

00:17:44,090 --> 00:17:42,600

what kind of artist are you I'll show

341

00:17:48,710 --> 00:17:44,100

you

342

00:17:51,909 --> 00:17:48,720

um this was done in 1984 1985. this is a

343

00:17:55,130 --> 00:17:51,919

poster of the City of Pasadena

344

00:17:58,190 --> 00:17:55,140

that I drew for the City of Pasadena

345

00:18:01,549 --> 00:17:58,200

and I just got an old copy of it from a

346

00:18:03,350 --> 00:18:01,559

friend of mine so this is wrinkled

347

00:18:05,690 --> 00:18:03,360

um there are a few of these you know

348

00:18:08,690 --> 00:18:05,700

floating around that are framed and

349

00:18:10,669 --> 00:18:08,700

stuff but here I'm going to hold it up

350

00:18:13,310 --> 00:18:10,679

there it is there's the final print

351

00:18:17,870 --> 00:18:13,320

that's the City of Pasadena

352

00:18:20,330 --> 00:18:17,880

and I drew this when I was uh 20 years

353

00:18:22,310 --> 00:18:20,340

old 21 years old

354

00:18:25,789 --> 00:18:22,320

um it's beautiful it's brightly colored

355

00:18:27,890 --> 00:18:25,799

and then if you look right here

356

00:18:30,529 --> 00:18:27,900

on the bottom of the street it says

357

00:18:35,450 --> 00:18:30,539

Jimmy Church

358

00:18:37,549 --> 00:18:35,460

right there and uh there you go I drew

359

00:18:39,950 --> 00:18:37,559

myself

360

00:18:42,350 --> 00:18:39,960

I'm actually standing right here on the

361

00:18:44,630 --> 00:18:42,360

corner with my guitar

362

00:18:47,390 --> 00:18:44,640

right here there's some pretty cute

363

00:18:50,390 --> 00:18:47,400

pretty cool shot see me that's me

364

00:18:53,270 --> 00:18:50,400

standing right there with my guitar

365

00:18:56,390 --> 00:18:53,280

yeah there you go and then down at the

366

00:18:59,090 --> 00:18:56,400

bottom of the page it says

367

00:19:00,710 --> 00:18:59,100

all right there

368

00:19:02,990 --> 00:19:00,720

Jimmy Church

369

00:19:05,510 --> 00:19:03,000

and uh

370

00:19:06,830 --> 00:19:05,520

yeah so there you go I don't know if

371

00:19:07,850 --> 00:19:06,840

that's what you're talking about I just

372

00:19:10,310 --> 00:19:07,860

happened to

373

00:19:12,950 --> 00:19:10,320

uh have this

374

00:19:15,710 --> 00:19:12,960

um stashed in my laundry room so there

375

00:19:18,950 --> 00:19:15,720

you go Carl I hope that answers that

376

00:19:22,310 --> 00:19:18,960

question let's keep going Gypsy Rose Lee

377

00:19:24,350 --> 00:19:22,320

question Jimmy uh the last AMA Before

378

00:19:27,110 --> 00:19:24,360

Christmas asked you did you ever sneak

379

00:19:30,230 --> 00:19:27,120

peek a present as a kid you said yes

380

00:19:34,730 --> 00:19:30,240

what was the present the present was

381

00:19:36,830 --> 00:19:34,740

a unicycle that's right I think uh sixth

382

00:19:39,110 --> 00:19:36,840

grade

383

00:19:41,330 --> 00:19:39,120

um uh and

384

00:19:44,450 --> 00:19:41,340

and the boxes the presidents were under

385

00:19:46,970 --> 00:19:44,460

the tree a few days before Christmas I

386

00:19:48,169 --> 00:19:46,980

was home alone nobody was there

387

00:19:53,630 --> 00:19:48,179

I

388

00:19:55,490 --> 00:19:53,640

looked and there was this little picture

389

00:19:58,730 --> 00:19:55,500

of this unicycle

390

00:20:02,690 --> 00:19:58,740

I taped it back up and acted surprised

391

00:20:04,250 --> 00:20:02,700

on Christmas morning there you go and I

392

00:20:07,310 --> 00:20:04,260

felt guilty

393

00:20:09,350 --> 00:20:07,320

uh that that I carried that guilt for a

394

00:20:12,350 --> 00:20:09,360

long time actually I never did it again

395

00:20:15,409 --> 00:20:12,360

I didn't like it

396

00:20:17,930 --> 00:20:15,419

I didn't and it was killing me too

397

00:20:21,470 --> 00:20:17,940

I just had to look I just I had to look

398

00:20:24,110 --> 00:20:21,480

and and when I did it

399

00:20:26,210 --> 00:20:24,120

and I found out and now I'm lying to

400

00:20:30,110 --> 00:20:26,220

everybody and I'm acting and I'm putting

401  
00:20:33,529 --> 00:20:30,120  
this thing on and uh I didn't dig that I

402  
00:20:35,870 --> 00:20:33,539  
wasn't surprised that sucked

403  
00:20:39,049 --> 00:20:35,880  
um and and I learned my lesson at the

404  
00:20:42,950 --> 00:20:39,059  
age of 10 years old I I never did it

405  
00:20:45,370 --> 00:20:42,960  
again I love getting gifts I love

406  
00:20:49,070 --> 00:20:45,380  
presents that's it it's really the truth

407  
00:20:52,430 --> 00:20:49,080  
so no I never did it again

408  
00:20:57,110 --> 00:20:52,440  
I never did it again I learned my lesson

409  
00:21:00,830 --> 00:20:57,120  
with that one uh uh Carol per Walt

410  
00:21:03,169 --> 00:21:00,840  
Carol the artist I have Carol's uh

411  
00:21:06,049 --> 00:21:03,179  
paintings here or some of her paintings

412  
00:21:09,590 --> 00:21:06,059  
here I think I have one what do I have

413  
00:21:12,230 --> 00:21:09,600

here I have one two three I have three

414

00:21:14,690 --> 00:21:12,240

of her paintings right there hanging

415

00:21:16,789 --> 00:21:14,700

here in the bunker she's amazing and uh

416

00:21:17,830 --> 00:21:16,799

go check out Carol peralt and her

417

00:21:20,150 --> 00:21:17,840

artwork

418

00:21:22,370 --> 00:21:20,160

she says

419

00:21:25,730 --> 00:21:22,380

I would like to know

420

00:21:28,070 --> 00:21:25,740

if Jimmy here I'll pop this up Carol

421

00:21:34,610 --> 00:21:28,080

Paul I would like to know if Jimmy has

422

00:21:40,549 --> 00:21:38,330

um are you gonna do a painting Carol

423

00:21:43,930 --> 00:21:40,559

um I died I I

424

00:21:47,409 --> 00:21:43,940

I don't know

425

00:21:50,990 --> 00:21:47,419

officially I have some thing I mean like

426

00:21:54,049 --> 00:21:51,000

do I have a situation where

427

00:21:56,330 --> 00:21:54,059

um I was gonna grab a watch where you

428

00:21:59,409 --> 00:21:56,340

know you're looking at your watch and

429

00:22:04,270 --> 00:21:59,419

you know and it's it's it's 12 o'clock

430

00:22:08,330 --> 00:22:04,280

and then you know five hours go by

431

00:22:09,770 --> 00:22:08,340

and and you come and you your friends or

432

00:22:11,450 --> 00:22:09,780

your family are like where have you been

433

00:22:13,190 --> 00:22:11,460

huh what are you talking about I've only

434

00:22:16,130 --> 00:22:13,200

been gone for five minutes no man you've

435

00:22:17,570 --> 00:22:16,140

been gone for five hours have I had that

436

00:22:21,350 --> 00:22:17,580

no

437

00:22:23,450 --> 00:22:21,360

um and I would say that that is an

438

00:22:26,149 --> 00:22:23,460

official like that's that's a missing

439

00:22:30,950 --> 00:22:26,159

time situation right Betty and Barney

440

00:22:34,190 --> 00:22:30,960

Hill and and and so forth uh no

441

00:22:36,049 --> 00:22:34,200

but I've had some time situations that

442

00:22:39,649 --> 00:22:36,059

I've always felt were rather strange

443

00:22:41,210 --> 00:22:39,659

like the you know the the Hindenburg I

444

00:22:43,490 --> 00:22:41,220

keep calling it The End number the

445

00:22:45,830 --> 00:22:43,500

Hindenburg thing in in Waukegan uh when

446

00:22:47,570 --> 00:22:45,840

I was a kid uh very strange that

447

00:22:50,029 --> 00:22:47,580

disappearing house

448

00:22:53,270 --> 00:22:50,039

I I still feel really weird about that

449

00:22:55,010 --> 00:22:53,280

what was going on in Pasadena

450

00:22:57,770 --> 00:22:55,020

when I went across the street got lost

451  
00:22:59,390 --> 00:22:57,780  
in the neighborhood for a few hours and

452  
00:23:02,450 --> 00:22:59,400  
and made it back home before I ran out

453  
00:23:04,190 --> 00:23:02,460  
of gas that was a strange state was they

454  
00:23:07,610 --> 00:23:04,200  
were missing time there I don't remember

455  
00:23:10,250 --> 00:23:07,620  
but those were strange events

456  
00:23:12,950 --> 00:23:10,260  
um all of them that could have a time

457  
00:23:16,310 --> 00:23:12,960  
thing involved with it but if I had a

458  
00:23:19,610 --> 00:23:16,320  
missing missing time

459  
00:23:22,149 --> 00:23:19,620  
not not in the official sense no no I

460  
00:23:25,549 --> 00:23:22,159  
haven't Carol but that is a great

461  
00:23:30,169 --> 00:23:25,559  
question okay everybody tonight is our

462  
00:23:31,810 --> 00:23:30,179  
AMA post your questions in Facebook on

463  
00:23:36,409 --> 00:23:31,820

our radio page

464

00:23:38,289 --> 00:23:36,419

and uh post up on Twitter hashtag f2b is

465

00:23:41,049 --> 00:23:38,299

the sandbox

466

00:23:45,110 --> 00:23:41,059

and also

467

00:23:49,789 --> 00:23:45,120

uh oh man really yeah I was expecting

468

00:23:52,430 --> 00:23:49,799

this uh to happen uh this is from Scott

469

00:23:56,090 --> 00:23:52,440

Schmidt Scott Schmidt says it looks like

470

00:24:01,070 --> 00:23:56,100

Rick and Morty is over Justin Roiland

471

00:24:05,210 --> 00:24:02,930

um I knew it was coming

472

00:24:07,370 --> 00:24:05,220

and let me tell you how Okay so Justin

473

00:24:09,130 --> 00:24:07,380

Roiland the creator of Rick and Morty

474

00:24:13,010 --> 00:24:09,140

also The Voice

475

00:24:16,190 --> 00:24:13,020

of uh he's the voice of uh Morty I think

476

00:24:19,730 --> 00:24:16,200

right or does he does do Rick or he

477

00:24:22,190 --> 00:24:19,740

might do both he might do Rick and Morty

478

00:24:23,230 --> 00:24:22,200

um Justin got arrested a couple of years

479

00:24:27,470 --> 00:24:23,240

ago

480

00:24:30,110 --> 00:24:27,480

uh for some domestic violence uh like I

481

00:24:31,909 --> 00:24:30,120

mean like real charges and it was kind

482

00:24:33,710 --> 00:24:31,919

of lost in the court system for a couple

483

00:24:38,029 --> 00:24:33,720

of years and so nobody really knew about

484

00:24:40,970 --> 00:24:38,039

it but it went public last month and I

485

00:24:43,250 --> 00:24:40,980

had heard he was in hot water

486

00:24:45,590 --> 00:24:43,260

um with the network

487

00:24:48,770 --> 00:24:45,600

um and the production company

488

00:24:50,390 --> 00:24:48,780

um and so I guess now he he he he got

489

00:24:51,230 --> 00:24:50,400

canned

490

00:24:53,690 --> 00:24:51,240

um

491

00:24:55,930 --> 00:24:53,700

uh so

492

00:24:59,690 --> 00:24:55,940

I knew it was coming

493

00:25:01,190 --> 00:24:59,700

and I took I've got like five Rick and

494

00:25:02,990 --> 00:25:01,200

Morty shirts

495

00:25:05,870 --> 00:25:03,000

took them out of my closet

496

00:25:08,690 --> 00:25:05,880

I did I did

497

00:25:09,710 --> 00:25:08,700

um I folded them up and put them on a

498

00:25:11,810 --> 00:25:09,720

Shelf

499

00:25:13,430 --> 00:25:11,820

and I you know it was just one of those

500

00:25:15,890 --> 00:25:13,440

things and I thought to myself well you

501  
00:25:18,110 --> 00:25:15,900  
know if he if he gets clear to this and

502  
00:25:21,710 --> 00:25:18,120  
this gets you know away everything and

503  
00:25:23,450 --> 00:25:21,720  
we we we figured you know something then

504  
00:25:26,570 --> 00:25:23,460  
then I pull them back down off of the

505  
00:25:31,430 --> 00:25:26,580  
shelf right and and and hang them back

506  
00:25:33,769 --> 00:25:31,440  
up but uh uh there you go I

507  
00:25:37,190 --> 00:25:33,779  
the show and I've said it so many times

508  
00:25:39,049 --> 00:25:37,200  
uh uh uh I've always felt that it was

509  
00:25:43,970 --> 00:25:39,059  
one of the best TV series out there and

510  
00:25:46,310 --> 00:25:43,980  
and stuff but but now now no no no no no

511  
00:25:49,970 --> 00:25:46,320  
no I don't tolerate that nobody should

512  
00:25:52,370 --> 00:25:49,980  
and I just I lost respect for Justin and

513  
00:25:54,289 --> 00:25:52,380

and if he's canned and if he gets

514

00:25:58,430 --> 00:25:54,299

convicted and everything else then that

515

00:26:00,529 --> 00:25:58,440

and that's it I I'm I'm bummed because I

516

00:26:03,409 --> 00:26:00,539

don't get Rick and Morty

517

00:26:05,330 --> 00:26:03,419

but I just don't support that I don't

518

00:26:08,330 --> 00:26:05,340

support it and some of the details that

519

00:26:11,149 --> 00:26:08,340

I had read about what he was it was

520

00:26:13,310 --> 00:26:11,159

multiple charges it's like nah dude no

521

00:26:14,690 --> 00:26:13,320

no no no no you're a canceled check and

522

00:26:18,950 --> 00:26:14,700

I hate to do this

523

00:26:21,830 --> 00:26:18,960

so I I so there you go so uh thank you

524

00:26:25,010 --> 00:26:21,840

for that that's from Scott Schmidt if uh

525

00:26:26,690 --> 00:26:25,020

I'm done I won't even if

526

00:26:29,289 --> 00:26:26,700

I'm not even going to talk about him

527

00:26:32,930 --> 00:26:29,299

getting canned

528

00:26:36,649 --> 00:26:32,940

no that that kind of stuff

529

00:26:39,230 --> 00:26:36,659

in my world uh that's it man you I just

530

00:26:42,590 --> 00:26:39,240

take you are a file

531

00:26:45,590 --> 00:26:42,600

removed from my hard drive put into the

532

00:26:46,789 --> 00:26:45,600

recycle bin and the recycle bin is

533

00:26:49,490 --> 00:26:46,799

emptied

534

00:26:52,610 --> 00:26:49,500

that's it and then I defrag the hard

535

00:26:54,409 --> 00:26:52,620

drive I mean there are no traces left

536

00:26:57,350 --> 00:26:54,419

that's that's the way that I deal with

537

00:26:58,810 --> 00:26:57,360

stuff like that so there you go

538

00:27:03,070 --> 00:26:58,820

all right

539

00:27:07,010 --> 00:27:03,080

uh let's see I'm bouncing around here

540

00:27:09,830 --> 00:27:07,020

uh Ken priest Fade to Black questions

541

00:27:11,330 --> 00:27:09,840

f2bq over on Twitter says

542

00:27:15,830 --> 00:27:11,340

Jimmy

543

00:27:19,010 --> 00:27:15,840

what recipes are you perfecting these

544

00:27:22,490 --> 00:27:19,020

days it's a great question I'm always

545

00:27:25,430 --> 00:27:22,500

working on something and I'm right now

546

00:27:31,730 --> 00:27:25,440

I've I've been dialing in on two things

547

00:27:33,950 --> 00:27:31,740

now uh again in uh for transparency uh

548

00:27:34,789 --> 00:27:33,960

uh today is day number 15. I still

549

00:27:36,950 --> 00:27:34,799

haven't

550

00:27:38,990 --> 00:27:36,960

I've still

551  
00:27:42,049 --> 00:27:39,000  
but I guess you can call it a diet but

552  
00:27:44,210 --> 00:27:42,059  
it started off as a as a cleanse that

553  
00:27:47,330 --> 00:27:44,220  
turned into one day turned into a week

554  
00:27:49,010 --> 00:27:47,340  
now it's uh it's over two weeks

555  
00:27:51,529 --> 00:27:49,020  
um yeah I've lost a ton of weight and

556  
00:27:53,390 --> 00:27:51,539  
and things but I I started to rinse

557  
00:27:55,370 --> 00:27:53,400  
myself out and I did and then I

558  
00:27:58,310 --> 00:27:55,380  
continued

559  
00:28:00,529 --> 00:27:58,320  
um uh I got a juicer

560  
00:28:05,210 --> 00:28:00,539  
been wearing that thing out so I've been

561  
00:28:08,690 --> 00:28:05,220  
doing juice tea and no carbs I've had no

562  
00:28:11,390 --> 00:28:08,700  
breads uh for 15 days I've had no pasta

563  
00:28:13,250 --> 00:28:11,400

for 15 days that includes anything else

564

00:28:16,130 --> 00:28:13,260

you know Pizza hamburgers any any of

565

00:28:21,289 --> 00:28:16,140

that I've had no red meat

566

00:28:23,750 --> 00:28:21,299

um uh I've had three three tiny

567

00:28:25,549 --> 00:28:23,760

Italian meatballs in in two weeks I've

568

00:28:27,110 --> 00:28:25,559

had that I've had a couple of shrimp and

569

00:28:29,330 --> 00:28:27,120

then I've had

570

00:28:32,269 --> 00:28:29,340

um some soup and some broth and things

571

00:28:35,390 --> 00:28:32,279

but that's it so

572

00:28:37,610 --> 00:28:35,400

um and that's not entirely true

573

00:28:40,970 --> 00:28:37,620

but I've been on this thing so over the

574

00:28:43,909 --> 00:28:40,980

last two weeks experimenting uh with

575

00:28:46,549 --> 00:28:43,919

making uh pesto

576  
00:28:50,470 --> 00:28:46,559  
and and I've and I've gotten pretty good

577  
00:28:55,850 --> 00:28:50,480  
at it so last night after the show

578  
00:28:58,190 --> 00:28:55,860  
uh I I did my pesto and I made three

579  
00:29:00,950 --> 00:28:58,200  
shrimp they were big but I made three

580  
00:29:05,269 --> 00:29:00,960  
shrimp and cooked that in pesto with

581  
00:29:08,630 --> 00:29:05,279  
nothing no rice no pasta that's it I

582  
00:29:13,370 --> 00:29:08,640  
just had the shrimp and pesto with with

583  
00:29:15,049 --> 00:29:13,380  
tea and uh and I was happy man but

584  
00:29:16,430 --> 00:29:15,059  
actually it was pretty good and so this

585  
00:29:21,110 --> 00:29:16,440  
other recipe

586  
00:29:22,610 --> 00:29:21,120  
that I've uh made myself I you know I I

587  
00:29:26,930 --> 00:29:22,620  
could go ahead and

588  
00:29:30,889 --> 00:29:26,940

and maybe put this recipe up but

589

00:29:32,149 --> 00:29:30,899

um I wanted to make like a sweet and

590

00:29:34,130 --> 00:29:32,159

sour

591

00:29:35,169 --> 00:29:34,140

soup

592

00:29:38,029 --> 00:29:35,179

um

593

00:29:41,330 --> 00:29:38,039

uh with fruits and vegetables and

594

00:29:43,310 --> 00:29:41,340

chicken right so I I got it down

595

00:29:44,710 --> 00:29:43,320

so it's pineapple it's green peppers

596

00:29:47,710 --> 00:29:44,720

it's onions

597

00:29:50,930 --> 00:29:47,720

uh chicken

598

00:29:54,110 --> 00:29:50,940

and a couple of different uh fruit

599

00:29:57,289 --> 00:29:54,120

juices and honey and I make the sauce

600

00:29:59,990 --> 00:29:57,299

first and and I got it down

601  
00:30:02,210 --> 00:30:00,000  
I got it down it's it's really pineapple

602  
00:30:04,490 --> 00:30:02,220  
juice and a couple of other things and

603  
00:30:06,230 --> 00:30:04,500  
and uh I've got it down it's really

604  
00:30:10,549 --> 00:30:06,240  
thick

605  
00:30:12,409 --> 00:30:10,559  
um and and I got it it's spicy yeah it's

606  
00:30:15,649 --> 00:30:12,419  
really really really good and I

607  
00:30:18,649 --> 00:30:15,659  
originally started uh experimenting with

608  
00:30:21,169 --> 00:30:18,659  
this uh to pour over right you know put

609  
00:30:23,750 --> 00:30:21,179  
it over rice and and stuff

610  
00:30:26,029 --> 00:30:23,760  
um but I started the diet and I thought

611  
00:30:30,289 --> 00:30:26,039  
man that'll make a really good soup so I

612  
00:30:32,870 --> 00:30:30,299  
mean it's like a really thick fruity

613  
00:30:34,730 --> 00:30:32,880

chicken with green peppers and and white

614

00:30:36,649 --> 00:30:34,740

onions

615

00:30:39,110 --> 00:30:36,659

um sweet and sour soup it's really good

616

00:30:41,210 --> 00:30:39,120

so I got that down Ken the next time

617

00:30:43,490 --> 00:30:41,220

you're over I'll make it for you

618

00:30:47,269 --> 00:30:43,500

and you tell me what you think

619

00:30:48,590 --> 00:30:47,279

um I got it pretty close so there you go

620

00:30:50,630 --> 00:30:48,600

it's what I messed with over the last

621

00:30:52,789 --> 00:30:50,640

two weeks pesto

622

00:30:54,889 --> 00:30:52,799

and I don't even know what the other one

623

00:30:57,830 --> 00:30:54,899

I'm calling a sweet and sour soup that's

624

00:30:59,990 --> 00:30:57,840

what I call to myself but it's turned

625

00:31:01,389 --> 00:31:00,000

out to be really really good I've lost

626

00:31:05,029 --> 00:31:01,399

so much weight

627

00:31:08,870 --> 00:31:05,039

man man and I just feel good

628

00:31:10,610 --> 00:31:08,880

walking around the house I can tell you

629

00:31:12,830 --> 00:31:10,620

know I'm like I'm like 20 pounds lighter

630

00:31:16,669 --> 00:31:12,840

I literally I haven't weighed myself

631

00:31:19,909 --> 00:31:16,679

don't have a scale and um but I can tell

632

00:31:21,110 --> 00:31:19,919

just like man I'm I'm light I'm light on

633

00:31:23,750 --> 00:31:21,120

my feet

634

00:31:26,930 --> 00:31:23,760

wow so I'm gonna keep this up I can't

635

00:31:30,590 --> 00:31:26,940

wait for a steak earlier today

636

00:31:32,990 --> 00:31:30,600

um I had convinced myself that today was

637

00:31:34,850 --> 00:31:33,000

the day that I was gonna go up to

638

00:31:37,970 --> 00:31:34,860

Tommy's and and get a double

639

00:31:40,490 --> 00:31:37,980

cheeseburger double chili cheeseburger I

640

00:31:42,110 --> 00:31:40,500

convinced myself of that

641

00:31:44,269 --> 00:31:42,120

um I also said that yesterday and I

642

00:31:46,130 --> 00:31:44,279

didn't do it and I know that after the

643

00:31:49,430 --> 00:31:46,140

show tonight I'm I'm not going to do it

644

00:31:51,350 --> 00:31:49,440

but I look forward to uh having red meat

645

00:31:52,789 --> 00:31:51,360

again I haven't had a steak I haven't

646

00:31:56,690 --> 00:31:52,799

had a burger

647

00:32:02,470 --> 00:31:56,700

I haven't had fried chicken I haven't

648

00:32:06,110 --> 00:32:02,480

had pasta noodles soup things

649

00:32:08,930 --> 00:32:06,120

alfredo sauce ice cream

650

00:32:11,870 --> 00:32:08,940

cereal I haven't eaten anything but

651  
00:32:13,430 --> 00:32:11,880  
healthy stuff now for two weeks and I

652  
00:32:15,830 --> 00:32:13,440  
feel pretty good I feel pretty good

653  
00:32:18,950 --> 00:32:15,840  
after looking at the pictures from New

654  
00:32:20,389 --> 00:32:18,960  
Year's I was like man you know you stand

655  
00:32:23,769 --> 00:32:20,399  
in between

656  
00:32:26,810 --> 00:32:23,779  
Billy Carson and Elizabeth Hoekstra

657  
00:32:29,649 --> 00:32:26,820  
it's all right

658  
00:32:33,529 --> 00:32:29,659  
I can't do that anymore

659  
00:32:34,909 --> 00:32:33,539  
I cannot do that anymore all right let's

660  
00:32:35,990 --> 00:32:34,919  
get back to the question let's get back

661  
00:32:40,389 --> 00:32:36,000  
to the question let's see what we got

662  
00:32:46,269 --> 00:32:43,909  
people are claiming Buffalo Bills

663  
00:32:50,330 --> 00:32:46,279

football player died on the field

664

00:32:53,810 --> 00:32:50,340

what's your take church I have no I what

665

00:32:55,610 --> 00:32:53,820

people are claiming people are claiming

666

00:32:56,750 --> 00:32:55,620

Buffalo is this am I reading this

667

00:32:58,669 --> 00:32:56,760

correctly

668

00:33:00,230 --> 00:32:58,679

people are claiming Buffalo Bills

669

00:33:01,669 --> 00:33:00,240

football player died on the field what's

670

00:33:03,649 --> 00:33:01,679

your teacher I don't know what this is

671

00:33:05,269 --> 00:33:03,659

about I haven't heard anything about

672

00:33:07,130 --> 00:33:05,279

this

673

00:33:11,690 --> 00:33:07,140

is that is that true

674

00:33:15,529 --> 00:33:11,700

hold on for a second Buffalo is this

675

00:33:20,149 --> 00:33:17,750

Buffalo Bills

676  
00:33:22,870 --> 00:33:20,159  
player

677  
00:33:27,170 --> 00:33:22,880  
guys

678  
00:33:29,230 --> 00:33:27,180  
it dies on field wow what

679  
00:33:32,110 --> 00:33:29,240  
[Music]

680  
00:33:34,310 --> 00:33:32,120  
Cardiac Arrest Monday during an NFL game

681  
00:33:37,730 --> 00:33:34,320  
uh okay

682  
00:33:40,909 --> 00:33:37,740  
um daddy died on the film uh

683  
00:33:45,889 --> 00:33:44,149  
uh yeah no I didn't know

684  
00:33:48,409 --> 00:33:45,899  
I didn't know this

685  
00:33:50,090 --> 00:33:48,419  
I did not know okay sorry about that

686  
00:33:51,830 --> 00:33:50,100  
alien I did not know

687  
00:33:53,570 --> 00:33:51,840  
all right Jonathan says how many

688  
00:33:55,009 --> 00:33:53,580

questions can we ask you already asked

689

00:33:56,269 --> 00:33:55,019

that are you doing this again is that

690

00:33:58,190 --> 00:33:56,279

supposed to be funny

691

00:34:01,970 --> 00:33:58,200

have you ever visited Louisville

692

00:34:04,370 --> 00:34:01,980

Kentucky and the Kentucky Derby I have

693

00:34:06,169 --> 00:34:04,380

yeah yeah

694

00:34:08,810 --> 00:34:06,179

yep Churchill Downs I've been there a

695

00:34:11,570 --> 00:34:08,820

couple of times uh trying to think I

696

00:34:16,070 --> 00:34:11,580

know I wasn't there for I was there for

697

00:34:18,290 --> 00:34:16,080

Kentucky Derby weekend I haven't been to

698

00:34:20,629 --> 00:34:18,300

the Kentucky Derby no I haven't done

699

00:34:23,629 --> 00:34:20,639

that mint juleps no I haven't done that

700

00:34:26,210 --> 00:34:23,639

I would like to uh but I have been there

701

00:34:27,950 --> 00:34:26,220

uh a few times I have been there a few

702

00:34:29,990 --> 00:34:27,960

times

703

00:34:35,270 --> 00:34:30,000

um but yeah yeah I would like to see the

704

00:34:40,849 --> 00:34:38,149

I have not Love Louisville though

705

00:34:43,250 --> 00:34:40,859

Louisville's great uh

706

00:34:47,450 --> 00:34:43,260

uh let's see

707

00:34:51,230 --> 00:34:47,460

can you please tell an Eddie Van Halen's

708

00:34:56,089 --> 00:34:52,609

uh

709

00:34:56,099 --> 00:35:02,710

and Eddie Van Halen story

710

00:35:09,950 --> 00:35:05,930

he farted on me once

711

00:35:14,750 --> 00:35:13,970

um Dave weiderman of Guitar Center

712

00:35:18,170 --> 00:35:14,760

um

713

00:35:20,569 --> 00:35:18,180

uh it was for the balance tour and I was

714

00:35:23,089 --> 00:35:20,579

working at Guitar Center at the time and

715

00:35:24,950 --> 00:35:23,099

Dave of course his close friends uh with

716

00:35:26,710 --> 00:35:24,960

Van Halen and has been since the

717

00:35:30,410 --> 00:35:26,720

beginning and so

718

00:35:33,349 --> 00:35:30,420

he uh um and I was working with the band

719

00:35:36,410 --> 00:35:33,359

through Dave uh you know they were

720

00:35:38,990 --> 00:35:36,420

getting ready for the tour and every day

721

00:35:40,150 --> 00:35:39,000

I was taking gear over to the rehearsal

722

00:35:45,770 --> 00:35:40,160

Studio

723

00:35:46,849 --> 00:35:45,780

into an airplane Hangar over at Van Nuys

724

00:35:49,550 --> 00:35:46,859

airport

725

00:35:51,829 --> 00:35:49,560

and so I've been going over there and

726

00:35:53,630 --> 00:35:51,839

then Dave comes in one day and he says

727

00:35:55,370 --> 00:35:53,640

are you gonna go and take some gear over

728

00:35:58,010 --> 00:35:55,380

today I said I am and he goes okay I

729

00:36:00,109 --> 00:35:58,020

have some stuff I need you to get signed

730

00:36:02,270 --> 00:36:00,119

I said okay so he comes in he had like

731

00:36:05,690 --> 00:36:02,280

four drum heads kick drum heads that

732

00:36:09,530 --> 00:36:05,700

said balance he needed those autographed

733

00:36:10,790 --> 00:36:09,540

um uh uh uh you know the album cover on

734

00:36:14,810 --> 00:36:10,800

really cool

735

00:36:17,329 --> 00:36:14,820

and uh brings in a stack of CDs and some

736

00:36:19,310 --> 00:36:17,339

other stuff memorabilia things he needed

737

00:36:22,550 --> 00:36:19,320

signs so I had all this stuff

738

00:36:24,890 --> 00:36:22,560

and uh I got a big handful of gold pens

739

00:36:26,569 --> 00:36:24,900

and Sharpies and and I take off and I

740

00:36:29,329 --> 00:36:26,579

had some other gear I had to take over

741

00:36:32,150 --> 00:36:29,339

so I drive over I meet Maddie Brock and

742

00:36:34,130 --> 00:36:32,160

and and Maddie and I go in and and we're

743

00:36:36,950 --> 00:36:34,140

up on stage and we're on the drum Riser

744

00:36:39,829 --> 00:36:36,960

and we put all of the autographed stuff

745

00:36:42,109 --> 00:36:39,839

you know the four drum heads and and so

746

00:36:44,930 --> 00:36:42,119

everybody it was it was Sammy and Alex

747

00:36:46,910 --> 00:36:44,940

and and Michael Anthony and and Eddie

748

00:36:48,710 --> 00:36:46,920

and they're all going to sign in a line

749

00:36:51,109 --> 00:36:48,720

and just come down and there's like 50

750

00:36:52,790 --> 00:36:51,119

things that needed to be autographed so

751

00:36:54,349 --> 00:36:52,800

Eddie's first and he's coming down he's

752

00:36:56,210 --> 00:36:54,359

signing he's signing he's signing he's

753

00:37:00,910 --> 00:36:56,220

hiding he comes behind me and he's right

754

00:37:08,089 --> 00:37:04,250

I'm standing there and then he takes his

755

00:37:12,010 --> 00:37:08,099

hand and he goes like this onto me

756

00:37:15,790 --> 00:37:14,390

and uh so there you go there's Mighty

757

00:37:21,470 --> 00:37:15,800

Van Halen story that's all you get today

758

00:37:28,670 --> 00:37:25,849

uh Chris Tyne says do you believe in

759

00:37:30,470 --> 00:37:28,680

Galactic federations and similar

760

00:37:33,530 --> 00:37:30,480

ETS being at War

761

00:37:35,450 --> 00:37:33,540

Etc anything is possible Chris anything

762

00:37:38,470 --> 00:37:35,460

is possible

763

00:37:43,150 --> 00:37:38,480

um I was first introduced uh

764

00:37:46,609 --> 00:37:43,160

two of the solar Federation uh Rush 2112

765

00:37:49,130 --> 00:37:46,619

and and I remember at the end of uh that

766

00:37:50,930 --> 00:37:49,140

first side of the record you know uh

767

00:37:52,849 --> 00:37:50,940

where the solar Federation we have

768

00:37:55,130 --> 00:37:52,859

assumed control right and you listen to

769

00:37:56,810 --> 00:37:55,140

all the songs on that and and how it is

770

00:37:59,450 --> 00:37:56,820

you get to the end you know the solar

771

00:38:00,130 --> 00:37:59,460

Federation and

772

00:38:04,130 --> 00:38:00,140

um

773

00:38:06,050 --> 00:38:04,140

uh that was my first you know that was

774

00:38:08,150 --> 00:38:06,060

like man I don't even know man that was

775

00:38:11,270 --> 00:38:08,160

in the 70s

776

00:38:13,849 --> 00:38:11,280

um 78 79 when did that album come out

777

00:38:16,069 --> 00:38:13,859

and uh

778

00:38:19,130 --> 00:38:16,079

um so the concept

779

00:38:20,870 --> 00:38:19,140

of you know Galactic Federation solar

780

00:38:21,770 --> 00:38:20,880

Federation it's been out there for a

781

00:38:23,870 --> 00:38:21,780

long time

782

00:38:26,270 --> 00:38:23,880

and it's it's been a part of Science

783

00:38:29,630 --> 00:38:26,280

Fiction and different books and movies

784

00:38:32,210 --> 00:38:29,640

and and things so

785

00:38:33,950 --> 00:38:32,220

um but it was Rush that really got me

786

00:38:35,390 --> 00:38:33,960

thinking about that I know it's a band

787

00:38:37,670 --> 00:38:35,400

and everything but

788

00:38:39,349 --> 00:38:37,680

but it was a great concept album and it

789

00:38:42,710 --> 00:38:39,359

was really well written

790

00:38:45,230 --> 00:38:42,720

and so I I've always thought about that

791

00:38:47,630 --> 00:38:45,240

now when we take it to the next level

792

00:38:51,109 --> 00:38:47,640

today

793

00:38:52,670 --> 00:38:51,119

um uh is it possible sure absolutely is

794

00:38:55,550 --> 00:38:52,680

it possible do people on earth have

795

00:39:00,109 --> 00:38:55,560

knowledge of it anything is possible is

796

00:39:02,510 --> 00:39:00,119

there uh something elevated to the next

797

00:39:04,849 --> 00:39:02,520

level that people are aware of I don't

798

00:39:08,630 --> 00:39:04,859

know anything is possible

799

00:39:13,190 --> 00:39:08,640

but that's not what is important here

800

00:39:17,329 --> 00:39:14,030

um

801  
00:39:19,550 --> 00:39:17,339  
to let's go back like 20 years ago when

802  
00:39:22,130 --> 00:39:19,560  
some of these discussions started to

803  
00:39:26,270 --> 00:39:22,140  
surface in the UFO Community about

804  
00:39:29,150 --> 00:39:26,280  
ancient battles in you know our galaxy

805  
00:39:32,270 --> 00:39:29,160  
and and throughout the Universe and and

806  
00:39:33,470 --> 00:39:32,280  
ancient races battling and Earth being

807  
00:39:34,790 --> 00:39:33,480  
in the middle of it they weren't even

808  
00:39:37,430 --> 00:39:34,800  
fighting over Earth but there was

809  
00:39:40,430 --> 00:39:37,440  
battles going around it and the and

810  
00:39:42,290 --> 00:39:40,440  
these conversations started and I don't

811  
00:39:44,270 --> 00:39:42,300  
know how much of it was imagination how

812  
00:39:46,250 --> 00:39:44,280  
much of it is channel how much of it is

813  
00:39:48,589 --> 00:39:46,260

dreamed if you're doing this through

814

00:39:50,030 --> 00:39:48,599

other means you're smoking weed I don't

815

00:39:54,170 --> 00:39:50,040

know

816

00:39:57,650 --> 00:39:54,180

um but it really started to take hold

817

00:39:59,930 --> 00:39:57,660

and and again that

818

00:40:01,849 --> 00:39:59,940

it's fun to listen to

819

00:40:05,870 --> 00:40:01,859

but fundamentally I don't think that's

820

00:40:07,849 --> 00:40:05,880

what's most important if we back up and

821

00:40:09,849 --> 00:40:07,859

we really think about what we're talking

822

00:40:15,349 --> 00:40:09,859

about here

823

00:40:16,670 --> 00:40:15,359

the universe is a big big place you hear

824

00:40:20,329 --> 00:40:16,680

me say it all the time you don't

825

00:40:22,550 --> 00:40:20,339

understand you you don't you none of you

826

00:40:26,030 --> 00:40:22,560

understands

827

00:40:28,670 --> 00:40:26,040

how big the universe is I don't

828

00:40:31,750 --> 00:40:28,680

understand I grapple with it

829

00:40:35,569 --> 00:40:31,760

but you don't understand how big it is

830

00:40:38,690 --> 00:40:35,579

just our Milky Way

831

00:40:42,589 --> 00:40:38,700

which may have a trillion stars in it

832

00:40:43,910 --> 00:40:42,599

and trillions of planets

833

00:40:46,910 --> 00:40:43,920

way

834

00:40:49,190 --> 00:40:46,920

where in the latest estimates are you

835

00:40:50,990 --> 00:40:49,200

know there's over 500 billion stars and

836

00:40:53,450 --> 00:40:51,000

they don't even know they they don't

837

00:40:57,530 --> 00:40:53,460

they don't 500 billion is a freaking

838

00:40:59,810 --> 00:40:57,540

huge number and and that's just here

839

00:41:01,370 --> 00:40:59,820

right Avi lobe looked at me and he goes

840

00:41:04,190 --> 00:41:01,380

down man we've got more than a trillion

841

00:41:07,970 --> 00:41:04,200

planets in the Milky Way a trillion

842

00:41:10,550 --> 00:41:07,980

a thousand million planets just in our

843

00:41:14,450 --> 00:41:10,560

Milky Way so when you look at it like

844

00:41:17,150 --> 00:41:14,460

that and then you take our little teeny

845

00:41:19,250 --> 00:41:17,160

tiny show give me something tiny I'm

846

00:41:22,790 --> 00:41:19,260

looking for something tiny to pick up

847

00:41:24,470 --> 00:41:22,800

something tiny our little tiny Galaxy

848

00:41:28,190 --> 00:41:24,480

that is this big

849

00:41:31,970 --> 00:41:28,200

inside of the universe which has got one

850

00:41:34,730 --> 00:41:31,980

two trillion more of these trillions

851  
00:41:39,050 --> 00:41:34,740  
of galaxies and each one of those with

852  
00:41:45,230 --> 00:41:43,130  
there was in a Galactic Federation

853  
00:41:48,829 --> 00:41:45,240  
there are galactic

854  
00:41:52,970 --> 00:41:50,450  
to the

855  
00:41:55,970 --> 00:41:52,980  
power of 20.

856  
00:41:59,630 --> 00:41:55,980  
power of a hundred I don't know it's a

857  
00:42:01,670 --> 00:41:59,640  
number so big you have no idea you can't

858  
00:42:03,589 --> 00:42:01,680  
wrap your head around it now is there

859  
00:42:06,230 --> 00:42:03,599  
evidence of that too people here know

860  
00:42:07,190 --> 00:42:06,240  
this as a fact no but you have to or

861  
00:42:09,589 --> 00:42:07,200  
maybe

862  
00:42:11,150 --> 00:42:09,599  
but you have to accept what the numbers

863  
00:42:17,150 --> 00:42:11,160

are

864

00:42:21,950 --> 00:42:18,650

right

865

00:42:23,770 --> 00:42:21,960

Homo sapiens sapien 200 000 years old uh

866

00:42:28,069 --> 00:42:23,780

Earth four and a half billion years old

867

00:42:30,410 --> 00:42:28,079

uh uh humans you know eight eight

868

00:42:32,150 --> 00:42:30,420

million years old if you go to Lucy two

869

00:42:34,010 --> 00:42:32,160

and a half million years ago and you

870

00:42:36,230 --> 00:42:34,020

just back it up you just try to come

871

00:42:40,250 --> 00:42:36,240

that that number

872

00:42:42,349 --> 00:42:40,260

for the existence of humanity is so tiny

873

00:42:45,470 --> 00:42:42,359

in the big scope of it just a little

874

00:42:49,490 --> 00:42:45,480

tiny slip so an advanced civilization

875

00:42:53,030 --> 00:42:49,500

more advanced than us by a billion years

876

00:42:55,370 --> 00:42:53,040

and how many of those are out there

877

00:42:57,589 --> 00:42:55,380

throughout the Universe of which the

878

00:43:00,349 --> 00:42:57,599

numbers it's got to be in the you know

879

00:43:01,910 --> 00:43:00,359

what trillions

880

00:43:06,410 --> 00:43:01,920

trillions

881

00:43:08,809 --> 00:43:06,420

not one not two

882

00:43:11,270 --> 00:43:08,819

trillions just close to us between

883

00:43:14,569 --> 00:43:11,280

Andromeda and and the Milky Way

884

00:43:21,589 --> 00:43:17,410

so there's no telling how many

885

00:43:23,510 --> 00:43:21,599

Galactic federations are out there

886

00:43:24,530 --> 00:43:23,520

you know but do we know it as fact I

887

00:43:31,210 --> 00:43:24,540

don't know

888

00:43:34,670 --> 00:43:31,220

great question uh let's see

889

00:43:36,950 --> 00:43:34,680

uh bill just had to chime in

890

00:43:40,370 --> 00:43:36,960

it's Bill's birthday everybody happy

891

00:43:43,870 --> 00:43:40,380

birthday Bill who wants cake let them

892

00:43:47,569 --> 00:43:43,880

eat cake Bill let them eat cake

893

00:43:51,050 --> 00:43:47,579

uh Dallas Michael Reese says when did

894

00:43:53,829 --> 00:43:51,060

you start on radio or in radio on radio

895

00:43:57,890 --> 00:43:53,839

uh 2008

896

00:44:00,530 --> 00:43:57,900

2008 2008 that's a long story but uh

897

00:44:05,030 --> 00:44:00,540

2008.

898

00:44:08,270 --> 00:44:05,040

um my first time on Coast I think

899

00:44:13,370 --> 00:44:08,280

I think that was two thousand

900

00:44:14,630 --> 00:44:13,380

2013 2014 something like that

901  
00:44:19,130 --> 00:44:14,640  
um yeah

902  
00:44:20,569 --> 00:44:19,140  
yeah so there you go uh whatever 2023 do

903  
00:44:23,030 --> 00:44:20,579  
the math

904  
00:44:24,410 --> 00:44:23,040  
um I've been at it for a while uh

905  
00:44:26,450 --> 00:44:24,420  
Jessica Oh I thought that was a question

906  
00:44:31,069 --> 00:44:26,460  
I want some cake

907  
00:44:34,069 --> 00:44:31,079  
and uh what's your favorite cake

908  
00:44:35,089 --> 00:44:34,079  
what's your favorite cake mine

909  
00:44:37,309 --> 00:44:35,099  
um

910  
00:44:40,609 --> 00:44:37,319  
man I like red velvet but I like German

911  
00:44:44,210 --> 00:44:40,619  
chocolate too as well I really do and

912  
00:44:46,970 --> 00:44:44,220  
strawberry cream white cake with a cream

913  
00:44:48,470 --> 00:44:46,980

with oh man with a heavy cream frosting

914

00:44:49,790 --> 00:44:48,480

with strawberries I really like that too

915

00:44:53,390 --> 00:44:49,800

as well

916

00:44:56,750 --> 00:44:53,400

all right okay this is all coming out of

917

00:44:58,849 --> 00:44:56,760

the chat and

918

00:45:02,030 --> 00:44:58,859

um let's see here

919

00:45:03,710 --> 00:45:02,040

please play some Van Halen on your

920

00:45:05,809 --> 00:45:03,720

Frankie

921

00:45:07,190 --> 00:45:05,819

I can do that live on the air what are

922

00:45:09,170 --> 00:45:07,200

these nights

923

00:45:10,970 --> 00:45:09,180

um you know because I've got uh right

924

00:45:13,849 --> 00:45:10,980

now it's not miked up

925

00:45:16,430 --> 00:45:13,859

um but I'll mic up the amp and I'm

926  
00:45:20,270 --> 00:45:16,440  
running in here and and we'll have it

927  
00:45:24,050 --> 00:45:20,280  
all right all right okay I'll do it I

928  
00:45:26,750 --> 00:45:24,060  
have no problem with that HH

929  
00:45:30,730 --> 00:45:26,760  
let's see

930  
00:45:33,710 --> 00:45:30,740  
all right this is long EJ says I'm part

931  
00:45:36,290 --> 00:45:33,720  
of the voodoo community and I've spoken

932  
00:45:38,690 --> 00:45:36,300  
with African deities that have the

933  
00:45:41,530 --> 00:45:38,700  
ability to talk about your past present

934  
00:45:45,109 --> 00:45:41,540  
and future why aren't there any

935  
00:45:53,290 --> 00:45:45,119  
scientists investigating this

936  
00:45:53,300 --> 00:45:57,650  
I don't understand

937  
00:46:01,849 --> 00:45:59,809  
I I said this earlier today on on

938  
00:46:06,349 --> 00:46:01,859

Christina's show

939

00:46:09,770 --> 00:46:06,359

um you know Michio Kaku I like meet you

940

00:46:11,750 --> 00:46:09,780

but Michio Kaku and other scientists uh

941

00:46:16,510 --> 00:46:11,760

and physicists

942

00:46:23,270 --> 00:46:18,349

repeat

943

00:46:24,349 --> 00:46:23,280

you know they they want an event to

944

00:46:25,910 --> 00:46:24,359

repeat

945

00:46:27,349 --> 00:46:25,920

so they can measure it so they can test

946

00:46:28,690 --> 00:46:27,359

it so they can figure it out so they can

947

00:46:33,410 --> 00:46:28,700

throw it in the lab

948

00:46:35,809 --> 00:46:33,420

and one of when we talk about stuff like

949

00:46:39,170 --> 00:46:35,819

this

950

00:46:41,410 --> 00:46:39,180

um in a scientist or science scientific

951  
00:46:46,370 --> 00:46:41,420  
setting

952  
00:46:48,589 --> 00:46:46,380  
you can't put this in a in a test tube

953  
00:46:49,849 --> 00:46:48,599  
you know you can't capture it so it

954  
00:46:52,849 --> 00:46:49,859  
could be

955  
00:46:55,010 --> 00:46:52,859  
uh looked at underneath an electron

956  
00:46:56,510 --> 00:46:55,020  
microscope right there's no way to

957  
00:46:58,430 --> 00:46:56,520  
measure it and come up with an equation

958  
00:47:00,170 --> 00:46:58,440  
and then repeat it and come up with some

959  
00:47:04,609 --> 00:47:00,180  
probabilities and then get it to repeat

960  
00:47:07,309 --> 00:47:04,619  
and look no there's in their eyes

961  
00:47:09,609 --> 00:47:07,319  
but what they are in EJ this is why your

962  
00:47:13,970 --> 00:47:09,619  
question is so important

963  
00:47:17,210 --> 00:47:13,980

what they are talking about more today

964

00:47:18,530 --> 00:47:17,220

is pinning themselves in the corner and

965

00:47:20,150 --> 00:47:18,540

they're going to have to eventually

966

00:47:22,150 --> 00:47:20,160

start testing this stuff and I'm talking

967

00:47:25,790 --> 00:47:22,160

about

968

00:47:29,809 --> 00:47:25,800

uh extra Dimensions

969

00:47:31,930 --> 00:47:29,819

um uh entanglement Consciousness does

970

00:47:35,569 --> 00:47:31,940

Consciousness arrive from the physical

971

00:47:37,130 --> 00:47:35,579

or does Consciousness cause the physical

972

00:47:39,890 --> 00:47:37,140

to be seen

973

00:47:42,230 --> 00:47:39,900

right I mean that's a that's kind of a

974

00:47:45,290 --> 00:47:42,240

weird Paradox isn't it right without

975

00:47:48,950 --> 00:47:45,300

Consciousness and the ability to

976  
00:47:52,190 --> 00:47:48,960  
perceive eyeballs taste hearing touch

977  
00:47:54,710 --> 00:47:52,200  
right the ability to convert all of that

978  
00:47:57,069 --> 00:47:54,720  
into electronic signals and so we can

979  
00:47:59,270 --> 00:47:57,079  
perceive our reality around us what what

980  
00:48:01,910 --> 00:47:59,280  
comes first

981  
00:48:03,349 --> 00:48:01,920  
right so these are things that I think

982  
00:48:06,290 --> 00:48:03,359  
they're going to have to start measuring

983  
00:48:07,790 --> 00:48:06,300  
and if you go and trying to start to

984  
00:48:10,190 --> 00:48:07,800  
figure this stuff out and if they go

985  
00:48:11,569 --> 00:48:10,200  
down that road everything that you're

986  
00:48:12,710 --> 00:48:11,579  
talking about here past present and

987  
00:48:15,230 --> 00:48:12,720  
future

988  
00:48:17,030 --> 00:48:15,240

um is is got to be discussed I don't

989

00:48:19,309 --> 00:48:17,040

think Einstein had a problem with time

990

00:48:22,190 --> 00:48:19,319

travel we had time problems with time

991

00:48:24,230 --> 00:48:22,200

travel to the past but not to the Future

992

00:48:29,690 --> 00:48:24,240

um now time travel have passed that's

993

00:48:33,530 --> 00:48:29,700

that's uh but once you get into this

994

00:48:35,770 --> 00:48:33,540

um our perception of knowledge and how

995

00:48:39,530 --> 00:48:35,780

and what we can understand

996

00:48:41,210 --> 00:48:39,540

prevents us from trying to figure out or

997

00:48:45,890 --> 00:48:41,220

even contemplate

998

00:48:48,950 --> 00:48:45,900

the past if you go and you there are

999

00:48:51,530 --> 00:48:48,960

um if you go watch the Great Courses and

1000

00:48:54,950 --> 00:48:51,540

and if you haven't done that you should

1001  
00:48:57,589 --> 00:48:54,960  
go uh on the great course Sean Carroll

1002  
00:48:59,750 --> 00:48:57,599  
oh I gotta love hate relationship with

1003  
00:49:01,370 --> 00:48:59,760  
Sean Carroll but most of the times I'm

1004  
00:49:02,329 --> 00:49:01,380  
on the right side of the fence with him

1005  
00:49:10,910 --> 00:49:02,339  
but

1006  
00:49:14,349 --> 00:49:10,920  
like 30 parts it's a full course full

1007  
00:49:17,809 --> 00:49:14,359  
semester on what is time

1008  
00:49:21,109 --> 00:49:17,819  
and in his last book

1009  
00:49:25,970 --> 00:49:21,119  
um I'm trying to think it's I'm I think

1010  
00:49:28,730 --> 00:49:25,980  
time is in the in in his last book he he

1011  
00:49:31,730 --> 00:49:28,740  
spent a chapter on the past present and

1012  
00:49:34,250 --> 00:49:31,740  
future and he explains it really well

1013  
00:49:36,650 --> 00:49:34,260

all right his take on it

1014

00:49:40,309 --> 00:49:36,660

um but I don't agree with him but his

1015

00:49:43,990 --> 00:49:40,319

take on it is is a real one

1016

00:49:46,130 --> 00:49:44,000

right and and so if he can discuss it

1017

00:49:48,950 --> 00:49:46,140

then why

1018

00:49:51,050 --> 00:49:48,960

isn't there research going into it

1019

00:49:53,089 --> 00:49:51,060

you know not not on paper

1020

00:49:54,650 --> 00:49:53,099

not with equations but like Research

1021

00:49:56,450 --> 00:49:54,660

into it

1022

00:49:59,690 --> 00:49:56,460

um so there you go it's a great question

1023

00:50:02,750 --> 00:49:59,700

EJ and uh I think they will be

1024

00:50:04,490 --> 00:50:02,760

investigating this very very soon throw

1025

00:50:06,950 --> 00:50:04,500

Ayahuasca in the mix

1026  
00:50:13,069 --> 00:50:06,960  
and uh I think we've got a whole new

1027  
00:50:16,970 --> 00:50:13,079  
party uh going on here okay let's see

1028  
00:50:24,650 --> 00:50:19,609  
fill the stalker what would you change

1029  
00:50:28,430 --> 00:50:24,660  
about yourself if you could nothing

1030  
00:50:34,730 --> 00:50:31,190  
you know I think all of us are imperfect

1031  
00:50:36,230 --> 00:50:34,740  
right far from perfect but I like who I

1032  
00:50:38,390 --> 00:50:36,240  
am

1033  
00:50:40,970 --> 00:50:38,400  
um uh you know there's little things

1034  
00:50:43,550 --> 00:50:40,980  
that you know you just try to fine-tune

1035  
00:50:45,050 --> 00:50:43,560  
stuff every single day and and just get

1036  
00:50:47,990 --> 00:50:45,060  
improved

1037  
00:50:50,809 --> 00:50:48,000  
um the uh no no I wouldn't change

1038  
00:50:55,430 --> 00:50:50,819

anything man look at that

1039

00:50:58,130 --> 00:50:55,440

can Priests burnt Bosque cheesecake that

1040

00:51:00,950 --> 00:50:58,140

just can priest isn't right

1041

00:51:02,809 --> 00:51:00,960

go to hashtag f2b go to the sandbox and

1042

00:51:05,030 --> 00:51:02,819

look at that

1043

00:51:08,270 --> 00:51:05,040

posted that two minutes ago oh that

1044

00:51:11,390 --> 00:51:08,280

looks gnarly what is that on the top is

1045

00:51:13,490 --> 00:51:11,400

that dusted is that dusted chocolate

1046

00:51:17,030 --> 00:51:13,500

and that thing is burnt man that thing

1047

00:51:19,130 --> 00:51:17,040

looks good so is that burnt with is that

1048

00:51:21,890 --> 00:51:19,140

is that with um

1049

00:51:23,750 --> 00:51:21,900

is that with a torch is that with a blow

1050

00:51:26,270 --> 00:51:23,760

torch on the outside I just got a

1051  
00:51:29,450 --> 00:51:26,280  
blowtorch by the way yeah man sitting on

1052  
00:51:31,549 --> 00:51:29,460  
my Island got my blood torched so I can

1053  
00:51:34,490 --> 00:51:31,559  
do that to anything

1054  
00:51:35,809 --> 00:51:34,500  
I can burn anything

1055  
00:51:37,370 --> 00:51:35,819  
um I was talking with a couple of

1056  
00:51:40,730 --> 00:51:37,380  
friends of mine the other day and I know

1057  
00:51:42,950 --> 00:51:40,740  
I've said this on the air but uh this

1058  
00:51:45,349 --> 00:51:42,960  
this is worth repeating

1059  
00:51:46,970 --> 00:51:45,359  
I had told them it was a deep

1060  
00:51:49,190 --> 00:51:46,980  
conversation but I said you know if I

1061  
00:51:51,230 --> 00:51:49,200  
won the lottery

1062  
00:51:54,890 --> 00:51:51,240  
if I if I you know if I find one

1063  
00:51:57,470 --> 00:51:54,900

literally right if I won the lottery

1064

00:52:00,049 --> 00:51:57,480

I would still do the show

1065

00:52:02,930 --> 00:52:00,059

I would I wouldn't stop

1066

00:52:04,670 --> 00:52:02,940

and I would go back to college

1067

00:52:06,589 --> 00:52:04,680

that's if I was going to change

1068

00:52:08,750 --> 00:52:06,599

something about myself it would be more

1069

00:52:11,870 --> 00:52:08,760

education when I was younger I was too

1070

00:52:13,309 --> 00:52:11,880

busy doing other stuff but when you get

1071

00:52:16,010 --> 00:52:13,319

to be an adult

1072

00:52:17,329 --> 00:52:16,020

kids don't understand it these days uh I

1073

00:52:20,690 --> 00:52:17,339

didn't understand it when I was younger

1074

00:52:22,309 --> 00:52:20,700

either education is the coolest thing in

1075

00:52:24,109 --> 00:52:22,319

the world

1076

00:52:25,910 --> 00:52:24,119

it's the coolest thing

1077

00:52:27,470 --> 00:52:25,920

go to school I would go back to school

1078

00:52:29,450 --> 00:52:27,480

if I won the lottery I would go to

1079

00:52:30,170 --> 00:52:29,460

school I'll go back to college until I

1080

00:52:32,329 --> 00:52:30,180

died

1081

00:52:34,309 --> 00:52:32,339

that's what I would do

1082

00:52:36,109 --> 00:52:34,319

and so they asked me so what would you I

1083

00:52:38,270 --> 00:52:36,119

said you know I think I would go history

1084

00:52:40,370 --> 00:52:38,280

archeology

1085

00:52:41,230 --> 00:52:40,380

um I don't think

1086

00:52:44,329 --> 00:52:41,240

um

1087

00:52:46,430 --> 00:52:44,339

uh I'm I'm smart enough for physics and

1088

00:52:48,530 --> 00:52:46,440

stuff but um and and I don't have the

1089

00:52:50,690 --> 00:52:48,540

brain power and the math for for

1090

00:52:53,150 --> 00:52:50,700

astronomy but I might dip my toe in that

1091

00:52:54,650 --> 00:52:53,160

too as well I said you know but that

1092

00:52:57,349 --> 00:52:54,660

that's what I would do I would go back

1093

00:52:59,329 --> 00:52:57,359

to college I would just learn

1094

00:53:00,770 --> 00:52:59,339

God it's just the best and that's that's

1095

00:53:05,089 --> 00:53:00,780

what I would change about myself if

1096

00:53:09,410 --> 00:53:05,099

anything is I would have uh more school

1097

00:53:13,690 --> 00:53:09,420

uh let's see all right okay let's go

1098

00:53:20,030 --> 00:53:17,510

uh have you ever had a dream

1099

00:53:21,530 --> 00:53:20,040

that later became reality that's from

1100

00:53:24,530 --> 00:53:21,540

Lord Nelson have you ever had a dream

1101  
00:53:27,170 --> 00:53:24,540  
that later on became reality PS favorite

1102  
00:53:30,530 --> 00:53:27,180  
Elvis song to play

1103  
00:53:33,829 --> 00:53:30,540  
oh man it's now or never

1104  
00:53:35,890 --> 00:53:33,839  
um in the ghetto is pretty strong

1105  
00:53:38,089 --> 00:53:35,900  
um uh

1106  
00:53:40,730 --> 00:53:38,099  
Suspicious Minds

1107  
00:53:41,630 --> 00:53:40,740  
lots of fun on the guitar on the Geet

1108  
00:53:43,069 --> 00:53:41,640  
box

1109  
00:53:45,710 --> 00:53:43,079  
um have you ever had a dream that later

1110  
00:53:49,130 --> 00:53:45,720  
became reality yeah I've told the story

1111  
00:53:52,430 --> 00:53:49,140  
many times but when I was uh seven eight

1112  
00:53:55,130 --> 00:53:52,440  
years old I had a repeating dream for

1113  
00:53:59,510 --> 00:53:58,190

of me doing this

1114

00:54:03,829 --> 00:53:59,520

yep

1115

00:54:04,670 --> 00:54:03,839

sitting talking into a microphone

1116

00:54:06,829 --> 00:54:04,680

um

1117

00:54:08,270 --> 00:54:06,839

in a studio I did I didn't understand

1118

00:54:09,290 --> 00:54:08,280

what I was doing I didn't know it was

1119

00:54:12,530 --> 00:54:09,300

radio

1120

00:54:16,309 --> 00:54:12,540

I I didn't know same Mike said this this

1121

00:54:21,049 --> 00:54:16,319

right here like this

1122

00:54:23,510 --> 00:54:21,059

yeah I didn't know I looked back and I I

1123

00:54:25,549 --> 00:54:23,520

um and now I have those answers today oh

1124

00:54:27,049 --> 00:54:25,559

so that's what it was

1125

00:54:28,430 --> 00:54:27,059

um and it freaks me out and I'll tell

1126  
00:54:31,010 --> 00:54:28,440  
you why it freespan I feel like somebody

1127  
00:54:32,510 --> 00:54:31,020  
read my book

1128  
00:54:35,990 --> 00:54:32,520  
and you know kind of like deja vu

1129  
00:54:37,490 --> 00:54:36,000  
somebody read my book and and knew what

1130  
00:54:38,569 --> 00:54:37,500  
was about to happen was telling me about

1131  
00:54:41,809 --> 00:54:38,579  
it

1132  
00:54:43,069 --> 00:54:41,819  
um I didn't have uh the knowledge and

1133  
00:54:45,770 --> 00:54:43,079  
the intelligence at the time to

1134  
00:54:48,890 --> 00:54:45,780  
understand and perceive uh what it was

1135  
00:54:50,030 --> 00:54:48,900  
that I was dreaming but it was spot on

1136  
00:54:51,770 --> 00:54:50,040  
accurate

1137  
00:54:54,349 --> 00:54:51,780  
you know I didn't know it wasn't a

1138  
00:54:56,030 --> 00:54:54,359

recording studio or maybe some of that

1139

00:54:58,910 --> 00:54:56,040

was

1140

00:55:03,349 --> 00:54:58,920

um but no I'm talking about dreaming of

1141

00:55:05,870 --> 00:55:03,359

this radio microphone and the studio

1142

00:55:09,710 --> 00:55:05,880

setup here

1143

00:55:11,329 --> 00:55:09,720

yeah yeah pretty strange isn't it and I

1144

00:55:12,890 --> 00:55:11,339

didn't I didn't I didn't understand it

1145

00:55:14,930 --> 00:55:12,900

man I had that dream constantly

1146

00:55:17,510 --> 00:55:14,940

constantly

1147

00:55:19,730 --> 00:55:17,520

had that dream over and over and over

1148

00:55:23,089 --> 00:55:21,650

never understood it I never dreamed

1149

00:55:25,609 --> 00:55:23,099

about

1150

00:55:27,770 --> 00:55:25,619

being an airplane pilot astronaut didn't

1151  
00:55:30,710 --> 00:55:27,780  
dream about it I daydreamed about that

1152  
00:55:33,109 --> 00:55:30,720  
stuff but dreams at night no dreams at

1153  
00:55:35,770 --> 00:55:33,119  
night were were this right here

1154  
00:55:40,970 --> 00:55:35,780  
so uh great question thank you for that

1155  
00:55:43,430 --> 00:55:40,980  
Lord Nelson okay let's uh I gotta take a

1156  
00:55:44,990 --> 00:55:43,440  
break here but let's go over to Facebook

1157  
00:55:48,300 --> 00:55:45,000  
really quick and see what's going on

1158  
00:55:53,809 --> 00:55:50,589  
[Music]

1159  
00:55:56,030 --> 00:55:53,819  
what you doing

1160  
00:55:58,549 --> 00:55:56,040  
so I got a notification

1161  
00:56:01,849 --> 00:55:58,559  
uh oh it was a letter I got a letter

1162  
00:56:05,870 --> 00:56:01,859  
letter I opened it up from my uh

1163  
00:56:09,950 --> 00:56:05,880

internet provider we have upgraded your

1164

00:56:12,890 --> 00:56:09,960

internet service to gigabit speeds

1165

00:56:16,609 --> 00:56:12,900

no action is required on your part

1166

00:56:19,250 --> 00:56:16,619

billing hasn't changed but everything is

1167

00:56:22,309 --> 00:56:19,260

upgraded congratulations

1168

00:56:26,270 --> 00:56:22,319

I've noticed any difference so I came

1169

00:56:28,370 --> 00:56:26,280

back and uh and I ran speed test dude

1170

00:56:30,829 --> 00:56:28,380

I'm running gigabit

1171

00:56:35,809 --> 00:56:30,839

and it doesn't right there speed test

1172

00:56:39,829 --> 00:56:35,819

gigabit you know 100 megabyte uh up and

1173

00:56:42,349 --> 00:56:39,839

uh 990 down

1174

00:56:44,089 --> 00:56:42,359

there's no change in speed I don't see

1175

00:56:47,809 --> 00:56:44,099

anything you would think uh I would

1176

00:56:51,250 --> 00:56:47,819

notice it okay let's see here oh man

1177

00:56:53,630 --> 00:56:51,260

look at all these comments okay

1178

00:56:57,170 --> 00:56:53,640

all these questions how do I get to them

1179

00:56:59,569 --> 00:56:57,180

how do I view the comments they're not

1180

00:57:04,390 --> 00:56:59,579

all popping up here that doesn't make

1181

00:57:07,250 --> 00:57:04,400

any sense it says 24 how do I view them

1182

00:57:10,910 --> 00:57:07,260

what is your favorite effects pedal I

1183

00:57:12,090 --> 00:57:10,920

have no pedals oh I do I do I have three

1184

00:57:14,390 --> 00:57:12,100

they're all the same

1185

00:57:17,809 --> 00:57:14,400

[Laughter]

1186

00:57:21,410 --> 00:57:17,819

I have one in each uh amplifier so I've

1187

00:57:23,329 --> 00:57:21,420

got a uh the TC Electronics uh Reverb

1188

00:57:25,670 --> 00:57:23,339

pedal I've got three I've got one in

1189

00:57:27,530 --> 00:57:25,680

here I've got one of the back rehearsal

1190

00:57:29,150 --> 00:57:27,540

studio and then I've got one in in the

1191

00:57:31,790 --> 00:57:29,160

living room with my little rig out there

1192

00:57:34,010 --> 00:57:31,800

too as well so yeah I have three pedals

1193

00:57:36,230 --> 00:57:34,020

they're all the same the base pedals are

1194

00:57:39,710 --> 00:57:36,240

over here those are for Bass and and

1195

00:57:41,329 --> 00:57:39,720

they're uh their simulators so there you

1196

00:57:45,530 --> 00:57:41,339

go

1197

00:57:48,829 --> 00:57:45,540

um what did you learn at school that you

1198

00:57:53,150 --> 00:57:48,839

can't learn from home

1199

00:57:55,430 --> 00:57:53,160

yeah no I get that uh today

1200

00:57:57,170 --> 00:57:55,440

um but you are always going to that's

1201

00:57:59,270 --> 00:57:57,180

that's a really great point I mean you

1202

00:58:01,010 --> 00:57:59,280

can learn so much today like I just said

1203

00:58:04,069 --> 00:58:01,020

the Great Courses right I taught myself

1204

00:58:07,250 --> 00:58:04,079

hieroglyphics uh Bob bear man it was

1205

00:58:09,230 --> 00:58:07,260

just incredible man and going through uh

1206

00:58:11,870 --> 00:58:09,240

his course on on how to read and write

1207

00:58:14,690 --> 00:58:11,880

hieroglyphics right it's a great Court

1208

00:58:16,130 --> 00:58:14,700

hard not easy not an easy course but

1209

00:58:18,349 --> 00:58:16,140

it's right there and you can learn right

1210

00:58:20,589 --> 00:58:18,359

never learned that in school and you can

1211

00:58:22,130 --> 00:58:20,599

learn that right here at home

1212

00:58:27,109 --> 00:58:22,140

so

1213

00:58:29,990 --> 00:58:27,119

being in a classroom setting

1214

00:58:32,990 --> 00:58:30,000

um being around other students that are

1215

00:58:34,010 --> 00:58:33,000

asking questions and and they have a

1216

00:58:35,390 --> 00:58:34,020

certain amount of knowledge and

1217

00:58:36,770 --> 00:58:35,400

techniques in in doing things you're

1218

00:58:39,109 --> 00:58:36,780

always going to learn from them and you

1219

00:58:41,450 --> 00:58:39,119

support each other and and then you have

1220

00:58:43,510 --> 00:58:41,460

different teachers and their approaches

1221

00:58:46,430 --> 00:58:43,520

to things and you can also ask questions

1222

00:58:48,049 --> 00:58:46,440

and and do stuff in real time so I think

1223

00:58:50,870 --> 00:58:48,059

all of that is really really really

1224

00:58:53,750 --> 00:58:50,880

really really really important and a big

1225

00:58:54,410 --> 00:58:53,760

deal and there is

1226

00:58:56,230 --> 00:58:54,420

um

1227

00:59:01,069 --> 00:58:56,240

there is

1228

00:59:04,370 --> 00:59:01,079

a certain amount of ethics and morals

1229

00:59:06,530 --> 00:59:04,380

that if you have to be in a classroom at

1230

00:59:08,750 --> 00:59:06,540

8 30 in the morning with your homework

1231

00:59:10,910 --> 00:59:08,760

done and you got to test that day

1232

00:59:12,049 --> 00:59:10,920

you show up in your your prepared if

1233

00:59:14,930 --> 00:59:12,059

you're doing all of that from home

1234

00:59:18,349 --> 00:59:14,940

you're like man I'm gonna sleep in and

1235

00:59:21,170 --> 00:59:18,359

we'll take this class later on today

1236

00:59:22,549 --> 00:59:21,180

you could also cheat you can do all

1237

00:59:24,770 --> 00:59:22,559

kinds of stuff from the house that you

1238

00:59:27,349 --> 00:59:24,780

just would in a classroom setting no and

1239

00:59:30,170 --> 00:59:27,359

I'm sometimes I said cheat you heard me

1240

00:59:32,150 --> 00:59:30,180

and so there's a certain discipline uh

1241

00:59:35,030 --> 00:59:32,160

that comes with that in a certain

1242

00:59:38,390 --> 00:59:35,040

ceremony that comes with being in a

1243

00:59:40,190 --> 00:59:38,400

classroom and I love it I love it it's

1244

00:59:43,010 --> 00:59:40,200

like give it to me Teach come on let's

1245

00:59:46,150 --> 00:59:43,020

go I'm taking notes come on let's go

1246

00:59:49,130 --> 00:59:46,160

yeah I dig it I dig it

1247

00:59:52,849 --> 00:59:49,140

uh let's see

1248

00:59:56,150 --> 00:59:52,859

what what what is your first book on you

1249

00:59:59,630 --> 00:59:56,160

of what is the first book

1250

01:00:01,160 --> 00:59:59,640

on UFOs that I should read

1251  
01:00:03,549 --> 01:00:01,170  
hmm

1252  
01:00:06,130 --> 01:00:03,559  
[Music]

1253  
01:00:07,690 --> 01:00:06,140  
man

1254  
01:00:10,190 --> 01:00:07,700  
uh

1255  
01:00:13,910 --> 01:00:10,200  
okay you can go old school you can go

1256  
01:00:16,190 --> 01:00:13,920  
50s you can go Kehoe rupelt

1257  
01:00:18,890 --> 01:00:16,200  
um and and that's fine

1258  
01:00:21,530 --> 01:00:18,900  
um and I think that that should be on

1259  
01:00:24,289 --> 01:00:21,540  
maybe a top 10 list but if you're gonna

1260  
01:00:25,370 --> 01:00:24,299  
go today

1261  
01:00:29,150 --> 01:00:25,380  
um

1262  
01:00:32,030 --> 01:00:29,160  
uh Richard Dolan's uh

1263  
01:00:35,390 --> 01:00:32,040

uh I mean UFOs in the National Security

1264

01:00:37,450 --> 01:00:35,400

State is a 100 must read

1265

01:00:41,630 --> 01:00:37,460

that that's it

1266

01:00:45,589 --> 01:00:41,640

that is an incredible incredible work

1267

01:00:47,930 --> 01:00:45,599

and and I know my stuff and in even I in

1268

01:00:49,549 --> 01:00:47,940

that I'm like go Richard go although I

1269

01:00:50,569 --> 01:00:49,559

didn't know this this is good this is

1270

01:00:52,430 --> 01:00:50,579

good

1271

01:00:54,470 --> 01:00:52,440

um it's an incredible uh incredible

1272

01:00:57,170 --> 01:00:54,480

piece of work I've been talking a lot

1273

01:00:59,990 --> 01:00:57,180

about Jay Allen High next 1977 book to

1274

01:01:03,650 --> 01:01:00,000

report on UFOs Project Blue Book

1275

01:01:06,890 --> 01:01:03,660

um is another uh necessity uh Timothy

1276

01:01:11,210 --> 01:01:06,900

Goods Above Top Secret and I think that

1277

01:01:13,210 --> 01:01:11,220

came out in 1990 91.

1278

01:01:17,809 --> 01:01:13,220

um another must read

1279

01:01:20,750 --> 01:01:17,819

there are many many I've got hundreds

1280

01:01:23,930 --> 01:01:20,760

and hundreds and hundreds of books about

1281

01:01:27,650 --> 01:01:23,940

UFOs I mean I've just got boxes and

1282

01:01:30,650 --> 01:01:27,660

shelves of of books but just like right

1283

01:01:33,950 --> 01:01:30,660

off of the top of my head if I was going

1284

01:01:36,770 --> 01:01:33,960

to say three necessary reads

1285

01:01:40,430 --> 01:01:36,780

um it would be the Leslie Keynes

1286

01:01:42,950 --> 01:01:40,440

um uh government or military and

1287

01:01:44,089 --> 01:01:42,960

officials uh go on the record we were

1288

01:01:46,609 --> 01:01:44,099

talking about the other night when she

1289

01:01:50,329 --> 01:01:46,619

was on the show that is an excellent

1290

01:01:52,849 --> 01:01:50,339

book excellent so there's four right if

1291

01:01:55,190 --> 01:01:52,859

you've read any of them or not there's

1292

01:01:58,250 --> 01:01:55,200

one read the one that you haven't read

1293

01:02:01,309 --> 01:01:58,260

yet if you haven't read all four read

1294

01:02:08,030 --> 01:02:01,319

all four and

1295

01:02:10,370 --> 01:02:08,040

um I can't see why can't I

1296

01:02:11,809 --> 01:02:10,380

um on this I I don't understand why I

1297

01:02:13,549 --> 01:02:11,819

can't see all the comments I've never

1298

01:02:17,390 --> 01:02:13,559

seen it like this before

1299

01:02:20,750 --> 01:02:17,400

something is weird there's 26

1300

01:02:23,210 --> 01:02:20,760

questions here and I'm not getting them

1301

01:02:25,670 --> 01:02:23,220

I can't see them

1302

01:02:30,770 --> 01:02:25,680

it just doesn't make any sense normally

1303

01:02:35,030 --> 01:02:32,450

no

1304

01:02:36,530 --> 01:02:35,040

it's kind of weird okay uh Matt says

1305

01:02:38,210 --> 01:02:36,540

thank you so they're popping up in real

1306

01:02:39,530 --> 01:02:38,220

time but I'm not seeing the rest of the

1307

01:02:40,609 --> 01:02:39,540

questions and I can't even scroll

1308

01:02:44,510 --> 01:02:40,619

through them

1309

01:02:50,450 --> 01:02:48,650

okay I'm not going to

1310

01:02:53,089 --> 01:02:50,460

uh do this anymore but I'm going to keep

1311

01:02:56,210 --> 01:02:53,099

it live so I see that it's loading in

1312

01:03:00,650 --> 01:02:56,220

real time okay

1313

01:03:05,690 --> 01:03:00,660

um uh uh let's go this direction

1314

01:03:09,829 --> 01:03:07,490

this is Jimmy Church of Fade to Black

1315

01:03:12,109 --> 01:03:09,839

please visit all of our sponsors we're

1316

01:03:13,910 --> 01:03:12,119

taking a quick break here all of the

1317

01:03:16,970 --> 01:03:13,920

links are below

1318

01:03:19,190 --> 01:03:16,980

and we'll be right back

1319

01:03:20,230 --> 01:03:19,200

check out Billy Carson's Forbidden

1320

01:03:21,670 --> 01:03:20,240

Knowledge

1321

01:03:24,109 --> 01:03:21,680

forbiddenknowledge.com or

1322

01:03:27,470 --> 01:03:24,119

forbiddenknowledge dot TV where you can

1323

01:03:30,589 --> 01:03:27,480

get access to over 6 000 videos movies

1324

01:03:32,569 --> 01:03:30,599

TV series exclusive documentaries like

1325

01:03:34,270 --> 01:03:32,579

the Black Knight satellite you can do it

1326

01:03:38,809 --> 01:03:34,280

all for just

1327

01:03:41,089 --> 01:03:38,819

7.77 per month for 77 per year after the

1328

01:03:43,069 --> 01:03:41,099

three-day trial which is also totally

1329

01:03:46,870 --> 01:03:43,079

free to check out it's all simple to do

1330

01:03:48,470 --> 01:03:46,880

Billy Carson is the best it's simple

1331

01:03:51,230 --> 01:03:48,480

forbiddenknowledge.com or

1332

01:03:55,430 --> 01:03:51,240

forbiddenknowledge dot TV that's the

1333

01:04:00,109 --> 01:03:57,770

I will be hosting an mcing the conscious

1334

01:04:03,289 --> 01:04:00,119

life Expo this February 10th through the

1335

01:04:05,630 --> 01:04:03,299

13th at The Lax Hilton right here in Los

1336

01:04:07,910 --> 01:04:05,640

Angeles California 200 speakers

1337

01:04:10,069 --> 01:04:07,920

including Linda Moulton Howe Bashar

1338

01:04:12,589 --> 01:04:10,079

Deborah King George Nori Daniel Sheehan

1339

01:04:16,910 --> 01:04:12,599

Scott Walter Johnstone and David wolf

1340

01:04:20,270 --> 01:04:16,920

over 200 vendors special events this is

1341

01:04:22,609 --> 01:04:20,280

the biggest event of its kind on planet

1342

01:04:24,910 --> 01:04:22,619

Earth you've got to come and hang out

1343

01:04:26,870 --> 01:04:24,920

with all of us tickets and info at

1344

01:04:28,549 --> 01:04:26,880

consciouslifeexpo.com the links are

1345

01:04:31,670 --> 01:04:28,559

below

1346

01:04:34,849 --> 01:04:31,680

on Saturday April 1st that's right April

1347

01:04:37,010 --> 01:04:34,859

Fool's Day 2023 I will be hosting the

1348

01:04:40,549 --> 01:04:37,020

peripod festival at the Hyatt Regency

1349

01:04:43,010 --> 01:04:40,559

right here in Valencia California it's a

1350

01:04:46,069 --> 01:04:43,020

live one-day podcast Awards it's a film

1351

01:04:48,170 --> 01:04:46,079

festival it's a full-on media event

1352

01:04:49,970 --> 01:04:48,180

we're going to have Sky watching it's

1353

01:04:52,789 --> 01:04:49,980

going to be a Lifetime Achievement Award

1354

01:04:54,770 --> 01:04:52,799

presented to Linda Moulton Howe right

1355

01:04:56,809 --> 01:04:54,780

now you can submit your podcast your

1356

01:04:59,569 --> 01:04:56,819

film your TV series any of your

1357

01:05:01,490 --> 01:04:59,579

paranormal media for consideration you

1358

01:05:04,750 --> 01:05:01,500

can do all of that on the links below

1359

01:05:06,650 --> 01:05:04,760

for info and tickets go to

1360

01:05:09,730 --> 01:05:06,660

parapodfilmfest.com that's

1361

01:05:15,410 --> 01:05:13,789

April 7th through the 14th 2023 I'll be

1362

01:05:18,349 --> 01:05:15,420

hosting a presenting on the hidden

1363

01:05:20,990 --> 01:05:18,359

secrets seminar at Sea cruise from Los

1364

01:05:23,329 --> 01:05:21,000

Angeles to the Mexican Riviera I'm the

1365

01:05:25,970 --> 01:05:23,339

Navigator of the Seas that's right up

1366

01:05:27,589 --> 01:05:25,980

top a giant water slide you've got to

1367

01:05:29,510 --> 01:05:27,599

check out the Navigator of the Seas it's

1368

01:05:31,910 --> 01:05:29,520

amazing we've got Scott Walter Adam

1369

01:05:34,789 --> 01:05:31,920

Apollo Nick Pope Brad Olson Vivian

1370

01:05:37,130 --> 01:05:34,799

Chauvet Jason sherka Robert Grant Reuben

1371

01:05:39,410 --> 01:05:37,140

Langdon and another 12 amazing speakers

1372

01:05:40,870 --> 01:05:39,420

and presenters it's all simple to do

1373

01:05:43,309 --> 01:05:40,880

just visit

1374

01:05:47,030 --> 01:05:43,319

divinetravels.com forward slash hidden

1375

01:05:49,250 --> 01:05:47,040

secrets 2023 you know you want to go on

1376

01:05:52,670 --> 01:05:49,260

a cruise with me

1377

01:05:55,490 --> 01:05:52,680

River Moon coffee makers of the Fade to

1378

01:05:57,309 --> 01:05:55,500

Black blend truly the best coffee on

1379

01:05:59,569 --> 01:05:57,319

planet Earth just visit

1380

01:06:01,430 --> 01:05:59,579

rivermoonwellness.com or their Amazon

1381

01:06:02,870 --> 01:06:01,440

store it's all simple to do you can

1382

01:06:04,910 --> 01:06:02,880

check out the Fade to Black blend the

1383

01:06:07,609 --> 01:06:04,920

game changer Blend or any of their black

1384

01:06:11,329 --> 01:06:07,619

moon wellness products it's the only

1385

01:06:26,390 --> 01:06:11,339

coffee I drink it is the best and it's

1386

01:06:31,789 --> 01:06:29,870

don't worry I'm back I'm back I'm here

1387

01:06:38,809 --> 01:06:31,799

I'm here

1388

01:06:41,930 --> 01:06:38,819

oh look what tonight's is our AMA ask me

1389

01:06:43,789 --> 01:06:41,940

anything all questions answered and uh

1390

01:06:46,010 --> 01:06:43,799

there you go man my steering wheel see

1391

01:06:48,049 --> 01:06:46,020

that's what I get show off the steering

1392

01:06:49,069 --> 01:06:48,059

wheel all my stuff is Tangled Up I've

1393

01:06:52,670 --> 01:06:49,079

got no

1394

01:06:56,150 --> 01:06:52,680

I've Got No Room on my headphones okay

1395

01:07:01,130 --> 01:06:56,160

so uh you can post your questions in the

1396

01:07:04,569 --> 01:07:01,140

YouTube chat and uh hashtag f2b over on

1397

01:07:10,250 --> 01:07:04,579

Twitter and also over on our Facebook

1398

01:07:17,089 --> 01:07:10,260

page and uh there you go and again I

1399

01:07:18,829 --> 01:07:17,099

can't uh over on Facebook I can't see

1400

01:07:23,529 --> 01:07:18,839

um I cannot see

1401

01:07:28,670 --> 01:07:23,539

the the questions I I don't know why

1402

01:07:31,250 --> 01:07:28,680

uh they're here I see that

1403

01:07:33,890 --> 01:07:31,260

um yeah and and everybody that has

1404

01:07:35,630 --> 01:07:33,900

posted questions they're not I can't I

1405

01:07:40,010 --> 01:07:35,640

can't get it to scroll down so but I can

1406

01:07:42,549 --> 01:07:40,020

see the newest one uh pop-up on the top

1407

01:07:46,569 --> 01:07:42,559

okay so let's get back to it

1408

01:07:51,309 --> 01:07:46,579

oh man here we go this is from Rusty

1409

01:07:55,309 --> 01:07:51,319

and Rusty says hey Jimmy do you believe

1410

01:07:57,770 --> 01:07:55,319

in simulate in the simulation Theory

1411

01:07:58,910 --> 01:07:57,780

in theory I believe in the simile yeah I

1412

01:08:05,650 --> 01:07:58,920

do

1413

01:08:09,650 --> 01:08:05,660

that we are living in a simulation

1414

01:08:12,950 --> 01:08:09,660

uh anything is possible yeah this is

1415

01:08:14,990 --> 01:08:12,960

what I did I was just telling you that

1416

01:08:18,950 --> 01:08:15,000

you know sharing with everybody that I'm

1417

01:08:21,110 --> 01:08:18,960

playing Horizon Forza five right and so

1418

01:08:23,870 --> 01:08:21,120

when you get into a game like that which

1419

01:08:26,809 --> 01:08:23,880

has you know it's all of Mexico just

1420

01:08:29,570 --> 01:08:26,819

about and and you can drive anywhere

1421

01:08:31,490 --> 01:08:29,580

it's endless you can drive off the roads

1422

01:08:33,890 --> 01:08:31,500

drive over it's just endless endless

1423

01:08:35,329 --> 01:08:33,900

endless endless you can just uh you

1424

01:08:36,650 --> 01:08:35,339

don't want to participate in a race and

1425

01:08:40,189 --> 01:08:36,660

you just want to just drive all over

1426

01:08:42,110 --> 01:08:40,199

Mexico on roads through towns and cities

1427

01:08:45,169 --> 01:08:42,120

um it's expansive and it's crazy and

1428

01:08:50,209 --> 01:08:45,179

it's right there right it's a simulation

1429

01:08:53,930 --> 01:08:50,219

and now is that well so that's a very

1430

01:08:56,709 --> 01:08:53,940

simple game that sits on my hard drive

1431

01:09:02,450 --> 01:08:56,719

there are many games out there like that

1432

01:09:05,090 --> 01:09:02,460

the idea behind a a simulation I think

1433

01:09:06,890 --> 01:09:05,100

for a lot of people they immediately go

1434

01:09:09,110 --> 01:09:06,900

it's too big

1435

01:09:12,410 --> 01:09:09,120

there's no way that would be a

1436

01:09:16,610 --> 01:09:12,420

a computer network and things and and

1437

01:09:20,390 --> 01:09:16,620

all of it you know I I'm not I don't

1438

01:09:22,010 --> 01:09:20,400

think it's as big of of uh uh no because

1439

01:09:24,410 --> 01:09:22,020

you would be dealing with code that

1440

01:09:27,050 --> 01:09:24,420

writes itself in other words you know

1441

01:09:29,689 --> 01:09:27,060

when you have a video game I'm just

1442

01:09:31,849 --> 01:09:29,699

using that as an example and you have an

1443

01:09:33,829 --> 01:09:31,859

NPC right a non-player character and

1444

01:09:36,590 --> 01:09:33,839

he's walking around he's doing stuff in

1445

01:09:38,150 --> 01:09:36,600

the game is that an extensive amount of

1446

01:09:39,890 --> 01:09:38,160

code no that's code that's writing

1447

01:09:42,470 --> 01:09:39,900

itself in real time and that character

1448

01:09:44,090 --> 01:09:42,480

is off doing his own thing right but

1449

01:09:45,769 --> 01:09:44,100

would that character know that he's an

1450

01:09:47,769 --> 01:09:45,779

NPC

1451

01:09:55,790 --> 01:09:47,779

now

1452

01:09:56,990 --> 01:09:55,800

over into the possibility of all would

1453

01:09:59,930 --> 01:09:57,000

we know

1454

01:10:03,890 --> 01:09:59,940

no of course we wouldn't

1455

01:10:05,390 --> 01:10:03,900

and and and here is where

1456

01:10:07,130 --> 01:10:05,400

um if I really want to mess with

1457

01:10:08,990 --> 01:10:07,140

everybody's head

1458

01:10:11,050 --> 01:10:09,000

then I'm just gonna give it to you like

1459

01:10:15,290 --> 01:10:11,060

this

1460

01:10:20,689 --> 01:10:17,110

our brain

1461

01:10:23,450 --> 01:10:20,699

electricity nerves right oh everything

1462

01:10:24,290 --> 01:10:23,460

once it's electricity positive and

1463

01:10:25,910 --> 01:10:24,300

negative

1464

01:10:30,110 --> 01:10:25,920

that's it

1465

01:10:33,350 --> 01:10:30,120

and so the amount of processes that uh

1466

01:10:36,050 --> 01:10:33,360

your the nerves in your eye and the

1467

01:10:38,630 --> 01:10:36,060

lenses and and the way that it's picking

1468

01:10:40,669 --> 01:10:38,640

up light and converting and dark

1469

01:10:42,530 --> 01:10:40,679

whatever and converting that into

1470

01:10:45,709 --> 01:10:42,540

electrical pulses

1471

01:10:48,290 --> 01:10:45,719

trillions of times a second all those

1472

01:10:49,970 --> 01:10:48,300

nerve endings sending stuff back into

1473

01:10:51,550 --> 01:10:49,980

your brain

1474

01:10:54,229 --> 01:10:51,560

that's all

1475

01:10:57,050 --> 01:10:54,239

simulation man

1476

01:10:58,910 --> 01:10:57,060

that's our perception

1477

01:11:00,290 --> 01:10:58,920

it's ones and zeros

1478

01:11:03,590 --> 01:11:00,300

so

1479

01:11:07,070 --> 01:11:03,600

is it any different no and would you no

1480

01:11:11,090 --> 01:11:07,080

no no you wouldn't

1481

01:11:14,870 --> 01:11:13,070

perfect example

1482

01:11:16,850 --> 01:11:14,880

um the first one or the second one the

1483

01:11:19,490 --> 01:11:16,860

Remake they're both uh equally cool but

1484

01:11:21,830 --> 01:11:19,500

in the original one you know that idea

1485

01:11:24,290 --> 01:11:21,840

you know from the early 1980s too as

1486

01:11:28,010 --> 01:11:24,300

well what 81-82 that came out journey

1487

01:11:31,130 --> 01:11:28,020

journey wrote the uh theme song for that

1488

01:11:34,669 --> 01:11:31,140

um you know being vaporized by a laser

1489

01:11:35,930 --> 01:11:34,679

and then put onto a chip and existing in

1490

01:11:38,990 --> 01:11:35,940

a world

1491

01:11:41,689 --> 01:11:39,000

um on on a motherboard

1492

01:11:44,330 --> 01:11:41,699

um is that now that's not and would you

1493

01:11:47,270 --> 01:11:44,340

know the difference no I I don't think

1494

01:11:49,850 --> 01:11:47,280

that you would except for do you sleep

1495

01:11:51,530 --> 01:11:49,860

do you eat do you breathe do you get

1496

01:11:54,950 --> 01:11:51,540

diseases

1497

01:11:59,229 --> 01:11:54,960

um no and but uh but you could write

1498

01:12:05,870 --> 01:12:02,870

many games have that

1499

01:12:09,350 --> 01:12:05,880

um so would we know no

1500

01:12:12,709 --> 01:12:09,360

no I I think that the the idea behind it

1501

01:12:15,229 --> 01:12:12,719

and the possibilities of it are real uh

1502

01:12:18,709 --> 01:12:15,239

uh Isaac Arthur has done many many many

1503

01:12:20,270 --> 01:12:18,719

shows about this Riz verk wrote his book

1504

01:12:23,149 --> 01:12:20,280

um I've got to get Riz back on the show

1505

01:12:25,310 --> 01:12:23,159

to talk about this and the many

1506

01:12:28,310 --> 01:12:25,320

intellectuals out there believe that we

1507

01:12:30,970 --> 01:12:28,320

could be living in a simulation now and

1508

01:12:36,590 --> 01:12:30,980

and

1509

01:12:41,390 --> 01:12:36,600

Not only would we not know if we were

1510

01:12:43,310 --> 01:12:41,400

um when you go into an AR world you put

1511

01:12:45,590 --> 01:12:43,320

on the glasses and you're playing a game

1512

01:12:48,050 --> 01:12:45,600

you are now if we're living in a

1513

01:12:51,350 --> 01:12:48,060

simulation you're in a simulation inside

1514

01:12:54,470 --> 01:12:51,360  
of a simulation that's crazy town

1515

01:12:56,930 --> 01:12:54,480  
what if what if in the simulation

1516

01:12:59,030 --> 01:12:56,940  
in a simulated world you got your VR

1517

01:13:01,970 --> 01:12:59,040  
goggles on and you go into the

1518

01:13:03,890 --> 01:13:01,980  
simulation and in that simulation you

1519

01:13:05,330 --> 01:13:03,900  
put on VR glasses and go into a

1520

01:13:07,370 --> 01:13:05,340  
simulation

1521

01:13:09,709 --> 01:13:07,380  
think about that would you know the

1522

01:13:12,950 --> 01:13:09,719  
difference would you no I just don't and

1523

01:13:19,370 --> 01:13:15,709  
if somebody came out today and said look

1524

01:13:21,290 --> 01:13:19,380  
you know ET Lanza goes okay look it's uh

1525

01:13:24,110 --> 01:13:21,300  
it's time for disclosure okay

1526

01:13:27,590 --> 01:13:24,120

ETS are real nah well kind of yeah we I

1527

01:13:29,149 --> 01:13:27,600

yeah yeah but you're not

1528

01:13:32,209 --> 01:13:29,159

you're just part of the computer program

1529

01:13:36,410 --> 01:13:32,219

and we just fart around all day playing

1530

01:13:38,630 --> 01:13:36,420

uh Earth Sims 2.0 and uh we're waiting

1531

01:13:41,030 --> 01:13:38,640

for the expansion pack

1532

01:13:44,390 --> 01:13:41,040

to get released

1533

01:13:47,810 --> 01:13:44,400

what where's yeah yeah you are

1534

01:13:50,390 --> 01:13:47,820

what no really I bet okay yeah yeah

1535

01:13:54,410 --> 01:13:50,400

you're a simulation

1536

01:13:58,970 --> 01:13:55,850

think about that

1537

01:14:01,310 --> 01:13:58,980

all right so there you go Rusty I

1538

01:14:03,370 --> 01:14:01,320

believe I'm a Believer when it comes to

1539

01:14:06,430 --> 01:14:03,380

that stuff I'm gonna believe that it's

1540

01:14:09,530 --> 01:14:06,440

absolutely possible

1541

01:14:11,870 --> 01:14:09,540

uh let's see seriously Jimmy get all of

1542

01:14:13,130 --> 01:14:11,880

that from your skulls

1543

01:14:14,810 --> 01:14:13,140

um I do

1544

01:14:20,270 --> 01:14:14,820

I do

1545

01:14:22,970 --> 01:14:20,280

um uh and thank you for that Adam

1546

01:14:25,630 --> 01:14:22,980

bicycle

1547

01:14:30,350 --> 01:14:25,640

um I noticed

1548

01:14:32,090 --> 01:14:30,360

that uh and I used to talk to uh the elf

1549

01:14:33,649 --> 01:14:32,100

about this a lot you know dreaming with

1550

01:14:34,490 --> 01:14:33,659

crystals

1551

01:14:37,970 --> 01:14:34,500

um

1552

01:14:41,870 --> 01:14:37,980

I uh and I did this within the past year

1553

01:14:44,030 --> 01:14:41,880

I had a couple of skulls in my bedroom

1554

01:14:46,970 --> 01:14:44,040

it affects dreaming

1555

01:14:49,430 --> 01:14:46,980

I I know I I know I I don't like talking

1556

01:14:52,669 --> 01:14:49,440

talking about it here I don't want uh I

1557

01:14:55,090 --> 01:14:52,679

don't want to

1558

01:15:00,110 --> 01:14:55,100

um change your perception

1559

01:15:02,890 --> 01:15:00,120

or pollute your experience or have you

1560

01:15:08,209 --> 01:15:02,900

think something negatively or positively

1561

01:15:10,790 --> 01:15:08,219

uh from it and extrapolate my words into

1562

01:15:13,130 --> 01:15:10,800

um your experience so no I want to keep

1563

01:15:17,270 --> 01:15:13,140

all of that stuff off the table

1564

01:15:20,330 --> 01:15:17,280

um but that being said

1565

01:15:24,530 --> 01:15:20,340

there are no skulls in my bedroom and

1566

01:15:26,030 --> 01:15:24,540

there are no skulls here in the bunker

1567

01:15:29,149 --> 01:15:26,040

all right

1568

01:15:31,310 --> 01:15:29,159

I have my own reasons for it not just

1569

01:15:32,930 --> 01:15:31,320

this isn't negative

1570

01:15:35,030 --> 01:15:32,940

Maybe

1571

01:15:37,610 --> 01:15:35,040

it could be positive too but there are

1572

01:15:39,770 --> 01:15:37,620

reasons for it they're very powerful and

1573

01:15:42,470 --> 01:15:39,780

they are

1574

01:15:45,770 --> 01:15:42,480

whoever is The Keeper of the skull

1575

01:15:48,950 --> 01:15:45,780

that's where the power lies so you need

1576

01:15:51,229 --> 01:15:48,960

to think about that all right uh Cassidy

1577

01:15:54,850 --> 01:15:51,239

says I love you too Cassidy thank you so

1578

01:15:57,610 --> 01:15:54,860

much I thank you so much for that

1579

01:16:00,770 --> 01:15:57,620

uh okay

1580

01:16:03,590 --> 01:16:00,780

Jimmy what are your favorite Trader

1581

01:16:06,130 --> 01:16:03,600

Joe's Foods these days

1582

01:16:08,570 --> 01:16:06,140

oh

1583

01:16:10,310 --> 01:16:08,580

well this past couple of weeks the

1584

01:16:13,610 --> 01:16:10,320

answer is none

1585

01:16:15,229 --> 01:16:13,620

my favorite Trader Joe's Foods uh

1586

01:16:17,570 --> 01:16:15,239

currently

1587

01:16:21,770 --> 01:16:17,580

when I go back

1588

01:16:24,290 --> 01:16:21,780

um Trader Joe's jasmine rice

1589

01:16:27,290 --> 01:16:24,300

I buy three boxes at a time when I go

1590

01:16:30,169 --> 01:16:27,300

and there's three packages in each that

1591

01:16:32,330 --> 01:16:30,179

is one of the best things that you can

1592

01:16:34,550 --> 01:16:32,340

buy at any Supermarket on planet Earth

1593

01:16:36,350 --> 01:16:34,560

Trader Joe's jasmine rice it's

1594

01:16:40,070 --> 01:16:36,360

absolutely incredible it's incredible

1595

01:16:42,649 --> 01:16:40,080

rice and it it Cooks fast and it's great

1596

01:16:44,090 --> 01:16:42,659

um but uh

1597

01:16:47,209 --> 01:16:44,100

uh

1598

01:16:49,250 --> 01:16:47,219

oh Foofa

1599

01:16:52,970 --> 01:16:49,260

what have I been buying from Trader

1600

01:16:54,410 --> 01:16:52,980

Joe's lately that I can't live without

1601

01:16:57,890 --> 01:16:54,420

um

1602

01:17:02,450 --> 01:16:57,900

I just bought should I tell should I say

1603

01:17:07,310 --> 01:17:06,169

dark chocolate sea salt caramels there I

1604

01:17:11,810 --> 01:17:07,320

said it

1605

01:17:15,590 --> 01:17:13,669

those things are bad news

1606

01:17:17,890 --> 01:17:15,600

um Trader Joe's

1607

01:17:21,169 --> 01:17:17,900

foreign

1608

01:17:23,930 --> 01:17:21,179

ero sauce

1609

01:17:25,790 --> 01:17:23,940

I've got three bottles of it

1610

01:17:27,770 --> 01:17:25,800

um one that sits on my coffee table one

1611

01:17:30,950 --> 01:17:27,780

that sits on my dining room table one

1612

01:17:34,189 --> 01:17:30,960

that sits on my Island I cook with it

1613

01:17:37,970 --> 01:17:34,199

constantly and

1614

01:17:40,550 --> 01:17:37,980

um I I think that is God's Gift uh to

1615

01:17:42,709 --> 01:17:40,560

this planet Trader Joe's habanero sauce

1616

01:17:46,430 --> 01:17:42,719

a little bottle it's about this big

1617

01:17:49,010 --> 01:17:46,440

deadly strong powerful but flavor

1618

01:17:51,050 --> 01:17:49,020

explosion and the reason why I enjoy

1619

01:17:53,270 --> 01:17:51,060

that now I do all the Trader Joe stuff I

1620

01:17:56,810 --> 01:17:53,280

do like the uh

1621

01:17:59,330 --> 01:17:56,820

um uh their orange chicken I I think

1622

01:18:02,990 --> 01:17:59,340

that's their number one product

1623

01:18:05,630 --> 01:18:03,000

um uh so the orange chicken the teriyaki

1624

01:18:09,169 --> 01:18:05,640

chicken I buy that all the time

1625

01:18:11,209 --> 01:18:09,179

um I I cannot help but get

1626

01:18:15,110 --> 01:18:11,219

okay I'm gonna tell one more secret that

1627

01:18:24,110 --> 01:18:20,209

they're pepperoni pizza mac and cheese

1628

01:18:26,870 --> 01:18:24,120

yeah there I said it I've uh I've re

1629

01:18:30,530 --> 01:18:26,880

I've revealed uh

1630

01:18:32,810 --> 01:18:30,540

uh I've revealed way too much

1631

01:18:34,149 --> 01:18:32,820

yeah I I have the feeling that's gonna

1632

01:18:37,430 --> 01:18:34,159

pop up in Twitter

1633

01:18:40,550 --> 01:18:37,440

Trader Joe's

1634

01:18:44,570 --> 01:18:40,560

Pizza mac and cheese yeah uh I I still

1635

01:18:49,070 --> 01:18:44,580

do that uh uh just the Clusters Maple

1636

01:18:50,750 --> 01:18:49,080

pecan uh granola cereal that um I thank

1637

01:18:52,490 --> 01:18:50,760

you for that Cassandra Oh that's from

1638

01:18:55,550 --> 01:18:52,500

Olivia

1639

01:18:58,310 --> 01:18:55,560

um still quite possibly

1640

01:19:00,010 --> 01:18:58,320

that's up there with lucky charm and uh

1641

01:19:05,570 --> 01:19:00,020

Captain Crunch peanut butter crunch

1642

01:19:08,990 --> 01:19:07,430

they used to sell that by the bag now

1643

01:19:11,030 --> 01:19:09,000

they only sell it by the box but when

1644

01:19:13,189 --> 01:19:11,040

they sold it by the bag they sell it by

1645

01:19:17,330 --> 01:19:13,199

the Box free you know now and so yeah

1646

01:19:19,970 --> 01:19:17,340

you get two bowls you know per box the

1647

01:19:21,590 --> 01:19:19,980

way that I eat it but when they sold the

1648

01:19:23,750 --> 01:19:21,600

bag and you know what else they used to

1649

01:19:27,350 --> 01:19:23,760

sell by the bag they don't do it anymore

1650

01:19:28,850 --> 01:19:27,360

it's been uh probably 10 years I'll

1651

01:19:31,990 --> 01:19:28,860

never forget it I was a Trader I was

1652

01:19:35,090 --> 01:19:32,000

like what happened they had blueberry

1653

01:19:37,790 --> 01:19:35,100

mucilex by the bag these big long bags

1654

01:19:40,610 --> 01:19:37,800

it was so good

1655

01:19:42,470 --> 01:19:40,620

stop selling it like no no we don't

1656

01:19:44,149 --> 01:19:42,480

carry that anymore

1657

01:19:46,430 --> 01:19:44,159

what do you mean

1658

01:19:49,010 --> 01:19:46,440

so there you go Kerry says Yngwie

1659

01:19:51,770 --> 01:19:49,020

Malmsteen yes my

1660

01:19:54,590 --> 01:19:51,780

my skull is named after ingbe

1661

01:19:56,870 --> 01:19:54,600

yeah I sent him pictures of it years ago

1662

01:19:58,970 --> 01:19:56,880

he didn't respond back I forgot to ask

1663

01:20:01,370 --> 01:19:58,980

him about it uh when we hung out a

1664

01:20:03,410 --> 01:20:01,380

couple of months ago she said man do you

1665

01:20:06,470 --> 01:20:03,420

remember man I sent you that email man

1666

01:20:08,330 --> 01:20:06,480

with the Yngwie scum my skull named I

1667

01:20:10,790 --> 01:20:08,340

Didn't Do It

1668

01:20:14,810 --> 01:20:10,800

um it was one thing I thank you for that

1669

01:20:17,390 --> 01:20:14,820

uh Cassidy I remember

1670

01:20:21,310 --> 01:20:17,400

uh when I mentioned UFOs you know in

1671

01:20:23,450 --> 01:20:21,320

radio and stuff uh to ingve and

1672

01:20:27,169 --> 01:20:23,460

he's standing there he's holding my

1673

01:20:30,169 --> 01:20:27,179

guitar and he looks up

1674

01:20:33,470 --> 01:20:30,179

like that and he was gonna say something

1675

01:20:35,450 --> 01:20:33,480

but he didn't and I didn't push him I

1676

01:20:36,370 --> 01:20:35,460

didn't push him I had friends with me

1677

01:20:39,649 --> 01:20:36,380

going

1678

01:20:42,350 --> 01:20:39,659

he was gonna say something but I I

1679

01:20:44,689 --> 01:20:42,360

didn't I just it was like 10 minutes to

1680

01:20:45,350 --> 01:20:44,699

show time too I I just didn't want to go

1681

01:20:51,890 --> 01:20:45,360

there

1682

01:20:55,669 --> 01:20:51,900

me you just ask me so you get you just

1683

01:20:58,310 --> 01:20:55,679

ask me so you get one more what's that

1684

01:21:00,649 --> 01:20:58,320

um Grand Master UV says my birthday is

1685

01:21:02,870 --> 01:21:00,659

January 28th that's in two days happy

1686

01:21:04,669 --> 01:21:02,880

birthday Grandmaster I'm not going to be

1687

01:21:06,530 --> 01:21:04,679

here in two days

1688

01:21:08,630 --> 01:21:06,540

um

1689

01:21:14,689 --> 01:21:08,640

Let's uh

1690

01:21:22,130 --> 01:21:18,550

give ingway's gold donut

1691

01:21:24,950 --> 01:21:22,140

uh okay here we go

1692

01:21:27,290 --> 01:21:24,960

it's from Karen Karen says Jimmy what is

1693

01:21:29,090 --> 01:21:27,300

your favorite double album of all time

1694

01:21:30,350 --> 01:21:29,100

I'm reading these in real time these are

1695

01:21:33,410 --> 01:21:30,360

great questions

1696

01:21:37,370 --> 01:21:33,420

what is your favorite double album of

1697

01:21:40,790 --> 01:21:37,380

all time it's a tie for three

1698

01:21:45,050 --> 01:21:40,800

uh three right I don't think there is

1699

01:21:50,410 --> 01:21:45,060

any disputing what I am about to say

1700

01:21:53,630 --> 01:21:50,420

all right you ready Frampton Comes Alive

1701  
01:21:55,729 --> 01:21:53,640  
Kiss Alive one

1702  
01:21:58,550 --> 01:21:55,739  
and

1703  
01:22:00,950 --> 01:21:58,560  
Led Zeppelin The Song Remains the Same

1704  
01:22:05,090 --> 01:22:00,960  
now I could continue

1705  
01:22:06,830 --> 01:22:05,100  
I could I can continue but I'm I'm not I

1706  
01:22:09,290 --> 01:22:06,840  
could I could double album this thing

1707  
01:22:13,250 --> 01:22:09,300  
all day long but again

1708  
01:22:21,649 --> 01:22:15,530  
uh

1709  
01:22:24,950 --> 01:22:21,659  
Frampton Comes Alive Kiss Alive One Kiss

1710  
01:22:27,530 --> 01:22:24,960  
Alive two is right there too as well and

1711  
01:22:28,669 --> 01:22:27,540  
Led Zeppelin's song means the same

1712  
01:22:31,189 --> 01:22:28,679  
yeah

1713  
01:22:34,189 --> 01:22:31,199

so those are the best they don't do

1714

01:22:37,490 --> 01:22:34,199

double live albums anymore double albums

1715

01:22:38,930 --> 01:22:37,500

so uh there you go that's a that's a

1716

01:22:41,330 --> 01:22:38,940

great question Karen

1717

01:22:45,470 --> 01:22:41,340

that's a great question my top uh you

1718

01:22:47,990 --> 01:22:45,480

know I I get uh I get questions all the

1719

01:22:49,550 --> 01:22:48,000

time about my favorite song of all time

1720

01:22:52,250 --> 01:22:49,560

my favorite band of all time favorite

1721

01:22:57,649 --> 01:22:52,260

albums of all time and

1722

01:23:00,310 --> 01:22:57,659

um uh you know top this uh top 10 that

1723

01:23:04,970 --> 01:23:00,320

um and

1724

01:23:07,970 --> 01:23:04,980

I keep um how do I say this I keep going

1725

01:23:10,189 --> 01:23:07,980

back uh third Stone says they don't have

1726

01:23:12,290 --> 01:23:10,199

a Trader Joe's oh is that it the

1727

01:23:14,270 --> 01:23:12,300

pepperoni pizza mac and cheese that's it

1728

01:23:16,930 --> 01:23:14,280

that's it right there

1729

01:23:19,970 --> 01:23:16,940

that's it

1730

01:23:22,850 --> 01:23:19,980

pepperoni pizza mac and cheese Bowl you

1731

01:23:23,830 --> 01:23:22,860

can't top that man I'm telling you right

1732

01:23:27,290 --> 01:23:23,840

now

1733

01:23:30,649 --> 01:23:27,300

that it's over here on Twitter

1734

01:23:33,590 --> 01:23:30,659

that you can't top I'm just telling you

1735

01:23:35,630 --> 01:23:33,600

okay so what was that oh so top and um

1736

01:23:37,850 --> 01:23:35,640

so the other day

1737

01:23:40,310 --> 01:23:37,860

I was uh

1738

01:23:41,930 --> 01:23:40,320

uh watching a documentary on Steely Dan

1739

01:23:45,470 --> 01:23:41,940

Asia the making of the album Donald

1740

01:23:47,390 --> 01:23:45,480

fagin and and and and going through the

1741

01:23:48,709 --> 01:23:47,400

tracks and they're moving the faders up

1742

01:23:49,970 --> 01:23:48,719

and they're listening to everything and

1743

01:23:53,450 --> 01:23:49,980

they're talking about this and then okay

1744

01:23:56,090 --> 01:23:53,460

it's it's amazing right but

1745

01:23:59,870 --> 01:23:56,100

sitting there and I'm listening to it

1746

01:24:01,430 --> 01:23:59,880

and I go that is why right there why

1747

01:24:06,229 --> 01:24:01,440

that album

1748

01:24:08,630 --> 01:24:06,239

is like my desert island record and so

1749

01:24:10,550 --> 01:24:08,640

my top three record if I was gonna have

1750

01:24:13,130 --> 01:24:10,560

three albums that I was going to take

1751

01:24:15,950 --> 01:24:13,140

you know that I I couldn't live without

1752

01:24:18,470 --> 01:24:15,960

it would be Steely Dan Asia

1753

01:24:21,370 --> 01:24:18,480

Van Halen II

1754

01:24:24,770 --> 01:24:21,380

and Frank Zappa Joe's Garage

1755

01:24:26,270 --> 01:24:24,780

a tie with sheeker booty you know it's

1756

01:24:28,010 --> 01:24:26,280

kind of a tie

1757

01:24:30,229 --> 01:24:28,020

but that's how great that album is

1758

01:24:33,229 --> 01:24:30,239

Steely Dan Asia and I know it doesn't

1759

01:24:35,030 --> 01:24:33,239

make any sense you know I'm such a heavy

1760

01:24:37,790 --> 01:24:35,040

metal guy Jimmy what about ingvay what

1761

01:24:39,890 --> 01:24:37,800

about Steve Vai what about this and

1762

01:24:43,010 --> 01:24:39,900

um and and I get that what about Black

1763

01:24:45,669 --> 01:24:43,020

Sabbath I understand I I you know but

1764

01:24:51,050 --> 01:24:45,679

there are things about Steely Dan Asia

1765

01:24:52,390 --> 01:24:51,060

where it's it's rock but it's music it's

1766

01:24:56,870 --> 01:24:52,400

jazz

1767

01:24:59,450 --> 01:24:56,880

it's the lyrics it's the best musician's

1768

01:25:02,390 --> 01:24:59,460

period coming in whether it's drums or

1769

01:25:04,370 --> 01:25:02,400

bass or guitars solos piano this the

1770

01:25:05,270 --> 01:25:04,380

back of vocals Michael McDonald too as

1771

01:25:09,229 --> 01:25:05,280

well

1772

01:25:11,990 --> 01:25:09,239

um that that album musically is such a

1773

01:25:14,149 --> 01:25:12,000

song crafted record to musicians

1774

01:25:17,510 --> 01:25:14,159

musicians records the songwriters record

1775

01:25:20,209 --> 01:25:17,520

but they are songs that are listenable

1776

01:25:23,570 --> 01:25:20,219

as technical as they are it's just a

1777

01:25:25,850 --> 01:25:23,580

listenable happy musical record

1778

01:25:29,090 --> 01:25:25,860

and it's it's just like a perfect record

1779

01:25:31,370 --> 01:25:29,100

so Steely Dan Asia Van Halen II and

1780

01:25:32,930 --> 01:25:31,380

Frank Zappa Joe's Garage or or Sheek

1781

01:25:35,270 --> 01:25:32,940

your booty that's a that's a coin toss

1782

01:25:36,950 --> 01:25:35,280

go either way and I didn't put Jeff back

1783

01:25:39,890 --> 01:25:36,960

on that either Jeff Beck the orange

1784

01:25:43,070 --> 01:25:39,900

album wired Blow by blow

1785

01:25:44,570 --> 01:25:43,080

you know they would so there you go all

1786

01:25:47,649 --> 01:25:44,580

right

1787

01:25:50,990 --> 01:25:47,659

um I digress where am I at

1788

01:25:52,970 --> 01:25:51,000

uh Jimmy did I ever play on any famous

1789

01:25:54,830 --> 01:25:52,980

albums

1790

01:26:04,490 --> 01:25:54,840

no

1791

01:26:06,950 --> 01:26:04,500

all right uh

1792

01:26:12,050 --> 01:26:06,960

let's see Jimmy no different than any

1793

01:26:16,370 --> 01:26:14,209

does anybody know what this means that's

1794

01:26:19,610 --> 01:26:16,380

from Stu no different than any other

1795

01:26:21,590 --> 01:26:19,620

live stream YouTuber Jimmy

1796

01:26:26,709 --> 01:26:21,600

I wonder what that's about

1797

01:26:30,110 --> 01:26:26,719

uh to to

1798

01:26:36,610 --> 01:26:30,120

man these questions are repeating I see

1799

01:26:42,350 --> 01:26:39,830

uh let's see

1800

01:26:45,229 --> 01:26:42,360

first acoustic guitar first electric

1801  
01:26:48,110 --> 01:26:45,239  
guitar when

1802  
01:26:50,030 --> 01:26:48,120  
um okay my

1803  
01:26:52,550 --> 01:26:50,040  
first I didn't get an acoustic guitar

1804  
01:26:56,209 --> 01:26:52,560  
till later on in life uh no no I have my

1805  
01:26:58,129 --> 01:26:56,219  
dad's Brazilian uh classical guitar when

1806  
01:26:59,030 --> 01:26:58,139  
I was a kid

1807  
01:27:01,070 --> 01:26:59,040  
um

1808  
01:27:02,629 --> 01:27:01,080  
so there was that I don't remember the

1809  
01:27:04,970 --> 01:27:02,639  
name of it was handmade in Brazil it was

1810  
01:27:07,129 --> 01:27:04,980  
a nice guitar actually

1811  
01:27:09,410 --> 01:27:07,139  
um so there was that

1812  
01:27:11,450 --> 01:27:09,420  
um acoustic guitar I don't even own an

1813  
01:27:14,149 --> 01:27:11,460

acoustic guitar today

1814

01:27:17,390 --> 01:27:14,159

all right so there you go I had two I

1815

01:27:18,430 --> 01:27:17,400

sold them 25 years ago I just didn't

1816

01:27:21,470 --> 01:27:18,440

play them

1817

01:27:24,470 --> 01:27:21,480

uh I have acoustic electrics now I had

1818

01:27:26,090 --> 01:27:24,480

my first acoustic electric was a Kramer

1819

01:27:29,030 --> 01:27:26,100

Farrington

1820

01:27:31,850 --> 01:27:29,040

uh shaped like a strat which are worth

1821

01:27:35,510 --> 01:27:31,860

all the money today and I sold that

1822

01:27:37,490 --> 01:27:35,520

guitar for 150 bucks I regret it because

1823

01:27:39,830 --> 01:27:37,500

those things go for they're in the

1824

01:27:42,290 --> 01:27:39,840

thousands uh today couldn't give them

1825

01:27:45,229 --> 01:27:42,300

away in the in the 90s

1826

01:27:48,350 --> 01:27:45,239

um but anyway uh Kramer Farrington now I

1827

01:27:51,770 --> 01:27:48,360

have of course I have uh the uh the

1828

01:27:55,550 --> 01:27:51,780

fender acoustasonic right there and I've

1829

01:27:57,590 --> 01:27:55,560

got the uh Fender tele acoustic Sonic so

1830

01:27:59,390 --> 01:27:57,600

I have one of each and then I have

1831

01:28:02,209 --> 01:27:59,400

various other acoustic electrics but

1832

01:28:04,970 --> 01:28:02,219

those are acoustic electrics right there

1833

01:28:07,430 --> 01:28:04,980

and I love them I love them both they

1834

01:28:09,010 --> 01:28:07,440

play differently though uh it's it's

1835

01:28:10,790 --> 01:28:09,020

really strange

1836

01:28:19,610 --> 01:28:10,800

okay

1837

01:28:22,189 --> 01:28:19,620

uh from Spy Girl Jimmy choose only one

1838

01:28:26,510 --> 01:28:22,199

superpower mind reading or telepathy

1839

01:28:31,430 --> 01:28:29,270

aren't they the same

1840

01:28:34,490 --> 01:28:31,440

I think they're the same I'm going to

1841

01:28:37,010 --> 01:28:34,500

classify that as being the same

1842

01:28:40,250 --> 01:28:37,020

I think it's the same

1843

01:28:42,649 --> 01:28:40,260

uh I would pick either one

1844

01:28:43,790 --> 01:28:42,659

I wouldn't want to mind read yeah I'd be

1845

01:28:45,830 --> 01:28:43,800

telepathy

1846

01:28:50,689 --> 01:28:45,840

if if you're going to define a

1847

01:28:53,270 --> 01:28:50,699

difference but man I would think uh

1848

01:28:56,149 --> 01:28:53,280

uh they are the same let's see Dallas

1849

01:28:58,550 --> 01:28:56,159

Michael Reed says your UFO

1850

01:29:02,450 --> 01:28:58,560

encounter time what

1851

01:29:06,010 --> 01:29:02,460

your UFO encounter time

1852

01:29:09,530 --> 01:29:06,020

okay that came in an hour ago so I am

1853

01:29:15,530 --> 01:29:09,540

really behind here

1854

01:29:19,430 --> 01:29:17,330

foreign

1855

01:29:22,850 --> 01:29:19,440

that's right I do

1856

01:29:26,050 --> 01:29:22,860

I do is the number I can't say that out

1857

01:29:31,490 --> 01:29:29,270

uh Jimmy is an alien yeah yeah I would

1858

01:29:36,590 --> 01:29:31,500

say that that is true

1859

01:29:36,600 --> 01:29:40,189

okay

1860

01:29:47,330 --> 01:29:43,010

I I'm I'm scrolling everybody hey Jimmy

1861

01:29:50,510 --> 01:29:47,340

what did uh okay this is Rusty oh Rusty

1862

01:29:52,310 --> 01:29:50,520

second question tonight Rusty okay

1863

01:29:53,990 --> 01:29:52,320

um what do you think of the Fermi

1864

01:29:58,450 --> 01:29:54,000

paradox

1865

01:30:02,090 --> 01:29:58,460

uh Fermi was wrong

1866

01:30:05,209 --> 01:30:02,100

the the the the for I don't think Fermi

1867

01:30:07,370 --> 01:30:05,219

uh today uh would ask the same question

1868

01:30:10,850 --> 01:30:07,380

that was that Los Alamos it was in the

1869

01:30:14,270 --> 01:30:10,860

1950s Associated around

1870

01:30:16,250 --> 01:30:14,280

at 53 on the UFO flap he had the UFOs

1871

01:30:18,290 --> 01:30:16,260

over Washington DC all the headlines in

1872

01:30:21,290 --> 01:30:18,300

the papers flying saucers everywhere and

1873

01:30:22,669 --> 01:30:21,300

and stuff so um uh you know these

1874

01:30:26,030 --> 01:30:22,679

physicists are hanging out in the

1875

01:30:28,910 --> 01:30:26,040

cafeteria literally having lunch

1876  
01:30:31,370 --> 01:30:28,920  
um sitting around talking about UFOs and

1877  
01:30:35,510 --> 01:30:31,380  
and flying saucers

1878  
01:30:36,430 --> 01:30:35,520  
and Fermi Enrico Fermi

1879  
01:30:40,750 --> 01:30:36,440  
um

1880  
01:30:43,550 --> 01:30:40,760  
atomic bomb uh Enrico for me stands up

1881  
01:30:45,709 --> 01:30:43,560  
and he's frustrated he goes so there's

1882  
01:30:48,530 --> 01:30:45,719  
other there's all this life out there

1883  
01:30:49,910 --> 01:30:48,540  
where is everybody

1884  
01:30:52,250 --> 01:30:49,920  
right

1885  
01:30:54,050 --> 01:30:52,260  
so that's the that's the Fermi Paradox

1886  
01:30:56,510 --> 01:30:54,060  
if there's life out there where is

1887  
01:30:58,910 --> 01:30:56,520  
everybody you know and

1888  
01:31:00,229 --> 01:30:58,920

I don't think for me would ask that

1889

01:31:01,669 --> 01:31:00,239

question today

1890

01:31:04,490 --> 01:31:01,679

now

1891

01:31:06,410 --> 01:31:04,500

no so that's it that's what I think of

1892

01:31:08,570 --> 01:31:06,420

the Fermi Paradox it was fun to think

1893

01:31:12,950 --> 01:31:08,580

about back then uh today it's another

1894

01:31:16,629 --> 01:31:12,960

kind of party so there you go

1895

01:31:19,910 --> 01:31:16,639

let's see Jimmy what is your most recent

1896

01:31:22,550 --> 01:31:19,920

paranormal experience

1897

01:31:27,410 --> 01:31:22,560

um I think of spirit of the tree Spirit

1898

01:31:28,129 --> 01:31:27,420

of the radio the trees great album Rush

1899

01:31:30,290 --> 01:31:28,139

um

1900

01:31:32,870 --> 01:31:30,300

uh I talked about this the other night

1901

01:31:35,570 --> 01:31:32,880

actually

1902

01:31:37,910 --> 01:31:35,580

um what's that this is two nights ago

1903

01:31:41,689 --> 01:31:37,920

it was after the show I was upstairs I

1904

01:31:45,649 --> 01:31:41,699

was in bed had my iPad on my lap house

1905

01:31:47,570 --> 01:31:45,659

is dead quiet I had just turned off like

1906

01:31:50,330 --> 01:31:47,580

10 minutes before that

1907

01:31:52,910 --> 01:31:50,340

um uh the thermostat I sleep with it

1908

01:31:54,229 --> 01:31:52,920

down it's like at 70 degrees I set it 65

1909

01:31:56,629 --> 01:31:54,239

every night and I'd do the same thing

1910

01:31:59,030 --> 01:31:56,639

okay so anyway so I'd done that now I'm

1911

01:32:02,390 --> 01:31:59,040

just relaxed I'm in bed boom done got

1912

01:32:05,090 --> 01:32:02,400

the covers pulled up thing and and

1913

01:32:08,450 --> 01:32:05,100

um a very comfortable I have a padded

1914

01:32:10,729 --> 01:32:08,460

headboard right behind me and uh stacked

1915

01:32:13,010 --> 01:32:10,739

up pillows and I'm leaning back and I'm

1916

01:32:14,870 --> 01:32:13,020

comfortable man I got my iPad and I'm

1917

01:32:17,390 --> 01:32:14,880

just in the zone

1918

01:32:19,129 --> 01:32:17,400

getting comfortable and and things and

1919

01:32:20,629 --> 01:32:19,139

all of a sudden I gotta move my coffee

1920

01:32:27,850 --> 01:32:20,639

so I don't spill it

1921

01:32:32,750 --> 01:32:31,669

and I'm gonna cuss I'm gonna cuss on the

1922

01:32:36,410 --> 01:32:32,760

air right now

1923

01:32:39,350 --> 01:32:36,420

I had my iPad in my hand like this and I

1924

01:32:41,390 --> 01:32:39,360

go what the [h\_\_\h]

1925

01:32:45,530 --> 01:32:41,400

really

1926

01:32:48,229 --> 01:32:45,540

that's what I said a lot you are gonna

1927

01:32:50,030 --> 01:32:48,239

do this right now I'm not getting up

1928

01:32:51,590 --> 01:32:50,040

I'm not going to get up

1929

01:32:58,370 --> 01:32:51,600

and

1930

01:32:59,810 --> 01:32:58,380

the house I don't know if it was from

1931

01:33:03,709 --> 01:32:59,820

but it was loud

1932

01:33:06,110 --> 01:33:03,719

and and I just I wasn't going to get up

1933

01:33:08,870 --> 01:33:06,120

and do it and here's the thing am I

1934

01:33:10,430 --> 01:33:08,880

going to am I going to be Shaggy from

1935

01:33:12,470 --> 01:33:10,440

Scooby-Doo

1936

01:33:14,450 --> 01:33:12,480

right am I going to be that guy you know

1937

01:33:16,010 --> 01:33:14,460

walking around the haunted house you

1938

01:33:18,530 --> 01:33:16,020

know with the flashlight you know

1939

01:33:19,450 --> 01:33:18,540

walking around you know like Shaggy you

1940

01:33:22,610 --> 01:33:19,460

know

1941

01:33:25,189 --> 01:33:22,620

what what's am I not am I gonna no I'm

1942

01:33:28,490 --> 01:33:25,199

I'm not gonna do that

1943

01:33:30,110 --> 01:33:28,500

I'm just not going to do it and I I I I

1944

01:33:32,510 --> 01:33:30,120

don't know

1945

01:33:36,350 --> 01:33:32,520

you know and what do you do with stuff

1946

01:33:39,530 --> 01:33:36,360

like that when it happens what what can

1947

01:33:42,770 --> 01:33:39,540

you do nothing

1948

01:33:45,709 --> 01:33:42,780

I'm not gonna defeat that

1949

01:33:47,689 --> 01:33:45,719

I'm not gonna talk whatever that is in

1950

01:33:48,610 --> 01:33:47,699

or out of something or I'm gonna scare

1951

01:33:54,649 --> 01:33:48,620

them

1952

01:33:56,510 --> 01:33:54,659

Jimmy okay we'll stop no but you know my

1953

01:33:59,209 --> 01:33:56,520

conversation was I'm not going to get up

1954

01:34:01,490 --> 01:33:59,219

I'm not gonna go and look

1955

01:34:03,350 --> 01:34:01,500

you know and and uh

1956

01:34:04,669 --> 01:34:03,360

there you go

1957

01:34:08,450 --> 01:34:04,679

uh

1958

01:34:12,470 --> 01:34:08,460

nothing there's nothing you can do about

1959

01:34:13,729 --> 01:34:12,480

it and I've I've

1960

01:34:17,390 --> 01:34:13,739

um

1961

01:34:18,590 --> 01:34:17,400

uh I I just won't I just I I don't care

1962

01:34:20,090 --> 01:34:18,600

about it

1963

01:34:23,770 --> 01:34:20,100

I don't care

1964

01:34:27,530 --> 01:34:23,780

uh uh

1965

01:34:29,209 --> 01:34:27,540

Jimmy are you a Gambling Man I I do the

1966

01:34:31,250 --> 01:34:29,219

lotto once in a while when I think about

1967

01:34:33,590 --> 01:34:31,260

it if I have cash they only take cash

1968

01:34:35,870 --> 01:34:33,600

right so if I you know if I'm thinking

1969

01:34:38,750 --> 01:34:35,880

about it and I've got cash yeah I'll

1970

01:34:41,390 --> 01:34:38,760

pick up some lotto tickets uh I Do

1971

01:34:42,950 --> 01:34:41,400

scratchers as gifts I give those out all

1972

01:34:45,110 --> 01:34:42,960

the time you can ask anybody that's been

1973

01:34:47,810 --> 01:34:45,120

to my house uh they have gotten

1974

01:34:50,510 --> 01:34:47,820

scratcher tickets I buy those a lot uh

1975

01:34:52,910 --> 01:34:50,520

casinos love casinos I'm a slot guy I

1976

01:34:56,090 --> 01:34:52,920

like Blackjack too as well

1977

01:34:59,510 --> 01:34:56,100

um I'll do either so yeah I love casinos

1978

01:35:02,169 --> 01:34:59,520

casinos are a lot of fun

1979

01:35:10,189 --> 01:35:04,370

okay here we go

1980

01:35:11,930 --> 01:35:10,199

it's from he ran steps steps steppian

1981

01:35:15,110 --> 01:35:11,940

hey Jimmy do you have any info about

1982

01:35:18,950 --> 01:35:15,120

James casbold AKA Michael Prince Max

1983

01:35:21,669 --> 01:35:18,960

Spears project Ibis project mannequin

1984

01:35:23,750 --> 01:35:21,679

super soldiers black goo

1985

01:35:24,410 --> 01:35:23,760

you know when

1986

01:35:27,649 --> 01:35:24,420

um

1987

01:35:30,229 --> 01:35:27,659

when the max fears you know the whole

1988

01:35:32,290 --> 01:35:30,239

black goo conversation was going on

1989

01:35:37,370 --> 01:35:32,300

um I like Max Spears

1990

01:35:39,530 --> 01:35:37,380

and there were a a few young researchers

1991

01:35:42,410 --> 01:35:39,540

back then I'm talking you know 15 20

1992

01:35:45,050 --> 01:35:42,420

years ago uh maybe a little longer that

1993

01:35:47,689 --> 01:35:45,060

I really I really liked a lot

1994

01:35:49,970 --> 01:35:47,699

and and I was following their stuff and

1995

01:35:52,129 --> 01:35:49,980

max was one of those guys

1996

01:35:58,390 --> 01:35:52,139

and

1997

01:36:02,330 --> 01:35:58,400

um

1998

01:36:04,610 --> 01:36:02,340

reports now all of this again uh I'm not

1999

01:36:08,030 --> 01:36:04,620

saying that any of this is fact

2000

01:36:10,430 --> 01:36:08,040

okay and uh of the people that I know

2001

01:36:12,169 --> 01:36:10,440

I'm not going to say who that were

2002

01:36:14,629 --> 01:36:12,179

around the situation

2003

01:36:16,490 --> 01:36:14,639

um when all of this went down

2004

01:36:19,990 --> 01:36:16,500

I'm not going to talk to him about this

2005

01:36:23,510 --> 01:36:20,000

stuff I'm not going to do it I'm I'm not

2006

01:36:27,290 --> 01:36:23,520

Rudy sarza was in the in the in the bus

2007

01:36:29,629 --> 01:36:27,300

when when the plane hit and Randy Rhodes

2008

01:36:31,729 --> 01:36:29,639

died I never talked to Rudy about that

2009

01:36:34,010 --> 01:36:31,739

you know other people have and they can

2010

01:36:36,050 --> 01:36:34,020

and and he's talked about it in front of

2011

01:36:38,030 --> 01:36:36,060

me but for me no I'm not going to pull

2012

01:36:40,189 --> 01:36:38,040

somebody through that trauma it was the

2013

01:36:42,110 --> 01:36:40,199

same thing with Max you know so I don't

2014

01:36:45,229 --> 01:36:42,120

know what the facts are but the rumors

2015

01:36:47,750 --> 01:36:45,239

came into play that uh there might have

2016

01:36:49,790 --> 01:36:47,760

been something I I again I don't know

2017

01:36:52,129 --> 01:36:49,800

the facts of the case

2018

01:36:55,430 --> 01:36:52,139

um but uh when you get into these

2019

01:36:57,050 --> 01:36:55,440

conversations and and black goo comes in

2020

01:36:59,270 --> 01:36:57,060

and and what was there and what was

2021

01:37:01,370 --> 01:36:59,280

present and what wasn't

2022

01:37:03,229 --> 01:37:01,380

um yeah

2023

01:37:04,669 --> 01:37:03,239

yeah

2024

01:37:10,550 --> 01:37:04,679

um

2025

01:37:14,090 --> 01:37:10,560

that I have information

2026

01:37:16,970 --> 01:37:14,100

um I I think that it is a sensitive

2027

01:37:20,090 --> 01:37:16,980

enough subject for the people around Max

2028

01:37:22,550 --> 01:37:20,100

and his family and everything else that

2029

01:37:25,370 --> 01:37:22,560

um I I I'm just not going to visit it

2030

01:37:27,290 --> 01:37:25,380

not certainly not on the air

2031

01:37:30,890 --> 01:37:27,300

um it's just too sensitive and I just

2032

01:37:34,669 --> 01:37:30,900

have respect uh for all of that but man

2033

01:37:38,570 --> 01:37:34,679

Max Spears he was incredible I mean uh

2034

01:37:39,830 --> 01:37:38,580

much much respect uh for him okay let's

2035

01:37:41,990 --> 01:37:39,840

see

2036

01:37:45,770 --> 01:37:42,000

um Jimmy can you arrange a bus trip for

2037

01:37:47,870 --> 01:37:45,780

us to the Sasquatch Museum where is the

2038

01:37:50,270 --> 01:37:47,880

Sasquatch museum is there a Sasquatch

2039

01:37:54,050 --> 01:37:50,280

Museum there is this hold on for a

2040

01:37:56,510 --> 01:37:54,060

second the Sasquatch

2041

01:38:00,010 --> 01:37:56,520

Museum

2042

01:38:10,390 --> 01:38:04,149

okay there's only one here that I see

2043

01:38:13,189 --> 01:38:10,400

Blue Ridge Georgia the Sasquatch Museum

2044

01:38:14,870 --> 01:38:13,199

there it is

2045

01:38:17,870 --> 01:38:14,880

okay

2046

01:38:20,810 --> 01:38:17,880

um no I have uh I did not know that this

2047

01:38:23,689 --> 01:38:20,820

existed but there it is

2048

01:38:27,530 --> 01:38:23,699

um wow look at that

2049

01:38:30,470 --> 01:38:27,540

well there it is Expedition Bigfoot

2050

01:38:33,169 --> 01:38:30,480

the Blue Ridge Mountains travel guide

2051

01:38:36,110 --> 01:38:33,179

and there it is the Expedition Bigfoot

2052

01:38:39,310 --> 01:38:36,120

Museum Sasquatch Museum in Cherry log

2053

01:38:41,570 --> 01:38:39,320

Georgia there's a tour right there from

2054

01:38:44,270 --> 01:38:41,580

2020. pretty cool

2055

01:38:48,530 --> 01:38:46,430

yeah there you go yeah that doesn't

2056

01:38:51,110 --> 01:38:48,540

sound like a bad idea should we a bus

2057

01:38:53,030 --> 01:38:51,120

trip or should we fly if we did a bus

2058

01:38:54,410 --> 01:38:53,040

trip from where from my house out to

2059

01:38:57,410 --> 01:38:54,420

there we'd have to pick up people along

2060

01:38:59,390 --> 01:38:57,420

the way or are we going to meet in a

2061

01:39:01,310 --> 01:38:59,400

supermarket parking lot somewhere and

2062

01:39:03,590 --> 01:39:01,320

have everybody where's everybody going

2063

01:39:06,470 --> 01:39:03,600

to park their cars I'm just saying but

2064

01:39:08,810 --> 01:39:06,480

do we man oh man that's like five days

2065

01:39:11,810 --> 01:39:08,820

there five days back

2066

01:39:14,870 --> 01:39:11,820

and uh you know are we gonna stay at the

2067

01:39:16,250 --> 01:39:14,880

motel six two to a room I'm just saying

2068

01:39:18,590 --> 01:39:16,260

these are things you need to think about

2069

01:39:20,750 --> 01:39:18,600

but uh

2070

01:39:22,550 --> 01:39:20,760

there you go

2071

01:39:24,850 --> 01:39:22,560

um when do we go to Egypt together I

2072

01:39:27,709 --> 01:39:24,860

think we got two trips planned this year

2073

01:39:30,050 --> 01:39:27,719

uh 20 pounds in two weeks yeah that's

2074

01:39:30,950 --> 01:39:30,060

about right yeah yeah 20 pounds in two

2075

01:39:32,209 --> 01:39:30,960

weeks

2076

01:39:38,090 --> 01:39:32,219

yep

2077

01:39:41,510 --> 01:39:38,100

okay and that's from Android pair is it

2078

01:39:43,550 --> 01:39:41,520

Android Android paranormal

2079

01:39:48,830 --> 01:39:43,560

um yeah the answer is yes

2080

01:39:54,350 --> 01:39:51,470

I heard the theory he died in a body

2081

01:39:58,070 --> 01:39:54,360

double being used or something yeah see

2082

01:40:07,310 --> 01:40:01,790

uh congrats Jimmy on the weight loss

2083

01:40:14,209 --> 01:40:12,110

I am encouraged I I thought that here's

2084

01:40:16,729 --> 01:40:14,219

the deal we're all afraid of diets and

2085

01:40:18,410 --> 01:40:16,739

here's number two I love food I was

2086

01:40:20,330 --> 01:40:18,420

talking to Elizabeth Hoagstra the other

2087

01:40:21,890 --> 01:40:20,340

day it was about a week ago calling her

2088

01:40:23,450 --> 01:40:21,900

about advice what do I do man I'm losing

2089

01:40:25,910 --> 01:40:23,460

all this weight I'm in this thing I'm on

2090

01:40:28,189 --> 01:40:25,920

this client said probiotics prebiotics I

2091

01:40:29,810 --> 01:40:28,199

I got it what do we you know so just

2092

01:40:31,910 --> 01:40:29,820

give me the list of stuff and and things

2093

01:40:36,470 --> 01:40:31,920

to do you should go she goes Jimmy I get

2094

01:40:40,010 --> 01:40:36,480

it I love food you love food I said I do

2095

01:40:41,510 --> 01:40:40,020

and I mean I love food so that's the

2096

01:40:46,490 --> 01:40:41,520

fear of a diet

2097

01:40:50,570 --> 01:40:46,500

right and and so I didn't go on a diet

2098

01:40:53,330 --> 01:40:50,580

what I ended up doing was accidental

2099

01:40:55,010 --> 01:40:53,340

okay that that's it and so I just

2100

01:40:57,470 --> 01:40:55,020

extended it out

2101  
01:40:59,930 --> 01:40:57,480  
that's all and now it's turned into two

2102  
01:41:01,669 --> 01:40:59,940  
weeks but because I didn't go man I'm

2103  
01:41:03,229 --> 01:41:01,679  
gonna I'm gonna go on this diet I'm

2104  
01:41:05,209 --> 01:41:03,239  
gonna stick to it that's not what I did

2105  
01:41:07,250 --> 01:41:05,219  
so if I'm gonna give and you know maybe

2106  
01:41:08,629 --> 01:41:07,260  
I should do a video this is how you do

2107  
01:41:11,990 --> 01:41:08,639  
it

2108  
01:41:15,649 --> 01:41:12,000  
um start off simple you know I I went to

2109  
01:41:17,870 --> 01:41:15,659  
the store I bought fruits vegetables uh

2110  
01:41:21,470 --> 01:41:17,880  
stuff for salads

2111  
01:41:24,110 --> 01:41:21,480  
um I bought uh raspberry vinaigrette

2112  
01:41:25,790 --> 01:41:24,120  
dressing you know no ranch or anything

2113  
01:41:28,490 --> 01:41:25,800

like that so I did all of that but I

2114

01:41:30,290 --> 01:41:28,500

bought no Meats none I didn't do that

2115

01:41:36,770 --> 01:41:30,300

and

2116

01:41:38,090 --> 01:41:36,780

Naked Juice I just bought their protein

2117

01:41:39,169 --> 01:41:38,100

I wanted to make sure I got protein I

2118

01:41:40,550 --> 01:41:39,179

got the protein something I got the

2119

01:41:43,129 --> 01:41:40,560

vitamin C is talking about like eight

2120

01:41:46,010 --> 01:41:43,139

ten bottles of that so just to make sure

2121

01:41:49,850 --> 01:41:46,020

I had a backup right so I I bought all

2122

01:41:53,510 --> 01:41:49,860

of that I and uh I had delivered

2123

01:41:56,570 --> 01:41:53,520

um uh uh a fruit a 34 fruit and

2124

01:41:58,790 --> 01:41:56,580

vegetable cleanse it's a powder you mix

2125

01:42:03,109 --> 01:41:58,800

that so I bought that and I had get the

2126

01:42:05,090 --> 01:42:03,119

tea the the tea cleanse and and that's

2127

01:42:06,950 --> 01:42:05,100

that's what I did I ended up a couple of

2128

01:42:09,770 --> 01:42:06,960

days later I bought a juicer

2129

01:42:11,330 --> 01:42:09,780

and that's all

2130

01:42:15,109 --> 01:42:11,340

and

2131

01:42:18,410 --> 01:42:15,119

that's I just I just altered things

2132

01:42:21,070 --> 01:42:18,420

that's it that's it and another when

2133

01:42:22,729 --> 01:42:21,080

we're talking about uh

2134

01:42:25,310 --> 01:42:22,739

uh

2135

01:42:28,790 --> 01:42:25,320

you know being on a diet or or changing

2136

01:42:31,850 --> 01:42:28,800

stuff what I did do uh when I stopped

2137

01:42:33,830 --> 01:42:31,860

doing was late at night after the show

2138

01:42:35,830 --> 01:42:33,840

it's my favorite thing to do is to cook

2139

01:42:40,070 --> 01:42:35,840

dinner because my

2140

01:42:41,990 --> 01:42:40,080

my five o'clock or your five o'clock is

2141

01:42:43,189 --> 01:42:42,000

eleven o'clock at night for me after I'm

2142

01:42:45,290 --> 01:42:43,199

done with the show I have stuff to do

2143

01:42:48,830 --> 01:42:45,300

after the show is done I don't shut down

2144

01:42:50,689 --> 01:42:48,840

the studio until 11 and and then I cook

2145

01:42:53,870 --> 01:42:50,699

dinner so I'm I'm in there man I'm

2146

01:42:56,689 --> 01:42:53,880

cooking up some pasta some ravioli

2147

01:42:59,750 --> 01:42:56,699

making a red sauce or doing this or

2148

01:43:01,729 --> 01:42:59,760

scampi or or maybe it's a pizza or maybe

2149

01:43:04,550 --> 01:43:01,739

I'm cooking a steak maybe it's a fish

2150

01:43:09,050 --> 01:43:04,560

fillet whatever and uh and and and rice

2151  
01:43:11,750 --> 01:43:09,060  
or potatoes things uh you know and I'm

2152  
01:43:14,750 --> 01:43:11,760  
I'm making a meal and then I would plow

2153  
01:43:16,370 --> 01:43:14,760  
through that hungry thinking I was

2154  
01:43:17,090 --> 01:43:16,380  
hungry plow through that and then go to

2155  
01:43:21,109 --> 01:43:17,100  
bed

2156  
01:43:23,090 --> 01:43:21,119  
and and you do that for 10 years like

2157  
01:43:25,490 --> 01:43:23,100  
that because my shows and wet whether

2158  
01:43:27,709 --> 01:43:25,500  
it's here or over on Coast I'm ending

2159  
01:43:31,070 --> 01:43:27,719  
late at night that had accumulative

2160  
01:43:34,189 --> 01:43:31,080  
effect I stopped doing that I'm not

2161  
01:43:37,129 --> 01:43:34,199  
eating at night anymore not like that no

2162  
01:43:38,629 --> 01:43:37,139  
no you know what I had last night after

2163  
01:43:42,770 --> 01:43:38,639

the show you know what I have for dinner

2164

01:43:44,030 --> 01:43:42,780

last night I had a Ken priest blueberry

2165

01:43:46,669 --> 01:43:44,040

biscuit

2166

01:43:48,290 --> 01:43:46,679

I had one left in my freezer that's what

2167

01:43:50,810 --> 01:43:48,300

I had

2168

01:43:52,850 --> 01:43:50,820

and that was that was the first carbs

2169

01:43:55,310 --> 01:43:52,860

I've had in a week

2170

01:43:58,370 --> 01:43:55,320

you know that's all I had I had a

2171

01:44:03,350 --> 01:43:58,380

blueberry biscuit

2172

01:44:08,330 --> 01:44:03,360

my dessert before and then I would have

2173

01:44:09,490 --> 01:44:08,340

Fried Chicken uh uh uh macaroni and

2174

01:44:16,570 --> 01:44:09,500

cheese

2175

01:44:23,030 --> 01:44:19,330

that's it so

2176

01:44:25,189 --> 01:44:23,040

uh Jessica s says where are you retiring

2177

01:44:28,609 --> 01:44:25,199

are you staying in California I'm gonna

2178

01:44:33,290 --> 01:44:28,619

stay right here

2179

01:44:36,169 --> 01:44:33,300

right here in Palmdale California

2180

01:44:38,330 --> 01:44:36,179

I'm not leaving I love this place

2181

01:44:44,330 --> 01:44:39,950

uh

2182

01:44:46,310 --> 01:44:44,340

Jimmy what do you think of hayam a shed

2183

01:44:49,250 --> 01:44:46,320

from Israel

2184

01:44:51,649 --> 01:44:49,260

uh who claims the Galactic Federation is

2185

01:44:55,250 --> 01:44:51,659

real he didn't claim the Galactic

2186

01:44:57,970 --> 01:44:55,260

Federation is real Joel so uh let's be

2187

01:45:01,910 --> 01:44:57,980

clear about a couple of things

2188

01:45:04,129 --> 01:45:01,920

he did not have a and he didn't claim to

2189

01:45:07,250 --> 01:45:04,139

he didn't have any side any inside

2190

01:45:09,410 --> 01:45:07,260

information from Israel or the Space

2191

01:45:12,169 --> 01:45:09,420

Program over there or the United States

2192

01:45:15,109 --> 01:45:12,179

or agreements or this and that no his

2193

01:45:19,250 --> 01:45:15,119

job he was ahead of uh

2194

01:45:22,010 --> 01:45:19,260

of the Israeli missile program all right

2195

01:45:24,169 --> 01:45:22,020

okay so that being said that's that that

2196

01:45:26,870 --> 01:45:24,179

was his gig

2197

01:45:29,209 --> 01:45:26,880

his granddaughter

2198

01:45:32,629 --> 01:45:29,219

was watching videos online probably

2199

01:45:34,070 --> 01:45:32,639

listening to fade black was uh you know

2200

01:45:39,169 --> 01:45:34,080

on YouTube

2201  
01:45:42,470 --> 01:45:41,030  
you know the Galactic Federation man the

2202  
01:45:44,689 --> 01:45:42,480  
SSP

2203  
01:45:46,390 --> 01:45:44,699  
right

2204  
01:45:48,109 --> 01:45:46,400  
there's in the group

2205  
01:45:50,450 --> 01:45:48,119  
foreign

2206  
01:45:52,970 --> 01:45:50,460  
I'm not making this up there's you know

2207  
01:45:53,990 --> 01:45:52,980  
uh there's a base on Mars there's a base

2208  
01:45:57,109 --> 01:45:54,000  
on the moon

2209  
01:45:59,330 --> 01:45:57,119  
and and that's what that's what he was

2210  
01:46:01,250 --> 01:45:59,340  
talking about and if you go back and you

2211  
01:46:05,870 --> 01:46:01,260  
look at some of his references with this

2212  
01:46:08,050 --> 01:46:05,880  
this is what is ignored by by people he

2213  
01:46:10,850 --> 01:46:08,060

says my daughter my granddaughter said

2214

01:46:14,390 --> 01:46:10,860

you know that there's this thing you

2215

01:46:17,209 --> 01:46:14,400

know Galactica the SSP in moon bases and

2216

01:46:19,209 --> 01:46:17,219

and bases on Mars and we have a deal

2217

01:46:21,370 --> 01:46:19,219

with E.T

2218

01:46:24,310 --> 01:46:21,380

that that

2219

01:46:27,950 --> 01:46:24,320

is High room

2220

01:46:29,870 --> 01:46:27,960

he didn't say anything about anything on

2221

01:46:31,490 --> 01:46:29,880

an official capacity he was just

2222

01:46:33,709 --> 01:46:31,500

relaying the information that his

2223

01:46:36,050 --> 01:46:33,719

granddaughter told him and people took

2224

01:46:39,109 --> 01:46:36,060

that out of context including people um

2225

01:46:41,870 --> 01:46:39,119

in this community all right so that's it

2226

01:46:45,229 --> 01:46:41,880

I am a shed

2227

01:46:49,970 --> 01:46:45,239

um does not have any information or

2228

01:46:52,310 --> 01:46:49,980

doesn't believe that we have a joint E.T

2229

01:46:54,609 --> 01:46:52,320

base with Israel in the United States on

2230

01:46:56,450 --> 01:46:54,619

Mars

2231

01:47:03,229 --> 01:46:56,460

okay

2232

01:47:05,270 --> 01:47:03,239

it's it's funny how things uh get taken

2233

01:47:07,669 --> 01:47:05,280

out of context

2234

01:47:09,830 --> 01:47:07,679

um are we alone in the universe no we

2235

01:47:17,270 --> 01:47:09,840

are far from alone

2236

01:47:19,669 --> 01:47:17,280

far from alone let's see two two

2237

01:47:21,530 --> 01:47:19,679

good point Jimmy thanks yeah I'm way

2238

01:47:22,970 --> 01:47:21,540

behind on these comments so I have no

2239

01:47:27,790 --> 01:47:22,980

idea when he said that but thank you for

2240

01:47:31,250 --> 01:47:27,800

that anyway Dolan's bar coming in with

2241

01:47:32,810 --> 01:47:31,260

1999 so he could say happy birthday Bill

2242

01:47:35,090 --> 01:47:32,820

that's what I'm talking about thank you

2243

01:47:36,410 --> 01:47:35,100

for that Dolan's bar what up James

2244

01:47:39,290 --> 01:47:36,420

everything is good it's great to hear

2245

01:47:42,350 --> 01:47:39,300

from you and I can't wait to go and

2246

01:47:44,450 --> 01:47:42,360

claim my I think they agreed that I

2247

01:47:47,030 --> 01:47:44,460

would get Philly cheesesteak and tequila

2248

01:47:49,310 --> 01:47:47,040

shots at Dolan's bar and and Guinness

2249

01:47:50,990 --> 01:47:49,320

Guinness extra Stout

2250

01:47:52,910 --> 01:47:51,000

um I can't wait to do that in

2251  
01:47:56,390 --> 01:47:52,920  
Philadelphia

2252  
01:47:58,970 --> 01:47:56,400  
go

2253  
01:48:01,129 --> 01:47:58,980  
to Dolan's bar

2254  
01:48:02,870 --> 01:48:01,139  
um one of one hey Jimmy I was in Egypt

2255  
01:48:04,910 --> 01:48:02,880  
with you oh really

2256  
01:48:07,430 --> 01:48:04,920  
just tuning in was wondering your

2257  
01:48:10,790 --> 01:48:07,440  
thoughts on the electrical charge rocks

2258  
01:48:13,310 --> 01:48:10,800  
found in the Congo okay but but who were

2259  
01:48:15,530 --> 01:48:13,320  
you in Egypt you just can't say I was in

2260  
01:48:19,270 --> 01:48:15,540  
Egypt with you

2261  
01:48:27,590 --> 01:48:25,010  
did we have fun did uh oh man

2262  
01:48:30,109 --> 01:48:27,600  
um yeah the electrical electrically

2263  
01:48:32,570 --> 01:48:30,119

charged rocks found in the Congo

2264

01:48:35,390 --> 01:48:32,580

um I do find it interesting but here's

2265

01:48:38,149 --> 01:48:35,400

the thing uh with that

2266

01:48:41,330 --> 01:48:38,159

um are they meteorites or are they just

2267

01:48:43,189 --> 01:48:41,340

iron filled uh rocks you know with a

2268

01:48:44,930 --> 01:48:43,199

high iron content

2269

01:48:48,229 --> 01:48:44,940

um I was reading that that's probably

2270

01:48:52,310 --> 01:48:48,239

the possibility uh with that

2271

01:48:54,290 --> 01:48:52,320

um but uh it's certainly interesting and

2272

01:48:56,629 --> 01:48:54,300

um I I've never found anything like that

2273

01:48:58,850 --> 01:48:56,639

I've often wondered you know when you're

2274

01:49:00,470 --> 01:48:58,860

walking around and you're looking and

2275

01:49:03,530 --> 01:49:00,480

you could be walking over a chunk of

2276

01:49:04,250 --> 01:49:03,540

meteorite and who knows the difference I

2277

01:49:06,590 --> 01:49:04,260

don't

2278

01:49:07,910 --> 01:49:06,600

you know and and I know people walk

2279

01:49:09,109 --> 01:49:07,920

around with magnets and they're

2280

01:49:10,669 --> 01:49:09,119

constantly they see something

2281

01:49:12,590 --> 01:49:10,679

interesting they pop a magnet on and

2282

01:49:13,609 --> 01:49:12,600

they see if it's a meteorite I don't do

2283

01:49:15,590 --> 01:49:13,619

that

2284

01:49:18,649 --> 01:49:15,600

um but this I found interesting and

2285

01:49:21,410 --> 01:49:18,659

they're pretty good sized uh too as well

2286

01:49:24,050 --> 01:49:21,420

um but I had heard

2287

01:49:25,370 --> 01:49:24,060

um uh actually I think I got it in an

2288

01:49:27,350 --> 01:49:25,380

email

2289

01:49:29,810 --> 01:49:27,360

um but I did see a bunch of the comments

2290

01:49:32,030 --> 01:49:29,820

about that but somebody uh sent me the

2291

01:49:34,370 --> 01:49:32,040

article and then said that they felt

2292

01:49:36,229 --> 01:49:34,380

that they were just rocks with high iron

2293

01:49:37,850 --> 01:49:36,239

content

2294

01:49:39,950 --> 01:49:37,860

um uh there you go but I want it to be

2295

01:49:42,109 --> 01:49:39,960

something cool or or something different

2296

01:49:45,370 --> 01:49:42,119

could be right

2297

01:49:48,050 --> 01:49:45,380

um so there you go who were you in Egypt

2298

01:49:49,189 --> 01:49:48,060

uh let me know unless you don't want to

2299

01:49:51,950 --> 01:49:49,199

say your name why didn't you put your

2300

01:49:56,870 --> 01:49:51,960

name in here because

2301  
01:49:59,629 --> 01:49:56,880  
everybody on that tour became friends so

2302  
01:50:02,390 --> 01:49:59,639  
uh I'm eating

2303  
01:50:04,270 --> 01:50:02,400  
I'm eating Elsa's chocolate Zinger and

2304  
01:50:07,310 --> 01:50:04,280  
it's very disappointing I know right

2305  
01:50:08,709 --> 01:50:07,320  
they just don't taste the same as when

2306  
01:50:10,310 --> 01:50:08,719  
we were kids

2307  
01:50:13,250 --> 01:50:10,320  
uh

2308  
01:50:14,930 --> 01:50:13,260  
can you give us a tour of your cool

2309  
01:50:16,870 --> 01:50:14,940  
bunker I just tried to do that and I

2310  
01:50:20,030 --> 01:50:16,880  
unplugged the camera

2311  
01:50:22,370 --> 01:50:20,040  
so I can't do that I could use another

2312  
01:50:25,609 --> 01:50:22,380  
camera

2313  
01:50:28,010 --> 01:50:25,619

I've got uh one two three four five

2314

01:50:30,530 --> 01:50:28,020

cameras in a row and I can switch

2315

01:50:32,330 --> 01:50:30,540

between them but the thing is behind the

2316

01:50:34,189 --> 01:50:32,340

monitors

2317

01:50:37,129 --> 01:50:34,199

um the cables are short and they're

2318

01:50:38,270 --> 01:50:37,139

wound up so and and zip tied down so

2319

01:50:39,770 --> 01:50:38,280

they don't

2320

01:50:41,390 --> 01:50:39,780

you know what I mean I don't I can't

2321

01:50:43,430 --> 01:50:41,400

pick them up and move them around like I

2322

01:50:44,570 --> 01:50:43,440

used to oh wait a minute I might have

2323

01:50:46,550 --> 01:50:44,580

another one

2324

01:50:50,090 --> 01:50:46,560

oh crap

2325

01:50:53,930 --> 01:50:50,100

hold on a minute got this one here

2326

01:50:53,940 --> 01:50:57,709

I got this one

2327

01:51:01,250 --> 01:50:59,570

and this is on a stand this has got a

2328

01:51:03,290 --> 01:51:01,260

longer cable

2329

01:51:05,149 --> 01:51:03,300

uh

2330

01:51:06,109 --> 01:51:05,159

but then I would have to turn off the oh

2331

01:51:08,030 --> 01:51:06,119

wait wait wait wait wait wait wait wait

2332

01:51:10,010 --> 01:51:08,040

wait wait wait

2333

01:51:14,629 --> 01:51:10,020

holy crap let me see here let me see if

2334

01:51:18,169 --> 01:51:14,639

I can add an additional camera

2335

01:51:21,649 --> 01:51:18,179

hold on a minute I think there is a way

2336

01:51:24,890 --> 01:51:21,659

to extra camera

2337

01:51:26,030 --> 01:51:24,900

okay is this it is this the extra camera

2338

01:51:29,149 --> 01:51:26,040

it is

2339

01:51:32,629 --> 01:51:29,159

oh holy crap

2340

01:51:38,830 --> 01:51:32,639

okay I think I can do this everybody

2341

01:51:44,330 --> 01:51:41,810

so if I add this to the stream oh look

2342

01:51:48,169 --> 01:51:44,340

look look look look look okay

2343

01:51:52,010 --> 01:51:48,179

all right okay so yeah

2344

01:51:55,430 --> 01:51:52,020

see see that's me right here let me see

2345

01:51:58,330 --> 01:51:55,440

if I can point that down see yo all

2346

01:52:07,490 --> 01:51:58,340

right so

2347

01:52:13,490 --> 01:52:11,390

it's on a stand everybody just okay so

2348

01:52:16,850 --> 01:52:13,500

now it's off to stand okay all right

2349

01:52:20,090 --> 01:52:16,860

this is better okay so

2350

01:52:22,850 --> 01:52:20,100

if I pull this out there's see okay so

2351

01:52:25,609 --> 01:52:22,860

there's my bunker there's my you can see

2352

01:52:26,930 --> 01:52:25,619

the studio lights right there's my

2353

01:52:28,990 --> 01:52:26,940

clock

2354

01:52:32,090 --> 01:52:29,000

see all the cameras here

2355

01:52:36,050 --> 01:52:32,100

okay so now if I come down

2356

01:52:38,330 --> 01:52:36,060

here's that's my console that's uh that

2357

01:52:40,669 --> 01:52:38,340

there's my coffee there's a computer

2358

01:52:44,510 --> 01:52:40,679

here for that monitor this keyboard

2359

01:52:46,370 --> 01:52:44,520

controls uh this here that's my console

2360

01:52:49,750 --> 01:52:46,380

this is my music that I play back

2361

01:52:52,910 --> 01:52:49,760

there's oh there's a bunch of mice here

2362

01:52:55,669 --> 01:52:52,920

uh for different computers to run during

2363

01:52:58,129 --> 01:52:55,679

the show very hard to explain but this

2364

01:53:00,410 --> 01:52:58,139

one controls that computer this one

2365

01:53:02,870 --> 01:53:00,420

controls this computer this one here

2366

01:53:05,209 --> 01:53:02,880

controls that computer that's running

2367

01:53:07,669 --> 01:53:05,219

over there

2368

01:53:10,910 --> 01:53:07,679

um so there you go now that's that down

2369

01:53:13,870 --> 01:53:10,920

below here you can see all of the

2370

01:53:18,169 --> 01:53:13,880

computers that sit down here there's my

2371

01:53:22,310 --> 01:53:18,179

uh foot controls for racing over here

2372

01:53:25,430 --> 01:53:22,320

are rack mounted computers here that are

2373

01:53:27,530 --> 01:53:25,440

controlled by this and that controller

2374

01:53:30,609 --> 01:53:27,540

here as well so those are over there

2375

01:53:33,470 --> 01:53:30,619

there's another mixing console there

2376

01:53:36,290 --> 01:53:33,480

that's in addition into this one here

2377

01:53:39,410 --> 01:53:36,300

now if we come over here there's my

2378

01:53:41,750 --> 01:53:39,420

audio interfaces that are as

2379

01:53:44,750 --> 01:53:41,760

feeding out the signal you can see what

2380

01:53:47,090 --> 01:53:44,760

see how I'm talking I'm talking okay so

2381

01:53:49,010 --> 01:53:47,100

that's going out down here you'll see

2382

01:53:51,830 --> 01:53:49,020

the lights light up watch

2383

01:53:53,330 --> 01:53:51,840

hello hello so that's what's going on

2384

01:53:55,129 --> 01:53:53,340

there and you can see all the meter is

2385

01:53:57,109 --> 01:53:55,139

metering you see the meters metering so

2386

01:54:00,410 --> 01:53:57,119

that's there that's it you can see all

2387

01:54:03,229 --> 01:54:00,420

the it's crazy amount of cabling uh that

2388

01:54:06,050 --> 01:54:03,239

is running in here you can see it it's

2389

01:54:11,209 --> 01:54:06,060

an insane amount of cables so that's

2390

01:54:13,189 --> 01:54:11,219

that and uh and then there's more uh

2391

01:54:16,370 --> 01:54:13,199

computer stuff there and interfaces and

2392

01:54:20,270 --> 01:54:16,380

then so and then guitars if I'm going to

2393

01:54:22,490 --> 01:54:20,280

start let's start here in front of me

2394

01:54:27,709 --> 01:54:22,500

um there's a Paul Gilbert there is a

2395

01:54:31,250 --> 01:54:27,719

Randy Rhodes uh uh that is uh a Les Paul

2396

01:54:34,370 --> 01:54:31,260

you can see it there uh down here that's

2397

01:54:37,070 --> 01:54:34,380

a Jackson that's a Jackson That's the

2398

01:54:38,830 --> 01:54:37,080

uh Fender acoustic tally there's the

2399

01:54:42,310 --> 01:54:38,840

fender

2400

01:54:44,870 --> 01:54:42,320

Strat uh

2401  
01:54:46,430 --> 01:54:44,880  
espec then there's a guitar I'm not

2402  
01:54:49,070 --> 01:54:46,440  
going to name every single guitar that's

2403  
01:54:50,810 --> 01:54:49,080  
in the studio but I'm pointing this over

2404  
01:54:53,390 --> 01:54:50,820  
my shoulder you can see these go from

2405  
01:54:55,729 --> 01:54:53,400  
the floor to the ceiling and then they

2406  
01:54:59,330 --> 01:54:55,739  
go and that's me sitting here and then

2407  
01:55:01,430 --> 01:54:59,340  
these go all the way across back into

2408  
01:55:02,750 --> 01:55:01,440  
the corner over there and then if I come

2409  
01:55:05,750 --> 01:55:02,760  
up here

2410  
01:55:07,550 --> 01:55:05,760  
and then back in that corner right over

2411  
01:55:10,609 --> 01:55:07,560  
there see where I'm pointing in that

2412  
01:55:13,729 --> 01:55:10,619  
corner there's another uh eight or ten

2413  
01:55:17,750 --> 01:55:13,739

guitars that go from the ceiling to the

2414

01:55:20,390 --> 01:55:17,760

floor over in that corner and uh so

2415

01:55:24,470 --> 01:55:20,400

there you go so that's basically it and

2416

01:55:26,810 --> 01:55:24,480

then my amplifiers are down here

2417

01:55:29,090 --> 01:55:26,820

um that that I use in here

2418

01:55:32,030 --> 01:55:29,100

and uh and that's it no I think there's

2419

01:55:35,450 --> 01:55:32,040

a fender base down here

2420

01:55:38,030 --> 01:55:35,460

um as well so there you go Okay so

2421

01:55:39,109 --> 01:55:38,040

is that a good enough tour

2422

01:55:41,930 --> 01:55:39,119

um

2423

01:55:44,149 --> 01:55:41,940

here's my microphone that's what I use

2424

01:55:45,950 --> 01:55:44,159

right I'm talking on the air right now

2425

01:55:50,510 --> 01:55:45,960

that's the microphone that I use this is

2426

01:55:52,669 --> 01:55:50,520

a uh an re20 and then over here there's

2427

01:55:54,290 --> 01:55:52,679

another microphone here and a stand I

2428

01:55:58,850 --> 01:55:54,300

use that for a different video

2429

01:56:00,950 --> 01:55:58,860

productions and then over here is a a

2430

01:56:03,950 --> 01:56:00,960

stack of extra microphones that I use

2431

01:56:06,109 --> 01:56:03,960

here's another computer interface here

2432

01:56:07,790 --> 01:56:06,119

that's a four Channel interface that I

2433

01:56:11,629 --> 01:56:07,800

use for oh and this is a drum machine

2434

01:56:13,910 --> 01:56:11,639

that's on a stand uh so that is also

2435

01:56:15,649 --> 01:56:13,920

here okay that's enough

2436

01:56:18,890 --> 01:56:15,659

that's enough

2437

01:56:20,390 --> 01:56:18,900

so was that complete enough there you go

2438

01:56:24,470 --> 01:56:20,400

that's a quick tour

2439

01:56:25,330 --> 01:56:24,480

of uh the studio and before I get out of

2440

01:56:28,609 --> 01:56:25,340

here

2441

01:56:31,070 --> 01:56:28,619

uh what what would you study I already

2442

01:56:33,109 --> 01:56:31,080

said uh archeology zones a bill that's

2443

01:56:34,609 --> 01:56:33,119

what happens when you get old bill you

2444

01:56:38,870 --> 01:56:34,619

don't remember what I said 15 minutes

2445

01:56:43,010 --> 01:56:40,609

uh what are five things you're grateful

2446

01:56:46,609 --> 01:56:43,020

for Jimmy

2447

01:56:49,609 --> 01:56:46,619

um the easiest question ever

2448

01:56:52,370 --> 01:56:49,619

um my family my brothers my sisters

2449

01:56:55,330 --> 01:56:52,380

um my daughters

2450

01:56:58,490 --> 01:56:55,340

um uh this audience

2451  
01:57:00,590 --> 01:56:58,500  
uh and and friends that's those are the

2452  
01:57:02,570 --> 01:57:00,600  
things that I'm thankful for it's all

2453  
01:57:04,370 --> 01:57:02,580  
those intangibles it's all I'm thankful

2454  
01:57:05,870 --> 01:57:04,380  
for relationships

2455  
01:57:07,609 --> 01:57:05,880  
so

2456  
01:57:09,109 --> 01:57:07,619  
um that and that's really the truth I'm

2457  
01:57:11,990 --> 01:57:09,119  
so thankful for

2458  
01:57:13,550 --> 01:57:12,000  
uh relationships I think they're the

2459  
01:57:15,890 --> 01:57:13,560  
most important thing okay I'm gonna go

2460  
01:57:19,550 --> 01:57:15,900  
to the bottom let's see if I bring back

2461  
01:57:24,589 --> 01:57:22,189  
Bring Back Rick Doty okay let me see

2462  
01:57:27,290 --> 01:57:24,599  
what is here bring back Rick Toady wow

2463  
01:57:29,270 --> 01:57:27,300

did you ever have a reel to reel and

2464

01:57:32,990 --> 01:57:29,280

what model I did I've had a few

2465

01:57:38,030 --> 01:57:33,000

reel-to-reels uh 16 Track eight track 24

2466

01:57:43,669 --> 01:57:38,040

track yeah yeah uh 3mm 79 I never had a

2467

01:57:46,850 --> 01:57:43,679

studa uh MCI I had an MCI and 3mm 79 and

2468

01:57:48,530 --> 01:57:46,860

Tascam I think I had a fostex 16 track

2469

01:57:51,770 --> 01:57:48,540

at one time too as well but I had a

2470

01:57:54,229 --> 01:57:51,780

couple of Tascam 16 tracks uh all reel

2471

01:57:56,390 --> 01:57:54,239

to Reels did you wire your studio myself

2472

01:57:59,450 --> 01:57:56,400

yes I've wired every Studio that I've

2473

01:58:01,729 --> 01:57:59,460

ever had by myself with no help from

2474

01:58:04,790 --> 01:58:01,739

anybody I've learned it I've got

2475

01:58:06,770 --> 01:58:04,800

soldering guns soldering irons lots of

2476

01:58:08,209 --> 01:58:06,780

stock cable

2477

01:58:11,870 --> 01:58:08,219

um you got to build a broadcast station

2478

01:58:14,089 --> 01:58:11,880

big room stage yeah yeah it's uh I

2479

01:58:16,189 --> 01:58:14,099

actually have that capability do you

2480

01:58:17,689 --> 01:58:16,199

have any new crystals I do I've got a

2481

01:58:19,390 --> 01:58:17,699

couple

2482

01:58:22,129 --> 01:58:19,400

um I'll show them on the air next week

2483

01:58:23,270 --> 01:58:22,139

I've got a couple of big ones plus we've

2484

01:58:25,850 --> 01:58:23,280

got uh

2485

01:58:28,430 --> 01:58:25,860

uh you got a meteor they looked like I

2486

01:58:30,109 --> 01:58:28,440

got one it looks like yours yeah I know

2487

01:58:33,109 --> 01:58:30,119

um I'm with you on that I want to get

2488

01:58:36,410 --> 01:58:33,119

I've got I've got meteorites I do I have

2489

01:58:38,089 --> 01:58:36,420

some uh but I would like to get more and

2490

01:58:38,870 --> 01:58:38,099

then

2491

01:58:41,629 --> 01:58:38,880

um

2492

01:58:45,830 --> 01:58:41,639

uh tonight I'm gonna go outside and look

2493

01:58:49,070 --> 01:58:45,840

at uh Comet 2022. I'm gonna ztf I'm

2494

01:58:52,850 --> 01:58:49,080

gonna do that uh tonight right after the

2495

01:58:54,709 --> 01:58:52,860

show because I hear it is now visible

2496

01:58:56,830 --> 01:58:54,719

with the naked eye but I've got

2497

01:59:00,229 --> 01:58:56,840

binoculars and some other stuff

2498

01:59:01,729 --> 01:59:00,239

uh wow Palmdale that's where plant 42 is

2499

01:59:09,050 --> 01:59:01,739

that's right

2500

01:59:13,070 --> 01:59:09,060

uh the AV is horrible Jimmy yeah yeah

2501

01:59:14,810 --> 01:59:13,080

I'm sure it is okay all right that's it

2502

01:59:18,050 --> 01:59:14,820

uh I want to thank everybody everybody

2503

01:59:19,370 --> 01:59:18,060

have a great safe fun amazing weekend

2504

01:59:21,290 --> 01:59:19,380

um we've got a big announcement that's

2505

01:59:24,950 --> 01:59:21,300

coming tomorrow I sort of did it uh

2506

01:59:27,229 --> 01:59:24,960

today on Christina Gomez's show and this

2507

01:59:31,129 --> 01:59:27,239

is about Las Vegas and the Luxor Hotel

2508

01:59:34,010 --> 01:59:31,139

November 10th 11th and 12th it is The

2509

01:59:38,390 --> 01:59:34,020

Stairway To the Stars Expo

2510

01:59:40,550 --> 01:59:38,400

um uh being put on uh by Disclosure Fest

2511

01:59:44,149 --> 01:59:40,560

and Fade to Black at the Luxor Hotel

2512

01:59:45,350 --> 01:59:44,159

November 10th 11th and 12th and we were

2513

01:59:48,050 --> 01:59:45,360

going to announce that today we just

2514

01:59:50,750 --> 01:59:48,060

didn't get uh finishing touches done on

2515

01:59:54,589 --> 01:59:50,760

a couple of things but uh we're ready to

2516

01:59:58,910 --> 01:59:54,599

go that's it and uh I will start to roll

2517

02:00:00,830 --> 01:59:58,920

this out over the weekend all right

2518

02:00:03,950 --> 02:00:00,840

probably uh first thing tomorrow morning

2519

02:00:07,910 --> 02:00:03,960

with that at I want everybody to behave

2520

02:00:09,770 --> 02:00:07,920

be safe and have a great fun amazing

2521

02:00:13,790 --> 02:00:09,780

weekend and we will see you right back

2522

02:00:17,990 --> 02:00:13,800

here on Monday Fade to Black is produced

2523

02:00:20,990 --> 02:00:18,000

by Hilton J Palm Renee Dennis and Kevin

2524

02:00:22,370 --> 02:00:21,000

what Master is Drew the geek music Doug

2525

02:00:24,649 --> 02:00:22,380

Aldrich intro space boy

2526

02:00:26,870 --> 02:00:24,659

spaceboymusic.com

2527

02:00:28,010 --> 02:00:26,880

Fade to Black is produced by kjcr for

2528

02:00:30,350 --> 02:00:28,020

the game changer Network and this
