

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Thur Jan 26, 2023 **LIVE**

1
00:00:34,150 --> 00:00:24,180
[Music]

2
00:00:37,690 --> 00:00:34,160
thank you

3
00:00:46,069 --> 00:00:40,910
good afternoon Fade to Black breaking

4
00:00:49,209 --> 00:00:46,079
news for this Thursday January 26 2023

5
00:00:52,690 --> 00:00:49,219
I'm Jimmy church this is all of the news

6
00:00:57,049 --> 00:00:52,700
that you need on this day in history

7
00:01:00,729 --> 00:00:57,059
1926 it was a big one John Baird gives

8
00:01:05,509 --> 00:01:00,739
the first public demonstration of a true

9
00:01:09,649 --> 00:01:05,519
television system in London on this day

10
00:01:12,070 --> 00:01:09,659
in 1926. here's your fader fact today

11
00:01:17,870 --> 00:01:12,080
Ronald McDonald

12
00:01:20,929 --> 00:01:17,880
is Donald McDonald in Japan

13
00:01:22,609 --> 00:01:20,939

check it out that's vetted that's real

14

00:01:24,109 --> 00:01:22,619

let's get to the breaking news lots of

15

00:01:26,170 --> 00:01:24,119

breaking news today

16

00:01:29,749 --> 00:01:26,180

in North Korea

17

00:01:33,530 --> 00:01:29,759

Pyongyang has been locked down following

18

00:01:37,310 --> 00:01:33,540

the rapid spread of a quote unspecified

19

00:01:39,109 --> 00:01:37,320

and quote respiratory illness North

20

00:01:41,170 --> 00:01:39,119

Korean authorities have not confirmed

21

00:01:45,410 --> 00:01:41,180

whether the situation is related to

22

00:01:47,990 --> 00:01:45,420

covid-19 cases the five-day lockdown

23

00:01:51,410 --> 00:01:48,000

we'll see people in the city contained

24

00:01:55,249 --> 00:01:51,420

to their homes and ordered to take their

25

00:01:57,350 --> 00:01:55,259

temperatures sail base NK news and the

26

00:02:01,010 --> 00:01:57,360

Russian Embassy both reported the

27

00:02:04,910 --> 00:02:01,020

lockdown today citing a notice issued by

28

00:02:08,229 --> 00:02:04,920

Kim jong-un's government Kim fatty fat

29

00:02:10,190 --> 00:02:08,239

the notice states that quote a special

30

00:02:13,130 --> 00:02:10,200

anti-epidemic period has been

31

00:02:15,970 --> 00:02:13,140

established end quote as it is called on

32

00:02:19,729 --> 00:02:15,980

foreign delegations to keep employees

33

00:02:22,729 --> 00:02:19,739

inside it also called for individuals to

34

00:02:26,270 --> 00:02:22,739

measure their temperatures four times a

35

00:02:29,150 --> 00:02:26,280

day and Report the results to the

36

00:02:33,589 --> 00:02:29,160

hospital by phone

37

00:02:35,210 --> 00:02:33,599

the FBI infiltrated and disrupted

38

00:02:38,449 --> 00:02:35,220

hive

39

00:02:40,729 --> 00:02:38,459

that's right a major cyber criminal

40

00:02:42,650 --> 00:02:40,739

group that extorted schools hospitals

41

00:02:45,110 --> 00:02:42,660

and critical infrastructure around the

42

00:02:49,009 --> 00:02:45,120

world Federal officials in the United

43

00:02:51,410 --> 00:02:49,019

States announced today Hive is one of

44

00:02:54,050 --> 00:02:51,420

the most prolific hacker gangs in the

45

00:02:56,330 --> 00:02:54,060

world having received about 100 million

46

00:02:58,130 --> 00:02:56,340

dollars in extortion payments all of

47

00:03:00,650 --> 00:02:58,140

this according to a November warning

48

00:03:02,809 --> 00:03:00,660

from the FBI Health and Human Services

49

00:03:06,290 --> 00:03:02,819

and the cyber security and

50

00:03:10,250 --> 00:03:06,300

infrastructure Security Agency as of

51
00:03:13,550 --> 00:03:10,260
today its website on the dark web showed

52
00:03:15,470 --> 00:03:13,560
a message saying it had been seized by

53
00:03:19,670 --> 00:03:15,480
an international law enforcement

54
00:03:20,869 --> 00:03:19,680
Coalition including the FBI and Justice

55
00:03:25,070 --> 00:03:20,879
Department

56
00:03:28,570 --> 00:03:25,080
the FBI said it gained access to hive's

57
00:03:33,110 --> 00:03:28,580
computer networks back in July of

58
00:03:35,690 --> 00:03:33,120
2022. that's right they hacked the

59
00:03:39,110 --> 00:03:35,700
hackers and they acquired decryption

60
00:03:41,809 --> 00:03:39,120
keys to more than 1300 current and past

61
00:03:45,110 --> 00:03:41,819
victims which helped to prevent more

62
00:03:49,970 --> 00:03:45,120
than 130 million dollars in demanded

63
00:03:54,830 --> 00:03:49,980

Ransom money this is really big news

64

00:03:59,089 --> 00:03:54,840

well a mummy of a child that has laid uh

65

00:04:03,050 --> 00:03:59,099

undisturbed for 2 300 years was recently

66

00:04:06,470 --> 00:04:03,060

examined in Egypt and it was covered in

67

00:04:09,890 --> 00:04:06,480

Magic amulets all over its body some of

68

00:04:11,809 --> 00:04:09,900

them inside the body all of this done

69

00:04:14,330 --> 00:04:11,819

with scans

70

00:04:18,110 --> 00:04:14,340

the scientists use CT scans to unwrap

71

00:04:20,750 --> 00:04:18,120

the mummy and found 49 amulets of 21

72

00:04:23,629 --> 00:04:20,760

different types many of which were made

73

00:04:27,050 --> 00:04:23,639

of gold which had been carefully placed

74

00:04:29,030 --> 00:04:27,060

on or inside the body the amulets

75

00:04:30,890 --> 00:04:29,040

revealed by the scans included a

76
00:04:33,710 --> 00:04:30,900
two-fingered one one that was shaped

77
00:04:36,830 --> 00:04:33,720
like two fingers a golden heart scare

78
00:04:40,909 --> 00:04:36,840
placed inside the chest and a golden

79
00:04:44,450 --> 00:04:40,919
tongue inside the mouth The Golden Boy

80
00:04:47,090 --> 00:04:44,460
mummy had been found in nag el-hasi in

81
00:04:50,350 --> 00:04:47,100
southern Egypt it was then stored it was

82
00:04:53,810 --> 00:04:50,360
found back in 1919 but it was stored

83
00:04:58,010 --> 00:04:53,820
unexamined in the basement of the

84
00:05:02,330 --> 00:04:58,020
Egyptian Museum in Cairo until present

85
00:05:04,310 --> 00:05:02,340
day absolutely incredible intact

86
00:05:06,830 --> 00:05:04,320
a SpaceX

87
00:05:10,070 --> 00:05:06,840
has agreed with the NSF the National

88
00:05:12,710 --> 00:05:10,080

Science Foundation to lessen the effect

89

00:05:15,590 --> 00:05:12,720

of its star-linked Broadband satellites

90

00:05:18,590 --> 00:05:15,600

on facilities for ground-based astronomy

91

00:05:22,490 --> 00:05:18,600

by addressing the brightness of starlink

92

00:05:26,270 --> 00:05:22,500

satellites and its competing radio bands

93

00:05:28,370 --> 00:05:26,280

usage the NSF agreement also covers ways

94

00:05:31,610 --> 00:05:28,380

to guarantee that starlink's orbital

95

00:05:34,249 --> 00:05:31,620

data is available to the general public

96

00:05:38,210 --> 00:05:34,259

so astronomers can plan observations

97

00:05:40,189 --> 00:05:38,220

around satellite positions concern about

98

00:05:43,249 --> 00:05:40,199

low earth orbit satellites disrupting

99

00:05:45,310 --> 00:05:43,259

astronomy continue to be communicated as

100

00:05:49,850 --> 00:05:45,320

experts say commercial constellations

101

00:05:53,090 --> 00:05:49,860

collectively numbering 400

102

00:05:56,749 --> 00:05:53,100

000 low earth orbit Satellites by the

103

00:05:59,029 --> 00:05:56,759

year 2030. all of this will cause even

104

00:06:00,830 --> 00:05:59,039

more interference

105

00:06:02,570 --> 00:06:00,840

well

106

00:06:06,710 --> 00:06:02,580

check this

107

00:06:09,230 --> 00:06:06,720

a new dark matter model suggests a new

108

00:06:11,570 --> 00:06:09,240

candidate for the constituent particles

109

00:06:15,110 --> 00:06:11,580

of this mysterious form of matter that

110

00:06:17,450 --> 00:06:15,120

could mean it is now detectable by

111

00:06:19,909 --> 00:06:17,460

Future experiments

112

00:06:22,249 --> 00:06:19,919

despite making up 85 percent of the

113

00:06:25,309 --> 00:06:22,259

matter in the universe dark matter has

114

00:06:26,809 --> 00:06:25,319

remained undetectable thanks to the fact

115

00:06:28,969 --> 00:06:26,819

that if you know it doesn't seem to

116

00:06:31,070 --> 00:06:28,979

interact with light as does normal

117

00:06:32,870 --> 00:06:31,080

everyday matter that makes up the Stars

118

00:06:36,550 --> 00:06:32,880

the planets and us

119

00:06:39,590 --> 00:06:36,560

the only way dark matter can be inferred

120

00:06:41,809 --> 00:06:39,600

currently is through its interaction

121

00:06:44,450 --> 00:06:41,819

with gravity with this gravitational

122

00:06:48,290 --> 00:06:44,460

influence literally keeping galaxies

123

00:06:50,749 --> 00:06:48,300

from ripping apart as they spin the new

124

00:06:53,570 --> 00:06:50,759

model suggest that dark matter could be

125

00:06:56,930 --> 00:06:53,580

composed of what its authors call check

126

00:06:59,510 --> 00:06:56,940

this highly interactive particle relics

127

00:07:02,150 --> 00:06:59,520

or hypers

128

00:07:05,270 --> 00:07:02,160

the new model was devised by Prisma plus

129

00:07:07,430 --> 00:07:05,280

cluster of Excellence researcher Gilly

130

00:07:10,610 --> 00:07:07,440

Allure alongside the University of

131

00:07:14,990 --> 00:07:10,620

Michigan scientist Robert McGee and

132

00:07:16,249 --> 00:07:15,000

Aaron Pierce indeed exciting news

133

00:07:19,550 --> 00:07:16,259

well

134

00:07:22,730 --> 00:07:19,560

for the first time in a hundred years a

135

00:07:25,870 --> 00:07:22,740

full Book of the Dead Papyrus has been

136

00:07:28,309 --> 00:07:25,880

uncovered at Sakara in Egypt

137

00:07:31,790 --> 00:07:28,319

archaeologists in Egypt have discovered

138

00:07:33,650 --> 00:07:31,800

a 50-foot 52 foot long Papyrus

139

00:07:34,370 --> 00:07:33,660

containing sections from The Book of the

140

00:07:36,950 --> 00:07:34,380

Dead

141

00:07:39,050 --> 00:07:36,960

the more than 2 000 year old document

142

00:07:43,010 --> 00:07:39,060

was found within a coffin in a tomb

143

00:07:45,770 --> 00:07:43,020

south of the step pyramid of Dozier in

144

00:07:48,409 --> 00:07:45,780

Sakara The Book of the Dead of course is

145

00:07:50,930 --> 00:07:48,419

a modern day name given to a series of

146

00:07:53,749 --> 00:07:50,940

texts the Egyptians believe would help

147

00:07:55,730 --> 00:07:53,759

the dead navigate the underworld they

148

00:08:01,089 --> 00:07:55,740

were widely used during the New Kingdom

149

00:08:03,350 --> 00:08:01,099

between 1550 BC to 1070 BC

150

00:08:06,350 --> 00:08:03,360

52 feet long

151
00:08:10,129 --> 00:08:06,360
all right here you go you knew this was

152
00:08:12,589 --> 00:08:10,139
about to happen and now it has the

153
00:08:17,350 --> 00:08:12,599
artificial intelligence

154
00:08:21,650 --> 00:08:17,360
chat GPT is smart enough to pass

155
00:08:24,529 --> 00:08:21,660
graduate level exams at a university but

156
00:08:27,070 --> 00:08:24,539
not with particularly High marks by the

157
00:08:31,129 --> 00:08:27,080
way the powerful new AI chatbot tool

158
00:08:33,130 --> 00:08:31,139
recently passed law exams in four

159
00:08:36,050 --> 00:08:33,140
courses at the University of Minnesota

160
00:08:38,630 --> 00:08:36,060
and another exam at the University of

161
00:08:40,490 --> 00:08:38,640
Pennsylvania's Wharton School of

162
00:08:43,370 --> 00:08:40,500
Business all of this according to

163
00:08:46,370 --> 00:08:43,380

professors at the schools to test how

164

00:08:49,550 --> 00:08:46,380

well chat GPT would generate answers on

165

00:08:51,550 --> 00:08:49,560

exams in the four courses professors at

166

00:08:56,210 --> 00:08:51,560

the University of Minnesota law school

167

00:08:59,230 --> 00:08:56,220

recently graded the tests blindly after

168

00:09:04,130 --> 00:08:59,240

completing 95 multiple choice questions

169

00:09:06,710 --> 00:09:04,140

and 12 essay questions the bot performed

170

00:09:09,650 --> 00:09:06,720

on average at the level of the C Plus

171

00:09:14,090 --> 00:09:09,660

student achieving a low but passing

172

00:09:16,970 --> 00:09:14,100

grade in all four courses

173

00:09:18,530 --> 00:09:16,980

chat GPT fared better during a business

174

00:09:22,670 --> 00:09:18,540

management course

175

00:09:25,690 --> 00:09:22,680

an exam at Wharton where it earned a b

176

00:09:28,670 --> 00:09:25,700

to be minus grade

177

00:09:32,090 --> 00:09:28,680

absolutely incredible let's go chat GPT

178

00:09:32,930 --> 00:09:32,100

is coming it's coming to anything near

179

00:09:41,750 --> 00:09:32,940

you

180

00:09:45,050 --> 00:09:41,760

January 26 2023 breaking news is

181

00:09:48,889 --> 00:09:45,060

produced by Renee Newman I'm Jimmy

182

00:09:53,510 --> 00:09:48,899

church and I just have to say go back

183

00:10:15,620 --> 00:10:05,650

[Music]
