

FADE TO BLACK

with JIMMY CHURCH

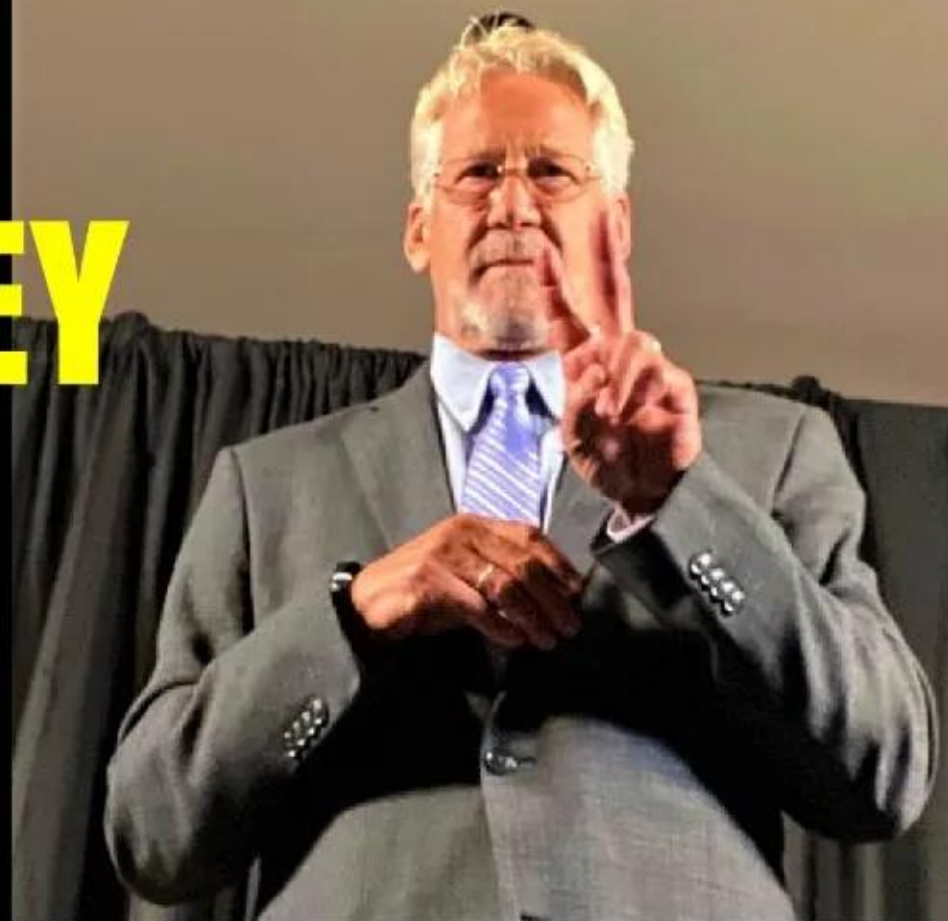

PRESENTS

DANNION BRINKLEY

YOUR NEW WORLD

TUE JAN 31 **LIVE**

7:00 PM PT/10:00PM ET

1
00:00:32,350 --> 00:00:27,370

[Music]

2
00:00:35,690 --> 00:00:32,360

the smoke radio for the masses of July 8

3
00:00:38,030 --> 00:00:35,700

1947 the Army Air Forces has announced

4
00:00:40,190 --> 00:00:38,040

that applying disc has been found and is

5
00:00:43,250 --> 00:00:40,200

now in the possession of the army

6
00:00:47,030 --> 00:00:43,260

game is rigged change the game game

7
00:00:50,630 --> 00:00:47,040

changer I occasionally think how quickly

8
00:00:53,990 --> 00:00:50,640

our difference is worldwide would vanish

9
00:00:57,140 --> 00:00:54,000

if we were facing an alien threat from

10
00:00:57,320 --> 00:00:57,150

outside this work

11
00:00:59,650 --> 00:00:57,330

[Applause]

12
00:01:02,630 --> 00:00:59,660

[Music]

13
00:01:05,450 --> 00:01:02,640

this is Fade to Black with your host

14
00:01:06,090 --> 00:01:05,460
Jimmy Church on the game changer Radio

15
00:01:09,530 --> 00:01:06,100
Network

16
00:01:17,570 --> 00:01:13,370
all right welcome Fade to Black today is

17
00:01:20,270 --> 00:01:17,580
Tuesday January 31st 2023 I'm Yours

18
00:01:25,910 --> 00:01:20,280
Jimmy church and tonight Danny and

19
00:01:30,249 --> 00:01:25,920
Brinkley is with us and of course uh uh

20
00:01:34,550 --> 00:01:30,259
we we know danion and uh International

21
00:01:37,429 --> 00:01:34,560
bestseller of uh not only uh his two

22
00:01:39,969 --> 00:01:37,439
books Saved By the Light and at peace in

23
00:01:42,830 --> 00:01:39,979
the light but he's also inspired

24
00:01:46,249 --> 00:01:42,840
literally millions all around the world

25
00:01:50,510 --> 00:01:46,259
with his presence his lectures his

26

00:01:54,649 --> 00:01:50,520

conferences uh television and it's just

27

00:01:56,870 --> 00:01:54,659

a very inspiring person inspires me and

28

00:01:59,090 --> 00:01:56,880

he has always done that and before I get

29

00:02:01,249 --> 00:01:59,100

into a long bio I'm just not going to do

30

00:02:04,069 --> 00:02:01,259

that tonight not with Danny and our time

31

00:02:06,469 --> 00:02:04,079

is precious and I'm gonna say welcome

32

00:02:10,790 --> 00:02:06,479

back to fade to black Mr Daniel Brinkley

33

00:02:16,010 --> 00:02:13,430

don't get me I'm doing great

34

00:02:18,110 --> 00:02:16,020

thanks for having me on your show

35

00:02:22,190 --> 00:02:18,120

don't freak me out man don't forget

36

00:02:25,010 --> 00:02:22,200

Danny you know here's I I say this uh

37

00:02:28,369 --> 00:02:25,020

every time I'm around you and I and this

38

00:02:30,229 --> 00:02:28,379

uh it's it's just with love when I say

39

00:02:33,290 --> 00:02:30,239

this but

40

00:02:38,089 --> 00:02:33,300

um when you walk into a room

41

00:02:40,550 --> 00:02:38,099

it it brightens and you inspire me and I

42

00:02:44,449 --> 00:02:40,560

always look look forward to the uh

43

00:02:48,350 --> 00:02:44,459

Daniel Brinkley hug and uh oh oh we lost

44

00:02:52,970 --> 00:02:48,360

danyon we lost Daniel will be back

45

00:02:56,089 --> 00:02:52,980

um he's out uh he's he said he's at a

46

00:02:57,589 --> 00:02:56,099

remote location right now so let's uh

47

00:03:00,589 --> 00:02:57,599

let's see what happens here when we

48

00:03:02,869 --> 00:03:00,599

bring Danny and back uh yeah okay let's

49

00:03:04,610 --> 00:03:02,879

try this again Daniel let's try this

50

00:03:06,290 --> 00:03:04,620

again all of a sudden

51
00:03:10,670 --> 00:03:06,300
uh

52
00:03:13,670 --> 00:03:10,680
Jimmy all of a sudden you went blank

53
00:03:15,949 --> 00:03:13,680
um yeah and and you went blank on this

54
00:03:19,250 --> 00:03:15,959
end but we're still live Danny see this

55
00:03:22,149 --> 00:03:19,260
is the thing with you okay so you you

56
00:03:25,690 --> 00:03:22,159
you have you have that

57
00:03:29,330 --> 00:03:25,700
electromagnetic thing yeah you know I I

58
00:03:30,790 --> 00:03:29,340
did do cell phones work with you you

59
00:03:33,770 --> 00:03:30,800
know what I mean

60
00:03:36,710 --> 00:03:33,780
do you have interference with uh gear

61
00:03:38,990 --> 00:03:36,720
often yeah I'm just making fun you know

62
00:03:42,229 --> 00:03:39,000
uh with the lightning stuff but it

63
00:03:44,990 --> 00:03:42,239

happens it happens fairly regular it it

64

00:03:47,750 --> 00:03:45,000

has to do with barometric pressure

65

00:03:50,390 --> 00:03:47,760

I can watch the barometric pressure and

66

00:03:53,089 --> 00:03:50,400

and I can tell what the day is going to

67

00:03:57,070 --> 00:03:53,099

be like energetically

68

00:04:01,430 --> 00:03:59,630

danion yeah because people don't

69

00:04:04,670 --> 00:04:01,440

understand we live in an electrical

70

00:04:07,430 --> 00:04:04,680

Universe right Jimmy it's electrical and

71

00:04:10,670 --> 00:04:07,440

when you live in the outlet in what is

72

00:04:12,770 --> 00:04:10,680

the atmosphere the atmosphere the

73

00:04:14,229 --> 00:04:12,780

stratosphere the ionosphere and two

74

00:04:16,969 --> 00:04:14,239

sub-spheres

75

00:04:18,349 --> 00:04:16,979

the fields that we live in are

76

00:04:20,750 --> 00:04:18,359

electrical

77

00:04:23,629 --> 00:04:20,760

so if you think of amount of moisture

78

00:04:26,330 --> 00:04:23,639

which creates current ability to flow

79

00:04:29,330 --> 00:04:26,340

and the amount of pressure that moisture

80

00:04:32,450 --> 00:04:29,340

is under gives you a way to calculate

81

00:04:33,650 --> 00:04:32,460

and connect energetically to the systems

82

00:04:35,510 --> 00:04:33,660

around you

83

00:04:38,629 --> 00:04:35,520

I mean you learn a lot of stuff from

84

00:04:41,810 --> 00:04:38,639

being dead so many times Jimmy I

85

00:04:46,570 --> 00:04:41,820

understand how it all works what the

86

00:04:50,810 --> 00:04:46,580

mechanisms are right and I see how this

87

00:04:53,090 --> 00:04:50,820

uh see uh and yeah and uh this is going

88

00:04:54,409 --> 00:04:53,100

to be interesting tonight this is going

89

00:04:57,350 --> 00:04:54,419

to be interesting

90

00:04:59,270 --> 00:04:57,360

um as I wait for Daniel to come back

91

00:05:02,090 --> 00:04:59,280

um I was looking at some of the comments

92

00:05:05,570 --> 00:05:02,100

uh in in the chat room uh before we

93

00:05:07,730 --> 00:05:05,580

started the show and somebody had okay

94

00:05:10,310 --> 00:05:07,740

we've got Danny and back we're gonna

95

00:05:12,010 --> 00:05:10,320

give this another cracked Canyon

96

00:05:14,830 --> 00:05:12,020

um I was looking at some of the comments

97

00:05:19,909 --> 00:05:14,840

I was looking at some of the comments uh

98

00:05:21,770 --> 00:05:19,919

before the show and one person had said

99

00:05:24,249 --> 00:05:21,780

and you know this was at the very top

100

00:05:28,189 --> 00:05:24,259

I'm gonna show this comment to you

101
00:05:30,590 --> 00:05:28,199
and it's right here

102
00:05:33,590 --> 00:05:30,600
Christy Hoover she says the morning

103
00:05:36,890 --> 00:05:33,600
after tell me what it says it says the

104
00:05:39,490 --> 00:05:36,900
morning after my dad passed I went to a

105
00:05:43,969 --> 00:05:39,500
psychic fair in Denver with my daughter

106
00:05:46,490 --> 00:05:43,979
as we walked by danion he smiled saying

107
00:05:51,350 --> 00:05:46,500
hi garlic girl

108
00:05:57,529 --> 00:05:51,360
my dad called me that two days before

109
00:06:00,469 --> 00:05:57,539
I I nodded with tears and the this is

110
00:06:02,689 --> 00:06:00,479
how uh this is how people appreciate you

111
00:06:05,570 --> 00:06:02,699
and your presence

112
00:06:08,950 --> 00:06:05,580
um do you feel that you know I you know

113
00:06:11,350 --> 00:06:08,960

I talk about it but Jimmy

114

00:06:18,710 --> 00:06:11,360

I can pick up

115

00:06:21,830 --> 00:06:18,720

who knows me knows that I can I can

116

00:06:24,529 --> 00:06:21,840

listen to sounds and I hear completely

117

00:06:26,570 --> 00:06:24,539

different things like what people call

118

00:06:29,290 --> 00:06:26,580

the world of the Dead is not a dead

119

00:06:33,189 --> 00:06:29,300

world to me

120

00:06:39,409 --> 00:06:37,550

no and and we had a great sound check

121

00:06:42,350 --> 00:06:39,419

we didn't have this problem during sound

122

00:06:47,650 --> 00:06:42,360

check uh we've got uh some connection

123

00:06:51,230 --> 00:06:47,660

issues on Danny and Zen okay and he's on

124

00:06:53,990 --> 00:06:51,240

5G with four bars

125

00:06:59,090 --> 00:06:54,000

yeah well I'm hardwired

126

00:07:00,770 --> 00:06:59,100

so I'm hardwired I yeah yeah so yeah

127

00:07:02,570 --> 00:07:00,780

very strange

128

00:07:07,430 --> 00:07:02,580

very nice

129

00:07:10,189 --> 00:07:07,440

well um but uh this this this way of

130

00:07:15,050 --> 00:07:10,199

measuring do you wake up every day and

131

00:07:18,830 --> 00:07:16,730

yeah

132

00:07:22,070 --> 00:07:18,840

it's how you get up from the dead

133

00:07:24,890 --> 00:07:22,080

you can't be 73 years old

134

00:07:27,589 --> 00:07:24,900

and been dead so many times it's like a

135

00:07:28,490 --> 00:07:27,599

comedy routine and not understand the

136

00:07:31,790 --> 00:07:28,500

game

137

00:07:34,790 --> 00:07:31,800

how the body works out the energetic

138

00:07:37,550 --> 00:07:34,800

patterns around you operate the nature

139

00:07:40,070 --> 00:07:37,560

of vibratory harmonics and the things

140

00:07:44,270 --> 00:07:40,080

that go on around you I am sensitive to

141

00:07:47,689 --> 00:07:44,280

it I can feel it and I interact with it

142

00:07:49,550 --> 00:07:47,699

okay so I have a routine and that

143

00:07:52,430 --> 00:07:49,560

routine has allowed me

144

00:07:56,330 --> 00:07:52,440

three times to get up from the dead with

145

00:08:00,050 --> 00:07:56,340

no chance of survival none

146

00:08:03,050 --> 00:08:00,060

and so when you go through these kind of

147

00:08:05,930 --> 00:08:03,060

experiences and as you well know I have

148

00:08:08,270 --> 00:08:05,940

spent the last 45 years of my life at

149

00:08:10,490 --> 00:08:08,280

the bedside of people who are passing

150

00:08:13,249 --> 00:08:10,500

from this world to the next

151
00:08:15,950 --> 00:08:13,259
and having more than thirty four

152
00:08:18,770 --> 00:08:15,960
thousand dollars at the bedside I have

153
00:08:21,230 --> 00:08:18,780
the understanding of the meaning of life

154
00:08:23,290 --> 00:08:21,240
I understand the meanings that people

155
00:08:26,210 --> 00:08:23,300
search for in their life

156
00:08:28,909 --> 00:08:26,220
and I have the experience of knowing

157
00:08:30,409 --> 00:08:28,919
what it's like to pass from this world

158
00:08:32,870 --> 00:08:30,419
to the next

159
00:08:34,850 --> 00:08:32,880
more than once

160
00:08:38,589 --> 00:08:34,860
and to

161
00:08:43,070 --> 00:08:38,599
to get a grip on the

162
00:08:44,570 --> 00:08:43,080
energetic ethereal spiritual world we

163
00:08:50,389 --> 00:08:44,580

all live in

164

00:08:50,399 --> 00:08:54,070

um

165

00:09:01,730 --> 00:08:58,970

Daniel I was just getting into the flow

166

00:09:05,150 --> 00:09:01,740

so I'm watching him I can I can see it

167

00:09:11,210 --> 00:09:05,160

now uh it's uh he's reconnecting back

168

00:09:17,449 --> 00:09:13,670

just when I get to the punch line yeah

169

00:09:19,850 --> 00:09:17,459

you were right there a new world

170

00:09:25,130 --> 00:09:19,860

okay so here's the game

171

00:09:28,370 --> 00:09:25,140

December 21st 2012 a new era a new age

172

00:09:29,449 --> 00:09:28,380

was born and this is according to the

173

00:09:31,070 --> 00:09:29,459

Maya

174

00:09:34,370 --> 00:09:31,080

it was born

175

00:09:39,310 --> 00:09:34,380

so we would be in the 11th year of a new

176

00:09:43,670 --> 00:09:39,320

age 24 26 000 years but it's really 25

177

00:09:47,990 --> 00:09:43,680

920 years the procession through the

178

00:09:52,370 --> 00:09:48,000

procession through the uh zodiac

179

00:09:55,610 --> 00:09:52,380

okay and so we're in the 11th year so if

180

00:09:58,190 --> 00:09:55,620

people fall back and take a good look at

181

00:10:00,650 --> 00:09:58,200

everything that's going on how crazy it

182

00:10:02,690 --> 00:10:00,660

is and they witnessing they're watching

183

00:10:05,210 --> 00:10:02,700

the birth of a new world

184

00:10:07,610 --> 00:10:05,220

there's an old world trying to hold on

185

00:10:09,829 --> 00:10:07,620

like where the petrol dollar is there's

186

00:10:11,810 --> 00:10:09,839

an old world trying to hold on to the

187

00:10:13,430 --> 00:10:11,820

old but it's gone

188

00:10:17,210 --> 00:10:13,440

it's gone

189

00:10:21,050 --> 00:10:17,220

and on December the 19th of this year

190

00:10:23,690 --> 00:10:21,060

a ray hit the atmosphere

191

00:10:27,710 --> 00:10:23,700

uh the electromagnetic spear that

192

00:10:31,190 --> 00:10:27,720

surrounds the Earth and opened a hole

193

00:10:34,610 --> 00:10:31,200

into this dimension

194

00:10:37,130 --> 00:10:34,620

From Another Dimension into this one and

195

00:10:38,690 --> 00:10:37,140

this was December 19th just before the

196

00:10:42,769 --> 00:10:38,700

equinox

197

00:10:46,730 --> 00:10:42,779

well the timing of these events Jimmy

198

00:10:49,670 --> 00:10:46,740

means we are truly heralded a new age a

199

00:10:51,889 --> 00:10:49,680

guy you have Johnny Enoch someone that

200

00:10:53,750 --> 00:10:51,899

you have on pretty often

201
00:10:58,310 --> 00:10:53,760
John and I have been going to the

202
00:11:03,050 --> 00:10:58,320
Yucatan and exploring the Mayas

203
00:11:05,750 --> 00:11:03,060
and making videos for Zohar

204
00:11:09,650 --> 00:11:05,760
but exploring them from

205
00:11:12,949 --> 00:11:09,660
from different points of view that that

206
00:11:16,190 --> 00:11:12,959
the calendar is right how the culture

207
00:11:17,870 --> 00:11:16,200
evolved there are 9600 year

208
00:11:24,050 --> 00:11:17,880
history

209
00:11:26,930 --> 00:11:24,060
and the piece this together so people

210
00:11:28,310 --> 00:11:26,940
get a chance to realize like what you

211
00:11:30,889 --> 00:11:28,320
name the show

212
00:11:33,050 --> 00:11:30,899
we're in a new age in a new cycle we

213
00:11:36,050 --> 00:11:33,060

have to let go of the old and embrace

214

00:11:40,370 --> 00:11:36,060

the new because it's affecting us and

215

00:11:45,230 --> 00:11:43,430

the I think it's exciting I mean it's

216

00:11:47,889 --> 00:11:45,240

exciting I wouldn't have missed this

217

00:11:49,810 --> 00:11:47,899

time for anything

218

00:11:51,550 --> 00:11:49,820

exciting

219

00:11:55,310 --> 00:11:51,560

well

220

00:11:57,410 --> 00:11:55,320

I'm gonna wrap all that up sure I I am

221

00:12:00,769 --> 00:11:57,420

I'm empathic

222

00:12:04,310 --> 00:12:00,779

and if someone came through me

223

00:12:06,530 --> 00:12:04,320

someone came through me and told me to

224

00:12:10,009 --> 00:12:06,540

do something because I've been around

225

00:12:14,389 --> 00:12:10,019

the dying so long I know whether it's a

226

00:12:17,290 --> 00:12:14,399

good spirit or a bad Spirit or or all

227

00:12:20,449 --> 00:12:17,300

that weirdness that comes in the

228

00:12:22,850 --> 00:12:20,459

energetic pattern part of the energetic

229

00:12:26,889 --> 00:12:22,860

pattern we're living in

230

00:12:30,889 --> 00:12:26,899

and I will help because that was her dad

231

00:12:35,870 --> 00:12:30,899

letting her know she was okay and who

232

00:12:42,829 --> 00:12:39,650

that pretty much covers the basis if I

233

00:12:45,829 --> 00:12:42,839

called her winked her and called her the

234

00:12:49,190 --> 00:12:45,839

nickname he called her which is no way I

235

00:12:52,670 --> 00:12:49,200

could have known it okay and she just

236

00:12:53,389 --> 00:12:52,680

take it to us do that all the time I

237

00:12:57,650 --> 00:12:53,399

mean

238

00:13:00,530 --> 00:12:57,660

I am a safe portal for energetic

239

00:13:03,170 --> 00:13:00,540

patterns to reformulate themselves here

240

00:13:06,290 --> 00:13:03,180

and make their presence known and

241

00:13:09,050 --> 00:13:06,300

there's lots of names for that Jimmy

242

00:13:12,410 --> 00:13:09,060

you know they have lots of names for all

243

00:13:15,710 --> 00:13:12,420

of that mediumship and all kind of

244

00:13:18,350 --> 00:13:15,720

psychics and swamis and all that

245

00:13:19,670 --> 00:13:18,360

I I know too much about me to be

246

00:13:22,310 --> 00:13:19,680

impressed

247

00:13:26,870 --> 00:13:22,320

but I don't have any problems of knowing

248

00:13:30,170 --> 00:13:26,880

how how we are not recognizing our

249

00:13:33,470 --> 00:13:30,180

spiritual identity at a time when the

250

00:13:36,650 --> 00:13:33,480

spiritual identity is easier to see

251
00:13:41,650 --> 00:13:36,660
we are no longer in the third dimension

252
00:13:44,990 --> 00:13:41,660
no matter what from December the 19th

253
00:13:46,870 --> 00:13:45,000
uh 2022.

254
00:13:49,490 --> 00:13:46,880
and that and make note that

255
00:13:51,230 --> 00:13:49,500
electromagnetic flux put itself into

256
00:13:53,269 --> 00:13:51,240
play

257
00:13:55,610 --> 00:13:53,279
and the first thing you would look at to

258
00:13:57,650 --> 00:13:55,620
see where true magnetic north is

259
00:14:00,530 --> 00:13:57,660
because that would tell you whether it

260
00:14:04,850 --> 00:14:00,540
affected the wobble well the magnetic

261
00:14:12,829 --> 00:14:07,430
so the magnetic true magnetic north has

262
00:14:14,410 --> 00:14:12,839
moved like 60 to 85 miles okay so what

263
00:14:16,790 --> 00:14:14,420

does that tell you about the

264

00:14:20,329 --> 00:14:16,800

electromagnetic pulse and configuration

265

00:14:21,949 --> 00:14:20,339

of the planet you live on

266

00:14:23,810 --> 00:14:21,959

all right so

267

00:14:26,389 --> 00:14:23,820

it tells you

268

00:14:28,970 --> 00:14:26,399

that a new age is birth the fourth

269

00:14:31,250 --> 00:14:28,980

dimensional reality and how do you know

270

00:14:33,790 --> 00:14:31,260

fourth dimensional reality is now in

271

00:14:37,069 --> 00:14:33,800

place CGI

272

00:14:40,970 --> 00:14:37,079

I mean you could take me and make me

273

00:14:43,189 --> 00:14:40,980

Marlon Brando in hot on a tin roof and

274

00:14:45,829 --> 00:14:43,199

him talk like me look like me make the

275

00:14:48,350 --> 00:14:45,839

same facial expressions as me or you can

276

00:14:51,590 --> 00:14:48,360

pick up your cell phone

277

00:14:54,530 --> 00:14:51,600

and see how many apps you have on it and

278

00:14:57,470 --> 00:14:54,540

tell me you're in the third dimension

279

00:14:59,750 --> 00:14:57,480

because the control of that phone locks

280

00:15:02,810 --> 00:14:59,760

you into a dimensional reality

281

00:15:06,050 --> 00:15:02,820

that native nations people feel it and

282

00:15:09,110 --> 00:15:06,060

harmonize to it and we use Electronics

283

00:15:12,350 --> 00:15:09,120

to communicate with it

284

00:15:17,210 --> 00:15:12,360

did you hear this is interesting about

285

00:15:18,889 --> 00:15:17,220

uh December 19th uh five days ago I I

286

00:15:21,710 --> 00:15:18,899

announced it in the in the new section

287

00:15:24,069 --> 00:15:21,720

of Fade to Black and then it slowly

288

00:15:29,090 --> 00:15:24,079

bubbled up in in the rest of the media

289

00:15:31,009 --> 00:15:29,100

uh that our magnetic core

290

00:15:33,189 --> 00:15:31,019

has stopped

291

00:15:36,410 --> 00:15:33,199

and is paused

292

00:15:39,410 --> 00:15:36,420

the the outer shell of the magnetic core

293

00:15:41,150 --> 00:15:39,420

is still moving but the the the iron

294

00:15:45,650 --> 00:15:41,160

core

295

00:15:50,689 --> 00:15:45,660

of planet Earth has stopped and and and

296

00:15:54,650 --> 00:15:50,699

and when when these reports hey

297

00:15:58,150 --> 00:15:54,660

well let me finish real quick Danny

298

00:16:02,269 --> 00:15:58,160

um that uh

299

00:16:04,550 --> 00:16:02,279

yeah well my what was interesting was

300

00:16:06,949 --> 00:16:04,560

that uh the next day another press

301

00:16:10,790 --> 00:16:06,959

release came out saying that this

302

00:16:12,769 --> 00:16:10,800

happens every 70 years or so and we were

303

00:16:14,569 --> 00:16:12,779

expecting this and I just stopped and I

304

00:16:19,069 --> 00:16:14,579

thought what do you mean the magnetic

305

00:16:20,930 --> 00:16:19,079

core stopped right doesn't that mean a

306

00:16:23,569 --> 00:16:20,940

lot of other things like what protects

307

00:16:27,170 --> 00:16:23,579

the Earth uh what you had just mentioned

308

00:16:30,790 --> 00:16:27,180

something you know uh came here and and

309

00:16:35,210 --> 00:16:30,800

and opened up something on December 19th

310

00:16:38,329 --> 00:16:35,220

was that when our our garden yeah yeah

311

00:16:39,949 --> 00:16:38,339

very very interesting

312

00:16:43,550 --> 00:16:39,959

and that and

313

00:16:46,129 --> 00:16:43,560

and all of a sudden look the car death

314

00:16:48,949 --> 00:16:46,139

has I mean these are theories

315

00:16:52,009 --> 00:16:48,959

okay there are theories based on unders

316

00:16:55,009 --> 00:16:52,019

people who geologically study this the

317

00:16:57,410 --> 00:16:55,019

quantum physical dynamics of what

318

00:16:59,509 --> 00:16:57,420

creates a magnetic field that surrounds

319

00:17:02,269 --> 00:16:59,519

the Earth that creates the ionosphere

320

00:17:05,329 --> 00:17:02,279

that blocks UV arrays and that climate

321

00:17:06,829 --> 00:17:05,339

change has tried to stop and blah blah

322

00:17:12,770 --> 00:17:06,839

blah blah

323

00:17:17,770 --> 00:17:15,169

oh that's painful

324

00:17:19,970 --> 00:17:17,780

I thought we were through it

325

00:17:23,150 --> 00:17:19,980

uh okay

326

00:17:26,510 --> 00:17:23,160

um I apologize but uh you know our

327

00:17:29,990 --> 00:17:26,520

magnetic core has stopped

328

00:17:33,730 --> 00:17:30,000

and uh we've got a green comment uh

329

00:17:37,250 --> 00:17:33,740

blasting by uh I'm sorry

330

00:17:39,289 --> 00:17:37,260

it's the power of Daniel we're okay with

331

00:17:41,029 --> 00:17:39,299

it Danny we're okay and then but

332

00:17:44,090 --> 00:17:41,039

combined with everything else we got a

333

00:17:49,070 --> 00:17:44,100

green Comet cruising by the planet right

334

00:17:53,990 --> 00:17:50,930

yeah absolutely

335

00:17:58,669 --> 00:17:54,000

I mean and we can photograph the thing

336

00:18:02,029 --> 00:17:58,679

with with six different telescopes

337

00:18:04,430 --> 00:18:02,039

when you look at Nasa you know if you

338

00:18:07,490 --> 00:18:04,440

look at nasa.com and you look at the

339

00:18:10,730 --> 00:18:07,500

pictures like the Galileo and the Hubble

340

00:18:12,970 --> 00:18:10,740

telescope and these these the European

341

00:18:16,130 --> 00:18:12,980

Scopes the pictures that they're taking

342

00:18:19,310 --> 00:18:16,140

are are unbelievable and I know they're

343

00:18:22,909 --> 00:18:19,320

painted and fixed to make us be Cosmic

344

00:18:25,669 --> 00:18:22,919

but nonetheless it's magnificent to see

345

00:18:27,590 --> 00:18:25,679

this universe that we're living in and

346

00:18:29,690 --> 00:18:27,600

we have to look at it from a fourth

347

00:18:32,510 --> 00:18:29,700

dimensional point of view

348

00:18:34,610 --> 00:18:32,520

and so what would be the most important

349

00:18:38,270 --> 00:18:34,620

thing about a fourth dimensional point

350

00:18:41,150 --> 00:18:38,280

of view your breathing

351
00:18:43,270 --> 00:18:41,160
what becomes the single most important

352
00:18:50,750 --> 00:18:43,280
your breath

353
00:18:53,690 --> 00:18:50,760
of you breathing in

354
00:18:56,150 --> 00:18:53,700
stopping and breathing out should become

355
00:18:59,090 --> 00:18:56,160
one of the most important things that

356
00:19:01,789 --> 00:18:59,100
you think about every single day in the

357
00:19:03,830 --> 00:19:01,799
fourth dimension because the amount of

358
00:19:08,210 --> 00:19:03,840
breath that you breathe in that carries

359
00:19:10,370 --> 00:19:08,220
that 18 oxygen into your system and the

360
00:19:13,250 --> 00:19:10,380
values and the reasons you place on what

361
00:19:16,250 --> 00:19:13,260
you're doing will either manifest them

362
00:19:18,830 --> 00:19:16,260
or turn out horribly wrong

363
00:19:22,130 --> 00:19:18,840

because of the intention that you used

364

00:19:24,710 --> 00:19:22,140

for why you were doing it I want the

365

00:19:26,810 --> 00:19:24,720

world to understand that they are great

366

00:19:30,710 --> 00:19:26,820

powerful and mighty Spiritual Beings

367

00:19:33,950 --> 00:19:30,720

with dignity Direction and purpose

368

00:19:36,169 --> 00:19:33,960

and that's who you are

369

00:19:37,370 --> 00:19:36,179

and there's nothing you could ever do

370

00:19:40,789 --> 00:19:37,380

about it

371

00:19:42,770 --> 00:19:40,799

so knowing that give it the benefit of

372

00:19:45,289 --> 00:19:42,780

the doubt and take a good look at the

373

00:19:48,110 --> 00:19:45,299

world around you

374

00:19:50,750 --> 00:19:48,120

and if you do that and you're breathing

375

00:19:54,470 --> 00:19:50,760

clearly and you're pacing your breath

376

00:19:56,870 --> 00:19:54,480

you will see a change in yourself

377

00:19:59,090 --> 00:19:56,880

if we are in the fourth dimension and

378

00:20:01,669 --> 00:19:59,100

you want to prove it to yourself then

379

00:20:04,789 --> 00:20:01,679

pay attention to your breathing

380

00:20:06,890 --> 00:20:04,799

they create a pattern and a rhythm of

381

00:20:09,409 --> 00:20:06,900

when you breathe and how you breathe and

382

00:20:12,890 --> 00:20:09,419

why you are breathing in deep and while

383

00:20:14,330 --> 00:20:12,900

you're exhaling and realize

384

00:20:16,850 --> 00:20:14,340

that

385

00:20:19,130 --> 00:20:16,860

when you breathe in before you breathe

386

00:20:23,390 --> 00:20:19,140

out you have to stop

387

00:20:25,970 --> 00:20:23,400

and that oxygen is in and that air is in

388

00:20:29,750 --> 00:20:25,980

all eight sinus cavities

389

00:20:32,150 --> 00:20:29,760

creating the spiritual value of the

390

00:20:36,950 --> 00:20:32,160

reason why you breathe out and the

391

00:20:43,909 --> 00:20:36,960

actions you take and Jimmy that's a fact

392

00:20:49,250 --> 00:20:45,830

there is um

393

00:20:53,390 --> 00:20:49,260

uh one comment that uh that I want to

394

00:20:55,690 --> 00:20:53,400

make uh about all of this which is

395

00:21:00,770 --> 00:20:55,700

I feel

396

00:21:03,590 --> 00:21:00,780

that the planet not not part of it but

397

00:21:08,570 --> 00:21:03,600

the entire planet went through a gut

398

00:21:11,510 --> 00:21:08,580

check and I thought that coming out of

399

00:21:14,210 --> 00:21:11,520

the other side of this

400

00:21:16,930 --> 00:21:14,220

um and and call it whatever you want but

401
00:21:20,029 --> 00:21:16,940
uh the planet has certainly

402
00:21:21,610 --> 00:21:20,039
experienced a few years of some pretty

403
00:21:24,529 --> 00:21:21,620
severe trauma

404
00:21:26,870 --> 00:21:24,539
and I thought that we would come out of

405
00:21:29,570 --> 00:21:26,880
the other side Daniel

406
00:21:30,289 --> 00:21:29,580
um with a greater appreciation of each

407
00:21:34,549 --> 00:21:30,299
other

408
00:21:36,350 --> 00:21:34,559
and that we would understand that there

409
00:21:38,330 --> 00:21:36,360
are other people out there besides us

410
00:21:41,029 --> 00:21:38,340
and we're all self-centered right and

411
00:21:42,169 --> 00:21:41,039
that there was a reason uh to come

412
00:21:46,549 --> 00:21:42,179
together

413
00:21:47,990 --> 00:21:46,559

it seems that the opposite is has been

414

00:21:51,070 --> 00:21:48,000
happening and I don't know if it's

415

00:21:53,710 --> 00:21:51,080
social media if it's if it's

416

00:21:57,529 --> 00:21:53,720
geopolitical

417

00:22:00,350 --> 00:21:57,539
yeah yeah that's absolutely true yeah

418

00:22:04,789 --> 00:22:00,360
but in order what would normally have

419

00:22:06,470 --> 00:22:04,799
happened Jimmy is what you just said

420

00:22:09,890 --> 00:22:06,480
that's what normally would have happened

421

00:22:13,070 --> 00:22:09,900
like 9 11 we would have United

422

00:22:15,110 --> 00:22:13,080
so what what would have to have what

423

00:22:18,770 --> 00:22:15,120
would have to have

424

00:22:20,750 --> 00:22:18,780
to create chaos in the time that peace

425

00:22:24,049 --> 00:22:20,760
would be at its chance

426

00:22:25,850 --> 00:22:24,059

you'd use racism and you would need

427

00:22:28,909 --> 00:22:25,860

anything that divided people you would

428

00:22:33,890 --> 00:22:31,250

you would start a war to distract people

429

00:22:37,430 --> 00:22:33,900

and to keep them stressed

430

00:22:39,590 --> 00:22:37,440

the United States of America is actively

431

00:22:41,169 --> 00:22:39,600

engaging

432

00:22:51,970 --> 00:22:41,179

in

433

00:22:54,770 --> 00:22:51,980

and that's our foreign policy

434

00:22:58,490 --> 00:22:54,780

but Russia okay and when you look at

435

00:23:02,870 --> 00:23:00,890

uh what I was going to say is they're

436

00:23:05,870 --> 00:23:02,880

playing the same games too right it's

437

00:23:07,909 --> 00:23:05,880

it's really it's like they've got a

438

00:23:12,710 --> 00:23:07,919

Playbook and they're all reading from it

439

00:23:18,770 --> 00:23:16,190

to hold on to the old you got to

440

00:23:21,649 --> 00:23:18,780

remember they're trying to hold on to

441

00:23:25,490 --> 00:23:21,659

something that's gone anyway

442

00:23:28,190 --> 00:23:25,500

to do what we're doing in 2023 and

443

00:23:31,909 --> 00:23:28,200

what's going on in Ukraine and Russia is

444

00:23:34,970 --> 00:23:31,919

completely and totally insanity

445

00:23:38,049 --> 00:23:34,980

that's Insanity okay

446

00:23:41,870 --> 00:23:38,059

and to create a crisis

447

00:23:44,870 --> 00:23:41,880

subliminally to create fear with that

448

00:23:47,510 --> 00:23:44,880

means they know what I know

449

00:23:50,090 --> 00:23:47,520

and they're marching along those same

450

00:23:52,190 --> 00:23:50,100

lines based on understanding what the

451
00:23:56,810 --> 00:23:52,200
universe is doing

452
00:23:56,820 --> 00:23:59,649
um

453
00:24:06,230 --> 00:24:03,470
danin will be back but I feel it

454
00:24:08,090 --> 00:24:06,240
I mean I absolutely and I I know that we

455
00:24:10,909 --> 00:24:08,100
all do

456
00:24:14,390 --> 00:24:10,919
um one of the things as I I wait uh for

457
00:24:16,149 --> 00:24:14,400
danion uh to come back online

458
00:24:20,029 --> 00:24:16,159
um is

459
00:24:22,610 --> 00:24:20,039
the ability to Daniel uh thank you will

460
00:24:26,090 --> 00:24:22,620
uh take another crack at this uh sir let

461
00:24:28,450 --> 00:24:26,100
me pull this one out okay

462
00:24:33,169 --> 00:24:28,460
um is

463
00:24:37,370 --> 00:24:35,149

if we back up and I don't want to sound

464

00:24:41,169 --> 00:24:37,380

like the old guy in the room but if we

465

00:24:44,990 --> 00:24:41,179

back up to uh

466

00:24:47,149 --> 00:24:45,000

communicating old school which was a a

467

00:24:48,830 --> 00:24:47,159

conversation in real time you've got

468

00:24:51,350 --> 00:24:48,840

somebody in front of you you're talking

469

00:24:53,029 --> 00:24:51,360

in real time you're on a telephone the

470

00:24:56,770 --> 00:24:53,039

only phone in the house your Bell

471

00:25:00,250 --> 00:24:56,780

Telephone that you're renting in 1975

472

00:25:04,789 --> 00:25:00,260

you were talking in real time

473

00:25:09,169 --> 00:25:04,799

today conscious uh to Consciousness

474

00:25:11,990 --> 00:25:09,179

minds are basically connecting

475

00:25:17,570 --> 00:25:12,000

um out of sync whether it's uh through

476

00:25:20,330 --> 00:25:17,580

texts or through uh social media and

477

00:25:23,390 --> 00:25:20,340

other ways of communicating where your

478

00:25:26,750 --> 00:25:23,400

statement is is out there and then the

479

00:25:29,149 --> 00:25:26,760

reply comes back 20 minutes later an

480

00:25:31,490 --> 00:25:29,159

hour later or a day later and then you

481

00:25:34,210 --> 00:25:31,500

turn around and reply back and we're not

482

00:25:39,470 --> 00:25:34,220

in the same timeline anymore

483

00:25:42,769 --> 00:25:39,480

and so the intention of what people are

484

00:25:45,350 --> 00:25:42,779

trying to do in a conversation is not at

485

00:25:48,289 --> 00:25:45,360

the same time it's never in sync anymore

486

00:25:51,890 --> 00:25:48,299

the conversations are occurring in

487

00:25:54,230 --> 00:25:51,900

another timeline and it's just messing

488

00:25:56,649 --> 00:25:54,240

with everybody around the world at the

489

00:26:00,289 --> 00:25:56,659

same time we're not communicating

490

00:26:02,810 --> 00:26:00,299

directly and our multiple timelines yeah

491

00:26:05,510 --> 00:26:02,820

yeah yeah these would be multiple

492

00:26:08,390 --> 00:26:05,520

timelines you have to function Jimmy

493

00:26:10,250 --> 00:26:08,400

they have to function on

494

00:26:14,510 --> 00:26:10,260

there are

495

00:26:16,789 --> 00:26:14,520

Corinthians chapter 12 verse 1 through

496

00:26:19,070 --> 00:26:16,799

12 which is called the gifts of the

497

00:26:21,409 --> 00:26:19,080

Spirit there's nine of them

498

00:26:24,529 --> 00:26:21,419

and they are the gifts that you get if

499

00:26:25,610 --> 00:26:24,539

you follow the strict teachings of the

500

00:26:29,390 --> 00:26:25,620

Christ

501
00:26:32,390 --> 00:26:29,400
okay then there are the seven chakras

502
00:26:33,350 --> 00:26:32,400
okay and then there is the ten-headed

503
00:26:37,130 --> 00:26:33,360
Hydra

504
00:26:40,370 --> 00:26:37,140
and you look for those numbers

505
00:26:43,130 --> 00:26:40,380
to see what levels they're working on I

506
00:26:44,390 --> 00:26:43,140
work off of Corinthians the nine gifts

507
00:26:47,750 --> 00:26:44,400
of the Spirit

508
00:26:50,450 --> 00:26:47,760
okay I operate off of that as a system

509
00:26:52,909 --> 00:26:50,460
of multiplying and understanding so they

510
00:26:54,950 --> 00:26:52,919
would have to know the same things I

511
00:26:57,049 --> 00:26:54,960
would know and they would be creating

512
00:26:59,029 --> 00:26:57,059
things that would cause the confusion

513
00:27:02,149 --> 00:26:59,039

and they would have to be doing it on

514

00:27:03,950 --> 00:27:02,159

more than three timelines because like

515

00:27:05,029 --> 00:27:03,960

you were talking earlier we're in the

516

00:27:07,190 --> 00:27:05,039

fourth

517

00:27:10,250 --> 00:27:07,200

level of consciousness

518

00:27:13,549 --> 00:27:10,260

so integrative into Electronics

519

00:27:14,690 --> 00:27:13,559

is going to happen no matter what it's

520

00:27:18,049 --> 00:27:14,700

gonna happen

521

00:27:19,669 --> 00:27:18,059

okay being wise and smart to it and

522

00:27:20,930 --> 00:27:19,679

understand how to use it to your

523

00:27:23,810 --> 00:27:20,940

advantage

524

00:27:25,970 --> 00:27:23,820

because people can think and wish for

525

00:27:28,269 --> 00:27:25,980

whatever it is they want but the

526

00:27:32,330 --> 00:27:28,279

universe does this every 24

527

00:27:33,529 --> 00:27:32,340

920 years and that's what it does

528

00:27:35,930 --> 00:27:33,539

okay

529

00:27:39,710 --> 00:27:35,940

and just like the core of the earth

530

00:27:41,330 --> 00:27:39,720

stopping is one more thing that it

531

00:27:43,909 --> 00:27:41,340

depends on when it happened either

532

00:27:47,510 --> 00:27:43,919

before December the 19th or after

533

00:27:51,409 --> 00:27:47,520

December the 19th I can measure that

534

00:27:55,370 --> 00:27:51,419

I can measure that uh and measure the

535

00:27:55,380 --> 00:28:00,549

I can move across the timelines Jimmy

536

00:28:05,510 --> 00:28:03,830

yes out of everybody that I know you're

537

00:28:07,190 --> 00:28:05,520

the one when you say something like that

538

00:28:09,230 --> 00:28:07,200

I listen

539

00:28:11,930 --> 00:28:09,240

um can I ask you so I don't know if I've

540

00:28:15,610 --> 00:28:11,940

asked you this before Daniel

541

00:28:19,909 --> 00:28:15,620

um uh I've talked about who you were

542

00:28:26,330 --> 00:28:19,919

before the first lightning strike

543

00:28:27,769 --> 00:28:26,340

um but um these empathic gifts or the I

544

00:28:29,210 --> 00:28:27,779

don't want to use the word psychic but

545

00:28:31,970 --> 00:28:29,220

you like you said there's a million

546

00:28:35,810 --> 00:28:31,980

words for this so I just use that did

547

00:28:38,690 --> 00:28:35,820

you have any of these gifts before you

548

00:28:40,970 --> 00:28:38,700

were Zapped the first time

549

00:28:43,370 --> 00:28:40,980

were you aware of them

550

00:28:48,950 --> 00:28:43,380

no

551
00:28:51,649 --> 00:28:48,960
have happened to me

552
00:28:54,110 --> 00:28:51,659
I wouldn't have believed it you couldn't

553
00:28:56,149 --> 00:28:54,120
have convinced me so we people don't

554
00:29:00,230 --> 00:28:56,159
believe the near-death experience and

555
00:29:02,450 --> 00:29:00,240
that we are gifted beings we have skill

556
00:29:05,269 --> 00:29:02,460
sets beyond what you think are the five

557
00:29:07,430 --> 00:29:05,279
senses and we have them

558
00:29:10,610 --> 00:29:07,440
and so

559
00:29:13,250 --> 00:29:10,620
the the whole nature of that

560
00:29:17,510 --> 00:29:13,260
that was all nonsense to me I knew how

561
00:29:21,470 --> 00:29:17,520
to destroy things I played Sports I was

562
00:29:26,510 --> 00:29:21,480
in the Marine Corps I worked projects

563
00:29:30,769 --> 00:29:26,520

stemming the red tide okay and

564

00:29:32,990 --> 00:29:30,779

I got a chance to see reality

565

00:29:37,930 --> 00:29:33,000

from a different point of view

566

00:29:41,330 --> 00:29:37,940

from what America is as a weaponized

567

00:29:45,230 --> 00:29:41,340

military industrial complex

568

00:29:47,630 --> 00:29:45,240

and I get to see the gracious greatness

569

00:29:53,269 --> 00:29:47,640

from hospice

570

00:29:59,470 --> 00:29:54,610

um

571

00:30:03,289 --> 00:29:59,480

I'm wondering if uh we should

572

00:30:06,250 --> 00:30:03,299

reschedule and get a more stable

573

00:30:09,350 --> 00:30:06,260

um and let me ask Daniel let me ask Dan

574

00:30:12,110 --> 00:30:09,360

Danny do you okay I would have never

575

00:30:14,450 --> 00:30:12,120

believed any of Jimmy I would have never

576

00:30:16,870 --> 00:30:14,460

believed any of this before the

577

00:30:19,990 --> 00:30:16,880

lightning

578

00:30:22,789 --> 00:30:20,000

do you want to uh Danny do you want to

579

00:30:25,850 --> 00:30:22,799

reschedule this and when we have a more

580

00:30:28,130 --> 00:30:25,860

stable connection so we could have a

581

00:30:29,510 --> 00:30:28,140

full flow of Consciousness or do you

582

00:30:31,970 --> 00:30:29,520

want to just continue I'll do whatever

583

00:30:34,730 --> 00:30:31,980

you want to do I mean I'll do what you

584

00:30:35,769 --> 00:30:34,740

want so Jimmy this doesn't happen I'm in

585

00:30:40,010 --> 00:30:35,779

Texas

586

00:30:42,889 --> 00:30:40,020

and so here there's no electrical

587

00:30:45,529 --> 00:30:42,899

interference or computers or anything

588

00:30:47,950 --> 00:30:45,539

like that there's just this power source

589

00:30:51,409 --> 00:30:47,960

that I have from Verizon

590

00:30:53,330 --> 00:30:51,419

when you said 5G and it's got like one

591

00:30:55,549 --> 00:30:53,340

two three four so I don't know what's

592

00:30:59,570 --> 00:30:55,559

dropping it off but the point I'd like

593

00:31:03,710 --> 00:30:59,580

to cover before we reschedule is this

594

00:31:05,930 --> 00:31:03,720

uh tomorrow night rizz is magnificent

595

00:31:10,370 --> 00:31:05,940

I think that rizz is one of the most

596

00:31:15,909 --> 00:31:10,380

magnificent Minds of this Next Movement

597

00:31:18,470 --> 00:31:15,919

the combination of spirituality and uh

598

00:31:20,570 --> 00:31:18,480

and um

599

00:31:24,110 --> 00:31:20,580

virtual reality

600

00:31:25,850 --> 00:31:24,120

okay and I believe that everybody should

601
00:31:29,630 --> 00:31:25,860
come to the

602
00:31:32,690 --> 00:31:29,640
to the whole life Expo in hill at the

603
00:31:34,909 --> 00:31:32,700
Hilton Hotel on February the 10th

604
00:31:38,269 --> 00:31:34,919
and my program

605
00:31:41,090 --> 00:31:38,279
is about reinforcing the validity of who

606
00:31:43,490 --> 00:31:41,100
you are in this next plane of existence

607
00:31:47,810 --> 00:31:43,500
and how to get the most out of it

608
00:31:50,510 --> 00:31:47,820
and I can be I will be able to prove

609
00:31:52,669 --> 00:31:50,520
that you are a great conflict Mighty

610
00:31:55,730 --> 00:31:52,679
spiritual being with dignity Direction

611
00:31:57,889 --> 00:31:55,740
and purpose if you come to this program

612
00:32:00,769 --> 00:31:57,899
yeah it's going to be great to see you

613
00:32:04,370 --> 00:32:00,779

again Jimmy church will be there

614

00:32:08,450 --> 00:32:04,380

yeah oh it doesn't start until you

615

00:32:10,970 --> 00:32:08,460

arrive Daniel but um uh here's let's

616

00:32:13,190 --> 00:32:10,980

let's just keep going uh all right I'm

617

00:32:15,769 --> 00:32:13,200

watching the the chats like man just

618

00:32:17,750 --> 00:32:15,779

just keep going let's let's not let's

619

00:32:20,210 --> 00:32:17,760

not end this

620

00:32:22,549 --> 00:32:20,220

um is the world

621

00:32:26,630 --> 00:32:22,559

um you know talking about this earlier

622

00:32:29,029 --> 00:32:26,640

about uh where is the world ready I mean

623

00:32:34,450 --> 00:32:29,039

are they ready for what's about to

624

00:32:40,130 --> 00:32:34,460

happen I've you can't stop it right

625

00:32:47,630 --> 00:32:43,430

I'd have to say yes

626

00:32:51,590 --> 00:32:47,640

why you're on the air

627

00:32:53,269 --> 00:32:51,600

I mean look at the information that we

628

00:32:55,310 --> 00:32:53,279

can turn to

629

00:32:57,970 --> 00:32:55,320

and hear

630

00:33:01,490 --> 00:32:57,980

and be able to make wider bigger choices

631

00:33:03,409 --> 00:33:01,500

and as this information unfolds

632

00:33:05,750 --> 00:33:03,419

and people have things that they could

633

00:33:08,269 --> 00:33:05,760

believe in the core of the Earth stopped

634

00:33:10,669 --> 00:33:08,279

what does that tell you did that mean

635

00:33:13,430 --> 00:33:10,679

that the world started over well it

636

00:33:15,710 --> 00:33:13,440

would seem that it did because it

637

00:33:18,529 --> 00:33:15,720

started spinning backwards is the thing

638

00:33:24,190 --> 00:33:18,539

you left out Jimmy was it started

639

00:33:30,649 --> 00:33:27,830

I think it's the most exciting times

640

00:33:32,149 --> 00:33:30,659

it was such a heavy thing when I when I

641

00:33:35,149 --> 00:33:32,159

read the press release I was like you've

642

00:33:38,750 --> 00:33:35,159

got to be what happened and I'm reading

643

00:33:41,630 --> 00:33:38,760

it and it was almost too much I have an

644

00:33:45,730 --> 00:33:41,640

open mind and I love Discovery and but

645

00:33:48,590 --> 00:33:45,740

it was even uh too much for me to absorb

646

00:33:50,830 --> 00:33:48,600

what do you mean it stopped spinning but

647

00:33:54,169 --> 00:33:50,840

it did I could take it

648

00:33:55,970 --> 00:33:54,179

oh man I was waiting not only stopped

649

00:33:59,269 --> 00:33:55,980

spinning it started spinning the other

650

00:34:00,730 --> 00:33:59,279

way yeah yeah it started spinning the

651
00:34:03,769 --> 00:34:00,740
other way

652
00:34:06,529 --> 00:34:03,779
does that not recognize the fact there

653
00:34:08,810 --> 00:34:06,539
is a shift to current that's more Cosmic

654
00:34:11,389 --> 00:34:08,820
than the pettiness of us watching the

655
00:34:14,270 --> 00:34:11,399
politics and the garbage that we watch

656
00:34:16,010 --> 00:34:14,280
and listen to as opposed to seeing that

657
00:34:18,770 --> 00:34:16,020
we are here

658
00:34:20,510 --> 00:34:18,780
and we are charged with making the

659
00:34:26,810 --> 00:34:20,520
difference

660
00:34:29,930 --> 00:34:26,820
because this is that time we have

661
00:34:32,869 --> 00:34:29,940
reached that place where yogas would

662
00:34:35,930 --> 00:34:32,879
spend years contemplating their needles

663
00:34:38,210 --> 00:34:35,940

to reach that fourth consciousness where

664

00:34:39,290 --> 00:34:38,220

we don't have to do anything but live in

665

00:34:42,109 --> 00:34:39,300

it

666

00:34:44,990 --> 00:34:42,119

and exercise the skill sets that come

667

00:34:48,290 --> 00:34:45,000

with that awareness

668

00:34:50,629 --> 00:34:48,300

okay and it will come to us

669

00:34:54,290 --> 00:34:50,639

we have reached that place where that

670

00:34:57,770 --> 00:34:54,300

dimensional reality is in play

671

00:34:59,870 --> 00:34:57,780

I felt the magnetic pulse

672

00:35:01,310 --> 00:34:59,880

I know it sounds crazy but still the

673

00:35:05,210 --> 00:35:01,320

truth

674

00:35:08,750 --> 00:35:05,220

I felt the magnetic pulse on the 19th it

675

00:35:11,810 --> 00:35:08,760

took me to the 21st to find it

676
00:35:14,810 --> 00:35:11,820
I looked for it for three days because I

677
00:35:17,150 --> 00:35:14,820
had felt it before Jimmy and I I had

678
00:35:18,290 --> 00:35:17,160
some idea what it meant

679
00:35:20,569 --> 00:35:18,300
okay

680
00:35:22,670 --> 00:35:20,579
because if you believe in the locked

681
00:35:25,730 --> 00:35:22,680
Planet no one can leave this planet

682
00:35:27,710 --> 00:35:25,740
you're all a prisoners and all that

683
00:35:30,050 --> 00:35:27,720
stories that you hear

684
00:35:32,510 --> 00:35:30,060
well if something could open that cortex

685
00:35:35,089 --> 00:35:32,520
through the vibratory harmonic and open

686
00:35:37,069 --> 00:35:35,099
that place in the in the magnetic field

687
00:35:40,490 --> 00:35:37,079
that means something could enter or

688
00:35:43,910 --> 00:35:42,890

now I look at it from a bigger point of

689

00:35:46,250 --> 00:35:43,920

view

690

00:35:49,250 --> 00:35:46,260

because I see the part of the birthing

691

00:35:51,650 --> 00:35:49,260

of an age and I have to be respectful of

692

00:35:54,230 --> 00:35:51,660

people's choices as crazy as they are

693

00:36:00,650 --> 00:35:54,240

because they're just feeling out the

694

00:36:08,510 --> 00:36:03,829

so we're ready yeah I I think so too

695

00:36:10,849 --> 00:36:08,520

bring it on yeah I I I think so too

696

00:36:16,609 --> 00:36:10,859

um so much has been

697

00:36:23,030 --> 00:36:19,370

um uh I just watched a great documentary

698

00:36:26,690 --> 00:36:23,040

uh this week Danny in about an ACDC do

699

00:36:28,670 --> 00:36:26,700

you know how much fun I have living in

700

00:36:31,370 --> 00:36:28,680

you smile

701
00:36:33,290 --> 00:36:31,380
you know how much fun I have living

702
00:36:35,690 --> 00:36:33,300
yeah

703
00:36:39,410 --> 00:36:35,700
well

704
00:36:44,089 --> 00:36:39,420
um do you remember I've watched this I

705
00:36:44,099 --> 00:36:47,150
go ahead

706
00:36:55,190 --> 00:36:49,849
I didn't hear you uh we've got a little

707
00:37:03,410 --> 00:36:58,630
I wrote a book that was the 12 boxes

708
00:37:06,430 --> 00:37:03,420
that I had in 1975. okay they were the

709
00:37:09,410 --> 00:37:06,440
the events that would happen between

710
00:37:12,890 --> 00:37:09,420
1975 and now

711
00:37:14,870 --> 00:37:12,900
I wrote this book 28 years ago almost 29

712
00:37:18,530 --> 00:37:14,880
years ago

713
00:37:21,050 --> 00:37:18,540

and we're in box 12 the last bucks

714

00:37:23,690 --> 00:37:21,060

before the mission that I think I was

715

00:37:24,410 --> 00:37:23,700

sent here to do which I wrote in that

716

00:37:27,050 --> 00:37:24,420

book

717

00:37:30,109 --> 00:37:27,060

that I could execute the final things

718

00:37:32,810 --> 00:37:30,119

that I'm I'm supposed to do while I'm

719

00:37:36,650 --> 00:37:32,820

here okay so

720

00:37:40,069 --> 00:37:36,660

if people go to livestreamers.com

721

00:37:43,430 --> 00:37:40,079

and they look at the Box 12

722

00:37:45,050 --> 00:37:43,440

and they turn on the news see what I

723

00:37:48,470 --> 00:37:45,060

missed

724

00:37:51,710 --> 00:37:48,480

the name of that chapter is technology

725

00:37:54,950 --> 00:37:51,720

and the violence

726

00:38:00,470 --> 00:37:54,960

and it completely describes what we went

727

00:38:00,480 --> 00:38:06,430

and I wrote it it was from 1975.

728

00:38:10,970 --> 00:38:09,290

1976 I wrote it down

729

00:38:16,069 --> 00:38:10,980

I called

730

00:38:18,730 --> 00:38:16,079

environmental religion

731

00:38:22,250 --> 00:38:18,740

because I could not understand

732

00:38:25,730 --> 00:38:22,260

how all the religions of the world would

733

00:38:29,810 --> 00:38:25,740

unite around Mother Earth

734

00:38:32,870 --> 00:38:29,820

because climate change is paganism

735

00:38:35,150 --> 00:38:32,880

and the religions that were built that

736

00:38:38,030 --> 00:38:35,160

established mostly in the western world

737

00:38:40,730 --> 00:38:38,040

was on crushing paganism

738

00:38:42,470 --> 00:38:40,740

so I kept they call it it the

739

00:38:45,410 --> 00:38:42,480

environmental religion because the World

740

00:38:46,670 --> 00:38:45,420

Council of churches endorsed climate

741

00:38:51,230 --> 00:38:46,680

change

742

00:38:55,250 --> 00:38:52,609

so

743

00:38:59,390 --> 00:38:55,260

I'm having the joy

744

00:39:00,890 --> 00:38:59,400

of seeing possibilities that I never saw

745

00:39:05,150 --> 00:39:00,900

before

746

00:39:07,370 --> 00:39:05,160

and how great we are that we made it

747

00:39:08,990 --> 00:39:07,380

to here

748

00:39:12,230 --> 00:39:09,000

and the core of the earth that's

749

00:39:17,089 --> 00:39:12,240

spinning the other way

750

00:39:20,930 --> 00:39:17,099

yeah yeah it's exciting yeah yeah it was

751

00:39:24,650 --> 00:39:20,940

so uh what I was going to ask you is

752

00:39:26,569 --> 00:39:24,660

that the world is you know we've got the

753

00:39:31,190 --> 00:39:26,579

James Webb Telescope we've got uh

754

00:39:34,930 --> 00:39:31,200

exoplanets we've got uh uh everything

755

00:39:38,750 --> 00:39:34,940

that is happening with technology and Ai

756

00:39:42,470 --> 00:39:38,760

and the reality of what our Milky Way is

757

00:39:45,230 --> 00:39:42,480

and all of the science and uaps and UFO

758

00:39:48,950 --> 00:39:45,240

all of the science is coming at the

759

00:39:51,349 --> 00:39:48,960

world right now and uh physicists

760

00:39:54,950 --> 00:39:51,359

talking about the Multiverse in the

761

00:39:58,970 --> 00:39:54,960

loving dimensions and and the world if

762

00:40:03,650 --> 00:39:58,980

we came at uh the world right now and

763

00:40:05,930 --> 00:40:03,660

and a new reality check of going into uh

764

00:40:09,290 --> 00:40:05,940

a fourth dimension and a raise of

765

00:40:11,390 --> 00:40:09,300

Consciousness and and a new reality I

766

00:40:13,370 --> 00:40:11,400

don't think I don't think it's going to

767

00:40:16,250 --> 00:40:13,380

shock or surprise anybody I think

768

00:40:21,410 --> 00:40:16,260

they're right you know it's if they're

769

00:40:27,890 --> 00:40:25,010

okay try this try this for a reality

770

00:40:33,650 --> 00:40:30,530

how many taxpayers usually file about

771

00:40:34,790 --> 00:40:33,660

108 million people pay their taxes

772

00:40:37,609 --> 00:40:34,800

okay

773

00:40:39,050 --> 00:40:37,619

and we owe

774

00:40:40,490 --> 00:40:39,060

80

775

00:40:43,370 --> 00:40:40,500

3

776
00:40:47,750 --> 00:40:43,380
trillion dollars

777
00:40:53,450 --> 00:40:47,760
did every American owes 83 I mean

778
00:40:57,410 --> 00:40:53,460
it is we owe 83 trillion dollars

779
00:41:01,670 --> 00:40:57,420
that's thousands of Millions

780
00:41:05,510 --> 00:41:01,680
who thinks we're gonna pay it

781
00:41:13,430 --> 00:41:08,630
no one right

782
00:41:15,050 --> 00:41:13,440
no one thinks that so what happens

783
00:41:17,750 --> 00:41:15,060
the system

784
00:41:20,450 --> 00:41:17,760
that stops the printing

785
00:41:27,230 --> 00:41:20,460
of fiat currency

786
00:41:32,230 --> 00:41:29,569
the

787
00:41:36,230 --> 00:41:32,240
that type of situation

788
00:41:38,450 --> 00:41:36,240

which we have when I say we I'm not

789

00:41:41,329 --> 00:41:38,460

talking about you and I

790

00:41:42,770 --> 00:41:41,339

um but uh governments of the world in

791

00:41:45,470 --> 00:41:42,780

general

792

00:41:46,370 --> 00:41:45,480

um are are well aware of what they're

793

00:41:50,450 --> 00:41:46,380

doing

794

00:41:53,930 --> 00:41:50,460

right that's it's it and uh absolutely

795

00:41:55,609 --> 00:41:53,940

yeah yeah and the agenda just as long

796

00:41:58,069 --> 00:41:55,619

this is my take

797

00:42:01,490 --> 00:41:58,079

I love your comment

798

00:42:04,190 --> 00:42:01,500

how it affects you and I and and the

799

00:42:06,530 --> 00:42:04,200

other 7.9 billion people on this planet

800

00:42:09,770 --> 00:42:06,540

they don't give a crap

801
00:42:12,310 --> 00:42:09,780
they want their agenda of making money

802
00:42:16,609 --> 00:42:12,320
and selling us stuff

803
00:42:19,130 --> 00:42:16,619
not to change right so they don't want

804
00:42:20,990 --> 00:42:19,140
things to affect them

805
00:42:22,790 --> 00:42:21,000
right they but they make sure that

806
00:42:25,670 --> 00:42:22,800
they're not affected but they don't give

807
00:42:29,150 --> 00:42:25,680
a crap about the other 7.9 billion

808
00:42:30,710 --> 00:42:29,160
people right so 83 trillion dollars in

809
00:42:33,109 --> 00:42:30,720
debt I don't think they give a crap

810
00:42:37,250 --> 00:42:33,119
that's a that's a that's that's a

811
00:42:39,470 --> 00:42:37,260
reality check I'm talking about the I'm

812
00:42:42,290 --> 00:42:39,480
talking about the rest of us

813
00:42:43,490 --> 00:42:42,300

okay the reality checklist for each of

814

00:42:46,490 --> 00:42:43,500

us Jimmy

815

00:42:49,130 --> 00:42:46,500

you owe if you figure out how many

816

00:42:52,550 --> 00:42:49,140

people pay taxes and then you figure out

817

00:42:54,650 --> 00:42:52,560

basically what you owe

818

00:42:57,710 --> 00:42:54,660

what you personally the government

819

00:43:00,410 --> 00:42:57,720

committed in your name

820

00:43:03,410 --> 00:43:00,420

to pay it

821

00:43:06,589 --> 00:43:03,420

and you look at that number and it's in

822

00:43:09,370 --> 00:43:06,599

the hunt it's in the in the millions

823

00:43:13,609 --> 00:43:09,380

thousands of millions yeah yeah Mike

824

00:43:17,690 --> 00:43:13,619

thousands of millions yeah

825

00:43:25,069 --> 00:43:21,410

okay so what you have to watch

826

00:43:30,710 --> 00:43:25,079

is now you know the American government

827

00:43:36,849 --> 00:43:32,089

okay

828

00:43:42,349 --> 00:43:36,859

and now the battle over the debt ceiling

829

00:43:48,530 --> 00:43:43,970

81

830

00:43:50,750 --> 00:43:48,540

uh Abrams tanks

831

00:44:00,650 --> 00:43:50,760

to

832

00:44:00,660 --> 00:44:05,230

in the winter

833

00:44:13,970 --> 00:44:08,750

it means it will sink into the mud yep

834

00:44:17,870 --> 00:44:13,980

yep yep yep those are big waves 80 tons

835

00:44:19,130 --> 00:44:17,880

it weighs 80 tons so to pull it out of

836

00:44:21,349 --> 00:44:19,140

the mud it's going to take something

837

00:44:24,770 --> 00:44:21,359

that's bigger and stronger than pulling

838

00:44:28,069 --> 00:44:24,780

80 tons so it's going to take two it's

839

00:44:31,309 --> 00:44:28,079

going to take two Abrams Tanks to pull

840

00:44:33,670 --> 00:44:31,319

one out of the mud and you get them all

841

00:44:40,309 --> 00:44:33,680

right then

842

00:44:42,589 --> 00:44:40,319

was gonna say or one sanity one day

843

00:44:45,650 --> 00:44:42,599

anybody who's ever seen a

844

00:44:47,569 --> 00:44:45,660

I was uh one Danny and Brinkley did

845

00:44:51,890 --> 00:44:47,579

anybody's ever seen a fight

846

00:44:54,170 --> 00:44:51,900

but anybody Jimmy's ever been in a fight

847

00:44:57,109 --> 00:44:54,180

has ever been a big fight and

848

00:45:01,250 --> 00:44:57,119

and sees what happens

849

00:45:04,069 --> 00:45:01,260

when people are torn to threads

850

00:45:07,550 --> 00:45:04,079

you know what happens and you're talking

851
00:45:08,930 --> 00:45:07,560
to him one minute and that head explodes

852
00:45:13,370 --> 00:45:08,940
and next

853
00:45:15,530 --> 00:45:13,380
you get a grip on how insane

854
00:45:22,849 --> 00:45:15,540
we're doing

855
00:45:24,349 --> 00:45:22,859
America is going to get a chance on the

856
00:45:27,230 --> 00:45:24,359
debt ceiling and America's going to get

857
00:45:29,569 --> 00:45:27,240
a chance on this Ukrainian issue

858
00:45:32,390 --> 00:45:29,579
they're going to get a chance to

859
00:45:34,430 --> 00:45:32,400
look at where we are and where we want

860
00:45:35,990 --> 00:45:34,440
to go

861
00:45:38,750 --> 00:45:36,000
okay because

862
00:45:41,150 --> 00:45:38,760
when the debt ceiling and the arguments

863
00:45:43,609 --> 00:45:41,160

has put forth about raising the debt

864

00:45:47,089 --> 00:45:43,619

ceiling we'll tell you where the next

865

00:45:48,950 --> 00:45:47,099

six years of your life will be

866

00:45:52,069 --> 00:45:48,960

it will tell you where it's going to be

867

00:45:54,470 --> 00:45:52,079

and it will tell you in what speed of

868

00:45:56,990 --> 00:45:54,480

secession will the systems be

869

00:45:59,650 --> 00:45:57,000

implemented

870

00:46:04,370 --> 00:45:59,660

all those things that they set up from

871

00:46:06,710 --> 00:46:04,380

2004 moving forward to now okay all you

872

00:46:09,349 --> 00:46:06,720

have to do is Click patterns

873

00:46:12,470 --> 00:46:09,359

but she told if I hear about something

874

00:46:14,030 --> 00:46:12,480

and it's a product and it exists as a

875

00:46:16,210 --> 00:46:14,040

pharmaceutical that means it has to have

876

00:46:19,670 --> 00:46:16,220

a patent

877

00:46:23,690 --> 00:46:19,680

and I better hunt that patent now like

878

00:46:26,270 --> 00:46:23,700

in 220. I better hunt that patent now

879

00:46:28,250 --> 00:46:26,280

because I know it will disappear as

880

00:46:29,809 --> 00:46:28,260

people start to look for it

881

00:46:32,690 --> 00:46:29,819

so

882

00:46:34,870 --> 00:46:32,700

I can tell you when all that started

883

00:46:38,630 --> 00:46:34,880

if I knew it was going to happen Jimmy

884

00:46:40,750 --> 00:46:38,640

and I wrote it 29 years ago from nip

885

00:46:44,690 --> 00:46:40,760

from notebooks and I wrote it down in

886

00:46:49,069 --> 00:46:44,700

1976 and I wrote it in hillbilly set

887

00:46:52,250 --> 00:46:49,079

Southern dang it a complete fool who had

888

00:46:55,430 --> 00:46:52,260

never had any concept of spiritual life

889

00:46:58,609 --> 00:46:55,440

he thought religion was garbage and

890

00:47:00,829 --> 00:46:58,619

victory was how much damage I could do

891

00:47:03,410 --> 00:47:00,839

not only accomplished a goal but how

892

00:47:08,690 --> 00:47:03,420

much damage I could do along the way and

893

00:47:16,490 --> 00:47:12,410

you know I've had young talents you were

894

00:47:19,130 --> 00:47:16,500

a big boy but we're more than ready yeah

895

00:47:23,329 --> 00:47:19,140

I just you know you

896

00:47:26,990 --> 00:47:23,339

it was the 70s it's the 60s and the 70s

897

00:47:29,030 --> 00:47:27,000

and the world was uh

898

00:47:31,490 --> 00:47:29,040

the world was trying to find itself

899

00:47:34,609 --> 00:47:31,500

after the Vietnam and

900

00:47:36,950 --> 00:47:34,619

there were a lot of people who were

901
00:47:40,490 --> 00:47:36,960
Adrenaline Junkies are had gone crazy

902
00:47:44,030 --> 00:47:40,500
because of how the war went and it set

903
00:47:45,950 --> 00:47:44,040
in motion what became black water and QX

904
00:47:49,550 --> 00:47:45,960
and all those private and alcohol

905
00:47:53,510 --> 00:47:51,589
I just got back I have a new name now

906
00:47:57,410 --> 00:47:53,520
it's been a mercenary

907
00:47:59,750 --> 00:47:57,420
I just got back from Egypt uh Daniel and

908
00:48:02,690 --> 00:47:59,760
one of the things uh you know people

909
00:48:05,030 --> 00:48:02,700
that want to ask me questions and you

910
00:48:07,190 --> 00:48:05,040
know the spiritual journey and what

911
00:48:11,030 --> 00:48:07,200
happened in the king's chamber all of

912
00:48:13,790 --> 00:48:11,040
that stuff was cool but that's not what

913
00:48:16,370 --> 00:48:13,800

impressed me uh about Egypt what

914

00:48:20,210 --> 00:48:16,380

impressed me about Egypt was the people

915

00:48:21,829 --> 00:48:20,220

and you have you know it if cairo's a

916

00:48:27,230 --> 00:48:21,839

crowded City it's the biggest city in

917

00:48:28,790 --> 00:48:27,240

the world right it's ginormous and uh it

918

00:48:32,089 --> 00:48:28,800

didn't matter what people live in the

919

00:48:33,950 --> 00:48:32,099

graveyard and and every everybody's

920

00:48:36,950 --> 00:48:33,960

smiling in it people live in the

921

00:48:38,750 --> 00:48:36,960

graveyard in the City of Cairo people

922

00:48:43,430 --> 00:48:38,760

live in the graveyards

923

00:48:46,430 --> 00:48:43,440

it's um it's a happy place

924

00:48:48,770 --> 00:48:46,440

you know and and they've had when we

925

00:48:51,069 --> 00:48:48,780

were you were talking about uh you know

926
00:48:54,109 --> 00:48:51,079
no fear of death earlier

927
00:48:55,370 --> 00:48:54,119
Egypt you know figured that out 10 000

928
00:48:59,809 --> 00:48:55,380
years ago

929
00:49:03,770 --> 00:48:59,819
and their their concept of of one

930
00:49:08,089 --> 00:49:03,780
another and and and respect it's just

931
00:49:10,550 --> 00:49:08,099
it's so it's so everywhere in Egypt and

932
00:49:12,349 --> 00:49:10,560
coming back on the plane uh after two

933
00:49:13,609 --> 00:49:12,359
weeks there

934
00:49:15,829 --> 00:49:13,619
um I was just thinking about the United

935
00:49:19,069 --> 00:49:15,839
States and how screwed up we are where

936
00:49:20,870 --> 00:49:19,079
we can't smile at people anymore right

937
00:49:24,290 --> 00:49:20,880
we can't walk down the street and be

938
00:49:26,089 --> 00:49:24,300

happy anymore we're just bitter and we

939

00:49:28,069 --> 00:49:26,099

have nothing to be upset about here

940

00:49:30,770 --> 00:49:28,079

right we've got everything to be

941

00:49:33,410 --> 00:49:30,780

thankful for but we're not and you go

942

00:49:35,630 --> 00:49:33,420

and you're forced uh to see this you

943

00:49:37,609 --> 00:49:35,640

know you go to another country and you

944

00:49:40,730 --> 00:49:37,619

see the exact opposite

945

00:49:42,829 --> 00:49:40,740

and I've I was I was pretty I loved my

946

00:49:44,750 --> 00:49:42,839

country but I was pretty upset flying

947

00:49:50,630 --> 00:49:44,760

back just thinking about how screwed up

948

00:49:56,750 --> 00:49:53,569

well I have to I have to agree with you

949

00:49:58,010 --> 00:49:56,760

you know I've made 27 trips to Egypt

950

00:50:00,470 --> 00:49:58,020

mm-hmm

951
00:50:03,950 --> 00:50:00,480
I mean I've been going there since the

952
00:50:05,870 --> 00:50:03,960
you know I I love Egypt and I have

953
00:50:07,849 --> 00:50:05,880
really good friends there I have really

954
00:50:11,630 --> 00:50:07,859
good friends in the Ukraine

955
00:50:14,569 --> 00:50:11,640
okay I've really in Romania really close

956
00:50:18,170 --> 00:50:14,579
people but uh

957
00:50:21,290 --> 00:50:18,180
Egypt is a marble

958
00:50:23,349 --> 00:50:21,300
it's a Marvel you walk up on

959
00:50:28,609 --> 00:50:23,359
you walk up on

960
00:50:32,290 --> 00:50:29,270
um

961
00:50:35,089 --> 00:50:32,300
[Music]

962
00:50:38,210 --> 00:50:35,099
I don't get upset anymore

963
00:50:40,670 --> 00:50:38,220

just upset because I was in the flow of

964

00:50:42,589 --> 00:50:40,680

Daniel's mind

965

00:50:45,589 --> 00:50:42,599

just uh

966

00:50:52,190 --> 00:50:48,950

so uh 27 trips he's he's back he's back

967

00:50:53,770 --> 00:50:52,200

okay so sorry you said they they're in

968

00:50:57,770 --> 00:50:53,780

the flow

969

00:51:00,410 --> 00:50:57,780

impossible to create but magnificent and

970

00:51:04,370 --> 00:51:00,420

they they solve death

971

00:51:06,950 --> 00:51:04,380

they saw the a transition

972

00:51:09,710 --> 00:51:06,960

and depend on which cult it was and

973

00:51:13,010 --> 00:51:09,720

which Dynasty you're dealing with

974

00:51:15,710 --> 00:51:13,020

and which particular cult was ruling at

975

00:51:18,410 --> 00:51:15,720

that particular time and each Pharaoh

976

00:51:20,870 --> 00:51:18,420

dumb had a particular cult that was

977

00:51:23,270 --> 00:51:20,880

attached to it either Reviving occult or

978

00:51:24,650 --> 00:51:23,280

or carrying on one that was already in

979

00:51:28,250 --> 00:51:24,660

existence

980

00:51:31,010 --> 00:51:28,260

but you you see marvels of precision of

981

00:51:31,970 --> 00:51:31,020

creation and there's nothing you could

982

00:51:35,030 --> 00:51:31,980

do

983

00:51:38,210 --> 00:51:35,040

to talk yourself out of looking at the

984

00:51:39,710 --> 00:51:38,220

measurements of those three pyramids on

985

00:51:42,770 --> 00:51:39,720

on Giza

986

00:51:45,290 --> 00:51:42,780

there is nothing you can do

987

00:51:48,170 --> 00:51:45,300

it's like seeing bowel Beck in the inner

988

00:51:50,210 --> 00:51:48,180

Lebanese mountains in Lebanon

989

00:51:53,829 --> 00:51:50,220

once you see it

990

00:51:57,589 --> 00:51:53,839

and you see stones that weighed 70 tons

991

00:51:58,790 --> 00:51:57,599

neatly stacked in precision

992

00:52:01,490 --> 00:51:58,800

okay

993

00:52:04,309 --> 00:52:01,500

and you see structures built on top of

994

00:52:06,049 --> 00:52:04,319

structures through years and years and

995

00:52:09,049 --> 00:52:06,059

years and years

996

00:52:11,870 --> 00:52:09,059

you become amazed that

997

00:52:15,710 --> 00:52:11,880

they created a system of the history of

998

00:52:18,710 --> 00:52:15,720

their life to prepare for the next life

999

00:52:21,589 --> 00:52:18,720

and then yet we think the next life is

1000

00:52:24,049 --> 00:52:21,599

going to be a cake walk because of what

1001
00:52:25,309 --> 00:52:24,059
we had to suffer through while we were

1002
00:52:32,990 --> 00:52:25,319
here

1003
00:52:33,000 --> 00:52:37,250
all right so this is what we're gonna do

1004
00:52:37,260 --> 00:52:40,430
um let's

1005
00:52:46,130 --> 00:52:43,849
Let's uh we're gonna reset this for

1006
00:52:48,349 --> 00:52:46,140
tomorrow night I'll wait for Danny to

1007
00:52:52,010 --> 00:52:48,359
come in we'll do an extra hour of uh

1008
00:52:53,569 --> 00:52:52,020
Fade to Black tomorrow night and uh and

1009
00:52:56,809 --> 00:52:53,579
I'll make sure that we have uh

1010
00:52:58,730 --> 00:52:56,819
everything set up with Danny and and uh

1011
00:53:01,790 --> 00:52:58,740
there you go so I'm gonna do that right

1012
00:53:04,010 --> 00:53:01,800
now as standing hey danion um can I get

1013
00:53:06,770 --> 00:53:04,020

you to come back uh uh earlier tomorrow

1014

00:53:08,750 --> 00:53:06,780

night and we'll we'll get everything

1015

00:53:11,569 --> 00:53:08,760

nice and solid with the connection and

1016

00:53:13,910 --> 00:53:11,579

we'll do a straight hour tomorrow before

1017

00:53:16,130 --> 00:53:13,920

all right so what do you want to do yeah

1018

00:53:19,309 --> 00:53:16,140

tell me what you want to do Jimmy

1019

00:53:23,270 --> 00:53:19,319

uh tomorrow let's bring you back uh for

1020

00:53:24,650 --> 00:53:23,280

an hour and we'll we'll just make sure

1021

00:53:26,750 --> 00:53:24,660

that the connection is clean and we'll

1022

00:53:28,549 --> 00:53:26,760

do that tomorrow night there's just too

1023

00:53:31,490 --> 00:53:28,559

much to discuss with you and I I just

1024

00:53:33,170 --> 00:53:31,500

want clean thought of conversation you

1025

00:53:34,790 --> 00:53:33,180

know what I'm saying no no I'm agreeing

1026

00:53:37,930 --> 00:53:34,800

with you because we

1027

00:53:41,390 --> 00:53:37,940

we have to sell conscious life Expo

1028

00:53:44,630 --> 00:53:41,400

we've got to do that too uh absolutely

1029

00:53:46,910 --> 00:53:44,640

uh and there's Danny and he's gone okay

1030

00:53:49,010 --> 00:53:46,920

so

1031

00:53:52,130 --> 00:53:49,020

um yeah we'll do that we'll do that

1032

00:53:54,349 --> 00:53:52,140

tomorrow night and uh yeah we just got a

1033

00:53:55,309 --> 00:53:54,359

weird connection thing going on very

1034

00:54:01,670 --> 00:53:55,319

strange

1035

00:54:03,950 --> 00:54:01,680

tomorrow night and uh everybody else we

1036

00:54:06,470 --> 00:54:03,960

had a great conversation so far it's

1037

00:54:09,109 --> 00:54:06,480

just broken up and and that's not the

1038

00:54:11,390 --> 00:54:09,119

way to do things so uh I'll see

1039

00:54:14,510 --> 00:54:11,400

everybody tomorrow night this is Fade to

1040

00:54:16,069 --> 00:54:14,520

Black I am your host Jimmy Church

1041

00:54:19,549 --> 00:54:16,079

tomorrow night we'll do three hours

1042

00:54:23,569 --> 00:54:19,559

we'll do one hour with danion and two

1043

00:54:25,309 --> 00:54:23,579

hours with Riz Burke all right all right

1044

00:54:28,069 --> 00:54:25,319

everybody have a great night tomorrow

1045

00:54:31,670 --> 00:54:28,079

night extra hour with Danny and Brinkley

1046

00:54:33,470 --> 00:54:31,680

and then two hours with rizford Fade to

1047

00:54:36,109 --> 00:54:33,480

Black is produced by Hilton J Palm Renee

1048

00:54:38,870 --> 00:54:36,119

Dennis and Kevin webmaster is Drew the

1049

00:54:41,470 --> 00:54:38,880

geek music Doug Aldrich intro space boys
