

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

SERENA DC

THE CE5 EXPERIENCE

LIVE in the BUNKER!

FRI FEB 03 LIVE

7:00 PM PT/10:00PM ET

1
00:00:58,869 --> 00:00:53,950

[Music]

2
00:01:02,209 --> 00:00:58,879

the smoke radio for the masses of July 8

3
00:01:04,490 --> 00:01:02,219

1947 the Army Air Forces has announced

4
00:01:05,900 --> 00:01:04,500

that a flying disc has been found and is

5
00:01:10,690 --> 00:01:05,910

now in the

6
00:01:14,450 --> 00:01:10,700

[Music]

7
00:01:18,170 --> 00:01:14,460

I occasionally think how quickly hard

8
00:01:20,810 --> 00:01:18,180

differences worldwide would vanish if we

9
00:01:21,880 --> 00:01:20,820

were facing an alien threat from outside

10
00:01:23,690 --> 00:01:21,890

this work

11
00:01:23,870 --> 00:01:23,700

[Music]

12
00:01:26,170 --> 00:01:23,880

[Applause]

13
00:01:29,090 --> 00:01:26,180

[Music]

14

00:01:31,969 --> 00:01:29,100

this is Fade to Black with your host

15

00:01:32,640 --> 00:01:31,979

Jimmy Church on the game changer Radio

16

00:01:36,609 --> 00:01:32,650

Network

17

00:01:39,950 --> 00:01:36,619

[Music]

18

00:01:43,730 --> 00:01:39,960

whoa whoa whoa Fade to Black I'm your

19

00:01:46,850 --> 00:01:43,740

host Jimmy Church Friday Night Live it

20

00:01:48,350 --> 00:01:46,860

is February 3rd 2023 live here in the

21

00:01:54,370 --> 00:01:48,360

bunker with me tonight

22

00:02:03,710 --> 00:01:59,210

this is this is amazing and uh yeah okay

23

00:02:05,389 --> 00:02:03,720

I I I had a whole vision of what we were

24

00:02:09,650 --> 00:02:05,399

going to talk about tonight it's it's

25

00:02:11,809 --> 00:02:09,660

gone you know so okay it's all left

26
00:02:13,729 --> 00:02:11,819
um but welcome you're here live in the

27
00:02:15,170 --> 00:02:13,739
bunker pretty cool huh you know how

28
00:02:16,550 --> 00:02:15,180
excited I am to be here I've been

29
00:02:19,250 --> 00:02:16,560
watching your show and listening to it

30
00:02:22,250 --> 00:02:19,260
for a long time but now I'm in the

31
00:02:24,530 --> 00:02:22,260
bunker it's really cool she shows up she

32
00:02:26,350 --> 00:02:24,540
can say hi Jimmy whatever whatever I

33
00:02:29,330 --> 00:02:26,360
want to see the bunker yeah

34
00:02:32,570 --> 00:02:29,340
we're we're walking in there shortly so

35
00:02:33,610 --> 00:02:32,580
here we are Friday Night Live and

36
00:02:37,070 --> 00:02:33,620
um now

37
00:02:38,930 --> 00:02:37,080
uh I want we're going to talk UFOs all

38
00:02:41,089 --> 00:02:38,940

night tonight that's that's what you're

39

00:02:43,550 --> 00:02:41,099

here for but but I want to talk a little

40

00:02:46,009 --> 00:02:43,560

bit about you too as well because this

41

00:02:49,250 --> 00:02:46,019

is the first time uh the Fade to Black

42

00:02:51,670 --> 00:02:49,260

audience and the fate or not uh have met

43

00:02:55,369 --> 00:02:51,680

you so I want to go through that tonight

44

00:02:58,070 --> 00:02:55,379

uh in the beginning and talk about

45

00:02:59,350 --> 00:02:58,080

um and the reason why I want to do it is

46

00:03:02,030 --> 00:02:59,360

this

47

00:03:06,050 --> 00:03:02,040

you our community

48

00:03:07,790 --> 00:03:06,060

is always welcoming somebody from

49

00:03:09,949 --> 00:03:07,800

outside our community

50

00:03:14,089 --> 00:03:09,959

and that's exactly what you did you

51
00:03:17,030 --> 00:03:14,099
waltzed in your career in Hollywood when

52
00:03:20,089 --> 00:03:17,040
you go and you look at uh you know your

53
00:03:22,729 --> 00:03:20,099
CV and the shows that you have worked on

54
00:03:23,869 --> 00:03:22,739
and and Award nominations and things you

55
00:03:27,050 --> 00:03:23,879
go and you're looking you're like man

56
00:03:31,190 --> 00:03:27,060
this is this is a very serious you know

57
00:03:33,589 --> 00:03:31,200
person right and and you do you feel

58
00:03:37,670 --> 00:03:33,599
that you walked away from that uh into

59
00:03:39,410 --> 00:03:37,680
UFOs and uaps or or are they kind of

60
00:03:42,110 --> 00:03:39,420
doing the same thing and why would you

61
00:03:44,210 --> 00:03:42,120
do that why you know it was just a a

62
00:03:46,250 --> 00:03:44,220
very successful thing you had going on

63
00:03:48,110 --> 00:03:46,260

and so I still do but you know where I'm

64

00:03:50,390 --> 00:03:48,120

going with this

65

00:03:52,070 --> 00:03:50,400

I don't know if it were if I could call

66

00:03:53,990 --> 00:03:52,080

it a calling but something definitely

67

00:03:56,330 --> 00:03:54,000

did happen so let me tell you the story

68

00:03:57,470 --> 00:03:56,340

basically you know for the last five six

69

00:03:59,030 --> 00:03:57,480

years I've been working in Hollywood

70

00:04:01,729 --> 00:03:59,040

I've got my own talk show called

71

00:04:04,130 --> 00:04:01,739

Hollywood disclosure where um I sit down

72

00:04:05,930 --> 00:04:04,140

with massive A-list celebrities and they

73

00:04:07,729 --> 00:04:05,940

tell me about their rock rock bottom

74

00:04:09,170 --> 00:04:07,739

moments and how they overcame them and

75

00:04:11,509 --> 00:04:09,180

my whole brand has always been personal

76
00:04:15,229 --> 00:04:11,519
transformation how to get from one place

77
00:04:18,770 --> 00:04:15,239
to another and in 2021 I had my first

78
00:04:21,409 --> 00:04:18,780
ever encounter with a UFO so I thought I

79
00:04:24,469 --> 00:04:21,419
saw what was the most incredible

80
00:04:26,270 --> 00:04:24,479
sighting I've ever seen ever and um it

81
00:04:27,650 --> 00:04:26,280
it changed my life it changed my world

82
00:04:29,570 --> 00:04:27,660
because I was always a believer in

83
00:04:31,310 --> 00:04:29,580
extraterrestrials and in UFOs but until

84
00:04:32,870 --> 00:04:31,320
you've really seen one with your own

85
00:04:34,670 --> 00:04:32,880
eyes

86
00:04:36,350 --> 00:04:34,680
um you know you can believe but you

87
00:04:38,450 --> 00:04:36,360
don't believe you know what I mean

88
00:04:40,550 --> 00:04:38,460

that's how it happens that's you know we

89

00:04:42,170 --> 00:04:40,560

we get you with the first one and then

90

00:04:44,090 --> 00:04:42,180

we have it and then you're sucked in

91

00:04:46,790 --> 00:04:44,100

Forever you know and and what really

92

00:04:48,050 --> 00:04:46,800

frustrated me about the UFO and alien

93

00:04:49,670 --> 00:04:48,060

industry is that there were so many

94

00:04:51,830 --> 00:04:49,680

movies and so much content coming out

95

00:04:53,870 --> 00:04:51,840

but none of it was kind of

96

00:04:56,210 --> 00:04:53,880

um mainstream enough it was all really

97

00:04:58,430 --> 00:04:56,220

kind of bootstrap and Indie which is so

98

00:05:01,550 --> 00:04:58,440

great but but none of it was able to

99

00:05:03,830 --> 00:05:01,560

penetrate everybody else's world so

100

00:05:04,510 --> 00:05:03,840

people that were into UFOs and

101
00:05:07,129 --> 00:05:04,520
ETS

102
00:05:09,290 --> 00:05:07,139
would love the content but you know try

103
00:05:12,110 --> 00:05:09,300
and show it to my dad or try and show it

104
00:05:13,730 --> 00:05:12,120
to my um math teacher in there and they

105
00:05:15,230 --> 00:05:13,740
would just scoff at it you know that's

106
00:05:17,330 --> 00:05:15,240
not believable you guys are all crazy

107
00:05:19,550 --> 00:05:17,340
where's your tinfoil hat so I thought

108
00:05:21,129 --> 00:05:19,560
okay why don't I use my skills as a

109
00:05:23,689 --> 00:05:21,139
professional Hollywood producer

110
00:05:28,010 --> 00:05:23,699
respected Hollywood producer quote

111
00:05:29,990 --> 00:05:28,020
unquote to make UFO and ET content for

112
00:05:31,550 --> 00:05:30,000
the whole world for everybody for all

113
00:05:33,469 --> 00:05:31,560

eight billion people that live on this

114

00:05:35,930 --> 00:05:33,479

planet and not just for people that are

115

00:05:39,770 --> 00:05:35,940

into the genre uh I'm we're going to

116

00:05:42,650 --> 00:05:39,780

circle back to the sighting in 2021 and

117

00:05:45,110 --> 00:05:42,660

and get into that because it was right

118

00:05:47,689 --> 00:05:45,120

after that we're only in in February of

119

00:05:52,249 --> 00:05:47,699

2023 so right it was right after that

120

00:05:54,529 --> 00:05:52,259

you reached out to me to come and sit

121

00:05:56,210 --> 00:05:54,539

down for for your new movie we'll talk

122

00:05:59,210 --> 00:05:56,220

about that too as well that that's

123

00:06:02,870 --> 00:05:59,220

releasing in the summer that's right

124

00:06:06,350 --> 00:06:02,880

um and but you your knowledge at that

125

00:06:08,150 --> 00:06:06,360

time and uh because now it was flipped

126

00:06:10,129 --> 00:06:08,160

around I normally ask the questions

127

00:06:12,110 --> 00:06:10,139

right so I'm sitting down with you

128

00:06:14,510 --> 00:06:12,120

you're asking the questions right I was

129

00:06:18,050 --> 00:06:14,520

like man this this knowledge base and

130

00:06:21,050 --> 00:06:18,060

your interest was was very very it was

131

00:06:23,270 --> 00:06:21,060

very strong how how quickly did you

132

00:06:26,990 --> 00:06:23,280

start to absorb this after the siding in

133

00:06:29,150 --> 00:06:27,000

2021 to become you know a producer and a

134

00:06:30,529 --> 00:06:29,160

director and I guess it's a major film I

135

00:06:32,570 --> 00:06:30,539

guess I kind of cheated in a way so

136

00:06:33,770 --> 00:06:32,580

again I'd always been obsessed with the

137

00:06:35,749 --> 00:06:33,780

genre I've watched every single

138

00:06:37,670 --> 00:06:35,759

documentary every single film if you

139

00:06:39,590 --> 00:06:37,680

talk about the movie Signs by m night

140

00:06:41,210 --> 00:06:39,600

shamalin I can literally quote it from

141

00:06:43,370 --> 00:06:41,220

the beginning to end I've watched it so

142

00:06:45,529 --> 00:06:43,380

many times so I was really into it but

143

00:06:48,590 --> 00:06:45,539

I'd never done a deep dive into the

144

00:06:50,749 --> 00:06:48,600

facts and and so I decided after I saw

145

00:06:52,730 --> 00:06:50,759

the UFO okay I want to interview Dr

146

00:06:56,629 --> 00:06:52,740

Stephen Greer on my show Hollywood

147

00:06:58,550 --> 00:06:56,639

disclosure so um in a crazy turn of

148

00:07:00,170 --> 00:06:58,560

events I went to his Instagram page and

149

00:07:04,850 --> 00:07:00,180

at the time he was only following 40

150

00:07:06,650 --> 00:07:04,860

people 40 4-0 and um I sent him a DM and

151
00:07:08,629 --> 00:07:06,660
when I sent him the DM for some reason

152
00:07:10,370 --> 00:07:08,639
it was read straight away and I'm like

153
00:07:11,629 --> 00:07:10,380
this is really weird because normally

154
00:07:13,610 --> 00:07:11,639
when you send someone you don't know a

155
00:07:15,170 --> 00:07:13,620
DM it goes It goes into The Ether right

156
00:07:16,850 --> 00:07:15,180
it goes into General

157
00:07:19,129 --> 00:07:16,860
um and so I looked at who he was

158
00:07:22,010 --> 00:07:19,139
following and he was following me you

159
00:07:24,589 --> 00:07:22,020
know how many DMs I read I read one

160
00:07:26,629 --> 00:07:24,599
yours everything else is Into The Ether

161
00:07:28,370 --> 00:07:26,639
right but it was the strangest thing

162
00:07:30,650 --> 00:07:28,380
ever so he had he was actually following

163
00:07:32,150 --> 00:07:30,660

me randomly following me so straight

164

00:07:34,610 --> 00:07:32,160

away I thought okay I'm on path here

165

00:07:36,710 --> 00:07:34,620

just seen a UFO now I go to Dr Greer's

166

00:07:38,990 --> 00:07:36,720

page dudes following 40 people one of

167

00:07:41,150 --> 00:07:39,000

them's me what the [h__h] uh am I allowed

168

00:07:42,529 --> 00:07:41,160

to swear on this show I hope so we just

169

00:07:44,870 --> 00:07:42,539

did okay

170

00:07:46,430 --> 00:07:44,880

um anyway and so he said let's hop on a

171

00:07:48,890 --> 00:07:46,440

call and we did and three hours later

172

00:07:51,529 --> 00:07:48,900

I'd made a new friend and I remember

173

00:07:53,150 --> 00:07:51,539

hanging up the phone from Dr Greer and

174

00:07:55,850 --> 00:07:53,160

um saying to my partner

175

00:07:58,730 --> 00:07:55,860

what the [h__h] going on did I just talk

176
00:08:01,070 --> 00:07:58,740
to Dr Graham for like three hours he

177
00:08:02,390 --> 00:08:01,080
invited me to his house so I went to

178
00:08:05,689 --> 00:08:02,400
um South Carolina South Carolina

179
00:08:07,370 --> 00:08:05,699
beautiful property lucky man and um we

180
00:08:10,370 --> 00:08:07,380
decided to make a film together and

181
00:08:13,670 --> 00:08:10,380
that's what uh contact the C5 experience

182
00:08:15,830 --> 00:08:13,680
is all about but the Catalyst for me how

183
00:08:17,629 --> 00:08:15,840
I got so entrenched into this world was

184
00:08:20,089 --> 00:08:17,639
he introduced me to Michael mazzola

185
00:08:22,070 --> 00:08:20,099
Michael was the director and creator of

186
00:08:24,230 --> 00:08:22,080
Close Encounters

187
00:08:26,749 --> 00:08:24,240
um and so many other amazing films and

188
00:08:28,430 --> 00:08:26,759

Michael and I became besties yes you did

189

00:08:31,309 --> 00:08:28,440

yeah and decided to create a new project

190

00:08:32,170 --> 00:08:31,319

together and hit you up to be a part of

191

00:08:37,550 --> 00:08:32,180

it

192

00:08:39,230 --> 00:08:37,560

know when I remember and we're going to

193

00:08:42,190 --> 00:08:39,240

move on really quick but what I remember

194

00:08:45,530 --> 00:08:42,200

most about that I don't remember

195

00:08:47,870 --> 00:08:45,540

uh the specifics of you and I going back

196

00:08:49,250 --> 00:08:47,880

and forth what I do remember was walking

197

00:08:50,329 --> 00:08:49,260

away going man this is going to be

198

00:08:54,470 --> 00:08:50,339

freaking great

199

00:08:56,690 --> 00:08:54,480

because I I was able to if you remember

200

00:08:58,910 --> 00:08:56,700

um uh you know I'm the I'm the show host

201

00:09:02,269 --> 00:08:58,920

so I like to listen to other people ask

202

00:09:04,670 --> 00:09:02,279

questions so I remember I sat back and

203

00:09:07,910 --> 00:09:04,680

and watched you interview uh three or

204

00:09:10,070 --> 00:09:07,920

four people yeah and uh okay all right

205

00:09:12,650 --> 00:09:10,080

she's a professional this is going to be

206

00:09:15,230 --> 00:09:12,660

really good I was more nervous

207

00:09:16,550 --> 00:09:15,240

interviewing you than any of them I'll

208

00:09:17,870 --> 00:09:16,560

be honest with you because it's weird

209

00:09:20,930 --> 00:09:17,880

when an interviewer interviews an

210

00:09:23,269 --> 00:09:20,940

interviewer yeah it is it is it is it's

211

00:09:25,970 --> 00:09:23,279

a risky business it's like when you

212

00:09:28,490 --> 00:09:25,980

dream inside of a dream you know what I

213

00:09:31,430 --> 00:09:28,500

mean right it's kind of like that well

214

00:09:32,570 --> 00:09:31,440

um okay so let's back up then so the

215

00:09:36,350 --> 00:09:32,580

moment

216

00:09:37,970 --> 00:09:36,360

uh was 2021. what happened was it here

217

00:09:39,769 --> 00:09:37,980

in the states or was it in Australia it

218

00:09:41,509 --> 00:09:39,779

was in Australia so

219

00:09:43,670 --> 00:09:41,519

um you know we're in Australia we were

220

00:09:45,470 --> 00:09:43,680

still kind of in uh in the covert

221

00:09:47,030 --> 00:09:45,480

[h__\h]

222

00:09:49,310 --> 00:09:47,040

um so you know a lot of videos were

223

00:09:50,630 --> 00:09:49,320

consumed and um I watched Close

224

00:09:53,090 --> 00:09:50,640

Encounters of the fifth kind and I'd

225

00:09:54,590 --> 00:09:53,100

never heard of ce5 before and you know

226

00:09:56,870 --> 00:09:54,600

I've always been looking up at the sky

227

00:09:58,790 --> 00:09:56,880

I've been to Area 51 I've been to Joshua

228

00:10:01,430 --> 00:09:58,800

Tree Been Everywhere never seen a UFO

229

00:10:03,410 --> 00:10:01,440

ever no matter how hard I tried so when

230

00:10:05,509 --> 00:10:03,420

I heard that there was a way to have

231

00:10:07,670 --> 00:10:05,519

human initiated contact

232

00:10:09,590 --> 00:10:07,680

um a way that you could somehow summon

233

00:10:12,290 --> 00:10:09,600

these amazing crafts and beings to come

234

00:10:14,889 --> 00:10:12,300

and visit you and say hi I'm like holy

235

00:10:18,050 --> 00:10:14,899

[h__h] this sounds cool so I went to

236

00:10:20,930 --> 00:10:18,060

Regional Victoria to the countryside and

237

00:10:23,509 --> 00:10:20,940

um I was outside with my partner and we

238

00:10:26,269 --> 00:10:23,519

and I did the reverse Google Earth

239

00:10:28,490 --> 00:10:26,279

version of C5 you know you know when you

240

00:10:30,230 --> 00:10:28,500

you can imagine the Earth and then the

241

00:10:32,329 --> 00:10:30,240

country and then the state and then you

242

00:10:34,670 --> 00:10:32,339

know all the way down to where you are

243

00:10:36,050 --> 00:10:34,680

right right right and I remember we had

244

00:10:37,970 --> 00:10:36,060

our eyes closed while I was doing the

245

00:10:39,290 --> 00:10:37,980

meditation and we opened our eyes and I

246

00:10:41,150 --> 00:10:39,300

look at him and we just start laughing

247

00:10:44,110 --> 00:10:41,160

because we're standing in a field it

248

00:10:46,250 --> 00:10:44,120

freezing our asses off trying to summon

249

00:10:49,069 --> 00:10:46,260

extraterrestrials so we're laughing like

250

00:10:53,090 --> 00:10:49,079

idiots and then it happened then then we

251

00:10:55,610 --> 00:10:53,100

saw saw it you know what'd you see

252

00:10:58,009 --> 00:10:55,620

hard to describe yeah they always are

253

00:10:59,810 --> 00:10:58,019

but so it wasn't it wasn't an orb and

254

00:11:02,750 --> 00:10:59,820

we've you know you and I have both seen

255

00:11:05,889 --> 00:11:02,760

many many of those uh it wasn't a flying

256

00:11:10,190 --> 00:11:05,899

saucer what it was was an enormous

257

00:11:12,829 --> 00:11:10,200

plasma beam of light so um even though

258

00:11:15,290 --> 00:11:12,839

it was quite far away it was about two

259

00:11:18,650 --> 00:11:15,300

feet high if you know in my mind's eye

260

00:11:21,110 --> 00:11:18,660

and it appeared and it just slowly

261

00:11:22,790 --> 00:11:21,120

passed in front of us and all the way

262

00:11:27,110 --> 00:11:22,800

across the sky and then it disappeared

263

00:11:30,650 --> 00:11:27,120

and it was um silver and pulsating

264

00:11:32,990 --> 00:11:30,660

um I would call it plasma and um there

265

00:11:35,389 --> 00:11:33,000

is nothing on Earth that I've ever seen

266

00:11:37,850 --> 00:11:35,399

that looks like that there was nothing

267

00:11:40,610 --> 00:11:37,860

out there in that field that night that

268

00:11:42,590 --> 00:11:40,620

it could have been and after it happened

269

00:11:45,230 --> 00:11:42,600

I was silent for a while my partner was

270

00:11:47,329 --> 00:11:45,240

silent as well and then we just looked

271

00:11:49,910 --> 00:11:47,339

at each other and we're like there it is

272

00:11:53,630 --> 00:11:49,920

there it is that's it no we have proof

273

00:11:56,210 --> 00:11:53,640

now you know we've seen it when I uh you

274

00:11:58,610 --> 00:11:56,220

know I've seen things but but when it

275

00:12:02,030 --> 00:11:58,620

comes to ce5

276

00:12:04,490 --> 00:12:02,040

um and even actually before the official

277

00:12:07,069 --> 00:12:04,500

introduction of ce5 okay so I'm with

278

00:12:09,110 --> 00:12:07,079

people that that you know are really

279

00:12:10,730 --> 00:12:09,120

good investigators and people that I

280

00:12:12,110 --> 00:12:10,740

respect yeah because many many many many

281

00:12:15,170 --> 00:12:12,120

years ago

282

00:12:18,410 --> 00:12:15,180

or they go hey man you know so you know

283

00:12:20,870 --> 00:12:18,420

you can consciously you know calm the

284

00:12:23,630 --> 00:12:20,880

ships and you call with your mind you

285

00:12:26,930 --> 00:12:23,640

call me I'm like man man

286

00:12:30,230 --> 00:12:26,940

[h__\h] stop with that right and

287

00:12:33,530 --> 00:12:30,240

because I was so fixated at your

288

00:12:37,310 --> 00:12:33,540

Instagram just uh fell

289

00:12:42,889 --> 00:12:40,790

we're live on Instagram on uh Serena's

290

00:12:46,310 --> 00:12:42,899

uh Instagram what is what's your

291

00:12:48,889 --> 00:12:46,320

Instagram I am Serena DC I am Serena DC

292

00:12:51,050 --> 00:12:48,899

on Instagram uh you know and so I'm

293

00:12:54,129 --> 00:12:51,060

hearing you know you take a laser and

294

00:13:01,129 --> 00:12:58,490

no no no no no I'm here for the serious

295

00:13:04,250 --> 00:13:01,139

stuff right and then it happens right

296

00:13:07,730 --> 00:13:04,260

and when you you do this thing

297

00:13:11,750 --> 00:13:07,740

so I went to my first ce5 thing right so

298

00:13:15,050 --> 00:13:11,760

I go and I have a loud voice

299

00:13:16,430 --> 00:13:15,060

um I'm a bit of a dick in a crowd I like

300

00:13:18,290 --> 00:13:16,440

to have fun I like to hang out with

301
00:13:22,069 --> 00:13:18,300
people I like to you know crack jokes

302
00:13:24,009 --> 00:13:22,079
and stuff and so we're at the ce5 and uh

303
00:13:28,449 --> 00:13:24,019
everybody's meditating they're out there

304
00:13:31,790 --> 00:13:28,459
Kumbaya they're playing the alien music

305
00:13:34,670 --> 00:13:31,800
they're meditating and I'm going let's

306
00:13:37,250 --> 00:13:34,680
go man pastrami sandwiches crankton Van

307
00:13:39,470 --> 00:13:37,260
Halen and somebody came up to me from

308
00:13:42,470 --> 00:13:39,480
behind

309
00:13:44,990 --> 00:13:42,480
dude we're meditating for the sea if I'm

310
00:13:47,569 --> 00:13:45,000
like man no

311
00:13:51,290 --> 00:13:47,579
let's let's do this and it was just so

312
00:13:54,769 --> 00:13:51,300
funny I offended everybody there and and

313
00:13:57,889 --> 00:13:54,779

then I understood a bit more about the

314

00:13:58,970 --> 00:13:57,899

ce5 experience there there's a there's a

315

00:14:01,550 --> 00:13:58,980

protocol

316

00:14:02,990 --> 00:14:01,560

it's not this free-form thing

317

00:14:06,350 --> 00:14:03,000

I

318

00:14:07,610 --> 00:14:06,360

would laugh and joke and and get you

319

00:14:10,009 --> 00:14:07,620

know I would have hundreds of people

320

00:14:12,129 --> 00:14:10,019

around me and and I'm getting them to

321

00:14:16,430 --> 00:14:12,139

yell and scream like it's a rock concert

322

00:14:19,009 --> 00:14:16,440

the exact opposite of what a ce5 does

323

00:14:21,410 --> 00:14:19,019

I've done both but then I got into the

324

00:14:23,509 --> 00:14:21,420

ce5 experience I started to respect it a

325

00:14:25,490 --> 00:14:23,519

bit more but I abused it in the

326

00:14:27,230 --> 00:14:25,500

beginning I I didn't know I I didn't

327

00:14:28,430 --> 00:14:27,240

have any idea well it's interesting you

328

00:14:30,590 --> 00:14:28,440

say that though because you know Dr

329

00:14:32,449 --> 00:14:30,600

Greer has his set of C5 protocols that

330

00:14:34,790 --> 00:14:32,459

he uses and they're extremely regimented

331

00:14:36,650 --> 00:14:34,800

and you know this is a man that um was

332

00:14:39,170 --> 00:14:36,660

an emergency room doctor for many years

333

00:14:41,509 --> 00:14:39,180

and so he's very methodical and you know

334

00:14:43,009 --> 00:14:41,519

rule-based and so when you go into a C5

335

00:14:44,990 --> 00:14:43,019

with humidity it is like that everyone

336

00:14:47,750 --> 00:14:45,000

does need to be quiet you get into this

337

00:14:50,990 --> 00:14:47,760

cohesive sort of Hive like mind there's

338

00:14:53,210 --> 00:14:51,000

meditation a Puja it's it's beautiful

339

00:14:54,949 --> 00:14:53,220

it's amazing experience and

340

00:14:57,530 --> 00:14:54,959

um more often than not when when he has

341

00:14:59,990 --> 00:14:57,540

these ce5 some amazing things show up

342

00:15:02,629 --> 00:15:00,000

but I've been very blessed to spend time

343

00:15:04,670 --> 00:15:02,639

with some incredible people that are

344

00:15:06,590 --> 00:15:04,680

able to use telepathy to to contact

345

00:15:09,110 --> 00:15:06,600

these extraterrestrials but they do it

346

00:15:11,449 --> 00:15:09,120

in very different ways so I'm sure

347

00:15:15,530 --> 00:15:11,459

everybody knows who Jim Martin is so Jim

348

00:15:17,629 --> 00:15:15,540

Martin is the VP how would we describe

349

00:15:19,670 --> 00:15:17,639

him well executive producer of pretty

350

00:15:23,090 --> 00:15:19,680

much every single UFO movie you've ever

351
00:15:25,730 --> 00:15:23,100
seen yeah yeah he he runs uh the UFO

352
00:15:29,449 --> 00:15:25,740
side of uh the Paranormal side of uh

353
00:15:32,629 --> 00:15:29,459
1091 films formerly the orchard

354
00:15:34,129 --> 00:15:32,639
um man geez I don't know even she's

355
00:15:38,569 --> 00:15:34,139
probably listening right now Jim when

356
00:15:42,230 --> 00:15:38,579
did we meet hey Jim yeah uh I met Jim

357
00:15:44,870 --> 00:15:42,240
had been around 2015 I think right uh

358
00:15:48,170 --> 00:15:44,880
we're in 2020. Disney right he's he he's

359
00:15:51,829 --> 00:15:48,180
Majestic and wonderful he believes yeah

360
00:15:55,370 --> 00:15:51,839
that man believes if I'd seen as much as

361
00:15:56,889 --> 00:15:55,380
he's seen I know I think he is an

362
00:16:00,050 --> 00:15:56,899
extraterrestrial I'll be honest with you

363
00:16:01,910 --> 00:16:00,060

there's something going on there he's

364

00:16:03,949 --> 00:16:01,920

like yeah

365

00:16:05,329 --> 00:16:03,959

have you seen uh you know Lord of the

366

00:16:08,090 --> 00:16:05,339

Rings what's the one called with like

367

00:16:12,970 --> 00:16:08,100

the long the long hair like the elf guy

368

00:16:17,269 --> 00:16:15,829

but okay so but I went out with him and

369

00:16:18,889 --> 00:16:17,279

his method is is completely different

370

00:16:21,470 --> 00:16:18,899

and it's much more

371

00:16:23,449 --> 00:16:21,480

um akin to what you were saying so uh

372

00:16:25,009 --> 00:16:23,459

rule number one is get happy yes you

373

00:16:27,110 --> 00:16:25,019

know so get into a state where you're in

374

00:16:28,910 --> 00:16:27,120

a you know a positive mental state and

375

00:16:31,189 --> 00:16:28,920

then um he uses this triangulation

376

00:16:33,590 --> 00:16:31,199

method so he likes to look up into the

377

00:16:36,230 --> 00:16:33,600

star into the sky and kind of map a

378

00:16:38,569 --> 00:16:36,240

triangle and an area in the sky that's

379

00:16:40,310 --> 00:16:38,579

triangular in shape and then he says to

380

00:16:41,930 --> 00:16:40,320

everyone in the group to look at the

381

00:16:43,670 --> 00:16:41,940

same spot and while you're looking at

382

00:16:45,470 --> 00:16:43,680

the same spot to basically you know

383

00:16:47,689 --> 00:16:45,480

visualize that you're looking through

384

00:16:49,310 --> 00:16:47,699

that into another dimension and then you

385

00:16:50,509 --> 00:16:49,320

see a craft and you almost pull it back

386

00:16:52,730 --> 00:16:50,519

through

387

00:16:55,189 --> 00:16:52,740

uh which is very different it is very

388

00:16:59,810 --> 00:16:55,199

different and but it works because I've

389

00:17:02,569 --> 00:16:59,820

seen and captured many um UFOs okay so

390

00:17:05,169 --> 00:17:02,579

Jim I want to know about your sightings

391

00:17:07,730 --> 00:17:05,179

Jim this is probably

392

00:17:09,350 --> 00:17:07,740

about four or five years ago he sent me

393

00:17:11,150 --> 00:17:09,360

a bunch of videos right and he says you

394

00:17:12,470 --> 00:17:11,160

know so what do you think and I wrote it

395

00:17:14,630 --> 00:17:12,480

back I go man these are amazing man

396

00:17:18,470 --> 00:17:14,640

where'd you get these rush me back

397

00:17:20,210 --> 00:17:18,480

they're mine holy crap why are there so

398

00:17:22,370 --> 00:17:20,220

many I know they're so they're so great

399

00:17:24,230 --> 00:17:22,380

and he does it so effortlessly and I

400

00:17:25,370 --> 00:17:24,240

love doing C5 with him because normally

401
00:17:26,390 --> 00:17:25,380
I do it with people that haven't seen

402
00:17:27,949 --> 00:17:26,400
much

403
00:17:30,169 --> 00:17:27,959
um but with him he's like oh yeah

404
00:17:33,049 --> 00:17:30,179
there's one I

405
00:17:36,710 --> 00:17:33,059
um hey like it's just normal you know I

406
00:17:39,650 --> 00:17:36,720
was sitting with uh uh Adam Curry you're

407
00:17:42,289 --> 00:17:39,660
you know our dear friend Angel the best

408
00:17:44,450 --> 00:17:42,299
hair in all of ufology just everything I

409
00:17:47,270 --> 00:17:44,460
love that man he's a great guy and so

410
00:17:51,169 --> 00:17:47,280
we're sitting I was hosting an event and

411
00:17:54,529 --> 00:17:51,179
and and Greer was speaking and think I'd

412
00:17:58,070 --> 00:17:54,539
we did two in one day anyway

413
00:18:00,650 --> 00:17:58,080

um I'm hosting and Adam and I are

414

00:18:02,270 --> 00:18:00,660

hanging out and I just introduced Greer

415

00:18:04,370 --> 00:18:02,280

he's on the stage Adam and I are

416

00:18:06,950 --> 00:18:04,380

backstage and and I go man I've got

417

00:18:10,070 --> 00:18:06,960

seats in the front so let's go yeah and

418

00:18:12,710 --> 00:18:10,080

we have these big screens and um so Adam

419

00:18:14,330 --> 00:18:12,720

and I are sitting in the front row Adam

420

00:18:15,950 --> 00:18:14,340

and I have talked about this many times

421

00:18:17,450 --> 00:18:15,960

it was pretty extraordinary so we're

422

00:18:19,669 --> 00:18:17,460

sitting in the front row but we got this

423

00:18:22,190 --> 00:18:19,679

jumbo you know it's like a movie theater

424

00:18:25,130 --> 00:18:22,200

screen right in front of us and and

425

00:18:27,470 --> 00:18:25,140

Greer starts rolling these videos that

426
00:18:29,630 --> 00:18:27,480
he says he'd never been seen I don't

427
00:18:34,669 --> 00:18:29,640
know I'd never seen them and neither an

428
00:18:37,270 --> 00:18:34,679
atom and I mean some pretty some pretty

429
00:18:39,970 --> 00:18:37,280
crazy stuff and I I I I

430
00:18:42,650 --> 00:18:39,980
can't dismiss

431
00:18:44,150 --> 00:18:42,660
what what was being seen and I remember

432
00:18:46,490 --> 00:18:44,160
Adam and I

433
00:18:48,890 --> 00:18:46,500
you know two guys that we would like to

434
00:18:51,470 --> 00:18:48,900
think that we have seen it all we were

435
00:18:53,210 --> 00:18:51,480
just blown away I mean it was just just

436
00:18:55,730 --> 00:18:53,220
absolutely incredible some of the stuff

437
00:18:57,110 --> 00:18:55,740
that is captured at these ce5 events I

438
00:18:58,850 --> 00:18:57,120

find that the difference between when

439

00:19:02,150 --> 00:18:58,860

gria does it to other people that I've

440

00:19:03,710 --> 00:19:02,160

been with is that he you know what what

441

00:19:05,029 --> 00:19:03,720

he told me and you can see it if you

442

00:19:06,950 --> 00:19:05,039

watch the movie

443

00:19:08,390 --> 00:19:06,960

um the contact

444

00:19:10,010 --> 00:19:08,400

um when I interviewed him I wanted to

445

00:19:11,570 --> 00:19:10,020

know about his first ever experience

446

00:19:13,310 --> 00:19:11,580

because we all know he has the protocols

447

00:19:15,289 --> 00:19:13,320

we all know he does C5 and all the

448

00:19:17,390 --> 00:19:15,299

amazing things he does but like how did

449

00:19:18,890 --> 00:19:17,400

it all start you know and how it all

450

00:19:21,230 --> 00:19:18,900

started was that he had a near-death

451

00:19:22,970 --> 00:19:21,240

experience he nearly he nearly died

452

00:19:25,310 --> 00:19:22,980

um left his body and came back but then

453

00:19:27,830 --> 00:19:25,320

a few days later he actually

454

00:19:30,529 --> 00:19:27,840

um was out for a hike and he saw his

455

00:19:32,210 --> 00:19:30,539

first craft and when the craft appeared

456

00:19:34,010 --> 00:19:32,220

he basically

457

00:19:36,529 --> 00:19:34,020

um you know it was completely shocked

458

00:19:38,150 --> 00:19:36,539

when extraterrestrial then appears Taps

459

00:19:41,270 --> 00:19:38,160

him on the shoulder and all of a sudden

460

00:19:42,890 --> 00:19:41,280

boom he's off in the craft and when he's

461

00:19:44,570 --> 00:19:42,900

in that craft he actually sat there with

462

00:19:45,950 --> 00:19:44,580

them for a long period of time and he he

463

00:19:48,770 --> 00:19:45,960

came up with the protocols with them

464

00:19:50,630 --> 00:19:48,780

together you know so what he says

465

00:19:52,190 --> 00:19:50,640

happened is that he spent time with

466

00:19:55,029 --> 00:19:52,200

extraterrestrials and together they

467

00:19:59,090 --> 00:19:55,039

created a language a language a way for

468

00:20:01,310 --> 00:19:59,100

extraterrestrials and humans to speak

469

00:20:04,070 --> 00:20:01,320

right same thing same thing happened to

470

00:20:07,250 --> 00:20:04,080

me and the protocols were

471

00:20:09,590 --> 00:20:07,260

pastrami sandwiches and Van Halen and I

472

00:20:12,169 --> 00:20:09,600

said I'm in I mean if that's all we have

473

00:20:14,090 --> 00:20:12,179

to do to get this done yeah

474

00:20:18,730 --> 00:20:14,100

um but yeah they speak to me too you

475

00:20:21,529 --> 00:20:18,740

know the difference is that okay okay

476

00:20:22,730 --> 00:20:21,539

but to your point though I think why I'm

477

00:20:24,830 --> 00:20:22,740

trying to tell you that story about him

478

00:20:26,270 --> 00:20:24,840

is that I think that for a lot of us we

479

00:20:27,830 --> 00:20:26,280

have sightings obviously we're we're

480

00:20:29,870 --> 00:20:27,840

blessed in a way because we keep seeing

481

00:20:32,090 --> 00:20:29,880

things all the time you know it's not by

482

00:20:33,950 --> 00:20:32,100

accident it's it's they've seen us and

483

00:20:37,130 --> 00:20:33,960

they're communicating but I think with

484

00:20:39,350 --> 00:20:37,140

him he gets um more impressive sightings

485

00:20:41,270 --> 00:20:39,360

because I think that he's held space

486

00:20:43,549 --> 00:20:41,280

with these beings

487

00:20:46,370 --> 00:20:43,559

you know face-to-face kind of [\h__\h] you

488

00:20:47,690 --> 00:20:46,380

know what I'm saying maybe he's able to

489

00:20:50,090 --> 00:20:47,700

like you know like a there's a little

490

00:20:52,390 --> 00:20:50,100

magnet then there's a big magnet

491

00:20:55,970 --> 00:20:52,400

I think I think he's got a bigger pool

492

00:20:59,029 --> 00:20:55,980

yes and uh I I think that everything is

493

00:21:00,169 --> 00:20:59,039

possible yes I agree with that but I

494

00:21:04,730 --> 00:21:00,179

also

495

00:21:07,130 --> 00:21:04,740

um I cannot dismiss the numbers

496

00:21:08,690 --> 00:21:07,140

of the size of the Milky Way and the

497

00:21:13,490 --> 00:21:08,700

side how many planets are here so

498

00:21:16,430 --> 00:21:13,500

therefore it's not one species visiting

499

00:21:19,430 --> 00:21:16,440

us I think it's thousands yeah and so

500

00:21:22,430 --> 00:21:19,440

his experience with something that has

501
00:21:25,630 --> 00:21:22,440
been repeated right works for who he is

502
00:21:31,070 --> 00:21:25,640
making contact with I get that

503
00:21:34,190 --> 00:21:31,080
so many uh experiences uh are varied

504
00:21:35,990 --> 00:21:34,200
right they're not even similar the types

505
00:21:38,169 --> 00:21:36,000
of craft or what the beings look like or

506
00:21:41,149 --> 00:21:38,179
what happened or what the the

507
00:21:42,890 --> 00:21:41,159
is it a silver craft is it a light craft

508
00:21:44,870 --> 00:21:42,900
is it a plasma craft is it

509
00:21:47,450 --> 00:21:44,880
interdimensional did it enter from the

510
00:21:49,490 --> 00:21:47,460
atmos is it even a craft well that's

511
00:21:51,350 --> 00:21:49,500
what I'm saying it's thousands of

512
00:21:54,529 --> 00:21:51,360
variations right

513
00:21:56,930 --> 00:21:54,539

um Gemini me Jim and Adam we were Joshua

514

00:21:58,669 --> 00:21:56,940

Tree doing a ce5

515

00:21:59,810 --> 00:21:58,679

um and we were standing on the under the

516

00:22:01,250 --> 00:21:59,820

stars together it was this really

517

00:22:02,510 --> 00:22:01,260

beautiful intimate moment where the

518

00:22:05,029 --> 00:22:02,520

three of us were standing near the fire

519

00:22:06,590 --> 00:22:05,039

just staring up at this guy and everyone

520

00:22:08,750 --> 00:22:06,600

around us was kind of partying getting a

521

00:22:10,430 --> 00:22:08,760

bit drunk getting a bit lit but we were

522

00:22:12,230 --> 00:22:10,440

kind of you know the serious ones in the

523

00:22:13,850 --> 00:22:12,240

moment and we were philosophizing about

524

00:22:17,090 --> 00:22:13,860

it we're like and I said to Jim I'm like

525

00:22:18,590 --> 00:22:17,100

what do you think this is is a is is it

526

00:22:20,330 --> 00:22:18,600

a craft like where's it coming from is

527

00:22:23,330 --> 00:22:20,340

this reptilians what do you think it is

528

00:22:24,890 --> 00:22:23,340

and he said to me and it was the first

529

00:22:28,010 --> 00:22:24,900

person that said ever said it to me he

530

00:22:30,409 --> 00:22:28,020

goes he thinks that these orbs are just

531

00:22:32,690 --> 00:22:30,419

beings within themselves so it's not a

532

00:22:35,029 --> 00:22:32,700

craft just like a dog looks like a dog a

533

00:22:37,789 --> 00:22:35,039

dolphin looks like a dolphin this this

534

00:22:40,789 --> 00:22:37,799

being looks like a round ball that's

535

00:22:43,669 --> 00:22:40,799

illuminated yeah yeah I in I was in jail

536

00:22:45,049 --> 00:22:43,679

I'm gonna say Hi listen I was in Joshua

537

00:22:47,029 --> 00:22:45,059

Tree

538

00:22:48,890 --> 00:22:47,039

um this is now it's I'm going to say

539

00:22:50,029 --> 00:22:48,900

Infamous instead of famous Infamous

540

00:22:52,750 --> 00:22:50,039

right

541

00:22:56,570 --> 00:22:52,760

um I'm with a couple of hundred people

542

00:22:58,669 --> 00:22:56,580

and uh I've got a microphone PA system

543

00:23:00,110 --> 00:22:58,679

pitch black dark right in the middle of

544

00:23:01,730 --> 00:23:00,120

the desert and

545

00:23:04,909 --> 00:23:01,740

and uh

546

00:23:08,029 --> 00:23:04,919

it happened and off to my left behind

547

00:23:10,789 --> 00:23:08,039

the mountains this green ball is going

548

00:23:13,370 --> 00:23:10,799

this way across the desert floor and

549

00:23:16,250 --> 00:23:13,380

then it turns up and I'm

550

00:23:18,169 --> 00:23:16,260

there's a documentary film crew there

551

00:23:21,110 --> 00:23:18,179

it's like six cameras they're filming

552

00:23:23,029 --> 00:23:21,120

this uh there's a PA system somebody's

553

00:23:24,110 --> 00:23:23,039

holding up a microphone I'm looking at

554

00:23:26,149 --> 00:23:24,120

it and telling everybody what's

555

00:23:28,490 --> 00:23:26,159

happening people are pointing lasers you

556

00:23:30,289 --> 00:23:28,500

know and stuff and following this thing

557

00:23:32,090 --> 00:23:30,299

and it goes across it lasted for about

558

00:23:33,610 --> 00:23:32,100

five minutes it goes across the desert

559

00:23:37,669 --> 00:23:33,620

low and then

560

00:23:41,090 --> 00:23:37,679

turns up and goes up at an angle so it

561

00:23:43,730 --> 00:23:41,100

goes from us right on the ground right

562

00:23:45,470 --> 00:23:43,740

and turns up it's a green ball holy [h__h]

563

00:23:49,430 --> 00:23:45,480

and I'm thinking it's maybe 50 feet

564

00:23:51,169 --> 00:23:49,440

around and and and and it goes up all

565

00:23:53,390 --> 00:23:51,179

the way up five minutes and then turns

566

00:23:56,630 --> 00:23:53,400

into a star and then goes Boop and goes

567

00:23:59,210 --> 00:23:56,640

out now now but here's the thing I

568

00:24:00,169 --> 00:23:59,220

thought it was

569

00:24:02,529 --> 00:24:00,179

um

570

00:24:06,549 --> 00:24:02,539

a ball of energy

571

00:24:11,450 --> 00:24:06,559

but then I could see a reflection on it

572

00:24:12,730 --> 00:24:11,460

so I I called it the Green Chrome balls

573

00:24:20,930 --> 00:24:12,740

it

574

00:24:22,789 --> 00:24:20,940

yeah and I could see the lasers bounce

575

00:24:26,510 --> 00:24:22,799

off of it

576

00:24:28,310 --> 00:24:26,520

Sparkle So they if it was really solid

577

00:24:30,850 --> 00:24:28,320

right it didn't pass through you know

578

00:24:32,950 --> 00:24:30,860

what I mean and it was one of the most

579

00:24:35,210 --> 00:24:32,960

profound

580

00:24:36,590 --> 00:24:35,220

Paradigm shifting things I've ever seen

581

00:24:38,510 --> 00:24:36,600

in my life so what do you what do you

582

00:24:42,230 --> 00:24:38,520

think it was well see it goes back to

583

00:24:45,350 --> 00:24:42,240

what you know that wasn't uh

584

00:24:47,570 --> 00:24:45,360

that wasn't well I don't know but it

585

00:24:49,370 --> 00:24:47,580

would it doesn't seem to be the other

586

00:24:54,010 --> 00:24:49,380

like other things that I've seen a ball

587

00:24:57,890 --> 00:24:54,020

of energy right right some Spirit energy

588

00:25:01,010 --> 00:24:57,900

I saw the lasers bounce off of it and I

589

00:25:03,890 --> 00:25:01,020

saw it go up into space it didn't hang

590

00:25:06,409 --> 00:25:03,900

out with us you know down here and just

591

00:25:08,149 --> 00:25:06,419

it would you know do what orbs do this

592

00:25:10,850 --> 00:25:08,159

thing went up into space and then took

593

00:25:12,890 --> 00:25:10,860

off it was it was it was crazy serious

594

00:25:14,510 --> 00:25:12,900

question for you how did it make you

595

00:25:17,510 --> 00:25:14,520

feel

596

00:25:18,770 --> 00:25:17,520

uh you want if you go and watch the

597

00:25:23,930 --> 00:25:18,780

video

598

00:25:26,870 --> 00:25:23,940

um you can hear me talking in the

599

00:25:32,269 --> 00:25:26,880

background and I remember

600

00:25:33,830 --> 00:25:32,279

um I I I I after I bent over I put my

601
00:25:36,470 --> 00:25:33,840
hands on my knees

602
00:25:40,070 --> 00:25:36,480
and I went Jesus Christ I need a Vicodin

603
00:25:42,110 --> 00:25:40,080
and a shot of vodka and I say that and

604
00:25:45,710 --> 00:25:42,120
and everybody hurt but I was not playing

605
00:25:50,029 --> 00:25:45,720
I mean I was just like whoa you know it

606
00:25:51,769 --> 00:25:50,039
was it was crazy so that week

607
00:25:53,630 --> 00:25:51,779
um yeah you're the guest and I'm the one

608
00:25:55,149 --> 00:25:53,640
rambling here and everybody's heard this

609
00:25:58,190 --> 00:25:55,159
story many times

610
00:25:59,630 --> 00:25:58,200
I know I know I know so that week or so

611
00:26:02,330 --> 00:25:59,640
Sunday

612
00:26:04,789 --> 00:26:02,340
uh the producer for coast to coast calls

613
00:26:06,470 --> 00:26:04,799

me Lisa and she goes who's your guest on

614

00:26:10,430 --> 00:26:06,480

Coast to Coast this week

615

00:26:11,990 --> 00:26:10,440

and I said me she goes what I said I

616

00:26:13,909 --> 00:26:12,000

just had this siding she goes tell me

617

00:26:17,690 --> 00:26:13,919

about it and I did yeah she goes that's

618

00:26:19,390 --> 00:26:17,700

amazing yeah go ahead and uh so so

619

00:26:22,669 --> 00:26:19,400

that's what I I

620

00:26:25,010 --> 00:26:22,679

for those 200 people Serena that were

621

00:26:27,310 --> 00:26:25,020

sitting that were out there with me that

622

00:26:30,230 --> 00:26:27,320

night and going through this

623

00:26:32,690 --> 00:26:30,240

they need that they need somebody like

624

00:26:34,549 --> 00:26:32,700

you to speak out in the media they need

625

00:26:36,950 --> 00:26:34,559

somebody like me to speak out in the

626

00:26:38,269 --> 00:26:36,960

media they were there right so they're

627

00:26:42,529 --> 00:26:38,279

going to go and tell their friends about

628

00:26:44,750 --> 00:26:42,539

it and and and but okay now it's just a

629

00:26:47,090 --> 00:26:44,760

story but if Jimmy Church goes on Coast

630

00:26:50,930 --> 00:26:47,100

to Coast right it's real if you do your

631

00:26:52,310 --> 00:26:50,940

movie if you go and and and validate you

632

00:26:55,250 --> 00:26:52,320

know some of these things that other

633

00:26:57,649 --> 00:26:55,260

people have seen it gives them the

634

00:26:59,750 --> 00:26:57,659

credibility that they need right so they

635

00:27:01,810 --> 00:26:59,760

can go talk about it they you know what

636

00:27:05,029 --> 00:27:01,820

I know it sounds

637

00:27:06,529 --> 00:27:05,039

egocentric but they need to be able to

638

00:27:09,769 --> 00:27:06,539

go to their friends or family and go

639

00:27:11,630 --> 00:27:09,779

church was on Coastal customers right

640

00:27:14,210 --> 00:27:11,640

right right right I don't know about you

641

00:27:15,049 --> 00:27:14,220

but when it first happened to me

642

00:27:16,730 --> 00:27:15,059

um

643

00:27:19,070 --> 00:27:16,740

I wanted to tell everybody and I wanted

644

00:27:21,529 --> 00:27:19,080

to tell nobody because I it was so

645

00:27:23,990 --> 00:27:21,539

amazing well it was so it was so amazing

646

00:27:25,130 --> 00:27:24,000

and so incredible but I'm like No One's

647

00:27:26,330 --> 00:27:25,140

Gonna believe me they're all going to

648

00:27:28,669 --> 00:27:26,340

think that I'm weird they're all gonna

649

00:27:30,110 --> 00:27:28,679

you know and [h__\h] anyone that's gonna

650

00:27:32,750 --> 00:27:30,120

like look me in the eye and tell me that

651
00:27:34,130 --> 00:27:32,760
I'm talking [h__h] you know but I'd like

652
00:27:35,630 --> 00:27:34,140
to think that because of the career that

653
00:27:37,669 --> 00:27:35,640
I have in the profile that I have me

654
00:27:39,890 --> 00:27:37,679
coming forward and saying that I've seen

655
00:27:42,590 --> 00:27:39,900
these things and they're real like like

656
00:27:44,930 --> 00:27:42,600
it's career suicide and I'm doing it

657
00:27:48,409 --> 00:27:44,940
anyway so that's got to say something

658
00:27:50,690 --> 00:27:48,419
you know like how how has Hollywood uh

659
00:27:52,669 --> 00:27:50,700
you know your friends in Hollywood and

660
00:27:54,110 --> 00:27:52,679
it's interesting you know because half

661
00:27:55,669 --> 00:27:54,120
of my friends are Democrats half of them

662
00:27:57,289 --> 00:27:55,679
are Republicans and then there's a

663
00:28:00,350 --> 00:27:57,299

little smattering of everyone else in

664

00:28:01,970 --> 00:28:00,360

the middle right right and um you find

665

00:28:04,789 --> 00:28:01,980

me the the people that are Democrats

666

00:28:06,789 --> 00:28:04,799

they tend to be like oh okay

667

00:28:09,230 --> 00:28:06,799

oh okay okay okay

668

00:28:11,090 --> 00:28:09,240

whereas when you um talk to Republicans

669

00:28:13,190 --> 00:28:11,100

it's like either like [h__h] oaf of

670

00:28:14,990 --> 00:28:13,200

course it is or you're an idiot you know

671

00:28:17,210 --> 00:28:15,000

it's very black and right

672

00:28:19,190 --> 00:28:17,220

um the demons are kind of like but for

673

00:28:21,169 --> 00:28:19,200

me I think that most people know that

674

00:28:22,730 --> 00:28:21,179

I'm a true seeker and a truth teller and

675

00:28:25,010 --> 00:28:22,740

you know why the hell would I bother

676

00:28:27,649 --> 00:28:25,020

bother making it up you know why would I

677

00:28:29,029 --> 00:28:27,659

bother when I was uh when I was in

678

00:28:32,149 --> 00:28:29,039

school

679

00:28:35,510 --> 00:28:32,159

for broadcasting and one of our uh

680

00:28:37,789 --> 00:28:35,520

teachers uh was uh everybody was a

681

00:28:40,490 --> 00:28:37,799

professional and he worked for CNN

682

00:28:42,010 --> 00:28:40,500

so he's in it we're dealing with you

683

00:28:44,750 --> 00:28:42,020

know cutting

684

00:28:46,850 --> 00:28:44,760

you know new stuff and and we're talking

685

00:28:50,390 --> 00:28:46,860

about this and that and news director

686

00:28:53,330 --> 00:28:50,400

and I said I I said so this is like 20

687

00:28:56,450 --> 00:28:53,340

years ago I go hey man uh

688

00:28:59,390 --> 00:28:56,460

what if you had a story about a UFO

689

00:29:02,450 --> 00:28:59,400

and he goes what right then I go you

690

00:29:04,909 --> 00:29:02,460

know so you know what he uh UFO and made

691

00:29:06,769 --> 00:29:04,919

the contact and you got a video what

692

00:29:10,549 --> 00:29:06,779

would you do because man that's career

693

00:29:13,070 --> 00:29:10,559

suicide yeah I would never I go yeah but

694

00:29:17,450 --> 00:29:13,080

you've got the video you've got to think

695

00:29:19,010 --> 00:29:17,460

I would never know yeah and and I I at

696

00:29:20,990 --> 00:29:19,020

that moment I went that's what I'm gonna

697

00:29:22,669 --> 00:29:21,000

do exactly that was how I felt about it

698

00:29:24,769 --> 00:29:22,679

as well but I just decided I'm going to

699

00:29:26,750 --> 00:29:24,779

tell the story in a different way so

700

00:29:28,130 --> 00:29:26,760

um are the conspiracy theories is real

701
00:29:31,190 --> 00:29:28,140
probably

702
00:29:33,169 --> 00:29:31,200
did Roswell happen highly [h__h] likely

703
00:29:34,730 --> 00:29:33,179
but those stories have kind of been told

704
00:29:36,590 --> 00:29:34,740
or not and I'm just not going to go tell

705
00:29:38,269 --> 00:29:36,600
him again so for the for the people that

706
00:29:39,409 --> 00:29:38,279
are telling those stories [h__h] yeah keep

707
00:29:41,389 --> 00:29:39,419
going because I love watching your

708
00:29:43,070 --> 00:29:41,399
documentary so much right but what I'm

709
00:29:46,130 --> 00:29:43,080
trying to do is create content for

710
00:29:47,870 --> 00:29:46,140
everyone else for the non-believers you

711
00:29:49,490 --> 00:29:47,880
know so there's a lot of people creating

712
00:29:51,350 --> 00:29:49,500
it for the Believers I'm creating it for

713
00:29:53,149 --> 00:29:51,360

the non-believers I'm trying to take

714

00:29:54,769 --> 00:29:53,159

like this thing that we're so passionate

715

00:29:56,450 --> 00:29:54,779

about that we love so much that's

716

00:29:58,970 --> 00:29:56,460

brought so much joy and meaning to our

717

00:30:01,130 --> 00:29:58,980

life I'm trying to mainstream it because

718

00:30:03,950 --> 00:30:01,140

I want to give you to everyone you know

719

00:30:06,590 --> 00:30:03,960

okay yeah but Serena so now you're

720

00:30:08,630 --> 00:30:06,600

you're you've caught your agent calls

721

00:30:10,130 --> 00:30:08,640

and says okay so I've got a new show

722

00:30:13,789 --> 00:30:10,140

we're going to be doing this on Netflix

723

00:30:15,950 --> 00:30:13,799

yeah and and the new show is uh I'm

724

00:30:17,350 --> 00:30:15,960

thinking of something something uh

725

00:30:21,010 --> 00:30:17,360

Netflix

726

00:30:25,850 --> 00:30:23,210

no no no

727

00:30:27,830 --> 00:30:25,860

uh dating show yeah Beverly Hills dating

728

00:30:29,990 --> 00:30:27,840

or whatever it is right so you're on set

729

00:30:33,110 --> 00:30:30,000

you're doing this Netflix thing you've

730

00:30:36,529 --> 00:30:33,120

got you've got catering you've got uh

731

00:30:38,750 --> 00:30:36,539

you've got your uh dressing star wagons

732

00:30:40,549 --> 00:30:38,760

and you know you know it's a production

733

00:30:42,409 --> 00:30:40,559

right you're right

734

00:30:45,169 --> 00:30:42,419

they're gonna come up to you go I saw

735

00:30:48,470 --> 00:30:45,179

that UFO thing you did yeah what are you

736

00:30:51,470 --> 00:30:48,480

gonna do did do you think you are going

737

00:30:53,389 --> 00:30:51,480

to be known as the UFO chick in

738

00:30:55,370 --> 00:30:53,399

Hollywood now I think that I am it's

739

00:30:56,990 --> 00:30:55,380

really crazy and people when people ask

740

00:30:59,269 --> 00:30:57,000

me about it I'm just like aliens man

741

00:31:01,370 --> 00:30:59,279

what can I say you know we're being

742

00:31:04,190 --> 00:31:01,380

visited it is what it is I'm like I'm

743

00:31:05,750 --> 00:31:04,200

like you'd have to be stupid right you'd

744

00:31:07,789 --> 00:31:05,760

have to be so dumb to think that we're

745

00:31:09,649 --> 00:31:07,799

the only people in this in this universe

746

00:31:13,450 --> 00:31:09,659

I know I know what what are they gonna

747

00:31:16,190 --> 00:31:13,460

say no well five years ago 10 years ago

748

00:31:17,630 --> 00:31:16,200

that I think that was the case and we

749

00:31:19,850 --> 00:31:17,640

still didn't understand about how many

750

00:31:23,029 --> 00:31:19,860

planets there were out there we didn't

751
00:31:25,269 --> 00:31:23,039
have uaps and videos and stuff but now

752
00:31:28,070 --> 00:31:25,279
it's like it's it's safe to talk about

753
00:31:30,889 --> 00:31:28,080
look it I mean this is this is the

754
00:31:33,409 --> 00:31:30,899
bottom line the Pentagon have confirmed

755
00:31:35,810 --> 00:31:33,419
that there are craft that are not from

756
00:31:39,289 --> 00:31:35,820
this world visiting us

757
00:31:42,769 --> 00:31:39,299
but still people aren't listening I

758
00:31:44,990 --> 00:31:42,779
don't know how much more Bonafide you

759
00:31:47,210 --> 00:31:45,000
get than the Pentagon admitting that

760
00:31:49,850 --> 00:31:47,220
there's UFOs right I just think it's

761
00:31:52,250 --> 00:31:49,860
it's so crazy but I I love that that

762
00:31:54,409 --> 00:31:52,260
happened because it allows me to you

763
00:31:55,430 --> 00:31:54,419

know pivot off that because you know if

764

00:31:56,750 --> 00:31:55,440

someone says well I don't believe in

765

00:31:58,310 --> 00:31:56,760

aliens I'm like oh so you don't believe

766

00:32:00,909 --> 00:31:58,320

in your government and you don't believe

767

00:32:04,490 --> 00:32:00,919

in in Pentagon

768

00:32:07,130 --> 00:32:04,500

they're lying are they okay well but

769

00:32:09,409 --> 00:32:07,140

believe me just yeah but that's a

770

00:32:10,730 --> 00:32:09,419

problem yeah I think you and I talked

771

00:32:12,769 --> 00:32:10,740

about this in the movie I don't know if

772

00:32:14,690 --> 00:32:12,779

it made the Final Cut but I had I

773

00:32:17,269 --> 00:32:14,700

remember you and I sitting down and

774

00:32:19,789 --> 00:32:17,279

talking about this which is

775

00:32:24,409 --> 00:32:19,799

um for decades

776

00:32:28,010 --> 00:32:24,419

the Pentagon the CIA the Washington has

777

00:32:32,990 --> 00:32:28,020

made fun of us are you a folk Community

778

00:32:36,049 --> 00:32:33,000

now they want to be our friend and they

779

00:32:39,950 --> 00:32:36,059

don't understand why we are a little

780

00:32:42,590 --> 00:32:39,960

reticent to jump in bed with them after

781

00:32:44,750 --> 00:32:42,600

you know Decades of you just calling us

782

00:32:46,669 --> 00:32:44,760

crazy and tin foil hadn't his psychosis

783

00:32:48,830 --> 00:32:46,679

and we imagine it we made it up it

784

00:32:51,769 --> 00:32:48,840

didn't happen we didn't see it it was

785

00:32:55,690 --> 00:32:51,779

swamp gas it was a weather balloon and

786

00:32:59,870 --> 00:32:55,700

now you want to tell us oh well actually

787

00:33:02,810 --> 00:32:59,880

we we weren't actually uh telling the

788

00:33:08,210 --> 00:33:02,820

truth you know this whole time uh no

789

00:33:09,470 --> 00:33:08,220

UFOs are real uh no I I don't know it I

790

00:33:11,750 --> 00:33:09,480

think it's going to take some more time

791

00:33:13,610 --> 00:33:11,760

yeah you know what frustrates me though

792

00:33:14,750 --> 00:33:13,620

why I'm so passionate about you know

793

00:33:16,730 --> 00:33:14,760

spreading this message with everyone

794

00:33:18,230 --> 00:33:16,740

around the world is because I know what

795

00:33:19,490 --> 00:33:18,240

it's done for me and I know what it's

796

00:33:21,950 --> 00:33:19,500

done for you and I know what it's done

797

00:33:23,870 --> 00:33:21,960

for everybody that's witnessed a UFO it

798

00:33:25,789 --> 00:33:23,880

completely changes your world view and

799

00:33:28,610 --> 00:33:25,799

if you're a depressed person it gives

800

00:33:29,990 --> 00:33:28,620

you hope you know if you're somebody

801
00:33:31,549 --> 00:33:30,000
that was sitting in an office job that

802
00:33:33,529 --> 00:33:31,559
you hated all of a sudden it gives you

803
00:33:35,330 --> 00:33:33,539
the inspiration to try and like do more

804
00:33:37,310 --> 00:33:35,340
right if you're a lonely person that

805
00:33:39,110 --> 00:33:37,320
didn't have many friends it gives you a

806
00:33:40,909 --> 00:33:39,120
community absolutely something to be a

807
00:33:42,409 --> 00:33:40,919
part of you know it it brings

808
00:33:44,990 --> 00:33:42,419
spirituality back and I don't mean

809
00:33:47,570 --> 00:33:45,000
religion but it reminds you that there's

810
00:33:51,169 --> 00:33:47,580
something else something out there okay

811
00:33:52,669 --> 00:33:51,179
such a gift you know what is crazier I

812
00:33:56,149 --> 00:33:52,679
mean if

813
00:33:59,149 --> 00:33:56,159

if we are told by the government

814

00:34:02,090 --> 00:33:59,159

that we are absolutely alone in the

815

00:34:04,070 --> 00:34:02,100

universe then there isn't a reason to

816

00:34:06,769 --> 00:34:04,080

grow let's just burn this [h__\h] place

817

00:34:09,889 --> 00:34:06,779

down let's party right there what's the

818

00:34:13,030 --> 00:34:09,899

reason because they're the boss there's

819

00:34:16,369 --> 00:34:13,040

no overlords

820

00:34:19,730 --> 00:34:16,379

because the the flip side if they tell

821

00:34:22,250 --> 00:34:19,740

us we're not alone and and and we've got

822

00:34:25,310 --> 00:34:22,260

stuff going on that gives us a reason to

823

00:34:27,349 --> 00:34:25,320

grow to meet our alien brothers and

824

00:34:29,450 --> 00:34:27,359

sisters and to keep this planet

825

00:34:32,570 --> 00:34:29,460

beautiful it just means they're not the

826

00:34:35,450 --> 00:34:32,580

boss yeah yeah I mean what's the boss

827

00:34:38,210 --> 00:34:35,460

you're the boss of their own sandbox but

828

00:34:40,369 --> 00:34:38,220

this envelope is small do you mean well

829

00:34:42,349 --> 00:34:40,379

and that does give people hope I I

830

00:34:44,869 --> 00:34:42,359

totally agree it gives us a reason to

831

00:34:47,270 --> 00:34:44,879

look to the Future instead of because if

832

00:34:49,609 --> 00:34:47,280

there isn't a reason if we're truly

833

00:34:51,649 --> 00:34:49,619

alone yeah who keeps his [h__h] let me can

834

00:34:52,849 --> 00:34:51,659

I tell you a cool story yes because a

835

00:34:54,349 --> 00:34:52,859

little bit left field but I'm going to

836

00:34:55,909 --> 00:34:54,359

tell you so I just finished making a

837

00:34:58,010 --> 00:34:55,919

documentary called be on the grave it's

838

00:34:59,810 --> 00:34:58,020

about the afterlife because what right

839

00:35:01,430 --> 00:34:59,820

because myself and Adam Curry and lots

840

00:35:02,990 --> 00:35:01,440

of other people have this ongoing theory

841

00:35:05,030 --> 00:35:03,000

that there is a link between the

842

00:35:06,530 --> 00:35:05,040

afterlife so spirits and ghosts and

843

00:35:07,970 --> 00:35:06,540

extraterrestrials we think that they're

844

00:35:10,430 --> 00:35:07,980

kind of one and the same and they kind

845

00:35:12,890 --> 00:35:10,440

of travel in the same in the same Realms

846

00:35:14,150 --> 00:35:12,900

and the same the same thing so I decided

847

00:35:15,829 --> 00:35:14,160

that I wanted to make a documentary

848

00:35:17,690 --> 00:35:15,839

about it and I went and I met with a lot

849

00:35:20,329 --> 00:35:17,700

of near-death experiences so people that

850

00:35:22,370 --> 00:35:20,339

have died and have been to the other

851

00:35:24,050 --> 00:35:22,380

place and they've come back and the most

852

00:35:25,730 --> 00:35:24,060

famous near-death experience on planet

853

00:35:28,010 --> 00:35:25,740

Earth is this guy called Dr Evan

854

00:35:29,690 --> 00:35:28,020

Alexander he's amazing he's amazing why

855

00:35:31,790 --> 00:35:29,700

is he amazing because he was an atheist

856

00:35:34,010 --> 00:35:31,800

and he was a brain surgeon and he didn't

857

00:35:37,130 --> 00:35:34,020

believe in life I after death and then

858

00:35:39,530 --> 00:35:37,140

he died and he was in a coma for three

859

00:35:41,750 --> 00:35:39,540

weeks but he actually lived for 28 years

860

00:35:44,270 --> 00:35:41,760

in the other place and while he was in

861

00:35:45,950 --> 00:35:44,280

the other place he talked about how all

862

00:35:47,450 --> 00:35:45,960

of the the spirits hang out there and

863

00:35:49,069 --> 00:35:47,460

I'm like oh what do they look like like

864

00:35:50,750 --> 00:35:49,079

me and you and he's like yeah they look

865

00:35:53,690 --> 00:35:50,760

like me and use some of them but other

866

00:35:56,510 --> 00:35:53,700

others look like gray aliens reptilian

867

00:35:58,130 --> 00:35:56,520

aliens and all manner of other species

868

00:36:00,950 --> 00:35:58,140

and aliens and beings that you could

869

00:36:02,750 --> 00:36:00,960

never even imagine never even fathom I'm

870

00:36:04,609 --> 00:36:02,760

like what does that mean look we're just

871

00:36:07,609 --> 00:36:04,619

hanging out with ETS I've been you know

872

00:36:09,470 --> 00:36:07,619

the ether and he's like when we die we

873

00:36:11,510 --> 00:36:09,480

all go to back to Source we all go back

874

00:36:13,490 --> 00:36:11,520

to the same place Catholic people would

875

00:36:15,170 --> 00:36:13,500

probably refer to it as Heaven I don't

876

00:36:17,109 --> 00:36:15,180

know if it's the same thing but what

877

00:36:19,609 --> 00:36:17,119

he's saying is when we die when our soul

878

00:36:21,470 --> 00:36:19,619

leaves our physical body

879

00:36:23,329 --> 00:36:21,480

whether you're extraterrestrial whether

880

00:36:25,670 --> 00:36:23,339

you're human or a dolphin or a dog or a

881

00:36:27,950 --> 00:36:25,680

pigeon you all go to the same place and

882

00:36:29,569 --> 00:36:27,960

you're and there you are you know and

883

00:36:31,250 --> 00:36:29,579

and and I asked him I'm like do you

884

00:36:33,890 --> 00:36:31,260

think that that means that if I chose to

885

00:36:37,010 --> 00:36:33,900

be reincarnated I could be something

886

00:36:39,430 --> 00:36:37,020

else and go somewhere he looked me

887

00:36:42,829 --> 00:36:39,440

Square in the eye and he goes yes

888

00:36:48,170 --> 00:36:42,839

you know what uh I uh yeah them they're

889

00:36:56,050 --> 00:36:48,180

us I I got to see him speak and uh read

890

00:37:03,290 --> 00:37:00,109

he's the perfect guy to do that too yeah

891

00:37:06,069 --> 00:37:03,300

you know to the The Atheist pragmatic

892

00:37:11,450 --> 00:37:06,079

black and white

893

00:37:14,390 --> 00:37:11,460

100 when he and and uh he um he's got a

894

00:37:15,589 --> 00:37:14,400

very serious he's a very educated man

895

00:37:18,170 --> 00:37:15,599

right

896

00:37:20,990 --> 00:37:18,180

um that's who you need

897

00:37:24,950 --> 00:37:21,000

to flip and 100 that's who you need to

898

00:37:26,930 --> 00:37:24,960

flip 100 100 because again why the hell

899

00:37:28,790 --> 00:37:26,940

would he would he say the things that he

900

00:37:30,710 --> 00:37:28,800

says but would totally discredit his

901
00:37:32,630 --> 00:37:30,720
career but he does it anyway he he

902
00:37:33,950 --> 00:37:32,640
didn't have to join our community he

903
00:37:36,290 --> 00:37:33,960
didn't have to write the book he didn't

904
00:37:39,050 --> 00:37:36,300
have to speak about his experiences he

905
00:37:41,150 --> 00:37:39,060
just could have continued his path in in

906
00:37:42,349 --> 00:37:41,160
medicine and and had a great life and a

907
00:37:43,490 --> 00:37:42,359
great career you know what I'm actually

908
00:37:44,450 --> 00:37:43,500
going to do I'm going to send you that

909
00:37:45,650 --> 00:37:44,460
clip

910
00:37:47,210 --> 00:37:45,660
um if you wanted to share it with your

911
00:37:48,470 --> 00:37:47,220
followers because the way that he

912
00:37:50,150 --> 00:37:48,480
describes seeing the other

913
00:37:52,670 --> 00:37:50,160

extraterrestrial beings in amongst the

914

00:37:54,410 --> 00:37:52,680

humans it actually made me embarrassing

915

00:37:57,349 --> 00:37:54,420

I'm a girl excuse me everyone but it

916

00:38:00,650 --> 00:37:57,359

made me cry because it was just

917

00:38:04,010 --> 00:38:00,660

how it should be right well all of us

918

00:38:05,890 --> 00:38:04,020

together are happy and coexisting you

919

00:38:10,730 --> 00:38:05,900

know let's talk about that for a second

920

00:38:12,670 --> 00:38:10,740

when uh we are trying to make sense our

921

00:38:15,109 --> 00:38:12,680

our ability to understand

922

00:38:17,089 --> 00:38:15,119

is limited

923

00:38:20,089 --> 00:38:17,099

right oh it's almost dog [h__h] let's face

924

00:38:22,370 --> 00:38:20,099

it that's right because you know a

925

00:38:25,190 --> 00:38:22,380

thousand years ago the uh you know

926
00:38:27,589 --> 00:38:25,200
you're you're ceiling of what you could

927
00:38:30,670 --> 00:38:27,599
understand or fifty thousand years ago

928
00:38:34,250 --> 00:38:30,680
you know so where we are today

929
00:38:37,430 --> 00:38:34,260
we are trying to make sense of what is

930
00:38:39,490 --> 00:38:37,440
going on extra Dimensions entanglement

931
00:38:41,050 --> 00:38:39,500
quantum physics

932
00:38:45,230 --> 00:38:41,060
inter-dimensionality

933
00:38:47,710 --> 00:38:45,240
time travel and ghosts and and throw

934
00:38:50,810 --> 00:38:47,720
Bigfoot in and oh yeah

935
00:38:53,089 --> 00:38:50,820
throw on Sasquatch and so when you start

936
00:38:55,310 --> 00:38:53,099
to it's like wait a minute

937
00:38:56,690 --> 00:38:55,320
maybe we're just talking about the same

938
00:38:59,870 --> 00:38:56,700

things here

939

00:39:02,450 --> 00:38:59,880

and and I'm okay with that we just don't

940

00:39:04,670 --> 00:39:02,460

understand we're trying to make sense of

941

00:39:06,170 --> 00:39:04,680

it but we don't have the ability yet

942

00:39:07,670 --> 00:39:06,180

what I don't get is like you know you

943

00:39:09,170 --> 00:39:07,680

and I was sitting here talking about

944

00:39:11,030 --> 00:39:09,180

this sort of stuff I find it so

945

00:39:13,250 --> 00:39:11,040

fascinating and exciting like I want

946

00:39:14,630 --> 00:39:13,260

spirits and extraterrestrials and

947

00:39:16,190 --> 00:39:14,640

Bigfoot and all of that to be part of my

948

00:39:18,170 --> 00:39:16,200

life I don't know why everybody doesn't

949

00:39:20,990 --> 00:39:18,180

feel that way why do you think people

950

00:39:24,650 --> 00:39:21,000

are like no no no no that's not true can

951
00:39:27,829 --> 00:39:24,660
you imagine here can you imagine how I'm

952
00:39:31,130 --> 00:39:27,839
going to uh offend a few people here but

953
00:39:33,349 --> 00:39:31,140
can you imagine how boring of a life you

954
00:39:36,589 --> 00:39:33,359
would have if you were just driving to

955
00:39:39,410 --> 00:39:36,599
work every day thinking to yourself all

956
00:39:43,490 --> 00:39:39,420
there is to life is my mortgage payment

957
00:39:47,990 --> 00:39:43,500
and insurance and getting my in-ground

958
00:39:52,190 --> 00:39:48,000
pool there is nothing else

959
00:39:54,890 --> 00:39:52,200
that sucks I think that sucks right I

960
00:39:56,930 --> 00:39:54,900
mean and and that's that's the majority

961
00:39:58,370 --> 00:39:56,940
of the planet I just I just don't get

962
00:40:00,530 --> 00:39:58,380
how you can like sit outside and look up

963
00:40:01,970 --> 00:40:00,540

and see all of the stars which we all

964

00:40:04,790 --> 00:40:01,980

know are sons that are surrounded by

965

00:40:07,130 --> 00:40:04,800

planets and moons everyone gazillions of

966

00:40:10,490 --> 00:40:07,140

them right yes yes yes and still think

967

00:40:12,290 --> 00:40:10,500

oh yeah we're alone mate just us

968

00:40:14,089 --> 00:40:12,300

um material alone isn't it I actually

969

00:40:16,069 --> 00:40:14,099

find that scary like quite terrifying

970

00:40:18,410 --> 00:40:16,079

well see look at abandoned here on this

971

00:40:19,849 --> 00:40:18,420

rock all on our own here we are we're

972

00:40:22,670 --> 00:40:19,859

out here in the middle of the Mojave

973

00:40:24,710 --> 00:40:22,680

Desert right go out of my backyard we'll

974

00:40:26,690 --> 00:40:24,720

do it after the show and I've got chairs

975

00:40:28,910 --> 00:40:26,700

I've got binoculars I've got telescopes

976

00:40:33,050 --> 00:40:28,920

I've got night vision I go and you look

977

00:40:36,950 --> 00:40:33,060

up you look up at all of those stars in

978

00:40:40,010 --> 00:40:36,960

the Milky Way and if your life is so

979

00:40:42,829 --> 00:40:40,020

closed down that that you don't care

980

00:40:44,750 --> 00:40:42,839

that's insane to me right that's insane

981

00:40:46,370 --> 00:40:44,760

right now we have a green Comet we can

982

00:40:48,829 --> 00:40:46,380

go outside and see the group yeah right

983

00:40:51,050 --> 00:40:48,839

right yeah and people don't care about

984

00:40:53,450 --> 00:40:51,060

that it's like what I think people have

985

00:40:55,970 --> 00:40:53,460

lost their child like Wanda you know

986

00:40:58,370 --> 00:40:55,980

I think when we're children you know our

987

00:41:01,069 --> 00:40:58,380

minds haven't been influenced by society

988

00:41:03,230 --> 00:41:01,079

and so everything and anything is

989

00:41:04,609 --> 00:41:03,240

possible but as we get older people keep

990

00:41:06,890 --> 00:41:04,619

telling us no you can't do this no you

991

00:41:12,349 --> 00:41:06,900

can't do that no why do you think why do

992

00:41:16,310 --> 00:41:14,930

it can't be one specific answer all

993

00:41:18,829 --> 00:41:16,320

right there's got to be a variety of

994

00:41:20,930 --> 00:41:18,839

answers but but in a general sense why

995

00:41:22,430 --> 00:41:20,940

why are they here so the next meeting I

996

00:41:25,010 --> 00:41:22,440

have have coming out is called we are

997

00:41:27,349 --> 00:41:25,020

not alone and that movie

998

00:41:29,089 --> 00:41:27,359

is on a quest to answer that question

999

00:41:30,950 --> 00:41:29,099

because that is the one question that

1000

00:41:32,630 --> 00:41:30,960

plagues me and keeps me up at night and

1001
00:41:34,609 --> 00:41:32,640
so what I decided to do was travel

1002
00:41:36,470 --> 00:41:34,619
across the country and talk to as many

1003
00:41:39,770 --> 00:41:36,480
experts as I could about why they think

1004
00:41:42,170 --> 00:41:39,780
we're getting visited and every single

1005
00:41:45,950 --> 00:41:42,180
expert I spoke to unanimously had the

1006
00:41:45,960 --> 00:41:51,790
to give Jimmy Church

1007
00:41:56,270 --> 00:41:55,130
no why why they believe and why I

1008
00:41:59,390 --> 00:41:56,280
believe that they're visiting is because

1009
00:42:02,089 --> 00:41:59,400
our planet's in trouble and um you know

1010
00:42:03,710 --> 00:42:02,099
humanity is not listening

1011
00:42:06,170 --> 00:42:03,720
they're not listening they're not making

1012
00:42:08,210 --> 00:42:06,180
the changes quick enough we have solar

1013
00:42:09,890 --> 00:42:08,220

power now we have wind power and so many

1014

00:42:11,990 --> 00:42:09,900

other options but we're still burning

1015

00:42:14,329 --> 00:42:12,000

fossil fuels every single day an

1016

00:42:16,250 --> 00:42:14,339

alarming rate and we're not listening

1017

00:42:17,870 --> 00:42:16,260

and so I think that they're here coming

1018

00:42:19,730 --> 00:42:17,880

to communicate with as many people as

1019

00:42:21,349 --> 00:42:19,740

we'll listen to deliver the same message

1020

00:42:23,329 --> 00:42:21,359

so we're all being given the message

1021

00:42:24,410 --> 00:42:23,339

I've been given the message everyone's

1022

00:42:26,569 --> 00:42:24,420

everyone everyone that communicates with

1023

00:42:28,490 --> 00:42:26,579

these et's is given the same message and

1024

00:42:31,609 --> 00:42:28,500

what I'm trying to do with pushing

1025

00:42:33,410 --> 00:42:31,619

forward the whole ce5 movement is

1026

00:42:34,970 --> 00:42:33,420

getting more and more people to try and

1027

00:42:36,829 --> 00:42:34,980

make contact because if more people make

1028

00:42:38,690 --> 00:42:36,839

contact Jimmy more people are going to

1029

00:42:39,890 --> 00:42:38,700

get the message the more people they get

1030

00:42:41,150 --> 00:42:39,900

the message

1031

00:42:43,190 --> 00:42:41,160

the more people are going to start

1032

00:42:45,230 --> 00:42:43,200

getting pissed off and the more pissed

1033

00:42:48,790 --> 00:42:45,240

off people there are the more likely

1034

00:42:52,490 --> 00:42:48,800

changes to occur that's what I think

1035

00:42:56,390 --> 00:42:52,500

we're not why not help well yeah no

1036

00:42:59,390 --> 00:42:56,400

we're not ready in that sense uh our

1037

00:43:01,010 --> 00:42:59,400

community is ready we get it right we we

1038

00:43:04,390 --> 00:43:01,020

understand

1039

00:43:10,309 --> 00:43:04,400

um I think the rest of the world is is

1040

00:43:14,990 --> 00:43:10,319

close right but you have to be uh ready

1041

00:43:18,230 --> 00:43:15,000

uh to accept change I thought

1042

00:43:20,510 --> 00:43:18,240

after this pandemic and and the crap

1043

00:43:22,250 --> 00:43:20,520

that the world it wasn't just the United

1044

00:43:24,770 --> 00:43:22,260

States it wasn't just Australia or

1045

00:43:28,250 --> 00:43:24,780

Canada or or you know pick a country

1046

00:43:33,170 --> 00:43:28,260

yeah uh you know China Japan you know

1047

00:43:35,630 --> 00:43:33,180

but um that we would come out of the

1048

00:43:38,750 --> 00:43:35,640

other side of this this wasn't a nuclear

1049

00:43:41,690 --> 00:43:38,760

war this was uh you know it was a

1050

00:43:44,210 --> 00:43:41,700

pandemic so we don't have to rebuild we

1051
00:43:45,950 --> 00:43:44,220
didn't have that you know that we would

1052
00:43:48,290 --> 00:43:45,960
come out of the other side of this with

1053
00:43:49,730 --> 00:43:48,300
a better understanding of of what it is

1054
00:43:51,410 --> 00:43:49,740
to be human wasn't that supposed to

1055
00:43:52,309 --> 00:43:51,420
bring us closer together yeah anyone

1056
00:43:55,130 --> 00:43:52,319
else supposed to look after each other

1057
00:43:56,809 --> 00:43:55,140
what happened with that it's like yeah

1058
00:43:59,270 --> 00:43:56,819
it's like we fight I thought at the

1059
00:44:02,809 --> 00:43:59,280
beginning it was happening I did too I

1060
00:44:04,730 --> 00:44:02,819
felt it I did twice I actually thought

1061
00:44:06,069 --> 00:44:04,740
that this was when the extraterrestrials

1062
00:44:08,750 --> 00:44:06,079
would finally come because we'd be

1063
00:44:11,829 --> 00:44:08,760

cohesive yes you know we're all together

1064

00:44:14,150 --> 00:44:11,839

as one we were all kumbayas

1065

00:44:15,890 --> 00:44:14,160

look how quickly we started squabbling

1066

00:44:18,230 --> 00:44:15,900

over who was gonna have them masks and

1067

00:44:20,569 --> 00:44:18,240

the vaccines and didn't we squander

1068

00:44:23,150 --> 00:44:20,579

those yeah yeah lock on our borders and

1069

00:44:25,970 --> 00:44:23,160

[h__h] I I don't understand how it was a

1070

00:44:28,790 --> 00:44:25,980

mess you know and social media has a lot

1071

00:44:31,790 --> 00:44:28,800

to do with that of course but it it this

1072

00:44:33,950 --> 00:44:31,800

this divisiveness it's like wait a

1073

00:44:36,530 --> 00:44:33,960

minute is there a way we can pump the

1074

00:44:39,650 --> 00:44:36,540

brakes on this train and just go okay

1075

00:44:43,250 --> 00:44:39,660

enough is enough everybody let's just I

1076

00:44:47,210 --> 00:44:43,260

don't want to sound like Serena I'm

1077

00:44:48,950 --> 00:44:47,220

serious I'm a man right I'm I'm a

1078

00:44:50,770 --> 00:44:48,960

friggin man I don't want to sound like

1079

00:44:53,750 --> 00:44:50,780

uh some

1080

00:44:55,370 --> 00:44:53,760

awakened Crystal ignore the crystals I

1081

00:44:56,990 --> 00:44:55,380

have in here right I get what you're

1082

00:45:02,950 --> 00:44:57,000

saying yeah I don't want to be some bell

1083

00:45:07,910 --> 00:45:02,960

bottom tie-dye Patchouli guy from 1972.

1084

00:45:12,490 --> 00:45:07,920

yeah no I no but but damn it we have to

1085

00:45:15,530 --> 00:45:12,500

figure out a way to stop this we

1086

00:45:18,349 --> 00:45:15,540

fighting it's it's a lot more more fun

1087

00:45:21,710 --> 00:45:18,359

to be nice it's a lot more fun to have

1088

00:45:23,329 --> 00:45:21,720

fun than it is staying pissed off this

1089

00:45:25,069 --> 00:45:23,339

is truly what I think is going on with

1090

00:45:26,930 --> 00:45:25,079

ce5 and you can call it whatever you

1091

00:45:29,210 --> 00:45:26,940

want when I say ce5 I'm talking about

1092

00:45:32,150 --> 00:45:29,220

human initiated contact so us going out

1093

00:45:33,349 --> 00:45:32,160

into our backyards and saying hey I

1094

00:45:34,970 --> 00:45:33,359

believe in you

1095

00:45:36,170 --> 00:45:34,980

come and show me a sign that you're here

1096

00:45:38,450 --> 00:45:36,180

and if you have anything you want to

1097

00:45:39,829 --> 00:45:38,460

tell me tell me so us the more people

1098

00:45:41,270 --> 00:45:39,839

that are looking up to the stars and

1099

00:45:42,950 --> 00:45:41,280

saying to them hey we're here we believe

1100

00:45:44,870 --> 00:45:42,960

in you come and see us we're not afraid

1101

00:45:46,069 --> 00:45:44,880

the more likely it is that they're going

1102

00:45:47,930 --> 00:45:46,079

to feel comfortable enough to come and

1103

00:45:49,609 --> 00:45:47,940

visit us a lot of people say why don't

1104

00:45:51,109 --> 00:45:49,619

they just come down here and help us we

1105

00:45:53,750 --> 00:45:51,119

don't get it why don't they just land on

1106

00:45:55,790 --> 00:45:53,760

the front lawn of the White House but we

1107

00:45:58,870 --> 00:45:55,800

know what happens when something not

1108

00:46:01,670 --> 00:45:58,880

from here comes here

1109

00:46:03,890 --> 00:46:01,680

we kill it we squish it we squish it

1110

00:46:05,450 --> 00:46:03,900

yeah yep yep we get rid of it I mean if

1111

00:46:07,370 --> 00:46:05,460

Roswell happens what do you really think

1112

00:46:10,250 --> 00:46:07,380

happened to those aliens I mean they

1113

00:46:12,470 --> 00:46:10,260

were taken to the army base prodded and

1114

00:46:14,870 --> 00:46:12,480

poked into Oblivion it would have been a

1115

00:46:17,030 --> 00:46:14,880

[h__h] nightmare they were waterboarded

1116

00:46:19,730 --> 00:46:17,040

you can't even imagine like what those

1117

00:46:21,050 --> 00:46:19,740

poor you know like with um with uh the

1118

00:46:23,210 --> 00:46:21,060

movie we are not alone you know how

1119

00:46:25,250 --> 00:46:23,220

sometimes you dedicate movies to people

1120

00:46:26,569 --> 00:46:25,260

that you love that have passed away we

1121

00:46:28,130 --> 00:46:26,579

want to dedicate the movie to the

1122

00:46:30,410 --> 00:46:28,140

extraterrestrials that were retrieved

1123

00:46:34,010 --> 00:46:30,420

from the Roswell craft because those

1124

00:46:37,130 --> 00:46:34,020

poor beings if they existed really

1125

00:46:39,050 --> 00:46:37,140

[h__h] suffered they did they did they

1126
00:46:41,569 --> 00:46:39,060
did they did they did because that's how

1127
00:46:43,609 --> 00:46:41,579
we do well okay in this town you know

1128
00:46:46,370 --> 00:46:43,619
here

1129
00:46:48,410 --> 00:46:46,380
the 405 and the 101 right the the

1130
00:46:52,370 --> 00:46:48,420
busiest intersection in in the world's

1131
00:46:54,470 --> 00:46:52,380
crazy set of Highways and uh you just

1132
00:46:57,470 --> 00:46:54,480
drove through that at rush hour it's a

1133
00:46:59,270 --> 00:46:57,480
nightmare right okay so if a flying

1134
00:47:01,490 --> 00:46:59,280
saucer landed

1135
00:47:03,710 --> 00:47:01,500
um out there and you're stuck in traffic

1136
00:47:06,230 --> 00:47:03,720
and and you've got to get here to the

1137
00:47:08,030 --> 00:47:06,240
bunker right at Showtime Flying Saucer

1138
00:47:10,130 --> 00:47:08,040

comes out and blocks traffic you know

1139

00:47:13,069 --> 00:47:10,140

for about 15 minutes you're gonna think

1140

00:47:16,010 --> 00:47:13,079

it's pretty cool and everybody else but

1141

00:47:19,130 --> 00:47:16,020

after that it's like get that thing off

1142

00:47:20,870 --> 00:47:19,140

of the freeway I've got to get home and

1143

00:47:22,790 --> 00:47:20,880

I that I think that's where we're at I

1144

00:47:26,329 --> 00:47:22,800

think that sensationalism will be there

1145

00:47:28,670 --> 00:47:26,339

in the beginning but after that

1146

00:47:30,290 --> 00:47:28,680

life goes on well and I mean you know

1147

00:47:32,809 --> 00:47:30,300

how half of the world believed that

1148

00:47:34,670 --> 00:47:32,819

there is issues with the climate and

1149

00:47:36,470 --> 00:47:34,680

other people don't the other half don't

1150

00:47:37,970 --> 00:47:36,480

I think the people that believe that

1151
00:47:41,210 --> 00:47:37,980
there's issues of the people that will

1152
00:47:43,130 --> 00:47:41,220
see that um UFO with Wonder

1153
00:47:44,510 --> 00:47:43,140
and joy that finally they get to meet

1154
00:47:45,950 --> 00:47:44,520
their star brothers and sisters but I

1155
00:47:47,510 --> 00:47:45,960
think the other half the people that

1156
00:47:49,490 --> 00:47:47,520
don't believe in in issues with our

1157
00:47:52,309 --> 00:47:49,500
climate will be like exactly like you

1158
00:47:55,030 --> 00:47:52,319
said seeing it excellent [h__h] off yeah

1159
00:47:57,410 --> 00:47:55,040
well okay okay yes

1160
00:47:59,809 --> 00:47:57,420
that you could land here you're not from

1161
00:48:02,150 --> 00:47:59,819
here but at least the question gets

1162
00:48:05,690 --> 00:48:02,160
answered yeah and we can move on yeah

1163
00:48:08,569 --> 00:48:05,700

will it be Sensational some crazy stuff

1164

00:48:11,030 --> 00:48:08,579

has happened in the last five years of

1165

00:48:13,609 --> 00:48:11,040

so much of it that would have been the

1166

00:48:15,470 --> 00:48:13,619

biggest news in the history of the world

1167

00:48:17,990 --> 00:48:15,480

but we've already forgotten about it

1168

00:48:20,630 --> 00:48:18,000

right and so would it be the same thing

1169

00:48:24,050 --> 00:48:20,640

with ET would it be the same thing yes I

1170

00:48:26,270 --> 00:48:24,060

get it big news for a while right but

1171

00:48:29,270 --> 00:48:26,280

then after that we're just gonna what

1172

00:48:31,670 --> 00:48:29,280

was the movie about South Africa with uh

1173

00:48:37,730 --> 00:48:31,680

the aliens and the spaceship that was

1174

00:48:44,470 --> 00:48:41,230

what honestly right the ship is above

1175

00:48:47,329 --> 00:48:44,480

Johannesburg yeah so after

1176

00:48:49,730 --> 00:48:47,339

they but it would just it just became

1177

00:48:51,230 --> 00:48:49,740

normal yeah you know what I mean it was

1178

00:48:52,970 --> 00:48:51,240

just like I would like to think that

1179

00:48:54,829 --> 00:48:52,980

that is what would happen except that we

1180

00:48:56,870 --> 00:48:54,839

wouldn't treat them with such disrespect

1181

00:48:59,630 --> 00:48:56,880

you know what I cried in that movie yeah

1182

00:49:03,349 --> 00:48:59,640

I cried in them well it was a portrait

1183

00:49:05,230 --> 00:49:03,359

of our life here right now I mean you

1184

00:49:09,309 --> 00:49:05,240

know it's tough being an outsider

1185

00:49:11,750 --> 00:49:09,319

everybody have you been watching this

1186

00:49:15,170 --> 00:49:11,760

everybody is like man this conversation

1187

00:49:17,210 --> 00:49:15,180

does anybody want some cat food

1188

00:49:21,109 --> 00:49:17,220

right right

1189

00:49:25,809 --> 00:49:24,410

Tomorrow there's a worldwide ce5 there

1190

00:49:32,030 --> 00:49:25,819

is

1191

00:49:34,010 --> 00:49:32,040

wonderful and exciting idea he believes

1192

00:49:35,270 --> 00:49:34,020

that if one percent of the population of

1193

00:49:37,490 --> 00:49:35,280

the planet

1194

00:49:40,490 --> 00:49:37,500

um or did C5 at the same time it would

1195

00:49:43,130 --> 00:49:40,500

help to raise the vibration of humanity

1196

00:49:44,690 --> 00:49:43,140

uh that's making us um nicer kinda

1197

00:49:46,430 --> 00:49:44,700

happier more cohesive people in the

1198

00:49:48,770 --> 00:49:46,440

world being a much better place

1199

00:49:50,630 --> 00:49:48,780

um unfortunately that that's 80 million

1200

00:49:52,910 --> 00:49:50,640

people that's a lot of people it's a

1201
00:49:55,790 --> 00:49:52,920
[h__h] ton and I don't think we're gonna

1202
00:49:57,710 --> 00:49:55,800
reach it tomorrow we might get 0.1 we

1203
00:49:59,569 --> 00:49:57,720
might get 8 million

1204
00:50:02,030 --> 00:49:59,579
um but you know that's why people like

1205
00:50:04,430 --> 00:50:02,040
us are important and I and I mean that

1206
00:50:06,050 --> 00:50:04,440
in the most humblest way but um people

1207
00:50:07,730 --> 00:50:06,060
like us that have a voice is so

1208
00:50:09,349 --> 00:50:07,740
important when it comes to spreading the

1209
00:50:10,910 --> 00:50:09,359
message of uh trying to make contact

1210
00:50:13,069 --> 00:50:10,920
with our star brothers and sisters

1211
00:50:15,349 --> 00:50:13,079
whether it's eating a pastrami sandwich

1212
00:50:17,930 --> 00:50:15,359
outside with Van Halen pumping in the

1213
00:50:20,690 --> 00:50:17,940

back and saying g'day mate come visit or

1214

00:50:22,430 --> 00:50:20,700

it's doing Dr Greer's C5 protocols it

1215

00:50:24,430 --> 00:50:22,440

doesn't matter how you do it just do it

1216

00:50:26,410 --> 00:50:24,440

just try

1217

00:50:28,550 --> 00:50:26,420

well

1218

00:50:30,970 --> 00:50:28,560

what is it

1219

00:50:34,309 --> 00:50:30,980

there has to be

1220

00:50:37,670 --> 00:50:34,319

a conscious connection right and

1221

00:50:40,370 --> 00:50:37,680

something has to be going on and it it

1222

00:50:43,309 --> 00:50:40,380

it's a universal thing right it's it's

1223

00:50:44,870 --> 00:50:43,319

the universe that is connected here have

1224

00:50:47,690 --> 00:50:44,880

you ever seen that movie Horton he is a

1225

00:50:49,730 --> 00:50:47,700

who I did yeah yeah so uh in Horton he's

1226

00:50:52,490 --> 00:50:49,740

a who uh basically there's an entire

1227

00:50:54,109 --> 00:50:52,500

world living on a dandelion okay so

1228

00:50:55,910 --> 00:50:54,119

there's millions and millions of these

1229

00:50:57,530 --> 00:50:55,920

hoos that live in Whoville but Whoville

1230

00:51:00,170 --> 00:50:57,540

just happens to be a speck on a

1231

00:51:02,270 --> 00:51:00,180

dandelion and they want to be heard

1232

00:51:04,010 --> 00:51:02,280

because they're about to be squished by

1233

00:51:05,630 --> 00:51:04,020

an elephant and they want to be heard

1234

00:51:08,569 --> 00:51:05,640

and so one of them's yelling please

1235

00:51:10,370 --> 00:51:08,579

don't squish us we're here and nobody

1236

00:51:12,109 --> 00:51:10,380

can hear that one voice but then when

1237

00:51:15,230 --> 00:51:12,119

all of Whoville when every single person

1238

00:51:18,470 --> 00:51:15,240

in Whoville starts saying we are here we

1239

00:51:20,990 --> 00:51:18,480

are here guess what they heard

1240

00:51:22,130 --> 00:51:21,000

so the more of us that are doing ce5 in

1241

00:51:24,290 --> 00:51:22,140

particular the more of us that are doing

1242

00:51:26,210 --> 00:51:24,300

it at exactly the same time if these

1243

00:51:28,490 --> 00:51:26,220

beings don't hear with their ears but

1244

00:51:30,470 --> 00:51:28,500

they hear with their mind with telepathy

1245

00:51:32,930 --> 00:51:30,480

and there's eight million or eight

1246

00:51:35,390 --> 00:51:32,940

billion of us screaming they're gonna

1247

00:51:36,950 --> 00:51:35,400

hear us and when they hear us

1248

00:51:39,290 --> 00:51:36,960

hopefully they'll come and help us

1249

00:51:41,210 --> 00:51:39,300

because we need it I have a it's

1250

00:51:43,609 --> 00:51:41,220

interesting that you put it that way

1251

00:51:44,990 --> 00:51:43,619

um I have a friend Reuben Langdon I

1252

00:51:49,730 --> 00:51:45,000

don't know if you know Reuben but uh

1253

00:51:52,069 --> 00:51:49,740

he's amazing and he he's along those

1254

00:51:55,010 --> 00:51:52,079

lines when uh he's a great researcher

1255

00:51:56,569 --> 00:51:55,020

film director uh it's just an amazing

1256

00:52:00,010 --> 00:51:56,579

talent

1257

00:52:05,390 --> 00:52:00,020

um and he he says

1258

00:52:09,470 --> 00:52:05,400

that when we think these thoughts

1259

00:52:12,650 --> 00:52:09,480

that it's like a beam of light like a

1260

00:52:14,930 --> 00:52:12,660

Searchlight that's that's going out and

1261

00:52:17,630 --> 00:52:14,940

and that's what's going you know that

1262

00:52:18,950 --> 00:52:17,640

that oh they're over here and these like

1263

00:52:21,650 --> 00:52:18,960

search like you know you know what I

1264

00:52:22,450 --> 00:52:21,660

mean I've never been scary before yeah

1265

00:52:24,410 --> 00:52:22,460

yeah

1266

00:52:26,329 --> 00:52:24,420

so the more you're saying the more

1267

00:52:28,790 --> 00:52:26,339

that's going out the more illuminated

1268

00:52:30,470 --> 00:52:28,800

and then and then they appear can I ask

1269

00:52:32,030 --> 00:52:30,480

you a question yes and this isn't

1270

00:52:33,589 --> 00:52:32,040

something I believe but I want to hear

1271

00:52:35,270 --> 00:52:33,599

your opinion

1272

00:52:38,210 --> 00:52:35,280

Stephen Hawking you know you're here

1273

00:52:39,170 --> 00:52:38,220

sorry uh so he believes that we

1274

00:52:44,270 --> 00:52:39,180

shouldn't

1275

00:52:47,390 --> 00:52:44,280

be asking them to come and visit because

1276
00:52:49,609 --> 00:52:47,400
maybe they're hostile right what do you

1277
00:52:51,230 --> 00:52:49,619
say to that

1278
00:52:59,390 --> 00:52:51,240
he's

1279
00:53:02,329 --> 00:52:59,400
like the majority of people are good

1280
00:53:04,970 --> 00:53:02,339
people on planet Earth there are some

1281
00:53:07,250 --> 00:53:04,980
that like to rob banks and shoot people

1282
00:53:10,990 --> 00:53:07,260
yeah right okay it's going to be the

1283
00:53:14,930 --> 00:53:11,000
same thing with E.T right the the space

1284
00:53:19,910 --> 00:53:14,940
is just it's too vast the universe is a

1285
00:53:22,670 --> 00:53:19,920
big big place that the Milky Way is 150

1286
00:53:25,190 --> 00:53:22,680
000 light years across just our Milky

1287
00:53:28,490 --> 00:53:25,200
Way right that's that's big with 500

1288
00:53:30,890 --> 00:53:28,500

billion stars and a trillion planets so

1289

00:53:35,210 --> 00:53:30,900

are there going to be some bad elements

1290

00:53:37,370 --> 00:53:35,220

there yes do you want to be telling them

1291

00:53:42,410 --> 00:53:37,380

that we're here well

1292

00:53:43,630 --> 00:53:42,420

no you don't but there must be some type

1293

00:53:46,609 --> 00:53:43,640

of control

1294

00:53:49,010 --> 00:53:46,619

in that not with us but I'm just talking

1295

00:53:51,470 --> 00:53:49,020

about in the universe in general so here

1296

00:53:54,230 --> 00:53:51,480

on planet Earth what do we have we have

1297

00:53:56,930 --> 00:53:54,240

the police we have laws we have prisons

1298

00:53:59,630 --> 00:53:56,940

we have the threat of a bad time if you

1299

00:54:01,849 --> 00:53:59,640

break the law right maybe that's what's

1300

00:54:04,370 --> 00:54:01,859

going on in the universe because and

1301
00:54:07,370 --> 00:54:04,380
this is where Stephen is wrong okay so

1302
00:54:08,870 --> 00:54:07,380
now let's go to the wrong side

1303
00:54:11,049 --> 00:54:08,880
um if

1304
00:54:14,089 --> 00:54:11,059
if there was an advanced

1305
00:54:15,950 --> 00:54:14,099
extraterrestrial civilization an Etc out

1306
00:54:19,309 --> 00:54:15,960
there with bad intentions

1307
00:54:22,549 --> 00:54:19,319
we would we would not know

1308
00:54:24,829 --> 00:54:22,559
we wouldn't be here we'd be gone yeah

1309
00:54:27,650 --> 00:54:24,839
it's so so and that probably has

1310
00:54:29,270 --> 00:54:27,660
happened before it could have right yeah

1311
00:54:31,849 --> 00:54:29,280
I don't

1312
00:54:34,630 --> 00:54:31,859
um here's was it really a comment that

1313
00:54:37,370 --> 00:54:34,640

killed all the poles yes yes

1314

00:54:39,829 --> 00:54:37,380

it wasn't something else right because

1315

00:54:41,210 --> 00:54:39,839

so through the comment if you um I'm not

1316

00:54:43,609 --> 00:54:41,220

going to do this for the camera but I'm

1317

00:54:46,609 --> 00:54:43,619

gonna do this for you okay so if you

1318

00:54:50,890 --> 00:54:46,619

take if you take this guitar pick right

1319

00:54:53,450 --> 00:54:50,900

okay and let's say this guitar pick

1320

00:54:56,569 --> 00:54:53,460

is uh

1321

00:54:58,010 --> 00:54:56,579

uh uh let's let's say this guitar pick

1322

00:55:00,710 --> 00:54:58,020

is

1323

00:55:05,390 --> 00:55:00,720

a hundred million years

1324

00:55:06,530 --> 00:55:05,400

all right it's pretty thin and you have

1325

00:55:15,170 --> 00:55:06,540

Earth

1326

00:55:19,250 --> 00:55:15,180

so we as a civilization

1327

00:55:22,849 --> 00:55:19,260

us Homo sapiens sapien yeah if this is

1328

00:55:25,190 --> 00:55:22,859

200 million years but we've only been

1329

00:55:28,190 --> 00:55:25,200

here for two million years that means

1330

00:55:30,950 --> 00:55:28,200

you would shave off a fraction of this

1331

00:55:34,370 --> 00:55:30,960

right but if you span this over to 5

1332

00:55:37,549 --> 00:55:34,380

billion years we would literally be the

1333

00:55:40,910 --> 00:55:37,559

atoms of the paint on that wall right

1334

00:55:43,910 --> 00:55:40,920

just the thinnest little sliver out here

1335

00:55:46,250 --> 00:55:43,920

so if that's the case and it took us

1336

00:55:48,950 --> 00:55:46,260

only two million years to get to where

1337

00:55:52,069 --> 00:55:48,960

we are today right you could take this

1338

00:55:55,730 --> 00:55:52,079

200 million year slice and you could pop

1339

00:55:57,710 --> 00:55:55,740

this anywhere in here and

1340

00:55:59,750 --> 00:55:57,720

we could have come and gone come and

1341

00:56:01,809 --> 00:55:59,760

gone come and gone come and gone come

1342

00:56:05,569 --> 00:56:01,819

and gone come and gone

1343

00:56:07,549 --> 00:56:05,579

and just so many different times and and

1344

00:56:08,870 --> 00:56:07,559

we wouldn't we wouldn't know or have any

1345

00:56:14,890 --> 00:56:08,880

evidence of it

1346

00:56:18,410 --> 00:56:14,900

right it how many layers of ice

1347

00:56:20,390 --> 00:56:18,420

how many layers of ice and dirt do we

1348

00:56:23,569 --> 00:56:20,400

have to dig through just to to find

1349

00:56:27,290 --> 00:56:23,579

dinosaurs from 75 65 million years ago

1350

00:56:30,650 --> 00:56:27,300

right right but if we backed up 200 300

1351
00:56:33,109 --> 00:56:30,660
400 500 million years ago how deep into

1352
00:56:35,089 --> 00:56:33,119
the Earth are we talking about where we

1353
00:56:37,430 --> 00:56:35,099
would have evidence of a previous

1354
00:56:38,809 --> 00:56:37,440
civilization we would never know can I

1355
00:56:41,630 --> 00:56:38,819
tell you something really trippy yes

1356
00:56:43,309 --> 00:56:41,640
okay so this is going to sound crazy if

1357
00:56:47,150 --> 00:56:43,319
you think I'm crazy fine I don't give a

1358
00:56:49,430 --> 00:56:47,160
[h__\h] this happened so um sometimes I

1359
00:56:50,270 --> 00:56:49,440
hear they talk to me I don't know who

1360
00:56:52,309 --> 00:56:50,280
they are I don't know where they're

1361
00:56:54,349 --> 00:56:52,319
coming from and they they don't say much

1362
00:56:58,250 --> 00:56:54,359
but they say a few little words right

1363
00:56:59,870 --> 00:56:58,260

the the second time I had a um a UFO

1364

00:57:03,109 --> 00:56:59,880

sighting I was on a plane flying over

1365

00:57:04,130 --> 00:57:03,119

Stonehenge randomly and I heard and I

1366

00:57:05,329 --> 00:57:04,140

was like sleeping you know when you're

1367

00:57:07,670 --> 00:57:05,339

on the plane you're half asleep and I

1368

00:57:10,010 --> 00:57:07,680

heard this voice saying uh look now

1369

00:57:12,049 --> 00:57:10,020

right yeah so I opened up the flap

1370

00:57:13,250 --> 00:57:12,059

pulled out my camera and I'll show it to

1371

00:57:16,130 --> 00:57:13,260

you in a minute we can share it with

1372

00:57:18,349 --> 00:57:16,140

your listeners and I saw three massive

1373

00:57:20,210 --> 00:57:18,359

um Shadows oh I'll show you uh three

1374

00:57:22,370 --> 00:57:20,220

massive orbs right out there and they

1375

00:57:24,710 --> 00:57:22,380

they moved around slightly and then they

1376

00:57:25,910 --> 00:57:24,720

phased out one two three and they

1377

00:57:27,410 --> 00:57:25,920

weren't obscure and they weren't far

1378

00:57:29,030 --> 00:57:27,420

away they were right there and they were

1379

00:57:30,890 --> 00:57:29,040

huge okay

1380

00:57:33,230 --> 00:57:30,900

um and and so it happens from time to

1381

00:57:35,510 --> 00:57:33,240

time but recently about three four

1382

00:57:36,770 --> 00:57:35,520

months ago I heard the voice again just

1383

00:57:38,450 --> 00:57:36,780

in the back of my head in the back of my

1384

00:57:41,510 --> 00:57:38,460

ear and it said dig

1385

00:57:43,010 --> 00:57:41,520

dig right and um since then I've been

1386

00:57:45,170 --> 00:57:43,020

having these dreams repetitive dreams

1387

00:57:47,630 --> 00:57:45,180

over and over and over and over telling

1388

00:57:48,829 --> 00:57:47,640

me that um all of the secrets all of the

1389

00:57:50,450 --> 00:57:48,839

riddles to the universe everything we

1390

00:57:52,190 --> 00:57:50,460

want to know is right here on planet

1391

00:57:55,849 --> 00:57:52,200

Earth it's just very really really

1392

00:57:58,670 --> 00:57:55,859

really deep below what did I just say

1393

00:58:00,829 --> 00:57:58,680

exactly and so what I have done is gone

1394

00:58:03,290 --> 00:58:00,839

and bought a piece of land in Joshua

1395

00:58:05,089 --> 00:58:03,300

Tree and um one of the next films we're

1396

00:58:07,309 --> 00:58:05,099

going to make is is going to be called

1397

00:58:09,730 --> 00:58:07,319

The Dig and we're going to dig it we're

1398

00:58:15,470 --> 00:58:13,190

a really really deep hole Jimmy Church

1399

00:58:17,390 --> 00:58:15,480

let's take our break right here we'll be

1400

00:58:19,250 --> 00:58:17,400

right back our guest right here in the

1401
00:58:21,109 --> 00:58:19,260
bunker Serena did you be Church of Fade

1402
00:58:22,970 --> 00:58:21,119
to Black please visit all of our

1403
00:58:26,630 --> 00:58:22,980
sponsors we're taking a quick break here

1404
00:58:28,609 --> 00:58:26,640
all of the links are below and we'll be

1405
00:58:31,250 --> 00:58:28,619
right back

1406
00:58:32,230 --> 00:58:31,260
check out Billy Carson's Forbidden

1407
00:58:34,329 --> 00:58:32,240
Knowledge

1408
00:58:36,349 --> 00:58:34,339
forbiddenknowledge.com or

1409
00:58:40,250 --> 00:58:36,359
forbiddenknowledge.tv where you can get

1410
00:58:42,710 --> 00:58:40,260
access to over 6 000 videos movies TV

1411
00:58:44,690 --> 00:58:42,720
series exclusive documentaries like the

1412
00:58:46,210 --> 00:58:44,700
Black Knight satellite you can do it all

1413
00:58:50,809 --> 00:58:46,220

for just

1414

00:58:53,030 --> 00:58:50,819

7.77 per month for 77 per year after the

1415

00:58:55,010 --> 00:58:53,040

three-day trial which is also totally

1416

00:58:58,809 --> 00:58:55,020

free to check out it's all simple to do

1417

00:59:01,210 --> 00:58:58,819

Billy Carson is the best it's simple

1418

00:59:03,470 --> 00:59:01,220

forbiddenknowledge.com or

1419

00:59:06,349 --> 00:59:03,480

forbiddenknowledge.tv that's the number

1420

00:59:08,329 --> 00:59:06,359

four for BK

1421

00:59:09,950 --> 00:59:08,339

I have a lot of fenders I will be

1422

00:59:12,470 --> 00:59:09,960

hosting an emceeding the conscious life

1423

00:59:15,289 --> 00:59:12,480

Expo this February 10th through the 13th

1424

00:59:17,690 --> 00:59:15,299

at The Lax Hilton right here in Los

1425

00:59:19,849 --> 00:59:17,700

Angeles California 200 speakers

1426

00:59:22,130 --> 00:59:19,859

including Linda Moulton Howe Bashar

1427

00:59:24,770 --> 00:59:22,140

Deborah King George Nori Daniel Sheehan

1428

00:59:28,970 --> 00:59:24,780

Scott Walter Sean Stone and David Wolfe

1429

00:59:32,270 --> 00:59:28,980

over 200 vendors special events this is

1430

00:59:34,609 --> 00:59:32,280

the biggest event of its kind on planet

1431

00:59:36,910 --> 00:59:34,619

Earth you've got to come and hang out

1432

00:59:38,870 --> 00:59:36,920

with all of us tickets and info at

1433

00:59:40,549 --> 00:59:38,880

consciouslifeexpo.com the links are

1434

00:59:43,730 --> 00:59:40,559

below

1435

00:59:46,849 --> 00:59:43,740

on Saturday April 1st that's right April

1436

00:59:49,069 --> 00:59:46,859

Fool's Day 2023 I will be hosting the

1437

00:59:52,549 --> 00:59:49,079

peripod festival at the Hyatt Regency

1438

00:59:55,010 --> 00:59:52,559

right here in Valencia California it's a

1439

00:59:58,069 --> 00:59:55,020

live one-day podcast Awards it's a film

1440

01:00:00,109 --> 00:59:58,079

festival it's a full-on media event

1441

01:00:01,970 --> 01:00:00,119

we're going to have Sky watching there's

1442

01:00:04,789 --> 01:00:01,980

going to be a Lifetime Achievement Award

1443

01:00:06,829 --> 01:00:04,799

presented to Linda Moulton Howe right

1444

01:00:08,809 --> 01:00:06,839

now you can submit your podcast to your

1445

01:00:11,569 --> 01:00:08,819

film your TV series any of your

1446

01:00:13,490 --> 01:00:11,579

paranormal media for consideration you

1447

01:00:16,690 --> 01:00:13,500

can do all of that on the links below

1448

01:00:18,650 --> 01:00:16,700

for info and tickets go to

1449

01:00:21,670 --> 01:00:18,660

parapodfilmfest.com that's

1450

01:00:27,349 --> 01:00:25,730

April 7th through the 14th 2023 I'll be

1451

01:00:30,289 --> 01:00:27,359

hosting and presenting on the hidden

1452

01:00:32,930 --> 01:00:30,299

secrets seminar at Sea cruise from Los

1453

01:00:35,270 --> 01:00:32,940

Angeles to the Mexican Riviera I'm the

1454

01:00:37,849 --> 01:00:35,280

Navigator of the Seas that's right up

1455

01:00:39,530 --> 01:00:37,859

top a giant water slide you've got to

1456

01:00:41,450 --> 01:00:39,540

check out the Navigator of the Seas it's

1457

01:00:43,789 --> 01:00:41,460

amazing we've got Scott Walter Adam

1458

01:00:46,730 --> 01:00:43,799

Apollo Nick Pope Brad Olson Vivian

1459

01:00:49,010 --> 01:00:46,740

Chauvet Jason sherka Robert Grant Reuben

1460

01:00:51,349 --> 01:00:49,020

Langdon and another 12 amazing speakers

1461

01:00:52,809 --> 01:00:51,359

and presenters it's all simple to do

1462

01:00:55,250 --> 01:00:52,819

just visit

1463

01:00:58,970 --> 01:00:55,260

divinetravels.com forward slash hidden

1464

01:01:01,250 --> 01:00:58,980

secrets 2023 you know you want to go on

1465

01:01:04,670 --> 01:01:01,260

a cruise with me

1466

01:01:07,490 --> 01:01:04,680

River Moon coffee makers of the Fade to

1467

01:01:09,370 --> 01:01:07,500

Black blend truly the best coffee on

1468

01:01:11,630 --> 01:01:09,380

planet Earth just visit

1469

01:01:13,490 --> 01:01:11,640

rivermoonwellness.com or or their Amazon

1470

01:01:14,870 --> 01:01:13,500

store if it's all simple to do you can

1471

01:01:16,970 --> 01:01:14,880

check out the Fade to Black blend the

1472

01:01:19,609 --> 01:01:16,980

game changer Blend or any of their black

1473

01:01:23,390 --> 01:01:19,619

moon wellness products it's the only

1474

01:01:30,950 --> 01:01:23,400

coffee I drink it is the best and it's

1475

01:01:30,960 --> 01:01:34,750

just crop it from when we went off

1476

01:01:42,829 --> 01:01:39,530

all right we are back [h__h] really we are

1477

01:01:44,630 --> 01:01:42,839

back and so there was a hot mic

1478

01:01:47,390 --> 01:01:44,640

um and so

1479

01:01:49,670 --> 01:01:47,400

we're gonna have to do a quick edit uh

1480

01:01:51,230 --> 01:01:49,680

put your headphones back on okay

1481

01:01:53,390 --> 01:01:51,240

we're gonna have to do an edit and we're

1482

01:01:55,130 --> 01:01:53,400

gonna have to remove some of those

1483

01:01:58,030 --> 01:01:55,140

some of those comments how about what

1484

01:02:01,490 --> 01:01:58,040

did you guys hear I did oh my God

1485

01:02:04,130 --> 01:02:01,500

I don't know I don't know see look we

1486

01:02:06,289 --> 01:02:04,140

can hear you oh my God

1487

01:02:08,089 --> 01:02:06,299

we're gonna have to do an edit we're

1488

01:02:09,770 --> 01:02:08,099

gonna have to do an edit this is Fade to

1489

01:02:11,630 --> 01:02:09,780

Black we are live from the bunker with

1490

01:02:16,789 --> 01:02:11,640

uh Serena DC

1491

01:02:19,190 --> 01:02:16,799

and uh and and hopefully uh

1492

01:02:22,430 --> 01:02:19,200

hopefully

1493

01:02:25,910 --> 01:02:22,440

yeah man okay

1494

01:02:27,230 --> 01:02:25,920

um so what we were talking uh right

1495

01:02:28,510 --> 01:02:27,240

before the break

1496

01:02:33,049 --> 01:02:28,520

um about

1497

01:02:35,390 --> 01:02:33,059

uh digging a hole uh well that hearing

1498

01:02:37,010 --> 01:02:35,400

having communication what does it sound

1499

01:02:39,230 --> 01:02:37,020

like

1500

01:02:41,510 --> 01:02:39,240

human

1501
01:02:43,609 --> 01:02:41,520
um and just really sort of like monotone

1502
01:02:44,990 --> 01:02:43,619
so look here

1503
01:02:47,630 --> 01:02:45,000
like that

1504
01:02:50,210 --> 01:02:47,640
wow yeah dig go there it's you it's

1505
01:02:51,650 --> 01:02:50,220
normally like look here look up over

1506
01:02:52,670 --> 01:02:51,660
there that that's it so they know

1507
01:02:54,289 --> 01:02:52,680
they're never like hey here's the

1508
01:02:56,870 --> 01:02:54,299
riddles of the universe it's more

1509
01:02:58,849 --> 01:02:56,880
directives they like they tell me to do

1510
01:03:02,569 --> 01:02:58,859
certain things so either I have

1511
01:03:03,829 --> 01:03:02,579
schizophrenia or it's real real but I

1512
01:03:05,270 --> 01:03:03,839
don't know have you ever felt like I

1513
01:03:06,230 --> 01:03:05,280

mean you've dedicated your life to this

1514

01:03:08,450 --> 01:03:06,240

to

1515

01:03:11,750 --> 01:03:08,460

um the search right yes uh the search

1516

01:03:13,190 --> 01:03:11,760

for truth and and now I that's what I'm

1517

01:03:15,710 --> 01:03:13,200

doing as well and for me I get this

1518

01:03:17,089 --> 01:03:15,720

feeling it's like this is my calling and

1519

01:03:18,589 --> 01:03:17,099

I'm on the right path and this is

1520

01:03:20,329 --> 01:03:18,599

exactly where I'm meant to be and what

1521

01:03:24,829 --> 01:03:20,339

I'm meant to be doing do you feel that

1522

01:03:26,750 --> 01:03:24,839

as well I do I do and well I like it's

1523

01:03:29,270 --> 01:03:26,760

bigger than you do you get what I'm I'm

1524

01:03:33,109 --> 01:03:29,280

saying I was I was like eight or nine

1525

01:03:35,390 --> 01:03:33,119

years old and I had a friend first off

1526

01:03:38,390 --> 01:03:35,400

my mom was just crazy she was into the

1527

01:03:40,609 --> 01:03:38,400

stuff and and and she sort of introduced

1528

01:03:43,309 --> 01:03:40,619

me to things but I had a friend if I'm

1529

01:03:47,030 --> 01:03:43,319

in fourth grade and

1530

01:03:49,250 --> 01:03:47,040

did he introduced me to like UFOs and

1531

01:03:52,549 --> 01:03:49,260

and I was like what and so we went to

1532

01:03:54,650 --> 01:03:52,559

the library and and started and that

1533

01:03:57,770 --> 01:03:54,660

started and then Eric Von danik and now

1534

01:04:04,430 --> 01:03:57,780

I'm much older than you but um so this

1535

01:04:07,930 --> 01:04:04,440

was 1972 probably so uh 73 and when

1536

01:04:13,970 --> 01:04:07,940

Chariots of the Gods came out and this

1537

01:04:17,569 --> 01:04:13,980

wave of uh UFOs and lost history uh

1538

01:04:20,870 --> 01:04:17,579

swept over the world I I got into it so

1539

01:04:23,569 --> 01:04:20,880

I started researching uh at a very very

1540

01:04:26,750 --> 01:04:23,579

young age and and I've I've never

1541

01:04:31,690 --> 01:04:26,760

stopped what I did know

1542

01:04:35,210 --> 01:04:31,700

um was when Coast to Coast started

1543

01:04:36,710 --> 01:04:35,220

1993 1994 I lived across the street from

1544

01:04:38,950 --> 01:04:36,720

the coast to coast studios in Sherman

1545

01:04:41,870 --> 01:04:38,960

Oaks and

1546

01:04:43,309 --> 01:04:41,880

I thought to myself I would listen to

1547

01:04:45,410 --> 01:04:43,319

the interviews I would listen to Art

1548

01:04:46,609 --> 01:04:45,420

Bell and Ed would listen to what was

1549

01:04:49,190 --> 01:04:46,619

going on

1550

01:04:50,569 --> 01:04:49,200

but I would have I would always say it

1551

01:04:53,210 --> 01:04:50,579

about you're not asking the question

1552

01:04:55,130 --> 01:04:53,220

that I would ask I would ask this I

1553

01:04:57,010 --> 01:04:55,140

would ask this I would ask this so I

1554

01:05:04,010 --> 01:04:57,020

started

1555

01:05:06,470 --> 01:05:04,020

this it was a calling and I had a a a

1556

01:05:08,270 --> 01:05:06,480

list of questions that I still asked to

1557

01:05:10,430 --> 01:05:08,280

this day that's that's what I do I want

1558

01:05:11,569 --> 01:05:10,440

to exchange the list of questions I want

1559

01:05:13,309 --> 01:05:11,579

to know what what's your number one

1560

01:05:14,870 --> 01:05:13,319

question when you sit down with like I

1561

01:05:16,190 --> 01:05:14,880

don't know Jacques Valley walks into the

1562

01:05:17,210 --> 01:05:16,200

room and you interview him what do you

1563

01:05:20,569 --> 01:05:17,220

what do you want to know more than

1564

01:05:23,809 --> 01:05:20,579

anything else I I always uh one of my

1565

01:05:25,190 --> 01:05:23,819

questions that I want to know is what is

1566

01:05:27,049 --> 01:05:25,200

consciousness

1567

01:05:29,569 --> 01:05:27,059

you know what is content what do you

1568

01:05:32,030 --> 01:05:29,579

think Consciousness is and so whether

1569

01:05:34,849 --> 01:05:32,040

it's a physicist or Jacques valet or

1570

01:05:36,829 --> 01:05:34,859

it's Linda Martin now Adam's a king of

1571

01:05:38,870 --> 01:05:36,839

Consciousness yeah yeah yeah

1572

01:05:41,630 --> 01:05:38,880

um you know and because everybody's

1573

01:05:43,609 --> 01:05:41,640

answer is is different I don't get the

1574

01:05:46,309 --> 01:05:43,619

same answer I'm trying to figure this

1575

01:05:48,109 --> 01:05:46,319

out myself interesting and uh so that

1576

01:05:52,430 --> 01:05:48,119

that is always

1577

01:05:56,210 --> 01:05:52,440

uh that's like my first yeah mine is

1578

01:05:58,490 --> 01:05:56,220

um how did it all start for you

1579

01:06:00,890 --> 01:05:58,500

yeah like tell me about the first time

1580

01:06:03,230 --> 01:06:00,900

that you experienced it not reading

1581

01:06:04,730 --> 01:06:03,240

about it that you saw it or you felt it

1582

01:06:08,690 --> 01:06:04,740

you know what I've you know what I I

1583

01:06:11,390 --> 01:06:08,700

asked that question a lot and so a

1584

01:06:15,410 --> 01:06:11,400

couple of years ago

1585

01:06:17,329 --> 01:06:15,420

um I uh Eric Von daniken invites me on

1586

01:06:19,849 --> 01:06:17,339

to his podcast he was just starting it I

1587

01:06:21,349 --> 01:06:19,859

was one of his first guests and I

1588

01:06:24,470 --> 01:06:21,359

thought wow this is great you know wow

1589

01:06:28,130 --> 01:06:24,480

okay uh life is complete the circle is

1590

01:06:30,069 --> 01:06:28,140

complete so uh and his first question to

1591

01:06:33,470 --> 01:06:30,079

me excuse me

1592

01:06:36,589 --> 01:06:33,480

in his first question

1593

01:06:38,470 --> 01:06:36,599

so Jimmy how did you get into this right

1594

01:06:42,349 --> 01:06:38,480

I said you

1595

01:06:43,910 --> 01:06:42,359

and and the reason so I and he laughed

1596

01:06:46,069 --> 01:06:43,920

and and you know I tell him the story

1597

01:06:49,670 --> 01:06:46,079

about my mom and stuff and I thought

1598

01:06:52,670 --> 01:06:49,680

that my experience uh with my mom and

1599

01:06:54,829 --> 01:06:52,680

Eric Von daniken was my own story and I

1600

01:06:56,930 --> 01:06:54,839

found that asking that question that you

1601
01:06:58,010 --> 01:06:56,940
just asked me or that that you ask

1602
01:07:03,049 --> 01:06:58,020
everybody

1603
01:07:06,289 --> 01:07:03,059
was you know my crazy parents and Eric

1604
01:07:08,569 --> 01:07:06,299
Von daniken and I heard this answer over

1605
01:07:11,690 --> 01:07:08,579
and over again Chariots of the Gods it

1606
01:07:14,630 --> 01:07:11,700
was there you know and uh and I and I

1607
01:07:16,789 --> 01:07:14,640
heard it repeat so much that

1608
01:07:19,309 --> 01:07:16,799
um I I certainly

1609
01:07:21,349 --> 01:07:19,319
found out how important he was to the

1610
01:07:24,710 --> 01:07:21,359
community and to the world but also that

1611
01:07:26,870 --> 01:07:24,720
my experience wasn't unique that a lot

1612
01:07:29,750 --> 01:07:26,880
of us kind of start the same way the

1613
01:07:32,390 --> 01:07:29,760

influence of our parents uh there was

1614

01:07:35,089 --> 01:07:32,400

something that we saw not necessarily in

1615

01:07:37,750 --> 01:07:35,099

the sky but maybe it was a book or an

1616

01:07:41,930 --> 01:07:37,760

article or something on TV

1617

01:07:43,490 --> 01:07:41,940

spurred by our parents uh telling us

1618

01:07:46,549 --> 01:07:43,500

that the world isn't what it really

1619

01:07:48,710 --> 01:07:46,559

seems to be right and then boom you're

1620

01:07:49,910 --> 01:07:48,720

off into this journey was it that way

1621

01:07:52,069 --> 01:07:49,920

for you

1622

01:07:53,450 --> 01:07:52,079

see I have a theory right

1623

01:07:54,770 --> 01:07:53,460

right the theory I'm so glad we're

1624

01:07:56,089 --> 01:07:54,780

having these conversation this is really

1625

01:07:58,010 --> 01:07:56,099

interesting to me hope it's interesting

1626
01:07:59,510 --> 01:07:58,020
to everyone else but you know I asked

1627
01:08:02,510 --> 01:07:59,520
you that question for a reason I wanted

1628
01:08:04,130 --> 01:08:02,520
to know you know what area of knowledge

1629
01:08:05,510 --> 01:08:04,140
you have gained the most perspective on

1630
01:08:06,650 --> 01:08:05,520
and it's interesting because what I'm

1631
01:08:07,849 --> 01:08:06,660
asking and what you're asking are

1632
01:08:11,870 --> 01:08:07,859
different you want to know about

1633
01:08:14,329 --> 01:08:11,880
Consciousness so some thing some Force

1634
01:08:15,829 --> 01:08:14,339
somewhere has given you the

1635
01:08:17,390 --> 01:08:15,839
responsibility of asking that question

1636
01:08:19,490 --> 01:08:17,400
do you understand what I'm saying I do

1637
01:08:20,809 --> 01:08:19,500
like that's your responsibility now and

1638
01:08:22,490 --> 01:08:20,819

it's highly likely that you're going to

1639

01:08:24,650 --> 01:08:22,500

be the person who's had that question

1640

01:08:26,930 --> 01:08:24,660

answered so many times that you're going

1641

01:08:28,370 --> 01:08:26,940

to find the common denominator you're

1642

01:08:30,169 --> 01:08:28,380

going to be able to you might well be

1643

01:08:32,870 --> 01:08:30,179

the person that figures out like okay

1644

01:08:35,030 --> 01:08:32,880

well here it is you know and that's

1645

01:08:36,169 --> 01:08:35,040

exciting the more times you ask that

1646

01:08:37,669 --> 01:08:36,179

question to people the more information

1647

01:08:39,349 --> 01:08:37,679

you're Gathering and the closer you

1648

01:08:41,570 --> 01:08:39,359

become to actually being able to figure

1649

01:08:43,789 --> 01:08:41,580

out what that is and for me

1650

01:08:45,289 --> 01:08:43,799

I'm not asking about when people started

1651
01:08:47,809 --> 01:08:45,299
to be interested in it I'm asking about

1652
01:08:49,910 --> 01:08:47,819
the first moment that contact was made I

1653
01:08:52,010 --> 01:08:49,920
think that that's my calling my

1654
01:08:54,110 --> 01:08:52,020
calling's first Contact to understand

1655
01:08:55,849 --> 01:08:54,120
did they do something to bring it on or

1656
01:08:57,410 --> 01:08:55,859
did it just happen where were they how

1657
01:08:58,430 --> 01:08:57,420
are they feeling at the time how old

1658
01:09:00,050 --> 01:08:58,440
were they do you understand what I'm

1659
01:09:02,630 --> 01:09:00,060
saying I do I'm trying to figure out

1660
01:09:05,030 --> 01:09:02,640
like when does this first Contact happen

1661
01:09:07,070 --> 01:09:05,040
is it like a child going through puberty

1662
01:09:08,990 --> 01:09:07,080
and when they turn 13 you know like a

1663
01:09:11,510 --> 01:09:09,000

girl gets their period or something like

1664

01:09:14,090 --> 01:09:11,520

that is that what it is you know right

1665

01:09:16,249 --> 01:09:14,100

for me I was nine okay

1666

01:09:17,930 --> 01:09:16,259

um Jacques was the same age

1667

01:09:20,390 --> 01:09:17,940

um Damien not I'm not sure if you know

1668

01:09:21,590 --> 01:09:20,400

who he is Damian Nazi Australian from

1669

01:09:23,749 --> 01:09:21,600

Australian Skies you know that

1670

01:09:26,209 --> 01:09:23,759

documentary I do I do he's amazing and

1671

01:09:28,849 --> 01:09:26,219

he was the same age as me um as well and

1672

01:09:30,410 --> 01:09:28,859

so uh nine years old seems to seems to

1673

01:09:31,849 --> 01:09:30,420

be something that's quite prevalent with

1674

01:09:34,729 --> 01:09:31,859

a lot of people that have then gone on

1675

01:09:36,410 --> 01:09:34,739

to have careers like us what's the

1676

01:09:40,789 --> 01:09:36,420

definition of first Contact for you

1677

01:09:42,070 --> 01:09:40,799

first Contact is hearing a message or

1678

01:09:45,110 --> 01:09:42,080

seeing something

1679

01:09:47,809 --> 01:09:45,120

or for a lot of people first Contact is

1680

01:09:49,309 --> 01:09:47,819

missing time so falling asleep in one

1681

01:09:51,709 --> 01:09:49,319

place and waking up somewhere else and

1682

01:09:53,209 --> 01:09:51,719

not knowing how how you got there or

1683

01:09:55,310 --> 01:09:53,219

looking at a clock and it being three

1684

01:09:57,470 --> 01:09:55,320

and then doing this and then doing that

1685

01:09:59,510 --> 01:09:57,480

and now it's five you know because a lot

1686

01:10:00,950 --> 01:09:59,520

of the times when there's missing when

1687

01:10:03,189 --> 01:10:00,960

we experience missing time we don't

1688

01:10:06,010 --> 01:10:03,199

necessarily have have to have been taken

1689

01:10:08,450 --> 01:10:06,020

physically but we may have been taken

1690

01:10:11,270 --> 01:10:08,460

mentally does that make sense it does

1691

01:10:13,970 --> 01:10:11,280

yeah I believe that they implant a

1692

01:10:15,830 --> 01:10:13,980

thought into our minds and that's what

1693

01:10:17,390 --> 01:10:15,840

sets us on this this path I don't think

1694

01:10:19,370 --> 01:10:17,400

I'm doing what I'm doing just because

1695

01:10:21,590 --> 01:10:19,380

I'm into it I don't think I'm because

1696

01:10:23,750 --> 01:10:21,600

I'm into a lot of stuff a lot of Freaky

1697

01:10:26,750 --> 01:10:23,760

Deaky [h__\h] and I'm not doing that but

1698

01:10:31,130 --> 01:10:26,760

I'm doing this right you know well okay

1699

01:10:33,770 --> 01:10:31,140

and then for others first Contact is you

1700

01:10:34,970 --> 01:10:33,780

know some craft on on the White House

1701

01:10:40,250 --> 01:10:34,980

lawn

1702

01:10:42,410 --> 01:10:40,260

yeah and uh when is that enough right

1703

01:10:45,050 --> 01:10:42,420

when when we talk about first Contact

1704

01:10:49,070 --> 01:10:45,060

our own personal experiences we can't

1705

01:10:51,410 --> 01:10:49,080

change those right is that enough uh or

1706

01:10:54,950 --> 01:10:51,420

do we need something on a on a bigger

1707

01:10:58,189 --> 01:10:54,960

scale for for everybody else

1708

01:11:03,950 --> 01:11:01,430

felt an extraterrestrial being or seen a

1709

01:11:06,110 --> 01:11:03,960

craft is changed forever because you go

1710

01:11:08,209 --> 01:11:06,120

from a place of philosophizing about

1711

01:11:10,729 --> 01:11:08,219

something to actually having like cold

1712

01:11:13,189 --> 01:11:10,739

hard facts right right I think all of us

1713

01:11:15,470 --> 01:11:13,199

need those cold hard facts to be true

1714

01:11:17,390 --> 01:11:15,480

believers like I said I always believed

1715

01:11:19,970 --> 01:11:17,400

right just like Catholic people believe

1716

01:11:22,130 --> 01:11:19,980

in Jesus right they ain't seen him right

1717

01:11:23,570 --> 01:11:22,140

there's levels right but then for

1718

01:11:25,490 --> 01:11:23,580

someone to actually have like an

1719

01:11:27,590 --> 01:11:25,500

experience where they meet God or a

1720

01:11:29,110 --> 01:11:27,600

touch by God that's that's when they

1721

01:11:37,310 --> 01:11:29,120

change

1722

01:11:41,930 --> 01:11:37,320

when we when we talk about belief belief

1723

01:11:44,209 --> 01:11:41,940

is a a a religious uh it's a religious

1724

01:11:47,030 --> 01:11:44,219

concept right do you have belief in

1725

01:11:49,550 --> 01:11:47,040

something that you haven't there isn't

1726

01:11:51,590 --> 01:11:49,560

necessarily a physical proof but you are

1727

01:11:54,229 --> 01:11:51,600

believing in that and I think that

1728

01:11:57,770 --> 01:11:54,239

belief is you know so if we spin that

1729

01:12:00,770 --> 01:11:57,780

over to the UFO side of things then it

1730

01:12:03,169 --> 01:12:00,780

almost does become a religious spiritual

1731

01:12:08,209 --> 01:12:03,179

thing and then you have the physical

1732

01:12:10,010 --> 01:12:08,219

side so when when I had a sighting in

1733

01:12:13,070 --> 01:12:10,020

the middle of the day and I'm seeing a

1734

01:12:16,729 --> 01:12:13,080

craft in the middle not not a light not

1735

01:12:20,209 --> 01:12:16,739

a plasma ball yeah yes you know when you

1736

01:12:23,090 --> 01:12:20,219

see something now it's no longer belief

1737

01:12:26,270 --> 01:12:23,100

that you're dealing with fact right if

1738

01:12:30,350 --> 01:12:26,280

if if there was

1739

01:12:32,510 --> 01:12:30,360

um uh an instance where you know Jesus

1740

01:12:34,189 --> 01:12:32,520

came down or whatever and and started

1741

01:12:36,169 --> 01:12:34,199

walking the streets of planet Earth

1742

01:12:38,090 --> 01:12:36,179

right now and he's doing television

1743

01:12:39,890 --> 01:12:38,100

interviews it's no longer a belief

1744

01:12:42,050 --> 01:12:39,900

system right you're dealing with the

1745

01:12:44,270 --> 01:12:42,060

physical in fact there it is right you

1746

01:12:46,310 --> 01:12:44,280

know right but that's the interesting

1747

01:12:48,530 --> 01:12:46,320

thing I think about um C5 and again

1748

01:12:49,910 --> 01:12:48,540

whether it's a Dr Greer kind of vibe or

1749

01:12:52,250 --> 01:12:49,920

whether it's you sitting in the backyard

1750

01:12:56,149 --> 01:12:52,260

saying what's up come visit there are

1751

01:12:59,030 --> 01:12:56,159

there is a way to see these beings and

1752

01:13:00,229 --> 01:12:59,040

to see this CR these craft and millions

1753

01:13:02,390 --> 01:13:00,239

of people around the world have

1754

01:13:03,649 --> 01:13:02,400

experienced it not tens of thousands I

1755

01:13:07,010 --> 01:13:03,659

know Millions upon Millions upon

1756

01:13:08,750 --> 01:13:07,020

millions and what blows my mind is the

1757

01:13:11,330 --> 01:13:08,760

fact that the tools are there but people

1758

01:13:13,130 --> 01:13:11,340

are a aren't aware of them and B aren't

1759

01:13:15,770 --> 01:13:13,140

using them because it literally if

1760

01:13:16,729 --> 01:13:15,780

everybody went out and did C5 I would

1761

01:13:21,169 --> 01:13:16,739

say

1762

01:13:25,370 --> 01:13:21,179

okay straight away like straight away

1763

01:13:29,270 --> 01:13:25,380

and others over time but yes and and

1764

01:13:31,870 --> 01:13:29,280

this is this is my

1765

01:13:35,450 --> 01:13:31,880

this is where I become a walking Paradox

1766

01:13:39,290 --> 01:13:35,460

because you're right and I agree with

1767

01:13:43,610 --> 01:13:39,300

you but let's say You and I

1768

01:13:46,370 --> 01:13:43,620

and Anderson Cooper right we're out

1769

01:13:51,470 --> 01:13:46,380

we're doing a ce5 freaking craft shows

1770

01:13:53,330 --> 01:13:51,480

up yeah and literally says hello uh and

1771

01:13:56,810 --> 01:13:53,340

and everybody is blown away does

1772

01:13:59,090 --> 01:13:56,820

Anderson Cooper go on the air on CNN the

1773

01:14:00,890 --> 01:13:59,100

next night and talk about it if he feels

1774

01:14:02,330 --> 01:14:00,900

cold too yeah I don't think he would I

1775

01:14:04,189 --> 01:14:02,340

don't know I don't think he would even

1776

01:14:06,169 --> 01:14:04,199

in today's climate I think it's about

1777

01:14:08,090 --> 01:14:06,179

ego in that instance then because then

1778

01:14:10,149 --> 01:14:08,100

it's like you know is is spreading the

1779

01:14:13,610 --> 01:14:10,159

truth more important than

1780

01:14:15,950 --> 01:14:13,620

maintaining this Persona that I that I

1781

01:14:17,570 --> 01:14:15,960

have and for Anderson maybe the Persona

1782

01:14:18,590 --> 01:14:17,580

is more important to him you know I

1783

01:14:20,810 --> 01:14:18,600

guess you and I are probably more

1784

01:14:22,550 --> 01:14:20,820

spiritual characters you know

1785

01:14:23,810 --> 01:14:22,560

um and we we're put on her to help other

1786

01:14:25,370 --> 01:14:23,820

people so of course we're going to

1787

01:14:27,890 --> 01:14:25,380

spread the message even if it makes us

1788

01:14:29,510 --> 01:14:27,900

homeless in the street right right but

1789

01:14:34,010 --> 01:14:29,520

other people obviously aren't aren't

1790

01:14:36,410 --> 01:14:34,020

really their way yeah you know I think

1791

01:14:39,410 --> 01:14:36,420

I'm so thankful for you know like Ralph

1792

01:14:42,649 --> 01:14:39,420

Blumenthal and and Leslie Kane and you

1793

01:14:45,050 --> 01:14:42,659

know for Having the courage uh to to

1794

01:14:47,630 --> 01:14:45,060

step forward and uh you know with the

1795

01:14:50,030 --> 01:14:47,640

New York Times and and and write this up

1796

01:14:51,050 --> 01:14:50,040

because that that has never been done at

1797

01:14:52,790 --> 01:14:51,060

that level

1798

01:14:56,149 --> 01:14:52,800

um ever before and it certainly did

1799

01:14:58,490 --> 01:14:56,159

change things but the momentum that was

1800

01:15:00,649 --> 01:14:58,500

there from that and it was a pretty good

1801
01:15:01,729 --> 01:15:00,659
Crest right pretty good wave there for a

1802
01:15:03,950 --> 01:15:01,739
minute

1803
01:15:06,169 --> 01:15:03,960
um but then we've seen this you know

1804
01:15:08,990 --> 01:15:06,179
like come and go over the last four or

1805
01:15:11,689 --> 01:15:09,000
five years it's never just continue to

1806
01:15:14,390 --> 01:15:11,699
rise why do you think the media has has

1807
01:15:16,310 --> 01:15:14,400
come and gone so many times with this

1808
01:15:18,350 --> 01:15:16,320
I think that there's people like us that

1809
01:15:19,910 --> 01:15:18,360
step forward and then and then there's

1810
01:15:22,910 --> 01:15:19,920
50 other people that are going to push

1811
01:15:25,070 --> 01:15:22,920
us back you know I was um talking to my

1812
01:15:26,270 --> 01:15:25,080
son actually about Roswell I'm like what

1813
01:15:28,130 --> 01:15:26,280

do you know he's 17 what do you know

1814

01:15:30,050 --> 01:15:28,140

about Roswell not much just the aliens

1815

01:15:31,130 --> 01:15:30,060

were here and he got covered up I'm like

1816

01:15:34,010 --> 01:15:31,140

okay well let me tell you what happened

1817

01:15:36,050 --> 01:15:34,020

you know and I and I just told him about

1818

01:15:39,729 --> 01:15:36,060

how the news story came out on day one

1819

01:15:42,050 --> 01:15:39,739

hey Flying Saucer here it is it's the

1820

01:15:44,209 --> 01:15:42,060

extraterrestrials you know and then boom

1821

01:15:46,310 --> 01:15:44,219

the next day the cover-up so you had

1822

01:15:47,930 --> 01:15:46,320

people with good intentions telling the

1823

01:15:50,030 --> 01:15:47,940

truth but then you had people that

1824

01:15:51,050 --> 01:15:50,040

wanted to cover that up masking it and I

1825

01:15:53,689 --> 01:15:51,060

think that that's always going to be

1826

01:15:56,570 --> 01:15:53,699

there so how do how do we rise up

1827

01:15:59,090 --> 01:15:56,580

against being silenced how do we how do

1828

01:16:01,970 --> 01:15:59,100

we do it I think it's it's hand-hand

1829

01:16:03,290 --> 01:16:01,980

combat and it's it's doing C5 or it's

1830

01:16:05,570 --> 01:16:03,300

going out and getting that information

1831

01:16:07,370 --> 01:16:05,580

for yourself because until you've seen

1832

01:16:09,290 --> 01:16:07,380

it with your own eyes

1833

01:16:11,870 --> 01:16:09,300

until you've experienced it yourself how

1834

01:16:15,110 --> 01:16:11,880

can you truly believe imagine this

1835

01:16:17,810 --> 01:16:15,120

imagine if the Catholic religion or the

1836

01:16:19,850 --> 01:16:17,820

Muslim the Muslim religion had a way

1837

01:16:22,490 --> 01:16:19,860

that you could

1838

01:16:25,490 --> 01:16:22,500

um go outside and use telepathy to ask

1839

01:16:27,709 --> 01:16:25,500

Jesus or to ask Muhammad to appear

1840

01:16:29,090 --> 01:16:27,719

imagine if you could do that I think

1841

01:16:30,350 --> 01:16:29,100

every single Catholic would run outside

1842

01:16:31,790 --> 01:16:30,360

and they would do it straight away

1843

01:16:33,709 --> 01:16:31,800

because they want to see their God who

1844

01:16:36,709 --> 01:16:33,719

they love so much and care for so much

1845

01:16:39,050 --> 01:16:36,719

right so I think that I challenge

1846

01:16:40,850 --> 01:16:39,060

everybody out there that is a Believer

1847

01:16:42,350 --> 01:16:40,860

even if your belief isn't that strong

1848

01:16:44,270 --> 01:16:42,360

even if you're one of those people

1849

01:16:46,189 --> 01:16:44,280

that's like yeah you know it sounds

1850

01:16:50,090 --> 01:16:46,199

crazy that they'd be that we'd be alone

1851

01:16:52,430 --> 01:16:50,100

and go outside and just try this [h__h]

1852

01:16:55,430 --> 01:16:52,440

they're they want to communicate with us

1853

01:16:58,450 --> 01:16:55,440

but they just need us to instigate you

1854

01:17:03,050 --> 01:16:58,460

know you know what's really strange

1855

01:17:05,570 --> 01:17:03,060

about that is that I can go out to

1856

01:17:07,370 --> 01:17:05,580

Joshua Tree which is two hours East

1857

01:17:09,110 --> 01:17:07,380

right it's just right over here yeah you

1858

01:17:13,310 --> 01:17:09,120

drive out there for two hours

1859

01:17:15,229 --> 01:17:13,320

to see the most amazing stuff and and

1860

01:17:17,270 --> 01:17:15,239

see the sky and then but you come back

1861

01:17:18,970 --> 01:17:17,280

to LA with the light pollution and

1862

01:17:22,550 --> 01:17:18,980

everything and nobody's looking up

1863

01:17:25,370 --> 01:17:22,560

nobody is concerned about and I know

1864

01:17:28,610 --> 01:17:25,380

Joshua trees are it's the same Sky we

1865

01:17:30,430 --> 01:17:28,620

are sharing the same that Blaze my mind

1866

01:17:34,370 --> 01:17:30,440

too

1867

01:17:36,050 --> 01:17:34,380

you come back to LA and there's nothing

1868

01:17:37,790 --> 01:17:36,060

because of the light pollution and

1869

01:17:39,770 --> 01:17:37,800

everything I I just don't get it but

1870

01:17:42,229 --> 01:17:39,780

then you know like I was driving over a

1871

01:17:43,550 --> 01:17:42,239

bridge in in Victoria in Melbourne in

1872

01:17:44,930 --> 01:17:43,560

Australia where I'm from driving over

1873

01:17:46,729 --> 01:17:44,940

this huge Bridge called the West Gate

1874

01:17:48,229 --> 01:17:46,739

Bridge hundreds and hundreds of cars

1875

01:17:50,390 --> 01:17:48,239

going in both directions five Lanes in

1876

01:17:54,050 --> 01:17:50,400

each Direction middle of the day

1877

01:17:56,689 --> 01:17:54,060

and I see three UFOs appear one two

1878

01:17:58,070 --> 01:17:56,699

three I have three photos of it that I

1879

01:18:00,350 --> 01:17:58,080

can show you that you can share with

1880

01:18:01,490 --> 01:18:00,360

your viewers they were bright red and

1881

01:18:03,530 --> 01:18:01,500

then and there they were moving in

1882

01:18:07,370 --> 01:18:03,540

formation and I'm on the front of my my

1883

01:18:14,990 --> 01:18:09,110

I've hung up on him pull out my thing

1884

01:18:19,250 --> 01:18:17,630

in my first my first sighting but they

1885

01:18:21,290 --> 01:18:19,260

they come

1886

01:18:23,330 --> 01:18:21,300

whenever they want wherever they want

1887

01:18:24,590 --> 01:18:23,340

once you've reached out once and they've

1888

01:18:26,930 --> 01:18:24,600

answered the call

1889

01:18:29,030 --> 01:18:26,940

you'll see them all the time no no cars

1890

01:18:31,669 --> 01:18:29,040

pulled over on the bridge it was for me

1891

01:18:33,950 --> 01:18:31,679

yeah yeah but I got it yeah I did it

1892

01:18:36,410 --> 01:18:33,960

isn't that strange I

1893

01:18:38,870 --> 01:18:36,420

um no one else on that plane saw what I

1894

01:18:42,910 --> 01:18:38,880

would I get it I get it captured it for

1895

01:18:46,669 --> 01:18:42,920

me you know I'm driving uh this is uh

1896

01:18:49,010 --> 01:18:46,679

2008 and I'm in the Valley and I'm

1897

01:18:49,810 --> 01:18:49,020

driving down latuna Canyon Road Winding

1898

01:18:52,189 --> 01:18:49,820

Road

1899

01:18:55,310 --> 01:18:52,199

and uh

1900

01:18:57,770 --> 01:18:55,320

and I see this thing it comes down into

1901

01:19:00,590 --> 01:18:57,780

the valley into Van Nuys this white ball

1902

01:19:02,930 --> 01:19:00,600

of light and I thought it was going to

1903

01:19:05,510 --> 01:19:02,940

explode went right into the middle of

1904

01:19:07,310 --> 01:19:05,520

Van Nuys now it's 10 30 at night I

1905

01:19:09,530 --> 01:19:07,320

called mufon

1906

01:19:11,450 --> 01:19:09,540

I'm gonna freak out get home I turn on

1907

01:19:14,750 --> 01:19:11,460

the news nothing I thought that's

1908

01:19:16,370 --> 01:19:14,760

impossible this thing came down right so

1909

01:19:17,169 --> 01:19:16,380

anyway so the next time nothing nothing

1910

01:19:21,310 --> 01:19:17,179

nothing

1911

01:19:25,610 --> 01:19:21,320

and I thought how either

1912

01:19:30,530 --> 01:19:25,620

nobody it's millions of people nobody

1913

01:19:36,470 --> 01:19:33,050

or was it just for me was it just for

1914

01:19:38,870 --> 01:19:36,480

you isn't that I I I've never really

1915

01:19:40,430 --> 01:19:38,880

been able to figure that out

1916

01:19:42,530 --> 01:19:40,440

um when um let me tell you something

1917

01:19:43,970 --> 01:19:42,540

weird you know Michael mazzola sure so

1918

01:19:45,950 --> 01:19:43,980

Michael's the guy that made closing

1919

01:19:47,630 --> 01:19:45,960

counters of the fifth kind which was I

1920

01:19:50,689 --> 01:19:47,640

would say the number one UFO documentary

1921

01:19:53,630 --> 01:19:50,699

of all time today right could be well

1922

01:19:55,010 --> 01:19:53,640

sales wise I don't know if no no it's

1923

01:19:59,570 --> 01:19:55,020

subjective as to whether or not it was

1924

01:20:01,490 --> 01:19:59,580

the best Michael has never seen a UFO I

1925

01:20:03,770 --> 01:20:01,500

know we were out doing a C5 and I've got

1926

01:20:05,030 --> 01:20:03,780

Adam Curry there and Jim Martin and a

1927

01:20:07,070 --> 01:20:05,040

whole group of other people and we're

1928

01:20:08,990 --> 01:20:07,080

literally staring at the sky Jim's

1929

01:20:11,090 --> 01:20:09,000

filming it we're tracking two UFOs we're

1930

01:20:12,649 --> 01:20:11,100

screaming we're like oh my God can you

1931

01:20:13,970 --> 01:20:12,659

see that yes I can see it everyone's

1932

01:20:15,890 --> 01:20:13,980

going crazy and then you hear Michael

1933

01:20:19,209 --> 01:20:15,900

coming out of the house he's like what

1934

01:20:21,770 --> 01:20:19,219

what can you see secondly comes out gone

1935

01:20:25,370 --> 01:20:21,780

I didn't we're like Michael go back

1936

01:20:28,310 --> 01:20:25,380

inside man we did it we did a ce5 one

1937

01:20:31,510 --> 01:20:28,320

night Michael's with us and uh we're out

1938

01:20:34,610 --> 01:20:31,520

in the desert uh in Nevada Nevada right

1939

01:20:36,530 --> 01:20:34,620

and uh so we're doing this thing and we

1940

01:20:38,330 --> 01:20:36,540

did we did we did we did it all we

1941

01:20:41,390 --> 01:20:38,340

meditated we played the music and stuff

1942

01:20:42,770 --> 01:20:41,400

and uh great night stars were out in the

1943

01:20:46,910 --> 01:20:42,780

desert

1944

01:20:49,130 --> 01:20:46,920

be nothing nothing happened I'm with

1945

01:20:51,229 --> 01:20:49,140

Michael all night yeah I do we drove

1946

01:20:54,470 --> 01:20:51,239

together as a matter of fact the only

1947

01:20:57,110 --> 01:20:54,480

thing but you know we something actually

1948

01:21:00,050 --> 01:20:57,120

happened that night that was cooler than

1949

01:21:01,250 --> 01:21:00,060

maybe seeing a UFO so we're all sitting

1950

01:21:03,350 --> 01:21:01,260

out there

1951

01:21:07,370 --> 01:21:03,360

doing our thing we got our night vision

1952

01:21:10,810 --> 01:21:07,380

and uh there's probably uh

1953

01:21:14,030 --> 01:21:10,820

uh hey wait a minute here so check wait

1954

01:21:16,790 --> 01:21:14,040

okay are you looking at the screen yep

1955

01:21:20,330 --> 01:21:16,800

okay just stay with me here

1956

01:21:22,490 --> 01:21:20,340

watch this watch this

1957

01:21:24,370 --> 01:21:22,500

oh my God whatever dude I gain access to

1958

01:21:26,990 --> 01:21:24,380

all of them okay

1959

01:21:29,090 --> 01:21:27,000

here's here's the sky watch in the

1960

01:21:30,290 --> 01:21:29,100

desert oh wow there it is where's

1961

01:21:32,510 --> 01:21:30,300

mazzola

1962

01:21:36,350 --> 01:21:32,520

where's his right there oh there he is

1963

01:21:39,890 --> 01:21:36,360

cutie there he is yeah so so we're all

1964

01:21:42,290 --> 01:21:39,900

out there doing our thing right and uh

1965

01:21:44,450 --> 01:21:42,300

look at this I know he's so cute I love

1966

01:21:46,189 --> 01:21:44,460

him so he said to say hi by the way I

1967

01:21:50,750 --> 01:21:46,199

spoke to him on the way here hey he he's

1968

01:21:54,830 --> 01:21:50,760

he's certainly listening I love him so

1969

01:21:59,030 --> 01:21:54,840

um uh as we were uh doing this

1970

01:22:00,490 --> 01:21:59,040

a meteor flaming wow flaming meteor

1971

01:22:05,270 --> 01:22:00,500

comes in

1972

01:22:08,209 --> 01:22:05,280

low low Serena we could see the flame I

1973

01:22:12,490 --> 01:22:08,219

think we could hear it and it just FL it

1974

01:22:17,830 --> 01:22:12,500

lasted for like I don't know uh

1975

01:22:20,990 --> 01:22:17,840

stick around that was a flaming burning

1976

01:22:25,310 --> 01:22:21,000

smoking bright orange

1977

01:22:26,330 --> 01:22:25,320

meteor okay flaming flaming on fire you

1978

01:22:28,910 --> 01:22:26,340

were giving me chills right now you're

1979

01:22:30,709 --> 01:22:28,920

not gonna believe this right so I'm out

1980

01:22:32,450 --> 01:22:30,719

doing again doing C5 and I was there

1981

01:22:33,890 --> 01:22:32,460

with you know Andrea Perron I do from

1982

01:22:34,910 --> 01:22:33,900

the country house yeah so we were there

1983

01:22:37,490 --> 01:22:34,920

and we were like filming this whole

1984

01:22:39,470 --> 01:22:37,500

thing and Michael was there and I I saw

1985

01:22:41,450 --> 01:22:39,480

it first I'm like holy [h__h] you know

1986

01:22:42,530 --> 01:22:41,460

that there's something in the sky and it

1987

01:22:44,090 --> 01:22:42,540

was one of the rare moments where

1988

01:22:46,010 --> 01:22:44,100

everyone turns around and sees it and he

1989

01:22:47,330 --> 01:22:46,020

was there too and it's exactly how you

1990

01:22:49,790 --> 01:22:47,340

described

1991

01:22:50,890 --> 01:22:49,800

yeah yeah and so I wonder if that's a

1992

01:22:53,390 --> 01:22:50,900

coincidence

1993

01:22:54,890 --> 01:22:53,400

he has said to me somebody to man I want

1994

01:22:56,830 --> 01:22:54,900

to see something he's like the medial

1995

01:23:00,169 --> 01:22:56,840

Whisperer or something

1996

01:23:02,810 --> 01:23:00,179

that's weird we didn't see any at UFO

1997

01:23:06,430 --> 01:23:02,820

that night but that's what we saw when

1998

01:23:10,790 --> 01:23:06,440

uh uh we're in the last segment here

1999

01:23:12,709 --> 01:23:10,800

uh when does uh it's we are not alone

2000

01:23:14,930 --> 01:23:12,719

right well the current movie is called

2001

01:23:18,410 --> 01:23:14,940

contact the C5 experience and that's

2002

01:23:20,750 --> 01:23:18,420

been blowing up on Amazon it's trending

2003

01:23:23,630 --> 01:23:20,760

yeah yeah as a fledgling filmmaker

2004

01:23:25,189 --> 01:23:23,640

that's a super exciting moment for me uh

2005

01:23:27,649 --> 01:23:25,199

but yeah so that's out at the moment so

2006

01:23:29,990 --> 01:23:27,659

if anyone is thinking of doing the uh

2007

01:23:31,610 --> 01:23:30,000

Global ce5 tomorrow it's a great movie

2008

01:23:33,530 --> 01:23:31,620

to watch because it basically teaches

2009

01:23:35,209 --> 01:23:33,540

you Dr Stephen Greer's protocols and it

2010

01:23:38,270 --> 01:23:35,219

teaches you how to do it is that the

2011

01:23:39,530 --> 01:23:38,280

only way to do C5 no but it is a really

2012

01:23:41,090 --> 01:23:39,540

good way to start if you've never done

2013

01:23:43,310 --> 01:23:41,100

it before in particular if you don't

2014

01:23:44,750 --> 01:23:43,320

know much about meditation and telepathy

2015

01:23:46,490 --> 01:23:44,760

and things like that

2016

01:23:48,350 --> 01:23:46,500

um if you're a very experienced person

2017

01:23:50,090 --> 01:23:48,360

then just go out there and have at it

2018

01:23:51,770 --> 01:23:50,100

but if if not then it is a really good

2019

01:23:53,390 --> 01:23:51,780

way for you to learn

2020

01:23:55,610 --> 01:23:53,400

um how to do it in the philosophies

2021

01:23:57,950 --> 01:23:55,620

behind it and when is We Are Not Alone

2022

01:23:59,330 --> 01:23:57,960

come out so when alone is a 1091 film

2023

01:24:02,270 --> 01:23:59,340

that's going to be coming out in the

2024

01:24:04,610 --> 01:24:02,280

summer that stars you and me together

2025

01:24:06,169 --> 01:24:04,620

which I'm so excited about

2026

01:24:08,810 --> 01:24:06,179

um but I think that that movie is going

2027

01:24:10,010 --> 01:24:08,820

to do a lot for our Collective for our

2028

01:24:11,930 --> 01:24:10,020

movement

2029

01:24:14,990 --> 01:24:11,940

um because I I've made it in a way that

2030

01:24:17,209 --> 01:24:15,000

will be I think acceptable for everyone

2031

01:24:19,850 --> 01:24:17,219

else you know so hopefully we'll get a

2032

01:24:21,410 --> 01:24:19,860

few more few million more Believers on

2033

01:24:23,209 --> 01:24:21,420

our side of the fenceman they watch it

2034

01:24:26,450 --> 01:24:23,219

now you're you're producing that

2035

01:24:29,030 --> 01:24:26,460

Mazzola's directing uh correct is it is

2036

01:24:30,890 --> 01:24:29,040

it is it finish is it it's finished it

2037

01:24:32,450 --> 01:24:30,900

is in it's in sound and color right now

2038

01:24:34,970 --> 01:24:32,460

so I saw the first cut the other day um

2039

01:24:36,590 --> 01:24:34,980

Lance magia's magier is part of it as

2040

01:24:38,810 --> 01:24:36,600

well he did phenomena and Third Eye

2041

01:24:40,370 --> 01:24:38,820

Spies and what Lance did is he brought

2042

01:24:42,709 --> 01:24:40,380

because a lot of people tell me about

2043

01:24:45,050 --> 01:24:42,719

their experiences with extraterrestrials

2044

01:24:46,910 --> 01:24:45,060

and Lance is actually an absolute whiz

2045

01:24:49,790 --> 01:24:46,920

at Unreal Engine which is like in sort

2046

01:24:51,590 --> 01:24:49,800

of like an animation and so he brings

2047

01:24:53,510 --> 01:24:51,600

all of their stories to life and it's

2048

01:24:55,790 --> 01:24:53,520

just that's really cool I can't wait to

2049

01:24:58,970 --> 01:24:55,800

share it with everyone well that's the

2050

01:25:01,610 --> 01:24:58,980

A-list that's the A-list of guys uh

2051
01:25:03,530 --> 01:25:01,620
Michael's got a really really good sense

2052
01:25:05,390 --> 01:25:03,540
of direction

2053
01:25:08,149 --> 01:25:05,400
um Lance is one of the most talented

2054
01:25:10,490 --> 01:25:08,159
guys out there and and I know that he's

2055
01:25:11,930 --> 01:25:10,500
listening right now too as well

2056
01:25:14,030 --> 01:25:11,940
um that's just a weird little brown

2057
01:25:14,830 --> 01:25:14,040
Aussie girl that like jumped into the

2058
01:25:18,290 --> 01:25:14,840
mix

2059
01:25:22,550 --> 01:25:18,300
hopefully you know when

2060
01:25:25,790 --> 01:25:22,560
um when do you interview do you have

2061
01:25:27,830 --> 01:25:25,800
uh do you go organic or do you have a

2062
01:25:30,290 --> 01:25:27,840
list of questions in front of you how do

2063
01:25:31,850 --> 01:25:30,300

you handle that I never ever ever go

2064

01:25:32,930 --> 01:25:31,860

into any interview I do with questions

2065

01:25:34,310 --> 01:25:32,940

right

2066

01:25:36,350 --> 01:25:34,320

um I just want to hear people's stories

2067

01:25:38,689 --> 01:25:36,360

you know I want people to tell me what

2068

01:25:41,149 --> 01:25:38,699

they want to tell me I mean you're very

2069

01:25:43,610 --> 01:25:41,159

similar to that as well you can see I

2070

01:25:45,410 --> 01:25:43,620

have I I never do that but like you I

2071

01:25:48,410 --> 01:25:45,420

always have my one question and that's

2072

01:25:51,229 --> 01:25:48,420

kind of how I started right I started by

2073

01:25:52,370 --> 01:25:51,239

saying so tell me how it all began but

2074

01:25:55,070 --> 01:25:52,380

but it's good because you want to know

2075

01:25:56,990 --> 01:25:55,080

the origins of of what made this person

2076

01:25:59,750 --> 01:25:57,000

who they are what started them on this

2077

01:26:04,729 --> 01:25:59,760

this journey with with

2078

01:26:07,790 --> 01:26:04,739

um with science and physics and we can

2079

01:26:11,390 --> 01:26:07,800

talk about avilobe or Harvard uh to

2080

01:26:14,390 --> 01:26:11,400

Carrie Knoll and you know these uh these

2081

01:26:16,790 --> 01:26:14,400

scientists and you know representing and

2082

01:26:18,709 --> 01:26:16,800

working with universities we have that

2083

01:26:21,229 --> 01:26:18,719

side of stuff of course we have the

2084

01:26:23,990 --> 01:26:21,239

Department of Defense and the Navy and

2085

01:26:25,850 --> 01:26:24,000

and everything but then we have the

2086

01:26:30,169 --> 01:26:25,860

other side you know the Consciousness

2087

01:26:33,229 --> 01:26:30,179

side of this do you think that our our

2088

01:26:35,570 --> 01:26:33,239

two worlds are about to collide

2089

01:26:37,189 --> 01:26:35,580

I think that they need to collide I

2090

01:26:39,350 --> 01:26:37,199

think some people are too far on this

2091

01:26:41,510 --> 01:26:39,360

side and too far on that side like with

2092

01:26:43,189 --> 01:26:41,520

most things in life so what have they

2093

01:26:44,870 --> 01:26:43,199

what I've basically done I've actually

2094

01:26:47,030 --> 01:26:44,880

just started up a new project that I

2095

01:26:48,649 --> 01:26:47,040

call the ce5 collective and what I'm

2096

01:26:50,450 --> 01:26:48,659

doing with the cd5 collective is I'm

2097

01:26:52,490 --> 01:26:50,460

creating this space where anybody that's

2098

01:26:54,050 --> 01:26:52,500

interested in trying to initiate contact

2099

01:26:55,910 --> 01:26:54,060

or to talk to people that have had

2100

01:26:58,189 --> 01:26:55,920

contact experiences can kind of be

2101
01:26:59,510 --> 01:26:58,199
together in a nice big friendly loving

2102
01:27:01,189 --> 01:26:59,520
group where they can sort of share

2103
01:27:04,729 --> 01:27:01,199
experiences and teach each other and

2104
01:27:07,790 --> 01:27:04,739
learn so Shameless plug yeah yeah so if

2105
01:27:09,350 --> 01:27:07,800
people go to uh ce5collective.com you

2106
01:27:11,570 --> 01:27:09,360
can actually register to become a member

2107
01:27:13,790 --> 01:27:11,580
it's free and it will never cost any

2108
01:27:15,410 --> 01:27:13,800
money to be part of the community but I

2109
01:27:17,390 --> 01:27:15,420
think that all of us need somewhere

2110
01:27:19,550 --> 01:27:17,400
where we can all gather together and

2111
01:27:21,410 --> 01:27:19,560
where we can speak freely about what

2112
01:27:24,410 --> 01:27:21,420
we've seen and how we feel and what we

2113
01:27:25,850 --> 01:27:24,420

believe and also share what works and

2114

01:27:29,510 --> 01:27:25,860

what doesn't work

2115

01:27:32,330 --> 01:27:29,520

you know what should we should we do

2116

01:27:35,330 --> 01:27:32,340

like you know the Million Man March

2117

01:27:39,350 --> 01:27:35,340

right should we do like some disclosure

2118

01:27:41,270 --> 01:27:39,360

March down to the Lincoln Memorial uh

2119

01:27:43,850 --> 01:27:41,280

you know in front of the Washington

2120

01:27:45,410 --> 01:27:43,860

Monument in DC to the steps of the

2121

01:27:48,350 --> 01:27:45,420

Capitol build well no it's not a good

2122

01:27:51,470 --> 01:27:48,360

idea but uh you know should should we

2123

01:27:55,129 --> 01:27:51,480

get everybody together and just it's to

2124

01:27:58,129 --> 01:27:55,139

get a movement going I mean I think we

2125

01:27:59,870 --> 01:27:58,139

need to start a movement for sure but I

2126

01:28:01,129 --> 01:27:59,880

think that the more proof that we're

2127

01:28:02,870 --> 01:28:01,139

able because this is the thing right

2128

01:28:04,790 --> 01:28:02,880

when you do C5 we've only really talked

2129

01:28:06,649 --> 01:28:04,800

about our own personal experience so we

2130

01:28:08,750 --> 01:28:06,659

get to go out there we get to see an orb

2131

01:28:10,970 --> 01:28:08,760

we get to know that it's real right but

2132

01:28:13,910 --> 01:28:10,980

we also get to do this

2133

01:28:16,850 --> 01:28:13,920

right right so if we get enough of these

2134

01:28:19,430 --> 01:28:16,860

and we get them all in one spot in one

2135

01:28:21,169 --> 01:28:19,440

place then when we put that out to the

2136

01:28:22,970 --> 01:28:21,179

rest of the world we say we don't have

2137

01:28:24,950 --> 01:28:22,980

one capture or two captures or five and

2138

01:28:26,990 --> 01:28:24,960

a fuzzy little thing over there here it

2139

01:28:28,550 --> 01:28:27,000

is in higher definition millions and

2140

01:28:32,810 --> 01:28:28,560

millions and millions of sightings

2141

01:28:35,510 --> 01:28:32,820

millions of videos we need to make our

2142

01:28:38,930 --> 01:28:35,520

um argument so strong and so powerful

2143

01:28:40,669 --> 01:28:38,940

that it's undeniable you know I don't I

2144

01:28:42,229 --> 01:28:40,679

don't I've never been the kind of person

2145

01:28:43,430 --> 01:28:42,239

that's like this is how it is just

2146

01:28:45,770 --> 01:28:43,440

believe me

2147

01:28:47,330 --> 01:28:45,780

you know I give him proof

2148

01:28:49,729 --> 01:28:47,340

you know so if we want to convince

2149

01:28:51,410 --> 01:28:49,739

everyone else then we need to give them

2150

01:28:52,790 --> 01:28:51,420

the proof we can't just say take our

2151
01:28:54,770 --> 01:28:52,800
word for it we saw something out the

2152
01:28:56,990 --> 01:28:54,780
back but believe me [h__h] that I wouldn't

2153
01:28:59,629 --> 01:28:57,000
believe that no you can't you need proof

2154
01:29:01,010 --> 01:28:59,639
right right so um if we believe and we

2155
01:29:02,390 --> 01:29:01,020
want other people to believe then we

2156
01:29:04,430 --> 01:29:02,400
need to go out there and get the proof

2157
01:29:06,830 --> 01:29:04,440
ourselves and then share it the more

2158
01:29:08,750 --> 01:29:06,840
voices that we have like Horton Hears a

2159
01:29:09,950 --> 01:29:08,760
Who the more people saying we're here

2160
01:29:11,810 --> 01:29:09,960
we're here

2161
01:29:13,669 --> 01:29:11,820
the more we're going to convince

2162
01:29:16,550 --> 01:29:13,679
everybody else right what's the

2163
01:29:19,930 --> 01:29:16,560

difference between the attitude here

2164

01:29:25,310 --> 01:29:22,850

Aussies believe

2165

01:29:27,290 --> 01:29:25,320

I think with Americans um it's it's such

2166

01:29:28,729 --> 01:29:27,300

an interesting culture here where with

2167

01:29:31,010 --> 01:29:28,739

your government in particular your

2168

01:29:33,350 --> 01:29:31,020

Europe left or you're on the right and

2169

01:29:35,270 --> 01:29:33,360

that's it it's almost like a mental war

2170

01:29:37,430 --> 01:29:35,280

between each other and there's all

2171

01:29:39,470 --> 01:29:37,440

there's this sort of like strong desire

2172

01:29:40,729 --> 01:29:39,480

to be right and you if you're a Democrat

2173

01:29:42,169 --> 01:29:40,739

and you don't like the Republicans

2174

01:29:44,090 --> 01:29:42,179

you're Republicans you don't believe in

2175

01:29:46,070 --> 01:29:44,100

what the Democrats think uh whereas in

2176
01:29:48,110 --> 01:29:46,080
Australia people are like government who

2177
01:29:49,550 --> 01:29:48,120
gives a [\h__\h] we're not getting we're not

2178
01:29:51,830 --> 01:29:49,560
getting looked after enough anyway so

2179
01:29:53,750 --> 01:29:51,840
whatever you know and I think in those

2180
01:29:56,930 --> 01:29:53,760
environments you're more likely to be

2181
01:29:58,550 --> 01:29:56,940
accepting of other things I think um you

2182
01:29:59,750 --> 01:29:58,560
know I love America so much I'm so

2183
01:30:02,209 --> 01:29:59,760
privileged to call this place home

2184
01:30:05,090 --> 01:30:02,219
American people are just so [\h__\h]

2185
01:30:06,290 --> 01:30:05,100
fantastic but there is a tendency

2186
01:30:07,669 --> 01:30:06,300
sometimes to be a little bit

2187
01:30:10,430 --> 01:30:07,679
close-minded about things you don't

2188
01:30:11,870 --> 01:30:10,440

understand so what do we do we help

2189

01:30:17,629 --> 01:30:11,880

people understand

2190

01:30:20,890 --> 01:30:17,639

you know well um so in Australia I

2191

01:30:24,410 --> 01:30:20,900

I don't know if I can equate

2192

01:30:28,070 --> 01:30:24,420

Australia as the same as Canada or the

2193

01:30:31,490 --> 01:30:28,080

same as the kingdom but here in the

2194

01:30:34,370 --> 01:30:31,500

United States we too much just think

2195

01:30:36,350 --> 01:30:34,380

it's all about us right that that there

2196

01:30:39,709 --> 01:30:36,360

isn't another world out there and there

2197

01:30:43,310 --> 01:30:39,719

is right yeah yeah and and when it comes

2198

01:30:46,129 --> 01:30:43,320

to the UFO thing even our UFO Community

2199

01:30:50,149 --> 01:30:46,139

here has a problem with that this is not

2200

01:30:53,810 --> 01:30:50,159

an American issue this is not uh a a

2201
01:30:56,330 --> 01:30:53,820
United States Navy issue the same things

2202
01:31:00,169 --> 01:30:56,340
that go on here go on in Australia they

2203
01:31:02,570 --> 01:31:00,179
go on in Canada or China or Russia or

2204
01:31:05,750 --> 01:31:02,580
Africa you know this this is a global

2205
01:31:10,250 --> 01:31:05,760
thing right and I've just I've always

2206
01:31:12,709 --> 01:31:10,260
wondered about how uh Australians or you

2207
01:31:16,129 --> 01:31:12,719
know the rest of the world looks at this

2208
01:31:18,410 --> 01:31:16,139
very profound question I really and I

2209
01:31:19,729 --> 01:31:18,420
lived in England before moving to

2210
01:31:22,070 --> 01:31:19,739
um America I lived there for a year and

2211
01:31:23,510 --> 01:31:22,080
a half and I really think that more

2212
01:31:26,209 --> 01:31:23,520
people around the world are a lot more

2213
01:31:28,070 --> 01:31:26,219

open to a lot more things you know and

2214

01:31:29,510 --> 01:31:28,080

what I love about America is that

2215

01:31:31,430 --> 01:31:29,520

there's so much diversity and so much

2216

01:31:33,590 --> 01:31:31,440

going on and like it's kind of its own

2217

01:31:34,610 --> 01:31:33,600

world within itself you kind of a lot of

2218

01:31:37,430 --> 01:31:34,620

people in America have never left

2219

01:31:39,169 --> 01:31:37,440

America to go on vacation because if you

2220

01:31:41,390 --> 01:31:39,179

want snow go to New York right now if

2221

01:31:43,850 --> 01:31:41,400

you want sun go to Florida you've got

2222

01:31:45,830 --> 01:31:43,860

everything right here and that's so

2223

01:31:47,090 --> 01:31:45,840

great but it also kind of sucks because

2224

01:31:49,850 --> 01:31:47,100

it does

2225

01:31:51,950 --> 01:31:49,860

um inhibit exploration

2226

01:31:54,890 --> 01:31:51,960

you know well because you have got it

2227

01:31:58,310 --> 01:31:54,900

all here so why leave yeah yeah yeah

2228

01:32:00,290 --> 01:31:58,320

um I just I just want to uh uh Egypt

2229

01:32:02,209 --> 01:32:00,300

right it just got I'm so jealous I

2230

01:32:04,970 --> 01:32:02,219

watched every single story everything I

2231

01:32:06,830 --> 01:32:04,980

was like it was mine it was mind-blowing

2232

01:32:08,990 --> 01:32:06,840

yeah but can I come with you next time

2233

01:32:11,570 --> 01:32:09,000

yes you can we're going this year a

2234

01:32:16,430 --> 01:32:11,580

couple so absolutely but

2235

01:32:19,610 --> 01:32:16,440

um uh I expected uh or no I should say I

2236

01:32:21,290 --> 01:32:19,620

looked I looked forward to the spiritual

2237

01:32:24,050 --> 01:32:21,300

things and and you know the Great

2238

01:32:25,910 --> 01:32:24,060

Pyramid and the Sphinx and uh going to

2239

01:32:28,430 --> 01:32:25,920

arbitose you know I wanted to do these

2240

01:32:29,709 --> 01:32:28,440

at loxer and Karnak of course right all

2241

01:32:33,110 --> 01:32:29,719

right but

2242

01:32:34,790 --> 01:32:33,120

that's not what was cool about Egypt and

2243

01:32:39,050 --> 01:32:34,800

that was all great

2244

01:32:43,750 --> 01:32:39,060

it was the people and if I have any

2245

01:32:47,510 --> 01:32:43,760

advice uh to uh Americans you know

2246

01:32:50,090 --> 01:32:47,520

United States citizens is you know what

2247

01:32:52,010 --> 01:32:50,100

go to Egypt yeah don't go to Egypt for

2248

01:32:55,129 --> 01:32:52,020

the pyramids go to Egypt to see how

2249

01:32:57,050 --> 01:32:55,139

people learned to live and love and

2250

01:32:59,149 --> 01:32:57,060

respect each other because that's what

2251

01:33:01,490 --> 01:32:59,159

goes on there it's like it's crazy you

2252

01:33:03,350 --> 01:33:01,500

know and and when I was flying back uh

2253

01:33:04,910 --> 01:33:03,360

Serena I'm not making this up when I was

2254

01:33:09,050 --> 01:33:04,920

flying back from Egypt

2255

01:33:12,110 --> 01:33:09,060

I was like uh man I love my country but

2256

01:33:14,689 --> 01:33:12,120

this is gonna suck I gotta go back and

2257

01:33:17,629 --> 01:33:14,699

deal with this these attitudes and and

2258

01:33:19,370 --> 01:33:17,639

this thing you know this view of of

2259

01:33:21,470 --> 01:33:19,380

culture

2260

01:33:24,050 --> 01:33:21,480

um we've only had a couple hundred years

2261

01:33:28,189 --> 01:33:24,060

here in the United States to to grow up

2262

01:33:30,770 --> 01:33:28,199

and and and and and try to develop a

2263

01:33:32,570 --> 01:33:30,780

sense of maturity they've had five ten

2264

01:33:34,070 --> 01:33:32,580

thousand years to figure it out in Egypt

2265

01:33:35,870 --> 01:33:34,080

well you know like when you look at

2266

01:33:38,030 --> 01:33:35,880

countries like India as an example and

2267

01:33:39,950 --> 01:33:38,040

we all kind of discount India as being

2268

01:33:41,330 --> 01:33:39,960

something about country they're

2269

01:33:43,490 --> 01:33:41,340

uneducated they don't know what they're

2270

01:33:45,530 --> 01:33:43,500

doing but you know but but that's just

2271

01:33:47,870 --> 01:33:45,540

not true at all yeah that's a portion of

2272

01:33:49,430 --> 01:33:47,880

the country but there are huge sprawling

2273

01:33:51,830 --> 01:33:49,440

cities with some of the most intelligent

2274

01:33:53,390 --> 01:33:51,840

people have ever ever born that live

2275

01:33:55,610 --> 01:33:53,400

there but why I bring up India is

2276

01:33:58,430 --> 01:33:55,620

because if you talk to any Indian on the

2277

01:34:00,669 --> 01:33:58,440

street be it a scholar or be it a

2278

01:34:02,510 --> 01:34:00,679

homeless person all of them believe in

2279

01:34:05,870 --> 01:34:02,520

extraterrestrials all of them believe

2280

01:34:07,910 --> 01:34:05,880

that we were visited in in or ancient

2281

01:34:10,310 --> 01:34:07,920

times if you look at all of the all of

2282

01:34:12,169 --> 01:34:10,320

the um carvings and the writings and the

2283

01:34:13,790 --> 01:34:12,179

inscriptions it's all there like you

2284

01:34:15,709 --> 01:34:13,800

know just like they have in Egypt where

2285

01:34:18,470 --> 01:34:15,719

you can see the flying machines and the

2286

01:34:20,330 --> 01:34:18,480

UFOs like they believe and they also

2287

01:34:21,590 --> 01:34:20,340

believe in the afterlife in fact if you

2288

01:34:23,570 --> 01:34:21,600

say to an Indian person there's no

2289

01:34:25,250 --> 01:34:23,580

afterlife they look like

2290

01:34:26,750 --> 01:34:25,260

you're like yeah yeah yeah that does

2291

01:34:28,430 --> 01:34:26,760

make sense and that's India and then

2292

01:34:29,689 --> 01:34:28,440

there's also China there's you know

2293

01:34:33,110 --> 01:34:29,699

there's so many countries around the

2294

01:34:37,090 --> 01:34:33,120

world that actually just believe it in

2295

01:34:42,649 --> 01:34:40,490

I was uh on with uh Christina Gomez on

2296

01:34:44,870 --> 01:34:42,659

her show that I do with her every week

2297

01:34:47,750 --> 01:34:44,880

and and she's amazing but

2298

01:34:50,090 --> 01:34:47,760

um she picks the topics and this week we

2299

01:34:50,830 --> 01:34:50,100

were doing Japan right mysteries of

2300

01:34:53,169 --> 01:34:50,840

Japan

2301

01:34:57,470 --> 01:34:53,179

and

2302

01:34:58,990 --> 01:34:57,480

we this is the crazy part we have a hard

2303

01:35:02,570 --> 01:34:59,000

time here

2304

01:35:04,729 --> 01:35:02,580

uh speaking about UFOs and discussing

2305

01:35:07,010 --> 01:35:04,739

this in the United States it seems like

2306

01:35:09,430 --> 01:35:07,020

it's wide open but no it does to us

2307

01:35:13,990 --> 01:35:09,440

because we're into it for the most part

2308

01:35:16,689 --> 01:35:14,000

right but in Japan they came from ET

2309

01:35:20,689 --> 01:35:16,699

that's what they believe man

2310

01:35:24,410 --> 01:35:20,699

that's they're called just like uh when

2311

01:35:27,890 --> 01:35:24,420

you go through the writings of India and

2312

01:35:29,709 --> 01:35:27,900

the vamanas and everything or Persia

2313

01:35:32,390 --> 01:35:29,719

flying carpets and

2314

01:35:34,970 --> 01:35:32,400

this whole it's all there it's all there

2315

01:35:38,090 --> 01:35:34,980

it's all there the bulk of humanity Act

2316

01:35:40,129 --> 01:35:38,100

actually believe it's just it has zero

2317

01:35:41,990 --> 01:35:40,139

issues with it right they're excited

2318

01:35:43,550 --> 01:35:42,000

about it and you know I'm not even gonna

2319

01:35:45,050 --> 01:35:43,560

just it's say it's just us because

2320

01:35:46,850 --> 01:35:45,060

there's a large group of people in

2321

01:35:49,070 --> 01:35:46,860

America that also believe that we're

2322

01:35:51,530 --> 01:35:49,080

being visited constantly and that's the

2323

01:35:53,030 --> 01:35:51,540

Native Americans and I'm sure all of us

2324

01:35:54,530 --> 01:35:53,040

that are that are listening to this have

2325

01:35:56,810 --> 01:35:54,540

watched documentaries where they talk

2326

01:35:59,149 --> 01:35:56,820

about how they see craft all the time

2327

01:36:02,090 --> 01:35:59,159

all the time and it's part of their

2328

01:36:05,450 --> 01:36:02,100

their belief system I've used have you

2329

01:36:09,169 --> 01:36:05,460

seen us oh no have you seen in person

2330

01:36:11,209 --> 01:36:09,179

any petroglyphs here in the states is

2331

01:36:13,970 --> 01:36:11,219

that the craziest thing to see

2332

01:36:16,490 --> 01:36:13,980

it's that that to me is almost as

2333

01:36:19,610 --> 01:36:16,500

incredible as seeing a UFO I'm right

2334

01:36:23,450 --> 01:36:19,620

with you you know it just slaps you

2335

01:36:31,550 --> 01:36:23,460

across the face masola and I and Michael

2336

01:36:34,310 --> 01:36:32,930

we're out

2337

01:36:36,470 --> 01:36:34,320

um and

2338

01:36:37,970 --> 01:36:36,480

and you know are looking at petroglyphs

2339

01:36:41,830 --> 01:36:37,980

it's at night we got flashlights you

2340

01:36:47,270 --> 01:36:43,910

and I'm looking

2341

01:36:48,890 --> 01:36:47,280

and Mazzola's like dude this is DNA and

2342

01:36:51,649 --> 01:36:48,900

somebody else is going you know this is

2343

01:36:53,689 --> 01:36:51,659

mitochondria this is this and we're

2344

01:36:56,149 --> 01:36:53,699

looking at this dude with this helmet on

2345

01:36:58,910 --> 01:36:56,159

and and it's and it's thousands of years

2346

01:37:02,990 --> 01:36:58,920

old and you're just you're right that's

2347

01:37:05,209 --> 01:37:03,000

as crazy as seeing uh a spacecraft you

2348

01:37:07,010 --> 01:37:05,219

know it's all here it's actually have

2349

01:37:09,530 --> 01:37:07,020

you been you haven't been to Egypt yet

2350

01:37:11,270 --> 01:37:09,540

what about the Gosford glyphs in

2351

01:37:13,490 --> 01:37:11,280

Australia I have seen them in there

2352

01:37:16,250 --> 01:37:13,500

incredible and I've also been to uh

2353

01:37:18,530 --> 01:37:16,260

recently to Chichen Itza what have you

2354

01:37:21,229 --> 01:37:18,540

been there that's no I haven't same same

2355

01:37:22,850 --> 01:37:21,239

and you can feel it there question when

2356

01:37:25,250 --> 01:37:22,860

you're in Egypt and you were near the

2357

01:37:27,709 --> 01:37:25,260

pyramids did you feel

2358

01:37:32,209 --> 01:37:27,719

ah depends on which one the Great

2359

01:37:34,189 --> 01:37:32,219

Pyramid no no no the the Sphinx was a

2360

01:37:35,570 --> 01:37:34,199

very spiritual journey and it's right in

2361

01:37:39,410 --> 01:37:35,580

front of it

2362

01:37:42,110 --> 01:37:39,420

um the Great Pyramid uh not to get into

2363

01:37:45,890 --> 01:37:42,120

a big long thing about it

2364

01:37:47,149 --> 01:37:45,900

my expectations were very high okay

2365

01:37:49,810 --> 01:37:47,159

um everyone says that then they're like

2366

01:37:54,890 --> 01:37:49,820

yeah it was a bit small what no

2367

01:37:57,709 --> 01:37:54,900

it's big so uh I go in I'm first right

2368

01:37:59,990 --> 01:37:57,719

and so I go up to the tunnel and I'm

2369

01:38:01,669 --> 01:38:00,000

there and and we're taking pictures and

2370

01:38:05,330 --> 01:38:01,679

stuff anyway so I go

2371

01:38:07,910 --> 01:38:05,340

I I go up and I go into the grand

2372

01:38:10,790 --> 01:38:07,920

gallery and I'm looking around and I'm

2373

01:38:13,790 --> 01:38:10,800

waiting for the beam of light right this

2374

01:38:17,870 --> 01:38:13,800

thing now it uh it's beautiful it's

2375

01:38:20,270 --> 01:38:17,880

crazy it's insane it's all of that but I

2376

01:38:23,570 --> 01:38:20,280

didn't get the spiritual Vibe you go to

2377

01:38:28,370 --> 01:38:23,580

dendara right you go to abados and you

2378

01:38:32,350 --> 01:38:28,380

go uh to these uh different spots uh in

2379

01:38:35,870 --> 01:38:32,360

Sakara you know and and you head out

2380

01:38:38,149 --> 01:38:35,880

very spiritual journey very powerful

2381

01:38:39,830 --> 01:38:38,159

things oh man do you think that's maybe

2382

01:38:43,669 --> 01:38:39,840

because it's been

2383

01:38:45,770 --> 01:38:43,679

um visited so many no times no no I I

2384

01:38:49,129 --> 01:38:45,780

don't think it was I don't think it was

2385

01:38:51,709 --> 01:38:49,139

a spiritual building I don't I think

2386

01:38:55,250 --> 01:38:51,719

it's mechanical and it's I think that

2387

01:38:58,450 --> 01:38:55,260

too yeah there's something okay look you

2388

01:39:01,610 --> 01:38:58,460

go power and then yeah

2389

01:39:03,850 --> 01:39:01,620

yeah yeah yeah yeah yeah yeah so if you

2390

01:39:09,350 --> 01:39:03,860

you go to

2391

01:39:11,390 --> 01:39:09,360

retreat center you're right you know

2392

01:39:14,149 --> 01:39:11,400

you're at a spiritual place right and

2393

01:39:18,890 --> 01:39:14,159

you're there and then you experience

2394

01:39:20,709 --> 01:39:18,900

that and then you go to a Ford factory

2395

01:39:23,750 --> 01:39:20,719

that builds yeah

2396

01:39:25,610 --> 01:39:23,760

you're not gonna get a spiritual Vibe at

2397

01:39:28,010 --> 01:39:25,620

the Ford factory we know that that tells

2398

01:39:29,990 --> 01:39:28,020

me then that clearly even though the

2399

01:39:31,930 --> 01:39:30,000

sakova guy were found in there and it

2400

01:39:33,830 --> 01:39:31,940

was used as a burial chamber

2401

01:39:34,790 --> 01:39:33,840

clearly that's not what it was because

2402

01:39:38,050 --> 01:39:34,800

you would have felt it you're an

2403

01:39:45,169 --> 01:39:41,030

that's the Dogma part of it that that it

2404

01:39:48,590 --> 01:39:45,179

was a tune yeah I I no if I if I built

2405

01:39:51,950 --> 01:39:48,600

if I was the if I was Khufu and I built

2406

01:39:55,510 --> 01:39:51,960

that and that was my tomb my name would

2407

01:39:59,930 --> 01:39:55,520

be all totally I agree I feel that

2408

01:40:03,110 --> 01:39:59,940

arrogant to make a monument that [h__h]

2409

01:40:07,570 --> 01:40:03,120

big that big you're gonna do something

2410

01:40:13,189 --> 01:40:12,290

when you go to uh I'll use dundera as an

2411

01:40:15,410 --> 01:40:13,199

example

2412

01:40:18,110 --> 01:40:15,420

um and it's a feminine Temple right okay

2413

01:40:21,050 --> 01:40:18,120

so for the divine feminine and you you

2414

01:40:26,030 --> 01:40:21,060

go there and you see

2415

01:40:29,930 --> 01:40:26,040

it is floor to ceiling the ceiling the

2416

01:40:33,970 --> 01:40:29,940

pillars the walls everything is adorned

2417

01:40:37,430 --> 01:40:33,980

with the most insane beautiful artwork

2418

01:40:40,430 --> 01:40:37,440

carvings uh figures writings

2419

01:40:42,350 --> 01:40:40,440

hieroglyphics colors the colors the

2420

01:40:46,330 --> 01:40:42,360

blues and the golds and it's all still

2421

01:40:49,430 --> 01:40:46,340

there it's true Memorial yeah

2422

01:40:52,430 --> 01:40:49,440

powerful I mean it's strong you cannot

2423

01:40:55,729 --> 01:40:52,440

help but feel it and be moved the Temple

2424

01:40:57,649 --> 01:40:55,739

of Isis on the island of uh Phile that

2425

01:41:01,129 --> 01:40:57,659

was just an incredibly spiritual place

2426
01:41:03,050 --> 01:41:01,139
and so you do that like Joshua tree and

2427
01:41:05,270 --> 01:41:03,060
then you go to the Great Pyramid and

2428
01:41:07,610 --> 01:41:05,280
it's it's a Ford factory you know it's

2429
01:41:10,070 --> 01:41:07,620
it's it's mechanical because Chichen

2430
01:41:11,390 --> 01:41:10,080
Itza like and it wasn't a friendly

2431
01:41:13,910 --> 01:41:11,400
feeling but you know they they

2432
01:41:16,129 --> 01:41:13,920
sacrificed millions of people there and

2433
01:41:17,870 --> 01:41:16,139
you can feel it you can feel it you can

2434
01:41:19,970 --> 01:41:17,880
feel it you can feel it yeah you stand

2435
01:41:20,990 --> 01:41:19,980
at the bottom I haven't been there

2436
01:41:23,090 --> 01:41:21,000
um

2437
01:41:25,129 --> 01:41:23,100
you stand at the bottom of those steps

2438
01:41:27,590 --> 01:41:25,139

and you just think how many bodies how

2439

01:41:29,689 --> 01:41:27,600

many heads how many heads roll down

2440

01:41:30,890 --> 01:41:29,699

those steps and I pick up on that you

2441

01:41:33,110 --> 01:41:30,900

know those sort of like spiritual

2442

01:41:34,310 --> 01:41:33,120

energies and that Blaze was insane but I

2443

01:41:36,229 --> 01:41:34,320

know exactly what you're saying because

2444

01:41:38,270 --> 01:41:36,239

I've I actually like I spent a lot of

2445

01:41:40,370 --> 01:41:38,280

time at Stonehenge uh which is in

2446

01:41:41,450 --> 01:41:40,380

England the Big Stone Circle and I

2447

01:41:44,209 --> 01:41:41,460

didn't feel the spiritual connection

2448

01:41:47,030 --> 01:41:44,219

really I'm going to be there uh in a few

2449

01:41:49,490 --> 01:41:47,040

months it's cool yeah and uh I'm going

2450

01:41:52,430 --> 01:41:49,500

to Manchester yeah but I've got a couple

2451
01:41:53,870 --> 01:41:52,440
of extra days and and 100 check it out

2452
01:41:56,209 --> 01:41:53,880
I'm gonna go to a bearing go to

2453
01:41:58,310 --> 01:41:56,219
Stonehenge but like you I felt a mecha

2454
01:41:59,689 --> 01:41:58,320
they had a mechanical nature to it like

2455
01:42:02,450 --> 01:41:59,699
standing in the middle of it you could

2456
01:42:04,669 --> 01:42:02,460
you could feel power like you could see

2457
01:42:07,609 --> 01:42:04,679
that it was created there as like an

2458
01:42:09,290 --> 01:42:07,619
energy force but um yeah it was a

2459
01:42:12,350 --> 01:42:09,300
spiritual center you know like where

2460
01:42:15,709 --> 01:42:12,360
Souls had like left this realm you just

2461
01:42:17,090 --> 01:42:15,719
didn't there was a tourist no I get I

2462
01:42:19,310 --> 01:42:17,100
actually got let in myself that's what

2463
01:42:20,450 --> 01:42:19,320

I'm talking about okay on the inside and

2464

01:42:23,330 --> 01:42:20,460

there was only like five six people

2465

01:42:24,350 --> 01:42:23,340

there oh shut up I'm gonna send you a

2466

01:42:25,430 --> 01:42:24,360

video of it I'm going to tell you

2467

01:42:27,290 --> 01:42:25,440

something that happened it was so weird

2468

01:42:29,030 --> 01:42:27,300

so it was a sunny day

2469

01:42:30,530 --> 01:42:29,040

um Lots it wasn't warm because England's

2470

01:42:32,330 --> 01:42:30,540

never warm let me tell you guys it was

2471

01:42:34,850 --> 01:42:32,340

[h__\h] cold in that place but it was

2472

01:42:37,609 --> 01:42:34,860

you know maybe like 60 degrees and it

2473

01:42:39,169 --> 01:42:37,619

was sunny and um we're walking into the

2474

01:42:41,510 --> 01:42:39,179

circle and as soon as we were in the

2475

01:42:43,790 --> 01:42:41,520

circle we saw like a wall of cloud like

2476
01:42:45,709 --> 01:42:43,800
approaching not a sky I've clout a wall

2477
01:42:46,970 --> 01:42:45,719
of cloud it was the strangest thing and

2478
01:42:49,189 --> 01:42:46,980
within a couple of minutes it went from

2479
01:42:50,570 --> 01:42:49,199
being Sunny to hailing and I'm standing

2480
01:42:52,310 --> 01:42:50,580
in the middle of this Stone Circle and

2481
01:42:55,189 --> 01:42:52,320
it was just there was this hail and this

2482
01:42:56,990 --> 01:42:55,199
snow like swirling around and around and

2483
01:42:59,270 --> 01:42:57,000
I'm telling you it was the most magical

2484
01:43:01,729 --> 01:42:59,280
mystical experience wow

2485
01:43:03,649 --> 01:43:01,739
wow and then and the guy that was there

2486
01:43:05,629 --> 01:43:03,659
the guide I guess he he stood there and

2487
01:43:06,890 --> 01:43:05,639
he just goes that has never ever

2488
01:43:08,689 --> 01:43:06,900

happened before I've done a million

2489

01:43:12,890 --> 01:43:08,699

tours at this place and I'm like that's

2490

01:43:15,350 --> 01:43:12,900

crazy sorry man did you go did you go to

2491

01:43:16,970 --> 01:43:15,360

Barry that whole place is amazing like

2492

01:43:19,250 --> 01:43:16,980

Stonehenge is very famous but there's

2493

01:43:20,870 --> 01:43:19,260

hinges like Stonehenge basically means

2494

01:43:22,490 --> 01:43:20,880

there's some stones in the circle and

2495

01:43:24,470 --> 01:43:22,500

the hinge itself is it has nothing to do

2496

01:43:26,450 --> 01:43:24,480

with the Stones it's it's kind of like a

2497

01:43:28,430 --> 01:43:26,460

moat that's sort of dug out around it a

2498

01:43:30,530 --> 01:43:28,440

pit yeah a pit yeah and that's the hinge

2499

01:43:31,790 --> 01:43:30,540

you know and there's hundreds of hinges

2500

01:43:33,830 --> 01:43:31,800

around that area the whole area is

2501

01:43:37,250 --> 01:43:33,840

really cool really cool do you see any

2502

01:43:38,629 --> 01:43:37,260

crop circles yes okay now okay so let's

2503

01:43:40,490 --> 01:43:38,639

talk about that you want to see a video

2504

01:43:43,070 --> 01:43:40,500

of me in a crop circle it's really cool

2505

01:43:45,109 --> 01:43:43,080

yeah it's gonna be a long night so um

2506

01:43:48,290 --> 01:43:45,119

circles are insane

2507

01:43:51,290 --> 01:43:48,300

don't you know you know what flips me

2508

01:43:53,570 --> 01:43:51,300

out okay there's there's the side of me

2509

01:43:55,070 --> 01:43:53,580

that goes come on man it's just people

2510

01:43:57,050 --> 01:43:55,080

out there doing it they're getting it

2511

01:44:01,129 --> 01:43:57,060

done but then there's the other side

2512

01:44:04,370 --> 01:44:01,139

that is nobody's been caught

2513

01:44:07,370 --> 01:44:04,380

there's no video there's nobody there's

2514

01:44:09,490 --> 01:44:07,380

no police arresting somebody for making

2515

01:44:11,510 --> 01:44:09,500

a crop circle

2516

01:44:13,669 --> 01:44:11,520

right so they've got these they've got

2517

01:44:14,689 --> 01:44:13,679

these uh Facebook pages where um if you

2518

01:44:15,709 --> 01:44:14,699

want to know when the crop circles

2519

01:44:16,689 --> 01:44:15,719

appear because there's crop circle

2520

01:44:19,250 --> 01:44:16,699

season

2521

01:44:21,229 --> 01:44:19,260

happens between August and sort of the

2522

01:44:22,490 --> 01:44:21,239

end of September right anyway so I just

2523

01:44:24,530 --> 01:44:22,500

moved to England and so I thought okay

2524

01:44:26,629 --> 01:44:24,540

I'm gonna join the join these pages and

2525

01:44:27,950 --> 01:44:26,639

I saw one one it appeared and it had

2526

01:44:29,750 --> 01:44:27,960

like coordinates for where it was

2527

01:44:31,669 --> 01:44:29,760

because there's this lady and she goes

2528

01:44:33,290 --> 01:44:31,679

up in her Light plane every morning and

2529

01:44:34,970 --> 01:44:33,300

she flies all over wilshire which is

2530

01:44:36,890 --> 01:44:34,980

where they appear and when she sees them

2531

01:44:38,570 --> 01:44:36,900

she takes photo puts it on Facebook and

2532

01:44:40,250 --> 01:44:38,580

puts the coordinates with what a [h__\h]

2533

01:44:42,109 --> 01:44:40,260

Legend shout out to that chick right

2534

01:44:44,330 --> 01:44:42,119

right anyway so I hopped in the car with

2535

01:44:46,250 --> 01:44:44,340

a friend and I'm like let's go let's go

2536

01:44:48,350 --> 01:44:46,260

see if we can find it and this crop

2537

01:44:50,030 --> 01:44:48,360

circle we couldn't find it anywhere we

2538

01:44:51,590 --> 01:44:50,040

search and search and search and we just

2539

01:44:53,930 --> 01:44:51,600

could not find it then we see this car

2540

01:44:56,270 --> 01:44:53,940

driving along and it had a number plate

2541

01:44:59,090 --> 01:44:56,280

saying UFO on it and it pulls over and

2542

01:45:01,070 --> 01:44:59,100

it says and the guy comes out and goes

2543

01:45:03,109 --> 01:45:01,080

you're looking for the crops

2544

01:45:05,209 --> 01:45:03,119

yeah man I'm looking for it so we like

2545

01:45:06,830 --> 01:45:05,219

started a convoy and we found it right

2546

01:45:08,689 --> 01:45:06,840

so we found a field we knew it was out

2547

01:45:10,550 --> 01:45:08,699

there and it was so hard to get to this

2548

01:45:12,109 --> 01:45:10,560

field we went through a school and then

2549

01:45:13,850 --> 01:45:12,119

over a paddock and then around a corner

2550

01:45:15,890 --> 01:45:13,860

and then there it was so it isn't out

2551
01:45:19,390 --> 01:45:15,900
there for people to see and that's the

2552
01:45:24,109 --> 01:45:21,350
how'd you feel

2553
01:45:25,910 --> 01:45:24,119
so I'll send you the video so you can

2554
01:45:28,370 --> 01:45:25,920
hear the real reaction but when we first

2555
01:45:30,709 --> 01:45:28,380
saw it we're like is that is is that it

2556
01:45:32,629 --> 01:45:30,719
and then it was like I'm walking in a

2557
01:45:34,370 --> 01:45:32,639
girl's Circle oh my God they've been

2558
01:45:35,810 --> 01:45:34,380
over but then because I'd seen some

2559
01:45:37,729 --> 01:45:35,820
videos about it I knew that you had to

2560
01:45:39,050 --> 01:45:37,739
look at the nodes right yeah to see if

2561
01:45:40,910 --> 01:45:39,060
they'd just been bent or if they'd

2562
01:45:42,530 --> 01:45:40,920
exploded because if they had exploded

2563
01:45:45,350 --> 01:45:42,540

then that meant that they've been moving

2564

01:45:48,530 --> 01:45:45,360

energy exactly why energy and they had

2565

01:45:50,990 --> 01:45:48,540

they had exploded I have some in my

2566

01:45:53,090 --> 01:45:51,000

house did you go to the center I did go

2567

01:45:54,590 --> 01:45:53,100

in the center and this is the freaky

2568

01:45:55,609 --> 01:45:54,600

thing and I've got I always again I'll

2569

01:45:57,590 --> 01:45:55,619

show you the video

2570

01:45:59,570 --> 01:45:57,600

um there was a pile of rocks a pile of

2571

01:46:01,370 --> 01:45:59,580

rocks piled up right in the very center

2572

01:46:04,250 --> 01:46:01,380

and guess what I took them Michael

2573

01:46:05,990 --> 01:46:04,260

mazzola has one of them I have one I

2574

01:46:07,430 --> 01:46:06,000

took the pilot well they were I thought

2575

01:46:09,649 --> 01:46:07,440

can I tell you honestly when I first saw

2576

01:46:11,350 --> 01:46:09,659

it I'm like that that was a gift it was

2577

01:46:19,550 --> 01:46:11,360

a gift

2578

01:46:27,050 --> 01:46:22,270

so um

2579

01:46:30,410 --> 01:46:27,060

I'm in Egypt and I'm walking I'm it's

2580

01:46:32,990 --> 01:46:30,420

this is I I think

2581

01:46:37,310 --> 01:46:33,000

I can't remember okay anyway we're we're

2582

01:46:39,950 --> 01:46:37,320

out yeah and um and we're walking and

2583

01:46:42,350 --> 01:46:39,960

I'm looking down and I think this was

2584

01:46:44,750 --> 01:46:42,360

like kamambo I think that's where it was

2585

01:46:46,729 --> 01:46:44,760

and there was an archaeological dig

2586

01:46:49,669 --> 01:46:46,739

going on and they had you know the

2587

01:46:52,550 --> 01:46:49,679

temples behind us and and we're over on

2588

01:46:55,729 --> 01:46:52,560

this side and I'm I'm with uh this lady

2589

01:46:59,209 --> 01:46:55,739

named Shaw and so we're looking for she

2590

01:47:05,180 --> 01:46:59,219

was our uh our guide she's amazing happy

2591

01:47:09,770 --> 01:47:06,790

[Music]

2592

01:47:12,290 --> 01:47:09,780

yeah yeah it's crazy oh my God

2593

01:47:14,169 --> 01:47:12,300

two three twenty twenty three well I'm

2594

01:47:16,790 --> 01:47:14,179

gonna give a shout out to Shaw hey girl

2595

01:47:21,649 --> 01:47:16,800

so anyway we're walking and I'm looking

2596

01:47:27,290 --> 01:47:21,659

down and we're walking on Pottery shards

2597

01:47:34,729 --> 01:47:31,430

and I could see like it was either paint

2598

01:47:37,550 --> 01:47:34,739

or carved I could see stuff on it right

2599

01:47:38,930 --> 01:47:37,560

I was gonna take it oh she goes put that

2600

01:47:40,930 --> 01:47:38,940

down yeah

2601

01:47:43,850 --> 01:47:40,940

I was like but but

2602

01:47:49,790 --> 01:47:43,860

so so I I put it on I didn't take

2603

01:47:52,010 --> 01:47:49,800

anything I'm uh I'm in Amman Jordan

2604

01:47:55,669 --> 01:47:52,020

and I'm going through customs

2605

01:47:57,770 --> 01:47:55,679

and uh and I've got uh a bunch of stuff

2606

01:48:00,050 --> 01:47:57,780

that I bought in Egypt

2607

01:48:04,270 --> 01:48:00,060

and they they searched me they held me

2608

01:48:09,050 --> 01:48:06,890

see this is this is the crazy thing

2609

01:48:11,450 --> 01:48:09,060

everybody spoke English you know I'm

2610

01:48:14,149 --> 01:48:11,460

flying first class you know I've got to

2611

01:48:16,189 --> 01:48:14,159

I think they can look and see what's

2612

01:48:18,709 --> 01:48:16,199

going on right

2613

01:48:21,290 --> 01:48:18,719

um and they suddenly didn't speak

2614

01:48:24,890 --> 01:48:21,300

English it was like crazy and they were

2615

01:48:27,229 --> 01:48:24,900

just and I was like man you know so they

2616

01:48:30,410 --> 01:48:27,239

take out all of my stuff and they're

2617

01:48:32,629 --> 01:48:30,420

going through it and little things that

2618

01:48:34,910 --> 01:48:32,639

I bought little statues and stuff you

2619

01:48:36,410 --> 01:48:34,920

know and I had to go and explain to each

2620

01:48:38,290 --> 01:48:36,420

you know they photographed everything

2621

01:48:40,910 --> 01:48:38,300

with my passport

2622

01:48:42,950 --> 01:48:40,920

these statues they wanted to get you

2623

01:48:45,770 --> 01:48:42,960

Jimmy these these were trinkets I bought

2624

01:48:47,390 --> 01:48:45,780

in a gift shop right for friends and

2625

01:48:50,209 --> 01:48:47,400

they're taking pictures of each one with

2626
01:48:52,070 --> 01:48:50,219
my passport and I was thinking was man

2627
01:48:57,649 --> 01:48:52,080
if I would have had that piece of

2628
01:49:03,530 --> 01:49:00,410
but yeah so I'm walking on all this

2629
01:49:05,750 --> 01:49:03,540
history and and I'm not talking about I

2630
01:49:08,570 --> 01:49:05,760
looked down and saw a piece of pottery

2631
01:49:11,090 --> 01:49:08,580
it was everywhere it was just like

2632
01:49:13,669 --> 01:49:11,100
everywhere yeah I was picking a lot of

2633
01:49:16,910 --> 01:49:13,679
it and and looking at it you know it was

2634
01:49:19,430 --> 01:49:16,920
so funny child goes put that down

2635
01:49:20,810 --> 01:49:19,440
ah it's the right thing to do to me just

2636
01:49:23,030 --> 01:49:20,820
put it down

2637
01:49:24,770 --> 01:49:23,040
um but yeah you could just look down and

2638
01:49:26,209 --> 01:49:24,780

see history

2639

01:49:27,709 --> 01:49:26,219

um how incredible is that like imagine

2640

01:49:29,390 --> 01:49:27,719

being an archaeologist how fun that

2641

01:49:31,430 --> 01:49:29,400

would be it would be the best another

2642

01:49:34,430 --> 01:49:31,440

thing those things like when you go to

2643

01:49:36,109 --> 01:49:34,440

Egypt you'll stay uh in front of the uh

2644

01:49:37,729 --> 01:49:36,119

the Great Pyramid there's this great

2645

01:49:39,850 --> 01:49:37,739

Hotel it's called the Mina house you'll

2646

01:49:43,390 --> 01:49:39,860

stay there it's amazing and it's right

2647

01:49:47,270 --> 01:49:43,400

there it is here's the Great Pyramid

2648

01:49:48,649 --> 01:49:47,280

sand your breakfast table right and

2649

01:49:51,050 --> 01:49:48,659

you're just there you're eating and

2650

01:49:53,290 --> 01:49:51,060

looking but but this is what goes

2651

01:49:56,810 --> 01:49:53,300

through your mind

2652

01:49:59,209 --> 01:49:56,820

Moses walked here right you know what I

2653

01:50:01,189 --> 01:49:59,219

mean this is this is where we are this

2654

01:50:05,050 --> 01:50:01,199

is what this is about right now you're

2655

01:50:07,669 --> 01:50:05,060

on Moses I'm on like Ramesses and yeah

2656

01:50:11,270 --> 01:50:07,679

that's what I'm saying that's exactly

2657

01:50:13,310 --> 01:50:11,280

yeah yeah that that sand

2658

01:50:15,109 --> 01:50:13,320

think about the footprints that were

2659

01:50:17,570 --> 01:50:15,119

created just right there as you're

2660

01:50:18,890 --> 01:50:17,580

eating your breakfast and and uh it's

2661

01:50:20,209 --> 01:50:18,900

the Great Pyramid I would just be

2662

01:50:24,169 --> 01:50:20,219

thinking what else is underneath there

2663

01:50:26,709 --> 01:50:24,179

oh man see that what amen this is what

2664

01:50:29,450 --> 01:50:26,719

they don't tell you about Giza

2665

01:50:31,490 --> 01:50:29,460

because you always see the the Sphinx

2666

01:50:34,310 --> 01:50:31,500

and you see the three pyramids oh okay

2667

01:50:37,010 --> 01:50:34,320

when you're driving and walking you know

2668

01:50:41,390 --> 01:50:37,020

around there there are

2669

01:50:42,950 --> 01:50:41,400

temples and things on the Giza Compton

2670

01:50:45,709 --> 01:50:42,960

that you can tell are really really old

2671

01:50:48,709 --> 01:50:45,719

number one but two they're everywhere

2672

01:50:51,050 --> 01:50:48,719

and so you're looking at that and and

2673

01:50:53,810 --> 01:50:51,060

they're buried right you'll see that you

2674

01:50:56,030 --> 01:50:53,820

know you see all you can think about is

2675

01:50:58,609 --> 01:50:56,040

what else is under there what else is

2676

01:51:01,430 --> 01:50:58,619

under that sand and it's so restricted

2677

01:51:02,750 --> 01:51:01,440

it's just so frustrating it is it is I

2678

01:51:04,010 --> 01:51:02,760

think it would be like that here so you

2679

01:51:07,129 --> 01:51:04,020

just say that you know you're in the

2680

01:51:09,350 --> 01:51:07,139

Mojave Desert and you've pyramid do you

2681

01:51:11,830 --> 01:51:09,360

think that our government would let

2682

01:51:14,390 --> 01:51:11,840

them dig no and dig and dick no no no

2683

01:51:17,030 --> 01:51:14,400

because they lie and pretend us yeah

2684

01:51:19,609 --> 01:51:17,040

preservations to they don't want us to

2685

01:51:22,010 --> 01:51:19,619

no no look at Andrew The Riddles of the

2686

01:51:23,930 --> 01:51:22,020

universe Jimmy yeah why don't they want

2687

01:51:26,149 --> 01:51:23,940

us to know think about that you know

2688

01:51:29,689 --> 01:51:26,159

Antarctica why is it so restricted it's

2689

01:51:33,350 --> 01:51:29,699

not because it's cold and you know if if

2690

01:51:35,570 --> 01:51:33,360

uh uh the just like I was talking about

2691

01:51:38,390 --> 01:51:35,580

earlier right when you go into you know

2692

01:51:41,030 --> 01:51:38,400

deep history when

2693

01:51:43,270 --> 01:51:41,040

um we are finding out like Gobekli Tepe

2694

01:51:47,209 --> 01:51:43,280

go Beckley tepy wasn't supposed to exist

2695

01:51:50,330 --> 01:51:47,219

Giza was the oldest thing it's 3000 BC

2696

01:51:54,530 --> 01:51:50,340

before that there was nothing exactly 10

2697

01:51:57,290 --> 01:51:54,540

right 10 000. 10 000 BC 12 000 years old

2698

01:52:00,770 --> 01:51:57,300

and but it was supposed to exist and

2699

01:52:03,229 --> 01:52:00,780

it's 7 000 years older than Giza well

2700

01:52:05,750 --> 01:52:03,239

and and now there's Kara hunt there's

2701

01:52:08,689 --> 01:52:05,760

there's all these other uh not only

2702

01:52:10,310 --> 01:52:08,699

tepies but if that exists how much more

2703

01:52:13,490 --> 01:52:10,320

is out there that's why I'm going to dig

2704

01:52:15,350 --> 01:52:13,500

that hole Yeah dig it Serena thank you

2705

01:52:16,070 --> 01:52:15,360

so much what a great night thank you so

2706

01:52:18,109 --> 01:52:16,080

much

2707

01:52:19,990 --> 01:52:18,119

where can everybody go and check you out

2708

01:52:22,550 --> 01:52:20,000

we've got your links here so you have

2709

01:52:24,290 --> 01:52:22,560

serenadc.com oh yeah I've got lots of

2710

01:52:27,189 --> 01:52:24,300

links and so many links bug of the links

2711

01:52:30,350 --> 01:52:27,199

forget about it just go to

2712

01:52:33,530 --> 01:52:30,360

ce5collective.com and join up it's free

2713

01:52:35,090 --> 01:52:33,540

and we'll always be free forever and I'm

2714

01:52:37,129 --> 01:52:35,100

trying to create a community of people

2715

01:52:38,810 --> 01:52:37,139

just like me and Jimmy uh where you can

2716

01:52:41,149 --> 01:52:38,820

meet like-minded people and share your

2717

01:52:43,370 --> 01:52:41,159

stories and hear their stories and

2718

01:52:47,570 --> 01:52:43,380

hopefully we can you know reach Dr

2719

01:52:48,950 --> 01:52:47,580

Greer's 80 million and start talking to

2720

01:52:50,689 --> 01:52:48,960

these star people and getting them to

2721

01:52:53,629 --> 01:52:50,699

come and help us out yeah let's make it

2722

01:52:55,790 --> 01:52:53,639

happen thank you so much Serena good

2723

01:52:57,590 --> 01:52:55,800

luck on rolling that rock uphill thank

2724

01:53:00,350 --> 01:52:57,600

you and uh it's gonna be great when the

2725

01:53:03,350 --> 01:53:00,360

movie comes out uh this summer we'll get

2726

01:53:05,090 --> 01:53:03,360

you back and we'll talk about that and

2727

01:53:07,490 --> 01:53:05,100

and make that announcement is there

2728

01:53:09,290 --> 01:53:07,500

going to be a Premiere in L.A yes and

2729

01:53:11,330 --> 01:53:09,300

will you be walking the red carpet with

2730

01:53:16,030 --> 01:53:11,340

me sir I'm going to be interviewing you

2731

01:53:21,050 --> 01:53:19,250

be a lot of fun my my pleasure it'll be

2732

01:53:22,310 --> 01:53:21,060

an honor and a privilege to do it thank

2733

01:53:24,830 --> 01:53:22,320

you but yeah for now you can check out

2734

01:53:27,350 --> 01:53:24,840

check out contact to see if

2735

01:53:29,330 --> 01:53:27,360

you see Amazon and Apple TV and you know

2736

01:53:31,370 --> 01:53:29,340

pretty much everywhere and thank you so

2737

01:53:34,010 --> 01:53:31,380

much for interviewing me Jimmy now I'm

2738

01:53:36,169 --> 01:53:34,020

gonna go watch some videos uh let's go

2739

01:53:38,209 --> 01:53:36,179

see five let's go outside and see fun

2740

01:53:41,689 --> 01:53:38,219

we're gonna go see E5 in the backyard

2741

01:53:44,570 --> 01:53:41,699

right now so everybody thank you so much

2742

01:53:47,270 --> 01:53:44,580

have a great safe fun and amazing

2743

01:53:50,930 --> 01:53:47,280

weekend I am Jimmy church I'll see

2744

01:53:52,669 --> 01:53:50,940

everybody on Monday and uh next week let

2745

01:53:54,830 --> 01:53:52,679

me make this announcement uh to

2746

01:53:56,810 --> 01:53:54,840

everybody really quick next week is

2747

01:54:00,050 --> 01:53:56,820

going to be a short week on Fade to

2748

01:54:03,470 --> 01:54:00,060

Black because I've got conscious life

2749

01:54:06,830 --> 01:54:03,480

Expo so Thursday night I'm gonna go see

2750

01:54:08,870 --> 01:54:06,840

hot crazy band at the whiskey and then

2751
01:54:11,810 --> 01:54:08,880
head down to conscious life Expo so

2752
01:54:13,250 --> 01:54:11,820
there's no show on Thursday night so

2753
01:54:16,910 --> 01:54:13,260
it's going to be a short week Monday

2754
01:54:18,169 --> 01:54:16,920
Tuesday and Wednesday with all of that

2755
01:54:21,250 --> 01:54:18,179
I'm going to get out of here say

2756
01:54:26,149 --> 01:54:21,260
goodnight Serena good night Serena

2757
01:54:28,910 --> 01:54:26,159
all right everybody behave and be well

2758
01:54:31,370 --> 01:54:28,920
Fade to Black is produced by Hilton J

2759
01:54:32,990 --> 01:54:31,380
Palmer Renee Dennis and Kevin what

2760
01:54:35,530 --> 01:54:33,000
Master is Drew the geek music Doug

2761
01:54:37,970 --> 01:54:35,540
Aldridge intro space boys

2762
01:54:39,770 --> 01:54:37,980
spaceboymusic.com fade to black is

2763
01:54:41,270 --> 01:54:39,780

produced by kjcr for the game changer

2764

01:54:43,910 --> 01:54:41,280

Network and this broadcast is on a

2765

01:54:46,189 --> 01:54:43,920

copyrighted 2023 by Fade to Black and

2766

01:54:48,109 --> 01:54:46,199

The Game Changer Network Inc it cannot

2767

01:54:50,149 --> 01:54:48,119

be rebroadcast and loaded copied or used

2768

01:54:51,649 --> 01:54:50,159

anywhere in the known universe without

2769

01:54:53,030 --> 01:54:51,659

written permission from fade the black

2770

01:54:54,109 --> 01:54:53,040

of the game changer Network I'm your

2771

01:54:57,109 --> 01:54:54,119

assistant church have a great weekend

2772

01:55:02,060 --> 01:54:57,119

everybody say bye Serena wave

2773

01:55:27,770 --> 01:55:09,700

[Music]

2774

01:55:41,910 --> 01:55:28,800

okay
