

FADE TO BLACK

with JIMMY CHURCH

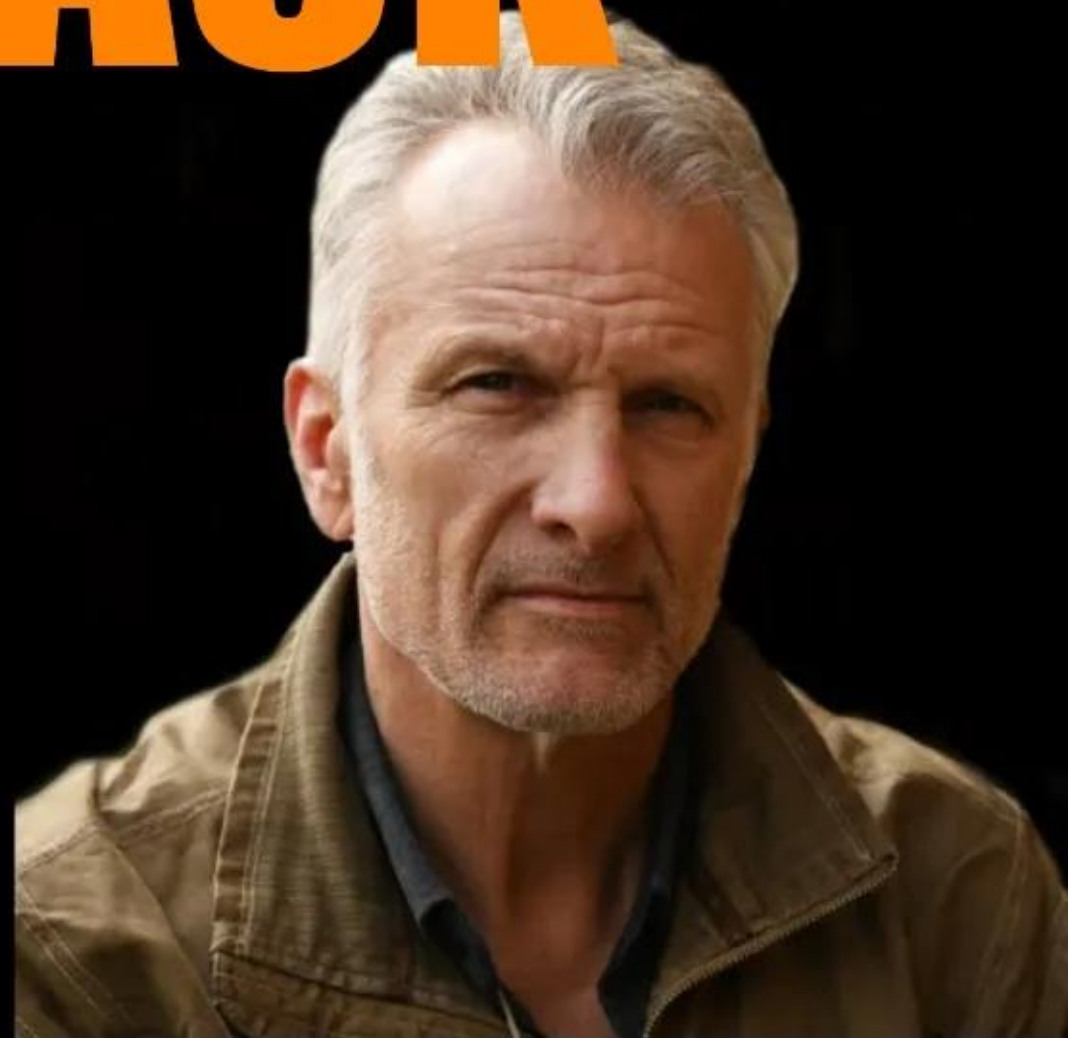

PRESENTS

SCOTT WOLTER

NEW DISCOVERIES

MON FEB 06 LIVE

7:00 PM PT/10:00PM ET

1
00:00:12,190 --> 00:00:20,349

[Music]

2
00:00:20,359 --> 00:00:23,810

thank you

3
00:00:31,490 --> 00:00:28,210

the smoke radio for the masses of July 8

4
00:00:33,889 --> 00:00:31,500

1947 the Army Air Forces has announced

5
00:00:36,049 --> 00:00:33,899

that a flying disc has been found and is

6
00:00:39,110 --> 00:00:36,059

now in the possession of the army

7
00:00:42,830 --> 00:00:39,120

game is rigged change the game game

8
00:00:46,430 --> 00:00:42,840

changer I occasionally think how quickly

9
00:00:49,790 --> 00:00:46,440

our differences worldwide would vanish

10
00:00:51,200 --> 00:00:49,800

if we were facing an alien threat from

11
00:00:53,010 --> 00:00:51,210

outside this work

12
00:00:55,510 --> 00:00:53,020

[Music]

13
00:00:58,430 --> 00:00:55,520

[Applause]

14

00:01:01,310 --> 00:00:58,440

this is Fade to Black with your host

15

00:01:01,960 --> 00:01:01,320

Jimmy Church on the game changer Radio

16

00:01:05,530 --> 00:01:01,970

Network

17

00:01:09,649 --> 00:01:05,540

[Music]

18

00:01:12,190 --> 00:01:09,659

good evening everyone it is Monday

19

00:01:15,109 --> 00:01:12,200

February 6

20

00:01:17,929 --> 00:01:15,119

2023 I'm your assuming church this is

21

00:01:19,969 --> 00:01:17,939

Fade to Black how is everybody doing

22

00:01:22,190 --> 00:01:19,979

we've got a crazy week coming up this

23

00:01:26,630 --> 00:01:22,200

week going to be at the conscious life

24

00:01:29,450 --> 00:01:26,640

Expo uh this weekend uh MC and host has

25

00:01:33,410 --> 00:01:29,460

uh I do every year there and uh we've

26

00:01:35,450 --> 00:01:33,420

got a short week this week too as well

27

00:01:37,490 --> 00:01:35,460

um so there you go I'm going to be doing

28

00:01:41,330 --> 00:01:37,500

some live streaming and hanging out and

29

00:01:43,490 --> 00:01:41,340

posting from uh the Expo so you're going

30

00:01:45,890 --> 00:01:43,500

to get your fill of me for sure so don't

31

00:01:48,530 --> 00:01:45,900

worry about that I'm not abandoning

32

00:01:51,770 --> 00:01:48,540

anyone but that's what's going on this

33

00:01:54,050 --> 00:01:51,780

week and tonight Our Guest is Scott

34

00:01:57,770 --> 00:01:54,060

Walter Scott of course the host of

35

00:02:00,710 --> 00:01:57,780

America on Earth and uh author of many

36

00:02:02,630 --> 00:02:00,720

books and a great researcher and tonight

37

00:02:04,550 --> 00:02:02,640

I'm not going to read through his bio

38

00:02:06,590 --> 00:02:04,560

and goof it up like I do every single

39

00:02:08,990 --> 00:02:06,600

time so then Scott gets the opportunity

40

00:02:10,490 --> 00:02:09,000

to just come on the show and correct me

41

00:02:11,809 --> 00:02:10,500

out of the gate and throw me under the

42

00:02:14,990 --> 00:02:11,819

bus so I'm not going to do that tonight

43

00:02:17,809 --> 00:02:15,000

but Scott is on the road

44

00:02:20,930 --> 00:02:17,819

um he is on his way to the conscious

45

00:02:25,150 --> 00:02:20,940

life Expo and tonight he's coming to us

46

00:02:31,490 --> 00:02:28,130

corrective surgery done today so you

47

00:02:33,290 --> 00:02:31,500

know right there right there Scott we

48

00:02:35,150 --> 00:02:33,300

need you need you're going to be in

49

00:02:38,270 --> 00:02:35,160

front of your people spend and you need

50

00:02:40,850 --> 00:02:38,280

to have uh uh the the gleaming white

51
00:02:42,830 --> 00:02:40,860
Chopper so good on you man how you doing

52
00:02:45,949 --> 00:02:42,840
so you're on the road yeah I'm doing

53
00:02:49,970 --> 00:02:45,959
good I'm slowly making my way to

54
00:02:51,949 --> 00:02:49,980
California and the truck is loaded with

55
00:02:52,490 --> 00:02:51,959
books it's

56
00:02:54,170 --> 00:02:52,500
um

57
00:02:56,809 --> 00:02:54,180
the weather has actually been really

58
00:02:58,850 --> 00:02:56,819
good I I understand I left a storm in

59
00:03:01,610 --> 00:02:58,860
Minnesota and that's fine because I've

60
00:03:03,610 --> 00:03:01,620
had enough of this [h__\h] weather that

61
00:03:07,369 --> 00:03:03,620
weekend

62
00:03:08,930 --> 00:03:07,379
you know I I don't know about uh climate

63
00:03:10,850 --> 00:03:08,940

change is real I just don't know how

64

00:03:12,710 --> 00:03:10,860

it's happening you know I don't know if

65

00:03:15,350 --> 00:03:12,720

it's a solar thing if it's a sun thing

66

00:03:19,750 --> 00:03:15,360

uh we've been through enough ice ages in

67

00:03:24,170 --> 00:03:19,760

the past without the assistance of uh uh

68

00:03:25,970 --> 00:03:24,180

carbon you know output from uh factories

69

00:03:27,949 --> 00:03:25,980

but

70

00:03:30,110 --> 00:03:27,959

um and I'm not here to offend anybody

71

00:03:34,250 --> 00:03:30,120

what I am saying is

72

00:03:37,309 --> 00:03:34,260

I don't get it global warming and then

73

00:03:42,890 --> 00:03:37,319

we just had minus 107 degrees in Maine

74

00:03:44,869 --> 00:03:42,900

yeah minus 107 man I mean you you get to

75

00:03:47,750 --> 00:03:44,879

a certain level of cold even you

76

00:03:50,270 --> 00:03:47,760

Minnesota right you're used to it right

77

00:03:52,970 --> 00:03:50,280

I don't know if we're used to it but I I

78

00:03:55,309 --> 00:03:52,980

will say this when I was a a freshman in

79

00:03:58,490 --> 00:03:55,319

college up at UMD that's the University

80

00:04:02,270 --> 00:03:58,500

of Minnesota Duluth Duluth is on the Far

81

00:04:03,830 --> 00:04:02,280

West End of Lake Superior and I can

82

00:04:06,289 --> 00:04:03,840

remember they had a blizzard up there

83

00:04:09,170 --> 00:04:06,299

was my freshman year and I walked across

84

00:04:13,490 --> 00:04:09,180

from the stadium Apartments maybe two

85

00:04:15,710 --> 00:04:13,500

blocks to uh to go play basketball and I

86

00:04:18,409 --> 00:04:15,720

had my roommates parka on all around

87

00:04:20,569 --> 00:04:18,419

like this and my tip of my nose got

88

00:04:22,610 --> 00:04:20,579

frostbit and it was just walking there

89

00:04:24,890 --> 00:04:22,620

because the wind was blowing like 60

90

00:04:28,370 --> 00:04:24,900

miles an hour it was a thousand degrees

91

00:04:30,830 --> 00:04:28,380

below zero wind chill and I'm telling

92

00:04:33,409 --> 00:04:30,840

you man you never get used to that yeah

93

00:04:38,810 --> 00:04:33,419

I

94

00:04:40,990 --> 00:04:38,820

Chicago which is very similar to

95

00:04:45,890 --> 00:04:41,000

Minnesota you know that whole Minnesota

96

00:04:48,290 --> 00:04:45,900

uh Chicago uh Wisconsin uh those areas

97

00:04:50,870 --> 00:04:48,300

of the country are just Wicked I mean

98

00:04:53,390 --> 00:04:50,880

but also some of the hottest places in

99

00:04:56,390 --> 00:04:53,400

the summer you have these yeah

100

00:04:58,030 --> 00:04:56,400

um the coldest uh I think that I have

101
00:05:02,030 --> 00:04:58,040
ever been

102
00:05:04,070 --> 00:05:02,040
uh uh two places Minnesota

103
00:05:06,650 --> 00:05:04,080
I was there in January I couldn't

104
00:05:10,010 --> 00:05:06,660
believe it Chicago growing up I don't

105
00:05:13,010 --> 00:05:10,020
think was ever colder but Montreal I I

106
00:05:16,990 --> 00:05:13,020
was in Montreal in in late January

107
00:05:19,430 --> 00:05:17,000
mid-January one year and I I have never

108
00:05:20,629 --> 00:05:19,440
experienced anything like that but I you

109
00:05:23,450 --> 00:05:20,639
know what though

110
00:05:26,330 --> 00:05:23,460
Houston gets pretty cold too I can't

111
00:05:29,029 --> 00:05:26,340
explain that I can't but anyway you know

112
00:05:30,890 --> 00:05:29,039
we've got this this weird thing uh you

113
00:05:34,010 --> 00:05:30,900

know global warming in the coldest

114

00:05:36,409 --> 00:05:34,020

speaking of global warming okay I'm

115

00:05:38,870 --> 00:05:36,419

gonna throw this is my this is my fader

116

00:05:41,090 --> 00:05:38,880

fact earlier today for the news okay I'm

117

00:05:45,350 --> 00:05:41,100

gonna throw this out there all right you

118

00:05:48,770 --> 00:05:45,360

ready yeah I'm ready this is a fact

119

00:05:52,490 --> 00:05:48,780

I'm not making this up really three

120

00:05:55,969 --> 00:05:52,500

percent three three percent

121

00:06:00,490 --> 00:05:55,979

of Antarctic Glacier Ice

122

00:06:07,010 --> 00:06:03,830

yeah yeah you know what I would love to

123

00:06:09,230 --> 00:06:07,020

argue against that but I I don't know if

124

00:06:13,730 --> 00:06:09,240

I can right I'd actually be right about

125

00:06:17,930 --> 00:06:13,740

that but if it is if it is Jim how what

126

00:06:21,170 --> 00:06:17,940

would the volume of penguin P be if

127

00:06:25,490 --> 00:06:21,180

three percent of the Antarctic Ice

128

00:06:27,830 --> 00:06:25,500

is that yeah yeah yeah and I have

129

00:06:30,409 --> 00:06:27,840

um I have I have hummingbird feeders

130

00:06:32,749 --> 00:06:30,419

around my house right so and I love

131

00:06:35,150 --> 00:06:32,759

watching them they're just amazing yeah

132

00:06:37,670 --> 00:06:35,160

they are every hummingbird if you watch

133

00:06:40,550 --> 00:06:37,680

really closely and they go up in that

134

00:06:42,710 --> 00:06:40,560

the tongue's coming up right

135

00:06:45,969 --> 00:06:42,720

they drink

136

00:06:48,590 --> 00:06:45,979

and pee at the same time

137

00:06:51,110 --> 00:06:48,600

yeah watch them watch them watch them

138

00:06:52,670 --> 00:06:51,120

that's the most hilarious now you're

139

00:06:55,070 --> 00:06:52,680

putting something in my head that I

140

00:06:57,050 --> 00:06:55,080

don't think I could get out I mean you

141

00:06:59,510 --> 00:06:57,060

know I have to say okay now that you

142

00:07:02,050 --> 00:06:59,520

said that there's a part of me that says

143

00:07:05,689 --> 00:07:02,060

Okay I want to see if that's true

144

00:07:09,110 --> 00:07:05,699

I watch it I wanted the funniest thing

145

00:07:10,370 --> 00:07:09,120

and you know their their metabolism is

146

00:07:13,490 --> 00:07:10,380

at a level that we don't understand

147

00:07:15,050 --> 00:07:13,500

right that's true yeah and it's at a

148

00:07:17,270 --> 00:07:15,060

level that we don't understand so

149

00:07:19,550 --> 00:07:17,280

they're by they're bringing in and

150

00:07:21,770 --> 00:07:19,560

that's it man it's gone well you know

151

00:07:23,870 --> 00:07:21,780

what they're so small that when they

152

00:07:26,150 --> 00:07:23,880

take in the fluid there's no place for

153

00:07:29,150 --> 00:07:26,160

it to go so they gotta eject whatever's

154

00:07:31,790 --> 00:07:29,160

in there the space it's just a you know

155

00:07:33,770 --> 00:07:31,800

it's like a a cycle it just moves right

156

00:07:36,650 --> 00:07:33,780

on through it makes a lot of sense to me

157

00:07:38,570 --> 00:07:36,660

it's funny man I remember the first time

158

00:07:41,629 --> 00:07:38,580

that I saw it I thought it was like some

159

00:07:43,909 --> 00:07:41,639

unique thing right oh no no no no no no

160

00:07:44,749 --> 00:07:43,919

no they pee and drink at the exact same

161

00:07:49,070 --> 00:07:44,759

time

162

00:07:51,350 --> 00:07:49,080

so now that we got a bird hey Avion P

163

00:07:52,790 --> 00:07:51,360

out of the way yes that's a good thing

164

00:07:54,050 --> 00:07:52,800

yeah it's a good way to start out the

165

00:07:56,570 --> 00:07:54,060

show so I'm going to see you in a couple

166

00:07:59,450 --> 00:07:56,580

of days I'm very excited about this once

167

00:08:02,930 --> 00:07:59,460

again at uh the conscious life Expo so

168

00:08:04,790 --> 00:08:02,940

actually let's start right there

169

00:08:07,070 --> 00:08:04,800

um I'm gonna be introducing you like I

170

00:08:08,990 --> 00:08:07,080

do uh every year but I'm very excited

171

00:08:12,589 --> 00:08:09,000

about that and you're going to be doing

172

00:08:14,629 --> 00:08:12,599

a few different presentations so uh your

173

00:08:15,890 --> 00:08:14,639

first presentation on the public side of

174

00:08:18,409 --> 00:08:15,900

things uh what are you going to be

175

00:08:20,809 --> 00:08:18,419

talking about well what I would like to

176

00:08:23,450 --> 00:08:20,819

talk about is going to be

177

00:08:26,589 --> 00:08:23,460

I guess the title of it that um I'm

178

00:08:29,930 --> 00:08:26,599

going with is the Knights Templar

179

00:08:31,969 --> 00:08:29,940

America's True founding fathers

180

00:08:35,029 --> 00:08:31,979

and I

181

00:08:37,730 --> 00:08:35,039

well first and foremost I know that this

182

00:08:38,810 --> 00:08:37,740

is true and we've talked about this for

183

00:08:40,730 --> 00:08:38,820

many years

184

00:08:43,610 --> 00:08:40,740

um but I have to say what's happened in

185

00:08:46,970 --> 00:08:43,620

the last few years since I did my last

186

00:08:49,310 --> 00:08:46,980

book in 2019 there has been so much new

187

00:08:50,750 --> 00:08:49,320

material that has come forward and I I

188

00:08:53,630 --> 00:08:50,760

don't know how much you want me to tell

189

00:08:56,810 --> 00:08:53,640

you about the background but I'm working

190

00:09:00,590 --> 00:08:56,820

with a guy who is 80 years old he just

191

00:09:02,690 --> 00:09:00,600

turned 80 in December he worked for

192

00:09:05,210 --> 00:09:02,700

he wants me to say a private security

193

00:09:07,970 --> 00:09:05,220

company but it was a spy agency that did

194

00:09:10,190 --> 00:09:07,980

missions for our government specifically

195

00:09:13,550 --> 00:09:10,200

the Army and the Navy and they were

196

00:09:15,470 --> 00:09:13,560

given these missions to to perform and

197

00:09:17,449 --> 00:09:15,480

they got paid for it this is a lot like

198

00:09:19,670 --> 00:09:17,459

black water

199

00:09:21,410 --> 00:09:19,680

um you know private contractors that are

200

00:09:23,870 --> 00:09:21,420

doing

201
00:09:26,930 --> 00:09:23,880
you know work for our government that

202
00:09:28,910 --> 00:09:26,940
not not everybody does but that's not

203
00:09:30,889 --> 00:09:28,920
really what the story is about the fact

204
00:09:33,170 --> 00:09:30,899
is is that he was part of this

205
00:09:36,710 --> 00:09:33,180
organization was called Spartan

206
00:09:38,889 --> 00:09:36,720
Enterprises it was formed in 1961 right

207
00:09:41,870 --> 00:09:38,899
as he was graduating from high school

208
00:09:44,389 --> 00:09:41,880
and his best friend was a guy by the

209
00:09:46,310 --> 00:09:44,399
name of Bill Jackson who served in the

210
00:09:48,889 --> 00:09:46,320
Korean War he was about four years older

211
00:09:50,750 --> 00:09:48,899
than than Don but he met him when they

212
00:09:53,389 --> 00:09:50,760
were when Don was seven years old and

213
00:09:56,030 --> 00:09:53,399

Bill was 11. and when Bill got out of

214

00:09:58,130 --> 00:09:56,040

the Korean War he needed a job and so he

215

00:10:00,410 --> 00:09:58,140

said hey why don't you come check out

216

00:10:02,449 --> 00:10:00,420

this agency that we worked for he had

217

00:10:05,870 --> 00:10:02,459

military experience he was actually a

218

00:10:08,389 --> 00:10:05,880

physician Bill Jackson was so he joined

219

00:10:12,590 --> 00:10:08,399

uh in 1962

220

00:10:14,269 --> 00:10:12,600

but in 1968 these two guys along with a

221

00:10:16,790 --> 00:10:14,279

couple of other friends

222

00:10:19,670 --> 00:10:16,800

uh they all lived in New York City they

223

00:10:21,350 --> 00:10:19,680

lived in the Bronx at the time and

224

00:10:24,889 --> 00:10:21,360

they decided they were going to go up

225

00:10:26,750 --> 00:10:24,899

the Hudson River to Bannerman Island uh

226

00:10:28,430 --> 00:10:26,760

and it's called Bannerman Island because

227

00:10:31,070 --> 00:10:28,440

the guy that owned the island his name

228

00:10:34,070 --> 00:10:31,080

was Francis Bannerman and he was an arms

229

00:10:36,590 --> 00:10:34,080

dealer his father was an arms dealer and

230

00:10:39,470 --> 00:10:36,600

he was an arms dealer and what happened

231

00:10:42,769 --> 00:10:39,480

is in 19 the place went fell into ruins

232

00:10:45,949 --> 00:10:42,779

in 1916 Bannerman died and the place

233

00:10:48,829 --> 00:10:45,959

fell into ruins and in 1958 there was an

234

00:10:51,110 --> 00:10:48,839

explosion on the island of the Munitions

235

00:10:52,910 --> 00:10:51,120

that were still stored there and it blew

236

00:10:55,670 --> 00:10:52,920

everything into the water and actually

237

00:10:58,009 --> 00:10:55,680

over to the shore on the east side

238

00:11:00,650 --> 00:10:58,019

and while these guys were up there

239

00:11:02,870 --> 00:11:00,660

diving in the water snorkeling and scuba

240

00:11:04,910 --> 00:11:02,880

diving looking for the Munitions that

241

00:11:06,829 --> 00:11:04,920

had been blown into the water to take

242

00:11:09,290 --> 00:11:06,839

them back to the Bronx to pawn them for

243

00:11:11,449 --> 00:11:09,300

money right and

244

00:11:14,150 --> 00:11:11,459

um Don found these decorative ornaments

245

00:11:16,850 --> 00:11:14,160

and inside and he gave them to bill bill

246

00:11:18,949 --> 00:11:16,860

gave them to his wife a year later his

247

00:11:21,710 --> 00:11:18,959

son accidentally broke one and they

248

00:11:22,910 --> 00:11:21,720

found a couple of things inside this

249

00:11:26,210 --> 00:11:22,920

ornament

250

00:11:28,850 --> 00:11:26,220

this led Bill who had contacts through

251
00:11:32,509 --> 00:11:28,860
the military and through his work

252
00:11:36,710 --> 00:11:32,519
uh to France and eventually to Italy

253
00:11:39,470 --> 00:11:36,720
where he purchased in 1971 a document

254
00:11:41,870 --> 00:11:39,480
that we now call the cremona document

255
00:11:44,509 --> 00:11:41,880
the reason we call it that is because it

256
00:11:46,009 --> 00:11:44,519
spent some time in a monastery in

257
00:11:50,110 --> 00:11:46,019
cremona Italy

258
00:11:54,290 --> 00:11:50,120
but what it was was a Templar document

259
00:11:57,670 --> 00:11:54,300
that had been it what it was was a

260
00:12:00,970 --> 00:11:57,680
compilation of documents that the order

261
00:12:04,190 --> 00:12:00,980
had uh assigned a person that we call

262
00:12:06,470 --> 00:12:04,200
cly we know what his full name is but

263
00:12:08,509 --> 00:12:06,480

I'll save that for the conference to

264

00:12:11,150 --> 00:12:08,519

take all of this Templar material

265

00:12:16,250 --> 00:12:11,160

reports

266

00:12:19,190 --> 00:12:16,260

um depositions uh Maps letters all kinds

267

00:12:22,610 --> 00:12:19,200

of stuff and compile it into one

268

00:12:24,769 --> 00:12:22,620

document and really close the book on

269

00:12:27,710 --> 00:12:24,779

the operations of the Templar order

270

00:12:31,490 --> 00:12:27,720

starting in the 12th century all the way

271

00:12:35,930 --> 00:12:31,500

up literally to about 1900.

272

00:12:39,110 --> 00:12:35,940

now uh let's uh yeah so everybody can

273

00:12:41,030 --> 00:12:39,120

understand uh because Scott and I have

274

00:12:43,030 --> 00:12:41,040

talked about this and done shows and

275

00:12:45,769 --> 00:12:43,040

privately and everything over the years

276

00:12:49,370 --> 00:12:45,779

so Scott is assuming that everybody

277

00:12:51,350 --> 00:12:49,380

knows what I know and what he knows so

278

00:12:52,670 --> 00:12:51,360

let's let's clarify a couple of things

279

00:12:56,569 --> 00:12:52,680

okay

280

00:12:59,990 --> 00:12:56,579

um the the date of the the Carmona

281

00:13:01,910 --> 00:13:00,000

document is a compilation of uh lumping

282

00:13:06,769 --> 00:13:01,920

all of this stuff together in a nice

283

00:13:09,290 --> 00:13:06,779

concise order but when was the document

284

00:13:12,410 --> 00:13:09,300

itself created

285

00:13:13,790 --> 00:13:12,420

well the what I'm calling the cremona

286

00:13:18,769 --> 00:13:13,800

document

287

00:13:21,530 --> 00:13:18,779

was compiled in 1908 we now know that

288

00:13:23,810 --> 00:13:21,540

from material that we got literally in

289

00:13:26,750 --> 00:13:23,820

the last month and we actually have some

290

00:13:28,850 --> 00:13:26,760

more material coming at the end of uh in

291

00:13:30,769 --> 00:13:28,860

the beginning of March so there will be

292

00:13:34,670 --> 00:13:30,779

more that we'll be able to report on

293

00:13:36,769 --> 00:13:34,680

maybe on like a cruise going down to the

294

00:13:38,870 --> 00:13:36,779

uh the Baja area I don't know it's a

295

00:13:40,850 --> 00:13:38,880

good idea I'll see if I can get that set

296

00:13:42,590 --> 00:13:40,860

up yeah you know what get going on it

297

00:13:44,350 --> 00:13:42,600

here because we're getting this stuff

298

00:13:46,970 --> 00:13:44,360

anyway

299

00:13:49,490 --> 00:13:46,980

and uh do you need a balcony or anything

300

00:13:51,949 --> 00:13:49,500

like that I would love it pal that'd be

301
00:13:55,790 --> 00:13:51,959
awesome sign me up let me see what I can

302
00:13:59,990 --> 00:13:55,800
do okay so now so anyway who knows what

303
00:14:02,449 --> 00:14:00,000
happened was Scott Scott let's continue

304
00:14:04,310 --> 00:14:02,459
with a little summary so the audience

305
00:14:08,269 --> 00:14:04,320
can get a grip of what we're talking

306
00:14:10,850 --> 00:14:08,279
about so the this group of friends uh

307
00:14:12,769 --> 00:14:10,860
working for Spartan eventually but uh

308
00:14:14,750 --> 00:14:12,779
from the Bronx

309
00:14:17,629 --> 00:14:14,760
um one of them

310
00:14:19,670 --> 00:14:17,639
uh gets an ornament there's some stuff

311
00:14:22,670 --> 00:14:19,680
inside of the ornament it leads them to

312
00:14:25,370 --> 00:14:22,680
this island Bannerman island eventually

313
00:14:27,829 --> 00:14:25,380

and we can go into more in depth about

314

00:14:30,110 --> 00:14:27,839

this part later which is important and

315

00:14:32,870 --> 00:14:30,120

very interesting uh they find something

316

00:14:34,430 --> 00:14:32,880

on the bank of this island they they dig

317

00:14:38,030 --> 00:14:34,440

it up

318

00:14:41,090 --> 00:14:38,040

um it leads them to Italy

319

00:14:44,269 --> 00:14:41,100

um eventually and so while in Italy they

320

00:14:47,269 --> 00:14:44,279

were able to purchase this cremona

321

00:14:50,949 --> 00:14:47,279

document which was written in 1908 which

322

00:14:55,069 --> 00:14:50,959

is a compilation of information from

323

00:14:58,129 --> 00:14:55,079

hundreds of years prior right that being

324

00:15:00,530 --> 00:14:58,139

said because this is why I had to jump

325

00:15:02,470 --> 00:15:00,540

in because you went right past this

326

00:15:08,810 --> 00:15:02,480

moment

327

00:15:11,629 --> 00:15:08,820

what led them to a person that had an

328

00:15:13,910 --> 00:15:11,639

argument yeah and and was able to line

329

00:15:16,790 --> 00:15:13,920

up a purchase of it that's a very key

330

00:15:19,129 --> 00:15:16,800

part to this whole story like that

331

00:15:22,670 --> 00:15:19,139

happen Okay so you asked the question

332

00:15:25,370 --> 00:15:22,680

I'm going to tell you so

333

00:15:28,490 --> 00:15:25,380

one of the things that was found inside

334

00:15:31,730 --> 00:15:28,500

of this ornament that was blown off the

335

00:15:33,710 --> 00:15:31,740

island the ornament was a decorative uh

336

00:15:36,829 --> 00:15:33,720

ornament that was in the flower gardens

337

00:15:39,590 --> 00:15:36,839

on Bannerman Island that got blown up to

338

00:15:41,810 --> 00:15:39,600

the other Shore in the explosion this is

339

00:15:44,150 --> 00:15:41,820

what Don found he actually found two of

340

00:15:46,550 --> 00:15:44,160

them he gave both of them to bill bill

341

00:15:48,949 --> 00:15:46,560

gave them to his wife Muriel she used

342

00:15:50,590 --> 00:15:48,959

him in her flower garden and their son

343

00:15:52,850 --> 00:15:50,600

their five-year-old son Mark

344

00:15:54,949 --> 00:15:52,860

accidentally grabbed one of these and

345

00:15:57,290 --> 00:15:54,959

pulled it down and broke it and they

346

00:15:59,870 --> 00:15:57,300

realized there were two things inside of

347

00:16:02,810 --> 00:15:59,880

it one of the things that was inside of

348

00:16:06,470 --> 00:16:02,820

it was a almost exactly a hockey puck

349

00:16:09,170 --> 00:16:06,480

shaped bronze disc that was about maybe

350

00:16:11,569 --> 00:16:09,180

three quarters of an inch thick that

351
00:16:13,189 --> 00:16:11,579
actually you could open you would stick

352
00:16:16,430 --> 00:16:13,199
something

353
00:16:18,889 --> 00:16:16,440
um sharp like a pin

354
00:16:21,410 --> 00:16:18,899
into this little hole and it popped the

355
00:16:24,110 --> 00:16:21,420
top off and inside were metal inserts

356
00:16:25,129 --> 00:16:24,120
and there was things inscribed on the on

357
00:16:27,650 --> 00:16:25,139
the metal

358
00:16:29,629 --> 00:16:27,660
uh one of the things that was inscribed

359
00:16:31,490 --> 00:16:29,639
on the metal was the word

360
00:16:35,090 --> 00:16:31,500
on tiara

361
00:16:36,530 --> 00:16:35,100
onto your is the ancient name for North

362
00:16:39,350 --> 00:16:36,540
America

363
00:16:41,210 --> 00:16:39,360

now when so they had this thing right

364

00:16:43,730 --> 00:16:41,220

and Bill found this he's like what the

365

00:16:45,889 --> 00:16:43,740

hell did I just find and so he started

366

00:16:49,129 --> 00:16:45,899

to do research into some of the symbols

367

00:16:52,550 --> 00:16:49,139

that were carved onto this disc and this

368

00:16:55,370 --> 00:16:52,560

led him to first go to

369

00:16:57,650 --> 00:16:55,380

um to France and actually remember I

370

00:17:00,110 --> 00:16:57,660

said Spartan Enterprises was the name of

371

00:17:01,670 --> 00:17:00,120

the group that these guys worked for the

372

00:17:04,130 --> 00:17:01,680

reason is the guy that formed the group

373

00:17:06,409 --> 00:17:04,140

was a guy named Dan Spartan Dan

374

00:17:09,169 --> 00:17:06,419

Spartan's father

375

00:17:11,750 --> 00:17:09,179

fought in World War II and he had a

376

00:17:13,850 --> 00:17:11,760

colleague that worked for the um the

377

00:17:17,090 --> 00:17:13,860

French Resistance during the uh the

378

00:17:19,250 --> 00:17:17,100

second world war after the war this

379

00:17:21,770 --> 00:17:19,260

friend of Bill spark Dan Spartan's

380

00:17:25,069 --> 00:17:21,780

father opened a rare bookstore

381

00:17:28,370 --> 00:17:25,079

and so Dan Spartan got

382

00:17:31,250 --> 00:17:28,380

uh Bill Jackson set up with his father's

383

00:17:33,350 --> 00:17:31,260

friend and he went over to Fran and he

384

00:17:36,289 --> 00:17:33,360

bought three documents

385

00:17:40,010 --> 00:17:36,299

one was illuminated Bible for his wife

386

00:17:42,529 --> 00:17:40,020

another one was a book about the

387

00:17:44,990 --> 00:17:42,539

Constitution called the constitution of

388

00:17:47,390 --> 00:17:45,000

honorius which had some of the rare

389

00:17:50,510 --> 00:17:47,400

theban symbols that were etched on the

390

00:17:53,210 --> 00:17:50,520

surface of this disc and the third thing

391

00:17:56,390 --> 00:17:53,220

he bought was a pamphlet

392

00:18:01,150 --> 00:17:56,400

that basically was about Native American

393

00:18:03,770 --> 00:18:01,160

words that occur in European languages

394

00:18:07,850 --> 00:18:03,780

and inside this book

395

00:18:10,789 --> 00:18:07,860

he found the word antiora and it tied it

396

00:18:11,690 --> 00:18:10,799

with that disc that he had so he bought

397

00:18:14,690 --> 00:18:11,700

that

398

00:18:15,830 --> 00:18:14,700

and what he did was the two authors of

399

00:18:17,870 --> 00:18:15,840

that book

400

00:18:19,810 --> 00:18:17,880

the names were

401
00:18:22,190 --> 00:18:19,820
Roche

402
00:18:25,070 --> 00:18:22,200
and Benvenuto

403
00:18:28,549 --> 00:18:25,080
now if you watch The Curse of Oak Island

404
00:18:30,230 --> 00:18:28,559
that show they talk about the Roche

405
00:18:33,169 --> 00:18:30,240
family all the time

406
00:18:35,390 --> 00:18:33,179
and this is that same Roche family that

407
00:18:37,250 --> 00:18:35,400
were involved with the Templars they

408
00:18:39,470 --> 00:18:37,260
were involved with the cremona document

409
00:18:41,150 --> 00:18:39,480
they were heavily involved in a lot of

410
00:18:44,150 --> 00:18:41,160
secret activities

411
00:18:47,029 --> 00:18:44,160
the name Benvenuto

412
00:18:50,210 --> 00:18:47,039
um is the other author so what Bill

413
00:18:52,610 --> 00:18:50,220

Jackson did was he researched and found

414

00:18:54,110 --> 00:18:52,620

the descendants of the two authors of

415

00:18:57,529 --> 00:18:54,120

this book

416

00:19:00,490 --> 00:18:57,539

one of the guy one of the guys was the

417

00:19:03,350 --> 00:19:00,500

modern equivalent this is back in 1971

418

00:19:06,409 --> 00:19:03,360

the great great great whatever grandson

419

00:19:09,110 --> 00:19:06,419

of the Benvenuto author was a guy named

420

00:19:12,590 --> 00:19:09,120

Gustave Benvenuto this is a very

421

00:19:15,409 --> 00:19:12,600

prominent family in Italy and he went to

422

00:19:19,070 --> 00:19:15,419

meet with this guy and he showed him

423

00:19:22,310 --> 00:19:19,080

this document because the document was

424

00:19:26,029 --> 00:19:22,320

referenced inside that pamphlet fan and

425

00:19:28,669 --> 00:19:26,039

that pamphlet was published in 1718.

426

00:19:30,950 --> 00:19:28,679

so this is many generations down the

427

00:19:34,430 --> 00:19:30,960

line and the reference for the name

428

00:19:36,110 --> 00:19:34,440

antiora was this cremona document uh

429

00:19:38,450 --> 00:19:36,120

that he eventually bought from this

430

00:19:40,970 --> 00:19:38,460

Benvenuto family so it's kind of a

431

00:19:43,310 --> 00:19:40,980

complicated story to tell but that's how

432

00:19:46,070 --> 00:19:43,320

it happened and it's actually an

433

00:19:47,930 --> 00:19:46,080

incredible but this is all about these

434

00:19:51,590 --> 00:19:47,940

bloodline families they were all

435

00:19:54,110 --> 00:19:51,600

involved in you know this plot to found

436

00:19:57,110 --> 00:19:54,120

America is really what it was yeah right

437

00:19:57,850 --> 00:19:57,120

right right so

438

00:20:06,710 --> 00:19:57,860

um

439

00:20:08,270 --> 00:20:06,720

starts a journey right so it leaves

440

00:20:15,710 --> 00:20:08,280

Italy

441

00:20:19,789 --> 00:20:15,720

wouldn't have wanted that document a to

442

00:20:22,250 --> 00:20:19,799

be sold or B uh make its way uh uh

443

00:20:25,130 --> 00:20:22,260

potentially back over the United States

444

00:20:27,830 --> 00:20:25,140

well I I'm gonna answer to answer that

445

00:20:30,950 --> 00:20:27,840

question this way when we do the

446

00:20:32,810 --> 00:20:30,960

workshop at at the at conscious life

447

00:20:35,270 --> 00:20:32,820

Expo one of the things that we're going

448

00:20:38,510 --> 00:20:35,280

to do is we're going to teach the

449

00:20:41,330 --> 00:20:38,520

participants about these encrypted

450

00:20:43,370 --> 00:20:41,340

documents we're going to show them how

451
00:20:45,890 --> 00:20:43,380
these things were encrypted and we're

452
00:20:47,570 --> 00:20:45,900
going to ask them to help us decode

453
00:20:50,930 --> 00:20:47,580
these documents it's going to be an

454
00:20:52,549 --> 00:20:50,940
exercise and one of the documents that

455
00:20:57,470 --> 00:20:52,559
we're gonna

456
00:21:00,470 --> 00:20:57,480
um decode actually tells the story of

457
00:21:03,169 --> 00:21:00,480
the history of the cremona document it

458
00:21:05,450 --> 00:21:03,179
was actually stolen out of the Vatican

459
00:21:09,529 --> 00:21:05,460
by a cistercian

460
00:21:10,730 --> 00:21:09,539
um Monk and it traveled throughout

461
00:21:13,789 --> 00:21:10,740
Europe

462
00:21:15,590 --> 00:21:13,799
um into North America it's it just the

463
00:21:18,710 --> 00:21:15,600

Journey of the document itself is

464

00:21:21,710 --> 00:21:18,720

interesting but that story is encrypted

465

00:21:25,250 --> 00:21:21,720

in one of these uh cryptograms that we

466

00:21:28,970 --> 00:21:25,260

have we're actually going to Deco uh

467

00:21:30,529 --> 00:21:28,980

decrypted decoded and we're going to

468

00:21:33,770 --> 00:21:30,539

read you know we're going to show you

469

00:21:35,930 --> 00:21:33,780

how the message is conveyed

470

00:21:38,210 --> 00:21:35,940

um and and why it was hidden I mean this

471

00:21:39,890 --> 00:21:38,220

is important information all the

472

00:21:43,549 --> 00:21:39,900

important information in this damn

473

00:21:46,850 --> 00:21:43,559

document is uh encrypted in various ways

474

00:21:50,510 --> 00:21:46,860

and trying to figure it out has been uh

475

00:21:52,789 --> 00:21:50,520

in some cases it took us months to do uh

476
00:21:54,529 --> 00:21:52,799
you know to decode all this stuff and

477
00:21:57,010 --> 00:21:54,539
actually one of the things that Don

478
00:22:01,610 --> 00:21:57,020
found back in 1980 with Bill Jackson

479
00:22:04,010 --> 00:22:01,620
inside of a cave in Northern Vermont

480
00:22:06,350 --> 00:22:04,020
was another cryptogram but the problem

481
00:22:08,930 --> 00:22:06,360
was they didn't have the cipher phrase

482
00:22:11,390 --> 00:22:08,940
that you need to decode it

483
00:22:15,830 --> 00:22:11,400
and it wasn't until something showed up

484
00:22:18,529 --> 00:22:15,840
about a year and a half ago that had the

485
00:22:22,250 --> 00:22:18,539
um the cipher phrase and he tried it

486
00:22:25,130 --> 00:22:22,260
because it was a zodiac cryptogram and

487
00:22:28,850 --> 00:22:25,140
it worked so we were able to decode that

488
00:22:32,990 --> 00:22:28,860

message 40 years after they found it and

489

00:22:35,810 --> 00:22:33,000

it was part of the book of the wars of

490

00:22:38,029 --> 00:22:35,820

the Lord okay one of the two parts that

491

00:22:42,070 --> 00:22:38,039

we have okay we're going to circle back

492

00:22:46,010 --> 00:22:42,080

uh to the book of the wars of the Lord

493

00:22:48,710 --> 00:22:46,020

in just a bit what language is the

494

00:22:51,710 --> 00:22:48,720

cremona document in

495

00:22:54,649 --> 00:22:51,720

well parts of it are in English

496

00:22:57,409 --> 00:22:54,659

French a lot of it is in French Italian

497

00:22:58,430 --> 00:22:57,419

Latin

498

00:23:00,710 --> 00:22:58,440

um

499

00:23:03,350 --> 00:23:00,720

there are three languages in the initial

500

00:23:05,029 --> 00:23:03,360

narrative and they jump off between

501
00:23:05,870 --> 00:23:05,039
different

502
00:23:08,270 --> 00:23:05,880
um

503
00:23:10,909 --> 00:23:08,280
authors or I should say people that were

504
00:23:13,730 --> 00:23:10,919
speaking their narratives we have a

505
00:23:15,470 --> 00:23:13,740
bunch of different languages Italian uh

506
00:23:17,149 --> 00:23:15,480
maybe I said that already there's at

507
00:23:19,669 --> 00:23:17,159
least a half a dozen different languages

508
00:23:22,970 --> 00:23:19,679
that these things are encoded in and

509
00:23:25,669 --> 00:23:22,980
sometimes one message when we decode it

510
00:23:28,070 --> 00:23:25,679
has English has French we'll have

511
00:23:30,049 --> 00:23:28,080
Italian and it's actually very difficult

512
00:23:32,510 --> 00:23:30,059
but what we do is you know we use Google

513
00:23:34,490 --> 00:23:32,520

Translate today and we can get the

514

00:23:36,289 --> 00:23:34,500

English equivalent and it helps the

515

00:23:37,789 --> 00:23:36,299

message make sense I gotta tell you

516

00:23:41,029 --> 00:23:37,799

Jimmy this thing is so freaking

517

00:23:41,930 --> 00:23:41,039

complicated it's it's it's it's it's the

518

00:23:47,630 --> 00:23:41,940

most

519

00:23:49,070 --> 00:23:47,640

mystery I've ever worked on

520

00:23:51,289 --> 00:23:49,080

um and I am

521

00:23:54,169 --> 00:23:51,299

to say that it's complicated would be an

522

00:23:58,669 --> 00:23:54,179

understatement but you know going back

523

00:24:02,630 --> 00:23:58,679

to when Jackson finally was able to

524

00:24:05,210 --> 00:24:02,640

decode this encrypted story

525

00:24:07,490 --> 00:24:05,220

the story it told is nothing less than

526

00:24:10,370 --> 00:24:07,500

incredible now I published the initial

527

00:24:13,850 --> 00:24:10,380

parts of the story the first part talks

528

00:24:17,210 --> 00:24:13,860

about six Templar knights who went under

529

00:24:19,610 --> 00:24:17,220

the South Wall probably around 11 18 it

530

00:24:22,130 --> 00:24:19,620

doesn't say exactly when but it has to

531

00:24:25,430 --> 00:24:22,140

be at about this time because one of the

532

00:24:27,710 --> 00:24:25,440

three authors of this narrative is Hugh

533

00:24:29,750 --> 00:24:27,720

depend the first Grand Master of the

534

00:24:32,289 --> 00:24:29,760

Knights Templar when they had control of

535

00:24:35,210 --> 00:24:32,299

Jerusalem

536

00:24:37,490 --> 00:24:35,220

the South Wall being the Temple Mount at

537

00:24:39,350 --> 00:24:37,500

the Temple Mount yep everybody thinks

538

00:24:41,270 --> 00:24:39,360

that the Templars went under the Temple

539

00:24:43,970 --> 00:24:41,280

Mount but they actually went under the

540

00:24:46,810 --> 00:24:43,980

South wall and they followed a series of

541

00:24:50,630 --> 00:24:46,820

tunnels and they found an ancient

542

00:24:53,029 --> 00:24:50,640

Christian ritual chamber

543

00:24:55,909 --> 00:24:53,039

and they had to break in they almost got

544

00:24:59,090 --> 00:24:55,919

killed the story is amazing but

545

00:25:00,710 --> 00:24:59,100

um inside this ritual chamber they found

546

00:25:02,330 --> 00:25:00,720

a ritual bath

547

00:25:05,570 --> 00:25:02,340

amikvah

548

00:25:07,850 --> 00:25:05,580

they found an altar to the east where

549

00:25:08,870 --> 00:25:07,860

there was sacrifices that had taken

550

00:25:11,870 --> 00:25:08,880

place

551
00:25:13,730 --> 00:25:11,880
but on the floor of this chamber

552
00:25:18,529 --> 00:25:13,740
was a fish

553
00:25:21,710 --> 00:25:18,539
shaped tile mosaic of a fish

554
00:25:24,049 --> 00:25:21,720
and on the floor were four ossuaries now

555
00:25:27,950 --> 00:25:24,059
you know what an ossuary is right

556
00:25:31,010 --> 00:25:27,960
and oshawari is a a first century bone

557
00:25:34,070 --> 00:25:31,020
box yep that's only big enough so that

558
00:25:37,190 --> 00:25:34,080
the two largest Bones the femurs fit

559
00:25:38,990 --> 00:25:37,200
inside crossed the skull goes in last

560
00:25:40,130 --> 00:25:39,000
now you know the origin of the skull and

561
00:25:43,669 --> 00:25:40,140
crossbones

562
00:25:46,010 --> 00:25:43,679
but inside those four ossuaries and I'm

563
00:25:48,289 --> 00:25:46,020

happy to to tell this because this is

564

00:25:49,730 --> 00:25:48,299

all published it's not new

565

00:25:52,370 --> 00:25:49,740

they found

566

00:25:55,850 --> 00:25:52,380

12 Scrolls

567

00:25:59,750 --> 00:25:55,860

they found another ossuary with

568

00:26:04,370 --> 00:25:59,760

five devices two for construction two

569

00:26:07,789 --> 00:26:04,380

for navigation and one was a cryptex for

570

00:26:11,690 --> 00:26:07,799

the decoding secret messages

571

00:26:14,570 --> 00:26:11,700

in the third box they found gold bars

572

00:26:16,970 --> 00:26:14,580

and in the fourth box they found the

573

00:26:20,149 --> 00:26:16,980

human remains the skeleton

574

00:26:22,669 --> 00:26:20,159

of somebody whose head had been severed

575

00:26:25,490 --> 00:26:22,679

with the heavy ax

576

00:26:27,230 --> 00:26:25,500

on the side of the box

577

00:26:30,890 --> 00:26:27,240

written in

578

00:26:33,049 --> 00:26:30,900

um Aramaic was the name Yan now of

579

00:26:35,570 --> 00:26:33,059

course there was no jabeck in the first

580

00:26:37,490 --> 00:26:35,580

century and all of these ossuaries the

581

00:26:39,950 --> 00:26:37,500

ossuary culture in Jerusalem only

582

00:26:41,870 --> 00:26:39,960

existed for a hundred years and when the

583

00:26:44,690 --> 00:26:41,880

Roman crushed the Jews and destroyed the

584

00:26:45,350 --> 00:26:44,700

temple around 70 A.D that was the end of

585

00:26:47,450 --> 00:26:45,360

it

586

00:26:50,750 --> 00:26:47,460

so we know these things date back to

587

00:26:51,850 --> 00:26:50,760

that time period yeah and so when a

588

00:27:02,269 --> 00:26:51,860

family

589

00:27:05,330 --> 00:27:02,279

an air a tomb carved out and then inside

590

00:27:09,409 --> 00:27:05,340

of that tooth they would have shelves

591

00:27:13,070 --> 00:27:09,419

Sons daughters Aunts Uncles mom dad and

592

00:27:15,590 --> 00:27:13,080

they would have auschuaries uh tunnels

593

00:27:18,950 --> 00:27:15,600

and push them inside the tunnels they

594

00:27:21,350 --> 00:27:18,960

also had benches that were cut shelves

595

00:27:24,230 --> 00:27:21,360

if you will that were cut into the Rock

596

00:27:26,330 --> 00:27:24,240

and this is where they would take the

597

00:27:28,190 --> 00:27:26,340

body of the deceased that only the

598

00:27:30,529 --> 00:27:28,200

family could process right they would

599

00:27:33,049 --> 00:27:30,539

anoint the body with perfumes and oils

600

00:27:36,169 --> 00:27:33,059

then they would take the body wrap it in

601
00:27:37,970 --> 00:27:36,179
a shroud put it on these benches and

602
00:27:39,890 --> 00:27:37,980
they would let it desiccate for one to

603
00:27:41,870 --> 00:27:39,900
two years and they'd come back and

604
00:27:44,450 --> 00:27:41,880
collect the bones and then put them in

605
00:27:46,490 --> 00:27:44,460
the octuaries and then put them inside

606
00:27:49,730 --> 00:27:46,500
those tunnels and that's where they

607
00:27:51,950 --> 00:27:49,740
would be interred in the family tomb and

608
00:27:54,649 --> 00:27:51,960
uh of course I don't know if you want to

609
00:27:56,210 --> 00:27:54,659
go down that road but some people on my

610
00:27:58,850 --> 00:27:56,220
Twitter thread today were very

611
00:28:01,789 --> 00:27:58,860
interested in talking about the telpia

612
00:28:05,090 --> 00:28:01,799
Tomb in Jerusalem discovered in 1980

613
00:28:07,490 --> 00:28:05,100

that had ten oshuaries with seven very

614

00:28:09,830 --> 00:28:07,500

in interesting names inscribed on them

615

00:28:12,830 --> 00:28:09,840

yeah in the in the backyard of

616

00:28:15,230 --> 00:28:12,840

somebody's house too as well which uh I

617

00:28:18,169 --> 00:28:15,240

mean it's not the backyard but those

618

00:28:21,590 --> 00:28:18,179

tombs were on the hillsides uh

619

00:28:23,390 --> 00:28:21,600

throughout that area which now is you

620

00:28:25,610 --> 00:28:23,400

know it's where everybody lives it's

621

00:28:29,330 --> 00:28:25,620

it's Suburbia

622

00:28:31,669 --> 00:28:29,340

um I I heard something yesterday uh in

623

00:28:33,890 --> 00:28:31,679

one of the courses that I take right in

624

00:28:37,130 --> 00:28:33,900

the history of the world and stuff yep

625

00:28:38,750 --> 00:28:37,140

and I I heard a little tidbit I just

626

00:28:40,250 --> 00:28:38,760

want this has nothing to do with the

627

00:28:43,310 --> 00:28:40,260

show tonight but I thought of you

628

00:28:47,029 --> 00:28:43,320

immediately I did not know this

629

00:28:50,690 --> 00:28:47,039

but when Napoleon uh decided you know

630

00:28:53,630 --> 00:28:50,700

the French government wanted him uh to

631

00:28:55,850 --> 00:28:53,640

invade uh England

632

00:28:58,070 --> 00:28:55,860

but he wasn't a Navy guy you know he's

633

00:28:59,269 --> 00:28:58,080

an infantry guy he said no no no no he

634

00:29:00,470 --> 00:28:59,279

said but we have these ships ready

635

00:29:03,230 --> 00:29:00,480

because no I don't want to mess with

636

00:29:05,810 --> 00:29:03,240

that but I tell you what I wouldn't mind

637

00:29:07,310 --> 00:29:05,820

invading Egypt and they were like okay

638

00:29:09,710 --> 00:29:07,320

that's a good idea that'll mess with

639

00:29:11,510 --> 00:29:09,720

England because their trade route to

640

00:29:15,289 --> 00:29:11,520

India goes through there and if you

641

00:29:19,190 --> 00:29:15,299

invade uh Egypt that'll control their

642

00:29:21,350 --> 00:29:19,200

trade and maybe we can collapse uh uh

643

00:29:23,570 --> 00:29:21,360

you know Britain with that okay so that

644

00:29:26,630 --> 00:29:23,580

was the idea so he takes off he's got 50

645

00:29:31,010 --> 00:29:26,640

ships 50 000 guys and he takes off but

646

00:29:34,310 --> 00:29:31,020

on his way to Egypt he's like man let's

647

00:29:38,690 --> 00:29:34,320

invade Malta right so they they pull the

648

00:29:41,029 --> 00:29:38,700

ships in uh and Malta right uh that was

649

00:29:42,710 --> 00:29:41,039

no coincidence by the way well hold on

650

00:29:45,289 --> 00:29:42,720

hold on hold on this is this is where

651
00:29:47,630 --> 00:29:45,299
the story gets really interesting so

652
00:29:49,669 --> 00:29:47,640
Malta didn't really have it they were

653
00:29:52,310 --> 00:29:49,679
there for like a day and a half it's not

654
00:29:55,310 --> 00:29:52,320
an exaggeration right so they they

655
00:29:56,930 --> 00:29:55,320
invade and and Take Over Malta but while

656
00:30:00,409 --> 00:29:56,940
they were there you know they're

657
00:30:01,870 --> 00:30:00,419
stealing and and they

658
00:30:06,950 --> 00:30:01,880
took

659
00:30:10,029 --> 00:30:06,960
12 12 the number is 12.

660
00:30:15,710 --> 00:30:14,450
solid silver statues of the 12 disciples

661
00:30:19,250 --> 00:30:15,720
of Christ

662
00:30:22,250 --> 00:30:19,260
okay they put those on the ships they

663
00:30:25,130 --> 00:30:22,260

also took

664

00:30:29,110 --> 00:30:25,140

a piece of the True Cross

665

00:30:34,490 --> 00:30:29,120

they decided they felt Napoleon felt bad

666

00:30:37,789 --> 00:30:34,500

he gave them the True Cross piece back

667

00:30:41,810 --> 00:30:37,799

this is all part of Napoleon's Journal

668

00:30:44,210 --> 00:30:41,820

but they take the 12 lifestyes solid

669

00:30:46,070 --> 00:30:44,220

silver statues of the Disciples of

670

00:30:48,529 --> 00:30:46,080

Christ and put those on the ships

671

00:30:51,409 --> 00:30:48,539

those 12 statues

672

00:30:54,470 --> 00:30:51,419

have never been seen they're gone

673

00:30:56,870 --> 00:30:54,480

they're missing and their life size yeah

674

00:31:00,350 --> 00:30:56,880

life sized

675

00:31:02,389 --> 00:31:00,360

right huh they just

676
00:31:04,610 --> 00:31:02,399
they're gone they have never been seen

677
00:31:07,669 --> 00:31:04,620
again well I can tell you this they

678
00:31:09,470 --> 00:31:07,679
didn't disappear they went somewhere

679
00:31:11,330 --> 00:31:09,480
they went somewhere isn't that an

680
00:31:13,130 --> 00:31:11,340
interesting you know I had never heard

681
00:31:16,250 --> 00:31:13,140
that story that's fascinating yourself

682
00:31:18,830 --> 00:31:16,260
and this is a professor of the of uh

683
00:31:20,149 --> 00:31:18,840
here in the state of California teaching

684
00:31:24,590 --> 00:31:20,159
a history class

685
00:31:27,350 --> 00:31:24,600
yeah I was like really okay all right so

686
00:31:30,470 --> 00:31:27,360
a little thing a little nugget uh you

687
00:31:33,710 --> 00:31:30,480
know because of uh uh you're Research

688
00:31:36,110 --> 00:31:33,720

into Malta and uh their version of the

689

00:31:38,269 --> 00:31:36,120

Templars there and and so forth well I

690

00:31:40,549 --> 00:31:38,279

gotta I got a story about Napoleon you

691

00:31:43,490 --> 00:31:40,559

probably haven't heard what's that

692

00:31:47,269 --> 00:31:43,500

so uh did you know that he raided the

693

00:31:49,430 --> 00:31:47,279

Vatican yes do you know that he uh

694

00:31:54,049 --> 00:31:49,440

basically uh went through the archives

695

00:31:56,930 --> 00:31:54,059

and took them yes and recopied all the

696

00:32:00,950 --> 00:31:56,940

Templar documents yes including probably

697

00:32:04,730 --> 00:32:00,960

a copy of the cremona document he rolled

698

00:32:08,510 --> 00:32:04,740

through Italy and literally uh raided

699

00:32:10,669 --> 00:32:08,520

the Vatican this is a part of History

700

00:32:13,850 --> 00:32:10,679

um and and he took a lot a lot of stuff

701
00:32:15,590 --> 00:32:13,860
back to France yep um and when he did

702
00:32:17,750 --> 00:32:15,600
that this is the other thing he was like

703
00:32:20,269 --> 00:32:17,760
27.

704
00:32:22,789 --> 00:32:20,279
and he was his brother oh he was a

705
00:32:25,850 --> 00:32:22,799
brother he was a Freemason he was 29

706
00:32:28,010 --> 00:32:25,860
when he invaded uh Egypt

707
00:32:29,289 --> 00:32:28,020
yeah it was amazing when you think about

708
00:32:32,230 --> 00:32:29,299
it

709
00:32:35,029 --> 00:32:32,240
he was he was a young Brash

710
00:32:38,630 --> 00:32:35,039
SOB he kind of reminds me a little bit

711
00:32:41,210 --> 00:32:38,640
of Bonnie Prince Charlie I mean what did

712
00:32:43,730 --> 00:32:41,220
you do by the time you were 29 years old

713
00:32:46,490 --> 00:32:43,740

well I mean what did you do Scott you

714

00:32:49,190 --> 00:32:46,500

know what Jimmy it's funny you asked

715

00:32:50,990 --> 00:32:49,200

that question I was 26 years old when I

716

00:32:53,450 --> 00:32:51,000

published my first book

717

00:32:55,130 --> 00:32:53,460

and it had nothing to do with any of

718

00:32:59,950 --> 00:32:55,140

this subjects children's books don't

719

00:33:04,070 --> 00:32:59,960

count Sky what rock books do two counts

720

00:33:07,490 --> 00:33:04,080

but yeah these 12 statues you know and

721

00:33:10,430 --> 00:33:07,500

yeah where are they and prior to that uh

722

00:33:13,490 --> 00:33:10,440

he just uh invaded Italy you know swept

723

00:33:15,049 --> 00:33:13,500

through Italy uh raided the Vatican and

724

00:33:18,289 --> 00:33:15,059

was just taking the stuff back to France

725

00:33:20,210 --> 00:33:18,299

going okay who's next you know that's

726

00:33:22,430 --> 00:33:20,220

that's exactly what it made me turn

727

00:33:25,789 --> 00:33:22,440

around and and you know what he did in

728

00:33:27,370 --> 00:33:25,799

Egypt how he ended up there this is the

729

00:33:29,029 --> 00:33:27,380

other crazy part

730

00:33:35,110 --> 00:33:29,039

so

731

00:33:38,509 --> 00:33:35,120

he goes and and Egypt at that time was

732

00:33:41,149 --> 00:33:38,519

uh it there was no real organized

733

00:33:43,909 --> 00:33:41,159

government you know in the late 1700s

734

00:33:46,669 --> 00:33:43,919

right there wasn't anything there easy

735

00:33:48,230 --> 00:33:46,679

to invade no organized armies or

736

00:33:51,649 --> 00:33:48,240

anything like that they had local

737

00:33:54,710 --> 00:33:51,659

Governors these tribe things and and so

738

00:33:57,350 --> 00:33:54,720

but easy right and and there were parts

739

00:33:59,330 --> 00:33:57,360

of you know Cairo that were run you know

740

00:34:01,610 --> 00:33:59,340

the different countries it was it was

741

00:34:03,649 --> 00:34:01,620

like that so he goes in and he thought

742

00:34:05,389 --> 00:34:03,659

he was going to roll through they have

743

00:34:08,329 --> 00:34:05,399

their first

744

00:34:11,270 --> 00:34:08,339

um uh so those 50 ships are parked out

745

00:34:15,050 --> 00:34:11,280

in the Mediterranean he goes Inland goes

746

00:34:17,030 --> 00:34:15,060

to Giza uh 50 000 soldiers uh they have

747

00:34:18,770 --> 00:34:17,040

What's called the Battle of Giza right

748

00:34:20,089 --> 00:34:18,780

wasn't that Giza was seven miles away

749

00:34:22,849 --> 00:34:20,099

from Giza but it's called The Battle of

750

00:34:25,369 --> 00:34:22,859

Giza he eventually yeah he wins it after

751
00:34:28,909 --> 00:34:25,379
a couple of days the next one was called

752
00:34:31,310 --> 00:34:28,919
the battle of the Nile which wasn't uh

753
00:34:33,109 --> 00:34:31,320
on the Nile but close enough those 50

754
00:34:37,010 --> 00:34:33,119
ships are out there

755
00:34:38,750 --> 00:34:37,020
um uh uh the the British had had ships

756
00:34:41,990 --> 00:34:38,760
there but they had real Navy ships with

757
00:34:46,609 --> 00:34:42,000
real guns and Napoleon

758
00:34:48,230 --> 00:34:46,619
had his guns pointed the other way they

759
00:34:52,010 --> 00:34:48,240
sunk

760
00:34:53,570 --> 00:34:52,020
every Napoleon ship including the

761
00:34:56,629 --> 00:34:53,580
biggest ship in the world which was

762
00:34:58,910 --> 00:34:56,639
Napoleon's personal vessel right so they

763
00:35:03,290 --> 00:34:58,920

blow all the he was stuck

764

00:35:05,450 --> 00:35:03,300

that's why he stayed in in Egypt Egypt

765

00:35:08,329 --> 00:35:05,460

yeah he didn't stay but he couldn't get

766

00:35:11,710 --> 00:35:08,339

out of there get out so he put everybody

767

00:35:15,290 --> 00:35:11,720

to work and uh and that's how egyptology

768

00:35:16,970 --> 00:35:15,300

uh was started right and uh all kidding

769

00:35:18,290 --> 00:35:16,980

aside that's that's how it all went down

770

00:35:19,790 --> 00:35:18,300

well that's kind of interesting

771

00:35:22,550 --> 00:35:19,800

sometimes

772

00:35:24,530 --> 00:35:22,560

um well we we there's a million examples

773

00:35:26,990 --> 00:35:24,540

of sometimes the greatest discoveries

774

00:35:28,849 --> 00:35:27,000

happened by accidents or or by

775

00:35:31,910 --> 00:35:28,859

coincidence it's not because somebody

776

00:35:34,250 --> 00:35:31,920

was you know dialed in on I'm going to

777

00:35:36,589 --> 00:35:34,260

go look for this and finding it a lot it

778

00:35:39,050 --> 00:35:36,599

it more often than not it's it's

779

00:35:41,510 --> 00:35:39,060

circumstances right and and an accident

780

00:35:43,490 --> 00:35:41,520

you stumble upon something and oh my God

781

00:35:46,790 --> 00:35:43,500

it's the greatest discovery in the world

782

00:35:49,010 --> 00:35:46,800

right yeah and the other funny thing the

783

00:35:50,630 --> 00:35:49,020

the English when they sunk all of the

784

00:35:52,490 --> 00:35:50,640

French ships which was like the entire

785

00:35:55,010 --> 00:35:52,500

french navy by the way

786

00:35:57,410 --> 00:35:55,020

they didn't even hang around they just

787

00:35:59,750 --> 00:35:57,420

sailed back to England and they said

788

00:36:03,530 --> 00:35:59,760

we're done I just left them there man

789

00:36:08,810 --> 00:36:03,540

they literally left Napoleon in Egypt so

790

00:36:11,990 --> 00:36:08,820

okay so um so so this do we want to go

791

00:36:14,450 --> 00:36:12,000

back and try to keep people focused on

792

00:36:17,150 --> 00:36:14,460

let's go back to the criminals the story

793

00:36:20,450 --> 00:36:17,160

so goddamn complicated I don't know I

794

00:36:22,730 --> 00:36:20,460

think I'm the only person living except

795

00:36:25,609 --> 00:36:22,740

for Don and even Don I don't think is

796

00:36:27,170 --> 00:36:25,619

fully because he was so close to it for

797

00:36:28,849 --> 00:36:27,180

so long I mean you gotta remember

798

00:36:31,310 --> 00:36:28,859

something

799

00:36:33,170 --> 00:36:31,320

um Bill Jackson saved Don's life at one

800

00:36:34,550 --> 00:36:33,180

time they were childhood friends from

801
00:36:37,550 --> 00:36:34,560
seven years old

802
00:36:40,609 --> 00:36:37,560
so he gets this document and the first

803
00:36:44,510 --> 00:36:40,619
thing he does is once he decodes it

804
00:36:47,450 --> 00:36:44,520
he comes to realize that the story

805
00:36:51,650 --> 00:36:47,460
that's told in there is about

806
00:36:54,230 --> 00:36:51,660
six Templar nights that take six ships

807
00:36:58,010 --> 00:36:54,240
and 144 men and women

808
00:37:01,730 --> 00:36:58,020
starting in England in 1177 they go to

809
00:37:04,550 --> 00:37:01,740
Denmark to get the Navigator whose name

810
00:37:07,310 --> 00:37:04,560
was altamara it was a woman

811
00:37:10,510 --> 00:37:07,320
and she led them over here to North

812
00:37:13,130 --> 00:37:10,520
America to go over and recover

813
00:37:15,770 --> 00:37:13,140

ancient Scrolls that had been hidden

814

00:37:18,470 --> 00:37:15,780

that date back to the first century and

815

00:37:20,930 --> 00:37:18,480

beyond in North America

816

00:37:22,670 --> 00:37:20,940

the Scrolls that the Templars recovered

817

00:37:24,349 --> 00:37:22,680

under the Temple mount that we talked

818

00:37:26,210 --> 00:37:24,359

about a little while ago

819

00:37:28,790 --> 00:37:26,220

that's where they found out about those

820

00:37:31,790 --> 00:37:28,800

Scrolls that were over here

821

00:37:33,710 --> 00:37:31,800

and so he leads these six ships over

822

00:37:38,210 --> 00:37:33,720

there but as they're going around

823

00:37:41,450 --> 00:37:38,220

Newfoundland heading south and then West

824

00:37:44,690 --> 00:37:41,460

one of the ships hit rocks and it limped

825

00:37:46,970 --> 00:37:44,700

ashore this is in 1178

826

00:37:49,190 --> 00:37:46,980

and they realize that this thing's

827

00:37:51,650 --> 00:37:49,200

screwed they can't save it they can't

828

00:37:53,930 --> 00:37:51,660

fix it so they offloaded everything they

829

00:37:54,890 --> 00:37:53,940

towed it out into the bay and they sunk

830

00:38:00,950 --> 00:37:54,900

it

831

00:38:08,329 --> 00:38:00,960

so

832

00:38:10,430 --> 00:38:08,339

the notebook that Don kept and one of

833

00:38:14,089 --> 00:38:10,440

the funniest lines in The Notebook

834

00:38:16,609 --> 00:38:14,099

he writes Bill said the magic words he

835

00:38:19,190 --> 00:38:16,619

had invited him to go up to Newfoundland

836

00:38:21,050 --> 00:38:19,200

to go diving to look for stuff he didn't

837

00:38:25,089 --> 00:38:21,060

tell them what they were looking for but

838

00:38:28,970 --> 00:38:25,099

the magic words were I'll pay

839

00:38:31,310 --> 00:38:28,980

now what you have to also understand is

840

00:38:33,950 --> 00:38:31,320

Don never married

841

00:38:35,810 --> 00:38:33,960

never had a family never had kids

842

00:38:39,589 --> 00:38:35,820

and

843

00:38:41,930 --> 00:38:39,599

um he has said he has said to me more

844

00:38:43,310 --> 00:38:41,940

than once when I've asked him the

845

00:38:45,410 --> 00:38:43,320

question I said what are you going to do

846

00:38:48,710 --> 00:38:45,420

with all this [h__h] when when when you

847

00:38:52,490 --> 00:38:48,720

pass he goes it's all going to you and

848

00:38:53,630 --> 00:38:52,500

I'm like great but anyway so don was

849

00:38:55,970 --> 00:38:53,640

always available

850

00:38:57,950 --> 00:38:55,980

so Jackson said I want you to come up

851
00:39:01,190 --> 00:38:57,960
there with me he had no idea what they

852
00:39:02,810 --> 00:39:01,200
were doing they scuba dived over the

853
00:39:05,329 --> 00:39:02,820
course of two days

854
00:39:06,310 --> 00:39:05,339
and they found that ship and 35 feet of

855
00:39:09,109 --> 00:39:06,320
water

856
00:39:12,349 --> 00:39:09,119
that convinced Jackson that this

857
00:39:14,329 --> 00:39:12,359
material the story it told was true

858
00:39:17,650 --> 00:39:14,339
so then the next mission that they

859
00:39:22,970 --> 00:39:17,660
undertook okay well hold on Scott

860
00:39:25,670 --> 00:39:22,980
so that ship was one of the six from 77

861
00:39:28,550 --> 00:39:25,680
from the 12th century the late 12th

862
00:39:30,470 --> 00:39:28,560
century yeah 1177 yep okay now there's a

863
00:39:32,030 --> 00:39:30,480

lot of deep a lot more details about the

864

00:39:33,770 --> 00:39:32,040

ship I can tell you but I don't want to

865

00:39:35,690 --> 00:39:33,780

go into that right now you can read

866

00:39:37,970 --> 00:39:35,700

about some of it my cryptic code book

867

00:39:41,089 --> 00:39:37,980

but we know a lot more now that we

868

00:39:42,770 --> 00:39:41,099

haven't published yet now you told me a

869

00:39:44,990 --> 00:39:42,780

couple of years ago that you were going

870

00:39:46,849 --> 00:39:45,000

to scuba dive to this ship yep we have

871

00:39:49,210 --> 00:39:46,859

not done it yet because we don't we

872

00:39:51,530 --> 00:39:49,220

don't have the funding yet because

873

00:39:53,270 --> 00:39:51,540

that's what we're working for we're

874

00:39:55,190 --> 00:39:53,280

hoping to be able to do it late in the

875

00:39:57,589 --> 00:39:55,200

summer this year I think there's a good

876

00:39:58,730 --> 00:39:57,599

chance that we'll be able to do that but

877

00:40:01,790 --> 00:39:58,740

in any case

878

00:40:04,490 --> 00:40:01,800

and that was in 1971. that convinced

879

00:40:07,730 --> 00:40:04,500

Jackson that the story was true so the

880

00:40:09,890 --> 00:40:07,740

next mission was to find the Temple of

881

00:40:12,349 --> 00:40:09,900

the Goddess where these Scrolls were

882

00:40:15,829 --> 00:40:12,359

hidden then eventually Ralph the subtly

883

00:40:18,410 --> 00:40:15,839

did find and he was able to recover half

884

00:40:20,450 --> 00:40:18,420

of the Scrolls and then they wintered

885

00:40:22,609 --> 00:40:20,460

over and eventually sailed back to

886

00:40:24,950 --> 00:40:22,619

saborga Italy where his deposition was

887

00:40:27,710 --> 00:40:24,960

taken in front of the Grand Master of

888

00:40:29,829 --> 00:40:27,720

the Templars at the time A guy by the

889

00:40:31,370 --> 00:40:29,839

name of Odon Odo

890

00:40:35,089 --> 00:40:31,380

and

891

00:40:36,349 --> 00:40:35,099

know about this story

892

00:40:41,650 --> 00:40:36,359

but

893

00:40:45,230 --> 00:40:41,660

okay uh where were uh the tomb right

894

00:40:48,530 --> 00:40:45,240

uh what state was that in obviously it's

895

00:40:51,950 --> 00:40:48,540

East Coast it's it's what it was in the

896

00:40:53,569 --> 00:40:51,960

uh it's what now is Upstate New York on

897

00:40:59,210 --> 00:40:53,579

the top of a mountain

898

00:41:02,150 --> 00:40:59,220

well let me just get back to Jackson so

899

00:41:03,670 --> 00:41:02,160

he and Don for the next get the location

900

00:41:06,950 --> 00:41:03,680

out of you

901
00:41:08,990 --> 00:41:06,960
I told you upstate New York

902
00:41:11,990 --> 00:41:09,000
um and you can read about it it's it's

903
00:41:14,990 --> 00:41:12,000
it's it's near Hunter Mountain

904
00:41:16,970 --> 00:41:15,000
and it's very steep

905
00:41:19,370 --> 00:41:16,980
um that particular area but if you know

906
00:41:21,589 --> 00:41:19,380
anything about that area there are all

907
00:41:24,290 --> 00:41:21,599
kinds of stone structures there's Stone

908
00:41:26,569 --> 00:41:24,300
Carns there's walls there's ancient

909
00:41:29,210 --> 00:41:26,579
dwellings I mean there was there's a lot

910
00:41:30,890 --> 00:41:29,220
going on there but in any case they

911
00:41:33,170 --> 00:41:30,900
spent six years

912
00:41:38,810 --> 00:41:33,180
scouring the mountains hiking on the

913
00:41:40,430 --> 00:41:38,820

mountains and on October 11th of 1977.

914

00:41:45,430 --> 00:41:40,440

they found

915

00:41:51,230 --> 00:41:45,440

altamara

916

00:41:54,170 --> 00:41:51,240

between two warring native tribes some

917

00:41:56,329 --> 00:41:54,180

of the local indigenous tribes were

918

00:41:58,069 --> 00:41:56,339

afraid of the people on the mountain the

919

00:42:00,349 --> 00:41:58,079

people on the Temple of the Goddess so

920

00:42:03,109 --> 00:42:00,359

they attacked them and there was a

921

00:42:06,109 --> 00:42:03,119

battle and she was killed her body was

922

00:42:10,910 --> 00:42:06,119

burned it was put inside of a stone bar

923

00:42:13,250 --> 00:42:10,920

a wooden box a wooden ossuary

924

00:42:15,770 --> 00:42:13,260

and she was put inside of a small cave

925

00:42:17,089 --> 00:42:15,780

with offerings and then it was sealed

926
00:42:20,290 --> 00:42:17,099
with the stone

927
00:42:22,430 --> 00:42:20,300
when she was she was the Navigator

928
00:42:24,349 --> 00:42:22,440
yep yeah

929
00:42:26,270 --> 00:42:24,359
by the time they had gotten there they

930
00:42:28,010 --> 00:42:26,280
had befriended some of the local native

931
00:42:31,849 --> 00:42:28,020
tribes and when they left they were

932
00:42:33,770 --> 00:42:31,859
guided out but she was she was uh she

933
00:42:37,550 --> 00:42:33,780
was killed and

934
00:42:40,490 --> 00:42:37,560
in 1977 they found altamara's tomb on

935
00:42:42,710 --> 00:42:40,500
the mountain and I think that I have

936
00:42:44,750 --> 00:42:42,720
found where that tomb is

937
00:42:48,170 --> 00:42:44,760
uh there's nothing in it now obviously

938
00:42:50,810 --> 00:42:48,180

they took everything back in 1977 but at

939

00:42:52,609 --> 00:42:50,820

that point Bill Jackson

940

00:42:54,410 --> 00:42:52,619

um was done there was nothing else that

941

00:42:56,510 --> 00:42:54,420

he could go look for on the ground there

942

00:42:59,329 --> 00:42:56,520

was a lot of other research that he

943

00:43:02,089 --> 00:42:59,339

could do and did do but nothing else in

944

00:43:03,710 --> 00:43:02,099

the field at that point he decided that

945

00:43:04,730 --> 00:43:03,720

he was going to write a book about all

946

00:43:07,790 --> 00:43:04,740

this

947

00:43:10,430 --> 00:43:07,800

but he had had interactions with certain

948

00:43:12,170 --> 00:43:10,440

Scholars and if you want me to name one

949

00:43:14,030 --> 00:43:12,180

of them who's the biggest [h__h] in the

950

00:43:16,069 --> 00:43:14,040

world I'll tell you who he is he's

951

00:43:19,630 --> 00:43:16,079

actually a fairly famous guy

952

00:43:23,210 --> 00:43:19,640

but um only if you say so Jim yeah go

953

00:43:26,150 --> 00:43:23,220

you ever heard of Barry fell yes of

954

00:43:30,349 --> 00:43:26,160

course Barry fell wrote a book called

955

00:43:33,650 --> 00:43:30,359

America BC in 1976. yes he did when

956

00:43:36,650 --> 00:43:33,660

Jackson was looking for help to try to

957

00:43:38,870 --> 00:43:36,660

decode the document that he had

958

00:43:41,210 --> 00:43:38,880

he went to Barry fell

959

00:43:42,950 --> 00:43:41,220

and Barry fell looked at it and helped

960

00:43:45,050 --> 00:43:42,960

him decode it and then he didn't want to

961

00:43:47,470 --> 00:43:45,060

give it back that's right

962

00:43:50,390 --> 00:43:47,480

not a good idea

963

00:43:52,730 --> 00:43:50,400

not not but not with a Spartan dude not

964

00:43:55,190 --> 00:43:52,740

with the Spartan crew well anyway let's

965

00:43:57,530 --> 00:43:55,200

put it this way he's going to publish

966

00:43:59,510 --> 00:43:57,540

that material in his book American BC

967

00:44:02,870 --> 00:43:59,520

but it never happened for obvious

968

00:44:05,510 --> 00:44:02,880

reasons you can go and and and just go

969

00:44:07,250 --> 00:44:05,520

down the berry fell uh rabbit hole on

970

00:44:10,670 --> 00:44:07,260

your own uh there's a lot of information

971

00:44:14,750 --> 00:44:10,680

out there about uh Barry fell but uh

972

00:44:16,910 --> 00:44:14,760

yeah and you know what to be fair he did

973

00:44:20,089 --> 00:44:16,920

a lot of really great work and I commend

974

00:44:23,450 --> 00:44:20,099

him for being really the first academic

975

00:44:25,250 --> 00:44:23,460

to step out of you know the Paradigm and

976

00:44:27,470 --> 00:44:25,260

say there were all kinds of people that

977

00:44:28,970 --> 00:44:27,480

were coming here before Columbus and you

978

00:44:31,490 --> 00:44:28,980

got to remember something this is back

979

00:44:34,670 --> 00:44:31,500

in the early 70s right this is long

980

00:44:36,589 --> 00:44:34,680

before the internet and you know the you

981

00:44:39,770 --> 00:44:36,599

know you had to actually go to libraries

982

00:44:42,290 --> 00:44:39,780

and look at books imagine that right to

983

00:44:45,829 --> 00:44:42,300

do research now we just you know we can

984

00:44:48,770 --> 00:44:45,839

have it at the tip of our fingers but so

985

00:44:51,230 --> 00:44:48,780

the point of telling that story was

986

00:44:53,809 --> 00:44:51,240

because Bill Jackson became frustrated

987

00:44:55,790 --> 00:44:53,819

with Academia and he said screw it I'm

988

00:44:58,010 --> 00:44:55,800

not going to write this because they all

989

00:45:00,770 --> 00:44:58,020

think it's [h__h] anyway so why should

990

00:45:03,050 --> 00:45:00,780

I bother so we decided that he was going

991

00:45:06,530 --> 00:45:03,060

to write a novel

992

00:45:08,329 --> 00:45:06,540

and he began that process and he also

993

00:45:11,630 --> 00:45:08,339

one of the things that he did was he

994

00:45:15,170 --> 00:45:11,640

Incorporated the Oak Island mystery this

995

00:45:17,809 --> 00:45:15,180

is back in the 70s and early 80s uh into

996

00:45:20,450 --> 00:45:17,819

his novel but what happened is he

997

00:45:22,730 --> 00:45:20,460

realized that he had uh he was coming

998

00:45:24,710 --> 00:45:22,740

down with Parkinson's disease

999

00:45:28,190 --> 00:45:24,720

and um

1000

00:45:30,890 --> 00:45:28,200

arterial sclerosis and that he was dying

1001

00:45:32,569 --> 00:45:30,900

so he decided to give up on both of

1002

00:45:33,470 --> 00:45:32,579

those projects He never finished either

1003

00:45:36,710 --> 00:45:33,480

one

1004

00:45:38,690 --> 00:45:36,720

and he decided to sell the document in

1005

00:45:40,910 --> 00:45:38,700

1994.

1006

00:45:42,349 --> 00:45:40,920

and you know who he sold it to

1007

00:45:45,530 --> 00:45:42,359

who

1008

00:45:48,349 --> 00:45:45,540

the Vatican oh yeah okay so

1009

00:45:52,190 --> 00:45:48,359

um uh I'm glad that we told this whole

1010

00:45:54,230 --> 00:45:52,200

story because I was actually uh going to

1011

00:45:57,109 --> 00:45:54,240

bring that up earlier in the show

1012

00:45:59,210 --> 00:45:57,119

because that's exactly how this went

1013

00:46:02,390 --> 00:45:59,220

down that's exactly what happened yeah

1014

00:46:04,910 --> 00:46:02,400

and uh so now why would I mean there's

1015

00:46:07,309 --> 00:46:04,920

obvious reasons I just want you to uh

1016

00:46:08,870 --> 00:46:07,319

you know you know put it out there why

1017

00:46:11,270 --> 00:46:08,880

would the Vatican be interested in

1018

00:46:15,050 --> 00:46:11,280

getting this stuff back the answers may

1019

00:46:17,630 --> 00:46:15,060

be obvious but why would the Vatican uh

1020

00:46:20,510 --> 00:46:17,640

want this stuff well

1021

00:46:23,690 --> 00:46:20,520

if you understand what the totality of

1022

00:46:27,069 --> 00:46:23,700

the cremona document is it's talking

1023

00:46:29,870 --> 00:46:27,079

about the actual treasure the locations

1024

00:46:32,150 --> 00:46:29,880

where the Templars hid their Treasures

1025

00:46:37,190 --> 00:46:32,160

beginning back

1026

00:46:39,589 --> 00:46:37,200

century uh all the way up through the

1027

00:46:41,870 --> 00:46:39,599

middle of the 17th century they were

1028

00:46:45,050 --> 00:46:41,880

they were hiding Treasures over in North

1029

00:46:48,170 --> 00:46:45,060

America to be used for someday

1030

00:46:50,990 --> 00:46:48,180

uh that someday that whole mission

1031

00:46:54,050 --> 00:46:51,000

was called The Covenant to establish

1032

00:46:55,690 --> 00:46:54,060

what they call the free Templar state in

1033

00:47:00,109 --> 00:46:55,700

a place where their

1034

00:47:02,630 --> 00:47:00,119

ideological and biological ancestors had

1035

00:47:05,150 --> 00:47:02,640

already been thousands of years before

1036

00:47:07,010 --> 00:47:05,160

them I mean this whole notion that

1037

00:47:09,829 --> 00:47:07,020

Columbus discovered anything I mean

1038

00:47:11,809 --> 00:47:09,839

today does anybody really even accept

1039

00:47:14,150 --> 00:47:11,819

that narrative I don't think so I mean

1040

00:47:18,050 --> 00:47:14,160

that's something they do I don't I it's

1041

00:47:20,390 --> 00:47:18,060

it's weird how In Our Lifetime

1042

00:47:23,390 --> 00:47:20,400

righteous In Our Lifetime that that

1043

00:47:27,410 --> 00:47:23,400

whole thing has been

1044

00:47:29,770 --> 00:47:27,420

pretty much flipped you know and nobody

1045

00:47:32,510 --> 00:47:29,780

wants to say Columbus Day anymore

1046

00:47:34,609 --> 00:47:32,520

well no it's it's called indigenous

1047

00:47:36,349 --> 00:47:34,619

people's day now right

1048

00:47:40,250 --> 00:47:36,359

but he wanted to hey man you guys get

1049

00:47:46,190 --> 00:47:42,230

I don't take that day

1050

00:47:49,670 --> 00:47:46,200

principle I go into work and I work my

1051

00:47:52,069 --> 00:47:49,680

my answer palities exactly so

1052

00:47:54,829 --> 00:47:52,079

um okay so we sold it to the Vatican

1053

00:47:58,069 --> 00:47:54,839

right right now

1054

00:48:00,589 --> 00:47:58,079

and he he got a pretty good price for it

1055

00:48:02,030 --> 00:48:00,599

there's a an interesting detail that I

1056

00:48:04,730 --> 00:48:02,040

want to tell you about that a lot of

1057

00:48:07,250 --> 00:48:04,740

people will never know unless we have a

1058

00:48:09,109 --> 00:48:07,260

conversation like this but you know Bill

1059

00:48:10,670 --> 00:48:09,119

Jackson didn't call up the Vatican and

1060

00:48:12,650 --> 00:48:10,680

say hey I got a document I think you

1061

00:48:14,950 --> 00:48:12,660

guys might want of course he went

1062

00:48:18,530 --> 00:48:14,960

through one of his military contacts

1063

00:48:20,390 --> 00:48:18,540

that met with an agent that represented

1064

00:48:26,089 --> 00:48:20,400

the church

1065

00:48:27,410 --> 00:48:26,099

was a guy named Arch Bishop Paul

1066

00:48:30,109 --> 00:48:27,420

marcinkus

1067

00:48:32,930 --> 00:48:30,119

does that name ring a bell no it does

1068

00:48:35,510 --> 00:48:32,940

not okay well if you Google it he will

1069

00:48:38,930 --> 00:48:35,520

come right up and if you look at him

1070

00:48:40,250 --> 00:48:38,940

he's a big strong badass

1071

00:48:43,250 --> 00:48:40,260

guy

1072

00:48:46,069 --> 00:48:43,260

he was a he was a uh a heavy for the

1073

00:48:49,970 --> 00:48:46,079

church he was the guy that killed Pope

1074

00:48:52,250 --> 00:48:49,980

John Paul the first in 1978. he was the

1075

00:48:55,430 --> 00:48:52,260

only guy that had a key to the secret

1076

00:48:57,349 --> 00:48:55,440

entrance to his bed Chambers

1077

00:48:59,150 --> 00:48:57,359

and he was the pope that was killed

1078

00:49:01,550 --> 00:48:59,160

after 33 days

1079

00:49:04,010 --> 00:49:01,560

and they tried to pin it on Freemasonry

1080

00:49:07,069 --> 00:49:04,020

but that didn't didn't fly now

1081

00:49:09,109 --> 00:49:07,079

Archbishop Paul marcinkus was a bad guy

1082

00:49:11,390 --> 00:49:09,119

and he took care of things for the

1083

00:49:14,210 --> 00:49:11,400

church sort of um

1084

00:49:16,490 --> 00:49:14,220

you know the dirty work so to speak he

1085

00:49:18,710 --> 00:49:16,500

was involved in the P2 Scandal back in

1086

00:49:22,370 --> 00:49:18,720

the 70s and early 80s the money

1087

00:49:25,190 --> 00:49:22,380

laundering uh Scandal that uh the mafia

1088

00:49:26,569 --> 00:49:25,200

was laundering money through the Vatican

1089

00:49:29,030 --> 00:49:26,579

and they tried to blame it on

1090

00:49:32,390 --> 00:49:29,040

Freemasonry and other people and they

1091

00:49:34,250 --> 00:49:32,400

were caught but anyway you remember the

1092

00:49:37,309 --> 00:49:34,260

movie The Da Vinci Code

1093

00:49:41,270 --> 00:49:37,319

no what what was that well it was about

1094

00:49:45,890 --> 00:49:43,250

you remember you remember the albino

1095

00:49:50,030 --> 00:49:47,930

yeah that's still still one of the

1096

00:49:52,910 --> 00:49:50,040

creepiest dudes in cinema history by the

1097

00:49:55,970 --> 00:49:52,920

way uh that guy was patterned after

1098

00:49:57,950 --> 00:49:55,980

he was in that character was inspired by

1099

00:50:00,470 --> 00:49:57,960

Paul marcinkus that was written by

1100

00:50:04,970 --> 00:50:00,480

Charlie Brown right

1101

00:50:07,370 --> 00:50:04,980

I think so yeah I'm pretty sure so

1102

00:50:08,990 --> 00:50:07,380

um let me just say one last thing stop

1103

00:50:10,970 --> 00:50:09,000

stop I just gotta tell you what happened

1104

00:50:13,630 --> 00:50:10,980

to marcinkus no we'll get back to

1105

00:50:16,430 --> 00:50:13,640

marcinkus here I'll write it down

1106

00:50:18,410 --> 00:50:16,440

Mar cincus see there it is right there

1107

00:50:20,089 --> 00:50:18,420

marsinkus look him up he'll come right

1108

00:50:22,910 --> 00:50:20,099

up okay okay

1109

00:50:25,910 --> 00:50:22,920

um well remember the banker hung himself

1110

00:50:29,270 --> 00:50:25,920

of the Vatican Banker from the bridge

1111

00:50:32,630 --> 00:50:29,280

and and had rocks in his pocket but yeah

1112

00:50:34,550 --> 00:50:32,640

he's okay so we can get all we'll get

1113

00:50:35,930 --> 00:50:34,560

back to marsinkus all right the crazy

1114

00:50:40,390 --> 00:50:35,940

part of the story

1115

00:50:45,349 --> 00:50:40,400

um but it's this if if they are

1116

00:50:49,430 --> 00:50:45,359

referencing six ships in 1177 that are

1117

00:50:53,089 --> 00:50:49,440

dispatched to go and pick up stuff that

1118

00:50:55,670 --> 00:50:53,099

was there from the first century we're

1119

00:50:58,069 --> 00:50:55,680

getting into a crazy timeline is the

1120

00:51:01,250 --> 00:50:58,079

cremona document by the way is it called

1121

00:51:03,890 --> 00:51:01,260

cremona because of the violin instrument

1122

00:51:05,049 --> 00:51:03,900

center of the world which is cremona

1123

00:51:07,910 --> 00:51:05,059

okay

1124

00:51:12,349 --> 00:51:07,920

it's actually called Veritas vas

1125

00:51:14,630 --> 00:51:12,359

liberabet but um okay but we named it we

1126
00:51:17,630 --> 00:51:14,640
named it Don and I named it the cremona

1127
00:51:19,490 --> 00:51:17,640
document it for a while in Jackson's

1128
00:51:23,150 --> 00:51:19,500
time before he sold it it was called the

1129
00:51:25,910 --> 00:51:23,160
DeLeon file the reason for that stay

1130
00:51:28,790 --> 00:51:25,920
with me was because remember I told you

1131
00:51:31,910 --> 00:51:28,800
they went to Denmark to pick up altamara

1132
00:51:34,490 --> 00:51:31,920
to be the Navigator well she was in the

1133
00:51:35,870 --> 00:51:34,500
king's court and the King was a Templar

1134
00:51:38,630 --> 00:51:35,880
and he said well she's not going

1135
00:51:41,030 --> 00:51:38,640
anywhere unless somebody marries her so

1136
00:51:43,309 --> 00:51:41,040
one of the six Templar knights named

1137
00:51:45,950 --> 00:51:43,319
Ponce de Leon not the one you're

1138
00:51:49,790 --> 00:51:45,960

thinking of but about a 400 year

1139

00:51:52,970 --> 00:51:49,800

probably ancestor beforehand married her

1140

00:51:56,510 --> 00:51:52,980

so her name was actually altamara de

1141

00:51:59,630 --> 00:51:56,520

Leon and that and so Jackson called it

1142

00:52:02,089 --> 00:51:59,640

the DeLeon file for a long time but Don

1143

00:52:05,750 --> 00:52:02,099

and I renamed it the cremona document

1144

00:52:08,329 --> 00:52:05,760

just for clarity okay so back to the

1145

00:52:13,309 --> 00:52:08,339

point that I was trying to get out of

1146

00:52:16,150 --> 00:52:13,319

you 1177 yes it ships dispatched to pick

1147

00:52:21,589 --> 00:52:16,160

up stuff

1148

00:52:23,990 --> 00:52:21,599

Scott man let me just open yeah Scott uh

1149

00:52:26,530 --> 00:52:24,000

1177 to pick up stuff from the first

1150

00:52:31,309 --> 00:52:26,540

century that was here in North America

1151
00:52:35,770 --> 00:52:31,319
is that suggesting that ships were here

1152
00:52:39,530 --> 00:52:35,780
A Thousand Years prior to

1153
00:52:42,470 --> 00:52:39,540
11.77. that's what I want to know hell

1154
00:52:45,290 --> 00:52:42,480
yes and before that

1155
00:52:49,069 --> 00:52:45,300
remember what happened in the first

1156
00:52:51,890 --> 00:52:49,079
century at about that time you had the

1157
00:52:53,329 --> 00:52:51,900
rules destroyed Jerusalem right the

1158
00:52:56,030 --> 00:52:53,339
Jewish Wars yeah and you had the

1159
00:52:58,849 --> 00:52:56,040
diaspora you had these people that fled

1160
00:53:00,470 --> 00:52:58,859
right some of those people came over

1161
00:53:02,930 --> 00:53:00,480
here

1162
00:53:05,329 --> 00:53:02,940
now you remember something called the

1163
00:53:09,349 --> 00:53:05,339

bat Creek Stone I do

1164

00:53:11,390 --> 00:53:09,359

that was found inside of a a Cherokee

1165

00:53:14,390 --> 00:53:11,400

Barrett what is now a Cherokee territory

1166

00:53:18,770 --> 00:53:15,109

um

1167

00:53:21,049 --> 00:53:18,780

Hebrew Hebrew paleo Hebrew first century

1168

00:53:25,430 --> 00:53:21,059

well actually the c-14 dates were

1169

00:53:28,490 --> 00:53:25,440

between 70 and 700 A.D so somebody came

1170

00:53:30,890 --> 00:53:28,500

here before 700 A.D possibly as far back

1171

00:53:33,650 --> 00:53:30,900

as the first century now we have these

1172

00:53:36,290 --> 00:53:33,660

Scrolls that date back that far and and

1173

00:53:37,970 --> 00:53:36,300

even farther right we don't know when

1174

00:53:41,150 --> 00:53:37,980

they were brought over and hidden on the

1175

00:53:43,430 --> 00:53:41,160

mountain here but um

1176

00:53:46,490 --> 00:53:43,440

it certainly looks like we had ancient

1177

00:53:49,370 --> 00:53:46,500

Hebrews that were here 2000 years ago

1178

00:53:51,770 --> 00:53:49,380

almost 2 000 years ago now those ships

1179

00:53:54,710 --> 00:53:51,780

if we go you know we're talking about

1180

00:53:56,870 --> 00:53:54,720

two Millennia now this is not you know

1181

00:53:59,950 --> 00:53:56,880

last week this is this is a great amount

1182

00:54:03,589 --> 00:53:59,960

of time and to have

1183

00:54:05,809 --> 00:54:03,599

trans-oceanic ships that would it's one

1184

00:54:07,609 --> 00:54:05,819

thing to cruise up and down the Nile or

1185

00:54:10,250 --> 00:54:07,619

to putter or around the Mediterranean

1186

00:54:12,170 --> 00:54:10,260

right that that's one thing you know

1187

00:54:13,790 --> 00:54:12,180

kissing along the shoreline it's another

1188

00:54:16,609 --> 00:54:13,800

thing to cross the Atlantic altogether

1189

00:54:18,650 --> 00:54:16,619

it's a it's an insane thing wait wait

1190

00:54:23,990 --> 00:54:18,660

wait wait wait I I can I interject for a

1191

00:54:27,530 --> 00:54:24,000

sec no you can't so these are are we

1192

00:54:29,690 --> 00:54:27,540

talking about a dispatch from Jerusalem

1193

00:54:32,630 --> 00:54:29,700

and that area uh The Far Side of the

1194

00:54:35,930 --> 00:54:32,640

Mediterranean Lebanon Jerusalem uh are

1195

00:54:42,370 --> 00:54:35,940

we talking about from Cairo Italy Greece

1196

00:54:46,670 --> 00:54:42,380

so these ships that came across it at

1197

00:54:50,329 --> 00:54:46,680

2000 at the 2000 years ago uh somewhere

1198

00:54:53,089 --> 00:54:50,339

around the year zero to one hundred

1199

00:54:55,549 --> 00:54:53,099

um where did they what culture had that

1200

00:54:57,410 --> 00:54:55,559

ability to cross the Atlantic well I

1201
00:55:01,069 --> 00:54:57,420
think the Phoenicians

1202
00:55:03,589 --> 00:55:01,079
um certainly had that technology and you

1203
00:55:06,589 --> 00:55:03,599
know getting back to this whole idea of

1204
00:55:08,210 --> 00:55:06,599
you said this is a ridiculous task

1205
00:55:11,150 --> 00:55:08,220
do you remember I told you about the

1206
00:55:14,329 --> 00:55:11,160
encrypted documents that we have within

1207
00:55:17,329 --> 00:55:14,339
the cremona document we have we have at

1208
00:55:19,849 --> 00:55:17,339
least nine of them one of them is called

1209
00:55:24,650 --> 00:55:19,859
the quetzalocodal

1210
00:55:29,030 --> 00:55:24,660
because that's the cipher phrase that's

1211
00:55:32,150 --> 00:55:29,040
used to decode it but um basically what

1212
00:55:34,849 --> 00:55:32,160
the message is is instructions on how to

1213
00:55:36,890 --> 00:55:34,859

get over to the Americas taking the

1214

00:55:39,170 --> 00:55:36,900

southern route but if you take the

1215

00:55:41,750 --> 00:55:39,180

northern route basically it's island

1216

00:55:43,609 --> 00:55:41,760

hopping and I have talked to people when

1217

00:55:46,370 --> 00:55:43,619

I did America on Earth we did an episode

1218

00:55:49,130 --> 00:55:46,380

about the Irish uh ancient Irish coming

1219

00:55:51,349 --> 00:55:49,140

over to North North America and they

1220

00:55:54,589 --> 00:55:51,359

said that when you leave from Scotland

1221

00:55:58,069 --> 00:55:54,599

or Norway you can go to rock all you can

1222

00:55:58,730 --> 00:55:58,079

go to Iceland to Greenland to

1223

00:56:02,270 --> 00:55:58,740

um

1224

00:56:04,309 --> 00:56:02,280

uh Newfoundland to uh Baffin Island to

1225

00:56:07,010 --> 00:56:04,319

Newfoundland and then down to Nova

1226

00:56:09,530 --> 00:56:07,020

Scotia and if the weather is good

1227

00:56:12,109 --> 00:56:09,540

you could see land the entire way you

1228

00:56:14,750 --> 00:56:12,119

get about halfway to Iceland you can see

1229

00:56:17,569 --> 00:56:14,760

rock all behind you and Iceland visually

1230

00:56:19,910 --> 00:56:17,579

you could see it so basically you were

1231

00:56:22,549 --> 00:56:19,920

island hopping all the way there now

1232

00:56:24,290 --> 00:56:22,559

that in principle sounds great could you

1233

00:56:27,589 --> 00:56:24,300

see every day of course not it was

1234

00:56:29,569 --> 00:56:27,599

cloudy and storms and and rough seas and

1235

00:56:32,089 --> 00:56:29,579

currents and all that I mean it wasn't

1236

00:56:34,130 --> 00:56:32,099

an easy Journey but it wasn't as

1237

00:56:36,170 --> 00:56:34,140

difficult as some people want to try to

1238

00:56:37,990 --> 00:56:36,180

make it and I can tell you that we know

1239

00:56:41,089 --> 00:56:38,000

that the Scots were coming over here

1240

00:56:43,549 --> 00:56:41,099

routinely all the time the basks were

1241

00:56:46,730 --> 00:56:43,559

coming over here the damn Vikings were

1242

00:56:49,190 --> 00:56:46,740

here before the the Templars and you

1243

00:56:51,170 --> 00:56:49,200

know coming from Norway and a lot of

1244

00:56:52,670 --> 00:56:51,180

people don't understand that a lot of

1245

00:56:55,970 --> 00:56:52,680

these

1246

00:56:58,250 --> 00:56:55,980

um Scottish Earls were vassals to the

1247

00:57:00,049 --> 00:56:58,260

Norwegian King and they were Sailors for

1248

00:57:02,270 --> 00:57:00,059

God's sakes you think they didn't learn

1249

00:57:03,650 --> 00:57:02,280

about North America I mean give me a

1250

00:57:05,690 --> 00:57:03,660

break

1251

00:57:06,950 --> 00:57:05,700

um in sailing circles these captains

1252

00:57:09,589 --> 00:57:06,960

would get together and have a few

1253

00:57:12,049 --> 00:57:09,599

clients and let me tell you they would

1254

00:57:15,410 --> 00:57:12,059

they would talk and and

1255

00:57:18,230 --> 00:57:15,420

so look the worst kept secret in sailing

1256

00:57:20,150 --> 00:57:18,240

circles was the new world probably going

1257

00:57:25,190 --> 00:57:20,160

back thousands of years

1258

00:57:28,730 --> 00:57:25,200

yeah and and more and more things are

1259

00:57:32,510 --> 00:57:28,740

just accepted today and and and one of

1260

00:57:33,549 --> 00:57:32,520

them is yes the Vikings definitely 100

1261

00:57:36,410 --> 00:57:33,559

percent

1262

00:57:39,349 --> 00:57:36,420

established themselves further and

1263

00:57:41,870 --> 00:57:39,359

further west right um all the way to

1264

00:57:43,970 --> 00:57:41,880

North America there's uh all of the

1265

00:57:49,069 --> 00:57:43,980

evidence is there for that which

1266

00:57:52,790 --> 00:57:49,079

predates uh Columbus by a long time and

1267

00:57:55,790 --> 00:57:52,800

and and this is uh the accepted part of

1268

00:57:58,069 --> 00:57:55,800

our history these days and and they

1269

00:58:01,190 --> 00:57:58,079

didn't stop in Greenland right they just

1270

00:58:03,650 --> 00:58:01,200

they did they went all the way to uh to

1271

00:58:05,750 --> 00:58:03,660

North America now how far inland did

1272

00:58:07,849 --> 00:58:05,760

they go okay well we're still figuring

1273

00:58:10,690 --> 00:58:07,859

that out but at least that much has been

1274

00:58:14,270 --> 00:58:10,700

established right that that that

1275

00:58:16,549 --> 00:58:14,280

coming over from northern Europe well we

1276
00:58:19,849 --> 00:58:16,559
have we have all kinds of artifacts here

1277
00:58:21,589 --> 00:58:19,859
that talk about extensive presence of

1278
00:58:23,510 --> 00:58:21,599
course all these things have been

1279
00:58:25,670 --> 00:58:23,520
dismissed like the Kensington runestone

1280
00:58:27,650 --> 00:58:25,680
the spirit Pond runestone the

1281
00:58:30,589 --> 00:58:27,660
Narragansett

1282
00:58:32,870 --> 00:58:30,599
um there's the in Hawk signal Vincy

1283
00:58:34,609 --> 00:58:32,880
Stone I mean my God there's so much and

1284
00:58:35,990 --> 00:58:34,619
it's all been dismissed by people that

1285
00:58:39,289 --> 00:58:36,000
don't know what the hell they're talking

1286
00:58:41,329 --> 00:58:39,299
about and I mean I don't want to go on

1287
00:58:44,410 --> 00:58:41,339
my rant that I go on but I just find

1288
00:58:47,210 --> 00:58:44,420

this incredible that uh the the

1289

00:58:50,150 --> 00:58:47,220

archaeologists the historians the

1290

00:58:53,270 --> 00:58:50,160

anthropologists the roonologists

1291

00:58:54,950 --> 00:58:53,280

um these people that are in Humanities

1292

00:58:57,589 --> 00:58:54,960

disciplines which are wonderful

1293

00:59:01,069 --> 00:58:57,599

disciplines don't get me wrong okay but

1294

00:59:03,829 --> 00:59:01,079

they're not hard science disciplines

1295

00:59:07,069 --> 00:59:03,839

I'm a geologist that's hard science

1296

00:59:08,569 --> 00:59:07,079

right I run a materials forensic

1297

00:59:10,849 --> 00:59:08,579

laboratory I've been doing this for 40

1298

00:59:13,309 --> 00:59:10,859

years I know a little something about

1299

00:59:15,109 --> 00:59:13,319

the scientific method but when I talk

1300

00:59:16,490 --> 00:59:15,119

about the Kensington runestone and the

1301

00:59:18,890 --> 00:59:16,500

work that I've done on that or the

1302

00:59:20,630 --> 00:59:18,900

Newport Tower or Spirit pound or any of

1303

00:59:22,190 --> 00:59:20,640

these others

1304

00:59:24,770 --> 00:59:22,200

um

1305

00:59:27,349 --> 00:59:24,780

I performed hard science on these things

1306

00:59:29,870 --> 00:59:27,359

and I got to tell you something

1307

00:59:33,349 --> 00:59:29,880

um my reputation my credibility is very

1308

00:59:35,270 --> 00:59:33,359

important to me and if I don't have the

1309

00:59:36,770 --> 00:59:35,280

evidence to say something I'm not going

1310

00:59:40,309 --> 00:59:36,780

to say it

1311

00:59:43,670 --> 00:59:40,319

but if I do I'm gonna say it and I've

1312

00:59:45,530 --> 00:59:43,680

said it and I will stand behind every

1313

00:59:48,230 --> 00:59:45,540

single word I've said about any of these

1314

00:59:50,030 --> 00:59:48,240

artifacts and I've got these clowns I'm

1315

00:59:52,069 --> 00:59:50,040

sorry that's what I'm going to call them

1316

00:59:54,109 --> 00:59:52,079

that are standing on their their their

1317

00:59:56,150 --> 00:59:54,119

Ivory chairs

1318

00:59:58,069 --> 00:59:56,160

that are telling me that I don't

1319

01:00:00,289 --> 00:59:58,079

understand scientific method because

1320

01:00:02,750 --> 01:00:00,299

these things are fake

1321

01:00:04,670 --> 01:00:02,760

and I said look you want to have a

1322

01:00:06,770 --> 01:00:04,680

discussion you want to be an adult and

1323

01:00:08,030 --> 01:00:06,780

have a discussion let's have a

1324

01:00:10,490 --> 01:00:08,040

discussion

1325

01:00:13,910 --> 01:00:10,500

what evidence do you have that proves

1326

01:00:17,390 --> 01:00:13,920

the runestones are fake that the Newport

1327

01:00:19,789 --> 01:00:17,400

Tower was a friggin windmill are you

1328

01:00:22,069 --> 01:00:19,799

kidding me where's the evidence for that

1329

01:00:24,410 --> 01:00:22,079

talk to a structural engineer and you

1330

01:00:26,990 --> 01:00:24,420

tell them you know the Newport Tower was

1331

01:00:30,289 --> 01:00:27,000

a windmill and they start laughing but

1332

01:00:31,370 --> 01:00:30,299

yet historians and academics historians

1333

01:00:33,349 --> 01:00:31,380

won't

1334

01:00:35,630 --> 01:00:33,359

accept this

1335

01:00:37,809 --> 01:00:35,640

I mean to me it's mind-boggling and

1336

01:00:41,809 --> 01:00:37,819

frankly it's irresponsible

1337

01:00:43,970 --> 01:00:41,819

they are abusing uh their Authority

1338

01:00:46,490 --> 01:00:43,980

their perceived Authority and I'm sorry

1339

01:00:49,870 --> 01:00:46,500

to go on a rant but it's fine that's

1340

01:00:52,370 --> 01:00:49,880

fine it just makes me crazy Jesus

1341

01:00:55,010 --> 01:00:52,380

that's a good spot to take a break let's

1342

01:00:58,490 --> 01:00:55,020

do that and we will be right back more

1343

01:01:00,470 --> 01:00:58,500

with Scott Walter after this

1344

01:01:02,750 --> 01:01:00,480

this is Jimmy Church your Fade to Black

1345

01:01:04,970 --> 01:01:02,760

please visit all of our sponsors we're

1346

01:01:06,710 --> 01:01:04,980

taking a quick break here all of the

1347

01:01:09,770 --> 01:01:06,720

links are below

1348

01:01:11,930 --> 01:01:09,780

and we'll be right back

1349

01:01:12,910 --> 01:01:11,940

check out Billy Carson's Forbidden

1350

01:01:15,069 --> 01:01:12,920

Knowledge

1351

01:01:17,089 --> 01:01:15,079

forbiddenknowledge.com or

1352

01:01:21,049 --> 01:01:17,099

forbiddenknowledge.tv where you can get

1353

01:01:23,510 --> 01:01:21,059

access to over 6 000 videos movies TV

1354

01:01:25,490 --> 01:01:23,520

series exclusive documentaries like the

1355

01:01:27,010 --> 01:01:25,500

Black Knight satellite you can do it all

1356

01:01:30,410 --> 01:01:27,020

for just

1357

01:01:32,870 --> 01:01:30,420

7.77 per month or seventy seven dollars

1358

01:01:35,030 --> 01:01:32,880

per year after the three-day trial which

1359

01:01:37,730 --> 01:01:35,040

is also totally free to check out it's

1360

01:01:39,670 --> 01:01:37,740

all simple to do Billy Carson is the

1361

01:01:42,069 --> 01:01:39,680

best it's simple

1362

01:01:44,329 --> 01:01:42,079

forbiddenknowledge.com or

1363

01:01:48,289 --> 01:01:44,339

forbidknowledge.tv that's the number

1364

01:01:52,609 --> 01:01:50,270

I will be hosting an M seeing the

1365

01:01:55,250 --> 01:01:52,619

conscious life Expo this February 10th

1366

01:01:58,190 --> 01:01:55,260

through the 13th at The Lax Hilton right

1367

01:02:00,289 --> 01:01:58,200

here in Los Angeles California 200

1368

01:02:02,390 --> 01:02:00,299

speakers including Linda Moulton Howe

1369

01:02:05,030 --> 01:02:02,400

Bashar Deborah King George Nori Daniel

1370

01:02:08,870 --> 01:02:05,040

Sheehan Scott Walter Johnstone and David

1371

01:02:12,890 --> 01:02:08,880

Wolfe over 200 vendors special events

1372

01:02:15,289 --> 01:02:12,900

this is the biggest event of its kind on

1373

01:02:17,770 --> 01:02:15,299

planet Earth you've got to come and hang

1374

01:02:19,730 --> 01:02:17,780

out with all of us tickets and info at

1375

01:02:21,410 --> 01:02:19,740

consciouslifeexpo.com the links are

1376

01:02:24,530 --> 01:02:21,420

below

1377

01:02:27,710 --> 01:02:24,540

on Saturday April 1st that's right April

1378

01:02:29,870 --> 01:02:27,720

Fool's Day 2023 I will be hosting the

1379

01:02:33,349 --> 01:02:29,880

peripod festival at the Hyatt Regency

1380

01:02:35,870 --> 01:02:33,359

right here in Valencia California it's a

1381

01:02:38,930 --> 01:02:35,880

live one-day podcast Awards it's a film

1382

01:02:41,030 --> 01:02:38,940

festival it's a full-on media event

1383

01:02:42,829 --> 01:02:41,040

we're going to have Sky watching there's

1384

01:02:45,589 --> 01:02:42,839

going to be a Lifetime Achievement Award

1385

01:02:47,569 --> 01:02:45,599

presented to Linda Moulton Howe right

1386

01:02:49,670 --> 01:02:47,579

now you can submit your podcast your

1387

01:02:52,370 --> 01:02:49,680

film your TV series any of your

1388

01:02:54,349 --> 01:02:52,380

paranormal media for consideration you

1389

01:02:57,549 --> 01:02:54,359

can do all of that on the links below

1390

01:02:59,450 --> 01:02:57,559

for info and tickets go to

1391

01:03:02,530 --> 01:02:59,460

parapodfilmfest.com that's

1392

01:03:08,210 --> 01:03:06,589

April 7th through the 14th 2023 I'll be

1393

01:03:11,150 --> 01:03:08,220

hosting and presenting on the hidden

1394

01:03:13,789 --> 01:03:11,160

secrets seminar at Sea cruise from Los

1395

01:03:16,130 --> 01:03:13,799

Angeles to the Mexican Riviera I'm the

1396

01:03:18,710 --> 01:03:16,140

Navigator of the Seas that's right up

1397

01:03:20,390 --> 01:03:18,720

top a giant water slide you've got to

1398

01:03:22,309 --> 01:03:20,400

check out the Navigator of the Seas it's

1399

01:03:24,650 --> 01:03:22,319

amazing we've got Scott Walter Adam

1400

01:03:27,530 --> 01:03:24,660

Apollo Nick Pope Brad Olson Vivian

1401
01:03:29,870 --> 01:03:27,540
Chauvet Jason shirka Robert Grant Reuben

1402
01:03:32,210 --> 01:03:29,880
Langdon and another 12 amazing speakers

1403
01:03:33,609 --> 01:03:32,220
and presenters it's all simple to do

1404
01:03:36,049 --> 01:03:33,619
just visit

1405
01:03:39,770 --> 01:03:36,059
divinetravels.com forward slash hidden

1406
01:03:41,990 --> 01:03:39,780
secrets 2023 you know you want to go on

1407
01:03:45,410 --> 01:03:42,000
a cruise with me

1408
01:03:48,230 --> 01:03:45,420
River Moon coffee makers of the Fade to

1409
01:03:50,049 --> 01:03:48,240
Black blend truly the best coffee on

1410
01:03:52,309 --> 01:03:50,059
planet Earth just visit

1411
01:03:54,170 --> 01:03:52,319
rivermoonwellness.com or their Amazon

1412
01:03:55,609 --> 01:03:54,180
store it's all simple to do you can

1413
01:03:57,710 --> 01:03:55,619

check out the Fade to Black blend the

1414

01:04:00,349 --> 01:03:57,720

game changer Blend or any of their black

1415

01:04:04,130 --> 01:04:00,359

moon wellness products it's the only

1416

01:04:09,650 --> 01:04:04,140

coffee I drink it is the best and it's

1417

01:04:14,150 --> 01:04:12,230

all right Welcome Back Fade to Black I

1418

01:04:16,490 --> 01:04:14,160

am your host Jimmy church tonight Scott

1419

01:04:20,510 --> 01:04:16,500

Walter is with us

1420

01:04:22,630 --> 01:04:20,520

and we uh we just set up everything uh

1421

01:04:25,670 --> 01:04:22,640

with the cremona document it's history

1422

01:04:27,410 --> 01:04:25,680

uh the implications that are laid out

1423

01:04:30,289 --> 01:04:27,420

there

1424

01:04:32,210 --> 01:04:30,299

um and and now we're gonna we're gonna

1425

01:04:34,549 --> 01:04:32,220

take an interesting turn

1426

01:04:37,069 --> 01:04:34,559

and we're gonna talk about Scott

1427

01:04:39,289 --> 01:04:37,079

mentioned earlier one of the one of the

1428

01:04:42,069 --> 01:04:39,299

great Mysteries uh not only of the Bible

1429

01:04:46,970 --> 01:04:42,079

and religion but of world history itself

1430

01:04:48,950 --> 01:04:46,980

is the book of Wars of the Lord and

1431

01:04:51,950 --> 01:04:48,960

um I want to say uh this really quick

1432

01:04:53,990 --> 01:04:51,960

I'm I'm bringing in Scott when you go

1433

01:04:57,109 --> 01:04:54,000

and research

1434

01:05:00,710 --> 01:04:57,119

and Scott has asked me to uh do this

1435

01:05:02,870 --> 01:05:00,720

many times uh over the years Jimmy the

1436

01:05:06,950 --> 01:05:02,880

key is the book of the wars of the Lord

1437

01:05:08,690 --> 01:05:06,960

and so I've gone uh Which Scott has

1438

01:05:11,450 --> 01:05:08,700

helped me do many times has jumped down

1439

01:05:14,809 --> 01:05:11,460

rabbit holes and this is one of them and

1440

01:05:18,410 --> 01:05:14,819

so trying to research this book is a

1441

01:05:21,829 --> 01:05:18,420

difficult thing to do I will say this

1442

01:05:26,089 --> 01:05:21,839

um the book of the wars of the Lord

1443

01:05:29,510 --> 01:05:26,099

um uh is uh is a book referenced in the

1444

01:05:34,150 --> 01:05:29,520

Bible which has now been completely lost

1445

01:05:36,530 --> 01:05:34,160

it is mentioned in numbers 21 13 14

1446

01:05:38,630 --> 01:05:36,540

which reads I'm going to read this Scott

1447

01:05:42,109 --> 01:05:38,640

and then we're going to continue

1448

01:05:45,109 --> 01:05:42,119

from there they set out and camped on

1449

01:05:47,630 --> 01:05:45,119

the other side of Arnon which is in the

1450

01:05:50,690 --> 01:05:47,640

desert and bounding the uh Amari

1451

01:05:54,530 --> 01:05:50,700

territory for Arnon is the border of

1452

01:05:58,030 --> 01:05:54,540

Moab between Moab and the amorites that

1453

01:06:00,710 --> 01:05:58,040

is why the bulk of the wars of the Lord

1454

01:06:05,510 --> 01:06:00,720

says then this is directly from the

1455

01:06:08,450 --> 01:06:05,520

Bible quote wahib in subha and The

1456

01:06:10,789 --> 01:06:08,460

Ravines of Arnon and at the stream of

1457

01:06:14,510 --> 01:06:10,799

The Ravines that lead to the dwelling of

1458

01:06:17,690 --> 01:06:14,520

R which lies along the border of Moab

1459

01:06:21,049 --> 01:06:17,700

and that's numbers 21 13 14. now there

1460

01:06:25,490 --> 01:06:21,059

are a couple of other references

1461

01:06:29,390 --> 01:06:25,500

um uh uh in the Bible about this not as

1462

01:06:32,569 --> 01:06:29,400

direct as that that says uh the book of

1463

01:06:38,089 --> 01:06:32,579

the wars of the Lord but apparently that

1464

01:06:43,069 --> 01:06:38,099

God asked Moses and uh uh it was uh it

1465

01:06:48,349 --> 01:06:43,079

was it was Moses and I'm trying to think

1466

01:06:51,589 --> 01:06:48,359

of uh there was other two ask them to

1467

01:06:53,690 --> 01:06:51,599

write this book and and to Chronicle and

1468

01:06:56,569 --> 01:06:53,700

and that the book of the words of the

1469

01:07:00,410 --> 01:06:56,579

Lord was authored by Moses and uh two

1470

01:07:02,870 --> 01:07:00,420

other authors why is first off

1471

01:07:06,230 --> 01:07:02,880

there isn't any of this in existence

1472

01:07:08,210 --> 01:07:06,240

have you seen I've got five questions so

1473

01:07:11,029 --> 01:07:08,220

let's start with this have you seen the

1474

01:07:13,010 --> 01:07:11,039

wars of the book of the Lord

1475

01:07:14,930 --> 01:07:13,020

parts of it yes

1476

01:07:16,730 --> 01:07:14,940

two parts

1477

01:07:24,650 --> 01:07:16,740

how

1478

01:07:27,589 --> 01:07:24,660

Bible was this now also uh written in

1479

01:07:30,589 --> 01:07:27,599

1100 BC

1480

01:07:32,569 --> 01:07:30,599

yeah yeah under BC

1481

01:07:35,029 --> 01:07:32,579

um how big of a chapter of the Old

1482

01:07:40,010 --> 01:07:35,039

Testament was this

1483

01:07:43,069 --> 01:07:40,020

well one one part is made up of two I

1484

01:07:45,890 --> 01:07:43,079

guess I would say two large paragraphs

1485

01:07:48,049 --> 01:07:45,900

but what's contained in the one part in

1486

01:07:50,809 --> 01:07:48,059

these two paragraphs

1487

01:07:57,289 --> 01:07:50,819

is some profound stuff

1488

01:08:03,170 --> 01:07:57,299

and it it um it it all goes back to

1489

01:08:05,150 --> 01:08:03,180

um early Hebrew history that talks about

1490

01:08:07,849 --> 01:08:05,160

um

1491

01:08:09,950 --> 01:08:07,859

what they what they call God what they

1492

01:08:11,990 --> 01:08:09,960

would call deity and I don't want to

1493

01:08:14,329 --> 01:08:12,000

give away too much because I want to I

1494

01:08:16,070 --> 01:08:14,339

want to drop this when we we go to the

1495

01:08:18,470 --> 01:08:16,080

conference

1496

01:08:21,650 --> 01:08:18,480

um but it is

1497

01:08:24,530 --> 01:08:21,660

I will say this much based on my own

1498

01:08:26,749 --> 01:08:24,540

research that I've done

1499

01:08:28,490 --> 01:08:26,759

with the Templars

1500

01:08:33,769 --> 01:08:28,500

um with the runestone with the hook

1501

01:08:37,070 --> 01:08:33,779

decks it it absolutely 100 percent

1502

01:08:40,550 --> 01:08:37,080

uh supports all the work we've done and

1503

01:08:42,229 --> 01:08:40,560

that'll make that may sound strange but

1504

01:08:44,450 --> 01:08:42,239

when it all comes out you'll understand

1505

01:08:48,650 --> 01:08:44,460

what I'm talking about and it's going to

1506

01:08:50,930 --> 01:08:48,660

be a pretty intense uh Workshop that

1507

01:08:53,930 --> 01:08:50,940

we're gonna have and I I think people

1508

01:08:55,550 --> 01:08:53,940

are going to absolutely love it there's

1509

01:08:57,349 --> 01:08:55,560

there's not going to be anybody that I

1510

01:08:59,450 --> 01:08:57,359

think is going to say well that can't be

1511

01:09:03,590 --> 01:08:59,460

they're going to say that makes perfect

1512

01:09:04,729 --> 01:09:03,600

sense now in the other part it's much

1513

01:09:06,470 --> 01:09:04,739

longer

1514

01:09:09,530 --> 01:09:06,480

and

1515

01:09:13,370 --> 01:09:09,540

it tells um

1516

01:09:17,809 --> 01:09:13,380

it basically tells the story

1517

01:09:19,669 --> 01:09:17,819

of why the Temple of Jerusalem was built

1518

01:09:22,490 --> 01:09:19,679

where it was

1519

01:09:26,269 --> 01:09:22,500

that's something I I think I can feel

1520

01:09:30,169 --> 01:09:26,279

comfortable telling you but there's two

1521

01:09:33,769 --> 01:09:30,179

things that appear in this second part

1522

01:09:36,829 --> 01:09:33,779

that when we share it again we'll make

1523

01:09:38,450 --> 01:09:36,839

as much sense as the previous part but

1524

01:09:41,630 --> 01:09:38,460

it goes much further

1525

01:09:43,430 --> 01:09:41,640

okay so what's the first part uh about

1526
01:09:48,530 --> 01:09:43,440
that you have read

1527
01:09:48,540 --> 01:09:52,309
about the origin of man

1528
01:09:56,209 --> 01:09:53,870
how so

1529
01:09:57,189 --> 01:09:56,219
that's all you get no no no no no no no

1530
01:09:59,750 --> 01:09:57,199
no no

1531
01:10:02,450 --> 01:09:59,760
I can't do it I can't do it I'm Gonna

1532
01:10:04,310 --> 01:10:02,460
Save it we have to I want people to come

1533
01:10:05,930 --> 01:10:04,320
to this conference and they're going to

1534
01:10:09,290 --> 01:10:05,940
hear something that they've never heard

1535
01:10:12,110 --> 01:10:09,300
before and it's it's profound Jim and

1536
01:10:15,709 --> 01:10:12,120
when we get to the second part the first

1537
01:10:17,530 --> 01:10:15,719
part is reinforced but it goes further

1538
01:10:21,050 --> 01:10:17,540

and then

1539

01:10:25,430 --> 01:10:21,060

literally from the sky

1540

01:10:28,910 --> 01:10:25,440

we're gonna drop a bomb a big bomb

1541

01:10:31,010 --> 01:10:28,920

the book of the war in the Bible are you

1542

01:10:34,070 --> 01:10:31,020

saying that was in the Bible the book of

1543

01:10:37,850 --> 01:10:34,080

the wars of the Lord is about UFOs I

1544

01:10:41,530 --> 01:10:37,860

didn't say that so so the origins of man

1545

01:10:46,610 --> 01:10:44,330

time out hey don't make me call a

1546

01:10:47,770 --> 01:10:46,620

full-time out okay this is the 32nd

1547

01:10:50,330 --> 01:10:47,780

timeout

1548

01:10:53,149 --> 01:10:50,340

you know what I am not giving this stuff

1549

01:10:56,750 --> 01:10:53,159

away on this show tonight I'm saving it

1550

01:10:59,570 --> 01:10:56,760

for the conscious life Expo and you can

1551
01:11:02,810 --> 01:10:59,580
you can punch me out all you want Jim I

1552
01:11:05,689 --> 01:11:02,820
am standing that's cool so

1553
01:11:08,510 --> 01:11:05,699
um uh it was a good try though it was a

1554
01:11:10,370 --> 01:11:08,520
nice try hey everybody's thinking the

1555
01:11:12,470 --> 01:11:10,380
exact same thing that I am right now I'm

1556
01:11:16,430 --> 01:11:12,480
just I'm asking the questions for the

1557
01:11:21,590 --> 01:11:16,440
audience so what you're suggesting then

1558
01:11:22,790 --> 01:11:21,600
um God uh went to Moses in 1100 BC and

1559
01:11:26,750 --> 01:11:22,800
said

1560
01:11:28,430 --> 01:11:26,760
um uh aliens an extraterrestrial

1561
01:11:32,750 --> 01:11:28,440
civilization

1562
01:11:35,689 --> 01:11:32,760
um is what Homo sapiens are is what man

1563
01:11:38,030 --> 01:11:35,699

is and I need you to document all of

1564

01:11:42,410 --> 01:11:38,040

this and so this is what I need you to

1565

01:11:45,410 --> 01:11:42,420

write and and Moses did and that was put

1566

01:11:48,010 --> 01:11:45,420

in the original version of the Old

1567

01:11:50,870 --> 01:11:48,020

Testament but it was too controversial

1568

01:11:54,290 --> 01:11:50,880

and as the iterations of the New

1569

01:11:56,689 --> 01:11:54,300

Testament went through time The Book of

1570

01:12:00,470 --> 01:11:56,699

the wars and that's plural of the Lord

1571

01:12:06,229 --> 01:12:03,290

uh that I you know that that's that's

1572

01:12:09,350 --> 01:12:06,239

about as plausible an explanation as as

1573

01:12:12,050 --> 01:12:09,360

I I can imagine and so was it pulled out

1574

01:12:14,870 --> 01:12:12,060

absolutely but the other thing that we

1575

01:12:16,729 --> 01:12:14,880

are going to share when we get together

1576

01:12:19,550 --> 01:12:16,739

is

1577

01:12:20,510 --> 01:12:19,560

we know that the Templars had a copy of

1578

01:12:33,350 --> 01:12:20,520

it

1579

01:12:36,229 --> 01:12:33,360

documents

1580

01:12:37,790 --> 01:12:36,239

that was stored on Hunter Mountain in

1581

01:12:40,430 --> 01:12:37,800

the Catskills

1582

01:12:43,010 --> 01:12:40,440

when the subtly went over

1583

01:12:45,709 --> 01:12:43,020

and he earned the right

1584

01:12:48,110 --> 01:12:45,719

to take some of the Scrolls he didn't

1585

01:12:50,030 --> 01:12:48,120

wasn't allowed to take all of them he

1586

01:12:52,370 --> 01:12:50,040

took about half

1587

01:12:55,070 --> 01:12:52,380

one of the documents that he did take

1588

01:12:58,669 --> 01:12:55,080

was the marriage document between Jesus

1589

01:13:01,189 --> 01:12:58,679

and Mary Magdalene in fact he said in

1590

01:13:04,550 --> 01:13:01,199

his deposition that he gave in 1180 in

1591

01:13:06,290 --> 01:13:04,560

saborga Italy that the prize document

1592

01:13:08,870 --> 01:13:06,300

they got was the marriage document

1593

01:13:11,450 --> 01:13:08,880

between Jesus and Mary Magdalene but one

1594

01:13:13,790 --> 01:13:11,460

of the documents that he did not get

1595

01:13:16,910 --> 01:13:13,800

was the book of the wars of the Lord

1596

01:13:20,390 --> 01:13:16,920

amongst a bunch of other documents

1597

01:13:21,890 --> 01:13:20,400

in the mid 1600s

1598

01:13:24,169 --> 01:13:21,900

when

1599

01:13:27,110 --> 01:13:24,179

um settlers began to come into the area

1600

01:13:32,390 --> 01:13:27,120

of New Amsterdam is what they called it

1601

01:13:37,910 --> 01:13:35,689

the Guardians of the Temple

1602

01:13:39,530 --> 01:13:37,920

uh realized that they had to get that

1603

01:13:42,590 --> 01:13:39,540

stuff out of there

1604

01:13:44,390 --> 01:13:42,600

and so they took those documents and if

1605

01:13:47,090 --> 01:13:44,400

you read my book you'll read the letter

1606

01:13:50,330 --> 01:13:47,100

where they list the documents

1607

01:13:53,330 --> 01:13:50,340

and they talk about

1608

01:13:56,270 --> 01:13:53,340

taking these documents to Montreal

1609

01:13:58,669 --> 01:13:56,280

now in the other parts of the document

1610

01:13:59,990 --> 01:13:58,679

that we have not the book of the wars of

1611

01:14:02,090 --> 01:14:00,000

the Lord but the cremona document

1612

01:14:04,430 --> 01:14:02,100

material

1613

01:14:06,890 --> 01:14:04,440

we know the story about what one of

1614

01:14:08,169 --> 01:14:06,900

those caches that were left here by the

1615

01:14:10,490 --> 01:14:08,179

Templars

1616

01:14:12,530 --> 01:14:10,500

was used for

1617

01:14:13,850 --> 01:14:12,540

and it was used to build a church in

1618

01:14:15,530 --> 01:14:13,860

Montreal

1619

01:14:18,110 --> 01:14:15,540

and we believe that's where these

1620

01:14:21,290 --> 01:14:18,120

documents were taken and housed and

1621

01:14:25,729 --> 01:14:21,300

protected for a short period of time

1622

01:14:28,189 --> 01:14:25,739

now that information I think people can

1623

01:14:30,530 --> 01:14:28,199

glean from what we've published already

1624

01:14:32,810 --> 01:14:30,540

they didn't know about the money I just

1625

01:14:35,330 --> 01:14:32,820

told you one of the treasures was used

1626

01:14:37,010 --> 01:14:35,340

to finance to build this church there

1627

01:14:40,610 --> 01:14:37,020

were other things that were going on in

1628

01:14:43,790 --> 01:14:40,620

Montreal at the time in the early or mid

1629

01:14:46,970 --> 01:14:43,800

late 1600s but that's another story

1630

01:14:49,430 --> 01:14:46,980

but what I can tell you

1631

01:14:52,790 --> 01:14:49,440

is that when the people

1632

01:14:55,610 --> 01:14:52,800

left Hunter Mountain with the remaining

1633

01:14:57,530 --> 01:14:55,620

Scrolls including a copy of the book of

1634

01:14:59,630 --> 01:14:57,540

The Wars the Lord

1635

01:15:01,130 --> 01:14:59,640

we assumed that everything went to

1636

01:15:03,110 --> 01:15:01,140

Montreal

1637

01:15:04,310 --> 01:15:03,120

we now know that that's not what

1638

01:15:09,169 --> 01:15:04,320

happened

1639

01:15:14,810 --> 01:15:11,830

and they

1640

01:15:17,630 --> 01:15:14,820

hid I guess you could say

1641

01:15:18,590 --> 01:15:17,640

that copy of the book of the wars of the

1642

01:15:20,270 --> 01:15:18,600

Lord

1643

01:15:24,590 --> 01:15:20,280

in the late

1644

01:15:28,370 --> 01:15:26,510

and we know what happened to that book

1645

01:15:31,570 --> 01:15:28,380

and you're going to find out at the

1646

01:15:37,729 --> 01:15:31,580

conference and it's going to be uh

1647

01:15:40,070 --> 01:15:37,739

is it is there is that is that version

1648

01:15:43,370 --> 01:15:40,080

that copy of the book of the wars of the

1649

01:15:47,630 --> 01:15:43,380

Lord is it still is it complete and is

1650

01:15:51,770 --> 01:15:49,490

I think so

1651

01:15:54,290 --> 01:15:51,780

okay your

1652

01:15:57,169 --> 01:15:54,300

um this is this is very important

1653

01:16:00,950 --> 01:15:57,179

especially for me to understand

1654

01:16:03,050 --> 01:16:00,960

um because there isn't a copy of uh

1655

01:16:05,450 --> 01:16:03,060

apparently anywhere in existence

1656

01:16:07,430 --> 01:16:05,460

officially of the book of the wars of

1657

01:16:09,709 --> 01:16:07,440

the Lord

1658

01:16:11,510 --> 01:16:09,719

um and you've read two sections of the

1659

01:16:15,229 --> 01:16:11,520

book

1660

01:16:18,350 --> 01:16:15,239

um how do you know that what you have

1661

01:16:19,729 --> 01:16:18,360

read is legit there are a lot of people

1662

01:16:21,890 --> 01:16:19,739

out there on the net saying that they've

1663

01:16:25,250 --> 01:16:21,900

got a copy of it right and all of that

1664

01:16:27,649 --> 01:16:25,260

is BS yeah we know it's BS right right

1665

01:16:30,530 --> 01:16:27,659

well let's put it this way do I know

1666

01:16:33,890 --> 01:16:30,540

that what we have is legit

1667

01:16:36,530 --> 01:16:33,900

um I know I you know I can't say the

1668

01:16:38,930 --> 01:16:36,540

answer is no do I believe it to be legit

1669

01:16:40,550 --> 01:16:38,940

do I know in my heart that it's legit

1670

01:16:43,550 --> 01:16:40,560

absolutely

1671

01:16:47,750 --> 01:16:43,560

uh for more reasons than just that I

1672

01:16:50,470 --> 01:16:47,760

trust the material that we have that led

1673

01:16:53,330 --> 01:16:50,480

us to this okay

1674

01:16:55,130 --> 01:16:53,340

next question Scott

1675

01:16:57,890 --> 01:16:55,140

um in the first let's talk about these

1676

01:17:00,649 --> 01:16:57,900

two sections in the first section how

1677

01:17:03,410 --> 01:17:00,659

much text are you in possession of you

1678

01:17:05,270 --> 01:17:03,420

know now I I the way that it's written

1679

01:17:09,169 --> 01:17:05,280

in stuff that doesn't you know what's a

1680

01:17:11,810 --> 01:17:09,179

word count do you have 500 Words yeah

1681

01:17:14,030 --> 01:17:11,820

more than that probably

1682

01:17:16,970 --> 01:17:14,040

I'd say the first part is somewhere

1683

01:17:23,270 --> 01:17:20,689

700 to 1000 words holy crap okay that's

1684

01:17:26,689 --> 01:17:23,280

substantial it's pretty big well maybe

1685

01:17:28,729 --> 01:17:26,699

maybe maybe 500 but the second part is

1686

01:17:30,950 --> 01:17:28,739

probably a thousand words right right

1687

01:17:33,470 --> 01:17:30,960

but the words

1688

01:17:35,270 --> 01:17:33,480

are amazing I mean they're they're just

1689

01:17:43,850 --> 01:17:35,280

it's

1690

01:17:46,370 --> 01:17:43,860

final part of what we have

1691

01:17:48,830 --> 01:17:46,380

um the end of the story

1692

01:17:50,330 --> 01:17:48,840

of the Crim of the uh book of the wars

1693

01:17:51,470 --> 01:17:50,340

the Lord

1694

01:18:01,970 --> 01:17:51,480

um

1695

01:18:05,750 --> 01:18:01,980

is is is crazy it's absolutely crazy and

1696

01:18:08,510 --> 01:18:05,760

um well okay so it's it's to use a

1697

01:18:11,270 --> 01:18:08,520

phrase otherworldly it's just so crazy

1698

01:18:13,610 --> 01:18:11,280

yeah I know ETS from from the Old

1699

01:18:16,610 --> 01:18:13,620

Testament the

1700

01:18:19,090 --> 01:18:16,620

um uh well hey the Watchers

1701

01:18:23,450 --> 01:18:19,100

that was E.T I'm I'm

1702

01:18:27,590 --> 01:18:23,460

you know I I do I do the archangels what

1703

01:18:28,910 --> 01:18:27,600

are those E.T I mean you have to when

1704

01:18:37,610 --> 01:18:28,920

you

1705

01:18:40,430 --> 01:18:37,620

don't know everything well but but I

1706

01:18:42,890 --> 01:18:40,440

only interpret and because I interview

1707

01:18:45,530 --> 01:18:42,900

so much I you know I've you know

1708

01:18:48,470 --> 01:18:45,540

thousands of interviews sure and so I'm

1709

01:18:51,229 --> 01:18:48,480

constantly storing information on on

1710

01:18:55,970 --> 01:18:51,239

this primitive hard drive between my

1711

01:18:58,689 --> 01:18:55,980

ears and one of the things uh that when

1712

01:19:01,090 --> 01:18:58,699

when I hear

1713

01:19:04,250 --> 01:19:01,100

statements

1714

01:19:07,070 --> 01:19:04,260

and things that are extracted from the

1715

01:19:11,330 --> 01:19:07,080

Bible like the heavens

1716

01:19:14,870 --> 01:19:11,340

now the heavens aren't the clouds in the

1717

01:19:18,290 --> 01:19:14,880

sky that that's that's the universe

1718

01:19:20,330 --> 01:19:18,300

right that's it you know and and to you

1719

01:19:22,790 --> 01:19:20,340

know these kingdoms those are planets

1720

01:19:27,050 --> 01:19:22,800

those are other civilizations

1721

01:19:29,090 --> 01:19:27,060

um uh created in his likeness right all

1722

01:19:33,830 --> 01:19:29,100

of that and it's all the the information

1723

01:19:35,510 --> 01:19:33,840

comes from out there to this point how

1724

01:19:38,689 --> 01:19:35,520

else are you supposed to look at that

1725

01:19:42,290 --> 01:19:38,699

you know the messengers of God and and

1726

01:19:44,630 --> 01:19:42,300

the voice of God and the you hear all of

1727

01:19:46,130 --> 01:19:44,640

these you know and the Ascension and

1728

01:19:49,970 --> 01:19:46,140

dissension

1729

01:19:52,610 --> 01:19:49,980

um a spiritual realm uh and and no

1730

01:19:57,110 --> 01:19:52,620

that's not that's not what we're talking

1731

01:20:00,709 --> 01:19:57,120

about here and so I I see those are when

1732

01:20:04,189 --> 01:20:00,719

you the Nephilim right and and the

1733

01:20:07,010 --> 01:20:04,199

Watchers and you consider what the way

1734

01:20:10,070 --> 01:20:07,020

that it's written with uh with Noah and

1735

01:20:12,470 --> 01:20:10,080

the flood and and Noah's life and the

1736

01:20:14,209 --> 01:20:12,480

the the the life spans that were

1737

01:20:17,270 --> 01:20:14,219

involved back then

1738

01:20:20,630 --> 01:20:17,280

um if we take it literally it's all E.T

1739

01:20:25,550 --> 01:20:20,640

if we interpret it it's even more ET

1740

01:20:28,490 --> 01:20:25,560

yeah so that's that's just the way that

1741

01:20:32,630 --> 01:20:28,500

um I understand things and I think that

1742

01:20:35,450 --> 01:20:32,640

most do now today so I'm okay I am so

1743

01:20:38,209 --> 01:20:35,460

okay with that uh version of the Bible

1744

01:20:40,090 --> 01:20:38,219

LA Marzulli or interpretation of the

1745

01:20:43,669 --> 01:20:40,100

Bible

1746

01:20:48,050 --> 01:20:43,679

LA Marzulli who who is a Biblical

1747

01:20:51,470 --> 01:20:48,060

scholar of of an understanding of every

1748

01:20:55,070 --> 01:20:51,480

word right at a level that you and I

1749

01:20:57,290 --> 01:20:55,080

will never uh get to right but when he

1750

01:21:00,229 --> 01:20:57,300

says to me and he's a very spiritual guy

1751

01:21:03,110 --> 01:21:00,239

and I love him to death uh he's amazing

1752

01:21:05,209 --> 01:21:03,120

but when he goes too man you got to look

1753

01:21:09,350 --> 01:21:05,219

at the Bible like science fiction

1754

01:21:13,250 --> 01:21:09,360

that's it just look at it like that yeah

1755

01:21:16,310 --> 01:21:13,260

and he's a Biblical scholar and he's a

1756

01:21:20,090 --> 01:21:16,320

religious man he's righteous I love him

1757

01:21:21,010 --> 01:21:20,100

to death but so he understands that

1758

01:21:24,550 --> 01:21:21,020

there's

1759

01:21:27,890 --> 01:21:24,560

levels right fiction and science fiction

1760

01:21:29,750 --> 01:21:27,900

just read it with that set of eyes and

1761

01:21:32,510 --> 01:21:29,760

understand it from that point of view

1762

01:21:34,910 --> 01:21:32,520

and then it all makes sense and I agree

1763

01:21:39,290 --> 01:21:34,920

with L.A Marzulli on this point and many

1764

01:21:41,750 --> 01:21:39,300

other many others uh do too as well uh

1765

01:21:45,050 --> 01:21:41,760

very religious people you know that that

1766

01:21:49,030 --> 01:21:45,060

uh go to church and and and and do

1767

01:21:51,470 --> 01:21:49,040

religious or spiritual uh I'm talking

1768

01:21:53,570 --> 01:21:51,480

L.A Marzulli

1769

01:21:56,570 --> 01:21:53,580

who uh

1770

01:22:00,649 --> 01:21:56,580

um he's uh he's a funny guy he's a smart

1771

01:22:03,050 --> 01:22:00,659

guy but he's an intense guy because his

1772

01:22:05,689 --> 01:22:03,060

research into this you know you come

1773

01:22:08,030 --> 01:22:05,699

from One Direction you know with a pure

1774

01:22:10,910 --> 01:22:08,040

religious background and you're studying

1775

01:22:13,430 --> 01:22:10,920

the Bible and then you you study it

1776

01:22:15,770 --> 01:22:13,440

enough where you come to your

1777

01:22:19,010 --> 01:22:15,780

conclusions that you do on the back end

1778

01:22:22,189 --> 01:22:19,020

it doesn't change his belief system it

1779

01:22:25,189 --> 01:22:22,199

doesn't right whether it's it's

1780

01:22:27,290 --> 01:22:25,199

Christian or even Jewish you know I've

1781

01:22:29,990 --> 01:22:27,300

got rabbis that have been on this show

1782

01:22:33,410 --> 01:22:30,000

that are friends of mine that are full

1783

01:22:36,770 --> 01:22:33,420

ET full full full and that's the only

1784

01:22:38,810 --> 01:22:36,780

way that they uh uh understand what

1785

01:22:43,189 --> 01:22:38,820

they're reading now and they come sense

1786

01:22:47,149 --> 01:22:43,199

of it yeah yeah yeah so okay so why

1787

01:22:50,149 --> 01:22:47,159

um uh what is the Tie though is the book

1788

01:22:52,310 --> 01:22:50,159

of the wars of the Lord referenced in

1789

01:22:55,970 --> 01:22:52,320

the cremona document

1790

01:22:59,990 --> 01:22:55,980

oh yeah yeah there's the second part was

1791

01:23:03,890 --> 01:23:00,000

actually written out by the guy who did

1792

01:23:05,810 --> 01:23:03,900

the final report if you will in 1908 and

1793

01:23:08,870 --> 01:23:05,820

it's written in English and you can read

1794

01:23:10,490 --> 01:23:08,880

it right oh that you know let's go back

1795

01:23:12,290 --> 01:23:10,500

to the question that you asked a long

1796

01:23:14,689 --> 01:23:12,300

time ago why would the Vatican want to

1797

01:23:16,130 --> 01:23:14,699

buy this document well one of the things

1798

01:23:19,490 --> 01:23:16,140

that they got

1799

01:23:22,250 --> 01:23:19,500

was this page uh the the second part

1800

01:23:24,470 --> 01:23:22,260

that I'm talking about that has this

1801

01:23:27,050 --> 01:23:24,480

long handwritten

1802

01:23:30,350 --> 01:23:27,060

part of the book of the war is the Lord

1803

01:23:32,270 --> 01:23:30,360

that in itself they probably would have

1804

01:23:35,810 --> 01:23:32,280

paid the money that they peeled Jack's

1805

01:23:38,209 --> 01:23:35,820

uh paid Bill Jackson to get because of

1806

01:23:39,709 --> 01:23:38,219

the content and the implications of what

1807

01:23:41,810 --> 01:23:39,719

was in there

1808

01:23:44,209 --> 01:23:41,820

what I'm talking about is something that

1809

01:23:46,550 --> 01:23:44,219

the Roman Catholic Church absolutely did

1810

01:23:49,370 --> 01:23:46,560

not want to have anyone know about

1811

01:23:51,770 --> 01:23:49,380

because it would have undermined uh

1812

01:23:53,870 --> 01:23:51,780

their Central tenants

1813

01:23:56,090 --> 01:23:53,880

um and and you know you're inkling

1814

01:23:59,090 --> 01:23:56,100

around what what these things are but

1815

01:24:00,770 --> 01:23:59,100

that in itself uh and the reason that we

1816

01:24:03,830 --> 01:24:00,780

know about it is because Bill Jackson

1817

01:24:06,530 --> 01:24:03,840

took photographs of everything that he

1818

01:24:08,709 --> 01:24:06,540

sold to the Vatican so we have

1819

01:24:11,450 --> 01:24:08,719

everything

1820

01:24:14,030 --> 01:24:11,460

one of the things that he did though and

1821

01:24:17,090 --> 01:24:14,040

we didn't realize this until many years

1822

01:24:20,450 --> 01:24:17,100

after his death he died in 2000.

1823

01:24:22,189 --> 01:24:20,460

and what he never told anybody

1824

01:24:26,810 --> 01:24:22,199

was that

1825

01:24:29,890 --> 01:24:26,820

when he sold the document to the Vatican

1826

01:24:33,470 --> 01:24:29,900

he pulled out the most important parts

1827

01:24:36,890 --> 01:24:33,480

and it turns out he pulled out most of

1828

01:24:41,750 --> 01:24:36,900

it but he still sold them

1829

01:24:44,090 --> 01:24:41,760

a relevant part of it uh and then he

1830

01:24:45,890 --> 01:24:44,100

wrote it all out and we and he took

1831

01:24:48,229 --> 01:24:45,900

photographs of everything and we have

1832

01:24:50,209 --> 01:24:48,239

all that so anything that we don't have

1833

01:24:53,270 --> 01:24:50,219

the originals of that were copied in

1834

01:24:56,390 --> 01:24:53,280

1908 we've got photographs of so we have

1835

01:24:58,910 --> 01:24:56,400

everything the Vatican does not

1836

01:25:00,350 --> 01:24:58,920

and what he did with these parts that he

1837

01:25:03,530 --> 01:25:00,360

pulled out

1838

01:25:06,110 --> 01:25:03,540

he disseminated them with his colleagues

1839

01:25:09,169 --> 01:25:06,120

that worked for Spartan Enterprises

1840

01:25:09,950 --> 01:25:09,179

people that he had taken blood Oaths

1841

01:25:12,709 --> 01:25:09,960

with

1842

01:25:16,850 --> 01:25:12,719

because Don said they all took blood

1843

01:25:19,310 --> 01:25:16,860

Oaths when they joined this company

1844

01:25:20,689 --> 01:25:19,320

and every one of them that he gave parts

1845

01:25:23,209 --> 01:25:20,699

to

1846

01:25:27,169 --> 01:25:23,219

he gave them strict instructions that

1847

01:25:30,470 --> 01:25:27,179

upon their deaths that their estates had

1848

01:25:35,030 --> 01:25:30,480

to give this material to Don Rue

1849

01:25:37,970 --> 01:25:35,040

now over the past almost six years now

1850

01:25:41,810 --> 01:25:37,980

five people have died

1851
01:25:43,490 --> 01:25:41,820
and this material has come to Don and

1852
01:25:47,030 --> 01:25:43,500
he'll give me a call he'll say Scott

1853
01:25:49,430 --> 01:25:47,040
John Drake died John Lennon died Dan

1854
01:25:51,709 --> 01:25:49,440
Spartan died

1855
01:25:54,770 --> 01:25:51,719
Dave Ryan died

1856
01:25:57,709 --> 01:25:54,780
and I got a box I got an envelope and I

1857
01:25:59,689 --> 01:25:57,719
say don't open it leave it there I'm

1858
01:26:00,830 --> 01:25:59,699
jumping in the car we're gonna record

1859
01:26:02,810 --> 01:26:00,840
this

1860
01:26:06,649 --> 01:26:02,820
and we have

1861
01:26:10,070 --> 01:26:06,659
and each time the material is just

1862
01:26:11,570 --> 01:26:10,080
mind-blowing the problem is it's all

1863
01:26:14,590 --> 01:26:11,580

encrypted

1864

01:26:17,209 --> 01:26:14,600

the maps aren't we can read the maps

1865

01:26:20,090 --> 01:26:17,219

some of the material that we get is

1866

01:26:22,490 --> 01:26:20,100

written in French that's pretty easy to

1867

01:26:24,290 --> 01:26:22,500

uh to translate I always get two

1868

01:26:27,410 --> 01:26:24,300

different people whose first language is

1869

01:26:29,629 --> 01:26:27,420

French to translate them for us then we

1870

01:26:31,490 --> 01:26:29,639

put the two together and we get a good

1871

01:26:34,250 --> 01:26:31,500

semblance of the message

1872

01:26:36,169 --> 01:26:34,260

but the maps are amazing the maps are

1873

01:26:36,950 --> 01:26:36,179

ridiculous

1874

01:26:38,810 --> 01:26:36,960

um

1875

01:26:41,649 --> 01:26:38,820

one of the maps has the answer to the

1876

01:26:43,790 --> 01:26:41,659

Oak Island mystery it's just amazing

1877

01:26:45,290 --> 01:26:43,800

well don't give it to them because

1878

01:26:47,450 --> 01:26:45,300

they're not giving it to him are you

1879

01:26:49,669 --> 01:26:47,460

kidding me that they need to they need

1880

01:26:52,610 --> 01:26:49,679

to do 10 more seasons of advertising

1881

01:26:54,590 --> 01:26:52,620

sales you know well Hey listen good for

1882

01:26:55,310 --> 01:26:54,600

them you know

1883

01:26:57,070 --> 01:26:55,320

um

1884

01:26:59,570 --> 01:26:57,080

whatever

1885

01:27:02,930 --> 01:26:59,580

it's the United States of America man

1886

01:27:05,030 --> 01:27:02,940

and if you if you figure out a way to uh

1887

01:27:06,950 --> 01:27:05,040

to make that money good good on them

1888

01:27:10,250 --> 01:27:06,960

yeah you know

1889

01:27:12,169 --> 01:27:10,260

um I I here's the thing though you know

1890

01:27:14,390 --> 01:27:12,179

and and I think that the brothers have

1891

01:27:17,270 --> 01:27:14,400

they're hard in the right place and they

1892

01:27:20,750 --> 01:27:17,280

and and good on them all right that

1893

01:27:24,530 --> 01:27:20,760

being said but when the internet started

1894

01:27:28,490 --> 01:27:24,540

right and I've get in my first version

1895

01:27:32,990 --> 01:27:28,500

of an early search engine and and I'm I

1896

01:27:34,729 --> 01:27:33,000

I you know 1994 right yeah AOL was just

1897

01:27:37,790 --> 01:27:34,739

like starting this might have been

1898

01:27:40,570 --> 01:27:37,800

before AOL but right in that period I

1899

01:27:42,950 --> 01:27:40,580

find and at that time there were only

1900

01:27:44,870 --> 01:27:42,960

thousands of websites you know think

1901

01:27:47,030 --> 01:27:44,880

about that where we are today right yeah

1902

01:27:50,510 --> 01:27:47,040

yeah yeah brilliant websites and the

1903

01:27:52,490 --> 01:27:50,520

dark web and but um but back then there

1904

01:27:55,070 --> 01:27:52,500

were just you know you could have had a

1905

01:27:59,450 --> 01:27:55,080

yellow pages with all of the websites in

1906

01:28:02,390 --> 01:27:59,460

it right right so I find it it was one

1907

01:28:04,189 --> 01:28:02,400

of the first websites uh uh an Oak

1908

01:28:06,530 --> 01:28:04,199

Island website it was like two pages

1909

01:28:11,149 --> 01:28:06,540

that's it that's it really maybe three

1910

01:28:13,430 --> 01:28:11,159

and I'm like what is this and and then

1911

01:28:16,910 --> 01:28:13,440

um it was probably the same creators of

1912

01:28:19,490 --> 01:28:16,920

that did a Renee lay Chateau website oh

1913

01:28:20,450 --> 01:28:19,500

yeah so but I had never heard of Oak

1914

01:28:24,410 --> 01:28:20,460

Island

1915

01:28:26,570 --> 01:28:24,420

and so for me to jump in to the history

1916

01:28:28,070 --> 01:28:26,580

of Oak Island and certainly I think that

1917

01:28:31,729 --> 01:28:28,080

the information that was on that

1918

01:28:34,370 --> 01:28:31,739

original website is still one of the one

1919

01:28:36,410 --> 01:28:34,380

of the best because it was all the

1920

01:28:39,410 --> 01:28:36,420

information that was available on Oak

1921

01:28:43,010 --> 01:28:39,420

Island at that time that's it right and

1922

01:28:46,970 --> 01:28:43,020

now it it's crazy town but I was able to

1923

01:28:50,270 --> 01:28:46,980

go through uh the story and now this is

1924

01:28:52,850 --> 01:28:50,280

it's 30 years ago you know this is 2023.

1925

01:28:57,470 --> 01:28:52,860

yeah yeah so I've been interested in Oak

1926

01:28:58,850 --> 01:28:57,480

Island for that long yeah and uh and I I

1927

01:29:01,010 --> 01:28:58,860

don't know I think it's one of those

1928

01:29:04,070 --> 01:29:01,020

things you know when you have the the

1929

01:29:06,950 --> 01:29:04,080

flood chat you know the this and that it

1930

01:29:09,470 --> 01:29:06,960

would refill and and and and whatever uh

1931

01:29:14,090 --> 01:29:09,480

the traps right okay

1932

01:29:16,310 --> 01:29:14,100

I think that it's a it's something that

1933

01:29:19,910 --> 01:29:16,320

we don't want the answer to

1934

01:29:21,470 --> 01:29:19,920

right that I I did I just don't I don't

1935

01:29:25,970 --> 01:29:21,480

think we need it

1936

01:29:29,149 --> 01:29:25,980

don't know you know what Jim I

1937

01:29:33,290 --> 01:29:29,159

I yeah I have a lot of mix

1938

01:29:35,510 --> 01:29:33,300

hole thing do you think uh Scott do you

1939

01:29:37,729 --> 01:29:35,520

believe because at this point they

1940

01:29:41,209 --> 01:29:37,739

freaking have dug up the entire Island

1941

01:29:44,209 --> 01:29:41,219

right okay so and the Island's only this

1942

01:29:47,689 --> 01:29:44,219

big is it that big I thought it was like

1943

01:29:50,450 --> 01:29:47,699

that okay exactly so

1944

01:29:53,930 --> 01:29:50,460

um is there is there something to be

1945

01:29:56,270 --> 01:29:53,940

discovered yes or no on Oak Island or it

1946

01:29:58,610 --> 01:29:56,280

is you know is it done

1947

01:30:01,570 --> 01:29:58,620

I'm not talking about a coin or a nail

1948

01:30:06,290 --> 01:30:01,580

I'm talking about

1949

01:30:08,870 --> 01:30:06,300

Shakespeare's frigging plays uh uh the

1950

01:30:11,090 --> 01:30:08,880

the Ark of the Covenant you know what is

1951

01:30:16,610 --> 01:30:11,100

there something is there something on

1952

01:30:18,830 --> 01:30:16,620

Oak Island no exactly no for God's sakes

1953

01:30:20,629 --> 01:30:18,840

they've spent 10 years if they've proven

1954

01:30:23,030 --> 01:30:20,639

anything it's that

1955

01:30:24,770 --> 01:30:23,040

and the truth of the matter is Jim there

1956

01:30:27,470 --> 01:30:24,780

was something there and it was recovered

1957

01:30:31,250 --> 01:30:27,480

a long time ago

1958

01:30:33,530 --> 01:30:31,260

um and so it's just um it's a dry hole

1959

01:30:36,169 --> 01:30:33,540

there was something there I'll give him

1960

01:30:37,790 --> 01:30:36,179

that and uh but there were a lot of

1961

01:30:39,950 --> 01:30:37,800

people that lived on that island there

1962

01:30:42,110 --> 01:30:39,960

were a lot of people that went uh came

1963

01:30:43,910 --> 01:30:42,120

and went on Oak Island and a lot of

1964

01:30:46,490 --> 01:30:43,920

other places I mean if you excavated

1965

01:30:48,169 --> 01:30:46,500

other Islands up in Nova Scotia you'd

1966

01:30:49,550 --> 01:30:48,179

find the same [h__h] that they're finding

1967

01:30:51,649 --> 01:30:49,560

there

1968

01:30:54,590 --> 01:30:51,659

um and you know what it's I guess the

1969

01:30:56,390 --> 01:30:54,600

problem that I have is

1970

01:30:59,450 --> 01:30:56,400

um

1971

01:31:02,149 --> 01:30:59,460

it's so misleading the way they uh they

1972

01:31:06,110 --> 01:31:02,159

keep people interested and

1973

01:31:08,450 --> 01:31:06,120

um they ask questions without uh proper

1974

01:31:10,850 --> 01:31:08,460

context and all that and you know it's

1975

01:31:13,010 --> 01:31:10,860

just the antithesis of what we would do

1976

01:31:16,490 --> 01:31:13,020

on America on Earth I would never lie to

1977

01:31:18,530 --> 01:31:16,500

my audience like that or mislead them

1978

01:31:20,390 --> 01:31:18,540

um would we have uh you know a build up

1979

01:31:23,570 --> 01:31:20,400

going into an act out before a

1980

01:31:25,189 --> 01:31:23,580

commercial well of course we did but

1981

01:31:27,890 --> 01:31:25,199

um you know

1982

01:31:31,250 --> 01:31:27,900

um I I just um

1983

01:31:32,990 --> 01:31:31,260

I just know more than I I really want to

1984

01:31:35,209 --> 01:31:33,000

say and I I don't want to talk about Oak

1985

01:31:37,550 --> 01:31:35,219

Island all I can tell you is there was a

1986

01:31:40,669 --> 01:31:37,560

treasure there it's been recovered we're

1987

01:31:43,550 --> 01:31:40,679

happy for him keep making money and uh

1988

01:31:46,129 --> 01:31:43,560

you know God bless you you know the uh

1989

01:31:49,430 --> 01:31:46,139

the the one

1990

01:31:52,129 --> 01:31:49,440

the one thing from Oak Island the one

1991

01:31:53,689 --> 01:31:52,139

not the Ark of the Covenant the original

1992

01:31:58,729 --> 01:31:53,699

Stone

1993

01:32:01,310 --> 01:31:58,739

in the 90-foot stone yeah yeah the

1994

01:32:03,770 --> 01:32:01,320

90-foot stone I that's what I want to

1995

01:32:06,649 --> 01:32:03,780

see okay you know what Jimmy let me tell

1996

01:32:08,090 --> 01:32:06,659

you a story 15 years ago I went to Oak

1997

01:32:12,050 --> 01:32:08,100

Island

1998

01:32:13,970 --> 01:32:12,060

um and I spent two days there

1999

01:32:17,870 --> 01:32:13,980

um I spent a lot of time with Danny

2000

01:32:23,030 --> 01:32:20,629

it's his biggest bullshiter I ever met

2001

01:32:25,010 --> 01:32:23,040

in my life but he was a good guy and I

2002

01:32:27,770 --> 01:32:25,020

got along really well dude he was a cool

2003

01:32:30,050 --> 01:32:27,780

dude yeah yeah but he was you know he he

2004

01:32:31,970 --> 01:32:30,060

could Spin A Yarn let's put it yeah but

2005

01:32:33,770 --> 01:32:31,980

if you lived on that island if your

2006

01:32:36,709 --> 01:32:33,780

house was there you would be damn

2007

01:32:38,510 --> 01:32:36,719

Blankenship Hey listen I know I'm not

2008

01:32:41,450 --> 01:32:38,520

look I got along great with him I

2009

01:32:43,129 --> 01:32:41,460

thought he was a wonderful guy but the

2010

01:32:45,110 --> 01:32:43,139

reason I say that he was a bullshitter

2011

01:32:47,510 --> 01:32:45,120

is because the number one reason I went

2012

01:32:49,790 --> 01:32:47,520

there is I wanted to see the 90-foot

2013

01:32:52,010 --> 01:32:49,800

stone I want to see the carvings on

2014

01:32:55,010 --> 01:32:52,020

those I want to look at the weathering I

2015

01:32:58,310 --> 01:32:55,020

wanted to do what I felt I could do to

2016

01:33:01,010 --> 01:32:58,320

help get some information maybe help get

2017

01:33:03,530 --> 01:33:01,020

some answers and I spent two days with

2018

01:33:05,570 --> 01:33:03,540

him and you know what I concluded at the

2019

01:33:07,370 --> 01:33:05,580

end of those two days

2020

01:33:10,729 --> 01:33:07,380

man you're going to get me in so much

2021

01:33:12,770 --> 01:33:10,739

trouble this is Scott Walters opinion

2022

01:33:14,689 --> 01:33:12,780

I'm not telling you I'm not going to

2023

01:33:18,050 --> 01:33:14,699

tell you now the producers of the show

2024

01:33:21,350 --> 01:33:18,060

have okay chair I don't care anymore

2025

01:33:23,689 --> 01:33:21,360

yeah and Dan's no longer with us he's no

2026

01:33:26,689 --> 01:33:23,699

longer with us look he lived to be 95

2027

01:33:28,490 --> 01:33:26,699

the guy had a great life and you know

2028

01:33:31,729 --> 01:33:28,500

what I will give the brothers a lot of

2029

01:33:35,090 --> 01:33:31,739

credit they showcased him and uh they

2030

01:33:38,770 --> 01:33:35,100

lionized him and they made him you know

2031

01:33:40,990 --> 01:33:38,780

the patriarch of that and he was he was

2032

01:33:44,450 --> 01:33:41,000

all the credits for that

2033

01:33:47,030 --> 01:33:44,460

so two days with Dan what happened

2034

01:33:48,430 --> 01:33:47,040

did did I say something about no I'm

2035

01:33:51,890 --> 01:33:48,440

just kidding

2036

01:33:55,250 --> 01:33:51,900

you want to know what I concluded

2037

01:34:00,370 --> 01:33:55,260

there is no 90-foot stone

2038

01:34:03,590 --> 01:34:00,380

wasn't it on display uh on the main

2039

01:34:04,930 --> 01:34:03,600

oh was it

2040

01:34:06,830 --> 01:34:04,940

ah

2041

01:34:10,010 --> 01:34:06,840

[Applause]

2042

01:34:12,970 --> 01:34:10,020

but wasn't there photographs of it I

2043

01:34:20,750 --> 01:34:17,870

oh [h__h] I look at all this stuff Jim and

2044

01:34:23,930 --> 01:34:20,760

my conclusion is there is no 90-foot

2045

01:34:25,970 --> 01:34:23,940

stone there never was a 90-foot stone

2046

01:34:28,570 --> 01:34:25,980

wow

2047

01:34:32,629 --> 01:34:28,580

food

2048

01:34:34,910 --> 01:34:32,639

breaking news did they listen you know I

2049

01:34:36,830 --> 01:34:34,920

think a lot of people get confused you

2050

01:34:38,570 --> 01:34:36,840

know my whole life I want to buzz kill

2051

01:34:41,390 --> 01:34:38,580

something just for the sake of Buzz

2052

01:34:44,570 --> 01:34:41,400

killing you just know nobody wanted that

2053

01:34:47,090 --> 01:34:44,580

90-foot stone to be there more than me I

2054

01:34:49,370 --> 01:34:47,100

was Devin I wasn't devastated but I was

2055

01:34:52,430 --> 01:34:49,380

disappointed are you kidding me I am

2056

01:34:55,370 --> 01:34:52,440

crushed the last 30 years of my life the

2057

01:34:57,890 --> 01:34:55,380

fonddest memory I have is the drawing of

2058

01:35:01,250 --> 01:34:57,900

the 90-foot stone on the first website

2059

01:35:03,890 --> 01:35:01,260

on the web and you're telling me I had

2060

01:35:06,530 --> 01:35:03,900

dreams about that Jim if there was a

2061

01:35:10,189 --> 01:35:06,540

90-foot stone after 10 years of this

2062

01:35:12,050 --> 01:35:10,199

show and 200 plus years of this mystery

2063

01:35:15,890 --> 01:35:12,060

you don't think by now it would have

2064

01:35:18,350 --> 01:35:15,900

shown up who's ever got it could sell it

2065

01:35:20,750 --> 01:35:18,360

for a fortune yeah or they could bring

2066

01:35:23,870 --> 01:35:20,760

it forth and they could I mean give me a

2067

01:35:26,390 --> 01:35:23,880

break if the stone existed we'd see it

2068

01:35:29,030 --> 01:35:26,400

it doesn't exist and based on what Danny

2069

01:35:31,310 --> 01:35:29,040

told me because I asked him circular

2070

01:35:33,050 --> 01:35:31,320

questions right you know that deal where

2071

01:35:35,870 --> 01:35:33,060

you asked the same question a different

2072

01:35:39,830 --> 01:35:35,880

way to see if you get the same answer I

2073

01:35:44,870 --> 01:35:42,770

I'm just saying so I love the guy I just

2074

01:35:47,270 --> 01:35:44,880

want to make sure you understand I had a

2075

01:35:50,689 --> 01:35:47,280

great time with him he treated me well I

2076

01:35:52,689 --> 01:35:50,699

liked him a lot but he was making it up

2077

01:35:56,629 --> 01:35:52,699

when it came to the 90-foot stone

2078

01:35:58,850 --> 01:35:56,639

what uh what treasure was uh discovered

2079

01:36:00,350 --> 01:35:58,860

there and removed from the island now

2080

01:36:01,850 --> 01:36:00,360

that I can't tell you

2081

01:36:03,410 --> 01:36:01,860

why

2082

01:36:06,110 --> 01:36:03,420

I just can't

2083

01:36:08,450 --> 01:36:06,120

and I love you like a brother you know I

2084

01:36:10,550 --> 01:36:08,460

do but I can't tell you that one

2085

01:36:12,430 --> 01:36:10,560

do I need to get on the phone to Timothy

2086

01:36:15,229 --> 01:36:12,440

do I need to call him

2087

01:36:17,689 --> 01:36:15,239

Tim's not going to tell you either Tim

2088

01:36:20,229 --> 01:36:17,699

is right here my cell phone is right do

2089

01:36:23,270 --> 01:36:20,239

I need to get go ahead and call him up

2090

01:36:25,070 --> 01:36:23,280

he'll start laughing and you'll say and

2091

01:36:27,110 --> 01:36:25,080

you start rattling things off like the

2092

01:36:29,090 --> 01:36:27,120

Ark of the Covenant and I guarantee you

2093

01:36:32,270 --> 01:36:29,100

I know what he's gonna say he'll say

2094

01:36:34,129 --> 01:36:32,280

this you ready write this down Jim this

2095

01:36:38,870 --> 01:36:34,139

is what he's gonna say

2096

01:36:41,830 --> 01:36:38,880

you ready I'm writing quote I can

2097

01:36:44,810 --> 01:36:41,840

neither confirm nor deny

2098

01:36:47,090 --> 01:36:44,820

oh man you know

2099

01:36:48,350 --> 01:36:47,100

um uh speaking of that and and Timothy

2100

01:36:50,090 --> 01:36:48,360

if you're listening right now you know

2101
01:36:52,550 --> 01:36:50,100
how much we love you and and you

2102
01:36:54,290 --> 01:36:52,560
absolutely one of the smartest people on

2103
01:36:56,450 --> 01:36:54,300
this planet

2104
01:36:59,330 --> 01:36:56,460
um Grandmaster of the Knights Templar uh

2105
01:37:01,970 --> 01:36:59,340
worldwide and you know he gave me he

2106
01:37:04,550 --> 01:37:01,980
gave me something you never gave me oh

2107
01:37:05,390 --> 01:37:04,560
really yeah he gave me a Knights Templar

2108
01:37:08,410 --> 01:37:05,400
pin

2109
01:37:10,910 --> 01:37:08,420
and and said you get the ring from Scott

2110
01:37:13,790 --> 01:37:10,920
and I was like I've been waiting for the

2111
01:37:16,250 --> 01:37:13,800
ring from Scott listen you gotta Hey

2112
01:37:18,410 --> 01:37:16,260
listen you're not getting [h__\h] to you

2113
01:37:21,590 --> 01:37:18,420

walk through the door okay until you're

2114

01:37:23,990 --> 01:37:21,600

ready to receive right fair enough by

2115

01:37:26,810 --> 01:37:24,000

the way you got you got a pin from him I

2116

01:37:31,270 --> 01:37:26,820

did what Tim gave me what he gave me a

2117

01:37:35,930 --> 01:37:31,280

sword oh man and it's badass dude

2118

01:37:39,229 --> 01:37:35,940

so one of the things that uh Tim uh uh

2119

01:37:41,750 --> 01:37:39,239

and I discussed uh at length

2120

01:37:44,149 --> 01:37:41,760

um not only on into the Vortex my show

2121

01:37:47,510 --> 01:37:44,159

over on Gaia but here on Fade to Black

2122

01:37:50,270 --> 01:37:47,520

and you know those fabulous uh Timothy

2123

01:37:54,530 --> 01:37:50,280

Hogan phone calls that you can have

2124

01:37:57,709 --> 01:37:54,540

um is that there are enough there wasn't

2125

01:38:01,030 --> 01:37:57,719

a singular Ark of the Covenant that

2126

01:38:06,350 --> 01:38:01,040

there were multiple Arts of the Covenant

2127

01:38:09,410 --> 01:38:06,360

and he has been in the presence of of he

2128

01:38:12,590 --> 01:38:09,420

hasn't disclosed with me how many but a

2129

01:38:13,850 --> 01:38:12,600

number of these arcs and he has seen

2130

01:38:21,169 --> 01:38:13,860

them

2131

01:38:22,850 --> 01:38:21,179

North America yeah I have

2132

01:38:25,370 --> 01:38:22,860

um have you

2133

01:38:28,850 --> 01:38:25,380

had the privilege to be in the presence

2134

01:38:32,870 --> 01:38:28,860

of one of the arks I have not I have not

2135

01:38:34,610 --> 01:38:32,880

I am hoping that that will happen soon

2136

01:38:36,290 --> 01:38:34,620

you know that's a pretty

2137

01:38:39,590 --> 01:38:36,300

um that's a pretty profound statement

2138

01:38:42,830 --> 01:38:39,600

you know from Tim and uh I think his

2139

01:38:45,050 --> 01:38:42,840

evidence is is is is is very solid you

2140

01:38:46,790 --> 01:38:45,060

know and I've looked through it

2141

01:38:49,010 --> 01:38:46,800

um but that's a profound statement that

2142

01:38:51,470 --> 01:38:49,020

I mean that's one where you don't need

2143

01:38:53,090 --> 01:38:51,480

to be a skeptic or a debunker uh when

2144

01:38:55,790 --> 01:38:53,100

you hear something like that to just go

2145

01:38:57,950 --> 01:38:55,800

oh come on man I saw Indiana Jones I

2146

01:38:59,870 --> 01:38:57,960

know what this is all about

2147

01:39:02,930 --> 01:38:59,880

um that's a pretty profound statement

2148

01:39:04,669 --> 01:39:02,940

isn't it yeah it is and you know a lot

2149

01:39:07,129 --> 01:39:04,679

of people ask me about the Ark of the

2150

01:39:09,770 --> 01:39:07,139

Covenant and I just tell people you know

2151

01:39:14,030 --> 01:39:09,780

the secret of the Ark isn't where it is

2152

01:39:17,209 --> 01:39:14,040

it's how to make one uh because there is

2153

01:39:19,729 --> 01:39:17,219

there isn't just one Arc

2154

01:39:24,050 --> 01:39:19,739

um and that gets into you know what is

2155

01:39:25,370 --> 01:39:24,060

the ark what was its purpose and

2156

01:39:26,870 --> 01:39:25,380

um

2157

01:39:29,629 --> 01:39:26,880

one of the things that's interesting

2158

01:39:32,570 --> 01:39:29,639

about the corona document is one of the

2159

01:39:36,290 --> 01:39:32,580

pages that was sold to the Vatican but

2160

01:39:39,290 --> 01:39:36,300

we have a beautiful photographs of is

2161

01:39:41,510 --> 01:39:39,300

the instructions on how to make it now

2162

01:39:45,890 --> 01:39:41,520

one of the problems with the document

2163

01:39:48,530 --> 01:39:45,900

that Jackson sold to the Vatican is

2164

01:39:50,510 --> 01:39:48,540

virtually the entire document that he

2165

01:39:53,810 --> 01:39:50,520

sold to them not the entire thing but

2166

01:39:57,410 --> 01:39:53,820

just about all of it was encrypted in

2167

01:39:59,390 --> 01:39:57,420

the bin which is a uh an alphabet that

2168

01:40:02,629 --> 01:39:59,400

the Templars used it's a one-to-one

2169

01:40:04,610 --> 01:40:02,639

letter substitution but to be able to

2170

01:40:07,790 --> 01:40:04,620

get the letters to line up

2171

01:40:09,830 --> 01:40:07,800

you need a cipher phrase that puts

2172

01:40:11,510 --> 01:40:09,840

everything in the correct order so then

2173

01:40:13,850 --> 01:40:11,520

when you do your letter substitution

2174

01:40:16,669 --> 01:40:13,860

you're using the correct letters to get

2175

01:40:19,910 --> 01:40:16,679

an intelligible message

2176

01:40:22,430 --> 01:40:19,920

what we realized in 2017

2177

01:40:24,490 --> 01:40:22,440

that Bill Jackson had done

2178

01:40:28,010 --> 01:40:24,500

is he

2179

01:40:29,689 --> 01:40:28,020

crafted a narrative in in the documents

2180

01:40:31,550 --> 01:40:29,699

that he gave to them in his his

2181

01:40:35,689 --> 01:40:31,560

handwritten notes

2182

01:40:41,750 --> 01:40:38,689

well page one was missing because he

2183

01:40:44,390 --> 01:40:41,760

pulled it out and the reason that's

2184

01:40:47,270 --> 01:40:44,400

important page one is because at the top

2185

01:40:51,110 --> 01:40:47,280

is the cipher phrase that you need to

2186

01:40:55,189 --> 01:40:51,120

decode the uh to decode the document

2187

01:40:57,830 --> 01:40:55,199

on the back of page one is a map to

2188

01:41:00,169 --> 01:40:57,840

where the Templars got in under the

2189

01:41:02,689 --> 01:41:00,179

South wall and the route they took to

2190

01:41:04,550 --> 01:41:02,699

this secret chamber theoretically we

2191

01:41:06,410 --> 01:41:04,560

could go back in there

2192

01:41:09,770 --> 01:41:06,420

he wasn't going to give that to the

2193

01:41:11,390 --> 01:41:09,780

Vatican and I remember when I first saw

2194

01:41:14,510 --> 01:41:11,400

that document

2195

01:41:17,330 --> 01:41:14,520

he had given it to his daughter Melissa

2196

01:41:20,450 --> 01:41:17,340

and he said hold on to this if anything

2197

01:41:23,209 --> 01:41:20,460

happens to me it needs to go to Don root

2198

01:41:24,530 --> 01:41:23,219

now his daughter forgot about it and

2199

01:41:28,310 --> 01:41:24,540

never gave it to him when her husband

2200

01:41:30,709 --> 01:41:28,320

her dad died in 2000 but when she moved

2201

01:41:33,830 --> 01:41:30,719

from the country where she was living in

2202

01:41:37,250 --> 01:41:33,840

2017 to be closer to her brother who had

2203

01:41:40,189 --> 01:41:37,260

just had a child later in life

2204

01:41:43,250 --> 01:41:40,199

she when she was packing she found this

2205

01:41:45,470 --> 01:41:43,260

material and she sent it to Don

2206

01:41:48,229 --> 01:41:45,480

and it's interesting because she also

2207

01:41:50,930 --> 01:41:48,239

sent the note that her dad wrote that

2208

01:41:55,370 --> 01:41:50,940

gave us some insight into his his

2209

01:41:56,930 --> 01:41:55,380

mindset of why he did what he did but it

2210

01:42:00,410 --> 01:41:56,940

was interesting we got another letter

2211

01:42:03,109 --> 01:42:00,420

about three years ago from Jackson with

2212

01:42:06,169 --> 01:42:03,119

other material other documents where he

2213

01:42:07,729 --> 01:42:06,179

says exactly why he left this material

2214

01:42:10,430 --> 01:42:07,739

to Don

2215

01:42:12,290 --> 01:42:10,440

he said Don was my best friend

2216

01:42:15,770 --> 01:42:12,300

he was the only one that took my

2217

01:42:17,450 --> 01:42:15,780

research seriously hiked with him you

2218

01:42:21,070 --> 01:42:17,460

know in in the mountains of the

2219

01:42:24,109 --> 01:42:21,080

Catskills went up to Newfoundland diving

2220

01:42:27,169 --> 01:42:24,119

uh in the ocean and helped him find that

2221

01:42:29,090 --> 01:42:27,179

ship and he said he is the youngest of

2222

01:42:31,669 --> 01:42:29,100

the Spartan personnel

2223

01:42:34,370 --> 01:42:31,679

uh that will probably outlive us and

2224

01:42:36,709 --> 01:42:34,380

that is exactly what's happened and now

2225

01:42:39,530 --> 01:42:36,719

he's 80 years old and he's the last man

2226

01:42:43,490 --> 01:42:39,540

standing and I feel honored and

2227

01:42:47,689 --> 01:42:43,500

privileged to be able to work with him

2228

01:42:48,950 --> 01:42:47,699

on this incredible mystery that

2229

01:42:52,490 --> 01:42:48,960

um

2230

01:42:54,229 --> 01:42:52,500

we're pretty close to I think the bottom

2231

01:42:56,149 --> 01:42:54,239

of the well we think we're going to be

2232

01:42:58,970 --> 01:42:56,159

getting a few more pieces of information

2233

01:43:03,229 --> 01:42:58,980

probably in March but that's probably

2234

01:43:04,790 --> 01:43:03,239

going to be it but we now have a very

2235

01:43:07,729 --> 01:43:04,800

clear picture

2236

01:43:11,149 --> 01:43:07,739

of the templar's activities both in

2237

01:43:14,390 --> 01:43:11,159

Europe in the North Atlantic and over

2238

01:43:16,310 --> 01:43:14,400

here in North America and what exactly

2239

01:43:16,910 --> 01:43:16,320

they did

2240

01:43:19,510 --> 01:43:16,920

um

2241

01:43:22,669 --> 01:43:19,520

you know what it impacted historically

2242

01:43:24,950 --> 01:43:22,679

besides the Oak Island mystery there's a

2243

01:43:27,290 --> 01:43:24,960

lot of other stories that people uh

2244

01:43:29,810 --> 01:43:27,300

might be aware of that are affected by

2245

01:43:31,669 --> 01:43:29,820

this story they don't even realize and

2246

01:43:34,790 --> 01:43:31,679

it comes full circle all the way up to

2247

01:43:39,109 --> 01:43:34,800

this day and you said it yourself

2248

01:43:41,330 --> 01:43:39,119

uh Tim Hogan is the Grand Master of um

2249

01:43:44,390 --> 01:43:41,340

the Knights Templar order today the true

2250

01:43:48,350 --> 01:43:44,400

tradition that started with past Grand

2251

01:43:50,870 --> 01:43:48,360

Masters like Leonardo da Vinci

2252

01:43:52,490 --> 01:43:50,880

um and Tim has looked at all this

2253

01:43:54,830 --> 01:43:52,500

material he hasn't seen it all yet he's

2254

01:43:56,930 --> 01:43:54,840

seen most of it and

2255

01:44:00,169 --> 01:43:56,940

um it's consistent with the records that

2256

01:44:02,870 --> 01:44:00,179

he has so we know the story and we're

2257

01:44:04,970 --> 01:44:02,880

going to tell a big chunk of it at the

2258

01:44:07,129 --> 01:44:04,980

conference and we're going to share some

2259

01:44:10,609 --> 01:44:07,139

of these encrypted documents we're going

2260

01:44:12,950 --> 01:44:10,619

to teach people how to decode them and

2261

01:44:15,470 --> 01:44:12,960

you're going to see

2262

01:44:17,930 --> 01:44:15,480

um the lengths that the Templars and the

2263

01:44:20,930 --> 01:44:17,940

tradition the ideological descendants

2264

01:44:22,850 --> 01:44:20,940

that were Freemasons right one of the

2265

01:44:24,890 --> 01:44:22,860

questions that's definitively answered

2266

01:44:27,350 --> 01:44:24,900

with these documents and other research

2267

01:44:28,370 --> 01:44:27,360

we've done is there's absolutely no

2268

01:44:31,310 --> 01:44:28,380

question

2269

01:44:34,490 --> 01:44:31,320

that modern free masonry evolved

2270

01:44:37,250 --> 01:44:34,500

directly from medieval templarism no

2271

01:44:40,910 --> 01:44:37,260

question about it and it goes back to

2272

01:44:44,510 --> 01:44:40,920

the first century essenes Jesus Mary

2273

01:44:46,550 --> 01:44:44,520

Magdalene John the Baptist and all the

2274

01:44:50,810 --> 01:44:46,560

way back to Egypt and Beyond

2275

01:44:53,689 --> 01:44:50,820

and does it connect with um the

2276

01:44:58,010 --> 01:44:53,699

interstellar beings

2277

01:45:01,550 --> 01:44:58,020

yeah it does well one of the things

2278

01:45:05,090 --> 01:45:01,560

um that uh I have discussed with you

2279

01:45:09,169 --> 01:45:05,100

over the years uh relentlessly and I've

2280

01:45:14,209 --> 01:45:09,179

also spoken to Tim about this uh

2281

01:45:17,510 --> 01:45:14,219

directly which is there is going to be a

2282

01:45:20,810 --> 01:45:17,520

point in time with all of this

2283

01:45:24,830 --> 01:45:20,820

um an excuse for my choice of words here

2284

01:45:29,330 --> 01:45:24,840

to put up or shut up yeah where uh

2285

01:45:32,390 --> 01:45:29,340

that's it that's it the we're at the end

2286

01:45:35,750 --> 01:45:32,400

of the Opera here show us what you've

2287

01:45:39,109 --> 01:45:35,760

got if there are multiple arcs of the

2288

01:45:41,090 --> 01:45:39,119

Covenant uh uh on this planet and and

2289

01:45:44,209 --> 01:45:41,100

some are here in North America where are

2290

01:45:48,709 --> 01:45:44,219

they bring them out let's do it show us

2291

01:45:50,750 --> 01:45:48,719

yeah we're at that point so uh I I think

2292

01:45:52,850 --> 01:45:50,760

that we're all ready for this Scott when

2293

01:45:54,530 --> 01:45:52,860

is this going to happen

2294

01:45:55,609 --> 01:45:54,540

well you're going to have to ask Tim

2295

01:45:57,649 --> 01:45:55,619

because

2296

01:45:58,970 --> 01:45:57,659

um you know he holds the keys if you

2297

01:46:02,109 --> 01:45:58,980

will

2298

01:46:04,790 --> 01:46:02,119

um he and I have talked about it and

2299

01:46:07,970 --> 01:46:04,800

what about you when your maps and the

2300

01:46:11,330 --> 01:46:07,980

fists and the and the location of a lake

2301
01:46:13,609 --> 01:46:11,340
on the east coast and the the tomb on

2302
01:46:16,070 --> 01:46:13,619
the top of Hunter Mountain what what's

2303
01:46:18,649 --> 01:46:16,080
in Montana what's in uh South Dakota

2304
01:46:21,229 --> 01:46:18,659
well there's going to be there's going

2305
01:46:23,629 --> 01:46:21,239
to be a release of I mean Don and I have

2306
01:46:26,270 --> 01:46:23,639
pretty much finished our book in fact I

2307
01:46:28,129 --> 01:46:26,280
talked to Don this afternoon I had sent

2308
01:46:31,669 --> 01:46:28,139
him the latest chapter of this new

2309
01:46:34,970 --> 01:46:31,679
material we had just got and he loved it

2310
01:46:36,709 --> 01:46:34,980
he said okay so we're pretty much at

2311
01:46:38,050 --> 01:46:36,719
that point we're talking to a couple of

2312
01:46:41,570 --> 01:46:38,060
different publishers

2313
01:46:43,609 --> 01:46:41,580

and it's going to come out now what's

2314

01:46:47,209 --> 01:46:43,619

not going to come out is information

2315

01:46:49,870 --> 01:46:47,219

about the location of where we think

2316

01:46:52,070 --> 01:46:49,880

there might still be something to find

2317

01:46:54,290 --> 01:46:52,080

we're going to do that we're not going

2318

01:46:56,149 --> 01:46:54,300

to let anybody else do that we're not

2319

01:46:58,729 --> 01:46:56,159

going to give away the location of where

2320

01:46:59,570 --> 01:46:58,739

the Shipwreck is what Still Remains

2321

01:47:02,209 --> 01:46:59,580

there

2322

01:47:04,550 --> 01:47:02,219

um we're not going to give away

2323

01:47:07,970 --> 01:47:04,560

um locations of where we think there

2324

01:47:10,790 --> 01:47:07,980

might still be some Treasures left uh

2325

01:47:12,950 --> 01:47:10,800

both in the water and out so that

2326

01:47:14,990 --> 01:47:12,960

material will not be released but I can

2327

01:47:17,090 --> 01:47:15,000

tell you that what we are going to

2328

01:47:21,530 --> 01:47:17,100

release is going to be absolutely

2329

01:47:25,070 --> 01:47:21,540

mind-blowing and the story is absolutely

2330

01:47:27,890 --> 01:47:25,080

consistent it's cohesive

2331

01:47:30,189 --> 01:47:27,900

and in my mind conclusive and it

2332

01:47:33,189 --> 01:47:30,199

completely rewrites the whole history

2333

01:47:36,290 --> 01:47:33,199

historical hysterical

2334

01:47:39,290 --> 01:47:36,300

historical Narrative of the founding of

2335

01:47:43,310 --> 01:47:39,300

this country and frankly right now

2336

01:47:45,050 --> 01:47:43,320

that story needs to be retold because we

2337

01:47:47,330 --> 01:47:45,060

have people that think certain things

2338

01:47:49,790 --> 01:47:47,340

happened that didn't happen

2339

01:47:51,709 --> 01:47:49,800

they're interpreting certain things in

2340

01:47:54,350 --> 01:47:51,719

our Constitution that they aren't

2341

01:47:57,890 --> 01:47:54,360

interpreting correctly and you hear a

2342

01:48:00,350 --> 01:47:57,900

lot of people and politicians uh talking

2343

01:48:02,270 --> 01:48:00,360

about what our founding fathers believed

2344

01:48:04,609 --> 01:48:02,280

and frankly they don't know what they're

2345

01:48:06,950 --> 01:48:04,619

talking about

2346

01:48:11,330 --> 01:48:06,960

um make no mistake

2347

01:48:13,430 --> 01:48:11,340

that the tenants of our Constitution and

2348

01:48:15,649 --> 01:48:13,440

the principles upon which this nation

2349

01:48:18,109 --> 01:48:15,659

would was founded

2350

01:48:19,609 --> 01:48:18,119

were based on the the principles of

2351

01:48:24,350 --> 01:48:19,619

Freemasonry

2352

01:48:25,570 --> 01:48:24,360

templarism there is that is not a

2353

01:48:29,149 --> 01:48:25,580

coincidence

2354

01:48:31,250 --> 01:48:29,159

this is a direct correlation

2355

01:48:33,470 --> 01:48:31,260

and the problem is there are too many

2356

01:48:35,270 --> 01:48:33,480

people in this country

2357

01:48:37,729 --> 01:48:35,280

that have been

2358

01:48:41,270 --> 01:48:37,739

um brainwashed into thinking that

2359

01:48:44,870 --> 01:48:41,280

Freemasonry and templarism

2360

01:48:49,490 --> 01:48:44,880

um cannot coexist with organized

2361

01:48:52,250 --> 01:48:49,500

religion specifically Roman Catholicism

2362

01:48:56,149 --> 01:48:52,260

um and that's absolutely not true it's

2363

01:48:58,910 --> 01:48:56,159

not true at all but make no mistake the

2364

01:49:01,609 --> 01:48:58,920

reason this country was founded

2365

01:49:04,070 --> 01:49:01,619

part of the reason goes back to what

2366

01:49:06,410 --> 01:49:04,080

happened to the Templars back in the

2367

01:49:08,450 --> 01:49:06,420

early 14th century right

2368

01:49:11,629 --> 01:49:08,460

the put down

2369

01:49:14,930 --> 01:49:11,639

and who put them down

2370

01:49:17,090 --> 01:49:14,940

the king of France a monarchy and the

2371

01:49:20,750 --> 01:49:17,100

Roman Catholic Church

2372

01:49:22,970 --> 01:49:20,760

that combined and legitimized each other

2373

01:49:26,270 --> 01:49:22,980

and elevated themselves these

2374

01:49:27,649 --> 01:49:26,280

institutions above the people

2375

01:49:31,250 --> 01:49:27,659

and so

2376

01:49:33,229 --> 01:49:31,260

the persecution of that group

2377

01:49:36,290 --> 01:49:33,239

was not destroyed they were not

2378

01:49:39,070 --> 01:49:36,300

destroyed they simply went underground

2379

01:49:41,390 --> 01:49:39,080

and they had a plan that they crafted

2380

01:49:43,729 --> 01:49:41,400

centuries before

2381

01:49:46,970 --> 01:49:43,739

and that was to establish

2382

01:49:49,370 --> 01:49:46,980

a new place a sanctuary

2383

01:49:52,609 --> 01:49:49,380

they called it the New Jerusalem they

2384

01:49:53,570 --> 01:49:52,619

called it a free Templar state

2385

01:49:56,090 --> 01:49:53,580

um

2386

01:49:59,209 --> 01:49:56,100

Francis Bacon called it the new Atlantis

2387

01:50:01,010 --> 01:49:59,219

we're all talking about the same thing

2388

01:50:04,250 --> 01:50:01,020

they're talking about a place where

2389

01:50:06,470 --> 01:50:04,260

people could live free from the tyranny

2390

01:50:09,109 --> 01:50:06,480

of the monarchs of Europe we fought a

2391

01:50:13,490 --> 01:50:09,119

revolution against what a monarchy for

2392

01:50:16,609 --> 01:50:13,500

God's sakes right people forget that

2393

01:50:18,709 --> 01:50:16,619

and a place where people could practice

2394

01:50:22,550 --> 01:50:18,719

whatever religion they wanted right

2395

01:50:24,350 --> 01:50:22,560

because they learned what happened when

2396

01:50:26,810 --> 01:50:24,360

the church gets too strong and they

2397

01:50:29,510 --> 01:50:26,820

persecute the people right

2398

01:50:32,270 --> 01:50:29,520

and I'll tell you what it's very simple

2399

01:50:35,570 --> 01:50:32,280

why the church doesn't like Freemasonry

2400

01:50:38,930 --> 01:50:35,580

and why they didn't like the Templars

2401
01:50:42,169 --> 01:50:38,940
because they understood

2402
01:50:43,430 --> 01:50:42,179
this simple thing that is the big

2403
01:50:46,070 --> 01:50:43,440
problem

2404
01:50:47,750 --> 01:50:46,080
and that is

2405
01:50:50,209 --> 01:50:47,760
that anybody

2406
01:50:52,609 --> 01:50:50,219
on this planet

2407
01:50:54,350 --> 01:50:52,619
can have a relationship

2408
01:50:59,090 --> 01:50:54,360
with deity

2409
01:51:02,030 --> 01:50:59,100
God Yahweh the goddess whatever that

2410
01:51:04,010 --> 01:51:02,040
thing is up in the sky right it's all

2411
01:51:08,149 --> 01:51:04,020
around whatever God is

2412
01:51:13,790 --> 01:51:10,729
our founding fathers said you can

2413
01:51:16,729 --> 01:51:13,800

believe in anything you want and you can

2414

01:51:19,910 --> 01:51:16,739

have that relationship one to one just

2415

01:51:21,910 --> 01:51:19,920

you and your God and frankly it's nobody

2416

01:51:25,790 --> 01:51:21,920

else's business

2417

01:51:28,370 --> 01:51:25,800

who that thing is and what you call it

2418

01:51:31,129 --> 01:51:28,380

and how you venerate it

2419

01:51:33,590 --> 01:51:31,139

the problem is the church requires you

2420

01:51:34,910 --> 01:51:33,600

to go through a human conduit to get to

2421

01:51:36,770 --> 01:51:34,920

creator

2422

01:51:39,649 --> 01:51:36,780

and when you take away that human

2423

01:51:42,890 --> 01:51:39,659

conduit you literally take them out of

2424

01:51:45,649 --> 01:51:42,900

business you put them out of business

2425

01:51:47,510 --> 01:51:45,659

and that's why they hate us

2426

01:51:49,729 --> 01:51:47,520

so you can decide

2427

01:51:52,129 --> 01:51:49,739

for yourself whoever might be listening

2428

01:51:53,649 --> 01:51:52,139

how you want to live your life how you

2429

01:51:56,629 --> 01:51:53,659

want to

2430

01:51:58,669 --> 01:51:56,639

honor your God your deity your goddess

2431

01:52:01,129 --> 01:51:58,679

whatever you want to call it

2432

01:52:03,229 --> 01:52:01,139

that's your business and don't let

2433

01:52:05,870 --> 01:52:03,239

anybody ever tell you

2434

01:52:07,729 --> 01:52:05,880

that it's not

2435

01:52:09,950 --> 01:52:07,739

that's that's what it all boils down to

2436

01:52:13,360 --> 01:52:09,960

Jimmy yeah it's true it's true and don't

2437

01:52:18,470 --> 01:52:13,370

send change it'll wake the baby Jesus

2438

01:52:21,530 --> 01:52:19,910

that's mine that's my

2439

01:52:22,850 --> 01:52:21,540

that's fine you can

2440

01:52:25,430 --> 01:52:22,860

I'm gonna see

2441

01:52:28,790 --> 01:52:25,440

days my friend all right we're gonna

2442

01:52:31,189 --> 01:52:28,800

rock this town yes we are really really

2443

01:52:33,830 --> 01:52:31,199

looking forward to it and and everybody

2444

01:52:36,050 --> 01:52:33,840

come on out uh to the conscious life

2445

01:52:39,109 --> 01:52:36,060

Expo you can't miss Scott he's seven

2446

01:52:41,930 --> 01:52:39,119

foot three and uh and he's gonna be

2447

01:52:45,890 --> 01:52:41,940

hanging out with me come up uh and and

2448

01:52:47,330 --> 01:52:45,900

and say hello and uh and just uh share

2449

01:52:49,550 --> 01:52:47,340

the knowledge with Scott it's going to

2450

01:52:52,550 --> 01:52:49,560

be a lot of fun safe travels my friend

2451

01:52:53,990 --> 01:52:52,560

and all right all of Scott's links are

2452

01:52:55,490 --> 01:52:54,000

below we've got them throughout social

2453

01:52:57,290 --> 01:52:55,500

media and of course over at Timmy

2454

01:52:59,510 --> 01:52:57,300

churchradio.com you want to reach out to

2455

01:53:01,850 --> 01:52:59,520

Scott you can do that he's right here on

2456

01:53:04,129 --> 01:53:01,860

Twitter he's over on Facebook he's very

2457

01:53:06,770 --> 01:53:04,139

accessible and of course over at his

2458

01:53:08,450 --> 01:53:06,780

website and then you can come and take a

2459

01:53:10,810 --> 01:53:08,460

selfie with Scott you just got to bring

2460

01:53:14,030 --> 01:53:10,820

a got to bring a stool about that big

2461

01:53:16,550 --> 01:53:14,040

and uh and then you can do that I might

2462

01:53:18,590 --> 01:53:16,560

have a stool at my booth Scott uh for

2463

01:53:20,390 --> 01:53:18,600

everybody taking a selfie oh no Jimmy

2464

01:53:22,370 --> 01:53:20,400

we're gonna have a great time and listen

2465

01:53:24,649 --> 01:53:22,380

thank you for having me on tonight thank

2466

01:53:27,109 --> 01:53:24,659

you for having having having us at the

2467

01:53:28,910 --> 01:53:27,119

conference it's going to be amazing and

2468

01:53:30,649 --> 01:53:28,920

I want to invite people to come to the

2469

01:53:32,390 --> 01:53:30,659

workshop you're going to learn some

2470

01:53:34,850 --> 01:53:32,400

crazy stuff and we're going to hit the

2471

01:53:35,930 --> 01:53:34,860

book of the wars of the Lord freaking

2472

01:53:38,709 --> 01:53:35,940

heart

2473

01:53:41,689 --> 01:53:38,719

it doesn't even exist

2474

01:53:43,970 --> 01:53:41,699

hey Scott that's my line baby don't

2475

01:53:45,350 --> 01:53:43,980

steal my lines okay I love you brother

2476

01:53:47,870 --> 01:53:45,360

I'll see you in a couple of days safe

2477

01:53:51,129 --> 01:53:47,880

travels all right thank you Jimmy

2478

01:53:53,629 --> 01:53:51,139

Scott Walter the absolute very best

2479

01:53:55,729 --> 01:53:53,639

conscious life Expo the links are below

2480

01:53:58,729 --> 01:53:55,739

you can head over there also I'm going

2481

01:54:00,590 --> 01:53:58,739

to have my luncheon on Sunday the

2482

01:54:02,990 --> 01:54:00,600

disclosure luncheon I think there's just

2483

01:54:04,250 --> 01:54:03,000

a few tickets left for that so if you

2484

01:54:06,770 --> 01:54:04,260

would like to come and hang out with me

2485

01:54:08,689 --> 01:54:06,780

I'm going to pick somebody maybe two to

2486

01:54:11,209 --> 01:54:08,699

come out of the audience and sit at my

2487

01:54:13,430 --> 01:54:11,219

table up on the stage all right so all

2488

01:54:16,129 --> 01:54:13,440

of that is available below

2489

01:54:19,250 --> 01:54:16,139

I'm your old Jimmy church this has been

2490

01:54:22,189 --> 01:54:19,260

another great conversation with Scott

2491

01:54:25,490 --> 01:54:22,199

Walter and uh there you go I've got a

2492

01:54:28,010 --> 01:54:25,500

very strange week coming up on uh Fade

2493

01:54:30,890 --> 01:54:28,020

to Black so everybody just uh lived with

2494

01:54:33,770 --> 01:54:30,900

that and I will see everybody here

2495

01:54:36,649 --> 01:54:33,780

tomorrow night all right I things are in

2496

01:54:38,510 --> 01:54:36,659

flux right now you'll see tomorrow Fade

2497

01:54:39,410 --> 01:54:38,520

to Black is produced by Hill J palm and

2498

01:54:41,330 --> 01:54:39,420

Renee

2499

01:54:43,490 --> 01:54:41,340

thank you to Dennis and Kevin what

2500

01:54:45,250 --> 01:54:43,500

Master is Drew the geek music Doug

2501

01:54:47,870 --> 01:54:45,260

Aldrich intro space boys

2502

01:54:49,729 --> 01:54:47,880

spaceboymusic.com fade to black is

2503

01:54:51,950 --> 01:54:49,739

produced by kjcr for the game changer

2504

01:54:54,290 --> 01:54:51,960

Network this broadcast is owned and

2505

01:54:56,330 --> 01:54:54,300

copyrighted 2023 by Fade to Black and

2506

01:54:58,189 --> 01:54:56,340

The Game Changer networking it cannot be

2507

01:54:59,930 --> 01:54:58,199

rebroadcast download a copy they're used

2508

01:55:01,669 --> 01:54:59,940

anywhere in the known universe without

2509

01:55:03,050 --> 01:55:01,679

written permission from Fade to Black in

2510

01:55:05,149 --> 01:55:03,060

the game changer Network I'm here at

2511

01:55:07,189 --> 01:55:05,159

Sydney church until tomorrow night I
