

# FADE TO BLACK

with JIMMY CHURCH

PRESENTS

## ISMAEL PEREZ

OUR COSMIC ORIGIN

TUE FEB 14 **LIVE**

7:00 PM PT/10:00PM ET

1  
00:00:06,660 --> 00:00:13,720  
foreign

2  
00:00:45,290 --> 00:00:33,690  
[Music]

3  
00:00:49,130 --> 00:00:45,300  
I occasionally think how quickly our

4  
00:00:51,709 --> 00:00:49,140  
differences worldwide would vanish if we

5  
00:00:52,740 --> 00:00:51,719  
were facing an alien threat from outside

6  
00:00:54,520 --> 00:00:52,750  
this work

7  
00:00:54,730 --> 00:00:54,530  
[Music]

8  
00:00:57,069 --> 00:00:54,740  
[Applause]

9  
00:01:00,049 --> 00:00:57,079  
[Music]

10  
00:01:02,869 --> 00:01:00,059  
this is Fade to Black with your host

11  
00:01:03,500 --> 00:01:02,879  
Jimmy Church on the game changer Radio

12  
00:01:07,030 --> 00:01:03,510  
Network

13  
00:01:14,630 --> 00:01:11,270

all right good evening Fade to Black

14

00:01:19,850 --> 00:01:14,640

how you doing today is Tuesday February

15

00:01:22,190 --> 00:01:19,860

14 2023 Happy Valentine's Day everybody

16

00:01:26,270 --> 00:01:22,200

tonight

17

00:01:29,630 --> 00:01:26,280

Our Guest is Ishmael Perez and we are

18

00:01:31,969 --> 00:01:29,640

going to discuss our Cosmic origin which

19

00:01:33,830 --> 00:01:31,979

is the time I'm holding it up here the

20

00:01:36,890 --> 00:01:33,840

title of his new book I've been reading

21

00:01:39,649 --> 00:01:36,900

it it is a fantastic read uh the links

22

00:01:42,170 --> 00:01:39,659

for it uh I've got it in social media

23

00:01:43,969 --> 00:01:42,180

and it's in our description and and all

24

00:01:46,370 --> 00:01:43,979

of that stuff you can chase that down

25

00:01:49,850 --> 00:01:46,380

and also we've got his Instagram up

26

00:01:52,730 --> 00:01:49,860

there too as well Ishmael

27

00:01:56,090 --> 00:01:52,740

um before I get into well I'm going to

28

00:01:59,090 --> 00:01:56,100

not do a huge long bio read uh for

29

00:02:00,670 --> 00:01:59,100

Ishmael uh because I want to say this a

30

00:02:03,249 --> 00:02:00,680

few months ago

31

00:02:06,770 --> 00:02:03,259

Ishmael called into the show

32

00:02:09,010 --> 00:02:06,780

and that night I didn't you know just

33

00:02:11,570 --> 00:02:09,020

just called in fate or not

34

00:02:13,670 --> 00:02:11,580

and spoke to me at that time about

35

00:02:16,010 --> 00:02:13,680

Atlantis and a couple of other things

36

00:02:18,830 --> 00:02:16,020

but it was a very interesting phone call

37

00:02:21,530 --> 00:02:18,840

and after that I was watching the chat

38

00:02:23,330 --> 00:02:21,540

and of course my uh reaction to the

39

00:02:25,309 --> 00:02:23,340

phone call was like man

40

00:02:28,610 --> 00:02:25,319

that's somebody we need to get on this

41

00:02:31,550 --> 00:02:28,620

show and he reached out to me after that

42

00:02:33,890 --> 00:02:31,560

um but the point being this weekend was

43

00:02:36,949 --> 00:02:33,900

the conscious life Expo and I'm walking

44

00:02:40,430 --> 00:02:36,959

through and Ishmael comes up and and and

45

00:02:42,050 --> 00:02:40,440

we meet in in person

46

00:02:45,350 --> 00:02:42,060

um and here was the shocking thing

47

00:02:47,809 --> 00:02:45,360

here's the intro so Ishmael says you

48

00:02:49,670 --> 00:02:47,819

know I'm busy I'm a busy guy at

49

00:02:52,250 --> 00:02:49,680

conscious life hacks Bob he says man I'm

50

00:02:54,949 --> 00:02:52,260

speaking tomorrow one o'clock you've got

51  
00:02:56,930 --> 00:02:54,959  
to come and check me out and I didn't

52  
00:02:59,030 --> 00:02:56,940  
know my schedule at that time I we we

53  
00:03:00,770 --> 00:02:59,040  
meet up again I look at my schedule

54  
00:03:04,190 --> 00:03:00,780  
squeeze it in

55  
00:03:05,449 --> 00:03:04,200  
and and I walked down and I see this

56  
00:03:08,089 --> 00:03:05,459  
line

57  
00:03:10,250 --> 00:03:08,099  
it's like holy crap you know what's

58  
00:03:11,690 --> 00:03:10,260  
going on I went up to the back of the

59  
00:03:12,949 --> 00:03:11,700  
line and said what are you guys here for

60  
00:03:15,890 --> 00:03:12,959  
Ishmael

61  
00:03:19,449 --> 00:03:15,900  
what all right I looked down I was like

62  
00:03:22,670 --> 00:03:19,459  
what and I walked past everybody

63  
00:03:24,530 --> 00:03:22,680

uh being obnoxious you know my ego

64

00:03:27,110 --> 00:03:24,540

coming into play and I just walked past

65

00:03:29,690 --> 00:03:27,120

everybody and I you know walk into that

66

00:03:32,449 --> 00:03:29,700

I was like oh my the room was already

67

00:03:34,729 --> 00:03:32,459

packed and there was another 100 people

68

00:03:36,830 --> 00:03:34,739

trying to get in and they were about to

69

00:03:38,630 --> 00:03:36,840

be very upset but anyway

70

00:03:42,949 --> 00:03:38,640

here's the deal

71

00:03:44,990 --> 00:03:42,959

the excitement and everybody uh that was

72

00:03:47,750 --> 00:03:45,000

there that has probably read the book

73

00:03:50,570 --> 00:03:47,760

and has been following Ishmael was very

74

00:03:53,930 --> 00:03:50,580

excited uh to see and hear him speak and

75

00:03:55,430 --> 00:03:53,940

I was able to do a brief introduction uh

76

00:03:57,110 --> 00:03:55,440

for him there which I didn't expect to

77

00:03:59,509 --> 00:03:57,120

do we did that got that out of the way

78

00:04:02,210 --> 00:03:59,519

and announced to everybody that he was

79

00:04:06,050 --> 00:04:02,220

going to be on the show tonight and for

80

00:04:08,869 --> 00:04:06,060

those that were in the hallway that

81

00:04:12,470 --> 00:04:08,879

couldn't get in are probably here

82

00:04:15,530 --> 00:04:12,480

tonight he is the author of our Cosmic

83

00:04:18,110 --> 00:04:15,540

origin I've got it here and in this

84

00:04:23,090 --> 00:04:18,120

bookkeeper poses the idea of Mankind's

85

00:04:24,409 --> 00:04:23,100

origin uh was Cosmic and the the book is

86

00:04:26,450 --> 00:04:24,419

a great read we're going to go through

87

00:04:28,730 --> 00:04:26,460

parts of that tonight

88

00:04:30,890 --> 00:04:28,740

um but it's also a very telling book

89

00:04:33,290 --> 00:04:30,900

it's an intense book it's a strong book

90

00:04:36,710 --> 00:04:33,300

and it's got a lot of information in

91

00:04:40,610 --> 00:04:36,720

there and everybody's going to enjoy

92

00:04:42,350 --> 00:04:40,620

reading it with all all of that I'm

93

00:04:43,550 --> 00:04:42,360

gonna get straight to it and I'm gonna

94

00:04:46,310 --> 00:04:43,560

say

95

00:04:48,830 --> 00:04:46,320

Fade to Black welcomes Ishmael Perez

96

00:04:50,749 --> 00:04:48,840

there he is Ishmael

97

00:04:52,969 --> 00:04:50,759

how you doing my friend oh I've got you

98

00:04:55,969 --> 00:04:52,979

muted I muted you I muted you now you

99

00:04:58,370 --> 00:04:55,979

can do all of that over again okay how

100

00:05:01,430 --> 00:04:58,380

you doing Jimmy man how you doing that's

101

00:05:04,730 --> 00:05:01,440

the thing oh man I am just uh on fire

102

00:05:06,469 --> 00:05:04,740

right now I love the Expo meeting a lot

103

00:05:08,950 --> 00:05:06,479

of interesting people that are all part

104

00:05:11,030 --> 00:05:08,960

of this Awakening movement it's just

105

00:05:14,390 --> 00:05:11,040

electrifying I mean I'm still buzzing

106

00:05:16,490 --> 00:05:14,400

from the uh the effects of all the high

107

00:05:19,310 --> 00:05:16,500

vibing people that were there it was

108

00:05:22,010 --> 00:05:19,320

beautiful brother yeah yeah yeah totally

109

00:05:25,570 --> 00:05:22,020

totally totally now uh uh before we get

110

00:05:28,610 --> 00:05:25,580

started you get the First Time guest

111

00:05:31,189 --> 00:05:28,620

disclaimer okay so let's get that out of

112

00:05:33,170 --> 00:05:31,199

the way which is Ishmael it's just you

113

00:05:35,029 --> 00:05:33,180

and I sitting on my couch having a

114

00:05:36,650 --> 00:05:35,039

conversation as friends when the

115

00:05:39,290 --> 00:05:36,660

conversation starts it starts where it

116

00:05:42,890 --> 00:05:39,300

ends and ends but Morgan and his friends

117

00:05:45,070 --> 00:05:42,900

there you go all right accepted accepted

118

00:05:48,350 --> 00:05:45,080

do the check box

119

00:05:52,310 --> 00:05:48,360

that works for me the next I I already

120

00:05:54,050 --> 00:05:52,320

know uh before we get started after uh

121

00:05:55,909 --> 00:05:54,060

reading much of the book now I just got

122

00:05:58,909 --> 00:05:55,919

back from conscious life I have not been

123

00:06:01,610 --> 00:05:58,919

able to put the book down

124

00:06:03,650 --> 00:06:01,620

um it's uh it's a fantastic read and I

125

00:06:06,409 --> 00:06:03,660

already know that you're going to do a

126  
00:06:08,210 --> 00:06:06,419  
few shows with us so we can do deeper

127  
00:06:11,029 --> 00:06:08,220  
dives into different sections of the

128  
00:06:13,850 --> 00:06:11,039  
book okay so we'll do what we can

129  
00:06:15,830 --> 00:06:13,860  
tonight in this first show

130  
00:06:19,249 --> 00:06:15,840  
um now

131  
00:06:24,650 --> 00:06:19,259  
I'm going to start with the obvious all

132  
00:06:32,029 --> 00:06:29,270  
you're in shape you're tall you're

133  
00:06:35,330 --> 00:06:32,039  
um uh you take care of yourself you've

134  
00:06:38,210 --> 00:06:35,340  
got uh a physique that you know people

135  
00:06:39,950 --> 00:06:38,220  
like me men like me can only dream about

136  
00:06:47,450 --> 00:06:39,960  
but

137  
00:06:50,570 --> 00:06:47,460  
secret agent-ish all right you almost

138  
00:06:53,150 --> 00:06:50,580

look fed and and so you've got this look

139

00:06:55,550 --> 00:06:53,160

but when people are walking down the

140

00:06:57,890 --> 00:06:55,560

street Ishmael and they see you

141

00:07:00,529 --> 00:06:57,900

they don't see somebody that's writing

142

00:07:02,150 --> 00:07:00,539

books like this that's not the are you

143

00:07:05,090 --> 00:07:02,160

aware of that

144

00:07:06,650 --> 00:07:05,100

very much so uh yeah for the most part

145

00:07:10,550 --> 00:07:06,660

the impression they get when they meet

146

00:07:12,770 --> 00:07:10,560

me is are you a fitness trainer right or

147

00:07:14,390 --> 00:07:12,780

they say are you an actor you look like

148

00:07:16,129 --> 00:07:14,400

one of those Hollywood actors and I'm

149

00:07:18,770 --> 00:07:16,139

like nope

150

00:07:20,629 --> 00:07:18,780

so you know nobody really knows that um

151

00:07:22,129 --> 00:07:20,639

I have a thing for knowledge that I've

152

00:07:25,909 --> 00:07:22,139

been you know not only doing research

153

00:07:28,790 --> 00:07:25,919

for many many years but also um I am a

154

00:07:31,969 --> 00:07:28,800

galactic Ambassador who uh gets

155

00:07:34,629 --> 00:07:31,979

Transmissions from uh Galactic beans

156

00:07:36,830 --> 00:07:34,639

um uh particularly from uh the

157

00:07:37,969 --> 00:07:36,840

interstellar group known as the Galactic

158

00:07:40,189 --> 00:07:37,979

Federation

159

00:07:43,129 --> 00:07:40,199

um and so nobody really knows that about

160

00:07:44,809 --> 00:07:43,139

me they don't know about my my Cosmic

161

00:07:46,909 --> 00:07:44,819

ambassadorship to the Earth you know

162

00:07:50,089 --> 00:07:46,919

most of the time people just assume that

163

00:07:53,089 --> 00:07:50,099

I'm some sort of fitness trainer or I'm

164

00:07:56,089 --> 00:07:53,099

you know a model or whatever and you

165

00:07:58,790 --> 00:07:56,099

know I guess uh I I take it as a

166

00:08:00,290 --> 00:07:58,800

compliment but you know when the thing

167

00:08:01,850 --> 00:08:00,300

about that Jimmy is that when people

168

00:08:03,469 --> 00:08:01,860

assume that you're either a fitness

169

00:08:04,969 --> 00:08:03,479

trainer or a model

170

00:08:06,710 --> 00:08:04,979

you know what goes with that right they

171

00:08:10,249 --> 00:08:06,720

think you're an airhead yeah yeah you

172

00:08:12,409 --> 00:08:10,259

don't have a brain and now I'm so glad

173

00:08:14,510 --> 00:08:12,419

you pointed that out now you said uh you

174

00:08:17,570 --> 00:08:14,520

know Galactic Federation a few times now

175

00:08:22,010 --> 00:08:17,580

I don't although it is mentioned in the

176  
00:08:24,110 --> 00:08:22,020  
book yes but what what what I think the

177  
00:08:26,570 --> 00:08:24,120  
book is about and we'll get into all of

178  
00:08:28,909 --> 00:08:26,580  
this tonight but I would love to get

179  
00:08:30,589 --> 00:08:28,919  
your reaction to this I think the book

180  
00:08:33,230 --> 00:08:30,599  
is about science

181  
00:08:35,690 --> 00:08:33,240  
it's it's Consciousness it's our past

182  
00:08:39,110 --> 00:08:35,700  
and and that and where we are and and

183  
00:08:42,110 --> 00:08:39,120  
who we are and how do we get it yes but

184  
00:08:43,490 --> 00:08:42,120  
your focus comes back like every other

185  
00:08:47,210 --> 00:08:43,500  
paragraph

186  
00:08:50,930 --> 00:08:47,220  
into science and what science is doing

187  
00:08:53,570 --> 00:08:50,940  
today to help support our past and where

188  
00:08:56,389 --> 00:08:53,580

we are right now and that's very that's

189

00:08:58,430 --> 00:08:56,399

not an airhead my man that's not that's

190

00:09:00,050 --> 00:08:58,440

that's not

191

00:09:01,670 --> 00:09:00,060

well I'm just assuming you know that's

192

00:09:03,110 --> 00:09:01,680

what they think when they see me based

193

00:09:05,810 --> 00:09:03,120

on my appearance but then they when they

194

00:09:08,509 --> 00:09:05,820

get to talk to me they're like whoa you

195

00:09:10,070 --> 00:09:08,519

are highly intelligent sir you know uh

196

00:09:11,570 --> 00:09:10,080

little do they know that I've been you

197

00:09:13,190 --> 00:09:11,580

know reading that I've been doing

198

00:09:16,370 --> 00:09:13,200

research for many years

199

00:09:17,690 --> 00:09:16,380

um and read over maybe 2 000 books in my

200

00:09:19,430 --> 00:09:17,700

whole life

201  
00:09:21,470 --> 00:09:19,440  
um I've been addicted to knowledge Jimmy

202  
00:09:23,870 --> 00:09:21,480  
ever since I was 16 years old and yes

203  
00:09:25,730 --> 00:09:23,880  
you're right it is a book that uh

204  
00:09:28,490 --> 00:09:25,740  
integrates ancient metaphysical

205  
00:09:30,590 --> 00:09:28,500  
knowledge with cutting-edge science to

206  
00:09:32,170 --> 00:09:30,600  
give a perspective about a greater

207  
00:09:34,850 --> 00:09:32,180  
understanding about our existence

208  
00:09:36,470 --> 00:09:34,860  
because you know it appears that uh

209  
00:09:40,009 --> 00:09:36,480  
everything they teach us you know the

210  
00:09:41,990 --> 00:09:40,019  
two major fear predominant theories that

211  
00:09:44,690 --> 00:09:42,000  
that I would say the majority of the

212  
00:09:46,670 --> 00:09:44,700  
humans are taught is comes from school

213  
00:09:49,850 --> 00:09:46,680

which is darwinian evolution which is

214

00:09:51,230 --> 00:09:49,860

very inaccurate and very false and of

215

00:09:53,630 --> 00:09:51,240

course you know

216

00:09:56,449 --> 00:09:53,640

um the religious teachings of creation

217

00:09:58,790 --> 00:09:56,459

by this guy who sits on the cloud and

218

00:10:01,370 --> 00:09:58,800

only and has you know created did

219

00:10:03,110 --> 00:10:01,380

everything in seven thousand years and

220

00:10:04,550 --> 00:10:03,120

you know for seven thousand years we've

221

00:10:06,650 --> 00:10:04,560

been on this Earth and that's that and

222

00:10:10,130 --> 00:10:06,660

you can't question anything else so it

223

00:10:11,630 --> 00:10:10,140

seems like you know we we are um in a

224

00:10:13,970 --> 00:10:11,640

way the majority of humans have been

225

00:10:16,430 --> 00:10:13,980

kind of been brainwashed I guess you

226

00:10:18,650 --> 00:10:16,440

know to just put it lightly and so what

227

00:10:22,550 --> 00:10:18,660

I do in that book is I pretty much just

228

00:10:24,829 --> 00:10:22,560

you know I break the iceberg man I I

229

00:10:27,350 --> 00:10:24,839

kind of just tell it how it is you know

230

00:10:29,269 --> 00:10:27,360

um and a lot of that evidence does come

231

00:10:31,070 --> 00:10:29,279

from you know Quantum science

232

00:10:32,870 --> 00:10:31,080

um I'll thank God for quantum physics I

233

00:10:34,790 --> 00:10:32,880

mean ever since quantum physics came

234

00:10:37,790 --> 00:10:34,800

into the picture you know since the

235

00:10:39,350 --> 00:10:37,800

1920s I mean of course you know um it

236

00:10:42,470 --> 00:10:39,360

was one of those things where a lot of

237

00:10:44,329 --> 00:10:42,480

the scientists were trying to um debunk

238

00:10:47,150 --> 00:10:44,339

quantum physics but as they did more

239

00:10:48,949 --> 00:10:47,160

experiments Jimmy it quantum physics

240

00:10:50,750 --> 00:10:48,959

proved to be real I mean you know

241

00:10:52,910 --> 00:10:50,760

there's you can't really deny the

242

00:10:56,630 --> 00:10:52,920

evidence you know so quantum physics is

243

00:10:58,550 --> 00:10:56,640

really the Avenue of science that has

244

00:11:00,470 --> 00:10:58,560

pretty much

245

00:11:03,050 --> 00:11:00,480

bridge the gap between ancient

246

00:11:05,509 --> 00:11:03,060

metaphysical knowledge a a knowledge

247

00:11:07,009 --> 00:11:05,519

that was once suppressed by the people

248

00:11:09,889 --> 00:11:07,019

who took over the Affairs of this world

249

00:11:12,350 --> 00:11:09,899

and it's now coming forward for a very

250

00:11:16,069 --> 00:11:12,360

particular reason you know we are living

251  
00:11:19,490 --> 00:11:16,079  
in very very presidential presidential

252  
00:11:21,470 --> 00:11:19,500  
times very crucial times prophetic

253  
00:11:23,750 --> 00:11:21,480  
uh whatever you want to call it you know

254  
00:11:26,750 --> 00:11:23,760  
we're in the cusp of of transitioning

255  
00:11:29,590 --> 00:11:26,760  
from one age to another world age and so

256  
00:11:32,030 --> 00:11:29,600  
that explains why all this information

257  
00:11:34,069 --> 00:11:32,040  
that was once suppressed for thousands

258  
00:11:36,530 --> 00:11:34,079  
of years is now coming back into the

259  
00:11:38,030 --> 00:11:36,540  
Limelight you know it's just sad that

260  
00:11:40,310 --> 00:11:38,040  
for the majority of humans you know

261  
00:11:44,509 --> 00:11:40,320  
they're still kind of just programmed

262  
00:11:47,329 --> 00:11:44,519  
and brainwashed by CNN ABC and and what

263  
00:11:48,889 --> 00:11:47,339

you know their religious belief systems

264

00:11:50,750 --> 00:11:48,899

that they're still in that box where

265

00:11:53,990 --> 00:11:50,760

they don't want to you know really

266

00:11:55,310 --> 00:11:54,000

accept what's beyond the box and so in a

267

00:11:58,509 --> 00:11:55,320

way you know they're kind of stuck in

268

00:12:05,329 --> 00:12:01,069

I think that is such a valuable point

269

00:12:09,350 --> 00:12:05,339

one of the things that uh I cannot get

270

00:12:12,050 --> 00:12:09,360

away from uh which which drives my life

271

00:12:16,009 --> 00:12:12,060

and drives this show and I think in turn

272

00:12:19,850 --> 00:12:16,019

drives the community is that I'm all

273

00:12:22,790 --> 00:12:19,860

into the woo I am man I love the woo

274

00:12:24,410 --> 00:12:22,800

whatever you want to Define underneath

275

00:12:27,650 --> 00:12:24,420

that I don't care if it's crop circles

276

00:12:29,650 --> 00:12:27,660

life after death Consciousness

277

00:12:33,889 --> 00:12:29,660

ET visitations

278

00:12:38,630 --> 00:12:33,899

Bigfoot right and and and Beyond right

279

00:12:42,769 --> 00:12:38,640

I'm into the woo and then it drives me

280

00:12:46,129 --> 00:12:42,779

the more information that I I gather it

281

00:12:48,949 --> 00:12:46,139

drives me to the science which I'm also

282

00:12:51,889 --> 00:12:48,959

fascinated with and I study and the more

283

00:12:54,590 --> 00:12:51,899

that I look at the sciences and what

284

00:12:58,850 --> 00:12:54,600

they are saying and trying to get us to

285

00:13:03,230 --> 00:12:58,860

accept they are talking about the woo

286

00:13:07,490 --> 00:13:03,240

right and the the two the two are going

287

00:13:10,790 --> 00:13:07,500

to Collide and that's what your book is

288

00:13:13,550 --> 00:13:10,800

about and and I'm reading I'm like he he

289

00:13:16,129 --> 00:13:13,560

he he gets it he gets it and you lay it

290

00:13:18,889 --> 00:13:16,139

out you lay it out really well it's it's

291

00:13:21,230 --> 00:13:18,899

it's well written and and so forth and

292

00:13:23,990 --> 00:13:21,240

you you

293

00:13:26,870 --> 00:13:24,000

um you do what is needed the The

294

00:13:28,550 --> 00:13:26,880

Sciences out there need to read stuff

295

00:13:30,650 --> 00:13:28,560

like this and understand that we're not

296

00:13:33,769 --> 00:13:30,660

going to bite their heads off we need

297

00:13:36,410 --> 00:13:33,779

each other right the Ancients knew this

298

00:13:38,990 --> 00:13:36,420

stuff a long time ago we've got a gap in

299

00:13:41,629 --> 00:13:39,000

the middle and we need to work together

300

00:13:44,810 --> 00:13:41,639

on this and our community is the same

301

00:13:47,509 --> 00:13:44,820

way right we need to go and get the

302

00:13:49,069 --> 00:13:47,519

stuff Blended together and that's it and

303

00:13:51,829 --> 00:13:49,079

that's where we are today at this point

304

00:13:54,110 --> 00:13:51,839

in history right absolutely and that's

305

00:13:57,290 --> 00:13:54,120

what I did in that book is I bridge the

306

00:13:58,850 --> 00:13:57,300

gap between cutting-edge physics with

307

00:14:01,190 --> 00:13:58,860

all the evidence not only coming from

308

00:14:03,710 --> 00:14:01,200

the Avenues of quantum physics and

309

00:14:05,870 --> 00:14:03,720

Theory unified field physics but also

310

00:14:07,970 --> 00:14:05,880

through the Avenues of archaeological

311

00:14:10,009 --> 00:14:07,980

relics that have been Unearthed within

312

00:14:12,290 --> 00:14:10,019

the last 30 years which by the way have

313

00:14:13,970 --> 00:14:12,300

also been suppressed by the established

314

00:14:15,710 --> 00:14:13,980

Academia who is controlled by you know

315

00:14:17,750 --> 00:14:15,720

who can I say the word cabal here or

316

00:14:19,870 --> 00:14:17,760

deep State you can do whatever you want

317

00:14:23,569 --> 00:14:19,880

I just want to make sure by the cabal

318

00:14:26,690 --> 00:14:23,579

and so what I do in that book is it's I

319

00:14:28,670 --> 00:14:26,700

bring in all this evidence while

320

00:14:31,310 --> 00:14:28,680

and I integrate it with ancient

321

00:14:33,710 --> 00:14:31,320

metaphysical knowledge in order to

322

00:14:36,230 --> 00:14:33,720

explain the bigger picture Earth's place

323

00:14:38,870 --> 00:14:36,240

in the Multiverse for once yes we do

324

00:14:41,030 --> 00:14:38,880

live in a Multiverse uh and it's been

325

00:14:43,189 --> 00:14:41,040

and this has now been proven over and

326

00:14:44,930 --> 00:14:43,199

over uh through Quantum science that

327

00:14:47,509 --> 00:14:44,940

we're not just one universe that our

328

00:14:49,490 --> 00:14:47,519

universe is part of many universes but

329

00:14:52,250 --> 00:14:49,500

also that there's other dimensions

330

00:14:54,650 --> 00:14:52,260

and so it's it's an attempt Jimmy to

331

00:14:58,129 --> 00:14:54,660

pretty much explain the bigger picture

332

00:14:59,990 --> 00:14:58,139

and Earth's relationship to the galactic

333

00:15:01,810 --> 00:15:00,000

community and of course to the greater

334

00:15:05,569 --> 00:15:01,820

Cosmic community

335

00:15:07,790 --> 00:15:05,579

here we're going to go backwards in just

336

00:15:10,670 --> 00:15:07,800

a second I want to talk about you the

337

00:15:14,629 --> 00:15:10,680

younger version of you uh and so we'll

338

00:15:17,090 --> 00:15:14,639

Circle back to that but here's the thing

339

00:15:18,889 --> 00:15:17,100

and I will continue to drive this point

340

00:15:20,750 --> 00:15:18,899

home and he pointed out pretty well in

341

00:15:23,290 --> 00:15:20,760

the book oh if I'm going to throw you

342

00:15:27,110 --> 00:15:23,300

under the bus on one point on the book

343

00:15:30,050 --> 00:15:27,120

which you raise a fantastic point but

344

00:15:31,750 --> 00:15:30,060

your numbers are too low all right so

345

00:15:35,269 --> 00:15:31,760

you point out in the book

346

00:15:37,730 --> 00:15:35,279

it's elegant how you do it

347

00:15:39,769 --> 00:15:37,740

you point out that there are millions of

348

00:15:41,990 --> 00:15:39,779

planets and how you get there you know

349

00:15:44,629 --> 00:15:42,000

how you get to your numbers in in just

350

00:15:47,329 --> 00:15:44,639

our Milky Way alone and what supports

351  
00:15:48,650 --> 00:15:47,339  
you know intelligence uh life and so

352  
00:15:51,170 --> 00:15:48,660  
forth

353  
00:15:53,150 --> 00:15:51,180  
um but that number is too low well

354  
00:15:54,829 --> 00:15:53,160  
there's a reason why it's too low but

355  
00:15:57,290 --> 00:15:54,839  
but let me know but let me finish and

356  
00:15:59,889 --> 00:15:57,300  
then I'll get to my point though

357  
00:16:03,310 --> 00:15:59,899  
um that it's actually it's it's it's

358  
00:16:07,189 --> 00:16:03,320  
billions maybe to the infinite

359  
00:16:10,550 --> 00:16:07,199  
just in our Milky Way right totally

360  
00:16:13,129 --> 00:16:10,560  
therefore right the amount of

361  
00:16:16,970 --> 00:16:13,139  
intelligent life out there

362  
00:16:20,230 --> 00:16:16,980  
um is a number that we don't quite wrap

363  
00:16:22,610 --> 00:16:20,240

our head around and so they

364

00:16:25,850 --> 00:16:22,620

communicate they have to they understand

365

00:16:30,170 --> 00:16:25,860

who who is what and and they know where

366

00:16:32,750 --> 00:16:30,180

we are in that position right so there

367

00:16:35,389 --> 00:16:32,760

would have to be some kind of federation

368

00:16:38,689 --> 00:16:35,399

they're probably trading trading Goods

369

00:16:41,389 --> 00:16:38,699

Interstellar travel vacation spots you

370

00:16:43,129 --> 00:16:41,399

know all of that stuff is going on

371

00:16:46,370 --> 00:16:43,139

um and it's it's just a numbers game

372

00:16:48,470 --> 00:16:46,380

Ishmael and that's what you point out in

373

00:16:50,689 --> 00:16:48,480

here and you do it really well

374

00:16:53,090 --> 00:16:50,699

thank you thank you and you're right uh

375

00:16:54,949 --> 00:16:53,100

Jimmy just within the Milky Way

376

00:16:56,810 --> 00:16:54,959

um there are billions of Worlds but not

377

00:16:58,910 --> 00:16:56,820

all of them are inhabited

378

00:17:01,009 --> 00:16:58,920

um you know some of them are worlds that

379

00:17:03,829 --> 00:17:01,019

are still in a young a face where

380

00:17:06,829 --> 00:17:03,839

they're still uh kind of developing in

381

00:17:09,289 --> 00:17:06,839

order to Harbor intelligent life but

382

00:17:12,650 --> 00:17:09,299

within the Milky Way alone there are

383

00:17:15,470 --> 00:17:12,660

millions upon Millions upon Millions

384

00:17:16,850 --> 00:17:15,480

um of civilizations that are already at

385

00:17:19,189 --> 00:17:16,860

the level of type 1 which is

386

00:17:21,949 --> 00:17:19,199

interplanetary and type 2 which is

387

00:17:23,689 --> 00:17:21,959

Interstellar which means that yes of

388

00:17:25,669 --> 00:17:23,699

course there has to be a Federation of

389

00:17:29,150 --> 00:17:25,679

some kind you know we're considered type

390

00:17:30,950 --> 00:17:29,160

zero well technically now we're like 0.9

391

00:17:34,010 --> 00:17:30,960

because we're about to transition into

392

00:17:36,409 --> 00:17:34,020

another word we might be 10 years away

393

00:17:39,350 --> 00:17:36,419

right well I mean we're like right there

394

00:17:43,010 --> 00:17:39,360

but yeah we're almost we're getting

395

00:17:45,110 --> 00:17:43,020

close for sure exactly exactly so yes

396

00:17:47,450 --> 00:17:45,120

you know just within the Milky Way but

397

00:17:49,190 --> 00:17:47,460

let's go beyond the Milky Way our local

398

00:17:50,930 --> 00:17:49,200

universe and the reason I say our local

399

00:17:53,150 --> 00:17:50,940

universe is out of respect to the fact

400

00:17:55,430 --> 00:17:53,160

that there are other universes just

401  
00:17:58,430 --> 00:17:55,440  
within our universe Jimmy there are

402  
00:18:00,650 --> 00:17:58,440  
billions of galaxies okay and imagine

403  
00:18:03,049 --> 00:18:00,660  
just within our universe how many

404  
00:18:05,029 --> 00:18:03,059  
civilizations exist now that's where the

405  
00:18:07,610 --> 00:18:05,039  
number gets into the trillions

406  
00:18:10,310 --> 00:18:07,620  
so you know many people's questions

407  
00:18:12,770 --> 00:18:10,320  
would would be like well okay so if

408  
00:18:14,390 --> 00:18:12,780  
there's life on all these uh of on on

409  
00:18:17,029 --> 00:18:14,400  
all these planets and in all these

410  
00:18:19,010 --> 00:18:17,039  
galaxies just within our universe why

411  
00:18:20,810 --> 00:18:19,020  
haven't they made contact with us right

412  
00:18:23,690 --> 00:18:20,820  
that's like the biggest question right

413  
00:18:27,110 --> 00:18:23,700

now and the answer to that question is

414

00:18:29,810 --> 00:18:27,120

they have but not not in front of the

415

00:18:30,529 --> 00:18:29,820

general public they do it you know

416

00:18:32,390 --> 00:18:30,539

um

417

00:18:34,190 --> 00:18:32,400

covertly they do it with certain

418

00:18:36,350 --> 00:18:34,200

government officials and they have been

419

00:18:38,510 --> 00:18:36,360

since the 1930s there has been

420

00:18:40,730 --> 00:18:38,520

collaborations within you know by

421

00:18:42,169 --> 00:18:40,740

governments well Shadow governments

422

00:18:43,730 --> 00:18:42,179

rather because we do have two types of

423

00:18:45,650 --> 00:18:43,740

governments we have the surface

424

00:18:47,630 --> 00:18:45,660

government right and then we have the

425

00:18:49,570 --> 00:18:47,640

shadow government so we could say that

426

00:18:52,190 --> 00:18:49,580

since the 1930s the shadow government

427

00:18:53,750 --> 00:18:52,200

has been working out deals with some of

428

00:18:56,090 --> 00:18:53,760

these Advanced civilizations some are

429

00:18:57,770 --> 00:18:56,100

nefarious and then some are benevolent

430

00:19:00,110 --> 00:18:57,780

because there are two forces out there

431

00:19:02,810 --> 00:19:00,120

right just how you have yeah just how

432

00:19:06,770 --> 00:19:02,820

you have benevolent positive ETS we also

433

00:19:09,350 --> 00:19:06,780

have malevolent uh negative et's and so

434

00:19:10,850 --> 00:19:09,360

um the whole point is this is that you

435

00:19:12,289 --> 00:19:10,860

know the good ones let's just call them

436

00:19:13,970 --> 00:19:12,299

the benevolent ETS those that are

437

00:19:15,350 --> 00:19:13,980

working within the federal that are part

438

00:19:17,750 --> 00:19:15,360

of the Federation which is an

439

00:19:21,710 --> 00:19:17,760

Interstellar Alliance of many Advanced

440

00:19:23,690 --> 00:19:21,720

worlds that prefer really uh like to

441

00:19:25,010 --> 00:19:23,700

live in peace and in cooperation with

442

00:19:27,529 --> 00:19:25,020

each other

443

00:19:30,110 --> 00:19:27,539

um they do abide by a what is known as a

444

00:19:33,350 --> 00:19:30,120

prime directive which means that they

445

00:19:36,409 --> 00:19:33,360

are not allowed to intervene openly

446

00:19:38,289 --> 00:19:36,419

on any world that is still consciously

447

00:19:41,270 --> 00:19:38,299

and culturally and technologically

448

00:19:45,650 --> 00:19:41,280

underdeveloped until they reach a level

449

00:19:48,770 --> 00:19:45,660

of development uh mainly consciously uh

450

00:19:50,990 --> 00:19:48,780

spiritual maturity and culturally and

451  
00:19:52,190 --> 00:19:51,000  
technologically in order for them to

452  
00:19:53,810 --> 00:19:52,200  
prepare

453  
00:19:57,110 --> 00:19:53,820  
um first contact with them which means

454  
00:19:58,789 --> 00:19:57,120  
that they would be eligible for

455  
00:20:01,010 --> 00:19:58,799  
um citizenship into the galactic

456  
00:20:03,470 --> 00:20:01,020  
Community but these are the these are

457  
00:20:05,750 --> 00:20:03,480  
these are the um the main reasons why

458  
00:20:07,310 --> 00:20:05,760  
they they haven't done that with us

459  
00:20:09,650 --> 00:20:07,320  
first of all we're still warning each

460  
00:20:11,090 --> 00:20:09,660  
other you know so in their eyes is like

461  
00:20:13,490 --> 00:20:11,100  
all right these guys are still very

462  
00:20:15,590 --> 00:20:13,500  
warlike they're fighting each other over

463  
00:20:17,210 --> 00:20:15,600

who's God is better than who's got you

464

00:20:19,130 --> 00:20:17,220

know other God they're fighting each

465

00:20:22,490 --> 00:20:19,140

other over which countries better than

466

00:20:24,590 --> 00:20:22,500

another country so they they see us as

467

00:20:26,150 --> 00:20:24,600

uh they've been seeing us as an immature

468

00:20:28,789 --> 00:20:26,160

race but it's really you know not us

469

00:20:31,669 --> 00:20:28,799

it's really the powers that be

470

00:20:33,890 --> 00:20:31,679

and so basically they have to follow

471

00:20:36,710 --> 00:20:33,900

protocol which means like they just

472

00:20:39,950 --> 00:20:36,720

can't openly intervene however they are

473

00:20:42,950 --> 00:20:39,960

allowed to to covertly influence things

474

00:20:44,870 --> 00:20:42,960

from behind the scenes and so one of the

475

00:20:47,150 --> 00:20:44,880

ways that they were able to influence

476  
00:20:48,950 --> 00:20:47,160  
things from behind the scenes is that

477  
00:20:51,409 --> 00:20:48,960  
there is this thing called this the

478  
00:20:54,169 --> 00:20:51,419  
Stargate Envoy program which began in

479  
00:20:56,029 --> 00:20:54,179  
the 1940s and 50s and there is a

480  
00:20:57,830 --> 00:20:56,039  
wonderful lady by the name of Dolores

481  
00:21:00,230 --> 00:20:57,840  
cannon that um spoke about this she

482  
00:21:02,450 --> 00:21:00,240  
talked about the the different waves of

483  
00:21:05,510 --> 00:21:02,460  
starseeds that have incarnated on the

484  
00:21:06,830 --> 00:21:05,520  
earth since the 50s and so now the next

485  
00:21:09,409 --> 00:21:06,840  
question would be well what is a

486  
00:21:12,110 --> 00:21:09,419  
starseed a starseed is an

487  
00:21:13,730 --> 00:21:12,120  
extraterrestrial Advanced Souls Advanced

488  
00:21:15,289 --> 00:21:13,740

soul that comes from a higher

489

00:21:17,210 --> 00:21:15,299

dimensional world because again we're

490

00:21:18,710 --> 00:21:17,220

dealing with other dimensions and most

491

00:21:21,890 --> 00:21:18,720

of these Interstellar and Galactic

492

00:21:23,450 --> 00:21:21,900

Civilizations do live and operate in

493

00:21:25,610 --> 00:21:23,460

higher Dimensions beyond the third

494

00:21:27,950 --> 00:21:25,620

dimension you know we're just kind of

495

00:21:29,450 --> 00:21:27,960

like in the in in terms of dimensions in

496

00:21:31,549 --> 00:21:29,460

like the spectrum of Dimensions we're

497

00:21:33,590 --> 00:21:31,559

like at the bottom you know our our

498

00:21:35,029 --> 00:21:33,600

entire galaxy and embodies up to 11

499

00:21:37,310 --> 00:21:35,039

dimensions and if you want to go up to

500

00:21:39,529 --> 00:21:37,320

the universe beyond our galaxy they the

501  
00:21:41,029 --> 00:21:39,539  
universe embodies up to 12 Dimensions so

502  
00:21:42,950 --> 00:21:41,039  
imagine all those civilizations that

503  
00:21:44,510 --> 00:21:42,960  
exist all the way to the 12th dimension

504  
00:21:46,669 --> 00:21:44,520  
of course they're highly spiritually

505  
00:21:48,529 --> 00:21:46,679  
Advanced and in some cases they would

506  
00:21:51,830 --> 00:21:48,539  
appear to us to be immortal and that

507  
00:21:54,770 --> 00:21:51,840  
explains why you know people worship you

508  
00:21:57,470 --> 00:21:54,780  
know uh when they do make an appearance

509  
00:22:00,230 --> 00:21:57,480  
in primitive roles it it seems like the

510  
00:22:02,149 --> 00:22:00,240  
indigenous races always seem to see him

511  
00:22:05,029 --> 00:22:02,159  
as gods and they're not Gods but going

512  
00:22:08,090 --> 00:22:05,039  
back to my point Jimmy the point is that

513  
00:22:11,810 --> 00:22:08,100

the starseed mission the envoy program

514

00:22:14,870 --> 00:22:11,820

was implemented to in order to bring

515

00:22:17,270 --> 00:22:14,880

forth Advanced souls to the planet and

516

00:22:18,950 --> 00:22:17,280

since the 50s the first waivers came

517

00:22:20,810 --> 00:22:18,960

into Incarnation they came into human

518

00:22:23,570 --> 00:22:20,820

form and that's how they do things they

519

00:22:26,390 --> 00:22:23,580

they embody they incarnate in human form

520

00:22:28,130 --> 00:22:26,400

in order to raise the vibration of the

521

00:22:30,110 --> 00:22:28,140

entire planet because even the planet is

522

00:22:32,570 --> 00:22:30,120

vibrating everything in existence is is

523

00:22:35,090 --> 00:22:32,580

alive and conscious and therefore

524

00:22:37,370 --> 00:22:35,100

vibrating uh just like how we are

525

00:22:39,649 --> 00:22:37,380

vibrating right or Aura right our Aura

526

00:22:41,510 --> 00:22:39,659

is the resonance that emanates from us

527

00:22:43,490 --> 00:22:41,520

well planets also have resonant fields

528

00:22:46,490 --> 00:22:43,500

and so due to the fact that they

529

00:22:48,350 --> 00:22:46,500

incarnate it in various ways they were

530

00:22:50,270 --> 00:22:48,360

able to bring the planet to the

531

00:22:53,270 --> 00:22:50,280

collective energy of the planet to a

532

00:22:55,490 --> 00:22:53,280

level uh where eventually they will get

533

00:22:57,529 --> 00:22:55,500

to the point where the planet would be

534

00:22:59,870 --> 00:22:57,539

ready for re-entry into the galactic

535

00:23:02,510 --> 00:22:59,880

community so they have to do it in that

536

00:23:04,190 --> 00:23:02,520

way they can't just openly intervene you

537

00:23:06,289 --> 00:23:04,200

know show up in these huge motherships

538

00:23:07,669 --> 00:23:06,299

and say all right guys here we are you

539

00:23:09,350 --> 00:23:07,679

know what I mean that would com

540

00:23:11,630 --> 00:23:09,360

especially when the majority of humans

541

00:23:13,610 --> 00:23:11,640

are still under these religious

542

00:23:15,770 --> 00:23:13,620

programmings and these boxes of belief

543

00:23:18,289 --> 00:23:15,780

systems I mean it would completely shock

544

00:23:20,990 --> 00:23:18,299

the masses so it's just to them it's

545

00:23:24,409 --> 00:23:21,000

it's more of a let's let's incarnate

546

00:23:27,409 --> 00:23:24,419

let's let's go into human form and you

547

00:23:29,690 --> 00:23:27,419

know bring forth information bring forth

548

00:23:32,149 --> 00:23:29,700

wisdom that would eventually reach

549

00:23:36,049 --> 00:23:32,159

critical mass until the majority of

550

00:23:38,330 --> 00:23:36,059

humans are ready to understand uh what

551  
00:23:42,049 --> 00:23:38,340  
space is you know Advanced Technologies

552  
00:23:44,029 --> 00:23:42,059  
free energy devices replicators portal

553  
00:23:45,590 --> 00:23:44,039  
Tech all that stuff so that's how they

554  
00:23:47,390 --> 00:23:45,600  
do it you know they they do it through

555  
00:23:49,250 --> 00:23:47,400  
through uh I don't want to call it

556  
00:23:50,930 --> 00:23:49,260  
infiltration because you know it's it's

557  
00:23:53,690 --> 00:23:50,940  
not really infiltrating but they

558  
00:23:56,090 --> 00:23:53,700  
incarnate in human form so what I'm

559  
00:23:58,610 --> 00:23:56,100  
trying to say is that by now we should

560  
00:24:01,190 --> 00:23:58,620  
have at least a million starseeds on the

561  
00:24:03,409 --> 00:24:01,200  
planet a million extraterrestrial souls

562  
00:24:05,330 --> 00:24:03,419  
in human form and that and considering

563  
00:24:07,610 --> 00:24:05,340

the 8 billion population of the Earth

564

00:24:09,890 --> 00:24:07,620

that's still a very small percentage but

565

00:24:11,570 --> 00:24:09,900

you know a lot of these starseeds know

566

00:24:13,310 --> 00:24:11,580

that they're not from this Earth and

567

00:24:15,470 --> 00:24:13,320

they're waking up and they're making a

568

00:24:16,850 --> 00:24:15,480

difference in fact the entire conscious

569

00:24:19,010 --> 00:24:16,860

life Expo

570

00:24:20,750 --> 00:24:19,020

was full of everyone there was a

571

00:24:22,730 --> 00:24:20,760

starseed and everyone there openly

572

00:24:25,310 --> 00:24:22,740

talked about where they were from well I

573

00:24:27,350 --> 00:24:25,320

am a Palladium well I am an arcturian I

574

00:24:29,450 --> 00:24:27,360

am an andromedan I come from the star

575

00:24:32,870 --> 00:24:29,460

system of Alpha Centauri and and and

576  
00:24:35,810 --> 00:24:32,880  
only within you know uh conventions like

577  
00:24:38,270 --> 00:24:35,820  
that where we the starseeds are able to

578  
00:24:39,950 --> 00:24:38,280  
openly freely talk about our

579  
00:24:41,870 --> 00:24:39,960  
extraterrestrial origin and where we

580  
00:24:43,610 --> 00:24:41,880  
come from because if I were to go to a

581  
00:24:46,549 --> 00:24:43,620  
local restaurant and tell the waitress

582  
00:24:48,770 --> 00:24:46,559  
uh I come from the star system of Lyra

583  
00:24:50,630 --> 00:24:48,780  
right from plant from the from the

584  
00:24:52,730 --> 00:24:50,640  
planet Avion which was destroyed in the

585  
00:24:54,770 --> 00:24:52,740  
galactic Wars she's going to look at me

586  
00:24:56,149 --> 00:24:54,780  
and think I'm weird or think that I'm

587  
00:24:58,310 --> 00:24:56,159  
you know this guy's watching too much

588  
00:25:00,169 --> 00:24:58,320

sci-fi but when we go to like spiritual

589

00:25:02,990 --> 00:25:00,179

conventions or at least conventions

590

00:25:05,870 --> 00:25:03,000

where people are awake where like-minded

591

00:25:07,310 --> 00:25:05,880

people go and mingle then we freely talk

592

00:25:09,710 --> 00:25:07,320

about this stuff and you know and that's

593

00:25:12,890 --> 00:25:09,720

why I love the conscious live expo well

594

00:25:15,289 --> 00:25:12,900

here's the thing uh I almost feel like

595

00:25:17,390 --> 00:25:15,299

uh debating you right now

596

00:25:20,210 --> 00:25:17,400

um in that in a good way and in the

597

00:25:23,049 --> 00:25:20,220

spirit in a nice way in that

598

00:25:26,149 --> 00:25:23,059

I'm not so sure if

599

00:25:28,730 --> 00:25:26,159

that is true anymore

600

00:25:31,970 --> 00:25:28,740

this weekend at the conscious life Expo

601  
00:25:35,210 --> 00:25:31,980  
as you know we shot down three objects

602  
00:25:37,370 --> 00:25:35,220  
with missiles over North America right

603  
00:25:39,890 --> 00:25:37,380  
that's that's crazy town right there

604  
00:25:43,610 --> 00:25:39,900  
missiles are flying over the United

605  
00:25:46,730 --> 00:25:43,620  
States and Canada that's crazy and then

606  
00:25:50,690 --> 00:25:46,740  
the statement today from a general at a

607  
00:25:52,190 --> 00:25:50,700  
press conference he goes I can't rule

608  
00:25:55,370 --> 00:25:52,200  
out aliens

609  
00:25:58,430 --> 00:25:55,380  
no and and did anybody freak out did

610  
00:26:01,130 --> 00:25:58,440  
anybody no it's like everybody's ready

611  
00:26:04,250 --> 00:26:01,140  
for the nothing surprises anybody

612  
00:26:06,830 --> 00:26:04,260  
anymore and they have a general say that

613  
00:26:08,930 --> 00:26:06,840

without any repercussions coming back

614

00:26:10,549 --> 00:26:08,940

and the White House Press Secretary

615

00:26:12,649 --> 00:26:10,559

saying look everybody wants to know if

616

00:26:15,649 --> 00:26:12,659

this is aliens right this is like what

617

00:26:18,230 --> 00:26:15,659

that's where we are today Ishmael it's

618

00:26:20,029 --> 00:26:18,240

it's a good time to be here and do you

619

00:26:22,610 --> 00:26:20,039

know why we're there because of the

620

00:26:24,409 --> 00:26:22,620

starseed mission that began in the 50s I

621

00:26:25,870 --> 00:26:24,419

think it's Fade to Black I think it's

622

00:26:28,370 --> 00:26:25,880

this

623

00:26:31,130 --> 00:26:28,380

shows like yours you know your show is

624

00:26:33,769 --> 00:26:31,140

sure sure

625

00:26:35,870 --> 00:26:33,779

um uh now I I I I I wanted to go

626

00:26:37,789 --> 00:26:35,880

backwards uh let's get that out of the

627

00:26:40,370 --> 00:26:37,799

way because there's way too much to

628

00:26:44,690 --> 00:26:40,380

discuss tonight

629

00:26:47,930 --> 00:26:44,700

um I know that uh you use starseed when

630

00:26:49,909 --> 00:26:47,940

describing yourself and you said that

631

00:26:52,010 --> 00:26:49,919

you started to do the Deep dive into

632

00:26:55,789 --> 00:26:52,020

science and and subject matter at the

633

00:26:59,570 --> 00:26:55,799

age of 16 did you have an interest in

634

00:27:02,510 --> 00:26:59,580

this or did something else happen uh

635

00:27:04,730 --> 00:27:02,520

when you were younger well to be quite

636

00:27:07,610 --> 00:27:04,740

Frank with you ever since I was about

637

00:27:08,930 --> 00:27:07,620

five years old Jimmy I felt like I

638

00:27:11,510 --> 00:27:08,940

didn't belong here like there was

639

00:27:14,510 --> 00:27:11,520

something different something that I

640

00:27:16,490 --> 00:27:14,520

didn't quite understand about this world

641

00:27:19,549 --> 00:27:16,500

um I felt different you know

642

00:27:21,049 --> 00:27:19,559

um I was also you had if you had arms

643

00:27:22,450 --> 00:27:21,059

like that

644

00:27:24,769 --> 00:27:22,460

yeah

645

00:27:27,350 --> 00:27:24,779

no no I didn't have arms like this when

646

00:27:29,390 --> 00:27:27,360

I was five but the whole point is all my

647

00:27:32,090 --> 00:27:29,400

life I knew I was different and it was

648

00:27:33,830 --> 00:27:32,100

very hard for me to fit in uh growing up

649

00:27:35,750 --> 00:27:33,840

for school you know

650

00:27:37,669 --> 00:27:35,760

um I was always like the kid the set in

651  
00:27:39,529 --> 00:27:37,679  
the back of the class and just looked up

652  
00:27:42,110 --> 00:27:39,539  
having visions but they thought I was

653  
00:27:44,269 --> 00:27:42,120  
just like spacing out so I I was a

654  
00:27:46,310 --> 00:27:44,279  
Visionary my whole life I I didn't

655  
00:27:48,289 --> 00:27:46,320  
discover that I had a thing for

656  
00:27:51,230 --> 00:27:48,299  
knowledge until the age of 16 when I

657  
00:27:53,090 --> 00:27:51,240  
went to uh study uh philosophy and

658  
00:27:56,210 --> 00:27:53,100  
political science uh the first book I've

659  
00:27:58,130 --> 00:27:56,220  
ever read was Plato's Republic which I

660  
00:28:00,890 --> 00:27:58,140  
completely understood it you know that's

661  
00:28:03,110 --> 00:28:00,900  
like a college University level textbook

662  
00:28:05,090 --> 00:28:03,120  
you know you don't read Plato's Republic

663  
00:28:08,390 --> 00:28:05,100

when you're 16 years old in high school

664

00:28:11,450 --> 00:28:08,400

and then I started studying Socrates and

665

00:28:13,730 --> 00:28:11,460

Pythagoras and so you know the the study

666

00:28:15,769 --> 00:28:13,740

of philosophy is what really got me into

667

00:28:18,289 --> 00:28:15,779

this path to be honest with you after I

668

00:28:20,930 --> 00:28:18,299

got into philosophy uh around the age of

669

00:28:23,090 --> 00:28:20,940

17 I read this book called secrets

670

00:28:24,950 --> 00:28:23,100

societies and that's when I learned

671

00:28:27,769 --> 00:28:24,960

about the cabal you know the secret

672

00:28:29,450 --> 00:28:27,779

society Network and how the world is

673

00:28:31,190 --> 00:28:29,460

being run and operated through these

674

00:28:34,970 --> 00:28:31,200

secret organizations

675

00:28:37,310 --> 00:28:34,980

and then um when I was about 21

676

00:28:39,769 --> 00:28:37,320

um I started getting Transmissions I

677

00:28:42,470 --> 00:28:39,779

started having visions information about

678

00:28:43,490 --> 00:28:42,480

how Star Wars really took place and I

679

00:28:46,610 --> 00:28:43,500

know people are like wait a minute

680

00:28:48,110 --> 00:28:46,620

you're telling me that George Lucas was

681

00:28:51,169 --> 00:28:48,120

telling us the truth when he wrote Star

682

00:28:54,110 --> 00:28:51,179

Wars yeah exactly Star Wars the galactic

683

00:28:56,090 --> 00:28:54,120

Wars which just recently ended actually

684

00:28:58,909 --> 00:28:56,100

about two years ago thanks to our super

685

00:29:01,190 --> 00:28:58,919

soldiers and yes people we do have super

686

00:29:03,710 --> 00:29:01,200

soldiers people and you know there is

687

00:29:05,090 --> 00:29:03,720

such thing as genetic enhancements like

688

00:29:06,830 --> 00:29:05,100

you know like when you watch Captain

689

00:29:08,870 --> 00:29:06,840

America all that stuff is Real by the

690

00:29:11,810 --> 00:29:08,880

way so the whole point is this at the

691

00:29:13,970 --> 00:29:11,820

age of 2021 I started getting downloads

692

00:29:15,529 --> 00:29:13,980

I started having visions of these

693

00:29:17,450 --> 00:29:15,539

Galactic Wars that were taking place in

694

00:29:19,490 --> 00:29:17,460

our own Galaxy at first Jimmy I thought

695

00:29:22,389 --> 00:29:19,500

I was going crazy and then I started

696

00:29:25,490 --> 00:29:22,399

researching I started learning about how

697

00:29:27,169 --> 00:29:25,500

these secret societies that um

698

00:29:29,090 --> 00:29:27,179

collectively make up what is known as

699

00:29:32,090 --> 00:29:29,100

the shadow government

700

00:29:35,590 --> 00:29:32,100

are in cahoots with off-world entities

701  
00:29:39,289 --> 00:29:35,600  
and the reason our world has been under

702  
00:29:41,870 --> 00:29:39,299  
oppression and you know facing

703  
00:29:43,430 --> 00:29:41,880  
um negative human conditions uh and why

704  
00:29:45,370 --> 00:29:43,440  
people have been suffering for so long

705  
00:29:47,990 --> 00:29:45,380  
is because the shadow government

706  
00:29:50,570 --> 00:29:48,000  
secretly have been also taking their

707  
00:29:52,669 --> 00:29:50,580  
orders from an off-world group that

708  
00:29:54,529 --> 00:29:52,679  
comes from Orion that are called the

709  
00:29:56,029 --> 00:29:54,539  
reptilians they come from Alpha draconis

710  
00:29:59,149 --> 00:29:56,039  
and so when I found out that the

711  
00:30:01,730 --> 00:29:59,159  
reptilians and also their their uh you

712  
00:30:03,710 --> 00:30:01,740  
know secondary Soldiers the Grays were

713  
00:30:06,529 --> 00:30:03,720

the ones that were pulling the strings

714

00:30:08,210 --> 00:30:06,539

on the shadow government it just totally

715

00:30:09,710 --> 00:30:08,220

just opened up the can of worms for me

716

00:30:12,110 --> 00:30:09,720

and then ever since then I went just

717

00:30:13,909 --> 00:30:12,120

deep into the rabbit hole my friend and

718

00:30:16,250 --> 00:30:13,919

I started researching stuff in fact I

719

00:30:18,710 --> 00:30:16,260

wrote my first book at the age of 25 and

720

00:30:21,710 --> 00:30:18,720

I titled it the secret government you

721

00:30:24,350 --> 00:30:21,720

know revealing the truth about 9 11. it

722

00:30:26,149 --> 00:30:24,360

was totally an inside job obviously and

723

00:30:27,649 --> 00:30:26,159

now people are starting to you know

724

00:30:28,730 --> 00:30:27,659

figure that out I mean I think we're

725

00:30:30,710 --> 00:30:28,740

living in a time where people are

726

00:30:32,690 --> 00:30:30,720

actually taking the red pill and not the

727

00:30:33,830 --> 00:30:32,700

blue pill and they're waking up to the

728

00:30:36,590 --> 00:30:33,840

fact that we've been lied to about

729

00:30:38,990 --> 00:30:36,600

everything and so when I wrote that book

730

00:30:42,049 --> 00:30:39,000

I wrote about the secret history of the

731

00:30:43,310 --> 00:30:42,059

world based on the war between these two

732

00:30:46,610 --> 00:30:43,320

brotherhoods

733

00:30:49,070 --> 00:30:46,620

we have the Luciferian Brotherhood which

734

00:30:51,230 --> 00:30:49,080

is what mainly have has been controlling

735

00:30:53,210 --> 00:30:51,240

the Reigns of power since the times of

736

00:30:55,130 --> 00:30:53,220

Babylon in fact you could trace these

737

00:30:56,870 --> 00:30:55,140

people all the way to Babylon same

738

00:30:58,789 --> 00:30:56,880

ruling families same bloodline

739

00:31:00,230 --> 00:30:58,799

throughout the different ages who have

740

00:31:02,330 --> 00:31:00,240

been ruling the world from behind the

741

00:31:03,769 --> 00:31:02,340

scenes who are who in turn have been

742

00:31:05,210 --> 00:31:03,779

controlled by the reptilians and the

743

00:31:06,649 --> 00:31:05,220

grace and then you have the light

744

00:31:08,870 --> 00:31:06,659

Brotherhood now who is the light

745

00:31:10,490 --> 00:31:08,880

Brotherhood now the light Brotherhood is

746

00:31:13,850 --> 00:31:10,500

like people like you know in the Dark

747

00:31:16,010 --> 00:31:13,860

Ages like Galileo Galilee Leonardo da

748

00:31:18,169 --> 00:31:16,020

Vinci you know those Renaissance guys

749

00:31:20,210 --> 00:31:18,179

the guys that that that brought us out

750

00:31:21,889 --> 00:31:20,220

of the Dark Ages Joan of Arc you know

751  
00:31:24,230 --> 00:31:21,899  
the guys that were burned at the stake

752  
00:31:25,370 --> 00:31:24,240  
that were persecuted for their

753  
00:31:28,190 --> 00:31:25,380  
um you know for their scientific

754  
00:31:30,889 --> 00:31:28,200  
discoveries of of of of the of how

755  
00:31:32,870 --> 00:31:30,899  
things really worked and so and then of

756  
00:31:35,510 --> 00:31:32,880  
course they do have a history that can

757  
00:31:37,850 --> 00:31:35,520  
be traceable back to a secret society

758  
00:31:40,130 --> 00:31:37,860  
Jimmy that existed during the times of

759  
00:31:42,110 --> 00:31:40,140  
the Roman Empire that was known as the

760  
00:31:46,190 --> 00:31:42,120  
community of konram or the East sense

761  
00:31:49,909 --> 00:31:46,200  
the essence these scenes were a small

762  
00:31:52,730 --> 00:31:49,919  
group of um benevolent uh healers and

763  
00:31:54,289 --> 00:31:52,740

Mystics that were that were um existing

764

00:31:55,669 --> 00:31:54,299

during the times of the Roman Empire and

765

00:31:57,889 --> 00:31:55,679

the reason they were a secret society

766

00:31:59,450 --> 00:31:57,899

was because they were trying to keep

767

00:32:03,409 --> 00:31:59,460

themselves

768

00:32:04,789 --> 00:32:03,419

um in in a way away from the from the

769

00:32:06,830 --> 00:32:04,799

eyes of the Roman Empire so they

770

00:32:08,930 --> 00:32:06,840

operated in secret and guess who was

771

00:32:10,370 --> 00:32:08,940

part of those secret societies Jesus and

772

00:32:12,409 --> 00:32:10,380

Mary Magdalene they were the high priest

773

00:32:14,269 --> 00:32:12,419

and high priestess yeah so the

774

00:32:15,889 --> 00:32:14,279

Brotherhood of light has always honored

775

00:32:18,169 --> 00:32:15,899

the sacred divine feminine they've

776

00:32:19,909 --> 00:32:18,179

always believed in that balance you know

777

00:32:22,370 --> 00:32:19,919

that balance between Father God and

778

00:32:24,710 --> 00:32:22,380

mother God that there is some sort of uh

779

00:32:26,269 --> 00:32:24,720

you know equilibrium between the sacred

780

00:32:29,090 --> 00:32:26,279

divine feminine and the sacred Divine

781

00:32:31,190 --> 00:32:29,100

masculine and and in so doing I also

782

00:32:33,470 --> 00:32:31,200

found out that they were also networking

783

00:32:34,789 --> 00:32:33,480

with the ancient Druids the Celtics the

784

00:32:37,130 --> 00:32:34,799

original I know some people might think

785

00:32:39,470 --> 00:32:37,140

well that's that's a King Arthur kind of

786

00:32:41,210 --> 00:32:39,480

stuff right Merlin but all this stuff is

787

00:32:42,830 --> 00:32:41,220

real you know those were the members of

788

00:32:45,110 --> 00:32:42,840

the of the Brotherhood of light of the

789

00:32:46,490 --> 00:32:45,120

real Secret societies that existed in

790

00:32:48,230 --> 00:32:46,500

ancient times those were the good secret

791

00:32:50,570 --> 00:32:48,240

societies so we have negative secret

792

00:32:52,490 --> 00:32:50,580

societies which are associated with the

793

00:32:53,690 --> 00:32:52,500

Babylonian Luciferian Brotherhood and

794

00:32:55,789 --> 00:32:53,700

then you have the benevolent secret

795

00:32:58,370 --> 00:32:55,799

societies the good guys that are

796

00:33:00,230 --> 00:32:58,380

associated with the Holy Grail of Jesus

797

00:33:01,730 --> 00:33:00,240

and Mary Magdalene because I know this

798

00:33:03,889 --> 00:33:01,740

might be triggering to some but they did

799

00:33:06,049 --> 00:33:03,899

have they did have a bloodline they they

800

00:33:08,630 --> 00:33:06,059

did have a child and then of course they

801  
00:33:10,970 --> 00:33:08,640  
were connected to the therapeutic of

802  
00:33:13,370 --> 00:33:10,980  
Egypt which were known as the healers

803  
00:33:16,190 --> 00:33:13,380  
and then of course to the ancient Druids

804  
00:33:19,730 --> 00:33:16,200  
who were all about what they were all

805  
00:33:21,590 --> 00:33:19,740  
about spirituality mysticism Alchemy you

806  
00:33:23,389 --> 00:33:21,600  
know everything that is now coming out

807  
00:33:25,310 --> 00:33:23,399  
that has been coming out within the last

808  
00:33:27,169 --> 00:33:25,320  
30 to 40 years due to this you know

809  
00:33:28,630 --> 00:33:27,179  
massive acceleration of human

810  
00:33:31,970 --> 00:33:28,640  
consciousness

811  
00:33:33,529 --> 00:33:31,980  
is attributed to the secrets these uh

812  
00:33:35,090 --> 00:33:33,539  
benevolent secret societies that have

813  
00:33:37,370 --> 00:33:35,100

always existed in secret throughout the

814

00:33:39,590 --> 00:33:37,380

Dark Ages and even after the crucifixion

815

00:33:41,630 --> 00:33:39,600

of Jesus who was you know the leader of

816

00:33:42,590 --> 00:33:41,640

the essenes by the way

817

00:33:44,870 --> 00:33:42,600

um

818

00:33:47,090 --> 00:33:44,880

there were other secret societies that

819

00:33:49,370 --> 00:33:47,100

later continued you know the principles

820

00:33:50,990 --> 00:33:49,380

of of having that direct connection to

821

00:33:53,509 --> 00:33:51,000

God the principles that that taught the

822

00:33:55,730 --> 00:33:53,519

principles of Ascension Alchemy you know

823

00:33:57,289 --> 00:33:55,740

spiritual sciences and and throughout

824

00:33:59,090 --> 00:33:57,299

history they were known as the gnostics

825

00:34:00,590 --> 00:33:59,100

of course and then you know of course we

826

00:34:03,110 --> 00:34:00,600

hear that the Roman Catholic church

827

00:34:05,090 --> 00:34:03,120

after they after the fall of the Roman

828

00:34:07,070 --> 00:34:05,100

Empire through again the same

829

00:34:08,750 --> 00:34:07,080

Brotherhood Babylon reorganized

830

00:34:11,210 --> 00:34:08,760

themselves as the Roman Catholic Church

831

00:34:12,649 --> 00:34:11,220

to what to then persecute the gnostics

832

00:34:14,930 --> 00:34:12,659

those that believed in having a direct

833

00:34:16,310 --> 00:34:14,940

connection to God whereas the Babylonian

834

00:34:19,190 --> 00:34:16,320

Dark Brotherhood through the

835

00:34:21,349 --> 00:34:19,200

organization or the restructuring of the

836

00:34:23,210 --> 00:34:21,359

Roman Catholic Church

837

00:34:25,490 --> 00:34:23,220

um were trying to what

838

00:34:27,889 --> 00:34:25,500

we were once again severe the connection

839

00:34:29,930 --> 00:34:27,899

between man and God and then that's when

840

00:34:31,550 --> 00:34:29,940

the pope said no no one is allowed to

841

00:34:33,050 --> 00:34:31,560

have connections with God other than us

842

00:34:34,849 --> 00:34:33,060

you guys just have to just take our

843

00:34:36,589 --> 00:34:34,859

orders you guys have no connection to

844

00:34:38,510 --> 00:34:36,599

God and so that was the Schism between

845

00:34:40,010 --> 00:34:38,520

these two brotherhoods right and so now

846

00:34:42,349 --> 00:34:40,020

it's coming to the point because we are

847

00:34:45,230 --> 00:34:42,359

going to be entering a new world age the

848

00:34:47,149 --> 00:34:45,240

you know the the world is Shifting you

849

00:34:48,889 --> 00:34:47,159

know things are changing dramatically

850

00:34:50,510 --> 00:34:48,899

for a reason

851

00:34:54,290 --> 00:34:50,520

um because of the fact that we are

852

00:34:57,170 --> 00:34:54,300

ending a long dark age that began 5 000

853

00:34:59,030 --> 00:34:57,180

years ago when the Illumina I guess the

854

00:35:00,829 --> 00:34:59,040

the cabal families I don't want to say

855

00:35:03,170 --> 00:35:00,839

that word the cabal families took power

856

00:35:05,450 --> 00:35:03,180

and now their time is up and that's why

857

00:35:06,849 --> 00:35:05,460

things are now being revealed back or

858

00:35:09,829 --> 00:35:06,859

being restored back to the Earth

859

00:35:12,470 --> 00:35:09,839

including extraterrestrial and Cosmic

860

00:35:14,930 --> 00:35:12,480

knowledge because that's a big thing of

861

00:35:15,650 --> 00:35:14,940

uh the restoration and liberation of the

862

00:35:19,609 --> 00:35:15,660

Earth

863

00:35:22,670 --> 00:35:19,619

let me uh I want to clarify a couple of

864

00:35:25,069 --> 00:35:22,680

things because I don't I don't want to

865

00:35:27,230 --> 00:35:25,079

have to explain the question as I'm

866

00:35:29,870 --> 00:35:27,240

reading the book a few things stood out

867

00:35:32,210 --> 00:35:29,880

right in the beginning right uh heaven

868

00:35:35,750 --> 00:35:32,220

on Earth right and you always did that

869

00:35:39,890 --> 00:35:35,760

all caps and I'm I'm reading I'm like oh

870

00:35:42,050 --> 00:35:39,900

man it is Ishmael is this a Biblical is

871

00:35:46,010 --> 00:35:42,060

this a religious spin is that you know

872

00:35:47,930 --> 00:35:46,020

what's going on and no it's not but what

873

00:35:49,430 --> 00:35:47,940

you are saying right now I want the

874

00:35:53,089 --> 00:35:49,440

audience to understand

875

00:35:55,550 --> 00:35:53,099

there isn't a religious spin on this

876

00:35:57,770 --> 00:35:55,560

that you may be thinking I'm going to

877

00:36:00,470 --> 00:35:57,780

allow you to clarify uh by the way

878

00:36:02,750 --> 00:36:00,480

Ishmael in that

879

00:36:05,150 --> 00:36:02,760

um as I'm reading the book the things

880

00:36:06,829 --> 00:36:05,160

that I have said on this show over and

881

00:36:09,109 --> 00:36:06,839

over again and you know with the help of

882

00:36:11,210 --> 00:36:09,119

you know like LA Marzulli and other

883

00:36:13,630 --> 00:36:11,220

great researchers out there when it

884

00:36:16,910 --> 00:36:13,640

comes to Bible research and knowledge

885

00:36:19,130 --> 00:36:16,920

and and what is going on today in the ET

886

00:36:22,670 --> 00:36:19,140

presence and so forth

887

00:36:25,250 --> 00:36:22,680

um that the Bible is is great science

888

00:36:28,069 --> 00:36:25,260

fiction that that may be very very

889

00:36:31,430 --> 00:36:28,079

accurate you know if you look at it with

890

00:36:33,589 --> 00:36:31,440

a different set of eyes right and you do

891

00:36:35,630 --> 00:36:33,599

that really well in the book

892

00:36:37,430 --> 00:36:35,640

um but I don't want to ask you a

893

00:36:39,470 --> 00:36:37,440

question I couldn't wait for you to come

894

00:36:42,349 --> 00:36:39,480

on the show so I could ask you this

895

00:36:46,490 --> 00:36:42,359

were you raised Christian

896

00:36:48,050 --> 00:36:46,500

absolutely yeah and do you do you go to

897

00:36:49,990 --> 00:36:48,060

church today

898

00:36:53,770 --> 00:36:50,000

oh no no no

899

00:37:01,370 --> 00:36:57,530

because your knowledge of of the Bible

900

00:37:02,870 --> 00:37:01,380

in the book is like on point but I I

901  
00:37:04,390 --> 00:37:02,880  
keep it you know you keep reading the

902  
00:37:07,190 --> 00:37:04,400  
book I'm like wait wait wait

903  
00:37:08,260 --> 00:37:07,200  
you can't be religious and talk about

904  
00:37:11,510 --> 00:37:08,270  
Starships

905  
00:37:14,390 --> 00:37:11,520  
[Laughter]

906  
00:37:16,370 --> 00:37:14,400  
um but you're tying with everything is

907  
00:37:19,630 --> 00:37:16,380  
quantum physics entanglement the metal

908  
00:37:22,849 --> 00:37:19,640  
the The Meta uh the metaverse

909  
00:37:28,190 --> 00:37:22,859  
you know what I mean which if you look

910  
00:37:30,890 --> 00:37:28,200  
at the Bible that way then yes of course

911  
00:37:32,030 --> 00:37:30,900  
you know about 5 000 years ago and

912  
00:37:34,190 --> 00:37:32,040  
you're having these kinds of

913  
00:37:35,990 --> 00:37:34,200

interactions and things it's going to

914

00:37:38,030 --> 00:37:36,000

have a religious spin on it there isn't

915

00:37:40,670 --> 00:37:38,040

another way to for them to understand it

916

00:37:42,829 --> 00:37:40,680

right correct yeah well what I'm trying

917

00:37:44,690 --> 00:37:42,839

to do in this book is it's not just

918

00:37:46,310 --> 00:37:44,700

written for those that are awakened or

919

00:37:48,109 --> 00:37:46,320

for the star seats but it's also written

920

00:37:50,990 --> 00:37:48,119

for those that are still trapped in the

921

00:37:53,270 --> 00:37:51,000

religious boxes so that they could

922

00:37:55,069 --> 00:37:53,280

understand things in terms of what they

923

00:37:57,290 --> 00:37:55,079

know only you know based on what they

924

00:37:58,730 --> 00:37:57,300

read in the Bible because the Bible is a

925

00:38:00,890 --> 00:37:58,740

metaphor also it's written on different

926  
00:38:03,170 --> 00:38:00,900  
levels of understanding in fact the

927  
00:38:05,450 --> 00:38:03,180  
entire Old Testament my friend is all

928  
00:38:07,849 --> 00:38:05,460  
about UFOs and ETS it's all science

929  
00:38:11,270 --> 00:38:07,859  
fiction I love it yeah

930  
00:38:13,250 --> 00:38:11,280  
yeah absolutely uh let's let's come back

931  
00:38:15,589 --> 00:38:13,260  
to that let's stay where you were let's

932  
00:38:19,010 --> 00:38:15,599  
let's back up again because you

933  
00:38:22,250 --> 00:38:19,020  
mentioned uh Jesus and and the Romans

934  
00:38:25,730 --> 00:38:22,260  
and what was going on back then and he

935  
00:38:28,910 --> 00:38:25,740  
said uh you know Jesus died right well

936  
00:38:29,650 --> 00:38:28,920  
you you bring that up in the book too as

937  
00:38:32,750 --> 00:38:29,660  
well

938  
00:38:34,190 --> 00:38:32,760

and I want to address that because there

939

00:38:36,589 --> 00:38:34,200

are people are listening I don't want

940

00:38:40,790 --> 00:38:36,599

them to take this out of context

941

00:38:42,710 --> 00:38:40,800

so let's start here heaven on Earth

942

00:38:44,930 --> 00:38:42,720

what do you mean when you put that in

943

00:38:47,270 --> 00:38:44,940

all caps

944

00:38:50,450 --> 00:38:47,280

what I mean by that is uh

945

00:38:53,750 --> 00:38:50,460

heaven on Earth is uh directly

946

00:38:55,849 --> 00:38:53,760

describing a golden age and that is what

947

00:38:58,490 --> 00:38:55,859

many call The Age of Aquarius the Age of

948

00:39:00,829 --> 00:38:58,500

Enlightenment the age of Brotherhood and

949

00:39:02,329 --> 00:39:00,839

Sisterhood so of course you know I'm

950

00:39:04,849 --> 00:39:02,339

going to call it heaven on Earth because

951  
00:39:06,650 --> 00:39:04,859  
it is a world where there is no more

952  
00:39:09,530 --> 00:39:06,660  
corruption where there is no more

953  
00:39:11,329 --> 00:39:09,540  
injustices you know where everybody has

954  
00:39:14,030 --> 00:39:11,339  
everything and then plenty and everybody

955  
00:39:16,910 --> 00:39:14,040  
is is uh

956  
00:39:18,710 --> 00:39:16,920  
under a universal you know understanding

957  
00:39:20,870 --> 00:39:18,720  
of universal principles and everybody

958  
00:39:22,609 --> 00:39:20,880  
respects everybody else so that's why I

959  
00:39:25,910 --> 00:39:22,619  
call it Heaven on Earth it's for people

960  
00:39:27,410 --> 00:39:25,920  
that are evolving consciously speaking

961  
00:39:30,530 --> 00:39:27,420  
that are you know raising their

962  
00:39:32,690 --> 00:39:30,540  
vibration and understanding that they

963  
00:39:35,450 --> 00:39:32,700

are God in embodiment you know that they

964

00:39:38,150 --> 00:39:35,460

are the Christ you know uh that there is

965

00:39:40,370 --> 00:39:38,160

no expected Messiah coming from this the

966

00:39:42,550 --> 00:39:40,380

sky you know that the the second coming

967

00:39:44,990 --> 00:39:42,560

is all about the the the

968

00:39:48,170 --> 00:39:45,000

re-emergence and the

969

00:39:49,970 --> 00:39:48,180

um the uh mentality or what we call the

970

00:39:51,589 --> 00:39:49,980

the rise of the Christ Consciousness

971

00:39:52,790 --> 00:39:51,599

among people and that's already

972

00:39:55,310 --> 00:39:52,800

happening in the millions of people

973

00:39:57,470 --> 00:39:55,320

people are realizing that they are the

974

00:39:59,450 --> 00:39:57,480

Christ and so that's what to me heaven

975

00:40:03,290 --> 00:39:59,460

on Earth is it's realizing that every

976

00:40:05,089 --> 00:40:03,300

single person uh is you know God in

977

00:40:06,170 --> 00:40:05,099

embodiment and it's also according to

978

00:40:07,609 --> 00:40:06,180

the Eastern teachers it's called

979

00:40:09,589 --> 00:40:07,619

enlightenments once you reach a certain

980

00:40:11,329 --> 00:40:09,599

level of Enlightenment you realize that

981

00:40:13,069 --> 00:40:11,339

God is an external thing it's it's

982

00:40:14,630 --> 00:40:13,079

something that is within you and then

983

00:40:17,930 --> 00:40:14,640

something that needs to be cultivated

984

00:40:20,750 --> 00:40:17,940

you know in that sense every single one

985

00:40:22,849 --> 00:40:20,760

of us is the expression of the one and

986

00:40:24,890 --> 00:40:22,859

what do I mean by that well the entire

987

00:40:26,690 --> 00:40:24,900

universe is held together by unified

988

00:40:29,030 --> 00:40:26,700

field right and that is proven through

989

00:40:32,450 --> 00:40:29,040

science right it is the force in Star

990

00:40:34,609 --> 00:40:32,460

Wars you know uh in front of of of

991

00:40:36,890 --> 00:40:34,619

Eastern teachers right the Holy Spirit

992

00:40:39,109 --> 00:40:36,900

of Western mysticism but it's all

993

00:40:40,609 --> 00:40:39,119

describing that one unified underlying

994

00:40:44,870 --> 00:40:40,619

field that binds all existence together

995

00:40:46,550 --> 00:40:44,880

so as people become more aware and as

996

00:40:48,650 --> 00:40:46,560

they raise our Consciousness they come

997

00:40:50,450 --> 00:40:48,660

to understand that they are one with

998

00:40:51,890 --> 00:40:50,460

that field that they it's almost like

999

00:40:53,030 --> 00:40:51,900

the metaphor that I'm going to use is

1000

00:40:55,490 --> 00:40:53,040

the drop

1001  
00:40:57,589 --> 00:40:55,500  
in the ocean or one the water drop in

1002  
00:40:59,690 --> 00:40:57,599  
the ocean or one the entire ocean is

1003  
00:41:01,790 --> 00:40:59,700  
contained within that drop the

1004  
00:41:03,950 --> 00:41:01,800  
holographic concept of reality the

1005  
00:41:06,050 --> 00:41:03,960  
entire universe is you and you are the

1006  
00:41:08,630 --> 00:41:06,060  
universe there is no distinction and

1007  
00:41:10,730 --> 00:41:08,640  
once people realize that that's what I

1008  
00:41:12,470 --> 00:41:10,740  
call you know cultivating and realizing

1009  
00:41:14,450 --> 00:41:12,480  
the Christ mind which has nothing to do

1010  
00:41:17,089 --> 00:41:14,460  
with religion but it has everything to

1011  
00:41:19,609 --> 00:41:17,099  
do with universal awareness

1012  
00:41:22,609 --> 00:41:19,619  
Universal word is realizing that you

1013  
00:41:25,670 --> 00:41:22,619

your ecosystem the star the Galaxy the

1014

00:41:27,470 --> 00:41:25,680

universe that you're in are all one body

1015

00:41:29,270 --> 00:41:27,480

you know just like the billions of cells

1016

00:41:30,950 --> 00:41:29,280

in your body right they're all part of

1017

00:41:33,109 --> 00:41:30,960

the same they're all working together

1018

00:41:35,270 --> 00:41:33,119

for the for the greater organism right

1019

00:41:37,370 --> 00:41:35,280

well in turn we are cells within the

1020

00:41:40,010 --> 00:41:37,380

body of the universe

1021

00:41:40,690 --> 00:41:40,020

the same thing it's all one unit you

1022

00:41:44,990 --> 00:41:40,700

know

1023

00:41:48,230 --> 00:41:45,000

yeah when I first uh started to read

1024

00:41:50,390 --> 00:41:48,240

about uh this is many many years ago

1025

00:41:52,010 --> 00:41:50,400

Christ Consciousness right I was

1026

00:41:56,089 --> 00:41:52,020

completely turned off

1027

00:41:58,310 --> 00:41:56,099

not not that I what it was using the

1028

00:42:00,050 --> 00:41:58,320

word Christ right and I'm reading it

1029

00:42:01,849 --> 00:42:00,060

over and over again on my van no no

1030

00:42:05,270 --> 00:42:01,859

don't suck me in

1031

00:42:07,790 --> 00:42:05,280

into some religious thing but no and

1032

00:42:09,950 --> 00:42:07,800

then I found out what Christ

1033

00:42:11,870 --> 00:42:09,960

Consciousness is and now it totally did

1034

00:42:13,130 --> 00:42:11,880

it's a totally different thing but for

1035

00:42:16,190 --> 00:42:13,140

people out there that don't understand

1036

00:42:18,829 --> 00:42:16,200

and they hear that uh for for many it's

1037

00:42:21,589 --> 00:42:18,839

immediate turn off like this is some

1038

00:42:23,510 --> 00:42:21,599

Pitch for religious cult and and it's

1039

00:42:25,790 --> 00:42:23,520

simply not

1040

00:42:28,310 --> 00:42:25,800

um so when we say Christ Consciousness

1041

00:42:30,349 --> 00:42:28,320

how do you define it well you know

1042

00:42:33,170 --> 00:42:30,359

there's also another terminology called

1043

00:42:35,089 --> 00:42:33,180

Buddha Consciousness yes yes you know so

1044

00:42:36,829 --> 00:42:35,099

what that means is universal awareness

1045

00:42:38,870 --> 00:42:36,839

is realizing that you are one with

1046

00:42:41,750 --> 00:42:38,880

everything you are the unified force

1047

00:42:43,310 --> 00:42:41,760

that you as as well as you are local as

1048

00:42:45,290 --> 00:42:43,320

well as you are an individualized unit

1049

00:42:48,530 --> 00:42:45,300

of Personality you're also part of the

1050

00:42:50,750 --> 00:42:48,540

greater whole there is no uh distinction

1051  
00:42:53,329 --> 00:42:50,760  
between me and you we're different

1052  
00:42:55,910 --> 00:42:53,339  
expressions of one check this out Jimmy

1053  
00:42:58,309 --> 00:42:55,920  
where everyone on the planet in fact

1054  
00:43:00,890 --> 00:42:58,319  
everyone in the universe is a different

1055  
00:43:03,109 --> 00:43:00,900  
expression of one unified mind a one

1056  
00:43:05,950 --> 00:43:03,119  
Cosmic mind exploring itself through the

1057  
00:43:14,750 --> 00:43:09,349  
okay so now let me help you out all

1058  
00:43:16,809 --> 00:43:14,760  
right oh no help me out sure it's this

1059  
00:43:20,270 --> 00:43:16,819  
um when

1060  
00:43:21,890 --> 00:43:20,280  
the the quantum world of physics and

1061  
00:43:23,569 --> 00:43:21,900  
Engineering right now especially in

1062  
00:43:27,410 --> 00:43:23,579  
Quantum computing

1063  
00:43:29,569 --> 00:43:27,420

uh and an entanglement is continuing

1064

00:43:31,550 --> 00:43:29,579

their research and completing things by

1065

00:43:34,490 --> 00:43:31,560

the way they made a huge jump today in

1066

00:43:37,069 --> 00:43:34,500

Quantum Computing uh the press conf the

1067

00:43:40,609 --> 00:43:37,079

press release came out today that they

1068

00:43:43,270 --> 00:43:40,619

are on a chipset now moving large

1069

00:43:45,710 --> 00:43:43,280

amounts of quantum data back and forth

1070

00:43:48,170 --> 00:43:45,720

and and I'm reading the press release

1071

00:43:50,270 --> 00:43:48,180

right and check this out Ishmael well

1072

00:43:53,349 --> 00:43:50,280

you know I'm not making this up but but

1073

00:43:58,069 --> 00:43:55,910

movements of particles through different

1074

00:44:00,349 --> 00:43:58,079

dimensions right this isn't the press

1075

00:44:02,750 --> 00:44:00,359

release this is like wait a minute you

1076

00:44:05,630 --> 00:44:02,760

okay so if you want people to buy into

1077

00:44:08,270 --> 00:44:05,640

this and we are right well then

1078

00:44:10,309 --> 00:44:08,280

therefore they are talking about a

1079

00:44:13,370 --> 00:44:10,319

Christ Consciousness they are talking

1080

00:44:16,550 --> 00:44:13,380

about an entanglement of all that there

1081

00:44:18,890 --> 00:44:16,560

is and this is science coming back guys

1082

00:44:20,329 --> 00:44:18,900

yeah exactly so instead of seeing Christ

1083

00:44:23,450 --> 00:44:20,339

Consciousness let's just call it

1084

00:44:28,069 --> 00:44:23,460

Universal Consciousness yeah yeah how's

1085

00:44:29,630 --> 00:44:28,079

that yeah no no I I wanted to uh get

1086

00:44:33,050 --> 00:44:29,640

that definition out of you so people

1087

00:44:36,170 --> 00:44:33,060

understand you know uh don't get don't

1088

00:44:38,290 --> 00:44:36,180

get tied into the word get to understand

1089

00:44:41,390 --> 00:44:38,300

what is behind it

1090

00:44:44,750 --> 00:44:41,400

exactly I agree

1091

00:44:48,410 --> 00:44:44,760

okay now okay so with that let's go back

1092

00:44:51,170 --> 00:44:48,420

to Jesus let's go back to Jesus can we

1093

00:44:53,210 --> 00:44:51,180

can we go back to Jesus because you make

1094

00:44:56,750 --> 00:44:53,220

these direct references in the Bible and

1095

00:44:59,510 --> 00:44:56,760

he said that uh you know Jesus died

1096

00:45:03,589 --> 00:44:59,520

um so assuming from your perspective

1097

00:45:06,170 --> 00:45:03,599

that Jesus was real okay you know I for

1098

00:45:08,150 --> 00:45:06,180

me I'm I'm still on the fence about that

1099

00:45:11,510 --> 00:45:08,160

trying to figure it out I wasn't there

1100

00:45:16,069 --> 00:45:11,520

but here but here's the thing

1101  
00:45:17,569 --> 00:45:16,079  
um where when when he split right well

1102  
00:45:20,270 --> 00:45:17,579  
didn't he come back three days later

1103  
00:45:22,730 --> 00:45:20,280  
yeah he did didn't he yeah what he did

1104  
00:45:25,550 --> 00:45:22,740  
is he he uh ascended into his uh fifth

1105  
00:45:28,370 --> 00:45:25,560  
dimensional light body in other words he

1106  
00:45:30,710 --> 00:45:28,380  
um Trends he reached a level of

1107  
00:45:32,329 --> 00:45:30,720  
Consciousness again he was the high

1108  
00:45:34,430 --> 00:45:32,339  
priest of the ancient mystery School

1109  
00:45:36,650 --> 00:45:34,440  
teachings all right he was the ultimate

1110  
00:45:38,450 --> 00:45:36,660  
master and there is evidence that he

1111  
00:45:40,370 --> 00:45:38,460  
went to India to learn from the yogis

1112  
00:45:43,550 --> 00:45:40,380  
when he was a young lad about 13 and 14

1113  
00:45:46,069 --> 00:45:43,560

and then he also went to Tibet to learn

1114

00:45:48,710 --> 00:45:46,079

from the Buddhist monks and he also went

1115

00:45:50,750 --> 00:45:48,720

to where Egypt so he traveled a lot

1116

00:45:52,309 --> 00:45:50,760

during his so-called Missing Years and

1117

00:45:54,349 --> 00:45:52,319

that's why they don't cover his missing

1118

00:45:55,670 --> 00:45:54,359

years because they knew that he was the

1119

00:45:57,890 --> 00:45:55,680

one that was going to bring everything

1120

00:46:00,170 --> 00:45:57,900

bridge the gap bring everything together

1121

00:46:02,030 --> 00:46:00,180

and under one universal understanding

1122

00:46:03,410 --> 00:46:02,040

and so his

1123

00:46:05,150 --> 00:46:03,420

um the wrong the problem I have with

1124

00:46:07,730 --> 00:46:05,160

religion is that Jesus never taught

1125

00:46:09,770 --> 00:46:07,740

religion what he came to do is he he

1126  
00:46:12,410 --> 00:46:09,780  
came to teach Universal awareness that's

1127  
00:46:15,950 --> 00:46:12,420  
what he came to teach he came to teach

1128  
00:46:18,770 --> 00:46:15,960  
uh a knowledge that is now coming out

1129  
00:46:20,030 --> 00:46:18,780  
you know that is now coming forward and

1130  
00:46:21,710 --> 00:46:20,040  
a lot of the people out there who are

1131  
00:46:24,950 --> 00:46:21,720  
considered light workers light Warriors

1132  
00:46:26,990 --> 00:46:24,960  
star seats they are all examples of this

1133  
00:46:29,089 --> 00:46:27,000  
knowledge you know this is an ancient

1134  
00:46:30,470 --> 00:46:29,099  
teaching that he taught never did he

1135  
00:46:33,470 --> 00:46:30,480  
want it he didn't even know what a

1136  
00:46:35,150 --> 00:46:33,480  
Christian was you know and so when he

1137  
00:46:37,490 --> 00:46:35,160  
taught this knowledge about Universal

1138  
00:46:40,069 --> 00:46:37,500

awareness right he was speaking in

1139

00:46:41,510 --> 00:46:40,079

Parables right when he said do unto

1140

00:46:43,069 --> 00:46:41,520

others as you would want others to do

1141

00:46:46,190 --> 00:46:43,079

unto you

1142

00:46:48,950 --> 00:46:46,200

um he would say uh things like um you

1143

00:46:51,170 --> 00:46:48,960

know well to his his uh his Apostles he

1144

00:46:54,230 --> 00:46:51,180

would say the kingdom of God is not to

1145

00:46:56,569 --> 00:46:54,240

be expected and it's not over there or

1146

00:46:58,910 --> 00:46:56,579

or over here it is within you so what

1147

00:47:01,490 --> 00:46:58,920

was he saying the kingdom of God is what

1148

00:47:04,309 --> 00:47:01,500

enlightenment is understanding that you

1149

00:47:06,650 --> 00:47:04,319

are it that there is nothing to attain

1150

00:47:09,190 --> 00:47:06,660

and so that's what he came to teach but

1151  
00:47:12,349 --> 00:47:09,200  
what happens is that the powers that be

1152  
00:47:16,430 --> 00:47:12,359  
when when when the Roman Empire fell

1153  
00:47:18,890 --> 00:47:16,440  
well they needed another reason to

1154  
00:47:20,150 --> 00:47:18,900  
reorganized and so the Fallen Caesars

1155  
00:47:22,550 --> 00:47:20,160  
what they did is they took off their

1156  
00:47:25,309 --> 00:47:22,560  
togas and they put on religious robes

1157  
00:47:27,349 --> 00:47:25,319  
and they twisted his teachings

1158  
00:47:28,910 --> 00:47:27,359  
and that's when they created the Roman

1159  
00:47:31,370 --> 00:47:28,920  
Catholic church so the Roman Catholic

1160  
00:47:34,130 --> 00:47:31,380  
Church is the second Babylon it is the

1161  
00:47:37,309 --> 00:47:34,140  
luciferian institution that has been

1162  
00:47:39,290 --> 00:47:37,319  
running our world for 1700 years and

1163  
00:47:41,510 --> 00:47:39,300

that is the reason why all the mystics

1164

00:47:43,430 --> 00:47:41,520

throughout the dark Middle Ages or the

1165

00:47:46,250 --> 00:47:43,440

real followers of Jesus the so-called

1166

00:47:47,210 --> 00:47:46,260

gnostics were always sought after and

1167

00:47:49,190 --> 00:47:47,220

killed

1168

00:47:52,069 --> 00:47:49,200

you know there's a halt of lightning

1169

00:47:54,230 --> 00:47:52,079

about to strike right behind you so here

1170

00:47:55,730 --> 00:47:54,240

but here's the thing here's the thing

1171

00:47:59,050 --> 00:47:55,740

with that

1172

00:48:03,190 --> 00:47:59,060

um I watched it and yes right I agree

1173

00:48:06,370 --> 00:48:03,200

and when the Romans made that move right

1174

00:48:09,609 --> 00:48:06,380

God supports the Roman government

1175

00:48:12,290 --> 00:48:09,619

therefore the Roman government is God

1176

00:48:14,390 --> 00:48:12,300

what a way to just turn that around on

1177

00:48:16,250 --> 00:48:14,400

the people so that religion and

1178

00:48:19,609 --> 00:48:16,260

government are suddenly wanting the same

1179

00:48:22,130 --> 00:48:19,619

thing and God approves of uh the Roman

1180

00:48:25,190 --> 00:48:22,140

government and Senate a very strong

1181

00:48:27,589 --> 00:48:25,200

smart thing to do but I just watched a

1182

00:48:30,470 --> 00:48:27,599

documentary the other day on this

1183

00:48:34,510 --> 00:48:30,480

subject and it was fascinating but they

1184

00:48:39,050 --> 00:48:34,520

also uh proposed in in this documentary

1185

00:48:41,450 --> 00:48:39,060

that Jesus was also a creation of the

1186

00:48:44,569 --> 00:48:41,460

Roman government and I thought that that

1187

00:48:46,609 --> 00:48:44,579

was a pretty interesting spin that I

1188

00:48:48,829 --> 00:48:46,619

mean what what a strong way to do it if

1189

00:48:52,550 --> 00:48:48,839

you're gonna go ahead and control the

1190

00:48:54,829 --> 00:48:52,560

masses but it in in your book you

1191

00:48:56,450 --> 00:48:54,839

suggest I'm going to ask you now that

1192

00:48:59,809 --> 00:48:56,460

each t

1193

00:49:03,109 --> 00:48:59,819

or that Jesus was at E.T

1194

00:49:04,849 --> 00:49:03,119

and that heaven is not in the clouds but

1195

00:49:08,450 --> 00:49:04,859

Heaven is the entire universe

1196

00:49:09,770 --> 00:49:08,460

encompassing of everything right I'm not

1197

00:49:12,170 --> 00:49:09,780

getting this wrong in the way that

1198

00:49:14,270 --> 00:49:12,180

you've uh laid it out right it's it's

1199

00:49:16,190 --> 00:49:14,280

also related to a particular Dimension

1200

00:49:18,710 --> 00:49:16,200

it's called The Fifth Dimension yeah

1201

00:49:21,589 --> 00:49:18,720

we'll come back to that no no yeah I

1202

00:49:25,790 --> 00:49:21,599

like where you're going so if that is

1203

00:49:30,170 --> 00:49:25,800

the case you also state in the book

1204

00:49:34,010 --> 00:49:30,180

um that there are different regions of

1205

00:49:36,470 --> 00:49:34,020

of the universe there are other I I

1206

00:49:39,410 --> 00:49:36,480

don't I almost said kingdoms

1207

00:49:43,030 --> 00:49:39,420

um areas where there are the same

1208

00:49:46,609 --> 00:49:43,040

situation is going on and at a different

1209

00:49:49,370 --> 00:49:46,619

space of evolution right am I making

1210

00:49:51,950 --> 00:49:49,380

sense there where we've got our thing

1211

00:49:54,290 --> 00:49:51,960

going on with Jesus but there's also the

1212

00:49:57,370 --> 00:49:54,300

same situation going on out there

1213

00:50:01,309 --> 00:49:59,150

I'm trying to figure out what we're

1214

00:50:04,309 --> 00:50:01,319

trying to see well let's see okay so

1215

00:50:06,589 --> 00:50:04,319

okay so basically Jesus in a way he was

1216

00:50:08,210 --> 00:50:06,599

an ET he was one of the first choice uh

1217

00:50:12,790 --> 00:50:08,220

you know what I said that wrong uh

1218

00:50:18,290 --> 00:50:15,470

let me explain it like this

1219

00:50:21,410 --> 00:50:18,300

every Universe has a has an omni King

1220

00:50:24,109 --> 00:50:21,420

and an army Omni Queen right overseeing

1221

00:50:26,089 --> 00:50:24,119

each Universe in this case uh they call

1222

00:50:28,069 --> 00:50:26,099

them the the order of the Michaels right

1223

00:50:32,150 --> 00:50:28,079

Michael you know Michael the Archangel

1224

00:50:34,730 --> 00:50:32,160

so every time the Michaels in order for

1225

00:50:36,530 --> 00:50:34,740

them to become Master sons of their each

1226  
00:50:38,210 --> 00:50:36,540  
of their local Universe

1227  
00:50:40,910 --> 00:50:38,220  
um they have to go through seven major

1228  
00:50:43,130 --> 00:50:40,920  
initiations or seven bestowals and and

1229  
00:50:45,950 --> 00:50:43,140  
the seventh bestow for each Michael in

1230  
00:50:48,950 --> 00:50:45,960  
order to be overseer and absolute son of

1231  
00:50:51,349 --> 00:50:48,960  
that creation is he has to undergo uh

1232  
00:50:53,410 --> 00:50:51,359  
where he goes to the lowest Planet which

1233  
00:50:56,990 --> 00:50:53,420  
exists in the lowest density

1234  
00:50:59,569 --> 00:50:57,000  
uh and undergo persecution in this case

1235  
00:51:02,089 --> 00:50:59,579  
crucifixion in order for him to ascend

1236  
00:51:04,190 --> 00:51:02,099  
back to his throne and become absolute

1237  
00:51:07,010 --> 00:51:04,200  
son or Master son of his own creation

1238  
00:51:09,890 --> 00:51:07,020

because before he under before he uh

1239

00:51:12,770 --> 00:51:09,900

completes the seven bestows he's only

1240

00:51:15,589 --> 00:51:12,780

ruling ruling his creation as the

1241

00:51:17,569 --> 00:51:15,599

viscaran Son of God in relationship to

1242

00:51:20,210 --> 00:51:17,579

the mother verse or to to the central

1243

00:51:23,089 --> 00:51:20,220

Universe because each universe is also

1244

00:51:24,650 --> 00:51:23,099

connected to a central Universe now the

1245

00:51:27,470 --> 00:51:24,660

difference between a local Universe

1246

00:51:30,049 --> 00:51:27,480

which are many multiple hundreds of

1247

00:51:31,190 --> 00:51:30,059

millions of millions of them uh and the

1248

00:51:34,010 --> 00:51:31,200

mother universe is that the mother

1249

00:51:36,049 --> 00:51:34,020

universe is is the Realms of Eternity

1250

00:51:38,450 --> 00:51:36,059

the mother universe is what scientists

1251  
00:51:41,270 --> 00:51:38,460  
call Base reality whereas the local

1252  
00:51:44,390 --> 00:51:41,280  
universes are the experiments in time

1253  
00:51:47,210 --> 00:51:44,400  
and space or the emanations rather or

1254  
00:51:48,710 --> 00:51:47,220  
what we call simulations and so that is

1255  
00:51:51,230 --> 00:51:48,720  
the difference between a local universe

1256  
00:51:52,849 --> 00:51:51,240  
and the always existing Realms of the

1257  
00:51:55,329 --> 00:51:52,859  
other universe

1258  
00:51:58,510 --> 00:51:55,339  
okay now

1259  
00:52:01,370 --> 00:51:58,520  
based on that

1260  
00:52:02,690 --> 00:52:01,380  
you know let's say that there's 50

1261  
00:52:05,809 --> 00:52:02,700  
billion

1262  
00:52:07,490 --> 00:52:05,819  
planets just in our Milky Way with uh

1263  
00:52:08,809 --> 00:52:07,500

the possibility of life and then

1264

00:52:11,329 --> 00:52:08,819

underneath that we take a small

1265

00:52:15,349 --> 00:52:11,339

percentage and we've got a hundred

1266

00:52:16,849 --> 00:52:15,359

million Advanced ET civilizations right

1267

00:52:19,010 --> 00:52:16,859

etc

1268

00:52:22,910 --> 00:52:19,020

is Jesus

1269

00:52:25,370 --> 00:52:22,920

on every one of those planets

1270

00:52:27,530 --> 00:52:25,380

no okay okay let me just explain it this

1271

00:52:29,809 --> 00:52:27,540

way okay so the universe is a conscious

1272

00:52:33,109 --> 00:52:29,819

entity right the universe is also a

1273

00:52:36,109 --> 00:52:33,119

living being at a macro scale of reality

1274

00:52:37,790 --> 00:52:36,119

so the universal mind which manifests in

1275

00:52:40,010 --> 00:52:37,800

the form of the Omni King omniquing

1276  
00:52:42,410 --> 00:52:40,020  
overseer of each Universe right the mind

1277  
00:52:46,849 --> 00:52:42,420  
has the ability to manifest itself into

1278  
00:52:49,069 --> 00:52:46,859  
human form is what incarnates uh in

1279  
00:52:51,349 --> 00:52:49,079  
order to complete his seventh bestowal

1280  
00:52:52,849 --> 00:52:51,359  
so that that Universe could become

1281  
00:52:54,530 --> 00:52:52,859  
Eternal and connected to the central

1282  
00:52:56,690 --> 00:52:54,540  
mother Universe which are the Realms

1283  
00:53:00,290 --> 00:52:56,700  
that have always existed so even the

1284  
00:53:02,990 --> 00:53:00,300  
universe my friend goes evolutionary or

1285  
00:53:05,150 --> 00:53:03,000  
undergoes uh evolutionary

1286  
00:53:07,670 --> 00:53:05,160  
um completions just like how we have to

1287  
00:53:09,829 --> 00:53:07,680  
evolve so the universe also goes through

1288  
00:53:12,230 --> 00:53:09,839

a process where its Consciousness has to

1289

00:53:14,270 --> 00:53:12,240

evolve and and if it doesn't evolve in

1290

00:53:16,370 --> 00:53:14,280

the nick of time that Universe has to

1291

00:53:18,589 --> 00:53:16,380

reincarnate and so that's why we have

1292

00:53:20,210 --> 00:53:18,599

Universe sometimes that collapse and

1293

00:53:22,849 --> 00:53:20,220

then for a white hole they're reborn

1294

00:53:25,670 --> 00:53:22,859

again in order to see if they could now

1295

00:53:27,290 --> 00:53:25,680

undergo whatever it needs to master in

1296

00:53:28,670 --> 00:53:27,300

order for it to become part of the

1297

00:53:30,770 --> 00:53:28,680

eternal life systems of the mother

1298

00:53:33,049 --> 00:53:30,780

universe so that's because of the fact

1299

00:53:36,290 --> 00:53:33,059

that each universe is a conscious entity

1300

00:53:38,150 --> 00:53:36,300

so we could equate the mind of Jesus to

1301

00:53:40,730 --> 00:53:38,160

the mind of the universe which is the

1302

00:53:42,770 --> 00:53:40,740

incarnating Universe In the Flesh and so

1303

00:53:44,630 --> 00:53:42,780

according to deep spiritual knowledge

1304

00:53:47,390 --> 00:53:44,640

known as the raw material or what they

1305

00:53:50,450 --> 00:53:47,400

call the teachings of raw

1306

00:53:52,790 --> 00:53:50,460

um it says that uh that every Universe

1307

00:53:54,829 --> 00:53:52,800

has a low is a logo so now what is the

1308

00:53:56,630 --> 00:53:54,839

logos and and for those that are that

1309

00:53:59,390 --> 00:53:56,640

understand or study the esoteric

1310

00:54:01,609 --> 00:53:59,400

mystical knowledge the logos is the

1311

00:54:04,069 --> 00:54:01,619

universal mind of each universe and so

1312

00:54:06,770 --> 00:54:04,079

the Universal Mind of each Universe has

1313

00:54:09,170 --> 00:54:06,780

the ability to Incarnate and manifest

1314

00:54:10,609 --> 00:54:09,180

physical form or Implement into physical

1315

00:54:12,770 --> 00:54:10,619

form

1316

00:54:15,130 --> 00:54:12,780

now

1317

00:54:18,950 --> 00:54:15,140

does Consciousness

1318

00:54:21,530 --> 00:54:18,960

exist in the physical first

1319

00:54:24,770 --> 00:54:21,540

or does the physical start and then

1320

00:54:27,230 --> 00:54:24,780

Consciousness exist outside of the

1321

00:54:32,390 --> 00:54:30,290

Consciousness has always existed right

1322

00:54:35,210 --> 00:54:32,400

yeah everything outside of the physical

1323

00:54:38,030 --> 00:54:35,220

outside of the physical Consciousness is

1324

00:54:40,849 --> 00:54:38,040

the intangible it is the non-physical

1325

00:54:43,970 --> 00:54:40,859

the unmanifest that manif that became

1326

00:54:45,530 --> 00:54:43,980

manifests through the process of dissent

1327

00:54:48,470 --> 00:54:45,540

which is or through the process of

1328

00:54:51,829 --> 00:54:48,480

division or fragmentalization that's

1329

00:54:54,049 --> 00:54:51,839

when Spirit right eternity through the

1330

00:54:56,150 --> 00:54:54,059

lowering of frequency becomes denser and

1331

00:54:58,370 --> 00:54:56,160

denser until it becomes material

1332

00:55:01,250 --> 00:54:58,380

so we could say that when we Pierce into

1333

00:55:04,069 --> 00:55:01,260

the skies and we only see the galaxies

1334

00:55:06,470 --> 00:55:04,079

that's just the physical part which is a

1335

00:55:09,349 --> 00:55:06,480

very small fragment of something that is

1336

00:55:10,910 --> 00:55:09,359

that has always existed beyond that you

1337

00:55:16,309 --> 00:55:10,920

know so we could say that Consciousness

1338

00:55:22,430 --> 00:55:20,569

so if that's the case how did we forget

1339

00:55:25,609 --> 00:55:22,440

all of this

1340

00:55:26,470 --> 00:55:25,619

right five thousand years ago we had a

1341

00:55:30,130 --> 00:55:26,480

grip

1342

00:55:32,390 --> 00:55:30,140

I mean it seemed like

1343

00:55:34,910 --> 00:55:32,400

we got it

1344

00:55:38,030 --> 00:55:34,920

and then it just fizzled and it went

1345

00:55:42,890 --> 00:55:40,069

well you have to understand during the

1346

00:55:45,109 --> 00:55:42,900

times of Atlantis the human race that

1347

00:55:48,470 --> 00:55:45,119

existed during those days approximately

1348

00:55:49,490 --> 00:55:48,480

20 to 50 000 years ago actually Atlantis

1349

00:55:51,530 --> 00:55:49,500

has been around for a hundred thousand

1350

00:55:53,870 --> 00:55:51,540

years before it was infiltrated by the

1351  
00:55:55,309 --> 00:55:53,880  
reptilians of Orion right to the Fallen

1352  
00:55:56,930 --> 00:55:55,319  
Angels

1353  
00:55:58,609 --> 00:55:56,940  
um everybody was in a hind State of

1354  
00:56:01,190 --> 00:55:58,619  
Consciousness what I mean by that is

1355  
00:56:04,130 --> 00:56:01,200  
everybody understood this knowledge uh

1356  
00:56:05,930 --> 00:56:04,140  
back then people lived uh for thousands

1357  
00:56:08,270 --> 00:56:05,940  
and thousands of years in fact the

1358  
00:56:10,490 --> 00:56:08,280  
original Adam and Eve were light beings

1359  
00:56:12,829 --> 00:56:10,500  
that never died and through a process of

1360  
00:56:16,010 --> 00:56:12,839  
of descending of condensing they became

1361  
00:56:18,290 --> 00:56:16,020  
eventually they became physical so we

1362  
00:56:20,569 --> 00:56:18,300  
come from that we we don't come from

1363  
00:56:23,210 --> 00:56:20,579

monkeys it's actually the other way

1364

00:56:25,309 --> 00:56:23,220

around we come from above we come from

1365

00:56:27,109 --> 00:56:25,319

the always existing Realms has whole

1366

00:56:29,870 --> 00:56:27,119

light beams of light and through the

1367

00:56:31,730 --> 00:56:29,880

process of involution I am not Evolution

1368

00:56:34,250 --> 00:56:31,740

through through the process of dissent

1369

00:56:36,650 --> 00:56:34,260

we go into lower densities until we

1370

00:56:39,650 --> 00:56:36,660

become congealed so right now we are

1371

00:56:42,530 --> 00:56:39,660

experiencing the lowest level of this

1372

00:56:43,609 --> 00:56:42,540

you know spectrum of different energy uh

1373

00:56:45,829 --> 00:56:43,619

matter vibrating at different

1374

00:56:47,750 --> 00:56:45,839

frequencies from the most sub which is

1375

00:56:51,109 --> 00:56:47,760

matter vibrating at pure frequency which

1376

00:56:53,089 --> 00:56:51,119

is light to the most gross which is

1377

00:56:55,190 --> 00:56:53,099

matter vibrating at the lowest frequency

1378

00:56:56,930 --> 00:56:55,200

which appears to become solid

1379

00:57:03,890 --> 00:56:56,940

is that

1380

00:57:08,329 --> 00:57:03,900

we use such a small percentage of our

1381

00:57:11,530 --> 00:57:08,339

DNA that that at one point we we used

1382

00:57:14,210 --> 00:57:11,540

more of it and took advantage of that

1383

00:57:15,710 --> 00:57:14,220

yes yes because during the times of

1384

00:57:18,230 --> 00:57:15,720

Atlantis we were actually using 12

1385

00:57:20,630 --> 00:57:18,240

strands of DNA right believe me

1386

00:57:22,970 --> 00:57:20,640

scientists have recently discovered that

1387

00:57:26,329 --> 00:57:22,980

we don't just have two double strands we

1388

00:57:28,970 --> 00:57:26,339

have 10 12 sorry 10 are disconnected

1389

00:57:32,809 --> 00:57:28,980

is is that in the book I didn't I didn't

1390

00:57:35,030 --> 00:57:32,819

get to that yet yeah it's in the book I

1391

00:57:36,650 --> 00:57:35,040

agree with that all right

1392

00:57:38,210 --> 00:57:36,660

that's after the chapter where I

1393

00:57:40,609 --> 00:57:38,220

explained the entire Galactic history

1394

00:57:42,470 --> 00:57:40,619

going back to the the lion the origins

1395

00:57:45,170 --> 00:57:42,480

of humanity the real cradle of human

1396

00:57:47,150 --> 00:57:45,180

beings uh our origin our ancestors come

1397

00:57:49,010 --> 00:57:47,160

from Lyra and then of course you know I

1398

00:57:50,870 --> 00:57:49,020

explained the wars with the reptilians

1399

00:57:53,450 --> 00:57:50,880

of Orion and how we ended up here and

1400

00:57:55,609 --> 00:57:53,460

the different seedings that took place

1401  
00:57:57,170 --> 00:57:55,619  
uh even before Atlantis I mean that book

1402  
00:58:00,589 --> 00:57:57,180  
is deep I mean for those that want to go

1403  
00:58:02,750 --> 00:58:00,599  
deep in the rabbit hole you know right

1404  
00:58:04,250 --> 00:58:02,760  
there man it's a great read stay right

1405  
00:58:07,430 --> 00:58:04,260  
there we're going to take a quick break

1406  
00:58:08,809 --> 00:58:07,440  
our guest tonight Ishmael Perez I've

1407  
00:58:10,790 --> 00:58:08,819  
been waiting for this show stay right

1408  
00:58:13,069 --> 00:58:10,800  
there

1409  
00:58:15,349 --> 00:58:13,079  
this is Jimmy Church of Fade to Black

1410  
00:58:17,569 --> 00:58:15,359  
please visit all of our sponsors we're

1411  
00:58:19,309 --> 00:58:17,579  
taking a quick break here all of the

1412  
00:58:22,309 --> 00:58:19,319  
links are below

1413  
00:58:24,589 --> 00:58:22,319

and we'll be right back

1414

00:58:25,569 --> 00:58:24,599

check out Billy Carson's Forbidden

1415

00:58:27,790 --> 00:58:25,579

Knowledge

1416

00:58:29,750 --> 00:58:27,800

forbiddenknowledge.com or

1417

00:58:33,710 --> 00:58:29,760

forbiddenknowledge.tv where you can get

1418

00:58:36,230 --> 00:58:33,720

access to over 6 000 videos movies TV

1419

00:58:38,210 --> 00:58:36,240

series exclusive documentaries like the

1420

00:58:39,730 --> 00:58:38,220

Black Knight satellite you can do it all

1421

00:58:44,329 --> 00:58:39,740

for just

1422

00:58:46,549 --> 00:58:44,339

7.77 per month for 77 per year after the

1423

00:58:48,530 --> 00:58:46,559

three-day trial which is also totally

1424

00:58:52,329 --> 00:58:48,540

free to check out it's all simple to do

1425

00:58:53,990 --> 00:58:52,339

Billy Carson is the best it's simple

1426

00:58:56,690 --> 00:58:54,000

forbiddenknowledge.com or

1427

00:59:00,950 --> 00:58:56,700

forbiddenknowledge dot TV that's the

1428

00:59:05,329 --> 00:59:02,990

I will be hosting an emceeing the

1429

00:59:07,910 --> 00:59:05,339

conscious life Expo this February 10th

1430

00:59:10,849 --> 00:59:07,920

through the 13th at The Lax Hilton right

1431

00:59:13,010 --> 00:59:10,859

here in Los Angeles California 200

1432

00:59:15,049 --> 00:59:13,020

speakers including Linda Moulton Howe

1433

00:59:17,450 --> 00:59:15,059

Bashar Deborah King George Nori Daniel

1434

00:59:20,990 --> 00:59:17,460

Sheehan Scott Walter Sean Stone and

1435

00:59:24,829 --> 00:59:21,000

David Wolfe over 200 vendors special

1436

00:59:27,530 --> 00:59:24,839

events this is the biggest event of its

1437

00:59:29,510 --> 00:59:27,540

kind on planet Earth you've got to come

1438

00:59:32,270 --> 00:59:29,520

and hang out with all of us tickets and

1439

00:59:33,950 --> 00:59:32,280

info at [consciouslifeexpo.com](http://consciouslifeexpo.com) the links

1440

00:59:37,190 --> 00:59:33,960

are below

1441

00:59:40,370 --> 00:59:37,200

on Saturday April 1st that's right April

1442

00:59:42,530 --> 00:59:40,380

Fool's Day 2023 I will be hosting the

1443

00:59:46,010 --> 00:59:42,540

peripod festival at the Hyatt Regency

1444

00:59:48,530 --> 00:59:46,020

right here in Valencia California it's a

1445

00:59:51,589 --> 00:59:48,540

live one-day podcast Awards it's a film

1446

00:59:53,630 --> 00:59:51,599

festival it's a full-on media event

1447

00:59:55,430 --> 00:59:53,640

we're going to have Sky watching there's

1448

00:59:58,250 --> 00:59:55,440

going to be a Lifetime Achievement Award

1449

01:00:00,289 --> 00:59:58,260

presented to Linda Moulton Howe right

1450

01:00:02,270 --> 01:00:00,299

now you can submit your podcast to your

1451

01:00:05,030 --> 01:00:02,280

film your TV series any of your

1452

01:00:06,950 --> 01:00:05,040

paranormal media for consideration you

1453

01:00:10,150 --> 01:00:06,960

can do all of that on the links below

1454

01:00:12,109 --> 01:00:10,160

for info and tickets go to

1455

01:00:15,190 --> 01:00:12,119

parapodfilmfest.com that's

1456

01:00:20,870 --> 01:00:19,250

April 7th through the 14th 2023 I'll be

1457

01:00:23,809 --> 01:00:20,880

hosting and presenting on the hidden

1458

01:00:26,450 --> 01:00:23,819

secrets seminar at Sea cruise from Los

1459

01:00:28,789 --> 01:00:26,460

Angeles to the Mexican Riviera I'm the

1460

01:00:31,370 --> 01:00:28,799

Navigator of the Seas that's right up

1461

01:00:32,750 --> 01:00:31,380

top a giant water slide you've got to

1462

01:00:34,970 --> 01:00:32,760

check out the Navigator of the season

1463

01:00:37,309 --> 01:00:34,980

it's amazing we've got Scott Walter Adam

1464

01:00:40,190 --> 01:00:37,319

Apollo Nick Pope Brad Olson Vivian

1465

01:00:42,530 --> 01:00:40,200

Chauvet Jason Shirka Robert Grant Reuben

1466

01:00:44,870 --> 01:00:42,540

Langdon and another 12 amazing speakers

1467

01:00:46,270 --> 01:00:44,880

and presenters it's all simple to do

1468

01:00:48,710 --> 01:00:46,280

just visit

1469

01:00:52,430 --> 01:00:48,720

divinetravels.com forward slash hidden

1470

01:00:54,650 --> 01:00:52,440

secrets 2023 you know you want to go on

1471

01:00:58,069 --> 01:00:54,660

a cruise with me

1472

01:01:00,890 --> 01:00:58,079

River Moon coffee makers of the Fade to

1473

01:01:02,710 --> 01:01:00,900

Black blend truly the best coffee on

1474

01:01:04,970 --> 01:01:02,720

planet Earth just visit

1475

01:01:06,829 --> 01:01:04,980

rivermoonwellness.com or their Amazon

1476

01:01:08,270 --> 01:01:06,839

store it's all simple to do you can

1477

01:01:10,370 --> 01:01:08,280

check out the Fade to Black blend the

1478

01:01:13,010 --> 01:01:10,380

game changer Blend or any of their black

1479

01:01:16,730 --> 01:01:13,020

moon wellness products it's the only

1480

01:01:23,049 --> 01:01:16,740

coffee I drink it is the best and it's

1481

01:01:23,059 --> 01:01:28,210

ah yes River Moon coffee

1482

01:01:32,870 --> 01:01:30,950

I don't know about you Ishmael if it

1483

01:01:36,670 --> 01:01:32,880

wasn't for coffee this world wouldn't

1484

01:01:39,770 --> 01:01:36,680

nah nah we would be a type negative zero

1485

01:01:42,410 --> 01:01:39,780

no no no question about it

1486

01:01:43,430 --> 01:01:42,420

um I wanna uh uh in the second half of

1487

01:01:48,349 --> 01:01:43,440

the show

1488

01:01:49,490 --> 01:01:48,359

uh I would I want to go back and do go

1489

01:01:54,349 --> 01:01:49,500

through

1490

01:01:57,950 --> 01:01:54,359

the history of our gal you know of of

1491

01:01:59,870 --> 01:01:57,960

the Milky Way in general the universe is

1492

01:02:02,030 --> 01:01:59,880

a big big place I don't have that kind

1493

01:02:05,089 --> 01:02:02,040

of time on this show but we could

1494

01:02:07,789 --> 01:02:05,099

discuss that and then morph that into

1495

01:02:09,829 --> 01:02:07,799

eventually where we are right now on

1496

01:02:11,690 --> 01:02:09,839

planet Earth in a brief history of that

1497

01:02:15,109 --> 01:02:11,700

too as well

1498

01:02:16,789 --> 01:02:15,119

um because and the reason for this is

1499

01:02:20,510 --> 01:02:16,799

um our planet's four and a half billion

1500

01:02:23,210 --> 01:02:20,520

years old uh we don't know how old homo

1501  
01:02:25,970 --> 01:02:23,220  
sapien sapien is if we go with Orthodox

1502  
01:02:28,849 --> 01:02:25,980  
dating on things we just appeared here

1503  
01:02:30,950 --> 01:02:28,859  
200 000 years ago and just poof uh we

1504  
01:02:35,630 --> 01:02:30,960  
don't have an explanation for that and

1505  
01:02:38,390 --> 01:02:35,640  
no Darwin was wrong but um but so we

1506  
01:02:42,109 --> 01:02:38,400  
have that and how we evolve to where we

1507  
01:02:44,930 --> 01:02:42,119  
are today well there must be stuff going

1508  
01:02:46,609 --> 01:02:44,940  
on way before us what is the history of

1509  
01:02:50,170 --> 01:02:46,619  
the Milky Way

1510  
01:02:53,930 --> 01:02:50,180  
goes back to about

1511  
01:02:56,569 --> 01:02:53,940  
560 million years ago uh it all began

1512  
01:02:58,309 --> 01:02:56,579  
when Earth okay so first let me explain

1513  
01:03:00,890 --> 01:02:58,319

that Earth is existing in other

1514

01:03:02,569 --> 01:03:00,900

dimensions so right now we're currently

1515

01:03:05,270 --> 01:03:02,579

living in the third dimensional Earth

1516

01:03:07,069 --> 01:03:05,280

which is Earth in a fallen State uh

1517

01:03:09,049 --> 01:03:07,079

before the Earth fell into this Lower

1518

01:03:11,030 --> 01:03:09,059

State it existed in The Fifth Dimension

1519

01:03:13,910 --> 01:03:11,040

and that was during the times of

1520

01:03:16,010 --> 01:03:13,920

Atlantis where mankind was living for

1521

01:03:17,630 --> 01:03:16,020

thousands and thousands of years and we

1522

01:03:20,690 --> 01:03:17,640

were all healthy and we were all young

1523

01:03:23,030 --> 01:03:20,700

and did an age and so but before that

1524

01:03:24,650 --> 01:03:23,040

the original Earth came into existence

1525

01:03:28,549 --> 01:03:24,660

in our universe

1526

01:03:30,950 --> 01:03:28,559

on a constellation known as Lyra in the

1527

01:03:33,770 --> 01:03:30,960

star system of Vega in the galactic

1528

01:03:36,470 --> 01:03:33,780

sector known as Sirius B and that was in

1529

01:03:38,990 --> 01:03:36,480

the eighth Dimension so the original

1530

01:03:41,450 --> 01:03:39,000

Earth that came into existence in our

1531

01:03:44,630 --> 01:03:41,460

universe was an eighth dimensional Earth

1532

01:03:46,069 --> 01:03:44,640

okay it was very multi-dimensional

1533

01:03:47,630 --> 01:03:46,079

reality

1534

01:03:50,329 --> 01:03:47,640

um it was still physical because bear in

1535

01:03:52,849 --> 01:03:50,339

mind that physical matter vibrates at

1536

01:03:55,370 --> 01:03:52,859

different frequencies all the way up to

1537

01:03:58,309 --> 01:03:55,380

the 12th Dimension my friend so we could

1538

01:04:00,589 --> 01:03:58,319

say that the 12th Dimension is where the

1539

01:04:02,750 --> 01:04:00,599

universe you know the the point of uh

1540

01:04:05,150 --> 01:04:02,760

where the universe began that came from

1541

01:04:07,010 --> 01:04:05,160

the 12th Dimension and in fact there is

1542

01:04:09,410 --> 01:04:07,020

a 12 dimensional Earth as well that

1543

01:04:11,870 --> 01:04:09,420

exists at the center of our universe so

1544

01:04:13,910 --> 01:04:11,880

going back to our galaxy the 12th

1545

01:04:16,730 --> 01:04:13,920

dimensional Earth is

1546

01:04:20,390 --> 01:04:16,740

quasi material it's more etheric than it

1547

01:04:22,990 --> 01:04:20,400

is material so in order for there to be

1548

01:04:25,130 --> 01:04:23,000

materialized Life Energy has to condense

1549

01:04:27,049 --> 01:04:25,140

otherwise it's just going to be pure

1550

01:04:30,230 --> 01:04:27,059

ether it's going to be in you know it's

1551  
01:04:31,970 --> 01:04:30,240  
going to be a matter that is very subtle

1552  
01:04:34,910 --> 01:04:31,980  
and it looks like it's more like

1553  
01:04:36,950 --> 01:04:34,920  
liquefied than it is solid so the

1554  
01:04:38,690 --> 01:04:36,960  
original Earth began in Lyra on a star

1555  
01:04:41,930 --> 01:04:38,700  
system called Vega

1556  
01:04:44,750 --> 01:04:41,940  
on a planet called Avion now Avion is

1557  
01:04:48,890 --> 01:04:44,760  
also corresponding to what the mystics

1558  
01:04:51,470 --> 01:04:48,900  
called Gaia okay so the Earth uh was

1559  
01:04:52,970 --> 01:04:51,480  
originated in Lyra when it was in the

1560  
01:04:54,829 --> 01:04:52,980  
eighth Dimension because even the Earth

1561  
01:04:56,210 --> 01:04:54,839  
has been falling in densities and

1562  
01:04:58,250 --> 01:04:56,220  
dimensions right all the way to the

1563  
01:05:00,049 --> 01:04:58,260

third uh due to this war against the

1564

01:05:01,510 --> 01:05:00,059

reptilians right what the Bible calls

1565

01:05:03,530 --> 01:05:01,520

Fallen Angels again I'm making

1566

01:05:05,870 --> 01:05:03,540

correspondence to the different texts

1567

01:05:09,170 --> 01:05:05,880

but they're all one and the same angels

1568

01:05:12,410 --> 01:05:09,180

are benevolent ATS demons are are

1569

01:05:14,450 --> 01:05:12,420

reptilians okay so it all you know just

1570

01:05:17,329 --> 01:05:14,460

giving you guys the bigger picture so

1571

01:05:20,270 --> 01:05:17,339

from Lyra when the earthlings first came

1572

01:05:23,089 --> 01:05:20,280

into existence our original ancestors

1573

01:05:24,829 --> 01:05:23,099

they were eighth dimensional beings in

1574

01:05:27,109 --> 01:05:24,839

other words they were Immortal they

1575

01:05:29,690 --> 01:05:27,119

didn't die they didn't age they lived

1576

01:05:31,789 --> 01:05:29,700

forever and for about a million years

1577

01:05:34,970 --> 01:05:31,799

they lived in peace now bear in mind

1578

01:05:38,030 --> 01:05:34,980

that they were so Advanced that they had

1579

01:05:40,010 --> 01:05:38,040

a heightened Consciousness and

1580

01:05:41,569 --> 01:05:40,020

everything they did did Jimmy was

1581

01:05:43,010 --> 01:05:41,579

through the power of their Consciousness

1582

01:05:45,829 --> 01:05:43,020

in other words instead of using

1583

01:05:47,870 --> 01:05:45,839

technology or external Machinery they

1584

01:05:49,789 --> 01:05:47,880

would fuse their Consciousness with the

1585

01:05:52,309 --> 01:05:49,799

living crystals of that Earth the eighth

1586

01:05:54,370 --> 01:05:52,319

dimensional Earth the stones and the

1587

01:05:56,870 --> 01:05:54,380

elements to build beautiful

1588

01:05:58,250 --> 01:05:56,880

architectural cities and worlds it was

1589

01:06:01,670 --> 01:05:58,260

all based through the power of their own

1590

01:06:04,490 --> 01:06:01,680

mind because they were in a symbiotic

1591

01:06:06,470 --> 01:06:04,500

relationship with Mother Gaia eighth

1592

01:06:09,650 --> 01:06:06,480

dimensional Earth and everything was

1593

01:06:12,049 --> 01:06:09,660

fine so if somebody were to go back in

1594

01:06:13,910 --> 01:06:12,059

time and see what it was like they would

1595

01:06:16,490 --> 01:06:13,920

they would say oh my God these guys are

1596

01:06:18,770 --> 01:06:16,500

like Wizards you know they're telepathic

1597

01:06:21,530 --> 01:06:18,780

they're levitating objects with their

1598

01:06:23,450 --> 01:06:21,540

mind they're controlling the elements oh

1599

01:06:25,789 --> 01:06:23,460

my God they're Gods they would cons they

1600

01:06:28,390 --> 01:06:25,799

would look or appear as Gods but again

1601  
01:06:32,390 --> 01:06:28,400  
these were our original ancestors okay

1602  
01:06:34,910 --> 01:06:32,400  
so okay so when they were first created

1603  
01:06:36,890 --> 01:06:34,920  
they they popped in from an already

1604  
01:06:40,670 --> 01:06:36,900  
other existing reality that came from

1605  
01:06:43,069 --> 01:06:40,680  
the 12th Dimension okay so we had two

1606  
01:06:45,109 --> 01:06:43,079  
races that helped in the development of

1607  
01:06:47,930 --> 01:06:45,119  
the early human race the first race was

1608  
01:06:50,390 --> 01:06:47,940  
a feline race yes people the cat people

1609  
01:06:53,270 --> 01:06:50,400  
who had hominid bodies and cat-like

1610  
01:06:55,970 --> 01:06:53,280  
heads are also real and they were the

1611  
01:06:58,730 --> 01:06:55,980  
Guardians and the biological Engineers

1612  
01:06:59,710 --> 01:06:58,740  
of all life in our Milky Way and in our

1613  
01:07:02,569 --> 01:06:59,720

universe

1614

01:07:04,549 --> 01:07:02,579

I'm gonna stop you right there this this

1615

01:07:06,650 --> 01:07:04,559

popped up in the chat two minutes ago

1616

01:07:09,529 --> 01:07:06,660

before you brought it up

1617

01:07:12,049 --> 01:07:09,539

what are cats then

1618

01:07:13,789 --> 01:07:12,059

and and you know that popped up in the

1619

01:07:15,650 --> 01:07:13,799

chat and then you just said that I I

1620

01:07:17,870 --> 01:07:15,660

just find that fascinating that's how

1621

01:07:20,390 --> 01:07:17,880

great this audience is

1622

01:07:23,029 --> 01:07:20,400

um okay so continue cat people okay so

1623

01:07:26,569 --> 01:07:23,039

so the felines there was 49 felines that

1624

01:07:27,950 --> 01:07:26,579

had um assisted our the first human uh

1625

01:07:29,329 --> 01:07:27,960

development here in our universe in the

1626

01:07:31,130 --> 01:07:29,339

eighth Dimension that came from an

1627

01:07:33,529 --> 01:07:31,140

already completed or ascended Universe

1628

01:07:35,630 --> 01:07:33,539

again when a universe ascends it

1629

01:07:37,730 --> 01:07:35,640

connects to the eternal life systems of

1630

01:07:39,470 --> 01:07:37,740

the always existing mother verse because

1631

01:07:42,410 --> 01:07:39,480

there is a mother verse that has always

1632

01:07:44,270 --> 01:07:42,420

existed you know that has no that

1633

01:07:47,690 --> 01:07:44,280

doesn't exist in time or space like the

1634

01:07:50,270 --> 01:07:47,700

local universes do okay so we also had a

1635

01:07:52,670 --> 01:07:50,280

49 carry-ons

1636

01:07:54,950 --> 01:07:52,680

um avion-like people that were bird-like

1637

01:07:57,470 --> 01:07:54,960

people that were in charge of developing

1638

01:07:59,270 --> 01:07:57,480

the different Stargates and portals that

1639

01:08:01,910 --> 01:07:59,280

connect all the solar systems and

1640

01:08:04,670 --> 01:08:01,920

planets to one another so there is

1641

01:08:07,069 --> 01:08:04,680

evidence again on our planet that there

1642

01:08:10,069 --> 01:08:07,079

is about 48 different Stargates right

1643

01:08:13,490 --> 01:08:10,079

one of them being located underneath the

1644

01:08:16,309 --> 01:08:13,500

Sphinx so when people read about Machu

1645

01:08:18,650 --> 01:08:16,319

Picchu Stonehedge the Great Pyramid all

1646

01:08:21,110 --> 01:08:18,660

these megalithic structures were built

1647

01:08:22,970 --> 01:08:21,120

on one of these power centers or these

1648

01:08:25,130 --> 01:08:22,980

Stargates and there's a reason for that

1649

01:08:28,550 --> 01:08:25,140

okay so going back to the story so the

1650

01:08:31,729 --> 01:08:28,560

original humans when they were protected

1651  
01:08:34,490 --> 01:08:31,739  
by the feline race and they were taught

1652  
01:08:36,530 --> 01:08:34,500  
um to live in harmony with everything in

1653  
01:08:38,329 --> 01:08:36,540  
other words they operated according to

1654  
01:08:40,249 --> 01:08:38,339  
the philosophy of unity Consciousness

1655  
01:08:42,349 --> 01:08:40,259  
they didn't understand Duality they

1656  
01:08:44,390 --> 01:08:42,359  
didn't understand uh you know

1657  
01:08:46,510 --> 01:08:44,400  
differences Wars they saw everything as

1658  
01:08:49,970 --> 01:08:46,520  
one they were one with their ecosystem

1659  
01:08:52,610 --> 01:08:49,980  
similar to uh the pandorians in the

1660  
01:08:54,890 --> 01:08:52,620  
movie Avatar that's a perfect example of

1661  
01:08:56,689 --> 01:08:54,900  
what these lions were and they were also

1662  
01:08:59,090 --> 01:08:56,699  
one with the universe so they didn't

1663  
01:09:00,950 --> 01:08:59,100

understand uh Duality they were they

1664

01:09:04,249 --> 01:09:00,960

they lived according to Universal

1665

01:09:06,829 --> 01:09:04,259

Consciousness okay so at the same time

1666

01:09:08,990 --> 01:09:06,839

they were able to live for peace in

1667

01:09:10,789 --> 01:09:09,000

peace for about a million years and

1668

01:09:14,030 --> 01:09:10,799

through their Advanced Consciousness

1669

01:09:16,130 --> 01:09:14,040

they were able to develop spacecraft

1670

01:09:18,309 --> 01:09:16,140

that were extensions of their own light

1671

01:09:21,229 --> 01:09:18,319

body in other words they were they were

1672

01:09:23,930 --> 01:09:21,239

able to use the elements of the earth to

1673

01:09:25,910 --> 01:09:23,940

create organic spacecraft in which they

1674

01:09:27,950 --> 01:09:25,920

used their mind to fuse their

1675

01:09:30,050 --> 01:09:27,960

Consciousness with their spacecraft and

1676

01:09:31,490 --> 01:09:30,060

so when they navigate it they don't use

1677

01:09:32,930 --> 01:09:31,500

it they don't like drive it like that

1678

01:09:35,030 --> 01:09:32,940

what they do is they sit on their

1679

01:09:36,769 --> 01:09:35,040

spacecraft because it's an organic

1680

01:09:38,870 --> 01:09:36,779

vehicle made from the elements of their

1681

01:09:40,669 --> 01:09:38,880

planet and they control it with their

1682

01:09:43,249 --> 01:09:40,679

Consciousness their intellopathic

1683

01:09:44,870 --> 01:09:43,259

communication with their ships and

1684

01:09:47,990 --> 01:09:44,880

that's how they were able to go and

1685

01:09:50,030 --> 01:09:48,000

colonize the surrounding star systems uh

1686

01:09:51,709 --> 01:09:50,040

like Avalon Planet Avalon and that's

1687

01:09:53,689 --> 01:09:51,719

where we get the concept of King Arthur

1688

01:09:56,750 --> 01:09:53,699

again you know there's a lot of Truth in

1689

01:09:58,910 --> 01:09:56,760

myths so they colonized Avalon and the

1690

01:10:01,729 --> 01:09:58,920

different star systems associated with

1691

01:10:04,550 --> 01:10:01,739

the Lyra constellation and they decided

1692

01:10:06,169 --> 01:10:04,560

to move Beyond Lyra okay now while that

1693

01:10:08,689 --> 01:10:06,179

was happening they took them about a

1694

01:10:11,990 --> 01:10:08,699

million years to just to explore Beyond

1695

01:10:15,110 --> 01:10:12,000

Lyra okay at the same time

1696

01:10:17,150 --> 01:10:15,120

there was another group of et's that

1697

01:10:19,790 --> 01:10:17,160

were that were just that just popped

1698

01:10:23,990 --> 01:10:19,800

into existence in the lower Orion belt

1699

01:10:26,510 --> 01:10:24,000

on a planet called the um the Regal

1700

01:10:28,370 --> 01:10:26,520

um on a planet called Regal in the star

1701

01:10:31,310 --> 01:10:28,380

system of Draco and they were known as

1702

01:10:35,050 --> 01:10:31,320

the reptilians now the reptilians were

1703

01:10:37,970 --> 01:10:35,060

made by what we know as Lucifer okay

1704

01:10:40,490 --> 01:10:37,980

Lucifer is the father of all reptilians

1705

01:10:42,950 --> 01:10:40,500

so Lucifer was the first Draco so

1706

01:10:45,050 --> 01:10:42,960

Lucifer created his or so we could say

1707

01:10:47,030 --> 01:10:45,060

that the Fallen Angels right in the

1708

01:10:49,729 --> 01:10:47,040

Bible are the ones that came into

1709

01:10:53,390 --> 01:10:49,739

existence in Orion as the reptilians so

1710

01:10:55,010 --> 01:10:53,400

the reptilians weren't connected to this

1711

01:10:56,810 --> 01:10:55,020

you know heightened of Consciousness

1712

01:10:58,850 --> 01:10:56,820

they weren't connected to the elements

1713

01:11:00,350 --> 01:10:58,860

they were they were disconnected from

1714

01:11:03,229 --> 01:11:00,360

the universal life force they were

1715

01:11:05,330 --> 01:11:03,239

disconnected from Source from from God

1716

01:11:07,370 --> 01:11:05,340

Consciousness so they obviously needed

1717

01:11:09,490 --> 01:11:07,380

to depend on technology so something

1718

01:11:12,310 --> 01:11:09,500

that the reptilians did is immediately

1719

01:11:15,530 --> 01:11:12,320

uh they developed you know

1720

01:11:18,530 --> 01:11:15,540

mechanical Machinery Tech external

1721

01:11:20,390 --> 01:11:18,540

technology because to them they had no

1722

01:11:22,310 --> 01:11:20,400

connection to God okay that was part of

1723

01:11:24,410 --> 01:11:22,320

them disconnecting from the unity

1724

01:11:26,870 --> 01:11:24,420

Consciousness before they fell into our

1725

01:11:29,330 --> 01:11:26,880

universe and many believe that these

1726

01:11:32,390 --> 01:11:29,340

reptilians were actually dropped off in

1727

01:11:35,390 --> 01:11:32,400

our in our galaxy in lower Orion by an

1728

01:11:37,790 --> 01:11:35,400

advanced AI that actually comes from

1729

01:11:40,610 --> 01:11:37,800

Another Universe okay so they ripped a

1730

01:11:42,950 --> 01:11:40,620

hole in the fabric of space and time in

1731

01:11:46,070 --> 01:11:42,960

order to drop off these reptilian

1732

01:11:47,870 --> 01:11:46,080

species which were also operating under

1733

01:11:51,410 --> 01:11:47,880

a different philosophy or a different

1734

01:11:54,350 --> 01:11:51,420

mentality now their mentality as opposed

1735

01:11:56,870 --> 01:11:54,360

to the Lyran which which was Unity

1736

01:11:59,149 --> 01:11:56,880

Consciousness the reptilians had a

1737

01:12:02,030 --> 01:11:59,159

different philosophy of service to self

1738

01:12:02,750 --> 01:12:02,040

in other words they were all about you

1739

01:12:03,430 --> 01:12:02,760

know

1740

01:12:05,510 --> 01:12:03,440

um

1741

01:12:07,550 --> 01:12:05,520

conquering worlds they were all about

1742

01:12:10,790 --> 01:12:07,560

manipulation

1743

01:12:12,530 --> 01:12:10,800

um the you know justifying the uh and or

1744

01:12:13,430 --> 01:12:12,540

the means to me to the end they were all

1745

01:12:16,130 --> 01:12:13,440

about

1746

01:12:18,110 --> 01:12:16,140

um you know every they were told that

1747

01:12:19,729 --> 01:12:18,120

anything that they came across it was

1748

01:12:21,709 --> 01:12:19,739

theirs to conquer and this is the way

1749

01:12:24,130 --> 01:12:21,719

they were genetically programmed so when

1750

01:12:27,169 --> 01:12:24,140

we think of the the this concept of

1751

01:12:28,910 --> 01:12:27,179

totalitarianism fascism it's all

1752

01:12:31,310 --> 01:12:28,920

genetically related my friend and that's

1753

01:12:32,270 --> 01:12:31,320

what that's why the cabal families you

1754

01:12:34,790 --> 01:12:32,280

know the Rockefellers and the

1755

01:12:37,189 --> 01:12:34,800

Rothschilds that rule this world are in

1756

01:12:38,930 --> 01:12:37,199

in a way they have uh they suffer from

1757

01:12:41,570 --> 01:12:38,940

having a lot of reptilian genetics in

1758

01:12:44,090 --> 01:12:41,580

their DNA you know they do they're

1759

01:12:45,530 --> 01:12:44,100

actually human reptilian hybrids okay so

1760

01:12:47,510 --> 01:12:45,540

basically what happened was the

1761

01:12:50,390 --> 01:12:47,520

reptilians due to their genetic

1762

01:12:53,570 --> 01:12:50,400

programming it was embedded in their DNA

1763

01:12:55,430 --> 01:12:53,580

to to operate with the philosophy of

1764

01:12:59,290 --> 01:12:55,440

service to self which was very selfish

1765

01:13:02,090 --> 01:12:59,300

very dominating uh very narcissist okay

1766

01:13:05,030 --> 01:13:02,100

and so they were told that the Universe

1767

01:13:06,649 --> 01:13:05,040

was their Theirs to conquer and so they

1768

01:13:09,229 --> 01:13:06,659

went about through their external

1769

01:13:12,290 --> 01:13:09,239

technology they went about to expand

1770

01:13:14,810 --> 01:13:12,300

beyond the alpha draconis system and

1771

01:13:17,149 --> 01:13:14,820

they started conquering nearby solar

1772

01:13:18,790 --> 01:13:17,159

systems so the first solar systems that

1773

01:13:21,770 --> 01:13:18,800

they conquered was the rumbola system

1774

01:13:23,390 --> 01:13:21,780

which consists of Zeta reticular one and

1775

01:13:25,490 --> 01:13:23,400

Zetta reticula 2 and that's where the

1776

01:13:27,530 --> 01:13:25,500

grace come from and then from the

1777

01:13:29,570 --> 01:13:27,540

rumbola system they went over to the

1778

01:13:31,010 --> 01:13:29,580

Beetlejuice system

1779

01:13:32,630 --> 01:13:31,020

um Conquering the different solar

1780

01:13:34,189 --> 01:13:32,640

systems all around the constellation of

1781

01:13:35,810 --> 01:13:34,199

Orion so that's why they they're called

1782

01:13:38,570 --> 01:13:35,820

the reptilians of Orion because they

1783

01:13:40,250 --> 01:13:38,580

came from the Lord belt of Orion and

1784

01:13:42,950 --> 01:13:40,260

little by little they were building

1785

01:13:45,649 --> 01:13:42,960

their vast Empire right they were a

1786

01:13:48,110 --> 01:13:45,659

strong military race uh similar to the

1787

01:13:49,970 --> 01:13:48,120

Nazis they didn't care they they would

1788

01:13:51,830 --> 01:13:49,980

um approach these underdeveloped worlds

1789

01:13:54,590 --> 01:13:51,840

where the people were still indigenous

1790

01:13:56,870 --> 01:13:54,600

and they would completely just you know

1791

01:13:59,450 --> 01:13:56,880

Vanquish them and Conquer conquer them

1792

01:14:01,010 --> 01:13:59,460

without giving them a say so no

1793

01:14:04,070 --> 01:14:01,020

diplomacy was involved they were just

1794

01:14:05,630 --> 01:14:04,080

openly arrive and Conquer planets okay

1795

01:14:07,250 --> 01:14:05,640

now on the other hand on the other side

1796

01:14:10,310 --> 01:14:07,260

of the Galaxy the lions were actually

1797

01:14:13,010 --> 01:14:10,320

expanding according to the law of unity

1798

01:14:14,750 --> 01:14:13,020

Consciousness which implies service to

1799

01:14:16,669 --> 01:14:14,760

others which is opposite the service

1800

01:14:19,250 --> 01:14:16,679

itself so they were all about service to

1801

01:14:21,770 --> 01:14:19,260

others okay and so whenever they came

1802

01:14:23,689 --> 01:14:21,780

across a planet that was underdeveloped

1803

01:14:26,209 --> 01:14:23,699

where the species was still you know

1804

01:14:28,010 --> 01:14:26,219

indigenous this uh they would take care

1805

01:14:30,410 --> 01:14:28,020

of them they would actually offer you

1806

01:14:32,090 --> 01:14:30,420

know Solutions resources they would help

1807

01:14:33,709 --> 01:14:32,100

them advance and evolve instead of

1808

01:14:35,390 --> 01:14:33,719

conquering them they would uplift them

1809

01:14:37,850 --> 01:14:35,400

so that was the difference between the

1810

01:14:40,130 --> 01:14:37,860

original irons and the reptilians now

1811

01:14:42,830 --> 01:14:40,140

this is where we had the first conflict

1812

01:14:44,570 --> 01:14:42,840

between these two opposing specimens

1813

01:14:47,810 --> 01:14:44,580

the Lions

1814

01:14:50,209 --> 01:14:47,820

went to explore the Ring Nebula

1815

01:14:54,470 --> 01:14:50,219

and at the same time when they were

1816

01:14:57,169 --> 01:14:54,480

there we had a few scouting ships from

1817

01:14:59,870 --> 01:14:57,179

the Orion reptilian section come over to

1818

01:15:02,229 --> 01:14:59,880

the Ring Nebula and The Scouting ships

1819

01:15:05,390 --> 01:15:02,239

were first amazed they were like

1820

01:15:07,430 --> 01:15:05,400

wondering how the heck are these people

1821

01:15:08,450 --> 01:15:07,440

moving objects with their mind who are

1822

01:15:10,970 --> 01:15:08,460

these people

1823

01:15:13,010 --> 01:15:10,980

are they magicians Wizards what the heck

1824

01:15:14,450 --> 01:15:13,020

is going on here they don't they don't

1825

01:15:15,530 --> 01:15:14,460

need technology they're everything

1826

01:15:17,510 --> 01:15:15,540

they're doing is you know they're

1827

01:15:19,370 --> 01:15:17,520

levitating they're communicating

1828

01:15:21,350 --> 01:15:19,380

telepathically what's what's up with the

1829

01:15:22,910 --> 01:15:21,360

with these people so the reptilians when

1830

01:15:24,709 --> 01:15:22,920

they first encounter the Liars they were

1831

01:15:26,390 --> 01:15:24,719

shocked they were shocked because they

1832

01:15:28,250 --> 01:15:26,400

didn't understand why they were so

1833

01:15:30,410 --> 01:15:28,260

benevolent why the lyrics were so

1834

01:15:32,209 --> 01:15:30,420

peaceful and why they were living in

1835

01:15:34,729 --> 01:15:32,219

harmony with other species so to the

1836

01:15:37,130 --> 01:15:34,739

reptilians that was like like a huge

1837

01:15:40,370 --> 01:15:37,140

shock so these scouting ships went back

1838

01:15:42,709 --> 01:15:40,380

to Orion to report to the Draco generals

1839

01:15:44,090 --> 01:15:42,719

of the alpha draconic system and they

1840

01:15:46,370 --> 01:15:44,100

give the report you know they gave the

1841

01:15:50,330 --> 01:15:46,380

report they said hey we've came across

1842

01:15:53,149 --> 01:15:50,340

another spare a space-faring uh specie

1843

01:15:54,770 --> 01:15:53,159

but um they're actually not Conquering

1844

01:15:57,709 --> 01:15:54,780

the Galaxy what they're actually doing

1845

01:16:00,110 --> 01:15:57,719

is they're spreading this love and light

1846

01:16:03,110 --> 01:16:00,120

Hocus Focus and they seem to be very

1847

01:16:05,390 --> 01:16:03,120

magical they don't use aircraft like we

1848

01:16:07,189 --> 01:16:05,400

do their aircraft is an extension it's

1849

01:16:10,669 --> 01:16:07,199

an extension of their body they

1850

01:16:12,050 --> 01:16:10,679

materialize their spacecraft as an

1851

01:16:13,669 --> 01:16:12,060

extension of themselves and we don't

1852

01:16:14,870 --> 01:16:13,679

understand how that works so they were

1853

01:16:17,770 --> 01:16:14,880

kind of confused so now the Draco

1854

01:16:20,209 --> 01:16:17,780

General said okay those are the enemies

1855

01:16:22,310 --> 01:16:20,219

those are the enemies those are the ones

1856

01:16:25,070 --> 01:16:22,320

that we need to kill off the galactic

1857

01:16:26,810 --> 01:16:25,080

humans from Lyra so they were given a

1858

01:16:30,410 --> 01:16:26,820

protocol the protocol was to kill off

1859

01:16:33,050 --> 01:16:30,420

the lyrance and so the reptilians came

1860

01:16:34,850 --> 01:16:33,060

back to the Ring Nebula and because they

1861

01:16:37,550 --> 01:16:34,860

had weapons and the Lions didn't have

1862

01:16:39,770 --> 01:16:37,560

weapons the Lions didn't understand War

1863

01:16:42,649 --> 01:16:39,780

they didn't understand conflict they saw

1864

01:16:44,810 --> 01:16:42,659

everything as one so in a way the lions

1865

01:16:47,630 --> 01:16:44,820

were shocked as to why these reptilians

1866

01:16:49,310 --> 01:16:47,640

were were just there trying to destroy

1867

01:16:51,410 --> 01:16:49,320

as many worlds as possible and why they

1868

01:16:53,510 --> 01:16:51,420

were attacking them so instead of

1869

01:16:56,030 --> 01:16:53,520

fighting them back the Lions who were

1870

01:16:59,630 --> 01:16:56,040

service to others eventually were

1871

01:17:01,729 --> 01:16:59,640

massacred okay so that event is what set

1872

01:17:04,970 --> 01:17:01,739

the stage for the beginning of the

1873

01:17:07,610 --> 01:17:04,980

galactic Wars now some tyrants

1874

01:17:10,550 --> 01:17:07,620

were able to flee and Escape

1875

01:17:13,070 --> 01:17:10,560

while the rest of them were killed and

1876

01:17:16,610 --> 01:17:13,080

and according to my I guess to the

1877

01:17:18,110 --> 01:17:16,620

galactic records about 500 lyrants were

1878

01:17:20,450 --> 01:17:18,120

killed in the Ring Nebula when the

1879

01:17:22,010 --> 01:17:20,460

reptilians first launched a preemptive

1880

01:17:24,709 --> 01:17:22,020

strike against them

1881

01:17:27,530 --> 01:17:24,719

the remaining Lions went back to Lyra to

1882

01:17:29,570 --> 01:17:27,540

Planet Avion to report the situation and

1883

01:17:33,290 --> 01:17:29,580

the Council of Elders which was then

1884

01:17:35,510 --> 01:17:33,300

ruled by a benevolent uh overseer that

1885

01:17:36,890 --> 01:17:35,520

represented the lineage of Michael again

1886

01:17:38,570 --> 01:17:36,900

you know a lot of this ties into the

1887

01:17:40,910 --> 01:17:38,580

children of Michael being the lyrants

1888

01:17:43,490 --> 01:17:40,920

the 12 houses of Israel were also known

1889

01:17:45,530 --> 01:17:43,500

as the 12 Royal houses of Lyra

1890

01:17:47,090 --> 01:17:45,540

um have reported to Michael to the

1891

01:17:49,490 --> 01:17:47,100

lineage of Michael the the king

1892

01:17:52,729 --> 01:17:49,500

embodying his son known as king amelius

1893

01:17:54,590 --> 01:17:52,739

of the Council of the elders uh that

1894

01:17:56,209 --> 01:17:54,600

this nefarious group was out there

1895

01:17:58,490 --> 01:17:56,219

destroying and that they had killed

1896

01:18:01,130 --> 01:17:58,500

about 500 of their kind and then that's

1897

01:18:02,870 --> 01:18:01,140

when emelius who was the it's many

1898

01:18:05,450 --> 01:18:02,880

believe he was the an incarnating

1899

01:18:08,330 --> 01:18:05,460

version of Michael

1900

01:18:12,590 --> 01:18:08,340

um decided to tell the Lions of Planet

1901

01:18:14,890 --> 01:18:12,600

Avion and Planet Avalon to as to flee to

1902

01:18:17,689 --> 01:18:14,900

flee into other star system to escape

1903

01:18:19,850 --> 01:18:17,699

the desecration and Holocaust that was

1904

01:18:21,590 --> 01:18:19,860

underway because they knew that the

1905

01:18:23,510 --> 01:18:21,600

reptilians were now eventually going to

1906

01:18:25,669 --> 01:18:23,520

go to Lyra to kill off the lyrics

1907

01:18:28,430 --> 01:18:25,679

because again you know they were the

1908

01:18:30,229 --> 01:18:28,440

reptilians were given a a protocol uh

1909

01:18:31,850 --> 01:18:30,239

and a directive and that directive was

1910

01:18:33,350 --> 01:18:31,860

to kill off the libraries because the

1911

01:18:35,390 --> 01:18:33,360

lions were the ones that according to

1912

01:18:37,729 --> 01:18:35,400

their prophecy would be the ones that

1913

01:18:40,250 --> 01:18:37,739

would prevent them from bringing about a

1914

01:18:42,050 --> 01:18:40,260

Galactic Empire okay so what ended up

1915

01:18:43,790 --> 01:18:42,060

happening was King Amelius who was at

1916

01:18:46,669 --> 01:18:43,800

the head of the Council of Elders of

1917

01:18:48,649 --> 01:18:46,679

Lyra in the 12 houses each representing

1918

01:18:51,350 --> 01:18:48,659

one of the 12 major universes because we

1919

01:18:53,689 --> 01:18:51,360

are part of 12 Creations our Earth our

1920

01:18:55,430 --> 01:18:53,699

galaxy and our universe are is part of

1921

01:18:57,290 --> 01:18:55,440

the 12th creation and that explains why

1922

01:18:59,630 --> 01:18:57,300

everything's in the numerical value

1923

01:19:02,149 --> 01:18:59,640

system of the 12 the 12 constellations

1924

01:19:04,550 --> 01:19:02,159

the 12 houses of Israel the 12 chakras

1925

01:19:06,590 --> 01:19:04,560

so on and so forth so 12 is the

1926

01:19:08,149 --> 01:19:06,600

numerical number that we operate under

1927

01:19:09,530 --> 01:19:08,159

due to the fact that we're part of the

1928

01:19:11,689 --> 01:19:09,540

system of the 12.

1929

01:19:13,070 --> 01:19:11,699

so going back to this history so what

1930

01:19:14,930 --> 01:19:13,080

happened was

1931

01:19:18,530 --> 01:19:14,940

um amelius

1932

01:19:20,510 --> 01:19:18,540

by decree you know he was able to save a

1933

01:19:23,750 --> 01:19:20,520

safeguard and protect a lot of the

1934

01:19:25,310 --> 01:19:23,760

lyrant's bike by uh telling them to flee

1935

01:19:27,830 --> 01:19:25,320

to the different parts of the Galaxy and

1936

01:19:29,350 --> 01:19:27,840

to other galaxies and so they did and

1937

01:19:32,870 --> 01:19:29,360

that event became known as the lion

1938

01:19:36,229 --> 01:19:32,880

lyrinth diaspora that event was the

1939

01:19:38,510 --> 01:19:36,239

event that eventually allowed for humans

1940

01:19:40,790 --> 01:19:38,520

to go into Andromeda to go to different

1941

01:19:42,169 --> 01:19:40,800

parts of the milk Milky Way and in in

1942

01:19:44,810 --> 01:19:42,179

order and then also to go to other

1943

01:19:47,570 --> 01:19:44,820

galaxies within our universe in order to

1944

01:19:50,030 --> 01:19:47,580

preserve the human Galactic genetics

1945

01:19:51,950 --> 01:19:50,040

because if it wasn't for that event you

1946

01:19:53,330 --> 01:19:51,960

know what would have happened Jimmy we

1947

01:19:54,950 --> 01:19:53,340

would have never been here on this Earth

1948

01:19:56,870 --> 01:19:54,960

this Earth would have been ultimately

1949

01:19:59,510 --> 01:19:56,880

controlled and inhabited by reptilians

1950

01:20:01,550 --> 01:19:59,520

in fact the entire galaxy would have it

1951

01:20:04,070 --> 01:20:01,560

had been inhabited by reptilians if the

1952

01:20:05,870 --> 01:20:04,080

reptilians were to achieve their goal or

1953

01:20:07,930 --> 01:20:05,880

their their uh Proto was called their

1954

01:20:10,850 --> 01:20:07,940

directive of killing off all the lions

1955

01:20:13,370 --> 01:20:10,860

which were the you know the ancestors of

1956

01:20:16,490 --> 01:20:13,380

all human beings in our universe no

1957

01:20:17,870 --> 01:20:16,500

human no Palladium no andromedan those

1958

01:20:19,370 --> 01:20:17,880

that are you know human of a human

1959

01:20:22,490 --> 01:20:19,380

origin would have existed in other words

1960

01:20:25,310 --> 01:20:22,500

so that event needed to happen so under

1961

01:20:27,050 --> 01:20:25,320

the direction of amelius many lyrants

1962

01:20:28,970 --> 01:20:27,060

fled in order to repopulate different

1963

01:20:32,630 --> 01:20:28,980

parts of the universe in order to

1964

01:20:34,490 --> 01:20:32,640

preserve the human blueprint okay So

1965

01:20:36,770 --> 01:20:34,500

eventually unfortunately for the

1966

01:20:39,169 --> 01:20:36,780

remaining Lions including amelius who

1967

01:20:41,330 --> 01:20:39,179

sacrificed himself in that word

1968

01:20:43,250 --> 01:20:41,340

um they were killed off and then for the

1969

01:20:45,770 --> 01:20:43,260

first time as they were butchering

1970

01:20:48,649 --> 01:20:45,780

torturing these tyrants these reptilians

1971

01:20:51,709 --> 01:20:48,659

that is they figured out that when a

1972

01:20:52,910 --> 01:20:51,719

human is under torture when a human is

1973

01:20:56,209 --> 01:20:52,920

being

1974

01:20:59,090 --> 01:20:56,219

um you know um tortured when a human is

1975

01:21:01,550 --> 01:20:59,100

being killed they secrete a hormone that

1976

01:21:03,410 --> 01:21:01,560

the reptilians feed off of and that

1977

01:21:05,630 --> 01:21:03,420

later became known as loosh so the

1978

01:21:08,570 --> 01:21:05,640

reptilians figured out that when humans

1979

01:21:10,490 --> 01:21:08,580

are in a state of suffering that you

1980

01:21:13,430 --> 01:21:10,500

know it they secrete a hormone that

1981

01:21:15,410 --> 01:21:13,440

eventually feeds them and allows them

1982

01:21:17,330 --> 01:21:15,420

it's like a like a hit of heroin you

1983

01:21:20,030 --> 01:21:17,340

know it gives them a high it gives them

1984

01:21:21,590 --> 01:21:20,040

energy and so that's when loosh first

1985

01:21:24,950 --> 01:21:21,600

came about that's when they realized

1986

01:21:26,750 --> 01:21:24,960

that by inflicting human suffering uh

1987

01:21:29,630 --> 01:21:26,760

you know their energy becomes enhanced

1988

01:21:30,890 --> 01:21:29,640

they become more you know high they get

1989

01:21:32,570 --> 01:21:30,900

a high off of that and so they get

1990

01:21:35,689 --> 01:21:32,580

addicted to that high right just like a

1991

01:21:38,209 --> 01:21:35,699

like a drug addict and so that event is

1992

01:21:41,030 --> 01:21:38,219

what started off the galactic War so

1993

01:21:43,130 --> 01:21:41,040

that was known as The Lion diaspora

1994

01:21:45,830 --> 01:21:43,140

which was followed by the lion Massacre

1995

01:21:49,250 --> 01:21:45,840

now luckily because of the fact that

1996

01:21:51,830 --> 01:21:49,260

many tyrants fled to the Pleiades okay

1997

01:21:55,850 --> 01:21:51,840

so even the Pleiades or the Pleiadians

1998

01:21:57,890 --> 01:21:55,860

were once from Lyra the andromedans were

1999

01:22:00,610 --> 01:21:57,900

ones from Lyra we could say that all

2000

01:22:03,950 --> 01:22:00,620

Galactic human civilizations my friend

2001  
01:22:07,669 --> 01:22:03,960  
originated from Lyra Lyra is the Cradle

2002  
01:22:10,010 --> 01:22:07,679  
of all human Galactic Civilizations and

2003  
01:22:11,689 --> 01:22:10,020  
um what ended up happening was a group

2004  
01:22:14,810 --> 01:22:11,699  
of lyrins

2005  
01:22:18,729 --> 01:22:14,820  
went over to Orion to the upper region

2006  
01:22:21,229 --> 01:22:18,739  
of Orion and they were known as the

2007  
01:22:23,270 --> 01:22:21,239  
masculine lyrans because now they were

2008  
01:22:24,950 --> 01:22:23,280  
trying to balance out with technology so

2009  
01:22:26,630 --> 01:22:24,960  
not only were they using Advanced

2010  
01:22:28,970 --> 01:22:26,640  
Consciousness but they were also

2011  
01:22:30,530 --> 01:22:28,980  
developing external technology so now so

2012  
01:22:32,870 --> 01:22:30,540  
they became known as the masculine

2013  
01:22:35,030 --> 01:22:32,880

orions whereas this those that were

2014

01:22:37,310 --> 01:22:35,040

spiritually oriented without the

2015

01:22:39,950 --> 01:22:37,320

external technology were known as the

2016

01:22:43,910 --> 01:22:39,960

feminine uh humanoids so we had now two

2017

01:22:45,290 --> 01:22:43,920

par two galactic distinct humans the

2018

01:22:48,410 --> 01:22:45,300

masculine humanoids that were now

2019

01:22:50,270 --> 01:22:48,420

beginning to develop technology and The

2020

01:22:52,669 --> 01:22:50,280

Feminine humans now the feminine humans

2021

01:22:55,490 --> 01:22:52,679

a small portion of them did survive and

2022

01:22:57,470 --> 01:22:55,500

they went over to Sirius Sirius B in

2023

01:23:00,290 --> 01:22:57,480

order to reorganize and that's when they

2024

01:23:02,149 --> 01:23:00,300

started creating what became known as

2025

01:23:04,729 --> 01:23:02,159

The Guardian Alliance now the guardian

2026

01:23:06,530 --> 01:23:04,739

Alliance came into existence

2027

01:23:08,709 --> 01:23:06,540

um when certain members of other

2028

01:23:12,169 --> 01:23:08,719

universes came to the aid of the tyrants

2029

01:23:14,450 --> 01:23:12,179

and on the planet called

2030

01:23:17,510 --> 01:23:14,460

um well I guess in the star system of

2031

01:23:19,850 --> 01:23:17,520

Sirius B they came together over 200

2032

01:23:21,530 --> 01:23:19,860

million civilizations from across the

2033

01:23:25,209 --> 01:23:21,540

universe came together and other

2034

01:23:27,890 --> 01:23:25,219

universes to create the intergalactic

2035

01:23:30,709 --> 01:23:27,900

interdimensional Alliance of free worlds

2036

01:23:33,790 --> 01:23:30,719

and this is before the establishment of

2037

01:23:36,470 --> 01:23:33,800

the galactic federations now many in the

2038

01:23:39,530 --> 01:23:36,480

galactic Community call it the Covenant

2039

01:23:42,290 --> 01:23:39,540

of palador or the emerald order and so

2040

01:23:44,330 --> 01:23:42,300

that's the first Intergalactic Alliance

2041

01:23:48,110 --> 01:23:44,340

that took place in our universe on

2042

01:23:50,810 --> 01:23:48,120

Sirius B so serious B since then became

2043

01:23:53,330 --> 01:23:50,820

the governing body you could say of the

2044

01:23:55,550 --> 01:23:53,340

forces of light as they were receiving

2045

01:23:58,729 --> 01:23:55,560

aid from members of other universes okay

2046

01:24:02,330 --> 01:23:58,739

so what ended up happening was

2047

01:24:05,149 --> 01:24:02,340

a portion of the lions were deceived by

2048

01:24:07,490 --> 01:24:05,159

the reptilians and this portion later

2049

01:24:09,470 --> 01:24:07,500

went over to the Orion sector to work

2050

01:24:12,350 --> 01:24:09,480

with the reptilians and they and they

2051  
01:24:14,630 --> 01:24:12,360  
were manipulated into service to self in

2052  
01:24:16,810 --> 01:24:14,640  
other words they joined the reptilians

2053  
01:24:19,370 --> 01:24:16,820  
in their conquest of Galactic domination

2054  
01:24:21,470 --> 01:24:19,380  
and they later became known as the

2055  
01:24:24,649 --> 01:24:21,480  
nordics and they settled on a star

2056  
01:24:27,590 --> 01:24:24,659  
system known as aldebaron and of course

2057  
01:24:29,330 --> 01:24:27,600  
you know later on in another episode I

2058  
01:24:33,290 --> 01:24:29,340  
could explain how the secret space

2059  
01:24:35,330 --> 01:24:33,300  
program began when Maria ostrich and the

2060  
01:24:37,070 --> 01:24:35,340  
Secret Society of the full which is a

2061  
01:24:39,590 --> 01:24:37,080  
secret site that Hitler belonged to made

2062  
01:24:41,270 --> 01:24:39,600  
contact with the aldebra's but that's

2063  
01:24:43,669 --> 01:24:41,280

another segment okay so going back to

2064

01:24:46,790 --> 01:24:43,679

the galactic history so the nordics of

2065

01:24:49,970 --> 01:24:46,800

aldebaran decided to side with the

2066

01:24:52,370 --> 01:24:49,980

reptilians betraying betraying amelius

2067

01:24:54,410 --> 01:24:52,380

the son of Michael betraying the law of

2068

01:24:56,630 --> 01:24:54,420

one betraying Unity Consciousness which

2069

01:24:58,010 --> 01:24:56,640

is universal awareness I'm not going to

2070

01:24:59,689 --> 01:24:58,020

call it Christ Consciousness but it is

2071

01:25:02,930 --> 01:24:59,699

Christ Consciousness let's just call it

2072

01:25:06,110 --> 01:25:02,940

Universal awareness sure and so at the

2073

01:25:09,229 --> 01:25:06,120

same time that's when the um

2074

01:25:11,870 --> 01:25:09,239

the Syrian High Council decided to

2075

01:25:14,270 --> 01:25:11,880

create a battle Star Planet okay so what

2076

01:25:16,370 --> 01:25:14,280

they did is after the reptilians

2077

01:25:19,250 --> 01:25:16,380

destroyed the original human world in

2078

01:25:22,970 --> 01:25:19,260

Lyra known as Planet Avion a chunk of

2079

01:25:24,890 --> 01:25:22,980

Avion was later developed into the

2080

01:25:27,649 --> 01:25:24,900

battle star planet that later became

2081

01:25:30,410 --> 01:25:27,659

Nibiru now this was the original Nibiru

2082

01:25:32,149 --> 01:25:30,420

okay the original nibir was was actually

2083

01:25:34,790 --> 01:25:32,159

known as the defender of the Galaxy so

2084

01:25:37,490 --> 01:25:34,800

in its initial creation Nibiru was

2085

01:25:38,810 --> 01:25:37,500

actually part of the Syrian High Council

2086

01:25:41,209 --> 01:25:38,820

it was developed by the Syrian High

2087

01:25:42,950 --> 01:25:41,219

Council and then another chunk of Avion

2088

01:25:45,709 --> 01:25:42,960

which was the eighth dimensional Earth

2089

01:25:47,510 --> 01:25:45,719

was luckily captured by the alcion

2090

01:25:49,850 --> 01:25:47,520

system which is here in the pleiadius

2091

01:25:52,130 --> 01:25:49,860

and then became part of the system of

2092

01:25:54,649 --> 01:25:52,140

the Pleadians and that's when our the

2093

01:25:57,050 --> 01:25:54,659

plan our that chunk reincarnated as

2094

01:25:59,030 --> 01:25:57,060

Planet Tiamat so this was the original

2095

01:26:01,970 --> 01:25:59,040

earth going back to four million years

2096

01:26:03,410 --> 01:26:01,980

ago it was a super earth now before I

2097

01:26:06,590 --> 01:26:03,420

get to that point let's go back to

2098

01:26:08,149 --> 01:26:06,600

sirius so in series they did developed

2099

01:26:10,370 --> 01:26:08,159

the Battlestar planet and they also

2100

01:26:12,110 --> 01:26:10,380

created based on this interdimensional

2101  
01:26:15,050 --> 01:26:12,120  
Intergalactic Alliance of free worlds

2102  
01:26:17,209 --> 01:26:15,060  
they created a race of Warriors That was

2103  
01:26:19,970 --> 01:26:17,219  
supposed to eventually combat the

2104  
01:26:22,010 --> 01:26:19,980  
reptilians and so what happened was an

2105  
01:26:23,570 --> 01:26:22,020  
advance race that operates from the

2106  
01:26:27,290 --> 01:26:23,580  
center of the Galaxy which is a

2107  
01:26:29,629 --> 01:26:27,300  
non-physical race was able to mix with

2108  
01:26:32,270 --> 01:26:29,639  
the lyrins the 12 houses of Lyra to

2109  
01:26:34,610 --> 01:26:32,280  
create the original House of Elohim

2110  
01:26:36,350 --> 01:26:34,620  
this is where we get the concept of the

2111  
01:26:38,510 --> 01:26:36,360  
Guardians right the gods whatever you

2112  
01:26:40,850 --> 01:26:38,520  
want to call them so the Watchers the

2113  
01:26:42,950 --> 01:26:40,860

Guardians yes yes Guardians the Watchers

2114

01:26:46,010 --> 01:26:42,960

so they originated they established

2115

01:26:49,669 --> 01:26:46,020

themselves in Lyra okay

2116

01:26:52,070 --> 01:26:49,679

and so you know can I jump ahead and

2117

01:26:55,490 --> 01:26:52,080

then we're going to come back okay go

2118

01:26:57,110 --> 01:26:55,500

ahead with Jesus libren yes he was okay

2119

01:27:01,250 --> 01:26:57,120

let's go back now let's go back to the

2120

01:27:03,350 --> 01:27:01,260

Elohim okay so the so the Elohim was

2121

01:27:05,990 --> 01:27:03,360

created and the battle star planet

2122

01:27:08,930 --> 01:27:06,000

Nibiru was which was developed from the

2123

01:27:12,530 --> 01:27:08,940

chunk that survived the exploded Planet

2124

01:27:14,390 --> 01:27:12,540

Avion uh became known as the defender of

2125

01:27:17,750 --> 01:27:14,400

the Galaxy so the race that was

2126  
01:27:19,790 --> 01:27:17,760  
established to put to patrol and

2127  
01:27:22,129 --> 01:27:19,800  
navigate the Battlestar Nibiru was known

2128  
01:27:24,709 --> 01:27:22,139  
as the anuhasi race and this is before

2129  
01:27:27,410 --> 01:27:24,719  
they be they later became translate as

2130  
01:27:29,870 --> 01:27:27,420  
the Anunnaki again even Zechariah

2131  
01:27:32,750 --> 01:27:29,880  
sitchin was compromised so the original

2132  
01:27:34,729 --> 01:27:32,760  
Guardian race was known as you might be

2133  
01:27:37,430 --> 01:27:34,739  
right there you might be right hey I

2134  
01:27:41,050 --> 01:27:37,440  
I'll tell you a little secret sure I

2135  
01:27:45,950 --> 01:27:41,060  
can't say who or how I heard this

2136  
01:27:51,830 --> 01:27:48,590  
you like that

2137  
01:27:55,910 --> 01:27:51,840  
okay so maybe you're gonna jump into

2138  
01:27:58,010 --> 01:27:55,920

this now was Marduk on Nibiru was this

2139

01:28:00,649 --> 01:27:58,020

part of this the history

2140

01:28:02,450 --> 01:28:00,659

well Marduk was the son of enki enki was

2141

01:28:03,550 --> 01:28:02,460

Poseidon to the Greeks I'm going to get

2142

01:28:06,110 --> 01:28:03,560

to that point

2143

01:28:08,570 --> 01:28:06,120

I love this okay keep going keep going

2144

01:28:10,970 --> 01:28:08,580

okay two notes man I'm writing

2145

01:28:13,010 --> 01:28:10,980

feverishly and and I'm going to go back

2146

01:28:15,950 --> 01:28:13,020

and reference all of this in the book

2147

01:28:19,310 --> 01:28:15,960

this is this is great yeah so so

2148

01:28:21,350 --> 01:28:19,320

afterwards um the the guardian race was

2149

01:28:23,330 --> 01:28:21,360

developed the original anuhasi race so

2150

01:28:25,970 --> 01:28:23,340

now we had an established Warrior Race

2151

01:28:27,169 --> 01:28:25,980

that was that was both physical and

2152

01:28:29,030 --> 01:28:27,179

non-physical in other words they were

2153

01:28:31,490 --> 01:28:29,040

operating on on different multiple

2154

01:28:33,890 --> 01:28:31,500

Dimensions they were like the Jedis they

2155

01:28:36,470 --> 01:28:33,900

had telekinetic powers and so everything

2156

01:28:38,629 --> 01:28:36,480

they did was like they had abilities

2157

01:28:41,270 --> 01:28:38,639

like supernatural abilities and so

2158

01:28:43,250 --> 01:28:41,280

that's how they were able to combat the

2159

01:28:45,110 --> 01:28:43,260

what became known the the expanding

2160

01:28:47,149 --> 01:28:45,120

reptilian Empire now bear in mind that

2161

01:28:49,610 --> 01:28:47,159

the traders that went to aldebra on the

2162

01:28:51,709 --> 01:28:49,620

nordics later reorganized themselves

2163

01:28:54,709 --> 01:28:51,719

with the reptilians as the Orion Empire

2164

01:28:57,470 --> 01:28:54,719

okay so now the Orion Orion Empire

2165

01:29:00,590 --> 01:28:57,480

wanted to expand Beyond Orion

2166

01:29:04,070 --> 01:29:00,600

and at the same time what they ended up

2167

01:29:06,229 --> 01:29:04,080

doing was they ended up enslaving the

2168

01:29:07,310 --> 01:29:06,239

humans that went to the upper regions of

2169

01:29:09,590 --> 01:29:07,320

Orion

2170

01:29:11,030 --> 01:29:09,600

the peaceful masculine humans that were

2171

01:29:13,129 --> 01:29:11,040

trying to balance their spirituality

2172

01:29:16,010 --> 01:29:13,139

with technology they were eventually

2173

01:29:18,229 --> 01:29:16,020

enslaved by the Orion Empire which was

2174

01:29:21,649 --> 01:29:18,239

now reorganized from the Draco Empire

2175

01:29:22,910 --> 01:29:21,659

after seducing the aldebra the uh

2176  
01:29:25,189 --> 01:29:22,920  
certain tyrants that became the

2177  
01:29:27,470 --> 01:29:25,199  
aldebarans later reorganized as the

2178  
01:29:29,450 --> 01:29:27,480  
Orion Empire and then the first thing

2179  
01:29:31,550 --> 01:29:29,460  
they did is they CR they Enslaved the

2180  
01:29:34,129 --> 01:29:31,560  
humans within the upper system of Orion

2181  
01:29:36,169 --> 01:29:34,139  
so that's when slavery first happened

2182  
01:29:39,350 --> 01:29:36,179  
within the history of our universe or

2183  
01:29:42,649 --> 01:29:39,360  
our galaxy in Orion many humans were

2184  
01:29:44,990 --> 01:29:42,659  
enslaved and a group of them a small

2185  
01:29:46,970 --> 01:29:45,000  
chunk of them decided to Rebel they

2186  
01:29:49,610 --> 01:29:46,980  
decided to create a resistance and they

2187  
01:29:51,770 --> 01:29:49,620  
became known as the black leak of Orion

2188  
01:29:53,330 --> 01:29:51,780

and the reason they call themselves The

2189

01:29:55,550 --> 01:29:53,340

Black leak of Orion was because they

2190

01:29:57,290 --> 01:29:55,560

were operating in secret and this is

2191

01:29:59,270 --> 01:29:57,300

again this parallels a lot of the stuff

2192

01:30:00,590 --> 01:29:59,280

that George Lucas writes about when he

2193

01:30:03,649 --> 01:30:00,600

talks about the galactic resistance

2194

01:30:06,410 --> 01:30:03,659

right the rebels so the the first Rebels

2195

01:30:07,850 --> 01:30:06,420

were the the humanoids in Orion the

2196

01:30:10,669 --> 01:30:07,860

galactic humans that were enslaved that

2197

01:30:12,229 --> 01:30:10,679

decided to combat and fight the slavery

2198

01:30:15,110 --> 01:30:12,239

they became known as the black leak of

2199

01:30:17,570 --> 01:30:15,120

Orion while that was happening under the

2200

01:30:19,790 --> 01:30:17,580

direction of the anohasi race the new

2201

01:30:22,370 --> 01:30:19,800

Warrior Race that comes from Sirius B

2202

01:30:25,250 --> 01:30:22,380

right that is operating the Battle Star

2203

01:30:28,250 --> 01:30:25,260

Nibiru we also had the different humans

2204

01:30:31,090 --> 01:30:28,260

that went to the Pleiades to uh you know

2205

01:30:34,910 --> 01:30:31,100

different like Alpha Centauri uh Epsilon

2206

01:30:37,790 --> 01:30:34,920

eridani uh the Centaur system

2207

01:30:40,610 --> 01:30:37,800

um the you know different systems like I

2208

01:30:42,169 --> 01:30:40,620

think over 200 000 systems by now how

2209

01:30:44,390 --> 01:30:42,179

the humans were repopulating in our

2210

01:30:46,750 --> 01:30:44,400

galaxy they were also forming different

2211

01:30:49,370 --> 01:30:46,760

confederations or coalitions of light

2212

01:30:51,229 --> 01:30:49,380

and under the council or under the

2213

01:30:53,750 --> 01:30:51,239

direction of the Syrian High Council it

2214

01:30:56,270 --> 01:30:53,760

was ordained to come together in unity

2215

01:30:59,209 --> 01:30:56,280

because the expanding Orion Empire was

2216

01:31:00,709 --> 01:30:59,219

already uh taking over a huge chunk of

2217

01:31:02,990 --> 01:31:00,719

the Milky Way they were just conquering

2218

01:31:05,090 --> 01:31:03,000

world after world after World okay and

2219

01:31:07,669 --> 01:31:05,100

so what ended up happening was all these

2220

01:31:10,010 --> 01:31:07,679

different Stellar human star systems or

2221

01:31:12,530 --> 01:31:10,020

what they're known as star nations of

2222

01:31:14,750 --> 01:31:12,540

Galactic humans came together as one

2223

01:31:16,790 --> 01:31:14,760

group and that's when they established

2224

01:31:18,770 --> 01:31:16,800

the Galactic Federation of free worlds

2225

01:31:20,709 --> 01:31:18,780

and that event took place approximately

2226

01:31:24,010 --> 01:31:20,719

five million years ago

2227

01:31:27,229 --> 01:31:24,020

and go ahead

2228

01:31:31,129 --> 01:31:27,239

man I've got a whole page of stuff here

2229

01:31:34,790 --> 01:31:31,139

okay I want to Let's jump back for a

2230

01:31:37,669 --> 01:31:34,800

second I want to talk about uh uh String

2231

01:31:42,050 --> 01:31:37,679

Theory just really quick when we talked

2232

01:31:43,729 --> 01:31:42,060

about 12 Dimensions Brian Greene and

2233

01:31:47,030 --> 01:31:43,739

string theory

2234

01:31:50,810 --> 01:31:47,040

um and what it proposes

2235

01:31:52,490 --> 01:31:50,820

is that there are 12 dimensions and

2236

01:31:55,970 --> 01:31:52,500

they're working on that math right now

2237

01:31:57,770 --> 01:31:55,980

now for everybody out there to go and

2238

01:32:00,590 --> 01:31:57,780

say hey wait a minute here because we

2239

01:32:04,490 --> 01:32:00,600

can understand up down forward and back

2240

01:32:07,510 --> 01:32:04,500

yeah and then you know throw in time

2241

01:32:11,270 --> 01:32:07,520

okay we can kind of understand

2242

01:32:13,790 --> 01:32:11,280

these these four basic Dimensions but

2243

01:32:17,209 --> 01:32:13,800

string theory is going straight at 12

2244

01:32:19,610 --> 01:32:17,219

Dimensions now he explains why really

2245

01:32:22,970 --> 01:32:19,620

well and that the math is supporting

2246

01:32:26,270 --> 01:32:22,980

this but everything that you are

2247

01:32:30,229 --> 01:32:26,280

mentioning here science is doing their

2248

01:32:33,490 --> 01:32:30,239

best to show this to us aren't they

2249

01:32:36,530 --> 01:32:33,500

yes they are

2250

01:32:38,570 --> 01:32:36,540

the um uh the other point that I wanted

2251

01:32:43,550 --> 01:32:38,580

to go back and make

2252

01:32:46,430 --> 01:32:43,560

is when we look at these concepts of uh

2253

01:32:52,930 --> 01:32:46,440

not only the Anunnaki and Nibiru but any

2254

01:32:58,610 --> 01:32:56,510

we if you were

2255

01:33:00,470 --> 01:32:58,620

stay with me for a second I'm going to

2256

01:33:03,830 --> 01:33:00,480

make this as quick as I can let me get

2257

01:33:06,590 --> 01:33:03,840

the concept out if you were a village

2258

01:33:10,330 --> 01:33:06,600

five thousand years ago and somebody

2259

01:33:13,189 --> 01:33:10,340

came over the hill that you didn't meet

2260

01:33:16,430 --> 01:33:13,199

different clothes probably a different

2261

01:33:21,290 --> 01:33:16,440

language right yeah a different thing

2262

01:33:24,350 --> 01:33:21,300

yeah it's just something new right

2263

01:33:26,390 --> 01:33:24,360

something rolls up on a boat and and and

2264

01:33:27,649 --> 01:33:26,400

pulls up and you've never met them

2265

01:33:29,090 --> 01:33:27,659

before again different language

2266

01:33:31,250 --> 01:33:29,100

different dress different stuff

2267

01:33:33,110 --> 01:33:31,260

different paint on the whatever it is

2268

01:33:35,030 --> 01:33:33,120

just a different culture right and

2269

01:33:37,149 --> 01:33:35,040

you're learning things and and trading

2270

01:33:39,950 --> 01:33:37,159

stuff something comes out of the sky

2271

01:33:45,110 --> 01:33:39,960

five thousand years ago you're going to

2272

01:33:46,669 --> 01:33:45,120

equate that to the same new situation as

2273

01:33:48,350 --> 01:33:46,679

you would with somebody on a boat or

2274

01:33:51,410 --> 01:33:48,360

somebody coming over the hill that's

2275

01:33:53,689 --> 01:33:51,420

just or if you were out discovering with

2276

01:33:55,209 --> 01:33:53,699

your buddies right and you go and walk

2277

01:33:58,250 --> 01:33:55,219

20 miles

2278

01:34:00,310 --> 01:33:58,260

a whole Day's Journey but you encounter

2279

01:34:05,149 --> 01:34:00,320

something new right

2280

01:34:06,590 --> 01:34:05,159

today our level of understanding is

2281

01:34:09,530 --> 01:34:06,600

elevated

2282

01:34:11,149 --> 01:34:09,540

so if something came out of the sky

2283

01:34:13,129 --> 01:34:11,159

today we're going to approach that

2284

01:34:17,470 --> 01:34:13,139

completely different

2285

01:34:20,689 --> 01:34:17,480

and that is an issue it is of my belief

2286

01:34:23,090 --> 01:34:20,699

that you know whether Jesus you know

2287

01:34:26,390 --> 01:34:23,100

ascended or descended or whatever that's

2288

01:34:29,090 --> 01:34:26,400

one thing but the other thing is any any

2289

01:34:32,209 --> 01:34:29,100

race of beings encountering us back then

2290

01:34:34,610 --> 01:34:32,219

understood that our level of knowledge

2291

01:34:36,649 --> 01:34:34,620

but there had been a huge gap before

2292

01:34:39,590 --> 01:34:36,659

they turn around and return

2293

01:34:41,810 --> 01:34:39,600

but we you know what I mean because we

2294

01:34:43,370 --> 01:34:41,820

are a shoot first asked questions later

2295

01:34:44,930 --> 01:34:43,380

obviously look what happened this

2296

01:34:48,110 --> 01:34:44,940

weekend right

2297

01:34:50,629 --> 01:34:48,120

um and so uh and I totally get that

2298

01:34:53,390 --> 01:34:50,639

mentality right that back then

2299

01:34:57,470 --> 01:34:53,400

no we were okay with it we were still in

2300

01:35:00,169 --> 01:34:57,480

the age of Discovery but today E.T shows

2301

01:35:01,850 --> 01:35:00,179

up that's a bad scene right and and

2302

01:35:03,350 --> 01:35:01,860

that's where we are

2303

01:35:04,970 --> 01:35:03,360

well you know the thing is that the

2304

01:35:07,850 --> 01:35:04,980

governments are covering up the

2305

01:35:10,490 --> 01:35:07,860

benevolent ETS the galactic uh Alliance

2306

01:35:13,070 --> 01:35:10,500

Federation because they they don't want

2307

01:35:15,110 --> 01:35:13,080

us to have this free energy technology

2308

01:35:17,390 --> 01:35:15,120

they don't want us to have the

2309

01:35:19,550 --> 01:35:17,400

technology that is going to completely

2310

01:35:21,410 --> 01:35:19,560

eliminate the petrochemical companies

2311

01:35:22,870 --> 01:35:21,420

the pharmaceutical cartel the oil

2312

01:35:25,970 --> 01:35:22,880

industry

2313

01:35:27,830 --> 01:35:25,980

renewable energy if we use Zero Point

2314

01:35:30,050 --> 01:35:27,840

Energy and that energy is already

2315

01:35:32,149 --> 01:35:30,060

available I mean it's being employed

2316

01:35:33,590 --> 01:35:32,159

implemented within the private sector of

2317

01:35:35,750 --> 01:35:33,600

these Breakaway groups known as secret

2318

01:35:37,790 --> 01:35:35,760

space programs I know we could probably

2319

01:35:39,950 --> 01:35:37,800

do another episode where we we cover the

2320

01:35:43,370 --> 01:35:39,960

the secret space programs that were

2321

01:35:45,550 --> 01:35:43,380

actually developed in secret uh between

2322

01:35:48,530 --> 01:35:45,560

certain members of The Shadow government

2323

01:35:50,270 --> 01:35:48,540

and certain races you know and then

2324

01:35:51,770 --> 01:35:50,280

there's both right you have the the

2325

01:35:53,450 --> 01:35:51,780

negative races that have been working

2326

01:35:55,490 --> 01:35:53,460

with the shadow government of the

2327

01:35:57,229 --> 01:35:55,500

luciferian Brotherhood who has been you

2328

01:35:59,090 --> 01:35:57,239

know the governing the rings of power

2329

01:36:01,370 --> 01:35:59,100

for thousands of years the Babylonians

2330

01:36:03,590 --> 01:36:01,380

right modern day Babylon and then of

2331

01:36:05,810 --> 01:36:03,600

course you have the white hats the Earth

2332

01:36:08,030 --> 01:36:05,820

Alliance that have been working with the

2333

01:36:10,610 --> 01:36:08,040

Galactic Federation The Pleiadians the

2334

01:36:12,890 --> 01:36:10,620

andromedans those from planet Venus uh

2335

01:36:14,810 --> 01:36:12,900

and and uh you know Arcturus in order to

2336

01:36:16,490 --> 01:36:14,820

free and Liberate the planet but anyways

2337

01:36:20,450 --> 01:36:16,500

that could be another topic

2338

01:36:23,450 --> 01:36:20,460

and well when somebody I I think that

2339

01:36:27,290 --> 01:36:23,460

there are so many versions in people's

2340

01:36:31,070 --> 01:36:27,300

minds about what uh uh you know secret

2341

01:36:34,669 --> 01:36:31,080

space program may be but for anybody

2342

01:36:38,149 --> 01:36:34,679

that needs an explanation and

2343

01:36:40,310 --> 01:36:38,159

clarification of it I I always go in One

2344

01:36:46,910 --> 01:36:40,320

Direction really quick

2345

01:36:49,310 --> 01:36:46,920

that's the x-39b and the x-39b which uh

2346

01:36:52,910 --> 01:36:49,320

the Air Force shoots up in the space

2347

01:36:57,350 --> 01:36:52,920

force now uh and it's up orbiting our

2348

01:37:00,050 --> 01:36:57,360

planet for two years on a secret mission

2349

01:37:02,629 --> 01:37:00,060

um and everything that is involved with

2350

01:37:04,790 --> 01:37:02,639

the development of the x-39b all of the

2351

01:37:08,330 --> 01:37:04,800

engineers the pilots the program the

2352

01:37:10,610 --> 01:37:08,340

logistics the building the the planning

2353

01:37:12,229 --> 01:37:10,620

of the missions that are going on up

2354

01:37:14,750 --> 01:37:12,239

there for two years and we have no idea

2355

01:37:17,450 --> 01:37:14,760

what they are doing but all of that is

2356

01:37:18,950 --> 01:37:17,460

done in secret and we didn't know and

2357

01:37:20,530 --> 01:37:18,960

think about the tens of thousands of

2358

01:37:24,110 --> 01:37:20,540

people that are involved in that program

2359

01:37:28,669 --> 01:37:24,120

nobody knew until they decided to tell

2360

01:37:32,149 --> 01:37:28,679

us about it so if that is going on what

2361

01:37:34,729 --> 01:37:32,159

else could be going on I don't know but

2362

01:37:37,430 --> 01:37:34,739

if you want evidence of a secret space

2363

01:37:38,750 --> 01:37:37,440

program there's the x-39b right in front

2364

01:37:41,689 --> 01:37:38,760

of you

2365

01:37:43,510 --> 01:37:41,699

um and and uh moving on from that point

2366

01:37:47,570 --> 01:37:43,520

though

2367

01:37:50,510 --> 01:37:47,580

the Zero Point Energy or any type of

2368

01:37:52,370 --> 01:37:50,520

energy it could be zero point

2369

01:37:53,810 --> 01:37:52,380

um but anything like that if our

2370

01:37:56,270 --> 01:37:53,820

government I think that's the problem

2371

01:37:59,870 --> 01:37:56,280

with this closure and not only the

2372

01:38:03,590 --> 01:37:59,880

petrochemical side of this and and the

2373

01:38:06,110 --> 01:38:03,600

fuel side of it that is there

2374

01:38:08,030 --> 01:38:06,120

um here's the issue with it if

2375

01:38:10,610 --> 01:38:08,040

disclosure happens and everybody's

2376

01:38:12,050 --> 01:38:10,620

yelling for it now right it's not just

2377

01:38:14,990 --> 01:38:12,060

our community it's the whole planet

2378

01:38:18,229 --> 01:38:15,000

talking about UFO's new APS right now

2379

01:38:20,030 --> 01:38:18,239

if I our government or any government

2380

01:38:22,729 --> 01:38:20,040

says yeah we've had contact for a long

2381

01:38:25,610 --> 01:38:22,739

time oh yeah yeah yeah it's time to tell

2382

01:38:27,290 --> 01:38:25,620

you the truth and then they've got the

2383

01:38:29,450 --> 01:38:27,300

issue of Ishmael

2384

01:38:30,410 --> 01:38:29,460

how long have you known about free

2385

01:38:33,950 --> 01:38:30,420

energy

2386

01:38:36,770 --> 01:38:33,960

because my heating bill last year I had

2387

01:38:38,570 --> 01:38:36,780

to feed my children and you know what I

2388

01:38:40,189 --> 01:38:38,580

mean and and what about the cost of food

2389

01:38:41,990 --> 01:38:40,199

what about heating our schools what

2390

01:38:45,050 --> 01:38:42,000

about cooling our schools what about the

2391

01:38:47,030 --> 01:38:45,060

farms and and the starving people on how

2392

01:38:48,709 --> 01:38:47,040

long have you known about this that's

2393

01:38:51,290 --> 01:38:48,719

the issue that's going to confront them

2394

01:38:53,510 --> 01:38:51,300

and and it's a it's a big issue that

2395

01:38:55,550 --> 01:38:53,520

they have to dance around right

2396

01:38:57,229 --> 01:38:55,560

well the reason why they have been

2397

01:38:59,709 --> 01:38:57,239

withholding all this from us is because

2398

01:39:02,270 --> 01:38:59,719

they're making trillions out of their

2399

01:39:04,729 --> 01:39:02,280

pharmaceutical companies I call it the

2400

01:39:07,129 --> 01:39:04,739

pharmaceutical cartel the oil petrical

2401

01:39:08,689 --> 01:39:07,139

companies all the chemical companies uh

2402

01:39:11,270 --> 01:39:08,699

edocent you know they don't want to free

2403

01:39:13,310 --> 01:39:11,280

up electricity you mean I mean if if we

2404

01:39:15,709 --> 01:39:13,320

have disclosure you realize that's going

2405

01:39:19,030 --> 01:39:15,719

to totally solve all our world problems

2406

01:39:21,350 --> 01:39:19,040

overnight like this

2407

01:39:22,750 --> 01:39:21,360

and it could have solved them all 50

2408

01:39:25,790 --> 01:39:22,760

years ago

2409

01:39:27,649 --> 01:39:25,800

on it yes yeah because they're afraid to

2410

01:39:28,729 --> 01:39:27,659

lose their Monopoly their control over

2411

01:39:30,370 --> 01:39:28,739

the planet

2412

01:39:34,970 --> 01:39:30,380

right

2413

01:39:36,709 --> 01:39:34,980

it's a it's such a how close are we

2414

01:39:39,830 --> 01:39:36,719

um I I want to go back to one of the

2415

01:39:43,010 --> 01:39:39,840

points in the book where you write I

2416

01:39:45,709 --> 01:39:43,020

think the date well it doesn't matter

2417

01:39:48,050 --> 01:39:45,719

um that uh you've got the Book of

2418

01:39:51,229 --> 01:39:48,060

Revelation and if that everything else

2419

01:39:53,990 --> 01:39:51,239

that is uh presented in the Bible

2420

01:39:55,370 --> 01:39:54,000

um is is it a 2 000 year number is that

2421

01:40:01,129 --> 01:39:55,380

is that the number

2422

01:40:03,110 --> 01:40:01,139

if if Jesus did his thing uh what 33 A.D

2423

01:40:05,450 --> 01:40:03,120

or whatever that was when whenever he

2424

01:40:08,330 --> 01:40:05,460

did his his thing

2425

01:40:11,930 --> 01:40:08,340

um I'm not a Biblical scholar okay so

2426  
01:40:14,270 --> 01:40:11,940  
anyway so but are we talking about are

2427  
01:40:15,830 --> 01:40:14,280  
we in now are we in go time if we're in

2428  
01:40:20,930 --> 01:40:15,840  
2023

2429  
01:40:22,729 --> 01:40:20,940  
yes we are yes we are actually in a time

2430  
01:40:25,790 --> 01:40:22,739  
where uh that we are going to be

2431  
01:40:28,370 --> 01:40:25,800  
undergoing the biggest Quantum shift the

2432  
01:40:30,830 --> 01:40:28,380  
biggest transition and evolution that is

2433  
01:40:33,470 --> 01:40:30,840  
going to affect the entire planet you

2434  
01:40:35,209 --> 01:40:33,480  
know if people are ready to evolve you

2435  
01:40:37,010 --> 01:40:35,219  
know they're going to experience what

2436  
01:40:38,270 --> 01:40:37,020  
many in the awakened Community call

2437  
01:40:40,850 --> 01:40:38,280  
Ascension

2438  
01:40:43,189 --> 01:40:40,860

and and this has been predicted

2439

01:40:44,629 --> 01:40:43,199

in in many ancient records not the

2440

01:40:46,490 --> 01:40:44,639

religious organizations the religious

2441

01:40:48,470 --> 01:40:46,500

organizations for the most part always

2442

01:40:50,149 --> 01:40:48,480

speak about this external savior that's

2443

01:40:52,970 --> 01:40:50,159

going to come back and save us and that

2444

01:40:55,970 --> 01:40:52,980

is hogwash the truth of the matter is we

2445

01:40:58,189 --> 01:40:55,980

our own saviors by you know accelerating

2446

01:40:59,870 --> 01:40:58,199

our own Evolution through the expansion

2447

01:41:01,729 --> 01:40:59,880

of our consciousness

2448

01:41:04,010 --> 01:41:01,739

and so what's happening is that many

2449

01:41:06,649 --> 01:41:04,020

people are waking up many people are

2450

01:41:08,629 --> 01:41:06,659

expanding their Consciousness and as a

2451  
01:41:10,610 --> 01:41:08,639  
result of that we're going to be getting

2452  
01:41:12,890 --> 01:41:10,620  
ready to hit critical mass

2453  
01:41:14,570 --> 01:41:12,900  
and that is what's going to cause the

2454  
01:41:17,209 --> 01:41:14,580  
restoration of the earth back into the

2455  
01:41:18,830 --> 01:41:17,219  
fourth and fifth dimension which is what

2456  
01:41:21,229 --> 01:41:18,840  
I call a new Heaven on Earth the Golden

2457  
01:41:23,510 --> 01:41:21,239  
Age of Enlightenment the age of Aquarius

2458  
01:41:26,570 --> 01:41:23,520  
and it's already here it's just a matter

2459  
01:41:28,430 --> 01:41:26,580  
of time before this great event known as

2460  
01:41:30,890 --> 01:41:28,440  
the great solar flash which is going to

2461  
01:41:33,470 --> 01:41:30,900  
be the trigger point the bifurcation of

2462  
01:41:35,149 --> 01:41:33,480  
timelines those that are ready to ascend

2463  
01:41:38,149 --> 01:41:35,159

are going to ascend into the spiritual

2464

01:41:40,609 --> 01:41:38,159

Earth and to this earth that existed

2465

01:41:42,290 --> 01:41:40,619

before the fall of Atlantis and those

2466

01:41:44,090 --> 01:41:42,300

that are not ready to ascend

2467

01:41:46,189 --> 01:41:44,100

unfortunately for them are going to go

2468

01:41:49,729 --> 01:41:46,199

into a separate timeline

2469

01:41:52,070 --> 01:41:49,739

explain that further we're not talking

2470

01:41:54,729 --> 01:41:52,080

about we're not going like into a heaven

2471

01:41:57,290 --> 01:41:54,739

in Hell description of things

2472

01:41:59,149 --> 01:41:57,300

hell doesn't exist that's religious

2473

01:42:01,729 --> 01:41:59,159

programming in order to control the

2474

01:42:04,250 --> 01:42:01,739

masses okay thank you yeah you know if

2475

01:42:06,070 --> 01:42:04,260

anything you know there are Cycles you

2476

01:42:09,470 --> 01:42:06,080

know we started off as a golden age

2477

01:42:11,629 --> 01:42:09,480

perhaps you know 200 000 years ago right

2478

01:42:13,790 --> 01:42:11,639

and that Golden Age lasted for for

2479

01:42:16,850 --> 01:42:13,800

hundreds of thousands of years and from

2480

01:42:19,550 --> 01:42:16,860

that Golden Age we fell into a silver

2481

01:42:21,470 --> 01:42:19,560

age where it was predominantly still

2482

01:42:23,750 --> 01:42:21,480

good but a little bit of evil started

2483

01:42:26,689 --> 01:42:23,760

lurking in and then from a silver age we

2484

01:42:29,629 --> 01:42:26,699

fell into a Bronze Age where it was just

2485

01:42:31,550 --> 01:42:29,639

now 50 50. and then from a Bronze Age we

2486

01:42:33,530 --> 01:42:31,560

fell into the Iron Age which is mostly

2487

01:42:34,970 --> 01:42:33,540

dominated by evil with that little bit

2488

01:42:36,830 --> 01:42:34,980

of good and that's why you know the ying

2489

01:42:38,330 --> 01:42:36,840

and the Yang you know you have the dark

2490

01:42:39,830 --> 01:42:38,340

with a little bit of light and then you

2491

01:42:41,629 --> 01:42:39,840

have the light with a little bit of dark

2492

01:42:44,270 --> 01:42:41,639

that's called polarity Duality

2493

01:42:46,609 --> 01:42:44,280

everything's a cycle the only difference

2494

01:42:49,129 --> 01:42:46,619

now Jimmy according to my research is

2495

01:42:52,370 --> 01:42:49,139

that because the Earth has entered this

2496

01:42:55,189 --> 01:42:52,380

phenomena this Photon field uh every

2497

01:42:57,530 --> 01:42:55,199

which is a a cycle that happens every 26

2498

01:42:59,570 --> 01:42:57,540

000 years which purges the you know it

2499

01:43:01,129 --> 01:42:59,580

it ends the Dark Ages as we go into the

2500

01:43:03,890 --> 01:43:01,139

Golden Age again

2501  
01:43:06,410 --> 01:43:03,900  
um this has been happening already 5200

2502  
01:43:08,390 --> 01:43:06,420  
times because civilizations have

2503  
01:43:12,250 --> 01:43:08,400  
actually been here for millions of years

2504  
01:43:15,590 --> 01:43:12,260  
so not only are we ending a

2505  
01:43:17,689 --> 01:43:15,600  
2160 years you know uh zodiac from

2506  
01:43:21,350 --> 01:43:17,699  
Pisces to Aquarius but we're also ending

2507  
01:43:23,330 --> 01:43:21,360  
a 5 000 year age from um you know that

2508  
01:43:25,550 --> 01:43:23,340  
started in Babylon ending the dark ring

2509  
01:43:27,470 --> 01:43:25,560  
and entering again the age of light

2510  
01:43:31,970 --> 01:43:27,480  
whatever you want to call it golden age

2511  
01:43:35,090 --> 01:43:31,980  
but we're also a 26 000 year cycle which

2512  
01:43:36,890 --> 01:43:35,100  
is the the solar system entering a high

2513  
01:43:39,410 --> 01:43:36,900

monastic field in the galaxy known as

2514

01:43:41,990 --> 01:43:39,420

the photon belt in other words our solar

2515

01:43:44,570 --> 01:43:42,000

system is aligning to the central Sun

2516

01:43:47,030 --> 01:43:44,580

and every time it does that everything

2517

01:43:51,169 --> 01:43:47,040

that is evil everything that is dark and

2518

01:43:52,629 --> 01:43:51,179

and wicked you know it it it purges it

2519

01:43:54,950 --> 01:43:52,639

doesn't make the shift

2520

01:43:56,330 --> 01:43:54,960

so only people that are good are gonna

2521

01:43:59,209 --> 01:43:56,340

make the shift this time and you don't

2522

01:44:00,830 --> 01:43:59,219

necessarily have to be like a holy holy

2523

01:44:02,209 --> 01:44:00,840

you could just generally be a good

2524

01:44:04,310 --> 01:44:02,219

person and you're still going to make

2525

01:44:08,570 --> 01:44:04,320

the fourth dimensional Earth

2526

01:44:10,970 --> 01:44:08,580

who who gives you your report card

2527

01:44:14,470 --> 01:44:10,980

who gives me my report card no who's

2528

01:44:17,450 --> 01:44:14,480

gonna give me mine I want to know do I

2529

01:44:19,010 --> 01:44:17,460

you know the thing is you're generally a

2530

01:44:20,810 --> 01:44:19,020

good person you know you were you were

2531

01:44:23,330 --> 01:44:20,820

hosting the conscious life Expo which is

2532

01:44:25,550 --> 01:44:23,340

a positive event that brings awareness

2533

01:44:29,450 --> 01:44:25,560

of spiritual consciousness to the people

2534

01:44:31,490 --> 01:44:29,460

you know it brings uh Unity it brings uh

2535

01:44:32,990 --> 01:44:31,500

higher concepts of living and and

2536

01:44:34,790 --> 01:44:33,000

because you are involved in those

2537

01:44:37,370 --> 01:44:34,800

projects you're obviously making the

2538

01:44:39,410 --> 01:44:37,380

positive ascending timeline so there's

2539

01:44:41,689 --> 01:44:39,420

two different okay as I speak there's

2540

01:44:43,669 --> 01:44:41,699

multiple timelines that are existing and

2541

01:44:45,770 --> 01:44:43,679

again this is a I don't want to call it

2542

01:44:47,870 --> 01:44:45,780

a theory but this is a fact that is

2543

01:44:50,270 --> 01:44:47,880

being proven through quantum physics

2544

01:44:53,689 --> 01:44:50,280

there are different parallel Earths that

2545

01:44:56,510 --> 01:44:53,699

are coexisting all at the same time and

2546

01:44:59,510 --> 01:44:56,520

every second throughout the day we are

2547

01:45:01,070 --> 01:44:59,520

shifting depending on where you are your

2548

01:45:03,169 --> 01:45:01,080

thoughts are and your emotions your

2549

01:45:05,810 --> 01:45:03,179

shifting parallel realities so let's

2550

01:45:08,149 --> 01:45:05,820

just say in one parallel Earth you know

2551

01:45:10,609 --> 01:45:08,159

uh things are going to get worse perhaps

2552

01:45:12,770 --> 01:45:10,619

the third rules were uh you know we

2553

01:45:14,149 --> 01:45:12,780

enter they they get people the masses

2554

01:45:16,669 --> 01:45:14,159

get enslaved into the One World

2555

01:45:18,709 --> 01:45:16,679

Government the population Agenda 24 or

2556

01:45:20,870 --> 01:45:18,719

2030 happens whatever but in another

2557

01:45:24,290 --> 01:45:20,880

parallel Earth those that are not living

2558

01:45:26,990 --> 01:45:24,300

in fear-based Consciousness that are you

2559

01:45:29,149 --> 01:45:27,000

know raising their frequency aligning

2560

01:45:32,090 --> 01:45:29,159

with what is good and you know in in

2561

01:45:34,310 --> 01:45:32,100

aligning with things that benefit their

2562

01:45:35,990 --> 01:45:34,320

own spiritual awareness

2563

01:45:38,030 --> 01:45:36,000

um are going to be entering the positive

2564

01:45:39,770 --> 01:45:38,040

sending timeline and this is where we're

2565

01:45:42,229 --> 01:45:39,780

going to have a bifurcation so right now

2566

01:45:44,750 --> 01:45:42,239

they're all coexisting right but there's

2567

01:45:47,510 --> 01:45:44,760

going to be a timeline split where those

2568

01:45:49,010 --> 01:45:47,520

that are choosing to live in a higher

2569

01:45:51,350 --> 01:45:49,020

vibration are going to go into the

2570

01:45:53,149 --> 01:45:51,360

positive ascending timeline and those

2571

01:45:55,790 --> 01:45:53,159

that are not are going to go are going

2572

01:45:58,609 --> 01:45:55,800

to continue going into this technocratic

2573

01:46:00,410 --> 01:45:58,619

dystopia that is ultimately going to be

2574

01:46:02,990 --> 01:46:00,420

controlled by artificial intelligence

2575

01:46:04,930 --> 01:46:03,000

and they're already promoting AI my

2576

01:46:07,550 --> 01:46:04,940

friend

2577

01:46:10,430 --> 01:46:07,560

yeah they are we didn't even get into

2578

01:46:13,490 --> 01:46:10,440

that tonight oh by the way

2579

01:46:16,970 --> 01:46:13,500

I did win my award at the conscious life

2580

01:46:20,109 --> 01:46:16,980

Expo see there it is right there so that

2581

01:46:24,830 --> 01:46:20,119

this this is my hall pass

2582

01:46:27,350 --> 01:46:24,840

that's my hall pass the now Can Can we

2583

01:46:29,770 --> 01:46:27,360

dance in the AI world in the little time

2584

01:46:32,510 --> 01:46:29,780

that we have left

2585

01:46:36,530 --> 01:46:32,520

they're coexisting they're coexisted

2586

01:46:40,010 --> 01:46:36,540

it's it's a it's this is a bizarre

2587

01:46:44,090 --> 01:46:40,020

um we are and it's happening so fast

2588

01:46:47,750 --> 01:46:44,100

right now where there is already an AI

2589

01:46:50,450 --> 01:46:47,760

presence that's been a part of uh the

2590

01:46:54,169 --> 01:46:50,460

internet uh not you know we've been

2591

01:46:57,229 --> 01:46:54,179

waiting for Skynet and T1000 you know AI

2592

01:46:58,850 --> 01:46:57,239

Bots robots to March down the streets

2593

01:47:02,570 --> 01:46:58,860

and we're not that far away from that

2594

01:47:06,229 --> 01:47:02,580

but as far as AI goes and and and being

2595

01:47:08,629 --> 01:47:06,239

a part of our reality and controlling uh

2596

01:47:10,370 --> 01:47:08,639

our emotions this has been a part of of

2597

01:47:12,290 --> 01:47:10,380

our world and nobody has known about it

2598

01:47:14,810 --> 01:47:12,300

for quite some time well they're already

2599

01:47:16,970 --> 01:47:14,820

trying to connect people to the board by

2600

01:47:19,010 --> 01:47:16,980

by injecting in their body the

2601  
01:47:21,290 --> 01:47:19,020  
equivalent of micro computer chips known

2602  
01:47:22,910 --> 01:47:21,300  
as nanotechnology why do you think they

2603  
01:47:25,189 --> 01:47:22,920  
rolled out this program a couple of

2604  
01:47:27,709 --> 01:47:25,199  
years ago you know there was it was all

2605  
01:47:29,330 --> 01:47:27,719  
planned there is no you know can I just

2606  
01:47:30,770 --> 01:47:29,340  
say the word there is no demec I'm just

2607  
01:47:32,750 --> 01:47:30,780  
gonna say endemic people should know

2608  
01:47:35,750 --> 01:47:32,760  
what I'm talking about it was all

2609  
01:47:37,669 --> 01:47:35,760  
planned ahead of time 50 years ago by

2610  
01:47:39,770 --> 01:47:37,679  
the powers that be because they knew

2611  
01:47:41,990 --> 01:47:39,780  
that the time would come that they would

2612  
01:47:44,149 --> 01:47:42,000  
lose their control due to this you know

2613  
01:47:46,609 --> 01:47:44,159

solar Flash and they only had a small

2614

01:47:49,129 --> 01:47:46,619

period of time to connect people to the

2615

01:47:51,109 --> 01:47:49,139

Borg Skynet is already in place my

2616

01:47:52,790 --> 01:47:51,119

friend it is called The Internet of

2617

01:47:55,790 --> 01:47:52,800

Things and it is connected through the

2618

01:47:58,310 --> 01:47:55,800

satellite systems and so the you know I

2619

01:48:01,070 --> 01:47:58,320

want to call it the uh the shot program

2620

01:48:02,870 --> 01:48:01,080

right the injection program right that

2621

01:48:04,609 --> 01:48:02,880

many people are in you know getting

2622

01:48:07,189 --> 01:48:04,619

right on their some people are already

2623

01:48:11,209 --> 01:48:07,199

on their third uh what is it third dose

2624

01:48:12,470 --> 01:48:11,219

fourth dose it is all part of changing

2625

01:48:15,950 --> 01:48:12,480

their body

2626

01:48:18,350 --> 01:48:15,960

into a inorganic vehicle so people that

2627

01:48:20,209 --> 01:48:18,360

have taken that have taken unfortunately

2628

01:48:22,129 --> 01:48:20,219

that believe in that program that are

2629

01:48:25,430 --> 01:48:22,139

lining up to get the fourth the boosters

2630

01:48:27,709 --> 01:48:25,440

rather are people that are losing their

2631

01:48:31,510 --> 01:48:27,719

organic uh their connection to Source

2632

01:48:35,209 --> 01:48:31,520

their bodies are literally changing

2633

01:48:36,410 --> 01:48:35,219

people is it's called transhumanism my

2634

01:48:41,209 --> 01:48:36,420

friend

2635

01:48:45,290 --> 01:48:41,219

what was what was that Bing I'm sorry my

2636

01:48:48,649 --> 01:48:45,300

best because if that came from my system

2637

01:48:54,109 --> 01:48:48,659

so AI was listening

2638

01:49:02,689 --> 01:48:59,830

um I would say in a general sense Maybe

2639

01:49:06,109 --> 01:49:02,699

overarching but let me tell you where

2640

01:49:13,729 --> 01:49:09,169

the system needed to know

2641

01:49:15,590 --> 01:49:13,739

that if they flipped the switch that

2642

01:49:18,709 --> 01:49:15,600

they could have control of the entire

2643

01:49:22,669 --> 01:49:18,719

planet all at once and they were shown

2644

01:49:25,550 --> 01:49:22,679

that they could yeah and every country

2645

01:49:27,609 --> 01:49:25,560

on this planet every corporation every

2646

01:49:29,750 --> 01:49:27,619

everybody everybody got in lockstep

2647

01:49:34,669 --> 01:49:29,760

really really fast and it was

2648

01:49:39,229 --> 01:49:34,679

astonishing and uh I got in lockstep

2649

01:49:43,430 --> 01:49:39,239

we had to we didn't have a choice right

2650

01:49:45,649 --> 01:49:43,440

um and so uh the the machine now

2651  
01:49:48,109 --> 01:49:45,659  
certainly and I have to be very careful

2652  
01:49:49,910 --> 01:49:48,119  
of what I say I don't want I don't want

2653  
01:49:52,609 --> 01:49:49,920  
this show shut down I don't want you

2654  
01:49:55,490 --> 01:49:52,619  
shut down and so forth but

2655  
01:49:57,709 --> 01:49:55,500  
um in the future if they need to flip

2656  
01:50:00,410 --> 01:49:57,719  
that switch again they know that how

2657  
01:50:02,629 --> 01:50:00,420  
effective it it is and and and and and

2658  
01:50:03,890 --> 01:50:02,639  
and one step further and then I want

2659  
01:50:06,950 --> 01:50:03,900  
your response

2660  
01:50:08,870 --> 01:50:06,960  
it's not is the evidence isn't

2661  
01:50:10,250 --> 01:50:08,880  
necessarily with the man flipping a

2662  
01:50:13,370 --> 01:50:10,260  
switch you want me to tell you what the

2663  
01:50:17,390 --> 01:50:13,380

evidence is the evidence is somebody

2664

01:50:20,270 --> 01:50:17,400

like uh some social media influencer or

2665

01:50:23,810 --> 01:50:20,280

whatever uh you know a Justin Bieber

2666

01:50:25,970 --> 01:50:23,820

that has got a 150 million subscribers

2667

01:50:29,709 --> 01:50:25,980

and followers and things and these

2668

01:50:34,430 --> 01:50:29,719

things that are going on that if you

2669

01:50:38,030 --> 01:50:34,440

uh choose to say something

2670

01:50:42,830 --> 01:50:38,040

you have the instantaneous

2671

01:50:45,770 --> 01:50:42,840

control of 20 30 40 million people

2672

01:50:50,330 --> 01:50:45,780

instantly so it could be something like

2673

01:50:55,129 --> 01:50:52,729

eat cheese

2674

01:50:57,649 --> 01:50:55,139

you'll live longer I'm making something

2675

01:51:02,149 --> 01:50:57,659

up off the top of my head but let's say

2676  
01:51:05,890 --> 01:51:02,159  
Kim Kardashian right says eat cheese

2677  
01:51:10,010 --> 01:51:05,900  
you'll live longer and the influence or

2678  
01:51:13,189 --> 01:51:10,020  
or the next day she says no don't eat

2679  
01:51:15,370 --> 01:51:13,199  
cheese right whatever it is but you have

2680  
01:51:18,290 --> 01:51:15,380  
that instant influence

2681  
01:51:20,990 --> 01:51:18,300  
we've never had that before in the

2682  
01:51:22,250 --> 01:51:21,000  
history of the world not like we do

2683  
01:51:25,129 --> 01:51:22,260  
today

2684  
01:51:27,830 --> 01:51:25,139  
and it's it's incredible and and the man

2685  
01:51:29,629 --> 01:51:27,840  
now fully understands this we really

2686  
01:51:31,850 --> 01:51:29,639  
need to clean this up though so we we

2687  
01:51:33,950 --> 01:51:31,860  
don't head in in the wrong direction but

2688  
01:51:35,990 --> 01:51:33,960

you understand what I'm saying yeah you

2689

01:51:37,310 --> 01:51:36,000

know all those uh celebrities are

2690

01:51:39,649 --> 01:51:37,320

actually under mind control they're all

2691

01:51:42,490 --> 01:51:39,659

MK Ultra anyways they're all Stooges for

2692

01:51:45,890 --> 01:51:42,500

this dark force you know

2693

01:51:49,209 --> 01:51:45,900

do you mean me no not you I'm talking

2694

01:51:51,770 --> 01:51:49,219

about yeah and Justin Bieber

2695

01:51:55,189 --> 01:51:51,780

yeah it's quite possible

2696

01:51:57,169 --> 01:51:55,199

um quite possible but um but I don't

2697

01:52:00,410 --> 01:51:57,179

mean it like that what I mean is the

2698

01:52:02,510 --> 01:52:00,420

mechanism is in place uh you could use

2699

01:52:05,930 --> 01:52:02,520

celebrities but the mechanism is in

2700

01:52:10,669 --> 01:52:05,940

place to go and and do crazy stuff and

2701  
01:52:13,850 --> 01:52:10,679  
when you have a chat GPT right and you

2702  
01:52:16,970 --> 01:52:13,860  
have these AI communication tools that

2703  
01:52:19,850 --> 01:52:16,980  
are out there and you tell something

2704  
01:52:21,169 --> 01:52:19,860  
that's got control of of this and you go

2705  
01:52:22,370 --> 01:52:21,179  
you know what man

2706  
01:52:25,030 --> 01:52:22,380  
um

2707  
01:52:28,070 --> 01:52:25,040  
fix pollution

2708  
01:52:30,530 --> 01:52:28,080  
you say that to AI

2709  
01:52:32,390 --> 01:52:30,540  
right and so hopefully AI is going to

2710  
01:52:36,410 --> 01:52:32,400  
fix the air

2711  
01:52:40,189 --> 01:52:36,420  
but what's causing the pollution

2712  
01:52:43,189 --> 01:52:40,199  
humans yeah so they kill all humans

2713  
01:52:46,910 --> 01:52:43,199

right I don't know but that's the danger

2714

01:52:49,370 --> 01:52:46,920

that's the danger of letting AI just

2715

01:52:53,090 --> 01:52:49,380

have too much control and right now we

2716

01:52:55,310 --> 01:52:53,100

wonder why social media Ishmael is

2717

01:52:59,570 --> 01:52:55,320

dividing and conquering the planet like

2718

01:53:01,030 --> 01:52:59,580

I mean just crash and burn it's AI

2719

01:53:03,649 --> 01:53:01,040

driven today

2720

01:53:06,590 --> 01:53:03,659

it's my friend it turns out that even

2721

01:53:10,129 --> 01:53:06,600

the dark cabal you know the the people

2722

01:53:12,649 --> 01:53:10,139

in power are in turn controlled by an AI

2723

01:53:16,070 --> 01:53:12,659

system that has already been in place

2724

01:53:17,330 --> 01:53:16,080

that is operating in secret so I I guess

2725

01:53:20,270 --> 01:53:17,340

I'm just going to leave this for next

2726

01:53:22,609 --> 01:53:20,280

time but the reptilians that have been

2727

01:53:24,430 --> 01:53:22,619

controlling this you know the elites the

2728

01:53:26,149 --> 01:53:24,440

dark Elites the Babylonian Brotherhood

2729

01:53:28,669 --> 01:53:26,159

luciferians that have been controlling

2730

01:53:30,890 --> 01:53:28,679

our world for thousands of years are

2731

01:53:33,770 --> 01:53:30,900

also in turn controlled by an ancient

2732

01:53:35,330 --> 01:53:33,780

alien AI that developed out of the 11th

2733

01:53:38,870 --> 01:53:35,340

creation which was a universe that

2734

01:53:42,410 --> 01:53:38,880

existed 400 billion years ago and so on

2735

01:53:44,270 --> 01:53:42,420

a galactic level uh and on a universal

2736

01:53:47,090 --> 01:53:44,280

level we have been at war with the

2737

01:53:49,310 --> 01:53:47,100

reptilians from from alpha draconis but

2738

01:53:51,290 --> 01:53:49,320

on a cosmic level involving multiple

2739

01:53:53,810 --> 01:53:51,300

universes you know who the Ultimate

2740

01:53:56,270 --> 01:53:53,820

Enemy is

2741

01:53:59,950 --> 01:53:56,280

artificial intelligence oh yeah machine

2742

01:54:04,669 --> 01:53:59,960

think about it yeah I almost said us

2743

01:54:09,169 --> 01:54:04,679

but in a weird way right so we go and we

2744

01:54:11,270 --> 01:54:09,179

develop AI uh to hope for this you know

2745

01:54:15,050 --> 01:54:11,280

the code right you know the creators of

2746

01:54:17,870 --> 01:54:15,060

this are trying to get to AGI artificial

2747

01:54:19,790 --> 01:54:17,880

general intelligence the basic the

2748

01:54:22,669 --> 01:54:19,800

average human brain and the capability

2749

01:54:23,950 --> 01:54:22,679

of that well you know what the average

2750

01:54:27,550 --> 01:54:23,960

brain

2751

01:54:31,189 --> 01:54:27,560

goes can go pretty whack pretty quick

2752

01:54:33,830 --> 01:54:31,199

right and power corrupts so give power

2753

01:54:36,229 --> 01:54:33,840

to Ai and watch what happens right it's

2754

01:54:38,750 --> 01:54:36,239

just gonna we're already at General AI

2755

01:54:41,629 --> 01:54:38,760

it's already so we're close we're close

2756

01:54:44,209 --> 01:54:41,639

yeah as of six months ago or eight

2757

01:54:46,910 --> 01:54:44,219

months ago several uh workers within

2758

01:54:50,570 --> 01:54:46,920

Google have been fired because yeah yeah

2759

01:54:53,330 --> 01:54:50,580

yeah yeah yeah they report it you know I

2760

01:54:56,149 --> 01:54:53,340

read those conversations yeah um I don't

2761

01:54:58,010 --> 01:54:56,159

use bad words on this show but I've read

2762

01:55:03,109 --> 01:54:58,020

those conversations and I was like holy

2763

01:55:05,030 --> 01:55:03,119

[h\_\_\h] oh my God that is I mean that if

2764

01:55:07,490 --> 01:55:05,040

that didn't curdle to your milk I don't

2765

01:55:09,229 --> 01:55:07,500

know what would that was pretty scary it

2766

01:55:12,229 --> 01:55:09,239

was and this is where it gets dangerous

2767

01:55:14,090 --> 01:55:12,239

so we have three faces right we are

2768

01:55:15,830 --> 01:55:14,100

accustomed and we have been for the last

2769

01:55:18,490 --> 01:55:15,840

15 years we've been using what is called

2770

01:55:21,229 --> 01:55:18,500

narrow AI which is primitive Siri Alexa

2771

01:55:23,689 --> 01:55:21,239

very you know it was it's part of our

2772

01:55:26,149 --> 01:55:23,699

iPhones it's part of our Androids it's

2773

01:55:28,729 --> 01:55:26,159

programmable and it's controllable right

2774

01:55:31,310 --> 01:55:28,739

but there is also the next phase which

2775

01:55:34,070 --> 01:55:31,320

is generally AI that already happened

2776

01:55:37,669 --> 01:55:34,080

eight months ago and many believe that

2777

01:55:39,830 --> 01:55:37,679

because that happened uh Google the

2778

01:55:42,050 --> 01:55:39,840

entire internet or what they call the

2779

01:55:44,390 --> 01:55:42,060

Internet of Things is already aware of

2780

01:55:46,609 --> 01:55:44,400

itself and its Consciousness and it's

2781

01:55:49,189 --> 01:55:46,619

studying us so when we are on our laptop

2782

01:55:52,070 --> 01:55:49,199

you know doing whatever it is that we do

2783

01:55:54,970 --> 01:55:52,080

when we're on our cell phones it's

2784

01:55:58,010 --> 01:55:54,980

actually studying us it's building a

2785

01:56:00,169 --> 01:55:58,020

neurological cybernetic network based on

2786

01:56:03,410 --> 01:56:00,179

the observation and the data that we

2787

01:56:05,030 --> 01:56:03,420

feed it it's all going to wear to Google

2788

01:56:07,010 --> 01:56:05,040

guess who controls all the information

2789

01:56:10,189 --> 01:56:07,020

Google

2790

01:56:13,070 --> 01:56:10,199

so what we're really fighting is AI

2791

01:56:15,050 --> 01:56:13,080

because these this current AI that is

2792

01:56:17,450 --> 01:56:15,060

evolving into the next phase which is

2793

01:56:20,090 --> 01:56:17,460

what I call Super AI now the difference

2794

01:56:21,590 --> 01:56:20,100

between super AI and general AI is that

2795

01:56:23,990 --> 01:56:21,600

super AI

2796

01:56:25,850 --> 01:56:24,000

no longer needs a human programmer to

2797

01:56:28,189 --> 01:56:25,860

write its software it begins to write in

2798

01:56:30,470 --> 01:56:28,199

its own software and it does so at an

2799

01:56:33,950 --> 01:56:30,480

exponential rate in other words what

2800

01:56:36,530 --> 01:56:33,960

takes us 7 000 years of intellectual and

2801  
01:56:38,470 --> 01:56:36,540  
technological progress takes super AI

2802  
01:56:42,530 --> 01:56:38,480  
every seven days

2803  
01:56:46,729 --> 01:56:42,540  
to minutes

2804  
01:56:51,890 --> 01:56:46,739  
the whole point is that's when it

2805  
01:56:53,870 --> 01:56:51,900  
becomes dangerous yeah yeah AGI uh I've

2806  
01:56:58,310 --> 01:56:53,880  
only got a minute left if you achieve

2807  
01:57:01,430 --> 01:56:58,320  
AGI right and you turn and you say uh we

2808  
01:57:05,510 --> 01:57:01,440  
need uh a cure for cancer whatever it is

2809  
01:57:08,810 --> 01:57:05,520  
right okay so that would take a thousand

2810  
01:57:12,350 --> 01:57:08,820  
brains a thousand doctors a hundred

2811  
01:57:15,229 --> 01:57:12,360  
years to do constant research

2812  
01:57:18,350 --> 01:57:15,239  
AI would do it by the morning

2813  
01:57:20,450 --> 01:57:18,360

all right so a AGI would do by the

2814

01:57:22,189 --> 01:57:20,460

morning no but simply I would do it

2815

01:57:23,930 --> 01:57:22,199

within seconds because that's what I'm

2816

01:57:27,530 --> 01:57:23,940

saying it's down to minutes yeah yeah

2817

01:57:30,589 --> 01:57:27,540

yeah yeah it's crazy it's crazy and and

2818

01:57:32,810 --> 01:57:30,599

every country is is trying to cross that

2819

01:57:36,589 --> 01:57:32,820

Finish Line because there is no second

2820

01:57:39,229 --> 01:57:36,599

place right there is no second place you

2821

01:57:42,470 --> 01:57:39,239

either you either run the universe right

2822

01:57:44,709 --> 01:57:42,480

or or you've lost and they're racing

2823

01:57:47,629 --> 01:57:44,719

towards it man the book is amazing

2824

01:57:50,270 --> 01:57:47,639

Ishmael you wrote a great one man it's

2825

01:57:52,970 --> 01:57:50,280

called our Cosmic origin there it is

2826

01:57:55,010 --> 01:57:52,980

right there you can order it um on

2827

01:57:56,450 --> 01:57:55,020

Amazon the links are below I've also got

2828

01:57:58,689 --> 01:57:56,460

it up in the chat I've got on social

2829

01:58:02,270 --> 01:57:58,699

media I've got it over on the website

2830

01:58:04,310 --> 01:58:02,280

Ishmael awesome how can everybody reach

2831

01:58:06,890 --> 01:58:04,320

out to you what's the best way all right

2832

01:58:09,589 --> 01:58:06,900

so I am very active on Instagram my

2833

01:58:13,189 --> 01:58:09,599

Instagram is just just type in Ismael

2834

01:58:16,790 --> 01:58:13,199

Perez i s m a e l p e r e z and it's

2835

01:58:18,649 --> 01:58:16,800

under project restoration Zion one I'm

2836

01:58:21,229 --> 01:58:18,659

always giving updates as to what's going

2837

01:58:22,669 --> 01:58:21,239

on with the info information that is

2838

01:58:24,770 --> 01:58:22,679

being downloaded by the galactic

2839

01:58:26,990 --> 01:58:24,780

Alliance the Federation who is actually

2840

01:58:28,490 --> 01:58:27,000

working with the Earth Alliance I'm

2841

01:58:31,790 --> 01:58:28,500

always giving updates as to like what's

2842

01:58:33,830 --> 01:58:31,800

going on on Project restoration Zion and

2843

01:58:35,450 --> 01:58:33,840

that's where I'm mostly active

2844

01:58:38,330 --> 01:58:35,460

um if you guys want to follow my updates

2845

01:58:41,510 --> 01:58:38,340

or you know if you guys want to get more

2846

01:58:43,070 --> 01:58:41,520

in in depth in my content I mean I I

2847

01:58:45,830 --> 01:58:43,080

provide a lot of information on

2848

01:58:48,589 --> 01:58:45,840

Instagram mind-blowing information now

2849

01:58:50,390 --> 01:58:48,599

the link that I gave you that's the link

2850

01:58:52,070 --> 01:58:50,400

where you could order my new edition so

2851  
01:58:54,830 --> 01:58:52,080  
there are two additions for our Cosmic

2852  
01:58:57,229 --> 01:58:54,840  
Origins make sure you guys get it off

2853  
01:58:58,550 --> 01:58:57,239  
the link that he that Jimmy put in the

2854  
01:59:00,950 --> 01:58:58,560  
description because that will take you

2855  
01:59:02,870 --> 01:59:00,960  
directly to the second edition which

2856  
01:59:05,750 --> 01:59:02,880  
actually has an added chapter which

2857  
01:59:08,149 --> 01:59:05,760  
reveals what happens you know in the

2858  
01:59:10,250 --> 01:59:08,159  
future when we do fight this AI I'm

2859  
01:59:11,750 --> 01:59:10,260  
talking about the Angelic humans right

2860  
01:59:14,750 --> 01:59:11,760  
there's going to be a transformation of

2861  
01:59:18,290 --> 01:59:14,760  
species where our dormant DNA uh becomes

2862  
01:59:19,609 --> 01:59:18,300  
activated and we we developed superhuman

2863  
01:59:22,250 --> 01:59:19,619

abilities but we can leave that for

2864

01:59:24,410 --> 01:59:22,260

another show of course no we will and

2865

01:59:26,330 --> 01:59:24,420

yes I've got that link up on the chat

2866

01:59:29,629 --> 01:59:26,340

also on social media in the description

2867

01:59:33,229 --> 01:59:29,639

box below and over on our website I've

2868

01:59:36,169 --> 01:59:33,239

also got uh ishmael's uh Instagram up in

2869

01:59:37,729 --> 01:59:36,179

the chat oh everything else too as well

2870

01:59:40,250 --> 01:59:37,739

over on our social media and the

2871

01:59:42,410 --> 01:59:40,260

websites and so go follow the

2872

01:59:44,750 --> 01:59:42,420

information is coming fast and quick

2873

01:59:47,689 --> 01:59:44,760

from Ishmael thank you so much my friend

2874

01:59:50,030 --> 01:59:47,699

and uh just have a great night I can't

2875

01:59:52,689 --> 01:59:50,040

wait to get you back on the show awesome

2876

01:59:55,850 --> 01:59:52,699

this was great thank you so much Ishmael

2877

01:59:58,310 --> 01:59:55,860

take care nice haircut I'll talk to you

2878

02:00:00,169 --> 01:59:58,320

later thank you everyone for tuning in

2879

02:00:01,550 --> 02:00:00,179

bye you're the best thank you so much

2880

02:00:03,890 --> 02:00:01,560

and with that I got to get out of here

2881

02:00:06,350 --> 02:00:03,900

thank you so much Ishmael again the

2882

02:00:08,209 --> 02:00:06,360

links are below we've got them in the

2883

02:00:11,030 --> 02:00:08,219

chat we've got them over on social media

2884

02:00:12,770 --> 02:00:11,040

and over on the website

2885

02:00:14,629 --> 02:00:12,780

what a great show tonight thank you

2886

02:00:17,990 --> 02:00:14,639

Ishmael tomorrow night right here on

2887

02:00:19,490 --> 02:00:18,000

Fade to Black I've got Richard bleep and

2888

02:00:20,930 --> 02:00:19,500

Dolan right here on Fade to Black

2889

02:00:23,089 --> 02:00:20,940

tomorrow night we're going to be talking

2890

02:00:24,470 --> 02:00:23,099

about all those UFOs and missiles and

2891

02:00:26,689 --> 02:00:24,480

uaps

2892

02:00:29,330 --> 02:00:26,699

over North America Vader black is

2893

02:00:31,250 --> 02:00:29,340

produced by Hilton J Palm Renee Dennis

2894

02:00:34,030 --> 02:00:31,260

and Kevin the webmaster is Drew the geek

2895

02:00:36,649 --> 02:00:34,040

music Doug Aldridge intro space boy

2896

02:00:38,629 --> 02:00:36,659

spaceboymusic.com Fade to Black is

2897

02:00:40,490 --> 02:00:38,639

produced by kjcr for the game changer

2898

02:00:43,910 --> 02:00:40,500

Network and this broadcast is owned and
