

# FADE **TO** BLACK

with **JIMMY CHURCH**  
**PRESENTS**

# BREAKING NEWS

Wed Feb 15, 2023 **LIVE**

1  
00:00:23,820 --> 00:00:11,680  
foreign

2  
00:00:23,830 --> 00:00:37,549  
[Music]

3  
00:00:45,470 --> 00:00:40,490  
good afternoon Fade to Black breaking

4  
00:00:48,229 --> 00:00:45,480  
news for this Wednesday February 15 2023

5  
00:00:51,229 --> 00:00:48,239  
I'm Jimmy church and this is all of the

6  
00:00:54,369 --> 00:00:51,239  
news that you need let's start off with

7  
00:00:58,729 --> 00:00:54,379  
otd on this day in history

8  
00:01:02,270 --> 00:00:58,739  
1961. the entire 18-member U.S figure

9  
00:01:06,350 --> 00:01:02,280  
Skating team is killed in a plane crash

10  
00:01:07,730 --> 00:01:06,360  
in Belgium on this day in 1961 fader

11  
00:01:13,910 --> 00:01:07,740  
fact

12  
00:01:15,830 --> 00:01:13,920  
the planet Saturn can float in water

13  
00:01:18,070 --> 00:01:15,840

that's right

14

00:01:22,670 --> 00:01:18,080

let's get to the breaking news

15

00:01:26,570 --> 00:01:22,680

Raquel Welch the actor the icon

16

00:01:28,130 --> 00:01:26,580

breakout star of one Million Years BC

17

00:01:30,350 --> 00:01:28,140

has died

18

00:01:34,550 --> 00:01:30,360

she was 82 years old

19

00:01:35,990 --> 00:01:34,560

rest in peace Raquel Welch yeah kind of

20

00:01:38,870 --> 00:01:36,000

crushed

21

00:01:41,510 --> 00:01:38,880

cleanup is continuing after a train

22

00:01:44,690 --> 00:01:41,520

carrying toxic materials derailed in

23

00:01:47,690 --> 00:01:44,700

Ohio 11 days ago while residents and

24

00:01:50,149 --> 00:01:47,700

observers question the health impacts of

25

00:01:51,350 --> 00:01:50,159

the pollution that spilled into the Ohio

26

00:01:54,649 --> 00:01:51,360

River

27

00:01:58,010 --> 00:01:54,659

the Norfolk Southern Railroad operated

28

00:01:59,929 --> 00:01:58,020

Train derailed on February 3rd causing a

29

00:02:03,530 --> 00:01:59,939

fire that sent a cloud of smoke over the

30

00:02:06,590 --> 00:02:03,540

town of East Palestine Ohio and forcing

31

00:02:09,650 --> 00:02:06,600

thousands of residents to evacuate

32

00:02:12,290 --> 00:02:09,660

after railroad Crews drained and burned

33

00:02:15,229 --> 00:02:12,300

off a toxic chemical from five tanker

34

00:02:16,910 --> 00:02:15,239

cars residents were told they could

35

00:02:18,530 --> 00:02:16,920

return to their homes

36

00:02:22,190 --> 00:02:18,540

here's the thing

37

00:02:25,250 --> 00:02:22,200

this event has been completely ignored

38

00:02:26,690 --> 00:02:25,260

in the mainstream media and I don't know

39

00:02:28,390 --> 00:02:26,700

why

40

00:02:31,330 --> 00:02:28,400

tonight

41

00:02:34,550 --> 00:02:31,340

asteroid 2005

42

00:02:37,670 --> 00:02:34,560

yy128 will make its closest approach to

43

00:02:40,550 --> 00:02:37,680

Earth in more than 400 years the

44

00:02:43,610 --> 00:02:40,560

asteroid is medium-sized and it's about

45

00:02:46,790 --> 00:02:43,620

a half mile wide and observers with

46

00:02:49,070 --> 00:02:46,800

telescopes can watch it in fact on

47

00:02:51,290 --> 00:02:49,080

recent nights amateur astronomers using

48

00:02:54,890 --> 00:02:51,300

telescopes have already been able to

49

00:02:57,770 --> 00:02:54,900

spot this space Rock based on studies of

50

00:02:59,990 --> 00:02:57,780

its movement through space astronomers

51  
00:03:03,229 --> 00:03:00,000  
have determined it will safely pass by

52  
00:03:06,110 --> 00:03:03,239  
our planet's South Pole at about 12

53  
00:03:07,970 --> 00:03:06,120  
times the moon's distance

54  
00:03:10,570 --> 00:03:07,980  
and that's not that far it's about

55  
00:03:14,449 --> 00:03:10,580  
million and a half miles

56  
00:03:17,690 --> 00:03:14,459  
China's spy balloon took off from a base

57  
00:03:19,610 --> 00:03:17,700  
on Heinen Island along the country's

58  
00:03:22,490 --> 00:03:19,620  
southern coast American intelligence

59  
00:03:24,790 --> 00:03:22,500  
reportedly believes now the satellite

60  
00:03:28,729 --> 00:03:24,800  
imagery that they have

61  
00:03:30,070 --> 00:03:28,739  
shows a home to a balloon launch

62  
00:03:32,630 --> 00:03:30,080  
facility

63  
00:03:34,850 --> 00:03:32,640

researchers at the Middlebury Institute

64

00:03:37,550 --> 00:03:34,860

of international studies identified the

65

00:03:40,550 --> 00:03:37,560

facility in satellite imagery from

66

00:03:43,070 --> 00:03:40,560

planet Labs the discovery follows

67

00:03:46,250 --> 00:03:43,080

reports that U.S intelligence officials

68

00:03:48,649 --> 00:03:46,260

now think the people's Liberation Army

69

00:03:51,470 --> 00:03:48,659

launched the Spy balloon from Hainan

70

00:03:55,070 --> 00:03:51,480

with the intent of spying on U.S

71

00:03:56,990 --> 00:03:55,080

military bases in the Pacific I've seen

72

00:03:58,850 --> 00:03:57,000

the images

73

00:04:02,030 --> 00:03:58,860

it's a balloon base

74

00:04:03,410 --> 00:04:02,040

because there's balloons there being

75

00:04:06,050 --> 00:04:03,420

launched

76

00:04:07,670 --> 00:04:06,060

in the satellite imagery

77

00:04:10,690 --> 00:04:07,680

there you go

78

00:04:14,509 --> 00:04:10,700

more on that as the news develop now

79

00:04:16,189 --> 00:04:14,519

according to Virgin orbit the first ever

80

00:04:18,469 --> 00:04:16,199

satellite Mission from the United

81

00:04:22,069 --> 00:04:18,479

Kingdom failed to launch last month

82

00:04:23,810 --> 00:04:22,079

because a rocket fuel filter had become

83

00:04:26,210 --> 00:04:23,820

dislodged

84

00:04:28,909 --> 00:04:26,220

a rocket engine overheated in turn

85

00:04:32,090 --> 00:04:28,919

leading to the loss of the rocket and

86

00:04:35,030 --> 00:04:32,100

satellites it was carrying virgin orbit

87

00:04:38,270 --> 00:04:35,040

sent up a 747-jet aircraft carrying the

88

00:04:43,430 --> 00:04:38,280

rocket from Cornwall on January 9th the

89

00:04:45,950 --> 00:04:43,440

aircraft the 747 returned safely CEO Dan

90

00:04:47,689 --> 00:04:45,960

Hart said

91

00:04:51,050 --> 00:04:47,699

that the company would proceed

92

00:04:53,330 --> 00:04:51,060

cautiously towards the launch of its

93

00:04:56,990 --> 00:04:53,340

next rocket

94

00:04:59,870 --> 00:04:57,000

a British army officer has had two World

95

00:05:01,689 --> 00:04:59,880

Records she broke in the course of an

96

00:05:04,909 --> 00:05:01,699

Antarctic Trek

97

00:05:09,650 --> 00:05:04,919

confirmed by Guinness

98

00:05:12,290 --> 00:05:09,660

her name preet Shandy known as Polar

99

00:05:14,629 --> 00:05:12,300

preet has not only surpassed the world

100

00:05:18,170 --> 00:05:14,639

record for the longest polar ski

101  
00:05:21,409 --> 00:05:18,180  
Expedition by a woman but also the

102  
00:05:25,310 --> 00:05:21,419  
overall record again a spokeswoman said

103  
00:05:28,550 --> 00:05:25,320  
Captain Shandy from Derby had taken 70

104  
00:05:30,890 --> 00:05:28,560  
days and 16 hours to do her polar ski

105  
00:05:34,370 --> 00:05:30,900  
track her latest Journey from the

106  
00:05:37,310 --> 00:05:34,380  
Hercules Inlet to the Reedy Glacier took

107  
00:05:39,969 --> 00:05:37,320  
place between November 13 2022 and

108  
00:05:43,490 --> 00:05:39,979  
January 23rd

109  
00:05:45,469 --> 00:05:43,500  
2023 Guinness confirmed she had broken

110  
00:05:48,710 --> 00:05:45,479  
the world record for both the longest

111  
00:05:51,529 --> 00:05:48,720  
solo unsupported one-way polar ski

112  
00:05:54,249 --> 00:05:51,539  
Journey for a woman and also the longest

113  
00:05:57,790 --> 00:05:54,259

unsupported one-way polar ski Journey

114

00:05:59,870 --> 00:05:57,800

period and that's amazing

115

00:06:01,850 --> 00:05:59,880

absolutely amazing

116

00:06:05,510 --> 00:06:01,860

a meteorite

117

00:06:08,930 --> 00:06:05,520

that crashed into a driveway in which

118

00:06:12,409 --> 00:06:08,940

comb England back in 2021 became

119

00:06:14,390 --> 00:06:12,419

contaminated with the sprinkling of

120

00:06:16,610 --> 00:06:14,400

table salt

121

00:06:18,469 --> 00:06:16,620

that's right

122

00:06:20,330 --> 00:06:18,479

and nobody really knows how to happen

123

00:06:24,350 --> 00:06:20,340

because it happened within hours of

124

00:06:28,189 --> 00:06:24,360

Landing dashing no pun intended hopes

125

00:06:30,710 --> 00:06:28,199

that it could be a pristine example the

126  
00:06:34,309 --> 00:06:30,720  
witchcom meteorite which fragmented and

127  
00:06:38,510 --> 00:06:34,319  
fell into the driveway in a nearby sheep

128  
00:06:41,029 --> 00:06:38,520  
field in February 2021 was recovered and

129  
00:06:44,090 --> 00:06:41,039  
stored and sealed in bags very soon

130  
00:06:46,309 --> 00:06:44,100  
after it landed within hours for the

131  
00:06:49,010 --> 00:06:46,319  
fragment found in the driveway and

132  
00:06:52,969 --> 00:06:49,020  
within days for the rubble in the sheep

133  
00:06:55,550 --> 00:06:52,979  
field but even so new research finds the

134  
00:06:58,550 --> 00:06:55,560  
meteorite had already begun to change

135  
00:07:00,710 --> 00:06:58,560  
due to its interaction with Earth's

136  
00:07:03,590 --> 00:07:00,720  
favorite seasoning

137  
00:07:06,290 --> 00:07:03,600  
table salt

138  
00:07:09,409 --> 00:07:06,300

and we'll leave that right there an

139

00:07:12,110 --> 00:07:09,419

international team of code Breakers said

140

00:07:14,930 --> 00:07:12,120

today that they have found and

141

00:07:19,370 --> 00:07:14,940

deciphered the long lost Secret Letters

142

00:07:22,550 --> 00:07:19,380

of 16th century Monarch Mary Queen of

143

00:07:25,969 --> 00:07:22,560

Scots the long rumored missing letters

144

00:07:27,890 --> 00:07:25,979

which were found in a French Library may

145

00:07:31,909 --> 00:07:27,900

be the most significant discovery about

146

00:07:34,610 --> 00:07:31,919

the Scottish Queen in a century Mary a

147

00:07:39,170 --> 00:07:34,620

Catholic wrote the coded letters from

148

00:07:41,510 --> 00:07:39,180

1578 to 1584 while she was imprisoned in

149

00:07:44,570 --> 00:07:41,520

England and then she was beheaded in

150

00:07:47,510 --> 00:07:44,580

1587 after being found guilty of

151

00:07:50,150 --> 00:07:47,520

plotting to assassinate Elizabeth the

152

00:07:56,689 --> 00:07:53,990

Engineers from Caltech have discovered

153

00:07:59,870 --> 00:07:56,699

that Leonardo da Vinci's understanding

154

00:08:04,189 --> 00:07:59,880

of gravity though not wholly accurate

155

00:08:06,650 --> 00:08:04,199

was centuries ahead of his time in an

156

00:08:09,830 --> 00:08:06,660

article published in the Journal of

157

00:08:13,070 --> 00:08:09,840

Leonardo the researchers draw upon fresh

158

00:08:16,550 --> 00:08:13,080

looks at one of Da Vinci's notebooks to

159

00:08:19,010 --> 00:08:16,560

show that he had devised experiments to

160

00:08:22,309 --> 00:08:19,020

demonstrate that gravity is a form of

161

00:08:25,629 --> 00:08:22,319

acceleration and that he further modeled

162

00:08:28,730 --> 00:08:25,639

the gravitational constant to around

163

00:08:34,790 --> 00:08:28,740

97 accuracy

164

00:08:36,589 --> 00:08:34,800

Da Vinci who lived from 1452 to 1519 was

165

00:08:38,870 --> 00:08:36,599

well ahead of the curve in exploring

166

00:08:42,110 --> 00:08:38,880

these Concepts and it wasn't until the

167

00:08:45,650 --> 00:08:42,120

late 17th century that Sir Isaac Newton

168

00:08:48,470 --> 00:08:45,660

would expand on that to develop a law of

169

00:08:51,710 --> 00:08:48,480

universal gravitation describing how

170

00:08:54,650 --> 00:08:51,720

objects are attracted to one another Da

171

00:08:57,829 --> 00:08:54,660

Vinci's primary hurdle was being limited

172

00:09:00,290 --> 00:08:57,839

by the tools at his disposal and he

173

00:09:04,850 --> 00:09:00,300

lacked the means of precisely measuring

174

00:09:08,389 --> 00:09:04,860

time as objects fell he was right there

175

00:09:10,310 --> 00:09:08,399

it's an incredible Discovery and there

176

00:09:11,750 --> 00:09:10,320

you go there's your Fade to Black

177

00:09:16,670 --> 00:09:11,760

breaking news for this Wednesday

178

00:09:18,949 --> 00:09:16,680

February 15 2023 this is all of the news

179

00:09:22,009 --> 00:09:18,959

that you need breaking news is produced

180

00:09:27,230 --> 00:09:22,019

by Renee Newman I'm Jimmy Church

181

00:09:46,310 --> 00:09:39,370

[Music]
