

# FADE **TO** BLACK

with **JIMMY CHURCH**  
**PRESENTS**

# BREAKING NEWS

Tue Feb 21, 2023 **LIVE**

1  
00:00:25,650 --> 00:00:13,510  
foreign

2  
00:00:25,660 --> 00:00:39,470  
[Music]

3  
00:00:47,889 --> 00:00:43,010  
all right welcome Fade to Black breaking

4  
00:00:51,229 --> 00:00:47,899  
news for this Tuesday February 21st

5  
00:00:52,930 --> 00:00:51,239  
2023. this is all of the news that you

6  
00:00:56,170 --> 00:00:52,940  
need I'm Jimmy Church

7  
00:01:01,130 --> 00:00:56,180  
on this day in history

8  
00:01:03,490 --> 00:01:01,140  
1965 Malcolm X is assassinated while

9  
00:01:06,050 --> 00:01:03,500  
addressing the organization of Afro

10  
00:01:09,050 --> 00:01:06,060  
Afro-American Unity at the Audubon

11  
00:01:12,350 --> 00:01:09,060  
Ballroom in Washington Heights Manhattan

12  
00:01:15,530 --> 00:01:12,360  
he was just 39 years old

13  
00:01:19,310 --> 00:01:15,540

here's your fader fact today

14

00:01:23,149 --> 00:01:19,320

if you fell into a volcano

15

00:01:26,450 --> 00:01:23,159

you wouldn't drown in the lava

16

00:01:30,109 --> 00:01:26,460

you would float on the top of it

17

00:01:32,330 --> 00:01:30,119

and then burst into flames that is your

18

00:01:36,109 --> 00:01:32,340

favorite fact

19

00:01:38,090 --> 00:01:36,119

today it's a fact lava's so dense

20

00:01:39,770 --> 00:01:38,100

it's denser than what you just you're

21

00:01:43,130 --> 00:01:39,780

gonna float

22

00:01:45,230 --> 00:01:43,140

here's your breaking news and this

23

00:01:48,950 --> 00:01:45,240

this is a crazy thing to start off the

24

00:01:52,789 --> 00:01:48,960

show with but I've seen the trailer

25

00:01:56,870 --> 00:01:52,799

Winnie the Pooh Blood and Honey

26  
00:01:58,550 --> 00:01:56,880  
that is the title the name of a new

27  
00:02:01,670 --> 00:01:58,560  
slasher film

28  
00:02:04,969 --> 00:02:01,680  
that's right

29  
00:02:08,749 --> 00:02:04,979  
Christopher Robin has a different sort

30  
00:02:11,770 --> 00:02:08,759  
of Journey coming to the big screen

31  
00:02:14,510 --> 00:02:11,780  
it's nuts go check it out Google it

32  
00:02:17,930 --> 00:02:14,520  
Google it Winnie the Pooh Blood and

33  
00:02:19,910 --> 00:02:17,940  
Honey watch the trailer I can't believe

34  
00:02:22,250 --> 00:02:19,920  
this thing got made

35  
00:02:23,330 --> 00:02:22,260  
I'm probably gonna watch it too all

36  
00:02:24,530 --> 00:02:23,340  
right let's get to the rest of the

37  
00:02:28,010 --> 00:02:24,540  
breaking news

38  
00:02:29,930 --> 00:02:28,020

North Korea launched two ballistic

39

00:02:31,850 --> 00:02:29,940

missiles into the waters off of the east

40

00:02:34,970 --> 00:02:31,860

coast of the Korean Peninsula early

41

00:02:38,750 --> 00:02:34,980

yesterday and later Kim fatty Fat's

42

00:02:42,290 --> 00:02:38,760

sister warned of more to come unless the

43

00:02:45,890 --> 00:02:42,300

United States halts military drills with

44

00:02:48,949 --> 00:02:45,900

South Korea her name

45

00:02:51,350 --> 00:02:48,959

it's Kim yo-yo Young

46

00:02:53,150 --> 00:02:51,360

and she's one of the country's top

47

00:02:57,170 --> 00:02:53,160

military officials and she said

48

00:03:00,490 --> 00:02:57,180

yesterday the frequency of using the

49

00:03:02,509 --> 00:03:00,500

Pacific Ocean as our shooting range

50

00:03:04,970 --> 00:03:02,519

depends on the nature of the United

51  
00:03:07,729 --> 00:03:04,980  
States military's actions according to a

52  
00:03:11,690 --> 00:03:07,739  
statement posted on their state-run

53  
00:03:14,690 --> 00:03:11,700  
Korean Central news agency Monday's

54  
00:03:17,690 --> 00:03:14,700  
missile tests were launched uh there was

55  
00:03:22,309 --> 00:03:17,700  
two then a third in three days Pyongyang

56  
00:03:26,149 --> 00:03:22,319  
launched an ICBM on Saturday it's third

57  
00:03:28,130 --> 00:03:26,159  
such test in less than a year

58  
00:03:31,610 --> 00:03:28,140  
all right so they're going to continue

59  
00:03:33,250 --> 00:03:31,620  
shooting stuff into the water

60  
00:03:36,110 --> 00:03:33,260  
scary

61  
00:03:38,690 --> 00:03:36,120  
a large white balloon

62  
00:03:41,210 --> 00:03:38,700  
was spotted over the weekend Northeast

63  
00:03:43,430 --> 00:03:41,220

of Hawaii according to air traffic

64

00:03:46,250 --> 00:03:43,440

control just a week after a series of

65

00:03:50,149 --> 00:03:46,260

unidentified objects were shot down in

66

00:03:52,190 --> 00:03:50,159

and near U.S airspace a message from the

67

00:03:55,490 --> 00:03:52,200

Oakland Oceanic Air Traffic Control

68

00:03:57,589 --> 00:03:55,500

Center on Sunday said a large white

69

00:03:59,110 --> 00:03:57,599

balloon had been reported over the

70

00:04:03,289 --> 00:03:59,120

Pacific Ocean about

71

00:04:05,449 --> 00:04:03,299

594 miles Northeast of Honolulu the

72

00:04:08,990 --> 00:04:05,459

balloon was reported to be flying at an

73

00:04:13,070 --> 00:04:09,000

altitude of roughly 40 to 50 000 feet

74

00:04:16,189 --> 00:04:13,080

quote advice from Air Traffic Control if

75

00:04:19,490 --> 00:04:16,199

the object is seen the message from

76

00:04:21,170 --> 00:04:19,500

pilots and two pilots had said the

77

00:04:24,409 --> 00:04:21,180

coordinates in the message put the

78

00:04:26,689 --> 00:04:24,419

balloon in an international airspace in

79

00:04:29,390 --> 00:04:26,699

an area where the United States handles

80

00:04:32,450 --> 00:04:29,400

all Air Traffic Control

81

00:04:33,650 --> 00:04:32,460

more on this now are we going to shoot

82

00:04:36,409 --> 00:04:33,660

it down

83

00:04:38,990 --> 00:04:36,419

I'm just asking

84

00:04:41,749 --> 00:04:39,000

the United States and Canada have

85

00:04:43,730 --> 00:04:41,759

abandoned the search for three of four

86

00:04:46,670 --> 00:04:43,740

flying objects shot down by the United

87

00:04:49,430 --> 00:04:46,680

States fighter jets during the first two

88

00:04:52,430 --> 00:04:49,440

weeks of February the searches were

89

00:04:55,850 --> 00:04:52,440

unsuccessful despite the United States

90

00:04:58,790 --> 00:04:55,860

military federal agencies and Canadian

91

00:05:02,870 --> 00:04:58,800

Partners in each area using Airborne

92

00:05:05,749 --> 00:05:02,880

imagery a variety of sensors and Below

93

00:05:07,670 --> 00:05:05,759

surface scans all of this according to

94

00:05:10,790 --> 00:05:07,680

the military the United States military

95

00:05:12,770 --> 00:05:10,800

Northern command the U.S has found the

96

00:05:15,110 --> 00:05:12,780

remains of the Chinese spy balloon that

97

00:05:17,930 --> 00:05:15,120

it shot down on February 4th but

98

00:05:19,370 --> 00:05:17,940

officials say now that they have ended

99

00:05:22,029 --> 00:05:19,380

the search for the object shot down

100

00:05:25,730 --> 00:05:22,039

later that Washington says were

101  
00:05:28,189 --> 00:05:25,740  
civilian owned balloons

102  
00:05:29,990 --> 00:05:28,199  
yeah well now it's going to be a

103  
00:05:32,990 --> 00:05:30,000  
civilian search

104  
00:05:35,689 --> 00:05:33,000  
and we'll find stuff

105  
00:05:39,529 --> 00:05:35,699  
a stunning new image from the Hubble

106  
00:05:43,310 --> 00:05:39,539  
Space Telescope shows three galaxies

107  
00:05:45,830 --> 00:05:43,320  
colliding and getting ready to merge

108  
00:05:47,930 --> 00:05:45,840  
while Galactic collisions are fairly

109  
00:05:51,409 --> 00:05:47,940  
common this one is rare because each of

110  
00:05:55,129 --> 00:05:51,419  
the trio of galaxies is currently in the

111  
00:05:57,290 --> 00:05:55,139  
throes of birthing new stars the three

112  
00:06:00,350 --> 00:05:57,300  
galaxies seen in the constellation

113  
00:06:03,890 --> 00:06:00,360

Buddhists will eventually merge to form

114

00:06:05,810 --> 00:06:03,900

a single large galaxy in the process the

115

00:06:08,749 --> 00:06:05,820

spiral structure of the galaxies now

116

00:06:10,909 --> 00:06:08,759

exhibit will be wiped out as a result of

117

00:06:13,909 --> 00:06:10,919

gravitational interactions between the

118

00:06:17,050 --> 00:06:13,919

trio the image shows the three galaxies

119

00:06:21,950 --> 00:06:17,060

collectively now known as

120

00:06:24,830 --> 00:06:21,960

sd-s-ss c g b 10189 close enough to

121

00:06:27,529 --> 00:06:24,840

appear to be merging the shapes of the

122

00:06:29,749 --> 00:06:27,539

galaxies are already distorted and

123

00:06:32,930 --> 00:06:29,759

strands of gas and dust can be seen

124

00:06:37,610 --> 00:06:32,940

linking them together the three galaxies

125

00:06:41,689 --> 00:06:37,620

are emitting a huge amount of light

126  
00:06:45,110 --> 00:06:41,699  
maintenance workers and onlookers at

127  
00:06:48,469 --> 00:06:45,120  
Brooklyn's Prospect Park were stunned to

128  
00:06:50,689 --> 00:06:48,479  
see an alligator near a lake the workers

129  
00:06:53,809 --> 00:06:50,699  
alerted the parks enforcement control in

130  
00:06:55,490 --> 00:06:53,819  
Urban Park Rangers who captured the

131  
00:06:57,170 --> 00:06:55,500  
gator according to the New York City

132  
00:06:59,330 --> 00:06:57,180  
Parks Department

133  
00:07:01,909 --> 00:06:59,340  
no one was harmed

134  
00:07:02,809 --> 00:07:01,919  
and the alligator is now at the Bronx

135  
00:07:06,230 --> 00:07:02,819  
Zoo

136  
00:07:08,809 --> 00:07:06,240  
for rest and relaxation

137  
00:07:10,670 --> 00:07:08,819  
and I say that because the alligator was

138  
00:07:12,710 --> 00:07:10,680

stressed it's cold

139

00:07:15,409 --> 00:07:12,720

it's cold alligators don't hang out in

140

00:07:17,150 --> 00:07:15,419

the winter he was stressed out but it's

141

00:07:20,510 --> 00:07:17,160

all good now

142

00:07:24,589 --> 00:07:20,520

Spanish transport services

143

00:07:27,770 --> 00:07:24,599

are going back to the drawing board why

144

00:07:31,430 --> 00:07:27,780

because they just spent millions of

145

00:07:35,809 --> 00:07:31,440

dollars a new commuter trains that are

146

00:07:37,490 --> 00:07:35,819

too big to fit in the tunnels of their

147

00:07:39,770 --> 00:07:37,500

rail network

148

00:07:42,050 --> 00:07:39,780

two senior officials in the Spanish

149

00:07:44,870 --> 00:07:42,060

transport industry were fired earlier

150

00:07:45,790 --> 00:07:44,880

this week after local news Outlet El

151  
00:07:48,230 --> 00:07:45,800  
commercial

152  
00:07:50,290 --> 00:07:48,240  
reported last month that the government

153  
00:07:52,969 --> 00:07:50,300  
had spent about

154  
00:07:56,270 --> 00:07:52,979  
276 million dollars

155  
00:07:58,370 --> 00:07:56,280  
an unusable trains

156  
00:08:02,749 --> 00:07:58,380  
the 31 trains Were Meant to replace

157  
00:08:06,230 --> 00:08:02,759  
older ones in the north of Spain and

158  
00:08:07,550 --> 00:08:06,240  
some things you just can't make up so

159  
00:08:10,309 --> 00:08:07,560  
there you go there's your Fade to Black

160  
00:08:12,350 --> 00:08:10,319  
breaking news for Tuesday February 21st

161  
00:08:14,689 --> 00:08:12,360  
2023

162  
00:08:16,490 --> 00:08:14,699  
this is all of the news that you need

163  
00:08:19,249 --> 00:08:16,500

breaking news is produced by Renee

164

00:08:24,160 --> 00:08:19,259

Newman I'm Jimmy Church
