

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

CHRIS BLEDSOE

UFO of GOD

WED FEB 22 LIVE

7:00 PM PT/10:00PM ET

1
00:00:31,870 --> 00:00:26,950

[Music]

2
00:00:35,209 --> 00:00:31,880

the smoke radio for the masses of July 8

3
00:00:37,610 --> 00:00:35,219

1947 the Army Air Forces has announced

4
00:00:39,709 --> 00:00:37,620

that a flying disc has been found and is

5
00:00:42,770 --> 00:00:39,719

now in the possession of the army

6
00:00:46,490 --> 00:00:42,780

game is Riggs change the game game

7
00:00:49,729 --> 00:00:46,500

changer I occasionally think how quickly

8
00:00:52,850 --> 00:00:49,739

hard difference is worldwide would

9
00:00:54,850 --> 00:00:52,860

vanish if we were facing an alien threat

10
00:00:56,660 --> 00:00:54,860

from outside this work

11
00:00:59,170 --> 00:00:56,670

[Music]

12
00:01:02,090 --> 00:00:59,180

[Applause]

13
00:01:04,969 --> 00:01:02,100

this is Fade to Black with your host

14
00:01:05,610 --> 00:01:04,979
Jimmy Church on the game changer Radio

15
00:01:08,929 --> 00:01:05,620
Network

16
00:01:15,649 --> 00:01:12,410
all right welcome Fade to Black

17
00:01:19,850 --> 00:01:15,659
Fade to Black I'm Jimmy church today is

18
00:01:21,350 --> 00:01:19,860
Wednesday February 22nd 2023 and tonight

19
00:01:25,730 --> 00:01:21,360
you've been waiting for this it's about

20
00:01:27,230 --> 00:01:25,740
to happen Our Guest is Chris Bledsoe and

21
00:01:32,330 --> 00:01:27,240
tonight we're going to be talking about

22
00:01:34,490 --> 00:01:32,340
UFO of God uh his new uh new release and

23
00:01:38,230 --> 00:01:34,500
best-selling book

24
00:01:41,090 --> 00:01:38,240
um it it just came out and everybody is

25
00:01:42,830 --> 00:01:41,100
uh commenting about how much they're

26
00:01:44,270 --> 00:01:42,840
enjoying the book and I've been watching

27
00:01:46,490 --> 00:01:44,280
different quotes and people's favorite

28
00:01:49,730 --> 00:01:46,500
things and everybody's talking about

29
00:01:52,010 --> 00:01:49,740
this right now and I couldn't wait uh to

30
00:01:53,990 --> 00:01:52,020
get Chris on the show I will say this

31
00:01:57,050 --> 00:01:54,000
before I bring Chris on

32
00:02:00,410 --> 00:01:57,060
and he's listening right now Chris and I

33
00:02:05,030 --> 00:02:00,420
talked uh probably six months ago

34
00:02:07,730 --> 00:02:05,040
and and uh about the book and and things

35
00:02:10,790 --> 00:02:07,740
and that uh we had to just push things

36
00:02:12,589 --> 00:02:10,800
out a little bit I I wanted Chris on the

37
00:02:15,470 --> 00:02:12,599
show two or three times over the last

38
00:02:17,690 --> 00:02:15,480

six months and we just had to uh put

39

00:02:20,390 --> 00:02:17,700

things off and put things off until the

40

00:02:22,970 --> 00:02:20,400

release of the book and uh tonight's the

41

00:02:25,610 --> 00:02:22,980

night I'm very excited about this as

42

00:02:27,110 --> 00:02:25,620

most of you know uh Chris and I have

43

00:02:30,410 --> 00:02:27,120

been friends for a very long time we've

44

00:02:32,089 --> 00:02:30,420

done lots of shows together and uh but

45

00:02:34,729 --> 00:02:32,099

tonight is going to be really really

46

00:02:35,330 --> 00:02:34,739

special also

47

00:02:37,430 --> 00:02:35,340

um

48

00:02:38,630 --> 00:02:37,440

I just you know I thought I knew Chris

49

00:02:40,809 --> 00:02:38,640

pretty well

50

00:02:43,309 --> 00:02:40,819

um but uh right before the show tonight

51
00:02:45,229 --> 00:02:43,319
uh I found out something I never knew

52
00:02:48,890 --> 00:02:45,239
about this man and you're gonna see some

53
00:02:50,390 --> 00:02:48,900
of that uh when he comes on now uh let's

54
00:02:54,530 --> 00:02:50,400
just start with this I'm not going to do

55
00:02:58,250 --> 00:02:54,540
a long bio on Chris but we all remember

56
00:03:03,410 --> 00:02:58,260
uh the shows I did with Chris

57
00:03:06,770 --> 00:03:03,420
um about uh the river uh his uh

58
00:03:08,390 --> 00:03:06,780
employees uh of course uh Chris Jr and

59
00:03:11,449 --> 00:03:08,400
you know family members and stuff and

60
00:03:12,890 --> 00:03:11,459
what went down that night which which

61
00:03:14,690 --> 00:03:12,900
seemed to have a little bit of

62
00:03:16,550 --> 00:03:14,700
everything we had a craft land in the

63
00:03:18,470 --> 00:03:16,560

field Chris goes to One Direction

64

00:03:22,190 --> 00:03:18,480

towards that

65

00:03:23,630 --> 00:03:22,200

um Chris Jr and uh his contractors his

66

00:03:26,089 --> 00:03:23,640

employees down by the river they go

67

00:03:29,470 --> 00:03:26,099

somewhere other there's a there's a a

68

00:03:33,350 --> 00:03:29,480

close encounter with uh an alien entity

69

00:03:35,089 --> 00:03:33,360

and everything unfolded that night was

70

00:03:37,509 --> 00:03:35,099

an incredible Adventure we may touch

71

00:03:40,430 --> 00:03:37,519

upon on some of that tonight of course

72

00:03:43,009 --> 00:03:40,440

but now the book is out it is called UFO

73

00:03:45,350 --> 00:03:43,019

of God the links are below we have them

74

00:03:48,289 --> 00:03:45,360

over on our website and throughout

75

00:03:50,330 --> 00:03:48,299

social media and with that I would like

76

00:03:53,869 --> 00:03:50,340

to welcome back to fade to black the one

77

00:03:56,210 --> 00:03:53,879

and only Chris Bledsoe Chris my man how

78

00:03:58,070 --> 00:03:56,220

you doing I'm doing great Jimmy thank

79

00:04:01,729 --> 00:03:58,080

you for having me I'm glad to be back

80

00:04:04,729 --> 00:04:01,739

yeah you know okay can I start with this

81

00:04:09,410 --> 00:04:04,739

Chris a little bit you look like you're

82

00:04:11,750 --> 00:04:09,420

glad to be back I am I am and I feel

83

00:04:15,470 --> 00:04:11,760

better too from the last time we talked

84

00:04:16,449 --> 00:04:15,480

I was I was pretty sick yeah pretty sick

85

00:04:19,789 --> 00:04:16,459

and

86

00:04:21,830 --> 00:04:19,799

either you're completely healthy or you

87

00:04:26,210 --> 00:04:21,840

were faking it back then it's one or the

88

00:04:28,490 --> 00:04:26,220

other but um but yeah uh you and I spent

89
00:04:30,350 --> 00:04:28,500
uh many many hours on the phone over the

90
00:04:32,450 --> 00:04:30,360
last couple of years uh just

91
00:04:35,030 --> 00:04:32,460
specifically talking about your health

92
00:04:38,510 --> 00:04:35,040
and what you were going through but you

93
00:04:41,150 --> 00:04:38,520
look really really great tonight man so

94
00:04:41,930 --> 00:04:41,160
how is your health are you back well

95
00:04:44,330 --> 00:04:41,940
yeah

96
00:04:45,890 --> 00:04:44,340
um you know I have rheumatoid arthritis

97
00:04:48,350 --> 00:04:45,900
which is a

98
00:04:50,330 --> 00:04:48,360
is a chronic illness it's autoimmune

99
00:04:53,210 --> 00:04:50,340
disease and

100
00:04:54,890 --> 00:04:53,220
uh I was on chemotherapy for the better

101

00:04:57,850 --> 00:04:54,900

part of six

102

00:05:01,670 --> 00:04:57,860

and a half years and

103

00:05:04,730 --> 00:05:01,680

2020 when covered came my doctor told me

104

00:05:06,890 --> 00:05:04,740

he said I'm afraid if you get covered

105

00:05:08,990 --> 00:05:06,900

you're going to be in bad trouble so

106

00:05:12,650 --> 00:05:09,000

let's pull you off all this stuff and

107

00:05:14,390 --> 00:05:12,660

they did and I went from a cane and if I

108

00:05:15,350 --> 00:05:14,400

went anywhere traveling I was in a

109

00:05:18,650 --> 00:05:15,360

wheelchair

110

00:05:21,350 --> 00:05:18,660

to where I've got my life back and my

111

00:05:23,990 --> 00:05:21,360

hobby with you and I like and love I'm

112

00:05:28,730 --> 00:05:24,000

I'm able to do that again and

113

00:05:30,950 --> 00:05:28,740

so yeah I'm I'm shouting for Joy right

114

00:05:34,249 --> 00:05:30,960

um you had said uh tonight we're going

115

00:05:36,950 --> 00:05:34,259

to talk about uh uh you and and the book

116

00:05:39,650 --> 00:05:36,960

and stuff but before we get around to

117

00:05:43,070 --> 00:05:39,660

that I I'm not a doctor I don't dispense

118

00:05:45,650 --> 00:05:43,080

of medical advice but uh when you were

119

00:05:47,450 --> 00:05:45,660

going through all of that

120

00:05:49,610 --> 00:05:47,460

um I remember you made a comment to me

121

00:05:52,070 --> 00:05:49,620

if you don't mind me saying you said

122

00:05:55,430 --> 00:05:52,080

Jimmy I don't know if it's the illness

123

00:05:58,610 --> 00:05:55,440

or the or the medication that is messing

124

00:06:00,050 --> 00:05:58,620

me up I don't know what to do

125

00:06:03,290 --> 00:06:00,060

um do you remember saying that to me

126

00:06:04,610 --> 00:06:03,300

yeah I absolutely do and and and today

127

00:06:07,490 --> 00:06:04,620

this day

128

00:06:08,210 --> 00:06:07,500

uh you know my friend Jim

129

00:06:10,310 --> 00:06:08,220

um

130

00:06:13,070 --> 00:06:10,320

from the government Jim Sydney van

131

00:06:17,930 --> 00:06:13,080

everybody has heard of Jim I think

132

00:06:20,870 --> 00:06:17,940

he he he came to see me in 2016 and he

133

00:06:23,330 --> 00:06:20,880

convinced me to start praying for myself

134

00:06:26,990 --> 00:06:23,340

which I never would do I always thought

135

00:06:29,870 --> 00:06:27,000

that uh I wasn't worthy I didn't didn't

136

00:06:33,890 --> 00:06:29,880

just didn't feel right doing it and

137

00:06:35,270 --> 00:06:33,900

I waited forever until I got scared with

138

00:06:37,370 --> 00:06:35,280

this covered thing

139

00:06:39,409 --> 00:06:37,380

it really scared me bad when my doctor

140

00:06:41,450 --> 00:06:39,419

said you you're probably gonna die if

141

00:06:43,129 --> 00:06:41,460

you get covered so I went out and I

142

00:06:46,550 --> 00:06:43,139

started praying and

143

00:06:49,189 --> 00:06:46,560

uh I will say it was either that or

144

00:06:51,590 --> 00:06:49,199

getting off the medication because I

145

00:06:53,090 --> 00:06:51,600

went from barely able to get out of bed

146

00:06:56,210 --> 00:06:53,100

and walk to

147

00:06:58,689 --> 00:06:56,220

I can I can do things I like to do now

148

00:07:01,129 --> 00:06:58,699

much better

149

00:07:05,150 --> 00:07:01,139

when you make that decision what is is

150

00:07:07,249 --> 00:07:05,160

it a coin toss right you know yeah I

151
00:07:09,110 --> 00:07:07,259
mean how did how do you because that's a

152
00:07:10,070 --> 00:07:09,120
that's a really big decision how did you

153
00:07:12,710 --> 00:07:10,080
make it

154
00:07:14,930 --> 00:07:12,720
well I did it on faith I listened to

155
00:07:16,790 --> 00:07:14,940
what my friend told me and then I

156
00:07:18,770 --> 00:07:16,800
listened to the doctor when he said

157
00:07:20,870 --> 00:07:18,780
you'll be in trouble if you get covered

158
00:07:23,029 --> 00:07:20,880
and it was when it was really coming out

159
00:07:24,070 --> 00:07:23,039
the first round of it and everybody was

160
00:07:27,110 --> 00:07:24,080
being

161
00:07:30,589 --> 00:07:27,120
incubated they call it

162
00:07:32,689 --> 00:07:30,599
um and my immune system was shot and

163
00:07:34,189 --> 00:07:32,699

because all the meds they put me on I

164

00:07:37,189 --> 00:07:34,199

was on like 17

165

00:07:39,409 --> 00:07:37,199

000 a month worth of shots and having to

166

00:07:42,529 --> 00:07:39,419

get myself in the stomach and all these

167

00:07:45,950 --> 00:07:42,539

pills and I would take it all on Sunday

168

00:07:48,230 --> 00:07:45,960

and buy uh Thursday I was finally able

169

00:07:50,330 --> 00:07:48,240

to pull myself out of bed and then it

170

00:07:52,189 --> 00:07:50,340

two days are good and then it was right

171

00:07:54,469 --> 00:07:52,199

back into it

172

00:07:57,529 --> 00:07:54,479

but all I know is

173

00:08:00,650 --> 00:07:57,539

um I'm back and I'm feeling a whole lot

174

00:08:03,129 --> 00:08:00,660

better you look great man you've done

175

00:08:07,969 --> 00:08:03,139

straight up straight up

176

00:08:09,950 --> 00:08:07,979

now uh let's let's talk about we're

177

00:08:13,850 --> 00:08:09,960

talking about you but

178

00:08:17,450 --> 00:08:13,860

um before we go uh knee deep into this

179

00:08:20,390 --> 00:08:17,460

uh and into the book I know that

180

00:08:22,309 --> 00:08:20,400

everybody is noticing that airplane that

181

00:08:23,990 --> 00:08:22,319

RC plane that's hanging over your

182

00:08:26,570 --> 00:08:24,000

shoulder

183

00:08:28,369 --> 00:08:26,580

um and that's that's not don't turn the

184

00:08:31,070 --> 00:08:28,379

camera around or anything just let

185

00:08:33,889 --> 00:08:31,080

everybody just imagine and I've seen it

186

00:08:37,969 --> 00:08:33,899

right okay in front of you

187

00:08:39,290 --> 00:08:37,979

is probably 20 or 30 more planes hanging

188

00:08:42,170 --> 00:08:39,300

right

189

00:08:44,269 --> 00:08:42,180

and and that that's your world isn't it

190

00:08:46,130 --> 00:08:44,279

yeah that's my world

191

00:08:48,650 --> 00:08:46,140

um when I was eight years old

192

00:08:50,990 --> 00:08:48,660

my mother bought me a little Cox plane

193

00:08:53,150 --> 00:08:51,000

and Jimmy the same thing he had the same

194

00:08:55,810 --> 00:08:53,160

thing so if everybody's wondering we're

195

00:08:58,550 --> 00:08:55,820

both RC Fanatics we love it

196

00:09:00,590 --> 00:08:58,560

but I started flying when I was eight

197

00:09:02,990 --> 00:09:00,600

and it drove me into being a commercial

198

00:09:06,410 --> 00:09:03,000

pilot as well by the time I was married

199

00:09:09,230 --> 00:09:06,420

and uh but I've always done it and

200

00:09:11,750 --> 00:09:09,240

that's my love I love it I love using my

201
00:09:13,790 --> 00:09:11,760
hands I can I can lose hours in my

202
00:09:19,310 --> 00:09:13,800
little shop just piddling on this stuff

203
00:09:22,730 --> 00:09:19,320
and I I have I have more mini

204
00:09:25,610 --> 00:09:22,740
screwdriver sets that any single man

205
00:09:28,570 --> 00:09:25,620
should be allowed to have I I I think I

206
00:09:31,370 --> 00:09:28,580
think it's illegal that a lot of micro

207
00:09:35,590 --> 00:09:31,380
screwdrivers yeah absolutely I've got

208
00:09:43,570 --> 00:09:40,370
man I I have got a my Dremel kit is

209
00:09:48,829 --> 00:09:46,490
I actually have four dremel tools yeah

210
00:09:52,610 --> 00:09:48,839
yeah yeah yeah yeah man uh I've got

211
00:09:54,650 --> 00:09:52,620
wired I've got cordless yeah and uh and

212
00:09:56,350 --> 00:09:54,660
my guitars oh so check this out and then

213
00:10:00,650 --> 00:09:56,360

we're going to get into UFOs everybody

214

00:10:02,930 --> 00:10:00,660

so I found this really cool use for my

215

00:10:03,710 --> 00:10:02,940

dremels see all my guitars behind me

216

00:10:07,430 --> 00:10:03,720

yeah

217

00:10:11,210 --> 00:10:07,440

polishing the Frets with the Dremel

218

00:10:14,509 --> 00:10:11,220

buffing wheel right so you get the metal

219

00:10:16,730 --> 00:10:14,519

compound right right and you get that

220

00:10:18,889 --> 00:10:16,740

thing go and you get it into the metal

221

00:10:21,590 --> 00:10:18,899

compound I've got four different layer

222

00:10:24,530 --> 00:10:21,600

levels of compound but anyway you get

223

00:10:26,449 --> 00:10:24,540

that in and then right on the Frets why

224

00:10:29,570 --> 00:10:26,459

is that I used to do it by hand with

225

00:10:31,750 --> 00:10:29,580

steel wool right uh four uh steel wool

226

00:10:34,370 --> 00:10:31,760

listen to Chris and I talk about it

227

00:10:37,190 --> 00:10:34,380

nobody knows what four odd steel wool is

228

00:10:40,509 --> 00:10:37,200

but Chris and I do yeah so I do that by

229

00:10:43,370 --> 00:10:40,519

hand take me for it not the Dremel

230

00:10:45,069 --> 00:10:43,380

it was so fun I did I did like 20

231

00:10:50,990 --> 00:10:45,079

guitars in one weekend

232

00:10:54,889 --> 00:10:51,000

with a Dremel yeah yeah I love my Dremel

233

00:10:56,930 --> 00:10:54,899

um uh have you have you put a camera on

234

00:10:59,870 --> 00:10:56,940

one of those planes

235

00:11:02,509 --> 00:10:59,880

I have two planes I have built to do

236

00:11:05,150 --> 00:11:02,519

that with and before I did it

237

00:11:08,269 --> 00:11:05,160

um um I got a drone that I'm trying to

238

00:11:10,190 --> 00:11:08,279

learn first person view on okay I've

239

00:11:14,090 --> 00:11:10,200

already got a plane set up to do that

240

00:11:18,110 --> 00:11:14,100

but okay because my question is this is

241

00:11:20,569 --> 00:11:18,120

this is my tie-in this is dremels and RC

242

00:11:23,030 --> 00:11:20,579

planes into UFOs you're gonna like how I

243

00:11:27,949 --> 00:11:23,040

do this is have you thought about that

244

00:11:31,250 --> 00:11:27,959

right uh or you know overhead and firing

245

00:11:33,110 --> 00:11:31,260

up a plane and and taking it up there or

246

00:11:35,810 --> 00:11:33,120

or possibly a drone have you thought

247

00:11:38,389 --> 00:11:35,820

about doing this yeah I have uh the

248

00:11:40,490 --> 00:11:38,399

Drone I have was not it doesn't have

249

00:11:43,430 --> 00:11:40,500

return home at night and that kind of

250

00:11:45,889 --> 00:11:43,440

thing so the one I have wouldn't be

251

00:11:48,230 --> 00:11:45,899

feasible but if I had a Maverick

252

00:11:50,630 --> 00:11:48,240

um yep yeah Maverick or something of

253

00:11:52,430 --> 00:11:50,640

that sort or you can send it up and

254

00:11:56,030 --> 00:11:52,440

forget about it and it comes on when

255

00:11:59,269 --> 00:11:56,040

it's ready finds his way home that would

256

00:12:01,850 --> 00:11:59,279

be a pretty interesting thing to try I

257

00:12:04,310 --> 00:12:01,860

have uh I'm not going to name names

258

00:12:06,970 --> 00:12:04,320

Chris there's no reason to do that but

259

00:12:10,009 --> 00:12:06,980

you and I have a lot of mutual friends

260

00:12:14,269 --> 00:12:10,019

and uh that have been out to your

261

00:12:17,630 --> 00:12:14,279

property and have called me dude right

262

00:12:20,870 --> 00:12:17,640

you're not gonna believe and you got to

263

00:12:24,650 --> 00:12:20,880

see this video and these are people that

264

00:12:27,650 --> 00:12:24,660

I trust and that I know really well and

265

00:12:31,250 --> 00:12:27,660

that have been out there that have been

266

00:12:33,590 --> 00:12:31,260

stopped in their tracks that not only we

267

00:12:38,150 --> 00:12:33,600

all agree that the phenomenon

268

00:12:40,790 --> 00:12:38,160

but to have your situation

269

00:12:42,710 --> 00:12:40,800

um uh that has gone public and then to

270

00:12:44,269 --> 00:12:42,720

have people out on your property that I

271

00:12:48,290 --> 00:12:44,279

know that have gone through these

272

00:12:51,350 --> 00:12:48,300

experiences uh They Come Away uh pretty

273

00:12:53,329 --> 00:12:51,360

shaken right and and how do you feel

274

00:12:55,670 --> 00:12:53,339

about that having people come out it's

275

00:12:58,250 --> 00:12:55,680

one thing with you and your family but

276

00:13:00,590 --> 00:12:58,260

uh to bring people out to the property

277

00:13:03,350 --> 00:13:00,600

uh how do you feel about that

278

00:13:07,730 --> 00:13:03,360

well I think it's what I'm supposed to

279

00:13:08,889 --> 00:13:07,740

do and um for the last time phenomenon

280

00:13:12,170 --> 00:13:08,899

wouldn't

281

00:13:16,790 --> 00:13:12,180

interact outside of my family it was

282

00:13:18,230 --> 00:13:16,800

very sharp but uh along about 2019 that

283

00:13:20,389 --> 00:13:18,240

all changed

284

00:13:22,790 --> 00:13:20,399

um I remember I told you this before

285

00:13:26,509 --> 00:13:22,800

something hovered over my pond for 30

286

00:13:29,210 --> 00:13:26,519

minutes and I filmed it for almost 18.

287

00:13:32,150 --> 00:13:29,220

and uh that's when I decided to come

288

00:13:34,850 --> 00:13:32,160

forward and I went on your show talking

289

00:13:37,190 --> 00:13:34,860

about that I hadn't talked in years and

290

00:13:38,990 --> 00:13:37,200

it told me then we're going to allow you

291

00:13:41,810 --> 00:13:39,000

to film us

292

00:13:42,610 --> 00:13:41,820

with camera and witness that's what it

293

00:13:47,090 --> 00:13:42,620

said

294

00:13:50,629 --> 00:13:47,100

and sure enough since that time the the

295

00:13:53,990 --> 00:13:50,639

interaction has grown exponentially

296

00:13:55,790 --> 00:13:54,000

to where um you know tonight I walk

297

00:13:58,250 --> 00:13:55,800

going out to my shop

298

00:13:59,329 --> 00:13:58,260

um I had three fly right over my head

299

00:14:02,150 --> 00:13:59,339

but

300

00:14:04,670 --> 00:14:02,160

yeah it's pretty crazy we had 25 30

301
00:14:06,769 --> 00:14:04,680
people here not uh too long ago it was

302
00:14:09,350 --> 00:14:06,779
close to 20.

303
00:14:12,170 --> 00:14:09,360
it was 15 and the crew and others

304
00:14:16,129 --> 00:14:12,180
there's over 20 people here and we had a

305
00:14:17,870 --> 00:14:16,139
whole big show I mean in the trees over

306
00:14:19,670 --> 00:14:17,880
our heads and

307
00:14:23,269 --> 00:14:19,680
it's probably some of the same ones

308
00:14:27,050 --> 00:14:23,279
you're talking about yeah yeah and

309
00:14:28,250 --> 00:14:27,060
um the uh I'm gonna say this pretty

310
00:14:30,350 --> 00:14:28,260
directly

311
00:14:32,509 --> 00:14:30,360
um I haven't shared any of Chris's

312
00:14:34,730 --> 00:14:32,519
videos uh that he sent me he sent me

313
00:14:36,650 --> 00:14:34,740

those in confidence

314

00:14:39,170 --> 00:14:36,660

um but there was

315

00:14:41,509 --> 00:14:39,180

uh over a period of About a Week Chris

316

00:14:43,670 --> 00:14:41,519

was sending me uh some stuff and I was

317

00:14:46,610 --> 00:14:43,680

looking and

318

00:14:49,430 --> 00:14:46,620

um Chris I I see stuff all the time but

319

00:14:50,389 --> 00:14:49,440

the stuff that is happening at your

320

00:14:52,970 --> 00:14:50,399

place

321

00:14:56,930 --> 00:14:52,980

is different and it's different to me

322

00:14:59,509 --> 00:14:56,940

there's something else going on yeah do

323

00:15:01,850 --> 00:14:59,519

you feel I I okay I know that you write

324

00:15:03,470 --> 00:15:01,860

about this in the book I understand that

325

00:15:05,750 --> 00:15:03,480

um and we have talked about this before

326

00:15:08,689 --> 00:15:05,760

but science today

327

00:15:12,170 --> 00:15:08,699

physics today quantum physics

328

00:15:15,050 --> 00:15:12,180

theoretical physics is definitely

329

00:15:18,110 --> 00:15:15,060

talking about entanglement and something

330

00:15:20,210 --> 00:15:18,120

going on at the quantum level

331

00:15:21,650 --> 00:15:20,220

um when you have 20 or 30 people out at

332

00:15:24,350 --> 00:15:21,660

your house

333

00:15:26,449 --> 00:15:24,360

are you calling them in are they

334

00:15:28,550 --> 00:15:26,459

reaching out to you are they saying hey

335

00:15:31,069 --> 00:15:28,560

did you guys order pizza you want us to

336

00:15:33,470 --> 00:15:31,079

come by you know is it like that

337

00:15:37,069 --> 00:15:33,480

well it it

338

00:15:41,389 --> 00:15:37,079

let's just say it's always waiting it's

339

00:15:43,910 --> 00:15:41,399

always there I don't have to pre-plan

340

00:15:48,470 --> 00:15:43,920

um when I go outside I just like you

341

00:15:50,449 --> 00:15:48,480

would call uh if you had uh friends

342

00:15:52,069 --> 00:15:50,459

across the street you were to shout out

343

00:15:53,810 --> 00:15:52,079

to them and say hey

344

00:15:56,509 --> 00:15:53,820

you know we're here in the yard come

345

00:15:58,069 --> 00:15:56,519

well they they hear that and they come

346

00:16:00,170 --> 00:15:58,079

and or

347

00:16:03,470 --> 00:16:00,180

uh they're waiting on me when I walk out

348

00:16:06,769 --> 00:16:03,480

the doors it's an everyday thing

349

00:16:08,930 --> 00:16:06,779

um and it has really grown to that and

350

00:16:11,329 --> 00:16:08,940

very impressive and this quantum

351

00:16:13,790 --> 00:16:11,339

entanglement thing

352

00:16:14,870 --> 00:16:13,800

um that's what we assume that we're

353

00:16:19,069 --> 00:16:14,880

doing

354

00:16:21,470 --> 00:16:19,079

uh it is pretty much is up for people to

355

00:16:23,990 --> 00:16:21,480

debate about but I can tell you we've

356

00:16:27,050 --> 00:16:24,000

been filming

357

00:16:29,509 --> 00:16:27,060

um for whatever I started doing it in

358

00:16:32,329 --> 00:16:29,519

2017 2016.

359

00:16:34,910 --> 00:16:32,339

a friend in Texas would call me and

360

00:16:37,550 --> 00:16:34,920

things would appear and

361

00:16:39,650 --> 00:16:37,560

um now it's gotten to where

362

00:16:42,829 --> 00:16:39,660

um I have a friend heading over to

363

00:16:45,050 --> 00:16:42,839

Europe to a NATO base right now in in

364

00:16:46,490 --> 00:16:45,060

Italy and we're going to do an

365

00:16:49,269 --> 00:16:46,500

experiment this week there's a good

366

00:16:52,550 --> 00:16:49,279

chance it'll show up over that NATO base

367

00:16:56,210 --> 00:16:52,560

which it has over Washington DC many

368

00:16:57,470 --> 00:16:56,220

times and uh it shows up there when it

369

00:17:01,009 --> 00:16:57,480

shows up here

370

00:17:04,309 --> 00:17:01,019

at the same time just entangled right

371

00:17:08,270 --> 00:17:04,319

right and when when that happens

372

00:17:12,049 --> 00:17:08,280

is it described the same

373

00:17:14,449 --> 00:17:12,059

um not exactly okay let's say here's we

374

00:17:16,610 --> 00:17:14,459

had people question that oh it's got to

375

00:17:18,650 --> 00:17:16,620

be the same module well no it's 450

376

00:17:22,010 --> 00:17:18,660

miles apart you can't see it when it's

377

00:17:23,689 --> 00:17:22,020

down so I I I had my friend in

378

00:17:26,630 --> 00:17:23,699

Washington DC

379

00:17:30,110 --> 00:17:26,640

uh and he was he was had his camera

380

00:17:32,210 --> 00:17:30,120

focused on the sky we always pick a spot

381

00:17:35,870 --> 00:17:32,220

so he's looking North right

382

00:17:38,810 --> 00:17:35,880

up towards Cassiopeia and so I actually

383

00:17:40,669 --> 00:17:38,820

took my camera without telling him and I

384

00:17:43,850 --> 00:17:40,679

brought it down to the ground and I

385

00:17:48,110 --> 00:17:43,860

faced the woods my chicken coop

386

00:17:51,350 --> 00:17:48,120

and the minute he had one uh appear and

387

00:17:53,830 --> 00:17:51,360

Flash at him his Flash

388

00:17:57,470 --> 00:17:53,840

and he said hey I got a flash

389

00:18:01,310 --> 00:17:57,480

immediately timed to the millisecond the

390

00:18:04,250 --> 00:18:01,320

orb flashed on my chicken coop about 25

391

00:18:06,669 --> 00:18:04,260

yards away she's totally entangled so

392

00:18:08,510 --> 00:18:06,679

it's not the same it's just different

393

00:18:10,850 --> 00:18:08,520

Sometimes they come from different

394

00:18:13,370 --> 00:18:10,860

directions one might be coming from the

395

00:18:16,549 --> 00:18:13,380

south and one from the west but they'll

396

00:18:19,010 --> 00:18:16,559

flash at us and you know it's all pretty

397

00:18:21,169 --> 00:18:19,020

amazing stuff why don't we mess with

398

00:18:24,350 --> 00:18:21,179

Lockheed Skunk Works they're right down

399

00:18:27,350 --> 00:18:24,360

the street I could I could do it good

400

00:18:31,789 --> 00:18:27,360

yeah yeah I could stand up on my patio

401
00:18:34,130 --> 00:18:31,799
where I can see Lockheed right and and

402
00:18:36,710 --> 00:18:34,140
you know I I think we should mess around

403
00:18:40,190 --> 00:18:36,720
I think we should do the mess around I

404
00:18:42,350 --> 00:18:40,200
would love that oh we can try it my my

405
00:18:45,230 --> 00:18:42,360
friends in in

406
00:18:47,090 --> 00:18:45,240
um my friends may say otherwise but we

407
00:18:47,830 --> 00:18:47,100
should give it a try we should give it a

408
00:18:50,450 --> 00:18:47,840
try

409
00:18:51,830 --> 00:18:50,460
you know your phone's gonna ring mine's

410
00:18:56,750 --> 00:18:51,840
gonna ring they're gonna be at my front

411
00:19:00,110 --> 00:18:56,760
door okay you and Bledsoe need to we're

412
00:19:05,390 --> 00:19:00,120
trying to work out here yeah

413
00:19:08,810 --> 00:19:05,400

um the book is called uh UFO of God and

414

00:19:11,570 --> 00:19:08,820

it's uh it's a it's a great title

415

00:19:15,529 --> 00:19:11,580

um I think that when most people see it

416

00:19:16,970 --> 00:19:15,539

uh it's a strong title right it's a very

417

00:19:19,100 --> 00:19:16,980

suggestive title

418

00:19:20,450 --> 00:19:19,110

why'd you call it that

419

00:19:22,490 --> 00:19:20,460

[Music]

420

00:19:24,110 --> 00:19:22,500

um because

421

00:19:26,630 --> 00:19:24,120

um

422

00:19:29,630 --> 00:19:26,640

I actually believe everything is from

423

00:19:31,970 --> 00:19:29,640

God you know if it's extraterrestrial or

424

00:19:34,970 --> 00:19:31,980

if it's Angelic uh

425

00:19:38,630 --> 00:19:34,980

somebody created it all and it's not by

426

00:19:41,450 --> 00:19:38,640

chance right so we got to give that and

427

00:19:45,830 --> 00:19:41,460

but if you look at this this cover of

428

00:19:47,870 --> 00:19:45,840

this book it is it's a lost Leonardo

429

00:19:48,590 --> 00:19:47,880

and it's something special about that

430

00:19:52,010 --> 00:19:48,600

cover

431

00:19:54,890 --> 00:19:52,020

uh he's holding the orb and saying and

432

00:19:56,450 --> 00:19:54,900

we filmed these orbs even recently with

433

00:20:00,110 --> 00:19:56,460

a thermal camera

434

00:20:02,930 --> 00:20:00,120

and it was filmed which everybody might

435

00:20:06,289 --> 00:20:02,940

get to see that later this summer but it

436

00:20:08,390 --> 00:20:06,299

it looks exactly like the ball the

437

00:20:11,029 --> 00:20:08,400

little crystal ball he's holding in his

438

00:20:12,770 --> 00:20:11,039

hand and I see him all the time and

439

00:20:15,590 --> 00:20:12,780

they'll look like that translucent

440

00:20:17,870 --> 00:20:15,600

little balls of and they get bigger and

441

00:20:20,450 --> 00:20:17,880

smaller but they're usually about the

442

00:20:21,770 --> 00:20:20,460

size of a bowling ball to a beach ball

443

00:20:24,950 --> 00:20:21,780

but

444

00:20:26,750 --> 00:20:24,960

uh if you look at that ball anybody that

445

00:20:28,610 --> 00:20:26,760

knows this and Leonardo with an

446

00:20:31,310 --> 00:20:28,620

absolutely known it

447

00:20:33,230 --> 00:20:31,320

when you look to a crystal ball

448

00:20:37,010 --> 00:20:33,240

everything in the background will be

449

00:20:38,930 --> 00:20:37,020

reversed but not on that painting

450

00:20:40,789 --> 00:20:38,940

so there's something he's trying to tell

451
00:20:41,390 --> 00:20:40,799
us there and

452
00:20:45,289 --> 00:20:41,400
um

453
00:20:48,890 --> 00:20:45,299
I think that if you read the book you'll

454
00:20:51,650 --> 00:20:48,900
understand more why I named it that can

455
00:20:53,630 --> 00:20:51,660
I um oh well we'll discuss that a little

456
00:20:56,029 --> 00:20:53,640
bit tonight

457
00:20:57,010 --> 00:20:56,039
um the painting is called Salvador Mundy

458
00:21:01,610 --> 00:20:57,020
right

459
00:21:04,490 --> 00:21:01,620
and uh one of the great I mean the ball

460
00:21:08,330 --> 00:21:04,500
has always been a mystery uh to all of

461
00:21:09,289 --> 00:21:08,340
us and and of course the you you know in

462
00:21:12,650 --> 00:21:09,299
the hand

463
00:21:15,789 --> 00:21:12,660

um but it's also the face is such a big

464

00:21:19,310 --> 00:21:15,799

deal about this painting but you've got

465

00:21:21,049 --> 00:21:19,320

the eyes covered right what's going on

466

00:21:21,770 --> 00:21:21,059

man

467

00:21:25,010 --> 00:21:21,780

um

468

00:21:27,710 --> 00:21:25,020

that is everything about that cover was

469

00:21:31,070 --> 00:21:27,720

designed to get everybody's attention

470

00:21:33,289 --> 00:21:31,080

well it got mine yeah

471

00:21:34,430 --> 00:21:33,299

there were experts that helped me design

472

00:21:36,409 --> 00:21:34,440

it

473

00:21:40,850 --> 00:21:36,419

um and

474

00:21:43,250 --> 00:21:40,860

I mean real experts that that know how

475

00:21:46,010 --> 00:21:43,260

to to get attention

476
00:21:49,730 --> 00:21:46,020
and it all says something it says UFO

477
00:21:52,549 --> 00:21:49,740
UFO and God in the same

478
00:21:55,250 --> 00:21:52,559
I think it's time Jimmy for the people

479
00:21:58,909 --> 00:21:55,260
of religious Faith to talk about this

480
00:22:02,149 --> 00:21:58,919
subject you got to this time it's time

481
00:22:06,049 --> 00:22:02,159
for everybody to talk about it you

482
00:22:07,909 --> 00:22:06,059
um in in the past uh something that

483
00:22:10,669 --> 00:22:07,919
we've talked about a lot and I never

484
00:22:13,190 --> 00:22:10,679
pushed the issue and one of the which is

485
00:22:15,710 --> 00:22:13,200
the religious side of this right

486
00:22:19,490 --> 00:22:15,720
um on my show I try to leave two things

487
00:22:21,470 --> 00:22:19,500
alone politics and religion right you

488
00:22:24,470 --> 00:22:21,480

know let's let's divide the audience

489

00:22:27,890 --> 00:22:24,480

right let's just get everybody fighting

490

00:22:30,169 --> 00:22:27,900

um but uh we've talked a lot about the

491

00:22:34,250 --> 00:22:30,179

Easter visits

492

00:22:38,090 --> 00:22:34,260

um uh that was that for you

493

00:22:41,149 --> 00:22:38,100

was that the lean towards the religious

494

00:22:43,909 --> 00:22:41,159

component with your experiences

495

00:22:45,770 --> 00:22:43,919

that has something to do with it

496

00:22:48,830 --> 00:22:45,780

um you know I was born and raised in in

497

00:22:52,250 --> 00:22:48,840

the the Bible Belt

498

00:22:54,649 --> 00:22:52,260

um my family was Baptist still are and

499

00:22:58,669 --> 00:22:54,659

my wife I married a Pentecostal Holiness

500

00:23:02,210 --> 00:22:58,679

girl and they're a lot more strict

501
00:23:05,450 --> 00:23:02,220
and I was a deacon in the church and

502
00:23:08,149 --> 00:23:05,460
when I came home talking about this the

503
00:23:11,690 --> 00:23:08,159
whole world closed in on me the church

504
00:23:14,750 --> 00:23:11,700
all of them uh the community

505
00:23:18,169 --> 00:23:14,760
well it was a spiritual thing because I

506
00:23:20,930 --> 00:23:18,179
was crying out for help I was sick I had

507
00:23:22,669 --> 00:23:20,940
near death I've lost everything I had

508
00:23:24,890 --> 00:23:22,679
and was trying to figure out how to feed

509
00:23:27,830 --> 00:23:24,900
my children at 46 years old and they're

510
00:23:29,270 --> 00:23:27,840
all at home small my daughter was nine

511
00:23:33,470 --> 00:23:29,280
or ten years old

512
00:23:37,730 --> 00:23:33,480
and they all turned on me like I had the

513
00:23:40,909 --> 00:23:37,740

devil uh had paid me a visit and

514

00:23:43,250 --> 00:23:40,919

I knew better I knew it wasn't that way

515

00:23:45,649 --> 00:23:43,260

and I have

516

00:23:47,870 --> 00:23:45,659

um it never quit coming

517

00:23:50,690 --> 00:23:47,880

but I don't think they all know this

518

00:23:53,390 --> 00:23:50,700

true story completely I I think there's

519

00:23:55,130 --> 00:23:53,400

a lot for us all to learn I I believe

520

00:23:57,529 --> 00:23:55,140

that um

521

00:23:58,510 --> 00:23:57,539

the same thing they were seeing back in

522

00:24:01,010 --> 00:23:58,520

the days

523

00:24:03,830 --> 00:24:01,020

2000 years ago is the same thing we're

524

00:24:06,110 --> 00:24:03,840

seeing today what is it this we need to

525

00:24:09,409 --> 00:24:06,120

we need to study it we need to find out

526

00:24:11,450 --> 00:24:09,419

more I don't want to make claims and try

527

00:24:13,789 --> 00:24:11,460

to

528

00:24:15,230 --> 00:24:13,799

um influence anybody's thought you can

529

00:24:19,130 --> 00:24:15,240

believe whatever you want to believe

530

00:24:21,710 --> 00:24:19,140

it's extraterrestrial and angelic I I

531

00:24:23,210 --> 00:24:21,720

just know it's spiritual it talks on a

532

00:24:25,010 --> 00:24:23,220

conscience level

533

00:24:28,610 --> 00:24:25,020

when

534

00:24:31,730 --> 00:24:28,620

this is John Alexander speaks about this

535

00:24:35,810 --> 00:24:31,740

and my manager David Broadwell

536

00:24:37,250 --> 00:24:35,820

he was here uh on October the 13th of

537

00:24:40,490 --> 00:24:37,260

last year

538

00:24:42,350 --> 00:24:40,500

and uh sitting in my living room at the

539

00:24:45,049 --> 00:24:42,360

front door with you know small little

540

00:24:47,090 --> 00:24:45,059

cabin we live in and his chair was at

541

00:24:48,590 --> 00:24:47,100

the front door and I'm facing him eight

542

00:24:52,130 --> 00:24:48,600

or ten feet away

543

00:24:54,710 --> 00:24:52,140

and Emily and her husband got up to go

544

00:24:57,230 --> 00:24:54,720

get carryout for us and Yvonne was

545

00:24:59,750 --> 00:24:57,240

cleaning dishes or something but anyhow

546

00:25:01,789 --> 00:24:59,760

it just became David now for a minute

547

00:25:04,370 --> 00:25:01,799

well suddenly

548

00:25:07,130 --> 00:25:04,380

I'm not looking at David anymore I'm I

549

00:25:08,690 --> 00:25:07,140

have a vision of this

550

00:25:11,690 --> 00:25:08,700

uh

551
00:25:13,690 --> 00:25:11,700
this presence over top of the house same

552
00:25:17,149 --> 00:25:13,700
thing I always get I get this Vision

553
00:25:19,669 --> 00:25:17,159
it's like put in my head did not feel

554
00:25:22,310 --> 00:25:19,679
this energy well up through me and I

555
00:25:24,409 --> 00:25:22,320
looked at David I said it's here now

556
00:25:25,970 --> 00:25:24,419
and he stood right up and opened the

557
00:25:28,730 --> 00:25:25,980
front door and it was hovering over top

558
00:25:30,470 --> 00:25:28,740
of the house and as soon as I got up to

559
00:25:32,570 --> 00:25:30,480
come out behind him here comes the

560
00:25:34,070 --> 00:25:32,580
second one and the third one and it was

561
00:25:37,010 --> 00:25:34,080
so close he filmed it with his cell

562
00:25:38,630 --> 00:25:37,020
phone he looked at me and he said my God

563
00:25:41,690 --> 00:25:38,640

he said

564

00:25:45,049 --> 00:25:41,700

John Alexander was correct you do know

565

00:25:48,049 --> 00:25:45,059

ahead of time I said well yeah I do a

566

00:25:49,810 --> 00:25:48,059

hero I hear him in visions and I feel

567

00:25:53,990 --> 00:25:49,820

them and

568

00:25:55,909 --> 00:25:54,000

so that alone is is it telepathic what

569

00:26:00,409 --> 00:25:55,919

is it I'm not sure

570

00:26:03,830 --> 00:26:00,419

but it is is conscious based is it's a

571

00:26:05,810 --> 00:26:03,840

spiritual connection to me and uh but

572

00:26:07,730 --> 00:26:05,820

I'm not going to tell you it's Jesus

573

00:26:10,430 --> 00:26:07,740

Christ by no means you know what I'm

574

00:26:13,210 --> 00:26:10,440

saying because I don't know

575

00:26:17,090 --> 00:26:13,220

but I do know is is

576

00:26:20,510 --> 00:26:17,100

benevolent and it's uh for me it is

577

00:26:23,330 --> 00:26:20,520

and it's spiritual is uh is David going

578

00:26:25,310 --> 00:26:23,340

to church now yeah yeah he was there

579

00:26:26,169 --> 00:26:25,320

tonight believe it or not he said the

580

00:26:30,289 --> 00:26:26,179

pictures

581

00:26:31,909 --> 00:26:30,299

oh man yeah he's laughing right now I

582

00:26:35,450 --> 00:26:31,919

know he's listening

583

00:26:37,490 --> 00:26:35,460

um but yeah so it can be a change uh to

584

00:26:40,490 --> 00:26:37,500

everybody I like I like the way that you

585

00:26:43,970 --> 00:26:40,500

want to Define spiritual

586

00:26:46,390 --> 00:26:43,980

um as opposed to religious because

587

00:26:49,010 --> 00:26:46,400

um let's face the facts here

588

00:26:50,750 --> 00:26:49,020

everybody's got a religion right they're

589

00:26:54,590 --> 00:26:50,760

all over the place man they're invented

590

00:26:58,070 --> 00:26:54,600

every single day we gotta do and

591

00:27:01,430 --> 00:26:58,080

um so that's that that's not what we are

592

00:27:05,330 --> 00:27:01,440

referring to here but what do we do

593

00:27:07,370 --> 00:27:05,340

for those that want to make this a

594

00:27:11,210 --> 00:27:07,380

Catholic thing make this a Virgin Mary

595

00:27:14,390 --> 00:27:11,220

thing a virgin mother thing a Fatima

596

00:27:16,630 --> 00:27:14,400

thing there are similarities uh with

597

00:27:19,970 --> 00:27:16,640

Fatima and in your situation for sure

598

00:27:22,310 --> 00:27:19,980

and I think that those three kids uh

599

00:27:26,810 --> 00:27:22,320

knew in advance that something was going

600

00:27:28,669 --> 00:27:26,820

down to as well and just like yourself

601
00:27:30,529 --> 00:27:28,679
um so those comparisons are there but

602
00:27:33,110 --> 00:27:30,539
you don't want to make that comparison

603
00:27:36,950 --> 00:27:33,120
do you no no not at all

604
00:27:40,669 --> 00:27:36,960
um remember I was born Baptist and

605
00:27:43,370 --> 00:27:40,679
um in that religion uh they never talk

606
00:27:45,649 --> 00:27:43,380
about the mother of Jesus only talk

607
00:27:47,930 --> 00:27:45,659
about Jesus you never hear about her at

608
00:27:51,230 --> 00:27:47,940
all very little

609
00:27:54,710 --> 00:27:51,240
um so I don't know her and my experience

610
00:27:56,390 --> 00:27:54,720
with this this this this this woman

611
00:28:01,130 --> 00:27:56,400
this lady

612
00:28:02,930 --> 00:28:01,140
was uh not to me uh the Virgin Mary at

613
00:28:03,950 --> 00:28:02,940

all in fact

614

00:28:08,210 --> 00:28:03,960

um

615

00:28:11,510 --> 00:28:08,220

uh it I think she's always been here and

616

00:28:14,930 --> 00:28:11,520

I think that the Catholics uh are

617

00:28:17,570 --> 00:28:14,940

beautiful people and but it's just like

618

00:28:19,549 --> 00:28:17,580

the Baptists and the and the rest they

619

00:28:21,950 --> 00:28:19,559

all it's a man-made thing they have

620

00:28:24,789 --> 00:28:21,960

rules I don't like rules I don't like

621

00:28:28,430 --> 00:28:24,799

nobody telling me I gotta pay for

622

00:28:31,010 --> 00:28:28,440

Faith I get it freely I can walk out and

623

00:28:34,310 --> 00:28:31,020

say you know I'm here and the sky comes

624

00:28:36,169 --> 00:28:34,320

alive and we can all do that we can all

625

00:28:38,630 --> 00:28:36,179

do it

626

00:28:41,149 --> 00:28:38,640

um no offense to the church but you know

627

00:28:43,730 --> 00:28:41,159

it's it's real for us all it's not for

628

00:28:45,769 --> 00:28:43,740

one and it's not for one to charge for

629

00:28:47,510 --> 00:28:45,779

it or give you a feed you a little bit

630

00:28:50,810 --> 00:28:47,520

we can all have

631

00:28:55,510 --> 00:28:50,820

that connection yeah what do they say uh

632

00:28:59,870 --> 00:28:55,520

don't send change the baby Jesus

633

00:29:01,730 --> 00:28:59,880

we like the kind that folds yeah I I

634

00:29:06,409 --> 00:29:01,740

I've always had issues with that I think

635

00:29:09,769 --> 00:29:06,419

we we most do that don't understand

636

00:29:12,409 --> 00:29:09,779

um okay but and I hear you know here's

637

00:29:13,430 --> 00:29:12,419

the caveat right here's the butt

638

00:29:15,529 --> 00:29:13,440

um

639

00:29:21,190 --> 00:29:15,539

you

640

00:29:24,169 --> 00:29:21,200

lady

641

00:29:26,570 --> 00:29:24,179

and the comparisons to Fatima and other

642

00:29:28,909 --> 00:29:26,580

this is not your you know this is not a

643

00:29:32,029 --> 00:29:28,919

unique situation right

644

00:29:34,250 --> 00:29:32,039

um did you ever stop and and wonder

645

00:29:37,610 --> 00:29:34,260

because I want to get to the spiritual

646

00:29:40,130 --> 00:29:37,620

side of what a UFO may be in in just a

647

00:29:43,090 --> 00:29:40,140

second and and the creation of the

648

00:29:46,909 --> 00:29:43,100

universe but

649

00:29:48,830 --> 00:29:46,919

could it I mean could it be where you

650

00:29:51,830 --> 00:29:48,840

might have to step back and go wow I

651
00:29:55,190 --> 00:29:51,840
guess uh I guess she was the Virgin Mary

652
00:29:59,990 --> 00:29:55,200
have you have you had that question uh

653
00:30:03,769 --> 00:30:00,000
in your mind not at all ever ever and

654
00:30:07,190 --> 00:30:03,779
why is that because I wasn't raised to

655
00:30:08,630 --> 00:30:07,200
believe that so when she came

656
00:30:11,750 --> 00:30:08,640
um

657
00:30:14,450 --> 00:30:11,760
I I didn't see it in that light I saw

658
00:30:19,130 --> 00:30:14,460
something that was totally

659
00:30:20,830 --> 00:30:19,140
uh beyond our imagination

660
00:30:24,169 --> 00:30:20,840
um beautiful

661
00:30:27,649 --> 00:30:24,179
caring and she didn't say I'm a Catholic

662
00:30:30,350 --> 00:30:27,659
or I'm a Baptist or I'm this she just

663
00:30:32,630 --> 00:30:30,360

said you have a burden

664

00:30:36,529 --> 00:30:32,640

you must bear you're not going to back

665

00:30:38,750 --> 00:30:36,539

out on us and that's supercharged me to

666

00:30:41,389 --> 00:30:38,760

do what I'm doing today I would have

667

00:30:42,950 --> 00:30:41,399

quit if she hadn't come but there was

668

00:30:44,269 --> 00:30:42,960

never any

669

00:30:45,529 --> 00:30:44,279

any

670

00:30:48,649 --> 00:30:45,539

um

671

00:30:52,190 --> 00:30:48,659

sign or anything for me to believe it

672

00:30:56,330 --> 00:30:52,200

was of any religion other than it was

673

00:30:57,649 --> 00:30:56,340

from it was from Heaven this lady was a

674

00:30:59,830 --> 00:30:57,659

heavenly

675

00:31:03,549 --> 00:30:59,840

a spirit

676
00:31:05,389 --> 00:31:03,559
she came out of nowhere appeared like

677
00:31:07,370 --> 00:31:05,399
supernaturally you know it's what

678
00:31:10,370 --> 00:31:07,380
Angelic beings according to the Bible

679
00:31:11,690 --> 00:31:10,380
are spirits ministering Spirits is what

680
00:31:14,210 --> 00:31:11,700
it says so

681
00:31:17,330 --> 00:31:14,220
they're Supernatural

682
00:31:20,090 --> 00:31:17,340
Okay so

683
00:31:22,909 --> 00:31:20,100
we're talking about at the same time

684
00:31:25,250 --> 00:31:22,919
we're talking about if like the the

685
00:31:26,930 --> 00:31:25,260
river incident right that that's a craft

686
00:31:29,870 --> 00:31:26,940
that came down and landed in the field

687
00:31:32,330 --> 00:31:29,880
right you've got Chris and your

688
00:31:34,310 --> 00:31:32,340

co-workers your contractors you've got a

689

00:31:39,350 --> 00:31:34,320

you know a dude that comes out of the

690

00:31:42,350 --> 00:31:39,360

bushes right red eyes right I mean now

691

00:31:46,269 --> 00:31:42,360

um is that spiritual

692

00:31:47,830 --> 00:31:46,279

is that god-like or is that ET

693

00:31:50,990 --> 00:31:47,840

and

694

00:31:54,230 --> 00:31:51,000

obviously you feel that the the lady is

695

00:31:58,430 --> 00:31:54,240

connected to a craft that has landed uh

696

00:32:00,710 --> 00:31:58,440

near your house and uh your son has made

697

00:32:04,789 --> 00:32:00,720

he's made a close encounter of the Third

698

00:32:05,690 --> 00:32:04,799

Kind right right well let me say this

699

00:32:08,630 --> 00:32:05,700

um

700

00:32:12,230 --> 00:32:08,640

you know I struggled for many years with

701
00:32:15,649 --> 00:32:12,240
all this until I learned that uh the

702
00:32:18,110 --> 00:32:15,659
technology is the problem everybody has

703
00:32:21,529 --> 00:32:18,120
I discussed this with NASA Tim Taylor

704
00:32:23,930 --> 00:32:21,539
many times you know Tim is the

705
00:32:27,049 --> 00:32:23,940
technology that blows everybody's mind

706
00:32:28,130 --> 00:32:27,059
well if you start looking at the newest

707
00:32:32,269 --> 00:32:28,140
science

708
00:32:34,970 --> 00:32:32,279
a molecular biology if you look at the

709
00:32:38,810 --> 00:32:34,980
molecular level you can go on television

710
00:32:39,789 --> 00:32:38,820
now and and Google on YouTube

711
00:32:44,210 --> 00:32:39,799
um

712
00:32:47,149 --> 00:32:44,220
electron microscope or microscopy they

713
00:32:50,870 --> 00:32:47,159

call it of um

714

00:32:55,789 --> 00:32:50,880

of the molecular machines

715

00:32:58,850 --> 00:32:55,799

your body is full of like 10 trillion

716

00:33:01,549 --> 00:32:58,860

sales and in these cells are tiny

717

00:33:03,889 --> 00:33:01,559

machines they look like a dump truck or

718

00:33:06,110 --> 00:33:03,899

like something pulling along something

719

00:33:08,330 --> 00:33:06,120

and they fall in line is

720

00:33:12,049 --> 00:33:08,340

is too complex

721

00:33:14,690 --> 00:33:12,059

for it not to be made by some mind you

722

00:33:17,690 --> 00:33:14,700

know somebody encoded this somebody

723

00:33:19,909 --> 00:33:17,700

wrote the program we're in a simulation

724

00:33:20,570 --> 00:33:19,919

we have to be

725

00:33:23,870 --> 00:33:20,580

um

726

00:33:26,389 --> 00:33:23,880

and and so if the body's made full of

727

00:33:28,669 --> 00:33:26,399

machines whoever made it undoubtedly has

728

00:33:32,509 --> 00:33:28,679

machines as well right

729

00:33:35,930 --> 00:33:32,519

so I I don't know I'm in this and

730

00:33:39,529 --> 00:33:35,940

and awe and wonder every day just like

731

00:33:41,570 --> 00:33:39,539

everybody else yeah I thought about that

732

00:33:45,409 --> 00:33:41,580

so much in that

733

00:33:49,130 --> 00:33:45,419

you and I are made of the exact same

734

00:33:52,310 --> 00:33:49,140

stuff it's called atoms right the exact

735

00:33:55,130 --> 00:33:52,320

same stuff that start off the same atoms

736

00:33:57,110 --> 00:33:55,140

make this coffee cup right it's the same

737

00:33:59,210 --> 00:33:57,120

man it's not there's not there's not

738

00:34:03,289 --> 00:33:59,220

anything special going on here that

739

00:34:06,769 --> 00:34:03,299

makes it different but something is

740

00:34:11,210 --> 00:34:06,779

telling everything in our body

741

00:34:15,010 --> 00:34:11,220

what to do yeah you know hair blood

742

00:34:20,389 --> 00:34:15,020

right toenails whatever it is skin cells

743

00:34:22,849 --> 00:34:20,399

that beard right right how how does this

744

00:34:24,950 --> 00:34:22,859

happen unless

745

00:34:28,730 --> 00:34:24,960

there's something Divine and spiritual

746

00:34:31,669 --> 00:34:28,740

about it uh DNA I don't think was an

747

00:34:34,609 --> 00:34:31,679

accident Chris do you no it absolutely

748

00:34:36,970 --> 00:34:34,619

wasn't in fact that's where you can

749

00:34:39,710 --> 00:34:36,980

really find these uh detailed

750

00:34:43,129 --> 00:34:39,720

simulations of these Micro Machines

751

00:34:46,490 --> 00:34:43,139

within your DNA replicating cells and

752

00:34:49,430 --> 00:34:46,500

replicating DNA to the exact code and it

753

00:34:53,629 --> 00:34:49,440

it does it and they line up all these

754

00:34:56,869 --> 00:34:53,639

but something I've learned uh studying

755

00:34:59,750 --> 00:34:56,879

some stuff from NASA being involved with

756

00:35:03,890 --> 00:34:59,760

uh certain people from there

757

00:35:06,890 --> 00:35:03,900

I learned about metamaterial 15 14 years

758

00:35:09,589 --> 00:35:06,900

ago I learned about the same stuff Gary

759

00:35:12,609 --> 00:35:09,599

Nolan's doing now I knew about it a long

760

00:35:16,970 --> 00:35:12,619

time before he ever come on the scene

761

00:35:22,130 --> 00:35:16,980

or a good while and um

762

00:35:23,770 --> 00:35:22,140

but it's incredible to to see

763

00:35:28,010 --> 00:35:23,780

um

764

00:35:30,829 --> 00:35:28,020

it's just it's mind-boggling the whole

765

00:35:31,930 --> 00:35:30,839

thing of how it all fits together the

766

00:35:41,569 --> 00:35:31,940

the

767

00:35:42,650 --> 00:35:41,579

you know I can say this to study from

768

00:35:46,970 --> 00:35:42,660

NASA

769

00:35:49,990 --> 00:35:46,980

that I'm referring to was green light

770

00:35:52,750 --> 00:35:50,000

uh some there believe they have found

771

00:35:56,810 --> 00:35:52,760

the program

772

00:35:59,690 --> 00:35:56,820

that the green light when it shines on

773

00:36:02,870 --> 00:35:59,700

when the Sun Shines on the earth it hits

774

00:36:04,849 --> 00:36:02,880

it at an angle which causes a green

775

00:36:06,890 --> 00:36:04,859

light spectrum which is the center of

776

00:36:08,630 --> 00:36:06,900

the color spectrum right

777

00:36:09,890 --> 00:36:08,640

trees are green grass is green

778

00:36:13,310 --> 00:36:09,900

everything's green

779

00:36:15,109 --> 00:36:13,320

well there's a chemical called I think

780

00:36:17,510 --> 00:36:15,119

it's ADT

781

00:36:19,670 --> 00:36:17,520

which is basically hemoglobin in the

782

00:36:23,150 --> 00:36:19,680

blood and um

783

00:36:26,690 --> 00:36:23,160

the the the chlorophyll in a plant or in

784

00:36:29,510 --> 00:36:26,700

a you know in Plants it's the same same

785

00:36:32,569 --> 00:36:29,520

principle when this green light hits

786

00:36:35,930 --> 00:36:32,579

that it starts the life process so that

787

00:36:39,470 --> 00:36:35,940

light and is encoding wirelessly

788

00:36:42,290 --> 00:36:39,480

the instructions for life for everything

789

00:36:45,310 --> 00:36:42,300

so they believe that that's God talking

790

00:36:47,690 --> 00:36:45,320

or the program or whatever it is

791

00:36:49,970 --> 00:36:47,700

encoding every living thing is coming

792

00:36:52,490 --> 00:36:49,980

through green light and it's funny in

793

00:36:54,410 --> 00:36:52,500

the Bible there's passages that says and

794

00:36:56,569 --> 00:36:54,420

he maketh need to lie down in Green

795

00:36:58,970 --> 00:36:56,579

Pastures what is that about

796

00:37:02,810 --> 00:36:58,980

you know and even NASA recognizes this

797

00:37:04,910 --> 00:37:02,820

the same scriptures so okay so now let's

798

00:37:08,150 --> 00:37:04,920

go out a little bit

799

00:37:12,410 --> 00:37:08,160

the book is called UFO of God right

800

00:37:13,849 --> 00:37:12,420

uh we have what that implies but if we

801
00:37:17,810 --> 00:37:13,859
go further out and further out and

802
00:37:20,270 --> 00:37:17,820
further out uh to the beginning of

803
00:37:24,829 --> 00:37:22,910
um before the Big Bang you know we can

804
00:37:25,490 --> 00:37:24,839
start there

805
00:37:28,670 --> 00:37:25,500
um

806
00:37:33,050 --> 00:37:28,680
is that

807
00:37:36,230 --> 00:37:33,060
that thinking mechanism whatever

808
00:37:39,109 --> 00:37:36,240
started this creation of everything

809
00:37:41,450 --> 00:37:39,119
is that the god that is on the cover of

810
00:37:43,609 --> 00:37:41,460
this book

811
00:37:44,630 --> 00:37:43,619
um well I don't have no way of knowing

812
00:37:47,990 --> 00:37:44,640
that

813
00:37:51,050 --> 00:37:48,000

um at all the um what drew me to this

814

00:37:53,870 --> 00:37:51,060

cover was my spiritual connection and

815

00:37:58,790 --> 00:37:53,880

the orb that Leonardo painted on there

816

00:38:00,470 --> 00:37:58,800

that clear orb is so unreal because it

817

00:38:03,829 --> 00:38:00,480

has if you look at a real high

818

00:38:07,609 --> 00:38:03,839

definition copy of it you'll see little

819

00:38:10,490 --> 00:38:07,619

bubbles inside water bubbles well Lori

820

00:38:12,650 --> 00:38:10,500

Wagner you know her we were nowhere well

821

00:38:15,829 --> 00:38:12,660

yeah Lori and I and her daughter and

822

00:38:18,170 --> 00:38:15,839

some other folks were in Encinitas

823

00:38:19,849 --> 00:38:18,180

standing on the bank looking on the

824

00:38:21,349 --> 00:38:19,859

Pacific Coast Highway looking out over

825

00:38:23,990 --> 00:38:21,359

the ocean they wanted to see something

826
00:38:25,609 --> 00:38:24,000
they flew me out there so we're standing

827
00:38:27,589 --> 00:38:25,619
there in these orange orgs are peering

828
00:38:29,630 --> 00:38:27,599
out over the ocean and they'd go off and

829
00:38:31,190 --> 00:38:29,640
appear in different places real low

830
00:38:33,890 --> 00:38:31,200
right on the water

831
00:38:35,630 --> 00:38:33,900
so we stayed there about an hour and we

832
00:38:38,690 --> 00:38:35,640
turned I was going to go back to the

833
00:38:39,890 --> 00:38:38,700
hotel which was we were parked at my

834
00:38:41,569 --> 00:38:39,900
hotel there

835
00:38:43,609 --> 00:38:41,579
and um

836
00:38:45,890 --> 00:38:43,619
as soon as we turned our backs to the

837
00:38:48,890 --> 00:38:45,900
ocean they came from behind us came

838
00:38:52,310 --> 00:38:48,900

right overhead about 200 feet up two

839

00:38:54,710 --> 00:38:52,320

orbs we all looked up and fat Lori's

840

00:38:56,990 --> 00:38:54,720

daughter said oh my God what is that and

841

00:39:00,530 --> 00:38:57,000

well they right over top and they look

842

00:39:03,170 --> 00:39:00,540

like water drops just like the orb he's

843

00:39:05,270 --> 00:39:03,180

holding in his hand and they joined

844

00:39:07,849 --> 00:39:05,280

together like water would do it like

845

00:39:09,829 --> 00:39:07,859

bloop it just kind of they sucked in on

846

00:39:11,750 --> 00:39:09,839

one another and it jiggled a bit and

847

00:39:14,270 --> 00:39:11,760

then it shut off the Mexico

848

00:39:16,130 --> 00:39:14,280

out like out of a cannon but they look

849

00:39:20,630 --> 00:39:16,140

like raindrops they look just like that

850

00:39:25,130 --> 00:39:20,640

oil I remember uh Lori telling me about

851
00:39:27,470 --> 00:39:25,140
that yeah and uh her description of it

852
00:39:29,410 --> 00:39:27,480
first off

853
00:39:32,870 --> 00:39:29,420
um she's a very very very very very

854
00:39:37,069 --> 00:39:32,880
smart person right I mean it's super

855
00:39:38,329 --> 00:39:37,079
smart but also very very very cool all

856
00:39:41,990 --> 00:39:38,339
right okay

857
00:39:43,490 --> 00:39:42,000
but when Lori says something to me like

858
00:39:45,589 --> 00:39:43,500
that I'm gonna listen I'm going to

859
00:39:47,390 --> 00:39:45,599
listen really closely and her attention

860
00:39:49,970 --> 00:39:47,400
to details what she does by the way

861
00:39:51,530 --> 00:39:49,980
she's she's a producer she's really good

862
00:39:53,750 --> 00:39:51,540
at what she does

863
00:39:56,210 --> 00:39:53,760

um and she described it just like you uh

864

00:39:58,730 --> 00:39:56,220

are describing it now

865

00:40:02,030 --> 00:39:58,740

um and and she was completely completely

866

00:40:05,329 --> 00:40:02,040

blown away by it she said they came down

867

00:40:07,310 --> 00:40:05,339

it came down man I said what they joined

868

00:40:10,490 --> 00:40:07,320

up what

869

00:40:14,690 --> 00:40:10,500

um yeah now is is that

870

00:40:17,510 --> 00:40:14,700

uh is that you in other words

871

00:40:20,270 --> 00:40:17,520

is that you causing something like that

872

00:40:23,030 --> 00:40:20,280

to happen at the beach in Encinitas or

873

00:40:26,089 --> 00:40:23,040

could Lori have done that on her own

874

00:40:28,550 --> 00:40:26,099

uh well uh you know everybody knows

875

00:40:31,010 --> 00:40:28,560

pretty much it's me I I don't like to

876

00:40:33,530 --> 00:40:31,020

Pat me on the back but yeah

877

00:40:35,630 --> 00:40:33,540

um I have a friend that is a professor

878

00:40:36,250 --> 00:40:35,640

from Charlotte

879

00:40:42,349 --> 00:40:36,260

um

880

00:40:45,109 --> 00:40:42,359

uh and I'm allowed to say history

881

00:40:47,810 --> 00:40:45,119

channel is producing a new series coming

882

00:40:51,050 --> 00:40:47,820

out this summer and I'll be featured in

883

00:40:52,310 --> 00:40:51,060

that well he was in that too and that he

884

00:40:55,370 --> 00:40:52,320

describes

885

00:40:57,410 --> 00:40:55,380

um many times of

886

00:40:59,510 --> 00:40:57,420

being at his house he doesn't see

887

00:41:02,810 --> 00:40:59,520

anything he picks up the phone and he

888

00:41:04,730 --> 00:41:02,820

calls me and I say okay and as soon as

889

00:41:06,290 --> 00:41:04,740

we make connection boom it appears right

890

00:41:08,510 --> 00:41:06,300

over top of it

891

00:41:10,730 --> 00:41:08,520

and does with my friend David now

892

00:41:13,310 --> 00:41:10,740

they've gotten to where they can see it

893

00:41:15,950 --> 00:41:13,320

if they go out and stay long enough

894

00:41:19,190 --> 00:41:15,960

it kind of It kind of

895

00:41:21,109 --> 00:41:19,200

um it John calls it The Hitchhiker Jim

896

00:41:24,829 --> 00:41:21,119

calls it a Contagion

897

00:41:27,349 --> 00:41:24,839

but um it does kind of jump from me to

898

00:41:29,390 --> 00:41:27,359

others at times but if they lose that

899

00:41:30,770 --> 00:41:29,400

connection they call me and it comes

900

00:41:33,230 --> 00:41:30,780

right back

901
00:41:33,950 --> 00:41:33,240
so now

902
00:41:35,150 --> 00:41:33,960
um

903
00:41:38,210 --> 00:41:35,160
Chris

904
00:41:40,250 --> 00:41:38,220
if this is going on here

905
00:41:44,710 --> 00:41:40,260
it's got to be throughout the Universe

906
00:41:49,010 --> 00:41:44,720
yeah the Milky Way right yeah

907
00:41:51,650 --> 00:41:49,020
and do you do you believe that the

908
00:41:54,109 --> 00:41:51,660
conscious connection would also be

909
00:41:56,329 --> 00:41:54,119
Universal that it would be operating

910
00:41:59,150 --> 00:41:56,339
under those same principles on another

911
00:42:01,370 --> 00:41:59,160
planet in other words the with this

912
00:42:05,210 --> 00:42:01,380
phenomenon whatever it is spiritual

913
00:42:06,770 --> 00:42:05,220

whatever that connection is is operating

914

00:42:09,349 --> 00:42:06,780

the same way

915

00:42:11,390 --> 00:42:09,359

I would say probably so of course we

916

00:42:12,109 --> 00:42:11,400

speculating but yeah

917

00:42:14,750 --> 00:42:12,119

um

918

00:42:16,310 --> 00:42:14,760

I think everybody has the ability to

919

00:42:19,250 --> 00:42:16,320

connect to this

920

00:42:21,050 --> 00:42:19,260

uh if you figure out how and for one you

921

00:42:23,450 --> 00:42:21,060

got to be introduced to it it doesn't

922

00:42:24,170 --> 00:42:23,460

want to go against our free will for

923

00:42:28,130 --> 00:42:24,180

sure

924

00:42:31,069 --> 00:42:28,140

I know this 100 but if you seek it

925

00:42:34,190 --> 00:42:31,079

and you're you're freely wanting to see

926

00:42:38,210 --> 00:42:34,200

it and you're introduced to it you most

927

00:42:41,750 --> 00:42:38,220

likely be able to see it again now

928

00:42:44,390 --> 00:42:41,760

um uh I want to talk about the lady uh

929

00:42:46,010 --> 00:42:44,400

briefly one more time and then uh we're

930

00:42:46,870 --> 00:42:46,020

going to move on

931

00:42:50,750 --> 00:42:46,880

um

932

00:42:53,329 --> 00:42:50,760

uh we talked you we you have talked a

933

00:42:55,130 --> 00:42:53,339

lot about these Easter uh messages and

934

00:42:57,829 --> 00:42:55,140

these Easter things have those continued

935

00:43:01,730 --> 00:42:57,839

we're in 2023 you first told me about

936

00:43:04,609 --> 00:43:01,740

that in 2017 so that's uh you know wait

937

00:43:07,809 --> 00:43:04,619

a minute is Easter this weekend

938

00:43:11,589 --> 00:43:07,819

no it's the 9th of April I think but

939

00:43:14,329 --> 00:43:11,599

okay it shows you how Catholic I am

940

00:43:16,370 --> 00:43:14,339

let me tell you about this past Easter

941

00:43:18,050 --> 00:43:16,380

Jimmy okay

942

00:43:21,589 --> 00:43:18,060

um

943

00:43:25,849 --> 00:43:21,599

thank you this past April

944

00:43:28,849 --> 00:43:25,859

I always know and prepare for Easter or

945

00:43:31,130 --> 00:43:28,859

something it always starts right now it

946

00:43:32,630 --> 00:43:31,140

starts increasing and the activity gets

947

00:43:34,309 --> 00:43:32,640

greater and greater right on up to

948

00:43:38,870 --> 00:43:34,319

Easter so something

949

00:43:42,650 --> 00:43:38,880

beautiful happens well last year

950

00:43:45,109 --> 00:43:42,660

my friend uh David which you've met

951
00:43:46,569 --> 00:43:45,119
David he's one of my best friends on the

952
00:43:50,030 --> 00:43:46,579
planet and

953
00:43:52,550 --> 00:43:50,040
he had his experience here with me and

954
00:43:55,370 --> 00:43:52,560
it really got him and he'd had an

955
00:43:57,890 --> 00:43:55,380
experience before in Washington DC

956
00:43:59,809 --> 00:43:57,900
and called John Alexander and said John

957
00:44:01,069 --> 00:43:59,819
I just got to know what's happened to me

958
00:44:02,510 --> 00:44:01,079
and John said well you need to call

959
00:44:05,930 --> 00:44:02,520
Chris and

960
00:44:07,910 --> 00:44:05,940
and anyhow we turned into

961
00:44:11,030 --> 00:44:07,920
um David said Chris you got to write a

962
00:44:13,550 --> 00:44:11,040
book you have got to tell your story and

963
00:44:15,770 --> 00:44:13,560

I wasn't really interested in it I mean

964

00:44:18,530 --> 00:44:15,780

I've got a grandchild I'm in love with

965

00:44:20,329 --> 00:44:18,540

and and but David convinced me you're

966

00:44:23,329 --> 00:44:20,339

gonna have to write a book

967

00:44:26,870 --> 00:44:23,339

so long about Easter

968

00:44:30,470 --> 00:44:26,880

he had worked hard to to put together a

969

00:44:32,510 --> 00:44:30,480

plan to do it and put it all on paper

970

00:44:34,309 --> 00:44:32,520

and um

971

00:44:38,690 --> 00:44:34,319

he he

972

00:44:40,490 --> 00:44:38,700

searched for a Ghostwriter and found a

973

00:44:43,069 --> 00:44:40,500

guy and he came to me and he's like

974

00:44:46,430 --> 00:44:43,079

Chris we got to get this going

975

00:44:49,550 --> 00:44:46,440

and uh you have got to lead this for

976

00:44:51,589 --> 00:44:49,560

your children to to to to to read about

977

00:44:53,329 --> 00:44:51,599

their grandpa don't you want to do that

978

00:44:57,230 --> 00:44:53,339

see it convinced me

979

00:45:01,069 --> 00:44:57,240

so I get this contract or this offer you

980

00:45:06,890 --> 00:45:03,650

to agree to do this book the week of

981

00:45:08,569 --> 00:45:06,900

April of Easter so I sat on it and I

982

00:45:12,170 --> 00:45:08,579

struggled with it and I thought about it

983

00:45:14,510 --> 00:45:12,180

Lord if I I have to hire a lawyer I

984

00:45:17,030 --> 00:45:14,520

don't want to do that so I had all these

985

00:45:20,210 --> 00:45:17,040

thoughts about not doing it

986

00:45:22,430 --> 00:45:20,220

so Friday night Easter Friday night

987

00:45:25,849 --> 00:45:22,440

which is a

988

00:45:31,250 --> 00:45:28,190

something about Good Friday all the

989

00:45:33,950 --> 00:45:31,260

farmers know that you plant your crops

990

00:45:36,109 --> 00:45:33,960

on Thursday they won't do you plant them

991

00:45:38,569 --> 00:45:36,119

on Friday they do beautiful plant them

992

00:45:40,790 --> 00:45:38,579

on Monday they die usually

993

00:45:43,309 --> 00:45:40,800

okay seriously it's something special

994

00:45:45,290 --> 00:45:43,319

about that day Farmers Almanac tells you

995

00:45:49,010 --> 00:45:45,300

the same Good Friday

996

00:45:51,410 --> 00:45:49,020

so I go out on Good Friday

997

00:45:53,270 --> 00:45:51,420

I walk out in my little shop here and

998

00:45:57,170 --> 00:45:53,280

I'll look up at the sky

999

00:45:59,630 --> 00:45:57,180

and I said did you send me this is this

1000

00:46:01,190 --> 00:45:59,640

your will do you want me to write this

1001

00:46:04,370 --> 00:46:01,200

book

1002

00:46:06,950 --> 00:46:04,380

and immediately Jimmy an orb appeared

1003

00:46:08,930 --> 00:46:06,960

out over the pond so I take my little

1004

00:46:11,109 --> 00:46:08,940

psionics it's not much bigger than this

1005

00:46:13,190 --> 00:46:11,119

remote it's a little more round you know

1006

00:46:16,130 --> 00:46:13,200

four inches long

1007

00:46:19,450 --> 00:46:16,140

so I swing it around and I'm got it

1008

00:46:22,250 --> 00:46:19,460

focused on this orb over my pond

1009

00:46:25,609 --> 00:46:22,260

and I just hung out the phone with David

1010

00:46:27,470 --> 00:46:25,619

and I look you know sometimes I'll point

1011

00:46:30,109 --> 00:46:27,480

it at it and I'll look around to see if

1012

00:46:33,050 --> 00:46:30,119

others are coming so the minute I did

1013

00:46:34,069 --> 00:46:33,060

that I look up and I said oh my God what

1014

00:46:36,950 --> 00:46:34,079

is that

1015

00:46:40,370 --> 00:46:36,960

you can hear me on the video say it

1016

00:46:43,190 --> 00:46:40,380

well from way up high up way on past the

1017

00:46:45,230 --> 00:46:43,200

orb this over the pond well up I see

1018

00:46:48,470 --> 00:46:45,240

something coming down and it's coming

1019

00:46:49,609 --> 00:46:48,480

towards me it's glowing orange bright

1020

00:46:53,030 --> 00:46:49,619

orange

1021

00:46:58,010 --> 00:46:53,040

and as it gets closer I begin to see

1022

00:47:01,550 --> 00:46:58,020

these giant wings doing this flapping

1023

00:47:04,010 --> 00:47:01,560

and it comes right over top of me and as

1024

00:47:07,910 --> 00:47:04,020

it's coming over me it changes to white

1025

00:47:09,770 --> 00:47:07,920

blue and white and it's as big as a 737.

1026

00:47:12,349 --> 00:47:09,780

that's what it looked like

1027

00:47:14,809 --> 00:47:12,359

so it turns and heads South and it's

1028

00:47:17,150 --> 00:47:14,819

flapping these huge wings as it flies on

1029

00:47:20,450 --> 00:47:17,160

out of sight not filmed it with my

1030

00:47:22,670 --> 00:47:20,460

psionics but I've not shared it with

1031

00:47:23,930 --> 00:47:22,680

outside the family or a couple of

1032

00:47:25,550 --> 00:47:23,940

friends

1033

00:47:30,589 --> 00:47:25,560

incredible

1034

00:47:33,109 --> 00:47:30,599

what was it no text me man that one I

1035

00:47:34,849 --> 00:47:33,119

want to see yeah and

1036

00:47:36,770 --> 00:47:34,859

um back some of your mutual friends saw

1037

00:47:39,109 --> 00:47:36,780

it a couple weeks ago

1038

00:47:44,450 --> 00:47:39,119

and uh or three or four weeks ago when

1039

00:47:47,690 --> 00:47:44,460

they were here and blew them away but so

1040

00:47:50,510 --> 00:47:47,700

you signed the contract yeah I signed it

1041

00:47:52,490 --> 00:47:50,520

gladly and here we are today with this

1042

00:47:55,490 --> 00:47:52,500

book that everybody's

1043

00:47:58,430 --> 00:47:55,500

uh making great remarks about I'm so

1044

00:48:02,150 --> 00:47:58,440

thankful for all yeah everybody's really

1045

00:48:04,790 --> 00:48:02,160

really happy about it and okay

1046

00:48:11,329 --> 00:48:06,410

let's talk about missing time for a

1047

00:48:13,490 --> 00:48:11,339

second okay when we that's a now I've

1048

00:48:16,609 --> 00:48:13,500

never experienced it not that I know of

1049

00:48:18,650 --> 00:48:16,619

could have or would I know right I don't

1050

00:48:19,849 --> 00:48:18,660

know you're right

1051

00:48:24,109 --> 00:48:19,859

um

1052

00:48:26,750 --> 00:48:24,119

tell me about the first time I'm going

1053

00:48:28,309 --> 00:48:26,760

to say time twice in a sentence tell me

1054

00:48:30,950 --> 00:48:28,319

about the first time you realize that

1055

00:48:33,829 --> 00:48:30,960

some missing time had happened and how

1056

00:48:37,609 --> 00:48:33,839

did you figure that out well the first

1057

00:48:40,550 --> 00:48:37,619

time was on the River Event and um

1058

00:48:42,589 --> 00:48:40,560

after it happened uh you know I lost

1059

00:48:45,530 --> 00:48:42,599

four hours of time and I came walking

1060

00:48:47,630 --> 00:48:45,540

back to to where they were and they told

1061

00:48:49,550 --> 00:48:47,640

me you you were gone all night I'm like

1062

00:48:51,950 --> 00:48:49,560

there's no way and I didn't believe them

1063

00:48:53,450 --> 00:48:51,960

I could not believe them and I try to

1064

00:48:57,109 --> 00:48:53,460

think about it and I couldn't remember

1065

00:48:59,510 --> 00:48:57,119

it my head would hurt so bad that it

1066

00:49:01,910 --> 00:48:59,520

would put me out I'd pass out asleep

1067

00:49:03,710 --> 00:49:01,920

with people talking to me my wife was

1068

00:49:06,780 --> 00:49:03,720

telling me if you pressure him much he's

1069

00:49:07,250 --> 00:49:06,790

going to fall out and I did

1070

00:49:08,270 --> 00:49:07,260

[Music]

1071

00:49:11,690 --> 00:49:08,280

um

1072

00:49:15,410 --> 00:49:11,700

but it was not until

1073

00:49:18,530 --> 00:49:15,420

Chris Jr sat down with me six months

1074

00:49:21,650 --> 00:49:18,540

later really and we really started

1075

00:49:23,630 --> 00:49:21,660

talking and he made me realize because I

1076

00:49:26,930 --> 00:49:23,640

believe my son right

1077

00:49:28,849 --> 00:49:26,940

don't you remember Dad it was dark it

1078

00:49:31,490 --> 00:49:28,859

was Daylight when you left when you come

1079

00:49:32,690 --> 00:49:31,500

back we didn't get home to 10 30 11

1080

00:49:36,410 --> 00:49:32,700

o'clock

1081

00:49:39,290 --> 00:49:36,420

uh the ground was icy when we got home

1082

00:49:41,990 --> 00:49:39,300

it was frost on the ground

1083

00:49:44,329 --> 00:49:42,000

um but it was all these details he kept

1084

00:49:46,250 --> 00:49:44,339

telling me that made me realize that

1085

00:49:50,210 --> 00:49:46,260

something actually happened I could not

1086

00:49:53,630 --> 00:49:50,220

believe it and then Dr Michael O'Connell

1087

00:49:56,270 --> 00:49:53,640

a Harvard trained hypnotherapist he

1088

00:49:58,430 --> 00:49:56,280

trained under John Matt uh the Discovery

1089

00:50:01,490 --> 00:49:58,440

Channel brought him

1090

00:50:04,910 --> 00:50:01,500

and he came before the show a couple of

1091

00:50:08,510 --> 00:50:04,920

weeks and he worked on me to get this

1092

00:50:10,970 --> 00:50:08,520

headache to leave and he did he was very

1093

00:50:12,349 --> 00:50:10,980

successful at it and then I began to

1094

00:50:14,990 --> 00:50:12,359

think

1095

00:50:16,370 --> 00:50:15,000

so when he put me under regression he

1096

00:50:18,650 --> 00:50:16,380

said

1097

00:50:23,210 --> 00:50:18,660

you have had uh

1098

00:50:26,210 --> 00:50:23,220

you have had what we would call a

1099

00:50:28,190 --> 00:50:26,220

a download that's what he called it of a

1100

00:50:31,130 --> 00:50:28,200

lot of information and if you remember

1101

00:50:33,050 --> 00:50:31,140

it all at once it could cause you to to

1102

00:50:35,630 --> 00:50:33,060

go crazy it's just too much information

1103

00:50:37,849 --> 00:50:35,640

your brain goes into safe mode it can't

1104

00:50:40,190 --> 00:50:37,859

handle all it's a PR it's got this

1105

00:50:42,050 --> 00:50:40,200

protection device built in your brain he

1106

00:50:44,450 --> 00:50:42,060

was explaining it

1107

00:50:47,270 --> 00:50:44,460

he said but I made it to where you'll

1108

00:50:49,490 --> 00:50:47,280

remember everything over time little by

1109

00:50:53,930 --> 00:50:49,500

little not all at once

1110

00:50:57,109 --> 00:50:53,940

and that was in that was in early 2008

1111

00:50:58,970 --> 00:50:57,119

nearly a year later that he did all that

1112

00:51:02,630 --> 00:50:58,980

and um

1113

00:51:04,910 --> 00:51:02,640

right away right away all these every

1114

00:51:07,010 --> 00:51:04,920

time I'd go to sleep I'd wake up I

1115

00:51:09,190 --> 00:51:07,020

wouldn't wake up I'd be screaming in the

1116

00:51:12,530 --> 00:51:09,200

middle of the night shouting crying

1117

00:51:15,410 --> 00:51:12,540

terrified my wife was filming me with

1118

00:51:17,270 --> 00:51:15,420

her iPad uh the kids would come in and

1119

00:51:19,730 --> 00:51:17,280

see me asleep I'd wake them all up in

1120

00:51:22,910 --> 00:51:19,740

the house I was still asleep

1121

00:51:26,930 --> 00:51:22,920

and it was scaring them but all these

1122

00:51:28,970 --> 00:51:26,940

These Dreams started coming and

1123

00:51:32,089 --> 00:51:28,980

um some of them were bad dreams really

1124

00:51:37,370 --> 00:51:32,099

bad dreams scenes of the destruction of

1125

00:51:40,250 --> 00:51:37,380

the world and uh famine and all that and

1126

00:51:42,770 --> 00:51:40,260

I never I can't verify any of that's

1127

00:51:43,910 --> 00:51:42,780

real I just know I had all this happen

1128

00:51:46,069 --> 00:51:43,920

to me

1129

00:51:47,930 --> 00:51:46,079

so I never talk about that I only talk

1130

00:51:51,230 --> 00:51:47,940

about what the lady shared with me

1131

00:51:55,730 --> 00:51:51,240

because some of that may be no telling

1132

00:51:58,490 --> 00:51:55,740

you know what I was remembering there in

1133

00:52:00,589 --> 00:51:58,500

these dreams but I do remember some of

1134

00:52:02,270 --> 00:52:00,599

it that was the first time that I

1135

00:52:04,910 --> 00:52:02,280

consciously knew

1136

00:52:07,970 --> 00:52:04,920

that I had lost on and started

1137

00:52:13,790 --> 00:52:11,450

that I really did and accepted it that

1138

00:52:17,510 --> 00:52:13,800

it happened do you think you've unpacked

1139

00:52:20,270 --> 00:52:17,520

everything by now uh good portion of it

1140

00:52:22,370 --> 00:52:20,280

right are you writing it down

1141

00:52:23,870 --> 00:52:22,380

I have written some of it down I sure

1142

00:52:26,349 --> 00:52:23,880

have

1143

00:52:28,150 --> 00:52:26,359

um how does how does that make you feel

1144

00:52:31,670 --> 00:52:28,160

uh

1145

00:52:34,670 --> 00:52:31,680

not not emotionally but some people

1146

00:52:37,069 --> 00:52:34,680

would say oh you know Chris thinks he's

1147

00:52:40,370 --> 00:52:37,079

a prophet right he thinks he's

1148

00:52:43,370 --> 00:52:40,380

Nostradamus and and and suddenly you've

1149

00:52:45,170 --> 00:52:43,380

got that label uh can you you feel I'm

1150

00:52:47,030 --> 00:52:45,180

sure you've heard it many times but how

1151

00:52:50,030 --> 00:52:47,040

does that make you feel well I don't

1152

00:52:53,690 --> 00:52:50,040

want to be known as that

1153

00:52:57,049 --> 00:52:53,700

um and I don't give out predictions uh

1154

00:52:58,910 --> 00:52:57,059

I I don't like doing that um you've

1155

00:53:01,549 --> 00:52:58,920

always refused I've tried to get you to

1156

00:53:03,530 --> 00:53:01,559

do it by the way well it can be negative

1157

00:53:05,809 --> 00:53:03,540

and my whole life is about being

1158

00:53:07,190 --> 00:53:05,819

positive I tell my children and

1159

00:53:10,250 --> 00:53:07,200

everybody I know

1160

00:53:12,589 --> 00:53:10,260

if the news bothers you turn it off

1161

00:53:14,569 --> 00:53:12,599

no need in getting up in the morning and

1162

00:53:17,150 --> 00:53:14,579

seeing something that you have no

1163

00:53:20,470 --> 00:53:17,160

control over that messes your whole day

1164

00:53:24,370 --> 00:53:20,480

up and then you affect others around you

1165

00:53:27,349 --> 00:53:24,380

it just comes out of people so

1166

00:53:29,450 --> 00:53:27,359

I like to stay positive if I was

1167

00:53:32,089 --> 00:53:29,460

negative and I allowed it around me I

1168

00:53:33,410 --> 00:53:32,099

would never have these experiences they

1169

00:53:35,870 --> 00:53:33,420

would not come

1170

00:53:39,049 --> 00:53:35,880

because I've I've experienced that I've

1171

00:53:41,390 --> 00:53:39,059

come out in a bad mood or you know all

1172

00:53:44,870 --> 00:53:41,400

down and out and negative and over

1173

00:53:46,370 --> 00:53:44,880

something and nothing but the minute I

1174

00:53:50,930 --> 00:53:46,380

change all that

1175

00:53:54,170 --> 00:53:50,940

they just start coming and and it's has

1176

00:53:55,490 --> 00:53:54,180

them has the missing time continued yes

1177

00:53:56,809 --> 00:53:55,500

in fact

1178

00:53:59,450 --> 00:53:56,819

um

1179

00:54:01,730 --> 00:53:59,460

you know Chase clotsky right and her

1180

00:54:03,770 --> 00:54:01,740

husband Pete

1181

00:54:06,650 --> 00:54:03,780

um Chase called me and I wrote about

1182

00:54:11,150 --> 00:54:06,660

this in the book and we go on a

1183

00:54:15,109 --> 00:54:11,160

we're going to a short and sweet

1184

00:54:17,750 --> 00:54:15,119

it was a an event that happened in the

1185

00:54:21,470 --> 00:54:17,760

hometown my mother was born in which was

1186

00:54:22,970 --> 00:54:21,480

about 12 13 miles from where I lived and

1187

00:54:25,910 --> 00:54:22,980

she called me hey you ever heard of

1188

00:54:29,329 --> 00:54:25,920

Saint Paul's in North Carolina I said

1189

00:54:31,910 --> 00:54:29,339

yes I have a fight before you tell me

1190

00:54:34,250 --> 00:54:31,920

anything let me tell you something

1191

00:54:35,870 --> 00:54:34,260

I said this was Sunday night or Monday

1192

00:54:38,270 --> 00:54:35,880

night she called me I said Saturday

1193

00:54:40,970 --> 00:54:38,280

night shows I was outside sitting on my

1194

00:54:44,809 --> 00:54:40,980

patio looking up at the sky and these

1195

00:54:46,790 --> 00:54:44,819

two big balls of orange orbs appeared

1196

00:54:48,530 --> 00:54:46,800

just turned on and came straight down

1197

00:54:51,109 --> 00:54:48,540

and hovered over the trees in my

1198

00:54:52,130 --> 00:54:51,119

backyard both of them and they shot off

1199

00:54:55,250 --> 00:54:52,140

South

1200

00:54:57,349 --> 00:54:55,260

straight towards Saint Paul's and she

1201

00:54:59,690 --> 00:54:57,359

said oh my God

1202

00:55:01,970 --> 00:54:59,700

um and she began to tell me about a

1203

00:55:04,010 --> 00:55:01,980

Ghost Hunter crew that

1204

00:55:10,490 --> 00:55:04,020

had

1205

00:55:13,549 --> 00:55:10,500

in that town so it turned in a week

1206

00:55:16,430 --> 00:55:13,559

later she and her husband come out and

1207

00:55:19,130 --> 00:55:16,440

I called a friend from NASA and he flew

1208

00:55:21,170 --> 00:55:19,140

out I picked him up just for the day we

1209

00:55:23,329 --> 00:55:21,180

all met walked the property but that

1210

00:55:25,609 --> 00:55:23,339

night and this is in the book it's

1211

00:55:29,210 --> 00:55:25,619

really crazy because it blew Pete

1212

00:55:31,910 --> 00:55:29,220

plotsky's mind bad you know he's a he's

1213

00:55:34,750 --> 00:55:31,920

a naval sub Commander now he's a pretty

1214

00:55:37,490 --> 00:55:34,760

he's a pretty straight straight forward

1215

00:55:39,770 --> 00:55:37,500

kind of you know intimidating you know

1216

00:55:42,349 --> 00:55:39,780

he's a he's a he's a captain of the Navy

1217

00:55:45,490 --> 00:55:42,359

yeah yeah he's a huge guy I mean like

1218

00:55:47,690 --> 00:55:45,500

Navy SEAL type he's a big dude

1219

00:55:50,390 --> 00:55:47,700

compared to chase you know Chase is

1220

00:55:54,349 --> 00:55:50,400

what's big as a beer can yeah you know

1221

00:55:55,970 --> 00:55:54,359

and and Pete Pete Pete's a big guy and I

1222

00:55:58,670 --> 00:55:55,980

don't think you can shake Pete too

1223

00:56:00,829 --> 00:55:58,680

easily so what happened so he got shaken

1224

00:56:05,030 --> 00:56:00,839

that night because Pete carries a watch

1225

00:56:07,010 --> 00:56:05,040

a a compass on his wrist that he

1226
00:56:09,710 --> 00:56:07,020
navigates under the ocean with you know

1227
00:56:11,569 --> 00:56:09,720
the guy's a navigator like no tomorrow

1228
00:56:14,630 --> 00:56:11,579
you know you can go from here to Hawaii

1229
00:56:17,870 --> 00:56:14,640
and never see the surface and that's

1230
00:56:21,470 --> 00:56:17,880
something that said you know so we were

1231
00:56:23,150 --> 00:56:21,480
walking in the forest that night and not

1232
00:56:26,510 --> 00:56:23,160
giving the story away

1233
00:56:29,630 --> 00:56:26,520
but uh there was a lot that happened a

1234
00:56:32,589 --> 00:56:29,640
lot but long story short

1235
00:56:36,349 --> 00:56:32,599
um we all walked there were eight of us

1236
00:56:39,170 --> 00:56:36,359
and Chase and I were in the rear Pete

1237
00:56:41,870 --> 00:56:39,180
was leading the way and the group that

1238
00:56:43,670 --> 00:56:41,880

had the encounter was between us we were

1239

00:56:44,690 --> 00:56:43,680

in single foul walking through the

1240

00:56:47,569 --> 00:56:44,700

forest

1241

00:56:49,970 --> 00:56:47,579

a hundred yards from where we entered

1242

00:56:52,730 --> 00:56:49,980

the woods to the power line straight

1243

00:56:54,290 --> 00:56:52,740

across through the woods to a big high

1244

00:56:57,170 --> 00:56:54,300

tension power line

1245

00:56:58,849 --> 00:56:57,180

took 15 minutes to walk from one side to

1246

00:57:00,049 --> 00:56:58,859

the other through these Woods when we

1247

00:57:02,390 --> 00:57:00,059

got there

1248

00:57:05,930 --> 00:57:02,400

we stayed about an hour

1249

00:57:08,089 --> 00:57:05,940

so we turned around after you know just

1250

00:57:10,069 --> 00:57:08,099

having a good talk and enjoying this the

1251

00:57:13,069 --> 00:57:10,079

cool air at night and all of us together

1252

00:57:16,010 --> 00:57:13,079

and so Pete's like okay we're going to

1253

00:57:19,190 --> 00:57:16,020

take this head and go back to the car

1254

00:57:21,410 --> 00:57:19,200

right so he falls in front and everybody

1255

00:57:22,370 --> 00:57:21,420

gets behind Pete and we start in the

1256

00:57:24,589 --> 00:57:22,380

forest

1257

00:57:26,870 --> 00:57:24,599

and I'm right behind Chase I'm bringing

1258

00:57:29,870 --> 00:57:26,880

up the rear and I tell a lot more in the

1259

00:57:33,530 --> 00:57:29,880

book about what I was doing

1260

00:57:35,089 --> 00:57:33,540

uh how I figured out a NASA friend told

1261

00:57:36,589 --> 00:57:35,099

me what to do

1262

00:57:38,390 --> 00:57:36,599

and I don't want to give these

1263

00:57:40,549 --> 00:57:38,400

cigarettes away because it's pretty

1264

00:57:43,370 --> 00:57:40,559

amazing stuff

1265

00:57:44,870 --> 00:57:43,380

and I did what he told me and a long

1266

00:57:49,010 --> 00:57:44,880

story short

1267

00:57:52,069 --> 00:57:49,020

when where we entered the woods to start

1268

00:57:53,750 --> 00:57:52,079

with to go to the power line we walked

1269

00:57:56,089 --> 00:57:53,760

we were parked in the field of being

1270

00:57:59,930 --> 00:57:56,099

field as soon as we go in the woods is a

1271

00:58:02,270 --> 00:57:59,940

big ditch big deep dry dish no water in

1272

00:58:04,849 --> 00:58:02,280

it so we go down in the ditch and we

1273

00:58:07,609 --> 00:58:04,859

come out we walk 15 minutes

1274

00:58:09,829 --> 00:58:07,619

go to the power line we start back and

1275

00:58:11,450 --> 00:58:09,839

our goal is to come out at the car so

1276

00:58:13,430 --> 00:58:11,460

you got to go through the ditch and

1277

00:58:14,750 --> 00:58:13,440

there's the car this part right near the

1278

00:58:21,890 --> 00:58:14,760

ditch

1279

00:58:23,390 --> 00:58:21,900

the other side we walked back out on the

1280

00:58:25,609 --> 00:58:23,400

power line

1281

00:58:27,770 --> 00:58:25,619

and Pete looked at me and said what in

1282

00:58:29,510 --> 00:58:27,780

the world happened I mean he had his

1283

00:58:31,790 --> 00:58:29,520

eyes were literally this big and

1284

00:58:35,990 --> 00:58:31,800

everybody's like oh my god what happened

1285

00:58:40,270 --> 00:58:36,000

well I knew what happened I saw it I saw

1286

00:58:43,190 --> 00:58:40,280

the I saw the the Asha from this this

1287

00:58:45,589 --> 00:58:43,200

beam that was there I showed it to chase

1288

00:58:47,750 --> 00:58:45,599

she saw it

1289

00:58:50,930 --> 00:58:47,760

but um no wait wait wait wait wait wait

1290

00:58:52,329 --> 00:58:50,940

pump the brakes Chris I can't give too

1291

00:58:55,910 --> 00:58:52,339

much of this away

1292

00:58:59,630 --> 00:58:55,920

no no no oh you save it for the book I

1293

00:59:01,910 --> 00:58:59,640

shine yeah what what is that

1294

00:59:04,609 --> 00:59:01,920

well something peeped around the tree at

1295

00:59:06,770 --> 00:59:04,619

us and took a peep at us and it looked

1296

00:59:09,109 --> 00:59:06,780

like two glowing green orbs about this

1297

00:59:12,410 --> 00:59:09,119

big but there was something else there

1298

00:59:14,930 --> 00:59:12,420

yeah I'm in line behind Pete oh check uh

1299

00:59:16,970 --> 00:59:14,940

Chase I tapped her on the back and I

1300

00:59:18,950 --> 00:59:16,980

pointed just like that she looked and

1301
00:59:20,150 --> 00:59:18,960
was oh my God and right after that we

1302
00:59:22,309 --> 00:59:20,160
lost time

1303
00:59:23,630 --> 00:59:22,319
it was during that time that we had

1304
00:59:26,510 --> 00:59:23,640
missing time

1305
00:59:28,970 --> 00:59:26,520
so she calls me on Monday

1306
00:59:31,309 --> 00:59:28,980
uh that was on Saturday night she called

1307
00:59:33,109 --> 00:59:31,319
me Sunday or Monday and all these people

1308
00:59:35,809 --> 00:59:33,119
they had these Ghost Hunters they had

1309
00:59:38,089 --> 00:59:35,819
helmets on they had this they had all

1310
00:59:39,650 --> 00:59:38,099
kind of detectors and timers and stuff

1311
00:59:42,049 --> 00:59:39,660
in their cars and

1312
00:59:44,329 --> 00:59:42,059
uh she calls me she says you're not

1313
00:59:45,950 --> 00:59:44,339

going to believe what happened to us the

1314

00:59:48,589 --> 00:59:45,960

other night I said yeah I know what

1315

00:59:49,549 --> 00:59:48,599

happened Chase we lost 15 minutes of

1316

00:59:52,190 --> 00:59:49,559

time

1317

00:59:55,430 --> 00:59:52,200

she said oh my God how did you know that

1318

00:59:57,170 --> 00:59:55,440

she said it was exactly 12 minutes

1319

00:59:59,750 --> 00:59:57,180

I said because that's how long it took

1320

01:00:02,829 --> 00:59:59,760

to walk from one side to the other

1321

01:00:07,069 --> 01:00:02,839

we just didn't remember walking

1322

01:00:09,230 --> 01:00:07,079

from the to the ditch the second time

1323

01:00:12,170 --> 01:00:09,240

the first time right right right right

1324

01:00:14,049 --> 01:00:12,180

right right well yeah and they recorded

1325

01:00:17,390 --> 01:00:14,059

it with their helmets and all that stuff

1326

01:00:21,230 --> 01:00:17,400

and uh did you talk to Pete after that

1327

01:00:23,930 --> 01:00:21,240

yeah straight straight man Pete how is

1328

01:00:26,210 --> 01:00:23,940

he doing okay he's doing I hadn't talked

1329

01:00:27,470 --> 01:00:26,220

to him in a long time but he's always a

1330

01:00:30,049 --> 01:00:27,480

favorite of mine

1331

01:00:32,930 --> 01:00:30,059

um no I mean after that event how was he

1332

01:00:34,910 --> 01:00:32,940

doing his head was blown his head my arm

1333

01:00:37,370 --> 01:00:34,920

was blown everything Chase talks about

1334

01:00:38,510 --> 01:00:37,380

this she's just not written a book on it

1335

01:00:40,549 --> 01:00:38,520

yet but

1336

01:00:43,190 --> 01:00:40,559

she talks about it you get her on your

1337

01:00:48,470 --> 01:00:43,200

show she'll tell you about it ah Chase

1338

01:00:49,930 --> 01:00:48,480

klutsky yeah yeah this is crazy it's so

1339

01:00:53,089 --> 01:00:49,940

um

1340

01:00:56,270 --> 01:00:53,099

the there are three things on the cover

1341

01:01:00,829 --> 01:00:56,280

of the book without giving anything away

1342

01:01:02,890 --> 01:01:00,839

um uh no four actually and uh except for

1343

01:01:06,470 --> 01:01:02,900

the clouds of Fire

1344

01:01:10,670 --> 01:01:06,480

this is uh this has got everybody

1345

01:01:12,589 --> 01:01:10,680

talking oh and what I mean is this we've

1346

01:01:14,329 --> 01:01:12,599

got of course missing time which we've

1347

01:01:16,609 --> 01:01:14,339

been talking about

1348

01:01:18,289 --> 01:01:16,619

um healings people talk about that a lot

1349

01:01:22,809 --> 01:01:18,299

right

1350

01:01:29,809 --> 01:01:22,819

is

1351

01:01:33,170 --> 01:01:29,819

yeah popular people are talking about it

1352

01:01:35,450 --> 01:01:33,180

um it's been on uh many TV shows uh

1353

01:01:37,730 --> 01:01:35,460

there's uh it's been mentioned now in a

1354

01:01:41,089 --> 01:01:37,740

few books uh friends of yours friends

1355

01:01:43,309 --> 01:01:41,099

people are talking about hitchhikers

1356

01:01:44,690 --> 01:01:43,319

um can you give me uh your first

1357

01:01:47,990 --> 01:01:44,700

experience

1358

01:01:49,430 --> 01:01:48,000

uh when uh not only with the hitchhiker

1359

01:01:53,089 --> 01:01:49,440

but when you step back and went well

1360

01:01:55,370 --> 01:01:53,099

okay I guess this is happening

1361

01:01:58,490 --> 01:01:55,380

um I had no noticed it a long time ago

1362

01:01:59,569 --> 01:01:58,500

uh especially

1363

01:02:03,289 --> 01:01:59,579

um

1364

01:02:05,930 --> 01:02:03,299

uh well there's certain people that that

1365

01:02:08,089 --> 01:02:05,940

are public now like Dr Bob McGuire he's

1366

01:02:09,829 --> 01:02:08,099

one of them that talks about how it

1367

01:02:12,349 --> 01:02:09,839

followed him home and I told him it's

1368

01:02:14,569 --> 01:02:12,359

going to follow you home Bob I can

1369

01:02:16,670 --> 01:02:14,579

promise you that because it told me I

1370

01:02:18,410 --> 01:02:16,680

knew it was going to it wasn't something

1371

01:02:20,990 --> 01:02:18,420

that just happened

1372

01:02:22,930 --> 01:02:21,000

he had an experience here with me that

1373

01:02:28,789 --> 01:02:22,940

changed his life

1374

01:02:31,609 --> 01:02:28,799

orbs right over my head a lot of them

1375

01:02:33,589 --> 01:02:31,619

flashing off at him and he was like oh

1376

01:02:35,630 --> 01:02:33,599

my God he was seeing this

1377

01:02:38,390 --> 01:02:35,640

a lot of times it appear right over me

1378

01:02:41,089 --> 01:02:38,400

sometimes it looks like fire like a

1379

01:02:43,370 --> 01:02:41,099

flame a yellow flame around me I've had

1380

01:02:46,430 --> 01:02:43,380

it appear next to my arm and I'm like oh

1381

01:02:49,930 --> 01:02:46,440

my God and it's burning right here and

1382

01:02:55,010 --> 01:02:49,940

um while sitting in a chair it's done

1383

01:02:56,690 --> 01:02:55,020

but it that term hitchhiker and I told

1384

01:02:59,569 --> 01:02:56,700

them when we put that in the book that's

1385

01:03:00,829 --> 01:02:59,579

kind of a negative turn to me but it

1386

01:03:02,150 --> 01:03:00,839

describes

1387

01:03:05,870 --> 01:03:02,160

um

1388

01:03:08,089 --> 01:03:05,880

something that that follows you home the

1389

01:03:09,650 --> 01:03:08,099

phenomenon we'll go home with you and I

1390

01:03:11,990 --> 01:03:09,660

know a lot of people that's been here

1391

01:03:13,490 --> 01:03:12,000

that that's happened to a lot of people

1392

01:03:16,069 --> 01:03:13,500

and

1393

01:03:18,589 --> 01:03:16,079

uh sometimes they can't make it happen

1394

01:03:20,990 --> 01:03:18,599

any longer and sometimes it does it a

1395

01:03:22,849 --> 01:03:21,000

while and it and it goes away or they

1396

01:03:25,010 --> 01:03:22,859

call me back and it starts all over

1397

01:03:27,589 --> 01:03:25,020

again yeah it's something that they

1398

01:03:29,210 --> 01:03:27,599

don't sign up for right right right

1399

01:03:31,970 --> 01:03:29,220

you're not volunteering for the

1400

01:03:34,730 --> 01:03:31,980

hitchhiker program

1401

01:03:37,190 --> 01:03:34,740

oh these most of the time everybody that

1402

01:03:39,230 --> 01:03:37,200

I've noticed it happened to they're not

1403

01:03:39,970 --> 01:03:39,240

afraid

1404

01:03:43,970 --> 01:03:39,980

um

1405

01:03:48,650 --> 01:03:43,980

they saw it here that accepted it and

1406

01:03:51,289 --> 01:03:48,660

was amazed by it and I get the word it's

1407

01:03:53,089 --> 01:03:51,299

going to go home with you and it does in

1408

01:03:54,289 --> 01:03:53,099

fact one of your friends that were here

1409

01:03:56,390 --> 01:03:54,299

recently

1410

01:03:58,690 --> 01:03:56,400

I told him that was going to happen and

1411

01:04:03,349 --> 01:03:58,700

it happened to him

1412

01:04:04,849 --> 01:04:03,359

text me who so I can uh call him uh call

1413

01:04:08,390 --> 01:04:04,859

him tomorrow

1414

01:04:12,289 --> 01:04:08,400

um now you've mentioned orange a lot

1415

01:04:14,390 --> 01:04:12,299

tonight what two colors represent

1416

01:04:17,630 --> 01:04:14,400

I hear people talk about that all the

1417

01:04:19,750 --> 01:04:17,640

time and I don't have a clue

1418

01:04:24,289 --> 01:04:19,760

um because these orbs are all colors

1419

01:04:29,030 --> 01:04:24,299

they're in my house just this last month

1420

01:04:31,970 --> 01:04:29,040

we saw uh I saw a green one in my room

1421

01:04:34,609 --> 01:04:31,980

um I got up to come outside and

1422

01:04:36,589 --> 01:04:34,619

uh just check this guy I go out about

1423

01:04:38,329 --> 01:04:36,599

every night to see if it's cloudy or if

1424

01:04:39,770 --> 01:04:38,339

it's you know a lot of times this time

1425

01:04:41,569 --> 01:04:39,780

of the year you don't get me any good

1426
01:04:43,789 --> 01:04:41,579
nights so I walked out for a few minutes

1427
01:04:46,250 --> 01:04:43,799
I came back in the house my wife

1428
01:04:46,789 --> 01:04:46,260
looked up at me and she said

1429
01:04:49,010 --> 01:04:46,799
um

1430
01:04:52,130 --> 01:04:49,020
she was still in the same chair

1431
01:04:54,829 --> 01:04:52,140
she said when you walked out the door a

1432
01:04:56,329 --> 01:04:54,839
green orb appeared in your chair right

1433
01:04:59,089 --> 01:04:56,339
where you were sitting

1434
01:05:00,609 --> 01:04:59,099
and it started sizzling making an

1435
01:05:03,349 --> 01:05:00,619
electrical sound

1436
01:05:05,930 --> 01:05:03,359
like so it's about this big around it

1437
01:05:08,990 --> 01:05:05,940
was glowing bright green and she said

1438
01:05:11,930 --> 01:05:09,000

and subtly it thought it just went pop

1439

01:05:13,910 --> 01:05:11,940

uh it exploded and it filled the whole

1440

01:05:16,069 --> 01:05:13,920

room with green light

1441

01:05:17,890 --> 01:05:16,079

well we've seen orange ones we've seen

1442

01:05:21,710 --> 01:05:17,900

yellow ones

1443

01:05:24,650 --> 01:05:21,720

but there has never been any negative of

1444

01:05:27,170 --> 01:05:24,660

any kind I I don't really know I've seen

1445

01:05:31,370 --> 01:05:27,180

them change colors from white to

1446

01:05:35,770 --> 01:05:31,380

to Green the red the yellow to Orange to

1447

01:05:40,910 --> 01:05:38,809

uh have you have you ever shined a laser

1448

01:05:43,609 --> 01:05:40,920

at one

1449

01:05:45,710 --> 01:05:43,619

yeah I have a lot of people say you need

1450

01:05:48,710 --> 01:05:45,720

to get a laser well I don't need a laser

1451

01:05:51,650 --> 01:05:48,720

to make them appear or to get them to

1452

01:05:53,829 --> 01:05:51,660

move or do anything I'm not referring to

1453

01:05:55,910 --> 01:05:53,839

that uh

1454

01:05:59,210 --> 01:05:55,920

a laser

1455

01:06:02,030 --> 01:05:59,220

will either bounce off of it

1456

01:06:05,329 --> 01:06:02,040

or pass through it yeah I've seen both

1457

01:06:08,569 --> 01:06:05,339

I've seen both phenomenon right and I'm

1458

01:06:10,730 --> 01:06:08,579

just curious if uh you know you've got a

1459

01:06:12,650 --> 01:06:10,740

high altitude orange orb out there if

1460

01:06:14,270 --> 01:06:12,660

you fired one of those you know

1461

01:06:16,190 --> 01:06:14,280

high-powered lasers at it if you're

1462

01:06:18,829 --> 01:06:16,200

going to see it reflect off of it which

1463

01:06:21,410 --> 01:06:18,839

would indicate a solid object or if it

1464

01:06:23,329 --> 01:06:21,420

would pass through it which is some kind

1465

01:06:25,309 --> 01:06:23,339

of energy field

1466

01:06:28,190 --> 01:06:25,319

yeah I really don't know I haven't tried

1467

01:06:30,770 --> 01:06:28,200

that I do know that they're they're if

1468

01:06:33,289 --> 01:06:30,780

you see them in the daytime you see them

1469

01:06:37,250 --> 01:06:33,299

uh up close when they're not highly

1470

01:06:40,069 --> 01:06:37,260

energized they look exactly like the orb

1471

01:06:43,010 --> 01:06:40,079

on the cover of my book

1472

01:06:45,529 --> 01:06:43,020

I um I was with a group of people I

1473

01:06:47,450 --> 01:06:45,539

don't know if Lori was there she might

1474

01:06:48,829 --> 01:06:47,460

have been this particular year it's

1475

01:06:52,370 --> 01:06:48,839

about eight years ago

1476

01:06:54,230 --> 01:06:52,380

and I got this I'm gonna guess Chris if

1477

01:06:56,690 --> 01:06:54,240

I was gonna give a guest to him and I'm

1478

01:06:58,609 --> 01:06:56,700

going to say 50 foot

1479

01:07:00,950 --> 01:06:58,619

um green orb it's going across the

1480

01:07:03,470 --> 01:07:00,960

desert low across the desert and it

1481

01:07:05,270 --> 01:07:03,480

turns up and and heads up and it

1482

01:07:07,670 --> 01:07:05,280

eventually just goes into space right

1483

01:07:10,309 --> 01:07:07,680

and there's a couple hundred of us we

1484

01:07:13,130 --> 01:07:10,319

all see this thing in video and it was

1485

01:07:14,990 --> 01:07:13,140

it was incredible I'm watching it uh

1486

01:07:16,910 --> 01:07:15,000

through the night vision

1487

01:07:19,430 --> 01:07:16,920

and it's tracking across the desert

1488

01:07:22,250 --> 01:07:19,440

floor it's big man it's about a mile

1489

01:07:24,410 --> 01:07:22,260

away it's not far right and but ever

1490

01:07:27,950 --> 01:07:24,420

there's like four or five six people

1491

01:07:30,049 --> 01:07:27,960

those military lasers so I'm looking at

1492

01:07:32,930 --> 01:07:30,059

it uh and I think I've got like a

1493

01:07:35,390 --> 01:07:32,940

two-time night vision so I'm seeing it

1494

01:07:37,970 --> 01:07:35,400

enlarged uh somewhat in the night vision

1495

01:07:40,849 --> 01:07:37,980

I can clearly see it but I'm watching

1496

01:07:44,270 --> 01:07:40,859

the lasers as people are pointing at it

1497

01:07:47,329 --> 01:07:44,280

bounce off of it I thought it was a

1498

01:07:49,250 --> 01:07:47,339

glowing I didn't know if it was solid or

1499

01:07:51,950 --> 01:07:49,260

not but I was thinking it was in some

1500

01:07:53,930 --> 01:07:51,960

kind of energy ball until I saw the

1501
01:07:56,029 --> 01:07:53,940
laser go across the front of it and

1502
01:07:58,910 --> 01:07:56,039
Sparkle and bounce off of it it's like

1503
01:08:02,329 --> 01:07:58,920
holy crap that's solid yeah it's just a

1504
01:08:04,069 --> 01:08:02,339
solid ball and I we watched this for

1505
01:08:05,690 --> 01:08:04,079
about five minutes it was a long time

1506
01:08:07,569 --> 01:08:05,700
man this thing going across and then

1507
01:08:10,010 --> 01:08:07,579
eventually you know turning up and

1508
01:08:12,589 --> 01:08:10,020
stopped and turned into a star but while

1509
01:08:14,270 --> 01:08:12,599
it was going across and started to turn

1510
01:08:17,390 --> 01:08:14,280
up everybody was hitting it with their

1511
01:08:19,430 --> 01:08:17,400
lasers and so I've done that a lot since

1512
01:08:21,890 --> 01:08:19,440
then to see if the laser will bounce off

1513
01:08:23,870 --> 01:08:21,900

or pass through it it's uh something

1514

01:08:26,990 --> 01:08:23,880

that I think you should you should have

1515

01:08:29,390 --> 01:08:27,000

one in in your little shed there yeah in

1516

01:08:32,209 --> 01:08:29,400

your little workspace for for when this

1517

01:08:33,950 --> 01:08:32,219

happens just go out and see yeah if it's

1518

01:08:36,050 --> 01:08:33,960

solid or not

1519

01:08:37,729 --> 01:08:36,060

yeah well you know a lot of times they

1520

01:08:38,689 --> 01:08:37,739

appear ground level

1521

01:08:43,309 --> 01:08:38,699

um

1522

01:08:46,669 --> 01:08:43,319

right near me 25 feet 10 feet 5 feet off

1523

01:08:50,030 --> 01:08:46,679

my son Ryan has a friend named Tom

1524

01:08:51,950 --> 01:08:50,040

Barber he's a musician for with a group

1525

01:08:55,010 --> 01:08:51,960

called Chelsea Grin

1526

01:08:58,910 --> 01:08:55,020

and uh Tom's to lead vocalist with that

1527

01:09:01,189 --> 01:08:58,920

group I never met him he Ryan says he's

1528

01:09:06,349 --> 01:09:01,199

he wants to come to your house well he

1529

01:09:08,570 --> 01:09:06,359

brings uh Tom and his fiancée and all my

1530

01:09:12,169 --> 01:09:08,580

children came to meet him he said this

1531

01:09:13,309 --> 01:09:12,179

guy's got a pretty big followers you

1532

01:09:15,950 --> 01:09:13,319

know you probably know what I'm talking

1533

01:09:18,530 --> 01:09:15,960

about yep yep yep yep well anyhow we're

1534

01:09:20,630 --> 01:09:18,540

standing 20 feet from here

1535

01:09:24,110 --> 01:09:20,640

and um

1536

01:09:27,229 --> 01:09:24,120

I drew my hands up in the air which I

1537

01:09:29,749 --> 01:09:27,239

feel a connection when I do that and

1538

01:09:32,209 --> 01:09:29,759

um immediately they started appearing

1539

01:09:35,809 --> 01:09:32,219

and they appeared as close as 10 feet

1540

01:09:38,349 --> 01:09:35,819

over our heads a half a dozen of them

1541

01:09:41,689 --> 01:09:38,359

and sometimes they'll be this big

1542

01:09:43,669 --> 01:09:41,699

sometimes they'll be this big sometimes

1543

01:09:46,729 --> 01:09:43,679

they'll come right over our head and

1544

01:09:49,189 --> 01:09:46,739

leave Sparks in a streak when they come

1545

01:09:52,070 --> 01:09:49,199

over like I call them streakers they'll

1546

01:09:54,770 --> 01:09:52,080

go up and down undulating when they fly

1547

01:09:57,709 --> 01:09:54,780

so there's never no telling what size

1548

01:10:00,229 --> 01:09:57,719

you're going to see and uh but

1549

01:10:02,510 --> 01:10:00,239

I'm pretty sure they're they're

1550

01:10:06,890 --> 01:10:02,520

translucent when they're not energized

1551

01:10:10,010 --> 01:10:06,900

they look like a raindrop yeah sure sure

1552

01:10:11,990 --> 01:10:10,020

um almost camouflaged right stealthy you

1553

01:10:14,450 --> 01:10:12,000

know blending in with the background and

1554

01:10:17,870 --> 01:10:14,460

you wouldn't see them at all

1555

01:10:19,970 --> 01:10:17,880

um uh really quick because I'm going to

1556

01:10:21,709 --> 01:10:19,980

move on to some other stuff and some

1557

01:10:23,630 --> 01:10:21,719

current events of course

1558

01:10:25,669 --> 01:10:23,640

um what are clouds of Fire

1559

01:10:28,130 --> 01:10:25,679

I'm glad you asked that

1560

01:10:30,229 --> 01:10:28,140

um you you you've heard of Diana the

1561

01:10:32,209 --> 01:10:30,239

salka right I studied with her for a

1562

01:10:35,030 --> 01:10:32,219

long time and some other

1563

01:10:36,709 --> 01:10:35,040

uh pretty amazing scholars in the

1564

01:10:38,870 --> 01:10:36,719

biblical world

1565

01:10:43,970 --> 01:10:38,880

and um

1566

01:10:46,130 --> 01:10:43,980

what we know is in the biblical days

1567

01:10:49,250 --> 01:10:46,140

they the the

1568

01:10:52,189 --> 01:10:49,260

let's just say this Diana told me she

1569

01:10:54,709 --> 01:10:52,199

said George zervos and uh George is a

1570

01:10:57,709 --> 01:10:54,719

was the chair in Wilmington where she

1571

01:11:00,229 --> 01:10:57,719

worked until he stepped down and she

1572

01:11:02,709 --> 01:11:00,239

took the position George is writing a

1573

01:11:06,229 --> 01:11:02,719

book for Princeton University called The

1574

01:11:09,890 --> 01:11:06,239

Apocalypse of James the brother of Jesus

1575

01:11:12,590 --> 01:11:09,900

uh is a big two-volume series you had to

1576

01:11:14,990 --> 01:11:12,600

write Mega Thick bucks so he stepped

1577

01:11:16,370 --> 01:11:15,000

down anyhow I studied with George Moore

1578

01:11:18,709 --> 01:11:16,380

and Diana

1579

01:11:19,850 --> 01:11:18,719

but one thing they both told me is that

1580

01:11:21,890 --> 01:11:19,860

they saw

1581

01:11:26,209 --> 01:11:21,900

with their own eyes

1582

01:11:29,390 --> 01:11:26,219

that the word cloud in the Bible when

1583

01:11:32,630 --> 01:11:29,400

King James 500 years ago translated the

1584

01:11:36,250 --> 01:11:32,640

Bible from the original Greek into

1585

01:11:39,290 --> 01:11:36,260

English that they intentionally

1586

01:11:41,750 --> 01:11:39,300

mistranslated the word cloud

1587

01:11:44,330 --> 01:11:41,760

so you can look it up in the strong

1588

01:11:47,450 --> 01:11:44,340

coordinates for Hebrew words and it's

1589

01:11:49,250 --> 01:11:47,460

not there it's got missing somehow

1590

01:11:51,530 --> 01:11:49,260

but they turn it into a weather

1591

01:11:53,030 --> 01:11:51,540

phenomenon but throughout the whole

1592

01:11:56,270 --> 01:11:53,040

Bible

1593

01:11:59,450 --> 01:11:56,280

when it refers to Angels or it refers to

1594

01:12:04,310 --> 01:11:59,460

Jesus coming back over and over he says

1595

01:12:07,010 --> 01:12:04,320

when I come back I'm coming riding on or

1596

01:12:10,250 --> 01:12:07,020

in Clouds Of Heaven

1597

01:12:12,530 --> 01:12:10,260

the Clouds Of Heaven over and over and

1598

01:12:17,510 --> 01:12:12,540

over I'm coming back riding in the

1599

01:12:20,510 --> 01:12:17,520

clouds or in Exodus when Moses was in

1600

01:12:23,990 --> 01:12:20,520

the desert with all these people there

1601
01:12:26,630 --> 01:12:24,000
was a pillar of a cloud

1602
01:12:30,110 --> 01:12:26,640
that went before the children of Israel

1603
01:12:32,990 --> 01:12:30,120
for 38 years and it was on fire at night

1604
01:12:35,689 --> 01:12:33,000
and it fed a Manna in the morning and

1605
01:12:39,050 --> 01:12:35,699
gave him shade by day and for 38 years

1606
01:12:41,890 --> 01:12:39,060
where that cloud went

1607
01:12:44,510 --> 01:12:41,900
they stayed up underneath it until it

1608
01:12:48,470 --> 01:12:44,520
looked away man it was a flashlight too

1609
01:12:50,689 --> 01:12:48,480
yeah yeah yeah so these are clouds in

1610
01:12:52,130 --> 01:12:50,699
the Bible were these same things that

1611
01:12:54,110 --> 01:12:52,140
we're seeing today

1612
01:12:57,830 --> 01:12:54,120
it's the same exact thing I don't care

1613
01:12:59,870 --> 01:12:57,840

what anybody says it's a fact and I've

1614

01:13:03,590 --> 01:12:59,880

studied it enough and if anybody does

1615

01:13:05,450 --> 01:13:03,600

they'll find the same answers I've

1616

01:13:08,870 --> 01:13:05,460

studied this with the best of the best

1617

01:13:10,910 --> 01:13:08,880

and so why did they change that why did

1618

01:13:14,990 --> 01:13:10,920

they not want us to know that why did

1619

01:13:18,350 --> 01:13:15,000

they turn an object in the sky

1620

01:13:21,649 --> 01:13:18,360

um into because Exodus that says an

1621

01:13:25,610 --> 01:13:21,659

angel of the Lord went before the

1622

01:13:29,990 --> 01:13:25,620

children in a pillar of a cloud

1623

01:13:33,050 --> 01:13:30,000

well a pillar being a cylinder

1624

01:13:36,350 --> 01:13:33,060

a cylinder machine right

1625

01:13:38,870 --> 01:13:36,360

so this is why this is in that book I'm

1626

01:13:41,030 --> 01:13:38,880

trying to bring this to the world

1627

01:13:44,570 --> 01:13:41,040

for people to see

1628

01:13:47,750 --> 01:13:44,580

and study and find out and Spark an

1629

01:13:49,550 --> 01:13:47,760

interest where maybe one day we can all

1630

01:13:51,350 --> 01:13:49,560

come together and talk about this and

1631

01:13:53,990 --> 01:13:51,360

figure out exactly what's happening

1632

01:13:56,870 --> 01:13:54,000

because I don't profess to know

1633

01:13:59,510 --> 01:13:56,880

but I know that it's that there's things

1634

01:14:02,090 --> 01:13:59,520

that's been hidden from us do you think

1635

01:14:03,890 --> 01:14:02,100

is it as simple as something Lost in

1636

01:14:06,470 --> 01:14:03,900

Translation

1637

01:14:07,729 --> 01:14:06,480

um in that they're trying to they're

1638

01:14:10,030 --> 01:14:07,739

trying to tell us something man it's

1639

01:14:13,610 --> 01:14:10,040

it's up there right it's it's it's

1640

01:14:15,770 --> 01:14:13,620

flying right right but there's something

1641

01:14:18,890 --> 01:14:15,780

lost in the transit they didn't have a

1642

01:14:21,590 --> 01:14:18,900

way they didn't have the words to

1643

01:14:24,050 --> 01:14:21,600

express it with did they she told me she

1644

01:14:26,510 --> 01:14:24,060

saw both translations and they

1645

01:14:28,910 --> 01:14:26,520

intentionally took the wrong one right

1646

01:14:31,189 --> 01:14:28,920

she told me that and she said I can

1647

01:14:33,649 --> 01:14:31,199

never tell this but you can I'm giving

1648

01:14:37,070 --> 01:14:33,659

you this information you do what you

1649

01:14:39,410 --> 01:14:37,080

want with it but I can never say it and

1650

01:14:42,590 --> 01:14:39,420

um that's that's where they come from

1651
01:14:44,990 --> 01:14:42,600
and I've studied this for 16 15 years

1652
01:14:47,689 --> 01:14:45,000
about it

1653
01:14:49,250 --> 01:14:47,699
um what do you what do you make of uh

1654
01:14:53,090 --> 01:14:49,260
Chris

1655
01:14:55,669 --> 01:14:53,100
um everything when I in its totality

1656
01:14:58,189 --> 01:14:55,679
we've got a lot of crap going on you

1657
01:15:00,110 --> 01:14:58,199
know and in the last five years since

1658
01:15:02,090 --> 01:15:00,120
2017

1659
01:15:03,590 --> 01:15:02,100
since you've come forward too as well

1660
01:15:05,390 --> 01:15:03,600
right right

1661
01:15:07,610 --> 01:15:05,400
everything under the sun has happened

1662
01:15:09,950 --> 01:15:07,620
everything everything and anything that

1663
01:15:11,450 --> 01:15:09,960

we can imagine all the way to the point

1664

01:15:13,270 --> 01:15:11,460

where and I'm not saying there's a

1665

01:15:15,470 --> 01:15:13,280

connection but it definitely happened

1666

01:15:18,169 --> 01:15:15,480

you know we're shooting missiles over

1667

01:15:21,290 --> 01:15:18,179

North America now you know and objects

1668

01:15:23,510 --> 01:15:21,300

so we've even got that and I would have

1669

01:15:26,149 --> 01:15:23,520

never ever thought of my wildest dreams

1670

01:15:29,870 --> 01:15:26,159

that this kind of stuff would uh be

1671

01:15:31,790 --> 01:15:29,880

happening but uh what do you make of it

1672

01:15:35,630 --> 01:15:31,800

what do you make of the Department of

1673

01:15:38,570 --> 01:15:35,640

Defense odni reports Congress the Senate

1674

01:15:40,090 --> 01:15:38,580

the president uh press conferences

1675

01:15:43,910 --> 01:15:40,100

meetings

1676

01:15:46,149 --> 01:15:43,920

uh uh stuff written in the legislature

1677

01:15:49,370 --> 01:15:46,159

uh budget

1678

01:15:51,709 --> 01:15:49,380

we've got everything going I didn't even

1679

01:15:54,350 --> 01:15:51,719

mention pilots and sightings and video

1680

01:15:56,390 --> 01:15:54,360

and images and didn't even get into all

1681

01:16:00,290 --> 01:15:56,400

of that it's all been going down what do

1682

01:16:03,410 --> 01:16:00,300

you think is happening well uh from I

1683

01:16:05,810 --> 01:16:03,420

think if everyone reads this book

1684

01:16:08,330 --> 01:16:05,820

um the government wants to tell us the

1685

01:16:10,130 --> 01:16:08,340

truth they want to but they don't know

1686

01:16:12,890 --> 01:16:10,140

how

1687

01:16:15,350 --> 01:16:12,900

um government's a big thing and it takes

1688

01:16:17,510 --> 01:16:15,360

a lot of people coming together to agree

1689

01:16:20,090 --> 01:16:17,520

on anything and a lot of them don't want

1690

01:16:22,610 --> 01:16:20,100

to tell it but a lot do but for the most

1691

01:16:26,030 --> 01:16:22,620

part is so complex

1692

01:16:28,310 --> 01:16:26,040

is conscience based they know this

1693

01:16:30,070 --> 01:16:28,320

so how do you describe this how do you

1694

01:16:33,169 --> 01:16:30,080

tell it um

1695

01:16:35,270 --> 01:16:33,179

if if you read my book I think you'll

1696

01:16:38,090 --> 01:16:35,280

learn something that the government

1697

01:16:40,430 --> 01:16:38,100

wants to tell us but just don't know how

1698

01:16:42,950 --> 01:16:40,440

and you know I've worked with them for

1699

01:16:45,229 --> 01:16:42,960

15 years this is something I've never

1700

01:16:49,870 --> 01:16:45,239

talked about I always hit it

1701

01:16:53,510 --> 01:16:49,880

uh way back when I started with them in

1702

01:16:55,669 --> 01:16:53,520

2008 that was it was top secret then

1703

01:16:59,270 --> 01:16:55,679

there wasn't no talking about you if I

1704

01:17:00,890 --> 01:16:59,280

was at all and 2016 they got a little

1705

01:17:03,290 --> 01:17:00,900

bit looser on it

1706

01:17:04,250 --> 01:17:03,300

but I still never talked about what I

1707

01:17:07,370 --> 01:17:04,260

was doing

1708

01:17:09,709 --> 01:17:07,380

or who I was working with and I wanted

1709

01:17:11,630 --> 01:17:09,719

to so bad because people would rid of

1710

01:17:13,970 --> 01:17:11,640

kill me and I just want to say if you

1711

01:17:17,570 --> 01:17:13,980

only knew I'm working on stem cell

1712

01:17:18,770 --> 01:17:17,580

research with NASA you know I wanted to

1713

01:17:22,250 --> 01:17:18,780

say that

1714

01:17:23,870 --> 01:17:22,260

but I took the beating from everybody uh

1715

01:17:25,490 --> 01:17:23,880

hoping you know that would have made a

1716

01:17:28,310 --> 01:17:25,500

difference at least I thought it would

1717

01:17:30,470 --> 01:17:28,320

but I write about this in the book and

1718

01:17:32,950 --> 01:17:30,480

uh the government folks were the only

1719

01:17:35,630 --> 01:17:32,960

ones that made sense to me the public

1720

01:17:37,729 --> 01:17:35,640

ostracized the whole family and treated

1721

01:17:40,550 --> 01:17:37,739

us bad and

1722

01:17:43,610 --> 01:17:40,560

um of course at that time the UFO world

1723

01:17:45,830 --> 01:17:43,620

was into the nuts and bolts and I'm

1724

01:17:47,810 --> 01:17:45,840

claiming spiritual

1725

01:17:51,050 --> 01:17:47,820

and they were like that's too much for

1726

01:17:53,450 --> 01:17:51,060

us but I never I never wavered in all

1727

01:17:56,570 --> 01:17:53,460

these years because and the government

1728

01:17:57,830 --> 01:17:56,580

knew they knew they knew back then they

1729

01:18:01,010 --> 01:17:57,840

know it's real

1730

01:18:04,669 --> 01:18:01,020

and what's happening now

1731

01:18:08,450 --> 01:18:04,679

I think that in 2020 during the coveted

1732

01:18:11,570 --> 01:18:08,460

pandemic the government uh told it they

1733

01:18:13,790 --> 01:18:11,580

told everybody the world that it's real

1734

01:18:16,189 --> 01:18:13,800

it's really real they told it right

1735

01:18:17,990 --> 01:18:16,199

during the pandemic and and so many

1736

01:18:21,709 --> 01:18:18,000

people didn't pay attention to it they

1737

01:18:24,490 --> 01:18:21,719

were focused on Covert but now NADA I'm

1738

01:18:26,930 --> 01:18:24,500

not NATO but uh NORAD

1739

01:18:31,070 --> 01:18:26,940
started becoming a little bit more

1740

01:18:33,470 --> 01:18:31,080
public about what they're seeing and I

1741

01:18:34,970 --> 01:18:33,480
can tell you Jimmy the balloons don't

1742

01:18:36,830 --> 01:18:34,980
explain it all

1743

01:18:37,729 --> 01:18:36,840
they're seeing stuff all around the

1744

01:18:41,450 --> 01:18:37,739
world

1745

01:18:42,770 --> 01:18:41,460
and um I think they if I if I ran the

1746

01:18:46,490 --> 01:18:42,780
government

1747

01:18:48,649 --> 01:18:46,500
uh like Mr Biden I would do I would

1748

01:18:51,110 --> 01:18:48,659
start telling a little bit at the time

1749

01:18:53,689 --> 01:18:51,120
trying to condition the public

1750

01:18:55,910 --> 01:18:53,699
before some whistleblower

1751

01:18:58,189 --> 01:18:55,920

come along and scared the whole world

1752

01:18:59,810 --> 01:18:58,199

right I think they were worried about me

1753

01:19:00,950 --> 01:18:59,820

doing that so

1754

01:19:03,890 --> 01:19:00,960

but

1755

01:19:05,390 --> 01:19:03,900

um we've heard a we've heard a lot of

1756

01:19:09,189 --> 01:19:05,400

chatter

1757

01:19:14,630 --> 01:19:09,199

on this program and others uh about

1758

01:19:16,550 --> 01:19:14,640

uh some of the uh elected officials and

1759

01:19:20,450 --> 01:19:16,560

military officials inside of Washington

1760

01:19:24,649 --> 01:19:20,460

D.C that have a religious background and

1761

01:19:26,689 --> 01:19:24,659

upbringing that are very concerned uh

1762

01:19:30,350 --> 01:19:26,699

about the religious component of this

1763

01:19:32,870 --> 01:19:30,360

and I I kind of I didn't laugh it off

1764

01:19:36,410 --> 01:19:32,880

originally when I started to hear this

1765

01:19:39,169 --> 01:19:36,420

many years ago uh but this was something

1766

01:19:44,290 --> 01:19:39,179

that was going on and it was a concern

1767

01:19:47,330 --> 01:19:44,300

yeah and uh where he's

1768

01:19:49,250 --> 01:19:47,340

military-minded you know uh an elected

1769

01:19:51,770 --> 01:19:49,260

I'm just going to say this directly an

1770

01:19:54,530 --> 01:19:51,780

elected official says hey you know

1771

01:19:56,750 --> 01:19:54,540

be careful man that they could be demons

1772

01:19:59,570 --> 01:19:56,760

right be careful who you're reaching out

1773

01:20:02,510 --> 01:19:59,580

to consciously right it could be you we

1774

01:20:04,729 --> 01:20:02,520

could make you know we've and this was

1775

01:20:07,669 --> 01:20:04,739

something that was discussed wasn't it

1776

01:20:11,209 --> 01:20:07,679

yeah absolutely and in fact I say the

1777

01:20:12,649 --> 01:20:11,219

same thing the if if you seek this you

1778

01:20:15,229 --> 01:20:12,659

need to make sure your heart's in the

1779

01:20:17,570 --> 01:20:15,239

right place because

1780

01:20:20,510 --> 01:20:17,580

um without the right grounding and

1781

01:20:22,729 --> 01:20:20,520

without a little faith and

1782

01:20:26,050 --> 01:20:22,739

um positivity you might get something

1783

01:20:29,330 --> 01:20:26,060

you don't want I mean because this is

1784

01:20:31,310 --> 01:20:29,340

Supernatural everything I as all I can

1785

01:20:34,450 --> 01:20:31,320

say is it's like Supernatural is

1786

01:20:37,370 --> 01:20:34,460

conscience based it it acts like

1787

01:20:39,590 --> 01:20:37,380

Supernatural but I'd never run across

1788

01:20:42,070 --> 01:20:39,600

anything negative in my

1789

01:20:45,590 --> 01:20:42,080

16 years of this

1790

01:20:47,689 --> 01:20:45,600

not yet not yet I'm not saying it's not

1791

01:20:49,390 --> 01:20:47,699

out there because weather's good there's

1792

01:20:52,010 --> 01:20:49,400

bad

1793

01:20:53,810 --> 01:20:52,020

but Chris help me under this is where I

1794

01:20:55,610 --> 01:20:53,820

get confused and I just want to

1795

01:20:57,770 --> 01:20:55,620

understand

1796

01:20:59,149 --> 01:20:57,780

um you and I know each other well and

1797

01:21:00,830 --> 01:20:59,159

you've always said to me Jimmy just

1798

01:21:03,010 --> 01:21:00,840

don't hold back ask me whatever you want

1799

01:21:05,709 --> 01:21:03,020

to ask so

1800

01:21:08,229 --> 01:21:05,719

when Chris Jr

1801
01:21:11,630 --> 01:21:08,239
is eye to eye

1802
01:21:13,990 --> 01:21:11,640
with I'm going to say an E.T a species

1803
01:21:15,709 --> 01:21:14,000
E.T right

1804
01:21:20,450 --> 01:21:15,719
that's

1805
01:21:24,709 --> 01:21:20,460
we're talking about a physical being

1806
01:21:26,810 --> 01:21:24,719
there right well other things can if you

1807
01:21:28,910 --> 01:21:26,820
read the Biblical scripture what they

1808
01:21:30,830 --> 01:21:28,920
were seeing we don't know what they were

1809
01:21:33,350 --> 01:21:30,840
seeing they called them Angels they

1810
01:21:36,530 --> 01:21:33,360
called them the the prophets in the

1811
01:21:39,290 --> 01:21:36,540
bible were seeing these things and they

1812
01:21:40,850 --> 01:21:39,300
labeled them Angelic beings ministering

1813
01:21:43,669 --> 01:21:40,860

spirits but

1814

01:21:46,310 --> 01:21:43,679

uh it even says there they can be

1815

01:21:47,930 --> 01:21:46,320

physical or non-physical no I I

1816

01:21:49,610 --> 01:21:47,940

understand that I understand that I'm

1817

01:21:53,270 --> 01:21:49,620

specifically talking about Chris though

1818

01:21:56,390 --> 01:21:53,280

right and what he encountered does he

1819

01:21:57,490 --> 01:21:56,400

does he feel it was a religious moment

1820

01:22:00,590 --> 01:21:57,500

or

1821

01:22:05,030 --> 01:22:00,600

E.T from Zeta reticuli stopping by to

1822

01:22:07,550 --> 01:22:05,040

say hello he thought he was so afraid

1823

01:22:11,649 --> 01:22:07,560

it scared him so bad

1824

01:22:15,530 --> 01:22:11,659

um he was 17 years old and innocent and

1825

01:22:18,410 --> 01:22:15,540

uh out having fun fishing and then this

1826

01:22:22,729 --> 01:22:18,420

happens they didn't hurt him by any

1827

01:22:25,430 --> 01:22:22,739

means it just scared him so bad and

1828

01:22:29,510 --> 01:22:25,440

um it I I would tell him son

1829

01:22:31,250 --> 01:22:29,520

uh they were not they were not bad you

1830

01:22:33,410 --> 01:22:31,260

would not be here if they were bad but

1831

01:22:37,970 --> 01:22:33,420

Daddy they were that's what he would say

1832

01:22:39,950 --> 01:22:37,980

then and his dad now but they were uh I

1833

01:22:42,110 --> 01:22:39,960

think they were there were demons like

1834

01:22:43,970 --> 01:22:42,120

why would you think that son they took

1835

01:22:46,790 --> 01:22:43,980

me for four hours and

1836

01:22:50,870 --> 01:22:46,800

I experienced the same thing the same

1837

01:22:52,790 --> 01:22:50,880

beings on my property and it spoke to me

1838

01:22:55,209 --> 01:22:52,800

and said you don't understand we're not

1839

01:22:59,149 --> 01:22:55,219

here to harm you we're here to help you

1840

01:23:01,130 --> 01:22:59,159

I I had a really debilitating illness

1841

01:23:03,169 --> 01:23:01,140

then that went into remission

1842

01:23:05,750 --> 01:23:03,179

immediately that night I never had

1843

01:23:08,570 --> 01:23:05,760

another symptom from Crohn's disease

1844

01:23:09,790 --> 01:23:08,580

from that day forward and for 17 and a

1845

01:23:14,810 --> 01:23:09,800

half years

1846

01:23:19,790 --> 01:23:14,820

uh uh was on medication per that

1847

01:23:22,310 --> 01:23:19,800

and um so he finally come around

1848

01:23:25,550 --> 01:23:22,320

um after a few years of it

1849

01:23:29,149 --> 01:23:25,560

uh experiencing it with me and seeing

1850

01:23:30,290 --> 01:23:29,159

how it comes when I call it and how I do

1851

01:23:36,169 --> 01:23:30,300

it and

1852

01:23:40,850 --> 01:23:36,179

comes right out here and brings his his

1853

01:23:44,750 --> 01:23:40,860

uh his Grand my grandchild and Jessica

1854

01:23:47,750 --> 01:23:44,760

and he's just as happy and and excited

1855

01:23:49,669 --> 01:23:47,760

to see it as the rest of us but he did

1856

01:23:51,410 --> 01:23:49,679

such a great job with your kids man and

1857

01:23:55,810 --> 01:23:51,420

I I'm gonna say that I know Ryan's

1858

01:23:59,990 --> 01:23:55,820

listening right now man he is smart yeah

1859

01:24:05,350 --> 01:24:00,000

hard kid man yeah I I think about when

1860

01:24:13,729 --> 01:24:11,330

we're out doing yeah stupid stuff yeah

1861

01:24:17,209 --> 01:24:13,739

um but here's the thing

1862

01:24:19,630 --> 01:24:17,219

all right again speaking very directly

1863

01:24:22,130 --> 01:24:19,640

I don't know if you've uh checked out La

1864

01:24:24,590 --> 01:24:22,140

marzulli's work or listen to any of his

1865

01:24:26,330 --> 01:24:24,600

stuff but he is a Biblical scholar very

1866

01:24:28,490 --> 01:24:26,340

smart guy

1867

01:24:30,950 --> 01:24:28,500

um but firmly

1868

01:24:34,850 --> 01:24:30,960

feet firmly planted in the world of ETS

1869

01:24:38,149 --> 01:24:34,860

right but he understands the Bible and

1870

01:24:41,090 --> 01:24:38,159

and one thing that he says over and over

1871

01:24:43,430 --> 01:24:41,100

uh to me and others is that look man if

1872

01:24:46,130 --> 01:24:43,440

you look at the Bible just just treat it

1873

01:24:48,169 --> 01:24:46,140

as science fiction just look at it like

1874

01:24:50,510 --> 01:24:48,179

that right just look at it like that and

1875

01:24:54,290 --> 01:24:50,520

then you'll understand what they are

1876
01:24:57,110 --> 01:24:54,300
trying to say here which is what you are

1877
01:24:59,270 --> 01:24:57,120
suggesting right the way that Angels

1878
01:25:02,930 --> 01:24:59,280
were interpreted back then

1879
01:25:05,450 --> 01:25:02,940
you know angels and Angelic today is

1880
01:25:08,510 --> 01:25:05,460
that what we would just call E.T right

1881
01:25:11,510 --> 01:25:08,520
yeah yeah I think it's the same same

1882
01:25:13,250 --> 01:25:11,520
thing uh we can interpret it either way

1883
01:25:16,970 --> 01:25:13,260
we want but

1884
01:25:17,689 --> 01:25:16,980
and until you interact with it

1885
01:25:20,990 --> 01:25:17,699
um

1886
01:25:24,470 --> 01:25:21,000
which I do on a pretty much a daily

1887
01:25:26,209 --> 01:25:24,480
basis and in front of people and the

1888
01:25:27,729 --> 01:25:26,219

people that have come here and

1889

01:25:31,669 --> 01:25:27,739

experienced it

1890

01:25:34,490 --> 01:25:31,679

lives have changed forever and uh they

1891

01:25:35,390 --> 01:25:34,500

become more spiritual

1892

01:25:37,910 --> 01:25:35,400

um

1893

01:25:40,430 --> 01:25:37,920

if they want to call it E.T that's okay

1894

01:25:43,070 --> 01:25:40,440

it doesn't matter what you call it it's

1895

01:25:44,810 --> 01:25:43,080

what is it what what does it do for you

1896

01:25:46,209 --> 01:25:44,820

and

1897

01:25:49,070 --> 01:25:46,219

um

1898

01:25:51,590 --> 01:25:49,080

it's a beautiful thing

1899

01:25:54,470 --> 01:25:51,600

I love it I mean that's where I don't

1900

01:25:57,110 --> 01:25:54,480

have television I haven't had a TV

1901

01:26:00,590 --> 01:25:57,120

subscription in 10 years I don't watch

1902

01:26:03,050 --> 01:26:00,600

it I stay away from all negative

1903

01:26:05,510 --> 01:26:03,060

and I go out and I talk to the heavens

1904

01:26:09,050 --> 01:26:05,520

and here they come and it's like a

1905

01:26:11,390 --> 01:26:09,060

reunion every night when we see them and

1906

01:26:15,050 --> 01:26:11,400

it's just a beautiful thing it's not a

1907

01:26:16,669 --> 01:26:15,060

scary thing if if cultures uh two

1908

01:26:18,770 --> 01:26:16,679

thousand three thousand years ago Old

1909

01:26:21,530 --> 01:26:18,780

Testament you know New Testament even

1910

01:26:23,629 --> 01:26:21,540

Jesus himself right okay let's go

1911

01:26:25,490 --> 01:26:23,639

straight there if they had a knowledge

1912

01:26:30,649 --> 01:26:25,500

of planets in the solar system in the

1913

01:26:32,090 --> 01:26:30,659

Milky Way and and galaxies and and you

1914

01:26:33,709 --> 01:26:32,100

know for you know what we understand

1915

01:26:36,910 --> 01:26:33,719

today with science and physics and

1916

01:26:39,350 --> 01:26:36,920

astrophysics and astronomy

1917

01:26:40,970 --> 01:26:39,360

uh do you feel that they would have

1918

01:26:43,490 --> 01:26:40,980

called them Angels or they would have

1919

01:26:47,149 --> 01:26:43,500

just said extraterrestrials or visiting

1920

01:26:49,610 --> 01:26:47,159

well I think they probably both called

1921

01:26:52,550 --> 01:26:49,620

it that I I don't think

1922

01:26:53,750 --> 01:26:52,560

um I think back then yeah I agree with

1923

01:26:54,590 --> 01:26:53,760

you there

1924

01:26:57,590 --> 01:26:54,600

um

1925

01:26:59,689 --> 01:26:57,600

uh well let's just say yesterday

1926

01:27:03,410 --> 01:26:59,699

I think it was yesterday there was a

1927

01:27:06,770 --> 01:27:03,420

major uh News Network that came out with

1928

01:27:08,030 --> 01:27:06,780

uh and I just kind of jotted it down

1929

01:27:11,870 --> 01:27:08,040

um

1930

01:27:13,550 --> 01:27:11,880

this this professor this physicist was

1931

01:27:14,510 --> 01:27:13,560

on one of the major news channels

1932

01:27:16,790 --> 01:27:14,520

yesterday

1933

01:27:20,030 --> 01:27:16,800

and he was talking about

1934

01:27:23,149 --> 01:27:20,040

uh how science science explains the

1935

01:27:27,770 --> 01:27:23,159

Bible it supports extraterrestrials

1936

01:27:30,350 --> 01:27:27,780

and this astronomers makes the case how

1937

01:27:32,649 --> 01:27:30,360

they have existed throughout eternity as

1938

01:27:34,729 --> 01:27:32,659

God's Messengers but yeah he caught him

1939

01:27:38,090 --> 01:27:34,739

extraterrestrials you see

1940

01:27:39,169 --> 01:27:38,100

so this is just words you know but what

1941

01:27:42,530 --> 01:27:39,179

is it

1942

01:27:45,590 --> 01:27:42,540

um and I think that's where we've got to

1943

01:27:49,189 --> 01:27:45,600

all of us agree it's real and then let

1944

01:27:52,370 --> 01:27:49,199

the brains and and the testing and the

1945

01:27:55,550 --> 01:27:52,380

the the study of this began

1946

01:27:56,689 --> 01:27:55,560

um I think it complements the Bible 100

1947

01:28:00,290 --> 01:27:56,699

percent

1948

01:28:01,490 --> 01:28:00,300

I think religion has

1949

01:28:03,950 --> 01:28:01,500

um

1950

01:28:08,030 --> 01:28:03,960

has

1951

01:28:10,189 --> 01:28:08,040

off because all the rules and the

1952

01:28:13,910 --> 01:28:10,199

regulations and the do's and the don'ts

1953

01:28:16,729 --> 01:28:13,920

and you know people making millions and

1954

01:28:19,070 --> 01:28:16,739

they've got homeless and sick so but I

1955

01:28:21,470 --> 01:28:19,080

love the church I don't go anymore I

1956

01:28:23,870 --> 01:28:21,480

haven't been in 10 15 years other than a

1957

01:28:27,110 --> 01:28:23,880

couple of times because of

1958

01:28:30,169 --> 01:28:27,120

um you know something special but

1959

01:28:32,689 --> 01:28:30,179

um but I still I'm more spiritual and I

1960

01:28:36,050 --> 01:28:32,699

feel more connected today than I was

1961

01:28:38,689 --> 01:28:36,060

when I was in the church as a deacon

1962

01:28:42,169 --> 01:28:38,699

um how do they can I ask you something

1963

01:28:44,870 --> 01:28:42,179

direct well I'll always direct with you

1964

01:28:47,750 --> 01:28:44,880

um if you went to church today

1965

01:28:51,590 --> 01:28:47,760

would it be oh man here comes that UFO

1966

01:28:57,290 --> 01:28:53,870

do you feel that kind of pressure yeah

1967

01:28:59,270 --> 01:28:57,300

it was Chris all right here we go oh

1968

01:29:00,830 --> 01:28:59,280

yeah absolutely in fact I've been taught

1969

01:29:03,229 --> 01:29:00,840

if you walk in these doors you can't

1970

01:29:07,310 --> 01:29:03,239

never talk about it

1971

01:29:10,910 --> 01:29:07,320

yeah trust me that's what turned me away

1972

01:29:12,950 --> 01:29:10,920

is is accusing me of being uh you know

1973

01:29:16,250 --> 01:29:12,960

they brought holy water the very people

1974

01:29:18,470 --> 01:29:16,260

I loved and the the community I was

1975

01:29:20,570 --> 01:29:18,480

raised in they were sprinkling holy

1976

01:29:23,510 --> 01:29:20,580

water when I was gone and even when I

1977

01:29:25,910 --> 01:29:23,520

was home on me and stuff and I'm like

1978

01:29:28,070 --> 01:29:25,920

well I was praying I was sick I was

1979

01:29:30,169 --> 01:29:28,080

calling out to whoever's up there and

1980

01:29:33,290 --> 01:29:30,179

these Balls of Fire came

1981

01:29:36,050 --> 01:29:33,300

and I'm not sick anymore and it wasn't

1982

01:29:38,410 --> 01:29:36,060

it's the devil coming you pray is that

1983

01:29:43,729 --> 01:29:38,420

what y'all taught me you know

1984

01:29:46,250 --> 01:29:43,739

so with holy demon be gone yeah yeah wow

1985

01:29:48,950 --> 01:29:46,260

yeah Ryan talks about this one of the

1986

01:29:52,010 --> 01:29:48,960

worst things he said was he was about 13

1987

01:29:54,830 --> 01:29:52,020

or 14 years old seeing a guy walk in my

1988

01:29:55,970 --> 01:29:54,840

room and just force Hollywood on my head

1989

01:29:57,830 --> 01:29:55,980

and stuff

1990

01:30:00,590 --> 01:29:57,840

and you know they thought they were

1991

01:30:02,990 --> 01:30:00,600

doing God's work well

1992

01:30:05,270 --> 01:30:03,000

I don't want to be critical because I

1993

01:30:08,390 --> 01:30:05,280

love the church and I love the people I

1994

01:30:11,629 --> 01:30:08,400

just think that um this time we all wake

1995

01:30:14,030 --> 01:30:11,639

up it's time we all learn that you know

1996

01:30:16,310 --> 01:30:14,040

two thousand years ago we look at these

1997

01:30:19,550 --> 01:30:16,320

people as being backwards and uneducated

1998

01:30:22,510 --> 01:30:19,560

but yet that book is the infallible word

1999

01:30:25,729 --> 01:30:22,520

of God everything in it right including

2000

01:30:28,010 --> 01:30:25,739

eating or drinking poison and and

2001
01:30:31,550 --> 01:30:28,020
holding rattlesnakes and many have died

2002
01:30:32,930 --> 01:30:31,560
because of that is is is the is the

2003
01:30:36,470 --> 01:30:32,940
truth right

2004
01:30:38,629 --> 01:30:36,480
so there's room to grow today

2005
01:30:40,910 --> 01:30:38,639
we got a lot of growing and

2006
01:30:43,729 --> 01:30:40,920
understanding to do and I just want to

2007
01:30:44,890 --> 01:30:43,739
start that conversation I don't care if

2008
01:30:48,110 --> 01:30:44,900
they kill me

2009
01:30:49,910 --> 01:30:48,120
they may try who you know they killed

2010
01:30:51,350 --> 01:30:49,920
Jesus right they killed the prophets

2011
01:30:55,669 --> 01:30:51,360
every one of them

2012
01:30:58,550 --> 01:30:55,679
so I'm in a position that I get a lot of

2013
01:31:00,950 --> 01:30:58,560

criticism because of what I say and do

2014

01:31:02,390 --> 01:31:00,960

but I know what I know and I feel what I

2015

01:31:07,970 --> 01:31:02,400

feel and

2016

01:31:11,750 --> 01:31:07,980

think

2017

01:31:15,649 --> 01:31:11,760

you mentioned earlier I'm talking about

2018

01:31:18,770 --> 01:31:15,659

from the government rolling into 2023

2019

01:31:21,290 --> 01:31:18,780

um it has shown no signs of slowing down

2020

01:31:23,090 --> 01:31:21,300

every time I thought we were taking a

2021

01:31:26,330 --> 01:31:23,100

dip over the last three four five years

2022

01:31:30,729 --> 01:31:26,340

here we go it's something else right it

2023

01:31:34,550 --> 01:31:30,739

takes off again uh I think 2023

2024

01:31:35,990 --> 01:31:34,560

is is is something tangible what do you

2025

01:31:37,729 --> 01:31:36,000

think is going to roll out because you

2026

01:31:40,370 --> 01:31:37,739

just mentioned you know the government

2027

01:31:43,490 --> 01:31:40,380

wants to say something okay what what do

2028

01:31:46,850 --> 01:31:43,500

you think it is that they want to say

2029

01:31:50,990 --> 01:31:46,860

well I think my book tells a lot of that

2030

01:31:53,390 --> 01:31:51,000

um about how it's conscious based and um

2031

01:31:56,270 --> 01:31:53,400

they really don't know what it is they

2032

01:31:58,790 --> 01:31:56,280

don't know it's you know

2033

01:32:01,610 --> 01:31:58,800

everybody believes they have all kinds

2034

01:32:04,370 --> 01:32:01,620

of stuff and free energy and all

2035

01:32:06,229 --> 01:32:04,380

uh from the 16 years I've been around it

2036

01:32:08,030 --> 01:32:06,239

I've never heard a whisper of it and

2037

01:32:11,030 --> 01:32:08,040

I've been in some really secure places

2038

01:32:13,729 --> 01:32:11,040

of course they did not show me I'm not

2039

01:32:15,350 --> 01:32:13,739

special by any means but I have been

2040

01:32:16,430 --> 01:32:15,360

able to study with some pretty smart

2041

01:32:20,689 --> 01:32:16,440

people

2042

01:32:23,390 --> 01:32:20,699

and I ask them why do you need me you

2043

01:32:25,189 --> 01:32:23,400

know here I'm at Nasa and they're in

2044

01:32:27,290 --> 01:32:25,199

their most secure facility on Earth

2045

01:32:29,330 --> 01:32:27,300

where they had machine guns pointed at

2046

01:32:31,490 --> 01:32:29,340

me when I walked through the door and

2047

01:32:34,010 --> 01:32:31,500

they had this black Booth I talked about

2048

01:32:35,990 --> 01:32:34,020

it in my book this is really weird

2049

01:32:37,550 --> 01:32:36,000

there's a black Booth right there and I

2050

01:32:40,430 --> 01:32:37,560

was told

2051
01:32:41,330 --> 01:32:40,440
when I walked by that Booth to sing a

2052
01:32:44,209 --> 01:32:41,340
song

2053
01:32:45,830 --> 01:32:44,219
sing it for four minutes just take a

2054
01:32:48,770 --> 01:32:45,840
song that's four minutes long and sing

2055
01:32:51,649 --> 01:32:48,780
it don't think of nothing but that song

2056
01:32:54,590 --> 01:32:51,659
and when you walk by it by doing that

2057
01:32:56,830 --> 01:32:54,600
they can't read your mind

2058
01:32:58,930 --> 01:32:56,840
so tell me what that's about you know

2059
01:33:02,030 --> 01:32:58,940
wait wait wait wait

2060
01:33:02,930 --> 01:33:02,040
seriously yeah I write about that in my

2061
01:33:05,270 --> 01:33:02,940
book

2062
01:33:08,810 --> 01:33:05,280
what song did you sing

2063
01:33:11,410 --> 01:33:08,820

uh battle forevermore yeah you did you

2064

01:33:17,350 --> 01:33:11,420

did Led Zeppelin yeah

2065

01:33:27,470 --> 01:33:22,750

oh man well in the in the what God

2066

01:33:30,830 --> 01:33:27,480

oh man okay all right that everybody you

2067

01:33:32,510 --> 01:33:30,840

have the permission from me to take that

2068

01:33:34,189 --> 01:33:32,520

clip and post it all over the Internet

2069

01:33:36,709 --> 01:33:34,199

you can just post it right there Battle

2070

01:33:39,229 --> 01:33:36,719

of Evermore at the NASA at the NASA

2071

01:33:40,390 --> 01:33:39,239

skiff uh secret facility

2072

01:33:44,689 --> 01:33:40,400

um

2073

01:33:47,689 --> 01:33:44,699

is uh here's

2074

01:33:49,689 --> 01:33:47,699

but but here's the thing

2075

01:33:52,430 --> 01:33:49,699

when we have

2076

01:33:54,169 --> 01:33:52,440

the comments from our own government

2077

01:33:56,570 --> 01:33:54,179

that that are coming out and they're

2078

01:33:59,570 --> 01:33:56,580

coming out so quickly

2079

01:34:01,970 --> 01:33:59,580

it makes me feel that Chris that

2080

01:34:04,490 --> 01:34:01,980

um when we have the Wilson Davis

2081

01:34:07,250 --> 01:34:04,500

document which I know you're familiar

2082

01:34:09,470 --> 01:34:07,260

with and in that document you know Dr

2083

01:34:13,010 --> 01:34:09,480

Eric Davis who you know

2084

01:34:16,250 --> 01:34:13,020

um Dr Eric Davis uh uh is having a

2085

01:34:17,450 --> 01:34:16,260

conversation with then rear Admiral uh

2086

01:34:22,550 --> 01:34:17,460

Thomas Wilson

2087

01:34:24,290 --> 01:34:22,560

at Lockheed down the street from my

2088

01:34:27,129 --> 01:34:24,300

house he doesn't say Lockheed but let's

2089

01:34:30,229 --> 01:34:27,139

assume it was lucky and they told him

2090

01:34:33,110 --> 01:34:30,239

that they had a craft but they couldn't

2091

01:34:36,110 --> 01:34:33,120

get it to fly yeah I've heard that right

2092

01:34:37,850 --> 01:34:36,120

now okay now what do we what do we do

2093

01:34:40,550 --> 01:34:37,860

with that

2094

01:34:42,470 --> 01:34:40,560

um it was brought up at the UFO hearing

2095

01:34:45,530 --> 01:34:42,480

Last Summer the Wilson Davis document

2096

01:34:48,550 --> 01:34:45,540

and and these comments are are pretty

2097

01:34:50,330 --> 01:34:48,560

explosive so when when the government

2098

01:34:52,970 --> 01:34:50,340

wants us

2099

01:34:54,530 --> 01:34:52,980

to understand that they're trying to get

2100

01:34:55,850 --> 01:34:54,540

a hold of the phenomena right they're

2101
01:34:58,250 --> 01:34:55,860
trying to understand it they don't get

2102
01:35:01,430 --> 01:34:58,260
it but on the other hand we've got a

2103
01:35:03,530 --> 01:35:01,440
craft you know out here at Lockheed well

2104
01:35:05,209 --> 01:35:03,540
that says that they obviously know that

2105
01:35:07,729 --> 01:35:05,219
they're visiting us because they've got

2106
01:35:10,250 --> 01:35:07,739
a crack so is it that is it two

2107
01:35:12,709 --> 01:35:10,260
different sides one is not speaking to

2108
01:35:15,070 --> 01:35:12,719
the other and they don't understand well

2109
01:35:19,189 --> 01:35:15,080
I agree to that yeah it's very

2110
01:35:21,590 --> 01:35:19,199
compartmentalized all this and um I can

2111
01:35:23,450 --> 01:35:21,600
tell you that it could be all kinds of

2112
01:35:26,050 --> 01:35:23,460
things out there there could be multiple

2113
01:35:29,390 --> 01:35:26,060

aces there could be

2114

01:35:32,810 --> 01:35:29,400

my experience has been spiritual

2115

01:35:34,729 --> 01:35:32,820

um what is it an ET we can call it that

2116

01:35:36,890 --> 01:35:34,739

if you want

2117

01:35:39,169 --> 01:35:36,900

um that's not what I

2118

01:35:41,990 --> 01:35:39,179

refer to it as but

2119

01:35:46,189 --> 01:35:44,810

yeah I was told

2120

01:35:48,709 --> 01:35:46,199

that

2121

01:35:50,629 --> 01:35:48,719

um straight straight look at me straight

2122

01:35:53,149 --> 01:35:50,639

now he said

2123

01:35:56,510 --> 01:35:53,159

these things don't crash

2124

01:35:58,070 --> 01:35:56,520

they can come from halfway the universe

2125

01:36:03,050 --> 01:35:58,080

from the center

2126
01:36:05,330 --> 01:36:03,060
to hear in two hours and not go into any

2127
01:36:06,770 --> 01:36:05,340
kind of warp drive that's just how fast

2128
01:36:10,430 --> 01:36:06,780
they can go

2129
01:36:12,890 --> 01:36:10,440
50 million light years away as well

2130
01:36:13,750 --> 01:36:12,900
Isotopes supposedly read on some of

2131
01:36:17,090 --> 01:36:13,760
these

2132
01:36:20,209 --> 01:36:17,100
metallic pieces that I've handled

2133
01:36:22,550 --> 01:36:20,219
and we talk about that in the book just

2134
01:36:26,450 --> 01:36:22,560
six months ago or not even six months

2135
01:36:29,090 --> 01:36:26,460
ago yeah maybe six it was in June I was

2136
01:36:29,990 --> 01:36:29,100
tested with some of that

2137
01:36:34,790 --> 01:36:30,000
um

2138
01:36:38,750 --> 01:36:36,890

he said they don't crash you think they

2139

01:36:40,850 --> 01:36:38,760

can come that far that fast and they're

2140

01:36:42,890 --> 01:36:40,860

going to crash here no they don't crash

2141

01:36:44,229 --> 01:36:42,900

it's more like a gift

2142

01:36:48,530 --> 01:36:44,239

because

2143

01:36:50,090 --> 01:36:48,540

think about is out here at Lockheed was

2144

01:36:51,709 --> 01:36:50,100

a gift yeah

2145

01:36:55,450 --> 01:36:51,719

yeah that's what I was told that they

2146

01:37:00,890 --> 01:36:58,550

that makes sense why do you think um

2147

01:37:03,110 --> 01:37:00,900

that comment was there in Wilson Davis

2148

01:37:05,450 --> 01:37:03,120

we can't make it Fly we can't get it to

2149

01:37:07,970 --> 01:37:05,460

fly because it can't they don't know

2150

01:37:11,270 --> 01:37:07,980

I've been asked about that which way the

2151
01:37:13,970 --> 01:37:11,280
electrons move sure yeah you know

2152
01:37:16,669 --> 01:37:13,980
there's just all kinds of stuff that

2153
01:37:18,770 --> 01:37:16,679
this is the most technologically

2154
01:37:23,689 --> 01:37:18,780
advanced

2155
01:37:28,270 --> 01:37:23,699
uh this material you know has layers it

2156
01:37:30,490 --> 01:37:28,280
can be ultra thin but have 50 layers of

2157
01:37:32,229 --> 01:37:30,500
compounds of metal

2158
01:37:35,209 --> 01:37:32,239
fused together

2159
01:37:37,430 --> 01:37:35,219
it's you just don't know it's well above

2160
01:37:40,810 --> 01:37:37,440
our thinking all right but they've been

2161
01:37:43,610 --> 01:37:40,820
able to get stuff from it medical stuff

2162
01:37:45,950 --> 01:37:43,620
they've done some miraculous things with

2163
01:37:47,990 --> 01:37:45,960

medical devices and I've been involved

2164

01:37:49,070 --> 01:37:48,000

in some of that

2165

01:37:51,590 --> 01:37:49,080

um

2166

01:37:53,570 --> 01:37:51,600

yeah I don't want to say a whole lot

2167

01:37:55,790 --> 01:37:53,580

there but I can tell you it's Advanced

2168

01:37:57,830 --> 01:37:55,800

our medical field a whole lot and we can

2169

01:37:59,870 --> 01:37:57,840

thank our government for that

2170

01:38:03,490 --> 01:37:59,880

your dog's barking you think there's a

2171

01:38:06,110 --> 01:38:03,500

visitor outside right well could be

2172

01:38:08,209 --> 01:38:06,120

would you would you tell me if there if

2173

01:38:11,209 --> 01:38:08,219

you got a Vibe like right now would you

2174

01:38:13,729 --> 01:38:11,219

tell me yeah if I felt it I would but I

2175

01:38:14,689 --> 01:38:13,739

don't necessarily feel it right now when

2176

01:38:17,750 --> 01:38:14,699

when

2177

01:38:20,629 --> 01:38:17,760

um you said you went like this I I meant

2178

01:38:23,390 --> 01:38:20,639

to ask you that is that like an antenna

2179

01:38:24,110 --> 01:38:23,400

I mean I'm not being Cavalier with you

2180

01:38:28,070 --> 01:38:24,120

Chris

2181

01:38:30,590 --> 01:38:28,080

right yeah yeah I I stand my arms often

2182

01:38:33,229 --> 01:38:30,600

and um I think we'll be seeing some of

2183

01:38:35,290 --> 01:38:33,239

this later this summer

2184

01:38:38,450 --> 01:38:35,300

um but I I

2185

01:38:41,270 --> 01:38:38,460

feel it better it's like

2186

01:38:43,490 --> 01:38:41,280

it's like they're drawn it comes through

2187

01:38:47,030 --> 01:38:43,500

me through my arms and through my body

2188

01:38:49,669 --> 01:38:47,040

all right yeah

2189

01:38:53,629 --> 01:38:49,679

um uh really quick before I let you go

2190

01:38:55,189 --> 01:38:53,639

and thank you uh uh it's laid out there

2191

01:38:56,689 --> 01:38:55,199

and everything else and you're doing a

2192

01:38:59,930 --> 01:38:56,699

lot of press and you're doing a lot of

2193

01:39:02,090 --> 01:38:59,940

shows and and big shout out to Dave uh I

2194

01:39:03,290 --> 01:39:02,100

think he's amazing and uh so Dave thank

2195

01:39:06,229 --> 01:39:03,300

you

2196

01:39:07,870 --> 01:39:06,239

um but I wanted to go back to uh Lori

2197

01:39:11,169 --> 01:39:07,880

Wagner for a second

2198

01:39:15,110 --> 01:39:11,179

Lori sent me a video

2199

01:39:17,149 --> 01:39:15,120

and uh of an orange orb and she's

2200

01:39:18,709 --> 01:39:17,159

standing next to you and in the video

2201

01:39:20,930 --> 01:39:18,719

you can hear

2202

01:39:23,390 --> 01:39:20,940

as a matter of fact when she sent me the

2203

01:39:26,390 --> 01:39:23,400

video Chris I called her

2204

01:39:28,729 --> 01:39:26,400

and I went that I hear that's you right

2205

01:39:31,189 --> 01:39:28,739

because I hear her talking uh next to

2206

01:39:33,590 --> 01:39:31,199

you she goes yeah that's me I said holy

2207

01:39:36,830 --> 01:39:33,600

crap so anyway

2208

01:39:38,990 --> 01:39:36,840

um help me understand what she is

2209

01:39:41,510 --> 01:39:39,000

describing she's got a very distinctive

2210

01:39:43,250 --> 01:39:41,520

voice everybody and those that know her

2211

01:39:46,610 --> 01:39:43,260

love her because she's got this voice

2212

01:39:49,270 --> 01:39:46,620

and she's listening now laughing uh uh

2213

01:39:52,430 --> 01:39:49,280

wanting us to stop talking about her

2214

01:39:54,290 --> 01:39:52,440

but anyway she goes it's coming down

2215

01:39:56,350 --> 01:39:54,300

it's coming down holy crap it's getting

2216

01:40:00,530 --> 01:39:56,360

closer oh my God oh my God it's here

2217

01:40:02,390 --> 01:40:00,540

right and in that video what what

2218

01:40:05,149 --> 01:40:02,400

actually happened

2219

01:40:08,570 --> 01:40:05,159

um it's kind of hard to tell depth of

2220

01:40:11,570 --> 01:40:08,580

field but listening to her describe it

2221

01:40:13,550 --> 01:40:11,580

it seems to me that and she said it came

2222

01:40:16,550 --> 01:40:13,560

out over the trees right it was up high

2223

01:40:19,310 --> 01:40:16,560

and then came up approached the yard and

2224

01:40:21,830 --> 01:40:19,320

then literally came down to you guys am

2225

01:40:22,910 --> 01:40:21,840

I understanding that correctly yeah in

2226

01:40:25,430 --> 01:40:22,920

fact

2227

01:40:27,350 --> 01:40:25,440

um that was the last time she was here

2228

01:40:29,450 --> 01:40:27,360

it was during my daughter's wedding she

2229

01:40:33,350 --> 01:40:29,460

flew out for Emily's wedding

2230

01:40:35,270 --> 01:40:33,360

and Emily and Jack and she didn't fly

2231

01:40:36,950 --> 01:40:35,280

back till Monday the wedding was on

2232

01:40:39,709 --> 01:40:36,960

Saturday night so

2233

01:40:42,890 --> 01:40:39,719

uh it was Sunday night and a good friend

2234

01:40:44,990 --> 01:40:42,900

of mine Foxy from his name is Foxy he's

2235

01:40:49,070 --> 01:40:45,000

in the very first chapter of the book

2236

01:40:50,169 --> 01:40:49,080

you hear the word Jason this is Foxy his

2237

01:40:52,790 --> 01:40:50,179

son

2238

01:40:57,110 --> 01:40:52,800

somebody I'm really attached to but

2239

01:40:59,810 --> 01:40:57,120

anyhow foxy was here and he was staying

2240

01:41:02,090 --> 01:40:59,820

um one extra night Sunday night and it

2241

01:41:04,010 --> 01:41:02,100

was it was cloudy it was stunning and

2242

01:41:06,290 --> 01:41:04,020

light and it was

2243

01:41:09,229 --> 01:41:06,300

a nasty night and they were really

2244

01:41:11,390 --> 01:41:09,239

wanting to go out and Skywatch so I left

2245

01:41:14,209 --> 01:41:11,400

them in the house talking to Yvonne and

2246

01:41:16,129 --> 01:41:14,219

I went outside to my pier and I looked

2247

01:41:18,050 --> 01:41:16,139

up at the sky and it was lightning Flash

2248

01:41:20,930 --> 01:41:18,060

and I said

2249

01:41:23,209 --> 01:41:20,940

I said these people come from a long way

2250

01:41:25,550 --> 01:41:23,219

I'm just talking to heaven like this and

2251

01:41:28,189 --> 01:41:25,560

I know they hear me I know they did they

2252

01:41:30,290 --> 01:41:28,199

always do it's like I know they're there

2253

01:41:32,750 --> 01:41:30,300

and I said uh

2254

01:41:36,530 --> 01:41:32,760

I want them to experience something

2255

01:41:39,770 --> 01:41:36,540

special and it spoke to me immediately

2256

01:41:42,530 --> 01:41:39,780

and he said tell them not to be afraid

2257

01:41:43,970 --> 01:41:42,540

that we're going to come close so I

2258

01:41:46,250 --> 01:41:43,980

walked in the house

2259

01:41:50,209 --> 01:41:46,260

they're thinking the night was over

2260

01:41:52,669 --> 01:41:50,219

I said Lori uh foxy y'all promise me

2261

01:41:55,310 --> 01:41:52,679

don't be afraid but it's going to come

2262

01:41:57,830 --> 01:41:55,320

close tonight ground level

2263

01:42:00,830 --> 01:41:57,840

and sure enough we go out to the end of

2264

01:42:04,129 --> 01:42:00,840

my house and here it starts coming and

2265

01:42:05,810 --> 01:42:04,139

it come from a long ways away one orb

2266

01:42:08,030 --> 01:42:05,820

appeared on the other side of the pond

2267

01:42:10,129 --> 01:42:08,040

and come all the way across the pond

2268

01:42:12,830 --> 01:42:10,139

about a foot out the water come up on

2269

01:42:15,229 --> 01:42:12,840

the bank come right up to us they came

2270

01:42:17,629 --> 01:42:15,239

from a long ways a bunch of them there

2271

01:42:18,709 --> 01:42:17,639

were I don't know how many she said but

2272

01:42:21,050 --> 01:42:18,719

uh

2273

01:42:24,050 --> 01:42:21,060

if I remember right that was close to a

2274

01:42:27,050 --> 01:42:24,060

dozen or approached us that night and

2275

01:42:28,850 --> 01:42:27,060

some came within 5-10 feet from us and

2276

01:42:30,350 --> 01:42:28,860

just vanished right in front of us yeah

2277

01:42:35,149 --> 01:42:30,360

that's what she said that's what she

2278

01:42:37,310 --> 01:42:35,159

said and uh to hear uh to hear her

2279

01:42:39,649 --> 01:42:37,320

describe it you know in the play-by-play

2280

01:42:42,530 --> 01:42:39,659

because she was taking my surprise yeah

2281

01:42:45,590 --> 01:42:42,540

okay it was it was up high and it's

2282

01:42:47,570 --> 01:42:45,600

coming and she's like it's coming down

2283

01:42:49,669 --> 01:42:47,580

it's coming down here it is it's orange

2284

01:42:51,250 --> 01:42:49,679

it's it's good about oh my god well I

2285

01:42:53,689 --> 01:42:51,260

it's getting cold

2286

01:42:55,550 --> 01:42:53,699

right and you know the video that I'm

2287

01:42:58,910 --> 01:42:55,560

talking about yeah

2288

01:43:00,649 --> 01:42:58,920

um and I mean I was blown away uh

2289

01:43:03,530 --> 01:43:00,659

watching the video and then that's when

2290

01:43:04,970 --> 01:43:03,540

I realized it was Lori and I called her

2291

01:43:07,910 --> 01:43:04,980

immediately she goes yeah yeah yeah

2292

01:43:11,689 --> 01:43:07,920

that's that's me in the video Yeah and

2293

01:43:13,370 --> 01:43:11,699

uh she called me I'm sorry but wow

2294

01:43:16,430 --> 01:43:13,380

um something's going on out there my man

2295

01:43:18,649 --> 01:43:16,440

and uh uh just just keep it up I can't

2296

01:43:20,750 --> 01:43:18,659

wait to get out there

2297

01:43:22,669 --> 01:43:20,760

um I want to experience this uh for

2298

01:43:24,890 --> 01:43:22,679

myself too as well but uh

2299

01:43:26,270 --> 01:43:24,900

congratulations on the book the book is

2300

01:43:28,490 --> 01:43:26,280

amazing

2301

01:43:30,290 --> 01:43:28,500

um you're going to be very very busy

2302

01:43:32,870 --> 01:43:30,300

over the next couple of weeks but thank

2303

01:43:36,169 --> 01:43:32,880

you for taking the time uh to hang out

2304

01:43:39,109 --> 01:43:36,179

uh tonight and I expect that uh that

2305

01:43:42,770 --> 01:43:39,119

that Gasser engine uh to arrive in the

2306

01:43:44,629 --> 01:43:42,780

mail here uh soon okay I will send it to

2307

01:43:47,629 --> 01:43:44,639

you I promise and you have a standing

2308

01:43:49,609 --> 01:43:47,639

invitation here anytime man Chris Chris

2309

01:43:52,250 --> 01:43:49,619

love you brother thank you uh the book

2310

01:43:54,770 --> 01:43:52,260

is amazing everybody the links are below

2311

01:43:58,129 --> 01:43:54,780

uh we've got them on social media and of

2312

01:44:00,410 --> 01:43:58,139

course over on our website as well Chris

2313

01:44:02,750 --> 01:44:00,420

Bledsoe thank you man the community

2314

01:44:05,649 --> 01:44:02,760

thank you thank you so much thank you

2315

01:44:08,510 --> 01:44:05,659

Jimmy I'm honored

2316

01:44:10,030 --> 01:44:08,520

thank you Chris thank you my friend what

2317

01:44:12,830 --> 01:44:10,040

a great night what a great conversation

2318

01:44:16,609 --> 01:44:12,840

and uh listen Chris has been doing a lot

2319

01:44:19,010 --> 01:44:16,619

of press a lot of media and uh and for

2320

01:44:22,189 --> 01:44:19,020

him to take the time uh to come on uh

2321

01:44:25,310 --> 01:44:22,199

with us live tonight uh it's very

2322

01:44:27,470 --> 01:44:25,320

special uh to me and uh for all of us I

2323

01:44:29,510 --> 01:44:27,480

do want to thank Dave uh for putting all

2324

01:44:33,290 --> 01:44:29,520

of this together thank you so much thank

2325

01:44:35,629 --> 01:44:33,300

you Chris and then uh again the links

2326

01:44:37,430 --> 01:44:35,639

are below and uh you can do all of that

2327

01:44:40,310 --> 01:44:37,440

I want to remind everybody what is going

2328

01:44:42,890 --> 01:44:40,320

on and that is tomorrow night here on

2329

01:44:45,410 --> 01:44:42,900

Fade to Black doctor Christopher Macklin

2330

01:44:47,770 --> 01:44:45,420

is with us and tomorrow night we are

2331

01:44:51,950 --> 01:44:47,780

going to be talking about

2332

01:44:55,550 --> 01:44:51,960

off Planet AI That's Right tomorrow

2333

01:44:56,870 --> 01:44:55,560

night off Planet AI Chris you stay right

2334

01:44:58,310 --> 01:44:56,880

there I'll say good night after the show

2335

01:44:59,930 --> 01:44:58,320

stay right there don't go anywhere Fade

2336

01:45:02,510 --> 01:44:59,940

to Black kids produced by Hilton J Palm

2337

01:45:05,930 --> 01:45:02,520

Renee Dennis and Kevin announcers are

2338

01:45:09,649 --> 01:45:05,940

Steve harder Gene Beto and Mark D kovar

2339

01:45:12,410 --> 01:45:09,659

oh music Doug Aldrich intros made by his

2340

01:45:14,330 --> 01:45:12,420

face boymusic.com webmaster through the

2341

01:45:16,189 --> 01:45:14,340

Geeks fate to Black is produced by kjcr

2342

01:45:19,370 --> 01:45:16,199

for the game changer Network this

2343

01:45:21,109 --> 01:45:19,380

broadcast is owned and copyrighted 2023

2344

01:45:23,390 --> 01:45:21,119

by Fade to Black in the game changer

2345

01:45:25,070 --> 01:45:23,400

networking it cannot be rebroadcast

2346

01:45:26,689 --> 01:45:25,080

downloaded copied or used anywhere in

permission from Fade to Black in the

2349

01:45:31,970 --> 01:45:29,699

game changer Network I'm Yours Jimmy

2350

01:45:35,629 --> 01:45:31,980

church until tomorrow night with Dr

2351

01:45:37,070 --> 01:45:35,639

Christopher Macklin I want everybody to

2352

01:45:39,270 --> 01:45:37,080

be safe

2353

01:45:54,390 --> 01:45:39,280

go back Lee tappy

2354

01:46:09,770 --> 01:46:03,850

[Music]
