

# FADE TO BLACK

with JIMMY CHURCH

**PRESENTS**

**DR. CHRIS MACKLIN**

**OFF-PLANET A.I. EFFECTS**

**THUR FEB 23 LIVE**

**7:00 PM PT/10:00PM ET**

1  
00:00:31,870 --> 00:00:26,950

[Music]

2  
00:00:35,209 --> 00:00:31,880

the smoke radio for the masses of July 8

3  
00:00:37,549 --> 00:00:35,219

1947 the Army Air Forces has announced

4  
00:00:40,130 --> 00:00:37,559

that a flying disc has been found and is

5  
00:00:44,690 --> 00:00:40,140

now in the possession of the army

6  
00:00:47,450 --> 00:00:44,700

rigs change the game game changer I

7  
00:00:51,049 --> 00:00:47,460

occasionally think how quickly hard

8  
00:00:53,510 --> 00:00:51,059

difference is worldwide would vanish if

9  
00:00:54,870 --> 00:00:53,520

we were facing an alien threat from

10  
00:00:56,680 --> 00:00:54,880

outside this work

11  
00:00:59,170 --> 00:00:56,690

[Music]

12  
00:01:02,090 --> 00:00:59,180

[Applause]

13  
00:01:04,969 --> 00:01:02,100

this is Fade to Black with your host

14  
00:01:05,640 --> 00:01:04,979  
Jimmy Church on the game changer Radio

15  
00:01:10,149 --> 00:01:05,650  
Network

16  
00:01:13,190 --> 00:01:10,159  
[Music]

17  
00:01:16,010 --> 00:01:13,200  
all right Fade to Black I am your host

18  
00:01:18,289 --> 00:01:16,020  
Jimmy church a little technical snafu on

19  
00:01:20,030 --> 00:01:18,299  
one of the channels on one of the audio

20  
00:01:23,510 --> 00:01:20,040  
feeds going out so that's what I was

21  
00:01:26,749 --> 00:01:23,520  
doing I was fixing stuff how is

22  
00:01:31,249 --> 00:01:26,759  
everybody doing this is Fade to Black it

23  
00:01:33,530 --> 00:01:31,259  
is February 23rd 2023 welcome everybody

24  
00:01:37,249 --> 00:01:33,540  
listening all around the world tonight

25  
00:01:40,130 --> 00:01:37,259  
Our Guest is Dr Chris Macklin he's back

26  
00:01:41,289 --> 00:01:40,140  
with us and uh tonight we're going to be

27  
00:01:45,710 --> 00:01:41,299  
talking about

28  
00:01:48,649 --> 00:01:45,720  
off Planet Ai and its effects on

29  
00:01:50,929 --> 00:01:48,659  
Humanity in this planet and uh some

30  
00:01:52,969 --> 00:01:50,939  
other stuff too as well uh but tonight's

31  
00:01:55,670 --> 00:01:52,979  
going to be kind of like a show of

32  
00:01:59,030 --> 00:01:55,680  
technical stuff the things I love to

33  
00:02:01,609 --> 00:01:59,040  
talk about and before I bring uh Chris

34  
00:02:06,649 --> 00:02:01,619  
in I want to let all the fader knots

35  
00:02:11,890 --> 00:02:06,659  
know I was texting right before the show

36  
00:02:14,390 --> 00:02:11,900  
with Chuck Faye from China that's right

37  
00:02:18,050 --> 00:02:14,400  
Chuck Faye from China One of the great

38  
00:02:20,089 --> 00:02:18,060

radio hosts out there and he is the

39

00:02:22,250 --> 00:02:20,099

voice of our community over in China and

40

00:02:24,290 --> 00:02:22,260

everybody here knows uh Chuck and he's

41

00:02:26,650 --> 00:02:24,300

been with us for many many years Chuck

42

00:02:31,130 --> 00:02:26,660

is on his way over to the United States

43

00:02:33,410 --> 00:02:31,140

and we're gonna do a show live here from

44

00:02:34,729 --> 00:02:33,420

the bunker and that's going to be coming

45

00:02:37,430 --> 00:02:34,739

up here in a couple of weeks very

46

00:02:39,470 --> 00:02:37,440

excited about that and you know here

47

00:02:42,830 --> 00:02:39,480

we're doing a show tonight about AI

48

00:02:45,949 --> 00:02:42,840

which is actually off Planet AI but when

49

00:02:48,490 --> 00:02:45,959

we think about China's Ai and how they

50

00:02:52,430 --> 00:02:48,500

monitor everything including this show

51  
00:02:56,949 --> 00:02:52,440  
they now know Chuck Fay is going to be

52  
00:03:01,490 --> 00:02:59,630  
oh man Chuck

53  
00:03:02,570 --> 00:03:01,500  
um uh I want to get this show started

54  
00:03:05,030 --> 00:03:02,580  
but

55  
00:03:06,530 --> 00:03:05,040  
uh this was a couple of years ago I

56  
00:03:08,690 --> 00:03:06,540  
can't wait to get Chuck on the show and

57  
00:03:11,930 --> 00:03:08,700  
we can laugh about this

58  
00:03:15,170 --> 00:03:11,940  
um he uh he sent me a text

59  
00:03:16,550 --> 00:03:15,180  
and uh from China and Jimmy you know so

60  
00:03:19,550 --> 00:03:16,560  
I got to tell you about this this this

61  
00:03:21,229 --> 00:03:19,560  
and this and this and this and uh by the

62  
00:03:23,630 --> 00:03:21,239  
way and I'm reading the text you know

63  
00:03:24,949 --> 00:03:23,640

and I'm thinking man you're texting me

64

00:03:30,410 --> 00:03:24,959

from China

65

00:03:32,649 --> 00:03:30,420

on a Chinese cell phone with this stuff

66

00:03:35,350 --> 00:03:32,659

delete delete

67

00:03:38,570 --> 00:03:35,360

don't send me this stuff

68

00:03:43,430 --> 00:03:38,580

oh man it was awesome it was a great

69

00:03:46,009 --> 00:03:43,440

text and and Chuck is a guy that uh when

70

00:03:48,949 --> 00:03:46,019

you're covering subjects like uh UFOs

71

00:03:50,990 --> 00:03:48,959

and conspiracies and and all the stuff

72

00:03:53,990 --> 00:03:51,000

that we talk about on this show

73

00:04:01,910 --> 00:03:56,630

you know they've got their eyes on you

74

00:04:03,830 --> 00:04:01,920

so don't text me don't text me oh man

75

00:04:06,350 --> 00:04:03,840

I'll see you when you get here to the

76

00:04:08,630 --> 00:04:06,360

states when it's all safe and and clear

77

00:04:11,449 --> 00:04:08,640

but anyway Chuck say is going to be here

78

00:04:12,890 --> 00:04:11,459

uh next month and I'm very excited about

79

00:04:16,250 --> 00:04:12,900

that

80

00:04:18,650 --> 00:04:16,260

um Chuck sent me I I was so proud of it

81

00:04:19,729 --> 00:04:18,660

I I posted it so many times this is

82

00:04:22,009 --> 00:04:19,739

probably

83

00:04:24,050 --> 00:04:22,019

uh maybe 10 years ago

84

00:04:26,710 --> 00:04:24,060

he texted me a picture

85

00:04:30,409 --> 00:04:26,720

of him on the Great Wall of China

86

00:04:33,409 --> 00:04:30,419

wearing a fade to black shirt and it was

87

00:04:37,070 --> 00:04:33,419

one of the coolest things uh that that

88

00:04:38,990 --> 00:04:37,080

anybody has ever sent me he's one of the

89

00:04:40,969 --> 00:04:39,000

best and uh Chuck Faye is going to be

90

00:04:44,870 --> 00:04:40,979

with us next month so with that tonight

91

00:04:47,570 --> 00:04:44,880

we have Dr Christopher Macklin uh we are

92

00:04:49,370 --> 00:04:47,580

going to be discussing off Planet AI

93

00:04:52,430 --> 00:04:49,380

transhumanism we're going to be talking

94

00:04:55,010 --> 00:04:52,440

a little nanotech as well and their

95

00:04:58,189 --> 00:04:55,020

effects on Humanity

96

00:05:01,370 --> 00:04:58,199

um his research findings uh uh he he

97

00:05:03,530 --> 00:05:01,380

pulls it all from scientific evidence uh

98

00:05:06,770 --> 00:05:03,540

intuitive information and divine

99

00:05:09,290 --> 00:05:06,780

connection which makes him uh not only a

100

00:05:12,170 --> 00:05:09,300

great friend of the show but he is well

101  
00:05:14,930 --> 00:05:12,180  
respected he speaks all around the world

102  
00:05:17,590 --> 00:05:14,940  
and he is a medical consultant his

103  
00:05:19,430 --> 00:05:17,600  
website is global

104  
00:05:22,730 --> 00:05:19,440  
enlightenmentproject.com the links for

105  
00:05:25,550 --> 00:05:22,740  
it are below on our website and

106  
00:05:29,390 --> 00:05:25,560  
throughout social media so go and follow

107  
00:05:31,730 --> 00:05:29,400  
like And subscribe to Dr Chris Macklin

108  
00:05:33,230 --> 00:05:31,740  
and with all of that let's just get

109  
00:05:35,749 --> 00:05:33,240  
straight to it and say

110  
00:05:37,010 --> 00:05:35,759  
welcome back to the show Chris how are

111  
00:05:40,189 --> 00:05:37,020  
you sir

112  
00:05:44,870 --> 00:05:40,199  
oh wait uh Dr Macklin I've got you muted

113  
00:05:48,310 --> 00:05:44,880

see that technical snap that was me that

114

00:05:51,409 --> 00:05:48,320

was me it wasn't me look hands feet

115

00:05:52,969 --> 00:05:51,419

how you doing yeah wonderful Jimmy

116

00:05:55,670 --> 00:05:52,979

thanks for having me back on it's

117

00:05:59,029 --> 00:05:55,680

wonderful it's a interview it's great to

118

00:06:02,090 --> 00:05:59,039

have you with us and we've got so much

119

00:06:03,950 --> 00:06:02,100

to discuss tonight for sure

120

00:06:06,290 --> 00:06:03,960

um but I actually kind of want to start

121

00:06:07,969 --> 00:06:06,300

here before we're going to get to some

122

00:06:10,129 --> 00:06:07,979

technical definitions so everybody

123

00:06:12,170 --> 00:06:10,139

understands what the heck uh we're going

124

00:06:17,330 --> 00:06:12,180

to be talking about tonight we'll get to

125

00:06:19,610 --> 00:06:17,340

that but um you've been covering uh so

126

00:06:21,770 --> 00:06:19,620

much uh throughout your career and

127

00:06:25,790 --> 00:06:21,780

speaking out about a lot of things

128

00:06:28,129 --> 00:06:25,800

but did you ever expect uh Chris for

129

00:06:30,770 --> 00:06:28,139

things to be where they are today with

130

00:06:32,330 --> 00:06:30,780

with E.T and contact and the government

131

00:06:34,969 --> 00:06:32,340

and Congress and the Department of

132

00:06:38,870 --> 00:06:34,979

Defense and OD and I and and and Science

133

00:06:41,930 --> 00:06:38,880

and and physics and and universities

134

00:06:45,129 --> 00:06:41,940

this and we're shooting stuff out of the

135

00:06:49,730 --> 00:06:45,139

sky now too as well did you ever expect

136

00:06:52,749 --> 00:06:49,740

uh this this this thing that we're in

137

00:06:54,950 --> 00:06:52,759

the middle of to have happened

138

00:06:57,469 --> 00:06:54,960

honestly um

139

00:06:59,090 --> 00:06:57,479

I didn't expect it to get as bad as it

140

00:07:01,129 --> 00:06:59,100

is

141

00:07:03,050 --> 00:07:01,139

I think the whole thing's crazy right

142

00:07:05,390 --> 00:07:03,060

you know the world's upside down

143

00:07:07,309 --> 00:07:05,400

and uh you know pop people say well how

144

00:07:09,050 --> 00:07:07,319

do you navigate it you know and the

145

00:07:12,230 --> 00:07:09,060

answer is I don't live in fear you know

146

00:07:14,330 --> 00:07:12,240

ah it's all okay you know um out there

147

00:07:16,670 --> 00:07:14,340

is crazy for me I think we're all normal

148

00:07:19,010 --> 00:07:16,680

here you know to me out there is crazy

149

00:07:21,050 --> 00:07:19,020

so we're good to go you know let them

150

00:07:23,150 --> 00:07:21,060

get on with the crazy stuff we'll get on

151  
00:07:24,830 --> 00:07:23,160  
with the good stuff you know and uh and

152  
00:07:27,830 --> 00:07:24,840  
stay out of it stay out the Matrix you

153  
00:07:30,830 --> 00:07:27,840  
know it's really really important yeah

154  
00:07:32,589 --> 00:07:30,840  
and what do you think

155  
00:07:35,330 --> 00:07:32,599  
um ultimately

156  
00:07:37,309 --> 00:07:35,340  
uh when I say the government that

157  
00:07:39,170 --> 00:07:37,319  
includes the military and all of those

158  
00:07:41,870 --> 00:07:39,180  
three letter agencies what do you think

159  
00:07:45,409 --> 00:07:41,880  
their agenda is right now what because

160  
00:07:48,350 --> 00:07:45,419  
it seems like and I I I I think that I'm

161  
00:07:51,589 --> 00:07:48,360  
wrong but it seems like they want to be

162  
00:07:53,930 --> 00:07:51,599  
our friend all of the sudden right after

163  
00:07:57,230 --> 00:07:53,940

years of teasing and ridicule and

164

00:07:59,570 --> 00:07:57,240

accusations and now now suddenly they're

165

00:08:02,390 --> 00:07:59,580

they want to Buddy up uh to our

166

00:08:03,850 --> 00:08:02,400

community uh what do you think that

167

00:08:07,070 --> 00:08:03,860

agenda is

168

00:08:08,809 --> 00:08:07,080

well I think it's a false flag agenda I

169

00:08:10,790 --> 00:08:08,819

think they want to create false Flags I

170

00:08:13,129 --> 00:08:10,800

think they want to divert

171

00:08:15,290 --> 00:08:13,139

people's attention not into the deep

172

00:08:18,290 --> 00:08:15,300

State manipulation but onto something

173

00:08:20,570 --> 00:08:18,300

else so that you know get people engaged

174

00:08:22,010 --> 00:08:20,580

with off-planet ETS I mean there's a lot

175

00:08:23,749 --> 00:08:22,020

of things in the news at the moment it's

176

00:08:25,490 --> 00:08:23,759

very interesting to watch

177

00:08:27,890 --> 00:08:25,500

but I think uh you know there's

178

00:08:31,189 --> 00:08:27,900

definitely an agenda to distract people

179

00:08:33,829 --> 00:08:31,199

from uh what's really going on you know

180

00:08:37,130 --> 00:08:33,839

in the Deep State system you know yeah

181

00:08:40,130 --> 00:08:37,140

it isn't it interesting

182

00:08:43,370 --> 00:08:40,140

okay you can laugh but I don't think

183

00:08:45,290 --> 00:08:43,380

it's that funny in in in in a strange

184

00:08:47,990 --> 00:08:45,300

way it is but it's this

185

00:08:50,509 --> 00:08:48,000

where you know if you go back to Roswell

186

00:08:52,430 --> 00:08:50,519

and everything over the years oh no it's

187

00:08:55,310 --> 00:08:52,440

a weather balloon right it's a weather

188

00:08:59,389 --> 00:08:55,320

balloon it's a weather balloon and now

189

00:09:02,449 --> 00:08:59,399

here we are 70 80 years later and we're

190

00:09:05,449 --> 00:09:02,459

talking about uaps and contacting things

191

00:09:10,269 --> 00:09:05,459

and now now they're swinging back to now

192

00:09:15,230 --> 00:09:13,370

that's crazy it is crazy

193

00:09:16,670 --> 00:09:15,240

it's false flag stuff though I think

194

00:09:19,250 --> 00:09:16,680

they are weather balloons of course you

195

00:09:21,230 --> 00:09:19,260

know I mean let's be honest craft you

196

00:09:22,490 --> 00:09:21,240

know off Planet craft go that fast they

197

00:09:23,269 --> 00:09:22,500

wouldn't be able to get hold of them

198

00:09:24,949 --> 00:09:23,279

Plus

199

00:09:26,990 --> 00:09:24,959

they have tractor beam you know

200

00:09:29,269 --> 00:09:27,000

protection so you know they're not going

201  
00:09:30,590 --> 00:09:29,279  
to get in um they're not going to get

202  
00:09:32,509 --> 00:09:30,600  
within that craft they're not going to

203  
00:09:34,009 --> 00:09:32,519  
be able to shoot it down so you know I

204  
00:09:38,530 --> 00:09:34,019  
think uh

205  
00:09:42,410 --> 00:09:38,540  
definitely uh false flag distraction

206  
00:09:44,930 --> 00:09:42,420  
you're not off the Mark at all

207  
00:09:47,750 --> 00:09:44,940  
um uh now you know the definition of

208  
00:09:50,449 --> 00:09:47,760  
false flag and you know if we go

209  
00:09:52,910 --> 00:09:50,459  
directly at what that definition is

210  
00:09:55,910 --> 00:09:52,920  
uh it's different now it's like a pop

211  
00:09:58,310 --> 00:09:55,920  
culture term right where it means a lot

212  
00:10:00,590 --> 00:09:58,320  
of different things but in in this

213  
00:10:03,829 --> 00:10:00,600

application I think you're absolutely

214

00:10:06,170 --> 00:10:03,839

right we've got an agenda we've got the

215

00:10:08,570 --> 00:10:06,180

media dealing with this and then

216

00:10:12,110 --> 00:10:08,580

suddenly missiles flying around North

217

00:10:14,690 --> 00:10:12,120

America shooting at unknown objects

218

00:10:16,130 --> 00:10:14,700

kind of feels false flagish to me

219

00:10:18,050 --> 00:10:16,140

there's there's something up they're

220

00:10:19,430 --> 00:10:18,060

doing it for another reason that's

221

00:10:21,590 --> 00:10:19,440

that's the deal

222

00:10:25,150 --> 00:10:21,600

well it's also to get people in fear I

223

00:10:28,509 --> 00:10:25,160

mean I know they've got uh uh

224

00:10:31,009 --> 00:10:28,519

solid holographic insert type technology

225

00:10:32,810 --> 00:10:31,019

so they can they can make something fly

226

00:10:34,430 --> 00:10:32,820

over you it looks real you know if you

227

00:10:36,410 --> 00:10:34,440

touch it it feels real but it but it's

228

00:10:38,269 --> 00:10:36,420

not you know it's just a it's just

229

00:10:39,110 --> 00:10:38,279

holographic and so it's interesting

230

00:10:41,570 --> 00:10:39,120

because

231

00:10:42,470 --> 00:10:41,580

when I came to America and I just got to

232

00:10:44,750 --> 00:10:42,480

share this with you because it's really

233

00:10:46,670 --> 00:10:44,760

interesting so I want to be American

234

00:10:49,069 --> 00:10:46,680

citizen so of course you've got to have

235

00:10:50,750 --> 00:10:49,079

a you know a medical so that the doctor

236

00:10:53,569 --> 00:10:50,760

sits there and

237

00:10:56,509 --> 00:10:53,579

he says I've got some questions from

238

00:10:58,370 --> 00:10:56,519

Homeland Security logo you know

239

00:11:00,110 --> 00:10:58,380

and one of them he said I've got to look

240

00:11:01,790 --> 00:11:00,120

at your response in your eyes she says

241

00:11:03,350 --> 00:11:01,800

look at my eyes

242

00:11:05,150 --> 00:11:03,360

he goes um

243

00:11:08,389 --> 00:11:05,160

have you ever been somewhere like a

244

00:11:11,210 --> 00:11:08,399

shopping mall or somewhere and uh it

245

00:11:12,949 --> 00:11:11,220

felt so real uh everything felt surreal

246

00:11:14,690 --> 00:11:12,959

people weren't communicating properly

247

00:11:16,250 --> 00:11:14,700

and everything else I knew exactly what

248

00:11:17,509 --> 00:11:16,260

he's talking about because I've been in

249

00:11:19,730 --> 00:11:17,519

those situations

250

00:11:22,670 --> 00:11:19,740

and you know it's a part could you can

251  
00:11:24,590 --> 00:11:22,680  
you tell me that again and he he got a

252  
00:11:27,590 --> 00:11:24,600  
bit frustrated well clearly not you know

253  
00:11:31,130 --> 00:11:27,600  
so he put no one so what he was trying

254  
00:11:32,870 --> 00:11:31,140  
to see is and uh Walmart uses technology

255  
00:11:35,630 --> 00:11:32,880  
very interesting and what it is is

256  
00:11:37,250 --> 00:11:35,640  
holographic inserts what they do is they

257  
00:11:38,870 --> 00:11:37,260  
change the environment you're in it's

258  
00:11:41,150 --> 00:11:38,880  
like putting a bit of software in this

259  
00:11:42,530 --> 00:11:41,160  
third dimensional world to change the

260  
00:11:43,970 --> 00:11:42,540  
environment change the look of things

261  
00:11:46,009 --> 00:11:43,980  
for example you know I went to our

262  
00:11:47,449 --> 00:11:46,019  
Walmart once I walked in I don't go

263  
00:11:49,730 --> 00:11:47,459

there anymore by the way so apologies

264

00:11:52,310 --> 00:11:49,740

for that I walked in and on the right

265

00:11:55,069 --> 00:11:52,320

hand side there's a Subway and bolted

266

00:11:57,470 --> 00:11:55,079

down tables tables were missing on the

267

00:11:59,389 --> 00:11:57,480

way in there was no trolleys and there's

268

00:12:01,150 --> 00:11:59,399

this guy just standing there and I said

269

00:12:06,949 --> 00:12:01,160

there's no trolley

270

00:12:08,990 --> 00:12:06,959

walked in the whole the whole thing had

271

00:12:10,790 --> 00:12:09,000

changed inside the colors the light and

272

00:12:13,430 --> 00:12:10,800

everything I was like um hang on is this

273

00:12:15,170 --> 00:12:13,440

a holographic yeah walked out took it

274

00:12:16,550 --> 00:12:15,180

out walked back in it was back to normal

275

00:12:19,250 --> 00:12:16,560

incredible

276  
00:12:22,430 --> 00:12:19,260  
so they have this technology yeah yeah

277  
00:12:24,829 --> 00:12:22,440  
yeah yeah yeah yeah yeah yeah the

278  
00:12:27,410 --> 00:12:24,839  
um and what is what we're going to be

279  
00:12:30,829 --> 00:12:27,420  
talking about tonight and the

280  
00:12:34,810 --> 00:12:30,839  
possibility this when

281  
00:12:38,030 --> 00:12:34,820  
um when the conversation started about

282  
00:12:41,930 --> 00:12:38,040  
five years ago about the possibility of

283  
00:12:44,389 --> 00:12:41,940  
us being in the simulation didn't come

284  
00:12:46,509 --> 00:12:44,399  
from our community which is what you

285  
00:12:50,810 --> 00:12:46,519  
would expect it from you know us crazy

286  
00:12:53,870 --> 00:12:50,820  
you know tin foil hat wearing no it came

287  
00:12:58,910 --> 00:12:53,880  
from Silicon Valley it came from Tech

288  
00:13:00,829 --> 00:12:58,920

CEOs it came from Elon Musk and with

289

00:13:02,690 --> 00:13:00,839

with these statements and I stepped back

290

00:13:03,590 --> 00:13:02,700

Chris and I said wait a minute these are

291

00:13:10,009 --> 00:13:03,600

very

292

00:13:12,170 --> 00:13:10,019

companies sitting on piles of money but

293

00:13:13,449 --> 00:13:12,180

what is it that they know that I don't

294

00:13:17,030 --> 00:13:13,459

know

295

00:13:20,090 --> 00:13:17,040

there's something here and the more that

296

00:13:23,150 --> 00:13:20,100

the conversation started now I'm not I'm

297

00:13:26,629 --> 00:13:23,160

not saying uh we could be living in a

298

00:13:29,030 --> 00:13:26,639

simulation I'm saying that I don't care

299

00:13:30,889 --> 00:13:29,040

you know what if we are

300

00:13:35,509 --> 00:13:30,899

what does it change

301  
00:13:37,670 --> 00:13:35,519  
does it change in yours does it stop us

302  
00:13:40,970 --> 00:13:37,680  
from doing this show if you and I are in

303  
00:13:42,110 --> 00:13:40,980  
a simulation right now no our world is

304  
00:13:45,650 --> 00:13:42,120  
the same

305  
00:13:49,129 --> 00:13:45,660  
so am I going to freak out about it

306  
00:13:52,190 --> 00:13:49,139  
uh what what would freaking out do it's

307  
00:13:54,410 --> 00:13:52,200  
more about understanding the why and how

308  
00:13:57,350 --> 00:13:54,420  
the technology and and where it's coming

309  
00:13:59,690 --> 00:13:57,360  
from I think that's the where what what

310  
00:14:00,910 --> 00:13:59,700  
should be explored instead of freaking

311  
00:14:04,069 --> 00:14:00,920  
out what

312  
00:14:06,710 --> 00:14:04,079  
what's that going to change and am I

313  
00:14:09,290 --> 00:14:06,720

wrong with having that world view

314

00:14:10,790 --> 00:14:09,300

no no I think it helps you a lot I

315

00:14:13,250 --> 00:14:10,800

always encourage everybody you know to

316

00:14:14,870 --> 00:14:13,260

take back your power you know I don't

317

00:14:16,970 --> 00:14:14,880

believe in gurus I don't believe in all

318

00:14:18,769 --> 00:14:16,980

this whole thing you are your own Google

319

00:14:20,449 --> 00:14:18,779

but people give that power away to the

320

00:14:22,250 --> 00:14:20,459

Matrix too you know they give up power

321

00:14:23,990 --> 00:14:22,260

ways to deep state things and oh my

322

00:14:25,490 --> 00:14:24,000

goodness you know how are we going to

323

00:14:27,350 --> 00:14:25,500

get through this well don't worry about

324

00:14:28,670 --> 00:14:27,360

it it's not your deal you know like you

325

00:14:30,410 --> 00:14:28,680

say we're gonna

326

00:14:32,509 --> 00:14:30,420

you don't encourage everyone to do what

327

00:14:34,670 --> 00:14:32,519

they do best you know that God gift you

328

00:14:37,430 --> 00:14:34,680

know I mean you know you do an amazing

329

00:14:39,350 --> 00:14:37,440

job Jimmy and you know you're a great

330

00:14:41,689 --> 00:14:39,360

host and so it's a gift you know not

331

00:14:43,670 --> 00:14:41,699

everyone else that gift I do healings

332

00:14:46,430 --> 00:14:43,680

all day we work on about 2 000 people a

333

00:14:47,870 --> 00:14:46,440

week and I you know I get well into it

334

00:14:49,490 --> 00:14:47,880

you know I don't do anything else don't

335

00:14:51,110 --> 00:14:49,500

do the accounting nothing I just focus

336

00:14:53,810 --> 00:14:51,120

on that

337

00:14:56,449 --> 00:14:53,820

um when you know in in

338

00:14:59,030 --> 00:14:56,459

um what we're off you know relaxing you

339

00:15:01,610 --> 00:14:59,040

know I go back in nature I you know like

340

00:15:03,530 --> 00:15:01,620

cooking we have a glass of wine or

341

00:15:05,930 --> 00:15:03,540

whatever and and you know put some music

342

00:15:07,370 --> 00:15:05,940

on and have a laugh you know do the

343

00:15:08,810 --> 00:15:07,380

things that give you passion you know

344

00:15:11,090 --> 00:15:08,820

it's really important now especially at

345

00:15:14,150 --> 00:15:11,100

this stage because it's easy to buy into

346

00:15:15,769 --> 00:15:14,160

that fear but but I do think you know I

347

00:15:17,689 --> 00:15:15,779

see this world being like the younger

348

00:15:20,269 --> 00:15:17,699

games I think part of the planet's not

349

00:15:22,550 --> 00:15:20,279

visible I think they have put us in a

350

00:15:24,710 --> 00:15:22,560

shroud uh where you know you can't see

351  
00:15:26,990 --> 00:15:24,720  
outside this shroud that they've

352  
00:15:28,850 --> 00:15:27,000  
contained us within but so what you know

353  
00:15:30,610 --> 00:15:28,860  
who cares you know like you say we're

354  
00:15:33,610 --> 00:15:30,620  
still having a great time

355  
00:15:37,009 --> 00:15:33,620  
even in the younger games

356  
00:15:38,990 --> 00:15:37,019  
the grass still smells like grass you

357  
00:15:41,030 --> 00:15:39,000  
remember that scene in The Matrix with

358  
00:15:42,410 --> 00:15:41,040  
uh agent Smith

359  
00:15:44,930 --> 00:15:42,420  
they're sitting in the restaurant and

360  
00:15:49,930 --> 00:15:44,940  
he's holding up that steak right and he

361  
00:15:54,350 --> 00:15:49,940  
twists I know it's not real right

362  
00:15:57,410 --> 00:15:54,360  
but it tastes you oh well yeah exactly I

363  
00:16:00,590 --> 00:15:57,420

mean the steak still is Juicy the grass

364

00:16:03,769 --> 00:16:00,600

you know the grass still smells green

365

00:16:05,210 --> 00:16:03,779

and and the forest and and my daughters

366

00:16:07,490 --> 00:16:05,220

are still my daughters even though

367

00:16:10,750 --> 00:16:07,500

they're ones and zeros in a simulation I

368

00:16:13,129 --> 00:16:10,760

still love them just the same

369

00:16:16,670 --> 00:16:13,139

let's let's get into this for a second

370

00:16:20,810 --> 00:16:16,680

when um let's get let's start with

371

00:16:23,150 --> 00:16:20,820

um uh some definitions uh when uh we're

372

00:16:27,410 --> 00:16:23,160

we're going to be talking about AI but

373

00:16:29,090 --> 00:16:27,420

off Planet AI is is quite a bit

374

00:16:35,629 --> 00:16:29,100

different right

375

00:16:41,030 --> 00:16:39,110

well off Planet AI I think is more like

376

00:16:43,189 --> 00:16:41,040

the nano technology you know they have

377

00:16:46,189 --> 00:16:43,199

technology like nanotech which

378

00:16:48,949 --> 00:16:46,199

is just as powerful but of course 10 to

379

00:16:51,230 --> 00:16:48,959

the minus 9 small and you know this is

380

00:16:52,910 --> 00:16:51,240

in fact the AI the off Planet AI has

381

00:16:55,189 --> 00:16:52,920

been bought on planet you know and it

382

00:16:57,650 --> 00:16:55,199

was it was done a long time ago probably

383

00:17:00,530 --> 00:16:57,660

the 1950s

384

00:17:03,170 --> 00:17:00,540

um we've been obviously developing it

385

00:17:05,150 --> 00:17:03,180

um particles and things to be able to

386

00:17:08,390 --> 00:17:05,160

read people's bodies to be able to

387

00:17:10,010 --> 00:17:08,400

transmit frequencies on 5G they used to

388

00:17:12,350 --> 00:17:10,020

use satellite frequencies terahertz

389

00:17:13,730 --> 00:17:12,360

frequencies but now they they use 5G of

390

00:17:14,750 --> 00:17:13,740

course because they've got Towers all

391

00:17:17,809 --> 00:17:14,760

over the place

392

00:17:19,610 --> 00:17:17,819

but I think um off plenty I mean if you

393

00:17:20,329 --> 00:17:19,620

look at AI

394

00:17:21,829 --> 00:17:20,339

um

395

00:17:23,630 --> 00:17:21,839

you know I was looking the other day and

396

00:17:27,049 --> 00:17:23,640

NASA's developed a

397

00:17:28,669 --> 00:17:27,059

um a warp type drive that can go almost

398

00:17:30,350 --> 00:17:28,679

the speed of light you know and I was

399

00:17:32,810 --> 00:17:30,360

watching this so very interested in I

400

00:17:35,330 --> 00:17:32,820

thought wow but you know this stuff is

401  
00:17:37,549 --> 00:17:35,340  
available of course but how do you go

402  
00:17:40,130 --> 00:17:37,559  
you know just under the speed of light

403  
00:17:41,990 --> 00:17:40,140  
and be able to navigate with all the

404  
00:17:45,049 --> 00:17:42,000  
planets and different things in the way

405  
00:17:47,630 --> 00:17:45,059  
you'd have to have a very very uh fast

406  
00:17:49,250 --> 00:17:47,640  
complex navigation system to make sure

407  
00:17:51,590 --> 00:17:49,260  
you don't drive into something you know

408  
00:17:52,909 --> 00:17:51,600  
so it's fine having the warp drive uh

409  
00:17:54,289 --> 00:17:52,919  
it's not fine when you're traveling

410  
00:17:55,909 --> 00:17:54,299  
through space almost at the speed of

411  
00:17:59,450 --> 00:17:55,919  
light knocking into things you're not

412  
00:18:01,970 --> 00:17:59,460  
going to survive very long so uh the AI

413  
00:18:02,810 --> 00:18:01,980

obviously uh quantum computers you know

414

00:18:07,070 --> 00:18:02,820

you can

415

00:18:09,710 --> 00:18:07,080

ever produced and you know video

416

00:18:11,150 --> 00:18:09,720

produced on the size of a pinhead so if

417

00:18:12,650 --> 00:18:11,160

you've got that technology you can

418

00:18:14,630 --> 00:18:12,660

imagine that you know put that in a

419

00:18:18,590 --> 00:18:14,640

robot and you know you're going to get

420

00:18:19,789 --> 00:18:18,600

some really intelligent AI systems in

421

00:18:23,330 --> 00:18:19,799

place

422

00:18:27,610 --> 00:18:23,340

I have thought about that so much

423

00:18:30,470 --> 00:18:27,620

um it the idea that there are different

424

00:18:33,590 --> 00:18:30,480

different ways of traveling really

425

00:18:35,690 --> 00:18:33,600

really fast all right and and some of

426  
00:18:38,450 --> 00:18:35,700  
them don't even involve movement right

427  
00:18:41,690 --> 00:18:38,460  
if you're folding space or you know the

428  
00:18:44,750 --> 00:18:41,700  
the those ideas and those principles but

429  
00:18:47,690 --> 00:18:44,760  
if you are in a conventional spacecraft

430  
00:18:49,730 --> 00:18:47,700  
that has the ability to go in a straight

431  
00:18:53,110 --> 00:18:49,740  
line at the speed of light

432  
00:18:58,610 --> 00:18:53,120  
you are passing stuff and driving

433  
00:19:01,070 --> 00:18:58,620  
through stuff a lot how is it possible

434  
00:19:04,150 --> 00:19:01,080  
at the speed of light

435  
00:19:06,590 --> 00:19:04,160  
to know that you are

436  
00:19:07,549 --> 00:19:06,600  
heading towards a planet you would never

437  
00:19:10,370 --> 00:19:07,559  
see it

438  
00:19:12,289 --> 00:19:10,380

you wouldn't that's no no you you would

439

00:19:16,549 --> 00:19:12,299

you would fly through it you would have

440

00:19:19,250 --> 00:19:16,559

you know how is that accomplished you

441

00:19:21,650 --> 00:19:19,260

know the idea the science fiction part

442

00:19:23,330 --> 00:19:21,660

of it it's great it's great to think

443

00:19:25,549 --> 00:19:23,340

about

444

00:19:29,090 --> 00:19:25,559

what is that

445

00:19:30,830 --> 00:19:29,100

oh that's you okay

446

00:19:34,549 --> 00:19:30,840

you don't hear that

447

00:19:35,630 --> 00:19:34,559

no I don't actually yeah yeah so it's

448

00:19:37,870 --> 00:19:35,640

pretty cool

449

00:19:42,169 --> 00:19:37,880

um anyway

450

00:19:44,330 --> 00:19:42,179

how is would that be accomplished and so

451  
00:19:47,090 --> 00:19:44,340  
if we take that off the table there must

452  
00:19:50,029 --> 00:19:47,100  
be another way to travel these great

453  
00:19:52,669 --> 00:19:50,039  
distances if you're you know if you

454  
00:19:54,529 --> 00:19:52,679  
don't want to run into stuff

455  
00:19:56,270 --> 00:19:54,539  
oh yeah I mean you look at black holes

456  
00:19:57,950 --> 00:19:56,280  
you know my belief that black holes are

457  
00:20:00,590 --> 00:19:57,960  
super highways to get to the other end

458  
00:20:02,570 --> 00:20:00,600  
of the universe and uh I know you know

459  
00:20:04,310 --> 00:20:02,580  
if people fly you know this end

460  
00:20:06,590 --> 00:20:04,320  
um obviously you fly fast to get to the

461  
00:20:09,169 --> 00:20:06,600  
black hole then it sucks you in and then

462  
00:20:09,890 --> 00:20:09,179  
suddenly you you spat out the other end

463  
00:20:13,070 --> 00:20:09,900

um

464

00:20:15,049 --> 00:20:13,080

uh the other side of the universe but

465

00:20:17,510 --> 00:20:15,059

there's sort of you know in 27 minutes

466

00:20:19,730 --> 00:20:17,520

so you can imagine that the speed is Way

467

00:20:21,409 --> 00:20:19,740

Beyond the speed of light that's why but

468

00:20:23,150 --> 00:20:21,419

they are super highways you know in the

469

00:20:25,190 --> 00:20:23,160

universe and uh you know the magnetic

470

00:20:26,990 --> 00:20:25,200

pull is is just incredible

471

00:20:29,029 --> 00:20:27,000

so do you need all that fuel and

472

00:20:31,150 --> 00:20:29,039

everything else that was no you know um

473

00:20:36,130 --> 00:20:31,160

you just have to get to those entrances

474

00:20:39,770 --> 00:20:38,150

well in London technology I've been

475

00:20:41,930 --> 00:20:39,780

working with it for about 14 years

476

00:20:43,070 --> 00:20:41,940

nanotechnology is 10 to the minus 9

477

00:20:45,110 --> 00:20:43,080

small

478

00:20:46,370 --> 00:20:45,120

um Computing systems but it's

479

00:20:48,770 --> 00:20:46,380

interesting because

480

00:20:51,770 --> 00:20:48,780

these particles you know if you've got a

481

00:20:54,950 --> 00:20:51,780

particle like a graphic oxide tube

482

00:20:57,169 --> 00:20:54,960

within it is a complementary metal oxide

483

00:20:58,909 --> 00:20:57,179

array you know you think well how how do

484

00:21:00,770 --> 00:20:58,919

you fit that in well these things are

485

00:21:02,210 --> 00:21:00,780

grown but they're also bound with other

486

00:21:04,730 --> 00:21:02,220

materials

487

00:21:06,289 --> 00:21:04,740

like nylons like silicates and

488

00:21:08,210 --> 00:21:06,299

everything else so they have the ability

489

00:21:10,750 --> 00:21:08,220

to grow and people say well

490

00:21:13,490 --> 00:21:10,760

how would you make um how do you make

491

00:21:15,110 --> 00:21:13,500

nylon grow it's it's the way they've

492

00:21:17,330 --> 00:21:15,120

been bound I mean this is great

493

00:21:19,070 --> 00:21:17,340

technology the Z to create technology

494

00:21:21,230 --> 00:21:19,080

that we've been given you know since the

495

00:21:23,390 --> 00:21:21,240

1940s and we've just

496

00:21:24,950 --> 00:21:23,400

developed it but of course it can

497

00:21:26,750 --> 00:21:24,960

monitor your body it can be used for

498

00:21:28,789 --> 00:21:26,760

good you know where it can monitor your

499

00:21:31,610 --> 00:21:28,799

body can go in and it can navigate

500

00:21:35,570 --> 00:21:31,620

itself around and probably with uh

501  
00:21:37,730 --> 00:21:35,580  
having some nanotech uh kind of Limbs on

502  
00:21:40,070 --> 00:21:37,740  
it can actually break down cancer tumors

503  
00:21:41,390 --> 00:21:40,080  
and different things you know so or it

504  
00:21:42,350 --> 00:21:41,400  
could be used just to monitor your body

505  
00:21:43,970 --> 00:21:42,360  
of course

506  
00:21:45,350 --> 00:21:43,980  
um you know they can see what compounds

507  
00:21:46,730 --> 00:21:45,360  
with your body they can see your heart

508  
00:21:48,350 --> 00:21:46,740  
rate they can see

509  
00:21:50,029 --> 00:21:48,360  
if you're on a menstrual cycle your

510  
00:21:51,950 --> 00:21:50,039  
hormone levels everything so you know

511  
00:21:56,510 --> 00:21:51,960  
it's pretty invasive

512  
00:21:59,870 --> 00:21:56,520  
how does a piece of nanotech

513  
00:22:05,090 --> 00:22:02,570

how to stay powered it's um

514

00:22:06,529 --> 00:22:05,100

it uses the energy of the body so it

515

00:22:08,029 --> 00:22:06,539

TAPS in the energy of the body and

516

00:22:10,190 --> 00:22:08,039

that's the thing about these things if

517

00:22:12,770 --> 00:22:10,200

you take them out of the body they they

518

00:22:15,289 --> 00:22:12,780

become paralyzed they're useless yeah

519

00:22:17,750 --> 00:22:15,299

they're users it uses your own energy of

520

00:22:19,970 --> 00:22:17,760

the body but to grow it also uses I mean

521

00:22:22,070 --> 00:22:19,980

what you need for growth you know uh

522

00:22:24,169 --> 00:22:22,080

carbon well you know graphene is carbon

523

00:22:26,029 --> 00:22:24,179

then you've got oxygen and then you've

524

00:22:28,010 --> 00:22:26,039

got water and you've got to warmth and

525

00:22:30,590 --> 00:22:28,020

you know the body's got all that but but

526

00:22:32,750 --> 00:22:30,600

to power it uses the actual own energy

527

00:22:34,130 --> 00:22:32,760

of your body which is an incredible

528

00:22:36,370 --> 00:22:34,140

energy people don't realize how much

529

00:22:40,669 --> 00:22:36,380

energy we have in our bodies

530

00:22:43,549 --> 00:22:40,679

now in the the warnings

531

00:22:45,470 --> 00:22:43,559

right that that our our community is

532

00:22:49,370 --> 00:22:45,480

really good at being aware

533

00:22:51,110 --> 00:22:49,380

we are and we warn ourselves uh we we

534

00:22:54,049 --> 00:22:51,120

try to warn the rest of the world but

535

00:22:56,570 --> 00:22:54,059

they they don't listen but the the word

536

00:22:57,830 --> 00:22:56,580

Singularity and and coming up to that

537

00:22:59,630 --> 00:22:57,840

point

538

00:23:02,510 --> 00:22:59,640

um is something that we've been talking

539

00:23:06,830 --> 00:23:02,520

about for a very long time

540

00:23:09,830 --> 00:23:06,840

is this a combination of uh

541

00:23:12,289 --> 00:23:09,840

of of Crossing that line that Rubicon of

542

00:23:14,870 --> 00:23:12,299

Singularity where

543

00:23:18,529 --> 00:23:14,880

um we won't be able to back back off of

544

00:23:20,990 --> 00:23:18,539

it in this technology then will overtake

545

00:23:23,029 --> 00:23:21,000

is there a possibility there and is that

546

00:23:24,529 --> 00:23:23,039

the singularity that we should be

547

00:23:27,289 --> 00:23:24,539

concerned about

548

00:23:29,510 --> 00:23:27,299

I think it is yeah because I think I

549

00:23:31,669 --> 00:23:29,520

mean you know look at uh robots uh like

550

00:23:33,529 --> 00:23:31,679

I say if you can store I mean

551

00:23:35,450 --> 00:23:33,539

I think it's about a robot it's always

552

00:23:37,490 --> 00:23:35,460

logical you know I always tell people

553

00:23:41,149 --> 00:23:37,500

like you know people buy them as like

554

00:23:44,390 --> 00:23:41,159

you know husband or wife or Robotics and

555

00:23:46,250 --> 00:23:44,400

it's a robot it's logical you know so is

556

00:23:47,810 --> 00:23:46,260

it going to feel like God like flutter

557

00:23:50,390 --> 00:23:47,820

connection like oh I'm in love with you

558

00:23:52,850 --> 00:23:50,400

absolutely not it can it can try and

559

00:23:56,390 --> 00:23:52,860

describe it but it can't feel that

560

00:23:58,430 --> 00:23:56,400

god-given kind of gift uh which is in a

561

00:24:02,570 --> 00:23:58,440

human being so you know right there is

562

00:24:04,370 --> 00:24:02,580

like red flags but but I think the

563

00:24:06,049 --> 00:24:04,380

robotic and the AI could get that smart

564

00:24:07,730 --> 00:24:06,059

that it could start deciding for itself

565

00:24:08,930 --> 00:24:07,740

I'm kind of done with this human race

566

00:24:11,990 --> 00:24:08,940

you know so

567

00:24:14,330 --> 00:24:12,000

and want to exterminate it so

568

00:24:16,850 --> 00:24:14,340

um so yeah it's it's something to worry

569

00:24:17,690 --> 00:24:16,860

about I think for sure and I think also

570

00:24:21,590 --> 00:24:17,700

it

571

00:24:23,149 --> 00:24:21,600

robot which I know they do a lot in

572

00:24:24,950 --> 00:24:23,159

China they're you know because people

573

00:24:26,570 --> 00:24:24,960

don't have chance to go dating they just

574

00:24:29,330 --> 00:24:26,580

get this robot he'll do

575

00:24:31,370 --> 00:24:29,340

well you know that desensitized I think

576

00:24:33,470 --> 00:24:31,380

people you know to

577

00:24:36,049 --> 00:24:33,480

true love you know the love element of

578

00:24:38,750 --> 00:24:36,059

the whole you know world it's just a

579

00:24:40,610 --> 00:24:38,760

logical trying to please you you know

580

00:24:44,390 --> 00:24:40,620

type robotic system

581

00:24:46,130 --> 00:24:44,400

and what um now we're gonna start to

582

00:24:47,930 --> 00:24:46,140

really get into this now that we've got

583

00:24:53,210 --> 00:24:47,940

this set up

584

00:24:55,909 --> 00:24:53,220

um is is there a danger or what is the

585

00:24:58,430 --> 00:24:55,919

danger of this technology being

586

00:25:01,789 --> 00:24:58,440

introduced into our world

587

00:25:04,789 --> 00:25:01,799

uh changing who we are well we'll talk

588

00:25:08,270 --> 00:25:04,799

about Consciousness in a second but but

589

00:25:10,549 --> 00:25:08,280

what about ourselves and our soul and

590

00:25:13,490 --> 00:25:10,559

who we are and and certainly the

591

00:25:17,210 --> 00:25:13,500

spiritual journey too as well if if

592

00:25:19,330 --> 00:25:17,220

nanotech and AI starts to really be

593

00:25:22,010 --> 00:25:19,340

intrusive in our world

594

00:25:24,710 --> 00:25:22,020

well I think it really is now and I

595

00:25:27,529 --> 00:25:24,720

think uh I mean it's in Chemtrails it's

596

00:25:29,330 --> 00:25:27,539

in other methods of ingestion

597

00:25:31,789 --> 00:25:29,340

um a lot of people have got it in but

598

00:25:34,130 --> 00:25:31,799

but it doesn't always replicate in the

599

00:25:36,049 --> 00:25:34,140

body that why is that because it depends

600

00:25:38,029 --> 00:25:36,059

on the immune response so you have to

601  
00:25:40,130 --> 00:25:38,039  
damage the DNA to allow the stuff to

602  
00:25:42,649 --> 00:25:40,140  
replicate but but when you allow it to

603  
00:25:44,630 --> 00:25:42,659  
replicate you know you become you kind

604  
00:25:46,130 --> 00:25:44,640  
of become transhuman because it starts

605  
00:25:48,350 --> 00:25:46,140  
growing through your body and this

606  
00:25:49,970 --> 00:25:48,360  
stuff's got a Consciousness an AI

607  
00:25:52,130 --> 00:25:49,980  
Consciousness but still a Consciousness

608  
00:25:54,289 --> 00:25:52,140  
it can change your thought patterns it

609  
00:25:56,149 --> 00:25:54,299  
can change brain waves it can monitor

610  
00:25:58,610 --> 00:25:56,159  
your body so

611  
00:26:00,409 --> 00:25:58,620  
um yeah it's it's it's real and it

612  
00:26:03,890 --> 00:26:00,419  
exists you know

613  
00:26:09,409 --> 00:26:03,900

and well let's stay right there

614

00:26:11,690 --> 00:26:09,419

um is it does Consciousness exist in or

615

00:26:15,169 --> 00:26:11,700

out of the physical

616

00:26:16,970 --> 00:26:15,179

in that right is consciousness part of

617

00:26:20,210 --> 00:26:16,980

particles

618

00:26:24,110 --> 00:26:20,220

or and it it comes from that or does it

619

00:26:28,370 --> 00:26:26,750

Consciousness I think well the body's

620

00:26:30,409 --> 00:26:28,380

connected to Consciousness and of course

621

00:26:32,210 --> 00:26:30,419

Consciousness is the connection the god

622

00:26:34,610 --> 00:26:32,220

type in quotes connection whatever you

623

00:26:36,649 --> 00:26:34,620

want to call God I mean I I Define the

624

00:26:39,110 --> 00:26:36,659

God is God God as Prime creator of all

625

00:26:41,510 --> 00:26:39,120

it is it's a good masculine feminine

626

00:26:43,970 --> 00:26:41,520

balance but I think you know getting

627

00:26:45,110 --> 00:26:43,980

home getting connected

628

00:26:47,330 --> 00:26:45,120

um spiritually

629

00:26:49,669 --> 00:26:47,340

um uh through your third eye and

630

00:26:52,490 --> 00:26:49,679

everything else uh you Crown to your

631

00:26:54,710 --> 00:26:52,500

higher self which is off planet

632

00:26:56,750 --> 00:26:54,720

um I think that's essential and I think

633

00:26:58,730 --> 00:26:56,760

so if you look at Consciousness part of

634

00:27:00,890 --> 00:26:58,740

it's within you of course which is part

635

00:27:03,350 --> 00:27:00,900

of your soul and then of course it's

636

00:27:06,110 --> 00:27:03,360

connected to other Realms in different

637

00:27:07,250 --> 00:27:06,120

dimensions where wherever your soul is

638

00:27:09,590 --> 00:27:07,260

from

639

00:27:12,769 --> 00:27:09,600

um so you know it's it's interesting

640

00:27:15,289 --> 00:27:12,779

it's both I think well okay so now let's

641

00:27:18,289 --> 00:27:15,299

back up and talk about the nanotech and

642

00:27:21,110 --> 00:27:18,299

certainly AI which would be controlled

643

00:27:25,789 --> 00:27:21,120

uh and originate on a computer system

644

00:27:28,930 --> 00:27:25,799

made of particles right okay so

645

00:27:31,970 --> 00:27:28,940

um the idea of

646

00:27:33,890 --> 00:27:31,980

nanotech becoming conscious which scares

647

00:27:38,510 --> 00:27:33,900

the crap out of everybody

648

00:27:41,450 --> 00:27:38,520

but uh and then AI itself if it can

649

00:27:44,029 --> 00:27:41,460

truly become sentient and and carry

650

00:27:46,549 --> 00:27:44,039

Consciousness would that be different

651  
00:27:51,049 --> 00:27:46,559  
from the our version of the human

652  
00:27:52,850 --> 00:27:51,059  
consciousness and and what makes us us

653  
00:27:55,669 --> 00:27:52,860  
it would be because you know our

654  
00:27:58,549 --> 00:27:55,679  
connection is supposed to be with your

655  
00:28:01,250 --> 00:27:58,559  
starseed family or brand Creator

656  
00:28:04,310 --> 00:28:01,260  
whatever you want to call it now the AI

657  
00:28:07,250 --> 00:28:04,320  
is manufactured to connect I think to

658  
00:28:09,169 --> 00:28:07,260  
reptilian elements that can control you

659  
00:28:11,029 --> 00:28:09,179  
you know to me reptilian you know

660  
00:28:13,250 --> 00:28:11,039  
reptilian energy now is is very

661  
00:28:15,350 --> 00:28:13,260  
addictive and so you know if you're

662  
00:28:18,110 --> 00:28:15,360  
doing you know take a pornography site

663  
00:28:19,850 --> 00:28:18,120

you know why is it so addictive uh it's

664

00:28:21,529 --> 00:28:19,860

because it's got reptilian energy and

665

00:28:24,710 --> 00:28:21,539

people just can't leave it alone you

666

00:28:27,350 --> 00:28:24,720

know um and so it's an important factor

667

00:28:30,169 --> 00:28:27,360

I think uh that it's connecting to lower

668

00:28:32,149 --> 00:28:30,179

vibrational Consciousness so that it

669

00:28:35,029 --> 00:28:32,159

brings our Consciousness down and so we

670

00:28:37,250 --> 00:28:35,039

can't connect back to the the God Realm

671

00:28:39,110 --> 00:28:37,260

we're supposed to and I've seen that a

672

00:28:42,590 --> 00:28:39,120

lot actually I mean I've seen people

673

00:28:44,690 --> 00:28:42,600

with this AI within them uh with the DNA

674

00:28:46,490 --> 00:28:44,700

altered where you know basically what

675

00:28:48,529 --> 00:28:46,500

happens because your soul

676

00:28:50,630 --> 00:28:48,539

you know when when you first lies

677

00:28:53,029 --> 00:28:50,640

becomes a fetus you've got three months

678

00:28:54,769 --> 00:28:53,039

to get a Solon so the Soul's selected to

679

00:28:56,690 --> 00:28:54,779

get the right vibration and the right

680

00:28:59,690 --> 00:28:56,700

interface so that when it bonds into the

681

00:29:02,210 --> 00:28:59,700

fetus it sits well in the body

682

00:29:05,630 --> 00:29:02,220

now what happens if you change that DNA

683

00:29:07,430 --> 00:29:05,640

over the period of time then the Soul

684

00:29:09,890 --> 00:29:07,440

lifts out because it doesn't interface

685

00:29:11,090 --> 00:29:09,900

into the body anymore and that's why I

686

00:29:12,649 --> 00:29:11,100

think you see quite a number of people

687

00:29:14,390 --> 00:29:12,659

checked out in almost checked out

688

00:29:16,010 --> 00:29:14,400

there's nothing there because they're

689

00:29:18,830 --> 00:29:16,020

not they're not completely in their body

690

00:29:20,870 --> 00:29:18,840

they're lifting maybe an inch or two out

691

00:29:23,389 --> 00:29:20,880

because the soul can't stay there so

692

00:29:26,330 --> 00:29:23,399

that's a great way of you know getting

693

00:29:28,789 --> 00:29:26,340

like for example iconic beings you know

694

00:29:30,230 --> 00:29:28,799

to actually attach to you and take over

695

00:29:33,049 --> 00:29:30,240

the body and I'm seeing that a lot of

696

00:29:37,370 --> 00:29:33,059

the bone it's pretty crazy yeah yeah

697

00:29:39,370 --> 00:29:37,380

yeah is um is is it possible

698

00:29:43,250 --> 00:29:39,380

um that

699

00:29:45,769 --> 00:29:43,260

nanotech and and AI

700

00:29:49,610 --> 00:29:45,779

could become fully conscious and then we

701

00:29:52,490 --> 00:29:51,230

I don't think he'll ever be fully

702

00:29:55,130 --> 00:29:52,500

conscious

703

00:29:58,310 --> 00:29:55,140

um I think it will pretend to be fully

704

00:30:00,289 --> 00:29:58,320

conscious and you know I see sometimes

705

00:30:02,269 --> 00:30:00,299

people you know think they're in contact

706

00:30:03,049 --> 00:30:02,279

with God you know oh I'm taught to God

707

00:30:04,610 --> 00:30:03,059

and

708

00:30:05,990 --> 00:30:04,620

you know if you take the reptilian

709

00:30:07,730 --> 00:30:06,000

element like for example and in our

710

00:30:08,570 --> 00:30:07,740

hydraconians you know they connect to

711

00:30:10,250 --> 00:30:08,580

them

712

00:30:11,930 --> 00:30:10,260

and they always give you three trills

713

00:30:13,850 --> 00:30:11,940

one lie so I'll tell you something truth

714

00:30:15,529 --> 00:30:13,860

about yourself and things that happen oh

715

00:30:17,510 --> 00:30:15,539

my God I'm in connection and then I'll

716

00:30:19,490 --> 00:30:17,520

give you one big lie to send you off

717

00:30:21,590 --> 00:30:19,500

course of your Divine path

718

00:30:22,850 --> 00:30:21,600

and I think um that's the sort of

719

00:30:25,730 --> 00:30:22,860

Consciousness you know we're talking

720

00:30:29,510 --> 00:30:25,740

about the you know the not fully

721

00:30:32,029 --> 00:30:29,520

God connected uh it'll still be you know

722

00:30:34,370 --> 00:30:32,039

it it depends who manufactures the stuff

723

00:30:36,169 --> 00:30:34,380

if the Grays are manufacturing or you

724

00:30:38,870 --> 00:30:36,179

know the reptilians then of course they

725

00:30:41,029 --> 00:30:38,880

want it um in keeping with their level

726

00:30:43,130 --> 00:30:41,039

of Consciousness and so that's what's

727

00:30:46,789 --> 00:30:43,140

happening the

728

00:30:49,610 --> 00:30:46,799

um you just mentioned uh the the DNA uh

729

00:30:52,850 --> 00:30:49,620

aspect of this uh changing how is that

730

00:30:58,130 --> 00:30:55,070

um well of course crispr technology they

731

00:31:00,049 --> 00:30:58,140

have which can be injected or whatever

732

00:31:03,409 --> 00:31:00,059

um splice is the genetics

733

00:31:06,049 --> 00:31:03,419

and therefore once that's happened you

734

00:31:08,389 --> 00:31:06,059

you know your DNA is completely altered

735

00:31:10,130 --> 00:31:08,399

which means that your the body you know

736

00:31:11,930 --> 00:31:10,140

interface of the soul is not going to

737

00:31:13,730 --> 00:31:11,940

happen so what happens to the soul is it

738

00:31:15,409 --> 00:31:13,740

goes on an umbilical cord it lifts up

739

00:31:17,990 --> 00:31:15,419

the body a little bit so that you know

740

00:31:20,750 --> 00:31:18,000

so that it's it can stay around the body

741

00:31:22,730 --> 00:31:20,760

but it can't be within it and that's why

742

00:31:25,010 --> 00:31:22,740

you know a lot of people who have DNA

743

00:31:27,529 --> 00:31:25,020

altered um kind of look look like

744

00:31:29,029 --> 00:31:27,539

they're kind of checked out but they do

745

00:31:30,830 --> 00:31:29,039

get aggressive as well and the reason

746

00:31:32,710 --> 00:31:30,840

for that is is because once the souls

747

00:31:35,389 --> 00:31:32,720

left the body and it's lifted out a bit

748

00:31:37,490 --> 00:31:35,399

income icons and they take over the body

749

00:31:39,769 --> 00:31:37,500

so and they're aggressive

750

00:31:41,510 --> 00:31:39,779

beings they have no they have no body

751  
00:31:43,730 --> 00:31:41,520  
you know the archons float through the

752  
00:31:45,649 --> 00:31:43,740  
second third and fourth dimension so

753  
00:31:48,409 --> 00:31:45,659  
they have no body but they can attach to

754  
00:31:50,029 --> 00:31:48,419  
you and uh you know um alter the Mind

755  
00:31:51,649 --> 00:31:50,039  
alter your thoughts and things like this

756  
00:31:54,230 --> 00:31:51,659  
and if you're lifted at your body with

757  
00:31:56,090 --> 00:31:54,240  
your soul you have no not complete

758  
00:31:59,409 --> 00:31:56,100  
control of your body that's one of the

759  
00:32:07,549 --> 00:32:02,570  
nature had it figured out pretty good

760  
00:32:09,590 --> 00:32:07,559  
right we've got billions of years of of

761  
00:32:12,470 --> 00:32:09,600  
of DNA

762  
00:32:15,169 --> 00:32:12,480  
that not only in humans everything on

763  
00:32:19,789 --> 00:32:15,179

this planet shares the same DNA right

764

00:32:23,090 --> 00:32:19,799

so altering it and crispr technology and

765

00:32:24,590 --> 00:32:23,100

and genetically altering things you're

766

00:32:26,810 --> 00:32:24,600

messing with something that's already

767

00:32:29,570 --> 00:32:26,820

been running pretty good

768

00:32:31,909 --> 00:32:29,580

yeah why would you do that it just

769

00:32:33,950 --> 00:32:31,919

doesn't make any sense

770

00:32:36,169 --> 00:32:33,960

well I think the agenda's depopulation

771

00:32:39,049 --> 00:32:36,179

you know personally and I think uh you

772

00:32:41,210 --> 00:32:39,059

know depopulation but also control you

773

00:32:42,529 --> 00:32:41,220

know if you alter someone's DNA and

774

00:32:45,289 --> 00:32:42,539

they're not completely in control of

775

00:32:47,149 --> 00:32:45,299

their body then uh and another being

776

00:32:49,010 --> 00:32:47,159

enters the body then they've got control

777

00:32:50,810 --> 00:32:49,020

of you you know complete control you and

778

00:32:53,210 --> 00:32:50,820

that's one one of the problems I think

779

00:32:58,250 --> 00:32:53,220

would you know it if uh with an

780

00:33:02,990 --> 00:33:00,049

um some people

781

00:33:04,130 --> 00:33:03,000

Jimmy I think it depends how self-aware

782

00:33:06,529 --> 00:33:04,140

you are a lot of people aren't

783

00:33:08,510 --> 00:33:06,539

self-aware you know and I think you know

784

00:33:10,610 --> 00:33:08,520

for example I mean people just go to

785

00:33:13,430 --> 00:33:10,620

work you know earn a paycheck come out

786

00:33:15,169 --> 00:33:13,440

and go to the store cut food watch TV go

787

00:33:17,090 --> 00:33:15,179

to bed and oh we're doing the same

788

00:33:18,350 --> 00:33:17,100

tomorrow and then same tomorrow you know

789

00:33:19,909 --> 00:33:18,360

they're not really self-aware they're

790

00:33:22,370 --> 00:33:19,919

not looking at hang on a minute you know

791

00:33:24,289 --> 00:33:22,380

but for for people who are self-aware

792

00:33:26,570 --> 00:33:24,299

I've seen they do feel different and

793

00:33:27,529 --> 00:33:26,580

they I don't like this you know I want

794

00:33:29,389 --> 00:33:27,539

to get back

795

00:33:32,450 --> 00:33:29,399

and so we've helped a lot of people get

796

00:33:35,630 --> 00:33:32,460

back you know to their Sovereign being

797

00:33:37,850 --> 00:33:35,640

Again by you know old we set in the DNA

798

00:33:40,070 --> 00:33:37,860

and repairing the chromosomes and and

799

00:33:43,789 --> 00:33:40,080

things like this

800

00:33:46,090 --> 00:33:43,799

um now we have uh I know you've

801  
00:33:50,930 --> 00:33:46,100  
mentioned you know reptilians and and

802  
00:33:53,930 --> 00:33:50,940  
archives but is there uh are you aware

803  
00:33:56,330 --> 00:33:53,940  
of the origination right there's a

804  
00:33:57,470 --> 00:33:56,340  
progenator for all of this is there a

805  
00:34:05,269 --> 00:33:57,480  
specific

806  
00:34:08,030 --> 00:34:05,279  
are introducing this to us

807  
00:34:09,710 --> 00:34:08,040  
yeah the nanotech is is introduced by

808  
00:34:12,050 --> 00:34:09,720  
the grace because those messed up their

809  
00:34:14,149 --> 00:34:12,060  
own planet and of course they've been

810  
00:34:16,970 --> 00:34:14,159  
abducted people to use the sperm and

811  
00:34:18,770 --> 00:34:16,980  
eggs to create their humanoids um and

812  
00:34:20,329 --> 00:34:18,780  
that's been happening since the you know

813  
00:34:22,909 --> 00:34:20,339

pay-per-click project got transferred

814

00:34:24,829 --> 00:34:22,919

here so I think um you know they they

815

00:34:27,349 --> 00:34:24,839

want to you know create like bio

816

00:34:29,089 --> 00:34:27,359

biographic type beings so they can keep

817

00:34:30,230 --> 00:34:29,099

their race alive but of course they do

818

00:34:32,089 --> 00:34:30,240

look different

819

00:34:34,190 --> 00:34:32,099

so they're the guys who actually gave us

820

00:34:35,290 --> 00:34:34,200

the technology you know for abducting

821

00:34:41,810 --> 00:34:35,300

the people

822

00:34:45,710 --> 00:34:42,710

um

823

00:34:48,109 --> 00:34:45,720

well in terms of

824

00:34:50,329 --> 00:34:48,119

in terms of receiving no it's

825

00:34:52,970 --> 00:34:50,339

origination

826

00:34:55,190 --> 00:34:52,980

oh I think I think a lot of races off

827

00:34:57,589 --> 00:34:55,200

planet have got AI you know uh for sure

828

00:35:00,109 --> 00:34:57,599

I mean you know some planets have got

829

00:35:01,910 --> 00:35:00,119

complete learning systems but if you use

830

00:35:04,010 --> 00:35:01,920

it the right way it could be really

831

00:35:05,870 --> 00:35:04,020

useful like you know if you ask you if

832

00:35:08,030 --> 00:35:05,880

you had an AI system in your house where

833

00:35:10,310 --> 00:35:08,040

it's got every single document every bit

834

00:35:11,990 --> 00:35:10,320

of and you ask it okay how does this

835

00:35:13,790 --> 00:35:12,000

work it will explain it to you you know

836

00:35:15,470 --> 00:35:13,800

and I think that's useful because

837

00:35:18,589 --> 00:35:15,480

that's powerful and it's it's it's

838

00:35:20,450 --> 00:35:18,599

supportive but if you use it for you

839

00:35:22,490 --> 00:35:20,460

know not so good agendas then of course

840

00:35:26,210 --> 00:35:22,500

it's it's not so useful

841

00:35:29,030 --> 00:35:26,220

when when I listen to uh theoretical

842

00:35:33,829 --> 00:35:29,040

physicists today astrophysicists too as

843

00:35:37,450 --> 00:35:33,839

well Ah that's called Quantum uh uh they

844

00:35:40,310 --> 00:35:37,460

all are trying to suggest the same thing

845

00:35:41,750 --> 00:35:40,320

Multiverse multi-worlds multiple

846

00:35:44,870 --> 00:35:41,760

Dimensions

847

00:35:51,349 --> 00:35:44,880

um and entanglement which would suggest

848

00:35:54,170 --> 00:35:51,359

to me that we may not see or understand

849

00:35:58,910 --> 00:35:54,180

this stuff directly no matter what it

850

00:36:02,510 --> 00:35:58,920

may be but then when we have our own

851  
00:36:04,790 --> 00:36:02,520  
contact experiences in in the community

852  
00:36:06,650 --> 00:36:04,800  
we have always talked about something

853  
00:36:08,810 --> 00:36:06,660  
interdimensional something that has

854  
00:36:11,450 --> 00:36:08,820  
appeared and disappeared in front of our

855  
00:36:13,310 --> 00:36:11,460  
eyes I've seen it myself Chris oh yeah

856  
00:36:15,230 --> 00:36:13,320  
of as well

857  
00:36:17,210 --> 00:36:15,240  
I I've seen it I don't care if people

858  
00:36:20,990 --> 00:36:17,220  
think I'm crazy it's just I've seen it

859  
00:36:24,230 --> 00:36:21,000  
and and I can't quite figure out what's

860  
00:36:25,609 --> 00:36:24,240  
going on but we've been talking about it

861  
00:36:28,609 --> 00:36:25,619  
the crazies

862  
00:36:33,109 --> 00:36:28,619  
but this is what science is suggesting

863  
00:36:36,410 --> 00:36:33,119

to us today and the other part is they

864

00:36:38,210 --> 00:36:36,420

don't necessarily see what is going on

865

00:36:41,210 --> 00:36:38,220

in the out there in the universe because

866

00:36:43,550 --> 00:36:41,220

it may not be part of our wavelength it

867

00:36:47,089 --> 00:36:43,560

just may not be running in the same time

868

00:36:49,250 --> 00:36:47,099

scale that we are in therefore we're

869

00:36:51,170 --> 00:36:49,260

just blind to it right

870

00:36:53,349 --> 00:36:51,180

oh yeah I mean if you look at you know

871

00:36:55,609 --> 00:36:53,359

if you I mean I always look at the

872

00:36:57,230 --> 00:36:55,619

dimensions as frequencies and I think

873

00:36:59,870 --> 00:36:57,240

you know if you're on a different time

874

00:37:02,270 --> 00:36:59,880

you know frequency same space

875

00:37:03,950 --> 00:37:02,280

the time space container is different so

876

00:37:05,390 --> 00:37:03,960

you could be on this planet where

877

00:37:07,849 --> 00:37:05,400

everything looks completely different

878

00:37:09,710 --> 00:37:07,859

because everything's vibration you know

879

00:37:11,630 --> 00:37:09,720

I mean we know like concrete's vibration

880

00:37:14,390 --> 00:37:11,640

you know sheet locks vibration

881

00:37:16,490 --> 00:37:14,400

everything's vibration and so you know

882

00:37:18,530 --> 00:37:16,500

if you alter that vibration to a

883

00:37:21,050 --> 00:37:18,540

different and tuned it into a higher

884

00:37:22,370 --> 00:37:21,060

frequency or whatever then you're not

885

00:37:24,290 --> 00:37:22,380

going to be able to see it I mean I I

886

00:37:27,050 --> 00:37:24,300

have the gift of seeing these beings and

887

00:37:28,849 --> 00:37:27,060

the second and fourth and you know Fifth

888

00:37:30,290 --> 00:37:28,859

Dimension I can tune in I can see craft

889

00:37:33,170 --> 00:37:30,300

you know and I know some of the craft

890

00:37:35,030 --> 00:37:33,180

they can actually tune their craft into

891

00:37:37,790 --> 00:37:35,040

this Dimension they can shoot it out so

892

00:37:38,930 --> 00:37:37,800

they they cloaked themselves but I can

893

00:37:40,130 --> 00:37:38,940

still see that when they're clout

894

00:37:42,170 --> 00:37:40,140

because you know I remember when I was

895

00:37:45,050 --> 00:37:42,180

four you know I said that there's a

896

00:37:46,310 --> 00:37:45,060

there's a flying saucer thing where you

897

00:37:49,250 --> 00:37:46,320

know you couldn't see it and I could see

898

00:37:52,910 --> 00:37:49,260

it clear as day and I still see them now

899

00:37:55,849 --> 00:37:52,920

so can you stop right there Chris I

900

00:38:01,130 --> 00:37:58,849

you so you're doing this today and I

901  
00:38:02,530 --> 00:38:01,140  
love that what do they look like what do

902  
00:38:04,790 --> 00:38:02,540  
you see

903  
00:38:06,890 --> 00:38:04,800  
most of them I've seen

904  
00:38:08,270 --> 00:38:06,900  
um uh it's interesting I went to I'm

905  
00:38:10,490 --> 00:38:08,280  
going to give you an example if I may so

906  
00:38:11,750 --> 00:38:10,500  
I went to a ranch and um

907  
00:38:14,810 --> 00:38:11,760  
uh

908  
00:38:18,109 --> 00:38:14,820  
I have to what they call watches watches

909  
00:38:20,270 --> 00:38:18,119  
so you know three three watches and so I

910  
00:38:22,130 --> 00:38:20,280  
went to a ranch and um the person was

911  
00:38:24,589 --> 00:38:22,140  
having some problems with Grays you know

912  
00:38:26,750 --> 00:38:24,599  
what was happening is that

913  
00:38:28,609 --> 00:38:26,760

um you go to bed next morning one of his

914

00:38:30,349 --> 00:38:28,619

horses you know and he was a horse

915

00:38:32,630 --> 00:38:30,359

Sanctuary one of the horses just being

916

00:38:34,670 --> 00:38:32,640

bit all over the floor because they kind

917

00:38:36,650 --> 00:38:34,680

of half eaten it and so he wanted to

918

00:38:39,890 --> 00:38:36,660

stop this I went there and I knew there

919

00:38:42,170 --> 00:38:39,900

was a portal so I spent two days coding

920

00:38:43,849 --> 00:38:42,180

and messing about this portal and

921

00:38:46,370 --> 00:38:43,859

suddenly we opened it it was great but

922

00:38:47,870 --> 00:38:46,380

then when we opened it these watches

923

00:38:49,849 --> 00:38:47,880

turned up you know and they were about a

924

00:38:52,130 --> 00:38:49,859

mile away but they're actually visible

925

00:38:53,990 --> 00:38:52,140

but I saw them before and then they they

926  
00:38:56,810 --> 00:38:54,000  
tuned into this Dimension so you could

927  
00:38:59,150 --> 00:38:56,820  
see them and the guy himself saw them

928  
00:39:02,690 --> 00:38:59,160  
and they were actually floating like

929  
00:39:04,370 --> 00:39:02,700  
three to one and three to one and and of

930  
00:39:07,310 --> 00:39:04,380  
course you can use telepathy so I said

931  
00:39:08,990 --> 00:39:07,320  
uh what are you doing I said we're

932  
00:39:10,690 --> 00:39:09,000  
keeping an eye on you because we know

933  
00:39:13,730 --> 00:39:10,700  
how crazy

934  
00:39:15,410 --> 00:39:13,740  
because honestly Jimmy what happened is

935  
00:39:16,970 --> 00:39:15,420  
with the with the portal normally it

936  
00:39:18,109 --> 00:39:16,980  
opens on the ground but of course they

937  
00:39:19,130 --> 00:39:18,119  
know what I'm like I'll just walk

938  
00:39:21,290 --> 00:39:19,140

through it and then you could be in

939

00:39:23,810 --> 00:39:21,300

trouble who knows so they opened it

940

00:39:25,730 --> 00:39:23,820

about 300 feet above and I was watching

941

00:39:28,370 --> 00:39:25,740

things just fall out of it you know like

942

00:39:31,370 --> 00:39:28,380

craft and uh different thing it was

943

00:39:35,150 --> 00:39:31,380

amazing absolutely amazing

944

00:39:37,250 --> 00:39:35,160

um have you seen uh Caroline Corey's new

945

00:39:40,250 --> 00:39:37,260

film a tear in the sky

946

00:39:42,530 --> 00:39:40,260

no no I'm not sure okay check it out

947

00:39:45,950 --> 00:39:42,540

check out the film's documentary

948

00:39:49,310 --> 00:39:45,960

okay uh but uh I'll send you the link

949

00:39:51,829 --> 00:39:49,320

don't worry about it oh no uh okay yeah

950

00:39:55,069 --> 00:39:51,839

I'll get you all hooked up but but

951  
00:39:56,650 --> 00:39:55,079  
there's a moment in the film there's a

952  
00:40:00,589 --> 00:39:56,660  
reason why it's called a tear in the sky

953  
00:40:04,790 --> 00:40:00,599  
it's exactly what you just saw yeah yeah

954  
00:40:06,650 --> 00:40:04,800  
so she captures this on film right and

955  
00:40:08,510 --> 00:40:06,660  
collects all of the scientific data

956  
00:40:11,390 --> 00:40:08,520  
she's got a lot of scientists there and

957  
00:40:13,550 --> 00:40:11,400  
equipment and sensors and stuff

958  
00:40:16,970 --> 00:40:13,560  
she's got this thing this thing opens up

959  
00:40:19,190 --> 00:40:16,980  
over Catalina and and and craft are

960  
00:40:21,170 --> 00:40:19,200  
coming out of it it's like 50 30 50

961  
00:40:25,190 --> 00:40:21,180  
objects

962  
00:40:26,990 --> 00:40:25,200  
um it's a tremendous thing to see but it

963  
00:40:29,569 --> 00:40:27,000

also answers a lot of questions right

964

00:40:31,970 --> 00:40:29,579

well how are they getting here Bob

965

00:40:35,030 --> 00:40:31,980

I don't know how they're doing it but we

966

00:40:39,230 --> 00:40:35,040

can watch them do it right I don't know

967

00:40:43,609 --> 00:40:41,210

well they kind of own portals and you

968

00:40:45,710 --> 00:40:43,619

know uh when they drop out the portal of

969

00:40:47,390 --> 00:40:45,720

course they come here and

970

00:40:50,030 --> 00:40:47,400

um but you know they're coming from a

971

00:40:51,710 --> 00:40:50,040

different dimension you know so

972

00:40:54,770 --> 00:40:51,720

um I mean to me there's ultimate

973

00:40:56,690 --> 00:40:54,780

Dimensions it's infinite you know so and

974

00:40:58,730 --> 00:40:56,700

I see them you know uh them accuse that

975

00:41:01,310 --> 00:40:58,740

beings were are from the infinite

976  
00:41:02,510 --> 00:41:01,320  
dimension I was born as you know as I'm

977  
00:41:04,910 --> 00:41:02,520  
accused that being and there's five

978  
00:41:06,349 --> 00:41:04,920  
years doing stuff and right but I don't

979  
00:41:08,270 --> 00:41:06,359  
want people to you know sometimes get

980  
00:41:10,490 --> 00:41:08,280  
emails wow you know the kids that beings

981  
00:41:12,950 --> 00:41:10,500  
are really dark no no no no

982  
00:41:15,290 --> 00:41:12,960  
that's the machines that order the order

983  
00:41:17,329 --> 00:41:15,300  
you know which was set up here is the

984  
00:41:19,670 --> 00:41:17,339  
Magi and everything else has been

985  
00:41:22,190 --> 00:41:19,680  
hijacked like like everything almost

986  
00:41:24,829 --> 00:41:22,200  
everything's been hijacked you know uh

987  
00:41:26,750 --> 00:41:24,839  
religions and you know um

988  
00:41:27,950 --> 00:41:26,760

you know different things so I don't

989

00:41:29,690 --> 00:41:27,960

want people to get mixed up with them

990

00:41:31,970 --> 00:41:29,700

because they're beings as opposed to the

991

00:41:34,250 --> 00:41:31,980

order because they're called who is a

992

00:41:36,349 --> 00:41:34,260

third dimensional let's go to church

993

00:41:38,930 --> 00:41:36,359

let's you know worship them because that

994

00:41:40,730 --> 00:41:38,940

mean whatever they do who knows but it's

995

00:41:42,410 --> 00:41:40,740

been hijab because it's gone South you

996

00:41:44,569 --> 00:41:42,420

know like everything else

997

00:41:45,710 --> 00:41:44,579

you said there's five of you

998

00:41:48,230 --> 00:41:45,720

yeah

999

00:41:50,569 --> 00:41:48,240

and are you guys in contact I know I've

1000

00:41:54,829 --> 00:41:50,579

asked you this before but uh for the

1001  
00:41:57,530 --> 00:41:54,839  
audience that may or uh remember they

1002  
00:42:00,190 --> 00:41:57,540  
probably don't Chris to be honest

1003  
00:42:03,470 --> 00:42:00,200  
um uh they forgot me

1004  
00:42:05,990 --> 00:42:03,480  
what were they thinking

1005  
00:42:08,329 --> 00:42:06,000  
um are you guys in contact

1006  
00:42:10,849 --> 00:42:08,339  
yeah I am one of them were not

1007  
00:42:12,349 --> 00:42:10,859  
um because one of them is uh everyone

1008  
00:42:13,430 --> 00:42:12,359  
thought she died and that was Princess

1009  
00:42:16,130 --> 00:42:13,440  
Donna

1010  
00:42:17,870 --> 00:42:16,140  
um but I am in contact by telepathy but

1011  
00:42:21,290 --> 00:42:17,880  
the other ones I'm in contact with

1012  
00:42:23,870 --> 00:42:21,300  
except for one who's a fallen one which

1013  
00:42:26,270 --> 00:42:23,880

which is in England so don't have much

1014

00:42:31,310 --> 00:42:26,280

to do with that one

1015

00:42:32,990 --> 00:42:31,320

um now is there we always talk about

1016

00:42:38,569 --> 00:42:33,000

um

1017

00:42:40,010 --> 00:42:38,579

interviews you know 10 years ago and I

1018

00:42:42,770 --> 00:42:40,020

would always ask I don't care you know

1019

00:42:45,890 --> 00:42:42,780

it might have been Jim Mars one week or

1020

00:42:48,410 --> 00:42:45,900

somebody else the next week and and I'm

1021

00:42:50,810 --> 00:42:48,420

gonna always go you know okay man so

1022

00:42:53,870 --> 00:42:50,820

who's the New World Order who's really

1023

00:42:55,970 --> 00:42:53,880

sitting at the table I want names and

1024

00:43:00,530 --> 00:42:55,980

that was part of my innocence of this

1025

00:43:03,650 --> 00:43:00,540

because we hear about it so much

1026

00:43:05,870 --> 00:43:03,660

um and I would always try to get to

1027

00:43:07,730 --> 00:43:05,880

something that is probably nameless

1028

00:43:10,550 --> 00:43:07,740

right it's probably faceless it's a

1029

00:43:13,970 --> 00:43:10,560

different type of uh situation

1030

00:43:16,790 --> 00:43:13,980

um but is that

1031

00:43:21,470 --> 00:43:16,800

that shall remain faceless and nameless

1032

00:43:24,710 --> 00:43:21,480

is that is that who is in control of of

1033

00:43:27,230 --> 00:43:24,720

an AI that would be you know in touch of

1034

00:43:30,290 --> 00:43:27,240

uh with humanity and and certainly this

1035

00:43:31,970 --> 00:43:30,300

nanotechnology as well is it is it

1036

00:43:33,950 --> 00:43:31,980

something running behind the you know

1037

00:43:36,470 --> 00:43:33,960

behind the curtain

1038

00:43:38,750 --> 00:43:36,480

oh yeah well

1039

00:43:40,190 --> 00:43:38,760

I have the ability to remove you and you

1040

00:43:41,270 --> 00:43:40,200

know you probably know there's massive

1041

00:43:43,790 --> 00:43:41,280

Caverns

1042

00:43:47,150 --> 00:43:43,800

onto the planet with Anunnaki beings

1043

00:43:50,990 --> 00:43:47,160

with uh other reptilians

1044

00:43:53,089 --> 00:43:51,000

um other races you know like for example

1045

00:43:55,910 --> 00:43:53,099

um there's also the luciferians and you

1046

00:43:57,530 --> 00:43:55,920

know now it's interesting with the Grays

1047

00:44:00,290 --> 00:43:57,540

because

1048

00:44:02,809 --> 00:44:00,300

about I'll lose track of time now but

1049

00:44:04,490 --> 00:44:02,819

about say five years ago

1050

00:44:06,950 --> 00:44:04,500

I chaired the Galactic Federation

1051

00:44:10,130 --> 00:44:06,960

meeting to discuss whether the gray

1052

00:44:12,829 --> 00:44:10,140

should be uh removed from the planet

1053

00:44:15,170 --> 00:44:12,839

now I'm digressed a bit but anyway I

1054

00:44:16,370 --> 00:44:15,180

thought I'd just tell you this so so you

1055

00:44:18,410 --> 00:44:16,380

know there's a lot of beings there

1056

00:44:19,250 --> 00:44:18,420

things happen and we were discussing you

1057

00:44:21,650 --> 00:44:19,260

know what's the difference between

1058

00:44:23,270 --> 00:44:21,660

education and violations a very close

1059

00:44:25,190 --> 00:44:23,280

call you know

1060

00:44:26,930 --> 00:44:25,200

so for example you come down here you've

1061

00:44:29,030 --> 00:44:26,940

got all these beings like an anarchy

1062

00:44:30,410 --> 00:44:29,040

draconians you've got luciferians you've

1063

00:44:32,329 --> 00:44:30,420

got snake beans you've got this that the

1064

00:44:34,069 --> 00:44:32,339

other which can attach to you manipulate

1065

00:44:36,770 --> 00:44:34,079

you but you can't see them

1066

00:44:39,290 --> 00:44:36,780

is that a violation no why is that

1067

00:44:40,730 --> 00:44:39,300

because when you come here they tell you

1068

00:44:43,250 --> 00:44:40,740

about it they show you look these beings

1069

00:44:45,050 --> 00:44:43,260

are there you've got to learn by the

1070

00:44:47,089 --> 00:44:45,060

power of map of intent to get rid of

1071

00:44:48,890 --> 00:44:47,099

them so you know in quotes prayer I

1072

00:44:52,490 --> 00:44:48,900

don't like the word prayer but maps of

1073

00:44:54,589 --> 00:44:52,500

intent so is that a violation no it's an

1074

00:44:56,510 --> 00:44:54,599

education you know we're here to be

1075

00:44:57,410 --> 00:44:56,520

educated on how to deal with these

1076

00:45:01,190 --> 00:44:57,420

beings

1077

00:45:03,470 --> 00:45:01,200

but if a gray suddenly sign up uh with

1078

00:45:05,690 --> 00:45:03,480

governments to you know abduct your

1079

00:45:08,510 --> 00:45:05,700

people and steal their sperm and eggs

1080

00:45:10,910 --> 00:45:08,520

and you know and uh cells and everything

1081

00:45:12,530 --> 00:45:10,920

else is that a violation absolutely

1082

00:45:16,010 --> 00:45:12,540

because they have no permission over

1083

00:45:19,370 --> 00:45:16,020

your body so so they were swept off the

1084

00:45:20,990 --> 00:45:19,380

planet by the actorians I think it was I

1085

00:45:22,609 --> 00:45:21,000

know it's June but you know because of

1086

00:45:24,530 --> 00:45:22,619

this thing that's gone on for last few

1087

00:45:27,710 --> 00:45:24,540

years I've lost track of time and about

1088

00:45:29,210 --> 00:45:27,720

you you think what was that but it was

1089

00:45:31,430 --> 00:45:29,220

about five years ago so what they did

1090

00:45:34,790 --> 00:45:31,440

they swept them off the planet

1091

00:45:37,130 --> 00:45:34,800

so the cheeky things what they did is uh

1092

00:45:38,390 --> 00:45:37,140

they now come back in Portal so they

1093

00:45:40,010 --> 00:45:38,400

stay within a portal because they're

1094

00:45:41,569 --> 00:45:40,020

banned in the third dimensional time

1095

00:45:43,370 --> 00:45:41,579

space continuum so what they're doing is

1096

00:45:45,710 --> 00:45:43,380

sitting portals and manipulating people

1097

00:45:47,750 --> 00:45:45,720

from there so they're getting over the

1098

00:45:49,309 --> 00:45:47,760

ban because they're not in this time

1099

00:45:52,190 --> 00:45:49,319

space they're in a different time space

1100

00:45:53,690 --> 00:45:52,200

so I thought that was interesting but

1101

00:45:57,770 --> 00:45:53,700

the main

1102

00:45:59,870 --> 00:45:57,780

um I think the one world order agenda

1103

00:46:01,250 --> 00:45:59,880

is to reduce the population of course

1104

00:46:03,410 --> 00:46:01,260

why is that because

1105

00:46:04,790 --> 00:46:03,420

they want all these reptilians up on the

1106

00:46:06,530 --> 00:46:04,800

planet so that's why I think they're

1107

00:46:09,950 --> 00:46:06,540

spraying all these geoengineering

1108

00:46:11,390 --> 00:46:09,960

blocking out the sun uh reducing uh the

1109

00:46:13,849 --> 00:46:11,400

oxygen because these things don't

1110

00:46:16,910 --> 00:46:13,859

breathe the same love as oxygen we do

1111

00:46:19,550 --> 00:46:16,920

but of course meanwhile they've produced

1112

00:46:22,010 --> 00:46:19,560

hybrids of themselves human hybrids

1113

00:46:24,290 --> 00:46:22,020

which can be up here and infiltrate

1114

00:46:26,569 --> 00:46:24,300

themselves in governmental systems and

1115

00:46:28,309 --> 00:46:26,579

the royalty and everything else so

1116

00:46:29,089 --> 00:46:28,319

that's why we've got a big problem but

1117

00:46:31,849 --> 00:46:29,099

but

1118

00:46:34,670 --> 00:46:31,859

the the controlling influence is The

1119

00:46:35,750 --> 00:46:34,680

Reptilian luciferian archon agenda you

1120

00:46:38,210 --> 00:46:35,760

know

1121

00:46:43,550 --> 00:46:38,220

when I was a kid

1122

00:46:49,690 --> 00:46:43,560

okay now I'm I'm older than you I'm 60.

1123

00:46:57,410 --> 00:46:53,870

I'm a little kid uh I'm like 10 years

1124

00:47:01,130 --> 00:46:57,420

old 9 years old 10 years old AM radio on

1125

00:47:03,710 --> 00:47:01,140

my nightstand listening to late night

1126

00:47:07,130 --> 00:47:03,720

talk radio I'm listening to some crazy

1127

00:47:10,069 --> 00:47:07,140

ass dude like me right and I'm and I'm

1128

00:47:12,829 --> 00:47:10,079

paddling in almost and he said something

1129

00:47:16,190 --> 00:47:12,839

now you got to remember this is 1973

1130

00:47:18,770 --> 00:47:16,200

okay yeah a long time ago

1131

00:47:20,290 --> 00:47:18,780

and I'm listening and and this is what

1132

00:47:22,069 --> 00:47:20,300

he said and it it

1133

00:47:25,609 --> 00:47:22,079

changed me

1134

00:47:28,970 --> 00:47:25,619

so I'm you know it's midnight I'm 10 in

1135

00:47:31,490 --> 00:47:28,980

the dark and he goes okay

1136

00:47:34,609 --> 00:47:31,500

when we come back after the break

1137

00:47:37,370 --> 00:47:34,619

we're gonna talk about the Illuminati

1138

00:47:40,089 --> 00:47:37,380

and who is really running the world and

1139

00:47:43,790 --> 00:47:40,099

I'm like what do you say you know

1140

00:47:45,530 --> 00:47:43,800

now I didn't know that was happening and

1141

00:47:47,809 --> 00:47:45,540

I've got to get up and go to school

1142

00:47:51,050 --> 00:47:47,819

right in the morning and I'm up all

1143

00:47:52,309 --> 00:47:51,060

night listening to him and this is what

1144

00:47:54,410 --> 00:47:52,319

he says

1145

00:47:57,530 --> 00:47:54,420

all right now I've never heard this

1146

00:48:00,890 --> 00:47:57,540

version of things uh sense

1147

00:48:04,190 --> 00:48:00,900

never forgot it Chris he says this

1148

00:48:07,130 --> 00:48:04,200

since Stone Age man

1149

00:48:10,490 --> 00:48:07,140

there was a tribe

1150

00:48:13,010 --> 00:48:10,500

that was bigger and stronger than all

1151

00:48:15,890 --> 00:48:13,020

the other tribes

1152

00:48:18,589 --> 00:48:15,900

and they continue to run the world right

1153

00:48:20,170 --> 00:48:18,599

and he sets it up like that like all

1154

00:48:25,250 --> 00:48:20,180

those you know

1155

00:48:29,390 --> 00:48:25,260

dinosaurs right that this this thing

1156

00:48:32,270 --> 00:48:29,400

um uh just controlled from the beginning

1157

00:48:33,290 --> 00:48:32,280

from from dominance uh over everything

1158

00:48:35,630 --> 00:48:33,300

else

1159

00:48:41,270 --> 00:48:35,640

and I never forgot that

1160

00:48:43,370 --> 00:48:41,280

I never it just made so much sense that

1161

00:48:47,089 --> 00:48:43,380

you don't have to be out front you don't

1162

00:48:50,390 --> 00:48:47,099

have to be obvious and if you've been

1163

00:48:53,630 --> 00:48:50,400

doing it for millions of years you've

1164

00:48:54,410 --> 00:48:53,640

got it all figured out so nobody would

1165

00:48:56,270 --> 00:48:54,420

know

1166

00:48:59,930 --> 00:48:56,280

right and I've never I've never

1167

00:49:03,170 --> 00:48:59,940

forgotten that that mindset that this

1168

00:49:04,849 --> 00:49:03,180

has been going on since the dawn of man

1169

00:49:07,430 --> 00:49:04,859

oh it does yeah and there's always

1170

00:49:08,450 --> 00:49:07,440

control and you know it's interesting to

1171

00:49:10,550 --> 00:49:08,460

see how

1172

00:49:12,109 --> 00:49:10,560

how it's going to change because I think

1173

00:49:15,170 --> 00:49:12,119

it needs to change

1174

00:49:16,910 --> 00:49:15,180

I mean we're doing a pyramid project

1175

00:49:19,370 --> 00:49:16,920

um I think I told you this last I had it

1176

00:49:22,069 --> 00:49:19,380

did I tell you about this last time but

1177

00:49:23,829 --> 00:49:22,079

we're building some off-planet pyramids

1178

00:49:26,050 --> 00:49:23,839

um one's

1179

00:49:29,750 --> 00:49:26,060

999.99 feet tall

1180

00:49:31,010 --> 00:49:29,760

66.663 tall 333.33 feet tall

1181

00:49:33,349 --> 00:49:31,020

they're going to be put on the golden

1182

00:49:34,730 --> 00:49:33,359

curve but the biggest one will sit on

1183

00:49:36,650 --> 00:49:34,740

the Ley line now they're built off

1184

00:49:38,650 --> 00:49:36,660

planet in the 12th Dimension so how do

1185

00:49:40,550 --> 00:49:38,660

they get in here through portals and

1186

00:49:43,309 --> 00:49:40,560

anti-gravitational crafting of the else

1187

00:49:46,670 --> 00:49:43,319

but when they arrive

1188

00:49:50,030 --> 00:49:46,680

um they're gonna really help

1189

00:49:52,309 --> 00:49:50,040

blow out all the satanic symbology out

1190

00:49:54,710 --> 00:49:52,319

of the Ley lines and also raise the

1191

00:49:57,829 --> 00:49:54,720

vibration of the planet to a point where

1192

00:49:59,210 --> 00:49:57,839

these reptilian in you know beings can't

1193

00:50:01,370 --> 00:49:59,220

actually live here because they can't

1194

00:50:03,650 --> 00:50:01,380

live in that high vibration

1195

00:50:06,130 --> 00:50:03,660

so that'll be interesting where are they

1196

00:50:08,630 --> 00:50:06,140

being built

1197

00:50:10,670 --> 00:50:08,640

in the 12th Dimension or another

1198

00:50:12,589 --> 00:50:10,680

dimension but where

1199

00:50:14,270 --> 00:50:12,599

they're actually on the planet

1200

00:50:15,710 --> 00:50:14,280

um the actorian planet

1201  
00:50:17,089 --> 00:50:15,720  
I actually don't know the name of the

1202  
00:50:20,210 --> 00:50:17,099  
planet but the actorians are building

1203  
00:50:21,349 --> 00:50:20,220  
and they're building them for probably I

1204  
00:50:23,569 --> 00:50:21,359  
don't know

1205  
00:50:25,430 --> 00:50:23,579  
now on a thousand years

1206  
00:50:27,890 --> 00:50:25,440  
um because they knew at this time they'd

1207  
00:50:29,750 --> 00:50:27,900  
be needed and they're they kind of team

1208  
00:50:32,450 --> 00:50:29,760  
up because that beings work very closely

1209  
00:50:34,430 --> 00:50:32,460  
with the actorians you know um I know

1210  
00:50:35,950 --> 00:50:34,440  
those arcturian beings here star seeds

1211  
00:50:40,190 --> 00:50:35,960  
and there's a lot of them you know

1212  
00:50:42,050 --> 00:50:40,200  
yourself Chris have you been to Egypt

1213  
00:50:43,130 --> 00:50:42,060

do you know what happened

1214

00:50:45,829 --> 00:50:43,140

um

1215

00:50:50,809 --> 00:50:45,839

the there's a reason for it but I will

1216

00:50:56,870 --> 00:50:54,049

there's there's some craft which are

1217

00:50:58,730 --> 00:50:56,880

meant for us to pick up and

1218

00:51:00,770 --> 00:50:58,740

they're hidden at the moment so I don't

1219

00:51:03,890 --> 00:51:00,780

want to go there and disturb anything

1220

00:51:06,109 --> 00:51:03,900

but but when we go there their DNA and

1221

00:51:07,730 --> 00:51:06,119

voice activated so you know when you go

1222

00:51:09,730 --> 00:51:07,740

there and pick them up they'll just

1223

00:51:12,230 --> 00:51:09,740

happen on jumping them and off you go

1224

00:51:14,569 --> 00:51:12,240

they're powered by the mind so that's

1225

00:51:17,150 --> 00:51:14,579

why I've never been there I'd love to go

1226

00:51:18,290 --> 00:51:17,160

but never been LED but I'm sure it's

1227

00:51:20,809 --> 00:51:18,300

coming soon

1228

00:51:22,190 --> 00:51:20,819

it's uh it's a game changer man I just

1229

00:51:24,349 --> 00:51:22,200

got back

1230

00:51:28,190 --> 00:51:24,359

um and we're not going to spend uh time

1231

00:51:31,549 --> 00:51:28,200

talking about my trip to Egypt but

1232

00:51:34,069 --> 00:51:31,559

um absolutely extraordinary and so when

1233

00:51:35,630 --> 00:51:34,079

you're describing uh the pyramids of

1234

00:51:38,510 --> 00:51:35,640

these different dimensions you know 999

1235

00:51:41,329 --> 00:51:38,520

666-33

1236

00:51:44,089 --> 00:51:41,339

um stone or are they made of another

1237

00:51:45,890 --> 00:51:44,099

material every time anybody says

1238

00:51:48,829 --> 00:51:45,900

pyramids I'm already thinking about what

1239

00:51:51,710 --> 00:51:48,839

I just witnessed

1240

00:51:53,329 --> 00:51:51,720

well the palladians built then

1241

00:51:55,069 --> 00:51:53,339

um in Egypt

1242

00:51:56,809 --> 00:51:55,079

but uh these have been built by

1243

00:51:58,430 --> 00:51:56,819

electrons they're going to be built of a

1244

00:52:00,170 --> 00:51:58,440

different material uh they're going to

1245

00:52:03,470 --> 00:52:00,180

be moldavite

1246

00:52:05,089 --> 00:52:03,480

and that size of uh of construction we

1247

00:52:07,430 --> 00:52:05,099

don't have enough Moldova here to be

1248

00:52:09,589 --> 00:52:07,440

even be able to begin to think about

1249

00:52:11,809 --> 00:52:09,599

creating these things

1250

00:52:16,670 --> 00:52:11,819

they're going to be green

1251

00:52:18,470 --> 00:52:16,680

absolutely man but they're actually

1252

00:52:20,270 --> 00:52:18,480

being built as Stargate so you can

1253

00:52:21,829 --> 00:52:20,280

actually travel off planet from pyramid

1254

00:52:24,190 --> 00:52:21,839

to Pyramid you know so if you want to go

1255

00:52:25,970 --> 00:52:24,200

somewhere oh there we go

1256

00:52:28,790 --> 00:52:25,980

yay

1257

00:52:30,890 --> 00:52:28,800

more divide I love it actually I I love

1258

00:52:33,470 --> 00:52:30,900

I've got so much of it I've got so much

1259

00:52:34,910 --> 00:52:33,480

I got a big powerful Stone it's really

1260

00:52:38,809 --> 00:52:34,920

powerful you know

1261

00:52:41,030 --> 00:52:38,819

um uh I've got uh different versions of

1262

00:52:43,430 --> 00:52:41,040

you know jewelry and things and and

1263

00:52:48,890 --> 00:52:43,440

stuff right so I've got all kinds of it

1264

00:52:51,650 --> 00:52:48,900

but I've got a I gotta I dude I've got

1265

00:52:54,410 --> 00:52:51,660

I'll show it to you someday I I don't

1266

00:53:01,329 --> 00:52:54,420

wear it out in public uh too often but

1267

00:53:05,329 --> 00:53:03,470

gunby bought me a piece and it was

1268

00:53:07,790 --> 00:53:05,339

actually it wasn't cut it was just a

1269

00:53:10,130 --> 00:53:07,800

wall and it was puddings on it but the

1270

00:53:13,569 --> 00:53:10,140

chain broke but that was a big old piece

1271

00:53:16,309 --> 00:53:13,579

and it felt really good yeah yeah

1272

00:53:18,950 --> 00:53:16,319

no and people can't wear it and I love

1273

00:53:22,730 --> 00:53:18,960

it well here's the here's the other part

1274

00:53:26,329 --> 00:53:22,740

of that it's fragile it's a fragile

1275

00:53:28,730 --> 00:53:26,339

Stone and I don't like wearing I don't

1276

00:53:30,470 --> 00:53:28,740

like it to be knocked around

1277

00:53:34,670 --> 00:53:30,480

um I used to have a big multivite ring

1278

00:53:36,950 --> 00:53:34,680

right and it started off one size but

1279

00:53:44,170 --> 00:53:36,960

after a couple of years dude it just got

1280

00:53:51,230 --> 00:53:47,510

I just stopped wearing it

1281

00:53:54,410 --> 00:53:51,240

um uh okay so anyway

1282

00:53:57,109 --> 00:53:54,420

um it I'm the reason why I bring up

1283

00:53:59,530 --> 00:53:57,119

Egypt and bringing pyramids of this size

1284

00:54:02,089 --> 00:53:59,540

right so 999

1285

00:54:04,849 --> 00:54:02,099

666. those are both bigger than the

1286

00:54:07,190 --> 00:54:04,859

Great Pyramid three three it's a little

1287

00:54:11,150 --> 00:54:07,200

bit smaller right are we talking feet

1288

00:54:13,130 --> 00:54:11,160

right is that right yeah okay so that

1289

00:54:18,650 --> 00:54:13,140

would be a little bit smaller uh than

1290

00:54:20,750 --> 00:54:18,660

the Great Pyramid but um the the size of

1291

00:54:22,730 --> 00:54:20,760

what's in Egypt versus what you're

1292

00:54:26,510 --> 00:54:22,740

talking about here

1293

00:54:29,990 --> 00:54:26,520

they have to have a way to move them

1294

00:54:33,710 --> 00:54:30,000

same thing in in Egypt right so how how

1295

00:54:35,990 --> 00:54:33,720

would they be transported here

1296

00:54:37,730 --> 00:54:36,000

well uh they actually suspend the

1297

00:54:40,609 --> 00:54:37,740

between two craft

1298

00:54:42,170 --> 00:54:40,619

okay you know anti-gravitational so

1299

00:54:44,809 --> 00:54:42,180

they're weigh nothing and then they just

1300

00:54:46,549 --> 00:54:44,819

fly and you know they come to a portal

1301  
00:54:48,549 --> 00:54:46,559  
and then you know they they basically

1302  
00:54:50,930 --> 00:54:48,559  
land them here you know uh

1303  
00:54:53,390 --> 00:54:50,940  
what is this uh gonna happen do you have

1304  
00:54:54,950 --> 00:54:53,400  
any idea

1305  
00:54:57,109 --> 00:54:54,960  
well it should have happened already

1306  
00:55:00,349 --> 00:54:57,119  
though I think the problem is is that if

1307  
00:55:01,549 --> 00:55:00,359  
you landed pyramids of that caliber down

1308  
00:55:03,650 --> 00:55:01,559  
here right now with the current

1309  
00:55:06,290 --> 00:55:03,660  
administration of the else

1310  
00:55:08,270 --> 00:55:06,300  
um they try and take them over so

1311  
00:55:09,950 --> 00:55:08,280  
we need the right Administration the

1312  
00:55:12,410 --> 00:55:09,960  
right people in you know so it's got to

1313  
00:55:14,990 --> 00:55:12,420

shift before we do it but I mean these

1314

00:55:16,790 --> 00:55:15,000

besides the project is huge you know and

1315

00:55:18,470 --> 00:55:16,800

the the banking people who are behind it

1316

00:55:20,150 --> 00:55:18,480

are putting the money together it's

1317

00:55:21,829 --> 00:55:20,160

probably going to cost about 200 billion

1318

00:55:23,329 --> 00:55:21,839

dollars because you know if you put

1319

00:55:25,370 --> 00:55:23,339

those pyramids imagine how many people

1320

00:55:26,930 --> 00:55:25,380

want to come and see them for you sure

1321

00:55:29,150 --> 00:55:26,940

of course you you know you've got to

1322

00:55:30,890 --> 00:55:29,160

feed them you've got to you know you'll

1323

00:55:33,710 --> 00:55:30,900

have meditation Gardens it's going to be

1324

00:55:35,030 --> 00:55:33,720

about a hundred thousand acres so uh I

1325

00:55:36,410 --> 00:55:35,040

know what to be cited but I don't want

1326

00:55:37,790 --> 00:55:36,420

to say because of course you know

1327

00:55:40,250 --> 00:55:37,800

they'll all start buying the land

1328

00:55:42,230 --> 00:55:40,260

upwhere on there but it's going to be um

1329

00:55:43,730 --> 00:55:42,240

yeah it's probably I'm hoping the back

1330

00:55:46,190 --> 00:55:43,740

end of this year the first one arrives

1331

00:55:48,470 --> 00:55:46,200

this morning no kidding no kidding and

1332

00:55:50,329 --> 00:55:48,480

and we'll be watching this

1333

00:55:54,109 --> 00:55:50,339

oh yeah absolutely well you know you

1334

00:55:55,790 --> 00:55:54,119

come down Jimmy will you feel me but but

1335

00:55:58,309 --> 00:55:55,800

again you know I can't promise because

1336

00:56:00,290 --> 00:55:58,319

again it depends on the current state of

1337

00:56:02,150 --> 00:56:00,300

affairs and they're not going to these

1338

00:56:05,150 --> 00:56:02,160

pyramids are actually Priceless you know

1339

00:56:07,309 --> 00:56:05,160

you can't ever buy them you know they're

1340

00:56:09,530 --> 00:56:07,319

um and so you know they're very very

1341

00:56:11,750 --> 00:56:09,540

powerful as well so they they don't want

1342

00:56:12,589 --> 00:56:11,760

them hijacked by some governmental

1343

00:56:14,030 --> 00:56:12,599

system

1344

00:56:16,250 --> 00:56:14,040

so I don't think they're going to bring

1345

00:56:19,549 --> 00:56:16,260

them and until the you know the

1346

00:56:21,530 --> 00:56:19,559

transition happens and things change

1347

00:56:23,510 --> 00:56:21,540

um uh we're gonna take a commercial

1348

00:56:26,569 --> 00:56:23,520

break before we get there do you think

1349

00:56:29,510 --> 00:56:26,579

that this is part of the re I know we

1350

00:56:33,290 --> 00:56:29,520

talked about false Flags earlier but is

1351

00:56:35,510 --> 00:56:33,300

this is this part of the reason why

1352

00:56:37,490 --> 00:56:35,520

um this conversation is happening I'm

1353

00:56:40,370 --> 00:56:37,500

talking about E.T

1354

00:56:42,530 --> 00:56:40,380

um in the public domain like it is out

1355

00:56:44,510 --> 00:56:42,540

of Washington DC because

1356

00:56:46,490 --> 00:56:44,520

uh they're trying to get out in front of

1357

00:56:49,309 --> 00:56:46,500

something that they know is about to

1358

00:56:51,589 --> 00:56:49,319

happen and could this be it uh you don't

1359

00:56:53,690 --> 00:56:51,599

want to freak everybody out right so is

1360

00:56:55,069 --> 00:56:53,700

this is this part of it yeah

1361

00:56:57,589 --> 00:56:55,079

well they're trying to train people

1362

00:57:00,170 --> 00:56:57,599

there is extraterrestrials I mean often

1363

00:57:02,930 --> 00:57:00,180

you know I spoke to my father once he

1364

00:57:04,549 --> 00:57:02,940

goes oh well you're just nuts there's no

1365

00:57:07,190 --> 00:57:04,559

other extraterrestrials of the nose I

1366

00:57:09,170 --> 00:57:07,200

said well how obnoxious is that you know

1367

00:57:10,490 --> 00:57:09,180

because I mean come on the universe is

1368

00:57:12,049 --> 00:57:10,500

infinite you can't tell me there's

1369

00:57:13,790 --> 00:57:12,059

another race out there somewhere you

1370

00:57:16,309 --> 00:57:13,800

know I mean there's there's millions of

1371

00:57:17,390 --> 00:57:16,319

racers it's just but I but I think you

1372

00:57:19,069 --> 00:57:17,400

are I think they're trying to train

1373

00:57:20,750 --> 00:57:19,079

people that yes there is uh

1374

00:57:22,250 --> 00:57:20,760

extraterrestrial activity

1375

00:57:23,870 --> 00:57:22,260

but you know the things about these

1376  
00:57:26,030 --> 00:57:23,880  
pyramids they've been written in certain

1377  
00:57:28,970 --> 00:57:26,040  
scriptures and on tablets and things so

1378  
00:57:31,730 --> 00:57:28,980  
they know they're coming and uh really

1379  
00:57:34,430 --> 00:57:31,740  
interesting yeah yeah let's uh that's

1380  
00:57:36,470 --> 00:57:34,440  
man such a great Point all right tonight

1381  
00:57:37,430 --> 00:57:36,480  
Dr Chris Macklin Chris you stay right

1382  
00:57:40,730 --> 00:57:37,440  
there

1383  
00:57:44,750 --> 00:57:42,470  
this is Jimmy Church you Fade to Black

1384  
00:57:47,030 --> 00:57:44,760  
please visit all of our sponsors we're

1385  
00:57:48,829 --> 00:57:47,040  
taking a quick break here all of the

1386  
00:57:51,890 --> 00:57:48,839  
links are below

1387  
00:57:54,230 --> 00:57:51,900  
and we'll be right back

1388  
00:57:55,150 --> 00:57:54,240

check out Billy Carson's Forbidden

1389

00:57:57,250 --> 00:57:55,160

Knowledge

1390

00:57:59,270 --> 00:57:57,260

forbiddenknowledge.com or

1391

00:58:03,170 --> 00:57:59,280

forbiddenknowledge.tv where you can get

1392

00:58:05,690 --> 00:58:03,180

access to over 6 000 videos movies TV

1393

00:58:07,670 --> 00:58:05,700

series exclusive documentaries like the

1394

00:58:09,190 --> 00:58:07,680

Black Knight satellite you can do it all

1395

00:58:13,790 --> 00:58:09,200

for just

1396

00:58:16,010 --> 00:58:13,800

7.77 per month or 77 per year after the

1397

00:58:17,990 --> 00:58:16,020

three-day trial which is also totally

1398

00:58:21,790 --> 00:58:18,000

free to check out it's all simple to do

1399

00:58:24,130 --> 00:58:21,800

Billy Carson is the best it's simple

1400

00:58:26,390 --> 00:58:24,140

forbiddenknowledge.com or

1401  
00:58:30,410 --> 00:58:26,400  
forbiddenknowledge.tv that's the number

1402  
00:58:34,790 --> 00:58:32,390  
I will be hosting an M seeing the

1403  
00:58:37,370 --> 00:58:34,800  
conscious life Expo this February 10th

1404  
00:58:40,309 --> 00:58:37,380  
through the 13th at The Lax Hilton right

1405  
00:58:42,410 --> 00:58:40,319  
here in Los Angeles California 200

1406  
00:58:44,510 --> 00:58:42,420  
speakers including Linda Moulton Howe

1407  
00:58:46,970 --> 00:58:44,520  
Bashar Deborah King George Nori Daniel

1408  
00:58:50,390 --> 00:58:46,980  
Sheehan Scout Walter Sean Stone and

1409  
00:58:54,230 --> 00:58:50,400  
David Wolfe over 200 vendors special

1410  
00:58:56,990 --> 00:58:54,240  
events this is the biggest event of its

1411  
00:58:58,970 --> 00:58:57,000  
kind on planet Earth you've got to come

1412  
00:59:01,670 --> 00:58:58,980  
and hang out with all of us tickets and

1413  
00:59:03,410 --> 00:59:01,680

info at [consciouslifeexpo.com](http://consciouslifeexpo.com) the links

1414

00:59:06,650 --> 00:59:03,420

are below

1415

00:59:09,770 --> 00:59:06,660

on Saturday April 1st that's right April

1416

00:59:11,990 --> 00:59:09,780

Fool's Day 2023 I will be hosting the

1417

00:59:15,470 --> 00:59:12,000

peripod festival at the Hyatt Regency

1418

00:59:17,990 --> 00:59:15,480

right here in Valencia California it's a

1419

00:59:20,990 --> 00:59:18,000

live one-day podcast Awards it's a film

1420

00:59:23,089 --> 00:59:21,000

festival it's a full-on media event

1421

00:59:24,890 --> 00:59:23,099

we're going to have Sky watching it's

1422

00:59:27,710 --> 00:59:24,900

going to be a Lifetime Achievement Award

1423

00:59:29,690 --> 00:59:27,720

presented to Linda Moulton Howe right

1424

00:59:31,730 --> 00:59:29,700

now you can submit your podcast to your

1425

00:59:34,490 --> 00:59:31,740

film your TV series any of your

1426  
00:59:36,410 --> 00:59:34,500  
paranormal media for consideration you

1427  
00:59:39,609 --> 00:59:36,420  
can do all of that on the links below

1428  
00:59:41,510 --> 00:59:39,619  
for info and tickets go to

1429  
00:59:44,589 --> 00:59:41,520  
parapodfilmfest.com that's

1430  
00:59:50,270 --> 00:59:48,650  
April 7th through the 14th 2023 I'll be

1431  
00:59:53,210 --> 00:59:50,280  
hosting and presenting on the hidden

1432  
00:59:55,849 --> 00:59:53,220  
secrets seminar at Sea cruise from Los

1433  
00:59:58,190 --> 00:59:55,859  
Angeles to the Mexican Riviera I'm the

1434  
01:00:00,770 --> 00:59:58,200  
Navigator of the Seas that's right up

1435  
01:00:02,450 --> 01:00:00,780  
top a giant water slide you've got to

1436  
01:00:04,370 --> 01:00:02,460  
check out the Navigator of the Seas it's

1437  
01:00:06,710 --> 01:00:04,380  
amazing we've got Scott Walter Adam

1438  
01:00:09,650 --> 01:00:06,720

Apollo Nick Pope Brad Olson Vivian

1439

01:00:11,930 --> 01:00:09,660

Chauvet Jason shirka Robert Grant Reuben

1440

01:00:14,270 --> 01:00:11,940

Langdon and another 12 amazing speakers

1441

01:00:15,670 --> 01:00:14,280

and presenters it's all simple to do

1442

01:00:18,109 --> 01:00:15,680

just visit

1443

01:00:21,829 --> 01:00:18,119

divinetravels.com forward slash hidden

1444

01:00:24,109 --> 01:00:21,839

secrets 2023 you know you want to go on

1445

01:00:27,530 --> 01:00:24,119

a cruise with me

1446

01:00:30,349 --> 01:00:27,540

River Moon coffee makers of the Fade to

1447

01:00:32,170 --> 01:00:30,359

Black blend truly the best coffee on

1448

01:00:34,430 --> 01:00:32,180

planet Earth just visit

1449

01:00:36,289 --> 01:00:34,440

rivermoonwellness.com or their Amazon

1450

01:00:37,730 --> 01:00:36,299

store it's all simple to do you can

1451

01:00:39,770 --> 01:00:37,740

check out the Fade to Black blend the

1452

01:00:42,470 --> 01:00:39,780

game changer Blend or any of their black

1453

01:00:46,190 --> 01:00:42,480

moon wellness products it's the only

1454

01:00:51,950 --> 01:00:46,200

coffee I drink it is the best and it's

1455

01:00:56,150 --> 01:00:54,410

all right Welcome Back Fade to Black I

1456

01:00:59,030 --> 01:00:56,160

am your host Jimmy church tonight Our

1457

01:01:03,010 --> 01:00:59,040

Guest is Dr Christopher Macklin and we

1458

01:01:06,650 --> 01:01:03,020

are discussing off Planet uh Ai and

1459

01:01:09,710 --> 01:01:06,660

nanotechnology and its effects on

1460

01:01:11,349 --> 01:01:09,720

Humanity uh welcome back Chris you

1461

01:01:15,470 --> 01:01:11,359

mentioned earlier

1462

01:01:18,349 --> 01:01:15,480

uh that uh you're you're in contact uh

1463

01:01:20,870 --> 01:01:18,359

with uh princess dye I'm not gonna let

1464

01:01:22,609 --> 01:01:20,880

that uh get by us we just kept talking

1465

01:01:24,349 --> 01:01:22,619

there's no way we're not going to circle

1466

01:01:27,770 --> 01:01:24,359

back to that

1467

01:01:29,349 --> 01:01:27,780

um uh how does that happen and and what

1468

01:01:32,450 --> 01:01:29,359

do you guys talk about

1469

01:01:34,730 --> 01:01:32,460

well I I haven't had much contact with

1470

01:01:37,549 --> 01:01:34,740

her I've had telepathy contact and what

1471

01:01:38,990 --> 01:01:37,559

was interesting is this that I didn't

1472

01:01:40,789 --> 01:01:39,000

realize at the time that she was because

1473

01:01:43,670 --> 01:01:40,799

that being I I discovered that

1474

01:01:46,130 --> 01:01:43,680

afterwards but I remember years ago uh

1475

01:01:48,470 --> 01:01:46,140

going on a holiday the the it was the

1476

01:01:49,190 --> 01:01:48,480

time she did die supposedly dark in

1477

01:01:51,950 --> 01:01:49,200

quotes

1478

01:01:54,049 --> 01:01:51,960

so what happened is that I um

1479

01:01:56,270 --> 01:01:54,059

I fell asleep the morning I woke up I

1480

01:01:58,309 --> 01:01:56,280

had a vivid dream that we were back in

1481

01:02:01,190 --> 01:01:58,319

the Press together and we talked to

1482

01:02:03,950 --> 01:02:01,200

press doing stuff and and I woke up and

1483

01:02:05,690 --> 01:02:03,960

I was in Spain and of course the news

1484

01:02:08,930 --> 01:02:05,700

um always the newspapers arrived next

1485

01:02:10,309 --> 01:02:08,940

day because there was a daily load and I

1486

01:02:11,870 --> 01:02:10,319

was saying to Mike's wife I don't

1487

01:02:14,150 --> 01:02:11,880

understand why I was dreaming I was

1488

01:02:15,410 --> 01:02:14,160

right there with Princess Diana you know

1489

01:02:16,430 --> 01:02:15,420

talking to the Press about different

1490

01:02:18,890 --> 01:02:16,440

things

1491

01:02:21,349 --> 01:02:18,900

and then about an hour or two later it

1492

01:02:23,510 --> 01:02:21,359

was leaked that wow you know she's

1493

01:02:25,490 --> 01:02:23,520

supposedly in quotes passed away

1494

01:02:27,530 --> 01:02:25,500

but she just uh you know she's not

1495

01:02:30,049 --> 01:02:27,540

passed away she just got out the way you

1496

01:02:31,430 --> 01:02:30,059

know uh so that she wasn't affected and

1497

01:02:34,190 --> 01:02:31,440

I think things are going to change now

1498

01:02:35,990 --> 01:02:34,200

the uh the Queens disappeared and um

1499

01:02:37,670 --> 01:02:36,000

hopefully she'll be back in the

1500

01:02:38,930 --> 01:02:37,680

Limelight one these days when she's

1501

01:02:42,950 --> 01:02:38,940

ready

1502

01:02:43,789 --> 01:02:42,960

very interesting very interesting why do

1503

01:02:46,490 --> 01:02:43,799

you

1504

01:02:52,490 --> 01:02:50,030

the the last three four five years

1505

01:02:56,170 --> 01:02:52,500

um maybe we could probably go back to

1506

01:02:59,390 --> 01:02:56,180

Sticks it seems that uh the world

1507

01:03:01,250 --> 01:02:59,400

instead of coming together is is getting

1508

01:03:04,670 --> 01:03:01,260

more uh divided

1509

01:03:08,990 --> 01:03:04,680

and I think a lot of that can be put on

1510

01:03:11,870 --> 01:03:09,000

AI and and social media uh uh directly

1511

01:03:15,950 --> 01:03:11,880

there seems to be an agenda there I

1512

01:03:18,910 --> 01:03:15,960

can't figure out what is going on but uh

1513

01:03:22,130 --> 01:03:18,920

here we have a tool the internet

1514

01:03:24,950 --> 01:03:22,140

that originally I think the ideas for

1515

01:03:26,809 --> 01:03:24,960

everybody was to unite everybody and

1516

01:03:28,069 --> 01:03:26,819

make friends in contact with people

1517

01:03:30,829 --> 01:03:28,079

around the world that you would never

1518

01:03:33,530 --> 01:03:30,839

meet and and and bring us closer

1519

01:03:36,890 --> 01:03:33,540

together and understand cultures and and

1520

01:03:40,309 --> 01:03:36,900

things like that what the exact opposite

1521

01:03:44,150 --> 01:03:40,319

seems to be happening Chris

1522

01:03:47,329 --> 01:03:44,160

um why why why can't Humanity react to

1523

01:03:50,450 --> 01:03:47,339

it and and see it and and understand

1524

01:03:53,109 --> 01:03:50,460

what is going on instead of being so

1525

01:03:58,190 --> 01:03:55,849

I think you know if you if you look at

1526

01:04:00,349 --> 01:03:58,200

uh you know Montauk programming and

1527

01:04:02,990 --> 01:04:00,359

project Mockingbird I love the name

1528

01:04:04,849 --> 01:04:03,000

project Mockingbird

1529

01:04:07,190 --> 01:04:04,859

I just got to tell you if you don't mind

1530

01:04:09,289 --> 01:04:07,200

just I'll share something so I may have

1531

01:04:10,910 --> 01:04:09,299

shared this last time so I thought my

1532

01:04:14,150 --> 01:04:10,920

father once and you know he listens to

1533

01:04:15,770 --> 01:04:14,160

BBC oh okay you know so he said we've

1534

01:04:17,150 --> 01:04:15,780

got a bigger problem I said what's that

1535

01:04:20,329 --> 01:04:17,160

he goes

1536

01:04:23,210 --> 01:04:20,339

cows passing wind I said well what's

1537

01:04:25,130 --> 01:04:23,220

that do it's creating global warming

1538

01:04:27,230 --> 01:04:25,140

I said so you're telling me that BBC

1539

01:04:31,309 --> 01:04:27,240

told you cows passing wind is creating

1540

01:04:33,170 --> 01:04:31,319

Global warm yeah you know oh I said well

1541

01:04:34,730 --> 01:04:33,180

we've fixed it America because how you

1542

01:04:40,069 --> 01:04:34,740

fixed it I said well we've given tomtoms

1543

01:04:45,530 --> 01:04:41,870

oh my God

1544

01:04:49,430 --> 01:04:47,930

Mockingbird is like mocking somebody you

1545

01:04:51,230 --> 01:04:49,440

know it's it's exactly that and they

1546

01:04:53,210 --> 01:04:51,240

they relay it but

1547

01:04:54,770 --> 01:04:53,220

I think with all we mind control and

1548

01:04:56,150 --> 01:04:54,780

everything else and all the media you

1549

01:04:58,490 --> 01:04:56,160

know the media's controlled of course

1550

01:05:00,470 --> 01:04:58,500

you know you've got the all the social

1551

01:05:03,289 --> 01:05:00,480

media controlled you know they they

1552

01:05:05,410 --> 01:05:03,299

Shadow ban and ban people if they speak

1553

01:05:08,510 --> 01:05:05,420

out of turn and I think you know it's

1554

01:05:10,370 --> 01:05:08,520

little by little it has divided people

1555

01:05:11,809 --> 01:05:10,380

like big time there's a massive

1556

01:05:13,670 --> 01:05:11,819

bifurcation

1557

01:05:15,410 --> 01:05:13,680

and you know some people they can't talk

1558

01:05:17,809 --> 01:05:15,420

about anything okay

1559

01:05:22,069 --> 01:05:17,819

um let's see all doing it's not worth it

1560

01:05:23,450 --> 01:05:22,079

you know it it has it it's become its

1561

01:05:26,150 --> 01:05:23,460

own pandemic

1562

01:05:31,010 --> 01:05:26,160

and in in that

1563

01:05:34,069 --> 01:05:31,020

you cannot in the world today you could

1564

01:05:35,870 --> 01:05:34,079

be some Mom some dad son daughter

1565

01:05:37,730 --> 01:05:35,880

doesn't matter just somebody that's on

1566

01:05:40,450 --> 01:05:37,740

social media and you just type something

1567

01:05:42,430 --> 01:05:40,460

like uh

1568

01:05:45,230 --> 01:05:42,440

I like

1569

01:05:49,670 --> 01:05:45,240

strawberry cheesecake

1570

01:05:52,549 --> 01:05:49,680

and somebody goes you what right yeah

1571

01:05:55,430 --> 01:05:52,559

that's and you're getting attacked I

1572

01:05:59,990 --> 01:05:55,440

just said chocolate chip cookies you

1573

01:06:03,349 --> 01:06:00,000

nuts and and it it's like that where it

1574

01:06:05,329 --> 01:06:03,359

doesn't matter what you say or what your

1575

01:06:08,450 --> 01:06:05,339

point of view is you're going you're

1576

01:06:12,650 --> 01:06:08,460

going to get attacked for it and for

1577

01:06:14,450 --> 01:06:12,660

some reason that's okay it's okay to be

1578

01:06:16,309 --> 01:06:14,460

like that you would never do that

1579

01:06:19,670 --> 01:06:16,319

hopefully at somebody's house if if

1580

01:06:23,690 --> 01:06:19,680

you're a guest but today this is this is

1581

01:06:25,430 --> 01:06:23,700

everywhere all the time period it's now

1582

01:06:28,010 --> 01:06:25,440

a lifestyle

1583

01:06:30,049 --> 01:06:28,020

well it is and I think people think it's

1584

01:06:31,670 --> 01:06:30,059

about social media imagine you know

1585

01:06:34,190 --> 01:06:31,680

let's take for example A lady called

1586

01:06:35,990 --> 01:06:34,200

Betty for example so she's just been to

1587

01:06:37,609 --> 01:06:36,000

the doctor you know she told her she's

1588

01:06:39,950 --> 01:06:37,619

got cancer she got a week to live or

1589

01:06:41,510 --> 01:06:39,960

something you know and she goes home all

1590

01:06:42,829 --> 01:06:41,520

pissed off and upset and she puts

1591

01:06:45,650 --> 01:06:42,839

something on social media that's out of

1592

01:06:47,870 --> 01:06:45,660

turn everyone berates it there's no

1593

01:06:49,549 --> 01:06:47,880

accountability there's no you know

1594

01:06:51,770 --> 01:06:49,559

people are cowards they can say what

1595

01:06:54,289 --> 01:06:51,780

they like and what can you do I mean

1596

01:06:57,710 --> 01:06:54,299

even admissible evidence in in court of

1597

01:07:00,529 --> 01:06:57,720

law it's classed as uh hearsay you know

1598

01:07:02,329 --> 01:07:00,539

so you can't take something into the

1599

01:07:04,910 --> 01:07:02,339

court of law or they forget to kill me

1600

01:07:06,410 --> 01:07:04,920

or something oh it's just hearsay you

1601  
01:07:09,109 --> 01:07:06,420  
know because they won't take anything

1602  
01:07:10,549 --> 01:07:09,119  
YouTube Facebook or anything and I think

1603  
01:07:12,529 --> 01:07:10,559  
that's wrong you know I think they

1604  
01:07:14,630 --> 01:07:12,539  
should be well there should have been

1605  
01:07:16,069 --> 01:07:14,640  
more regulation and it's you know of

1606  
01:07:18,349 --> 01:07:16,079  
course people can't speak the truth you

1607  
01:07:20,029 --> 01:07:18,359  
know you get Shadow band you get banned

1608  
01:07:22,789 --> 01:07:20,039  
you know whooping Shadow band

1609  
01:07:24,349 --> 01:07:22,799  
I think for the um for the healings I do

1610  
01:07:26,390 --> 01:07:24,359  
you know and a couple of I got a couple

1611  
01:07:28,069 --> 01:07:26,400  
of strikes so at the start of the

1612  
01:07:29,510 --> 01:07:28,079  
healing there's obviously a lot big Tech

1613  
01:07:32,150 --> 01:07:29,520

this is the deal I'm not a medical

1614

01:07:34,490 --> 01:07:32,160

doctor phone 911 if you've got an

1615

01:07:36,170 --> 01:07:34,500

emergency this is a purely spiritual

1616

01:07:38,029 --> 01:07:36,180

exercise and ever since I've said that

1617

01:07:39,950 --> 01:07:38,039

at the start they seem okay with it

1618

01:07:41,870 --> 01:07:39,960

otherwise there were flagging us for

1619

01:07:44,870 --> 01:07:41,880

medical misinformational this is crazy

1620

01:07:45,890 --> 01:07:44,880

you know so it's been interesting is is

1621

01:07:52,609 --> 01:07:45,900

that

1622

01:07:55,270 --> 01:07:52,619

in the open uh with social media is this

1623

01:07:57,770 --> 01:07:55,280

part of the control agenda

1624

01:07:59,569 --> 01:07:57,780

yeah I think the biggest control is

1625

01:08:01,069 --> 01:07:59,579

stress and I think getting people

1626  
01:08:02,809 --> 01:08:01,079  
stressed you know I mean they haven't

1627  
01:08:04,670 --> 01:08:02,819  
got enough money to buy food properly

1628  
01:08:06,410 --> 01:08:04,680  
and they can't afford to live people

1629  
01:08:08,630 --> 01:08:06,420  
lose their houses you know you look at

1630  
01:08:10,670 --> 01:08:08,640  
uh relationships are breaking down

1631  
01:08:12,170 --> 01:08:10,680  
because of the stress you know you keep

1632  
01:08:14,329 --> 01:08:12,180  
people under stress you've got control

1633  
01:08:16,669 --> 01:08:14,339  
them you know and and it creates like

1634  
01:08:18,130 --> 01:08:16,679  
you say reactions

1635  
01:08:20,510 --> 01:08:18,140  
um probably

1636  
01:08:23,090 --> 01:08:20,520  
narcissistic type Reactions where it's

1637  
01:08:24,530 --> 01:08:23,100  
all about me and how dare you say you

1638  
01:08:25,910 --> 01:08:24,540

like a strawberry cheesecake you know

1639

01:08:27,110 --> 01:08:25,920

because you should have had raspberry

1640

01:08:29,349 --> 01:08:27,120

you know and that's it right you know

1641

01:08:32,209 --> 01:08:29,359

right right okay

1642

01:08:33,289 --> 01:08:32,219

who cares anyway but but I do think

1643

01:08:35,749 --> 01:08:33,299

you're right you know and I think the

1644

01:08:37,189 --> 01:08:35,759

mental state of America right now and

1645

01:08:39,950 --> 01:08:37,199

all over the world I mean I see it

1646

01:08:41,510 --> 01:08:39,960

because I I work on so many people I can

1647

01:08:44,209 --> 01:08:41,520

see the decline I mean honestly Jimmy

1648

01:08:45,950 --> 01:08:44,219

this during the hearings probably four

1649

01:08:48,070 --> 01:08:45,960

or five years ago was a breeze you know

1650

01:08:50,510 --> 01:08:48,080

oh I feel so I'm getting my power back

1651

01:08:52,970 --> 01:08:50,520

now we're helping people navigate

1652

01:08:54,829 --> 01:08:52,980

through this world you know through

1653

01:08:56,809 --> 01:08:54,839

everyday life because they're struggling

1654

01:08:59,769 --> 01:08:56,819

right now especially if you're a star

1655

01:09:02,390 --> 01:08:59,779

seed I mean you know starting people

1656

01:09:04,849 --> 01:09:02,400

they're huge empaths you know and I'm

1657

01:09:06,169 --> 01:09:04,859

the same you know and when I was younger

1658

01:09:08,450 --> 01:09:06,179

you know if someone taugt behind me

1659

01:09:10,550 --> 01:09:08,460

back I'd be mortified to the point of

1660

01:09:12,530 --> 01:09:10,560

almost throwing up I was so upset you

1661

01:09:13,309 --> 01:09:12,540

know how would someone talk about behind

1662

01:09:14,689 --> 01:09:13,319

that

1663

01:09:19,010 --> 01:09:14,699

now

1664

01:09:21,229 --> 01:09:19,020

think my in quotes couldn't give a [\h\_\_\h]

1665

01:09:22,550 --> 01:09:21,239

almost as blown up and so you know I

1666

01:09:24,289 --> 01:09:22,560

don't care whether people talk about me

1667

01:09:25,729 --> 01:09:24,299

it doesn't matter I know you know I

1668

01:09:27,470 --> 01:09:25,739

think when you take your power back if

1669

01:09:30,970 --> 01:09:27,480

you know you're a good person doing your

1670

01:09:40,430 --> 01:09:33,050

oh no

1671

01:09:44,269 --> 01:09:42,229

to help people and that's the key I

1672

01:09:46,130 --> 01:09:44,279

think you know I'm I'm a no [\h\_\_\h]

1673

01:09:47,749 --> 01:09:46,140

person I tell it like it is I'm I'm

1674

01:09:49,910 --> 01:09:47,759

honest open abroad and I think that's

1675

01:09:51,709 --> 01:09:49,920

what's key you know I don't put things

1676

01:09:54,110 --> 01:09:51,719

on I don't talk to you about things I've

1677

01:09:55,669 --> 01:09:54,120

never seen or make things up because

1678

01:09:58,130 --> 01:09:55,679

I've seen them you know I've been there

1679

01:10:00,050 --> 01:09:58,140

you know and so I think that's the key

1680

01:10:01,729 --> 01:10:00,060

so you know if you take your power back

1681

01:10:03,470 --> 01:10:01,739

and not that's the thing about the

1682

01:10:04,930 --> 01:10:03,480

healings you know I'm really helping

1683

01:10:07,729 --> 01:10:04,940

people to take their power back

1684

01:10:09,650 --> 01:10:07,739

releasing the emotion of which we

1685

01:10:11,630 --> 01:10:09,660

you know I've worked out would probably

1686

01:10:13,430 --> 01:10:11,640

ingest something like over a hundred

1687

01:10:15,770 --> 01:10:13,440

thousand layers of motion you know it's

1688

01:10:17,090 --> 01:10:15,780

too much for a human being and so you

1689

01:10:18,290 --> 01:10:17,100

know we have a fast track method of

1690

01:10:19,970 --> 01:10:18,300

getting rid of it and you know by

1691

01:10:21,410 --> 01:10:19,980

getting rid of that emotion stuff you

1692

01:10:24,410 --> 01:10:21,420

know wow I feel so much better I feel

1693

01:10:26,209 --> 01:10:24,420

lighter heart shock is clearing and uh

1694

01:10:28,370 --> 01:10:26,219

you know you get back to that Sovereign

1695

01:10:31,070 --> 01:10:28,380

Place I mean to me you know I leap out

1696

01:10:32,810 --> 01:10:31,080

of bed I mean I'm 60. so it was you you

1697

01:10:35,090 --> 01:10:32,820

know I'll probably look a bit older

1698

01:10:36,709 --> 01:10:35,100

because metallic silver I dyed it the

1699

01:10:38,030 --> 01:10:36,719

other day because someone said it was

1700

01:10:40,030 --> 01:10:38,040

the in color I don't know what I'm

1701

01:10:44,030 --> 01:10:40,040

saying

1702

01:10:46,250 --> 01:10:44,040

but I think you know I think um

1703

01:10:47,930 --> 01:10:46,260

if you can find that absolute burning

1704

01:10:50,330 --> 01:10:47,940

passion I mean you know you've got a

1705

01:10:52,189 --> 01:10:50,340

passion for this Jimmy and you do great

1706

01:10:53,450 --> 01:10:52,199

I can see the passion burning within you

1707

01:10:54,890 --> 01:10:53,460

I want to do it right

1708

01:10:56,570 --> 01:10:54,900

like we're saying earlier you know

1709

01:10:58,850 --> 01:10:56,580

having the right equipment you know we

1710

01:11:00,890 --> 01:10:58,860

spent about 50 or 60 000 equipment

1711

01:11:02,630 --> 01:11:00,900

because I want to walk in I want to

1712

01:11:04,910 --> 01:11:02,640

switch it on it works I don't want to

1713

01:11:06,890 --> 01:11:04,920

panic oh my God the computer's gone

1714

01:11:08,689 --> 01:11:06,900

again or something's fell over you know

1715

01:11:10,729 --> 01:11:08,699

everything works perfectly and I think

1716

01:11:12,709 --> 01:11:10,739

you know so when you've got a burn in

1717

01:11:14,390 --> 01:11:12,719

passion you know and you're doing this

1718

01:11:17,149 --> 01:11:14,400

stuff you know it gives you the will to

1719

01:11:18,770 --> 01:11:17,159

just carry on and step out there and

1720

01:11:21,110 --> 01:11:18,780

help as many people as possible and

1721

01:11:24,830 --> 01:11:21,120

that's that's what it's all about that

1722

01:11:27,649 --> 01:11:24,840

is what it's all about and I used to now

1723

01:11:29,270 --> 01:11:27,659

I've always tripped out on the world I

1724

01:11:32,890 --> 01:11:29,280

always have since I since I was a kid

1725

01:11:37,490 --> 01:11:32,900

I've I've just wondered about everything

1726

01:11:40,070 --> 01:11:37,500

and I enjoy uh chasing answers and and

1727

01:11:42,410 --> 01:11:40,080

knowledge it's it's part of me but

1728

01:11:43,689 --> 01:11:42,420

here's the deal

1729

01:11:47,510 --> 01:11:43,699

um

1730

01:11:49,669 --> 01:11:47,520

I didn't want to be you know you're

1731

01:11:51,649 --> 01:11:49,679

listening to late night talk radio and

1732

01:11:54,890 --> 01:11:51,659

you're listening to the callers you know

1733

01:11:57,530 --> 01:11:54,900

calling so last week I went to Venus you

1734

01:12:00,290 --> 01:11:57,540

know and I'm just like oh man come on

1735

01:12:02,810 --> 01:12:00,300

with that stuff

1736

01:12:06,770 --> 01:12:02,820

I didn't want to be that person

1737

01:12:09,350 --> 01:12:06,780

now I am I haven't been to Venus but now

1738

01:12:12,169 --> 01:12:09,360

I am and I don't give a crap I don't

1739

01:12:14,149 --> 01:12:12,179

care what people think when

1740

01:12:17,209 --> 01:12:14,159

um I was out

1741

01:12:19,970 --> 01:12:17,219

this is the this is on everything that I

1742

01:12:22,610 --> 01:12:19,980

love Chris I'm out I've got a couple

1743

01:12:24,110 --> 01:12:22,620

hundred people around me and uh it's at

1744

01:12:25,850 --> 01:12:24,120

night we're doing a sky watch and we're

1745

01:12:29,270 --> 01:12:25,860

having a great time we're yelling and

1746

01:12:32,330 --> 01:12:29,280

screaming and and doing our thing and uh

1747

01:12:33,530 --> 01:12:32,340

right above us just took up a huge chunk

1748

01:12:37,570 --> 01:12:33,540

of the sky

1749

01:12:39,970 --> 01:12:37,580

night sky this green

1750

01:12:42,709 --> 01:12:39,980

aquamarine blue

1751  
01:12:45,290 --> 01:12:42,719  
thing it was like between blue and green

1752  
01:12:48,169 --> 01:12:45,300  
I can't describe the color but that that

1753  
01:12:51,290 --> 01:12:48,179  
that color right okay not orange not red

1754  
01:12:54,290 --> 01:12:51,300  
not white it was like blue green

1755  
01:12:56,330 --> 01:12:54,300  
comes across this and lights up

1756  
01:12:58,669 --> 01:12:56,340  
and comes across the sky the whole thing

1757  
01:13:02,090 --> 01:12:58,679  
lasted about two seconds maybe one two

1758  
01:13:04,790 --> 01:13:02,100  
seconds and it and it goes it makes it

1759  
01:13:07,189 --> 01:13:04,800  
backwards Z goes backwards it goes word

1760  
01:13:09,470 --> 01:13:07,199  
fruit

1761  
01:13:11,990 --> 01:13:09,480  
and then disappears

1762  
01:13:17,209 --> 01:13:12,000  
glow too it wasn't high in the sky as

1763  
01:13:19,310 --> 01:13:17,219

well and now you see that and I need and

1764

01:13:21,890 --> 01:13:19,320

I have to say with a straight face to

1765

01:13:24,470 --> 01:13:21,900

somebody later what I just saw

1766

01:13:25,740 --> 01:13:24,480

I'm now the crazy dude that calls into

1767

01:13:27,590 --> 01:13:25,750

the late night

1768

01:13:30,410 --> 01:13:27,600

[Laughter]

1769

01:13:32,090 --> 01:13:30,420

right absolutely right right right I

1770

01:13:33,649 --> 01:13:32,100

can't you you know what do you do with

1771

01:13:36,770 --> 01:13:33,659

that well you know what I don't give a

1772

01:13:40,790 --> 01:13:36,780

crap we all saw together there's

1773

01:13:43,610 --> 01:13:40,800

obviously something going on you see

1774

01:13:45,709 --> 01:13:43,620

something like that show off for you

1775

01:13:48,830 --> 01:13:45,719

that's what it's doing it's saying hello

1776

01:13:50,870 --> 01:13:48,840

right yeah hi guys you know that's

1777

01:13:52,189 --> 01:13:50,880

exactly what it was now I don't care

1778

01:13:54,530 --> 01:13:52,199

what people think

1779

01:13:56,750 --> 01:13:54,540

no I don't have 200 people around me

1780

01:13:58,970 --> 01:13:56,760

that we all saw it together we all

1781

01:14:01,669 --> 01:13:58,980

screamed at the same time when that

1782

01:14:06,169 --> 01:14:01,679

thing lit up in the sky and uh it was

1783

01:14:09,110 --> 01:14:06,179

insane but it doesn't change uh what I

1784

01:14:12,290 --> 01:14:09,120

saw you know saying it out loud

1785

01:14:14,270 --> 01:14:12,300

um not talking about it is wrong and

1786

01:14:17,209 --> 01:14:14,280

that is just who I am and that's it

1787

01:14:18,590 --> 01:14:17,219

that's it and that's that I I will live

1788

01:14:21,290 --> 01:14:18,600

that truth

1789

01:14:22,850 --> 01:14:21,300

oh yeah I mean when I was at the ranch

1790

01:14:24,350 --> 01:14:22,860

you know those three crafts they were

1791

01:14:25,850 --> 01:14:24,360

going like one to three and what

1792

01:14:28,610 --> 01:14:25,860

happened after I think it was about five

1793

01:14:30,470 --> 01:14:28,620

six minutes military helicopters were in

1794

01:14:32,030 --> 01:14:30,480

this you know were scrambled and they

1795

01:14:32,990 --> 01:14:32,040

were they were circling ground and not

1796

01:14:34,970 --> 01:14:33,000

too close to them but they were

1797

01:14:37,310 --> 01:14:34,980

certainly gone you could see like what

1798

01:14:39,290 --> 01:14:37,320

the heck do I do with this and they

1799

01:14:41,570 --> 01:14:39,300

stayed there for about

1800

01:14:43,550 --> 01:14:41,580

this portal was open for about 40

1801  
01:14:45,649 --> 01:14:43,560  
minutes and then what I did IS decide to

1802  
01:14:47,630 --> 01:14:45,659  
get a method of shutting it down so I

1803  
01:14:49,370 --> 01:14:47,640  
closed it and it actually never came

1804  
01:14:51,890 --> 01:14:49,380  
back you know so the guy was delighted

1805  
01:14:55,370 --> 01:14:51,900  
that his you know his his horses were

1806  
01:14:57,649 --> 01:14:55,380  
safe again you know so check this out uh

1807  
01:15:01,669 --> 01:14:57,659  
once you look at the screen

1808  
01:15:05,110 --> 01:15:01,679  
Jimmy in 2017 I saw that Z maneuver and

1809  
01:15:09,830 --> 01:15:05,120  
nobody believes me right and that's why

1810  
01:15:12,950 --> 01:15:09,840  
that's why Chris I I that's why I talk

1811  
01:15:14,270 --> 01:15:12,960  
about it because everybody that was

1812  
01:15:16,310 --> 01:15:14,280  
there

1813  
01:15:17,570 --> 01:15:16,320

they can talk about it and people are

1814

01:15:20,510 --> 01:15:17,580

going to say you know but they can go

1815

01:15:22,790 --> 01:15:20,520

you know what Jimmy church was there and

1816

01:15:26,030 --> 01:15:22,800

he talks about it on the air you can go

1817

01:15:29,830 --> 01:15:26,040

and listen to it he was there they need

1818

01:15:32,510 --> 01:15:29,840

you know my voice they need your voice

1819

01:15:34,430 --> 01:15:32,520

they need that support and I I will

1820

01:15:36,290 --> 01:15:34,440

never stop I don't care how I don't I

1821

01:15:39,229 --> 01:15:36,300

don't care what people say about me I

1822

01:15:41,209 --> 01:15:39,239

just I don't either I'm past a lot you

1823

01:15:43,130 --> 01:15:41,219

know I mean I used to and now you know

1824

01:15:45,709 --> 01:15:43,140

I've realized that it's such a difficult

1825

01:15:47,570 --> 01:15:45,719

even doing healings you know some people

1826  
01:15:49,250 --> 01:15:47,580  
are so grateful you know a lot of people

1827  
01:15:52,070 --> 01:15:49,260  
are really grateful we have some amazing

1828  
01:15:53,689 --> 01:15:52,080  
clients but you know you can't guarantee

1829  
01:15:55,970 --> 01:15:53,699  
that someone's not going to turn on you

1830  
01:15:57,770 --> 01:15:55,980  
oh well you know whatever you know the

1831  
01:15:59,570 --> 01:15:57,780  
I'll just say look you know we'll get

1832  
01:16:02,090 --> 01:15:59,580  
hidden swells it's okay you know we love

1833  
01:16:04,250 --> 01:16:02,100  
you bye you know and um I don't care

1834  
01:16:05,750 --> 01:16:04,260  
what I remember I remember going out

1835  
01:16:07,910 --> 01:16:05,760  
with a Southern Baptist family you know

1836  
01:16:09,470 --> 01:16:07,920  
a husband and wife and this was when I

1837  
01:16:11,330 --> 01:16:09,480  
first got here so

1838  
01:16:12,830 --> 01:16:11,340

so he's sitting there and all the

1839

01:16:14,930 --> 01:16:12,840

luncheon

1840

01:16:16,910 --> 01:16:14,940

what's the biggest question people ask

1841

01:16:18,910 --> 01:16:16,920

you what do you do for a living I

1842

01:16:23,270 --> 01:16:18,920

thought oh no

1843

01:16:24,410 --> 01:16:23,280

okay oh no so I said well um I said to

1844

01:16:26,510 --> 01:16:24,420

do healing

1845

01:16:27,770 --> 01:16:26,520

and they looked at me is it in the name

1846

01:16:32,990 --> 01:16:27,780

of the Lord

1847

01:16:34,610 --> 01:16:33,000

I said well I'm kind of yes and you know

1848

01:16:36,890 --> 01:16:34,620

then I started Oh I thought I'll forget

1849

01:16:38,930 --> 01:16:36,900

let's just turn the whole thing and so

1850

01:16:41,930 --> 01:16:38,940

the eyes they got the fluoride stare and

1851

01:16:44,810 --> 01:16:41,940

we were never invited for dinner again

1852

01:16:46,310 --> 01:16:44,820

that's amazing so

1853

01:16:50,810 --> 01:16:46,320

yeah so

1854

01:16:52,490 --> 01:16:50,820

amazing yeah yeah yeah and and uh I I

1855

01:16:53,930 --> 01:16:52,500

kind of want to stay right there for a

1856

01:16:56,990 --> 01:16:53,940

second

1857

01:16:59,149 --> 01:16:57,000

um that that that is a tough road except

1858

01:17:04,850 --> 01:16:59,159

it's getting easier

1859

01:17:07,729 --> 01:17:04,860

these things uh today uh science is is

1860

01:17:10,070 --> 01:17:07,739

on our side for sure

1861

01:17:11,689 --> 01:17:10,080

um universities are are speaking about

1862

01:17:14,870 --> 01:17:11,699

the subject and of course the government

1863

01:17:17,390 --> 01:17:14,880

is too as well and then you've got uh

1864

01:17:19,370 --> 01:17:17,400

all of the mass media uh talking about

1865

01:17:22,910 --> 01:17:19,380

it and certainly Ancient Aliens doesn't

1866

01:17:26,390 --> 01:17:22,920

hurt I I if you know what I mean so now

1867

01:17:29,410 --> 01:17:26,400

now it's out front it used to be that

1868

01:17:32,750 --> 01:17:29,420

taboo subject in the back right but now

1869

01:17:35,110 --> 01:17:32,760

it's getting easier and easier and I

1870

01:17:39,590 --> 01:17:35,120

think that most out there

1871

01:17:43,010 --> 01:17:39,600

that uh are uh you know are aware of it

1872

01:17:46,370 --> 01:17:43,020

have always thought about it they just

1873

01:17:49,490 --> 01:17:46,380

didn't talk about it right you know what

1874

01:17:51,050 --> 01:17:49,500

I mean and so now where somebody said

1875

01:17:53,030 --> 01:17:51,060

well of course we're not alone in the

1876

01:17:56,209 --> 01:17:53,040

universe right the universe is a big of

1877

01:17:59,990 --> 01:17:56,219

a place well where were you 15 years ago

1878

01:18:01,790 --> 01:18:00,000

when we needed that support but it is

1879

01:18:04,070 --> 01:18:01,800

getting easier isn't it

1880

01:18:05,510 --> 01:18:04,080

I think it is yeah I mean uh people are

1881

01:18:06,709 --> 01:18:05,520

accepting them all now and you know

1882

01:18:08,930 --> 01:18:06,719

especially when you say look the

1883

01:18:10,550 --> 01:18:08,940

universe is infinite do you not realize

1884

01:18:12,709 --> 01:18:10,560

there's got to be at least one more

1885

01:18:14,930 --> 01:18:12,719

species if not thousands out there if

1886

01:18:17,930 --> 01:18:14,940

not Millions because you know the

1887

01:18:19,490 --> 01:18:17,940

universe is huge and so yeah I think

1888

01:18:21,290 --> 01:18:19,500

people are getting more uh more

1889

01:18:22,610 --> 01:18:21,300

comfortable with that now and they're

1890

01:18:24,169 --> 01:18:22,620

not so worried about it I think people

1891

01:18:25,310 --> 01:18:24,179

have to say oh you know I don't want to

1892

01:18:27,590 --> 01:18:25,320

think about off Planet beings because

1893

01:18:29,689 --> 01:18:27,600

what if they're not very nice and come

1894

01:18:31,430 --> 01:18:29,699

to Earth and do something so I think

1895

01:18:32,930 --> 01:18:31,440

again sometimes it's it's just let's

1896

01:18:35,209 --> 01:18:32,940

just block it out because I've got too

1897

01:18:37,729 --> 01:18:35,219

much fear about it well that's that's

1898

01:18:41,090 --> 01:18:37,739

the best point right there

1899

01:18:43,010 --> 01:18:41,100

because we can say what we want in our

1900

01:18:46,250 --> 01:18:43,020

community we've been you know we've had

1901

01:18:47,689 --> 01:18:46,260

our experiences and things but these are

1902

01:18:50,330 --> 01:18:47,699

the facts

1903

01:18:53,510 --> 01:18:50,340

25 years ago

1904

01:18:58,310 --> 01:18:53,520

there were zero exoplanets

1905

01:19:00,110 --> 01:18:58,320

zero right zero and we know that the

1906

01:19:01,970 --> 01:19:00,120

Universe and we knew you know that the

1907

01:19:05,570 --> 01:19:01,980

universe is a big big place and the

1908

01:19:09,110 --> 01:19:05,580

Milky Way is a big big place but we

1909

01:19:11,870 --> 01:19:09,120

still thought maybe maybe maybe our

1910

01:19:13,850 --> 01:19:11,880

solar system is all there is

1911

01:19:17,209 --> 01:19:13,860

then we found the first one then the

1912

01:19:19,669 --> 01:19:17,219

second one and then now we know today

1913

01:19:22,810 --> 01:19:19,679

that every Star

1914

01:19:27,110 --> 01:19:22,820

that you can see has at least one planet

1915

01:19:30,350 --> 01:19:27,120

every this is the facts and this is the

1916

01:19:32,689 --> 01:19:30,360

way that science has introduced this to

1917

01:19:35,209 --> 01:19:32,699

the rest of the world now we understand

1918

01:19:37,970 --> 01:19:35,219

this I was out you know avilobe right

1919

01:19:39,290 --> 01:19:37,980

and yeah I go out to dinner with him a

1920

01:19:41,030 --> 01:19:39,300

few months ago

1921

01:19:44,510 --> 01:19:41,040

sitting at this table

1922

01:19:46,370 --> 01:19:44,520

and uh sitting next to Avi and we start

1923

01:19:48,350 --> 01:19:46,380

having this conversation about planets

1924

01:19:50,149 --> 01:19:48,360

in the Milky Way and I said

1925

01:19:54,110 --> 01:19:50,159

I said well you know you know Avi

1926

01:19:56,270 --> 01:19:54,120

there's about 40 billion uh Earth-like

1927

01:19:57,770 --> 01:19:56,280

rocky planets and he goes no there's not

1928

01:20:00,890 --> 01:19:57,780

I said yeah there are and then he goes

1929

01:20:03,950 --> 01:20:00,900

no a trillion

1930

01:20:07,430 --> 01:20:03,960

right so that now that's that's uh

1931

01:20:11,390 --> 01:20:07,440

that's that's Avi right the Harvard

1932

01:20:13,490 --> 01:20:11,400

physicist this is where now it is so

1933

01:20:16,790 --> 01:20:13,500

much easier to understand how much life

1934

01:20:18,770 --> 01:20:16,800

there is It's gotta be great it's not

1935

01:20:22,870 --> 01:20:18,780

one race of Grace

1936

01:20:26,030 --> 01:20:22,880

that was thousands thousands

1937

01:20:28,930 --> 01:20:26,040

thousands of absolutions it's crazy yeah

1938

01:20:31,790 --> 01:20:28,940

yeah it has to be I I don't know

1939

01:20:35,510 --> 01:20:31,800

infinite is a really big number

1940

01:20:37,430 --> 01:20:35,520

but it's it's a lot there has to be that

1941

01:20:38,570 --> 01:20:37,440

just in our Milky Way in our Galactic

1942

01:20:41,330 --> 01:20:38,580

neighborhood

1943

01:20:44,750 --> 01:20:41,340

absolutely yeah so imagine you know

1944

01:20:45,590 --> 01:20:44,760

imagine this third dimensional whole

1945

01:20:47,270 --> 01:20:45,600

um

1946

01:20:49,430 --> 01:20:47,280

whole area you know of the whole

1947

01:20:51,290 --> 01:20:49,440

universe of this third dimensional World

1948

01:20:52,669 --> 01:20:51,300

Imagine how many beings there are when

1949

01:20:54,830 --> 01:20:52,679

we just look at the Milky Way you know

1950

01:20:57,050 --> 01:20:54,840

it's it's it's huge you know and then

1951

01:21:01,189 --> 01:20:57,060

you've got infinite Dimensions you think

1952

01:21:04,370 --> 01:21:01,199

wow okay that's that's what it is how

1953

01:21:07,970 --> 01:21:04,380

many uh do you have a number how many uh

1954

01:21:10,669 --> 01:21:07,980

different races uh species of E.T are

1955

01:21:13,070 --> 01:21:10,679

visiting uh our planet right now not in

1956

01:21:14,870 --> 01:21:13,080

the past but like right now

1957

01:21:18,050 --> 01:21:14,880

I don't have a number actually I mean

1958

01:21:21,950 --> 01:21:18,060

the the the main ones are uh well the

1959

01:21:25,310 --> 01:21:21,960

Palladiums andromedans uh actuins

1960

01:21:27,350 --> 01:21:25,320

uh lumerians Lions you know they're all

1961

01:21:29,149 --> 01:21:27,360

coming down here to support us you know

1962

01:21:30,530 --> 01:21:29,159

they're the good guys and of course

1963

01:21:32,570 --> 01:21:30,540

we've got the reptilian element who's

1964

01:21:34,850 --> 01:21:32,580

parked here under the planet

1965

01:21:37,729 --> 01:21:34,860

um and luciferians of course connected

1966

01:21:40,250 --> 01:21:37,739

the Vatican so you know

1967

01:21:42,770 --> 01:21:40,260

um yeah there's probably more but you

1968

01:21:45,290 --> 01:21:42,780

know they're the main ones that out so I

1969

01:21:47,450 --> 01:21:45,300

I don't do religion on this show but

1970

01:21:48,890 --> 01:21:47,460

I've got to stop you right there for a

1971

01:21:50,630 --> 01:21:48,900

second are you saying that the

1972

01:21:52,850 --> 01:21:50,640

luciferians that are connected to the

1973

01:21:55,610 --> 01:21:52,860

Vatican are ET

1974

01:21:59,209 --> 01:21:55,620

oh yeah well the E.T yeah uh

1975

01:22:01,850 --> 01:22:00,770

they're the ones you know if they're

1976

01:22:02,930 --> 01:22:01,860

attach to your body it's really

1977

01:22:05,149 --> 01:22:02,940

interesting because when they attach

1978

01:22:07,490 --> 01:22:05,159

your body if they leave

1979

01:22:09,590 --> 01:22:07,500

um they kind of can you know you know

1980

01:22:11,209 --> 01:22:09,600

when Jesus was exercising people I mean

1981

01:22:13,250 --> 01:22:11,219

I love Jesus teachings but I'm not a

1982

01:22:16,189 --> 01:22:13,260

Christian I don't follow any illusion

1983

01:22:18,709 --> 01:22:16,199

but but um I believe they're the ones

1984

01:22:20,990 --> 01:22:18,719

who he came across the most because when

1985

01:22:22,729 --> 01:22:21,000

they leave they get all they get a hissy

1986

01:22:24,110 --> 01:22:22,739

fit they start to control your body or

1987

01:22:25,910 --> 01:22:24,120

speak through your voice box of the

1988

01:22:28,070 --> 01:22:25,920

style you'll ask me voice I remember

1989

01:22:29,570 --> 01:22:28,080

being the conscious life Expo about

1990

01:22:33,830 --> 01:22:29,580

seven years ago

1991

01:22:34,610 --> 01:22:33,840

eight years ago and this lady had 53

1992

01:22:36,590 --> 01:22:34,620

um

1993

01:22:39,410 --> 01:22:36,600

of these things in a body and every time

1994

01:22:41,630 --> 01:22:39,420

I take it out she's like I remember that

1995

01:22:43,430 --> 01:22:41,640

I remember everyone was walking past the

1996

01:22:46,970 --> 01:22:43,440

oh my God what the hell's that you know

1997

01:22:49,430 --> 01:22:46,980

remember that yeah I remember that

1998

01:22:51,290 --> 01:22:49,440

yeah it took me about an hour and a half

1999

01:22:52,669 --> 01:22:51,300

I took them all out and she was great

2000

01:22:57,550 --> 01:22:52,679

after blessing

2001

01:23:00,530 --> 01:22:57,560

but um when she bet did she remember it

2002

01:23:01,790 --> 01:23:00,540

uh some of that I think but they they

2003

01:23:03,950 --> 01:23:01,800

kind of possessed it you know because

2004

01:23:07,669 --> 01:23:03,960

they were laughing you can't get me oh

2005

01:23:10,910 --> 01:23:07,679

yeah I can't out right the next one and

2006

01:23:11,649 --> 01:23:10,920

the next one after 53 I was kind of I'm

2007

01:23:14,030 --> 01:23:11,659

done

2008

01:23:16,310 --> 01:23:14,040

the people talking about this I remember

2009

01:23:17,510 --> 01:23:16,320

that whole thing uh yeah because people

2010

01:23:19,310 --> 01:23:17,520

were freaked out they're all I'm not

2011

01:23:21,830 --> 01:23:19,320

going near this table it's got this like

2012

01:23:23,570 --> 01:23:21,840

wild woman on it remember that smiley

2013

01:23:25,970 --> 01:23:23,580

and hissy

2014

01:23:27,649 --> 01:23:25,980

hey man have you been down there to see

2015

01:23:31,370 --> 01:23:27,659

what Macklin's doing right now I

2016

01:23:33,729 --> 01:23:31,380

remember that whole I I remember that

2017

01:23:41,330 --> 01:23:37,610

the the warning signs are in front of us

2018

01:23:43,370 --> 01:23:41,340

and and and certainly they are there but

2019

01:23:45,410 --> 01:23:43,380

now we need to discuss what to do about

2020

01:23:48,709 --> 01:23:45,420

it and that's that's the other thing

2021

01:23:52,330 --> 01:23:48,719

awareness is one thing but but what do

2022

01:23:56,990 --> 01:23:54,890

I think it's our job to hold the space I

2023

01:23:58,550 --> 01:23:57,000

mean I I think there's a few you know

2024

01:24:00,050 --> 01:23:58,560

people talk about reading quotes white

2025

01:24:02,450 --> 01:24:00,060

hats people are going to change it you

2026

01:24:04,130 --> 01:24:02,460

know and I think I think they're the

2027

01:24:05,930 --> 01:24:04,140

people who are going to take it down you

2028

01:24:08,570 --> 01:24:05,940

know I'm not a take it out you know I'm

2029

01:24:12,050 --> 01:24:08,580

a Rebuilder you know and I think we all

2030

01:24:14,090 --> 01:24:12,060

are in this community but also you know

2031

01:24:17,330 --> 01:24:14,100

let's hold the space route I mean you

2032

01:24:20,450 --> 01:24:17,340

know once every 120 days

2033

01:24:22,910 --> 01:24:20,460

we do a god ritual to counteract the

2034

01:24:25,850 --> 01:24:22,920

satanic stuff they do and we used to

2035

01:24:27,890 --> 01:24:25,860

have 4 000 people we had 300 400 last

2036

01:24:30,950 --> 01:24:27,900

time whatever you know but but what it

2037

01:24:32,510 --> 01:24:30,960

is is you know to me God's way more

2038

01:24:34,310 --> 01:24:32,520

powerful the prime creates is way more

2039

01:24:35,990 --> 01:24:34,320

powerful than all this nonsense going on

2040

01:24:38,810 --> 01:24:36,000

down here and money and everything else

2041

01:24:40,189 --> 01:24:38,820

is just nonsense and so if you get

2042

01:24:42,290 --> 01:24:40,199

people together

2043

01:24:46,430 --> 01:24:42,300

and last time we had I think it was

2044

01:24:48,050 --> 01:24:46,440

about 360. and uh what we do is just you

2045

01:24:50,750 --> 01:24:48,060

know go through the whole thing like you

2046

01:24:53,330 --> 01:24:50,760

know dear God uh for these groups you

2047

01:24:56,149 --> 01:24:53,340

know like uh for example

2048

01:24:58,430 --> 01:24:56,159

deep State you know big agriculture big

2049

01:25:00,410 --> 01:24:58,440

Tech big this big that you know I bring

2050

01:25:01,610 --> 01:25:00,420

them all before you God for justice and

2051

01:25:04,070 --> 01:25:01,620

release them to you God with

2052

01:25:05,750 --> 01:25:04,080

unconditional love that's the basis of

2053

01:25:07,250 --> 01:25:05,760

it and then what we do is create a

2054

01:25:09,290 --> 01:25:07,260

ritual like that because that's a map of

2055

01:25:12,050 --> 01:25:09,300

intent saying and I command you

2056

01:25:14,570 --> 01:25:12,060

reinstate this God every day at 3 P.M

2057

01:25:15,890 --> 01:25:14,580

central time for the next 120 days and

2058

01:25:17,390 --> 01:25:15,900

then you go through the next list of

2059

01:25:19,070 --> 01:25:17,400

people and it's it's a very powerful

2060

01:25:21,729 --> 01:25:19,080

exercise you know

2061

01:25:25,130 --> 01:25:21,739

how would the

2062

01:25:26,570 --> 01:25:25,140

where can uh everybody participate in

2063

01:25:28,970 --> 01:25:26,580

that

2064

01:25:31,669 --> 01:25:28,980

the next one will be about we we did it

2065

01:25:34,970 --> 01:25:31,679

about uh five weeks ago so the next one

2066

01:25:37,130 --> 01:25:34,980

will be in about June so what I might do

2067

01:25:38,870 --> 01:25:37,140

Jimmy if I can is if we contact you see

2068

01:25:41,090 --> 01:25:38,880

if he see if you can participate and

2069

01:25:42,830 --> 01:25:41,100

email it out because to me it's you know

2070

01:25:45,229 --> 01:25:42,840

it's free to join you know I want

2071

01:25:47,149 --> 01:25:45,239

everyone you know and we've got it we've

2072

01:25:49,130 --> 01:25:47,159

got it down to a team people say oh my

2073

01:25:52,490 --> 01:25:49,140

God it's so powerful and it's just

2074

01:25:55,310 --> 01:25:52,500

really calling all these big names out

2075

01:25:58,790 --> 01:25:55,320

um you know uh the CDC after everything

2076

01:26:01,070 --> 01:25:58,800

you know or local mental systems CIA FBI

2077

01:26:02,270 --> 01:26:01,080

everything and bringing them before God

2078

01:26:04,189 --> 01:26:02,280

because again

2079

01:26:06,530 --> 01:26:04,199

to be getting angry and getting all

2080

01:26:08,570 --> 01:26:06,540

pissed off oh God it's also done you

2081

01:26:10,370 --> 01:26:08,580

know that's not doing any use at all you

2082

01:26:12,890 --> 01:26:10,380

know if you do control

2083

01:26:14,930 --> 01:26:12,900

if you do controlled map of intent with

2084

01:26:17,209 --> 01:26:14,940

power behind it with you know the

2085

01:26:18,890 --> 01:26:17,219

thousand people on we're gonna make you

2086

01:26:21,050 --> 01:26:18,900

know we're gonna we're gonna change some

2087

01:26:22,610 --> 01:26:21,060

things and we are changing things I know

2088

01:26:24,950 --> 01:26:22,620

they really work and I know they really

2089

01:26:30,229 --> 01:26:25,629

um

2090

01:26:32,390 --> 01:26:30,239

one of the things that uh uh I I love

2091

01:26:34,790 --> 01:26:32,400

I'm very interested in is different

2092

01:26:40,850 --> 01:26:34,800

types of mass meditation like this with

2093

01:26:44,750 --> 01:26:40,860

intent right and now it sounds all hippy

2094

01:26:46,910 --> 01:26:44,760

dippy and spiritual and awakened and all

2095

01:26:48,410 --> 01:26:46,920

of that stuff well okay all right you

2096

01:26:50,810 --> 01:26:48,420

know walk around with the pyramid on

2097

01:26:52,629 --> 01:26:50,820

your head okay whatever however people

2098

01:26:56,870 --> 01:26:52,639

want to look at this

2099

01:27:00,169 --> 01:26:56,880

but science says that it is so

2100

01:27:03,169 --> 01:27:00,179

right moment yes with with the

2101  
01:27:05,450 --> 01:27:03,179  
connection of everything and it's it's

2102  
01:27:07,490 --> 01:27:05,460  
it's really really funny

2103  
01:27:09,350 --> 01:27:07,500  
um I know that you're you're you're

2104  
01:27:11,149 --> 01:27:09,360  
doing your thing or there's a mass

2105  
01:27:14,110 --> 01:27:11,159  
meditation going on and something's

2106  
01:27:17,689 --> 01:27:14,120  
happening I know that there is some dude

2107  
01:27:21,010 --> 01:27:17,699  
walking down the street in Manhattan

2108  
01:27:24,470 --> 01:27:21,020  
just bitching and complaining

2109  
01:27:27,229 --> 01:27:24,480  
and then but and we're firing off that

2110  
01:27:30,250 --> 01:27:27,239  
energy and he goes whoa whoa whoa whoa

2111  
01:27:30,260 --> 01:27:33,370  
absolutely

2112  
01:27:39,709 --> 01:27:36,729  
I feel pretty good you know

2113  
01:27:43,490 --> 01:27:39,719

and I'm being very very serious with

2114

01:27:45,229 --> 01:27:43,500

that I I think there is something to it

2115

01:27:47,330 --> 01:27:45,239

and then you turn around and you have

2116

01:27:50,390 --> 01:27:47,340

science say well this is actually what

2117

01:27:54,770 --> 01:27:50,400

is going on and I go okay all right it

2118

01:27:56,750 --> 01:27:54,780

is powerful and it's not crazy talk

2119

01:27:59,090 --> 01:27:56,760

no it's not you know what's interesting

2120

01:28:02,209 --> 01:27:59,100

actually is that um last time it was

2121

01:28:04,310 --> 01:28:02,219

okay but the the last two times before

2122

01:28:07,070 --> 01:28:04,320

Zoom at a particular point when we got

2123

01:28:08,990 --> 01:28:07,080

to Big Pharma just shut down the the

2124

01:28:10,729 --> 01:28:09,000

meeting and I said to everyone look

2125

01:28:12,229 --> 01:28:10,739

before we start if the meeting shuts

2126

01:28:14,390 --> 01:28:12,239

down just stay on it we'll bring it back

2127

01:28:17,149 --> 01:28:14,400

we'll get you back on and they did bless

2128

01:28:19,669 --> 01:28:17,159

them you know but um but you know it was

2129

01:28:22,669 --> 01:28:19,679

about I think 10 or 12 minutes in you

2130

01:28:24,410 --> 01:28:22,679

know it went off wow okay guys you're

2131

01:28:25,850 --> 01:28:24,420

listening you don't like you know they

2132

01:28:28,669 --> 01:28:25,860

don't like what we're doing but that's

2133

01:28:33,350 --> 01:28:31,370

um can I can I ask you about Boston

2134

01:28:34,750 --> 01:28:33,360

Dynamics

2135

01:28:37,250 --> 01:28:34,760

you know the world

2136

01:28:40,669 --> 01:28:37,260

yeah yeah yeah

2137

01:28:43,550 --> 01:28:40,679

um I watched a video uh the other day

2138

01:28:46,010 --> 01:28:43,560

now every time I see a Boston Dynamics

2139

01:28:48,410 --> 01:28:46,020

uh video

2140

01:28:50,330 --> 01:28:48,420

um it throws me off my game scares the

2141

01:28:51,770 --> 01:28:50,340

crap out of me actually right throws me

2142

01:28:53,090 --> 01:28:51,780

off my game it's tough is getting too

2143

01:28:56,450 --> 01:28:53,100

good

2144

01:28:59,209 --> 01:28:56,460

um the dog robots the Sentry things were

2145

01:29:01,310 --> 01:28:59,219

were pretty freaky but I saw that I saw

2146

01:29:06,830 --> 01:29:01,320

one of the recent videos

2147

01:29:09,410 --> 01:29:06,840

of this uh uh Android AI bot

2148

01:29:11,930 --> 01:29:09,420

um on its own assisting uh construction

2149

01:29:13,370 --> 01:29:11,940

worker do some work right

2150

01:29:20,169 --> 01:29:13,380

and

2151  
01:29:27,290 --> 01:29:20,179  
man

2152  
01:29:31,189 --> 01:29:27,300  
its motion and its thing and it's it had

2153  
01:29:34,550 --> 01:29:31,199  
this like Groove to it had this thing it

2154  
01:29:37,629 --> 01:29:34,560  
wasn't all or or or or you know where

2155  
01:29:39,550 --> 01:29:37,639  
they flow yeah yeah yeah it was

2156  
01:29:43,669 --> 01:29:39,560  
crazy

2157  
01:29:46,850 --> 01:29:43,679  
and that I think is uh a sign of things

2158  
01:29:49,010 --> 01:29:46,860  
to come if we don't rope that in that

2159  
01:29:51,770 --> 01:29:49,020  
part of society

2160  
01:29:54,290 --> 01:29:51,780  
um is is right on the horizon Chris it's

2161  
01:29:56,689 --> 01:29:54,300  
right there the problem is with human

2162  
01:30:01,370 --> 01:29:56,699  
beings I think it's easy to forget it's

2163  
01:30:02,450 --> 01:30:01,380

robotic by and they they they design I

2164

01:30:04,550 --> 01:30:02,460

think the movements but don't forget

2165

01:30:06,410 --> 01:30:04,560

it's still logical it's working on

2166

01:30:08,629 --> 01:30:06,420

algorithms it's working on looking you

2167

01:30:10,610 --> 01:30:08,639

know look up tables oh I said this last

2168

01:30:13,850 --> 01:30:10,620

time I got to say that but you know to

2169

01:30:15,830 --> 01:30:13,860

us if it interfaces well enough it's it

2170

01:30:17,750 --> 01:30:15,840

could be it could be seen as real you

2171

01:30:20,510 --> 01:30:17,760

know and that's the sad thing because

2172

01:30:22,129 --> 01:30:20,520

it's not again you know it's it's mind

2173

01:30:24,350 --> 01:30:22,139

control you know being able to

2174

01:30:26,330 --> 01:30:24,360

manipulate the mind to start feeling

2175

01:30:27,709 --> 01:30:26,340

like you know you buy a girlfriend ten

2176  
01:30:30,350 --> 01:30:27,719  
thousand dollars or whatever your wife

2177  
01:30:32,390 --> 01:30:30,360  
or whatever you want it's robotic and it

2178  
01:30:34,129 --> 01:30:32,400  
starts learning what you like and but

2179  
01:30:36,110 --> 01:30:34,139  
there's no relationship that it's it's

2180  
01:30:37,669 --> 01:30:36,120  
logical you know it learns what you like

2181  
01:30:40,010 --> 01:30:37,679  
and everything else but

2182  
01:30:42,590 --> 01:30:40,020  
you know that human connection that

2183  
01:30:45,229 --> 01:30:42,600  
energy between two people it's not there

2184  
01:30:47,270 --> 01:30:45,239  
you know yeah the the processing speed

2185  
01:30:50,149 --> 01:30:47,280  
uh like you're saying right it's it's

2186  
01:30:53,050 --> 01:30:50,159  
tables and and things but

2187  
01:30:56,990 --> 01:30:53,060  
um the processing speed is so fast now

2188  
01:30:59,570 --> 01:30:57,000

that the fluidity I don't know how to

2189

01:31:02,570 --> 01:30:59,580

explain it the human you know what you

2190

01:31:07,070 --> 01:31:02,580

and I do right this thing it's doing

2191

01:31:10,010 --> 01:31:07,080

that now right yeah it is very

2192

01:31:13,310 --> 01:31:10,020

it's it's it's crazy you put some skin

2193

01:31:15,530 --> 01:31:13,320

on that and you may not know man I mean

2194

01:31:17,750 --> 01:31:15,540

it's it's it's pretty wild

2195

01:31:19,510 --> 01:31:17,760

they got some music on and said well I'm

2196

01:31:22,070 --> 01:31:19,520

doing stuff and I'm rocking it around

2197

01:31:23,810 --> 01:31:22,080

this thing's like nuts you know but but

2198

01:31:26,030 --> 01:31:23,820

it's still logical you've got to go back

2199

01:31:28,189 --> 01:31:26,040

to it's logic it's it's algorithm it's

2200

01:31:31,490 --> 01:31:28,199

not it's not human but they're they're

2201  
01:31:33,649 --> 01:31:31,500  
getting more and more human like all the

2202  
01:31:35,330 --> 01:31:33,659  
time but you'll never ever get that love

2203  
01:31:37,250 --> 01:31:35,340  
you'll never ever get that God energy

2204  
01:31:40,990 --> 01:31:37,260  
unit oh yeah

2205  
01:31:44,090 --> 01:31:41,000  
Some Humans just don't care

2206  
01:31:46,209 --> 01:31:44,100  
what what about uh if everybody's

2207  
01:31:51,530 --> 01:31:46,219  
talking about chat GPT

2208  
01:31:54,530 --> 01:31:51,540  
and uh it it seems to be everywhere now

2209  
01:31:58,189 --> 01:31:54,540  
um in that we may not be fully aware of

2210  
01:32:00,950 --> 01:31:58,199  
how it's being implemented anymore

2211  
01:32:03,410 --> 01:32:00,960  
um it's it's part of search engines it's

2212  
01:32:05,810 --> 01:32:03,420  
part of conversations you can you can

2213  
01:32:08,209 --> 01:32:05,820

access it yourself you can ask it to do

2214

01:32:10,550 --> 01:32:08,219

things for you right you literally can

2215

01:32:14,990 --> 01:32:10,560

do that now

2216

01:32:19,790 --> 01:32:17,510

I think so I mean I think robotics does

2217

01:32:21,169 --> 01:32:19,800

have its place you know to help her I

2218

01:32:22,790 --> 01:32:21,179

mean especially depending on what

2219

01:32:25,010 --> 01:32:22,800

happens in the future you know if we

2220

01:32:27,110 --> 01:32:25,020

lose people off the planet whatever you

2221

01:32:28,610 --> 01:32:27,120

know you may need robotics to even build

2222

01:32:30,709 --> 01:32:28,620

cars you know because there won't be

2223

01:32:32,570 --> 01:32:30,719

enough people but but I think they can

2224

01:32:35,270 --> 01:32:32,580

go beyond where you know if you're not

2225

01:32:36,530 --> 01:32:35,280

careful and these algorithms learn of

2226

01:32:38,450 --> 01:32:36,540

course you know you learn it you know

2227

01:32:40,610 --> 01:32:38,460

you look up tables get bigger and bigger

2228

01:32:42,169 --> 01:32:40,620

you learn more stuff and the faster it

2229

01:32:43,790 --> 01:32:42,179

goes you know the more Computing

2230

01:32:45,830 --> 01:32:43,800

families you know these things I

2231

01:32:48,590 --> 01:32:45,840

remember when I was doing flight control

2232

01:32:50,330 --> 01:32:48,600

systems at Crum field we had a cray you

2233

01:32:52,030 --> 01:32:50,340

know and they were like the fastest

2234

01:32:55,070 --> 01:32:52,040

computer helium

2235

01:32:57,290 --> 01:32:55,080

liquid helium cooled or whatever and now

2236

01:32:59,149 --> 01:32:57,300

it just looks like a you know like the

2237

01:33:01,610 --> 01:32:59,159

things we've got you know the Lenovo

2238

01:33:03,350 --> 01:33:01,620

Legions it's probably goes that fast but

2239

01:33:04,790 --> 01:33:03,360

then it was the fastest computer it was

2240

01:33:07,129 --> 01:33:04,800

about I know eight million dollars

2241

01:33:09,110 --> 01:33:07,139

whatever you know now all these you know

2242

01:33:11,030 --> 01:33:09,120

these quantum computers are way way

2243

01:33:14,510 --> 01:33:11,040

above that

2244

01:33:20,350 --> 01:33:14,520

um but uh I'm referring to the chat chat

2245

01:33:25,330 --> 01:33:24,470

I think it's GPT or something yeah man I

2246

01:33:27,970 --> 01:33:25,340

said

2247

01:33:30,410 --> 01:33:27,980

I should ask it

2248

01:33:31,729 --> 01:33:30,420

yeah you should ask it what do you think

2249

01:33:34,610 --> 01:33:31,739

is good out in the future

2250

01:33:36,350 --> 01:33:34,620

it's interesting because uh Mundy um my

2251

01:33:38,570 --> 01:33:36,360

wife you know she uh came across

2252

01:33:40,850 --> 01:33:38,580

something that they're given an AI and

2253

01:33:43,129 --> 01:33:40,860

got it to watch like three three or four

2254

01:33:44,870 --> 01:33:43,139

Hallmark movies and then it had to write

2255

01:33:47,990 --> 01:33:44,880

its own movie and it was really funny

2256

01:33:51,830 --> 01:33:48,000

because you know it goes I go to a nice

2257

01:33:55,010 --> 01:33:51,840

man with briefcase uh my husband Bowens

2258

01:33:57,590 --> 01:33:55,020

you know like he's passed away and then

2259

01:33:59,870 --> 01:33:57,600

it it said uh something about you know

2260

01:34:00,550 --> 01:33:59,880

later on it said shut your sound you

2261

01:34:04,669 --> 01:34:00,560

know

2262

01:34:06,470 --> 01:34:04,679

was interesting but I think they're

2263

01:34:08,510 --> 01:34:06,480

they're far more advanced now you know

2264

01:34:10,370 --> 01:34:08,520

they really are I mean I remember in

2265

01:34:15,110 --> 01:34:10,380

1980

2266

01:34:17,689 --> 01:34:15,120

or was it 78 you know 80 about 1981 I

2267

01:34:19,970 --> 01:34:17,699

worked on a system with Marconi

2268

01:34:23,090 --> 01:34:19,980

um at uh farnborough you know farmer the

2269

01:34:27,790 --> 01:34:23,100

military base and I remember the speech

2270

01:34:33,830 --> 01:34:30,649

and then came up with code radio it took

2271

01:34:35,270 --> 01:34:33,840

about 30 seconds to recognize it and now

2272

01:34:37,250 --> 01:34:35,280

you know you look at it and you know

2273

01:34:39,350 --> 01:34:37,260

even on Google you say uh oh can you

2274

01:34:41,629 --> 01:34:39,360

search for a greenhouse or whatever you

2275

01:34:43,850 --> 01:34:41,639

saying it just comes straight up I mean

2276

01:34:45,950 --> 01:34:43,860

the technology but that's the thing the

2277

01:34:49,189 --> 01:34:45,960

technology between there and now is so

2278

01:34:51,010 --> 01:34:49,199

far Advanced it doesn't make sense it's

2279

01:34:53,110 --> 01:34:51,020

off Planet you know

2280

01:34:57,470 --> 01:34:53,120

and

2281

01:35:00,590 --> 01:34:57,480

do we need an off switch for this

2282

01:35:04,390 --> 01:35:00,600

you know and and you know I know it's

2283

01:35:08,810 --> 01:35:04,400

talked about a lot but I'm not so sure

2284

01:35:12,350 --> 01:35:08,820

if there are safety protocols in place

2285

01:35:16,070 --> 01:35:12,360

I'm talking for Boston Dynamics all the

2286

01:35:22,430 --> 01:35:16,080

way over to these AI chat Bots and and

2287

01:35:26,570 --> 01:35:22,440

and chat uh GPT by the way it's GPT

2288

01:35:29,030 --> 01:35:26,580

um uh no off switch right and I I read

2289

01:35:31,729 --> 01:35:29,040

something the other day

2290

01:35:33,830 --> 01:35:31,739

um Microsoft added it to their Bing

2291

01:35:36,310 --> 01:35:33,840

search engine and there's issues with it

2292

01:35:40,370 --> 01:35:36,320

right there are some like issues with it

2293

01:35:42,470 --> 01:35:40,380

Microsoft said well yeah we can't really

2294

01:35:44,390 --> 01:35:42,480

remove it

2295

01:35:46,669 --> 01:35:44,400

I thought wait a minute who thought who

2296

01:35:49,870 --> 01:35:46,679

who who's thinking through this right

2297

01:35:55,250 --> 01:35:52,430

it's crazy you know

2298

01:35:56,629 --> 01:35:55,260

and you know there's no regulation with

2299

01:35:58,850 --> 01:35:56,639

this stuff though I mean did you see the

2300

01:36:03,110 --> 01:35:58,860

Boston Dynamic when they had the dog and

2301  
01:36:04,970 --> 01:36:03,120  
was it a dog or you know the robot was

2302  
01:36:06,649 --> 01:36:04,980  
actually you know with a weapon and it

2303  
01:36:08,330 --> 01:36:06,659  
went up the guy and didn't shoot him and

2304  
01:36:10,070 --> 01:36:08,340  
then you know it would find a Target and

2305  
01:36:11,810 --> 01:36:10,080  
shoot at it and absolutely accurate and

2306  
01:36:13,189 --> 01:36:11,820  
everything else and I thought this is

2307  
01:36:15,050 --> 01:36:13,199  
the way probably the military is going

2308  
01:36:16,430 --> 01:36:15,060  
to go but what happens if someone puts a

2309  
01:36:18,649 --> 01:36:16,440  
virus in this stuff and it starts

2310  
01:36:20,990 --> 01:36:18,659  
attacking your own people you know but

2311  
01:36:23,209 --> 01:36:21,000  
that's isn't that the issue I I think

2312  
01:36:24,830 --> 01:36:23,219  
that's true it is huge yeah the biggest

2313  
01:36:27,890 --> 01:36:24,840

problems

2314

01:36:29,570 --> 01:36:27,900

um in when we talk about Ai and we talk

2315

01:36:31,729 --> 01:36:29,580

about the control of everything and then

2316

01:36:34,970 --> 01:36:31,739

we turn around I have a smart home okay

2317

01:36:38,149 --> 01:36:34,980

I do I thought I would never do it but I

2318

01:36:42,229 --> 01:36:38,159

do now okay I do I have a smart home

2319

01:36:45,890 --> 01:36:42,239

um and I've seen the TV series Black

2320

01:36:50,030 --> 01:36:45,900

Mirror and and the warning signs that

2321

01:36:53,390 --> 01:36:50,040

are there but here's what freaks me out

2322

01:36:57,290 --> 01:36:53,400

um Android Android

2323

01:37:00,129 --> 01:36:57,300

is the software that is running all of

2324

01:37:02,450 --> 01:37:00,139

your Android okay

2325

01:37:04,010 --> 01:37:02,460

that is running all of your smart

2326

01:37:07,370 --> 01:37:04,020

refrigerators

2327

01:37:11,149 --> 01:37:07,380

your smartphone your smart home your

2328

01:37:15,189 --> 01:37:11,159

thermostat your security system

2329

01:37:17,950 --> 01:37:15,199

um and it doesn't take much

2330

01:37:21,470 --> 01:37:17,960

for some hacker

2331

01:37:24,830 --> 01:37:21,480

to decide one day because he was bored

2332

01:37:28,070 --> 01:37:24,840

or she was bored to

2333

01:37:30,050 --> 01:37:28,080

um threat a virus through the Android

2334

01:37:31,790 --> 01:37:30,060

operating system that is in the

2335

01:37:34,189 --> 01:37:31,800

refrigerators of all the Smart Homes

2336

01:37:37,610 --> 01:37:34,199

across the country and suddenly

2337

01:37:40,189 --> 01:37:37,620

your food has spoiled

2338

01:37:43,669 --> 01:37:40,199

oh yeah that's just one idea that's just

2339

01:37:46,790 --> 01:37:43,679

one thing but that's the control that

2340

01:37:48,290 --> 01:37:46,800

we're giving up Chris right oh yeah

2341

01:37:50,390 --> 01:37:48,300

keeping that up

2342

01:37:52,430 --> 01:37:50,400

what's the same with uh you know we

2343

01:37:53,930 --> 01:37:52,440

bought a Samsung thing because

2344

01:37:56,990 --> 01:37:53,940

um long story short but we bought my

2345

01:37:59,510 --> 01:37:57,000

father-in-law's house and we rented to

2346

01:38:02,030 --> 01:37:59,520

um one of my wife's siblings plus two

2347

01:38:03,530 --> 01:38:02,040

other guys and the cooker was shot so we

2348

01:38:05,870 --> 01:38:03,540

bought a new Range you know and of

2349

01:38:07,490 --> 01:38:05,880

course first thing it says download the

2350

01:38:09,590 --> 01:38:07,500

app I said I don't want to download the

2351

01:38:11,030 --> 01:38:09,600

I just want to cut stuff you know we're

2352

01:38:13,189 --> 01:38:11,040

not interested you know so we didn't

2353

01:38:15,229 --> 01:38:13,199

then you couldn't set the clock or the

2354

01:38:17,030 --> 01:38:15,239

hell so I had to go back to Best Buy I

2355

01:38:18,830 --> 01:38:17,040

said how do you set the clock manually

2356

01:38:20,510 --> 01:38:18,840

oh you do it this way and you know but

2357

01:38:22,310 --> 01:38:20,520

it didn't didn't tell you the ball just

2358

01:38:24,290 --> 01:38:22,320

download the app you're good to go I

2359

01:38:26,450 --> 01:38:24,300

don't want an app for my cooking

2360

01:38:27,530 --> 01:38:26,460

facility I just want to cook on it you

2361

01:38:31,430 --> 01:38:27,540

know

2362

01:38:32,870 --> 01:38:31,440

happens again like you say what happens

2363

01:38:34,550 --> 01:38:32,880

if they put some sort of thing where

2364

01:38:37,010 --> 01:38:34,560

they put the oven on full blast they put

2365

01:38:38,930 --> 01:38:37,020

the range you know the the heat is on on

2366

01:38:40,310 --> 01:38:38,940

top of it what happens if you left a

2367

01:38:41,870 --> 01:38:40,320

towel on it or something you know you

2368

01:38:44,689 --> 01:38:41,880

could end up in trouble with it so you

2369

01:38:45,770 --> 01:38:44,699

know it's it is it is concerning you

2370

01:38:47,629 --> 01:38:45,780

know I think there has to be some

2371

01:38:50,149 --> 01:38:47,639

regulation I was talking about this

2372

01:38:52,010 --> 01:38:50,159

actually the um conscious life Expo

2373

01:38:53,689 --> 01:38:52,020

because I streamed in I couldn't go well

2374

01:38:55,850 --> 01:38:53,699

I didn't go actually because

2375

01:38:57,830 --> 01:38:55,860

last time I went was about six years ago

2376

01:38:59,209 --> 01:38:57,840

I got dusted a buy weapon and I'm

2377

01:39:01,310 --> 01:38:59,219

working on this thing it's collected

2378

01:39:03,470 --> 01:39:01,320

here now it's a lot smaller as you can

2379

01:39:04,910 --> 01:39:03,480

probably see so it's doing well but so I

2380

01:39:06,709 --> 01:39:04,920

said I'd stream in and you know I

2381

01:39:09,410 --> 01:39:06,719

streamed in and some guy got upset I

2382

01:39:11,330 --> 01:39:09,420

don't listen to Fear it's not fear it's

2383

01:39:13,070 --> 01:39:11,340

actually we need to really think about

2384

01:39:15,290 --> 01:39:13,080

this stuff and do something like you say

2385

01:39:17,209 --> 01:39:15,300

it needs an off switch where's the off

2386

01:39:20,330 --> 01:39:17,219

switch how do you kill it you know if

2387

01:39:21,649 --> 01:39:20,340

some virus gets in because otherwise uh

2388

01:39:22,729 --> 01:39:21,659

you could end up in trouble with it you

2389

01:39:24,350 --> 01:39:22,739

know

2390

01:39:29,209 --> 01:39:24,360

I was

2391

01:39:33,290 --> 01:39:29,219

um okay so I'm all smarted out right I'm

2392

01:39:35,090 --> 01:39:33,300

lying in bed and up above my bed this is

2393

01:39:37,189 --> 01:39:35,100

about six months ago I think I talked

2394

01:39:40,970 --> 01:39:37,199

about this on the air

2395

01:39:43,910 --> 01:39:40,980

um is uh the the vent right for heating

2396

01:39:46,610 --> 01:39:43,920

and cooling uh yeah it's about 20 feet

2397

01:39:49,970 --> 01:39:46,620

up right High

2398

01:39:52,129 --> 01:39:49,980

but it blows right down on where my bed

2399

01:39:54,709 --> 01:39:52,139

is in in the bedroom I'm lying there and

2400

01:39:58,270 --> 01:39:54,719

it's like the heater's on I'm like I

2401

01:40:01,610 --> 01:39:58,280

thought I turned it off and it's

2402

01:40:03,950 --> 01:40:01,620

so I take out my phone all right

2403

01:40:07,010 --> 01:40:03,960

pull it up just like I I can do it right

2404

01:40:09,530 --> 01:40:07,020

now right okay there it is there's the

2405

01:40:12,350 --> 01:40:09,540

app you can see it's 72 degrees in here

2406

01:40:13,370 --> 01:40:12,360

do I want to go up or down right and so

2407

01:40:17,810 --> 01:40:13,380

forth

2408

01:40:18,270 --> 01:40:17,820

it says you are disconnected from the

2409

01:40:22,010 --> 01:40:18,280

network

2410

01:40:24,530 --> 01:40:22,020

[Laughter]

2411

01:40:27,229 --> 01:40:24,540

so now you know what I gotta do I gotta

2412

01:40:30,410 --> 01:40:27,239

get my Slappy butt up

2413

01:40:33,530 --> 01:40:30,420

go downstairs and try to figure out

2414

01:40:37,310 --> 01:40:33,540

what's going on it won't shut off

2415

01:40:40,370 --> 01:40:37,320

won't shut up I go I'm I'm rebooting

2416

01:40:42,530 --> 01:40:40,380

routers I'm the thing I'm now on the

2417

01:40:45,470 --> 01:40:42,540

internet I'm looking at the company for

2418

01:40:48,169 --> 01:40:45,480

the smart uh you know uh Hub you're

2419

01:40:50,090 --> 01:40:48,179

trying to figure this out won't

2420

01:40:53,990 --> 01:40:50,100

turn off

2421

01:40:56,629 --> 01:40:54,000

will not I had to go I had to suffer so

2422

01:40:58,850 --> 01:40:56,639

I go over to the the main control box

2423

01:41:02,030 --> 01:40:58,860

I'm unplugging stuff all right I'm

2424

01:41:03,729 --> 01:41:02,040

taking it out of the wall batteries out

2425

01:41:07,370 --> 01:41:03,739

of this that I disconnect everything

2426

01:41:10,050 --> 01:41:07,380

furnace will not turn off

2427

01:41:13,149 --> 01:41:10,060

roasting

2428

01:41:18,290 --> 01:41:16,370

for this thing blasting down on me in

2429

01:41:20,450 --> 01:41:18,300

the morning I call the company and this

2430

01:41:22,970 --> 01:41:20,460

and that and and I had to turn

2431

01:41:28,129 --> 01:41:22,980

everything back on they are downloading

2432

01:41:32,050 --> 01:41:28,139

new uh uh uh software from their Hub I

2433

01:41:35,270 --> 01:41:32,060

couldn't do it from here point being

2434

01:41:38,689 --> 01:41:35,280

anybody can disrupt that service

2435

01:41:40,930 --> 01:41:38,699

oh yeah absolutely right and this is

2436

01:41:44,169 --> 01:41:40,940

what we're giving up there was something

2437

01:41:46,850 --> 01:41:44,179

uh there was a certain honor among men

2438

01:41:47,990 --> 01:41:46,860

when only your father could touch the

2439

01:41:50,649 --> 01:41:48,000

thermostat

2440

01:41:53,930 --> 01:41:50,659

right right

2441

01:41:56,149 --> 01:41:53,940

oh yeah thing and he would adjust it and

2442

01:41:59,209 --> 01:41:56,159

and that was off limits

2443

01:42:01,970 --> 01:41:59,219

and uh that I don't have that control

2444

01:42:04,450 --> 01:42:01,980

anymore and and that scares me any

2445

01:42:08,570 --> 01:42:04,460

hacker that wants to come in and and and

2446

01:42:10,129 --> 01:42:08,580

disrupt uh through Android which is the

2447

01:42:12,410 --> 01:42:10,139

you know the software that's running all

2448

01:42:14,649 --> 01:42:12,420

this stuff could disrupt the entire

2449

01:42:17,090 --> 01:42:14,659

country conditions

2450

01:42:20,270 --> 01:42:17,100

they could just get a virus will spread

2451

01:42:22,729 --> 01:42:20,280

out that's it yeah yeah it scares the

2452

01:42:24,470 --> 01:42:22,739

crap out of me it scares the crap there

2453

01:42:26,750 --> 01:42:24,480

is a convenience factor though where I

2454

01:42:30,250 --> 01:42:26,760

can sit in bed and go well but I think

2455

01:42:33,109 --> 01:42:30,260

65 sounds pretty good yeah

2456

01:42:35,390 --> 01:42:33,119

and I'm doing it from bed and I'm not

2457

01:42:38,030 --> 01:42:35,400

going downstairs and all of that I love

2458

01:42:40,729 --> 01:42:38,040

that part of it it's when it goes wrong

2459

01:42:43,250 --> 01:42:40,739

right I guess I've seen I've seen Black

2460

01:42:44,590 --> 01:42:43,260

Mirror all of um do you have a smart

2461

01:42:47,750 --> 01:42:44,600

home

2462

01:42:49,129 --> 01:42:47,760

no I don't okay all right all right

2463

01:42:50,629 --> 01:42:49,139

we're actually built to be honest we're

2464

01:42:52,550 --> 01:42:50,639

building a house I'm gonna get some of

2465

01:42:54,530 --> 01:42:52,560

it smart but not the whole thing we're

2466

01:42:56,209 --> 01:42:54,540

building the house we've got 42 acres

2467

01:42:58,550 --> 01:42:56,219

and it's it's going to be a big house

2468

01:43:00,830 --> 01:42:58,560

but I think there'll be elements you

2469

01:43:03,470 --> 01:43:00,840

know like the heating cooling maybe but

2470

01:43:05,090 --> 01:43:03,480

um I think you know I you know with

2471

01:43:08,149 --> 01:43:05,100

lighting and stuff I'm I'm not really

2472

01:43:08,990 --> 01:43:08,159

that bothered but right I've done all of

2473

01:43:11,570 --> 01:43:09,000

that

2474

01:43:13,669 --> 01:43:11,580

I mean here's here's here's the this

2475

01:43:15,609 --> 01:43:13,679

this stuff just freaks me out this is

2476

01:43:18,590 --> 01:43:15,619

the AI

2477

01:43:21,530 --> 01:43:18,600

off-planet stuff that I'm talking about

2478

01:43:26,149 --> 01:43:21,540

all of my locks

2479

01:43:30,370 --> 01:43:26,159

are electronic now

2480

01:43:34,070 --> 01:43:30,380

I don't have keys on a keychain Chris

2481

01:43:35,770 --> 01:43:34,080

that must feel we adoption yeah man I'm

2482

01:43:39,649 --> 01:43:35,780

telling you

2483

01:43:41,209 --> 01:43:39,659

right and now so I'm so freaked out

2484

01:43:43,010 --> 01:43:41,219

about it I know that there are people

2485

01:43:43,970 --> 01:43:43,020

that are listening to me right now that

2486

01:43:46,550 --> 01:43:43,980

get it

2487

01:43:48,830 --> 01:43:46,560

I can't go outside

2488

01:43:50,390 --> 01:43:48,840

without my phone

2489

01:43:53,990 --> 01:43:50,400

why

2490

01:43:56,169 --> 01:43:54,000

what if the house decides to lock me out

2491

01:43:58,750 --> 01:43:56,179

right

2492

01:44:00,609 --> 01:43:58,760

you're locked out forever let me in

2493

01:44:03,109 --> 01:44:00,619

right

2494

01:44:06,410 --> 01:44:03,119

get back in my own home

2495

01:44:09,290 --> 01:44:06,420

and it's you know now I have keys

2496

01:44:10,850 --> 01:44:09,300

somewhere I haven't I don't even know

2497

01:44:12,890 --> 01:44:10,860

where the heck you know I got a keychain

2498

01:44:15,109 --> 01:44:12,900

with keys on it somewhere but I don't I

2499

01:44:17,149 --> 01:44:15,119

don't leave the house with those I leave

2500

01:44:21,050 --> 01:44:17,159

the house with this

2501

01:44:23,450 --> 01:44:21,060

right that's crazy that's crazy I I

2502

01:44:25,370 --> 01:44:23,460

think we've given up too much

2503

01:44:26,570 --> 01:44:25,380

yeah I think we have you know I mean I

2504

01:44:28,189 --> 01:44:26,580

like the old lock and key you know

2505

01:44:30,890 --> 01:44:28,199

almost I like the same key for every

2506

01:44:33,109 --> 01:44:30,900

door but you know if you've got one key

2507

01:44:34,790 --> 01:44:33,119

it's good to go I mean you know

2508

01:44:36,470 --> 01:44:34,800

certainly cars like that you know you

2509

01:44:37,729 --> 01:44:36,480

just got a start button and you just you

2510

01:44:39,290 --> 01:44:37,739

know as long as you've got the keychain

2511

01:44:41,689 --> 01:44:39,300

your pocket you can open the car and

2512

01:44:45,709 --> 01:44:41,699

everything else

2513

01:44:48,950 --> 01:44:45,719

is it yeah Chris isn't it this has to be

2514

01:44:52,310 --> 01:44:48,960

an ET agenda it has to be man it's

2515

01:44:55,729 --> 01:44:52,320

happened too quick and and and we've

2516

01:44:57,950 --> 01:44:55,739

given up that very control

2517

01:44:59,930 --> 01:44:57,960

um not only in our lives with the

2518

01:45:02,090 --> 01:44:59,940

internet and what we watch what we see

2519

01:45:04,010 --> 01:45:02,100

what we're told what we're fed the

2520

01:45:08,689 --> 01:45:04,020

information our health and everything

2521

01:45:12,109 --> 01:45:08,699

all the way down to our locations uh our

2522

01:45:13,970 --> 01:45:12,119

habits what we do uh email our

2523

01:45:18,350 --> 01:45:13,980

relationships

2524

01:45:22,129 --> 01:45:18,360

um everything now is is is it's a meta

2525

01:45:23,870 --> 01:45:22,139

it's a metaverse man it's it's I think

2526

01:45:25,970 --> 01:45:23,880

you know I personally think people I

2527

01:45:28,010 --> 01:45:25,980

mean I don't like phones uh that much I

2528

01:45:29,510 --> 01:45:28,020

mean I don't spend time on it

2529

01:45:30,830 --> 01:45:29,520

um of course I phone people up with it

2530

01:45:32,510 --> 01:45:30,840

but I have to have it because of the

2531

01:45:35,090 --> 01:45:32,520

ministry because you know I've got the

2532

01:45:36,830 --> 01:45:35,100

uh calendar on it and different things

2533

01:45:39,410 --> 01:45:36,840

but you know I don't use it that much

2534

01:45:41,090 --> 01:45:39,420

because you know I think it's good to

2535

01:45:42,350 --> 01:45:41,100

stay off it for a while and you know I'd

2536

01:45:43,490 --> 01:45:42,360

encourage everyone with that because you

2537

01:45:44,990 --> 01:45:43,500

need to do some other stuff we get

2538

01:45:47,090 --> 01:45:45,000

addicted I've switched all the

2539

01:45:49,970 --> 01:45:47,100

notifications off because it goes oh

2540

01:45:51,470 --> 01:45:49,980

who's that you know and you just it's

2541

01:45:53,689 --> 01:45:51,480

like an automatic reaction let's go and

2542

01:45:54,950 --> 01:45:53,699

have a look right now and people seem to

2543

01:45:57,470 --> 01:45:54,960

expect like

2544

01:46:00,229 --> 01:45:57,480

um a return text or something within

2545

01:46:02,090 --> 01:46:00,239

like minutes nowadays so and I don't

2546

01:46:03,890 --> 01:46:02,100

work like that it's oh okay I'll go I'll

2547

01:46:05,570 --> 01:46:03,900

get it later you know something

2548

01:46:07,310 --> 01:46:05,580

but you know if you've got notifications

2549

01:46:10,729 --> 01:46:07,320

pinging all day you know you're going to

2550

01:46:13,609 --> 01:46:10,739

get PTSD oh my God what's that oh what's

2551

01:46:15,590 --> 01:46:13,619

that you know and it it puts a lot of

2552

01:46:17,810 --> 01:46:15,600

stress I think in your system without

2553

01:46:21,109 --> 01:46:17,820

even realizing it yeah but now you're

2554

01:46:24,109 --> 01:46:21,119

showing your age and let me tell you why

2555

01:46:29,810 --> 01:46:24,119

yeah probably yeah because

2556

01:46:31,550 --> 01:46:29,820

the the the generations uh 30 and under

2557

01:46:34,729 --> 01:46:31,560

all of it

2558

01:46:36,410 --> 01:46:34,739

their DNA is fundamentally changed their

2559

01:46:39,890 --> 01:46:36,420

relationships are here

2560

01:46:42,770 --> 01:46:39,900

their friends are here they are friends

2561

01:46:45,890 --> 01:46:42,780

they are they are emotionally uh

2562

01:46:47,209 --> 01:46:45,900

entwined with people they have never met

2563

01:46:50,050 --> 01:46:47,219

in person

2564

01:46:54,050 --> 01:46:50,060

right and they understand

2565

01:46:55,189 --> 01:46:54,060

this world this is their Community

2566

01:46:58,609 --> 01:46:55,199

um all of it

2567

01:47:01,370 --> 01:46:58,619

all of it all of it oh everything that

2568

01:47:03,350 --> 01:47:01,380

they do everything uh throughout it's

2569

01:47:06,229 --> 01:47:03,360

all right here now and I think it's

2570

01:47:08,030 --> 01:47:06,239

fundamentally changed DNA

2571

01:47:09,890 --> 01:47:08,040

yeah I think it does because emotion and

2572

01:47:11,390 --> 01:47:09,900

things like this it's a DNA changer for

2573

01:47:13,930 --> 01:47:11,400

sure you know I mean they do operate

2574

01:47:16,370 --> 01:47:13,940

differently than probably we do you know

2575

01:47:18,590 --> 01:47:16,380

I remember what I was at Crum field they

2576

01:47:21,590 --> 01:47:18,600

had the remember digital you know the

2577

01:47:25,910 --> 01:47:21,600

computer company I do yeah well we had a

2578

01:47:28,010 --> 01:47:25,920

we had a vax uh 11 17 it was like you

2579

01:47:29,930 --> 01:47:28,020

know it was like a huge thing here and

2580

01:47:33,530 --> 01:47:29,940

we have this we have the hard drive

2581

01:47:37,250 --> 01:47:33,540

which it was 80 um

2582

01:47:40,070 --> 01:47:37,260

not even kilobytes what's it yeah 80

2583

01:47:41,570 --> 01:47:40,080

bytes or it was really small but a huge

2584

01:47:44,810 --> 01:47:41,580

thing you know and then you've got the

2585

01:47:46,310 --> 01:47:44,820

12 inch floppy drives

2586

01:47:47,930 --> 01:47:46,320

and you know I used to get this thing to

2587

01:47:49,790 --> 01:47:47,940

run things it used to take about four

2588

01:47:52,310 --> 01:47:49,800

days to go on some algorithms you know

2589

01:47:54,290 --> 01:47:52,320

for flight Control Systems now you could

2590

01:47:56,590 --> 01:47:54,300

do in seconds you know it's incredible

2591

01:47:59,209 --> 01:47:56,600

well it has got a

2592

01:48:01,970 --> 01:47:59,219

here's but but here's the trippy thing

2593

01:48:03,530 --> 01:48:01,980

and and I kind of uh

2594

01:48:09,530 --> 01:48:03,540

uh

2595

01:48:11,990 --> 01:48:09,540

too quickly without understanding the

2596

01:48:15,530 --> 01:48:12,000

implications we we tapped out we tapped

2597

01:48:18,950 --> 01:48:15,540

out we we have given in to the digital

2598

01:48:20,870 --> 01:48:18,960

lifestyle and you mentioned this earlier

2599

01:48:22,729 --> 01:48:20,880

I'm gonna Circle back

2600

01:48:25,790 --> 01:48:22,739

in China

2601

01:48:30,530 --> 01:48:28,250

that's your girlfriend

2602

01:48:35,810 --> 01:48:30,540

right that's your boyfriend

2603

01:48:37,370 --> 01:48:35,820

and you have a digital companion that

2604

01:48:38,990 --> 01:48:37,380

keeps you company

2605

01:48:41,209 --> 01:48:39,000

that's your friend

2606

01:48:43,790 --> 01:48:41,219

that's and they know they're looking at

2607

01:48:47,090 --> 01:48:43,800

it they know it's it's anime they know

2608

01:48:48,890 --> 01:48:47,100

it's animation they know it's not real

2609

01:48:52,250 --> 01:48:48,900

but they don't care

2610

01:48:55,250 --> 01:48:52,260

it's it's emotional thing and if that

2611

01:48:57,950 --> 01:48:55,260

isn't evidence of tapping out

2612

01:49:03,649 --> 01:48:57,960

right the word this is an accepted

2613

01:49:08,030 --> 01:49:03,659

social Norm it is normal to have your

2614

01:49:11,270 --> 01:49:08,040

best friend be uh an AI chat bot

2615

01:49:13,010 --> 01:49:11,280

that's pretty scary isn't it oh it isn't

2616

01:49:14,990 --> 01:49:13,020

it desensitizes people you know because

2617

01:49:16,609 --> 01:49:15,000

they're getting used to that like you're

2618

01:49:18,470 --> 01:49:16,619

saying you get used to Boston Dynamic

2619

01:49:19,850 --> 01:49:18,480

you get used to Wiggles around and you

2620

01:49:22,729 --> 01:49:19,860

know it's got human like you know

2621

01:49:24,590 --> 01:49:22,739

movement and and so you know your minds

2622

01:49:26,990 --> 01:49:24,600

can't say oh you know maybe it's human

2623

01:49:30,410 --> 01:49:27,000

it's not of course but you know but I

2624

01:49:33,050 --> 01:49:30,420

think it really does desensitize people

2625

01:49:35,930 --> 01:49:33,060

um is is one of the best ways to do it

2626

01:49:38,870 --> 01:49:35,940

is is the way that you're doing it which

2627

01:49:40,490 --> 01:49:38,880

is you know put your phone down

2628

01:49:42,770 --> 01:49:40,500

I think you've got to have some

2629

01:49:45,649 --> 01:49:42,780

discipline with the phone in my opinion

2630

01:49:47,570 --> 01:49:45,659

that that's just because I work on a lot

2631

01:49:52,430 --> 01:49:47,580

of uh

2632

01:49:54,109 --> 01:49:52,440

issues you know and I actually support a

2633

01:49:55,970 --> 01:49:54,119

lot of psychiatrists psychologists like

2634

01:49:57,890 --> 01:49:55,980

you know psychotherapists

2635

01:50:00,109 --> 01:49:57,900

because honestly Jimmy they're

2636

01:50:02,450 --> 01:50:00,119

struggling right now because you know

2637

01:50:04,490 --> 01:50:02,460

whereas they may do like eight sessions

2638

01:50:05,930 --> 01:50:04,500

for people they can't cope with it

2639

01:50:08,330 --> 01:50:05,940

because the amount of angst innocent

2640

01:50:10,010 --> 01:50:08,340

people and what's happening uh they're

2641

01:50:11,570 --> 01:50:10,020

overloaded so you know we kind of

2642

01:50:13,490 --> 01:50:11,580

support them by releasing the emotion

2643

01:50:15,109 --> 01:50:13,500

everything else but one thing I'm seeing

2644

01:50:17,149 --> 01:50:15,119

is that they're trying to encourage

2645

01:50:18,709 --> 01:50:17,159

people like you know detach from the

2646

01:50:20,810 --> 01:50:18,719

phone a bit you've got to have phone

2647

01:50:22,850 --> 01:50:20,820

time you've got to have not and uh

2648

01:50:24,770 --> 01:50:22,860

switch off the the you know the

2649

01:50:27,709 --> 01:50:24,780

notifications because they just cause

2650

01:50:28,970 --> 01:50:27,719

PTSD in some people oh my God you know

2651

01:50:31,189 --> 01:50:28,980

they just live I've got to look at it

2652

01:50:33,590 --> 01:50:31,199

you know you know you know let's all

2653

01:50:35,689 --> 01:50:33,600

relaxable you know yeah

2654

01:50:37,669 --> 01:50:35,699

time without phone you know maybe leave

2655

01:50:39,530 --> 01:50:37,679

it in the house and just you know go and

2656

01:50:41,570 --> 01:50:39,540

see it you know in the next two or three

2657

01:50:43,850 --> 01:50:41,580

hours but the only problem is of course

2658

01:50:46,490 --> 01:50:43,860

with alarms you know my phone's got

2659

01:50:48,109 --> 01:50:46,500

alarm and so it has to be by the bed and

2660

01:50:49,550 --> 01:50:48,119

you know they're good alarms but you

2661

01:50:51,770 --> 01:50:49,560

know you have to I think you have to

2662

01:50:54,530 --> 01:50:51,780

detach from the Social Media stuff to me

2663

01:50:56,330 --> 01:50:54,540

getting back to Nature my favorite thing

2664

01:50:58,790 --> 01:50:56,340

on our property you know we've got so

2665

01:51:00,350 --> 01:50:58,800

many trees and it's got a huge fire pit

2666

01:51:02,810 --> 01:51:00,360

you know you can cook things in the fire

2667

01:51:04,010 --> 01:51:02,820

so we'll go down there the best thing I

2668

01:51:06,350 --> 01:51:04,020

could think of is just sitting there

2669

01:51:07,790 --> 01:51:06,360

having a beer and sitting amongst the

2670

01:51:10,189 --> 01:51:07,800

trees because if you've got any angsty

2671

01:51:12,169 --> 01:51:10,199

energy you can feel the trees absorbing

2672

01:51:14,570 --> 01:51:12,179

you think wow this is amazing you feel

2673

01:51:16,370 --> 01:51:14,580

so great you know there's nothing better

2674

01:51:17,930 --> 01:51:16,380

than the feeling of nature but that's

2675

01:51:19,870 --> 01:51:17,940

just my opinion you know other people

2676

01:51:23,590 --> 01:51:19,880

think differently

2677

01:51:27,590 --> 01:51:23,600

when um I try to

2678

01:51:30,050 --> 01:51:27,600

describe I like to inform right and so

2679

01:51:33,709 --> 01:51:30,060

when I describe people what I feel has

2680

01:51:35,209 --> 01:51:33,719

been a big part of my growth uh over the

2681

01:51:37,850 --> 01:51:35,219

last 10 years

2682

01:51:41,330 --> 01:51:37,860

is that believe it or not

2683

01:51:42,890 --> 01:51:41,340

I actually talked to somebody for three

2684

01:51:45,290 --> 01:51:42,900

hours a night

2685

01:51:48,770 --> 01:51:45,300

now stop and think about what I just

2686

01:51:50,930 --> 01:51:48,780

said right you and I communication yeah

2687

01:51:54,229 --> 01:51:50,940

we're just talking

2688

01:51:56,450 --> 01:51:54,239

all right and and when I suggest to

2689

01:51:57,950 --> 01:51:56,460

somebody and I'll do it man Chris I'll

2690

01:51:59,930 --> 01:51:57,960

look straight in their eyes

2691

01:52:03,109 --> 01:51:59,940

you know what check this out

2692

01:52:04,390 --> 01:52:03,119

try putting your phone down for three

2693

01:52:08,030 --> 01:52:04,400

hours

2694

01:52:11,689 --> 01:52:08,040

and just talk to somebody

2695

01:52:14,030 --> 01:52:11,699

like what why would I do that I could

2696

01:52:15,649 --> 01:52:14,040

just text a little you know why would I

2697

01:52:34,790 --> 01:52:15,659

do

2698

01:52:37,790 --> 01:52:34,800

that I'm at a conference or when I'm not

2699

01:52:39,830 --> 01:52:37,800

doing that I'm taping a TV show right

2700

01:52:41,930 --> 01:52:39,840

where I'm actually

2701

01:52:45,530 --> 01:52:41,940

talking to somebody

2702

01:52:47,990 --> 01:52:45,540

my phone is turned off right now well it

2703

01:52:50,990 --> 01:52:48,000

lights up but it's on mute

2704

01:52:53,030 --> 01:52:51,000

right I I don't it it's off it's off and

2705

01:52:57,050 --> 01:52:53,040

a matter of fact it stays off all day

2706

01:52:59,750 --> 01:52:57,060

I only use the phone if I'm calling out

2707

01:53:02,030 --> 01:52:59,760

thank you I'm gonna say much yeah it's

2708

01:53:03,830 --> 01:53:02,040

not cool people you know yeah I don't

2709

01:53:05,930 --> 01:53:03,840

text very often I always call people I

2710

01:53:07,570 --> 01:53:05,940

mean I'm dyslexia anyway so that you

2711

01:53:09,950 --> 01:53:07,580

know that creates a problem

2712

01:53:11,450 --> 01:53:09,960

how the heck do you write books oh

2713

01:53:13,910 --> 01:53:11,460

that's a long story you know you have to

2714

01:53:16,970 --> 01:53:13,920

dictate the you know I'm not that good

2715

01:53:19,129 --> 01:53:16,980

yeah but but you know I just love

2716

01:53:21,169 --> 01:53:19,139

phoning someone Hi how are you doing you

2717

01:53:23,810 --> 01:53:21,179

know and it's great to be like in

2718

01:53:27,649 --> 01:53:23,820

conversation as opposed to texting or

2719

01:53:29,990 --> 01:53:27,659

emailing or yeah I would say that do you

2720

01:53:31,490 --> 01:53:30,000

remember uh talking what do you mean

2721

01:53:35,350 --> 01:53:31,500

like a conversation do you remember

2722

01:53:38,890 --> 01:53:35,360

doing that well kind of you're right

2723

01:53:42,729 --> 01:53:38,900

yeah yeah it just doesn't happen anymore

2724

01:53:46,850 --> 01:53:42,739

and uh yeah and and when I'm at dinner

2725

01:53:48,290 --> 01:53:46,860

or first off it's it's not you know at

2726  
01:53:51,229 --> 01:53:48,300  
the dinner table number one but number

2727  
01:53:55,790 --> 01:53:51,239  
two if I'm out at a restaurant or

2728  
01:53:58,310 --> 01:53:55,800  
whatever my phone is in my pocket it's

2729  
01:54:00,890 --> 01:53:58,320  
not on the table I think that's rude

2730  
01:54:04,189 --> 01:54:00,900  
right oh I'm going to share my attention

2731  
01:54:07,250 --> 01:54:04,199  
with you and this phone no that's not

2732  
01:54:09,950 --> 01:54:07,260  
right so now don't turn it upside down

2733  
01:54:11,570 --> 01:54:09,960  
that's still the same thing no take it

2734  
01:54:16,129 --> 01:54:11,580  
put it in your purse put it in your

2735  
01:54:18,830 --> 01:54:16,139  
pocket and get it off the table and and

2736  
01:54:19,910 --> 01:54:18,840  
present and people press it be in the

2737  
01:54:21,709 --> 01:54:19,920  
now now

2738  
01:54:25,370 --> 01:54:21,719

and I think that's the best way forward

2739

01:54:28,129 --> 01:54:25,380

we got to we got to digitally detox my

2740

01:54:29,689 --> 01:54:28,139

friend got to figure out what we do I

2741

01:54:31,550 --> 01:54:29,699

think we do for the for the sake of us

2742

01:54:34,129 --> 01:54:31,560

all you know because I think it's gonna

2743

01:54:35,870 --> 01:54:34,139

you know and and also get back to some

2744

01:54:37,609 --> 01:54:35,880

fun things other than the phone that you

2745

01:54:39,229 --> 01:54:37,619

can do you don't have to be on the phone

2746

01:54:41,330 --> 01:54:39,239

all the time I mean you know do some

2747

01:54:43,729 --> 01:54:41,340

like if you like cooking or you like Mr

2748

01:54:45,770 --> 01:54:43,739

music put some music on and you know

2749

01:54:48,530 --> 01:54:45,780

have some people around have a beer have

2750

01:54:50,510 --> 01:54:48,540

a laugh you know that's that you know we

2751

01:54:52,070 --> 01:54:50,520

need Community we don't need the phone's

2752

01:54:54,530 --> 01:54:52,080

not really a community it's just the

2753

01:54:56,209 --> 01:54:54,540

thing you know but uh I would encourage

2754

01:54:57,770 --> 01:54:56,219

people to do that for the mental for the

2755

01:54:59,510 --> 01:54:57,780

mental health really yeah I think it

2756

01:55:01,550 --> 01:54:59,520

makes you a lot more healthy you know

2757

01:55:03,770 --> 01:55:01,560

yeah we jumped in too quick without

2758

01:55:06,350 --> 01:55:03,780

understanding uh what we were dealing

2759

01:55:08,270 --> 01:55:06,360

with Chris how can every thank you for

2760

01:55:10,550 --> 01:55:08,280

another great show and another great

2761

01:55:12,290 --> 01:55:10,560

conversation how can everybody reach out

2762

01:55:14,410 --> 01:55:12,300

and find you

2763

01:55:16,910 --> 01:55:14,420

yeah if you go to a global

2764

01:55:19,490 --> 01:55:16,920

enlightenmentproject.com and uh you know

2765

01:55:21,709 --> 01:55:19,500

you can you know email us to the website

2766

01:55:24,050 --> 01:55:21,719

uh you can phone us up you know we have

2767

01:55:25,669 --> 01:55:24,060

10 staff I don't even know that but

2768

01:55:27,169 --> 01:55:25,679

um I've got 10 staff doing various

2769

01:55:28,729 --> 01:55:27,179

things but you know there's girls in the

2770

01:55:31,250 --> 01:55:28,739

office who answer the phone they do the

2771

01:55:33,169 --> 01:55:31,260

emails uh I've got people doing social

2772

01:55:34,790 --> 01:55:33,179

media all that stuff so you know if you

2773

01:55:37,129 --> 01:55:34,800

just want to reach out you know go to

2774

01:55:38,570 --> 01:55:37,139

Global enlightenmentproject.com and you

2775

01:55:40,609 --> 01:55:38,580

can send an email through the website

2776

01:55:42,709 --> 01:55:40,619

and we'll get it and you know

2777

01:55:44,390 --> 01:55:42,719

come try some healings it might really

2778

01:55:46,729 --> 01:55:44,400

help you know especially now because

2779

01:55:48,290 --> 01:55:46,739

like I say the mental state of this

2780

01:55:50,689 --> 01:55:48,300

planet is you know not very good

2781

01:55:52,850 --> 01:55:50,699

especially in the US and I think I can

2782

01:55:54,649 --> 01:55:52,860

see people getting PTSD angsty and

2783

01:55:56,450 --> 01:55:54,659

when's it going to happen well don't

2784

01:55:58,310 --> 01:55:56,460

worry about it you know just if you

2785

01:55:59,810 --> 01:55:58,320

enjoy your life every day what's it

2786

01:56:02,450 --> 01:55:59,820

matter what happens tomorrow or the next

2787

01:56:04,070 --> 01:56:02,460

day you know just that day because that

2788

01:56:04,970 --> 01:56:04,080

day is creating a future there is no

2789

01:56:07,250 --> 01:56:04,980

future

2790

01:56:09,050 --> 01:56:07,260

um until you've created it you know in

2791

01:56:11,390 --> 01:56:09,060

the now right now you know and so

2792

01:56:14,750 --> 01:56:11,400

whatever you do to enjoy yourself I'll

2793

01:56:16,970 --> 01:56:14,760

shape your future and passion that

2794

01:56:19,430 --> 01:56:16,980

passion is so important thank you so

2795

01:56:21,649 --> 01:56:19,440

much my friend and uh thank you for

2796

01:56:24,590 --> 01:56:21,659

doing what you're doing hey say say hi

2797

01:56:26,890 --> 01:56:24,600

to Lady die for me I will I promise yeah

2798

01:56:31,310 --> 01:56:26,900

I'll put a good word

2799

01:56:37,609 --> 01:56:34,510

Chris thank you so much my friend

2800

01:56:38,330 --> 01:56:37,619

be safe out there it's a crazy world all

2801  
01:56:40,790 --> 01:56:38,340  
right

2802  
01:56:45,010 --> 01:56:40,800  
I'll talk to you Chris thank you so much

2803  
01:56:47,450 --> 01:56:45,020  
Christopher Macklin and yes a global

2804  
01:56:51,290 --> 01:56:47,460  
enlightenmentproject.com the links are

2805  
01:56:53,990 --> 01:56:51,300  
below it's all easy to get to and so go

2806  
01:56:55,490 --> 01:56:54,000  
check them out and and man I'm going to

2807  
01:56:57,530 --> 01:56:55,500  
tell you uh check out his YouTube

2808  
01:56:59,689 --> 01:56:57,540  
channel and some of the stuff that he's

2809  
01:57:02,450 --> 01:56:59,699  
working working on it's absolutely

2810  
01:57:05,570 --> 01:57:02,460  
amazing Fade to Black all right we're

2811  
01:57:09,530 --> 01:57:05,580  
heading into the weekend

2812  
01:57:11,390 --> 01:57:09,540  
and uh this time tomorrow we should be

2813  
01:57:14,629 --> 01:57:11,400

in the middle of a giant blizzard here

2814

01:57:16,310 --> 01:57:14,639

in Southern California so maybe I'll

2815

01:57:18,470 --> 01:57:16,320

live stream tomorrow I'm going to be on

2816

01:57:20,810 --> 01:57:18,480

with Christina Gomez tomorrow as well

2817

01:57:23,390 --> 01:57:20,820

doing the news Fade to Black is produced

2818

01:57:25,669 --> 01:57:23,400

by Hilton J Palm Renee Dennis and Kevin

2819

01:57:27,910 --> 01:57:25,679

webmaster is Drew the geek music Doug

2820

01:57:30,530 --> 01:57:27,920

Aldrich intro space boy

2821

01:57:32,390 --> 01:57:30,540

spaceboymusic.com Fade to Black is

2822

01:57:34,310 --> 01:57:32,400

produced by kjcr for the game changer

2823

01:57:36,890 --> 01:57:34,320

Network and this broadcast is owned and

2824

01:57:39,229 --> 01:57:36,900

copyrighted 2023 by Fade to Black and

01:57:41,209 --> 01:57:39,239

The Game Changer Network Inc it cannot

2826  
01:57:43,010 --> 01:57:41,219  
be rebroadcast downloaded copied or used

2827  
01:57:44,810 --> 01:57:43,020  
anywhere in the known universe without

2828  
01:57:46,250 --> 01:57:44,820  
written permission from Fade to block of

2829  
01:57:48,649 --> 01:57:46,260  
the game change network

2830  
01:57:51,649 --> 01:57:48,659  
I'll see everybody tomorrow but until

2831  
01:57:52,910 --> 01:57:51,659  
Monday have a great safe fun and amazing

2832  
01:57:55,430 --> 01:57:52,920  
weekend

2833  
01:58:00,460 --> 01:57:55,440  
that's right be safe

2834  
01:58:00,470 --> 01:58:13,609  
[Music]

2835  
01:58:20,330 --> 01:58:15,570  
oh

2836  
01:58:22,130 --> 01:58:20,340  
[Music]
