

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Thur Mar 02, 2023 **LIVE**

1
00:00:37,940 --> 00:00:27,960

[Music]

2
00:00:41,810 --> 00:00:37,950

thank you

3
00:00:47,990 --> 00:00:44,330

all right Fade to Black breaking news

4
00:00:51,229 --> 00:00:48,000

for this Thursday March 2nd 2023 I'm

5
00:00:54,170 --> 00:00:51,239

Jimmy church this is all of the news

6
00:00:57,290 --> 00:00:54,180

that you need and as you can see I'm

7
00:01:01,209 --> 00:00:57,300

still not wearing glasses let's do this

8
00:01:05,509 --> 00:01:01,219

one more time on this day in history

9
00:01:08,690 --> 00:01:05,519

1972 Pioneer 10 the world's first outer

10
00:01:10,250 --> 00:01:08,700

planetary probe is launched from Cape

11
00:01:14,090 --> 00:01:10,260

Canaveral Florida on a mission to

12
00:01:17,270 --> 00:01:14,100

Jupiter in June 1983 11 years later

13
00:01:19,190 --> 00:01:17,280

Pioneer 10 left the solar system and the

14

00:01:22,550 --> 00:01:19,200

next day radioed back the first

15

00:01:27,649 --> 00:01:22,560

scientific data on Interstellar space

16

00:01:29,450 --> 00:01:27,659

huge day in 1972. here's your fader fact

17

00:01:33,770 --> 00:01:29,460

fully vetted

18

00:01:37,690 --> 00:01:33,780

Kentucky that's right Kentucky

19

00:01:39,590 --> 00:01:37,700

has more caves than any other location

20

00:01:42,890 --> 00:01:39,600

on Earth

21

00:01:45,249 --> 00:01:42,900

and that is your fader fact we've got a

22

00:01:49,069 --> 00:01:45,259

huge news day today let's get started

23

00:01:50,990 --> 00:01:49,079

breaking news out of Egypt a mysterious

24

00:01:54,109 --> 00:01:51,000

hidden Corridor buried deep inside

25

00:01:57,530 --> 00:01:54,119

Egypt's Great Pyramid of Giza has been

26

00:02:00,109 --> 00:01:57,540

seen for the very first time scientists

27

00:02:02,690 --> 00:02:00,119

discovered the passageway back in 2016

28

00:02:05,510 --> 00:02:02,700

they did not want to damage the pyramid

29

00:02:08,270 --> 00:02:05,520

to gain access to it so they used an

30

00:02:11,570 --> 00:02:08,280

endoscopic camera and a technique called

31

00:02:13,729 --> 00:02:11,580

cosmic ray muon radiography and they

32

00:02:17,030 --> 00:02:13,739

were able to shoot video and map the

33

00:02:20,630 --> 00:02:17,040

corridor and confirm that it is 30 feet

34

00:02:23,270 --> 00:02:20,640

long seven feet wide in about seven feet

35

00:02:25,670 --> 00:02:23,280

tall the footage from the camera was

36

00:02:28,610 --> 00:02:25,680

unveiled at a news conference beside the

37

00:02:30,589 --> 00:02:28,620

pyramid earlier today it showed an empty

38

00:02:34,729 --> 00:02:30,599

Corridor with walls made out of stone

39

00:02:37,190 --> 00:02:34,739

blocks and a vaulted Stone ceiling they

40

00:02:39,290 --> 00:02:37,200

also said at the conference that the

41

00:02:41,089 --> 00:02:39,300

design was to help redistribute the

42

00:02:44,770 --> 00:02:41,099

parent pyramid's weight around the

43

00:02:48,470 --> 00:02:44,780

entrance of another undiscovered chamber

44

00:02:50,750 --> 00:02:48,480

a pretty bold statement now a second

45

00:02:54,710 --> 00:02:50,760

larger void inside the pyramid was

46

00:02:58,190 --> 00:02:54,720

detected using moography back in 2017 it

47

00:03:01,729 --> 00:02:58,200

is estimated to be 90 feet long 15 feet

48

00:03:04,970 --> 00:03:01,739

wide and about 15 feet tall and is

49

00:03:07,250 --> 00:03:04,980

located directly above the grand Gallery

50

00:03:10,309 --> 00:03:07,260

we're going to find out in the next few

51
00:03:13,910 --> 00:03:10,319
months if there is another chamber

52
00:03:16,850 --> 00:03:13,920
another room at the end of that Corridor

53
00:03:21,710 --> 00:03:16,860
all right I'll keep you posted the

54
00:03:24,350 --> 00:03:21,720
Canadians gov now this is also huge news

55
00:03:28,369 --> 00:03:24,360
the Canadian government's top scientist

56
00:03:31,550 --> 00:03:28,379
has launched a study into UFOs and uaps

57
00:03:34,970 --> 00:03:31,560
otherwise known as unidentified aerial

58
00:03:38,330 --> 00:03:34,980
phenomena it's called the sky Canada

59
00:03:40,490 --> 00:03:38,340
project and the study being conducted by

60
00:03:43,490 --> 00:03:40,500
the office of the chief science advisor

61
00:03:47,089 --> 00:03:43,500
of Canada is the first known official

62
00:03:51,710 --> 00:03:47,099
Canadian UFO research effort in nearly

63
00:03:55,430 --> 00:03:51,720

30 years according to a February 2023

64

00:03:57,410 --> 00:03:55,440

PowerPoint presentation the study seeks

65

00:03:59,630 --> 00:03:57,420

to understand how UAP reports are

66

00:04:01,970 --> 00:03:59,640

handled in Canada and to offer

67

00:04:04,670 --> 00:04:01,980

recommendations for improvements if

68

00:04:07,210 --> 00:04:04,680

needed the project plans to collect

69

00:04:10,250 --> 00:04:07,220

information this winter and spring

70

00:04:13,190 --> 00:04:10,260

before preparing an internal draft

71

00:04:17,449 --> 00:04:13,200

report in the fall and the final public

72

00:04:19,069 --> 00:04:17,459

report in the winter or spring of 2024

73

00:04:21,530 --> 00:04:19,079

looks like we're gonna have to wait

74

00:04:23,270 --> 00:04:21,540

about a year for the public report out

75

00:04:27,170 --> 00:04:23,280

of Canada

76

00:04:29,990 --> 00:04:27,180

a defensive trench dating back 6 000

77

00:04:33,050 --> 00:04:30,000

years has been discovered at a relic

78

00:04:35,330 --> 00:04:33,060

site in China's Central Hanan Province

79

00:04:39,469 --> 00:04:35,340

according to the municipal Institute of

80

00:04:42,710 --> 00:04:39,479

archeology of the luau Yang City the

81

00:04:47,510 --> 00:04:42,720

Trench located at the swayang relics

82

00:04:49,610 --> 00:04:47,520

site in Yang County was dug manually and

83

00:04:52,490 --> 00:04:49,620

the shape and the structure reflected a

84

00:04:56,330 --> 00:04:52,500

powerful and orderly social organization

85

00:04:58,850 --> 00:04:56,340

ability and Technical level based on

86

00:05:01,370 --> 00:04:58,860

Unearthed relics and the accumulated

87

00:05:03,110 --> 00:05:01,380

layers in the trench archaeologists

88

00:05:06,550 --> 00:05:03,120

believe that the trench had gone through

89

00:05:11,749 --> 00:05:06,560

three periods of culture dating back to

90

00:05:14,689 --> 00:05:11,759

5000 to 7 000 years incredible hour lost

91

00:05:15,850 --> 00:05:14,699

history and continuing with that check

92

00:05:20,030 --> 00:05:15,860

this out

93

00:05:24,170 --> 00:05:20,040

ancient humans crafted bows and arrows

94

00:05:26,930 --> 00:05:24,180

in Europe as far back as 54 000 years

95

00:05:29,090 --> 00:05:26,940

ago strengthening the idea that these

96

00:05:30,950 --> 00:05:29,100

weapons were instrumental in the spread

97

00:05:33,430 --> 00:05:30,960

of early modern humans throughout the

98

00:05:36,529 --> 00:05:33,440

continent all of this in a new study

99

00:05:40,490 --> 00:05:36,539

Laura Mertz an archaeologist at the I

100

00:05:42,290 --> 00:05:40,500

Marcel University and Ludovic slimac a

101
00:05:44,990 --> 00:05:42,300
cultural Anthropologist at the

102
00:05:47,390 --> 00:05:45,000
University of toulouseion found the bows

103
00:05:51,170 --> 00:05:47,400
and arrows in a rock shelter that was

104
00:05:54,770 --> 00:05:51,180
inhabited by early humans about 54 000

105
00:05:59,210 --> 00:05:54,780
years ago and in what is now southern

106
00:06:01,730 --> 00:05:59,220
France until now 12 000 year old wooden

107
00:06:04,249 --> 00:06:01,740
artifacts in northern Europe were the

108
00:06:07,189 --> 00:06:04,259
earliest concrete evidence of bow and

109
00:06:12,110 --> 00:06:07,199
arrow technology on the continent now we

110
00:06:15,830 --> 00:06:12,120
can add over 40 000 years to that number

111
00:06:18,710 --> 00:06:15,840
a Bolivian man has described how he

112
00:06:21,950 --> 00:06:18,720
managed to survive for 31 days in the

113
00:06:26,029 --> 00:06:21,960

Amazon jungle after he got lost

114

00:06:28,550 --> 00:06:26,039

yeah Hatton Acosta 30 years old got

115

00:06:31,490 --> 00:06:28,560

separated from his four buddies while he

116

00:06:34,370 --> 00:06:31,500

was out hunting in Northern Bolivia he

117

00:06:36,350 --> 00:06:34,380

says now that he drank rain water

118

00:06:38,990 --> 00:06:36,360

collected in his shoes

119

00:06:41,390 --> 00:06:39,000

and eight worms

120

00:06:44,689 --> 00:06:41,400

that's right he did all of that while

121

00:06:48,770 --> 00:06:44,699

hiding from Jaguars and picari's you

122

00:06:50,749 --> 00:06:48,780

know the wild pigs Mr Acosta was finally

123

00:06:53,749 --> 00:06:50,759

found by a search party made up of

124

00:06:59,150 --> 00:06:53,759

locals and Friends a month after he had

125

00:07:01,670 --> 00:06:59,160

gone missing he ate worms

126

00:07:04,430 --> 00:07:01,680

six Air Force officers who were in

127

00:07:07,490 --> 00:07:04,440

charge of caring for infrastructure Fuel

128

00:07:10,670 --> 00:07:07,500

and Logistics support for a North Dakota

129

00:07:13,309 --> 00:07:10,680

nuclear missile base were relieved of

130

00:07:16,249 --> 00:07:13,319

command due to a loss of confidence in

131

00:07:19,010 --> 00:07:16,259

their ability to carry out their

132

00:07:20,749 --> 00:07:19,020

responsibilities the officers include

133

00:07:23,150 --> 00:07:20,759

two commanders and four subordinate

134

00:07:26,450 --> 00:07:23,160

officers at Menon Air Force Base

135

00:07:29,450 --> 00:07:26,460

including fifth Mission support group

136

00:07:32,330 --> 00:07:29,460

Commander Colonel Gregory Meyer and

137

00:07:35,270 --> 00:07:32,340

fifth Logistics Readiness Squadron major

138

00:07:38,390 --> 00:07:35,280

Jonathan Welch the four subordinate

139

00:07:42,550 --> 00:07:38,400

officers were not identified here's the

140

00:07:44,990 --> 00:07:42,560

deal we don't know what they didn't do

141

00:07:48,670 --> 00:07:45,000

the Air Force official was not

142

00:07:51,110 --> 00:07:48,680

authorized to discuss any other details

143

00:07:53,350 --> 00:07:51,120

nuclear missiles

144

00:07:58,490 --> 00:07:53,360

I'm Gonna Leave You with this

145

00:08:01,189 --> 00:07:58,500

Elon Musk announced yesterday that the

146

00:08:03,350 --> 00:08:01,199

next generation of Teslas will cost

147

00:08:07,309 --> 00:08:03,360

about half as much as their current

148

00:08:10,010 --> 00:08:07,319

models starting at around 25

149

00:08:14,029 --> 00:08:10,020

000 now that's normally huge news right

150

00:08:15,830 --> 00:08:14,039

that's cool news right it's big news

151

00:08:17,809 --> 00:08:15,840

well

152

00:08:22,010 --> 00:08:17,819

the statement was made at Tesla's

153

00:08:25,070 --> 00:08:22,020

offices in Austin Texas and then he

154

00:08:29,510 --> 00:08:25,080

followed up all of that with the next

155

00:08:32,510 --> 00:08:29,520

generation of cars will be built in

156

00:08:35,570 --> 00:08:32,520

Mexico at a new Factory they are

157

00:08:38,930 --> 00:08:35,580

building in Monterey

158

00:08:41,709 --> 00:08:38,940

yeah so shares of Tesla fell six percent

159

00:08:45,769 --> 00:08:41,719

and after hours trading last night

160

00:08:49,370 --> 00:08:45,779

during the presentation that ended just

161

00:08:51,949 --> 00:08:49,380

after 8 P.M Eastern Time

162

00:08:55,250 --> 00:08:51,959

yeah there you go

163

00:08:57,350 --> 00:08:55,260

Fade to Black breaking news all of the

164

00:09:00,949 --> 00:08:57,360

news that you need for Thursday March

165

00:09:03,170 --> 00:09:00,959

2nd 2023 Fade to Black breaking news is

166

00:09:09,370 --> 00:09:03,180

produced by Renee Newman I'm Jimmy

167

00:09:31,480 --> 00:09:21,510

[Music]
