

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

JIMMY CHURCH

AMA: ASK ME ANYTHING!

MON MAR 06 LIVE

7:00 PM PT/10:00PM ET

1
00:00:06,899 --> 00:00:11,540
foreign

2
00:00:11,550 --> 00:00:28,929
[Music]

3
00:00:33,770 --> 00:00:31,550
Air Forces has announced that applying

4
00:00:35,389 --> 00:00:33,780
disc has been found and is now in the

5
00:00:38,450 --> 00:00:35,399
possession of the army

6
00:00:42,229 --> 00:00:38,460
game is rigged change the game game

7
00:00:45,830 --> 00:00:42,239
changer I occasionally think how quickly

8
00:00:49,190 --> 00:00:45,840
our difference is worldwide would vanish

9
00:00:52,360 --> 00:00:49,200
if we were facing an alien threat from

10
00:00:52,540 --> 00:00:52,370
outside this work

11
00:00:54,850 --> 00:00:52,550
[Applause]

12
00:00:57,889 --> 00:00:54,860
[Music]

13
00:01:00,650 --> 00:00:57,899

this is Fade to Black with your host

14
00:01:01,310 --> 00:01:00,660
Jimmy Church on the game changer Radio

15
00:01:04,789 --> 00:01:01,320
Network

16
00:01:13,990 --> 00:01:08,750
all right welcome Fade to Black

17
00:01:17,810 --> 00:01:14,000
today is uh what are we Monday March 6

18
00:01:21,170 --> 00:01:17,820
2023 and tonight is our monthly we try

19
00:01:23,450 --> 00:01:21,180
to do it once a month or our AMA ask me

20
00:01:27,590 --> 00:01:23,460
anything so the guest tonight

21
00:01:31,130 --> 00:01:27,600
is me so welcome everyone let's get some

22
00:01:32,570 --> 00:01:31,140
uh basic basic rules down uh so you

23
00:01:36,590 --> 00:01:32,580
understand what's going on

24
00:01:41,390 --> 00:01:36,600
uh you can post your questions over in

25
00:01:45,590 --> 00:01:41,400
the YouTube chat and if you do put it in

26

00:01:49,609 --> 00:01:45,600

all caps so I can see them and the

27

00:01:52,370 --> 00:01:49,619

moderators too as well and uh yeah so if

28

00:01:55,249 --> 00:01:52,380

it's a funky question the moderators can

29

00:01:58,010 --> 00:01:55,259

block you from the channel forever

30

00:02:01,670 --> 00:01:58,020

no just put it in all caps because

31

00:02:05,209 --> 00:02:01,680

even though I can see now I haven't worn

32

00:02:07,310 --> 00:02:05,219

glasses for and almost 10 days I haven't

33

00:02:10,130 --> 00:02:07,320

even thought about picking up a pair of

34

00:02:13,970 --> 00:02:10,140

glasses normally I have them lined up

35

00:02:16,430 --> 00:02:13,980

right here they've been replaced by

36

00:02:18,830 --> 00:02:16,440

three guitar picks

37

00:02:21,350 --> 00:02:18,840

um right here and an alien hacky sack

38

00:02:22,970 --> 00:02:21,360

which I haven't put back in its position

39

00:02:25,670 --> 00:02:22,980

over there yet

40

00:02:28,070 --> 00:02:25,680

um but this is normally glasses that are

41

00:02:29,690 --> 00:02:28,080

stacked and then if they're not I have

42

00:02:31,550 --> 00:02:29,700

them here and then also if I want to

43

00:02:33,770 --> 00:02:31,560

reach with my right hand I have some

44

00:02:35,210 --> 00:02:33,780

over on the they're they're not in here

45

00:02:40,250 --> 00:02:35,220

anymore

46

00:02:42,830 --> 00:02:40,260

now got a pile of them out of my desk

47

00:02:45,589 --> 00:02:42,840

in my other office

48

00:02:48,890 --> 00:02:45,599

oh man I'm not kidding it's it's strange

49

00:02:52,610 --> 00:02:48,900

anyway so uh posted in all caps uh so I

50

00:02:55,250 --> 00:02:52,620

can see them and the amount of uh uh

51
00:02:59,869 --> 00:02:55,260
things that happen in our chat every

52
00:03:02,630 --> 00:02:59,879
night it is absolutely crazy and uh I'll

53
00:03:05,030 --> 00:03:02,640
let Michael know in the chat yeah you

54
00:03:07,729 --> 00:03:05,040
your question will get answered tonight

55
00:03:10,729 --> 00:03:07,739
Michael you don't have to post anymore

56
00:03:15,530 --> 00:03:12,770
um put it in all caps so I can see it

57
00:03:17,210 --> 00:03:15,540
and then uh when that happens we go

58
00:03:23,210 --> 00:03:17,220
through a process here it gets flagged

59
00:03:28,910 --> 00:03:23,220
it gets starred and uh Renee

60
00:03:37,009 --> 00:03:32,710
oh gotta up my game tonight

61
00:03:39,290 --> 00:03:37,019
Renee is in the chats

62
00:03:42,050 --> 00:03:39,300
all right hey Renee what's going on you

63
00:03:43,990 --> 00:03:42,060

gonna hang with the kids tonight Renee

64

00:03:46,089 --> 00:03:44,000

it's

65

00:03:48,890 --> 00:03:46,099

uh

66

00:03:51,170 --> 00:03:48,900

oh man that's an hour and a privilege

67

00:03:53,210 --> 00:03:51,180

Renee I don't know it's the first time

68

00:03:55,670 --> 00:03:53,220

I've seen it Renee have you been have

69

00:03:59,470 --> 00:03:55,680

you been creeping around in the past I

70

00:04:02,330 --> 00:03:59,480

haven't even thought about that ah

71

00:04:05,210 --> 00:04:02,340

devious Renee Renee's been producing for

72

00:04:07,670 --> 00:04:05,220

this show I don't even know Renee tell

73

00:04:09,470 --> 00:04:07,680

us how many years have you been with us

74

00:04:11,869 --> 00:04:09,480

I don't even know now

75

00:04:16,009 --> 00:04:11,879

I I don't have any idea

76

00:04:20,870 --> 00:04:18,409

so it looks like Renee is also posting

77

00:04:23,210 --> 00:04:20,880

as 15 different people because that was

78

00:04:25,249 --> 00:04:23,220

Renee's question she emailed me earlier

79

00:04:26,749 --> 00:04:25,259

today she wanted an update on the house

80

00:04:28,670 --> 00:04:26,759

because I actually

81

00:04:30,830 --> 00:04:28,680

um uh got a couple of updates there and

82

00:04:32,810 --> 00:04:30,840

we will Circle back to that so if you

83

00:04:37,189 --> 00:04:32,820

could questions in all caps and you can

84

00:04:40,430 --> 00:04:37,199

also uh hit up Twitter hashtag f2b the

85

00:04:42,050 --> 00:04:40,440

sandbox and uh and even over there

86

00:04:43,790 --> 00:04:42,060

putting it in all capped if you can

87

00:04:46,969 --> 00:04:43,800

think about it it's easier for me to

88

00:04:48,530 --> 00:04:46,979

sort through hashtag f2b or hashtag f2bq

89

00:04:51,530 --> 00:04:48,540

but if you can put it in all caps that's

90

00:04:54,370 --> 00:04:51,540

great and you can also post if you go

91

00:04:57,490 --> 00:04:54,380

over to our radio page where we are

92

00:05:00,409 --> 00:04:57,500

broadcasting live right now

93

00:05:02,330 --> 00:05:00,419

and uh let me flip through here we

94

00:05:04,550 --> 00:05:02,340

should be broadcasting live so let me

95

00:05:06,830 --> 00:05:04,560

see where everybody is posting

96

00:05:10,850 --> 00:05:06,840

um I think one of our

97

00:05:13,430 --> 00:05:10,860

one of our uh people that run uh the

98

00:05:14,090 --> 00:05:13,440

Facebook radio page

99

00:05:17,749 --> 00:05:14,100

um

100

00:05:20,390 --> 00:05:17,759

but I'm actually on it now

101
00:05:23,090 --> 00:05:20,400
um everybody over there

102
00:05:27,290 --> 00:05:23,100
um is handling it so I don't know where

103
00:05:29,330 --> 00:05:27,300
it's yeah it's it's okay so I see a

104
00:05:31,029 --> 00:05:29,340
couple of areas all right I'll figure it

105
00:05:33,830 --> 00:05:31,039
out I'll figure it out I'm not that old

106
00:05:36,770 --> 00:05:33,840
I'm not that old I can hang I can hang

107
00:05:39,770 --> 00:05:36,780
with you kids on social media so Twitter

108
00:05:41,570 --> 00:05:39,780
hashtag f2b hashtag gift to be cute

109
00:05:45,050 --> 00:05:41,580
doesn't matter they're gonna flag at the

110
00:05:49,670 --> 00:05:45,060
same time of course in our YouTube chat

111
00:05:52,070 --> 00:05:49,680
YouTube chat is busy and crowded so

112
00:05:53,870 --> 00:05:52,080
definitely put things in all caps there

113
00:06:06,350 --> 00:05:53,880

so

114

00:06:11,930 --> 00:06:07,490

um

115

00:06:14,510 --> 00:06:11,940

Let's uh let's get things started and

116

00:06:16,670 --> 00:06:14,520

I don't know where I'm going to hit up

117

00:06:19,129 --> 00:06:16,680

first

118

00:06:20,870 --> 00:06:19,139

um but uh things are things are things

119

00:06:26,510 --> 00:06:20,880

are getting busy

120

00:06:34,490 --> 00:06:30,710

since January 2014.

121

00:06:38,390 --> 00:06:34,500

Renee has been with Fade to Black it's

122

00:06:43,490 --> 00:06:38,400

almost 10 years wow that's crazy right

123

00:06:46,070 --> 00:06:43,500

on Renee yeah yeah I'll admit uh Renee's

124

00:06:49,070 --> 00:06:46,080

like one of two ways with me it's either

125

00:06:53,170 --> 00:06:49,080

it seems very short or it seems like a

126
00:06:56,570 --> 00:06:53,180
hell of a long time and so there you go

127
00:06:59,450 --> 00:06:56,580
all right let's uh let's get things

128
00:07:01,249 --> 00:06:59,460
cracking I wanted to um say a couple of

129
00:07:04,189 --> 00:07:01,259
things I um

130
00:07:07,490 --> 00:07:04,199
I got last week tomorrow night

131
00:07:11,450 --> 00:07:07,500
we've got Michael ohming and Taki Soma

132
00:07:15,050 --> 00:07:11,460
on the show and last week

133
00:07:15,950 --> 00:07:15,060
um two two people that

134
00:07:18,350 --> 00:07:15,960
um

135
00:07:20,870 --> 00:07:18,360
uh I just call

136
00:07:24,110 --> 00:07:20,880
really really really great friends

137
00:07:25,490 --> 00:07:24,120
period and they are the absolute best

138
00:07:28,550 --> 00:07:25,500

and they've been uh with Fade to Black

139

00:07:31,249 --> 00:07:28,560

for a very long time and if you've

140

00:07:35,089 --> 00:07:31,259

noticed you probably have on social

141

00:07:38,050 --> 00:07:35,099

media and and things I my picture is not

142

00:07:43,309 --> 00:07:38,060

posted in social media it's a cartoon

143

00:07:44,809 --> 00:07:43,319

and that is drawn by Michael ohming also

144

00:07:51,170 --> 00:07:44,819

the

145

00:07:54,890 --> 00:07:51,180

we use at conferences

146

00:07:56,930 --> 00:07:54,900

that was drawn by Michael ohming and

147

00:07:59,809 --> 00:07:56,940

he's one of the best comic book artists

148

00:08:01,909 --> 00:07:59,819

in the world and I just got my

149

00:08:06,589 --> 00:08:01,919

autographed copy

150

00:08:08,930 --> 00:08:06,599

right there of Project Blue Book and I

151
00:08:12,409 --> 00:08:08,940
got it last week so we're going to have

152
00:08:15,890 --> 00:08:12,419
uh Michael and Taki on the show uh

153
00:08:18,710 --> 00:08:15,900
tomorrow night but man

154
00:08:20,990 --> 00:08:18,720
just just the they are the very best of

155
00:08:23,510 --> 00:08:21,000
the very best so I've got my copy of

156
00:08:28,070 --> 00:08:23,520
Project Blue Book we're going to uh do

157
00:08:31,010 --> 00:08:28,080
that show tomorrow night and

158
00:08:33,829 --> 00:08:31,020
um here's here's the here's the here's

159
00:08:36,649 --> 00:08:33,839
the trip Michael's been uh and Taki have

160
00:08:39,170 --> 00:08:36,659
been on my mind lately and it's it's

161
00:08:41,930 --> 00:08:39,180
weird how the universe works so let me

162
00:08:45,530 --> 00:08:41,940
help you uh understand something there's

163
00:08:47,449 --> 00:08:45,540

a really cool show out uh that

164

00:08:51,110 --> 00:08:47,459

everybody's watching It's called The

165

00:08:52,730 --> 00:08:51,120

Last of Us it's an incredible show and I

166

00:08:55,910 --> 00:08:52,740

cannot wait

167

00:08:58,550 --> 00:08:55,920

for the next episode got back from San

168

00:08:59,750 --> 00:08:58,560

Diego yesterday and right there man oh

169

00:09:01,970 --> 00:08:59,760

my God

170

00:09:05,690 --> 00:09:01,980

Last of Us Last of Us

171

00:09:07,490 --> 00:09:05,700

well um I think it was last week I said

172

00:09:10,009 --> 00:09:07,500

last week

173

00:09:13,610 --> 00:09:10,019

um I'm watching The Last of Us

174

00:09:16,070 --> 00:09:13,620

and and I see we now know her name is

175

00:09:17,870 --> 00:09:16,080

Ellie that was revealed last night but

176

00:09:20,570 --> 00:09:17,880

she's sitting on her bed reading comic

177

00:09:22,970 --> 00:09:20,580

books and she's flipping through she

178

00:09:24,650 --> 00:09:22,980

picks up this comic book she's flipping

179

00:09:26,090 --> 00:09:24,660

through and I'm looking at one that's my

180

00:09:28,910 --> 00:09:26,100

gloming

181

00:09:32,210 --> 00:09:28,920

I know that artwork anywhere I stop I

182

00:09:34,730 --> 00:09:32,220

back up I go to that thing and I freeze

183

00:09:35,990 --> 00:09:34,740

frame it and I'm like that's Michael

184

00:09:37,430 --> 00:09:36,000

homing

185

00:09:38,870 --> 00:09:37,440

and then I'll watch the rest of the

186

00:09:41,750 --> 00:09:38,880

episode and I told myself that I would

187

00:09:43,730 --> 00:09:41,760

call Michael the next day just to ask

188

00:09:45,829 --> 00:09:43,740

you know what's going to happen right

189

00:09:49,370 --> 00:09:45,839

and he's gonna go no it kind of looked

190

00:09:51,829 --> 00:09:49,380

like my stuff but no it wasn't me okay

191

00:09:54,590 --> 00:09:51,839

um but I wasn't so sure so the next day

192

00:09:56,990 --> 00:09:54,600

I jump on social media and I see the

193

00:10:00,889 --> 00:09:57,000

post about Michael homing being in the

194

00:10:04,310 --> 00:10:00,899

last of us and I found out today uh some

195

00:10:05,630 --> 00:10:04,320

of the back story with all of that so

196

00:10:09,970 --> 00:10:05,640

we're going to be talking about that

197

00:10:12,650 --> 00:10:09,980

tomorrow uh with uh Michael ohming and

198

00:10:16,370 --> 00:10:12,660

takisoma I cannot wait it's going to be

199

00:10:18,889 --> 00:10:16,380

a great show so that's tomorrow

200

00:10:22,670 --> 00:10:18,899

um uh Tuesday then Wednesday I've got

201
00:10:24,410 --> 00:10:22,680
Stacy Lane Wilson on with us

202
00:10:26,449 --> 00:10:24,420
um she's an author

203
00:10:30,110 --> 00:10:26,459
she's a writer

204
00:10:32,470 --> 00:10:30,120
um raised in Hollywood and her latest

205
00:10:35,750 --> 00:10:32,480
movie is about the ventures

206
00:10:37,670 --> 00:10:35,760
and uh so she's a director too and that

207
00:10:39,110 --> 00:10:37,680
documentary is amazing if you want to

208
00:10:41,090 --> 00:10:39,120
look that up just look up Stacy Lane

209
00:10:42,889 --> 00:10:41,100
Wilson The Venture so it'll pop up and

210
00:10:44,630 --> 00:10:42,899
you can go and watch that I would

211
00:10:46,490 --> 00:10:44,640
suggest watching it before tomorrow's

212
00:10:49,210 --> 00:10:46,500
show it's an incredible film just won a

213
00:10:52,250 --> 00:10:49,220

bunch of awards The Shrine Auditorium

214

00:10:57,290 --> 00:10:52,260

and uh but we're going to be discussing

215

00:11:00,050 --> 00:10:57,300

because she writes horror horror fiction

216

00:11:04,310 --> 00:11:00,060

um and she is also interested in

217

00:11:06,889 --> 00:11:04,320

musicians and music and and possibly the

218

00:11:10,610 --> 00:11:06,899

Paranormal or maybe even ghost and or

219

00:11:11,990 --> 00:11:10,620

True Crime uh and I'm gonna go UFOs with

220

00:11:14,990 --> 00:11:12,000

her too as well so we're going to be

221

00:11:17,210 --> 00:11:15,000

doing all of that with the great Stacy

222

00:11:19,130 --> 00:11:17,220

Lane Wilson on Wednesday night very

223

00:11:21,230 --> 00:11:19,140

excited and then Thursday Elizabeth

224

00:11:25,250 --> 00:11:21,240

hogster is back with us and she's here

225

00:11:28,490 --> 00:11:25,260

with her co-author Olivia Smith and uh

226

00:11:29,990 --> 00:11:28,500

her book just got released and the

227

00:11:31,790 --> 00:11:30,000

mother earth effect I think we had

228

00:11:34,610 --> 00:11:31,800

Elizabeth on on the show a couple of

229

00:11:37,130 --> 00:11:34,620

months ago uh when the pre-release was

230

00:11:38,930 --> 00:11:37,140

announced but the book is now out and

231

00:11:42,230 --> 00:11:38,940

this time around we have her co-author

232

00:11:44,269 --> 00:11:42,240

on with this Olivia Ramirez Smith and

233

00:11:46,970 --> 00:11:44,279

that is Thursday night very excited

234

00:11:50,889 --> 00:11:46,980

about that I am grounding everybody

235

00:11:54,410 --> 00:11:50,899

knows that grounding has changed my life

236

00:11:56,509 --> 00:11:54,420

and my dreams so there you go that's

237

00:12:02,210 --> 00:11:56,519

Thursday we've got a great week coming

238

00:12:05,329 --> 00:12:02,220

up here on Fade to Black and so uh what

239

00:12:07,430 --> 00:12:05,339

else was I going to mention it seemed

240

00:12:09,470 --> 00:12:07,440

like I had

241

00:12:12,110 --> 00:12:09,480

something else

242

00:12:16,670 --> 00:12:12,120

I don't have anything sitting out I

243

00:12:23,750 --> 00:12:19,250

I left it in the other room

244

00:12:26,210 --> 00:12:23,760

at the Eagles show on Friday night uh

245

00:12:29,470 --> 00:12:26,220

for all those VIPs

246

00:12:32,509 --> 00:12:29,480

they gifted us

247

00:12:35,810 --> 00:12:32,519

a hotel California

248

00:12:40,389 --> 00:12:35,820

shaving kit yeah it is

249

00:12:43,730 --> 00:12:40,399

man it's so cool and in the shaving kit

250

00:12:44,949 --> 00:12:43,740

uh a hotel California eye mask you know

251
00:12:47,810 --> 00:12:44,959
sleep mask

252
00:12:50,769 --> 00:12:47,820
very cool I might add

253
00:12:53,210 --> 00:12:50,779
a hotel California

254
00:12:55,670 --> 00:12:53,220
Motel keychain you know those old

255
00:12:58,129 --> 00:12:55,680
plastic uh you know the thing the

256
00:13:03,590 --> 00:12:58,139
diamond shape that

257
00:13:05,870 --> 00:13:03,600
and a pair of Hotel California socks

258
00:13:08,750 --> 00:13:05,880
all in that shaving kit couple of other

259
00:13:12,350 --> 00:13:08,760
things too as well but uh I'll bring it

260
00:13:20,449 --> 00:13:14,870
all right that's when you need that

261
00:13:24,769 --> 00:13:21,769
all right

262
00:13:29,090 --> 00:13:24,779
I've got two events coming up uh in a

263
00:13:31,310 --> 00:13:29,100

few weeks we have in exactly a few weeks

264

00:13:34,370 --> 00:13:31,320

um the peripod festival right here in

265

00:13:35,930 --> 00:13:34,380

Santa Clarita California the links for

266

00:13:38,810 --> 00:13:35,940

that are below tickets and information

267

00:13:41,930 --> 00:13:38,820

and the links for that are below and

268

00:13:43,670 --> 00:13:41,940

then right after that that's April 1st

269

00:13:46,550 --> 00:13:43,680

we're doing two things that weekend

270

00:13:49,190 --> 00:13:46,560

Friday the 31st uh we're doing a ghost

271

00:13:50,750 --> 00:13:49,200

hunt and sky watch at the mentryville

272

00:13:52,490 --> 00:13:50,760

ghost town which is right here it's

273

00:13:55,069 --> 00:13:52,500

right up the street we're gonna do that

274

00:13:58,190 --> 00:13:55,079

and then uh Saturday is the festival

275

00:13:59,750 --> 00:13:58,200

itself links for everything are below so

276

00:14:02,750 --> 00:13:59,760

I'll see everybody there for that and

277

00:14:05,150 --> 00:14:02,760

then a couple of weeks later

278

00:14:06,889 --> 00:14:05,160

um I am heading or the is it the next

279

00:14:10,850 --> 00:14:06,899

weekend

280

00:14:13,250 --> 00:14:10,860

um heading on a cruise uh uh down to the

281

00:14:15,290 --> 00:14:13,260

Mexican Riviera if you want to make

282

00:14:18,290 --> 00:14:15,300

plans and go on a cruise with me the

283

00:14:22,009 --> 00:14:18,300

links are below okay all right tonight's

284

00:14:25,670 --> 00:14:22,019

our AMA we do this once a month let's

285

00:14:30,710 --> 00:14:25,680

get this Kraken all right so Michael

286

00:14:32,329 --> 00:14:30,720

Manfield has posted uh uh 15 uh 15

287

00:14:34,310 --> 00:14:32,339

versions of the same question here so

288

00:14:37,129 --> 00:14:34,320

I'm going to do this first

289

00:14:38,329 --> 00:14:37,139

um he says something to the effect but

290

00:14:40,490 --> 00:14:38,339

I'm going to get to the final question

291

00:14:43,129 --> 00:14:40,500

he says that

292

00:14:45,889 --> 00:14:43,139

for many years hundreds of thousands

293

00:14:48,530 --> 00:14:45,899

worldwide had Close Encounters the

294

00:14:51,069 --> 00:14:48,540

majority have come away convinced that

295

00:14:54,829 --> 00:14:51,079

climate change via telepathy

296

00:14:58,850 --> 00:14:54,839

induced thought lectures I guess I think

297

00:14:59,990 --> 00:14:58,860

I get that and and then his final

298

00:15:03,110 --> 00:15:00,000

question is

299

00:15:05,810 --> 00:15:03,120

which is why climate change is so

300

00:15:08,210 --> 00:15:05,820

prevalent today

301
00:15:09,769 --> 00:15:08,220
um so I'm going to address this Michael

302
00:15:12,009 --> 00:15:09,779
actually so you don't have to post the

303
00:15:16,310 --> 00:15:12,019
question anymore by the way

304
00:15:18,370 --> 00:15:16,320
is is this not only

305
00:15:21,650 --> 00:15:18,380
has that happened

306
00:15:25,129 --> 00:15:21,660
very consistently

307
00:15:26,870 --> 00:15:25,139
um with contactees you know a message

308
00:15:29,569 --> 00:15:26,880
has come through

309
00:15:30,949 --> 00:15:29,579
and that message seems to have been

310
00:15:33,110 --> 00:15:30,959
repeated but that's not the only one

311
00:15:37,870 --> 00:15:33,120
that's been repeated

312
00:15:41,150 --> 00:15:37,880
um uh so often we hear about

313
00:15:44,990 --> 00:15:41,160

uh nuclear weapons

314

00:15:47,990 --> 00:15:45,000

and the ability to to eliminate the

315

00:15:50,389 --> 00:15:48,000

planet and damage the planet uh with uh

316

00:15:53,030 --> 00:15:50,399

nuclear weapons that is something that

317

00:15:54,829 --> 00:15:53,040

has been there uh certainly uh pollution

318

00:15:59,689 --> 00:15:54,839

and and you know taking care of this

319

00:16:01,310 --> 00:15:59,699

planet and and also uh learning to

320

00:16:05,030 --> 00:16:01,320

respect

321

00:16:07,850 --> 00:16:05,040

others and everybody on this planet rat

322

00:16:11,150 --> 00:16:07,860

you know have a respect and and to come

323

00:16:14,230 --> 00:16:11,160

together and so many more but absolutely

324

00:16:17,750 --> 00:16:14,240

repeats repeats repeats repeats repeats

325

00:16:21,470 --> 00:16:17,760

and so you have to step back and and ask

326

00:16:23,750 --> 00:16:21,480

yourself why why is this happening

327

00:16:25,490 --> 00:16:23,760

and the first the first way to look at

328

00:16:28,550 --> 00:16:25,500

it is

329

00:16:30,889 --> 00:16:28,560

the contact is real the messages are

330

00:16:32,569 --> 00:16:30,899

real contactees are going on spacecraft

331

00:16:34,250 --> 00:16:32,579

they're looking at video looking at film

332

00:16:35,870 --> 00:16:34,260

they're being spoken to they're being

333

00:16:40,189 --> 00:16:35,880

spoken to on the ground in their homes

334

00:16:41,569 --> 00:16:40,199

and the you know bedrooms and and and

335

00:16:43,670 --> 00:16:41,579

or

336

00:16:46,850 --> 00:16:43,680

okay so first Contact is real the

337

00:16:48,230 --> 00:16:46,860

messages are real or second if they're

338

00:16:50,930 --> 00:16:48,240

not real

339

00:16:52,610 --> 00:16:50,940

then you have millions of people making

340

00:16:59,110 --> 00:16:52,620

it up

341

00:17:01,850 --> 00:16:59,120

because they just

342

00:17:02,689 --> 00:17:01,860

want to have a little bit of fame or

343

00:17:04,970 --> 00:17:02,699

something

344

00:17:07,990 --> 00:17:04,980

you know be part of a group

345

00:17:10,329 --> 00:17:08,000

or B There is some kind of mass

346

00:17:14,510 --> 00:17:10,339

psychosis out there

347

00:17:16,610 --> 00:17:14,520

and and then C the category subcat or

348

00:17:21,110 --> 00:17:16,620

combination of of both

349

00:17:25,610 --> 00:17:21,120

so I I I feel that

350

00:17:27,130 --> 00:17:25,620

the the greatest possibility rest on the

351
00:17:32,570 --> 00:17:27,140
messages are real

352
00:17:37,070 --> 00:17:32,580
definitely say

353
00:17:39,590 --> 00:17:37,080
that uh we and this is

354
00:17:45,350 --> 00:17:39,600
the other part

355
00:17:49,730 --> 00:17:48,049
we're simply not ready I know that a lot

356
00:17:53,330 --> 00:17:49,740
of people say we could handle the truth

357
00:17:55,310 --> 00:17:53,340
about E.T and alien visitation yeah yeah

358
00:17:57,289 --> 00:17:55,320
I think we can handle that

359
00:17:59,810 --> 00:17:57,299
that's not what I'm suggesting what I'm

360
00:18:00,950 --> 00:17:59,820
saying is we couldn't handle full-on

361
00:18:04,370 --> 00:18:00,960
contact

362
00:18:06,250 --> 00:18:04,380
and the reason why we couldn't handle

363
00:18:10,990 --> 00:18:06,260

full-on contact

364

00:18:15,049 --> 00:18:11,000

is our ability to understand

365

00:18:18,350 --> 00:18:15,059

isn't at that level of whoever would be

366

00:18:20,390 --> 00:18:18,360

able to travel here and visit us they're

367

00:18:23,150 --> 00:18:20,400

going to be at level of of intelligence

368

00:18:27,110 --> 00:18:23,160

and understanding that we won't be able

369

00:18:31,610 --> 00:18:27,120

to connect with it we simply wouldn't

370

00:18:33,529 --> 00:18:31,620

get it we're not there yet and so this

371

00:18:38,270 --> 00:18:33,539

type of contact

372

00:18:40,250 --> 00:18:38,280

right where these these messages and the

373

00:18:41,990 --> 00:18:40,260

stuff that we should consider about us

374

00:18:43,610 --> 00:18:42,000

and our future in this planet that's

375

00:18:44,750 --> 00:18:43,620

something else that's something we can

376

00:18:46,909 --> 00:18:44,760

understand

377

00:18:51,830 --> 00:18:46,919

and and that's okay

378

00:18:53,810 --> 00:18:51,840

and that type of contact we can handle

379

00:18:56,990 --> 00:18:53,820

but we couldn't handle anything else we

380

00:19:00,590 --> 00:18:57,000

couldn't handle an intelligence or

381

00:19:03,289 --> 00:19:00,600

information that that comes from a mine

382

00:19:07,010 --> 00:19:03,299

that may be a billion years more

383

00:19:09,830 --> 00:19:07,020

advanced than us no and and the reason

384

00:19:13,610 --> 00:19:09,840

for that is a simple one it's very very

385

00:19:19,549 --> 00:19:13,620

simple where we are today

386

00:19:26,390 --> 00:19:22,990

uh space travel whatever it is

387

00:19:30,770 --> 00:19:26,400

microwave ovens where we are at today

388

00:19:33,950 --> 00:19:30,780

with technology and and we would if we

389

00:19:36,110 --> 00:19:33,960

were able to tell anybody about the

390

00:19:38,450 --> 00:19:36,120

union could roll back the time and go

391

00:19:41,150 --> 00:19:38,460

back and visit 200 years ago 300 years

392

00:19:43,970 --> 00:19:41,160

ago 500 years ago and talk about where

393

00:19:46,669 --> 00:19:43,980

we are today they wouldn't get it

394

00:19:49,909 --> 00:19:46,679

their level of the ability to understand

395

00:19:50,630 --> 00:19:49,919

is not there they simply would not get

396

00:19:52,970 --> 00:19:50,640

it

397

00:19:55,850 --> 00:19:52,980

so how do my microwave oven how does

398

00:19:58,070 --> 00:19:55,860

well you know the radiation comes in and

399

00:20:00,890 --> 00:19:58,080

vibrates the molecules and as they

400

00:20:02,930 --> 00:20:00,900

vibrate certain molecules generate heat

401
00:20:05,210 --> 00:20:02,940
and then the heat is generate but you

402
00:20:08,630 --> 00:20:05,220
can't do it with metal because if you do

403
00:20:10,430 --> 00:20:08,640
it you know what they did they don't

404
00:20:15,230 --> 00:20:10,440
even know what atoms are

405
00:20:17,150 --> 00:20:15,240
right and so uh it's it's the same

406
00:20:19,250 --> 00:20:17,160
situation and no matter how you would

407
00:20:23,330 --> 00:20:19,260
try to explain it to somebody 500 years

408
00:20:26,690 --> 00:20:23,340
ago they wouldn't get it and so how can

409
00:20:29,270 --> 00:20:26,700
we expect to understand today somebody

410
00:20:31,190 --> 00:20:29,280
from a thousand years in the future a

411
00:20:34,850 --> 00:20:31,200
billion years not in the future I'm

412
00:20:36,650 --> 00:20:34,860
sorry more advanced a billion years more

413
00:20:39,049 --> 00:20:36,660

advanced

414

00:20:41,270 --> 00:20:39,059

we wouldn't even understand ourselves in

415

00:20:43,190 --> 00:20:41,280

a hundred years

416

00:20:45,110 --> 00:20:43,200

100 years ago

417

00:20:46,789 --> 00:20:45,120

explaining to everybody about landing on

418

00:20:47,930 --> 00:20:46,799

the moon and the internet a hundred

419

00:20:49,190 --> 00:20:47,940

years ago they wouldn't get it they

420

00:20:53,450 --> 00:20:49,200

wouldn't understand

421

00:20:56,570 --> 00:20:53,460

even with uh uh

422

00:20:58,430 --> 00:20:56,580

um telegraphs and they had phonographs

423

00:20:59,690 --> 00:20:58,440

back then and they still wouldn't

424

00:21:01,430 --> 00:20:59,700

understand they wouldn't get it they

425

00:21:03,890 --> 00:21:01,440

wouldn't get it all right so there you

426

00:21:09,470 --> 00:21:07,010

I believe that it's happening so thank

427

00:21:14,810 --> 00:21:09,480

you for that Michael let's move on to

428

00:21:21,830 --> 00:21:18,529

Maryland Maryland Chambers

429

00:21:23,810 --> 00:21:21,840

okay here we go and that's a dude

430

00:21:26,810 --> 00:21:23,820

posting

431

00:21:30,590 --> 00:21:26,820

as a as a porn star

432

00:21:32,810 --> 00:21:30,600

oh kind of weird I would assume question

433

00:21:36,430 --> 00:21:32,820

okay Jimmy what's the best skin flick

434

00:21:42,830 --> 00:21:39,230

and don't say you've never seen one dude

435

00:21:44,930 --> 00:21:42,840

see that's a dude okay it's already dude

436

00:21:47,870 --> 00:21:44,940

um starting off for the bank

437

00:21:50,649 --> 00:21:47,880

um best skin flick I've ever seen uh

438

00:21:54,470 --> 00:21:50,659

Caligula

439

00:21:56,930 --> 00:21:54,480

starring

440

00:21:59,149 --> 00:21:56,940

Helen Mirren

441

00:22:02,149 --> 00:21:59,159

there you go

442

00:22:02,890 --> 00:22:02,159

all right see I'll answer anything just

443

00:22:08,330 --> 00:22:02,900

about

444

00:22:10,909 --> 00:22:08,340

all right let's see here Jessica

445

00:22:13,789 --> 00:22:10,919

says Jimmy what are you looking forward

446

00:22:16,190 --> 00:22:13,799

to Once in Las Vegas coming this

447

00:22:18,409 --> 00:22:16,200

November oh okay all right I'll give you

448

00:22:20,870 --> 00:22:18,419

guys a sneak preview

449

00:22:23,090 --> 00:22:20,880

uh we are I think we're doing this on

450

00:22:26,510 --> 00:22:23,100

Saturday night working out the details

451
00:22:28,850 --> 00:22:26,520
right now but

452
00:22:31,250 --> 00:22:28,860
we are taking I think we're taking four

453
00:22:33,649 --> 00:22:31,260
four buses

454
00:22:35,890 --> 00:22:33,659
to area 51.

455
00:22:39,409 --> 00:22:35,900
that's right

456
00:22:43,130 --> 00:22:39,419
four buses and we're gonna have four for

457
00:22:46,430 --> 00:22:43,140
the speakers uh with us uh from the

458
00:22:48,830 --> 00:22:46,440
event we are going to go

459
00:22:52,010 --> 00:22:48,840
well we're not going to Area 51 we're

460
00:22:54,110 --> 00:22:52,020
going to the little alien and we've got

461
00:22:55,970 --> 00:22:54,120
everything set up uh with the little

462
00:22:58,789 --> 00:22:55,980
alien and and so we're gonna pull up

463
00:23:00,890 --> 00:22:58,799

with four buses and we're gonna do a sky

464

00:23:03,470 --> 00:23:00,900

watch that night they're gonna keep the

465

00:23:06,169 --> 00:23:03,480

little alien open the gift shop and food

466

00:23:09,169 --> 00:23:06,179

uh for us so you can go in and get your

467

00:23:11,870 --> 00:23:09,179

little alien t-shirt and uh get a burger

468

00:23:14,330 --> 00:23:11,880

and fries and then go out uh with all of

469

00:23:16,669 --> 00:23:14,340

us we're gonna have a a film crew there

470

00:23:18,950 --> 00:23:16,679

documenting everything and we're gonna

471

00:23:21,230 --> 00:23:18,960

do a sky watch uh for a couple of hours

472

00:23:23,690 --> 00:23:21,240

and then turn around and drive back to

473

00:23:25,970 --> 00:23:23,700

the hotel because we have Sunday uh

474

00:23:28,430 --> 00:23:25,980

happening so it's going to be a great

475

00:23:31,070 --> 00:23:28,440

event over those three days but the one

476
00:23:32,149 --> 00:23:31,080
thing I'm looking forward to is uh

477
00:23:37,130 --> 00:23:32,159
taking

478
00:23:39,110 --> 00:23:37,140
four buses out to the little alien and

479
00:23:41,690 --> 00:23:39,120
checking out the night sky and seeing

480
00:23:44,570 --> 00:23:41,700
what we can see you know and so one

481
00:23:46,310 --> 00:23:44,580
thing is for sure everybody at Area 51

482
00:23:47,750 --> 00:23:46,320
and Nellis Air Force Base they're gonna

483
00:23:49,730 --> 00:23:47,760
know we're in town they're going to know

484
00:23:51,230 --> 00:23:49,740
what we're doing they're gonna know so

485
00:23:53,870 --> 00:23:51,240
they may just put everything on the

486
00:23:55,669 --> 00:23:53,880
ground that night or they may put on the

487
00:23:58,190 --> 00:23:55,679
show for us I don't know I don't know

488
00:23:59,810 --> 00:23:58,200

but so we're going to be doing that uh

489

00:24:03,370 --> 00:23:59,820

on Saturday night that's a great

490

00:24:07,390 --> 00:24:03,380

question Jessica thank you for that

491

00:24:10,549 --> 00:24:07,400

and uh let's see

492

00:24:11,810 --> 00:24:10,559

uh okay Michael quit posting I just

493

00:24:13,010 --> 00:24:11,820

answered you

494

00:24:15,850 --> 00:24:13,020

um

495

00:24:19,909 --> 00:24:15,860

[Music]

496

00:24:21,710 --> 00:24:19,919

what is next here we go

497

00:24:24,549 --> 00:24:21,720

all right

498

00:24:28,370 --> 00:24:24,559

[Music]

499

00:24:30,289 --> 00:24:28,380

alien love child Jimmy to save the world

500

00:24:34,610 --> 00:24:30,299

you must give up one guitar from the

501
00:24:36,890 --> 00:24:34,620
wall behind you which one and why what

502
00:24:39,289 --> 00:24:36,900
the cheapest one

503
00:24:41,210 --> 00:24:39,299
I don't know man what would the world

504
00:24:44,210 --> 00:24:41,220
want what would feed the kitty what

505
00:24:47,810 --> 00:24:44,220
would what would take care of that I'd

506
00:24:50,210 --> 00:24:47,820
give it up just a guitar

507
00:24:51,890 --> 00:24:50,220
now if you wanted to rephrase the

508
00:24:54,409 --> 00:24:51,900
question like which is your favorite

509
00:24:56,289 --> 00:24:54,419
guitar and would you give it up to save

510
00:25:00,289 --> 00:24:56,299
the world

511
00:25:07,370 --> 00:25:02,149
the flame

512
00:25:10,970 --> 00:25:07,380
um yeah yeah yeah I mean any guitar

513
00:25:13,549 --> 00:25:10,980

behind me if I did one behind me yeah I

514

00:25:15,169 --> 00:25:13,559

mean yeah they're all potential World

515

00:25:19,250 --> 00:25:15,179

savers

516

00:25:21,529 --> 00:25:19,260

yeah yeah they are but the flame which

517

00:25:24,049 --> 00:25:21,539

is is over there

518

00:25:26,630 --> 00:25:24,059

um I I'd even give up the flame

519

00:25:31,010 --> 00:25:26,640

yeah

520

00:25:33,169 --> 00:25:31,020

was coming back from San Diego which was

521

00:25:37,669 --> 00:25:33,179

yesterday

522

00:25:42,169 --> 00:25:37,679

I ran through my uh

523

00:25:46,390 --> 00:25:42,179

Black Sabbath album list on iTunes and

524

00:25:50,269 --> 00:25:46,400

really got stuck into technical ecstasy

525

00:25:52,250 --> 00:25:50,279

and uh sabotage two of my favorite

526

00:25:54,769 --> 00:25:52,260

Sabbath albums probably Sabbath I don't

527

00:25:57,710 --> 00:25:54,779

know those things are kind of like a tie

528

00:25:59,810 --> 00:25:57,720

and I was picturing

529

00:26:02,890 --> 00:25:59,820

in my mind you know playing the songs

530

00:26:07,310 --> 00:26:02,900

because I can play probably all of them

531

00:26:09,769 --> 00:26:07,320

and and I'm picturing me playing them on

532

00:26:12,950 --> 00:26:09,779

that guitar right there which is

533

00:26:18,010 --> 00:26:12,960

uh oh you can't see it here let me let

534

00:26:18,020 --> 00:26:23,950

man I don't want to drop it come on

535

00:26:23,960 --> 00:26:29,269

this baby right here

536

00:26:37,250 --> 00:26:32,390

yeah it's a Gibson SG standard which is

537

00:26:38,750 --> 00:26:37,260

what Tony iomi plays and uh his is all

538

00:26:40,970 --> 00:26:38,760

modified and stuff he played other

539

00:26:42,590 --> 00:26:40,980

guitars in the beginning but he settled

540

00:26:46,549 --> 00:26:42,600

on this guitar early on it's very light

541

00:26:48,710 --> 00:26:46,559

amazing action but uh

542

00:26:52,669 --> 00:26:48,720

and I don't play this guitar as much as

543

00:26:56,029 --> 00:26:52,679

I should and then so coming back from uh

544

00:26:58,250 --> 00:26:56,039

San Diego played all those Black Sabbath

545

00:27:01,070 --> 00:26:58,260

albums it's like I gotta I gotta get

546

00:27:03,710 --> 00:27:01,080

home and whip this thing out and start

547

00:27:06,950 --> 00:27:03,720

playing uh some Sabbath and I did last

548

00:27:10,430 --> 00:27:06,960

night and uh man this is just a great

549

00:27:12,950 --> 00:27:10,440

guitar right here so I would give up to

550

00:27:16,190 --> 00:27:12,960

Tony iomi special here to save the world

551
00:27:18,409 --> 00:27:16,200
and this is nice man this is a nice

552
00:27:20,750 --> 00:27:18,419
guitar you know what they say

553
00:27:22,549 --> 00:27:20,760
all the neck

554
00:27:25,789 --> 00:27:22,559
You'll Ever Need

555
00:27:28,250 --> 00:27:25,799
is a Gibson SG all right put this thing

556
00:27:29,810 --> 00:27:28,260
down so I hope that answers your

557
00:27:31,909 --> 00:27:29,820
question

558
00:27:34,669 --> 00:27:31,919
and that's a good looking guitar isn't

559
00:27:36,409 --> 00:27:34,679
it all right next up uh see I'm mainly

560
00:27:38,810 --> 00:27:36,419
staying in the YouTube chat I'll jump

561
00:27:42,890 --> 00:27:38,820
over into other areas

562
00:27:46,310 --> 00:27:42,900
uh Renee Jimmy please update us on your

563
00:27:48,769 --> 00:27:46,320

house ghost okay

564

00:27:53,990 --> 00:27:51,169

down in San Diego I was with a Lori

565

00:27:54,890 --> 00:27:54,000

Wagner in in San Diego for the Eagles

566

00:27:59,690 --> 00:27:54,900

show

567

00:28:05,210 --> 00:27:59,700

and Lori she's man she's just very smart

568

00:28:07,310 --> 00:28:05,220

very special just just look you

569

00:28:11,090 --> 00:28:07,320

look up cool in the dictionary there's

570

00:28:14,149 --> 00:28:11,100

Lori's picture okay uh no joke

571

00:28:15,649 --> 00:28:14,159

and we stayed up late I think it was

572

00:28:19,250 --> 00:28:15,659

after

573

00:28:24,230 --> 00:28:19,260

stayed up and talked uh for a couple

574

00:28:28,490 --> 00:28:25,970

I told her what happened the night

575

00:28:32,510 --> 00:28:28,500

before so this would have been Thursday

576

00:28:34,570 --> 00:28:32,520

night was today Monday so Thursday night

577

00:28:39,470 --> 00:28:34,580

um

578

00:28:41,450 --> 00:28:39,480

I uh okay in my master bath I think a

579

00:28:45,230 --> 00:28:41,460

lot of people have this so you'll

580

00:28:48,769 --> 00:28:45,240

understand uh the toilet the commode the

581

00:28:50,990 --> 00:28:48,779

John is in a separate room

582

00:28:53,330 --> 00:28:51,000

okay it's in a separate room so here's

583

00:28:55,210 --> 00:28:53,340

the master bath and then over here in

584

00:28:58,970 --> 00:28:55,220

the corner is

585

00:29:01,010 --> 00:28:58,980

the uh the John with its own door and

586

00:29:04,070 --> 00:29:01,020

it's also got its own window

587

00:29:06,169 --> 00:29:04,080

and I've got blinds there and it's been

588

00:29:08,690 --> 00:29:06,179

snowing every night

589

00:29:11,510 --> 00:29:08,700

so it starts off as rain turns of snow

590

00:29:12,890 --> 00:29:11,520

it's like hail in between and this is

591

00:29:15,890 --> 00:29:12,900

what's going on it's going on Thursday

592

00:29:17,570 --> 00:29:15,900

night and uh it's raining right now I

593

00:29:18,889 --> 00:29:17,580

can hear it

594

00:29:20,510 --> 00:29:18,899

and I heard there's some more snow

595

00:29:23,269 --> 00:29:20,520

coming by the way so anyways Thursday

596

00:29:25,070 --> 00:29:23,279

night I I go into the bathroom I'm not

597

00:29:28,970 --> 00:29:25,080

doing anything yet

598

00:29:32,029 --> 00:29:28,980

all right but I hear the rain

599

00:29:35,450 --> 00:29:32,039

and I always leave that window open so I

600

00:29:37,549 --> 00:29:35,460

hear the rain and so I lean over and

601
00:29:39,590 --> 00:29:37,559
crack the blinds to see if it's turning

602
00:29:41,990 --> 00:29:39,600
to snow all right I'm looking through

603
00:29:44,029 --> 00:29:42,000
and at that moment I got to move my

604
00:29:46,789 --> 00:29:44,039
coffee I don't want it to spill

605
00:29:50,450 --> 00:29:46,799
from my left outside of the bathroom

606
00:29:52,389 --> 00:29:50,460
door I hear this

607
00:29:58,389 --> 00:29:52,399
oh

608
00:30:05,210 --> 00:30:02,510
and I jump back I didn't open up the

609
00:30:07,130 --> 00:30:05,220
door didn't do it

610
00:30:09,470 --> 00:30:07,140
I did say

611
00:30:12,350 --> 00:30:09,480
WTF

612
00:30:13,909 --> 00:30:12,360
I said what the [h__h]

613
00:30:16,549 --> 00:30:13,919

what do you want me to do you're doing

614

00:30:19,070 --> 00:30:16,559

that behind the door why don't you do

615

00:30:20,210 --> 00:30:19,080

that on this side of the door so I could

616

00:30:22,850 --> 00:30:20,220

see

617

00:30:24,230 --> 00:30:22,860

what the hell that noise is is coming

618

00:30:27,470 --> 00:30:24,240

from

619

00:30:30,110 --> 00:30:27,480

and you know so I do my thing and then I

620

00:30:31,970 --> 00:30:30,120

walk out and look I'm like what

621

00:30:32,990 --> 00:30:31,980

what made that sense there's nothing

622

00:30:35,510 --> 00:30:33,000

there

623

00:30:40,669 --> 00:30:35,520

to make that sound

624

00:30:42,830 --> 00:30:40,679

and I I I don't know now Lori and I

625

00:30:45,610 --> 00:30:42,840

talked about this

626

00:30:48,889 --> 00:30:45,620

okay I told her about what happened

627

00:30:50,810 --> 00:30:48,899

and and she just like everybody else

628

00:30:52,430 --> 00:30:50,820

she's not the only one dispensing with

629

00:30:53,750 --> 00:30:52,440

this advice you know maybe you should

630

00:30:57,529 --> 00:30:53,760

bring somebody in maybe do some

631

00:31:01,669 --> 00:30:57,539

cleansing and at this and uh there's

632

00:31:04,310 --> 00:31:01,679

this and prayer and and and this and and

633

00:31:06,049 --> 00:31:04,320

uh and get this thing released and I

634

00:31:08,570 --> 00:31:06,059

said I

635

00:31:11,269 --> 00:31:08,580

I want to do

636

00:31:13,430 --> 00:31:11,279

I don't want it to elevate

637

00:31:14,810 --> 00:31:13,440

I don't I don't want to elevate I don't

638

00:31:16,970 --> 00:31:14,820

want it to get into something that I

639

00:31:18,169 --> 00:31:16,980

don't want that I can't control or

640

00:31:21,769 --> 00:31:18,179

that's going to start freaking me out

641

00:31:25,010 --> 00:31:21,779

because right now I'm not getting hurt

642

00:31:27,110 --> 00:31:25,020

there's nothing flying across the room I

643

00:31:28,669 --> 00:31:27,120

haven't you know I don't think I'm

644

00:31:31,789 --> 00:31:28,679

possessed

645

00:31:34,130 --> 00:31:31,799

you know I'm not Linda Blair my head's

646

00:31:36,950 --> 00:31:34,140

not turning around and you know I'm not

647

00:31:39,710 --> 00:31:36,960

projectile vomiting

648

00:31:41,930 --> 00:31:39,720

um at least not anything that's caused

649

00:31:46,250 --> 00:31:41,940

by a possession

650

00:31:49,430 --> 00:31:46,260

and so if it's not that then

651
00:31:51,169 --> 00:31:49,440
just stay on good terms that's all just

652
00:31:57,590 --> 00:31:51,179
accept it

653
00:31:59,750 --> 00:31:57,600
um uh I have watched now all of well the

654
00:32:02,330 --> 00:31:59,760
the second season hasn't ended yet of

655
00:32:05,029 --> 00:32:02,340
ghosts which is on

656
00:32:08,090 --> 00:32:05,039
Paramount plus and I love it and I it's

657
00:32:09,769 --> 00:32:08,100
so I'm also watching the BBC version of

658
00:32:12,649 --> 00:32:09,779
it the original one I'm on season three

659
00:32:14,930 --> 00:32:12,659
and I love that and that's how I want to

660
00:32:16,669 --> 00:32:14,940
deal with ghost the way that they deal

661
00:32:20,090 --> 00:32:16,679
with it in the show let's just hang out

662
00:32:25,730 --> 00:32:20,100
and and talk but but I'm not gonna do

663
00:32:29,389 --> 00:32:25,740

anything nah so yeah and ghost is here

664

00:32:31,549 --> 00:32:29,399

and uh that's it I just don't provoke

665

00:32:34,669 --> 00:32:31,559

I'm not gonna stick

666

00:32:36,649 --> 00:32:34,679

something in the eye of the bear I'm not

667

00:32:38,690 --> 00:32:36,659

gonna do that I'm just gonna leave it

668

00:32:40,549 --> 00:32:38,700

the way it is just gonna leave it the

669

00:32:44,330 --> 00:32:40,559

way it is okay next up

670

00:32:52,190 --> 00:32:47,570

uh let's see were you ever on paranormal

671

00:32:57,769 --> 00:32:55,310

that's from Area 51 uh I love that name

672

00:33:00,409 --> 00:32:57,779

by the way uh no I was never on

673

00:33:03,529 --> 00:33:00,419

paranormal on camera

674

00:33:06,830 --> 00:33:03,539

I don't want I don't want to be that guy

675

00:33:11,750 --> 00:33:06,840

I don't I don't I have

676

00:33:12,710 --> 00:33:11,760

I have right now I mean like as I speak

677

00:33:15,049 --> 00:33:12,720

to you

678

00:33:18,049 --> 00:33:15,059

I have cameras

679

00:33:21,049 --> 00:33:18,059

I have motion sensors

680

00:33:22,789 --> 00:33:21,059

um I have the ability to film I'm

681

00:33:27,590 --> 00:33:22,799

filming right now outside of the house

682

00:33:29,990 --> 00:33:27,600

those cameras are live uh 24 hours a day

683

00:33:32,330 --> 00:33:30,000

um the motion sensors inside of the

684

00:33:33,830 --> 00:33:32,340

house which I'm I'm just pointing at

685

00:33:35,570 --> 00:33:33,840

when there's one right there and I've

686

00:33:38,210 --> 00:33:35,580

got a few located throughout the house

687

00:33:40,669 --> 00:33:38,220

those only turn on when I you know go

688

00:33:42,529 --> 00:33:40,679

shopping or leave the house but those

689

00:33:46,190 --> 00:33:42,539

aren't on I don't want I don't want to

690

00:33:48,950 --> 00:33:46,200

be I could set up camera I could turn I

691

00:33:52,430 --> 00:33:48,960

don't want to be the Paranormal caught

692

00:33:55,730 --> 00:33:52,440

on camera dude I don't want to see it

693

00:33:58,789 --> 00:33:55,740

I don't want to see it you will never

694

00:34:02,990 --> 00:33:58,799

you will never see those shoes fall in

695

00:34:11,030 --> 00:34:07,370

ever not gonna do it not gonna do it all

696

00:34:14,030 --> 00:34:11,040

right next up this is Angie Angie says

697

00:34:16,510 --> 00:34:14,040

Jimmy are you ever gonna tell us your

698

00:34:22,550 --> 00:34:20,149

that would be telling

699

00:34:26,450 --> 00:34:22,560

what's the secret

700

00:34:28,369 --> 00:34:26,460

I've got lots of Secrets put me in the

701
00:34:31,970 --> 00:34:28,379
ballpark maybe you'll get something out

702
00:34:34,190 --> 00:34:31,980
of me and uh there you go let's see this

703
00:34:35,329 --> 00:34:34,200
is from Shady oh house ghost update I

704
00:34:40,369 --> 00:34:35,339
just did that

705
00:34:45,589 --> 00:34:40,379
okay let's see let's go over to

706
00:34:49,250 --> 00:34:47,210
you can't see the question I'm just

707
00:34:51,829 --> 00:34:49,260
going to read it do you think art this

708
00:34:54,649 --> 00:34:51,839
is the Mediterranean chicken do you

709
00:34:57,470 --> 00:34:54,659
think artificial intelligence alone will

710
00:35:00,470 --> 00:34:57,480
change our lives more than computers

711
00:35:03,589 --> 00:35:00,480
internet and smartphone Tech has 100

712
00:35:05,690 --> 00:35:03,599
absolutely yeah well artificial

713
00:35:06,950 --> 00:35:05,700

intelligence is already a part of all of

714

00:35:11,569 --> 00:35:06,960

those things

715

00:35:13,150 --> 00:35:11,579

so so it's already there

716

00:35:15,950 --> 00:35:13,160

um but

717

00:35:18,170 --> 00:35:15,960

artificial intelligence that

718

00:35:20,210 --> 00:35:18,180

it's not

719

00:35:22,010 --> 00:35:20,220

you see there there's a part of

720

00:35:23,810 --> 00:35:22,020

artificial intelligence which they're

721

00:35:27,890 --> 00:35:23,820

trying to sneak on us right now and get

722

00:35:29,270 --> 00:35:27,900

us to just accept chat GTP and and you

723

00:35:31,550 --> 00:35:29,280

know just make it a part of our lives

724

00:35:34,130 --> 00:35:31,560

and to accept it you know you jump on a

725

00:35:36,770 --> 00:35:34,140

website and that chat bot pops up down

726

00:35:40,450 --> 00:35:36,780

there hi oh can I help you today it's

727

00:35:46,430 --> 00:35:40,460

not a human being in in sending you that

728

00:35:49,849 --> 00:35:46,440

it's not and I would say 99 chance that

729

00:35:52,550 --> 00:35:49,859

uh and you answer that that's not it I

730

00:35:53,990 --> 00:35:52,560

don't think a human gets involved uh and

731

00:35:55,370 --> 00:35:54,000

and let's say it gets to a point where

732

00:35:57,770 --> 00:35:55,380

there's something that can't be answered

733

00:36:01,849 --> 00:35:57,780

automatically but that's uh that's a

734

00:36:03,890 --> 00:36:01,859

that's that's AI now it's a Cheesy

735

00:36:06,470 --> 00:36:03,900

version of AI but it's intrusive and

736

00:36:10,930 --> 00:36:06,480

it's it's there it's a part of our Lives

737

00:36:14,270 --> 00:36:10,940

um now uh Google you know Microsoft Bing

738

00:36:16,190 --> 00:36:14,280

uh AI is definitely

739

00:36:18,530 --> 00:36:16,200

um they've already told us this it's

740

00:36:20,569 --> 00:36:18,540

part of their search engines

741

00:36:22,069 --> 00:36:20,579

um you can sign on now and come first

742

00:36:24,589 --> 00:36:22,079

and have stuff done if you want

743

00:36:26,710 --> 00:36:24,599

something done write me a write me an

744

00:36:30,470 --> 00:36:26,720

article on

745

00:36:33,890 --> 00:36:30,480

uh gas prices whatever

746

00:36:35,810 --> 00:36:33,900

give me an article on mortgage rates and

747

00:36:37,190 --> 00:36:35,820

how they change you know something like

748

00:36:38,990 --> 00:36:37,200

that that would normally take a lot of

749

00:36:41,150 --> 00:36:39,000

work to go and do boom it'll crank it

750

00:36:43,010 --> 00:36:41,160

out and and get it right back there to

751
00:36:47,150 --> 00:36:43,020
you uh you're gonna have to go in and

752
00:36:49,490 --> 00:36:47,160
correct it but it can be done and so

753
00:36:51,530 --> 00:36:49,500
that those are the versions of AI that

754
00:36:53,870 --> 00:36:51,540
are right in front of us and it's going

755
00:36:56,810 --> 00:36:53,880
to continue to get stronger and stronger

756
00:36:58,790 --> 00:36:56,820
and stronger and and and more a part of

757
00:37:00,650 --> 00:36:58,800
our lives but that's not what freaks me

758
00:37:03,730 --> 00:37:00,660
out you want me to tell you what freaks

759
00:37:09,109 --> 00:37:03,740
me out about artificial intelligence

760
00:37:13,130 --> 00:37:11,750
it becomes a part of what you see and

761
00:37:16,010 --> 00:37:13,140
hear

762
00:37:19,609 --> 00:37:16,020
and you don't know the difference

763
00:37:23,329 --> 00:37:19,619

okay where suddenly

764

00:37:25,490 --> 00:37:23,339

a Hollywood celebrity or a politician or

765

00:37:27,650 --> 00:37:25,500

religious leader somebody with a ton of

766

00:37:32,450 --> 00:37:27,660

influence

767

00:37:35,690 --> 00:37:32,460

um is seeing saying and doing something

768

00:37:39,730 --> 00:37:35,700

and it's 100 fake

769

00:37:43,190 --> 00:37:39,740

and generated by uh AI

770

00:37:46,609 --> 00:37:43,200

that's the part where suddenly and

771

00:37:48,290 --> 00:37:46,619

that's 1984 man it's exactly what that

772

00:37:50,390 --> 00:37:48,300

book is about

773

00:37:52,130 --> 00:37:50,400

you know big brother just changing

774

00:37:54,050 --> 00:37:52,140

history and changing what you see and

775

00:37:59,089 --> 00:37:54,060

changing and altering the truth

776

00:38:02,030 --> 00:37:59,099

you know uh to to create a reality

777

00:38:03,710 --> 00:38:02,040

to conform your mind into something that

778

00:38:09,109 --> 00:38:03,720

they they want

779

00:38:12,290 --> 00:38:09,119

that's the great that and we if we when

780

00:38:14,530 --> 00:38:12,300

it gets we will not know

781

00:38:18,890 --> 00:38:14,540

that know the difference

782

00:38:20,990 --> 00:38:18,900

we will not know

783

00:38:24,310 --> 00:38:21,000

and that's the part that really freaks

784

00:38:28,190 --> 00:38:24,320

me out you know when you see Tom Cruise

785

00:38:30,410 --> 00:38:28,200

uh you know some fake Tom Cruise

786

00:38:34,130 --> 00:38:30,420

and you see that well you know we laugh

787

00:38:36,290 --> 00:38:34,140

and it's funny and and things or or you

788

00:38:39,230 --> 00:38:36,300

remember the Jennifer Lawrence uh Steve

789

00:38:40,010 --> 00:38:39,240

Buscemi thing uh and you know that was

790

00:38:43,730 --> 00:38:40,020

funny

791

00:38:46,069 --> 00:38:43,740

it was disturbing that that can be done

792

00:38:49,730 --> 00:38:46,079

like that right but it was pretty funny

793

00:38:51,589 --> 00:38:49,740

all right but just take that to the

794

00:38:54,170 --> 00:38:51,599

level where you don't know see right now

795

00:38:55,730 --> 00:38:54,180

it's funny ha ha and we can still kind

796

00:38:58,370 --> 00:38:55,740

of tell there's no way somebody would

797

00:39:02,210 --> 00:38:58,380

say that but there will be a point when

798

00:39:05,150 --> 00:39:02,220

we won't know not know the difference

799

00:39:06,829 --> 00:39:05,160

that's not what I'm saying I'm saying we

800

00:39:10,490 --> 00:39:06,839

will not know

801
00:39:14,750 --> 00:39:10,500
it will be real out of the gate yeah

802
00:39:16,970 --> 00:39:14,760
that's the part of AI that really freaks

803
00:39:19,490 --> 00:39:16,980
me out all right it's from Spencer the

804
00:39:21,890 --> 00:39:19,500
future is here artificial

805
00:39:23,930 --> 00:39:21,900
artificial intelligence of changing our

806
00:39:26,089 --> 00:39:23,940
lives in ways we never thought possible

807
00:39:28,550 --> 00:39:26,099
will it be more significant than the

808
00:39:30,770 --> 00:39:28,560
impact what

809
00:39:35,750 --> 00:39:30,780
so Spencer and the Mediterranean chicken

810
00:39:41,230 --> 00:39:39,530
talking about AI Bots are now part of

811
00:39:43,030 --> 00:39:41,240
hashtag

812
00:39:47,270 --> 00:39:43,040
f2bq

813
00:39:48,230 --> 00:39:47,280

all right Nancy G wants to know is it

814

00:39:51,950 --> 00:39:48,240

true

815

00:39:55,910 --> 00:39:51,960

that there was once a gold cap

816

00:39:58,130 --> 00:39:55,920

on top of the Great Pyramid

817

00:40:04,250 --> 00:39:58,140

possibly

818

00:40:06,410 --> 00:40:04,260

and

819

00:40:09,109 --> 00:40:06,420

um there are many of them in the Cairo

820

00:40:11,089 --> 00:40:09,119

Museum which everything is slowly being

821

00:40:14,329 --> 00:40:11,099

moved over to the Grand Museum it's not

822

00:40:17,089 --> 00:40:14,339

quite open yet the pyramidium is the

823

00:40:19,870 --> 00:40:17,099

Capstone on the top of pyramid and the

824

00:40:22,970 --> 00:40:19,880

ones that are in the Cairo Museum are

825

00:40:24,609 --> 00:40:22,980

marble red granite

826

00:40:30,170 --> 00:40:24,619

uh

827

00:40:32,870 --> 00:40:30,180

they're beautiful there's there's quite

828

00:40:34,609 --> 00:40:32,880

a few of them so that's the Capstone at

829

00:40:38,030 --> 00:40:34,619

the very top of the pyramid right and

830

00:40:41,030 --> 00:40:38,040

now is it possible

831

00:40:43,550 --> 00:40:41,040

uh that there's been a lot of rumors

832

00:40:46,910 --> 00:40:43,560

about this we don't have any proof but

833

00:40:49,490 --> 00:40:46,920

the the Capstone the pyramidium on the

834

00:40:51,410 --> 00:40:49,500

top of the Great Pyramid

835

00:40:54,530 --> 00:40:51,420

um was made of gold

836

00:40:55,910 --> 00:40:54,540

yeah yeah I would say it's a lot of gold

837

00:40:58,190 --> 00:40:55,920

though

838

00:41:02,150 --> 00:40:58,200

that's a lot of gold could it have been

839

00:41:04,430 --> 00:41:02,160

gold-plated oh that's layered in Gold be

840

00:41:06,410 --> 00:41:04,440

a little bit more believable

841

00:41:09,170 --> 00:41:06,420

um I had read

842

00:41:10,069 --> 00:41:09,180

uh this is that's about 10 years ago and

843

00:41:12,589 --> 00:41:10,079

I never

844

00:41:14,990 --> 00:41:12,599

I don't know if I ever did this

845

00:41:16,670 --> 00:41:15,000

um as a fader fact let me look this up

846

00:41:19,150 --> 00:41:16,680

how much

847

00:41:22,670 --> 00:41:19,160

gold

848

00:41:26,030 --> 00:41:22,680

in the world okay

849

00:41:32,150 --> 00:41:26,040

and so

850

00:41:37,970 --> 00:41:35,930

so it says here that 244

851
00:41:40,069 --> 00:41:37,980
000 metric tons of gold have been

852
00:41:45,250 --> 00:41:40,079
discovered to date

853
00:41:47,990 --> 00:41:45,260
uh uh oh oh okay 187 000 metric tons

854
00:41:50,030 --> 00:41:48,000
historically produce plus current

855
00:41:54,770 --> 00:41:50,040
underground reserves of fifty seven

856
00:41:55,910 --> 00:41:54,780
thousand okay so um 187 000 metric tons

857
00:41:58,609 --> 00:41:55,920
of gold

858
00:42:00,410 --> 00:41:58,619
have been mined so far in the history of

859
00:42:03,650 --> 00:42:00,420
man it's not much

860
00:42:06,230 --> 00:42:03,660
now how much

861
00:42:08,450 --> 00:42:06,240
um so I had read

862
00:42:09,950 --> 00:42:08,460
um and here we go okay now I'm able to

863
00:42:13,550 --> 00:42:09,960

look at

864

00:42:18,650 --> 00:42:13,560

uh how much of this

865

00:42:24,410 --> 00:42:21,230

would be about a hundred

866

00:42:25,609 --> 00:42:24,420

and forty three meters tall and then

867

00:42:36,290 --> 00:42:25,619

about

868

00:42:37,970 --> 00:42:36,300

size of uh the half of the Washington

869

00:42:42,530 --> 00:42:37,980

Monument

870

00:42:44,589 --> 00:42:42,540

so picture that that's all of the gold

871

00:42:48,230 --> 00:42:44,599

ever

872

00:42:50,990 --> 00:42:48,240

including King Tut's solid gold

873

00:42:53,870 --> 00:42:51,000

sarcophagus would be in that number so

874

00:42:55,790 --> 00:42:53,880

if we look at it like that and then you

875

00:42:58,550 --> 00:42:55,800

take the sides of the cap of the

876

00:43:01,130 --> 00:42:58,560

pyramidium that would be on the top of

877

00:43:03,490 --> 00:43:01,140

the Great Pyramid that's a big chunk of

878

00:43:07,069 --> 00:43:03,500

all of the gold that's ever been mined

879

00:43:09,770 --> 00:43:07,079

and like a big chunk of it but if you go

880

00:43:13,430 --> 00:43:09,780

back in history to 5000 years ago or

881

00:43:15,170 --> 00:43:13,440

whenever it how much was mined in the

882

00:43:18,710 --> 00:43:15,180

world up to that point

883

00:43:21,349 --> 00:43:18,720

it's like all of the gold

884

00:43:24,349 --> 00:43:21,359

that had ever been mined would have been

885

00:43:26,030 --> 00:43:24,359

used to cap off the Great Pyramid so I

886

00:43:28,550 --> 00:43:26,040

don't think it would be solid but could

887

00:43:34,010 --> 00:43:28,560

it be could have been plated or lined or

888

00:43:36,770 --> 00:43:35,390

there you go that's a great question

889

00:43:41,750 --> 00:43:36,780

though

890

00:43:44,690 --> 00:43:41,760

solid gold I just I'm not feeling that

891

00:43:46,790 --> 00:43:44,700

all right uh

892

00:43:50,150 --> 00:43:46,800

let's see let me look at the clock

893

00:43:53,329 --> 00:43:50,160

let me go over here

894

00:43:54,650 --> 00:43:53,339

uh let's see this is from Matt Mayfield

895

00:43:56,569 --> 00:43:54,660

Matt

896

00:43:58,730 --> 00:43:56,579

I don't read these in advance by the way

897

00:44:01,730 --> 00:43:58,740

it takes the fun out of it Jimmy what

898

00:44:03,950 --> 00:44:01,740

guitar do you plan on buying next I

899

00:44:06,109 --> 00:44:03,960

really like the new Kirk Hammett ESP

900

00:44:09,470 --> 00:44:06,119

limited five

901
00:44:10,309 --> 00:44:09,480
um yeah it's a nice guitar too as well

902
00:44:12,770 --> 00:44:10,319
um

903
00:44:15,170 --> 00:44:12,780
I don't know I don't know what I've got

904
00:44:18,589 --> 00:44:15,180
my eyes on next

905
00:44:21,890 --> 00:44:18,599
um I'm feeling though

906
00:44:24,349 --> 00:44:21,900
um if anything I'm kind of here's the

907
00:44:29,089 --> 00:44:24,359
vibe this is where I'm at I would like

908
00:44:32,390 --> 00:44:29,099
to get uh another Flying V Gibson

909
00:44:35,150 --> 00:44:32,400
and I would like to get a Karina one

910
00:44:36,829 --> 00:44:35,160
um The Who what the when the why now I

911
00:44:41,690 --> 00:44:36,839
would like to get acrina but I would

912
00:44:44,630 --> 00:44:41,700
also like to get a white Flying V

913
00:44:49,069 --> 00:44:44,640

um and you know Judas priest style

914

00:44:52,089 --> 00:44:49,079

and I would I would consider that I

915

00:44:55,190 --> 00:44:52,099

would consider that a 70s white Flying V

916

00:44:57,410 --> 00:44:55,200

with the three black knobs

917

00:45:02,030 --> 00:44:57,420

um so there's something to be said for

918

00:45:07,069 --> 00:45:02,040

that and I'm also feeling another uh

919

00:45:11,450 --> 00:45:07,079

uh Ibanez but uh Steve Vai maybe a 77

920

00:45:14,510 --> 00:45:11,460

and there is a maple neck version uh

921

00:45:18,410 --> 00:45:14,520

that uh that I have and I would like to

922

00:45:22,250 --> 00:45:18,420

get another one so there's that maybe a

923

00:45:22,930 --> 00:45:22,260

550 Genesis RG

924

00:45:26,990 --> 00:45:22,940

um

925

00:45:28,130 --> 00:45:27,000

in uh in yellow desert yellow I think

926
00:45:31,730 --> 00:45:28,140
they call it

927
00:45:33,290 --> 00:45:31,740
so yeah but you know I kind of have

928
00:45:36,829 --> 00:45:33,300
everything

929
00:45:38,690 --> 00:45:36,839
that I want that I've always wanted and

930
00:45:41,270 --> 00:45:38,700
it's just a matter of

931
00:45:44,150 --> 00:45:41,280
uh finding time to play everything and

932
00:45:46,730 --> 00:45:44,160
it's it's a maintenance issue strings

933
00:45:48,829 --> 00:45:46,740
and tuning and and adjustments and

934
00:45:51,290 --> 00:45:48,839
making things you know you don't want to

935
00:45:53,930 --> 00:45:51,300
everything's got to get love

936
00:45:56,809 --> 00:45:53,940
you've got to give it love you can't you

937
00:45:58,849 --> 00:45:56,819
can't neglect or ignore these beautiful

938
00:46:01,130 --> 00:45:58,859

instruments because their instruments

939

00:46:02,569 --> 00:46:01,140

they're made of wood and they have

940

00:46:05,450 --> 00:46:02,579

feelings

941

00:46:08,809 --> 00:46:05,460

and you have to you have to pay

942

00:46:10,250 --> 00:46:08,819

attention to them it's a harem and if

943

00:46:11,690 --> 00:46:10,260

you have a harem you got to pay

944

00:46:16,730 --> 00:46:11,700

attention to all those beautiful

945

00:46:18,470 --> 00:46:16,740

creatures you do you do so kind of I'm

946

00:46:21,470 --> 00:46:18,480

kind of in a little bit of a slow down

947

00:46:23,809 --> 00:46:21,480

mode but yeah if I'm if I'm going to be

948

00:46:28,069 --> 00:46:23,819

looking at anything it'll be another RG

949

00:46:30,109 --> 00:46:28,079

uh gem another another VI gem I've got

950

00:46:32,109 --> 00:46:30,119

my eyes on a couple

951
00:46:36,490 --> 00:46:32,119
um I might pull the trigger on

952
00:46:40,010 --> 00:46:36,500
rg550 uh in Desert Sun yellow

953
00:46:42,589 --> 00:46:40,020
uh or Gibson Flying d

954
00:46:48,109 --> 00:46:42,599
either white

955
00:46:49,730 --> 00:46:48,119
70s white 70s or a Carina reissue

956
00:46:52,550 --> 00:46:49,740
all right so there you go thank you for

957
00:46:55,370 --> 00:46:52,560
that Matt thank you for that two

958
00:46:58,069 --> 00:46:55,380
questions from Rick Norman Rick says two

959
00:47:00,230 --> 00:46:58,079
questions if I may please who wins in

960
00:47:03,290 --> 00:47:00,240
the fight between John Wick and Jason

961
00:47:05,089 --> 00:47:03,300
Bourne John Wick kicks Jason Bourne's

962
00:47:08,510 --> 00:47:05,099
ass

963
00:47:11,089 --> 00:47:08,520

no but we can't John Wick

964

00:47:15,050 --> 00:47:11,099

John Wick man

965

00:47:17,950 --> 00:47:15,060

there's nobody leaves more bodies behind

966

00:47:20,809 --> 00:47:17,960

him than John Wick

967

00:47:23,630 --> 00:47:20,819

John Wick 4 is coming out I cannot wait

968

00:47:26,030 --> 00:47:23,640

okay and so that answers that I love

969

00:47:28,550 --> 00:47:26,040

John Wickman I love Jason Bourne

970

00:47:31,370 --> 00:47:28,560

no question about it no no question

971

00:47:33,829 --> 00:47:31,380

about it but John Wick

972

00:47:36,650 --> 00:47:33,839

oh man no

973

00:47:39,890 --> 00:47:36,660

no all over his dog

974

00:47:42,470 --> 00:47:39,900

and his Mustang all right here we go

975

00:47:44,870 --> 00:47:42,480

let's see uh other Jimmy

976

00:47:46,309 --> 00:47:44,880

will we see full disclosure in the next

977

00:47:49,309 --> 00:47:46,319

10 years I think we're going to see full

978

00:47:52,849 --> 00:47:49,319

disclosure in the next

979

00:47:55,309 --> 00:47:52,859

possibly 12 months I'll go 24.

980

00:47:58,069 --> 00:47:55,319

24 months

981

00:47:59,230 --> 00:47:58,079

yep that's where I'm at

982

00:48:03,410 --> 00:47:59,240

um

983

00:48:05,450 --> 00:48:03,420

10 years I'll be 70 years old if I make

984

00:48:08,569 --> 00:48:05,460

it that far I'm 60. I'm going to be 60

985

00:48:10,910 --> 00:48:08,579

this year 10 years I'll be 70. man I

986

00:48:14,630 --> 00:48:10,920

need this resolved before I depart this

987

00:48:16,970 --> 00:48:14,640

big beautiful blue planet of ours and

988

00:48:19,970 --> 00:48:16,980

and move on to the next life

989

00:48:22,250 --> 00:48:19,980

um I need this I need this look I didn't

990

00:48:24,290 --> 00:48:22,260

make it to Mars I didn't make it to the

991

00:48:25,910 --> 00:48:24,300

moon I was promised that when I was a

992

00:48:29,630 --> 00:48:25,920

kid that didn't happen I didn't get my

993

00:48:31,730 --> 00:48:29,640

flying cars that didn't happen either I

994

00:48:34,790 --> 00:48:31,740

didn't get my hoverboard none of that

995

00:48:39,050 --> 00:48:34,800

happened I did get my Dick Tracy TV

996

00:48:42,589 --> 00:48:39,060

watch that's pretty cool but um

997

00:48:45,050 --> 00:48:42,599

we got to have disclosure that's the one

998

00:48:48,109 --> 00:48:45,060

thing that's the the ultimate question

999

00:48:50,750 --> 00:48:48,119

and we are right here the answers for us

1000

00:48:55,670 --> 00:48:50,760

are here right the answers are the

1001
00:48:58,069 --> 00:48:55,680
government knows they know they know

1002
00:48:59,690 --> 00:48:58,079
they know that's the disclosure you're

1003
00:49:02,930 --> 00:48:59,700
talking about

1004
00:49:04,670 --> 00:49:02,940
um I keep going back to the beer can

1005
00:49:06,470 --> 00:49:04,680
you know there's my disclosure it

1006
00:49:08,450 --> 00:49:06,480
happened right there right there saw it

1007
00:49:11,030 --> 00:49:08,460
saw it with my own eyes

1008
00:49:14,410 --> 00:49:11,040
Steve Murillo and everybody else we all

1009
00:49:17,150 --> 00:49:14,420
watched that thing and it was crazy town

1010
00:49:18,950 --> 00:49:17,160
but I can't answer that question I don't

1011
00:49:21,650 --> 00:49:18,960
know what it was or who it was or or

1012
00:49:23,990 --> 00:49:21,660
where it came from or where it went to I

1013
00:49:26,450 --> 00:49:24,000

can't answer any of those but that that

1014

00:49:27,470 --> 00:49:26,460

was some that was disclosure so there

1015

00:49:28,970 --> 00:49:27,480

you go

1016

00:49:34,430 --> 00:49:28,980

uh

1017

00:49:38,150 --> 00:49:34,440

Jimmy what happened to David Wilcock and

1018

00:49:41,150 --> 00:49:38,160

Corey okay or all right David you're not

1019

00:49:44,030 --> 00:49:41,160

spelling this right but uh Corey goad

1020

00:49:46,609 --> 00:49:44,040

Corey good I think are they banned are

1021

00:49:48,650 --> 00:49:46,619

they banned from the community that's up

1022

00:49:50,569 --> 00:49:48,660

to the community that's not up to me but

1023

00:49:53,690 --> 00:49:50,579

uh they will never be on Fade to Black

1024

00:49:56,809 --> 00:49:53,700

again that's for sure you know they they

1025

00:49:59,150 --> 00:49:56,819

you know when you go and you lie to me

1026

00:50:01,430 --> 00:49:59,160

you lie to the community you make a

1027

00:50:04,190 --> 00:50:01,440

bunch of stuff up and and and you play

1028

00:50:05,410 --> 00:50:04,200

everybody like they played me and played

1029

00:50:08,510 --> 00:50:05,420

I mean

1030

00:50:11,510 --> 00:50:08,520

everybody got played

1031

00:50:13,190 --> 00:50:11,520

that's painful so that's it

1032

00:50:16,010 --> 00:50:13,200

um everybody knows I pulled all the

1033

00:50:18,109 --> 00:50:16,020

material off of our archives and stuff's

1034

00:50:19,550 --> 00:50:18,119

not available I want to have nothing to

1035

00:50:21,530 --> 00:50:19,560

do I got played

1036

00:50:23,450 --> 00:50:21,540

I got played just like you and everybody

1037

00:50:24,770 --> 00:50:23,460

else so are they banned from the

1038

00:50:27,410 --> 00:50:24,780

community that's up to the community

1039

00:50:28,910 --> 00:50:27,420

that's not up to me I'm not the

1040

00:50:31,910 --> 00:50:28,920

community

1041

00:50:38,390 --> 00:50:31,920

right right okay all right good question

1042

00:50:43,250 --> 00:50:40,550

oh sorry about that this is Renee since

1043

00:50:46,550 --> 00:50:43,260

January 2014. that's how far behind I am

1044

00:50:47,410 --> 00:50:46,560

okay uh I see I don't read these in

1045

00:50:50,089 --> 00:50:47,420

advance

1046

00:50:53,329 --> 00:50:50,099

I just click

1047

00:50:55,309 --> 00:50:53,339

all right this is John aside what's up

1048

00:50:58,250 --> 00:50:55,319

down the side where do you think

1049

00:51:00,829 --> 00:50:58,260

Atlantis is I'm thinking Antarctica or

1050

00:51:02,930 --> 00:51:00,839

maybe an older civilization two good

1051
00:51:04,670 --> 00:51:02,940
points and I like this question uh

1052
00:51:07,010 --> 00:51:04,680
genocide

1053
00:51:09,049 --> 00:51:07,020
um if we go

1054
00:51:12,230 --> 00:51:09,059
depends on how you want to read it but

1055
00:51:15,170 --> 00:51:12,240
if we if we go with Play-Doh

1056
00:51:17,890 --> 00:51:15,180
Play-Doh and I've read and he doesn't

1057
00:51:22,130 --> 00:51:17,900
say much about it by the way but but

1058
00:51:25,250 --> 00:51:22,140
it seems like Plato was saying

1059
00:51:27,470 --> 00:51:25,260
outside of the Mediterranean

1060
00:51:29,690 --> 00:51:27,480
Straits of Gibraltar you know he was

1061
00:51:34,370 --> 00:51:29,700
implied I mean to me that's what when I

1062
00:51:36,109 --> 00:51:34,380
read it I I get that Vibe so could it be

1063
00:51:37,849 --> 00:51:36,119

you know it's called Atlantis for a

1064

00:51:41,210 --> 00:51:37,859

reason could it be just in the Atlantic

1065

00:51:44,150 --> 00:51:41,220

Ocean yes and I would say that there's a

1066

00:51:46,250 --> 00:51:44,160

lot of evidence that supports that not

1067

00:51:48,829 --> 00:51:46,260

right now not a physical thing but there

1068

00:51:51,410 --> 00:51:48,839

were so many changes that were happening

1069

00:51:54,589 --> 00:51:51,420

with the continents and and drift and

1070

00:51:56,930 --> 00:51:54,599

and displacement of the Earth's crust

1071

00:51:58,490 --> 00:51:56,940

different pressures and things Randall

1072

00:52:01,730 --> 00:51:58,500

Carlson and I were talking about this

1073

00:52:03,890 --> 00:52:01,740

last week that it is possible that you

1074

00:52:06,410 --> 00:52:03,900

know as the glaciers melted here and

1075

00:52:08,630 --> 00:52:06,420

that pressure was taken off that uh

1076

00:52:10,910 --> 00:52:08,640

there was movement that was happening in

1077

00:52:12,950 --> 00:52:10,920

the Atlantic Ocean and something could

1078

00:52:16,130 --> 00:52:12,960

have

1079

00:52:18,170 --> 00:52:16,140

um uh disappeared so there's that part

1080

00:52:21,170 --> 00:52:18,180

of it the other

1081

00:52:24,890 --> 00:52:21,180

the other side of it is uh your point

1082

00:52:28,809 --> 00:52:24,900

here which is Antarctica

1083

00:52:31,910 --> 00:52:28,819

isn't that interesting and I've always

1084

00:52:33,230 --> 00:52:31,920

uh I've always I don't have any proof of

1085

00:52:35,890 --> 00:52:33,240

anything

1086

00:52:38,890 --> 00:52:35,900

but I've always thought that if if

1087

00:52:41,210 --> 00:52:38,900

something was going to be hard to find

1088

00:52:45,589 --> 00:52:41,220

not hidden

1089

00:52:50,390 --> 00:52:45,599

purposefully I should say

1090

00:52:53,870 --> 00:52:50,400

um something hidden that uh it would it

1091

00:52:55,970 --> 00:52:53,880

would it would be Antarctica it's it's

1092

00:52:59,750 --> 00:52:55,980

under ice

1093

00:53:03,230 --> 00:52:59,760

um and it hasn't been discovered yet and

1094

00:53:04,250 --> 00:53:03,240

so while the climate changes were

1095

00:53:06,970 --> 00:53:04,260

happening

1096

00:53:10,309 --> 00:53:06,980

and the end of that

1097

00:53:14,990 --> 00:53:10,319

the ability to live there was was

1098

00:53:17,690 --> 00:53:15,000

disappearing quickly that they left and

1099

00:53:21,170 --> 00:53:17,700

and went to different civilizations and

1100

00:53:27,230 --> 00:53:21,180

cultures around the world very possible

1101
00:53:30,410 --> 00:53:27,240
so would we be told of a civilization uh

1102
00:53:32,450 --> 00:53:30,420
an Ancient Ancient Ancient you know what

1103
00:53:33,890 --> 00:53:32,460
you know the ice stars and there's a

1104
00:53:38,170 --> 00:53:33,900
friggin City

1105
00:53:39,710 --> 00:53:38,180
right roads right

1106
00:53:42,230 --> 00:53:39,720
whoa

1107
00:53:44,210 --> 00:53:42,240
would we be told about that well you

1108
00:53:45,410 --> 00:53:44,220
couldn't keep that secret uh for too

1109
00:53:48,109 --> 00:53:45,420
long

1110
00:53:50,690 --> 00:53:48,119
um so if there is the possibility of

1111
00:53:52,849 --> 00:53:50,700
something being hidden from us

1112
00:53:56,150 --> 00:53:52,859
um again not deliberately you know we're

1113
00:53:58,970 --> 00:53:56,160

just talking about miles of ice

1114

00:54:00,710 --> 00:53:58,980

um and then later discovered yeah yeah

1115

00:54:03,829 --> 00:54:00,720

what a great place to to have that

1116

00:54:07,670 --> 00:54:03,839

happen and that would be Antarctica so

1117

00:54:08,930 --> 00:54:07,680

yeah so I have no issues with uh the

1118

00:54:11,630 --> 00:54:08,940

Atlantic Ocean

1119

00:54:18,589 --> 00:54:11,640

so all right

1120

00:54:25,910 --> 00:54:22,069

Jimmy any chance of doing a show about

1121

00:54:25,920 --> 00:54:29,150

I've done a few

1122

00:54:34,270 --> 00:54:32,870

um LA Marzulli would be uh The Watcher

1123

00:54:37,970 --> 00:54:34,280

show

1124

00:54:39,890 --> 00:54:37,980

so yeah okay

1125

00:54:42,710 --> 00:54:39,900

all right I could I could see that

1126
00:54:46,730 --> 00:54:42,720
happening and that is from Marjorie

1127
00:54:52,430 --> 00:54:49,309
all right I'll reach out to LA

1128
00:54:55,849 --> 00:54:52,440
and uh LA and I are doing a project uh

1129
00:54:57,470 --> 00:54:55,859
we're going over to

1130
00:54:59,510 --> 00:54:57,480
um the United Kingdom we're going to be

1131
00:55:03,530 --> 00:54:59,520
doing Awakening The Forbidden Knowledge

1132
00:55:05,089 --> 00:55:03,540
World Tour and that's going down over in

1133
00:55:07,549 --> 00:55:05,099
Manchester United Kingdom and I think

1134
00:55:10,250 --> 00:55:07,559
we're doing that in August La is going

1135
00:55:11,089 --> 00:55:10,260
to be there and so let's have LA on the

1136
00:55:14,150 --> 00:55:11,099
show

1137
00:55:16,670 --> 00:55:14,160
and uh there you go Jimmy you're a

1138
00:55:18,049 --> 00:55:16,680

little hot on the lights

1139

00:55:19,549 --> 00:55:18,059

am I

1140

00:55:22,670 --> 00:55:19,559

no

1141

00:55:25,730 --> 00:55:22,680

settings

1142

00:55:29,150 --> 00:55:25,740

these lights are automatic they're all

1143

00:55:32,829 --> 00:55:29,160

wired in together they sense my Dynamic

1144

00:55:34,910 --> 00:55:32,839

skin tone and then adjust the camera

1145

00:55:37,730 --> 00:55:34,920

it's so funny

1146

00:55:39,230 --> 00:55:37,740

um I watch them change every day so when

1147

00:55:40,670 --> 00:55:39,240

you turn them on they blink and then

1148

00:55:42,650 --> 00:55:40,680

they go dark

1149

00:55:44,170 --> 00:55:42,660

right and then they light up and then

1150

00:55:46,849 --> 00:55:44,180

I'll watch this

1151
00:55:49,849 --> 00:55:46,859
and it just suggests itself and and

1152
00:55:53,569 --> 00:55:49,859
that's it they're all they run together

1153
00:55:55,010 --> 00:55:53,579
so there you go uh uh two two two two

1154
00:55:56,270 --> 00:55:55,020
two two

1155
00:55:59,950 --> 00:55:56,280
[Music]

1156
00:55:59,960 --> 00:56:04,150
let's see

1157
00:56:10,849 --> 00:56:07,549
do you foresee a soul Tech 2.0 occurring

1158
00:56:14,150 --> 00:56:10,859
I do not that's from Carl Bittner

1159
00:56:17,690 --> 00:56:14,160
um no no I do not

1160
00:56:19,609 --> 00:56:17,700
I do not I'll read them I do one

1161
00:56:23,089 --> 00:56:19,619
um that's up to her

1162
00:56:28,010 --> 00:56:23,099
um but no I'm no no soul Tech did you

1163
00:56:31,910 --> 00:56:28,020

ever meet one okay hold on for a second

1164

00:56:34,370 --> 00:56:31,920

uh uh okay now I'm sorry everybody I'm

1165

00:56:36,770 --> 00:56:34,380

I'm doing this out of order now which

1166

00:56:40,609 --> 00:56:36,780

race of aliens will be the

1167

00:56:45,130 --> 00:56:40,619

first with us first

1168

00:56:48,589 --> 00:56:45,140

which race of aliens will interact first

1169

00:56:50,990 --> 00:56:48,599

I got it sorry about that Nancy Nancy

1170

00:56:53,329 --> 00:56:51,000

says which race of aliens will interact

1171

00:56:56,210 --> 00:56:53,339

first with us first

1172

00:56:58,370 --> 00:56:56,220

I get it it's a great question

1173

00:57:02,089 --> 00:56:58,380

um I don't know

1174

00:57:05,510 --> 00:57:02,099

let me tell you why I don't know

1175

00:57:10,910 --> 00:57:05,520

there has to be

1176
00:57:12,770 --> 00:57:10,920
neighborhood here's the Milky Way our

1177
00:57:15,770 --> 00:57:12,780
little part of the Milky Way down here

1178
00:57:18,530 --> 00:57:15,780
right let's say 10 000 light years

1179
00:57:21,109 --> 00:57:18,540
around you know that that area there has

1180
00:57:29,210 --> 00:57:24,250
tens of thousands at a minimum

1181
00:57:31,609 --> 00:57:29,220
Advanced civilizations uh that can

1182
00:57:35,569 --> 00:57:31,619
get to this planet

1183
00:57:36,970 --> 00:57:35,579
not one not two not three not four not

1184
00:57:41,589 --> 00:57:36,980
five

1185
00:57:45,170 --> 00:57:41,599
tens of thousands

1186
00:57:46,730 --> 00:57:45,180
I would I would venture to guess Nancy

1187
00:57:50,450 --> 00:57:46,740
that

1188
00:57:53,870 --> 00:57:50,460

out of those tens of thousands

1189

00:57:56,990 --> 00:57:53,880

how many have interacted with more than

1190

00:58:00,049 --> 00:57:57,000

one person on this planet or two or

1191

00:58:01,190 --> 00:58:00,059

three or four

1192

00:58:03,309 --> 00:58:01,200

okay

1193

00:58:06,650 --> 00:58:03,319

so we have

1194

00:58:10,190 --> 00:58:06,660

millions of people that have had contact

1195

00:58:14,030 --> 00:58:10,200

experiences and have seen things

1196

00:58:16,670 --> 00:58:14,040

how many have been the same race

1197

00:58:19,370 --> 00:58:16,680

the same species

1198

00:58:22,270 --> 00:58:19,380

think about that

1199

00:58:25,010 --> 00:58:22,280

what if they were all different

1200

00:58:29,030 --> 00:58:25,020

and it's possible

1201

00:58:31,970 --> 00:58:29,040

what if what if what if

1202

00:58:36,770 --> 00:58:31,980

we found out

1203

00:58:39,589 --> 00:58:36,780

that every single visit was just one

1204

00:58:41,270 --> 00:58:39,599

drive-by in other words

1205

00:58:45,349 --> 00:58:41,280

Nancy

1206

00:58:48,410 --> 00:58:45,359

contact happened ship comes in somebody

1207

00:58:51,829 --> 00:58:48,420

comes down marches down got his bubble

1208

00:58:53,329 --> 00:58:51,839

helmet greetings people of Earth we've

1209

00:58:54,890 --> 00:58:53,339

been watching you for a while and we

1210

00:58:56,569 --> 00:58:54,900

come down and we shake hands man it's

1211

00:58:57,410 --> 00:58:56,579

great to have you here it's good to be

1212

00:59:00,650 --> 00:58:57,420

here

1213

00:59:03,890 --> 00:59:00,660

yeah all right all right

1214

00:59:08,809 --> 00:59:03,900

how many times I have you visited us

1215

00:59:10,370 --> 00:59:08,819

over over the last million years none

1216

00:59:13,309 --> 00:59:10,380

it's our first time

1217

00:59:14,930 --> 00:59:13,319

what yeah it's the first time we've been

1218

00:59:17,390 --> 00:59:14,940

watching you for a while we've been

1219

00:59:20,510 --> 00:59:17,400

monitoring been watching your TV love

1220

00:59:22,130 --> 00:59:20,520

Gilligan's Island but no that's the

1221

00:59:24,230 --> 00:59:22,140

first time we've you know we felt there

1222

00:59:26,390 --> 00:59:24,240

it was pretty a pretty good pretty good

1223

00:59:28,430 --> 00:59:26,400

time to swing by here and just say hello

1224

00:59:31,130 --> 00:59:28,440

and introduce ourselves

1225

00:59:33,530 --> 00:59:31,140

you mean it's the first time but we've

1226

00:59:35,450 --> 00:59:33,540

been seeing yeah I know man I know

1227

00:59:38,690 --> 00:59:35,460

you've been seeing stuff but there are

1228

00:59:41,690 --> 00:59:38,700

millions of us of planets that are just

1229

00:59:44,630 --> 00:59:41,700

cruising around the universe and the

1230

00:59:47,390 --> 00:59:44,640

Milky Way We just drive by stuff all the

1231

00:59:50,930 --> 00:59:47,400

time you do it don't you do you drive

1232

00:59:53,390 --> 00:59:50,940

through a town and not stop

1233

00:59:55,789 --> 00:59:53,400

you do it on your own highways don't you

1234

00:59:58,490 --> 00:59:55,799

don't you just drive by something and

1235

01:00:00,890 --> 00:59:58,500

not stop how many times have you flown

1236

01:00:04,010 --> 01:00:00,900

past Jupiter how many times have you

1237

01:00:07,430 --> 01:00:04,020

flown past Mars how many times have you

1238

01:00:09,410 --> 01:00:07,440

flown past Venus how many times Well we

1239

01:00:11,089 --> 01:00:09,420

do it a lot of course you do we do it

1240

01:00:12,589 --> 01:00:11,099

all the time too this is the first time

1241

01:00:13,670 --> 01:00:12,599

we just thought we'd just stop by and

1242

01:00:16,130 --> 01:00:13,680

say hello

1243

01:00:20,150 --> 01:00:16,140

I wouldn't be surprised

1244

01:00:20,990 --> 01:00:20,160

have an answer but it's going to happen

1245

01:00:26,089 --> 01:00:21,000

soon

1246

01:00:26,099 --> 01:00:31,030

uh Jimmy did you ever meet one of the

1247

01:00:36,589 --> 01:00:34,730

Sky New York Drive band members uh ever

1248

01:00:38,089 --> 01:00:36,599

see them lives I don't know what what

1249

01:00:39,650 --> 01:00:38,099

does that say

1250

01:00:41,410 --> 01:00:39,660

is it

1251

01:00:44,569 --> 01:00:41,420

skin skin

1252

01:00:47,510 --> 01:00:44,579

I I don't it's I don't know how to say

1253

01:00:50,329 --> 01:00:47,520

that name so apparently I did not is

1254

01:00:52,370 --> 01:00:50,339

that actually a name hold on for a

1255

01:00:58,190 --> 01:00:52,380

second what is that

1256

01:01:04,849 --> 01:01:01,329

oh Leonard Skynyrd

1257

01:01:07,430 --> 01:01:04,859

oh oh oh Leonard Skinner

1258

01:01:10,069 --> 01:01:07,440

did you ever meet the Skinner see the r

1259

01:01:14,750 --> 01:01:10,079

at the end of that is what threw me off

1260

01:01:17,329 --> 01:01:14,760

I did not and I I you know obviously uh

1261

01:01:18,950 --> 01:01:17,339

uh Gary rossington uh passed away today

1262

01:01:21,109 --> 01:01:18,960

guitar player

1263

01:01:23,690 --> 01:01:21,119

uh for Leonard Skinner one of the great

1264

01:01:26,329 --> 01:01:23,700

guitar players in history

1265

01:01:29,450 --> 01:01:26,339

um left this Earth uh today favorite

1266

01:01:33,289 --> 01:01:29,460

song by Leonard Skynyrd

1267

01:01:37,849 --> 01:01:35,870

uh I like that smell that's that smell

1268

01:01:40,069 --> 01:01:37,859

is good Simple Man

1269

01:01:45,230 --> 01:01:40,079

uh

1270

01:01:47,270 --> 01:01:45,240

I like that smell that smells good I

1271

01:01:49,569 --> 01:01:47,280

like all Skinner I like all 38 Special

1272

01:01:53,089 --> 01:01:49,579

by the way and rossington Collins band

1273

01:01:56,750 --> 01:01:53,099

uh like all all that all of it all of it

1274

01:02:00,130 --> 01:01:56,760

all of it man 38 Special comes on

1275

01:02:02,990 --> 01:02:00,140

you know on a satellite when I'm driving

1276

01:02:04,970 --> 01:02:03,000

I will I will crank it every single time

1277

01:02:07,970 --> 01:02:04,980

and then hit repeat

1278

01:02:08,809 --> 01:02:07,980

and and play it over again so there you

1279

01:02:16,609 --> 01:02:08,819

go

1280

01:02:21,289 --> 01:02:18,589

let's see Jimmy have you ever heard of

1281

01:02:22,910 --> 01:02:21,299

Dorothy is it story not sure if I have

1282

01:02:26,809 --> 01:02:22,920

the spelling correct

1283

01:02:29,150 --> 01:02:26,819

and Dorothy is it okay I I don't know

1284

01:02:32,930 --> 01:02:29,160

about this either

1285

01:02:34,490 --> 01:02:32,940

um I'd like to Dorothy is it is that

1286

01:02:40,130 --> 01:02:34,500

what that is

1287

01:02:45,410 --> 01:02:42,890

okay no I'm not uh I'm not kidding a

1288

01:02:48,470 --> 01:02:45,420

Dorothy izzitz here let me try this one

1289

01:02:48,480 --> 01:02:52,309

oh oh

1290

01:03:01,370 --> 01:02:58,370

is that it's a t there it is okay got it

1291

01:03:05,390 --> 01:03:01,380

um I do remember this

1292

01:03:07,309 --> 01:03:05,400

um and it's one Z by the way one Z two

1293

01:03:11,990 --> 01:03:07,319

T's with an a

1294

01:03:14,210 --> 01:03:12,000

and um no uh contact uh with beings of

1295

01:03:17,210 --> 01:03:14,220

light the amazing true story of Dorothy

1296

01:03:20,990 --> 01:03:17,220

Wilkinson is odd

1297

01:03:23,809 --> 01:03:21,000

um I haven't read the book I've heard uh

1298

01:03:26,089 --> 01:03:23,819

uh a lot about this story

1299

01:03:29,030 --> 01:03:26,099

um there is a documentary out uh

1300

01:03:31,309 --> 01:03:29,040

capturing the light the true story all

1301

01:03:33,829 --> 01:03:31,319

right so I will uh I will check that out

1302

01:03:36,650 --> 01:03:33,839

and

1303

01:03:38,870 --> 01:03:36,660

um she's uh she was from Hong Kong

1304

01:03:41,930 --> 01:03:38,880

so there you go

1305

01:03:44,150 --> 01:03:41,940

all right I'll I'll give that a deeper

1306

01:03:46,670 --> 01:03:44,160

answer later I do know the name and I

1307

01:03:49,970 --> 01:03:46,680

know some of the story uh I probably

1308

01:03:50,990 --> 01:03:49,980

know all of it once I uh do a deep

1309

01:03:53,510 --> 01:03:51,000

review

1310

01:03:55,849 --> 01:03:53,520

okay so I'll give a house I'll Circle

1311

01:03:58,490 --> 01:03:55,859

I'll Circle back hi Jimmy now that

1312

01:04:01,490 --> 01:03:58,500

you've been to Egypt is there another

1313

01:04:05,089 --> 01:04:01,500

place or site

1314

01:04:08,329 --> 01:04:05,099

on your bucket list to visit

1315

01:04:10,849 --> 01:04:08,339

um in Egypt well I mean coming up this

1316

01:04:13,609 --> 01:04:10,859

year I'm man I'm doing a bunch of stuff

1317

01:04:15,589 --> 01:04:13,619

I'm I'm finally I'm gonna go see a berry

1318

01:04:17,690 --> 01:04:15,599

in the United Kingdom I'm gonna do that

1319

01:04:19,549 --> 01:04:17,700

with Billy Carson that's a huge bucket

1320

01:04:21,950 --> 01:04:19,559

list thing to me

1321

01:04:24,829 --> 01:04:21,960

um I'm going to Machu Picchu uh this

1322

01:04:27,230 --> 01:04:24,839

year huge bucket I have not been to

1323

01:04:29,569 --> 01:04:27,240

Machu Picchu so I'm going to Machu

1324

01:04:35,750 --> 01:04:29,579

Picchu later on and I am going back to

1325

01:04:37,789 --> 01:04:35,760

Egypt now one of so to answer this uh a

1326

01:04:40,490 --> 01:04:37,799

little bit differently

1327

01:04:44,450 --> 01:04:40,500

um one of the places that I do want to

1328

01:04:45,470 --> 01:04:44,460

see in Egypt is the oh Syrian I wanna I

1329

01:04:48,470 --> 01:04:45,480

wanna go there

1330

01:04:51,349 --> 01:04:48,480

all right then that is that that's

1331

01:04:54,109 --> 01:04:51,359

that's up that's up that's up there

1332

01:04:56,990 --> 01:04:54,119

um and so we're going to be doing uh a

1333

01:05:00,170 --> 01:04:57,000

few other uh sites that we didn't visit

1334

01:05:02,410 --> 01:05:00,180

before but uh so Machu Picchu gonna go

1335

01:05:05,930 --> 01:05:02,420

do that I'm gonna do a berry this year

1336

01:05:09,490 --> 01:05:05,940

uh two things that I've always been it's

1337

01:05:12,470 --> 01:05:09,500

weird so Stonehenge

1338

01:05:15,109 --> 01:05:12,480

doesn't I mean it's it's on the list you

1339

01:05:17,930 --> 01:05:15,119

know if it's convenient and things but

1340

01:05:22,309 --> 01:05:17,940

no a berry is what I want to see

1341

01:05:24,170 --> 01:05:22,319

so uh that that it that is happening

1342

01:05:25,849 --> 01:05:24,180

this year and I can't wait to do that so

1343

01:05:28,250 --> 01:05:25,859

yeah so two things on The Bucket List

1344

01:05:31,670 --> 01:05:28,260

great question two things on The Bucket

1345

01:05:34,849 --> 01:05:31,680

List are being checked off uh this year

1346

01:05:37,490 --> 01:05:34,859

all right let's see Jimmy any thoughts

1347

01:05:41,630 --> 01:05:39,650

tateria okay

1348

01:05:42,710 --> 01:05:41,640

um conspiracy what about the mud floods

1349

01:05:45,049 --> 01:05:42,720

okay

1350

01:05:47,569 --> 01:05:45,059

so

1351
01:05:48,250 --> 01:05:47,579
before

1352
01:05:49,809 --> 01:05:48,260
um

1353
01:05:55,309 --> 01:05:49,819
tataria

1354
01:05:57,289 --> 01:05:55,319
this is I'm just gonna say conspiracy

1355
01:06:04,370 --> 01:05:57,299
theory let's go with that it's the best

1356
01:06:09,650 --> 01:06:06,609
um which now let's say modern day

1357
01:06:11,390 --> 01:06:09,660
Mongolia that area so you have Russia

1358
01:06:13,789 --> 01:06:11,400
Mongolia China

1359
01:06:16,130 --> 01:06:13,799
you know you have that area so

1360
01:06:17,630 --> 01:06:16,140
um before that that there was

1361
01:06:23,329 --> 01:06:17,640
uh

1362
01:06:24,589 --> 01:06:23,339
there much like Atlantis if you're going

1363
01:06:27,770 --> 01:06:24,599

to say something like this but this

1364

01:06:30,589 --> 01:06:27,780

would be land bound right

1365

01:06:33,950 --> 01:06:30,599

um called tataria

1366

01:06:35,029 --> 01:06:33,960

um here is which is different than

1367

01:06:41,089 --> 01:06:35,039

Atlantis

1368

01:06:43,430 --> 01:06:41,099

we don't haven't found it yet

1369

01:06:45,710 --> 01:06:43,440

so we don't have any real evidence of

1370

01:06:47,750 --> 01:06:45,720

Atlantis outside of what Plato uh and

1371

01:06:50,329 --> 01:06:47,760

others historians

1372

01:06:52,190 --> 01:06:50,339

um have written

1373

01:06:54,349 --> 01:06:52,200

tatari is different

1374

01:06:56,150 --> 01:06:54,359

it's right there

1375

01:07:05,569 --> 01:06:56,160

right

1376

01:07:10,490 --> 01:07:05,579

allegedly this Advanced civilization was

1377

01:07:13,549 --> 01:07:10,500

um but uh no evidence of anything so I I

1378

01:07:18,950 --> 01:07:13,559

don't rate it the same it's not similar

1379

01:07:21,289 --> 01:07:18,960

to me like Lemuria or uh Atlantis and

1380

01:07:23,450 --> 01:07:21,299

the possibility of of cities that have

1381

01:07:26,089 --> 01:07:23,460

dis oh you know islands and things that

1382

01:07:28,609 --> 01:07:26,099

have disappeared or continents

1383

01:07:31,130 --> 01:07:28,619

um because it's right it's there you can

1384

01:07:34,069 --> 01:07:31,140

walk you can check it out and there has

1385

01:07:35,450 --> 01:07:34,079

been zero evidence of of anything found

1386

01:07:37,549 --> 01:07:35,460

so

1387

01:07:39,010 --> 01:07:37,559

it's a great story

1388

01:07:43,670 --> 01:07:39,020

right

1389

01:07:44,569 --> 01:07:43,680

uh Attila the Hun man was he tartarian I

1390

01:07:46,430 --> 01:07:44,579

don't know

1391

01:07:49,630 --> 01:07:46,440

I did it

1392

01:07:52,490 --> 01:07:49,640

um so that's that's where I'm at uh look

1393

01:07:54,289 --> 01:07:52,500

to be a conspiracy theorist like myself

1394

01:07:56,329 --> 01:07:54,299

doesn't mean that you have to believe in

1395

01:07:58,430 --> 01:07:56,339

every single one that comes along I

1396

01:08:00,230 --> 01:07:58,440

think it's fascinating to read and to

1397

01:08:04,089 --> 01:08:00,240

contemplate and yes anything is possible

1398

01:08:08,510 --> 01:08:04,099

but what's different here is that land

1399

01:08:10,250 --> 01:08:08,520

is there we can walk on it we can check

1400

01:08:13,970 --> 01:08:10,260

it out and there's no evidence of

1401

01:08:18,169 --> 01:08:15,890

this is Jimmy Church of Fade to Black

1402

01:08:20,390 --> 01:08:18,179

please visit all of our sponsors we're

1403

01:08:22,070 --> 01:08:20,400

taking a quick break here all of the

1404

01:08:25,070 --> 01:08:22,080

links are below

1405

01:08:27,470 --> 01:08:25,080

and we'll be right back

1406

01:08:28,510 --> 01:08:27,480

check out Billy Carson's Forbidden

1407

01:08:30,550 --> 01:08:28,520

Knowledge

1408

01:08:32,570 --> 01:08:30,560

forbiddenknowledge.com or

1409

01:08:36,470 --> 01:08:32,580

forbiddenknowledge.tv where you can get

1410

01:08:38,990 --> 01:08:36,480

access to over 6 000 videos movies TV

1411

01:08:40,910 --> 01:08:39,000

series exclusive documentaries like the

1412

01:08:44,090 --> 01:08:40,920

Black Knight satellite you can do it all

1413

01:08:46,309 --> 01:08:44,100

for just seven dollars and 77 cents per

1414

01:08:48,890 --> 01:08:46,319

month or seventy seven dollars per year

1415

01:08:50,689 --> 01:08:48,900

after the three-day trial which is also

1416

01:08:53,390 --> 01:08:50,699

totally free to check out it's all

1417

01:08:55,030 --> 01:08:53,400

simple to do Billy Carson is the best

1418

01:08:56,689 --> 01:08:55,040

it's simple

1419

01:08:59,450 --> 01:08:56,699

forbiddenknowledge.com or

1420

01:09:03,829 --> 01:08:59,460

forbiddenknowledge dot TV that's the

1421

01:09:10,130 --> 01:09:06,890

on Saturday April 1st that's right April

1422

01:09:12,289 --> 01:09:10,140

Fool's Day 2023 I will be hosting the

1423

01:09:15,769 --> 01:09:12,299

peripod festival at the Hyatt Regency

1424

01:09:18,289 --> 01:09:15,779

right here in Valencia California it's a

1425

01:09:21,289 --> 01:09:18,299

live one day podcast Awards it's a film

1426

01:09:23,390 --> 01:09:21,299

festival it's a full on media event

1427

01:09:25,189 --> 01:09:23,400

we're going to have Sky watching there's

1428

01:09:28,010 --> 01:09:25,199

going to be a Lifetime Achievement Award

1429

01:09:30,050 --> 01:09:28,020

presented to Linda Moulton Howe right

1430

01:09:32,030 --> 01:09:30,060

now you can submit your podcast to your

1431

01:09:34,789 --> 01:09:32,040

film your TV series any of your

1432

01:09:36,709 --> 01:09:34,799

paranormal media for consideration you

1433

01:09:39,970 --> 01:09:36,719

can do all of that on the links below

1434

01:09:41,809 --> 01:09:39,980

for info and tickets go to

1435

01:09:44,890 --> 01:09:41,819

parapodfilmfest.com that's

1436

01:09:50,570 --> 01:09:48,950

April 7th through the 14th 2023 I'll be

1437

01:09:53,510 --> 01:09:50,580

hosting and presenting on the hidden

1438

01:09:56,150 --> 01:09:53,520

secrets seminar at Sea cruise from Los

1439

01:09:58,490 --> 01:09:56,160

Angeles to the Mexican Riviera I'm the

1440

01:10:01,070 --> 01:09:58,500

Navigator of the Seas that's right up

1441

01:10:02,750 --> 01:10:01,080

top a giant water slide you've got to

1442

01:10:04,669 --> 01:10:02,760

check out the Navigator of the Seas it's

1443

01:10:07,010 --> 01:10:04,679

amazing we've got Scott Walter Adam

1444

01:10:09,890 --> 01:10:07,020

Apollo Nick Pope Brad Olson Vivian

1445

01:10:12,229 --> 01:10:09,900

chauve Jason shirka Robert Grant Reuben

1446

01:10:14,570 --> 01:10:12,239

Langdon and another 12 amazing speakers

1447

01:10:16,030 --> 01:10:14,580

and presenters it's all simple to do

1448

01:10:18,470 --> 01:10:16,040

just visit

1449

01:10:22,189 --> 01:10:18,480

divinetravels.com forward slash hidden

1450

01:10:24,530 --> 01:10:22,199

secrets 2023 you know you want to go on

1451

01:10:27,890 --> 01:10:24,540

a cruise with me

1452

01:10:30,709 --> 01:10:27,900

River Moon coffee makers of the Fade to

1453

01:10:32,530 --> 01:10:30,719

Black blend truly the best coffee on

1454

01:10:34,790 --> 01:10:32,540

planet Earth just visit

1455

01:10:36,709 --> 01:10:34,800

rivermoonwellness.com or or their Amazon

1456

01:10:38,090 --> 01:10:36,719

store it's all simple to do you can

1457

01:10:40,189 --> 01:10:38,100

check out the Fade to Black blend the

1458

01:10:42,830 --> 01:10:40,199

game changer Blend or any of their black

1459

01:10:46,610 --> 01:10:42,840

moon wellness products it's the only

1460

01:10:51,830 --> 01:10:46,620

coffee I drink it is the best and it's

1461

01:10:56,030 --> 01:10:54,350

all right Welcome Back Fade to Black I'm

1462

01:10:59,090 --> 01:10:56,040

your host Timmy Church tonight's hour we

1463

01:11:01,669 --> 01:10:59,100

do this AMA about once a month uh every

1464

01:11:04,729 --> 01:11:01,679

six weeks or so tonight it's ask me

1465

01:11:07,130 --> 01:11:04,739

anything you can post put it in all caps

1466

01:11:08,810 --> 01:11:07,140

right there in the chat hashtag gift to

1467

01:11:12,729 --> 01:11:08,820

be over on Twitter

1468

01:11:15,590 --> 01:11:12,739

oh and also over on Facebook

1469

01:11:17,930 --> 01:11:15,600

and let's see here let me jump over to

1470

01:11:20,630 --> 01:11:17,940

Facebook uh really quick since I have

1471

01:11:22,850 --> 01:11:20,640

been ignoring that uh tonight not on

1472

01:11:24,830 --> 01:11:22,860

purpose it's just that there's a lot of

1473

01:11:27,110 --> 01:11:24,840

questions to get answered I'm going to

1474

01:11:29,630 --> 01:11:27,120

try to get them in and I can see

1475

01:11:32,930 --> 01:11:29,640

overtime happening tonight uh to get all

1476

01:11:37,010 --> 01:11:32,940

of the questions uh uh to you as quick

1477

01:11:40,330 --> 01:11:37,020

as possible so let's keep this going and

1478

01:11:44,149 --> 01:11:40,340

let's see over in

1479

01:11:47,810 --> 01:11:44,159

uh let's see here

1480

01:11:49,149 --> 01:11:47,820

oh man there's a lot of okay

1481

01:11:54,470 --> 01:11:49,159

um

1482

01:11:56,870 --> 01:11:54,480

oh I remember now why

1483

01:11:59,030 --> 01:11:56,880

I'm not doing Facebook okay all right I

1484

01:12:04,010 --> 01:11:59,040

I can't list I can only see the top two

1485

01:12:08,410 --> 01:12:04,020

or three okay here we go let's see what

1486

01:12:11,270 --> 01:12:08,420

is up next this is polyhedral

1487

01:12:14,990 --> 01:12:11,280

paradise ever considered doing a

1488

01:12:17,570 --> 01:12:15,000

comprehensive show on Teeter nice like

1489

01:12:19,490 --> 01:12:17,580

the definitive Truth where you spill all

1490

01:12:22,910 --> 01:12:19,500

of the beans because we know you know

1491

01:12:23,689 --> 01:12:22,920

that we know you know the whole truth

1492

01:12:25,729 --> 01:12:23,699

um

1493

01:12:27,649 --> 01:12:25,739

yeah we can go we can go back and do a

1494

01:12:33,350 --> 01:12:27,659

teeter show

1495

01:12:36,709 --> 01:12:33,360

originally you know 10 years ago

1496

01:12:38,890 --> 01:12:36,719

um I I had Larry Haber a teeter's

1497

01:12:43,430 --> 01:12:38,900

attorney on the show quite a few times

1498

01:12:48,290 --> 01:12:43,440

and I had said or Larry told me there's

1499

01:12:52,370 --> 01:12:48,300

a white spot on my shirt what is that I

1500

01:12:55,189 --> 01:12:52,380

can't have that on my shirt it's a hair

1501
01:12:57,649 --> 01:12:55,199
so here that's embedded in the shirt but

1502
01:12:58,669 --> 01:12:57,659
it's glowing here on the screen

1503
01:13:02,510 --> 01:12:58,679
um

1504
01:13:06,530 --> 01:13:02,520
and Larry had told me then

1505
01:13:10,010 --> 01:13:06,540
in 2000 I believe it was 2000 2013 that

1506
01:13:15,590 --> 01:13:10,020
in 2014 uh John was coming back in that

1507
01:13:17,510 --> 01:13:15,600
is Mom would uh okay a show and that

1508
01:13:20,870 --> 01:13:17,520
um we would do the announcement on Fade

1509
01:13:24,229 --> 01:13:20,880
to Black and 2014 came and won 2015 I

1510
01:13:26,450 --> 01:13:24,239
kept I you know I've had I've had Haber

1511
01:13:28,610 --> 01:13:26,460
on the show a few times

1512
01:13:31,370 --> 01:13:28,620
um and I was waiting I wanted to know

1513
01:13:32,510 --> 01:13:31,380

you know and I wanted to get that update

1514

01:13:35,330 --> 01:13:32,520

um but that doesn't mean that we can't

1515

01:13:37,610 --> 01:13:35,340

go back and revisit uh the John Teeter

1516

01:13:39,169 --> 01:13:37,620

story and all of the evidence and just

1517

01:13:41,270 --> 01:13:39,179

go through it

1518

01:13:43,790 --> 01:13:41,280

um and maybe bring Larry Haber uh back

1519

01:13:46,790 --> 01:13:43,800

on the show yeah I can do that he always

1520

01:13:48,350 --> 01:13:46,800

picks up his phone so uh I'll see what I

1521

01:13:49,250 --> 01:13:48,360

can do that's a great question thank you

1522

01:13:51,709 --> 01:13:49,260

for that

1523

01:13:54,350 --> 01:13:51,719

um the John Teeter story for those that

1524

01:13:57,410 --> 01:13:54,360

don't know what polyhedral is referring

1525

01:14:00,229 --> 01:13:57,420

to John teeter's a time traveler that uh

1526

01:14:02,390 --> 01:14:00,239

first appeared on message boards uh with

1527

01:14:05,470 --> 01:14:02,400

uh Art Bell

1528

01:14:08,570 --> 01:14:05,480

post to post or whatever he called his

1529

01:14:12,050 --> 01:14:08,580

I can't remember when he called his form

1530

01:14:13,910 --> 01:14:12,060

and the the time travel Institute I

1531

01:14:17,390 --> 01:14:13,920

think that's what that was called uh

1532

01:14:22,070 --> 01:14:17,400

their uh message boards back then around

1533

01:14:26,570 --> 01:14:22,080

the year 2000 a fax had come in to uh

1534

01:14:28,669 --> 01:14:26,580

Arts uh radio studio uh from John Teeter

1535

01:14:31,130 --> 01:14:28,679

I think that was in late 1999 and then

1536

01:14:33,470 --> 01:14:31,140

it started to surface so that's what

1537

01:14:35,510 --> 01:14:33,480

we're talking about here and then Teeter

1538

01:14:38,270 --> 01:14:35,520

after answering everybody's questions

1539

01:14:42,169 --> 01:14:38,280

and posting pictures and diagrams and

1540

01:14:45,290 --> 01:14:42,179

things uh just he said I gotta go I'll

1541

01:14:47,870 --> 01:14:45,300

see you later and was gone and and that

1542

01:14:50,510 --> 01:14:47,880

was the end of the story so John came

1543

01:14:52,790 --> 01:14:50,520

and went was John real or not and that

1544

01:14:55,130 --> 01:14:52,800

left a lot of questions with everybody

1545

01:14:57,169 --> 01:14:55,140

because it was it was a lot of fun it

1546

01:14:59,090 --> 01:14:57,179

was pretty remarkable uh when all of

1547

01:15:00,950 --> 01:14:59,100

that went down

1548

01:15:04,370 --> 01:15:00,960

um we have heard nothing since

1549

01:15:06,290 --> 01:15:04,380

so I can go back I can do the Deep dive

1550

01:15:09,110 --> 01:15:06,300

I do have a little information I don't

1551

01:15:13,550 --> 01:15:09,120

have a lot not like what was pouring in

1552

01:15:16,310 --> 01:15:13,560

back in 2013 and 2014.

1553

01:15:17,450 --> 01:15:16,320

um it was moving at a pretty fast clip

1554

01:15:21,350 --> 01:15:17,460

but then

1555

01:15:23,209 --> 01:15:21,360

it the story went away a second time so

1556

01:15:25,790 --> 01:15:23,219

but I'll go back yeah I can do that I

1557

01:15:28,729 --> 01:15:25,800

can do that I'll see if I can bring on

1558

01:15:31,910 --> 01:15:28,739

some uh John Teeter uh Specialists that

1559

01:15:34,430 --> 01:15:31,920

uh have been researching uh the issue uh

1560

01:15:37,790 --> 01:15:34,440

the story it's from Jessica Rodriguez

1561

01:15:40,669 --> 01:15:37,800

Jessica says do you think the government

1562

01:15:44,090 --> 01:15:40,679

and Vatican will admit that they lied to

1563

01:15:46,570 --> 01:15:44,100

us and show us the Deep archives in the

1564

01:15:50,090 --> 01:15:46,580

Vatican whole that holds the knowledge

1565

01:15:52,370 --> 01:15:50,100

uh uh uh the pine cone is the beacon for

1566

01:15:53,689 --> 01:15:52,380

those that that who know what that means

1567

01:15:56,149 --> 01:15:53,699

yeah that's a great question thank you

1568

01:16:01,510 --> 01:15:56,159

for that Jessica very cool

1569

01:16:08,990 --> 01:16:05,270

the only way no the Vatican will never

1570

01:16:10,669 --> 01:16:09,000

just voluntarily open up its archives

1571

01:16:14,030 --> 01:16:10,679

and and give no

1572

01:16:15,350 --> 01:16:14,040

no not gonna happen it's it's just it's

1573

01:16:18,649 --> 01:16:15,360

it's not

1574

01:16:20,510 --> 01:16:18,659

there's a thousand reasons why uh but on

1575

01:16:23,149 --> 01:16:20,520

the top of the list is money

1576

01:16:25,189 --> 01:16:23,159

all right the Vatican holds you know

1577

01:16:29,930 --> 01:16:25,199

what there's three billion Catholics in

1578

01:16:32,149 --> 01:16:29,940

the world right so out of seven uh eight

1579

01:16:33,649 --> 01:16:32,159

eight million people here so there's

1580

01:16:35,870 --> 01:16:33,659

that part of it

1581

01:16:38,750 --> 01:16:35,880

um it's a it's a money issue they're not

1582

01:16:40,790 --> 01:16:38,760

gonna have the Catholic religion

1583

01:16:42,410 --> 01:16:40,800

collapse that's the first thing but the

1584

01:16:43,630 --> 01:16:42,420

second thing

1585

01:16:47,689 --> 01:16:43,640

um they're not going to give that up

1586

01:16:51,530 --> 01:16:47,699

they don't know what they have they know

1587

01:16:53,870 --> 01:16:51,540

pieces of what they have but there are

1588

01:16:55,490 --> 01:16:53,880

just

1589

01:16:58,070 --> 01:16:55,500

Acres

1590

01:17:01,070 --> 01:16:58,080

in the Vatican archives

1591

01:17:02,450 --> 01:17:01,080

and those Subterranean vaults Acres

1592

01:17:04,550 --> 01:17:02,460

of stuff

1593

01:17:07,669 --> 01:17:04,560

and it gets thrown in there it's been

1594

01:17:10,090 --> 01:17:07,679

thrown in there for uh almost 2 000

1595

01:17:15,050 --> 01:17:10,100

years and accumulated

1596

01:17:17,570 --> 01:17:15,060

and the ability to go back and review

1597

01:17:20,270 --> 01:17:17,580

all of the stuff that is in there

1598

01:17:23,209 --> 01:17:20,280

it would take thousands of years

1599

01:17:24,590 --> 01:17:23,219

it's it's the truth so they don't even

1600

01:17:28,250 --> 01:17:24,600

know what they have

1601

01:17:29,330 --> 01:17:28,260

so that's it's it's really that not the

1602

01:17:32,450 --> 01:17:29,340

big stuff

1603

01:17:34,310 --> 01:17:32,460

well not the big sub they know some of

1604

01:17:36,530 --> 01:17:34,320

what they have but most of it no I'm

1605

01:17:38,510 --> 01:17:36,540

sure that I'm telling you this is a fact

1606

01:17:41,030 --> 01:17:38,520

the Vatican does not know everything

1607

01:17:44,030 --> 01:17:41,040

that they have they probably know five

1608

01:17:46,750 --> 01:17:44,040

percent of what they have

1609

01:17:50,330 --> 01:17:46,760

um and so no it's not going to happen

1610

01:17:55,850 --> 01:17:50,340

the only way that we would have access

1611

01:17:57,350 --> 01:17:55,860

uh to those vaults is uh if if if we did

1612

01:18:00,410 --> 01:17:57,360

it by force

1613

01:18:04,070 --> 01:18:00,420

and I'm not suggesting anything that's

1614

01:18:07,330 --> 01:18:04,080

the only way right an angry mob of a

1615

01:18:10,790 --> 01:18:07,340

million people show up

1616

01:18:14,209 --> 01:18:10,800

and uh but that that's that's it that's

1617

01:18:15,970 --> 01:18:14,219

that's no no it'll it'll never happen

1618

01:18:19,550 --> 01:18:15,980

voluntarily

1619

01:18:22,070 --> 01:18:19,560

not gonna happen it's simply not now

1620

01:18:26,450 --> 01:18:22,080

would the big reveal happen

1621

01:18:28,610 --> 01:18:26,460

about ET or who really runs the world if

1622

01:18:31,250 --> 01:18:28,620

there is a God all of that stuff would

1623

01:18:34,189 --> 01:18:31,260

happen you know do they have the True

1624

01:18:35,450 --> 01:18:34,199

Cross there do they have evidence of

1625

01:18:37,870 --> 01:18:35,460

Jesus

1626

01:18:40,130 --> 01:18:37,880

right do they have that stuff

1627

01:18:42,470 --> 01:18:40,140

is it I don't know

1628

01:18:44,570 --> 01:18:42,480

I don't know maybe

1629

01:18:46,010 --> 01:18:44,580

what if it's not that I don't know I

1630

01:18:49,189 --> 01:18:46,020

don't know I don't know I don't know

1631

01:18:50,870 --> 01:18:49,199

evidence of anything else right no they

1632

01:18:52,610 --> 01:18:50,880

got to keep the money machine rolling

1633

01:18:55,669 --> 01:18:52,620

and that's the truth

1634

01:18:58,990 --> 01:18:55,679

you know they own so much property and

1635

01:19:02,570 --> 01:18:59,000

the amount of money I mean it's crazy

1636

01:19:04,850 --> 01:19:02,580

and we don't even know how much yeah we

1637

01:19:08,390 --> 01:19:04,860

don't even know we don't we don't so

1638

01:19:11,810 --> 01:19:08,400

that stuff's not going to get let go

1639

01:19:13,270 --> 01:19:11,820

no no no no it's simply not going to

1640

01:19:16,130 --> 01:19:13,280

happen

1641

01:19:19,130 --> 01:19:16,140

all right let's see what's up next here

1642

01:19:22,850 --> 01:19:19,140

Jimmy what is your ancestral background

1643

01:19:24,590 --> 01:19:22,860

are you Rh negative what's going on in

1644

01:19:26,630 --> 01:19:24,600

there

1645

01:19:28,669 --> 01:19:26,640

all right

1646

01:19:31,970 --> 01:19:28,679

um I don't know much

1647

01:19:34,430 --> 01:19:31,980

all right so what I was told from when I

1648

01:19:36,709 --> 01:19:34,440

was very young as everybody knows uh by

1649

01:19:40,669 --> 01:19:36,719

now um I was adopted

1650

01:19:43,250 --> 01:19:40,679

and so my real mom uh who passed away

1651

01:19:46,130 --> 01:19:43,260

five years ago the stuff that she told

1652

01:19:49,250 --> 01:19:46,140

me when I was very young

1653

01:19:50,870 --> 01:19:49,260

um eight years old nine years old

1654

01:19:52,930 --> 01:19:50,880

um and a little bit for my grandparents

1655

01:19:56,149 --> 01:19:52,940

you know they're both dead too as well

1656

01:19:59,689 --> 01:19:56,159

uh from my blood family and the things

1657

01:20:01,490 --> 01:19:59,699

that I have been told uh you know

1658

01:20:04,430 --> 01:20:01,500

they've kind of stuck with me

1659

01:20:07,070 --> 01:20:04,440

and that is We're British

1660

01:20:09,890 --> 01:20:07,080

that's what I was told British

1661

01:20:12,709 --> 01:20:09,900

yeah now I hear from people hey man are

1662

01:20:16,310 --> 01:20:12,719

you Italian you know you got something

1663

01:20:18,350 --> 01:20:16,320

else going on in there I I maybe I got

1664

01:20:21,410 --> 01:20:18,360

some in there maybe there's a lot

1665

01:20:24,830 --> 01:20:21,420

I don't know I don't know all I was told

1666

01:20:28,070 --> 01:20:24,840

was uh We're British you know and I was

1667

01:20:30,709 --> 01:20:28,080

told a couple of names uh and then our

1668

01:20:32,810 --> 01:20:30,719

our name was changed to church

1669

01:20:34,490 --> 01:20:32,820

you know 400 years ago there was an

1670

01:20:37,669 --> 01:20:34,500

original family name over in Great

1671

01:20:40,310 --> 01:20:37,679

Britain and you know this is Family Talk

1672

01:20:43,430 --> 01:20:40,320

Plus I was very young how much of it is

1673

01:20:47,030 --> 01:20:43,440

accurate and I remember it

1674

01:20:50,209 --> 01:20:47,040

um so now

1675

01:20:52,550 --> 01:20:50,219

um I don't know about Rh negative uh I

1676
01:20:55,850 --> 01:20:52,560
would say uh probably not I don't know

1677
01:20:57,410 --> 01:20:55,860
my my blood type so if I was ever in a

1678
01:20:58,970 --> 01:20:57,420
car accident what's your blood type I

1679
01:21:00,470 --> 01:20:58,980
don't know man

1680
01:21:02,450 --> 01:21:00,480
you guys are gonna have to figure that

1681
01:21:04,669 --> 01:21:02,460
out I don't know I don't know what my

1682
01:21:09,169 --> 01:21:04,679
blood type is

1683
01:21:11,270 --> 01:21:09,179
um but uh here's here's the thing

1684
01:21:15,110 --> 01:21:11,280
what's that what's that website called

1685
01:21:16,910 --> 01:21:15,120
23andMe am I right in saying that

1686
01:21:19,850 --> 01:21:16,920
I don't want to get you know one of

1687
01:21:21,649 --> 01:21:19,860
those ancestry DNA companies you know

1688
01:21:23,750 --> 01:21:21,659

you do a swab

1689

01:21:25,850 --> 01:21:23,760

send them a hundred bucks and then they

1690

01:21:28,070 --> 01:21:25,860

they send you back everything

1691

01:21:31,729 --> 01:21:28,080

uh

1692

01:21:33,649 --> 01:21:31,739

am I interested kind of

1693

01:21:35,750 --> 01:21:33,659

but not really

1694

01:21:37,490 --> 01:21:35,760

kind of I I think it would have been

1695

01:21:39,229 --> 01:21:37,500

more interested in that if I was in my

1696

01:21:41,090 --> 01:21:39,239

20s

1697

01:21:43,250 --> 01:21:41,100

um and I had that technology available

1698

01:21:46,370 --> 01:21:43,260

to me at my at my age right now what

1699

01:21:48,830 --> 01:21:46,380

could I do about it I'm 60. all right

1700

01:21:51,470 --> 01:21:48,840

I'm 16.

1701

01:21:54,350 --> 01:21:51,480

it's all been figured out in my own mind

1702

01:21:57,470 --> 01:21:54,360

I'm okay with you know so would I want

1703

01:21:59,750 --> 01:21:57,480

to find lost relatives and stuff and and

1704

01:22:02,390 --> 01:21:59,760

find out that I've got a first cousin

1705

01:22:04,189 --> 01:22:02,400

you know living a mile for me would I

1706

01:22:07,910 --> 01:22:04,199

want to know that nah

1707

01:22:09,350 --> 01:22:07,920

I mean a kind of in in a way but nah not

1708

01:22:12,350 --> 01:22:09,360

really

1709

01:22:15,290 --> 01:22:12,360

um so there you go I have no idea I've

1710

01:22:17,050 --> 01:22:15,300

been told British and uh so I'm just

1711

01:22:19,510 --> 01:22:17,060

gonna stay with that

1712

01:22:24,169 --> 01:22:19,520

I don't know

1713

01:22:25,970 --> 01:22:24,179

I mean we deal with you see that

1714

01:22:28,490 --> 01:22:25,980

um would you do

1715

01:22:31,189 --> 01:22:28,500

would you do An ancestry thing have you

1716

01:22:32,030 --> 01:22:31,199

done it any of you have you done it I

1717

01:22:39,530 --> 01:22:32,040

haven't

1718

01:22:39,540 --> 01:22:43,729

uh I don't know what

1719

01:22:47,090 --> 01:22:45,350

or who

1720

01:22:50,330 --> 01:22:47,100

or why

1721

01:22:52,729 --> 01:22:50,340

your DNA information is is handled and

1722

01:22:54,410 --> 01:22:52,739

who has access to it okay that's the

1723

01:22:57,470 --> 01:22:54,420

first thing and I'm talking about

1724

01:23:00,050 --> 01:22:57,480

government agencies or anybody else that

1725

01:23:02,570 --> 01:23:00,060

uh you know medical and things

1726

01:23:05,870 --> 01:23:02,580

um and

1727

01:23:08,510 --> 01:23:05,880

is it possible I'm just once you give up

1728

01:23:10,729 --> 01:23:08,520

your DNA

1729

01:23:14,030 --> 01:23:10,739

to somebody

1730

01:23:17,209 --> 01:23:14,040

could they use it to clone in the future

1731

01:23:20,030 --> 01:23:17,219

could they use crispr technology could

1732

01:23:23,330 --> 01:23:20,040

they do stuff with once your DNA is you

1733

01:23:24,709 --> 01:23:23,340

dude and you're signing I I Can Only

1734

01:23:28,070 --> 01:23:24,719

Imagine

1735

01:23:30,110 --> 01:23:28,080

the the terms of you know and and you're

1736

01:23:33,169 --> 01:23:30,120

signing off I mean you click and you hit

1737

01:23:36,229 --> 01:23:33,179

go they they own it

1738

01:23:38,030 --> 01:23:36,239

they own it you know who has control and

1739

01:23:41,510 --> 01:23:38,040

after I die

1740

01:23:44,209 --> 01:23:41,520

and I depart this meat sack who's got

1741

01:23:45,470 --> 01:23:44,219

control of my DNA then they don't throw

1742

01:23:48,169 --> 01:23:45,480

it away

1743

01:23:50,810 --> 01:23:48,179

you know I that's that's the part that

1744

01:23:53,450 --> 01:23:50,820

seems a little bit funky to me

1745

01:23:57,110 --> 01:23:53,460

you know finding out your ancestral

1746

01:24:00,050 --> 01:23:57,120

history and and long-lost relatives that

1747

01:24:02,810 --> 01:24:00,060

you never knew you had and that's okay

1748

01:24:05,390 --> 01:24:02,820

there's there's some appeal to that what

1749

01:24:08,689 --> 01:24:05,400

doesn't appeal to me is letting go of

1750

01:24:11,030 --> 01:24:08,699

your DNA uh to science that can do

1751

01:24:14,990 --> 01:24:11,040

whatever they want with it that feels

1752

01:24:18,890 --> 01:24:15,000

way funky to me way funky I don't dig it

1753

01:24:22,310 --> 01:24:18,900

I just don't dig it okay all right

1754

01:24:25,270 --> 01:24:22,320

um oh look at that so that's what has

1755

01:24:26,810 --> 01:24:25,280

been doing it all these years

1756

01:24:29,570 --> 01:24:26,820

uh-huh

1757

01:24:32,030 --> 01:24:29,580

so the feed goes off of that and that's

1758

01:24:34,130 --> 01:24:32,040

the balance that has been off

1759

01:24:36,470 --> 01:24:34,140

I didn't know

1760

01:24:40,550 --> 01:24:36,480

I just saw it on the board and I twisted

1761

01:24:42,350 --> 01:24:40,560

it okay all right and now uh back to the

1762

01:24:46,310 --> 01:24:42,360

questions

1763

01:24:47,750 --> 01:24:46,320

all right and now remember put it in all

1764

01:24:53,030 --> 01:24:47,760

caps

1765

01:24:58,250 --> 01:24:55,790

being heard 24 7. yeah that's pretty

1766

01:25:00,890 --> 01:24:58,260

good oh ken priest thank you today part

1767

01:25:04,070 --> 01:25:00,900

of my news today was courtesy of Ken

1768

01:25:06,470 --> 01:25:04,080

priests that's right producer at large

1769

01:25:07,430 --> 01:25:06,480

from the east coast thank you for that

1770

01:25:14,510 --> 01:25:07,440

Ken

1771

01:25:17,750 --> 01:25:14,520

uh how do we order the autograph book of

1772

01:25:19,550 --> 01:25:17,760

Jason's well ask Jason I think you can

1773

01:25:21,649 --> 01:25:19,560

go to this website

1774

01:25:25,689 --> 01:25:21,659

go to his website

1775

01:25:28,610 --> 01:25:25,699

type in Jason quit's website in Google

1776

01:25:31,669 --> 01:25:28,620

and it's quit with two T's it should pop

1777

01:25:34,669 --> 01:25:31,679

up the crystal Sun I think that's what

1778

01:25:34,679 --> 01:25:41,870

all right

1779

01:25:48,169 --> 01:25:43,850

argue

1780

01:25:52,070 --> 01:25:48,179

civilization still do not know what

1781

01:25:56,810 --> 01:25:52,080

atoms are that's awesome that's awesome

1782

01:26:04,610 --> 01:25:58,310

um

1783

01:26:10,610 --> 01:26:07,070

I don't know maybe maybe seven years ago

1784

01:26:12,470 --> 01:26:10,620

that I don't need I I had said I didn't

1785

01:26:16,510 --> 01:26:12,480

know I was just speculating I was just

1786

01:26:19,790 --> 01:26:16,520

rambling that I didn't think that we had

1787

01:26:21,890 --> 01:26:19,800

photographed an Adam an electron

1788

01:26:23,209 --> 01:26:21,900

microscope is one thing you can zoom up

1789

01:26:26,149 --> 01:26:23,219

you can get pretty good are you looking

1790

01:26:28,669 --> 01:26:26,159

at the atomic level have we looked

1791

01:26:30,950 --> 01:26:28,679

inside of an atom have we seen electrons

1792

01:26:33,110 --> 01:26:30,960

have we seen stuff have we seen

1793

01:26:35,149 --> 01:26:33,120

particles orbiting the nucleus seven

1794

01:26:37,070 --> 01:26:35,159

atom have we actually seen it have we

1795

01:26:39,410 --> 01:26:37,080

followed it I said I don't think so and

1796

01:26:41,270 --> 01:26:39,420

then boom I inbox with all these

1797

01:26:45,950 --> 01:26:41,280

photographs of atoms and let me tell you

1798

01:26:48,890 --> 01:26:45,960

something the photographs of atoms

1799

01:26:49,970 --> 01:26:48,900

that I will send all right everybody and

1800

01:26:55,010 --> 01:26:49,980

this is where I'm going to piss

1801

01:27:00,050 --> 01:26:57,250

that's what it looked like

1802

01:27:03,410 --> 01:27:00,060

an out of focus blob

1803

01:27:08,169 --> 01:27:03,420

so yeah yeah Michael I could almost

1804

01:27:11,930 --> 01:27:08,179

agree with you there that we uh

1805

01:27:15,110 --> 01:27:11,940

oh my God I'm wearing my little alien

1806

01:27:18,290 --> 01:27:15,120

t-shirt right now that's awesome

1807

01:27:22,850 --> 01:27:18,300

all right okay so

1808

01:27:26,209 --> 01:27:22,860

from Frank were dinosaurs real yep

1809

01:27:28,370 --> 01:27:26,219

there's no quite there either is no

1810

01:27:30,770 --> 01:27:28,380

question that dinosaurs were real is

1811

01:27:35,030 --> 01:27:30,780

that a religious question

1812

01:27:41,870 --> 01:27:38,030

it's a great name if it's a real one

1813

01:27:43,970 --> 01:27:41,880

I um I remember

1814

01:27:46,250 --> 01:27:43,980

you know this whole 6 000 year old thing

1815

01:27:50,810 --> 01:27:46,260

and it's a test it's God testing our

1816

01:27:54,649 --> 01:27:50,820

faith right it's God testing our faith

1817

01:27:58,550 --> 01:27:54,659

he put dinosaur bones on this planet

1818

01:28:00,470 --> 01:27:58,560

to test our faith

1819

01:28:02,330 --> 01:28:00,480

right so I'm sitting with a friend I'm

1820

01:28:06,050 --> 01:28:02,340

in New York City

1821

01:28:08,689 --> 01:28:06,060

this is uh 1995.

1822

01:28:10,250 --> 01:28:08,699

and uh I'm not gonna call him out or

1823

01:28:12,470 --> 01:28:10,260

anything but uh one of the smartest

1824

01:28:14,689 --> 01:28:12,480

people it's great musician too as well

1825

01:28:15,950 --> 01:28:14,699

love this guy we're sitting in a pizza

1826

01:28:18,590 --> 01:28:15,960

parlor

1827

01:28:21,530 --> 01:28:18,600

two o'clock in the morning we sat there

1828

01:28:24,490 --> 01:28:21,540

uh for a few hours

1829

01:28:29,229 --> 01:28:24,500

um upstairs eating pizza and talking

1830

01:28:32,930 --> 01:28:29,239

and E.T came up UFOs came up and

1831

01:28:36,709 --> 01:28:32,940

dinosaurs came up his name is Lane and

1832

01:28:40,010 --> 01:28:36,719

he's just religious and he she's got his

1833

01:28:42,890 --> 01:28:40,020

belief system great I I'm here to change

1834

01:28:44,930 --> 01:28:42,900

your thoughts or or convince you of

1835

01:28:47,530 --> 01:28:44,940

something else no you know but I do want

1836

01:28:50,770 --> 01:28:47,540

to hear what you have to say about this

1837

01:28:54,310 --> 01:28:50,780

and let me tell you something

1838

01:28:57,110 --> 01:28:54,320

in Lane's world

1839

01:28:59,270 --> 01:28:57,120

dinosaurs are not real

1840

01:29:00,890 --> 01:28:59,280

planet is six thousand years old and

1841

01:29:03,050 --> 01:29:00,900

that is it

1842

01:29:05,570 --> 01:29:03,060

and that's what he believes

1843

01:29:07,790 --> 01:29:05,580

and I was fascinated with that and we

1844

01:29:10,790 --> 01:29:07,800

sat and we talked about it forever you

1845

01:29:14,090 --> 01:29:10,800

know and I I wasn't arguing with him he

1846

01:29:16,570 --> 01:29:14,100

wasn't arguing with me by the way but uh

1847

01:29:18,950 --> 01:29:16,580

now putting that aside

1848

01:29:21,590 --> 01:29:18,960

maybe that's where Frank is coming from

1849

01:29:23,930 --> 01:29:21,600

uh with this question

1850

01:29:26,450 --> 01:29:23,940

um but putting that aside

1851

01:29:30,110 --> 01:29:26,460

uh the

1852

01:29:34,550 --> 01:29:33,110

dinosaur okay let's look at this two

1853

01:29:37,189 --> 01:29:34,560

ways

1854

01:29:40,810 --> 01:29:37,199

dinosaur bones and that kind of

1855

01:29:43,970 --> 01:29:40,820

archeology and what was happening

1856

01:29:45,729 --> 01:29:43,980

didn't start to surface until the 1800s

1857

01:29:49,010 --> 01:29:45,739

19th century

1858

01:29:51,169 --> 01:29:49,020

and and suddenly we're finding things

1859

01:29:57,250 --> 01:29:51,179

not only here in the United States

1860

01:30:02,750 --> 01:29:59,810

and but we're finding them in Europe and

1861

01:30:04,270 --> 01:30:02,760

then of course uh uh large amounts in

1862

01:30:08,330 --> 01:30:04,280

China too as well

1863

01:30:09,470 --> 01:30:08,340

and uh but that that is that is new

1864

01:30:11,209 --> 01:30:09,480

science

1865

01:30:15,050 --> 01:30:11,219

all right and the big scope of things

1866

01:30:18,410 --> 01:30:15,060

that's 200 years old or less

1867

01:30:23,149 --> 01:30:18,420

so we have that but let's go to page two

1868

01:30:27,590 --> 01:30:23,159

page two is when you go and you look

1869

01:30:29,149 --> 01:30:27,600

at different carvings in a megalithic

1870

01:30:31,610 --> 01:30:29,159

situation

1871

01:30:34,189 --> 01:30:31,620

um certainly from Central and South

1872

01:30:35,410 --> 01:30:34,199

America and North America but also in

1873

01:30:38,330 --> 01:30:35,420

Europe

1874

01:30:39,830 --> 01:30:38,340

and uh some stuff in Asia too as well

1875

01:30:41,830 --> 01:30:39,840

which to me

1876

01:30:44,390 --> 01:30:41,840

when I look at it

1877

01:30:46,310 --> 01:30:44,400

clearly shows

1878

01:30:49,790 --> 01:30:46,320

a dinosaur

1879

01:30:51,590 --> 01:30:49,800

right it's like what

1880

01:30:56,090 --> 01:30:51,600

what

1881

01:30:58,490 --> 01:30:56,100

right I I I oh man it absolutely blows

1882

01:31:01,070 --> 01:30:58,500

my mind so we have two versions of this

1883

01:31:04,010 --> 01:31:01,080

you know now we have bones that we can

1884

01:31:07,370 --> 01:31:04,020

date to 65 million years ago and older

1885

01:31:09,290 --> 01:31:07,380

all right it's everywhere

1886

01:31:11,930 --> 01:31:09,300

um you know we can go deep into deep

1887

01:31:14,270 --> 01:31:11,940

history on this so that's everywhere but

1888

01:31:15,890 --> 01:31:14,280

what were they seeing when you see a

1889

01:31:19,070 --> 01:31:15,900

brontosaurus

1890

01:31:21,410 --> 01:31:19,080

you know depicted in this artwork even

1891

01:31:23,510 --> 01:31:21,420

dragons too by the way

1892

01:31:26,390 --> 01:31:23,520

what were they seeing

1893

01:31:29,750 --> 01:31:26,400

are they seeing something alive or or

1894

01:31:33,050 --> 01:31:29,760

was it something else it's it's still

1895

01:31:35,510 --> 01:31:33,060

still uh something I cannot I cannot I

1896

01:31:37,300 --> 01:31:35,520

cannot figure it out bye bye flame

1897

01:31:41,229 --> 01:31:37,310

you're a good man Jimmy

1898

01:31:44,689 --> 01:31:41,239

[Laughter]

1899

01:31:46,970 --> 01:31:44,699

who's your favorite guitarist of all

1900

01:31:48,649 --> 01:31:46,980

time Eddie Van Halen

1901
01:31:51,370 --> 01:31:48,659
no question about it but you know what

1902
01:31:56,090 --> 01:31:51,380
it's kind of

1903
01:31:58,550 --> 01:31:56,100
when you get to that level of Excellence

1904
01:31:59,990 --> 01:31:58,560
um because I have guitars from all of my

1905
01:32:01,370 --> 01:32:00,000
favorite guitar players right I got

1906
01:32:03,110 --> 01:32:01,380
Stevie Ray Vaughan over there I got

1907
01:32:04,310 --> 01:32:03,120
Jimmy Page right here behind me I've got

1908
01:32:05,750 --> 01:32:04,320
Michael Shanker right there I've got

1909
01:32:08,510 --> 01:32:05,760
Eddie Van Halen right there I got Tony

1910
01:32:11,689 --> 01:32:08,520
Iomi I've got George Lynch's I've got

1911
01:32:14,030 --> 01:32:11,699
three George Lynch guitars in here and

1912
01:32:15,590 --> 01:32:14,040
uh Dimebag Darrell which

1913
01:32:18,410 --> 01:32:15,600

is

1914

01:32:20,750 --> 01:32:18,420

uh over there

1915

01:32:23,590 --> 01:32:20,760

um you know so when you get to that

1916

01:32:28,010 --> 01:32:23,600

level of Excellence

1917

01:32:30,229 --> 01:32:28,020

uh Billy Gibbons uh Jimi Hendrix uh

1918

01:32:33,050 --> 01:32:30,239

Yngwie Malmsteen

1919

01:32:34,850 --> 01:32:33,060

um there it's a Man Steve Vai it's all

1920

01:32:36,770 --> 01:32:34,860

kind of a tie

1921

01:32:38,390 --> 01:32:36,780

because they're all great and Randy

1922

01:32:40,870 --> 01:32:38,400

Rhodes you know they're all great for

1923

01:32:45,470 --> 01:32:40,880

their own reasons and their own

1924

01:32:48,370 --> 01:32:45,480

identifiable style of how they played

1925

01:32:50,870 --> 01:32:48,380

um but uh you know

1926

01:32:53,689 --> 01:32:50,880

ah if I'm gonna be forced into making

1927

01:32:56,149 --> 01:32:53,699

this I'm going Eddie Van Halen but man

1928

01:32:57,890 --> 01:32:56,159

Tony iomi's right there Jimmy Page man

1929

01:33:00,290 --> 01:32:57,900

he's right there Stevie Ray Vaughan's

1930

01:33:02,530 --> 01:33:00,300

right there Steve Vai right there man

1931

01:33:05,270 --> 01:33:02,540

Billy Gibbons all right

1932

01:33:08,149 --> 01:33:05,280

ah what do you do with that dime bag

1933

01:33:08,890 --> 01:33:08,159

Dimebag change the world man

1934

01:33:11,330 --> 01:33:08,900

um

1935

01:33:12,830 --> 01:33:11,340

so what do you do

1936

01:33:17,270 --> 01:33:12,840

it's kind of a tie

1937

01:33:19,550 --> 01:33:17,280

cannot get I will never get enough

1938

01:33:22,129 --> 01:33:19,560

Michael Shanker in my life

1939

01:33:23,390 --> 01:33:22,139

it's it's an impossible thing to do my

1940

01:33:25,250 --> 01:33:23,400

cup is not

1941

01:33:28,129 --> 01:33:25,260

it will never be filled with enough

1942

01:33:31,610 --> 01:33:28,139

Michael Schenker love that guy

1943

01:33:35,689 --> 01:33:31,620

love that guy so yeah I don't know I

1944

01:33:37,669 --> 01:33:35,699

don't know Akira takasaki roundness

1945

01:33:38,810 --> 01:33:37,679

right okay

1946

01:33:42,290 --> 01:33:38,820

um

1947

01:33:44,209 --> 01:33:42,300

who else who else Jeff Beck Jeff back

1948

01:33:46,490 --> 01:33:44,219

man how could you know what I mean it's

1949

01:33:48,530 --> 01:33:46,500

and man that's tough

1950

01:33:51,530 --> 01:33:48,540

that's a that's a tough call I'm going

1951

01:33:54,649 --> 01:33:51,540

to go Ross great question I'm going with

1952

01:33:59,050 --> 01:33:54,659

uh Eddie Van Halen just to answer it uh

1953

01:34:05,510 --> 01:34:01,970

uh let's see

1954

01:34:08,570 --> 01:34:05,520

uh uh

1955

01:34:11,950 --> 01:34:08,580

[Laughter]

1956

01:34:15,169 --> 01:34:11,960

okay I don't know what this is

1957

01:34:18,470 --> 01:34:15,179

once you are at the little alien oh oh

1958

01:34:20,390 --> 01:34:18,480

oh the blank tank wrote us it just yeah

1959

01:34:22,129 --> 01:34:20,400

we're gonna have night vision and he's

1960

01:34:24,310 --> 01:34:22,139

talking about in November when we go out

1961

01:34:25,910 --> 01:34:24,320

to the little alien

1962

01:34:27,590 --> 01:34:25,920

so

1963

01:34:30,590 --> 01:34:27,600

um yeah now you guys got to come hang

1964

01:34:32,570 --> 01:34:30,600

out with us the monkey guitar yeah I've

1965

01:34:36,590 --> 01:34:32,580

got a couple of those

1966

01:34:40,310 --> 01:34:36,600

I do War Pigs did Jimmy just say

1967

01:34:46,070 --> 01:34:40,320

he was whipping it out okay man

1968

01:34:50,570 --> 01:34:48,229

uh let's see here

1969

01:34:54,169 --> 01:34:50,580

have you considered attempted to get

1970

01:34:56,990 --> 01:34:54,179

Patrick Jackson the Spheres guy on the

1971

01:35:00,470 --> 01:34:57,000

show no I have not

1972

01:35:02,510 --> 01:35:00,480

I know who he is uh it's possible

1973

01:35:05,090 --> 01:35:02,520

it's possible

1974

01:35:07,010 --> 01:35:05,100

um I will make a note of that

1975

01:35:10,129 --> 01:35:07,020

snow blind is great too you're right

1976

01:35:13,370 --> 01:35:10,139

about that that's a great song that's a

1977

01:35:14,510 --> 01:35:13,380

great song fader guys took up in Jimmy

1978

01:35:18,590 --> 01:35:14,520

Diggs

1979

01:35:20,930 --> 01:35:18,600

uh uh let's see again you guys aren't

1980

01:35:24,050 --> 01:35:20,940

putting it in all caps and it throws me

1981

01:35:25,370 --> 01:35:24,060

off then I have to read everything just

1982

01:35:31,970 --> 01:35:25,380

uh

1983

01:35:37,430 --> 01:35:34,370

when will you start the new we have

1984

01:35:39,430 --> 01:35:37,440

already started the new season of into

1985

01:35:42,410 --> 01:35:39,440

the Vortex what do you think of that

1986

01:35:43,669 --> 01:35:42,420

yeah what do you think of that Jessica

1987

01:35:50,209 --> 01:35:43,679

yeah

1988

01:35:56,570 --> 01:35:53,390

okay let's see Jimmy have you tried the

1989

01:35:59,270 --> 01:35:56,580

shaw The Loon witch recommended ground

1990

01:36:02,570 --> 01:35:59,280

mustard with ground pepper for

1991

01:36:06,229 --> 01:36:02,580

protection at home it works

1992

01:36:08,090 --> 01:36:06,239

thank you fractal I'm gonna call Shaw I

1993

01:36:11,330 --> 01:36:08,100

should call her right now I'm gonna call

1994

01:36:13,850 --> 01:36:11,340

Shah and get the I'll get the recipe but

1995

01:36:19,129 --> 01:36:13,860

here's um

1996

01:36:23,570 --> 01:36:21,950

I love cam priest I don't want to do

1997

01:36:25,790 --> 01:36:23,580

anything I don't want to do anything to

1998

01:36:30,709 --> 01:36:25,800

upset what is going on here

1999

01:36:32,390 --> 01:36:30,719

okay I'm okay with the way things are

2000

01:36:36,169 --> 01:36:32,400

I'm okay

2001

01:36:39,050 --> 01:36:36,179

not yet

2002

01:36:41,750 --> 01:36:39,060

right if it goes negative if it goes

2003

01:36:43,850 --> 01:36:41,760

crazy you know and cabinets are opening

2004

01:36:45,410 --> 01:36:43,860

up and dishes are flying out then you

2005

01:36:47,450 --> 01:36:45,420

know okay all right all right all right

2006

01:36:49,010 --> 01:36:47,460

you know

2007

01:36:52,129 --> 01:36:49,020

all right

2008

01:36:54,470 --> 01:36:52,139

but it's not that right now everything

2009

01:36:55,790 --> 01:36:54,480

is fine so if I go what if I did the

2010

01:36:58,010 --> 01:36:55,800

wrong thing what if I put the wrong

2011

01:37:00,649 --> 01:36:58,020

thing out and somebody gets angry you

2012

01:37:04,430 --> 01:37:00,659

know you don't want to be pepper sprayed

2013

01:37:08,330 --> 01:37:04,440

you know you don't want to be pepper

2014

01:37:11,870 --> 01:37:08,340

that might piss somebody off so uh but

2015

01:37:13,850 --> 01:37:11,880

but I will I will check uh with Shaw and

2016

01:37:17,510 --> 01:37:13,860

see if I can get uh

2017

01:37:19,490 --> 01:37:17,520

uh the recipe just in case all right Kim

2018

01:37:22,570 --> 01:37:19,500

priest says jump back what's that sound

2019

01:37:25,669 --> 01:37:22,580

here she comes full blasted

2020

01:37:28,450 --> 01:37:25,679

uh I love that I love that

2021

01:37:39,050 --> 01:37:28,460

all right

2022

01:37:43,189 --> 01:37:39,060

let's see ball lightning from Olivia

2023

01:37:45,610 --> 01:37:43,199

love that Olivia Olivia's the best

2024

01:37:50,629 --> 01:37:45,620

Olivia's the best okay let's see here

2025

01:37:52,930 --> 01:37:50,639

BBC ghost okay let's get to

2026

01:37:57,709 --> 01:37:52,940

um no I'm not

2027

01:37:59,090 --> 01:37:57,719

uh I'm not gonna do a shoe rack cam is

2028

01:38:02,510 --> 01:37:59,100

zenzabil

2029

01:38:04,850 --> 01:38:02,520

I I I really honestly

2030

01:38:09,050 --> 01:38:04,860

I don't want to see it I don't want to

2031

01:38:12,890 --> 01:38:09,060

see it Jimmy do you have uh an EV H

2032

01:38:15,729 --> 01:38:12,900

Wolfgang I do

2033

01:38:18,590 --> 01:38:15,739

I do I do

2034

01:38:20,990 --> 01:38:18,600

let's see Jimmy

2035

01:38:23,530 --> 01:38:21,000

you haven't okay let me keep going here

2036

01:38:26,629 --> 01:38:23,540

I need all caps

2037

01:38:28,430 --> 01:38:26,639

see I'm probably scrolling past really

2038

01:38:31,550 --> 01:38:28,440

good questions but if they're not in all

2039

01:38:32,870 --> 01:38:31,560

caps uh I can't stop

2040

01:38:34,070 --> 01:38:32,880

I can't stop there's too much stuff

2041

01:38:38,689 --> 01:38:34,080

going on here

2042

01:38:40,370 --> 01:38:38,699

uh uh Jimmy have you ever had an out of

2043

01:38:43,490 --> 01:38:40,380

Body Experience

2044

01:38:52,729 --> 01:38:43,500

not officially

2045

01:38:54,910 --> 01:38:52,739

kind of as an adult kind of as an adult

2046

01:38:58,729 --> 01:38:54,920

but they've all been accidental

2047

01:39:00,770 --> 01:38:58,739

and and haven't been sustained and also

2048

01:39:03,709 --> 01:39:00,780

I didn't have the assistance of somebody

2049

01:39:05,450 --> 01:39:03,719

uh with me telling me what's going on or

2050

01:39:07,750 --> 01:39:05,460

anything like that it was nothing that

2051
01:39:10,550 --> 01:39:07,760
was actively pursued

2052
01:39:13,629 --> 01:39:10,560
that being said

2053
01:39:21,169 --> 01:39:18,530
dreams that I had of flying

2054
01:39:23,209 --> 01:39:21,179
only happened when I was a kid and

2055
01:39:25,250 --> 01:39:23,219
stopped after I was five years old I

2056
01:39:27,470 --> 01:39:25,260
never had a flying dream after that I

2057
01:39:31,910 --> 01:39:27,480
used to have them all the time very

2058
01:39:34,550 --> 01:39:31,920
vivid dreams of me flying and

2059
01:39:36,830 --> 01:39:34,560
specifically I'll make this really quick

2060
01:39:37,970 --> 01:39:36,840
I would fly over the playground in our

2061
01:39:38,570 --> 01:39:37,980
backyard

2062
01:39:41,390 --> 01:39:38,580
um

2063
01:39:43,850 --> 01:39:41,400

uh at Fort Sheridan and there was a

2064

01:39:45,890 --> 01:39:43,860

Sandbox there uh you know playground

2065

01:39:47,990 --> 01:39:45,900

normal playground but specifically it's

2066

01:39:50,629 --> 01:39:48,000

hammocks and I would fly over the

2067

01:39:53,870 --> 01:39:50,639

sandbox flapping my wings or however I

2068

01:39:56,270 --> 01:39:53,880

was flying and talking to

2069

01:39:58,490 --> 01:39:56,280

my brothers and sisters and our

2070

01:40:02,270 --> 01:39:58,500

neighbors and and things my friends that

2071

01:40:03,830 --> 01:40:02,280

I knew and and would talk to them have a

2072

01:40:06,649 --> 01:40:03,840

conversation from the ground and and

2073

01:40:08,810 --> 01:40:06,659

this guy and very Vivid

2074

01:40:11,870 --> 01:40:08,820

I mean I could launch by the way I could

2075

01:40:13,669 --> 01:40:11,880

run outside and fly

2076

01:40:15,290 --> 01:40:13,679

I don't have the I

2077

01:40:16,490 --> 01:40:15,300

I haven't had that dream since I was

2078

01:40:19,010 --> 01:40:16,500

five

2079

01:40:21,229 --> 01:40:19,020

so and is that an out of body experience

2080

01:40:24,350 --> 01:40:21,239

I would say it was pretty pretty dang

2081

01:40:27,229 --> 01:40:24,360

real to me I thought I could fly

2082

01:40:29,629 --> 01:40:27,239

but I haven't had anything like that in

2083

01:40:32,330 --> 01:40:29,639

in real life in dreams or anything else

2084

01:40:38,770 --> 01:40:32,340

since then I haven't pursued it but I've

2085

01:40:44,330 --> 01:40:41,750

twice and those are accidental I've sort

2086

01:40:48,350 --> 01:40:44,340

of talked about them on the show

2087

01:40:52,990 --> 01:40:48,360

all right let's see Jimmy did you ever

2088

01:40:56,750 --> 01:40:53,000

see evidence of scorched rocks or uh

2089

01:41:01,310 --> 01:40:56,760

statuary in Egypt have you ever talked

2090

01:41:08,030 --> 01:41:03,470

yes

2091

01:41:13,250 --> 01:41:08,040

yeah I saw it a few in a few places when

2092

01:41:17,450 --> 01:41:13,260

you walk up on the bent pyramid

2093

01:41:19,910 --> 01:41:17,460

and let me see here I might have

2094

01:41:22,550 --> 01:41:19,920

let me see if I can pull this up

2095

01:41:31,090 --> 01:41:26,770

uh if if I can find this very quickly

2096

01:41:32,629 --> 01:41:31,100

then I will show you a video

2097

01:41:34,490 --> 01:41:32,639

and

2098

01:41:36,890 --> 01:41:34,500

um at the bend pyramid let me see bent

2099

01:41:40,930 --> 01:41:36,900

pyramid and Darren dearest appearances

2100

01:41:43,970 --> 01:41:40,940

fangs Temple of Isis abados pyramid

2101
01:41:50,750 --> 01:41:43,980
movie pharaoh

2102
01:41:58,669 --> 01:41:52,310
uh

2103
01:42:01,970 --> 01:41:58,679
at least I don't have it labeled I

2104
01:42:04,129 --> 01:42:01,980
thought I might have had

2105
01:42:07,189 --> 01:42:04,139
um no

2106
01:42:10,310 --> 01:42:07,199
Okay so

2107
01:42:13,850 --> 01:42:10,320
anyway I was hoping I I do have a movie

2108
01:42:14,870 --> 01:42:13,860
of this I just don't have it on my hard

2109
01:42:17,570 --> 01:42:14,880
drive

2110
01:42:19,609 --> 01:42:17,580
uh right here so when you walk upon the

2111
01:42:21,890 --> 01:42:19,619
Ben pyramid

2112
01:42:24,830 --> 01:42:21,900
and you come up and you're you're facing

2113
01:42:27,169 --> 01:42:24,840

it as you walk across the front corner

2114

01:42:29,810 --> 01:42:27,179

so if you're facing it the the corner on

2115

01:42:31,370 --> 01:42:29,820

your right it's collapsed and when you

2116

01:42:33,530 --> 01:42:31,380

look

2117

01:42:36,109 --> 01:42:33,540

um now the pyramid is there it's all

2118

01:42:39,350 --> 01:42:36,119

it's it's in pretty good shape including

2119

01:42:41,689 --> 01:42:39,360

the the the the the cover stones on it

2120

01:42:43,550 --> 01:42:41,699

but that one corner is collapsed and

2121

01:42:46,790 --> 01:42:43,560

it's massive I don't know how many you

2122

01:42:50,030 --> 01:42:46,800

know 50 feet 100 feet 5 10 stories of

2123

01:42:55,129 --> 01:42:50,040

this corner it's big it's a big pyramid

2124

01:42:57,109 --> 01:42:55,139

so um and you see but the stones

2125

01:43:00,649 --> 01:42:57,119

um that are on the ground are burnt

2126
01:43:03,410 --> 01:43:00,659
they're black you can see the stones

2127
01:43:04,490 --> 01:43:03,420
inside of the band pyramid they're a

2128
01:43:06,010 --> 01:43:04,500
different color

2129
01:43:11,510 --> 01:43:06,020
you know the red

2130
01:43:14,810 --> 01:43:11,520
and uh you know brown gray but the the

2131
01:43:16,669 --> 01:43:14,820
part that it looks like I'm gonna say it

2132
01:43:18,709 --> 01:43:16,679
man it looks like it was blasted by

2133
01:43:22,669 --> 01:43:18,719
something like a cannon

2134
01:43:25,370 --> 01:43:22,679
hit it some plasma weapon some War I'm

2135
01:43:27,950 --> 01:43:25,380
look I'm stretching the imagination here

2136
01:43:30,410 --> 01:43:27,960
but all I'm saying is when you walk up

2137
01:43:33,229 --> 01:43:30,420
and you look at that you're walking

2138
01:43:37,370 --> 01:43:33,239

through a field it's 5 000 years old at

2139

01:43:39,890 --> 01:43:37,380

least a field of black rocks black and

2140

01:43:43,010 --> 01:43:39,900

you could all around the desert there's

2141

01:43:44,750 --> 01:43:43,020

nothing like that there you can see at

2142

01:43:48,410 --> 01:43:44,760

the base of the bent pyramid nothing

2143

01:43:51,890 --> 01:43:48,420

there and there is this chunks of

2144

01:43:53,090 --> 01:43:51,900

charred burnt Rock so I don't know I

2145

01:43:55,310 --> 01:43:53,100

don't know

2146

01:43:57,470 --> 01:43:55,320

um and point number two

2147

01:44:01,390 --> 01:43:57,480

there is evidence when you go into

2148

01:44:05,030 --> 01:44:01,400

certain temples in Egypt where people

2149

01:44:07,970 --> 01:44:05,040

over the years used those temples for

2150

01:44:10,010 --> 01:44:07,980

Sanctuary all right baby they were

2151

01:44:12,709 --> 01:44:10,020

chased into there maybe there was

2152

01:44:14,810 --> 01:44:12,719

something going on maybe they you know

2153

01:44:17,330 --> 01:44:14,820

it was some you know again like some

2154

01:44:19,490 --> 01:44:17,340

kind of sanctuary where they were in

2155

01:44:21,950 --> 01:44:19,500

there and they needed to heat

2156

01:44:24,250 --> 01:44:21,960

you know build a fire to survive the

2157

01:44:27,770 --> 01:44:24,260

night or maybe even cook food

2158

01:44:30,550 --> 01:44:27,780

and so you can see like one room will

2159

01:44:33,890 --> 01:44:30,560

have a black ceiling in it

2160

01:44:37,129 --> 01:44:33,900

and that it's kind of evidence of it

2161

01:44:38,629 --> 01:44:37,139

scorched what what was caused uh so you

2162

01:44:42,350 --> 01:44:38,639

see that there and you see it in some of

2163

01:44:45,229 --> 01:44:42,360

the statuary where in this uh

2164

01:44:49,490 --> 01:44:45,239

different Raiders that came into Egypt

2165

01:44:52,070 --> 01:44:49,500

whether it was Roman or Greek uh Persian

2166

01:44:54,050 --> 01:44:52,080

the Hittites whatever they're coming in

2167

01:44:55,970 --> 01:44:54,060

they're doing a scorched Earth policy

2168

01:44:57,770 --> 01:44:55,980

they're removing the gods and the

2169

01:44:59,629 --> 01:44:57,780

removing faces and they're doing this

2170

01:45:01,669 --> 01:44:59,639

and they're ruining temples and statues

2171

01:45:04,669 --> 01:45:01,679

and they're burning stuff so yeah you

2172

01:45:08,270 --> 01:45:04,679

see evidence of that so yeah great

2173

01:45:11,390 --> 01:45:08,280

question uh Paul thank you for that all

2174

01:45:11,400 --> 01:45:20,990

uh

2175

01:45:27,290 --> 01:45:25,129

Jimmy what Lynn

2176

01:45:29,629 --> 01:45:27,300

are you kidding me

2177

01:45:33,290 --> 01:45:29,639

all right everybody right here Lynn

2178

01:45:39,649 --> 01:45:35,950

I've known her since I was 14 years old

2179

01:45:41,510 --> 01:45:39,659

15. Lynn when do we meet

2180

01:45:44,169 --> 01:45:41,520

I was 15.

2181

01:45:47,689 --> 01:45:44,179

pretty sure 15 14.

2182

01:45:50,270 --> 01:45:47,699

I've done lived for a long time I've

2183

01:45:53,330 --> 01:45:50,280

serenaded Lynn on guitar

2184

01:45:55,609 --> 01:45:53,340

oh man she got her full of Black Sabbath

2185

01:45:57,290 --> 01:45:55,619

and Led Zeppelin when we were kids

2186

01:45:59,510 --> 01:45:57,300

um I can't believe she's here listening

2187

01:46:01,609 --> 01:45:59,520

to the show Welcome Lynn

2188

01:46:03,290 --> 01:46:01,619

um what is one of your favorite songs to

2189

01:46:06,410 --> 01:46:03,300

play on guitar

2190

01:46:10,430 --> 01:46:06,420

ah when I pick up a guitar

2191

01:46:13,729 --> 01:46:10,440

um it depends like if I grab this is the

2192

01:46:15,229 --> 01:46:13,739

truth okay can I reveal something if I

2193

01:46:17,810 --> 01:46:15,239

pick up

2194

01:46:21,709 --> 01:46:17,820

an Eddie Van Halen guitar I'm going to

2195

01:46:25,810 --> 01:46:21,719

play Van Halen if I pick up a Les Paul

2196

01:46:31,450 --> 01:46:25,820

I'm going to play Led Zeppelin if I grab

2197

01:46:34,189 --> 01:46:31,460

a Flying V I'm playing Michael Schenker

2198

01:46:36,890 --> 01:46:34,199

SG I'm playing

2199

01:46:41,390 --> 01:46:36,900

uh Black Sabbath you know I'm playing

2200

01:46:43,129 --> 01:46:41,400

Pantera if I pick up uh a Dean you know

2201

01:46:46,310 --> 01:46:43,139

it's really weird

2202

01:46:49,629 --> 01:46:46,320

yeah I I it it's I'm not making this up

2203

01:46:53,270 --> 01:46:49,639

I'll play Doc and

2204

01:46:55,430 --> 01:46:53,280

George Lynch guitar and I've got a weird

2205

01:46:58,129 --> 01:46:55,440

habit with that I don't know there's no

2206

01:47:00,830 --> 01:46:58,139

reason for that

2207

01:47:03,169 --> 01:47:00,840

um the gold top Les Paul right there man

2208

01:47:06,410 --> 01:47:03,179

I'll play ZZ Top all day long on that

2209

01:47:08,930 --> 01:47:06,420

guitar and uh I have the luxury of uh

2210

01:47:12,669 --> 01:47:08,940

being able to do that

2211

01:47:15,530 --> 01:47:12,679

heads of the guitar Lynn it depends on

2212

01:47:18,770 --> 01:47:15,540

the guitar

2213

01:47:22,189 --> 01:47:18,780

depends so my favorite I love

2214

01:47:24,649 --> 01:47:22,199

um I like I like playing

2215

01:47:28,070 --> 01:47:24,659

um Black Sabbath I just do I like Van

2216

01:47:31,970 --> 01:47:28,080

Halen but uh anything off of sabotage

2217

01:47:36,250 --> 01:47:31,980

symptom of the universe the Writ right

2218

01:47:39,109 --> 01:47:36,260

and and just I I just love the

2219

01:47:40,550 --> 01:47:39,119

Fairies Wear boots it's just a fun song

2220

01:47:42,709 --> 01:47:40,560

to play you sit down with some friends

2221

01:47:44,689 --> 01:47:42,719

and this is you know somebody's playing

2222

01:47:48,050 --> 01:47:44,699

drums or you're just goofing around yeah

2223

01:47:50,149 --> 01:47:48,060

it's just you know fun stuff to play so

2224

01:47:53,209 --> 01:47:50,159

anything anything off of sabotage

2225

01:47:56,689 --> 01:47:53,219

anything off of paranoid

2226

01:47:59,930 --> 01:47:56,699

um anything off of technical ecstasy uh

2227

01:48:01,490 --> 01:47:59,940

of man volume three all right volume

2228

01:48:03,229 --> 01:48:01,500

four

2229

01:48:05,330 --> 01:48:03,239

um there you go okay

2230

01:48:09,169 --> 01:48:05,340

all right I can't believe that Lynn

2231

01:48:14,870 --> 01:48:12,590

are you still up

2232

01:48:17,450 --> 01:48:14,880

text me right now on my phone oh my

2233

01:48:19,430 --> 01:48:17,460

phone's not in here my phone is

2234

01:48:20,990 --> 01:48:19,440

is out there somewhere text me on my

2235

01:48:22,370 --> 01:48:21,000

phone and let me know I'll text you

2236

01:48:26,450 --> 01:48:22,380

after the show

2237

01:48:28,490 --> 01:48:26,460

all right let's see let's go back to

2238

01:48:32,030 --> 01:48:28,500

Twitter let's see what's going on over

2239

01:48:34,370 --> 01:48:32,040

here next time in Toronto veal sandwich

2240

01:48:36,530 --> 01:48:34,380

from California Sandwiches I'm not

2241

01:48:39,050 --> 01:48:36,540

joking that actually sounds absolutely

2242

01:48:40,070 --> 01:48:39,060

delicious

2243

01:48:42,890 --> 01:48:40,080

um

2244

01:48:46,490 --> 01:48:42,900

yeah that looks really good but

2245

01:48:48,709 --> 01:48:46,500

I need I need questions for the show

2246

01:48:51,350 --> 01:48:48,719

have you been watching the new Mel

2247

01:48:53,270 --> 01:48:51,360

Brooks History of the World Part 2 yet

2248

01:48:55,850 --> 01:48:53,280

no I haven't I heard it's great that's

2249

01:48:57,830 --> 01:48:55,860

from Ken priest thank you Ken

2250

01:49:00,950 --> 01:48:57,840

um I heard it's great I have been

2251

01:49:04,129 --> 01:49:00,960

watching Poker Face

2252

01:49:10,430 --> 01:49:08,570

um and uh uh again I I mentioned earlier

2253

01:49:13,010 --> 01:49:10,440

ghosts

2254

01:49:17,450 --> 01:49:13,020

um that's what I'm kind of caught up in

2255

01:49:19,970 --> 01:49:17,460

right now okay I just watched

2256

01:49:23,570 --> 01:49:19,980

the triangle of sadness

2257

01:49:25,689 --> 01:49:23,580

have you guys watched that yet

2258

01:49:29,390 --> 01:49:25,699

I'm gonna leave that right there

2259

01:49:32,209 --> 01:49:29,400

triangle of sadness but uh I I didn't

2260

01:49:35,090 --> 01:49:32,219

know that that was so I heard it's great

2261

01:49:39,169 --> 01:49:35,100

but that was from some uh critics some

2262

01:49:42,050 --> 01:49:39,179

reviews I didn't know it was actually up

2263

01:49:45,530 --> 01:49:42,060

um so there you go

2264

01:49:46,590 --> 01:49:45,540

all right let's see here

2265

01:49:51,649 --> 01:49:46,600

too

2266

01:49:51,659 --> 01:49:55,149

okay

2267

01:49:59,570 --> 01:49:57,709

are you and Christina Gomez dating I

2268

01:50:01,609 --> 01:49:59,580

haven't even I've never met Christina

2269

01:50:03,830 --> 01:50:01,619

Gomez

2270

01:50:08,629 --> 01:50:03,840

you doofus

2271

01:50:14,330 --> 01:50:10,669

gee

2272

01:50:18,050 --> 01:50:14,340

and Jimmy do you miss when Anjali was on

2273

01:50:20,350 --> 01:50:18,060

the show no not really

2274

01:50:23,209 --> 01:50:20,360

um Scott is Bob Lazar telling the truth

2275

01:50:25,070 --> 01:50:23,219

he's telling the truth as probably he

2276

01:50:27,709 --> 01:50:25,080

believes it he's told the story so many

2277

01:50:30,290 --> 01:50:27,719

times now that it turns into a truth it

2278

01:50:32,990 --> 01:50:30,300

turns into Dogma

2279

01:50:34,609 --> 01:50:33,000

um so you know I'm not here to upset

2280

01:50:36,890 --> 01:50:34,619

people you believe what you want to

2281

01:50:39,350 --> 01:50:36,900

believe and you know I was a big Bob

2282

01:50:42,229 --> 01:50:39,360

Lazar fan for for many many years

2283

01:50:44,450 --> 01:50:42,239

everybody knows this uh including while

2284

01:50:46,189 --> 01:50:44,460

Fade to Black was running and and Coast

2285

01:50:47,510 --> 01:50:46,199

to Coast and everything else then a

2286

01:50:49,490 --> 01:50:47,520

couple of things happened where I just

2287

01:50:52,790 --> 01:50:49,500

kind of stepped back and went

2288

01:50:54,290 --> 01:50:52,800

feels a little funky to me

2289

01:51:00,470 --> 01:50:54,300

I'm

2290

01:51:03,050 --> 01:51:00,480

that right there this is from Scott is

2291

01:51:04,490 --> 01:51:03,060

Bob Lazar telling the truth

2292

01:51:05,930 --> 01:51:04,500

um

2293

01:51:07,850 --> 01:51:05,940

okay

2294

01:51:09,229 --> 01:51:07,860

I'm gonna tell you guys a little a

2295

01:51:11,390 --> 01:51:09,239

little something you can go and check

2296

01:51:14,450 --> 01:51:11,400

this out for yourself

2297

01:51:19,669 --> 01:51:16,430

okay so Bob Lazar tells a story about

2298

01:51:23,090 --> 01:51:19,679

the handprint the hand scanner at area

2299

01:51:25,010 --> 01:51:23,100

51. remember that right and then he was

2300

01:51:28,010 --> 01:51:25,020

shown evidence of this and it was in the

2301
01:51:29,990 --> 01:51:28,020
bottom of that movie what was it called

2302
01:51:33,890 --> 01:51:30,000
it's called Lazar

2303
01:51:36,050 --> 01:51:33,900
done by uh uh what's his name and

2304
01:51:37,850 --> 01:51:36,060
um and then you know he has his

2305
01:51:39,709 --> 01:51:37,860
Revelation this moment and he gets to

2306
01:51:42,169 --> 01:51:39,719
see it like he's looking at his lost

2307
01:51:44,990 --> 01:51:42,179
puppy you want to see that exact

2308
01:51:47,030 --> 01:51:45,000
handprint scanning device

2309
01:51:47,990 --> 01:51:47,040
it's in Close Encounters of the Third

2310
01:51:50,030 --> 01:51:48,000
Kind

2311
01:51:51,830 --> 01:51:50,040
go and walked

2312
01:51:53,770 --> 01:51:51,840
I watched that movie about once a month

2313
01:51:56,930 --> 01:51:53,780

and it's such a great movie

2314

01:51:59,209 --> 01:51:56,940

and after uh I haven't mentioned this

2315

01:52:00,770 --> 01:51:59,219

but you know after that Lazar movie I

2316

01:52:03,290 --> 01:52:00,780

watched Close Encounters in the Third

2317

01:52:07,010 --> 01:52:03,300

Kind once a month I love the movie

2318

01:52:09,709 --> 01:52:07,020

I do I I just it's there and I pop it in

2319

01:52:12,050 --> 01:52:09,719

all the time it's a perfect movie so I

2320

01:52:13,370 --> 01:52:12,060

love watching it I've seen it hundreds

2321

01:52:15,530 --> 01:52:13,380

of times

2322

01:52:17,450 --> 01:52:15,540

there's that scene man and they're

2323

01:52:19,129 --> 01:52:17,460

they're walking back and they walk right

2324

01:52:20,750 --> 01:52:19,139

up to that thing and pop his hand and

2325

01:52:23,750 --> 01:52:20,760

it's like

2326

01:52:25,750 --> 01:52:23,760

babazar didn't invent that story

2327

01:52:29,990 --> 01:52:25,760

in

2328

01:52:31,970 --> 01:52:30,000

1990 19. man

2329

01:52:34,129 --> 01:52:31,980

uh

2330

01:52:36,709 --> 01:52:34,139

so there you go you want to see that

2331

01:52:38,390 --> 01:52:36,719

hand scanner watch Close Encounters and

2332

01:52:41,629 --> 01:52:38,400

you'll see where Bob Lazar got the idea

2333

01:52:47,149 --> 01:52:43,970

let me go to some more all caps here

2334

01:52:48,109 --> 01:52:47,159

before we run out of time if there's if

2335

01:52:53,510 --> 01:52:48,119

there's

2336

01:52:56,209 --> 01:52:53,520

I'll run into overtime do you want an

2337

01:52:59,750 --> 01:52:56,219

acoustic guitar I do

2338

01:53:02,750 --> 01:52:59,760

I do oh true Honest acoustic guitar no

2339

01:53:04,850 --> 01:53:02,760

I've got I've got the Strat

2340

01:53:08,209 --> 01:53:04,860

acoustic Sonic right there I've got the

2341

01:53:10,609 --> 01:53:08,219

Telecaster acoustic Sonic uh Hollow

2342

01:53:13,129 --> 01:53:10,619

Bodies I've got a 335 right there the

2343

01:53:15,470 --> 01:53:13,139

Iowa it's an Ibanez uh I've got an

2344

01:53:19,370 --> 01:53:15,480

Ibanez artist right above that that is

2345

01:53:22,430 --> 01:53:19,380

also a hollow body got an ESP right

2346

01:53:25,550 --> 01:53:22,440

there kind of thing in here it's looking

2347

01:53:30,530 --> 01:53:25,560

around in here so I've got those

2348

01:53:31,550 --> 01:53:30,540

um but a true acoustic guitar no no I

2349

01:53:35,149 --> 01:53:31,560

don't have one

2350

01:53:37,310 --> 01:53:35,159

so uh that answers that

2351

01:53:41,330 --> 01:53:37,320

uh

2352

01:53:44,390 --> 01:53:41,340

question can I send you a picture of my

2353

01:53:48,290 --> 01:53:44,400

guitar collection you can roast my rig

2354

01:53:49,970 --> 01:53:48,300

I really like the Gibson 70s V also yeah

2355

01:53:53,870 --> 01:53:49,980

absolutely yeah

2356

01:53:55,850 --> 01:53:53,880

you've got my email Jimmy jimmy.com send

2357

01:53:59,450 --> 01:53:55,860

me a picture of your guitar I would love

2358

01:54:03,590 --> 01:53:59,460

to see it Matt so there you go thanks

2359

01:54:04,200 --> 01:54:03,600

Jimmy and agree with John Wick

2360

01:54:06,350 --> 01:54:04,210

uh

2361

01:54:09,830 --> 01:54:06,360

[Applause]

2362

01:54:12,890 --> 01:54:09,840

all right oh it's it's uh Thursday night

2363

01:54:14,510 --> 01:54:12,900

March 23rd the John Wick four is it four

2364

01:54:16,310 --> 01:54:14,520

yeah it's four right they just had

2365

01:54:18,350 --> 01:54:16,320

threes the fours of five

2366

01:54:23,510 --> 01:54:18,360

it's going to be good no matter what you

2367

01:54:24,590 --> 01:54:23,520

know the opening uh uh the opening 10

2368

01:54:26,689 --> 01:54:24,600

minutes

2369

01:54:28,669 --> 01:54:26,699

of John Wick is going to be one

2370

01:54:34,729 --> 01:54:28,679

bloodbath it's going to be a 10 minute

2371

01:54:34,739 --> 01:54:38,290

love Batman

2372

01:54:44,450 --> 01:54:41,750

uh uh the spinning beer can wish we had

2373

01:54:46,790 --> 01:54:44,460

a video of that yeah so do I

2374

01:54:48,169 --> 01:54:46,800

so do I

2375

01:54:55,850 --> 01:54:48,179

uh

2376

01:55:00,229 --> 01:54:55,860

full Global acceptance of disclosure

2377

01:55:04,790 --> 01:55:00,239

I think the world right now if you

2378

01:55:06,109 --> 01:55:04,800

if you think that we are alone in the

2379

01:55:09,290 --> 01:55:06,119

Milky Way

2380

01:55:11,270 --> 01:55:09,300

that there's no life out there the

2381

01:55:15,709 --> 01:55:11,280

you're alone

2382

01:55:19,669 --> 01:55:15,719

it's been a tight tectonic shift in a

2383

01:55:21,310 --> 01:55:19,679

belief system that has happened so

2384

01:55:25,609 --> 01:55:21,320

um

2385

01:55:29,270 --> 01:55:25,619

we know we now accept that there is life

2386

01:55:32,090 --> 01:55:29,280

everywhere there are planets everywhere

2387

01:55:34,430 --> 01:55:32,100

every star's got a planet so now we know

2388

01:55:37,310 --> 01:55:34,440

that there are a trillion planets in our

2389

01:55:40,609 --> 01:55:37,320

Milky Way not one not zero not two not

2390

01:55:42,890 --> 01:55:40,619

three not four a trillion trillion do

2391

01:55:43,910 --> 01:55:42,900

you know how big of a number a trillion

2392

01:55:45,669 --> 01:55:43,920

is

2393

01:55:50,109 --> 01:55:45,679

a trillion

2394

01:55:53,689 --> 01:55:50,119

a million is a big ass number a million

2395

01:55:58,370 --> 01:55:53,699

and a thousand Millions

2396

01:56:03,350 --> 01:55:58,380

is one billion so inside of just one

2397

01:56:07,370 --> 01:56:03,360

single billion are a thousand Millions

2398

01:56:10,790 --> 01:56:07,380

and then to get to a trillion that is a

2399

01:56:14,330 --> 01:56:10,800

thousand billions

2400

01:56:15,950 --> 01:56:14,340

that's how that's how big a trillion we

2401

01:56:18,709 --> 01:56:15,960

throw around a trillion all the time

2402

01:56:21,410 --> 01:56:18,719

like it's just some number a trillion a

2403

01:56:24,050 --> 01:56:21,420

trillion a trillion dollars two trillion

2404

01:56:26,149 --> 01:56:24,060

a trillion a trillion is a like you

2405

01:56:26,990 --> 01:56:26,159

understand how big that number is you

2406

01:56:31,310 --> 01:56:27,000

don't

2407

01:56:33,649 --> 01:56:31,320

no the media and social media people

2408

01:56:36,470 --> 01:56:33,659

throw that number around like it's it's

2409

01:56:40,430 --> 01:56:36,480

just a thing it's not that is a huge

2410

01:56:43,970 --> 01:56:40,440

huge number so when we get to the idea

2411

01:56:48,229 --> 01:56:43,980

now of acceptance that in our Milky Way

2412

01:56:51,050 --> 01:56:48,239

There are up to a trillion planets

2413

01:56:53,330 --> 01:56:51,060

that's a huge number you don't have any

2414

01:56:57,590 --> 01:56:53,340

concept about how big of a number that

2415

01:56:59,750 --> 01:56:57,600

is so is there full it's there has to be

2416

01:57:05,149 --> 01:56:59,760

that's it it's without question

2417

01:57:09,169 --> 01:57:05,159

uh uh a buttload of Life out there

2418

01:57:11,930 --> 01:57:09,179

that's it so no I don't think uh uh full

2419

01:57:14,830 --> 01:57:11,940

disclosure of this of this I think it's

2420

01:57:18,830 --> 01:57:14,840

a big deal uh to finally have it happen

2421

01:57:21,350 --> 01:57:18,840

you know confirmation of being visited

2422

01:57:23,930 --> 01:57:21,360

by an intelligence that you know comes

2423

01:57:25,550 --> 01:57:23,940

from out there it's a big deal it's one

2424

01:57:28,490 --> 01:57:25,560

of the big moments if not the biggest

2425

01:57:32,330 --> 01:57:28,500

moment in in history

2426
01:57:35,689 --> 01:57:32,340
but that's not going to shock people

2427
01:57:38,089 --> 01:57:35,699
you know and uh I think globally

2428
01:57:40,609 --> 01:57:38,099
worldwide I think we are at that point

2429
01:57:43,550 --> 01:57:40,619
right now of saying of course there's

2430
01:57:45,770 --> 01:57:43,560
life out there what universe is a big

2431
01:57:48,649 --> 01:57:45,780
big big big big big place there's lots

2432
01:57:52,550 --> 01:57:48,659
of Life out there that's where we are so

2433
01:57:55,310 --> 01:57:52,560
when uh a disclosure happened this big

2434
01:57:57,649 --> 01:57:55,320
reveal I think uh I don't think

2435
01:57:59,270 --> 01:57:57,659
anybody's gonna freak out I just don't

2436
01:58:01,070 --> 01:57:59,280
I'm gonna scroll through here really

2437
01:58:03,410 --> 01:58:01,080
fast

2438
01:58:10,010 --> 01:58:05,209

uh

2439

01:58:12,109 --> 01:58:10,020

Australian bands I'm guessing that it

2440

01:58:14,330 --> 01:58:12,119

wouldn't be Air Supply I love Air Supply

2441

01:58:16,729 --> 01:58:14,340

what are you talking about Air Supply is

2442

01:58:20,990 --> 01:58:18,770

but in excess

2443

01:58:23,149 --> 01:58:21,000

and I'm going to go with the Bee Gees

2444

01:58:25,370 --> 01:58:23,159

gonna go with the Bee Gees yeah

2445

01:58:27,290 --> 01:58:25,380

absolutely nobody sings Barry Gibb

2446

01:58:29,990 --> 01:58:27,300

better than me

2447

01:58:33,589 --> 01:58:30,000

think about that that beautiful falsetto

2448

01:58:38,030 --> 01:58:33,599

the vibrato the hair the teeth there

2449

01:58:42,770 --> 01:58:40,669

in excess blows my mind so I've got I've

2450

01:58:43,729 --> 01:58:42,780

got plenty of favorite Australian bands

2451
01:58:46,910 --> 01:58:43,739
out there

2452
01:58:49,609 --> 01:58:46,920
all right I'm gonna just I'm I am

2453
01:58:54,229 --> 01:58:49,619
scrolling fast

2454
01:58:58,310 --> 01:58:56,149
I'm not even gonna read this in about

2455
01:59:01,669 --> 01:58:58,320
Jimmy have you seen the Def Leppard

2456
01:59:04,070 --> 01:59:01,679
Hysteria album cover with the panda

2457
01:59:06,470 --> 01:59:04,080
do you believe this could be a type of

2458
01:59:08,870 --> 01:59:06,480
E.T I have not I have to go back and

2459
01:59:11,030 --> 01:59:08,880
look at it white and black facial

2460
01:59:12,649 --> 01:59:11,040
features similar to a panda I've seen

2461
01:59:15,410 --> 01:59:12,659
them before I have not I'll go back and

2462
01:59:18,169 --> 01:59:15,420
check it out though I find that very

2463
01:59:20,810 --> 01:59:18,179

very interesting when they did that

2464

01:59:24,229 --> 01:59:20,820

though I mean there was Pyromania

2465

01:59:27,050 --> 01:59:24,239

hysteria what what uh hysteria came out

2466

01:59:29,089 --> 01:59:27,060

after that right so those guys who are

2467

01:59:31,310 --> 01:59:29,099

20 years old

2468

01:59:33,109 --> 01:59:31,320

um did they have control of what was you

2469

01:59:34,669 --> 01:59:33,119

know going on their album covers back

2470

01:59:37,609 --> 01:59:34,679

then and was there something I don't

2471

01:59:40,430 --> 01:59:37,619

know but uh I'll go back and check that

2472

01:59:43,010 --> 01:59:40,440

I'm just looking for stuff in all caps

2473

01:59:47,870 --> 01:59:43,020

okay I'm just looking for stuff in all

2474

01:59:53,810 --> 01:59:50,689

let's see what's this Timmy have you

2475

01:59:55,609 --> 01:59:53,820

sorted out when you have on Kaz Clark

2476

01:59:58,550 --> 01:59:55,619

again

2477

02:00:00,950 --> 01:59:58,560

I don't know who Kaz Clark is

2478

02:00:03,830 --> 02:00:00,960

again so I had somebody on the show

2479

02:00:05,930 --> 02:00:03,840

named Kaz Clark after your trip to Egypt

2480

02:00:10,370 --> 02:00:05,940

were you able to confirm the Great

2481

02:00:12,830 --> 02:00:10,380

Pyramid has eight sides okay

2482

02:00:15,169 --> 02:00:12,840

this is a they're all great questions

2483

02:00:17,330 --> 02:00:15,179

but this stands out

2484

02:00:19,430 --> 02:00:17,340

um yes the the Great Pyramid does have

2485

02:00:21,229 --> 02:00:19,440

eight sides and you can see it in summer

2486

02:00:23,330 --> 02:00:21,239

and winter solstice when the sun is just

2487

02:00:24,890 --> 02:00:23,340

right and the Shadows are cast and and

2488

02:00:26,930 --> 02:00:24,900

you can see that there's eight sides

2489

02:00:29,930 --> 02:00:26,940

when

2490

02:00:31,850 --> 02:00:29,940

um I walked around the Great Pyramid by

2491

02:00:32,689 --> 02:00:31,860

myself and looking at it no you can't

2492

02:00:38,149 --> 02:00:32,699

tell

2493

02:00:41,510 --> 02:00:38,159

not a surprise

2494

02:00:43,910 --> 02:00:41,520

uh to to know that we found out about

2495

02:00:48,169 --> 02:00:43,920

this when I believe it was a British

2496

02:00:49,729 --> 02:00:48,179

surveyor plane was flying over Giza took

2497

02:00:52,070 --> 02:00:49,739

a shot of the Great Pyramid you know

2498

02:00:53,990 --> 02:00:52,080

hanging out the side of a biplane you

2499

02:00:57,229 --> 02:00:54,000

know you know took a picture

2500

02:00:58,729 --> 02:00:57,239

and and caught that

2501
02:01:01,070 --> 02:00:58,739
um but

2502
02:01:04,729 --> 02:01:01,080
um so that was you know I think that

2503
02:01:06,830 --> 02:01:04,739
that that that picture was taken in 1930

2504
02:01:08,390 --> 02:01:06,840
you know right right around then we

2505
02:01:10,490 --> 02:01:08,400
didn't know up until that point that it

2506
02:01:14,629 --> 02:01:10,500
was eight-sided you can't tell it's too

2507
02:01:21,050 --> 02:01:17,689
it's really big

2508
02:01:23,030 --> 02:01:21,060
so its size is so distorted and and you

2509
02:01:25,189 --> 02:01:23,040
don't understand it until you you know

2510
02:01:26,810 --> 02:01:25,199
uh

2511
02:01:28,669 --> 02:01:26,820
let's see

2512
02:01:30,410 --> 02:01:28,679
Jimmy do you know what's going on with

2513
02:01:33,649 --> 02:01:30,420

John Burroughs is he still alive he

2514

02:01:34,729 --> 02:01:33,659

texted me uh two days ago so uh there

2515

02:01:36,229 --> 02:01:34,739

you go

2516

02:01:43,189 --> 02:01:36,239

uh

2517

02:01:45,350 --> 02:01:43,199

do you think that when all the matter

2518

02:01:46,370 --> 02:01:45,360

and antimatter was created at the Big

2519

02:01:49,310 --> 02:01:46,380

Bang

2520

02:01:51,830 --> 02:01:49,320

allegedly that all the matter went

2521

02:01:54,290 --> 02:01:51,840

forward in time that's us and the

2522

02:01:55,430 --> 02:01:54,300

anti-matter started going backwards in

2523

02:01:58,910 --> 02:01:55,440

time

2524

02:02:05,890 --> 02:02:00,530

hmm

2525

02:02:12,350 --> 02:02:10,310

uh that's that's actually really good

2526

02:02:14,149 --> 02:02:12,360

see that that one stopped me in my

2527

02:02:17,750 --> 02:02:14,159

tracks

2528

02:02:22,910 --> 02:02:17,760

um and why uh

2529

02:02:29,990 --> 02:02:26,689

anti-matter when it touches matter

2530

02:02:32,089 --> 02:02:30,000

explodes right it's a violent explosion

2531

02:02:34,129 --> 02:02:32,099

and we know that we have create we have

2532

02:02:37,070 --> 02:02:34,139

antimatter right now CERN has created

2533

02:02:38,930 --> 02:02:37,080

antimatter and we keep it in a magnetic

2534

02:02:41,270 --> 02:02:38,940

chamber

2535

02:02:42,950 --> 02:02:41,280

um to balance everything and keep the

2536

02:02:46,430 --> 02:02:42,960

antimatter suspended in the middle

2537

02:02:49,250 --> 02:02:46,440

because if it touches the sides of the

2538

02:02:53,030 --> 02:02:49,260

box boom it's an explosion and we would

2539

02:02:55,970 --> 02:02:53,040

probably have a gigantic crater there

2540

02:02:57,770 --> 02:02:55,980

where CERN used to be so we've got it

2541

02:03:01,609 --> 02:02:57,780

suspended

2542

02:03:05,030 --> 02:03:01,619

um so if antimatter

2543

02:03:07,189 --> 02:03:05,040

is out there is there an equal amount of

2544

02:03:09,169 --> 02:03:07,199

antimatter to matter

2545

02:03:10,970 --> 02:03:09,179

right every positive there's a negative

2546

02:03:13,669 --> 02:03:10,980

that's a possibility

2547

02:03:17,030 --> 02:03:13,679

you know but wouldn't we

2548

02:03:18,950 --> 02:03:17,040

be seeing violence you know occurring

2549

02:03:20,709 --> 02:03:18,960

all over the place you know violent

2550

02:03:25,430 --> 02:03:20,719

explosions where

2551

02:03:27,350 --> 02:03:25,440

an antimatter globule Planet collides

2552

02:03:30,109 --> 02:03:27,360

with something you know so I don't know

2553

02:03:32,870 --> 02:03:30,119

how much antimatter is out there or

2554

02:03:35,270 --> 02:03:32,880

after like you would just suggested did

2555

02:03:37,910 --> 02:03:35,280

it just go somewhere else so that we're

2556

02:03:39,530 --> 02:03:37,920

creating it now but at the beginning of

2557

02:03:41,270 --> 02:03:39,540

everything was there an equal amount

2558

02:03:44,149 --> 02:03:41,280

created and did it just go somewhere

2559

02:03:46,609 --> 02:03:44,159

else yeah yeah that's uh that's a great

2560

02:03:48,709 --> 02:03:46,619

idea and a great Theory it went the

2561

02:03:53,030 --> 02:03:48,719

other direction we went this Direction

2562

02:03:55,370 --> 02:03:53,040

that's us antimatter went the other way

2563

02:03:57,709 --> 02:03:55,380

it's brilliant actually

2564

02:04:01,490 --> 02:03:57,719

all right let's see I'm just scrolling

2565

02:04:13,930 --> 02:04:02,589

uh

2566

02:04:21,229 --> 02:04:18,550

Jimmy what do you think about the about

2567

02:04:22,910 --> 02:04:21,239

monoliths why did they

2568

02:04:24,169 --> 02:04:22,920

come around and disappear are you

2569

02:04:25,609 --> 02:04:24,179

talking about the models that appeared

2570

02:04:28,250 --> 02:04:25,619

around the world about five years ago

2571

02:04:30,589 --> 02:04:28,260

four years ago it was fun it's fun the

2572

02:04:32,570 --> 02:04:30,599

one in Utah he started popping up I

2573

02:04:36,050 --> 02:04:32,580

think it was an art uh you know an art

2574

02:04:38,689 --> 02:04:36,060

thought experiment uh to see how uh

2575

02:04:41,330 --> 02:04:38,699

people would react to them

2576
02:04:44,629 --> 02:04:41,340
um I I never got anything Supernatural

2577
02:04:46,970 --> 02:04:44,639
out of it or E.T

2578
02:04:48,770 --> 02:04:46,980
um so yeah

2579
02:04:53,330 --> 02:04:48,780
let's see

2580
02:04:55,450 --> 02:04:53,340
is is Thoth is still around maybe

2581
02:04:57,589 --> 02:04:55,460
maybe

2582
02:05:01,490 --> 02:04:57,599
cruising uh

2583
02:05:04,490 --> 02:05:01,500
uh the uh what's the uh

2584
02:05:08,870 --> 02:05:04,500
uh reincarnated

2585
02:05:12,350 --> 02:05:08,880
don't do 23andMe I know

2586
02:05:21,830 --> 02:05:14,689
uh

2587
02:05:25,129 --> 02:05:21,840
okay there's like 15 John Burroughs

2588
02:05:26,330 --> 02:05:25,139

tweets here ah I'll uh I'll reach out to

2589

02:05:28,430 --> 02:05:26,340

John Burroughs I hope there's nothing

2590

02:05:29,930 --> 02:05:28,440

going on I don't know I don't know if

2591

02:05:30,890 --> 02:05:29,940

that's the same person or different

2592

02:05:33,530 --> 02:05:30,900

people

2593

02:05:35,689 --> 02:05:33,540

man there's a lot of

2594

02:05:36,890 --> 02:05:35,699

I'm just scrolling looking for all caps

2595

02:05:40,129 --> 02:05:36,900

and if I don't

2596

02:05:44,030 --> 02:05:40,139

if I can't get to it it turns into uh

2597

02:05:46,490 --> 02:05:44,040

no Metallica guitars not right now uh

2598

02:05:49,870 --> 02:05:46,500

official Metallica guitars no

2599

02:05:54,229 --> 02:05:49,880

I would like to get one of the uh uh

2600

02:05:56,030 --> 02:05:54,239

Luigi that's a that's a cool guitar

2601
02:06:06,490 --> 02:05:56,040
um that mummy guitar is pretty cool too

2602
02:06:09,830 --> 02:06:08,089
now

2603
02:06:12,050 --> 02:06:09,840
um oh hello let me read the question

2604
02:06:14,870 --> 02:06:12,060
Jimmy any word on Alexander the Great

2605
02:06:17,149 --> 02:06:14,880
Cleopatra Jordan government hasn't

2606
02:06:20,050 --> 02:06:17,159
released anything any word it look it

2607
02:06:26,709 --> 02:06:23,270
the search for Alexander the Great's

2608
02:06:29,990 --> 02:06:26,719
tomb especially in and around Alexandria

2609
02:06:31,910 --> 02:06:30,000
has been ongoing they need to find that

2610
02:06:33,890 --> 02:06:31,920
they need to find the tomb of Cleopatra

2611
02:06:37,129 --> 02:06:33,900
too as well there was a severe

2612
02:06:39,830 --> 02:06:37,139
earthquake that happened and uh things

2613
02:06:42,709 --> 02:06:39,840

felt we've found a lot of statues and

2614

02:06:44,510 --> 02:06:42,719

and stuff off the coast of Egypt right

2615

02:06:47,030 --> 02:06:44,520

there but

2616

02:06:48,310 --> 02:06:47,040

um the actual

2617

02:06:51,410 --> 02:06:48,320

um

2618

02:06:55,490 --> 02:06:51,420

uh tomb of Alexander the Great

2619

02:06:57,950 --> 02:06:55,500

uh not officially so there you go all

2620

02:07:00,649 --> 02:06:57,960

right let me keep going down here

2621

02:07:02,930 --> 02:07:00,659

Jimmy do you think the Mandela effect is

2622

02:07:06,649 --> 02:07:02,940

proof that we live in a simulation if

2623

02:07:08,810 --> 02:07:06,659

the Mandela effect is real it is well or

2624

02:07:10,970 --> 02:07:08,820

it's the proof of time travel

2625

02:07:13,970 --> 02:07:10,980

you know one or the other

2626

02:07:16,010 --> 02:07:13,980

uh Chris James says he has had a flying

2627

02:07:22,390 --> 02:07:16,020

dream recently

2628

02:07:27,070 --> 02:07:24,709

maybe you can have your out of body

2629

02:07:31,330 --> 02:07:27,080

experiment experience when California

2630

02:07:37,970 --> 02:07:34,490

you know when I did um when I did the

2631

02:07:40,970 --> 02:07:37,980

hallucinogenics when I was 18 19 15 16

2632

02:07:43,430 --> 02:07:40,980

17 18 19 years old when it was like a

2633

02:07:44,270 --> 02:07:43,440

thing in the 70s

2634

02:07:47,689 --> 02:07:44,280

um

2635

02:07:50,350 --> 02:07:47,699

I probably lasted mushrooms

2636

02:07:55,370 --> 02:07:50,360

uh well I remember when it was it was

2637

02:07:58,430 --> 02:07:55,380

1989. so I was 25.

2638

02:08:00,290 --> 02:07:58,440

I never did I never went out and I did I

2639

02:08:02,270 --> 02:08:00,300

did I did

2640

02:08:05,750 --> 02:08:02,280

I did enough that it should have been an

2641

02:08:09,050 --> 02:08:05,760

out of body experience I I never did I

2642

02:08:10,609 --> 02:08:09,060

never fully with all of the acid and

2643

02:08:12,890 --> 02:08:10,619

everything else that I've taken and

2644

02:08:16,370 --> 02:08:12,900

mushrooms and stuff I never officially

2645

02:08:17,330 --> 02:08:16,380

like hallucinated should have my friends

2646

02:08:19,310 --> 02:08:17,340

did

2647

02:08:22,669 --> 02:08:19,320

but uh

2648

02:08:25,790 --> 02:08:22,679

uh I never did I never did

2649

02:08:27,709 --> 02:08:25,800

I can't explain why I wanted to I mean

2650

02:08:29,330 --> 02:08:27,719

everybody else okay I'm just gonna jump

2651
02:08:30,830 --> 02:08:29,340
to the end

2652
02:08:42,589 --> 02:08:30,840
uh

2653
02:08:46,250 --> 02:08:42,599
what did you think of her presentation

2654
02:08:49,189 --> 02:08:46,260
at the Expo I only introduced Linda

2655
02:08:52,370 --> 02:08:49,199
um I didn't uh see the entire uh

2656
02:08:56,750 --> 02:08:54,950
um and this is uh from Johnny uh

2657
02:08:58,910 --> 02:08:56,760
anything new on the corridor discovered

2658
02:09:03,910 --> 02:08:58,920
a Giza they announced

2659
02:09:07,550 --> 02:09:03,920
um uh that they should have more

2660
02:09:10,250 --> 02:09:07,560
uh results in about three months okay

2661
02:09:13,490 --> 02:09:10,260
now that comes from

2662
02:09:18,709 --> 02:09:13,500
um uh the culture of Antiquities or

2663
02:09:25,250 --> 02:09:22,850

um so three months now what what why are

2664

02:09:28,970 --> 02:09:25,260

they gonna have to rescan are they gonna

2665

02:09:30,709 --> 02:09:28,980

uh get uh the endoscopic camera further

2666

02:09:32,750 --> 02:09:30,719

in are they gonna open it up and bring

2667

02:09:35,870 --> 02:09:32,760

in a robot are they gonna drill on the

2668

02:09:38,750 --> 02:09:35,880

other side it seems to me that with the

2669

02:09:41,629 --> 02:09:38,760

press conference that they had that they

2670

02:09:44,870 --> 02:09:41,639

believe and I think that they know that

2671

02:09:48,050 --> 02:09:44,880

on the end of that Corridor is an

2672

02:09:49,430 --> 02:09:48,060

entrance is a door is something there so

2673

02:09:52,910 --> 02:09:49,440

that's what they're going to go and do

2674

02:09:55,729 --> 02:09:52,920

so let's uh

2675

02:09:58,790 --> 02:09:55,739

um let's see what happens I I don't know

2676

02:10:01,250 --> 02:09:58,800

I don't know but I'm feeling that

2677

02:10:03,109 --> 02:10:01,260

uh Med beds available to the public

2678

02:10:05,810 --> 02:10:03,119

Jimmy have you ever asked a little

2679

02:10:09,169 --> 02:10:05,820

traveled while meditating

2680

02:10:15,229 --> 02:10:09,179

uh so there you go okay

2681

02:10:17,450 --> 02:10:15,239

all right everybody I am it is uh can

2682

02:10:20,570 --> 02:10:17,460

Giants fit inside the pyramids or were

2683

02:10:22,430 --> 02:10:20,580

they built for modern size humans

2684

02:10:28,089 --> 02:10:22,440

hmm

2685

02:10:33,530 --> 02:10:31,910

uh and what I've experienced

2686

02:10:40,070 --> 02:10:33,540

uh

2687

02:10:42,830 --> 02:10:40,080

the Great Pyramid the Ben pyramid

2688

02:10:48,530 --> 02:10:42,840

there's no Giants going down that tunnel

2689

02:10:53,510 --> 02:10:50,870

there's no Giants going down descending

2690

02:10:56,149 --> 02:10:53,520

into uh the band pyramid or The Red

2691

02:10:57,890 --> 02:10:56,159

Pyramid the Great Pyramid when you get

2692

02:11:00,350 --> 02:10:57,900

into the grand Gallery yeah somebody

2693

02:11:02,030 --> 02:11:00,360

tall could fit in there but uh the

2694

02:11:03,470 --> 02:11:02,040

tunnel going into the king's chamber

2695

02:11:05,810 --> 02:11:03,480

it's this big

2696

02:11:09,530 --> 02:11:05,820

what are you talking about you know and

2697

02:11:11,390 --> 02:11:09,540

and so there the actual entryway into

2698

02:11:14,330 --> 02:11:11,400

the Great Pyramid just so you guys know

2699

02:11:15,649 --> 02:11:14,340

what is there now that was dug out by

2700

02:11:19,070 --> 02:11:15,659

Persia

2701
02:11:21,169 --> 02:11:19,080
okay that's that's not the main entrance

2702
02:11:23,750 --> 02:11:21,179
so when you see the front of the Great

2703
02:11:25,430 --> 02:11:23,760
Pyramid you see that cantilever thing

2704
02:11:28,010 --> 02:11:25,440
where the stones are pulled but that's

2705
02:11:29,510 --> 02:11:28,020
not where you enter the Great Pyramid it

2706
02:11:31,850 --> 02:11:29,520
may be the entrance but they haven't

2707
02:11:33,770 --> 02:11:31,860
removed those stones there so we don't

2708
02:11:36,890 --> 02:11:33,780
know that's where that Corridor is it's

2709
02:11:38,810 --> 02:11:36,900
behind that but um in the entrance to

2710
02:11:40,930 --> 02:11:38,820
the Great Pyramid no it's down on the

2711
02:11:43,550 --> 02:11:40,940
side on the ground that's a tunnel that

2712
02:11:46,669 --> 02:11:43,560
dynamite and blasted I don't know it was

2713
02:11:49,609 --> 02:11:46,679

Dynamite but explore that they dug that

2714

02:11:51,770 --> 02:11:49,619

tunnel and then it goes out

2715

02:11:54,770 --> 02:11:51,780

um and and connects to that main

2716

02:11:56,750 --> 02:11:54,780

ascending shaft that goes up to the

2717

02:11:58,910 --> 02:11:56,760

Grand Gallery but that entrance that's

2718

02:12:01,310 --> 02:11:58,920

not the actual entrance that's just an

2719

02:12:04,430 --> 02:12:01,320

entrance that was dug into the gray

2720

02:12:06,709 --> 02:12:04,440

pyramid and that was Doug four humans

2721

02:12:09,109 --> 02:12:06,719

like you and me

2722

02:12:10,910 --> 02:12:09,119

all right with that

2723

02:12:15,709 --> 02:12:10,920

I'm gonna get out of here tomorrow night

2724

02:12:17,510 --> 02:12:15,719

Michael ohming and Taki Soma are with us

2725

02:12:19,010 --> 02:12:17,520

I'm going to be talking about the

2726

02:12:22,990 --> 02:12:19,020

conspiracy

2727

02:12:25,070 --> 02:12:23,000

comic Duo that's right the comic artist

2728

02:12:27,470 --> 02:12:25,080

incredible they're gonna be with us

2729

02:12:29,390 --> 02:12:27,480

tomorrow night and of course oming's new

2730

02:12:31,010 --> 02:12:29,400

blue book was just released I've got it

2731

02:12:32,810 --> 02:12:31,020

right here there it is I showed it to

2732

02:12:34,250 --> 02:12:32,820

you at the beginning of the show talk

2733

02:12:36,890 --> 02:12:34,260

about that and everything else

2734

02:12:39,890 --> 02:12:36,900

conspiracy related tomorrow night with

2735

02:12:41,930 --> 02:12:39,900

Michael ohming and Taki Soma it's going

2736

02:12:45,290 --> 02:12:41,940

to be a great show all right so I'll see

2737

02:12:47,089 --> 02:12:45,300

everybody tomorrow night right here on

2738

02:12:49,790 --> 02:12:47,099

faded black Fade to Black it's produced

2739

02:12:51,729 --> 02:12:49,800

by Hilton J Palm Renee Dennis and Kevin

2740

02:12:53,870 --> 02:12:51,739

announcers

2741

02:12:56,410 --> 02:12:53,880

webmasters through the geek music Doug

2742

02:12:58,430 --> 02:12:56,420

Aldridge intro space boys

2743

02:13:00,290 --> 02:12:58,440

spaceboymusic.com fade to black is

2744

02:13:02,629 --> 02:13:00,300

produced by kjcr on the game changer

2745

02:13:05,750 --> 02:13:02,639

Network this broadcast is owned and

2746

02:13:08,390 --> 02:13:05,760

copyrighted 2023 by Fade to Black and

2747

02:13:10,370 --> 02:13:08,400

The Game Changer networking it cannot be

2748

02:13:12,109 --> 02:13:10,380

rebroadcast downloaded copied or use

2749

02:13:13,910 --> 02:13:12,119

anywhere in the known universe without

2750

02:13:15,709 --> 02:13:13,920

written permission from Fade to block of

2751

02:13:17,510 --> 02:13:15,719

the game changer Network I want

2752

02:13:18,830 --> 02:13:17,520

everybody to be safe I'll see you

2753

02:13:24,100 --> 02:13:18,840

tomorrow night

2754

02:13:45,850 --> 02:13:39,110

[Music]
