

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Wed Mar 08, 2023 **LIVE**

1
00:00:03,419 --> 00:00:17,080
foreign

2
00:00:42,790 --> 00:00:29,220
[Music]

3
00:00:50,930 --> 00:00:45,709
good afternoon Fade to Black breaking

4
00:00:54,470 --> 00:00:50,940
news for this Wednesday March 8 2023 I'm

5
00:00:57,590 --> 00:00:54,480
Jimmy church and this is all of the news

6
00:00:59,630 --> 00:00:57,600
that you need let's get to

7
00:01:01,450 --> 00:00:59,640
on this day in history

8
00:01:05,350 --> 00:01:01,460
otd

9
00:01:09,170 --> 00:01:05,360
2014 Malaysia Airlines flight 370

10
00:01:11,810 --> 00:01:09,180
carrying 239 people loses contact with

11
00:01:14,630 --> 00:01:11,820
air traffic control then fears off

12
00:01:19,370 --> 00:01:14,640
course and disappears the plane and

13
00:01:23,270 --> 00:01:19,380

everyone on board are never seen again

14

00:01:25,550 --> 00:01:23,280

on this day in 2014 I remember

15

00:01:28,429 --> 00:01:25,560

I remember covering this and it was

16

00:01:30,950 --> 00:01:28,439

almost 10 years ago absolutely

17

00:01:31,910 --> 00:01:30,960

incredible on this day in 2014 fader

18

00:01:34,130 --> 00:01:31,920

facts

19

00:01:36,010 --> 00:01:34,140

fully vetted

20

00:01:38,870 --> 00:01:36,020

fader fact

21

00:01:41,569 --> 00:01:38,880

lobsters p

22

00:01:43,310 --> 00:01:41,579

out of their faces

23

00:01:46,130 --> 00:01:43,320

and they do this

24

00:01:47,870 --> 00:01:46,140

to attract mates

25

00:01:50,450 --> 00:01:47,880

I gotta try that

26

00:01:53,749 --> 00:01:50,460

breaking news

27

00:01:57,889 --> 00:01:53,759

all right buckle up

28

00:02:00,410 --> 00:01:57,899

because we all know about chat GPT

29

00:02:02,810 --> 00:02:00,420

an AI chat bot that will write your

30

00:02:08,150 --> 00:02:02,820

papers and do your homework for you but

31

00:02:10,790 --> 00:02:08,160

now there is Radio GPT that's right an

32

00:02:15,110 --> 00:02:10,800

AI radio host

33

00:02:17,930 --> 00:02:15,120

futuri has launched radio GPT the

34

00:02:20,770 --> 00:02:17,940

world's first AI driven localized radio

35

00:02:24,229 --> 00:02:20,780

host and content creator

36

00:02:28,490 --> 00:02:24,239

futuri says that radio GPT combine

37

00:02:32,449 --> 00:02:28,500

combines the power of gpt3 Technology

38

00:02:35,030 --> 00:02:32,459

with an AI voice Tech and futuri's AI

39

00:02:37,369 --> 00:02:35,040

driven targeted story Discovery and

40

00:02:40,910 --> 00:02:37,379

social content system

41

00:02:44,210 --> 00:02:40,920

it's called topic pulse to provide an

42

00:02:49,190 --> 00:02:44,220

unmatched localized radio experience for

43

00:02:55,070 --> 00:02:52,250

radio GPT uses topic pulse technology

44

00:02:58,850 --> 00:02:55,080

which scans Facebook Twitter Instagram

45

00:02:59,990 --> 00:02:58,860

and 250 000 other sources of news and

46

00:03:02,930 --> 00:03:00,000

information

47

00:03:06,890 --> 00:03:02,940

to identify which topics are trending in

48

00:03:10,070 --> 00:03:06,900

a local market then using gpt3

49

00:03:14,570 --> 00:03:10,080

technology radio GPT creates a script

50

00:03:18,550 --> 00:03:14,580

for on-air use and AI voices turn that

51
00:03:21,710 --> 00:03:18,560
script into allegedly compelling radio

52
00:03:24,949 --> 00:03:21,720
right now partners for futuri's radio

53
00:03:28,790 --> 00:03:24,959
GPT include Alpha media in the United

54
00:03:30,530 --> 00:03:28,800
States and Rogers Sports and media in

55
00:03:34,009 --> 00:03:30,540
Canada

56
00:03:38,149 --> 00:03:34,019
yeah coming after my job they can't

57
00:03:39,410 --> 00:03:38,159
replace this this Dynamic personality or

58
00:03:40,930 --> 00:03:39,420
can they

59
00:03:45,009 --> 00:03:40,940
yeah

60
00:03:49,369 --> 00:03:45,019
archaeologists in China have Unearthed 3

61
00:03:51,350 --> 00:03:49,379
500 year old ice skates that were

62
00:03:55,070 --> 00:03:51,360
crafted from animal bone in the

63
00:03:57,649 --> 00:03:55,080

country's western xinjiang region these

64

00:04:00,589 --> 00:03:57,659

skates the oldest ever found in China

65

00:04:03,910 --> 00:04:00,599

were made from the bones of oxen and

66

00:04:07,550 --> 00:04:03,920

horses they were found in a tomb in the

67

00:04:10,910 --> 00:04:07,560

GAO Thai ruins about 240 miles west of

68

00:04:13,009 --> 00:04:10,920

the regional capital or room key it is

69

00:04:16,490 --> 00:04:13,019

not known if the skates were used for

70

00:04:19,310 --> 00:04:16,500

hunting or for the Olympics they consist

71

00:04:20,930 --> 00:04:19,320

of a straight piece of bone with holes

72

00:04:24,170 --> 00:04:20,940

at both ends so they could be strapped

73

00:04:27,230 --> 00:04:24,180

to Footwear the resulting blade is very

74

00:04:29,450 --> 00:04:27,240

flat compared with modern skates but it

75

00:04:33,129 --> 00:04:29,460

formed a Cutting Edge that allowed the

76

00:04:35,030 --> 00:04:33,139

wearer to Glide across the ice

77

00:04:36,950 --> 00:04:35,040

incredible

78

00:04:40,150 --> 00:04:36,960

check this out Elementary School

79

00:04:42,710 --> 00:04:40,160

students in Canada have recently

80

00:04:46,730 --> 00:04:42,720

schooled NASA scientists when they

81

00:04:50,090 --> 00:04:46,740

discovered that life-saving epipens can

82

00:04:52,670 --> 00:04:50,100

turn poisonous when launched into space

83

00:04:55,490 --> 00:04:52,680

students from Saint brother Andre's

84

00:04:58,249 --> 00:04:55,500

schools program for gifted Learners pgl

85

00:05:01,850 --> 00:04:58,259

in Ottawa we're studying the effects of

86

00:05:04,370 --> 00:05:01,860

cosmic radiation on epinephrine the AF

87

00:05:07,189 --> 00:05:04,380

the active ingredient found in epipens

88

00:05:11,210 --> 00:05:07,199

and emergency treatment given during

89

00:05:13,310 --> 00:05:11,220

severe allergic reactions NASA selected

90

00:05:17,689 --> 00:05:13,320

the students experiment to be part of

91

00:05:19,790 --> 00:05:17,699

its cubes in space for the program the 9

92

00:05:23,390 --> 00:05:19,800

to 12 year old students designed an

93

00:05:26,450 --> 00:05:23,400

experiment in which epinephrine samples

94

00:05:29,029 --> 00:05:26,460

were placed into tiny cubes and sent to

95

00:05:31,850 --> 00:05:29,039

the edge of space either with high

96

00:05:34,610 --> 00:05:31,860

altitude balloons or a rocket once back

97

00:05:37,490 --> 00:05:34,620

on Earth researchers from the John L

98

00:05:40,070 --> 00:05:37,500

homes Mass spectrometry facility at the

99

00:05:43,129 --> 00:05:40,080

University of Ottawa tested the samples

100

00:05:46,370 --> 00:05:43,139

and found that only 87 percent contained

101
00:05:49,129 --> 00:05:46,380
pure epinephrine while the other 13

102
00:05:52,370 --> 00:05:49,139
percent have been transformed into

103
00:05:54,230 --> 00:05:52,380
extremely poi business benzoic acid

104
00:05:56,270 --> 00:05:54,240
derivatives

105
00:05:59,029 --> 00:05:56,280
there you go

106
00:06:01,310 --> 00:05:59,039
so the students are now

107
00:06:05,390 --> 00:06:01,320
designing a case

108
00:06:08,870 --> 00:06:05,400
to keep the upper epipens in when

109
00:06:12,170 --> 00:06:08,880
they're sent into orbit scientists have

110
00:06:16,370 --> 00:06:12,180
discovered an enzyme that converts air

111
00:06:19,330 --> 00:06:16,380
into electricity potentially unlocking a

112
00:06:22,070 --> 00:06:19,340
near Limitless source of clean energy

113
00:06:24,529 --> 00:06:22,080

check this out a team from Monash

114

00:06:27,710 --> 00:06:24,539

University in Melbourne Australia

115

00:06:30,890 --> 00:06:27,720

found that a hydrogen consuming enzyme

116

00:06:33,950 --> 00:06:30,900

from a common soil bacterium was able to

117

00:06:37,309 --> 00:06:33,960

generate an electrical current using the

118

00:06:39,529 --> 00:06:37,319

atmosphere as an energy source

119

00:06:43,790 --> 00:06:39,539

the researcher said the enzyme called

120

00:06:46,550 --> 00:06:43,800

Huck h-uc proved to be astonishingly

121

00:06:49,189 --> 00:06:46,560

stable and remarkably efficient at

122

00:06:51,469 --> 00:06:49,199

creating energy from thin air

123

00:06:54,350 --> 00:06:51,479

experiments revealed that it is possible

124

00:06:56,270 --> 00:06:54,360

to store purified hook for long periods

125

00:06:59,749 --> 00:06:56,280

at freezing temperatures or up to 80

126

00:07:02,930 --> 00:06:59,759

degrees Celsius without losing its uh

127

00:07:05,590 --> 00:07:02,940

Power to generate electricity the

128

00:07:08,450 --> 00:07:05,600

discovery was detailed in a paper titled

129

00:07:10,969 --> 00:07:08,460

structural basis for bacterial energy

130

00:07:13,730 --> 00:07:10,979

extraction from atmospheric hydrogen

131

00:07:16,270 --> 00:07:13,740

that was published in the journal Nature

132

00:07:19,390 --> 00:07:16,280

earlier today

133

00:07:22,189 --> 00:07:19,400

electricity from thin air

134

00:07:24,170 --> 00:07:22,199

by star system is helping astronomers

135

00:07:26,330 --> 00:07:24,180

unravel the mystery of how water

136

00:07:27,529 --> 00:07:26,340

appeared in our solar system billions of

137

00:07:30,790 --> 00:07:27,539

years ago

138

00:07:35,629 --> 00:07:30,800

scientists observed a young star called

139

00:07:39,350 --> 00:07:35,639

v883 or orionis located 1300 light years

140

00:07:41,870 --> 00:07:39,360

away using the Atacama large millimeter

141

00:07:45,529 --> 00:07:41,880

sub-millimeter array of telescopes or

142

00:07:48,529 --> 00:07:45,539

the alma in Northern Chile the star is

143

00:07:50,689 --> 00:07:48,539

surrounded by Planet forming discs a

144

00:07:53,170 --> 00:07:50,699

cloud of gas and dust left over from

145

00:07:55,670 --> 00:07:53,180

when the star was born eventually

146

00:07:58,189 --> 00:07:55,680

material in the disc comes together to

147

00:08:01,129 --> 00:07:58,199

form comets asteroids and planets over

148

00:08:04,969 --> 00:08:01,139

millions of years a team of researchers

149

00:08:07,370 --> 00:08:04,979

used Alma to measure chemical signals in

150

00:08:10,749 --> 00:08:07,380

the planet forming disc and they

151
00:08:13,249 --> 00:08:10,759
detected gaseous water or water vapor

152
00:08:15,529 --> 00:08:13,259
their detection allowed the astronomers

153
00:08:18,170 --> 00:08:15,539
to trace the water's Journey from the

154
00:08:21,290 --> 00:08:18,180
gas clouds that form the star and will

155
00:08:23,510 --> 00:08:21,300
eventually give rise to planets their

156
00:08:26,330 --> 00:08:23,520
findings published today in the journal

157
00:08:28,969 --> 00:08:26,340
Nature says that comets formed from the

158
00:08:32,269 --> 00:08:28,979
sun's Planet forming risk could have

159
00:08:34,610 --> 00:08:32,279
brought water to Earth that means the

160
00:08:38,810 --> 00:08:34,620
water on Earth could actually be older

161
00:08:41,870 --> 00:08:38,820
than our sun which is 4.6 billion years

162
00:08:44,449 --> 00:08:41,880
old and that's incredible

163
00:08:47,630 --> 00:08:44,459

a new mode of Transport height as being

164

00:08:50,570 --> 00:08:47,640

the world's first flying bike has

165

00:08:52,329 --> 00:08:50,580

officially been released in Japan and it

166

00:08:54,889 --> 00:08:52,339

cost about

167

00:08:56,829 --> 00:08:54,899

555 thousand dollars

168

00:09:00,470 --> 00:08:56,839

the 12 foot long

169

00:09:02,990 --> 00:09:00,480

x-turismo luxury air Cruiser inspired by

170

00:09:06,769 --> 00:09:03,000

the Star Wars Universe was developed by

171

00:09:09,829 --> 00:09:06,779

the aircraft company air winds the 660

172

00:09:13,430 --> 00:09:09,839

pound vehicle a finalist in the 2023

173

00:09:16,670 --> 00:09:13,440

Edison Awards rides on two large Central

174

00:09:18,769 --> 00:09:16,680

rotors running on a 228 horsepower gas

175

00:09:22,070 --> 00:09:18,779

field Kawasaki motor

176

00:09:24,110 --> 00:09:22,080

and that just bummed me out

177

00:09:27,710 --> 00:09:24,120

yeah it's not really a flying bike

178

00:09:29,570 --> 00:09:27,720

anyway a battery Powers four fans on the

179

00:09:32,269 --> 00:09:29,580

vehicle's outer edges that provide

180

00:09:35,630 --> 00:09:32,279

stability for the ride now it's not the

181

00:09:39,949 --> 00:09:35,640

Jetsons but it's cool

182

00:09:43,150 --> 00:09:39,959

yesterday Oklahoma voters rejected

183

00:09:46,130 --> 00:09:43,160

legalizing recreational marijuana

184

00:09:48,769 --> 00:09:46,140

deciding not to join 20 other states and

185

00:09:51,110 --> 00:09:48,779

the District of Columbia in a special

186

00:09:55,490 --> 00:09:51,120

election voters turned down state

187

00:09:58,610 --> 00:09:55,500

question 820 by more than 20 percentage

188

00:10:01,730 --> 00:09:58,620

points with the vote Oklahoma joined

189

00:10:04,790 --> 00:10:01,740

three other states Arkansas North Dakota

190

00:10:09,170 --> 00:10:04,800

and South Dakota that have rejected

191

00:10:11,389 --> 00:10:09,180

recreational marijuana in recent months

192

00:10:13,070 --> 00:10:11,399

now uh I just want to leave you with

193

00:10:17,389 --> 00:10:13,080

this I don't comment

194

00:10:19,449 --> 00:10:17,399

or or go off on things but they're a set

195

00:10:22,070 --> 00:10:19,459

of photographs that was released

196

00:10:25,190 --> 00:10:22,080

allegedly showing

197

00:10:28,790 --> 00:10:25,200

this cylindrical black acid cylindrical

198

00:10:32,570 --> 00:10:28,800

object Over Baghdad during during the

199

00:10:34,509 --> 00:10:32,580

war there and a lot of speculation and

200

00:10:38,449 --> 00:10:34,519

it has been suggested

201
00:10:39,829 --> 00:10:38,459
by those publishing the photographs that

202
00:10:42,230 --> 00:10:39,839
this is a

203
00:10:47,210 --> 00:10:42,240
alien spacecraft

204
00:10:49,310 --> 00:10:47,220
it's a missile and I have to say

205
00:10:52,430 --> 00:10:49,320
if you're ET

206
00:10:55,730 --> 00:10:52,440
and you fly across the universe

207
00:11:00,470 --> 00:10:55,740
to visit our beautiful blue gem

208
00:11:03,290 --> 00:11:00,480
why would you fly to a war zone

209
00:11:05,269 --> 00:11:03,300
just doesn't make any sense does it ah

210
00:11:07,790 --> 00:11:05,279
it's a missile

211
00:11:10,610 --> 00:11:07,800
you know I want it to be something else

212
00:11:13,370 --> 00:11:10,620
but it is not there's your Fade to Black

213
00:11:16,690 --> 00:11:13,380

breaking news all of the news that you

214

00:11:19,310 --> 00:11:16,700

need for this Wednesday March 8 2023

215

00:11:21,590 --> 00:11:19,320

breaking news is produced by Renee

216

00:11:26,740 --> 00:11:21,600

Newman I'm your host Jimmy Church
