

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

TIMOTHY HOGAN

THE KNIGHTS TEMPLAR IN EGYPT

MON MAR 13 LIVE

7:00 PM PT/10:00PM ET

1
00:00:20,870 --> 00:00:19,269

[Music]

2
00:00:25,330 --> 00:00:20,880

thank you

3
00:00:28,609 --> 00:00:25,340

the smoke radio for the masses of July 8

4
00:00:31,009 --> 00:00:28,619

1947 the Army Air Forces has announced

5
00:00:33,170 --> 00:00:31,019

that applying disc has been found and is

6
00:00:36,229 --> 00:00:33,180

now in the possession of the army

7
00:00:39,950 --> 00:00:36,239

game is really changed the game game

8
00:00:43,549 --> 00:00:39,960

changer I occasionally think how quickly

9
00:00:46,910 --> 00:00:43,559

our differences worldwide would vanish

10
00:00:48,330 --> 00:00:46,920

if we were facing an alien threat from

11
00:00:50,110 --> 00:00:48,340

outside this work

12
00:00:50,320 --> 00:00:50,120

[Music]

13
00:00:52,630 --> 00:00:50,330

[Applause]

14

00:00:55,549 --> 00:00:52,640

[Music]

15

00:00:58,369 --> 00:00:55,559

this is Fade to Black with your host

16

00:00:59,090 --> 00:00:58,379

Jimmy Church on the game changer Radio

17

00:01:02,630 --> 00:00:59,100

Network

18

00:01:09,490 --> 00:01:06,770

all right good evening Fade to Black

19

00:01:12,910 --> 00:01:09,500

it's Monday March 13

20

00:01:15,590 --> 00:01:12,920

2023 and my guest tonight Timothy Hogan

21

00:01:17,990 --> 00:01:15,600

and we are going to be discussing a lot

22

00:01:19,910 --> 00:01:18,000

of topics tonight but I want to focus on

23

00:01:23,149 --> 00:01:19,920

Egypt and of course the Knights Templar

24

00:01:25,969 --> 00:01:23,159

and he is the worldwide Grandmaster for

25

00:01:28,429 --> 00:01:25,979

the Knights Templar ohsi he runs The

26

00:01:30,710 --> 00:01:28,439

Temper the Templar collegia in

27

00:01:33,050 --> 00:01:30,720

conjunction with it he has been knighted

28

00:01:35,390 --> 00:01:33,060

in France in two different orders he's

29

00:01:37,249 --> 00:01:35,400

been knighted in Scotland into the Order

30

00:01:39,590 --> 00:01:37,259

of Saint Andrews and into the Royal

31

00:01:42,590 --> 00:01:39,600

order of Scotland he has also been

32

00:01:45,230 --> 00:01:42,600

knighted as a gold star sir Knight of

33

00:01:46,310 --> 00:01:45,240

the Knights of the Glenn and I'm still

34

00:01:48,770 --> 00:01:46,320

waiting

35

00:01:51,289 --> 00:01:48,780

for my Templar ring but I would like to

36

00:01:53,929 --> 00:01:51,299

welcome back to fade to black the one

37

00:01:56,109 --> 00:01:53,939

and only Timothy Hogan Timothy oh now

38

00:01:58,870 --> 00:01:56,119

you're all washed out

39

00:02:02,810 --> 00:01:58,880

how'd you how do you

40

00:02:05,990 --> 00:02:02,820

do anything I promise turn turn off your

41

00:02:07,789 --> 00:02:06,000

lights no just oh man what are we gonna

42

00:02:10,370 --> 00:02:07,799

do what are we gonna do we're gonna go

43

00:02:14,690 --> 00:02:10,380

with washed out Tim today see you want

44

00:02:18,010 --> 00:02:14,700

to you want to be in disguise

45

00:02:20,410 --> 00:02:18,020

it's my it's my aura

46

00:02:24,470 --> 00:02:20,420

it's your Horror

47

00:02:27,410 --> 00:02:24,480

oh man we had a great sound check we got

48

00:02:30,729 --> 00:02:27,420

uh everything sussed out and

49

00:02:36,110 --> 00:02:30,739

and then uh Tim's magnetism his

50

00:02:39,770 --> 00:02:36,120

electromagnetic uh monatomic gold self

51

00:02:42,170 --> 00:02:39,780

all the settings all right all right

52

00:02:44,690 --> 00:02:42,180

um yeah well uh we're kind of stuck so

53

00:02:47,809 --> 00:02:44,700

let's uh let's just uh go about it

54

00:02:50,089 --> 00:02:47,819

tonight it's it's the content Tim it

55

00:02:53,509 --> 00:02:50,099

it's it's not your natural good looks

56

00:02:56,210 --> 00:02:53,519

yeah it's not my glow it's not your glow

57

00:03:00,410 --> 00:02:56,220

it's not certainly not your glove or or

58

00:03:02,930 --> 00:03:00,420

tonight uh the abundance of said glow

59

00:03:07,309 --> 00:03:02,940

um but I want to I'm gonna start here

60

00:03:10,970 --> 00:03:07,319

with a uh something a little while

61

00:03:13,250 --> 00:03:10,980

a little philosophical okay and it's not

62

00:03:15,770 --> 00:03:13,260

the topic of tonight's show but I just

63

00:03:20,809 --> 00:03:15,780

want your opinion

64
00:03:23,050 --> 00:03:20,819
have you seen the TV show The Last of Us

65
00:03:26,030 --> 00:03:23,060
you know I haven't seen it yet I've I've

66
00:03:27,890 --> 00:03:26,040
I know the general plot of it I've

67
00:03:30,649 --> 00:03:27,900
certainly read some news stories about

68
00:03:34,070 --> 00:03:30,659
it but I haven't seen it yet it's number

69
00:03:37,270 --> 00:03:34,080
one show on TV yeah right

70
00:03:40,729 --> 00:03:37,280
um so with that

71
00:03:42,949 --> 00:03:40,739
what is our fascination

72
00:03:45,309 --> 00:03:42,959
with the end of the world

73
00:03:48,470 --> 00:03:45,319
right we have this fascination with that

74
00:03:50,809 --> 00:03:48,480
and and you want a Blockbuster movie you

75
00:03:52,190 --> 00:03:50,819
want a blockbuster book you want you

76

00:03:53,390 --> 00:03:52,200

know you want all of that stuff TV

77

00:03:55,789 --> 00:03:53,400

series

78

00:03:59,449 --> 00:03:55,799

the end of the world right just go right

79

00:04:01,190 --> 00:03:59,459

there and we're fast what what's the

80

00:04:03,830 --> 00:04:01,200

deal with that is it

81

00:04:05,750 --> 00:04:03,840

uh the lack you don't have to pay taxes

82

00:04:07,490 --> 00:04:05,760

right there's no government is it that

83

00:04:15,009 --> 00:04:07,500

is it

84

00:04:20,390 --> 00:04:15,019

getting rid of the organization of life

85

00:04:22,969 --> 00:04:20,400

is it uh the ability to mow down zombies

86

00:04:26,270 --> 00:04:22,979

with clubs and machetes and machine guns

87

00:04:29,270 --> 00:04:26,280

without any yeah without without

88

00:04:31,990 --> 00:04:29,280

breaking any laws what what is it that

89

00:04:34,430 --> 00:04:32,000

uh you know no moral compass right

90

00:04:36,830 --> 00:04:34,440

what's the association with the end of

91

00:04:40,249 --> 00:04:36,840

the world I I think uh on some level

92

00:04:43,070 --> 00:04:40,259

some uh maybe subconscious level uh

93

00:04:46,730 --> 00:04:43,080

people know that society and

94

00:04:50,030 --> 00:04:46,740

civilization is is extremely fragile

95

00:04:52,969 --> 00:04:50,040

and we we we tell ourselves this story

96

00:04:55,370 --> 00:04:52,979

that uh oh we're so great and we're the

97

00:04:57,590 --> 00:04:55,380

Pinnacle of humanity and that we're

98

00:05:00,409 --> 00:04:57,600

we're so wonderful with our technology

99

00:05:02,270 --> 00:05:00,419

and everything else but um you know the

100

00:05:04,510 --> 00:05:02,280

reality is there's any number of things

101
00:05:08,330 --> 00:05:04,520
that can really wipe us out any minute

102
00:05:09,770 --> 00:05:08,340
and uh and this isn't the type of thing

103
00:05:12,350 --> 00:05:09,780
you know certainly governments don't

104
00:05:14,990 --> 00:05:12,360
like to talk about this uh

105
00:05:17,870 --> 00:05:15,000
some religious establishments try to

106
00:05:22,189 --> 00:05:17,880
take advantage of this uh fear of this

107
00:05:23,810 --> 00:05:22,199
with people but um I think that uh on

108
00:05:26,210 --> 00:05:23,820
some level

109
00:05:28,310 --> 00:05:26,220
we know that it's probably happened

110
00:05:29,469 --> 00:05:28,320
before and it could definitely happen

111
00:05:33,770 --> 00:05:29,479
again

112
00:05:36,590 --> 00:05:33,780
my my take on it and you write about

113
00:05:38,870 --> 00:05:36,600

um you know I'm talking I'm referring in

114

00:05:41,570 --> 00:05:38,880

the question of course to uh modern

115

00:05:44,150 --> 00:05:41,580

technology and film and TV series and

116

00:05:47,090 --> 00:05:44,160

stuff but but this isn't a modern

117

00:05:50,450 --> 00:05:47,100

concept this has been in play since the

118

00:05:52,550 --> 00:05:50,460

dawn of man hasn't it yeah that's right

119

00:05:55,550 --> 00:05:52,560

yeah I mean people are always waiting

120

00:05:57,830 --> 00:05:55,560

for uh you know Jesus to come around the

121

00:05:59,570 --> 00:05:57,840

corner the next day in the second coming

122

00:06:02,450 --> 00:05:59,580

they've been saying that forever you

123

00:06:04,670 --> 00:06:02,460

know prior to Jesus it was you know the

124

00:06:07,790 --> 00:06:04,680

next Messiah was gonna come

125

00:06:10,370 --> 00:06:07,800

um it's a it's a story We Tell ourselves

126

00:06:14,450 --> 00:06:10,380

and it's a good story I think people

127

00:06:16,310 --> 00:06:14,460

inherently know that

128

00:06:19,249 --> 00:06:16,320

uh we're

129

00:06:21,050 --> 00:06:19,259

yeah we're we're we're we're treading on

130

00:06:26,210 --> 00:06:21,060

this Ice you know we're on borrowed time

131

00:06:31,370 --> 00:06:29,029

stay with that for a second how close

132

00:06:33,950 --> 00:06:31,380

like uh you know we went through the

133

00:06:37,790 --> 00:06:33,960

financial collapse of 2008 and we had

134

00:06:40,070 --> 00:06:37,800

you know uh the depression and we've had

135

00:06:42,370 --> 00:06:40,080

many instances of some pretty crazy

136

00:06:45,650 --> 00:06:42,380

stuff right right in front of us

137

00:06:47,390 --> 00:06:45,660

and you know on Friday we've got the

138

00:06:51,290 --> 00:06:47,400

second largest bank collapse in history

139

00:06:52,850 --> 00:06:51,300

svb bank that just seemed to happen you

140

00:06:55,610 --> 00:06:52,860

know out of nowhere right it was just

141

00:06:58,610 --> 00:06:55,620

like we wake up and you know this this

142

00:07:01,550 --> 00:06:58,620

bank has collapsed with uh a lot of

143

00:07:05,390 --> 00:07:01,560

money involved and all of the tech and

144

00:07:09,290 --> 00:07:05,400

it just reminded me a little bit of how

145

00:07:11,170 --> 00:07:09,300

how you know the tech sector you know

146

00:07:14,270 --> 00:07:11,180

based in Silicon Valley

147

00:07:16,550 --> 00:07:14,280

is always teetering on the edge too as

148

00:07:20,809 --> 00:07:16,560

well and it controls our communication

149

00:07:23,570 --> 00:07:20,819

it controls our news it controls uh our

150

00:07:28,070 --> 00:07:23,580

infrastructure and our life and

151

00:07:32,270 --> 00:07:28,080

command you know I we we it doesn't take

152

00:07:34,909 --> 00:07:32,280

much like in the case of svb bank but

153

00:07:37,370 --> 00:07:34,919

just a couple of comments and then you

154

00:07:39,350 --> 00:07:37,380

have a run on the bank and our banking

155

00:07:41,990 --> 00:07:39,360

system which controls everything right

156

00:07:44,469 --> 00:07:42,000

is always teetering on the edge it's

157

00:07:48,710 --> 00:07:44,479

it's just built on faith and confidence

158

00:07:51,170 --> 00:07:48,720

yeah that's right I mean ultimately

159

00:07:52,550 --> 00:07:51,180

I mean well so much of

160

00:07:55,010 --> 00:07:52,560

I mean I don't want to get all

161

00:07:56,749 --> 00:07:55,020

conspiratorial but I mean I mean look

162

00:07:59,089 --> 00:07:56,759

even look at your dollar bill where it

163

00:08:01,370 --> 00:07:59,099

says Federal Reserve Note

164

00:08:05,029 --> 00:08:01,380

that means that you should be able to

165

00:08:09,110 --> 00:08:05,039

take that note to the uh

166

00:08:10,309 --> 00:08:09,120

to uh the federal government be able to

167

00:08:14,150 --> 00:08:10,319

turn it in

168

00:08:15,290 --> 00:08:14,160

for that amount in silver for example if

169

00:08:17,809 --> 00:08:15,300

you know assuming we're on the silver

170

00:08:19,369 --> 00:08:17,819

standard but but really you can't do

171

00:08:21,529 --> 00:08:19,379

that so

172

00:08:23,029 --> 00:08:21,539

it's not really a Federal Reserve Note

173

00:08:25,790 --> 00:08:23,039

because you can't take it to the Federal

174

00:08:28,610 --> 00:08:25,800

Reserve and turn it in so it's all just

175

00:08:31,490 --> 00:08:28,620

based on belief in that you could turn

176

00:08:34,670 --> 00:08:31,500

it in and so much of what we

177

00:08:36,469 --> 00:08:34,680

Society is built on is this belief that

178

00:08:40,370 --> 00:08:36,479

uh you know we believe in these

179

00:08:42,709 --> 00:08:40,380

institutions that they won't fail us and

180

00:08:45,650 --> 00:08:42,719

um and that's what kind of artificially

181

00:08:47,949 --> 00:08:45,660

holds them up sometimes is is that

182

00:08:51,970 --> 00:08:47,959

Society in general

183

00:08:54,530 --> 00:08:51,980

belief system just just for us to exist

184

00:08:58,009 --> 00:08:54,540

I think most people are just so busy

185

00:08:59,990 --> 00:08:58,019

with their normal lives uh that they

186

00:09:02,090 --> 00:09:00,000

they really don't have time to think

187

00:09:05,750 --> 00:09:02,100

about these things or if they do it's

188

00:09:11,269 --> 00:09:08,230

um you know that's that can be dangerous

189

00:09:14,030 --> 00:09:11,279

I mean from uh that could collapse the

190

00:09:16,250 --> 00:09:14,040

system so we prop ourselves up with

191

00:09:18,350 --> 00:09:16,260

stories and

192

00:09:20,110 --> 00:09:18,360

they they work for the most part until

193

00:09:24,470 --> 00:09:20,120

they don't

194

00:09:26,750 --> 00:09:24,480

well and and if we go back uh there's a

195

00:09:30,650 --> 00:09:26,760

there's a reason for this you know kind

196

00:09:32,810 --> 00:09:30,660

of deep uh philosophical mind experiment

197

00:09:35,110 --> 00:09:32,820

thought experiment that I'm proposing

198

00:09:37,730 --> 00:09:35,120

here that

199

00:09:40,250 --> 00:09:37,740

there there's two two ways to look at

200

00:09:44,329 --> 00:09:40,260

this but they all of this is deep rooted

201
00:09:47,329 --> 00:09:44,339
and if we go back to you know something

202
00:09:50,509 --> 00:09:47,339
that was a secret at the time and well

203
00:09:53,389 --> 00:09:50,519
and still is like the Knights Templar

204
00:09:57,889 --> 00:09:53,399
um uh everything you know a belief

205
00:10:01,370 --> 00:09:57,899
system and uh a journey is something

206
00:10:04,910 --> 00:10:01,380
that when you say believe it can have a

207
00:10:07,910 --> 00:10:04,920
a religious tone to it and certainly the

208
00:10:11,870 --> 00:10:07,920
end of the world or secret societies or

209
00:10:14,210 --> 00:10:11,880
an agenda things going on you know the

210
00:10:17,210 --> 00:10:14,220
end of the world for instance this stuff

211
00:10:20,509 --> 00:10:17,220
has been going on for thousands of years

212
00:10:23,030 --> 00:10:20,519
yeah and it it's it's not nothing new

213
00:10:24,350 --> 00:10:23,040

and and when we talk about the Knights

214

00:10:28,370 --> 00:10:24,360

Templar today

215

00:10:31,850 --> 00:10:28,380

uh two things come to mind secrecy

216

00:10:34,550 --> 00:10:31,860

Imani Python and the Holy Grail you know

217

00:10:38,630 --> 00:10:34,560

that's pretty much it right Your mother

218

00:10:44,930 --> 00:10:42,170

but yeah it's true I mean and and to be

219

00:10:47,750 --> 00:10:44,940

fair I mean the Templar order

220

00:10:50,389 --> 00:10:47,760

started the original banking system too

221

00:10:52,069 --> 00:10:50,399

for example I mean it it really started

222

00:10:54,470 --> 00:10:52,079

out from

223

00:10:56,930 --> 00:10:54,480

uh if people wanted to go visit the holy

224

00:10:59,630 --> 00:10:56,940

land they they could deposit money in

225

00:11:02,090 --> 00:10:59,640

one of the Templar commandries and let's

226

00:11:04,910 --> 00:11:02,100

say France or England

227

00:11:07,670 --> 00:11:04,920

and then uh they could travel to the

228

00:11:10,970 --> 00:11:07,680

Holy Land and they would be less of a

229

00:11:12,470 --> 00:11:10,980

chance of them getting robbed by thieves

230

00:11:14,930 --> 00:11:12,480

because they wouldn't be carrying any

231

00:11:16,670 --> 00:11:14,940

money on them and then when they got to

232

00:11:19,490 --> 00:11:16,680

the holy land they were able to present

233

00:11:21,050 --> 00:11:19,500

a note to the commandery in the holy

234

00:11:23,269 --> 00:11:21,060

land and then the Templars were able to

235

00:11:25,490 --> 00:11:23,279

give them that amount of gold back you

236

00:11:27,889 --> 00:11:25,500

know so that was essentially banking to

237

00:11:30,110 --> 00:11:27,899

begin with I mean that was the that's

238

00:11:31,490 --> 00:11:30,120

the foundation of of

239

00:11:34,009 --> 00:11:31,500

um

240

00:11:36,350 --> 00:11:34,019

you know the check system and certainly

241

00:11:39,050 --> 00:11:36,360

the um the credit system that we have

242

00:11:41,810 --> 00:11:39,060

now and uh you know the template order

243

00:11:44,090 --> 00:11:41,820

took a little fee for doing that and

244

00:11:45,949 --> 00:11:44,100

that little fee added up and that's part

245

00:11:48,769 --> 00:11:45,959

of what made the template order so

246

00:11:53,210 --> 00:11:48,779

wealthy for a Time when all of that

247

00:11:55,810 --> 00:11:53,220

ended uh and we go up to say Friday the

248

00:12:00,590 --> 00:11:55,820

13th right if we if we go to

249

00:12:02,870 --> 00:12:00,600

uh that period of History

250

00:12:05,030 --> 00:12:02,880

um let's get let's correct a few things

251

00:12:10,569 --> 00:12:05,040

or maybe these things are already

252

00:12:13,670 --> 00:12:10,579

correct but one uh the main concerns

253

00:12:17,090 --> 00:12:13,680

was the templar's wealth and banking

254

00:12:19,670 --> 00:12:17,100

system that they had built up and in a

255

00:12:21,949 --> 00:12:19,680

lot of cases it rivaled you know the

256

00:12:23,810 --> 00:12:21,959

monarchies and governments of Europe at

257

00:12:25,910 --> 00:12:23,820

that time

258

00:12:29,210 --> 00:12:25,920

yeah I mean one of the one of the real

259

00:12:31,490 --> 00:12:29,220

challenges with it to the establishment

260

00:12:35,150 --> 00:12:31,500

in which I at the time the establishment

261

00:12:37,910 --> 00:12:35,160

was the church and the monarchy and when

262

00:12:41,509 --> 00:12:37,920

the Templars started providing Banking

263

00:12:43,310 --> 00:12:41,519

and commerce that was independent of the

264

00:12:45,230 --> 00:12:43,320

church and the monarchy

265

00:12:48,650 --> 00:12:45,240

even to the point where they started

266

00:12:52,009 --> 00:12:48,660

loaning King's money because they had so

267

00:12:54,170 --> 00:12:52,019

much extra money uh what happened is the

268

00:12:56,269 --> 00:12:54,180

money in the banking started going into

269

00:12:58,370 --> 00:12:56,279

the hands of the people

270

00:13:00,410 --> 00:12:58,380

and this is part of what the Templar

271

00:13:04,190 --> 00:13:00,420

order was always concerned about was

272

00:13:07,610 --> 00:13:04,200

trying to build uh rights for people and

273

00:13:10,370 --> 00:13:07,620

to give the Common People freedom

274

00:13:11,990 --> 00:13:10,380

uh certain freedoms that they didn't

275

00:13:12,889 --> 00:13:12,000

have before

276

00:13:14,990 --> 00:13:12,899

um

277

00:13:17,509 --> 00:13:15,000

and one way to do this was to try to

278

00:13:19,910 --> 00:13:17,519

control the money and uh

279

00:13:22,490 --> 00:13:19,920

and and so this is why you know the

280

00:13:25,009 --> 00:13:22,500

Templars were involved in in helping to

281

00:13:28,610 --> 00:13:25,019

set up the the Magna Carta for example

282

00:13:31,190 --> 00:13:28,620

which was the first uh rights for the

283

00:13:34,970 --> 00:13:31,200

people the first contract between the

284

00:13:37,610 --> 00:13:34,980

the uh monarchy and the people ensuring

285

00:13:39,530 --> 00:13:37,620

that the people had certain rights and

286

00:13:42,889 --> 00:13:39,540

then later of course the Bill of Rights

287

00:13:46,670 --> 00:13:42,899

within the the forming United States was

288

00:13:48,829 --> 00:13:46,680

also Templars were involved in that yeah

289

00:13:51,590 --> 00:13:48,839

so it's always been a fundamental part

290

00:13:52,670 --> 00:13:51,600

of the Templar tradition and it's also

291

00:13:55,910 --> 00:13:52,680

why

292

00:13:58,490 --> 00:13:55,920

they've been persecuted at times in the

293

00:14:00,949 --> 00:13:58,500

past by The Establishment that didn't

294

00:14:05,569 --> 00:14:00,959

want the people to have those rights

295

00:14:08,329 --> 00:14:05,579

and the second so we had the banking

296

00:14:11,210 --> 00:14:08,339

system and the the second thing that

297

00:14:13,069 --> 00:14:11,220

history so I I guess you're

298

00:14:16,370 --> 00:14:13,079

you're establishing that point number

299

00:14:19,670 --> 00:14:16,380

one is essentially correct

300

00:14:23,150 --> 00:14:19,680

um Point number two was uh the the

301
00:14:25,370 --> 00:14:23,160
owning of land you know the Templars

302
00:14:27,889 --> 00:14:25,380
acquired a lot of a lot of property in

303
00:14:29,329 --> 00:14:27,899
Europe and and that upset quite a few

304
00:14:32,210 --> 00:14:29,339
too as well

305
00:14:34,490 --> 00:14:32,220
yeah for sure they they had uh

306
00:14:36,470 --> 00:14:34,500
uh they you know part of what they were

307
00:14:38,509 --> 00:14:36,480
doing is they had large tracts of land

308
00:14:41,509 --> 00:14:38,519
that were donated that they would Farm

309
00:14:43,610 --> 00:14:41,519
on uh and then they'd take that food and

310
00:14:46,009 --> 00:14:43,620
and provide it to the order and then the

311
00:14:48,530 --> 00:14:46,019
order would also provide it to the poor

312
00:14:50,449 --> 00:14:48,540
uh and um

313
00:14:52,310 --> 00:14:50,459

you know they they the Templar order

314

00:14:55,069 --> 00:14:52,320

quickly became the first kind of

315

00:14:57,590 --> 00:14:55,079

multinational corporation they had sea

316

00:14:58,850 --> 00:14:57,600

captains they had stone masons they were

317

00:15:02,090 --> 00:14:58,860

building

318

00:15:03,710 --> 00:15:02,100

uh Cathedrals and churches and

319

00:15:04,610 --> 00:15:03,720

commandary buildings all throughout

320

00:15:10,189 --> 00:15:04,620

Europe

321

00:15:16,610 --> 00:15:10,199

and they uh there was a lot of

322

00:15:21,530 --> 00:15:16,620

money and goods and uh information that

323

00:15:25,850 --> 00:15:21,540

was being uh transmitted V these via

324

00:15:28,370 --> 00:15:25,860

these Templar channels and that was fine

325

00:15:29,810 --> 00:15:28,380

for the the church and the monarchy as

326

00:15:32,389 --> 00:15:29,820

long as they felt like they were

327

00:15:34,189 --> 00:15:32,399

controlling the Templar order but but

328

00:15:35,769 --> 00:15:34,199

when it became very clear that the

329

00:15:39,610 --> 00:15:35,779

template order

330

00:15:43,250 --> 00:15:39,620

uh existed beyond their control

331

00:15:45,650 --> 00:15:43,260

uh then it became a problem and

332

00:15:47,870 --> 00:15:45,660

particularly the French King Philip the

333

00:15:50,590 --> 00:15:47,880

fair he

334

00:15:53,629 --> 00:15:50,600

he owed the Templar order a lot of money

335

00:15:56,210 --> 00:15:53,639

and he had Ambitions to starting new

336

00:15:58,910 --> 00:15:56,220

Wars and he needed money to do that and

337

00:16:01,790 --> 00:15:58,920

so he thought the best way he could

338

00:16:04,730 --> 00:16:01,800

uh handle that would be to just

339

00:16:05,990 --> 00:16:04,740

wipe the Templar order out and try to

340

00:16:08,810 --> 00:16:06,000

steal their money

341

00:16:10,490 --> 00:16:08,820

so which is what exactly what he tried

342

00:16:11,810 --> 00:16:10,500

to do now he didn't get it all but that

343

00:16:13,490 --> 00:16:11,820

was his attention

344

00:16:17,990 --> 00:16:13,500

now

345

00:16:21,410 --> 00:16:18,000

um the obvious thing that is there

346

00:16:23,689 --> 00:16:21,420

is what happened

347

00:16:26,990 --> 00:16:23,699

to all of the wealth

348

00:16:29,870 --> 00:16:27,000

and and so the tracks of land you can

349

00:16:34,670 --> 00:16:29,880

acquire those all right okay I I get

350

00:16:37,790 --> 00:16:34,680

that but we have everything else and

351

00:16:40,249 --> 00:16:37,800

some have you know we've got you know

352

00:16:45,530 --> 00:16:40,259

the Templar treasure and thing but but

353

00:16:48,290 --> 00:16:45,540

the these uh deposits of gold uh were

354

00:16:51,769 --> 00:16:48,300

probably in chess all across Europe they

355

00:16:53,749 --> 00:16:51,779

weren't in one specific location right

356

00:16:55,490 --> 00:16:53,759

correct yeah they were they were

357

00:16:58,430 --> 00:16:55,500

definitely spread out

358

00:17:02,749 --> 00:16:58,440

uh some of it was some of it was

359

00:17:06,289 --> 00:17:02,759

captured by the Roman Church and uh the

360

00:17:08,090 --> 00:17:06,299

French government uh but and some of it

361

00:17:10,549 --> 00:17:08,100

was turned over to the knights

362

00:17:11,870 --> 00:17:10,559

hospitalier which was a kind of a rival

363

00:17:15,110 --> 00:17:11,880

order

364

00:17:18,470 --> 00:17:15,120
of the Templars at the time uh the

365

00:17:21,829 --> 00:17:18,480
knights Hospitality later became

366

00:17:24,710 --> 00:17:21,839
known as the Knights of Malta

367

00:17:27,230 --> 00:17:24,720
um and so they acquired a bunch of that

368

00:17:32,150 --> 00:17:27,240
property and a bunch of that wealth but

369

00:17:34,010 --> 00:17:32,160
some of it did disappear and was taken

370

00:17:37,130 --> 00:17:34,020
out of the country

371

00:17:39,470 --> 00:17:37,140
and uh

372

00:17:40,549 --> 00:17:39,480
by some accounts some of it went to

373

00:17:45,650 --> 00:17:40,559
Portugal

374

00:17:47,930 --> 00:17:45,660
to help fund uh the the the new the

375

00:17:50,510 --> 00:17:47,940
newly growing Portuguese Portuguese

376

00:17:52,190 --> 00:17:50,520

government which was becoming a Templar

377

00:17:54,409 --> 00:17:52,200

State at the time

378

00:17:56,810 --> 00:17:54,419

and then some of it was also moved

379

00:17:59,390 --> 00:17:56,820

overseas to the Americas with the hope

380

00:18:02,510 --> 00:17:59,400

of setting up uh what they believed

381

00:18:04,789 --> 00:18:02,520

would be a New Jerusalem a new a new

382

00:18:07,549 --> 00:18:04,799

territory where people could have these

383

00:18:10,070 --> 00:18:07,559

freedoms and it became very clear that

384

00:18:11,630 --> 00:18:10,080

that was almost impossible in Europe at

385

00:18:13,870 --> 00:18:11,640

the time because of the political

386

00:18:16,250 --> 00:18:13,880

climate but

387

00:18:19,370 --> 00:18:16,260

but they figured they probably could get

388

00:18:21,830 --> 00:18:19,380

over get away with it over in in across

389

00:18:24,110 --> 00:18:21,840

the ocean so that's part of what

390

00:18:26,810 --> 00:18:24,120

happened now that's something that uh

391

00:18:29,210 --> 00:18:26,820

Scott Walters you know uh you know our

392

00:18:30,830 --> 00:18:29,220

good friend mutual friend uh talks about

393

00:18:34,190 --> 00:18:30,840

quite a bit is that what you're

394

00:18:36,710 --> 00:18:34,200

referring to yeah I am referring to that

395

00:18:39,890 --> 00:18:36,720

um yeah I mean there were several trips

396

00:18:41,930 --> 00:18:39,900

coming over to the new world uh the

397

00:18:44,630 --> 00:18:41,940

Templar order was

398

00:18:46,730 --> 00:18:44,640

had been exploring the new world for

399

00:18:50,690 --> 00:18:46,740

centuries before Columbus

400

00:18:53,210 --> 00:18:50,700

uh had mapped all of North America had

401
00:18:56,330 --> 00:18:53,220
gone as far down as Panama

402
00:18:57,289 --> 00:18:56,340
uh and had established relations with

403
00:18:59,990 --> 00:18:57,299
different

404
00:19:01,730 --> 00:19:00,000
tribal cultures

405
00:19:04,789 --> 00:19:01,740
um within the Americas

406
00:19:07,190 --> 00:19:04,799
and really yeah that's where Scott came

407
00:19:09,350 --> 00:19:07,200
in with his research was his study of

408
00:19:12,169 --> 00:19:09,360
the Kensington runestone which of course

409
00:19:14,590 --> 00:19:12,179
was a was a laying claim that was was

410
00:19:18,049 --> 00:19:14,600
put right in the center of North America

411
00:19:19,789 --> 00:19:18,059
uh in the attempt to claim this

412
00:19:21,710 --> 00:19:19,799
territory for

413
00:19:25,370 --> 00:19:21,720

the Templars who were already coming

414

00:19:27,650 --> 00:19:25,380

over here now did you just say uh so the

415

00:19:31,250 --> 00:19:27,660

Knights Templar were in Panama before

416

00:19:33,529 --> 00:19:31,260

Balboa oh yeah for sure in fact uh

417

00:19:36,529 --> 00:19:33,539

there's a whole tribe down there notice

418

00:19:38,090 --> 00:19:36,539

the White Indians of Darien and they

419

00:19:40,730 --> 00:19:38,100

were Persei like they were literally

420

00:19:43,010 --> 00:19:40,740

persecuted by the other tribes because

421

00:19:45,830 --> 00:19:43,020

they

422

00:19:48,289 --> 00:19:45,840

um because the when the Spanish went in

423

00:19:50,570 --> 00:19:48,299

there you know they encountered this

424

00:19:53,930 --> 00:19:50,580

tribe of a bunch of white looking

425

00:19:59,710 --> 00:19:53,940

Indians they had pale skin they had blue

426
00:20:04,070 --> 00:19:59,720
eyes and uh they were they were clearly

427
00:20:05,930 --> 00:20:04,080
uh Native but they also were working

428
00:20:08,090 --> 00:20:05,940
with uh

429
00:20:10,669 --> 00:20:08,100
you know there were they were they were

430
00:20:13,370 --> 00:20:10,679
Native but they were also had these

431
00:20:17,150 --> 00:20:13,380
European features so

432
00:20:20,029 --> 00:20:17,160
um it was a threat to the Spanish uh

433
00:20:21,830 --> 00:20:20,039
because it is it suggested that there

434
00:20:24,289 --> 00:20:21,840
was some other Europeans that had been

435
00:20:27,289 --> 00:20:24,299
there before them and so they tried to

436
00:20:31,310 --> 00:20:27,299
wipe them out and so in and then other

437
00:20:32,930 --> 00:20:31,320
tribes in the region in order to not

438
00:20:35,029 --> 00:20:32,940

um

439

00:20:37,789 --> 00:20:35,039

you know they didn't want to be

440

00:20:39,890 --> 00:20:37,799

seen as being sympathetic to this other

441

00:20:42,169 --> 00:20:39,900

tribe because that would mean that the

442

00:20:44,390 --> 00:20:42,179

Spanish would go after them too so then

443

00:20:46,310 --> 00:20:44,400

they they kind of ostracized them too

444

00:20:50,630 --> 00:20:46,320

for for a while but you can look up

445

00:20:51,470 --> 00:20:50,640

photos uh of these these Indians

446

00:20:52,909 --> 00:20:51,480

um

447

00:20:54,710 --> 00:20:52,919

you know you can find them on the

448

00:20:57,169 --> 00:20:54,720

Internet just look up White Indians of

449

00:20:59,150 --> 00:20:57,179

Darien and you'll find them yeah I'm

450

00:21:03,470 --> 00:20:59,160

gonna check that out I lived in Panama

451
00:21:06,350 --> 00:21:03,480
for a few years and one thing I mean

452
00:21:09,110 --> 00:21:06,360
panamanians right okay so you just have

453
00:21:11,990 --> 00:21:09,120
that right the national Panamanian but

454
00:21:13,250 --> 00:21:12,000
what is a Panamanian because when you're

455
00:21:16,870 --> 00:21:13,260
there

456
00:21:21,070 --> 00:21:16,880
you see the different slices of society

457
00:21:25,190 --> 00:21:21,080
you really do you I mean you have

458
00:21:27,230 --> 00:21:25,200
uh tribes from the Interior right that

459
00:21:29,450 --> 00:21:27,240
that come into Panama City selling their

460
00:21:32,870 --> 00:21:29,460
goods and doing their thing totally

461
00:21:34,490 --> 00:21:32,880
different vibe Mayan Vibe I would

462
00:21:37,190 --> 00:21:34,500
suggest that's what I was told when I

463
00:21:40,810 --> 00:21:37,200

was there but but yeah you're absolutely

464

00:21:43,130 --> 00:21:40,820

right they different

465

00:21:46,130 --> 00:21:43,140

panamanians don't just all look the same

466

00:21:48,049 --> 00:21:46,140

you know there's there's a mix of things

467

00:21:50,930 --> 00:21:48,059

going on there

468

00:21:53,330 --> 00:21:50,940

um some of it modern but the the deep

469

00:21:56,990 --> 00:21:53,340

panamanians that that were there before

470

00:22:00,049 --> 00:21:57,000

us no the the completely completely

471

00:22:02,029 --> 00:22:00,059

different looking and uh I I really

472

00:22:04,789 --> 00:22:02,039

wondered about that not now I understand

473

00:22:06,890 --> 00:22:04,799

more right right yeah they were I mean

474

00:22:09,110 --> 00:22:06,900

there were there were Templars who as

475

00:22:11,450 --> 00:22:09,120

they yes they came over here you know

476
00:22:13,909 --> 00:22:11,460
some of them just stayed here and they

477
00:22:17,210 --> 00:22:13,919
they they married some of the local

478
00:22:18,049 --> 00:22:17,220
indigenous people and they you know set

479
00:22:21,350 --> 00:22:18,059
up

480
00:22:22,250 --> 00:22:21,360
uh territories and uh you know you find

481
00:22:25,130 --> 00:22:22,260
that

482
00:22:27,830 --> 00:22:25,140
uh both all the way down at Panama as

483
00:22:31,370 --> 00:22:27,840
well as up north in areas of like Nova

484
00:22:33,470 --> 00:22:31,380
Scotia uh with the mikma for example

485
00:22:35,570 --> 00:22:33,480
um in fact you look at the mikma flag

486
00:22:38,810 --> 00:22:35,580
it's the same as the Templar Battle Flag

487
00:22:41,510 --> 00:22:38,820
I mean it's it's identical so it's

488
00:22:43,490 --> 00:22:41,520

there is uh is there's a reason for that

489

00:22:45,289 --> 00:22:43,500

it's because of those early associations

490

00:22:46,730 --> 00:22:45,299

and what about

491

00:22:48,289 --> 00:22:46,740

um okay well right now we're talking

492

00:22:51,350 --> 00:22:48,299

about North America we're going to jump

493

00:22:55,130 --> 00:22:51,360

back into deep history uh Tim is on his

494

00:22:57,110 --> 00:22:55,140

way to Egypt uh on Wednesday

495

00:23:00,289 --> 00:22:57,120

um I'm fully jealous I'm heading back in

496

00:23:02,570 --> 00:23:00,299

October uh and I cannot why it feels

497

00:23:05,090 --> 00:23:02,580

like I just you know got back I was

498

00:23:06,830 --> 00:23:05,100

there in October going fast in your

499

00:23:09,409 --> 00:23:06,840

blood you just you want to go back right

500

00:23:11,450 --> 00:23:09,419

and man man how many times have you been

501
00:23:13,029 --> 00:23:11,460
to Egypt oh I've been there about five

502
00:23:15,770 --> 00:23:13,039
times now

503
00:23:17,810 --> 00:23:15,780
it never gets old does it never gets old

504
00:23:19,610 --> 00:23:17,820
yeah every time I go it's I see

505
00:23:22,430 --> 00:23:19,620
something new and it's like oh my

506
00:23:25,310 --> 00:23:22,440
goodness yeah now uh you brought up the

507
00:23:28,370 --> 00:23:25,320
dollar bill now uh I want to talk about

508
00:23:30,289 --> 00:23:28,380
that aspect wow that's specifically the

509
00:23:33,950 --> 00:23:30,299
dollar bill but there is a pyramid on

510
00:23:38,450 --> 00:23:33,960
the dollar bill sure yeah and you look

511
00:23:41,750 --> 00:23:38,460
at my I've always wondered when we talk

512
00:23:45,049 --> 00:23:41,760
about the Knights Templar and the

513
00:23:48,070 --> 00:23:45,059

Freemasons yep you know so the Knights

514

00:23:51,830 --> 00:23:48,080

Templar are in Jerusalem

515

00:23:55,490 --> 00:23:51,840

cairo's a couple of miles away yeah

516

00:23:58,430 --> 00:23:55,500

yeah in fact Jerusalem's closer to Giza

517

00:24:00,289 --> 00:23:58,440

then as one is to Giza which is where

518

00:24:05,330 --> 00:24:00,299

the the main quarries were that they got

519

00:24:09,710 --> 00:24:05,340

everything so yeah very close so did the

520

00:24:11,330 --> 00:24:09,720

Freemasons visit gisa uh and Cairo when

521

00:24:13,370 --> 00:24:11,340

they were in Jerusalem

522

00:24:16,310 --> 00:24:13,380

yeah I mean there were there uh there

523

00:24:18,409 --> 00:24:16,320

has been a history for

524

00:24:21,730 --> 00:24:18,419

um you know centuries of of these

525

00:24:24,169 --> 00:24:21,740

associations I mean the Templars

526
00:24:26,510 --> 00:24:24,179
were uh

527
00:24:28,610 --> 00:24:26,520
uh they first went down there you know

528
00:24:33,770 --> 00:24:28,620
clear back and the

529
00:24:37,610 --> 00:24:33,780
the late 1100s early 1200s and they went

530
00:24:38,770 --> 00:24:37,620
to the area of Giza

531
00:24:42,289 --> 00:24:38,780
um

532
00:24:45,409 --> 00:24:42,299
it should be mentioned that the the area

533
00:24:46,669 --> 00:24:45,419
of Giza the ancient name for it was Ross

534
00:24:50,570 --> 00:24:46,679
Tau

535
00:24:53,090 --> 00:24:50,580
and Ross and if you if you start getting

536
00:24:56,630 --> 00:24:53,100
into the Greek language Ross also means

537
00:24:59,330 --> 00:24:56,640
Rose and Tau means cross

538
00:25:02,570 --> 00:24:59,340

so so the ancient name for Giza of

539

00:25:06,289 --> 00:25:02,580

rostow actually means Rose cross

540

00:25:09,470 --> 00:25:06,299

and this this became one of the um

541

00:25:11,630 --> 00:25:09,480

the secrets behind what was later to

542

00:25:14,510 --> 00:25:11,640

become known as the rosicrucian movement

543

00:25:17,330 --> 00:25:14,520

right which which had a lot of influence

544

00:25:19,730 --> 00:25:17,340

on on Freemasonry and in other

545

00:25:22,070 --> 00:25:19,740

Traditions but but that whole movement

546

00:25:24,590 --> 00:25:22,080

was started by Templars

547

00:25:27,590 --> 00:25:24,600

uh so tumbler were going down into

548

00:25:31,850 --> 00:25:27,600

Egypt they had a commandery in places

549

00:25:34,190 --> 00:25:31,860

like um file in fact there's still

550

00:25:38,049 --> 00:25:34,200

Templar crosses all over the the Temple

551
00:25:40,970 --> 00:25:38,059
of Isis there uh some misinformed

552
00:25:43,370 --> 00:25:40,980
Egyptian guides today will say oh well

553
00:25:45,470 --> 00:25:43,380
these are just from from cops in the

554
00:25:47,990 --> 00:25:45,480
region the Coptic Church in the region

555
00:25:51,470 --> 00:25:48,000
leaving their marks but it was actually

556
00:25:55,190 --> 00:25:51,480
a um the Templars had a commandery there

557
00:25:58,970 --> 00:25:55,200
at filet and that's where they

558
00:26:03,289 --> 00:25:58,980
they operated out of a fact that the the

559
00:26:05,690 --> 00:26:03,299
Temple of Isis the uh the um

560
00:26:09,470 --> 00:26:05,700
the the the symbol of here I'm holding

561
00:26:13,190 --> 00:26:09,480
it of of Isis holding the baby horse

562
00:26:15,529 --> 00:26:13,200
that later became the that ended up

563
00:26:18,049 --> 00:26:15,539

being what the what the Templars then

564

00:26:20,090 --> 00:26:18,059
created as the black Madonna

565

00:26:21,950 --> 00:26:20,100
that was put inside all of the

566

00:26:24,049 --> 00:26:21,960
cathedrals that they were building so

567

00:26:25,130 --> 00:26:24,059
they just took that from the Temple of

568

00:26:27,470 --> 00:26:25,140
Isis

569

00:26:29,570 --> 00:26:27,480
in filet and they brought it over into

570

00:26:30,470 --> 00:26:29,580
Europe and started

571

00:26:32,269 --> 00:26:30,480
um

572

00:26:34,909 --> 00:26:32,279
you know propping it up as these black

573

00:26:37,010 --> 00:26:34,919
Madonnas but so they were there they

574

00:26:40,430 --> 00:26:37,020
were also at dundera

575

00:26:42,470 --> 00:26:40,440
in fact you can find Templar graffiti at

576

00:26:43,690 --> 00:26:42,480

dundera they had a little perceptury

577

00:26:52,669 --> 00:26:43,700

there

578

00:26:54,529 --> 00:26:52,679

has been uh Templars and movements that

579

00:27:00,610 --> 00:26:54,539

came out of the Templars who have made

580

00:27:05,269 --> 00:27:00,620

Regular pilgrimages down to Egypt and uh

581

00:27:07,250 --> 00:27:05,279

I'm going to show uh really quick while

582

00:27:09,710 --> 00:27:07,260

you're talking about this I I could have

583

00:27:13,610 --> 00:27:09,720

been faster on the draw but uh you

584

00:27:17,990 --> 00:27:13,620

caught me by surprise but here is uh the

585

00:27:19,510 --> 00:27:18,000

Temple of Isis uh which is

586

00:27:22,250 --> 00:27:19,520

um

587

00:27:24,950 --> 00:27:22,260

uh okay here it is here

588

00:27:26,690 --> 00:27:24,960

um this is me going past it and it's on

589

00:27:30,310 --> 00:27:26,700

an island right in the middle of the

590

00:27:33,230 --> 00:27:30,320

Nile beautiful it is it is

591

00:27:35,269 --> 00:27:33,240

extraordinarily great

592

00:27:38,450 --> 00:27:35,279

um and and beautiful I had a very

593

00:27:42,830 --> 00:27:38,460

spiritual experience there

594

00:27:44,810 --> 00:27:42,840

um but so the at its original location

595

00:27:46,909 --> 00:27:44,820

you're you're suggesting that the

596

00:27:50,149 --> 00:27:46,919

Knights Templar uh visited this Temple

597

00:27:53,149 --> 00:27:50,159

yes and in fact uh if you when you go

598

00:27:55,789 --> 00:27:53,159

into that Temple you'll find Templar

599

00:27:59,450 --> 00:27:55,799

crosses carved all over the place even

600

00:28:03,169 --> 00:27:59,460

to this modern day and it's because

601
00:28:05,149 --> 00:28:03,179
it was used as a commander for a time

602
00:28:08,269 --> 00:28:05,159
um

603
00:28:11,390 --> 00:28:08,279
yeah clear back in the 1200s

604
00:28:13,370 --> 00:28:11,400
um I have a bunch of interior uh shots

605
00:28:15,110 --> 00:28:13,380
of this too as well I've got thousands

606
00:28:17,510 --> 00:28:15,120
of uh pictures yeah pull some of those

607
00:28:19,610 --> 00:28:17,520
up you'll see the crosses yeah are they

608
00:28:22,130 --> 00:28:19,620
on the columns oh they're all over the

609
00:28:25,549 --> 00:28:22,140
place you'll see them on literally on

610
00:28:27,470 --> 00:28:25,559
the faces of some of the Gods I mean

611
00:28:29,690 --> 00:28:27,480
you know sadly you know some of it was

612
00:28:32,930 --> 00:28:29,700
to Faith there's altars in there that

613
00:28:34,730 --> 00:28:32,940

have the the Templar cross on them and

614

00:28:38,990 --> 00:28:34,740

yeah they're all over the place in there

615

00:28:40,610 --> 00:28:39,000

now uh so let's go back one more step

616

00:28:44,990 --> 00:28:40,620

yeah

617

00:28:49,549 --> 00:28:45,000

um to the Freemasons and it were the

618

00:28:52,909 --> 00:28:49,559

the depiction of say the uh

619

00:28:55,130 --> 00:28:52,919

uh the pyramid on the dollar bill and

620

00:28:57,169 --> 00:28:55,140

and pulling back further than that I'm

621

00:28:58,909 --> 00:28:57,179

getting a slight Echo if you could turn

622

00:29:00,830 --> 00:28:58,919

your speakers down

623

00:29:03,049 --> 00:29:00,840

um in the studio it's picking up in your

624

00:29:04,850 --> 00:29:03,059

microphone

625

00:29:06,070 --> 00:29:04,860

um the

626

00:29:09,409 --> 00:29:06,080

uh

627

00:29:12,529 --> 00:29:09,419

were the Freemasons established that far

628

00:29:15,110 --> 00:29:12,539

back uh the traditions of Freemasonry

629

00:29:15,970 --> 00:29:15,120

can they be traced back to five thousand

630

00:29:17,950 --> 00:29:15,980

years

631

00:29:22,250 --> 00:29:17,960

well

632

00:29:24,169 --> 00:29:22,260

not really I mean if if we're for being

633

00:29:24,950 --> 00:29:24,179

honest about it

634

00:29:27,549 --> 00:29:24,960

um

635

00:29:30,230 --> 00:29:27,559

you know that there have always been

636

00:29:32,269 --> 00:29:30,240

building groups

637

00:29:35,510 --> 00:29:32,279

uh of

638

00:29:38,630 --> 00:29:35,520

of of people building civilization going

639

00:29:42,649 --> 00:29:38,640

all the way back to uh pharaoh to Moses

640

00:29:45,649 --> 00:29:42,659

Ill of Egypt in fact if you go to uh

641

00:29:48,169 --> 00:29:45,659

at Luxor they have a museum for the

642

00:29:50,269 --> 00:29:48,179

Pharaoh toopmosis the third and they all

643

00:29:52,669 --> 00:29:50,279

have they have all of his

644

00:29:55,250 --> 00:29:52,679

working tools which are Masonic working

645

00:29:58,669 --> 00:29:55,260

tools that he used and they include like

646

00:30:02,029 --> 00:29:58,679

a square and a compasses and a plum and

647

00:30:03,590 --> 00:30:02,039

and these were all considered uh like

648

00:30:07,909 --> 00:30:03,600

sacred

649

00:30:11,210 --> 00:30:07,919

uh instruments that the uh

650

00:30:15,110 --> 00:30:11,220

that the his priests would use and that

651

00:30:19,070 --> 00:30:15,120

his Builders would use so this was

652

00:30:26,029 --> 00:30:21,710

something that you can trace back that

653

00:30:28,850 --> 00:30:26,039

far uh as a as a modern organization

654

00:30:31,789 --> 00:30:28,860

uh you know Freemasonry the earliest

655

00:30:37,370 --> 00:30:31,799

records of Freemasonry really go back to

656

00:30:40,690 --> 00:30:37,380

around uh 1598 1599 with a

657

00:30:45,710 --> 00:30:40,700

with a document called The Shaw statutes

658

00:30:48,769 --> 00:30:45,720

that was drafted up under King James

659

00:30:51,230 --> 00:30:48,779

um and uh and some would even take it

660

00:30:53,750 --> 00:30:51,240

back further to a

661

00:30:56,750 --> 00:30:53,760

um a document known as the Regis poem

662

00:30:59,990 --> 00:30:56,760

which which by some accounts goes back

663

00:31:02,690 --> 00:31:00,000

to the late 1300s which talks about

664

00:31:04,970 --> 00:31:02,700

Masons coming into England

665

00:31:08,450 --> 00:31:04,980

but

666

00:31:11,450 --> 00:31:08,460

uh we what we can definitely say is that

667

00:31:14,570 --> 00:31:11,460

within the Templar order there was

668

00:31:18,049 --> 00:31:14,580

a whole

669

00:31:20,870 --> 00:31:18,059

um they had operative masons in fact

670

00:31:23,470 --> 00:31:20,880

according to the Templar rule the only

671

00:31:26,510 --> 00:31:23,480

people that were allowed to wear gloves

672

00:31:27,710 --> 00:31:26,520

within the Templar order were the

673

00:31:31,370 --> 00:31:27,720

priests

674

00:31:33,409 --> 00:31:31,380

and the stonemasons uh they are allowed

675

00:31:35,990 --> 00:31:33,419

to wear these white leather gloves and

676

00:31:41,149 --> 00:31:36,000

and it was because of the work that they

677

00:31:46,430 --> 00:31:43,510

um they each had special

678

00:31:48,889 --> 00:31:46,440

UH responsibilities that they had to do

679

00:31:51,950 --> 00:31:48,899

but it but it suggests you know the the

680

00:31:53,269 --> 00:31:51,960

Templars were these Templar stonemasons

681

00:31:54,830 --> 00:31:53,279

they're the ones who built the

682

00:31:57,850 --> 00:31:54,840

cathedrals of

683

00:32:00,950 --> 00:31:57,860

of France and Germany for example

684

00:32:02,990 --> 00:32:00,960

and those Traditions

685

00:32:04,789 --> 00:32:03,000

um I would argue

686

00:32:07,190 --> 00:32:04,799

um had their foundations right there

687

00:32:10,070 --> 00:32:07,200

with the construction of the temples in

688

00:32:12,049 --> 00:32:10,080

Egypt for sure yeah they mirrored them I

689

00:32:14,090 --> 00:32:12,059

mean they were built the same the same

690

00:32:16,909 --> 00:32:14,100

idea behind them where they were meant

691

00:32:20,090 --> 00:32:16,919

to be human bodies and Stone

692

00:32:22,970 --> 00:32:20,100

uh in fact that the temple you go to one

693

00:32:27,490 --> 00:32:22,980

of these temples in Egypt they're set up

694

00:32:30,590 --> 00:32:27,500

like a giant human being where the the

695

00:32:34,430 --> 00:32:30,600

sanctuary of the temple is actually

696

00:32:36,889 --> 00:32:34,440

literally between the temples right the

697

00:32:39,230 --> 00:32:36,899

reason we would call it temples the

698

00:32:41,389 --> 00:32:39,240

Temple of the head you know so that's

699

00:32:44,450 --> 00:32:41,399

where the that's where the sanctuary was

700

00:32:47,269 --> 00:32:44,460

in these Egyptian temples and they did

701
00:32:49,370 --> 00:32:47,279
the same thing with the with the

702
00:32:53,810 --> 00:32:49,380
cathedrals themselves I mean so they're

703
00:32:57,529 --> 00:32:53,820
set up to be like a human body in stone

704
00:33:00,169 --> 00:32:57,539
yeah well you look at any of the not any

705
00:33:03,230 --> 00:33:00,179
but most of the temples in Egypt you

706
00:33:04,610 --> 00:33:03,240
look at them with an aerial view and you

707
00:33:06,889 --> 00:33:04,620
can see it I mean you can see the

708
00:33:09,110 --> 00:33:06,899
anatomy of a human it's completely laid

709
00:33:11,289 --> 00:33:09,120
out the feet uh you know the legs

710
00:33:15,649 --> 00:33:11,299
leading into the temple the body that

711
00:33:20,389 --> 00:33:15,659
torso all the way to the back which is

712
00:33:24,409 --> 00:33:20,399
the head which is the main Temple area

713
00:33:30,590 --> 00:33:24,419

um now okay but this is this is the

714

00:33:36,350 --> 00:33:30,600

thing we see Egyptian symbology

715

00:33:39,769 --> 00:33:36,360

not at all but most uh Templar and and

716

00:33:42,230 --> 00:33:39,779

Freemason modern buildings

717

00:33:46,009 --> 00:33:42,240

um is that out of respect and tradition

718

00:33:51,710 --> 00:33:48,950

uh it's definitely out of respect of the

719

00:33:54,490 --> 00:33:51,720

tradition in recognizing The Roots uh I

720

00:33:58,130 --> 00:33:54,500

will say from a Templar perspective in

721

00:34:00,289 --> 00:33:58,140

Freemasonry I could argue came out of

722

00:34:01,610 --> 00:34:00,299

templarism

723

00:34:04,310 --> 00:34:01,620

um

724

00:34:08,570 --> 00:34:04,320

you know the Templars venerated it

725

00:34:12,109 --> 00:34:08,580

because they really saw Egypt as

726

00:34:13,609 --> 00:34:12,119

The Rebirth of civilization After the

727

00:34:15,829 --> 00:34:13,619

flood

728

00:34:18,050 --> 00:34:15,839

so they believed that if you looked at

729

00:34:20,329 --> 00:34:18,060

the Greek tax if you looked at the Torah

730

00:34:22,909 --> 00:34:20,339

if you looked at the flood myths of all

731

00:34:25,310 --> 00:34:22,919

these cultures around the world that

732

00:34:28,609 --> 00:34:25,320

there had been a previous High

733

00:34:31,250 --> 00:34:28,619

civilization and then when it collapsed

734

00:34:33,530 --> 00:34:31,260

when it fell apart and this is where we

735

00:34:35,030 --> 00:34:33,540

start getting into younger driest talk

736

00:34:39,770 --> 00:34:35,040

and all of that

737

00:34:43,010 --> 00:34:39,780

uh it it reset itself up in Egypt and so

738

00:34:47,869 --> 00:34:43,020

Egypt became one of the main

739

00:34:49,970 --> 00:34:47,879

uh custodians of this tradition and part

740

00:34:53,030 --> 00:34:49,980

of what the Templar order was set up to

741

00:34:56,089 --> 00:34:53,040

do was to go out and find the different

742

00:34:57,710 --> 00:34:56,099

areas of preservation from this Lost

743

00:35:00,829 --> 00:34:57,720

Civilization

744

00:35:04,070 --> 00:35:00,839

and so because Egypt was like the center

745

00:35:06,050 --> 00:35:04,080

of that it became fundamental to what

746

00:35:08,750 --> 00:35:06,060

the Templar work was about

747

00:35:11,630 --> 00:35:08,760

and it continues to be venerated to this

748

00:35:14,770 --> 00:35:11,640

day and and and it should be pointed out

749

00:35:18,650 --> 00:35:14,780

that that the organizations like

750

00:35:22,089 --> 00:35:18,660

Freemasonry uh Templars rosicrucian and

751
00:35:26,569 --> 00:35:22,099
others they're structured in such a way

752
00:35:29,329 --> 00:35:26,579
that should civilization collapse again

753
00:35:31,550 --> 00:35:29,339
should it should it happen again like

754
00:35:33,470 --> 00:35:31,560
tomorrow we wake up and there's a

755
00:35:35,630 --> 00:35:33,480
massive solar flare that wipes out

756
00:35:38,470 --> 00:35:35,640
everything

757
00:35:44,930 --> 00:35:41,810
these organizations are set up so that

758
00:35:48,230 --> 00:35:44,940
each individual member has had to study

759
00:35:50,270 --> 00:35:48,240
and memorize certain keys to rebuild

760
00:35:53,329 --> 00:35:50,280
civilization again

761
00:35:55,130 --> 00:35:53,339
to set up government again to set up all

762
00:35:58,190 --> 00:35:55,140
the things that we take for granted now

763
00:36:00,650 --> 00:35:58,200

uh these are these are are fundamental

764

00:36:03,170 --> 00:36:00,660

to the teachings all the Arts and

765

00:36:06,710 --> 00:36:03,180

Sciences everything that we need to

766

00:36:10,790 --> 00:36:06,720

build civilization uh each member is

767

00:36:12,470 --> 00:36:10,800

instilled with and entrusted with so

768

00:36:15,430 --> 00:36:12,480

that should it happen again we can

769

00:36:17,690 --> 00:36:15,440

rebuild civilization even cell phones

770

00:36:19,430 --> 00:36:17,700

well we don't know that we wouldn't

771

00:36:20,870 --> 00:36:19,440

necessarily know the technology at that

772

00:36:23,390 --> 00:36:20,880

point but we could get to it we could

773

00:36:25,069 --> 00:36:23,400

provide the foundational you know things

774

00:36:27,650 --> 00:36:25,079

that would be needed to get there again

775

00:36:30,250 --> 00:36:27,660

yeah you're a smart guy

776

00:36:34,010 --> 00:36:30,260

right you're a smart guy you're smart

777

00:36:36,069 --> 00:36:34,020

you know I'm pretty smart too right but

778

00:36:40,130 --> 00:36:36,079

if something happened

779

00:36:41,569 --> 00:36:40,140

and we lost that technology but you and

780

00:36:45,829 --> 00:36:41,579

I

781

00:36:49,390 --> 00:36:45,839

had the resources right all of the the

782

00:36:52,130 --> 00:36:49,400

natural things to build this and

783

00:36:56,870 --> 00:36:52,140

there there's no iPhone happening

784

00:36:59,870 --> 00:36:56,880

anytime soon no no I mean it you know it

785

00:37:01,310 --> 00:36:59,880

could be argued that uh

786

00:37:03,290 --> 00:37:01,320

you know some would argue that

787

00:37:05,690 --> 00:37:03,300

Civilization may have been just as

788

00:37:09,349 --> 00:37:05,700

advanced as we are right now

789

00:37:12,230 --> 00:37:09,359

before it got wiped out before

790

00:37:15,349 --> 00:37:12,240

and it's taken us thirteen thousand

791

00:37:18,829 --> 00:37:15,359

years to get back to this point so

792

00:37:21,829 --> 00:37:18,839

yes it's not a fast process it it's

793

00:37:24,650 --> 00:37:21,839

not and it's a daunting thought and I'm

794

00:37:28,150 --> 00:37:24,660

not in any way trying to be grim

795

00:37:31,609 --> 00:37:28,160

I am merely suggesting that if we lost

796

00:37:34,450 --> 00:37:31,619

any leg right anything that supports

797

00:37:38,270 --> 00:37:34,460

technology today and we lose any of that

798

00:37:41,150 --> 00:37:38,280

it's Foofa man right it would it would

799

00:37:42,829 --> 00:37:41,160

be forever devastating yeah I mean they

800

00:37:45,109 --> 00:37:42,839

estimate that

801
00:37:46,609 --> 00:37:45,119
if the power grid just the power grid

802
00:37:49,670 --> 00:37:46,619
went off

803
00:37:53,230 --> 00:37:49,680
uh around the world you know for getting

804
00:37:56,930 --> 00:37:53,240
from a solar flare or something uh

805
00:38:00,370 --> 00:37:56,940
85 percent of humanity would die within

806
00:38:07,670 --> 00:38:03,230
it's back to my opening question yeah

807
00:38:10,910 --> 00:38:07,680
right the the the the fascination with

808
00:38:14,089 --> 00:38:10,920
the end of the world and it is something

809
00:38:17,150 --> 00:38:14,099
that when we look at the different

810
00:38:20,329 --> 00:38:17,160
uh religious texts uh the different

811
00:38:22,670 --> 00:38:20,339
religious organizations uh you know how

812
00:38:26,089 --> 00:38:22,680
many times has the end of the world been

813
00:38:28,130 --> 00:38:26,099

predicted right yeah um and then you and

814

00:38:29,690 --> 00:38:28,140

then you go outside of the religious

815

00:38:32,589 --> 00:38:29,700

side of it and you have the Doomsday

816

00:38:36,050 --> 00:38:32,599

cults and you have and and

817

00:38:39,770 --> 00:38:36,060

forget about Hollywood you know but it's

818

00:38:43,550 --> 00:38:39,780

always been right there and I think that

819

00:38:45,530 --> 00:38:43,560

in in deep down we know

820

00:38:49,370 --> 00:38:45,540

that we're always teetering on the edge

821

00:38:51,710 --> 00:38:49,380

Mother Nature that rules this thing you

822

00:38:54,050 --> 00:38:51,720

know if Mother Nature changes her mind

823

00:38:56,210 --> 00:38:54,060

whether it comes from space or from

824

00:38:57,650 --> 00:38:56,220

inside the Earth

825

00:39:00,230 --> 00:38:57,660

um it could have devastating effects

826

00:39:02,569 --> 00:39:00,240

very quickly overnight well I'll tell

827

00:39:05,750 --> 00:39:02,579

you there's uh if if

828

00:39:08,450 --> 00:39:05,760

civilization were to collapse tomorrow

829

00:39:11,150 --> 00:39:08,460

there is very little that we have built

830

00:39:13,550 --> 00:39:11,160

that would survive you know even a

831

00:39:16,550 --> 00:39:13,560

hundred years all our skyscrapers

832

00:39:20,089 --> 00:39:16,560

everything else would rest and and fall

833

00:39:21,050 --> 00:39:20,099

down uh within a thousand years it would

834

00:39:23,630 --> 00:39:21,060

be a

835

00:39:25,370 --> 00:39:23,640

it would be like a legend that they ever

836

00:39:27,530 --> 00:39:25,380

existed I mean the only thing that would

837

00:39:30,470 --> 00:39:27,540

still be standing would be the Great

838

00:39:32,930 --> 00:39:30,480

Pyramid you know that was built before

839

00:39:34,670 --> 00:39:32,940

you know and still be there I mean which

840

00:39:35,990 --> 00:39:34,680

is an incredible

841

00:39:41,569 --> 00:39:36,000

you know

842

00:39:46,510 --> 00:39:41,579

it's it's really quite something so yeah

843

00:39:46,520 --> 00:39:52,730

the golden arches the temple right no

844

00:39:59,750 --> 00:39:57,829

um and but but that says a lot well also

845

00:40:03,410 --> 00:39:59,760

um I'm gonna go to something more modern

846

00:40:05,390 --> 00:40:03,420

and it blows my mind the largest obelisk

847

00:40:08,089 --> 00:40:05,400

in the world is in Washington DC it's

848

00:40:11,150 --> 00:40:08,099

the Washington Monument

849

00:40:15,290 --> 00:40:11,160

um uh shaped like an obelisk but built

850

00:40:17,230 --> 00:40:15,300

of blocks without concrete yes 555 feet

851
00:40:24,290 --> 00:40:17,240
high

852
00:40:26,329 --> 00:40:24,300
because

853
00:40:28,730 --> 00:40:26,339
get ready for this is we're going to get

854
00:40:29,569 --> 00:40:28,740
some esoteric here

855
00:40:31,510 --> 00:40:29,579
um

856
00:40:34,069 --> 00:40:31,520
so

857
00:40:39,010 --> 00:40:34,079
in traditional

858
00:40:43,310 --> 00:40:39,020
flood Legends it was Enoch who

859
00:40:45,349 --> 00:40:43,320
discovered these uh pillars in Antiquity

860
00:40:47,270 --> 00:40:45,359
that had all the Arts and Sciences

861
00:40:49,430 --> 00:40:47,280
preserved in them

862
00:40:50,990 --> 00:40:49,440
and he took those to rebuild

863
00:40:54,290 --> 00:40:51,000

civilization

864

00:40:57,470 --> 00:40:54,300

well Enoch in Hebrew you take the name

865

00:40:59,810 --> 00:40:57,480

Enoch in Hebrew in Hebrew every letter

866

00:41:02,329 --> 00:40:59,820

also corresponds to a number

867

00:41:03,950 --> 00:41:02,339

and and the name Enoch actually means

868

00:41:08,390 --> 00:41:03,960

initiate

869

00:41:11,750 --> 00:41:08,400

and the and if you if you

870

00:41:14,030 --> 00:41:11,760

you know Tran if you transcribe every

871

00:41:18,770 --> 00:41:14,040

Hebrew letter for the number it's

872

00:41:21,170 --> 00:41:18,780

equivalent to Enoch adds up to 555.

873

00:41:23,930 --> 00:41:21,180

and so this giant pillar that was

874

00:41:27,290 --> 00:41:23,940

erected in the center of uh Washington

875

00:41:29,150 --> 00:41:27,300

DC is Enoch's pillar it's the it's the

876

00:41:31,670 --> 00:41:29,160

it's the it's dedicated to George

877

00:41:34,490 --> 00:41:31,680

Washington but it's a it's a giant

878

00:41:36,530 --> 00:41:34,500

Hollow pillar that could preserve you

879

00:41:39,290 --> 00:41:36,540

know the memory of uh

880

00:41:42,470 --> 00:41:39,300

of a civilization should it get wiped

881

00:41:45,230 --> 00:41:42,480

out again not all of the storms all of

882

00:41:47,690 --> 00:41:45,240

the wind all of the Hurricanes all of

883

00:41:50,470 --> 00:41:47,700

the shaking of the Earth all the natural

884

00:41:54,410 --> 00:41:50,480

stuff and everything and there it stands

885

00:41:56,210 --> 00:41:54,420

no mortar in a swamp land nonetheless

886

00:41:58,190 --> 00:41:56,220

yeah that's what I'm saying the movement

887

00:42:00,530 --> 00:41:58,200

of the earth it's it it's it's it's

888

00:42:05,150 --> 00:42:00,540

crazy to me

889

00:42:07,370 --> 00:42:05,160

um but just like uh the the temples and

890

00:42:11,109 --> 00:42:07,380

we we talk about the Great Pyramid but

891

00:42:16,910 --> 00:42:11,119

then Dara is still there right

892

00:42:19,190 --> 00:42:16,920

uh and the uh uh habitose and and all of

893

00:42:22,609 --> 00:42:19,200

these uh Temple complexes uh throughout

894

00:42:25,609 --> 00:42:22,619

Egypt still stand uh because of the

895

00:42:29,930 --> 00:42:25,619

construction methods and is that part of

896

00:42:32,870 --> 00:42:29,940

the intent of the construction of the

897

00:42:36,650 --> 00:42:32,880

Freemason modern temples like that one

898

00:42:38,810 --> 00:42:36,660

in London that ain't going anywhere

899

00:42:41,930 --> 00:42:38,820

yeah I mean they're designed to

900

00:42:45,010 --> 00:42:41,940

withstand time uh you know it's

901
00:42:48,109 --> 00:42:45,020
understood that many great

902
00:42:51,950 --> 00:42:48,119
monuments have been destroyed through

903
00:42:54,650 --> 00:42:51,960
the ravages of time and War and uh

904
00:42:57,950 --> 00:42:54,660
natural disaster natural calamity

905
00:43:01,550 --> 00:42:57,960
uh but you know these things are built

906
00:43:04,190 --> 00:43:01,560
to try to withstand some of that I mean

907
00:43:07,250 --> 00:43:04,200
another another example of a pretty

908
00:43:10,670 --> 00:43:07,260
incredible structure in this close to my

909
00:43:13,309 --> 00:43:10,680
heart is in Istanbul the highest Sophia

910
00:43:16,550 --> 00:43:13,319
it has the largest dome of the ancient

911
00:43:19,309 --> 00:43:16,560
world and there are earthquakes every

912
00:43:21,829 --> 00:43:19,319
day in Turkey in fact there's just a

913
00:43:25,370 --> 00:43:21,839

major couple earthquakes a few weeks ago

914

00:43:27,470 --> 00:43:25,380

but that Dome has stood for for you know

915

00:43:29,870 --> 00:43:27,480

over a thousand years you know which is

916

00:43:32,690 --> 00:43:29,880

which is incredible but it has to do

917

00:43:36,230 --> 00:43:32,700

with how the energy is distributed and

918

00:43:39,470 --> 00:43:36,240

and the the the geometry behind it and

919

00:43:40,670 --> 00:43:39,480

you know the just those principles so

920

00:43:42,710 --> 00:43:40,680

yeah

921

00:43:47,210 --> 00:43:42,720

you want to build these structures that

922

00:43:49,130 --> 00:43:47,220

withstand time it's not just the stone

923

00:43:51,050 --> 00:43:49,140

all right Stone has a lot to do with it

924

00:43:53,690 --> 00:43:51,060

right of course yeah

925

00:43:56,809 --> 00:43:53,700

um there's reasons why we build out of

926

00:43:59,630 --> 00:43:56,819

granite uh to this day right okay I get

927

00:44:03,530 --> 00:43:59,640

that part but it's also the actual

928

00:44:06,109 --> 00:44:03,540

design and the tolerances and the

929

00:44:08,809 --> 00:44:06,119

engineering that that goes behind that

930

00:44:10,490 --> 00:44:08,819

because nothing has shifted nothing

931

00:44:13,849 --> 00:44:10,500

nothing is shifted even the Washington

932

00:44:16,069 --> 00:44:13,859

Monument which is modern right but it's

933

00:44:18,109 --> 00:44:16,079

go all the way back

934

00:44:20,930 --> 00:44:18,119

um nothing is nothing is shifted in

935

00:44:23,210 --> 00:44:20,940

Egypt the Great Pyramid is the same

936

00:44:24,710 --> 00:44:23,220

today as it was 5 000 years ago if it

937

00:44:27,770 --> 00:44:24,720

was built five thousand years ago it

938

00:44:29,510 --> 00:44:27,780

could be much much older than that

939

00:44:31,609 --> 00:44:29,520

um but it it has to do with the

940

00:44:33,050 --> 00:44:31,619

engineering just as much as it has to do

941

00:44:36,109 --> 00:44:33,060

with stone right

942

00:44:38,809 --> 00:44:36,119

it does and how you set up the

943

00:44:40,910 --> 00:44:38,819

architecture I mean a lot of a lot of

944

00:44:42,829 --> 00:44:40,920

structures that withstand earthquakes

945

00:44:45,470 --> 00:44:42,839

for example are built with what's known

946

00:44:48,050 --> 00:44:45,480

as cyclopedian

947

00:44:51,130 --> 00:44:48,060

architecture where they're they're kind

948

00:44:54,170 --> 00:44:51,140

of stacked what appears to be hazardly

949

00:44:57,530 --> 00:44:54,180

but they're not I mean they're they're

950

00:44:58,609 --> 00:44:57,540

built that way in order to

951
00:45:00,609 --> 00:44:58,619
um

952
00:45:03,410 --> 00:45:00,619
funnel the energy

953
00:45:05,750 --> 00:45:03,420
and to withstand it helps them to

954
00:45:09,589 --> 00:45:05,760
withstand earthquakes for example

955
00:45:11,990 --> 00:45:09,599
there's um one aspect uh to the Great

956
00:45:14,510 --> 00:45:12,000
Pyramid well there's a million aspects

957
00:45:17,150 --> 00:45:14,520
to the Great Pyramid but when I found

958
00:45:20,710 --> 00:45:17,160
out that it was eight-sided and not four

959
00:45:25,309 --> 00:45:20,720
yeah you know that's an eye-opener

960
00:45:26,870 --> 00:45:25,319
certainly but the reason for that is

961
00:45:30,109 --> 00:45:26,880
just what you're talking about right

962
00:45:32,150 --> 00:45:30,119
there and it's it's earthquake proof

963
00:45:34,609 --> 00:45:32,160

once it's eight-sided it's no longer

964

00:45:36,829 --> 00:45:34,619

symmetrical yeah

965

00:45:39,589 --> 00:45:36,839

yeah it's incredible and the the

966

00:45:41,210 --> 00:45:39,599

foundation that the the Great Pyramid

967

00:45:42,829 --> 00:45:41,220

and the other pyramids are built on

968

00:45:45,230 --> 00:45:42,839

they're also built with these

969

00:45:47,510 --> 00:45:45,240

interlocking blocks you know that are

970

00:45:49,609 --> 00:45:47,520

designed that way to withstand the the

971

00:45:51,290 --> 00:45:49,619

earthquakes so it's

972

00:45:54,109 --> 00:45:51,300

yeah it's pretty incredible it's pretty

973

00:45:56,990 --> 00:45:54,119

ingenious in in the fact that they are

974

00:45:58,609 --> 00:45:57,000

able to survey that area first of all

975

00:46:01,370 --> 00:45:58,619

and find

976
00:46:02,690 --> 00:46:01,380
a spot that they know would support that

977
00:46:05,569 --> 00:46:02,700
amount of weight

978
00:46:08,870 --> 00:46:05,579
and then to set up these blocks

979
00:46:11,450 --> 00:46:08,880
interlocking in such a way to ensure

980
00:46:13,490 --> 00:46:11,460
that the energy would be distributed to

981
00:46:14,690 --> 00:46:13,500
keep it from falling apart during an

982
00:46:16,790 --> 00:46:14,700
earthquake is

983
00:46:19,010 --> 00:46:16,800
I mean that's a that's a pretty high

984
00:46:24,349 --> 00:46:19,020
level of sophistication and that's just

985
00:46:26,630 --> 00:46:24,359
one of multiple instances that that

986
00:46:28,790 --> 00:46:26,640
researchers look at to say Hey you know

987
00:46:30,950 --> 00:46:28,800
there was some pretty advanced

988
00:46:32,510 --> 00:46:30,960

thinking that went into building this

989

00:46:35,690 --> 00:46:32,520

thing I mean

990

00:46:37,849 --> 00:46:35,700

uh I don't know if we could honestly

991

00:46:41,770 --> 00:46:37,859

Even build it today with our modern

992

00:46:47,750 --> 00:46:44,930

those same traditions of foundation

993

00:46:49,730 --> 00:46:47,760

first that's went into the cathedrals of

994

00:46:54,589 --> 00:46:49,740

Europe yeah that's right

995

00:46:57,950 --> 00:46:54,599

because you have to uh most people we we

996

00:47:00,650 --> 00:46:57,960

look at the building we look at what's

997

00:47:02,390 --> 00:47:00,660

on top right with the aesthetic you know

998

00:47:04,609 --> 00:47:02,400

we look at the build

999

00:47:07,430 --> 00:47:04,619

um none of that happens without a

1000

00:47:11,030 --> 00:47:07,440

foundation just like ourselves like our

1001
00:47:13,190 --> 00:47:11,040
lives yeah right you have to have a

1002
00:47:16,790 --> 00:47:13,200
solid foundation and that's where that

1003
00:47:18,650 --> 00:47:16,800
tradition comes from isn't it it is yeah

1004
00:47:20,210 --> 00:47:18,660
yeah that's absolutely where it comes

1005
00:47:23,809 --> 00:47:20,220
from and I mean we apply it

1006
00:47:26,450 --> 00:47:23,819
metaphorically to building a business or

1007
00:47:28,430 --> 00:47:26,460
building uh you know a good family or

1008
00:47:29,569 --> 00:47:28,440
good relationships with people we want

1009
00:47:30,770 --> 00:47:29,579
to make sure we have that good

1010
00:47:33,770 --> 00:47:30,780
foundation

1011
00:47:35,930 --> 00:47:33,780
but the but the origin of it is

1012
00:47:37,430 --> 00:47:35,940
absolutely goes back to these building

1013
00:47:40,010 --> 00:47:37,440

techniques and there's a lot of

1014

00:47:43,849 --> 00:47:40,020

phraseology that we use that

1015

00:47:45,770 --> 00:47:43,859

uh all the time that like when we say uh

1016

00:47:48,349 --> 00:47:45,780

you know we're being on the level with

1017

00:47:51,109 --> 00:47:48,359

someone or we're we're being square with

1018

00:47:54,650 --> 00:47:51,119

somebody these are all Masonic terms or

1019

00:47:57,530 --> 00:47:54,660

uh giving someone the third degree these

1020

00:48:01,190 --> 00:47:57,540

these are all these are all Masonic

1021

00:48:03,470 --> 00:48:01,200

terms that have been now adopted into

1022

00:48:05,329 --> 00:48:03,480

um you know modern vernacular but most

1023

00:48:06,650 --> 00:48:05,339

people don't even realize where it comes

1024

00:48:08,990 --> 00:48:06,660

from so

1025

00:48:11,690 --> 00:48:09,000

they're um

1026

00:48:14,569 --> 00:48:11,700

um I'm gonna I'm gonna flash up a

1027

00:48:18,349 --> 00:48:14,579

picture real quick and

1028

00:48:20,210 --> 00:48:18,359

um I know to most people this isn't an

1029

00:48:26,329 --> 00:48:20,220

interesting shot

1030

00:48:28,430 --> 00:48:26,339

but I've going back to your point here

1031

00:48:33,770 --> 00:48:28,440

um this is one of the most interesting

1032

00:48:35,410 --> 00:48:33,780

shots that I took in in Egypt which is

1033

00:48:43,970 --> 00:48:35,420

this

1034

00:48:46,010 --> 00:48:43,980

is that's right here that is the last of

1035

00:48:47,750 --> 00:48:46,020

the casing stones of the Great Pyramid

1036

00:48:49,970 --> 00:48:47,760

right there that's what you're looking

1037

00:48:53,870 --> 00:48:49,980

but that's the foundation

1038

00:48:56,990 --> 00:48:53,880

right and as you can see I'm alone right

1039

00:48:59,690 --> 00:48:57,000

I'm the only person here in in Giza

1040

00:49:05,170 --> 00:48:59,700

everybody else's uh the rest feeling

1041

00:49:10,849 --> 00:49:07,849

if you look really close you will

1042

00:49:14,030 --> 00:49:10,859

probably see a couple of dogs lounging

1043

00:49:17,510 --> 00:49:14,040

out here and and they're everywhere yeah

1044

00:49:19,250 --> 00:49:17,520

anyway I'm alone and so what do I do

1045

00:49:21,650 --> 00:49:19,260

what does Jimmy Church do when he's

1046

00:49:24,370 --> 00:49:21,660

alone at the Great Pyramid I take a

1047

00:49:27,770 --> 00:49:24,380

picture of the foundation stones

1048

00:49:29,450 --> 00:49:27,780

because that to me you can look at the

1049

00:49:31,630 --> 00:49:29,460

pyramid you can look at the great period

1050

00:49:36,829 --> 00:49:31,640

it's amazing it is

1051
00:49:38,690 --> 00:49:36,839
the the thought of Stone Age man five

1052
00:49:42,170 --> 00:49:38,700
thousand years ago just wandering out of

1053
00:49:46,730 --> 00:49:42,180
the desert and thinking this up

1054
00:49:48,589 --> 00:49:46,740
right foundation Stones there's no no

1055
00:49:50,150 --> 00:49:48,599
there's more to this we need to learn

1056
00:49:52,569 --> 00:49:50,160
how to farm and we need to create

1057
00:49:58,670 --> 00:49:52,579
Foundation stoves

1058
00:50:01,250 --> 00:49:58,680
to support this right behind and yes I I

1059
00:50:02,809 --> 00:50:01,260
agree with you these interlocking blocks

1060
00:50:05,109 --> 00:50:02,819
which you can see here and there's two

1061
00:50:10,190 --> 00:50:05,119
layers of them

1062
00:50:12,970 --> 00:50:10,200
uh to uh in order to because without

1063
00:50:16,910 --> 00:50:12,980

this there is no Great Pyramid that's it

1064

00:50:19,069 --> 00:50:16,920

and and so it has to start there and and

1065

00:50:24,010 --> 00:50:19,079

then but you take it to the next level

1066

00:50:28,910 --> 00:50:24,020

yeah the foundation yes it was Square

1067

00:50:33,050 --> 00:50:28,920

it was level it was it hasn't moved

1068

00:50:35,150 --> 00:50:33,060

right thousands of years it was oriented

1069

00:50:39,710 --> 00:50:35,160

to true north

1070

00:50:42,230 --> 00:50:39,720

Stone Age man it it no no no no no the

1071

00:50:44,450 --> 00:50:42,240

story that they're telling us it you can

1072

00:50:48,230 --> 00:50:44,460

just look at this picture and see that

1073

00:50:51,170 --> 00:50:48,240

their version of the events isn't it

1074

00:50:53,750 --> 00:50:51,180

isn't the truth yeah and you know it's

1075

00:50:57,170 --> 00:50:53,760

interesting we find those ancient

1076

00:50:59,270 --> 00:50:57,180

Platforms in three main areas in that

1077

00:51:00,290 --> 00:50:59,280

part of the world we find it there at

1078

00:51:02,750 --> 00:51:00,300

Giza

1079

00:51:04,849 --> 00:51:02,760

where the pyramids are we also find it

1080

00:51:07,730 --> 00:51:04,859

uh in Jerusalem

1081

00:51:09,770 --> 00:51:07,740

at where the the temple was said to be

1082

00:51:11,510 --> 00:51:09,780

built so there's you know it's called

1083

00:51:15,109 --> 00:51:11,520

The Dome of the Rock because there's

1084

00:51:18,109 --> 00:51:15,119

these giant rocks these giant Foundation

1085

00:51:20,089 --> 00:51:18,119

stones that are underneath it and then

1086

00:51:24,230 --> 00:51:20,099

we find the same thing with these

1087

00:51:27,109 --> 00:51:24,240

ancient platforms at dalbeck in Lebanon

1088

00:51:30,410 --> 00:51:27,119

and all three of them have these giant

1089

00:51:32,270 --> 00:51:30,420

megalithic stones that um

1090

00:51:34,910 --> 00:51:32,280

you know many of which we would be

1091

00:51:37,069 --> 00:51:34,920

hard-pressed to even move today with our

1092

00:51:39,710 --> 00:51:37,079

modern equipment and yet we're expected

1093

00:51:42,430 --> 00:51:39,720

to believe that these ancient people

1094

00:51:45,890 --> 00:51:42,440

that were just figuring out how to farm

1095

00:51:47,630 --> 00:51:45,900

you know we're able to move them uh you

1096

00:51:49,910 --> 00:51:47,640

know thousands of years ago and it's

1097

00:51:52,790 --> 00:51:49,920

it's kind of

1098

00:51:55,130 --> 00:51:52,800

yeah yeah it stretches the imagination

1099

00:51:57,890 --> 00:51:55,140

for sure well you know it's been

1100

00:52:00,829 --> 00:51:57,900

repeated many times but it's something

1101
00:52:03,829 --> 00:52:00,839
that we cannot forget we need to keep

1102
00:52:06,710 --> 00:52:03,839
this on the front burner and when you

1103
00:52:08,690 --> 00:52:06,720
look at ball back and you look at the

1104
00:52:11,450 --> 00:52:08,700
Dome of the Rock and you look at Giza

1105
00:52:13,730 --> 00:52:11,460
and and it's not just Giza right it's a

1106
00:52:17,210 --> 00:52:13,740
car it's dashure right it's it's all

1107
00:52:20,870 --> 00:52:17,220
over and then of course go to Aswan and

1108
00:52:23,510 --> 00:52:20,880
really have your mind blown so um it's

1109
00:52:25,089 --> 00:52:23,520
not just Giza but here's here's the

1110
00:52:28,490 --> 00:52:25,099
thing with that

1111
00:52:31,250 --> 00:52:28,500
they didn't do it because it was hard

1112
00:52:32,410 --> 00:52:31,260
that was easy for them because they're

1113
00:52:36,710 --> 00:52:32,420

easy

1114

00:52:38,569 --> 00:52:36,720

why yeah look here's here's here's the

1115

00:52:41,089 --> 00:52:38,579

decision you have to make

1116

00:52:42,170 --> 00:52:41,099

it today this is the confusing part this

1117

00:52:44,930 --> 00:52:42,180

is why

1118

00:52:48,890 --> 00:52:44,940

uh we don't get it

1119

00:52:53,630 --> 00:52:48,900

we can either make clothes

1120

00:52:56,870 --> 00:52:53,640

and farm and domesticate our animals so

1121

00:52:59,150 --> 00:52:56,880

we can survive or

1122

00:53:01,849 --> 00:52:59,160

we can move this hundred ton megalithic

1123

00:53:06,349 --> 00:53:01,859

block out of a quarry 500 miles away

1124

00:53:08,870 --> 00:53:06,359

well now the 500 Mile Journey track with

1125

00:53:11,690 --> 00:53:08,880

a hundred ton Stone of which there are

1126

00:53:14,329 --> 00:53:11,700

over a hundred of those just at in in

1127

00:53:19,970 --> 00:53:14,339

the Great Pyramid right a hundred not

1128

00:53:21,530 --> 00:53:19,980

one a hundred of them so no it wasn't a

1129

00:53:23,569 --> 00:53:21,540

big deal

1130

00:53:27,049 --> 00:53:23,579

right they still got everything else

1131

00:53:29,510 --> 00:53:27,059

done right Society still ran and they

1132

00:53:31,190 --> 00:53:29,520

were carting these these megalithic

1133

00:53:34,250 --> 00:53:31,200

blocks around and carving them and

1134

00:53:35,990 --> 00:53:34,260

Coring them because it was pretty easy

1135

00:53:38,450 --> 00:53:36,000

yeah even though we would have a tough

1136

00:53:40,370 --> 00:53:38,460

time moving them today I mean even with

1137

00:53:43,569 --> 00:53:40,380

our modern equipment you know some of

1138

00:53:47,089 --> 00:53:43,579

this stuff like some of those stones at

1139

00:53:49,069 --> 00:53:47,099

balbec or at uh or the unfinished

1140

00:53:51,770 --> 00:53:49,079

Obelisk at Aswan

1141

00:53:53,690 --> 00:53:51,780

uh there there is we would be

1142

00:53:56,809 --> 00:53:53,700

hard-pressed to move that today even

1143

00:54:00,049 --> 00:53:56,819

with our modern equipment and so here's

1144

00:54:01,309 --> 00:54:00,059

here's the deal okay here's the deal a

1145

00:54:03,290 --> 00:54:01,319

modern

1146

00:54:06,650 --> 00:54:03,300

semi truck

1147

00:54:08,150 --> 00:54:06,660

right modern 62

1148

00:54:11,089 --> 00:54:08,160

000 pounds

1149

00:54:13,569 --> 00:54:11,099

right that's what that's what goes in

1150

00:54:19,430 --> 00:54:13,579

that container that's the layer right

1151

00:54:22,970 --> 00:54:19,440

that's a semi truck right so let's go to

1152

00:54:25,549 --> 00:54:22,980

um a hundred ton Stone times five

1153

00:54:30,890 --> 00:54:25,559

thousand pounds right

1154

00:54:30,900 --> 00:54:35,510

000 pounds a hundred ton Stone

1155

00:54:40,430 --> 00:54:37,970

well and some of those stones are like

1156

00:54:42,890 --> 00:54:40,440

two three thousand

1157

00:54:46,130 --> 00:54:42,900

tons all right look at the unfinished

1158

00:54:49,010 --> 00:54:46,140

one stone yeah it's like 2 000 tons yeah

1159

00:54:52,730 --> 00:54:49,020

yeah uh the the stone to ball back it's

1160

00:54:55,010 --> 00:54:52,740

still to this day the only way that I

1161

00:55:01,790 --> 00:54:55,020

mean if you look at it in a in a in a

1162

00:55:05,390 --> 00:55:03,170

or

1163

00:55:07,309 --> 00:55:05,400

they came from somewhere else which they

1164

00:55:09,770 --> 00:55:07,319

did and they were moved there and the

1165

00:55:12,950 --> 00:55:09,780

one that is you know cockeyed that is

1166

00:55:15,770 --> 00:55:12,960

sitting there yep think about that and

1167

00:55:18,710 --> 00:55:15,780

uh you've been to oswan many times you

1168

00:55:22,309 --> 00:55:18,720

go to Aswan and you look at the

1169

00:55:28,490 --> 00:55:22,319

unfinished Obelisk which is 165 feet

1170

00:55:30,770 --> 00:55:28,500

long and 2500 times 25 hundred tons now

1171

00:55:34,010 --> 00:55:30,780

it's sitting in its pit but they already

1172

00:55:37,010 --> 00:55:34,020

carved you know 30 40 50 of those and

1173

00:55:38,990 --> 00:55:37,020

they're all over Egypt and there's some

1174

00:55:40,849 --> 00:55:39,000

in London there's some at the Vatican

1175

00:55:43,670 --> 00:55:40,859

there's one in Central Park there's a

1176
00:55:45,109 --> 00:55:43,680
few one in Istanbul yeah there's one in

1177
00:55:49,730 --> 00:55:45,119
Istanbul

1178
00:55:52,010 --> 00:55:49,740
um but they whoever carved that

1179
00:55:55,069 --> 00:55:52,020
was standing up on top of the hill in

1180
00:55:57,230 --> 00:55:55,079
Aswan right and I love that view when

1181
00:55:59,089 --> 00:55:57,240
you go up on the rocks and you look down

1182
00:56:00,730 --> 00:55:59,099
at the Obelisk and you can see the whole

1183
00:56:05,630 --> 00:56:00,740
thing and when

1184
00:56:06,970 --> 00:56:05,640
they had plans on getting it out of that

1185
00:56:11,510 --> 00:56:06,980
hole

1186
00:56:14,690 --> 00:56:11,520
what's right I mean did somebody explain

1187
00:56:16,730 --> 00:56:14,700
that to me well and then even you know

1188
00:56:20,150 --> 00:56:16,740

they will say well it was carted on the

1189

00:56:22,730 --> 00:56:20,160

Nile well the Nile isn't exactly near

1190

00:56:25,670 --> 00:56:22,740

the Quarry I mean it is you still have

1191

00:56:28,069 --> 00:56:25,680

to go over some mountain ranges from the

1192

00:56:30,770 --> 00:56:28,079

Quarry to get to the to the Nile so it's

1193

00:56:32,150 --> 00:56:30,780

it's not like it's it's just easy and

1194

00:56:33,650 --> 00:56:32,160

then you have to like figure out how to

1195

00:56:35,270 --> 00:56:33,660

get it on the boat and then once you get

1196

00:56:37,190 --> 00:56:35,280

it on the boat how do you get it off the

1197

00:56:40,069 --> 00:56:37,200

boat you know I mean

1198

00:56:45,349 --> 00:56:40,079

you're you're talking about incredible

1199

00:56:47,690 --> 00:56:45,359

engineering that uh it boggles the mind

1200

00:56:51,829 --> 00:56:47,700

um I I

1201

00:56:53,230 --> 00:56:51,839

what I trip on is this

1202

00:56:58,870 --> 00:56:53,240

um

1203

00:57:04,130 --> 00:56:58,880

how how big is a boat

1204

00:57:10,010 --> 00:57:07,549

on displacement okay all right it's

1205

00:57:12,650 --> 00:57:10,020

really that

1206

00:57:16,309 --> 00:57:12,660

kind of question

1207

00:57:21,470 --> 00:57:16,319

in in a modern sense right yeah so

1208

00:57:32,150 --> 00:57:27,309

you're looking at 65 feet for 100 tons

1209

00:57:35,410 --> 00:57:32,160

65 feet long for 100 times yeah it 5 000

1210

00:57:39,770 --> 00:57:35,420

years ago in Egypt they had

1211

00:57:42,049 --> 00:57:39,780

65 foot boats well then we're not even

1212

00:57:44,690 --> 00:57:42,059

talking about the 2 000 ton Obelisk

1213

00:57:48,230 --> 00:57:44,700

we're not here yet you know we're just

1214

00:57:54,470 --> 00:57:48,240

dealing with you know a 100 ton vessel

1215

00:57:56,990 --> 00:57:54,480

can be 65 feet or more so I'm not I I

1216

00:58:00,109 --> 00:57:57,000

don't know man I don't know I don't know

1217

00:58:03,829 --> 00:58:00,119

um but before we get to the Break

1218

00:58:08,030 --> 00:58:03,839

um those those Traditions uh that came

1219

00:58:11,569 --> 00:58:08,040

out of Egypt how important were they for

1220

00:58:14,569 --> 00:58:11,579

the foundations of the Knights Templar

1221

00:58:16,309 --> 00:58:14,579

yeah incredibly important uh in the

1222

00:58:18,410 --> 00:58:16,319

incredibly important but you know the

1223

00:58:21,790 --> 00:58:18,420

Templars again their mission

1224

00:58:24,770 --> 00:58:21,800

was to find the remnants of

1225

00:58:25,910 --> 00:58:24,780

Atlantis basically they believed that

1226

00:58:29,690 --> 00:58:25,920

there was

1227

00:58:32,750 --> 00:58:29,700

uh you know a pre-flood civilization

1228

00:58:35,150 --> 00:58:32,760

that had print that had been preserved

1229

00:58:37,490 --> 00:58:35,160

in certain areas and the the main place

1230

00:58:38,569 --> 00:58:37,500

where this was preserved was Egypt and

1231

00:58:41,450 --> 00:58:38,579

so

1232

00:58:43,970 --> 00:58:41,460

uh the Templars you know yes they they

1233

00:58:46,370 --> 00:58:43,980

visited places in Lebanon they made

1234

00:58:49,370 --> 00:58:46,380

association with the groups like The

1235

00:58:52,069 --> 00:58:49,380

Drews uh who were hanging out in in

1236

00:58:55,069 --> 00:58:52,079

Lebanon it places a ball back uh they

1237

00:58:57,109 --> 00:58:55,079

went into Jerusalem obviously uh that's

1238

00:59:00,170 --> 00:58:57,119

where you know the Crusades were

1239

00:59:02,569 --> 00:59:00,180

happening but they also went down into

1240

00:59:04,190 --> 00:59:02,579

Egypt and they set up bases of

1241

00:59:07,549 --> 00:59:04,200

operations there and they tried to

1242

00:59:11,450 --> 00:59:07,559

absorb as much as they could and bring

1243

00:59:14,870 --> 00:59:11,460

that knowledge back to Egypt including

1244

00:59:17,750 --> 00:59:14,880

uh the science of alchemy which was

1245

00:59:20,510 --> 00:59:17,760

uh which was the science of Egypt in

1246

00:59:23,750 --> 00:59:20,520

fact the word alchemy comes from from

1247

00:59:26,750 --> 00:59:23,760

chem or Kemet which was the ancient name

1248

00:59:28,910 --> 00:59:26,760

for Egypt so this was the science that

1249

00:59:32,870 --> 00:59:28,920

had been preserved amongst the ancient

1250

00:59:34,849 --> 00:59:32,880

Egyptians that they were uh trying to

1251

00:59:36,589 --> 00:59:34,859

bring back into Europe and they they

1252

00:59:40,010 --> 00:59:36,599

Incorporated this knowledge on the

1253

00:59:42,349 --> 00:59:40,020

cathedrals uh as they as they built them

1254

00:59:45,049 --> 00:59:42,359

so and let's take our break right here

1255

00:59:47,150 --> 00:59:45,059

stay right there Tim this is Fade to

1256

00:59:49,370 --> 00:59:47,160

Black I'm Yours Jimmy Church you Fade to

1257

00:59:51,710 --> 00:59:49,380

Black please visit all of our sponsors

1258

00:59:53,690 --> 00:59:51,720

we're taking a quick break here all of

1259

00:59:55,849 --> 00:59:53,700

the links are below

1260

00:59:58,370 --> 00:59:55,859

and we'll be right back

1261

01:00:00,710 --> 00:59:58,380

hey everybody it's Billy Carson also

1262

01:00:02,210 --> 01:00:00,720

known as Forbidden Knowledge I want to

1263

01:00:05,870 --> 01:00:02,220

talk to you about a very special event

1264

01:00:07,970 --> 01:00:05,880

coming up July 30th 2023 The Forbidden

1265

01:00:09,650 --> 01:00:07,980

conscious Awards we're going to honor

1266

01:00:11,990 --> 01:00:09,660

people who have been contributing to the

1267

01:00:13,549 --> 01:00:12,000

conscious Community for decades people

1268

01:00:15,289 --> 01:00:13,559

that you know and love that have helped

1269

01:00:17,270 --> 01:00:15,299

you get to higher levels of thought and

1270

01:00:19,549 --> 01:00:17,280

Consciousness and awareness it's going

1271

01:00:20,930 --> 01:00:19,559

to be alive in-person event but seats

1272

01:00:22,670 --> 01:00:20,940

are going to sell out very fast you want

1273

01:00:24,289 --> 01:00:22,680

to make sure you're there in person and

1274

01:00:26,109 --> 01:00:24,299

guess what you can help vote for the

1275

01:00:28,130 --> 01:00:26,119

winners voting is available on

1276

01:00:29,750 --> 01:00:28,140

forbiddenknowledge.com and the

1277

01:00:32,930 --> 01:00:29,760

categories are going to be social media

1278

01:00:34,750 --> 01:00:32,940

influencer podcast slash radio host TV

1279

01:00:36,530 --> 01:00:34,760

host actor director producer

1280

01:00:37,970 --> 01:00:36,540

entrepreneurs health and wellness

1281

01:00:40,430 --> 01:00:37,980

philanthropists authors field

1282

01:00:42,230 --> 01:00:40,440

researchers archaeologists space anomaly

1283

01:00:45,049 --> 01:00:42,240

hunters and of course a Lifetime

1284

01:00:46,910 --> 01:00:45,059

Achievement Award I'll be your key note

1285

01:00:48,890 --> 01:00:46,920

speaker that night at The Forbidden

1286

01:00:51,230 --> 01:00:48,900

conscious Awards we have celebrity

1287

01:00:52,789 --> 01:00:51,240

guests performing we'll have a halftime

1288

01:00:54,410 --> 01:00:52,799

show where we're actually going to

1289

01:00:57,049 --> 01:00:54,420

perform music for you and don't forget

1290

01:00:59,030 --> 01:00:57,059

about the pre-event mixer where if you

1291

01:01:00,950 --> 01:00:59,040

buy a box seat we'll be in the VIP

1292

01:01:03,589 --> 01:01:00,960

section and you also have private access

1293

01:01:06,710 --> 01:01:03,599

to a VIP mixer with celebrity guests

1294

01:01:08,510 --> 01:01:06,720

shake hands break bread Network and then

1295

01:01:10,309 --> 01:01:08,520

walk the red carpet with us and take

1296

01:01:11,630 --> 01:01:10,319

amazing photos it's going to be a night

1297

01:01:13,789 --> 01:01:11,640

to remember you don't want to forget

1298

01:01:15,470 --> 01:01:13,799

this make sure you hurry up and get your

1299

01:01:17,930 --> 01:01:15,480

tickets because you're selling out very

1300

01:01:19,750 --> 01:01:17,940

fast I want to see you there forbidden

1301

01:01:23,569 --> 01:01:19,760

conscious Awards 2023

1302

01:01:26,690 --> 01:01:23,579

[Music]

1303

01:01:29,870 --> 01:01:26,700

on Saturday April 1st that's right April

1304

01:01:32,030 --> 01:01:29,880

Fool's Day 2023 I will be hosting the

1305

01:01:35,510 --> 01:01:32,040

peripod festival at the Hyatt Regency

1306

01:01:38,030 --> 01:01:35,520

right here in Valencia California it's a

1307

01:01:41,089 --> 01:01:38,040

live one-day podcast Awards it's a film

1308

01:01:43,069 --> 01:01:41,099

festival it's a full-on media event

1309

01:01:44,990 --> 01:01:43,079

we're going to have Sky watching it's

1310

01:01:47,750 --> 01:01:45,000

going to be a Lifetime Achievement Award

1311

01:01:49,670 --> 01:01:47,760

presented to Linda Moulton Howe right

1312

01:01:51,829 --> 01:01:49,680

now you can submit your podcast your

1313

01:01:54,530 --> 01:01:51,839

film your TV series any of your

1314

01:01:56,510 --> 01:01:54,540

paranormal media for consideration you

1315

01:01:59,710 --> 01:01:56,520

can do all of that on the links below

1316

01:02:01,609 --> 01:01:59,720

for info and tickets go to

1317

01:02:04,730 --> 01:02:01,619

parapodfilmfest.com that's

1318

01:02:10,370 --> 01:02:08,750

April 7th through the 14th 2023 I'll be

1319

01:02:13,309 --> 01:02:10,380

hosting and presenting on the hidden

1320

01:02:15,890 --> 01:02:13,319

secrets seminar at Sea cruise from Los

1321

01:02:18,289 --> 01:02:15,900

Angeles to the Mexican Riviera on the

1322

01:02:20,870 --> 01:02:18,299

Navigator of the Seas that's right up

1323

01:02:22,250 --> 01:02:20,880

top a giant water slide you've got to

1324

01:02:24,470 --> 01:02:22,260

check out the Navigator of the season

1325

01:02:26,870 --> 01:02:24,480

it's amazing we've got Scott Walter Adam

1326

01:02:29,750 --> 01:02:26,880

Apollo Nick Pope Brad Olson Vivian

1327

01:02:32,030 --> 01:02:29,760

Chauvet Jason shirka Robert Grant Reuben

1328

01:02:34,370 --> 01:02:32,040

Langdon and another 12 amazing speakers

1329

01:02:35,770 --> 01:02:34,380

and presenters it's all simple to do

1330

01:02:38,890 --> 01:02:35,780

just visit

1331

01:02:42,109 --> 01:02:38,900

divinetravels.com forward slash hidden

1332

01:02:44,210 --> 01:02:42,119

secrets2023 you know you want to go on a

1333

01:02:47,630 --> 01:02:44,220

cruise with me

1334

01:02:50,450 --> 01:02:47,640

River Moon coffee makers of the Fade to

1335

01:02:52,329 --> 01:02:50,460

Black blend truly the best coffee on

1336

01:02:54,589 --> 01:02:52,339

planet Earth just visit

1337

01:02:56,390 --> 01:02:54,599

rivermoonwellness.com or or their Amazon

1338

01:02:57,829 --> 01:02:56,400

store it's all simple to do you can

1339

01:02:59,930 --> 01:02:57,839

check out the Fade to Black blend the

1340

01:03:02,569 --> 01:02:59,940

game changer Blend or any of their black

1341

01:03:06,349 --> 01:03:02,579

moon wellness products it's the only

1342

01:03:11,870 --> 01:03:06,359

coffee I drink it is the best and it's

1343

01:03:15,289 --> 01:03:14,210

all right Welcome Back Fade to Black I'm

1344

01:03:17,210 --> 01:03:15,299

your stupid church I guess tonight

1345

01:03:19,910 --> 01:03:17,220

Timothy Hogan I just wanted to mention

1346

01:03:21,589 --> 01:03:19,920

that over the weekend

1347

01:03:23,870 --> 01:03:21,599

um I you know I'm gearing up for this

1348

01:03:26,270 --> 01:03:23,880

Cruise uh the hidden secrets cruise and

1349

01:03:29,690 --> 01:03:26,280

and the links forward are below you

1350

01:03:33,890 --> 01:03:29,700

really want to check this out I have uh

1351

01:03:36,650 --> 01:03:33,900

spent the weekend uh watching videos of

1352

01:03:39,950 --> 01:03:36,660

the ship the Navigator of the Seas and I

1353

01:03:42,289 --> 01:03:39,960

cannot wait this is one of the nicest uh

1354

01:03:43,609 --> 01:03:42,299

ships in in the Royal Caribbean Cruise

1355

01:03:46,250 --> 01:03:43,619

Line number one but number two

1356

01:03:51,470 --> 01:03:46,260

everything everything is on board that

1357

01:03:54,170 --> 01:03:51,480

ship and I'm I'm very very excited uh

1358

01:03:56,030 --> 01:03:54,180

about this cruise and you need to go and

1359

01:03:58,549 --> 01:03:56,040

check out go watch some videos of the

1360

01:04:01,730 --> 01:03:58,559

Navigator of the Seas and and see what

1361

01:04:04,069 --> 01:04:01,740

you can expect on this Cruise so uh the

1362

01:04:06,170 --> 01:04:04,079

links for the cruise are below go and

1363

01:04:09,530 --> 01:04:06,180

check it out it's uh coming up in a

1364

01:04:13,910 --> 01:04:09,540

couple of uh April 7th through the 14th

1365

01:04:18,170 --> 01:04:13,920

so yeah I just spent my so excited about

1366

01:04:21,049 --> 01:04:18,180

this all right uh Tim let's let's this

1367

01:04:24,530 --> 01:04:21,059

is the part of the conversation that I I

1368

01:04:27,530 --> 01:04:24,540

find is so interesting which is

1369

01:04:30,109 --> 01:04:27,540

um the secret yeah the secrets Alchemy

1370

01:04:32,569 --> 01:04:30,119

Alchemy is

1371

01:04:36,049 --> 01:04:32,579

it's tough and the real information

1372

01:04:39,470 --> 01:04:36,059

about alchemy the real stuff you're not

1373

01:04:42,530 --> 01:04:39,480

going to find that online you need to uh

1374

01:04:44,450 --> 01:04:42,540

to go to those that are in the know uh

1375

01:04:48,950 --> 01:04:44,460

and basically do this directly because

1376

01:04:51,170 --> 01:04:48,960

the stuff that's online is it it's it's

1377

01:04:54,170 --> 01:04:51,180

it's not the real stuff and the Knights

1378

01:04:57,650 --> 01:04:54,180

Templar just like what they did in

1379

01:04:59,750 --> 01:04:57,660

Jerusalem they acquired the knowledge

1380

01:05:02,450 --> 01:04:59,760

right and that's what they that's what

1381

01:05:04,370 --> 01:05:02,460

they did in Egypt yeah they were they

1382

01:05:07,030 --> 01:05:04,380

were working with um

1383

01:05:10,490 --> 01:05:07,040

well a number of groups that that

1384

01:05:14,270 --> 01:05:10,500

were translating uh Greek and Roman

1385

01:05:16,789 --> 01:05:14,280

texts that where they had learned these

1386

01:05:19,010 --> 01:05:16,799

alchemical processes from the Egyptians

1387

01:05:21,530 --> 01:05:19,020

I mean most people forget that even most

1388

01:05:24,730 --> 01:05:21,540

the Greek philosophers studied in Egypt

1389

01:05:28,549 --> 01:05:24,740

for a time and people like Aristotle

1390

01:05:30,710 --> 01:05:28,559

were uh were studying alchemical texts

1391

01:05:34,609 --> 01:05:30,720

and um

1392

01:05:38,210 --> 01:05:34,619

so during the the Middle Ages there were

1393

01:05:41,930 --> 01:05:38,220

groups like The sabians and the the

1394

01:05:43,490 --> 01:05:41,940

druze and the Sufi and others the

1395

01:05:46,490 --> 01:05:43,500

Islamic

1396

01:05:49,490 --> 01:05:46,500

um Scholars who were were translating

1397

01:05:51,130 --> 01:05:49,500

these these Greek and Roman texts that

1398

01:05:53,510 --> 01:05:51,140

were trying to

1399

01:05:55,990 --> 01:05:53,520

preserve this knowledge from the

1400

01:05:58,789 --> 01:05:56,000

Egyptians and and so

1401

01:06:00,890 --> 01:05:58,799

they made association with these groups

1402

01:06:03,349 --> 01:06:00,900

and then they also went to Egypt and

1403

01:06:05,990 --> 01:06:03,359

found these processes on the temple

1404

01:06:08,329 --> 01:06:06,000

walls and then tried to replicate them

1405

01:06:11,150 --> 01:06:08,339

so it was definitely a

1406

01:06:13,910 --> 01:06:11,160

one of the big parts of the the Templar

1407

01:06:16,549 --> 01:06:13,920

Mission and and it's also why they

1408

01:06:18,470 --> 01:06:16,559

developed things like um

1409

01:06:21,349 --> 01:06:18,480

for example the Templars used to use

1410

01:06:24,770 --> 01:06:21,359

certain mold extracts in order to heal

1411

01:06:27,289 --> 01:06:24,780

infections well today we would we would

1412

01:06:30,529 --> 01:06:27,299

call that antibiotics you know but they

1413

01:06:36,230 --> 01:06:30,539

were doing it back in the 1200s or they

1414

01:06:39,109 --> 01:06:36,240

also developed CPR because they they

1415

01:06:41,809 --> 01:06:39,119

realized you could reanimate a corpse by

1416

01:06:43,970 --> 01:06:41,819

infusing air into it and they believed

1417

01:06:46,549 --> 01:06:43,980

that air had a certain vital life

1418

01:06:48,710 --> 01:06:46,559

principle to it which was found within

1419

01:06:50,650 --> 01:06:48,720

the alchemical texts it was

1420

01:06:52,849 --> 01:06:50,660

uh they called it the the

1421

01:06:56,870 --> 01:06:52,859

Mercurial Force

1422

01:06:59,029 --> 01:06:56,880

uh so all of these things were were part

1423

01:07:00,950 --> 01:06:59,039

of this tradition that they preserved

1424

01:07:04,490 --> 01:07:00,960

and they tried to bring back to Europe

1425

01:07:06,650 --> 01:07:04,500

as well as other more Fantastical things

1426

01:07:09,950 --> 01:07:06,660

uh

1427

01:07:14,450 --> 01:07:09,960

um you know related to the creation of

1428

01:07:17,210 --> 01:07:14,460

uh more exotic substances well yeah I'm

1429

01:07:19,210 --> 01:07:17,220

sure you're referring to well we've got

1430

01:07:22,309 --> 01:07:19,220

a few things we can refer to but

1431

01:07:26,049 --> 01:07:22,319

monatomic gold yes and

1432

01:07:30,829 --> 01:07:26,059

um the the idea

1433

01:07:33,890 --> 01:07:30,839

uh behind uh monatomic gold well first

1434

01:07:37,069 --> 01:07:33,900

off people see the word gold so they

1435

01:07:38,930 --> 01:07:37,079

immediately think of like the gold on on

1436

01:07:40,789 --> 01:07:38,940

that guitar that's right there right you

1437

01:07:43,250 --> 01:07:40,799

think of the color gold the substance of

1438

01:07:45,529 --> 01:07:43,260

gold I've got a few gold things around

1439

01:07:49,490 --> 01:07:45,539

here I could you know and so we think

1440

01:07:50,930 --> 01:07:49,500

about that and and gold is uh a precious

1441

01:07:54,890 --> 01:07:50,940

metal

1442

01:07:57,589 --> 01:07:54,900

um that was used uh in in so many

1443

01:07:58,450 --> 01:07:57,599

aspects of Egyptian life you could you

1444

01:08:02,870 --> 01:07:58,460

know

1445

01:08:08,589 --> 01:08:02,880

the the plating of of of sarcophagus or

1446

01:08:11,809 --> 01:08:08,599

the solid uh King Tut's uh uh coffin

1447

01:08:13,490 --> 01:08:11,819

which think about the weight of that by

1448

01:08:16,390 --> 01:08:13,500

the way the amount of gold that was used

1449

01:08:19,910 --> 01:08:16,400

for that but we think of that but

1450

01:08:22,249 --> 01:08:19,920

monatomic gold is the breaking down if

1451

01:08:25,010 --> 01:08:22,259

we go back to some of the and help me

1452

01:08:27,950 --> 01:08:25,020

understand this because you this is part

1453

01:08:30,010 --> 01:08:27,960

of your research and your teaching yeah

1454

01:08:35,530 --> 01:08:30,020

um is that

1455

01:08:38,510 --> 01:08:35,540

in alchemy so many Alchemists or

1456

01:08:39,970 --> 01:08:38,520

students of alchemy I should say uh

1457

01:08:45,349 --> 01:08:39,980

throughout history

1458

01:08:47,630 --> 01:08:45,359

try to turn gold into powder they try

1459

01:08:49,789 --> 01:08:47,640

different aspects of this this goes all

1460

01:08:51,289 --> 01:08:49,799

the way back to the Annunaki and some of

1461

01:08:54,349 --> 01:08:51,299

the statements that were made there in

1462

01:08:56,209 --> 01:08:54,359

the Sumerian text as well even Moses he

1463

01:08:59,030 --> 01:08:56,219

burned the golden calf into a powder

1464

01:09:02,150 --> 01:08:59,040

that's right so

1465

01:09:04,309 --> 01:09:02,160

um but uh monatomical just in its

1466

01:09:07,970 --> 01:09:04,319

definition in in the construction of the

1467

01:09:10,490 --> 01:09:07,980

word monatomic is breaking down the

1468

01:09:13,430 --> 01:09:10,500

atoms correct correct yeah it's getting

1469

01:09:16,430 --> 01:09:13,440

it it's uh it's creating gold into so in

1470

01:09:20,749 --> 01:09:16,440

a monoatomic state it has a

1471

01:09:21,890 --> 01:09:20,759

uh it's it the two

1472

01:09:24,410 --> 01:09:21,900

um

1473

01:09:26,630 --> 01:09:24,420

electrons in the outer valence ring

1474

01:09:29,030 --> 01:09:26,640

enter into what's known as a Cooper pair

1475

01:09:30,590 --> 01:09:29,040

and they go into a high spin State and

1476

01:09:31,789 --> 01:09:30,600

when they do that they don't bind with

1477

01:09:34,789 --> 01:09:31,799

anything else

1478

01:09:38,769 --> 01:09:34,799

so basically every particle of this gold

1479

01:09:41,689 --> 01:09:38,779

is one atom so it's this very fine

1480

01:09:45,769 --> 01:09:41,699

powder uh when you when you break it

1481

01:09:47,630 --> 01:09:45,779

down and according to tradition the

1482

01:09:49,910 --> 01:09:47,640

alchemical tradition certainly the

1483

01:09:51,610 --> 01:09:49,920

Templar tradition the the rosicrucian

1484

01:09:53,470 --> 01:09:51,620

and Masonic tradition

1485

01:09:57,530 --> 01:09:53,480

this

1486

01:10:04,729 --> 01:09:57,540

Egypt

1487

01:10:06,709 --> 01:10:04,739

practice of the Alchemy the the

1488

01:10:08,870 --> 01:10:06,719

completion of the Alchemy was known as

1489

01:10:11,510 --> 01:10:08,880

the ma'at bin

1490

01:10:13,010 --> 01:10:11,520

and ma'at just meant truth

1491

01:10:17,870 --> 01:10:13,020

in bed

1492

01:10:21,890 --> 01:10:17,880

meant both light and Stone

1493

01:10:25,250 --> 01:10:21,900

so like light from like the sun uh and

1494

01:10:27,709 --> 01:10:25,260

and stone that's what Ben meant and so

1495

01:10:30,169 --> 01:10:27,719

in one of the most sacred objects in

1496

01:10:33,110 --> 01:10:30,179

Egypt was known as the Benben

1497

01:10:35,090 --> 01:10:33,120

which was in fact what was said even be

1498

01:10:38,810 --> 01:10:35,100

on the top of the Great Pyramid itself

1499

01:10:41,149 --> 01:10:38,820

was the bin bin and the bin bin bin bin

1500

01:10:44,270 --> 01:10:41,159

just means light Stone

1501
01:10:46,550 --> 01:10:44,280
and if we reverse the word Ben we get

1502
01:10:49,610 --> 01:10:46,560
the Egyptian word neb

1503
01:10:52,250 --> 01:10:49,620
which means gold

1504
01:10:54,050 --> 01:10:52,260
so so these are you know they were out

1505
01:10:56,870 --> 01:10:54,060
the Egyptians did all kinds of word

1506
01:10:59,570 --> 01:10:56,880
plays like that for example the word for

1507
01:11:02,930 --> 01:10:59,580
brain and the word for consciousness

1508
01:11:05,209 --> 01:11:02,940
in Egyptian one was awas and then if you

1509
01:11:07,790 --> 01:11:05,219
reversed it you got siwa

1510
01:11:10,490 --> 01:11:07,800
and and in one minute brain and the

1511
01:11:13,610 --> 01:11:10,500
other meant Consciousness so they they

1512
01:11:16,970 --> 01:11:13,620
constantly took words and then they

1513
01:11:19,070 --> 01:11:16,980

would put them forwards or backwards to

1514

01:11:21,229 --> 01:11:19,080

describe their nature and what they did

1515

01:11:23,990 --> 01:11:21,239

and so one of these was related to this

1516

01:11:27,890 --> 01:11:24,000

Ben Ben which was derived from the neb

1517

01:11:29,630 --> 01:11:27,900

which was the gold so from the Ned you

1518

01:11:32,510 --> 01:11:29,640

get the light Stone

1519

01:11:35,630 --> 01:11:32,520

and which was this

1520

01:11:36,770 --> 01:11:35,640

um also known as mythkuts in in the

1521

01:11:40,070 --> 01:11:36,780

Egyptian

1522

01:11:41,870 --> 01:11:40,080

uh language which was uh

1523

01:11:45,649 --> 01:11:41,880

this powder

1524

01:11:49,010 --> 01:11:45,659

that was found could be created but it

1525

01:11:50,630 --> 01:11:49,020

was also found in in a region that is

1526

01:11:53,149 --> 01:11:50,640

rich in turquoise

1527

01:11:56,209 --> 01:11:53,159

and so sometimes that word miffus gets

1528

01:12:00,530 --> 01:11:56,219

associated with turquoise but it was

1529

01:12:03,830 --> 01:12:00,540

um it was this white powder of gold that

1530

01:12:07,070 --> 01:12:03,840

was described even at Luxor in in Moses

1531

01:12:11,149 --> 01:12:07,080

III's treasury house that talks about

1532

01:12:13,550 --> 01:12:11,159

white gold as part of the treasury and

1533

01:12:15,830 --> 01:12:13,560

and we're not talking white gold like

1534

01:12:18,590 --> 01:12:15,840

when when we think about it with jewelry

1535

01:12:21,830 --> 01:12:18,600

but we're talking about changing the

1536

01:12:24,709 --> 01:12:21,840

fundamental nature of the gold so it

1537

01:12:26,330 --> 01:12:24,719

becomes this white powder and they would

1538

01:12:29,510 --> 01:12:26,340

bake it into bread

1539

01:12:32,330 --> 01:12:29,520

uh they bake it into these conical bread

1540

01:12:35,270 --> 01:12:32,340

which you'll see the uh on the Egyptian

1541

01:12:38,090 --> 01:12:35,280

walls of of uh you know this being

1542

01:12:40,910 --> 01:12:38,100

offered to the to the pharaoh

1543

01:12:43,490 --> 01:12:40,920

and it's described in the Egyptian Book

1544

01:12:45,470 --> 01:12:43,500

of the Dead or the Egyptian Book of

1545

01:12:49,729 --> 01:12:45,480

coming forth into the light or coming

1546

01:12:54,169 --> 01:12:49,739

forth by day is the the name for it

1547

01:12:55,430 --> 01:12:54,179

um and uh it's also found uh

1548

01:12:58,130 --> 01:12:55,440

you know

1549

01:13:00,890 --> 01:12:58,140

according to tradition this same powder

1550

01:13:03,649 --> 01:13:00,900

was put inside these arcs

1551

01:13:06,229 --> 01:13:03,659

that were these power generators that

1552

01:13:09,830 --> 01:13:06,239

are also depicted on the temple walls in

1553

01:13:13,189 --> 01:13:09,840

Egypt now we we've talked about that and

1554

01:13:15,470 --> 01:13:13,199

if anybody wants to really uh check out

1555

01:13:19,189 --> 01:13:15,480

a pretty in-depth discussion check out

1556

01:13:24,830 --> 01:13:19,199

my TV show uh into the void yes

1557

01:13:26,930 --> 01:13:24,840

um where uh Tim and I uh uh discussed

1558

01:13:30,470 --> 01:13:26,940

this in depth with with some pretty

1559

01:13:34,250 --> 01:13:30,480

amazing images uh as well and I've seen

1560

01:13:38,149 --> 01:13:34,260

the conical I've seen that artwork

1561

01:13:40,250 --> 01:13:38,159

um I I I never I've heard it explained

1562

01:13:43,810 --> 01:13:40,260

to me as bread it was just a strange way

1563

01:13:46,550 --> 01:13:43,820

to bake bread yeah right

1564

01:13:49,250 --> 01:13:46,560

and it's it's it's because when you when

1565

01:13:51,830 --> 01:13:49,260

you when you manifest that mono when you

1566

01:13:53,750 --> 01:13:51,840

extract it from uh in particular when

1567

01:13:56,930 --> 01:13:53,760

you extract it from because you can

1568

01:13:59,450 --> 01:13:56,940

extract It From the Ashes of things but

1569

01:14:02,930 --> 01:13:59,460

when you do that it ends up forming that

1570

01:14:05,930 --> 01:14:02,940

shape and the vessel it ends up forming

1571

01:14:08,330 --> 01:14:05,940

this like conical oh I just said into

1572

01:14:10,610 --> 01:14:08,340

the void that's a Black Sabbath song my

1573

01:14:12,430 --> 01:14:10,620

show is called into the Vortex into the

1574

01:14:16,750 --> 01:14:12,440

Vortex

1575

01:14:19,850 --> 01:14:16,760

void uh right before the show tonight

1576

01:14:23,149 --> 01:14:19,860

and uh so it was and I was playing it on

1577

01:14:26,630 --> 01:14:23,159

guitar and uh blame that on Zack Wilde

1578

01:14:28,850 --> 01:14:26,640

uh into the void there are no mistakes

1579

01:14:30,669 --> 01:14:28,860

it's all synchronicity there's a reason

1580

01:14:32,810 --> 01:14:30,679

why it's there we just don't know it yet

1581

01:14:35,030 --> 01:14:32,820

maybe I should have called that show

1582

01:14:37,310 --> 01:14:35,040

into the void well I'll tell you you

1583

01:14:38,590 --> 01:14:37,320

know what I love that this show is

1584

01:14:43,689 --> 01:14:38,600

number

1585

01:14:50,330 --> 01:14:47,390

you know the the 1776 the foundation of

1586

01:14:53,630 --> 01:14:50,340

the United States of America and uh well

1587

01:14:56,750 --> 01:14:53,640

okay so let's stay on this monatomic I I

1588

01:14:59,450 --> 01:14:56,760

I'm not gonna let this go this is a that

1589

01:15:02,530 --> 01:14:59,460

we're talking about all of the great

1590

01:15:05,450 --> 01:15:02,540

philosophers who were Alchemists right

1591

01:15:08,050 --> 01:15:05,460

and the scientists of the day let's call

1592

01:15:10,430 --> 01:15:08,060

them the physicists of the day and it's

1593

01:15:12,370 --> 01:15:10,440

even Isaac Newton right everybody

1594

01:15:15,290 --> 01:15:12,380

teaching the philosophy

1595

01:15:17,750 --> 01:15:15,300

and and monatomical

1596

01:15:19,970 --> 01:15:17,760

um so let's let's discuss this process

1597

01:15:22,790 --> 01:15:19,980

for a second

1598

01:15:25,550 --> 01:15:22,800

you're are you starting with gold gold

1599

01:15:29,209 --> 01:15:25,560

well you can you can start with regular

1600

01:15:32,689 --> 01:15:29,219

gold and convert it into this white

1601

01:15:34,550 --> 01:15:32,699

powder there is it well okay you just

1602

01:15:36,590 --> 01:15:34,560

can't say you can convert how does that

1603

01:15:39,530 --> 01:15:36,600

yeah well first you had to break it down

1604

01:15:42,350 --> 01:15:39,540

with certain acids uh there's an acid

1605

01:15:44,870 --> 01:15:42,360

called aqua regia which is actually a

1606

01:15:46,729 --> 01:15:44,880

combination of different acids and and

1607

01:15:49,310 --> 01:15:46,739

in when you

1608

01:15:52,370 --> 01:15:49,320

when you dissolve the gold it'll it'll

1609

01:15:55,010 --> 01:15:52,380

turn into like a green liquid and then

1610

01:15:57,410 --> 01:15:55,020

from that green liquid you could uh

1611

01:15:58,910 --> 01:15:57,420

condense it and it'll turn into like a

1612

01:16:03,830 --> 01:15:58,920

reddish powder

1613

01:16:07,010 --> 01:16:03,840

can subject it to more processes which

1614

01:16:10,130 --> 01:16:07,020

will convert it into this white powder

1615

01:16:13,490 --> 01:16:10,140

so that's that's one way to do it uh the

1616

01:16:15,770 --> 01:16:13,500

the other way is you can also extract it

1617

01:16:18,649 --> 01:16:15,780

out it's it's found

1618

01:16:21,709 --> 01:16:18,659

pretty much in everything but you have

1619

01:16:23,930 --> 01:16:21,719

to calcinate it down to ashes first and

1620

01:16:26,030 --> 01:16:23,940

then you can extract it out of the ashes

1621

01:16:29,149 --> 01:16:26,040

and that's the easier way to do it to be

1622

01:16:33,050 --> 01:16:29,159

totally honest okay I know you've got

1623

01:16:35,689 --> 01:16:33,060

the secrets what's your recipe well I

1624

01:16:38,090 --> 01:16:35,699

I've done both uh it's just a question

1625

01:16:40,610 --> 01:16:38,100

of sometimes if you if you're extracting

1626

01:16:41,709 --> 01:16:40,620

it out of Ashes you also get

1627

01:16:48,290 --> 01:16:41,719

um

1628

01:16:51,550 --> 01:16:48,300

might get monatomic copper monatomic

1629

01:16:55,550 --> 01:16:51,560

Silver monatomic Platinum monatomic

1630

01:16:57,830 --> 01:16:55,560

iridium ruthenium you know so so all of

1631

01:16:59,090 --> 01:16:57,840

you know these can become monatomic as

1632

01:17:01,610 --> 01:16:59,100

well so

1633

01:17:03,790 --> 01:17:01,620

when you're extracting out of Ashes it's

1634

01:17:06,110 --> 01:17:03,800

more of a hodgepodge of these different

1635

01:17:08,390 --> 01:17:06,120

monoatomics as opposed to when you

1636

01:17:12,290 --> 01:17:08,400

convert gold

1637

01:17:16,490 --> 01:17:12,300

into monatomic gold it's uh it's just

1638

01:17:19,250 --> 01:17:16,500

pure gold monoatomics and the

1639

01:17:23,870 --> 01:17:19,260

um we're not changing the subject I'm

1640

01:17:26,689 --> 01:17:23,880

fascinated with this and most don't know

1641

01:17:29,750 --> 01:17:26,699

the real history here and and the

1642

01:17:32,090 --> 01:17:29,760

processes that are done uh so I want to

1643

01:17:34,010 --> 01:17:32,100

stay on this but if we back up and we go

1644

01:17:37,669 --> 01:17:34,020

to you know the great work of sitchin

1645

01:17:42,290 --> 01:17:37,679

and of course the Sumerian Tablets which

1646

01:17:45,290 --> 01:17:42,300

the Anunnaki were coming here part of

1647

01:17:49,090 --> 01:17:45,300

the reason why they were here uh besides

1648

01:17:54,610 --> 01:17:52,910

to mine gold because they needed to turn

1649

01:17:59,689 --> 01:17:54,620

it into powder

1650

01:18:02,270 --> 01:17:59,699

to Shield uh their planet from radiation

1651

01:18:05,090 --> 01:18:02,280

well that's yeah that's one

1652

01:18:07,010 --> 01:18:05,100

what's one theory behind it I I'm

1653

01:18:09,290 --> 01:18:07,020

actually of the opinion that they were

1654

01:18:10,970 --> 01:18:09,300

mining it and turning it into a powder

1655

01:18:13,070 --> 01:18:10,980

because

1656

01:18:16,850 --> 01:18:13,080

uh it's abundance here

1657

01:18:18,410 --> 01:18:16,860

and that uh you can use that powder not

1658

01:18:21,169 --> 01:18:18,420

only for healing

1659

01:18:21,770 --> 01:18:21,179

but also for

1660

01:18:24,770 --> 01:18:21,780

um

1661

01:18:26,570 --> 01:18:24,780

it's a superconductive substance

1662

01:18:28,910 --> 01:18:26,580

it's exotic matter the federal

1663

01:18:29,750 --> 01:18:28,920

government classifies it as an exotic

1664

01:18:32,510 --> 01:18:29,760

matter

1665

01:18:34,490 --> 01:18:32,520

and it it can help produce a tremendous

1666

01:18:37,550 --> 01:18:34,500

amount of electricity and it was also

1667

01:18:38,470 --> 01:18:37,560

helped with levitation

1668

01:18:42,649 --> 01:18:38,480

um

1669

01:18:44,390 --> 01:18:42,659

so uh in making things lighter so you

1670

01:18:48,470 --> 01:18:44,400

know if you're making a ship

1671

01:18:51,530 --> 01:18:48,480

which in fact the the uh the Sumerian

1672

01:18:54,830 --> 01:18:51,540

ships were known as shimana that was the

1673

01:18:58,250 --> 01:18:54,840

Sumerian word for it and the word for

1674

01:19:00,169 --> 01:18:58,260

this white powder that we find in uh for

1675

01:19:03,350 --> 01:19:00,179

example in the Torah in the New

1676

01:19:07,070 --> 01:19:03,360

Testament other places is known as Mana

1677

01:19:10,250 --> 01:19:07,080

so there's there's most likely a

1678

01:19:14,450 --> 01:19:10,260

correlation between the Mana the Hebrew

1679

01:19:16,370 --> 01:19:14,460

mana and the shimana of ancient Sumer is

1680

01:19:18,530 --> 01:19:16,380

there's also a correlation between that

1681

01:19:20,330 --> 01:19:18,540

and the Vimana

1682

01:19:24,350 --> 01:19:20,340

of

1683

01:19:27,649 --> 01:19:24,360

um India in India yeah so you see the

1684

01:19:31,729 --> 01:19:27,659

commonality here's this Mana now can you

1685

01:19:34,010 --> 01:19:31,739

reverse the process yes you can can you

1686

01:19:35,930 --> 01:19:34,020

get gold at the end of the line yeah

1687

01:19:38,390 --> 01:19:35,940

yeah and I think that's one of the

1688

01:19:40,490 --> 01:19:38,400

secrets for transmuting things into gold

1689

01:19:42,410 --> 01:19:40,500

they're really just converting it back

1690

01:19:44,870 --> 01:19:42,420

into a gold state it took this white

1691

01:19:47,209 --> 01:19:44,880

powder and were able to convert it back

1692

01:19:51,110 --> 01:19:47,219

into gold state and by the way

1693

01:19:54,350 --> 01:19:51,120

the ancient Sumerian name for this

1694

01:19:59,810 --> 01:19:54,360

process of this alchemical process

1695

01:20:03,350 --> 01:19:59,820

was known as gra Al g r a DOT a l

1696

01:20:05,390 --> 01:20:03,360

which is the origin of Grail right I

1697

01:20:08,270 --> 01:20:05,400

mean that's really when when the when

1698

01:20:11,390 --> 01:20:08,280

the Templars were were credited with

1699

01:20:14,390 --> 01:20:11,400

having the holy grail and they described

1700

01:20:16,850 --> 01:20:14,400

the Grail as a stone that burned the

1701

01:20:19,189 --> 01:20:16,860

stone that burned the Phoenix to ashes

1702

01:20:21,290 --> 01:20:19,199

after which it came back renewed and it

1703

01:20:23,510 --> 01:20:21,300

restored Health to them

1704

01:20:26,990 --> 01:20:23,520

they're talking about an Alchemy the

1705

01:20:29,270 --> 01:20:27,000

same alchemical process so that somebody

1706

01:20:32,810 --> 01:20:29,280

just cracked a joke that you look like

1707

01:20:34,990 --> 01:20:32,820

Tony Hawk well I do have a skateboard

1708

01:20:37,970 --> 01:20:35,000

behind me

1709

01:20:40,550 --> 01:20:37,980

secret secret society's skateboard put

1710

01:20:43,430 --> 01:20:40,560

me on a skateboard so

1711

01:20:46,490 --> 01:20:43,440

Matt can can he do a kickflip

1712

01:20:48,770 --> 01:20:46,500

I uh you know I used to be able to I

1713

01:20:51,410 --> 01:20:48,780

have to admit I'm not uh

1714

01:20:53,030 --> 01:20:51,420

I'm not as Adept with my skateboarding

1715

01:20:55,910 --> 01:20:53,040

as I used to be when I was younger my

1716

01:20:57,590 --> 01:20:55,920

knees just haven't held out I got a lot

1717

01:20:59,689 --> 01:20:57,600

of cool stuff with my picture on it

1718

01:21:02,390 --> 01:20:59,699

people have sent me I I don't have a

1719

01:21:05,570 --> 01:21:02,400

skateboard that that that rules man

1720

01:21:06,950 --> 01:21:05,580

that's way up there okay so what uh okay

1721

01:21:08,689 --> 01:21:06,960

so

1722

01:21:11,510 --> 01:21:08,699

um and and I understand what you're

1723

01:21:16,490 --> 01:21:11,520

saying about the Anunnaki there were

1724

01:21:18,470 --> 01:21:16,500

many reasons uh uh uh many benefits uh

1725

01:21:20,450 --> 01:21:18,480

to gold for them

1726

01:21:22,370 --> 01:21:20,460

um and we just happen to have an

1727

01:21:23,810 --> 01:21:22,380

abundance of it here there may be some

1728

01:21:26,689 --> 01:21:23,820

more out there in the universe but we

1729

01:21:31,010 --> 01:21:26,699

had it here and and they were here and

1730

01:21:34,310 --> 01:21:31,020

and that is that but monatomic gold and

1731

01:21:37,910 --> 01:21:34,320

and silver you can find a lot of

1732

01:21:41,570 --> 01:21:37,920

different reasons uh to ingest that

1733

01:21:44,530 --> 01:21:41,580

today online what were the ancient uh

1734

01:21:47,330 --> 01:21:44,540

traditions for for creating monatomical

1735

01:21:50,450 --> 01:21:47,340

well they they

1736

01:21:53,630 --> 01:21:50,460

at least according to our Templar

1737

01:21:56,209 --> 01:21:53,640

research I mean one of it was for uh

1738

01:21:58,250 --> 01:21:56,219

ingesting it was like a medicine it

1739

01:22:00,410 --> 01:21:58,260

helped heal the body and

1740

01:22:02,330 --> 01:22:00,420

and made the body more Super conductive

1741

01:22:05,270 --> 01:22:02,340

itself more the body itself more

1742

01:22:08,149 --> 01:22:05,280

conductive which allowed it to the

1743

01:22:10,850 --> 01:22:08,159

glands to operate uh more in harmony

1744

01:22:14,750 --> 01:22:10,860

with their environment which uh a lot

1745

01:22:17,330 --> 01:22:14,760

opened up psychic perception

1746

01:22:19,270 --> 01:22:17,340

um so that was one reason for it it also

1747

01:22:21,890 --> 01:22:19,280

helped heal the body

1748

01:22:24,290 --> 01:22:21,900

but because this substance was

1749

01:22:27,590 --> 01:22:24,300

superconductive if you put it inside a

1750

01:22:30,649 --> 01:22:27,600

capacitor like say an arc like the Arc

1751

01:22:33,229 --> 01:22:30,659

of the Covenant it could produce a

1752

01:22:36,169 --> 01:22:33,239

tremendous amount of electricity

1753

01:22:38,090 --> 01:22:36,179

and I think this was was part of what

1754

01:22:39,950 --> 01:22:38,100

was being used as well

1755

01:22:42,350 --> 01:22:39,960

and I think that's really what the

1756

01:22:44,209 --> 01:22:42,360

reason why Solomon built his Temple

1757

01:22:47,930 --> 01:22:44,219

right he built this Temple to hold the

1758

01:22:48,830 --> 01:22:47,940

ark and the Ark was built to hold the

1759

01:22:52,550 --> 01:22:48,840

mono

1760

01:22:54,649 --> 01:22:52,560

so it all goes back to that monarch and

1761

01:22:58,189 --> 01:22:54,659

um you know prior to the temple they

1762

01:23:02,149 --> 01:22:58,199

they put it in uh in a in a tabernacle

1763

01:23:04,010 --> 01:23:02,159

with with wool curtains which which

1764

01:23:06,470 --> 01:23:04,020

would help to generate tremendous

1765

01:23:08,330 --> 01:23:06,480

electricity static electricity you know

1766

01:23:11,090 --> 01:23:08,340

within the in the middle of the desert

1767

01:23:13,130 --> 01:23:11,100

you know with this capacitor in in the

1768

01:23:16,430 --> 01:23:13,140

middle of these wool curtains

1769

01:23:18,410 --> 01:23:16,440

uh yeah I'm not gonna let that go but

1770

01:23:20,450 --> 01:23:18,420

I'm also not going to let my point go

1771

01:23:22,669 --> 01:23:20,460

I'm going to stay out of this I want to

1772

01:23:26,110 --> 01:23:22,679

learn I'm learning right now

1773

01:23:28,430 --> 01:23:26,120

so the uh

1774

01:23:31,370 --> 01:23:28,440

how would you

1775

01:23:33,590 --> 01:23:31,380

I don't understand clarify this how

1776

01:23:36,350 --> 01:23:33,600

would you ingest if you wanted to do

1777

01:23:38,810 --> 01:23:36,360

this for your body yeah how would you

1778

01:23:41,090 --> 01:23:38,820

ingest this do you snort it do you smoke

1779

01:23:45,169 --> 01:23:41,100

it do you drink it do you mix it in your

1780

01:23:48,110 --> 01:23:45,179

coffee how do you ingest monotoma gold

1781

01:23:51,649 --> 01:23:48,120

and by the way I'm not dispensing of

1782

01:23:54,709 --> 01:23:51,659

medical advice right now I'm just asking

1783

01:23:56,750 --> 01:23:54,719

questions for my own uh knowledge base

1784

01:23:58,970 --> 01:23:56,760

but but how would you how would you

1785

01:24:01,970 --> 01:23:58,980

ingest it uh it would just be put under

1786

01:24:04,189 --> 01:24:01,980

the tongue uh oftentimes they would uh

1787

01:24:05,510 --> 01:24:04,199

they would actually fast prior to

1788

01:24:08,750 --> 01:24:05,520

ingesting it

1789

01:24:11,510 --> 01:24:08,760

and then it would be taken much like a

1790

01:24:16,070 --> 01:24:11,520

like a communion

1791

01:24:17,630 --> 01:24:16,080

um and uh in fact it could be argued you

1792

01:24:19,370 --> 01:24:17,640

know one of the places where it's it's

1793

01:24:21,709 --> 01:24:19,380

abundantly found

1794

01:24:24,649 --> 01:24:21,719

where these monoatomics are abundantly

1795

01:24:26,810 --> 01:24:24,659

found is within sea salt

1796

01:24:28,790 --> 01:24:26,820

so you can extract it out of sea salt

1797

01:24:32,330 --> 01:24:28,800

and seawater

1798

01:24:36,410 --> 01:24:32,340

and why this is significant is from a

1799

01:24:39,649 --> 01:24:36,420

from a Christian mythology standpoint

1800

01:24:44,810 --> 01:24:39,659

uh let's look at the story of Jesus

1801

01:24:48,050 --> 01:24:44,820

Jesus is born from Maria Mary right Mary

1802

01:24:49,310 --> 01:24:48,060

Maria in Greek just means salt water or

1803

01:24:52,250 --> 01:24:49,320

c

1804

01:24:55,550 --> 01:24:52,260

right so what happens if you heat salt

1805

01:24:57,709 --> 01:24:55,560

water you get salt cubes

1806

01:25:00,070 --> 01:24:57,719

right it's like Immaculate Conception

1807

01:25:03,110 --> 01:25:00,080

out of the salt water you get salt cubes

1808

01:25:05,149 --> 01:25:03,120

well then if you unfold the salt Cube

1809

01:25:08,090 --> 01:25:05,159

and I say a salt Cube because if you

1810

01:25:12,470 --> 01:25:08,100

look at Salt under a microscope

1811

01:25:14,930 --> 01:25:12,480

it's each green is is a is a cube

1812

01:25:16,729 --> 01:25:14,940

so if you unfold a cube what do you get

1813

01:25:18,950 --> 01:25:16,739

you get a cross

1814

01:25:21,770 --> 01:25:18,960

right and out of that cross hidden

1815

01:25:25,610 --> 01:25:21,780

within that cube is this mama

1816

01:25:29,209 --> 01:25:25,620

and he's born in Bethlehem which in

1817

01:25:31,729 --> 01:25:29,219

Hebrew Bethlehem means House of Bread

1818

01:25:33,950 --> 01:25:31,739

right and so what did you do with the

1819

01:25:38,149 --> 01:25:33,960

Mana you baked it into the bread

1820

01:25:40,550 --> 01:25:38,159

so to Alchemist look to this story as a

1821

01:25:43,610 --> 01:25:40,560

alchemical metaphor for alchemical

1822

01:25:46,209 --> 01:25:43,620

operations that they also found going

1823

01:25:50,090 --> 01:25:46,219

back into ancient Egypt

1824

01:25:53,149 --> 01:25:50,100

Mary was also a an Egyptian name

1825

01:25:54,050 --> 01:25:53,159

and it was uh

1826

01:25:57,229 --> 01:25:54,060

um

1827

01:26:00,050 --> 01:25:57,239

you know came to be adopted uh in in

1828

01:26:02,330 --> 01:26:00,060

mint C by the by the Greeks but they got

1829

01:26:05,390 --> 01:26:02,340

that name from the Egyptians who who

1830

01:26:07,490 --> 01:26:05,400

also you know used the word Mary

1831

01:26:09,470 --> 01:26:07,500

so in fact the pyramids themselves the

1832

01:26:12,350 --> 01:26:09,480

the word for Pyramid the ancient word

1833

01:26:15,410 --> 01:26:12,360

for the pyramid and Giza was myrrh

1834

01:26:19,149 --> 01:26:15,420

which is the root of Murray you know so

1835

01:26:23,950 --> 01:26:19,159

yeah that's that's one of the things

1836

01:26:28,490 --> 01:26:23,960

that uh we I'm telling you right now

1837

01:26:30,050 --> 01:26:28,500

most of uh this country they don't have

1838

01:26:34,610 --> 01:26:30,060

any concept

1839

01:26:38,510 --> 01:26:34,620

of what happens to your brain when you

1840

01:26:39,709 --> 01:26:38,520

step onto the soil of of the Giza

1841

01:26:44,330 --> 01:26:39,719

plateau

1842

01:26:47,330 --> 01:26:44,340

the history that is there you look up at

1843

01:26:50,950 --> 01:26:47,340

that pyramid you don't you don't get it

1844

01:26:53,450 --> 01:26:50,960

you simply you don't get it

1845

01:26:56,930 --> 01:26:53,460

that's the ground

1846

01:26:59,689 --> 01:26:56,940

where Moses walked right this is like

1847

01:27:01,610 --> 01:26:59,699

wait a minute the same dirt you're at

1848

01:27:05,030 --> 01:27:01,620

the Mina house having breakfast looking

1849

01:27:08,209 --> 01:27:05,040

at the Great Pyramid right yeah right uh

1850

01:27:11,450 --> 01:27:08,219

right right right right there's the dirt

1851
01:27:13,669 --> 01:27:11,460
that Jesus walked on yeah and according

1852
01:27:16,010 --> 01:27:13,679
to Templar tradition Jesus was even

1853
01:27:18,189 --> 01:27:16,020
initiated there uh

1854
01:27:20,689 --> 01:27:18,199
in the pyramid

1855
01:27:22,850 --> 01:27:20,699
you know and I don't

1856
01:27:25,250 --> 01:27:22,860
I don't know to say that's definitively

1857
01:27:28,189 --> 01:27:25,260
true or not but there is a there is a

1858
01:27:31,010 --> 01:27:28,199
Templar a text published by the Templar

1859
01:27:33,470 --> 01:27:31,020
order uh known as the leviticon that was

1860
01:27:35,149 --> 01:27:33,480
published by one of our grand Masters in

1861
01:27:37,970 --> 01:27:35,159
1804

1862
01:27:40,669 --> 01:27:37,980
and in it it you know it talks about

1863
01:27:42,530 --> 01:27:40,679

Jesus being initiated in Egypt studying

1864

01:27:43,970 --> 01:27:42,540

the Mysteries there and according to

1865

01:27:45,830 --> 01:27:43,980

tradition

1866

01:27:47,570 --> 01:27:45,840

yeah he was initiated in the Great

1867

01:27:50,510 --> 01:27:47,580

Pyramid as well as several other people

1868

01:27:52,729 --> 01:27:50,520

including you know Napoleon later and we

1869

01:27:55,189 --> 01:27:52,739

still do Templar initiations in there to

1870

01:27:58,310 --> 01:27:55,199

this day in fact uh

1871

01:28:00,649 --> 01:27:58,320

yeah I do them all the time so it's you

1872

01:28:05,870 --> 01:28:00,659

know when you when you arrive into sure

1873

01:28:07,910 --> 01:28:05,880

right and and you walk up to the the

1874

01:28:11,770 --> 01:28:07,920

bent pyramid the step pyramid I mean

1875

01:28:14,110 --> 01:28:11,780

yeah and you and you look at that

1876

01:28:17,030 --> 01:28:14,120

and understand

1877

01:28:19,610 --> 01:28:17,040

that now allegedly I'm just saying

1878

01:28:21,770 --> 01:28:19,620

allegedly okay just allegedly it was

1879

01:28:22,810 --> 01:28:21,780

built before the Great Pyramid right

1880

01:28:30,410 --> 01:28:22,820

right

1881

01:28:34,129 --> 01:28:30,420

whatever but it is old and the dirt that

1882

01:28:37,490 --> 01:28:34,139

you are walking on and and that that

1883

01:28:40,129 --> 01:28:37,500

Temple site that surrounds uh the step

1884

01:28:43,729 --> 01:28:40,139

pyramid or the band pyramid or The Red

1885

01:28:46,250 --> 01:28:43,739

Pyramid or or or the Great Pyramid or

1886

01:28:50,990 --> 01:28:46,260

even before

1887

01:28:53,570 --> 01:28:51,000

um it's the history that is there right

1888

01:28:56,209 --> 01:28:53,580

so we go and we use all of these names

1889

01:28:59,030 --> 01:28:56,219

and we say these names uh you know of of

1890

01:29:01,629 --> 01:28:59,040

deep history and if you want to know

1891

01:29:05,450 --> 01:29:01,639

where to go to Egypt

1892

01:29:08,030 --> 01:29:05,460

it starts to really hit you you don't

1893

01:29:11,270 --> 01:29:08,040

get it from driving on the 10 freeway in

1894

01:29:14,450 --> 01:29:11,280

downtown L.A it's it's no it's it's not

1895

01:29:16,850 --> 01:29:14,460

the same feeling even even Pythagoras

1896

01:29:19,970 --> 01:29:16,860

studied there in Egypt for you know

1897

01:29:22,310 --> 01:29:19,980

decades uh you know prior to you know

1898

01:29:25,310 --> 01:29:22,320

settling back near Greece you know I

1899

01:29:27,950 --> 01:29:25,320

mean I I read a couple of quotes

1900

01:29:28,810 --> 01:29:27,960

um from Pythagoras from Socrates from

1901

01:29:33,070 --> 01:29:28,820

Plato

1902

01:29:36,290 --> 01:29:33,080

that all say the exact same thing

1903

01:29:40,010 --> 01:29:36,300

trust me on this this is going to upset

1904

01:29:41,629 --> 01:29:40,020

the Greek Nation but philosophy didn't

1905

01:29:45,350 --> 01:29:41,639

come from the Greeks

1906

01:29:48,229 --> 01:29:45,360

came from ancient Egypt and they

1907

01:29:51,590 --> 01:29:48,239

recognized I have I have the name

1908

01:29:54,890 --> 01:29:51,600

two thousand years before Plato was the

1909

01:29:57,050 --> 01:29:54,900

birth of philosophy yeah

1910

01:29:59,510 --> 01:29:57,060

yeah and even I mean the Pythagoras is

1911

01:30:02,030 --> 01:29:59,520

the one who coined the term philosophy

1912

01:30:03,770 --> 01:30:02,040

which just comes from Philo Sophia I

1913

01:30:06,470 --> 01:30:03,780

mean lover of wisdom

1914

01:30:08,750 --> 01:30:06,480

but Sophia was also

1915

01:30:12,530 --> 01:30:08,760

you know she was a goddess depicted in

1916

01:30:15,110 --> 01:30:12,540

the Greek tradition but but it was a

1917

01:30:17,689 --> 01:30:15,120

carryover of Isis

1918

01:30:21,110 --> 01:30:17,699

you know so that's all Sophia was was a

1919

01:30:24,430 --> 01:30:21,120

was a a rebranding of Isis

1920

01:30:26,930 --> 01:30:24,440

as Sophia the goddess Sophia so so

1921

01:30:30,050 --> 01:30:26,940

philosophy was really the lover of

1922

01:30:32,689 --> 01:30:30,060

Sophia which was the lover of Isis

1923

01:30:35,209 --> 01:30:32,699

uh and and those Mysteries going back to

1924

01:30:39,709 --> 01:30:35,219

ancient Egypt everything was re-wrapped

1925

01:30:42,649 --> 01:30:39,719

yeah everything was rewrapped and now uh

1926

01:30:45,410 --> 01:30:42,659

let's uh we're gonna I want to ask you

1927

01:30:47,570 --> 01:30:45,420

about this breaking news

1928

01:30:49,970 --> 01:30:47,580

um and we can come back to philosophy we

1929

01:30:55,250 --> 01:30:49,980

can come back

1930

01:30:57,370 --> 01:30:55,260

um but uh uh another chamber was just

1931

01:31:00,830 --> 01:30:57,380

discovered inside of the Great Pyramid

1932

01:31:02,450 --> 01:31:00,840

huge news they did a press conference uh

1933

01:31:05,570 --> 01:31:02,460

there in Giza outside of the Great

1934

01:31:06,850 --> 01:31:05,580

Pyramid where they announced uh this

1935

01:31:10,689 --> 01:31:06,860

chamber

1936

01:31:14,450 --> 01:31:10,699

and the Chamber okay

1937

01:31:17,030 --> 01:31:14,460

well let's Circle back to that but if we

1938

01:31:19,010 --> 01:31:17,040

that's the second chamber right in in

1939

01:31:21,169 --> 01:31:19,020

the last five years uh the other one

1940

01:31:23,870 --> 01:31:21,179

being above the grand Gallery which is

1941

01:31:27,530 --> 01:31:23,880

ginormous by the way yeah

1942

01:31:30,169 --> 01:31:27,540

um according to egyptologists uh the

1943

01:31:32,570 --> 01:31:30,179

traditionalist and the dogma and zahi

1944

01:31:34,689 --> 01:31:32,580

Hai was there was nothing more to

1945

01:31:38,510 --> 01:31:34,699

discover yeah yeah

1946

01:31:41,450 --> 01:31:38,520

of Egypt oh by the way I I think hiawas

1947

01:31:43,490 --> 01:31:41,460

and brain doesn't apply to zahi that's a

1948

01:31:44,689 --> 01:31:43,500

that's a whole nother high was and see

1949

01:31:46,250 --> 01:31:44,699

why

1950

01:31:49,910 --> 01:31:46,260

um

1951

01:31:53,689 --> 01:31:49,920

so anyway uh and I'm not gonna apologize

1952

01:31:55,490 --> 01:31:53,699

for for being that Cavalier no no but

1953

01:31:58,010 --> 01:31:55,500

there was nothing to be discovered

1954

01:32:01,850 --> 01:31:58,020

anymore inside of the Great Pyramid

1955

01:32:03,050 --> 01:32:01,860

clearly that is not the case is it no I

1956

01:32:05,270 --> 01:32:03,060

think there's a lot more to be

1957

01:32:10,129 --> 01:32:05,280

discovered in the in the Great Pyramid I

1958

01:32:15,590 --> 01:32:12,770

this new chamber that they discovered is

1959

01:32:19,070 --> 01:32:15,600

probably uh

1960

01:32:22,070 --> 01:32:19,080

one of the original entrances to the

1961

01:32:26,689 --> 01:32:22,080

pyramid I think that's all they probably

1962

01:32:29,390 --> 01:32:26,699

found and it may in fact lead to that

1963

01:32:30,970 --> 01:32:29,400

other chamber that goes above the grand

1964

01:32:34,250 --> 01:32:30,980

gallery

1965

01:32:36,410 --> 01:32:34,260

but time will time will tell I mean

1966

01:32:37,370 --> 01:32:36,420

right now they're able to just get kind

1967

01:32:39,169 --> 01:32:37,380

of a

1968

01:32:46,010 --> 01:32:39,179

a

1969

01:32:46,610 --> 01:32:46,020

there yet

1970

01:32:48,950 --> 01:32:46,620

um

1971

01:32:51,590 --> 01:32:48,960

and I don't foresee the Egyptian

1972

01:32:55,129 --> 01:32:51,600

government being uh

1973

01:32:59,510 --> 01:32:55,139

very forthcoming about letting people in

1974

01:33:04,370 --> 01:32:59,520

there uh write you know anytime soon but

1975

01:33:07,629 --> 01:33:04,380

there are even if you go down to the um

1976

01:33:10,910 --> 01:33:07,639

The Grotto the basement of the pyramid

1977

01:33:15,110 --> 01:33:10,920

there there are areas where you can see

1978

01:33:17,750 --> 01:33:15,120

uh there are other

1979

01:33:19,129 --> 01:33:17,760

hallways that lead to nothing

1980

01:33:20,870 --> 01:33:19,139

down there

1981

01:33:24,890 --> 01:33:20,880

and

1982

01:33:27,350 --> 01:33:24,900

they clearly went to other

1983

01:33:30,950 --> 01:33:27,360

Chambers or other

1984

01:33:33,709 --> 01:33:30,960

uh other passageways that have since

1985

01:33:36,649 --> 01:33:33,719

been closed up so I think there's a lot

1986

01:33:39,410 --> 01:33:36,659

more that'll be discovered in the the

1987

01:33:41,450 --> 01:33:39,420

years ahead once they start looking more

1988

01:33:42,950 --> 01:33:41,460

in those areas right now they've been

1989

01:33:45,350 --> 01:33:42,960

kind of looking and

1990

01:33:47,090 --> 01:33:45,360

near the entrance but as they start to

1991

01:33:49,689 --> 01:33:47,100

look at other parts of the pyramid I'm

1992

01:33:53,330 --> 01:33:49,699

sure they'll discover more yeah

1993

01:33:57,649 --> 01:33:53,340

the Subterranean chamber scares me

1994

01:34:01,910 --> 01:33:57,659

um only well it's not it's not finished

1995

01:34:04,850 --> 01:34:01,920

uh well the the tunnel is but the it's

1996

01:34:07,910 --> 01:34:04,860

not it doesn't appear to be I should say

1997

01:34:10,250 --> 01:34:07,920

finished like you know the other uh

1998

01:34:12,530 --> 01:34:10,260

things throughout Egypt but that's not

1999

01:34:14,290 --> 01:34:12,540

what scares me it scares me because it's

2000

01:34:18,110 --> 01:34:14,300

freaking old

2001
01:34:21,950 --> 01:34:18,120
it's way older than the gray pyramid and

2002
01:34:23,209 --> 01:34:21,960
certainly down there it is so deep and

2003
01:34:26,870 --> 01:34:23,219
so

2004
01:34:28,010 --> 01:34:26,880
um uh uh what's the word that uh

2005
01:34:31,189 --> 01:34:28,020
um unknown

2006
01:34:33,229 --> 01:34:31,199
right it's it's the other stuff feels no

2007
01:34:38,510 --> 01:34:33,239
well you can understand

2008
01:34:41,149 --> 01:34:38,520
uh you know a finely carved chamber with

2009
01:34:43,550 --> 01:34:41,159
you know that's that's a different thing

2010
01:34:46,850 --> 01:34:43,560
that is going on down there it's a

2011
01:34:49,610 --> 01:34:46,860
different purpose it's a whole it's not

2012
01:34:51,709 --> 01:34:49,620
part of the Great Pyramid it's not it

2013
01:34:53,570 --> 01:34:51,719

was there before the Great Pyramid I'll

2014

01:34:56,149 --> 01:34:53,580

tell you if you ever next time you're

2015

01:34:58,870 --> 01:34:56,159

down there if you go back down there in

2016

01:35:01,250 --> 01:34:58,880

November uh when you go back

2017

01:35:03,830 --> 01:35:01,260

you know there's Parts where you can

2018

01:35:05,689 --> 01:35:03,840

have your feet on the ground relatively

2019

01:35:07,970 --> 01:35:05,699

on the ground and you can put your your

2020

01:35:10,370 --> 01:35:07,980

hands up and touch the ceiling

2021

01:35:12,470 --> 01:35:10,380

and just do that put your hands up on

2022

01:35:14,330 --> 01:35:12,480

the ceiling and hold it there for a few

2023

01:35:16,430 --> 01:35:14,340

minutes and you will feel you'll start

2024

01:35:19,430 --> 01:35:16,440

to feel the energy

2025

01:35:22,729 --> 01:35:19,440

like waves of energy going through your

2026

01:35:26,030 --> 01:35:22,739

body from from the ground all the way up

2027

01:35:27,890 --> 01:35:26,040

through your body and it's actually kind

2028

01:35:29,629 --> 01:35:27,900

of draining I wouldn't do it for very

2029

01:35:31,729 --> 01:35:29,639

long

2030

01:35:34,510 --> 01:35:31,739

um but you can tell that the energy is

2031

01:35:38,030 --> 01:35:34,520

is all being directed upwards from there

2032

01:35:41,870 --> 01:35:38,040

and uh you can you can literally feel

2033

01:35:43,010 --> 01:35:41,880

the sensations of it if you do that but

2034

01:35:45,649 --> 01:35:43,020

um

2035

01:35:47,570 --> 01:35:45,659

but it is very draining I wouldn't do it

2036

01:35:52,129 --> 01:35:47,580

for very long and I wouldn't stay down

2037

01:35:54,669 --> 01:35:52,139

there for very long either but there is

2038

01:35:59,450 --> 01:35:54,679

um there has to be

2039

01:36:03,050 --> 01:35:59,460

because of the content of of what what

2040

01:36:06,830 --> 01:36:03,060

Granite is made out of the the sheer

2041

01:36:09,770 --> 01:36:06,840

weight of the Limestone blocks the sheer

2042

01:36:12,350 --> 01:36:09,780

weight of the pyramid in general and and

2043

01:36:17,470 --> 01:36:12,360

the foundation that there is an energy

2044

01:36:24,770 --> 01:36:21,050

coming down when you when you stand

2045

01:36:28,070 --> 01:36:24,780

inside of any of the pyramids in in

2046

01:36:31,610 --> 01:36:28,080

Egypt and you'd start to think about

2047

01:36:34,669 --> 01:36:31,620

what is above you yeah

2048

01:36:38,209 --> 01:36:34,679

right and then you understand the energy

2049

01:36:43,010 --> 01:36:38,219

and the forces that are created that are

2050

01:36:46,669 --> 01:36:43,020

coming down it has to exist it's just

2051

01:36:49,430 --> 01:36:46,679

it's just math right it's just yeah it's

2052

01:36:53,270 --> 01:36:49,440

a weight and it's the content of of of

2053

01:36:56,750 --> 01:36:53,280

granite and Limestone and and the force

2054

01:36:58,970 --> 01:36:56,760

generated from the weight combined on

2055

01:37:00,290 --> 01:36:58,980

the other rocks and that could be you

2056

01:37:03,229 --> 01:37:00,300

know and all the way down to the

2057

01:37:07,250 --> 01:37:03,239

Subterranean yep right right right no

2058

01:37:10,370 --> 01:37:07,260

that that has to be that way yeah

2059

01:37:14,209 --> 01:37:10,380

yeah it's you know I I can't say from

2060

01:37:15,410 --> 01:37:14,219

from a Templar perspective when we've uh

2061

01:37:17,870 --> 01:37:15,420

when that

2062

01:37:19,550 --> 01:37:17,880

structure has been used for initiations

2063

01:37:24,709 --> 01:37:19,560

in the past

2064

01:37:28,370 --> 01:37:24,719

uh the the the basement part The Grotto

2065

01:37:30,050 --> 01:37:28,380

was associated with uh kind of a baptism

2066

01:37:32,330 --> 01:37:30,060

by water

2067

01:37:34,370 --> 01:37:32,340

and it was believed that the the person

2068

01:37:37,310 --> 01:37:34,380

as they were put down there in the dark

2069

01:37:40,430 --> 01:37:37,320

they had to overcome their fears and

2070

01:37:42,890 --> 01:37:40,440

their emotional energy and there was all

2071

01:37:43,669 --> 01:37:42,900

that weight of Oppression on them down

2072

01:37:46,070 --> 01:37:43,679

there

2073

01:37:48,229 --> 01:37:46,080

so this was and this was associated with

2074

01:37:51,890 --> 01:37:48,239

water and of course there's that that

2075

01:37:53,870 --> 01:37:51,900

pit down there that uh it almost looks

2076

01:37:54,830 --> 01:37:53,880

like a Jewish Mikvah you know a ritual

2077

01:37:58,310 --> 01:37:54,840

bath

2078

01:38:00,050 --> 01:37:58,320

and uh this is this is you know this was

2079

01:38:01,610 --> 01:38:00,060

associated with water and the emotions

2080

01:38:02,870 --> 01:38:01,620

and getting a hold of all that down

2081

01:38:05,750 --> 01:38:02,880

there

2082

01:38:07,970 --> 01:38:05,760

as you moved up to the Queen's chamber

2083

01:38:10,729 --> 01:38:07,980

the Queen's chamber was more associated

2084

01:38:13,870 --> 01:38:10,739

with air and with things of the mind and

2085

01:38:18,410 --> 01:38:13,880

the intellect and coming to understand

2086

01:38:19,850 --> 01:38:18,420

uh that our mind is a part of a bigger

2087

01:38:22,370 --> 01:38:19,860

mind

2088

01:38:23,990 --> 01:38:22,380

that we're all a part of a universal

2089

01:38:27,110 --> 01:38:24,000

mind if you will

2090

01:38:29,209 --> 01:38:27,120

and then the the king's chamber was was

2091

01:38:31,669 --> 01:38:29,219

associated with fire and this had to do

2092

01:38:34,610 --> 01:38:31,679

with the will and with

2093

01:38:37,189 --> 01:38:34,620

the illumination and and what which the

2094

01:38:39,110 --> 01:38:37,199

Greeks referred to as gnosis

2095

01:38:42,530 --> 01:38:39,120

which was uh

2096

01:38:44,750 --> 01:38:42,540

uh Divine experiential knowledge

2097

01:38:48,110 --> 01:38:44,760

and as you go into some of these places

2098

01:38:50,030 --> 01:38:48,120

like the king's chamber or or some of

2099

01:38:52,850 --> 01:38:50,040

the other places in Egypt

2100

01:38:56,390 --> 01:38:52,860

I mean you have as you refer to it as

2101
01:38:59,649 --> 01:38:56,400
the woo right you you have this these

2102
01:39:03,610 --> 01:38:59,659
experiences that are kind of Beyond

2103
01:39:06,709 --> 01:39:03,620
rationale uh but you but there you know

2104
01:39:09,669 --> 01:39:06,719
something's happening that is uh

2105
01:39:11,229 --> 01:39:09,679
transforming you on some level

2106
01:39:14,209 --> 01:39:11,239
I

2107
01:39:16,669 --> 01:39:14,219
will experiment with that with the with

2108
01:39:18,950 --> 01:39:16,679
the Great Pyramid when I go back

2109
01:39:21,110 --> 01:39:18,960
um because

2110
01:39:23,090 --> 01:39:21,120
um and I've said this uh publicly Tim

2111
01:39:25,610 --> 01:39:23,100
and I'm not here to ruffle feathers I'm

2112
01:39:30,649 --> 01:39:25,620
just here to share my experience and I

2113
01:39:33,530 --> 01:39:30,659

don't want to change or you know uh I I

2114

01:39:36,890 --> 01:39:33,540

don't want to contaminate uh people's uh

2115

01:39:38,530 --> 01:39:36,900

expectations and and stuff but my own

2116

01:39:41,830 --> 01:39:38,540

experience

2117

01:39:45,770 --> 01:39:41,840

the the Great Sphinx

2118

01:39:47,030 --> 01:39:45,780

spiritual moving experience Great

2119

01:39:48,830 --> 01:39:47,040

Pyramid

2120

01:39:53,390 --> 01:39:48,840

dead

2121

01:40:00,229 --> 01:39:53,400

and and now I can explain that

2122

01:40:03,229 --> 01:40:00,239

um it was beautiful but it felt like

2123

01:40:08,390 --> 01:40:03,239

um it felt mechanical to me it felt like

2124

01:40:11,930 --> 01:40:08,400

a a factory it felt empty it felt void

2125

01:40:15,709 --> 01:40:11,940

you go to dendara dude spiritual from

2126
01:40:16,970 --> 01:40:15,719
the get-go right it's just a spiritual

2127
01:40:20,570 --> 01:40:16,980
experience

2128
01:40:23,270 --> 01:40:20,580
uh the the Great Pyramid uh did didn't

2129
01:40:26,510 --> 01:40:23,280
do that for me a lot of it has to do

2130
01:40:29,450 --> 01:40:26,520
with uh in my opinion and just based on

2131
01:40:30,350 --> 01:40:29,460
the rituals that we've done in there in

2132
01:40:32,870 --> 01:40:30,360
the past

2133
01:40:35,870 --> 01:40:32,880
a lot of it has to do with the acoustics

2134
01:40:37,430 --> 01:40:35,880
you have to get the Acoustics right uh

2135
01:40:39,649 --> 01:40:37,440
you know some of those chambers are

2136
01:40:41,990 --> 01:40:39,659
these resonance Chambers and if you get

2137
01:40:43,910 --> 01:40:42,000
the the Acoustics just right

2138
01:40:47,450 --> 01:40:43,920

then it triggers something in the

2139

01:40:49,160 --> 01:40:47,460

Consciousness but uh unless you're

2140

01:40:50,450 --> 01:40:49,170

you know unless you're you're you're

2141

01:40:53,750 --> 01:40:50,460

[Music]

2142

01:40:56,209 --> 01:40:53,760

activating those acoustic sounds yeah I

2143

01:40:58,070 --> 01:40:56,219

mean it just doesn't it's like a it's

2144

01:41:01,370 --> 01:40:58,080

like being in an old silo or something

2145

01:41:05,570 --> 01:41:01,380

you know it no it does have that effect

2146

01:41:08,629 --> 01:41:05,580

on you and when you go to any other

2147

01:41:10,310 --> 01:41:08,639

Temple right and other pyramids too as

2148

01:41:12,890 --> 01:41:10,320

well

2149

01:41:14,750 --> 01:41:12,900

um you see the beauty you see the art

2150

01:41:17,810 --> 01:41:14,760

you know you go to the Valley of the

2151

01:41:21,229 --> 01:41:17,820

Kings oh yeah and it's just full of full

2152

01:41:23,830 --> 01:41:21,239

of Art and and beauty and and I can't I

2153

01:41:26,510 --> 01:41:23,840

every you know dendara

2154

01:41:29,149 --> 01:41:26,520

aesthetically if that doesn't change you

2155

01:41:31,310 --> 01:41:29,159

just by opening up your eyeballs you've

2156

01:41:33,050 --> 01:41:31,320

got something wrong with you oh yeah

2157

01:41:34,609 --> 01:41:33,060

those those hallways that you go through

2158

01:41:37,129 --> 01:41:34,619

and then you go up to the top where

2159

01:41:41,390 --> 01:41:37,139

there's the Zodiac up there I did I I

2160

01:41:43,970 --> 01:41:41,400

did all of that and dandera was just uh

2161

01:41:46,550 --> 01:41:43,980

absolutely incredible and

2162

01:41:50,149 --> 01:41:46,560

um but but anyway so when you go into

2163

01:41:52,490 --> 01:41:50,159

the grand Gallery which visually right

2164

01:41:55,970 --> 01:41:52,500

it's you know it's it's got this

2165

01:41:58,850 --> 01:41:55,980

mechanic it's perfect you know and it's

2166

01:42:03,109 --> 01:41:58,860

and it's freaking big just like going in

2167

01:42:05,810 --> 01:42:03,119

a cathedral but void of any anything

2168

01:42:07,550 --> 01:42:05,820

pleasing to the eye right there's

2169

01:42:09,350 --> 01:42:07,560

nothing on the walls yeah there's no

2170

01:42:13,250 --> 01:42:09,360

hieroglyphs no

2171

01:42:15,470 --> 01:42:13,260

no art nothing nothing at all so it's

2172

01:42:18,109 --> 01:42:15,480

got that coldness uh to it that's the

2173

01:42:21,649 --> 01:42:18,119

word I wanted to say it it feels cold it

2174

01:42:24,050 --> 01:42:21,659

feels dead yeah very sterile

2175

01:42:26,209 --> 01:42:24,060

um which is not what I expected so I

2176

01:42:28,550 --> 01:42:26,219

think that the purpose of it and we

2177

01:42:31,189 --> 01:42:28,560

could you know wonder about this and

2178

01:42:33,890 --> 01:42:31,199

theorize uh forever I I don't know if

2179

01:42:36,950 --> 01:42:33,900

we'll ever officially know

2180

01:42:39,590 --> 01:42:36,960

um that uh it's true purpose I don't

2181

01:42:42,470 --> 01:42:39,600

think I don't think we actually know yet

2182

01:42:44,810 --> 01:42:42,480

well I mean I think it's pretty safe to

2183

01:42:47,149 --> 01:42:44,820

say it's not a tomb because if you look

2184

01:42:49,970 --> 01:42:47,159

at the tombs throughout Egypt I mean

2185

01:42:53,510 --> 01:42:49,980

they're they're highly decorated they

2186

01:42:55,609 --> 01:42:53,520

have scenes all throughout them of uh

2187

01:42:58,129 --> 01:42:55,619

you know from The Book of the Dead and

2188

01:43:02,090 --> 01:42:58,139

the scenes of the afterlife the life of

2189

01:43:04,010 --> 01:43:02,100

the Pharaoh you know they're painted uh

2190

01:43:06,109 --> 01:43:04,020

you know incredible details I mean you

2191

01:43:08,090 --> 01:43:06,119

go to any of those tombs in the in the

2192

01:43:10,310 --> 01:43:08,100

Valley of the Kings and

2193

01:43:13,310 --> 01:43:10,320

you know they're just they're just

2194

01:43:16,310 --> 01:43:13,320

there's so much and you have none of

2195

01:43:18,649 --> 01:43:16,320

that in the in the Greek pyramid you

2196

01:43:20,750 --> 01:43:18,659

know which the only thing you have in

2197

01:43:23,270 --> 01:43:20,760

the Great Pyramid that

2198

01:43:25,129 --> 01:43:23,280

that has led some to believe that it may

2199

01:43:26,930 --> 01:43:25,139

have been a tomb as it has this

2200

01:43:29,330 --> 01:43:26,940

sarcophagus but

2201

01:43:32,510 --> 01:43:29,340

but we don't really know that that was

2202

01:43:34,790 --> 01:43:32,520

intended for anyone to actually be it's

2203

01:43:38,149 --> 01:43:34,800

pretty small it's pretty small it's

2204

01:43:41,510 --> 01:43:38,159

pretty small and and the reason why we

2205

01:43:42,609 --> 01:43:41,520

look at any other sarcophagus the outer

2206

01:43:46,129 --> 01:43:42,619

box

2207

01:43:49,310 --> 01:43:46,139

anywhere anywhere in Egypt any in any

2208

01:43:52,310 --> 01:43:49,320

Museum those things are the size of your

2209

01:43:55,850 --> 01:43:52,320

house they're huge yeah they're huge

2210

01:43:58,430 --> 01:43:55,860

they're like bunkers they're bunkers and

2211

01:44:00,350 --> 01:43:58,440

so because they were like Russian dolls

2212

01:44:01,790 --> 01:44:00,360

right so you have the outer box and then

2213

01:44:03,950 --> 01:44:01,800

you have the and then you have nothing

2214

01:44:09,169 --> 01:44:03,960

they have another then you have the the

2215

01:44:12,530 --> 01:44:09,179

final uh wooden uh that that houses the

2216

01:44:14,570 --> 01:44:12,540

body so you need a giant box on the out

2217

01:44:18,050 --> 01:44:14,580

and that's no that's not

2218

01:44:20,870 --> 01:44:18,060

no unless uh unless kufu was two and a

2219

01:44:24,109 --> 01:44:20,880

half feet tall right the size of that

2220

01:44:26,810 --> 01:44:24,119

little statue in the car room right

2221

01:44:29,350 --> 01:44:26,820

maybe maybe that was life-size maybe

2222

01:44:32,390 --> 01:44:29,360

that was uh one to one right

2223

01:44:36,590 --> 01:44:32,400

it's too small to be that and here's the

2224

01:44:38,570 --> 01:44:36,600

other thing now let's the the uh the

2225

01:44:41,570 --> 01:44:38,580

chamber that was just discovered above

2226

01:44:44,030 --> 01:44:41,580

the grand Gallery I have a theory

2227

01:44:45,590 --> 01:44:44,040

all right I've never talked about this I

2228

01:44:48,290 --> 01:44:45,600

think about this stuff all the time this

2229

01:44:51,590 --> 01:44:48,300

is my demented Twisted mind

2230

01:44:53,209 --> 01:44:51,600

I think that that grand gal or the the

2231

01:44:56,090 --> 01:44:53,219

new chamber

2232

01:44:59,890 --> 01:44:56,100

that was the exit route

2233

01:45:03,530 --> 01:44:59,900

hear me out hear me out okay so

2234

01:45:06,350 --> 01:45:03,540

originally if we go with the Dogma

2235

01:45:08,629 --> 01:45:06,360

um there were the giant Granite blocks

2236

01:45:10,490 --> 01:45:08,639

that were dropped the traps right and

2237

01:45:12,530 --> 01:45:10,500

they have the hoists of the you know the

2238

01:45:16,129 --> 01:45:12,540

the the you know outside of the king's

2239

01:45:18,890 --> 01:45:16,139

chamber so all of the do when they

2240

01:45:21,709 --> 01:45:18,900

sealed that up

2241

01:45:25,490 --> 01:45:21,719

where did the workers go that were

2242

01:45:29,689 --> 01:45:28,070

they had an exit route yeah they would

2243

01:45:31,729 --> 01:45:29,699

have had to have they right right right

2244

01:45:33,229 --> 01:45:31,739

so they dropped you know they they're

2245

01:45:35,330 --> 01:45:33,239

doing all the you know they're

2246

01:45:38,030 --> 01:45:35,340

constructing the pyramid right and they

2247

01:45:40,790 --> 01:45:38,040

they get all that boom they drop they

2248

01:45:43,490 --> 01:45:40,800

drop the the trap doors and those two

2249

01:45:45,950 --> 01:45:43,500

Granite those were huge they were

2250

01:45:47,750 --> 01:45:45,960

blasted out and and and and chopped away

2251

01:45:49,910 --> 01:45:47,760

they're not there anymore but you can

2252

01:45:50,810 --> 01:45:49,920

see the slots so we know how big they

2253

01:45:53,209 --> 01:45:50,820

were

2254

01:45:59,510 --> 01:45:53,219

the guys inside

2255

01:46:02,390 --> 01:45:59,520

had a door right and and maybe what's

2256

01:46:05,689 --> 01:46:02,400

above the grand Gallery that's that exit

2257

01:46:09,109 --> 01:46:05,699

tunnel and then it dropped off in that

2258

01:46:11,330 --> 01:46:09,119

new chamber that was just found and

2259

01:46:14,810 --> 01:46:11,340

that's how they got out I don't think

2260

01:46:18,229 --> 01:46:14,820

they trapped you know 50 dudes uh inside

2261

01:46:21,830 --> 01:46:18,239

of the king's chamber that's true

2262

01:46:24,169 --> 01:46:21,840

I should write a book I need help in in

2263

01:46:26,270 --> 01:46:24,179

thinking this through well I I do think

2264

01:46:28,669 --> 01:46:26,280

there's this misconception that the

2265

01:46:30,590 --> 01:46:28,679

pyramid is completely solid all the way

2266

01:46:34,970 --> 01:46:30,600

through and we know it's not

2267

01:46:37,310 --> 01:46:34,980

uh and so there could be entire big

2268

01:46:39,290 --> 01:46:37,320

areas where there are voids in the

2269

01:46:42,109 --> 01:46:39,300

pyramid just to

2270

01:46:44,810 --> 01:46:42,119

keep the weight from being as as heavy

2271

01:46:46,970 --> 01:46:44,820

you know and to uh

2272

01:46:48,050 --> 01:46:46,980

you know to to build it in such a way so

2273

01:46:50,870 --> 01:46:48,060

it doesn't

2274

01:46:53,290 --> 01:46:50,880

collapse in on itself as much yeah when

2275

01:46:56,750 --> 01:46:53,300

you go inside of the the bed pyramid

2276

01:46:58,430 --> 01:46:56,760

clearly uh they had some issues there

2277

01:47:00,770 --> 01:46:58,440

because you can see the cracks in the

2278

01:47:05,290 --> 01:47:00,780

walls and you know they have all those

2279

01:47:12,649 --> 01:47:09,290

I'm getting all animated here uh the

2280

01:47:15,310 --> 01:47:12,659

cedar beams holding uh the bent pyramid

2281

01:47:17,990 --> 01:47:15,320

from collapsing in on itself

2282

01:47:20,570 --> 01:47:18,000

and and you've seen it you've you've

2283

01:47:23,570 --> 01:47:20,580

been inside of the pyramid

2284

01:47:25,609 --> 01:47:23,580

um and that was certainly an issue

2285

01:47:29,149 --> 01:47:25,619

um and the the something else could have

2286

01:47:32,810 --> 01:47:29,159

caused that but the point is they had to

2287

01:47:36,109 --> 01:47:32,820

and there there's also relieving there's

2288

01:47:39,050 --> 01:47:36,119

um I I you can't explore it but you can

2289

01:47:43,189 --> 01:47:39,060

see it from the from the Subterranean

2290

01:47:46,129 --> 01:47:43,199

chamber because you go down and uh in in

2291

01:47:49,250 --> 01:47:46,139

the everybody should understand the

2292

01:47:50,750 --> 01:47:49,260

differences here Great Pyramid did you

2293

01:47:54,470 --> 01:47:50,760

go up

2294

01:47:57,709 --> 01:47:54,480

okay you're going oh

2295

01:48:01,010 --> 01:47:57,719

and you go up the tunnel into the grand

2296

01:48:04,669 --> 01:48:01,020

gallery and then up to the bend pyramid

2297

01:48:08,229 --> 01:48:04,679

is the opposite you descend into the

2298

01:48:14,629 --> 01:48:12,050

then the stairway is on the inside but

2299

01:48:17,090 --> 01:48:14,639

you're standing underneath and you look

2300

01:48:19,850 --> 01:48:17,100

up and I what is that it's like 200 feet

2301

01:48:24,290 --> 01:48:19,860

right that room that interior changes

2302

01:48:28,090 --> 01:48:24,300

yeah it's huge and when you look up you

2303

01:48:30,530 --> 01:48:28,100

can see the shape of

2304

01:48:32,870 --> 01:48:30,540

what's the what's the word for that

2305

01:48:35,629 --> 01:48:32,880

there's a word for the for the grand

2306

01:48:38,570 --> 01:48:35,639

Gallery this stepped ceiling there's a

2307

01:48:40,729 --> 01:48:38,580

couple of those inside of the uh

2308

01:48:41,990 --> 01:48:40,739

yeah yeah and so when you're standing

2309

01:48:43,609 --> 01:48:42,000

below

2310

01:48:46,129 --> 01:48:43,619

um in the bent pyramid you look up and

2311

01:48:49,090 --> 01:48:46,139

there's a couple of rooms you can see

2312

01:48:52,250 --> 01:48:49,100

them right with the tunnels going in

2313

01:48:55,609 --> 01:48:52,260

where do those man I would love to know

2314

01:48:58,490 --> 01:48:55,619

uh what those lead to

2315

01:49:00,950 --> 01:48:58,500

yeah and uh in what were they all used

2316

01:49:02,930 --> 01:49:00,960

for you know I mean uh I don't think

2317

01:49:04,090 --> 01:49:02,940

they were tombs

2318

01:49:07,010 --> 01:49:04,100

um

2319

01:49:08,510 --> 01:49:07,020

I personally think they you know they

2320

01:49:12,709 --> 01:49:08,520

could have been used as initiation

2321

01:49:13,850 --> 01:49:12,719

Chambers or places to preserve food or

2322

01:49:17,330 --> 01:49:13,860

people

2323

01:49:18,709 --> 01:49:17,340

uh you know during cataclysm uh they

2324

01:49:21,770 --> 01:49:18,719

also

2325

01:49:24,649 --> 01:49:21,780

I do think that the

2326

01:49:26,990 --> 01:49:24,659

um Great Pyramid if if you were to that

2327

01:49:29,570 --> 01:49:27,000

that sarcophagus

2328

01:49:33,290 --> 01:49:29,580

the inside of that sarcasto called

2329

01:49:37,070 --> 01:49:33,300

sarcophagus is of the same dimensions as

2330

01:49:38,870 --> 01:49:37,080

the outer dimensions of the what was

2331

01:49:40,010 --> 01:49:38,880

described from the Ark of the Covenant

2332

01:49:43,370 --> 01:49:40,020

so

2333

01:49:44,510 --> 01:49:43,380

if you were to take an arc and stick it

2334

01:49:48,530 --> 01:49:44,520

in there

2335

01:49:51,109 --> 01:49:48,540

generate a tremendous amount of

2336

01:49:53,090 --> 01:49:51,119

electricity in that that

2337

01:49:56,090 --> 01:49:53,100

pyramid just would become like a

2338

01:49:58,129 --> 01:49:56,100

broadcasting Center almost like uh the

2339

01:50:00,770 --> 01:49:58,139

warden Cliff tower that that Nikola

2340

01:50:03,770 --> 01:50:00,780

Tesla was designing I'm okay with that

2341

01:50:06,890 --> 01:50:03,780

yeah that makes a lot more sense I mean

2342

01:50:09,410 --> 01:50:06,900

the tomb aspect of it nah no no not

2343

01:50:11,270 --> 01:50:09,420

buying that uh it it it it just doesn't

2344

01:50:14,870 --> 01:50:11,280

make any sense you can walk in there and

2345

01:50:17,570 --> 01:50:14,880

see it does it feel that way

2346

01:50:18,590 --> 01:50:17,580

um and the other part

2347

01:50:21,950 --> 01:50:18,600

um

2348

01:50:24,890 --> 01:50:21,960

is this and I know this is just my

2349

01:50:26,649 --> 01:50:24,900

Twisted mind Tim but but go with this

2350

01:50:30,410 --> 01:50:26,659

every

2351

01:50:34,490 --> 01:50:30,420

aspect of Egyptian life

2352

01:50:37,370 --> 01:50:34,500

was documented from the very mundane

2353

01:50:42,970 --> 01:50:37,380

trivial thing you know how to make beer

2354

01:50:46,609 --> 01:50:42,980

to uh taxes and and recipes and every

2355

01:50:51,669 --> 01:50:46,619

minutia of Egyptian life is everywhere

2356

01:50:55,490 --> 01:50:51,679

and so you go to these tombs of of of

2357

01:50:58,970 --> 01:50:55,500

different uh leaders uh different

2358

01:51:01,910 --> 01:50:58,980

different towns and and it did generals

2359

01:51:04,910 --> 01:51:01,920

and things and judges whatever priests

2360

01:51:07,430 --> 01:51:04,920

you go into these accountants right they

2361

01:51:08,990 --> 01:51:07,440

had really nice tunes and so you go in

2362

01:51:10,970 --> 01:51:09,000

there and their whole family life is

2363

01:51:13,250 --> 01:51:10,980

there everything they did throughout

2364

01:51:15,229 --> 01:51:13,260

life everything is documented from when

2365

01:51:18,169 --> 01:51:15,239

they were a kid to when they were out in

2366

01:51:21,229 --> 01:51:18,179

battle in war everything is adorned

2367

01:51:23,810 --> 01:51:21,239

everywhere it's documented

2368

01:51:26,750 --> 01:51:23,820

yep we don't have one piece of paper

2369

01:51:29,750 --> 01:51:26,760

about the Great Pyramid right it's like

2370

01:51:31,250 --> 01:51:29,760

wait whoa whoa whoa whoa whoa why yeah

2371

01:51:33,410 --> 01:51:31,260

why

2372

01:51:35,090 --> 01:51:33,420

um two thoughts

2373

01:51:37,729 --> 01:51:35,100

it was built before there was

2374

01:51:40,129 --> 01:51:37,739

hieroglyphs yep right it was built

2375

01:51:42,649 --> 01:51:40,139

before there was writing it was built

2376

01:51:45,229 --> 01:51:42,659

before they could document it

2377

01:51:48,109 --> 01:51:45,239

I think that is one important aspect and

2378

01:51:50,570 --> 01:51:48,119

the second it wasn't built for somebody

2379

01:51:52,609 --> 01:51:50,580

because if it was built for somebody I

2380

01:51:56,149 --> 01:51:52,619

know if it was built for Jimmy Church

2381

01:51:58,910 --> 01:51:56,159

Tim Hogan would have a big Tim Hogan

2382

01:52:00,550 --> 01:51:58,920

face at the entrance there right just

2383

01:52:03,950 --> 01:52:00,560

like that skateboard

2384

01:52:06,530 --> 01:52:03,960

it would be there but it lacks both of

2385

01:52:12,350 --> 01:52:06,540

those things yeah we'll say that the um

2386

01:52:14,629 --> 01:52:12,360

so back in 2011 I was in Egypt and I was

2387

01:52:16,629 --> 01:52:14,639

with a team of researchers and we were

2388

01:52:21,109 --> 01:52:16,639

looking at

2389

01:52:24,709 --> 01:52:21,119

uh and I was there with um Robert Duvall

2390

01:52:26,870 --> 01:52:24,719

and uh you know I was doing initiations

2391

01:52:27,890 --> 01:52:26,880

there in the Great Pyramid but I was

2392

01:52:31,189 --> 01:52:27,900

also

2393

01:52:33,830 --> 01:52:31,199

looking at research that had been done

2394

01:52:37,010 --> 01:52:33,840

by Gatton Brink who it was a German

2395

01:52:40,010 --> 01:52:37,020

scientist who had sent a robot up one of

2396

01:52:42,229 --> 01:52:40,020

the shafts and he discovered a door and

2397

01:52:44,149 --> 01:52:42,239

he drilled a hole through the door and

2398

01:52:46,250 --> 01:52:44,159

he put a fiber optic camera through the

2399

01:52:48,770 --> 01:52:46,260

door and then they saw another door

2400

01:52:50,330 --> 01:52:48,780

further up on the shaft and that was

2401
01:52:51,649 --> 01:52:50,340
kind of what was revealed to the public

2402
01:52:54,350 --> 01:52:51,659
at the time

2403
01:52:57,709 --> 01:52:54,360
what they didn't reveal and which his

2404
01:52:59,390 --> 01:52:57,719
Sense come out is he put that same fiber

2405
01:53:01,250 --> 01:52:59,400
optic camera through the hole and he

2406
01:53:03,109 --> 01:53:01,260
looked at the back of the door

2407
01:53:06,229 --> 01:53:03,119
and on the back of the door he

2408
01:53:08,450 --> 01:53:06,239
discovered these copper hinges

2409
01:53:11,810 --> 01:53:08,460
and there was writing

2410
01:53:14,450 --> 01:53:11,820
in like a red ocher paint

2411
01:53:16,729 --> 01:53:14,460
but the problem with the symbols and the

2412
01:53:20,629 --> 01:53:16,739
writing on the back of the door is they

2413
01:53:22,490 --> 01:53:20,639

are not Egyptian hieroglyphs it's not a

2414

01:53:25,729 --> 01:53:22,500

problem because it was put in there when

2415

01:53:27,950 --> 01:53:25,739

the pyramid was built so if they're not

2416

01:53:31,570 --> 01:53:27,960

Egyptian hieroglyphs then

2417

01:53:35,030 --> 01:53:31,580

who put them in there and who you know

2418

01:53:38,870 --> 01:53:35,040

we weren't able to determine where these

2419

01:53:40,490 --> 01:53:38,880

symbols came from but it implies someone

2420

01:53:42,709 --> 01:53:40,500

else was involved in that construction

2421

01:53:44,750 --> 01:53:42,719

of the pyramid and Gaton Brink was so

2422

01:53:48,470 --> 01:53:44,760

freaked out by that that he just walked

2423

01:53:52,010 --> 01:53:48,480

away from the the entire project because

2424

01:53:55,070 --> 01:53:52,020

he knew it would upturn egyptology

2425

01:53:58,010 --> 01:53:55,080

and uh egyptologists still to this day

2426
01:53:59,930 --> 01:53:58,020
refuse to acknowledge it but you can

2427
01:54:02,090 --> 01:53:59,940
go online you can see some of these

2428
01:54:04,250 --> 01:54:02,100
symbols and they're not hieroglyphs

2429
01:54:05,450 --> 01:54:04,260
but we don't know what they are no we

2430
01:54:08,209 --> 01:54:05,460
don't we don't

2431
01:54:10,010 --> 01:54:08,219
um before there I'm going to get to a

2432
01:54:12,709 --> 01:54:10,020
couple of things before we leave tonight

2433
01:54:15,890 --> 01:54:12,719
but I want to stay on this for a second

2434
01:54:17,870 --> 01:54:15,900
the the part about gate and Brink and by

2435
01:54:21,470 --> 01:54:17,880
the way when the internet first started

2436
01:54:24,229 --> 01:54:21,480
one of the first websites that I found

2437
01:54:26,689 --> 01:54:24,239
on the internet before search engines

2438
01:54:29,209 --> 01:54:26,699

was Gayton Brink's door and the whole

2439

01:54:31,790 --> 01:54:29,219

research and and the in the photographs

2440

01:54:34,550 --> 01:54:31,800

and stuff which was you remember loading

2441

01:54:36,770 --> 01:54:34,560

photographs back then click click click

2442

01:54:39,950 --> 01:54:36,780

take you 10 minutes you know take a

2443

01:54:42,669 --> 01:54:39,960

little image up but the gate and Brink

2444

01:54:45,950 --> 01:54:42,679

the original gate and Brink website was

2445

01:54:48,169 --> 01:54:45,960

amazing he did two trips there

2446

01:54:50,090 --> 01:54:48,179

um and with the robots but here's but

2447

01:54:52,550 --> 01:54:50,100

here's the trippy thing

2448

01:54:55,850 --> 01:54:52,560

it's not the blocks

2449

01:54:59,090 --> 01:54:55,860

for me it's not the the pins it's not

2450

01:55:02,030 --> 01:54:59,100

even the symbols that were painted there

2451
01:55:03,470 --> 01:55:02,040
that don't fit history right it's not

2452
01:55:06,830 --> 01:55:03,480
even that we don't even know what they

2453
01:55:09,350 --> 01:55:06,840
no it's incredible as that is

2454
01:55:11,149 --> 01:55:09,360
here's the trippy thing you're building

2455
01:55:14,810 --> 01:55:11,159
the pyramid

2456
01:55:17,030 --> 01:55:14,820
you are building those shafts yeah while

2457
01:55:19,790 --> 01:55:17,040
you are building the pyramid they

2458
01:55:22,970 --> 01:55:19,800
weren't drilled or cut after the fact no

2459
01:55:25,750 --> 01:55:22,980
are stacking yeah you're stacking

2460
01:55:29,810 --> 01:55:25,760
millions of blocks and you are

2461
01:55:31,189 --> 01:55:29,820
many shafts are there right okay so but

2462
01:55:34,129 --> 01:55:31,199
you're building a perfectly straight

2463
01:55:36,530 --> 01:55:34,139

shot and then only only about like maybe

2464

01:55:39,830 --> 01:55:36,540

eight inches by eight inches I mean it's

2465

01:55:40,930 --> 01:55:39,840

not it's but then like goes for hundreds

2466

01:55:48,050 --> 01:55:40,940

of feet

2467

01:55:50,030 --> 01:55:48,060

inside of this giant pyramid yeah you

2468

01:55:52,790 --> 01:55:50,040

are cons so you're laying these blocks

2469

01:55:55,189 --> 01:55:52,800

right you've got to engineer that yeah

2470

01:55:58,250 --> 01:55:55,199

you've got to have a dude cutting these

2471

01:56:00,830 --> 01:55:58,260

blocks perfectly somewhere but there's

2472

01:56:03,649 --> 01:56:00,840

no blueprints there's no description on

2473

01:56:06,470 --> 01:56:03,659

how this process was done and then you

2474

01:56:07,669 --> 01:56:06,480

build this shaft that's perfect and then

2475

01:56:11,390 --> 01:56:07,679

what do you do

2476

01:56:14,689 --> 01:56:11,400

you block it off right twice that we

2477

01:56:17,149 --> 01:56:14,699

know of right the door with a door right

2478

01:56:19,550 --> 01:56:17,159

which knowing that the only way you

2479

01:56:21,050 --> 01:56:19,560

could see that door is if you had a the

2480

01:56:23,750 --> 01:56:21,060

technology

2481

01:56:25,629 --> 01:56:23,760

to send a robot up there with a fiber

2482

01:56:29,149 --> 01:56:25,639

optic camera to see it

2483

01:56:31,129 --> 01:56:29,159

why yeah right it's not the Block it's

2484

01:56:33,890 --> 01:56:31,139

not the kind of it's not the symbol it's

2485

01:56:37,370 --> 01:56:33,900

not the why what's the purpose of that

2486

01:56:41,330 --> 01:56:37,380

why are you building this shaft into the

2487

01:56:44,090 --> 01:56:41,340

Great Pyramid perfect little tiny it's

2488

01:56:46,930 --> 01:56:44,100

there for a re and then you block it off

2489

01:56:50,330 --> 01:56:46,940

what's what's what what what gives here

2490

01:56:54,290 --> 01:56:50,340

so no is it a tune no why would you do

2491

01:56:56,689 --> 01:56:54,300

that uh even if you did it for something

2492

01:56:58,370 --> 01:56:56,699

as simple as air for the workers to

2493

01:57:01,129 --> 01:56:58,380

breathe forget about the celestial

2494

01:57:03,709 --> 01:57:01,139

alignments right I'm with baval on this

2495

01:57:06,609 --> 01:57:03,719

and and others great research that is

2496

01:57:11,629 --> 01:57:06,619

has been nice

2497

01:57:15,169 --> 01:57:11,639

to uh Orion and Ryan Orion so let's

2498

01:57:17,750 --> 01:57:15,179

let's say it's just for air so the

2499

01:57:20,450 --> 01:57:17,760

workers could breathe okay all right I'm

2500

01:57:23,270 --> 01:57:20,460

kind of into that idea you gotta have uh

2501

01:57:25,310 --> 01:57:23,280

that's one thing that's in the lack of

2502

01:57:28,250 --> 01:57:25,320

inside of the Great Pyramid or any of

2503

01:57:30,050 --> 01:57:28,260

those is the lack of fresh air yeah um

2504

01:57:31,790 --> 01:57:30,060

you could smell that ten thousand year

2505

01:57:33,410 --> 01:57:31,800

old air when you're in there that's

2506

01:57:34,970 --> 01:57:33,420

exactly what it smells like but anyway

2507

01:57:35,770 --> 01:57:34,980

you want to burn a torch in there too

2508

01:57:37,970 --> 01:57:35,780

long

2509

01:57:39,410 --> 01:57:37,980

it wouldn't work

2510

01:57:41,629 --> 01:57:39,420

um you're not gonna light a cigarette

2511

01:57:43,970 --> 01:57:41,639

inside of the Great Pyramid

2512

01:57:46,790 --> 01:57:43,980

um or anything else combustible but what

2513

01:57:49,930 --> 01:57:46,800

why would you block it off

2514

01:57:53,030 --> 01:57:49,940

why would you why why why

2515

01:57:54,589 --> 01:57:53,040

no no there's something else to it it's

2516

01:57:58,250 --> 01:57:54,599

not a tomb

2517

01:58:01,550 --> 01:57:58,260

um now last question of the night Tim

2518

01:58:04,729 --> 01:58:01,560

how do I become a knight's Templar and

2519

01:58:07,010 --> 01:58:04,739

get all the secrets

2520

01:58:10,669 --> 01:58:07,020

well you know I mean there are different

2521

01:58:13,850 --> 01:58:10,679

venues you can go to to to kind of build

2522

01:58:16,729 --> 01:58:13,860

your way up to uh to being a Templar I

2523

01:58:19,790 --> 01:58:16,739

mean certainly freemasonry's one such

2524

01:58:22,310 --> 01:58:19,800

path where there's um

2525

01:58:24,950 --> 01:58:22,320

uh you know you take a series of degrees

2526

01:58:27,410 --> 01:58:24,960

and then in the higher degrees you know

2527

01:58:30,470 --> 01:58:27,420

they reveal this Templar connection

2528

01:58:33,109 --> 01:58:30,480

uh there's also different Templar

2529

01:58:36,109 --> 01:58:33,119

lineages out there uh I I certainly

2530

01:58:38,510 --> 01:58:36,119

represent one we have a pre-study body

2531

01:58:42,010 --> 01:58:38,520

known as the Templar collegia

2532

01:58:46,790 --> 01:58:44,990

www.templarcollegia.org you can find a

2533

01:58:49,129 --> 01:58:46,800

website I think it's being worked on

2534

01:58:52,430 --> 01:58:49,139

right now so it might be down but it's

2535

01:58:56,510 --> 01:58:52,440

uh you know you can apply and begin a

2536

01:58:58,669 --> 01:58:56,520

study program uh where we try to get you

2537

01:59:00,290 --> 01:58:58,679

all the fundamental things that we feel

2538

01:59:02,750 --> 01:59:00,300

like you need to know before you're

2539

01:59:06,290 --> 01:59:02,760

United as a Templar so that's certainly

2540

01:59:08,149 --> 01:59:06,300

another you know venue for that and then

2541

01:59:09,890 --> 01:59:08,159

there are other bodies that call

2542

01:59:12,770 --> 01:59:09,900

themselves Templar but they're just more

2543

01:59:15,830 --> 01:59:12,780

fraternal organizations out there that

2544

01:59:18,350 --> 01:59:15,840

may not necessarily have uh any great

2545

01:59:20,750 --> 01:59:18,360

secrets but they do great charity work

2546

01:59:23,750 --> 01:59:20,760

in the world and and you know try to

2547

01:59:24,709 --> 01:59:23,760

they instill a code of chivalry where

2548

01:59:35,510 --> 01:59:24,719

they

2549

01:59:38,270 --> 01:59:35,520

you know there are different kind of

2550

01:59:39,890 --> 01:59:38,280

venues there but um

2551

01:59:42,530 --> 01:59:39,900

uh

2552

01:59:44,209 --> 01:59:42,540

do you ultimately the secrets are

2553

01:59:46,790 --> 01:59:44,219

revealed if you stick with it long

2554

01:59:50,030 --> 01:59:46,800

enough I want the secrets man I want the

2555

01:59:52,310 --> 01:59:50,040

secrets do I have to uh do I have to do

2556

01:59:56,410 --> 01:59:52,320

any blood rights do I have to decide for

2557

01:59:59,950 --> 01:59:56,420

my children no no riding goats no uh

2558

02:00:02,570 --> 01:59:59,960

no sacrificing your virgins none of that

2559

02:00:04,430 --> 02:00:02,580

okay all right so none of none of that

2560

02:00:09,830 --> 02:00:04,440

goes on but

2561

02:00:12,589 --> 02:00:09,840

um do you have to uh do you have to

2562

02:00:15,530 --> 02:00:12,599

do you have to have a religion involved

2563

02:00:17,330 --> 02:00:15,540

in your life okay can an atheist become

2564

02:00:21,470 --> 02:00:17,340

a knight's Templar

2565

02:00:23,330 --> 02:00:21,480

um generally uh Templars all the Templar

2566

02:00:26,030 --> 02:00:23,340

Traditions say that you have to believe

2567

02:00:28,790 --> 02:00:26,040

in a higher power whatever that is to

2568

02:00:31,310 --> 02:00:28,800

you right right right well we don't

2569

02:00:33,950 --> 02:00:31,320

um we don't discriminate against it

2570

02:00:37,550 --> 02:00:33,960

could be whatever religion or no

2571

02:00:39,770 --> 02:00:37,560

religion you can just believe in

2572

02:00:40,810 --> 02:00:39,780

uh you know God whatever you choose to

2573

02:00:47,330 --> 02:00:40,820

call it

2574

02:00:50,990 --> 02:00:47,340

well you I guess you I guess you could

2575

02:00:54,530 --> 02:00:51,000

be uh you know the most of the Templar

2576

02:00:56,629 --> 02:00:54,540

teachings are geared towards certain

2577

02:00:57,890 --> 02:00:56,639

hermetic what are known as hermetic

2578

02:00:59,990 --> 02:00:57,900

principles

2579

02:01:03,169 --> 02:01:00,000

which suggests

2580

02:01:06,050 --> 02:01:03,179

that all of this creation that we are

2581

02:01:08,810 --> 02:01:06,060

living in right now is actually within

2582

02:01:10,970 --> 02:01:08,820

the mind of a creator

2583

02:01:13,609 --> 02:01:10,980

so it's all the thought forms it's all

2584

02:01:15,790 --> 02:01:13,619

the Mind stuff of the Creator so we are

2585

02:01:18,169 --> 02:01:15,800

living in it we're we're

2586

02:01:20,810 --> 02:01:18,179

interacting with it we're a part of it

2587

02:01:22,370 --> 02:01:20,820

it's kind of like the force you know in

2588

02:01:24,050 --> 02:01:22,380

fact that's where that comes from in

2589

02:01:26,750 --> 02:01:24,060

Star Wars you know it's the same

2590

02:01:29,570 --> 02:01:26,760

principle right and uh but that we're

2591

02:01:33,709 --> 02:01:29,580

we're we are within this mind field this

2592

02:01:36,109 --> 02:01:33,719

mind mind field not a Minefield a mind

2593

02:01:38,089 --> 02:01:36,119

with a D field

2594

02:01:42,229 --> 02:01:38,099

and that uh

2595

02:01:44,689 --> 02:01:42,239

and that coming to Greater Attunement

2596

02:01:46,669 --> 02:01:44,699

with that helps us to navigate Our Lives

2597

02:01:49,250 --> 02:01:46,679

better to live more in harmony with each

2598

02:01:51,410 --> 02:01:49,260

other and to live more in harmony with

2599

02:01:53,810 --> 02:01:51,420

our planet and our universe and to build

2600

02:01:56,030 --> 02:01:53,820

structures and such that are in in

2601
02:01:58,609 --> 02:01:56,040
harmony with those universal laws you

2602
02:02:01,189 --> 02:01:58,619
know which are aspects of the mind of

2603
02:02:04,310 --> 02:02:01,199
the Creator so are there any any

2604
02:02:06,709 --> 02:02:04,320
religion and and uh and come to that or

2605
02:02:08,870 --> 02:02:06,719
no religion and still come to that so

2606
02:02:10,490 --> 02:02:08,880
are there any

2607
02:02:15,229 --> 02:02:10,500
um physicists

2608
02:02:19,270 --> 02:02:15,239
hardcore Sciences uh scientists that are

2609
02:02:23,089 --> 02:02:19,280
true atheists right that that

2610
02:02:26,450 --> 02:02:23,099
are are they I know but are any of them

2611
02:02:29,089 --> 02:02:26,460
Freemasons or uh Knight's Templar sure

2612
02:02:31,189 --> 02:02:29,099
there have been lots of uh Templar and

2613
02:02:34,790 --> 02:02:31,199

Masonic scientists throughout history

2614

02:02:36,470 --> 02:02:34,800

and in fact today today oh today sure

2615

02:02:38,689 --> 02:02:36,480

yeah absolutely yeah I mean I know

2616

02:02:41,209 --> 02:02:38,699

several you know I mean they're they're

2617

02:02:43,970 --> 02:02:41,219

not uh they're not common names that you

2618

02:02:46,970 --> 02:02:43,980

would but but they're atheists they're

2619

02:02:48,770 --> 02:02:46,980

atheists so when when they come in and

2620

02:02:50,810 --> 02:02:48,780

they believe in a higher power do they

2621

02:02:52,270 --> 02:02:50,820

go with that do they go with Star Wars

2622

02:02:55,550 --> 02:02:52,280

and the force

2623

02:02:57,770 --> 02:02:55,560

yes yes some of they they they tend to

2624

02:02:59,689 --> 02:02:57,780

look at more like a Quantum field and

2625

02:03:01,910 --> 02:02:59,699

the idea of

2626

02:03:04,490 --> 02:03:01,920

uh I think it was Maxfield plank who

2627

02:03:07,129 --> 02:03:04,500

said that uh you know the more we look

2628

02:03:09,290 --> 02:03:07,139

at the the mechanisms of the universe

2629

02:03:10,910 --> 02:03:09,300

the more we realize it it operates like

2630

02:03:13,970 --> 02:03:10,920

a giant mind

2631

02:03:17,990 --> 02:03:13,980

or mind stuff and

2632

02:03:23,330 --> 02:03:18,000

um you know this is the this is kind of

2633

02:03:30,770 --> 02:03:24,350

um

2634

02:03:33,470 --> 02:03:30,780

field now the the the the the Alchemists

2635

02:03:35,930 --> 02:03:33,480

of 400 years ago referred to as the

2636

02:03:36,770 --> 02:03:35,940

ether but it was the same thing had the

2637

02:03:40,430 --> 02:03:36,780

same

2638

02:03:43,070 --> 02:03:40,440

properties and it's not unlike what uh

2639

02:03:45,410 --> 02:03:43,080

in Star Wars refers to as the force you

2640

02:03:48,290 --> 02:03:45,420

know so it's

2641

02:03:49,370 --> 02:03:48,300

um or what the Taoist would refer to as

2642

02:03:51,530 --> 02:03:49,380

the way

2643

02:03:53,390 --> 02:03:51,540

uh the Dao you know I mean these are

2644

02:03:56,990 --> 02:03:53,400

there's different names for the same

2645

02:03:59,570 --> 02:03:57,000

thing but uh ultimately it's it's this

2646

02:04:01,609 --> 02:03:59,580

recognition that uh

2647

02:04:04,189 --> 02:04:01,619

we're all bound together and there is

2648

02:04:07,010 --> 02:04:04,199

one mind and we're all a part of it and

2649

02:04:09,830 --> 02:04:07,020

we just think ourselves as separate

2650

02:04:12,050 --> 02:04:09,840

a part of Awakening is realizing that no

2651

02:04:14,030 --> 02:04:12,060

actually we're not separate

2652

02:04:16,970 --> 02:04:14,040

that may be a hard pill for some people

2653

02:04:18,770 --> 02:04:16,980

to swallow but it's it's definitely

2654

02:04:20,510 --> 02:04:18,780

something that the Templars teach and

2655

02:04:22,430 --> 02:04:20,520

it's something that we find in ancient

2656

02:04:25,550 --> 02:04:22,440

Egypt I mean this is really the story of

2657

02:04:26,750 --> 02:04:25,560

Osiris right Osiris is chopped up into

2658

02:04:32,270 --> 02:04:26,760

pieces

2659

02:04:34,430 --> 02:04:32,280

which appear separate and distinct but

2660

02:04:37,010 --> 02:04:34,440

then Isis is able to bring them back

2661

02:04:38,870 --> 02:04:37,020

together into the one and when he brings

2662

02:04:42,050 --> 02:04:38,880

when she brings them back into the one

2663

02:04:44,510 --> 02:04:42,060

Osiris is raised from the dead right now

2664

02:04:47,089 --> 02:04:44,520

he has this New Perspective well this is

2665

02:04:49,010 --> 02:04:47,099

what we do right I mean we see the world

2666

02:04:51,290 --> 02:04:49,020

as separate and

2667

02:04:53,570 --> 02:04:51,300

and in different pieces and separate

2668

02:04:55,669 --> 02:04:53,580

from ourselves and people is separate

2669

02:04:58,550 --> 02:04:55,679

from ourselves but as we come to this

2670

02:05:00,169 --> 02:04:58,560

greater Awakening this gnosis or this

2671

02:05:00,890 --> 02:05:00,179

alignment or whatever you want to call

2672

02:05:02,930 --> 02:05:00,900

it

2673

02:05:04,970 --> 02:05:02,940

we come to recognize our actual

2674

02:05:07,790 --> 02:05:04,980

connection with each other and with our

2675

02:05:10,189 --> 02:05:07,800

universe and with all beings

2676
02:05:12,950 --> 02:05:10,199
man what a great conversation tonight

2677
02:05:16,490 --> 02:05:12,960
I've learned so much I'm going to leave

2678
02:05:19,870 --> 02:05:16,500
you with this thought all right

2679
02:05:23,390 --> 02:05:19,880
um Brian Green blows my mind

2680
02:05:24,890 --> 02:05:23,400
and I saw him make this statement the

2681
02:05:26,629 --> 02:05:24,900
other day I'm bringing this up because

2682
02:05:29,030 --> 02:05:26,639
we're talking physics we're talking

2683
02:05:31,729 --> 02:05:29,040
spirituality and you just brought up Max

2684
02:05:34,850 --> 02:05:31,739
playing universe is a green dragon right

2685
02:05:37,430 --> 02:05:34,860
yeah yeah right exactly so this is what

2686
02:05:38,930 --> 02:05:37,440
Brian Greene said he said the plank

2687
02:05:42,050 --> 02:05:38,940
scale

2688
02:05:46,430 --> 02:05:42,060

is so small

2689

02:05:51,169 --> 02:05:46,440

that if you take a single atom

2690

02:05:52,490 --> 02:05:51,179

and blow it up to the size of the

2691

02:05:56,209 --> 02:05:52,500

universe

2692

02:06:00,050 --> 02:05:56,219

and that's big so let me repeat you take

2693

02:06:03,290 --> 02:06:00,060

an atom a single atom and you blow it up

2694

02:06:06,950 --> 02:06:03,300

to the size of the universe

2695

02:06:11,180 --> 02:06:06,960

that the Planck scale would be the size

2696

02:06:15,350 --> 02:06:12,290

[Music]

2697

02:06:19,070 --> 02:06:15,360

yeah wrap wrap your head around that for

2698

02:06:21,050 --> 02:06:19,080

a second it's crazy that's well and

2699

02:06:23,629 --> 02:06:21,060

and you know and going back to that

2700

02:06:26,390 --> 02:06:23,639

Great Seal of the United States

2701

02:06:28,430 --> 02:06:26,400

what does it say on it it says e

2702

02:06:31,189 --> 02:06:28,440

pluribus unum

2703

02:06:34,070 --> 02:06:31,199

out of many one

2704

02:06:36,890 --> 02:06:34,080

right and this is that same principle

2705

02:06:38,750 --> 02:06:36,900

you know we think we're all separate we

2706

02:06:40,310 --> 02:06:38,760

think that's all many but they all go

2707

02:06:43,129 --> 02:06:40,320

back into the one

2708

02:06:45,109 --> 02:06:43,139

and uh you know this is this is the this

2709

02:06:46,970 --> 02:06:45,119

is the game you know this is the this is

2710

02:06:49,490 --> 02:06:46,980

the path this is the quest that we're

2711

02:06:51,350 --> 02:06:49,500

all on to of self-discovery to

2712

02:06:54,470 --> 02:06:51,360

connecting with this in different ways

2713

02:06:57,350 --> 02:06:54,480

so well I have a great safe trip to

2714

02:07:00,050 --> 02:06:57,360

Egypt my friend I know everybody that

2715

02:07:03,890 --> 02:07:00,060

you're going there with and you guys are

2716

02:07:07,850 --> 02:07:03,900

gonna rock the house and uh Sid my

2717

02:07:10,070 --> 02:07:07,860

producer he's uh he's he's on his way uh

2718

02:07:11,810 --> 02:07:10,080

I miss you there yeah I know Johnny

2719

02:07:13,490 --> 02:07:11,820

Enoch is going to be there Ben's going

2720

02:07:15,770 --> 02:07:13,500

to be there you're going to be there a

2721

02:07:17,570 --> 02:07:15,780

couple of other uh friends of mine are

2722

02:07:20,410 --> 02:07:17,580

arriving later on in the month I don't

2723

02:07:23,030 --> 02:07:20,420

want to discuss that live on me but uh

2724

02:07:24,649 --> 02:07:23,040

you guys are going to have a great

2725

02:07:25,910 --> 02:07:24,659

amazing time and I can't wait to talk to

2726

02:07:28,310 --> 02:07:25,920

everybody when you get back that

2727

02:07:30,890 --> 02:07:28,320

includes you my friend so thank you so

2728

02:07:32,629 --> 02:07:30,900

much Tim and thank you for sharing your

2729

02:07:34,490 --> 02:07:32,639

knowledge with all of us tonight what a

2730

02:07:36,229 --> 02:07:34,500

great conversation great chatting with

2731

02:07:38,089 --> 02:07:36,239

you as always look forward to more in

2732

02:07:40,310 --> 02:07:38,099

the future you're the absolute very best

2733

02:07:42,589 --> 02:07:40,320

Timothy Hogan and the links for

2734

02:07:45,350 --> 02:07:42,599

empathy's book are below you can go to

2735

02:07:46,910 --> 02:07:45,360

Amazon and and check that out have a

2736

02:07:48,709 --> 02:07:46,920

safe trip I'll see you when you get back

2737

02:07:52,310 --> 02:07:48,719

great thanks Jimmy

2738

02:07:55,070 --> 02:07:52,320

the very best Timothy Hogan and again uh

2739

02:07:57,410 --> 02:07:55,080

the links for Timothy are below and I

2740

02:08:00,410 --> 02:07:57,420

think I've even got yeah I've got uh

2741

02:08:02,450 --> 02:08:00,420

both of his uh websites right there this

2742

02:08:05,689 --> 02:08:02,460

is Fade to Black I am your host Jimmy

2743

02:08:08,990 --> 02:08:05,699

church now uh tomorrow night uh Vivian

2744

02:08:11,750 --> 02:08:09,000

Chauvet is with us uh we've got a great

2745

02:08:14,930 --> 02:08:11,760

week coming up here on Fade to Black uh

2746

02:08:17,330 --> 02:08:14,940

tomorrow night uh Vivian Chauvet let me

2747

02:08:18,430 --> 02:08:17,340

see here what have I got going on this

2748

02:08:21,109 --> 02:08:18,440

week

2749

02:08:23,450 --> 02:08:21,119

oh man I can't remember

2750

02:08:25,310 --> 02:08:23,460

I can't remember everything but tomorrow

2751

02:08:28,129 --> 02:08:25,320

night's Vivian job babe we've got

2752

02:08:31,189 --> 02:08:28,139

everything up on the website

2753

02:08:33,470 --> 02:08:31,199

I'm Harold Simi church this is Fade to

2754

02:08:38,870 --> 02:08:35,870

I can't I can't even remember my week

2755

02:08:41,510 --> 02:08:38,880

here on Fade to buy oh wait a minute I

2756

02:08:43,490 --> 02:08:41,520

have it here baby on shopping tomorrow

2757

02:08:46,129 --> 02:08:43,500

night oh yeah Wednesday night Chuck Faye

2758

02:08:49,790 --> 02:08:46,139

he's here from Hong Kong he's going to

2759

02:08:54,229 --> 02:08:49,800

be live with me right here in the bunker

2760

02:08:56,330 --> 02:08:54,239

he's Hong Kong's radio UFO guy you all

2761

02:08:57,290 --> 02:08:56,340

know Chuck he's with me on Wednesday

2762

02:09:03,530 --> 02:08:57,300

night

2763

02:09:06,410 --> 02:09:03,540

is with this Expedition Bigfoot it's a

2764

02:09:08,030 --> 02:09:06,420

full night of Bigfoot on Wednesday night

2765

02:09:10,490 --> 02:09:08,040

Fade to Black is produced by Hilton J

2766

02:09:13,010 --> 02:09:10,500

Paul and Renee Dennis and Kevin

2767

02:09:15,070 --> 02:09:13,020

what Master is Drew the geek music Doug

2768

02:09:17,689 --> 02:09:15,080

Aldridge intro space boys

2769

02:09:19,729 --> 02:09:17,699

spaceboymusic.com fade to black is

2770

02:09:22,370 --> 02:09:19,739

produced by kjcr for the game changer

2771

02:09:24,950 --> 02:09:22,380

Network and this broadcast is owned and

2772

02:09:26,870 --> 02:09:24,960

copyrighted 2023 by Fade to Black and

2773

02:09:28,729 --> 02:09:26,880

The Game Changer Network Heat

2774

02:09:29,990 --> 02:09:28,739

it cannot be read broadcast I don't know

2775

02:09:31,850 --> 02:09:30,000

copied or used anywhere in the known

2776

02:09:33,290 --> 02:09:31,860

universe without rip permission from

2777

02:09:35,030 --> 02:09:33,300

Fade to Black at the game changer

2778

02:09:37,669 --> 02:09:35,040

Network I'm your chimney church until

2779

02:09:39,660 --> 02:09:37,679

tomorrow night with Vivi and be safe
