

# FADE TO BLACK

with JIMMY CHURCH

**PRESENTS**

**CHEUK FEI**

**MJ-13 RADIO IN THE BUNKER!**

**WED MAR 15 LIVE**

**7:00 PM PT/10:00PM ET**

1  
00:00:00,599 --> 00:00:08,200  
foreign

2  
00:00:08,210 --> 00:00:25,689  
[Music]

3  
00:00:30,589 --> 00:00:28,370  
Air Forces has announced that a flying

4  
00:00:33,170 --> 00:00:30,599  
disc has been found and is now in the

5  
00:00:36,770 --> 00:00:33,180  
possession of the army

6  
00:00:42,170 --> 00:00:38,930  
the game occasionally think how quickly

7  
00:00:45,290 --> 00:00:42,180  
hard difference is worldwide would

8  
00:00:47,300 --> 00:00:45,300  
vanish if we were facing an alien threat

9  
00:00:49,090 --> 00:00:47,310  
from outside this work

10  
00:00:49,290 --> 00:00:49,100  
[Music]

11  
00:00:51,549 --> 00:00:49,300  
[Applause]

12  
00:00:54,529 --> 00:00:51,559  
[Music]

13  
00:00:57,410 --> 00:00:54,539

this is Fade to Black with your host

14  
00:00:58,060 --> 00:00:57,420  
Jimmy Church on the game changer Radio

15  
00:01:01,270 --> 00:00:58,070  
Network

16  
00:01:06,850 --> 00:01:05,149  
all right here we go Fade to Black it is

17  
00:01:11,830 --> 00:01:06,860  
Wednesday March 15

18  
00:01:15,469 --> 00:01:11,840  
2023 and tonight Our Guest is Chuck Fay

19  
00:01:17,630 --> 00:01:15,479  
from MJ 13 over in Hong Kong live in the

20  
00:01:20,210 --> 00:01:17,640  
bunker Chuck say hello to the world

21  
00:01:22,550 --> 00:01:20,220  
Hello whoa that's what I'm talking about

22  
00:01:25,310 --> 00:01:22,560  
it's going to be a great show tonight uh

23  
00:01:27,429 --> 00:01:25,320  
chakka is here from Hong Kong and we

24  
00:01:30,950 --> 00:01:27,439  
have been friends for many many years

25  
00:01:35,210 --> 00:01:30,960  
and I like to say that uh Chuck is the

26  
00:01:36,289 --> 00:01:35,220  
Jimmy Church of China and uh and and I

27  
00:01:38,630 --> 00:01:36,299  
love that

28  
00:01:40,370 --> 00:01:38,640  
um and tonight we're gonna it's host to

29  
00:01:43,130 --> 00:01:40,380  
host uh we're going to be talking about

30  
00:01:46,069 --> 00:01:43,140  
all things extraterrestrial in the UFO

31  
00:01:48,649 --> 00:01:46,079  
and and and how he does things over in

32  
00:01:50,149 --> 00:01:48,659  
China and uh it's a great show so Chuck

33  
00:01:53,270 --> 00:01:50,159  
welcome to the bunker man thank you

34  
00:01:55,249 --> 00:01:53,280  
thank you I can't be I cannot believe

35  
00:01:56,149 --> 00:01:55,259  
when I look at this window over here

36  
00:01:59,149 --> 00:01:56,159  
right

37  
00:02:01,370 --> 00:01:59,159  
this little square window here God this

38  
00:02:04,609 --> 00:02:01,380

is like dreaming is it is it like

39

00:02:08,449 --> 00:02:04,619

dreaming really yeah yeah I I mean I I

40

00:02:10,850 --> 00:02:08,459

can never ever imagine I can my face

41

00:02:11,770 --> 00:02:10,860

we put next to your face in this little

42

00:02:14,930 --> 00:02:11,780

square

43

00:02:16,910 --> 00:02:14,940

you know and I'm doing live in a bunker

44

00:02:19,250 --> 00:02:16,920

yeah I just can't stop making taking

45

00:02:21,110 --> 00:02:19,260

pictures with you hey uh you know and

46

00:02:22,430 --> 00:02:21,120

and Chuck it's it's an honor and a

47

00:02:24,650 --> 00:02:22,440

privilege to have you here I've been

48

00:02:26,570 --> 00:02:24,660

talking about uh this night uh for a

49

00:02:30,890 --> 00:02:26,580

very long time we've been friends for a

50

00:02:32,809 --> 00:02:30,900

while from 2016. yeah 2016. and uh I

51  
00:02:35,990 --> 00:02:32,819  
need you to lean into my email radio

52  
00:02:39,170 --> 00:02:36,000  
host and he he's he's forgotten how to

53  
00:02:41,509 --> 00:02:39,180  
yeah because to perform I used to have

54  
00:02:43,790 --> 00:02:41,519  
the mic next to the connect to the

55  
00:02:45,470 --> 00:02:43,800  
headphone right oh that's that's the way

56  
00:02:48,070 --> 00:02:45,480  
you do it yeah that's the way I do it

57  
00:02:51,229 --> 00:02:48,080  
well here in the United States yeah

58  
00:02:53,330 --> 00:02:51,239  
we're we're back a few years you guys

59  
00:02:56,150 --> 00:02:53,340  
you know it's Hong Kong you guys are

60  
00:02:58,970 --> 00:02:56,160  
Space Age over there everything is is

61  
00:03:03,110 --> 00:02:58,980  
way ahead of us no that's not true

62  
00:03:05,509 --> 00:03:03,120  
that's not true no not now

63  
00:03:08,210 --> 00:03:05,519

um there's a couple things that I want

64

00:03:11,030 --> 00:03:08,220

to say out of the gate and

65

00:03:13,070 --> 00:03:11,040

um uh the first thing is this

66

00:03:15,290 --> 00:03:13,080

um out of respect

67

00:03:17,270 --> 00:03:15,300

um you live in Hong Kong

68

00:03:20,210 --> 00:03:17,280

um and so I'm gonna lay some ground

69

00:03:23,270 --> 00:03:20,220

rules for myself and you know for the

70

00:03:24,770 --> 00:03:23,280

fader knots tonight that are here

71

00:03:27,229 --> 00:03:24,780

um hanging out with us to understand

72

00:03:30,710 --> 00:03:27,239

that uh we have two different countries

73

00:03:32,570 --> 00:03:30,720

uh two different systems of uh obviously

74

00:03:36,470 --> 00:03:32,580

well first off of government and of

75

00:03:38,869 --> 00:03:36,480

Lifestyles but um you live in Hong Kong

76

00:03:43,610 --> 00:03:38,879

uh which is part of China

77

00:03:45,350 --> 00:03:43,620

and so there are certain zones that out

78

00:03:47,270 --> 00:03:45,360

of respect I'm not going to go into I

79

00:03:50,149 --> 00:03:47,280

never do on the show anyway but since

80

00:03:53,149 --> 00:03:50,159

you're here I think everybody is going

81

00:03:56,030 --> 00:03:53,159

to expect me to go so man tell us about

82

00:04:00,050 --> 00:03:56,040

this and and and we can't do that right

83

00:04:02,390 --> 00:04:00,060

and it it it it is it a concern of you

84

00:04:05,270 --> 00:04:02,400

all the time

85

00:04:08,750 --> 00:04:05,280

um what you say on your radio broadcast

86

00:04:13,130 --> 00:04:08,760

and and and what zones you do and don't

87

00:04:15,470 --> 00:04:13,140

go into uh yes there there is some

88

00:04:18,830 --> 00:04:15,480

there are some subjects that have to be

89

00:04:21,730 --> 00:04:18,840

very careful when I answers right you

90

00:04:24,530 --> 00:04:21,740

know I still have to go home anyway

91

00:04:26,030 --> 00:04:24,540

I started to go back to Hong Kong and I

92

00:04:27,770 --> 00:04:26,040

don't want to be

93

00:04:29,570 --> 00:04:27,780

you know I don't want that there are

94

00:04:30,650 --> 00:04:29,580

some officials coming to the airport and

95

00:04:34,370 --> 00:04:30,660

the rest

96

00:04:36,110 --> 00:04:34,380

me you know because whenever you say

97

00:04:38,390 --> 00:04:36,120

something right right because you're on

98

00:04:41,030 --> 00:04:38,400

on this show you're on Fade to Black and

99

00:04:42,710 --> 00:04:41,040

and and I step out of bounds so we're

100

00:04:46,070 --> 00:04:42,720

not going to do that tonight there's no

101  
00:04:47,590 --> 00:04:46,080  
reason to even though I'm very curious

102  
00:04:51,890 --> 00:04:47,600  
um about a balloon

103  
00:04:55,969 --> 00:04:51,900  
yeah let's just go right there but so

104  
00:05:00,230 --> 00:04:55,979  
check this out all right I was in

105  
00:05:04,670 --> 00:05:00,240  
um Aman Jordan right and now check this

106  
00:05:07,430 --> 00:05:04,680  
okay so you know and and here in in the

107  
00:05:09,469 --> 00:05:07,440  
states where you can drive where you

108  
00:05:10,969 --> 00:05:09,479  
want to go right you can drive across

109  
00:05:13,430 --> 00:05:10,979  
the country through States through

110  
00:05:16,850 --> 00:05:13,440  
cities and and we have a certain

111  
00:05:18,590 --> 00:05:16,860  
expectations of of freedoms and go to an

112  
00:05:20,150 --> 00:05:18,600  
airport you buy a ticket you fly to

113  
00:05:21,590 --> 00:05:20,160

where you want to fly to and and

114

00:05:24,050 --> 00:05:21,600

certainly within the United States

115

00:05:27,830 --> 00:05:24,060

there's no issues with anything I'm in

116

00:05:30,230 --> 00:05:27,840

Amman Jordan man right and I'm flying

117

00:05:35,629 --> 00:05:30,240

back to the United States

118

00:05:40,010 --> 00:05:35,639

and uh and uh my I'm I'm on a anyway so

119

00:05:41,749 --> 00:05:40,020

I walked through and one of the uh uh

120

00:05:44,090 --> 00:05:41,759

people from the airline you know she

121

00:05:45,950 --> 00:05:44,100

comes up and I'm in I'm in a certain

122

00:05:47,749 --> 00:05:45,960

class on the on the flight all right so

123

00:05:50,450 --> 00:05:47,759

she comes up to Mr church I said yes

124

00:05:54,529 --> 00:05:50,460

it's a great follow and right as we turn

125

00:05:56,150 --> 00:05:54,539

the court these Customs dudes step right

126

00:05:59,629 --> 00:05:56,160

up and go

127

00:06:01,490 --> 00:05:59,639

come with us and and she's like standing

128

00:06:04,730 --> 00:06:01,500

there and she steps back and I'm like

129

00:06:07,550 --> 00:06:04,740

but my what what's going on dude they

130

00:06:10,730 --> 00:06:07,560

took me they took they took me aside man

131

00:06:14,150 --> 00:06:10,740

and went through my stuff and and

132

00:06:16,610 --> 00:06:14,160

suddenly nobody spoke English okay yeah

133

00:06:17,990 --> 00:06:16,620

right right nobody's right and I'm like

134

00:06:20,390 --> 00:06:18,000

what's going on

135

00:06:22,969 --> 00:06:20,400

and they kept telling me to sit and I

136

00:06:24,770 --> 00:06:22,979

was like I'm not sitting they took all

137

00:06:27,290 --> 00:06:24,780

of my stuff out they took my passport

138

00:06:29,749 --> 00:06:27,300

and photographed everything in my

139

00:06:32,570 --> 00:06:29,759

luggage with my passport next to it

140

00:06:36,230 --> 00:06:32,580

that's scary yeah and and they kept me

141

00:06:38,990 --> 00:06:36,240

there for about close to an hour and my

142

00:06:42,350 --> 00:06:39,000

flight's leaving oh no and so when they

143

00:06:45,350 --> 00:06:42,360

were done I'm not making this up man

144

00:06:47,210 --> 00:06:45,360

they opened this door and they uh and

145

00:06:49,010 --> 00:06:47,220

let me out and then close and I'm

146

00:06:51,409 --> 00:06:49,020

standing it I don't even know where I'm

147

00:06:56,029 --> 00:06:51,419

at I'm like what in the airport yeah I'm

148

00:06:58,070 --> 00:06:56,039

like what the hell and uh and I was the

149

00:06:59,870 --> 00:06:58,080

last person on the plane yeah they were

150

00:07:03,590 --> 00:06:59,880

closing the door another couple of

151  
00:07:06,469 --> 00:07:03,600  
minutes and and so that's an example of

152  
00:07:08,689 --> 00:07:06,479  
you know here in the states we're used

153  
00:07:11,689 --> 00:07:08,699  
to a certain but but when you're in

154  
00:07:14,870 --> 00:07:11,699  
another country you live by their rules

155  
00:07:17,809 --> 00:07:14,880  
and their laws and and there's nothing

156  
00:07:22,249 --> 00:07:17,819  
you can do about it no not much you can

157  
00:07:25,309 --> 00:07:22,259  
do and and so then put it this way I I'm

158  
00:07:29,930 --> 00:07:25,319  
in Hong Kong we're not getting to this

159  
00:07:33,230 --> 00:07:29,940  
security Yen up to now is still free

160  
00:07:35,809 --> 00:07:33,240  
freedom to um in a lot of perspective

161  
00:07:39,170 --> 00:07:35,819  
but we are losing it

162  
00:07:41,270 --> 00:07:39,180  
I I just what I'm like I can't feel yeah

163  
00:07:42,830 --> 00:07:41,280

and I don't want you to again there's no

164

00:07:46,010 --> 00:07:42,840

reason to step out of bounds here she's

165

00:07:48,469 --> 00:07:46,020

already right I can Chuck's voice yeah

166

00:07:51,350 --> 00:07:48,479

yeah let's not get you nervous but no

167

00:07:53,270 --> 00:07:51,360

but what about what about uh the UFO

168

00:07:55,930 --> 00:07:53,280

subject

169

00:08:00,650 --> 00:07:55,940

um uh there must be two different

170

00:08:04,010 --> 00:08:00,660

versions of How It's dealt with there's

171

00:08:05,710 --> 00:08:04,020

the government side and then there's you

172

00:08:08,990 --> 00:08:05,720

the people side

173

00:08:10,010 --> 00:08:09,000

does the government over there talk

174

00:08:12,409 --> 00:08:10,020

about

175

00:08:15,710 --> 00:08:12,419

the subject like the United States

176

00:08:18,830 --> 00:08:15,720

government is doing now not at all not

177

00:08:20,749 --> 00:08:18,840

at all they they try to avoid quite a

178

00:08:23,390 --> 00:08:20,759

lot of

179

00:08:26,450 --> 00:08:23,400

um informations like for example like

180

00:08:28,369 --> 00:08:26,460

the UFOs and UFO information is no

181

00:08:29,749 --> 00:08:28,379

longer become interested to most of the

182

00:08:32,449 --> 00:08:29,759

people in Hong Kong

183

00:08:35,389 --> 00:08:32,459

because all this happening these years

184

00:08:38,990 --> 00:08:35,399

and people are paying a lot of focus on

185

00:08:43,969 --> 00:08:39,000

the politics and uh and uh democracy and

186

00:08:45,530 --> 00:08:43,979

all that stuff do these days no okay so

187

00:08:47,410 --> 00:08:45,540

um we're gonna stay right here for a

188

00:08:51,230 --> 00:08:47,420

second because

189

00:08:55,190 --> 00:08:51,240

the internet and information right so

190

00:08:57,290 --> 00:08:55,200

it's it's coming across into Asia it

191

00:09:01,310 --> 00:08:57,300

comes into Hong Kong

192

00:09:04,670 --> 00:09:01,320

you being in Hong Kong you have you have

193

00:09:06,410 --> 00:09:04,680

Google do we do yes right but across the

194

00:09:09,949 --> 00:09:06,420

water no Google

195

00:09:12,230 --> 00:09:09,959

uh a cluster border no yeah Google's

196

00:09:15,290 --> 00:09:12,240

YouTube Facebook and quite a lot of

197

00:09:16,670 --> 00:09:15,300

social media was Ben in China in China

198

00:09:18,130 --> 00:09:16,680

including

199

00:09:21,949 --> 00:09:18,140

free to Black

200

00:09:25,430 --> 00:09:21,959

is not in China it's not in China you

201  
00:09:29,990 --> 00:09:25,440  
can you can get to the website that's

202  
00:09:31,910 --> 00:09:30,000  
that's the point really okay so you in

203  
00:09:33,949 --> 00:09:31,920  
in Hong Kong

204  
00:09:38,030 --> 00:09:33,959  
uh you have Fade to Black right right

205  
00:09:42,290 --> 00:09:38,040  
and you have access to uh like Fox and

206  
00:09:45,769 --> 00:09:42,300  
CNN yes we do so if Tucker Carlson is

207  
00:09:49,310 --> 00:09:45,779  
interviewing somebody about UFOs in Hong

208  
00:09:51,590 --> 00:09:49,320  
Kong you've got that but in China they

209  
00:09:53,949 --> 00:09:51,600  
have no idea that they have no United

210  
00:09:57,949 --> 00:09:53,959  
States government is interested in this

211  
00:09:59,570 --> 00:09:57,959  
news are pretty much in control in uh

212  
00:10:00,949 --> 00:09:59,580  
places right

213  
00:10:04,030 --> 00:10:00,959

um they have to control how many

214

00:10:06,470 --> 00:10:04,040

information can goes to the citizens

215

00:10:07,430 --> 00:10:06,480

what information not to go to the

216

00:10:09,350 --> 00:10:07,440

citizen

217

00:10:11,389 --> 00:10:09,360

pretty normal I mean that's that's

218

00:10:14,269 --> 00:10:11,399

pretty normal to you I mean all these

219

00:10:16,550 --> 00:10:14,279

years in China and all this year in

220

00:10:18,769 --> 00:10:16,560

even now is Hong Kong as well

221

00:10:21,290 --> 00:10:18,779

they're they're

222

00:10:24,590 --> 00:10:21,300

um okay remember I told you there is a

223

00:10:27,530 --> 00:10:24,600

UFO conference in Los Angeles last this

224

00:10:29,810 --> 00:10:27,540

month yeah right alien con alien coin I

225

00:10:32,630 --> 00:10:29,820

was supposed to go there but when I

226

00:10:35,509 --> 00:10:32,640

arrived to the states my cousin my

227

00:10:37,310 --> 00:10:35,519

cousins live in Los Angeles and uh she

228

00:10:39,110 --> 00:10:37,320

asked me whether I know anything about

229

00:10:41,030 --> 00:10:39,120

the alien con I said I don't know

230

00:10:42,710 --> 00:10:41,040

anything about it he said no I thought

231

00:10:44,870 --> 00:10:42,720

you were coming for the for the

232

00:10:48,530 --> 00:10:44,880

conference I said no because I cannot

233

00:10:50,750 --> 00:10:48,540

get into any any information into it I

234

00:10:53,090 --> 00:10:50,760

cannot get all the information I can get

235

00:10:55,250 --> 00:10:53,100

to the website but it was wrote the

236

00:10:57,650 --> 00:10:55,260

information are not going to your

237

00:11:00,410 --> 00:10:57,660

location something like that right right

238

00:11:04,370 --> 00:11:00,420

right right right that's crazy so they

239

00:11:05,810 --> 00:11:04,380

have the ability to filter the real

240

00:11:08,030 --> 00:11:05,820

information you can go to the website

241

00:11:09,769 --> 00:11:08,040

but anything that's beyond that any

242

00:11:11,750 --> 00:11:09,779

information or anything it's not there

243

00:11:13,790 --> 00:11:11,760

that's true I don't know why they banned

244

00:11:15,949 --> 00:11:13,800

the UFO informations or conference

245

00:11:19,610 --> 00:11:15,959

informations I it doesn't make no sense

246

00:11:20,470 --> 00:11:19,620

right but it happens okay right

247

00:11:24,290 --> 00:11:20,480

um

248

00:11:27,650 --> 00:11:24,300

so here in this day okay let's talk

249

00:11:31,730 --> 00:11:27,660

about UFOs in China because there were

250

00:11:34,850 --> 00:11:31,740

some incredible images of the cities in

251

00:11:37,910 --> 00:11:34,860

the clouds oh right right and

252

00:11:41,329 --> 00:11:37,920

um there were the uaps that shut down

253

00:11:43,130 --> 00:11:41,339

the Beijing airport for a day yeah and

254

00:11:45,889 --> 00:11:43,140

those images made it over to the states

255

00:11:47,870 --> 00:11:45,899

to the people of China know about those

256

00:11:49,130 --> 00:11:47,880

incidents yeah know about it and then

257

00:11:51,530 --> 00:11:49,140

probably like

258

00:11:55,670 --> 00:11:51,540

six months no probably a year ago there

259

00:11:58,250 --> 00:11:55,680

is a huge triangle up there in Shanghai

260

00:12:00,829 --> 00:11:58,260

right and people famous

261

00:12:02,930 --> 00:12:00,839

and again there are people coming out

262

00:12:04,610 --> 00:12:02,940

and try to explain it like this is like

263

00:12:06,470 --> 00:12:04,620

the Reflection from the building from

264

00:12:09,530 --> 00:12:06,480

the spotlight and all that but we all

265

00:12:11,870 --> 00:12:09,540

know that it's not true right people's

266

00:12:13,730 --> 00:12:11,880

people knows about UFOs and people saw

267

00:12:16,130 --> 00:12:13,740

UFOs in China

268

00:12:18,530 --> 00:12:16,140

but at the same time this is

269

00:12:19,870 --> 00:12:18,540

something people not really interested

270

00:12:24,290 --> 00:12:19,880

in it

271

00:12:26,329 --> 00:12:24,300

are they not interested because

272

00:12:29,389 --> 00:12:26,339

they are told they're not interesting

273

00:12:32,449 --> 00:12:29,399

right yeah maybe if you know what I mean

274

00:12:34,670 --> 00:12:32,459

yeah all right it's not interest they

275

00:12:36,410 --> 00:12:34,680

are not really interested because of it

276

00:12:38,870 --> 00:12:36,420

doesn't make money

277

00:12:40,790 --> 00:12:38,880

right okay I mean the UFO in the sky

278

00:12:43,069 --> 00:12:40,800

what is it going to do with me what is

279

00:12:44,990 --> 00:12:43,079

it going to do with my business what is

280

00:12:47,750 --> 00:12:45,000

it going to do with my wallet got

281

00:12:50,150 --> 00:12:47,760

nothing to do with them right now okay

282

00:12:52,910 --> 00:12:50,160

only a few person for example like

283

00:12:54,430 --> 00:12:52,920

people who saw the UFOs themselves or

284

00:12:57,650 --> 00:12:54,440

people who've been

285

00:13:00,650 --> 00:12:57,660

encounter with aliens or UFOs or maybe

286

00:13:03,949 --> 00:13:00,660

kidnap abducted by aliens they will

287

00:13:06,889 --> 00:13:03,959

become really interested into this

288

00:13:08,990 --> 00:13:06,899

and what I what I can tell is the China

289

00:13:11,090 --> 00:13:09,000

government they don't really stop people

290

00:13:14,449 --> 00:13:11,100

from doing it to stop people from

291

00:13:19,430 --> 00:13:14,459

studying it right but there are so many

292

00:13:21,410 --> 00:13:19,440

so many UFO com uh Society in China

293

00:13:23,269 --> 00:13:21,420

and quite a lot of them are actually

294

00:13:26,150 --> 00:13:23,279

controlled by government

295

00:13:28,009 --> 00:13:26,160

that's what I know so what about um okay

296

00:13:31,250 --> 00:13:28,019

so here in the United States we have

297

00:13:34,069 --> 00:13:31,260

move on right right where so we have the

298

00:13:35,750 --> 00:13:34,079

local mufon chapters in cities across

299

00:13:38,990 --> 00:13:35,760

the country they get together once a

300

00:13:41,150 --> 00:13:39,000

month and and eat and drink and and talk

301  
00:13:44,690 --> 00:13:41,160  
to UFOs and stuff are there are there

302  
00:13:47,629 --> 00:13:44,700  
groups in China that are UFO societies

303  
00:13:50,210 --> 00:13:47,639  
that get together yeah groups for a UFO

304  
00:13:52,069 --> 00:13:50,220  
City when they do eat and drink in a lot

305  
00:13:55,009 --> 00:13:52,079  
of time but they don't really follow to

306  
00:13:57,410 --> 00:13:55,019  
the UFO subjects and if they find

307  
00:14:00,530 --> 00:13:57,420  
something I believe they will go to the

308  
00:14:02,690 --> 00:14:00,540  
out go to the military directly but and

309  
00:14:04,310 --> 00:14:02,700  
then after that it will close and you

310  
00:14:06,650 --> 00:14:04,320  
won't be able to find out anything right

311  
00:14:08,449 --> 00:14:06,660  
right right right at all so it wouldn't

312  
00:14:10,129 --> 00:14:08,459  
be in the local newspaper it's not going

313  
00:14:11,930 --> 00:14:10,139

to be on TV well it will be in the

314

00:14:14,509 --> 00:14:11,940

newspaper I mean for example like

315

00:14:16,910 --> 00:14:14,519

signing in the Shanghai in the social

316

00:14:19,790 --> 00:14:16,920

media you know you see a lot of video

317

00:14:21,949 --> 00:14:19,800

from the social media right but the

318

00:14:24,050 --> 00:14:21,959

government will not make any officials

319

00:14:25,850 --> 00:14:24,060

announcements they will not make any

320

00:14:28,910 --> 00:14:25,860

officials

321

00:14:30,829 --> 00:14:28,920

uh like they they knew something but

322

00:14:33,110 --> 00:14:30,839

they they don't tell right right yeah

323

00:14:35,629 --> 00:14:33,120

that's an interesting point uh like

324

00:14:38,389 --> 00:14:35,639

again here we have move on so if you

325

00:14:42,110 --> 00:14:38,399

have a sighting you have uh the National

326

00:14:45,110 --> 00:14:42,120

UFO Reporting Center right uh new for um

327

00:14:47,449 --> 00:14:45,120

a new Fork up in um uh Washington with

328

00:14:50,030 --> 00:14:47,459

Peter Davenport right so there are

329

00:14:52,670 --> 00:14:50,040

places as you know where if you have a

330

00:14:55,550 --> 00:14:52,680

sighting if you want to report the

331

00:14:57,530 --> 00:14:55,560

sighting you can do that and if you want

332

00:14:58,910 --> 00:14:57,540

an investigated you know and let

333

00:15:04,810 --> 00:14:58,920

somebody know to look at the evidence

334

00:15:08,629 --> 00:15:04,820

you can do that in in in China

335

00:15:10,910 --> 00:15:08,639

what no right no no you there's nowhere

336

00:15:12,949 --> 00:15:10,920

no way you can report it and you don't

337

00:15:15,530 --> 00:15:12,959

know report it to who nobody really

338

00:15:17,389 --> 00:15:15,540

cares well even though we know the

339

00:15:19,550 --> 00:15:17,399

government really cares about it but

340

00:15:20,449 --> 00:15:19,560

they don't have a platform they don't

341

00:15:22,610 --> 00:15:20,459

have

342

00:15:25,670 --> 00:15:22,620

a way that you can just report what

343

00:15:27,590 --> 00:15:25,680

you're signing no right people will film

344

00:15:29,269 --> 00:15:27,600

it and then put it up to social media

345

00:15:31,850 --> 00:15:29,279

and then people start talking about it

346

00:15:34,069 --> 00:15:31,860

and people some of them will say try to

347

00:15:36,769 --> 00:15:34,079

explain it some of them will say this is

348

00:15:39,350 --> 00:15:36,779

a real UFOs but you never know whether

349

00:15:40,670 --> 00:15:39,360

that's true or not right right um right

350

00:15:43,250 --> 00:15:40,680

the point is

351

00:15:44,810 --> 00:15:43,260

one of the porn is very important is

352

00:15:45,470 --> 00:15:44,820

because

353

00:15:48,769 --> 00:15:45,480

um

354

00:15:51,470 --> 00:15:48,779

well how to say it I have to now I have

355

00:15:55,509 --> 00:15:51,480

to say it really carefully because it

356

00:15:59,629 --> 00:15:55,519

gets to quite a sensitive point right

357

00:16:03,170 --> 00:15:59,639

people who like to make things up or

358

00:16:05,569 --> 00:16:03,180

thicken it up by you know by a lot of of

359

00:16:07,670 --> 00:16:05,579

software we can do it right now you know

360

00:16:12,230 --> 00:16:07,680

there's so many editing software you can

361

00:16:14,569 --> 00:16:12,240

simply put a fake spaceship on the sky

362

00:16:17,090 --> 00:16:14,579

so you don't know how many percent of

363

00:16:18,769 --> 00:16:17,100

the video we saw from Tick Tock is real

364

00:16:21,050 --> 00:16:18,779

we don't know

365

00:16:24,530 --> 00:16:21,060

that could be a fake enough there could

366

00:16:26,810 --> 00:16:24,540

be a real scenario we never know yeah

367

00:16:29,269 --> 00:16:26,820

yeah you don't if you want to see good

368

00:16:31,550 --> 00:16:29,279

fake UFO videos Tick Tock is the place

369

00:16:33,470 --> 00:16:31,560

to go man that's true there's no doubt

370

00:16:35,509 --> 00:16:33,480

about it let us say when there is

371

00:16:37,730 --> 00:16:35,519

something from The Tick Tock and then

372

00:16:38,990 --> 00:16:37,740

most of the Hong Kong people some of the

373

00:16:41,689 --> 00:16:39,000

Hong Kong people

374

00:16:43,790 --> 00:16:41,699

uh we would say this is from Tito we

375

00:16:46,129 --> 00:16:43,800

don't believe it anyway

376

00:16:49,009 --> 00:16:46,139

it doesn't matter what it's about

377

00:16:52,069 --> 00:16:49,019

um but okay so

378

00:16:55,490 --> 00:16:52,079

um social media we've got issues here in

379

00:17:00,590 --> 00:16:55,500

the United States of social media and uh

380

00:17:05,569 --> 00:17:00,600

and censorship and and even on this show

381

00:17:07,370 --> 00:17:05,579

um I have to be careful about what I say

382

00:17:10,429 --> 00:17:07,380

um and and even

383

00:17:12,169 --> 00:17:10,439

um when I hosted Coast to Coast

384

00:17:13,970 --> 00:17:12,179

um I have a lot of freedoms here on Fade

385

00:17:15,770 --> 00:17:13,980

to Black I can talk about whatever I

386

00:17:17,689 --> 00:17:15,780

want I can use whatever language I want

387

00:17:21,409 --> 00:17:17,699

to use for the most part if I you know

388

00:17:23,090 --> 00:17:21,419

but I do stay in bounds but uh over on

389

00:17:25,510 --> 00:17:23,100

Coast to Coast there are certain zones I

390

00:17:27,590 --> 00:17:25,520

I couldn't go into and I was constantly

391

00:17:29,690 --> 00:17:27,600

centering you know I'm thinking all the

392

00:17:32,270 --> 00:17:29,700

time I'm censoring myself

393

00:17:34,669 --> 00:17:32,280

um but that's fine but even here in the

394

00:17:37,250 --> 00:17:34,679

states where

395

00:17:39,470 --> 00:17:37,260

um the and I I don't even like saying

396

00:17:43,010 --> 00:17:39,480

what was censored because that will

397

00:17:45,950 --> 00:17:43,020

trigger software and get me censored but

398

00:17:47,630 --> 00:17:45,960

but we we so

399

00:17:50,510 --> 00:17:47,640

um uh and that's with Facebook and with

400

00:17:52,610 --> 00:17:50,520

Twitter and and Instagram and and and

401  
00:17:54,950 --> 00:17:52,620  
certainly YouTube

402  
00:17:58,330 --> 00:17:54,960  
um and other platforms

403  
00:18:01,730 --> 00:17:58,340  
um and over in China

404  
00:18:05,090 --> 00:18:01,740  
those those platforms are completely

405  
00:18:07,430 --> 00:18:05,100  
regulated right that's true right is so

406  
00:18:11,750 --> 00:18:07,440  
is there uh

407  
00:18:13,850 --> 00:18:11,760  
um freedom to talk is their UFO pages

408  
00:18:15,830 --> 00:18:13,860  
and I don't know what the Chinese

409  
00:18:17,870 --> 00:18:15,840  
version of Facebook is called

410  
00:18:19,430 --> 00:18:17,880  
do you want to say it on the air that

411  
00:18:20,150 --> 00:18:19,440  
was

412  
00:18:23,690 --> 00:18:20,160  
um

413  
00:18:25,430 --> 00:18:23,700

I think that is called Sino I think okay

414

00:18:27,049 --> 00:18:25,440

close enough I don't know I don't know

415

00:18:29,690 --> 00:18:27,059

but but I know that they have a version

416

00:18:31,970 --> 00:18:29,700

I've seen it it looks the same right it

417

00:18:34,490 --> 00:18:31,980

looks the same yeah but it's way more

418

00:18:38,810 --> 00:18:34,500

complicated a lot more complicated

419

00:18:41,510 --> 00:18:38,820

everything similar to like the eBay we

420

00:18:44,150 --> 00:18:41,520

got eBay we got PayPal we got similar

421

00:18:46,250 --> 00:18:44,160

things in China but it's way more

422

00:18:49,310 --> 00:18:46,260

complicated because

423

00:18:51,230 --> 00:18:49,320

they had to do a lot of steps to stop

424

00:18:54,169 --> 00:18:51,240

yeah Weeble against what they call

425

00:18:56,090 --> 00:18:54,179

Weeble yes yeah Weaver yeah

426

00:18:58,190 --> 00:18:56,100

very quick

427

00:19:00,289 --> 00:18:58,200

um yeah but there's so many so

428

00:19:03,409 --> 00:19:00,299

complicated to do things because they're

429

00:19:04,909 --> 00:19:03,419

doing a lot of steps to stop people from

430

00:19:07,090 --> 00:19:04,919

cheating

431

00:19:10,430 --> 00:19:07,100

you know what I mean

432

00:19:12,890 --> 00:19:10,440

for example like like a payment platform

433

00:19:14,870 --> 00:19:12,900

oh yeah yeah yeah yeah a lot of step to

434

00:19:16,070 --> 00:19:14,880

stop people from like cheating or like

435

00:19:18,830 --> 00:19:16,080

people from

436

00:19:21,110 --> 00:19:18,840

you know washing monies you know or

437

00:19:23,990 --> 00:19:21,120

money ordering yeah yeah all these

438

00:19:26,270 --> 00:19:24,000

things and um that's why it's

439

00:19:28,190 --> 00:19:26,280

complicated and they have to do a lot of

440

00:19:31,430 --> 00:19:28,200

like proving you have to prove whoever

441

00:19:33,770 --> 00:19:31,440

yourself uh improve your identity proof

442

00:19:35,690 --> 00:19:33,780

your number prove your address they do a

443

00:19:40,430 --> 00:19:35,700

lot of stuff to do it

444

00:19:41,750 --> 00:19:40,440

um now with um with your show and MJ 13

445

00:19:43,370 --> 00:19:41,760

which

446

00:19:45,950 --> 00:19:43,380

um everybody should know and you can go

447

00:19:48,289 --> 00:19:45,960

uh you can check out I've got Chuck's

448

00:19:50,690 --> 00:19:48,299

links uh to his website below you can go

449

00:19:52,450 --> 00:19:50,700

and and check it out he doesn't have an

450

00:19:57,049 --> 00:19:52,460

English version of the site by the way

451  
00:20:00,049 --> 00:19:57,059  
but I'm thinking you should I'm thinking

452  
00:20:03,650 --> 00:20:00,059  
of uh starting another Channel and then

453  
00:20:05,570 --> 00:20:03,660  
talks about the Asian UFOs well you

454  
00:20:07,250 --> 00:20:05,580  
should you should you should do it your

455  
00:20:09,409 --> 00:20:07,260  
English is great by the way he speaks

456  
00:20:11,450 --> 00:20:09,419  
better English than than I do and

457  
00:20:14,590 --> 00:20:11,460  
certainly most of most of this audience

458  
00:20:17,930 --> 00:20:14,600  
but um but

459  
00:20:20,570 --> 00:20:17,940  
your subject on that

460  
00:20:25,610 --> 00:20:20,580  
you broadcast out of Hong Kong right

461  
00:20:28,490 --> 00:20:25,620  
could you do MJ 13 in China

462  
00:20:32,810 --> 00:20:28,500  
wow that's um could you do it in Beijing

463  
00:20:35,810 --> 00:20:32,820

no you could not no no internet radio

464

00:20:38,510 --> 00:20:35,820

has become very sensitive again right

465

00:20:40,310 --> 00:20:38,520

now I mean you used to be like free

466

00:20:43,450 --> 00:20:40,320

Freedom people can do whatever they want

467

00:20:46,610 --> 00:20:43,460

they do the talks right they talk about

468

00:20:48,110 --> 00:20:46,620

normal natural life like where to eat

469

00:20:51,529 --> 00:20:48,120

what where

470

00:20:53,690 --> 00:20:51,539

new headphones whatever but they're very

471

00:20:56,590 --> 00:20:53,700

sensitive when you talks about UFOs when

472

00:21:01,250 --> 00:20:59,210

okay what about okay I want you to pull

473

00:21:03,830 --> 00:21:01,260

your chair forward like three inches

474

00:21:06,529 --> 00:21:03,840

that'll force you to sit yeah now talk

475

00:21:09,470 --> 00:21:06,539

okay see how loud he is now that's how

476

00:21:12,110 --> 00:21:09,480

loud he is he's a loud dude he's louder

477

00:21:14,150 --> 00:21:12,120

than me okay okay see now I got an

478

00:21:15,710 --> 00:21:14,160

attorney this is great oh no sit that

479

00:21:17,570 --> 00:21:15,720

was perfect

480

00:21:20,210 --> 00:21:17,580

um what about ghosts

481

00:21:22,250 --> 00:21:20,220

no you can't talk Ghosts no remember I

482

00:21:24,549 --> 00:21:22,260

told you before when uh somebody makes

483

00:21:28,549 --> 00:21:24,559

something make a mix ghost ghost movie

484

00:21:31,730 --> 00:21:28,559

right in Hong Kong we can play a ghost

485

00:21:34,549 --> 00:21:31,740

movie normally right like like a story

486

00:21:37,310 --> 00:21:34,559

and like any kind of haunted movies

487

00:21:38,390 --> 00:21:37,320

whatever which is scary right but in

488

00:21:41,330 --> 00:21:38,400

China

489

00:21:43,850 --> 00:21:41,340

years ago the director have to make an

490

00:21:45,049 --> 00:21:43,860

alternate I mean make another versions

491

00:21:47,510 --> 00:21:45,059

at the end

492

00:21:50,450 --> 00:21:47,520

and to let the movie play in China

493

00:21:53,390 --> 00:21:50,460

because Communists they don't believe in

494

00:21:55,330 --> 00:21:53,400

ghosts they don't believe in religion

495

00:21:57,950 --> 00:21:55,340

right so

496

00:21:59,510 --> 00:21:57,960

you're not like for example not only

497

00:22:02,029 --> 00:21:59,520

about the ghost

498

00:22:03,250 --> 00:22:02,039

like for example like there are a lot of

499

00:22:05,690 --> 00:22:03,260

tile Master

500

00:22:08,270 --> 00:22:05,700

you know they are not allowed to talk

501

00:22:11,810 --> 00:22:08,280

they are not allowed to

502

00:22:14,690 --> 00:22:11,820

uh how to how do I say to predict the

503

00:22:17,630 --> 00:22:14,700

stock market by the town you know what I

504

00:22:18,710 --> 00:22:17,640

mean you cannot predict stock market in

505

00:22:21,049 --> 00:22:18,720

China

506

00:22:23,570 --> 00:22:21,059

even in Hong Kong right now

507

00:22:26,450 --> 00:22:23,580

like for example if you have somebody

508

00:22:28,789 --> 00:22:26,460

who used tarot cards right or you're

509

00:22:31,490 --> 00:22:28,799

someone who is um the fortune teller

510

00:22:33,770 --> 00:22:31,500

yeah they're not allowed to say anything

511

00:22:37,070 --> 00:22:33,780

about stock markets because of that

512

00:22:40,310 --> 00:22:37,080

really they break the law well I mean we

513

00:22:42,710 --> 00:22:40,320

laugh about it uh because I mean who

514

00:22:44,149 --> 00:22:42,720

would listen to them anyway

515

00:22:46,010 --> 00:22:44,159

um about the beef you know what I'm

516

00:22:51,289 --> 00:22:46,020

saying come on I'm just I'm just joking

517

00:22:54,289 --> 00:22:51,299

here but but wow but in in it it's okay

518

00:22:57,529 --> 00:22:54,299

okay so let's let's swing this back I

519

00:23:00,230 --> 00:22:57,539

don't want this to go in that direction

520

00:23:03,470 --> 00:23:00,240

um uh let me say one thing first before

521

00:23:06,950 --> 00:23:03,480

you finish that when there's a location

522

00:23:10,370 --> 00:23:06,960

where it's not stable enough then people

523

00:23:13,010 --> 00:23:10,380

will like to find answers from

524

00:23:14,690 --> 00:23:13,020

like fortune tellers like to know the

525

00:23:17,029 --> 00:23:14,700

future right

526

00:23:20,090 --> 00:23:17,039

not only on the financial but on

527

00:23:22,630 --> 00:23:20,100

everything any kind of any anything

528

00:23:26,210 --> 00:23:22,640

personal life

529

00:23:28,669 --> 00:23:26,220

your love life yeah it works and

530

00:23:31,070 --> 00:23:28,679

politics people really cares about

531

00:23:34,010 --> 00:23:31,080

politics these days and that is very

532

00:23:37,190 --> 00:23:34,020

sensitive for for me to talk anything

533

00:23:39,409 --> 00:23:37,200

about it the politics in Hong Kong even

534

00:23:42,110 --> 00:23:39,419

in here in the states

535

00:23:44,149 --> 00:23:42,120

which is almost impossible you can't do

536

00:23:47,810 --> 00:23:44,159

it if you don't want to get in trouble

537

00:23:50,270 --> 00:23:47,820

you have to be very careful to to your

538

00:23:52,490 --> 00:23:50,280

your speed and and here's the other

539

00:23:57,950 --> 00:23:52,500

here's the other thing

540

00:24:00,649 --> 00:23:57,960

um I mean for me that when we look at uh

541

00:24:01,990 --> 00:24:00,659

China especially you know you you think

542

00:24:05,630 --> 00:24:02,000

about you know

543

00:24:06,430 --> 00:24:05,640

Taiwan and Shanghai and Beijing and Hong

544

00:24:10,850 --> 00:24:06,440

Kong

545

00:24:14,570 --> 00:24:10,860

the advancements of of Sciences and

546

00:24:16,370 --> 00:24:14,580

society and China is leading right now

547

00:24:20,690 --> 00:24:16,380

in space right they've got their own

548

00:24:23,690 --> 00:24:20,700

space station and and their their uh

549

00:24:26,330 --> 00:24:23,700

advancements into Ai and Computing and

550

00:24:29,510 --> 00:24:26,340

they have all the manufacturing and you

551  
00:24:31,909 --> 00:24:29,520  
know so Advanced and and we have to say

552  
00:24:32,950 --> 00:24:31,919  
that it's it's leading the world right

553  
00:24:37,130 --> 00:24:32,960  
now

554  
00:24:39,470 --> 00:24:37,140  
there must be when you look at a city

555  
00:24:41,390 --> 00:24:39,480  
like Hong Kong right the most expensive

556  
00:24:45,230 --> 00:24:41,400  
place to live on earth everything goes

557  
00:24:47,870 --> 00:24:45,240  
on there yeah I realized and people must

558  
00:24:50,750 --> 00:24:47,880  
be thinking about the vastness of space

559  
00:24:53,029 --> 00:24:50,760  
and how much alien life is out there and

560  
00:24:57,470 --> 00:24:53,039  
the stars and planets and exoplanets

561  
00:24:59,750 --> 00:24:57,480  
because of where China is in Aerospace

562  
00:25:03,409 --> 00:24:59,760  
and all of the those Industries yeah you

563  
00:25:05,930 --> 00:25:03,419

believe so I well that's I'm saying you

564

00:25:10,070 --> 00:25:05,940

would think that right

565

00:25:12,350 --> 00:25:10,080

um but you're saying no no no wow you

566

00:25:15,470 --> 00:25:12,360

remember many years ago when we were in

567

00:25:17,870 --> 00:25:15,480

uh one of the UFO conference and then uh

568

00:25:21,070 --> 00:25:17,880

cry Louis he asked me about the

569

00:25:24,350 --> 00:25:21,080

electronic radio the the the the the

570

00:25:26,690 --> 00:25:24,360

telescope in China right that is the

571

00:25:29,930 --> 00:25:26,700

because when the biggest radio telescope

572

00:25:32,090 --> 00:25:29,940

in the world it's bigger than Arecibo in

573

00:25:34,070 --> 00:25:32,100

in Puerto Rico right and then the one in

574

00:25:37,370 --> 00:25:34,080

Puerto Rico is crack right yeah yeah

575

00:25:39,470 --> 00:25:37,380

right so and I remember cry asked me do

576

00:25:41,210 --> 00:25:39,480

you think China will find alien earlier

577

00:25:44,990 --> 00:25:41,220

than everybody else

578

00:25:48,230 --> 00:25:45,000

I have to I have to answer the question

579

00:25:51,049 --> 00:25:48,240

on life very carefully because I said

580

00:25:53,390 --> 00:25:51,059

where I remember my answer is you have

581

00:25:55,490 --> 00:25:53,400

in terms of finding aliens you need two

582

00:25:57,950 --> 00:25:55,500

things you need the skills and you need

583

00:25:59,810 --> 00:25:57,960

the technology right right and China

584

00:26:01,610 --> 00:25:59,820

make out the technology but they don't

585

00:26:05,029 --> 00:26:01,620

have the skills

586

00:26:08,630 --> 00:26:05,039

so I don't think I don't think they

587

00:26:11,690 --> 00:26:08,640

would find aliens of uh earlier than

588

00:26:12,610 --> 00:26:11,700

everybody else do you remember

589

00:26:15,890 --> 00:26:12,620

um

590

00:26:18,950 --> 00:26:15,900

this may be a sensitive area okay but

591

00:26:22,130 --> 00:26:18,960

try me yeah okay so China did a press

592

00:26:26,470 --> 00:26:22,140

release uh through their State newspaper

593

00:26:28,029 --> 00:26:26,480

about a year ago that that telescope

594

00:26:32,090 --> 00:26:28,039

detected

595

00:26:33,769 --> 00:26:32,100

alien communication signals signal and

596

00:26:37,850 --> 00:26:33,779

that they use the word communication

597

00:26:39,470 --> 00:26:37,860

right okay so so this blast out and this

598

00:26:41,930 --> 00:26:39,480

got picked up here in the states very

599

00:26:44,810 --> 00:26:41,940

quickly I covered it here on Fade to

600

00:26:47,990 --> 00:26:44,820

Black and there was like two or three

601  
00:26:49,269 --> 00:26:48,000  
press releases that went out that day

602  
00:26:52,490 --> 00:26:49,279  
China

603  
00:26:54,230 --> 00:26:52,500  
intercepts alien communication right

604  
00:26:57,070 --> 00:26:54,240  
okay so

605  
00:27:00,049 --> 00:26:57,080  
um that went out the next day

606  
00:27:01,789 --> 00:27:00,059  
it was all gone right it was all gone it

607  
00:27:03,590 --> 00:27:01,799  
happens all the time

608  
00:27:06,289 --> 00:27:03,600  
because probably

609  
00:27:08,450 --> 00:27:06,299  
okay that's I can only say it in my

610  
00:27:11,630 --> 00:27:08,460  
perspective okay I couldn't this is not

611  
00:27:14,570 --> 00:27:11,640  
official and I'm not represent any

612  
00:27:19,070 --> 00:27:14,580  
countries any government okay I just say

613  
00:27:20,750 --> 00:27:19,080

it from my belief okay what I believe is

614

00:27:23,149 --> 00:27:20,760

well

615

00:27:26,510 --> 00:27:23,159

you know you have to if you spend all

616

00:27:29,570 --> 00:27:26,520

this money and you build a telescope

617

00:27:31,630 --> 00:27:29,580

that big one of the biggest in the world

618

00:27:36,049 --> 00:27:31,640

then

619

00:27:40,010 --> 00:27:36,059

they would love to tell the world

620

00:27:43,430 --> 00:27:40,020

they find they got the result right so

621

00:27:45,950 --> 00:27:43,440

is to me to me is pretty much like

622

00:27:48,830 --> 00:27:45,960

you know announce it and to everybody

623

00:27:50,990 --> 00:27:48,840

else and then to convince them we have

624

00:27:54,230 --> 00:27:51,000

the technology we have

625

00:27:57,890 --> 00:27:54,240

the power to communicate with aliens

626  
00:28:00,110 --> 00:27:57,900  
but at the same times in Hong Kong quite

627  
00:28:01,730 --> 00:28:00,120  
a lot of people in Hong Kong they don't

628  
00:28:04,669 --> 00:28:01,740  
we don't

629  
00:28:07,310 --> 00:28:04,679  
way

630  
00:28:09,590 --> 00:28:07,320  
it's not the point of believe or not but

631  
00:28:10,909 --> 00:28:09,600  
we don't put it we don't put it too

632  
00:28:13,850 --> 00:28:10,919  
serious

633  
00:28:14,930 --> 00:28:13,860  
that's the that's what we learn all

634  
00:28:17,570 --> 00:28:14,940  
these years

635  
00:28:22,490 --> 00:28:17,580  
whatever details from the news

636  
00:28:24,370 --> 00:28:22,500  
may not be totally accurate is that is

637  
00:28:28,789 --> 00:28:24,380  
that understand easy yeah

638  
00:28:33,350 --> 00:28:28,799

it's perfectly clear and then so when

639

00:28:36,890 --> 00:28:33,360

what do you discuss on mj13 like

640

00:28:40,430 --> 00:28:36,900

uh I'll give you an example

641

00:28:42,230 --> 00:28:40,440

um uh forget about the the triangle over

642

00:28:45,789 --> 00:28:42,240

Shanghai and I do want to know more

643

00:28:49,730 --> 00:28:45,799

about that by the way but let's say

644

00:28:52,250 --> 00:28:49,740

the Congress UFO hearing that happened

645

00:28:54,470 --> 00:28:52,260

six months ago here in the states did

646

00:28:56,570 --> 00:28:54,480

you talk about that on mj-13 I talk

647

00:28:59,390 --> 00:28:56,580

about it but I'm the only one who talk

648

00:29:01,490 --> 00:28:59,400

about it no news no media I will talk

649

00:29:03,409 --> 00:29:01,500

about it they don't

650

00:29:05,870 --> 00:29:03,419

well okay

651  
00:29:08,570 --> 00:29:05,880  
um I tried to explain more

652  
00:29:11,810 --> 00:29:08,580  
if there's a location which the politics

653  
00:29:14,630 --> 00:29:11,820  
is not stable enough then

654  
00:29:18,470 --> 00:29:14,640  
they will make other noises make other

655  
00:29:20,690 --> 00:29:18,480  
news to distract people from paying

656  
00:29:23,389 --> 00:29:20,700  
attention into what they want to pay

657  
00:29:25,669 --> 00:29:23,399  
attention to right so they will have

658  
00:29:29,450 --> 00:29:25,679  
some other stories have some other

659  
00:29:32,649 --> 00:29:29,460  
really shocking news try to distract

660  
00:29:36,889 --> 00:29:35,090  
government do things like this right we

661  
00:29:40,370 --> 00:29:36,899  
do the same [h\_\_h] over here though right

662  
00:29:42,110 --> 00:29:40,380  
we do this I mean definitely it seems

663  
00:29:44,029 --> 00:29:42,120

like anytime there's anything like you

664

00:29:47,330 --> 00:29:44,039

know like you're saying right some crazy

665

00:29:49,850 --> 00:29:47,340

thing they will find a new story to

666

00:29:51,830 --> 00:29:49,860

cover that up right to bury it and the

667

00:29:53,690 --> 00:29:51,840

next thing you know they've got

668

00:29:57,889 --> 00:29:53,700

something else to talk about that's true

669

00:30:00,950 --> 00:29:57,899

but in in the states a lot of

670

00:30:03,950 --> 00:30:00,960

news that cover is probably like a UFO

671

00:30:06,649 --> 00:30:03,960

land or crash in somewhere somewhere in

672

00:30:08,570 --> 00:30:06,659

the states they make news's or something

673

00:30:10,190 --> 00:30:08,580

else to cover that right people pay

674

00:30:13,310 --> 00:30:10,200

attention to the other news forget about

675

00:30:15,470 --> 00:30:13,320

the landing about about the crashing but

676  
00:30:19,130 --> 00:30:15,480  
that's what United States government

677  
00:30:21,950 --> 00:30:19,140  
usually do to cover the UFOs or things

678  
00:30:25,250 --> 00:30:21,960  
they don't want to disclose but in China

679  
00:30:28,669 --> 00:30:25,260  
on in Hong Kong this park is always

680  
00:30:31,850 --> 00:30:28,679  
about the politics wow and so

681  
00:30:35,210 --> 00:30:31,860  
um but but ET contact Chuck

682  
00:30:37,430 --> 00:30:35,220  
it's an earth thing right it's not a

683  
00:30:40,850 --> 00:30:37,440  
United States thing right it's not a

684  
00:30:45,769 --> 00:30:40,860  
Spanish thing right it's not a Russian

685  
00:30:50,210 --> 00:30:45,779  
thing it's an earth thing yeah so we you

686  
00:30:54,230 --> 00:30:50,220  
there must be the same sightings the

687  
00:30:57,950 --> 00:30:54,240  
same contact in China or Russia or

688  
00:31:02,169 --> 00:30:57,960

Australia or you know Brazil the United

689

00:31:05,649 --> 00:31:02,179

States even Canada right

690

00:31:10,010 --> 00:31:05,659

so so I mean

691

00:31:13,610 --> 00:31:10,020

why why okay so can I can I show this

692

00:31:16,130 --> 00:31:13,620

book to everybody okay so uh I was

693

00:31:20,090 --> 00:31:16,140

gifted this today uh it's a hardcover

694

00:31:22,730 --> 00:31:20,100

book it is called UFO drawings from the

695

00:31:25,610 --> 00:31:22,740

Cantonese World by Chuck Faye right

696

00:31:28,930 --> 00:31:25,620

there compiled by Chuck Faye and this is

697

00:31:33,649 --> 00:31:28,940

uh it's it's amazing color illustrations

698

00:31:36,830 --> 00:31:33,659

of drawings of things that have been

699

00:31:38,029 --> 00:31:36,840

seen uh through Hong Kong uh in Hong

700

00:31:39,490 --> 00:31:38,039

Kong

701  
00:31:42,289 --> 00:31:39,500  
um and

702  
00:31:44,389 --> 00:31:42,299  
this shows me that it isn't any

703  
00:31:47,029 --> 00:31:44,399  
different there than it is

704  
00:31:49,130 --> 00:31:47,039  
you know here in in California that's

705  
00:31:51,470 --> 00:31:49,140  
true that's true there's quite a lot of

706  
00:31:53,029 --> 00:31:51,480  
quite a lot of sighting in China and

707  
00:31:55,370 --> 00:31:53,039  
quite a lot of sighting in Hong Kong as

708  
00:31:57,230 --> 00:31:55,380  
well some of them are really crazy I

709  
00:31:58,549 --> 00:31:57,240  
mean you look at it you talk to the

710  
00:32:00,830 --> 00:31:58,559  
people and you know they're a lot of

711  
00:32:02,389 --> 00:32:00,840  
Faking this up they know you know

712  
00:32:05,090 --> 00:32:02,399  
they're they're not lying they're

713  
00:32:07,010 --> 00:32:05,100

telling the truth they so want to tell

714

00:32:08,990 --> 00:32:07,020

somebody right they have the sort of

715

00:32:11,029 --> 00:32:09,000

sighting they saw the UFO they don't

716

00:32:12,649 --> 00:32:11,039

know who to talk to somebody talked to

717

00:32:16,070 --> 00:32:12,659

the wife and the wife saying oh you must

718

00:32:18,230 --> 00:32:16,080

be drunk somebody tell the parents and

719

00:32:20,210 --> 00:32:18,240

the parents say no you're not lying to

720

00:32:22,190 --> 00:32:20,220

me you're like all these kind of

721

00:32:24,889 --> 00:32:22,200

situation that happens to most of the

722

00:32:27,049 --> 00:32:24,899

people in the world right right but I

723

00:32:29,269 --> 00:32:27,059

want to collect stories from the people

724

00:32:31,310 --> 00:32:29,279

who speak Cantonese

725

00:32:33,950 --> 00:32:31,320

because in Hong Kong people speak

726

00:32:36,289 --> 00:32:33,960

Cantonese instead of Mandarin

727

00:32:38,269 --> 00:32:36,299

oh is that right nobody knows that no I

728

00:32:40,130 --> 00:32:38,279

I just learned something yeah when

729

00:32:41,450 --> 00:32:40,140

people come in over and know you're from

730

00:32:43,130 --> 00:32:41,460

Hong Kong and they start talking

731

00:32:45,169 --> 00:32:43,140

Mandarin to me and then I have to tell

732

00:32:47,990 --> 00:32:45,179

them no Hong Kong people to speak

733

00:32:50,149 --> 00:32:48,000

speak Cantonese is not Mandarin

734

00:32:52,669 --> 00:32:50,159

who's got the better food Hong Kong or

735

00:32:53,990 --> 00:32:52,679

Beijing of course Hong Kong Hong Kong's

736

00:32:56,450 --> 00:32:54,000

got the better food yeah Hong Kong got

737

00:32:59,330 --> 00:32:56,460

food from all over the world you can

738

00:33:02,029 --> 00:32:59,340

have Japanese food Indian food

739

00:33:04,490 --> 00:33:02,039

the United States food right all the

740

00:33:07,130 --> 00:33:04,500

time anywhere do they have taco trucks

741

00:33:09,049 --> 00:33:07,140

that definitely they have tacos in Hong

742

00:33:11,690 --> 00:33:09,059

Kong are they as good as the ones that

743

00:33:13,930 --> 00:33:11,700

we just had uh what the one we have yeah

744

00:33:16,490 --> 00:33:13,940

no that's fantastic

745

00:33:18,830 --> 00:33:16,500

you will find it from montgom we just

746

00:33:22,789 --> 00:33:18,840

had tacos uh before the show tonight

747

00:33:25,909 --> 00:33:22,799

uh the uh and they were good

748

00:33:28,850 --> 00:33:25,919

um more after uh we're done

749

00:33:31,430 --> 00:33:28,860

um but uh yeah I like the Hong Kong I

750

00:33:33,169 --> 00:33:31,440

speak Canton is like Bruce Lee is that

751

00:33:35,509 --> 00:33:33,179

right yeah is that right that's right

752

00:33:37,190 --> 00:33:35,519

that's right okay so it's totally

753

00:33:38,990 --> 00:33:37,200

different I mean the culture is

754

00:33:42,289 --> 00:33:39,000

different people the way that people

755

00:33:45,889 --> 00:33:42,299

think is different is he is he like is

756

00:33:48,110 --> 00:33:45,899

he is he like a deity in Hong Kong what

757

00:33:50,450 --> 00:33:48,120

personally yeah oh he's one of the best

758

00:33:53,389 --> 00:33:50,460

yeah yeah he's got I mean he is here for

759

00:33:55,669 --> 00:33:53,399

sure but right I can only imagine he's

760

00:33:57,470 --> 00:33:55,679

like Elvis in Hong Kong yeah definitely

761

00:33:59,509 --> 00:33:57,480

now if you see it at some of the old

762

00:34:02,509 --> 00:33:59,519

documentary or some of the old clips

763

00:34:04,810 --> 00:34:02,519

yeah from YouTube you see you do he did

764

00:34:07,430 --> 00:34:04,820

the um interview when he's in Hollywood

765

00:34:09,530 --> 00:34:07,440

and people ask him to do how do you do

766

00:34:12,889 --> 00:34:09,540

the dance how do you do the walks on uh

767

00:34:15,770 --> 00:34:12,899

that China Oprah and he does this all

768

00:34:17,450 --> 00:34:15,780

this acting all these gestures amazing

769

00:34:20,210 --> 00:34:17,460

guy yeah yeah

770

00:34:22,070 --> 00:34:20,220

uh the absolute best we should we could

771

00:34:26,329 --> 00:34:22,080

do a whole show on Bruce Lee I have no

772

00:34:29,570 --> 00:34:26,339

issues with that I did um I got

773

00:34:32,149 --> 00:34:29,580

um I have it in the garage uh uh because

774

00:34:35,329 --> 00:34:32,159

I don't have a DVD player anymore but I

775

00:34:39,530 --> 00:34:35,339

got the complete Bruce Lee box set oh

776

00:34:43,790 --> 00:34:39,540

you do yeah and I I went from right the

777

00:34:46,250 --> 00:34:43,800

beginning and I watched them all uh it

778

00:34:49,250 --> 00:34:46,260

took me like three days I mean I've seen

779

00:34:51,470 --> 00:34:49,260

them all 50 times each right okay but to

780

00:34:53,869 --> 00:34:51,480

watch them back to back to back to back

781

00:34:56,089 --> 00:34:53,879

like that uh just absolutely incredible

782

00:34:57,589 --> 00:34:56,099

and I'm glad you don't mention the other

783

00:35:00,170 --> 00:34:57,599

Kung Fu Stars

784

00:35:01,630 --> 00:35:00,180

why because Bruce Lee is the best well

785

00:35:04,609 --> 00:35:01,640

you know what though

786

00:35:07,910 --> 00:35:04,619

here's the thing no no not the thing

787

00:35:10,790 --> 00:35:07,920

yeah yeah because because all the other

788

00:35:14,089 --> 00:35:10,800

Kung Fu style jump in right there let me

789

00:35:16,069 --> 00:35:14,099

jump in right there go ahead let me jump

790

00:35:18,170 --> 00:35:16,079

in right there no but here's the here's

791

00:35:20,390 --> 00:35:18,180

the thing with that

792

00:35:22,910 --> 00:35:20,400

um when you watch even

793

00:35:25,849 --> 00:35:22,920

um the modern Stars today I just brought

794

00:35:28,430 --> 00:35:25,859

up Jet Li right or or whatever yeah and

795

00:35:33,650 --> 00:35:28,440

he's he's great but

796

00:35:38,630 --> 00:35:33,660

um Bruce Lee was on film that's true

797

00:35:41,770 --> 00:35:38,640

this was not a a CGI fight or sped up or

798

00:35:44,210 --> 00:35:41,780

special or you know things and and and

799

00:35:46,370 --> 00:35:44,220

enhanced that we can do today I'm not

800

00:35:48,829 --> 00:35:46,380

saying that gently or any of it's not

801  
00:35:52,970 --> 00:35:48,839  
what I'm saying but when you go back and

802  
00:35:56,030 --> 00:35:52,980  
you watch the original uh films of Bruce

803  
00:35:57,410 --> 00:35:56,040  
Lee on film you see

804  
00:36:01,550 --> 00:35:57,420  
perfection

805  
00:36:03,470 --> 00:36:01,560  
the speed the precise the thing and of

806  
00:36:05,089 --> 00:36:03,480  
course his body and and everything else

807  
00:36:08,470 --> 00:36:05,099  
that you know he really took care of

808  
00:36:12,290 --> 00:36:08,480  
himself but you see that he was way

809  
00:36:14,810 --> 00:36:12,300  
above and will always be way above

810  
00:36:17,150 --> 00:36:14,820  
everybody else he was a very very unique

811  
00:36:20,750 --> 00:36:17,160  
special person very very unique because

812  
00:36:24,530 --> 00:36:20,760  
he put the Kung Fu mixed together with

813  
00:36:27,829 --> 00:36:24,540

um philosophy right so he got this chick

814

00:36:31,910 --> 00:36:27,839

uh what was that called whatever that he

815

00:36:34,550 --> 00:36:31,920

whatever he does is um he was like he

816

00:36:37,010 --> 00:36:34,560

put the philosophy into the Kung Fu

817

00:36:39,589 --> 00:36:37,020

Fighting like for example he doesn't

818

00:36:41,870 --> 00:36:39,599

want to be like solid they want to be

819

00:36:45,170 --> 00:36:41,880

like moving like Waters because water

820

00:36:48,890 --> 00:36:45,180

can be nice becoming hot objects can be

821

00:36:50,930 --> 00:36:48,900

water like flow really soft like so

822

00:36:53,450 --> 00:36:50,940

which is like yeah that's what the other

823

00:36:56,030 --> 00:36:53,460

dimension like be like water do you like

824

00:36:57,730 --> 00:36:56,040

Waters yeah yeah be like water there's

825

00:37:00,650 --> 00:36:57,740

um uh

826

00:37:03,650 --> 00:37:00,660

I want to talk UFOs man but anyway back

827

00:37:05,569 --> 00:37:03,660

to Bruce Lee there's a there's some

828

00:37:09,349 --> 00:37:05,579

video out there of Bruce Lee I think

829

00:37:13,010 --> 00:37:09,359

it's in San Jose and it's his first Kung

830

00:37:15,230 --> 00:37:13,020

Fu uh competition and he's fighting he's

831

00:37:18,770 --> 00:37:15,240

fighting some somebody that probably

832

00:37:22,089 --> 00:37:18,780

wishes they didn't get in uh that first

833

00:37:25,609 --> 00:37:22,099

match with Bruce Lee and you watch this

834

00:37:29,990 --> 00:37:25,619

and you can't even see his hands and

835

00:37:31,849 --> 00:37:30,000

feet no he's so fast so fast that person

836

00:37:34,010 --> 00:37:31,859

is standing there right you're right

837

00:37:36,230 --> 00:37:34,020

there my friend who wants to learn Kung

838

00:37:38,930 --> 00:37:36,240

Fu and he doesn't really want to learn

839

00:37:41,270 --> 00:37:38,940

any specific Kung Fu but he wants to

840

00:37:43,790 --> 00:37:41,280

learn what this Bruce Lee did right so

841

00:37:46,370 --> 00:37:43,800

he played his video over and over and

842

00:37:48,109 --> 00:37:46,380

over again and he's trying to pause and

843

00:37:50,630 --> 00:37:48,119

stop to see when

844

00:37:53,089 --> 00:37:50,640

he will let the feet goes and where he

845

00:37:54,710 --> 00:37:53,099

leads the Palms the hand goes but he

846

00:37:57,230 --> 00:37:54,720

just couldn't stop in the right moment

847

00:37:59,390 --> 00:37:57,240

because it's so fast it's so fast and

848

00:38:02,270 --> 00:37:59,400

you can press and you see a piece of

849

00:38:05,390 --> 00:38:02,280

blur on his head no I know I know I know

850

00:38:08,329 --> 00:38:05,400

but after that the guy's gone already I

851

00:38:11,390 --> 00:38:08,339

just man I love uh I just I just love

852

00:38:13,690 --> 00:38:11,400

those old Harvest what was it Harvest uh

853

00:38:16,790 --> 00:38:13,700

I can't remember the name of the uh

854

00:38:18,290 --> 00:38:16,800

uh the Chinese film company that made

855

00:38:21,470 --> 00:38:18,300

those Harvest Productions or something

856

00:38:23,510 --> 00:38:21,480

they were great so anyway so with um MJ

857

00:38:27,050 --> 00:38:23,520

13

858

00:38:29,030 --> 00:38:27,060

um how do you what's your format there

859

00:38:33,109 --> 00:38:29,040

do you bring on guests and interview

860

00:38:36,050 --> 00:38:33,119

them well uh I was bringing a lot of

861

00:38:38,390 --> 00:38:36,060

guests to my show I mean many years ago

862

00:38:40,910 --> 00:38:38,400

but I stopped doing that because

863

00:38:43,609 --> 00:38:40,920

you know there are people who may use

864

00:38:46,310 --> 00:38:43,619

the show try to

865

00:38:48,349 --> 00:38:46,320

how do I say it like they're not really

866

00:38:51,230 --> 00:38:48,359

like a psychic but they tell they're a

867

00:38:53,329 --> 00:38:51,240

psychic and try to get more believer and

868

00:38:55,490 --> 00:38:53,339

then get more money

869

00:38:57,829 --> 00:38:55,500

and uh to get

870

00:39:00,290 --> 00:38:57,839

you know no but there are people who've

871

00:39:01,790 --> 00:39:00,300

been cheating on you know and lost a lot

872

00:39:02,950 --> 00:39:01,800

of money and I stopped doing that

873

00:39:05,990 --> 00:39:02,960

because

874

00:39:09,109 --> 00:39:06,000

well I first of all I wanted to do

875

00:39:11,930 --> 00:39:09,119

things like whatever I like right and

876

00:39:14,810 --> 00:39:11,940

guess you can I cannot really control

877

00:39:16,670 --> 00:39:14,820

what they're talking about and I don't

878

00:39:17,990 --> 00:39:16,680

want my program I don't want my platform

879

00:39:20,630 --> 00:39:18,000

become

880

00:39:23,630 --> 00:39:20,640

another step for people who try to cheat

881

00:39:26,630 --> 00:39:23,640

somebody else is there okay so but here

882

00:39:29,390 --> 00:39:26,640

on Fade to Black I'm able to bring on

883

00:39:31,730 --> 00:39:29,400

you know different researchers

884

00:39:33,650 --> 00:39:31,740

um in in the field here right whether

885

00:39:35,510 --> 00:39:33,660

it's you know somebody you know some of

886

00:39:38,710 --> 00:39:35,520

the larger names like Linda Moulton Howe

887

00:39:42,530 --> 00:39:38,720

Richard Dolan or Whitney streber and and

888

00:39:46,069 --> 00:39:42,540

the the list of names is long okay do

889

00:39:49,310 --> 00:39:46,079

you have those kinds of researchers in

890

00:39:52,250 --> 00:39:49,320

China to have access no no I don't think

891

00:39:54,170 --> 00:39:52,260

so well I'm the only one who talks UFOs

892

00:39:58,190 --> 00:39:54,180

in the in Hong Kong

893

00:40:01,430 --> 00:39:58,200

and I'm the only nobody really can do a

894

00:40:03,710 --> 00:40:01,440

like podcast or like a radio station in

895

00:40:06,290 --> 00:40:03,720

China without the government's

896

00:40:08,329 --> 00:40:06,300

permissions you know what I mean but in

897

00:40:10,370 --> 00:40:08,339

Hong Kong we have a little Freedom so I

898

00:40:11,990 --> 00:40:10,380

can do my own program but I'm the only

899

00:40:15,230 --> 00:40:12,000

one who talk about UFO that's it that's

900

00:40:19,130 --> 00:40:15,240

it that's it yeah is there um like okay

901  
00:40:22,790 --> 00:40:19,140  
we have Ancient Aliens here and and 50

902  
00:40:25,370 --> 00:40:22,800  
other UFO TV shows that's true yeah what

903  
00:40:28,010 --> 00:40:25,380  
do you have a Ancient Aliens version in

904  
00:40:30,349 --> 00:40:28,020  
China we have two programs in not I

905  
00:40:32,270 --> 00:40:30,359  
don't know about in China they have I

906  
00:40:34,970 --> 00:40:32,280  
think they have some UFO shows but which

907  
00:40:37,010 --> 00:40:34,980  
is really on the surface of titling

908  
00:40:39,589 --> 00:40:37,020  
about surface stories okay not really

909  
00:40:41,270 --> 00:40:39,599  
deep inside not really the story belongs

910  
00:40:43,670 --> 00:40:41,280  
to I mean if you put it into the

911  
00:40:45,950 --> 00:40:43,680  
conspiracy side or anything the

912  
00:40:47,569 --> 00:40:45,960  
government try to cover up anything they

913  
00:40:50,510 --> 00:40:47,579

don't say it right okay right right

914

00:40:52,370 --> 00:40:50,520

there are two programs in Hong Kong it

915

00:40:55,550 --> 00:40:52,380

talks about UFO and I'm the one who

916

00:41:00,950 --> 00:40:55,560

holds it so that's it that's it nothing

917

00:41:04,370 --> 00:41:00,960

else yes wow wow so and and okay is in

918

00:41:06,050 --> 00:41:04,380

in and that's kind of a problem yeah no

919

00:41:09,410 --> 00:41:06,060

so

920

00:41:13,030 --> 00:41:09,420

um in in Hong Kong

921

00:41:15,890 --> 00:41:13,040

um the there's probably a

922

00:41:18,650 --> 00:41:15,900

state-sponsored network but there's also

923

00:41:21,349 --> 00:41:18,660

private television and radio right uh

924

00:41:23,450 --> 00:41:21,359

not really private television but they

925

00:41:25,970 --> 00:41:23,460

got their license from the government

926  
00:41:28,130 --> 00:41:25,980  
that you can you can play okay and what

927  
00:41:30,770 --> 00:41:28,140  
the program I make is called alien I'm

928  
00:41:33,410 --> 00:41:30,780  
an American got alien right under two

929  
00:41:35,870 --> 00:41:33,420  
seasons of it really okay I make two

930  
00:41:38,630 --> 00:41:35,880  
seasons of it and um

931  
00:41:41,569 --> 00:41:38,640  
but you have to package it you cannot

932  
00:41:44,510 --> 00:41:41,579  
make it like an Asian alien you cannot

933  
00:41:45,770 --> 00:41:44,520  
make it like uh whatever that history I

934  
00:41:48,589 --> 00:41:45,780  
remember when you released that I

935  
00:41:51,710 --> 00:41:48,599  
remember when you were filming it and I

936  
00:41:56,390 --> 00:41:51,720  
thought to myself then and now I finally

937  
00:41:58,849 --> 00:41:56,400  
get to ask you about this there must be

938  
00:42:03,530 --> 00:41:58,859

somebody on the set and there must be

939

00:42:06,230 --> 00:42:03,540

there's a are you you know there's a

940

00:42:10,069 --> 00:42:06,240

certain amount of government control

941

00:42:14,750 --> 00:42:11,810

um it's not really the government

942

00:42:16,609 --> 00:42:14,760

controlling it but you have to be

943

00:42:19,670 --> 00:42:16,619

careful on some of the subjects right

944

00:42:22,190 --> 00:42:19,680

right when like we we when we're making

945

00:42:26,990 --> 00:42:22,200

the second season and uh back in two

946

00:42:28,670 --> 00:42:27,000

thousand 19 yes and uh when uh when we

947

00:42:31,250 --> 00:42:28,680

travel somewhere else when we talks

948

00:42:33,109 --> 00:42:31,260

about the Cold War we talked about

949

00:42:36,710 --> 00:42:33,119

the um

950

00:42:39,349 --> 00:42:36,720

the stories between the Communists

951  
00:42:41,630 --> 00:42:39,359  
countries and then we have to be very

952  
00:42:43,790 --> 00:42:41,640  
careful to talk about it we don't want

953  
00:42:46,130 --> 00:42:43,800  
to step on the what we call we don't

954  
00:42:48,650 --> 00:42:46,140  
want to step on the red line because

955  
00:42:50,569 --> 00:42:48,660  
once you step on the red lines then

956  
00:42:52,670 --> 00:42:50,579  
you've been in trouble right right right

957  
00:42:55,790 --> 00:42:52,680  
right right right

958  
00:42:58,069 --> 00:42:55,800  
well okay so I'm brave enough to say hey

959  
00:43:03,050 --> 00:42:58,079  
man I'm just it's hot in here man it's

960  
00:43:09,130 --> 00:43:03,060  
hot but okay so there is the

961  
00:43:11,690 --> 00:43:09,140  
um uh there is a a certain amount of

962  
00:43:13,790 --> 00:43:11,700  
uh social status that is being

963  
00:43:16,790 --> 00:43:13,800

controlled you know where you you know

964

00:43:19,130 --> 00:43:16,800

what you can do and and things and you

965

00:43:21,170 --> 00:43:19,140

constantly want to stay I don't know if

966

00:43:23,510 --> 00:43:21,180

the color is green but you want to be

967

00:43:25,550 --> 00:43:23,520

you want to be able to go bloop right

968

00:43:27,829 --> 00:43:25,560

and and and then we'll do what you want

969

00:43:30,230 --> 00:43:27,839

to do that's fine okay no it's not fine

970

00:43:32,690 --> 00:43:30,240

but I don't it's it's not my country and

971

00:43:34,309 --> 00:43:32,700

you can do what you want but but here's

972

00:43:37,550 --> 00:43:34,319

the thing

973

00:43:41,809 --> 00:43:37,560

um with um

974

00:43:45,470 --> 00:43:41,819

here in the United States right where we

975

00:43:47,510 --> 00:43:45,480

constantly complain about disclosure and

976  
00:43:50,589 --> 00:43:47,520  
the government holding secrets and we

977  
00:43:54,410 --> 00:43:50,599  
want these secrets and we want this and

978  
00:43:57,710 --> 00:43:54,420  
and and and and we we can vocalize those

979  
00:44:00,430 --> 00:43:57,720  
things and you can write and then get

980  
00:44:03,349 --> 00:44:00,440  
information through the freedom

981  
00:44:06,609 --> 00:44:03,359  
that none of that happens no

982  
00:44:09,410 --> 00:44:06,619  
what is Freedom of Information

983  
00:44:11,450 --> 00:44:09,420  
if you mention that in Hong Kong or if

984  
00:44:13,910 --> 00:44:11,460  
you mentioned it in China yeah there's

985  
00:44:18,170 --> 00:44:13,920  
freedom in the prison okay okay right

986  
00:44:20,450 --> 00:44:18,180  
exactly so if if you wanted to

987  
00:44:24,829 --> 00:44:20,460  
uh let's go back to the space program

988  
00:44:27,230 --> 00:44:24,839

right an astronaut sees uh what do they

989

00:44:30,670 --> 00:44:27,240

call Chinese astronauts

990

00:44:33,349 --> 00:44:30,680

um what in Chinese yeah they call its um

991

00:44:35,030 --> 00:44:33,359

yeah it's pretty much the same I've read

992

00:44:37,970 --> 00:44:35,040

it I've never tried to say it so a

993

00:44:40,849 --> 00:44:37,980

Chinese astronaut is up and they're new

994

00:44:44,150 --> 00:44:40,859

right uh the the new space station right

995

00:44:46,630 --> 00:44:44,160

which is right now I think there's more

996

00:44:50,150 --> 00:44:46,640

Chinese astronauts in space right now

997

00:44:52,250 --> 00:44:50,160

really than the rest of the world right

998

00:44:54,410 --> 00:44:52,260

now I think there's like nine up there

999

00:44:56,270 --> 00:44:54,420

in a space station yeah yeah probably

1000

00:44:58,790 --> 00:44:56,280

yeah because they're transferring so

1001  
00:45:01,970 --> 00:44:58,800  
right now there's there will be reports

1002  
00:45:05,510 --> 00:45:01,980  
about uh Chinese uh astronaut in the

1003  
00:45:07,069 --> 00:45:05,520  
space they have reports if they saw a

1004  
00:45:09,890 --> 00:45:07,079  
UFO no no

1005  
00:45:11,569 --> 00:45:09,900  
no no no need about that what they do in

1006  
00:45:14,569 --> 00:45:11,579  
the space station they never really tell

1007  
00:45:18,290 --> 00:45:14,579  
well so this is my question okay so

1008  
00:45:20,089 --> 00:45:18,300  
could you go to the Chinese space agency

1009  
00:45:22,690 --> 00:45:20,099  
and say hey

1010  
00:45:26,089 --> 00:45:22,700  
have you guys seen any UFOs up there

1011  
00:45:29,990 --> 00:45:26,099  
nobody's nobody is going to answer your

1012  
00:45:32,569 --> 00:45:30,000  
discussions which it was like you cannot

1013  
00:45:35,210 --> 00:45:32,579

never really get somebody to talk to

1014

00:45:38,870 --> 00:45:35,220

right you can watch the news whatever

1015

00:45:40,970 --> 00:45:38,880

the news telling you that's the fact wow

1016

00:45:43,490 --> 00:45:40,980

that's what the government wants to do

1017

00:45:44,569 --> 00:45:43,500

right do you get in trouble for asking

1018

00:45:46,849 --> 00:45:44,579

questions

1019

00:45:50,569 --> 00:45:46,859

well it really depends on what kind of

1020

00:45:52,010 --> 00:45:50,579

questions you going to ask right right

1021

00:45:55,849 --> 00:45:52,020

right

1022

00:45:58,010 --> 00:45:55,859

um but now these days everything almost

1023

00:45:59,270 --> 00:45:58,020

every single thing is about National

1024

00:46:05,030 --> 00:45:59,280

Security

1025

00:46:06,829 --> 00:46:05,040

then no matter what you can ask them

1026

00:46:08,750 --> 00:46:06,839

what they eat in the space station that

1027

00:46:10,130 --> 00:46:08,760

could be a national security questions

1028

00:46:12,770 --> 00:46:10,140

it's the same thing here in the United

1029

00:46:15,770 --> 00:46:12,780

States though really yeah yeah yeah yeah

1030

00:46:18,410 --> 00:46:15,780

but you guys can talk about it and you

1031

00:46:21,410 --> 00:46:18,420

guys can we can we can but that's how we

1032

00:46:23,809 --> 00:46:21,420

always get shut down like the UFO

1033

00:46:25,849 --> 00:46:23,819

hearing right right okay so what about

1034

00:46:28,430 --> 00:46:25,859

what about the uip well that's a

1035

00:46:31,490 --> 00:46:28,440

national security issue and uh we can't

1036

00:46:33,829 --> 00:46:31,500

really just you know and they even our

1037

00:46:37,069 --> 00:46:33,839

our government hides behind that same BS

1038

00:46:38,690 --> 00:46:37,079

they do they do and suddenly

1039

00:46:41,390 --> 00:46:38,700

um and the people asking the questions

1040

00:46:43,490 --> 00:46:41,400

they get all timid too oh oh it's a

1041

00:46:45,770 --> 00:46:43,500

national security issue I guess I'm I'm

1042

00:46:48,349 --> 00:46:45,780

not going to pursue that it's a

1043

00:46:51,470 --> 00:46:48,359

spiritual message belongs to National

1044

00:46:54,470 --> 00:46:51,480

Security yeah right yes yes yes this

1045

00:46:58,849 --> 00:46:54,480

message from ET is a national security

1046

00:47:01,910 --> 00:46:58,859

issue really so well okay so forget

1047

00:47:04,390 --> 00:47:01,920

about the Chinese balloon okay we can do

1048

00:47:07,069 --> 00:47:04,400

how can we forget it yeah

1049

00:47:09,890 --> 00:47:07,079

I heard it went across the United States

1050

00:47:12,890 --> 00:47:09,900

right but so right after that we had

1051  
00:47:15,650 --> 00:47:12,900  
three other suddenly the United States

1052  
00:47:17,990 --> 00:47:15,660  
is shooting missiles

1053  
00:47:21,250 --> 00:47:18,000  
um at stuff and and shooting them that

1054  
00:47:24,230 --> 00:47:21,260  
out of the sky right and even that

1055  
00:47:26,990 --> 00:47:24,240  
became a national security issue now

1056  
00:47:30,109 --> 00:47:27,000  
either it's balloons launched by kids or

1057  
00:47:32,750 --> 00:47:30,119  
balloons launched by a university or a

1058  
00:47:35,690 --> 00:47:32,760  
weather balloon whatever it is but

1059  
00:47:38,329 --> 00:47:35,700  
suddenly it's a national security issue

1060  
00:47:42,950 --> 00:47:38,339  
and they're not well it is actually it

1061  
00:47:44,630 --> 00:47:42,960  
is it is a security issues well now I

1062  
00:47:46,970 --> 00:47:44,640  
had to answer this really quite really

1063  
00:47:49,370 --> 00:47:46,980

carefully because people

1064

00:47:51,530 --> 00:47:49,380

when they knew when I met people they

1065

00:47:53,210 --> 00:47:51,540

knew I'm from Hong Kong they were

1066

00:47:56,089 --> 00:47:53,220

they would expect I'm coming from China

1067

00:47:57,650 --> 00:47:56,099

right but to myself Hong Kong China is

1068

00:48:01,490 --> 00:47:57,660

two different places we have different

1069

00:48:04,970 --> 00:48:01,500

cultures different languages different

1070

00:48:08,270 --> 00:48:04,980

dialogues maybe talks so better food

1071

00:48:12,710 --> 00:48:08,280

better food yeah definitely better food

1072

00:48:16,970 --> 00:48:12,720

um but when people ask me is this a

1073

00:48:19,309 --> 00:48:16,980

spice balloon so I have to

1074

00:48:21,530 --> 00:48:19,319

answer that very carefully because on

1075

00:48:24,470 --> 00:48:21,540

from the official from the official they

1076

00:48:27,050 --> 00:48:24,480

will say this is a civilian balloon this

1077

00:48:29,630 --> 00:48:27,060

is for the weather balloon right

1078

00:48:31,010 --> 00:48:29,640

let me put it this way Jimmy if I have a

1079

00:48:38,089 --> 00:48:31,020

camera

1080

00:48:40,069 --> 00:48:38,099

locate just look at the home when you're

1081

00:48:42,829 --> 00:48:40,079

not around and you can look at your dogs

1082

00:48:44,510 --> 00:48:42,839

and to see what they're doing if I put

1083

00:48:48,410 --> 00:48:44,520

camera in my home

1084

00:48:49,849 --> 00:48:48,420

that is a civilian camera if I put it in

1085

00:48:52,910 --> 00:48:49,859

your home

1086

00:48:56,630 --> 00:48:52,920

without letting you know that's a spice

1087

00:48:59,630 --> 00:48:56,640

machine right yep simple as that yep

1088

00:49:03,650 --> 00:48:59,640

so yeah right okay so you can just stop

1089

00:49:06,829 --> 00:49:03,660

right there I get it I get it I get it

1090

00:49:09,190 --> 00:49:06,839

um yeah saving my yeah saving my um

1091

00:49:11,569 --> 00:49:09,200

saving your ass

1092

00:49:15,050 --> 00:49:11,579

yeah you get off the plane in Hong Kong

1093

00:49:17,210 --> 00:49:15,060

uh Mr Faye step it over here please step

1094

00:49:18,890 --> 00:49:17,220

over here if that happens I miss you in

1095

00:49:21,910 --> 00:49:18,900

my audience we'll let you know you're

1096

00:49:27,290 --> 00:49:24,829

you have no access to Mexican food in

1097

00:49:30,290 --> 00:49:27,300

Hong Kong anymore

1098

00:49:32,150 --> 00:49:30,300

um but uh somebody just popped up and I

1099

00:49:35,210 --> 00:49:32,160

thought that this was

1100

00:49:36,829 --> 00:49:35,220

um uh pretty interesting and uh the

1101

00:49:40,250 --> 00:49:36,839

question is

1102

00:49:43,130 --> 00:49:40,260

um uh triangle UFOs let's go back to

1103

00:49:44,690 --> 00:49:43,140

that uh Shanghai Shanghai one

1104

00:49:47,329 --> 00:49:44,700

um situation

1105

00:49:49,490 --> 00:49:47,339

um and Shanghai again one of the most

1106

00:49:52,790 --> 00:49:49,500

populated cities

1107

00:49:54,770 --> 00:49:52,800

um uh in the world

1108

00:49:56,690 --> 00:49:54,780

um and you know there's China's got a

1109

00:49:58,790 --> 00:49:56,700

large population so there's a lot of

1110

00:50:00,349 --> 00:49:58,800

opportunity for people to see things in

1111

00:50:04,430 --> 00:50:00,359

the sky

1112

00:50:07,490 --> 00:50:04,440

um how big was this uh triangle okay I I

1113

00:50:09,109 --> 00:50:07,500

only saw it on the footage from the I

1114

00:50:12,589 --> 00:50:09,119

think people just film it and put it up

1115

00:50:16,010 --> 00:50:12,599

through social media I saw that twice

1116

00:50:19,490 --> 00:50:16,020

it was like a crowd in like in Shanghai

1117

00:50:22,609 --> 00:50:19,500

right now imagine in Shanghai buildings

1118

00:50:24,589 --> 00:50:22,619

and the neon lights everywhere right so

1119

00:50:27,890 --> 00:50:24,599

if the sky is pretty up brightening up

1120

00:50:29,690 --> 00:50:27,900

and in the middle of the sky which is

1121

00:50:32,450 --> 00:50:29,700

like a huge

1122

00:50:33,650 --> 00:50:32,460

black triangle hiding behind crowds

1123

00:50:36,829 --> 00:50:33,660

behind

1124

00:50:38,569 --> 00:50:36,839

the crowds at night and there are

1125

00:50:42,130 --> 00:50:38,579

spotlights everywhere

1126

00:50:45,230 --> 00:50:42,140

and this black triangle in Shanghai

1127

00:50:50,089 --> 00:50:45,240

uh yeah you're gonna put a g behind the

1128

00:50:55,190 --> 00:50:50,099

Shang yes one more G yeah then that one

1129

00:50:57,410 --> 00:50:55,200

itself is huge very big one very

1130

00:50:59,450 --> 00:50:57,420

um like how how can I explain this is

1131

00:51:02,329 --> 00:50:59,460

like a as big as a Mothership what we

1132

00:51:04,910 --> 00:51:02,339

call it yes that one there this one or

1133

00:51:07,490 --> 00:51:04,920

this one yeah that one day the one the

1134

00:51:09,349 --> 00:51:07,500

second one yes so

1135

00:51:10,670 --> 00:51:09,359

um when they saw it they just film it

1136

00:51:12,710 --> 00:51:10,680

and then they put it up to the social

1137

00:51:13,549 --> 00:51:12,720

media of course there are people coming

1138

00:51:15,589 --> 00:51:13,559

out

1139

00:51:19,849 --> 00:51:15,599

from

1140

00:51:25,190 --> 00:51:22,190

oh yes go ahead I'm watching the video

1141

00:51:27,230 --> 00:51:25,200

okay that one there so you see this huge

1142

00:51:31,549 --> 00:51:27,240

one it's not like what the people

1143

00:51:32,890 --> 00:51:31,559

mentioned about the tr3b right like uh

1144

00:51:36,349 --> 00:51:32,900

Secret

1145

00:51:38,089 --> 00:51:36,359

triangle flying class from this from the

1146

00:51:40,790 --> 00:51:38,099

military but it doesn't look like that

1147

00:51:44,450 --> 00:51:40,800

because it's too big it has no light but

1148

00:51:47,089 --> 00:51:44,460

just a pure black shadow

1149

00:51:49,910 --> 00:51:47,099

triangle triangle shape shadow in the

1150

00:51:51,710 --> 00:51:49,920

sky right so there's someone trying to

1151  
00:51:54,589 --> 00:51:51,720  
explain this is like the spotlight

1152  
00:51:57,710 --> 00:51:54,599  
creating illusions

1153  
00:52:01,730 --> 00:51:57,720  
in the sky and make you believe or make

1154  
00:52:03,910 --> 00:52:01,740  
you a fooling people but holy crap but

1155  
00:52:06,829 --> 00:52:03,920  
it just looks like an illusion to me

1156  
00:52:09,410 --> 00:52:06,839  
no no no no no no this is a real song

1157  
00:52:13,430 --> 00:52:09,420  
yeah yeah yeah yeah yeah yeah how how

1158  
00:52:16,370 --> 00:52:13,440  
big that's good this could be very very

1159  
00:52:18,890 --> 00:52:16,380  
like a huge one a very big one I guess

1160  
00:52:21,950 --> 00:52:18,900  
from what I can see from the read from

1161  
00:52:26,690 --> 00:52:21,960  
the reader of course you don't man

1162  
00:52:29,030 --> 00:52:26,700  
and and people try to explain it but I

1163  
00:52:32,450 --> 00:52:29,040

mean the way he the the

1164

00:52:34,370 --> 00:52:32,460

um the explanation is not strong enough

1165

00:52:35,990 --> 00:52:34,380

because if that is only the building

1166

00:52:38,089 --> 00:52:36,000

there is only the lighting from the

1167

00:52:40,069 --> 00:52:38,099

building the people should have seed see

1168

00:52:42,470 --> 00:52:40,079

it all tonight all the time

1169

00:52:43,970 --> 00:52:42,480

but this only happens once

1170

00:52:46,250 --> 00:52:43,980

right right

1171

00:52:48,290 --> 00:52:46,260

now you would see it all over the sky if

1172

00:52:50,750 --> 00:52:48,300

you're going to see one little right but

1173

00:52:54,470 --> 00:52:50,760

what's in WoW

1174

00:52:56,329 --> 00:52:54,480

it is huge right holy crap and what I

1175

00:52:58,910 --> 00:52:56,339

can tell you see how the clouds are

1176

00:53:01,250 --> 00:52:58,920

going in front of

1177

00:53:02,450 --> 00:53:01,260

in front of it right there yeah it was

1178

00:53:03,829 --> 00:53:02,460

that crowdy day

1179

00:53:05,630 --> 00:53:03,839

but

1180

00:53:08,930 --> 00:53:05,640

um it's just show

1181

00:53:12,650 --> 00:53:08,940

and it doesn't look like like illusion

1182

00:53:17,049 --> 00:53:12,660

to me no have you guys seen this video

1183

00:53:19,670 --> 00:53:17,059

have you guys seen this video okay

1184

00:53:21,890 --> 00:53:19,680

I can I can bust it up on the screen

1185

00:53:24,510 --> 00:53:21,900

here in just a second I'm gonna I'm

1186

00:53:26,390 --> 00:53:24,520

gonna write here

1187

00:53:29,390 --> 00:53:26,400

[Music]

1188

00:53:32,450 --> 00:53:29,400

okay right here okay

1189

00:53:37,790 --> 00:53:32,460

um I'll I'll show everybody uh Jimmy

1190

00:53:44,930 --> 00:53:41,210

um uh you're so exciting yeah man I've

1191

00:53:47,990 --> 00:53:44,940

never seen this oh you're never no I uh

1192

00:53:51,530 --> 00:53:48,000

possibly when it first came out

1193

00:53:54,170 --> 00:53:51,540

um but uh okay so here here it is here

1194

00:53:57,530 --> 00:53:54,180

this is out of a window there's a lot of

1195

00:54:01,370 --> 00:53:57,540

people here so I've got it muted

1196

00:54:04,670 --> 00:54:01,380

um and the video itself is uh two

1197

00:54:09,410 --> 00:54:06,349

um

1198

00:54:13,670 --> 00:54:09,420

so check that out and see how the clouds

1199

00:54:16,190 --> 00:54:13,680

are moving in front of it here and here

1200

00:54:17,750 --> 00:54:16,200

it doesn't look like a Photoshop it

1201

00:54:22,309 --> 00:54:17,760

doesn't look like a

1202

00:54:25,250 --> 00:54:22,319

computer Graphics to me right and

1203

00:54:28,210 --> 00:54:25,260

and the funny thing is after this video

1204

00:54:30,530 --> 00:54:28,220

there are people trying to explain it

1205

00:54:32,569 --> 00:54:30,540

and some of the people are from the

1206

00:54:35,210 --> 00:54:32,579

scientists like like scientists trying

1207

00:54:38,569 --> 00:54:35,220

to explain it that's tricking me most

1208

00:54:42,410 --> 00:54:38,579

because there's story like

1209

00:54:47,809 --> 00:54:45,049

when uh well put it this way when the

1210

00:54:49,910 --> 00:54:47,819

officer tried to cover that up then

1211

00:54:51,710 --> 00:54:49,920

there will be a scientist coming out and

1212

00:54:55,069 --> 00:54:51,720

say something to

1213

00:54:57,470 --> 00:54:55,079

to stop this like this is not real now

1214

00:54:59,990 --> 00:54:57,480

how many how many witnesses were there

1215

00:55:02,870 --> 00:55:00,000

to that I think quite a lot of them

1216

00:55:04,370 --> 00:55:02,880

because this video go wild when when

1217

00:55:06,950 --> 00:55:04,380

they first launched

1218

00:55:09,410 --> 00:55:06,960

quite I remember I saw some comments

1219

00:55:11,930 --> 00:55:09,420

people said I saw the same thing at the

1220

00:55:13,790 --> 00:55:11,940

same place but they just didn't video it

1221

00:55:14,990 --> 00:55:13,800

they just didn't film it but they saw it

1222

00:55:17,390 --> 00:55:15,000

in the same place

1223

00:55:19,010 --> 00:55:17,400

they saw this triangle hovering like

1224

00:55:22,430 --> 00:55:19,020

probably like

1225

00:55:24,349 --> 00:55:22,440

15 minutes or I don't remember how long

1226

00:55:27,049 --> 00:55:24,359

probably 10 minutes or 15 minutes and

1227

00:55:29,630 --> 00:55:27,059

then it's just take off and gone

1228

00:55:31,010 --> 00:55:29,640

um before we get to the break here

1229

00:55:34,370 --> 00:55:31,020

um I'm going to talk about two things

1230

00:55:36,650 --> 00:55:34,380

when we come back abductions good is

1231

00:55:38,150 --> 00:55:36,660

that a safe subject yeah that won't get

1232

00:55:41,089 --> 00:55:38,160

you arrested no when you get off the

1233

00:55:43,630 --> 00:55:41,099

plane no and uh the ffts just have to

1234

00:55:47,750 --> 00:55:46,849

it's the same problem here same problem

1235

00:55:51,349 --> 00:55:47,760

here

1236

00:55:54,650 --> 00:55:51,359

um what about uh does

1237

00:55:57,530 --> 00:55:54,660

um every country has their own right the

1238

00:56:00,890 --> 00:55:57,540

Roswell of Great Britain the Roswell of

1239

00:56:03,770 --> 00:56:00,900

Brazil little Roswell of Spain we have

1240

00:56:06,950 --> 00:56:03,780

the Roswell of Germany is there a

1241

00:56:10,490 --> 00:56:06,960

Roswell of China I believe so I believe

1242

00:56:12,230 --> 00:56:10,500

there are Roswell like UFO crafts into

1243

00:56:14,030 --> 00:56:12,240

China land

1244

00:56:16,990 --> 00:56:14,040

not in Hong Kong because it's too small

1245

00:56:19,190 --> 00:56:17,000

for Hong Kong to crash anything

1246

00:56:21,349 --> 00:56:19,200

nothing can crash to Hong Kong because

1247

00:56:23,030 --> 00:56:21,359

she's so tiny in their little dots in

1248

00:56:25,329 --> 00:56:23,040

the map right

1249

00:56:28,970 --> 00:56:25,339

um it has to be very accurate to land

1250

00:56:32,030 --> 00:56:28,980

Hong Kong but in China uh there I heard

1251

00:56:34,430 --> 00:56:32,040

their their UFO crashed but

1252

00:56:37,970 --> 00:56:34,440

as like many countries the military take

1253

00:56:40,609 --> 00:56:37,980

over right away really quick and plus

1254

00:56:42,589 --> 00:56:40,619

there are a lot of farmers in China and

1255

00:56:45,109 --> 00:56:42,599

they don't they don't give a damn about

1256

00:56:48,290 --> 00:56:45,119

UFOs because they only worry about their

1257

00:56:50,410 --> 00:56:48,300

crops right they worry about their lives

1258

00:56:53,569 --> 00:56:50,420

their incomes

1259

00:56:56,930 --> 00:56:53,579

simple life okay so what was the name I

1260

00:57:01,609 --> 00:56:56,940

did a show on this a few years ago about

1261

00:57:02,870 --> 00:57:01,619

the the Chinese uh guy that uh he worked

1262

00:57:06,170 --> 00:57:02,880

in the factory

1263

00:57:07,809 --> 00:57:06,180

and uh what was it and he was white he

1264

00:57:13,370 --> 00:57:07,819

got abducted

1265

00:57:14,569 --> 00:57:13,380

and uh he lived um very modestly

1266

00:57:21,710 --> 00:57:14,579

um

1267

00:57:24,730 --> 00:57:21,720

and and had contact and the craft landed

1268

00:57:28,849 --> 00:57:24,740

and he went on board and

1269

00:57:30,470 --> 00:57:28,859

and became now that was can't remember

1270

00:57:32,270 --> 00:57:30,480

the name of the city but it was in the

1271

00:57:34,190 --> 00:57:32,280

middle of China it wasn't like Beijing

1272

00:57:36,349 --> 00:57:34,200

he was he was out

1273

00:57:39,349 --> 00:57:36,359

in the middle of China what was his name

1274

00:57:40,849 --> 00:57:39,359

do you oh yeah that um many years ago

1275

00:57:43,670 --> 00:57:40,859

when I do the interview with Richard

1276

00:57:46,069 --> 00:57:43,680

Dolan and he he remembered it real right

1277

00:57:48,470 --> 00:57:46,079

Richard asked me you're familiar with

1278

00:57:51,230 --> 00:57:48,480

the case of manjo Gore yes yes yes yes

1279

00:57:53,690 --> 00:57:51,240

yes and then I was like I don't know

1280

00:57:56,270 --> 00:57:53,700

there's a lot of photographs he became

1281

00:57:58,430 --> 00:57:56,280

quite a celebrity at that time it was

1282

00:57:59,870 --> 00:57:58,440

because when I when I meant when I

1283

00:58:02,630 --> 00:57:59,880

learned about these stories I learned

1284

00:58:06,170 --> 00:58:02,640

these stories from Cantonese so which is

1285

00:58:08,870 --> 00:58:06,180

actually his mangju God which is another

1286

00:58:11,990 --> 00:58:08,880

another pronunciation but when Richard

1287

00:58:14,390 --> 00:58:12,000

mentioned it he mentioned it in Mandarin

1288

00:58:16,309 --> 00:58:14,400

right so I was like I lost track I don't

1289

00:58:18,349 --> 00:58:16,319

know I never heard about this before but

1290

00:58:21,470 --> 00:58:18,359

he said no this is a very famous

1291

00:58:23,450 --> 00:58:21,480

abduction cases in China and then I only

1292

00:58:26,510 --> 00:58:23,460

realized that what he what he's talking

1293

00:58:29,569 --> 00:58:26,520

about after the show yes there is um

1294

00:58:33,710 --> 00:58:29,579

this this guy is called manjukwo in

1295

00:58:36,349 --> 00:58:33,720

Cantonese in mang Joko in Mandarin

1296

00:58:39,490 --> 00:58:36,359

um yeah he abducted he was abducted by

1297

00:58:42,470 --> 00:58:39,500

what he claims abducted by alien

1298

00:58:45,230 --> 00:58:42,480

and uh if I remember it right because

1299

00:58:47,870 --> 00:58:45,240

there are like three major case three

1300

00:58:51,710 --> 00:58:47,880

major abduction cases in China three of

1301  
00:58:54,950 --> 00:58:51,720  
them and pretty much they have to pretty

1302  
00:58:56,990 --> 00:58:54,960  
much the same experience they see they

1303  
00:58:58,730 --> 00:58:57,000  
saw the aliens then and the alien bring

1304  
00:59:00,890 --> 00:58:58,740  
them to the craft or bring them

1305  
00:59:04,549 --> 00:59:00,900  
somewhere else but like what I mentioned

1306  
00:59:07,069 --> 00:59:04,559  
like years before in your show I mean in

1307  
00:59:09,710 --> 00:59:07,079  
the States you see people who will

1308  
00:59:11,930 --> 00:59:09,720  
experience seeing the aliens in the room

1309  
00:59:14,870 --> 00:59:11,940  
and then they will walk out the window

1310  
00:59:17,510 --> 00:59:14,880  
walk out through the wall right and then

1311  
00:59:19,910 --> 00:59:17,520  
get into the craft the craft may be like

1312  
00:59:21,470 --> 00:59:19,920  
outside the house or maybe on the top of

1313  
00:59:23,329 --> 00:59:21,480

their house they just get out and then

1314

00:59:26,210 --> 00:59:23,339

see the craft but

1315

00:59:29,390 --> 00:59:26,220

those three cases in China they don't

1316

00:59:31,250 --> 00:59:29,400

see the craft until they fly from home

1317

00:59:33,470 --> 00:59:31,260

to the craft

1318

00:59:35,030 --> 00:59:33,480

so the craft is somewhere

1319

00:59:37,190 --> 00:59:35,040

stopped you know in the jungle or

1320

00:59:40,370 --> 00:59:37,200

somewhere else not very close to them

1321

00:59:41,270 --> 00:59:40,380

but funny thing is they fly with the

1322

00:59:43,130 --> 00:59:41,280

alien

1323

00:59:45,170 --> 00:59:43,140

they remember they're flying in the sky

1324

00:59:47,750 --> 00:59:45,180

and the alien were like was like holding

1325

00:59:49,730 --> 00:59:47,760

this arm love it for them yeah and then

1326

00:59:51,230 --> 00:59:49,740

they're flying together like Superman

1327

00:59:54,650 --> 00:59:51,240

movies right

1328

00:59:56,510 --> 00:59:54,660

so this is the only quite quite

1329

00:59:59,569 --> 00:59:56,520

different to the cases from the other

1330

01:00:01,309 --> 00:59:59,579

places right the people will get on the

1331

01:00:03,890 --> 01:00:01,319

craft as soon as they get out the house

1332

01:00:06,829 --> 01:00:03,900

but in here they fly from some places

1333

01:00:09,890 --> 01:00:06,839

some distance before they get reached to

1334

01:00:11,870 --> 01:00:09,900

the craft the case said uh Richard is

1335

01:00:14,809 --> 01:00:11,880

talking about

1336

01:00:19,250 --> 01:00:14,819

um and if I remember correctly he didn't

1337

01:00:21,470 --> 01:00:19,260

have access to television no or books or

1338

01:00:24,890 --> 01:00:21,480

things like that or he knew nothing

1339

01:00:28,609 --> 01:00:24,900

about science fiction no but he told

1340

01:00:31,849 --> 01:00:28,619

this entire story of aliens abductions

1341

01:00:35,690 --> 01:00:31,859

the spacecraft what it looked like right

1342

01:00:38,870 --> 01:00:35,700

um he did multiple television interviews

1343

01:00:43,010 --> 01:00:38,880

um and became you know not only should I

1344

01:00:45,589 --> 01:00:43,020

say a local celebrity but his case was

1345

01:00:48,289 --> 01:00:45,599

uh definitely talked about throughout

1346

01:00:51,230 --> 01:00:48,299

China for for the rest of his life right

1347

01:00:52,609 --> 01:00:51,240

but don't forget one thing then in his

1348

01:00:54,650 --> 01:00:52,619

story

1349

01:00:56,750 --> 01:00:54,660

well two things we have to pay very

1350

01:00:59,930 --> 01:00:56,760

attention because in his story he's not

1351

01:01:03,349 --> 01:00:59,940

the only one who see the in the graph if

1352

01:01:05,569 --> 01:01:03,359

I remember right he have another very

1353

01:01:08,990 --> 01:01:05,579

young girls inside the craft who is very

1354

01:01:10,490 --> 01:01:09,000

sick and right he remember he goes into

1355

01:01:14,089 --> 01:01:10,500

the craft

1356

01:01:16,010 --> 01:01:14,099

and so this sick ladies sick young girl

1357

01:01:19,010 --> 01:01:16,020

sitting there and then he had to put a

1358

01:01:21,589 --> 01:01:19,020

put a hand behind her back and the alien

1359

01:01:23,329 --> 01:01:21,599

put their hand behind his back

1360

01:01:25,430 --> 01:01:23,339

seems like they're transferring some

1361

01:01:26,809 --> 01:01:25,440

kind of energy to save these girls and

1362

01:01:28,970 --> 01:01:26,819

then later on they find these girls

1363

01:01:31,130 --> 01:01:28,980

right

1364

01:01:34,309 --> 01:01:31,140

um and don't forget all this

1365

01:01:37,010 --> 01:01:34,319

investigation no matter he did the light

1366

01:01:38,870 --> 01:01:37,020

detecting he also went to check the body

1367

01:01:41,030 --> 01:01:38,880

they find a little girl the girl was

1368

01:01:43,789 --> 01:01:41,040

sick very sick before

1369

01:01:45,490 --> 01:01:43,799

but she's just healed in no reason

1370

01:01:48,170 --> 01:01:45,500

without any

1371

01:01:50,270 --> 01:01:48,180

there's many pictures of him taking the

1372

01:01:53,690 --> 01:01:50,280

lie detector test but don't forget one

1373

01:01:57,049 --> 01:01:53,700

thing this test is done by officials

1374

01:02:00,470 --> 01:01:57,059

these tests are done by police and

1375

01:02:03,049 --> 01:02:00,480

military right he did all these tests he

1376

01:02:04,789 --> 01:02:03,059

remembered this girl's phrase so he had

1377

01:02:06,890 --> 01:02:04,799

to do the drawing of the of the girls

1378

01:02:10,390 --> 01:02:06,900

they try and find this girl that's right

1379

01:02:13,069 --> 01:02:10,400

that's right in police station

1380

01:02:15,710 --> 01:02:13,079

so the government is actually really

1381

01:02:17,510 --> 01:02:15,720

involved into this study you know the

1382

01:02:20,390 --> 01:02:17,520

last person I want to polygraph test

1383

01:02:22,609 --> 01:02:20,400

from cool is the Chinese military I

1384

01:02:28,430 --> 01:02:22,619

don't want that polygraph

1385

01:02:34,430 --> 01:02:28,440

seems like

1386

01:02:35,930 --> 01:02:34,440

not talking about politics but it seems

1387

01:02:39,109 --> 01:02:35,940

like

1388

01:02:43,130 --> 01:02:39,119

um the United States and China

1389

01:02:45,109 --> 01:02:43,140

uh for the last 20 or 30 years started

1390

01:02:47,390 --> 01:02:45,119

to get friendlier and friendlier and

1391

01:02:50,750 --> 01:02:47,400

friendlier and things seem like they

1392

01:02:54,230 --> 01:02:50,760

were doing okay is there a way to get

1393

01:02:56,150 --> 01:02:54,240

back to that is there can we be friends

1394

01:02:57,829 --> 01:02:56,160

again

1395

01:03:01,069 --> 01:02:57,839

um

1396

01:03:08,089 --> 01:03:05,030

if okay let me okay I I have to have to

1397

01:03:09,890 --> 01:03:08,099

answer you by this so if you understand

1398

01:03:12,589 --> 01:03:09,900

what I'm talking about then that's

1399

01:03:14,210 --> 01:03:12,599

correct let's just say I'm your good

1400

01:03:16,010 --> 01:03:14,220

friend right now

1401

01:03:22,150 --> 01:03:16,020

what if one day

1402

01:03:25,490 --> 01:03:22,160

Chuck fee is actually

1403

01:03:29,809 --> 01:03:25,500

a really bad person and lying to you and

1404

01:03:31,370 --> 01:03:29,819

betray you will you be friends again

1405

01:03:34,430 --> 01:03:31,380

no

1406

01:03:35,829 --> 01:03:34,440

yeah okay yeah it makes sense but here's

1407

01:03:38,690 --> 01:03:35,839

the thing

1408

01:03:41,450 --> 01:03:38,700

these are made in China these are made

1409

01:03:47,210 --> 01:03:41,460

in China yeah but I doubt that they ever

1410

01:03:50,270 --> 01:03:47,220

get made anywhere else and so much of my

1411

01:03:53,750 --> 01:03:50,280

life look around this room

1412

01:03:55,870 --> 01:03:53,760

half of it is China so yeah it makes my

1413

01:03:59,390 --> 01:03:55,880

life wonderful

1414

01:04:02,589 --> 01:03:59,400

China China okay China China China China

1415

01:04:07,490 --> 01:04:05,270

right look look

1416

01:04:09,190 --> 01:04:07,500

that's China yeah right right right

1417

01:04:12,230 --> 01:04:09,200

right right right

1418

01:04:14,870 --> 01:04:12,240

yeah so

1419

01:04:16,430 --> 01:04:14,880

yeah oh those are German okay but oh

1420

01:04:19,309 --> 01:04:16,440

yeah someone tell me you have to be

1421

01:04:20,450 --> 01:04:19,319

careful right but soon we'll be making

1422

01:04:23,030 --> 01:04:20,460

somewhere else

1423

01:04:25,910 --> 01:04:23,040

you think so yeah I think so you

1424

01:04:28,789 --> 01:04:25,920

definitely believe so ah man

1425

01:04:31,549 --> 01:04:28,799

oh man well okay okay let's take our

1426  
01:04:32,750 --> 01:04:31,559  
break right now Chucky it's hot in here

1427  
01:04:34,010 --> 01:04:32,760  
he's hot

1428  
01:04:37,510 --> 01:04:34,020  
oh man

1429  
01:04:43,549 --> 01:04:40,370  
we'll be right back stay with us stay

1430  
01:04:45,230 --> 01:04:43,559  
with us everybody back please visit all

1431  
01:04:48,650 --> 01:04:45,240  
of our sponsors we're taking a quick

1432  
01:04:50,809 --> 01:04:48,660  
break here all of the links are below

1433  
01:04:53,390 --> 01:04:50,819  
and we'll be right back

1434  
01:04:55,730 --> 01:04:53,400  
hey everybody it's Billy Carson also

1435  
01:04:57,230 --> 01:04:55,740  
known as Forbidden Knowledge I want to

1436  
01:05:00,890 --> 01:04:57,240  
talk to you about a very special event

1437  
01:05:02,990 --> 01:05:00,900  
coming up July 30th 2023 The Forbidden

1438  
01:05:04,670 --> 01:05:03,000

conscious Awards we're going to honor

1439

01:05:07,010 --> 01:05:04,680

people who have been contributing to the

1440

01:05:08,510 --> 01:05:07,020

conscious Community for decades people

1441

01:05:10,309 --> 01:05:08,520

that you know and love that have helped

1442

01:05:12,289 --> 01:05:10,319

you get to higher levels of thought and

1443

01:05:14,630 --> 01:05:12,299

Consciousness and awareness it's going

1444

01:05:15,950 --> 01:05:14,640

to be alive in-person event but seats

1445

01:05:17,690 --> 01:05:15,960

are going to sell out very fast you want

1446

01:05:19,370 --> 01:05:17,700

to make sure you're there in person and

1447

01:05:21,130 --> 01:05:19,380

guess what you can help vote for the

1448

01:05:23,150 --> 01:05:21,140

winners voting is available on

1449

01:05:24,770 --> 01:05:23,160

forbiddenknowledge.com and the

1450

01:05:27,950 --> 01:05:24,780

categories are going to be social media

1451  
01:05:29,770 --> 01:05:27,960  
influencer podcast slash radio host TV

1452  
01:05:31,549 --> 01:05:29,780  
host actor director producer

1453  
01:05:32,990 --> 01:05:31,559  
entrepreneurs health and wellness

1454  
01:05:35,450 --> 01:05:33,000  
philanthropists authors field

1455  
01:05:37,250 --> 01:05:35,460  
researchers archaeologists space anomaly

1456  
01:05:40,069 --> 01:05:37,260  
hunters and of course a Lifetime

1457  
01:05:41,990 --> 01:05:40,079  
Achievement Award I'll be your key note

1458  
01:05:43,910 --> 01:05:42,000  
speaker that night at The Forbidden

1459  
01:05:46,250 --> 01:05:43,920  
conscious Awards we have celebrity

1460  
01:05:47,809 --> 01:05:46,260  
guests performing we'll have a halftime

1461  
01:05:49,490 --> 01:05:47,819  
show where we're actually going to

1462  
01:05:52,069 --> 01:05:49,500  
perform music for you and don't forget

1463  
01:05:54,049 --> 01:05:52,079

about the pre-event mixer where if you

1464

01:05:55,970 --> 01:05:54,059

buy a box seat you'll be in the VIP

1465

01:05:58,670 --> 01:05:55,980

section and you also have private access

1466

01:06:01,789 --> 01:05:58,680

to a big IP mixer with celebrity guests

1467

01:06:03,530 --> 01:06:01,799

shake hands break bread Network and then

1468

01:06:05,390 --> 01:06:03,540

walk the red carpet with us and take

1469

01:06:06,650 --> 01:06:05,400

amazing photos it's going to be a night

1470

01:06:08,870 --> 01:06:06,660

to remember you don't want to forget

1471

01:06:10,490 --> 01:06:08,880

this make sure you hurry up and get your

1472

01:06:13,010 --> 01:06:10,500

tickets because you're selling out very

1473

01:06:14,810 --> 01:06:13,020

fast I want to see you there forbidden

1474

01:06:18,650 --> 01:06:14,820

conscious Wars 2023

1475

01:06:21,829 --> 01:06:18,660

[Music]

1476

01:06:24,950 --> 01:06:21,839

on Saturday April 1st that's right April

1477

01:06:27,170 --> 01:06:24,960

Fool's Day 2023 I will be hosting the

1478

01:06:30,650 --> 01:06:27,180

peripod festival at the Hyatt Regency

1479

01:06:33,170 --> 01:06:30,660

right here in Valencia California it's a

1480

01:06:36,170 --> 01:06:33,180

live one-day podcast Awards it's a film

1481

01:06:38,210 --> 01:06:36,180

festival it's a full-on media event

1482

01:06:40,069 --> 01:06:38,220

we're going to have Sky watching there's

1483

01:06:42,890 --> 01:06:40,079

going to be a Lifetime Achievement Award

1484

01:06:44,930 --> 01:06:42,900

presented to Linda Moulton Howe right

1485

01:06:46,970 --> 01:06:44,940

now you can submit your podcast to your

1486

01:06:49,730 --> 01:06:46,980

film your TV series any of your

1487

01:06:51,650 --> 01:06:49,740

paranormal media for consideration you

1488

01:06:54,849 --> 01:06:51,660

can do all of that on the links below

1489

01:06:56,809 --> 01:06:54,859

for info and tickets go to

1490

01:06:59,870 --> 01:06:56,819

parapodfilmfest.com that's

1491

01:07:05,510 --> 01:07:03,890

April 7th through the 14th 2023 I'll be

1492

01:07:08,450 --> 01:07:05,520

hosting and presenting on the hidden

1493

01:07:11,089 --> 01:07:08,460

secrets seminar at Sea cruise from Los

1494

01:07:13,430 --> 01:07:11,099

Angeles to the Mexican Riviera I'm the

1495

01:07:16,010 --> 01:07:13,440

Navigator of the Seas that's right up

1496

01:07:17,690 --> 01:07:16,020

top a giant water slide you've got to

1497

01:07:19,609 --> 01:07:17,700

check out the Navigator of the Seas it's

1498

01:07:22,010 --> 01:07:19,619

amazing we've got Scott Walter Adam

1499

01:07:24,890 --> 01:07:22,020

Apollo Nick Pope Brad Olson Vivian

1500

01:07:27,170 --> 01:07:24,900

Chauvet Jason sherka Robert Grant Reuben

1501  
01:07:29,510 --> 01:07:27,180  
Langdon and another 12 amazing speakers

1502  
01:07:30,970 --> 01:07:29,520  
and presenters it's all simple to do

1503  
01:07:33,970 --> 01:07:30,980  
just visit

1504  
01:07:37,309 --> 01:07:33,980  
divinetravels.com forward slash hidden

1505  
01:07:39,349 --> 01:07:37,319  
secrets2023 you know you want to go on a

1506  
01:07:42,770 --> 01:07:39,359  
cruise with me

1507  
01:07:45,589 --> 01:07:42,780  
River Moon coffee makers of the Fade to

1508  
01:07:47,410 --> 01:07:45,599  
Black blend truly the best coffee on

1509  
01:07:49,670 --> 01:07:47,420  
planet Earth just visit

1510  
01:07:51,529 --> 01:07:49,680  
rivermoonwellness.com or their Amazon

1511  
01:07:52,970 --> 01:07:51,539  
store it's all simple to do you can

1512  
01:07:55,069 --> 01:07:52,980  
check out the Fade to Black blend the

1513  
01:07:57,710 --> 01:07:55,079

game changer Blend or any of their black

1514

01:08:01,490 --> 01:07:57,720

moon wellness products it's the only

1515

01:08:07,069 --> 01:08:01,500

coffee I drink it is the best and it's

1516

01:08:11,329 --> 01:08:09,109

wow we gotta jump straight back into it

1517

01:08:13,970 --> 01:08:11,339

that was so fast here we are we are back

1518

01:08:15,650 --> 01:08:13,980

this is Fade to Black Chuck Faye from

1519

01:08:18,890 --> 01:08:15,660

Hong Kong you gotta pull up Chuck pull

1520

01:08:23,470 --> 01:08:18,900

up pull up Chuck yeah someone say I have

1521

01:08:23,480 --> 01:08:27,530

well you know

1522

01:08:35,090 --> 01:08:33,349

um here what what is your take on do you

1523

01:08:38,930 --> 01:08:35,100

think that the United States government

1524

01:08:40,849 --> 01:08:38,940

is sitting on secrets about the UFOs and

1525

01:08:43,789 --> 01:08:40,859

E.T content definitely

1526

01:08:46,130 --> 01:08:43,799

definitely I believe so there are so

1527

01:08:51,169 --> 01:08:48,769

you can see there's so many Footprints

1528

01:08:54,650 --> 01:08:51,179

you see there they're trying to cover up

1529

01:08:55,550 --> 01:08:54,660

no matter what but what I believe these

1530

01:08:59,030 --> 01:08:55,560

days

1531

01:09:02,209 --> 01:08:59,040

is another another theory that people

1532

01:09:06,050 --> 01:09:02,219

put up like a false flag

1533

01:09:07,669 --> 01:09:06,060

forced flag Invasion from Alien

1534

01:09:11,749 --> 01:09:07,679

from

1535

01:09:13,749 --> 01:09:11,759

yeah like like what uh you know you

1536

01:09:16,430 --> 01:09:13,759

remember what uh

1537

01:09:19,550 --> 01:09:16,440

what they mentioned about the UFO

1538

01:09:20,809 --> 01:09:19,560

affecting all this blue film blue beam

1539

01:09:23,450 --> 01:09:20,819

project

1540

01:09:24,729 --> 01:09:23,460

you know I'll do figuring out a UFO

1541

01:09:26,890 --> 01:09:24,739

sighting

1542

01:09:30,950 --> 01:09:26,900

so

1543

01:09:33,110 --> 01:09:30,960

do you do you do you think that the

1544

01:09:35,030 --> 01:09:33,120

United States government will

1545

01:09:38,689 --> 01:09:35,040

will have disclosure do you think that

1546

01:09:41,150 --> 01:09:38,699

they will reveal what they know

1547

01:09:46,490 --> 01:09:44,329

I think they will reveal a little bit by

1548

01:09:49,669 --> 01:09:46,500

a little bit you know not the full

1549

01:09:53,390 --> 01:09:49,679

disclosure May takes

1550

01:09:56,090 --> 01:09:53,400

few steps to do like a little bit these

1551

01:09:58,729 --> 01:09:56,100

years and a little bit next years

1552

01:10:01,430 --> 01:09:58,739

look all these stories people who have

1553

01:10:04,729 --> 01:10:01,440

alien they contact the encounter with

1554

01:10:07,910 --> 01:10:04,739

aliens right they communicate with them

1555

01:10:10,430 --> 01:10:07,920

there are tons of reports people not

1556

01:10:14,630 --> 01:10:10,440

only see the UFO they see

1557

01:10:16,610 --> 01:10:14,640

the entities itself as well but all

1558

01:10:19,310 --> 01:10:16,620

these days what we can pick up from the

1559

01:10:22,970 --> 01:10:19,320

news is only the sighting only does

1560

01:10:27,189 --> 01:10:22,980

those few videos that disclose from

1561

01:10:31,130 --> 01:10:27,199

military right that

1562

01:10:33,470 --> 01:10:31,140

UFOs that gimbal video you only saw

1563

01:10:36,290 --> 01:10:33,480

those nothing else

1564

01:10:39,350 --> 01:10:36,300

not nothing else at all but there are so

1565

01:10:42,770 --> 01:10:39,360

many people who have contact with all

1566

01:10:44,750 --> 01:10:42,780

these entities but none none of the

1567

01:10:48,229 --> 01:10:44,760

stories showing that so

1568

01:10:50,270 --> 01:10:48,239

what I believe is they they will not

1569

01:10:52,610 --> 01:10:50,280

they will be

1570

01:10:56,090 --> 01:10:52,620

no full disclosure at all I don't think

1571

01:10:57,050 --> 01:10:56,100

so because it's gonna be a big impact to

1572

01:11:00,169 --> 01:10:57,060

people

1573

01:11:02,270 --> 01:11:00,179

who if what if one day if the government

1574

01:11:03,229 --> 01:11:02,280

telling okay all these alien stories are

1575

01:11:09,290 --> 01:11:03,239

real

1576

01:11:11,450 --> 01:11:09,300

who who's going to in charge for that

1577

01:11:14,450 --> 01:11:11,460

who's gonna pay for the whatever loss

1578

01:11:17,750 --> 01:11:14,460

there's going to be a a few a few court

1579

01:11:21,169 --> 01:11:17,760

cases that come out of that for sure

1580

01:11:22,729 --> 01:11:21,179

um the Wilson Davis docs right when when

1581

01:11:28,010 --> 01:11:22,739

those came out

1582

01:11:29,330 --> 01:11:28,020

and you start to analyze uh a few you

1583

01:11:32,450 --> 01:11:29,340

know all the pages have something

1584

01:11:35,750 --> 01:11:32,460

interesting on it but when you look at

1585

01:11:38,630 --> 01:11:35,760

the section where Admiral Wilson

1586

01:11:41,930 --> 01:11:38,640

says that he came out to an aerospace

1587

01:11:45,649 --> 01:11:41,940

company he never named who it was but it

1588

01:11:47,570 --> 01:11:45,659

was probably Lockheed uh and Skunk Works

1589

01:11:50,149 --> 01:11:47,580

and he came out here and had a meeting

1590

01:11:53,169 --> 01:11:50,159

with him and it was disclosed to him at

1591

01:11:56,450 --> 01:11:53,179

that meeting that they had a craft

1592

01:11:58,250 --> 01:11:56,460

that they thought could fly these are

1593

01:11:59,810 --> 01:11:58,260

the words in the document you've read

1594

01:12:03,189 --> 01:11:59,820

the document right

1595

01:12:05,770 --> 01:12:03,199

um but they haven't gotten it to fly yet

1596

01:12:08,930 --> 01:12:05,780

now if that

1597

01:12:11,270 --> 01:12:08,940

statement is true that that event

1598

01:12:13,430 --> 01:12:11,280

actually happened right you were there

1599

01:12:14,930 --> 01:12:13,440

today I took you down there I took you

1600

01:12:19,610 --> 01:12:14,940

to Lockheed Skunk Works that's right

1601  
01:12:23,470 --> 01:12:19,620  
yeah and um to think that driving around

1602  
01:12:27,550 --> 01:12:23,480  
that building today like you did

1603  
01:12:31,610 --> 01:12:27,560  
that right there could be

1604  
01:12:33,890 --> 01:12:31,620  
engineering uh technology of an alien

1605  
01:12:35,030 --> 01:12:33,900  
spacecraft going on behind those walls

1606  
01:12:37,430 --> 01:12:35,040  
right

1607  
01:12:41,149 --> 01:12:37,440  
um and shouldn't the government be

1608  
01:12:43,130 --> 01:12:41,159  
sharing why why keep that a secret and

1609  
01:12:45,350 --> 01:12:43,140  
it's just you know you you went there

1610  
01:12:47,810 --> 01:12:45,360  
it's a mile from my house you can tell

1611  
01:12:50,229 --> 01:12:47,820  
everybody it's right down the street

1612  
01:12:53,090 --> 01:12:50,239  
that's true that's right Chuck

1613  
01:12:56,510 --> 01:12:53,100

you saw the Skunk Works that's amazing

1614

01:12:58,490 --> 01:12:56,520

it's amazing right that right there in

1615

01:13:00,890 --> 01:12:58,500

that building if that document is

1616

01:13:03,530 --> 01:13:00,900

telling the truth and it's accurate and

1617

01:13:06,830 --> 01:13:03,540

I believe there's you know I think that

1618

01:13:08,209 --> 01:13:06,840

it's probably more true than not that

1619

01:13:10,250 --> 01:13:08,219

right down the street from our house

1620

01:13:12,470 --> 01:13:10,260

shouldn't shouldn't the government

1621

01:13:14,930 --> 01:13:12,480

right share that information with the

1622

01:13:17,030 --> 01:13:14,940

world well I think they may share the

1623

01:13:19,130 --> 01:13:17,040

information but not now remember what we

1624

01:13:20,209 --> 01:13:19,140

are using the technology right now for

1625

01:13:23,209 --> 01:13:20,219

the citizen

1626  
01:13:26,330 --> 01:13:23,219  
people who can use the technology which

1627  
01:13:29,930 --> 01:13:26,340  
the technology was there like 50 years

1628  
01:13:32,510 --> 01:13:29,940  
ago right but the military using it for

1629  
01:13:35,390 --> 01:13:32,520  
a military purpose not for

1630  
01:13:38,689 --> 01:13:35,400  
the citizen like the Drone we are flying

1631  
01:13:41,450 --> 01:13:38,699  
like the um the child's group in our

1632  
01:13:43,729 --> 01:13:41,460  
phone right now smartphone

1633  
01:13:45,530 --> 01:13:43,739  
that was there it was there for a long

1634  
01:13:48,830 --> 01:13:45,540  
time but they don't just show it they

1635  
01:13:50,990 --> 01:13:48,840  
don't just share to everybody until the

1636  
01:13:53,330 --> 01:13:51,000  
technology was become kind of old they

1637  
01:13:55,550 --> 01:13:53,340  
got some new replacement

1638  
01:13:58,490 --> 01:13:55,560

for the technology otherwise they won't

1639

01:14:00,890 --> 01:13:58,500

disclose it to everyone so if there's a

1640

01:14:03,649 --> 01:14:00,900

UFOs if they have the technology like

1641

01:14:06,290 --> 01:14:03,659

alien reproduction vehicle what they

1642

01:14:09,830 --> 01:14:06,300

call it well think about it we don't

1643

01:14:13,970 --> 01:14:09,840

have to need the petrol to fly

1644

01:14:17,149 --> 01:14:13,980

we don't need the car we don't need

1645

01:14:19,310 --> 01:14:17,159

a border right you can just need gas you

1646

01:14:21,350 --> 01:14:19,320

don't need gas you don't need you don't

1647

01:14:25,610 --> 01:14:21,360

there's no border between countries

1648

01:14:28,850 --> 01:14:25,620

right you can just go to China like five

1649

01:14:30,830 --> 01:14:28,860

minutes from here go to China go to Hong

1650

01:14:33,410 --> 01:14:30,840

Kong go to anywhere go to Japan you just

1651  
01:14:35,630 --> 01:14:33,420  
land in a bit of nowhere and then you're

1652  
01:14:37,430 --> 01:14:35,640  
there you don't need the Border you

1653  
01:14:39,890 --> 01:14:37,440  
don't need a passport

1654  
01:14:42,110 --> 01:14:39,900  
like you said you don't need gas think

1655  
01:14:44,570 --> 01:14:42,120  
about all this impact too

1656  
01:14:47,270 --> 01:14:44,580  
the whole world right

1657  
01:14:49,250 --> 01:14:47,280  
that is why you heard a little story

1658  
01:14:52,370 --> 01:14:49,260  
people who invented

1659  
01:14:54,770 --> 01:14:52,380  
a new technology or new Energy System

1660  
01:14:57,530 --> 01:14:54,780  
like you can run the car by water you

1661  
01:14:58,790 --> 01:14:57,540  
can run the car by the air by the

1662  
01:15:00,830 --> 01:14:58,800  
hydrogen

1663  
01:15:02,209 --> 01:15:00,840

then you don't need the petrol you don't

1664

01:15:05,149 --> 01:15:02,219

need the gas

1665

01:15:07,370 --> 01:15:05,159

and then those people who invented the

1666

01:15:09,709 --> 01:15:07,380

the technology either become a patient

1667

01:15:12,770 --> 01:15:09,719

or the people die

1668

01:15:14,510 --> 01:15:12,780

so it happened so many times right so if

1669

01:15:15,890 --> 01:15:14,520

they have the technology and I which I

1670

01:15:20,270 --> 01:15:15,900

believe they have

1671

01:15:23,570 --> 01:15:20,280

but they will not disclose it yeah

1672

01:15:24,950 --> 01:15:23,580

not now I guess maybe maybe years later

1673

01:15:28,250 --> 01:15:24,960

Maybe

1674

01:15:31,669 --> 01:15:28,260

they find something even faster than

1675

01:15:34,189 --> 01:15:31,679

the the UFO they invent then they will

1676

01:15:36,470 --> 01:15:34,199

disclose it do you

1677

01:15:39,229 --> 01:15:36,480

um that's one of my belief well and and

1678

01:15:42,709 --> 01:15:39,239

and and and and and here's the thing

1679

01:15:45,410 --> 01:15:42,719

Chuck right and here's the thing

1680

01:15:48,229 --> 01:15:45,420

um the way you smile I have a bad

1681

01:15:49,490 --> 01:15:48,239

feeling about it

1682

01:15:52,070 --> 01:15:49,500

you know

1683

01:15:54,950 --> 01:15:52,080

the United States has got one then

1684

01:15:57,590 --> 01:15:54,960

Russia's got one right India's got one

1685

01:16:02,149 --> 01:15:57,600

right right Israel's got one United

1686

01:16:04,850 --> 01:16:02,159

Kingdom's got one maybe even Canada

1687

01:16:08,689 --> 01:16:04,860

and and so

1688

01:16:11,930 --> 01:16:08,699

um if if we can't fly them probably

1689

01:16:14,330 --> 01:16:11,940

nobody else can but you can get ideas

1690

01:16:17,570 --> 01:16:14,340

from the technology that you're looking

1691

01:16:22,130 --> 01:16:17,580

at right right and so I'm not saying

1692

01:16:23,510 --> 01:16:22,140

that China has a craft you know from

1693

01:16:25,910 --> 01:16:23,520

another world

1694

01:16:28,070 --> 01:16:25,920

but they probably they they can't be any

1695

01:16:30,890 --> 01:16:28,080

different than Russia or the United

1696

01:16:33,649 --> 01:16:30,900

States or any other country in the world

1697

01:16:36,590 --> 01:16:33,659

right there have been crash retrievals

1698

01:16:40,790 --> 01:16:36,600

reported in Mexico and in in Chile

1699

01:16:44,810 --> 01:16:40,800

Argentina Brazil right uh uh the United

1700

01:16:46,910 --> 01:16:44,820

Kingdom and and it's it's not a unique

1701

01:16:49,430 --> 01:16:46,920

situation just to the United States

1702

01:16:52,610 --> 01:16:49,440

right so everybody

1703

01:16:54,050 --> 01:16:52,620

um and so if they if we assume that

1704

01:16:57,770 --> 01:16:54,060

everybody does

1705

01:17:00,410 --> 01:16:57,780

do they share that information

1706

01:17:03,410 --> 01:17:00,420

with other countries trying to get these

1707

01:17:05,510 --> 01:17:03,420

craft to work or they all keeping the

1708

01:17:07,910 --> 01:17:05,520

secrets to themselves

1709

01:17:10,310 --> 01:17:07,920

I kind of like the movie arrival you

1710

01:17:12,590 --> 01:17:10,320

remember arrival yes that was a really

1711

01:17:14,450 --> 01:17:12,600

good example a very good movie yeah I

1712

01:17:16,250 --> 01:17:14,460

love it a very good example of the

1713

01:17:17,870 --> 01:17:16,260

different countries human being have to

1714

01:17:19,550 --> 01:17:17,880

work together to solve problems they

1715

01:17:21,470 --> 01:17:19,560

have to work together and nobody wanted

1716

01:17:23,750 --> 01:17:21,480

to work together yeah that's exactly

1717

01:17:25,010 --> 01:17:23,760

what's happening right now

1718

01:17:27,350 --> 01:17:25,020

in the world

1719

01:17:29,870 --> 01:17:27,360

nobody wants to share nobody wants to

1720

01:17:30,950 --> 01:17:29,880

share information of Technology with the

1721

01:17:35,450 --> 01:17:30,960

other countries

1722

01:17:37,970 --> 01:17:35,460

right nobody nobody wants to

1723

01:17:40,070 --> 01:17:37,980

let at once go to somebody else right

1724

01:17:41,990 --> 01:17:40,080

they want to keep their technology so

1725

01:17:45,110 --> 01:17:42,000

they can be the number one in the world

1726

01:17:47,689 --> 01:17:45,120

everybody do the same thing I remember I

1727

01:17:48,530 --> 01:17:47,699

saw there's a piece of article from

1728

01:17:55,310 --> 01:17:48,540

China

1729

01:18:04,189 --> 01:17:59,930

they there's a arrows Aerospace show in

1730

01:18:07,669 --> 01:18:04,199

China and then they they show a new

1731

01:18:10,250 --> 01:18:07,679

generation of flying

1732

01:18:14,209 --> 01:18:10,260

technology they put it this way which is

1733

01:18:16,910 --> 01:18:14,219

like a olive color plain and the shape

1734

01:18:19,669 --> 01:18:16,920

is like a triangle shape but pretty much

1735

01:18:22,430 --> 01:18:19,679

like uh what we saw from the Rando Sam

1736

01:18:25,130 --> 01:18:22,440

Forest remember in the rentals and

1737

01:18:27,350 --> 01:18:25,140

Forest there's a fake UFO they put in

1738

01:18:30,470 --> 01:18:27,360

the forest which is like an iron shape

1739

01:18:32,870 --> 01:18:30,480

right like a triangle like a boat

1740

01:18:36,110 --> 01:18:32,880

I remember they show this kind of

1741

01:18:38,030 --> 01:18:36,120

technology in China many years ago and

1742

01:18:39,410 --> 01:18:38,040

they say this is a new technology that

1743

01:18:41,390 --> 01:18:39,420

fly

1744

01:18:44,390 --> 01:18:41,400

when I look at the pictures when I look

1745

01:18:46,250 --> 01:18:44,400

at the craft itself it just looks so

1746

01:18:48,830 --> 01:18:46,260

close to

1747

01:18:52,189 --> 01:18:48,840

remember there is that flying saucers

1748

01:18:54,290 --> 01:18:52,199

they're built by the armies from the

1749

01:18:56,810 --> 01:18:54,300

states many years ago but they can only

1750

01:18:58,790 --> 01:18:56,820

live up like probably like five feet

1751

01:19:01,910 --> 01:18:58,800

from the ground those were made in

1752

01:19:04,310 --> 01:19:01,920

Canada right yeah Avro they called it

1753

01:19:06,709 --> 01:19:04,320

the Avro car they call it uh flying

1754

01:19:09,470 --> 01:19:06,719

sausages right yeah pretty much the same

1755

01:19:12,050 --> 01:19:09,480

thing like that right what uh China

1756

01:19:15,530 --> 01:19:12,060

disclosed I I can say it because I can

1757

01:19:16,850 --> 01:19:15,540

see I I saw the other media from UK they

1758

01:19:20,149 --> 01:19:16,860

mentioned it

1759

01:19:22,729 --> 01:19:20,159

so you see they try to do something

1760

01:19:25,310 --> 01:19:22,739

but that is

1761

01:19:27,229 --> 01:19:25,320

well I think I think they they just

1762

01:19:29,149 --> 01:19:27,239

picked the wrong

1763

01:19:32,750 --> 01:19:29,159

you just pick the wrong idea to do it

1764

01:19:34,490 --> 01:19:32,760

right so it would be like find exactly

1765

01:19:36,590 --> 01:19:34,500

the same as the size flying Source at

1766

01:19:40,910 --> 01:19:36,600

only five feet from the ground it won't

1767

01:19:44,390 --> 01:19:40,920

be able to bring any any missile or

1768

01:19:47,450 --> 01:19:44,400

anything any weapons I don't think so so

1769

01:19:50,450 --> 01:19:47,460

think about it if there is a country if

1770

01:19:53,450 --> 01:19:51,169

um

1771

01:19:55,790 --> 01:19:53,460

how do I say it they want to

1772

01:19:58,430 --> 01:19:55,800

tell everybody they can do things they

1773

01:20:00,709 --> 01:19:58,440

will make up a lot of things but may not

1774

01:20:03,290 --> 01:20:00,719

be working yeah that's right you only

1775

01:20:08,090 --> 01:20:03,300

have to give an engineer the idea

1776

01:20:11,510 --> 01:20:08,100

right right if if we go back to uh

1777

01:20:14,030 --> 01:20:11,520

uh uh Dick Tracy right the the the

1778

01:20:16,610 --> 01:20:14,040

watches the TV watch you know that was

1779

01:20:20,090 --> 01:20:16,620

in a comic book you really have to show

1780

01:20:23,209 --> 01:20:20,100

a smart person that an engineer and give

1781

01:20:28,310 --> 01:20:23,219

them the idea it's gonna get done now

1782

01:20:32,149 --> 01:20:28,320

today uh it's crazy as this would have

1783

01:20:37,910 --> 01:20:32,159

been I keep going back smartphones

1784

01:20:41,090 --> 01:20:37,920

um we have gotten so acclimated to what

1785

01:20:46,370 --> 01:20:41,100

this actually is right because if this

1786

01:20:49,729 --> 01:20:46,380

was in a movie in in 1960 right that'll

1787

01:20:52,370 --> 01:20:49,739

never happen a compete watching a movie

1788

01:20:54,830 --> 01:20:52,380

on your phone while you're talking and

1789

01:20:56,990 --> 01:20:54,840

texting in your email and and and

1790

01:20:58,550 --> 01:20:57,000

computers and access to all of the

1791

01:21:00,470 --> 01:20:58,560

computers in the world and all the

1792

01:21:02,770 --> 01:21:00,480

world's knowledge and everything just

1793

01:21:05,149 --> 01:21:02,780

right there that stuff stop with that

1794

01:21:07,310 --> 01:21:05,159

that's a miracle many years they didn't

1795

01:21:09,920 --> 01:21:07,320

even take it that far on Star Trek if

1796

01:21:09,920 --> 01:21:09,930

you think about it

1797

01:21:09,930 --> 01:21:15,130

[Music]

1798

01:21:20,750 --> 01:21:17,390

that's right there was no T that was a

1799

01:21:22,850 --> 01:21:20,760

walkie-talkie right and and so uh

1800

01:21:25,910 --> 01:21:22,860

remember the medical scanner what did

1801

01:21:28,149 --> 01:21:25,920

they call that yeah right all right

1802

01:21:31,189 --> 01:21:28,159

that's as far as they didn't have a

1803

01:21:33,350 --> 01:21:31,199

smartphone in Star Trek no yeah it's

1804

01:21:39,250 --> 01:21:33,360

taking things uh not defending in Star

1805

01:21:44,630 --> 01:21:42,050

hey um I'm gonna share

1806

01:21:47,450 --> 01:21:44,640

I'm just gonna do this because this is

1807

01:21:50,209 --> 01:21:47,460

one of my favorite uh pictures that uh

1808

01:21:52,430 --> 01:21:50,219

that I have and

1809

01:21:55,130 --> 01:21:52,440

um uh I'm gonna pop it up on the screen

1810

01:21:58,070 --> 01:21:55,140

for everybody uh Chuck what are we

1811

01:21:59,750 --> 01:21:58,080

looking at here that was me first time

1812

01:22:01,430 --> 01:21:59,760

in Great Wall

1813

01:22:04,430 --> 01:22:01,440

in China

1814

01:22:07,010 --> 01:22:04,440

and I was thinking oh well I was

1815

01:22:07,970 --> 01:22:07,020

thinking well this is my first time in a

1816

01:22:11,030 --> 01:22:07,980

quick War

1817

01:22:13,550 --> 01:22:11,040

and uh I want to

1818

01:22:16,070 --> 01:22:13,560

take pictures with it but when I think

1819

01:22:19,010 --> 01:22:16,080

about it I'm thinking what if I put the

1820

01:22:20,030 --> 01:22:19,020

pictures with a faded black t-shirts on

1821

01:22:23,689 --> 01:22:20,040

it

1822

01:22:25,370 --> 01:22:23,699

the only pick you only have this

1823

01:22:28,310 --> 01:22:25,380

probably this is the only picture you

1824

01:22:29,810 --> 01:22:28,320

have in China and then let you know

1825

01:22:31,610 --> 01:22:29,820

you're in China

1826  
01:22:33,770 --> 01:22:31,620  
right you look at the pictures you know

1827  
01:22:37,130 --> 01:22:33,780  
you know I'm in China yeah it's either

1828  
01:22:39,470 --> 01:22:37,140  
the Eiffel Tower or the Great Wall right

1829  
01:22:41,570 --> 01:22:39,480  
that's your two choices right where

1830  
01:22:44,330 --> 01:22:41,580  
there's no question that's right about

1831  
01:22:46,310 --> 01:22:44,340  
where you are at and then my wife asking

1832  
01:22:48,229 --> 01:22:46,320  
me why are you wearing t-shirts of fatal

1833  
01:22:50,410 --> 01:22:48,239  
black you don't wear t-shirts off MJ 13

1834  
01:22:53,330 --> 01:22:50,420  
on it I said I don't know

1835  
01:22:55,610 --> 01:22:53,340  
I have no idea I just think this may be

1836  
01:23:00,590 --> 01:22:55,620  
cool you may like it

1837  
01:23:03,470 --> 01:23:00,600  
Chuck sends me this Jimmy check this out

1838  
01:23:07,130 --> 01:23:03,480

and uh dude this is

1839

01:23:09,770 --> 01:23:07,140

um uh it's it's such a cool photograph I

1840

01:23:14,030 --> 01:23:09,780

have the orig this is the original right

1841

01:23:16,130 --> 01:23:14,040

I didn't crop it I didn't modify it or

1842

01:23:17,689 --> 01:23:16,140

make you look pretty or anything like

1843

01:23:20,570 --> 01:23:17,699

that that no matter you do you don't

1844

01:23:22,669 --> 01:23:20,580

make me quickly anyway that is the

1845

01:23:24,110 --> 01:23:22,679

original image right there Chuck fade

1846

01:23:26,630 --> 01:23:24,120

the Great Wall of China wearing a Fade

1847

01:23:28,330 --> 01:23:26,640

to Black isn't it cool man it's one of

1848

01:23:32,750 --> 01:23:28,340

my favorite favorite favorite

1849

01:23:35,149 --> 01:23:32,760

images and uh there it is uh and and

1850

01:23:38,870 --> 01:23:35,159

thank you for sending me that

1851  
01:23:41,630 --> 01:23:38,880  
um so oh man I've got too many monitors

1852  
01:23:44,330 --> 01:23:41,640  
here I don't know where my mice are okay

1853  
01:23:46,270 --> 01:23:44,340  
so we're back over here okay

1854  
01:23:48,790 --> 01:23:46,280  
um the

1855  
01:23:52,430 --> 01:23:48,800  
uh the subject

1856  
01:23:54,950 --> 01:23:52,440  
of you know something like Randall shim

1857  
01:23:57,410 --> 01:23:54,960  
right where

1858  
01:23:59,689 --> 01:23:57,420  
um uh and I understand the dividing line

1859  
01:24:03,169 --> 01:23:59,699  
between Hong Kong and and Mainland China

1860  
01:24:06,729 --> 01:24:03,179  
and and and those obstacles that are in

1861  
01:24:09,490 --> 01:24:06,739  
front of you but if you had

1862  
01:24:13,729 --> 01:24:09,500  
uh the Hong Kong military

1863  
01:24:16,130 --> 01:24:13,739

right which is now Chinese that's right

1864

01:24:19,090 --> 01:24:16,140

okay but they're in Hong Kong they're in

1865

01:24:22,310 --> 01:24:19,100

Hong Kong but so it's still a Chinese

1866

01:24:25,490 --> 01:24:22,320

situation there right and is it the same

1867

01:24:28,370 --> 01:24:25,500

thing with Taiwan no Taiwan has their

1868

01:24:31,189 --> 01:24:28,380

own military military right so that is

1869

01:24:32,510 --> 01:24:31,199

different than Taiwan or different than

1870

01:24:34,490 --> 01:24:32,520

Hong Kong

1871

01:24:36,530 --> 01:24:34,500

that's right it's a different situation

1872

01:24:38,810 --> 01:24:36,540

totally so

1873

01:24:41,390 --> 01:24:38,820

um but Hong Kong and you'll understand

1874

01:24:43,850 --> 01:24:41,400

where I'm going with this Hong Kong has

1875

01:24:45,950 --> 01:24:43,860

its own median distribution you still

1876

01:24:47,810 --> 01:24:45,960

have Google you still have Twitter you

1877

01:24:50,750 --> 01:24:47,820

still have Facebook that's true but you

1878

01:24:53,510 --> 01:24:50,760

go across the water and it all of that

1879

01:24:55,729 --> 01:24:53,520

is cut off from the internet right how

1880

01:25:00,970 --> 01:24:55,739

much longer we can have those I cannot

1881

01:25:05,630 --> 01:25:00,980

answer okay but so Taiwanese military

1882

01:25:08,270 --> 01:25:05,640

has a Tic-Tac situation oh yes in a

1883

01:25:10,490 --> 01:25:08,280

rental situation right then that's going

1884

01:25:13,610 --> 01:25:10,500

to be talked about publicly that's true

1885

01:25:14,709 --> 01:25:13,620

with and that would be broadcast in Hong

1886

01:25:17,209 --> 01:25:14,719

Kong

1887

01:25:20,570 --> 01:25:17,219

uh not really

1888

01:25:23,810 --> 01:25:20,580

news from Taiwan will not goes to Hong

1889

01:25:25,550 --> 01:25:23,820

Kong in the mainstream media really no

1890

01:25:27,430 --> 01:25:25,560

but do we get it through the internet

1891

01:25:31,810 --> 01:25:27,440

yeah we will get it from the internet

1892

01:25:35,090 --> 01:25:31,820

what if the internet has to be censored

1893

01:25:36,410 --> 01:25:35,100

one day like the mainland right we won't

1894

01:25:39,950 --> 01:25:36,420

be able to get it

1895

01:25:41,870 --> 01:25:39,960

unless we use some other method to do it

1896

01:25:44,350 --> 01:25:41,880

but which has become it will become

1897

01:25:47,450 --> 01:25:44,360

illegal back then when if that happens

1898

01:25:49,970 --> 01:25:47,460

have there been any

1899

01:25:54,350 --> 01:25:49,980

um would you know of any

1900

01:25:58,070 --> 01:25:54,360

a Tic Tac like incidents with the

1901  
01:26:00,050 --> 01:25:58,080  
Taiwanese Navy or Air Force I am the

1902  
01:26:03,110 --> 01:26:00,060  
only first time only first time to hear

1903  
01:26:05,629 --> 01:26:03,120  
it right now when you mention it about

1904  
01:26:09,110 --> 01:26:05,639  
the Taiwanese army that they have a

1905  
01:26:11,090 --> 01:26:09,120  
detect situation no I I'm not saying

1906  
01:26:13,790 --> 01:26:11,100  
they do don't get me in trouble okay

1907  
01:26:15,770 --> 01:26:13,800  
don't forget to check check wants to

1908  
01:26:16,140 --> 01:26:15,780  
share the trouble he wants to share the

1909  
01:26:17,629 --> 01:26:16,150  
pressure

1910  
01:26:21,110 --> 01:26:17,639  
[Applause]

1911  
01:26:23,330 --> 01:26:21,120  
share the pressure now I mean if there's

1912  
01:26:25,430 --> 01:26:23,340  
case like this we can only find out find

1913  
01:26:28,310 --> 01:26:25,440

out from the from the internet not from

1914

01:26:30,709 --> 01:26:28,320

the mainstream media the mainstream

1915

01:26:33,890 --> 01:26:30,719

media are pretty much like

1916

01:26:36,110 --> 01:26:33,900

well they will put up

1917

01:26:39,590 --> 01:26:36,120

information where the government wants

1918

01:26:42,910 --> 01:26:39,600

you to know now okay okay but it

1919

01:26:45,709 --> 01:26:42,920

completely shut down the others

1920

01:26:47,209 --> 01:26:45,719

there were reports

1921

01:26:51,350 --> 01:26:47,219

here

1922

01:26:54,370 --> 01:26:51,360

uh about two years ago right that China

1923

01:26:58,790 --> 01:26:54,380

China China China

1924

01:27:00,950 --> 01:26:58,800

had started their own UFO task force

1925

01:27:03,890 --> 01:27:00,960

yes within the military can you confirm

1926

01:27:05,629 --> 01:27:03,900

that uh yes from what I know yes from

1927

01:27:08,030 --> 01:27:05,639

what I can tell yes

1928

01:27:10,669 --> 01:27:08,040

and there's something I want to share to

1929

01:27:12,290 --> 01:27:10,679

with you don't get me in trouble no no

1930

01:27:14,390 --> 01:27:12,300

no no no no no it won't get you in

1931

01:27:17,689 --> 01:27:14,400

trouble okay remember when I mentioned

1932

01:27:20,750 --> 01:27:17,699

uh many years ago when I when you talked

1933

01:27:23,750 --> 01:27:20,760

about UFO when you study about UFO they

1934

01:27:27,229 --> 01:27:23,760

they look at it as a scientific no

1935

01:27:29,870 --> 01:27:27,239

science perspective right like something

1936

01:27:31,910 --> 01:27:29,880

that can fly with high technology they

1937

01:27:36,410 --> 01:27:31,920

want to know the technology

1938

01:27:38,990 --> 01:27:36,420

but as all we know there are a lot of

1939

01:27:41,810 --> 01:27:39,000

psychic connection between the UFO

1940

01:27:44,450 --> 01:27:41,820

sighting there are a lot of

1941

01:27:46,610 --> 01:27:44,460

spiritual Passback

1942

01:27:49,689 --> 01:27:46,620

in the UFO sighting

1943

01:27:52,430 --> 01:27:49,699

fails but they refuse to talk about it

1944

01:27:54,410 --> 01:27:52,440

the conscious connection no they don't

1945

01:27:56,330 --> 01:27:54,420

want they don't allow to talk

1946

01:28:00,649 --> 01:27:56,340

put it this way many years ago probably

1947

01:28:04,430 --> 01:28:00,659

like 2018 I went to Beijing one very

1948

01:28:06,410 --> 01:28:04,440

cold winter which is like close to right

1949

01:28:08,270 --> 01:28:06,420

after Christmas and they have a UFO

1950

01:28:12,169 --> 01:28:08,280

conference for two days

1951

01:28:16,310 --> 01:28:12,179

in Beijing and I went up there what one

1952

01:28:20,209 --> 01:28:16,320

was this uh probably 2018 I guess I do

1953

01:28:22,430 --> 01:28:20,219

remember you talking about this right

1954

01:28:24,649 --> 01:28:22,440

that you were going to Beijing for a UFO

1955

01:28:26,810 --> 01:28:24,659

conference yeah but I happen to know you

1956

01:28:30,649 --> 01:28:26,820

the part second part of it nobody though

1957

01:28:33,229 --> 01:28:30,659

okay okay yeah so I remember this okay

1958

01:28:37,310 --> 01:28:33,239

go ahead go ahead and uh when uh two two

1959

01:28:39,530 --> 01:28:37,320

two night two day full days for the UFO

1960

01:28:41,209 --> 01:28:39,540

conference I remember we have John de

1961

01:28:43,430 --> 01:28:41,219

salsa in there yeah yeah a few people

1962

01:28:47,470 --> 01:28:43,440

from the United States went over and I

1963

01:28:50,510 --> 01:28:47,480

had them on the shower yeah

1964

01:28:53,990 --> 01:28:50,520

three of them went to Beijing yep

1965

01:28:56,209 --> 01:28:54,000

together and I went there and they were

1966

01:28:57,950 --> 01:28:56,219

so surprised because when I met John D's

1967

01:29:00,290 --> 01:28:57,960

also and he was like oh You Chuck and

1968

01:29:03,649 --> 01:29:00,300

then coming over give me a big hug and

1969

01:29:05,629 --> 01:29:03,659

then only that they they knew who I am I

1970

01:29:08,330 --> 01:29:05,639

remember I went there during this

1971

01:29:11,450 --> 01:29:08,340

conference for two days they have

1972

01:29:13,970 --> 01:29:11,460

informations from like John desos talked

1973

01:29:16,209 --> 01:29:13,980

about the fbix files we have Michael

1974

01:29:19,790 --> 01:29:16,219

seller talks about exopolitics we have

1975

01:29:22,010 --> 01:29:19,800

Laura Eisenhower talks about doing her

1976

01:29:24,470 --> 01:29:22,020

thing yeah right and then we have

1977

01:29:26,590 --> 01:29:24,480

another Chinese lady who is a speaker

1978

01:29:28,910 --> 01:29:26,600

who talks about her

1979

01:29:31,430 --> 01:29:28,920

experience her encounter experience

1980

01:29:34,250 --> 01:29:31,440

which is very spiritual

1981

01:29:36,709 --> 01:29:34,260

spiritual Concepts spiritual ideas a lot

1982

01:29:37,910 --> 01:29:36,719

of message which is belongs to spiritual

1983

01:29:40,850 --> 01:29:37,920

sign

1984

01:29:43,310 --> 01:29:40,860

and then after that event like probably

1985

01:29:45,649 --> 01:29:43,320

two weeks after the event there are

1986

01:29:47,930 --> 01:29:45,659

scientists coming out and trying to

1987

01:29:49,729 --> 01:29:47,940

attack the um

1988

01:29:50,930 --> 01:29:49,739

spiritual speakers

1989

01:29:54,169 --> 01:29:50,940

right

1990

01:29:57,709 --> 01:29:54,179

and then what called after that and then

1991

01:30:00,890 --> 01:29:57,719

it ends up the lady who talks his

1992

01:30:03,290 --> 01:30:00,900

spiritual subjects she has to cut off

1993

01:30:06,649 --> 01:30:03,300

her social medias you have to delete all

1994

01:30:08,930 --> 01:30:06,659

the files delete all the posts she put

1995

01:30:10,970 --> 01:30:08,940

up in the internet

1996

01:30:13,490 --> 01:30:10,980

think about it think about it if

1997

01:30:15,770 --> 01:30:13,500

somebody tell you're a liar you don't

1998

01:30:17,750 --> 01:30:15,780

have to do all this shutdown

1999

01:30:19,550 --> 01:30:17,760

operation right you don't have to cut

2000

01:30:21,649 --> 01:30:19,560

off you don't have to delete all your

2001

01:30:24,310 --> 01:30:21,659

posts you just shut up I don't say it

2002

01:30:27,410 --> 01:30:24,320

but if you delete all of all the things

2003

01:30:29,750 --> 01:30:27,420

all the things she put up so far all

2004

01:30:32,750 --> 01:30:29,760

these years she's just totally closed

2005

01:30:34,729 --> 01:30:32,760

the account of YouTube closer kind of

2006

01:30:36,470 --> 01:30:34,739

Facebook or whatever she just shut off

2007

01:30:39,709 --> 01:30:36,480

everything

2008

01:30:43,270 --> 01:30:39,719

so what I can tell is

2009

01:30:47,510 --> 01:30:43,280

do you allow us to talk about it in the

2010

01:30:50,209 --> 01:30:47,520

scientific or technology perspect that's

2011

01:30:53,270 --> 01:30:50,219

okay that's playing it by the rules but

2012

01:30:55,790 --> 01:30:53,280

but spiritual sign they will put it like

2013

01:30:58,629 --> 01:30:55,800

they treat it like a religion there's no

2014

01:31:06,770 --> 01:31:02,570

so somebody like uh uh

2015

01:31:10,669 --> 01:31:06,780

uh you know that wants to do a ce5 type

2016

01:31:13,430 --> 01:31:10,679

of calling in of crap right put it this

2017

01:31:14,990 --> 01:31:13,440

way and um if you talks about UFO

2018

01:31:18,229 --> 01:31:15,000

technology you're fine if you talk about

2019

01:31:21,590 --> 01:31:18,239

ce5 you talk about spiritual connection

2020

01:31:25,310 --> 01:31:21,600

with entities that's that's a No-No

2021

01:31:27,530 --> 01:31:25,320

really really yeah and and can could you

2022

01:31:30,050 --> 01:31:27,540

talk about that right now or is that a

2023

01:31:32,390 --> 01:31:30,060

Zone I can talk about it right now here

2024

01:31:35,390 --> 01:31:32,400

I don't have trouble I can talk about

2025

01:31:38,270 --> 01:31:35,400

spiritual connection in Hong Kong right

2026

01:31:39,770 --> 01:31:38,280

now it's still okay but not in China

2027

01:31:43,669 --> 01:31:39,780

so

2028

01:31:48,050 --> 01:31:43,679

um Chuck Chuck Chuck pulled up uh to the

2029

01:31:50,149 --> 01:31:48,060

bunker today in an RV right so he's

2030

01:31:51,890 --> 01:31:50,159

rented an RV he's over here for a month

2031

01:31:55,490 --> 01:31:51,900

and he's driving around the western

2032

01:31:58,550 --> 01:31:55,500

United States uh looking looking for

2033

01:32:01,310 --> 01:31:58,560

UFOs no more than that even more than it

2034

01:32:04,790 --> 01:32:01,320

but now you know so that's so he and

2035

01:32:08,330 --> 01:32:04,800

it's a nice RV too by the way and you

2036

01:32:11,510 --> 01:32:08,340

just went to Giant Rock right and so you

2037

01:32:14,450 --> 01:32:11,520

spent five days uh in an RV

2038

01:32:17,270 --> 01:32:14,460

um in giant rock pretty

2039

01:32:19,370 --> 01:32:17,280

pretty cool place but I'm going to say a

2040

01:32:22,070 --> 01:32:19,380

very spiritual place it's a very

2041

01:32:25,669 --> 01:32:22,080

powerful place

2042

01:32:28,430 --> 01:32:25,679

um was that something that uh you

2043

01:32:31,910 --> 01:32:28,440

thought about doing was the conscious

2044

01:32:34,550 --> 01:32:31,920

connection and a ce5 type of approach

2045

01:32:37,669 --> 01:32:34,560

well when I start my tour when I planned

2046

01:32:38,990 --> 01:32:37,679

my tour and my wife a few of my good

2047

01:32:40,430 --> 01:32:39,000

friends they asked what are you gonna do

2048

01:32:43,490 --> 01:32:40,440

where are you going to go

2049

01:32:45,890 --> 01:32:43,500

I was tuning them like honestly I have

2050

01:32:48,410 --> 01:32:45,900

no idea I don't know where I'm gonna go

2051

01:32:50,030 --> 01:32:48,420

but one of my friends tell me okay if

2052

01:32:53,629 --> 01:32:50,040

you don't know I just I just have a

2053

01:32:55,910 --> 01:32:53,639

reason I just have a vision no I have to

2054

01:32:58,370 --> 01:32:55,920

come but I don't know for what reason I

2055

01:33:01,310 --> 01:32:58,380

don't have as any place I want to go

2056

01:33:05,090 --> 01:33:01,320

like originally I was planning to drive

2057

01:33:07,790 --> 01:33:05,100

into a forest and then try to find some

2058

01:33:10,910 --> 01:33:07,800

probably some footage from a Bigfoot or

2059

01:33:13,610 --> 01:33:10,920

dog man or whatever right I was being

2060

01:33:17,149 --> 01:33:13,620

screamed by a Bigfoot in the city Ranch

2061

01:33:18,950 --> 01:33:17,159

many years ago so I was kind of

2062

01:33:22,790 --> 01:33:18,960

follow the flow I don't know where to go

2063

01:33:25,729 --> 01:33:22,800

but then I say a few days in giant rock

2064

01:33:27,530 --> 01:33:25,739

well two days I was stuck in the sand I

2065

01:33:30,229 --> 01:33:27,540

I don't mean to do it but I was stuck in

2066

01:33:32,510 --> 01:33:30,239

the sand because it's too dark

2067

01:33:35,750 --> 01:33:32,520

he's in the middle of the desert in the

2068

01:33:39,709 --> 01:33:35,760

middle of nowhere in an RV uh and gets

2069

01:33:41,750 --> 01:33:39,719

stuck in the sand and nobody and and but

2070

01:33:43,669 --> 01:33:41,760

you had food and water I have food and

2071

01:33:45,649 --> 01:33:43,679

water and he got rescued and I got

2072

01:33:47,930 --> 01:33:45,659

pretty nice signal in there so I can do

2073

01:33:51,169 --> 01:33:47,940

the broadcast at night when I hear

2074

01:33:53,090 --> 01:33:51,179

something scratching the door outside in

2075

01:33:56,330 --> 01:33:53,100

the middle of nowhere it's just all dark

2076  
01:33:57,950 --> 01:33:56,340  
and cold yeah and windy and I was in the

2077  
01:34:00,290 --> 01:33:57,960  
middle of dream and something just

2078  
01:34:01,209 --> 01:34:00,300  
scratched the car no and then I hear

2079  
01:34:03,590 --> 01:34:01,219  
like

2080  
01:34:05,750 --> 01:34:03,600  
that kind of voice I don't know whether

2081  
01:34:07,430 --> 01:34:05,760  
I'm Dreaming I don't know where to I

2082  
01:34:09,410 --> 01:34:07,440  
hear that I'm hearing this for the first

2083  
01:34:10,910 --> 01:34:09,420  
time right okay you didn't tell me this

2084  
01:34:13,070 --> 01:34:10,920  
okay wait wait wait wait wait wait wait

2085  
01:34:14,810 --> 01:34:13,080  
wait wait wait wait wait you're you're

2086  
01:34:17,450 --> 01:34:14,820  
in the Mojave Desert right you're

2087  
01:34:21,649 --> 01:34:17,460  
outside of Landers you're in giant rock

2088  
01:34:25,430 --> 01:34:21,659

which is once you get a mile away from

2089

01:34:29,030 --> 01:34:25,440

Landers there's no help no there is you

2090

01:34:32,450 --> 01:34:29,040

are in the desert that's right okay so

2091

01:34:35,270 --> 01:34:32,460

you've got this giant RV you get stuck

2092

01:34:37,490 --> 01:34:35,280

in the sand you can't move nobody's

2093

01:34:40,610 --> 01:34:37,500

coming to rescue you that's just scary

2094

01:34:44,030 --> 01:34:40,620

you are sleeping at night and something

2095

01:34:45,290 --> 01:34:44,040

is scratching the walls of the RV from

2096

01:34:47,750 --> 01:34:45,300

the outside yeah on the corner because

2097

01:34:49,910 --> 01:34:47,760

on the back the bed is actually on the

2098

01:34:53,090 --> 01:34:49,920

back side of the of the RV right yeah

2099

01:34:55,129 --> 01:34:53,100

and the parking the next to a corner so

2100

01:34:57,110 --> 01:34:55,139

I was leaving at night and I don't know

2101  
01:35:00,169 --> 01:34:57,120  
what Crossing it probably be my dream

2102  
01:35:02,510 --> 01:35:00,179  
probably I was just too too scary or

2103  
01:35:05,209 --> 01:35:02,520  
whatever I scare whatever because it's

2104  
01:35:07,250 --> 01:35:05,219  
stuck there right if I if the if the

2105  
01:35:09,830 --> 01:35:07,260  
vehicle is on move then something

2106  
01:35:12,770 --> 01:35:09,840  
happened again just drive away but don't

2107  
01:35:14,990 --> 01:35:12,780  
forget it's stuck and then I was stupid

2108  
01:35:17,750 --> 01:35:15,000  
enough I was stupid enough when they

2109  
01:35:19,970 --> 01:35:17,760  
stuck I keep on pressing on the paddle

2110  
01:35:22,129 --> 01:35:19,980  
and then this the wheels is actually

2111  
01:35:24,410 --> 01:35:22,139  
sing into the sand completely that's

2112  
01:35:26,270 --> 01:35:24,420  
what happens right yes so I won't be

2113  
01:35:26,930 --> 01:35:26,280

able to get out and then somebody caused

2114

01:35:31,669 --> 01:35:26,940

by

2115

01:35:34,310 --> 01:35:31,679

see what I can do but they never said

2116

01:35:35,810 --> 01:35:34,320

they really come back until one guy who

2117

01:35:37,250 --> 01:35:35,820

said I will come back tomorrow but you

2118

01:35:40,490 --> 01:35:37,260

have to spend the night in the desert

2119

01:35:42,470 --> 01:35:40,500

and I was like oh my God it was so dark

2120

01:35:44,990 --> 01:35:42,480

outside it was windy

2121

01:35:47,209 --> 01:35:45,000

and then the the vehicle is falling

2122

01:35:48,950 --> 01:35:47,219

apart you know the corners goes away the

2123

01:35:51,410 --> 01:35:48,960

window on the tops goes away I have to

2124

01:35:53,090 --> 01:35:51,420

climb up and seal the window by an

2125

01:35:55,669 --> 01:35:53,100

envelope or whatever and you're alone

2126

01:35:56,890 --> 01:35:55,679

Yeah by yourself and I feel like I'm in

2127

01:36:02,750 --> 01:35:56,900

Mars

2128

01:36:06,050 --> 01:36:02,760

and then no one can help you no one can

2129

01:36:07,490 --> 01:36:06,060

hear my screen if something happens and

2130

01:36:10,250 --> 01:36:07,500

then they're in the middle of the night

2131

01:36:12,169 --> 01:36:10,260

there's something scratching oh man the

2132

01:36:15,129 --> 01:36:12,179

corner of the are we and I was awake

2133

01:36:17,990 --> 01:36:15,139

okay were you were you scared of course

2134

01:36:19,970 --> 01:36:18,000

you're terrible of course I'm scared and

2135

01:36:21,770 --> 01:36:19,980

then I have to peel look out the window

2136

01:36:24,050 --> 01:36:21,780

and make sure there's nothing out there

2137

01:36:27,169 --> 01:36:24,060

and then open the other window and then

2138

01:36:29,450 --> 01:36:27,179

open the window all full size and I

2139

01:36:32,570 --> 01:36:29,460

checked there's nothing out there except

2140

01:36:34,729 --> 01:36:32,580

you can see the Moon the Moon shine on

2141

01:36:36,350 --> 01:36:34,739

the on the land and you saw it did you

2142

01:36:39,110 --> 01:36:36,360

have a flashlight I have a flashlight

2143

01:36:41,750 --> 01:36:39,120

and it took me like 15 minutes to skip

2144

01:36:42,830 --> 01:36:41,760

to strong enough to brave enough to open

2145

01:36:46,550 --> 01:36:42,840

the door and

2146

01:36:48,950 --> 01:36:46,560

peel out and I use my there's a lot I'm

2147

01:36:50,930 --> 01:36:48,960

lucky I've got extra flashlights if you

2148

01:36:52,850 --> 01:36:50,940

you want some for the no I and then I

2149

01:36:55,070 --> 01:36:52,860

brought two I brought two friends at

2150

01:36:56,750 --> 01:36:55,080

Jamie Church Fade to Black flashlight oh

2151

01:37:00,770 --> 01:36:56,760

really there you go okay this is more

2152

01:37:03,430 --> 01:37:00,780

important okay anyway then I have to

2153

01:37:06,169 --> 01:37:03,440

make sure someone's share my experience

2154

01:37:09,350 --> 01:37:06,179

so I but I'm lucky I got a pretty good

2155

01:37:11,570 --> 01:37:09,360

signal over there so I just live on

2156

01:37:15,169 --> 01:37:11,580

Facebook and turn on my flashlight and

2157

01:37:17,390 --> 01:37:15,179

show people how scary that is yes and

2158

01:37:19,490 --> 01:37:17,400

then I walk a corner I walk around with

2159

01:37:21,410 --> 01:37:19,500

the RV and my audience they don't open

2160

01:37:24,770 --> 01:37:21,420

the door don't get out go back to the

2161

01:37:27,350 --> 01:37:24,780

car I've seen this movie Chuck you never

2162

01:37:29,689 --> 01:37:27,360

get out of the RV yeah you don't do it

2163

01:37:32,149 --> 01:37:29,699

you stay in the RV but you went outside

2164

01:37:34,850 --> 01:37:32,159

I went outside I want to see it was

2165

01:37:36,950 --> 01:37:34,860

there any Footprints no no I'm alone

2166

01:37:39,950 --> 01:37:36,960

what the hell was scratching I didn't

2167

01:37:41,810 --> 01:37:39,960

know Papa be my dream I I would think I

2168

01:37:46,270 --> 01:37:41,820

would like to think that were there claw

2169

01:37:49,310 --> 01:37:46,280

marks no there will be lots of deposits

2170

01:37:51,649 --> 01:37:49,320

but I I scratch it anyway so I lost my

2171

01:37:54,890 --> 01:37:51,659

deposit anyway there's a big scratch on

2172

01:37:55,850 --> 01:37:54,900

the pawn on the corner but anyway

2173

01:37:58,610 --> 01:37:55,860

um

2174

01:38:00,890 --> 01:37:58,620

I was thinking the other day after I was

2175

01:38:02,750 --> 01:38:00,900

reskilled rescued from the sand and then

2176

01:38:05,030 --> 01:38:02,760

I parked somewhere next to the rocks and

2177

01:38:08,570 --> 01:38:05,040

I spent another two nights there because

2178

01:38:11,390 --> 01:38:08,580

it's so quiet so beautiful beautiful and

2179

01:38:14,149 --> 01:38:11,400

you see thousands billions of stars on

2180

01:38:17,930 --> 01:38:14,159

the sky and I was lucky enough because a

2181

01:38:20,149 --> 01:38:17,940

guy who saved me his name is Marlo and

2182

01:38:22,189 --> 01:38:20,159

he's from Canada he just drives six

2183

01:38:24,410 --> 01:38:22,199

months in the states and then go back to

2184

01:38:25,850 --> 01:38:24,420

Canada he's been doing that for seven

2185

01:38:27,649 --> 01:38:25,860

years

2186

01:38:30,229 --> 01:38:27,659

you got a big truck and we sit down

2187

01:38:33,050 --> 01:38:30,239

together next to the campfire and he

2188

01:38:35,750 --> 01:38:33,060

came he happens to be a very spiritual

2189

01:38:38,930 --> 01:38:35,760

person extremely spiritual and he

2190

01:38:40,610 --> 01:38:38,940

described Law of Attraction and the

2191

01:38:43,669 --> 01:38:40,620

relationship between Law of Attraction

2192

01:38:46,490 --> 01:38:43,679

and quantum entanglement wow think about

2193

01:38:49,189 --> 01:38:46,500

it this is crazy yeah that's awesome buy

2194

01:38:51,590 --> 01:38:49,199

a campfire under the stars at Giant Rock

2195

01:38:53,930 --> 01:38:51,600

that's right that's right that's that's

2196

01:38:56,030 --> 01:38:53,940

a very moving experience very very

2197

01:38:58,010 --> 01:38:56,040

spiritual and when we look up at the

2198

01:39:02,149 --> 01:38:58,020

star we look up the sky there's so many

2199

01:39:04,370 --> 01:39:02,159

things flying between Stars so many and

2200

01:39:06,229 --> 01:39:04,380

we sorted together uh with Naked Eyes

2201

01:39:08,990 --> 01:39:06,239

Naked Eyes that's because it's so bright

2202

01:39:10,910 --> 01:39:09,000

yeah but after late late minute like

2203

01:39:13,250 --> 01:39:10,920

after midnight that sun that the moon

2204

01:39:16,790 --> 01:39:13,260

comes up and then the star goes away and

2205

01:39:19,070 --> 01:39:16,800

then you see miles or miles of sand with

2206

01:39:21,590 --> 01:39:19,080

no one next to you you could have

2207

01:39:24,290 --> 01:39:21,600

walking naked in the desert and nobody

2208

01:39:27,709 --> 01:39:24,300

knows you can do whatever did you walk

2209

01:39:30,350 --> 01:39:27,719

naked in the desert no okay well next

2210

01:39:33,110 --> 01:39:30,360

time next time next time I've never done

2211

01:39:37,970 --> 01:39:33,120

it yeah I would freak the lizards out

2212

01:39:42,770 --> 01:39:37,980

they'd be like whoa put something on bro

2213

01:39:44,810 --> 01:39:42,780

man so um uh somebody just asked this is

2214

01:39:47,030 --> 01:39:44,820  
from Stargazer right

2215

01:39:49,970 --> 01:39:47,040  
um Jimmy please ask Chuck about pyramids

2216

01:39:51,110 --> 01:39:49,980  
in China and I think that that is a

2217

01:39:52,910 --> 01:39:51,120  
subject

2218

01:39:55,070 --> 01:39:52,920  
um again I don't want to get you in

2219

01:39:57,470 --> 01:39:55,080  
trouble but this I think that they're

2220

01:40:00,410 --> 01:39:57,480  
they're for some reason the Chinese

2221

01:40:03,470 --> 01:40:00,420  
government doesn't want the world to

2222

01:40:06,950 --> 01:40:03,480  
know about the pyramids that are all

2223

01:40:09,290 --> 01:40:06,960  
over China yeah giant humongous

2224

01:40:11,930 --> 01:40:09,300  
beautiful

2225

01:40:13,790 --> 01:40:11,940  
temples and and pyramids right there

2226

01:40:15,770 --> 01:40:13,800

there are a few when people ask me about

2227

01:40:18,830 --> 01:40:15,780

the pyramids in China I do a little

2228

01:40:20,870 --> 01:40:18,840

research I find out there are quite a

2229

01:40:22,790 --> 01:40:20,880

few of them there's quite a few yes

2230

01:40:24,850 --> 01:40:22,800

quite a few of them but I it seems like

2231

01:40:27,470 --> 01:40:24,860

the Government tried to

2232

01:40:31,370 --> 01:40:27,480

they really do try to cover that up

2233

01:40:33,709 --> 01:40:31,380

right they let the plans the trees are

2234

01:40:35,510 --> 01:40:33,719

all of they want if you look up if you

2235

01:40:37,189 --> 01:40:35,520

look up to the those shapes those

2236

01:40:40,250 --> 01:40:37,199

mountains right now these become an

2237

01:40:43,010 --> 01:40:40,260

ordinary mountains but probably like 30

2238

01:40:46,010 --> 01:40:43,020

years before there's those place you can

2239

01:40:48,830 --> 01:40:46,020

see the when the plant is still start to

2240

01:40:51,229 --> 01:40:48,840

growing when the plan not yet become a

2241

01:40:53,229 --> 01:40:51,239

forest on the top of the hill that you

2242

01:40:56,209 --> 01:40:53,239

can tell that it's a that's a pyramid

2243

01:40:58,189 --> 01:40:56,219

and then most of a lot of places they

2244

01:41:00,950 --> 01:40:58,199

have a structure they have fences you

2245

01:41:02,330 --> 01:41:00,960

know they're closing the area so nobody

2246

01:41:05,629 --> 01:41:02,340

can really

2247

01:41:09,169 --> 01:41:05,639

go go up to that place go nobody can

2248

01:41:11,930 --> 01:41:09,179

actually walk up to the pyramids

2249

01:41:15,410 --> 01:41:11,940

quite a few of them they're they're huge

2250

01:41:17,270 --> 01:41:15,420

they're huge the um uh there were some

2251

01:41:20,330 --> 01:41:17,280

scientists

2252

01:41:22,129 --> 01:41:20,340

um and and so forth uh from the United

2253

01:41:25,189 --> 01:41:22,139

States and around the world

2254

01:41:27,410 --> 01:41:25,199

um in the 40s and 50s that you know

2255

01:41:30,229 --> 01:41:27,420

still had access back in the day of

2256

01:41:33,110 --> 01:41:30,239

flying around China and and doing things

2257

01:41:34,609 --> 01:41:33,120

and and stuff and they see the pyramid

2258

01:41:36,890 --> 01:41:34,619

they're taking pictures out of the plane

2259

01:41:39,950 --> 01:41:36,900

Windows right right

2260

01:41:42,410 --> 01:41:39,960

and those those when you look at those

2261

01:41:44,030 --> 01:41:42,420

pictures today

2262

01:41:47,149 --> 01:41:44,040

um which are beautiful wonderful

2263

01:41:50,390 --> 01:41:47,159

pictures it's like the last time that

2264

01:41:54,890 --> 01:41:50,400

ever happened right then they clamped

2265

01:41:59,149 --> 01:41:54,900

that down and uh when when China did the

2266

01:42:00,169 --> 01:41:59,159

big reveal of I forget the the king uh

2267

01:42:03,830 --> 01:42:00,179

who's

2268

01:42:06,470 --> 01:42:03,840

uh what's that the king who built those

2269

01:42:11,169 --> 01:42:06,480

things the one with the Mercury pools

2270

01:42:17,270 --> 01:42:13,910

how beautiful that was in the Terracotta

2271

01:42:20,930 --> 01:42:17,280

Army and the and they publicized that

2272

01:42:23,689 --> 01:42:20,940

right and they did and those images and

2273

01:42:26,750 --> 01:42:23,699

when you stop and you think about how

2274

01:42:30,410 --> 01:42:26,760

big of a temple that was and and the

2275

01:42:33,169 --> 01:42:30,420

amount of effort that it takes to build

2276

01:42:35,990 --> 01:42:33,179

um and sculpt all of those terracotta

2277

01:42:38,209 --> 01:42:36,000

figures each one had its own face right

2278

01:42:39,530 --> 01:42:38,219

there weren't duplicates each one was

2279

01:42:41,149 --> 01:42:39,540

unique

2280

01:42:42,770 --> 01:42:41,159

um and it was an amazing Discovery

2281

01:42:44,570 --> 01:42:42,780

that's the last you ever heard of it

2282

01:42:46,310 --> 01:42:44,580

right I mean it was just like they just

2283

01:42:48,890 --> 01:42:46,320

clamped down I think they're still

2284

01:42:51,830 --> 01:42:48,900

they're still trying to take some more I

2285

01:42:53,930 --> 01:42:51,840

said what I can tell no from the some of

2286

01:42:55,910 --> 01:42:53,940

the information like three years ago I

2287

01:42:59,090 --> 01:42:55,920

think they would they never stopped

2288

01:43:03,050 --> 01:42:59,100

trying to dig something else from

2289

01:43:08,870 --> 01:43:03,060

the Terracotta grave area they try keep

2290

01:43:12,649 --> 01:43:08,880

on doing it they keep on finding new

2291

01:43:13,669 --> 01:43:12,659

uh new area under the ground right but

2292

01:43:23,689 --> 01:43:13,679

the

2293

01:43:25,729 --> 01:43:23,699

opened some little bit by a little bit

2294

01:43:27,890 --> 01:43:25,739

yeah a little little mentioned it you

2295

01:43:30,070 --> 01:43:27,900

can't do it you can't do it

2296

01:43:34,669 --> 01:43:30,080

um if those become archeologists right

2297

01:43:38,330 --> 01:43:34,679

is there is there I I don't want to

2298

01:43:41,510 --> 01:43:38,340

sound stupid here no but uh there there

2299

01:43:44,270 --> 01:43:41,520

must be tourism in China right I can go

2300

01:43:47,750 --> 01:43:44,280

to the Great Wall yes you can yeah right

2301

01:43:50,689 --> 01:43:47,760

they would let where else as a tourist

2302

01:43:53,629 --> 01:43:50,699

could I go in China

2303

01:43:56,689 --> 01:43:53,639

well I think you can go to most of the

2304

01:43:59,629 --> 01:43:56,699

place yes you can I mean that as a

2305

01:44:02,450 --> 01:43:59,639

tourist right you can go to you can go

2306

01:44:05,270 --> 01:44:02,460

to Great Wall you can go to quite a few

2307

01:44:08,510 --> 01:44:05,280

many places but you don't go to the

2308

01:44:10,490 --> 01:44:08,520

military facilities like

2309

01:44:13,189 --> 01:44:10,500

well I mean there are there are

2310

01:44:15,950 --> 01:44:13,199

facilities in over the place in China

2311

01:44:18,290 --> 01:44:15,960

and their military you have to have a

2312

01:44:20,270 --> 01:44:18,300

military currents to get in there right

2313

01:44:24,229 --> 01:44:20,280

but what about the pyramids can I see

2314

01:44:26,570 --> 01:44:24,239

those some of them you can yeah what I

2315

01:44:29,149 --> 01:44:26,580

can tell yeah probably one or two

2316

01:44:32,390 --> 01:44:29,159

pyramid you can get there like as a

2317

01:44:34,790 --> 01:44:32,400

tourist but I quite a lot of them which

2318

01:44:37,850 --> 01:44:34,800

is all sealed up right with fences and

2319

01:44:39,709 --> 01:44:37,860

you cannot get even close to that is

2320

01:44:42,890 --> 01:44:39,719

there now this is where you're going to

2321

01:44:45,229 --> 01:44:42,900

tell me you can't answer me so but is

2322

01:44:47,500 --> 01:44:45,239

there uh does does China have its own

2323

01:44:50,030 --> 01:44:47,510

Area 51

2324

01:44:53,090 --> 01:44:50,040

[Music]

2325

01:44:56,570 --> 01:44:53,100

I believe so I believe so they have a

2326

01:44:58,189 --> 01:44:56,580

quite a few military facilities which is

2327

01:45:01,609 --> 01:44:58,199

like the Air Force

2328

01:45:04,129 --> 01:45:01,619

facility but I'm not too sure

2329

01:45:06,050 --> 01:45:04,139

well because when when people who works

2330

01:45:08,149 --> 01:45:06,060

in the area 51 they can come out and

2331

01:45:10,729 --> 01:45:08,159

even though they're dangerous but they

2332

01:45:13,669 --> 01:45:10,739

still tell I used to work there I see

2333

01:45:16,310 --> 01:45:13,679

whatever under the ground I see aliens I

2334

01:45:18,470 --> 01:45:16,320

see that I saw the free craft throwing

2335

01:45:20,090 --> 01:45:18,480

holding hovering on the ground they

2336

01:45:22,609 --> 01:45:20,100

people can say it without getting in

2337

01:45:26,510 --> 01:45:22,619

trouble right what sort of travel right

2338

01:45:30,229 --> 01:45:26,520

but in China I don't hear anyone

2339

01:45:32,570 --> 01:45:30,239

who used to work in secret military base

2340

01:45:34,129 --> 01:45:32,580

for whatever purpose right right and

2341

01:45:35,990 --> 01:45:34,139

then come out and then tell I used to

2342

01:45:37,550 --> 01:45:36,000

work there no they don't it's not going

2343

01:45:39,530 --> 01:45:37,560

to happen it's not going to happen well

2344

01:45:41,510 --> 01:45:39,540

we even have

2345

01:45:44,810 --> 01:45:41,520

um not to that degree but we have the

2346

01:45:45,370 --> 01:45:44,820

same issues here in the United States

2347

01:45:49,669 --> 01:45:45,380

um

2348

01:45:51,470 --> 01:45:49,679

right well yeah well see and that that's

2349

01:45:55,669 --> 01:45:51,480

a great Point

2350

01:45:58,609 --> 01:45:55,679

um even with Area 51 Groom Lake it's not

2351  
01:46:00,410 --> 01:45:58,619  
like there there are tens of thousands

2352  
01:46:04,250 --> 01:46:00,420  
of people that have worked there right

2353  
01:46:06,470 --> 01:46:04,260  
of mere handful have come out and talked

2354  
01:46:10,370 --> 01:46:06,480  
about it most don't

2355  
01:46:13,070 --> 01:46:10,380  
um right here in in my community where

2356  
01:46:15,050 --> 01:46:13,080  
all of these uh extremely sensitive

2357  
01:46:17,810 --> 01:46:15,060  
areas which are right up the street and

2358  
01:46:21,350 --> 01:46:17,820  
it is Air Force plan 42 in NASA Northrop

2359  
01:46:24,050 --> 01:46:21,360  
Grumman and Lockheed those facilities

2360  
01:46:24,970 --> 01:46:24,060  
are right there people won't talk about

2361  
01:46:27,770 --> 01:46:24,980  
that

2362  
01:46:29,450 --> 01:46:27,780  
the Edwards Air Force Base right at the

2363  
01:46:31,970 --> 01:46:29,460

street right right that's a testing

2364

01:46:35,030 --> 01:46:31,980

center it's a test center right right

2365

01:46:37,010 --> 01:46:35,040

they're not walking around talking about

2366

01:46:41,689 --> 01:46:37,020

what's going on there

2367

01:46:45,530 --> 01:46:41,699

um no and so if we have those same you

2368

01:46:48,290 --> 01:46:45,540

know layers of protection of of you know

2369

01:46:51,109 --> 01:46:48,300

secrecy and and what goes on there right

2370

01:46:52,490 --> 01:46:51,119

um it's got to be way worse in China I

2371

01:46:54,950 --> 01:46:52,500

mean if we have difficulty getting

2372

01:46:57,410 --> 01:46:54,960

information here that's true and in

2373

01:46:59,450 --> 01:46:57,420

China it's got to be just the same just

2374

01:47:02,270 --> 01:46:59,460

much more difficult yeah but think about

2375

01:47:03,830 --> 01:47:02,280

it that's how many UFO ufologists in the

2376

01:47:06,169 --> 01:47:03,840

states how many people who talks about

2377

01:47:09,770 --> 01:47:06,179

UFOs talks about Area 51 in the states

2378

01:47:13,129 --> 01:47:09,780

and no one just disappeared right that

2379

01:47:15,709 --> 01:47:13,139

we know of we know often right you and I

2380

01:47:18,250 --> 01:47:15,719

you and I have about 15 more minutes of

2381

01:47:22,070 --> 01:47:18,260

Freedom okay that's it

2382

01:47:25,910 --> 01:47:22,080

will be disappeared tonight after the

2383

01:47:28,910 --> 01:47:25,920

show after the show I had um so when I

2384

01:47:31,070 --> 01:47:28,920

stopped doing even though I have

2385

01:47:33,709 --> 01:47:31,080

diarrhea of the mouth man I love telling

2386

01:47:36,470 --> 01:47:33,719

stories I do I love telling stories I

2387

01:47:39,709 --> 01:47:36,480

see stuff out here all the time right

2388

01:47:43,550 --> 01:47:39,719

don't jump on the air and go I saw this

2389

01:47:48,129 --> 01:47:43,560

today I took this picture I'm posting

2390

01:47:53,030 --> 01:47:48,139

this on on no I do not do that right um

2391

01:47:55,070 --> 01:47:53,040

it's not cool it's not there are uh you

2392

01:47:59,270 --> 01:47:55,080

know there are things there are lives

2393

01:48:01,129 --> 01:47:59,280

jobs careers people things and there is

2394

01:48:03,350 --> 01:48:01,139

a way of life out here that needs

2395

01:48:06,229 --> 01:48:03,360

there's a zone that needs to be

2396

01:48:10,250 --> 01:48:06,239

respected it just it just has to be that

2397

01:48:13,910 --> 01:48:10,260

way you know so no I'm not going to do

2398

01:48:18,109 --> 01:48:13,920

that but I have seen some crazy some

2399

01:48:21,950 --> 01:48:18,119

crazy ass [h\_\_\h] out here one of the um

2400

01:48:24,229 --> 01:48:21,960

one of the craziest things Chuck when I

2401

01:48:27,229 --> 01:48:24,239

was out here looking for a house and now

2402

01:48:29,030 --> 01:48:27,239

I told the story many times but I don't

2403

01:48:31,729 --> 01:48:29,040

know if you've heard it so I'm going to

2404

01:48:33,950 --> 01:48:31,739

tell the short version right so

2405

01:48:37,370 --> 01:48:33,960

um I hadn't moved here yet and I was

2406

01:48:40,430 --> 01:48:37,380

meeting my uh real estate agent to to

2407

01:48:43,609 --> 01:48:40,440

look at property right and I'm staying

2408

01:48:47,209 --> 01:48:43,619

at a hotel just north of here

2409

01:48:50,510 --> 01:48:47,219

and so I I get up it's about 10 o'clock

2410

01:48:54,169 --> 01:48:50,520

at night and I just feel the urge

2411

01:48:56,629 --> 01:48:54,179

for in and out burger right okay have

2412

01:48:58,970 --> 01:48:56,639

you done that yet uh yes okay pretty

2413

01:49:01,370 --> 01:48:58,980

incredible isn't it very it is it's

2414

01:49:04,250 --> 01:49:01,380

incredible right that's true okay I had

2415

01:49:06,950 --> 01:49:04,260

that urge and when when that gets here

2416

01:49:08,870 --> 01:49:06,960

nothing else is gonna do except for an

2417

01:49:11,030 --> 01:49:08,880

in and out burger right so it's 10

2418

01:49:12,530 --> 01:49:11,040

o'clock at night I come out and and I'm

2419

01:49:15,669 --> 01:49:12,540

standing in front of I'm walking over to

2420

01:49:18,729 --> 01:49:15,679

the Jeep and at that moment I went man

2421

01:49:21,530 --> 01:49:18,739

Edwards is right there

2422

01:49:23,689 --> 01:49:21,540

it's right there

2423

01:49:27,229 --> 01:49:23,699

I'm going to Edwards so I jump in the

2424

01:49:30,410 --> 01:49:27,239

Jeep get the GPS out and and I and I'd

2425

01:49:32,570 --> 01:49:30,420

find a road and I and I'm south of the

2426

01:49:35,209 --> 01:49:32,580

base the closest road I can get to the

2427

01:49:36,890 --> 01:49:35,219

base I didn't realize at that point that

2428

01:49:39,590 --> 01:49:36,900

I was in the middle of the desert I

2429

01:49:40,609 --> 01:49:39,600

didn't know it was at night so I drive

2430

01:49:45,290 --> 01:49:40,619

out

2431

01:49:48,109 --> 01:49:45,300

base I pull over on this road and I just

2432

01:49:49,609 --> 01:49:48,119

go across the street and uh I'm in the

2433

01:49:51,649 --> 01:49:49,619

middle of nowhere

2434

01:49:54,169 --> 01:49:51,659

um and I'm just looking at Edwards I can

2435

01:49:56,390 --> 01:49:54,179

see all the lights you know out it's a

2436

01:49:59,030 --> 01:49:56,400

couple of miles away and it's twinkling

2437

01:50:01,430 --> 01:49:59,040

and stuff and right above it it's just

2438

01:50:03,550 --> 01:50:01,440

black sky and and all of a sudden this

2439

01:50:08,090 --> 01:50:03,560

thing goes

2440

01:50:11,750 --> 01:50:08,100

this ring of Lights I was like what a

2441

01:50:14,570 --> 01:50:11,760

ring of like nah and before uh before it

2442

01:50:16,270 --> 01:50:14,580

did that it was like staticky I I don't

2443

01:50:18,470 --> 01:50:16,280

know how to explain it it was like

2444

01:50:22,010 --> 01:50:18,480

static on a TV

2445

01:50:24,290 --> 01:50:22,020

in in this area and uh and then it goes

2446

01:50:26,149 --> 01:50:24,300

I went what

2447

01:50:27,770 --> 01:50:26,159

that's why I'm standing there was like a

2448

01:50:30,050 --> 01:50:27,780

couple of minutes later or a minute

2449

01:50:32,149 --> 01:50:30,060

later two minutes later I'm just like

2450

01:50:35,330 --> 01:50:32,159

and it does it again it's go staticky

2451

01:50:37,490 --> 01:50:35,340

it's in the black Sky static in them I

2452

01:50:40,850 --> 01:50:37,500

was like get out of take out my phone

2453

01:50:42,950 --> 01:50:40,860

I'm freaking I get my phone on video I'm

2454

01:50:44,990 --> 01:50:42,960

ready to go no and that was it that was

2455

01:50:46,490 --> 01:50:45,000

all that and so I I wait for like 20

2456

01:50:48,530 --> 01:50:46,500

minutes I get back in the Jeep I'm

2457

01:50:51,470 --> 01:50:48,540

driving back and what I'm thinking about

2458

01:50:56,030 --> 01:50:51,480

on the drive back

2459

01:50:59,629 --> 01:50:56,040

um was it must have been like lights on

2460

01:51:01,790 --> 01:50:59,639

top of a tower for the aircraft warning

2461

01:51:04,070 --> 01:51:01,800

lights on a radio tower it must have

2462

01:51:07,970 --> 01:51:04,080

been that you know I wasn't thinking

2463

01:51:10,430 --> 01:51:07,980

UFOs no so I drive drive back to the

2464

01:51:12,890 --> 01:51:10,440

hotel I I get up the next day

2465

01:51:18,709 --> 01:51:12,900

and uh didn't really think a whole lot

2466

01:51:20,090 --> 01:51:18,719

about it uh I wasn't thinking E.T yet so

2467

01:51:22,910 --> 01:51:20,100

um the next morning I get up I have

2468

01:51:24,169 --> 01:51:22,920

breakfast and and I went out

2469

01:51:26,209 --> 01:51:24,179

um standing in the parking lot there's

2470

01:51:28,189 --> 01:51:26,219

my Jeep and I'm looking oh man that

2471

01:51:33,370 --> 01:51:28,199

thing last night

2472

01:51:39,410 --> 01:51:36,770

in the morning drive back I got my GPS I

2473

01:51:42,530 --> 01:51:39,420

go back and I pull up to where I I found

2474

01:51:44,870 --> 01:51:42,540

my tire tracks in the dirt right I pull

2475

01:51:47,390 --> 01:51:44,880

over I go across the street I see my

2476  
01:51:50,209 --> 01:51:47,400  
footprints in the dirt from the night

2477  
01:51:51,709 --> 01:51:50,219  
before and I look up and I see Edwards

2478  
01:51:54,410 --> 01:51:51,719  
except

2479  
01:51:56,770 --> 01:51:54,420  
there was nothing in in the sky there's

2480  
01:51:59,270 --> 01:51:56,780  
no no no no no no no no no no no no

2481  
01:52:02,629 --> 01:51:59,280  
that was kind of I mean there were

2482  
01:52:05,689 --> 01:52:02,639  
Towers there I went back maybe a month

2483  
01:52:08,270 --> 01:52:05,699  
later with with somebody uh went back to

2484  
01:52:10,550 --> 01:52:08,280  
that same spot and I was trying to

2485  
01:52:12,890 --> 01:52:10,560  
describe to them what I had seen and

2486  
01:52:16,850 --> 01:52:12,900  
even when um I went back that second

2487  
01:52:18,530 --> 01:52:16,860  
time it even seemed lower right the

2488  
01:52:20,510 --> 01:52:18,540

second time that I went back but anyway

2489

01:52:21,530 --> 01:52:20,520

above it it was just the mountains and

2490

01:52:24,109 --> 01:52:21,540

blue sky

2491

01:52:26,149 --> 01:52:24,119

so and I'm standing there picturing

2492

01:52:28,310 --> 01:52:26,159

where it was in the sky the night before

2493

01:52:30,590 --> 01:52:28,320

and it was just it was up in the sky

2494

01:52:33,830 --> 01:52:30,600

yeah so what was it I don't know

2495

01:52:35,870 --> 01:52:33,840

well yeah I remember when I one of the

2496

01:52:39,070 --> 01:52:35,880

one of the sighting I have is in the

2497

01:52:42,470 --> 01:52:39,080

easy to rank right uh James

2498

01:52:44,090 --> 01:52:42,480

I went up to make a documentary for

2499

01:52:48,770 --> 01:52:44,100

local TV

2500

01:52:51,290 --> 01:52:48,780

um back to 2000 18 I guess so we went up

2501

01:52:54,050 --> 01:52:51,300

there it's pretty cold really pretty it

2502

01:52:55,729 --> 01:52:54,060

was close to winter so it's really cold

2503

01:52:58,129 --> 01:52:55,739

up back there

2504

01:53:00,709 --> 01:52:58,139

um and I go up there with um one of the

2505

01:53:03,470 --> 01:53:00,719

copywriter in the team in the crew and

2506

01:53:05,330 --> 01:53:03,480

she doesn't believe in UFO at all even

2507

01:53:07,970 --> 01:53:05,340

she took this job she do all this

2508

01:53:10,250 --> 01:53:07,980

writing but she doesn't believe in it at

2509

01:53:11,149 --> 01:53:10,260

all okay so she's the first one to go to

2510

01:53:13,070 --> 01:53:11,159

the bed

2511

01:53:15,649 --> 01:53:13,080

and she doesn't want to spend time

2512

01:53:19,189 --> 01:53:15,659

outside watching this guy

2513

01:53:21,890 --> 01:53:19,199

but when we get there and she suddenly

2514

01:53:23,390 --> 01:53:21,900

just poked me on the shoulder and say

2515

01:53:26,570 --> 01:53:23,400

hey Chuck what do you say what is that

2516

01:53:28,970 --> 01:53:26,580

thing on the on this guy there's a red

2517

01:53:31,550 --> 01:53:28,980

lights like uh

2518

01:53:33,410 --> 01:53:31,560

I I would say in the first sight I

2519

01:53:36,050 --> 01:53:33,420

thought that it's the plane but there's

2520

01:53:38,270 --> 01:53:36,060

no blinking light and we both look at

2521

01:53:42,229 --> 01:53:38,280

the same thing together

2522

01:53:44,810 --> 01:53:42,239

and that light which is like uh how do I

2523

01:53:48,410 --> 01:53:44,820

explain it was like white in the middle

2524

01:53:50,510 --> 01:53:48,420

but surrounded is red like like you like

2525

01:53:53,030 --> 01:53:50,520

the Darth Vader's lightsaber right the

2526

01:53:56,149 --> 01:53:53,040

lightsaber it is white in the middle but

2527

01:53:59,090 --> 01:53:56,159

surrounded by Red like it's just stuck

2528

01:54:01,669 --> 01:53:59,100

there you just stay stable in this in

2529

01:54:05,149 --> 01:54:01,679

the sky without moving but all of a

2530

01:54:09,050 --> 01:54:05,159

sudden you start moving forwards slowly

2531

01:54:10,550 --> 01:54:09,060

and then all of a sudden it was like

2532

01:54:13,550 --> 01:54:10,560

and then it's gone

2533

01:54:15,830 --> 01:54:13,560

when you start due to sit sex and me and

2534

01:54:18,350 --> 01:54:15,840

the corporator was like oh God what is

2535

01:54:21,109 --> 01:54:18,360

that and then after that she realized

2536

01:54:24,350 --> 01:54:21,119

that's the real UFO sighting and then

2537

01:54:26,870 --> 01:54:24,360

she became really interested

2538

01:54:29,090 --> 01:54:26,880

after everybody goes and she stayed

2539

01:54:31,310 --> 01:54:29,100

outside no you saw this yourself I saw

2540

01:54:34,970 --> 01:54:31,320

it myself I started to get it with her

2541

01:54:37,669 --> 01:54:34,980

and the zigzag when that happens

2542

01:54:39,770 --> 01:54:37,679

um I've only seen like the real zigzag

2543

01:54:42,590 --> 01:54:39,780

one time right

2544

01:54:45,530 --> 01:54:42,600

um that changes things yes that changes

2545

01:54:47,810 --> 01:54:45,540

things well in straight line this at

2546

01:54:50,750 --> 01:54:47,820

night you know okay could be anything

2547

01:54:53,149 --> 01:54:50,760

fun to look at I love it no question

2548

01:54:55,010 --> 01:54:53,159

about it but the six actors when we're

2549

01:54:57,050 --> 01:54:55,020

done tonight we're gonna go

2550

01:54:59,330 --> 01:54:57,060

um we're gonna go out uh I've got a

2551  
01:55:01,609 --> 01:54:59,340  
couple pairs of night vision uh goggles

2552  
01:55:03,890 --> 01:55:01,619  
and uh we're gonna go outside and and

2553  
01:55:07,310 --> 01:55:03,900  
see what we can see but but things in a

2554  
01:55:09,109 --> 01:55:07,320  
straight line fun I love it right you

2555  
01:55:12,250 --> 01:55:09,119  
don't see it without it you see it with

2556  
01:55:14,689 --> 01:55:12,260  
it cool we need to see something zigzag

2557  
01:55:16,970 --> 01:55:14,699  
that's a game changer that is a new

2558  
01:55:19,250 --> 01:55:16,980  
thing I mean you know nothing can fly

2559  
01:55:21,649 --> 01:55:19,260  
like that because it was so fast when

2560  
01:55:23,689 --> 01:55:21,659  
they do the Sip sack right you're

2561  
01:55:25,550 --> 01:55:23,699  
talking about miles away on the sky

2562  
01:55:27,890 --> 01:55:25,560  
right it was like

2563  
01:55:30,050 --> 01:55:27,900

yep and then it goes this out

2564

01:55:33,109 --> 01:55:30,060

disappeared but no sound silence

2565

01:55:35,209 --> 01:55:33,119

completely it was like oh my God I mean

2566

01:55:37,490 --> 01:55:35,219

there's nothing you can explain look at

2567

01:55:40,729 --> 01:55:37,500

look at this comment here right

2568

01:55:44,209 --> 01:55:40,739

it can be justified until zigzags that's

2569

01:55:46,609 --> 01:55:44,219

exactly right that's exact 100 when you

2570

01:55:50,090 --> 01:55:46,619

see something goes this isn't it it's

2571

01:55:52,310 --> 01:55:50,100

like wait a minute and and when we are

2572

01:55:54,590 --> 01:55:52,320

the the point that you just made is the

2573

01:55:57,470 --> 01:55:54,600

best one we're talking about big chunks

2574

01:56:01,870 --> 01:55:57,480

of Sky we're talking about mild these

2575

01:56:05,209 --> 01:56:01,880

zigzags are mile long zigzags miles long

2576  
01:56:07,790 --> 01:56:05,219  
zigzags that happen in an instant think

2577  
01:56:09,169 --> 01:56:07,800  
about it it do 6X and then it goes

2578  
01:56:10,850 --> 01:56:09,179  
straight and it disappears and when

2579  
01:56:13,129 --> 01:56:10,860  
everything happens in one second what

2580  
01:56:15,530 --> 01:56:13,139  
does that do with g-forces right what

2581  
01:56:18,229 --> 01:56:15,540  
are we talking about a hundred times the

2582  
01:56:22,430 --> 01:56:18,239  
amount of g-forces that that we normally

2583  
01:56:26,390 --> 01:56:22,440  
encounter that would crush bones

2584  
01:56:28,430 --> 01:56:26,400  
right that would crush us yeah and you

2585  
01:56:31,609 --> 01:56:28,440  
can't breathe in there your blood was

2586  
01:56:33,890 --> 01:56:31,619  
nothing in the middle everywhere your

2587  
01:56:36,950 --> 01:56:33,900  
blood would boil and you're completely

2588  
01:56:38,810 --> 01:56:36,960

our function so so what would explain

2589

01:56:42,050 --> 01:56:38,820

that so are we talking about something

2590

01:56:45,470 --> 01:56:42,060

that's pilotless or that they have a way

2591

01:56:48,410 --> 01:56:45,480

to control the effects of gravity on the

2592

01:56:50,570 --> 01:56:48,420

inside I think I think they have a good

2593

01:56:53,149 --> 01:56:50,580

control under Gravity look at that we

2594

01:56:55,490 --> 01:56:53,159

have drones all these days they don't

2595

01:56:57,649 --> 01:56:55,500

have Pilots right but we don't have a

2596

01:56:59,270 --> 01:56:57,659

drone that can do sip sack like this no

2597

01:57:02,209 --> 01:56:59,280

we don't we don't no because they're

2598

01:57:04,189 --> 01:57:02,219

flying with the air yes right but what

2599

01:57:07,070 --> 01:57:04,199

we know about the

2600

01:57:09,290 --> 01:57:07,080

flying saucers or an unidentified flying

2601  
01:57:11,750 --> 01:57:09,300  
objects they're not flying with hot air

2602  
01:57:14,030 --> 01:57:11,760  
they're not flying with engine they're

2603  
01:57:16,129 --> 01:57:14,040  
flying with problems and they have to

2604  
01:57:20,570 --> 01:57:16,139  
have yeah check they have to have a way

2605  
01:57:22,430 --> 01:57:20,580  
to control the environment inside where

2606  
01:57:25,129 --> 01:57:22,440  
we're not being thrown around right

2607  
01:57:27,470 --> 01:57:25,139  
we're not feeling that that's true right

2608  
01:57:29,689 --> 01:57:27,480  
that's true but what if they have uh

2609  
01:57:32,089 --> 01:57:29,699  
something like uh what what how do I

2610  
01:57:35,510 --> 01:57:32,099  
explain how something like a mouse or

2611  
01:57:38,089 --> 01:57:35,520  
like a trackball you can easily to turn

2612  
01:57:40,490 --> 01:57:38,099  
directions into it right right but even

2613  
01:57:42,589 --> 01:57:40,500

it depends on how the entities are the

2614

01:57:44,990 --> 01:57:42,599

people who are driving it how how can

2615

01:57:46,970 --> 01:57:45,000

they survive in such a G-Force right

2616

01:57:48,169 --> 01:57:46,980

right so that's why people think they

2617

01:57:50,870 --> 01:57:48,179

may be

2618

01:57:52,430 --> 01:57:50,880

something from The Other Place something

2619

01:57:54,109 --> 01:57:52,440

not human

2620

01:57:56,270 --> 01:57:54,119

what about

2621

01:57:58,070 --> 01:57:56,280

um uh we're at the End plus we're going

2622

01:58:00,470 --> 01:57:58,080

to go Sky watching right now we've got

2623

01:58:02,750 --> 01:58:00,480

some stuff that we're going to go and do

2624

01:58:05,330 --> 01:58:02,760

um great conversation tonight how do you

2625

01:58:07,250 --> 01:58:05,340

uh one last question how do you think

2626

01:58:10,010 --> 01:58:07,260

that they're getting from here or from

2627

01:58:12,350 --> 01:58:10,020

there to here I

2628

01:58:15,410 --> 01:58:12,360

I truly don't believe they are coming

2629

01:58:17,089 --> 01:58:15,420

from the others yet a planet or maybe

2630

01:58:20,330 --> 01:58:17,099

they come from the other planets but

2631

01:58:22,129 --> 01:58:20,340

they're not flying such a distance from

2632

01:58:25,189 --> 01:58:22,139

this planet to

2633

01:58:28,790 --> 01:58:25,199

the planet Earth they could be

2634

01:58:32,089 --> 01:58:28,800

probably a wormhole probably things that

2635

01:58:33,169 --> 01:58:32,099

can transfer between Dimension and just

2636

01:58:34,910 --> 01:58:33,179

get here

2637

01:58:36,709 --> 01:58:34,920

right don't forget there are so many

2638

01:58:40,850 --> 01:58:36,719

sightings they just disappear like this

2639

01:58:41,870 --> 01:58:40,860

they're not flying away with very fast

2640

01:58:44,030 --> 01:58:41,880

speed

2641

01:58:45,890 --> 01:58:44,040

they would just disappear like you turn

2642

01:58:48,109 --> 01:58:45,900

off the light something like that there

2643

01:58:50,030 --> 01:58:48,119

are people telling me I saw this graph

2644

01:58:51,589 --> 01:58:50,040

but they just disappear like blinking

2645

01:58:53,930 --> 01:58:51,599

your eyes and then it's gone

2646

01:58:57,169 --> 01:58:53,940

how do you explain that yes well you

2647

01:58:59,950 --> 01:58:57,179

know I don't want to uh go to fully

2648

01:59:05,270 --> 01:58:59,960

sci-fi here but I am

2649

01:59:09,290 --> 01:59:05,280

the idea uh the concept of Stargate

2650

01:59:11,570 --> 01:59:09,300

right where you're taking one step right

2651

01:59:14,930 --> 01:59:11,580

one step you're here

2652

01:59:18,050 --> 01:59:14,940

The Next Step you're there right

2653

01:59:20,629 --> 01:59:18,060

that's it that's it that's it a step

2654

01:59:24,350 --> 01:59:20,639

just test them and that's what a craft

2655

01:59:26,270 --> 01:59:24,360

could be doing it's not it's it's just

2656

01:59:29,089 --> 01:59:26,280

right and that that's it it's over

2657

01:59:31,910 --> 01:59:29,099

that's true don't forget uh like months

2658

01:59:34,669 --> 01:59:31,920

ago the scientists successfully to make

2659

01:59:36,649 --> 01:59:34,679

a wormhole that's right on the the

2660

01:59:38,589 --> 01:59:36,659

quantum computer right yeah the other

2661

01:59:42,470 --> 01:59:38,599

another press release happened today

2662

01:59:44,750 --> 01:59:42,480

another uh a different University

2663

01:59:46,430 --> 01:59:44,760

different set of physicist system

2664

01:59:49,010 --> 01:59:46,440

researchers

2665

01:59:51,050 --> 01:59:49,020

um the same thing practical uh with with

2666

01:59:53,990 --> 01:59:51,060

a quantum computer

2667

01:59:57,410 --> 01:59:54,000

um and you know how they worded it Chuck

2668

02:00:00,350 --> 01:59:57,420

he said and I have it right here check

2669

02:00:02,810 --> 02:00:00,360

this out okay I have it right here

2670

02:00:05,870 --> 02:00:02,820

see Chuck I have technology are you

2671

02:00:07,490 --> 02:00:05,880

impressed are you impressed is is this

2672

02:00:12,169 --> 02:00:07,500

is pretty impressive isn't it oh yes

2673

02:00:12,950 --> 02:00:12,179

this is pretty dang impressive okay

2674

02:00:17,149 --> 02:00:12,960

um

2675

02:00:19,609 --> 02:00:17,159

breakthrough pays the way for the

2676  
02:00:21,169 --> 02:00:19,619  
world's first experimental Wormhole The

2677  
02:00:24,950 --> 02:00:21,179  
Invention by University of Bristol

2678  
02:00:27,589 --> 02:00:24,960  
physicist hot team Sali who gave he's

2679  
02:00:30,290 --> 02:00:27,599  
calling it counterportation not

2680  
02:00:33,169 --> 02:00:30,300  
teleportation provides the first ever

2681  
02:00:36,010 --> 02:00:33,179  
practical blueprint for creating in the

2682  
02:00:39,530 --> 02:00:36,020  
lab a wormhole that can verifiably

2683  
02:00:41,570 --> 02:00:39,540  
Bridges Space by deploying a novel

2684  
02:00:43,669 --> 02:00:41,580  
Computing scheme revealed in the journal

2685  
02:00:46,430 --> 02:00:43,679  
Quantum Science and Technology this was

2686  
02:00:50,770 --> 02:00:46,440  
today which harnesses the basic law of

2687  
02:00:55,070 --> 02:00:50,780  
physics okay a small object can be

2688  
02:00:58,910 --> 02:00:55,080

reconstituted across space without any

2689

02:01:02,209 --> 02:00:58,920

particles Crossing so you're not moving

2690

02:01:05,209 --> 02:01:02,219

you're just going pop up and then it

2691

02:01:06,890 --> 02:01:05,219

goes yeah uh study author hatina

2692

02:01:08,270 --> 02:01:06,900

honorary research fellow at the

2693

02:01:10,970 --> 02:01:08,280

University of quantum engineering

2694

02:01:13,850 --> 02:01:10,980

technology qet Labs co-founder of his

2695

02:01:15,890 --> 02:01:13,860

startup Quantum said this is a milestone

2696

02:01:18,950 --> 02:01:15,900

we have been working towards for a bunch

2697

02:01:22,370 --> 02:01:18,960

of years it provides a theoretical as

2698

02:01:25,910 --> 02:01:22,380

well as practical framework for the true

2699

02:01:27,950 --> 02:01:25,920

nature of space-time so we're right

2700

02:01:29,450 --> 02:01:27,960

there right and so

2701  
02:01:32,209 --> 02:01:29,460  
um imagine where we're going to be with

2702  
02:01:34,629 --> 02:01:32,219  
wormholes in 10 years 20 years 30 years

2703  
02:01:37,850 --> 02:01:34,639  
40 years 50 years well what about ET

2704  
02:01:40,070 --> 02:01:37,860  
that's a billion years in front of us

2705  
02:01:42,589 --> 02:01:40,080  
they can definitely easy to come here

2706  
02:01:45,350 --> 02:01:42,599  
they're just taking that step that's

2707  
02:01:47,990 --> 02:01:45,360  
true just like you getting that in and

2708  
02:01:50,629 --> 02:01:48,000  
out burger it's that easy

2709  
02:01:53,030 --> 02:01:50,639  
right yeah it's really that easy yeah I

2710  
02:01:55,149 --> 02:01:53,040  
yeah that's true it's so easy to get

2711  
02:01:58,070 --> 02:01:55,159  
here if we know the technology we can

2712  
02:02:00,589 --> 02:01:58,080  
probably we can do the same

2713  
02:02:02,649 --> 02:02:00,599

right but this technology made this

2714

02:02:06,649 --> 02:02:02,659

Wormhole may not

2715

02:02:09,470 --> 02:02:06,659

what I have in mind is this Wormhole may

2716

02:02:10,669 --> 02:02:09,480

not be created by technology that could

2717

02:02:13,669 --> 02:02:10,679

be

2718

02:02:15,649 --> 02:02:13,679

in natural yeah yeah that's why I'm so

2719

02:02:18,770 --> 02:02:15,659

worried to get lost and become one of

2720

02:02:22,490 --> 02:02:18,780

the 4-1-1 missing person in giant rock

2721

02:02:26,109 --> 02:02:22,500

when I was alone and nobody around me

2722

02:02:28,609 --> 02:02:26,119

and you show up uh in Zeta reticuli

2723

02:02:32,089 --> 02:02:28,619

that's true you just drive through it

2724

02:02:34,189 --> 02:02:32,099

hey man thank you for traveling uh the

2725

02:02:35,390 --> 02:02:34,199

universe from Hong Kong thank you I've

2726

02:02:37,609 --> 02:02:35,400

been hanging out with me here in the

2727

02:02:39,169 --> 02:02:37,619

bunker thank you for having me what a

2728

02:02:40,910 --> 02:02:39,179

great special night it's an honor and a

2729

02:02:44,450 --> 02:02:40,920

privilege to have Chuck Fay here with us

2730

02:02:47,750 --> 02:02:44,460

uh his website mj13 it is the link for

2731

02:02:50,330 --> 02:02:47,760

it is below and if you speak Mandarin uh

2732

02:02:52,490 --> 02:02:50,340

your Cantonese isn't it the same thing

2733

02:02:56,350 --> 02:02:52,500

no you've told me four times tonight

2734

02:03:00,169 --> 02:02:56,360

it's not in Cantonese we say doje

2735

02:03:02,089 --> 02:03:00,179

in Mandarin we say how do you say Fade

2736

02:03:15,189 --> 02:03:02,099

to Black in Cantonese

2737

02:03:20,510 --> 02:03:17,930

hey Chuck I don't I'm sure you won't

2738

02:03:23,390 --> 02:03:20,520

remember next time I see you I I forgot

2739

02:03:26,330 --> 02:03:23,400

already hey Chuck let's go let's go uh

2740

02:03:28,310 --> 02:03:26,340

let's go Skywatch are you ready Cool all

2741

02:03:30,350 --> 02:03:28,320

right everybody have a great night thank

2742

02:03:32,209 --> 02:03:30,360

you uh what what am I doing tomorrow on

2743

02:03:35,570 --> 02:03:32,219

the show oh I've got Ronnie LeBlanc

2744

02:03:39,830 --> 02:03:35,580

tomorrow night is Bigfoot so I will see

2745

02:03:41,689 --> 02:03:39,840

everybody tomorrow and and so Chuck uh I

2746

02:03:43,910 --> 02:03:41,699

can't miss that because the quick this

2747

02:03:47,870 --> 02:03:43,920

Bigfoot screaming at me in easy to

2748

02:03:51,290 --> 02:03:47,880

wrench I'm sure I'm serious I'm scared

2749

02:03:53,290 --> 02:03:51,300

of how I do hey Chuck yes help me read

2750

02:03:55,790 --> 02:03:53,300

the credits okay

2751  
02:03:58,010 --> 02:03:55,800  
yeah you want to help me no no I cannot

2752  
02:04:00,350 --> 02:03:58,020  
do it I cannot do it why not no I'm

2753  
02:04:03,290 --> 02:04:00,360  
dyslexic are you scared go ahead yes I

2754  
02:04:06,169 --> 02:04:03,300  
am go ahead shark face Chuck face scared

2755  
02:04:10,010 --> 02:04:06,179  
he's the Jimmy Church of Hong Kong

2756  
02:04:11,990 --> 02:04:10,020  
and and cannot read my credits Okay so

2757  
02:04:14,870 --> 02:04:12,000  
say this right here okay Fade to Black

2758  
02:04:17,930 --> 02:04:14,880  
is produced by Hilton J palm and Renny

2759  
02:04:21,649 --> 02:04:17,940  
thank you to Dennis and Kelvin webmaster

2760  
02:04:26,450 --> 02:04:21,659  
is Drew the Greek music by Joe

2761  
02:04:30,229 --> 02:04:26,460  
Andre Intro by spaceboymusic.com Fade to

2762  
02:04:32,810 --> 02:04:30,239  
practice produced by J kjcr for the game

2763  
02:04:35,450 --> 02:04:32,820

changer Network this broadcast is only

2764

02:04:38,209 --> 02:04:35,460

Incorporated 2023 by Fade to Black and

2765

02:04:40,790 --> 02:04:38,219

The Game Changer Network and it cannot

2766

02:04:43,310 --> 02:04:40,800

be rebought Test download copy or use

2767

02:04:45,649 --> 02:04:43,320

anywhere in the known universe without

2768

02:04:48,589 --> 02:04:45,659

writing permission from fake to pack or

2769

02:04:50,570 --> 02:04:48,599

the game changer Network be safe go be

2770

02:04:54,649 --> 02:04:50,580

happy

2771

02:04:56,510 --> 02:04:54,659

that's what I'm talking about Chuck Faye

2772

02:05:05,340 --> 02:04:56,520

I'm Bill Timmy church I'll see everybody
