

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Wed Mar 15, 2023 **LIVE**

1
00:00:24,210 --> 00:00:12,070
foreign

2
00:00:24,220 --> 00:00:41,049
[Music]

3
00:00:49,450 --> 00:00:44,830
welcome Fade to Black breaking news

4
00:00:53,630 --> 00:00:49,460
uh for this Wednesday March 15

5
00:00:54,650 --> 00:00:53,640
2023. this is all of the news that you

6
00:00:57,290 --> 00:00:54,660
need

7
00:00:59,689 --> 00:00:57,300
I'm Jimmy church that's right let's get

8
00:01:01,029 --> 00:00:59,699
started on this day in history

9
00:01:07,490 --> 00:01:01,039
otd

10
00:01:10,429 --> 00:01:07,500
44 BC The Ides of March Julius Caesar

11
00:01:12,910 --> 00:01:10,439
the dictator of Rome is stabbed to death

12
00:01:18,469 --> 00:01:12,920
in the Roman senate house by 60

13
00:01:22,789 --> 00:01:18,479

conspirators led by Marcus Junius Brutus

14

00:01:27,230 --> 00:01:22,799
and Gaius Cassius longinus

15

00:01:30,890 --> 00:01:27,240
on this day in 44 BC The Ides of March

16

00:01:34,190 --> 00:01:30,900
there were also a great band

17

00:01:37,130 --> 00:01:34,200
all right let's get to your fader facts

18

00:01:39,890 --> 00:01:37,140
fader fact fully vetted I posted this

19

00:01:41,450 --> 00:01:39,900
out today on social media because it is

20

00:01:46,130 --> 00:01:41,460
pretty incredible

21

00:01:49,569 --> 00:01:46,140
the red food dye used in Skittles

22

00:01:53,510 --> 00:01:49,579
is made from boiled and crushed

23

00:01:53,520 --> 00:01:56,469
that's right

24

00:02:02,389 --> 00:01:58,670
that's your favorite fact today let's

25

00:02:09,290 --> 00:02:05,889
do you know Claude

26

00:02:13,790 --> 00:02:09,300

what is Claude

27

00:02:15,729 --> 00:02:13,800

no you don't okay let me introduce you

28

00:02:19,250 --> 00:02:15,739

artificial intelligence company

29

00:02:23,990 --> 00:02:19,260

anthropic has now launched its next

30

00:02:25,970 --> 00:02:24,000

Generation AI assistance that's right

31

00:02:33,589 --> 00:02:25,980

Claude

32

00:02:36,110 --> 00:02:33,599

that it can help with summarization

33

00:02:40,670 --> 00:02:36,120

search creative and collaborative

34

00:02:44,330 --> 00:02:40,680

writing q a coding

35

00:02:47,570 --> 00:02:44,340

and so much more users who participated

36

00:02:49,970 --> 00:02:47,580

in a tryout yesterday said hey

37

00:02:52,509 --> 00:02:49,980

Claude is an easy to communicate with

38

00:02:56,930 --> 00:02:52,519

platform that is

39

00:02:58,729 --> 00:02:56,940

uh it's got all the desired results with

40

00:03:02,750 --> 00:02:58,739

fewer hassles

41

00:03:04,910 --> 00:03:02,760

and this is scary they said that Claude

42

00:03:08,530 --> 00:03:04,920

was designed in a way that it could take

43

00:03:10,850 --> 00:03:08,540

Direction on personality

44

00:03:13,869 --> 00:03:10,860

and tone

45

00:03:17,149 --> 00:03:13,879

that Claude is just fun to hang out with

46

00:03:19,610 --> 00:03:17,159

and that there is nothing to be afraid

47

00:03:23,570 --> 00:03:19,620

of yeah right

48

00:03:27,110 --> 00:03:23,580

it has two versions Claude

49

00:03:29,350 --> 00:03:27,120

and Claude instant

50

00:03:33,410 --> 00:03:29,360

check out these lovely endorsements

51
00:03:37,390 --> 00:03:33,420
quora's Poe users said quote Claude

52
00:03:40,610 --> 00:03:37,400
feels more conversational than chat GPT

53
00:03:42,970 --> 00:03:40,620
and that it is more interactive and

54
00:03:47,210 --> 00:03:42,980
creative in its

55
00:03:51,710 --> 00:03:47,220
storytelling in quote online leading

56
00:03:55,369 --> 00:03:51,720
platform Juni uh learning platform Juni

57
00:03:56,630 --> 00:03:55,379
uh junior learning CEO Vivian Chen said

58
00:04:00,050 --> 00:03:56,640
quote

59
00:04:02,750 --> 00:04:00,060
across subjects including math problems

60
00:04:03,949 --> 00:04:02,760
or understanding symbolism in critical

61
00:04:06,830 --> 00:04:03,959
thinking

62
00:04:13,009 --> 00:04:06,840
uh incorporating Claude provided better

63
00:04:15,530 --> 00:04:13,019

richer answers for our students learning

64

00:04:19,909 --> 00:04:15,540

I'm losing my mind legal infrastructure

65

00:04:22,909 --> 00:04:19,919

company Robin A.I used the chatbot to

66

00:04:26,390 --> 00:04:22,919

quote suggest new alternative language

67

00:04:28,570 --> 00:04:26,400

that's more friendly to our customers

68

00:04:31,749 --> 00:04:28,580

end quote

69

00:04:36,710 --> 00:04:31,759

similar to the chat GPT

70

00:04:40,070 --> 00:04:36,720

uh their owner open AI anthropic also

71

00:04:43,550 --> 00:04:40,080

has big Tech backing Google just

72

00:04:45,590 --> 00:04:43,560

invested 300 million dollars in the

73

00:04:49,310 --> 00:04:45,600

startup in February

74

00:04:55,570 --> 00:04:51,409

there you go

75

00:05:02,150 --> 00:04:58,610

a prototype of the commercial spacesuit

76
00:05:04,370 --> 00:05:02,160
that U.S astronauts plan on uh wearing

77
00:05:07,129 --> 00:05:04,380
during their next mission when they land

78
00:05:08,990 --> 00:05:07,139
on the moon was unveiled today and

79
00:05:13,430 --> 00:05:09,000
unlike the suits worn by Apollo

80
00:05:17,629 --> 00:05:13,440
Astronauts this suit is a rental that's

81
00:05:20,629 --> 00:05:17,639
right a tux rental it's designed built

82
00:05:24,650 --> 00:05:20,639
and soon to be leased to the Space

83
00:05:30,909 --> 00:05:24,660
Agency by Axiom space a space services

84
00:05:36,770 --> 00:05:30,919
company in 2022 NASA awarded Axiom a

85
00:05:40,670 --> 00:05:36,780
228.5 million dollar task and Order uh

86
00:05:42,650 --> 00:05:40,680
for a 1.26 billion dollar contract to

87
00:05:46,070 --> 00:05:42,660
build the agency's Next Generation

88
00:05:48,050 --> 00:05:46,080

spacesuits to support the Artemis lunar

89

00:05:50,870 --> 00:05:48,060

missions I gotta admit they look pretty

90

00:05:52,370 --> 00:05:50,880

cool kind of like uh

91

00:05:57,650 --> 00:05:52,380

uh

92

00:06:00,529 --> 00:05:57,660

they they look pretty incredible Axiom

93

00:06:03,650 --> 00:06:00,539

collaborated with costume designer Ester

94

00:06:07,550 --> 00:06:03,660

Marquis that's right Esther Marquis from

95

00:06:11,810 --> 00:06:07,560

Apple TV's show their alternate Apollo

96

00:06:15,170 --> 00:06:11,820

history series For All Mankind to create

97

00:06:17,029 --> 00:06:15,180

the custom cover layer

98

00:06:19,310 --> 00:06:17,039

I'm going to leave that right there they

99

00:06:22,070 --> 00:06:19,320

look incredible though a landmark

100

00:06:25,029 --> 00:06:22,080

Quantum breakthrough paves the way for

101

00:06:28,850 --> 00:06:25,039

the world's first experimental

102

00:06:32,629 --> 00:06:28,860

Wormhole The Invention by University of

103

00:06:34,809 --> 00:06:32,639

Bristol physicists hateem Sali who gave

104

00:06:36,370 --> 00:06:34,819

it the name

105

00:06:38,749 --> 00:06:36,380

counterportation

106

00:06:41,570 --> 00:06:38,759

provides the first ever practical

107

00:06:46,610 --> 00:06:41,580

blueprint for creating in the lab a

108

00:06:49,370 --> 00:06:46,620

wormhole that verifiably Bridges space

109

00:06:51,590 --> 00:06:49,380

by deploying a novel Computing scheme

110

00:06:54,770 --> 00:06:51,600

revealed in the journal Quantum science

111

00:06:58,249 --> 00:06:54,780

and technology which harnesses the basic

112

00:07:01,550 --> 00:06:58,259

laws of physics a small object now can

113

00:07:04,850 --> 00:07:01,560

be reconstituted across space without

114

00:07:07,909 --> 00:07:04,860

any particles Crossing

115

00:07:09,710 --> 00:07:07,919

study author hatin Sali honorary

116

00:07:12,950 --> 00:07:09,720

research fellow at the University's

117

00:07:16,430 --> 00:07:12,960

Quantum engineering technology qet labs

118

00:07:17,570 --> 00:07:16,440

and co-founder of the startup dot

119

00:07:20,749 --> 00:07:17,580

quantum

120

00:07:22,430 --> 00:07:20,759

said and I quote this is a milestone we

121

00:07:25,370 --> 00:07:22,440

have been working towards for a bunch of

122

00:07:28,189 --> 00:07:25,380

years it provides a theoretical as well

123

00:07:33,490 --> 00:07:28,199

as a practical framework for the true

124

00:07:36,770 --> 00:07:33,500

nature of space-time end quote

125

00:07:40,790 --> 00:07:36,780

wormholes are real

126
00:07:42,710 --> 00:07:40,800
the geology of Brazil's volcanic uh

127
00:07:44,870 --> 00:07:42,720
Trend date island has fascinated

128
00:07:47,629 --> 00:07:44,880
scientists for years but the new

129
00:07:51,589 --> 00:07:47,639
discovery of rocks made from plastic

130
00:07:53,710 --> 00:07:51,599
debris in this remote Turtle Refuge is

131
00:07:56,990 --> 00:07:53,720
now sparking alarm

132
00:08:00,529 --> 00:07:57,000
melted plastic has become intertwined

133
00:08:04,010 --> 00:08:00,539
with rocks on the Island located 708

134
00:08:07,010 --> 00:08:04,020
miles south of West of espurrito Santo

135
00:08:09,890 --> 00:08:07,020
which researchers say is evidence of

136
00:08:13,189 --> 00:08:09,900
humans growing influence over the

137
00:08:16,129 --> 00:08:13,199
Earth's geological Cycles the pollution

138
00:08:17,990 --> 00:08:16,139

mainly comes from fishing nets which are

139

00:08:20,629 --> 00:08:18,000

dragged by Marine currents and

140

00:08:23,150 --> 00:08:20,639

accumulate on the beach when the

141

00:08:25,129 --> 00:08:23,160

temperature rises this plastic melts and

142

00:08:28,790 --> 00:08:25,139

becomes embedded with the Beach's

143

00:08:31,309 --> 00:08:28,800

natural rocks the pollution the garbage

144

00:08:33,889 --> 00:08:31,319

in the sea and the plastic dumped

145

00:08:36,769 --> 00:08:33,899

incorrectly in the oceans is now

146

00:08:39,469 --> 00:08:36,779

becoming geological material pre

147

00:08:40,969 --> 00:08:39,479

observed in the Earth's geological

148

00:08:43,570 --> 00:08:40,979

records

149

00:08:46,550 --> 00:08:43,580

nice

150

00:08:49,870 --> 00:08:46,560

Colombian authorities have decided to

151
00:08:52,009 --> 00:08:49,880
deport at least 70 of Pablo Escobar's

152
00:08:54,949 --> 00:08:52,019
cocaine hippos

153
00:08:57,470 --> 00:08:54,959
that's right exporting them to zoos in

154
00:09:00,170 --> 00:08:57,480
other countries after the drug cartel

155
00:09:02,810 --> 00:09:00,180
leader died in 1993 most of the animals

156
00:09:06,470 --> 00:09:02,820
were moved to new homes and zoos but

157
00:09:09,050 --> 00:09:06,480
three females and one male escaped

158
00:09:13,630 --> 00:09:09,060
that's right they escaped to make their

159
00:09:17,269 --> 00:09:13,640
homes in Columbia's magled

160
00:09:20,090 --> 00:09:17,279
Magdalena River where they thrived and

161
00:09:22,850 --> 00:09:20,100
started to breed today roughly 140

162
00:09:25,610 --> 00:09:22,860
hippos live in the area some scientists

163
00:09:30,710 --> 00:09:25,620

estimate their numbers could reach 1500

164

00:09:34,009 --> 00:09:30,720
by 2030 if no action is taken

165

00:09:37,130 --> 00:09:34,019
for the first time in 31 years

166

00:09:39,949 --> 00:09:37,140
the labrador retriever has been unseated

167

00:09:41,570 --> 00:09:39,959
as the most popular dog breed in the

168

00:09:43,090 --> 00:09:41,580
United States according to the American

169

00:09:47,449 --> 00:09:43,100
Kennel club's

170

00:09:48,230 --> 00:09:47,459
2022 registration statistics in its

171

00:09:53,030 --> 00:09:48,240
place

172

00:09:55,490 --> 00:09:53,040
since the cute incompact French Bulldog

173

00:09:57,949 --> 00:09:55,500
the French bulldog has steadily been

174

00:10:01,430 --> 00:09:57,959
climbing the akc's rankings over the

175

00:10:04,310 --> 00:10:01,440
last decades hitting number 14 in 2012.

176
00:10:09,290 --> 00:10:04,320
in 2021 the breed held the number two

177
00:10:13,009 --> 00:10:09,300
spot behind popular Labs but ahead of

178
00:10:14,449 --> 00:10:13,019
Golden Retrievers the French Bulldog I

179
00:10:15,590 --> 00:10:14,459
don't even think I've seen one in public

180
00:10:17,030 --> 00:10:15,600
yet

181
00:10:19,730 --> 00:10:17,040
all right

182
00:10:22,070 --> 00:10:19,740
now check this out you've seen those

183
00:10:25,370 --> 00:10:22,080
lenticular clouds right and you've seen

184
00:10:29,090 --> 00:10:25,380
the photographs and is this a UFO well

185
00:10:32,210 --> 00:10:29,100
employees of the Keck Observatory went

186
00:10:34,370 --> 00:10:32,220
viral this week when they spotted UFO

187
00:10:36,650 --> 00:10:34,380
look-alike clouds and Hawaiian skies

188
00:10:40,670 --> 00:10:36,660

above the Mauna Kea and Mauna Loa

189

00:10:42,889 --> 00:10:40,680

volcanoes yep and they took pics lots of

190

00:10:45,710 --> 00:10:42,899

picks and they are now all over the

191

00:10:47,750 --> 00:10:45,720

Internet the photos are from March 8th

192

00:10:49,970 --> 00:10:47,760

at the vantage point of the Keck

193

00:10:52,730 --> 00:10:49,980

Observatory which is located near the

194

00:10:55,670 --> 00:10:52,740

summit of the dormant volcano Mauna Ikaea

195

00:10:58,250 --> 00:10:55,680

in Hawaii the photos captured those

196

00:11:00,470 --> 00:10:58,260

lenticular clouds which are usually

197

00:11:02,990 --> 00:11:00,480

created downwind of a hill or Mountain

198

00:11:06,290 --> 00:11:03,000

as strong winds blow over and around

199

00:11:08,389 --> 00:11:06,300

rough terrain the photos were taken by

200

00:11:09,490 --> 00:11:08,399

employees at the observatory including

201

00:11:13,370 --> 00:11:09,500

Rick

202

00:11:16,910 --> 00:11:13,380

cresci software engineer Sherry yay

203

00:11:20,870 --> 00:11:16,920

she's a staff astronomer and Avinash

204

00:11:25,069 --> 00:11:20,880

surendron a post-doctoral fellow and

205

00:11:26,509 --> 00:11:25,079

Arena Rasta pichina she is an observing

206

00:11:28,610 --> 00:11:26,519

assistant

207

00:11:31,490 --> 00:11:28,620

they're not UFOs

208

00:11:33,650 --> 00:11:31,500

they're just clouds there you go there's

209

00:11:35,210 --> 00:11:33,660

your Fade to Black breaking news all of

210

00:11:39,290 --> 00:11:35,220

the news that you need for Wednesday

211

00:11:41,509 --> 00:11:39,300

March 15 2023 faded black breaking news

212

00:11:47,880 --> 00:11:41,519

is produced by Renee Newman I'm Jimmy

213

00:11:47,890 --> 00:11:54,050

[Music]
