

FADE TO BLACK

with JIMMY CHURCH

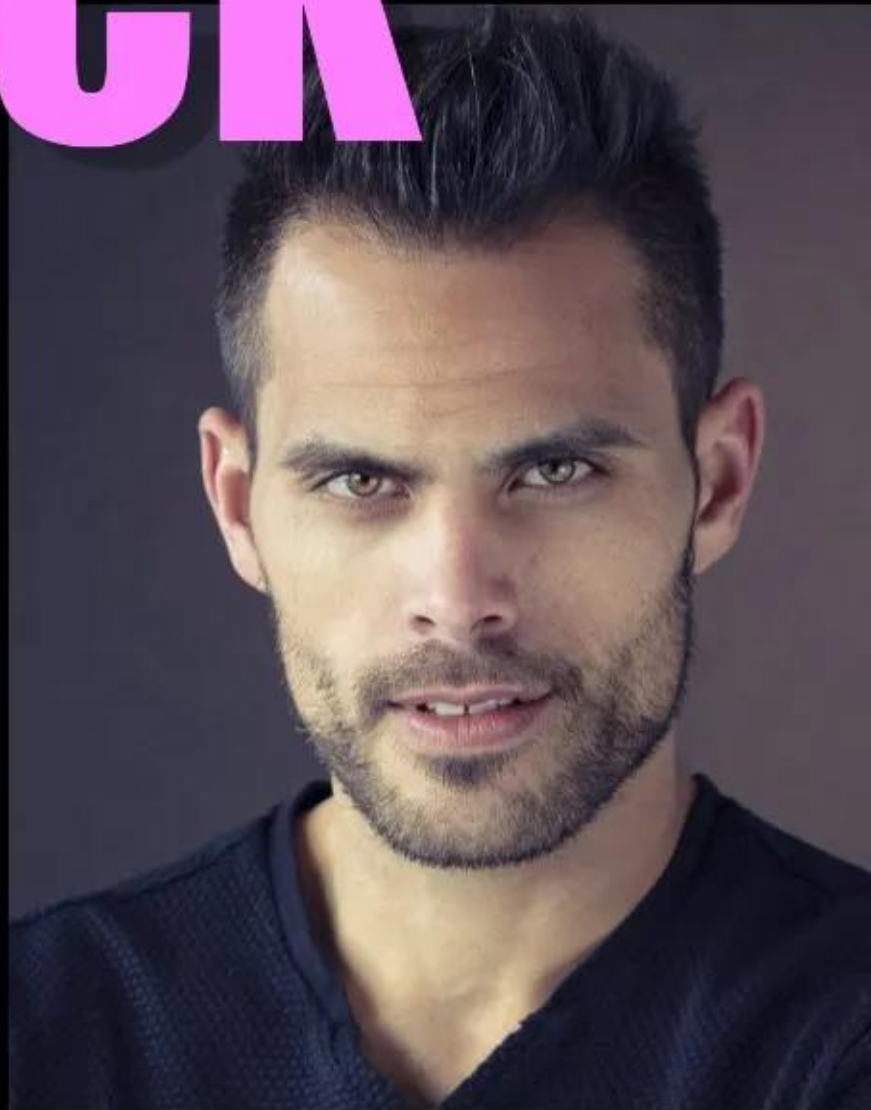

PRESENTS

DAVID PALMER

EVENT: PLUTO ENTERS AQUARIUS!

WED MAR 22 LIVE

7:00 PM PT/10:00PM ET

1
00:00:24,730 --> 00:00:15,630

[Music]

2
00:00:28,009 --> 00:00:24,740

the smoke radio for the masses of July 8

3
00:00:30,410 --> 00:00:28,019

1947 the Army Air Forces has announced

4
00:00:32,510 --> 00:00:30,420

that a flying disc has been found and is

5
00:00:35,569 --> 00:00:32,520

now in the possession of the army

6
00:00:36,889 --> 00:00:35,579

game is rigged change the game game

7
00:00:40,250 --> 00:00:36,899

changer

8
00:00:44,090 --> 00:00:40,260

I occasionally think how quickly our

9
00:00:46,670 --> 00:00:44,100

differences worldwide would vanish if we

10
00:00:47,690 --> 00:00:46,680

were facing an alien threat from outside

11
00:00:49,500 --> 00:00:47,700

this work

12
00:00:49,680 --> 00:00:49,510

[Music]

13
00:00:52,029 --> 00:00:49,690

[Applause]

14

00:00:54,950 --> 00:00:52,039

[Music]

15

00:00:57,830 --> 00:00:54,960

this is Fade to Black with your host

16

00:00:58,450 --> 00:00:57,840

Jimmy Church on the game changer Radio

17

00:01:08,990 --> 00:00:58,460

Network

18

00:01:17,330 --> 00:01:12,530

don't worry I'm here Fade to Black

19

00:01:19,730 --> 00:01:17,340

Wednesday March 22nd 2023 I am your host

20

00:01:21,289 --> 00:01:19,740

Jimmy church I was adjusting things I

21

00:01:24,109 --> 00:01:21,299

was moving around the studio I was doing

22

00:01:27,830 --> 00:01:24,119

stuff and I just didn't get it done in

23

00:01:30,490 --> 00:01:27,840

time but I'm here all right tonight this

24

00:01:34,789 --> 00:01:30,500

is a very special show in the Big Show

25

00:01:37,910 --> 00:01:34,799

uh because Pluto is in Aquarius well

26
00:01:41,210 --> 00:01:37,920
that's gonna happen tomorrow there is

27
00:01:43,490 --> 00:01:41,220
only one person to consider for the

28
00:01:46,910 --> 00:01:43,500
guest spot on this show tonight that is

29
00:01:49,069 --> 00:01:46,920
David Palmer the Leo King we are going

30
00:01:52,850 --> 00:01:49,079
this is one of the biggest events ever

31
00:01:56,929 --> 00:01:52,860
in astrology and uh in our solar system

32
00:01:58,850 --> 00:01:56,939
like in ever and going around

33
00:02:02,090 --> 00:01:58,860
um the internet today

34
00:02:04,310 --> 00:02:02,100
and when reading the comments uh from

35
00:02:08,350 --> 00:02:04,320
different sites about this

36
00:02:13,010 --> 00:02:08,360
um this is a very very big deal

37
00:02:17,710 --> 00:02:13,020
and uh it just reminds me of that song

38
00:02:21,170 --> 00:02:17,720

Aquarius right from 1969 and uh

39

00:02:25,010 --> 00:02:21,180

are we here is this it is this the

40

00:02:28,250 --> 00:02:25,020

dawning of the age of Aquarius well uh

41

00:02:30,770 --> 00:02:28,260

David Palmer he is known as the Leo King

42

00:02:32,449 --> 00:02:30,780

a celebrity astrologer he's got a lot of

43

00:02:33,970 --> 00:02:32,459

things going on in his life you can

44

00:02:36,770 --> 00:02:33,980

check out everything over at

45

00:02:40,010 --> 00:02:36,780

theleoking.com not going to go to his

46

00:02:42,650 --> 00:02:40,020

bio is like this big I'm not going to

47

00:02:46,250 --> 00:02:42,660

spend 15 minutes on that I am going to

48

00:02:49,190 --> 00:02:46,260

spend 15 minutes saying welcome back

49

00:02:52,190 --> 00:02:49,200

David how you doing my brother I'm doing

50

00:02:54,530 --> 00:02:52,200

good bro great to be back with you

51
00:02:56,809 --> 00:02:54,540
and by the way any Aquarius out there

52
00:02:59,949 --> 00:02:56,819
would say that song does not represent

53
00:03:02,030 --> 00:02:59,959
them very well at all

54
00:03:04,250 --> 00:03:02,040
cheese ball I always say it kind of

55
00:03:06,589 --> 00:03:04,260
would be like as if we all said my song

56
00:03:08,690 --> 00:03:06,599
is from Disneyland and being on Small

57
00:03:11,449 --> 00:03:08,700
World After All or something yeah yeah

58
00:03:13,790 --> 00:03:11,459
right right right right and and I can

59
00:03:17,809 --> 00:03:13,800
get that but here's the thing

60
00:03:20,089 --> 00:03:17,819
um I'm a little bit older than you and

61
00:03:22,869 --> 00:03:20,099
uh I'm a lot older than you but when

62
00:03:26,509 --> 00:03:22,879
that song was a hit it was a toe Tapper

63
00:03:27,369 --> 00:03:26,519

and so I was

64

00:03:31,369 --> 00:03:27,379

um

65

00:03:35,390 --> 00:03:31,379

six seven years old uh when that thing

66

00:03:38,390 --> 00:03:35,400

was a hit and and I got it it sounded it

67

00:03:41,570 --> 00:03:38,400

sounded like the future to me and if you

68

00:03:44,089 --> 00:03:41,580

listen to the words very carefully love

69

00:03:46,610 --> 00:03:44,099

and understanding and everything that uh

70

00:03:49,390 --> 00:03:46,620

the song represented I I dug it man I

71

00:03:52,729 --> 00:03:49,400

dug it now if I was an aquarius

72

00:03:55,789 --> 00:03:52,739

that's a whole nother situation but

73

00:03:58,070 --> 00:03:55,799

although you're beautiful guitars behind

74

00:04:01,009 --> 00:03:58,080

you represent Aquarius a lot more than

75

00:04:03,530 --> 00:04:01,019

that song

76

00:04:05,449 --> 00:04:03,540

right yeah the edge and the excitement

77

00:04:07,190 --> 00:04:05,459

and the rebellion and the right and

78

00:04:08,350 --> 00:04:07,200

being different you know it's right

79

00:04:11,089 --> 00:04:08,360

right

80

00:04:13,429 --> 00:04:11,099

you know what I enjoyed

81

00:04:16,370 --> 00:04:13,439

um uh when you came over uh to the house

82

00:04:18,110 --> 00:04:16,380

uh for dinner and and drinks and Sky

83

00:04:21,670 --> 00:04:18,120

watching we had we had so much fun that

84

00:04:25,010 --> 00:04:21,680

night but um I was out in the backyard

85

00:04:27,890 --> 00:04:25,020

and I could see through the house

86

00:04:31,730 --> 00:04:27,900

everything was lit up and I could see

87

00:04:33,409 --> 00:04:31,740

you standing in the bunker alone and you

88

00:04:35,390 --> 00:04:33,419

were just looking at the guitars you

89

00:04:38,150 --> 00:04:35,400

were all by yourself and I I was I was

90

00:04:40,610 --> 00:04:38,160

watching you man I was watching you so I

91

00:04:42,890 --> 00:04:40,620

I just came in and it was it was so

92

00:04:44,030 --> 00:04:42,900

great to see you know you were just

93

00:04:47,749 --> 00:04:44,040

looking

94

00:04:49,730 --> 00:04:47,759

you know at each one and and absorbing

95

00:04:52,850 --> 00:04:49,740

it it was it was it was a cool moment

96

00:04:54,909 --> 00:04:52,860

for me to see to see you quietly by

97

00:04:57,770 --> 00:04:54,919

yourself just just

98

00:04:59,330 --> 00:04:57,780

you know just going wow it was pretty

99

00:05:01,310 --> 00:04:59,340

cool yeah I mean you know you go to

100

00:05:03,530 --> 00:05:01,320

Guitar Center and you look up but it's

101
00:05:08,930 --> 00:05:03,540
like all the the same kind of stuff you

102
00:05:13,370 --> 00:05:11,030
I went to Guitar Center

103
00:05:16,430 --> 00:05:13,380
um a few months ago I hadn't been there

104
00:05:19,730 --> 00:05:16,440
in a long time and uh I had to pick up

105
00:05:21,950 --> 00:05:19,740
some stuff and uh so anyway so I was

106
00:05:23,990 --> 00:05:21,960
there and I was looking around and I was

107
00:05:27,650 --> 00:05:24,000
I was like

108
00:05:29,270 --> 00:05:27,660
I got more stuff than they do and that

109
00:05:31,490 --> 00:05:29,280
was like I got that I got that I get

110
00:05:35,270 --> 00:05:31,500
that and and that that's what I thought

111
00:05:37,610 --> 00:05:35,280
to myself I've I've gone too far or I

112
00:05:39,469 --> 00:05:37,620
didn't have to look at your guitars

113
00:05:42,230 --> 00:05:39,479

without having three Guitar Center

114

00:05:45,050 --> 00:05:42,240

people come up to me and try and tell me

115

00:05:48,110 --> 00:05:45,060

how amazing they are at the guitar and

116

00:05:50,090 --> 00:05:48,120

how I might not be that they know what's

117

00:05:51,350 --> 00:05:50,100

the best guitar for me you know that's

118

00:05:54,290 --> 00:05:51,360

what I should have done I should have

119

00:05:56,330 --> 00:05:54,300

acted like a Salesman when I came yeah

120

00:05:59,390 --> 00:05:56,340

yeah you want to take that home with you

121

00:06:01,430 --> 00:05:59,400

yeah yeah exactly you want to get our

122

00:06:03,550 --> 00:06:01,440

card I've got the junior Church fade of

123

00:06:05,629 --> 00:06:03,560

black cards

124

00:06:08,629 --> 00:06:05,639

we've got credit

125

00:06:11,629 --> 00:06:08,639

I've got all the credits you need oh man

126

00:06:15,110 --> 00:06:11,639

yeah yeah but that was pretty cool

127

00:06:17,689 --> 00:06:15,120

um to watch you do that so anyway

128

00:06:21,529 --> 00:06:17,699

um this is

129

00:06:25,909 --> 00:06:21,539

um Pluto okay so right now today Pluto

130

00:06:29,090 --> 00:06:25,919

is entering Aquarius right tomorrow it

131

00:06:31,670 --> 00:06:29,100

will be in Aquarius am I understanding

132

00:06:34,850 --> 00:06:31,680

this correctly technically we call it

133

00:06:37,790 --> 00:06:34,860

the Ingress so Pluto will Ingress and

134

00:06:40,969 --> 00:06:37,800

actually arrive into the zodiacal sign

135

00:06:44,450 --> 00:06:40,979

of Aquarius which will actually be

136

00:06:47,090 --> 00:06:44,460

happening around 5 a.m Pacific so

137

00:06:48,529 --> 00:06:47,100

technically it's still in Capricorn but

138

00:06:50,870 --> 00:06:48,539

that's where you get into the weirdness

139

00:06:53,870 --> 00:06:50,880

of where you hear cusp right like I'm

140

00:06:55,790 --> 00:06:53,880

born on a cusp or somebody who's born in

141

00:06:58,730 --> 00:06:55,800

between that the cusp is that point

142

00:07:01,189 --> 00:06:58,740

between signs right so it's it's it's

143

00:07:03,710 --> 00:07:01,199

kind of a no man's land in many ways too

144

00:07:05,270 --> 00:07:03,720

because of the fact that

145

00:07:07,790 --> 00:07:05,280

you know it's like moving between a room

146

00:07:10,010 --> 00:07:07,800

with having a door I always say to

147

00:07:12,350 --> 00:07:10,020

people it's like having well I don't

148

00:07:14,450 --> 00:07:12,360

have big boobs right so it's like you

149

00:07:16,730 --> 00:07:14,460

know my boobs are in this room and my

150

00:07:20,689 --> 00:07:16,740

butt's in the other room that weird

151

00:07:23,270 --> 00:07:20,699

place between doors right

152

00:07:25,010 --> 00:07:23,280

you're really in the new room is when

153

00:07:26,930 --> 00:07:25,020

you find you know Pluto right now isn't

154

00:07:28,249 --> 00:07:26,940

between the doors but it's still in the

155

00:07:31,129 --> 00:07:28,259

room and then it's going to be in the

156

00:07:32,689 --> 00:07:31,139

new room right right so the toes are in

157

00:07:34,370 --> 00:07:32,699

there but the heels are on the other

158

00:07:37,850 --> 00:07:34,380

side of the line

159

00:07:40,070 --> 00:07:37,860

yeah and it's really

160

00:07:41,749 --> 00:07:40,080

weird because it kind of actually it's

161

00:07:43,850 --> 00:07:41,759

geometry well it is not kind of actually

162

00:07:46,850 --> 00:07:43,860

it is geometry based right so it's

163

00:07:49,189 --> 00:07:46,860

actually in Geometry where it goes from

164

00:07:50,870 --> 00:07:49,199

zero there's 360 Degrees around the

165

00:07:53,570 --> 00:07:50,880

Zodiac right and they're all divided by

166

00:07:54,529 --> 00:07:53,580

30 degrees but zero degree is the

167

00:07:58,309 --> 00:07:54,539

beginning

168

00:08:01,969 --> 00:07:58,319

of a new 30 degrees place which goes up

169

00:08:04,249 --> 00:08:01,979

to 29 degrees in 59 minutes why why is

170

00:08:07,430 --> 00:08:04,259

everybody freaking out

171

00:08:09,950 --> 00:08:07,440

well one because Pluto is a planet that

172

00:08:11,270 --> 00:08:09,960

takes 248 years to come around the Sun

173

00:08:15,650 --> 00:08:11,280

so

174

00:08:16,749 --> 00:08:15,660

it was discovered in 1930 supposedly

175

00:08:20,029 --> 00:08:16,759

right

176

00:08:21,770 --> 00:08:20,039

so in 1930 we discovered Pluto and they

177

00:08:23,390 --> 00:08:21,780

thought it was this huge big gas giant

178

00:08:25,249 --> 00:08:23,400

that was going to be like Neptune right

179

00:08:27,830 --> 00:08:25,259

like it's bigger and then over all the

180

00:08:29,629 --> 00:08:27,840

years they kept getting better

181

00:08:31,730 --> 00:08:29,639

they actually didn't use the telescope

182

00:08:33,110 --> 00:08:31,740

they used pictures and then they were

183

00:08:34,909 --> 00:08:33,120

able to find through the pictures in

184

00:08:36,350 --> 00:08:34,919

1930 that there was something there and

185

00:08:37,670 --> 00:08:36,360

then they finally just started looking

186

00:08:38,930 --> 00:08:37,680

at it more and then they realized it's

187

00:08:42,290 --> 00:08:38,940

not gas

188

00:08:45,829 --> 00:08:42,300

it's a lot smaller and then of course by

189

00:08:47,269 --> 00:08:45,839

in 2000 what was it 2006 when they

190

00:08:48,590 --> 00:08:47,279

finally said you know what we're done

191

00:08:50,030 --> 00:08:48,600

we're not calling it a planet we're

192

00:08:51,710 --> 00:08:50,040

calling an exoplanet we're you know

193

00:08:54,170 --> 00:08:51,720

we're we're dwarf planet we're we're

194

00:08:56,090 --> 00:08:54,180

minimizing this as a planet

195

00:08:59,150 --> 00:08:56,100

but that what's crazy is the fact that

196

00:09:01,790 --> 00:08:59,160

it takes so long to go through a

197

00:09:05,870 --> 00:09:01,800

zodiacal sign but it's not the same

198

00:09:08,210 --> 00:09:05,880

amount of years in every sign so when it

199

00:09:10,790 --> 00:09:08,220

was discovered in 1930

200

00:09:14,269 --> 00:09:10,800

its fastest part of the orbit is through

201

00:09:16,250 --> 00:09:14,279

1930 till 2018.

202

00:09:18,829 --> 00:09:16,260

and of course if you look at how things

203

00:09:20,269 --> 00:09:18,839

have gotten really weird and how fast

204

00:09:24,230 --> 00:09:20,279

Humanity

205

00:09:26,030 --> 00:09:24,240

went through transformation went through

206

00:09:28,790 --> 00:09:26,040

things like the atomic bomb being

207

00:09:30,710 --> 00:09:28,800

created technology like the the amount

208

00:09:32,870 --> 00:09:30,720

of stuff from 1930 to now has been

209

00:09:35,509 --> 00:09:32,880

overwhelming right

210

00:09:37,910 --> 00:09:35,519

what's the subconscious or the repressed

211

00:09:40,370 --> 00:09:37,920

part that Pluto represents these deeper

212

00:09:42,290 --> 00:09:40,380

intense emotions and the hidden element

213

00:09:43,610 --> 00:09:42,300

because it is this weird planet that

214

00:09:45,769 --> 00:09:43,620

doesn't follow the rules like the other

215

00:09:49,130 --> 00:09:45,779

planets all the other planets go around

216

00:09:52,310 --> 00:09:49,140

the Sun and they don't they stay within

217

00:09:54,530 --> 00:09:52,320

declination they go they might go up and

218

00:09:57,550 --> 00:09:54,540

and above just a little but they don't

219

00:10:00,650 --> 00:09:57,560

go like goodbye yes

220

00:10:03,790 --> 00:10:00,660

17 17 degrees right

221

00:10:07,610 --> 00:10:03,800

it goes farther down it goes all the way

222

00:10:09,790 --> 00:10:07,620

past about 23 degrees declination it can

223

00:10:12,889 --> 00:10:09,800

go south farther

224

00:10:15,290 --> 00:10:12,899

that far 23 degrees country is the

225

00:10:17,269 --> 00:10:15,300

boundary line we call it of declination

226

00:10:18,889 --> 00:10:17,279

and once it goes farther than that it's

227

00:10:21,350 --> 00:10:18,899

out of bounds technically because our

228

00:10:23,570 --> 00:10:21,360

ecliptic on the earth the ecliptic of

229

00:10:25,670 --> 00:10:23,580

the sun looking at the planets that's

230

00:10:27,710 --> 00:10:25,680

the the understanding is 23 degrees

231

00:10:30,850 --> 00:10:27,720

that's why there's some special number

232

00:10:36,590 --> 00:10:34,190

is 23 degrees too yeah that's uh yeah

233

00:10:40,130 --> 00:10:36,600

that's right and that's always been very

234

00:10:43,130 --> 00:10:40,140

very interesting to me to see

235

00:10:44,930 --> 00:10:43,140

um uh other other solar systems and and

236

00:10:47,690 --> 00:10:44,940

you know everything's a little bit

237

00:10:53,030 --> 00:10:47,700

different but everything is on an

238

00:10:55,490 --> 00:10:53,040

ecliptic right yes so and so are we and

239

00:10:57,910 --> 00:10:55,500

when you are able to with the telescope

240

00:11:00,949 --> 00:10:57,920

and observe something else out there

241

00:11:02,750 --> 00:11:00,959

it's easiest obviously to see it on an

242

00:11:05,630 --> 00:11:02,760

ecliptic but

243

00:11:09,170 --> 00:11:05,640

um when we're discovering exoplanets

244

00:11:14,449 --> 00:11:09,180

you want the easiest way to do it is uh

245

00:11:18,590 --> 00:11:14,459

with uh the the variations of light from

246

00:11:21,350 --> 00:11:18,600

that star as a planet transits right and

247

00:11:23,030 --> 00:11:21,360

goes in front of it and the star

248

00:11:26,690 --> 00:11:23,040

slightly dims you're only going to see

249

00:11:29,630 --> 00:11:26,700

that on the ecliptic and it's that's so

250

00:11:33,170 --> 00:11:29,640

it how we can go and look out into space

251
00:11:35,329 --> 00:11:33,180
and everything is on the ecliptic and so

252
00:11:37,970 --> 00:11:35,339
we have that and then Pluto for some

253
00:11:41,449 --> 00:11:37,980
reason not only is it not in a perfect

254
00:11:45,290 --> 00:11:41,459
circle in its orbit it's not it's an uh

255
00:11:47,449 --> 00:11:45,300
an extreme oval but it's tilted

256
00:11:49,970 --> 00:11:47,459
everything else all the other planets

257
00:11:53,449 --> 00:11:49,980
are doing their thing and and here's

258
00:11:57,769 --> 00:11:53,459
Pluto at this extreme angle uh just off

259
00:12:00,710 --> 00:11:57,779
on its own well Uranus is too on its own

260
00:12:02,350 --> 00:12:00,720
tilt with its rings

261
00:12:05,090 --> 00:12:02,360
right yeah

262
00:12:07,430 --> 00:12:05,100
Uranus so different right it's like it

263
00:12:11,569 --> 00:12:07,440

doesn't want to look like Saturn

264

00:12:13,370 --> 00:12:11,579

it it it it will be completely like the

265

00:12:16,190 --> 00:12:13,380

opposite direction right like I know I'm

266

00:12:19,970 --> 00:12:16,200

going the other way around

267

00:12:22,790 --> 00:12:19,980

that's why Pluto entering into Aquarius

268

00:12:26,449 --> 00:12:22,800

is so crazy because the way that

269

00:12:28,490 --> 00:12:26,459

everything is normal is not and you've

270

00:12:30,769 --> 00:12:28,500

already thought the last three years

271

00:12:32,090 --> 00:12:30,779

especially oh gosh it's already been not

272

00:12:33,769 --> 00:12:32,100

normal I keep telling people this has

273

00:12:35,750 --> 00:12:33,779

been the lobby

274

00:12:37,550 --> 00:12:35,760

you know to the great show so Pluto

275

00:12:38,949 --> 00:12:37,560

Ingress into Aquarius is the beginning

276
00:12:41,569 --> 00:12:38,959
of us

277
00:12:44,329 --> 00:12:41,579
discovering what humanity is the water

278
00:12:45,710 --> 00:12:44,339
Bearer is what Aquarius represents Pluto

279
00:12:48,050 --> 00:12:45,720
though

280
00:12:51,829 --> 00:12:48,060
is the ruler of Scorpio so the planets

281
00:12:55,730 --> 00:12:51,839
rule the whole zodiac meaning that it's

282
00:12:58,910 --> 00:12:55,740
not like a sign is is the ruler of the

283
00:13:01,250 --> 00:12:58,920
planet the planet represents the sign as

284
00:13:03,350 --> 00:13:01,260
far as it's the lord of the sign

285
00:13:05,690 --> 00:13:03,360
so when you talk about Pluto you're

286
00:13:07,850 --> 00:13:05,700
actually talking about it's home and its

287
00:13:10,970 --> 00:13:07,860
rulership which is Scorpio

288
00:13:14,030 --> 00:13:10,980

so Scorpio deals with the most personal

289

00:13:16,190 --> 00:13:14,040

fixed intense emotions of our desires

290

00:13:17,930 --> 00:13:16,200

and our wants that sometimes we'll push

291

00:13:19,370 --> 00:13:17,940

out of the boundaries to go for it in

292

00:13:21,350 --> 00:13:19,380

the physical right you want something

293

00:13:22,250 --> 00:13:21,360

some people will do Shady things or some

294

00:13:24,350 --> 00:13:22,260

people

295

00:13:26,150 --> 00:13:24,360

to have if they're attracted to somebody

296

00:13:28,310 --> 00:13:26,160

you'll do the most extreme emotional

297

00:13:29,810 --> 00:13:28,320

things if a breakup happens right it's

298

00:13:32,210 --> 00:13:29,820

like I don't want to lose this oh my

299

00:13:35,329 --> 00:13:32,220

gosh right it's very extreme

300

00:13:36,829 --> 00:13:35,339

and Pluto also when it came in in 1930

301
00:13:39,410 --> 00:13:36,839
was right when the Great Depression

302
00:13:41,690 --> 00:13:39,420
happened when we found it at least

303
00:13:43,730 --> 00:13:41,700
and it was in the sign of Cancer which

304
00:13:46,430 --> 00:13:43,740
ironically we've been in Capricorn since

305
00:13:48,710 --> 00:13:46,440
2008 when the financial crisis crisis

306
00:13:51,410 --> 00:13:48,720
started and that's right when Pluto came

307
00:13:53,329 --> 00:13:51,420
in in 2008 you have to remember in the

308
00:13:55,629 --> 00:13:53,339
first two months of 2008 Pluto came into

309
00:13:58,009 --> 00:13:55,639
Capricorn so this is the same

310
00:13:59,629 --> 00:13:58,019
understanding of what the Ingress means

311
00:14:02,509 --> 00:13:59,639
is like when Pluto shows up in a new

312
00:14:04,310 --> 00:14:02,519
sign we start to see what however long

313
00:14:06,769 --> 00:14:04,320

the transit will be in this case 20

314

00:14:09,470 --> 00:14:06,779

years where it was it's going to be a

315

00:14:11,449 --> 00:14:09,480

16-year Transit of Capricorn now 20 in

316

00:14:13,610 --> 00:14:11,459

Aquarius you start to see the writings

317

00:14:15,949 --> 00:14:13,620

like kind of in an eerie Haunted Mansion

318

00:14:18,410 --> 00:14:15,959

kind of a way Pluto of what it's going

319

00:14:20,150 --> 00:14:18,420

to be so the bank stuff has been without

320

00:14:21,949 --> 00:14:20,160

Pluto and Aquarius but it's kind of the

321

00:14:24,410 --> 00:14:21,959

completion of seeing like yep we know

322

00:14:26,269 --> 00:14:24,420

government Bank stuff and then there

323

00:14:28,190 --> 00:14:26,279

always comes the hero that thinks we're

324

00:14:29,990 --> 00:14:28,200

gonna save it all and then also the evil

325

00:14:32,210 --> 00:14:30,000

person so you see that too is like

326

00:14:34,190 --> 00:14:32,220

people want to attach themselves because

327

00:14:36,769 --> 00:14:34,200

of fear Pluto rules fear and are

328

00:14:39,410 --> 00:14:36,779

overcoming of those fears so you see the

329

00:14:42,410 --> 00:14:39,420

evil like technology front but then we

330

00:14:44,990 --> 00:14:42,420

also see people look at it as the savior

331

00:14:48,170 --> 00:14:45,000

or in 2008 it was like Obama's the

332

00:14:49,970 --> 00:14:48,180

Savior from the wars and the weird ways

333

00:14:52,550 --> 00:14:49,980

that things were going on

334

00:14:54,769 --> 00:14:52,560

and really it just was just more

335

00:14:56,629 --> 00:14:54,779

government no we all realize that no

336

00:14:59,150 --> 00:14:56,639

side's better than another side right

337

00:15:02,230 --> 00:14:59,160

it's like they both mess up both sides

338

00:15:10,250 --> 00:15:05,689

when you when you bounce around

339

00:15:13,009 --> 00:15:10,260

um uh uh on different sites uh which I

340

00:15:15,230 --> 00:15:13,019

did for the last uh three days just

341

00:15:18,250 --> 00:15:15,240

observing this

342

00:15:21,110 --> 00:15:18,260

um the comments are

343

00:15:22,850 --> 00:15:21,120

well I I'm going to say they're extreme

344

00:15:25,610 --> 00:15:22,860

I mean I think that people are really

345

00:15:27,829 --> 00:15:25,620

reacting to this and and understanding

346

00:15:29,329 --> 00:15:27,839

or trying to understand I should say

347

00:15:33,949 --> 00:15:29,339

what the impacts are but you look at the

348

00:15:37,189 --> 00:15:33,959

headlines David and it it's things like

349

00:15:41,449 --> 00:15:37,199

the headline right of the article Pluto

350

00:15:45,650 --> 00:15:41,459

will affect every zodiac sign for the

351

00:15:48,710 --> 00:15:45,660

next 20 years right and or a variation

352

00:15:51,170 --> 00:15:48,720

of that these these bold things and if

353

00:15:53,090 --> 00:15:51,180

you're a student of astrology and you

354

00:15:55,490 --> 00:15:53,100

follow this this is a this is a really

355

00:15:57,889 --> 00:15:55,500

big deal and people are you know looking

356

00:16:01,810 --> 00:15:57,899

at these headlines and and starting to

357

00:16:04,490 --> 00:16:01,820

react so this is this is going until

358

00:16:08,530 --> 00:16:04,500

2043 am I understanding that correctly

359

00:16:11,689 --> 00:16:08,540

yeah into 2024 it it Pluto now is

360

00:16:15,650 --> 00:16:11,699

entering into its longest part of orbit

361

00:16:17,930 --> 00:16:15,660

around the sun where it takes longer on

362

00:16:21,769 --> 00:16:17,940

one half of its orbit to be than on the

363

00:16:23,689 --> 00:16:21,779

other side of the Sun so now and it

364

00:16:26,509 --> 00:16:23,699

happens to be to where when it is in

365

00:16:30,050 --> 00:16:26,519

Capricorn around 21 to 22 degrees is

366

00:16:32,629 --> 00:16:30,060

where it says goodbye like it goes far

367

00:16:35,930 --> 00:16:32,639

south in declination meaning

368

00:16:38,389 --> 00:16:35,940

I'm not only going farther out but I'm

369

00:16:41,689 --> 00:16:38,399

going farther down which is why the

370

00:16:43,970 --> 00:16:41,699

original understanding of Pluto is the

371

00:16:45,889 --> 00:16:43,980

ruler of the underworld which is Hades

372

00:16:48,769 --> 00:16:45,899

and that's what Pluto

373

00:16:50,629 --> 00:16:48,779

as one of the Olympian gods from the

374

00:16:52,069 --> 00:16:50,639

understanding of Greek into Roman

375

00:16:54,110 --> 00:16:52,079

mythology right

376

00:16:57,650 --> 00:16:54,120

but the titans of course that turned to

377

00:17:01,430 --> 00:16:57,660

the Olympians is Pluto is the god of the

378

00:17:03,710 --> 00:17:01,440

underworld the and so it rules Hades

379

00:17:05,809 --> 00:17:03,720

right so that's where the the Deep fear

380

00:17:08,929 --> 00:17:05,819

comes from and the actual process of

381

00:17:12,069 --> 00:17:08,939

Pluto actually going into the underworld

382

00:17:13,789 --> 00:17:12,079

of even our solar system

383

00:17:22,789 --> 00:17:13,799

the

384

00:17:24,530 --> 00:17:22,799

um also uh two days ago right it's it's

385

00:17:28,010 --> 00:17:24,540

like everything is astrology right now

386

00:17:30,289 --> 00:17:28,020

everything is astrology and and uh other

387

00:17:35,450 --> 00:17:30,299

media outlets and I showed this to you

388

00:17:37,549 --> 00:17:35,460

earlier uh today that in Luxor Egypt at

389

00:17:41,450 --> 00:17:37,559

the Asana Temple

390

00:17:44,330 --> 00:17:41,460

um they just revealed now and I was just

391

00:17:47,150 --> 00:17:44,340

there too I know like three months ago

392

00:17:48,950 --> 00:17:47,160

yeah well I'm going back so I'm gonna go

393

00:17:49,850 --> 00:17:48,960

check it out in person here in a few

394

00:17:51,710 --> 00:17:49,860

months

395

00:17:55,549 --> 00:17:51,720

um I'm very excited about this it's a

396

00:17:57,230 --> 00:17:55,559

brand new zodiac and when I was at the

397

00:18:01,310 --> 00:17:57,240

temple I took a bunch of pictures I

398

00:18:03,590 --> 00:18:01,320

don't have that ready I was

399

00:18:06,289 --> 00:18:03,600

um noticing uh at a few different

400

00:18:09,890 --> 00:18:06,299

temples and including Luxor

401

00:18:12,650 --> 00:18:09,900

um teams of archaeologists

402

00:18:15,830 --> 00:18:12,660

um uh you know probably students from

403

00:18:18,230 --> 00:18:15,840

the University cleaning right so they're

404

00:18:20,930 --> 00:18:18,240

in these uh you know different rooms of

405

00:18:22,430 --> 00:18:20,940

these temples uh they've got fans going

406

00:18:25,370 --> 00:18:22,440

they've got lights and they are

407

00:18:29,390 --> 00:18:25,380

seriously man like a toothbrush right

408

00:18:32,390 --> 00:18:29,400

and they're just slowly so this

409

00:18:36,770 --> 00:18:32,400

particular zodiac has been covered with

410

00:18:41,210 --> 00:18:36,780

soot for you know over 2 000 years

411

00:18:44,630 --> 00:18:41,220

and um in a lot of these temples

412

00:18:47,750 --> 00:18:44,640

um uh if the uh people would use them

413

00:18:50,630 --> 00:18:47,760

for shelter right so they would go and

414

00:18:53,690 --> 00:18:50,640

also uh they were able to cook

415

00:18:56,630 --> 00:18:53,700

so they would go and and cook inside of

416

00:18:57,830 --> 00:18:56,640

these and and it's like these temples

417

00:18:59,570 --> 00:18:57,840

have been sitting there for a couple of

418

00:19:00,350 --> 00:18:59,580

thousand years and

419

00:19:04,190 --> 00:19:00,360

um

420

00:19:07,549 --> 00:19:04,200

community together and and cook up some

421

00:19:10,070 --> 00:19:07,559

food and so in doing that and staying

422

00:19:13,370 --> 00:19:10,080

warm and stuff like that well anyway the

423

00:19:15,950 --> 00:19:13,380

soot would cover these walls and this

424

00:19:18,650 --> 00:19:15,960

particular zodiac has been covered in

425

00:19:20,690 --> 00:19:18,660

soot and I I noticed

426

00:19:22,070 --> 00:19:20,700

um I took a bunch of pictures I was

427

00:19:24,710 --> 00:19:22,080

sneaking in

428

00:19:26,690 --> 00:19:24,720

the guards as soon as you're being

429

00:19:28,970 --> 00:19:26,700

Indiana Jones and the Raiders of the

430

00:19:31,730 --> 00:19:28,980

Lost Ark and it's a scene with Salah and

431

00:19:33,590 --> 00:19:31,740

trying to find the right place and dudes

432

00:19:35,390 --> 00:19:33,600

dude I'm in there and there's a little

433

00:19:38,210 --> 00:19:35,400

crack right they're up on scaffolding

434

00:19:40,850 --> 00:19:38,220

right and then I could look through the

435

00:19:43,850 --> 00:19:40,860

the doorway and there's like a little

436

00:19:46,490 --> 00:19:43,860

crack up above and I could see everybody

437

00:19:48,409 --> 00:19:46,500

sitting on chairs with the lights you

438

00:19:50,029 --> 00:19:48,419

know cleaning these little spots so I

439

00:19:52,490 --> 00:19:50,039

would take my phone and just kind of

440

00:19:55,130 --> 00:19:52,500

look around and get up in the crack and

441

00:19:56,990 --> 00:19:55,140

snap these pictures because I wanted to

442

00:20:00,230 --> 00:19:57,000

see what what they were doing and then I

443

00:20:02,510 --> 00:20:00,240

would look and and watching them

444

00:20:05,690 --> 00:20:02,520

um and I shot a couple of videos too uh

445

00:20:07,730 --> 00:20:05,700

meticulously I mean they weren't in

446

00:20:10,130 --> 00:20:07,740

there because if I if it was me I'd just

447

00:20:12,669 --> 00:20:10,140

be in there with Windex right couple

448

00:20:15,169 --> 00:20:12,679

paper towels

449

00:20:17,810 --> 00:20:15,179

that's not how the air compressor and I

450

00:20:20,510 --> 00:20:17,820

just air blasted yeah right right that's

451

00:20:23,930 --> 00:20:20,520

what I'm talking about right so

452

00:20:25,850 --> 00:20:23,940

um I there's only four images of this

453

00:20:28,250 --> 00:20:25,860

new zodiac

454

00:20:30,710 --> 00:20:28,260

um that have been released and so I'm

455

00:20:32,390 --> 00:20:30,720

gonna pull these up I've got them I've

456

00:20:33,950 --> 00:20:32,400

got I haven't even seen them yet you

457

00:20:37,190 --> 00:20:33,960

teased it to me before this and I

458

00:20:43,549 --> 00:20:37,200

haven't even seen it check this out and

459

00:20:47,210 --> 00:20:43,559

tell me this isn't beautiful and uh be

460

00:20:51,549 --> 00:20:47,220

prepared check this out you ready yep

461

00:20:58,130 --> 00:20:53,770

look at that

462

00:21:00,970 --> 00:20:58,140

that's uh that's obviously Libra

463

00:21:04,190 --> 00:21:00,980

no no yeah

464

00:21:06,770 --> 00:21:04,200

you know and and and look you know

465

00:21:10,370 --> 00:21:06,780

that's Scorpio and you know what's great

466

00:21:13,250 --> 00:21:10,380

about this is above uh the Scorpion

467

00:21:15,110 --> 00:21:13,260

Scorpio look at the stars in the sky

468

00:21:18,650 --> 00:21:15,120

right that's what that is those are

469

00:21:20,270 --> 00:21:18,660

stars but isn't look at that man isn't

470

00:21:22,669 --> 00:21:20,280

that incredible

471

00:21:25,490 --> 00:21:22,679

but what's interesting to me is that it

472

00:21:27,049 --> 00:21:25,500

does have a a fish-like quality to it

473

00:21:31,190 --> 00:21:27,059

number one

474

00:21:34,490 --> 00:21:31,200

right but the eyes it kind of looks like

475

00:21:37,730 --> 00:21:34,500

the scales of a fish with it at the same

476

00:21:40,130 --> 00:21:37,740

time too the the scarab beetle in in

477

00:21:42,890 --> 00:21:40,140

Egypt astrology used to represent cancer

478

00:21:45,590 --> 00:21:42,900

before the crab yeah that's right yeah

479

00:21:48,770 --> 00:21:45,600

yeah yeah that's right I counted there

480

00:21:51,710 --> 00:21:48,780

10 stars but there might be more yeah

481

00:21:54,470 --> 00:21:51,720

this is always I I I they didn't really

482

00:21:57,590 --> 00:21:54,480

well I've got other images okay so and

483

00:22:00,049 --> 00:21:57,600

we can come back to that so

484

00:22:03,590 --> 00:22:00,059

check that out man

485

00:22:06,289 --> 00:22:03,600

wow yeah there's Sagittarius the Archer

486

00:22:10,190 --> 00:22:06,299

and see there one two three four five

487

00:22:12,169 --> 00:22:10,200

six seven eight nine ten eleven and

488

00:22:15,770 --> 00:22:12,179

that's just in this those are inverted

489

00:22:18,590 --> 00:22:15,780

stars on the bottom three yeah yeah yeah

490

00:22:20,390 --> 00:22:18,600

very interesting and see the Scorpion

491

00:22:22,630 --> 00:22:20,400

tail

492

00:22:25,610 --> 00:22:22,640

yes

493

00:22:28,610 --> 00:22:25,620

again like I was saying my butts in this

494

00:22:31,630 --> 00:22:28,620

and my yeah yeah yeah my Pamela

495

00:22:34,130 --> 00:22:31,640

Andersons are in the front and

496

00:22:36,289 --> 00:22:34,140

this is what let's let's go to the next

497

00:22:37,909 --> 00:22:36,299

one we're gonna come back to this okay

498

00:22:41,090 --> 00:22:37,919

we're gonna come back to each one of

499

00:22:46,549 --> 00:22:43,909

the twins yeah

500

00:22:48,830 --> 00:22:46,559

look at that

501
00:22:52,549 --> 00:22:48,840
isn't that incredible

502
00:22:55,549 --> 00:22:52,559
yeah that is amazing

503
00:22:59,750 --> 00:22:55,559
so Taurus would be next to that to the

504
00:23:02,810 --> 00:22:59,760
left I'm assuming I mean oh guess what I

505
00:23:05,510 --> 00:23:02,820
just noticed if I'm if I'm

506
00:23:09,190 --> 00:23:05,520
seeing this correctly

507
00:23:15,529 --> 00:23:13,010
the bottom that's the floor right and

508
00:23:17,750 --> 00:23:15,539
that's the ceiling holy crap I cannot

509
00:23:20,770 --> 00:23:17,760
wait to see this in person well do you

510
00:23:23,510 --> 00:23:20,780
notice do you notice the bowl heads

511
00:23:25,970 --> 00:23:23,520
so they're showing the cusp as I was

512
00:23:29,510 --> 00:23:25,980
talking so you saw the Scorpion tail on

513
00:23:32,750 --> 00:23:29,520

the Archer then the bull Taurus is what

514

00:23:34,909 --> 00:23:32,760

comes and precedes Gemini so the twins

515

00:23:36,529 --> 00:23:34,919

have bull heads

516

00:23:38,510 --> 00:23:36,539

oh

517

00:23:40,730 --> 00:23:38,520

okay let's look at this next one so

518

00:23:43,870 --> 00:23:40,740

that's why there isn't one complete

519

00:23:48,890 --> 00:23:47,149

well no no I mean one complete picture

520

00:23:50,930 --> 00:23:48,900

right right right yeah it's probably

521

00:23:53,450 --> 00:23:50,940

massive if it's life-sized yeah yeah

522

00:23:55,029 --> 00:23:53,460

this takes up there's probably all four

523

00:23:57,470 --> 00:23:55,039

walls in

524

00:24:00,770 --> 00:23:57,480

astrology elementary school or something

525

00:24:05,210 --> 00:24:00,780

back then oh right right okay let's see

526
00:24:09,770 --> 00:24:07,190
see that's what makes things uh very

527
00:24:11,149 --> 00:24:09,780
interesting about the Eagle right

528
00:24:13,430 --> 00:24:11,159
is that

529
00:24:17,330 --> 00:24:13,440
that originally was the form of of

530
00:24:20,510 --> 00:24:17,340
Scorpio in its original form

531
00:24:24,710 --> 00:24:20,520
before the Scorpion and and look at the

532
00:24:29,690 --> 00:24:26,990
wow

533
00:24:32,330 --> 00:24:29,700
yeah you can see the floor here again

534
00:24:34,909 --> 00:24:32,340
you see the floor that might be part of

535
00:24:37,310 --> 00:24:34,919
uh if you notice those stars and then

536
00:24:38,690 --> 00:24:37,320
like that's what's interesting is like

537
00:24:41,930 --> 00:24:38,700
because it's we're only getting little

538
00:24:45,169 --> 00:24:41,940

segments of it it's like where is that

539

00:24:47,570 --> 00:24:45,179

part with because obviously the the

540

00:24:50,390 --> 00:24:47,580

zodiac sign is to the right of that with

541

00:24:52,730 --> 00:24:50,400

the stars above it these are like other

542

00:24:54,649 --> 00:24:52,740

depictions that they're trying to

543

00:24:56,450 --> 00:24:54,659

coordinate with it's also interesting to

544

00:24:59,630 --> 00:24:56,460

see the hieroglyphics underneath some of

545

00:25:02,149 --> 00:24:59,640

them which are not traditional like that

546

00:25:04,490 --> 00:25:02,159

I would say I've seen before like under

547

00:25:06,789 --> 00:25:04,500

that second

548

00:25:11,029 --> 00:25:08,870

Wing snake

549

00:25:13,730 --> 00:25:11,039

yeah they could be talking about a Hydra

550

00:25:17,090 --> 00:25:13,740

that comes to the Zodiac too well look

551
00:25:18,190 --> 00:25:17,100
uh this this eagle has got a crocodile

552
00:25:20,450 --> 00:25:18,200
head

553
00:25:22,250 --> 00:25:20,460
which they if you go back to the image

554
00:25:24,710 --> 00:25:22,260
but prior that's actually what they were

555
00:25:27,110 --> 00:25:24,720
kind of trying to allude to next to

556
00:25:30,710 --> 00:25:27,120
Taurus you see that there well that's uh

557
00:25:34,070 --> 00:25:30,720
well it could be but this is also the uh

558
00:25:36,890 --> 00:25:34,080
Egyptian god I I just can't think of the

559
00:25:41,870 --> 00:25:36,900
name but it's depicted a little bit

560
00:25:43,610 --> 00:25:41,880
stranger so I don't know if this is that

561
00:25:45,169 --> 00:25:43,620
particular God or if there's something

562
00:25:48,529 --> 00:25:45,179
else going on here I need some more

563
00:25:49,789 --> 00:25:48,539

information but certainly these are

564

00:25:52,250 --> 00:25:49,799

giant

565

00:25:55,070 --> 00:25:52,260

you know that is a ceiling you can see

566

00:25:58,070 --> 00:25:55,080

that right you can see the ceiling here

567

00:26:00,529 --> 00:25:58,080

so now the question is how how tall is

568

00:26:02,690 --> 00:26:00,539

this wall I mean it could be it could be

569

00:26:06,649 --> 00:26:02,700

four feet tall I don't know but if it's

570

00:26:09,049 --> 00:26:06,659

if it's a normal sized room that you see

571

00:26:12,289 --> 00:26:09,059

all over Egypt this is eight to ten feet

572

00:26:13,190 --> 00:26:12,299

tall well you notice the slab how they

573

00:26:16,130 --> 00:26:13,200

put

574

00:26:18,289 --> 00:26:16,140

the the crack and that actually is the

575

00:26:22,430 --> 00:26:18,299

representation of

576

00:26:23,450 --> 00:26:22,440

like two zodiac signs the split yeah it

577

00:26:31,070 --> 00:26:23,460

could be

578

00:26:33,890 --> 00:26:31,080

the split goes into the floor yeah I

579

00:26:35,990 --> 00:26:33,900

mean they make it very prominent

580

00:26:38,570 --> 00:26:36,000

they didn't have to they and they even

581

00:26:40,909 --> 00:26:38,580

if you think about it they even if you

582

00:26:44,510 --> 00:26:40,919

look at that one box in that crack they

583

00:26:46,549 --> 00:26:44,520

made it as another in between at a cusp

584

00:26:48,649 --> 00:26:46,559

right and the way that they're just from

585

00:26:51,529 --> 00:26:48,659

that that Scorpio

586

00:26:54,950 --> 00:26:51,539

depiction and having

587

00:26:57,470 --> 00:26:54,960

that really interesting aspect of where

588

00:26:59,269 --> 00:26:57,480

it had kind of like a weird look to it

589

00:27:01,970 --> 00:26:59,279

and then now seeing the twins but having

590

00:27:04,909 --> 00:27:01,980

bull heads which is always next to

591

00:27:06,950 --> 00:27:04,919

Gemini the twins there's some sort of

592

00:27:08,890 --> 00:27:06,960

blending they're trying to show and

593

00:27:12,110 --> 00:27:08,900

cuspy blendings

594

00:27:14,450 --> 00:27:12,120

now I want to go back to this what I've

595

00:27:16,250 --> 00:27:14,460

always found watch your uh Insight on

596

00:27:18,529 --> 00:27:16,260

this what I've always found very

597

00:27:22,250 --> 00:27:18,539

interesting

598

00:27:24,649 --> 00:27:22,260

um was that the first

599

00:27:28,310 --> 00:27:24,659

um what we recognize I should say it's

600

00:27:34,190 --> 00:27:28,320

not the first uh we know that now but

601
00:27:36,590 --> 00:27:34,200
um uh that the first modern zodiac was

602
00:27:38,210 --> 00:27:36,600
in Egypt and it was found in dendara at

603
00:27:41,390 --> 00:27:38,220
the temple I've seen it right it's on

604
00:27:44,210 --> 00:27:41,400
the ceiling the real one uh I think the

605
00:27:46,250 --> 00:27:44,220
British did it maybe it was Napoleon one

606
00:27:48,049 --> 00:27:46,260
of the two it's either at the Louvre

607
00:27:49,850 --> 00:27:48,059
it's at the British museum they cut that

608
00:27:51,350 --> 00:27:49,860
thing out of the ceiling man and stole

609
00:27:54,310 --> 00:27:51,360
it right

610
00:27:58,190 --> 00:27:54,320
um and it's crazy it's a circular

611
00:28:03,950 --> 00:27:58,200
zodiac and uh and then so they made a

612
00:28:05,990 --> 00:28:03,960
cast of it and put the copy back into

613
00:28:07,909 --> 00:28:06,000

the ceiling of dandera and it's there

614

00:28:10,970 --> 00:28:07,919

it's painted it looks great but it's not

615

00:28:13,130 --> 00:28:10,980

the real one the real one is in Europe

616

00:28:16,610 --> 00:28:13,140

um but what I've always found

617

00:28:17,870 --> 00:28:16,620

fascinating and I just can't wrap my

618

00:28:22,490 --> 00:28:17,880

head around this

619

00:28:24,470 --> 00:28:22,500

is that here we have they were seeing

620

00:28:27,350 --> 00:28:24,480

a scorpion

621

00:28:28,970 --> 00:28:27,360

right right so were other cultures

622

00:28:31,669 --> 00:28:28,980

around the world that never went to

623

00:28:34,029 --> 00:28:31,679

Egypt right and and but they were

624

00:28:37,730 --> 00:28:34,039

looking up at the constellations

625

00:28:40,250 --> 00:28:37,740

and and they were seeing things right

626
00:28:41,630 --> 00:28:40,260
they were seeing uh you know it's so

627
00:28:43,850 --> 00:28:41,640
funny

628
00:28:45,950 --> 00:28:43,860
um you know a bow and arrow

629
00:28:47,450 --> 00:28:45,960
right that's that's in it that's in

630
00:28:49,610 --> 00:28:47,460
everything the twins it's in everything

631
00:28:52,610 --> 00:28:49,620
Taurus it's in it's it's in everything

632
00:28:54,890 --> 00:28:52,620
the bowl is in everything the Scorpion

633
00:28:57,409 --> 00:28:54,900
is in everything

634
00:28:59,649 --> 00:28:57,419
um do you think that's because everybody

635
00:29:03,010 --> 00:28:59,659
was uh

636
00:29:06,110 --> 00:29:03,020
visualizing the same thing independently

637
00:29:07,909 --> 00:29:06,120
or or that they were communicating and

638
00:29:10,730 --> 00:29:07,919

maybe there was communication around the

639

00:29:12,470 --> 00:29:10,740

world you know 5 000 years ago I can see

640

00:29:15,049 --> 00:29:12,480

it from both ways I mean I think that

641

00:29:17,870 --> 00:29:15,059

one of the one what makes Scorpio so

642

00:29:20,810 --> 00:29:17,880

interesting is that Antares

643

00:29:23,149 --> 00:29:20,820

the greatest Red Giant star which is the

644

00:29:25,610 --> 00:29:23,159

biggest sun in our whole solar system or

645

00:29:27,049 --> 00:29:25,620

in our whole galaxy right is in Scorpio

646

00:29:29,149 --> 00:29:27,059

so it it

647

00:29:32,630 --> 00:29:29,159

of course Stars blink right where

648

00:29:35,930 --> 00:29:32,640

planets don't and it you can see how red

649

00:29:38,029 --> 00:29:35,940

it is right so the reddest of all the

650

00:29:40,010 --> 00:29:38,039

stars is in Scorpio

651
00:29:44,330 --> 00:29:40,020
so that always has given it that

652
00:29:47,330 --> 00:29:44,340
depiction of that fear of like death or

653
00:29:49,310 --> 00:29:47,340
war or intense aspects or why if you

654
00:29:52,190 --> 00:29:49,320
just go up and down in the Netherlands

655
00:29:53,930 --> 00:29:52,200
right you go and you associate that with

656
00:29:56,330 --> 00:29:53,940
the red light district there's always

657
00:29:58,669 --> 00:29:56,340
the girl in the window where you go to

658
00:30:00,889 --> 00:29:58,679
Vegas and if you see a red and black

659
00:30:04,130 --> 00:30:00,899
energy you know or you go to a lingerie

660
00:30:06,409 --> 00:30:04,140
store it's always black and red you know

661
00:30:08,450 --> 00:30:06,419
that's always been the association with

662
00:30:11,450 --> 00:30:08,460
that scorpionic energy because of the

663
00:30:13,669 --> 00:30:11,460

star itself that is in there right or if

664

00:30:16,130 --> 00:30:13,679

you look at regulus the star for Leo it

665

00:30:17,930 --> 00:30:16,140

literally looks like a lion and the star

666

00:30:21,169 --> 00:30:17,940

is the only star that sits on the

667

00:30:23,510 --> 00:30:21,179

ecliptic it's the that's why royalty or

668

00:30:26,690 --> 00:30:23,520

kings are represented by Leo because

669

00:30:29,930 --> 00:30:26,700

regulus sits on the ecliptic and it's

670

00:30:32,870 --> 00:30:29,940

the heart of the lion right

671

00:30:34,610 --> 00:30:32,880

on there so I look at it from everybody

672

00:30:37,909 --> 00:30:34,620

could have probably seen that over time

673

00:30:39,830 --> 00:30:37,919

but also I'm one to to think that we

674

00:30:42,230 --> 00:30:39,840

live in a world to where

675

00:30:44,690 --> 00:30:42,240

Pluto and Aquarius is about to unearth

676
00:30:47,409 --> 00:30:44,700
Pluto it takes everything because

677
00:30:50,510 --> 00:30:47,419
actually the idea of Mining and getting

678
00:30:52,909 --> 00:30:50,520
metals from the bottom in our Earth is a

679
00:30:56,149 --> 00:30:52,919
very plutonian thing right

680
00:30:58,490 --> 00:30:56,159
so we're about to mine to find what we

681
00:31:00,769 --> 00:30:58,500
are as humans we don't know who we are

682
00:31:02,330 --> 00:31:00,779
and we're about to be shocked by what we

683
00:31:04,970 --> 00:31:02,340
thought we were

684
00:31:06,950 --> 00:31:04,980
we aren't or where we came from or if

685
00:31:08,330 --> 00:31:06,960
we're even from Earth

686
00:31:10,610 --> 00:31:08,340
especially I don't know if you just saw

687
00:31:14,630 --> 00:31:10,620
that Japanese asteroid that they just

688
00:31:17,810 --> 00:31:14,640

found that they found RNA and B3 vitamin

689

00:31:20,990 --> 00:31:17,820

niacin in it I mean honestly that's

690

00:31:23,090 --> 00:31:21,000

already one of the two of the five of

691

00:31:25,250 --> 00:31:23,100

the building blocks of our DNA in an

692

00:31:28,810 --> 00:31:25,260

asteroid so

693

00:31:31,970 --> 00:31:28,820

that kind of makes the idea that nature

694

00:31:34,430 --> 00:31:31,980

that we Define it as is maybe it's not

695

00:31:36,529 --> 00:31:34,440

this is I mean we don't go live in the

696

00:31:38,570 --> 00:31:36,539

trees like everybody wants to we all go

697

00:31:39,830 --> 00:31:38,580

in a house and we even the Egyptians we

698

00:31:42,230 --> 00:31:39,840

don't they build pyramids they build

699

00:31:45,529 --> 00:31:42,240

temples everybody is like get away from

700

00:31:46,970 --> 00:31:45,539

the environment right

701
00:31:49,310 --> 00:31:46,980
right you know

702
00:31:50,570 --> 00:31:49,320
um we're going to get back to Pluto in

703
00:31:53,090 --> 00:31:50,580
just a second

704
00:31:55,909 --> 00:31:53,100
um that

705
00:31:59,210 --> 00:31:55,919
um when we hear over and over again

706
00:32:03,950 --> 00:31:59,220
David you know we are Stardust you know

707
00:32:06,649 --> 00:32:03,960
right gave themselves a star died so you

708
00:32:09,710 --> 00:32:06,659
could be here right well and and you

709
00:32:11,389 --> 00:32:09,720
hear and a lot of uh a lot of people

710
00:32:14,029 --> 00:32:11,399
that just have a closed mind they're

711
00:32:18,230 --> 00:32:14,039
like and that's just some new agey you

712
00:32:21,950 --> 00:32:18,240
know [h__\h] it's not it's not now no

713
00:32:25,789 --> 00:32:21,960

it's not it never has been

714

00:32:28,310 --> 00:32:25,799

um the the oxygen the the air that we

715

00:32:30,769 --> 00:32:28,320

are breathing now is the same air that

716

00:32:33,049 --> 00:32:30,779

that the pharaohs breathe or the

717

00:32:35,510 --> 00:32:33,059

dinosaurs or whatever it's the same air

718

00:32:37,070 --> 00:32:35,520

it's not new air there's you know it's

719

00:32:40,909 --> 00:32:37,080

that it's the same

720

00:32:43,070 --> 00:32:40,919

and the what what is in your right hand

721

00:32:46,850 --> 00:32:43,080

and what is in your left hand are two

722

00:32:50,210 --> 00:32:46,860

different Stars yeah that that died to

723

00:32:54,529 --> 00:32:50,220

bring us here and and so the idea of uh

724

00:32:56,450 --> 00:32:54,539

panspermia and these ideas even octopus

725

00:32:59,149 --> 00:32:56,460

right there's you know there's theories

726

00:33:01,610 --> 00:32:59,159

that are beings that we finally Define

727

00:33:03,350 --> 00:33:01,620

them as yeah yeah fully alien I mean

728

00:33:06,649 --> 00:33:03,360

octopus are completely different than

729

00:33:10,130 --> 00:33:06,659

any other species on this planet

730

00:33:12,730 --> 00:33:10,140

um uh so but here's the thing

731

00:33:16,789 --> 00:33:12,740

when we turn around

732

00:33:22,750 --> 00:33:16,799

and contemplate the significance

733

00:33:27,230 --> 00:33:22,760

of the building blocks the basic sugars

734

00:33:29,870 --> 00:33:27,240

the basic basic chemistry of the

735

00:33:33,529 --> 00:33:29,880

building blocks of life is floating

736

00:33:36,169 --> 00:33:33,539

around in the vacuum of space being

737

00:33:40,549 --> 00:33:36,179

dropped off everywhere right that's

738

00:33:41,690 --> 00:33:40,559

that's crazy that's just vitamin B3 Matt

739

00:33:44,630 --> 00:33:41,700

niacin

740

00:33:48,230 --> 00:33:44,640

was just found on this asteroid right

741

00:33:50,750 --> 00:33:48,240

and it's completely and RNA and well

742

00:33:52,909 --> 00:33:50,760

okay so RNA and this is the other

743

00:33:56,389 --> 00:33:52,919

interesting part

744

00:33:59,630 --> 00:33:56,399

um DNA we we talk about all the time and

745

00:34:02,090 --> 00:33:59,640

DNA is special and it's very very very

746

00:34:07,009 --> 00:34:02,100

very very complex

747

00:34:12,409 --> 00:34:07,019

so is RNA and RNA doesn't get talked

748

00:34:15,889 --> 00:34:12,419

about as much as DNA and it should RNA

749

00:34:20,810 --> 00:34:15,899

carries the instructions right and

750

00:34:23,510 --> 00:34:20,820

transfers the data on what to do for

751

00:34:25,849 --> 00:34:23,520

life that's so without RNA there is no

752

00:34:28,909 --> 00:34:25,859

and we've got we've got

753

00:34:30,409 --> 00:34:28,919

um asteroids landing on this planet

754

00:34:32,270 --> 00:34:30,419

hitting this planet and hitting other

755

00:34:35,329 --> 00:34:32,280

planets

756

00:34:38,589 --> 00:34:35,339

yeah and and it just conveniently has

757

00:34:42,470 --> 00:34:38,599

niacin right that that

758

00:34:44,089 --> 00:34:42,480

RNA needs to to get working it's like

759

00:34:46,430 --> 00:34:44,099

wait wait wait wait what

760

00:34:49,010 --> 00:34:46,440

wait wait can we have a discussion here

761

00:34:53,149 --> 00:34:49,020

about really what is actually going on

762

00:34:55,550 --> 00:34:53,159

that that's what the best part of Pluto

763

00:34:56,869 --> 00:34:55,560

coming into Aquarius is but it's going

764

00:35:00,470 --> 00:34:56,879

to shatter

765

00:35:03,530 --> 00:35:00,480

what we think all forms of intelligence

766

00:35:04,970 --> 00:35:03,540

Aquarius is about air it's an air sign

767

00:35:07,310 --> 00:35:04,980

every people think it's a water sign

768

00:35:08,990 --> 00:35:07,320

because it's a water Bearer but it's an

769

00:35:11,510 --> 00:35:09,000

air sign but it's also a fixed sign

770

00:35:13,790 --> 00:35:11,520

there's modalities there's only the

771

00:35:15,829 --> 00:35:13,800

three modalities there's the cardinal

772

00:35:17,810 --> 00:35:15,839

signs which start at the cardinal points

773

00:35:19,490 --> 00:35:17,820

of understanding the start of the

774

00:35:20,630 --> 00:35:19,500

seasons and then of course the fixed

775

00:35:22,550 --> 00:35:20,640

signs which are in the middle of the

776

00:35:24,410 --> 00:35:22,560

seasons that are very fixed-oriented

777

00:35:26,089 --> 00:35:24,420

Cardinals about starting something and

778

00:35:27,650 --> 00:35:26,099

moving towards it fixed is about holding

779

00:35:28,730 --> 00:35:27,660

the nature and then mutable is about

780

00:35:32,450 --> 00:35:28,740

change

781

00:35:33,950 --> 00:35:32,460

and and dissipation and mutability so

782

00:35:36,530 --> 00:35:33,960

mutation

783

00:35:39,770 --> 00:35:36,540

so when Pluto is moving into Aquarius

784

00:35:42,890 --> 00:35:39,780

all are fixed intellectual ideas of what

785

00:35:45,230 --> 00:35:42,900

we think the world is the humans the

786

00:35:47,450 --> 00:35:45,240

universe is about to be completely

787

00:35:50,750 --> 00:35:47,460

imploded

788

00:35:52,790 --> 00:35:50,760

so things that we think typically should

789

00:35:54,829 --> 00:35:52,800

work experiments that always work won't

790

00:35:57,470 --> 00:35:54,839

work anymore like what we're seeing with

791

00:36:00,230 --> 00:35:57,480

James Webb Telescope right like well

792

00:36:01,849 --> 00:36:00,240

this doesn't make sense anymore so all

793

00:36:03,890 --> 00:36:01,859

of Hubble's stuff went out the window

794

00:36:05,870 --> 00:36:03,900

just just in the last couple weeks just

795

00:36:07,310 --> 00:36:05,880

like oh yeah you were wrong we were

796

00:36:09,170 --> 00:36:07,320

wrong there's going to be a lot of we

797

00:36:10,790 --> 00:36:09,180

were wrongs and a lot of and it's going

798

00:36:12,589 --> 00:36:10,800

to be about how people are gonna be able

799

00:36:15,130 --> 00:36:12,599

to accept this

800

00:36:17,630 --> 00:36:15,140

because already there's so much

801
00:36:19,430 --> 00:36:17,640
conspiracy Pluto rules conspiracies or

802
00:36:22,730 --> 00:36:19,440
collusion to the field there's already a

803
00:36:24,829 --> 00:36:22,740
mistrust of science now and Aquarius

804
00:36:26,450 --> 00:36:24,839
rule science but that's where it's going

805
00:36:28,550 --> 00:36:26,460
to be the weird things is now people are

806
00:36:31,069 --> 00:36:28,560
in a place to where

807
00:36:34,069 --> 00:36:31,079
you're gonna have to take that not all

808
00:36:36,290 --> 00:36:34,079
science is always colluding against us

809
00:36:37,490 --> 00:36:36,300
because we have to find our origin it's

810
00:36:39,530 --> 00:36:37,500
really what this is going to be about

811
00:36:41,329 --> 00:36:39,540
the what is the human origin what is the

812
00:36:43,069 --> 00:36:41,339
origin of what the hell is really going

813
00:36:45,829 --> 00:36:43,079

on right

814

00:36:48,410 --> 00:36:45,839

because so so I think people think

815

00:36:50,930 --> 00:36:48,420

disclosure was like more of like

816

00:36:52,910 --> 00:36:50,940

some out outside like you know event

817

00:36:55,250 --> 00:36:52,920

kind of thing when the events are like

818

00:36:58,250 --> 00:36:55,260

more of a of a deeper sense of

819

00:36:59,990 --> 00:36:58,260

uncoverings very Pluto is very like oh

820

00:37:01,790 --> 00:37:00,000

my gosh look at this was underneath all

821

00:37:03,890 --> 00:37:01,800

this sediment the whole time you mean

822

00:37:08,030 --> 00:37:03,900

that the octopuses that we were always

823

00:37:10,730 --> 00:37:08,040

swimming with are aliens like

824

00:37:13,310 --> 00:37:10,740

it's all kind of there but finally

825

00:37:15,890 --> 00:37:13,320

revealing itself

826
00:37:17,930 --> 00:37:15,900
and that's putting it together yeah and

827
00:37:21,290 --> 00:37:17,940
if we

828
00:37:24,710 --> 00:37:21,300
um a science okay here's here's the deal

829
00:37:26,210 --> 00:37:24,720
and and I know I know how a lot of

830
00:37:29,690 --> 00:37:26,220
people think because I think this way

831
00:37:33,670 --> 00:37:29,700
too as well we are always battling the

832
00:37:37,730 --> 00:37:33,680
man and there is a lot of truth that is

833
00:37:40,790 --> 00:37:37,740
uh kept from us that's a fact it's it's

834
00:37:43,970 --> 00:37:40,800
just a fact and our deep history and

835
00:37:47,210 --> 00:37:43,980
things you know we some things we need

836
00:37:49,370 --> 00:37:47,220
to take upon ourselves yeah but that

837
00:37:51,589 --> 00:37:49,380
doesn't mean that science hasn't been

838
00:37:54,470 --> 00:37:51,599

our friend science itself I'm not

839

00:37:56,450 --> 00:37:54,480

talking about the man you know those

840

00:37:59,089 --> 00:37:56,460

that control education and those that

841

00:38:00,829 --> 00:37:59,099

are funding science projects I'm not

842

00:38:03,290 --> 00:38:00,839

talking about that I'm not talking about

843

00:38:06,710 --> 00:38:03,300

government talking about scientists

844

00:38:10,190 --> 00:38:06,720

right and if we back up and we think

845

00:38:15,050 --> 00:38:10,200

about the importance of scientists uh

846

00:38:17,510 --> 00:38:15,060

from the past that gave up their lives

847

00:38:22,069 --> 00:38:17,520

seriously put everything you think about

848

00:38:24,710 --> 00:38:22,079

what Galileo did I know yeah yeah and

849

00:38:28,430 --> 00:38:24,720

and and and and he discovered Neptune

850

00:38:32,089 --> 00:38:28,440

and then before it's in his 1613

851
00:38:35,569 --> 00:38:32,099
journals and he was right it was Neptune

852
00:38:38,569 --> 00:38:35,579
and that's before telescopes so how how

853
00:38:40,370 --> 00:38:38,579
do I discover that yeah actually

854
00:38:42,349 --> 00:38:40,380
um it was the beginning of telescopes

855
00:38:45,829 --> 00:38:42,359
but that makes it even more incredible

856
00:38:47,569 --> 00:38:45,839
you see Galileo's telescope right that's

857
00:38:49,550 --> 00:38:47,579
what I'm saying it's like the the ones

858
00:38:52,250 --> 00:38:49,560
that we're using to find these planets

859
00:38:56,510 --> 00:38:52,260
right right right right right it's

860
00:38:58,569 --> 00:38:56,520
mind-blowing and and here is I I still

861
00:39:01,490 --> 00:38:58,579
find it fascinating

862
00:39:04,250 --> 00:39:01,500
that uh I'm not done we're going to talk

863
00:39:07,670 --> 00:39:04,260

about Gobekli Tepe here and Scorpio in

864

00:39:11,810 --> 00:39:07,680

just a second but here's the thing

865

00:39:13,730 --> 00:39:11,820

um I I sat out my backyard with you and

866

00:39:15,710 --> 00:39:13,740

we're looking at you know the night sky

867

00:39:17,390 --> 00:39:15,720

and we're discussing this and we're

868

00:39:20,150 --> 00:39:17,400

discussing that and you're you know

869

00:39:22,490 --> 00:39:20,160

you're you're schooling me on on what is

870

00:39:25,270 --> 00:39:22,500

going on and I'm I'm pointing out to you

871

00:39:28,130 --> 00:39:25,280

my favorite things and then you know but

872

00:39:32,569 --> 00:39:28,140

the difference is

873

00:39:34,490 --> 00:39:32,579

um uh I go yeah I like that over there I

874

00:39:37,790 --> 00:39:34,500

like that star because it's it's it's

875

00:39:40,130 --> 00:39:37,800

it's so bright and cool that's my that's

876

00:39:41,810 --> 00:39:40,140

my comment David goes well that's that's

877

00:39:43,970 --> 00:39:41,820

regulus that's that's that's that's

878

00:39:47,089 --> 00:39:43,980

that's basically with the algal that you

879

00:39:49,430 --> 00:39:47,099

like the binary star that that blinks

880

00:39:53,050 --> 00:39:49,440

yeah yeah or on one side and then the

881

00:39:55,609 --> 00:39:53,060

other star blinks more and it it's so

882

00:39:56,990 --> 00:39:55,619

it's kind of like if you think about uh

883

00:40:02,870 --> 00:39:57,000

Charlie Brown

884

00:40:07,130 --> 00:40:02,880

grass and they're looking up at the

885

00:40:10,970 --> 00:40:07,140

clouds and and Charlie Brown goes

886

00:40:14,750 --> 00:40:10,980

that's cool it kind of looks like a duck

887

00:40:17,510 --> 00:40:14,760

and then Lucy goes my kind of looks like

888

00:40:19,970 --> 00:40:17,520

Washington Crossing the Delaware if you

889

00:40:23,450 --> 00:40:19,980

think about you know it's one complex

890

00:40:25,970 --> 00:40:23,460

mind working and then the cartoon mind

891

00:40:28,730 --> 00:40:25,980

I'm the cartoon mind and you're the

892

00:40:34,130 --> 00:40:28,740

complex mind but here's the thing

893

00:40:36,890 --> 00:40:34,140

um when uh the Ancients because I can go

894

00:40:38,630 --> 00:40:36,900

out now I know you know what planets are

895

00:40:40,970 --> 00:40:38,640

there I can look at the constellations

896

00:40:43,730 --> 00:40:40,980

and I can pick things out but I've been

897

00:40:46,210 --> 00:40:43,740

working at it and I have modern data and

898

00:40:49,010 --> 00:40:46,220

people like you to help me through this

899

00:40:51,589 --> 00:40:49,020

but the ancients

900

00:40:53,569 --> 00:40:51,599

they they would see Saturn they would

901
00:40:56,270 --> 00:40:53,579
see Jupiter they would see Venus right

902
00:40:58,910 --> 00:40:56,280
they would see these things and they

903
00:41:00,829 --> 00:40:58,920
figured it out that they were different

904
00:41:02,510 --> 00:41:00,839
than the stars and that there was

905
00:41:04,790 --> 00:41:02,520
something else going on and there was

906
00:41:07,790 --> 00:41:04,800
something moving in the sky that was

907
00:41:09,589 --> 00:41:07,800
independent of the stars and for them to

908
00:41:13,849 --> 00:41:09,599
go and figure that out and that includes

909
00:41:16,970 --> 00:41:13,859
Galileo who and and Copernicus

910
00:41:22,370 --> 00:41:16,980
um yeah it's kind of a knockoff but yeah

911
00:41:25,790 --> 00:41:22,380
well but but copernican the the ideas of

912
00:41:27,829 --> 00:41:25,800
church church funded well but he still

913
00:41:31,250 --> 00:41:27,839

said the sun was at the center

914

00:41:33,410 --> 00:41:31,260

right and oh yeah no I oh I get that I

915

00:41:35,390 --> 00:41:33,420

just you know there's a lot of as

916

00:41:37,430 --> 00:41:35,400

astrologers you remember that that was

917

00:41:40,130 --> 00:41:37,440

also

918

00:41:42,530 --> 00:41:40,140

the end of astrology in the beginning of

919

00:41:44,089 --> 00:41:42,540

alchemy turning to science and also the

920

00:41:45,290 --> 00:41:44,099

end of astrology and calling it

921

00:41:48,349 --> 00:41:45,300

astronomy

922

00:41:50,210 --> 00:41:48,359

yeah all funded by the church yeah rid

923

00:41:51,890 --> 00:41:50,220

of all the

924

00:41:54,230 --> 00:41:51,900

going all the way back to the beginning

925

00:41:55,730 --> 00:41:54,240

of Christianity which actually really

926
00:41:59,450 --> 00:41:55,740
starts with

927
00:42:01,490 --> 00:41:59,460
a Roman Emperor you know what I mean

928
00:42:04,250 --> 00:42:01,500
like it's one of those yeah

929
00:42:06,890 --> 00:42:04,260
right that wants to change everything so

930
00:42:09,349 --> 00:42:06,900
back at 325 so it's one of those moments

931
00:42:13,370 --> 00:42:09,359
to where they finally get their grip to

932
00:42:15,170 --> 00:42:13,380
get rid of this on people and even

933
00:42:18,050 --> 00:42:15,180
change the Bible and do all these crazy

934
00:42:21,589 --> 00:42:18,060
things because of it yeah they actually

935
00:42:24,849 --> 00:42:21,599
thought this is the thing they actually

936
00:42:28,310 --> 00:42:24,859
thought that they would get a confession

937
00:42:31,849 --> 00:42:28,320
out of uh Galileo

938
00:42:33,650 --> 00:42:31,859

right and and everything was going to be

939

00:42:34,910 --> 00:42:33,660

just fine and they would control the

940

00:42:37,790 --> 00:42:34,920

narrative

941

00:42:38,690 --> 00:42:37,800

that didn't happen he goes into house

942

00:42:42,530 --> 00:42:38,700

arrest

943

00:42:45,710 --> 00:42:42,540

and only because

944

00:42:48,349 --> 00:42:45,720

of the sun being at the center of

945

00:42:50,329 --> 00:42:48,359

everything and not the Earth right that

946

00:42:53,450 --> 00:42:50,339

they had to control that narrative it

947

00:42:55,790 --> 00:42:53,460

was so important to them and in the end

948

00:42:58,550 --> 00:42:55,800

it not only did not turn out to be

949

00:43:00,950 --> 00:42:58,560

important it didn't change things but

950

00:43:04,069 --> 00:43:00,960

Galileo was right

951

00:43:08,150 --> 00:43:04,079

you know and you think about

952

00:43:11,030 --> 00:43:08,160

um the the looking at uh you know our

953

00:43:13,670 --> 00:43:11,040

solar system then looking out into uh

954

00:43:17,150 --> 00:43:13,680

the Milky Way trying to figure out what

955

00:43:19,250 --> 00:43:17,160

was going on because at that time I mean

956

00:43:22,490 --> 00:43:19,260

this is where we head back to go Beckley

957

00:43:25,069 --> 00:43:22,500

tappy at that time and I've looked at

958

00:43:28,970 --> 00:43:25,079

all of the uh ancient scripts and books

959

00:43:32,030 --> 00:43:28,980

uh dealing with this they thought and I

960

00:43:35,829 --> 00:43:32,040

can kind of understand why that the

961

00:43:39,890 --> 00:43:35,839

stars were a wall

962

00:43:41,510 --> 00:43:39,900

yeah yeah yeah it was a wall of stars

963

00:43:43,609 --> 00:43:41,520

that there was nothing between us and

964

00:43:45,829 --> 00:43:43,619

the stars and then when you got there it

965

00:43:50,089 --> 00:43:45,839

was it was a wall of Cyrus and that was

966

00:43:52,370 --> 00:43:50,099

the general idea of of the time and and

967

00:43:54,710 --> 00:43:52,380

Galileo said no no no no no no no no no

968

00:43:58,010 --> 00:43:54,720

there's no there's something else going

969

00:44:00,410 --> 00:43:58,020

on here and and to be able to deduce

970

00:44:02,990 --> 00:44:00,420

that that's how great his mind was and

971

00:44:06,250 --> 00:44:03,000

he did that with that a little a

972

00:44:10,370 --> 00:44:06,260

telescope with handmade lenses right

973

00:44:12,530 --> 00:44:10,380

it's insane to me and he turned out

974

00:44:14,450 --> 00:44:12,540

to be right

975

00:44:16,849 --> 00:44:14,460

that's what's so incredible and then

976

00:44:19,970 --> 00:44:16,859

what happened today David

977

00:44:21,730 --> 00:44:19,980

now now now the Vatican has their own

978

00:44:24,950 --> 00:44:21,740

observatories right

979

00:44:26,390 --> 00:44:24,960

that they just don't they they put up a

980

00:44:28,910 --> 00:44:26,400

video on YouTube that has like a

981

00:44:32,510 --> 00:44:28,920

thousand views and none of the Catholics

982

00:44:34,970 --> 00:44:32,520

watch it or like the this is a King

983

00:44:36,770 --> 00:44:34,980

James Bible from 1625 so you have to

984

00:44:38,750 --> 00:44:36,780

remember King James was the King of

985

00:44:40,490 --> 00:44:38,760

England at the time and also became the

986

00:44:43,730 --> 00:44:40,500

first king of England and King of

987

00:44:45,109 --> 00:44:43,740

Scotland and brought them together and

988

00:44:47,270 --> 00:44:45,119

what did he do he was obsessed with

989

00:44:49,550 --> 00:44:47,280

demons and demonology that's the book he

990

00:44:51,770 --> 00:44:49,560

brought out during the time of Galileo

991

00:44:53,150 --> 00:44:51,780

and then after Galileo

992

00:44:55,130 --> 00:44:53,160

is when

993

00:44:57,050 --> 00:44:55,140

his version of the Bible is the first

994

00:45:00,170 --> 00:44:57,060

English version besides of course the

995

00:45:02,930 --> 00:45:00,180

Geneva Bible but the English English

996

00:45:05,870 --> 00:45:02,940

version that he's the king that he's

997

00:45:07,849 --> 00:45:05,880

puts his stamp on that he creates and he

998

00:45:10,609 --> 00:45:07,859

loves Shakespeare which that's a whole

999

00:45:13,069 --> 00:45:10,619

other long story of conspiracy but

1000

00:45:15,109 --> 00:45:13,079

makes it very over dramaticized and he

1001
00:45:17,690 --> 00:45:15,119
already created demonology and all about

1002
00:45:19,069 --> 00:45:17,700
witches and Witchcraft and all that and

1003
00:45:20,990 --> 00:45:19,079
that creates this whole narrative view

1004
00:45:22,849 --> 00:45:21,000
here today in religion like if you study

1005
00:45:25,970 --> 00:45:22,859
that you're going to hell

1006
00:45:27,349 --> 00:45:25,980
prior to that that was not

1007
00:45:29,150 --> 00:45:27,359
there

1008
00:45:30,490 --> 00:45:29,160
the

1009
00:45:33,890 --> 00:45:30,500
um

1010
00:45:36,589 --> 00:45:33,900
the ideas behind

1011
00:45:42,109 --> 00:45:36,599
astrology

1012
00:45:46,010 --> 00:45:42,119
um and the influence of of planets uh uh

1013
00:45:48,109 --> 00:45:46,020

on on events all the way down to the you

1014

00:45:50,210 --> 00:45:48,119

know personal individuals

1015

00:45:53,990 --> 00:45:50,220

this was something that has been talked

1016

00:45:57,050 --> 00:45:54,000

about in every single culture on this

1017

00:46:02,030 --> 00:45:57,060

planet so here's the question is it

1018

00:46:04,370 --> 00:46:02,040

because they recognized the changes in

1019

00:46:06,170 --> 00:46:04,380

correlation with the movement in the

1020

00:46:08,690 --> 00:46:06,180

skies that they were seeing

1021

00:46:10,490 --> 00:46:08,700

or was it something else and maybe

1022

00:46:12,829 --> 00:46:10,500

something more spiritual and divine

1023

00:46:15,109 --> 00:46:12,839

where this information maybe came from

1024

00:46:16,550 --> 00:46:15,119

above and down

1025

00:46:19,190 --> 00:46:16,560

um you could look at I mean there's

1026
00:46:21,650 --> 00:46:19,200
there's many different places that it's

1027
00:46:24,109 --> 00:46:21,660
been observed especially there's the

1028
00:46:25,790 --> 00:46:24,119
Western point of view which is mixed

1029
00:46:28,010 --> 00:46:25,800
with Egyptian of course and then that

1030
00:46:29,210 --> 00:46:28,020
turns into Greek and then that goes into

1031
00:46:30,950 --> 00:46:29,220
Roman

1032
00:46:32,690 --> 00:46:30,960
right so there's the what that's the

1033
00:46:34,309 --> 00:46:32,700
Western point of view then of course

1034
00:46:35,990 --> 00:46:34,319
there's The Vedic point of view which is

1035
00:46:38,630 --> 00:46:36,000
from India

1036
00:46:41,510 --> 00:46:38,640
and then of course there's time periods

1037
00:46:43,730 --> 00:46:41,520
where in the west it got dropped you

1038
00:46:46,550 --> 00:46:43,740

have to look at like 600 to about a

1039

00:46:49,490 --> 00:46:46,560

thousand it's actually being held by

1040

00:46:52,130 --> 00:46:49,500

people in the Arab countries so the

1041

00:46:54,410 --> 00:46:52,140

Arabs held astrology together for

1042

00:46:56,690 --> 00:46:54,420

centuries for us

1043

00:46:58,130 --> 00:46:56,700

so that's where you get their version of

1044

00:47:00,170 --> 00:46:58,140

things and where they actually create

1045

00:47:02,089 --> 00:47:00,180

different table systems and they create

1046

00:47:04,370 --> 00:47:02,099

lunar mansions

1047

00:47:06,170 --> 00:47:04,380

and they create all these things that

1048

00:47:08,809 --> 00:47:06,180

keep it alive

1049

00:47:10,730 --> 00:47:08,819

and so you have to look at it as like

1050

00:47:12,650 --> 00:47:10,740

when you're looking at planets because

1051

00:47:14,270 --> 00:47:12,660

again it's all about planets not

1052

00:47:16,250 --> 00:47:14,280

constellations

1053

00:47:17,569 --> 00:47:16,260

it's about planets because on the

1054

00:47:19,550 --> 00:47:17,579

ecliptic

1055

00:47:21,710 --> 00:47:19,560

it's the Sun and the Moon that are on

1056

00:47:23,510 --> 00:47:21,720

the same path that means every morning

1057

00:47:26,210 --> 00:47:23,520

you wake up it's gonna rise in the east

1058

00:47:28,190 --> 00:47:26,220

it's going to set in the west not exact

1059

00:47:31,550 --> 00:47:28,200

only when we're at the Equinox points

1060

00:47:34,010 --> 00:47:31,560

right we'll be really exact but that's

1061

00:47:35,870 --> 00:47:34,020

the interesting part is that we're at if

1062

00:47:38,870 --> 00:47:35,880

you were observing back then you would

1063

00:47:41,329 --> 00:47:38,880

be like well I'm watching

1064

00:47:44,089 --> 00:47:41,339

like what we saw in 2020 Jupiter and

1065

00:47:47,210 --> 00:47:44,099

Saturn met in the same spot December

1066

00:47:50,150 --> 00:47:47,220

21st and in 800 years they haven't been

1067

00:47:52,010 --> 00:47:50,160

in the view from Earth to be at such a

1068

00:47:54,890 --> 00:47:52,020

point to where we can literally see them

1069

00:47:56,990 --> 00:47:54,900

as one star together right it's really

1070

00:47:59,150 --> 00:47:57,000

two planets

1071

00:48:01,430 --> 00:47:59,160

so it's like if you would have been

1072

00:48:03,890 --> 00:48:01,440

observing the watching of that

1073

00:48:08,210 --> 00:48:03,900

especially when that happened last time

1074

00:48:13,250 --> 00:48:08,220

was when the astrologer for the Pope in

1075

00:48:15,530 --> 00:48:13,260

the 1340s before the black plague warned

1076
00:48:17,270 --> 00:48:15,540
of conjunctive astrology so they used

1077
00:48:18,710 --> 00:48:17,280
to be very basic if these planets are

1078
00:48:20,150 --> 00:48:18,720
coming together

1079
00:48:21,530 --> 00:48:20,160
and of course you have to be doing this

1080
00:48:22,670 --> 00:48:21,540
at night which I think is funny is most

1081
00:48:25,190 --> 00:48:22,680
people live their life in the day they

1082
00:48:27,290 --> 00:48:25,200
go to about 10 pm and then they wake up

1083
00:48:28,190 --> 00:48:27,300
and they never go look at it so they

1084
00:48:30,290 --> 00:48:28,200
have no understanding of what's

1085
00:48:32,630 --> 00:48:30,300
happening in our universe

1086
00:48:34,490 --> 00:48:32,640
and and it's like the people who are up

1087
00:48:36,950 --> 00:48:34,500
at night doing things are looked at as

1088
00:48:39,530 --> 00:48:36,960

like the Heretics in the world you know

1089

00:48:41,450 --> 00:48:39,540

the weirdos but really that's where it's

1090

00:48:43,670 --> 00:48:41,460

all discovered but if in conjunctonal

1091

00:48:46,550 --> 00:48:43,680

astrology which was very popular in the

1092

00:48:49,130 --> 00:48:46,560

in the Dark Ages ironically warned the

1093

00:48:51,710 --> 00:48:49,140

Pope it's about to go down

1094

00:48:54,430 --> 00:48:51,720

and the pope knew and what happened the

1095

00:48:59,990 --> 00:48:54,440

black plague happened

1096

00:49:03,290 --> 00:49:00,000

the University of Paris at that time

1097

00:49:05,150 --> 00:49:03,300

said that that conjunction which was in

1098

00:49:07,730 --> 00:49:05,160

1343

1099

00:49:09,910 --> 00:49:07,740

created the black plague that's what

1100

00:49:13,370 --> 00:49:09,920

created

1101

00:49:15,050 --> 00:49:13,380

and that was also at the time of

1102

00:49:17,510 --> 00:49:15,060

it's weird because we're in the same

1103

00:49:20,030 --> 00:49:17,520

astrology as those times

1104

00:49:22,430 --> 00:49:20,040

yeah it was you know what do you know

1105

00:49:24,230 --> 00:49:22,440

we're on the anniversary of that I think

1106

00:49:31,970 --> 00:49:24,240

it was March

1107

00:49:35,170 --> 00:49:31,980

today I think it was 1345 and then 1347

1108

00:49:38,510 --> 00:49:35,180

was when close enough come on David

1109

00:49:39,609 --> 00:49:38,520

close to that yeah close enough but I

1110

00:49:41,990 --> 00:49:39,619

just

1111

00:49:45,530 --> 00:49:42,000

this is what this is how friends talk

1112

00:49:47,870 --> 00:49:45,540

everybody I just did uh this day in

1113

00:49:51,349 --> 00:49:47,880

history which I do you know on the news

1114

00:49:52,550 --> 00:49:51,359

every day and that was this day in

1115

00:49:56,809 --> 00:49:52,560

history and I think it was three days

1116

00:49:59,809 --> 00:49:56,819

ago four days ago uh 1345 University of

1117

00:50:03,430 --> 00:49:59,819

Paris announced they wrote a whole paper

1118

00:50:07,370 --> 00:50:03,440

about this that the that that

1119

00:50:09,589 --> 00:50:07,380

conjunction created the black plague and

1120

00:50:11,329 --> 00:50:09,599

that's Saturn Jupiter yeah yeah Mars had

1121

00:50:14,930 --> 00:50:11,339

on Jupiter and that was official that

1122

00:50:18,890 --> 00:50:14,940

was like the official cause of the black

1123

00:50:22,069 --> 00:50:18,900

plague okay so now talking about

1124

00:50:24,349 --> 00:50:22,079

you know uh you know the dendara Zodiac

1125

00:50:25,790 --> 00:50:24,359

we've got this one uh that was just

1126

00:50:28,430 --> 00:50:25,800

revealed

1127

00:50:30,650 --> 00:50:28,440

um in Luxor and again at S9 everybody

1128

00:50:32,630 --> 00:50:30,660

can go online and look I'm gonna look

1129

00:50:34,550 --> 00:50:32,640

that one up when we're done yeah the

1130

00:50:36,290 --> 00:50:34,560

only release I I could only find four

1131

00:50:40,130 --> 00:50:36,300

photographs I want to see the rest of

1132

00:50:42,290 --> 00:50:40,140

the zodiac they said complete zodiac so

1133

00:50:45,589 --> 00:50:42,300

I'm gonna see the you know we've got

1134

00:50:50,530 --> 00:50:45,599

other images uh that are due to us VR

1135

00:50:56,930 --> 00:50:53,150

yeah with your mouse and move it around

1136

00:50:58,849 --> 00:50:56,940

but but if we back up before we say ah

1137

00:51:03,890 --> 00:50:58,859

this is coincidence or you know and and

1138

00:51:07,370 --> 00:51:03,900

this and okay if we if we back up 7

1139

00:51:10,670 --> 00:51:07,380

000 more years before dendara yeah

1140

00:51:12,170 --> 00:51:10,680

that's a long time seven Millennia 7 000

1141

00:51:15,230 --> 00:51:12,180

years before

1142

00:51:16,730 --> 00:51:15,240

pillar 43 and Gobekli Tepe has got a

1143

00:51:19,790 --> 00:51:16,740

zodiac on it

1144

00:51:24,069 --> 00:51:19,800

right and and to to sit there and to

1145

00:51:27,650 --> 00:51:24,079

look at 7 000 year span

1146

00:51:30,589 --> 00:51:27,660

to have that version of the Ancients

1147

00:51:32,450 --> 00:51:30,599

looking up at the night sky and and

1148

00:51:36,530 --> 00:51:32,460

seeing

1149

00:51:40,309 --> 00:51:36,540

um a Scorpio for instance and and to

1150

00:51:43,790 --> 00:51:40,319

have that depiction very clear you know

1151
00:51:45,530 --> 00:51:43,800
there and how the uh the Zodiac it's not

1152
00:51:47,510 --> 00:51:45,540
quite complete I think they have eight

1153
00:51:50,349 --> 00:51:47,520
constellations there but they're there

1154
00:51:53,990 --> 00:51:50,359
and they're seeing the exact same thing

1155
00:51:56,930 --> 00:51:54,000
what what what gives again is it coming

1156
00:52:00,049 --> 00:51:56,940
from another intelligence and somebody

1157
00:52:02,690 --> 00:52:00,059
is telling them what what that is you

1158
00:52:05,990 --> 00:52:02,700
know that's Scorpio and then they made

1159
00:52:09,170 --> 00:52:06,000
or or are they visualizing this I find

1160
00:52:11,390 --> 00:52:09,180
that fascinating 7 000 years is is not a

1161
00:52:13,910 --> 00:52:11,400
small piece of time

1162
00:52:16,130 --> 00:52:13,920
well no it's not but what's the small

1163
00:52:18,230 --> 00:52:16,140

amount of time is what we call science

1164

00:52:21,410 --> 00:52:18,240

today and knowing what we Define as

1165

00:52:25,250 --> 00:52:21,420

truth it's not been tested and not

1166

00:52:27,410 --> 00:52:25,260

actually been proven but there is a

1167

00:52:29,569 --> 00:52:27,420

that's I mean Western would call it a

1168

00:52:32,870 --> 00:52:29,579

hermetic understanding or they would

1169

00:52:35,150 --> 00:52:32,880

call it the hermetic Alchemy or there is

1170

00:52:37,910 --> 00:52:35,160

a spiritual math

1171

00:52:41,329 --> 00:52:37,920

there was a spiritual

1172

00:52:43,309 --> 00:52:41,339

connection with the Divine that

1173

00:52:45,710 --> 00:52:43,319

has always been there and people that

1174

00:52:49,670 --> 00:52:45,720

know how to connect with it do

1175

00:52:51,829 --> 00:52:49,680

and it's it's the divine nature because

1176
00:52:54,710 --> 00:52:51,839
in alchemy the understanding of nature

1177
00:52:57,470 --> 00:52:54,720
is not trees it's the understanding of

1178
00:52:59,030 --> 00:52:57,480
that we live in a world of order which

1179
00:53:00,470 --> 00:52:59,040
is what we see with the planets we can

1180
00:53:02,270 --> 00:53:00,480
know exactly where they're going to be

1181
00:53:05,630 --> 00:53:02,280
we know exactly when an eclipse is going

1182
00:53:07,370 --> 00:53:05,640
to be and that doesn't change right

1183
00:53:09,170 --> 00:53:07,380
so there's an order but then there's

1184
00:53:10,970 --> 00:53:09,180
this chaotic event that always happens

1185
00:53:13,309 --> 00:53:10,980
and we live in this world of chaos in

1186
00:53:16,430 --> 00:53:13,319
order but between that's that nature and

1187
00:53:19,010 --> 00:53:16,440
art but it's human divine nature

1188
00:53:22,250 --> 00:53:19,020

and so that's also weird to me because

1189

00:53:24,170 --> 00:53:22,260

it like back then not 7 000 years prior

1190

00:53:25,730 --> 00:53:24,180

but at least in the last 500 you know

1191

00:53:27,589 --> 00:53:25,740

years there's actually been so much

1192

00:53:30,770 --> 00:53:27,599

where it's been like yeah we're not

1193

00:53:32,329 --> 00:53:30,780

we're not nature we're not here normally

1194

00:53:33,650 --> 00:53:32,339

right

1195

00:53:38,270 --> 00:53:33,660

so

1196

00:53:41,150 --> 00:53:38,280

aspects because I've been preparing

1197

00:53:44,450 --> 00:53:41,160

people for this moment for over a decade

1198

00:53:47,329 --> 00:53:44,460

for this day that's coming on March 23rd

1199

00:53:48,730 --> 00:53:47,339

is we have to all be prepared for our

1200

00:53:51,530 --> 00:53:48,740

idea of even

1201
00:53:53,930 --> 00:53:51,540
copernicus's idea this isn't trying to

1202
00:53:56,390 --> 00:53:53,940
give in to the Flat Earth thing either

1203
00:53:58,490 --> 00:53:56,400
but the possibility that especially now

1204
00:54:01,130 --> 00:53:58,500
that we have the James Webb Telescope

1205
00:54:02,990 --> 00:54:01,140
and we have so many other out like we

1206
00:54:05,750 --> 00:54:03,000
just found out the volcanoes on Venus

1207
00:54:06,890 --> 00:54:05,760
just recently finally right like we

1208
00:54:08,329 --> 00:54:06,900
never really even had a good shot of

1209
00:54:10,490 --> 00:54:08,339
Venus until just recently like okay

1210
00:54:14,030 --> 00:54:10,500
that's what's going on over there

1211
00:54:17,750 --> 00:54:14,040
like we're about to realize shots of

1212
00:54:19,370 --> 00:54:17,760
what are we even on

1213
00:54:21,230 --> 00:54:19,380

so a good example would be if we're

1214

00:54:23,930 --> 00:54:21,240

looking up at the moon right and we see

1215

00:54:25,730 --> 00:54:23,940

that the sun of course reflects the

1216

00:54:28,609 --> 00:54:25,740

light from the Moon right like we see

1217

00:54:31,670 --> 00:54:28,619

the moon is a reflector of the light

1218

00:54:34,549 --> 00:54:31,680

what is that looking down on are we on a

1219

00:54:40,730 --> 00:54:38,150

terrain than we even realize

1220

00:54:43,130 --> 00:54:40,740

to be so fixed to be able to always be

1221

00:54:45,170 --> 00:54:43,140

there because that's the weird thing

1222

00:54:48,589 --> 00:54:45,180

why is it that no matter where we're

1223

00:54:50,390 --> 00:54:48,599

going in time there seems to be the same

1224

00:54:52,970 --> 00:54:50,400

ecliptic

1225

00:54:55,430 --> 00:54:52,980

right so the idea that the Earth's core

1226

00:54:58,309 --> 00:54:55,440

just stopped recently and but then in

1227

00:55:00,349 --> 00:54:58,319

2020 we had this Earth speeding up but

1228

00:55:01,910 --> 00:55:00,359

then there's obviously some sort of we

1229

00:55:03,530 --> 00:55:01,920

have pole shifts we have all these weird

1230

00:55:05,270 --> 00:55:03,540

things but

1231

00:55:06,950 --> 00:55:05,280

it doesn't

1232

00:55:09,290 --> 00:55:06,960

shift you know they just said of course

1233

00:55:13,250 --> 00:55:09,300

the in Fukushima that it shifted the

1234

00:55:15,829 --> 00:55:13,260

Earth's axis in 2011 right

1235

00:55:18,230 --> 00:55:15,839

but has it really shifted the viewpoints

1236

00:55:20,990 --> 00:55:18,240

of things no

1237

00:55:24,230 --> 00:55:21,000

so it's made me wonder if when we look

1238

00:55:26,809 --> 00:55:24,240

up at the Moon are we actually

1239

00:55:28,430 --> 00:55:26,819

looking at a moon or are we looking at a

1240

00:55:30,950 --> 00:55:28,440

reflection of

1241

00:55:31,910 --> 00:55:30,960

a greater whole of what we actually live

1242

00:55:34,490 --> 00:55:31,920

on

1243

00:55:39,230 --> 00:55:34,500

well isn't it

1244

00:55:41,930 --> 00:55:39,240

um uh one of the things that

1245

00:55:43,910 --> 00:55:41,940

um what if the craters are just us even

1246

00:55:44,630 --> 00:55:43,920

though they look dark to us but we could

1247

00:55:47,210 --> 00:55:44,640

be

1248

00:55:50,150 --> 00:55:47,220

our whole ID of what our Earth is is in

1249

00:55:53,089 --> 00:55:50,160

a bigger Earth

1250

00:55:55,210 --> 00:55:53,099

well but see you bring up a great point

1251

00:55:59,329 --> 00:55:55,220

which is

1252

00:56:01,970 --> 00:55:59,339

everything was consistent

1253

00:56:04,730 --> 00:56:01,980

right that and that's the only thing

1254

00:56:07,670 --> 00:56:04,740

that is consistent in all life right

1255

00:56:10,490 --> 00:56:07,680

right and it was just that nothing

1256

00:56:13,970 --> 00:56:10,500

changes right we got 24 hour hours in

1257

00:56:16,930 --> 00:56:13,980

the day we've got 364 and a quarter days

1258

00:56:20,030 --> 00:56:16,940

in a year and we've got equinoxes

1259

00:56:23,150 --> 00:56:20,040

at the same time twice a year absolutely

1260

00:56:25,069 --> 00:56:23,160

and uh and and things could just be

1261

00:56:28,370 --> 00:56:25,079

timed comets

1262

00:56:29,930 --> 00:56:28,380

can be timed right everything is

1263

00:56:32,569 --> 00:56:29,940

consistent and nothing is going to

1264

00:56:35,569 --> 00:56:32,579

change and it as it turns out everything

1265

00:56:37,430 --> 00:56:35,579

is in flux everything's in flux I don't

1266

00:56:39,890 --> 00:56:37,440

I don't think

1267

00:56:42,650 --> 00:56:39,900

um uh the or the Earth's core stopping

1268

00:56:45,230 --> 00:56:42,660

wait a minute here there are certain

1269

00:56:48,290 --> 00:56:45,240

things that are supposed to be

1270

00:56:51,589 --> 00:56:48,300

moving all the time and perfect the

1271

00:56:54,650 --> 00:56:51,599

tides the moon the Sun the years the

1272

00:56:56,690 --> 00:56:54,660

seasons seconds minutes right right

1273

00:56:59,690 --> 00:56:56,700

everything was just and it turns out

1274

00:57:02,510 --> 00:56:59,700

that's that's simply not the case

1275

00:57:04,370 --> 00:57:02,520

but the planets represent the I'm sure

1276

00:57:05,809 --> 00:57:04,380

you've heard the term As Above So Below

1277

00:57:12,530 --> 00:57:05,819

right

1278

00:57:15,170 --> 00:57:12,540

the heliocentric but from a geo-centric

1279

00:57:17,930 --> 00:57:15,180

point of view that when we look at

1280

00:57:21,170 --> 00:57:17,940

a planet retrograding right it's the

1281

00:57:23,390 --> 00:57:21,180

idea that it looks like it's stopped and

1282

00:57:24,890 --> 00:57:23,400

then it goes backwards when really it's

1283

00:57:26,990 --> 00:57:24,900

us just

1284

00:57:29,030 --> 00:57:27,000

either if it's an inner planet like

1285

00:57:31,730 --> 00:57:29,040

Mercury or that's hard to see of course

1286

00:57:34,190 --> 00:57:31,740

but like Venus right disappears

1287

00:57:35,750 --> 00:57:34,200

from an evening star or Morning Star and

1288

00:57:39,049 --> 00:57:35,760

then we're either

1289

00:57:40,970 --> 00:57:39,059

having Venus pass us or Venus is on the

1290

00:57:42,230 --> 00:57:40,980

other side of the sun right every nine

1291

00:57:44,030 --> 00:57:42,240

months

1292

00:57:46,010 --> 00:57:44,040

so but what's interesting is there is

1293

00:57:49,370 --> 00:57:46,020

that idea as I was about So Below where

1294

00:57:52,250 --> 00:57:49,380

things do stop planets do stop

1295

00:57:54,290 --> 00:57:52,260

in our viewpoint

1296

00:57:56,930 --> 00:57:54,300

and then they do go backwards the other

1297

00:57:58,250 --> 00:57:56,940

way and then they they cover zones that

1298

00:57:59,390 --> 00:57:58,260

we can actually predict where they're

1299

00:58:02,170 --> 00:57:59,400

going to be and then when they'll

1300

00:58:04,609 --> 00:58:02,180

finally move direct and that's how

1301

00:58:07,430 --> 00:58:04,619

Copernicus and that's how Galileo

1302

00:58:09,710 --> 00:58:07,440

understood that concept of well maybe

1303

00:58:13,370 --> 00:58:09,720

the the planets are passing each other

1304

00:58:14,390 --> 00:58:13,380

to create that illusion right

1305

00:58:16,609 --> 00:58:14,400

so

1306

00:58:18,109 --> 00:58:16,619

it doesn't surprise me to see that the

1307

00:58:19,609 --> 00:58:18,119

Earth's core could stop and then maybe

1308

00:58:21,410 --> 00:58:19,619

turn around in a different direction

1309

00:58:24,109 --> 00:58:21,420

maybe for a small amount of time and

1310

00:58:25,670 --> 00:58:24,119

then move back forward again

1311

00:58:27,410 --> 00:58:25,680

that's what planets do in our view

1312

00:58:29,270 --> 00:58:27,420

remember it's again from our view that's

1313

00:58:31,370 --> 00:58:29,280

going to be the other thing is

1314

00:58:33,470 --> 00:58:31,380

we're not able to see it from this

1315

00:58:35,030 --> 00:58:33,480

higher point of view because we're not

1316

00:58:37,069 --> 00:58:35,040

up there

1317

00:58:39,710 --> 00:58:37,079

we're here so we have to take everything

1318

00:58:41,930 --> 00:58:39,720

from based off here of course we've got

1319

00:58:44,630 --> 00:58:41,940

Voyager 2 which you know went up the

1320

00:58:47,030 --> 00:58:44,640

skirt of Pluto below Pluto because they

1321

00:58:48,530 --> 00:58:47,040

sent Voyager 1 up north to get out of

1322

00:58:49,910 --> 00:58:48,540

this Matrix and then they said Voyager

1323

00:58:51,950 --> 00:58:49,920

two down

1324

00:58:54,770 --> 00:58:51,960

and Voyager 2 got the pictures as it's

1325

00:58:56,690 --> 00:58:54,780

leaving the solar system at Pluto right

1326

00:59:01,490 --> 00:58:56,700

as Pluto was leaving

1327

00:59:06,170 --> 00:59:03,650

going by

1328

00:59:08,270 --> 00:59:06,180

right so and then 1930 is right when it

1329

00:59:10,190 --> 00:59:08,280

came up

1330

00:59:13,370 --> 00:59:10,200

they only could have known that at those

1331

00:59:15,349 --> 00:59:13,380

two times that's it right you're not

1332

00:59:18,109 --> 00:59:15,359

getting more you're not going to get

1333

00:59:20,630 --> 00:59:18,119

much more out of unless especially time

1334

00:59:22,910 --> 00:59:20,640

wise they're using stuff to get as far

1335

00:59:25,670 --> 00:59:22,920

as Pluto is to get more pictures 2020

1336

00:59:27,410 --> 00:59:25,680

they had the the mountains that had snow

1337

00:59:29,089 --> 00:59:27,420

on it and then they looked at Earth and

1338

00:59:33,069 --> 00:59:29,099

it kind of looked similar you know what

1339

00:59:39,970 --> 00:59:37,490

on Pluto with the sun that's so far away

1340

00:59:45,650 --> 00:59:39,980

from it

1341

00:59:50,089 --> 00:59:45,660

the um uh the other part about this

1342

00:59:52,490 --> 00:59:50,099

is that as I am doing my research and

1343

00:59:56,870 --> 00:59:52,500

I'm looking at this

1344

01:00:02,690 --> 01:00:00,109

a change in myself is it something that

1345

01:00:05,690 --> 01:00:02,700

I am going to notice right like the old

1346

01:00:10,370 --> 01:00:05,700

me and now suddenly

1347

01:00:14,630 --> 01:00:10,380

um this this Pluto in Aquarius and the

1348

01:00:17,750 --> 01:00:14,640

Dynamics of uh individuals being

1349

01:00:20,569 --> 01:00:17,760

affected by this is this something that

1350

01:00:22,490 --> 01:00:20,579

um I will notice and is this what people

1351

01:00:26,569 --> 01:00:22,500

are calling you about and and freaking

1352

01:00:31,190 --> 01:00:26,579

out uh you know the the possible changes

1353

01:00:32,809 --> 01:00:31,200

yeah because take 2008 for example

1354

01:00:36,170 --> 01:00:32,819

that was the last time Pluto went into a

1355

01:00:37,970 --> 01:00:36,180

new sign that was Capricorn so

1356

01:00:40,730 --> 01:00:37,980

I mean it's it's interesting when you

1357

01:00:42,650 --> 01:00:40,740

even Pluto deals with everything from of

1358

01:00:45,470 --> 01:00:42,660

course transformation

1359

01:00:47,390 --> 01:00:45,480

um physical metamorphosis right it's

1360

01:00:50,630 --> 01:00:47,400

also the ruler of death right it's the

1361

01:00:53,990 --> 01:00:50,640

it's Hermes the the underworld so

1362

01:00:56,990 --> 01:00:54,000

there's this uncovering of

1363

01:00:59,210 --> 01:00:57,000

what's really going on that's repressed

1364

01:01:01,069 --> 01:00:59,220

usually that's it's dealing with

1365

01:01:03,589 --> 01:01:01,079

subconscious on the deepest level right

1366

01:01:04,849 --> 01:01:03,599

it's like Awakening over a long period

1367

01:01:06,829 --> 01:01:04,859

of time

1368

01:01:09,109 --> 01:01:06,839

it doesn't take it's not an instant

1369

01:01:11,450 --> 01:01:09,119

thing Pluto is not like it took us from

1370

01:01:13,069 --> 01:01:11,460

2008 to finally here literally just

1371

01:01:14,930 --> 01:01:13,079

within these last couple weeks for us to

1372

01:01:16,549 --> 01:01:14,940

go yeah the bank Situation's pretty

1373

01:01:17,990 --> 01:01:16,559

messed up in the in the government and

1374

01:01:20,030 --> 01:01:18,000

how it controls the banks through a

1375

01:01:21,890 --> 01:01:20,040

central bank around the world same thing

1376

01:01:24,410 --> 01:01:21,900

in markets that's what Capricorn's about

1377

01:01:27,109 --> 01:01:24,420

structures of government Pluto deals

1378

01:01:29,690 --> 01:01:27,119

with investment too and finance because

1379

01:01:31,970 --> 01:01:29,700

it's not tangible goods like Taurus like

1380

01:01:34,789 --> 01:01:31,980

I can hold in my hand a dollar that's

1381

01:01:37,430 --> 01:01:34,799

Taurus right the bull right so funny

1382

01:01:40,730 --> 01:01:37,440

Wall Street has the book Market yeah

1383

01:01:42,950 --> 01:01:40,740

right yeah okay so but Scorpio is

1384

01:01:44,930 --> 01:01:42,960

investment and it's also where it's like

1385

01:01:46,789 --> 01:01:44,940

I invest a little and get a lot back

1386

01:01:49,910 --> 01:01:46,799

right

1387

01:01:51,530 --> 01:01:49,920

so it's Pluto is where it takes a longer

1388

01:01:54,470 --> 01:01:51,540

time for your investment to understand

1389

01:01:57,049 --> 01:01:54,480

what's repressed what you're not aware

1390

01:01:59,089 --> 01:01:57,059

of that is going to come up so if you

1391

01:02:02,030 --> 01:01:59,099

think of your life in 2008 it was like

1392

01:02:04,609 --> 01:02:02,040

whoa you could feel the crazy part of

1393

01:02:06,650 --> 01:02:04,619

your own life changing into a new story

1394

01:02:08,750 --> 01:02:06,660

but it's not till now that you look back

1395

01:02:11,390 --> 01:02:08,760

and you go that was the marker that got

1396

01:02:14,990 --> 01:02:13,490

that I am awake now that I'm not

1397

01:02:16,430 --> 01:02:15,000

repressing that part of myself and

1398

01:02:18,170 --> 01:02:16,440

that's all I had to really do was stop

1399

01:02:20,690 --> 01:02:18,180

repressing something

1400

01:02:23,329 --> 01:02:20,700

so it's usually about expression

1401

01:02:27,109 --> 01:02:23,339

where are we hiding our expression

1402

01:02:28,609 --> 01:02:27,119

right like I'll use me for example 2008

1403

01:02:29,870 --> 01:02:28,619

I wanted to be an astrologer and mix up

1404

01:02:30,950 --> 01:02:29,880

with a DJ and I thought people think I

1405

01:02:34,430 --> 01:02:30,960

was crazy

1406

01:02:36,410 --> 01:02:34,440

right that wasn't cool then you know

1407

01:02:38,089 --> 01:02:36,420

people used to think people think

1408

01:02:39,829 --> 01:02:38,099

because of tick tock in the last five

1409

01:02:43,730 --> 01:02:39,839

years of astrology that's cool no no

1410

01:02:45,890 --> 01:02:43,740

walking around 2005 and six and being on

1411

01:02:48,890 --> 01:02:45,900

MTV and saying astrology they all looked

1412

01:02:51,530 --> 01:02:48,900

at me like I was a freaking crazy person

1413

01:02:55,190 --> 01:02:53,690

I've been you know back when I dated my

1414

01:02:56,450 --> 01:02:55,200

first girlfriends you know and their

1415

01:02:59,650 --> 01:02:56,460

parents were like what are you what are

1416

01:03:02,049 --> 01:02:59,660

you into I'm like astrology like Jesus

1417

01:03:04,549 --> 01:03:02,059

so anyway like

1418

01:03:06,109 --> 01:03:04,559

expressing that over time not until now

1419

01:03:08,690 --> 01:03:06,119

to where it's like I'm on Jimmy Church's

1420

01:03:10,010 --> 01:03:08,700

show and you know like I do this all day

1421

01:03:11,510 --> 01:03:10,020

you know what I mean it's like oh wow

1422

01:03:13,250 --> 01:03:11,520

that's the marker point where I made the

1423

01:03:15,589 --> 01:03:13,260

choice in my life too

1424

01:03:17,210 --> 01:03:15,599

embody what I wanted to express that's

1425

01:03:19,430 --> 01:03:17,220

really what Pluto is where do you want

1426

01:03:21,170 --> 01:03:19,440

to express yourself different now but

1427

01:03:22,190 --> 01:03:21,180

it's not different in the sense of like

1428

01:03:24,289 --> 01:03:22,200

well

1429

01:03:26,329 --> 01:03:24,299

I want to do it differently it's more of

1430

01:03:28,010 --> 01:03:26,339

my internal understanding that I have

1431

01:03:29,750 --> 01:03:28,020

desires that I want to express myself

1432

01:03:32,210 --> 01:03:29,760

and I have to stop repressing them

1433

01:03:34,849 --> 01:03:32,220

that's really the spiritual more

1434

01:03:37,010 --> 01:03:34,859

conscious or psychological understanding

1435

01:03:39,710 --> 01:03:37,020

of Pluto for everybody when it moves

1436

01:03:41,630 --> 01:03:39,720

into a new sign for the collective we

1437

01:03:43,789 --> 01:03:41,640

all are facing that we all don't know

1438

01:03:45,710 --> 01:03:43,799

where we didn't know what the hell the

1439

01:03:47,870 --> 01:03:45,720

world was going to look like in 2008 we

1440

01:03:49,549 --> 01:03:47,880

were like [h__h] this sucks I was selling

1441

01:03:51,650 --> 01:03:49,559

cars

1442

01:03:53,390 --> 01:03:51,660

at a car dealer

1443

01:03:56,510 --> 01:03:53,400

you know what I mean like that was scary

1444

01:03:57,829 --> 01:03:56,520

like [h__h] the car industry died

1445

01:03:59,510 --> 01:03:57,839

right so you have to realize that

1446

01:04:01,309 --> 01:03:59,520

everybody if you were in mortgages then

1447

01:04:03,829 --> 01:04:01,319

I'm like where's my life going I have no

1448

01:04:05,270 --> 01:04:03,839

idea Pluto brings that fear of losing

1449

01:04:06,970 --> 01:04:05,280

something right right right right right

1450

01:04:09,530 --> 01:04:06,980

right right right right

1451

01:04:11,930 --> 01:04:09,540

we all are facing it together

1452

01:04:14,210 --> 01:04:11,940

right when you come into Aquarius it

1453

01:04:16,370 --> 01:04:14,220

does represent Humanity

1454

01:04:17,750 --> 01:04:16,380

so we all have to look at no matter what

1455

01:04:19,190 --> 01:04:17,760

zodiac sign you are even though

1456

01:04:21,049 --> 01:04:19,200

individually it's going to deal

1457

01:04:23,089 --> 01:04:21,059

differently if you're an air sign for

1458

01:04:25,609 --> 01:04:23,099

example this is a greater time for you

1459

01:04:28,309 --> 01:04:25,619

but it's about it's really time to

1460

01:04:30,470 --> 01:04:28,319

express yourself in your communicative

1461

01:04:32,569 --> 01:04:30,480

aspects and in your mental aspects and

1462

01:04:33,950 --> 01:04:32,579

go for it and don't hold yourself back

1463

01:04:35,809 --> 01:04:33,960

anymore because you've been just dealing

1464

01:04:37,490 --> 01:04:35,819

with more emotional aspects of like

1465

01:04:40,609 --> 01:04:37,500

should I or shouldn't I you know what I

1466

01:04:42,289 --> 01:04:40,619

mean I do I do I do uh we're going to

1467

01:04:43,910 --> 01:04:42,299

take a break here everybody when we come

1468

01:04:47,690 --> 01:04:43,920

back after the break I'm going to go

1469

01:04:51,109 --> 01:04:47,700

through each zodiac sign for everybody

1470

01:04:53,750 --> 01:04:51,119

uh with David and see what those changes

1471

01:04:56,510 --> 01:04:53,760

are I'm a Libra what does it mean for me

1472

01:04:59,809 --> 01:04:56,520

I'm very curious about that so everybody

1473

01:05:01,849 --> 01:04:59,819

in the chat just let us know

1474

01:05:04,250 --> 01:05:01,859

um and and also

1475

01:05:05,990 --> 01:05:04,260

um Everybody in the chat I'm gonna post

1476

01:05:09,289 --> 01:05:06,000

it right now I want to know everybody's

1477

01:05:11,030 --> 01:05:09,299

sign and then uh in the chat there's a

1478

01:05:14,270 --> 01:05:11,040

lot of people in the chat but I want to

1479

01:05:19,430 --> 01:05:14,280

know everybody's sign and think about

1480

01:05:21,650 --> 01:05:19,440

where you are right now in in life and

1481

01:05:24,049 --> 01:05:21,660

listen to David think about everything

1482

01:05:27,410 --> 01:05:24,059

that is happening right now with a Pluto

1483

01:05:30,470 --> 01:05:27,420

entering or moving into Aquarius

1484

01:05:34,370 --> 01:05:30,480

starting tomorrow and

1485

01:05:36,829 --> 01:05:34,380

um if you are going to listen and and

1486

01:05:39,770 --> 01:05:36,839

make the moves that you need to make the

1487

01:05:41,870 --> 01:05:39,780

the moves the changes are are an

1488

01:05:43,430 --> 01:05:41,880

automatic David you don't get to sit

1489

01:05:46,069 --> 01:05:43,440

back on your hands

1490

01:05:48,589 --> 01:05:46,079

you have to do something right

1491

01:05:51,049 --> 01:05:48,599

I like to use Pluto as the example in

1492

01:05:53,870 --> 01:05:51,059

The Matrix as the Sentinels as they're

1493

01:05:56,210 --> 01:05:53,880

drilling Pluto takes a long time to

1494

01:05:57,890 --> 01:05:56,220

drill you know it's coming

1495

01:06:00,470 --> 01:05:57,900

right when you're sitting down there in

1496

01:06:02,569 --> 01:06:00,480

Zion like the Sentinels are coming it's

1497

01:06:03,530 --> 01:06:02,579

not like they're coming today but

1498

01:06:07,730 --> 01:06:03,540

they're coming

1499

01:06:09,770 --> 01:06:07,740

and the longer you wait in fear

1500

01:06:12,349 --> 01:06:09,780

well that's the weird thing is Pluto

1501

01:06:15,349 --> 01:06:12,359

kind of rules that that fate it also

1502

01:06:18,890 --> 01:06:15,359

rules the the ushering of

1503

01:06:22,490 --> 01:06:18,900

us into this world and out of this world

1504

01:06:24,289 --> 01:06:22,500

look at this Scorpio let's go Leo I'm

1505

01:06:28,910 --> 01:06:24,299

looking at everybody's posting the signs

1506

01:06:32,690 --> 01:06:28,920

post your signs let me know

1507

01:06:33,890 --> 01:06:32,700

um and everybody that uh is a Libra I'm

1508

01:06:36,950 --> 01:06:33,900

just going to say this right now you get

1509

01:06:39,349 --> 01:06:36,960

you automatically get the cool label

1510

01:06:41,210 --> 01:06:39,359

we'll be right back more with the Leo

1511

01:06:44,329 --> 01:06:41,220

King David Palmer right after this stay

1512

01:06:48,470 --> 01:06:46,190

this is Jimmy Church of Fade to Black

1513

01:06:50,690 --> 01:06:48,480

please visit all of our sponsors we're

1514

01:06:52,430 --> 01:06:50,700

taking a quick break here all of the

1515

01:06:54,890 --> 01:06:52,440

links are below

1516

01:06:57,349 --> 01:06:54,900

and we'll be right back

1517

01:06:59,630 --> 01:06:57,359

hey everybody it's Billy Carson also

1518

01:07:01,069 --> 01:06:59,640

known as Forbidden Knowledge I want to

1519

01:07:04,730 --> 01:07:01,079

talk to you about a very special event

1520

01:07:06,829 --> 01:07:04,740

coming up July 30th 2023 The Forbidden

1521

01:07:08,450 --> 01:07:06,839

conscious Awards we're going to honor

1522

01:07:10,849 --> 01:07:08,460

people who have been contributing to the

1523

01:07:12,349 --> 01:07:10,859

conscious Community for decades people

1524

01:07:14,150 --> 01:07:12,359

that you know and love that have helped

1525

01:07:16,130 --> 01:07:14,160

you get to higher levels of thought and

1526
01:07:18,410 --> 01:07:16,140
Consciousness and awareness it's going

1527
01:07:19,730 --> 01:07:18,420
to be alive in-person event but seats

1528
01:07:21,529 --> 01:07:19,740
are going to sell out very fast you want

1529
01:07:23,150 --> 01:07:21,539
to make sure you're there in person and

1530
01:07:24,910 --> 01:07:23,160
guess what you can help vote for the

1531
01:07:26,990 --> 01:07:24,920
winners voting is available on

1532
01:07:28,609 --> 01:07:27,000
forbiddenknowledge.com and the

1533
01:07:31,730 --> 01:07:28,619
categories are going to be social media

1534
01:07:33,609 --> 01:07:31,740
influencer podcast slash radio host TV

1535
01:07:35,329 --> 01:07:33,619
host actor director producer

1536
01:07:36,829 --> 01:07:35,339
entrepreneurs health and wellness

1537
01:07:39,289 --> 01:07:36,839
philanthropists authors field

1538
01:07:41,029 --> 01:07:39,299

researchers archaeologists space anomaly

1539

01:07:43,970 --> 01:07:41,039

hunters and of course a Lifetime

1540

01:07:45,770 --> 01:07:43,980

Achievement Award I'll be your keynote

1541

01:07:47,690 --> 01:07:45,780

speaker that night at The Forbidden

1542

01:07:50,029 --> 01:07:47,700

conscious Awards we have celebrity

1543

01:07:51,589 --> 01:07:50,039

guests performing we'll have a halftime

1544

01:07:53,270 --> 01:07:51,599

show where we're actually going to

1545

01:07:55,910 --> 01:07:53,280

perform music for you and don't forget

1546

01:07:57,950 --> 01:07:55,920

about the pre-event mixer where if you

1547

01:07:59,809 --> 01:07:57,960

buy a box seat we'll be in the VIP

1548

01:08:02,510 --> 01:07:59,819

section and you also have private access

1549

01:08:05,630 --> 01:08:02,520

to a big-ip mixer with celebrity guests

1550

01:08:07,370 --> 01:08:05,640

shake hands break bread Network and then

1551

01:08:09,230 --> 01:08:07,380

walk the red carpet with us and take

1552

01:08:10,490 --> 01:08:09,240

amazing photos it's going to be a night

1553

01:08:12,710 --> 01:08:10,500

to remember you don't want to forget

1554

01:08:14,390 --> 01:08:12,720

this make sure you hurry up and get your

1555

01:08:16,849 --> 01:08:14,400

tickets because you're selling out very

1556

01:08:18,620 --> 01:08:16,859

fast I want to see you there forbidden

1557

01:08:22,430 --> 01:08:18,630

conscious Awards 2023

1558

01:08:25,550 --> 01:08:22,440

[Music]

1559

01:08:28,789 --> 01:08:25,560

on Saturday April 1st that's right April

1560

01:08:30,950 --> 01:08:28,799

Fool's Day 2023 I will be hosting the

1561

01:08:34,430 --> 01:08:30,960

peripod festival at the Hyatt Regency

1562

01:08:36,950 --> 01:08:34,440

right here in Valencia California it's a

1563

01:08:40,010 --> 01:08:36,960

live one-day podcast Awards it's a film

1564

01:08:42,050 --> 01:08:40,020

festival it's a full-on media event

1565

01:08:43,849 --> 01:08:42,060

we're going to have Sky watching it's

1566

01:08:46,669 --> 01:08:43,859

going to be a Lifetime Achievement Award

1567

01:08:48,709 --> 01:08:46,679

presented to Linda Moulton Howe right

1568

01:08:50,749 --> 01:08:48,719

now you can submit your podcast to your

1569

01:08:53,450 --> 01:08:50,759

film your TV series any of your

1570

01:08:55,370 --> 01:08:53,460

paranormal media for consideration you

1571

01:08:58,570 --> 01:08:55,380

can do all of that on the links below

1572

01:09:00,530 --> 01:08:58,580

for info and tickets go to

1573

01:09:03,610 --> 01:09:00,540

parapodfilmfest.com that's

1574

01:09:09,289 --> 01:09:07,669

April 7th through the 14th 2023 I'll be

1575

01:09:12,169 --> 01:09:09,299

hosting and presenting on the hidden

1576

01:09:14,809 --> 01:09:12,179

secrets seminar at Sea cruise from Los

1577

01:09:17,150 --> 01:09:14,819

Angeles to the Mexican Riviera I'm the

1578

01:09:19,789 --> 01:09:17,160

Navigator of the Seas that's right up

1579

01:09:21,470 --> 01:09:19,799

top a giant water slide you've got to

1580

01:09:23,329 --> 01:09:21,480

check out the Navigator of the Seas it's

1581

01:09:25,729 --> 01:09:23,339

amazing we've got Scott Walter Adam

1582

01:09:28,610 --> 01:09:25,739

Apollo Nick Pope Brad Olson Vivian

1583

01:09:31,010 --> 01:09:28,620

Chauvet Jason sherka Robert Grant Reuben

1584

01:09:33,349 --> 01:09:31,020

Langdon and another 12 amazing speakers

1585

01:09:34,749 --> 01:09:33,359

and presenters it's all simple to do

1586

01:09:37,189 --> 01:09:34,759

just visit

1587

01:09:40,910 --> 01:09:37,199

divinetravels.com forward slash hidden

1588

01:09:43,130 --> 01:09:40,920

secrets 2023 you know you want to go on

1589

01:09:46,550 --> 01:09:43,140

a cruise with me

1590

01:09:49,370 --> 01:09:46,560

River Moon coffee makers of the Fade to

1591

01:09:51,189 --> 01:09:49,380

Black blend truly the best coffee on

1592

01:09:53,450 --> 01:09:51,199

planet Earth just visit

1593

01:09:55,310 --> 01:09:53,460

rivermoonwellness.com or their Amazon

1594

01:09:56,750 --> 01:09:55,320

store it's all simple to do you can

1595

01:09:58,790 --> 01:09:56,760

check out the Fade to Black blend the

1596

01:10:01,490 --> 01:09:58,800

game changer Blend or any of their black

1597

01:10:05,209 --> 01:10:01,500

moon wellness products it's the only

1598

01:10:10,430 --> 01:10:05,219

coffee I drink it is the best and it's

1599

01:10:14,689 --> 01:10:13,250

all right Welcome Back Fade to Black I

1600

01:10:18,290 --> 01:10:14,699

am your super church tonight David

1601

01:10:22,070 --> 01:10:18,300

Palmer is with us the Leo king and the

1602

01:10:24,350 --> 01:10:22,080

one thing I'm gonna say this now and uh

1603

01:10:28,010 --> 01:10:24,360

a lot of uh uh David's Peeps are are

1604

01:10:31,550 --> 01:10:28,020

here with us tonight David the one thing

1605

01:10:32,510 --> 01:10:31,560

that I appreciate and love about this

1606

01:10:36,110 --> 01:10:32,520

man

1607

01:10:39,169 --> 01:10:36,120

is he just speaks

1608

01:10:42,649 --> 01:10:39,179

he runs without filters he's not gonna

1609

01:10:44,570 --> 01:10:42,659

[h__\h] you and that's that's the that

1610

01:10:49,550 --> 01:10:44,580

man

1611

01:10:52,550 --> 01:10:49,560

um yeah yeah and uh I remember

1612

01:10:55,250 --> 01:10:52,560

um we we talk about this a lot but

1613

01:10:58,669 --> 01:10:55,260

um the first time that I I got to see

1614

01:11:01,189 --> 01:10:58,679

you uh speak publicly and I introduced

1615

01:11:06,590 --> 01:11:01,199

you but so I sit down and I'm listening

1616

01:11:10,550 --> 01:11:06,600

and and the way that you spoke

1617

01:11:13,189 --> 01:11:10,560

you're a great orator but this is

1618

01:11:14,689 --> 01:11:13,199

connected straight to your jaw and

1619

01:11:17,930 --> 01:11:14,699

that's a difficult thing for most people

1620

01:11:20,950 --> 01:11:17,940

to do right they they run a filter right

1621

01:11:23,870 --> 01:11:20,960

they're censoring themselves you do not

1622

01:11:26,510 --> 01:11:23,880

right and have you always been that way

1623

01:11:30,229 --> 01:11:26,520

where that's it man this is this is this

1624

01:11:32,689 --> 01:11:30,239

is how it is and and I'm not going to

1625

01:11:35,630 --> 01:11:32,699

mess up have you always been like that

1626

01:11:37,370 --> 01:11:35,640

not when I was a kid I I would ask my

1627

01:11:38,810 --> 01:11:37,380

mom still to order the chicken fingers

1628

01:11:41,450 --> 01:11:38,820

for me

1629

01:11:43,669 --> 01:11:41,460

but it but it was in school with reading

1630

01:11:46,550 --> 01:11:43,679

I'd always be like these guys can't I'd

1631

01:11:48,830 --> 01:11:46,560

raise my hand can I read

1632

01:11:50,390 --> 01:11:48,840

so I guess communication was something I

1633

01:11:52,430 --> 01:11:50,400

was always into I was in drama when I

1634

01:11:54,649 --> 01:11:52,440

was young or I was on reality shows in

1635

01:11:58,490 --> 01:11:54,659

2005 on MTV

1636

01:12:00,350 --> 01:11:58,500

so and running it there and putting

1637

01:12:01,970 --> 01:12:00,360

myself in those places but really yeah I

1638

01:12:04,610 --> 01:12:01,980

don't know I just

1639

01:12:06,290 --> 01:12:04,620

how did you figure it out I mean it's

1640

01:12:08,390 --> 01:12:06,300

it's a difficult thing to do I'm in

1641

01:12:11,689 --> 01:12:08,400

media you know I I do this for a living

1642

01:12:14,330 --> 01:12:11,699

and the advice I always give to

1643

01:12:18,169 --> 01:12:14,340

everybody that wants to do this or

1644

01:12:20,750 --> 01:12:18,179

either as a hobby or or for a career is

1645

01:12:22,430 --> 01:12:20,760

you need to figure out and it's the

1646

01:12:25,850 --> 01:12:22,440

hardest thing about this

1647

01:12:29,209 --> 01:12:25,860

is be yourself right don't be somebody

1648

01:12:32,270 --> 01:12:29,219

else don't don't worry about that

1649

01:12:35,810 --> 01:12:32,280

get this and your mouth

1650

01:12:37,790 --> 01:12:35,820

connected be yourself but that's I think

1651

01:12:40,189 --> 01:12:37,800

that's where music comes in

1652

01:12:43,370 --> 01:12:40,199

I'm not sure why I think I think finding

1653

01:12:46,010 --> 01:12:43,380

yourself music helps the most I think

1654

01:12:48,950 --> 01:12:46,020

going to shows and meeting other people

1655

01:12:51,169 --> 01:12:48,960

and learning to express yourself in a

1656

01:12:52,729 --> 01:12:51,179

crowd to when you finally if you do

1657

01:12:55,490 --> 01:12:52,739

become a musician then to express

1658

01:12:56,990 --> 01:12:55,500

yourself on a stage and even doing it

1659

01:12:58,490 --> 01:12:57,000

when one person's there and it's your

1660

01:13:00,590 --> 01:12:58,500

mom or your friend

1661

01:13:02,270 --> 01:13:00,600

but still doing it and not being

1662

01:13:04,729 --> 01:13:02,280

embarrassed and fighting that way to

1663

01:13:06,530 --> 01:13:04,739

keep expressing yourself but it was for

1664

01:13:10,430 --> 01:13:06,540

the Rave scene for me and music and rock

1665

01:13:12,830 --> 01:13:10,440

and and metal a metal guy so you know it

1666

01:13:15,470 --> 01:13:12,840

was like those two scenes for me allowed

1667

01:13:16,970 --> 01:13:15,480

me to express myself fully and I I was a

1668

01:13:18,410 --> 01:13:16,980

weekend warrior and worked my butt off

1669

01:13:19,910 --> 01:13:18,420

during the week you know that's that's

1670

01:13:23,149 --> 01:13:19,920

how I used to be when I was young so

1671

01:13:25,850 --> 01:13:23,159

those weekends I did it but also at work

1672

01:13:27,830 --> 01:13:25,860

I expressed myself and I just learned to

1673

01:13:30,290 --> 01:13:27,840

find myself that's really what it is and

1674

01:13:31,970 --> 01:13:30,300

I never tried to copy somebody I'd

1675

01:13:34,669 --> 01:13:31,980

always be like I'd be inspired but I'd

1676

01:13:37,490 --> 01:13:34,679

be like well I wanted people to know my

1677

01:13:39,830 --> 01:13:37,500

own unique way and so I think that

1678

01:13:43,550 --> 01:13:39,840

that's that's the best way to do it is

1679

01:13:46,610 --> 01:13:43,560

to find your own way and have it's fun

1680

01:13:48,830 --> 01:13:46,620

I don't know what it would be like to be

1681

01:13:50,570 --> 01:13:48,840

all backed up like you know at the

1682

01:13:52,250 --> 01:13:50,580

trailer park and have all the septic

1683

01:13:56,570 --> 01:13:52,260

things backed up that would be horrible

1684

01:13:59,350 --> 01:13:56,580

yes yes yes yes totally and and yeah if

1685

01:14:02,750 --> 01:13:59,360

you think about it you know anybody

1686

01:14:05,870 --> 01:14:02,760

that history can point at it doesn't

1687

01:14:08,330 --> 01:14:05,880

matter if it's something modern or going

1688

01:14:11,110 --> 01:14:08,340

back through history

1689

01:14:13,790 --> 01:14:11,120

um those individuals that cause change

1690

01:14:15,410 --> 01:14:13,800

whether it was music of the Arts or

1691

01:14:16,870 --> 01:14:15,420

writing or politics it doesn't matter

1692

01:14:20,870 --> 01:14:16,880

right science

1693

01:14:23,090 --> 01:14:20,880

they were doing their own thing

1694

01:14:26,030 --> 01:14:23,100

right and that's it that's it those are

1695

01:14:28,430 --> 01:14:26,040

those are the ones man and and I don't

1696

01:14:32,689 --> 01:14:28,440

care if it's Elvis or Randy Rhodes right

1697

01:14:35,649 --> 01:14:32,699

right Eddie Van Halen Right do just be

1698

01:14:38,930 --> 01:14:35,659

you Jimi Hendrix right just be you

1699

01:14:40,430 --> 01:14:38,940

Marlon Brando you know just be you you

1700

01:14:44,030 --> 01:14:40,440

know don't give a crap about what's

1701

01:14:46,310 --> 01:14:44,040

going on around you so now um that being

1702

01:14:48,770 --> 01:14:46,320

said oh oh oh oh we're gonna get to all

1703

01:14:51,770 --> 01:14:48,780

the zodiac signs right now

1704

01:14:54,350 --> 01:14:51,780

um one of the coolest moments

1705

01:14:58,010 --> 01:14:54,360

um of my life was spent with you

1706

01:15:00,110 --> 01:14:58,020

but it wasn't you well no it was you but

1707

01:15:03,530 --> 01:15:00,120

you and I

1708

01:15:05,689 --> 01:15:03,540

uh you or we taught Linda Moulton Howe

1709

01:15:09,310 --> 01:15:05,699

how to scratch I know that was so fun

1710

01:15:11,930 --> 01:15:09,320

man and watching now see

1711

01:15:13,090 --> 01:15:11,940

it's exactly what we're talking about

1712

01:15:16,550 --> 01:15:13,100

right now

1713

01:15:20,290 --> 01:15:16,560

Linda watching her not only express

1714

01:15:24,729 --> 01:15:20,300

herself she doesn't give her crap

1715

01:15:28,070 --> 01:15:24,739

no man she she

1716

01:15:31,070 --> 01:15:28,080

was in the moment

1717

01:15:34,970 --> 01:15:31,080

and it you know it hears you and I right

1718

01:15:37,310 --> 01:15:34,980

just go is this happening and she just

1719

01:15:39,530 --> 01:15:37,320

let it all hang out and it's that

1720

01:15:41,030 --> 01:15:39,540

individualism that we need to get back

1721

01:15:43,010 --> 01:15:41,040

into this country man

1722

01:15:46,010 --> 01:15:43,020

um and there was no thinking of how to

1723

01:15:49,370 --> 01:15:46,020

do it it was just you pulled up with

1724

01:15:51,169 --> 01:15:49,380

your crew and her and then you were like

1725

01:15:52,729 --> 01:15:51,179

Yeah scratch and I just threw on

1726

01:15:54,890 --> 01:15:52,739

something for the scratched and then I'm

1727

01:15:57,950 --> 01:15:54,900

like I got Jimmy here I'm gonna throw

1728

01:15:59,750 --> 01:15:57,960

some rock music in the in the mix so

1729

01:16:02,990 --> 01:15:59,760

she's scratching on top of the Eagles

1730

01:16:04,910 --> 01:16:03,000

into Van Halen and I don't even remember

1731

01:16:07,070 --> 01:16:04,920

some of those remixes I was playing and

1732

01:16:09,350 --> 01:16:07,080

there she's scratching on top of it and

1733

01:16:12,649 --> 01:16:09,360

of course I was having like crazy weird

1734

01:16:15,530 --> 01:16:12,659

UFO alien like weird sounds for her to

1735

01:16:17,689 --> 01:16:15,540

scratch and that was so much fun and

1736

01:16:24,070 --> 01:16:17,699

what was supposed to I thought was going

1737

01:16:28,910 --> 01:16:27,169

we came in at midnight and left at 1 30.

1738

01:16:30,410 --> 01:16:28,920

okay well I mean you know what that's

1739

01:16:32,570 --> 01:16:30,420

how you know you're just in the flows

1740

01:16:34,669 --> 01:16:32,580

like you feel you don't even know yeah

1741

01:16:36,590 --> 01:16:34,679

yeah that was so much fun okay so let's

1742

01:16:40,610 --> 01:16:36,600

go through these signs

1743

01:16:43,610 --> 01:16:40,620

and uh uh watching

1744

01:16:46,970 --> 01:16:43,620

um uh everybody post their signs here

1745

01:16:48,590 --> 01:16:46,980

now I can scroll back and and and and

1746

01:16:51,530 --> 01:16:48,600

make some comments about this

1747

01:16:53,810 --> 01:16:51,540

individually uh with our friends

1748

01:16:56,390 --> 01:16:53,820

um let's start with Aries let's start

1749

01:16:59,270 --> 01:16:56,400

Aries uh what's gonna happen there

1750

01:17:02,630 --> 01:16:59,280

so Pluto's coming into their 11th house

1751

01:17:04,970 --> 01:17:02,640

which this is dealing with where they're

1752

01:17:08,030 --> 01:17:04,980

gonna have to learn to trust people and

1753

01:17:10,250 --> 01:17:08,040

also connect with people more to get

1754

01:17:12,110 --> 01:17:10,260

what they need there's been a lot of

1755

01:17:14,330 --> 01:17:12,120

trust issues they have with people and

1756

01:17:15,830 --> 01:17:14,340

they feel betrayed by people

1757

01:17:17,630 --> 01:17:15,840

but at the same time they have to be

1758

01:17:19,430 --> 01:17:17,640

more honest and open with people and

1759

01:17:21,830 --> 01:17:19,440

express how to be

1760

01:17:25,130 --> 01:17:21,840

better at knowing how to have friends

1761

01:17:26,990 --> 01:17:25,140

knowing how to keep people in their life

1762

01:17:29,330 --> 01:17:27,000

instead of everybody always coming in

1763

01:17:33,110 --> 01:17:29,340

and out it can't be a New York turn

1764

01:17:35,990 --> 01:17:33,120

style anymore at the Metro Station

1765

01:17:39,050 --> 01:17:36,000

and that's the repression is I can do it

1766

01:17:40,910 --> 01:17:39,060

myself all the time when really Pluto

1767

01:17:44,149 --> 01:17:40,920

rules the eighth house for all Aries so

1768

01:17:46,910 --> 01:17:44,159

it's a very big issue of how they

1769

01:17:48,290 --> 01:17:46,920

connect with people and also the wrong

1770

01:17:50,330 --> 01:17:48,300

people

1771

01:17:52,310 --> 01:17:50,340

and also the expectations that they have

1772

01:17:55,070 --> 01:17:52,320

on people they're here to

1773

01:17:58,209 --> 01:17:55,080

to lead but they're here to lead with

1774

01:17:59,930 --> 01:17:58,219

others not just themselves

1775

01:18:02,570 --> 01:17:59,940

why

1776

01:18:06,890 --> 01:18:02,580

um uh typically

1777

01:18:08,990 --> 01:18:06,900

are you saying that it's the opposite

1778

01:18:11,149 --> 01:18:09,000

well you know I'm an evolutionary

1779

01:18:13,370 --> 01:18:11,159

astrologer so it's like we're at the

1780

01:18:15,770 --> 01:18:13,380

point now to where an Aries or Aries

1781

01:18:17,209 --> 01:18:15,780

ascendant in their life is that a place

1782

01:18:20,630 --> 01:18:17,219

to where

1783

01:18:23,570 --> 01:18:20,640

they're looking into the depths of the

1784

01:18:27,169 --> 01:18:23,580

underworld going what people do I really

1785

01:18:28,970 --> 01:18:27,179

have left right okay so it's like

1786

01:18:30,649 --> 01:18:28,980

instead of looking at it as what

1787

01:18:33,530 --> 01:18:30,659

everybody Pluto deals with outside

1788

01:18:36,169 --> 01:18:33,540

entities like what is that it's always

1789

01:18:39,770 --> 01:18:36,179

the repression like outside is the issue

1790

01:18:42,169 --> 01:18:39,780

so for Pluto in Aquarius for an Aries

1791

01:18:43,970 --> 01:18:42,179

it's the 11th house it's like these

1792

01:18:45,590 --> 01:18:43,980

people are doing this to me I don't know

1793

01:18:47,750 --> 01:18:45,600

if I could trust people but really it's

1794

01:18:49,430 --> 01:18:47,760

the repression of you know being a

1795

01:18:51,709 --> 01:18:49,440

friend is like being cool and calling

1796

01:18:53,990 --> 01:18:51,719

people and trying to come together and

1797

01:18:55,970 --> 01:18:54,000

be part of the whole thing where it's

1798

01:18:57,590 --> 01:18:55,980

like it's always your own issue it's

1799

01:18:59,090 --> 01:18:57,600

always what you need to get out of it

1800

01:19:01,310 --> 01:18:59,100

instead of what does the other person

1801
01:19:03,950 --> 01:19:01,320
need too

1802
01:19:05,990 --> 01:19:03,960
and how much do you do that and I'm sure

1803
01:19:07,669 --> 01:19:06,000
that Aries all do that but this is where

1804
01:19:10,250 --> 01:19:07,679
it's going to get to where that issue is

1805
01:19:13,010 --> 01:19:10,260
with everything from going out more

1806
01:19:15,890 --> 01:19:13,020
unless it's only your thing

1807
01:19:17,990 --> 01:19:15,900
right celebrating others

1808
01:19:20,030 --> 01:19:18,000
spending time to call others and see

1809
01:19:21,410 --> 01:19:20,040
others you know these are where these

1810
01:19:22,970 --> 01:19:21,420
are these are repressed things that are

1811
01:19:25,250 --> 01:19:22,980
going to become more aware now and it's

1812
01:19:26,570 --> 01:19:25,260
about if you want to get what you want

1813
01:19:28,189 --> 01:19:26,580

in your life more it's going to be

1814

01:19:30,350 --> 01:19:28,199

through other people which is hard for

1815

01:19:32,810 --> 01:19:30,360

an Aries it's always like no I do it

1816

01:19:34,490 --> 01:19:32,820

myself I'm Mars I'm the ruler of Mars I

1817

01:19:36,950 --> 01:19:34,500

Can Go My Own Way my own way and now

1818

01:19:39,410 --> 01:19:36,960

this is your honest house and Pluto is

1819

01:19:41,209 --> 01:19:39,420

here and so for an Aries Aries ascending

1820

01:19:44,149 --> 01:19:41,219

it's like I'm only going to get it

1821

01:19:46,130 --> 01:19:44,159

through Community not through my own way

1822

01:19:47,570 --> 01:19:46,140

I mean I have to learn to work with the

1823

01:19:50,270 --> 01:19:47,580

whole table of people to get something

1824

01:19:52,010 --> 01:19:50,280

done right be trustworthy to where I'm

1825

01:19:52,910 --> 01:19:52,020

not backstabbing actually people by

1826

01:19:55,130 --> 01:19:52,920

actually

1827

01:19:56,450 --> 01:19:55,140

putting people against each other so I

1828

01:19:58,729 --> 01:19:56,460

get what I want because that's not going

1829

01:20:02,510 --> 01:19:58,739

to work anymore right right right which

1830

01:20:04,550 --> 01:20:02,520

is uh which was my question right so was

1831

01:20:07,010 --> 01:20:04,560

it the opposite before this and you're

1832

01:20:10,729 --> 01:20:07,020

saying yes yes yeah wow that's

1833

01:20:13,189 --> 01:20:10,739

incredible That's Sports uh that's a

1834

01:20:14,990 --> 01:20:13,199

flip for that that's a flip-flop well

1835

01:20:17,810 --> 01:20:15,000

that's what Aquarius does right it

1836

01:20:19,610 --> 01:20:17,820

literally tilts flip yeah right right

1837

01:20:22,370 --> 01:20:19,620

right right well Pluto comes in there

1838

01:20:24,169 --> 01:20:22,380

it's gonna come up and be like uh

1839

01:20:26,570 --> 01:20:24,179

something that comes up with underneath

1840

01:20:28,970 --> 01:20:26,580

you and for oh my gosh like it's gonna

1841

01:20:30,950 --> 01:20:28,980

flip everybody in this and whatever that

1842

01:20:33,110 --> 01:20:30,960

houses for them and whatever that zodiac

1843

01:20:35,930 --> 01:20:33,120

sign is for their solar house

1844

01:20:37,490 --> 01:20:35,940

so yeah I mean in Aries it's not a bad

1845

01:20:39,169 --> 01:20:37,500

Transit because it really is about

1846

01:20:40,669 --> 01:20:39,179

knowing how to work together and if we

1847

01:20:43,189 --> 01:20:40,679

really are going to talk about spiritual

1848

01:20:45,709 --> 01:20:43,199

Warriors and leaders well they work at

1849

01:20:48,590 --> 01:20:45,719

the table with people not the opposite

1850

01:20:49,850 --> 01:20:48,600

which so for them it's pretty easy but

1851

01:20:51,229 --> 01:20:49,860

to them actually it's still going to be

1852

01:20:53,090 --> 01:20:51,239

a hard but it's not going to be as bad

1853

01:20:56,090 --> 01:20:53,100

of a Transit as for some other signs

1854

01:20:58,189 --> 01:20:56,100

okay and we'll get to those well I'm

1855

01:21:00,590 --> 01:20:58,199

looking at the clock let's let's move on

1856

01:21:04,250 --> 01:21:00,600

so yeah I go fast I do this every week

1857

01:21:06,530 --> 01:21:04,260

so okay let's um uh the source to send

1858

01:21:09,229 --> 01:21:06,540

it next I could we're going to do Taurus

1859

01:21:11,570 --> 01:21:09,239

next but I I'm so interested about Aries

1860

01:21:15,430 --> 01:21:11,580

right now I wish

1861

01:21:17,930 --> 01:21:15,440

um those uh in the chat who are Aries

1862

01:21:21,110 --> 01:21:17,940

that you you know you guys are in your

1863

01:21:24,890 --> 01:21:21,120

comfort zone and all of a sudden uh

1864

01:21:27,410 --> 01:21:24,900

you're gonna be uh possibly facing uh

1865

01:21:30,709 --> 01:21:27,420

this type of transition are are you

1866

01:21:32,689 --> 01:21:30,719

ready for this you know you have to uh

1867

01:21:35,450 --> 01:21:32,699

again you can't sit on your hands this

1868

01:21:40,430 --> 01:21:35,460

is something that you're gonna have to

1869

01:21:43,189 --> 01:21:40,440

do and if you were Central in your uh in

1870

01:21:46,370 --> 01:21:43,199

your in your lifestyle right if you were

1871

01:21:49,189 --> 01:21:46,380

Central and now you need to embrace

1872

01:21:51,110 --> 01:21:49,199

others and you typically haven't been

1873

01:21:53,030 --> 01:21:51,120

doing that how do you feel about that I

1874

01:21:55,430 --> 01:21:53,040

want to see the comments and then I'll

1875

01:21:56,870 --> 01:21:55,440

post something Pluto leaving Capricorn

1876

01:21:58,610 --> 01:21:56,880

into Aquarius is where they've been

1877

01:22:00,530 --> 01:21:58,620

spending so much time to reach a goal

1878

01:22:02,030 --> 01:22:00,540

and the whole secret now is going to be

1879

01:22:03,709 --> 01:22:02,040

the revealing that it was working

1880

01:22:06,290 --> 01:22:03,719

together with more people instead of

1881

01:22:09,169 --> 01:22:06,300

just the goal itself

1882

01:22:11,390 --> 01:22:09,179

um uh jlk said that there are five

1883

01:22:13,669 --> 01:22:11,400

planets currently in Aries

1884

01:22:15,890 --> 01:22:13,679

yeah but we're talking about Pluto okay

1885

01:22:18,110 --> 01:22:15,900

we're talking about Pluto Jay okay see

1886

01:22:19,910 --> 01:22:18,120

every I love it man people are really in

1887

01:22:23,169 --> 01:22:19,920

how funny and Aries did about me and

1888

01:22:25,370 --> 01:22:23,179

there's my planet's in my time right

1889

01:22:27,830 --> 01:22:25,380

that's how you know right there there's

1890

01:22:29,450 --> 01:22:27,840

there's degrees issue and me me me me

1891

01:22:31,790 --> 01:22:29,460

every Aries Aries the Senate University

1892

01:22:33,590 --> 01:22:31,800

right now anyway me me oh man they're

1893

01:22:38,270 --> 01:22:33,600

gonna have a world of hurt

1894

01:22:40,610 --> 01:22:38,280

so um uh I'm gonna pop this up so j-o-k

1895

01:22:43,490 --> 01:22:40,620

you're you're if you were a betting man

1896

01:22:50,830 --> 01:22:43,500

you're saying j-o-k is Aries

1897

01:22:56,570 --> 01:22:54,410

so for them Pluto coming in to find

1898

01:22:58,189 --> 01:22:56,580

their purpose they all know they have a

1899

01:22:59,689 --> 01:22:58,199

lot of worth

1900

01:23:02,209 --> 01:22:59,699

now it's interesting for them because

1901

01:23:03,770 --> 01:23:02,219

it's like they have to Define what it is

1902

01:23:06,590 --> 01:23:03,780

they're really good at defining the

1903

01:23:08,390 --> 01:23:06,600

things they like but this is where it's

1904

01:23:10,729 --> 01:23:08,400

like anything that's really not

1905

01:23:12,470 --> 01:23:10,739

connecting for them work-wise anymore to

1906

01:23:13,430 --> 01:23:12,480

actually connect them to the collective

1907

01:23:15,410 --> 01:23:13,440

everything's gonna be about the

1908

01:23:18,050 --> 01:23:15,420

collective because of the fact that it

1909

01:23:20,149 --> 01:23:18,060

is Aquarius working with people to

1910

01:23:22,790 --> 01:23:20,159

actually

1911

01:23:24,350 --> 01:23:22,800

do things that are about more about the

1912

01:23:26,689 --> 01:23:24,360

world than their own personal life as

1913

01:23:27,950 --> 01:23:26,699

home life they're too they're always

1914

01:23:29,270 --> 01:23:27,960

letting their home life get in between

1915

01:23:31,010 --> 01:23:29,280

their work

1916

01:23:32,930 --> 01:23:31,020

and this is now where you can't let your

1917

01:23:34,610 --> 01:23:32,940

home life or your comfort or sitting on

1918

01:23:36,950 --> 01:23:34,620

the couch eating chips

1919

01:23:39,350 --> 01:23:36,960

which is a very Taurus thing to do

1920

01:23:41,450 --> 01:23:39,360

get in between your ability to do the

1921

01:23:44,450 --> 01:23:41,460

actual work so it's kind of like you've

1922

01:23:46,550 --> 01:23:44,460

been faking it till you make it now you

1923

01:23:48,290 --> 01:23:46,560

have to really do the work you did a

1924

01:23:51,770 --> 01:23:48,300

really good job of convincing others too

1925

01:23:53,270 --> 01:23:51,780

that you're doing it when you're not

1926

01:23:54,950 --> 01:23:53,280

so now you're gonna have to face

1927

01:23:57,169 --> 01:23:54,960

responsibility

1928

01:24:00,169 --> 01:23:57,179

and that's the problem is you're

1929

01:24:02,689 --> 01:24:00,179

responsible in personal life ways but in

1930

01:24:05,630 --> 01:24:02,699

actual responsibilities that are to get

1931

01:24:07,189 --> 01:24:05,640

you anywhere in life and to succeed

1932

01:24:08,630 --> 01:24:07,199

and you're also going to be facing

1933

01:24:09,830 --> 01:24:08,640

situations that are now going to be

1934

01:24:11,990 --> 01:24:09,840

where it's like

1935

01:24:14,209 --> 01:24:12,000

you know if you've had family money or

1936

01:24:15,770 --> 01:24:14,219

you've had like you know nest egg or

1937

01:24:17,270 --> 01:24:15,780

those are all ending and you're gonna

1938

01:24:18,830 --> 01:24:17,280

have to go work you're gonna have to

1939

01:24:20,570 --> 01:24:18,840

actually go do the work now you're gonna

1940

01:24:23,810 --> 01:24:20,580

have to actually hold the job or hold

1941

01:24:25,970 --> 01:24:23,820

the business or pick that path you can't

1942

01:24:27,410 --> 01:24:25,980

keep avoiding the responsibilities and

1943

01:24:29,870 --> 01:24:27,420

always going well I can skip that today

1944

01:24:33,229 --> 01:24:29,880

and I can skip that tomorrow and then

1945

01:24:35,090 --> 01:24:33,239

that is the crumbling it also is a hard

1946

01:24:36,950 --> 01:24:35,100

Transit because it is a fixed sign so it

1947

01:24:38,750 --> 01:24:36,960

squares all their sons

1948

01:24:42,350 --> 01:24:38,760

so it's one of those moments to where

1949

01:24:45,890 --> 01:24:42,360

it's like this is also where your own

1950

01:24:48,709 --> 01:24:45,900

values have to find a purpose that

1951

01:24:51,649 --> 01:24:48,719

connects with more than just

1952

01:24:53,630 --> 01:24:51,659

your own personal not like Aries where

1953

01:24:55,310 --> 01:24:53,640

it's about me it's more about their own

1954

01:24:57,410 --> 01:24:55,320

personal

1955

01:24:59,870 --> 01:24:57,420

life as far as what feels comfortable

1956

01:25:02,330 --> 01:24:59,880

and fun and what feels good it's like

1957

01:25:05,149 --> 01:25:02,340

the vacation's over

1958

01:25:08,570 --> 01:25:05,159

yeah that's very interesting by the way

1959

01:25:11,270 --> 01:25:08,580

jlk says she's a Pisces

1960

01:25:13,270 --> 01:25:11,280

she said there's not a lick of Aries in

1961

01:25:17,570 --> 01:25:13,280

my chart

1962

01:25:20,450 --> 01:25:17,580

congratulations yeah congratulations the

1963

01:25:21,130 --> 01:25:20,460

um uh the separation of that

1964

01:25:24,410 --> 01:25:21,140

um

1965

01:25:28,010 --> 01:25:24,420

so many people find it very easy

1966

01:25:30,350 --> 01:25:28,020

uh when you leave the house the house is

1967

01:25:32,510 --> 01:25:30,360

behind you you're going to work or

1968

01:25:35,330 --> 01:25:32,520

you're doing your thing and if you have

1969

01:25:37,430 --> 01:25:35,340

a separation of that right but but

1970

01:25:39,169 --> 01:25:37,440

Taurus is that's not the case yeah

1971

01:25:41,570 --> 01:25:39,179

family businesses aren't going to work

1972

01:25:44,870 --> 01:25:41,580

for Taurus Source risings anymore

1973

01:25:47,270 --> 01:25:44,880

right if well my mom does this and I I

1974

01:25:49,010 --> 01:25:47,280

do the job it's like the separation of

1975

01:25:52,250 --> 01:25:49,020

all these attachments to the home and

1976

01:25:53,330 --> 01:25:52,260

having a good separation from that and

1977

01:25:55,310 --> 01:25:53,340

Pluto

1978

01:25:56,649 --> 01:25:55,320

is the ruler of Scorpio and Scorpio is

1979

01:25:59,209 --> 01:25:56,659

the opposite of Taurus so it's

1980

01:26:01,250 --> 01:25:59,219

relationships personal relationships

1981

01:26:02,930 --> 01:26:01,260

dealing with their home lives

1982

01:26:04,910 --> 01:26:02,940

and how they want everything to be in

1983

01:26:06,770 --> 01:26:04,920

this Nest Egg but that's not going to

1984

01:26:08,570 --> 01:26:06,780

get them success they want they'll get

1985

01:26:09,649 --> 01:26:08,580

that if they go towards it's like it

1986

01:26:13,970 --> 01:26:09,659

would be it reminds me of somebody

1987

01:26:15,950 --> 01:26:13,980

that's on unemployment and it it ends

1988

01:26:17,209 --> 01:26:15,960

and they just constantly go well yeah I

1989

01:26:19,550 --> 01:26:17,219

looked on Craigslist I didn't see

1990

01:26:21,530 --> 01:26:19,560

anything or yeah yeah no I'm going on an

1991

01:26:22,850 --> 01:26:21,540

interview next week when they could take

1992

01:26:31,390 --> 01:26:22,860

the interview now they'll pick the last

1993

01:26:37,250 --> 01:26:34,330

Gemini Gemini so

1994

01:26:39,470 --> 01:26:37,260

Geminis have gone through the biggest

1995

01:26:41,870 --> 01:26:39,480

trust issues and in order for them to

1996

01:26:43,129 --> 01:26:41,880

actually have a positive experience in

1997

01:26:45,169 --> 01:26:43,139

life they have to believe that

1998

01:26:46,850 --> 01:26:45,179

everything is not bad so for them

1999

01:26:49,910 --> 01:26:46,860

because they're an air sign they're the

2000

01:26:51,649 --> 01:26:49,920

first air sign Pluto is in their ninth

2001

01:26:53,930 --> 01:26:51,659

House of beliefs so this is going to be

2002

01:26:56,330 --> 01:26:53,940

where you have to have a positive belief

2003

01:26:59,209 --> 01:26:56,340

system now especially that your reality

2004

01:27:01,430 --> 01:26:59,219

is always tripping on what could go

2005

01:27:04,310 --> 01:27:01,440

wrong or what could go bad or especially

2006

01:27:06,590 --> 01:27:04,320

being really finicky when it comes to

2007

01:27:08,510 --> 01:27:06,600

anything that's more expanding Gemini is

2008

01:27:10,070 --> 01:27:08,520

a sign about small and keeping in my

2009

01:27:12,709 --> 01:27:10,080

environment Pluto's telling you to

2010

01:27:14,750 --> 01:27:12,719

expand your world and that could be a

2011

01:27:15,950 --> 01:27:14,760

trip for you but especially when it

2012

01:27:18,610 --> 01:27:15,960

comes to

2013

01:27:20,930 --> 01:27:18,620

if you are I'll use examples again if

2014

01:27:23,209 --> 01:27:20,940

religion belief or even like let's say

2015

01:27:25,550 --> 01:27:23,219

you're a vegan or you know you have to

2016

01:27:27,350 --> 01:27:25,560

re-look at your hardcore belief systems

2017

01:27:30,110 --> 01:27:27,360

that have actually

2018

01:27:31,310 --> 01:27:30,120

cause you to to have the destruction in

2019

01:27:33,229 --> 01:27:31,320

your life

2020

01:27:35,870 --> 01:27:33,239

you know what's interesting

2021

01:27:38,810 --> 01:27:35,880

um and we're going to continue none of

2022

01:27:41,510 --> 01:27:38,820

this has applied to me

2023

01:27:45,290 --> 01:27:41,520

I used to look at

2024

01:27:48,350 --> 01:27:45,300

um uh the Zodiac and conversations about

2025

01:27:52,310 --> 01:27:48,360

astrology that you could apply him to

2026

01:27:54,709 --> 01:27:52,320

everybody I always I that was my mistake

2027

01:27:55,910 --> 01:27:54,719

right that it was just a generic thing

2028

01:27:57,709 --> 01:27:55,920

and

2029

01:27:59,510 --> 01:27:57,719

um it is simply not the case everything

2030

01:28:02,209 --> 01:27:59,520

that you have just said you know about

2031

01:28:06,010 --> 01:28:02,219

Aries and and torso doesn't apply to me

2032

01:28:08,510 --> 01:28:06,020

at all right yeah very interesting

2033

01:28:10,910 --> 01:28:08,520

well we're gonna find out here just yeah

2034

01:28:13,450 --> 01:28:10,920

we'll find out right but yeah so Gemini

2035

01:28:17,149 --> 01:28:13,460

it's it's

2036

01:28:19,310 --> 01:28:17,159

this construct of how life should be

2037

01:28:21,410 --> 01:28:19,320

that is being destroyed

2038

01:28:23,450 --> 01:28:21,420

for Gemini's especially they're the

2039

01:28:25,129 --> 01:28:23,460

mental ones the thinkers the twins the

2040

01:28:26,390 --> 01:28:25,139

ones that have it all figured out you

2041

01:28:27,229 --> 01:28:26,400

don't have it figured out and you're

2042

01:28:32,209 --> 01:28:27,239

wrong

2043

01:28:33,169 --> 01:28:32,219

I did meditate every morning maybe you

2044

01:28:35,930 --> 01:28:33,179

shouldn't

2045

01:28:38,030 --> 01:28:35,940

maybe that's causing the problem

2046

01:28:39,590 --> 01:28:38,040

so it's a trigger because my life got

2047

01:28:41,209 --> 01:28:39,600

destroyed I can't trust things and it's

2048

01:28:43,129 --> 01:28:41,219

been to this trust that's been built off

2049

01:28:45,530 --> 01:28:43,139

a belief system that's actually the

2050

01:28:47,330 --> 01:28:45,540

problem that's causing everything so

2051

01:28:52,010 --> 01:28:47,340

they're having to destroy their beliefs

2052

01:28:53,930 --> 01:28:52,020

and reinvent by looking at other places

2053

01:28:56,030 --> 01:28:53,940

that are again going to be hard because

2054

01:28:57,290 --> 01:28:56,040

they like to have the data the facts and

2055

01:28:58,790 --> 01:28:57,300

this is telling them to go in the

2056

01:29:01,189 --> 01:28:58,800

opposite direction this is not their

2057

01:29:03,290 --> 01:29:01,199

house this is saga's house the ninth

2058

01:29:05,629 --> 01:29:03,300

house for them not the third house that

2059

01:29:09,229 --> 01:29:05,639

they rule so this is very opposite of

2060

01:29:10,850 --> 01:29:09,239

who they are and also their health is

2061

01:29:12,229 --> 01:29:10,860

dependent on their beliefs they actually

2062

01:29:14,270 --> 01:29:12,239

cause health problems based off their

2063

01:29:16,669 --> 01:29:14,280

beliefs and that's their issue so their

2064

01:29:18,229 --> 01:29:16,679

health is at risk for continuing the

2065

01:29:20,330 --> 01:29:18,239

belief path that you think is healing

2066

01:29:22,430 --> 01:29:20,340

you which actually is probably not it

2067

01:29:25,490 --> 01:29:22,440

would be like somebody taking like

2068

01:29:26,990 --> 01:29:25,500

I don't know like silver every morning

2069

01:29:28,610 --> 01:29:27,000

and thinking that because I don't want

2070

01:29:29,870 --> 01:29:28,620

to go to the doctor but it's like no you

2071

01:29:32,450 --> 01:29:29,880

need to go to the dentist because you

2072

01:29:36,410 --> 01:29:32,460

got a rotten teeth

2073

01:29:38,390 --> 01:29:36,420

you know yes I think so I believe the

2074

01:29:41,090 --> 01:29:38,400

problem and more importantly also

2075

01:29:43,010 --> 01:29:41,100

this does it's constructed beliefs that

2076

01:29:44,930 --> 01:29:43,020

are really limiting and now it's time to

2077

01:29:45,950 --> 01:29:44,940

blow all those up and experience new

2078

01:29:47,390 --> 01:29:45,960

ways

2079

01:29:48,290 --> 01:29:47,400

um and there's a lot of trauma that

2080

01:29:49,910 --> 01:29:48,300

you're gonna have to face with

2081

01:29:52,189 --> 01:29:49,920

psychology or talking to a psychologist

2082

01:29:53,629 --> 01:29:52,199

over the next 20 years is probably going

2083

01:29:56,870 --> 01:29:53,639

to help you through that

2084

01:29:59,990 --> 01:29:56,880

okay people want to know my uh what are

2085

01:30:02,030 --> 01:30:00,000

my moon and rising signs uh you've done

2086

01:30:07,250 --> 01:30:02,040

this for me before

2087

01:30:09,830 --> 01:30:07,260

um I'm October 10th 1963 uh born at uh 6

2088

01:30:12,169 --> 01:30:09,840

A.M what does that mean

2089

01:30:14,750 --> 01:30:12,179

I know I think we had done you as a Leo

2090

01:30:16,970 --> 01:30:14,760

Rising if I if I was correct I think so

2091

01:30:19,550 --> 01:30:16,980

too yeah and I forgot where your moon

2092

01:30:22,790 --> 01:30:19,560

was but um yeah I can't I can't remember

2093

01:30:26,570 --> 01:30:22,800

either and I don't mean to uh to bum

2094

01:30:26,870 --> 01:30:26,580

everybody out but Leo Rising I I don't

2095

01:30:28,910 --> 01:30:26,880

know

2096

01:30:30,770 --> 01:30:28,920

[Music]

2097

01:30:33,649 --> 01:30:30,780

um you told me

2098

01:30:36,910 --> 01:30:33,659

okay well yeah I looked it up yeah but

2099

01:30:40,790 --> 01:30:36,920

anyway so we'll move on to cancer cancer

2100

01:30:42,350 --> 01:30:40,800

let's move on to cancer uh so they they

2101
01:30:45,169 --> 01:30:42,360
are going to be when we talk about

2102
01:30:47,689 --> 01:30:45,179
transparency and openness and not

2103
01:30:49,910 --> 01:30:47,699
keeping secrets and also I'm just going

2104
01:30:51,649 --> 01:30:49,920
to be on a sexual repression this is

2105
01:30:53,330 --> 01:30:51,659
where cancers are they've been too

2106
01:30:55,370 --> 01:30:53,340
concerned over what a relationship

2107
01:30:57,050 --> 01:30:55,380
should look like instead of what they

2108
01:31:00,169 --> 01:30:57,060
really want

2109
01:31:02,450 --> 01:31:00,179
so when it comes to their desires and

2110
01:31:04,430 --> 01:31:02,460
expressing their desires

2111
01:31:07,070 --> 01:31:04,440
if you're with the cancer or cancer

2112
01:31:08,390 --> 01:31:07,080
ascendant I mean look at Elon Musk you

2113
01:31:12,010 --> 01:31:08,400

think that motherfucker's getting down

2114

01:31:14,870 --> 01:31:12,020

the way you think he is no so

2115

01:31:16,790 --> 01:31:14,880

Pluto and Aquarius is going to be one

2116

01:31:18,770 --> 01:31:16,800

where you have to be in touch with your

2117

01:31:21,910 --> 01:31:18,780

sexual nature because you've not been

2118

01:31:24,890 --> 01:31:21,920

getting it if anybody's

2119

01:31:27,470 --> 01:31:24,900

repressed in that area it's them

2120

01:31:29,090 --> 01:31:27,480

and also big questions about how

2121

01:31:31,370 --> 01:31:29,100

authentic you really are when it comes

2122

01:31:33,050 --> 01:31:31,380

to those sensitive emotions that disrupt

2123

01:31:35,030 --> 01:31:33,060

that place that's the most sensitive to

2124

01:31:36,890 --> 01:31:35,040

you emotionally that disrupts the

2125

01:31:38,810 --> 01:31:36,900

harmony with your home life and all

2126
01:31:41,390 --> 01:31:38,820
those things but actually it'll bring

2127
01:31:43,310 --> 01:31:41,400
you to the harmony so you're gonna have

2128
01:31:45,890 --> 01:31:43,320
to learn to be more Bolder and more

2129
01:31:47,450 --> 01:31:45,900
extreme you're not extreme enough you

2130
01:31:49,490 --> 01:31:47,460
might be extreme in other ways but when

2131
01:31:51,229 --> 01:31:49,500
it comes to your rear wheel and raw

2132
01:31:53,149 --> 01:31:51,239
emotional nature

2133
01:31:54,950 --> 01:31:53,159
and you can kind of see this coming I I

2134
01:31:56,629 --> 01:31:54,960
use celebrities as like little anchor

2135
01:31:58,850 --> 01:31:56,639
points for people to see like you could

2136
01:32:00,649 --> 01:31:58,860
see how the turns already begun with

2137
01:32:03,110 --> 01:32:00,659
Elon Musk about expressing what he

2138
01:32:04,970 --> 01:32:03,120

really feels you know he went from one

2139

01:32:06,649 --> 01:32:04,980

extreme to the other right but we also

2140

01:32:08,870 --> 01:32:06,659

don't even know where his real extremes

2141

01:32:12,050 --> 01:32:08,880

are and we don't know

2142

01:32:14,030 --> 01:32:12,060

you know what he really

2143

01:32:15,890 --> 01:32:14,040

has in store with all the things that

2144

01:32:18,169 --> 01:32:15,900

he's been doing so cancers have a big

2145

01:32:19,370 --> 01:32:18,179

secret that they have to be willing to

2146

01:32:21,709 --> 01:32:19,380

own

2147

01:32:23,950 --> 01:32:21,719

it's the dancer it's the dancer that

2148

01:32:27,770 --> 01:32:23,960

doesn't say they're a dancer right right

2149

01:32:29,750 --> 01:32:27,780

it's uh right like not me I'm Betty

2150

01:32:32,570 --> 01:32:29,760

Crocker I make cookies and I love

2151
01:32:35,750 --> 01:32:32,580
everybody yeah right [h__\h] right right

2152
01:32:36,350 --> 01:32:35,760
right right right and so

2153
01:32:39,229 --> 01:32:36,360
um

2154
01:32:41,689 --> 01:32:39,239
two cancers in a relationship

2155
01:32:44,030 --> 01:32:41,699
it doesn't sound like it would work

2156
01:32:46,729 --> 01:32:44,040
I I don't know if I would want to have

2157
01:32:48,410 --> 01:32:46,739
two full moons in in Life or the it'd be

2158
01:32:49,669 --> 01:32:48,420
like the Moon dating the Moon Man from

2159
01:32:53,390 --> 01:32:49,679
McDonald's

2160
01:32:54,890 --> 01:32:53,400
right no way all right talk about an

2161
01:32:56,750 --> 01:32:54,900
emotional mess and two sexually

2162
01:33:00,350 --> 01:32:56,760
repressed people I guess they would join

2163
01:33:03,770 --> 01:33:00,360

the AI bot and be trying to talk to that

2164

01:33:07,490 --> 01:33:03,780

with little Aquarius oh yeah open AI is

2165

01:33:09,290 --> 01:33:07,500

getting me off oh man so and they also

2166

01:33:11,629 --> 01:33:09,300

have to deal with it like it's not that

2167

01:33:13,729 --> 01:33:11,639

there's a secret that's outside that

2168

01:33:15,350 --> 01:33:13,739

they have to deal with it's that they

2169

01:33:18,669 --> 01:33:15,360

have their own secret that they haven't

2170

01:33:20,890 --> 01:33:18,679

revealed to even their closest partners

2171

01:33:23,870 --> 01:33:20,900

stop

2172

01:33:27,530 --> 01:33:23,880

oh man

2173

01:33:29,330 --> 01:33:27,540

but yeah what a crazy thought right yeah

2174

01:33:33,890 --> 01:33:29,340

together

2175

01:33:35,629 --> 01:33:33,900

um wow wow okay all right and the last

2176

01:33:37,790 --> 01:33:35,639

thing is that they had at the most

2177

01:33:40,370 --> 01:33:37,800

extreme too one of the most extreme is

2178

01:33:41,870 --> 01:33:40,380

is Capricorn and Cancer because Pluto

2179

01:33:42,890 --> 01:33:41,880

was in Capricorn their opposite sign for

2180

01:33:44,270 --> 01:33:42,900

the last 15 years dealing with

2181

01:33:46,310 --> 01:33:44,280

relationships and they have it in

2182

01:33:47,930 --> 01:33:46,320

Capricorn which is traditional so the

2183

01:33:50,629 --> 01:33:47,940

idea of the traditional relationship for

2184

01:33:51,830 --> 01:33:50,639

them they held up or not at all I don't

2185

01:33:53,510 --> 01:33:51,840

want to do that because I don't want to

2186

01:33:55,910 --> 01:33:53,520

hide I want to hide the fact that I'm

2187

01:33:58,430 --> 01:33:55,920

actually wouldn't fit that

2188

01:34:00,350 --> 01:33:58,440

so they they have weird issues with

2189

01:34:02,090 --> 01:34:00,360

relationships and connection and trust

2190

01:34:03,290 --> 01:34:02,100

and and fully they'll be fully committed

2191

01:34:04,490 --> 01:34:03,300

to somebody that they don't even know

2192

01:34:05,689 --> 01:34:04,500

are attracted to or they won't be

2193

01:34:07,490 --> 01:34:05,699

committed at all to people they're

2194

01:34:08,270 --> 01:34:07,500

attracted to so they have to figure that

2195

01:34:15,350 --> 01:34:08,280

out

2196

01:34:17,390 --> 01:34:15,360

relationships and knowing that uh Kings

2197

01:34:18,709 --> 01:34:17,400

need to be cool with the people too and

2198

01:34:21,169 --> 01:34:18,719

that uh

2199

01:34:23,689 --> 01:34:21,179

that's not easy right so you know as a

2200

01:34:25,129 --> 01:34:23,699

Leo Leos have to actually realize that

2201
01:34:27,410 --> 01:34:25,139
you know we're here to inspire people

2202
01:34:29,209 --> 01:34:27,420
but we got to keep them from revolting

2203
01:34:31,790 --> 01:34:29,219
against us

2204
01:34:33,709 --> 01:34:31,800
so you know we also like unique and

2205
01:34:35,510 --> 01:34:33,719
different people so

2206
01:34:37,189 --> 01:34:35,520
just because they're unique and

2207
01:34:38,810 --> 01:34:37,199
different you're going to have to learn

2208
01:34:41,090 --> 01:34:38,820
that you know you're going to have to

2209
01:34:43,550 --> 01:34:41,100
deal with the emotional understanding

2210
01:34:45,729 --> 01:34:43,560
that not everybody's gonna be like you

2211
01:34:48,350 --> 01:34:45,739
and yeah

2212
01:34:52,610 --> 01:34:48,360
do you feel we're going to do Leo next

2213
01:34:54,470 --> 01:34:52,620

but before I'm doing yeah uh uh well I'm

2214

01:34:55,729 --> 01:34:54,480

gonna ask you about Leo next I should

2215

01:34:59,149 --> 01:34:55,739

say

2216

01:35:02,750 --> 01:34:59,159

um you're the Leo King do you look at

2217

01:35:05,270 --> 01:35:02,760

yourself as typical

2218

01:35:07,430 --> 01:35:05,280

I look at myself as the way that Leo is

2219

01:35:10,910 --> 01:35:07,440

supposed to express itself like with fun

2220

01:35:14,030 --> 01:35:10,920

fully bold and not afraid but also at

2221

01:35:16,010 --> 01:35:14,040

the same time bringing inspiration and

2222

01:35:18,290 --> 01:35:16,020

you know I'm lucky I was born with

2223

01:35:19,550 --> 01:35:18,300

really arising Leo son Leo Mercury Leo

2224

01:35:23,090 --> 01:35:19,560

Venus

2225

01:35:27,370 --> 01:35:23,100

I'm pure Leo I'm purebred

2226

01:35:30,950 --> 01:35:27,380

so and with um

2227

01:35:33,709 --> 01:35:30,960

with the rest of the Leos out there I

2228

01:35:36,470 --> 01:35:33,719

mean are are you excited or concerned

2229

01:35:37,850 --> 01:35:36,480

about uh tomorrow and the next one I'm

2230

01:35:39,649 --> 01:35:37,860

concerned because I'm born the first day

2231

01:35:41,629 --> 01:35:39,659

of Leo so Pluto is opposing my son

2232

01:35:42,910 --> 01:35:41,639

starting tomorrow exactly

2233

01:35:47,870 --> 01:35:42,920

right right

2234

01:35:49,729 --> 01:35:47,880

so very very interesting so you know so

2235

01:35:53,030 --> 01:35:49,739

but but the thing is is

2236

01:35:55,550 --> 01:35:53,040

why cancers was different was Pluto was

2237

01:35:57,830 --> 01:35:55,560

in Saturn's House of Capricorn for the

2238

01:36:01,970 --> 01:35:57,840

last 15 years now Pluto's coming into

2239

01:36:03,830 --> 01:36:01,980

Uranus's House of aquarius so Leo's we

2240

01:36:05,330 --> 01:36:03,840

don't like people who are like us we

2241

01:36:06,890 --> 01:36:05,340

want people who are a little different

2242

01:36:09,169 --> 01:36:06,900

we're attracted to different people

2243

01:36:10,850 --> 01:36:09,179

people who are not like us

2244

01:36:13,010 --> 01:36:10,860

but it's about understanding our

2245

01:36:14,750 --> 01:36:13,020

emotions about staying committed and

2246

01:36:15,830 --> 01:36:14,760

understanding how to be with people who

2247

01:36:18,110 --> 01:36:15,840

are different

2248

01:36:19,550 --> 01:36:18,120

and and not try to make them like

2249

01:36:22,729 --> 01:36:19,560

ourselves

2250

01:36:24,229 --> 01:36:22,739

and also be careful of people and that

2251

01:36:26,270 --> 01:36:24,239

are going to come to attack because one

2252

01:36:28,850 --> 01:36:26,280

thing about Pluto in opposition

2253

01:36:31,970 --> 01:36:28,860

to a sign means that there are people

2254

01:36:36,669 --> 01:36:31,980

who come to try and take you down

2255

01:36:40,669 --> 01:36:36,679

now I believe you're a Leo why is it

2256

01:36:44,270 --> 01:36:40,679

is it natural that you and I just get

2257

01:36:45,910 --> 01:36:44,280

along on on on every level and and enjoy

2258

01:36:50,930 --> 01:36:45,920

each other's company and we can

2259

01:36:51,850 --> 01:36:50,940

communicate very openly and and you know

2260

01:36:55,669 --> 01:36:51,860

yeah

2261

01:36:57,770 --> 01:36:55,679

Libra's the third sign from Leo right if

2262

01:37:00,830 --> 01:36:57,780

you take Leo as the first side of itself

2263

01:37:03,169 --> 01:37:00,840

so that's the house of communication and

2264

01:37:05,450 --> 01:37:03,179

intellect and then for you as a Libra

2265

01:37:07,370 --> 01:37:05,460

Leo is the 11th house which is the house

2266

01:37:10,010 --> 01:37:07,380

of society and friends and all that so

2267

01:37:11,570 --> 01:37:10,020

it's the Chatterbox City Leo and Libra

2268

01:37:13,430 --> 01:37:11,580

are the only two signs that represent

2269

01:37:16,610 --> 01:37:13,440

love and relationship too so there's

2270

01:37:19,330 --> 01:37:16,620

that energy of whoa yeah it's all good

2271

01:37:22,370 --> 01:37:19,340

and and yeah

2272

01:37:24,229 --> 01:37:22,380

Libra have that positive vibe or if you

2273

01:37:25,970 --> 01:37:24,239

take it from a king's point of view the

2274

01:37:28,250 --> 01:37:25,980

Libra is the Diplomat that they send out

2275

01:37:30,169 --> 01:37:28,260

that they only trust to send out the

2276

01:37:32,870 --> 01:37:30,179

negotiations of the countries matters if

2277

01:37:40,010 --> 01:37:36,770

theatrics is half of the sale Virgo

2278

01:37:41,629 --> 01:37:40,020

Virgo that is gonna be the weirdest one

2279

01:37:45,830 --> 01:37:41,639

I think of them all because Pluto's in

2280

01:37:48,110 --> 01:37:45,840

its own house for the sixth house it's

2281

01:37:50,930 --> 01:37:48,120

an aquarius where Virgos are very OCD

2282

01:37:52,669 --> 01:37:50,940

right life should be perfect this is

2283

01:37:55,010 --> 01:37:52,679

destroying their idea of the perfect

2284

01:37:56,930 --> 01:37:55,020

life so

2285

01:37:58,250 --> 01:37:56,940

you know having the room cleaned a

2286

01:38:01,250 --> 01:37:58,260

certain way isn't going to do it anymore

2287

01:38:02,810 --> 01:38:01,260

you have to clean up a completely set of

2288

01:38:04,250 --> 01:38:02,820

a different thing which is your own life

2289

01:38:06,050 --> 01:38:04,260

and your reality

2290

01:38:08,390 --> 01:38:06,060

the obsession with your schedule no

2291

01:38:10,129 --> 01:38:08,400

longer and also how much work you're

2292

01:38:12,290 --> 01:38:10,139

going to have to do you've been doing

2293

01:38:13,790 --> 01:38:12,300

work in all these other spaces to avoid

2294

01:38:16,189 --> 01:38:13,800

the work that has to be done in your own

2295

01:38:17,990 --> 01:38:16,199

life to realize you can't keep it in

2296

01:38:20,570 --> 01:38:18,000

control perfect it's also about

2297

01:38:22,610 --> 01:38:20,580

realizing that we are humans that we

2298

01:38:26,209 --> 01:38:22,620

don't even know how we work and operate

2299

01:38:28,610 --> 01:38:26,219

so stop trying to think that you

2300

01:38:30,709 --> 01:38:28,620

understand how people should operate and

2301

01:38:33,110 --> 01:38:30,719

be critical in a way where you're not

2302

01:38:34,610 --> 01:38:33,120

even critical of your own self it's the

2303

01:38:37,189 --> 01:38:34,620

it's the it's going to be one of the

2304

01:38:39,110 --> 01:38:37,199

most weirdest places is for Virgos

2305

01:38:42,110 --> 01:38:39,120

because of the fact that it's their own

2306

01:38:44,689 --> 01:38:42,120

house that Pluto is entering into that's

2307

01:38:47,629 --> 01:38:44,699

destroying all the things that they

2308

01:38:49,669 --> 01:38:47,639

associate with is having a certain

2309

01:38:51,709 --> 01:38:49,679

schedule having it be a certain way it

2310

01:38:53,450 --> 01:38:51,719

needs to be a look way and also the

2311

01:38:56,209 --> 01:38:53,460

criticisms that are really the

2312

01:38:58,370 --> 01:38:56,219

criticisms of projections that are

2313

01:39:00,110 --> 01:38:58,380

deeply embedded in how your mind so this

2314

01:39:03,169 --> 01:39:00,120

also has to deal with where the anxiety

2315

01:39:05,930 --> 01:39:03,179

is laying that you need to look at where

2316

01:39:07,550 --> 01:39:05,940

the stress is become too much which has

2317

01:39:09,649 --> 01:39:07,560

nothing to do with anything outside but

2318

01:39:11,209 --> 01:39:09,659

you you own mind and your own way that

2319

01:39:13,790 --> 01:39:11,219

you deal with your reality from your

2320

01:39:15,189 --> 01:39:13,800

mind's point of view that you can't be a

2321

01:39:18,110 --> 01:39:15,199

mental

2322

01:39:20,750 --> 01:39:18,120

reality liver you have to be in reality

2323

01:39:25,189 --> 01:39:20,760

not mentally living through it so how do

2324

01:39:28,790 --> 01:39:25,199

you unwind that I mean if you are so uh

2325

01:39:31,850 --> 01:39:28,800

fixation oriented right orientated

2326

01:39:34,370 --> 01:39:31,860

how do you how do you and why you are

2327

01:39:36,890 --> 01:39:34,380

right that you're right about that

2328

01:39:38,330 --> 01:39:36,900

that's a big change how do you how do

2329

01:39:41,390 --> 01:39:38,340

you wow

2330

01:39:42,950 --> 01:39:41,400

well I would say in Aquarius we try an

2331

01:39:44,330 --> 01:39:42,960

experiment so it's like if you think

2332

01:39:46,129 --> 01:39:44,340

that you need to be in bed every day at

2333

01:39:48,950 --> 01:39:46,139

night at 10 A.M and you need to be in

2334

01:39:50,990 --> 01:39:48,960

and wake up at 6 a.m do the opposite go

2335

01:39:52,310 --> 01:39:51,000

to bed at 6am and wake up at 10 pm and

2336

01:39:53,990 --> 01:39:52,320

see what happens

2337

01:39:54,770 --> 01:39:54,000

well that's exactly what you're talking

2338

01:39:56,629 --> 01:39:54,780

about

2339

01:39:59,450 --> 01:39:56,639

well yeah I mean it's like it's like

2340

01:40:00,590 --> 01:39:59,460

throw it into an opposite place if you

2341

01:40:02,810 --> 01:40:00,600

think that you only feel comfortable

2342

01:40:05,090 --> 01:40:02,820

when the [h__h] cat is sitting on the

2343

01:40:07,070 --> 01:40:05,100

couch right on the right side after

2344

01:40:08,090 --> 01:40:07,080

you've cleaned it three times and that's

2345

01:40:10,430 --> 01:40:08,100

the only time that you're gonna feel

2346

01:40:12,169 --> 01:40:10,440

good well maybe let the cat sit there

2347

01:40:14,750 --> 01:40:12,179

without cleaning it

2348

01:40:16,129 --> 01:40:14,760

and see what happens you know you're

2349

01:40:17,450 --> 01:40:16,139

almost talking about somebody that is

2350

01:40:19,850 --> 01:40:17,460

OCD

2351

01:40:21,709 --> 01:40:19,860

correct which that that's the ruler of

2352

01:40:24,830 --> 01:40:21,719

that in that sixth house but it also is

2353

01:40:26,990 --> 01:40:24,840

the other house of work so yes it is

2354

01:40:29,330 --> 01:40:27,000

where the work has to be done but it's

2355

01:40:30,649 --> 01:40:29,340

about on being in the moment the Virgo

2356

01:40:32,689 --> 01:40:30,659

is

2357

01:40:34,250 --> 01:40:32,699

that beautiful understanding of the

2358

01:40:35,810 --> 01:40:34,260

Virgin but it's out in the wheat Fields

2359

01:40:37,610 --> 01:40:35,820

it's actually the original understanding

2360

01:40:39,470 --> 01:40:37,620

of what slavery is they're slave to

2361

01:40:41,750 --> 01:40:39,480

their mind and how life should be

2362

01:40:43,669 --> 01:40:41,760

because slaves get told what they should

2363

01:40:45,709 --> 01:40:43,679

do right and so they don't really

2364

01:40:47,810 --> 01:40:45,719

realize that they are creating their own

2365

01:40:49,370 --> 01:40:47,820

slavery life of themselves in their own

2366

01:40:50,629 --> 01:40:49,380

mind and this is where you have to

2367

01:40:52,729 --> 01:40:50,639

destroy

2368

01:40:55,430 --> 01:40:52,739

the mind and free yourself from the mind

2369

01:40:56,990 --> 01:40:55,440

and enjoy reality as is instead of that

2370

01:40:59,450 --> 01:40:57,000

you always have to adjust it all the

2371

01:41:04,129 --> 01:41:01,990

like the adjustment becomes too crazy

2372

01:41:07,550 --> 01:41:04,139

way too crazy

2373

01:41:10,310 --> 01:41:07,560

um I used to have a friend a boss that

2374

01:41:12,229 --> 01:41:10,320

would knock on a table

2375

01:41:15,350 --> 01:41:12,239

twice

2376

01:41:17,390 --> 01:41:15,360

every time he walked by one

2377

01:41:21,229 --> 01:41:17,400

okay a desk

2378

01:41:24,530 --> 01:41:21,239

so if he's walking past 10 desk I'd

2379

01:41:25,729 --> 01:41:24,540

watch him do it right he'd just have his

2380

01:41:28,250 --> 01:41:25,739

hand out knock knock knock knock

2381

01:41:32,270 --> 01:41:28,260

and I was like

2382

01:41:37,250 --> 01:41:32,280

I need to talk to him about this and

2383

01:41:40,370 --> 01:41:37,260

tick and he he he said this is before

2384

01:41:41,090 --> 01:41:40,380

OCD was even a thing right you know a

2385

01:41:45,649 --> 01:41:41,100

term

2386

01:41:47,750 --> 01:41:45,659

because I I can't I cannot not do it

2387

01:41:51,649 --> 01:41:47,760

so if you're going to turn around you

2388

01:41:53,410 --> 01:41:51,659

know with Virgo right and say

2389

01:41:58,550 --> 01:41:53,420

you can't

2390

01:42:00,709 --> 01:41:58,560

I I just don't know wow wow it is uh

2391

01:42:02,629 --> 01:42:00,719

anxiety cases right you have to put the

2392

01:42:04,970 --> 01:42:02,639

person back into the place to where they

2393

01:42:07,129 --> 01:42:04,980

had anxiety if they have a phobia

2394

01:42:09,229 --> 01:42:07,139

right and you have to show them that

2395

01:42:11,390 --> 01:42:09,239

it's not going to happen again

2396

01:42:13,189 --> 01:42:11,400

right so it's the phobia that the

2397

01:42:15,050 --> 01:42:13,199

reality is a certain way and it has to

2398

01:42:16,729 --> 01:42:15,060

be a certain way and I so it's the

2399

01:42:18,950 --> 01:42:16,739

phobia because Pluto rules phobias too

2400

01:42:20,450 --> 01:42:18,960

so it's the phobia of how reality is and

2401

01:42:22,250 --> 01:42:20,460

how it's changing and accepting it

2402

01:42:24,109 --> 01:42:22,260

learning to accept the change but also

2403

01:42:25,490 --> 01:42:24,119

if there's Virgos who are extremely OCD

2404

01:42:26,810 --> 01:42:25,500

and then there's ones that are OCD and

2405

01:42:28,250 --> 01:42:26,820

other ways they don't realize it because

2406

01:42:30,830 --> 01:42:28,260

they're like I'm a mess well you need to

2407

01:42:32,629 --> 01:42:30,840

clean up right if you're a Virgo that's

2408

01:42:34,490 --> 01:42:32,639

dirty piece of [h__h] well you're you're

2409

01:42:36,590 --> 01:42:34,500

you're you're you're way on the wrong

2410

01:42:38,629 --> 01:42:36,600

tracks and that's the wrong reality too

2411

01:42:40,729 --> 01:42:38,639

so you know that's where there's always

2412

01:42:42,470 --> 01:42:40,739

the you know look at the other side too

2413

01:42:44,629 --> 01:42:42,480

but it's more important about the

2414

01:42:47,149 --> 01:42:44,639

accepting of

2415

01:42:48,890 --> 01:42:47,159

reality and learning to use reality for

2416

01:42:50,390 --> 01:42:48,900

your advantage where it matters instead

2417

01:42:52,189 --> 01:42:50,400

of areas where you're wasting your time

2418

01:42:55,189 --> 01:42:52,199

like it doesn't matter that you double

2419

01:42:57,350 --> 01:42:55,199

did this five times right it doesn't

2420

01:42:59,930 --> 01:42:57,360

matter that you knocked on that desk you

2421

01:43:02,990 --> 01:42:59,940

know twice you know correct yeah because

2422

01:43:05,750 --> 01:43:03,000

because now it's just it's more of a

2423

01:43:08,629 --> 01:43:05,760

comfort in the mind or more importantly

2424

01:43:09,830 --> 01:43:08,639

it's also Virgos of the big imagine if

2425

01:43:11,030 --> 01:43:09,840

Michael Jackson were still alive today

2426

01:43:13,189 --> 01:43:11,040

do you think he'd want to turn himself

2427

01:43:17,149 --> 01:43:13,199

probably back to black

2428

01:43:24,050 --> 01:43:20,270

right right he now he's on the wrong

2429

01:43:25,970 --> 01:43:24,060

side yeah hey man have you seen uh agent

2430

01:43:27,770 --> 01:43:25,980

that's a joke I've been using lately for

2431

01:43:29,030 --> 01:43:27,780

Virgo because he was a bird it's

2432

01:43:32,990 --> 01:43:29,040

actually pretty good

2433

01:43:35,510 --> 01:43:33,000

um have you seen Agent Elvis yet I I

2434

01:43:40,129 --> 01:43:35,520

I'll be honest no I didn't want to see I

2435

01:43:44,090 --> 01:43:40,139

just no you got to you dude you have to

2436

01:43:46,910 --> 01:43:44,100

all right I will you have to first off

2437

01:43:50,629 --> 01:43:46,920

it was created by Priscilla Presley

2438

01:43:51,530 --> 01:43:50,639

number two it's sex drugs and rock and

2439

01:43:56,590 --> 01:43:51,540

roll

2440

01:44:00,109 --> 01:43:56,600

and lots of sex lots of drugs sandwiches

2441

01:44:04,250 --> 01:44:00,119

throw that in there uh there might be

2442

01:44:07,070 --> 01:44:04,260

preludes lots of Quaaludes okay

2443

01:44:09,770 --> 01:44:07,080

um you've got to walk man it is so funny

2444

01:44:12,890 --> 01:44:09,780

and uh because it's Priscilla and the

2445

01:44:16,490 --> 01:44:12,900

Elvis right you've got Elvis's music

2446

01:44:19,750 --> 01:44:16,500

license right so it is it is Tastefully

2447

01:44:22,550 --> 01:44:19,760

done and guess who plays Elvis I know

2448

01:44:26,030 --> 01:44:22,560

it's a cartoon right oh the cartoon

2449

01:44:28,970 --> 01:44:26,040

version yeah ancient Elvis oh I will go

2450

01:44:31,609 --> 01:44:28,980

watch that I the the the Elvis movie

2451

01:44:32,990 --> 01:44:31,619

that was an Oscar nominee I was like I

2452

01:44:34,490 --> 01:44:33,000

don't know I want to watch this now that

2453

01:44:37,669 --> 01:44:34,500

was good Austin Butler is pretty good no

2454

01:44:39,890 --> 01:44:37,679

this is a cartoon created yeah so I'm

2455

01:44:43,729 --> 01:44:39,900

gonna go watch that it's called Agent

2456

01:44:49,689 --> 01:44:43,739

Elvis and Matthew McConaughey plays

2457

01:44:55,850 --> 01:44:52,070

you know who played Elvis in the

2458

01:44:58,129 --> 01:44:55,860

weirdest role was bra not Brad Pitt was

2459

01:45:00,770 --> 01:44:58,139

when Christian Slater was in

2460

01:45:02,689 --> 01:45:00,780

um that movie yeah yeah it was a Brad

2461

01:45:05,450 --> 01:45:02,699

Pitt Brad Pitt played Elvis for

2462

01:45:06,410 --> 01:45:05,460

Christian Bale in um that love movie

2463

01:45:10,010 --> 01:45:06,420

um

2464

01:45:12,470 --> 01:45:10,020

oh gosh I forgot the true love yeah true

2465

01:45:15,350 --> 01:45:12,480

love True Romance True Romance True

2466

01:45:19,010 --> 01:45:15,360

Romance yeah and uh not the movie

2467

01:45:20,689 --> 01:45:19,020

all right here we go Libra Libra

2468

01:45:22,609 --> 01:45:20,699

you can't have a cold heart anymore

2469

01:45:25,010 --> 01:45:22,619

about romance you have to remember that

2470

01:45:28,010 --> 01:45:25,020

you came here for love and you're so

2471

01:45:29,810 --> 01:45:28,020

weird that you get cold with love

2472

01:45:32,510 --> 01:45:29,820

you have to open your heart again

2473

01:45:34,189 --> 01:45:32,520

because that's what you came here for is

2474

01:45:37,129 --> 01:45:34,199

relationships

2475

01:45:39,350 --> 01:45:37,139

to feel solid and good especially when

2476
01:45:41,209 --> 01:45:39,360
it comes to the emptiness that you feel

2477
01:45:43,430 --> 01:45:41,219
in your life is because of the cold

2478
01:45:45,350 --> 01:45:43,440
heart that has become you

2479
01:45:53,030 --> 01:45:45,360
so

2480
01:46:00,470 --> 01:45:56,770
well that does hurt does that hurt

2481
01:46:03,649 --> 01:46:00,480
you know like it's like painful but that

2482
01:46:05,750 --> 01:46:03,659
got slapped I just got slapped and I

2483
01:46:07,729 --> 01:46:05,760
don't know you're that much we don't

2484
01:46:09,530 --> 01:46:07,739
talk we don't talk about that so no we

2485
01:46:10,729 --> 01:46:09,540
don't we don't we don't but that's

2486
01:46:12,950 --> 01:46:10,739
really where it's at it's the fifth

2487
01:46:15,169 --> 01:46:12,960
house it's learning to express yourself

2488
01:46:17,510 --> 01:46:15,179

in a in the in the heart centered way

2489

01:46:19,070 --> 01:46:17,520

that's not just about helping people but

2490

01:46:21,050 --> 01:46:19,080

it's about your own life that you can

2491

01:46:23,209 --> 01:46:21,060

have a personal life

2492

01:46:24,709 --> 01:46:23,219

that is full of love because there's

2493

01:46:28,070 --> 01:46:24,719

been a lot of stuff that's been weird

2494

01:46:30,229 --> 01:46:28,080

and there's been the lesson of that that

2495

01:46:31,850 --> 01:46:30,239

you have a foundation but is it a

2496

01:46:34,850 --> 01:46:31,860

foundation that's extremely happy

2497

01:46:37,490 --> 01:46:34,860

there's an emptiness to it but the

2498

01:46:39,370 --> 01:46:37,500

repression is really that anybody who

2499

01:46:42,709 --> 01:46:39,380

could come in that could bring that love

2500

01:46:46,030 --> 01:46:42,719

there's a repressed coldness of that on

2501
01:46:49,370 --> 01:46:46,040
only romantic matters friends oh all day

2502
01:46:51,770 --> 01:46:49,380
lovers well only if you were out of here

2503
01:46:53,930 --> 01:46:51,780
by 8 A.M and I can get back to my

2504
01:46:55,550 --> 01:46:53,940
[h__\h] life can we talk about something

2505
01:46:56,870 --> 01:46:55,560
else all right yeah we can move on to

2506
01:46:58,910 --> 01:46:56,880
Scorpios that's pretty much it for

2507
01:47:00,530 --> 01:46:58,920
Libras right there it's even Transit but

2508
01:47:02,030 --> 01:47:00,540
it's not like oh Libras are all about

2509
01:47:03,709 --> 01:47:02,040
love and they they thought they was just

2510
01:47:06,590 --> 01:47:03,719
all [h__\h] show for their whole life and

2511
01:47:10,430 --> 01:47:06,600
realizing now it's not going to be wow

2512
01:47:14,750 --> 01:47:12,290
Scorpios

2513
01:47:17,270 --> 01:47:14,760

um they have to learn to deal with their

2514

01:47:20,090 --> 01:47:17,280

emotions because of course this is

2515

01:47:22,189 --> 01:47:20,100

Pluto's home is Scorpio so for Scorpio

2516

01:47:24,770 --> 01:47:22,199

is it moving into their fourth house

2517

01:47:26,510 --> 01:47:24,780

which is Aquarius is like they have to

2518

01:47:28,310 --> 01:47:26,520

learn to know when to back away from

2519

01:47:30,050 --> 01:47:28,320

their emotions and actually be a little

2520

01:47:32,229 --> 01:47:30,060

colder emotionally because they can get

2521

01:47:35,330 --> 01:47:32,239

over they they repress emotions the most

2522

01:47:37,850 --> 01:47:35,340

and act like they disconnect like no

2523

01:47:39,709 --> 01:47:37,860

it's not a big deal and they always jump

2524

01:47:41,930 --> 01:47:39,719

on people and sting them when they

2525

01:47:43,669 --> 01:47:41,940

weren't expecting it it was like you

2526

01:47:45,350 --> 01:47:43,679

said that again oh my gosh and it's like

2527

01:47:46,970 --> 01:47:45,360

wait what I didn't even know that you

2528

01:47:48,169 --> 01:47:46,980

didn't like that I used to say that it's

2529

01:47:50,629 --> 01:47:48,179

like

2530

01:47:52,490 --> 01:47:50,639

you have to start to warn people about

2531

01:47:54,050 --> 01:47:52,500

the emotions that are coming out when

2532

01:47:56,270 --> 01:47:54,060

they come out you can't wait till you're

2533

01:47:58,070 --> 01:47:56,280

ready to pop and and look like

2534

01:48:00,590 --> 01:47:58,080

everything's fine and then the number

2535

01:48:02,629 --> 01:48:00,600

one thing is that you can't be saying

2536

01:48:04,729 --> 01:48:02,639

that people emotionally aren't giving

2537

01:48:06,470 --> 01:48:04,739

you the same emotion back and act like

2538

01:48:08,030 --> 01:48:06,480

that people are not trustworthy when

2539

01:48:11,149 --> 01:48:08,040

you're the one who's never given the

2540

01:48:14,209 --> 01:48:11,159

emotion to anybody truly so the whole

2541

01:48:18,290 --> 01:48:14,219

idea that oh it's all about trust you're

2542

01:48:22,129 --> 01:48:18,300

not comfortable with trust yourself

2543

01:48:24,410 --> 01:48:22,139

so and also you can't be always living

2544

01:48:26,689 --> 01:48:24,420

in the weirdest places like the tree

2545

01:48:29,450 --> 01:48:26,699

house anymore or the garage of your

2546

01:48:31,370 --> 01:48:29,460

buddy anymore or the [h__h] Street the

2547

01:48:33,590 --> 01:48:31,380

way you always do or always trying to

2548

01:48:35,390 --> 01:48:33,600

have it be this weird place to make you

2549

01:48:37,090 --> 01:48:35,400

feel eccentric you're not eccentric

2550

01:48:39,229 --> 01:48:37,100

because of where you live

2551

01:48:42,950 --> 01:48:39,239

[Music]

2552

01:48:44,810 --> 01:48:42,960

that's Scorpio Scorpio Rising wow now

2553

01:48:47,750 --> 01:48:44,820

I'm not a Scorpio

2554

01:48:48,890 --> 01:48:47,760

I can't relate to that but if I was a

2555

01:48:52,129 --> 01:48:48,900

Scorpio

2556

01:48:54,310 --> 01:48:52,139

I I would probably be reacting like I

2557

01:48:57,830 --> 01:48:54,320

just did with the the the Libra message

2558

01:48:59,930 --> 01:48:57,840

right because it it hits really close to

2559

01:49:02,870 --> 01:48:59,940

home all of these do you know who got

2560

01:49:04,570 --> 01:49:02,880

the pass card we're not done yet Aries

2561

01:49:06,530 --> 01:49:04,580

got the pass cart

2562

01:49:08,570 --> 01:49:06,540

like I said it wasn't going to be that

2563

01:49:10,430 --> 01:49:08,580

hard of a Transit I mean yeah yeah Aries

2564

01:49:12,169 --> 01:49:10,440

got the pass card tonight all right

2565

01:49:14,930 --> 01:49:12,179

Sagittarius

2566

01:49:17,149 --> 01:49:14,940

uh so sad it's a very weird one because

2567

01:49:18,830 --> 01:49:17,159

it's kind of like Gemini this is going

2568

01:49:20,390 --> 01:49:18,840

into their opposite house the third

2569

01:49:22,970 --> 01:49:20,400

house it's the third side from them

2570

01:49:25,010 --> 01:49:22,980

which deals with sag you don't know

2571

01:49:27,169 --> 01:49:25,020

everything okay you're gonna have to

2572

01:49:28,729 --> 01:49:27,179

learn to get facts and you're gonna have

2573

01:49:30,169 --> 01:49:28,739

to look at your environment because the

2574

01:49:31,970 --> 01:49:30,179

environments you hang around are causing

2575

01:49:33,590 --> 01:49:31,980

all the problems in your life everything

2576

01:49:35,930 --> 01:49:33,600

that you've been trying to hold on to

2577

01:49:38,209 --> 01:49:35,940

fell apart because the environment of

2578

01:49:42,169 --> 01:49:38,219

the energy around you the people the the

2579

01:49:44,450 --> 01:49:42,179

vibrations of the streets the kind of

2580

01:49:46,010 --> 01:49:44,460

energy that you deal with that you hide

2581

01:49:48,590 --> 01:49:46,020

so this is where it's going to be hard

2582

01:49:51,229 --> 01:49:48,600

is knowing how to communicate your

2583

01:49:54,109 --> 01:49:51,239

vulnerabilities sag always is it's all

2584

01:49:56,689 --> 01:49:54,119

good everything's great baby I'm always

2585

01:49:57,890 --> 01:49:56,699

doing great no you're not

2586

01:49:59,870 --> 01:49:57,900

you're gonna have to learn to

2587

01:50:02,689 --> 01:49:59,880

communicate as a human being

2588

01:50:05,930 --> 01:50:02,699

and you and not a theologian and not a

2589

01:50:08,330 --> 01:50:05,940

philosopher a human

2590

01:50:10,970 --> 01:50:08,340

so it's not always all good it's okay to

2591

01:50:12,770 --> 01:50:10,980

go into your shadows but also that's the

2592

01:50:14,570 --> 01:50:12,780

hard part because Pluto is the 12th

2593

01:50:17,810 --> 01:50:14,580

house for them that means that

2594

01:50:21,229 --> 01:50:17,820

you guys tell the most lies of the

2595

01:50:26,450 --> 01:50:21,239

zodiac and that won't work anymore

2596

01:50:28,189 --> 01:50:26,460

so the white lie turns into big lies so

2597

01:50:30,290 --> 01:50:28,199

all the white lies aren't working and

2598

01:50:32,330 --> 01:50:30,300

those include the most basic of no yeah

2599

01:50:34,430 --> 01:50:32,340

I'm doing great everything's great you

2600

01:50:36,050 --> 01:50:34,440

don't need to put on a show you need to

2601
01:50:37,609 --> 01:50:36,060
be real and you have to actually know

2602
01:50:39,709 --> 01:50:37,619
how to connect and communicate to people

2603
01:50:42,649 --> 01:50:39,719
where it's interesting we get bored we

2604
01:50:44,030 --> 01:50:42,659
don't want to learn about a story then

2605
01:50:46,550 --> 01:50:44,040
we all don't want to hear you need to

2606
01:50:47,990 --> 01:50:46,560
ask what we and understand other people

2607
01:50:50,990 --> 01:50:48,000
and what they're trying to say instead

2608
01:50:53,090 --> 01:50:51,000
of it always being oh like it's my my

2609
01:50:54,950 --> 01:50:53,100
environment and my story that's the one

2610
01:50:56,629 --> 01:50:54,960
that's the one that we should all be

2611
01:50:58,669 --> 01:50:56,639
listening to

2612
01:51:02,149 --> 01:50:58,679
are are

2613
01:51:06,590 --> 01:51:02,159

um and hearing you uh say that

2614

01:51:09,770 --> 01:51:06,600

are actors not singers

2615

01:51:13,430 --> 01:51:09,780

not painters not sculptors

2616

01:51:15,709 --> 01:51:13,440

but actors are actors generally

2617

01:51:17,330 --> 01:51:15,719

Sagittarius

2618

01:51:19,310 --> 01:51:17,340

I mean well you if you think of Frank

2619

01:51:21,410 --> 01:51:19,320

Sinatra you think of Brad Pitt you'd

2620

01:51:23,330 --> 01:51:21,420

think of uh what's her name the biggest

2621

01:51:25,189 --> 01:51:23,340

actress like five six years Scarlett

2622

01:51:27,290 --> 01:51:25,199

Johansson those are all sages right

2623

01:51:29,930 --> 01:51:27,300

Miley Cyrus I think is sags too right

2624

01:51:32,169 --> 01:51:29,940

right right right right right it again

2625

01:51:35,510 --> 01:51:32,179

it's but if you notice

2626

01:51:38,510 --> 01:51:35,520

their shifting of roles don't do that

2627

01:51:41,750 --> 01:51:38,520

well they're much more like okay we know

2628

01:51:43,490 --> 01:51:41,760

who you are but we don't know Willy what

2629

01:51:46,010 --> 01:51:43,500

you are like like the Brad Pitt stuff

2630

01:51:49,669 --> 01:51:46,020

think of that like what you did this you

2631

01:51:51,649 --> 01:51:49,679

did that you did this you did that but

2632

01:51:53,990 --> 01:51:51,659

you when you see him on the red carpet

2633

01:51:55,850 --> 01:51:54,000

it's like oh it's Brad Pitt they do a

2634

01:51:58,070 --> 01:51:55,860

really good job of somehow knowing how

2635

01:51:59,450 --> 01:51:58,080

to spell people into thinking that they

2636

01:52:02,090 --> 01:51:59,460

do no wrong

2637

01:52:04,310 --> 01:52:02,100

when really the most weirdest stuff

2638

01:52:06,370 --> 01:52:04,320

going on is always in the back of a sag

2639

01:52:08,629 --> 01:52:06,380

private life

2640

01:52:10,129 --> 01:52:08,639

so you can't lie about that stuff

2641

01:52:11,510 --> 01:52:10,139

anymore try to cover it up or it'll be

2642

01:52:14,629 --> 01:52:11,520

exposed I'm saying that's what I'm

2643

01:52:17,770 --> 01:52:14,639

saying yeah yeah yeah yeah we're

2644

01:52:20,149 --> 01:52:17,780

speaking in the way of of trying to

2645

01:52:22,430 --> 01:52:20,159

bring out a truth about something

2646

01:52:24,950 --> 01:52:22,440

instead of just say it don't write a

2647

01:52:26,750 --> 01:52:24,960

song about like this is a a release I'm

2648

01:52:29,450 --> 01:52:26,760

bringing out of a music video of like

2649

01:52:30,830 --> 01:52:29,460

possibly it might be about my ex instead

2650

01:52:32,149 --> 01:52:30,840

of just being like yeah my ex is a

2651
01:52:33,709 --> 01:52:32,159
stupid [\h__\h] and I've moved on

2652
01:52:36,290 --> 01:52:33,719
just right right right right right right

2653
01:52:39,169 --> 01:52:36,300
right right right right right I think we

2654
01:52:41,810 --> 01:52:39,179
see that so much or assume that is what

2655
01:52:44,770 --> 01:52:41,820
is going on with different entertainers

2656
01:52:46,729 --> 01:52:44,780
because they're wearing a mask right

2657
01:52:48,770 --> 01:52:46,739
and for them they don't really wear

2658
01:52:52,609 --> 01:52:48,780
masks it's more they want it to the mask

2659
01:52:55,910 --> 01:52:52,619
is positivity and also not wanting to

2660
01:52:58,310 --> 01:52:55,920
see the real vulnerability of expressing

2661
01:53:00,169 --> 01:52:58,320
and also not wanting to lose so they

2662
01:53:02,450 --> 01:53:00,179
also have to get over their fascination

2663
01:53:05,290 --> 01:53:02,460

with money and their fascination with

2664

01:53:08,390 --> 01:53:05,300

holding on to things for dear life or

2665

01:53:11,209 --> 01:53:08,400

idolizing a person

2666

01:53:12,890 --> 01:53:11,219

and then moving on to somebody else and

2667

01:53:14,390 --> 01:53:12,900

not saying anything and knowing how to

2668

01:53:16,310 --> 01:53:14,400

get in and out of relationships without

2669

01:53:17,990 --> 01:53:16,320

you saying this is done right okay now I

2670

01:53:19,850 --> 01:53:18,000

can move on instead of being like well

2671

01:53:21,410 --> 01:53:19,860

we were in a fight so I got with that

2672

01:53:22,910 --> 01:53:21,420

person you know what I mean like it's

2673

01:53:24,830 --> 01:53:22,920

all good like

2674

01:53:26,510 --> 01:53:24,840

it was over right no you never

2675

01:53:29,209 --> 01:53:26,520

communicated that like that's a sad

2676
01:53:30,709 --> 01:53:29,219
problem right now that's really extreme

2677
01:53:32,750 --> 01:53:30,719
and

2678
01:53:37,490 --> 01:53:32,760
um I was just looking at uh some of the

2679
01:53:39,070 --> 01:53:37,500
comments about sagges in in the chat

2680
01:53:42,770 --> 01:53:39,080
um that

2681
01:53:45,050 --> 01:53:42,780
Sagittarius very intellectual though

2682
01:53:46,970 --> 01:53:45,060
right yeah I mean very yeah and can come

2683
01:53:49,609 --> 01:53:46,980
up with the most awesome ways for all of

2684
01:53:52,070 --> 01:53:49,619
us and help people out I'm not dogging

2685
01:53:53,750 --> 01:53:52,080
on them right it's they're they are the

2686
01:53:55,790 --> 01:53:53,760
ones that are here to be philosophers

2687
01:53:59,570 --> 01:53:55,800
and be positive right but when it comes

2688
01:54:02,570 --> 01:53:59,580

to us to be able to understand

2689

01:54:04,910 --> 01:54:02,580

what's really going on the positive

2690

01:54:06,590 --> 01:54:04,920

story has to have the other side of

2691

01:54:09,890 --> 01:54:06,600

what's real and that's what we don't see

2692

01:54:14,990 --> 01:54:09,900

and what's not talked about yeah it's a

2693

01:54:16,790 --> 01:54:15,000

mask okay Capricorn well cap Rising I

2694

01:54:18,890 --> 01:54:16,800

know that it's been 15 years of

2695

01:54:20,810 --> 01:54:18,900

craziness for you because you've had to

2696

01:54:22,910 --> 01:54:20,820

evolve whether it was we we watched

2697

01:54:24,770 --> 01:54:22,920

Tiger Woods right when Pluto came in not

2698

01:54:26,750 --> 01:54:24,780

the best golfer after all Mel Gibson

2699

01:54:28,729 --> 01:54:26,760

castrated out of the movie business I

2700

01:54:30,590 --> 01:54:28,739

mean I could keep listing the Capricorns

2701

01:54:33,530 --> 01:54:30,600

that have been falling and falling and

2702

01:54:34,970 --> 01:54:33,540

falling and falling Jordan Maxwell I was

2703

01:54:36,770 --> 01:54:34,980

friends with him before he passed you

2704

01:54:38,510 --> 01:54:36,780

know he knew about Pluto and he knew his

2705

01:54:41,169 --> 01:54:38,520

Capricorn it was going to be the end for

2706

01:54:49,010 --> 01:54:44,450

yeah he was a great man and I did his

2707

01:54:52,010 --> 01:54:49,020

website for him in 2010 2011 and redid

2708

01:54:53,209 --> 01:54:52,020

all of his stuff and I it was yeah but

2709

01:54:56,030 --> 01:54:53,219

anyway

2710

01:54:57,950 --> 01:54:56,040

now you have

2711

01:54:59,450 --> 01:54:57,960

gone to the bottom of the earth to find

2712

01:55:01,790 --> 01:54:59,460

out who you really are and trying to

2713

01:55:04,189 --> 01:55:01,800

find a way to define Who You Are

2714

01:55:05,629 --> 01:55:04,199

I'll use Tiger Woods as an example I

2715

01:55:07,070 --> 01:55:05,639

mean you're not the best golfer but

2716

01:55:08,750 --> 01:55:07,080

you're really good at getting escorts

2717

01:55:09,649 --> 01:55:08,760

but that's probably not who you are

2718

01:55:11,930 --> 01:55:09,659

right

2719

01:55:13,850 --> 01:55:11,940

what are you gonna do now now you have

2720

01:55:15,290 --> 01:55:13,860

to find with Pluto and Aquarius what are

2721

01:55:16,790 --> 01:55:15,300

you going to be and what are you really

2722

01:55:19,129 --> 01:55:16,800

so

2723

01:55:20,689 --> 01:55:19,139

you're you're fake it till you make a

2724

01:55:22,729 --> 01:55:20,699

thing you don't even know what to fake

2725

01:55:24,649 --> 01:55:22,739

it about anymore so you're at a place to

2726

01:55:26,209 --> 01:55:24,659

where you know you think you found who

2727

01:55:28,310 --> 01:55:26,219

you are now and what to do but to

2728

01:55:30,590 --> 01:55:28,320

actually do it and to actually create it

2729

01:55:31,910 --> 01:55:30,600

is a whole nother thing you're gonna

2730

01:55:33,770 --> 01:55:31,920

have to learn that you're gonna have to

2731

01:55:35,870 --> 01:55:33,780

work with people

2732

01:55:38,270 --> 01:55:35,880

and I have to know how to have friends

2733

01:55:40,430 --> 01:55:38,280

that trust you to work with you because

2734

01:55:42,709 --> 01:55:40,440

Pluto rules the 11th house for them so

2735

01:55:44,510 --> 01:55:42,719

they have issues with creating and

2736

01:55:46,729 --> 01:55:44,520

Capricorns want to be the boss right

2737

01:55:48,830 --> 01:55:46,739

they want to always be the one on top

2738

01:55:51,290 --> 01:55:48,840

but you need other people to create

2739

01:55:53,270 --> 01:55:51,300

something and so Capricorn's issue is

2740

01:55:54,709 --> 01:55:53,280

they've been so very hard-headed to

2741

01:55:56,689 --> 01:55:54,719

figure it out where to go they need to

2742

01:55:58,669 --> 01:55:56,699

know how to work with other people now

2743

01:56:00,290 --> 01:55:58,679

to create anything and and they're going

2744

01:56:01,669 --> 01:56:00,300

to have money issues the number one

2745

01:56:04,129 --> 01:56:01,679

thing now is

2746

01:56:06,890 --> 01:56:04,139

you know money issues and learning how

2747

01:56:09,229 --> 01:56:06,900

to work with other people and offer

2748

01:56:10,790 --> 01:56:09,239

themselves whether it's a business or a

2749

01:56:12,470 --> 01:56:10,800

service or anything that's actually a

2750

01:56:14,030 --> 01:56:12,480

value they actually think they're hot

2751
01:56:15,890 --> 01:56:14,040
[h__\h] right now but they actually are

2752
01:56:17,570 --> 01:56:15,900
realizing they're not and they don't

2753
01:56:19,129 --> 01:56:17,580
have much to offer and they have to

2754
01:56:21,590 --> 01:56:19,139
start to build from the bottom they're

2755
01:56:23,629 --> 01:56:21,600
cupboard which is empty

2756
01:56:25,550 --> 01:56:23,639
very interesting what a great show man

2757
01:56:28,729 --> 01:56:25,560
what a great show well we have Aquarius

2758
01:56:30,229 --> 01:56:28,739
and then Pisces that's lost too Aquarius

2759
01:56:31,669 --> 01:56:30,239
they are the ones that are the most

2760
01:56:33,290 --> 01:56:31,679
extreme because that's coming into their

2761
01:56:36,109 --> 01:56:33,300
own side right right right right right

2762
01:56:37,430 --> 01:56:36,119
so Aquarius you can't be in a UFO

2763
01:56:39,350 --> 01:56:37,440

anymore

2764

01:56:41,689 --> 01:56:39,360

and always be so detached from everybody

2765

01:56:43,910 --> 01:56:41,699

and always trying to be the rebel and

2766

01:56:47,330 --> 01:56:43,920

cool because really Aquarius wasn't

2767

01:56:49,790 --> 01:56:47,340

about being rebellious it was outcasted

2768

01:56:51,590 --> 01:56:49,800

Uranus was outcasted because Saturn

2769

01:56:54,109 --> 01:56:51,600

tried to take control so the only reason

2770

01:56:56,330 --> 01:56:54,119

why there's a rebellion nature or the

2771

01:56:57,830 --> 01:56:56,340

rebel nature is the understanding that

2772

01:57:00,050 --> 01:56:57,840

there was a rebellion taken against

2773

01:57:02,209 --> 01:57:00,060

Uranus to take him out and how he

2774

01:57:04,550 --> 01:57:02,219

accepted it but also how he measures and

2775

01:57:07,550 --> 01:57:04,560

understands if you if you ever see the

2776

01:57:10,550 --> 01:57:07,560

depiction of Uranus as a as a Greek god

2777

01:57:12,410 --> 01:57:10,560

he's up on the clouds on top of it with

2778

01:57:15,229 --> 01:57:12,420

a measuring stick and pouring water on

2779

01:57:16,970 --> 01:57:15,239

people so Aquarius always kind of sits

2780

01:57:18,530 --> 01:57:16,980

on top of things but doesn't really get

2781

01:57:20,149 --> 01:57:18,540

involved now they have to get involved

2782

01:57:22,550 --> 01:57:20,159

and you know it's like look at Ashton

2783

01:57:24,530 --> 01:57:22,560

Kutcher he was like big time this but

2784

01:57:26,270 --> 01:57:24,540

fault From Grace all Aquarius that go

2785

01:57:27,950 --> 01:57:26,280

for fame Fall From Grace because you

2786

01:57:30,649 --> 01:57:27,960

have to be here to be involved with

2787

01:57:33,430 --> 01:57:30,659

people and not just always be no outside

2788

01:57:36,050 --> 01:57:33,440

you gotta act and always

2789

01:57:37,189 --> 01:57:36,060

distant emotionally like what who are

2790

01:57:39,169 --> 01:57:37,199

you like

2791

01:57:42,350 --> 01:57:39,179

and always

2792

01:57:43,550 --> 01:57:42,360

not knowing how to really be in the

2793

01:57:46,850 --> 01:57:43,560

deeper stuff

2794

01:57:49,669 --> 01:57:46,860

afraid of the shallow end

2795

01:57:51,950 --> 01:57:49,679

is that a zodiac sign that would support

2796

01:57:54,410 --> 01:57:51,960

Aquarius

2797

01:57:58,669 --> 01:57:54,420

I mean all all zodiac signs support each

2798

01:58:01,370 --> 01:57:58,679

other I I'm an equal zodiac person okay

2799

01:58:02,589 --> 01:58:01,380

it's all about Equity so they're all

2800

01:58:06,770 --> 01:58:02,599

equitable

2801
01:58:08,330 --> 01:58:06,780
but um uh but this is the weird thing

2802
01:58:10,490 --> 01:58:08,340
for Aquarius they represent the sign

2803
01:58:12,470 --> 01:58:10,500
that represents all of us as the whole

2804
01:58:14,330 --> 01:58:12,480
Collective yeah

2805
01:58:16,430 --> 01:58:14,340
where have the aquarians been where's

2806
01:58:19,370 --> 01:58:16,440
the Ronald Reagans that we knew where's

2807
01:58:21,109 --> 01:58:19,380
the Ashton Kutcher's in their innovative

2808
01:58:23,030 --> 01:58:21,119
ways

2809
01:58:25,729 --> 01:58:23,040
that was all more of like the show it's

2810
01:58:28,070 --> 01:58:25,739
time to do the real deep stuff now and

2811
01:58:30,050 --> 01:58:28,080
and get to the deeper ends of things and

2812
01:58:32,270 --> 01:58:30,060
not be afraid of that and also expose

2813
01:58:34,970 --> 01:58:32,280

who you are more instead of always being

2814

01:58:36,410 --> 01:58:34,980

uh it's not a mask as much as it is more

2815

01:58:39,410 --> 01:58:36,420

of a

2816

01:58:42,050 --> 01:58:39,420

I don't want to have to let lose my

2817

01:58:43,850 --> 01:58:42,060

freedom well the only way for this

2818

01:58:45,709 --> 01:58:43,860

Innovation to happen for your in your

2819

01:58:47,330 --> 01:58:45,719

life and to Define who you are is to

2820

01:58:51,530 --> 01:58:47,340

actually make commitments which you're

2821

01:58:54,350 --> 01:58:51,540

terrified of as a Libra and going

2822

01:58:56,330 --> 01:58:54,360

through all of that romance uh uh

2823

01:59:00,770 --> 01:58:56,340

Outlook that you just gave me for the

2824

01:59:05,209 --> 01:59:00,780

next 20 years uh that uh

2825

01:59:07,129 --> 01:59:05,219

um is there a certain sign so when I I

2826

01:59:09,050 --> 01:59:07,139

go out and I can start asking everybody

2827

01:59:11,689 --> 01:59:09,060

what sign are you what sign are you what

2828

01:59:15,109 --> 01:59:11,699

sign or no no no what sign are you oh

2829

01:59:16,490 --> 01:59:15,119

what's that sign that I need to uh go

2830

01:59:19,070 --> 01:59:16,500

and find

2831

01:59:20,750 --> 01:59:19,080

honestly it's what's beautiful about

2832

01:59:22,669 --> 01:59:20,760

astrologies we're all unique so we all

2833

01:59:25,550 --> 01:59:22,679

have different positions

2834

01:59:29,209 --> 01:59:25,560

so it depends on all your unique

2835

01:59:31,790 --> 01:59:29,219

arrangement of your spiritual RNA code

2836

01:59:33,589 --> 01:59:31,800

and how it is implemented into the DNA

2837

01:59:36,530 --> 01:59:33,599

of your physical vessel this life your

2838

01:59:38,570 --> 01:59:36,540

body and that everybody else has an RNA

2839

01:59:40,790 --> 01:59:38,580

that even though they might have the sun

2840

01:59:43,370 --> 01:59:40,800

in Aries which would be your opposite

2841

01:59:45,770 --> 01:59:43,380

sign or a Leo or whatever they have

2842

01:59:47,390 --> 01:59:45,780

maybe more coding that's more in

2843

01:59:48,770 --> 01:59:47,400

alignment with you than just their sign

2844

01:59:51,350 --> 01:59:48,780

of their son

2845

01:59:53,990 --> 01:59:51,360

okay David's gonna tell me after the

2846

01:59:56,030 --> 01:59:54,000

show and then Pisces the last one which

2847

01:59:58,609 --> 01:59:56,040

always everybody skips over they always

2848

02:00:01,910 --> 01:59:58,619

feel skipped over why

2849

02:00:04,790 --> 02:00:01,920

because Pisces is the last sign it's the

2850

02:00:06,709 --> 02:00:04,800

sign of being sensitive spiritual it's

2851

02:00:08,810 --> 02:00:06,719

the last zodiac sign it deals with

2852

02:00:10,970 --> 02:00:08,820

Neptune as the ruler is that house so it

2853

02:00:13,129 --> 02:00:10,980

feels far out it's imaginative it's

2854

02:00:14,990 --> 02:00:13,139

dreamy but with Pluto coming into

2855

02:00:18,169 --> 02:00:15,000

Aquarius it's

2856

02:00:20,689 --> 02:00:18,179

every time you escape because they're

2857

02:00:23,270 --> 02:00:20,699

the Escape artists you know they're

2858

02:00:24,890 --> 02:00:23,280

there and then there's too much pressure

2859

02:00:27,410 --> 02:00:24,900

now I don't I don't know what to do I

2860

02:00:29,390 --> 02:00:27,420

got myself caught up in a bind I'm out

2861

02:00:31,310 --> 02:00:29,400

they don't even tell the leasing office

2862

02:00:32,450 --> 02:00:31,320

they don't even tell right it's just

2863

02:00:35,270 --> 02:00:32,460

like bye

2864

02:00:37,550 --> 02:00:35,280

move on to the next thing Pluto is going

2865

02:00:40,010 --> 02:00:37,560

to destroy your life every time you try

2866

02:00:42,530 --> 02:00:40,020

to escape you can't escape anymore

2867

02:00:44,390 --> 02:00:42,540

so this is going to teach

2868

02:00:45,890 --> 02:00:44,400

all Pisces that you want to make the

2869

02:00:47,810 --> 02:00:45,900

dream happen you have to stay in the

2870

02:00:49,669 --> 02:00:47,820

dream and see it all the way through

2871

02:00:51,229 --> 02:00:49,679

instead of trying to jump from dream to

2872

02:00:53,510 --> 02:00:51,239

dream to dream to dream to dream to

2873

02:00:54,830 --> 02:00:53,520

dream or the idea that you can escape to

2874

02:00:57,290 --> 02:00:54,840

some sort of place and that's going to

2875

02:00:59,390 --> 02:00:57,300

solve your problems that's not in your

2876

02:01:01,609 --> 02:00:59,400

reality at this moment it's not it's

2877

02:01:02,990 --> 02:01:01,619

what's in your reality that's actually

2878

02:01:05,510 --> 02:01:03,000

going to change things and how you move

2879

02:01:09,290 --> 02:01:05,520

forward the idea of

2880

02:01:11,750 --> 02:01:09,300

tomorrow is not going to change things

2881

02:01:12,890 --> 02:01:11,760

it's today and what you do now right and

2882

02:01:14,570 --> 02:01:12,900

that's the problem for Pisces is

2883

02:01:16,189 --> 02:01:14,580

tomorrow it could happen or if I get to

2884

02:01:16,970 --> 02:01:16,199

this place or if this is where I'm going

2885

02:01:19,129 --> 02:01:16,980

to go

2886

02:01:20,450 --> 02:01:19,139

and so that's the hard part for them and

2887

02:01:22,070 --> 02:01:20,460

also

2888

02:01:24,050 --> 02:01:22,080

they have to learn how to deal with

2889

02:01:26,750 --> 02:01:24,060

people that actually are good for them

2890

02:01:28,490 --> 02:01:26,760

instead of people who have an edge or a

2891

02:01:31,910 --> 02:01:28,500

little Darkness to them because they've

2892

02:01:33,649 --> 02:01:31,920

attached themselves to cockroaches and

2893

02:01:36,649 --> 02:01:33,659

they have to learn to get out of

2894

02:01:40,070 --> 02:01:36,659

cockroach situations

2895

02:01:41,390 --> 02:01:40,080

so interesting uh tomorrow's not going

2896

02:01:43,910 --> 02:01:41,400

to be any different

2897

02:01:45,109 --> 02:01:43,920

yeah yeah that's uh tomorrow's never any

2898

02:01:47,390 --> 02:01:45,119

different unless you do something today

2899

02:01:49,370 --> 02:01:47,400

that's right that's right that's right

2900

02:01:54,250 --> 02:01:49,380

that's right meow meow just said Jimmy

2901

02:01:56,209 --> 02:01:54,260

church has uh has moon in cancer

2902

02:01:57,290 --> 02:01:56,219

I mean well then now I'll have to go

2903

02:01:59,390 --> 02:01:57,300

through all the moons but just apply

2904

02:02:01,250 --> 02:01:59,400

what I said about cancer or what I said

2905

02:02:04,729 --> 02:02:01,260

about any of your zodiac signs and apply

2906

02:02:07,070 --> 02:02:04,739

that to how you deal with your emotions

2907

02:02:09,109 --> 02:02:07,080

I'm gonna uh continue this and your

2908

02:02:11,930 --> 02:02:09,119

subconscious emotions and

2909

02:02:13,669 --> 02:02:11,940

your comfort zones

2910

02:02:15,890 --> 02:02:13,679

when am I going to come down and be on

2911

02:02:18,290 --> 02:02:15,900

your show we've we've tried to make

2912

02:02:20,450 --> 02:02:18,300

plans now for two months I know well I I

2913

02:02:23,810 --> 02:02:20,460

have to hire a new employee to be able

2914

02:02:25,790 --> 02:02:23,820

to film us right now oh all right we'll

2915

02:02:27,770 --> 02:02:25,800

talk about that tomorrow

2916

02:02:30,890 --> 02:02:27,780

um but uh no I'm gonna come and hang out

2917

02:02:33,350 --> 02:02:30,900

at that studio you know here I need to

2918

02:02:35,870 --> 02:02:33,360

go there yes

2919

02:02:37,490 --> 02:02:35,880

all right well that was good I mean I

2920

02:02:40,189 --> 02:02:37,500

know there's not much time but you know

2921

02:02:43,310 --> 02:02:40,199

the asteroid but we are about to see

2922

02:02:48,229 --> 02:02:43,320

discoveries like that times a million I

2923

02:02:49,729 --> 02:02:48,239

mean honestly did you know okay so this

2924

02:02:53,530 --> 02:02:49,739

asteroid

2925

02:02:56,149 --> 02:02:53,540

um uh just finished but there was also

2926

02:02:59,810 --> 02:02:56,159

Hayabusa too yes

2927

02:03:01,970 --> 02:02:59,820

um uh that is all the Japanese stuff is

2928

02:03:06,410 --> 02:03:01,980

coming back from bennu a different

2929

02:03:07,490 --> 02:03:06,420

asteroid and it's going to arrive here

2930

02:03:11,450 --> 02:03:07,500

on Earth

2931

02:03:14,629 --> 02:03:11,460

with its Scoops uh from bennu uh in

2932

02:03:18,589 --> 02:03:14,639

September I know and the the same

2933

02:03:20,629 --> 02:03:18,599

researchers are going to uh not only

2934

02:03:22,609 --> 02:03:20,639

take a look at this

2935

02:03:25,550 --> 02:03:22,619

but wouldn't it be interesting if we see

2936

02:03:26,930 --> 02:03:25,560

a repeat and I I expect that we will I

2937

02:03:28,430 --> 02:03:26,940

think that we're going to see biological

2938

02:03:29,930 --> 02:03:28,440

stuff I think we're going to see amino

2939

02:03:32,570 --> 02:03:29,940

acids I think we're going to see the

2940

02:03:35,689 --> 02:03:32,580

basic sugars we're going to see the very

2941

02:03:38,330 --> 02:03:35,699

Elemental stuff the fundamental stuff uh

2942

02:03:40,970 --> 02:03:38,340

that uh are the foundations of all life

2943

02:03:43,129 --> 02:03:40,980

uh throughout the Universe and we're

2944

02:03:47,330 --> 02:03:43,139

going to see it again in September I'm

2945

02:03:50,570 --> 02:03:47,340

very very excited about that and

2946

02:03:56,149 --> 02:03:50,580

um I think you're right uh David that

2947

02:04:00,530 --> 02:03:56,159

um the the veil that we speak of is

2948

02:04:03,350 --> 02:04:00,540

being lifted right and the ability to if

2949

02:04:04,810 --> 02:04:03,360

if we at least stop but we need to

2950

02:04:09,770 --> 02:04:04,820

really understand

2951
02:04:12,350 --> 02:04:09,780
the significance of what we are doing we

2952
02:04:16,970 --> 02:04:12,360
are sending spacecraft

2953
02:04:21,290 --> 02:04:16,980
to an asteroid that is orbiting through

2954
02:04:23,510 --> 02:04:21,300
the solar system at you know 17 18 19 20

2955
02:04:26,229 --> 02:04:23,520
000 miles per hour or faster

2956
02:04:29,330 --> 02:04:26,239
and and and

2957
02:04:31,930 --> 02:04:29,340
lining up with it

2958
02:04:35,209 --> 02:04:31,940
and landing on it

2959
02:04:36,109 --> 02:04:35,219
grabbing stuff and then flying back to

2960
02:04:39,830 --> 02:04:36,119
Earth

2961
02:04:42,830 --> 02:04:39,840
that's nuts man like a fly that that is

2962
02:04:46,609 --> 02:04:42,840
the nuttiest craziest

2963
02:04:49,669 --> 02:04:46,619

technical achievement like like ever you

2964

02:04:53,770 --> 02:04:49,679

know man landing on the moon pretty cool

2965

02:04:56,510 --> 02:04:53,780

it ain't nothing like that well

2966

02:04:58,030 --> 02:04:56,520

so this is going to be weird so we know

2967

02:05:01,850 --> 02:04:58,040

that

2968

02:05:04,490 --> 02:05:01,860

just got released from the Pentagon

2969

02:05:06,310 --> 02:05:04,500

that they're claiming that it is a

2970

02:05:09,530 --> 02:05:06,320

possible Mothership

2971

02:05:14,109 --> 02:05:09,540

that is spreading off its own probes on

2972

02:05:20,870 --> 02:05:17,870

you look at that concept and understand

2973

02:05:23,149 --> 02:05:20,880

okay like we we expect to make it look

2974

02:05:25,129 --> 02:05:23,159

like a spaceship from you know 2001

2975

02:05:26,810 --> 02:05:25,139

Space Odyssey or something right but no

2976

02:05:30,070 --> 02:05:26,820

this is just an Interstellar they're

2977

02:05:33,530 --> 02:05:30,080

even calling it artificial right

2978

02:05:36,290 --> 02:05:33,540

Interstellar so an AI

2979

02:05:38,990 --> 02:05:36,300

is AI really from

2980

02:05:42,950 --> 02:05:39,000

probes that were brought down onto Earth

2981

02:05:45,350 --> 02:05:42,960

yes mixed with its own coding

2982

02:05:47,030 --> 02:05:45,360

down here so when you think of the idea

2983

02:05:49,970 --> 02:05:47,040

though what's weird is when you look at

2984

02:05:52,609 --> 02:05:49,980

a F-18 pilot in its Helmet or you look

2985

02:05:56,750 --> 02:05:52,619

at a probe that you just described going

2986

02:06:00,189 --> 02:05:56,760

to an asteroid it reminds me of a fly

2987

02:06:03,589 --> 02:06:00,199

what are the insects

2988

02:06:06,050 --> 02:06:03,599

and and here's but here's the thing

2989

02:06:09,770 --> 02:06:06,060

David or in the Egyptian stuff that was

2990

02:06:12,770 --> 02:06:09,780

all The Serpent and the birds there's

2991

02:06:15,649 --> 02:06:12,780

been that spiritual battle forever

2992

02:06:17,089 --> 02:06:15,659

but the insects are the only ones that

2993

02:06:19,910 --> 02:06:17,099

could actually get

2994

02:06:21,530 --> 02:06:19,920

with their toxins and their poisons they

2995

02:06:23,629 --> 02:06:21,540

can get

2996

02:06:25,510 --> 02:06:23,639

people to spin their webs for them to

2997

02:06:27,770 --> 02:06:25,520

have their babies

2998

02:06:30,050 --> 02:06:27,780

it's weird that insects are the only

2999

02:06:33,350 --> 02:06:30,060

ones that are like humans to where they

3000

02:06:35,990 --> 02:06:33,360

go to battle ants and kill the queen and

3001

02:06:38,689 --> 02:06:36,000

steal all the goods out we're the only

3002

02:06:42,050 --> 02:06:38,699

other species that does episode insects

3003

02:06:43,609 --> 02:06:42,060

is it a is it is it are the insects what

3004

02:06:45,669 --> 02:06:43,619

we don't think they are just the way

3005

02:06:48,050 --> 02:06:45,679

that right

3006

02:06:51,290 --> 02:06:48,060

and we even kind of look like it and

3007

02:06:52,970 --> 02:06:51,300

have they taken over this and was a big

3008

02:06:57,109 --> 02:06:52,980

insect

3009

02:06:59,930 --> 02:06:57,119

Hive like thing thing correct yeah yeah

3010

02:07:03,470 --> 02:06:59,940

and um so the two guys that wrote that

3011

02:07:06,350 --> 02:07:03,480

paper uh last week one from Harvard an

3012

02:07:08,990 --> 02:07:06,360

astrophysicist the one that said it was

3013

02:07:12,229 --> 02:07:09,000

a space yeah like you were a year ago

3014

02:07:16,189 --> 02:07:12,239

yeah his name is Avi lobe and the other

3015

02:07:20,149 --> 02:07:16,199

um is heading up Arrow yeah the

3016

02:07:22,990 --> 02:07:20,159

pentagons uh UFO uh investigation team

3017

02:07:25,970 --> 02:07:23,000

right and those two guys write a paper

3018

02:07:30,050 --> 02:07:25,980

uh uh you know about this Mothership and

3019

02:07:31,850 --> 02:07:30,060

and alien probes and it that that on the

3020

02:07:34,129 --> 02:07:31,860

surface is is interesting it's

3021

02:07:39,229 --> 02:07:34,139

fascinating it's great but no we got to

3022

02:07:41,689 --> 02:07:39,239

take a step back behind that and go why

3023

02:07:42,530 --> 02:07:41,699

did they write that what is it that they

3024

02:07:45,410 --> 02:07:42,540

know

3025

02:07:47,870 --> 02:07:45,420

is it data is it Imaging is it something

3026
02:07:51,470 --> 02:07:47,880
else is it something more extreme than

3027
02:07:54,229 --> 02:07:51,480
that do they have evidence but why write

3028
02:07:56,510 --> 02:07:54,239
that because we're talking about two

3029
02:07:59,890 --> 02:07:56,520
guys that

3030
02:08:03,290 --> 02:07:59,900
um are very respected and very very

3031
02:08:07,550 --> 02:08:03,300
intelligent I mean was the director of

3032
02:08:10,850 --> 02:08:07,560
the black hole program at Harvard

3033
02:08:13,370 --> 02:08:10,860
uh he was the chair of that for 16 years

3034
02:08:15,830 --> 02:08:13,380
this isn't this isn't somebody that

3035
02:08:17,990 --> 02:08:15,840
doesn't have an education right but but

3036
02:08:20,330 --> 02:08:18,000
he's using old what we were talking

3037
02:08:22,129 --> 02:08:20,340
about what the Ancients knew which is if

3038
02:08:23,510 --> 02:08:22,139

something's reflecting light from the

3039

02:08:25,189 --> 02:08:23,520

Sun every eight hours because it's

3040

02:08:27,770 --> 02:08:25,199

turning that means there's a flat

3041

02:08:29,270 --> 02:08:27,780

surface which means it's not

3042

02:08:32,270 --> 02:08:29,280

organic

3043

02:08:35,870 --> 02:08:32,280

that means something right that was his

3044

02:08:39,169 --> 02:08:35,880

original book is like wow the sun is

3045

02:08:40,850 --> 02:08:39,179

reflecting it every eight hours and that

3046

02:08:43,990 --> 02:08:40,860

that means it's not normal it already

3047

02:08:47,089 --> 02:08:44,000

came from outside our solar system and

3048

02:08:50,030 --> 02:08:47,099

it propelled itself in opposite

3049

02:08:51,589 --> 02:08:50,040

direction from what anything from a

3050

02:08:53,570 --> 02:08:51,599

comment to any other story that would

3051

02:08:55,250 --> 02:08:53,580

come close to the Sun would use that

3052

02:08:56,510 --> 02:08:55,260

gravitational pull it said I don't need

3053

02:08:59,390 --> 02:08:56,520

that I'm going to do my own thing again

3054

02:09:01,990 --> 02:08:59,400

I'm going to go this way it accelerated

3055

02:09:05,390 --> 02:09:02,000

exactly exactly accelerated

3056

02:09:07,729 --> 02:09:05,400

without gravity assist correct so that's

3057

02:09:09,229 --> 02:09:07,739

where it's like okay they obviously a

3058

02:09:10,310 --> 02:09:09,239

lot probably know more if they gave out

3059

02:09:13,129 --> 02:09:10,320

that much

3060

02:09:16,310 --> 02:09:13,139

he said in his book

3061

02:09:19,310 --> 02:09:16,320

um as it spun I'm going to use this

3062

02:09:22,370 --> 02:09:19,320

guitar pick as an example right so it's

3063

02:09:24,950 --> 02:09:22,380

spinning right right so as it does this

3064

02:09:28,430 --> 02:09:24,960

it's maximum reflection right so it's

3065

02:09:31,609 --> 02:09:28,440

done when it does this it's no

3066

02:09:33,890 --> 02:09:31,619

reflection so it was going one to ten

3067

02:09:35,089 --> 02:09:33,900

one to ten one to ten right because it

3068

02:09:37,609 --> 02:09:35,099

was doing this

3069

02:09:40,310 --> 02:09:37,619

this is what he said he said that

3070

02:09:43,129 --> 02:09:40,320

reflection was so bright

3071

02:09:46,990 --> 02:09:43,139

that it could only have been

3072

02:09:48,709 --> 02:09:47,000

from a metallic surface right

3073

02:09:53,030 --> 02:09:48,719

dude

3074

02:09:56,510 --> 02:09:53,040

right and that wasn't organically

3075

02:09:58,010 --> 02:09:56,520

um happened through like bashing in in

3076

02:10:00,370 --> 02:09:58,020

the asteroid belts or something like

3077

02:10:03,109 --> 02:10:00,380

that yeah he he you know his point was

3078

02:10:05,589 --> 02:10:03,119

this shape doesn't happen in nature

3079

02:10:08,149 --> 02:10:05,599

right

3080

02:10:11,750 --> 02:10:08,159

geometry and understanding that there is

3081

02:10:15,470 --> 02:10:11,760

no geometry to organic form right you

3082

02:10:19,669 --> 02:10:15,480

can't yeah this this is not nature right

3083

02:10:22,310 --> 02:10:19,679

and it turned it turned I know turned

3084

02:10:24,890 --> 02:10:22,320

and accelerated and got the hell out

3085

02:10:26,149 --> 02:10:24,900

yeah it's crazy and happened to do all

3086

02:10:29,930 --> 02:10:26,159

of this

3087

02:10:33,649 --> 02:10:29,940

by Earth during

3088

02:10:37,129 --> 02:10:33,659

the big solar eclipse 2017. that was

3089

02:10:39,649 --> 02:10:37,139

going down what's weirder is I I said on

3090

02:10:42,290 --> 02:10:39,659

a lecture I did it's on YouTube in 2021

3091

02:10:45,709 --> 02:10:42,300

I said with the because at the end of

3092

02:10:48,649 --> 02:10:45,719

2017 and 2018 was when the quantum super

3093

02:10:51,350 --> 02:10:48,659

computers that Google they were actually

3094

02:10:52,850 --> 02:10:51,360

working on it and making it come to life

3095

02:10:54,770 --> 02:10:52,860

and then they didn't announce it till

3096

02:10:56,870 --> 02:10:54,780

October 2019 that they were done with it

3097

02:10:59,629 --> 02:10:56,880

but the research and all the integration

3098

02:11:01,490 --> 02:10:59,639

was all happening as that passed and I

3099

02:11:03,709 --> 02:11:01,500

said in a weird daring way using

3100

02:11:05,270 --> 02:11:03,719

astrology said that is a Mothership

3101
02:11:07,310 --> 02:11:05,280
before it was called a year and a half

3102
02:11:10,250 --> 02:11:07,320
ago in April 2021 I said that is a

3103
02:11:13,810 --> 02:11:10,260
Mothership here to check on its baby the

3104
02:11:17,330 --> 02:11:13,820
quantum supercomputer well it happened

3105
02:11:19,010 --> 02:11:17,340
it happened it happened it happened I

3106
02:11:22,189 --> 02:11:19,020
have the receipts so it's like you know

3107
02:11:25,550 --> 02:11:22,199
what I mean no I know I know I know I am

3108
02:11:27,770 --> 02:11:25,560
uh I have uh that's the kind of stuff

3109
02:11:30,290 --> 02:11:27,780
we're gonna be mind it's gonna take away

3110
02:11:32,750 --> 02:11:30,300
the idea of so many

3111
02:11:34,910 --> 02:11:32,760
conceptions of what we think that's that

3112
02:11:36,350 --> 02:11:34,920
I I'm excited me somebody like you and I

3113
02:11:37,729 --> 02:11:36,360

are cool with that but I think that

3114

02:11:39,290 --> 02:11:37,739

that's going to be hard for people who

3115

02:11:41,390 --> 02:11:39,300

aren't open to

3116

02:11:43,430 --> 02:11:41,400

that's what we all have to be open to

3117

02:11:45,649 --> 02:11:43,440

the the roots of who we are how the

3118

02:11:47,450 --> 02:11:45,659

world is of what we think it is that'll

3119

02:11:49,189 --> 02:11:47,460

be that we came here for front row seats

3120

02:11:51,229 --> 02:11:49,199

this is the front row seat ticket we all

3121

02:11:53,689 --> 02:11:51,239

asked for we could have waited if you

3122

02:11:55,370 --> 02:11:53,699

believe in lifetimes if you believe even

3123

02:11:57,530 --> 02:11:55,380

the Ancients would have wished for this

3124

02:11:59,629 --> 02:11:57,540

moment that's right that's right and we

3125

02:12:02,330 --> 02:11:59,639

are right on we have a front row seats

3126

02:12:04,669 --> 02:12:02,340

popcorn out I got my Sprite you got

3127

02:12:06,910 --> 02:12:04,679

whatever you're into I got my Wendy's

3128

02:12:09,649 --> 02:12:06,920

uh vanilla shake here

3129

02:12:13,910 --> 02:12:09,659

and you know here we are that's where we

3130

02:12:16,970 --> 02:12:13,920

are and I don't think that

3131

02:12:20,990 --> 02:12:16,980

um it's going to be it's going to be

3132

02:12:23,450 --> 02:12:21,000

shorter rather than longer right every

3133

02:12:27,589 --> 02:12:23,460

day that goes past we are getting closer

3134

02:12:30,169 --> 02:12:27,599

to this moment and I think it's it's

3135

02:12:33,290 --> 02:12:30,179

rapidly coming up on us there is a

3136

02:12:35,030 --> 02:12:33,300

reason why we're we're looking for all

3137

02:12:37,490 --> 02:12:35,040

the exoplanets that we can there's a

3138

02:12:40,629 --> 02:12:37,500

reason why we've got James Webb yes

3139

02:12:42,950 --> 02:12:40,639

sitting out at its point in space

3140

02:12:45,410 --> 02:12:42,960

scanning the skies there's a reason why

3141

02:12:46,910 --> 02:12:45,420

we have tests there's a reason why we

3142

02:12:50,390 --> 02:12:46,920

have all these satellites everybody

3143

02:12:53,390 --> 02:12:50,400

going to Mars in the next yeah and and

3144

02:12:57,770 --> 02:12:53,400

the moon right and the search for alien

3145

02:13:00,350 --> 02:12:57,780

life all of this is crime yeah all the

3146

02:13:02,209 --> 02:13:00,360

dominoes are set yep so it's not that

3147

02:13:05,030 --> 02:13:02,219

much of a mystery it's just the mystery

3148

02:13:06,109 --> 02:13:05,040

of why and the uncovering and I think

3149

02:13:08,330 --> 02:13:06,119

you know a lot of people are wondering

3150

02:13:09,589 --> 02:13:08,340

why but I think that even maybe it's our

3151

02:13:12,350 --> 02:13:09,599

governments or whatever that are trying

3152

02:13:14,689 --> 02:13:12,360

to understand something much deeper or

3153

02:13:17,990 --> 02:13:14,699

having do they have a contract

3154

02:13:20,330 --> 02:13:18,000

do they have a contract are they trying

3155

02:13:22,310 --> 02:13:20,340

to get out in front of something yeah

3156

02:13:25,970 --> 02:13:22,320

that they know is about to happen so the

3157

02:13:28,250 --> 02:13:25,980

only way to to soften things and plus

3158

02:13:30,890 --> 02:13:28,260

they've got to cover up any lies or

3159

02:13:32,930 --> 02:13:30,900

anything that they have been uh dealing

3160

02:13:35,390 --> 02:13:32,940

with in the Deep past how much have they

3161

02:13:37,550 --> 02:13:35,400

known but the only way to do it is to

3162

02:13:40,250 --> 02:13:37,560

get out in front of it now right that's

3163

02:13:42,109 --> 02:13:40,260

it get out in front of it for all we

3164

02:13:44,270 --> 02:13:42,119

know uh David

3165

02:13:46,430 --> 02:13:44,280

um they are watching something approach

3166

02:13:47,750 --> 02:13:46,440

our solar system right now they're

3167

02:13:49,729 --> 02:13:47,760

watching it they know it's going to be

3168

02:13:52,069 --> 02:13:49,739

here and that's why everybody feels

3169

02:13:53,870 --> 02:13:52,079

weird but then they think I'll be honest

3170

02:13:55,669 --> 02:13:53,880

I think we the media and the stuff we

3171

02:13:58,310 --> 02:13:55,679

see and the worries about wars and all

3172

02:14:00,770 --> 02:13:58,320

these kind of things are are a lot more

3173

02:14:02,089 --> 02:14:00,780

distractional than what's really

3174

02:14:04,310 --> 02:14:02,099

happening

3175

02:14:05,750 --> 02:14:04,320

and

3176

02:14:07,490 --> 02:14:05,760

it happens every single time the

3177

02:14:08,629 --> 02:14:07,500

presidential stuff all but I think we

3178

02:14:10,129 --> 02:14:08,639

ought to disconnect from that and come

3179

02:14:12,649 --> 02:14:10,139

back to like hey what's going on with

3180

02:14:14,510 --> 02:14:12,659

you and all that and start to as the

3181

02:14:17,030 --> 02:14:14,520

Ancients did feel what's going on above

3182

02:14:18,890 --> 02:14:17,040

just feel it just like try and yeah it

3183

02:14:21,530 --> 02:14:18,900

feels okay it feels weird something's

3184

02:14:24,109 --> 02:14:21,540

going on but whatever it is

3185

02:14:26,870 --> 02:14:24,119

it we have to let go of that there's a

3186

02:14:29,450 --> 02:14:26,880

higher authority of in our own species

3187

02:14:31,970 --> 02:14:29,460

of being a human that we're all on the

3188

02:14:33,709 --> 02:14:31,980

same Authority we're all human so

3189

02:14:35,810 --> 02:14:33,719

like

3190

02:14:37,310 --> 02:14:35,820

Pluto couldn't have happened at a better

3191

02:14:39,350 --> 02:14:37,320

time it couldn't happen at a bear time

3192

02:14:41,930 --> 02:14:39,360

and even though it might shatter our

3193

02:14:43,430 --> 02:14:41,940

reality of understanding and that might

3194

02:14:45,410 --> 02:14:43,440

be that might feel like an acid trip

3195

02:14:46,970 --> 02:14:45,420

times 10 and if you never did ask it I'm

3196

02:14:49,430 --> 02:14:46,980

sure you're gonna it's gonna be weird

3197

02:14:51,589 --> 02:14:49,440

but

3198

02:14:54,709 --> 02:14:51,599

it's always the Bliss on the other side

3199

02:14:56,750 --> 02:14:54,719

that I can't describe or nobody can

3200

02:15:00,890 --> 02:14:56,760

David you're the absolute very best man

3201

02:15:02,990 --> 02:15:00,900

the leoking.com is uh David's website is

3202

02:15:05,030 --> 02:15:03,000

constantly in production he's constantly

3203

02:15:07,609 --> 02:15:05,040

doing stuff he's always moving forward

3204

02:15:10,310 --> 02:15:07,619

go and check out theleoking.com check

3205

02:15:12,950 --> 02:15:10,320

out his Instagram his YouTube he is

3206

02:15:15,109 --> 02:15:12,960

fully engaged with this community David

3207

02:15:17,629 --> 02:15:15,119

I'll give you a call tomorrow right up

3208

02:15:22,069 --> 02:15:17,639

and uh oh thank you for grabbing me on

3209

02:15:26,990 --> 02:15:22,079

did you um have you already charted your

3210

02:15:29,629 --> 02:15:27,000

your your baby daughter yeah you're with

3211

02:15:32,089 --> 02:15:29,639

child have you charted it yeah and both

3212

02:15:35,270 --> 02:15:32,099

my both Sophia and I and I know you've

3213

02:15:37,069 --> 02:15:35,280

met Sophia uh we both think I mean the

3214

02:15:39,350 --> 02:15:37,079

due date's August 10th but we both are

3215

02:15:41,030 --> 02:15:39,360

feeling around August 7th or 8th like

3216

02:15:45,050 --> 02:15:41,040

that's where

3217

02:15:47,689 --> 02:15:45,060

the astrology looks like it and so yeah

3218

02:15:49,370 --> 02:15:47,699

yeah man that's so cool all right man

3219

02:15:51,290 --> 02:15:49,380

I'll give you a call tomorrow have a

3220

02:15:54,050 --> 02:15:51,300

great night thank you so much give my

3221

02:15:57,890 --> 02:15:54,060

best to Sophia man I'll talk to you bye

3222

02:16:00,530 --> 02:15:57,900

you're the best David Lawrence Palmer

3223

02:16:02,930 --> 02:16:00,540

and uh the Leo King the links are below

3224

02:16:06,169 --> 02:16:02,940

we've got it throughout social media and

3225

02:16:07,970 --> 02:16:06,179

of course over on our website that was

3226

02:16:10,310 --> 02:16:07,980

one of the best shows

3227

02:16:14,569 --> 02:16:10,320

um every show was the best but tonight

3228

02:16:16,550 --> 02:16:14,579

was extra extra special David Palmer all

3229

02:16:19,069 --> 02:16:16,560

right I'm Yours Timmy church and uh

3230

02:16:22,790 --> 02:16:19,079

tomorrow night we've got Ronnie LeBlanc

3231

02:16:25,370 --> 02:16:22,800

here we are doing a full night

3232

02:16:27,649 --> 02:16:25,380

of Bigfoot and that is tomorrow night

3233

02:16:31,010 --> 02:16:27,659

with Ronnie LeBlanc and then Friday

3234

02:16:34,549 --> 02:16:31,020

night of course is our celebration with

3235

02:16:36,530 --> 02:16:34,559

Linda Moulton Howe all right full week

3236

02:16:38,570 --> 02:16:36,540

of faded black this week Fade to Black

3237

02:16:39,950 --> 02:16:38,580

is produced by Hilton J Palm Renee

3238

02:16:41,929 --> 02:16:39,960

Dennis and Kevin

3239

02:16:43,450 --> 02:16:41,939

webmaster is Drew the geek music Doug

3240

02:16:45,410 --> 02:16:43,460

Aldrich intro space boy

3241

02:16:47,270 --> 02:16:45,420

spaceboymusic.com Fade to Black is

3242

02:16:48,110 --> 02:16:47,280

produced by KJ server the game changer

3243

02:16:50,209 --> 02:16:48,120

Network

3244

02:16:52,730 --> 02:16:50,219

and this broadcast is owned and

3245

02:16:54,889 --> 02:16:52,740

copyrighted 2023 by Fade to Black and

3246

02:16:56,690 --> 02:16:54,899

The Game Changer Network Inc it cannot

3247

02:16:58,070 --> 02:16:56,700

be rebroadcast download or copied or

3248

02:16:59,929 --> 02:16:58,080

used anywhere in the known universe

3249

02:17:01,250 --> 02:16:59,939

without written permission from Fade to

3250

02:17:03,169 --> 02:17:01,260

Black in the game changer Network I'm

3251

02:17:05,509 --> 02:17:03,179

your chimney church until tomorrow night

3252

02:17:07,910 --> 02:17:05,519

with Ronnie LeBlanc

3253

02:17:14,799 --> 02:17:07,920

I want you to be safe
