

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

RONNY LeBLANC

EXPEDITION BIGFOOT

THUR MAR 23 LIVE

7:00 PM PT/10:00PM ET

1
00:00:10,890 --> 00:00:20,290

[Music]

2
00:00:26,890 --> 00:00:22,490

thank you

3
00:00:30,230 --> 00:00:26,900

the smoke radio for the masses of July 8

4
00:00:32,630 --> 00:00:30,240

1947 the Army Air Forces has announced

5
00:00:34,790 --> 00:00:32,640

that a flying disc has been found and is

6
00:00:37,850 --> 00:00:34,800

now in the possession of the army

7
00:00:41,569 --> 00:00:37,860

game is rigged change the game game

8
00:00:45,170 --> 00:00:41,579

changer I occasionally think how quickly

9
00:00:48,529 --> 00:00:45,180

our differences worldwide would vanish

10
00:00:49,890 --> 00:00:48,539

if we were facing an alien threat from

11
00:00:51,700 --> 00:00:49,900

outside this work

12
00:00:51,880 --> 00:00:51,710

[Music]

13
00:00:54,250 --> 00:00:51,890

[Applause]

14

00:00:57,170 --> 00:00:54,260

[Music]

15

00:00:59,990 --> 00:00:57,180

this is Fade to Black with your host

16

00:01:00,670 --> 00:01:00,000

Jimmy Church on the game changer Radio

17

00:01:04,509 --> 00:01:00,680

Network

18

00:01:07,310 --> 00:01:04,519

[Music]

19

00:01:10,130 --> 00:01:07,320

good evening Fade to Black I'm your old

20

00:01:15,310 --> 00:01:10,140

Chevy church today is Thursday March

21

00:01:18,590 --> 00:01:15,320

23rd 2023 that's right 03 23

22

00:01:20,570 --> 00:01:18,600

2023. it's a pretty cool set of numbers

23

00:01:23,690 --> 00:01:20,580

and especially for the show tonight

24

00:01:26,270 --> 00:01:23,700

because tonight we have Ronnie LeBlanc

25

00:01:27,770 --> 00:01:26,280

with this from obviously Expedition

26
00:01:30,109 --> 00:01:27,780
Bigfoot

27
00:01:32,570 --> 00:01:30,119
um and we are going to do a full light

28
00:01:35,030 --> 00:01:32,580
of big feet tonight he's an independent

29
00:01:36,770 --> 00:01:35,040
researcher screenwriter author of The

30
00:01:39,249 --> 00:01:36,780
critically acclaimed best-selling book

31
00:01:42,050 --> 00:01:39,259
Monster Land encounters with UFOs

32
00:01:43,130 --> 00:01:42,060
Bigfoot and orange orbs which details

33
00:01:45,590 --> 00:01:43,140
the history and connection between

34
00:01:48,850 --> 00:01:45,600
various phenomena highlighting his

35
00:01:53,510 --> 00:01:48,860
experience and research area called

36
00:01:56,270 --> 00:01:53,520
Monster Land in Massachusetts and uh I'm

37
00:01:58,429 --> 00:01:56,280
just not Ronnie uh you've it's been a

38
00:02:00,889 --> 00:01:58,439

while since you've been on the show so

39

00:02:02,950 --> 00:02:00,899

uh uh I'm not going to read your whole

40

00:02:05,690 --> 00:02:02,960

bio

41

00:02:08,089 --> 00:02:05,700

not gonna do with my brother how you

42

00:02:10,190 --> 00:02:08,099

doing I'm doing great man good to see

43

00:02:12,710 --> 00:02:10,200

you he's going to be seeing you uh in

44

00:02:14,750 --> 00:02:12,720

about a week right so yeah yeah we'll

45

00:02:16,369 --> 00:02:14,760

hang out we'll talk about that in just

46

00:02:18,290 --> 00:02:16,379

in just a second

47

00:02:20,990 --> 00:02:18,300

um uh Ronnie's website Ronnie

48

00:02:23,750 --> 00:02:21,000

leblanc.com the links for that are below

49

00:02:25,850 --> 00:02:23,760

and and go and get Monster Land I've got

50

00:02:27,350 --> 00:02:25,860

it I've had it uh for a while it's a

51
00:02:28,610 --> 00:02:27,360
great book we've talked about it many

52
00:02:30,830 --> 00:02:28,620
times

53
00:02:33,110 --> 00:02:30,840
um but it's so great to have you back on

54
00:02:35,210 --> 00:02:33,120
the show and thanks for having me yeah

55
00:02:38,570 --> 00:02:35,220
you know Bigfoot

56
00:02:40,309 --> 00:02:38,580
um uh we'll talk about parapod in just a

57
00:02:43,850 --> 00:02:40,319
second but

58
00:02:47,509 --> 00:02:43,860
um I have said many times Ronnie that uh

59
00:02:49,190 --> 00:02:47,519
the UFO Community is is pretty big but

60
00:02:51,589 --> 00:02:49,200
it's not as big as the Bigfoot Community

61
00:02:53,509 --> 00:02:51,599
I think that the Bigfoot Community is

62
00:02:54,890 --> 00:02:53,519
bigger for a lot of reasons it's much

63
00:02:56,030 --> 00:02:54,900

bigger

64

00:02:59,690 --> 00:02:56,040

um but

65

00:03:03,050 --> 00:02:59,700

um Bigfoot for some reason doesn't get

66

00:03:05,630 --> 00:03:03,060

the headlines like UFOs do you would

67

00:03:07,490 --> 00:03:05,640

think it would be the opposite it and

68

00:03:08,630 --> 00:03:07,500

I'm going to share this little thought

69

00:03:11,690 --> 00:03:08,640

with you

70

00:03:14,030 --> 00:03:11,700

a couple of years ago

71

00:03:16,790 --> 00:03:14,040

um I did it might have been about three

72

00:03:19,490 --> 00:03:16,800

years ago I did a drive and I drove up

73

00:03:21,170 --> 00:03:19,500

uh to the Canadian border uh from

74

00:03:21,910 --> 00:03:21,180

Southern California turn around and came

75

00:03:26,509 --> 00:03:21,920

back

76

00:03:30,589 --> 00:03:26,519

and so during that drive

77

00:03:33,530 --> 00:03:30,599

um I would stop at different places and

78

00:03:36,009 --> 00:03:33,540

and things and you see a lot of stop for

79

00:03:39,070 --> 00:03:36,019

gas stop forget

80

00:03:41,750 --> 00:03:39,080

Bigfoot t-shirts right right there

81

00:03:43,970 --> 00:03:41,760

you're driving down the road the Bigfoot

82

00:03:46,490 --> 00:03:43,980

souvenir shop the the world's largest

83

00:03:49,250 --> 00:03:46,500

Bigfoot this Bigfoot that it's ever you

84

00:03:52,610 --> 00:03:49,260

don't see UFO shops right true very true

85

00:03:55,550 --> 00:03:52,620

yeah it's it's it's CR and everybody's

86

00:03:58,369 --> 00:03:55,560

got a big foot story you know and I

87

00:04:01,670 --> 00:03:58,379

remember um I go to this big this is a

88

00:04:03,350 --> 00:04:01,680

perfect example of that so I'm at this

89

00:04:04,970 --> 00:04:03,360

huge place

90

00:04:08,270 --> 00:04:04,980

um they've got I'm not without

91

00:04:10,610 --> 00:04:08,280

exaggerating a thousand carved Bigfoot

92

00:04:12,949 --> 00:04:10,620

statues right like a city of a thousand

93

00:04:16,729 --> 00:04:12,959

and everything Bigfoot wind chimes and

94

00:04:18,530 --> 00:04:16,739

50s I think I think I know exactly where

95

00:04:20,629 --> 00:04:18,540

you're talking about too it's a little

96

00:04:22,069 --> 00:04:20,639

this store right off the road in Redwood

97

00:04:25,070 --> 00:04:22,079

near redwoods right yeah yeah yeah yeah

98

00:04:27,770 --> 00:04:25,080

yeah yeah that's it it's huge right I

99

00:04:29,629 --> 00:04:27,780

mean it's yeah parking lot right so

100

00:04:30,710 --> 00:04:29,639

anyway I'm there and I'm talking to the

101
00:04:35,990 --> 00:04:30,720
manager

102
00:04:37,790 --> 00:04:36,000
and I said uh I go so uh how long have

103
00:04:40,010 --> 00:04:37,800
you been here since my first Bigfoot

104
00:04:42,710 --> 00:04:40,020
sighting back in the 60s oh okay all

105
00:04:45,110 --> 00:04:42,720
right all right cool I said um

106
00:04:48,170 --> 00:04:45,120
ever listen to Coast to Coast

107
00:04:51,350 --> 00:04:48,180
you know and I thought you know yeah I

108
00:04:53,210 --> 00:04:51,360
do oh you're Jimmy church right this is

109
00:04:55,850 --> 00:04:53,220
what he said

110
00:05:00,890 --> 00:04:55,860
what's Coast to Coast

111
00:05:01,790 --> 00:05:00,900
right and that right there that shows

112
00:05:05,930 --> 00:05:01,800
you

113
00:05:08,810 --> 00:05:05,940

the Bigfoot community and its size and

114

00:05:10,370 --> 00:05:08,820

everything and UFOs it's like two

115

00:05:14,629 --> 00:05:10,380

different worlds it's two different

116

00:05:16,790 --> 00:05:14,639

things and uh and it it was just a real

117

00:05:19,670 --> 00:05:16,800

eye-opener for me about the size of the

118

00:05:22,310 --> 00:05:19,680

Bigfoot Community it's crazy big it is

119

00:05:23,870 --> 00:05:22,320

and I think you know with UFOs just

120

00:05:25,550 --> 00:05:23,880

getting like you said all the headlines

121

00:05:28,850 --> 00:05:25,560

now in the past

122

00:05:31,310 --> 00:05:28,860

two years now just started heating up I

123

00:05:33,950 --> 00:05:31,320

think Bigfoot's right behind it and I do

124

00:05:35,870 --> 00:05:33,960

think that there is that UFO connection

125

00:05:38,210 --> 00:05:35,880

with Bigfoot so I think that's kind of

126

00:05:40,969 --> 00:05:38,220

gonna possibly bridge the gap here we'll

127

00:05:45,469 --> 00:05:40,979

see what happens well okay that's a good

128

00:05:47,150 --> 00:05:45,479

place to start I'm not so sure okay all

129

00:05:49,550 --> 00:05:47,160

right all right let's go let's let's

130

00:05:54,170 --> 00:05:49,560

let's just ruffle a few feathers Ronnie

131

00:05:57,890 --> 00:05:54,180

let's just go I'm not so sure of some of

132

00:06:00,469 --> 00:05:57,900

the hardcore what would they would

133

00:06:02,629 --> 00:06:00,479

Define them as a real Bigfoot researcher

134

00:06:04,070 --> 00:06:02,639

right I don't I don't think they dig the

135

00:06:07,550 --> 00:06:04,080

UFO connection

136

00:06:08,450 --> 00:06:07,560

they don't they you know I've posted

137

00:06:10,150 --> 00:06:08,460

um

138

00:06:12,710 --> 00:06:10,160

on different Facebook groups

139

00:06:15,650 --> 00:06:12,720

specifically the BFRO

140

00:06:18,350 --> 00:06:15,660

and if you post anything that is

141

00:06:21,409 --> 00:06:18,360

considered woo or

142

00:06:23,450 --> 00:06:21,419

you know outside of this thing being uh

143

00:06:26,330 --> 00:06:23,460

an Undiscovered primate

144

00:06:29,270 --> 00:06:26,340

you get banned your comments get blocked

145

00:06:30,409 --> 00:06:29,280

and it's it's unbelievable and so and

146

00:06:32,749 --> 00:06:30,419

I've always

147

00:06:34,370 --> 00:06:32,759

try to be like open the open your mind

148

00:06:36,230 --> 00:06:34,380

that's why you guys were still not

149

00:06:37,850 --> 00:06:36,240

getting anywhere because we're not

150

00:06:38,930 --> 00:06:37,860

expanding

151
00:06:41,570 --> 00:06:38,940
you know

152
00:06:44,090 --> 00:06:41,580
um the idea of what Bigfoot actually

153
00:06:45,409 --> 00:06:44,100
might be and it could be

154
00:06:49,610 --> 00:06:45,419
an alien it could be something

155
00:06:50,870 --> 00:06:49,620
interdimensional uh uh human animal All

156
00:06:52,550 --> 00:06:50,880
the Above

157
00:06:54,409 --> 00:06:52,560
and we're going to get into all of those

158
00:06:58,309 --> 00:06:54,419
subjects tonight because I've been

159
00:07:00,890 --> 00:06:58,319
chasing this uh for a very long time and

160
00:07:04,610 --> 00:07:00,900
most of the veteran listeners of this

161
00:07:07,850 --> 00:07:04,620
show have witnessed me flip flop and

162
00:07:11,029 --> 00:07:07,860
changed my mind years it's because I

163
00:07:14,450 --> 00:07:11,039

have an open mind that's right I I

164

00:07:16,730 --> 00:07:14,460

reserve the right to flip-flop I reserve

165

00:07:19,309 --> 00:07:16,740

the right to be a walking Paradox I I

166

00:07:20,930 --> 00:07:19,319

reserve the right to be here to be a

167

00:07:24,010 --> 00:07:20,940

hypocrite because you have to have an

168

00:07:26,330 --> 00:07:24,020

open mind here and it's Gonna Change

169

00:07:29,110 --> 00:07:26,340

well why

170

00:07:32,450 --> 00:07:29,120

um why is it

171

00:07:35,450 --> 00:07:32,460

my original view the show's not about me

172

00:07:37,309 --> 00:07:35,460

it's about you but this is how people

173

00:07:42,730 --> 00:07:37,319

can change their minds

174

00:07:44,990 --> 00:07:42,740

my original view was in a general sense

175

00:07:47,930 --> 00:07:45,000

Bigfoot was BS

176

00:07:50,870 --> 00:07:47,940

okay that that was years ago but I had

177

00:07:54,710 --> 00:07:50,880

reasons for that no body no DNA no this

178

00:07:58,129 --> 00:07:54,720

no that sure but but

179

00:08:01,550 --> 00:07:58,139

the Patterson Giblin film is real

180

00:08:04,730 --> 00:08:01,560

I always believe that so now I am you

181

00:08:08,450 --> 00:08:04,740

know I'm I am being hypocritical

182

00:08:11,570 --> 00:08:08,460

um I'm not uh admitting to myself when

183

00:08:14,150 --> 00:08:11,580

if the UFO Community had a piece of film

184

00:08:18,170 --> 00:08:14,160

like the Patterson gimlin film to back

185

00:08:20,689 --> 00:08:18,180

up their stuff it'd be UFO Case Closed

186

00:08:22,490 --> 00:08:20,699

um right but yeah and I know you know

187

00:08:27,110 --> 00:08:22,500

what I'm trying to say here

188

00:08:30,350 --> 00:08:27,120

so I I continued in this pursuit of

189

00:08:34,250 --> 00:08:30,360

knowledge and what I have found the only

190

00:08:36,110 --> 00:08:34,260

thing that checks all of those boxes the

191

00:08:39,290 --> 00:08:36,120

elusiveness the lack of bodies and and

192

00:08:42,050 --> 00:08:39,300

all of that maybe we are talking about

193

00:08:44,570 --> 00:08:42,060

something interdimensional and I know I

194

00:08:46,370 --> 00:08:44,580

don't have a problem with that

195

00:08:48,170 --> 00:08:46,380

um you know it's you know it's wild is

196

00:08:51,230 --> 00:08:48,180

people don't have a problem with that

197

00:08:53,329 --> 00:08:51,240

either where I've posed that question to

198

00:08:55,610 --> 00:08:53,339

a conference and said how many people

199

00:08:58,850 --> 00:08:55,620

believe you know Bigfoot's uh primate

200

00:09:00,290 --> 00:08:58,860

undiscovered animal raise your hands and

201
00:09:01,970 --> 00:09:00,300
how many people believe it's something

202
00:09:04,070 --> 00:09:01,980
interdimensional maybe that's why we

203
00:09:07,190 --> 00:09:04,080
have we don't have bones everyone's like

204
00:09:08,210 --> 00:09:07,200
that makes more logical sense to me and

205
00:09:10,310 --> 00:09:08,220
it was

206
00:09:12,769 --> 00:09:10,320
shocking and surprising for me to hear

207
00:09:15,410 --> 00:09:12,779
that from people as well so I think and

208
00:09:17,750 --> 00:09:15,420
then you look at the uh the shows even

209
00:09:19,790 --> 00:09:17,760
the kids shows over the past few years

210
00:09:22,490 --> 00:09:19,800
they're talking about portals they're

211
00:09:25,009 --> 00:09:22,500
talking about Dimensions the Multiverse

212
00:09:28,370 --> 00:09:25,019
we're in those kind of quantum

213
00:09:29,930 --> 00:09:28,380

discussions already of where Bigfoot may

214

00:09:31,250 --> 00:09:29,940

be coming from and that's what the a lot

215

00:09:33,350 --> 00:09:31,260

of Native American tribes believe that

216

00:09:34,730 --> 00:09:33,360

they're popping in and out when they

217

00:09:36,769 --> 00:09:34,740

want

218

00:09:38,630 --> 00:09:36,779

um and they've been doing so for a long

219

00:09:43,610 --> 00:09:38,640

time longer than supposedly we've been

220

00:09:46,070 --> 00:09:43,620

here and in an overall sense uh this is

221

00:09:49,370 --> 00:09:46,080

going to be a long deep comprehensive

222

00:09:51,769 --> 00:09:49,380

show tonight but in a general sense

223

00:09:53,290 --> 00:09:51,779

do you have a footing oh I just said

224

00:09:59,449 --> 00:09:53,300

footing

225

00:10:03,110 --> 00:10:01,310

I mean

226

00:10:05,990 --> 00:10:03,120

based on all the research I had done

227

00:10:08,570 --> 00:10:06,000

prior to writing Monster Land

228

00:10:11,810 --> 00:10:08,580

um I was coming at it from

229

00:10:14,389 --> 00:10:11,820

uh this is uh an interdimensional being

230

00:10:16,730 --> 00:10:14,399

there's just too many

231

00:10:19,670 --> 00:10:16,740

uh similarities and connections to with

232

00:10:21,949 --> 00:10:19,680

these orbs and UFOs and the timing and

233

00:10:25,009 --> 00:10:21,959

these powerplaces

234

00:10:28,970 --> 00:10:25,019

um so that's I think it continues to get

235

00:10:29,690 --> 00:10:28,980

strengthened uh even through the show

236

00:10:32,269 --> 00:10:29,700

um

237

00:10:34,690 --> 00:10:32,279

Dr Maria and Russ experiencing things

238

00:10:37,550 --> 00:10:34,700

that are downright paranormal

239

00:10:39,590 --> 00:10:37,560

Supernatural that they don't have an

240

00:10:40,790 --> 00:10:39,600

explanation for where Maria can't pick

241

00:10:43,130 --> 00:10:40,800

up

242

00:10:46,310 --> 00:10:43,140

um something with her naked eye but her

243

00:10:48,530 --> 00:10:46,320

thermal is picking up this huge figure

244

00:10:50,690 --> 00:10:48,540

you know in a Buddha position with these

245

00:10:52,130 --> 00:10:50,700

orbs hovering over its head and when she

246

00:10:54,110 --> 00:10:52,140

pulls it down it's not there she pulls

247

00:10:57,290 --> 00:10:54,120

it up it's there

248

00:10:58,490 --> 00:10:57,300

um having invisible things charging uh

249

00:11:00,769 --> 00:10:58,500

the team

250

00:11:03,530 --> 00:11:00,779

and we've had these things in orbs

251
00:11:04,970 --> 00:11:03,540
showing up as well and and the I guess

252
00:11:07,269 --> 00:11:04,980
the biggest thing for me has been the

253
00:11:10,310 --> 00:11:07,279
shadow that we captured last season

254
00:11:12,949 --> 00:11:10,320
which was in my opinion

255
00:11:14,389 --> 00:11:12,959
um almost like a shadow puppet that

256
00:11:17,630 --> 00:11:14,399
you'd make on the wall

257
00:11:19,550 --> 00:11:17,640
we couldn't see this cloaked Bigfoot in

258
00:11:21,590 --> 00:11:19,560
front of us but our flashlights

259
00:11:23,329 --> 00:11:21,600
created that shadow and the video

260
00:11:25,790 --> 00:11:23,339
doesn't give it justice because my eyes

261
00:11:28,490 --> 00:11:25,800
could see the hair on this things

262
00:11:31,069 --> 00:11:28,500
head conical shaped and it moved like

263
00:11:34,250 --> 00:11:31,079

the Paris and gimlin film and what was

264

00:11:36,829 --> 00:11:34,260

uh cut out from that episode is me

265

00:11:38,569 --> 00:11:36,839

talking to it telling it to reveal

266

00:11:40,310 --> 00:11:38,579

itself and I thought that was

267

00:11:43,490 --> 00:11:40,320

interesting that that was left out

268

00:11:45,490 --> 00:11:43,500

because immediately after is it too much

269

00:11:49,370 --> 00:11:45,500

it showed itself

270

00:11:51,590 --> 00:11:49,380

is that too woo even for TV I think so

271

00:11:53,590 --> 00:11:51,600

but it that's how it went down you know

272

00:11:56,509 --> 00:11:53,600

and that's that's what happened it it

273

00:11:59,870 --> 00:11:56,519

understood what I was saying because

274

00:12:02,269 --> 00:11:59,880

seconds later this thing reveals itself

275

00:12:03,949 --> 00:12:02,279

literally walks on stage in front of us

276

00:12:06,050 --> 00:12:03,959

and we're just

277

00:12:08,389 --> 00:12:06,060

f-bombs left and right because we're

278

00:12:11,449 --> 00:12:08,399

blown away by seeing this

279

00:12:13,069 --> 00:12:11,459

figure walk right in front of us after

280

00:12:14,930 --> 00:12:13,079

all these rocks are falling I mean it

281

00:12:18,050 --> 00:12:14,940

was just an insane

282

00:12:22,540 --> 00:12:18,060

and same time What would happen to me if

283

00:12:26,269 --> 00:12:23,810

[Music]

284

00:12:28,150 --> 00:12:26,279

um no breathing no breathing

285

00:12:32,150 --> 00:12:28,160

forever

286

00:12:35,210 --> 00:12:32,160

Russ is a sweetheart but he's also he is

287

00:12:37,430 --> 00:12:35,220

definitely a badass and he is yes yeah

288

00:12:39,850 --> 00:12:37,440

he's a really nice guy but if I'm gonna

289

00:12:43,190 --> 00:12:39,860

go squashing that's who I take with me

290

00:12:46,550 --> 00:12:43,200

absolutely well you too well both of you

291

00:12:49,190 --> 00:12:46,560

I'm in good hands I can I can I can Goof

292

00:12:52,670 --> 00:12:49,200

Off um Russ is about a really nice guy

293

00:12:55,190 --> 00:12:52,680

Russell cord and uh I had a chance to

294

00:12:57,530 --> 00:12:55,200

hang out with him and what I really is

295

00:13:00,110 --> 00:12:57,540

funny he's he you know what he's he's

296

00:13:02,509 --> 00:13:00,120

big and to most people he's probably

297

00:13:04,009 --> 00:13:02,519

intimidating

298

00:13:06,949 --> 00:13:04,019

um and then you talk to him you're like

299

00:13:09,350 --> 00:13:06,959

man this guy is yeah cool he's funny

300

00:13:13,250 --> 00:13:09,360

he's a teddy bear yeah yeah yeah but

301

00:13:16,790 --> 00:13:13,260

he's big he's a big dude

302

00:13:20,629 --> 00:13:16,800

um uh but okay so the the other part

303

00:13:22,790 --> 00:13:20,639

about this though when we get into an

304

00:13:27,470 --> 00:13:22,800

interdimensional thing and this may seem

305

00:13:29,590 --> 00:13:27,480

left field but I all I I I'm often asked

306

00:13:32,090 --> 00:13:29,600

when it comes to ghosts

307

00:13:35,210 --> 00:13:32,100

we don't why don't we have ghosts of

308

00:13:37,850 --> 00:13:35,220

dinosaurs right why don't we have dose

309

00:13:39,949 --> 00:13:37,860

of Cro-Magnon why don't we have ghosts

310

00:13:43,970 --> 00:13:39,959

of Neanderthal I'm thinking

311

00:13:45,949 --> 00:13:43,980

maybe Bigfoot is is connected to

312

00:13:48,050 --> 00:13:45,959

something like that well what's

313

00:13:49,250 --> 00:13:48,060

interesting what Pops in my mind is and

314

00:13:52,129 --> 00:13:49,260

we might have talked about this before

315

00:13:54,590 --> 00:13:52,139

when I was on that um and maybe not but

316

00:13:57,470 --> 00:13:54,600

there was a researcher that was

317

00:13:59,329 --> 00:13:57,480

in Monster Land spent the day

318

00:14:01,069 --> 00:13:59,339

um he had found these small

319

00:14:03,230 --> 00:14:01,079

tree structures

320

00:14:05,290 --> 00:14:03,240

in this area that he was starting to

321

00:14:08,509 --> 00:14:05,300

assume like this looked like a nursery

322

00:14:10,670 --> 00:14:08,519

and so he was you know popping around

323

00:14:12,710 --> 00:14:10,680

checking out and the first time he had

324

00:14:14,269 --> 00:14:12,720

found the spot he got pushed out by

325

00:14:15,769 --> 00:14:14,279

something that was kind of screaming and

326

00:14:18,470 --> 00:14:15,779

making a lot of noise and he was like

327

00:14:19,730 --> 00:14:18,480

what sounded like a an ape is how he

328

00:14:22,790 --> 00:14:19,740

described it

329

00:14:25,730 --> 00:14:22,800

second time nothing but what happened is

330

00:14:29,329 --> 00:14:25,740

when he went back to his car and kind of

331

00:14:31,190 --> 00:14:29,339

looked one one last time down the trail

332

00:14:32,509 --> 00:14:31,200

there was a Bigfoot that was leaning up

333

00:14:35,150 --> 00:14:32,519

against a tree

334

00:14:36,650 --> 00:14:35,160

and he couldn't tell if first off he was

335

00:14:39,710 --> 00:14:36,660

blown away and secondly he couldn't tell

336

00:14:41,750 --> 00:14:39,720

if it was looking at him or looking away

337

00:14:43,250 --> 00:14:41,760

and down the trail there was a hiker

338

00:14:45,290 --> 00:14:43,260

that was coming up

339

00:14:47,689 --> 00:14:45,300

and the bigfoot was looking at this

340

00:14:49,189 --> 00:14:47,699

hiker and then started walking into the

341

00:14:51,110 --> 00:14:49,199

woods

342

00:14:54,170 --> 00:14:51,120

and the researcher was like

343

00:14:56,329 --> 00:14:54,180

what was amazing is as it started

344

00:14:58,790 --> 00:14:56,339

walking away its hand

345

00:15:02,090 --> 00:14:58,800

started to disappear

346

00:15:04,790 --> 00:15:02,100

and it started to go up the arm

347

00:15:06,710 --> 00:15:04,800

until the whole body

348

00:15:08,990 --> 00:15:06,720

basically almost like a liquid took over

349

00:15:10,850 --> 00:15:09,000

in a sets where it went invisible and

350

00:15:13,150 --> 00:15:10,860

walked off almost like

351

00:15:16,329 --> 00:15:13,160

a ghost or a spirit

352

00:15:20,030 --> 00:15:16,339

the the thought of that

353

00:15:22,910 --> 00:15:20,040

I don't have issues with it right and

354

00:15:25,250 --> 00:15:22,920

the reason I you know my my reasons for

355

00:15:29,569 --> 00:15:25,260

that aren't woo

356

00:15:32,590 --> 00:15:29,579

they're not it's science you just it's

357

00:15:34,790 --> 00:15:32,600

science that says that that is possible

358

00:15:36,050 --> 00:15:34,800

and you just brought up the cartoons

359

00:15:38,110 --> 00:15:36,060

that kids are watching today right

360

00:15:40,910 --> 00:15:38,120

portals instrumental

361

00:15:44,030 --> 00:15:40,920

it's all in there man it's like hardcore

362

00:15:46,189 --> 00:15:44,040

physics theoretical physics

363

00:15:51,530 --> 00:15:46,199

um and and think about the Avengers

364

00:15:54,410 --> 00:15:51,540

right or Marvel and and and and Dr No or

365

00:15:58,329 --> 00:15:54,420

whatever is Doctor Strange right all

366

00:16:02,269 --> 00:15:58,339

these uh ideas and Concepts hard science

367

00:16:06,170 --> 00:16:02,279

is hard theoretical science is is shown

368

00:16:09,110 --> 00:16:06,180

to us well if if science get their way

369

00:16:10,670 --> 00:16:09,120

if physicists get their way then

370

00:16:12,949 --> 00:16:10,680

everything that we're talking about with

371

00:16:15,350 --> 00:16:12,959

Bigfoot or anything else

372

00:16:17,990 --> 00:16:15,360

is proven by science isn't it that

373

00:16:20,269 --> 00:16:18,000

that's it's not woo that takes me there

374

00:16:22,730 --> 00:16:20,279

it's science that takes me there

375

00:16:25,370 --> 00:16:22,740

I mean the one big thing I I stress when

376

00:16:26,530 --> 00:16:25,380

I do talks and everything is that we can

377

00:16:30,829 --> 00:16:26,540

only see

378

00:16:32,810 --> 00:16:30,839

.0035 of the visual Spectrum so there's

379

00:16:35,210 --> 00:16:32,820

all this stuff going on around us all

380

00:16:37,910 --> 00:16:35,220

the time that we can't see

381

00:16:40,490 --> 00:16:37,920

and so you know there's a lot of things

382

00:16:41,569 --> 00:16:40,500

that can be residing in those domains

383

00:16:43,790 --> 00:16:41,579

and

384

00:16:45,410 --> 00:16:43,800

when they come into our frequency we can

385

00:16:47,329 --> 00:16:45,420

see them and then when they zip out they

386

00:16:49,129 --> 00:16:47,339

disappear but they're still probably

387

00:16:51,949 --> 00:16:49,139

very close to us

388

00:16:53,629 --> 00:16:51,959

why why do you think

389

00:16:57,050 --> 00:16:53,639

um Bigfoot

390

00:16:58,790 --> 00:16:57,060

um and as you move whatever you're

391

00:17:01,850 --> 00:16:58,800

pumping on your desk is coming through

392

00:17:07,309 --> 00:17:01,860

the microphone yeah so that's it Frozen

393

00:17:08,870 --> 00:17:07,319

see if I had Russ a chord here straight

394

00:17:10,490 --> 00:17:08,880

um I would never say that to Russ

395

00:17:12,049 --> 00:17:10,500

actually I would say Russ make all the

396

00:17:15,350 --> 00:17:12,059

noise you want

397

00:17:17,770 --> 00:17:15,360

um uh I kid I I'm not actually kidding

398

00:17:20,169 --> 00:17:17,780

the um

399

00:17:23,210 --> 00:17:20,179

Why Would

400

00:17:26,030 --> 00:17:23,220

Bigfoot and she was a heat she was a she

401
00:17:28,810 --> 00:17:26,040
what a female Bigfoot what do we do here

402
00:17:32,350 --> 00:17:28,820
okay so anyway why would she

403
00:17:35,210 --> 00:17:32,360
reveal herself for as long as she did

404
00:17:38,270 --> 00:17:35,220
that's I always find that very curious

405
00:17:40,850 --> 00:17:38,280
because I I don't think Bigfoot is going

406
00:17:42,710 --> 00:17:40,860
to be seen unless they want to be seen

407
00:17:45,289 --> 00:17:42,720
and

408
00:17:46,549 --> 00:17:45,299
that I mean that's one of the the big

409
00:17:47,390 --> 00:17:46,559
things

410
00:17:50,150 --> 00:17:47,400
um

411
00:17:53,029 --> 00:17:50,160
that they reveal themselves to people

412
00:17:54,710 --> 00:17:53,039
uh that they want them to and I don't

413
00:17:58,010 --> 00:17:54,720

know if you picked up on you might have

414

00:18:01,070 --> 00:17:58,020

seen it um a couple weeks ago uh

415

00:18:03,590 --> 00:18:01,080

researcher from New Jersey captured a a

416

00:18:07,370 --> 00:18:03,600

Bigfoot creature by these uh train

417

00:18:09,590 --> 00:18:07,380

tracks This research area and what was

418

00:18:11,270 --> 00:18:09,600

interesting is that

419

00:18:14,390 --> 00:18:11,280

when

420

00:18:16,909 --> 00:18:14,400

he caught wind of this thing it wasn't

421

00:18:18,890 --> 00:18:16,919

looking at him and uh he was able to get

422

00:18:21,830 --> 00:18:18,900

a clear picture

423

00:18:24,049 --> 00:18:21,840

and the his video camera stopped working

424

00:18:24,950 --> 00:18:24,059

and as soon as it turned and was facing

425

00:18:27,409 --> 00:18:24,960

him

426

00:18:29,810 --> 00:18:27,419

the next series of photos went went

427

00:18:31,909 --> 00:18:29,820

blurry and people are always bringing up

428

00:18:33,950 --> 00:18:31,919

that fact of how how come we have blurry

429

00:18:35,450 --> 00:18:33,960

pictures of Bigfoot and you know I think

430

00:18:36,590 --> 00:18:35,460

there's some theories out there and one

431

00:18:37,850 --> 00:18:36,600

of them I think is kind of interesting

432

00:18:42,289 --> 00:18:37,860

is

433

00:18:44,630 --> 00:18:42,299

what have you then it could be vibrating

434

00:18:47,870 --> 00:18:44,640

at a higher frequency and that's why

435

00:18:49,430 --> 00:18:47,880

cameras footage is coming blurry but

436

00:18:50,990 --> 00:18:49,440

then you have the Paris and gimlin film

437

00:18:53,690 --> 00:18:51,000

which is

438

00:18:56,570 --> 00:18:53,700

pretty clear you can see features and

439

00:18:59,330 --> 00:18:56,580

the muscle striations and all this so

440

00:19:00,650 --> 00:18:59,340

it's it's interesting uh there's been a

441

00:19:04,010 --> 00:19:00,660

lot of um

442

00:19:07,190 --> 00:19:04,020

stories of uh bigfoots disappearing in a

443

00:19:09,529 --> 00:19:07,200

flash of light or coming out of UFOs or

444

00:19:14,049 --> 00:19:09,539

or popping out of portals like Dr

445

00:19:16,930 --> 00:19:14,059

Matthew Johnson and and others so uh

446

00:19:19,549 --> 00:19:16,940

it's it's

447

00:19:21,409 --> 00:19:19,559

getting deeper I think as you kind of go

448

00:19:24,590 --> 00:19:21,419

down the the rabbit hole with this stuff

449

00:19:25,909 --> 00:19:24,600

especially with UFOs and even Bigfoot uh

450

00:19:28,370 --> 00:19:25,919

I think that's why there's no bones

451
00:19:30,830 --> 00:19:28,380
there's no body that's why there's been

452
00:19:33,289 --> 00:19:30,840
such uh secrecy around this you hear of

453
00:19:35,330 --> 00:19:33,299
Forestry workers

454
00:19:37,730 --> 00:19:35,340
um you know

455
00:19:41,029 --> 00:19:37,740
scrubbing out footprints that hikers

456
00:19:43,250 --> 00:19:41,039
find or filing away you know reports so

457
00:19:44,570 --> 00:19:43,260
this this groups of people that

458
00:19:46,010 --> 00:19:44,580
understand that these things are real

459
00:19:48,110 --> 00:19:46,020
and they exist and I think there's

460
00:19:50,150 --> 00:19:48,120
people trying to keep them

461
00:19:52,730 --> 00:19:50,160
out of the Limelight

462
00:19:55,250 --> 00:19:52,740
um for a lot of different reasons I know

463
00:19:58,250 --> 00:19:55,260

that most of the audience if not all of

464

00:20:00,830 --> 00:19:58,260

the audience including myself we all

465

00:20:04,730 --> 00:20:00,840

have something special that sticks out

466

00:20:06,590 --> 00:20:04,740

to us in the Patterson gimlin film that

467

00:20:08,330 --> 00:20:06,600

verifies things for us right that

468

00:20:10,789 --> 00:20:08,340

confirms things

469

00:20:13,549 --> 00:20:10,799

um what's that one thing for you in that

470

00:20:16,970 --> 00:20:13,559

in that piece of footage

471

00:20:19,549 --> 00:20:16,980

for me I think it was

472

00:20:21,590 --> 00:20:19,559

seeing like in the calf muscle and

473

00:20:24,710 --> 00:20:21,600

seeing like just

474

00:20:27,230 --> 00:20:24,720

at that time you know Planet of the Apes

475

00:20:29,270 --> 00:20:27,240

won the Academy Award for best costume

476

00:20:31,190 --> 00:20:29,280

design and it was terrible and to see

477

00:20:34,970 --> 00:20:31,200

something like this before

478

00:20:37,130 --> 00:20:34,980

you know spandex was invented

479

00:20:40,070 --> 00:20:37,140

um that was that was interesting like

480

00:20:41,450 --> 00:20:40,080

that was a real being

481

00:20:43,549 --> 00:20:41,460

um that we're seeing and then and then

482

00:20:45,590 --> 00:20:43,559

also having the chance to to meet Bob

483

00:20:47,270 --> 00:20:45,600

gimlin interview him talk to him hang

484

00:20:49,430 --> 00:20:47,280

out with him

485

00:20:52,549 --> 00:20:49,440

um and see that this guy hasn't changed

486

00:20:53,690 --> 00:20:52,559

his story in 50 years is is also uh

487

00:20:57,010 --> 00:20:53,700

interesting

488

00:20:59,510 --> 00:20:57,020

uh for me it was the boobs

489

00:21:01,549 --> 00:20:59,520

just the thought of if you're gonna fake

490

00:21:04,610 --> 00:21:01,559

it why would you go that far why would

491

00:21:05,330 --> 00:21:04,620

you go that far and

492

00:21:08,270 --> 00:21:05,340

um

493

00:21:12,529 --> 00:21:08,280

and you you bring a planet into the Apes

494

00:21:15,529 --> 00:21:12,539

we can't forget about uh as well Stanley

495

00:21:17,029 --> 00:21:15,539

Kubrick and that's right we want A Space

496

00:21:21,169 --> 00:21:17,039

Odyssey where

497

00:21:23,990 --> 00:21:21,179

um you know in uh the the best makeup

498

00:21:26,630 --> 00:21:24,000

artist uh in the world at that time the

499

00:21:30,350 --> 00:21:26,640

The Cutting Edge were brought in for

500

00:21:32,390 --> 00:21:30,360

Planet of the Apes and and there's that

501
00:21:35,029 --> 00:21:32,400
detail the other detail is Stanley

502
00:21:38,330 --> 00:21:35,039
Kubrick doesn't play his attention to

503
00:21:40,190 --> 00:21:38,340
detail and perfection in cinema is

504
00:21:43,010 --> 00:21:40,200
second to none that many will say that

505
00:21:44,450 --> 00:21:43,020
2001 is probably the greatest film ever

506
00:21:47,630 --> 00:21:44,460
made let alone the greatest science

507
00:21:49,310 --> 00:21:47,640
fiction film with the fakest gorillas

508
00:21:50,930 --> 00:21:49,320
you've ever seen in your life right but

509
00:21:54,649 --> 00:21:50,940
he did the best

510
00:21:58,730 --> 00:21:54,659
that he could do and at that same time

511
00:22:01,430 --> 00:21:58,740
Patterson gimlin is is doing that

512
00:22:03,710 --> 00:22:01,440
um you know to fake something no I don't

513
00:22:05,930 --> 00:22:03,720

I don't find it possible so yeah for me

514

00:22:08,630 --> 00:22:05,940

it was the boobs

515

00:22:10,310 --> 00:22:08,640

yeah and uh you know there's also I

516

00:22:12,289 --> 00:22:10,320

think they had found about a series of

517

00:22:14,690 --> 00:22:12,299

three different sets of tracks so there

518

00:22:16,730 --> 00:22:14,700

was you know a family group moving

519

00:22:18,169 --> 00:22:16,740

through there and they followed those

520

00:22:20,090 --> 00:22:18,179

tracks and then

521

00:22:22,789 --> 00:22:20,100

lo and behold Patty comes in and the

522

00:22:24,649 --> 00:22:22,799

horses reacted in in the in the certain

523

00:22:26,570 --> 00:22:24,659

way that animals typically do around

524

00:22:29,630 --> 00:22:26,580

Bigfoot

525

00:22:31,730 --> 00:22:29,640

so um a lot of details yeah yeah yeah

526
00:22:33,950 --> 00:22:31,740
totally totally totally

527
00:22:35,890 --> 00:22:33,960
um so let's let's swing this back to

528
00:22:40,490 --> 00:22:35,900
UFOs for a second

529
00:22:42,549 --> 00:22:40,500
the the amount of sightings

530
00:22:46,570 --> 00:22:42,559
um that have happened

531
00:22:50,210 --> 00:22:46,580
where a Bigfoot sighting occurs

532
00:22:51,409 --> 00:22:50,220
and then you hear the other details of

533
00:22:53,090 --> 00:22:51,419
the story

534
00:22:56,810 --> 00:22:53,100
you know there were strange lights in

535
00:22:59,690 --> 00:22:56,820
the sky at the same time and I I I don't

536
00:23:01,250 --> 00:22:59,700
think that that is coincidence or the

537
00:23:02,930 --> 00:23:01,260
opposite happens you have strange lights

538
00:23:06,950 --> 00:23:02,940

in the sky and then Bigfoot shows up

539

00:23:10,250 --> 00:23:06,960

yeah and and then suddenly Bigfoot is

540

00:23:11,890 --> 00:23:10,260

gone well and so were the lights right

541

00:23:14,149 --> 00:23:11,900

and and

542

00:23:15,770 --> 00:23:14,159

there's got to be a connection here and

543

00:23:19,070 --> 00:23:15,780

I just don't know what it is

544

00:23:21,430 --> 00:23:19,080

for sure and there is definitely you

545

00:23:24,409 --> 00:23:21,440

know connection with the orbs I mean

546

00:23:25,730 --> 00:23:24,419

for me out here the the orange orbs the

547

00:23:28,250 --> 00:23:25,740

Foo Fighters whatever you want to call

548

00:23:31,370 --> 00:23:28,260

them seem to play a part when it comes

549

00:23:34,490 --> 00:23:31,380

to the Bigfoot phenomenon because

550

00:23:37,190 --> 00:23:34,500

they you know I talked about my Ohio

551
00:23:41,570 --> 00:23:37,200
experience saw this ball of light orange

552
00:23:43,310 --> 00:23:41,580
turn into two eyes it becomes a Bigfoot

553
00:23:47,090 --> 00:23:43,320
you know so

554
00:23:47,810 --> 00:23:47,100
there's something with that for sure and

555
00:23:49,789 --> 00:23:47,820
um

556
00:23:51,950 --> 00:23:49,799
I don't know exactly what it is but the

557
00:23:56,090 --> 00:23:51,960
the interesting piece too is

558
00:23:57,710 --> 00:23:56,100
a lot of big Bigfoot reports uh we talk

559
00:23:59,810 --> 00:23:57,720
about the different camps and UFO

560
00:24:02,270 --> 00:23:59,820
researchers and Bigfoot researchers

561
00:24:04,610 --> 00:24:02,280
you know there's the woo camp and you

562
00:24:05,510 --> 00:24:04,620
know the Flesh and Blood and

563
00:24:08,930 --> 00:24:05,520

um

564

00:24:11,390 --> 00:24:08,940

they have a problem with anything that's

565

00:24:12,950 --> 00:24:11,400

deemed paranormal so if they had a

566

00:24:15,890 --> 00:24:12,960

Bigfoot experience and the witness

567

00:24:18,529 --> 00:24:15,900

explains right before that I saw this

568

00:24:20,450 --> 00:24:18,539

ball of light or what have you

569

00:24:22,190 --> 00:24:20,460

conveniently that's left out of that

570

00:24:25,010 --> 00:24:22,200

Bigfoot report

571

00:24:27,350 --> 00:24:25,020

because it's just nah that's not what

572

00:24:30,169 --> 00:24:27,360

we're talking about here but I think

573

00:24:32,149 --> 00:24:30,179

that data all that information needs to

574

00:24:34,730 --> 00:24:32,159

be plugged together I mean one idea I've

575

00:24:38,690 --> 00:24:34,740

been toying with over the past few years

576
00:24:40,310 --> 00:24:38,700
is using artificial intelligence to

577
00:24:42,110 --> 00:24:40,320
actually look for all those connections

578
00:24:45,230 --> 00:24:42,120
those dots that we're not looking for

579
00:24:47,270 --> 00:24:45,240
look at UFO stuff Bigfoot celestial

580
00:24:48,950 --> 00:24:47,280
events all these things all that data

581
00:24:51,110 --> 00:24:48,960
and let's look for those

582
00:24:53,750 --> 00:24:51,120
those those commonalities that would

583
00:24:55,909 --> 00:24:53,760
help kind of I think bring us to to some

584
00:25:00,789 --> 00:24:55,919
of the truth part of here when it comes

585
00:25:03,950 --> 00:25:00,799
to this this uh this stuff they're um uh

586
00:25:08,690 --> 00:25:03,960
to appear and disappear

587
00:25:10,970 --> 00:25:08,700
all right it sounds for most people

588
00:25:14,570 --> 00:25:10,980

um too much to wrap their head around

589

00:25:16,730 --> 00:25:14,580

right they may be on the fence but you

590

00:25:19,210 --> 00:25:16,740

start to go into that I think you lose a

591

00:25:24,110 --> 00:25:19,220

lot of people and

592

00:25:26,870 --> 00:25:24,120

then I had an experience

593

00:25:28,669 --> 00:25:26,880

um where we discovered I I know I think

594

00:25:30,710 --> 00:25:28,679

I've showed you these images now I'll

595

00:25:33,409 --> 00:25:30,720

pull them up maybe later

596

00:25:36,950 --> 00:25:33,419

um so uh find these Bigfoot tracks in

597

00:25:38,870 --> 00:25:36,960

the middle of this field and uh uh I had

598

00:25:41,990 --> 00:25:38,880

a bunch of my friends there like two or

599

00:25:43,850 --> 00:25:42,000

three hundred of them I was having a

600

00:25:47,810 --> 00:25:43,860

Fade to Black conference

601
00:25:52,370 --> 00:25:47,820
and so with these prints get found

602
00:25:54,470 --> 00:25:52,380
and the prints were 20 or 20 inches and

603
00:25:57,649 --> 00:25:54,480
about this deep and hard pack ground

604
00:25:59,870 --> 00:25:57,659
yeah so I'm looking we're taking care I

605
00:26:02,690 --> 00:25:59,880
got a documentary film crew there and

606
00:26:04,549 --> 00:26:02,700
we're shooting and I'm freaking out and

607
00:26:05,870 --> 00:26:04,559
then we back up we found the one and I

608
00:26:08,630 --> 00:26:05,880
said that maybe there's what we found

609
00:26:10,610 --> 00:26:08,640
four and they were in Arch in the middle

610
00:26:11,990 --> 00:26:10,620
of this field right left right left

611
00:26:14,330 --> 00:26:12,000
right and then we're turning in this

612
00:26:15,470 --> 00:26:14,340
direction but there were no prints

613
00:26:18,830 --> 00:26:15,480

Ronnie

614

00:26:22,250 --> 00:26:18,840

further back or further forward like it

615

00:26:24,470 --> 00:26:22,260

just materialized and then yes yes yes

616

00:26:26,510 --> 00:26:24,480

and that's and so I'm standing there and

617

00:26:29,210 --> 00:26:26,520

I'm just trying to I'm just trying to

618

00:26:32,870 --> 00:26:29,220

process this because right I mean I was

619

00:26:36,350 --> 00:26:32,880

really I was really tripping out okay I

620

00:26:39,169 --> 00:26:36,360

really was I'm a big guy I'm 200 pounds

621

00:26:40,909 --> 00:26:39,179

I'm not denting this ground I'm not

622

00:26:42,409 --> 00:26:40,919

denting it and this stuff is this deep I

623

00:26:44,330 --> 00:26:42,419

stuck my fingers in some pictures right

624

00:26:46,730 --> 00:26:44,340

there's got to be something heavy yeah

625

00:26:48,830 --> 00:26:46,740

right right and then so you're as you're

626
00:26:51,710 --> 00:26:48,840
trying to process this

627
00:26:53,149 --> 00:26:51,720
and go okay all right and then it's like

628
00:26:55,190 --> 00:26:53,159
well wait a minute

629
00:26:57,950 --> 00:26:55,200
where'd it come from

630
00:27:00,769 --> 00:26:57,960
and where was it going to

631
00:27:03,890 --> 00:27:00,779
or did it just

632
00:27:06,710 --> 00:27:03,900
TR right and I know it sounds crazy no

633
00:27:09,350 --> 00:27:06,720
there's there's so many uh you know

634
00:27:11,810 --> 00:27:09,360
stories of like a posse

635
00:27:12,830 --> 00:27:11,820
you know having this creature cornered

636
00:27:15,890 --> 00:27:12,840
and then come and then it just

637
00:27:18,169 --> 00:27:15,900
disappears or the the footprints

638
00:27:21,769 --> 00:27:18,179

you know go into a field and then just

639

00:27:22,490 --> 00:27:21,779

stop like something had to take it up

640

00:27:25,310 --> 00:27:22,500

um

641

00:27:27,049 --> 00:27:25,320

you know the the Yakima tribe talks

642

00:27:31,010 --> 00:27:27,059

about this this story that they have

643

00:27:33,890 --> 00:27:31,020

where this tall hairy creature came to

644

00:27:36,350 --> 00:27:33,900

live with the tribe and they had shared

645

00:27:39,049 --> 00:27:36,360

this with this researcher this guy J.W

646

00:27:40,909 --> 00:27:39,059

Burns who was teaching uh a lot of the

647

00:27:42,830 --> 00:27:40,919

tribes English and teaching them how to

648

00:27:44,149 --> 00:27:42,840

read and write and they share this

649

00:27:46,370 --> 00:27:44,159

information with him and said this has

650

00:27:48,649 --> 00:27:46,380

been kept within our tribe for so long

651
00:27:51,769 --> 00:27:48,659
but this uh creature

652
00:27:54,169 --> 00:27:51,779
tall hairy uh glowing eyes

653
00:27:57,230 --> 00:27:54,179
would speak to the tribe via telepathy

654
00:27:59,930 --> 00:27:57,240
heal them when they were sick and then

655
00:28:01,549 --> 00:27:59,940
at one point in time it communicated

656
00:28:03,890 --> 00:28:01,559
that it was going to pass away and ask

657
00:28:07,909 --> 00:28:03,900
them to bring it to a particular place

658
00:28:10,850 --> 00:28:07,919
which they did and they sat and waited

659
00:28:13,430 --> 00:28:10,860
and this creature passed on and then

660
00:28:16,390 --> 00:28:13,440
shortly thereafter UFO descends from the

661
00:28:18,470 --> 00:28:16,400
sky grabs the body and takes off wow so

662
00:28:20,990 --> 00:28:18,480
that could be

663
00:28:23,930 --> 00:28:21,000

maybe why we don't have any bodies or

664

00:28:28,070 --> 00:28:23,940

bones because uh they're getting whisked

665

00:28:30,230 --> 00:28:28,080

away or something from with UFOs I I had

666

00:28:33,529 --> 00:28:30,240

a friend you may know him uh Steve

667

00:28:37,130 --> 00:28:33,539

Murillo and Alex mistretta and the comic

668

00:28:39,110 --> 00:28:37,140

book artist uh Michael lohming

669

00:28:40,970 --> 00:28:39,120

um they all went to the Yakima

670

00:28:43,250 --> 00:28:40,980

reservation right

671

00:28:45,350 --> 00:28:43,260

um up in in Washington

672

00:28:47,169 --> 00:28:45,360

and they're on the reservation they're

673

00:28:50,029 --> 00:28:47,179

deep into the reservation

674

00:28:51,350 --> 00:28:50,039

and they're squatching right and they're

675

00:28:54,529 --> 00:28:51,360

walking around they're shooting video

676
00:28:58,610 --> 00:28:54,539
and they they had a team there and they

677
00:29:01,010 --> 00:28:58,620
find uh a bit of a cave right you know

678
00:29:03,049 --> 00:29:01,020
it's pretty big too in in the video like

679
00:29:04,789 --> 00:29:03,059
it was probably 20 feet high at the

680
00:29:07,430 --> 00:29:04,799
entrance so they go in there kind of

681
00:29:11,930 --> 00:29:07,440
right there man

682
00:29:13,370 --> 00:29:11,940
footprint man it's like and and you see

683
00:29:15,710 --> 00:29:13,380
it in the video

684
00:29:18,289 --> 00:29:15,720
um and they made a cast which I held in

685
00:29:21,049 --> 00:29:18,299
my hand I think it was this big you know

686
00:29:23,330 --> 00:29:21,059
and they went out

687
00:29:24,769 --> 00:29:23,340
um the direction that this footprint was

688
00:29:26,450 --> 00:29:24,779

going

689

00:29:27,409 --> 00:29:26,460

um they found another one and another

690

00:29:29,570 --> 00:29:27,419

one

691

00:29:31,190 --> 00:29:29,580

um going up this Trail

692

00:29:32,750 --> 00:29:31,200

um and they said that the whole time

693

00:29:34,149 --> 00:29:32,760

that they felt that they were they were

694

00:29:36,830 --> 00:29:34,159

being watched

695

00:29:38,510 --> 00:29:36,840

that it was it was too fresh of a print

696

00:29:40,010 --> 00:29:38,520

number one

697

00:29:42,169 --> 00:29:40,020

um and they're finding the other ones

698

00:29:44,029 --> 00:29:42,179

but they're so isolated out there and

699

00:29:45,370 --> 00:29:44,039

they just felt like they were being

700

00:29:48,950 --> 00:29:45,380

watched

701
00:29:51,649 --> 00:29:48,960
do you pick up on that Vibe all the time

702
00:29:54,289 --> 00:29:51,659
like there's a

703
00:29:56,930 --> 00:29:54,299
vibrational change that happens when

704
00:30:00,350 --> 00:29:56,940
they're around like you your whole

705
00:30:02,149 --> 00:30:00,360
body's like nope it wants to get out uh

706
00:30:04,909 --> 00:30:02,159
I was just talking to a police officer

707
00:30:07,730 --> 00:30:04,919
earlier before the show

708
00:30:10,789 --> 00:30:07,740
about his experience and he said

709
00:30:13,490 --> 00:30:10,799
you know I've he goes I've had fear I've

710
00:30:15,350 --> 00:30:13,500
gone into houses where I'm going after a

711
00:30:17,149 --> 00:30:15,360
guy that I know is armed with a gun that

712
00:30:21,289 --> 00:30:17,159
could take me out

713
00:30:24,049 --> 00:30:21,299

I had dread out there like it came from

714

00:30:26,210 --> 00:30:24,059

somewhere and just inside

715

00:30:29,450 --> 00:30:26,220

get the hell out of here feeling he's

716

00:30:32,149 --> 00:30:29,460

like I've never experienced that since

717

00:30:34,850 --> 00:30:32,159

and he's never gone back to that spot

718

00:30:37,149 --> 00:30:34,860

either so I find that fascinating where

719

00:30:40,490 --> 00:30:37,159

someone's like you know this this Hunter

720

00:30:42,649 --> 00:30:40,500

who's been doing this since he was a kid

721

00:30:44,690 --> 00:30:42,659

has this experience and he's like nope

722

00:30:47,630 --> 00:30:44,700

I'm done I'm not going back to that spot

723

00:30:50,810 --> 00:30:47,640

for whatever reason even though they're

724

00:30:53,690 --> 00:30:50,820

armed uh that's that's telling

725

00:30:56,090 --> 00:30:53,700

yeah you get a little cocky when you're

726

00:30:59,810 --> 00:30:56,100

armed and if you get cocky when you're

727

00:31:01,610 --> 00:30:59,820

armed yeah right that's that's that's a

728

00:31:03,950 --> 00:31:01,620

pretty heavy thought um you you brought

729

00:31:05,750 --> 00:31:03,960

up forest rangers earlier and you know

730

00:31:08,330 --> 00:31:05,760

let's just call them feds because they

731

00:31:11,450 --> 00:31:08,340

are all right so

732

00:31:16,669 --> 00:31:11,460

um we have uh over the last couple of

733

00:31:19,010 --> 00:31:16,679

years an extreme amount of forest fires

734

00:31:21,230 --> 00:31:19,020

um all the way from uh you know the

735

00:31:23,269 --> 00:31:21,240

Canadian border all the way uh down to

736

00:31:26,029 --> 00:31:23,279

San Diego you know the entire West Coast

737

00:31:31,549 --> 00:31:26,039

has has been up in flames

738

00:31:35,570 --> 00:31:31,559

um why no Bigfoot bodies then is there a

739

00:31:37,909 --> 00:31:35,580

situation is it possible that the

740

00:31:41,690 --> 00:31:37,919

Rangers could be going in and removing

741

00:31:46,070 --> 00:31:41,700

these bodies uh so uh they're not found

742

00:31:48,590 --> 00:31:46,080

well there there was a rumor of one body

743

00:31:51,590 --> 00:31:48,600

being recovered during a forest fire

744

00:31:53,570 --> 00:31:51,600

uh in California a few years back maybe

745

00:31:55,370 --> 00:31:53,580

10 years ago

746

00:31:56,210 --> 00:31:55,380

um which I thought was interesting and I

747

00:32:00,830 --> 00:31:56,220

heard

748

00:32:04,070 --> 00:32:00,840

uh one tonight from some um

749

00:32:06,889 --> 00:32:04,080

some military guys uh the story was

750

00:32:11,210 --> 00:32:06,899

conveyed from a mutual friend

751
00:32:13,789 --> 00:32:11,220
about them uh I guess the their

752
00:32:16,310 --> 00:32:13,799
helicopter was was was shot down or

753
00:32:18,590 --> 00:32:16,320
whatnot and they were crashing their

754
00:32:19,789 --> 00:32:18,600
bodies in the helicopter and they there

755
00:32:22,070 --> 00:32:19,799
were bigfoots that were trying to take

756
00:32:23,990 --> 00:32:22,080
the bodies out of the helicopter

757
00:32:25,789 --> 00:32:24,000
and they're like No One's Gonna believe

758
00:32:28,190 --> 00:32:25,799
this story if we try to explain this to

759
00:32:31,250 --> 00:32:28,200
them and it was I I've never heard this

760
00:32:33,350 --> 00:32:31,260
before so I think there's there could

761
00:32:36,830 --> 00:32:33,360
definitely be some just like UFO

762
00:32:38,570 --> 00:32:36,840
retrievals and and things like that

763
00:32:40,190 --> 00:32:38,580

um there could be some bodies that have

764

00:32:42,169 --> 00:32:40,200

been recovered I mean the Smithsonian

765

00:32:45,230 --> 00:32:42,179

has all these giant skeletons some of

766

00:32:48,289 --> 00:32:45,240

those bones could be uh Sasquatch as

767

00:32:50,750 --> 00:32:48,299

well yeah for sure uh do you think that

768

00:32:53,870 --> 00:32:50,760

uh forest rangers are

769

00:32:55,190 --> 00:32:53,880

uh uh have a game plan for stuff like

770

00:32:58,789 --> 00:32:55,200

this and do you think there could be

771

00:33:00,889 --> 00:32:58,799

body removal and and covering up of of

772

00:33:05,450 --> 00:33:00,899

the evidence of Bigfoot

773

00:33:08,690 --> 00:33:05,460

I do know of a couple of instances where

774

00:33:12,710 --> 00:33:08,700

reports were given of a Bigfoot sighting

775

00:33:14,450 --> 00:33:12,720

by a couple of Forestry workers and the

776

00:33:17,450 --> 00:33:14,460

supervisor

777

00:33:19,610 --> 00:33:17,460

pulled out a drawer with a stack of of

778

00:33:21,169 --> 00:33:19,620

reports like this and put it in there

779

00:33:23,289 --> 00:33:21,179

and just said don't speak of this of

780

00:33:25,909 --> 00:33:23,299

this again

781

00:33:28,009 --> 00:33:25,919

so there there might be individuals

782

00:33:31,490 --> 00:33:28,019

within that are trying to keep this

783

00:33:33,350 --> 00:33:31,500

suppressed but yeah but that's fine and

784

00:33:35,509 --> 00:33:33,360

and I believe that to be true or

785

00:33:39,710 --> 00:33:35,519

certainly possible but the question is

786

00:33:43,430 --> 00:33:39,720

why why they need to cover it up

787

00:33:46,490 --> 00:33:43,440

right well I mean it's it's interesting

788

00:33:49,370 --> 00:33:46,500

like out here uh Massachusetts

789

00:33:50,930 --> 00:33:49,380

there's no Eastern Mountain Lion

790

00:33:53,990 --> 00:33:50,940

however

791

00:33:55,990 --> 00:33:54,000

six seven years ago a lady hit one and

792

00:33:59,029 --> 00:33:56,000

killed one with her car in Connecticut

793

00:34:02,330 --> 00:33:59,039

and they're still denying that they are

794

00:34:04,190 --> 00:34:02,340

out here so even if when we have bodies

795

00:34:06,950 --> 00:34:04,200

of of animals

796

00:34:09,770 --> 00:34:06,960

um that are known classified and those

797

00:34:11,570 --> 00:34:09,780

aren't even being accepted

798

00:34:13,550 --> 00:34:11,580

um I don't think it's that far of a

799

00:34:15,770 --> 00:34:13,560

stretch for them to do something like

800

00:34:17,450 --> 00:34:15,780

this when it comes to something that we

801
00:34:18,530 --> 00:34:17,460
still don't maybe understand maybe they

802
00:34:20,810 --> 00:34:18,540
don't either just like the government

803
00:34:22,609 --> 00:34:20,820
with UFOs of who's behind these things

804
00:34:25,430 --> 00:34:22,619
and

805
00:34:26,869 --> 00:34:25,440
um it's just I the time that we're in

806
00:34:28,010 --> 00:34:26,879
right now is pretty fascinating what's

807
00:34:31,430 --> 00:34:28,020
been

808
00:34:36,290 --> 00:34:31,440
unraveling and and coming out

809
00:34:38,990 --> 00:34:36,300
in the uh forest ranger manual

810
00:34:42,530 --> 00:34:39,000
uh John Greenwald of The Black Vault

811
00:34:44,329 --> 00:34:42,540
posted this page and and talked about it

812
00:34:49,450 --> 00:34:44,339
on this show

813
00:34:57,230 --> 00:34:53,869

the government I I believe it was the

814

00:35:01,430 --> 00:34:57,240

Army on this page Army Washington State

815

00:35:03,829 --> 00:35:01,440

yep yep yep recovered uh Bigfoot DNA and

816

00:35:06,109 --> 00:35:03,839

and had it tested and and the tests came

817

00:35:08,930 --> 00:35:06,119

out positive and and that the DNA right

818

00:35:11,870 --> 00:35:08,940

and so John armed with this information

819

00:35:14,210 --> 00:35:11,880

he's a you know uh Freedom of

820

00:35:16,970 --> 00:35:14,220

Information Act professional he knows

821

00:35:19,370 --> 00:35:16,980

how to get the stuff done he does so

822

00:35:21,890 --> 00:35:19,380

he's got the document he's got the page

823

00:35:23,870 --> 00:35:21,900

number he's got the document he's got

824

00:35:26,210 --> 00:35:23,880

everything and that's what you need for

825

00:35:28,609 --> 00:35:26,220

Freedom of Information Act just take him

826

00:35:31,310 --> 00:35:28,619

right there take them don't let them do

827

00:35:33,710 --> 00:35:31,320

any work give them the page give them

828

00:35:37,730 --> 00:35:33,720

the report number give him this you know

829

00:35:41,510 --> 00:35:37,740

and and get it back and they replied and

830

00:35:43,450 --> 00:35:41,520

said there was no such page or

831

00:35:47,510 --> 00:35:43,460

information available

832

00:35:51,290 --> 00:35:47,520

but yet it it's there and it's on it's

833

00:35:53,450 --> 00:35:51,300

on uh uh the black vault's website

834

00:35:55,910 --> 00:35:53,460

what do you make of that obviously

835

00:35:59,290 --> 00:35:55,920

you've heard the story uh what do you

836

00:36:04,550 --> 00:36:01,609

you know

837

00:36:06,170 --> 00:36:04,560

if Bigfoot is an alien or something

838

00:36:08,650 --> 00:36:06,180

interdimensional

839

00:36:11,329 --> 00:36:08,660

that would explain why they're not

840

00:36:13,250 --> 00:36:11,339

divulging any more information about

841

00:36:17,870 --> 00:36:13,260

something like this because they have

842

00:36:20,030 --> 00:36:17,880

been seen coming out of UFOs or or seen

843

00:36:22,670 --> 00:36:20,040

uh in and around these these strange

844

00:36:24,470 --> 00:36:22,680

lights and just the way people have had

845

00:36:28,370 --> 00:36:24,480

encounters with these

846

00:36:30,109 --> 00:36:28,380

these uh beings cloaked disappearing

847

00:36:33,109 --> 00:36:30,119

um I think there's something to it and

848

00:36:34,490 --> 00:36:33,119

and there could be just uh can you

849

00:36:36,950 --> 00:36:34,500

imagine if people

850

00:36:38,690 --> 00:36:36,960

were told okay Bigfoot is real they're

851
00:36:40,310 --> 00:36:38,700
living in our forest at night they're

852
00:36:43,990 --> 00:36:40,320
they're coming out

853
00:36:46,790 --> 00:36:44,000
people would would stop camping

854
00:36:49,069 --> 00:36:46,800
stop doing whatever nature nature hikes

855
00:36:51,829 --> 00:36:49,079
would be done well and then you would

856
00:36:54,230 --> 00:36:51,839
have the Vigilantes all right yes trying

857
00:36:57,410 --> 00:36:54,240
to get a body yeah yeah yeah yeah I'm

858
00:36:59,410 --> 00:36:57,420
surprised that there's not more of that

859
00:37:02,450 --> 00:36:59,420
um

860
00:37:06,370 --> 00:37:02,460
before we get to the break I want to get

861
00:37:13,730 --> 00:37:10,730
uh why does Bigfoot throw rocks I've got

862
00:37:16,130 --> 00:37:13,740
friends that have shared stories with me

863
00:37:18,109 --> 00:37:16,140

about this and we hear it over and over

864

00:37:21,170 --> 00:37:18,119

again you mentioned it at the at the top

865

00:37:25,010 --> 00:37:21,180

of the show it's it's definitely one of

866

00:37:26,750 --> 00:37:25,020

the central parts of of any Bigfoot

867

00:37:30,349 --> 00:37:26,760

story

868

00:37:32,750 --> 00:37:30,359

um that rocks get thrown uh what do you

869

00:37:34,670 --> 00:37:32,760

think the reason for that is I've had

870

00:37:38,750 --> 00:37:34,680

that happen to me you know on the show

871

00:37:42,410 --> 00:37:38,760

in the redwood forest and

872

00:37:44,690 --> 00:37:42,420

I was provoking because I felt like

873

00:37:46,250 --> 00:37:44,700

we were going by this certain area and

874

00:37:49,250 --> 00:37:46,260

like I was mentioning before like the

875

00:37:50,510 --> 00:37:49,260

energy you can feel it and I I might be

876

00:37:52,550 --> 00:37:50,520

a little bit more sensitive than

877

00:37:54,710 --> 00:37:52,560

somebody else but

878

00:37:56,870 --> 00:37:54,720

I definitely felt like okay once we get

879

00:37:59,450 --> 00:37:56,880

into this area we're in there we're in

880

00:38:00,950 --> 00:37:59,460

their Zone and I think we're going to

881

00:38:03,829 --> 00:38:00,960

get some kind of

882

00:38:04,730 --> 00:38:03,839

response if I keep on heading down this

883

00:38:06,710 --> 00:38:04,740

Trail

884

00:38:08,690 --> 00:38:06,720

and that's what happened you know rock

885

00:38:10,910 --> 00:38:08,700

came flying through go a little bit

886

00:38:14,630 --> 00:38:10,920

further another rock so I think when

887

00:38:18,109 --> 00:38:14,640

you're in maybe close proximity to their

888

00:38:20,150 --> 00:38:18,119

home base or a young one

889

00:38:23,270 --> 00:38:20,160

uh I think they that's one of their

890

00:38:25,069 --> 00:38:23,280

defense mechanisms where people you know

891

00:38:27,230 --> 00:38:25,079

we had actually

892

00:38:29,930 --> 00:38:27,240

this past summer we've been having

893

00:38:33,829 --> 00:38:29,940

activity around our new house

894

00:38:36,109 --> 00:38:33,839

and um there's been sightings on either

895

00:38:38,630 --> 00:38:36,119

side of of our property

896

00:38:39,650 --> 00:38:38,640

and my wife was out back on the deck

897

00:38:41,870 --> 00:38:39,660

when

898

00:38:43,849 --> 00:38:41,880

something really loud was crashing

899

00:38:45,349 --> 00:38:43,859

through the woods and we live right next

900

00:38:46,910 --> 00:38:45,359

to Monsterland over here and we have a

901
00:38:48,650 --> 00:38:46,920
state park on the other side literally

902
00:38:49,609 --> 00:38:48,660
our driveway goes into a trail into the

903
00:38:51,530 --> 00:38:49,619
Woods

904
00:38:52,609 --> 00:38:51,540
and uh she started calling me to come

905
00:38:54,650 --> 00:38:52,619
out

906
00:38:56,870 --> 00:38:54,660
and I didn't get there in time she was

907
00:38:58,910 --> 00:38:56,880
talking to her sister on the phone

908
00:39:01,550 --> 00:38:58,920
we have a metal a couple of sheds and

909
00:39:04,970 --> 00:39:01,560
one of these sheds is almost in the

910
00:39:08,450 --> 00:39:04,980
middle of our yard a good distance and

911
00:39:10,670 --> 00:39:08,460
she said a rock like a softball came

912
00:39:11,690 --> 00:39:10,680
flying out of the woods and not like an

913
00:39:14,569 --> 00:39:11,700

arch

914

00:39:17,870 --> 00:39:14,579

a straight like Fast major league

915

00:39:21,470 --> 00:39:17,880

pitcher yeah yeah and it nailed the shed

916

00:39:25,370 --> 00:39:21,480

made a hole in it huge loud bang

917

00:39:27,670 --> 00:39:25,380

and uh she couldn't so I ran out there

918

00:39:30,829 --> 00:39:27,680

and Chris Duncan who's been on our show

919

00:39:33,890 --> 00:39:30,839

uh doing remote viewing I brought him in

920

00:39:35,510 --> 00:39:33,900

to do that last season

921

00:39:37,790 --> 00:39:35,520

I sent him a note I'm like dude I need

922

00:39:38,690 --> 00:39:37,800

you to dial in right now at my house and

923

00:39:40,790 --> 00:39:38,700

tell me

924

00:39:43,310 --> 00:39:40,800

what you see because there's some

925

00:39:45,349 --> 00:39:43,320

craziness happening right now

926

00:39:47,329 --> 00:39:45,359

and I see him responding he's like you

927

00:39:50,150 --> 00:39:47,339

know you're on to something man he goes

928

00:39:53,030 --> 00:39:50,160

I'm I'm seeing a small one

929

00:39:56,270 --> 00:39:53,040

throwing rocks trying to antagonize you

930

00:39:58,130 --> 00:39:56,280

and there's a uh a bigger like a parent

931

00:39:59,990 --> 00:39:58,140

that's watching

932

00:40:02,510 --> 00:40:00,000

and so I'm looking in the woods trying

933

00:40:03,470 --> 00:40:02,520

to see see this and I'm not seeing

934

00:40:07,430 --> 00:40:03,480

anything

935

00:40:09,170 --> 00:40:07,440

and uh I had gone to the Michigan uh UFO

936

00:40:12,589 --> 00:40:09,180

conference

937

00:40:13,990 --> 00:40:12,599

and the the night uh I got back that

938

00:40:16,310 --> 00:40:14,000

morning was like four in the morning

939

00:40:17,510 --> 00:40:16,320

this activity had occurred right before

940

00:40:20,030 --> 00:40:17,520

I left

941

00:40:22,849 --> 00:40:20,040

and so when I came back I went on the on

942

00:40:25,430 --> 00:40:22,859

the porch out in early morning still

943

00:40:28,010 --> 00:40:25,440

still uh dark

944

00:40:31,430 --> 00:40:28,020

and I didn't say a word

945

00:40:33,829 --> 00:40:31,440

but I mentally projected with my mind

946

00:40:36,589 --> 00:40:33,839

you know if this if you're real hit the

947

00:40:38,930 --> 00:40:36,599

shed right now hit the and then boom

948

00:40:41,150 --> 00:40:38,940

like before he can even complete my

949

00:40:42,950 --> 00:40:41,160

second thought a rock

950

00:40:47,390 --> 00:40:42,960

hit the shed

951
00:40:49,310 --> 00:40:47,400
and a chill of fear went from my my feet

952
00:40:53,510 --> 00:40:49,320
all the way through my body like

953
00:40:54,650 --> 00:40:53,520
don't f with me type message and I was

954
00:40:56,750 --> 00:40:54,660
like okay

955
00:40:59,089 --> 00:40:56,760
I'm like how the hell was that possible

956
00:41:00,829 --> 00:40:59,099
I didn't you know I'm just thinking that

957
00:41:03,170 --> 00:41:00,839
and it responded

958
00:41:06,470 --> 00:41:03,180
with with the rock asked when I asked it

959
00:41:07,310 --> 00:41:06,480
to do it no that was pretty wild I don't

960
00:41:09,050 --> 00:41:07,320
think

961
00:41:12,710 --> 00:41:09,060
um I want your opinion on this because

962
00:41:15,170 --> 00:41:12,720
you said you were provoking

963
00:41:18,290 --> 00:41:15,180

um uh you know you're not up there with

964

00:41:20,569 --> 00:41:18,300

a gift basket right you're you're you

965

00:41:21,849 --> 00:41:20,579

you've got a different approach to this

966

00:41:26,089 --> 00:41:21,859

but

967

00:41:27,230 --> 00:41:26,099

is is there a good way to try and go

968

00:41:30,170 --> 00:41:27,240

squatching

969

00:41:32,510 --> 00:41:30,180

if you've been in banging on trees and

970

00:41:34,790 --> 00:41:32,520

making a bunch of noise and and and

971

00:41:36,890 --> 00:41:34,800

talking smack

972

00:41:39,050 --> 00:41:36,900

um yeah that's that's that's something

973

00:41:39,650 --> 00:41:39,060

that I don't do

974

00:41:42,109 --> 00:41:39,660

um

975

00:41:44,450 --> 00:41:42,119

you know traditionally everyone's tree

976
00:41:46,069 --> 00:41:44,460
knocks and doing that I started to get

977
00:41:47,329 --> 00:41:46,079
away from that because more people are

978
00:41:49,190 --> 00:41:47,339
you know doing that you could be

979
00:41:50,690 --> 00:41:49,200
responding to a human being on some

980
00:41:51,530 --> 00:41:50,700
other you guys are banging back and

981
00:41:54,050 --> 00:41:51,540
forth

982
00:41:57,230 --> 00:41:54,060
but what I did when I had those rocks

983
00:41:59,089 --> 00:41:57,240
thrown at me prior to that happening I

984
00:42:01,730 --> 00:41:59,099
actually was meditating for about 20

985
00:42:04,069 --> 00:42:01,740
minutes to try to communicate with

986
00:42:05,990 --> 00:42:04,079
something to have it come closer and I

987
00:42:07,910 --> 00:42:06,000
was doing it right near

988
00:42:10,130 --> 00:42:07,920

their kind of boundary

989

00:42:11,990 --> 00:42:10,140

and then I was starting to feel

990

00:42:14,450 --> 00:42:12,000

something like something was kind of

991

00:42:16,490 --> 00:42:14,460

behind me that sense of being watched or

992

00:42:19,010 --> 00:42:16,500

the feeling and energy of something else

993

00:42:20,630 --> 00:42:19,020

there all of a sudden after

994

00:42:22,069 --> 00:42:20,640

15 minutes

995

00:42:23,390 --> 00:42:22,079

so when I started to move down that

996

00:42:25,490 --> 00:42:23,400

trail that's when the Rocks started

997

00:42:27,650 --> 00:42:25,500

coming and it was just kind of like

998

00:42:30,109 --> 00:42:27,660

all right even though I'm trying to

999

00:42:34,609 --> 00:42:30,119

approach it in a little bit more gently

1000

00:42:37,250 --> 00:42:34,619

way I wasn't like come on but uh there

1001
00:42:39,710 --> 00:42:37,260
there's a Consciousness piece going on

1002
00:42:42,109 --> 00:42:39,720
as well just like when I asked for that

1003
00:42:44,750 --> 00:42:42,119
shadow to to you know because to reveal

1004
00:42:46,310 --> 00:42:44,760
itself and the shadow goes across

1005
00:42:48,349 --> 00:42:46,320
um the river

1006
00:42:51,010 --> 00:42:48,359
you know it was it was hearing me it was

1007
00:42:52,690 --> 00:42:51,020
responding and it and it uh complied

1008
00:42:55,490 --> 00:42:52,700
now

1009
00:42:57,710 --> 00:42:55,500
I think it it just makes common sense

1010
00:43:01,130 --> 00:42:57,720
that

1011
00:43:04,250 --> 00:43:01,140
um when you excuse me

1012
00:43:06,650 --> 00:43:04,260
when you go through uh Northern

1013
00:43:08,630 --> 00:43:06,660

California and you go into the the

1014

00:43:13,010 --> 00:43:08,640

Redwoods

1015

00:43:16,370 --> 00:43:13,020

um I most people don't understand a

1016

00:43:18,970 --> 00:43:16,380

how big those trees are B how dense the

1017

00:43:23,270 --> 00:43:18,980

forest is and see

1018

00:43:26,329 --> 00:43:23,280

how big it is the forest you're driving

1019

00:43:30,410 --> 00:43:26,339

and you're looking and you you know you

1020

00:43:33,170 --> 00:43:30,420

know as a matter of fact no human has

1021

00:43:35,030 --> 00:43:33,180

ever walked there right you just know

1022

00:43:37,609 --> 00:43:35,040

and you've seen that for miles and miles

1023

00:43:40,970 --> 00:43:37,619

a mile you just drive and there is

1024

00:43:43,550 --> 00:43:40,980

there's just no way it is too big too

1025

00:43:45,410 --> 00:43:43,560

dense and when you're driving it looks

1026
00:43:46,970 --> 00:43:45,420
beautiful and then you re you stop and

1027
00:43:51,109 --> 00:43:46,980
you take a look and these trees are 500

1028
00:43:54,470 --> 00:43:51,119
feet tall right it's a big giant crazy

1029
00:43:58,490 --> 00:43:54,480
gnarly Place anything could live in

1030
00:44:01,069 --> 00:43:58,500
there Ronnie and never ever be seen just

1031
00:44:03,829 --> 00:44:01,079
even all right so when we were in the in

1032
00:44:05,569 --> 00:44:03,839
the Redwoods you know those trees have

1033
00:44:07,250 --> 00:44:05,579
my arms outstretched and could go around

1034
00:44:09,890 --> 00:44:07,260
seven times before I had the

1035
00:44:11,870 --> 00:44:09,900
circumference of that tree right bark

1036
00:44:13,849 --> 00:44:11,880
you know this deep into your arm

1037
00:44:17,150 --> 00:44:13,859
and the other thing I found really

1038
00:44:18,829 --> 00:44:17,160

fascinating is the size of the ferns

1039

00:44:20,089 --> 00:44:18,839

they're so big that you could just

1040

00:44:22,490 --> 00:44:20,099

Crouch down

1041

00:44:24,410 --> 00:44:22,500

and you're hidden you go behind a big

1042

00:44:26,390 --> 00:44:24,420

Fern and they're all over the place

1043

00:44:28,309 --> 00:44:26,400

right and there's all this you know

1044

00:44:30,650 --> 00:44:28,319

Timber falling you know broken down and

1045

00:44:33,710 --> 00:44:30,660

whatnot decomposing but

1046

00:44:34,670 --> 00:44:33,720

a ton of hiding spaces even some of

1047

00:44:38,630 --> 00:44:34,680

these

1048

00:44:40,490 --> 00:44:38,640

have coming out they're they're like

1049

00:44:42,829 --> 00:44:40,500

little cave systems and little like

1050

00:44:44,569 --> 00:44:42,839

Pockets with something could take a nap

1051

00:44:46,630 --> 00:44:44,579

so we're we're finding tons of hiding

1052

00:44:51,589 --> 00:44:46,640

places out there

1053

00:44:54,770 --> 00:44:51,599

the uh the idea for that when you have

1054

00:44:58,490 --> 00:44:54,780

something that dense and and that thick

1055

00:45:00,530 --> 00:44:58,500

and they don't want to be seen if humans

1056

00:45:02,150 --> 00:45:00,540

are anything but let's just go with

1057

00:45:06,470 --> 00:45:02,160

humans

1058

00:45:09,309 --> 00:45:06,480

um are in the Redwoods they know you're

1059

00:45:14,390 --> 00:45:09,319

there oh yeah right

1060

00:45:16,670 --> 00:45:14,400

we're so uh we're so sloppy where it

1061

00:45:18,770 --> 00:45:16,680

makes so much noise

1062

00:45:20,450 --> 00:45:18,780

um and I think just even

1063

00:45:22,069 --> 00:45:20,460

you know we just think we're being quiet

1064

00:45:23,930 --> 00:45:22,079

and we're we're really not and that's

1065

00:45:27,170 --> 00:45:23,940

that's the interesting thing too is when

1066

00:45:29,450 --> 00:45:27,180

we're out you know shooting and

1067

00:45:31,490 --> 00:45:29,460

investigating

1068

00:45:34,309 --> 00:45:31,500

if there's something kind of interacting

1069

00:45:35,510 --> 00:45:34,319

with us uh typically you know bears are

1070

00:45:36,710 --> 00:45:35,520

going to smell you they're going to take

1071

00:45:38,510 --> 00:45:36,720

off

1072

00:45:40,190 --> 00:45:38,520

um something that's kind of interacting

1073

00:45:43,849 --> 00:45:40,200

with you back and forth throwing rocks

1074

00:45:46,490 --> 00:45:43,859

is not a raccoon something else out

1075

00:45:49,430 --> 00:45:46,500

there raccoons do have opposing thumbs

1076
00:45:50,390 --> 00:45:49,440
though yeah they do they do they've got

1077
00:45:55,190 --> 00:45:50,400
that

1078
00:45:58,190 --> 00:45:55,200
um but when you see the size of uh and

1079
00:46:00,829 --> 00:45:58,200
and it goes it's from the middle of

1080
00:46:04,130 --> 00:46:00,839
California all the way to Alaska right I

1081
00:46:06,230 --> 00:46:04,140
mean it's just it is huge and it's

1082
00:46:09,410 --> 00:46:06,240
non-ending and it goes all the way to uh

1083
00:46:12,770 --> 00:46:09,420
Denver right I mean it's just the amount

1084
00:46:14,750 --> 00:46:12,780
of of space for something to go and hang

1085
00:46:17,030 --> 00:46:14,760
out and never be seen I think it would

1086
00:46:20,690 --> 00:46:17,040
be rather easy to do and I didn't use

1087
00:46:22,609 --> 00:46:20,700
that frame of mind but uh until you go

1088
00:46:23,990 --> 00:46:22,619

out there and experience it yourself you

1089

00:46:25,849 --> 00:46:24,000

really don't have a concept but I don't

1090

00:46:28,190 --> 00:46:25,859

think most people do do they

1091

00:46:33,650 --> 00:46:28,200

I no they don't and you know we just did

1092

00:46:36,230 --> 00:46:33,660

uh Alaska and holy cow I mean

1093

00:46:39,589 --> 00:46:36,240

I thought there was some you know

1094

00:46:42,349 --> 00:46:39,599

hiding spots but man itch just goes and

1095

00:46:45,170 --> 00:46:42,359

goes and goes and you use it you can

1096

00:46:46,730 --> 00:46:45,180

feel the energy is primitive there you

1097

00:46:49,970 --> 00:46:46,740

can see something

1098

00:46:52,309 --> 00:46:49,980

maybe not moving up the uh the chain of

1099

00:46:55,010 --> 00:46:52,319

of evolution and sticking around there

1100

00:46:56,450 --> 00:46:55,020

um that place is wild and and the amount

1101

00:46:58,790 --> 00:46:56,460

of sightings that people have had during

1102

00:47:00,589 --> 00:46:58,800

the daytime we talked a bunch of

1103

00:47:03,530 --> 00:47:00,599

different tribes out there

1104

00:47:04,430 --> 00:47:03,540

uh insane everyone has a has a Bigfoot

1105

00:47:06,770 --> 00:47:04,440

story

1106

00:47:09,890 --> 00:47:06,780

now what about uh tree Knox does does

1107

00:47:12,770 --> 00:47:09,900

Bigfoot actually do that

1108

00:47:17,150 --> 00:47:12,780

uh yeah there have been no one's ever

1109

00:47:20,210 --> 00:47:17,160

seen one doing it uh but there have been

1110

00:47:22,370 --> 00:47:20,220

um you know knocks and and responses

1111

00:47:25,190 --> 00:47:22,380

people have had communication with them

1112

00:47:27,349 --> 00:47:25,200

back and forth have you done

1113

00:47:29,470 --> 00:47:27,359

I've I've done it I've gotten some

1114

00:47:32,510 --> 00:47:29,480

interesting

1115

00:47:34,910 --> 00:47:32,520

responses uh and not necessarily like a

1116

00:47:36,829 --> 00:47:34,920

a perfect knockback but

1117

00:47:39,349 --> 00:47:36,839

a response that kind of was like okay

1118

00:47:42,290 --> 00:47:39,359

that was and then do it again and get

1119

00:47:45,170 --> 00:47:42,300

something else so nothing really super

1120

00:47:46,190 --> 00:47:45,180

defined uh but it has worked there is

1121

00:47:48,349 --> 00:47:46,200

definitely

1122

00:47:50,329 --> 00:47:48,359

a way to communicate and even rocks

1123

00:47:53,089 --> 00:47:50,339

clacking too

1124

00:47:54,349 --> 00:47:53,099

um that travels distances and and wait

1125

00:47:55,250 --> 00:47:54,359

for them to kind of communicate with

1126

00:47:57,349 --> 00:47:55,260

each other

1127

00:47:59,030 --> 00:47:57,359

well but you're not too enthusiastic

1128

00:48:01,790 --> 00:47:59,040

about it it's not like you're going yeah

1129

00:48:03,890 --> 00:48:01,800

man tree knocking that's yeah I think

1130

00:48:06,950 --> 00:48:03,900

it's been a little overdone

1131

00:48:09,230 --> 00:48:06,960

um and and it again we don't know what

1132

00:48:11,510 --> 00:48:09,240

we're saying three knocks get the hell

1133

00:48:14,930 --> 00:48:11,520

out I mean we don't know what what the

1134

00:48:19,730 --> 00:48:14,940

uh interpretation is Yet now

1135

00:48:21,470 --> 00:48:19,740

um uh I've seen a lot of images of

1136

00:48:24,109 --> 00:48:21,480

the X's

1137

00:48:26,569 --> 00:48:24,119

right threes

1138

00:48:30,050 --> 00:48:26,579

um what's your opinion

1139

00:48:31,490 --> 00:48:30,060

in my opinion where we've encountered

1140

00:48:34,550 --> 00:48:31,500

them

1141

00:48:36,589 --> 00:48:34,560

have been on the trail like like a stop

1142

00:48:39,710 --> 00:48:36,599

sign like okay

1143

00:48:41,750 --> 00:48:39,720

don't go any further now or

1144

00:48:43,430 --> 00:48:41,760

um almost hidden you have to be at a

1145

00:48:45,589 --> 00:48:43,440

certain angle where all sudden you look

1146

00:48:49,609 --> 00:48:45,599

up and then you see it so something

1147

00:48:51,710 --> 00:48:49,619

taller would notice this and even the

1148

00:48:53,390 --> 00:48:51,720

placement of some of these things you

1149

00:48:54,829 --> 00:48:53,400

have to be 10 feet tall even put it up

1150

00:48:58,130 --> 00:48:54,839

if you unless you had a ladder out in

1151
00:49:00,230 --> 00:48:58,140
the middle of the woods so what I may I

1152
00:49:02,030 --> 00:49:00,240
should have uh explained uh to the

1153
00:49:05,210 --> 00:49:02,040
audience

1154
00:49:09,410 --> 00:49:05,220
um there has been a lot of documented uh

1155
00:49:13,430 --> 00:49:09,420
sightings of uh trees that have been

1156
00:49:15,710 --> 00:49:13,440
placed in the position of an X

1157
00:49:17,390 --> 00:49:15,720
um and in some cats some are small you

1158
00:49:21,290 --> 00:49:17,400
know lower to the ground like Ronnie is

1159
00:49:24,349 --> 00:49:21,300
saying some are are huge some could be

1160
00:49:28,190 --> 00:49:24,359
natural right trees could blow over and

1161
00:49:31,309 --> 00:49:28,200
and to that but in in a lot of these

1162
00:49:33,470 --> 00:49:31,319
cases where they do get documented it's

1163
00:49:36,710 --> 00:49:33,480

a situation where

1164

00:49:41,870 --> 00:49:36,720

um these two trees are placed

1165

00:49:45,290 --> 00:49:41,880

and and the the trees will say have no

1166

00:49:47,870 --> 00:49:45,300

limbs on them so they're almost like two

1167

00:49:50,510 --> 00:49:47,880

chopsticks so it's very like and they're

1168

00:49:51,530 --> 00:49:50,520

they're equally sized that you know

1169

00:49:53,990 --> 00:49:51,540

they're

1170

00:49:56,930 --> 00:49:54,000

it's like okay a human could could do

1171

00:49:58,250 --> 00:49:56,940

this but why and we're in areas where

1172

00:50:00,710 --> 00:49:58,260

there aren't

1173

00:50:02,150 --> 00:50:00,720

people Milling about and we're finding

1174

00:50:04,609 --> 00:50:02,160

these

1175

00:50:07,010 --> 00:50:04,619

structures things are twisted off broken

1176

00:50:10,730 --> 00:50:07,020

off there's no saw cuts

1177

00:50:13,190 --> 00:50:10,740

um and then finding them placed

1178

00:50:14,569 --> 00:50:13,200

um uniquely like we'll find something it

1179

00:50:17,150 --> 00:50:14,579

might not be an X it might be a weird

1180

00:50:18,589 --> 00:50:17,160

structure and then also there's water

1181

00:50:20,390 --> 00:50:18,599

or

1182

00:50:23,089 --> 00:50:20,400

something else will be so it almost

1183

00:50:24,530 --> 00:50:23,099

seems like a a marker of some sort and

1184

00:50:26,450 --> 00:50:24,540

then we started toying with the idea of

1185

00:50:28,970 --> 00:50:26,460

you know could some of these

1186

00:50:30,470 --> 00:50:28,980

uh you know you wouldn't want to

1187

00:50:32,770 --> 00:50:30,480

announce it to the world but some of

1188

00:50:35,809 --> 00:50:32,780

these could be almost like little

1189

00:50:38,450 --> 00:50:35,819

tombstones or or markers where

1190

00:50:41,329 --> 00:50:38,460

some one of them have passed whatever so

1191

00:50:44,030 --> 00:50:41,339

even Dr Jane Goodall believes that their

1192

00:50:45,530 --> 00:50:44,040

Bigfoot is smart enough that they

1193

00:50:47,150 --> 00:50:45,540

probably know that they have to bury

1194

00:50:51,410 --> 00:50:47,160

their own dead to

1195

00:50:53,089 --> 00:50:51,420

survive do you believe that to be true

1196

00:50:54,829 --> 00:50:53,099

I um

1197

00:50:57,410 --> 00:50:54,839

I think that there's definitely

1198

00:50:58,970 --> 00:50:57,420

something going on with the telepathy

1199

00:50:59,809 --> 00:50:58,980

peace

1200

00:51:01,790 --> 00:50:59,819

um

1201
00:51:05,930 --> 00:51:01,800
communication they definitely seem to be

1202
00:51:08,870 --> 00:51:05,940
a little bit more ahead of us on on uh

1203
00:51:10,130 --> 00:51:08,880
the uh the Consciousness chain it seems

1204
00:51:13,069 --> 00:51:10,140
it just

1205
00:51:15,470 --> 00:51:13,079
based on other people's reactions my uh

1206
00:51:16,510 --> 00:51:15,480
and experiences in even my own

1207
00:51:19,309 --> 00:51:16,520
um

1208
00:51:21,049 --> 00:51:19,319
encounters that I've had just

1209
00:51:22,990 --> 00:51:21,059
doesn't it's not an animal there's

1210
00:51:25,549 --> 00:51:23,000
something else going on maybe more human

1211
00:51:27,650 --> 00:51:25,559
than alien maybe more alien than human

1212
00:51:31,010 --> 00:51:27,660
but it definitely does not seem to be

1213
00:51:34,609 --> 00:51:31,020

just a straight up uh ape well we do

1214

00:51:36,950 --> 00:51:34,619

have two Baca we do I keep going back to

1215

00:51:38,990 --> 00:51:36,960

that hey George Lucas he was from

1216

00:51:43,010 --> 00:51:39,000

Northern California right so that's in

1217

00:51:45,650 --> 00:51:43,020

his that is mine they're they're so much

1218

00:51:49,309 --> 00:51:45,660

symbolism and and so much stuff going on

1219

00:51:52,910 --> 00:51:49,319

in in Star Wars I'm almost tired of it

1220

00:51:56,890 --> 00:51:52,920

because it's so obvious and in your face

1221

00:51:59,990 --> 00:51:56,900

but yeah why why have

1222

00:52:04,750 --> 00:52:00,000

Chewbacca because Chewbacca is a Bigfoot

1223

00:52:08,750 --> 00:52:04,760

it's a big foot alien in Star Wars

1224

00:52:10,309 --> 00:52:08,760

it's there for a reason man and uh and

1225

00:52:13,309 --> 00:52:10,319

well I think the all the other thing too

1226
00:52:16,069 --> 00:52:13,319
you brought a good point is we've been

1227
00:52:18,770 --> 00:52:16,079
indoctrinated with this gray alien this

1228
00:52:19,790 --> 00:52:18,780
imagery you know this one reptilian what

1229
00:52:21,950 --> 00:52:19,800
have you but

1230
00:52:24,170 --> 00:52:21,960
very specific and what an alien is

1231
00:52:26,990 --> 00:52:24,180
supposed to look like why can't they

1232
00:52:28,309 --> 00:52:27,000
have hair fur why can't they look like

1233
00:52:30,890 --> 00:52:28,319
an upright

1234
00:52:33,710 --> 00:52:30,900
ape you know

1235
00:52:36,650 --> 00:52:33,720
I don't have any issues with it I mean

1236
00:52:39,290 --> 00:52:36,660
it it it it it it's almost too much

1237
00:52:41,450 --> 00:52:39,300
after a while it's it's right there it's

1238
00:52:45,049 --> 00:52:41,460

right there it's right there and and

1239

00:52:48,790 --> 00:52:45,059

trying to figure out uh why

1240

00:52:52,730 --> 00:52:48,800

uh there isn't a definitive body

1241

00:52:54,829 --> 00:52:52,740

one hasn't been hit by a bus we hit deer

1242

00:52:56,809 --> 00:52:54,839

all the time you know we hear all the

1243

00:52:59,569 --> 00:52:56,819

arguments well you'll never find a

1244

00:53:04,150 --> 00:52:59,579

chimpanzee you know body well you know

1245

00:53:11,329 --> 00:53:07,609

we have found bear corpses we have found

1246

00:53:14,510 --> 00:53:11,339

deer it's not that often but it happens

1247

00:53:17,030 --> 00:53:14,520

and it has never happened uh with

1248

00:53:20,089 --> 00:53:17,040

Bigfoot but yet we have the prince we

1249

00:53:23,089 --> 00:53:20,099

have the sightings and there's something

1250

00:53:25,430 --> 00:53:23,099

else that is going on preventing us do

1251
00:53:28,430 --> 00:53:25,440
you think that maybe

1252
00:53:31,250 --> 00:53:28,440
we're not supposed to know

1253
00:53:34,130 --> 00:53:31,260
I I think so I think it's possible I

1254
00:53:36,290 --> 00:53:34,140
mean you the the theory that's gaining a

1255
00:53:38,150 --> 00:53:36,300
lot of steam too is a the Nephilim that

1256
00:53:39,710 --> 00:53:38,160
these are fallen angels of some sort

1257
00:53:41,630 --> 00:53:39,720
sure that they're they're they're

1258
00:53:45,470 --> 00:53:41,640
demonic

1259
00:53:48,530 --> 00:53:45,480
um and I haven't experienced aside from

1260
00:53:49,910 --> 00:53:48,540
that that fear here and there for the

1261
00:53:52,970 --> 00:53:49,920
most part

1262
00:53:54,950 --> 00:53:52,980
it seems something very

1263
00:53:57,049 --> 00:53:54,960

um

1264

00:53:58,370 --> 00:53:57,059

magnetic like you you want to learn

1265

00:54:00,410 --> 00:53:58,380

you're trying to understand what's

1266

00:54:01,130 --> 00:54:00,420

what's going on here

1267

00:54:02,990 --> 00:54:01,140

um

1268

00:54:05,329 --> 00:54:03,000

and yeah maybe it's one of these things

1269

00:54:06,650 --> 00:54:05,339

that just supposed to send us down this

1270

00:54:08,270 --> 00:54:06,660

this Loop where we're just spinning

1271

00:54:10,609 --> 00:54:08,280

around in circles trying to figure stuff

1272

00:54:11,990 --> 00:54:10,619

out but uh I think

1273

00:54:16,970 --> 00:54:12,000

I find it interesting a lot of people

1274

00:54:19,130 --> 00:54:16,980

that uh have had significant uh Bigfoot

1275

00:54:20,930 --> 00:54:19,140

experiences have been more spiritually

1276

00:54:23,809 --> 00:54:20,940

minded people

1277

00:54:26,690 --> 00:54:23,819

uh even more maybe

1278

00:54:28,250 --> 00:54:26,700

raised uh Christian or what have you

1279

00:54:30,470 --> 00:54:28,260

there's there's a weird and there's a

1280

00:54:32,030 --> 00:54:30,480

correlation with with uh UFO abductees

1281

00:54:34,370 --> 00:54:32,040

as well with that whether that's just

1282

00:54:36,109 --> 00:54:34,380

their their minds are wired like we were

1283

00:54:37,609 --> 00:54:36,119

talking earlier about being open-minded

1284

00:54:40,670 --> 00:54:37,619

and so you're more

1285

00:54:44,270 --> 00:54:40,680

susceptible to that or sending out that

1286

00:54:46,130 --> 00:54:44,280

that frequency that they can pick up on

1287

00:54:49,670 --> 00:54:46,140

um there's something there yeah there's

1288

00:54:52,190 --> 00:54:49,680

something there it's like the some of

1289

00:54:54,829 --> 00:54:52,200

the biggest questions that we have

1290

00:54:57,770 --> 00:54:54,839

some of the biggest you know life after

1291

00:55:00,410 --> 00:54:57,780

death what is consciousness uh UFOs

1292

00:55:04,690 --> 00:55:00,420

Bigfoot ghosts for instance right all of

1293

00:55:06,849 --> 00:55:04,700

these Spirits entities angels everything

1294

00:55:09,950 --> 00:55:06,859

is okay

1295

00:55:12,230 --> 00:55:09,960

until you're at the edge of the cliff

1296

00:55:16,250 --> 00:55:12,240

you can't get there we can't cross that

1297

00:55:19,309 --> 00:55:16,260

we can't everything it just gets fuzzy

1298

00:55:21,530 --> 00:55:19,319

all of a sudden yeah the reality gets

1299

00:55:25,010 --> 00:55:21,540

fuzzy the visual gets fuzzy the video

1300

00:55:27,710 --> 00:55:25,020

gets fuzzy the the eyewitness part of it

1301

00:55:31,069 --> 00:55:27,720

gets fuzzy they phase in and out they

1302

00:55:34,069 --> 00:55:31,079

disappear you know UFOs will literally

1303

00:55:35,930 --> 00:55:34,079

appear in the sky everybody freaks out

1304

00:55:40,790 --> 00:55:35,940

and then it disappears in front of

1305

00:55:44,049 --> 00:55:40,800

everybody right it's like it right there

1306

00:55:46,549 --> 00:55:44,059

right we can get close and then nothing

1307

00:55:49,790 --> 00:55:46,559

I had a you know

1308

00:55:51,770 --> 00:55:49,800

a friend I I was expecting these orange

1309

00:55:54,890 --> 00:55:51,780

orbs to show up they usually show up

1310

00:55:57,470 --> 00:55:54,900

around uh Fourth of July New Year's Eve

1311

00:55:58,730 --> 00:55:57,480

when we're last and fireworks and we're

1312

00:55:59,930 --> 00:55:58,740

looking up people have a lot of these

1313

00:56:02,870 --> 00:55:59,940

sightings

1314

00:56:05,750 --> 00:56:02,880

and there was a Fourth of July ceremony

1315

00:56:07,670 --> 00:56:05,760

in Leominster but it was a concert and

1316

00:56:09,109 --> 00:56:07,680

it was starting to turn desperate it was

1317

00:56:10,970 --> 00:56:09,119

still blue in the sky

1318

00:56:12,530 --> 00:56:10,980

and there was about three or four of

1319

00:56:13,790 --> 00:56:12,540

these orange orbs that were coming one

1320

00:56:16,010 --> 00:56:13,800

by one

1321

00:56:17,930 --> 00:56:16,020

and I have my binoculars and I handed

1322

00:56:20,089 --> 00:56:17,940

them to my buddy

1323

00:56:22,130 --> 00:56:20,099

who watched it close up I was like what

1324

00:56:24,170 --> 00:56:22,140

the hell is that you know and

1325

00:56:25,849 --> 00:56:24,180

and as I'm watching it in the sky and

1326

00:56:28,490 --> 00:56:25,859

he's looking through the binoculars it

1327

00:56:31,010 --> 00:56:28,500

disappeared and and just in front of his

1328

00:56:34,150 --> 00:56:31,020

eyes and he he was like what just what

1329

00:56:36,650 --> 00:56:34,160

just happened so just seeing someone

1330

00:56:39,250 --> 00:56:36,660

react that way to seeing something

1331

00:56:42,710 --> 00:56:39,260

vanish like that right before their eyes

1332

00:56:46,970 --> 00:56:42,720

is it like it just went behind some kind

1333

00:56:48,589 --> 00:56:46,980

of wall I love it when somebody says uh

1334

00:56:51,589 --> 00:56:48,599

Ronnie I can't wait to hear your

1335

00:56:54,290 --> 00:56:51,599

reaction to this when somebody says man

1336

00:56:56,089 --> 00:56:54,300

why Would Bigfoot just appear hang out

1337

00:57:00,829 --> 00:56:56,099

and then disappear

1338

00:57:02,690 --> 00:57:00,839

it doesn't mean that is the level of our

1339

00:57:04,849 --> 00:57:02,700

understanding and knowledge

1340

00:57:06,890 --> 00:57:04,859

right where we can't write our head

1341

00:57:11,450 --> 00:57:06,900

around it you know why Bigfoot does it

1342

00:57:13,730 --> 00:57:11,460

because he can because I my joke is that

1343

00:57:16,250 --> 00:57:13,740

where he comes from the food sucks yeah

1344

00:57:19,309 --> 00:57:16,260

so he pops in here you know and all that

1345

00:57:21,770 --> 00:57:19,319

all that all that all that you know why

1346

00:57:23,329 --> 00:57:21,780

would a UFO you know travel across the

1347

00:57:27,470 --> 00:57:23,339

universe and just show up because they

1348

00:57:31,069 --> 00:57:27,480

can it's easy you know have you ever

1349

00:57:33,230 --> 00:57:31,079

um I use this comparison all the time if

1350

00:57:35,390 --> 00:57:33,240

you if you went back

1351
00:57:39,410 --> 00:57:35,400
200 years ago

1352
00:57:41,270 --> 00:57:39,420
and and told everybody that you have the

1353
00:57:44,510 --> 00:57:41,280
ability

1354
00:57:49,069 --> 00:57:44,520
to get on a communication device

1355
00:57:51,650 --> 00:57:49,079
order a pizza from 20 miles away and

1356
00:57:53,390 --> 00:57:51,660
have it delivered to your house in 30

1357
00:57:55,069 --> 00:57:53,400
minutes

1358
00:57:57,430 --> 00:57:55,079
they would say that's some Voodoo Black

1359
00:58:02,390 --> 00:57:57,440
Magic Man

1360
00:58:05,510 --> 00:58:02,400
sorcery right right we do it because we

1361
00:58:09,049 --> 00:58:05,520
can it's easy it's nothing and we have

1362
00:58:11,270 --> 00:58:09,059
to look at and and try to elevate our

1363
00:58:13,250 --> 00:58:11,280

level of understanding for something

1364

00:58:15,710 --> 00:58:13,260

like this because anything is possible

1365

00:58:19,190 --> 00:58:15,720

anything is probable and when we're

1366

00:58:22,069 --> 00:58:19,200

considering stuff like this yeah I I I

1367

00:58:25,790 --> 00:58:22,079

believe it to be to be not only possible

1368

00:58:28,430 --> 00:58:25,800

but probably very very real

1369

00:58:31,190 --> 00:58:28,440

yeah I mean even uh invisibility cloaks

1370

00:58:33,470 --> 00:58:31,200

which were science fiction those are now

1371

00:58:34,370 --> 00:58:33,480

science fact they've created those in

1372

00:58:35,829 --> 00:58:34,380

the lab

1373

00:58:38,450 --> 00:58:35,839

so and

1374

00:58:41,870 --> 00:58:38,460

you you remember when it was in Lord of

1375

00:58:45,289 --> 00:58:41,880

the Rings right and and you're reading

1376
00:58:47,690 --> 00:58:45,299
the books you know 30 40 years ago and

1377
00:58:50,030 --> 00:58:47,700
Frodo gets his you know the the Elven

1378
00:58:53,030 --> 00:58:50,040
invisibility cloak right and he puts it

1379
00:58:57,309 --> 00:58:53,040
on and disappears what that was sorcery

1380
00:59:00,410 --> 00:58:57,319
right right yes that was sorts

1381
00:59:03,130 --> 00:59:00,420
it was right there and here it it it's

1382
00:59:05,630 --> 00:59:03,140
part of our reality today

1383
00:59:08,510 --> 00:59:05,640
yeah we have to elevate we have to

1384
00:59:10,430 --> 00:59:08,520
elevate uh our knowledge and and how we

1385
00:59:11,750 --> 00:59:10,440
try to understand things let's take our

1386
00:59:14,390 --> 00:59:11,760
break right here I guess tonight the one

1387
00:59:17,750 --> 00:59:14,400
and only Ronnie LeBlanc I am Jimmy

1388
00:59:22,130 --> 00:59:19,789

this is Jimmy Church of Fade to Black

1389

00:59:24,410 --> 00:59:22,140

please visit all of our sponsors we're

1390

00:59:26,150 --> 00:59:24,420

taking a quick break here all of the

1391

00:59:28,309 --> 00:59:26,160

links are below

1392

00:59:30,890 --> 00:59:28,319

and we'll be right back

1393

00:59:33,230 --> 00:59:30,900

hey everybody it's Billy Carson also

1394

00:59:34,730 --> 00:59:33,240

known as Forbidden Knowledge I want to

1395

00:59:38,390 --> 00:59:34,740

talk to you about a very special event

1396

00:59:40,490 --> 00:59:38,400

coming up July 30th 2023 The Forbidden

1397

00:59:42,109 --> 00:59:40,500

conscious Awards we're going to honor

1398

00:59:44,510 --> 00:59:42,119

people who have been contributing to the

1399

00:59:46,010 --> 00:59:44,520

conscious Community for decades people

1400

00:59:47,750 --> 00:59:46,020

that you know and love that have helped

1401
00:59:49,730 --> 00:59:47,760
you get to higher levels of thought and

1402
00:59:52,069 --> 00:59:49,740
Consciousness and awareness it's going

1403
00:59:53,390 --> 00:59:52,079
to be alive in-person event but seats

1404
00:59:55,130 --> 00:59:53,400
are going to sell out very fast you want

1405
00:59:56,809 --> 00:59:55,140
to make sure you're there in person and

1406
00:59:58,569 --> 00:59:56,819
guess what you can help vote for the

1407
01:00:00,589 --> 00:59:58,579
winners voting is available on

1408
01:00:02,210 --> 01:00:00,599
forbiddenknowledge.com and the

1409
01:00:05,390 --> 01:00:02,220
categories are going to be social media

1410
01:00:07,270 --> 01:00:05,400
influencer podcast slash radio host TV

1411
01:00:08,990 --> 01:00:07,280
host actor director producer

1412
01:00:10,490 --> 01:00:09,000
entrepreneurs health and wellness

1413
01:00:12,890 --> 01:00:10,500

philanthropists authors field

1414

01:00:14,690 --> 01:00:12,900

researchers archaeologists space anomaly

1415

01:00:17,510 --> 01:00:14,700

hunters and of course a Lifetime

1416

01:00:19,430 --> 01:00:17,520

Achievement Award I'll be your keynote

1417

01:00:21,349 --> 01:00:19,440

speaker that night at The Forbidden

1418

01:00:23,690 --> 01:00:21,359

conscious Awards we have celebrity

1419

01:00:25,250 --> 01:00:23,700

guests performing we'll have a halftime

1420

01:00:26,930 --> 01:00:25,260

show where we're actually going to

1421

01:00:29,510 --> 01:00:26,940

perform music for you and don't forget

1422

01:00:31,490 --> 01:00:29,520

about the pre-event mixer where if you

1423

01:00:33,410 --> 01:00:31,500

buy a box seat you'll be in the VIP

1424

01:00:35,630 --> 01:00:33,420

section and you also have private access

1425

01:00:38,329 --> 01:00:35,640

to a Big Apple mixer with celebrity

1426

01:00:40,789 --> 01:00:38,339

guests shake hands break bread Network

1427

01:00:42,710 --> 01:00:40,799

and then walk the red carpet with us and

1428

01:00:43,970 --> 01:00:42,720

take amazing photos it's going to be a

1429

01:00:45,950 --> 01:00:43,980

night to remember you don't want to

1430

01:00:47,450 --> 01:00:45,960

forget this make sure you hurry up and

1431

01:00:49,450 --> 01:00:47,460

get your tickets because you're selling

1432

01:00:52,230 --> 01:00:49,460

out very fast I want to see you there

1433

01:00:56,030 --> 01:00:52,240

forbidden conscious Wars 2023

1434

01:00:59,150 --> 01:00:56,040

[Music]

1435

01:01:02,329 --> 01:00:59,160

on Saturday April 1st that's right April

1436

01:01:04,549 --> 01:01:02,339

Fool's Day 2023 I will be hosting the

1437

01:01:08,030 --> 01:01:04,559

peripod festival at the Hyatt Regency

1438

01:01:10,490 --> 01:01:08,040

right here in Valencia California it's a

1439

01:01:13,609 --> 01:01:10,500

live one-day podcast Awards it's a film

1440

01:01:15,650 --> 01:01:13,619

festival it's a full-on media event

1441

01:01:17,450 --> 01:01:15,660

we're going to have Sky watching there's

1442

01:01:20,270 --> 01:01:17,460

going to be a Lifetime Achievement Award

1443

01:01:22,309 --> 01:01:20,280

presented to Linda Moulton Howe right

1444

01:01:24,289 --> 01:01:22,319

now you can submit your podcast to your

1445

01:01:27,049 --> 01:01:24,299

film your TV series any of your

1446

01:01:28,970 --> 01:01:27,059

paranormal media for consideration you

1447

01:01:32,230 --> 01:01:28,980

can do all of that on the links below

1448

01:01:34,130 --> 01:01:32,240

for info and tickets go to

1449

01:01:37,190 --> 01:01:34,140

parapodfilmfest.com that's

1450

01:01:42,829 --> 01:01:41,270

April 7th through the 14th 2023 I'll be

1451

01:01:45,770 --> 01:01:42,839

hosting and presenting on the hidden

1452

01:01:48,410 --> 01:01:45,780

secrets seminar at Sea cruise from Los

1453

01:01:50,750 --> 01:01:48,420

Angeles to the Mexican Riviera I'm the

1454

01:01:53,390 --> 01:01:50,760

Navigator of the Seas that's right up

1455

01:01:55,069 --> 01:01:53,400

top a giant water slide you've got to

1456

01:01:56,930 --> 01:01:55,079

check out the Navigator of the Seas it's

1457

01:01:59,329 --> 01:01:56,940

amazing we've got Scott Walter Adam

1458

01:02:02,210 --> 01:01:59,339

Apollo Nick Pope Brad Olson Vivian

1459

01:02:04,490 --> 01:02:02,220

Chauvet Jason sherka Robert Grant Reuben

1460

01:02:06,829 --> 01:02:04,500

Langdon and another 12 amazing speakers

1461

01:02:08,289 --> 01:02:06,839

and presenters it's all simple to do

1462

01:02:10,730 --> 01:02:08,299

just visit

1463

01:02:14,450 --> 01:02:10,740

divinetravels.com forward slash hidden

1464

01:02:16,670 --> 01:02:14,460

secrets 2023 you know you want to go on

1465

01:02:20,089 --> 01:02:16,680

a cruise with me

1466

01:02:22,910 --> 01:02:20,099

River Moon coffee makers of the Fade to

1467

01:02:24,789 --> 01:02:22,920

Black blend truly the best coffee on

1468

01:02:27,049 --> 01:02:24,799

planet Earth just visit

1469

01:02:28,910 --> 01:02:27,059

rivermoonwellness.com or or their Amazon

1470

01:02:30,289 --> 01:02:28,920

store it's all simple to do you can

1471

01:02:32,390 --> 01:02:30,299

check out the Fade to Black blend the

1472

01:02:35,030 --> 01:02:32,400

game changer Blend or any of their black

1473

01:02:38,809 --> 01:02:35,040

moon wellness products it's the only

1474

01:02:44,750 --> 01:02:38,819

coffee I drink it is the best and it's

1475

01:02:44,760 --> 01:02:48,730

yeah

1476

01:02:48,740 --> 01:02:52,789

Fade to Black blend

1477

01:02:56,990 --> 01:02:55,190

I love it I love it our guest night

1478

01:03:00,049 --> 01:02:57,000

Ronnie LeBlanc

1479

01:03:01,849 --> 01:03:00,059

and uh Ronnie I'm a big coffee guy man I

1480

01:03:04,430 --> 01:03:01,859

I love my coffee

1481

01:03:08,030 --> 01:03:04,440

um that's it I'm gonna see you in one

1482

01:03:11,750 --> 01:03:08,040

week out here uh for the past Festival

1483

01:03:13,549 --> 01:03:11,760

in in Santa Clarita slash Valencia it's

1484

01:03:14,870 --> 01:03:13,559

the same city

1485

01:03:15,950 --> 01:03:14,880

um uh what are you going to be talking

1486

01:03:20,870 --> 01:03:15,960

about

1487

01:03:24,289 --> 01:03:20,880

Bigfoot and UFOs so we're doing a nice

1488

01:03:26,630 --> 01:03:24,299

little precursor here yeah and

1489

01:03:28,130 --> 01:03:26,640

um uh do you think

1490

01:03:30,230 --> 01:03:28,140

um it's it's going to be so great and

1491

01:03:32,809 --> 01:03:30,240

the tickets and and everything if if

1492

01:03:34,130 --> 01:03:32,819

you're in and around Los Angeles so

1493

01:03:36,190 --> 01:03:34,140

click on the link below and go to

1494

01:03:38,930 --> 01:03:36,200

parapod uh I think it's

1495

01:03:42,589 --> 01:03:38,940

parapotfilmfest.com and uh check it out

1496

01:03:45,109 --> 01:03:42,599

I'm gonna MC and host and uh I I you

1497

01:03:48,349 --> 01:03:45,119

know this is the best part of of my gig

1498

01:03:51,410 --> 01:03:48,359

I just get to goof off you know I don't

1499

01:03:53,930 --> 01:03:51,420

I don't uh I don't I don't present or

1500

01:03:58,730 --> 01:03:53,940

anything I'm just the guy up there

1501
01:04:00,349 --> 01:03:58,740
having fun and I I just can't wait uh to

1502
01:04:02,569 --> 01:04:00,359
be able to do this and to give away

1503
01:04:05,089 --> 01:04:02,579
awards that are voted on by the

1504
01:04:07,970 --> 01:04:05,099
community and and and everything else

1505
01:04:10,549 --> 01:04:07,980
it's it's going to be really cool so

1506
01:04:13,329 --> 01:04:10,559
um but uh Bigfoot UFOs we're also going

1507
01:04:16,130 --> 01:04:13,339
to do a Skywatch

1508
01:04:18,890 --> 01:04:16,140
yeah yeah Ben Hansen's going to be there

1509
01:04:20,870 --> 01:04:18,900
uh our good friend and we've all known

1510
01:04:24,109 --> 01:04:20,880
you know Ben for years he's so good at

1511
01:04:26,089 --> 01:04:24,119
what he does and we're gonna do a little

1512
01:04:28,010 --> 01:04:26,099
bit of uh ghost hunting we're gonna go

1513
01:04:29,990 --> 01:04:28,020

up to mentaryville and you're going to

1514

01:04:32,510 --> 01:04:30,000

be hanging out with us man are you

1515

01:04:34,430 --> 01:04:32,520

looking forward I know I can't wait it's

1516

01:04:35,870 --> 01:04:34,440

it's like well when you when you're

1517

01:04:38,990 --> 01:04:35,880

talking to me earlier before the show

1518

01:04:40,849 --> 01:04:39,000

about the the ghost town and the that

1519

01:04:42,770 --> 01:04:40,859

I'm like what I don't even know that

1520

01:04:44,450 --> 01:04:42,780

existed I'm I'm pumped for the whole the

1521

01:04:48,109 --> 01:04:44,460

whole weekend it's gonna be amazing yeah

1522

01:04:49,609 --> 01:04:48,119

when when uh it was years ago it was

1523

01:04:52,870 --> 01:04:49,619

probably

1524

01:04:57,170 --> 01:04:52,880

20 25 years ago

1525

01:04:59,450 --> 01:04:57,180

I had heard about mentryville and I had

1526

01:05:02,809 --> 01:04:59,460

it was like a news clip and I said I was

1527

01:05:06,049 --> 01:05:02,819

like what a ghost town where right and

1528

01:05:08,530 --> 01:05:06,059

and I go and I checked it out and I

1529

01:05:11,450 --> 01:05:08,540

couldn't believe that in my neighborhood

1530

01:05:15,530 --> 01:05:11,460

you know something it's not a movie set

1531

01:05:17,870 --> 01:05:15,540

right this is not no this is a real uh

1532

01:05:22,549 --> 01:05:17,880

ghost town and it's right here in the

1533

01:05:25,250 --> 01:05:22,559

valley and so it's it's it's absolutely

1534

01:05:27,470 --> 01:05:25,260

nuts and so yeah we're gonna go up there

1535

01:05:29,089 --> 01:05:27,480

and and have a really good time so all

1536

01:05:31,730 --> 01:05:29,099

of you if you want to come in and hang

1537

01:05:33,950 --> 01:05:31,740

out with Ronnie and I and Ben Hansen and

1538

01:05:36,230 --> 01:05:33,960

and the rest of the crew uh we're all

1539

01:05:39,530 --> 01:05:36,240

going to be getting together a pimentary

1540

01:05:42,049 --> 01:05:39,540

bill uh on Friday a week from tomorrow

1541

01:05:44,150 --> 01:05:42,059

wow you know you know we're not you know

1542

01:05:47,450 --> 01:05:44,160

we're not sleeping Friday night right no

1543

01:05:50,569 --> 01:05:47,460

no no no no no no

1544

01:05:55,549 --> 01:05:50,579

no no no check me out on Saturday

1545

01:05:58,089 --> 01:05:55,559

morning and uh we'll see coffees yeah

1546

01:06:01,309 --> 01:05:58,099

that's right

1547

01:06:04,069 --> 01:06:01,319

oh man I can't wait so yeah the parapod

1548

01:06:06,289 --> 01:06:04,079

uh Film Fest it's going on the links are

1549

01:06:07,910 --> 01:06:06,299

below uh Ronnie's gonna be there uh

1550

01:06:10,910 --> 01:06:07,920

Linda Moulton how's going to be there we

1551
01:06:13,549 --> 01:06:10,920
just mentioned Ben Hansen Billy Carson

1552
01:06:17,510 --> 01:06:13,559
um is coming out uh and

1553
01:06:19,789 --> 01:06:17,520
um I I got um a little email uh I'm just

1554
01:06:20,990 --> 01:06:19,799
gonna say this John Greenwald of The

1555
01:06:23,930 --> 01:06:21,000
Black Vault

1556
01:06:26,450 --> 01:06:23,940
today's email he goes so man you're

1557
01:06:27,020 --> 01:06:26,460
having a you know an event in my

1558
01:06:28,370 --> 01:06:27,030
neighborhood

1559
01:06:31,549 --> 01:06:28,380
[Laughter]

1560
01:06:32,589 --> 01:06:31,559
and uh so uh he said he's gonna stop by

1561
01:06:37,970 --> 01:06:32,599
uh

1562
01:06:40,910 --> 01:06:37,980
everybody just come on out and hang out

1563
01:06:43,490 --> 01:06:40,920

with us uh uh next Friday and Saturday

1564

01:06:45,650 --> 01:06:43,500

right here in Southern California at the

1565

01:06:47,270 --> 01:06:45,660

peripod film festival

1566

01:06:49,970 --> 01:06:47,280

um Tony sweet

1567

01:06:52,849 --> 01:06:49,980

um who was putting on this event

1568

01:06:55,789 --> 01:06:52,859

um he he's got his own network and and

1569

01:06:58,970 --> 01:06:55,799

His Radio Show truth be told is it's

1570

01:07:01,849 --> 01:06:58,980

just an amazing thing that he has been

1571

01:07:04,490 --> 01:07:01,859

doing for a very long time and he

1572

01:07:06,410 --> 01:07:04,500

supports this community he has put this

1573

01:07:08,829 --> 01:07:06,420

event together he started talking to me

1574

01:07:12,470 --> 01:07:08,839

about this event probably two years ago

1575

01:07:15,410 --> 01:07:12,480

and it it's it's a lot of work to put

1576

01:07:17,150 --> 01:07:15,420

something like this on and and Tony is

1577

01:07:18,950 --> 01:07:17,160

that guy and he is a part of this

1578

01:07:21,170 --> 01:07:18,960

community so it's going to be great come

1579

01:07:23,569 --> 01:07:21,180

out support the community hang out with

1580

01:07:27,109 --> 01:07:23,579

all of us and it's uh next Friday the

1581

01:07:30,049 --> 01:07:27,119

31st and April 1st a weird day to do it

1582

01:07:32,150 --> 01:07:30,059

too it is a weird day isn't it like is

1583

01:07:34,250 --> 01:07:32,160

this real is this really happening I I

1584

01:07:35,870 --> 01:07:34,260

reached out when uh you know I was

1585

01:07:37,250 --> 01:07:35,880

talking to Linda Moulton Howe about this

1586

01:07:39,789 --> 01:07:37,260

and she goes Jimmy

1587

01:07:43,870 --> 01:07:39,799

I go yeah she goes It's April 1st man

1588

01:07:46,510 --> 01:07:43,880

don't play any joke I just don't

1589

01:07:50,569 --> 01:07:46,520

this is real

1590

01:07:52,490 --> 01:07:50,579

really yeah so yeah it's April 1st April

1591

01:07:54,170 --> 01:07:52,500

Fool's Day right here in Southern

1592

01:07:55,309 --> 01:07:54,180

California

1593

01:07:59,270 --> 01:07:55,319

um now

1594

01:08:00,650 --> 01:07:59,280

uh UFOs and and Bigfoot are we

1595

01:08:02,990 --> 01:08:00,660

suggesting

1596

01:08:05,029 --> 01:08:03,000

um and you and I have read the books and

1597

01:08:09,529 --> 01:08:05,039

I've had the guests on my show about

1598

01:08:12,349 --> 01:08:09,539

this that Bigfoot is E.T right maybe

1599

01:08:15,230 --> 01:08:12,359

escaped their planet and needed a safe

1600

01:08:19,669 --> 01:08:15,240

place and and found this beautiful blue

1601
01:08:23,930 --> 01:08:19,679
Gem and and this is where they are now

1602
01:08:28,010 --> 01:08:23,940
do we do we take things to that extreme

1603
01:08:31,249 --> 01:08:28,020
it sounds doable right it's it sounds

1604
01:08:33,050 --> 01:08:31,259
like that why wouldn't that be possible

1605
01:08:35,870 --> 01:08:33,060
I mean if we have

1606
01:08:37,610 --> 01:08:35,880
UFOs popping out of the oceans and

1607
01:08:39,829 --> 01:08:37,620
Waters and they're hiding out why

1608
01:08:41,510 --> 01:08:39,839
couldn't there be something like that in

1609
01:08:43,010 --> 01:08:41,520
the woods so I I definitely believe

1610
01:08:46,970 --> 01:08:43,020
that's possible

1611
01:08:51,470 --> 01:08:46,980
what about uh the other part where uh

1612
01:08:55,309 --> 01:08:51,480
Bigfoot is a spirit being

1613
01:08:57,769 --> 01:08:55,319

you know yeah I think yeah spirit being

1614

01:09:00,229 --> 01:08:57,779

you know I think of like you know we're

1615

01:09:01,970 --> 01:09:00,239

Spiritual Beings physical body

1616

01:09:04,070 --> 01:09:01,980

they could be

1617

01:09:06,610 --> 01:09:04,080

you know more more on the spiritual side

1618

01:09:09,709 --> 01:09:06,620

with that because they are

1619

01:09:12,829 --> 01:09:09,719

materializing and and leaving Footprints

1620

01:09:15,709 --> 01:09:12,839

people we've we've found DNA we've we've

1621

01:09:17,749 --> 01:09:15,719

found hairs we've found different things

1622

01:09:19,130 --> 01:09:17,759

um and so the Native Americans believe

1623

01:09:21,789 --> 01:09:19,140

that they are

1624

01:09:24,110 --> 01:09:21,799

spiritual and that spiritual could be

1625

01:09:26,689 --> 01:09:24,120

dimensionals you know interdimensional

1626

01:09:27,829 --> 01:09:26,699

so they pop in and out

1627

01:09:30,289 --> 01:09:27,839

um

1628

01:09:32,630 --> 01:09:30,299

and you know there's also been a there

1629

01:09:34,370 --> 01:09:32,640

was a doctor a documentary uh film crew

1630

01:09:37,789 --> 01:09:34,380

a few years ago and I don't know if this

1631

01:09:40,249 --> 01:09:37,799

was completely vetted but they had

1632

01:09:41,150 --> 01:09:40,259

talked about seeing this weird

1633

01:09:44,689 --> 01:09:41,160

um

1634

01:09:47,570 --> 01:09:44,699

uh bear turn in and actually shapeshift

1635

01:09:49,550 --> 01:09:47,580

into a Bigfoot and all these and so

1636

01:09:51,769 --> 01:09:49,560

there's been talks of the shape-shifting

1637

01:09:54,229 --> 01:09:51,779

aspect of it so

1638

01:09:56,510 --> 01:09:54,239

um you know Bigfoot that could be one of

1639

01:09:58,870 --> 01:09:56,520

its forms one of its physical forms when

1640

01:10:02,150 --> 01:09:58,880

it's on this plane is appearing as that

1641

01:10:05,750 --> 01:10:02,160

because people are also experiencing

1642

01:10:09,050 --> 01:10:05,760

uh Poltergeist Shadow People activity

1643

01:10:10,870 --> 01:10:09,060

after uh Bigfoot encounters I think it

1644

01:10:13,850 --> 01:10:10,880

was Scott Carpenter who's a

1645

01:10:16,490 --> 01:10:13,860

researcher out in Tennessee stopped

1646

01:10:18,950 --> 01:10:16,500

doing the research because

1647

01:10:20,570 --> 01:10:18,960

stuff was coming into his house his

1648

01:10:22,070 --> 01:10:20,580

neighbors were having things looking in

1649

01:10:25,610 --> 01:10:22,080

their Windows calling the police and

1650

01:10:28,010 --> 01:10:25,620

he's like uh this is my fault so

1651
01:10:30,110 --> 01:10:28,020
it gets into a place where

1652
01:10:31,310 --> 01:10:30,120
it goes beyond this thing

1653
01:10:32,990 --> 01:10:31,320
um

1654
01:10:34,490 --> 01:10:33,000
being just an animal when you have the

1655
01:10:35,630 --> 01:10:34,500
Paranormal side of things starting to

1656
01:10:38,870 --> 01:10:35,640
come into play

1657
01:10:40,310 --> 01:10:38,880
then that kind of gets you to get your

1658
01:10:42,050 --> 01:10:40,320
mind going in that other direction well

1659
01:10:44,209 --> 01:10:42,060
this might be something else here this

1660
01:10:45,770 --> 01:10:44,219
might be alien interdimensional because

1661
01:10:50,390 --> 01:10:45,780
it seemingly

1662
01:10:53,149 --> 01:10:50,400
uh keeping up uh with with that facade I

1663
01:10:54,410 --> 01:10:53,159

had uh it was about five years ago I'm

1664

01:10:57,649 --> 01:10:54,420

not gonna

1665

01:11:00,649 --> 01:10:57,659

say I'm not going to reveal The Who

1666

01:11:03,770 --> 01:11:00,659

but uh I I get this email

1667

01:11:07,189 --> 01:11:03,780

um uh that says

1668

01:11:10,669 --> 01:11:07,199

basically that they have

1669

01:11:15,050 --> 01:11:10,679

video of a portal

1670

01:11:17,149 --> 01:11:15,060

a ring opening up in a living room and

1671

01:11:18,830 --> 01:11:17,159

Bigfoot steps out

1672

01:11:23,270 --> 01:11:18,840

on camera

1673

01:11:25,689 --> 01:11:23,280

right and I said okay send it to me now

1674

01:11:27,649 --> 01:11:25,699

you have to pay for it

1675

01:11:30,229 --> 01:11:27,659

I said what

1676

01:11:31,970 --> 01:11:30,239

and so this email exchange went back and

1677

01:11:34,610 --> 01:11:31,980

forth I don't pay for anything and if

1678

01:11:36,169 --> 01:11:34,620

this is what you say it is show it to me

1679

01:11:39,050 --> 01:11:36,179

I don't have to show it to anybody else

1680

01:11:41,149 --> 01:11:39,060

I just want to see if it's real yeah and

1681

01:11:43,669 --> 01:11:41,159

maybe I'll talk about it

1682

01:11:46,189 --> 01:11:43,679

um but uh but I'm not paying for

1683

01:11:47,810 --> 01:11:46,199

anything well you know because you know

1684

01:11:49,850 --> 01:11:47,820

I got a movie coming I've got this and

1685

01:11:52,130 --> 01:11:49,860

I've got you know this I said okay well

1686

01:11:55,010 --> 01:11:52,140

that's fine but if if this is five years

1687

01:11:58,850 --> 01:11:55,020

ago the footage is real good luck to you

1688

01:12:01,250 --> 01:11:58,860

I hope you make a great movie right okay

1689

01:12:05,270 --> 01:12:01,260

never heard anything that footage never

1690

01:12:09,530 --> 01:12:05,280

appeared it's not in and when you hear

1691

01:12:11,390 --> 01:12:09,540

something like that yeah what what go

1692

01:12:14,870 --> 01:12:11,400

what goes to your mind do you believe

1693

01:12:16,610 --> 01:12:14,880

that this footage does exist or is there

1694

01:12:17,689 --> 01:12:16,620

something else involved or is just a

1695

01:12:19,910 --> 01:12:17,699

bunch of BS

1696

01:12:21,530 --> 01:12:19,920

yeah I mean you start to there's

1697

01:12:24,470 --> 01:12:21,540

definitely people with an ulterior

1698

01:12:26,390 --> 01:12:24,480

motive to to generate Revenue right to

1699

01:12:28,669 --> 01:12:26,400

make some money off of something that

1700

01:12:29,870 --> 01:12:28,679

may or may not exist that they have or

1701

01:12:33,169 --> 01:12:29,880

say they have

1702

01:12:35,689 --> 01:12:33,179

and um I definitely find that most

1703

01:12:37,130 --> 01:12:35,699

people are pretty genuine with sharing

1704

01:12:40,390 --> 01:12:37,140

their encounter

1705

01:12:43,729 --> 01:12:40,400

but when someone starts to demand money

1706

01:12:45,950 --> 01:12:43,739

uh like okay red flag and

1707

01:12:50,750 --> 01:12:45,960

and they typically never really produce

1708

01:12:55,130 --> 01:12:50,760

uh anything uh I I did see some pretty

1709

01:12:58,669 --> 01:12:55,140

amazing footage in Maine Last Summer

1710

01:13:00,830 --> 01:12:58,679

uh from the main Bigfoot Society

1711

01:13:04,370 --> 01:13:00,840

uh it was taken from about a mile away

1712

01:13:06,649 --> 01:13:04,380

with the telephoto and it was a broad

1713

01:13:10,610 --> 01:13:06,659

daylight

1714

01:13:12,770 --> 01:13:10,620

dad Bigfoot mom Bigfoot and a baby

1715

01:13:15,169 --> 01:13:12,780

Bigfoot running behind them

1716

01:13:16,970 --> 01:13:15,179

and I watched it like 10 times I was

1717

01:13:19,910 --> 01:13:16,980

like

1718

01:13:23,450 --> 01:13:19,920

doesn't have that that super Clarity but

1719

01:13:25,669 --> 01:13:23,460

just something that was like wow

1720

01:13:27,729 --> 01:13:25,679

um and I think there's there is some

1721

01:13:29,750 --> 01:13:27,739

footage like that I think people have

1722

01:13:31,790 --> 01:13:29,760

something that maybe they're worried

1723

01:13:34,189 --> 01:13:31,800

about the government grabbing it or what

1724

01:13:36,410 --> 01:13:34,199

or what have you but I think there is

1725

01:13:38,270 --> 01:13:36,420

some I I heard of tonight another

1726

01:13:41,390 --> 01:13:38,280

individual showing

1727

01:13:44,750 --> 01:13:41,400

his friend um trail cam footage

1728

01:13:48,950 --> 01:13:44,760

from Pennsylvania from like 2015

1729

01:13:52,250 --> 01:13:48,960

dear dear bear deer Bigfoot what and the

1730

01:13:53,390 --> 01:13:52,260

thing is right there

1731

01:13:54,890 --> 01:13:53,400

so

1732

01:13:58,490 --> 01:13:54,900

people have them they're just afraid to

1733

01:13:59,990 --> 01:13:58,500

share it now uh I'm sure you know Duke

1734

01:14:03,229 --> 01:14:00,000

Sullivan

1735

01:14:05,330 --> 01:14:03,239

you know no I don't no Duke Duke is an

1736

01:14:07,550 --> 01:14:05,340

amazing Bigfoot researcher and he's

1737

01:14:10,490 --> 01:14:07,560

probably listening right now he's he's

1738

01:14:12,950 --> 01:14:10,500

just absolutely hey Duke yeah Duke Duke

1739

01:14:15,649 --> 01:14:12,960

is a world Bigfoot radio if you ever get

1740

01:14:20,030 --> 01:14:15,659

a chance to to go and check them out

1741

01:14:23,709 --> 01:14:20,040

um I love Duke there but Duke

1742

01:14:27,649 --> 01:14:25,850

telepathy which you've brought up a few

1743

01:14:29,870 --> 01:14:27,659

times

1744

01:14:31,850 --> 01:14:29,880

um Duke believes that there are some

1745

01:14:34,250 --> 01:14:31,860

heavy communication

1746

01:14:37,910 --> 01:14:34,260

um that is telepathic that they are

1747

01:14:39,649 --> 01:14:37,920

fully uh intelligent they do know how to

1748

01:14:42,050 --> 01:14:39,659

communicate they do communicate with

1749

01:14:43,310 --> 01:14:42,060

telepathy across great distances by the

1750

01:14:45,169 --> 01:14:43,320

way it's not like you have to be in the

1751

01:14:47,750 --> 01:14:45,179

same room we're talking about miles and

1752

01:14:51,410 --> 01:14:47,760

in some cases and that there are some

1753

01:14:55,070 --> 01:14:51,420

pretty sensitive uh humans out there

1754

01:14:57,310 --> 01:14:55,080

that are telepathic uh mediums too if

1755

01:15:01,330 --> 01:14:57,320

you will you know those with the gift

1756

01:15:05,270 --> 01:15:01,340

that can communicate and that understand

1757

01:15:06,649 --> 01:15:05,280

uh exactly uh what they are trying to

1758

01:15:07,990 --> 01:15:06,659

say

1759

01:15:11,750 --> 01:15:08,000

um it is

1760

01:15:14,990 --> 01:15:11,760

I'm kind of with Duke on this

1761

01:15:17,689 --> 01:15:15,000

um now you just said that you also have

1762

01:15:21,050 --> 01:15:17,699

uh the you know that you're sensitive to

1763

01:15:23,630 --> 01:15:21,060

this in some areas too as well yeah do

1764

01:15:26,630 --> 01:15:23,640

you think that that is the case it is

1765

01:15:30,350 --> 01:15:26,640

you know what's interesting is every uh

1766

01:15:33,410 --> 01:15:30,360

psychic medium that's like Dr Rebecca

1767

01:15:35,209 --> 01:15:33,420

Foster very similar we've had

1768

01:15:37,430 --> 01:15:35,219

experiences together where we you know

1769

01:15:39,950 --> 01:15:37,440

seen this stuff happen and she got a

1770

01:15:41,870 --> 01:15:39,960

telepathic method message

1771

01:15:44,990 --> 01:15:41,880

from this one that was saying it was

1772

01:15:46,490 --> 01:15:45,000

going to run in front of us get ready

1773

01:15:47,930 --> 01:15:46,500

and she was like get ready it's going to

1774

01:15:50,810 --> 01:15:47,940

move I'm like how do you know that and

1775

01:15:52,669 --> 01:15:50,820

she's like it just told me I'm like what

1776

01:15:53,750 --> 01:15:52,679

and it did it and it ran right in front

1777

01:15:55,250 --> 01:15:53,760

of us

1778

01:15:58,370 --> 01:15:55,260

and so I think

1779

01:16:01,490 --> 01:15:58,380

um the more I talk to some of these uh

1780

01:16:02,870 --> 01:16:01,500

psychic mediums and empaths or they're

1781

01:16:04,550 --> 01:16:02,880

all kind of pointing in that same

1782

01:16:07,130 --> 01:16:04,560

direction they're all like yep it is

1783

01:16:09,890 --> 01:16:07,140

Bigfoot is interdimensional is it is

1784

01:16:11,570 --> 01:16:09,900

something that can pop in and out and it

1785

01:16:13,370 --> 01:16:11,580

can communicate it could do this it

1786

01:16:15,470 --> 01:16:13,380

could do that

1787

01:16:17,870 --> 01:16:15,480

um Dr Foster was talking about

1788

01:16:20,590 --> 01:16:17,880

being in her cabin

1789

01:16:23,149 --> 01:16:20,600

in in like in a dream state in Ohio

1790

01:16:25,910 --> 01:16:23,159

right after we had this Bigfoot

1791

01:16:28,310 --> 01:16:25,920

experience and

1792

01:16:29,330 --> 01:16:28,320

she was getting almost like a a camera

1793

01:16:31,910 --> 01:16:29,340

feed

1794

01:16:34,250 --> 01:16:31,920

from its eyes as it was approaching her

1795

01:16:36,830 --> 01:16:34,260

window of the cabin

1796

01:16:40,250 --> 01:16:36,840

and she was like oh crap they can do

1797

01:16:41,930 --> 01:16:40,260

that stuff too so they they definitely

1798

01:16:43,370 --> 01:16:41,940

seem to have some abilities that are

1799

01:16:46,669 --> 01:16:43,380

beyond our grasp

1800

01:16:49,370 --> 01:16:46,679

what about oh I I want to show you this

1801

01:16:52,430 --> 01:16:49,380

um okay I just just for grins I want

1802

01:16:55,250 --> 01:16:52,440

your yeah uh I just want your thought on

1803

01:16:58,729 --> 01:16:55,260

this okay so these are the prints

1804

01:17:02,209 --> 01:16:58,739

um that uh we found I didn't follow from

1805

01:17:05,209 --> 01:17:02,219

your event from your event okay so so

1806

01:17:10,550 --> 01:17:05,219

um I didn't find them these these four

1807

01:17:12,830 --> 01:17:10,560

young men did okay and so

1808

01:17:17,270 --> 01:17:12,840

um this is me I'm sure you know Jason

1809

01:17:19,610 --> 01:17:17,280

quit and there he is he's oh yeah and so

1810

01:17:22,610 --> 01:17:19,620

um I don't know who took this picture

1811

01:17:25,130 --> 01:17:22,620

but but anyway so this is uh fader one

1812

01:17:28,669 --> 01:17:25,140

fader two this is Phoenix and this is

1813

01:17:31,189 --> 01:17:28,679

Jax I've known uh these four they're all

1814

01:17:33,169 --> 01:17:31,199

men now right they're all grown up

1815

01:17:35,209 --> 01:17:33,179

but uh

1816

01:17:39,649 --> 01:17:35,219

um what's really fascinating you see Jax

1817

01:17:42,350 --> 01:17:39,659

here he's probably a years old nine I I

1818

01:17:45,950 --> 01:17:42,360

think he just turned 18. and I'm

1819

01:17:48,350 --> 01:17:45,960

watching this so anyway uh Phoenix here

1820

01:17:49,790 --> 01:17:48,360

he comes up to me and says hey to me do

1821

01:17:50,630 --> 01:17:49,800

you want to see a big footprint I was

1822

01:17:51,590 --> 01:17:50,640

like no

1823

01:17:53,470 --> 01:17:51,600

oh

1824

01:17:56,450 --> 01:17:53,480

how far

1825

01:17:58,790 --> 01:17:56,460

where is it you know because these four

1826

01:18:00,590 --> 01:17:58,800

were running around you know for two

1827

01:18:02,990 --> 01:18:00,600

three days in the woods right and

1828

01:18:05,510 --> 01:18:03,000

they're doing boy things I'm not about

1829

01:18:08,470 --> 01:18:05,520

to go on a three mile hike to go and see

1830

01:18:11,149 --> 01:18:08,480

a big footprint and so I said no I'm not

1831

01:18:13,790 --> 01:18:11,159

interested well it turned out it was

1832

01:18:15,890 --> 01:18:13,800

closest so anyway I walked over when I

1833

01:18:19,010 --> 01:18:15,900

saw this thing

1834

01:18:21,070 --> 01:18:19,020

um I I truly freaked out I lost my mind

1835

01:18:25,189 --> 01:18:21,080

and so

1836

01:18:27,890 --> 01:18:25,199

uh here's okay so that's the heel I can

1837

01:18:31,010 --> 01:18:27,900

definitely see the toes yeah look at the

1838

01:18:32,870 --> 01:18:31,020

arch look at the arch and that thing is

1839

01:18:35,990 --> 01:18:32,880

this big man all right let me get this

1840

01:18:41,870 --> 01:18:36,000

it's like this wow and and you can see

1841

01:18:45,470 --> 01:18:41,880

how deep it is yeah and I I I I I did

1842

01:18:47,930 --> 01:18:45,480

I I lost my mind and uh to see something

1843

01:18:51,709 --> 01:18:47,940

like this in in this grass and it's hard

1844

01:18:53,750 --> 01:18:51,719

packed uh let me pop up another this is

1845

01:18:55,669 --> 01:18:53,760

another this is a second print this

1846

01:18:57,470 --> 01:18:55,679

isn't the same one and you said there

1847

01:19:00,290 --> 01:18:57,480

were what like four four prints that you

1848

01:19:02,209 --> 01:19:00,300

found prints in an arch and there were

1849

01:19:05,030 --> 01:19:02,219

probably two they were like six feet in

1850

01:19:06,950 --> 01:19:05,040

between left right see that's a big

1851

01:19:08,870 --> 01:19:06,960

thing like the ones that we found

1852

01:19:11,570 --> 01:19:08,880

there's a six foot stride between each

1853

01:19:14,270 --> 01:19:11,580

of those steps that's so difficult for

1854

01:19:16,750 --> 01:19:14,280

you for us to even try to all right dude

1855

01:19:19,729 --> 01:19:16,760

I fell over trying to do it

1856

01:19:22,729 --> 01:19:19,739

I really did when you try to take that

1857

01:19:24,950 --> 01:19:22,739

kind of a step yeah and I got halfway

1858

01:19:27,410 --> 01:19:24,960

there people think you know with three

1859

01:19:30,830 --> 01:19:27,420

or four foot stride you know that's a

1860

01:19:33,830 --> 01:19:30,840

long free go and try to do it and to

1861

01:19:36,770 --> 01:19:33,840

make that that depth impression

1862

01:19:39,410 --> 01:19:36,780

on top of it you know like to do that

1863

01:19:41,330 --> 01:19:39,420

stride and to do that I mean that's okay

1864

01:19:43,250 --> 01:19:41,340

check that out

1865

01:19:44,229 --> 01:19:43,260

look at that look at the size of this

1866

01:19:47,930 --> 01:19:44,239

thing

1867

01:19:50,570 --> 01:19:47,940

and uh uh and that's uh that's the

1868

01:19:53,030 --> 01:19:50,580

second print and again you see the arch

1869

01:19:54,830 --> 01:19:53,040

right you see the heel look at the big

1870

01:19:56,270 --> 01:19:54,840

toe

1871

01:19:59,630 --> 01:19:56,280

um

1872

01:20:02,570 --> 01:19:59,640

uh and hit man these guys man can you

1873

01:20:05,750 --> 01:20:02,580

imagine Adventure that that I mean they

1874

01:20:08,330 --> 01:20:05,760

will never forget it oh yeah that's

1875

01:20:11,390 --> 01:20:08,340

so I don't know if I have any more you

1876

01:20:14,630 --> 01:20:11,400

know that's it that's all I have but um

1877

01:20:17,270 --> 01:20:14,640

yeah right let me ask you this like when

1878

01:20:19,250 --> 01:20:17,280

you had your event it were was there any

1879

01:20:22,669 --> 01:20:19,260

strange lights or anything that happened

1880

01:20:23,990 --> 01:20:22,679

prior after that yeah we had some

1881

01:20:27,410 --> 01:20:24,000

sightings

1882

01:20:29,990 --> 01:20:27,420

um now that particular okay so when

1883

01:20:33,410 --> 01:20:30,000

um let me back okay so let me pull this

1884

01:20:38,450 --> 01:20:33,420

up again let me let me back this up

1885

01:20:41,030 --> 01:20:38,460

okay so here

1886

01:20:44,810 --> 01:20:41,040

let me pull this back up okay so the

1887

01:20:48,050 --> 01:20:44,820

footprint is going in this direction

1888

01:20:51,530 --> 01:20:48,060

okay so let's say I'm pointing at the

1889

01:20:54,470 --> 01:20:51,540

big toe the heel is over here and you

1890

01:20:56,149 --> 01:20:54,480

see where my feet are and that's when I

1891

01:20:57,709 --> 01:20:56,159

backed up because we haven't marked off

1892

01:21:00,229 --> 01:20:57,719

everything yet this was at the beginning

1893

01:21:02,510 --> 01:21:00,239

when this picture was taken and when I

1894

01:21:04,610 --> 01:21:02,520

saw this I went wait a minute

1895

01:21:06,290 --> 01:21:04,620

there's got to be more prints I said

1896

01:21:09,050 --> 01:21:06,300

everybody just backup were probably

1897

01:21:11,030 --> 01:21:09,060

standing on them so we started that's

1898

01:21:14,390 --> 01:21:11,040

when well here's another one here's

1899

01:21:16,910 --> 01:21:14,400

another one okay so the arch went this

1900

01:21:19,490 --> 01:21:16,920

way so the second print is behind me I

1901

01:21:21,770 --> 01:21:19,500

don't even know it yet right but it's

1902

01:21:24,770 --> 01:21:21,780

like back here and then there's another

1903

01:21:27,110 --> 01:21:24,780

one over here right going in an arch and

1904

01:21:28,669 --> 01:21:27,120

then the other one was right behind

1905

01:21:31,070 --> 01:21:28,679

Jason's feet

1906

01:21:34,070 --> 01:21:31,080

we didn't know it yet right do you see

1907

01:21:36,410 --> 01:21:34,080

where my arrow is my first so there's an

1908

01:21:39,350 --> 01:21:36,420

item yeah there's a print here there's

1909

01:21:40,669 --> 01:21:39,360

this one here then there's another one

1910

01:21:42,350 --> 01:21:40,679

here and there's another one here we

1911

01:21:44,510 --> 01:21:42,360

found four that were going in an arch

1912

01:21:47,930 --> 01:21:44,520

and then that's it nothing nothing

1913

01:21:50,630 --> 01:21:47,940

before or after we scoured are you

1914

01:21:53,930 --> 01:21:50,640

kidding me yeah we had 50 people out

1915

01:21:58,010 --> 01:21:53,940

there right everybody in a line looking

1916

01:22:00,709 --> 01:21:58,020

uh for more prints and uh we didn't and

1917

01:22:04,310 --> 01:22:00,719

the way that it arched over towards this

1918

01:22:06,350 --> 01:22:04,320

RV that's back here the guy that whose

1919

01:22:08,450 --> 01:22:06,360

RV that was he goes dude man those

1920

01:22:10,070 --> 01:22:08,460

prints are going straight to my RV and

1921

01:22:12,649 --> 01:22:10,080

he you know you just kind of like what

1922

01:22:13,370 --> 01:22:12,659

but

1923

01:22:17,630 --> 01:22:13,380

um

1924

01:22:21,050 --> 01:22:17,640

with their feet

1925

01:22:22,910 --> 01:22:21,060

no but this thing left you know and so

1926

01:22:24,590 --> 01:22:22,920

the other parts

1927

01:22:27,950 --> 01:22:24,600

um I want to ask you about this because

1928

01:22:31,270 --> 01:22:27,960

for me I think it's a really big point

1929

01:22:33,590 --> 01:22:31,280

to make here if you're gonna wear

1930

01:22:35,810 --> 01:22:33,600

Bigfoot clown feet

1931

01:22:39,709 --> 01:22:35,820

and go and hoax this

1932

01:22:43,130 --> 01:22:39,719

you got to have weight too right

1933

01:22:46,250 --> 01:22:43,140

the biggest thing like you said you're

1934

01:22:49,070 --> 01:22:46,260

200 pounds and you you can't even push

1935

01:22:50,750 --> 01:22:49,080

that down every you know some of these

1936

01:22:53,209 --> 01:22:50,760

tracks three and a half inches deep

1937

01:22:56,510 --> 01:22:53,219

that's going to be something 500 pounds

1938

01:22:58,970 --> 01:22:56,520

or more to really do that and

1939

01:23:02,330 --> 01:22:58,980

uh on top of that to be running and have

1940

01:23:05,330 --> 01:23:02,340

leaving a stride or what have you

1941

01:23:07,370 --> 01:23:05,340

that's uh that's a that's a big creature

1942

01:23:09,169 --> 01:23:07,380

yeah somebody just said how far are the

1943

01:23:11,630 --> 01:23:09,179

prince apart

1944

01:23:12,950 --> 01:23:11,640

um uh I've got a bunch more photographs

1945

01:23:14,209 --> 01:23:12,960

I just don't have them in this folder

1946

01:23:17,450 --> 01:23:14,219

they're somewhere else I'm not going to

1947

01:23:19,010 --> 01:23:17,460

search for them on my computer but I I

1948

01:23:25,610 --> 01:23:19,020

laid

1949

01:23:28,610 --> 01:23:25,620

the tracks and we took pictures we took

1950

01:23:31,370 --> 01:23:28,620

pictures of of that too so just to give

1951

01:23:34,729 --> 01:23:31,380

you an idea uh the prints themselves

1952

01:23:38,750 --> 01:23:34,739

again I keep holding my hands up uh I

1953

01:23:41,330 --> 01:23:38,760

think we measured them at uh 20 inches

1954

01:23:44,090 --> 01:23:41,340

you saw that twenty dollar bill right

1955

01:23:46,250 --> 01:23:44,100

yeah and so

1956

01:23:50,450 --> 01:23:46,260

um and it would be like three twenty

1957

01:23:52,910 --> 01:23:50,460

dollar bills is my guess uh how so what

1958

01:23:56,050 --> 01:23:52,920

how how long is a dollar bill

1959

01:23:59,450 --> 01:23:56,060

but eight inches it's not six

1960

01:24:01,729 --> 01:23:59,460

got probably eight it's so what's three

1961

01:24:03,709 --> 01:24:01,739

that's 24 inches so I I think we

1962

01:24:07,189 --> 01:24:03,719

measured them uh to be about 20 inches

1963

01:24:10,130 --> 01:24:07,199

and about six feet apart and that was oh

1964

01:24:12,649 --> 01:24:10,140

okay so you've done this a lot and when

1965

01:24:14,330 --> 01:24:12,659

you see two prints that far apart like

1966

01:24:17,030 --> 01:24:14,340

you said a human with that kind of

1967

01:24:19,070 --> 01:24:17,040

strike you can't do it you fall over

1968

01:24:22,370 --> 01:24:19,080

um yeah but you kind of back up and you

1969

01:24:25,430 --> 01:24:22,380

visualize where the prints are and then

1970

01:24:29,350 --> 01:24:25,440

the legs coming down and then the Tor

1971

01:24:32,390 --> 01:24:29,360

what you're like holy crap wait a minute

1972

01:24:34,970 --> 01:24:32,400

that does make start to make sense on

1973

01:24:37,550 --> 01:24:34,980

how the impression could be made but a

1974

01:24:40,669 --> 01:24:37,560

human wearing clown feet isn't going to

1975

01:24:42,590 --> 01:24:40,679

do that are they no and and if you see

1976

01:24:44,689 --> 01:24:42,600

you know a lot of tracks through Bigfoot

1977

01:24:46,430 --> 01:24:44,699

tracks they're like in a they they

1978

01:24:48,470 --> 01:24:46,440

follow each other in a line if you try

1979

01:24:50,330 --> 01:24:48,480

to run like that like you said you

1980

01:24:52,130 --> 01:24:50,340

tripped you fell over

1981

01:24:55,189 --> 01:24:52,140

that's what's gonna happen if you try to

1982

01:24:57,970 --> 01:24:55,199

recreate that straight line in a six

1983

01:25:01,370 --> 01:24:57,980

foot stride I mean that thing has to be

1984

01:25:03,950 --> 01:25:01,380

hoofing it yeah yeah

1985

01:25:05,750 --> 01:25:03,960

um I had to jump

1986

01:25:10,070 --> 01:25:05,760

to make that stride

1987

01:25:13,490 --> 01:25:10,080

I did we we were all doing it and and

1988

01:25:15,050 --> 01:25:13,500

Jason quit who's like six foot six

1989

01:25:18,110 --> 01:25:15,060

um six foot four you know he's a big

1990

01:25:19,850 --> 01:25:18,120

tall skinny lanky guy he was just like

1991

01:25:22,310 --> 01:25:19,860

me I thought that he could match that

1992

01:25:23,630 --> 01:25:22,320

stride he was he was about halfway there

1993

01:25:27,070 --> 01:25:23,640

you know

1994

01:25:30,530 --> 01:25:27,080

um uh I have a yardstick uh over here

1995

01:25:32,450 --> 01:25:30,540

and for everybody out there that's just

1996

01:25:35,750 --> 01:25:32,460

a little bit skeptical put down a

1997

01:25:38,149 --> 01:25:35,760

yardstick put your toe at one end and

1998

01:25:39,790 --> 01:25:38,159

then step to the end of it let me know

1999

01:25:43,070 --> 01:25:39,800

how that works out

2000

01:25:46,250 --> 01:25:43,080

yeah it's a it's a lot you'll be you'll

2001

01:25:48,410 --> 01:25:46,260

be sore in the morning it's a lot man

2002

01:25:51,709 --> 01:25:48,420

it's a long step

2003

01:25:54,770 --> 01:25:51,719

um uh now here's here's the other part

2004

01:25:58,310 --> 01:25:54,780

um I just showed you these images

2005

01:26:00,649 --> 01:25:58,320

um there were no other prints there and

2006

01:26:02,990 --> 01:26:00,659

there were no other prince after that

2007

01:26:05,169 --> 01:26:03,000

and it would it indicate to me that

2008

01:26:08,870 --> 01:26:05,179

either something you know D

2009

01:26:10,610 --> 01:26:08,880

molecularized right and just or dropped

2010

01:26:13,010 --> 01:26:10,620

out of the sky

2011

01:26:16,669 --> 01:26:13,020

um and then repeated the process at the

2012

01:26:19,310 --> 01:26:16,679

end but there was no rain

2013

01:26:22,430 --> 01:26:19,320

right there was nothing there to soften

2014

01:26:24,890 --> 01:26:22,440

this you know to turn it into mud that

2015

01:26:27,890 --> 01:26:24,900

or we would see Footprints all over the

2016

01:26:29,930 --> 01:26:27,900

place because people were walking around

2017

01:26:32,270 --> 01:26:29,940

um all week long right and and none of

2018

01:26:35,209 --> 01:26:32,280

that existed out there but the

2019

01:26:38,470 --> 01:26:35,219

Impressions that we were looking at look

2020

01:26:42,950 --> 01:26:38,480

fresh right never done that overnight

2021

01:26:45,830 --> 01:26:42,960

wow yeah yes yeah yeah yeah and you know

2022

01:26:47,810 --> 01:26:45,840

it you know you have a gathering of the

2023

01:26:50,209 --> 01:26:47,820

minds right you're doing your event and

2024

01:26:52,250 --> 01:26:50,219

you're talking about this stuff UFOs

2025

01:26:53,990 --> 01:26:52,260

Bigfoot paranormal

2026

01:26:57,110 --> 01:26:54,000

I think that would attract something

2027

01:27:00,410 --> 01:26:57,120

like that to see what's going on right

2028

01:27:04,510 --> 01:27:00,420

like I I agree with that yeah and you

2029

01:27:08,510 --> 01:27:04,520

know why I'll tell you why because I sat

2030

01:27:10,490 --> 01:27:08,520

after that I I had to go off by myself I

2031

01:27:12,709 --> 01:27:10,500

I just had to sit and collect my

2032

01:27:17,590 --> 01:27:12,719

thoughts and just yeah process that I

2033

01:27:22,550 --> 01:27:17,600

really did I mean I was just like what

2034

01:27:25,310 --> 01:27:22,560

and and and and whoever wanted to would

2035

01:27:28,370 --> 01:27:25,320

definitely pick up on my vibe right like

2036

01:27:32,570 --> 01:27:28,380

they they just gave me a little gift

2037

01:27:34,970 --> 01:27:32,580

right a little gift and and they knew it

2038

01:27:36,890 --> 01:27:34,980

but I was stunned I was like an ice pick

2039

01:27:39,229 --> 01:27:36,900

in the forehead

2040

01:27:42,290 --> 01:27:39,239

um I don't even somebody's asking me

2041

01:27:45,830 --> 01:27:42,300

where this was up in Washington near the

2042

01:27:47,990 --> 01:27:45,840

Yakima Indian Reservation so this is

2043

01:27:51,229 --> 01:27:48,000

there you go

2044

01:27:52,010 --> 01:27:51,239

um yeah and there were UFOs connected to

2045

01:27:53,810 --> 01:27:52,020

that

2046

01:27:56,450 --> 01:27:53,820

um as well what about

2047

01:27:58,310 --> 01:27:56,460

um uh I wanted to ask you about this uh

2048

01:27:59,570 --> 01:27:58,320

diatlov pass

2049

01:28:01,910 --> 01:27:59,580

yeah

2050

01:28:04,189 --> 01:28:01,920

that's got both right that we've got

2051

01:28:06,229 --> 01:28:04,199

yeah there's there's one there was a an

2052

01:28:08,229 --> 01:28:06,239

orange orb that they had they had

2053

01:28:11,770 --> 01:28:08,239

witnessed

2054

01:28:14,330 --> 01:28:11,780

three days three days before yeah yeah

2055

01:28:17,990 --> 01:28:14,340

do you think the olive past was a

2056

01:28:23,689 --> 01:28:21,830

It's Curious uh you know

2057

01:28:25,430 --> 01:28:23,699

it's an interesting story there

2058

01:28:28,610 --> 01:28:25,440

definitely seems to be some

2059

01:28:31,189 --> 01:28:28,620

some strangeness going on and uh

2060

01:28:32,990 --> 01:28:31,199

uh if it is yeah it's definitely one of

2061

01:28:34,310 --> 01:28:33,000

those cases almost like Abe Canyon where

2062

01:28:38,030 --> 01:28:34,320

there's

2063

01:28:40,370 --> 01:28:38,040

uh a Bigfoot Behaving Badly

2064

01:28:42,070 --> 01:28:40,380

where's that

2065

01:28:45,010 --> 01:28:42,080

what's that

2066

01:28:49,550 --> 01:28:45,020

Abe Canyon is um

2067

01:28:51,410 --> 01:28:49,560

uh in in Oregon and that's when in 1924

2068

01:28:55,610 --> 01:28:51,420

a group of miners

2069

01:28:59,510 --> 01:28:55,620

uh supposedly had shot uh one of these

2070

01:29:02,930 --> 01:28:59,520

uh Bigfoot and later that night their

2071

01:29:05,270 --> 01:29:02,940

cabin was was attacked like they they

2072

01:29:06,709 --> 01:29:05,280

were jumping on the roof and they were

2073

01:29:08,689 --> 01:29:06,719

attacking and they and they left all

2074

01:29:09,530 --> 01:29:08,699

their mining equipment

2075

01:29:11,930 --> 01:29:09,540

um

2076

01:29:14,870 --> 01:29:11,940

so that's one of the biggest

2077

01:29:16,910 --> 01:29:14,880

Bigfoot signs of aggression type stories

2078

01:29:19,729 --> 01:29:16,920

over the past few few hundred years

2079

01:29:21,229 --> 01:29:19,739

because we're always hearing oh they're

2080

01:29:23,090 --> 01:29:21,239

they're good they're not trying to hurt

2081

01:29:24,830 --> 01:29:23,100

you throwing rocks they never hit you

2082

01:29:27,709 --> 01:29:24,840

but that's one of those stories where

2083

01:29:29,750 --> 01:29:27,719

there's some you know again

2084

01:29:31,729 --> 01:29:29,760

if if they had killed one of their own

2085

01:29:34,790 --> 01:29:31,739

you could expect that to happen from

2086

01:29:38,090 --> 01:29:34,800

from uh anybody but

2087

01:29:40,370 --> 01:29:38,100

one of uh whenever I want to get a laugh

2088

01:29:43,370 --> 01:29:40,380

right when I when I want to get a

2089

01:29:45,410 --> 01:29:43,380

guaranteed laugh and get the crowd to

2090

01:29:48,010 --> 01:29:45,420

laugh I'll I'll do this to you on

2091

01:29:51,410 --> 01:29:48,020

Saturday when I introduce you

2092

01:29:53,390 --> 01:29:51,420

would I want to get the you know I'll

2093

01:29:56,510 --> 01:29:53,400

say like you know what

2094

01:29:58,250 --> 01:29:56,520

all these Bigfoot shows I know how

2095

01:30:00,830 --> 01:29:58,260

they're all gonna end

2096

01:30:03,169 --> 01:30:00,840

right and and everybody like look you're

2097

01:30:04,729 --> 01:30:03,179

laughing right and and and we all get

2098

01:30:13,430 --> 01:30:04,739

that

2099

01:30:15,110 --> 01:30:13,440

um the season finale I can tell you what

2100

01:30:16,910 --> 01:30:15,120

the season finale I can tell you how

2101

01:30:19,669 --> 01:30:16,920

it's going to end

2102

01:30:23,270 --> 01:30:19,679

um but uh the other part of it is if you

2103

01:30:25,610 --> 01:30:23,280

guys did get this shot

2104

01:30:28,430 --> 01:30:25,620

how would you publicize it would it be a

2105

01:30:32,510 --> 01:30:28,440

season finale would you have Bigfoot

2106

01:30:34,910 --> 01:30:32,520

live on Fox television you know what

2107

01:30:39,050 --> 01:30:34,920

would you you know I find it interesting

2108

01:30:41,030 --> 01:30:39,060

like I would immediately

2109

01:30:44,330 --> 01:30:41,040

I would do a press like some kind of a

2110

01:30:46,430 --> 01:30:44,340

press release because nobody

2111

01:30:47,570 --> 01:30:46,440

nobody believes it you know I mean like

2112

01:30:48,830 --> 01:30:47,580

they'd be like well if you really found

2113

01:30:51,290 --> 01:30:48,840

it we would have heard it by now before

2114

01:30:52,610 --> 01:30:51,300

episode whatever

2115

01:30:54,649 --> 01:30:52,620

so

2116

01:30:57,229 --> 01:30:54,659

and and for us we've talked about this

2117

01:30:59,030 --> 01:30:57,239

internally just like if you know we

2118

01:31:02,090 --> 01:30:59,040

we've been compiling some pretty

2119

01:31:03,590 --> 01:31:02,100

incredible evidence and we're having

2120

01:31:06,169 --> 01:31:03,600

that stacked up it's kind of like

2121

01:31:08,450 --> 01:31:06,179

undeniable but to have

2122

01:31:10,490 --> 01:31:08,460

something incredible for us to get some

2123

01:31:12,890 --> 01:31:10,500

amazing footage like a Paris and gimlin

2124

01:31:14,570 --> 01:31:12,900

type thing and and Russ captured

2125

01:31:16,790 --> 01:31:14,580

something pretty amazing standing up and

2126

01:31:17,870 --> 01:31:16,800

walking away

2127

01:31:19,850 --> 01:31:17,880

um

2128

01:31:22,610 --> 01:31:19,860

you know people are going to be I think

2129

01:31:24,169 --> 01:31:22,620

a little skeptical about about that and

2130

01:31:25,370 --> 01:31:24,179

so I think you'd have to really treat it

2131

01:31:27,709 --> 01:31:25,380

like

2132

01:31:29,689 --> 01:31:27,719

we we capture this while we're while

2133

01:31:31,370 --> 01:31:29,699

we're filming right now here it is I

2134

01:31:32,629 --> 01:31:31,380

would I would get that out to the public

2135

01:31:33,830 --> 01:31:32,639

because people need to see that

2136

01:31:36,470 --> 01:31:33,840

otherwise

2137

01:31:38,810 --> 01:31:36,480

yeah it just won't be accepted and we've

2138

01:31:41,870 --> 01:31:38,820

we've run it uh into that where we've

2139

01:31:44,330 --> 01:31:41,880

captured some some great uh

2140

01:31:47,030 --> 01:31:44,340

evidence that people like yeah but it's

2141

01:31:49,129 --> 01:31:47,040

like you know we we were like that

2142

01:31:51,590 --> 01:31:49,139

shadow that that cloaking that we

2143

01:31:53,330 --> 01:31:51,600

captured on on video

2144

01:31:56,270 --> 01:31:53,340

um I could quit the show right now I'd

2145

01:31:59,090 --> 01:31:56,280

be so um stoked that we got that because

2146

01:32:01,430 --> 01:31:59,100

that for me just kind of showcases the

2147

01:32:03,649 --> 01:32:01,440

other side of of Sasquatch that they can

2148

01:32:06,110 --> 01:32:03,659

do these things well okay now you

2149

01:32:07,930 --> 01:32:06,120

avoided the first question though like a

2150

01:32:10,970 --> 01:32:07,940

good politician

2151
01:32:13,250 --> 01:32:10,980
how do you respond to people like me

2152
01:32:15,950 --> 01:32:13,260
that say you know I I know how these

2153
01:32:19,070 --> 01:32:15,960
shows uh end it's you know it's like Oak

2154
01:32:20,570 --> 01:32:19,080
Island and it's it's the uh I know the

2155
01:32:22,669 --> 01:32:20,580
ending of these shows how do you respond

2156
01:32:23,629 --> 01:32:22,679
to that

2157
01:32:26,209 --> 01:32:23,639
um

2158
01:32:27,709 --> 01:32:26,219
I think Expedition Bigfoot's already

2159
01:32:30,410 --> 01:32:27,719
been proving

2160
01:32:32,830 --> 01:32:30,420
uh different than what other shows have

2161
01:32:37,129 --> 01:32:35,330
you know we're we're bringing a we have

2162
01:32:38,870 --> 01:32:37,139
a real scientist out there a real

2163
01:32:40,550 --> 01:32:38,880

primatologist we have we're bringing

2164

01:32:42,470 --> 01:32:40,560

real technology we're bringing real

2165

01:32:44,450 --> 01:32:42,480

know-how we're trying to

2166

01:32:46,010 --> 01:32:44,460

pull it all together and I think that

2167

01:32:52,010 --> 01:32:46,020

we're

2168

01:32:55,010 --> 01:32:52,020

amazing results and if everyone expects

2169

01:32:57,590 --> 01:32:55,020

it's going to end the same way I'd say

2170

01:32:58,910 --> 01:32:57,600

keep on watching might we might surprise

2171

01:33:02,750 --> 01:32:58,920

you

2172

01:33:05,090 --> 01:33:02,760

and uh again I'm not here to I'm not a

2173

01:33:07,910 --> 01:33:05,100

loudmouth DJ that's here to cause

2174

01:33:09,890 --> 01:33:07,920

controversy or anything but there has

2175

01:33:11,629 --> 01:33:09,900

been we don't have to name names but

2176

01:33:15,410 --> 01:33:11,639

there's been some pretty

2177

01:33:20,510 --> 01:33:15,420

incredible Bigfoot close-up stuff that

2178

01:33:22,550 --> 01:33:20,520

has happened and I have looked at the

2179

01:33:24,649 --> 01:33:22,560

high-res images

2180

01:33:27,350 --> 01:33:24,659

and it's pretty damn convincing it's

2181

01:33:29,870 --> 01:33:27,360

pretty awesome right and it looks to me

2182

01:33:33,110 --> 01:33:29,880

to be very hard to fake

2183

01:33:35,149 --> 01:33:33,120

but it's also too good to be true

2184

01:33:36,950 --> 01:33:35,159

um again I'm not here to poo poo but

2185

01:33:38,629 --> 01:33:36,960

when you look at the same images you

2186

01:33:40,669 --> 01:33:38,639

know what I'm talking about when you

2187

01:33:42,530 --> 01:33:40,679

look at those images

2188

01:33:46,370 --> 01:33:42,540

um How do you

2189

01:33:48,229 --> 01:33:46,380

uh respond is it is it the same as as

2190

01:33:49,610 --> 01:33:48,239

myself and others that it's it's just

2191

01:33:51,890 --> 01:33:49,620

too good

2192

01:33:55,129 --> 01:33:51,900

yeah I think we have this

2193

01:33:57,110 --> 01:33:55,139

it's either so blurry or it's too good

2194

01:34:00,530 --> 01:33:57,120

and clear to be true there's no like

2195

01:34:03,169 --> 01:34:00,540

middle ground and uh and everyone wants

2196

01:34:08,110 --> 01:34:03,179

that clear imagery the the video they

2197

01:34:15,890 --> 01:34:10,930

CGI that's CGI

2198

01:34:20,689 --> 01:34:15,900

and um and the well okay that's other

2199

01:34:25,729 --> 01:34:22,129

um

2200

01:34:27,590 --> 01:34:25,739

I kind of like I try to feel you know as

2201

01:34:30,229 --> 01:34:27,600

I'm watching some of this

2202

01:34:32,149 --> 01:34:30,239

I usually get an instant reaction right

2203

01:34:35,530 --> 01:34:32,159

away the first time around

2204

01:34:39,229 --> 01:34:35,540

you know it's either like nope I've I've

2205

01:34:41,090 --> 01:34:39,239

rarely have I seen something where I've

2206

01:34:43,490 --> 01:34:41,100

watched them like oh this is awesome and

2207

01:34:44,810 --> 01:34:43,500

then nah it's always been the other way

2208

01:34:46,550 --> 01:34:44,820

around where

2209

01:34:49,010 --> 01:34:46,560

see it kind of like yeah watch it again

2210

01:34:50,629 --> 01:34:49,020

I'm like no I'm just not buying it but

2211

01:34:52,610 --> 01:34:50,639

if I watch something like the the

2212

01:34:54,169 --> 01:34:52,620

footage up in Maine and seeing that I'm

2213

01:34:58,070 --> 01:34:54,179

like okay

2214

01:35:01,790 --> 01:34:58,080

this is legit like this is unbelievable

2215

01:35:04,250 --> 01:35:01,800

um so when you when you see that stuff

2216

01:35:05,990 --> 01:35:04,260

it's we need more of it I think there's

2217

01:35:07,790 --> 01:35:06,000

like I said before I think there's a lot

2218

01:35:10,669 --> 01:35:07,800

of people that have some of this footage

2219

01:35:13,189 --> 01:35:10,679

trail cam footage things like that that

2220

01:35:16,790 --> 01:35:13,199

uh they just need to get out there

2221

01:35:19,430 --> 01:35:16,800

share it one of my close friends uh who

2222

01:35:21,830 --> 01:35:19,440

is also a troublemaker

2223

01:35:24,070 --> 01:35:21,840

um uh just posted this question I'm

2224

01:35:26,870 --> 01:35:24,080

going to pop it up here in a second

2225

01:35:28,850 --> 01:35:26,880

but he um he's awesome

2226

01:35:33,290 --> 01:35:28,860

um and uh he's been a guest at my house

2227

01:35:35,390 --> 01:35:33,300

and that's a very rare thing wow but

2228

01:35:36,470 --> 01:35:35,400

um he also owns a really cool restaurant

2229

01:35:40,850 --> 01:35:36,480

chain

2230

01:35:41,870 --> 01:35:40,860

so if you respond to this and you're

2231

01:35:43,910 --> 01:35:41,880

good

2232

01:35:46,550 --> 01:35:43,920

I can promise you a really cool gift

2233

01:35:50,870 --> 01:35:46,560

basket okay all right so here's here it

2234

01:35:55,090 --> 01:35:52,669

is amazing and he's laughing right now

2235

01:35:59,090 --> 01:35:55,100

but he says here

2236

01:36:02,570 --> 01:35:59,100

Ronnie's scariest Bigfoot story now

2237

01:36:04,610 --> 01:36:02,580

think before you respond to this because

2238

01:36:05,689 --> 01:36:04,620

this will dictate the size of the gift

2239

01:36:08,990 --> 01:36:05,699

basket

2240

01:36:14,570 --> 01:36:12,770

I mean personally it was my first

2241

01:36:17,090 --> 01:36:14,580

experience

2242

01:36:20,450 --> 01:36:17,100

imagine you're 11 years old alone in the

2243

01:36:22,370 --> 01:36:20,460

forest and you

2244

01:36:23,689 --> 01:36:22,380

um basically

2245

01:36:27,229 --> 01:36:23,699

feel

2246

01:36:29,470 --> 01:36:27,239

the ground shaking by something stomping

2247

01:36:32,030 --> 01:36:29,480

in front of you

2248

01:36:33,950 --> 01:36:32,040

this was in Monster Land in Leominster

2249

01:36:37,129 --> 01:36:33,960

Massachusetts okay

2250

01:36:40,189 --> 01:36:37,139

um I was meeting some friends that were

2251

01:36:43,189 --> 01:36:40,199

all riding our bikes in Monster Land

2252

01:36:45,649 --> 01:36:43,199

and I went down this Trail and this is

2253

01:36:47,510 --> 01:36:45,659

you know something just started

2254

01:36:49,669 --> 01:36:47,520

moving through the forest and I'm

2255

01:36:52,129 --> 01:36:49,679

waiting for a moose to appear on the

2256

01:36:55,310 --> 01:36:52,139

trail and nothing

2257

01:36:57,590 --> 01:36:55,320

comes out and then it continues on and

2258

01:37:01,129 --> 01:36:57,600

pushes the trees I'm like

2259

01:37:03,770 --> 01:37:01,139

so I experienced that cloaking first

2260

01:37:05,450 --> 01:37:03,780

you know at 11 years old and not having

2261

01:37:07,610 --> 01:37:05,460

any understanding I did not think

2262

01:37:10,070 --> 01:37:07,620

Bigfoot did not even go there but my

2263

01:37:12,590 --> 01:37:10,080

mind was like what is what is going on

2264

01:37:14,689 --> 01:37:12,600

and I took off

2265

01:37:15,770 --> 01:37:14,699

um and that was one of those moments

2266

01:37:18,950 --> 01:37:15,780

where

2267

01:37:20,570 --> 01:37:18,960

if it wanted to rip me to shreds never

2268

01:37:23,209 --> 01:37:20,580

be found again

2269

01:37:24,950 --> 01:37:23,219

you know and it was something big and

2270

01:37:26,870 --> 01:37:24,960

that I couldn't see and that was part of

2271

01:37:28,910 --> 01:37:26,880

the scariest thing where

2272

01:37:31,430 --> 01:37:28,920

I knew there was something there I could

2273

01:37:33,470 --> 01:37:31,440

feel it and the fact that I couldn't see

2274

01:37:35,870 --> 01:37:33,480

it was was terrifying

2275

01:37:39,470 --> 01:37:35,880

uh were you with friends

2276

01:37:42,649 --> 01:37:39,480

by myself yep so by yourself

2277

01:37:43,490 --> 01:37:42,659

um I I love that except you're 11 years

2278

01:37:45,590 --> 01:37:43,500

old

2279

01:37:47,750 --> 01:37:45,600

so

2280

01:37:50,689 --> 01:37:47,760

um you could

2281

01:37:52,970 --> 01:37:50,699

I I would sleep with the the covers over

2282

01:37:56,450 --> 01:37:52,980

my head and make a whole you know like I

2283

01:37:57,530 --> 01:37:56,460

was scared yeah and this you know I had

2284

01:37:59,390 --> 01:37:57,540

that moment where I was like oh I'm

2285

01:38:02,030 --> 01:37:59,400

gonna go down the trail by myself and

2286

01:38:04,010 --> 01:38:02,040

see and when that happened

2287

01:38:07,129 --> 01:38:04,020

again it just kind of put it like you

2288

01:38:09,470 --> 01:38:07,139

are like this in this big world there's

2289

01:38:10,129 --> 01:38:09,480

other there's some scary things out

2290

01:38:13,310 --> 01:38:10,139

there

2291

01:38:15,830 --> 01:38:13,320

and uh it it just kind of

2292

01:38:17,450 --> 01:38:15,840

I think set me off that Curiosity train

2293

01:38:19,610 --> 01:38:17,460

where I was like I need to find out what

2294

01:38:22,850 --> 01:38:19,620

the hell that was I need to find out

2295

01:38:25,910 --> 01:38:22,860

what is going on why is it uh when

2296

01:38:28,729 --> 01:38:25,920

you're by yourself it's it's a million

2297

01:38:31,610 --> 01:38:28,739

times as scary right if you had friends

2298

01:38:36,530 --> 01:38:31,620

with you it it wouldn't have affected

2299

01:38:39,050 --> 01:38:36,540

you the same way I I this is look I'm

2300

01:38:43,430 --> 01:38:39,060

I'm a pretty rough and tumble guy right

2301

01:38:47,149 --> 01:38:43,440

I don't take crap you know I may be nice

2302

01:38:48,470 --> 01:38:47,159

most of the time and sensitive and

2303

01:38:50,689 --> 01:38:48,480

caring

2304

01:38:53,629 --> 01:38:50,699

but I also don't give a crap and I'm

2305

01:38:55,669 --> 01:38:53,639

pretty tired all right so and you'll say

2306

01:38:57,950 --> 01:38:55,679

it and you'll say it I'll say it so I'm

2307

01:39:00,410 --> 01:38:57,960

alone in my house this is like three

2308

01:39:03,950 --> 01:39:00,420

months ago all right this big ass house

2309

01:39:05,810 --> 01:39:03,960

man and I go to so around the corner

2310

01:39:07,729 --> 01:39:05,820

there's a hallway here and then there's

2311

01:39:10,370 --> 01:39:07,739

a longer hallway that goes back and

2312

01:39:13,129 --> 01:39:10,380

there's a bathroom back there by uh I

2313

01:39:15,830 --> 01:39:13,139

have a music studio back there there's a

2314

01:39:17,810 --> 01:39:15,840

bathroom and the bathroom door is angled

2315

01:39:20,149 --> 01:39:17,820

in this hallway it's it's weird to

2316

01:39:22,189 --> 01:39:20,159

explain but

2317

01:39:24,830 --> 01:39:22,199

um but at the end of the hallway is a

2318

01:39:27,050 --> 01:39:24,840

double set Double Wide Doors that go

2319

01:39:30,110 --> 01:39:27,060

into the studio and those Double Wide

2320

01:39:32,870 --> 01:39:30,120

Doors are are both open okay but it's

2321

01:39:33,850 --> 01:39:32,880

dark down there it's dark at the end of

2322

01:39:38,570 --> 01:39:33,860

that hallway

2323

01:39:40,070 --> 01:39:38,580

and I'm walking down the hallway in the

2324

01:39:42,110 --> 01:39:40,080

dark and I got to make a left-hand turn

2325

01:39:45,530 --> 01:39:42,120

to go into the bathroom

2326

01:39:49,550 --> 01:39:45,540

and uh so as I do that

2327

01:39:52,189 --> 01:39:49,560

I now my back so I I angle it I turn on

2328

01:39:54,890 --> 01:39:52,199

the bathroom light which now has a

2329

01:39:56,270 --> 01:39:54,900

mirror I need you to I this has got to

2330

01:40:00,110 --> 01:39:56,280

be a bonafide

2331

01:40:03,590 --> 01:40:00,120

there's a mirror that you look into and

2332

01:40:06,709 --> 01:40:03,600

you see the double doors right in the

2333

01:40:07,790 --> 01:40:06,719

room okay all right so I go in the

2334

01:40:11,390 --> 01:40:07,800

bathroom

2335

01:40:12,770 --> 01:40:11,400

turn on the light and I see in the

2336

01:40:16,189 --> 01:40:12,780

mirror

2337

01:40:18,310 --> 01:40:16,199

a freaking Shadow walk

2338

01:40:23,229 --> 01:40:18,320

through oh no way

2339

01:40:30,490 --> 01:40:28,189

and and and and I swear to you I do I

2340

01:40:34,010 --> 01:40:30,500

that when I go down that hallway now

2341

01:40:37,189 --> 01:40:34,020

you're always looking no the light is on

2342

01:40:41,149 --> 01:40:37,199

I turn on that light day or night it

2343

01:40:43,189 --> 01:40:41,159

does not matter man day or big big Rough

2344

01:40:45,709 --> 01:40:43,199

and Tumble Jimmy Church cannot walk down

2345

01:40:48,770 --> 01:40:45,719

a hallway without turning it could be 12

2346

01:40:51,110 --> 01:40:48,780

noon have you seen it again have you

2347

01:40:55,030 --> 01:40:51,120

seen it since that time dude I talk to

2348

01:40:59,629 --> 01:40:57,950

thank you for not appearing tonight yeah

2349

01:41:04,850 --> 01:40:59,639

thank you so much yeah thank you so much

2350

01:41:07,550 --> 01:41:04,860

man but yeah I jumped I literally jumped

2351

01:41:08,750 --> 01:41:07,560

out of my skin and now if somebody would

2352

01:41:12,010 --> 01:41:08,760

have been here

2353

01:41:14,629 --> 01:41:12,020

it might have been different right right

2354

01:41:18,770 --> 01:41:14,639

when you're alone dude you're mine

2355

01:41:21,290 --> 01:41:18,780

you're mine and I think that is

2356

01:41:24,530 --> 01:41:21,300

is necessary sometimes for these things

2357

01:41:27,649 --> 01:41:24,540

to almost show themselves because you

2358

01:41:29,330 --> 01:41:27,659

know like so many times where

2359

01:41:30,410 --> 01:41:29,340

um like you said you're with your

2360

01:41:31,729 --> 01:41:30,420

friends whatever but if you're by

2361

01:41:33,350 --> 01:41:31,739

yourself all sudden something happens

2362

01:41:34,550 --> 01:41:33,360

and you're like all right nobody else is

2363

01:41:36,590 --> 01:41:34,560

around

2364

01:41:38,810 --> 01:41:36,600

this thing just fell down or there was a

2365

01:41:42,649 --> 01:41:38,820

knock or what have you that your mind

2366

01:41:45,109 --> 01:41:42,659

goes wack did you and I dress alike

2367

01:41:46,510 --> 01:41:45,119

tonight is it right look at it kind of

2368

01:41:49,250 --> 01:41:46,520

throw me up

2369

01:41:52,189 --> 01:41:49,260

you gotta throw me off

2370

01:41:54,830 --> 01:41:52,199

um now uh I need some squatching advice

2371

01:41:57,229 --> 01:41:54,840

because

2372

01:41:59,810 --> 01:41:57,239

um I've got uh you've seen the you know

2373

01:42:03,410 --> 01:41:59,820

I've got a really nice jeep

2374

01:42:06,229 --> 01:42:03,420

um and I'm about to equip it uh one step

2375

01:42:08,149 --> 01:42:06,239

further oh I got a really cool Bigfoot

2376

01:42:10,609 --> 01:42:08,159

tire cover that you know I'm driving

2377

01:42:13,850 --> 01:42:10,619

around my town have you have you seen

2378

01:42:17,450 --> 01:42:13,860

Russ's truck no I haven't

2379

01:42:21,290 --> 01:42:17,460

it's enormous it's like a tank it's like

2380

01:42:23,030 --> 01:42:21,300

it's the truck rust

2381

01:42:26,450 --> 01:42:23,040

yes

2382

01:42:28,850 --> 01:42:26,460

he always jokes it's uh you know the big

2383

01:42:33,290 --> 01:42:28,860

car thing but um oh hold on let me see

2384

01:42:35,149 --> 01:42:33,300

if I can find it uh uh it's enormous

2385

01:42:38,570 --> 01:42:35,159

he would be the guy to ask on that

2386

01:42:40,370 --> 01:42:38,580

because he definitely has his toys he

2387

01:42:42,590 --> 01:42:40,380

definitely loves to bring

2388

01:42:46,790 --> 01:42:42,600

a lot of fun fun stuff

2389

01:42:49,609 --> 01:42:46,800

oh oh holy crap okay great he joked he

2390

01:42:52,430 --> 01:42:49,619

was gonna get a uh a trailer and then

2391

01:42:54,770 --> 01:42:52,440

like a helicopter and the upcoming

2392

01:42:57,950 --> 01:42:54,780

Seasons all white and black to match the

2393

01:43:02,470 --> 01:42:57,960

same thing man I'm looking at the team

2394

01:43:05,330 --> 01:43:02,480

shot of of the four of you right and uh

2395

01:43:07,390 --> 01:43:05,340

Russ's arm is bigger than everybody's

2396

01:43:09,350 --> 01:43:07,400

head

2397

01:43:11,390 --> 01:43:09,360

give me a shot

2398

01:43:15,290 --> 01:43:11,400

um no but what I'm asking so I'm getting

2399

01:43:17,330 --> 01:43:15,300

uh a teardrop trailer right a small oh

2400

01:43:19,970 --> 01:43:17,340

nice yeah yeah yeah I don't want

2401
01:43:21,410 --> 01:43:19,980
anything big I want to be able to go and

2402
01:43:23,570 --> 01:43:21,420
go

2403
01:43:27,050 --> 01:43:23,580
um uh what's the advice though if I'm

2404
01:43:29,810 --> 01:43:27,060
gonna go squatching do I do it alone do

2405
01:43:32,209 --> 01:43:29,820
I bring somebody with me

2406
01:43:35,330 --> 01:43:32,219
and that's the first question because

2407
01:43:37,550 --> 01:43:35,340
I'm gonna get to the third one here do

2408
01:43:39,109 --> 01:43:37,560
you Squatch alone or do you bring

2409
01:43:42,649 --> 01:43:39,119
somebody with you

2410
01:43:45,410 --> 01:43:42,659
I I think both are great because

2411
01:43:47,689 --> 01:43:45,420
one you gotta kind of face your fears

2412
01:43:50,270 --> 01:43:47,699
and being out there solo and kind of

2413
01:43:51,770 --> 01:43:50,280

deal with with that and if you want to

2414

01:43:53,570 --> 01:43:51,780

have that experience

2415

01:43:54,950 --> 01:43:53,580

that would probably be the time it would

2416

01:43:56,870 --> 01:43:54,960

happen

2417

01:43:58,430 --> 01:43:56,880

um and then having somebody with you is

2418

01:44:00,950 --> 01:43:58,440

always great so that way you have

2419

01:44:02,570 --> 01:44:00,960

someone that can corroborate your your

2420

01:44:04,609 --> 01:44:02,580

story you know like that you're

2421

01:44:06,890 --> 01:44:04,619

experiencing at the same time it's like

2422

01:44:09,350 --> 01:44:06,900

a lot more valid I think for your own

2423

01:44:13,129 --> 01:44:09,360

sanity to go okay I'm not the only one

2424

01:44:15,530 --> 01:44:13,139

that saw this you know right um so I

2425

01:44:17,450 --> 01:44:15,540

think both of those it might be that you

2426

01:44:27,189 --> 01:44:17,460

know to start with a friend and get that

2427

01:44:32,030 --> 01:44:29,689

so you need you need brass cojones

2428

01:44:34,129 --> 01:44:32,040

though to do that yeah because I I think

2429

01:44:37,430 --> 01:44:34,139

it's almost like this

2430

01:44:40,490 --> 01:44:37,440

Enlightenment kind of stage like you

2431

01:44:42,709 --> 01:44:40,500

need to you need to kind of like

2432

01:44:46,430 --> 01:44:42,719

do this it's almost like an initiation

2433

01:44:48,169 --> 01:44:46,440

and I I find it also interesting that

2434

01:44:51,609 --> 01:44:48,179

um you know Bigfoot shows up in the

2435

01:44:55,490 --> 01:44:51,619

dream world so shamans are interacting

2436

01:44:56,810 --> 01:44:55,500

uh with with it with them and um so they

2437

01:44:58,490 --> 01:44:56,820

are definitely there's there's something

2438

01:45:01,669 --> 01:44:58,500

going on with the the dream world the

2439

01:45:04,729 --> 01:45:01,679

Consciousness and I think just that solo

2440

01:45:07,129 --> 01:45:04,739

experience is is uh could be something

2441

01:45:08,810 --> 01:45:07,139

pretty incredible you heard about what

2442

01:45:10,490 --> 01:45:08,820

happened to Les Stroud when he was by

2443

01:45:11,270 --> 01:45:10,500

himself I did

2444

01:45:13,550 --> 01:45:11,280

um

2445

01:45:15,229 --> 01:45:13,560

and it you know get that telepathy and

2446

01:45:17,270 --> 01:45:15,239

then he's like yeah I'm not sticking

2447

01:45:18,830 --> 01:45:17,280

around for this like he had a chance to

2448

01:45:21,109 --> 01:45:18,840

see what they look like and he was like

2449

01:45:22,189 --> 01:45:21,119

nope I'm leaving yeah yeah yeah I

2450

01:45:24,290 --> 01:45:22,199

love less

2451

01:45:27,890 --> 01:45:24,300

um uh okay

2452

01:45:28,850 --> 01:45:27,900

um I'm solo we're gonna go over that

2453

01:45:31,430 --> 01:45:28,860

first

2454

01:45:32,810 --> 01:45:31,440

um I have no issues with that

2455

01:45:35,149 --> 01:45:32,820

um do I

2456

01:45:37,669 --> 01:45:35,159

arm myself

2457

01:45:39,970 --> 01:45:37,679

not necessarily from Bigfoot but also

2458

01:45:42,830 --> 01:45:39,980

you know you've got if you're alone

2459

01:45:46,250 --> 01:45:42,840

you've got mountain lions and bears and

2460

01:45:50,290 --> 01:45:46,260

other things to consider too as well

2461

01:45:53,090 --> 01:45:50,300

um a baseball bat I I don't think I mean

2462

01:45:55,370 --> 01:45:53,100

unless unless you're sleeping out under

2463

01:45:58,129 --> 01:45:55,380

the stars with no tent

2464

01:46:00,470 --> 01:45:58,139

a gun might be a good thing but if

2465

01:46:02,209 --> 01:46:00,480

you're in the the you know the the

2466

01:46:04,010 --> 01:46:02,219

teardrop you might be okay without

2467

01:46:06,290 --> 01:46:04,020

without anything you know we're out

2468

01:46:09,050 --> 01:46:06,300

there up until Alaska we haven't had any

2469

01:46:10,550 --> 01:46:09,060

guns with us right right it's been a

2470

01:46:13,370 --> 01:46:10,560

little unnerving because I I've had my

2471

01:46:15,169 --> 01:46:13,380

license to carry since I was 16 so I

2472

01:46:15,890 --> 01:46:15,179

feel comfortable having a gun

2473

01:46:18,050 --> 01:46:15,900

um

2474

01:46:20,750 --> 01:46:18,060

but uh this time around with Alaska we

2475

01:46:22,129 --> 01:46:20,760

had bear guards uh because the threat

2476

01:46:24,950 --> 01:46:22,139

level is definitely

2477

01:46:26,810 --> 01:46:24,960

up 10 notches up there but um I think

2478

01:46:28,970 --> 01:46:26,820

you'd you know this theory is that

2479

01:46:30,890 --> 01:46:28,980

Bigfoot can pick up if you have a weapon

2480

01:46:33,350 --> 01:46:30,900

that's right attention is that's why I'm

2481

01:46:34,609 --> 01:46:33,360

saying that so yeah

2482

01:46:37,609 --> 01:46:34,619

um now

2483

01:46:39,290 --> 01:46:37,619

I think a good defense if you're going

2484

01:46:43,010 --> 01:46:39,300

to do something you know have feel

2485

01:46:46,129 --> 01:46:43,020

secure a good 4D mag light is it's a

2486

01:46:48,229 --> 01:46:46,139

pretty good deal yeah yeah which I have

2487

01:46:50,810 --> 01:46:48,239

right next to my bed by the way

2488

01:46:52,790 --> 01:46:50,820

um you need extra batteries you know

2489

01:46:54,649 --> 01:46:52,800

like well the other thing too if you're

2490

01:46:56,629 --> 01:46:54,659

gonna encounter like we've had our our

2491

01:46:59,270 --> 01:46:56,639

equipment malfunction flashlights

2492

01:47:01,390 --> 01:46:59,280

fullback just shutting down oh I'm

2493

01:47:04,129 --> 01:47:01,400

talking about and that's terrifying

2494

01:47:06,890 --> 01:47:04,139

about the Maglite for a little attitude

2495

01:47:09,530 --> 01:47:06,900

adjustment oh gotcha oh yeah yeah yeah

2496

01:47:11,709 --> 01:47:09,540

that's good oh forget that I've got

2497

01:47:14,689 --> 01:47:11,719

other flashlights that

2498

01:47:17,990 --> 01:47:14,699

see this right here

2499

01:47:20,390 --> 01:47:18,000

yes that's one battery on the inside of

2500

01:47:22,070 --> 01:47:20,400

that it's rechargeable and this thing is

2501
01:47:24,350 --> 01:47:22,080
insane

2502
01:47:27,830 --> 01:47:24,360
um so no I don't need a Maglite for a

2503
01:47:30,370 --> 01:47:27,840
light I've got these the mag lights

2504
01:47:33,290 --> 01:47:30,380
for defense yeah

2505
01:47:36,310 --> 01:47:33,300
okay so

2506
01:47:37,490 --> 01:47:36,320
day now I'm out there alone

2507
01:47:41,209 --> 01:47:37,500
[Music]

2508
01:47:43,850 --> 01:47:41,219
day or night night time baby night time

2509
01:47:46,010 --> 01:47:43,860
is where it's at mm-hmm

2510
01:47:49,189 --> 01:47:46,020
why

2511
01:47:51,770 --> 01:47:49,199
that's when they they seem to be coming

2512
01:47:53,030 --> 01:47:51,780
out or when they're out and about that's

2513
01:47:54,830 --> 01:47:53,040

when most sightings happen they do

2514

01:47:56,330 --> 01:47:54,840

happen during the day

2515

01:47:58,910 --> 01:47:56,340

a lot

2516

01:48:00,649 --> 01:47:58,920

um but they seem to have that cover of

2517

01:48:04,070 --> 01:48:00,659

Darkness for them to

2518

01:48:06,350 --> 01:48:04,080

get closer uh and you and use that to to

2519

01:48:09,109 --> 01:48:06,360

maneuver and quite frankly we're

2520

01:48:10,910 --> 01:48:09,119

terrible in the dark we're clumsy we

2521

01:48:13,570 --> 01:48:10,920

can't see crap

2522

01:48:16,250 --> 01:48:13,580

and so they have the the advantage

2523

01:48:18,530 --> 01:48:16,260

Duke Sullivan and I love to you need to

2524

01:48:20,709 --> 01:48:18,540

check out Duke you do yeah sure he's

2525

01:48:23,570 --> 01:48:20,719

great he says they have night vision

2526

01:48:26,750 --> 01:48:23,580

like literally night vision yeah I think

2527

01:48:28,910 --> 01:48:26,760

I think so like their their eyes uh

2528

01:48:30,649 --> 01:48:28,920

seeing that glowing people have talked

2529

01:48:31,850 --> 01:48:30,659

about oh it's reflection and I think

2530

01:48:33,770 --> 01:48:31,860

it's actually

2531

01:48:36,290 --> 01:48:33,780

it's almost like this bioluminescence

2532

01:48:38,570 --> 01:48:36,300

this ability to actually uh you know

2533

01:48:41,209 --> 01:48:38,580

just seeing that in Ohio there was a

2534

01:48:43,850 --> 01:48:41,219

light coming up like a flashlight uh and

2535

01:48:44,750 --> 01:48:43,860

I do think that they can see

2536

01:48:48,109 --> 01:48:44,760

um

2537

01:48:49,790 --> 01:48:48,119

you know probably night vision that's I

2538

01:48:51,770 --> 01:48:49,800

think that's pretty accurate or maybe

2539

01:48:53,990 --> 01:48:51,780

even like a thermal type Vision like

2540

01:48:57,590 --> 01:48:54,000

Predator but they seem to have the the

2541

01:49:00,290 --> 01:48:57,600

upper hand uh and and the that whole

2542

01:49:02,330 --> 01:49:00,300

time frame there no and and what

2543

01:49:03,770 --> 01:49:02,340

location where's the where's the best

2544

01:49:05,570 --> 01:49:03,780

place you've mentioned the Pacific

2545

01:49:07,370 --> 01:49:05,580

Northwest and that's where most of the

2546

01:49:08,990 --> 01:49:07,380

sightings are yeah

2547

01:49:11,030 --> 01:49:09,000

um is that where you would go if you

2548

01:49:13,729 --> 01:49:11,040

were gonna go squashing solo

2549

01:49:16,970 --> 01:49:13,739

Olympic Peninsula is pretty insane

2550

01:49:19,370 --> 01:49:16,980

Washington State Oregon uh but there's

2551

01:49:24,470 --> 01:49:19,380

also like Ohio is off the charts

2552

01:49:25,970 --> 01:49:24,480

Pennsylvania right Maine Tennessee uh

2553

01:49:27,830 --> 01:49:25,980

like you could like just go like this

2554

01:49:30,410 --> 01:49:27,840

with a map and probably find a hot spot

2555

01:49:32,750 --> 01:49:30,420

but yeah Pacific Northwest for sure I

2556

01:49:35,870 --> 01:49:32,760

think the the habitat there is is Prime

2557

01:49:38,270 --> 01:49:35,880

and they're just there's just a lot of

2558

01:49:40,970 --> 01:49:38,280

sightings ongoing

2559

01:49:43,129 --> 01:49:40,980

um but yeah any uh

2560

01:49:46,370 --> 01:49:43,139

that's closer for you I think Northern

2561

01:49:56,209 --> 01:49:51,350

um there if I what would you look for

2562

01:49:58,609 --> 01:49:56,219

um I am a little confused uh about uh

2563

01:50:01,490 --> 01:49:58,619

the lack of it's one thing to have a

2564

01:50:03,290 --> 01:50:01,500

lack of a body but we haven't found a

2565

01:50:06,770 --> 01:50:03,300

Bigfoot apartment

2566

01:50:09,169 --> 01:50:06,780

right a bed a couple well we have well

2567

01:50:11,450 --> 01:50:09,179

we have discovered we found nests we

2568

01:50:13,070 --> 01:50:11,460

found two nests in Washington state so

2569

01:50:15,530 --> 01:50:13,080

they do

2570

01:50:18,709 --> 01:50:15,540

kind of uh you know

2571

01:50:22,669 --> 01:50:18,719

imitate primate behavior in that sense

2572

01:50:25,129 --> 01:50:22,679

whether they're making structures right

2573

01:50:26,870 --> 01:50:25,139

um the other thing is too you know we're

2574

01:50:28,250 --> 01:50:26,880

starting to look a little bit more up

2575

01:50:31,010 --> 01:50:28,260

because

2576

01:50:32,629 --> 01:50:31,020

we're always looking down the ground and

2577

01:50:34,910 --> 01:50:32,639

we're you know we're getting people

2578

01:50:38,810 --> 01:50:34,920

watching the show now Ronnie something

2579

01:50:40,370 --> 01:50:38,820

shimmy to cross a branch like above you

2580

01:50:42,410 --> 01:50:40,380

and you didn't see it like they're

2581

01:50:44,870 --> 01:50:42,420

catching things

2582

01:50:47,810 --> 01:50:44,880

um yeah

2583

01:50:50,450 --> 01:50:47,820

that's very interesting so now

2584

01:50:55,550 --> 01:50:50,460

um again so let's paint the picture here

2585

01:50:58,850 --> 01:50:55,560

I'm solo I'm in Washington state

2586

01:51:01,250 --> 01:50:58,860

um I'm at night and I've got my Maglite

2587

01:51:04,550 --> 01:51:01,260

Club okay so you know I've got my night

2588

01:51:06,229 --> 01:51:04,560

vision I've got some video uh uh

2589

01:51:10,669 --> 01:51:06,239

apparatus with me cell phone or what

2590

01:51:13,609 --> 01:51:10,679

have you right so now I'm out and uh I'm

2591

01:51:15,229 --> 01:51:13,619

walking through and I find

2592

01:51:18,290 --> 01:51:15,239

a nest

2593

01:51:21,109 --> 01:51:18,300

do I walk away from that or do I hang

2594

01:51:26,209 --> 01:51:23,330

if there's a good chance that you'll

2595

01:51:27,290 --> 01:51:26,219

probably see something come back to that

2596

01:51:29,270 --> 01:51:27,300

Nest

2597

01:51:31,370 --> 01:51:29,280

um it's always tough too to find

2598

01:51:32,750 --> 01:51:31,380

evidence at night because it's like you

2599

01:51:35,750 --> 01:51:32,760

don't know of what you could be stepping

2600

01:51:37,550 --> 01:51:35,760

into or or that's my messing up so it's

2601
01:51:39,709 --> 01:51:37,560
like okay I'm coming back here tomorrow

2602
01:51:43,189 --> 01:51:39,719
but I would probably like hang out and

2603
01:51:45,229 --> 01:51:43,199
see what what might show up there

2604
01:51:49,070 --> 01:51:45,239
um because something's betting down

2605
01:51:49,729 --> 01:51:49,080
and now what about back at my campsite

2606
01:51:54,550 --> 01:51:49,739
um

2607
01:52:00,649 --> 01:51:58,790
seriously I was going dude right Jimmy

2608
01:52:02,450 --> 01:52:00,659
you just strumming and playing like

2609
01:52:04,310 --> 01:52:02,460
acoustic whatever

2610
01:52:06,830 --> 01:52:04,320
you're gonna bring they're curious and

2611
01:52:08,450 --> 01:52:06,840
they do like music they're curious about

2612
01:52:10,189 --> 01:52:08,460
you know drumming people have talked

2613
01:52:12,950 --> 01:52:10,199

about that a lot of stories where people

2614

01:52:14,510 --> 01:52:12,960

around a campfire singing and right also

2615

01:52:16,370 --> 01:52:14,520

they see a silhouette by the Trees of

2616

01:52:18,770 --> 01:52:16,380

watching them so that would be a way to

2617

01:52:21,669 --> 01:52:18,780

to bring it in everything but Stairway

2618

01:52:24,649 --> 01:52:21,679

to Heaven they don't like it yeah

2619

01:52:25,609 --> 01:52:24,659

no Stairway to Heaven no Stairway to

2620

01:52:29,750 --> 01:52:25,619

Heaven

2621

01:52:32,750 --> 01:52:29,760

um but yeah I've I've thought I mean if

2622

01:52:36,290 --> 01:52:32,760

you are going to

2623

01:52:38,330 --> 01:52:36,300

um show a positive vibe

2624

01:52:42,169 --> 01:52:38,340

bust out an acoustic guitar

2625

01:52:44,629 --> 01:52:42,179

you know and and and and show that it's

2626

01:52:47,510 --> 01:52:44,639

it's definitely not aggressive and

2627

01:52:48,950 --> 01:52:47,520

second they must be curious about that I

2628

01:52:52,149 --> 01:52:48,960

would think that you don't want to play

2629

01:52:54,470 --> 01:52:52,159

EDM music on your car stereo no no no no

2630

01:52:55,430 --> 01:52:54,480

that's not gonna that's not gonna work

2631

01:52:57,169 --> 01:52:55,440

but

2632

01:52:59,990 --> 01:52:57,179

um an acoustic guitar around the

2633

01:53:02,209 --> 01:53:00,000

campfire what about leaving gifts would

2634

01:53:03,590 --> 01:53:02,219

would I should I leave a gift after I go

2635

01:53:06,770 --> 01:53:03,600

to bed

2636

01:53:08,090 --> 01:53:06,780

well if you know that you're say you

2637

01:53:10,850 --> 01:53:08,100

discovered

2638

01:53:13,070 --> 01:53:10,860

a nest that would be a place to leave a

2639

01:53:14,930 --> 01:53:13,080

gift you know significant place where

2640

01:53:16,550 --> 01:53:14,940

you know that they're gonna

2641

01:53:17,930 --> 01:53:16,560

see that

2642

01:53:19,790 --> 01:53:17,940

um because you can leave something out

2643

01:53:22,430 --> 01:53:19,800

and you could have a crow could pick it

2644

01:53:24,350 --> 01:53:22,440

up or raccoon animal brush yeah

2645

01:53:25,910 --> 01:53:24,360

something picks it up and like oh that

2646

01:53:27,350 --> 01:53:25,920

was a Bigfoot and that's

2647

01:53:29,570 --> 01:53:27,360

not always the case but if you found

2648

01:53:32,149 --> 01:53:29,580

like say a tree structure or something

2649

01:53:34,070 --> 01:53:32,159

significant where you go okay this looks

2650

01:53:36,169 --> 01:53:34,080

uh like something they would do then

2651
01:53:37,370 --> 01:53:36,179
placing something there where they would

2652
01:53:39,109 --> 01:53:37,380
obviously

2653
01:53:40,310 --> 01:53:39,119
see that

2654
01:53:42,410 --> 01:53:40,320
um

2655
01:53:45,470 --> 01:53:42,420
you know and I've had here's the other

2656
01:53:48,470 --> 01:53:45,480
strange thing is I've had marbles

2657
01:53:50,390 --> 01:53:48,480
just appear gifted after I asked to

2658
01:53:53,330 --> 01:53:50,400
receive them really

2659
01:53:54,590 --> 01:53:53,340
um yeah so I I talked to Mike Patterson

2660
01:53:56,689 --> 01:53:54,600
who's been

2661
01:53:59,149 --> 01:53:56,699
pretty controversial he's recorded

2662
01:54:01,070 --> 01:53:59,159
supposedly Bigfoot talking saying his

2663
01:54:04,370 --> 01:54:01,080

name you know and

2664

01:54:06,109 --> 01:54:04,380

and I interviewed him for like hour hour

2665

01:54:09,709 --> 01:54:06,119

and a half and

2666

01:54:11,629 --> 01:54:09,719

totally you know seemed legitimate and I

2667

01:54:13,910 --> 01:54:11,639

asked him about he has a mason jar of

2668

01:54:16,669 --> 01:54:13,920

marbles that he was getting from this

2669

01:54:18,830 --> 01:54:16,679

this nefertia this this Bigfoot that was

2670

01:54:20,209 --> 01:54:18,840

giving of marbles I'm like okay how am I

2671

01:54:22,129 --> 01:54:20,219

getting these you know

2672

01:54:24,470 --> 01:54:22,139

he said go out in the woods by yourself

2673

01:54:26,090 --> 01:54:24,480

throw out your intentions that you're

2674

01:54:29,149 --> 01:54:26,100

you want to receive

2675

01:54:32,090 --> 01:54:29,159

you know Marbles and and wait

2676
01:54:34,090 --> 01:54:32,100
and I got three marbles in like a week

2677
01:54:37,729 --> 01:54:34,100
at a time

2678
01:54:39,950 --> 01:54:37,739
does that does okay does that kind of

2679
01:54:42,649 --> 01:54:39,960
freak you out or is it just a really

2680
01:54:46,189 --> 01:54:42,659
good feeling but no it's it's it's

2681
01:54:48,050 --> 01:54:46,199
pretty awesome because it's like

2682
01:54:49,850 --> 01:54:48,060
you then kind of go okay if this is

2683
01:54:52,430 --> 01:54:49,860
really happening there's something else

2684
01:54:54,649 --> 01:54:52,440
going on outside of our

2685
01:54:56,629 --> 01:54:54,659
life you know I mean like there's

2686
01:54:59,090 --> 01:54:56,639
something or someone kind of

2687
01:55:00,950 --> 01:54:59,100
orchestrating things and I I literally

2688
01:55:03,410 --> 01:55:00,960

had a marble appear that wasn't there

2689

01:55:06,410 --> 01:55:03,420

turn and then it's it's there

2690

01:55:07,850 --> 01:55:06,420

and you know a day later go to my dad's

2691

01:55:09,709 --> 01:55:07,860

house to help him move something and

2692

01:55:11,090 --> 01:55:09,719

he's walking up the St through the door

2693

01:55:12,229 --> 01:55:11,100

jams like watch out there's a marble

2694

01:55:15,950 --> 01:55:12,239

right there I don't know where like I'm

2695

01:55:18,050 --> 01:55:15,960

like what the hell oh man I never yeah

2696

01:55:20,390 --> 01:55:18,060

and then my wife seeing one you know

2697

01:55:22,790 --> 01:55:20,400

we're outside with her or we're doing a

2698

01:55:24,169 --> 01:55:22,800

cookout and I told her about all these

2699

01:55:25,310 --> 01:55:24,179

things happening with the marbles and

2700

01:55:27,590 --> 01:55:25,320

she's like okay

2701
01:55:29,689 --> 01:55:27,600
looks down nothing there looks down

2702
01:55:32,030 --> 01:55:29,699
there's an orange marble which like just

2703
01:55:34,729 --> 01:55:32,040
appears and I thought what's the

2704
01:55:37,729 --> 01:55:34,739
significance of the marbles right if

2705
01:55:40,129 --> 01:55:37,739
that's the gift what's the significance

2706
01:55:41,930 --> 01:55:40,139
so you start thinking about the orbs

2707
01:55:44,810 --> 01:55:41,940
so maybe that's what they're trying to

2708
01:55:46,129 --> 01:55:44,820
tell us maybe oh yeah yeah well and it's

2709
01:55:50,810 --> 01:55:46,139
also simple

2710
01:55:53,510 --> 01:55:50,820
you know it's it's just the symbol of of

2711
01:55:56,570 --> 01:55:53,520
uh you know the giving of a gift

2712
01:55:57,649 --> 01:55:56,580
um before Before I Let You Go I gotta

2713
01:55:59,930 --> 01:55:57,659

show you this

2714

01:56:03,649 --> 01:55:59,940

because we're going to take this to the

2715

01:56:04,790 --> 01:56:03,659

next note ain't that pretty personal

2716

01:56:07,430 --> 01:56:04,800

yeah

2717

01:56:09,350 --> 01:56:07,440

well yes because I'm not talking about

2718

01:56:11,090 --> 01:56:09,360

I'm trying to get I'm trying to get its

2719

01:56:14,570 --> 01:56:11,100

attention here right yeah yeah yeah I'm

2720

01:56:17,030 --> 01:56:14,580

not talking about food if you leave uh a

2721

01:56:19,310 --> 01:56:17,040

Twinkie if you leave a candy bar if you

2722

01:56:22,010 --> 01:56:19,320

leave an apple any animal is going to

2723

01:56:25,010 --> 01:56:22,020

come and get that right uh I'm not

2724

01:56:26,750 --> 01:56:25,020

talking about food necessarily

2725

01:56:29,169 --> 01:56:26,760

um no I'm talking horse Crystal

2726

01:56:32,570 --> 01:56:29,179

something something

2727

01:56:33,649 --> 01:56:32,580

shiny you know researchers have gotten

2728

01:56:37,250 --> 01:56:33,659

back

2729

01:56:39,050 --> 01:56:37,260

kids toys that were found in the woods

2730

01:56:42,050 --> 01:56:39,060

that were you know like given back as a

2731

01:56:45,830 --> 01:56:42,060

gift from from Bigfoot so they've agreed

2732

01:56:47,689 --> 01:56:45,840

I find that amazing uh something like

2733

01:56:49,189 --> 01:56:47,699

a Hot Wheel

2734

01:56:53,209 --> 01:56:49,199

yeah

2735

01:56:55,910 --> 01:56:53,219

right yes a bears a mountain lion's not

2736

01:56:59,570 --> 01:56:55,920

going to come in and take this and and

2737

01:57:00,970 --> 01:56:59,580

walk away with it but Bigfoot would

2738

01:57:04,609 --> 01:57:00,980

right

2739

01:57:07,010 --> 01:57:04,619

okay absolutely I like that idea I like

2740

01:57:09,590 --> 01:57:07,020

the toy idea

2741

01:57:12,050 --> 01:57:09,600

um one last one last question uh so I'm

2742

01:57:15,589 --> 01:57:12,060

back at my campsite

2743

01:57:19,609 --> 01:57:18,229

yes all right you have to worry about

2744

01:57:21,470 --> 01:57:19,619

other animals when you do that too

2745

01:57:24,609 --> 01:57:21,480

especially bacon you'll get the whole

2746

01:57:29,750 --> 01:57:27,410

I've tried it it's yeah it's a little

2747

01:57:31,030 --> 01:57:29,760

terrified and other campers too as well

2748

01:57:33,649 --> 01:57:31,040

yes

2749

01:57:35,089 --> 01:57:33,659

cooking food is a good idea

2750

01:57:38,330 --> 01:57:35,099

yeah

2751
01:57:39,290 --> 01:57:38,340
you're trying to bring in that Curiosity

2752
01:57:41,270 --> 01:57:39,300
um

2753
01:57:43,370 --> 01:57:41,280
and I think if you have the great thing

2754
01:57:45,050 --> 01:57:43,380
too now with with the technology having

2755
01:57:46,490 --> 01:57:45,060
like

2756
01:57:48,169 --> 01:57:46,500
um be able to pull out you know a

2757
01:57:50,270 --> 01:57:48,179
thermal and be able to scan every every

2758
01:57:52,189 --> 01:57:50,280
now and then and just kind of like kind

2759
01:57:53,390 --> 01:57:52,199
of put your your mind at ease that

2760
01:57:55,729 --> 01:57:53,400
there's nothing

2761
01:57:57,890 --> 01:57:55,739
bear kind of making its way over to you

2762
01:58:00,709 --> 01:57:57,900
or a mountain lion so having something

2763
01:58:03,649 --> 01:58:00,719

like that too is always a good tool to

2764

01:58:07,609 --> 01:58:03,659

have I I'm excited about this I'm I'm

2765

01:58:10,070 --> 01:58:07,619

gonna do something here very soon and

2766

01:58:12,470 --> 01:58:10,080

I'll I'll keep everybody posted but yeah

2767

01:58:14,510 --> 01:58:12,480

I'm ready I just want to go out and do

2768

01:58:17,149 --> 01:58:14,520

it Ronnie I'm going to see you in a week

2769

01:58:20,209 --> 01:58:17,159

you've got yes brother you've got Ronnie

2770

01:58:21,470 --> 01:58:20,219

leblanc.com can everybody still get

2771

01:58:23,270 --> 01:58:21,480

Monster Land

2772

01:58:25,070 --> 01:58:23,280

they can yeah

2773

01:58:28,450 --> 01:58:25,080

um first book and the second books

2774

01:58:31,189 --> 01:58:28,460

available as well on Amazon and uh we're

2775

01:58:32,870 --> 01:58:31,199

waiting with baited breath for the

2776

01:58:35,689 --> 01:58:32,880

season four release date of expedition

2777

01:58:37,910 --> 01:58:35,699

Bigfoot so that's hopefully coming soon

2778

01:58:40,370 --> 01:58:37,920

we'll be hearing hearing about that is

2779

01:58:42,709 --> 01:58:40,380

it already in the can yeah yeah it's

2780

01:58:45,589 --> 01:58:42,719

already done yeah okay I hate that

2781

01:58:48,830 --> 01:58:45,599

anticipation I know it's the worst amen

2782

01:58:51,290 --> 01:58:48,840

if when you figure out the secret of of

2783

01:58:53,629 --> 01:58:51,300

figuring out a network and decision

2784

01:58:56,390 --> 01:58:53,639

making please get back to me on that

2785

01:58:58,790 --> 01:58:56,400

would you it's one of those no chance

2786

01:59:00,430 --> 01:58:58,800

it's a bigger mystery than Bigfoot man

2787

01:59:03,290 --> 01:59:00,440

there you go

2788

01:59:05,570 --> 01:59:03,300

Ronnie LeBlanc thank you so much Ronnie

2789

01:59:08,629 --> 01:59:05,580

uh safe travels out here we'll see you

2790

01:59:10,750 --> 01:59:08,639

thank you sir seven days I can't wait

2791

01:59:13,250 --> 01:59:10,760

it's gonna be amazing thank you brother

2792

01:59:15,229 --> 01:59:13,260

Ronnie LeBlanc thank you so much Ronnie

2793

01:59:16,729 --> 01:59:15,239

and uh with that I'm gonna get out of

2794

01:59:20,810 --> 01:59:16,739

here I want to remind everybody tomorrow

2795

01:59:23,209 --> 01:59:20,820

night we are doing a very special show

2796

01:59:25,970 --> 01:59:23,219

um uh tomorrow night Linda Moulton Howe

2797

01:59:28,490 --> 01:59:25,980

is here we're gonna celebrate with Linda

2798

01:59:30,350 --> 01:59:28,500

because in a week she is going to be

2799

01:59:33,109 --> 01:59:30,360

getting a Lifetime Achievement Award

2800

01:59:34,490 --> 01:59:33,119

it's the media Legend award at the

2801

01:59:36,470 --> 01:59:34,500

peripod festival tomorrow night we're

2802

01:59:38,330 --> 01:59:36,480

going to celebrate with Linda for all of

2803

01:59:39,589 --> 01:59:38,340

you that won't be coming out to parapod

2804

01:59:42,290 --> 01:59:39,599

all right so we're gonna do that

2805

01:59:44,629 --> 01:59:42,300

tomorrow night two hours two hours with

2806

01:59:47,810 --> 01:59:44,639

Linda Moulton Howe all of that tomorrow

2807

01:59:49,850 --> 01:59:47,820

Fade to Black is produced by Hilton J

2808

01:59:51,530 --> 01:59:49,860

Palm Renee Dennis and Kevin webmaster is

2809

01:59:55,430 --> 01:59:51,540

through the geek music Doug Aldridge

2810

01:59:57,890 --> 01:59:55,440

intro space boys spaceboymusic.com

2811

01:59:59,089 --> 01:59:57,900

Fade to Black is produced by ktcr for

2812

02:00:02,570 --> 01:59:59,099

the game changer Network and this

2813

02:00:04,490 --> 02:00:02,580

broadcast is owned and copyrighted 2023

2814

02:00:06,709 --> 02:00:04,500

by Fade to Black in the game changer

2815

02:00:08,570 --> 02:00:06,719

Network Inc it cannot be rebroadcast

2816

02:00:10,430 --> 02:00:08,580

download the cop feeder used anywhere in

2817

02:00:12,169 --> 02:00:10,440

the known universe without written

2818

02:00:14,629 --> 02:00:12,179

permission from Fade to Black of the

2819

02:00:16,310 --> 02:00:14,639

game changer Network I mean it's Jimmy

2820

02:00:20,149 --> 02:00:16,320

church I'll see everybody tomorrow night

2821

02:00:22,850 --> 02:00:20,159

with Linda Moulton Howe until then

2822

02:00:29,520 --> 02:00:22,860

I want everybody to be safe
