

# FADE TO BLACK

with JIMMY CHURCH

PRESENTS

## LINDA MOULTON HOWE

SPECIAL: A LIFETIME OF RESEARCH

FRI MAR 24 **LIVE**

7:00 PM PT/10:00PM ET

1  
00:00:32,170 --> 00:00:27,189

[Music]

2  
00:00:35,450 --> 00:00:32,180

the smoke radio for the masses of July 8

3  
00:00:37,850 --> 00:00:35,460

1947 the Army Air Forces has announced

4  
00:00:43,930 --> 00:00:37,860

that a flying disc has been found and is

5  
00:00:51,290 --> 00:00:47,630

I occasionally think how quickly our

6  
00:00:53,750 --> 00:00:51,300

difference is worldwide would vanish if

7  
00:00:55,130 --> 00:00:53,760

we were facing an alien threat from

8  
00:00:56,940 --> 00:00:55,140

outside this work

9  
00:00:57,130 --> 00:00:56,950

[Music]

10  
00:01:00,470 --> 00:00:57,140

[Applause]

11  
00:01:02,990 --> 00:01:00,480

[Music]

12  
00:01:05,890 --> 00:01:03,000

Fade to Black with your host Jimmy

13  
00:01:09,530 --> 00:01:05,900

Church on the game changer Radio Network

14

00:01:14,210 --> 00:01:09,540

[Music]

15

00:01:16,609 --> 00:01:14,220

all right good evening Fade to Black a

16

00:01:19,730 --> 00:01:16,619

very special Friday night presentation

17

00:01:22,670 --> 00:01:19,740

I'm your hostumi church and tonight we

18

00:01:24,410 --> 00:01:22,680

are celebrating Linda Moulton Howe and

19

00:01:29,810 --> 00:01:24,420

we are going to get straight to it today

20

00:01:31,310 --> 00:01:29,820

is Friday March 24th and uh Linda of

21

00:01:33,170 --> 00:01:31,320

course

22

00:01:37,969 --> 00:01:33,180

is Earth files

23

00:01:40,370 --> 00:01:37,979

she's been at this for five decades it's

24

00:01:43,630 --> 00:01:40,380

crazy but that's not what's most

25

00:01:46,310 --> 00:01:43,640

important what's most important is

26

00:01:48,530 --> 00:01:46,320

Linda has traveled to Venezuela Peru

27

00:01:50,149 --> 00:01:48,540

Brazil England Norway France Switzerland

28

00:01:52,730 --> 00:01:50,159

the Netherlands Yugoslavia turkey

29

00:01:55,850 --> 00:01:52,740

Ethiopia Kenya Egypt Australia Japan

30

00:01:59,330 --> 00:01:55,860

Canada Mexico the Yucatan and Puerto

31

00:02:02,090 --> 00:01:59,340

Rico for her research and Productions

32

00:02:03,590 --> 00:02:02,100

her website of course is earthfiles.com

33

00:02:05,209 --> 00:02:03,600

and I would like to welcome back to fade

34

00:02:07,609 --> 00:02:05,219

to black the one and only

35

00:02:10,669 --> 00:02:07,619

Linda Moulton Howe good evening young

36

00:02:13,729 --> 00:02:10,679

lady uh it's great to be back with you

37

00:02:16,130 --> 00:02:13,739

and hear all those countries that I have

38

00:02:20,809 --> 00:02:16,140

had such great times in

39

00:02:22,070 --> 00:02:20,819

yeah I I'm going to uh uh let me do this

40

00:02:24,410 --> 00:02:22,080

okay

41

00:02:26,510 --> 00:02:24,420

um Linda yeah are you going to add

42

00:02:29,210 --> 00:02:26,520

another country anytime soon

43

00:02:32,869 --> 00:02:29,220

well let's see

44

00:02:37,790 --> 00:02:32,879

um I may be going to England later this

45

00:02:39,710 --> 00:02:37,800

year and uh but we're still in that what

46

00:02:42,470 --> 00:02:39,720

do you call it that psychological thing

47

00:02:45,949 --> 00:02:42,480

we're traveling like we used to do so

48

00:02:48,770 --> 00:02:45,959

easily is not something that anybody is

49

00:02:51,710 --> 00:02:48,780

enthusiastic in the new world that we're

50

00:02:54,170 --> 00:02:51,720

in post-pandemic and so many problems

51  
00:02:56,750 --> 00:02:54,180  
when you travel well I'm thinking

52  
00:02:59,990 --> 00:02:56,760  
Antarctica I think you need to add

53  
00:03:02,150 --> 00:03:00,000  
Antarctica to the list well I have been

54  
00:03:04,550 --> 00:03:02,160  
there in a way when I did that

55  
00:03:08,210 --> 00:03:04,560  
documentary with Spartan one and Spartan

56  
00:03:10,490 --> 00:03:08,220  
two and they uh people are waving at me

57  
00:03:13,490 --> 00:03:10,500  
do you know that are they there with you

58  
00:03:19,449 --> 00:03:13,500  
yeah of course okay

59  
00:03:22,550 --> 00:03:19,459  
um and uh they were uh like a military

60  
00:03:25,970 --> 00:03:22,560  
insight into what we've heard rumors

61  
00:03:30,530 --> 00:03:25,980  
about that Antarctica two to three miles

62  
00:03:36,229 --> 00:03:30,540  
under beneath that big huge mound of ice

63  
00:03:41,089 --> 00:03:36,239

is someone's very amazing three square

64

00:03:43,970 --> 00:03:41,099

acre rooms 80 foot ceilings thousands of

65

00:03:46,550 --> 00:03:43,980

various kinds of carvings like you would

66

00:03:50,990 --> 00:03:46,560

think of something between Mayan and

67

00:03:54,589 --> 00:03:51,000

Egyptian all in black rock and when I

68

00:03:55,850 --> 00:03:54,599

was filming with them and working with

69

00:04:00,470 --> 00:03:55,860

them

70

00:04:03,470 --> 00:04:00,480

we brought up a question that started uh

71

00:04:06,350 --> 00:04:03,480

all the way back in 2017 I was working

72

00:04:09,949 --> 00:04:06,360

with them on Sparta Spartan one and two

73

00:04:13,390 --> 00:04:09,959

in 2018 so the year before in 2017.

74

00:04:18,349 --> 00:04:13,400

I did at earthfiles.com

75

00:04:20,390 --> 00:04:18,359

amuamua Comet asteroid other changing

76

00:04:23,150 --> 00:04:20,400

speed and course

77

00:04:25,670 --> 00:04:23,160

and when I the next year when I'm

78

00:04:28,610 --> 00:04:25,680

working with Spartan one and two they

79

00:04:31,249 --> 00:04:28,620

tell me that they know that it was

80

00:04:34,010 --> 00:04:31,259

identified by what we would consider to

81

00:04:35,210 --> 00:04:34,020

be Military Intelligence in the United

82

00:04:36,650 --> 00:04:35,220

States

83

00:04:41,749 --> 00:04:36,660

as

84

00:04:44,930 --> 00:04:41,759

an alien technology like a craft okay so

85

00:04:46,129 --> 00:04:44,940

that's 2018 working with Spartan one and

86

00:04:49,010 --> 00:04:46,139

two

87

00:04:53,570 --> 00:04:49,020

in 2019

88

00:04:55,909 --> 00:04:53,580

it was Professor Avi Loeb at Harvard who

89

00:04:58,969 --> 00:04:55,919

at the time was the director of the

90

00:05:01,070 --> 00:04:58,979

astronomy department at Harvard the

91

00:05:02,749 --> 00:05:01,080

longest serving director of the

92

00:05:06,650 --> 00:05:02,759

astronomy Department

93

00:05:12,230 --> 00:05:06,660

and he put forth for the first time a

94

00:05:16,550 --> 00:05:12,240

hypothesis that this was an example of

95

00:05:20,689 --> 00:05:16,560

some kind of let's say discarded alien

96

00:05:23,990 --> 00:05:20,699

technology that had made its way into

97

00:05:26,930 --> 00:05:24,000

our or near our solar system and that

98

00:05:29,689 --> 00:05:26,940

one of the astounding things about it

99

00:05:33,850 --> 00:05:29,699

which provoked that is and I'm quoting

100

00:05:38,450 --> 00:05:33,860

from my own Earth files report back in

101  
00:05:39,950 --> 00:05:38,460  
2017 and 2018 when this uh came through

102  
00:05:42,890 --> 00:05:39,960  
quote

103  
00:05:44,390 --> 00:05:42,900  
it was pulled by the Sun's gravity

104  
00:05:48,310 --> 00:05:44,400  
apparently

105  
00:05:51,770 --> 00:05:48,320  
because the object made a hairpin turn

106  
00:05:56,270 --> 00:05:51,780  
under our solar system passing under

107  
00:05:59,629 --> 00:05:56,280  
Earth's orbit on October 14 2017 at a

108  
00:06:02,749 --> 00:05:59,639  
distance of about 15 million miles and

109  
00:06:04,249 --> 00:06:02,759  
about 60 times the distance of we were

110  
00:06:07,010 --> 00:06:04,259  
standing on the earth looking at the

111  
00:06:10,390 --> 00:06:07,020  
moon it was 60 times further away

112  
00:06:14,150 --> 00:06:10,400  
and then this object

113  
00:06:18,290 --> 00:06:14,160

shot back up above the plane of our

114

00:06:21,370 --> 00:06:18,300

solar system planets and its speed Jimmy

115

00:06:26,450 --> 00:06:21,380

the speed of a muamua at this point

116

00:06:30,110 --> 00:06:26,460

begins increasing up to 97 200 miles an

117

00:06:32,990 --> 00:06:30,120

hour that's 27 miles a second

118

00:06:35,390 --> 00:06:33,000

and that was in respect to the distance

119

00:06:38,990 --> 00:06:35,400

it was traveling from our sun

120

00:06:42,110 --> 00:06:39,000

and it left our solar system still

121

00:06:46,730 --> 00:06:42,120

speeding toward the constellation pagasa

122

00:06:50,210 --> 00:06:46,740

Pegasus but there was no identifiable

123

00:06:52,490 --> 00:06:50,220

reason from scientists about why it

124

00:06:55,610 --> 00:06:52,500

would have started increasing so much

125

00:06:58,189 --> 00:06:55,620

there became science arguments about

126

00:07:01,249 --> 00:06:58,199

whether what was it made of uh could

127

00:07:03,469 --> 00:07:01,259

this have been evaporating gases and

128

00:07:07,809 --> 00:07:03,479

there was no evidence of any of that no

129

00:07:10,550 --> 00:07:07,819

that's right and uh but Linda

130

00:07:13,150 --> 00:07:10,560

for me one of the crucial there's like

131

00:07:16,490 --> 00:07:13,160

20 different uh amazing things about

132

00:07:20,689 --> 00:07:16,500

amawa but it went

133

00:07:23,390 --> 00:07:20,699

and and increase speed to over 250 000

134

00:07:25,670 --> 00:07:23,400

miles per hour well the last figure that

135

00:07:28,790 --> 00:07:25,680

I had is the one I quoted ninety seven

136

00:07:32,170 --> 00:07:28,800

thousand two hundred yeah whichever they

137

00:07:35,629 --> 00:07:32,180

decided was correct it was a speed

138

00:07:38,990 --> 00:07:35,639

increasing without explanation in terms

139

00:07:40,490 --> 00:07:39,000

of gravity gravity yeah what I'm saying

140

00:07:41,749 --> 00:07:40,500

what I'm saying Linda I don't want to

141

00:07:43,189 --> 00:07:41,759

interrupt you on the night that we're

142

00:07:44,210 --> 00:07:43,199

celebrating you but I'm gonna do it

143

00:07:47,050 --> 00:07:44,220

anyway

144

00:07:50,089 --> 00:07:47,060

um no yeah you you're correct except

145

00:07:53,510 --> 00:07:50,099

it accelerated and accelerated and

146

00:07:55,430 --> 00:07:53,520

accelerated and after 11 days uh when it

147

00:07:59,150 --> 00:07:55,440

was you know virtually out of sight and

148

00:08:01,189 --> 00:07:59,160

that was it it was uh over 250

149

00:08:04,490 --> 00:08:01,199

000 miles per hour without gravity

150

00:08:07,909 --> 00:08:04,500

assist and you just just stop right

151

00:08:09,409 --> 00:08:07,919

there and go uh somebody just explained

152

00:08:11,870 --> 00:08:09,419

this to me like I'm a five-year-old

153

00:08:16,490 --> 00:08:11,880

because this this doesn't make any sense

154

00:08:19,249 --> 00:08:16,500

yeah and then within a few months it was

155

00:08:22,129 --> 00:08:19,259

Professor Avi Loeb at Harvard who

156

00:08:25,210 --> 00:08:22,139

hypothesized and it was published that

157

00:08:29,450 --> 00:08:25,220

this was in fact an artificial

158

00:08:32,750 --> 00:08:29,460

intelligence that this was some kind of

159

00:08:35,930 --> 00:08:32,760

craft and for the whole last year and a

160

00:08:39,290 --> 00:08:35,940

half or so maybe two years there's been

161

00:08:41,269 --> 00:08:39,300

a lot of uh argument about whether or

162

00:08:43,310 --> 00:08:41,279

not it could actually have been

163

00:08:46,610 --> 00:08:43,320

something that was structured it would

164

00:08:50,870 --> 00:08:46,620

be the first known other intelligence

165

00:08:54,710 --> 00:08:50,880

created object identified if it came to

166

00:08:57,470 --> 00:08:54,720

that but recently just in the last

167

00:09:00,769 --> 00:08:57,480

couple of days there has been a counter

168

00:09:06,050 --> 00:09:00,779

presentation by scientists who are

169

00:09:08,630 --> 00:09:06,060

arguing that it is a natural increase in

170

00:09:12,170 --> 00:09:08,640

speed from what they are hypothesizing

171

00:09:16,070 --> 00:09:12,180

not proving but hypothesizing various

172

00:09:18,790 --> 00:09:16,080

kinds of gases that increased as and

173

00:09:21,889 --> 00:09:18,800

then kept kept increasing so we now have

174

00:09:24,769 --> 00:09:21,899

this argument again between scientists

175

00:09:26,410 --> 00:09:24,779

about what a muamua could have been yeah

176

00:09:29,990 --> 00:09:26,420

yeah

177

00:09:33,829 --> 00:09:30,000

but it leads to this issue of that

178

00:09:36,590 --> 00:09:33,839

around us more and more in so many

179

00:09:39,490 --> 00:09:36,600

directions in many countries there are

180

00:09:42,710 --> 00:09:39,500

now more and more papers and discussions

181

00:09:45,949 --> 00:09:42,720

among scientists than ever before about

182

00:09:49,190 --> 00:09:45,959

whether or not there are signs evidence

183

00:09:52,070 --> 00:09:49,200

physical traces of other intelligences

184

00:09:55,610 --> 00:09:52,080

that if we were looking with open

185

00:09:59,269 --> 00:09:55,620

scientific mind into the solar system

186

00:10:01,550 --> 00:09:59,279

around us that we might find more that's

187

00:10:05,329 --> 00:10:01,560

what Avi Loeb would like us to be

188

00:10:07,670 --> 00:10:05,339

looking for well I was uh in my Earth

189

00:10:11,630 --> 00:10:07,680

Files YouTube channel I was talking

190

00:10:15,410 --> 00:10:11,640

about this facet and some others and I

191

00:10:19,009 --> 00:10:15,420

got an email that came from a man who

192

00:10:22,250 --> 00:10:19,019

today is 60 four years old retired

193

00:10:27,410 --> 00:10:22,260

but he had served in the United States

194

00:10:30,829 --> 00:10:27,420

Air Force and was at upper Hayford which

195

00:10:35,690 --> 00:10:30,839

is very close to Oxford in England and

196

00:10:38,930 --> 00:10:35,700

about 137 miles to the west of RAF bent

197

00:10:41,389 --> 00:10:38,940

Waters and raf-bentwaters is on the east

198

00:10:44,449 --> 00:10:41,399

coast of England very close to the ocean

199

00:10:48,110 --> 00:10:44,459

and in between that was the distance

200

00:10:50,449 --> 00:10:48,120

between upper Hayford and bentwaters and

201  
00:10:52,810 --> 00:10:50,459  
why is this important

202  
00:10:57,530 --> 00:10:52,820  
this is one of the more amazing

203  
00:11:00,410 --> 00:10:57,540  
eyewitness military stories that I think

204  
00:11:02,509 --> 00:11:00,420  
has ever come with so many pieces that

205  
00:11:04,370 --> 00:11:02,519  
begin to fit together and you see a

206  
00:11:08,269 --> 00:11:04,380  
bigger picture than you ever saw of the

207  
00:11:13,190 --> 00:11:08,279  
last 30 or 40 years in my case and he

208  
00:11:16,370 --> 00:11:13,200  
sends me this email and we have a a safe

209  
00:11:19,030 --> 00:11:16,380  
way to communicate and I interview him

210  
00:11:21,490 --> 00:11:19,040  
for a very long time and

211  
00:11:27,410 --> 00:11:21,500  
on December

212  
00:11:31,750 --> 00:11:27,420  
26th 27th 28 1980. those three dates

213  
00:11:35,509 --> 00:11:31,760

have been reported since about

214

00:11:39,889 --> 00:11:35,519

1983-82 when one of the uh I think it's

215

00:11:44,690 --> 00:11:39,899

uh the world news uh in London

216

00:11:48,110 --> 00:11:44,700

did a report about strange lights in the

217

00:11:49,550 --> 00:11:48,120

wendlesham forest near RAF bentwaters

218

00:11:51,949 --> 00:11:49,560

Woodbridge

219

00:11:55,730 --> 00:11:51,959

and that there had been multiple

220

00:11:58,670 --> 00:11:55,740

eyewitnesses and that is the story that

221

00:12:01,490 --> 00:11:58,680

for going all the way back to uh

222

00:12:04,370 --> 00:12:01,500

somewhere in the 80s I met John

223

00:12:07,490 --> 00:12:04,380

Burroughs began helping him find people

224

00:12:10,069 --> 00:12:07,500

to do hypnosis these many decades later

225

00:12:13,490 --> 00:12:10,079

we have heard from dozens and dozens and

226

00:12:15,710 --> 00:12:13,500

dozens of U.S Air Force people who were

227

00:12:20,569 --> 00:12:15,720

at Raf bent Waters the Knights of

228

00:12:23,030 --> 00:12:20,579

December 26 27th and 28th Colonel halt

229

00:12:26,329 --> 00:12:23,040

Charles halt who is Deputy base

230

00:12:28,370 --> 00:12:26,339

commander on the night of the 28th was

231

00:12:30,650 --> 00:12:28,380

even out there when a beam came down

232

00:12:34,370 --> 00:12:30,660

from a light and hit the ground three

233

00:12:37,430 --> 00:12:34,380

feet from his shoe and

234

00:12:39,949 --> 00:12:37,440

those three nights haunted John

235

00:12:44,509 --> 00:12:39,959

Burroughs I've known John now for a few

236

00:12:47,389 --> 00:12:44,519

decades and the thing about it is that

237

00:12:49,970 --> 00:12:47,399

he had pieces that he could remember but

238

00:12:53,150 --> 00:12:49,980

when we would do hypnosis trying to find

239

00:12:56,389 --> 00:12:53,160

out what exactly happened to him on the

240

00:13:00,710 --> 00:12:56,399

night of the 26th that's 27th the 28th

241

00:13:03,170 --> 00:13:00,720

there were these gaps except that on the

242

00:13:05,329 --> 00:13:03,180

third night the 28th

243

00:13:08,509 --> 00:13:05,339

it wasn't just John Burroughs and Jim

244

00:13:10,970 --> 00:13:08,519

pennison it was Colonel Charles Halt and

245

00:13:13,850 --> 00:13:10,980

12 of 14 men and they were all out in

246

00:13:16,250 --> 00:13:13,860

the forest all of them and they all were

247

00:13:19,009 --> 00:13:16,260

watching beams coming down from lights

248

00:13:22,250 --> 00:13:19,019

in the sky all of them and they were

249

00:13:25,850 --> 00:13:22,260

talking with each other and Colonel halt

250

00:13:27,889 --> 00:13:25,860

was recording all of the uh what he was

251  
00:13:29,509 --> 00:13:27,899  
saying and what they were saying

252  
00:13:33,350 --> 00:13:29,519  
and then

253  
00:13:35,150 --> 00:13:33,360  
John Burroughs and a sergeant Adrian

254  
00:13:38,930 --> 00:13:35,160  
bestenza

255  
00:13:41,269 --> 00:13:38,940  
John sees a light as they all see a

256  
00:13:42,650 --> 00:13:41,279  
light that seems to be somewhere close

257  
00:13:45,650 --> 00:13:42,660  
to the ground

258  
00:13:49,009 --> 00:13:45,660  
and John as if drawn there starts

259  
00:13:51,949 --> 00:13:49,019  
walking Adrian bastenza was assigned by

260  
00:13:54,650 --> 00:13:51,959  
Hall to stay with John comes running up

261  
00:13:57,889 --> 00:13:54,660  
next to Burrows John is getting closer

262  
00:14:02,569 --> 00:13:57,899  
and closer to this strange light that is

263  
00:14:08,930 --> 00:14:05,329

and the thing that Adrian bestenza told

264

00:14:11,210 --> 00:14:08,940

me that he saw right next to and

265

00:14:13,190 --> 00:14:11,220

slightly behind John

266

00:14:16,850 --> 00:14:13,200

he said light

267

00:14:20,629 --> 00:14:16,860

it was light Linda it was like John was

268

00:14:23,389 --> 00:14:20,639

going into light perhaps a beam pulling

269

00:14:26,389 --> 00:14:23,399

him up right at that moment and then

270

00:14:28,970 --> 00:14:26,399

Adrian said and something Linda

271

00:14:31,009 --> 00:14:28,980

something like took hold of me nobody

272

00:14:33,949 --> 00:14:31,019

was around me but something took hold of

273

00:14:36,170 --> 00:14:33,959

me and pushed me to the ground and as I

274

00:14:38,810 --> 00:14:36,180

went down to the ground by whatever is

275

00:14:42,350 --> 00:14:38,820

pushing me I looked up again and John

276

00:14:43,490 --> 00:14:42,360

was up in the air in the light okay so

277

00:14:47,930 --> 00:14:43,500

now

278

00:14:50,090 --> 00:14:47,940

that's a very fast summary of just a

279

00:14:54,170 --> 00:14:50,100

couple of facets that happened at Raf

280

00:14:56,889 --> 00:14:54,180

bat Waters December 26th 27th and 28th

281

00:14:59,870 --> 00:14:56,899

and and yes

282

00:15:01,550 --> 00:14:59,880

in this email that's come to me that's

283

00:15:03,250 --> 00:15:01,560

what I was gonna I would just want to

284

00:15:08,689 --> 00:15:03,260

clarify for the audience

285

00:15:12,650 --> 00:15:08,699

so the events uh at Woodbridge uh slash

286

00:15:17,449 --> 00:15:12,660

bentwater slash rentals Jim Forest those

287

00:15:19,310 --> 00:15:17,459

dates 27 28 29 1980. uh we've got uh uh

288

00:15:21,650 --> 00:15:19,320

the Christmas parties going on we've got

289

00:15:23,870 --> 00:15:21,660

a New Year's Eve party going on Colonel

290

00:15:26,210 --> 00:15:23,880

halts attending that the lights return

291

00:15:28,910 --> 00:15:26,220

he gets pulled out he gets thrown into

292

00:15:32,870 --> 00:15:28,920

the force and everything just breaks

293

00:15:36,710 --> 00:15:32,880

loose for a third night but that was on

294

00:15:40,670 --> 00:15:36,720

the coast you just yes East Coast you

295

00:15:45,889 --> 00:15:40,680

just got an email uh from a location

296

00:15:49,430 --> 00:15:45,899

about 150 miles to the West 137 miles

297

00:15:52,490 --> 00:15:49,440

100 you're so you're so precise I don't

298

00:15:55,009 --> 00:15:52,500

even know it has to be you have to be as

299

00:15:57,829 --> 00:15:55,019

precise as you can possibly be when you

300

00:15:59,629 --> 00:15:57,839

are covering these kinds of subjects I I

301

00:16:03,110 --> 00:15:59,639

think it's I think it's that Christmas

302

00:16:05,389 --> 00:16:03,120

sweater that you're wearing

303

00:16:08,449 --> 00:16:05,399

I've been on all day here in the quirky

304

00:16:11,269 --> 00:16:08,459

it fine-tuned your frontal lobe okay so

305

00:16:14,930 --> 00:16:11,279

now you get this email two two three

306

00:16:17,629 --> 00:16:14,940

days ago uh what happened well further a

307

00:16:20,449 --> 00:16:17,639

couple of weeks ago and I was able to

308

00:16:23,530 --> 00:16:20,459

talk with this individual at great great

309

00:16:27,970 --> 00:16:23,540

length and record him

310

00:16:31,910 --> 00:16:27,980

on the middle night at Raf batwaters

311

00:16:33,350 --> 00:16:31,920

unbeknownst to anybody there at the time

312

00:16:37,850 --> 00:16:33,360

apparently

313

00:16:40,850 --> 00:16:37,860

and then over to the West 137 miles to

314

00:16:44,090 --> 00:16:40,860

Upper Hayford that is also an American

315

00:16:46,069 --> 00:16:44,100

base but the in the United States and

316

00:16:49,730 --> 00:16:46,079

England and the way they would describe

317

00:16:53,090 --> 00:16:49,740

it that's RAF Royal Air Force it's

318

00:16:56,470 --> 00:16:53,100

American but they go by RAF upper

319

00:17:01,850 --> 00:16:56,480

Hayford RAF batwaters

320

00:17:04,189 --> 00:17:01,860

RAF crowden is just a few miles north of

321

00:17:08,090 --> 00:17:04,199

upper Hayford and it is a radar base

322

00:17:09,890 --> 00:17:08,100

that is what it excels in

323

00:17:13,250 --> 00:17:09,900

and I now

324

00:17:16,429 --> 00:17:13,260

have a man who is talking to me

325

00:17:18,770 --> 00:17:16,439

being from the United States based at

326

00:17:22,669 --> 00:17:18,780

Raf upper Hayford

327

00:17:23,569 --> 00:17:22,679

who starts unfolding how he gets an

328

00:17:26,150 --> 00:17:23,579

order

329

00:17:30,490 --> 00:17:26,160

to go out to one of the weapon storage

330

00:17:34,250 --> 00:17:30,500

areas at upper Hayford in order to move

331

00:17:35,450 --> 00:17:34,260

bombs to protect them and nobody tells

332

00:17:38,870 --> 00:17:35,460

him why

333

00:17:42,789 --> 00:17:38,880

he gets to the weapon storage area and

334

00:17:46,370 --> 00:17:42,799

it is the night of December

335

00:17:52,310 --> 00:17:46,380

27th 1980

336

00:17:56,930 --> 00:17:52,320

at approximately on the dot 1 a.m so

337

00:18:00,350 --> 00:17:56,940

over in bentwaters on that middle night

338

00:18:03,830 --> 00:18:00,360

they're out people are out in the forest

339

00:18:07,669 --> 00:18:03,840

and it's the clock goes past midnight so

340

00:18:08,690 --> 00:18:07,679

you've gone from 26 to the 27th and that

341

00:18:12,350 --> 00:18:08,700

is

342

00:18:14,770 --> 00:18:12,360

the two RAF bases

343

00:18:18,950 --> 00:18:14,780

don't know it but they are both

344

00:18:21,049 --> 00:18:18,960

experiencing very strange highly strange

345

00:18:23,930 --> 00:18:21,059

UFO phenomena

346

00:18:27,470 --> 00:18:23,940

and in Upper Hayford

347

00:18:30,110 --> 00:18:27,480

I'll call the uh the person that I'm

348

00:18:34,909 --> 00:18:30,120

protecting to share his story

349

00:18:37,250 --> 00:18:34,919

that I call him uh Smith Jones and he at

350

00:18:39,590 --> 00:18:37,260

that time was a senior Airman he would

351

00:18:42,230 --> 00:18:39,600

eventually after 20 years retire from

352

00:18:45,890 --> 00:18:42,240

the Air Force as a staff sergeant

353

00:18:49,430 --> 00:18:45,900

and he gets to where he is to do the

354

00:18:51,830 --> 00:18:49,440

bombs they have trailers he's starting

355

00:18:54,110 --> 00:18:51,840

to do work he is

356

00:18:57,529 --> 00:18:54,120

um on what is called a it's a little

357

00:18:59,990 --> 00:18:57,539

Hill at upper Hayford and when you are

358

00:19:02,690 --> 00:19:00,000

at the flight line and this little Hill

359

00:19:04,909 --> 00:19:02,700

here where some of the bombs and

360

00:19:08,750 --> 00:19:04,919

tunneling equipment are

361

00:19:12,590 --> 00:19:08,760

it has a slope like this and

362

00:19:15,049 --> 00:19:12,600

he is looking down on another part of

363

00:19:18,409 --> 00:19:15,059

what would be the flight line from where

364

00:19:21,289 --> 00:19:18,419

he begins trying to organize how he's

365

00:19:23,810 --> 00:19:21,299

going to protect these bombs and he has

366

00:19:25,669 --> 00:19:23,820

not a clue what's happening that he

367

00:19:27,650 --> 00:19:25,679

doesn't see anything he doesn't know why

368

00:19:29,090 --> 00:19:27,660

he's there

369

00:19:33,110 --> 00:19:29,100

he's

370

00:19:34,490 --> 00:19:33,120

getting a phone call back saying he

371

00:19:36,950 --> 00:19:34,500

needs help

372

00:19:39,049 --> 00:19:36,960

he needs somebody to come from security

373

00:19:41,270 --> 00:19:39,059

to help

374

00:19:44,630 --> 00:19:41,280

he's made that call

375

00:19:48,230 --> 00:19:44,640

he turns around he's up on that little

376

00:19:52,430 --> 00:19:48,240

Hill he turns around just to look down

377

00:19:53,870 --> 00:19:52,440

at this other section of the Airfield

378

00:19:57,289 --> 00:19:53,880

and there

379

00:19:59,690 --> 00:19:57,299

it astounded him struck him it was like

380

00:20:02,810 --> 00:19:59,700

he was hit with something like lightning

381

00:20:06,650 --> 00:20:02,820

he couldn't believe it 60 to 80 feet

382

00:20:10,669 --> 00:20:06,660

long 30 to 40 maybe 50 feet wide the

383

00:20:14,630 --> 00:20:10,679

shape of a triangle and it is just like

384

00:20:17,990 --> 00:20:14,640

this in the air below him he can only

385

00:20:21,110 --> 00:20:18,000

see the top of it it is below him and he

386

00:20:24,289 --> 00:20:21,120

said I do not know how anything that

387

00:20:29,090 --> 00:20:24,299

large how can it creep up there was no

388

00:20:33,110 --> 00:20:29,100

sound no sound at all it's just there

389

00:20:34,250 --> 00:20:33,120

and what unfolded over the next few

390

00:20:37,669 --> 00:20:34,260

hours

391

00:20:40,190 --> 00:20:37,679

he makes another phone call he's trying

392

00:20:42,650 --> 00:20:40,200

to get security help he doesn't know

393

00:20:46,070 --> 00:20:42,660

what this is he doesn't know why they

394

00:20:50,570 --> 00:20:46,080

are moving bombs the whole thing is uh

395

00:20:51,529 --> 00:20:50,580

has him stunned and eventually two more

396

00:20:53,029 --> 00:20:51,539

men

397

00:20:56,810 --> 00:20:53,039

show up

398

00:20:59,029 --> 00:20:56,820

and they go down the hill

399

00:21:01,669 --> 00:20:59,039

and when they get down a little lower

400

00:21:04,909 --> 00:21:01,679

they're now looking up under the belly

401  
00:21:06,409 --> 00:21:04,919  
of this huge triangular craft that

402  
00:21:08,450 --> 00:21:06,419  
appears to be

403  
00:21:11,150 --> 00:21:08,460  
all black

404  
00:21:15,950 --> 00:21:11,160  
but in the what we'll call the front

405  
00:21:19,490 --> 00:21:15,960  
when they could see it were two 10 foot

406  
00:21:23,450 --> 00:21:19,500  
by five foot windows

407  
00:21:26,330 --> 00:21:23,460  
so here's a 10 by 5 here's a ten by five

408  
00:21:28,789 --> 00:21:26,340  
they can't see anybody they don't see

409  
00:21:31,310 --> 00:21:28,799  
any moving lights they don't see

410  
00:21:34,610 --> 00:21:31,320  
anything functioning except

411  
00:21:38,690 --> 00:21:34,620  
Pure White daylight appears to be coming

412  
00:21:42,289 --> 00:21:38,700  
up from the floor it is directional as

413  
00:21:45,950 --> 00:21:42,299

he said to me and that the light was

414

00:21:49,909 --> 00:21:45,960

making the windows look white but that

415

00:21:53,210 --> 00:21:49,919

was it there was nothing else until

416

00:21:56,750 --> 00:21:53,220

the three of them get down below and

417

00:21:58,909 --> 00:21:56,760

then he did drawings and apologized for

418

00:22:01,930 --> 00:21:58,919

not being an artist but the point here

419

00:22:06,049 --> 00:22:01,940

is what he saw I've never heard before

420

00:22:07,190 --> 00:22:06,059

or since he had never heard before or

421

00:22:11,750 --> 00:22:07,200

since

422

00:22:15,049 --> 00:22:11,760

there were 19 half Moons

423

00:22:20,930 --> 00:22:15,059

do do like a thinking of pie and cut it

424

00:22:22,669 --> 00:22:20,940

in half and 19 halves are placed a line

425

00:22:30,770 --> 00:22:22,679

of seven

426

00:22:34,190 --> 00:22:30,780

would be the back five in between

427

00:22:37,549 --> 00:22:34,200

so there's a total of 19 and he said

428

00:22:40,730 --> 00:22:37,559

it he had never seen anything like it

429

00:22:44,390 --> 00:22:40,740

but he tried to compare it to what would

430

00:22:47,930 --> 00:22:44,400

make us see what he was seeing inside of

431

00:22:52,149 --> 00:22:47,940

these small uh we'll call them he called

432

00:22:55,310 --> 00:22:52,159

them glass orbs he said you know what a

433

00:22:57,649 --> 00:22:55,320

electrostatic electricity looks like or

434

00:23:00,909 --> 00:22:57,659

maybe like lightning and if you could

435

00:23:03,649 --> 00:23:00,919

capture lightning that was red green

436

00:23:05,990 --> 00:23:03,659

yellow blue

437

00:23:08,090 --> 00:23:06,000

and a little orange and he said if you

438

00:23:10,810 --> 00:23:08,100

could capture and you're seeing like

439

00:23:14,029 --> 00:23:10,820

lightning inside of these half Moons

440

00:23:16,730 --> 00:23:14,039

that's what it was like

441

00:23:18,590 --> 00:23:16,740

and then

442

00:23:20,690 --> 00:23:18,600

the

443

00:23:22,610 --> 00:23:20,700

more crews

444

00:23:26,090 --> 00:23:22,620

are coming

445

00:23:30,230 --> 00:23:26,100

they are getting orders that they are

446

00:23:33,830 --> 00:23:30,240

they've got to close this up and they

447

00:23:37,850 --> 00:23:33,840

start doing their work and this thing is

448

00:23:40,789 --> 00:23:37,860

right there is still silent silent and

449

00:23:43,430 --> 00:23:40,799

they get doors closed with the bombs

450

00:23:46,789 --> 00:23:43,440

moved they get the work done without

451  
00:23:50,450 --> 00:23:46,799  
still not anybody talking to them about

452  
00:23:52,370 --> 00:23:50,460  
what is going on and what is this thing

453  
00:23:55,310 --> 00:23:52,380  
this big thing in the air

454  
00:23:58,190 --> 00:23:55,320  
and the three he and two of the men

455  
00:24:00,649 --> 00:23:58,200  
go back down to a position where they're

456  
00:24:02,930 --> 00:24:00,659  
underneath they're waiting for a

457  
00:24:06,230 --> 00:24:02,940  
transport to come and get them

458  
00:24:08,570 --> 00:24:06,240  
and as they sat there he said suddenly

459  
00:24:16,789 --> 00:24:08,580  
not one sound

460  
00:24:18,110 --> 00:24:16,799  
thing with the 19 lightning glass orbs

461  
00:24:21,169 --> 00:24:18,120  
on the bottom

462  
00:24:24,289 --> 00:24:21,179  
that it began to turn and he said it

463  
00:24:27,110 --> 00:24:24,299

started to turn so slowly that they both

464

00:24:30,110 --> 00:24:27,120

all three of them said how can it be so

465

00:24:33,169 --> 00:24:30,120

big and turn so slowly and we not hear

466

00:24:36,230 --> 00:24:33,179

anything and he said as it kept turning

467

00:24:39,470 --> 00:24:36,240

it was almost like

468

00:24:42,710 --> 00:24:39,480

this is what we can do

469

00:24:44,930 --> 00:24:42,720

and there's nothing you can do about it

470

00:24:47,990 --> 00:24:44,940

and he said it actually had that feeling

471

00:24:53,029 --> 00:24:48,000

in all three men said my God it's like

472

00:24:55,909 --> 00:24:53,039

telling us in the slow sort of almost uh

473

00:24:58,730 --> 00:24:55,919

we have nothing to be afraid of we have

474

00:25:01,190 --> 00:24:58,740

nothing to hurry for and then the when

475

00:25:03,830 --> 00:25:01,200

the craft had turned

476  
00:25:05,510 --> 00:25:03,840  
it just

477  
00:25:07,669 --> 00:25:05,520  
disappeared

478  
00:25:11,210 --> 00:25:07,679  
okay now

479  
00:25:12,770 --> 00:25:11,220  
he gets finally he gets back

480  
00:25:26,390 --> 00:25:12,780  
and

481  
00:25:31,070 --> 00:25:26,400  
superior officer said

482  
00:25:33,350 --> 00:25:31,080  
you are to keep your mouth shut for the

483  
00:25:37,430 --> 00:25:33,360  
rest of your life

484  
00:25:40,850 --> 00:25:37,440  
or we will make sure that everything in

485  
00:25:43,970 --> 00:25:40,860  
your career is pulled and you will have

486  
00:25:47,690 --> 00:25:43,980  
nothing and that those are literal words

487  
00:25:50,510 --> 00:25:47,700  
said to him and he by that point like so

488  
00:25:53,330 --> 00:25:50,520

many people have experienced this some

489

00:25:55,610 --> 00:25:53,340

dramatic thing with a UFO and then

490

00:25:57,890 --> 00:25:55,620

somebody of higher rank comes and says

491

00:26:00,289 --> 00:25:57,900

that you keep your mouth shut or

492

00:26:01,310 --> 00:26:00,299

all kinds of punishing is going to

493

00:26:02,570 --> 00:26:01,320

happen

494

00:26:04,430 --> 00:26:02,580

and

495

00:26:06,289 --> 00:26:04,440

he said from

496

00:26:09,409 --> 00:26:06,299

that moment on

497

00:26:12,590 --> 00:26:09,419

until the sun came up

498

00:26:15,830 --> 00:26:12,600

he had no idea what was happening but he

499

00:26:17,330 --> 00:26:15,840

finally had the ability to talk to some

500

00:26:19,850 --> 00:26:17,340

people who are coming in on the new

501  
00:26:22,070 --> 00:26:19,860  
shift before he would go back to his

502  
00:26:24,710 --> 00:26:22,080  
place and he said

503  
00:26:27,230 --> 00:26:24,720  
these guys came in and they said hey did

504  
00:26:30,590 --> 00:26:27,240  
you hear about the UFO last night he

505  
00:26:32,810 --> 00:26:30,600  
said hear about it I was there I was

506  
00:26:36,230 --> 00:26:32,820  
underneath it and they said well did you

507  
00:26:39,590 --> 00:26:36,240  
hear it went up to Croton that was RAF

508  
00:26:43,630 --> 00:26:39,600  
Croton nearby a little bit further north

509  
00:26:48,350 --> 00:26:43,640  
and then they've reported it at Raf

510  
00:26:51,649 --> 00:26:48,360  
bentwaters same craft

511  
00:26:53,330 --> 00:26:51,659  
brand new information yeah and and and

512  
00:26:59,269 --> 00:26:53,340  
here's the thing

513  
00:27:02,510 --> 00:26:59,279

all right December 29th right 1980

514

00:27:05,269 --> 00:27:02,520

um now we have uh you know upper a

515

00:27:06,710 --> 00:27:05,279

Hayford and upper Hayford is right in

516

00:27:09,590 --> 00:27:06,720

the middle of the United Kingdom too

517

00:27:11,630 --> 00:27:09,600

it's it's just a little north of Oxford

518

00:27:13,190 --> 00:27:11,640

yeah yeah it's it's it's it's right in

519

00:27:15,950 --> 00:27:13,200

the center there

520

00:27:17,750 --> 00:27:15,960

um we've got uh bent Waters rendlesham

521

00:27:21,470 --> 00:27:17,760

and then over here in the United States

522

00:27:24,710 --> 00:27:21,480

we had cash Landrum and that was also on

523

00:27:25,850 --> 00:27:24,720

December 29th 1980. that's right and I

524

00:27:28,970 --> 00:27:25,860

said to him

525

00:27:32,090 --> 00:27:28,980

what in the world do you suppose was

526  
00:27:35,570 --> 00:27:32,100  
happening the 27th that what would be

527  
00:27:37,669 --> 00:27:35,580  
starting up to midnight on the 26th then

528  
00:27:40,190 --> 00:27:37,679  
you go past midnight and you're into the

529  
00:27:43,669 --> 00:27:40,200  
27th right you go through the 27th to

530  
00:27:47,029 --> 00:27:43,679  
midnight to the 28th and then that third

531  
00:27:50,870 --> 00:27:47,039  
night the 28th went into the 29th what

532  
00:27:54,169 --> 00:27:50,880  
was happening that so many places would

533  
00:27:56,630 --> 00:27:54,179  
have had and this is important

534  
00:27:59,029 --> 00:27:56,640  
they all said it had to be something

535  
00:28:01,430 --> 00:27:59,039  
like a UFO because they had never seen

536  
00:28:05,390 --> 00:28:01,440  
anything like it that big there was no

537  
00:28:08,930 --> 00:28:05,400  
noise it moved as if it was on gliding

538  
00:28:12,649 --> 00:28:08,940

on Ice uh still without making noise

539

00:28:14,690 --> 00:28:12,659

and the whole issue of what had showed

540

00:28:18,350 --> 00:28:14,700

up in bent Waters was being had been

541

00:28:22,310 --> 00:28:18,360

argued there among so many people over

542

00:28:26,930 --> 00:28:22,320

how many decades well here is an Insight

543

00:28:29,810 --> 00:28:26,940

that the same strange thing that he was

544

00:28:32,750 --> 00:28:29,820

seeing at upper Hayford and that went to

545

00:28:35,149 --> 00:28:32,760

Croton that it ended up in bent Waters

546

00:28:37,490 --> 00:28:35,159

but there's never Jimmy there has never

547

00:28:41,390 --> 00:28:37,500

been any description that I've ever

548

00:28:44,630 --> 00:28:41,400

heard of a a triangle that was just

549

00:28:49,130 --> 00:28:44,640

suspended totally silent in the air even

550

00:28:52,730 --> 00:28:49,140

there so which came first right was this

551  
00:28:55,430 --> 00:28:52,740  
craft what brought with it all of the

552  
00:28:58,610 --> 00:28:55,440  
phenomena that was unfolding that's

553  
00:29:02,029 --> 00:28:58,620  
right was it attracted to something else

554  
00:29:04,610 --> 00:29:02,039  
that was already at ref matwaters and

555  
00:29:07,010 --> 00:29:04,620  
maybe it had even gone there first and

556  
00:29:11,090 --> 00:29:07,020  
then to Upper Hayford and then to Croton

557  
00:29:14,390 --> 00:29:11,100  
and back we don't know because no one

558  
00:29:17,029 --> 00:29:14,400  
there was no overview of any of what

559  
00:29:19,730 --> 00:29:17,039  
I've just reported to you guys there was

560  
00:29:23,870 --> 00:29:19,740  
no overview about that I'm only getting

561  
00:29:27,230 --> 00:29:23,880  
it for the first time in detail in 2023

562  
00:29:28,310 --> 00:29:27,240  
March it sounds like I want your opinion

563  
00:29:31,250 --> 00:29:28,320

on this

564

00:29:35,570 --> 00:29:31,260

um from the description of your Witness

565

00:29:39,409 --> 00:29:35,580

it sounds like the craft is similar a

566

00:29:41,570 --> 00:29:39,419

bigger version of what peniston reported

567

00:29:45,289 --> 00:29:41,580

well you know you know what I mean so

568

00:29:47,810 --> 00:29:45,299

maybe maybe they released uh maybe what

569

00:29:50,269 --> 00:29:47,820

uh appeared in randleship of course I'm

570

00:29:52,850 --> 00:29:50,279

just you know spitballing here we're

571

00:29:56,690 --> 00:29:52,860

whiteboarding together but

572

00:29:59,510 --> 00:29:56,700

um maybe we can add something that uh

573

00:30:02,029 --> 00:29:59,520

pettison and I and John worked on

574

00:30:05,810 --> 00:30:02,039

illustrations when we were doing stuff

575

00:30:08,690 --> 00:30:05,820

for Ancient Aliens and uh my book and

576

00:30:11,690 --> 00:30:08,700

various things and one one of the

577

00:30:13,870 --> 00:30:11,700

illustrations that peniston did as was

578

00:30:18,590 --> 00:30:13,880

of a black triangle but it was only

579

00:30:21,289 --> 00:30:18,600

approximately nine feet long uh it was I

580

00:30:24,889 --> 00:30:21,299

think seven feet six seven speed off the

581

00:30:26,690 --> 00:30:24,899

ground and uh I have an illustration in

582

00:30:29,990 --> 00:30:26,700

my Earth Files YouTube channel that was

583

00:30:33,049 --> 00:30:30,000

on Wednesday night uh on the 22nd of

584

00:30:35,570 --> 00:30:33,059

this week you can see that you can see

585

00:30:39,970 --> 00:30:35,580

in if you go to the Earth Files YouTube

586

00:30:42,769 --> 00:30:39,980

channel and you click on the March

587

00:30:46,730 --> 00:30:42,779

22nd Earth Files YouTube channel it's

588

00:30:50,169 --> 00:30:46,740

the broadcast about uh what what went to

589

00:30:56,090 --> 00:30:50,179

three air bases uh in the UFO category

590

00:30:59,210 --> 00:30:56,100

and that the black triangle

591

00:31:01,010 --> 00:30:59,220

uh doing interviews with pennison and

592

00:31:04,070 --> 00:31:01,020

John for Ancient Aliens

593

00:31:08,630 --> 00:31:04,080

that he remembered that it seemed like

594

00:31:11,510 --> 00:31:08,640

it was black glass solid black glass but

595

00:31:15,430 --> 00:31:11,520

had lights

596

00:31:19,149 --> 00:31:15,440

that were red green different colors

597

00:31:22,730 --> 00:31:19,159

moving underneath the glass

598

00:31:24,889 --> 00:31:22,740

the size is not the same but the idea of

599

00:31:27,529 --> 00:31:24,899

light right glass right right right

600

00:31:30,049 --> 00:31:27,539

right and and so going back to your

601  
00:31:32,990 --> 00:31:30,059  
eyewitness I find it

602  
00:31:36,289 --> 00:31:33,000  
very interesting of the description of

603  
00:31:38,990 --> 00:31:36,299  
the half balls with the electrostatic

604  
00:31:42,289 --> 00:31:39,000  
lightning uh that was multi-colored

605  
00:31:45,169 --> 00:31:42,299  
things are sounding very very similar

606  
00:31:47,090 --> 00:31:45,179  
here although they're isolated incidents

607  
00:31:50,269 --> 00:31:47,100  
and they're different they really are

608  
00:31:52,370 --> 00:31:50,279  
different because 60 to 80 foot try to

609  
00:31:55,370 --> 00:31:52,380  
imagine that's one quarter of the length

610  
00:31:58,850 --> 00:31:55,380  
of a football field sure that's what is

611  
00:32:00,529 --> 00:31:58,860  
in the air only about at one point he

612  
00:32:03,889 --> 00:32:00,539  
thought it was maybe somewhere between

613  
00:32:05,690 --> 00:32:03,899

15 and 30 feet above them really low and

614

00:32:10,010 --> 00:32:05,700

here are three men standing there

615

00:32:13,850 --> 00:32:10,020

looking at this thing at no briefing no

616

00:32:17,210 --> 00:32:13,860

explanation and no one ever talked about

617

00:32:19,610 --> 00:32:17,220

it except for those three they talked to

618

00:32:22,909 --> 00:32:19,620

each other underneath it when they got

619

00:32:26,510 --> 00:32:22,919

back they were all told never to discuss

620

00:32:29,649 --> 00:32:26,520

it but doesn't that imply Jimmy that our

621

00:32:33,470 --> 00:32:29,659

government our military at some level

622

00:32:37,549 --> 00:32:33,480

knew a lot about whatever this large

623

00:32:41,350 --> 00:32:37,559

black craft was with the white light in

624

00:32:43,850 --> 00:32:41,360

these huge windows with the pulsing

625

00:32:45,110 --> 00:32:43,860

electrostatic light underneath somebody

626  
00:32:49,549 --> 00:32:45,120  
knew

627  
00:32:52,549 --> 00:32:49,559  
or had some briefing about it or

628  
00:32:54,350 --> 00:32:52,559  
wouldn't there have been just Mayhem

629  
00:32:58,310 --> 00:32:54,360  
that there would have been things

630  
00:33:01,970 --> 00:32:58,320  
organized to come to uh uh probably to

631  
00:33:05,570 --> 00:33:01,980  
strafe it with bombs I mean yeah it

632  
00:33:08,630 --> 00:33:05,580  
implies a lot of knowledge at a high

633  
00:33:12,830 --> 00:33:08,640  
level about something that moved almost

634  
00:33:16,430 --> 00:33:12,840  
casually over three air bases in England

635  
00:33:20,149 --> 00:33:16,440  
that were American bases December 26

636  
00:33:23,450 --> 00:33:20,159  
27th 28th and this was the after

637  
00:33:26,269 --> 00:33:23,460  
midnight on the 27th at upper Hayford

638  
00:33:28,970 --> 00:33:26,279

and croughton and getting to RAF Ben

639

00:33:31,310 --> 00:33:28,980

waters you know your research and and

640

00:33:33,590 --> 00:33:31,320

how you get stuff done Linda and the way

641

00:33:36,830 --> 00:33:33,600

that you approach uh investigative

642

00:33:40,970 --> 00:33:36,840

journalism this is why

643

00:33:44,889 --> 00:33:40,980

um the parapod is is presenting you with

644

00:33:46,450 --> 00:33:44,899

the media Legend award next week and and

645

00:33:49,610 --> 00:33:46,460

and

646

00:33:52,009 --> 00:33:49,620

again for those that that can't be there

647

00:33:54,710 --> 00:33:52,019

uh this is why we're doing this show

648

00:33:57,110 --> 00:33:54,720

tonight so we can celebrate next week

649

00:33:59,389 --> 00:33:57,120

Linda's traveling I'm traveling and we

650

00:34:02,330 --> 00:33:59,399

won't have an opportunity to do it but

651  
00:34:05,509 --> 00:34:02,340  
we're doing that tonight and

652  
00:34:08,210 --> 00:34:05,519  
um thank you thank you well you know the

653  
00:34:10,970 --> 00:34:08,220  
thing is and I look I presented you with

654  
00:34:14,030 --> 00:34:10,980  
Awards in the past right what am I one

655  
00:34:17,450 --> 00:34:14,040  
of my cool moments uh I know this sounds

656  
00:34:21,409 --> 00:34:17,460  
uh just so trivial

657  
00:34:24,290 --> 00:34:21,419  
um but uh one day this was I don't know

658  
00:34:27,109 --> 00:34:24,300  
it was a few years ago and I was doing

659  
00:34:28,790 --> 00:34:27,119  
some research on you and I needed I

660  
00:34:32,329 --> 00:34:28,800  
needed something

661  
00:34:33,770 --> 00:34:32,339  
so I go to your Wikipedia page right and

662  
00:34:35,690 --> 00:34:33,780  
I'm just looking for whatever I was

663  
00:34:37,190 --> 00:34:35,700

looking for and on the right of the

664

00:34:39,409 --> 00:34:37,200

Wikipedia you don't know this you don't

665

00:34:41,810 --> 00:34:39,419

do your you know other people but there

666

00:34:43,070 --> 00:34:41,820

is a there's a thing uh there's a

667

00:34:45,770 --> 00:34:43,080

picture and it says Jimmy Church

668

00:34:47,869 --> 00:34:45,780

presenting Linda Moulton Howe with the

669

00:34:51,230 --> 00:34:47,879

Lifetime Achievement Award and it's you

670

00:34:53,389 --> 00:34:51,240

and I I'm not Brad life is complete and

671

00:34:55,430 --> 00:34:53,399

it was a conscious life Expo is that

672

00:34:58,870 --> 00:34:55,440

what it was yeah yeah yeah it was so

673

00:35:03,230 --> 00:34:58,880

cool and and you know

674

00:35:05,030 --> 00:35:03,240

and I'm giving you this award but um I

675

00:35:08,990 --> 00:35:05,040

want to take a pill to live for another

676

00:35:11,690 --> 00:35:09,000

500 years I want to keep exploring I

677

00:35:13,550 --> 00:35:11,700

want to see how all this comes out well

678

00:35:15,530 --> 00:35:13,560

we're we're getting close we're getting

679

00:35:19,430 --> 00:35:15,540

close Okay so Linda

680

00:35:22,550 --> 00:35:19,440

um uh What uh we're gonna present you uh

681

00:35:24,589 --> 00:35:22,560

with an award but uh you're gonna get a

682

00:35:26,329 --> 00:35:24,599

chance to to speak too what what do you

683

00:35:27,589 --> 00:35:26,339

what are you going to speak about next

684

00:35:30,130 --> 00:35:27,599

week

685

00:35:33,410 --> 00:35:30,140

it is one of my most favorite

686

00:35:38,270 --> 00:35:33,420

presentations and I keep adding and

687

00:35:42,530 --> 00:35:38,280

evolving from brains to galaxies the key

688

00:35:45,230 --> 00:35:42,540

is frequencies and the deeper and more

689

00:35:48,470 --> 00:35:45,240

scientists that I have talked to people

690

00:35:50,930 --> 00:35:48,480

who are in the abduction category people

691

00:35:52,849 --> 00:35:50,940

who are in the military category the

692

00:35:55,430 --> 00:35:52,859

Aerospace category the medical care

693

00:35:57,109 --> 00:35:55,440

category

694

00:35:58,370 --> 00:35:57,119

frequency

695

00:36:01,370 --> 00:35:58,380

when

696

00:36:05,030 --> 00:36:01,380

I was working at Gaia

697

00:36:06,890 --> 00:36:05,040

with that Tim from Germany and it's

698

00:36:08,630 --> 00:36:06,900

called Truth Hunter and we were doing

699

00:36:12,890 --> 00:36:08,640

this series

700

00:36:15,650 --> 00:36:12,900

he was introduced to me as possibly a

701  
00:36:17,569 --> 00:36:15,660  
hybrid working for a department in

702  
00:36:20,510 --> 00:36:17,579  
Germany

703  
00:36:24,950 --> 00:36:23,390  
uh how to put this deliberately with

704  
00:36:27,950 --> 00:36:24,960  
deeper knowledge

705  
00:36:31,670 --> 00:36:27,960  
from possibly a genetic connection

706  
00:36:35,870 --> 00:36:31,680  
to Grace and others and that that would

707  
00:36:37,849 --> 00:36:35,880  
be where I would have the ability to ask

708  
00:36:41,870 --> 00:36:37,859  
him questions

709  
00:36:43,849 --> 00:36:41,880  
and go as deeply as I possibly could

710  
00:36:46,370 --> 00:36:43,859  
and I think it was the second day

711  
00:36:48,230 --> 00:36:46,380  
because we did uh interviews for two

712  
00:36:51,230 --> 00:36:48,240  
days

713  
00:36:54,290 --> 00:36:51,240

I asked him a question about dimensions

714

00:36:57,170 --> 00:36:54,300

and it was like a gear shift

715

00:36:59,329 --> 00:36:57,180

and he went into one of the most

716

00:37:00,410 --> 00:36:59,339

intelligent explanations that I've ever

717

00:37:03,230 --> 00:37:00,420

heard

718

00:37:05,210 --> 00:37:03,240

about the whole issue of everything is

719

00:37:08,870 --> 00:37:05,220

frequency connected

720

00:37:09,770 --> 00:37:08,880

from the particle level to the macro

721

00:37:13,490 --> 00:37:09,780

level

722

00:37:16,370 --> 00:37:13,500

and that if we knew the truth about how

723

00:37:19,190 --> 00:37:16,380

it is all working together we would know

724

00:37:22,430 --> 00:37:19,200

that we are experiencing Consciousness

725

00:37:25,849 --> 00:37:22,440

in what is called the third dimension

726

00:37:28,849 --> 00:37:25,859

that there this is his count Tim's count

727

00:37:30,410 --> 00:37:28,859

that there are four five six seven eight

728

00:37:33,650 --> 00:37:30,420

nine ten

729

00:37:36,650 --> 00:37:33,660

total dimensions to this universe

730

00:37:38,750 --> 00:37:36,660

unless you know about those other seven

731

00:37:42,530 --> 00:37:38,760

Beyond three

732

00:37:46,069 --> 00:37:42,540

we are babies we are kept in a baby

733

00:37:47,750 --> 00:37:46,079

perspective those other dimensions are

734

00:37:49,250 --> 00:37:47,760

the big engines

735

00:37:50,450 --> 00:37:49,260

and that

736

00:37:54,829 --> 00:37:50,460

what

737

00:37:57,050 --> 00:37:54,839

his communication with a particular type

738

00:38:02,349 --> 00:37:57,060

of gray that he was communicating with

739

00:38:07,970 --> 00:38:04,030

Humanity

740

00:38:09,650 --> 00:38:07,980

needs to get from the third dimension to

741

00:38:12,650 --> 00:38:09,660

The Fifth Dimension

742

00:38:16,270 --> 00:38:12,660

and gave all of these complex facet

743

00:38:20,450 --> 00:38:16,280

reasons why that in the third dimension

744

00:38:25,970 --> 00:38:20,460

where we are caught by time

745

00:38:29,089 --> 00:38:25,980

uh we are caught by deterioration in a

746

00:38:31,670 --> 00:38:29,099

very short segment of being born and

747

00:38:35,030 --> 00:38:31,680

then we are supposed to retire from life

748

00:38:38,349 --> 00:38:35,040

and die in our 60s or 70s

749

00:38:41,750 --> 00:38:38,359

that this is an artificial

750

00:38:43,310 --> 00:38:41,760

three-dimensional existence in order to

751  
00:38:47,150 --> 00:38:43,320  
learn

752  
00:38:51,950 --> 00:38:47,160  
in order to get to higher dimensions

753  
00:38:55,430 --> 00:38:51,960  
and that the the eat the Grays told Tim

754  
00:38:58,730 --> 00:38:55,440  
who was talking to me in a truth on her

755  
00:39:02,030 --> 00:38:58,740  
that they would like to see Humanity

756  
00:39:03,829 --> 00:39:02,040  
be educated to bypass the fourth

757  
00:39:07,130 --> 00:39:03,839  
dimension altogether

758  
00:39:11,450 --> 00:39:07,140  
and get to the fifth where we would then

759  
00:39:15,230 --> 00:39:11,460  
begin to have information about how all

760  
00:39:17,329 --> 00:39:15,240  
of the frequencies work and that once

761  
00:39:20,030 --> 00:39:17,339  
you begin to understand the relationship

762  
00:39:21,829 --> 00:39:20,040  
of frequencies from the atomic particle

763  
00:39:24,069 --> 00:39:21,839

level up to the macro

764

00:39:28,190 --> 00:39:24,079

and you begin to understand

765

00:39:29,390 --> 00:39:28,200

that dimensions are separated by

766

00:39:32,870 --> 00:39:29,400

frequency

767

00:39:35,930 --> 00:39:32,880

that the systems that work in our bodies

768

00:39:38,930 --> 00:39:35,940

at the micro level are separated in many

769

00:39:41,150 --> 00:39:38,940

ways by frequencies that the solar

770

00:39:43,790 --> 00:39:41,160

systems and the Suns that were in a

771

00:39:46,670 --> 00:39:43,800

universe that has an estimated three

772

00:39:50,050 --> 00:39:46,680

trillion stars at least

773

00:39:53,990 --> 00:39:50,060

the Dynamics inside of this one universe

774

00:39:56,870 --> 00:39:54,000

is all related to the frequencies from

775

00:39:59,990 --> 00:39:56,880

particle to macro

776  
00:40:03,410 --> 00:40:00,000  
that if you then go beyond this universe

777  
00:40:06,710 --> 00:40:03,420  
into the concept of the multi-verse

778  
00:40:09,770 --> 00:40:06,720  
you then are what Roger Penrose in that

779  
00:40:12,290 --> 00:40:09,780  
interview I did with him in 2018 when I

780  
00:40:14,569 --> 00:40:12,300  
ask him sir what about the singularity

781  
00:40:19,069 --> 00:40:14,579  
that started this universe

782  
00:40:21,950 --> 00:40:19,079  
and his gentle UK voice said oh no Linda

783  
00:40:23,750 --> 00:40:21,960  
no no singularity

784  
00:40:25,970 --> 00:40:23,760  
what we are in

785  
00:40:29,690 --> 00:40:25,980  
is an infinity

786  
00:40:33,050 --> 00:40:29,700  
of cycles of time

787  
00:40:36,829 --> 00:40:33,060  
all of it woven together

788  
00:40:38,510 --> 00:40:36,839

frequencies frequencies moving through

789

00:40:43,550 --> 00:40:38,520

Infinity

790

00:40:46,250 --> 00:40:43,560

and wait we have only a tiny tiny lens

791

00:40:50,750 --> 00:40:46,260

in the third dimension

792

00:40:53,569 --> 00:40:50,760

I find this exciting I find it exciting

793

00:40:55,849 --> 00:40:53,579

to think that at the moment of our

794

00:40:57,530 --> 00:40:55,859

passing in the third dimensional matter

795

00:41:00,970 --> 00:40:57,540

world

796

00:41:04,910 --> 00:41:00,980

that there is reincarnation of our Vital

797

00:41:07,310 --> 00:41:04,920

energetic Souls that Tim says that that

798

00:41:08,870 --> 00:41:07,320

we don't understand the power of our

799

00:41:11,390 --> 00:41:08,880

souls as humans

800

00:41:14,030 --> 00:41:11,400

that we would then go into other

801  
00:41:16,970 --> 00:41:14,040  
reincarnated cycles and we are not the

802  
00:41:21,230 --> 00:41:16,980  
only Consciousness doing it

803  
00:41:24,710 --> 00:41:21,240  
and that all of it in all of its Roger

804  
00:41:26,329 --> 00:41:24,720  
Penrose the infinite cycles of time

805  
00:41:34,310 --> 00:41:26,339  
all of it

806  
00:41:37,490 --> 00:41:34,320  
because frequencies are separating out

807  
00:41:41,810 --> 00:41:37,500  
everything from Dimensions to the

808  
00:41:43,490 --> 00:41:41,820  
particles at the at the smallest level

809  
00:41:47,810 --> 00:41:43,500  
Atomic level

810  
00:41:51,349 --> 00:41:47,820  
where it all works together in cycles

811  
00:41:54,410 --> 00:41:51,359  
and somehow I am now beginning to grok

812  
00:41:56,990 --> 00:41:54,420  
that I'm beginning for the first time to

813  
00:42:01,190 --> 00:41:57,000

feel that to have a sense of it

814

00:42:02,990 --> 00:42:01,200

and that's the sadness that we are at

815

00:42:06,170 --> 00:42:03,000

2023

816

00:42:09,589 --> 00:42:06,180

and we humans have still not been told

817

00:42:11,630 --> 00:42:09,599

by the power Brokers of Earth

818

00:42:13,550 --> 00:42:11,640

that we're not alone

819

00:42:18,290 --> 00:42:13,560

that there's

820

00:42:22,310 --> 00:42:18,300

three trillion Stars there's thousands

821

00:42:25,849 --> 00:42:22,320

millions of other intelligences and that

822

00:42:29,630 --> 00:42:25,859

we are a life form with Consciousness in

823

00:42:33,170 --> 00:42:29,640

our brains that can resonate with this

824

00:42:35,630 --> 00:42:33,180

entire universe if we were taught and

825

00:42:40,190 --> 00:42:35,640

that the Universe and all Consciousness

826  
00:42:45,370 --> 00:42:40,200  
in this universe are always in a

827  
00:42:49,150 --> 00:42:45,380  
frequency relationship with each other

828  
00:42:52,730 --> 00:42:49,160  
the uh the part of this

829  
00:42:56,870 --> 00:42:52,740  
that I I find so compelling

830  
00:42:58,550 --> 00:42:56,880  
is that our community those that think

831  
00:43:01,190 --> 00:42:58,560  
outside of the box you know that are

832  
00:43:04,630 --> 00:43:01,200  
pursuers of of knowledge

833  
00:43:06,650 --> 00:43:04,640  
um and our community is is is is is

834  
00:43:10,250 --> 00:43:06,660  
vastly different

835  
00:43:11,870 --> 00:43:10,260  
in that some of us are looking at life

836  
00:43:13,569 --> 00:43:11,880  
after death some of us are looking at

837  
00:43:15,890 --> 00:43:13,579  
Bigfoot some of us are looking at

838  
00:43:18,530 --> 00:43:15,900

Consciousness some of us are discussing

839

00:43:20,630 --> 00:43:18,540

UFO some of us discuss all of that uh

840

00:43:24,050 --> 00:43:20,640

and they're all facets of the same

841

00:43:25,910 --> 00:43:24,060

Incredible Universe that's my point you

842

00:43:28,010 --> 00:43:25,920

know that's my point and so we have been

843

00:43:31,970 --> 00:43:28,020

going at this for a very long time

844

00:43:34,490 --> 00:43:31,980

yelling from the Treetops right and just

845

00:43:36,890 --> 00:43:34,500

now and and Roger Penn Rose who somebody

846

00:43:38,990 --> 00:43:36,900

I've read a lot of his books and I

847

00:43:42,950 --> 00:43:39,000

really appreciate the way that he thinks

848

00:43:45,109 --> 00:43:42,960

yes but but science today Linda is

849

00:43:47,210 --> 00:43:45,119

talking about all of the things that

850

00:43:50,630 --> 00:43:47,220

this community has been shouting about

851  
00:43:52,609 --> 00:43:50,640  
for decades right and and now finally

852  
00:43:55,670 --> 00:43:52,619  
they're coming to get you know when when

853  
00:43:58,250 --> 00:43:55,680  
when when Brian Greene because we've

854  
00:44:00,550 --> 00:43:58,260  
been talking about 2D 3D 4D 5D extra

855  
00:44:04,370 --> 00:44:00,560  
Dimensions

856  
00:44:07,130 --> 00:44:04,380  
some people argue 12 and that's why MJ

857  
00:44:08,690 --> 00:44:07,140  
12 was called 12 because they were 12

858  
00:44:11,750 --> 00:44:08,700  
dimensions and they learned that from

859  
00:44:14,450 --> 00:44:11,760  
each one but today Kim and Germany

860  
00:44:17,870 --> 00:44:14,460  
insists it's 10 somebody else says it's

861  
00:44:21,470 --> 00:44:17,880  
12. for some reason we're always in

862  
00:44:25,670 --> 00:44:21,480  
arguments about the actual facts because

863  
00:44:28,370 --> 00:44:25,680

nobody is talking to us as Consciousness

864

00:44:31,430 --> 00:44:28,380

in this universe that's right and and so

865

00:44:33,410 --> 00:44:31,440

Brian Green right so he jumps into

866

00:44:35,270 --> 00:44:33,420

string theory and starts to present

867

00:44:38,030 --> 00:44:35,280

String Theory to the world so we can

868

00:44:40,849 --> 00:44:38,040

understand what he's working on and and

869

00:44:43,790 --> 00:44:40,859

his team of physicists and things and

870

00:44:47,510 --> 00:44:43,800

right there and if you read his books or

871

00:44:50,390 --> 00:44:47,520

listen to him speak he says there are at

872

00:44:53,690 --> 00:44:50,400

least 11 dimensions and let me explain

873

00:44:56,690 --> 00:44:53,700

to you why well you know and it's just

874

00:44:59,390 --> 00:44:56,700

like we've been talking about this for a

875

00:45:01,790 --> 00:44:59,400

very long time but now finally things

876  
00:45:03,349 --> 00:45:01,800  
are starting to mesh together Linda your

877  
00:45:05,569 --> 00:45:03,359  
research

878  
00:45:08,690 --> 00:45:05,579  
um that is always combined science and

879  
00:45:11,510 --> 00:45:08,700  
I'm going to say it and the right and

880  
00:45:13,970 --> 00:45:11,520  
I've always been a hard-nosed journalist

881  
00:45:17,329 --> 00:45:13,980  
since I graduated from Stanford with a

882  
00:45:20,870 --> 00:45:17,339  
master's in communication and I did

883  
00:45:23,750 --> 00:45:20,880  
documentaries for Stanford University's

884  
00:45:26,890 --> 00:45:23,760  
Medical Center my Master's thesis was

885  
00:45:30,410 --> 00:45:26,900  
the Stanford linear accelerator particle

886  
00:45:32,089 --> 00:45:30,420  
where they were for the very first time

887  
00:45:35,630 --> 00:45:32,099  
if it's hard to believe I was at

888  
00:45:37,970 --> 00:45:35,640

Stanford from 1966 to 68 getting my

889

00:45:41,270 --> 00:45:37,980

master's degree and my Master's thesis

890

00:45:46,910 --> 00:45:41,280

was working with physicists who were

891

00:45:48,230 --> 00:45:46,920

trying to see if they could capture uh

892

00:45:50,750 --> 00:45:48,240

on film

893

00:45:52,490 --> 00:45:50,760

some of the particle particle

894

00:45:54,589 --> 00:45:52,500

relationships that they were getting at

895

00:45:57,410 --> 00:45:54,599

the Stanford linear accelerator but more

896

00:46:01,130 --> 00:45:57,420

than that they wanted to bring to bear

897

00:46:03,770 --> 00:46:01,140

the digital world and have computers do

898

00:46:08,030 --> 00:46:03,780

the analysis of the particle bombardment

899

00:46:11,750 --> 00:46:08,040

that was so laborious that was how we'll

900

00:46:14,809 --> 00:46:11,760

call it the new age of uh getting into

901  
00:46:17,450 --> 00:46:14,819  
computers and advanced science it was

902  
00:46:19,550 --> 00:46:17,460  
all taking place in a strange way in

903  
00:46:22,609 --> 00:46:19,560  
those two years when I was there right

904  
00:46:25,430 --> 00:46:22,619  
and when I left all of the work I went

905  
00:46:28,030 --> 00:46:25,440  
to work for KNBC as a reporter in Los

906  
00:46:32,270 --> 00:46:28,040  
Angeles and I was covering everything

907  
00:46:34,790 --> 00:46:32,280  
and then I went to work at WCVB in

908  
00:46:36,609 --> 00:46:34,800  
Boston for the ABC station to do all

909  
00:46:42,050 --> 00:46:36,619  
medical programming for two years

910  
00:46:44,089 --> 00:46:42,060  
medical all kinds of diseases surgery uh

911  
00:46:46,790 --> 00:46:44,099  
anything dealing with medicine and then

912  
00:46:48,829 --> 00:46:46,800  
they assigned me to do a whole series on

913  
00:46:51,530 --> 00:46:48,839

science and I was working with

914

00:46:55,250 --> 00:46:51,540

Scientists at MIT and Harvard it was

915

00:46:57,290 --> 00:46:55,260

exciting as can be and I was married at

916

00:47:00,050 --> 00:46:57,300

the time and my husband was hired by

917

00:47:02,329 --> 00:47:00,060

time Inc and the assignment was in

918

00:47:05,390 --> 00:47:02,339

Denver and I became director of special

919

00:47:07,910 --> 00:47:05,400

projects at the CBS station in Denver

920

00:47:11,690 --> 00:47:07,920

and my assignment there was to

921

00:47:14,990 --> 00:47:11,700

concentrate on Colorado's Astronaut

922

00:47:17,450 --> 00:47:15,000

training program I did a film on that uh

923

00:47:20,630 --> 00:47:17,460

on all kinds of things related to

924

00:47:23,390 --> 00:47:20,640

Colorado and the nation and I worked

925

00:47:25,609 --> 00:47:23,400

with the governor uh on a live studio

926  
00:47:30,290 --> 00:47:25,619  
show where for 90 minutes the governor

927  
00:47:32,870 --> 00:47:30,300  
and representatives and myself and an

928  
00:47:35,150 --> 00:47:32,880  
audience uh we were dealing with issues

929  
00:47:36,470 --> 00:47:35,160  
that were very important at that time in

930  
00:47:38,930 --> 00:47:36,480  
Colorado

931  
00:47:42,349 --> 00:47:38,940  
so when

932  
00:47:44,050 --> 00:47:42,359  
the newspapers have headlines in

933  
00:47:48,470 --> 00:47:44,060  
September of

934  
00:47:53,030 --> 00:47:48,480  
1979. I had graduated from Stanford in

935  
00:47:56,630 --> 00:47:53,040  
68 so in a decade I had worked at the

936  
00:48:00,829 --> 00:47:56,640  
NBC ABC Now CBS I'm director of special

937  
00:48:03,650 --> 00:48:00,839  
projects and I am working all the time

938  
00:48:06,050 --> 00:48:03,660

in science medicine the environment

939

00:48:08,750 --> 00:48:06,060

those are my Beats and I'm bringing all

940

00:48:12,309 --> 00:48:08,760

new stuff constantly to the work I was

941

00:48:15,290 --> 00:48:12,319

doing in Denver and so I became

942

00:48:17,030 --> 00:48:15,300

extremely interested in headlines in the

943

00:48:20,990 --> 00:48:17,040

Rocky Mountain news in the Denver pose

944

00:48:23,630 --> 00:48:21,000

right the return of bloodless trackless

945

00:48:27,530 --> 00:48:23,640

animal mutilations right and I

946

00:48:30,790 --> 00:48:27,540

approached that with exactly the same

947

00:48:34,069 --> 00:48:30,800

minding the same questions the same

948

00:48:37,730 --> 00:48:34,079

protocols that I would use if I were

949

00:48:41,569 --> 00:48:37,740

going to investigate a new disease and

950

00:48:45,470 --> 00:48:41,579

when you go from the very first two

951  
00:48:49,130 --> 00:48:45,480  
weeks of trying to get some kind of a uh

952  
00:48:51,109 --> 00:48:49,140  
like a you need a landscape to start out

953  
00:48:53,450 --> 00:48:51,119  
when you're going to do any documentary

954  
00:48:55,970 --> 00:48:53,460  
or film what is it that you're trying to

955  
00:48:58,609 --> 00:48:55,980  
find out and what are the facets that

956  
00:49:01,790 --> 00:48:58,619  
you're going to have to investigate and

957  
00:49:05,630 --> 00:49:01,800  
it was so clear that I needed to get law

958  
00:49:07,490 --> 00:49:05,640  
enforcement and get them to tell me what

959  
00:49:09,890 --> 00:49:07,500  
they thought was happening because of

960  
00:49:12,650 --> 00:49:09,900  
the bloodless trackless nature how in

961  
00:49:16,609 --> 00:49:12,660  
the world could there be a two thousand

962  
00:49:19,849 --> 00:49:16,619  
pound bull lying in dust With Ear Eye

963  
00:49:23,329 --> 00:49:19,859

tongue jaw genitals and rectum cord out

964

00:49:26,089 --> 00:49:23,339

and there's not one track around the

965

00:49:29,510 --> 00:49:26,099

body and that's where in those first two

966

00:49:32,650 --> 00:49:29,520

weeks I'm being confronted with hard

967

00:49:35,329 --> 00:49:32,660

physical data talking with sheriffs

968

00:49:39,050 --> 00:49:35,339

ultimately going up to see Sheriff text

969

00:49:42,170 --> 00:49:39,060

Graves and he is the sheriff who cut

970

00:49:45,410 --> 00:49:42,180

right to the heart of everything

971

00:49:48,170 --> 00:49:45,420

Linda the perpetrators of these animal

972

00:49:52,550 --> 00:49:48,180

mutilations are creatures from outer

973

00:49:55,790 --> 00:49:52,560

space I told you before when he when his

974

00:49:57,650 --> 00:49:55,800

words were in the air and I'm standing

975

00:50:00,530 --> 00:49:57,660

three feet in front of him and we're

976  
00:50:04,190 --> 00:50:00,540  
looking at each other eye to eye right

977  
00:50:07,930 --> 00:50:04,200  
it was like uh it was like a Char

978  
00:50:11,809 --> 00:50:07,940  
electric fence my entire body

979  
00:50:13,790 --> 00:50:11,819  
instantly felt like I was touching an

980  
00:50:16,730 --> 00:50:13,800  
electric fence it was electrical there

981  
00:50:20,750 --> 00:50:16,740  
was a slight pain to it it was my entire

982  
00:50:25,849 --> 00:50:20,760  
body and as I look back at that from now

983  
00:50:27,609 --> 00:50:25,859  
my 81st revolution around the Sun and at

984  
00:50:32,630 --> 00:50:27,619  
that point it was

985  
00:50:36,470 --> 00:50:32,640  
1979 and I think I was 40 something

986  
00:50:38,410 --> 00:50:36,480  
that what I think was occurring

987  
00:50:40,690 --> 00:50:38,420  
is that

988  
00:50:42,950 --> 00:50:40,700

my soul

989

00:50:46,670 --> 00:50:42,960

my essence

990

00:50:49,790 --> 00:50:46,680

as a life form in a conscious universe

991

00:50:52,430 --> 00:50:49,800

that is conscious and interactive with

992

00:50:56,210 --> 00:50:52,440

all the consciousnesses in it

993

00:50:57,970 --> 00:50:56,220

I somehow caught up to at that very

994

00:51:01,490 --> 00:50:57,980

moment

995

00:51:05,470 --> 00:51:01,500

my destiny on the timeline right where

996

00:51:08,710 --> 00:51:05,480

it was it was physical it was

997

00:51:13,430 --> 00:51:08,720

profound and there was no possibility

998

00:51:17,390 --> 00:51:13,440

that I was ever ever conscious not going

999

00:51:20,210 --> 00:51:17,400

to go as deep as far as I could possibly

1000

00:51:23,630 --> 00:51:20,220

go in those strange animal mutilations

1001  
00:51:27,849 --> 00:51:23,640  
to find as much as I could and keep

1002  
00:51:32,329 --> 00:51:27,859  
reporting it and tonight is another hour

1003  
00:51:35,030 --> 00:51:32,339  
of the same 44 years yes I know I've

1004  
00:51:37,730 --> 00:51:35,040  
been trying to do your answer but but

1005  
00:51:39,770 --> 00:51:37,740  
Linda okay can I get a question in I

1006  
00:51:45,710 --> 00:51:39,780  
just want one question tonight just let

1007  
00:51:50,470 --> 00:51:45,720  
me get one in but Linda how does one go

1008  
00:51:54,410 --> 00:51:50,480  
from an established pragmatic scientific

1009  
00:51:58,329 --> 00:51:54,420  
mindset as an investigative journalist

1010  
00:52:02,510 --> 00:51:58,339  
with a full education behind mind you

1011  
00:52:05,049 --> 00:52:02,520  
how do you go from that and then jump

1012  
00:52:09,109 --> 00:52:05,059  
into the woo

1013  
00:52:13,870 --> 00:52:09,119

you know what I know there is no woo to

1014

00:52:17,710 --> 00:52:13,880

animals cattle deer reindeer kangaroos

1015

00:52:20,950 --> 00:52:17,720

garments goats sheep

1016

00:52:24,290 --> 00:52:20,960

this has happened to animals

1017

00:52:27,770 --> 00:52:24,300

dozens of types of animals completely

1018

00:52:30,890 --> 00:52:27,780

around this planet the kangaroos in

1019

00:52:33,230 --> 00:52:30,900

Australia have the same excisions that

1020

00:52:35,930 --> 00:52:33,240

are bloodless of the cattle and the

1021

00:52:36,970 --> 00:52:35,940

horses this is pure you couldn't have

1022

00:52:43,430 --> 00:52:36,980

anything

1023

00:52:46,370 --> 00:52:43,440

more physical right or absolutely in

1024

00:52:49,609 --> 00:52:46,380

your face here's the data and that's

1025

00:52:52,490 --> 00:52:49,619

what I reinforced by going to work with

1026  
00:52:55,730 --> 00:52:52,500  
John alchuler who was a pathologist

1027  
00:52:58,370 --> 00:52:55,740  
hematologist and I work with him on

1028  
00:53:00,589 --> 00:52:58,380  
dozens where I went out and into the

1029  
00:53:03,349 --> 00:53:00,599  
field he provided the formal and

1030  
00:53:05,150 --> 00:53:03,359  
solution I would get the excisions that

1031  
00:53:07,370 --> 00:53:05,160  
could be the sheriffs and I would label

1032  
00:53:10,069 --> 00:53:07,380  
it if this is the sheriff's cut here's

1033  
00:53:13,670 --> 00:53:10,079  
the mutilator's cut here's Linda's cut

1034  
00:53:16,609 --> 00:53:13,680  
of those excisions it would go back in

1035  
00:53:19,849 --> 00:53:16,619  
formal and solution so that the hide

1036  
00:53:22,910 --> 00:53:19,859  
wouldn't Harden and we would get report

1037  
00:53:27,890 --> 00:53:22,920  
after report after report and it was

1038  
00:53:30,530 --> 00:53:27,900

right there that hard data was being put

1039

00:53:34,430 --> 00:53:30,540

right in front of us on the microscopes

1040

00:53:38,030 --> 00:53:34,440

that Dr altruler was looking at these

1041

00:53:41,510 --> 00:53:38,040

prepared slides and finding that there

1042

00:53:43,790 --> 00:53:41,520

was high heat at the excision lines and

1043

00:53:46,250 --> 00:53:43,800

that would explain why so many of the

1044

00:53:48,829 --> 00:53:46,260

excision lines felt like plastic they

1045

00:53:51,790 --> 00:53:48,839

felt hard they didn't feel soft it would

1046

00:53:56,089 --> 00:53:51,800

explain why hemoglobin was not running

1047

00:54:00,170 --> 00:53:56,099

wherever this hardened heat was applied

1048

00:54:01,430 --> 00:54:00,180

but it would never never the heat would

1049

00:54:05,450 --> 00:54:01,440

not explain

1050

00:54:07,609 --> 00:54:05,460

what was the single greatest mystery to

1051  
00:54:10,910 --> 00:54:07,619  
every law enforcement person I talked to

1052  
00:54:12,710 --> 00:54:10,920  
every Rancher I talked to and to Dr

1053  
00:54:14,690 --> 00:54:12,720  
alchuler

1054  
00:54:18,230 --> 00:54:14,700  
how could

1055  
00:54:20,390 --> 00:54:18,240  
skilled veterinarians do a necropsy

1056  
00:54:22,910 --> 00:54:20,400  
whether it was a cow whether it was a

1057  
00:54:26,569 --> 00:54:22,920  
bull whether it was a steer

1058  
00:54:28,069 --> 00:54:26,579  
there's no excisions on the chest or at

1059  
00:54:31,549 --> 00:54:28,079  
the abdomen

1060  
00:54:33,470 --> 00:54:31,559  
but they now do the necropsy maybe in

1061  
00:54:36,109 --> 00:54:33,480  
the field or back at the veterinarian

1062  
00:54:38,809 --> 00:54:36,119  
office and they open up the mutilated

1063  
00:54:41,750 --> 00:54:38,819

animal that has an ear eye tongue jaw

1064

00:54:44,630 --> 00:54:41,760

genitals and rectal tissue taken now

1065

00:54:46,730 --> 00:54:44,640

they're opening up the animal they are

1066

00:54:49,309 --> 00:54:46,740

opening up the animal there was no

1067

00:54:51,950 --> 00:54:49,319

surgical cut they are opening it up to

1068

00:54:55,430 --> 00:54:51,960

examine the internal organs and they

1069

00:54:58,010 --> 00:54:55,440

find that a liver is missing

1070

00:55:01,430 --> 00:54:58,020

a gallbladder is missing

1071

00:55:04,430 --> 00:55:01,440

bladder is missing organs are missing

1072

00:55:06,829 --> 00:55:04,440

inside of the abdomen where they were

1073

00:55:09,230 --> 00:55:06,839

there they're the ones that are opening

1074

00:55:11,450 --> 00:55:09,240

it up and find the missing organs and

1075

00:55:15,950 --> 00:55:11,460

the greatest one of all that happened

1076

00:55:18,950 --> 00:55:15,960

several times and Dr alchuler agreed

1077

00:55:22,849 --> 00:55:18,960

with me and a Dr Miller at Rose Medical

1078

00:55:25,190 --> 00:55:22,859

Center that this was what separated all

1079

00:55:28,549 --> 00:55:25,200

of the animal mutilation phenomena from

1080

00:55:31,970 --> 00:55:28,559

everything that could possibly be a

1081

00:55:33,170 --> 00:55:31,980

mundane human explanation right open up

1082

00:55:36,589 --> 00:55:33,180

the chest

1083

00:55:40,370 --> 00:55:36,599

a whole heart is missing inside of grown

1084

00:55:42,470 --> 00:55:40,380

cattle they are approximately 9 by 11 by

1085

00:55:46,309 --> 00:55:42,480

13 or some variation on those numbers

1086

00:55:49,010 --> 00:55:46,319

they're large and whole Hearts they are

1087

00:55:51,170 --> 00:55:49,020

not there they're not in the chest and

1088

00:55:54,589 --> 00:55:51,180

that they're the pericardium that

1089

00:55:58,130 --> 00:55:54,599

surrounded the heart has collapsed and

1090

00:56:00,349 --> 00:55:58,140

there is no blood there's no blood in

1091

00:56:02,930 --> 00:56:00,359

the arteries there's no blood in the

1092

00:56:05,089 --> 00:56:02,940

jugular vein there's no blood down in

1093

00:56:07,370 --> 00:56:05,099

the chest there's no blood on the

1094

00:56:10,370 --> 00:56:07,380

pericardium and there's no blood on the

1095

00:56:13,609 --> 00:56:10,380

ground no blood in the ground ever in

1096

00:56:17,329 --> 00:56:13,619

the what we'll call the true real animal

1097

00:56:20,390 --> 00:56:17,339

mutilations and so when you ask me how

1098

00:56:23,890 --> 00:56:20,400

did I go from a decade of hard-nosed

1099

00:56:27,410 --> 00:56:23,900

Medical Science environment

1100

00:56:30,829 --> 00:56:27,420

documentaries news reporting

1101  
00:56:33,349 --> 00:56:30,839  
to animal mutilations it's exactly the

1102  
00:56:36,609 --> 00:56:33,359  
same thing I wanted to work with

1103  
00:56:39,890 --> 00:56:36,619  
Scientists I wanted to get pathology

1104  
00:56:42,470 --> 00:56:39,900  
tests and that's what I did and as we

1105  
00:56:46,130 --> 00:56:42,480  
kept gaining all of the information

1106  
00:56:48,109 --> 00:56:46,140  
then I end up having ranchers say

1107  
00:56:51,290 --> 00:56:48,119  
I want you to know

1108  
00:56:54,349 --> 00:56:51,300  
that the night before I found this

1109  
00:56:56,510 --> 00:56:54,359  
mutilated animal I was standing out in

1110  
00:56:59,030 --> 00:56:56,520  
the front yard of my house and I was

1111  
00:57:02,750 --> 00:56:59,040  
looking up at the sky and there was this

1112  
00:57:06,109 --> 00:57:02,760  
light and Linda this light put a beam

1113  
00:57:08,210 --> 00:57:06,119

down into the pasture and that the

1114

00:57:10,370 --> 00:57:08,220

ranchers I've talked with half a dozen

1115

00:57:13,430 --> 00:57:10,380

people who were eyewitnesses and they

1116

00:57:17,270 --> 00:57:13,440

said they were so frightened

1117

00:57:19,370 --> 00:57:17,280

that even though it's their pasture it's

1118

00:57:23,230 --> 00:57:19,380

their cattle in that case it was cattle

1119

00:57:27,650 --> 00:57:23,240

right they go back in their Farmhouse

1120

00:57:31,609 --> 00:57:27,660

they close and lock the doors they wait

1121

00:57:34,309 --> 00:57:31,619

until the sun comes up they walk back to

1122

00:57:37,010 --> 00:57:34,319

the pasture they know exactly where that

1123

00:57:38,930 --> 00:57:37,020

beam came down just like the beams out

1124

00:57:41,890 --> 00:57:38,940

in rendersham forest in a strange way

1125

00:57:45,770 --> 00:57:41,900

right right but but these are big enough

1126  
00:57:48,049 --> 00:57:45,780  
to hold an animal that can rise into the

1127  
00:57:50,450 --> 00:57:48,059  
beam or be lowered and in this

1128  
00:57:54,349 --> 00:57:50,460  
particular case the first interview I

1129  
00:57:57,530 --> 00:57:54,359  
did was a Rancher who had gone he had

1130  
00:58:00,710 --> 00:57:57,540  
seen the uh beam come down into the

1131  
00:58:03,349 --> 00:58:00,720  
pasture scared and didn't come back till

1132  
00:58:07,849 --> 00:58:03,359  
the sun came up and right where he had

1133  
00:58:12,650 --> 00:58:07,859  
seen the beam is one of his cattle ear I

1134  
00:58:16,430 --> 00:58:12,660  
tongue jaw genitals rectum cord out

1135  
00:58:19,250 --> 00:58:16,440  
lying right where in the night he had

1136  
00:58:22,910 --> 00:58:19,260  
seen the the beam come down where the

1137  
00:58:24,530 --> 00:58:22,920  
animal was when you get into those

1138  
00:58:28,510 --> 00:58:24,540

discussions

1139

00:58:32,930 --> 00:58:28,520

and the idea of a beam that can either

1140

00:58:36,410 --> 00:58:32,940

carry a heavy 2 000 pound bull up in it

1141

00:58:40,069 --> 00:58:36,420

into some kind of a craft and then lower

1142

00:58:41,230 --> 00:58:40,079

the animal mutilated back down onto the

1143

00:58:43,309 --> 00:58:41,240

ground

1144

00:58:46,970 --> 00:58:43,319

that is

1145

00:58:49,490 --> 00:58:46,980

now where we cross into the physics and

1146

00:58:51,650 --> 00:58:49,500

the Technologies of UFOs

1147

00:58:55,490 --> 00:58:51,660

not humans

1148

00:58:58,450 --> 00:58:55,500

humans do not have neutralizing gravity

1149

00:59:02,990 --> 00:58:58,460

beams or they didn't in

1150

00:59:06,349 --> 00:59:03,000

1966 67 68 animal mutilations actually

1151  
00:59:09,710 --> 00:59:06,359  
started being reported as early as 1961

1152  
00:59:13,609 --> 00:59:09,720  
in places like the San Luis Valley

1153  
00:59:17,630 --> 00:59:13,619  
so there was a body of what we'll call

1154  
00:59:22,609 --> 00:59:17,640  
not very much talked about information

1155  
00:59:25,370 --> 00:59:22,619  
but by 79 when I started investigating

1156  
00:59:28,130 --> 00:59:25,380  
it was all over the planet

1157  
00:59:31,670 --> 00:59:28,140  
and they it was the size and the scope

1158  
00:59:35,329 --> 00:59:31,680  
of these cases and another one of those

1159  
00:59:38,349 --> 00:59:35,339  
uh kind of one of those interviews that

1160  
00:59:41,809 --> 00:59:38,359  
haunts you and in the animal mutilations

1161  
00:59:44,690 --> 00:59:41,819  
this was one and it was with a Royal

1162  
00:59:46,250 --> 00:59:44,700  
Canadian Mounted Police

1163  
00:59:47,630 --> 00:59:46,260

in Calgary

1164

00:59:49,970 --> 00:59:47,640

and

1165

00:59:52,010 --> 00:59:49,980

they told me

1166

00:59:53,750 --> 00:59:52,020

it one of the men that I was talking to

1167

00:59:57,170 --> 00:59:53,760

he said

1168

01:00:00,950 --> 00:59:57,180

we we know this cannot be human

1169

01:00:04,670 --> 01:00:00,960

and we would like to ask you

1170

01:00:08,750 --> 01:00:04,680

if you would report to us how many cases

1171

01:00:11,510 --> 01:00:08,760

you find in which specific molars are

1172

01:00:14,569 --> 01:00:11,520

missing in the teeth

1173

01:00:17,329 --> 01:00:14,579

because we have not reported this we

1174

01:00:19,549 --> 01:00:17,339

have not let any media know in Canada

1175

01:00:21,890 --> 01:00:19,559

about the missing teeth

1176

01:00:24,349 --> 01:00:21,900

and we have seen your film your

1177

01:00:26,690 --> 01:00:24,359

documentary a strange Harvest and we

1178

01:00:28,490 --> 01:00:26,700

know that you are reporting what we have

1179

01:00:30,770 --> 01:00:28,500

concluded but we don't want it to be

1180

01:00:33,410 --> 01:00:30,780

public they said those words to me and

1181

01:00:36,049 --> 01:00:33,420

they said so if you would agree to let

1182

01:00:39,589 --> 01:00:36,059

us know if you are finding missing

1183

01:00:42,950 --> 01:00:39,599

molars we are building a case that that

1184

01:00:45,829 --> 01:00:42,960

is happening here in the Calgary region

1185

01:00:48,230 --> 01:00:45,839

and we would like to know if you find it

1186

01:00:52,910 --> 01:00:48,240

in Colorado or other cases

1187

01:00:55,370 --> 01:00:52,920

so this was an example of where the law

1188

01:00:58,549 --> 01:00:55,380

enforcement side of it is saying to an

1189

01:01:02,089 --> 01:00:58,559

investigative reporter and TV producer

1190

01:01:05,210 --> 01:01:02,099

help us get track of physical evidence

1191

01:01:07,670 --> 01:01:05,220

that is highly strange but let's not

1192

01:01:10,490 --> 01:01:07,680

report it so that we don't have people

1193

01:01:13,970 --> 01:01:10,500

muddying The Waters by attacking

1194

01:01:16,609 --> 01:01:13,980

and I experienced a lot of that

1195

01:01:18,349 --> 01:01:16,619

eventually where I would get phone calls

1196

01:01:20,630 --> 01:01:18,359

from people who say we've seen your

1197

01:01:23,690 --> 01:01:20,640

reporting we know that you are doing

1198

01:01:27,890 --> 01:01:23,700

honest work we understand the details

1199

01:01:31,250 --> 01:01:27,900

want you to know about X Y and Z but we

1200

01:01:35,210 --> 01:01:31,260

will not talk to you on camera that also

1201

01:01:39,170 --> 01:01:35,220

happened a lot and then eventually

1202

01:01:41,750 --> 01:01:39,180

when HBO came to me and said that they

1203

01:01:43,789 --> 01:01:41,760

wanted to do a document have me contract

1204

01:01:48,770 --> 01:01:43,799

with them that I would do a documentary

1205

01:01:52,309 --> 01:01:48,780

for HBO broadcast about not just animal

1206

01:01:55,430 --> 01:01:52,319

mutilations the whole bigger picture and

1207

01:01:57,829 --> 01:01:55,440

we called it UFOs the ET factor and I

1208

01:01:59,930 --> 01:01:57,839

wrote a script a whole script with

1209

01:02:02,870 --> 01:01:59,940

scenes that's something that I've always

1210

01:02:05,390 --> 01:02:02,880

been able to do so that they the people

1211

01:02:07,010 --> 01:02:05,400

putting up the money at HBO could see

1212

01:02:10,670 --> 01:02:07,020

where what I would do

1213

01:02:14,569 --> 01:02:10,680

they loved the script and I start

1214

01:02:15,890 --> 01:02:14,579

working have signed a contract and what

1215

01:02:19,730 --> 01:02:15,900

happens

1216

01:02:21,730 --> 01:02:19,740

I'm gonna do X Y and Z and they all get

1217

01:02:26,150 --> 01:02:21,740

blocked

1218

01:02:29,450 --> 01:02:26,160

and that is now the story where uh I

1219

01:02:32,349 --> 01:02:29,460

went back to New York uh to talk about

1220

01:02:35,750 --> 01:02:32,359

what I was learning with Peter Gerson

1221

01:02:40,010 --> 01:02:35,760

and uh Richard Dodie and these people

1222

01:02:42,849 --> 01:02:40,020

about going to an air base where there

1223

01:02:46,069 --> 01:02:42,859

had been mutilations a UFO landing

1224

01:02:48,289 --> 01:02:46,079

something that looked like lasers and

1225

01:02:53,210 --> 01:02:48,299

that we would recreate

1226  
01:02:55,849 --> 01:02:53,220  
and that uh that I would be also shown

1227  
01:03:00,549 --> 01:02:55,859  
and allowed to use film

1228  
01:03:02,150 --> 01:03:00,559  
of a Holloman Air Force Base Landing

1229  
01:03:07,250 --> 01:03:02,160  
pre-arranged

1230  
01:03:09,829 --> 01:03:07,260  
uh April 25th 1964 and that I would be

1231  
01:03:15,789 --> 01:03:09,839  
allowed to show film

1232  
01:03:20,030 --> 01:03:15,799  
of the disc Landing and a large nosed

1233  
01:03:23,990 --> 01:03:20,040  
ropey-headed dressed E.T coming out of a

1234  
01:03:29,030 --> 01:03:24,000  
craft meeting with uh

1235  
01:03:31,789 --> 01:03:29,040  
a science type and Military types and an

1236  
01:03:33,170 --> 01:03:31,799  
exchange of which we gave back dead

1237  
01:03:34,730 --> 01:03:33,180  
bodies

1238  
01:03:38,690 --> 01:03:34,740

to them

1239

01:03:41,270 --> 01:03:38,700

and they gave us technology

1240

01:03:44,030 --> 01:03:41,280

and the you know that that's the

1241

01:03:45,829 --> 01:03:44,040

emanager story that there are lots of

1242

01:03:51,770 --> 01:03:45,839

facets of it but I'm going all the way

1243

01:03:54,650 --> 01:03:51,780

back to uh March of 1983 all of that was

1244

01:03:56,450 --> 01:03:54,660

told to me that I would be able to tell

1245

01:04:01,670 --> 01:03:56,460

in this film

1246

01:04:04,849 --> 01:04:01,680

and then all of it gets blocked and that

1247

01:04:06,829 --> 01:04:04,859

was the where HBO said unless you can

1248

01:04:09,530 --> 01:04:06,839

bring us the president of the United

1249

01:04:10,329 --> 01:04:09,540

States the vice president the Secretary

1250

01:04:17,270 --> 01:04:10,339

of

1251  
01:04:19,250 --> 01:04:17,280  
authorize funding you can continue to do

1252  
01:04:22,789 --> 01:04:19,260  
the work but we will not authorize

1253  
01:04:27,170 --> 01:04:22,799  
funding unless you can bring to us

1254  
01:04:29,870 --> 01:04:27,180  
top government confirmation of the UFOs

1255  
01:04:30,670 --> 01:04:29,880  
the ETS being real in other words they

1256  
01:04:36,470 --> 01:04:30,680  
wanted

1257  
01:04:39,049 --> 01:04:36,480  
something from the White House didn't

1258  
01:04:43,609 --> 01:04:39,059  
they I mean they wanted if they wanted

1259  
01:04:45,349 --> 01:04:43,619  
an official break they wanted what you I

1260  
01:04:47,270 --> 01:04:45,359  
and everybody who's going to be a

1261  
01:04:49,430 --> 01:04:47,280  
peripod everybody who's going to be at

1262  
01:04:51,710 --> 01:04:49,440  
portal to Ascension everybody who's

1263  
01:04:53,349 --> 01:04:51,720

going to be a contact in the desert and

1264

01:04:57,710 --> 01:04:53,359

was it conscious life

1265

01:05:00,470 --> 01:04:57,720

we want the truth out we want the whole

1266

01:05:03,650 --> 01:05:00,480

planet to know what I and a few others

1267

01:05:07,190 --> 01:05:03,660

have been hearing behind the scenes so

1268

01:05:09,349 --> 01:05:07,200

to speak from people in military and in

1269

01:05:12,589 --> 01:05:09,359

government and in medicine and in

1270

01:05:14,710 --> 01:05:12,599

Aerospace who have been telling me for

1271

01:05:17,210 --> 01:05:14,720

44 years

1272

01:05:20,390 --> 01:05:17,220

extraterrestrial biological entities

1273

01:05:23,809 --> 01:05:20,400

have been manipulating DNA in already

1274

01:05:27,230 --> 01:05:23,819

evolving species on this planet for at

1275

01:05:30,349 --> 01:05:27,240

least and then that's where you can draw

1276

01:05:32,089 --> 01:05:30,359

the line at 45 000 years for Neanderthal

1277

01:05:33,190 --> 01:05:32,099

to Chrome onion or wherever you want to

1278

01:05:36,230 --> 01:05:33,200

draw the line

1279

01:05:39,950 --> 01:05:36,240

genetic manipulation of life forms on

1280

01:05:45,170 --> 01:05:39,960

this laboratory Earth is one story

1281

01:05:47,569 --> 01:05:45,180

which non-humans are the controllers of

1282

01:05:49,609 --> 01:05:47,579

various experiments that's a whole

1283

01:05:52,910 --> 01:05:49,619

nother huge facet

1284

01:05:55,970 --> 01:05:52,920

the relationship of power Brokers in the

1285

01:05:59,750 --> 01:05:55,980

evolution of earth going back to the

1286

01:06:03,289 --> 01:05:59,760

time of Mesopotamia going back as far as

1287

01:06:06,049 --> 01:06:03,299

the Anunnaki coming forward those were

1288

01:06:09,530 --> 01:06:06,059

power Brokers that would be in the

1289

01:06:11,390 --> 01:06:09,540

category of other intelligence that

1290

01:06:15,109 --> 01:06:11,400

we're interacting with and manipulating

1291

01:06:16,970 --> 01:06:15,119

DNA on a planet that has been used as a

1292

01:06:23,270 --> 01:06:16,980

laboratory to create many different

1293

01:06:26,510 --> 01:06:23,280

species jump to Linda 1979 to today

1294

01:06:28,609 --> 01:06:26,520

the animal mutilations from the best

1295

01:06:30,950 --> 01:06:28,619

information that I could possibly

1296

01:06:35,329 --> 01:06:30,960

describe

1297

01:06:39,470 --> 01:06:35,339

they have been the Harvest of fluids and

1298

01:06:42,349 --> 01:06:39,480

tissues in order to provide specific

1299

01:06:45,950 --> 01:06:42,359

well let's just say ingredients whether

1300

01:06:48,650 --> 01:06:45,960

it's fluid or tissue

1301

01:06:50,690 --> 01:06:48,660

ingredients that are sustenance for a

1302

01:06:54,170 --> 01:06:50,700

particular gray type

1303

01:06:56,150 --> 01:06:54,180

and that there are all kinds of needs

1304

01:06:58,970 --> 01:06:56,160

and that we're dealing with a lot of

1305

01:07:03,529 --> 01:06:58,980

different intelligences and that our

1306

01:07:06,230 --> 01:07:03,539

planet has been a laboratory a place

1307

01:07:09,049 --> 01:07:06,240

where thousands and thousands and

1308

01:07:12,230 --> 01:07:09,059

thousands of genetic manipulations could

1309

01:07:17,809 --> 01:07:12,240

be done in order to make different life

1310

01:07:20,390 --> 01:07:17,819

forms and that we are only waking up in

1311

01:07:24,589 --> 01:07:20,400

now the 22nd century

1312

01:07:28,250 --> 01:07:24,599

as if the next big break open

1313

01:07:30,950 --> 01:07:28,260

I hope will be the web telescope

1314

01:07:33,770 --> 01:07:30,960  
being used to report a biological

1315

01:07:36,230 --> 01:07:33,780  
signature and that if they will just

1316

01:07:38,930 --> 01:07:36,240  
start getting into biological signatures

1317

01:07:41,690 --> 01:07:38,940  
and let that lead to what our government

1318

01:07:44,270 --> 01:07:41,700  
has known since World War II

1319

01:07:47,450 --> 01:07:44,280  
let me let me terrestrial biological

1320

01:07:50,270 --> 01:07:47,460  
entities have been on this planet in

1321

01:07:54,589 --> 01:07:50,280  
this solar system for at least 278

1322

01:07:55,970 --> 01:07:54,599  
million years and we are the babies just

1323

01:07:59,029 --> 01:07:55,980  
waking up

1324

01:08:00,289 --> 01:07:59,039  
so what's the update with uh Trappist

1325

01:08:01,670 --> 01:08:00,299  
one

1326

01:08:05,690 --> 01:08:01,680

well

1327

01:08:10,130 --> 01:08:05,700

two it was two full years ago

1328

01:08:12,770 --> 01:08:10,140

uh was the first communication that I

1329

01:08:15,950 --> 01:08:12,780

had through an aerospace source

1330

01:08:18,229 --> 01:08:15,960

that well let me put the date I can't

1331

01:08:20,510 --> 01:08:18,239

quite remember when it unfurled it

1332

01:08:22,970 --> 01:08:20,520

probably wasn't full two years this was

1333

01:08:26,809 --> 01:08:22,980

a statement to me when we were getting

1334

01:08:28,910 --> 01:08:26,819

ready to launch web and then more

1335

01:08:32,110 --> 01:08:28,920

information after but I've known about

1336

01:08:35,570 --> 01:08:32,120

the use of it for quite a while

1337

01:08:37,309 --> 01:08:35,580

that they wanted to see if they could

1338

01:08:40,970 --> 01:08:37,319

have the web everything would be

1339

01:08:43,070 --> 01:08:40,980

operational and then ultimately the idea

1340

01:08:45,169 --> 01:08:43,080

was that they would be able to report

1341

01:08:46,749 --> 01:08:45,179

there was a recent report just in the

1342

01:08:49,370 --> 01:08:46,759

last week or so

1343

01:08:52,010 --> 01:08:49,380

planetary atmospheres

1344

01:08:56,269 --> 01:08:52,020

and that they could then use the web

1345

01:09:01,130 --> 01:08:56,279

with its ability its Advanced ability

1346

01:09:04,550 --> 01:09:01,140

to aim at certain solar systems and that

1347

01:09:08,570 --> 01:09:04,560

they would be able to discuss what would

1348

01:09:11,209 --> 01:09:08,580

be atmospheres around planets that that

1349

01:09:12,890 --> 01:09:11,219

was one of the hopes that Webb would be

1350

01:09:14,689 --> 01:09:12,900

able to do

1351

01:09:16,370 --> 01:09:14,699

if

1352

01:09:20,890 --> 01:09:16,380

what I was told

1353

01:09:23,749 --> 01:09:20,900

is that Webb would be able to also

1354

01:09:25,610 --> 01:09:23,759

confirm if there were biological

1355

01:09:28,970 --> 01:09:25,620

signatures

1356

01:09:30,729 --> 01:09:28,980

in the uh climate atmosphere the

1357

01:09:33,650 --> 01:09:30,739

atmospheric

1358

01:09:37,309 --> 01:09:33,660

constituents around a planet

1359

01:09:41,450 --> 01:09:37,319

now a biological signature

1360

01:09:44,689 --> 01:09:41,460

doesn't mean that it's a humanoid

1361

01:09:47,269 --> 01:09:44,699

a biological signature would be the

1362

01:09:49,610 --> 01:09:47,279

first confirmation of something

1363

01:09:52,729 --> 01:09:49,620

that we would put in the category of

1364

01:09:56,510 --> 01:09:52,739

biological life that they still have not

1365

01:09:59,870 --> 01:09:56,520

reported even on Mars right

1366

01:10:02,030 --> 01:09:59,880

they come up and say this looks like the

1367

01:10:03,950 --> 01:10:02,040

way A fungi would work or this or this

1368

01:10:06,950 --> 01:10:03,960

but nothing has been

1369

01:10:08,150 --> 01:10:06,960

put into even biological signature on

1370

01:10:10,250 --> 01:10:08,160

Mars

1371

01:10:13,729 --> 01:10:10,260

Trappist

1372

01:10:16,250 --> 01:10:13,739

this information that came to me I think

1373

01:10:18,169 --> 01:10:16,260

of it as a two full years ago it may not

1374

01:10:20,030 --> 01:10:18,179

be quite that far back

1375

01:10:23,209 --> 01:10:20,040

that web

1376

01:10:24,610 --> 01:10:23,219

they knew that Trappist has these seven

1377

01:10:26,229 --> 01:10:24,620

planets

1378

01:10:29,930 --> 01:10:26,239

seven

1379

01:10:31,669 --> 01:10:29,940

earth-like planets and that the fourth

1380

01:10:33,590 --> 01:10:31,679

one from the Sun

1381

01:10:36,830 --> 01:10:33,600

has water

1382

01:10:38,209 --> 01:10:36,840

watery and Rocky substances very much

1383

01:10:39,830 --> 01:10:38,219

like Earth

1384

01:10:42,770 --> 01:10:39,840

and that

1385

01:10:45,770 --> 01:10:42,780

I have had other sources who said they

1386

01:10:49,010 --> 01:10:45,780

already know that there is a

1387

01:10:50,810 --> 01:10:49,020

civilization interacting with or has

1388

01:10:52,850 --> 01:10:50,820

bases on

1389

01:10:54,229 --> 01:10:52,860

in the Trappist system

1390

01:10:57,169 --> 01:10:54,239

and that

1391

01:10:59,390 --> 01:10:57,179

what Webb could do

1392

01:11:02,830 --> 01:10:59,400

pure science

1393

01:11:06,890 --> 01:11:02,840

we we get breaking news

1394

01:11:10,510 --> 01:11:06,900

atmosphere on X Planet at the trappist-1

1395

01:11:15,470 --> 01:11:10,520

solar system very uh Earth-like planet

1396

01:11:18,310 --> 01:11:15,480

and it is showing a biological signature

1397

01:11:22,010 --> 01:11:18,320

that that's what could happen and then

1398

01:11:24,950 --> 01:11:22,020

from there biological signature would

1399

01:11:28,790 --> 01:11:24,960

then be debated and analyzed and talked

1400

01:11:29,870 --> 01:11:28,800

about a scientists and news around the

1401

01:11:33,830 --> 01:11:29,880

planet

1402

01:11:37,270 --> 01:11:33,840

and then they would either decide that

1403

01:11:42,070 --> 01:11:37,280

they would then open up more information

1404

01:11:46,070 --> 01:11:42,080

about actual civilization

1405

01:11:48,410 --> 01:11:46,080

or just leave it biological signature

1406

01:11:51,770 --> 01:11:48,420

for another year or so

1407

01:11:54,290 --> 01:11:51,780

while they keep trying to

1408

01:11:57,290 --> 01:11:54,300

what should we say Jimmy at this point

1409

01:12:00,169 --> 01:11:57,300

it's been so schizophrenic

1410

01:12:03,350 --> 01:12:00,179

the sense last year was that the

1411

01:12:06,950 --> 01:12:03,360

government was finally getting ready uh

1412

01:12:08,330 --> 01:12:06,960

through that uh what now is called Arrow

1413

01:12:09,890 --> 01:12:08,340

office

1414

01:12:14,149 --> 01:12:09,900

to

1415

01:12:17,390 --> 01:12:14,159

at least open up a lot more about pilot

1416

01:12:20,030 --> 01:12:17,400

interactions with things that we're

1417

01:12:22,790 --> 01:12:20,040

doing physical uh physical physical

1418

01:12:25,370 --> 01:12:22,800

speeds stopping on a dime 90 degree

1419

01:12:28,490 --> 01:12:25,380

turns humans cannot do that

1420

01:12:32,990 --> 01:12:28,500

and Lou Elizondo and others described

1421

01:12:35,689 --> 01:12:33,000

the observables that included that going

1422

01:12:37,850 --> 01:12:35,699

12 000 miles an hour stopping in the air

1423

01:12:40,970 --> 01:12:37,860

humans cannot do that

1424

01:12:43,070 --> 01:12:40,980

and or going 12 000 miles an hour and

1425

01:12:46,570 --> 01:12:43,080

then doing a 90 degree turn humans

1426

01:12:48,189 --> 01:12:46,580

cannot do that and those are multiple

1427

01:12:51,649 --> 01:12:48,199

observes

1428

01:12:56,209 --> 01:12:51,659

observables of the UFO phenomena for

1429

01:12:59,209 --> 01:12:56,219

what since at least World War II

1430

01:13:03,830 --> 01:12:59,219

so we are right now

1431

01:13:09,530 --> 01:13:07,610

still in a planet that humans are

1432

01:13:13,570 --> 01:13:09,540

fighting each other

1433

01:13:16,550 --> 01:13:13,580

in the terrible Ukraine

1434

01:13:19,729 --> 01:13:16,560

Technologies are available and hidden

1435

01:13:22,310 --> 01:13:19,739

that have been provided through our

1436

01:13:23,750 --> 01:13:22,320

relationship with non-humans like the

1437

01:13:26,810 --> 01:13:23,760

tall whites and the nordics and the

1438

01:13:32,689 --> 01:13:30,470

and we thought I did I thought surely

1439

01:13:36,470 --> 01:13:32,699

this will happen they will open this up

1440

01:13:39,890 --> 01:13:36,480

in April of 2023 and we will have a

1441

01:13:42,649 --> 01:13:39,900

biological signature and at last all

1442

01:13:46,430 --> 01:13:42,659

humans who have had straightforward

1443

01:13:50,750 --> 01:13:46,440

experiences with other beings can begin

1444

01:13:54,709 --> 01:13:50,760

to slowly be heard as credible

1445

01:13:59,270 --> 01:13:54,719

ear Witnesses eyewitnesses and we will

1446

01:14:04,189 --> 01:13:59,280

be introduced to allies and we will

1447

01:14:07,729 --> 01:14:04,199

finally finally join this universe

1448

01:14:11,270 --> 01:14:07,739

in where the brain of a human

1449

01:14:15,169 --> 01:14:11,280

and a Galaxy and a universe

1450

01:14:17,689 --> 01:14:15,179

are made to resonate with each other

1451

01:14:19,490 --> 01:14:17,699

Roger Penrose I know would agree with

1452

01:14:22,970 --> 01:14:19,500

that statement

1453

01:14:26,570 --> 01:14:22,980

instead it feels like something is

1454

01:14:29,510 --> 01:14:26,580

retracting again it feels like we are

1455

01:14:31,850 --> 01:14:29,520

coming up into April with everything

1456

01:14:33,950 --> 01:14:31,860

should have been a go to at least get

1457

01:14:35,830 --> 01:14:33,960

out the information that would lead to

1458

01:14:38,689 --> 01:14:35,840

the there's

1459

01:14:40,490 --> 01:14:38,699

168 civilizations that just at this end

1460

01:14:44,390 --> 01:14:40,500

of the Milky Way galaxy is what I

1461

01:14:48,709 --> 01:14:44,400

understand right and if we come up again

1462

01:14:52,850 --> 01:14:48,719

to another screeching halt like the man

1463

01:14:55,189 --> 01:14:52,860

Smith Jones at upper Hayford

1464

01:14:59,030 --> 01:14:55,199

he and two men

1465

01:15:00,350 --> 01:14:59,040

are just a few yards underneath a huge

1466

01:15:02,810 --> 01:15:00,360

triangle

1467

01:15:06,350 --> 01:15:02,820

they all three know that they were it

1468

01:15:08,570 --> 01:15:06,360

was there they saw the whatever you want

1469

01:15:10,970 --> 01:15:08,580

to call it the electrostatic

1470

01:15:13,910 --> 01:15:10,980

material that was going on the bottom

1471

01:15:15,709 --> 01:15:13,920

they knew that there was not one sound

1472

01:15:19,570 --> 01:15:15,719

that this craft

1473

01:15:25,610 --> 01:15:23,570

those men those women who have been in

1474

01:15:27,709 --> 01:15:25,620

those situations so many of them

1475

01:15:30,950 --> 01:15:27,719

hundreds of them that have communicated

1476

01:15:32,990 --> 01:15:30,960

with me and continue to communicate and

1477

01:15:34,370 --> 01:15:33,000

I have to protect them

1478

01:15:36,890 --> 01:15:34,380

why

1479

01:15:41,209 --> 01:15:36,900

are we having to protect

1480

01:15:42,669 --> 01:15:41,219

the truth and truth tellers why can this

1481

01:15:46,310 --> 01:15:42,679

not be

1482

01:15:49,189 --> 01:15:46,320

spring when they finally start telling

1483

01:15:53,649 --> 01:15:49,199

the truth and that's why none of this is

1484

01:15:58,550 --> 01:15:53,659

woo-woo Jim no yeah it's never been

1485

01:16:01,370 --> 01:15:58,560

I use I use Wu as a as a as a blanket to

1486

01:16:03,590 --> 01:16:01,380

cover everything but my but if we go

1487

01:16:06,610 --> 01:16:03,600

back to my question at which I'm not

1488

01:16:12,070 --> 01:16:10,370

that no no no no no I want to stay right

1489

01:16:15,410 --> 01:16:12,080

where we are because

1490

01:16:19,490 --> 01:16:15,420

a few things did happen this week I I

1491

01:16:23,149 --> 01:16:19,500

found very interesting one we have uh uh

1492

01:16:27,610 --> 01:16:23,159

the the paper written by Avi loben uh

1493

01:16:30,890 --> 01:16:27,620

Kirkpatrick about and the thing is

1494

01:16:34,250 --> 01:16:30,900

the thing that they they stated in there

1495

01:16:35,050 --> 01:16:34,260

and I just really really

1496

01:16:38,510 --> 01:16:35,060

um

1497

01:16:41,390 --> 01:16:38,520

and perplexed it's not the statement

1498

01:16:44,149 --> 01:16:41,400

about a Mothership dropping off probes

1499

01:16:45,709 --> 01:16:44,159

that's pretty you know and for Ivy to

1500

01:16:48,169 --> 01:16:45,719

write that

1501

01:16:53,450 --> 01:16:48,179

um you have to ask the most important

1502

01:16:55,970 --> 01:16:53,460

question which is why what is Avi basing

1503

01:16:58,910 --> 01:16:55,980

this on he's a very smart guy he doesn't

1504

01:17:01,130 --> 01:16:58,920

just write stuff to write it he has

1505

01:17:04,010 --> 01:17:01,140

people coming to him like I have people

1506

01:17:06,890 --> 01:17:04,020

coming to me that are frustrated and

1507

01:17:08,630 --> 01:17:06,900

they know we are in a universe that is

1508

01:17:10,790 --> 01:17:08,640

full and teaming with other

1509

01:17:14,350 --> 01:17:10,800

Consciousness correct and that they are

1510

01:17:17,750 --> 01:17:14,360

trying to find how do we crack it open

1511

01:17:20,570 --> 01:17:17,760

without causing hysteria in some

1512

01:17:22,910 --> 01:17:20,580

populations and boredom in other

1513

01:17:25,910 --> 01:17:22,920

populations because they're going to be

1514

01:17:28,070 --> 01:17:25,920

so many people that you and I know who

1515

01:17:30,590 --> 01:17:28,080

will say I told you so yeah I know

1516

01:17:33,649 --> 01:17:30,600

exactly right exactly right so we had

1517

01:17:35,510 --> 01:17:33,659

that this week we'll Circle back to it

1518

01:17:38,750 --> 01:17:35,520

I'm not going to let that go

1519

01:17:42,350 --> 01:17:38,760

um but uh number two uh just yesterday

1520

01:17:46,729 --> 01:17:42,360

James Webb uh the the team there

1521

01:17:48,830 --> 01:17:46,739

announced uh it's not the first bio

1522

01:17:51,830 --> 01:17:48,840

signatures that they have discovered but

1523

01:17:55,490 --> 01:17:51,840

it was the most on a single planet to

1524

01:17:57,590 --> 01:17:55,500

date they found five bio signatures on

1525

01:17:59,689 --> 01:17:57,600

one planet I don't have the name of the

1526

01:18:02,090 --> 01:17:59,699

the number designation of the planet in

1527

01:18:04,390 --> 01:18:02,100

front of me but they found water they

1528

01:18:10,010 --> 01:18:04,400

found oxygen they found carbon monoxide

1529

01:18:13,669 --> 01:18:10,020

carbon monoxide but a bio signature is

1530

01:18:15,890 --> 01:18:13,679

is something that would tie it directly

1531

01:18:19,310 --> 01:18:15,900

to biological life you're talking about

1532

01:18:21,250 --> 01:18:19,320

ingredients for biological life I

1533

01:18:25,850 --> 01:18:21,260

reported that I'm talking about

1534

01:18:29,510 --> 01:18:25,860

reporting biological life but isn't it

1535

01:18:31,370 --> 01:18:29,520

exciting Linda yeah oh by the way the

1536

01:18:34,610 --> 01:18:31,380

way that Linda and I are talking right

1537

01:18:37,390 --> 01:18:34,620

now this is how we do it over champagne

1538

01:18:41,330 --> 01:18:37,400

uh late into the night this is not some

1539

01:18:44,750 --> 01:18:41,340

uh Jimmy and Linda no no this is how

1540

01:18:46,550 --> 01:18:44,760

Linda and I just talked and we're doing

1541

01:18:49,550 --> 01:18:46,560

that tonight but Linda isn't that

1542

01:18:52,250 --> 01:18:49,560

exciting to have those five so the

1543

01:18:55,070 --> 01:18:52,260

system and maybe that is a going to

1544

01:18:58,550 --> 01:18:55,080

indicate that they're finally going to

1545

01:18:59,930 --> 01:18:58,560

open this up using the web exactly as it

1546

01:19:03,110 --> 01:18:59,940

was described to me a couple of years

1547

01:19:07,250 --> 01:19:03,120

ago right and what a great thing if they

1548

01:19:10,970 --> 01:19:07,260

would do it oh my God to give this whole

1549

01:19:13,189 --> 01:19:10,980

planet more hope right right now doesn't

1550

01:19:16,130 --> 01:19:13,199

the planet feel like it's being sucked

1551

01:19:19,189 --> 01:19:16,140

into a timeline with the Ukrainian and

1552

01:19:21,290 --> 01:19:19,199

the the China and Russia and that

1553

01:19:24,169 --> 01:19:21,300

everybody is worried we're going to have

1554

01:19:26,990 --> 01:19:24,179

a nuclear war on this planet as insane

1555

01:19:32,090 --> 01:19:27,000

as that would be and there's something

1556

01:19:34,729 --> 01:19:32,100

about talking with Scientists looking at

1557

01:19:37,610 --> 01:19:34,739

the web they're finding that there are

1558

01:19:39,950 --> 01:19:37,620

atmospheres around planets and what if

1559

01:19:43,610 --> 01:19:39,960

they do and can report a biological

1560

01:19:46,330 --> 01:19:43,620

signature could that completely change

1561

01:19:50,930 --> 01:19:46,340

this feeling that we're being shut in

1562

01:19:53,990 --> 01:19:50,940

and taken down to a nuclear war just

1563

01:19:56,090 --> 01:19:54,000

because of testosterone people who want

1564

01:19:59,510 --> 01:19:56,100

to fight with nukes right right right

1565

01:20:03,830 --> 01:19:59,520

right it's uh

1566

01:20:05,990 --> 01:20:03,840

it's not going to happen I just well I

1567

01:20:10,070 --> 01:20:06,000

believe that our ET brothers and sisters

1568

01:20:12,350 --> 01:20:10,080

would step in number one they need us to

1569

01:20:14,030 --> 01:20:12,360

evolve and we can't evolve if we blast

1570

01:20:15,649 --> 01:20:14,040

ourselves back into the Stone Age so I

1571

01:20:17,330 --> 01:20:15,659

just don't believe and the other thing

1572

01:20:20,030 --> 01:20:17,340

is I just think that cooler heads are

1573

01:20:24,290 --> 01:20:20,040

going to Prevail well may I ask you a

1574

01:20:26,870 --> 01:20:24,300

question that bothers me sure why do you

1575

01:20:29,890 --> 01:20:26,880

think over the last 45

1576

01:20:33,169 --> 01:20:29,900

000 years when Neanderthal

1577

01:20:36,709 --> 01:20:33,179

crossfaded to Chrome onion Homo sapiens

1578

01:20:38,990 --> 01:20:36,719

sapien and now we have Homo sapiens

1579

01:20:43,250 --> 01:20:39,000

sapien that is evolving

1580

01:20:45,950 --> 01:20:43,260

and now we are at 2023 and we are the

1581

01:20:49,610 --> 01:20:45,960

current crop of chromanian homo sapiens

1582

01:20:51,050 --> 01:20:49,620

sapien why during that whole period of

1583

01:20:53,209 --> 01:20:51,060

the last 45

1584

01:20:54,709 --> 01:20:53,219

000 years

1585

01:20:59,030 --> 01:20:54,719

why

1586

01:21:03,350 --> 01:20:59,040

we're humans kept separated

1587

01:21:07,810 --> 01:21:03,360

from the truth of a conscious vast

1588

01:21:12,169 --> 01:21:07,820

Universe filled with other life forms

1589

01:21:15,770 --> 01:21:12,179

yeah what was to be gained by power

1590

01:21:19,010 --> 01:21:15,780

Brokers yes were ETS like the Anunnaki

1591

01:21:22,130 --> 01:21:19,020

on this planet right mixing and matching

1592

01:21:25,490 --> 01:21:22,140

DNA creating a whole bunch of different

1593

01:21:29,450 --> 01:21:25,500

species and when they made kramanian

1594

01:21:32,810 --> 01:21:29,460

Homo sapiens sapien somebody decided

1595

01:21:37,130 --> 01:21:32,820

they are not to know anything about

1596

01:21:40,010 --> 01:21:37,140

other life forms they will look at us as

1597

01:21:42,649 --> 01:21:40,020

Angels they will look at us as something

1598

01:21:46,430 --> 01:21:42,659

that is not Earthly

1599

01:21:49,850 --> 01:21:46,440

and once that began we are now the

1600

01:21:52,010 --> 01:21:49,860

inheritors of a very strange editing all

1601

01:21:56,450 --> 01:21:52,020

of the history of humanity

1602

01:21:59,570 --> 01:21:56,460

why were we never told then and why is

1603

01:22:02,750 --> 01:21:59,580

it so difficult now to just tell what

1604

01:22:06,110 --> 01:22:02,760

seems like an obvious truth yeah the

1605

01:22:10,370 --> 01:22:06,120

universe is full of life it's a great

1606

01:22:12,410 --> 01:22:10,380

question but I don't agree with you and

1607

01:22:16,130 --> 01:22:12,420

let me and so I'll answer the question

1608

01:22:20,990 --> 01:22:16,140

and let me explain all right

1609

01:22:24,470 --> 01:22:21,000

um I believe that until very recently in

1610

01:22:27,290 --> 01:22:24,480

the last couple of thousand years uh and

1611

01:22:29,990 --> 01:22:27,300

probably the last hundred years but up

1612

01:22:32,149 --> 01:22:30,000

until that point I think that we got

1613

01:22:35,810 --> 01:22:32,159

along I I don't think that there were

1614

01:22:38,870 --> 01:22:35,820

any barriers between us and E.T and the

1615

01:22:40,669 --> 01:22:38,880

reason is this if you go back to uh five

1616

01:22:42,770 --> 01:22:40,679

thousand years ago Linda three thousand

1617

01:22:45,950 --> 01:22:42,780

years ago and

1618

01:22:49,250 --> 01:22:45,960

um you uh have your little village

1619

01:22:51,470 --> 01:22:49,260

and somebody comes over from another

1620

01:22:55,310 --> 01:22:51,480

Village that you've never seen before

1621

01:22:58,910 --> 01:22:55,320

and they make the 50 mile Trek you have

1622

01:23:00,830 --> 01:22:58,920

met somebody new a new culture and and

1623

01:23:05,510 --> 01:23:00,840

that's what and when something came out

1624

01:23:07,729 --> 01:23:05,520

of the sky it wasn't uh from space it

1625

01:23:09,649 --> 01:23:07,739

wasn't ET it was just somebody new to

1626

01:23:11,570 --> 01:23:09,659

meet and I don't think that there were

1627

01:23:15,410 --> 01:23:11,580

barriers there I don't think that there

1628

01:23:17,450 --> 01:23:15,420

was any angst it was just uh something

1629

01:23:21,890 --> 01:23:17,460

new and everybody was discovering stuff

1630

01:23:24,709 --> 01:23:21,900

it was only until very recently where

1631

01:23:28,490 --> 01:23:24,719

this blockade of knowledge has started

1632

01:23:30,530 --> 01:23:28,500

and I would I would probably be very

1633

01:23:34,729 --> 01:23:30,540

confident in saying that it started in

1634

01:23:37,390 --> 01:23:34,739

1947 and long before that Hitler was

1635

01:23:39,950 --> 01:23:37,400

talking about alde Baron

1636

01:23:42,950 --> 01:23:39,960

extraterrestrials helping him in the 30s

1637

01:23:44,930 --> 01:23:42,960

yeah but he wasn't covering it up he

1638

01:23:47,510 --> 01:23:44,940

wasn't no I think they were well

1639

01:23:50,270 --> 01:23:47,520

possibly but what I'm I'm just talking

1640

01:23:53,510 --> 01:23:50,280

about the timeline okay so I'm just

1641

01:23:54,950 --> 01:23:53,520

saying just until very recently

1642

01:23:56,090 --> 01:23:54,960

um this is something I think that before

1643

01:23:57,890 --> 01:23:56,100

then

1644

01:24:00,830 --> 01:23:57,900

now I don't think that there was a big

1645

01:24:04,850 --> 01:24:00,840

deal when the when the when the

1646

01:24:08,209 --> 01:24:04,860

Nuremberg woodcuts were done right was

1647

01:24:09,950 --> 01:24:08,219

there a big freak out on that no no I

1648

01:24:13,430 --> 01:24:09,960

just think I don't know that anybody

1649

01:24:15,890 --> 01:24:13,440

knows exactly what happened to produce

1650

01:24:18,709 --> 01:24:15,900

that wood cut but let me ask you do you

1651  
01:24:19,729 --> 01:24:18,719  
think that what we have gotten in carved

1652  
01:24:23,750 --> 01:24:19,739  
Stone

1653  
01:24:25,390 --> 01:24:23,760  
uh with the language of the Annunaki and

1654  
01:24:30,050 --> 01:24:25,400  
the Sumerians

1655  
01:24:33,130 --> 01:24:30,060  
the description carved in stone is that

1656  
01:24:35,870 --> 01:24:33,140  
Inky and enlil

1657  
01:24:40,729 --> 01:24:35,880  
and I knew

1658  
01:24:44,930 --> 01:24:40,739  
they were and positioned themselves as

1659  
01:24:49,010 --> 01:24:44,940  
controlling Gods that's right and no

1660  
01:24:52,430 --> 01:24:49,020  
humans they they argued about the poor

1661  
01:24:56,830 --> 01:24:52,440  
chattel humans and remember it was that

1662  
01:25:01,130 --> 01:24:56,840  
they the humans were uh not useful they

1663  
01:25:04,669 --> 01:25:01,140

and Leo wanted to destroy humans and

1664

01:25:07,970 --> 01:25:04,679

Inky ends up arguing and that is the

1665

01:25:10,729 --> 01:25:07,980

so-called famous war that might have

1666

01:25:14,390 --> 01:25:10,739

produced the trenetite glass in the

1667

01:25:16,610 --> 01:25:14,400

Sahara and parts of India that might

1668

01:25:20,330 --> 01:25:16,620

relate to something that was releasing

1669

01:25:23,450 --> 01:25:20,340

like an atomic bomb uh back in the time

1670

01:25:26,450 --> 01:25:23,460

of the Anunnaki and the Very fact that

1671

01:25:28,130 --> 01:25:26,460

there would be such a war between enki

1672

01:25:31,250 --> 01:25:28,140

and and Leo

1673

01:25:34,370 --> 01:25:31,260

about humans

1674

01:25:37,490 --> 01:25:34,380

then it seems to me they were basically

1675

01:25:40,610 --> 01:25:37,500

saying we don't want the humans to know

1676

01:25:43,370 --> 01:25:40,620

us and what we are our level we just

1677

01:25:45,890 --> 01:25:43,380

want the humans to do the work for us

1678

01:25:49,430 --> 01:25:45,900

that we need them to do yeah but I don't

1679

01:25:52,130 --> 01:25:49,440

think it was a cover-up and uh they

1680

01:25:54,830 --> 01:25:52,140

certainly created us and if you read in

1681

01:25:57,110 --> 01:25:54,840

in one of sitchin's books

1682

01:26:00,169 --> 01:25:57,120

um where he translates one of the

1683

01:26:03,770 --> 01:26:00,179

Sumerian Tablets it says right there we

1684

01:26:06,430 --> 01:26:03,780

are going to modify the DNA so we could

1685

01:26:08,930 --> 01:26:06,440

have Linda Moulton Howe in the year

1686

01:26:11,870 --> 01:26:08,940

2023. it's right there it's on a

1687

01:26:15,290 --> 01:26:11,880

Sumerian Stone in of form writing

1688

01:26:18,649 --> 01:26:15,300

but but see here the thing I still want

1689

01:26:22,129 --> 01:26:18,659

to meet the ETS that are interacting

1690

01:26:25,550 --> 01:26:22,139

with this planet but but Linda um I I

1691

01:26:29,209 --> 01:26:25,560

don't think I I think history is going

1692

01:26:34,550 --> 01:26:29,219

to look back and and show that you and I

1693

01:26:40,430 --> 01:26:34,560

and others were right in that in that

1694

01:26:42,830 --> 01:26:40,440

um the uh the age of us which let's say

1695

01:26:43,910 --> 01:26:42,840

the modern version of us is 200 000

1696

01:26:45,530 --> 01:26:43,920

years old right that's what

1697

01:26:48,229 --> 01:26:45,540

anthropologists are going to suggest

1698

01:26:50,870 --> 01:26:48,239

today that we just appeared 200 000

1699

01:26:53,689 --> 01:26:50,880

years ago but no no no in terms of

1700

01:26:56,270 --> 01:26:53,699

Neanderthal which was before Chrome

1701

01:26:59,090 --> 01:26:56,280

onion homo sapien sapien that you can

1702

01:27:01,490 --> 01:26:59,100

look this up the Crossfade in

1703

01:27:03,890 --> 01:27:01,500

Neanderthal to Chrome onion homo sapien

1704

01:27:07,129 --> 01:27:03,900

sapien was approximately 45 000 years

1705

01:27:09,830 --> 01:27:07,139

ago yes that humanoid form that's

1706

01:27:12,050 --> 01:27:09,840

correct but that goes back longer that

1707

01:27:14,570 --> 01:27:12,060

that's that's correct but that's not my

1708

01:27:18,770 --> 01:27:14,580

point so let me get to my point then you

1709

01:27:22,490 --> 01:27:18,780

respond which is this Linda that

1710

01:27:24,050 --> 01:27:22,500

um this number this 200 000 year number

1711

01:27:26,270 --> 01:27:24,060

that

1712

01:27:27,709 --> 01:27:26,280

um is is thrown around I think a little

1713

01:27:30,169 --> 01:27:27,719

bit too freely

1714

01:27:32,570 --> 01:27:30,179

and then you turn around and you read

1715

01:27:36,770 --> 01:27:32,580

the work of sitchin and what is on those

1716

01:27:38,990 --> 01:27:36,780

Sumerian Tablets the timelines match and

1717

01:27:42,410 --> 01:27:39,000

I don't think that that is a coincidence

1718

01:27:44,450 --> 01:27:42,420

I I don't and I don't have a better

1719

01:27:47,570 --> 01:27:44,460

explanation

1720

01:27:51,830 --> 01:27:47,580

um where science wants to say that it

1721

01:27:54,709 --> 01:27:51,840

was all luck and and lightning struck a

1722

01:27:57,110 --> 01:27:54,719

crystal in a creek and and DNA just

1723

01:28:00,530 --> 01:27:57,120

formed you know no no no that's not

1724

01:28:03,649 --> 01:28:00,540

right it's not true at all exactly and

1725

01:28:06,649 --> 01:28:03,659

it's and so and I remember hearing

1726

01:28:07,669 --> 01:28:06,659

Richard Dawkins I guess I just dropped

1727

01:28:10,790 --> 01:28:07,679

his name

1728

01:28:13,610 --> 01:28:10,800

say those words and I'm thinking to

1729

01:28:17,270 --> 01:28:13,620

myself how can you try to pretend to be

1730

01:28:19,790 --> 01:28:17,280

an intellectual a scientist

1731

01:28:23,090 --> 01:28:19,800

um somebody that's a forward thinker and

1732

01:28:28,370 --> 01:28:23,100

say something as stupid as that that it

1733

01:28:31,189 --> 01:28:28,380

was just luck no the odds of does it

1734

01:28:35,050 --> 01:28:31,199

does he even understand how many digits

1735

01:28:37,790 --> 01:28:35,060

we're talking about of of luck of of

1736

01:28:41,810 --> 01:28:37,800

odds of something like that happening

1737

01:28:44,870 --> 01:28:41,820

just by chance no there's something else

1738

01:28:48,290 --> 01:28:44,880

intervened I don't know what intervened

1739

01:28:51,110 --> 01:28:48,300

but something did and it's that simple

1740

01:28:52,669 --> 01:28:51,120

and so when we go back to those

1741

01:28:55,729 --> 01:28:52,679

um I think that's part of what the

1742

01:28:59,330 --> 01:28:55,739

cover-up may be that if if it is

1743

01:29:01,850 --> 01:28:59,340

disclosed if E.T comes down Linda and

1744

01:29:03,950 --> 01:29:01,860

and the ship lands and they March down

1745

01:29:06,530 --> 01:29:03,960

and they go okay where's Linda Moulton

1746

01:29:08,689 --> 01:29:06,540

how we need to talk to her and so you

1747

01:29:10,970 --> 01:29:08,699

know they you step up and they go okay

1748

01:29:12,770 --> 01:29:10,980

so this is actually what happened this

1749

01:29:15,410 --> 01:29:12,780

this this and the the government's going

1750

01:29:18,290 --> 01:29:15,420

to have to answer for that because they

1751

01:29:20,870 --> 01:29:18,300

probably know all of this oh of course

1752

01:29:24,530 --> 01:29:20,880

they do and this is you're going right

1753

01:29:28,250 --> 01:29:24,540

to the the whole reason cover-ups for so

1754

01:29:31,729 --> 01:29:28,260

long and why all of these uh poor guys

1755

01:29:35,149 --> 01:29:31,739

like Smith Jones you keep your mouth

1756

01:29:38,050 --> 01:29:35,159

shut you never if you do we will take

1757

01:29:41,930 --> 01:29:38,060

your uh bank account you will never have

1758

01:29:44,270 --> 01:29:41,940

all these threats to all these people is

1759

01:29:46,430 --> 01:29:44,280

because the government of the United

1760

01:29:49,550 --> 01:29:46,440

States was not in control of anything

1761

01:29:51,830 --> 01:29:49,560

that the UFO et's were doing they caught

1762

01:29:53,810 --> 01:29:51,840

on that there were abductions they knew

1763

01:29:55,669 --> 01:29:53,820

that there were animal mutilations they

1764

01:29:57,590 --> 01:29:55,679

knew that there were all kinds of

1765

01:30:00,770 --> 01:29:57,600

interactions going on with the Earth

1766

01:30:03,350 --> 01:30:00,780

that they couldn't control they couldn't

1767

01:30:05,450 --> 01:30:03,360

stop that they would have to introduce

1768

01:30:08,270 --> 01:30:05,460

the ETS

1769

01:30:10,070 --> 01:30:08,280

if if they chose at the time when they

1770

01:30:11,570 --> 01:30:10,080

realized that animal mutilations and

1771

01:30:15,430 --> 01:30:11,580

human abductions and a whole lot of

1772

01:30:19,250 --> 01:30:15,440

other things were the work of the ETS

1773

01:30:21,290 --> 01:30:19,260

they didn't want to tell humans that and

1774

01:30:23,209 --> 01:30:21,300

here is where you get to where things

1775

01:30:26,570 --> 01:30:23,219

are right now today

1776

01:30:27,590 --> 01:30:26,580

what is wrong with telling the whole

1777

01:30:31,669 --> 01:30:27,600

truth

1778

01:30:35,270 --> 01:30:31,679

as an evolution and not saying yes we

1779

01:30:38,470 --> 01:30:35,280

knew x y and z a hundred years ago but

1780

01:30:43,070 --> 01:30:38,480

we couldn't understand how it related to

1781

01:30:45,950 --> 01:30:43,080

ABC and today they could open up so many

1782

01:30:48,250 --> 01:30:45,960

facets that might even relate to new

1783

01:30:52,490 --> 01:30:48,260

energy sources and all kinds of things

1784

01:30:54,770 --> 01:30:52,500

that they keep hiding because if they

1785

01:30:56,870 --> 01:30:54,780

bring them out then they would have to

1786

01:30:59,390 --> 01:30:56,880

introduce the ETS and they've been

1787

01:31:01,550 --> 01:30:59,400

trying to have their cake and eat it too

1788

01:31:04,070 --> 01:31:01,560

they want all the advanced technology

1789

01:31:06,649 --> 01:31:04,080

they want the advanced weapons they want

1790

01:31:10,010 --> 01:31:06,659

the propulsion system we're going on

1791

01:31:12,229 --> 01:31:10,020

Craft they can go out 50 light years and

1792

01:31:14,330 --> 01:31:12,239

that we've had a secret space force

1793

01:31:16,629 --> 01:31:14,340

that's been doing that

1794

01:31:20,390 --> 01:31:16,639

and if they tell everybody

1795

01:31:23,030 --> 01:31:20,400

the whole truth some people think it's

1796

01:31:25,669 --> 01:31:23,040

too much of a shock to the human system

1797

01:31:29,629 --> 01:31:25,679

I argue

1798

01:31:32,330 --> 01:31:29,639

truth in and of itself is healing yeah

1799

01:31:35,570 --> 01:31:32,340

yeah yeah I I we're definitely at that

1800

01:31:38,629 --> 01:31:35,580

point now I think that most of us as our

1801

01:31:41,629 --> 01:31:38,639

ability to understand uh continues to

1802

01:31:44,930 --> 01:31:41,639

grow right that I think most of the

1803

01:31:46,910 --> 01:31:44,940

planet knows that there is I'm going to

1804

01:31:49,910 --> 01:31:46,920

use a bad word there's a ton of

1805

01:31:52,189 --> 01:31:49,920

Life out there right and it's it's all

1806

01:31:53,629 --> 01:31:52,199

over the place Linda and here's just so

1807

01:31:56,930 --> 01:31:53,639

the universe is teeming with

1808

01:32:00,590 --> 01:31:56,940

Consciousness it is it it absolutely is

1809

01:32:02,330 --> 01:32:00,600

and and then this is the third story I

1810

01:32:06,350 --> 01:32:02,340

wanted to bring up to you talk about

1811

01:32:08,590 --> 01:32:06,360

exciting times uh as as you are aware

1812

01:32:13,450 --> 01:32:08,600

two days ago

1813

01:32:19,550 --> 01:32:13,460

uh uh it was uh the the Japanese

1814

01:32:22,970 --> 01:32:19,560

uh return of an asteroids uh

1815

01:32:25,370 --> 01:32:22,980

um uh I'm gonna say uh scoops

1816

01:32:29,209 --> 01:32:25,380

um produced

1817

01:32:34,729 --> 01:32:29,219

amino acids and not only that niacin

1818

01:32:38,030 --> 01:32:34,739

vitamin B3 and we are talking about the

1819

01:32:41,149 --> 01:32:38,040

ingredients that are needed for RNA RNA

1820

01:32:44,689 --> 01:32:41,159

being the red-headed stepchild of DNA we

1821

01:32:47,689 --> 01:32:44,699

don't talk about RNA enough RNA is just

1822

01:32:52,390 --> 01:32:47,699

as complex and as crazy as and as

1823

01:32:56,510 --> 01:32:52,400

important as DNA in that RNA gives DNA

1824

01:33:00,350 --> 01:32:56,520

its instructions right and and so with

1825

01:33:02,149 --> 01:33:00,360

that RNA there's no us but what this has

1826

01:33:07,370 --> 01:33:02,159

revealed and we're going to do it again

1827

01:33:09,110 --> 01:33:07,380

in September when bennu Hayabusa 2 from

1828

01:33:12,950 --> 01:33:09,120

the asteroid bennu that'll be in

1829

01:33:16,189 --> 01:33:12,960

September and we've already known uh and

1830

01:33:19,610 --> 01:33:16,199

have found uh complex sugars is that

1831

01:33:22,490 --> 01:33:19,620

simple sugars on meteorites before but

1832

01:33:24,590 --> 01:33:22,500

now it turns out it's turning out that

1833

01:33:28,070 --> 01:33:24,600

if we go out to an asteroid we're gonna

1834

01:33:30,169 --> 01:33:28,080

find the building blocks of life on

1835

01:33:33,590 --> 01:33:30,179

these asteroids that are impacting

1836

01:33:35,930 --> 01:33:33,600

planets throughout the Universe and I

1837

01:33:37,669 --> 01:33:35,940

would argue Linda this is some of the

1838

01:33:39,530 --> 01:33:37,679

biggest news

1839

01:33:42,649 --> 01:33:39,540

um in the history of mankind but number

1840

01:33:46,430 --> 01:33:42,659

two I think that it represents

1841

01:33:50,149 --> 01:33:46,440

um that DNA is as universal in the

1842

01:33:52,610 --> 01:33:50,159

universe as Consciousness that these

1843

01:33:56,629 --> 01:33:52,620

simple things are deposited everywhere

1844

01:34:00,229 --> 01:33:56,639

and that DNA would be the same at in

1845

01:34:01,850 --> 01:34:00,239

Zeta reticuli as it is here in our Milky

1846

01:34:04,550 --> 01:34:01,860

Way and certainly in our solar system

1847

01:34:07,430 --> 01:34:04,560

and I think it's a very very big deal

1848

01:34:10,910 --> 01:34:07,440

and a big announcement well and it's

1849

01:34:15,590 --> 01:34:10,920

like a facet of where we started about

1850

01:34:18,950 --> 01:34:15,600

the web being used to aim at a planet in

1851  
01:34:23,390 --> 01:34:18,960  
Trappist and talk about the atmosphere

1852  
01:34:25,390 --> 01:34:23,400  
of that planet a watery planet and then

1853  
01:34:28,310 --> 01:34:25,400  
and breaking news

1854  
01:34:31,610 --> 01:34:28,320  
biological signature what is going to be

1855  
01:34:36,229 --> 01:34:31,620  
the definition of those words biological

1856  
01:34:37,610 --> 01:34:36,239  
signature and so one story and what

1857  
01:34:41,270 --> 01:34:37,620  
you're talking about

1858  
01:34:44,410 --> 01:34:41,280  
that they're kind of facets of where we

1859  
01:34:48,110 --> 01:34:44,420  
could be leading now that piece by piece

1860  
01:34:51,050 --> 01:34:48,120  
Discovery after discovery with the web

1861  
01:34:52,729 --> 01:34:51,060  
and what we are doing with uh exploring

1862  
01:34:56,870 --> 01:34:52,739  
and asteroids

1863  
01:34:58,729 --> 01:34:56,880

that could be what will be used for that

1864

01:35:01,729 --> 01:34:58,739

big headline we're not alone which is

1865

01:35:03,290 --> 01:35:01,739

what I hope and it's the question on the

1866

01:35:07,250 --> 01:35:03,300

timeline right now

1867

01:35:09,830 --> 01:35:07,260

do they do the power Brokers feel that

1868

01:35:14,930 --> 01:35:09,840

this would be a good time in April of

1869

01:35:16,790 --> 01:35:14,940

2023 in a sense to kind of deflect the

1870

01:35:20,510 --> 01:35:16,800

world and the energy and the attention

1871

01:35:25,030 --> 01:35:20,520

that seems to be building up into the

1872

01:35:29,510 --> 01:35:25,040

China and Russia and the United States

1873

01:35:32,810 --> 01:35:29,520

again almost on a wharf footing would

1874

01:35:36,229 --> 01:35:32,820

this announcement tend to start reducing

1875

01:35:40,490 --> 01:35:36,239

that because news would then start going

1876

01:35:43,970 --> 01:35:40,500

more and more into well what are UFOs

1877

01:35:46,250 --> 01:35:43,980

are there extraterrestrials here are

1878

01:35:48,890 --> 01:35:46,260

there extraterrestrials in a base inside

1879

01:35:50,590 --> 01:35:48,900

of the Ganymede moon in Jupiter which

1880

01:35:55,430 --> 01:35:50,600

there is

1881

01:35:56,770 --> 01:35:55,440

it's like maybe this could release some

1882

01:35:59,689 --> 01:35:56,780

of that horrible

1883

01:36:03,290 --> 01:35:59,699

intensifying energy that is uh building

1884

01:36:06,649 --> 01:36:03,300

toward war and that this alone this year

1885

01:36:10,430 --> 01:36:06,659

if we can get the this news out into

1886

01:36:14,270 --> 01:36:10,440

world headlines could maybe give people

1887

01:36:17,810 --> 01:36:14,280

everywhere a kind of new spring

1888

01:36:19,070 --> 01:36:17,820

it kind of reminds me and and I agree

1889

01:36:22,430 --> 01:36:19,080

with you

1890

01:36:25,669 --> 01:36:22,440

um and and I'm going to get to my number

1891

01:36:28,010 --> 01:36:25,679

four here in just a second it reminds me

1892

01:36:32,209 --> 01:36:28,020

of Ronald Reagan's speech at the U.N

1893

01:36:34,430 --> 01:36:32,219

right and and I uh I'm not talking about

1894

01:36:38,930 --> 01:36:34,440

an alien invasion of course but I am

1895

01:36:42,410 --> 01:36:38,940

certainly uh referring to something off

1896

01:36:44,750 --> 01:36:42,420

planet that would force us into

1897

01:36:47,330 --> 01:36:44,760

forgetting about our differences and our

1898

01:36:49,850 --> 01:36:47,340

Grievances and bring us together as

1899

01:36:53,090 --> 01:36:49,860

earthlings and realize that you know

1900

01:36:56,330 --> 01:36:53,100

what we are here together and we are

1901  
01:36:58,669 --> 01:36:56,340  
representing do we really want I mean

1902  
01:37:02,629 --> 01:36:58,679  
honestly for

1903  
01:37:05,810 --> 01:37:02,639  
um E.T to show up here and see us

1904  
01:37:08,050 --> 01:37:05,820  
literally firing bows and arrows at each

1905  
01:37:10,990 --> 01:37:08,060  
other I mean

1906  
01:37:13,910 --> 01:37:11,000  
destroying this gorgeous wonderful

1907  
01:37:15,890 --> 01:37:13,920  
laboratory Planet I'm embarrassed with

1908  
01:37:17,390 --> 01:37:15,900  
that you know how it is when you have

1909  
01:37:21,350 --> 01:37:17,400  
people come over to your house well

1910  
01:37:25,010 --> 01:37:21,360  
maybe not you but people come over and

1911  
01:37:28,070 --> 01:37:25,020  
they surprise visit and you've got dirty

1912  
01:37:29,689 --> 01:37:28,080  
dishes in the sink right and and how

1913  
01:37:31,970 --> 01:37:29,699

embarrassed you well that's what I I'm

1914

01:37:34,310 --> 01:37:31,980

kind of embarrassed for our planet right

1915

01:37:37,129 --> 01:37:34,320

now that I know that we're much better

1916

01:37:39,770 --> 01:37:37,139

than this I I just know that I know that

1917

01:37:42,169 --> 01:37:39,780

deep down we're all pretty much good

1918

01:37:46,129 --> 01:37:42,179

people there's a lot of uh there are bad

1919

01:37:49,010 --> 01:37:46,139

apples everywhere but by and large as

1920

01:37:52,790 --> 01:37:49,020

human beings were pretty damn cool Linda

1921

01:37:54,590 --> 01:37:52,800

we really are and I'm just embarrassed

1922

01:37:57,530 --> 01:37:54,600

I'm embarrassed for us that we've got

1923

01:37:59,330 --> 01:37:57,540

some some yahoos on this planet that

1924

01:38:02,030 --> 01:37:59,340

really want to make us look you know

1925

01:38:04,790 --> 01:38:02,040

like doofus and we're not we're not I I

1926

01:38:07,850 --> 01:38:04,800

just don't think we're that way well

1927

01:38:10,370 --> 01:38:07,860

Reagan you have to also add this because

1928

01:38:12,350 --> 01:38:10,380

this is the context in which he spoke at

1929

01:38:16,850 --> 01:38:12,360

the un uh

1930

01:38:18,189 --> 01:38:16,860

he had been given a briefing by his new

1931

01:38:20,810 --> 01:38:18,199

CIA

1932

01:38:24,590 --> 01:38:20,820

director Casey

1933

01:38:29,570 --> 01:38:24,600

at Camp David in March after he had been

1934

01:38:32,270 --> 01:38:29,580

elected about UFOs and ETS and I've done

1935

01:38:34,250 --> 01:38:32,280

a whole presentation about it and have

1936

01:38:38,030 --> 01:38:34,260

talked with people I've talked with one

1937

01:38:39,830 --> 01:38:38,040

man who uh he knew a colleague who was

1938

01:38:42,070 --> 01:38:39,840

there at this meeting and said you're

1939

01:38:44,450 --> 01:38:42,080

reporting the truth

1940

01:38:48,050 --> 01:38:44,460

the context

1941

01:38:51,010 --> 01:38:48,060

of giving Reagan information about the

1942

01:38:54,350 --> 01:38:51,020

five different types of ETS

1943

01:38:58,510 --> 01:38:54,360

included that trotoloid the fifth and

1944

01:39:04,189 --> 01:39:00,290

t-r-a-n-t-t-r-a-n-t-a-l-o-i-d chronoloid

1945

01:39:08,510 --> 01:39:04,199

Define for Reagan as a tremendous threat

1946

01:39:11,750 --> 01:39:08,520

an insect at Epsilon eridani only 10.5

1947

01:39:14,750 --> 01:39:11,760

light years from Earth very close and

1948

01:39:16,669 --> 01:39:14,760

that these insects they had learned from

1949

01:39:19,629 --> 01:39:16,679

other

1950

01:39:23,930 --> 01:39:19,639

ETS that they were dealing with the

1951

01:39:26,090 --> 01:39:23,940

arcoloids and the quad Lloyds and others

1952

01:39:29,390 --> 01:39:26,100

that would include the nordics and the

1953

01:39:31,370 --> 01:39:29,400

tall whites that these insects are a

1954

01:39:33,950 --> 01:39:31,380

threat that the insects are a threat

1955

01:39:38,990 --> 01:39:33,960

everywhere and that they wanted Reagan

1956

01:39:41,030 --> 01:39:39,000

to know about this ET threat and then

1957

01:39:44,570 --> 01:39:41,040

it appears that

1958

01:39:47,570 --> 01:39:44,580

since that briefing with Reagan somebody

1959

01:39:50,390 --> 01:39:47,580

made a decision that everything having

1960

01:39:52,189 --> 01:39:50,400

to do with UFOs and ETS and other

1961

01:39:55,010 --> 01:39:52,199

threats and all of it had to go

1962

01:39:58,129 --> 01:39:55,020

underground and not be discussed but he

1963

01:40:02,750 --> 01:39:58,139

gave that speech at the U.N and he was

1964

01:40:06,290 --> 01:40:02,760

referring to it if we had a threat from

1965

01:40:08,030 --> 01:40:06,300

outer space to this planet wouldn't it

1966

01:40:10,850 --> 01:40:08,040

bring us all together

1967

01:40:13,430 --> 01:40:10,860

we're not talking about just the insects

1968

01:40:15,530 --> 01:40:13,440

we're talking about a universe that is

1969

01:40:18,050 --> 01:40:15,540

teeming with life that there might be a

1970

01:40:20,330 --> 01:40:18,060

hundred and sixty eight different solar

1971

01:40:23,629 --> 01:40:20,340

system civilizations at just this end of

1972

01:40:26,390 --> 01:40:23,639

the Milky Way galaxy and if only one of

1973

01:40:28,610 --> 01:40:26,400

them if the insects are the ones that

1974

01:40:31,629 --> 01:40:28,620

everybody else is worried about

1975

01:40:35,270 --> 01:40:31,639

I've been told by two people who have

1976

01:40:36,530 --> 01:40:35,280

worked in the Pentagon and they have

1977

01:40:38,330 --> 01:40:36,540

said

1978

01:40:42,410 --> 01:40:38,340

as long as

1979

01:40:44,689 --> 01:40:42,420

the tall whites and at least one of the

1980

01:40:46,729 --> 01:40:44,699

types of nordics

1981

01:40:49,490 --> 01:40:46,739

they are so advanced

1982

01:40:52,310 --> 01:40:49,500

as long as they have taken a vested

1983

01:40:56,390 --> 01:40:52,320

interest in helping us

1984

01:40:59,830 --> 01:40:56,400

the insects are not going to defeat them

1985

01:41:02,870 --> 01:40:59,840

that we already have a protection

1986

01:41:03,770 --> 01:41:02,880

why can't that be announced to the

1987

01:41:07,370 --> 01:41:03,780

planet

1988

01:41:09,950 --> 01:41:07,380

as one complex introduction just as

1989

01:41:12,530 --> 01:41:09,960

Reagan said in the U.N

1990

01:41:16,430 --> 01:41:12,540

that we have allies

1991

01:41:17,930 --> 01:41:16,440

we had allies before we ever were

1992

01:41:20,510 --> 01:41:17,940

publicly told

1993

01:41:23,450 --> 01:41:20,520

on Earth the truth yeah that's right

1994

01:41:26,209 --> 01:41:23,460

that's right and and and he that the

1995

01:41:28,729 --> 01:41:26,219

speech at the U.N that wasn't the only

1996

01:41:31,390 --> 01:41:28,739

time Ronald Reagan gave that speech he

1997

01:41:33,890 --> 01:41:31,400

gave it right 10 times

1998

01:41:36,770 --> 01:41:33,900

oh I didn't know that I knew of three

1999

01:41:40,970 --> 01:41:36,780

eight oh I just taught Linda Moulton

2000

01:41:42,950 --> 01:41:40,980

house something yeah right but uh before

2001

01:41:46,010 --> 01:41:42,960

um I let you go what a great celebration

2002

01:41:48,050 --> 01:41:46,020

tonight commercial free and just a

2003

01:41:50,530 --> 01:41:48,060

conversation uh between friends amazing

2004

01:41:54,010 --> 01:41:50,540

conversation Linda uh and I can't

2005

01:41:57,590 --> 01:41:54,020

champagne's on me next week

2006

01:42:00,109 --> 01:41:57,600

and let's hope you guys for all of us

2007

01:42:02,030 --> 01:42:00,119

for the whole planet for all eight

2008

01:42:05,030 --> 01:42:02,040

billion Souls

2009

01:42:08,090 --> 01:42:05,040

that there is a decision

2010

01:42:12,530 --> 01:42:08,100

I hope it's April 23rd

2011

01:42:14,390 --> 01:42:12,540

that that the government is going for if

2012

01:42:18,290 --> 01:42:14,400

they're just going to announce

2013

01:42:20,570 --> 01:42:18,300

Webb is showing a biological signature

2014

01:42:24,250 --> 01:42:20,580

on the fourth planet of the Trappist one

2015

01:42:27,950 --> 01:42:24,260

system seven Earth-like planets and

2016

01:42:30,470 --> 01:42:27,960

that's the open that's the beginning

2017

01:42:32,750 --> 01:42:30,480

I bet I got to tell everybody I asked

2018

01:42:34,490 --> 01:42:32,760

Linda out on a date earlier today she

2019

01:42:39,470 --> 01:42:34,500

turned me down

2020

01:42:45,410 --> 01:42:43,010

jim I've got to uh my time I have to

2021

01:42:47,870 --> 01:42:45,420

focus on all the people who want to tell

2022

01:42:49,970 --> 01:42:47,880

me their first hand stories don't throw

2023

01:42:52,070 --> 01:42:49,980

me under the bus

2024

01:42:54,470 --> 01:42:52,080

you turn me down but Linda Okay so we've

2025

01:42:57,790 --> 01:42:54,480

been talking about bio signatures now

2026

01:43:02,570 --> 01:42:57,800

let's talk about technical signatures

2027

01:43:06,169 --> 01:43:02,580

and James Webb is set up for this too as

2028

01:43:09,890 --> 01:43:06,179

well now looking through an exoplanet's

2029

01:43:13,729 --> 01:43:09,900

atmosphere and observing and how this is

2030

01:43:18,649 --> 01:43:13,739

done this is done with the the the light

2031

01:43:21,470 --> 01:43:18,659

from its uh Sun its star and it it it

2032

01:43:23,750 --> 01:43:21,480

the atmosphere gets illuminated and we

2033

01:43:26,510 --> 01:43:23,760

we figure out the chemicals and the

2034

01:43:28,669 --> 01:43:26,520

chemistry that is there and and we can

2035

01:43:31,669 --> 01:43:28,679

also see clouds by the way there was a

2036

01:43:35,629 --> 01:43:31,679

two days ago they announced they've they

2037

01:43:38,450 --> 01:43:35,639

have seen clouds yes on an exoplanet I'm

2038

01:43:41,930 --> 01:43:38,460

just like how how okay but anyway

2039

01:43:46,310 --> 01:43:41,940

the ability to look for a technical

2040

01:43:49,129 --> 01:43:46,320

signature is also there do you think

2041

01:43:52,669 --> 01:43:49,139

maybe maybe something in a radio or

2042

01:43:54,649 --> 01:43:52,679

x-ray or terahertz or who knows but it's

2043

01:43:56,810 --> 01:43:54,659

frequencies again that would be

2044

01:43:58,790 --> 01:43:56,820

related to technology well there's that

2045

01:44:00,770 --> 01:43:58,800

and there's the possibility of seeing

2046

01:44:03,890 --> 01:44:00,780

lights on the dark side of a planet from

2047

01:44:06,709 --> 01:44:03,900

an illuminated city right that's right

2048

01:44:10,430 --> 01:44:06,719

these are all very exciting things would

2049

01:44:13,550 --> 01:44:10,440

you if a tech signature

2050

01:44:16,010 --> 01:44:13,560

um now I have been told uh for multiple

2051

01:44:18,649 --> 01:44:16,020

people that work uh with the James Webb

2052

01:44:21,169 --> 01:44:18,659

some of them you know and we both

2053

01:44:24,290 --> 01:44:21,179

communicate with these same sources but

2054

01:44:25,609 --> 01:44:24,300

they have all expressed to me

2055

01:44:27,649 --> 01:44:25,619

um and by the way Linda and I have

2056

01:44:30,649 --> 01:44:27,659

talked about this before I'm going to

2057

01:44:33,649 --> 01:44:30,659

get her response for the audience uh uh

2058

01:44:38,390 --> 01:44:33,659

uh publicly tonight they have all told

2059

01:44:42,229 --> 01:44:38,400

me the same thing that the James Webb uh

2060

01:44:45,229 --> 01:44:42,239

group is international this is not a

2061

01:44:48,169 --> 01:44:45,239

United States thing

2062

01:44:53,030 --> 01:44:48,179

they find a tech signature that they

2063

01:44:55,609 --> 01:44:53,040

find something as as biological that

2064

01:44:57,590 --> 01:44:55,619

would tip the scales that the United

2065

01:45:01,450 --> 01:44:57,600

States won't be able to cover it up and

2066

01:45:04,550 --> 01:45:01,460

that they will go public with this

2067

01:45:06,410 --> 01:45:04,560

do you believe that to be true I don't

2068

01:45:09,410 --> 01:45:06,420

know I think that the political

2069

01:45:12,290 --> 01:45:09,420

fractures on the planet right now are so

2070

01:45:15,109 --> 01:45:12,300

serious in so many directions

2071

01:45:19,729 --> 01:45:15,119

um I I hope that the scientists would

2072

01:45:22,250 --> 01:45:19,739

Prevail for honest honest reporting and

2073

01:45:25,490 --> 01:45:22,260

one thing to keep in mind also

2074

01:45:27,050 --> 01:45:25,500

we have lights in cities on the surface

2075

01:45:30,410 --> 01:45:27,060

of the Earth

2076

01:45:33,229 --> 01:45:30,420

but I know that the tall whites inhabit

2077

01:45:37,129 --> 01:45:33,239

a base that has been described to me as

2078

01:45:39,290 --> 01:45:37,139

amazing inside of Ganymede and there

2079

01:45:41,270 --> 01:45:39,300

have been other sources who have talked

2080

01:45:45,169 --> 01:45:41,280

about how so many

2081

01:45:48,649 --> 01:45:45,179

et's they will have huge bases that are

2082

01:45:51,290 --> 01:45:48,659

inside they have learned how to uh have

2083

01:45:53,990 --> 01:45:51,300

a compatible relationship with a variety

2084

01:45:57,830 --> 01:45:54,000

of planets and moons by being based

2085

01:46:01,010 --> 01:45:57,840

inside which then helps with anything

2086

01:46:03,530 --> 01:46:01,020

that would be incoming whatever the

2087

01:46:08,570 --> 01:46:03,540

relationship with the sun right and so

2088

01:46:11,689 --> 01:46:08,580

it may be that at Trappist maybe one

2089

01:46:14,810 --> 01:46:11,699

piece of one planet that maybe there

2090

01:46:17,750 --> 01:46:14,820

would be lights but if there aren't that

2091

01:46:21,709 --> 01:46:17,760

doesn't mean that the planet or planets

2092

01:46:24,590 --> 01:46:21,719

would could have advanced intelligences

2093

01:46:27,770 --> 01:46:24,600

inside of them and it isn't just

2094

01:46:29,830 --> 01:46:27,780

Trappist it's all the solar systems that

2095

01:46:33,350 --> 01:46:29,840

the advanced ETS

2096

01:46:36,050 --> 01:46:33,360

as one man uh told me a long time ago he

2097

01:46:38,390 --> 01:46:36,060

said the way I can explain it to you

2098

01:46:40,729 --> 01:46:38,400

into the way I understand when they

2099

01:46:44,810 --> 01:46:40,739

approach any planet for the first time

2100

01:46:48,109 --> 01:46:44,820

that they have huge gigantic computer

2101  
01:46:51,410 --> 01:46:48,119  
technology systems that are analyzing

2102  
01:46:54,050 --> 01:46:51,420  
the new whether it's a moon or a planet

2103  
01:46:57,609 --> 01:46:54,060  
that they are approaching and that they

2104  
01:47:00,770 --> 01:46:57,619  
they will be able in this one

2105  
01:47:04,129 --> 01:47:00,780  
investigatory pass they will know where

2106  
01:47:07,550 --> 01:47:04,139  
there are huge caverns inside or not

2107  
01:47:11,030 --> 01:47:07,560  
they will know everything about the

2108  
01:47:14,570 --> 01:47:11,040  
inside to the outside of the planet or

2109  
01:47:17,510 --> 01:47:14,580  
the moon because that's how they look

2110  
01:47:19,910 --> 01:47:17,520  
strategically at solar systems and

2111  
01:47:22,850 --> 01:47:19,920  
that's really important when it comes to

2112  
01:47:26,689 --> 01:47:22,860  
what are they going to announce uh if it

2113  
01:47:29,810 --> 01:47:26,699

is a biological signature and they are

2114

01:47:33,050 --> 01:47:29,820

looking only at the atmosphere of the

2115

01:47:36,350 --> 01:47:33,060

planet that's one level there's going to

2116

01:47:40,310 --> 01:47:36,360

be many other levels and if we would get

2117

01:47:42,649 --> 01:47:40,320

honesty a real honesty from the

2118

01:47:46,430 --> 01:47:42,659

scientists on the whatever their first

2119

01:47:49,850 --> 01:47:46,440

disclosure is it seems to me that would

2120

01:47:52,910 --> 01:47:49,860

set a healthy landscape on which to

2121

01:47:55,430 --> 01:47:52,920

build more and more honest science that

2122

01:47:57,410 --> 01:47:55,440

is my own personal hope if we start

2123

01:48:00,590 --> 01:47:57,420

getting headlines after headlines after

2124

01:48:02,030 --> 01:48:00,600

headlines about biological signatures

2125

01:48:04,910 --> 01:48:02,040

then

2126

01:48:07,850 --> 01:48:04,920

it kind of doesn't it set up like a

2127

01:48:11,689 --> 01:48:07,860

whole new plane of discussion

2128

01:48:13,970 --> 01:48:11,699

and that ETS then come into that as part

2129

01:48:16,729 --> 01:48:13,980

of the evolution of what we are

2130

01:48:19,430 --> 01:48:16,739

discovering with the web telescope and

2131

01:48:22,790 --> 01:48:19,440

to me that has a different feeling than

2132

01:48:26,330 --> 01:48:22,800

cold announcement right not alone in the

2133

01:48:28,990 --> 01:48:26,340

universe well it would give us a reason

2134

01:48:32,290 --> 01:48:29,000

to to be

2135

01:48:36,290 --> 01:48:32,300

it would give us a it would give us hope

2136

01:48:38,990 --> 01:48:36,300

it would give us a reason to look to the

2137

01:48:43,010 --> 01:48:39,000

Future right now

2138

01:48:44,390 --> 01:48:43,020

um with uh the the divisiveness and the

2139

01:48:46,729 --> 01:48:44,400

fighting and the things that we see

2140

01:48:48,950 --> 01:48:46,739

going on in this planet aside from

2141

01:48:51,649 --> 01:48:48,960

actual Wars

2142

01:48:54,649 --> 01:48:51,659

um that that is just because we're a

2143

01:48:59,149 --> 01:48:54,659

little bit bored and we've we've been a

2144

01:49:02,750 --> 01:48:59,159

little Frozen in this period of time we

2145

01:49:06,010 --> 01:49:02,760

depend on a planet in which the majority

2146

01:49:09,410 --> 01:49:06,020

of humans are under the thumbs

2147

01:49:14,450 --> 01:49:09,420

psychologically politically militarily

2148

01:49:16,490 --> 01:49:14,460

of a tiny tiny group of humans that

2149

01:49:19,129 --> 01:49:16,500

are the power Brokers that's right

2150

01:49:22,850 --> 01:49:19,139

that's right that's right it is not a

2151  
01:49:27,290 --> 01:49:22,860  
fair Planet at this point no and and you

2152  
01:49:29,950 --> 01:49:27,300  
know obviously uh the entire frigging

2153  
01:49:32,590 --> 01:49:29,960  
Planet every single country

2154  
01:49:34,990 --> 01:49:32,600  
completely locked down

2155  
01:49:38,990 --> 01:49:35,000  
locked in your homes

2156  
01:49:41,149 --> 01:49:39,000  
is going stir crazy going nuts spending

2157  
01:49:43,910 --> 01:49:41,159  
way too much time on social media

2158  
01:49:47,209 --> 01:49:43,920  
picking fights and and I'm talking about

2159  
01:49:50,930 --> 01:49:47,219  
the globe it wasn't one country it

2160  
01:49:52,970 --> 01:49:50,940  
wasn't one city it was everybody and you

2161  
01:49:56,209 --> 01:49:52,980  
talk about pandemic time yeah yeah yeah

2162  
01:49:58,430 --> 01:49:56,219  
yeah and so uh we we need to come out of

2163  
01:50:02,390 --> 01:49:58,440

this on the other side with a better

2164

01:50:05,030 --> 01:50:02,400

understanding of of not only uh how to

2165

01:50:07,609 --> 01:50:05,040

try to start ignoring borders but

2166

01:50:10,510 --> 01:50:07,619

differences and things and and and and

2167

01:50:13,370 --> 01:50:10,520

all of The Angst let's get rid of it

2168

01:50:15,410 --> 01:50:13,380

we have an opportunity here Linda and

2169

01:50:18,830 --> 01:50:15,420

what would what would kick start all of

2170

01:50:20,649 --> 01:50:18,840

that can I answer here we're not alone

2171

01:50:23,870 --> 01:50:20,659

in the universe

2172

01:50:25,550 --> 01:50:23,880

let me insert here what I've always

2173

01:50:28,790 --> 01:50:25,560

thought was one of the most powerful

2174

01:50:34,010 --> 01:50:28,800

paragraphs graphs that any abductee ever

2175

01:50:35,689 --> 01:50:34,020

said to me and this was a scientist uh

2176

01:50:40,970 --> 01:50:35,699

on the East Coast

2177

01:50:43,010 --> 01:50:40,980

who was pulled up out of his father's

2178

01:50:46,790 --> 01:50:43,020

car the whole family was in the car the

2179

01:50:49,250 --> 01:50:46,800

father was driving uh the uh son was in

2180

01:50:52,270 --> 01:50:49,260

the passenger seat in the front and the

2181

01:50:56,510 --> 01:50:52,280

back was his mother uh the driver's wife

2182

01:50:59,830 --> 01:50:56,520

a sister and her husband and these five

2183

01:51:04,189 --> 01:50:59,840

people had been in Manhattan celebrating

2184

01:51:06,470 --> 01:51:04,199

the younger man who is the abductee in

2185

01:51:09,770 --> 01:51:06,480

this uh not that he knew that at the

2186

01:51:12,370 --> 01:51:09,780

time but that's what this leads to they

2187

01:51:15,649 --> 01:51:12,380

had been celebrating his 32nd birthday

2188

01:51:20,030 --> 01:51:15,659

and he was doing very well very bright

2189

01:51:22,310 --> 01:51:20,040

had started a lab to do water analysis

2190

01:51:25,669 --> 01:51:22,320

on the East Coast

2191

01:51:28,070 --> 01:51:25,679

and they all at the same time see a

2192

01:51:30,229 --> 01:51:28,080

pulsing red light in the night sky it

2193

01:51:33,229 --> 01:51:30,239

was about 2 A.M

2194

01:51:35,990 --> 01:51:33,239

and they are talking about what is that

2195

01:51:39,470 --> 01:51:36,000

red pulsing light

2196

01:51:41,450 --> 01:51:39,480

the father pulls over to the shoulder

2197

01:51:43,609 --> 01:51:41,460

off the freeway

2198

01:51:48,490 --> 01:51:43,619

and the

2199

01:51:53,570 --> 01:51:48,500

sun in the passengers seat leans forward

2200

01:52:00,950 --> 01:51:57,290

he is outside he is moving rapidly

2201  
01:52:04,250 --> 01:52:00,960  
whatever form he is in it's now looking

2202  
01:52:05,510 --> 01:52:04,260  
back he sees himself still at the

2203  
01:52:08,570 --> 01:52:05,520  
position of looking through the window

2204  
01:52:10,729 --> 01:52:08,580  
he sees his father he knows his mother

2205  
01:52:13,850 --> 01:52:10,739  
and his sister and her husband are in

2206  
01:52:17,030 --> 01:52:13,860  
the back seat but he's moving up and he

2207  
01:52:20,689 --> 01:52:17,040  
is in a form that seems to be able to

2208  
01:52:24,830 --> 01:52:20,699  
move to look to have 360 degree sight

2209  
01:52:27,950 --> 01:52:24,840  
and as he is then his attention wherever

2210  
01:52:32,030 --> 01:52:27,960  
his attention went it was then he was

2211  
01:52:35,390 --> 01:52:32,040  
aware of motion and then he comes up and

2212  
01:52:38,510 --> 01:52:35,400  
said it was just like I suddenly had a

2213  
01:52:41,689 --> 01:52:38,520

relationship perspective with this big

2214

01:52:44,570 --> 01:52:41,699

huge donut that had red pulsing lights

2215

01:52:47,209 --> 01:52:44,580

in the middle of it underneath and I

2216

01:52:48,950 --> 01:52:47,219

come up for reasons he said I'm not in

2217

01:52:52,250 --> 01:52:48,960

control of what's happening I don't know

2218

01:52:55,189 --> 01:52:52,260

why I come over the top of the donut I

2219

01:52:58,010 --> 01:52:55,199

come down toward heard the red pulsing

2220

01:53:01,550 --> 01:52:58,020

lights I get to the red pulsing lights

2221

01:53:04,850 --> 01:53:01,560

and Linda the next thing I know

2222

01:53:07,310 --> 01:53:04,860

there is a he I can't remember if he

2223

01:53:09,709 --> 01:53:07,320

said there were 10 or 12 but they were a

2224

01:53:13,129 --> 01:53:09,719

type of gray with black slanted eyes

2225

01:53:16,370 --> 01:53:13,139

they were in a ring and in the form he

2226

01:53:19,370 --> 01:53:16,380

is out of body he is coming down right

2227

01:53:22,609 --> 01:53:19,380

into the middle of them and I saw the

2228

01:53:25,129 --> 01:53:22,619

hypnosis session that he did with this

2229

01:53:28,250 --> 01:53:25,139

uh it was a bud Hopkins never went

2230

01:53:31,010 --> 01:53:28,260

public he he never wanted anybody to

2231

01:53:34,310 --> 01:53:31,020

know who he was publicly and Bud and I

2232

01:53:36,709 --> 01:53:34,320

and others uh always respected that but

2233

01:53:40,250 --> 01:53:36,719

uh bud did a hypnosis session with him

2234

01:53:44,270 --> 01:53:40,260

and I got to see this scientists on a

2235

01:53:47,229 --> 01:53:44,280

sofa his legs he was pulling his legs up

2236

01:53:51,350 --> 01:53:47,239

on the sofa and kicking kicking out

2237

01:53:54,229 --> 01:53:51,360

saying I'm trying to stop he's trying to

2238

01:53:57,350 --> 01:53:54,239

stop his body from coming down into this

2239

01:53:59,209 --> 01:53:57,360

ring of the these beings that would be

2240

01:54:01,129 --> 01:53:59,219

like a typical kind of gray with the

2241

01:54:04,609 --> 01:54:01,139

black slanted eyes

2242

01:54:06,050 --> 01:54:04,619

and from that moment

2243

01:54:08,870 --> 01:54:06,060

for

2244

01:54:10,129 --> 01:54:08,880

what must have been in terms of Earth

2245

01:54:11,510 --> 01:54:10,139

time

2246

01:54:13,669 --> 01:54:11,520

hours

2247

01:54:15,350 --> 01:54:13,679

could have been seconds to the aliens

2248

01:54:18,590 --> 01:54:15,360

because we're all learning about how

2249

01:54:23,330 --> 01:54:18,600

they manipulate time sure and uh but

2250

01:54:29,689 --> 01:54:25,370

and what I'm coming to

2251  
01:54:32,930 --> 01:54:29,699  
is that he went into a description

2252  
01:54:34,430 --> 01:54:32,940  
of being oriented by these gray

2253  
01:54:38,149 --> 01:54:34,440  
scientists

2254  
01:54:40,129 --> 01:54:38,159  
about the truth of the universe that we

2255  
01:54:43,189 --> 01:54:40,139  
are actually in

2256  
01:54:46,729 --> 01:54:43,199  
and this is a paragraph

2257  
01:54:49,070 --> 01:54:46,739  
from an interview that I did with him

2258  
01:54:51,709 --> 01:54:49,080  
quote

2259  
01:54:53,149 --> 01:54:51,719  
our universe is paired

2260  
01:54:54,950 --> 01:54:53,159  
to another one

2261  
01:54:58,490 --> 01:54:54,960  
and they showed him

2262  
01:55:00,709 --> 01:54:58,500  
like when Betty Hill said that the the

2263  
01:55:02,930 --> 01:55:00,719

black eyed gray took her over to what

2264

01:55:06,109 --> 01:55:02,940

looked like a hologram and there were

2265

01:55:08,689 --> 01:55:06,119

stars in there and he asked Betty which

2266

01:55:11,030 --> 01:55:08,699

one is your planet and she said I have

2267

01:55:13,070 --> 01:55:11,040

no idea and he said well if you don't

2268

01:55:16,310 --> 01:55:13,080

know where you are how would you expect

2269

01:55:19,790 --> 01:55:16,320

me to show you where we are now and that

2270

01:55:22,310 --> 01:55:19,800

it was a holographic projection of a

2271

01:55:25,250 --> 01:55:22,320

section of the universe that Betty Hill

2272

01:55:28,370 --> 01:55:25,260

talked with him okay now we're with the

2273

01:55:33,350 --> 01:55:28,380

scientists uh outside of New York

2274

01:55:36,290 --> 01:55:33,360

and he's in interacting and they show

2275

01:55:39,590 --> 01:55:36,300

him as he said three-dimensional

2276

01:55:41,750 --> 01:55:39,600

and and that he's looking at our

2277

01:55:44,330 --> 01:55:41,760

universe and then they showed that it

2278

01:55:46,510 --> 01:55:44,340

had a pair there was another universe

2279

01:55:49,430 --> 01:55:46,520

and that what humans didn't understand

2280

01:55:52,850 --> 01:55:49,440

is that this there isn't just one

2281

01:55:56,270 --> 01:55:52,860

Universe there are many universes our

2282

01:55:59,629 --> 01:55:56,280

universe is paired to another one they

2283

01:56:03,290 --> 01:55:59,639

go together two universes

2284

01:56:05,689 --> 01:56:03,300

which is completely opposite of this one

2285

01:56:08,629 --> 01:56:05,699

whatever that means

2286

01:56:11,030 --> 01:56:08,639

they're they're the skies in the one

2287

01:56:14,149 --> 01:56:11,040

Universe are glowing white with dark

2288

01:56:18,890 --> 01:56:14,159

Suns colors are Indescribable and

2289

01:56:21,410 --> 01:56:18,900

iridescent and time flows to the Past

2290

01:56:25,310 --> 01:56:21,420

like a conveyor belt at the moment of

2291

01:56:28,490 --> 01:56:25,320

death in our universe we move through a

2292

01:56:30,649 --> 01:56:28,500

tunnel Into the Mirror Universe

2293

01:56:34,790 --> 01:56:30,659

where it is all light

2294

01:56:40,010 --> 01:56:34,800

and their time moves to the Past

2295

01:56:44,090 --> 01:56:40,020

and souls return back here wow our

2296

01:56:46,490 --> 01:56:44,100

universe wow close quote scientist East

2297

01:56:53,870 --> 01:56:51,109

strong that's strong I I love this I

2298

01:56:56,330 --> 01:56:53,880

would love to sit down in a huge

2299

01:56:58,209 --> 01:56:56,340

Conference of every extraterrestrial in

2300

01:57:02,810 --> 01:56:58,219

the Milky Way galaxy

2301  
01:57:05,390 --> 01:57:02,820  
have them show us the whole truth I want

2302  
01:57:07,970 --> 01:57:05,400  
to go backwards and uh I'm going to go

2303  
01:57:11,270 --> 01:57:07,980  
backwards with Linda next Friday night

2304  
01:57:14,330 --> 01:57:11,280  
she's arriving here in La uh we will be

2305  
01:57:18,290 --> 01:57:14,340  
preaching I'm going to present Linda

2306  
01:57:20,089 --> 01:57:18,300  
with uh the media Legend award at the

2307  
01:57:22,870 --> 01:57:20,099  
peripod festival that's going to go down

2308  
01:57:26,450 --> 01:57:22,880  
Saturday April 1st in Santa Clarita

2309  
01:57:29,209 --> 01:57:26,460  
Valencia same city the links for parapod

2310  
01:57:31,970 --> 01:57:29,219  
are below if you're in and around La and

2311  
01:57:34,129 --> 01:57:31,980  
you want to come out hang out with Linda

2312  
01:57:37,129 --> 01:57:34,139  
and I and crack uh some champagne with

2313  
01:57:39,770 --> 01:57:37,139

this come on up uh to Valencia come on

2314

01:57:41,689 --> 01:57:39,780

down to Valencia the links are below and

2315

01:57:44,810 --> 01:57:41,699

uh come and hang out with us Linda thank

2316

01:57:47,570 --> 01:57:44,820

you so much well thank you this has been

2317

01:57:50,810 --> 01:57:47,580

fun and thanks to Tony sweet for

2318

01:57:52,970 --> 01:57:50,820

producing the parents Tony's Tony's

2319

01:57:56,629 --> 01:57:52,980

Tony's been a part of this community as

2320

01:57:58,729 --> 01:57:56,639

you know a very long time and uh he

2321

01:58:01,370 --> 01:57:58,739

really really fights the good fight and

2322

01:58:03,070 --> 01:58:01,380

uh he's just amazing yeah so thank you

2323

01:58:07,070 --> 01:58:03,080

Tony absolutely

2324

01:58:10,510 --> 01:58:07,080

I drop a hug to you to Tony to everybody

2325

01:58:15,890 --> 01:58:10,520

who's coming and it's in Santa Clarita

2326  
01:58:18,589 --> 01:58:15,900  
and go uh to uh the parapod website do

2327  
01:58:21,290 --> 01:58:18,599  
you have that I do I do still get

2328  
01:58:22,550 --> 01:58:21,300  
tickets yep yep yep yep yep the links

2329  
01:58:25,129 --> 01:58:22,560  
are below we've got them throughout

2330  
01:58:27,350 --> 01:58:25,139  
social media all right uh Linda's got it

2331  
01:58:31,430 --> 01:58:27,360  
up so uh just come and hang out with us

2332  
01:58:33,649 --> 01:58:31,440  
again Linda I can't believe 81 trips

2333  
01:58:37,370 --> 01:58:33,659  
around the Sun we're about to celebrate

2334  
01:58:39,950 --> 01:58:37,380  
82. this is just incredible to me I love

2335  
01:58:42,589 --> 01:58:39,960  
500 more every

2336  
01:58:44,410 --> 01:58:42,599  
ET there is your energy is just

2337  
01:58:47,209 --> 01:58:44,420  
infectious

2338  
01:58:50,149 --> 01:58:47,219

just safe travels I'll see you in about

2339

01:58:52,129 --> 01:58:50,159

a week uh right here in Los Angeles

2340

01:58:55,430 --> 01:58:52,139

thank you so much Linda behave and be

2341

01:58:58,010 --> 01:58:55,440

well and congratulations thank you agape

2342

01:59:01,129 --> 01:58:58,020

love to you and to everyone the very

2343

01:59:03,169 --> 01:59:01,139

best Linda Moulton Howe now

2344

01:59:07,729 --> 01:59:03,179

um and thank you that was straight two

2345

01:59:10,250 --> 01:59:07,739

hours live and no commercials that's how

2346

01:59:12,290 --> 01:59:10,260

I like to do it with Linda come and hang

2347

01:59:15,530 --> 01:59:12,300

out with us next Friday right here in

2348

01:59:17,689 --> 01:59:15,540

Los Angeles and uh that's it I want

2349

01:59:19,729 --> 01:59:17,699

everybody to have a great safe fun and

2350

01:59:21,950 --> 01:59:19,739

amazing weekend

2351

01:59:25,010 --> 01:59:21,960

um I'm going to do just that and I just

2352

01:59:28,510 --> 01:59:25,020

kicked off my weekend with Linda Moulton

2353

01:59:31,310 --> 01:59:28,520

Howe doesn't get any better than that

2354

01:59:36,109 --> 01:59:31,320

earthfiles.com is the website

2355

01:59:38,149 --> 01:59:36,119

that's where I get all of my information

2356

01:59:40,189 --> 01:59:38,159

Fade to Black is produced by Hill J Palm

2357

01:59:41,870 --> 01:59:40,199

Renee Dennis and Kevin webmaster is

2358

01:59:45,890 --> 01:59:41,880

through the geek music Doug Aldridge

2359

01:59:47,810 --> 01:59:45,900

intro space boys spaceboymusic.com fade

2360

01:59:49,250 --> 01:59:47,820

to black who's produced by kjcr for the

2361

01:59:53,330 --> 01:59:49,260

game changer Network and this broadcast

2362

01:59:55,129 --> 01:59:53,340

is owned and copyrighted 2023 by Fade to
