

FADE TO BLACK

with JIMMY CHURCH

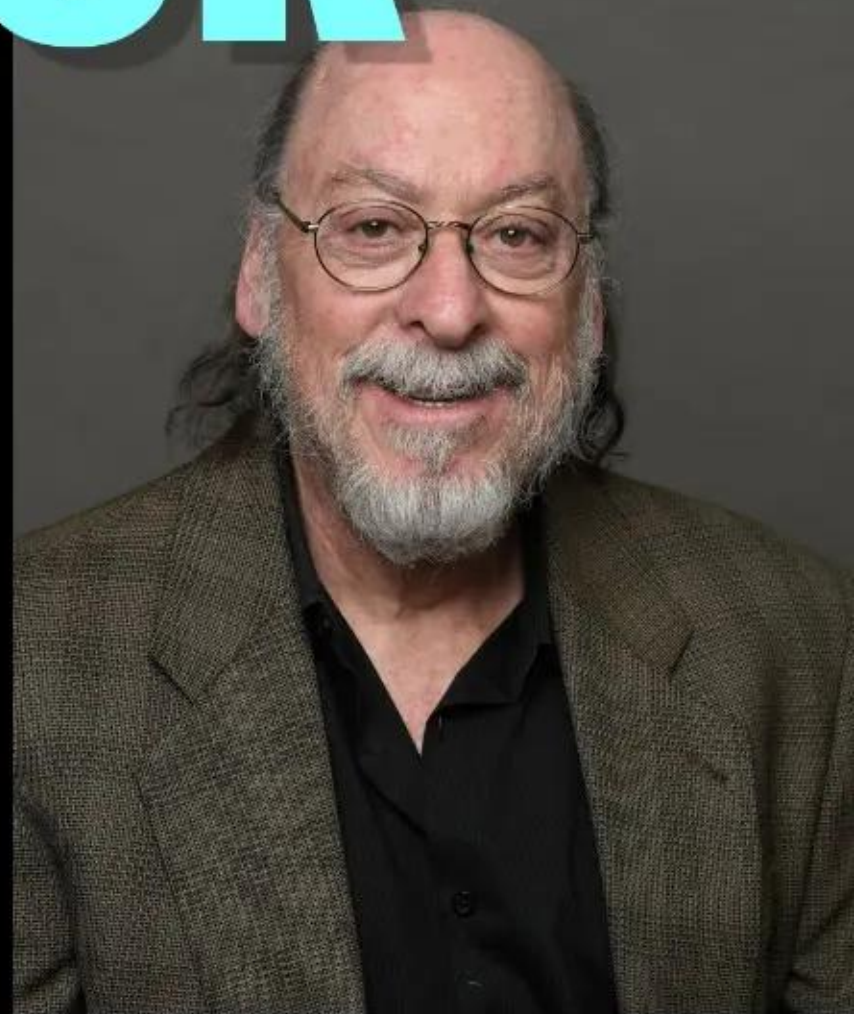

PRESENTS

DANIEL HARARY

NEW BOOK: 'AFTER THEY CAME'

TUE MAR 28 LIVE

7:00 PM PT/10:00PM ET

1
00:00:05,590 --> 00:00:03,230
and I was into drums I'm a drummer I was

2
00:00:08,450 --> 00:00:05,600
in rock bands I was into

3
00:00:11,509 --> 00:00:08,460
1970 was like like Led Zeppelin maybe

4
00:00:15,470 --> 00:00:11,519
and the Beatles and the stones I wasn't

5
00:00:18,470 --> 00:00:15,480
into UFOs so that story faded from my

6
00:00:20,510 --> 00:00:18,480
memory for decades of time I never told

7
00:00:22,310 --> 00:00:20,520
even my brothers or my mother I have two

8
00:00:25,189 --> 00:00:22,320
brothers and a mother they're still

9
00:00:28,070 --> 00:00:25,199
alive I never told anyone that story but

10
00:00:29,630 --> 00:00:28,080
after my dad died man it came rushing

11
00:00:32,690 --> 00:00:29,640
back the whole scene came back like a

12
00:00:34,729 --> 00:00:32,700
movie and and that inspired this book my

13
00:00:38,090 --> 00:00:34,739

book after they came

14

00:00:39,709 --> 00:00:38,100

when um I had a friend

15

00:00:42,229 --> 00:00:39,719

I had a friend come over when when

16

00:00:44,090 --> 00:00:42,239

people hear you say something like that

17

00:00:46,910 --> 00:00:44,100

and you know how could you forget about

18

00:00:50,810 --> 00:00:46,920

it and it happens I had a friend come

19

00:00:54,310 --> 00:00:50,820

over I hadn't seen him uh oh man

20

00:00:57,889 --> 00:00:54,320

probably 40 years something like that

21

00:01:01,610 --> 00:00:57,899

and he comes over to the house

22

00:01:03,950 --> 00:01:01,620

um we uh he's a drummer by the way

23

00:01:06,770 --> 00:01:03,960

um and we went to school together in

24

00:01:09,109 --> 00:01:06,780

Panama in Central America and

25

00:01:11,810 --> 00:01:09,119

um uh my father was in the military and

26
00:01:13,969 --> 00:01:11,820
so forth anyway so he comes over we're

27
00:01:15,170 --> 00:01:13,979
having dinner I think Jason Martel was

28
00:01:18,770 --> 00:01:15,180
there

29
00:01:22,370 --> 00:01:18,780
and his name's Javier and Javier is

30
00:01:25,910 --> 00:01:22,380
still a great drummer Javier goes man

31
00:01:28,149 --> 00:01:25,920
um remember that UFO we saw in in Panama

32
00:01:32,090 --> 00:01:28,159
I go what

33
00:01:33,710 --> 00:01:32,100
no I don't because man you saw it you

34
00:01:35,450 --> 00:01:33,720
were losing your mind you were jumping

35
00:01:37,370 --> 00:01:35,460
up and down and it was silver with

36
00:01:40,789 --> 00:01:37,380
lights around it it was right above us

37
00:01:42,170 --> 00:01:40,799
it was a saucer silver so I go what are

38
00:01:46,429 --> 00:01:42,180

you talking about

39

00:01:49,310 --> 00:01:46,439

dude you you lost your mic he's telling

40

00:01:52,249 --> 00:01:49,320

the whole story everything that I and I

41

00:01:54,889 --> 00:01:52,259

did Dan as sure as I'm sitting here I

42

00:01:57,050 --> 00:01:54,899

don't remember it I don't remember it

43

00:01:58,429 --> 00:01:57,060

you know and I've I've talked to a

44

00:02:01,190 --> 00:01:58,439

couple of friends about it but hey man

45

00:02:04,429 --> 00:02:01,200

missing time maybe you were abducted

46

00:02:07,069 --> 00:02:04,439

um but the the the facts are

47

00:02:08,449 --> 00:02:07,079

um I I would love to be able to tell the

48

00:02:12,650 --> 00:02:08,459

story

49

00:02:16,250 --> 00:02:12,660

I don't remember it I don't I I do not

50

00:02:18,589 --> 00:02:16,260

remember it at all isn't that crazy

51
00:02:19,670 --> 00:02:18,599
um I I had a group of friends we had the

52
00:02:21,650 --> 00:02:19,680
siding

53
00:02:24,170 --> 00:02:21,660
in Monterey and then we'll move on

54
00:02:26,930 --> 00:02:24,180
Heather sighting in Monterey and it was

55
00:02:28,550 --> 00:02:26,940
a black triangle and it shot across the

56
00:02:31,550 --> 00:02:28,560
sky and there was three of my friends

57
00:02:34,729 --> 00:02:31,560
and not in the UFO community in the

58
00:02:36,530 --> 00:02:34,739
music business and it was like 1995

59
00:02:39,290 --> 00:02:36,540
1996.

60
00:02:42,050 --> 00:02:39,300
a couple of years ago at The NAMM Show

61
00:02:43,970 --> 00:02:42,060
You Know The NAMM Show right so uh I'm

62
00:02:46,550 --> 00:02:43,980
at The NAMM Show and the three of us are

63
00:02:48,170 --> 00:02:46,560

standing together we haven't been you

64

00:02:49,550 --> 00:02:48,180

know in the same place at the same time

65

00:02:53,869 --> 00:02:49,560

in 20 years

66

00:02:57,890 --> 00:02:53,879

and I go do you guys remember that UFO

67

00:02:59,390 --> 00:02:57,900

we saw a Monterey we're like what I go

68

00:03:02,330 --> 00:02:59,400

remember that we were taking pictures

69

00:03:04,250 --> 00:03:02,340

and and and and Bob you went what is

70

00:03:06,290 --> 00:03:04,260

that and I looked up and I snapped a

71

00:03:08,690 --> 00:03:06,300

couple of people yeah

72

00:03:11,149 --> 00:03:08,700

Jimmy what are you talking about

73

00:03:14,390 --> 00:03:11,159

I could do I got the pictures of us

74

00:03:18,470 --> 00:03:14,400

together in the water well yeah remember

75

00:03:22,729 --> 00:03:18,480

that okay the UFO you pointed up and we

76

00:03:26,330 --> 00:03:22,739

no no it's like I was like okay whatever

77

00:03:29,330 --> 00:03:26,340

Moving On Moving on but yeah it's it

78

00:03:31,250 --> 00:03:29,340

it's just something that just goes by

79

00:03:32,809 --> 00:03:31,260

and if there's a reason to remember it

80

00:03:35,630 --> 00:03:32,819

you remember it

81

00:03:37,670 --> 00:03:35,640

it was a profound moment in my young

82

00:03:40,430 --> 00:03:37,680

life truly it was

83

00:03:42,350 --> 00:03:40,440

and I remember the next day waking up

84

00:03:45,289 --> 00:03:42,360

early looking in the newspaper no story

85

00:03:48,050 --> 00:03:45,299

that the day after I looked no story and

86

00:03:50,630 --> 00:03:48,060

then like I said earlier I just

87

00:03:52,910 --> 00:03:50,640

completely forgot about it I never asked

88

00:03:55,610 --> 00:03:52,920

my dad again about that moment in time

89

00:03:57,710 --> 00:03:55,620

over the years I said hey Dad you know

90

00:04:00,470 --> 00:03:57,720

anything about aliens or UFOs and he

91

00:04:02,449 --> 00:04:00,480

would go aliens UFO

92

00:04:04,570 --> 00:04:02,459

please you know if they exist I don't

93

00:04:07,670 --> 00:04:04,580

think they exist you just completely

94

00:04:09,229 --> 00:04:07,680

scoff and mock it so my dad and I never

95

00:04:12,229 --> 00:04:09,239

had a conversation

96

00:04:14,690 --> 00:04:12,239

about certainly not the event that we

97

00:04:18,349 --> 00:04:14,700

saw now here's this is very cool

98

00:04:20,330 --> 00:04:18,359

after my father died 2017. I called my

99

00:04:22,189 --> 00:04:20,340

mother my mother's still alive God bless

100

00:04:23,870 --> 00:04:22,199

her she's 88 now she lives in a

101

00:04:26,450 --> 00:04:23,880

wheelchair in New Jersey

102

00:04:29,570 --> 00:04:26,460

she's still with us but I said Mom did

103

00:04:31,629 --> 00:04:29,580

Dad ever mention aliens or UFOs in all

104

00:04:34,189 --> 00:04:31,639

the years that he worked for the Army

105

00:04:37,670 --> 00:04:34,199

electronics engineer everything my

106

00:04:40,909 --> 00:04:37,680

father designed Jimmy was in the sky

107

00:04:43,430 --> 00:04:40,919

right drones missiles and radar systems

108

00:04:44,810 --> 00:04:43,440

everything he built was was made to go

109

00:04:48,770 --> 00:04:44,820

into the sky

110

00:04:50,450 --> 00:04:48,780

to fly and to uh spy on our on our

111

00:04:51,950 --> 00:04:50,460

enemies my dad the only thing he ever

112

00:04:54,170 --> 00:04:51,960

said about his job

113

00:04:56,330 --> 00:04:54,180

he said I helped America win the cold

114

00:04:58,430 --> 00:04:56,340

war that was the one line that my dad

115

00:05:01,249 --> 00:04:58,440

ever said about his job

116

00:05:02,870 --> 00:05:01,259

but after he died I asked my mom my mom

117

00:05:05,930 --> 00:05:02,880

said the first week he was at Fort

118

00:05:08,150 --> 00:05:05,940

Monmouth in 1951.

119

00:05:10,310 --> 00:05:08,160

they took him deep and she said deep

120

00:05:12,290 --> 00:05:10,320

deep into the vaults and they showed him

121

00:05:14,090 --> 00:05:12,300

something top secret and they said you

122

00:05:15,170 --> 00:05:14,100

can never tell anyone this as long as

123

00:05:17,450 --> 00:05:15,180

you live

124

00:05:20,810 --> 00:05:17,460

and she said he came home that night he

125

00:05:22,490 --> 00:05:20,820

was pale and shaky and nervous and she

126
00:05:24,290 --> 00:05:22,500
said what's wrong and he said I saw

127
00:05:26,029 --> 00:05:24,300
something I could never tell you or

128
00:05:28,010 --> 00:05:26,039
anyone as long as I lived I saw

129
00:05:30,230 --> 00:05:28,020
something top secret today

130
00:05:32,710 --> 00:05:30,240
he never revealed what that was now my

131
00:05:35,450 --> 00:05:32,720
dad was of the pension generation right

132
00:05:37,550 --> 00:05:35,460
pension pension pension 65 pension

133
00:05:39,710 --> 00:05:37,560
pension pension my dad was not going to

134
00:05:41,270 --> 00:05:39,720
jeopardize his pension though for not

135
00:05:42,050 --> 00:05:41,280
for anything that was not going to

136
00:05:45,050 --> 00:05:42,060
happen

137
00:05:47,210 --> 00:05:45,060
so he never revealed what that was so if

138
00:05:49,310 --> 00:05:47,220

you put these things together I saw a

139

00:05:50,689 --> 00:05:49,320

major UFO with my dad and he had no

140

00:05:51,950 --> 00:05:50,699

expression on his face and then he

141

00:05:54,290 --> 00:05:51,960

winked at me and said let's go home

142

00:05:56,090 --> 00:05:54,300

that's number one number two my mother

143

00:05:58,070 --> 00:05:56,100

said the week she started they showed

144

00:06:00,950 --> 00:05:58,080

him something top secret in the bolts

145

00:06:04,249 --> 00:06:00,960

there number three for 45 years

146

00:06:08,330 --> 00:06:04,259

everything my father did flew in the sky

147

00:06:09,950 --> 00:06:08,340

and spied on our on our enemies how oh

148

00:06:12,290 --> 00:06:09,960

and here's number four we were talking

149

00:06:15,469 --> 00:06:12,300

about there earlier and Richard Dolan's

150

00:06:18,350 --> 00:06:15,479

uh disclosure book and volume one in the

151

00:06:23,029 --> 00:06:18,360

back there's a listing of military UFO

152

00:06:25,010 --> 00:06:23,039

sightings in 1951 and in 1952 the first

153

00:06:27,350 --> 00:06:25,020

two years my dad worked at Fort Monmouth

154

00:06:30,170 --> 00:06:27,360

there were sightings directly above Fort

155

00:06:32,390 --> 00:06:30,180

Wellness that are chronicled in Richard

156

00:06:34,730 --> 00:06:32,400

Jones but add all those things together

157

00:06:38,330 --> 00:06:34,740

How Could my father not have known about

158

00:06:40,070 --> 00:06:38,340

UFOs it's just it's highly unlikely it's

159

00:06:42,469 --> 00:06:40,080

entirely improbable

160

00:06:44,689 --> 00:06:42,479

and when he saw the V with me he looked

161

00:06:46,370 --> 00:06:44,699

at it like he had seen it before I swear

162

00:06:47,749 --> 00:06:46,380

to God like he knew what it was and he'd

163

00:06:50,330 --> 00:06:47,759

seen it before

164

00:06:53,870 --> 00:06:50,340

the fact that I forgot about it for 37

165

00:06:57,830 --> 00:06:53,880

years that's just unbelievable was it uh

166

00:07:05,090 --> 00:07:01,309

I mean describe the craft to me Jimmy it

167

00:07:08,749 --> 00:07:05,100

was a huge letter v like Victor it was a

168

00:07:11,090 --> 00:07:08,759

full-on v Silver v it had a light on

169

00:07:13,430 --> 00:07:11,100

each of the three tips and it just

170

00:07:16,129 --> 00:07:13,440

hovered over our car

171

00:07:18,830 --> 00:07:16,139

unbelievably slowly unbelievably slowly

172

00:07:21,890 --> 00:07:18,840

maybe two three hundred feet in the air

173

00:07:23,570 --> 00:07:21,900

like this it's just like seeing a

174

00:07:25,430 --> 00:07:23,580

dinosaur walk down Wilshire Boulevard

175

00:07:27,890 --> 00:07:25,440

like a brontosaurus I mean that's

176

00:07:30,170 --> 00:07:27,900

something completely incongruous to real

177

00:07:33,890 --> 00:07:30,180

life and I'm jumping up and down

178

00:07:35,749 --> 00:07:33,900

screaming to my dad now if my dad didn't

179

00:07:37,730 --> 00:07:35,759

know what it was he would have said wow

180

00:07:39,710 --> 00:07:37,740

right wouldn't he have hugged me and

181

00:07:41,390 --> 00:07:39,720

said look at this look what we're seeing

182

00:07:43,450 --> 00:07:41,400

this is remarkable let's tell everybody

183

00:07:45,770 --> 00:07:43,460

it was like

184

00:07:47,210 --> 00:07:45,780

I should have used more silver pain on

185

00:07:49,129 --> 00:07:47,220

that in the back there that's what my

186

00:07:50,650 --> 00:07:49,139

dad but like he was looking at his car

187

00:07:53,089 --> 00:07:50,660

driving down the street

188

00:07:54,890 --> 00:07:53,099

now my mother told me this is

189

00:07:57,350 --> 00:07:54,900

interesting the other day my mother told

190

00:08:00,110 --> 00:07:57,360

me my dad used to go to White Sands

191

00:08:01,790 --> 00:08:00,120

Proving Grounds in New Mexico many many

192

00:08:04,610 --> 00:08:01,800

many many many times

193

00:08:05,570 --> 00:08:04,620

to watch things fly and test things in

194

00:08:08,089 --> 00:08:05,580

the sky

195

00:08:10,129 --> 00:08:08,099

and he also went to Edwards Air Force

196

00:08:12,890 --> 00:08:10,139

Base Vandenberg and Fort Bliss in Texas

197

00:08:15,050 --> 00:08:12,900

over the years so whatever my dad was

198

00:08:17,510 --> 00:08:15,060

doing he wasn't just sitting and

199

00:08:19,430 --> 00:08:17,520

doodling at his desk he was designing

200

00:08:22,309 --> 00:08:19,440

things and then he traveled and he saw

201

00:08:30,170 --> 00:08:22,319

them being flown in the sky

202

00:08:32,990 --> 00:08:30,180

so yeah the um uh the idea of uh you

203

00:08:36,290 --> 00:08:33,000

know a a private Corporation or the

204

00:08:39,170 --> 00:08:36,300

military in the Department of Defense

205

00:08:40,490 --> 00:08:39,180

um backwards engineering um and alien

206

00:08:42,769 --> 00:08:40,500

craft is something that has been

207

00:08:47,570 --> 00:08:42,779

discussed you know for for many many

208

00:08:49,070 --> 00:08:47,580

years that that uh there has been uh

209

00:08:52,190 --> 00:08:49,080

quite a few people that have gone on the

210

00:08:53,290 --> 00:08:52,200

record and and have said that we have

211

00:08:57,350 --> 00:08:53,300

them

212

00:08:58,490 --> 00:08:57,360

and if we do uh apparently you know the

213

00:09:01,190 --> 00:08:58,500

right down the street from my house

214

00:09:04,970 --> 00:09:01,200

they're at Lockheed here in Palmdale at

215

00:09:06,949 --> 00:09:04,980

uh Skunk Works or Edwards or Area 51 or

216

00:09:08,930 --> 00:09:06,959

at other locations around the country

217

00:09:11,630 --> 00:09:08,940

and and

218

00:09:14,389 --> 00:09:11,640

um I I think that where there's smoke

219

00:09:18,170 --> 00:09:14,399

there's fire Dan this has been mentioned

220

00:09:20,509 --> 00:09:18,180

over and over again and when we also

221

00:09:24,230 --> 00:09:20,519

look at the technical leaps that we seem

222

00:09:26,930 --> 00:09:24,240

to have made certainly since 1947 that

223

00:09:30,290 --> 00:09:26,940

some of this technology may have come

224

00:09:33,250 --> 00:09:30,300

from off planet that these things just

225

00:09:35,990 --> 00:09:33,260

just happened very very quickly these

226

00:09:38,389 --> 00:09:36,000

technical Marvels man it was just like

227

00:09:41,690 --> 00:09:38,399

one after another

228

00:09:44,329 --> 00:09:41,700

um and would it surprise you that that's

229

00:09:47,470 --> 00:09:44,339

what was going on in New Jersey

230

00:09:50,210 --> 00:09:47,480

no no not at all not at all well you

231

00:09:53,150 --> 00:09:50,220

must know Bob Lazar or I'm sure you've

232

00:09:56,389 --> 00:09:53,160

run into babazar I mean you think he's

233

00:10:00,170 --> 00:09:56,399

the real deal I'm sure don't you uh

234

00:10:02,810 --> 00:10:00,180

this that that's a whole nother show

235

00:10:06,470 --> 00:10:02,820

okay all right that's uh that's a whole

236

00:10:08,750 --> 00:10:06,480

nother show how to how to divide my

237

00:10:12,110 --> 00:10:08,760

audience and get a fight going yeah okay

238

00:10:14,930 --> 00:10:12,120

let's not do that yeah he always seemed

239

00:10:17,570 --> 00:10:14,940

credible with the documentaries I saw

240

00:10:19,490 --> 00:10:17,580

but you know well yeah yeah the the

241

00:10:21,889 --> 00:10:19,500

um well not the recent stuff but the

242

00:10:23,210 --> 00:10:21,899

early stuff that Bob did this is my own

243

00:10:26,509 --> 00:10:23,220

opinion

244

00:10:29,090 --> 00:10:26,519

um but there are those early videos

245

00:10:31,550 --> 00:10:29,100

um 1990 right right in there and the one

246

00:10:34,550 --> 00:10:31,560

that he did out at the little alien he

247

00:10:39,110 --> 00:10:34,560

did underneath the tent

248

00:10:42,050 --> 00:10:39,120

um those videos I watched hundreds of

249

00:10:45,889 --> 00:10:42,060

times over the years I I I would watch

250

00:10:50,569 --> 00:10:45,899

them back to back all day long and

251
00:10:52,490 --> 00:10:50,579
studying his his speech what he was

252
00:10:55,190 --> 00:10:52,500
talking about the technical side of

253
00:10:59,329 --> 00:10:55,200
things his demeanor

254
00:11:02,150 --> 00:10:59,339
um and trying to have him trip himself

255
00:11:04,730 --> 00:11:02,160
up so I didn't have to believe him but

256
00:11:07,370 --> 00:11:04,740
he never did to me in those early videos

257
00:11:11,210 --> 00:11:07,380
he never really tripped himself up he

258
00:11:13,670 --> 00:11:11,220
was always so well spoken and and

259
00:11:19,850 --> 00:11:13,680
um yeah I was a I was a supporter for

260
00:11:24,350 --> 00:11:22,250
um about two weeks ago there was a big

261
00:11:27,110 --> 00:11:24,360
article about me and my book and my

262
00:11:29,750 --> 00:11:27,120
father in The Daily Mail newspaper out

263
00:11:32,630 --> 00:11:29,760

of the UK I have PR people working for

264

00:11:34,430 --> 00:11:32,640

me I'm a publicist but but I have PR

265

00:11:36,410 --> 00:11:34,440

people working for me now as well anyway

266

00:11:38,389 --> 00:11:36,420

there was a big article about me

267

00:11:40,730 --> 00:11:38,399

recently in the Daily Mail

268

00:11:44,449 --> 00:11:40,740

and after that article ran I got some

269

00:11:45,350 --> 00:11:44,459

very interesting emails one was from a

270

00:11:48,290 --> 00:11:45,360

guy

271

00:11:52,009 --> 00:11:48,300

from New Jersey who said the following

272

00:11:53,569 --> 00:11:52,019

he said Dan I read your article and I

273

00:11:56,930 --> 00:11:53,579

just shared it with my three older

274

00:12:01,310 --> 00:11:56,940

siblings my three older siblings saw the

275

00:12:04,130 --> 00:12:01,320

same silver vcraft in March 1970 over

276

00:12:06,170 --> 00:12:04,140

Tinton Falls New Jersey that you saw

277

00:12:09,290 --> 00:12:06,180

Tinton Falls was a few Towns over from

278

00:12:10,850 --> 00:12:09,300

my town he said their whole lives my

279

00:12:12,829 --> 00:12:10,860

siblings never had corroborating

280

00:12:13,790 --> 00:12:12,839

evidence until they read about you thank

281

00:12:16,370 --> 00:12:13,800

you

282

00:12:19,790 --> 00:12:16,380

so I did not make up this the Silver v

283

00:12:21,829 --> 00:12:19,800

you know uh it was real and I had it

284

00:12:25,190 --> 00:12:21,839

corroborated the other day and then I

285

00:12:27,530 --> 00:12:25,200

got another email recently from near my

286

00:12:30,050 --> 00:12:27,540

hometown in New Jersey it said hey Dan

287

00:12:34,490 --> 00:12:30,060

my dad worked at Fort Monmouth too

288

00:12:37,130 --> 00:12:34,500

and he used to come home sometimes and

289

00:12:39,170 --> 00:12:37,140

and he was acting really strange and

290

00:12:41,030 --> 00:12:39,180

weird and jumpy

291

00:12:42,590 --> 00:12:41,040

and and sometimes when there was

292

00:12:43,910 --> 00:12:42,600

lightning or things that were happening

293

00:12:45,889 --> 00:12:43,920

in the sky he'd be looking out the

294

00:12:48,650 --> 00:12:45,899

window and be really nervous and junky

295

00:12:50,449 --> 00:12:48,660

jumpy and jittery and they said we never

296

00:12:52,970 --> 00:12:50,459

quite understood what he was doing he

297

00:12:54,829 --> 00:12:52,980

said he was working with electricity and

298

00:12:56,930 --> 00:12:54,839

lighting and things that go in the sky

299

00:12:59,030 --> 00:12:56,940

that's all he ever told his family

300

00:13:00,590 --> 00:12:59,040

he worked at Fort Mama put probably with

301
00:13:02,750 --> 00:13:00,600
my dad

302
00:13:05,389 --> 00:13:02,760
I'm telling you uh whatever Fort

303
00:13:08,690 --> 00:13:05,399
Monmouth was whatever they were doing it

304
00:13:11,030 --> 00:13:08,700
was interesting work and again 1951

305
00:13:13,610 --> 00:13:11,040
that's only four years four years after

306
00:13:16,310 --> 00:13:13,620
us well my dad started his job four

307
00:13:19,190 --> 00:13:16,320
years after Roz well when they say when

308
00:13:21,290 --> 00:13:19,200
he say V it was it wasn't an air foil

309
00:13:28,629 --> 00:13:21,300
right it wasn't a flying wing it was it

310
00:13:36,410 --> 00:13:33,170
yeah with the the the Apex okay so the

311
00:13:39,350 --> 00:13:36,420
apex of the V was near me and the wings

312
00:13:42,889 --> 00:13:39,360
were behind so the Apex I mean near me

313
00:13:44,629 --> 00:13:42,899

and it is it was floating not flying if

314

00:13:47,030 --> 00:13:44,639

you know what I mean it was suspended in

315

00:13:49,550 --> 00:13:47,040

the air it was it was it was moving too

316

00:13:52,670 --> 00:13:49,560

slow to be flying I would say it was

317

00:13:55,790 --> 00:13:52,680

hovering yeah hovering it was hovering

318

00:13:57,889 --> 00:13:55,800

um and and how how wide and I I you know

319

00:14:01,389 --> 00:13:57,899

I know you were 10 years old but but how

320

00:14:07,670 --> 00:14:04,490

I would say it was this the size of

321

00:14:10,490 --> 00:14:07,680

maybe two maybe if each Wing was like a

322

00:14:13,610 --> 00:14:10,500

one or two was maybe a school bus if

323

00:14:16,970 --> 00:14:13,620

each Wing was a school bus it was that

324

00:14:20,509 --> 00:14:16,980

big yeah very interesting and and and no

325

00:14:22,730 --> 00:14:20,519

reaction from your dad do you think

326

00:14:24,290 --> 00:14:22,740

um that he didn't have a reaction

327

00:14:27,110 --> 00:14:24,300

because

328

00:14:31,129 --> 00:14:27,120

maybe it was something that he worked on

329

00:14:33,290 --> 00:14:31,139

that's Jimmy that's really what I'm

330

00:14:35,569 --> 00:14:33,300

thinking you know and again after he

331

00:14:38,210 --> 00:14:35,579

died and I was at a deli waiting for my

332

00:14:41,509 --> 00:14:38,220

sandwich and I got downloaded that whole

333

00:14:44,210 --> 00:14:41,519

scene it played in my head like a movie

334

00:14:46,910 --> 00:14:44,220

and I swear to you when I when I played

335

00:14:49,550 --> 00:14:46,920

it in my head first time and since if it

336

00:14:51,290 --> 00:14:49,560

happened I'm like my dad looked at it I

337

00:14:53,870 --> 00:14:51,300

saw his face he looked at it like you

338

00:14:56,449 --> 00:14:53,880

and I would look at anything that we'd

339

00:14:59,210 --> 00:14:56,459

look at a tree in the forest nothing

340

00:15:02,030 --> 00:14:59,220

it's no nothing no expression not happy

341

00:15:04,310 --> 00:15:02,040

not sad not angry not scared no

342

00:15:06,949 --> 00:15:04,320

expression at all but then when he

343

00:15:09,650 --> 00:15:06,959

winked at me Jimmy he winked at me and

344

00:15:12,710 --> 00:15:09,660

said come go Dad Dad he went come on kid

345

00:15:15,410 --> 00:15:12,720

let's go home right what's what's the

346

00:15:19,310 --> 00:15:15,420

history of the base itself

347

00:15:21,230 --> 00:15:19,320

boy I don't know it's been long closed

348

00:15:23,150 --> 00:15:21,240

it's been long close I really don't know

349

00:15:25,790 --> 00:15:23,160

that's a great question I think believe

350

00:15:27,769 --> 00:15:25,800

it or not I think Amazon

351

00:15:29,990 --> 00:15:27,779

I think Amazon is going to turn for

352

00:15:31,730 --> 00:15:30,000

Monmouth into an Amazon Super plant or

353

00:15:33,490 --> 00:15:31,740

something I think that's or Netflix one

354

00:15:36,350 --> 00:15:33,500

of those two giants

355

00:15:38,509 --> 00:15:36,360

but that's a great question I love that

356

00:15:39,470 --> 00:15:38,519

question well if he was if he was there

357

00:15:42,650 --> 00:15:39,480

for

358

00:15:44,750 --> 00:15:42,660

um over 40 years uh you certainly went

359

00:15:46,790 --> 00:15:44,760

on the base a lot didn't you you lived

360

00:15:48,230 --> 00:15:46,800

off base I get that but you went on the

361

00:15:50,509 --> 00:15:48,240

base didn't you

362

00:15:53,629 --> 00:15:50,519

in my entire life

363

00:15:56,689 --> 00:15:53,639

I was on the base once I think I was

364

00:15:59,329 --> 00:15:56,699

five for a parade I remember I was in I

365

00:16:01,310 --> 00:15:59,339

saw my dad's office once ever it was

366

00:16:02,689 --> 00:16:01,320

five or six and there was a marching

367

00:16:05,750 --> 00:16:02,699

band and a parade

368

00:16:07,910 --> 00:16:05,760

and later as a teenager when he let me

369

00:16:10,550 --> 00:16:07,920

borrow his car I would drop him off or

370

00:16:12,769 --> 00:16:10,560

pick him up at the front gate it was a

371

00:16:15,350 --> 00:16:12,779

military guard at the gate a couple

372

00:16:17,090 --> 00:16:15,360

times at the gate I was inside Jimmy as

373

00:16:18,769 --> 00:16:17,100

far as I know once ever in my entire

374

00:16:21,230 --> 00:16:18,779

life when I was five or six years old

375

00:16:23,990 --> 00:16:21,240

have you been able to interview anybody

376

00:16:25,449 --> 00:16:24,000

that worked at the base

377

00:16:28,970 --> 00:16:25,459

yeah

378

00:16:31,730 --> 00:16:28,980

no no I mean

379

00:16:34,069 --> 00:16:31,740

any peers of my dads would be dead I

380

00:16:37,490 --> 00:16:34,079

mean my dad died seven years ago and he

381

00:16:40,730 --> 00:16:37,500

was 86 so his peers are gone his peers

382

00:16:42,590 --> 00:16:40,740

are gone but but my generation and when

383

00:16:44,629 --> 00:16:42,600

I got that email the other day said hey

384

00:16:46,850 --> 00:16:44,639

my dad worked at Fort Mama too and he

385

00:16:49,249 --> 00:16:46,860

was weird and he did stuff in the sky

386

00:16:51,410 --> 00:16:49,259

also he never told us anything

387

00:16:53,449 --> 00:16:51,420

so I but that you made a good point I

388

00:16:55,730 --> 00:16:53,459

should reach out to see what other

389

00:16:57,230 --> 00:16:55,740

stories are out there yeah yeah there's

390

00:17:00,650 --> 00:16:57,240

there's got to be some history of the

391

00:17:02,509 --> 00:17:00,660

base okay so

392

00:17:08,689 --> 00:17:02,519

um I understand the sighting when you

393

00:17:10,929 --> 00:17:08,699

were 10 and uh 14 14 or 14. and uh and

394

00:17:13,549 --> 00:17:10,939

and your dad's education and him

395

00:17:15,829 --> 00:17:13,559

describing you know what he worked on

396

00:17:19,850 --> 00:17:15,839

you know things that that flew and radar

397

00:17:23,870 --> 00:17:19,860

system but what leads you to believe uh

398

00:17:27,530 --> 00:17:23,880

aside from those things that uh he was

399

00:17:29,890 --> 00:17:27,540

backwards engineering alien craft

400

00:17:33,470 --> 00:17:29,900

again it goes to

401
00:17:36,289 --> 00:17:33,480
the the expression on his face as though

402
00:17:38,870 --> 00:17:36,299
he recognized this this item in the sky

403
00:17:42,289 --> 00:17:38,880
it really looked like to me quite

404
00:17:45,350 --> 00:17:42,299
vividly that he knew what this was

405
00:17:48,049 --> 00:17:45,360
that's the only it Jimmy I can't prove

406
00:17:50,690 --> 00:17:48,059
that it's a gut feeling that I had but

407
00:17:51,409 --> 00:17:50,700
like I said if you marry it with what he

408
00:17:54,830 --> 00:17:51,419
did

409
00:17:56,330 --> 00:17:54,840
and who he was and that event and what

410
00:17:57,950 --> 00:17:56,340
my mom said about they showed him

411
00:17:59,990 --> 00:17:57,960
something top secret

412
00:18:02,450 --> 00:18:00,000
my dad was an electronics engineer

413
00:18:04,070 --> 00:18:02,460

genius I mean my dad invent he told me

414

00:18:06,890 --> 00:18:04,080

he was one of the earliest people to

415

00:18:08,450 --> 00:18:06,900

help invent your own see you know he had

416

00:18:10,549 --> 00:18:08,460

Asperger's you know you know these

417

00:18:11,690 --> 00:18:10,559

brilliant guys that are like Geniuses

418

00:18:14,029 --> 00:18:11,700

but then

419

00:18:15,430 --> 00:18:14,039

they have esper my dad had Asperger's my

420

00:18:18,310 --> 00:18:15,440

I have an uncle who's a world famous

421

00:18:21,650 --> 00:18:18,320

mathematician Frank Harari world famous

422

00:18:23,330 --> 00:18:21,660

mathematician the guy was Mr Asperger's

423

00:18:24,890 --> 00:18:23,340

if you look up Asperger's in a

424

00:18:25,850 --> 00:18:24,900

dictionary it would have been my Uncle

425

00:18:27,890 --> 00:18:25,860

Frank

426

00:18:31,850 --> 00:18:27,900

Asperger's ran in my father's family

427

00:18:33,409 --> 00:18:31,860

they had you know genius disease my dad

428

00:18:35,690 --> 00:18:33,419

would come home from work and then sit

429

00:18:36,950 --> 00:18:35,700

at the table eat dinner and the phone

430

00:18:38,810 --> 00:18:36,960

would ring right next to him he wouldn't

431

00:18:40,850 --> 00:18:38,820

answer the phone he wouldn't have no

432

00:18:43,130 --> 00:18:40,860

friends all the friends were my mother's

433

00:18:45,950 --> 00:18:43,140

friends my mother was the outgoing one

434

00:18:48,230 --> 00:18:45,960

my dad sat read the newspaper ate his

435

00:18:49,730 --> 00:18:48,240

dinner and went to bed and he worked and

436

00:18:51,409 --> 00:18:49,740

he worked and he worked and he worked he

437

00:18:53,330 --> 00:18:51,419

was a great father on weekends we played

438

00:18:56,150 --> 00:18:53,340

ball and went to the beach

439

00:18:58,850 --> 00:18:56,160

but um my dad was not a communicative

440

00:19:00,890 --> 00:18:58,860

person he was my dad was all in the

441

00:19:02,930 --> 00:19:00,900

brain everything and my dad was in the

442

00:19:03,950 --> 00:19:02,940

brain always thinking gear is turning

443

00:19:06,169 --> 00:19:03,960

all the time

444

00:19:07,970 --> 00:19:06,179

so I can't prove anything I can't prove

445

00:19:09,710 --> 00:19:07,980

anything that my father did but it's a

446

00:19:12,950 --> 00:19:09,720

gut feeling that I had after he died

447

00:19:16,010 --> 00:19:12,960

when I got this sort of vision and it

448

00:19:18,650 --> 00:19:16,020

gave me a premise to write a book and

449

00:19:21,470 --> 00:19:18,660

and and why did you decide to take it to

450

00:19:24,529 --> 00:19:21,480

the next level and write the book

451

00:19:26,930 --> 00:19:24,539

well a couple of things I'm

452

00:19:28,850 --> 00:19:26,940

I'm a writer I'm an author I did write a

453

00:19:30,890 --> 00:19:28,860

book that came out last summer and

454

00:19:32,570 --> 00:19:30,900

that's called flirting with Fame it's

455

00:19:35,090 --> 00:19:32,580

about the history of my career with

456

00:19:37,250 --> 00:19:35,100

celebrities and as a publicist and that

457

00:19:38,930 --> 00:19:37,260

did fairly well I got a lot of media for

458

00:19:41,029 --> 00:19:38,940

that but flirting with faith that was a

459

00:19:43,669 --> 00:19:41,039

memoir about my career

460

00:19:45,830 --> 00:19:43,679

after my dad died I was sad I was

461

00:19:47,770 --> 00:19:45,840

thinking you know I really missed this

462

00:19:50,750 --> 00:19:47,780

guy and maybe I should write something

463

00:19:52,810 --> 00:19:50,760

you know to honor his memory

464

00:19:55,250 --> 00:19:52,820

and and then

465

00:19:57,470 --> 00:19:55,260

in order to sandwich there was a paper

466

00:19:59,570 --> 00:19:57,480

placement at this restaurant and I asked

467

00:20:01,490 --> 00:19:59,580

the waiter for a pen and I'm just

468

00:20:04,130 --> 00:20:01,500

started to doodle on the paper placement

469

00:20:07,370 --> 00:20:04,140

and I doodle then I put what if a man

470

00:20:10,669 --> 00:20:07,380

finds out that his late father worked on

471

00:20:12,890 --> 00:20:10,679

UFOs and new aliens like like that was

472

00:20:15,950 --> 00:20:12,900

the premise for this book and then I

473

00:20:17,510 --> 00:20:15,960

wrote the letters ATC all capital a t c

474

00:20:19,610 --> 00:20:17,520

I didn't even know what it was at the

475

00:20:21,529 --> 00:20:19,620

time and I'm looking and I put what is

476

00:20:23,210 --> 00:20:21,539

ATC what does that mean

477

00:20:25,250 --> 00:20:23,220

and I'm looking at looking like after

478

00:20:28,070 --> 00:20:25,260

they came okay after they came who came

479

00:20:29,810 --> 00:20:28,080

aliens okay aliens came they knew the

480

00:20:31,669 --> 00:20:29,820

father of the lead character who's the

481

00:20:33,110 --> 00:20:31,679

lead character well I might as well be

482

00:20:33,950 --> 00:20:33,120

the lead character I'm an interesting

483

00:20:36,710 --> 00:20:33,960

person

484

00:20:38,510 --> 00:20:36,720

so I crafted a story about a fictitious

485

00:20:40,190 --> 00:20:38,520

version of me

486

00:20:43,010 --> 00:20:40,200

going through life

487

00:20:44,570 --> 00:20:43,020

with my I have an estranged son the lead

488

00:20:47,029 --> 00:20:44,580

character in the book has estranged

489

00:20:48,890 --> 00:20:47,039

children I have an estranged son a lead

490

00:20:52,070 --> 00:20:48,900

character in the book finds out along

491

00:20:54,350 --> 00:20:52,080

after his dad died that his dad was a

492

00:20:56,210 --> 00:20:54,360

UFO uh researcher

493

00:20:58,490 --> 00:20:56,220

and um

494

00:21:00,830 --> 00:20:58,500

the big picture for me on the book was

495

00:21:04,430 --> 00:21:00,840

to have benevolent aliens come to Earth

496

00:21:06,350 --> 00:21:04,440

to help Mankind and help cure our

497

00:21:10,010 --> 00:21:06,360

problems you know most stories and

498

00:21:12,110 --> 00:21:10,020

certainly most movies aliens come to uh

499

00:21:14,210 --> 00:21:12,120

you know kill us or eat us

500

00:21:16,370 --> 00:21:14,220

you know to you probably remember the

501
00:21:17,750 --> 00:21:16,380
famous and I remember this clearly

502
00:21:20,390 --> 00:21:17,760
remember the famous Twilight Zone

503
00:21:22,909 --> 00:21:20,400
episode to serve man oh yeah one of my

504
00:21:25,190 --> 00:21:22,919
favorites yeah me too I was probably 12

505
00:21:28,010 --> 00:21:25,200
and that came on and you don't get on

506
00:21:31,310 --> 00:21:28,020
the ship why not it's a cookbook to

507
00:21:33,110 --> 00:21:31,320
serve man it's a cookbook I remember I

508
00:21:34,909 --> 00:21:33,120
got the chills just now I remember

509
00:21:37,130 --> 00:21:34,919
thinking oh my God they're gonna eat

510
00:21:39,710 --> 00:21:37,140
these people these poor people

511
00:21:41,090 --> 00:21:39,720
aliens are usually depicted as evil and

512
00:21:43,549 --> 00:21:41,100
horrible they're going to kill us or eat

513
00:21:45,350 --> 00:21:43,559

us right I thought you know what why

514

00:21:47,810 --> 00:21:45,360

can't they be beautiful and pleasant and

515

00:21:50,690 --> 00:21:47,820

nice tall white nordics beautiful long

516

00:21:52,430 --> 00:21:50,700

white hair blue eyes gorgeous in the

517

00:21:54,409 --> 00:21:52,440

movie version of my book

518

00:21:56,450 --> 00:21:54,419

there's a male character he would be

519

00:21:58,490 --> 00:21:56,460

Brad Pitt with long hair and the female

520

00:22:01,370 --> 00:21:58,500

character would be Blake Lively with

521

00:22:03,409 --> 00:22:01,380

long white hair right and and the lead

522

00:22:05,029 --> 00:22:03,419

character made the schmucky the schmuck

523

00:22:06,830 --> 00:22:05,039

Elite character

524

00:22:09,470 --> 00:22:06,840

in the first chapter of the book it's

525

00:22:11,390 --> 00:22:09,480

his 70th birthday he's miserable he's

526

00:22:14,029 --> 00:22:11,400

depressed his business failed his

527

00:22:16,730 --> 00:22:14,039

children are estranged he hasn't gotten

528

00:22:19,310 --> 00:22:16,740

lucky on a date in years his first wife

529

00:22:21,289 --> 00:22:19,320

he killed her in a car accident he hates

530

00:22:24,110 --> 00:22:21,299

everything he hates he just wants to be

531

00:22:26,230 --> 00:22:24,120

dead he wants to be dead on his birthday

532

00:22:29,029 --> 00:22:26,240

that's his goal in life

533

00:22:32,149 --> 00:22:29,039

he drives down to Malibu with a bottle

534

00:22:34,190 --> 00:22:32,159

of vodka and a ton of sleeping pills he

535

00:22:36,230 --> 00:22:34,200

goes to the beach he drinks vodka takes

536

00:22:38,570 --> 00:22:36,240

these pills he swims out to see naked

537

00:22:40,250 --> 00:22:38,580

and he's drowning that's the first

538

00:22:42,890 --> 00:22:40,260

chapter this man is drowning and he

539

00:22:45,710 --> 00:22:42,900

couldn't be happier couldn't be happier

540

00:22:47,690 --> 00:22:45,720

and as he's drowning an enormous UFO

541

00:22:49,270 --> 00:22:47,700

comes out of Malibu the Pacific Ocean

542

00:22:53,210 --> 00:22:49,280

right above him

543

00:22:54,950 --> 00:22:53,220

enormous beautiful UFO and themes him on

544

00:22:57,950 --> 00:22:54,960

board and saves his life

545

00:22:59,630 --> 00:22:57,960

then the craft slowly hovers over all of

546

00:23:02,289 --> 00:22:59,640

Los Angeles

547

00:23:05,210 --> 00:23:02,299

so slowly and it's so obviously

548

00:23:06,950 --> 00:23:05,220

otherworldly that the police and the

549

00:23:09,350 --> 00:23:06,960

ambulances and the fire trucks and

550

00:23:12,590 --> 00:23:09,360

Military and media and everyone all the

551
00:23:14,810 --> 00:23:12,600
vehicles are following this crap and it

552
00:23:16,789 --> 00:23:14,820
slowly goes all the way over to Dodger

553
00:23:19,250 --> 00:23:16,799
Stadium in my book it goes to Dodger

554
00:23:22,430 --> 00:23:19,260
Stadium where else would it go

555
00:23:24,529 --> 00:23:22,440
Dodger Stadium the door opens the

556
00:23:26,510 --> 00:23:24,539
beautiful male and female alien come

557
00:23:28,130 --> 00:23:26,520
down float down with the long white hair

558
00:23:29,930 --> 00:23:28,140
they're seven feet tall

559
00:23:32,090 --> 00:23:29,940
and then the schmucky guy that they just

560
00:23:33,529 --> 00:23:32,100
saved these naked and he's like flapping

561
00:23:36,049 --> 00:23:33,539
around like a fish and he's spinning

562
00:23:38,570 --> 00:23:36,059
around like a like a watch in a jewelry

563
00:23:40,970 --> 00:23:38,580

store window slowly rotating and they're

564

00:23:42,770 --> 00:23:40,980

people of Earth we're here don't be

565

00:23:44,930 --> 00:23:42,780

afraid right we're here to help you

566

00:23:46,789 --> 00:23:44,940

we're here to save Mankind we love your

567

00:23:49,310 --> 00:23:46,799

people we've been here for tens of

568

00:23:51,890 --> 00:23:49,320

thousands of years

569

00:23:55,070 --> 00:23:51,900

um we are benevolent do not be afraid of

570

00:23:57,310 --> 00:23:55,080

us there's nothing to fear and

571

00:24:02,029 --> 00:23:59,470

then they eat them

572

00:24:03,649 --> 00:24:02,039

well if they ate them then yeah it's

573

00:24:04,690 --> 00:24:03,659

only like page 12 I wouldn't have much

574

00:24:07,190 --> 00:24:04,700

of a book

575

00:24:10,310 --> 00:24:07,200

let me let me stop you right there for a

576
00:24:11,169 --> 00:24:10,320
second and and we'll come back to this

577
00:24:13,669 --> 00:24:11,179
um

578
00:24:15,169 --> 00:24:13,679
how many

579
00:24:17,810 --> 00:24:15,179
kids

580
00:24:20,570 --> 00:24:17,820
today

581
00:24:22,370 --> 00:24:20,580
know what their dad does

582
00:24:25,070 --> 00:24:22,380
for a job

583
00:24:28,730 --> 00:24:25,080
right and I think about that all the

584
00:24:31,789 --> 00:24:28,740
time here in here yeah yeah here in

585
00:24:32,810 --> 00:24:31,799
Palmdale right here in Palmdale I would

586
00:24:37,070 --> 00:24:32,820
say

587
00:24:39,289 --> 00:24:37,080
the majority of kids here don't have a

588
00:24:40,549 --> 00:24:39,299

clue what their parents do for jobs they

589

00:24:41,870 --> 00:24:40,559

don't because their parents aren't

590

00:24:44,330 --> 00:24:41,880

talking about it

591

00:24:48,350 --> 00:24:44,340

and there's only one place to work right

592

00:24:50,870 --> 00:24:48,360

it's it's right here and and if you work

593

00:24:54,590 --> 00:24:50,880

if you work there

594

00:24:56,870 --> 00:24:54,600

um so anyway uh I I don't think

595

00:24:59,510 --> 00:24:56,880

um I don't think it's abnormal you know

596

00:25:04,850 --> 00:24:59,520

if if you

597

00:25:07,190 --> 00:25:04,860

security clearance you're not talking

598

00:25:09,710 --> 00:25:07,200

about what you're doing you're telling

599

00:25:11,690 --> 00:25:09,720

you're telling if it takes a fictitious

600

00:25:13,730 --> 00:25:11,700

story about what you know what you did

601
00:25:15,289 --> 00:25:13,740
at the office that day every single day

602
00:25:17,930 --> 00:25:15,299
you're making it up

603
00:25:19,730 --> 00:25:17,940
well yeah my childhood best friend his

604
00:25:22,310 --> 00:25:19,740
father made coats

605
00:25:24,529 --> 00:25:22,320
he made coats we used to go to the Coat

606
00:25:26,990 --> 00:25:24,539
Factory and run around as kids and play

607
00:25:29,870 --> 00:25:27,000
with material because by his father made

608
00:25:32,210 --> 00:25:29,880
coats another friend of mine his child

609
00:25:33,590 --> 00:25:32,220
had a camera store we would go and look

610
00:25:35,570 --> 00:25:33,600
at the cameras

611
00:25:37,970 --> 00:25:35,580
another friend of mine's father had a

612
00:25:41,570 --> 00:25:37,980
pizzeria and I hope we'd go over a sub

613
00:25:44,029 --> 00:25:41,580

shop we'd go and eat my dad I went to

614

00:25:46,250 --> 00:25:44,039

his office once when I was five and it's

615

00:25:48,649 --> 00:25:46,260

a it's a it's it's a Memory that I have

616

00:25:50,510 --> 00:25:48,659

I I think I hear hear like the big bass

617

00:25:51,890 --> 00:25:50,520

drum it was it was a parade probably the

618

00:25:54,350 --> 00:25:51,900

Fourth of July

619

00:25:56,990 --> 00:25:54,360

but my dad was the most secretive guy in

620

00:25:58,549 --> 00:25:57,000

the world man nobody knew it my mom to

621

00:26:00,289 --> 00:25:58,559

this day my mom said you know I never

622

00:26:01,789 --> 00:26:00,299

really knew what he did they were

623

00:26:04,549 --> 00:26:01,799

married for 30 years

624

00:26:06,890 --> 00:26:04,559

to talk about keeping a secret

625

00:26:10,250 --> 00:26:06,900

if you're a top secret clearance

626

00:26:11,690 --> 00:26:10,260

military or related a contractor odds

627

00:26:14,750 --> 00:26:11,700

are good you're not going to blow your

628

00:26:17,390 --> 00:26:14,760

your your pension or or jeopardize your

629

00:26:20,870 --> 00:26:17,400

career or be imprisoned right right

630

00:26:23,269 --> 00:26:20,880

right right right so did your did you

631

00:26:25,430 --> 00:26:23,279

discuss the book with your mom

632

00:26:26,950 --> 00:26:25,440

my mom loves this book she's read it

633

00:26:29,870 --> 00:26:26,960

three times

634

00:26:31,549 --> 00:26:29,880

it took me I said Mom it only took 66

635

00:26:35,029 --> 00:26:31,559

years for you to say that you were proud

636

00:26:37,370 --> 00:26:35,039

of me she loved it you Loretta three

637

00:26:38,750 --> 00:26:37,380

times that's awesome

638

00:26:42,049 --> 00:26:38,760

um but what did she think about the

639

00:26:45,169 --> 00:26:42,059

alien aspect of the father figure

640

00:26:47,990 --> 00:26:45,179

she said Danny your father didn't know

641

00:26:49,789 --> 00:26:48,000

anything about the aliens enough with my

642

00:26:51,830 --> 00:26:49,799

mother was always enough with the aliens

643

00:26:53,330 --> 00:26:51,840

and it's enough with the ale he didn't

644

00:26:55,789 --> 00:26:53,340

no he

645

00:26:56,630 --> 00:26:55,799

did if he knew he wasn't going to tell

646

00:26:59,090 --> 00:26:56,640

you

647

00:27:01,789 --> 00:26:59,100

he wasn't going to tell anyone oh he

648

00:27:04,370 --> 00:27:01,799

didn't know about the aliens how did she

649

00:27:05,810 --> 00:27:04,380

know that really how did she how could

650

00:27:10,510 --> 00:27:05,820

she possibly no he didn't discuss

651
00:27:18,490 --> 00:27:13,610
growing up did you have an interest in

652
00:27:22,450 --> 00:27:18,500
in UFOs or your family not at all

653
00:27:26,149 --> 00:27:25,310
the monkeys came on TV I was 10 years

654
00:27:29,149 --> 00:27:26,159
old

655
00:27:32,390 --> 00:27:29,159
and I was playing classical piano except

656
00:27:35,690 --> 00:27:32,400
from seven to ten the monkeys came on TV

657
00:27:37,130 --> 00:27:35,700
September 66 the first episode I look at

658
00:27:39,649 --> 00:27:37,140
my parents like I'm gonna play the drums

659
00:27:42,710 --> 00:27:39,659
because I love Mickey Dolan and I play

660
00:27:44,570 --> 00:27:42,720
in the drums ever since for 57 years

661
00:27:46,909 --> 00:27:44,580
I've been playing a drum when I met

662
00:27:48,830 --> 00:27:46,919
Mickey and I've met Mickey many times I

663
00:27:50,450 --> 00:27:48,840

said I played the drums my whole life

664

00:27:52,250 --> 00:27:50,460

because of you Mickey thanks he goes

665

00:27:55,909 --> 00:27:52,260

yeah man that's cool I hear that all the

666

00:28:00,470 --> 00:27:55,919

time no I'm sure I'm sure he does

667

00:28:03,230 --> 00:28:00,480

um but uh uh your mom did she ever uh

668

00:28:05,269 --> 00:28:03,240

any sightings in the family besides you

669

00:28:08,870 --> 00:28:05,279

and your dad

670

00:28:11,510 --> 00:28:08,880

well I had two two others much more

671

00:28:13,970 --> 00:28:11,520

recently I had to my brothers and my mom

672

00:28:16,970 --> 00:28:13,980

no no not at all I had one Jimmy you

673

00:28:21,470 --> 00:28:16,980

live in Palmdale right yeah my ex-wife

674

00:28:24,470 --> 00:28:21,480

and kids moved to Lancaster from La in

675

00:28:25,490 --> 00:28:24,480

1992. my kids were little they were two

676

00:28:28,430 --> 00:28:25,500

and four

677

00:28:31,730 --> 00:28:28,440

when I got divorced I used to schlep out

678

00:28:33,289 --> 00:28:31,740

to uh Lancaster every weekend for five

679

00:28:36,590 --> 00:28:33,299

years and then they later moved to

680

00:28:39,769 --> 00:28:36,600

Valencia which is much closer yes in

681

00:28:41,510 --> 00:28:39,779

1996 I bought my son a telescope for his

682

00:28:43,549 --> 00:28:41,520

eighth birthday when we were in the

683

00:28:45,830 --> 00:28:43,559

backyard and you know how clear I'm sure

684

00:28:49,490 --> 00:28:45,840

Palmdale the night sky is as clear as it

685

00:28:53,210 --> 00:28:49,500

is in Lancaster it's uh it's a mile away

686

00:28:55,789 --> 00:28:53,220

I think we share the same sky so it was

687

00:28:57,890 --> 00:28:55,799

it was beautiful sky it was black and

688

00:29:00,470 --> 00:28:57,900

the stars were bright and anyways my son

689

00:29:02,870 --> 00:29:00,480

and I looked through a telescope 96

690

00:29:05,810 --> 00:29:02,880

summer and then we didn't see anything

691

00:29:07,669 --> 00:29:05,820

except some planets I put him to bed I

692

00:29:09,830 --> 00:29:07,679

came back to pack up the telescope I

693

00:29:12,950 --> 00:29:09,840

look up in the sky in the far right

694

00:29:17,149 --> 00:29:12,960

corner of the sky this is in Lancaster I

695

00:29:19,669 --> 00:29:17,159

saw a very bright egg-shaped light very

696

00:29:21,230 --> 00:29:19,679

bright sort of off yellow white yellow

697

00:29:24,649 --> 00:29:21,240

color

698

00:29:27,230 --> 00:29:24,659

craft thing at the right hand corner of

699

00:29:30,769 --> 00:29:27,240

the sky and it traveled unbelievably

700

00:29:33,350 --> 00:29:30,779

fast slow and steadily but fast in a

701
00:29:34,310 --> 00:29:33,360
straight line across the entirety of the

702
00:29:36,529 --> 00:29:34,320
sky

703
00:29:39,289 --> 00:29:36,539
and I thought to myself wow it's a

704
00:29:44,210 --> 00:29:39,299
satellite it has to be a satellite

705
00:29:46,310 --> 00:29:44,220
it's it's a very clear definitive path

706
00:29:48,470 --> 00:29:46,320
is very bright and it looked but it

707
00:29:50,570 --> 00:29:48,480
looked metallic and it had to be a

708
00:29:52,250 --> 00:29:50,580
satellite I said Jimmy it goes across

709
00:29:54,830 --> 00:29:52,260
the stock sky and then it stops for

710
00:29:56,269 --> 00:29:54,840
about 30 seconds in place stops and I'm

711
00:29:58,370 --> 00:29:56,279
like I wonder what happened to the

712
00:30:01,130 --> 00:29:58,380
satellite and then It reversed course

713
00:30:03,470 --> 00:30:01,140

and it went back the same way it came

714

00:30:04,610 --> 00:30:03,480

from across the entire Sky the same way

715

00:30:06,470 --> 00:30:04,620

it came from

716

00:30:08,930 --> 00:30:06,480

and I was looking around thinking

717

00:30:10,850 --> 00:30:08,940

where's the TV news when you need a news

718

00:30:13,330 --> 00:30:10,860

crew right I didn't have a cell phone

719

00:30:16,310 --> 00:30:13,340

with me at the time

720

00:30:19,070 --> 00:30:16,320

what did I just see it's not a combat an

721

00:30:20,570 --> 00:30:19,080

asteroid or a meteor I doubt it's not a

722

00:30:23,269 --> 00:30:20,580

satellite because satellites don't stop

723

00:30:25,010 --> 00:30:23,279

and go back the same way so that was my

724

00:30:26,930 --> 00:30:25,020

second sighting and I remember that very

725

00:30:28,730 --> 00:30:26,940

vividly and I've never been able to

726

00:30:33,130 --> 00:30:28,740

explain if you have any thoughts about

727

00:30:35,570 --> 00:30:33,140

that one well that's that's every night

728

00:30:39,470 --> 00:30:35,580

it's every night out here that's it

729

00:30:42,710 --> 00:30:39,480

that's every night and and Lancaster is

730

00:30:46,789 --> 00:30:42,720

right next to uh uh Edwards Air Force

731

00:30:50,389 --> 00:30:46,799

Base right and so we have uh we have two

732

00:30:52,669 --> 00:30:50,399

facilities out here we have of course uh

733

00:30:56,750 --> 00:30:52,679

you know the lockheed's Concorde NASA

734

00:30:59,810 --> 00:30:56,760

Air Force plan 42 all of that and and

735

00:31:03,169 --> 00:30:59,820

Northrop Grumman uh they all occupy the

736

00:31:04,310 --> 00:31:03,179

the same uh area for testing and

737

00:31:06,889 --> 00:31:04,320

building

738

00:31:10,190 --> 00:31:06,899

um it's it's large so that's that's over

739

00:31:14,269 --> 00:31:10,200

here it's down the street and then

740

00:31:17,269 --> 00:31:14,279

um in between that so uh Edwards Air

741

00:31:19,610 --> 00:31:17,279

Force Base is seven eight well the South

742

00:31:22,610 --> 00:31:19,620

edge of it is just you know seven miles

743

00:31:25,190 --> 00:31:22,620

away it's a big it's a big base in

744

00:31:26,630 --> 00:31:25,200

between that you have the morocc dry

745

00:31:28,789 --> 00:31:26,640

lake bed

746

00:31:31,310 --> 00:31:28,799

which is like the Bonneville Salt Flats

747

00:31:34,010 --> 00:31:31,320

right or Groom Lake what have you

748

00:31:38,450 --> 00:31:34,020

um and that's where they did all of the

749

00:31:41,630 --> 00:31:38,460

uh uh like the X1 and and all of you

750

00:31:43,789 --> 00:31:41,640

know the the the speed of sound and all

751
00:31:46,909 --> 00:31:43,799
of that advanced Aerospace stuff that

752
00:31:50,570 --> 00:31:46,919
was all flown at merock at the dry lake

753
00:31:53,210 --> 00:31:50,580
bed there that's where Edwards is okay

754
00:31:55,850 --> 00:31:53,220
and and Lancaster sits in between the

755
00:31:58,190 --> 00:31:55,860
two so when you see something like that

756
00:31:59,330 --> 00:31:58,200
so that the testing what they do out

757
00:32:02,750 --> 00:31:59,340
here

758
00:32:06,409 --> 00:32:02,760
I saw it happen today actually

759
00:32:09,049 --> 00:32:06,419
um they I I can't be specific and I

760
00:32:12,710 --> 00:32:09,059
wouldn't be specific if I knew anyway uh

761
00:32:15,950 --> 00:32:12,720
live on the air but they load up these

762
00:32:19,250 --> 00:32:15,960
transport planes big jets

763
00:32:21,169 --> 00:32:19,260

um and uh those take off they fly over

764

00:32:23,210 --> 00:32:21,179

my house they make a U-turn they never

765

00:32:25,430 --> 00:32:23,220

get to altitude they're just a quarter

766

00:32:27,470 --> 00:32:25,440

mile in the air they're very low they're

767

00:32:28,909 --> 00:32:27,480

making U-turn they land in Edwards and

768

00:32:32,350 --> 00:32:28,919

then they offload they start their

769

00:32:35,750 --> 00:32:32,360

testing whatever it is so you see this

770

00:32:38,149 --> 00:32:35,760

constantly the flight test the transport

771

00:32:41,029 --> 00:32:38,159

and it's all going between it's the

772

00:32:44,269 --> 00:32:41,039

runway hopping between Edwards and the

773

00:32:47,029 --> 00:32:44,279

facility that's next to my house and all

774

00:32:51,289 --> 00:32:47,039

of that stuff goes into the air

775

00:32:53,690 --> 00:32:51,299

they're testing stuff and I see the the

776

00:32:57,470 --> 00:32:53,700

strangest things I've seen stuff over

777

00:32:59,870 --> 00:32:57,480

Edwards that I I simply can't explain

778

00:33:04,549 --> 00:32:59,880

um I mean I saw a flying saucer I saw a

779

00:33:06,409 --> 00:33:04,559

flying saucer over Edwards and I still

780

00:33:10,190 --> 00:33:06,419

can't explain that

781

00:33:12,049 --> 00:33:10,200

so you know and when one last comment

782

00:33:13,549 --> 00:33:12,059

about this and then I want to swing back

783

00:33:16,490 --> 00:33:13,559

to the book

784

00:33:18,169 --> 00:33:16,500

in the Wilson Davis document uh that

785

00:33:21,710 --> 00:33:18,179

came out and I know you're familiar with

786

00:33:24,049 --> 00:33:21,720

it there's a I I think it's page 13.

787

00:33:26,029 --> 00:33:24,059

um Admiral Wilson is is talking to Eric

788

00:33:28,490 --> 00:33:26,039

Davis and he says

789

00:33:30,470 --> 00:33:28,500

um you know that he was out at some

790

00:33:32,750 --> 00:33:30,480

Aerospace Corporation I'm assuming it

791

00:33:34,190 --> 00:33:32,760

was Lockheed and they told him that they

792

00:33:37,850 --> 00:33:34,200

have a craft

793

00:33:39,769 --> 00:33:37,860

yeah but they can't get it to fly they

794

00:33:42,830 --> 00:33:39,779

think it can fly

795

00:33:44,990 --> 00:33:42,840

they can't get it to fly and that's

796

00:33:49,610 --> 00:33:45,000

that's that's right here

797

00:33:52,130 --> 00:33:49,620

so yeah yeah I I think it's going on in

798

00:33:56,029 --> 00:33:52,140

Southern California is a big spot for it

799

00:33:58,009 --> 00:33:56,039

Area 51 certainly is a is a place for it

800

00:33:59,810 --> 00:33:58,019

but I think that there's multiple places

801
00:34:01,490 --> 00:33:59,820
all around the country including Wright

802
00:34:06,169 --> 00:34:01,500
Patterson

803
00:34:07,610 --> 00:34:06,179
um where uh they would take these things

804
00:34:08,810 --> 00:34:07,620
apart and try to figure out how they

805
00:34:12,530 --> 00:34:08,820
work

806
00:34:15,770 --> 00:34:12,540
well when I saw this egg

807
00:34:18,530 --> 00:34:15,780
crossed the sky and stop in place and

808
00:34:21,290 --> 00:34:18,540
then reverse course something that you

809
00:34:23,270 --> 00:34:21,300
just said a second ago it was that yeah

810
00:34:25,129 --> 00:34:23,280
they're testing these things so think

811
00:34:28,010 --> 00:34:25,139
about it let's say that was man-made

812
00:34:29,450 --> 00:34:28,020
right it flew people let's say the

813
00:34:32,389 --> 00:34:29,460

scientists were on the ground looking up

814

00:34:35,629 --> 00:34:32,399

okay Bill let her go for uh

815

00:34:37,970 --> 00:34:35,639

70 miles to the West okay stop it our

816

00:34:39,589 --> 00:34:37,980

let's bring her home now right nothing

817

00:34:42,050 --> 00:34:39,599

like you know like when you're a kid

818

00:34:43,550 --> 00:34:42,060

with the little remote control airplanes

819

00:34:46,129 --> 00:34:43,560

with the little thing the remote control

820

00:34:49,190 --> 00:34:46,139

you know because it it stopped this

821

00:34:52,089 --> 00:34:49,200

thing was flying across the entirety of

822

00:34:55,430 --> 00:34:52,099

as far as my peripheral vision could see

823

00:34:57,770 --> 00:34:55,440

is that hundreds of miles of Sky I I

824

00:35:00,770 --> 00:34:57,780

don't know how to judge Sky miles

825

00:35:03,050 --> 00:35:00,780

but it's far right as I could see with

826

00:35:05,390 --> 00:35:03,060

my eye to his far left as I could see

827

00:35:07,010 --> 00:35:05,400

with my eye and then stop and then come

828

00:35:09,290 --> 00:35:07,020

all the way back

829

00:35:11,870 --> 00:35:09,300

I I think you're right I think they were

830

00:35:14,930 --> 00:35:11,880

testing something now was that man-made

831

00:35:17,150 --> 00:35:14,940

or alien I I couldn't tell you I have

832

00:35:19,670 --> 00:35:17,160

that I'm the slightest idea what do you

833

00:35:24,250 --> 00:35:19,680

I don't know what do you think well

834

00:35:27,589 --> 00:35:24,260

um I was uh I was I was over at Best Buy

835

00:35:31,190 --> 00:35:27,599

I'm over at Best Buy coming out of Best

836

00:35:35,150 --> 00:35:31,200

Buy I've got some big box right and and

837

00:35:40,210 --> 00:35:35,160

uh I'm stepping up to my in somebody

838

00:35:42,770 --> 00:35:40,220

from behind me goes Fade to Black right

839

00:35:45,890 --> 00:35:42,780

and I turn around and go hey man he goes

840

00:35:47,630 --> 00:35:45,900

hey it's you and I said yeah it's me man

841

00:35:49,970 --> 00:35:47,640

I heard you were in Palm Bay yeah yeah

842

00:35:52,970 --> 00:35:49,980

yeah yeah and he goes man

843

00:35:55,430 --> 00:35:52,980

um I got a Jeep and he points over and

844

00:35:56,690 --> 00:35:55,440

points at his Jeep I saw a man very cool

845

00:35:58,190 --> 00:35:56,700

he goes man I can't believe it's

846

00:35:59,750 --> 00:35:58,200

defeated black Jeep I said yeah yeah

847

00:36:01,609 --> 00:35:59,760

cool cool

848

00:36:03,349 --> 00:36:01,619

um and he goes hey

849

00:36:07,609 --> 00:36:03,359

um

850

00:36:11,290 --> 00:36:07,619

we used to have flying octagons here

851
00:36:14,450 --> 00:36:11,300
I said what if he goes

852
00:36:17,210 --> 00:36:14,460
in the 90s

853
00:36:20,450 --> 00:36:17,220
we would every single day they would

854
00:36:22,490 --> 00:36:20,460
test fly these black octagons

855
00:36:25,550 --> 00:36:22,500
they go octagons you can spend like

856
00:36:28,069 --> 00:36:25,560
eight-sided like a stop sign but they

857
00:36:30,710 --> 00:36:28,079
were flat I said how big were they and

858
00:36:31,730 --> 00:36:30,720
he and he points at Best Buy which is

859
00:36:34,609 --> 00:36:31,740
like

860
00:36:37,310 --> 00:36:34,619
75 feet away

861
00:36:39,829 --> 00:36:37,320
um it goes from here to to the store I

862
00:36:42,589 --> 00:36:39,839
go dude that's pretty big Yeah man they

863
00:36:45,349 --> 00:36:42,599

would just fly over palm and really

864

00:36:49,910 --> 00:36:45,359

quiet no sound

865

00:36:52,970 --> 00:36:49,920

black octagons flying and now here's the

866

00:36:54,410 --> 00:36:52,980

this goes back to your point about your

867

00:36:58,370 --> 00:36:54,420

father

868

00:37:00,770 --> 00:36:58,380

um I have described and told what he has

869

00:37:02,150 --> 00:37:00,780

said to me to a few researcher friends

870

00:37:03,109 --> 00:37:02,160

of mine have you ever heard about this

871

00:37:11,870 --> 00:37:03,119

no

872

00:37:15,109 --> 00:37:11,880

this guy at at uh at Best Buy

873

00:37:17,930 --> 00:37:15,119

he said that they would be in school on

874

00:37:20,630 --> 00:37:17,940

the playground and everybody would just

875

00:37:23,030 --> 00:37:20,640

sit there and watch them he said but you

876

00:37:25,670 --> 00:37:23,040

know it's Palmdale there's things going

877

00:37:27,650 --> 00:37:25,680

on here and they're testing stuff but it

878

00:37:30,250 --> 00:37:27,660

was fun to watch and we would stop and

879

00:37:33,290 --> 00:37:30,260

watch it but here's the thing

880

00:37:35,089 --> 00:37:33,300

there's no pictures of this

881

00:37:37,849 --> 00:37:35,099

there's nobody talking about this

882

00:37:39,349 --> 00:37:37,859

there's nobody saying that they worked

883

00:37:42,050 --> 00:37:39,359

on these projects

884

00:37:44,450 --> 00:37:42,060

you know they keep that stuff on the

885

00:37:46,730 --> 00:37:44,460

down low in in this community and

886

00:37:48,950 --> 00:37:46,740

they're just not it's it's stuff that

887

00:37:50,870 --> 00:37:48,960

just isn't talked about I mean it's in

888

00:37:53,270 --> 00:37:50,880

the interests of National Security but

889

00:37:55,010 --> 00:37:53,280

like you said you know you've got a job

890

00:37:56,990 --> 00:37:55,020

you've got a career and you respect it

891

00:38:00,349 --> 00:37:57,000

and you're supposed to keep your mouth

892

00:38:02,230 --> 00:38:00,359

shut you keep your mouth shut but how

893

00:38:05,810 --> 00:38:02,240

are those things not on on the news

894

00:38:07,370 --> 00:38:05,820

that's what I'm saying that's exactly

895

00:38:09,550 --> 00:38:07,380

but that's exactly what I'm saying why

896

00:38:13,130 --> 00:38:09,560

isn't that on the front page of the LA

897

00:38:15,670 --> 00:38:13,140

New York Times yeah your friend at Best

898

00:38:19,069 --> 00:38:15,680

Buy was a kid in school seen

899

00:38:21,589 --> 00:38:19,079

unbelievable things like I saw in 1970.

900

00:38:24,349 --> 00:38:21,599

why doesn't he go to the teacher or the

901
00:38:27,430 --> 00:38:24,359
principal and say Excuse Me Miss Smith

902
00:38:29,690 --> 00:38:27,440
what in a God's name is that UFO up

903
00:38:33,230 --> 00:38:29,700
outside that we're looking at right now

904
00:38:35,569 --> 00:38:33,240
and she doesn't calls KCBS news and say

905
00:38:38,930 --> 00:38:35,579
um I'm a teacher you should come see

906
00:38:39,710 --> 00:38:38,940
this how how do people not think to do

907
00:38:41,050 --> 00:38:39,720
that

908
00:38:45,530 --> 00:38:41,060
right

909
00:38:47,030 --> 00:38:45,540
when it happens out here every day you

910
00:38:49,910 --> 00:38:47,040
guys should be in the news every single

911
00:38:51,710 --> 00:38:49,920
how is that not new listen listen listen

912
00:38:55,430 --> 00:38:51,720
listen

913
00:38:58,310 --> 00:38:55,440

this is I'm not I am not in any way

914

00:39:00,170 --> 00:38:58,320

trying to be funny ha ha

915

00:39:02,270 --> 00:39:00,180

um I talked about this on the air this

916

00:39:03,890 --> 00:39:02,280

is a few months ago and I'm driving

917

00:39:07,010 --> 00:39:03,900

around town it's the middle of the day

918

00:39:08,990 --> 00:39:07,020

it's like noon and and Palmdale there's

919

00:39:11,950 --> 00:39:09,000

no tall build everything's flat here you

920

00:39:14,630 --> 00:39:11,960

know everything is one story tall right

921

00:39:16,490 --> 00:39:14,640

there's a few two-story things but

922

00:39:19,310 --> 00:39:16,500

they're houses

923

00:39:21,710 --> 00:39:19,320

and uh but it's a very flat City anyway

924

00:39:23,390 --> 00:39:21,720

so you can see everything you know you

925

00:39:25,550 --> 00:39:23,400

could just see across you can see

926
00:39:26,770 --> 00:39:25,560
everything and I'm driving around and I

927
00:39:30,829 --> 00:39:26,780
see

928
00:39:34,130 --> 00:39:30,839
flying right over the freeway and right

929
00:39:39,109 --> 00:39:34,140
over the the city I stopped my Jeep to

930
00:39:43,490 --> 00:39:39,119
see to watch this a black looked like an

931
00:39:47,210 --> 00:39:43,500
airliner a black airliner like a you

932
00:39:50,150 --> 00:39:47,220
know a big you know Bowen 767 or

933
00:39:53,030 --> 00:39:50,160
something just a giant Airbus a giant

934
00:39:57,109 --> 00:39:53,040
airliner but it's painted black this

935
00:39:58,089 --> 00:39:57,119
thing is flying hauling balls at Treetop

936
00:40:02,990 --> 00:39:58,099
level

937
00:40:06,310 --> 00:40:03,000
wow right across the city it's like

938
00:40:09,069 --> 00:40:06,320

50 feet in the air flies across the city

939

00:40:12,770 --> 00:40:09,079

turns and I'm watching it

940

00:40:15,770 --> 00:40:12,780

Bank turn comes back around levels out

941

00:40:18,829 --> 00:40:15,780

and flies out across the city and and

942

00:40:22,490 --> 00:40:18,839

comes back and does another lap

943

00:40:25,310 --> 00:40:22,500

now right I'm talking

944

00:40:27,770 --> 00:40:25,320

you can hit it with a rock hit it with a

945

00:40:30,470 --> 00:40:27,780

baseball it was like that no why did you

946

00:40:33,230 --> 00:40:30,480

not take out your phone but in other oh

947

00:40:36,230 --> 00:40:33,240

man do you know how many videos I have

948

00:40:40,270 --> 00:40:36,240

shot on this phone of stuff in Palmdale

949

00:40:46,490 --> 00:40:44,150

I've got I've got loads anyway

950

00:40:48,349 --> 00:40:46,500

in any other City

951
00:40:50,510 --> 00:40:48,359
that right there

952
00:40:52,630 --> 00:40:50,520
would have been huge news and people

953
00:40:56,390 --> 00:40:52,640
calling 9-1-1

954
00:40:58,069 --> 00:40:56,400
complaints no this that what is going on

955
00:41:00,710 --> 00:40:58,079
it would have been huge news you can't

956
00:41:02,829 --> 00:41:00,720
do that over you know a plane like that

957
00:41:06,770 --> 00:41:02,839
over Chicago Nashville

958
00:41:13,250 --> 00:41:06,780
you know Wichita Kansas City no no

959
00:41:18,349 --> 00:41:15,589
it's unbelievable just another

960
00:41:20,450 --> 00:41:18,359
why do you think the media even all

961
00:41:22,490 --> 00:41:20,460
right so a couple weeks ago obviously we

962
00:41:24,890 --> 00:41:22,500
had the China balloon okay it was a

963
00:41:26,750 --> 00:41:24,900

China balloon from China a man-made

964

00:41:29,270 --> 00:41:26,760

balloon from China China China China

965

00:41:32,089 --> 00:41:29,280

everyone knows it was China they

966

00:41:34,790 --> 00:41:32,099

followed it it was on live TV they shot

967

00:41:37,490 --> 00:41:34,800

it down CNN there was a crew getting it

968

00:41:39,530 --> 00:41:37,500

out of the ocean onto all on TV okay

969

00:41:41,329 --> 00:41:39,540

terrific how about the three objects the

970

00:41:43,130 --> 00:41:41,339

week later right

971

00:41:45,470 --> 00:41:43,140

how about those three objects they were

972

00:41:47,450 --> 00:41:45,480

never shown they were never barely

973

00:41:49,790 --> 00:41:47,460

discussed never shown

974

00:41:52,910 --> 00:41:49,800

Biden said one of them was an amateur

975

00:41:55,250 --> 00:41:52,920

balloon hobby group okay even if that

976
00:41:57,290 --> 00:41:55,260
was true what about the other two

977
00:41:59,870 --> 00:41:57,300
you need to tell me we never found them

978
00:42:01,790 --> 00:41:59,880
they were never shown on TV they would

979
00:42:03,770 --> 00:42:01,800
never explained they were discussed it's

980
00:42:06,050 --> 00:42:03,780
like a magician I have a cousin who's a

981
00:42:07,670 --> 00:42:06,060
world famous magician and he always says

982
00:42:09,230 --> 00:42:07,680
you look in this hand your audience

983
00:42:11,770 --> 00:42:09,240
looks in his hand while you're doing the

984
00:42:14,630 --> 00:42:11,780
trick in the other hand that's right

985
00:42:16,550 --> 00:42:14,640
it's where you're looking China balloon

986
00:42:18,470 --> 00:42:16,560
China balloon okay fine what about the

987
00:42:20,329 --> 00:42:18,480
other three objects those were not those

988
00:42:21,829 --> 00:42:20,339

were not man-made the other three at

989

00:42:24,109 --> 00:42:21,839

least two of the other three were not

990

00:42:25,670 --> 00:42:24,119

man-made how come no one's ever talked

991

00:42:28,310 --> 00:42:25,680

about them anymore

992

00:42:30,410 --> 00:42:28,320

I was I watched CNN and Jim Acosta goes

993

00:42:34,670 --> 00:42:30,420

like I think I hear the X-Files theme

994

00:42:40,310 --> 00:42:36,950

in 2023

995

00:42:43,069 --> 00:42:40,320

major media are still so remarkably

996

00:42:45,770 --> 00:42:43,079

skeptical right after the New York Times

997

00:42:48,050 --> 00:42:45,780

in 2017 with Leslie Keane and the front

998

00:42:50,510 --> 00:42:48,060

page of the times and the uaps and the

999

00:42:53,510 --> 00:42:50,520

three famous videos but they're still

1000

00:42:55,490 --> 00:42:53,520

like X-Files Little Green Men why do you

1001
00:42:57,190 --> 00:42:55,500
think the media just will not Embrace

1002
00:43:01,250 --> 00:42:57,200
this whole idea

1003
00:43:04,190 --> 00:43:01,260
yeah yeah they keep they they keep

1004
00:43:06,950 --> 00:43:04,200
letting their foot off the gas right but

1005
00:43:09,589 --> 00:43:06,960
here's I I think there's even something

1006
00:43:13,510 --> 00:43:09,599
more interesting to your point

1007
00:43:15,410 --> 00:43:13,520
is that uh we had the Chinese balloon

1008
00:43:18,349 --> 00:43:15,420
allegedly

1009
00:43:21,950 --> 00:43:18,359
we had that shoot that thing down and

1010
00:43:23,809 --> 00:43:21,960
then suddenly we're trigger happy and

1011
00:43:25,790 --> 00:43:23,819
we're firing missiles all over North

1012
00:43:29,290 --> 00:43:25,800
America that's never happened before

1013
00:43:32,809 --> 00:43:29,300

except for here in Palmdale

1014

00:43:36,530 --> 00:43:32,819

we shot down something uh it was a drone

1015

00:43:41,270 --> 00:43:36,540

actually we uh yeah a drone in in the

1016

00:43:43,609 --> 00:43:41,280

1960s that was being test flown and they

1017

00:43:46,910 --> 00:43:43,619

lost control of it and it was radio

1018

00:43:48,290 --> 00:43:46,920

control pilotless drone and my father my

1019

00:43:50,470 --> 00:43:48,300

father could have been there Jimmy he

1020

00:43:54,410 --> 00:43:50,480

used to go to Edwards

1021

00:43:56,750 --> 00:43:54,420

they they fired up a plane and shot that

1022

00:43:58,730 --> 00:43:56,760

thing down over the City of Palmdale and

1023

00:44:01,849 --> 00:43:58,740

nobody gave a crap it's Palmdale man

1024

00:44:05,630 --> 00:44:01,859

it's it's what we do anyway so we shoot

1025

00:44:07,190 --> 00:44:05,640

down three more objects back to back to

1026
00:44:09,530 --> 00:44:07,200
back to back two on the same weekend

1027
00:44:10,790 --> 00:44:09,540
right and then

1028
00:44:15,349 --> 00:44:10,800
nothing

1029
00:44:17,690 --> 00:44:15,359
shoot down anymore there isn't any

1030
00:44:19,910 --> 00:44:17,700
comments from the Department of Defense

1031
00:44:23,569 --> 00:44:19,920
suddenly there's nothing in the skies

1032
00:44:25,790 --> 00:44:23,579
anymore there's nothing happening how

1033
00:44:27,950 --> 00:44:25,800
how is it that we have boom boom boom

1034
00:44:32,410 --> 00:44:27,960
boom boom four things right right in a

1035
00:44:34,670 --> 00:44:32,420
row right and and and now

1036
00:44:37,010 --> 00:44:34,680
nothing nothing

1037
00:44:40,130 --> 00:44:37,020
now that's that's the question we need

1038
00:44:42,470 --> 00:44:40,140

to be asking is there nothing in the

1039

00:44:44,750 --> 00:44:42,480

skies now or

1040

00:44:48,829 --> 00:44:44,760

you're not talking about it

1041

00:44:52,730 --> 00:44:48,839

the only reason why we know that they

1042

00:44:54,530 --> 00:44:52,740

shot anything down well we got the one

1043

00:44:56,390 --> 00:44:54,540

on the east coast the Chinese balloon we

1044

00:44:58,130 --> 00:44:56,400

got that on video because it happened

1045

00:44:59,870 --> 00:44:58,140

next to a beach city and there were

1046

00:45:01,309 --> 00:44:59,880

people out there and they knew the

1047

00:45:04,609 --> 00:45:01,319

balloon was there and everybody was

1048

00:45:06,950 --> 00:45:04,619

watching it the other three objects we

1049

00:45:09,410 --> 00:45:06,960

know nothing about them right we know

1050

00:45:11,750 --> 00:45:09,420

nothing we would have never known about

1051

00:45:14,089 --> 00:45:11,760

them if the government had hadn't said

1052

00:45:16,670 --> 00:45:14,099

anything we certainly wouldn't have

1053

00:45:19,730 --> 00:45:16,680

known that missiles were used to shoot

1054

00:45:22,510 --> 00:45:19,740

them down and f-22s or f-18s or whatever

1055

00:45:26,089 --> 00:45:22,520

they were you know what aircraft and and

1056

00:45:29,329 --> 00:45:26,099

the only reason we know anything

1057

00:45:32,630 --> 00:45:29,339

because the government said so and so

1058

00:45:35,390 --> 00:45:32,640

now they are not saying anything

1059

00:45:37,130 --> 00:45:35,400

so if they're not saying anything

1060

00:45:38,870 --> 00:45:37,140

because there's nothing in the sky and

1061

00:45:40,910 --> 00:45:38,880

there's nothing happening

1062

00:45:43,370 --> 00:45:40,920

they're not saying anything because they

1063

00:45:44,990 --> 00:45:43,380

don't want to talk about it but there's

1064

00:45:47,569 --> 00:45:45,000

no way that you're going to have you

1065

00:45:50,329 --> 00:45:47,579

know that many incidents missiles fired

1066

00:45:51,589 --> 00:45:50,339

over North America and then suddenly

1067

00:45:55,250 --> 00:45:51,599

nothing

1068

00:45:56,930 --> 00:45:55,260

it just completely stopped so I think

1069

00:45:59,630 --> 00:45:56,940

that's a bigger question

1070

00:46:02,089 --> 00:45:59,640

I remember when Biden went on TV

1071

00:46:04,130 --> 00:46:02,099

and said uh

1072

00:46:07,309 --> 00:46:04,140

you know we yes we shot down the China

1073

00:46:09,950 --> 00:46:07,319

balloon and then the other three he said

1074

00:46:11,569 --> 00:46:09,960

one of them was a hobby a hobby balloon

1075

00:46:13,370 --> 00:46:11,579

from some hobby group I think was

1076

00:46:16,430 --> 00:46:13,380

Montana or something

1077

00:46:18,890 --> 00:46:16,440

and and that's it but but China China

1078

00:46:21,230 --> 00:46:18,900

Russia China China Russia deflection

1079

00:46:23,750 --> 00:46:21,240

told magic trick it's all deflections

1080

00:46:26,990 --> 00:46:23,760

even if the one of the three even if one

1081

00:46:29,569 --> 00:46:27,000

of the three over Canada Alaska was a

1082

00:46:31,910 --> 00:46:29,579

balloon even if it was okay that still

1083

00:46:34,550 --> 00:46:31,920

leaves two they never showed them on TV

1084

00:46:37,250 --> 00:46:34,560

they never showed us the the remnants

1085

00:46:39,710 --> 00:46:37,260

but I didn't no one to ever said Awards

1086

00:46:41,870 --> 00:46:39,720

the me and the media just oh yeah China

1087

00:46:44,390 --> 00:46:41,880

balloon yeah the China balloon

1088

00:46:45,890 --> 00:46:44,400

there were four I mean each of the four

1089

00:46:47,710 --> 00:46:45,900

items should be have been of equal

1090

00:46:50,450 --> 00:46:47,720

weight

1091

00:46:52,370 --> 00:46:50,460

and the other three were like the orphan

1092

00:46:53,809 --> 00:46:52,380

freckled red-headed freckled

1093

00:46:56,329 --> 00:46:53,819

stepchildren no one ever asked about

1094

00:46:58,790 --> 00:46:56,339

them anymore yeah yeah that's true and

1095

00:47:01,609 --> 00:46:58,800

and here here's the other here's the

1096

00:47:03,609 --> 00:47:01,619

other part you know

1097

00:47:06,410 --> 00:47:03,619

they were imaged

1098

00:47:11,450 --> 00:47:06,420

you know they have gun camera footage

1099

00:47:14,809 --> 00:47:11,460

you know that there is video hi-res and

1100

00:47:17,870 --> 00:47:14,819

if they were just hobbyist balloons

1101
00:47:21,730 --> 00:47:17,880
show us you're right of course I mean

1102
00:47:25,550 --> 00:47:21,740
who gives a crap if it was a balloon

1103
00:47:27,650 --> 00:47:25,560
weather balloon hobbyist balloon mylar

1104
00:47:31,790 --> 00:47:27,660
party balloon from somebody's Bar

1105
00:47:33,710 --> 00:47:31,800
Mitzvah by anything of course what's

1106
00:47:35,510 --> 00:47:33,720
what's the harm in that I I just don't

1107
00:47:38,089 --> 00:47:35,520
get it well you know we have sensitive

1108
00:47:40,790 --> 00:47:38,099
camera it's a balloon if it's really

1109
00:47:43,010 --> 00:47:40,800
what you say it is show us the footage

1110
00:47:45,589 --> 00:47:43,020
and then here's the other interesting

1111
00:47:49,030 --> 00:47:45,599
part dangerous enough to shoot out of

1112
00:47:49,040 --> 00:47:52,730
a hobby balloon

1113
00:47:55,849 --> 00:47:53,410

yeah

1114

00:47:58,069 --> 00:47:55,859

dangerous enough to shoot out of the sky

1115

00:48:01,430 --> 00:47:58,079

with a missile but not important enough

1116

00:48:04,490 --> 00:48:01,440

to go and find and then Jimmy the other

1117

00:48:06,950 --> 00:48:04,500

deflection was well you know the UK the

1118

00:48:09,170 --> 00:48:06,960

Yukon and Alaska and Lake Huron you know

1119

00:48:11,030 --> 00:48:09,180

the rugged terrain you know rugged

1120

00:48:12,890 --> 00:48:11,040

terrain you know we're never going to

1121

00:48:15,530 --> 00:48:12,900

find them that was the other deflection

1122

00:48:18,050 --> 00:48:15,540

yes we fished out the China balloon from

1123

00:48:20,329 --> 00:48:18,060

the the Atlantic Ocean okay the Atlantic

1124

00:48:22,430 --> 00:48:20,339

Ocean is pretty deep we got that on live

1125

00:48:25,250 --> 00:48:22,440

TV they were fishing it out I watched it

1126

00:48:27,349 --> 00:48:25,260

on live David the other three to this

1127

00:48:29,569 --> 00:48:27,359

day we've never found with our

1128

00:48:33,770 --> 00:48:29,579

technology we never found any remnants

1129

00:48:35,510 --> 00:48:33,780

yeah yeah it's it's yes it's not it's

1130

00:48:38,450 --> 00:48:35,520

not the truth

1131

00:48:39,890 --> 00:48:38,460

and we have gotten two I mean I don't

1132

00:48:42,170 --> 00:48:39,900

want to get on a soapbox and I

1133

00:48:43,970 --> 00:48:42,180

definitely never ever discuss Politics

1134

00:48:45,829 --> 00:48:43,980

on this show

1135

00:48:49,970 --> 00:48:45,839

um but I'll say this

1136

00:48:51,829 --> 00:48:49,980

we've gotten really used to and really

1137

00:48:54,170 --> 00:48:51,839

complacent with

1138

00:48:57,950 --> 00:48:54,180

accepting lies

1139

00:49:01,130 --> 00:48:57,960

we don't challenge anything anymore

1140

00:49:04,250 --> 00:49:01,140

we don't shout I cannot believe that

1141

00:49:08,450 --> 00:49:04,260

there isn't a journalist

1142

00:49:10,010 --> 00:49:08,460

um a civilian group of somebody to stand

1143

00:49:13,569 --> 00:49:10,020

up and go

1144

00:49:16,550 --> 00:49:13,579

wait a minute and ask these questions

1145

00:49:20,569 --> 00:49:16,560

nobody everybody just wanted to just let

1146

00:49:23,210 --> 00:49:20,579

that one lie and just let that go I was

1147

00:49:24,790 --> 00:49:23,220

um I was hosting a conference here in LA

1148

00:49:28,069 --> 00:49:24,800

that weekend

1149

00:49:31,609 --> 00:49:28,079

and one incident happened on Friday and

1150

00:49:35,230 --> 00:49:31,619

one was on Sunday right I'm speaking

1151

00:49:37,730 --> 00:49:35,240

okay Dan I'm speaking all right and

1152

00:49:39,530 --> 00:49:37,740

somebody somebody in the audience you

1153

00:49:43,130 --> 00:49:39,540

know like stands up and goes hey man uh

1154

00:49:44,990 --> 00:49:43,140

uh uh we just uh we just shot down

1155

00:49:47,510 --> 00:49:45,000

another UFO

1156

00:49:51,170 --> 00:49:47,520

sat down another year I go when one

1157

00:49:53,450 --> 00:49:51,180

minute ago right that was on Friday and

1158

00:49:57,050 --> 00:49:53,460

uh like holy crap and then turns around

1159

00:50:00,290 --> 00:49:57,060

uh you know on Sunday uh again I'm

1160

00:50:04,309 --> 00:50:00,300

speaking I'm uh it's my luncheon

1161

00:50:06,829 --> 00:50:04,319

and as I'm I'm talking to everybody

1162

00:50:10,069 --> 00:50:06,839

oh yeah I got a microphone and and and

1163

00:50:12,349 --> 00:50:10,079

having fun I think it was Caroline Corey

1164

00:50:14,589 --> 00:50:12,359

actually you know Caroline I think it

1165

00:50:24,770 --> 00:50:14,599

was Caroline Caroline stands up

1166

00:50:30,950 --> 00:50:27,349

it was big enough news for the media

1167

00:50:33,710 --> 00:50:30,960

you know and covering this and and you

1168

00:50:35,930 --> 00:50:33,720

know missiles over North America and and

1169

00:50:39,589 --> 00:50:35,940

nobody followed up

1170

00:50:42,650 --> 00:50:39,599

everybody just accepted the explanation

1171

00:50:45,710 --> 00:50:42,660

for all of this I don't get it man I

1172

00:50:49,250 --> 00:50:45,720

don't get it I don't they clumped the

1173

00:50:51,349 --> 00:50:49,260

other three into well China just spied

1174

00:50:53,210 --> 00:50:51,359

on us so these other things we're not

1175

00:50:55,309 --> 00:50:53,220

quite sure what they are but China

1176
00:50:58,430 --> 00:50:55,319
Russia China Russia China Russia China

1177
00:51:00,349 --> 00:50:58,440
Russia no not necessarily

1178
00:51:03,370 --> 00:51:00,359
right show us you showed us the first

1179
00:51:08,990 --> 00:51:06,710
China Russia and no one CNN New York

1180
00:51:11,990 --> 00:51:09,000
nobody no major press

1181
00:51:13,490 --> 00:51:12,000
kept going Mr Mr President what happened

1182
00:51:16,130 --> 00:51:13,500
with the other three what happened we

1183
00:51:19,430 --> 00:51:16,140
got to say nobody nobody pressed him

1184
00:51:21,530 --> 00:51:19,440
well I was hoping when Biden said I

1185
00:51:23,030 --> 00:51:21,540
remember I watched it live he said yeah

1186
00:51:24,349 --> 00:51:23,040
we uh we shot down some more things

1187
00:51:26,210 --> 00:51:24,359
we're not quite sure what they are but

1188
00:51:27,890 --> 00:51:26,220

one of them was a hobby balloon so you

1189

00:51:31,069 --> 00:51:27,900

know for sure we know that but the China

1190

00:51:33,950 --> 00:51:31,079

balloon uh in the Atlantic totaled

1191

00:51:37,069 --> 00:51:33,960

deflection and and he never said another

1192

00:51:39,410 --> 00:51:37,079

word now does Biden know you know does

1193

00:51:41,329 --> 00:51:39,420

our military and whoever runs the UFO

1194

00:51:43,849 --> 00:51:41,339

program for our military did they tell

1195

00:51:45,530 --> 00:51:43,859

Biden I thought maybe he was going to be

1196

00:51:47,809 --> 00:51:45,540

the disclosure president the other day

1197

00:51:49,970 --> 00:51:47,819

when he went on TV to talk about those

1198

00:51:51,829 --> 00:51:49,980

three I thought come on Joe you can do

1199

00:51:54,589 --> 00:51:51,839

it baby you can do it let's do it I

1200

00:51:56,390 --> 00:51:54,599

really I was watching but thinking do it

1201
00:51:58,190 --> 00:51:56,400
just tell us these were not man-made all

1202
00:51:59,990 --> 00:51:58,200
you have to do these are not man-made

1203
00:52:02,150 --> 00:52:00,000
objects we're looking into it all he had

1204
00:52:03,230 --> 00:52:02,160
to say right one sentence all he had to

1205
00:52:05,870 --> 00:52:03,240
say and it would have been a true

1206
00:52:08,109 --> 00:52:05,880
sentence and and maybe the media would

1207
00:52:12,770 --> 00:52:08,119
have woken up from their slumber

1208
00:52:18,470 --> 00:52:12,780
the uh the other part to this

1209
00:52:21,950 --> 00:52:18,480
all right is I think even more telling

1210
00:52:23,329 --> 00:52:21,960
which is if it was a commercial a

1211
00:52:31,490 --> 00:52:23,339
corporation

1212
00:52:34,190 --> 00:52:31,500
would have been named by the government

1213
00:52:37,490 --> 00:52:34,200

right the corporation would have been

1214

00:52:41,450 --> 00:52:37,500

hell but you know how

1215

00:52:44,329 --> 00:52:41,460

um you know how if you get lost you know

1216

00:52:46,069 --> 00:52:44,339

you get lost here in in you know you're

1217

00:52:48,710 --> 00:52:46,079

you're up hiking in the Hollywood Hills

1218

00:52:50,809 --> 00:52:48,720

or Europe hiking in Chantry Flats and

1219

00:52:53,450 --> 00:52:50,819

you get lost and and you're stuck on a

1220

00:52:55,730 --> 00:52:53,460

cliff and they send out the fire

1221

00:52:56,569 --> 00:52:55,740

department helicopter right to rescue

1222

00:53:17,150 --> 00:52:56,579

you

1223

00:53:21,530 --> 00:53:17,160

airspace and disrupts commercial traffic

1224

00:53:24,410 --> 00:53:21,540

has to get shot down by an at 22 Raptor

1225

00:53:27,650 --> 00:53:24,420

with Maverick missiles

1226

00:53:30,049 --> 00:53:27,660

um uh you don't get a bill for that you

1227

00:53:32,630 --> 00:53:30,059

don't get you you're not held

1228

00:53:34,609 --> 00:53:32,640

responsible for that you know you're

1229

00:53:37,849 --> 00:53:34,619

putting lives into aren't you named

1230

00:53:41,750 --> 00:53:37,859

isn't the company named is it the no

1231

00:53:44,569 --> 00:53:41,760

we've got none of that none of that I

1232

00:53:47,630 --> 00:53:44,579

can if if I launched a balloon

1233

00:53:49,990 --> 00:53:47,640

and they fired missiles at it I'm sure

1234

00:53:54,770 --> 00:53:50,000

they would send me a bill

1235

00:53:56,470 --> 00:53:54,780

and they'd send reporters to your house

1236

00:54:00,410 --> 00:53:56,480

too

1237

00:54:02,990 --> 00:54:00,420

I would be publicly shamed like any

1238

00:54:06,950 --> 00:54:03,000

Corporation would right the Exxon Valdez

1239

00:54:08,870 --> 00:54:06,960

right publicly Chained and so when

1240

00:54:10,430 --> 00:54:08,880

something like that happened but in this

1241

00:54:13,010 --> 00:54:10,440

case

1242

00:54:15,829 --> 00:54:13,020

nothing and there's been a couple of

1243

00:54:20,210 --> 00:54:15,839

little suggestions it was this group no

1244

00:54:22,670 --> 00:54:20,220

not no no I I there's something funky

1245

00:54:24,049 --> 00:54:22,680

here if there was if there was a

1246

00:54:26,390 --> 00:54:24,059

corporation

1247

00:54:27,890 --> 00:54:26,400

um involved with this I think that the

1248

00:54:32,210 --> 00:54:27,900

government would be pointing fingers

1249

00:54:34,730 --> 00:54:32,220

very quickly and would say here's a fine

1250

00:54:37,190 --> 00:54:34,740

you know you you have to pay for the

1251

00:54:39,829 --> 00:54:37,200

fuel on that jet you know you have to

1252

00:54:43,490 --> 00:54:39,839

pay for the missile that costs American

1253

00:54:46,329 --> 00:54:43,500

taxpayers 500 000 you know to shoot that

1254

00:54:48,829 --> 00:54:46,339

thing down out of the sky

1255

00:54:51,490 --> 00:54:48,839

didn't those three happen just before

1256

00:54:55,490 --> 00:54:51,500

alien con were you an aliencon

1257

00:54:59,270 --> 00:54:55,500

uh no alien Khan was that was last week

1258

00:55:01,609 --> 00:54:59,280

now alien Khan was March 4-5 Yeah March

1259

00:55:04,490 --> 00:55:01,619

well okay two weeks yeah yeah it was two

1260

00:55:06,770 --> 00:55:04,500

weeks yeah so the so the the buzz I was

1261

00:55:10,309 --> 00:55:06,780

there selling my book the buds at

1262

00:55:13,069 --> 00:55:10,319

aliencon was that the three were um

1263

00:55:16,190 --> 00:55:13,079

we're alien drunk can you hear me did

1264

00:55:21,109 --> 00:55:18,530

did anybody hear that it was like a bit

1265

00:55:24,710 --> 00:55:21,119

boom

1266

00:55:27,770 --> 00:55:24,720

it was like uh it was like a a bass note

1267

00:55:30,049 --> 00:55:27,780

did anybody hear that

1268

00:55:32,089 --> 00:55:30,059

I mean it was low too it's like 60

1269

00:55:34,930 --> 00:55:32,099

Cycles maybe even lower

1270

00:55:38,809 --> 00:55:34,940

that was crazy

1271

00:55:42,290 --> 00:55:38,819

did anybody hear that low bass note I'm

1272

00:55:44,410 --> 00:55:42,300

gonna put that in the chat did anybody

1273

00:55:49,790 --> 00:55:44,420

here

1274

00:55:52,609 --> 00:55:49,800

that low bass note has that not happened

1275

00:55:55,549 --> 00:55:52,619

to you before no no no that was weird

1276

00:55:56,690 --> 00:55:55,559

sounding whoa

1277

00:55:58,790 --> 00:55:56,700

um

1278

00:56:00,349 --> 00:55:58,800

I don't know what that was oh yeah yeah

1279

00:56:06,410 --> 00:56:00,359

I'm getting yes

1280

00:56:07,750 --> 00:56:06,420

that's so cool maybe maybe the aliens

1281

00:56:11,210 --> 00:56:07,760

are listening

1282

00:56:13,250 --> 00:56:11,220

alien con the the buzz Jimmy there was

1283

00:56:15,970 --> 00:56:13,260

that they were um

1284

00:56:17,990 --> 00:56:15,980

uh non-man-made drones

1285

00:56:19,849 --> 00:56:18,000

non-man-made drones and they were

1286

00:56:21,829 --> 00:56:19,859

unoccupied drones

1287

00:56:22,670 --> 00:56:21,839

that that seemed to be the buzz going

1288

00:56:25,190 --> 00:56:22,680

around

1289

00:56:27,530 --> 00:56:25,200

at that show yeah yeah that's alien con

1290

00:56:29,089 --> 00:56:27,540

you know you know I love Giorgio and the

1291

00:56:31,309 --> 00:56:29,099

crew over there but it you know

1292

00:56:33,890 --> 00:56:31,319

everybody everybody that weekend is

1293

00:56:39,349 --> 00:56:33,900

wearing the tinfoil hats and they watch

1294

00:56:40,150 --> 00:56:39,359

me too me too you know you I would I

1295

00:56:44,870 --> 00:56:40,160

um

1296

00:56:46,790 --> 00:56:44,880

uh I want nothing more than the truth to

1297

00:56:48,770 --> 00:56:46,800

come out you know I know we're being

1298

00:56:51,650 --> 00:56:48,780

visited I've seen too many crazy things

1299

00:56:54,670 --> 00:56:51,660

I I that that I can't explain not all of

1300

00:56:56,630 --> 00:56:54,680

it is you know E.T it might be ET

1301
00:56:58,790 --> 00:56:56,640
derived

1302
00:57:00,230 --> 00:56:58,800
um and not all of it is ET but the

1303
00:57:02,210 --> 00:57:00,240
government knows more than they are

1304
00:57:10,190 --> 00:57:02,220
saying we got to take a quick break Dan

1305
00:57:14,809 --> 00:57:12,589
this is Jimmy Church of Fade to Black

1306
00:57:17,089 --> 00:57:14,819
please visit all of our sponsors we're

1307
00:57:20,930 --> 00:57:17,099
taking a quick break here all of the

1308
00:57:23,510 --> 00:57:20,940
links are below and we'll be right back

1309
00:57:25,849 --> 00:57:23,520
hey everybody it's Billy Carson also

1310
00:57:27,290 --> 00:57:25,859
known as Forbidden Knowledge I want to

1311
00:57:31,010 --> 00:57:27,300
talk to you about a very special event

1312
00:57:33,109 --> 00:57:31,020
coming up July 30th 2023 The Forbidden

1313
00:57:34,730 --> 00:57:33,119

conscious Awards we're going to honor

1314

00:57:37,130 --> 00:57:34,740

people who have been contributing to the

1315

00:57:38,630 --> 00:57:37,140

conscious Community for decades people

1316

00:57:40,370 --> 00:57:38,640

that you know and love that have helped

1317

00:57:42,349 --> 00:57:40,380

you get to higher levels of thought and

1318

00:57:44,569 --> 00:57:42,359

Consciousness and awareness it's going

1319

00:57:45,829 --> 00:57:44,579

to be alive in-person event but since

1320

00:57:47,329 --> 00:57:45,839

we're going to sell out very fast you

1321

00:57:49,370 --> 00:57:47,339

want to make sure you're there in person

1322

00:57:51,190 --> 00:57:49,380

and guess what you can help vote for the

1323

00:57:53,210 --> 00:57:51,200

winners voting is available on

1324

00:57:54,829 --> 00:57:53,220

forbiddenknowledge.com and the

1325

00:57:57,950 --> 00:57:54,839

categories are going to be social media

1326
00:57:59,829 --> 00:57:57,960
influencer podcast slash radio host TV

1327
00:58:01,609 --> 00:57:59,839
host actor director producer

1328
00:58:03,049 --> 00:58:01,619
entrepreneurs health and wellness

1329
00:58:05,510 --> 00:58:03,059
philanthropists authors field

1330
00:58:07,309 --> 00:58:05,520
researchers archaeologists space anomaly

1331
00:58:10,130 --> 00:58:07,319
hunters and of course a Lifetime

1332
00:58:12,049 --> 00:58:10,140
Achievement Award I'll be your keynote

1333
00:58:13,970 --> 00:58:12,059
speaker that night at The Forbidden

1334
00:58:16,309 --> 00:58:13,980
conscious Awards we have celebrity

1335
00:58:17,870 --> 00:58:16,319
guests performing we'll have a halftime

1336
00:58:19,490 --> 00:58:17,880
show where we're actually going to

1337
00:58:22,130 --> 00:58:19,500
perform music for you and don't forget

1338
00:58:24,109 --> 00:58:22,140

about the pre-event mixer where if you

1339

00:58:26,030 --> 00:58:24,119

buy a box seat we'll be in the VIP

1340

00:58:28,670 --> 00:58:26,040

section and you also have private access

1341

00:58:31,790 --> 00:58:28,680

to a big-ip mixer with celebrity guests

1342

00:58:33,589 --> 00:58:31,800

shake hands break bread Network and then

1343

00:58:35,390 --> 00:58:33,599

walk the red carpet with us and take

1344

00:58:36,710 --> 00:58:35,400

amazing photos it's going to be a night

1345

00:58:38,870 --> 00:58:36,720

to remember you don't want to forget

1346

00:58:40,549 --> 00:58:38,880

this make sure you hurry up and get your

1347

00:58:43,010 --> 00:58:40,559

tickets because you're selling out very

1348

00:58:44,810 --> 00:58:43,020

fast I want to see you there forbidden

1349

00:58:48,650 --> 00:58:44,820

conscious Awards 2023

1350

00:58:51,770 --> 00:58:48,660

[Music]

1351
00:58:54,950 --> 00:58:51,780
on Saturday April 1st that's right April

1352
00:58:57,170 --> 00:58:54,960
Fool's Day 2023 I will be hosting the

1353
00:59:00,650 --> 00:58:57,180
peripod festival at the Hyatt Regency

1354
00:59:03,109 --> 00:59:00,660
right here in Valencia California it's a

1355
00:59:06,170 --> 00:59:03,119
live one-day podcast Awards it's a film

1356
00:59:08,270 --> 00:59:06,180
festival it's a full-on media event

1357
00:59:10,069 --> 00:59:08,280
we're going to have Sky watching it's

1358
00:59:12,829 --> 00:59:10,079
going to be a Lifetime Achievement Award

1359
00:59:14,809 --> 00:59:12,839
presented to Linda Moulton Howe right

1360
00:59:16,910 --> 00:59:14,819
now you can submit your podcast your

1361
00:59:19,609 --> 00:59:16,920
film your TV series any of your

1362
00:59:21,589 --> 00:59:19,619
paranormal media for consideration you

1363
00:59:24,789 --> 00:59:21,599

can do all of that on the links below

1364

00:59:26,690 --> 00:59:24,799

for info and tickets go to

1365

00:59:29,770 --> 00:59:26,700

parapodfilmfest.com that's

1366

00:59:35,450 --> 00:59:33,829

April 7th through the 14th 2023 I'll be

1367

00:59:38,390 --> 00:59:35,460

hosting and presenting on the hidden

1368

00:59:40,970 --> 00:59:38,400

secrets seminar at Sea cruise from Los

1369

00:59:43,370 --> 00:59:40,980

Angeles to the Mexican Riviera on the

1370

00:59:45,950 --> 00:59:43,380

Navigator of the Seas that's right up

1371

00:59:47,630 --> 00:59:45,960

top a giant water slide you've got to

1372

00:59:49,549 --> 00:59:47,640

check out the Navigator of the Seas it's

1373

00:59:51,890 --> 00:59:49,559

amazing we've got Scott Walter Adam

1374

00:59:54,829 --> 00:59:51,900

Apollo Nick Pope Brad Olson Vivian

1375

00:59:57,109 --> 00:59:54,839

Chauvet Jason shirka Robert Grant Reuben

1376
00:59:59,450 --> 00:59:57,119
Langdon and another 12 amazing speakers

1377
01:00:00,849 --> 00:59:59,460
and presenters it's all simple to do

1378
01:00:03,849 --> 01:00:00,859
just visit

1379
01:00:07,190 --> 01:00:03,859
divinetravels.com forward slash hidden

1380
01:00:09,230 --> 01:00:07,200
secrets2023 you know you want to go on a

1381
01:00:12,650 --> 01:00:09,240
cruise with me

1382
01:00:15,470 --> 01:00:12,660
River Moon coffee makers of the Fade to

1383
01:00:17,289 --> 01:00:15,480
Black blend truly the best coffee on

1384
01:00:19,549 --> 01:00:17,299
planet Earth just visit

1385
01:00:21,410 --> 01:00:19,559
rivermoonwellness.com or or their Amazon

1386
01:00:22,849 --> 01:00:21,420
store if it's all simple to do you can

1387
01:00:24,890 --> 01:00:22,859
check out the Fade to Black blend the

1388
01:00:27,589 --> 01:00:24,900

game changer Blend or any of their black

1389

01:00:31,309 --> 01:00:27,599

moon wellness products it's the only

1390

01:00:36,650 --> 01:00:31,319

coffee I drink it is the best and it's

1391

01:00:36,660 --> 01:00:43,630

that's right River Moon coffee

1392

01:00:51,109 --> 01:00:48,650

I love my coffee uh hey Dan are you

1393

01:00:54,470 --> 01:00:51,119

still in uh Valencia

1394

01:00:56,690 --> 01:00:54,480

no I never lived in Valencia my my kids

1395

01:00:58,789 --> 01:00:56,700

and ex-wife live there I'm in Beverly

1396

01:01:00,770 --> 01:00:58,799

Hills oh you're of course you're in

1397

01:01:02,510 --> 01:01:00,780

Beverly Hills

1398

01:01:04,190 --> 01:01:02,520

I'm not rich I'm not a millionaire Timmy

1399

01:01:05,450 --> 01:01:04,200

I have to read you something you're not

1400

01:01:08,930 --> 01:01:05,460

going to believe this

1401

01:01:11,870 --> 01:01:08,940

I got an email while during your break

1402

01:01:14,270 --> 01:01:11,880

can I read this to you yeah sure

1403

01:01:16,010 --> 01:01:14,280

okay I just got this a few minutes Dan I

1404

01:01:18,069 --> 01:01:16,020

am listening to you on Jimmy Church

1405

01:01:20,990 --> 01:01:18,079

328-23

1406

01:01:22,309 --> 01:01:21,000

remarkably enough my father Millard

1407

01:01:24,829 --> 01:01:22,319

Brenner

1408

01:01:27,109 --> 01:01:24,839

was also a radar engineer at Fort

1409

01:01:29,750 --> 01:01:27,119

Monmouth in the 1950s

1410

01:01:32,329 --> 01:01:29,760

and I know what he was working on

1411

01:01:33,849 --> 01:01:32,339

they were building and programming the

1412

01:01:35,410 --> 01:01:33,859

very first

1413

01:01:37,970 --> 01:01:35,420

radar-controlled

1414

01:01:38,930 --> 01:01:37,980
anti-aircraft missile battery in the

1415

01:01:43,069 --> 01:01:38,940
world

1416

01:01:46,549 --> 01:01:43,079
with Nike Ajax missiles to destroy the

1417

01:01:49,130 --> 01:01:46,559
Soviet backfire bombers that were flying

1418

01:01:52,010 --> 01:01:49,140
over the North Pole to Nuke us

1419

01:01:54,170 --> 01:01:52,020
apparently my father was not under any

1420

01:01:56,809 --> 01:01:54,180
security restraints to tell me that much

1421

01:01:58,730 --> 01:01:56,819
about a project his project I also

1422

01:02:01,309 --> 01:01:58,740
remember going to the fourth of the

1423

01:02:03,349 --> 01:02:01,319
Fourth of July as a child to see a

1424

01:02:06,530 --> 01:02:03,359
performance by the military and marching

1425

01:02:11,890 --> 01:02:06,540
band is this unbelievable It's a Small

1426

01:02:15,730 --> 01:02:14,329

I wouldn't want to paint it

1427

01:02:18,109 --> 01:02:15,740

right

1428

01:02:21,549 --> 01:02:18,119

that's Stephen um

1429

01:02:24,410 --> 01:02:21,559

Steven Wright you've been ready

1430

01:02:26,890 --> 01:02:24,420

our fathers also had one of the Nike

1431

01:02:31,730 --> 01:02:26,900

Nikes which I believe were liquid-fueled

1432

01:02:34,430 --> 01:02:31,740

explode around 1957 killing a soldier

1433

01:02:36,589 --> 01:02:34,440

since these were potentially nuclear

1434

01:02:38,510 --> 01:02:36,599

warhead missiles there was a lot of Buzz

1435

01:02:40,970 --> 01:02:38,520

about that in the Press but apparently

1436

01:02:43,849 --> 01:02:40,980

the Nike didn't have a nuke on it so

1437

01:02:46,970 --> 01:02:43,859

there was no radiation my father his

1438

01:02:49,309 --> 01:02:46,980

father had a number of UFO books on his

1439

01:02:51,890 --> 01:02:49,319

shelf besides the ones he had about

1440

01:02:56,089 --> 01:02:51,900

physics and electronics and radar

1441

01:02:57,250 --> 01:02:56,099

he had a book by Wilhelm Reich do you

1442

01:03:01,609 --> 01:02:57,260

know that name

1443

01:03:03,190 --> 01:03:01,619

bizarre orgone Oregon energy theories

1444

01:03:06,289 --> 01:03:03,200

and he had

1445

01:03:10,069 --> 01:03:06,299

rupelts bizarre the case for the UFO

1446

01:03:12,849 --> 01:03:10,079

and keho's books as well so this guy's

1447

01:03:15,650 --> 01:03:12,859

father and my father were were

1448

01:03:16,630 --> 01:03:15,660

contemporaries apparently yeah yeah yeah

1449

01:03:19,069 --> 01:03:16,640

yeah

1450

01:03:21,710 --> 01:03:19,079

you never know who's listening to the

1451
01:03:25,789 --> 01:03:21,720
show you know it's a it's a big audience

1452
01:03:27,950 --> 01:03:25,799
and and uh it's pretty amazing to me uh

1453
01:03:30,349 --> 01:03:27,960
the emails that I get um after every

1454
01:03:33,950 --> 01:03:30,359
show and every guess it's it's just

1455
01:03:36,109 --> 01:03:33,960
varied and uh you know mainly people

1456
01:03:38,690 --> 01:03:36,119
that have never heard from before uh

1457
01:03:42,829 --> 01:03:38,700
like you uh right now

1458
01:03:44,510 --> 01:03:42,839
um anyway the peripod I was asking uh I

1459
01:03:46,190 --> 01:03:44,520
I thought you said Valencia but anyway

1460
01:03:48,170 --> 01:03:46,200
so you're in Beverly Hills you're going

1461
01:03:50,829 --> 01:03:48,180
to come out to the parapod festival uh

1462
01:03:53,690 --> 01:03:50,839
this weekend up in Valencia

1463
01:03:56,990 --> 01:03:53,700

no uh actually I have a friend's wedding

1464

01:03:59,870 --> 01:03:57,000

to go to but uh yeah much more important

1465

01:04:01,730 --> 01:03:59,880

uh was that UFO con last weekend up in

1466

01:04:05,329 --> 01:04:01,740

San Francisco do you know Lorien Fenton

1467

01:04:08,630 --> 01:04:05,339

no I don't the solarian puts on the UFO

1468

01:04:12,230 --> 01:04:08,640

con up in San Fran and that's where I

1469

01:04:13,970 --> 01:04:12,240

bonded with Steve Bassett uh he and I

1470

01:04:15,829 --> 01:04:13,980

had a little bit dinner very quick

1471

01:04:17,450 --> 01:04:15,839

meeting he was meeting with some people

1472

01:04:19,730 --> 01:04:17,460

I was having dinner with my brother and

1473

01:04:22,309 --> 01:04:19,740

I told him about my book and I gave him

1474

01:04:23,870 --> 01:04:22,319

my card he goes oh you're a publicist he

1475

01:04:25,970 --> 01:04:23,880

goes we have to work together so I'm

1476

01:04:27,349 --> 01:04:25,980

waiting to hear back Steve and I are

1477

01:04:29,329 --> 01:04:27,359

going to get together sometime in the

1478

01:04:31,309 --> 01:04:29,339

near future yeah Steve's got a couple of

1479

01:04:36,049 --> 01:04:31,319

big things that he's working on right

1480

01:04:38,569 --> 01:04:36,059

now and uh good PR is definitely in his

1481

01:04:41,150 --> 01:04:38,579

future with uh with what he's got I

1482

01:04:43,490 --> 01:04:41,160

can't I can't discuss it any further and

1483

01:04:46,130 --> 01:04:43,500

we we can't discuss it any further but

1484

01:04:48,530 --> 01:04:46,140

he's got some stuff he's got some pretty

1485

01:04:51,950 --> 01:04:48,540

exciting things going on right now

1486

01:04:54,770 --> 01:04:51,960

and uh the uh the announcements are

1487

01:04:58,789 --> 01:04:54,780

going to be happening here very soon but

1488

01:05:01,190 --> 01:04:58,799

um the uh the other part about this uh

1489

01:05:04,609 --> 01:05:01,200

uh getting back on track

1490

01:05:07,730 --> 01:05:04,619

the other part about this when

1491

01:05:10,789 --> 01:05:07,740

um we have the announcements that

1492

01:05:12,950 --> 01:05:10,799

happened back in December 2017. you

1493

01:05:15,410 --> 01:05:12,960

mentioned Leslie Kane and Ralph

1494

01:05:17,690 --> 01:05:15,420

Blumenthal earlier

1495

01:05:20,930 --> 01:05:17,700

um and and the way that the media uh

1496

01:05:22,789 --> 01:05:20,940

took off and and ran with the story it

1497

01:05:25,910 --> 01:05:22,799

it tells me a couple of things and the

1498

01:05:27,710 --> 01:05:25,920

first thing that it tells me is that

1499

01:05:31,309 --> 01:05:27,720

um the media

1500

01:05:34,309 --> 01:05:31,319

is okay with this subject when somebody

1501

01:05:37,789 --> 01:05:34,319

tells them it's okay right like a switch

1502

01:05:40,970 --> 01:05:37,799

gets flipped and it it it's go time

1503

01:05:42,410 --> 01:05:40,980

because after years of Silence on this

1504

01:05:45,650 --> 01:05:42,420

issue decades

1505

01:05:49,069 --> 01:05:45,660

suddenly right it's not only front page

1506

01:05:52,789 --> 01:05:49,079

news but it's it's it's

1507

01:05:55,309 --> 01:05:52,799

um uh mainstream and it's on all of the

1508

01:05:57,910 --> 01:05:55,319

networks in prime time

1509

01:06:00,230 --> 01:05:57,920

for the next couple of years

1510

01:06:02,270 --> 01:06:00,240

and I thought that that was pretty

1511

01:06:06,170 --> 01:06:02,280

interesting the other part about this

1512

01:06:10,849 --> 01:06:06,180

though is the way that the Department of

1513

01:06:15,049 --> 01:06:10,859

Defense was kind of handling this

1514

01:06:17,270 --> 01:06:15,059

um suggesting E.T on one hand

1515

01:06:20,210 --> 01:06:17,280

um very openly

1516

01:06:22,069 --> 01:06:20,220

um the creation of not only a task force

1517

01:06:26,029 --> 01:06:22,079

but a new moniker that we're all using

1518

01:06:27,829 --> 01:06:26,039

now uaps right all of this is is brand

1519

01:06:31,430 --> 01:06:27,839

new stuff and it happened very very

1520

01:06:34,910 --> 01:06:31,440

quickly the third part about this

1521

01:06:38,410 --> 01:06:34,920

is it is it from out there

1522

01:06:41,450 --> 01:06:38,420

or is it ours

1523

01:06:44,029 --> 01:06:41,460

and the Department of Defense has never

1524

01:06:48,170 --> 01:06:44,039

been clear on that

1525

01:06:52,849 --> 01:06:48,180

and it makes you wonder that if the

1526

01:06:55,370 --> 01:06:52,859

Nimitz wasn't a test of of some

1527

01:06:58,910 --> 01:06:55,380

technology that we possess

1528

01:07:03,049 --> 01:06:58,920

um it was done during uh Naval exercises

1529

01:07:03,950 --> 01:07:03,059

right it's it's on a carrier task force

1530

01:07:07,010 --> 01:07:03,960

group

1531

01:07:11,089 --> 01:07:07,020

and that's a pretty good testing

1532

01:07:14,029 --> 01:07:11,099

atmosphere right and so when we you know

1533

01:07:17,630 --> 01:07:14,039

you have that theater going on and it's

1534

01:07:21,710 --> 01:07:17,640

big why not test something and it's that

1535

01:07:24,589 --> 01:07:21,720

that possibility lies out there and it

1536

01:07:26,510 --> 01:07:24,599

seems that uh the government and the

1537

01:07:28,970 --> 01:07:26,520

media and even some of the witnesses

1538

01:07:31,130 --> 01:07:28,980

that have come forward have suggested

1539

01:07:34,970 --> 01:07:31,140

all three things

1540

01:07:37,609 --> 01:07:34,980

right and could it can't be all three

1541

01:07:39,529 --> 01:07:37,619

right it has to be something specific

1542

01:07:42,289 --> 01:07:39,539

but isn't that an interesting

1543

01:07:45,470 --> 01:07:42,299

conversation to be happening right now

1544

01:07:48,529 --> 01:07:45,480

in the media about this subject

1545

01:07:51,230 --> 01:07:48,539

well you know in 2017 is when uh the

1546

01:07:53,569 --> 01:07:51,240

uaps and Leslie Keane and lumenthal and

1547

01:07:56,329 --> 01:07:53,579

the New York Times and that was huge

1548

01:07:59,089 --> 01:07:56,339

huge huge huge and it's like okay

1549

01:08:01,069 --> 01:07:59,099

the UF uaps and we don't know where they

1550

01:08:02,690 --> 01:08:01,079

are and maybe they're alien but we're

1551

01:08:05,690 --> 01:08:02,700

not quite sure and that got tons of

1552

01:08:08,930 --> 01:08:05,700

press like you said and okay we are now

1553

01:08:11,750 --> 01:08:08,940

seven years later seven years later

1554

01:08:14,710 --> 01:08:11,760

from that and we just had again we just

1555

01:08:18,050 --> 01:08:14,720

had the three over North America and and

1556

01:08:21,410 --> 01:08:18,060

it's skirt like a frisbee skirting a

1557

01:08:23,269 --> 01:08:21,420

frisbee off a swimming pool those they

1558

01:08:25,490 --> 01:08:23,279

oh yeah yeah yeah three things okay but

1559

01:08:28,070 --> 01:08:25,500

the China balloon so it just skirted it

1560

01:08:31,309 --> 01:08:28,080

didn't capture the the media's attention

1561

01:08:34,070 --> 01:08:31,319

why weren't people hounding the military

1562

01:08:35,870 --> 01:08:34,080

and Biden and every single day Mr

1563

01:08:37,849 --> 01:08:35,880

President you need to tell us we need

1564

01:08:40,430 --> 01:08:37,859

they just like like you said earlier

1565

01:08:41,809 --> 01:08:40,440

they just accept lies they accept look

1566

01:08:43,550 --> 01:08:41,819

at this hand don't look at that hand

1567

01:08:45,169 --> 01:08:43,560

look over here because we only want you

1568

01:08:47,030 --> 01:08:45,179

to see the China boat

1569

01:08:50,329 --> 01:08:47,040

so

1570

01:08:52,849 --> 01:08:50,339

media is very is like

1571

01:08:55,309 --> 01:08:52,859

kicking and and scratching and biting

1572

01:08:57,349 --> 01:08:55,319

they don't wanna they don't wanna cover

1573

01:09:01,550 --> 01:08:57,359

they don't want to cover this topic they

1574

01:09:03,110 --> 01:09:01,560

don't want to uh to to give Credence to

1575

01:09:05,570 --> 01:09:03,120

people who believe in ancient alien

1576

01:09:08,570 --> 01:09:05,580

Theory like I do very very much

1577

01:09:12,829 --> 01:09:08,580

I'm a very big believer in that

1578

01:09:16,189 --> 01:09:12,839

um I met Giorgio in 2007 at a mufon la

1579

01:09:18,590 --> 01:09:16,199

seminar at the same church Studio City

1580

01:09:20,689 --> 01:09:18,600

Jimmy where I'm at I was there I was

1581

01:09:22,430 --> 01:09:20,699

there that night yeah okay so I was

1582

01:09:24,470 --> 01:09:22,440

there and I met him I listened to his

1583

01:09:26,150 --> 01:09:24,480

remarks now this is before Ancient

1584

01:09:28,789 --> 01:09:26,160

Aliens was on TV

1585

01:09:30,289 --> 01:09:28,799

uh I just I started really studying the

1586

01:09:32,570 --> 01:09:30,299

subject in of seven

1587

01:09:34,130 --> 01:09:32,580

and I went and I heard him and first

1588

01:09:37,130 --> 01:09:34,140

time at any of these you know the

1589

01:09:40,490 --> 01:09:37,140

pyramids and and cave drawings and and

1590

01:09:42,650 --> 01:09:40,500

biblical references and and all of these

1591

01:09:45,050 --> 01:09:42,660

wonderful things DN alien DNA made

1592

01:09:47,930 --> 01:09:45,060

mankind I was sitting there like a kid

1593

01:09:50,510 --> 01:09:47,940

in a candy store I was enthralled I was

1594

01:09:52,729 --> 01:09:50,520

really truly I was touched and after the

1595

01:09:55,070 --> 01:09:52,739

end of it I shook his hand I go Giorgio

1596

01:09:57,950 --> 01:09:55,080

I actually teared my eye I said Giorgio

1597

01:09:59,510 --> 01:09:57,960

you've opened my my mind in my heart to

1598

01:10:01,669 --> 01:09:59,520

new possibilities

1599

01:10:03,590 --> 01:10:01,679

and thank you and then I hug them and

1600

01:10:06,890 --> 01:10:03,600

and and he said thanks man that's cool

1601
01:10:08,750 --> 01:10:06,900
so since then I've just been learning

1602
01:10:11,330 --> 01:10:08,760
about there's so much no I mean you're

1603
01:10:13,430 --> 01:10:11,340
certainly an authority in this field but

1604
01:10:16,430 --> 01:10:13,440
I've been meeting uh Nick Pope has

1605
01:10:18,890 --> 01:10:16,440
become kind of a buddy of mine I he gave

1606
01:10:20,510 --> 01:10:18,900
me a wonderful quote from my book I met

1607
01:10:22,490 --> 01:10:20,520
him at alien con I'm gonna have dinner

1608
01:10:24,410 --> 01:10:22,500
with him at Musa with Frank's in

1609
01:10:25,970 --> 01:10:24,420
Hollywood the next time he's in La he

1610
01:10:27,470 --> 01:10:25,980
has a standing offer with me to have

1611
01:10:29,209 --> 01:10:27,480
dinner

1612
01:10:32,630 --> 01:10:29,219
um I've I've been immersing myself

1613
01:10:34,669 --> 01:10:32,640

because of my father and this book and

1614

01:10:36,709 --> 01:10:34,679

and my interest and and the timing

1615

01:10:39,350 --> 01:10:36,719

certainly happened for me my book came

1616

01:10:41,330 --> 01:10:39,360

out right when the three uaps over North

1617

01:10:44,030 --> 01:10:41,340

America were out the same week my book

1618

01:10:46,729 --> 01:10:44,040

came out so all of these things have

1619

01:10:48,830 --> 01:10:46,739

clustered together for me I just my

1620

01:10:50,270 --> 01:10:48,840

passion I'm a publicist I know media

1621

01:10:52,790 --> 01:10:50,280

I've been working with media for 40

1622

01:10:55,250 --> 01:10:52,800

years every day for 40 years

1623

01:10:57,830 --> 01:10:55,260

I want to shake them by the throat and

1624

01:11:01,130 --> 01:10:57,840

say what is wrong with you people there

1625

01:11:04,070 --> 01:11:01,140

is so much evidence here go listen to

1626

01:11:06,350 --> 01:11:04,080

Eric or Giorgio or you or Nick Pope go

1627

01:11:09,470 --> 01:11:06,360

go watch Ancient Aliens just watch it

1628

01:11:11,750 --> 01:11:09,480

five episodes and and be open-minded to

1629

01:11:14,810 --> 01:11:11,760

the possibilities you know read Richard

1630

01:11:17,810 --> 01:11:14,820

Dolan's books read Leslie King look into

1631

01:11:20,270 --> 01:11:17,820

this topic oh little green man my mother

1632

01:11:23,270 --> 01:11:20,280

enough with the aliens enough with the

1633

01:11:26,689 --> 01:11:23,280

people are not open-minded and

1634

01:11:30,770 --> 01:11:26,699

open-hearted our parents our our parents

1635

01:11:32,209 --> 01:11:30,780

I'm 66. my parents my teachers my Rabbi

1636

01:11:35,330 --> 01:11:32,219

my friends

1637

01:11:37,550 --> 01:11:35,340

we didn't discuss

1638

01:11:39,229 --> 01:11:37,560

life in outer space we discussed hey did

1639

01:11:41,270 --> 01:11:39,239

you get the new Led Zeppelin record yeah

1640

01:11:42,890 --> 01:11:41,280

that song Stairway to Heaven man is that

1641

01:11:45,350 --> 01:11:42,900

the greatest song you ever heard come on

1642

01:11:46,970 --> 01:11:45,360

over my house and then tomorrow we'll go

1643

01:11:49,550 --> 01:11:46,980

to your house and listen to Dark Side of

1644

01:11:51,410 --> 01:11:49,560

the Moon that was my that was my life

1645

01:11:53,750 --> 01:11:51,420

that was those were my years

1646

01:11:56,090 --> 01:11:53,760

but this is a very passion I'm very

1647

01:11:58,850 --> 01:11:56,100

passionate about this topic and and it

1648

01:12:00,530 --> 01:11:58,860

pains me my daughter's 33 I always say

1649

01:12:02,330 --> 01:12:00,540

to her I said you know I hope you live

1650

01:12:04,790 --> 01:12:02,340

long enough to see disclosure I hope it

1651
01:12:06,169 --> 01:12:04,800
happens in your lifetime you know I

1652
01:12:08,750 --> 01:12:06,179
don't know that it's going to happen in

1653
01:12:12,169 --> 01:12:08,760
my I hope it happens it hurts well I

1654
01:12:13,370 --> 01:12:12,179
think that the media uh found out very

1655
01:12:16,070 --> 01:12:13,380
quickly

1656
01:12:19,310 --> 01:12:16,080
uh how much interest there is in this

1657
01:12:23,750 --> 01:12:19,320
subject they've been you know silent on

1658
01:12:26,570 --> 01:12:23,760
it for for decades but when they chose

1659
01:12:30,110 --> 01:12:26,580
to cover it they saw what the clicks

1660
01:12:33,410 --> 01:12:30,120
were like you know if if uh if Tucker

1661
01:12:36,970 --> 01:12:33,420
Carlson is talking about UFOs on prime

1662
01:12:41,330 --> 01:12:36,980
time or or the BBC or CNN

1663
01:12:44,570 --> 01:12:41,340

it's because there is a huge interest in

1664

01:12:47,630 --> 01:12:44,580

this and that the world is ready for it

1665

01:12:50,390 --> 01:12:47,640

so the media knows that if they cover

1666

01:12:55,490 --> 01:12:50,400

this now it's it's not a funny subject

1667

01:12:59,630 --> 01:12:55,500

this isn't I think that most most of the

1668

01:13:01,610 --> 01:12:59,640

not most of the people that that uh I

1669

01:13:04,790 --> 01:13:01,620

don't want to say that are educated but

1670

01:13:06,709 --> 01:13:04,800

those that are aware know that the

1671

01:13:09,770 --> 01:13:06,719

universe is a very very very very very

1672

01:13:12,229 --> 01:13:09,780

big place you know half of this planet

1673

01:13:13,450 --> 01:13:12,239

doesn't give a crap they're worried

1674

01:13:18,229 --> 01:13:13,460

about

1675

01:13:20,510 --> 01:13:18,239

meals and food and and are housed warm

1676

01:13:21,890 --> 01:13:20,520

every night and they're not necessarily

1677

01:13:25,250 --> 01:13:21,900

on the internet and they're certainly

1678

01:13:28,250 --> 01:13:25,260

not listening to fade to black but

1679

01:13:31,189 --> 01:13:28,260

um so for them well yeah but that's not

1680

01:13:35,030 --> 01:13:31,199

who the media is is catering to that's

1681

01:13:39,229 --> 01:13:35,040

not uh who advertisers are advertising

1682

01:13:41,630 --> 01:13:39,239

to on on Fox and but so that part of it

1683

01:13:44,590 --> 01:13:41,640

the other half of the world no they they

1684

01:13:49,189 --> 01:13:44,600

get it I I truly do I don't think that

1685

01:13:51,050 --> 01:13:49,199

anybody would be surprised that E.T is

1686

01:13:53,930 --> 01:13:51,060

visiting this planet no I think that

1687

01:13:55,970 --> 01:13:53,940

they understand how many how many uh

1688

01:13:57,290 --> 01:13:55,980

galaxies are out there how many planets

1689

01:13:59,030 --> 01:13:57,300

are out there and how big the universe

1690

01:14:01,610 --> 01:13:59,040

really is I don't think it's a big deal

1691

01:14:03,050 --> 01:14:01,620

anymore and the media now understands

1692

01:14:05,030 --> 01:14:03,060

that

1693

01:14:07,130 --> 01:14:05,040

you know you wonder if you know you and

1694

01:14:09,350 --> 01:14:07,140

I grew up I think I'm older than you but

1695

01:14:11,450 --> 01:14:09,360

you know Walter we grew up with Walter

1696

01:14:13,850 --> 01:14:11,460

Cronkite Walter Cronkite was the most

1697

01:14:16,850 --> 01:14:13,860

trusted man in America he delivered the

1698

01:14:19,130 --> 01:14:16,860

news every word he said was true the

1699

01:14:21,530 --> 01:14:19,140

only time my dad ever watched TV was he

1700

01:14:25,189 --> 01:14:21,540

we watched Walter Cronkite right he was

1701

01:14:28,370 --> 01:14:25,199

trusted he was reliable you wonder if if

1702

01:14:31,010 --> 01:14:28,380

he were alive today would he have the

1703

01:14:33,110 --> 01:14:31,020

balls right where where is a Walter

1704

01:14:36,050 --> 01:14:33,120

crunk where is someone who in major

1705

01:14:38,450 --> 01:14:36,060

media presence who would have the balls

1706

01:14:41,149 --> 01:14:38,460

and say I'm I'm breaking through I'm

1707

01:14:43,010 --> 01:14:41,159

gonna I'm gonna be the one to say you

1708

01:14:44,930 --> 01:14:43,020

know it's from my research and my

1709

01:14:47,090 --> 01:14:44,940

investigations and my studies I've

1710

01:14:49,790 --> 01:14:47,100

talked to experts or all over the book

1711

01:14:52,850 --> 01:14:49,800

talk to Eric and George L and Jimmy and

1712

01:14:54,649 --> 01:14:52,860

Nick Pope and and William Henry and

1713

01:14:57,350 --> 01:14:54,659

George Knapp I've talked to these people

1714

01:15:00,530 --> 01:14:57,360

I you know I've spent hours this stuff

1715

01:15:02,689 --> 01:15:00,540

is real folks right what why can't we

1716

01:15:06,729 --> 01:15:02,699

have even a Tucker call center or a Jake

1717

01:15:09,290 --> 01:15:06,739

Tapper why can't we have a major one

1718

01:15:11,450 --> 01:15:09,300

right through the Clutter and it says

1719

01:15:14,330 --> 01:15:11,460

you know what this stuff is real let's

1720

01:15:17,390 --> 01:15:14,340

it's coming disclosure is coming this is

1721

01:15:19,970 --> 01:15:17,400

real you guys and and let's start to

1722

01:15:23,050 --> 01:15:19,980

have an open dialogue I'm still waiting

1723

01:15:25,990 --> 01:15:23,060

for that day well we did have Larry King

1724

01:15:29,930 --> 01:15:26,000

but the timing was wrong

1725

01:15:33,110 --> 01:15:29,940

Larry Larry definitely supported it and

1726

01:15:36,290 --> 01:15:33,120

was very curious and and did a lot of

1727

01:15:38,870 --> 01:15:36,300

really great shows covering this

1728

01:15:42,229 --> 01:15:38,880

um but the timing was wrong

1729

01:15:44,950 --> 01:15:42,239

if Larry King was around today

1730

01:15:48,830 --> 01:15:44,960

um covering it like he did in the past

1731

01:15:52,490 --> 01:15:48,840

with you know uaps and the task force

1732

01:15:54,350 --> 01:15:52,500

and Congress and Angela brand and Rubio

1733

01:15:57,290 --> 01:15:54,360

and everything that's going on he would

1734

01:16:01,130 --> 01:15:57,300

it would be a different world but you

1735

01:16:04,090 --> 01:16:01,140

know we and and Larry as big as he was

1736

01:16:06,850 --> 01:16:04,100

you know Larry

1737

01:16:09,169 --> 01:16:06,860

Larry at at

1738

01:16:11,570 --> 01:16:09,179

one period in time he was the biggest

1739

01:16:13,669 --> 01:16:11,580

voice of anything in the world right I

1740

01:16:17,390 --> 01:16:13,679

mean that was that was a big deal the

1741

01:16:19,970 --> 01:16:17,400

Larry King live show and and uh but the

1742

01:16:22,070 --> 01:16:19,980

timing was wrong right I was gonna say I

1743

01:16:24,649 --> 01:16:22,080

think he was his Peak I think was the

1744

01:16:26,990 --> 01:16:24,659

maybe mid 80s to maybe midnight mid to

1745

01:16:29,149 --> 01:16:27,000

late 90s I used to see him at Nate Nails

1746

01:16:31,910 --> 01:16:29,159

Deli all the time I've met Larry I used

1747

01:16:33,290 --> 01:16:31,920

to represent Sid Caesar so since Caesar

1748

01:16:34,910 --> 01:16:33,300

and I used to have breakfast with Larry

1749

01:16:38,209 --> 01:16:34,920

King so I've met Larry King a number of

1750

01:16:41,930 --> 01:16:38,219

times but yeah okay so where's the Larry

1751

01:16:43,850 --> 01:16:41,940

King or or any prom why can't one guy

1752

01:16:46,850 --> 01:16:43,860

stick his neck out right

1753

01:16:49,010 --> 01:16:46,860

now we do have Georgia Nori right we

1754

01:16:50,990 --> 01:16:49,020

have George Nori he's he's millions of

1755

01:16:52,430 --> 01:16:51,000

people listen to him I have lots of

1756

01:16:54,890 --> 01:16:52,440

people that listen to him

1757

01:16:56,990 --> 01:16:54,900

and I'm hoping maybe to get on his show

1758

01:17:00,649 --> 01:16:57,000

I would love to be on his show because I

1759

01:17:03,890 --> 01:17:00,659

admire what he's doing but why isn't he

1760

01:17:06,169 --> 01:17:03,900

the Walter Cronkite of ufology why isn't

1761

01:17:08,630 --> 01:17:06,179

he taking why doesn't the New York Times

1762

01:17:10,370 --> 01:17:08,640

report on on what George is telling us

1763

01:17:12,770 --> 01:17:10,380

every night right I I don't I can't

1764

01:17:15,229 --> 01:17:12,780

figure it out well yeah I'm the wrong

1765

01:17:17,689 --> 01:17:15,239

guy to ask that I know George too well

1766

01:17:20,450 --> 01:17:17,699

and I work for coast to coast for seven

1767

01:17:23,090 --> 01:17:20,460

years right I know that I know so I've

1768

01:17:25,669 --> 01:17:23,100

I've got my opinions there but but

1769

01:17:30,470 --> 01:17:25,679

here's the other thing

1770

01:17:33,169 --> 01:17:30,480

um you're you have a PR firm so if you

1771

01:17:35,209 --> 01:17:33,179

have you've got your own book but let's

1772

01:17:39,169 --> 01:17:35,219

say

1773

01:17:41,630 --> 01:17:39,179

um you pick up somebody that uh is a is

1774

01:17:45,290 --> 01:17:41,640

a celebrity is an athlete is it known

1775

01:17:47,870 --> 01:17:45,300

right a known person uh that writes a

1776

01:17:50,209 --> 01:17:47,880

book about ET and contact maybe an

1777

01:17:53,510 --> 01:17:50,219

abduction experience

1778

01:17:56,570 --> 01:17:53,520

um how how does the media respond to you

1779

01:17:59,030 --> 01:17:56,580

as you get press releases out there

1780

01:18:00,770 --> 01:17:59,040

right I mean you're the person to ask

1781

01:18:03,050 --> 01:18:00,780

about this how would they respond to

1782

01:18:07,430 --> 01:18:03,060

that I'll I'll put I'll pull out a name

1783

01:18:09,410 --> 01:18:07,440

let's let's go big let's say I mean

1784

01:18:12,229 --> 01:18:09,420

let's go big I was gonna say Will Smith

1785

01:18:14,870 --> 01:18:12,239

but he would slap me if I no like let's

1786

01:18:18,890 --> 01:18:14,880

go let's go with Will Smith Will Smith

1787

01:18:21,649 --> 01:18:18,900

writes a book alien abduction right he

1788

01:18:24,130 --> 01:18:21,659

was abducted and he writes the book

1789

01:18:28,010 --> 01:18:24,140

does

1790

01:18:30,229 --> 01:18:28,020

the pr uh campaign happen is it

1791

01:18:34,010 --> 01:18:30,239

effective is it effective because he's

1792

01:18:36,470 --> 01:18:34,020

Will Smith or do they laugh about it

1793

01:18:38,510 --> 01:18:36,480

well because of the slap that's a tough

1794

01:18:40,610 --> 01:18:38,520

one that really is a tough one let's go

1795

01:18:43,130 --> 01:18:40,620

with Tom Hanks all right how about Tom

1796

01:18:45,610 --> 01:18:43,140

Hanks Tom Hanks is good Jerry Seinfeld

1797

01:18:50,630 --> 01:18:45,620

right let's you know

1798

01:18:52,209 --> 01:18:50,640

I was abducted oh sure sure yeah Kramer

1799

01:18:55,490 --> 01:18:52,219

where's my coffee

1800

01:18:58,490 --> 01:18:55,500

Tom Hanks would be the one if Tom Hanks

1801

01:19:00,770 --> 01:18:58,500

wrote a book you know what world believe

1802

01:19:02,810 --> 01:19:00,780

it or not when I was eight I saw

1803

01:19:06,110 --> 01:19:02,820

something with my parents in the woods

1804

01:19:08,630 --> 01:19:06,120

we saw a little creature and and we saw

1805

01:19:11,510 --> 01:19:08,640

lights in the sky and and I have a

1806

01:19:13,490 --> 01:19:11,520

friend who was taken and he swears well

1807

01:19:16,250 --> 01:19:13,500

it would be the number one bestseller in

1808

01:19:18,950 --> 01:19:16,260

the world everyone would read it he

1809

01:19:22,850 --> 01:19:18,960

would be on every show he's a voice of

1810

01:19:27,590 --> 01:19:22,860

authority people admire and respect him

1811

01:19:27,600 --> 01:19:30,890

you don't hear that

1812

01:19:30,900 --> 01:19:42,970

that's crazy man

1813

01:19:47,930 --> 01:19:46,189

especially you know what it sounds like

1814

01:19:50,390 --> 01:19:47,940

it sounds like

1815

01:19:52,490 --> 01:19:50,400

um the movie contact

1816

01:19:54,290 --> 01:19:52,500

when when the signal comes in and

1817

01:19:57,590 --> 01:19:54,300

they're recording it that's what it

1818

01:19:59,209 --> 01:19:57,600

sounds like wow yeah see I heard it I

1819

01:20:01,370 --> 01:19:59,219

heard it yep I heard it yeah that's

1820

01:20:04,189 --> 01:20:01,380

that's weird I don't know what that is

1821

01:20:07,310 --> 01:20:04,199

all right all right so if anyone

1822

01:20:08,330 --> 01:20:07,320

anyone who is admired and a trusted

1823

01:20:10,310 --> 01:20:08,340

figure

1824

01:20:11,510 --> 01:20:10,320

and I'm the publicist it's going to be

1825

01:20:13,370 --> 01:20:11,520

everywhere in the world it's going to be

1826

01:20:15,470 --> 01:20:13,380

everywhere in the world okay I just

1827

01:20:17,689 --> 01:20:15,480

wrote a book I've been pitching this

1828

01:20:20,870 --> 01:20:17,699

book it came out March 1st it's been a

1829

01:20:25,010 --> 01:20:20,880

month I pitched the New York Times CNN

1830

01:20:28,430 --> 01:20:25,020

people USA Today AP Wall Street Journal

1831

01:20:32,810 --> 01:20:28,440

I'm a major publicist I know people in

1832

01:20:36,350 --> 01:20:32,820

in media Jimmy no one not one

1833

01:20:38,149 --> 01:20:36,360

not one major in a mainstream I'm going

1834

01:20:41,030 --> 01:20:38,159

to say mainstream media not one person

1835

01:20:44,750 --> 01:20:41,040

even responded to me having said that

1836

01:20:47,630 --> 01:20:44,760

I'm blessed that you responded to me and

1837

01:20:51,110 --> 01:20:47,640

some other UFO podcasters around the

1838

01:20:53,270 --> 01:20:51,120

world Canada UK Australia I've been

1839

01:20:55,610 --> 01:20:53,280

doing a number of interviews I just was

1840

01:20:57,350 --> 01:20:55,620

on mufons podcast or I'll bet on move

1841

01:20:59,270 --> 01:20:57,360

finds podcast with Richard Beckwith he

1842

01:21:02,149 --> 01:20:59,280

interviewed me the other day

1843

01:21:04,310 --> 01:21:02,159

I'm talking it's preaching to the choir

1844

01:21:07,130 --> 01:21:04,320

I'm talking to people

1845

01:21:09,470 --> 01:21:07,140

who have an interest in the subject who

1846

01:21:11,149 --> 01:21:09,480

have and again thank you very much who

1847

01:21:13,550 --> 01:21:11,159

have embraced me in my book and they're

1848

01:21:16,850 --> 01:21:13,560

giving me a platform I went to the LA

1849

01:21:18,290 --> 01:21:16,860

times I've been in La for 43 years I'm a

1850

01:21:21,770 --> 01:21:18,300

major Hollywood publicist I've

1851

01:21:25,189 --> 01:21:21,780

represented big stars and major Grammys

1852

01:21:27,169 --> 01:21:25,199

and Emmys and amazing the LA Times book

1853

01:21:29,930 --> 01:21:27,179

editor oh Dan good luck with your book

1854

01:21:31,430 --> 01:21:29,940

uh sorry uh we don't have room for your

1855

01:21:34,250 --> 01:21:31,440

book sorry

1856

01:21:36,709 --> 01:21:34,260

really you're gonna write a book about

1857

01:21:39,890 --> 01:21:36,719

some someone from Wisconsin you know no

1858

01:21:43,130 --> 01:21:39,900

one's ever heard of who who was not not

1859

01:21:44,689 --> 01:21:43,140

an interesting story I have a I like to

1860

01:21:47,390 --> 01:21:44,699

think this is I'm getting remarkably

1861

01:21:50,570 --> 01:21:47,400

good reviews on this book and they're

1862

01:21:52,189 --> 01:21:50,580

every single mainstream media every

1863

01:21:54,169 --> 01:21:52,199

single one that I've reached out to no

1864

01:21:54,950 --> 01:21:54,179

response or they they just couldn't care

1865

01:22:00,350 --> 01:21:54,960

less

1866

01:22:01,970 --> 01:22:00,360

Bruce Springsteen or Barack Obama and

1867

01:22:03,229 --> 01:22:01,980

they say they were abducted when they

1868

01:22:06,590 --> 01:22:03,239

were seven

1869

01:22:08,450 --> 01:22:06,600

people like people like me and and the

1870

01:22:11,149 --> 01:22:08,460

people I met at aliencon and the people

1871

01:22:13,430 --> 01:22:11,159

I met the vendors at UFO con they have

1872

01:22:16,010 --> 01:22:13,440

books and things these are all wonderful

1873

01:22:18,350 --> 01:22:16,020

brilliant interesting people they have

1874

01:22:20,030 --> 01:22:18,360

fantastic stories we're not going to get

1875

01:22:22,189 --> 01:22:20,040

mainstream media it's just it just

1876

01:22:26,390 --> 01:22:22,199

doesn't happen and it's very frustrating

1877

01:22:28,970 --> 01:22:26,400

for me well when when Sammy Hagar did

1878

01:22:32,630 --> 01:22:28,980

his autobiography right and he's got

1879

01:22:35,870 --> 01:22:32,640

this uh mention in there of this

1880

01:22:36,950 --> 01:22:35,880

download this alien contact thing that

1881

01:22:40,370 --> 01:22:36,960

happened to him

1882

01:22:44,870 --> 01:22:40,380

and he's he's pretty detailed about it

1883

01:22:49,310 --> 01:22:44,880

and uh not to to to go real deep into

1884

01:22:51,290 --> 01:22:49,320

into that but he's in his bedroom this

1885

01:22:53,990 --> 01:22:51,300

umbilical cord comes through the ceiling

1886

01:22:57,470 --> 01:22:54,000

hits his head and he starts talking to

1887

01:23:01,070 --> 01:22:57,480

E.T okay Flying Saucer above his house

1888

01:23:03,410 --> 01:23:01,080

now he that's in his book

1889

01:23:05,630 --> 01:23:03,420

media didn't touch that

1890

01:23:08,990 --> 01:23:05,640

you would have thought man and you would

1891

01:23:11,209 --> 01:23:09,000

have thought right now Jimmy think about

1892

01:23:14,630 --> 01:23:11,219

this Sammy Hagar right wild and crazy

1893

01:23:17,450 --> 01:23:14,640

hair you know screaming with Van Halen

1894

01:23:21,830 --> 01:23:17,460

loud you know he's known for his what

1895

01:23:24,550 --> 01:23:21,840

his his tequila brand right so no Sammy

1896

01:23:30,130 --> 01:23:24,560

was probably drunk on his

1897

01:23:30,140 --> 01:23:42,130

if it was Bruce Springsteen

1898

01:23:49,450 --> 01:23:45,709

Beyonce tomorrow said hey I saw UFO you

1899

01:23:52,970 --> 01:23:49,460

I'm 6 CCU the biggest story in the world

1900

01:23:56,570 --> 01:23:52,980

the the the the the messenger needs to

1901

01:23:58,189 --> 01:23:56,580

be a credible person Sammy Hagar I love

1902

01:23:59,810 --> 01:23:58,199

Van Halen I thought they were wonderful

1903

01:24:02,330 --> 01:23:59,820

he was great

1904

01:24:04,430 --> 01:24:02,340

Cabo Wabo man with the wacky with the

1905

01:24:06,590 --> 01:24:04,440

wacky tequila he probably ate the worm

1906

01:24:07,790 --> 01:24:06,600

right he ate the worm that's so if

1907

01:24:10,490 --> 01:24:07,800

you're mainstream media you're gonna

1908

01:24:14,870 --> 01:24:10,500

believe Sammy Hagar saw a UFO no

1909

01:24:16,130 --> 01:24:14,880

does he still own that Cabo Wabo down in

1910

01:24:18,050 --> 01:24:16,140

Cabo

1911

01:24:20,510 --> 01:24:18,060

well you know what like what's his name

1912

01:24:22,550 --> 01:24:20,520

Ryan Reynolds today they start a brand

1913

01:24:23,930 --> 01:24:22,560

they sell it for a billion dollars and

1914

01:24:27,290 --> 01:24:23,940

then and then they lay up all the way to

1915

01:24:29,810 --> 01:24:27,300

the bank so I don't know Ryan Reynolds

1916

01:24:33,709 --> 01:24:29,820

all right let's Circle back to that

1917

01:24:36,050 --> 01:24:33,719

um I'm gonna be in Cabo uh next week and

1918

01:24:38,570 --> 01:24:36,060

I'm I'm gonna go man I'm gonna go to

1919

01:24:41,390 --> 01:24:38,580

Cabo Wabo I'm gonna walk in and say hey

1920

01:24:44,390 --> 01:24:41,400

we're Savage we're Savage let me see if

1921

01:24:46,970 --> 01:24:44,400

Sammy's there he's there

1922

01:24:49,189 --> 01:24:46,980

all right I'm going to

1923

01:24:55,010 --> 01:24:49,199

um what did you

1924

01:24:57,649 --> 01:24:55,020

Reynolds okay I do I actually I'm I'm

1925

01:25:00,530 --> 01:24:57,659

gonna go on the record right now dude is

1926

01:25:04,130 --> 01:25:00,540

funny I love all his films all of them

1927

01:25:06,050 --> 01:25:04,140

even the bad ones and uh what was the

1928

01:25:08,630 --> 01:25:06,060

one where he lost all that weight

1929

01:25:10,910 --> 01:25:08,640

and uh right I love that red I know

1930

01:25:13,550 --> 01:25:10,920

exactly my daughter loves that movie too

1931

01:25:16,990 --> 01:25:13,560

that movie is great it got panned that

1932

01:25:25,370 --> 01:25:20,450

wonderful so I love Ryan Reynolds but

1933

01:25:26,630 --> 01:25:25,380

I'm wondering if acting is like a hobby

1934

01:25:32,930 --> 01:25:26,640

now

1935

01:25:39,709 --> 01:25:36,189

just got sold to what Sprint or Verizon

1936

01:25:45,130 --> 01:25:39,719

uh T-Mobile T-Mobile okay so there's a

1937

01:25:50,930 --> 01:25:48,830

Gin Company he sold that too yeah not

1938

01:25:53,209 --> 01:25:50,940

not to mention that he's married to

1939

01:25:55,070 --> 01:25:53,219

Blake Lively maybe the prettiest girl

1940

01:25:56,930 --> 01:25:55,080

who's ever lived on the earth in the

1941

01:25:59,030 --> 01:25:56,940

history of mankind you know the guy's

1942

01:26:01,010 --> 01:25:59,040

probably having a pretty good life you

1943

01:26:02,810 --> 01:26:01,020

would think Brian Reynolds is having a

1944

01:26:05,870 --> 01:26:02,820

pretty damn good life man

1945

01:26:07,629 --> 01:26:05,880

that movie was called Just Friends

1946

01:26:09,550 --> 01:26:07,639

I love that movie

1947

01:26:13,430 --> 01:26:09,560

Amy

1948

01:26:15,649 --> 01:26:13,440

Smart she's awesome she's awesome

1949

01:26:19,010 --> 01:26:15,659

um when he sings

1950

01:26:27,350 --> 01:26:19,020

um in the trailer at the end he he puts

1951

01:26:31,250 --> 01:26:29,330

we're supposed to be talking about UFOs

1952

01:26:33,770 --> 01:26:31,260

and ET but I'll talk about Ryan Reynolds

1953

01:26:35,689 --> 01:26:33,780

any day you never remember Van Wilder

1954

01:26:37,790 --> 01:26:35,699

that was very funny that was a great

1955

01:26:39,470 --> 01:26:37,800

movie that was his first movie he was

1956

01:26:42,530 --> 01:26:39,480

funny that I thought he was the new

1957

01:26:45,410 --> 01:26:42,540

funnier Chevy Chase yeah he he's just

1958

01:26:47,750 --> 01:26:45,420

he's got it but and he's Canadian that's

1959

01:26:51,110 --> 01:26:47,760

the other crazy part so anyway yeah I

1960

01:26:51,910 --> 01:26:51,120

said it here's but here's the thing

1961

01:26:54,649 --> 01:26:51,920

um

1962

01:26:59,330 --> 01:26:54,659

uh with Ryan

1963

01:27:03,050 --> 01:26:59,340

when you do deals like this

1964

01:27:05,450 --> 01:27:03,060

and then you look at Hollywood

1965

01:27:07,370 --> 01:27:05,460

right and we're going to give you 50

1966

01:27:08,330 --> 01:27:07,380

million for your next picture that's not

1967

01:27:10,550 --> 01:27:08,340

enough

1968

01:27:14,930 --> 01:27:10,560

you know you know what I mean because

1969

01:27:17,149 --> 01:27:14,940

now money is that I was with okay

1970

01:27:20,750 --> 01:27:17,159

I can't say who

1971

01:27:25,189 --> 01:27:20,760

I was with somebody from Silicon Valley

1972

01:27:28,270 --> 01:27:25,199

all right so think on that level

1973

01:27:32,570 --> 01:27:28,280

right and

1974

01:27:37,510 --> 01:27:32,580

we uh we were in Beverly Hills

1975

01:27:41,930 --> 01:27:37,520

he says to me and I'm not making this up

1976

01:27:47,870 --> 01:27:44,570

there's Hollywood money

1977

01:27:50,149 --> 01:27:47,880

and then there's me

1978

01:27:52,490 --> 01:27:50,159

this is nothing

1979

01:27:55,010 --> 01:27:52,500

and ever and I just sat back and I

1980

01:27:58,430 --> 01:27:55,020

thought about what he was saying

1981

01:28:01,729 --> 01:27:58,440

right and and so you know Hollywood you

1982

01:28:05,149 --> 01:28:01,739

know you have Fame right we don't know

1983

01:28:07,910 --> 01:28:05,159

the names of these Silicon Valley Tech

1984

01:28:10,729 --> 01:28:07,920

billionaires we don't know their names

1985

01:28:12,470 --> 01:28:10,739

um that own Islands in Fiji right we

1986

01:28:15,410 --> 01:28:12,480

don't know their names

1987

01:28:18,110 --> 01:28:15,420

Hollywood we know their names and when

1988

01:28:22,129 --> 01:28:18,120

he had said that to me

1989

01:28:26,209 --> 01:28:22,139

no Hollywood money is is not money it's

1990

01:28:30,950 --> 01:28:26,219

it's it's no no no no no I'm money and I

1991

01:28:32,930 --> 01:28:30,960

was like wow wow that's that's where

1992

01:28:34,729 --> 01:28:32,940

Ryan Reynolds is now

1993

01:28:37,490 --> 01:28:34,739

when I said that when you said that

1994

01:28:41,990 --> 01:28:37,500

story and for some reason I thought of

1995

01:28:45,590 --> 01:28:42,000

Joseph P Kennedy Joseph P Kennedy the

1996

01:28:49,250 --> 01:28:45,600

matriarch of the Kennedys made hundreds

1997

01:28:51,910 --> 01:28:49,260

of millions of dollars as a bootlegger

1998

01:28:53,810 --> 01:28:51,920

as a bootlegger

1999

01:28:56,689 --> 01:28:53,820

filthy rich

2000

01:28:59,750 --> 01:28:56,699

he bought in the I believe it was God

2001

01:29:02,149 --> 01:28:59,760

I'm gonna say the 30s he bought RKO

2002

01:29:05,570 --> 01:29:02,159

Studios in Hollywood you know why he

2003

01:29:08,270 --> 01:29:05,580

bought our KO Studios his mistress

2004

01:29:11,149 --> 01:29:08,280

was an actress and he bought a movie

2005

01:29:14,090 --> 01:29:11,159

studio so his mistress could get I think

2006

01:29:16,490 --> 01:29:14,100

not Swanson Gloria Swanson maybe it was

2007

01:29:18,530 --> 01:29:16,500

uh he bought a studio so his girlfriend

2008

01:29:21,169 --> 01:29:18,540

could get acting gigs and say come to

2009

01:29:23,450 --> 01:29:21,179

Hollywood and he could get laid but by

2010

01:29:26,209 --> 01:29:23,460

all the the starlets and then when JFK

2011

01:29:29,450 --> 01:29:26,219

was a young man he would go with his dad

2012

01:29:31,370 --> 01:29:29,460

and they'd go to RKO Studios and pick up

2013

01:29:34,610 --> 01:29:31,380

all the beautiful starlets and just have

2014

01:29:37,010 --> 01:29:34,620

unbelievable sex so he was so wealthy he

2015

01:29:40,430 --> 01:29:37,020

put on an entire movie studio so he and

2016

01:29:42,110 --> 01:29:40,440

his son could get laid so in in that in

2017

01:29:43,790 --> 01:29:42,120

that era would be comparable a little

2018

01:29:47,750 --> 01:29:43,800

bit to what you said about the Silicon

2019

01:29:50,890 --> 01:29:47,760

Valley View yeah yeah and I mean I I I

2020

01:29:55,850 --> 01:29:50,900

thought I thought about that Ryan

2021

01:30:01,850 --> 01:29:55,860

Reynolds situation a lot

2022

01:30:04,729 --> 01:30:01,860

and it's only because when you start to

2023

01:30:07,129 --> 01:30:04,739

um look you and I live here in Hollywood

2024

01:30:09,470 --> 01:30:07,139

we understand the film business we're

2025

01:30:11,450 --> 01:30:09,480

around actors in television and

2026

01:30:13,910 --> 01:30:11,460

commercials and we know the set

2027

01:30:15,590 --> 01:30:13,920

designers and the costume people and you

2028

01:30:18,290 --> 01:30:15,600

know and everything that supports the

2029

01:30:21,050 --> 01:30:18,300

movie industry everybody in Burbank

2030

01:30:25,270 --> 01:30:21,060

everybody in Burbank is is in the

2031

01:30:30,709 --> 01:30:28,070

that's it's just a way of life so when

2032

01:30:31,910 --> 01:30:30,719

when you hear these numbers thrown

2033

01:30:34,850 --> 01:30:31,920

around

2034

01:30:36,830 --> 01:30:34,860

um here in Los Angeles you know such and

2035

01:30:39,470 --> 01:30:36,840

such actor got 10 million dollars for

2036

01:30:41,570 --> 01:30:39,480

this film somebody just got fit 15.

2037

01:30:43,970 --> 01:30:41,580

somebody's just got 22 somebody gets

2038

01:30:46,729 --> 01:30:43,980

five somebody gets one

2039

01:30:48,830 --> 01:30:46,739

um million dollars okay all right those

2040

01:30:51,530 --> 01:30:48,840

are that's our barometer that's how we

2041

01:30:53,030 --> 01:30:51,540

measure things now if you go up to

2042

01:30:57,350 --> 01:30:53,040

Silicon Valley

2043

01:31:01,030 --> 01:30:57,360

does 20 million dollars move the needle

2044

01:31:05,030 --> 01:31:01,040

in a conversation no

2045

01:31:07,970 --> 01:31:05,040

what that's the first round of funding

2046

01:31:11,390 --> 01:31:07,980

for a startup in a garage right right

2047

01:31:13,790 --> 01:31:11,400

that's the truth it's the truth you know

2048

01:31:15,229 --> 01:31:13,800

and and it's it's a it's a totally

2049

01:31:19,250 --> 01:31:15,239

different thing so you look at Ryan

2050

01:31:22,010 --> 01:31:19,260

Reynolds suddenly you know uh you know a

2051
01:31:23,750 --> 01:31:22,020
cellular company right a cell phone

2052
01:31:26,209 --> 01:31:23,760
company a what

2053
01:31:30,229 --> 01:31:26,219
right that's that's what you know mint

2054
01:31:34,189 --> 01:31:30,239
mobile and and and the Gin Company and

2055
01:31:39,290 --> 01:31:34,199
and the the money that is transacted in

2056
01:31:41,689 --> 01:31:39,300
that and so is Ryan looking back going

2057
01:31:43,129 --> 01:31:41,699
am I gonna do another movie for 25

2058
01:31:45,229 --> 01:31:43,139
million

2059
01:31:47,629 --> 01:31:45,239
well I think I think at that point first

2060
01:31:49,970 --> 01:31:47,639
of all he's got the most remarkable

2061
01:31:51,890 --> 01:31:49,980
financial advisors who ever lived I mean

2062
01:31:53,149 --> 01:31:51,900
he put mint Mobile on the map from

2063
01:31:56,030 --> 01:31:53,159

nothing

2064

01:31:59,450 --> 01:31:56,040

right he's a young good-looking guy he

2065

01:32:01,010 --> 01:31:59,460

he he he's funny he's talented he lucked

2066

01:32:02,209 --> 01:32:01,020

into Deadpool you know he did a lot of

2067

01:32:03,709 --> 01:32:02,219

movies that did not like you said

2068

01:32:06,370 --> 01:32:03,719

earlier that didn't do very well Green

2069

01:32:10,250 --> 01:32:06,380

Lantern he still regrets very much

2070

01:32:13,129 --> 01:32:10,260

Lantern is great I love that movie like

2071

01:32:16,129 --> 01:32:14,330

I remember this

2072

01:32:18,590 --> 01:32:16,139

Jim Carrey was the first actor in

2073

01:32:20,870 --> 01:32:18,600

Hollywood to get 20 million that's right

2074

01:32:22,370 --> 01:32:20,880

the Cable Guy which was like a really

2075

01:32:25,129 --> 01:32:22,380

really bad movie

2076

01:32:28,010 --> 01:32:25,139

and he was the first one to break that I

2077

01:32:29,810 --> 01:32:28,020

believe I believe Tom Cruise I I think I

2078

01:32:32,870 --> 01:32:29,820

read somewhere he got close to a billion

2079

01:32:35,629 --> 01:32:32,880

for uh Top Gun the new Top Gun because

2080

01:32:37,370 --> 01:32:35,639

she had such a huge back-end piece it

2081

01:32:39,950 --> 01:32:37,380

made two million globally I think he got

2082

01:32:41,689 --> 01:32:39,960

close to ability but someone like Ryan

2083

01:32:43,850 --> 01:32:41,699

Reynolds probably now he's probably like

2084

01:32:46,129 --> 01:32:43,860

oh 20 30 40. okay we'll put it in the

2085

01:32:47,450 --> 01:32:46,139

grandkids trust fund you know just he

2086

01:32:48,290 --> 01:32:47,460

probably acts just for the fun of it

2087

01:32:50,689 --> 01:32:48,300

he's

2088

01:32:53,629 --> 01:32:50,699

I mean I I think it's a hobby now I

2089

01:32:55,629 --> 01:32:53,639

think it's a hobby right it's it's not

2090

01:32:58,910 --> 01:32:55,639

Front Burner stuff

2091

01:33:02,270 --> 01:32:58,920

he's not going to go and read for a part

2092

01:33:05,870 --> 01:33:02,280

you know is she gonna go is he gonna go

2093

01:33:11,410 --> 01:33:05,880

study a script somewhere and maybe think

2094

01:33:15,830 --> 01:33:14,390

Ryan Reynolds how many thousands of one

2095

01:33:18,410 --> 01:33:15,840

of these really I mean there are

2096

01:33:20,689 --> 01:33:18,420

talented I've done PR for a lot of plays

2097

01:33:22,729 --> 01:33:20,699

the stage plays over the years

2098

01:33:25,189 --> 01:33:22,739

and I've seen a lot of talented young

2099

01:33:27,110 --> 01:33:25,199

people on on theater stages they can

2100

01:33:30,530 --> 01:33:27,120

sing they can act they can make you cry

2101

01:33:32,390 --> 01:33:30,540

they can make you laugh 99 of them you

2102

01:33:34,010 --> 01:33:32,400

never heard from them ever again the one

2103

01:33:36,290 --> 01:33:34,020

exception was

2104

01:33:38,110 --> 01:33:36,300

there's a woman named Katrina lenk

2105

01:33:42,530 --> 01:33:38,120

l-a-n-k

2106

01:33:44,629 --> 01:33:42,540

in the early 2000s mid-2000s she was in

2107

01:33:47,030 --> 01:33:44,639

a play out here called Lovelace it was

2108

01:33:49,729 --> 01:33:47,040

about uh Linda Lovelace it was written

2109

01:33:52,129 --> 01:33:49,739

by Charlotte Caffey from the Go-Go's

2110

01:33:53,629 --> 01:33:52,139

yeah I know Charlotte sure Charlotte I

2111

01:33:56,810 --> 01:33:53,639

spent time with Charlotte by the sweet

2112

01:33:59,030 --> 01:33:56,820

lady Charlotte is so cool very cool she

2113

01:34:01,790 --> 01:33:59,040

wrote a play based on Linda Lovelace's

2114

01:34:04,129 --> 01:34:01,800

book ordeal Linda Lovelace had a

2115

01:34:05,930 --> 01:34:04,139

horrible horrible life if you ever want

2116

01:34:08,450 --> 01:34:05,940

to know she's famous of course from deep

2117

01:34:10,970 --> 01:34:08,460

throat but her real life was horrible

2118

01:34:12,649 --> 01:34:10,980

her husband tortured her and beat the

2119

01:34:15,410 --> 01:34:12,659

hell out of her for years and years

2120

01:34:18,649 --> 01:34:15,420

anyway his play was called Lovelace and

2121

01:34:20,629 --> 01:34:18,659

Katrina Lenk was the star she played

2122

01:34:23,689 --> 01:34:20,639

love lights I was the publicist this is

2123

01:34:25,970 --> 01:34:23,699

like those 607. and the first time Jimmy

2124

01:34:27,950 --> 01:34:25,980

I heard this woman sing a song everyone

2125

01:34:30,590 --> 01:34:27,960

in the theater we all had chills I was

2126

01:34:32,689 --> 01:34:30,600

crying I'm like this is like a

2127

01:34:35,629 --> 01:34:32,699

revelation and afterwards I said Katrina

2128

01:34:37,430 --> 01:34:35,639

you are gifted you are a gifted person

2129

01:34:39,290 --> 01:34:37,440

uh

2130

01:34:41,570 --> 01:34:39,300

you know what's your story she goes well

2131

01:34:44,270 --> 01:34:41,580

I'm a waitress I'm a waitress at House

2132

01:34:45,350 --> 01:34:44,280

of Pies you're a waitress at House of

2133

01:34:47,570 --> 01:34:45,360

Pies

2134

01:34:49,310 --> 01:34:47,580

Jimmy she was like the new Barbara

2135

01:34:50,689 --> 01:34:49,320

strike you know what I mean how

2136

01:34:53,870 --> 01:34:50,699

surprised which one the one on

2137

01:34:56,209 --> 01:34:53,880

Lankershim probably so I said to her I

2138

01:34:58,310 --> 01:34:56,219

said Katrina you I I swear to you I said

2139

01:35:00,890 --> 01:34:58,320

you are going to be a star

2140

01:35:04,550 --> 01:35:00,900

years later she won the Tony for best

2141

01:35:06,410 --> 01:35:04,560

actress for uh the band's visit of

2142

01:35:07,490 --> 01:35:06,420

Broadway the band is that she won best

2143

01:35:10,010 --> 01:35:07,500

actress

2144

01:35:11,629 --> 01:35:10,020

so you know I guess what I'm pointing is

2145

01:35:14,390 --> 01:35:11,639

for every Ryan Reynolds there's a

2146

01:35:17,330 --> 01:35:14,400

hundred thousand people who have talent

2147

01:35:19,310 --> 01:35:17,340

and they just don't quite remember okay

2148

01:35:20,990 --> 01:35:19,320

Close Encounters is my favorite movie of

2149

01:35:24,250 --> 01:35:21,000

all time so let's get back to aliens

2150

01:35:28,669 --> 01:35:24,260

well I've seen it 50 60 times at least

2151

01:35:30,590 --> 01:35:28,679

I watched it last week I watch it at

2152

01:35:32,689 --> 01:35:30,600

least once or twice a year I love it

2153

01:35:35,750 --> 01:35:32,699

with all my heart I do it once a month

2154

01:35:38,090 --> 01:35:35,760

once a month I watch it and Francois

2155

01:35:41,990 --> 01:35:38,100

truffaut at some point

2156

01:35:45,050 --> 01:35:42,000

says of Richard Dreyfus he was invited

2157

01:35:47,149 --> 01:35:45,060

you know think of all the adversity that

2158

01:35:49,189 --> 01:35:47,159

he went through with the car you know

2159

01:35:51,470 --> 01:35:49,199

and his losing his mind and he got the

2160

01:35:53,270 --> 01:35:51,480

sunburn on his face and he's almost

2161

01:35:56,510 --> 01:35:53,280

getting arrested the military is putting

2162

01:35:58,430 --> 01:35:56,520

the gas and and he nothing stopped this

2163

01:35:59,629 --> 01:35:58,440

guy nothing stopped Richard Dreyfus from

2164

01:36:02,090 --> 01:35:59,639

getting climbing that top of that

2165

01:36:03,530 --> 01:36:02,100

mountain he had to stay that UFO at the

2166

01:36:05,930 --> 01:36:03,540

NBA

2167

01:36:08,510 --> 01:36:05,940

you know there's very few people I guess

2168

01:36:11,229 --> 01:36:08,520

my parallel is there's very few people

2169

01:36:14,570 --> 01:36:11,239

in Hollywood that are that committed

2170

01:36:16,250 --> 01:36:14,580

that you know that they're going to get

2171

01:36:19,370 --> 01:36:16,260

to the peak they're going to become a

2172

01:36:22,030 --> 01:36:19,380

Tom Hanks or a Brad Pitt or a Ryan Odell

2173

01:36:25,990 --> 01:36:22,040

there's one one out of a million people

2174

01:36:28,790 --> 01:36:26,000

are you hip to um

2175

01:36:31,790 --> 01:36:28,800

Laney Gardner

2176

01:36:34,850 --> 01:36:31,800

that name ring a bell I knew lady Kazan

2177

01:36:36,410 --> 01:36:34,860

but no I don't know lady Gardener oh you

2178

01:36:41,689 --> 01:36:36,420

know who she is

2179

01:36:45,350 --> 01:36:41,699

Laney Gardner is the singer

2180

01:36:48,830 --> 01:36:45,360

that she's probably got 500 million

2181

01:36:51,590 --> 01:36:48,840

views on YouTube she does a a cover of

2182

01:36:53,750 --> 01:36:51,600

Fleetwood Mac's dreams

2183

01:36:56,090 --> 01:36:53,760

you've seen her sing the video you've

2184

01:36:58,310 --> 01:36:56,100

seen it it's all over the place and

2185

01:37:00,950 --> 01:36:58,320

she's incredible I don't know how old

2186

01:37:05,689 --> 01:37:00,960

she is but she's you know in her early

2187

01:37:07,450 --> 01:37:05,699

20s and and she does this video she's

2188

01:37:11,390 --> 01:37:07,460

just sitting in front of a microphone

2189

01:37:13,669 --> 01:37:11,400

singing uh Dreams Fleetwood Mac and it's

2190

01:37:15,890 --> 01:37:13,679

it's it's better than the Fleetwood Mac

2191

01:37:18,649 --> 01:37:15,900

version right Stevie Nicks it's just

2192

01:37:20,810 --> 01:37:18,659

incredible how great of a singer she is

2193

01:37:23,149 --> 01:37:20,820

but she does this simple video she's

2194

01:37:26,030 --> 01:37:23,159

probably she looks like she's sitting on

2195

01:37:29,750 --> 01:37:26,040

on the floor in her living room or her

2196

01:37:32,750 --> 01:37:29,760

bedroom I think she lives in Tennessee

2197

01:37:36,229 --> 01:37:32,760

but the point is this video it's great

2198

01:37:40,070 --> 01:37:36,239

this video poof

2199

01:37:44,330 --> 01:37:40,080

right I'm talking poof

2200

01:37:47,870 --> 01:37:44,340

and there's different versions of it and

2201

01:37:51,709 --> 01:37:47,880

um uh it is it's played all over it's

2202

01:37:52,910 --> 01:37:51,719

it's just and so here is somebody that

2203

01:37:56,750 --> 01:37:52,920

is just

2204

01:37:59,350 --> 01:37:56,760

you know just a singer you know in in

2205

01:38:03,350 --> 01:37:59,360

Tennessee somewhere she makes this video

2206

01:38:07,189 --> 01:38:03,360

and then shot out of a Canon

2207

01:38:08,990 --> 01:38:07,199

so I'm I'm very I'm very curious he's

2208

01:38:11,209 --> 01:38:09,000

finally made a second video she's very

2209

01:38:14,870 --> 01:38:11,219

talented and

2210

01:38:18,590 --> 01:38:14,880

um I'm just wondering if if she is going

2211

01:38:20,209 --> 01:38:18,600

to be the next Beyonce she's like that

2212

01:38:23,570 --> 01:38:20,219

good

2213

01:38:25,310 --> 01:38:23,580

um and uh she is yeah everybody is is

2214

01:38:28,689 --> 01:38:25,320

commenting on it now everybody's seen

2215

01:38:31,070 --> 01:38:28,699

this video Laney Gardner

2216

01:38:34,430 --> 01:38:31,080

I'll have to I worked with Fleetwood Mac

2217

01:38:36,890 --> 01:38:34,440

in 1973 before

2218

01:38:40,669 --> 01:38:36,900

Stevie Nicks and uh Lindsey Buckingham

2219

01:38:41,649 --> 01:38:40,679

joined the band it was um Bob who killed

2220

01:38:44,590 --> 01:38:41,659

himself

2221

01:38:48,050 --> 01:38:44,600

Bob Waltz

2222

01:38:50,450 --> 01:38:48,060

did you see I love talking music

2223

01:38:52,910 --> 01:38:50,460

um we'll try to get some more UFOs in

2224

01:38:55,610 --> 01:38:52,920

before the end of the show did you see

2225

01:38:58,430 --> 01:38:55,620

um uh Daisy Jones and the six

2226

01:39:04,209 --> 01:38:58,440

I read about it Riley Keough you know

2227

01:39:10,550 --> 01:39:06,229

I didn't

2228

01:39:12,050 --> 01:39:10,560

um the uh uh okay hold on one of the

2229

01:39:13,790 --> 01:39:12,060

world's greatest guitar players just

2230

01:39:15,350 --> 01:39:13,800

texted me let's see what he's saying

2231

01:39:19,490 --> 01:39:15,360

here

2232

01:39:21,830 --> 01:39:19,500

oh okay he just says he misses me

2233

01:39:24,229 --> 01:39:21,840

I was like I'm listening to the show man

2234

01:39:25,550 --> 01:39:24,239

this is great now is it the one you

2235

01:39:28,910 --> 01:39:25,560

could is it someone you could tell it to

2236

01:39:32,689 --> 01:39:28,920

it was it's a Jordan ziff uh Jordan ziff

2237

01:39:34,070 --> 01:39:32,699

and uh he's amazing he he he's been a

2238

01:39:35,510 --> 01:39:34,080

guest on the show

2239

01:39:38,030 --> 01:39:35,520

um you know one of the great guitar

2240

01:39:40,910 --> 01:39:38,040

players on planet Earth and he's got so

2241

01:39:45,410 --> 01:39:40,920

much respect uh from you know the the

2242

01:39:50,810 --> 01:39:45,420

music world and and he's great he's all

2243

01:39:54,530 --> 01:39:50,820

about UFOs man he knows his stuff he is

2244

01:39:57,350 --> 01:39:54,540

educated he reads and uh I mean he

2245

01:39:59,209 --> 01:39:57,360

blazes on the guitar he's just amazing I

2246

01:40:00,709 --> 01:39:59,219

just sit and watch him play and just I

2247

01:40:03,830 --> 01:40:00,719

just laugh you know he's just so

2248

01:40:06,530 --> 01:40:03,840

talented but but I want to talk guitar

2249

01:40:08,450 --> 01:40:06,540

he wants to talk UFOs that's it that's

2250

01:40:11,330 --> 01:40:08,460

that's our relationship

2251

01:40:15,530 --> 01:40:11,340

um but anyway Riley Keough

2252

01:40:19,550 --> 01:40:15,540

so Elvis's granddaughter and and the

2253

01:40:21,410 --> 01:40:19,560

show itself is uh you know it's about

2254

01:40:24,530 --> 01:40:21,420

Fleetwood Mac you know it's got this

2255

01:40:28,610 --> 01:40:24,540

thing you know this this underlying

2256

01:40:31,790 --> 01:40:28,620

Fleetwood Mac tone right okay so that's

2257

01:40:33,770 --> 01:40:31,800

that's certainly there that's that and

2258

01:40:37,250 --> 01:40:33,780

and the screenwriting is great the story

2259

01:40:41,810 --> 01:40:37,260

is great all that it's Riley man

2260

01:40:44,030 --> 01:40:41,820

she is an amazing singer and then you

2261

01:40:47,990 --> 01:40:44,040

you're listening to her and you're

2262

01:40:50,270 --> 01:40:48,000

watching and all you see is Elvis

2263

01:40:52,010 --> 01:40:50,280

she's got the eyes she's got the faint

2264

01:40:53,450 --> 01:40:52,020

you know and she's got this amazing

2265

01:40:55,430 --> 01:40:53,460

voice

2266

01:40:57,110 --> 01:40:55,440

um she is absolutely incredible that's a

2267

01:40:58,250 --> 01:40:57,120

it's a really good TV show I highly

2268

01:41:00,290 --> 01:40:58,260

recommend it

2269

01:41:02,149 --> 01:41:00,300

did you ever hear me did you ever hear I

2270

01:41:04,970 --> 01:41:02,159

never did you ever hear Lisa Marie

2271

01:41:07,629 --> 01:41:04,980

Presley's music I never did I wonder how

2272

01:41:10,370 --> 01:41:07,639

talented was she

2273

01:41:12,770 --> 01:41:10,380

marginal marginal problem no no no no no

2274

01:41:16,430 --> 01:41:12,780

no no no no she had the gene

2275

01:41:18,950 --> 01:41:16,440

okay she had the gene I don't think this

2276

01:41:21,229 --> 01:41:18,960

is just my take I just don't think

2277

01:41:23,390 --> 01:41:21,239

that's what she wanted to do

2278

01:41:27,590 --> 01:41:23,400

you know Riley

2279

01:41:30,290 --> 01:41:27,600

Riley is a singer right she is a singer

2280

01:41:33,169 --> 01:41:30,300

she's incredible

2281

01:41:34,910 --> 01:41:33,179

um the fact that she's Elvis's

2282

01:41:38,689 --> 01:41:34,920

granddaughter

2283

01:41:41,689 --> 01:41:38,699

um you you find that out later

2284

01:41:44,090 --> 01:41:41,699

right you don't nothing there's an

2285

01:41:45,770 --> 01:41:44,100

eclipse who she is no no no not at all

2286

01:41:49,070 --> 01:41:45,780

because if you just listen to her music

2287

01:41:51,649 --> 01:41:49,080

or you saw her on screen and you know I

2288

01:41:54,950 --> 01:41:51,659

I have known about her for a while so I

2289

01:41:56,629 --> 01:41:54,960

was very curious about this show but

2290

01:41:58,490 --> 01:41:56,639

um but if you didn't know any of that

2291

01:42:00,109 --> 01:41:58,500

about her background or anything you

2292

01:42:02,810 --> 01:42:00,119

just thinks she's a great singer she's

2293

01:42:06,470 --> 01:42:02,820

amazing and she's she's gonna that's

2294

01:42:08,270 --> 01:42:06,480

what she is she is God that she got Fame

2295

01:42:10,370 --> 01:42:08,280

concurrent with her mother her mother

2296

01:42:12,410 --> 01:42:10,380

dies and her movie comes out and she's

2297

01:42:15,229 --> 01:42:12,420

getting great reviews you know it's it's

2298

01:42:16,490 --> 01:42:15,239

the circle of life right I mean who

2299

01:42:18,290 --> 01:42:16,500

would have thought Elvis's daughter

2300

01:42:23,209 --> 01:42:18,300

would die young

2301

01:42:25,970 --> 01:42:23,219

that's just sad yeah the um uh uh there

2302

01:42:27,950 --> 01:42:25,980

is also all right let's let's stay right

2303

01:42:30,830 --> 01:42:27,960

here because now we can talk about drugs

2304

01:42:33,290 --> 01:42:30,840

and UFOs and music and Elvis all at the

2305

01:42:34,010 --> 01:42:33,300

same time there's a new cartoon out a

2306

01:42:38,030 --> 01:42:34,020

new

2307

01:42:41,450 --> 01:42:38,040

um animated adult series

2308

01:42:44,030 --> 01:42:41,460

um it's called a secret agent Elvis

2309

01:42:46,370 --> 01:42:44,040

oh yeah okay yeah you haven't checked

2310

01:42:48,109 --> 01:42:46,380

that out yet no that sounds good I think

2311

01:42:51,410 --> 01:42:48,119

my daughter would love that right okay

2312

01:42:53,209 --> 01:42:51,420

so first off Matthew McConaughey plays

2313

01:42:56,390 --> 01:42:53,219

Elvis okay

2314

01:42:59,870 --> 01:42:56,400
and now before you

2315

01:43:02,629 --> 01:42:59,880
or anybody listening to me right now it

2316

01:43:05,330 --> 01:43:02,639
just draws a conclusion on that stop

2317

01:43:08,570 --> 01:43:05,340
right there he plays a great Elvis he

2318

01:43:12,470 --> 01:43:08,580
doesn't talk like Elvis he's McConaughey

2319

01:43:17,530 --> 01:43:12,480
with his Texas draw but it works right

2320

01:43:19,330 --> 01:43:17,540
okay now it's created by are you ready

2321

01:43:26,270 --> 01:43:19,340
Priscilla

2322

01:43:28,550 --> 01:43:26,280
um it's it's all the sex drugs and rock

2323

01:43:30,950 --> 01:43:28,560
and roll that you can handle of the

2324

01:43:34,550 --> 01:43:30,960
adult variety this isn't for kids funny

2325

01:43:40,689 --> 01:43:34,560
ha ha this is some pretty gnarly stuff

2326

01:43:49,129 --> 01:43:43,430

adult potty mouths you've never heard so

2327

01:43:51,830 --> 01:43:49,139

many f-bombs in 60 seconds in your life

2328

01:43:54,530 --> 01:43:51,840

is it a streaming show yeah I think it's

2329

01:43:56,270 --> 01:43:54,540

uh it's either Amazon or Netflix it's

2330

01:43:59,629 --> 01:43:56,280

one of the two big ones

2331

01:44:03,250 --> 01:43:59,639

I'll check that out yo it's it's I so

2332

01:44:07,550 --> 01:44:03,260

when when uh it it popped up last week

2333

01:44:10,189 --> 01:44:07,560

and and I was working it was like on a

2334

01:44:14,030 --> 01:44:10,199

weeknight I'm working and it's after the

2335

01:44:17,689 --> 01:44:14,040

show and so anyway

2336

01:44:19,729 --> 01:44:17,699

I'm uh surfing and it pops up it's right

2337

01:44:21,790 --> 01:44:19,739

there new release I went out secret

2338

01:44:25,550 --> 01:44:21,800

agent Elvis

2339

01:44:26,990 --> 01:44:25,560

clicked on it and I was I I do do I do

2340

01:44:30,169 --> 01:44:27,000

this right

2341

01:44:31,010 --> 01:44:30,179

and uh and I went okay I'll give it a

2342

01:44:33,410 --> 01:44:31,020

shot

2343

01:44:37,609 --> 01:44:33,420

I think that each episode's 25 minutes

2344

01:44:40,669 --> 01:44:37,619

man I banged out I went to bed at 4am I

2345

01:44:43,430 --> 01:44:40,679

watched the whole season man I was like

2346

01:44:46,010 --> 01:44:43,440

I gotta be up in two hours oh I can't

2347

01:44:51,530 --> 01:44:46,020

believe I did I couldn't stop I couldn't

2348

01:44:56,270 --> 01:44:53,209

um in in

2349

01:45:03,770 --> 01:45:01,250

um I'm going to say there were rumors

2350

01:45:06,950 --> 01:45:03,780

um that I have read about uh over the

2351

01:45:10,729 --> 01:45:06,960

years that he had a couple of sightings

2352

01:45:12,830 --> 01:45:10,739

um when I was at aliencon a gentleman

2353

01:45:15,649 --> 01:45:12,840

came to me and said

2354

01:45:17,450 --> 01:45:15,659

I I had my monkeys sweatshirt on and

2355

01:45:19,430 --> 01:45:17,460

which gets I could have sold more monkey

2356

01:45:21,830 --> 01:45:19,440

sweatshirts at alien con than my book

2357

01:45:23,629 --> 01:45:21,840

quite frankly but he goes hey you're in

2358

01:45:26,629 --> 01:45:23,639

Tarak yeah he goes you know that John

2359

01:45:29,530 --> 01:45:26,639

Lennon John Lennon saw UFO in Manhattan

2360

01:45:31,910 --> 01:45:29,540

yep in the 70s through his window

2361

01:45:33,470 --> 01:45:31,920

apparently it was hovering through his

2362

01:45:35,810 --> 01:45:33,480

window you've heard that story as well

2363

01:45:40,550 --> 01:45:35,820

he was on the rooftop of his apartment

2364

01:45:44,510 --> 01:45:40,560

building wow really and uh and he tells

2365

01:45:46,310 --> 01:45:44,520

I've heard uh he he tells

2366

01:45:49,790 --> 01:45:46,320

he talks about this in a few different

2367

01:45:53,450 --> 01:45:49,800

interviews not just one and uh it's it's

2368

01:45:55,070 --> 01:45:53,460

pretty amazing he's manly and so this

2369

01:45:56,990 --> 01:45:55,080

one interview he's standing on top he's

2370

01:45:58,970 --> 01:45:57,000

like I was standing right here it was

2371

01:46:01,970 --> 01:45:58,980

right over there in the sky it was a

2372

01:46:06,290 --> 01:46:01,980

flying saucer with white yeah he's

2373

01:46:11,149 --> 01:46:06,300

he's straight up he's straight up and he

2374

01:46:14,870 --> 01:46:11,159

what what was really great about that is

2375

01:46:18,229 --> 01:46:14,880

I think that John and and others like

2376

01:46:20,750 --> 01:46:18,239

him right where there's a trust that we

2377

01:46:24,890 --> 01:46:20,760

always had in him right we trusted him

2378

01:46:26,750 --> 01:46:24,900

we liked John he felt like our friend

2379

01:46:29,149 --> 01:46:26,760

um and at one point you know the biggest

2380

01:46:32,030 --> 01:46:29,159

star in the world right who was bigger

2381

01:46:35,149 --> 01:46:32,040

Beatles or Elvis well I don't know

2382

01:46:36,770 --> 01:46:35,159

that's how big John Lennon depends on

2383

01:46:40,189 --> 01:46:36,780

your decade of childhood

2384

01:46:43,149 --> 01:46:40,199

but uh I don't I don't know I don't know

2385

01:46:45,410 --> 01:46:43,159

I don't I I I I call a tie

2386

01:46:47,990 --> 01:46:45,420

I would say the Beatles were more

2387

01:46:48,970 --> 01:46:48,000

influential worldwide think about it

2388

01:46:54,530 --> 01:46:48,980

clothing

2389

01:46:57,890 --> 01:46:54,540

hairstyles pot LSD posters Elvis

2390

01:46:59,689 --> 01:46:57,900

I don't think Elvis Elvis influenced

2391

01:47:02,470 --> 01:46:59,699

other musicians everything John Lennon

2392

01:47:05,270 --> 01:47:02,480

and Paul McCartney wanted to be Elvis

2393

01:47:06,950 --> 01:47:05,280

he you know of course the sweets the

2394

01:47:10,070 --> 01:47:06,960

girls screaming and all that but the

2395

01:47:12,350 --> 01:47:10,080

Beatles redefined culture on a global

2396

01:47:14,570 --> 01:47:12,360

scale I can't think of anyone else that

2397

01:47:16,189 --> 01:47:14,580

ever did that before or since then

2398

01:47:19,430 --> 01:47:16,199

but I thought that was cool that John

2399

01:47:21,109 --> 01:47:19,440

Lennon had seen a UFO yeah if he had

2400

01:47:25,010 --> 01:47:21,119

kept God for willing if he was alive

2401
01:47:26,750 --> 01:47:25,020
today and said I saw UFO he'd be he'd be

2402
01:47:30,830 --> 01:47:26,760
a credible Source right I think he would

2403
01:47:34,370 --> 01:47:30,840
be incredible yeah for sure for sure but

2404
01:47:38,229 --> 01:47:34,380
I'm going to debate you on on uh Elvin

2405
01:47:41,109 --> 01:47:38,239
Elvis and Beatles I would say

2406
01:47:44,629 --> 01:47:41,119
I would say

2407
01:47:46,729 --> 01:47:44,639
you're more correct than you think in

2408
01:47:51,490 --> 01:47:46,739
that it depends on the decade

2409
01:47:54,729 --> 01:47:51,500
because if uh if you look at Elvis from

2410
01:47:57,649 --> 01:47:54,739
55 to

2411
01:48:00,070 --> 01:47:57,659
65 64.

2412
01:48:02,750 --> 01:48:00,080
I don't think there was anything bigger

2413
01:48:07,970 --> 01:48:02,760

beatlemania as it you know started

2414

01:48:12,350 --> 01:48:07,980

started to take over 62 63 64. yes and

2415

01:48:14,209 --> 01:48:12,360

Elvis's uh era was was winding down he

2416

01:48:19,310 --> 01:48:14,219

was making movies and then and went over

2417

01:48:23,090 --> 01:48:19,320

to Las Vegas and stuff but in in 1955 56

2418

01:48:25,609 --> 01:48:23,100

57 58 I would say that he was the most

2419

01:48:28,070 --> 01:48:25,619

famous person in the known universe at

2420

01:48:31,370 --> 01:48:28,080

that at that point yeah I don't I don't

2421

01:48:34,250 --> 01:48:31,380

yeah so no I don't disagree with that at

2422

01:48:37,729 --> 01:48:34,260

all my point was

2423

01:48:39,470 --> 01:48:37,739

who was more influential globally The

2424

01:48:42,410 --> 01:48:39,480

Beatles The Beatles were more

2425

01:48:44,890 --> 01:48:42,420

influential globally Elvis I'm sure sold

2426
01:48:47,450 --> 01:48:44,900
a lot of Records around the world sold

2427
01:48:51,109 --> 01:48:47,460
the most he sold the most records of

2428
01:48:52,850 --> 01:48:51,119
anybody in history 500 million albums

2429
01:48:53,930 --> 01:48:52,860
that's a lot of that's a lot that's a

2430
01:48:56,450 --> 01:48:53,940
lot of uh

2431
01:48:59,149 --> 01:48:56,460
that's a lot of albums we know how many

2432
01:49:04,189 --> 01:48:59,159
The Beatles sold in total I could look

2433
01:49:05,530 --> 01:49:04,199
it up I I looked up uh last week

2434
01:49:08,930 --> 01:49:05,540
um let's see

2435
01:49:10,330 --> 01:49:08,940
how many albums

2436
01:49:13,070 --> 01:49:10,340
[Music]

2437
01:49:16,490 --> 01:49:13,080
before they separated into their four

2438
01:49:22,490 --> 01:49:20,330

but I think culturally hair style 100

2439

01:49:25,790 --> 01:49:22,500

okay

2440

01:49:28,810 --> 01:49:25,800

um United States 177 million it says

2441

01:49:32,149 --> 01:49:28,820

worldwide album sales top

2442

01:49:36,729 --> 01:49:32,159

600 million

2443

01:49:40,270 --> 01:49:36,739

okay now let's go with uh

2444

01:49:43,669 --> 01:49:40,280

Elvis and The Beatles are comparable man

2445

01:49:45,709 --> 01:49:43,679

who is funnier pastel hey you ready you

2446

01:49:48,590 --> 01:49:45,719

ready you ready

2447

01:49:51,310 --> 01:49:48,600

how many albums did Elvis sell

2448

01:49:54,649 --> 01:49:51,320

more than 500

2449

01:50:01,129 --> 01:49:54,659

one billion

2450

01:50:03,530 --> 01:50:01,139

that's crazy I'm looking right here yeah

2451

01:50:05,930 --> 01:50:03,540

okay how about this how about this Elvis

2452

01:50:09,790 --> 01:50:05,940

was more famous the Beatles were more

2453

01:50:15,169 --> 01:50:12,830

I might have to give you that I mean but

2454

01:50:17,330 --> 01:50:15,179

that's like saying who would win in a

2455

01:50:17,980 --> 01:50:17,340

fight a cheeseburger or a grilled cheese

2456

01:50:21,410 --> 01:50:17,990

sandwich

2457

01:50:26,870 --> 01:50:24,410

argue that I mean we're talking about

2458

01:50:30,290 --> 01:50:26,880

the biggest of the big right right and

2459

01:50:33,050 --> 01:50:30,300

and different areas Italian Frazier I

2460

01:50:34,490 --> 01:50:33,060

remember the Ali Frazier fight we

2461

01:50:36,050 --> 01:50:34,500

couldn't we listened to it on the radio

2462

01:50:38,510 --> 01:50:36,060

you couldn't wait to hear it the next

2463

01:50:40,430 --> 01:50:38,520

day the one because they were two of the

2464

01:50:43,070 --> 01:50:40,440

equal weight one one then the next one

2465

01:50:45,410 --> 01:50:43,080

won then it's like Rocky and the first

2466

01:50:47,930 --> 01:50:45,420

two Rocky movies Rocky and and Carl

2467

01:50:50,149 --> 01:50:47,940

Weathers you know they're two of equal

2468

01:50:51,590 --> 01:50:50,159

weights they're equal stature well I'll

2469

01:50:54,169 --> 01:50:51,600

tell you something crazy you and I are

2470

01:50:56,270 --> 01:50:54,179

the same age right

2471

01:50:58,010 --> 01:50:56,280

um you've gotta just like two years on

2472

01:51:00,410 --> 01:50:58,020

me so we're the same age

2473

01:51:03,050 --> 01:51:00,420

in nineteen

2474

01:51:04,970 --> 01:51:03,060

72.

2475

01:51:08,450 --> 01:51:04,980

right right after the Beatles broke up

2476

01:51:11,330 --> 01:51:08,460

at 1972 1973

2477

01:51:14,870 --> 01:51:11,340

I was a rock and roll Kid

2478

01:51:16,490 --> 01:51:14,880

I didn't give a crap about the Beatles I

2479

01:51:20,030 --> 01:51:16,500

couldn't tell you Beatles song

2480

01:51:23,229 --> 01:51:20,040

I knew nothing about them I knew every

2481

01:51:26,330 --> 01:51:23,239

Elvis song really

2482

01:51:31,490 --> 01:51:26,340

so you would be a Rarity in My World in

2483

01:51:36,229 --> 01:51:31,500

73 my world in 73 yes Emerson Lake and

2484

01:51:38,390 --> 01:51:36,239

Palmer sure and who Led Zeppelin I think

2485

01:51:40,010 --> 01:51:38,400

cream had broken up by then uh the

2486

01:51:41,629 --> 01:51:40,020

Allman Brothers were just coming around

2487

01:51:43,209 --> 01:51:41,639

Chicago

2488

01:51:46,070 --> 01:51:43,219

right

2489

01:51:47,830 --> 01:51:46,080

my friends and I in 70 we were Elvis

2490

01:51:51,530 --> 01:51:47,840

what are you

2491

01:51:53,629 --> 01:51:51,540

I was born in 56 you know my parents

2492

01:51:55,669 --> 01:51:53,639

didn't have any Elvis albums they had

2493

01:51:59,470 --> 01:51:55,679

the first five Beatles albums by parents

2494

01:52:03,050 --> 01:51:59,480

did they really yeah so you know Elvis

2495

01:52:06,109 --> 01:52:03,060

phenomenal One of a Kind like Jesus

2496

01:52:07,790 --> 01:52:06,119

returning to to Earth and but then the

2497

01:52:10,189 --> 01:52:07,800

Beatles came and then it was four of

2498

01:52:11,870 --> 01:52:10,199

Jesus's you know you ever hear this in

2499

01:52:13,310 --> 01:52:11,880

the Bible apparently there's a passage

2500

01:52:15,590 --> 01:52:13,320

in the Bible

2501
01:52:17,330 --> 01:52:15,600
something about four angels will descend

2502
01:52:19,609 --> 01:52:17,340
to Earth with Harps and then we'll sing

2503
01:52:21,649 --> 01:52:19,619
or something do you know about that uh

2504
01:52:24,410 --> 01:52:21,659
yeah and they were singing

2505
01:52:26,330 --> 01:52:24,420
um uh Love Me Tender

2506
01:52:29,290 --> 01:52:26,340
no I would say they were singing Love me

2507
01:52:32,750 --> 01:52:31,370
I think the deal I think the Beatles

2508
01:52:35,209 --> 01:52:32,760
were predicted in them I don't know if

2509
01:52:37,609 --> 01:52:35,219
they saw their new testament oh that is

2510
01:52:41,270 --> 01:52:37,619
too funny hey Dan great conversation

2511
01:52:43,550 --> 01:52:41,280
tonight man and uh I I look forward to

2512
01:52:46,669 --> 01:52:43,560
uh the next time that you're on the show

2513
01:52:53,330 --> 01:52:46,679

where can everybody get the book Okay so

2514

01:52:57,530 --> 01:52:55,370

about an audio version because people

2515

01:52:59,570 --> 01:52:57,540

are telling me I haven't done it yet I

2516

01:53:02,209 --> 01:52:59,580

can't afford it to be honest

2517

01:53:05,450 --> 01:53:02,219

but uh it is on Amazon it's doing pretty

2518

01:53:08,330 --> 01:53:05,460

well I have quotes from Nick Pope and uh

2519

01:53:11,030 --> 01:53:08,340

Richard Dolan Travis Walton Lynn katai

2520

01:53:13,490 --> 01:53:11,040

and Chase kolutski about the book they

2521

01:53:15,050 --> 01:53:13,500

all enjoyed it more recently Kathleen

2522

01:53:17,030 --> 01:53:15,060

Martin told me she thought it was

2523

01:53:18,770 --> 01:53:17,040

brilliant

2524

01:53:21,310 --> 01:53:18,780

um I'm very blessed that I have people

2525

01:53:23,990 --> 01:53:21,320

like you and and Nick Pope and and

2526

01:53:26,090 --> 01:53:24,000

Giorgio I saw him at aliencon I gave him

2527

01:53:27,709 --> 01:53:26,100

a hug I said Georgia you've changed my

2528

01:53:30,830 --> 01:53:27,719

life man thank you you guys are cool

2529

01:53:33,649 --> 01:53:30,840

then he goes this is funny Jimmy he goes

2530

01:53:36,950 --> 01:53:33,659

oh you heard something again I'm telling

2531

01:53:42,669 --> 01:53:36,960

you it's the contact man we need to play

2532

01:53:48,050 --> 01:53:45,669

yeah

2533

01:53:49,970 --> 01:53:48,060

anyway but thank you very much I've

2534

01:53:52,370 --> 01:53:49,980

wanted to be on your show since I met

2535

01:53:54,410 --> 01:53:52,380

you last uh whenever it was in Studio

2536

01:53:56,330 --> 01:53:54,420

City I wanted to meet you and we did it

2537

01:53:58,970 --> 01:53:56,340

and I and I'm very grateful thank you so

2538

01:54:02,149 --> 01:53:58,980

very much thank you Daniel uh the book

2539

01:54:04,910 --> 01:54:02,159

is great I have read it everybody and uh

2540

01:54:07,669 --> 01:54:04,920

please uh Daniel's links are below and

2541

01:54:09,830 --> 01:54:07,679

if you need a publicist right right sure

2542

01:54:11,930 --> 01:54:09,840

I'm still I still have to pay bills I

2543

01:54:13,510 --> 01:54:11,940

still help my daughter financially help

2544

01:54:16,490 --> 01:54:13,520

me

2545

01:54:18,530 --> 01:54:16,500

and you're into the UFO field I'm the

2546

01:54:21,530 --> 01:54:18,540

guy I'm Stephen bass is going to hire me

2547

01:54:24,709 --> 01:54:21,540

you might as well hire me too yeah you

2548

01:54:26,990 --> 01:54:24,719

never know thank you Daniel be safe out

2549

01:54:29,270 --> 01:54:27,000

there and uh it's a great book man good

2550

01:54:34,189 --> 01:54:29,280

luck thank you very sweet thank you

2551

01:54:36,649 --> 01:54:34,199

thank you Daniel Harari and the new book

2552

01:54:40,850 --> 01:54:36,659

is called after they came the links for

2553

01:54:44,390 --> 01:54:40,860

it are below and uh so I'm gonna we just

2554

01:54:45,830 --> 01:54:44,400

we went over tonight so I'm gonna get

2555

01:54:48,790 --> 01:54:45,840

straight out of here I want to remind

2556

01:54:52,609 --> 01:54:48,800

everybody that tomorrow night right here

2557

01:54:54,970 --> 01:54:52,619

Reuben Langdon is with us and we are

2558

01:54:58,310 --> 01:54:54,980

going to be talking about tomorrow night

2559

01:55:01,609 --> 01:54:58,320

E.T and Consciousness tomorrow night

2560

01:55:03,649 --> 01:55:01,619

with Reuben Langdon absolutely one of

2561

01:55:05,510 --> 01:55:03,659

the best Reuben Langdon tomorrow night

2562

01:55:07,189 --> 01:55:05,520

Fade to Black is produced by Hilton J

2563

01:55:08,930 --> 01:55:07,199

Palm Renee Dennis and Kevin what master

2564

01:55:10,450 --> 01:55:08,940

of Drew the geek music Doug Aldrich

2565

01:55:12,350 --> 01:55:10,460

intro space boy

2566

01:55:14,149 --> 01:55:12,360

spaceboymusic.com feed the black is

2567

01:55:16,129 --> 01:55:14,159

produced by kjcr for the game changer

2568

01:55:18,649 --> 01:55:16,139

Network it's broadcast is owned and

2569

01:55:20,209 --> 01:55:18,659

copyrighted 2023 by Fade to Black in the

2570

01:55:22,790 --> 01:55:20,219

game changer networking

2571

01:55:24,050 --> 01:55:22,800

it cannot be rebroadcast downloaded

2572

01:55:25,970 --> 01:55:24,060

copied or used anywhere in the known

2573

01:55:27,410 --> 01:55:25,980

universe without rent permission from

2574

01:55:29,390 --> 01:55:27,420

Fade to Black is a game changer Network

2575

01:55:31,490 --> 01:55:29,400

I'm your chimney church until tomorrow

2576

01:55:34,129 --> 01:55:31,500

night with Reuben Langdon I want

2577

01:55:43,250 --> 01:55:34,139

everybody to be safe

2578

01:56:05,160 --> 01:55:46,340

[Applause]

2579

01:56:05,170 --> 01:56:16,250

[Music]
