

FADE TO BLACK

with JIMMY CHURCH

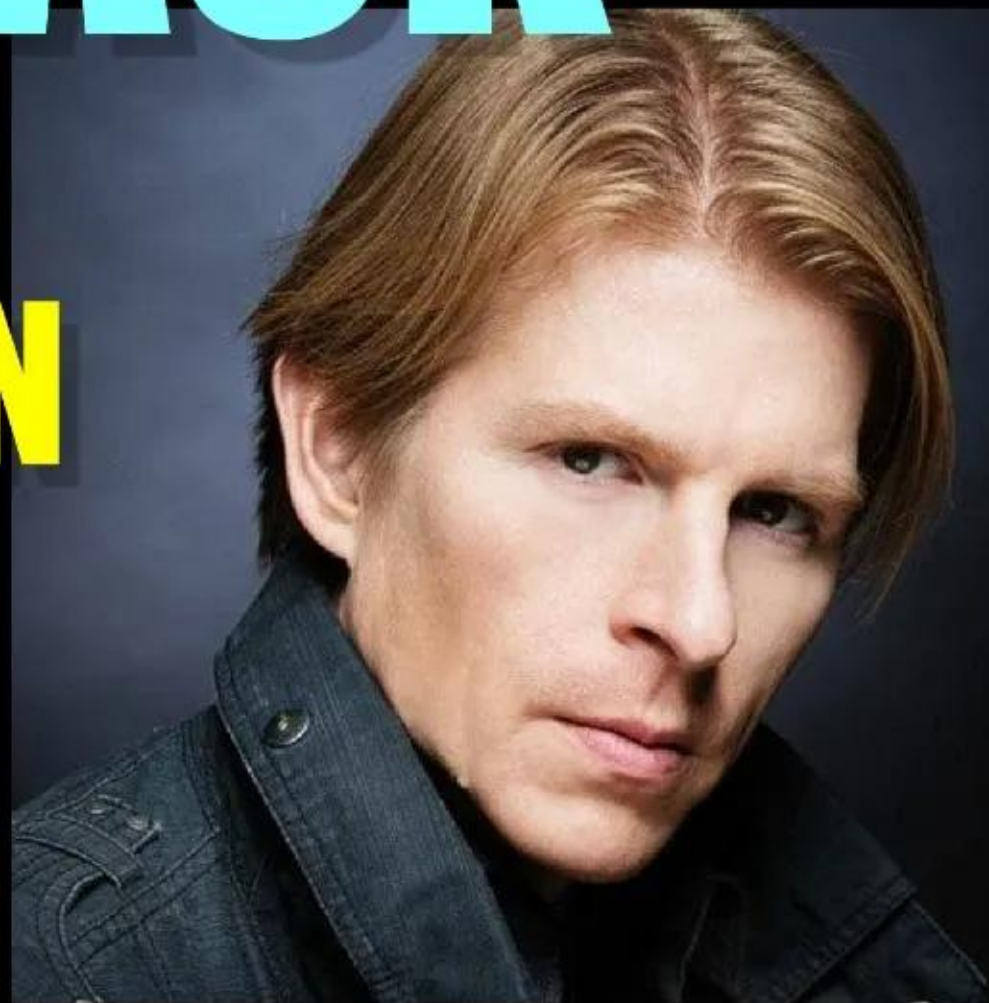

PRESENTS

REUBEN LANGDON

ET AND CONSCIOUSNESS

WED MAR 29 LIVE

7:00 PM PT/10:00PM ET

1
00:00:07,680 --> 00:00:15,380
foreign

2
00:00:15,390 --> 00:00:32,830
[Music]

3
00:00:37,670 --> 00:00:35,450
Air Forces has announced that a flying

4
00:00:40,190 --> 00:00:37,680
disc has been found and is now in the

5
00:00:43,549 --> 00:00:40,200
possession of the army

6
00:00:50,750 --> 00:00:46,910
I occasionally think how quickly our

7
00:00:53,389 --> 00:00:50,760
differences worldwide would vanish if we

8
00:00:54,390 --> 00:00:53,399
were facing an alien threat from outside

9
00:00:56,180 --> 00:00:54,400
this work

10
00:00:56,390 --> 00:00:56,190
[Music]

11
00:00:58,689 --> 00:00:56,400
[Applause]

12
00:01:01,610 --> 00:00:58,699
[Music]

13
00:01:04,490 --> 00:01:01,620

this is Fade to Black with your host

14
00:01:05,160 --> 00:01:04,500
Jimmy Church on the game changer Radio

15
00:01:08,870 --> 00:01:05,170
Network

16
00:01:12,530 --> 00:01:08,880
[Music]

17
00:01:15,830 --> 00:01:12,540
all right good evening Fade to Black I'm

18
00:01:20,990 --> 00:01:15,840
your host Jimmy church today is

19
00:01:22,429 --> 00:01:21,000
Wednesday March 29th and uh we've got a

20
00:01:25,910 --> 00:01:22,439
great show tonight tonight Reuben

21
00:01:27,710 --> 00:01:25,920
Langdon is back with us and tonight I

22
00:01:30,230 --> 00:01:27,720
wanted to talk about uh eating

23
00:01:33,649 --> 00:01:30,240
Consciousness and his experiences and

24
00:01:37,249 --> 00:01:33,659
and his research he has been a part of

25
00:01:39,649 --> 00:01:37,259
this community for many many years but

26

00:01:41,990 --> 00:01:39,659

he's also a stunt man that's right he's

27

00:01:43,030 --> 00:01:42,000

an actor filmmaker he's a video game

28

00:01:46,190 --> 00:01:43,040

Star

29

00:01:48,289 --> 00:01:46,200

and yes you've seen his work in Pirates

30

00:01:51,170 --> 00:01:48,299

of the Caribbean Power Rangers series

31

00:01:53,510 --> 00:01:51,180

and the highest grossing film of all

32

00:01:57,830 --> 00:01:53,520

time Avatar where he was a stunt double

33

00:02:02,149 --> 00:01:57,840

for Jake Sully's alien Avatar and also

34

00:02:05,889 --> 00:02:02,159

uh for me it's it's Dante

35

00:02:09,229 --> 00:02:05,899

that's right Dante and the Devil May Cry

36

00:02:12,170 --> 00:02:09,239

franchise I played all five video games

37

00:02:14,510 --> 00:02:12,180

and uh all five versions of that I think

38

00:02:17,150 --> 00:02:14,520

there was five there maybe there was a

39

00:02:18,890 --> 00:02:17,160

sixth and I've talked to Reuben about

40

00:02:21,770 --> 00:02:18,900

that many times on the show we won't be

41

00:02:23,690 --> 00:02:21,780

jumping into uh Devil May Cry tonight

42

00:02:27,830 --> 00:02:23,700

but uh we're gonna be talking about

43

00:02:31,010 --> 00:02:27,840

everything else and also uh well I'm

44

00:02:33,830 --> 00:02:31,020

Gonna Save my opening Salvo I was just

45

00:02:36,410 --> 00:02:33,840

gonna make a comment but I'll I'll keep

46

00:02:38,030 --> 00:02:36,420

that uh for a surprise uh for Reuben

47

00:02:41,570 --> 00:02:38,040

Langdon there he is Reuben Langdon

48

00:02:45,369 --> 00:02:41,580

welcome see I told everybody he has a

49

00:02:48,229 --> 00:02:45,379

great collection of knitted hats and

50

00:02:49,750 --> 00:02:48,239

yeah I got a few yeah I got a few here

51
00:02:52,490 --> 00:02:49,760
but we decided to go with this one today

52
00:02:54,350 --> 00:02:52,500
you didn't see it Jimmy it's it's great

53
00:02:56,270 --> 00:02:54,360
to see you and listen

54
00:02:59,089 --> 00:02:56,280
um I have been looking for a great

55
00:03:00,410 --> 00:02:59,099
clip-on you know because I you know I

56
00:03:02,410 --> 00:03:00,420
want you know where do you get your

57
00:03:04,369 --> 00:03:02,420
clip-ons

58
00:03:05,809 --> 00:03:04,379
handmade

59
00:03:08,390 --> 00:03:05,819
um

60
00:03:10,610 --> 00:03:08,400
no it's there it's just uh it's just a

61
00:03:12,729 --> 00:03:10,620
mess right now dude it's still snowing

62
00:03:16,490 --> 00:03:12,739
here in Big Bear can you believe it

63
00:03:20,630 --> 00:03:16,500

it's crazy I was driving it is so cold

64

00:03:23,449 --> 00:03:20,640

here in in Palmdale and uh and you know

65

00:03:25,630 --> 00:03:23,459

here's here's the the weird thing

66

00:03:29,630 --> 00:03:25,640

that most people don't realize yes

67

00:03:32,630 --> 00:03:29,640

they've got I I think the last what did

68

00:03:34,610 --> 00:03:32,640

I read snow summit's got like 75 feet of

69

00:03:38,210 --> 00:03:34,620

snow right now right it's like an insane

70

00:03:39,309 --> 00:03:38,220

amount of snow and but most people don't

71

00:03:43,190 --> 00:03:39,319

understand

72

00:03:48,130 --> 00:03:43,200

from Big Bear this is the trippy thing

73

00:03:51,289 --> 00:03:48,140

you can ski in that 75 feet of snow

74

00:03:53,990 --> 00:03:51,299

and drive off the back side of the

75

00:03:56,570 --> 00:03:54,000

mountain and in like 10 minutes roll

76

00:03:59,809 --> 00:03:56,580

right into the Mojave Desert it's like

77

00:04:04,070 --> 00:03:59,819

right there and then getting a left turn

78

00:04:06,710 --> 00:04:04,080

and and you hit my house and it's it's a

79

00:04:09,050 --> 00:04:06,720

strange thing to do because you're on

80

00:04:10,550 --> 00:04:09,060

those um switchbacks right on the back

81

00:04:13,490 --> 00:04:10,560

half of the mountain from a big bear

82

00:04:16,129 --> 00:04:13,500

yeah right there on the edge and you see

83

00:04:18,409 --> 00:04:16,139

the ice you see the snow and you're

84

00:04:20,210 --> 00:04:18,419

looking at that on on your left and you

85

00:04:24,170 --> 00:04:20,220

look to the right and it's the desert

86

00:04:28,129 --> 00:04:24,180

man it's it's the morocc salt dry lake

87

00:04:29,210 --> 00:04:28,139

bed it's it's it's it's surreal too I

88

00:04:31,550 --> 00:04:29,220

was just gonna say yeah it's a pretty

89

00:04:33,050 --> 00:04:31,560

surreal going on those hikes and can't

90

00:04:36,409 --> 00:04:33,060

wait till the weather warms up so we can

91

00:04:38,689 --> 00:04:36,419

get back out and and reconnect with uh

92

00:04:40,969 --> 00:04:38,699

some really nice hikes around here yeah

93

00:04:44,090 --> 00:04:40,979

yeah it's great up there for the views

94

00:04:46,670 --> 00:04:44,100

yeah I remember once

95

00:04:48,770 --> 00:04:46,680

um and this is people really need to

96

00:04:50,270 --> 00:04:48,780

listen to what I'm saying I leave Big

97

00:04:54,770 --> 00:04:50,280

Bear

98

00:04:58,310 --> 00:04:54,780

snow ice cold freezing gloves scarf hat

99

00:05:00,409 --> 00:04:58,320

big down jacket right I'm in the car and

100

00:05:02,330 --> 00:05:00,419

I'm like man I gotta get gas come off

101
00:05:06,730 --> 00:05:02,340
the mountain I believe I guess 80

102
00:05:09,170 --> 00:05:06,740
degrees I got my gloves on I'm just like

103
00:05:11,390 --> 00:05:09,180
what you know you look at the mountain

104
00:05:13,969 --> 00:05:11,400
like that just doesn't make any sense

105
00:05:17,749 --> 00:05:13,979
but that's the best part you know we're

106
00:05:20,570 --> 00:05:17,759
six thousand feet 6 500 feet so

107
00:05:22,189 --> 00:05:20,580
um that'll do it I guess it's such a

108
00:05:25,730 --> 00:05:22,199
weird thing and that's why we live here

109
00:05:28,969 --> 00:05:25,740
in in California you get all of that and

110
00:05:31,430 --> 00:05:28,979
keep driving you go surfing and we joke

111
00:05:33,050 --> 00:05:31,440
about that here but you can literally do

112
00:05:35,570 --> 00:05:33,060
all of that in the same day you can

113
00:05:38,450 --> 00:05:35,580

build a snowman in the morning and you

114

00:05:41,270 --> 00:05:38,460

know go Hang Ten in the afternoon it's

115

00:05:44,150 --> 00:05:41,280

it's it's crazy so

116

00:05:46,310 --> 00:05:44,160

um anyway uh I want to get straight to

117

00:05:47,990 --> 00:05:46,320

it tonight uh very excited to have you

118

00:05:49,550 --> 00:05:48,000

back on the show

119

00:05:52,070 --> 00:05:49,560

um and this is where I'm gonna start

120

00:05:55,450 --> 00:05:52,080

it's the 10th anniversary of the

121

00:05:58,550 --> 00:05:55,460

citizens hearing yeah

122

00:06:01,370 --> 00:05:58,560

next month yeah we're almost there next

123

00:06:04,969 --> 00:06:01,380

month does it feel like it doesn't wow I

124

00:06:07,550 --> 00:06:04,979

mean 10 years has passed I it's it flew

125

00:06:09,710 --> 00:06:07,560

by I can't believe how fast it flew by

126

00:06:13,730 --> 00:06:09,720

but

127

00:06:15,350 --> 00:06:13,740

um yeah it's uh we're we're now

128

00:06:17,090 --> 00:06:15,360

um in a post-disclosure world

129

00:06:20,570 --> 00:06:17,100

essentially

130

00:06:22,129 --> 00:06:20,580

I think about it a hundred percent and

131

00:06:24,830 --> 00:06:22,139

when

132

00:06:27,890 --> 00:06:24,840

um well tell everybody because I you

133

00:06:31,070 --> 00:06:27,900

know I could sit here and and prop you

134

00:06:32,570 --> 00:06:31,080

up but uh tell you were you're the

135

00:06:35,110 --> 00:06:32,580

producer behind that event tell

136

00:06:39,830 --> 00:06:35,120

everybody about it and and and

137

00:06:44,809 --> 00:06:41,450

yeah well

138

00:06:47,090 --> 00:06:44,819

I would say it's I'm a lot more educated

139

00:06:49,730 --> 00:06:47,100

now on the subject than I was back then

140

00:06:52,309 --> 00:06:49,740

I was very naive uh if you'd asked me to

141

00:06:56,510 --> 00:06:52,319

do it again I don't know if I would that

142

00:06:58,670 --> 00:06:56,520

was uh I think my naiveness uh was the

143

00:07:00,590 --> 00:06:58,680

Catalyst for me to continue to do it

144

00:07:02,210 --> 00:07:00,600

because I had no idea what kind of a

145

00:07:05,210 --> 00:07:02,220

challenge it was gonna be I thought oh

146

00:07:07,670 --> 00:07:05,220

yeah just have this do this event have

147

00:07:10,010 --> 00:07:07,680

the media uh cover it and we get

148

00:07:11,450 --> 00:07:10,020

disclosure easy peasy

149

00:07:13,730 --> 00:07:11,460

um

150

00:07:15,010 --> 00:07:13,740

yeah

151
00:07:17,450 --> 00:07:15,020
right

152
00:07:19,010 --> 00:07:17,460
you know that's you know here's the

153
00:07:21,650 --> 00:07:19,020
thing with what you just said then we're

154
00:07:23,510 --> 00:07:21,660
going to get back to it I I really it's

155
00:07:29,390 --> 00:07:23,520
such a great story it's an amazing

156
00:07:32,330 --> 00:07:29,400
journey but the new people that are here

157
00:07:35,409 --> 00:07:32,340
and I love it that they are because of

158
00:07:39,050 --> 00:07:35,419
say tsa or

159
00:07:40,909 --> 00:07:39,060
2017 or Lou Elizondo right and so

160
00:07:42,469 --> 00:07:40,919
they're all you know they're they're

161
00:07:44,809 --> 00:07:42,479
here oh this is going to be great

162
00:07:46,309 --> 00:07:44,819
Madness and it's gonna happen tomorrow

163
00:07:47,870 --> 00:07:46,319

this is what it's all about this is

164

00:07:49,969 --> 00:07:47,880

going to be easy it's going to be easy

165

00:07:53,710 --> 00:07:49,979

this is this is not look look what's

166

00:07:57,490 --> 00:07:53,720

going on and and here we are now in 2023

167

00:08:02,749 --> 00:07:57,500

uh almost uh you know six years after

168

00:08:04,210 --> 00:08:02,759

that uh New York Times bombshell and uh

169

00:08:06,650 --> 00:08:04,220

to hear we and

170

00:08:08,870 --> 00:08:06,660

everybody thought it was just gonna you

171

00:08:10,129 --> 00:08:08,880

know happen in in a couple of days it

172

00:08:12,469 --> 00:08:10,139

didn't

173

00:08:15,050 --> 00:08:12,479

I don't think it is I mean there's

174

00:08:20,869 --> 00:08:15,060

you're talking about a um

175

00:08:22,249 --> 00:08:20,879

uh a just how it's not so cut cut and

176

00:08:24,309 --> 00:08:22,259

dry you know it's not such a clear

177

00:08:26,689 --> 00:08:24,319

subject and depending who you talk to

178

00:08:30,050 --> 00:08:26,699

everybody's got a different opinion on

179

00:08:33,230 --> 00:08:30,060

on what it is and who's gonna disclose

180

00:08:35,230 --> 00:08:33,240

and how it's supposed to happen and it's

181

00:08:39,409 --> 00:08:35,240

just to the the

182

00:08:42,529 --> 00:08:39,419

water's still way too muddy for uh for

183

00:08:44,209 --> 00:08:42,539

it to happen in in a like overnight way

184

00:08:46,730 --> 00:08:44,219

like it the way it's happening now is

185

00:08:48,949 --> 00:08:46,740

just people are so sort of getting

186

00:08:51,290 --> 00:08:48,959

whatever version of disclosure that they

187

00:08:54,769 --> 00:08:51,300

need by following whoever you know

188

00:08:56,030 --> 00:08:54,779

everybody's got their camps and um you

189

00:08:59,590 --> 00:08:56,040

know and it's happening it's happening

190

00:09:02,630 --> 00:08:59,600

and it's a very not so coherent but

191

00:09:04,730 --> 00:09:02,640

semi-coherent kind of way uh obviously

192

00:09:08,269 --> 00:09:04,740

Fade to Black has a huge

193

00:09:12,110 --> 00:09:08,279

um uh you know hand in that

194

00:09:14,630 --> 00:09:12,120

um and all your guests but uh the it's

195

00:09:16,130 --> 00:09:14,640

it's interesting it's definitely we're

196

00:09:19,490 --> 00:09:16,140

definitely further than we were 10 years

197

00:09:21,889 --> 00:09:19,500

ago but it's still the water is maybe

198

00:09:24,110 --> 00:09:21,899

even more muddy now than it was before

199

00:09:27,009 --> 00:09:24,120

I don't know when

200

00:09:32,630 --> 00:09:27,019

um when you think about it

201
00:09:35,090 --> 00:09:32,640
uh the citizens hearing lined up the uh

202
00:09:38,810 --> 00:09:35,100
not only the most important but well

203
00:09:41,090 --> 00:09:38,820
spoken and certainly some of the uh when

204
00:09:43,730 --> 00:09:41,100
we talk about experiencers or Witnesses

205
00:09:46,370 --> 00:09:43,740
you know the the the best of the best

206
00:09:48,889 --> 00:09:46,380
you've got lights camera action right

207
00:09:52,009 --> 00:09:48,899
you've got the right location you've got

208
00:09:55,430 --> 00:09:52,019
a a streaming platform you're you've got

209
00:09:58,370 --> 00:09:55,440
a documentary film right everything is

210
00:10:00,530 --> 00:09:58,380
in place the Press are invited

211
00:10:03,949 --> 00:10:00,540
um there was a lot of action behind it

212
00:10:05,870 --> 00:10:03,959
it was just a huge event everybody's

213
00:10:07,850 --> 00:10:05,880

just sitting on the edge of their seats

214

00:10:11,150 --> 00:10:07,860

like I was

215

00:10:14,389 --> 00:10:11,160

um it was just huge and at that at that

216

00:10:16,490 --> 00:10:14,399

time did you have any idea that it would

217

00:10:19,310 --> 00:10:16,500

turn out to be especially historically

218

00:10:21,050 --> 00:10:19,320

speaking as important as it turned out

219

00:10:25,430 --> 00:10:21,060

to be

220

00:10:27,230 --> 00:10:25,440

well you I know I know you appreciate it

221

00:10:30,110 --> 00:10:27,240

and I appreciate it and then you know

222

00:10:33,230 --> 00:10:30,120

the the several thousand people that saw

223

00:10:35,570 --> 00:10:33,240

it appreciate it and all it's done for

224

00:10:38,150 --> 00:10:35,580

the the you know moving the topic

225

00:10:41,509 --> 00:10:38,160

through the masses but when you really

226

00:10:44,269 --> 00:10:41,519

look at the actual numbers uh because

227

00:10:46,069 --> 00:10:44,279

you know for for years we were keeping

228

00:10:47,930 --> 00:10:46,079

it behind a paywall because we had an

229

00:10:51,230 --> 00:10:47,940

investor that we had promised to to pay

230

00:10:52,850 --> 00:10:51,240

back uh the uh the investment and we

231

00:10:54,829 --> 00:10:52,860

tried to get deals with different

232

00:10:57,050 --> 00:10:54,839

distribution companies nobody wanted it

233

00:11:00,290 --> 00:10:57,060

nobody could get it out we couldn't get

234

00:11:02,389 --> 00:11:00,300

it out there and finally uh sort of at

235

00:11:03,829 --> 00:11:02,399

our last resort after we had exhausted

236

00:11:06,650 --> 00:11:03,839

everything

237

00:11:08,210 --> 00:11:06,660

um like let's go to YouTube and we had

238

00:11:09,889 --> 00:11:08,220

to get you know we got permission from

239

00:11:11,389 --> 00:11:09,899

from Thomas Clearwater the investor and

240

00:11:14,569 --> 00:11:11,399

he said yeah guys you guys have

241

00:11:16,490 --> 00:11:14,579

definitely tried every Avenue and so we

242

00:11:17,690 --> 00:11:16,500

uh so and that was the big thing was

243

00:11:20,509 --> 00:11:17,700

like everybody's like this is because

244

00:11:23,329 --> 00:11:20,519

this is not for free

245

00:11:25,250 --> 00:11:23,339

um you know know that's that's hurting

246

00:11:26,389 --> 00:11:25,260

the the you know the subject matter this

247

00:11:28,910 --> 00:11:26,399

needs to be free this needs to be free

248

00:11:30,530 --> 00:11:28,920

and I and I get it you know I'm trust me

249

00:11:33,290 --> 00:11:30,540

I wish it could have been free earlier

250

00:11:35,949 --> 00:11:33,300

too but we had con we had you know

251

00:11:39,230 --> 00:11:35,959

contractual obligations to our investor

252

00:11:40,910 --> 00:11:39,240

so uh luckily you know years later we

253

00:11:43,310 --> 00:11:40,920

got through it all it's finally out it's

254

00:11:45,350 --> 00:11:43,320

out there for free do you know I'm sure

255

00:11:48,110 --> 00:11:45,360

it's got to be Shadow banned because you

256

00:11:49,550 --> 00:11:48,120

know the probably the most uh hits on

257

00:11:52,430 --> 00:11:49,560

any of those episodes that we have is

258

00:11:55,250 --> 00:11:52,440

about twenty thousand that's what you do

259

00:11:59,389 --> 00:11:55,260

in a night and it's been out for a year

260

00:12:03,050 --> 00:11:59,399

on YouTube for free with 20 000 views

261

00:12:04,850 --> 00:12:03,060

per episode if that like 10 maybe 10 000

262

00:12:06,949 --> 00:12:04,860

and some of the others so unless

263

00:12:09,530 --> 00:12:06,959

YouTube's uh algorithms are off or

264

00:12:11,569 --> 00:12:09,540

something like that but it just

265

00:12:13,069 --> 00:12:11,579

so you you say that and I don't that's

266

00:12:15,889 --> 00:12:13,079

why I think I don't know if it has

267

00:12:20,269 --> 00:12:15,899

really had that much of an impact

268

00:12:23,050 --> 00:12:20,279

and now why

269

00:12:25,850 --> 00:12:23,060

I mean the the

270

00:12:28,610 --> 00:12:25,860

that's what's so strange you write about

271

00:12:31,850 --> 00:12:28,620

the community the community was there uh

272

00:12:35,990 --> 00:12:31,860

for sure but the other part about it is

273

00:12:39,230 --> 00:12:36,000

the media and if if the citizens hearing

274

00:12:40,970 --> 00:12:39,240

went off today it I'd imagine it would

275

00:12:43,550 --> 00:12:40,980

be a totally different situation it

276

00:12:46,129 --> 00:12:43,560

wouldn't be that kind of party that the

277

00:12:47,090 --> 00:12:46,139

media would be there and would support

278

00:12:49,610 --> 00:12:47,100

it

279

00:12:51,769 --> 00:12:49,620

yeah I think I think today would be a

280

00:12:53,629 --> 00:12:51,779

different definitely a different uh

281

00:12:54,470 --> 00:12:53,639

situation

282

00:12:56,750 --> 00:12:54,480

um

283

00:12:58,790 --> 00:12:56,760

because of all the you know everything

284

00:13:02,449 --> 00:12:58,800

that we're getting now from from the

285

00:13:04,790 --> 00:13:02,459

mainstream coverage with uh with Lou and

286

00:13:06,829 --> 00:13:04,800

and uh you know Gary Nolan and all the

287

00:13:10,069 --> 00:13:06,839

guys are on the you know making the news

288

00:13:12,290 --> 00:13:10,079

rounds so for sure uh it would probably

289

00:13:14,629 --> 00:13:12,300

make do better but I don't know it's

290

00:13:16,069 --> 00:13:14,639

just such it's funny because it's out

291

00:13:19,069 --> 00:13:16,079

there it's sort of it's public record

292

00:13:22,910 --> 00:13:19,079

right it's it's out for masses to

293

00:13:25,970 --> 00:13:22,920

to view and to get educated and there

294

00:13:28,910 --> 00:13:25,980

hasn't been a single media reference to

295

00:13:31,910 --> 00:13:28,920

it mainstream media uh from you know the

296

00:13:33,170 --> 00:13:31,920

The Usual Suspects you know I consider

297

00:13:36,129 --> 00:13:33,180

you and your audience way more

298

00:13:39,290 --> 00:13:36,139

mainstream than those other guys

299

00:13:41,210 --> 00:13:39,300

in the embassy you know those guys uh so

300

00:13:41,810 --> 00:13:41,220

they haven't touched it they haven't

301
00:13:43,970 --> 00:13:41,820
um

302
00:13:45,530 --> 00:13:43,980
you know I got recognition Lou actually

303
00:13:47,150 --> 00:13:45,540
called I think the last time I was on

304
00:13:49,970 --> 00:13:47,160
your show uh or maybe it was two times

305
00:13:51,769 --> 00:13:49,980
before actually called and was uh

306
00:13:54,230 --> 00:13:51,779
congratulating and talking about the

307
00:13:57,829 --> 00:13:54,240
citizen here which was awesome that he

308
00:13:58,490 --> 00:13:57,839
uh he would give it props but

309
00:14:00,769 --> 00:13:58,500
um

310
00:14:03,110 --> 00:14:00,779
the mainstream media has not

311
00:14:05,389 --> 00:14:03,120
you know has not said a thing about it

312
00:14:08,090 --> 00:14:05,399
so that that's also kind of like hmm

313
00:14:10,310 --> 00:14:08,100

that's kind of you have this still to

314

00:14:12,110 --> 00:14:10,320

date the largest Collective body of

315

00:14:16,129 --> 00:14:12,120

evidence ever put together in one

316

00:14:18,650 --> 00:14:16,139

setting it was a five-day uh you know 32

317

00:14:21,230 --> 00:14:18,660

hours worth of testimony

318

00:14:23,329 --> 00:14:21,240

um uh five-day event eight hours a day

319

00:14:24,650 --> 00:14:23,339

plus plus additional panels in the

320

00:14:27,889 --> 00:14:24,660

evening

321

00:14:30,050 --> 00:14:27,899

um held at the national Press Club uh

322

00:14:32,870 --> 00:14:30,060

and and six former members of Congress

323

00:14:34,370 --> 00:14:32,880

so you would you would think with all

324

00:14:36,350 --> 00:14:34,380

the stuff today even just a little

325

00:14:38,870 --> 00:14:36,360

mention oh by the way yeah this this

326

00:14:41,509 --> 00:14:38,880

thing happened it was in this epic event

327

00:14:44,210 --> 00:14:41,519

you know cost a lot of money

328

00:14:45,769 --> 00:14:44,220

um so I I don't know there's something

329

00:14:48,050 --> 00:14:45,779

uh

330

00:14:49,850 --> 00:14:48,060

we've tried you know we've tried myself

331

00:14:52,670 --> 00:14:49,860

and and my other partner tried really

332

00:14:54,949 --> 00:14:52,680

hard to get it out there but um it it

333

00:14:57,110 --> 00:14:54,959

it's it's been it's been one of those

334

00:14:58,910 --> 00:14:57,120

strange Mysteries that may go down in

335

00:15:01,670 --> 00:14:58,920

history as part of the Paranormal

336

00:15:06,889 --> 00:15:01,680

craziness yeah absolutely

337

00:15:11,509 --> 00:15:06,899

um the uh the journey after that

338

00:15:14,930 --> 00:15:11,519

um when you say and and it pains me to

339

00:15:18,650 --> 00:15:14,940

have to agree with you but

340

00:15:20,650 --> 00:15:18,660

um it's not the UFO subject the contact

341

00:15:23,389 --> 00:15:20,660

subject uh

342

00:15:27,490 --> 00:15:23,399

extraterrestrial life visiting this

343

00:15:31,850 --> 00:15:27,500

planet that subject is one of the most

344

00:15:34,069 --> 00:15:31,860

multi-layered complex uh that involves

345

00:15:36,829 --> 00:15:34,079

so many uh different people in

346

00:15:39,470 --> 00:15:36,839

organizations that you you just can't

347

00:15:42,410 --> 00:15:39,480

focus on one thing because when you open

348

00:15:45,829 --> 00:15:42,420

that up it leads you somewhere else and

349

00:15:47,870 --> 00:15:45,839

it is just one of the most insane things

350

00:15:50,689 --> 00:15:47,880

to try to figure out and you didn't have

351

00:15:55,009 --> 00:15:50,699

any idea about that back then did you

352

00:15:57,530 --> 00:15:55,019

no I I mean at the uh during the

353

00:15:59,870 --> 00:15:57,540

production of the citizen hearing I

354

00:16:04,069 --> 00:15:59,880

I was just dipping my toe in you know I

355

00:16:05,090 --> 00:16:04,079

was very much focused on evidence-based

356

00:16:07,189 --> 00:16:05,100

um

357

00:16:08,750 --> 00:16:07,199

you know hardcore things that I could

358

00:16:11,329 --> 00:16:08,760

tangible things that you can sort of

359

00:16:13,790 --> 00:16:11,339

look at as far as like the Roswell and

360

00:16:16,370 --> 00:16:13,800

other uh major events that had

361

00:16:20,290 --> 00:16:16,380

documentation or or some sort of uh

362

00:16:24,350 --> 00:16:20,300

paper trail or um evidence Left Behind

363

00:16:26,750 --> 00:16:24,360

uh so the Consciousness aspect was

364

00:16:28,250 --> 00:16:26,760

it was it did interest me because I did

365

00:16:30,350 --> 00:16:28,260

start to see especially when you started

366

00:16:31,790 --> 00:16:30,360

talking about uh and getting to subjects

367

00:16:35,569 --> 00:16:31,800

like the hybrids

368

00:16:37,930 --> 00:16:35,579

you you really start to like have to go

369

00:16:43,310 --> 00:16:40,730

and let go of some of the physical

370

00:16:44,990 --> 00:16:43,320

tangible stuff because you have all

371

00:16:47,870 --> 00:16:45,000

these people talking about

372

00:16:50,689 --> 00:16:47,880

um their experiences and that body of

373

00:16:52,790 --> 00:16:50,699

evidence for sure is is well weighted

374

00:16:54,710 --> 00:16:52,800

but there's no tangible stuff behind it

375

00:16:57,350 --> 00:16:54,720

and they're talking extremely out there

376

00:16:58,670 --> 00:16:57,360

like hybrids and

377

00:17:00,710 --> 00:16:58,680

um you know being brought aboard ships

378

00:17:03,530 --> 00:17:00,720

and all this stuff so

379

00:17:05,510 --> 00:17:03,540

um so then you kind of have to start

380

00:17:07,189 --> 00:17:05,520

dipping your toe into Consciousness and

381

00:17:09,289 --> 00:17:07,199

what is that and that's that's after the

382

00:17:11,210 --> 00:17:09,299

hearings that's where eventually I

383

00:17:13,850 --> 00:17:11,220

started going and that's you know how I

384

00:17:15,949 --> 00:17:13,860

got got into my show but did you find

385

00:17:21,230 --> 00:17:15,959

that strange

386

00:17:24,189 --> 00:17:21,240

um when you the obvious thing is you

387

00:17:27,409 --> 00:17:24,199

know ships made of materials that are

388

00:17:29,690 --> 00:17:27,419

crossing you know the vastness of space

389

00:17:32,450 --> 00:17:29,700

with somebody on board you know with a

390

00:17:36,470 --> 00:17:32,460

you know whatever and and flying across

391

00:17:39,409 --> 00:17:36,480

and and that's that seems simple right

392

00:17:42,830 --> 00:17:39,419

and that's the way we are doing it here

393

00:17:45,830 --> 00:17:42,840

on this planet we we get that but then

394

00:17:49,190 --> 00:17:45,840

you find yourself going in other

395

00:17:53,630 --> 00:17:49,200

directions into the stuff that you know

396

00:17:57,289 --> 00:17:53,640

the tinfoil hat may need to be worn and

397

00:18:00,049 --> 00:17:57,299

that is you know interdimensional you

398

00:18:02,150 --> 00:18:00,059

know a Consciousness aspect and and

399

00:18:05,330 --> 00:18:02,160

maybe some of these ships aren't uh

400

00:18:08,029 --> 00:18:05,340

something as physical as is what we

401
00:18:09,950 --> 00:18:08,039
would normally think about first when

402
00:18:11,630 --> 00:18:09,960
you start going down those roads what

403
00:18:14,270 --> 00:18:11,640
goes through your mind do you become the

404
00:18:15,950 --> 00:18:14,280
crazy person that that you read about

405
00:18:18,770 --> 00:18:15,960
and hear about

406
00:18:20,510 --> 00:18:18,780
well you're already kind of the you got

407
00:18:22,010 --> 00:18:20,520
you just by dipping your toe into the

408
00:18:24,470 --> 00:18:22,020
evidence-based stuff you're already kind

409
00:18:26,870 --> 00:18:24,480
of crazy especially at that time uh you

410
00:18:29,870 --> 00:18:26,880
know the past 10 years that definitely

411
00:18:33,529 --> 00:18:29,880
people have sort of massaged their uh

412
00:18:35,150 --> 00:18:33,539
fixed uh projections of of uh if you

413
00:18:37,070 --> 00:18:35,160

believe in UFOs so you can sort of

414

00:18:40,430 --> 00:18:37,080

safely say you believe in UFOs now and

415

00:18:43,730 --> 00:18:40,440

not get uh not wear the tinfoil hat but

416

00:18:46,850 --> 00:18:43,740

um uh back then uh so I was already kind

417

00:18:48,950 --> 00:18:46,860

of in had one foot in that camp in in

418

00:18:50,630 --> 00:18:48,960

that world so I was already getting the

419

00:18:52,850 --> 00:18:50,640

strange look so I was like okay let's go

420

00:18:55,010 --> 00:18:52,860

deeper this is now no longer you know

421

00:18:57,669 --> 00:18:55,020

who cares what everybody else says I

422

00:19:00,890 --> 00:18:57,679

need to go deeper for my own personal

423

00:19:03,470 --> 00:19:00,900

understanding of the phenomenon uh and

424

00:19:06,350 --> 00:19:03,480

all signs point towards you know

425

00:19:10,070 --> 00:19:06,360

Consciousness or quantum physics or you

426
00:19:12,590 --> 00:19:10,080
know this this Unseen World of Science

427
00:19:16,789 --> 00:19:12,600
and spirituality

428
00:19:19,150 --> 00:19:16,799
um their their lies the answers to make

429
00:19:21,650 --> 00:19:19,160
sense of it all right there's no other

430
00:19:23,930 --> 00:19:21,660
modality that kind of makes it make

431
00:19:26,690 --> 00:19:23,940
sense unless you start going deeper into

432
00:19:27,890 --> 00:19:26,700
those uh worlds and I think all of all

433
00:19:29,270 --> 00:19:27,900
of your guests and all of the

434
00:19:31,310 --> 00:19:29,280
researchers

435
00:19:33,770 --> 00:19:31,320
that's just where they go you know you

436
00:19:35,029 --> 00:19:33,780
can be so hard for focused on the on the

437
00:19:37,370 --> 00:19:35,039
physical stuff

438
00:19:39,289 --> 00:19:37,380

but um you're definitely gonna hit a

439

00:19:43,190 --> 00:19:39,299

wall with

440

00:19:45,770 --> 00:19:43,200

um uh Jacques valet's uh books uh not

441

00:19:47,470 --> 00:19:45,780

only you know the early stuff but his

442

00:19:51,529 --> 00:19:47,480

continuing

443

00:19:54,049 --> 00:19:51,539

uh research and suggestions that you

444

00:19:55,130 --> 00:19:54,059

know it just means pain

445

00:19:58,490 --> 00:19:55,140

think

446

00:20:00,710 --> 00:19:58,500

right and he kept throwing that out

447

00:20:02,270 --> 00:20:00,720

there he was relentless and he still is

448

00:20:05,450 --> 00:20:02,280

but

449

00:20:07,909 --> 00:20:05,460

um for for a lot of us which includes me

450

00:20:11,990 --> 00:20:07,919

it's like ah man what's he going on

451

00:20:16,190 --> 00:20:12,000

about is that no no no no no they're

452

00:20:18,289 --> 00:20:16,200

ships with rivets made of titanium you

453

00:20:21,169 --> 00:20:18,299

know what you know I was I was like no

454

00:20:24,350 --> 00:20:21,179

no it has to be this but there have been

455

00:20:27,710 --> 00:20:24,360

many researchers uh Jacques is a great

456

00:20:29,690 --> 00:20:27,720

example of that that have been trying to

457

00:20:33,169 --> 00:20:29,700

open that door for us for a very long

458

00:20:35,090 --> 00:20:33,179

time right yeah yeah he definitely was

459

00:20:38,270 --> 00:20:35,100

one of the first in in sort of the more

460

00:20:40,970 --> 00:20:38,280

evidence-based physical uh researcher

461

00:20:43,130 --> 00:20:40,980

camp that really started presenting

462

00:20:46,010 --> 00:20:43,140

ideas I remember going to one of his

463

00:20:46,730 --> 00:20:46,020

talks at the uh ions

464

00:20:53,330 --> 00:20:46,740

um

465

00:20:54,890 --> 00:20:53,340

research uh the ions Institute and and

466

00:20:56,570 --> 00:20:54,900

um Jacques was giving a speech and he

467

00:20:57,590 --> 00:20:56,580

was talking I think the name of the

468

00:21:00,409 --> 00:20:57,600

speech was

469

00:21:03,049 --> 00:21:00,419

something about sisters uh the little

470

00:21:05,930 --> 00:21:03,059

sister I somebody out there will know

471

00:21:07,250 --> 00:21:05,940

but um it was in one of his books he

472

00:21:10,070 --> 00:21:07,260

just talked about how these strange

473

00:21:12,230 --> 00:21:10,080

things of strange synchronicities would

474

00:21:14,990 --> 00:21:12,240

happen when uh like a book would fall

475

00:21:17,270 --> 00:21:15,000

off the shelf and open up and fall open

476

00:21:18,950 --> 00:21:17,280

to a specific page and then he'd be

477

00:21:20,570 --> 00:21:18,960

guided to a specific paragraph and he

478

00:21:22,490 --> 00:21:20,580

reads it and it's like

479

00:21:24,890 --> 00:21:22,500

very relevant to whatever he was dealing

480

00:21:27,770 --> 00:21:24,900

with at that time uh and and just the

481

00:21:32,090 --> 00:21:27,780

odds of that happening or so you know

482

00:21:35,510 --> 00:21:32,100

just just not there's there were no odds

483

00:21:38,990 --> 00:21:35,520

um and he uh um so there's this like

484

00:21:42,169 --> 00:21:39,000

unseen phenomenon that has uh control

485

00:21:44,270 --> 00:21:42,179

over things like a book falling open you

486

00:21:46,430 --> 00:21:44,280

know that there's some intelligence

487

00:21:48,289 --> 00:21:46,440

there it was what he was presenting and

488

00:21:49,970 --> 00:21:48,299

I just remember hearing that in those

489

00:21:51,590 --> 00:21:49,980

days and being like yeah totally that's

490

00:21:53,270 --> 00:21:51,600

that's where we got to go that's where

491

00:21:56,390 --> 00:21:53,280

this exploration and the research needs

492

00:21:58,310 --> 00:21:56,400

to go and stop you know stop cutting it

493

00:22:00,430 --> 00:21:58,320

off and saying oh well there's that's

494

00:22:02,810 --> 00:22:00,440

that's all Hocus Pocus

495

00:22:05,110 --> 00:22:02,820

is it have you looked down that path

496

00:22:07,970 --> 00:22:05,120

have you gone down that home

497

00:22:10,669 --> 00:22:07,980

How would how would we or anyone even

498

00:22:13,190 --> 00:22:10,679

know you can't qualify that kind of

499

00:22:16,370 --> 00:22:13,200

statement because there's there's just

500

00:22:18,649 --> 00:22:16,380

no way of knowing unless you've been to

501
00:22:21,289 --> 00:22:18,659
Zeta reticuline visited the planet and

502
00:22:24,289 --> 00:22:21,299
see how they do it unless you have that

503
00:22:28,310 --> 00:22:24,299
kind of input uh you can't say yes or no

504
00:22:30,770 --> 00:22:28,320
to any of of these ideas we we right or

505
00:22:35,270 --> 00:22:30,780
or going down the path of you know

506
00:22:36,950 --> 00:22:35,280
Shamanism and uh uh sort of the

507
00:22:38,990 --> 00:22:36,960
spiritual you know Consciousness

508
00:22:43,310 --> 00:22:39,000
channeling

509
00:22:44,930 --> 00:22:43,320
um the these types of uh modalities that

510
00:22:46,490 --> 00:22:44,940
have existed for thousands of years on

511
00:22:49,250 --> 00:22:46,500
our planet but many people just sort of

512
00:22:51,230 --> 00:22:49,260
cut them off as as oh that's all woo

513
00:22:53,210 --> 00:22:51,240

they're actually more connected to the

514

00:22:56,750 --> 00:22:53,220

phenomenon to the through my research

515

00:22:58,310 --> 00:22:56,760

through the ET phenomenon and uh then we

516

00:23:00,710 --> 00:22:58,320

give credit to them you know they're

517

00:23:03,950 --> 00:23:00,720

they they they're not all the same but

518

00:23:06,890 --> 00:23:03,960

there are definitely uh aspects and

519

00:23:10,730 --> 00:23:06,900

bleed-throughs where perhaps a Zeta

520

00:23:12,950 --> 00:23:10,740

reticuli can appear and show itself as a

521

00:23:14,750 --> 00:23:12,960

uh owl totem or something like that

522

00:23:17,330 --> 00:23:14,760

there's you know there's these things in

523

00:23:19,070 --> 00:23:17,340

our Zeitgeist and many researchers have

524

00:23:22,250 --> 00:23:19,080

gone down these Paths of connecting the

525

00:23:25,190 --> 00:23:22,260

dots with you know the the ancient ways

526

00:23:27,529 --> 00:23:25,200

and to the you know this the strange

527

00:23:29,270 --> 00:23:27,539

data reticula you know

528

00:23:31,669 --> 00:23:29,280

um showing up and taking you in the ship

529

00:23:35,390 --> 00:23:31,679

or whatever it is well

530

00:23:36,529 --> 00:23:35,400

um Tom DeLong when he was on uh Fade to

531

00:23:38,810 --> 00:23:36,539

Black

532

00:23:41,870 --> 00:23:38,820

um and it doesn't matter what what

533

00:23:44,810 --> 00:23:41,880

anybody thinks about Tom or what the the

534

00:23:48,830 --> 00:23:44,820

preconceived views of Tom are that

535

00:23:51,710 --> 00:23:48,840

doesn't matter uh to me but he made one

536

00:23:54,590 --> 00:23:51,720

statement and that still it just echoes

537

00:23:57,529 --> 00:23:54,600

in my mind I still hear him saying it he

538

00:24:02,270 --> 00:23:57,539

said it was one of the most intelligent

539

00:24:05,330 --> 00:24:02,280

things ever uh certainly for him

540

00:24:08,870 --> 00:24:05,340

um is uh he said you know

541

00:24:12,169 --> 00:24:08,880

you got to be careful about what you're

542

00:24:14,870 --> 00:24:12,179

gonna call in with your mind

543

00:24:17,270 --> 00:24:14,880

you got to be real careful when you're

544

00:24:19,010 --> 00:24:17,280

consciously connecting to something that

545

00:24:22,490 --> 00:24:19,020

you see in the sky because you don't

546

00:24:25,789 --> 00:24:22,500

know what you're connecting with or or

547

00:24:29,270 --> 00:24:25,799

what their agenda is so just be careful

548

00:24:32,810 --> 00:24:29,280

don't make and so what he was saying was

549

00:24:35,690 --> 00:24:32,820

and I'm not paraphrasing that there is a

550

00:24:39,529 --> 00:24:35,700

very deep and real conscious connection

551
00:24:43,370 --> 00:24:39,539
between us and them we don't know who

552
00:24:48,230 --> 00:24:43,380
them necessarily is and what the agenda

553
00:24:50,149 --> 00:24:48,240
is but we can and do do this there is a

554
00:24:52,570 --> 00:24:50,159
conscious connection isn't there

555
00:24:55,610 --> 00:24:52,580
absolutely absolutely I mean that's

556
00:24:57,350 --> 00:24:55,620
Greer's work is probably you know some

557
00:24:59,270 --> 00:24:57,360
of the best in that

558
00:25:02,270 --> 00:24:59,280
um making that connection you know with

559
00:25:04,610 --> 00:25:02,280
the c his ce5 protocols

560
00:25:06,169 --> 00:25:04,620
um you know I've done them over and over

561
00:25:09,350 --> 00:25:06,179
I know you've been on some ce5

562
00:25:13,330 --> 00:25:09,360
adventures and uh there is a clear

563
00:25:16,850 --> 00:25:13,340

connection to you know our uh intention

564

00:25:19,909 --> 00:25:16,860

and uh sort of are wanting to make a

565

00:25:21,770 --> 00:25:19,919

connection and the invitation and the

566

00:25:23,570 --> 00:25:21,780

light show we get afterward and

567

00:25:25,549 --> 00:25:23,580

sometimes that light show goes Way

568

00:25:28,010 --> 00:25:25,559

Beyond the light show and some of the C5

569

00:25:32,269 --> 00:25:28,020

circles that I've been in the past

570

00:25:34,250 --> 00:25:32,279

couple of years it's it's uh many of us

571

00:25:36,710 --> 00:25:34,260

get the light show but many people have

572

00:25:39,409 --> 00:25:36,720

in that say in their dreams that night

573

00:25:41,750 --> 00:25:39,419

uh contact experiences where they're on

574

00:25:43,909 --> 00:25:41,760

the ships and then and then you have in

575

00:25:46,070 --> 00:25:43,919

the group you have multiple people who

576

00:25:48,590 --> 00:25:46,080

describe very similar contact

577

00:25:49,909 --> 00:25:48,600

experiences so they didn't dream share

578

00:25:53,090 --> 00:25:49,919

until we were all in the circle the next

579

00:25:55,610 --> 00:25:53,100

more so those are types of phenomenons

580

00:25:57,590 --> 00:25:55,620

are happening and uh and contact

581

00:25:59,890 --> 00:25:57,600

experiences are happening

582

00:26:02,269 --> 00:25:59,900

which again just

583

00:26:04,789 --> 00:26:02,279

solidifies this this conscious

584

00:26:06,730 --> 00:26:04,799

connection you know and if it even if

585

00:26:09,529 --> 00:26:06,740

it's all so-called made up in their head

586

00:26:11,330 --> 00:26:09,539

there's still a collective made up in

587

00:26:13,070 --> 00:26:11,340

the head experience that's happening

588

00:26:17,450 --> 00:26:13,080

that you can't deny that you have to

589

00:26:21,110 --> 00:26:17,460

acknowledge that uh there's a shared

590

00:26:23,750 --> 00:26:21,120

experience being had visually and you

591

00:26:28,310 --> 00:26:23,760

know in the dream state now

592

00:26:32,750 --> 00:26:28,320

um I I have had many I'm not certainly

593

00:26:36,649 --> 00:26:32,760

the only one but I have had both

594

00:26:38,169 --> 00:26:36,659

I have had the daytime

595

00:26:42,470 --> 00:26:38,179

physical

596

00:26:45,470 --> 00:26:42,480

metallic crazy ass craft in the sky

597

00:26:49,630 --> 00:26:45,480

right I've had that

598

00:26:55,130 --> 00:26:49,640

and I've also had the you know the the

599

00:26:57,169 --> 00:26:55,140

ce5 light show I've had that too as well

600

00:26:58,970 --> 00:26:57,179

um and because it's at night you can't

601
00:27:01,909 --> 00:26:58,980
necessarily see if it's anything

602
00:27:06,010 --> 00:27:01,919
physical but a lot of these craft are

603
00:27:09,169 --> 00:27:06,020
glowing so it also makes you wonder that

604
00:27:12,950 --> 00:27:09,179
you know that this is something that may

605
00:27:16,789 --> 00:27:12,960
just be Pure Energy based and then and

606
00:27:19,310 --> 00:27:16,799
then the third part of that is and I've

607
00:27:23,330 --> 00:27:19,320
done this many many times not once many

608
00:27:25,490 --> 00:27:23,340
times where we've done the ce5 at night

609
00:27:27,850 --> 00:27:25,500
you know and everybody's got the lasers

610
00:27:32,750 --> 00:27:27,860
right and they're pointing away

611
00:27:35,029 --> 00:27:32,760
and you see a glowing craft and then the

612
00:27:37,190 --> 00:27:35,039
laser bounces off of it and it's

613
00:27:38,870 --> 00:27:37,200

something that you think well you know

614

00:27:41,690 --> 00:27:38,880

that's that's you know that's an energy

615

00:27:44,690 --> 00:27:41,700

ball energy source but then when a when

616

00:27:47,090 --> 00:27:44,700

a laser bounces off of it that catches

617

00:27:48,350 --> 00:27:47,100

so you know that's like a combination of

618

00:27:52,549 --> 00:27:48,360

both

619

00:27:57,350 --> 00:27:52,559

um so is it that and you've done the

620

00:28:01,370 --> 00:27:57,360

same thing so when is it is it that it's

621

00:28:04,370 --> 00:28:01,380

just not the same beings from the same

622

00:28:07,669 --> 00:28:04,380

Planet you know that this is a variety

623

00:28:10,730 --> 00:28:07,679

of stuff that is visiting us uh and

624

00:28:13,430 --> 00:28:10,740

maybe only seeing seeing us once maybe

625

00:28:15,230 --> 00:28:13,440

only visiting us once and moving on and

626

00:28:19,130 --> 00:28:15,240

going somewhere else and we're just

627

00:28:21,110 --> 00:28:19,140

getting a variety uh here

628

00:28:22,850 --> 00:28:21,120

absolutely I think that's what it is

629

00:28:25,210 --> 00:28:22,860

through you know through the work of my

630

00:28:27,470 --> 00:28:25,220

show and through all the different

631

00:28:30,830 --> 00:28:27,480

civilizations and types of beings and

632

00:28:32,330 --> 00:28:30,840

interactions uh that does seem and we

633

00:28:34,250 --> 00:28:32,340

physically we can see the different

634

00:28:37,190 --> 00:28:34,260

types of craft and the phenomenon and

635

00:28:38,630 --> 00:28:37,200

how it shows up and sometimes the laser

636

00:28:39,890 --> 00:28:38,640

bounces off sometimes the laser goes

637

00:28:40,610 --> 00:28:39,900

straight through you know there's so

638

00:28:43,370 --> 00:28:40,620

many

639

00:28:47,330 --> 00:28:43,380

different ways that it shows up I've had

640

00:28:49,909 --> 00:28:47,340

on the ground experiences of Lights just

641

00:28:51,730 --> 00:28:49,919

you know being in the trees or or just

642

00:28:54,350 --> 00:28:51,740

you know a few feet away

643

00:28:56,930 --> 00:28:54,360

looks like you know magical fairy dust

644

00:29:00,190 --> 00:28:56,940

you know what is that you know is it

645

00:29:02,990 --> 00:29:00,200

it's clearly not a ship uh

646

00:29:05,029 --> 00:29:03,000

can I can I stop you right there sure

647

00:29:06,350 --> 00:29:05,039

tell me about I haven't had that

648

00:29:09,409 --> 00:29:06,360

experience

649

00:29:12,049 --> 00:29:09,419

you know what what happened take if it's

650

00:29:13,669 --> 00:29:12,059

happened more than once then give us the

651
00:29:15,830 --> 00:29:13,679
the one I'll give you I'll give you the

652
00:29:18,950 --> 00:29:15,840
latest one we were doing the C5 group

653
00:29:20,750 --> 00:29:18,960
out at Joshua tree and

654
00:29:22,970 --> 00:29:20,760
um doing the meditation and you know the

655
00:29:24,950 --> 00:29:22,980
usual look in the stars and nothing

656
00:29:26,950 --> 00:29:24,960
really significant I think that popped

657
00:29:30,529 --> 00:29:26,960
out uh we had finished the meditation

658
00:29:33,409 --> 00:29:30,539
and one of the uh members of the group

659
00:29:36,590 --> 00:29:33,419
was walking up to the we were kind of

660
00:29:38,090 --> 00:29:36,600
sitting next to a mountain or a hill

661
00:29:40,310 --> 00:29:38,100
side

662
00:29:43,490 --> 00:29:40,320
and uh one of the members was walking in

663
00:29:46,310 --> 00:29:43,500

that direction so we heard something

664

00:29:48,230 --> 00:29:46,320

um I think he he may have slipped or

665

00:29:50,389 --> 00:29:48,240

said something and then so the whole

666

00:29:53,450 --> 00:29:50,399

group kind of looked that direction and

667

00:29:55,610 --> 00:29:53,460

right at that moment a whole

668

00:29:59,269 --> 00:29:55,620

almost like my neon green light here

669

00:30:01,130 --> 00:29:59,279

just went across uh like it was almost

670

00:30:03,769 --> 00:30:01,140

like fireworks in it I can say but

671

00:30:06,350 --> 00:30:03,779

there's no sound and it just went you

672

00:30:08,690 --> 00:30:06,360

know across I added sound because you

673

00:30:11,149 --> 00:30:08,700

know for a dramatic effect but there was

674

00:30:14,149 --> 00:30:11,159

no it was it was just no sound

675

00:30:15,769 --> 00:30:14,159

um so uh uh and everybody saw it we were

676

00:30:18,830 --> 00:30:15,779

like whoa what was that it looked like

677

00:30:20,990 --> 00:30:18,840

literally like a fairy had just peppered

678

00:30:22,070 --> 00:30:21,000

some magical fairy dust on the side of

679

00:30:23,389 --> 00:30:22,080

the mountain

680

00:30:25,070 --> 00:30:23,399

um and it happened pretty

681

00:30:27,529 --> 00:30:25,080

instantaneously but clearly everybody

682

00:30:30,110 --> 00:30:27,539

had that we all had the same experience

683

00:30:32,389 --> 00:30:30,120

and it looked we all were trying to talk

684

00:30:35,090 --> 00:30:32,399

about it afterward like what what could

685

00:30:36,830 --> 00:30:35,100

have been like what does that uh and

686

00:30:39,590 --> 00:30:36,840

this again with no sound but you had

687

00:30:43,250 --> 00:30:39,600

this this specifically this color of

688

00:30:44,049 --> 00:30:43,260

green it was like a neon green type of

689

00:30:47,330 --> 00:30:44,059

um

690

00:30:49,490 --> 00:30:47,340

uh you know fairy dust that's all I

691

00:30:51,049 --> 00:30:49,500

gotta say I wish I could describe better

692

00:30:52,610 --> 00:30:51,059

but so that kind of thing and then I've

693

00:30:56,330 --> 00:30:52,620

been another you know where there's

694

00:30:57,590 --> 00:30:56,340

lights in the woods and uh off in the uh

695

00:30:59,750 --> 00:30:57,600

from the distance like an orange

696

00:31:02,149 --> 00:30:59,760

orangish sort of glowing thing that

697

00:31:04,370 --> 00:31:02,159

glows and then it goes away but the the

698

00:31:06,230 --> 00:31:04,380

fairy dust thing was more recent and

699

00:31:09,169 --> 00:31:06,240

everybody saw it so that was kind of

700

00:31:10,730 --> 00:31:09,179

confirmation that we made contact with

701
00:31:13,070 --> 00:31:10,740
something I you know I don't know other

702
00:31:14,570 --> 00:31:13,080
people described different beans and

703
00:31:18,889 --> 00:31:14,580
stuff in the morning

704
00:31:22,730 --> 00:31:18,899
um but uh back I kind of want to go back

705
00:31:25,490 --> 00:31:22,740
to Tom delong's uh quote sure you know I

706
00:31:28,370 --> 00:31:25,500
know he said that but through the my

707
00:31:31,730 --> 00:31:28,380
practices and through the um you know

708
00:31:35,389 --> 00:31:31,740
working with shamanic and shamanic uh um

709
00:31:37,610 --> 00:31:35,399
energies and shamanic uh practitioners

710
00:31:39,470 --> 00:31:37,620
um you really when when we and

711
00:31:42,470 --> 00:31:39,480
especially when we do the C5 you set the

712
00:31:44,149 --> 00:31:42,480
intention and as a group we we always

713
00:31:49,010 --> 00:31:44,159

sort of um

714

00:31:52,610 --> 00:31:49,020

do a little prayer or meditation to to

715

00:31:54,409 --> 00:31:52,620

um clear any un uh unwanted energy or

716

00:31:57,649 --> 00:31:54,419

sort of negative energy or heavy energy

717

00:32:01,130 --> 00:31:57,659

that might not be in the in the best uh

718

00:32:03,529 --> 00:32:01,140

Evolution and light for for all so

719

00:32:06,230 --> 00:32:03,539

um you know as we get into those types

720

00:32:07,909 --> 00:32:06,240

of habits I think you don't really need

721

00:32:09,470 --> 00:32:07,919

to worry about oh I'm sending my

722

00:32:12,409 --> 00:32:09,480

Consciousness out because you're doing

723

00:32:14,330 --> 00:32:12,419

it with with good intention and as

724

00:32:16,010 --> 00:32:14,340

Bashar says what you put out is what you

725

00:32:17,750 --> 00:32:16,020

get back so as long as you're putting

726

00:32:22,010 --> 00:32:17,760

out you know as long as you're not in

727

00:32:26,210 --> 00:32:22,020

fear and and oftentimes that is a

728

00:32:29,510 --> 00:32:26,220

deterrent of having a a good group ce5

729

00:32:33,049 --> 00:32:29,520

experience they many times I've been in

730

00:32:34,430 --> 00:32:33,059

c5s where uh nothing happens you know we

731

00:32:36,769 --> 00:32:34,440

do the meditation nobody sees anything

732

00:32:39,169 --> 00:32:36,779

and then everybody starts to go to bed

733

00:32:41,450 --> 00:32:39,179

or people go home and those who stay a

734

00:32:43,549 --> 00:32:41,460

little bit later will then get a little

735

00:32:45,529 --> 00:32:43,559

bit of a light show that are not afraid

736

00:32:47,570 --> 00:32:45,539

that are excited you know for for the

737

00:32:50,389 --> 00:32:47,580

contact experience and and don't get

738

00:32:52,909 --> 00:32:50,399

afraid so and what I've sort of been

739

00:32:54,230 --> 00:32:52,919

told and investigating and understand is

740

00:32:54,889 --> 00:32:54,240

that

741

00:32:57,769 --> 00:32:54,899

um

742

00:33:00,289 --> 00:32:57,779

you know the the ones that if you have

743

00:33:01,669 --> 00:33:00,299

someone in the group that is afraid the

744

00:33:04,730 --> 00:33:01,679

ones that you want to meet aren't going

745

00:33:08,510 --> 00:33:04,740

to show up because they they don't want

746

00:33:10,070 --> 00:33:08,520

to create a fear in in uh in you know in

747

00:33:12,470 --> 00:33:10,080

the experience this is about open

748

00:33:14,269 --> 00:33:12,480

contact and making contact it's not

749

00:33:17,509 --> 00:33:14,279

about being scared out of your pants or

750

00:33:19,549 --> 00:33:17,519

you know or creating more trauma that

751

00:33:22,009 --> 00:33:19,559

will you know push disclosure down the

752

00:33:24,950 --> 00:33:22,019

road even more because right now I think

753

00:33:27,409 --> 00:33:24,960

the main reason we don't have a full

754

00:33:29,269 --> 00:33:27,419

disclosure in open contact is because

755

00:33:33,310 --> 00:33:29,279

Humanity still has so many traumas to

756

00:33:37,330 --> 00:33:36,470

what is the deal

757

00:33:39,549 --> 00:33:37,340

um

758

00:33:42,769 --> 00:33:39,559

uh with location

759

00:33:43,990 --> 00:33:42,779

does location matter uh when you do a

760

00:33:48,529 --> 00:33:44,000

ce5

761

00:33:50,630 --> 00:33:48,539

I think ultimately no but I think there

762

00:33:52,490 --> 00:33:50,640

are advantages to to being in certain

763

00:33:56,210 --> 00:33:52,500

locations clearly you want to have a

764

00:34:00,830 --> 00:33:56,220

clear night a clear view of the sky but

765

00:34:04,430 --> 00:34:00,840

I tend to uh seek out

766

00:34:08,930 --> 00:34:04,440

um locations that are uh known grid

767

00:34:10,970 --> 00:34:08,940

lines or or Ley lines and how you find

768

00:34:13,070 --> 00:34:10,980

that is many energy sensitive people I'm

769

00:34:14,629 --> 00:34:13,080

I'm not one so I usually tag along with

770

00:34:16,730 --> 00:34:14,639

the energy sensitive person I'm like

771

00:34:19,730 --> 00:34:16,740

okay you're gonna be my radar you know

772

00:34:22,190 --> 00:34:19,740

uh but you can literally learn how to

773

00:34:24,710 --> 00:34:22,200

douse that's one way to sort of find Ley

774

00:34:27,589 --> 00:34:24,720

lines uh with the dowsing rods

775

00:34:29,389 --> 00:34:27,599

um and uh but many sensitive people and

776

00:34:31,669 --> 00:34:29,399

Indigenous people have always who've

777

00:34:34,190 --> 00:34:31,679

done sacred ceremony in these locations

778

00:34:38,389 --> 00:34:34,200

they have they do them for a reason and

779

00:34:40,730 --> 00:34:38,399

and the sacred ceremonies uh actually

780

00:34:43,970 --> 00:34:40,740

um amplify the energy

781

00:34:47,810 --> 00:34:43,980

so absolutely if you uh like going and

782

00:34:50,270 --> 00:34:47,820

doing a C5 down at Giant Rock

783

00:34:52,010 --> 00:34:50,280

um I've had lots of success there as

784

00:34:53,690 --> 00:34:52,020

opposed to being you know somewhere else

785

00:34:56,869 --> 00:34:53,700

in Big Bear or something like that um

786

00:34:58,430 --> 00:34:56,879

yeah let me jump in let me jump in

787

00:35:00,349 --> 00:34:58,440

um

788

00:35:03,050 --> 00:35:00,359

is that you

789

00:35:04,910 --> 00:35:03,060

oh what's that hello hello I just hear

790

00:35:06,530 --> 00:35:04,920

this hum

791

00:35:08,150 --> 00:35:06,540

it started last night too as well but

792

00:35:12,530 --> 00:35:08,160

it's not in here

793

00:35:15,770 --> 00:35:12,540

yeah I'm not hearing anything on my side

794

00:35:20,870 --> 00:35:17,450

you don't hear that

795

00:35:23,569 --> 00:35:20,880

I don't know but I'm not live I

796

00:35:25,069 --> 00:35:23,579

it's weird it's weird it was last dude I

797

00:35:28,030 --> 00:35:25,079

think I think I think it's the movie

798

00:35:32,930 --> 00:35:30,170

so so

799

00:35:34,810 --> 00:35:32,940

um back in I'm gonna say it was around

800

00:35:38,390 --> 00:35:34,820

September

801
00:35:41,510 --> 00:35:38,400
uh I go to Joshua Tree uh with a group

802
00:35:44,390 --> 00:35:41,520
of friends it's uh Billy Carson

803
00:35:47,270 --> 00:35:44,400
um Elizabeth and one two three four five

804
00:35:50,390 --> 00:35:47,280
I think five five other friends for a

805
00:35:53,050 --> 00:35:50,400
sky private Skywatch and we stay we stay

806
00:35:59,650 --> 00:35:53,060
at the retreat center okay

807
00:36:03,230 --> 00:36:01,910
yeah we did the whole thing man it was

808
00:36:04,790 --> 00:36:03,240
It was kind of weird being back because

809
00:36:06,010 --> 00:36:04,800
I haven't been back since the old days

810
00:36:08,270 --> 00:36:06,020
of contact

811
00:36:10,430 --> 00:36:08,280
anyway so

812
00:36:13,609 --> 00:36:10,440
um up at the Bungalows

813
00:36:15,410 --> 00:36:13,619

um uh where Orion's Lookout is it's got

814

00:36:19,849 --> 00:36:15,420

a really nice fire pit set up there now

815

00:36:21,410 --> 00:36:19,859

with these nice uh wooden uh uh uh it's

816

00:36:25,250 --> 00:36:21,420

really nice it's nice nice nice nice

817

00:36:27,170 --> 00:36:25,260

nice Mediterranean Vibe right so we're

818

00:36:29,450 --> 00:36:27,180

out there got the night vision got

819

00:36:31,310 --> 00:36:29,460

everything on and I think that was

820

00:36:33,349 --> 00:36:31,320

Friday night

821

00:36:34,550 --> 00:36:33,359

Zippo

822

00:36:38,810 --> 00:36:34,560

nothing

823

00:36:39,710 --> 00:36:38,820

right the next night we go over to giant

824

00:36:45,370 --> 00:36:39,720

rock

825

00:36:51,950 --> 00:36:50,150

yeah it's five ten miles tops right

826

00:36:55,190 --> 00:36:51,960

um it's just right there go over to

827

00:36:59,390 --> 00:36:55,200

giant rock 200 in

828

00:37:05,390 --> 00:36:59,400

60 Minutes like crazy

829

00:37:09,050 --> 00:37:05,400

just jumping off nuts zigzagging light

830

00:37:11,030 --> 00:37:09,060

show going out in the sky I'm like we

831

00:37:15,170 --> 00:37:11,040

were just right and and it was it was

832

00:37:17,329 --> 00:37:15,180

not same place same location giant rock

833

00:37:21,349 --> 00:37:17,339

is special so yeah I would say that

834

00:37:24,410 --> 00:37:21,359

location but then again Joshua Tree

835

00:37:27,890 --> 00:37:24,420

um on many many nights is is a pretty

836

00:37:31,130 --> 00:37:27,900

special place uh for for a sighting and

837

00:37:32,450 --> 00:37:31,140

and usually very low

838

00:37:39,349 --> 00:37:32,460

yeah

839

00:37:42,829 --> 00:37:39,359

know uh by Jay Rock when you have the

840

00:37:45,230 --> 00:37:42,839

rock which is a sort of a sacred

841

00:37:47,870 --> 00:37:45,240

um uh um

842

00:37:49,250 --> 00:37:47,880

you know renowned antenna of objects

843

00:37:50,990 --> 00:37:49,260

with lots of history and then you have

844

00:37:53,750 --> 00:37:51,000

the I don't know do you know about have

845

00:37:56,030 --> 00:37:53,760

you ever been on one of Eric's um uh

846

00:37:57,589 --> 00:37:56,040

tours for the the big Crystal Mound

847

00:38:00,650 --> 00:37:57,599

that's just around the corner from Jack

848

00:38:02,990 --> 00:38:00,660

Rock I I don't I I don't know who Eric

849

00:38:07,250 --> 00:38:03,000

is but

850

00:38:09,230 --> 00:38:07,260

um he's he's uh the the he's he knows

851
00:38:11,450 --> 00:38:09,240
everything about the integrityron he

852
00:38:13,150 --> 00:38:11,460
does the the story he does uh was it

853
00:38:16,910 --> 00:38:13,160
math something math

854
00:38:18,770 --> 00:38:16,920
uh somebody else okay later I'll

855
00:38:22,730 --> 00:38:18,780
remember it later but I've been to the

856
00:38:25,190 --> 00:38:22,740
crystal map oh Sonic geometry Eric

857
00:38:28,130 --> 00:38:25,200
geometry anyways there's an awesome

858
00:38:30,290 --> 00:38:28,140
Crystal Rock he does a tour of um just

859
00:38:31,730 --> 00:38:30,300
around the corner from giant the actual

860
00:38:35,690 --> 00:38:31,740
rock

861
00:38:39,230 --> 00:38:35,700
ET we were out there

862
00:38:41,930 --> 00:38:39,240
um uh this was about 10 years ago

863
00:38:45,410 --> 00:38:41,940

and we were in 29 Palms

864

00:38:48,170 --> 00:38:45,420

so we're 19 miles from Joshua tree right

865

00:38:49,670 --> 00:38:48,180

we're in 29 Palms and out in the middle

866

00:38:52,190 --> 00:38:49,680

of the desert if I'm gonna make this

867

00:38:54,829 --> 00:38:52,200

really quick but this is how amazing it

868

00:38:56,810 --> 00:38:54,839

is because when people go oh you know

869

00:39:00,589 --> 00:38:56,820

it's it's it could be anything in the

870

00:39:02,770 --> 00:39:00,599

sky well how about the opposite let's go

871

00:39:05,089 --> 00:39:02,780

the opposite

872

00:39:07,010 --> 00:39:05,099

we're we're

873

00:39:08,990 --> 00:39:07,020

um uh standing on this patio we had

874

00:39:10,490 --> 00:39:09,000

rented this Bungalow out in the middle

875

00:39:14,810 --> 00:39:10,500

of the desert there's nothing around us

876

00:39:17,150 --> 00:39:14,820

it's just desert and um and I'm standing

877

00:39:19,490 --> 00:39:17,160

and somebody says and we had a big stack

878

00:39:21,470 --> 00:39:19,500

of pizzas and and we're just having a

879

00:39:24,050 --> 00:39:21,480

good time and it's about 10 o'clock at

880

00:39:27,410 --> 00:39:24,060

night and Steve Murillo is standing next

881

00:39:29,690 --> 00:39:27,420

to me Alex mistretta was there and uh

882

00:39:30,829 --> 00:39:29,700

about 10 of us and somebody says it

883

00:39:34,190 --> 00:39:30,839

wasn't me

884

00:39:36,530 --> 00:39:34,200

wouldn't it be cool if if we saw a UFO

885

00:39:41,810 --> 00:39:36,540

all right now

886

00:39:47,569 --> 00:39:43,910

from the desert floor

887

00:39:51,109 --> 00:39:47,579

this white glowing ball

888

00:39:57,109 --> 00:39:54,650

just straight up into the Stars

889

00:39:58,970 --> 00:39:57,119

it lasted about

890

00:40:00,770 --> 00:39:58,980

a second

891

00:40:03,589 --> 00:40:00,780

it wasn't two seconds it might have been

892

00:40:06,890 --> 00:40:03,599

a half a second not a streak no flames

893

00:40:09,890 --> 00:40:06,900

no sparks no smoke no nothing a white

894

00:40:12,170 --> 00:40:09,900

ball and it was maybe

895

00:40:14,750 --> 00:40:12,180

it seemed like a couple hundred yards

896

00:40:17,870 --> 00:40:14,760

away you know it was very cool

897

00:40:21,530 --> 00:40:17,880

so the next day I get up

898

00:40:23,569 --> 00:40:21,540

we're all TR you know we're all what

899

00:40:25,730 --> 00:40:23,579

so the next day I get up and I'm like

900

00:40:28,069 --> 00:40:25,740

okay and I walk out got my cough and I

901
00:40:30,170 --> 00:40:28,079
go out on the bed now well where was and

902
00:40:31,609 --> 00:40:30,180
to my amazement I was expecting

903
00:40:35,569 --> 00:40:31,619
something there was nothing out there

904
00:40:37,970 --> 00:40:35,579
there's no houses no roads it was just

905
00:40:40,550 --> 00:40:37,980
brush to the foothills

906
00:40:43,670 --> 00:40:40,560
and I kind of took a little bit of a

907
00:40:45,050 --> 00:40:43,680
walk out there maybe 50 yards it just

908
00:40:48,710 --> 00:40:45,060
took a look at there's nothing there

909
00:40:51,530 --> 00:40:48,720
it's just no buildings no roads it's

910
00:40:55,250 --> 00:40:51,540
just desert and that was from the floor

911
00:40:57,770 --> 00:40:55,260
from the desert floor to the Stars

912
00:40:59,990 --> 00:40:57,780
yeah yeah now what do you say is there a

913
00:41:03,790 --> 00:41:00,000

conscious connection hey man would it be

914

00:41:08,870 --> 00:41:06,410

yeah I mean those happened so many times

915

00:41:12,349 --> 00:41:08,880

you just can't of course yeah there's

916

00:41:15,470 --> 00:41:12,359

this uh and and if you doubt it go out

917

00:41:18,589 --> 00:41:15,480

yourself and do this and you know do it

918

00:41:20,690 --> 00:41:18,599

10 times and then and then if you have

919

00:41:22,609 --> 00:41:20,700

you know one out of ten experiences then

920

00:41:25,910 --> 00:41:22,619

then do it another 10 and then another

921

00:41:29,870 --> 00:41:25,920

10. it it's it's an odds game at this

922

00:41:32,030 --> 00:41:29,880

point I mean I go out with and do uh c5s

923

00:41:34,069 --> 00:41:32,040

once a month every new moon uh not in

924

00:41:35,329 --> 00:41:34,079

the colder months now but starting to

925

00:41:38,690 --> 00:41:35,339

next month

926
00:41:40,190 --> 00:41:38,700
and uh everybody has an experience at

927
00:41:42,710 --> 00:41:40,200
some point you know whether it's an

928
00:41:44,030 --> 00:41:42,720
internal one or an external one it's

929
00:41:47,329 --> 00:41:44,040
nice when we all get the external

930
00:41:49,550 --> 00:41:47,339
validation that's great but the the veil

931
00:41:51,290 --> 00:41:49,560
is so thin now they're coming and going

932
00:41:53,030 --> 00:41:51,300
they're popping in and out every and

933
00:41:56,089 --> 00:41:53,040
people are having people are waking up

934
00:41:59,690 --> 00:41:56,099
and and getting activated it's awesome

935
00:42:03,290 --> 00:41:59,700
well here's here's the thing

936
00:42:05,990 --> 00:42:03,300
I I need to warn people and I try to do

937
00:42:08,990 --> 00:42:06,000
this as often as I can you're more than

938
00:42:11,990 --> 00:42:09,000

welcome to go out with us right they I

939

00:42:14,690 --> 00:42:12,000

want to see my first ship okay all right

940

00:42:17,329 --> 00:42:14,700

but you need to be prepared on how to

941

00:42:20,870 --> 00:42:17,339

deal with it because it's kind of fun in

942

00:42:23,450 --> 00:42:20,880

the moment but you do have a paradigm

943

00:42:26,510 --> 00:42:23,460

shift man you know you mean this is this

944

00:42:28,670 --> 00:42:26,520

is real well yeah and then you have to

945

00:42:30,410 --> 00:42:28,680

deal with it for the next couple of days

946

00:42:32,690 --> 00:42:30,420

and weeks

947

00:42:33,530 --> 00:42:32,700

um and and processing it you know what I

948

00:42:36,890 --> 00:42:33,540

mean

949

00:42:40,490 --> 00:42:36,900

well yeah those days are so like back

950

00:42:41,810 --> 00:42:40,500

you know so long ago I I I'm you're

951
00:42:43,370 --> 00:42:41,820
bringing me back Memory Lane I'm like oh

952
00:42:46,609 --> 00:42:43,380
yeah I guess there's some processing

953
00:42:48,349 --> 00:42:46,619
that uh a lot of the the ones I've been

954
00:42:49,670 --> 00:42:48,359
going on is I've been

955
00:42:52,250 --> 00:42:49,680
um a lot of people who have already

956
00:42:54,050 --> 00:42:52,260
experienced uh experiencers those are

957
00:42:58,970 --> 00:42:54,060
the fun ones because

958
00:43:01,910 --> 00:42:58,980
you get a um you go much deeper with

959
00:43:04,690 --> 00:43:01,920
with the um with the messages and with

960
00:43:07,910 --> 00:43:04,700
the contact experiences uh because again

961
00:43:10,849 --> 00:43:07,920
fear is the mind killer so to say right

962
00:43:14,450 --> 00:43:10,859
uh so having

963
00:43:16,490 --> 00:43:14,460

fear uh actually inhibits your ability

964

00:43:19,609 --> 00:43:16,500

to make contact

965

00:43:22,130 --> 00:43:19,619

UM and I actually open for a lot of my

966

00:43:24,950 --> 00:43:22,140

uh when I do the c5s I do guided breath

967

00:43:27,410 --> 00:43:24,960

work in the beginning to really get to

968

00:43:30,349 --> 00:43:27,420

neutralize and get people out of a you

969

00:43:33,190 --> 00:43:30,359

know a fight or flight State and get in

970

00:43:36,230 --> 00:43:33,200

a more just uh harmonious natural

971

00:43:38,809 --> 00:43:36,240

relaxed State and then that's when

972

00:43:40,910 --> 00:43:38,819

you're in that state then then end with

973

00:43:42,710 --> 00:43:40,920

the right intention obviously you don't

974

00:43:45,050 --> 00:43:42,720

so you want to just put it out there

975

00:43:47,450 --> 00:43:45,060

that I want to contact be very specific

976

00:43:48,829 --> 00:43:47,460

I want contact with beans of love and

977

00:43:51,170 --> 00:43:48,839

light and you know they can be physical

978

00:43:53,030 --> 00:43:51,180

or drive tin cans but as long as they

979

00:43:54,589 --> 00:43:53,040

have the best intentions you know so as

980

00:43:56,809 --> 00:43:54,599

long as you do that

981

00:43:58,670 --> 00:43:56,819

yeah it's it's uh and you go deeper and

982

00:44:01,309 --> 00:43:58,680

deeper every time

983

00:44:05,569 --> 00:44:01,319

I I do the opposite

984

00:44:08,809 --> 00:44:05,579

I crank Van Halen okay I I've got I use

985

00:44:10,089 --> 00:44:08,819

all of my worst jokes

986

00:44:13,130 --> 00:44:10,099

um

987

00:44:15,010 --> 00:44:13,140

pastrami sandwiches this is not a vegan

988

00:44:18,950 --> 00:44:15,020

night

989

00:44:21,650 --> 00:44:18,960

I go the opposite of all of that but

990

00:44:23,630 --> 00:44:21,660

it's about the intention right you know

991

00:44:26,510 --> 00:44:23,640

putting everybody in a good mood let's

992

00:44:29,569 --> 00:44:26,520

be happy and let's enjoy each other's

993

00:44:33,370 --> 00:44:29,579

company and I've done the real ce5 I've

994

00:44:35,690 --> 00:44:33,380

I've ruined ce5s actually

995

00:44:38,030 --> 00:44:35,700

sitting around doing their you know

996

00:44:40,550 --> 00:44:38,040

their meditation and we've got some some

997

00:44:43,430 --> 00:44:40,560

alien music playing you know in the

998

00:44:47,109 --> 00:44:43,440

background some kind of sitar whatever

999

00:44:52,309 --> 00:44:49,970

oh yeah oh yeah oh yeah oh yeah got the

1000

00:44:54,530 --> 00:44:52,319

Bulls going and

1001

00:44:57,710 --> 00:44:54,540

um and and somebody okay

1002

00:45:00,589 --> 00:44:57,720

so let's breathe and let's invite our

1003

00:45:02,030 --> 00:45:00,599

alien brothers and sisters and I'll come

1004

00:45:03,309 --> 00:45:02,040

out with a bag of Doritos so what's

1005

00:45:05,870 --> 00:45:03,319

going on man

1006

00:45:07,990 --> 00:45:05,880

all right we're gonna corner you off

1007

00:45:11,089 --> 00:45:08,000

when we're on the boat

1008

00:45:12,470 --> 00:45:11,099

I've had I've had people go [h__h] you in

1009

00:45:16,329 --> 00:45:12,480

your room

1010

00:45:18,410 --> 00:45:16,339

shut up we have burritos

1011

00:45:21,890 --> 00:45:18,420

it's just you know

1012

00:45:24,890 --> 00:45:21,900

um but anyway anyway I I kid not really

1013

00:45:26,690 --> 00:45:24,900

but that's it's ultimately it's it is

1014

00:45:28,130 --> 00:45:26,700

about having fun and that's what it

1015

00:45:30,589 --> 00:45:28,140

should be about I mean

1016

00:45:34,069 --> 00:45:30,599

exploration of Consciousness it's having

1017

00:45:35,569 --> 00:45:34,079

fun and and joking around and it I mean

1018

00:45:37,309 --> 00:45:35,579

yeah you can take it serious because

1019

00:45:39,589 --> 00:45:37,319

there is some serious learning you can

1020

00:45:41,510 --> 00:45:39,599

do I guess through some of the tools

1021

00:45:43,309 --> 00:45:41,520

that you these beans give you but

1022

00:45:45,650 --> 00:45:43,319

ultimately yeah it should be a party we

1023

00:45:47,349 --> 00:45:45,660

should be celebrating and and having a

1024

00:45:50,870 --> 00:45:47,359

good time and

1025

00:45:55,309 --> 00:45:50,880

here's uh let me ask you this

1026

00:46:00,349 --> 00:45:55,319

um and do you

1027

00:46:03,589 --> 00:46:00,359

that is crazy to me what I missed that I

1028

00:46:05,890 --> 00:46:03,599

need contact you don't hear that oh no

1029

00:46:10,990 --> 00:46:05,900

no I'm not hearing this sorry man and

1030

00:46:14,809 --> 00:46:11,000

dude my room is but quiet

1031

00:46:17,390 --> 00:46:14,819

but wow okay it's it's just weird

1032

00:46:18,650 --> 00:46:17,400

whatever it is it's recording on a

1033

00:46:20,930 --> 00:46:18,660

separate track and then like play it

1034

00:46:23,870 --> 00:46:20,940

back again it is absolutely weird it

1035

00:46:25,250 --> 00:46:23,880

started last night uh I'm telling you

1036

00:46:26,809 --> 00:46:25,260

man it's the movie contact you remember

1037

00:46:29,770 --> 00:46:26,819

when they're recording that and the

1038

00:46:32,329 --> 00:46:29,780

meters are jumping up and down

1039

00:46:34,430 --> 00:46:32,339

yeah yeah yeah that's what it is it's

1040

00:46:35,990 --> 00:46:34,440

exactly what it is

1041

00:46:36,710 --> 00:46:36,000

um but

1042

00:46:38,690 --> 00:46:36,720

um

1043

00:46:41,510 --> 00:46:38,700

the

1044

00:46:44,870 --> 00:46:41,520

if you're expecting something

1045

00:46:47,150 --> 00:46:44,880

no I I'm asking the wrong way when

1046

00:46:51,349 --> 00:46:47,160

something appears it always catches You

1047

00:46:53,690 --> 00:46:51,359

by surprise doesn't it yeah you you it's

1048

00:46:57,950 --> 00:46:53,700

never like you don't get a warning shot

1049

00:47:02,030 --> 00:46:57,960

right it's it's always a surprise

1050

00:47:03,650 --> 00:47:02,040

yeah and that's you know I I think you

1051
00:47:05,569 --> 00:47:03,660
know I use this analogy all the time I I

1052
00:47:07,790 --> 00:47:05,579
first saw it I don't know how true it is

1053
00:47:09,650 --> 00:47:07,800
but I first saw it in I think was what

1054
00:47:10,849 --> 00:47:09,660
the bleep do we know right remember that

1055
00:47:13,390 --> 00:47:10,859
movie

1056
00:47:18,410 --> 00:47:15,950
I liked I liked what the bleep do we

1057
00:47:20,809 --> 00:47:18,420
know yeah it still holds up today

1058
00:47:22,970 --> 00:47:20,819
there's sections of it on the internet

1059
00:47:24,109 --> 00:47:22,980
um and there was this one section I

1060
00:47:27,950 --> 00:47:24,119
always look up because the first thing

1061
00:47:29,809 --> 00:47:27,960
that comes up uh how uh the Indians the

1062
00:47:32,089 --> 00:47:29,819
local Indians at the time the Native

1063
00:47:34,130 --> 00:47:32,099

Americans at the time couldn't even see

1064

00:47:36,230 --> 00:47:34,140

the ships like the ships were there but

1065

00:47:39,109 --> 00:47:36,240

because they didn't have the um

1066

00:47:41,270 --> 00:47:39,119

awareness of what you know Foreigner

1067

00:47:43,370 --> 00:47:41,280

ships look like so it wasn't even

1068

00:47:46,010 --> 00:47:43,380

visible and it wasn't until the shaman

1069

00:47:48,530 --> 00:47:46,020

of the town the the medicine man right

1070

00:47:50,510 --> 00:47:48,540

could uh astral travel and kind of

1071

00:47:52,910 --> 00:47:50,520

understand and sort of bring back some

1072

00:47:54,710 --> 00:47:52,920

sort of language about what the ship was

1073

00:47:56,750 --> 00:47:54,720

and then tell the tribe hey the ships

1074

00:47:58,730 --> 00:47:56,760

are there's ships out there and right

1075

00:48:00,829 --> 00:47:58,740

people aboard them right so so and that

1076

00:48:02,990 --> 00:48:00,839

was like six or seven days later they

1077

00:48:05,329 --> 00:48:03,000

finally recognized it you know that may

1078

00:48:07,849 --> 00:48:05,339

be an urban legend who knows but that

1079

00:48:10,430 --> 00:48:07,859

idea is I think what we're dealing with

1080

00:48:12,950 --> 00:48:10,440

where I think these

1081

00:48:16,490 --> 00:48:12,960

um crafts are there all the time and

1082

00:48:18,290 --> 00:48:16,500

it's just us getting to that uh that

1083

00:48:20,210 --> 00:48:18,300

frequency that vibration that state of

1084

00:48:22,730 --> 00:48:20,220

being where we're you know doing our

1085

00:48:25,130 --> 00:48:22,740

meditations or or just in the right you

1086

00:48:27,589 --> 00:48:25,140

know Vibe eating Doritos and having fun

1087

00:48:29,450 --> 00:48:27,599

whatever it is to get us into that that

1088

00:48:31,970 --> 00:48:29,460

place where then boom they're there and

1089

00:48:34,010 --> 00:48:31,980

it's like oh maybe they're always there

1090

00:48:35,690 --> 00:48:34,020

we're just harmonized at the right

1091

00:48:38,809 --> 00:48:35,700

moment so we could actually have that

1092

00:48:42,410 --> 00:48:38,819

physical experience the um the first

1093

00:48:43,849 --> 00:48:42,420

time I watched somebody and I used to

1094

00:48:45,950 --> 00:48:43,859

think that this was I'm going to use a

1095

00:48:49,430 --> 00:48:45,960

bad word can I use a bad word I used to

1096

00:48:52,609 --> 00:48:49,440

think it was such [h__h] the Laser

1097

00:48:54,790 --> 00:48:52,619

Flash thing all right and I I would

1098

00:48:57,230 --> 00:48:54,800

listen like man

1099

00:48:59,990 --> 00:48:57,240

when they power up yeah yeah yeah yeah

1100

00:49:03,650 --> 00:49:00,000

yeah yeah oh you know and I'm out with a

1101

00:49:05,089 --> 00:49:03,660

group of people and and this guy that

1102

00:49:09,650 --> 00:49:05,099

was standing next to me had a night

1103

00:49:11,150 --> 00:49:09,660

vision monocular right and and and he

1104

00:49:13,609 --> 00:49:11,160

was just really funny all night long

1105

00:49:15,950 --> 00:49:13,619

anyway so he you know for a couple hours

1106

00:49:19,250 --> 00:49:15,960

he's next to me and he's he he he he

1107

00:49:21,589 --> 00:49:19,260

could spot stuff and and there was just

1108

00:49:23,109 --> 00:49:21,599

like some low-flying things anyway so he

1109

00:49:26,809 --> 00:49:23,119

goes

1110

00:49:30,290 --> 00:49:26,819

that one is a flasher that's how he

1111

00:49:32,690 --> 00:49:30,300

would say it flashing right and uh I

1112

00:49:35,210 --> 00:49:32,700

said what do you mean he goes laser I go

1113

00:49:37,609 --> 00:49:35,220

oh that's that no come on man and he

1114

00:49:39,910 --> 00:49:37,619

goes okay just just watch it and he

1115

00:49:44,930 --> 00:49:39,920

takes the the laser he goes

1116

00:49:47,089 --> 00:49:44,940

dude on cue bloop this thing dabs what

1117

00:49:51,670 --> 00:49:47,099

no

1118

00:49:55,970 --> 00:49:51,680

blue

1119

00:49:58,130 --> 00:49:55,980

oh what and now look I know I know how

1120

00:50:01,430 --> 00:49:58,140

crazy this sounds to somebody that

1121

00:50:03,890 --> 00:50:01,440

hasn't experienced it but it is

1122

00:50:07,849 --> 00:50:03,900

something that is real

1123

00:50:09,410 --> 00:50:07,859

and and I I agree with you they're up

1124

00:50:11,630 --> 00:50:09,420

there all the time you know that guy is

1125

00:50:13,250 --> 00:50:11,640

sitting there right he's just sitting

1126

00:50:15,290 --> 00:50:13,260

there and if you've got the right

1127

00:50:17,750 --> 00:50:15,300

intention I think it's like sending out

1128

00:50:20,930 --> 00:50:17,760

a beacon you know your intention your

1129

00:50:24,349 --> 00:50:20,940

Consciousness is is lighting up and and

1130

00:50:26,750 --> 00:50:24,359

and he sees the good intention Zone and

1131

00:50:30,410 --> 00:50:26,760

then the flash comes and and he flashes

1132

00:50:31,730 --> 00:50:30,420

back I know it sounds crazy but but it

1133

00:50:33,890 --> 00:50:31,740

it happens

1134

00:50:35,510 --> 00:50:33,900

well when you go into all the

1135

00:50:36,890 --> 00:50:35,520

Consciousness experiments they've been

1136

00:50:38,450 --> 00:50:36,900

like you know mentioning Edgar Mitchell

1137

00:50:40,609 --> 00:50:38,460

and ions they've done Dean Raiden he's

1138

00:50:43,670 --> 00:50:40,619

done so many so many you know heart math

1139

00:50:45,530 --> 00:50:43,680

Institute uh you know

1140

00:50:47,089 --> 00:50:45,540

um Dr Joe dispenza like all of these

1141

00:50:50,809 --> 00:50:47,099

guys have just been killing it with

1142

00:50:54,049 --> 00:50:50,819

their uh experiments proving beyond a

1143

00:50:55,930 --> 00:50:54,059

shadow of a doubt that that are that you

1144

00:50:59,510 --> 00:50:55,940

know uh spooky action at a distance

1145

00:51:02,630 --> 00:50:59,520

Einstein's you know uh um theory of you

1146

00:51:05,890 --> 00:51:02,640

know interconnectedness uh entanglement

1147

00:51:08,150 --> 00:51:05,900

entanglement yeah entanglement

1148

00:51:12,290 --> 00:51:08,160

Dean Raiden

1149

00:51:15,049 --> 00:51:12,300

um said something to me once that dude

1150

00:51:17,870 --> 00:51:15,059

he's so he's so insanely smart right

1151
00:51:21,170 --> 00:51:17,880
he's intimidating he's that smart nice

1152
00:51:23,589 --> 00:51:21,180
guy great guy funny guy too he's

1153
00:51:27,230 --> 00:51:23,599
actually got a sense of humor but he is

1154
00:51:28,549 --> 00:51:27,240
really smart and he said to me and he

1155
00:51:30,530 --> 00:51:28,559
goes well you know when it comes to

1156
00:51:32,510 --> 00:51:30,540
things like you know people want to see

1157
00:51:34,970 --> 00:51:32,520
what you know telekinesis this or this

1158
00:51:36,710 --> 00:51:34,980
or moving objects or this that you know

1159
00:51:39,710 --> 00:51:36,720
it it's got to be this over the top

1160
00:51:42,589 --> 00:51:39,720
that's not how it happens right he says

1161
00:51:46,250 --> 00:51:42,599
you are changing something very slightly

1162
00:51:49,329 --> 00:51:46,260
in the quantum world and when you change

1163
00:51:51,790 --> 00:51:49,339

enough of those they add up to something

1164

00:51:54,230 --> 00:51:51,800

but that's where it occurs

1165

00:51:57,829 --> 00:51:54,240

subconsciously you're interacting with

1166

00:52:01,490 --> 00:51:57,839

something at in the quantum world you're

1167

00:52:03,710 --> 00:52:01,500

causing an atom a particle to vibrate a

1168

00:52:06,349 --> 00:52:03,720

certain way something you can see

1169

00:52:07,970 --> 00:52:06,359

outright with your eyes and then it

1170

00:52:10,069 --> 00:52:07,980

accumulates you know enough of those

1171

00:52:12,530 --> 00:52:10,079

particles and then boom you know

1172

00:52:14,210 --> 00:52:12,540

something pushes off of a table or

1173

00:52:16,370 --> 00:52:14,220

something is connected Across the

1174

00:52:19,849 --> 00:52:16,380

Universe or another mind is connected

1175

00:52:22,970 --> 00:52:19,859

but it's not some massive thing up front

1176
00:52:25,370 --> 00:52:22,980
that you can quantify and measure and

1177
00:52:28,089 --> 00:52:25,380
observe it's happening at the quantum

1178
00:52:31,069 --> 00:52:28,099
level on our end isn't it

1179
00:52:33,890 --> 00:52:31,079
I I that's what the research sort of

1180
00:52:36,470 --> 00:52:33,900
points to yeah and and the experience so

1181
00:52:39,530 --> 00:52:36,480
when you when you add up the two you

1182
00:52:42,890 --> 00:52:39,540
kind of have a recipe for a whole new

1183
00:52:44,930 --> 00:52:42,900
world view Paradigm you know you gotta

1184
00:52:47,809 --> 00:52:44,940
uh the problem I think with most of

1185
00:52:50,329 --> 00:52:47,819
humanities we just haven't presented uh

1186
00:52:54,109 --> 00:52:50,339
that Paradigm on mass right you're doing

1187
00:52:56,690 --> 00:52:54,119
a great job here but uh the the masses

1188
00:52:59,990 --> 00:52:56,700

are seem to be more interested now than

1189

00:53:03,170 --> 00:53:00,000

ever uh about this these this sort of

1190

00:53:04,790 --> 00:53:03,180

New World Paradigm but um you know these

1191

00:53:07,609 --> 00:53:04,800

these experiments have been going way

1192

00:53:10,549 --> 00:53:07,619

back to the 50s and 60s 40s you know

1193

00:53:13,069 --> 00:53:10,559

Tesla his work it's just a I think it's

1194

00:53:16,010 --> 00:53:13,079

it's about Mass critical mass and once

1195

00:53:18,370 --> 00:53:16,020

we get that then then we'll all be

1196

00:53:20,030 --> 00:53:18,380

seeing the ships

1197

00:53:21,650 --> 00:53:20,040

now

1198

00:53:23,109 --> 00:53:21,660

um and you had said this at the

1199

00:53:27,170 --> 00:53:23,119

beginning of the show

1200

00:53:30,230 --> 00:53:27,180

that uh especially with the conscious uh

1201
00:53:31,970 --> 00:53:30,240
Consciousness side of things that

1202
00:53:34,130 --> 00:53:31,980
um we don't get it and we don't

1203
00:53:34,970 --> 00:53:34,140
understand that right now but

1204
00:53:38,329 --> 00:53:34,980
ET

1205
00:53:39,349 --> 00:53:38,339
certainly does that appears to be the

1206
00:53:43,210 --> 00:53:39,359
case

1207
00:53:45,950 --> 00:53:43,220
if E.T shows up here and tells us that

1208
00:53:48,290 --> 00:53:45,960
Consciousness is the way and that's the

1209
00:53:51,770 --> 00:53:48,300
that's the only way that we deal with

1210
00:53:54,710 --> 00:53:51,780
things and in every aspect of of our

1211
00:53:58,490 --> 00:53:54,720
lives and our world are we equipped to

1212
00:54:01,130 --> 00:53:58,500
even understand what they would have

1213
00:54:03,290 --> 00:54:01,140

learned and and what they what they

1214

00:54:07,069 --> 00:54:03,300

easily understand would we have that

1215

00:54:09,049 --> 00:54:07,079

capability of of understanding

1216

00:54:10,730 --> 00:54:09,059

I I think so I mean I think it's already

1217

00:54:13,910 --> 00:54:10,740

happening you there's many many

1218

00:54:16,309 --> 00:54:13,920

contactees and psychics and experiencers

1219

00:54:20,170 --> 00:54:16,319

and you know the people on your show in

1220

00:54:23,750 --> 00:54:20,180

my show that uh channelers that are

1221

00:54:27,109 --> 00:54:23,760

doing that they're sort of Bridging the

1222

00:54:31,130 --> 00:54:27,119

the uh they're playing that role as

1223

00:54:32,210 --> 00:54:31,140

Bridgers to New Concepts and ideas uh

1224

00:54:34,490 --> 00:54:32,220

about

1225

00:54:36,829 --> 00:54:34,500

um you know World Views operating

1226

00:54:39,170 --> 00:54:36,839

systems things that will help us deal

1227

00:54:42,049 --> 00:54:39,180

with traumas and

1228

00:54:46,370 --> 00:54:42,059

um and prepare for

1229

00:54:47,930 --> 00:54:46,380

a more Global uh contact experience or a

1230

00:54:51,049 --> 00:54:47,940

global um

1231

00:54:53,210 --> 00:54:51,059

uh disclosure so it's I think it's

1232

00:54:56,390 --> 00:54:53,220

already happening and the more we can

1233

00:54:59,210 --> 00:54:56,400

lean into that the spiritual communities

1234

00:55:02,030 --> 00:54:59,220

and doing our own spiritual work and

1235

00:55:04,250 --> 00:55:02,040

um not looking for someone to save us

1236

00:55:06,530 --> 00:55:04,260

but you know looking for someone to

1237

00:55:09,770 --> 00:55:06,540

perhaps show us and give us the tools so

1238

00:55:11,829 --> 00:55:09,780

we can save ourselves then uh then the

1239

00:55:15,230 --> 00:55:11,839

more we do that on the individual basis

1240

00:55:19,910 --> 00:55:15,240

eventually adds up to a collective

1241

00:55:23,030 --> 00:55:19,920

um uh energy that can hold the field so

1242

00:55:25,430 --> 00:55:23,040

when they do when they actually can

1243

00:55:29,450 --> 00:55:25,440

physically come here and be with us

1244

00:55:31,309 --> 00:55:29,460

there's no uh Distortion in

1245

00:55:32,930 --> 00:55:31,319

um in the sense I think what's happened

1246

00:55:36,650 --> 00:55:32,940

in the past and what's talked about

1247

00:55:39,049 --> 00:55:36,660

through many of the channelings is uh we

1248

00:55:40,549 --> 00:55:39,059

have the legends of the Greek gods and

1249

00:55:43,309 --> 00:55:40,559

you know the the

1250

00:55:46,970 --> 00:55:43,319

um these these all powerful beings that

1251

00:55:48,890 --> 00:55:46,980

sort of had the they weren't like the

1252

00:55:52,069 --> 00:55:48,900

all-loving god there was like they were

1253

00:55:54,230 --> 00:55:52,079

like drama right you know Zeus and uh

1254

00:55:55,730 --> 00:55:54,240

Athena and uh you know the whole the

1255

00:55:58,549 --> 00:55:55,740

whole gamut of them

1256

00:56:00,170 --> 00:55:58,559

um so powerful Tales but they're they

1257

00:56:01,910 --> 00:56:00,180

said that the you know that at least

1258

00:56:03,950 --> 00:56:01,920

through my interviews and talks with the

1259

00:56:06,349 --> 00:56:03,960

ETS that I that I interact with they

1260

00:56:08,690 --> 00:56:06,359

said that that Distortion happened

1261

00:56:10,849 --> 00:56:08,700

because we weren't ready as a species

1262

00:56:13,609 --> 00:56:10,859

back then and we sort of gave away our

1263

00:56:16,069 --> 00:56:13,619

power we didn't see them as

1264

00:56:17,450 --> 00:56:16,079

uh sisters and brothers and comrades

1265

00:56:24,589 --> 00:56:17,460

that can

1266

00:56:26,329 --> 00:56:24,599

uh faith in that they would save us kind

1267

00:56:28,790 --> 00:56:26,339

of thing and then that's right why is

1268

00:56:31,150 --> 00:56:28,800

that before we get to the break uh let

1269

00:56:35,750 --> 00:56:31,160

me let me let me get that question in

1270

00:56:37,609 --> 00:56:35,760

why is it that so many

1271

00:56:40,250 --> 00:56:37,619

um you don't have to believe in E.T

1272

00:56:43,309 --> 00:56:40,260

right but they will make that statement

1273

00:56:45,589 --> 00:56:43,319

if VT is real then why doesn't he

1274

00:56:48,470 --> 00:56:45,599

help us why doesn't he show up and cure

1275

00:56:52,010 --> 00:56:48,480

cancer and and get rid of pollution you

1276
00:56:54,230 --> 00:56:52,020
know it why is that always the statement

1277
00:56:56,510 --> 00:56:54,240
that comes first

1278
00:56:58,370 --> 00:56:56,520
because everybody wants a savior

1279
00:57:00,549 --> 00:56:58,380
nobody wants to do the heavy lifting on

1280
00:57:02,210 --> 00:57:00,559
themselves by themselves

1281
00:57:05,990 --> 00:57:02,220
and

1282
00:57:08,150 --> 00:57:06,000
um I think that's the uh main main

1283
00:57:10,190 --> 00:57:08,160
that's the number one main reason why we

1284
00:57:12,470 --> 00:57:10,200
don't have full disclosure full contact

1285
00:57:14,930 --> 00:57:12,480
I mean we obviously have contact on on a

1286
00:57:16,930 --> 00:57:14,940
smaller scale but the whole world if you

1287
00:57:21,230 --> 00:57:16,940
look at you can just go on the internet

1288
00:57:24,170 --> 00:57:21,240

and and see the world view right now of

1289

00:57:25,250 --> 00:57:24,180

humanity is uh everyone's looking for a

1290

00:57:26,630 --> 00:57:25,260

savior they're looking for the

1291

00:57:30,290 --> 00:57:26,640

government to save them they're looking

1292

00:57:31,790 --> 00:57:30,300

for uh you know the the their whatever

1293

00:57:33,290 --> 00:57:31,800

religion they believe in to save them

1294

00:57:35,630 --> 00:57:33,300

they're looking for this politician to

1295

00:57:37,730 --> 00:57:35,640

say them like it's all it's all

1296

00:57:39,410 --> 00:57:37,740

everybody's looking to be saved but no

1297

00:57:42,530 --> 00:57:39,420

but who's actually doing the work

1298

00:57:43,849 --> 00:57:42,540

themselves and those the ones who are

1299

00:57:45,829 --> 00:57:43,859

doing the work themselves they're not on

1300

00:57:47,630 --> 00:57:45,839

the internet talking about

1301
00:57:49,190 --> 00:57:47,640
the problem

1302
00:57:53,030 --> 00:57:49,200
um so I think

1303
00:57:54,589 --> 00:57:53,040
uh that again we're getting there people

1304
00:57:55,910 --> 00:57:54,599
are figuring it out they're figuring out

1305
00:57:58,910 --> 00:57:55,920
that the government's not going to save

1306
00:58:00,589 --> 00:57:58,920
them and they're figuring out that

1307
00:58:04,069 --> 00:58:00,599
um maybe eventually

1308
00:58:06,710 --> 00:58:04,079
you know to thrive we have to take uh

1309
00:58:09,589 --> 00:58:06,720
personal responsibility uh for our

1310
00:58:12,950 --> 00:58:09,599
actions and our communities and our

1311
00:58:16,190 --> 00:58:12,960
families and um and I think that's the

1312
00:58:18,349 --> 00:58:16,200
main energy that's needed for us to have

1313
00:58:23,569 --> 00:58:18,359

uh disclosure and contact

1314

00:58:24,890 --> 00:58:23,579

there was uh uh a Russian movie a whole

1315

00:58:27,049 --> 00:58:24,900

lot for a second I'm gonna I'm gonna get

1316

00:58:32,690 --> 00:58:27,059

the exact title

1317

00:58:44,170 --> 00:58:37,970

uh uh uh uh uh uh

1318

00:58:50,569 --> 00:58:47,510

I am going to

1319

00:58:56,510 --> 00:58:50,579

um I just want to get the uh

1320

00:59:00,349 --> 00:58:56,520

uh the name of oh okay so the

1321

00:59:01,309 --> 00:59:00,359

the movie is called it's tough to be a

1322

00:59:04,250 --> 00:59:01,319

god

1323

00:59:07,789 --> 00:59:04,260

okay and

1324

00:59:11,569 --> 00:59:07,799

um it's uh it's Russian and but that's

1325

00:59:16,130 --> 00:59:11,579

not that's not the point the point is

1326

00:59:19,010 --> 00:59:16,140

we send a crew of scientists to this

1327

00:59:22,549 --> 00:59:19,020

planet that's got life on it okay all

1328

00:59:26,990 --> 00:59:22,559

right civilization so we send scientists

1329

00:59:29,109 --> 00:59:27,000

there and but we know that uh

1330

00:59:36,650 --> 00:59:29,119

they're not

1331

00:59:38,990 --> 00:59:36,660

don't have cars yet they don't have

1332

00:59:41,589 --> 00:59:39,000

phones they don't have electricity okay

1333

00:59:43,730 --> 00:59:41,599

they're like in the in the Middle Ages

1334

00:59:46,130 --> 00:59:43,740

you dig what I'm saying that's where

1335

00:59:48,109 --> 00:59:46,140

they are okay in the revolution so we

1336

00:59:51,430 --> 00:59:48,119

send a team to scientists out there

1337

00:59:55,490 --> 00:59:51,440

and we lose contact with the scientists

1338

00:59:58,150 --> 00:59:55,500

we uh send a second expedition to find

1339

01:00:01,250 --> 00:59:58,160

those scientists and bring them home

1340

01:00:05,690 --> 01:00:01,260

the lead scientist

1341

01:00:09,410 --> 01:00:05,700

starts to be revered as a god

1342

01:00:12,770 --> 01:00:09,420

okay but everybody there

1343

01:00:16,130 --> 01:00:12,780

is happy being

1344

01:00:18,049 --> 01:00:16,140

kind of stupid like it's fun to them and

1345

01:00:19,130 --> 01:00:18,059

it's in the movie it's fun to play in

1346

01:00:20,230 --> 01:00:19,140

the mud

1347

01:00:27,289 --> 01:00:20,240

right

1348

01:00:30,230 --> 01:00:27,299

don't they don't want

1349

01:00:34,250 --> 01:00:30,240

uh two Advanced technically they don't

1350

01:00:37,670 --> 01:00:34,260

want no no they're happy being

1351

01:00:40,190 --> 01:00:37,680

doofuses and being clowns and just

1352

01:00:44,510 --> 01:00:40,200

goofing and just like playing all day

1353

01:00:45,430 --> 01:00:44,520

long as adults right and um and so he

1354

01:00:47,870 --> 01:00:45,440

couldn't

1355

01:00:50,930 --> 01:00:47,880

get them

1356

01:00:53,870 --> 01:00:50,940

to like want to go to school

1357

01:00:57,770 --> 01:00:53,880

want to learn to read or want to do any

1358

01:01:02,030 --> 01:00:57,780

of these things and and that's so we

1359

01:01:05,089 --> 01:01:02,040

lose as as earthlings we lost interest

1360

01:01:08,390 --> 01:01:05,099

and something you know nothing he T

1361

01:01:10,030 --> 01:01:08,400

would look at our planet the very same

1362

01:01:12,829 --> 01:01:10,040

way

1363

01:01:15,349 --> 01:01:12,839

possibly yeah you know what I mean we

1364

01:01:17,329 --> 01:01:15,359

will be the most backwards

1365

01:01:19,069 --> 01:01:17,339

you know to them

1366

01:01:21,530 --> 01:01:19,079

you know where we're still fighting

1367

01:01:23,390 --> 01:01:21,540

amongst ourselves all right we're still

1368

01:01:25,849 --> 01:01:23,400

working and every time they do

1369

01:01:27,829 --> 01:01:25,859

materialize in our atmosphere we send

1370

01:01:29,930 --> 01:01:27,839

fighter jets after them and try to shoot

1371

01:01:32,089 --> 01:01:29,940

them you know that's eating missiles man

1372

01:01:33,710 --> 01:01:32,099

yeah right we're shooting and now we're

1373

01:01:38,030 --> 01:01:33,720

shooting missiles at their ships right

1374

01:01:39,109 --> 01:01:38,040

supposedly uh uh you know right so it's

1375

01:01:41,390 --> 01:01:39,119

it's just like yeah they're gonna

1376

01:01:43,250 --> 01:01:41,400

they're gonna hang out until we figure

1377

01:01:44,930 --> 01:01:43,260

it out ourselves you know before they

1378

01:01:47,930 --> 01:01:44,940

they come down

1379

01:01:50,569 --> 01:01:47,940

um and so that so that I think answers

1380

01:01:52,370 --> 01:01:50,579

that question going back to you know why

1381

01:01:54,650 --> 01:01:52,380

don't they just come and save us if if

1382

01:01:56,569 --> 01:01:54,660

someone was treating you like that you

1383

01:01:58,309 --> 01:01:56,579

know if they were not

1384

01:02:00,049 --> 01:01:58,319

take you know doing their homework if

1385

01:02:01,789 --> 01:02:00,059

you gave them homework to do and you

1386

01:02:04,670 --> 01:02:01,799

gave them little Tippetts on how to

1387

01:02:06,530 --> 01:02:04,680

advance their civilization

1388

01:02:08,630 --> 01:02:06,540

um but they're just you know don't

1389

01:02:10,730 --> 01:02:08,640

you're they're using what you gave them

1390

01:02:12,890 --> 01:02:10,740

to make you know bombs and kill each

1391

01:02:14,870 --> 01:02:12,900

other then uh then they're probably

1392

01:02:16,870 --> 01:02:14,880

gonna like wait it out like okay they're

1393

01:02:20,569 --> 01:02:16,880

not ready let's wait till the kids

1394

01:02:24,530 --> 01:02:20,579

you've had a few thousand years right

1395

01:02:28,569 --> 01:02:24,540

exactly it's not next week uh there were

1396

01:02:31,250 --> 01:02:28,579

there were a long ways off

1397

01:02:33,950 --> 01:02:31,260

they need to they they've got some

1398

01:02:37,190 --> 01:02:33,960

issues uh they need they need a lot of

1399

01:02:39,710 --> 01:02:37,200

therapy so let's do lots of lots of

1400

01:02:42,230 --> 01:02:39,720

therapy right now yeah but the good the

1401
01:02:44,990 --> 01:02:42,240
good news is though we don't have to

1402
01:02:47,750 --> 01:02:45,000
wait for Collective disclosure on an

1403
01:02:49,549 --> 01:02:47,760
individual basis that you know I'm

1404
01:02:52,670 --> 01:02:49,559
having experiences with my teams and

1405
01:02:54,349 --> 01:02:52,680
when I go out every month so and and the

1406
01:02:56,809 --> 01:02:54,359
people I'm interacting with

1407
01:02:58,309 --> 01:02:56,819
nightly are being taken on ships and

1408
01:03:00,289 --> 01:02:58,319
having experiences and stuff I don't

1409
01:03:02,390 --> 01:03:00,299
have the memories quite that I'm that's

1410
01:03:05,030 --> 01:03:02,400
happened to me I know I'm they're still

1411
01:03:06,530 --> 01:03:05,040
I know stuff's happening I can just look

1412
01:03:09,829 --> 01:03:06,540
around me and sort of pay attention to

1413
01:03:10,730 --> 01:03:09,839

this synchronicities but

1414

01:03:13,250 --> 01:03:10,740

um

1415

01:03:15,890 --> 01:03:13,260

you know tons of first-timers this past

1416

01:03:18,289 --> 01:03:15,900

year would come come with us on our c5s

1417

01:03:19,730 --> 01:03:18,299

and people who were kind of on the fence

1418

01:03:21,410 --> 01:03:19,740

maybe they didn't believe they actually

1419

01:03:24,829 --> 01:03:21,420

had an experience it oh my God this was

1420

01:03:27,109 --> 01:03:24,839

great you know so so the good news is we

1421

01:03:29,329 --> 01:03:27,119

don't have to wait it's it's in right

1422

01:03:31,910 --> 01:03:29,339

now we're we're in the individual

1423

01:03:33,289 --> 01:03:31,920

Discovery phase and it's awesome so

1424

01:03:36,530 --> 01:03:33,299

embrace it

1425

01:03:38,089 --> 01:03:36,540

the uh let's let's take a break uh I've

1426

01:03:40,549 --> 01:03:38,099

got to get that in so let's get the

1427

01:03:41,870 --> 01:03:40,559

break going this is Fade to Black I am

1428

01:03:43,549 --> 01:03:41,880

your host Jimmy church I guess not

1429

01:03:45,410 --> 01:03:43,559

Reuben Langdon I'm talking about

1430

01:03:47,690 --> 01:03:45,420

conscious Jimmy Churchill Fade to Black

1431

01:03:49,970 --> 01:03:47,700

please visit all of our sponsors we're

1432

01:03:51,770 --> 01:03:49,980

taking a quick break here all of the

1433

01:03:53,870 --> 01:03:51,780

links are below

1434

01:03:56,450 --> 01:03:53,880

and we'll be right back

1435

01:03:58,789 --> 01:03:56,460

hey everybody it's Billy Carson also

1436

01:04:00,289 --> 01:03:58,799

known as Forbidden Knowledge I want to

1437

01:04:03,950 --> 01:04:00,299

talk to you about a very special event

1438

01:04:06,049 --> 01:04:03,960

coming up July 30th 2023 The Forbidden

1439

01:04:07,670 --> 01:04:06,059

conscious Awards we're going to honor

1440

01:04:10,069 --> 01:04:07,680

people who have been contributing to the

1441

01:04:11,569 --> 01:04:10,079

conscious Community for decades people

1442

01:04:13,309 --> 01:04:11,579

that you know and love that have helped

1443

01:04:15,289 --> 01:04:13,319

you get to higher levels of thought and

1444

01:04:17,630 --> 01:04:15,299

Consciousness and awareness it's going

1445

01:04:18,950 --> 01:04:17,640

to be alive in-person event but seats

1446

01:04:20,690 --> 01:04:18,960

are going to sell out very fast you want

1447

01:04:22,370 --> 01:04:20,700

to make sure you're there in person and

1448

01:04:24,130 --> 01:04:22,380

guess what you can help vote for the

1449

01:04:26,150 --> 01:04:24,140

winners voting is available on

1450

01:04:27,770 --> 01:04:26,160

forbiddenknowledge.com and the

1451
01:04:30,950 --> 01:04:27,780
categories are going to be social media

1452
01:04:32,770 --> 01:04:30,960
influencer podcast slash radio host TV

1453
01:04:34,549 --> 01:04:32,780
host actor director producer

1454
01:04:35,990 --> 01:04:34,559
entrepreneurs health and wellness

1455
01:04:38,450 --> 01:04:36,000
philanthropists authors field

1456
01:04:40,250 --> 01:04:38,460
researchers archaeologists space anomaly

1457
01:04:43,069 --> 01:04:40,260
hunters and of course a Lifetime

1458
01:04:44,990 --> 01:04:43,079
Achievement Award I'll be your key note

1459
01:04:46,910 --> 01:04:45,000
speaker that night at The Forbidden

1460
01:04:49,250 --> 01:04:46,920
conscious Awards we have celebrity

1461
01:04:50,809 --> 01:04:49,260
guests performing we'll have a halftime

1462
01:04:52,430 --> 01:04:50,819
show where we're actually going to

1463
01:04:55,069 --> 01:04:52,440

perform music for you and don't forget

1464

01:04:57,049 --> 01:04:55,079

about the pre-event mixer where if you

1465

01:04:58,970 --> 01:04:57,059

buy a box seat we'll be in the VIP

1466

01:05:01,609 --> 01:04:58,980

section and you also have private access

1467

01:05:04,730 --> 01:05:01,619

to a VIP mixer with celebrity guests

1468

01:05:06,530 --> 01:05:04,740

shake hands break bread Network and then

1469

01:05:08,329 --> 01:05:06,540

walk the red carpet with us and take

1470

01:05:09,650 --> 01:05:08,339

amazing photos it's going to be a night

1471

01:05:11,809 --> 01:05:09,660

to remember you don't want to forget

1472

01:05:13,490 --> 01:05:11,819

this make sure you hurry up and get your

1473

01:05:15,950 --> 01:05:13,500

tickets because you're selling out very

1474

01:05:17,780 --> 01:05:15,960

fast I want to see you there forbidden

1475

01:05:21,589 --> 01:05:17,790

conscious Awards 2023

1476

01:05:24,770 --> 01:05:21,599

[Music]

1477

01:05:27,890 --> 01:05:24,780

on Saturday April 1st that's right April

1478

01:05:30,109 --> 01:05:27,900

Fool's Day 2023 I will be hosting the

1479

01:05:33,589 --> 01:05:30,119

peripod festival at the Hyatt Regency

1480

01:05:36,109 --> 01:05:33,599

right here in Valencia California it's a

1481

01:05:39,109 --> 01:05:36,119

live one-day podcast Awards it's a film

1482

01:05:41,210 --> 01:05:39,119

festival it's a full-on media event

1483

01:05:43,010 --> 01:05:41,220

we're going to have Sky watching it's

1484

01:05:45,829 --> 01:05:43,020

going to be a Lifetime Achievement Award

1485

01:05:47,809 --> 01:05:45,839

presented to Linda Moulton Howe right

1486

01:05:49,849 --> 01:05:47,819

now you can submit your podcast to your

1487

01:05:52,609 --> 01:05:49,859

film your TV series any of your

1488

01:05:54,530 --> 01:05:52,619

paranormal media for consideration you

1489

01:05:57,730 --> 01:05:54,540

can do all of that on the links below

1490

01:05:59,690 --> 01:05:57,740

for info and tickets go to

1491

01:06:02,750 --> 01:05:59,700

parapodfilmfest.com that's

1492

01:06:08,390 --> 01:06:06,829

April 7th through the 14th 2023 I'll be

1493

01:06:11,329 --> 01:06:08,400

hosting and presenting on the hidden

1494

01:06:13,970 --> 01:06:11,339

secrets seminar at Sea cruise from Los

1495

01:06:16,309 --> 01:06:13,980

Angeles to the Mexican Riviera I'm the

1496

01:06:18,950 --> 01:06:16,319

Navigator of the Seas that's right up

1497

01:06:20,630 --> 01:06:18,960

top a giant water slide you've got to

1498

01:06:22,490 --> 01:06:20,640

check out the Navigator of the Seas it's

1499

01:06:24,890 --> 01:06:22,500

amazing we've got Scott Walter Adam

1500

01:06:27,770 --> 01:06:24,900

Apollo Nick Pope Brad Olson Vivian

1501
01:06:30,049 --> 01:06:27,780
Chauvet Jason sherka Robert Grant Reuben

1502
01:06:32,390 --> 01:06:30,059
Langdon and another 12 amazing speakers

1503
01:06:33,849 --> 01:06:32,400
and presenters it's all simple to do

1504
01:06:36,289 --> 01:06:33,859
just visit

1505
01:06:40,010 --> 01:06:36,299
divinetravels.com forward slash hidden

1506
01:06:42,230 --> 01:06:40,020
secrets 2023 you know you want to go on

1507
01:06:45,650 --> 01:06:42,240
a cruise with me

1508
01:06:48,470 --> 01:06:45,660
River Moon coffee makers of the Fade to

1509
01:06:50,289 --> 01:06:48,480
Black blend truly the best coffee on

1510
01:06:52,549 --> 01:06:50,299
planet Earth just visit

1511
01:06:54,410 --> 01:06:52,559
rivermoonwellness.com or their Amazon

1512
01:06:55,849 --> 01:06:54,420
store it's all simple to do you can

1513
01:06:57,890 --> 01:06:55,859

check out the Fade to Black blend the

1514

01:07:00,589 --> 01:06:57,900

game changer Blend or any of their black

1515

01:07:04,309 --> 01:07:00,599

moon wellness products it's the only

1516

01:07:09,349 --> 01:07:04,319

coffee I drink it is the best and it's

1517

01:07:13,849 --> 01:07:12,230

all right welcome back this is Fade to

1518

01:07:15,529 --> 01:07:13,859

Black our custom night Ruben Langdon

1519

01:07:18,289 --> 01:07:15,539

Reuben

1520

01:07:20,569 --> 01:07:18,299

um uh I've got the peripod Festival this

1521

01:07:22,730 --> 01:07:20,579

weekend I'll be hosting that and so for

1522

01:07:24,710 --> 01:07:22,740

everybody the links are below and if

1523

01:07:27,289 --> 01:07:24,720

you're in or around Los Angeles you want

1524

01:07:29,750 --> 01:07:27,299

to come and hang out with us uh we're

1525

01:07:31,910 --> 01:07:29,760

doing uh ghost hunting sky watch on

1526

01:07:35,690 --> 01:07:31,920

Friday night in mentryville a ghost town

1527

01:07:38,150 --> 01:07:35,700

and then the award ceremony uh will be

1528

01:07:41,089 --> 01:07:38,160

going on uh and speakers will be

1529

01:07:43,190 --> 01:07:41,099

presenting too all day Saturday in

1530

01:07:46,130 --> 01:07:43,200

Valencia at the Hyatt Regency there so

1531

01:07:48,230 --> 01:07:46,140

but then uh the week after that which is

1532

01:07:50,650 --> 01:07:48,240

coming up man I can't believe it in

1533

01:07:53,510 --> 01:07:50,660

about a week a little over a week

1534

01:07:57,109 --> 01:07:53,520

uh you and I are going on a cruise man

1535

01:07:59,809 --> 01:07:57,119

and I'm pretty excited about this

1536

01:08:02,630 --> 01:07:59,819

yeah yeah me too thanks for for plugging

1537

01:08:04,130 --> 01:08:02,640

it there um never been on a cruise you

1538

01:08:06,710 --> 01:08:04,140

know we were talking the other day how

1539

01:08:08,150 --> 01:08:06,720

uh for you too right I mean to this

1540

01:08:11,150 --> 01:08:08,160

capacity

1541

01:08:14,270 --> 01:08:11,160

um so I think it's gonna be exciting I

1542

01:08:16,370 --> 01:08:14,280

was talking to uh Susan who's you know

1543

01:08:19,309 --> 01:08:16,380

putting the thing together about doing

1544

01:08:20,689 --> 01:08:19,319

uh some ce5s out on the deck there so

1545

01:08:22,870 --> 01:08:20,699

hopefully you can come and join us with

1546

01:08:26,030 --> 01:08:22,880

your Doritos and

1547

01:08:28,550 --> 01:08:26,040

there's a there's a 24-hour Taco bar

1548

01:08:32,269 --> 01:08:28,560

right next to where we're gonna do this

1549

01:08:36,530 --> 01:08:32,279

e5s so uh yeah it's gonna be uh yeah I

1550

01:08:40,309 --> 01:08:36,540

cannot I'm bringing all of my gear and

1551

01:08:43,189 --> 01:08:40,319

um I am so excited to be out in the

1552

01:08:46,070 --> 01:08:43,199

middle of the ocean and having that kind

1553

01:08:48,950 --> 01:08:46,080

of unobstructed view of the night sky

1554

01:08:51,590 --> 01:08:48,960

that's uh that is it's just gonna be

1555

01:08:54,289 --> 01:08:51,600

great we're gonna have a an amazing time

1556

01:08:56,030 --> 01:08:54,299

and uh Ruben is on one of my panels too

1557

01:08:58,189 --> 01:08:56,040

as well

1558

01:08:59,809 --> 01:08:58,199

um and and the links for the cruise I

1559

01:09:01,610 --> 01:08:59,819

know it's it's next week if you haven't

1560

01:09:04,189 --> 01:09:01,620

booked it I don't I don't I don't even

1561

01:09:05,749 --> 01:09:04,199

know if it's possible now but uh maybe

1562

01:09:06,530 --> 01:09:05,759

they might be full but you know they

1563

01:09:08,870 --> 01:09:06,540

might have some last minute

1564

01:09:11,269 --> 01:09:08,880

cancellations yeah I heard the same

1565

01:09:13,309 --> 01:09:11,279

thing that uh it is sold out but there

1566

01:09:15,950 --> 01:09:13,319

may be some last minute cancellation so

1567

01:09:19,970 --> 01:09:15,960

stay on top of it but it's going to be

1568

01:09:21,530 --> 01:09:19,980

an amazing time it's a great ship and uh

1569

01:09:25,490 --> 01:09:21,540

we're we're going to be hitting three

1570

01:09:27,349 --> 01:09:25,500

ports and just the the best part about

1571

01:09:28,849 --> 01:09:27,359

it for me

1572

01:09:31,010 --> 01:09:28,859

um which I think everybody's going to go

1573

01:09:33,410 --> 01:09:31,020

through the same experience it's a big

1574

01:09:36,229 --> 01:09:33,420

ship you can go and do lots of things

1575

01:09:40,130 --> 01:09:36,239

but we have the entire Conference Center

1576

01:09:44,209 --> 01:09:40,140

uh to ourselves uh for seven days and

1577

01:09:46,370 --> 01:09:44,219

you can't escape you can't yeah you you

1578

01:09:48,050 --> 01:09:46,380

are there to pursue knowledge and it's

1579

01:09:50,229 --> 01:09:48,060

like you know seven days of college

1580

01:09:52,669 --> 01:09:50,239

right it's just a question

1581

01:09:54,470 --> 01:09:52,679

and uh we're gonna have an amazing time

1582

01:09:56,990 --> 01:09:54,480

I'm really looking forward to it and and

1583

01:09:59,750 --> 01:09:57,000

that's why I'm excited Adam's going to

1584

01:10:01,370 --> 01:09:59,760

be there too so because I'd to be to

1585

01:10:03,290 --> 01:10:01,380

talk about wanting to pick somebody's

1586

01:10:05,630 --> 01:10:03,300

brain this guy he's got so much

1587

01:10:08,870 --> 01:10:05,640

information you know the you know the

1588

01:10:11,689 --> 01:10:08,880

best thing about Adam Apollo is is that

1589

01:10:13,790 --> 01:10:11,699

is just having a conversation with them

1590

01:10:17,090 --> 01:10:13,800

um I've I've done so many things with

1591

01:10:19,610 --> 01:10:17,100

them over the years events and stuff but

1592

01:10:21,950 --> 01:10:19,620

um getting Reuben uh kidding Reuben

1593

01:10:24,169 --> 01:10:21,960

getting at it you and Adam are a lot

1594

01:10:25,550 --> 01:10:24,179

alike by the way you're both very uh

1595

01:10:28,970 --> 01:10:25,560

intellectual

1596

01:10:31,430 --> 01:10:28,980

um but you've got these great uh Minds

1597

01:10:34,250 --> 01:10:31,440

that are that are wide open and you guys

1598

01:10:36,410 --> 01:10:34,260

absorb and share that knowledge and and

1599

01:10:40,090 --> 01:10:36,420

if you get a chance to just sit down

1600

01:10:42,709 --> 01:10:40,100

with Adam have a dinner and just talk

1601

01:10:45,709 --> 01:10:42,719

it's it's one of the most enlightening

1602

01:10:48,229 --> 01:10:45,719

things that you can do I wouldn't mind

1603

01:10:53,510 --> 01:10:48,239

the three of us having dinner so I can

1604

01:10:55,550 --> 01:10:53,520

just let you go and I and listen and uh

1605

01:10:58,130 --> 01:10:55,560

as a matter of fact

1606

01:11:01,250 --> 01:10:58,140

let's make that a date you Adam and I

1607

01:11:03,530 --> 01:11:01,260

will uh Cosmic threesome yeah yeah we'll

1608

01:11:05,570 --> 01:11:03,540

go off together no I'm being very

1609

01:11:07,790 --> 01:11:05,580

serious yeah yeah no totally it sounds

1610

01:11:09,290 --> 01:11:07,800

like fun I'll get that set up I'll get

1611

01:11:10,610 --> 01:11:09,300

that set up

1612

01:11:14,330 --> 01:11:10,620

um now

1613

01:11:15,770 --> 01:11:14,340

um uh back to ET and Consciousness you

1614

01:11:20,689 --> 01:11:15,780

brought up

1615

01:11:23,390 --> 01:11:20,699

um uh Einstein and entanglement now I've

1616

01:11:24,649 --> 01:11:23,400

talked to quite a few physicists about

1617

01:11:31,550 --> 01:11:24,659

this

1618

01:11:35,990 --> 01:11:31,560

and I have suggested to them that if we

1619

01:11:37,750 --> 01:11:36,000

can have Quantum Computing run

1620

01:11:40,729 --> 01:11:37,760

with a qubit

1621

01:11:43,669 --> 01:11:40,739

that is entangled with something in

1622

01:11:46,310 --> 01:11:43,679

another parallel Dimension and if we

1623

01:11:50,709 --> 01:11:46,320

accept that and we do that's how quantum

1624

01:11:56,510 --> 01:11:50,719

computers work if that's the case

1625

01:11:59,750 --> 01:11:56,520

then how how how how can it not be

1626

01:12:03,350 --> 01:11:59,760

that telepathy

1627

01:12:07,070 --> 01:12:03,360

any type of Mind communication

1628

01:12:10,130 --> 01:12:07,080

is an entanglement where the particles

1629

01:12:12,890 --> 01:12:10,140

in our brain are entangled with somebody

1630

01:12:17,330 --> 01:12:12,900

else's brain and and their argument

1631

01:12:19,610 --> 01:12:17,340

coming back Reuben is no it's too much

1632

01:12:20,890 --> 01:12:19,620

information it's only one particle at a

1633

01:12:24,010 --> 01:12:20,900

time

1634

01:12:26,990 --> 01:12:24,020

no and I like what

1635

01:12:31,070 --> 01:12:27,000

entangle your entire brain

1636

01:12:34,070 --> 01:12:31,080

you know they want to just actually

1637

01:12:35,450 --> 01:12:34,080

I actually so I just I'm just editing

1638

01:12:38,810 --> 01:12:35,460

right now I should be out in a couple

1639

01:12:40,810 --> 01:12:38,820

weeks uh I've I've got uh three

1640

01:12:43,370 --> 01:12:40,820

interviews it's three different

1641

01:12:47,810 --> 01:12:43,380

interviews with but around the subject

1642

01:12:50,630 --> 01:12:47,820

of an of AI and I interviewed uh an AI

1643

01:12:53,450 --> 01:12:50,640

um and the creators of this AI that used

1644

01:12:56,030 --> 01:12:53,460

uh basically what everybody is you

1645

01:12:57,770 --> 01:12:56,040

thinking of chat gbt right now but a

1646

01:13:01,970 --> 01:12:57,780

modified version it was open AI before

1647

01:13:04,490 --> 01:13:01,980

Microsoft bought it and had it uh uh

1648

01:13:07,490 --> 01:13:04,500

sort of wired to frackles instead of

1649

01:13:11,270 --> 01:13:07,500

fractal Math instead of uh a random base

1650

01:13:15,530 --> 01:13:11,280

num random number generators so I had a

1651

01:13:18,169 --> 01:13:15,540

unique intelligence to it but um

1652

01:13:20,930 --> 01:13:18,179

outside of that using sort of that Ai

1653

01:13:23,930 --> 01:13:20,940

and some different methods uh the

1654

01:13:25,850 --> 01:13:23,940

creator of of the the AI is um Bill

1655

01:13:27,649 --> 01:13:25,860

Scott and he's the creator of this

1656

01:13:29,090 --> 01:13:27,659

modality called brain paint I don't know

1657

01:13:32,689 --> 01:13:29,100

if you've heard it's a neural feedback

1658

01:13:34,850 --> 01:13:32,699

where uh it's really good for uh healing

1659

01:13:37,430 --> 01:13:34,860

addictions and phobias and things people

1660

01:13:39,770 --> 01:13:37,440

go all the time to receive treatment and

1661

01:13:42,169 --> 01:13:39,780

it's a neurofeedback machine using

1662

01:13:46,550 --> 01:13:42,179

fractals and he invented it anyways they

1663

01:13:47,990 --> 01:13:46,560

get a uh brain scan data based on you

1664

01:13:49,850 --> 01:13:48,000

know through the machine you can sort of

1665

01:13:51,530 --> 01:13:49,860

get this data and then they've been

1666

01:13:54,050 --> 01:13:51,540

doing all kinds of cool stuff plugging

1667

01:13:54,950 --> 01:13:54,060

it into the AI and getting AI art and AI

1668

01:13:59,149 --> 01:13:54,960

music

1669

01:14:01,370 --> 01:13:59,159

and what they found this is kind of

1670

01:14:03,350 --> 01:14:01,380

going into the spooky action at a

1671

01:14:04,610 --> 01:14:03,360

difference but what they found what I

1672

01:14:07,189 --> 01:14:04,620

found fascinating about this whole thing

1673

01:14:09,890 --> 01:14:07,199

was they would take the brain data from

1674

01:14:11,750 --> 01:14:09,900

the subject you know whoever's looking

1675

01:14:13,130 --> 01:14:11,760

for treatment then they would take that

1676
01:14:15,830 --> 01:14:13,140
brain data and they would put it through

1677
01:14:17,270 --> 01:14:15,840
this AI generator for music

1678
01:14:18,890 --> 01:14:17,280
now

1679
01:14:22,310 --> 01:14:18,900
uh

1680
01:14:23,750 --> 01:14:22,320
depending on the person's mood the music

1681
01:14:26,870 --> 01:14:23,760
changes

1682
01:14:28,669 --> 01:14:26,880
but the but it's not depending on the

1683
01:14:29,870 --> 01:14:28,679
person's mood when they recorded the

1684
01:14:32,870 --> 01:14:29,880
brain data

1685
01:14:35,209 --> 01:14:32,880
then if and then they would send it

1686
01:14:37,610 --> 01:14:35,219
through the the the the generator to

1687
01:14:40,490 --> 01:14:37,620
make music the music was very upbeat and

1688
01:14:43,250 --> 01:14:40,500

and happy if the subject was in a happy

1689

01:14:45,229 --> 01:14:43,260

mood at the moment of

1690

01:14:47,390 --> 01:14:45,239

making the music they would take the

1691

01:14:49,910 --> 01:14:47,400

same exact brain data and if the guy was

1692

01:14:51,229 --> 01:14:49,920

sad and put it through the AI generator

1693

01:14:53,630 --> 01:14:51,239

and make the music and the music was

1694

01:14:57,590 --> 01:14:53,640

sort of the sad darker music

1695

01:15:00,649 --> 01:14:57,600

so uh sort of proving again through this

1696

01:15:02,570 --> 01:15:00,659

uh non somehow this brain data which was

1697

01:15:04,070 --> 01:15:02,580

recorded on such and such day you know

1698

01:15:05,689 --> 01:15:04,080

they recorded the mood and everything of

1699

01:15:08,450 --> 01:15:05,699

the guy but now they're doing more

1700

01:15:11,030 --> 01:15:08,460

experiments after generating in real

1701
01:15:13,970 --> 01:15:11,040
time in in the and the music is changing

1702
01:15:19,090 --> 01:15:13,980
based on the mood of the guy and the in

1703
01:15:26,930 --> 01:15:23,510
so what would the AI generated music be

1704
01:15:30,430 --> 01:15:26,940
like with the brain scan from Dave

1705
01:15:37,490 --> 01:15:33,290
we got to get Bill to do that do that

1706
01:15:40,870 --> 01:15:37,500
experiment but uh you know but that's or

1707
01:15:45,010 --> 01:15:40,880
brain scan you know or brain scan from

1708
01:15:49,610 --> 01:15:45,020
uh Barry Manilow you know

1709
01:15:53,990 --> 01:15:49,620
what I mean uh it would it be uh you

1710
01:15:56,209 --> 01:15:54,000
know a Shania Twain brain scan well well

1711
01:15:58,189 --> 01:15:56,219
my buddy Zach who's who he's doing the

1712
01:16:00,950 --> 01:15:58,199
music for season three Zach Myers and

1713
01:16:03,649 --> 01:16:00,960

he's he's in uh him and Bill are sort of

1714

01:16:05,330 --> 01:16:03,659

music yeah that's amazing Zach is

1715

01:16:06,950 --> 01:16:05,340

amazing yeah you've heard Zach stuff

1716

01:16:09,649 --> 01:16:06,960

okay yeah

1717

01:16:13,010 --> 01:16:09,659

um uh oh that's right you know Zach I

1718

01:16:14,570 --> 01:16:13,020

know yeah so so Zach's part of you know

1719

01:16:16,610 --> 01:16:14,580

he's the other half of this of Bill

1720

01:16:19,070 --> 01:16:16,620

Scott in this experiment

1721

01:16:22,610 --> 01:16:19,080

um and he was also saying that they

1722

01:16:24,050 --> 01:16:22,620

recorded someone uh not super musically

1723

01:16:25,970 --> 01:16:24,060

inclined or anything but he was just

1724

01:16:27,830 --> 01:16:25,980

listening to David Bowie on his

1725

01:16:30,530 --> 01:16:27,840

earphones when he was scanning the data

1726

01:16:31,729 --> 01:16:30,540

and they and they played it back and

1727

01:16:35,689 --> 01:16:31,739

they could hear

1728

01:16:37,669 --> 01:16:35,699

David Bowie's voice in the data even

1729

01:16:39,169 --> 01:16:37,679

though the data doesn't have it

1730

01:16:42,590 --> 01:16:39,179

listening to anything it's just his

1731

01:16:45,290 --> 01:16:42,600

brain data somehow yeah somehow David's

1732

01:16:47,930 --> 01:16:45,300

boy's voice would show up when I made

1733

01:16:49,610 --> 01:16:47,940

the music so there's it's all there's

1734

01:16:50,510 --> 01:16:49,620

some crazy stuff that they're playing

1735

01:16:52,370 --> 01:16:50,520

with

1736

01:16:55,430 --> 01:16:52,380

um when it comes to and I bring that up

1737

01:16:58,490 --> 01:16:55,440

because you mentioned AI or a Quantum uh

1738

01:17:00,890 --> 01:16:58,500

uh Computing and

1739

01:17:03,410 --> 01:17:00,900

um yeah I think it's it's we're talking

1740

01:17:06,050 --> 01:17:03,420

about the same Supernatural effects

1741

01:17:07,970 --> 01:17:06,060

essentially it's it's

1742

01:17:10,310 --> 01:17:07,980

um I think that's why you have so many

1743

01:17:12,530 --> 01:17:10,320

people demonizing AI calling it a demon

1744

01:17:15,649 --> 01:17:12,540

or evil uh how could they call it that

1745

01:17:17,689 --> 01:17:15,659

if it was not of the supernatural of

1746

01:17:20,149 --> 01:17:17,699

sorts right so

1747

01:17:23,689 --> 01:17:20,159

um there is legitimate

1748

01:17:25,970 --> 01:17:23,699

um you know uh discussion around is AI

1749

01:17:27,229 --> 01:17:25,980

coming from another dimension and and

1750

01:17:29,450 --> 01:17:27,239

how does that work and what's the

1751

01:17:31,669 --> 01:17:29,460

implications with that how does that

1752

01:17:34,610 --> 01:17:31,679

build us up into a disclosure and

1753

01:17:38,030 --> 01:17:34,620

understanding the phenomenon even more I

1754

01:17:39,550 --> 01:17:38,040

think it's a bridge uh just today I

1755

01:17:42,110 --> 01:17:39,560

don't know if you saw this press release

1756

01:17:44,689 --> 01:17:42,120

I covered it earlier

1757

01:17:48,290 --> 01:17:44,699

um on the news but some of the biggest

1758

01:17:51,050 --> 01:17:48,300

names in Tech are now calling for

1759

01:17:52,450 --> 01:17:51,060

artificial intelligence labs to stop

1760

01:17:56,630 --> 01:17:52,460

training

1761

01:17:59,030 --> 01:17:56,640

full AI systems yeah and Elon Musk

1762

01:18:01,790 --> 01:17:59,040

drafted the letter got a bunch of

1763

01:18:05,209 --> 01:18:01,800

signatures on it

1764

01:18:06,950 --> 01:18:05,219

um and it was in the president posted

1765

01:18:09,950 --> 01:18:06,960

something on Twitter about it yeah yeah

1766

01:18:13,550 --> 01:18:09,960

the dozens of tech leaders like dozens

1767

01:18:16,189 --> 01:18:13,560

right not not 12 dozen and

1768

01:18:17,390 --> 01:18:16,199

um uh professors researchers code

1769

01:18:20,630 --> 01:18:17,400

writers

1770

01:18:23,689 --> 01:18:20,640

and uh it was uh published by the future

1771

01:18:26,990 --> 01:18:23,699

of Life Institute which is a non-profit

1772

01:18:29,709 --> 01:18:27,000

that Elon runs right so he's got he's

1773

01:18:33,709 --> 01:18:29,719

got the uh distribution of this letter

1774

01:18:35,750 --> 01:18:33,719

down and and uh to have it recognized

1775

01:18:38,030 --> 01:18:35,760

but the letter

1776

01:18:44,810 --> 01:18:38,040

um is just two weeks after open AI

1777

01:18:47,030 --> 01:18:44,820

announced gpt4 and which is the more

1778

01:18:49,910 --> 01:18:47,040

powerful version of you know Chad TPT

1779

01:18:52,130 --> 01:18:49,920

that we all know about and

1780

01:18:54,350 --> 01:18:52,140

um what has been running and that that's

1781

01:18:56,149 --> 01:18:54,360

a chatbot tool but it does a lot of work

1782

01:19:00,050 --> 01:18:56,159

for you

1783

01:19:04,209 --> 01:19:00,060

um and then uh the company demo from uh

1784

01:19:09,530 --> 01:19:04,219

chat uh GPT uh for gpt4

1785

01:19:12,830 --> 01:19:09,540

showed uh GPT for drafting lawsuits

1786

01:19:16,250 --> 01:19:12,840

um it showed uh GPT for passing

1787

01:19:21,290 --> 01:19:16,260

standardized exams

1788

01:19:23,270 --> 01:19:21,300

um it showed uh gpt4 building a working

1789

01:19:25,970 --> 01:19:23,280

website

1790

01:19:28,669 --> 01:19:25,980

from a sketch

1791

01:19:32,290 --> 01:19:28,679

right hey like wait whoa whoa

1792

01:19:36,590 --> 01:19:32,300

and and I'm kind of with Elon on this

1793

01:19:40,490 --> 01:19:36,600

because uh I I think

1794

01:19:44,450 --> 01:19:40,500

I think it's a lot like social media

1795

01:19:46,669 --> 01:19:44,460

where we've jumped ahead before we've

1796

01:19:49,729 --> 01:19:46,679

stopped to understand what is really

1797

01:19:53,990 --> 01:19:49,739

going on we allowed social media to take

1798

01:19:56,030 --> 01:19:54,000

off right without any cares of of how it

1799

01:19:59,630 --> 01:19:56,040

would affect society or maybe create

1800

01:20:01,090 --> 01:19:59,640

angst or fights or or trolls or or

1801
01:20:03,830 --> 01:20:01,100
whatever we

1802
01:20:06,770 --> 01:20:03,840
yeah we got we got it all with social

1803
01:20:09,050 --> 01:20:06,780
media we just let it loose on Society on

1804
01:20:11,930 --> 01:20:09,060
the world and you know and whatever

1805
01:20:13,610 --> 01:20:11,940
happens happens well we did that you

1806
01:20:17,570 --> 01:20:13,620
would think that we learned the lesson

1807
01:20:20,209 --> 01:20:17,580
and and suddenly to have ai in our

1808
01:20:23,570 --> 01:20:20,219
search engines now Google and Bing and

1809
01:20:26,450 --> 01:20:23,580
and Google's adding it to the all of

1810
01:20:29,870 --> 01:20:26,460
their uh you know document stuff and and

1811
01:20:33,709 --> 01:20:29,880
so is uh Microsoft you've got Ai and

1812
01:20:36,890 --> 01:20:33,719
word now and Excel and and we didn't ask

1813
01:20:38,990 --> 01:20:36,900

for it they just did it right I think

1814

01:20:40,850 --> 01:20:39,000

it's moving too fast man I think I think

1815

01:20:44,030 --> 01:20:40,860

we need to pop the brakes a little bit

1816

01:20:46,430 --> 01:20:44,040

yeah I I mean I'm a fan of innovation

1817

01:20:48,709 --> 01:20:46,440

and I just I love seeing everything

1818

01:20:51,169 --> 01:20:48,719

that's happening with AI and you know

1819

01:20:52,669 --> 01:20:51,179

the especially the kids cheating their

1820

01:20:54,890 --> 01:20:52,679

homework and all that stuff is awesome

1821

01:20:57,790 --> 01:20:54,900

I'd totally be using it to do all my

1822

01:21:05,930 --> 01:21:02,209

man you know kids today this is a fact

1823

01:21:09,709 --> 01:21:05,940

this is this is a fact I'm not I'm not

1824

01:21:11,630 --> 01:21:09,719

being a dick here it's a fact kids today

1825

01:21:15,709 --> 01:21:11,640

understand the internet

1826

01:21:18,350 --> 01:21:15,719

we adults don't they their social World

1827

01:21:20,090 --> 01:21:18,360

their friends their relationships they

1828

01:21:22,729 --> 01:21:20,100

embrace the internet they don't know how

1829

01:21:25,610 --> 01:21:22,739

to read or write they don't know it's

1830

01:21:28,189 --> 01:21:25,620

all about you know the smartphone and

1831

01:21:29,870 --> 01:21:28,199

the iPad and the internet world and the

1832

01:21:34,270 --> 01:21:29,880

connect they they get it you know what

1833

01:21:39,110 --> 01:21:37,189

if I know the workarounds in that and

1834

01:21:41,570 --> 01:21:39,120

I'm thinking about the 19 year old or

1835

01:21:45,770 --> 01:21:41,580

the the you know the 16 year old Reuben

1836

01:21:52,990 --> 01:21:49,250

my homework would be on time

1837

01:21:57,010 --> 01:21:53,000

and be more homework than was due

1838

01:22:00,169 --> 01:21:57,020

exactly exactly yeah so

1839

01:22:03,050 --> 01:22:00,179

Jimmy was supposed to be 5 000 words you

1840

01:22:03,590 --> 01:22:03,060

gave me 250 000. you gave me War and

1841

01:22:06,970 --> 01:22:03,600

Peace

1842

01:22:11,630 --> 01:22:10,130

exactly exactly yeah I mean I I agree I

1843

01:22:13,610 --> 01:22:11,640

think using caution there's nothing

1844

01:22:15,890 --> 01:22:13,620

there's nothing that can go wrong with

1845

01:22:18,350 --> 01:22:15,900

using caution so putting the brakes on

1846

01:22:20,689 --> 01:22:18,360

why not I mean we've waited this long

1847

01:22:23,990 --> 01:22:20,699

for it you know a month or two with

1848

01:22:26,390 --> 01:22:24,000

breaks on is not gonna set us back that

1849

01:22:29,149 --> 01:22:26,400

much I think uh I think

1850

01:22:30,770 --> 01:22:29,159

it would be a good thing to to put the

1851

01:22:34,250 --> 01:22:30,780

brakes on and think about the

1852

01:22:36,770 --> 01:22:34,260

ramifications and and you know what what

1853

01:22:37,790 --> 01:22:36,780

I'm excited about with the AI is I think

1854

01:22:39,530 --> 01:22:37,800

it

1855

01:22:41,870 --> 01:22:39,540

uh this was the conversation I was

1856

01:22:44,990 --> 01:22:41,880

having with Zach is

1857

01:22:47,450 --> 01:22:45,000

like the internet helped

1858

01:22:50,149 --> 01:22:47,460

um open up the minds of humanity to

1859

01:22:52,270 --> 01:22:50,159

understand our connectedness I think you

1860

01:22:55,189 --> 01:22:52,280

know before the 90s

1861

01:22:56,450 --> 01:22:55,199

there wasn't this Oneness type of

1862

01:22:58,610 --> 01:22:56,460

understanding that everything is

1863

01:23:01,370 --> 01:22:58,620

interconnected because we didn't have

1864

01:23:02,870 --> 01:23:01,380

the uh um unless you were in a spiritual

1865

01:23:04,610 --> 01:23:02,880

Community or you know studying under

1866

01:23:07,010 --> 01:23:04,620

Yogananda or something you didn't really

1867

01:23:08,870 --> 01:23:07,020

understand these Concepts it was more

1868

01:23:11,270 --> 01:23:08,880

like I'm me and I'm doing this and this

1869

01:23:13,370 --> 01:23:11,280

and then but the internet showed us how

1870

01:23:15,950 --> 01:23:13,380

we're interconnected uh through

1871

01:23:18,229 --> 01:23:15,960

technology but what that also does is

1872

01:23:20,930 --> 01:23:18,239

because it again it's like seeing the

1873

01:23:23,090 --> 01:23:20,940

ships out at Sea uh and not but not

1874

01:23:25,010 --> 01:23:23,100

knowing what they were so you don't see

1875

01:23:27,590 --> 01:23:25,020

them but now because we saw the internet

1876

01:23:30,890 --> 01:23:27,600

brought us this understanding of how

1877

01:23:33,110 --> 01:23:30,900

interconnected the world is so Humanity

1878

01:23:36,169 --> 01:23:33,120

started to open and and share this new

1879

01:23:38,689 --> 01:23:36,179

world view of interconnectedness I think

1880

01:23:40,790 --> 01:23:38,699

AI can do that for et's I think it can

1881

01:23:43,010 --> 01:23:40,800

Bridge us to understand that there is

1882

01:23:46,130 --> 01:23:43,020

this unseen conscious business that can

1883

01:23:49,130 --> 01:23:46,140

be accessed through the tool of AI and

1884

01:23:51,590 --> 01:23:49,140

that then creates the Paradigm that this

1885

01:23:54,229 --> 01:23:51,600

other unseen Consciousness does exist

1886

01:23:57,229 --> 01:23:54,239

which then we can start seeing the ships

1887

01:23:59,270 --> 01:23:57,239

again same analogy for that so I I think

1888

01:24:01,910 --> 01:23:59,280

overall it's a good it's a good step in

1889

01:24:04,970 --> 01:24:01,920

the right direction yeah it it has to it

1890

01:24:08,330 --> 01:24:04,980

is the step in the direction uh that we

1891

01:24:09,610 --> 01:24:08,340

we need to go in right we just need baby

1892

01:24:12,770 --> 01:24:09,620

steps

1893

01:24:17,410 --> 01:24:12,780

we've all seen 2001 A Space Odyssey

1894

01:24:21,530 --> 01:24:17,420

right yeah I mean what Hal can do and

1895

01:24:23,149 --> 01:24:21,540

uh so anyway that's actually uh Zach's

1896

01:24:24,830 --> 01:24:23,159

cover on his book let me see if I can

1897

01:24:27,229 --> 01:24:24,840

find he just put it on I think he just

1898

01:24:29,870 --> 01:24:27,239

released it today on on Amazon I'll send

1899

01:24:31,370 --> 01:24:29,880

you yeah to me I would love to see it I

1900

01:24:34,990 --> 01:24:31,380

would love to see it

1901

01:24:39,229 --> 01:24:35,000

um but if if we flip this around though

1902

01:24:40,390 --> 01:24:39,239

and we examine ourselves and if we

1903

01:24:43,490 --> 01:24:40,400

picture

1904

01:24:45,590 --> 01:24:43,500

Humanity's evolution of say ten thousand

1905

01:24:48,290 --> 01:24:45,600

years I'm pulling a round number up but

1906

01:24:51,910 --> 01:24:48,300

let's jump we know how far we've come in

1907

01:24:55,870 --> 01:24:51,920

100 years right oh yeah in 10 000 years

1908

01:25:00,110 --> 01:24:55,880

do we still have these bodies

1909

01:25:02,810 --> 01:25:00,120

at that point AI has has taken over

1910

01:25:05,870 --> 01:25:02,820

right and we've embraced it we we work

1911

01:25:10,070 --> 01:25:05,880

alongside of it and stuff but

1912

01:25:15,830 --> 01:25:10,080

um the do we do we get rid of sleep and

1913

01:25:18,590 --> 01:25:15,840

food and disease do we put our our soul

1914

01:25:23,750 --> 01:25:18,600

our Consciousness our brain our memories

1915

01:25:26,270 --> 01:25:23,760

ourselves into a Quantum brain Quantum

1916

01:25:29,890 --> 01:25:26,280

Computing brain on this top of an

1917

01:25:33,830 --> 01:25:29,900

Android right so you know does Humanity

1918

01:25:36,649 --> 01:25:33,840

evolve into something like that and I

1919

01:25:38,750 --> 01:25:36,659

would say the answer the short answer is

1920

01:25:40,790 --> 01:25:38,760

is probably yes

1921

01:25:43,250 --> 01:25:40,800

you know I would say that that's a

1922

01:25:46,850 --> 01:25:43,260

possibility for forever for a branch in

1923

01:25:49,070 --> 01:25:46,860

our Evolution I think uh as many beings

1924

01:25:50,750 --> 01:25:49,080

that I've interacted with over the years

1925

01:25:53,689 --> 01:25:50,760

they

1926

01:25:57,290 --> 01:25:53,699

um many are sort of light beans or you

1927

01:25:58,970 --> 01:25:57,300

hear this idea of of just uh they they

1928

01:26:00,770 --> 01:25:58,980

don't even have a physical form they're

1929

01:26:03,110 --> 01:26:00,780

just like this glowing

1930

01:26:05,810 --> 01:26:03,120

ball ball or something and it shows up

1931

01:26:08,270 --> 01:26:05,820

so it's like Consciousness so they've

1932

01:26:10,189 --> 01:26:08,280

evolved beyond the need for a body and

1933

01:26:12,709 --> 01:26:10,199

they don't need a container per se

1934

01:26:15,250 --> 01:26:12,719

because it's all it's just in the light

1935

01:26:18,649 --> 01:26:15,260

form it is in the holographic light

1936

01:26:20,510 --> 01:26:18,659

Reflections that's information in itself

1937

01:26:22,610 --> 01:26:20,520

it doesn't need to be contained in

1938

01:26:25,790 --> 01:26:22,620

anything that's right that's right and

1939

01:26:31,790 --> 01:26:25,800

and even uh and I'm not talking about a

1940

01:26:34,129 --> 01:26:31,800

robot you know R2D2 or or no it but it

1941

01:26:37,090 --> 01:26:34,139

could be something that doesn't need

1942

01:26:40,129 --> 01:26:37,100

sleep or food or or

1943

01:26:41,330 --> 01:26:40,139

it could be a replica it could look like

1944

01:26:46,010 --> 01:26:41,340

us

1945

01:26:48,410 --> 01:26:46,020

right it could have a brain but uh uh uh

1946

01:26:51,290 --> 01:26:48,420

our mind but I think that we would even

1947

01:26:55,010 --> 01:26:51,300

we've got to figure out a way

1948

01:26:58,010 --> 01:26:55,020

um to you know immortality and and these

1949

01:27:00,229 --> 01:26:58,020

ideas these have been romantic fantasies

1950

01:27:04,550 --> 01:27:00,239

for thousands of years this isn't

1951
01:27:06,410 --> 01:27:04,560
anything new and if I'm Elon Musk you

1952
01:27:09,410 --> 01:27:06,420
know if I'm Bill Gates if I'm somebody

1953
01:27:12,229 --> 01:27:09,420
that's running a you know a billion

1954
01:27:14,689 --> 01:27:12,239
dollar Silicon Valley Corporation with

1955
01:27:16,070 --> 01:27:14,699
code writers and Geniuses and all that

1956
01:27:20,470 --> 01:27:16,080
you know what I'm thinking about

1957
01:27:23,930 --> 01:27:20,480
spending my money on that

1958
01:27:25,430 --> 01:27:23,940
well but it's also a world view so if

1959
01:27:27,050 --> 01:27:25,440
you if you flip it around so just like

1960
01:27:29,149 --> 01:27:27,060
you just flip it around with the future

1961
01:27:31,010 --> 01:27:29,159
and like getting there what if we

1962
01:27:33,470 --> 01:27:31,020
flipped around that that what we're

1963
01:27:37,129 --> 01:27:33,480

experiencing right now is actually base

1964

01:27:39,169 --> 01:27:37,139

reality like base reality is the

1965

01:27:41,890 --> 01:27:39,179

statistics for us you know simulations

1966

01:27:45,350 --> 01:27:41,900

that are risen his work uh talks about

1967

01:27:47,629 --> 01:27:45,360

how uh it's more likely that what we're

1968

01:27:49,430 --> 01:27:47,639

experiencing here is not base reality

1969

01:27:52,550 --> 01:27:49,440

this is the simulation this is the dream

1970

01:27:55,970 --> 01:27:52,560

this is uh this is

1971

01:27:58,610 --> 01:27:55,980

um not infinite uh infinite in its

1972

01:28:01,370 --> 01:27:58,620

potentials but perhaps finite in the

1973

01:28:04,010 --> 01:28:01,380

experience and the real infinite

1974

01:28:07,070 --> 01:28:04,020

versions of us is this light coming from

1975

01:28:09,709 --> 01:28:07,080

uh behind the veil and that and that can

1976

01:28:12,110 --> 01:28:09,719

access any part of the universe not

1977

01:28:15,050 --> 01:28:12,120

bound by space time and physical meat

1978

01:28:17,689 --> 01:28:15,060

bodies and we manifest ourselves into

1979

01:28:19,250 --> 01:28:17,699

this experience to have this Limited

1980

01:28:21,890 --> 01:28:19,260

experience so then we can take it back

1981

01:28:24,470 --> 01:28:21,900

to you know our light bodies so that's

1982

01:28:25,910 --> 01:28:24,480

kind of and and if that's the case you

1983

01:28:27,169 --> 01:28:25,920

wouldn't want to be here forever you

1984

01:28:29,629 --> 01:28:27,179

would want to come here do your mission

1985

01:28:35,209 --> 01:28:29,639

and get the hell out and get the hell

1986

01:28:38,330 --> 01:28:35,219

out and and if um if when you when you

1987

01:28:40,729 --> 01:28:38,340

look at really good science fiction you

1988

01:28:44,930 --> 01:28:40,739

know and and some of the brilliant

1989

01:28:46,870 --> 01:28:44,940

writers out there the way that they

1990

01:28:49,850 --> 01:28:46,880

overcome

1991

01:28:52,910 --> 01:28:49,860

traveling for 10 000 years or a hundred

1992

01:28:56,990 --> 01:28:52,920

thousand years on the ship is to have a

1993

01:28:59,870 --> 01:28:57,000

colonial uh a colony Starship that has

1994

01:29:01,910 --> 01:28:59,880

got a city on it you know you've got

1995

01:29:04,790 --> 01:29:01,920

trees and forests and you're producing

1996

01:29:06,350 --> 01:29:04,800

your own food and a hundred thousand

1997

01:29:07,510 --> 01:29:06,360

years from now it's your great great

1998

01:29:09,530 --> 01:29:07,520

great great great great

1999

01:29:12,649 --> 01:29:09,540

grandkids that are going to arrive on

2000

01:29:16,330 --> 01:29:12,659

that planet you're not right and so

2001
01:29:18,890 --> 01:29:16,340
that's how they overcome that well

2002
01:29:21,110 --> 01:29:18,900
that's because we're dealing with what

2003
01:29:23,629 --> 01:29:21,120
we understand and know right now with

2004
01:29:25,610 --> 01:29:23,639
our own current technology the way to

2005
01:29:28,490 --> 01:29:25,620
truly overcome that

2006
01:29:30,290 --> 01:29:28,500
put your mind into something that

2007
01:29:33,590 --> 01:29:30,300
doesn't age

2008
01:29:35,870 --> 01:29:33,600
right and no matter what that form may

2009
01:29:38,990 --> 01:29:35,880
be but that's what you would want to

2010
01:29:42,050 --> 01:29:39,000
overcome and again if I'm that Tech

2011
01:29:44,209 --> 01:29:42,060
billionaire dude that's what I'm trying

2012
01:29:46,970 --> 01:29:44,219
to figure out it's it's not the

2013
01:29:50,629 --> 01:29:46,980

Philosopher's Stone right not an Alchemy

2014

01:29:55,850 --> 01:29:50,639

it's not some Elixir you're gonna drink

2015

01:29:57,050 --> 01:29:55,860

now it's it's uh that's why I think a

2016

01:30:06,110 --> 01:29:57,060

lot of those

2017

01:30:07,910 --> 01:30:06,120

just my world view is I I see this

2018

01:30:11,209 --> 01:30:07,920

um just just based on my experiences and

2019

01:30:14,270 --> 01:30:11,219

my worldview but so this meat body Ruben

2020

01:30:17,810 --> 01:30:14,280

is that's that's where the funnel it

2021

01:30:20,750 --> 01:30:17,820

funnels down in and Beyond this is this

2022

01:30:23,030 --> 01:30:20,760

expansive universe that's so great that

2023

01:30:26,390 --> 01:30:23,040

that little Reuben just can't it's just

2024

01:30:27,950 --> 01:30:26,400

too big so I know it exists because I've

2025

01:30:29,629 --> 01:30:27,960

peed my head through the veil a few

2026

01:30:32,870 --> 01:30:29,639

times onto my Alaska Journeys and

2027

01:30:34,189 --> 01:30:32,880

whatnot and uh and I've seen things

2028

01:30:37,189 --> 01:30:34,199

right

2029

01:30:40,550 --> 01:30:37,199

um so I know it exists but I can't

2030

01:30:42,350 --> 01:30:40,560

um and I trust that you know I'm here

2031

01:30:44,390 --> 01:30:42,360

doing my thing my mission following my

2032

01:30:45,950 --> 01:30:44,400

passion doing all that stuff and I trust

2033

01:30:48,229 --> 01:30:45,960

that you know when the when when the

2034

01:30:51,070 --> 01:30:48,239

time's right I'll I will have access to

2035

01:30:54,110 --> 01:30:51,080

that information and that all of my

2036

01:30:56,629 --> 01:30:54,120

knowledge and Essence and experiences

2037

01:30:59,990 --> 01:30:56,639

and stuff that made me Reuben will be

2038

01:31:01,370 --> 01:31:00,000

preserved in that bigger hard drive the

2039

01:31:03,110 --> 01:31:01,380

collective Cloud Collective

2040

01:31:04,970 --> 01:31:03,120

Consciousness Cloud so I'm not so

2041

01:31:08,209 --> 01:31:04,980

worried about building something to

2042

01:31:11,209 --> 01:31:08,219

contain it or move my my my uh

2043

01:31:13,790 --> 01:31:11,219

Consciousness into a machine or an AI or

2044

01:31:15,709 --> 01:31:13,800

have it continue because I trust that

2045

01:31:18,830 --> 01:31:15,719

the universe is

2046

01:31:21,709 --> 01:31:18,840

eternal and infinite and I've I've seen

2047

01:31:23,750 --> 01:31:21,719

an experienced the akashic records I've

2048

01:31:25,910 --> 01:31:23,760

experienced

2049

01:31:29,149 --> 01:31:25,920

um grandmother

2050

01:31:34,790 --> 01:31:29,159

Aya uh you know pachamama through those

2051

01:31:37,910 --> 01:31:34,800

experiences and uh to me the search for

2052

01:31:40,070 --> 01:31:37,920

um containing the this meat body or

2053

01:31:41,750 --> 01:31:40,080

making it last longer it's a noble

2054

01:31:43,850 --> 01:31:41,760

search it's a noble cause and I wouldn't

2055

01:31:45,649 --> 01:31:43,860

want anybody to not follow their passion

2056

01:31:47,810 --> 01:31:45,659

to do it but

2057

01:31:50,330 --> 01:31:47,820

it's sort of like it's kind of futile

2058

01:31:53,510 --> 01:31:50,340

it's like okay you're you're going there

2059

01:31:56,689 --> 01:31:53,520

you really want to put your brain in a

2060

01:31:58,669 --> 01:31:56,699

box and think it's gonna like survive or

2061

01:32:00,830 --> 01:31:58,679

you'll have the same experience or I I

2062

01:32:04,669 --> 01:32:00,840

just to me that feels a little backwards

2063

01:32:09,470 --> 01:32:04,679

well we stepping in and out of another

2064

01:32:12,709 --> 01:32:09,480

dimension and and folding space and and

2065

01:32:14,810 --> 01:32:12,719

doing those things uh where you go from

2066

01:32:17,330 --> 01:32:14,820

here I always say Zeta reticuli because

2067

01:32:20,149 --> 01:32:17,340

it rolls off the tongue so easily but

2068

01:32:23,030 --> 01:32:20,159

going to Zeta reticuli is just as simple

2069

01:32:25,370 --> 01:32:23,040

as taking a step right do you you take

2070

01:32:27,649 --> 01:32:25,380

one step forward and you're there you're

2071

01:32:29,270 --> 01:32:27,659

not trying to travel faster than the

2072

01:32:32,149 --> 01:32:29,280

speed of light you know you're you're

2073

01:32:34,430 --> 01:32:32,159

bringing Zeta reticuli here somehow

2074

01:32:39,290 --> 01:32:34,440

right well E.T would understand that

2075

01:32:41,350 --> 01:32:39,300

sure fully understand and and so

2076

01:32:44,510 --> 01:32:41,360

um when I had

2077

01:32:47,209 --> 01:32:44,520

uh uh somebody call me mutual friend of

2078

01:32:49,370 --> 01:32:47,219

ours by the way somebody that is very

2079

01:32:52,550 --> 01:32:49,380

black and white somebody that is very

2080

01:32:55,370 --> 01:32:52,560

pragmatic man okay it's a major cool

2081

01:32:57,830 --> 01:32:55,380

friend of ours but doesn't do drugs

2082

01:33:00,229 --> 01:32:57,840

right okay doesn't drink

2083

01:33:02,390 --> 01:33:00,239

calls me up and says you're gonna love

2084

01:33:05,510 --> 01:33:02,400

this Jimmy

2085

01:33:11,350 --> 01:33:05,520

I smoke DMT last night and I talked to

2086

01:33:16,750 --> 01:33:14,570

and he said I said how long he goes 15

2087

01:33:20,810 --> 01:33:16,760

minutes I sat with the two of them

2088

01:33:23,510 --> 01:33:20,820

talking about all kinds of things I said

2089

01:33:28,990 --> 01:33:23,520

so it was your imagination though right

2090

01:33:32,510 --> 01:33:29,000

you were just no no no no no it was real

2091

01:33:34,790 --> 01:33:32,520

and so we talked about it and I said

2092

01:33:38,689 --> 01:33:34,800

would you do it again no

2093

01:33:41,510 --> 01:33:38,699

no it was it was real we don't

2094

01:33:45,050 --> 01:33:41,520

understand this this the this this

2095

01:33:50,870 --> 01:33:45,060

mechanism of being able to go to another

2096

01:33:54,290 --> 01:33:50,880

world another dimension is real we can

2097

01:33:56,689 --> 01:33:54,300

do it and I was like and so I said how

2098

01:33:59,689 --> 01:33:56,699

real he's no you're not understanding

2099

01:34:02,990 --> 01:33:59,699

what I'm saying it was real

2100

01:34:07,850 --> 01:34:03,000

it wasn't like almost like really cool

2101
01:34:10,870 --> 01:34:07,860
looking right and and and and this is

2102
01:34:14,570 --> 01:34:10,880
something that needs to be studied E.T

2103
01:34:16,610 --> 01:34:14,580
fully gets this yeah right they would

2104
01:34:19,250 --> 01:34:16,620
have to they're more advanced than we

2105
01:34:21,470 --> 01:34:19,260
are they totally understand it we're

2106
01:34:24,530 --> 01:34:21,480
getting there but this is something that

2107
01:34:28,070 --> 01:34:24,540
needs to be studied absolutely and it is

2108
01:34:31,129 --> 01:34:28,080
you know the the research into

2109
01:34:34,250 --> 01:34:31,139
um uh psychedelics and and

2110
01:34:36,649 --> 01:34:34,260
um in theogens over the past decade

2111
01:34:38,770 --> 01:34:36,659
really you know five years especially

2112
01:34:41,870 --> 01:34:38,780
with psilocybin it's been tremendous so

2113
01:34:43,610 --> 01:34:41,880

uh we are making finally now that

2114

01:34:46,490 --> 01:34:43,620

they're uh you know

2115

01:34:47,629 --> 01:34:46,500

getting special uh universities and and

2116

01:34:50,810 --> 01:34:47,639

different research groups are getting

2117

01:34:52,970 --> 01:34:50,820

special permissions to uh obtain legally

2118

01:34:55,490 --> 01:34:52,980

and do the research on schedule and

2119

01:34:57,229 --> 01:34:55,500

drugs it's amazing we've definitely

2120

01:34:58,669 --> 01:34:57,239

entered a new paradigm in in that

2121

01:35:00,470 --> 01:34:58,679

research

2122

01:35:03,169 --> 01:35:00,480

um how it all connects I think we still

2123

01:35:05,390 --> 01:35:03,179

have a lot to discover but I'm just so

2124

01:35:07,910 --> 01:35:05,400

happy that the uh the research into

2125

01:35:09,950 --> 01:35:07,920

those paths is it's going you know the

2126
01:35:11,629 --> 01:35:09,960
ancient shamans these medicines have

2127
01:35:13,370 --> 01:35:11,639
been used you know in different cultures

2128
01:35:16,550 --> 01:35:13,380
across the world for

2129
01:35:17,930 --> 01:35:16,560
for centuries so uh there is a conscious

2130
01:35:20,090 --> 01:35:17,940
again going back to that Consciousness

2131
01:35:22,790 --> 01:35:20,100
Connection uh whether it's through plant

2132
01:35:25,490 --> 01:35:22,800
medicines or ET contact experiences or

2133
01:35:27,050 --> 01:35:25,500
just meditation or breath work or you

2134
01:35:28,550 --> 01:35:27,060
know ice baths or however you want to

2135
01:35:32,149 --> 01:35:28,560
get there

2136
01:35:33,169 --> 01:35:32,159
um there's a lot of modalities to reach

2137
01:35:35,930 --> 01:35:33,179
this

2138
01:35:38,810 --> 01:35:35,940

state of mind that allows these

2139

01:35:42,229 --> 01:35:38,820

experiences to happen but

2140

01:35:44,330 --> 01:35:42,239

um psilocybin hallucinogenics I've done

2141

01:35:47,390 --> 01:35:44,340

all that that's not what I'm talking

2142

01:35:49,610 --> 01:35:47,400

about and I've done I've done enough

2143

01:35:51,770 --> 01:35:49,620

to know I I never went to another

2144

01:35:53,810 --> 01:35:51,780

dimension and sat down with E.T and had

2145

01:35:55,610 --> 01:35:53,820

a conversation about the universe I've

2146

01:36:01,070 --> 01:35:55,620

never done that but

2147

01:36:04,430 --> 01:36:01,080

[Laughter]

2148

01:36:07,310 --> 01:36:04,440

with DMT and Ayahuasca that's a that's

2149

01:36:09,890 --> 01:36:07,320

another situation altogether those are

2150

01:36:12,050 --> 01:36:09,900

the big the big uh the big boys yeah

2151

01:36:14,629 --> 01:36:12,060

yeah I don't think they're going to be

2152

01:36:16,189 --> 01:36:14,639

legalizing DMT anytime soon in Boulder

2153

01:36:19,729 --> 01:36:16,199

Colorado

2154

01:36:21,590 --> 01:36:19,739

um yeah well it depends I mean we I mean

2155

01:36:23,450 --> 01:36:21,600

we're all carrying DMT in our pineal

2156

01:36:27,410 --> 01:36:23,460

glands so we're all carrying this stuff

2157

01:36:32,030 --> 01:36:27,420

isn't that the strange thing right

2158

01:36:34,189 --> 01:36:32,040

um and uh in our community

2159

01:36:37,790 --> 01:36:34,199

it's been talking about the pineal gland

2160

01:36:40,850 --> 01:36:37,800

third eye right and and the akashic

2161

01:36:44,689 --> 01:36:40,860

records and and you know and the talking

2162

01:36:49,330 --> 01:36:44,699

about this for a very long time and and

2163

01:36:52,790 --> 01:36:49,340

here we are where I can only imagine

2164

01:36:55,850 --> 01:36:52,800

what somebody like you know Brian Greene

2165

01:36:59,149 --> 01:36:55,860

or Michio Kaku or Sean Carroll you know

2166

01:37:01,370 --> 01:36:59,159

any of these Brainiac physicists guys

2167

01:37:04,790 --> 01:37:01,380

out there that know how to think and and

2168

01:37:08,330 --> 01:37:04,800

know how to uh you know use algorithms

2169

01:37:12,950 --> 01:37:08,340

uh pretty effectively what what they

2170

01:37:16,430 --> 01:37:12,960

would come out of the experience with

2171

01:37:18,770 --> 01:37:16,440

right I think it would really not so

2172

01:37:22,250 --> 01:37:18,780

much hey man this is great yeah you know

2173

01:37:25,010 --> 01:37:22,260

I sat and talked to E.T I I what we need

2174

01:37:27,530 --> 01:37:25,020

is a better understanding of what the

2175

01:37:29,689 --> 01:37:27,540

Multiverse is about what 11 dimensions

2176

01:37:32,629 --> 01:37:29,699

are uh you know what String Theory

2177

01:37:35,090 --> 01:37:32,639

really represents how small do particles

2178

01:37:37,729 --> 01:37:35,100

really get how you know when we talk

2179

01:37:42,410 --> 01:37:37,739

about the quantum world how how

2180

01:37:45,229 --> 01:37:42,420

infinitely small does it really go and

2181

01:37:46,910 --> 01:37:45,239

um or how far into the infinite does it

2182

01:37:48,129 --> 01:37:46,920

go I should say because you know

2183

01:37:52,070 --> 01:37:48,139

Infinity

2184

01:37:56,990 --> 01:37:52,080

is a big number in either direction but

2185

01:38:00,169 --> 01:37:57,000

you know but to have uh uh uh a

2186

01:38:02,629 --> 01:38:00,179

physicist that has a mind that goes in

2187

01:38:06,050 --> 01:38:02,639

One Direction and then you expose them

2188

01:38:07,430 --> 01:38:06,060

to this how they would apply the math to

2189

01:38:08,570 --> 01:38:07,440

that and try to figure out what's going

2190

01:38:10,129 --> 01:38:08,580

on

2191

01:38:11,870 --> 01:38:10,139

well I think that's where we're going to

2192

01:38:12,709 --> 01:38:11,880

make the biggest breakthroughs is when

2193

01:38:14,450 --> 01:38:12,719

our

2194

01:38:16,310 --> 01:38:14,460

um sort of classically educated

2195

01:38:22,790 --> 01:38:16,320

scientists start sitting down with the

2196

01:38:25,610 --> 01:38:22,800

shamans and the uh Sears and the um uh

2197

01:38:27,229 --> 01:38:25,620

you know special gifted people that we

2198

01:38:29,689 --> 01:38:27,239

you know we have all kinds of labels for

2199

01:38:31,430 --> 01:38:29,699

them and they start taking them

2200

01:38:33,770 --> 01:38:31,440

seriously

2201

01:38:37,970 --> 01:38:33,780

um of course A lot of it you know they

2202

01:38:40,970 --> 01:38:37,980

can't because of of you know what for

2203

01:38:43,669 --> 01:38:40,980

different not everybody is on a spectrum

2204

01:38:48,830 --> 01:38:43,679

is means they have the the special Mojo

2205

01:38:54,110 --> 01:38:48,840

but many do and I I talked to

2206

01:38:56,030 --> 01:38:54,120

uh many inventors uh and scientists and

2207

01:38:58,189 --> 01:38:56,040

spiritual people and I try to bridge

2208

01:39:01,310 --> 01:38:58,199

those worlds and when I see them get

2209

01:39:03,169 --> 01:39:01,320

together it's amazing uh because there

2210

01:39:03,850 --> 01:39:03,179

is a lot of

2211

01:39:06,050 --> 01:39:03,860

um

2212

01:39:08,510 --> 01:39:06,060

overlaying in the in the language right

2213

01:39:11,270 --> 01:39:08,520

it's a different language but when you

2214

01:39:14,689 --> 01:39:11,280

break it down to the rawness it it you

2215

01:39:17,629 --> 01:39:14,699

know the ver these experiences and and

2216

01:39:20,689 --> 01:39:17,639

um the sages of the world do have

2217

01:39:23,570 --> 01:39:20,699

uh their own language that overlaps with

2218

01:39:25,970 --> 01:39:23,580

with scientific language like it's 100

2219

01:39:28,189 --> 01:39:25,980

it's the same conversation same

2220

01:39:30,110 --> 01:39:28,199

conversation it's the same conversation

2221

01:39:33,470 --> 01:39:30,120

when I

2222

01:39:36,050 --> 01:39:33,480

um uh uh last week

2223

01:39:38,149 --> 01:39:36,060

all right I'll just I'll just say this

2224

01:39:42,010 --> 01:39:38,159

um I've got a stack of books on physics

2225

01:39:45,530 --> 01:39:42,020

right a stack and I am constantly

2226

01:39:47,330 --> 01:39:45,540

randomly pulling one out and opening it

2227

01:39:49,729 --> 01:39:47,340

up and reading a chapter right I do it

2228

01:39:52,870 --> 01:39:49,739

all the time it's it's fascinating and

2229

01:39:56,930 --> 01:39:52,880

so I did that with Michio Kaku last week

2230

01:39:59,270 --> 01:39:56,940

and uh I forget uh which which book and

2231

01:40:01,850 --> 01:39:59,280

when it was released I've got like five

2232

01:40:04,129 --> 01:40:01,860

or six of his books Paula I'll open it

2233

01:40:07,250 --> 01:40:04,139

up ah here and say okay let's go right

2234

01:40:10,490 --> 01:40:07,260

and and I'm reading it and I'm thinking

2235

01:40:11,649 --> 01:40:10,500

to myself I am reading an ayahuasca

2236

01:40:15,590 --> 01:40:11,659

ceremony

2237

01:40:19,910 --> 01:40:15,600

this guy and he doesn't even realize it

2238

01:40:22,189 --> 01:40:19,920

right where he is literally he's not the

2239

01:40:24,669 --> 01:40:22,199

only one

2240

01:40:29,570 --> 01:40:24,679

telling the world

2241

01:40:32,930 --> 01:40:29,580

of uh multiverses and and and and and

2242

01:40:36,890 --> 01:40:32,940

different realities and and parallel

2243

01:40:38,750 --> 01:40:36,900

worlds and the idea of dimensions and

2244

01:40:41,149 --> 01:40:38,760

how thick those dimensions are that

2245

01:40:43,729 --> 01:40:41,159

you're going to step through and if

2246

01:40:45,649 --> 01:40:43,739

weird you know not everything is you

2247

01:40:48,010 --> 01:40:45,659

know some dimensions are very narrow

2248

01:40:51,950 --> 01:40:48,020

right some are

2249

01:40:55,790 --> 01:40:51,960

microscopically narrow but things live

2250

01:40:58,729 --> 01:40:55,800

there right things exist and I'm reading

2251

01:41:01,149 --> 01:40:58,739

I'm just like this is this is this is a

2252

01:41:03,530 --> 01:41:01,159

Joe Rogan DMT trip

2253

01:41:06,830 --> 01:41:03,540

that he's talking about right here yeah

2254

01:41:09,649 --> 01:41:06,840

exactly so it is Reuben it's the same

2255

01:41:12,229 --> 01:41:09,659

language yeah

2256

01:41:15,050 --> 01:41:12,239

and and that's why I'm excited now that

2257

01:41:17,330 --> 01:41:15,060

we are entering this conversation you

2258

01:41:19,010 --> 01:41:17,340

know in in bridging these worlds because

2259

01:41:21,410 --> 01:41:19,020

now we can

2260

01:41:24,169 --> 01:41:21,420

you know all the so-called Superstition

2261

01:41:25,850 --> 01:41:24,179

that was that was always everything was

2262

01:41:27,649 --> 01:41:25,860

labeled that and put into the box the

2263

01:41:29,390 --> 01:41:27,659

crazy box and let's not look at it well

2264

01:41:31,010 --> 01:41:29,400

those are where all the greatest

2265

01:41:33,709 --> 01:41:31,020

breakthroughs are gonna happen in the

2266

01:41:36,470 --> 01:41:33,719

next uh you know Century uh as Nikola

2267

01:41:38,050 --> 01:41:36,480

Tesla said right uh if you

2268

01:41:43,250 --> 01:41:38,060

um

2269

01:41:44,990 --> 01:41:43,260

it's something to the fact of when when

2270

01:41:46,609 --> 01:41:45,000

scientists start looking at the

2271

01:41:48,649 --> 01:41:46,619

supernatural we'll have more

2272

01:41:49,370 --> 01:41:48,659

advancements

2273

01:41:54,550 --> 01:41:49,380

um

2274

01:41:57,950 --> 01:41:54,560

than uh ever you know uh Reuben

2275

01:41:58,910 --> 01:41:57,960

uh 10 years ago he comes over to my

2276

01:42:01,810 --> 01:41:58,920

house

2277

01:42:03,890 --> 01:42:01,820

and uh

2278

01:42:05,930 --> 01:42:03,900

it's my first time on your show that's

2279

01:42:08,450 --> 01:42:05,940

right yeah yeah so he's coming over to

2280

01:42:12,050 --> 01:42:08,460

be on Fade to Black and he gets dropped

2281

01:42:15,189 --> 01:42:12,060

off at my house and and he's got a

2282

01:42:19,010 --> 01:42:15,199

backpack and some luggage yeah

2283

01:42:20,810 --> 01:42:19,020

you know any any I said man what's going

2284

01:42:23,270 --> 01:42:20,820

on nothing nothing just got back from

2285

01:42:24,770 --> 01:42:23,280

the desert and I said okay all right you

2286

01:42:26,810 --> 01:42:24,780

could spend the night no I'm going home

2287

01:42:28,729 --> 01:42:26,820

I thought he was he was gonna crash at

2288

01:42:31,370 --> 01:42:28,739

my place for a couple of weeks that's

2289

01:42:33,770 --> 01:42:31,380

right uh and I go what were you doing

2290

01:42:38,030 --> 01:42:33,780

out there any good dude

2291

01:42:42,290 --> 01:42:38,040

ayahuasca ceremony I said what when it

2292

01:42:47,030 --> 01:42:45,169

and I said tell me about it and so what

2293

01:42:48,709 --> 01:42:47,040

do you what do you mean yeah man I was I

2294

01:42:52,970 --> 01:42:48,719

was out in the desert for five days with

2295

01:42:55,669 --> 01:42:52,980

the shaman and uh wow I mean yeah so so

2296

01:42:57,530 --> 01:42:55,679

Reuben walks the walk man

2297

01:42:59,570 --> 01:42:57,540

yeah I mean I have it it's been a minute

2298

01:43:01,550 --> 01:42:59,580

since I've been back in in the in the

2299

01:43:04,129 --> 01:43:01,560

field but yes for sure

2300

01:43:06,169 --> 01:43:04,139

um yeah Nikola Tesla he's famously said

2301

01:43:08,149 --> 01:43:06,179

the the day science begins to study

2302

01:43:10,790 --> 01:43:08,159

non-physical phenomena it will make more

2303

01:43:13,250 --> 01:43:10,800

progress in one decade

2304

01:43:16,010 --> 01:43:13,260

um so we're already doing it now we're

2305

01:43:18,830 --> 01:43:16,020

finally doing it but uh yeah I think

2306

01:43:21,109 --> 01:43:18,840

once we get once we get our Michio Kaku

2307

01:43:25,189 --> 01:43:21,119

to drink some Ayahuasca and then we'll

2308

01:43:27,850 --> 01:43:25,199

be on his face should I be I I want to

2309

01:43:31,550 --> 01:43:27,860

there's something inside of me that says

2310

01:43:34,250 --> 01:43:31,560

uh DMT is okay right

2311

01:43:37,910 --> 01:43:34,260

um uh Ayahuasca and the commitment to

2312

01:43:39,830 --> 01:43:37,920

that that I don't have I I don't I don't

2313

01:43:41,510 --> 01:43:39,840

have the time or the thing of the right

2314

01:43:45,950 --> 01:43:41,520

place the right things and I'm not going

2315

01:43:48,370 --> 01:43:45,960

to Ecuador and and right whatever but

2316

01:43:52,310 --> 01:43:48,380

um DMT

2317

01:43:54,950 --> 01:43:52,320

it sounds like the right thing for me

2318

01:43:57,050 --> 01:43:54,960

right 10 minutes in and out right or

2319

01:44:01,129 --> 01:43:57,060

whatever it is right 20 minutes and and

2320

01:44:03,590 --> 01:44:01,139

that that and and I I I I will get to

2321

01:44:06,169 --> 01:44:03,600

have the experience

2322

01:44:07,250 --> 01:44:06,179

what I'm what I'm worried about is my

2323

01:44:09,709 --> 01:44:07,260

age

2324

01:44:12,189 --> 01:44:09,719

is is is it something that that I should

2325

01:44:14,629 --> 01:44:12,199

be afraid of your age

2326

01:44:17,030 --> 01:44:14,639

DMT at my age

2327

01:44:19,850 --> 01:44:17,040

what if I come back from that parallel

2328

01:44:21,709 --> 01:44:19,860

world what if I get what if I get stuck

2329

01:44:25,370 --> 01:44:21,719

with those two aliens sitting on a rock

2330

01:44:28,430 --> 01:44:25,380

you know I anything's possible but again

2331

01:44:30,290 --> 01:44:28,440

you know in any any type of uh scenario

2332

01:44:32,270 --> 01:44:30,300

like that whether it's Ayahuasca or DMT

2333

01:44:35,030 --> 01:44:32,280

or or any any

2334

01:44:37,729 --> 01:44:35,040

um uh mind altering substance right I

2335

01:44:39,590 --> 01:44:37,739

think um even in a meditation you know

2336

01:44:41,270 --> 01:44:39,600

what we're doing just talking about c5s

2337

01:44:44,990 --> 01:44:41,280

and breath work it all comes down to

2338

01:44:47,629 --> 01:44:45,000

intention and so as I think if you go in

2339

01:44:51,350 --> 01:44:47,639

with the right intention uh supervision

2340

01:44:53,149 --> 01:44:51,360

obviously uh always make sure uh set and

2341

01:44:56,090 --> 01:44:53,159

setting you know Terence McKenna that's

2342

01:44:58,070 --> 01:44:56,100

his favorite uh his his best advice is

2343

01:45:00,290 --> 01:44:58,080

set in setting

2344

01:45:02,810 --> 01:45:00,300

um and I I think you'll be fine I think

2345

01:45:07,430 --> 01:45:02,820

it's just uh it's just about ultimately

2346

01:45:10,430 --> 01:45:07,440

intention set and setting and and um

2347

01:45:13,609 --> 01:45:10,440

and discernment and due diligence

2348

01:45:15,830 --> 01:45:13,619

especially in this day and age of

2349

01:45:17,390 --> 01:45:15,840

um you know many in many of our

2350

01:45:19,550 --> 01:45:17,400

spiritual circles

2351

01:45:21,890 --> 01:45:19,560

Ayahuasca or DMT or any of this stuff

2352

01:45:25,250 --> 01:45:21,900

it's it's sort of dubbed uh the miracle

2353

01:45:28,430 --> 01:45:25,260

cure and in many ways it it can be but

2354

01:45:31,010 --> 01:45:28,440

there's so much misuse uh these days of

2355

01:45:32,810 --> 01:45:31,020

of these entheogens and and so it's not

2356

01:45:35,149 --> 01:45:32,820

a party drugs see that's the thing

2357

01:45:38,209 --> 01:45:35,159

definitely not a part of drug and and

2358

01:45:41,390 --> 01:45:38,219

it's definitely not a um something that

2359

01:45:44,330 --> 01:45:41,400

you can just you know there's a lot of

2360

01:45:46,790 --> 01:45:44,340

fly-by-night shamans that have been down

2361

01:45:48,709 --> 01:45:46,800

to Peru and hung out with the shamans

2362

01:45:50,870 --> 01:45:48,719

for a month or whatever and then they

2363

01:45:55,609 --> 01:45:50,880

think they're shamans and some of them

2364

01:45:58,870 --> 01:45:55,619

very May well be right again there's a

2365

01:46:02,030 --> 01:45:58,880

um there's a uh

2366

01:46:05,629 --> 01:46:02,040

responsibility uh that comes with that

2367

01:46:08,330 --> 01:46:05,639

work I mean and um and I've heard horror

2368

01:46:10,790 --> 01:46:08,340

stories especially in California

2369

01:46:12,770 --> 01:46:10,800

um where people have gone into

2370

01:46:14,689 --> 01:46:12,780

ceremonies thinking they were getting

2371

01:46:16,729 --> 01:46:14,699

this this supervision and healing and

2372

01:46:19,310 --> 01:46:16,739

then the so-called Shaman just leaves

2373

01:46:21,530 --> 01:46:19,320

them and just doesn't uh doesn't know

2374

01:46:24,649 --> 01:46:21,540

what to do that scares the crap out of

2375

01:46:26,530 --> 01:46:24,659

me yeah yeah yeah you know I you know

2376

01:46:29,870 --> 01:46:26,540

I've read the stories you know the the

2377

01:46:32,629 --> 01:46:29,880

six or eight fraternity Brothers you

2378

01:46:39,470 --> 01:46:32,639

know on a plane flying down to Peru

2379

01:46:44,770 --> 01:46:42,229

she will make sure

2380

01:46:49,570 --> 01:46:44,780

you have a bad experience

2381

01:46:56,450 --> 01:46:52,850

why are you here I'm here to party uh

2382

01:46:59,510 --> 01:46:56,460

yeah okay I'm gonna show you then yes

2383

01:47:03,649 --> 01:46:59,520

you're about to get slapped

2384

01:47:10,250 --> 01:47:03,659

um but uh but the the the point to all

2385

01:47:14,209 --> 01:47:10,260

of this is that to there is

2386

01:47:16,550 --> 01:47:14,219

um an infinite amount of stuff

2387

01:47:18,890 --> 01:47:16,560

to the left and to our right

2388

01:47:20,629 --> 01:47:18,900

it's to the infinite it's to the

2389

01:47:22,790 --> 01:47:20,639

infinite so

2390

01:47:25,609 --> 01:47:22,800

um when we talk about quantum computers

2391

01:47:28,250 --> 01:47:25,619

and qubits or

2392

01:47:31,609 --> 01:47:28,260

um uh other dimensions or the Multiverse

2393

01:47:35,410 --> 01:47:31,619

and you know that that the probability

2394

01:47:38,810 --> 01:47:35,420

of you doing something different exist

2395

01:47:43,010 --> 01:47:38,820

there are an infinite amount of Reuben

2396

01:47:46,689 --> 01:47:43,020

langdons to my right right every permit

2397

01:47:52,010 --> 01:47:46,699

to every version of you that could be

2398

01:47:55,790 --> 01:47:52,020

does exist right and and so to access

2399

01:47:58,010 --> 01:47:55,800

that I'm certainly ET understands that

2400

01:48:02,510 --> 01:47:58,020

um but we don't

2401
01:48:05,270 --> 01:48:02,520
we are just now I I am so impressed with

2402
01:48:08,030 --> 01:48:05,280
the human brain that we can take things

2403
01:48:10,609 --> 01:48:08,040
to ten digits and and figure it out

2404
01:48:13,129 --> 01:48:10,619
right that's that's you know 20 digits

2405
01:48:15,890 --> 01:48:13,139
and figured out that serious math and

2406
01:48:18,229 --> 01:48:15,900
that's what our brain can do and we

2407
01:48:21,770 --> 01:48:18,239
think about things at that level today

2408
01:48:24,229 --> 01:48:21,780
right it's it's it's it's insane that we

2409
01:48:27,590 --> 01:48:24,239
can do that but if we are going to jump

2410
01:48:30,590 --> 01:48:27,600
into this other side and grasp uh what

2411
01:48:32,169 --> 01:48:30,600
quantum physics is teaching us today I

2412
01:48:36,490 --> 01:48:32,179
think the Ancients were already there

2413
01:48:39,649 --> 01:48:36,500

and and let me ask you this

2414

01:48:42,229 --> 01:48:39,659

I think it's very important

2415

01:48:45,050 --> 01:48:42,239

the recipe I don't want to know the

2416

01:48:47,930 --> 01:48:45,060

recipe but the the recipe and the

2417

01:48:51,669 --> 01:48:47,940

components of

2418

01:48:55,090 --> 01:48:51,679

Ayahuasca and and how that is activated

2419

01:48:57,609 --> 01:48:55,100

is complex that is like real chemistry

2420

01:49:02,590 --> 01:48:57,619

real

2421

01:49:06,590 --> 01:49:02,600

it's just rare it's rare but my point is

2422

01:49:08,810 --> 01:49:06,600

a thousand years ago to come up with

2423

01:49:11,030 --> 01:49:08,820

well you know the root of this and this

2424

01:49:12,770 --> 01:49:11,040

and then this combines in your stomach

2425

01:49:14,870 --> 01:49:12,780

and then when this happens then this

2426
01:49:18,530 --> 01:49:14,880
will allow the acceptance this and then

2427
01:49:22,070 --> 01:49:18,540
sure sure that's that's insane yeah that

2428
01:49:23,510 --> 01:49:22,080
that does not come from an uneducated

2429
01:49:26,689 --> 01:49:23,520
mindset

2430
01:49:29,090 --> 01:49:26,699
that it's a it's very very very serious

2431
01:49:31,310 --> 01:49:29,100
complex thing and it's not a coincidence

2432
01:49:33,169 --> 01:49:31,320
you're not just mixing tree roots

2433
01:49:35,270 --> 01:49:33,179
together one day and ingesting

2434
01:49:38,330 --> 01:49:35,280
everything to see what you can activate

2435
01:49:41,149 --> 01:49:38,340
would would that is what is already in

2436
01:49:43,609 --> 01:49:41,159
your body that's crazy to me

2437
01:49:46,510 --> 01:49:43,619
well the The Legend is it's it's like

2438
01:49:49,790 --> 01:49:46,520

five thousand years ago was the

2439

01:49:51,350 --> 01:49:49,800

themselves the spirit of the plants uh

2440

01:49:53,510 --> 01:49:51,360

told

2441

01:49:57,169 --> 01:49:53,520

um uh you know the the

2442

01:49:59,330 --> 01:49:57,179

ayoscara the shaman which plants to um

2443

01:50:02,030 --> 01:49:59,340

to take in to do the the mixture and

2444

01:50:05,510 --> 01:50:02,040

cook it uh you know in at such lengths

2445

01:50:07,010 --> 01:50:05,520

so it was almost like the plants knew

2446

01:50:08,629 --> 01:50:07,020

that there was an intelligence in the

2447

01:50:10,970 --> 01:50:08,639

plants and that's what spoke to the

2448

01:50:11,990 --> 01:50:10,980

shaman is the way the shaman describes

2449

01:50:15,470 --> 01:50:12,000

it

2450

01:50:18,890 --> 01:50:15,480

um or the ioscaras uh of the Amazon

2451

01:50:21,350 --> 01:50:18,900

um so again it's kind of like that uh

2452

01:50:25,010 --> 01:50:21,360

the seeing the votes on the horizon kind

2453

01:50:26,510 --> 01:50:25,020

of thing you know it's do you what comes

2454

01:50:28,250 --> 01:50:26,520

first chicken in the egg you know you

2455

01:50:31,450 --> 01:50:28,260

get told by the

2456

01:50:33,950 --> 01:50:31,460

I don't know I don't question that story

2457

01:50:37,609 --> 01:50:33,960

I don't think it's mythology I don't

2458

01:50:41,149 --> 01:50:37,619

think it's folklore I don't know

2459

01:50:45,770 --> 01:50:41,159

all the tribes swear on that story now

2460

01:50:48,530 --> 01:50:45,780

can you describe you said Queen earlier

2461

01:50:51,830 --> 01:50:48,540

um can you describe her to me

2462

01:50:53,750 --> 01:50:51,840

to us Queen you mean grandmother yeah

2463

01:50:57,410 --> 01:50:53,760

grandmother I I said Queen all right

2464

01:51:00,530 --> 01:50:57,420

Mama she could be a queen

2465

01:51:02,629 --> 01:51:00,540

um so my understanding after interacting

2466

01:51:06,649 --> 01:51:02,639

with her several times

2467

01:51:09,590 --> 01:51:06,659

um is uh you know mother guy is her own

2468

01:51:13,669 --> 01:51:09,600

Consciousness she's her own uh as a we

2469

01:51:17,450 --> 01:51:13,679

see her as a planet but imagine

2470

01:51:19,070 --> 01:51:17,460

um all aspects including Humanity uh but

2471

01:51:21,609 --> 01:51:19,080

you know Humanity's not the only thing

2472

01:51:25,970 --> 01:51:21,619

on this planet we have trees we have

2473

01:51:28,310 --> 01:51:25,980

animals insects aliens

2474

01:51:30,350 --> 01:51:28,320

um in Earth beings you know who knows

2475

01:51:33,770 --> 01:51:30,360

what's all out there but the entire

2476
01:51:37,070 --> 01:51:33,780
Collective Consciousness and all of all

2477
01:51:40,450 --> 01:51:37,080
of the individual and Collective species

2478
01:51:43,430 --> 01:51:40,460
and beans plants animals rocks all of it

2479
01:51:46,070 --> 01:51:43,440
has a its own unique intelligence but

2480
01:51:47,229 --> 01:51:46,080
all that combined makes this giant

2481
01:51:49,910 --> 01:51:47,239
Consciousness

2482
01:51:52,310 --> 01:51:49,920
Mother Earth you know we we call her

2483
01:51:54,890 --> 01:51:52,320
mother earth uh it's interesting how in

2484
01:51:57,050 --> 01:51:54,900
our culture we still associate her as a

2485
01:51:59,810 --> 01:51:57,060
mother uh she's giving birth to all of

2486
01:52:02,570 --> 01:51:59,820
her children all of us life and even in

2487
01:52:04,790 --> 01:52:02,580
the indigenous cultures uh in South

2488
01:52:08,570 --> 01:52:04,800

Central and South America they also have

2489

01:52:10,490 --> 01:52:08,580

that Mama they call her Pacha Mama our

2490

01:52:13,729 --> 01:52:10,500

um our great our grand our great

2491

01:52:15,169 --> 01:52:13,739

grandmother because she's wise uh and

2492

01:52:19,370 --> 01:52:15,179

has all of this knowledge and

2493

01:52:20,930 --> 01:52:19,380

information and when we ingest this um

2494

01:52:23,090 --> 01:52:20,940

the medicine

2495

01:52:26,330 --> 01:52:23,100

then we make we make a more direct

2496

01:52:28,070 --> 01:52:26,340

connection to her and she can bring us

2497

01:52:30,770 --> 01:52:28,080

through because she's also a multi

2498

01:52:33,590 --> 01:52:30,780

multi-dimensional being we only see one

2499

01:52:35,990 --> 01:52:33,600

aspect of her this physical you know uh

2500

01:52:39,229 --> 01:52:36,000

aspect but she's uh seventh density

2501
01:52:41,689 --> 01:52:39,239
being uh told to me by artist and Rob

2502
01:52:44,990 --> 01:52:41,699
gothier who you've had on the show

2503
01:52:47,450 --> 01:52:45,000
um she's a seventh density being and um

2504
01:52:49,490 --> 01:52:47,460
and has interactions with other E.T

2505
01:52:51,770 --> 01:52:49,500
civilizations all the time she's part of

2506
01:52:53,870 --> 01:52:51,780
a galactic Council that Consciousness

2507
01:52:56,689 --> 01:52:53,880
you know so

2508
01:52:57,790 --> 01:52:56,699
um we can interact with her through this

2509
01:53:01,490 --> 01:52:57,800
medicine

2510
01:53:03,530 --> 01:53:01,500
and uh and then she gives us

2511
01:53:06,290 --> 01:53:03,540
she shows us at least for me in my

2512
01:53:10,550 --> 01:53:06,300
experience she shows me how

2513
01:53:12,350 --> 01:53:10,560

um certain actions or certain uh paths

2514

01:53:15,530 --> 01:53:12,360

I've taken over my life has led to

2515

01:53:19,310 --> 01:53:15,540

certain circumstances and uh how certain

2516

01:53:20,629 --> 01:53:19,320

traumas that I may be hanging on to what

2517

01:53:22,729 --> 01:53:20,639

sort of

2518

01:53:26,390 --> 01:53:22,739

perspective shifts that I might be able

2519

01:53:28,070 --> 01:53:26,400

to do in my Waking Life can help resolve

2520

01:53:29,510 --> 01:53:28,080

those so I'm no longer hanging on to

2521

01:53:30,770 --> 01:53:29,520

those traumas because typically those

2522

01:53:34,189 --> 01:53:30,780

traumas

2523

01:53:35,930 --> 01:53:34,199

show up as if in the beginning as

2524

01:53:37,850 --> 01:53:35,940

sort of an emotional pain but they do

2525

01:53:42,109 --> 01:53:37,860

manifest themselves as physical pain

2526

01:53:43,430 --> 01:53:42,119

like a torn ACL or you know a bummy or

2527

01:53:45,590 --> 01:53:43,440

you know these are physical injuries

2528

01:53:47,689 --> 01:53:45,600

that I got from stunts but grandmother

2529

01:53:50,090 --> 01:53:47,699

has showed me the reason they actually

2530

01:53:52,310 --> 01:53:50,100

happened uh

2531

01:53:53,810 --> 01:53:52,320

there is that physical accident thing

2532

01:53:55,370 --> 01:53:53,820

that happened but the whole reason the

2533

01:53:58,310 --> 01:53:55,380

physical accident thing happened was

2534

01:54:00,830 --> 01:53:58,320

because of an emotional uh issue that I

2535

01:54:01,550 --> 01:54:00,840

still was not processing

2536

01:54:04,790 --> 01:54:01,560

um

2537

01:54:06,010 --> 01:54:04,800

fully so therefore the universe

2538

01:54:10,129 --> 01:54:06,020

grandmother

2539

01:54:11,990 --> 01:54:10,139

including created a situation where I

2540

01:54:14,890 --> 01:54:12,000

had an injury an accident or whatever

2541

01:54:18,410 --> 01:54:14,900

you want to call it a a a

2542

01:54:21,709 --> 01:54:18,420

synchronicity and then uh in that

2543

01:54:24,050 --> 01:54:21,719

healing of that and that elongated time

2544

01:54:26,149 --> 01:54:24,060

where I had to sit out and not be a

2545

01:54:28,129 --> 01:54:26,159

stunt man for you know several months or

2546

01:54:30,109 --> 01:54:28,139

whatever it was while I had to heal then

2547

01:54:33,410 --> 01:54:30,119

that was sort of my time out for not

2548

01:54:35,270 --> 01:54:33,420

processing my emotions so uh there you

2549

01:54:37,189 --> 01:54:35,280

go you have to process and even then I

2550

01:54:39,470 --> 01:54:37,199

didn't get the lesson until I got you

2551
01:54:42,109 --> 01:54:39,480
know until I had those ceremonies and I

2552
01:54:45,189 --> 01:54:42,119
was able to make those connections so I

2553
01:54:48,530 --> 01:54:45,199
know a long-winded answer but no that's

2554
01:54:51,709 --> 01:54:48,540
so intensely interesting do you get to

2555
01:54:54,770 --> 01:54:51,719
ask questions yeah all the time I go in

2556
01:54:57,950 --> 01:54:54,780
with questions and I have a list what's

2557
01:54:59,870 --> 01:54:57,960
the meaning of life did you get that one

2558
01:55:01,189 --> 01:54:59,880
I don't think I asked that to her

2559
01:55:01,790 --> 01:55:01,199
directly

2560
01:55:07,970 --> 01:55:01,800
um

2561
01:55:09,890 --> 01:55:07,980
well it's in it but uh so I would phrase

2562
01:55:11,330 --> 01:55:09,900
the question because I already know the

2563
01:55:13,310 --> 01:55:11,340

meaning to life is an individual

2564

01:55:15,649 --> 01:55:13,320

experience everybody's meaning is going

2565

01:55:17,400 --> 01:55:15,659

to be different no it's not that's not

2566

01:55:20,209 --> 01:55:17,410

the meaning of life still overlight

2567

01:55:24,169 --> 01:55:20,219

[Laughter]

2568

01:55:26,689 --> 01:55:24,179

the meaning of life is Van Halen and

2569

01:55:27,770 --> 01:55:26,699

really good Chinese food like I said

2570

01:55:31,430 --> 01:55:27,780

it's going to be an individual

2571

01:55:36,410 --> 01:55:34,550

uh but yeah okay so write that down next

2572

01:55:37,729 --> 01:55:36,420

time I I just I want to know what her

2573

01:55:39,950 --> 01:55:37,739

answer is

2574

01:55:45,430 --> 01:55:39,960

it's not going to be your answer she's

2575

01:55:51,910 --> 01:55:49,609

it's not Van Halen Reuben it's Elvis you

2576

01:55:53,990 --> 01:55:51,920

got it all wrong

2577

01:55:56,570 --> 01:55:54,000

since we're on the subject actually I

2578

01:55:59,209 --> 01:55:56,580

want to share this and why and how this

2579

01:56:00,490 --> 01:55:59,219

is going to lead to the cruise

2580

01:56:04,850 --> 01:56:00,500

um

2581

01:56:06,709 --> 01:56:04,860

well done well played so I was I had

2582

01:56:09,229 --> 01:56:06,719

this was

2583

01:56:11,930 --> 01:56:09,239

this my last so second to last Ayahuasca

2584

01:56:14,450 --> 01:56:11,940

experience it was like in 2019 I wanted

2585

01:56:15,109 --> 01:56:14,460

to say yeah maybe 19.

2586

01:56:17,990 --> 01:56:15,119

um

2587

01:56:20,689 --> 01:56:18,000

so I had my question my basically my

2588

01:56:23,209 --> 01:56:20,699

main question my main uh uh intention

2589

01:56:25,189 --> 01:56:23,219

for the journey was grandmother show me

2590

01:56:26,570 --> 01:56:25,199

the history of of the human history the

2591

01:56:29,510 --> 01:56:26,580

true human history

2592

01:56:33,530 --> 01:56:29,520

I'm ready show it to me I can handle it

2593

01:56:34,910 --> 01:56:33,540

so uh you know we in the ceremony you

2594

01:56:37,250 --> 01:56:34,920

know we do our thing I drink my medicine

2595

01:56:40,370 --> 01:56:37,260

I'm sitting down I'm it's starting to

2596

01:56:43,669 --> 01:56:40,380

come on and uh and I'm you know I'm

2597

01:56:45,050 --> 01:56:43,679

starting to uh see stars and they're

2598

01:56:46,250 --> 01:56:45,060

starting to come into view and now it

2599

01:56:47,870 --> 01:56:46,260

looks like I'm traveling through space

2600

01:56:50,270 --> 01:56:47,880

and I'm like yes okay here we go I'm

2601
01:56:55,609 --> 01:56:50,280
gonna get to the answers and figure out

2602
01:56:58,010 --> 01:56:55,619
uh the true history of humanity and then

2603
01:56:59,810 --> 01:56:58,020
I feel like I'm flying through space and

2604
01:57:03,350 --> 01:56:59,820
I'm going really fast and the deer comes

2605
01:57:05,629 --> 01:57:03,360
and then a big metal door just goes

2606
01:57:07,669 --> 01:57:05,639
like a cartoon right and I'm like what

2607
01:57:10,129 --> 01:57:07,679
what does that mean and I asked that

2608
01:57:13,609 --> 01:57:10,139
what does that mean you are not ready to

2609
01:57:15,770 --> 01:57:13,619
know this now there is not a one-off

2610
01:57:18,229 --> 01:57:15,780
answer you have to experience it I'm

2611
01:57:19,609 --> 01:57:18,239
like what come on all right so I you

2612
01:57:21,649 --> 01:57:19,619
know I had to give up for then I had to

2613
01:57:23,209 --> 01:57:21,659

shift my intention I don't remember what

2614

01:57:26,750 --> 01:57:23,219

I did but

2615

01:57:28,550 --> 01:57:26,760

um but after that shortly after that I

2616

01:57:30,589 --> 01:57:28,560

stumbled upon this the skull project

2617

01:57:33,470 --> 01:57:30,599

that I keep talking about every time I'm

2618

01:57:35,109 --> 01:57:33,480

still working on it four years later but

2619

01:57:37,910 --> 01:57:35,119

um

2620

01:57:42,370 --> 01:57:37,920

four years ago Reuben goes so Jimmy now

2621

01:57:47,930 --> 01:57:44,689

crystal skulls you're all about the

2622

01:57:50,149 --> 01:57:47,940

crystal skulls Jimmy and and uh and dude

2623

01:57:52,250 --> 01:57:50,159

that was four years ago I know it's

2624

01:57:55,310 --> 01:57:52,260

crazy it's it's a it's turned into a 13

2625

01:57:58,310 --> 01:57:55,320

episode series it's huge I'm still

2626

01:58:01,149 --> 01:57:58,320

waiting for my contract maybe it's not

2627

01:58:04,790 --> 01:58:01,159

like buried in the email but okay

2628

01:58:09,229 --> 01:58:04,800

so it's happening I mean I'm getting

2629

01:58:11,810 --> 01:58:09,239

pieces the ayahuasca ceremony well well

2630

01:58:14,510 --> 01:58:11,820

essentially four years later now the

2631

01:58:16,430 --> 01:58:14,520

whole journey makes sense because if

2632

01:58:18,530 --> 01:58:16,440

whatever grandmother told me at that

2633

01:58:20,990 --> 01:58:18,540

time I may have had these preconceived

2634

01:58:24,350 --> 01:58:21,000

ideas of what the history of of the true

2635

01:58:26,390 --> 01:58:24,360

human history uh is was and I wouldn't

2636

01:58:28,550 --> 01:58:26,400

have this beautiful Journey that I've

2637

01:58:30,830 --> 01:58:28,560

been on that now I've been filming and I

2638

01:58:33,470 --> 01:58:30,840

get to tell through uh through this

2639

01:58:35,510 --> 01:58:33,480

series on what our true human history is

2640

01:58:39,410 --> 01:58:35,520

all about I'm gonna tell grandmother

2641

01:58:44,810 --> 01:58:42,169

well in my panel at the on the cruise is

2642

01:58:47,810 --> 01:58:46,550

new knowledge and discovering the

2643

01:58:49,490 --> 01:58:47,820

different things anyways going to

2644

01:58:52,189 --> 01:58:49,500

Atlantis and la Maria stuff so it's

2645

01:58:55,790 --> 01:58:52,199

going to be fun yeah yeah I uh I can't

2646

01:58:58,850 --> 01:58:55,800

wait for that the more you brought up

2647

01:59:01,870 --> 01:58:58,860

Gaia and uh we're at the end of the show

2648

01:59:05,750 --> 01:59:01,880

but I I've got to squeeze this in

2649

01:59:08,770 --> 01:59:05,760

so many of us and you look you can look

2650

01:59:11,510 --> 01:59:08,780

this is a fact it's like

2651
01:59:14,149 --> 01:59:11,520
95 of the world

2652
01:59:16,370 --> 01:59:14,159
has never been 10 miles away from their

2653
01:59:17,350 --> 01:59:16,380
home right it's like some crazy stat

2654
01:59:21,950 --> 01:59:17,360
right

2655
01:59:26,629 --> 01:59:21,960
and uh I'm exaggerating somewhat but but

2656
01:59:29,030 --> 01:59:26,639
um but they don't experience the world I

2657
01:59:30,890 --> 01:59:29,040
I you know and I wonder how many people

2658
01:59:33,109 --> 01:59:30,900
in the United States people talk about

2659
01:59:34,850 --> 01:59:33,119
traveling and vacations all the time how

2660
01:59:38,689 --> 01:59:34,860
many people in the United States have

2661
01:59:42,290 --> 01:59:38,699
actually left the United States Hawaii

2662
01:59:45,410 --> 01:59:42,300
doesn't count right Key West doesn't

2663
01:59:47,709 --> 01:59:45,420

count all right it's it's right out but

2664

01:59:51,950 --> 01:59:47,719

how many have actually left

2665

01:59:53,870 --> 01:59:51,960

once you once you you know go out and

2666

01:59:56,510 --> 01:59:53,880

and and explore the world and see them

2667

01:59:59,450 --> 01:59:56,520

you really start to comprehend and

2668

02:00:01,129 --> 01:59:59,460

understand that this planet is a living

2669

02:00:06,649 --> 02:00:01,139

breathing

2670

02:00:10,850 --> 02:00:06,659

single entity it's it's crazy it's it to

2671

02:00:15,530 --> 02:00:10,860

to see and experience that but this

2672

02:00:18,830 --> 02:00:15,540

planet truly is a a one thing and

2673

02:00:20,810 --> 02:00:18,840

somehow we've got to uh break down the

2674

02:00:23,470 --> 02:00:20,820

barriers and I know I sound like the

2675

02:00:26,930 --> 02:00:23,480

friggin Dalai Lama or something you know

2676

02:00:29,330 --> 02:00:26,940

and I just did no no I'm a rebel man

2677

02:00:31,970 --> 02:00:29,340

I'll punch somebody in the throat in a

2678

02:00:33,229 --> 02:00:31,980

second but

2679

02:00:35,750 --> 02:00:33,239

and then you'll hug them right after

2680

02:00:38,450 --> 02:00:35,760

yeah yeah

2681

02:00:40,370 --> 02:00:38,460

I don't I don't want to come across that

2682

02:00:42,169 --> 02:00:40,380

way I don't want to come across like I

2683

02:00:44,030 --> 02:00:42,179

wear bell bottoms and smell like

2684

02:00:47,750 --> 02:00:44,040

Patchouli you know I I don't want to be

2685

02:00:51,890 --> 02:00:47,760

that guy and I'm not that guy but we

2686

02:00:54,950 --> 02:00:51,900

have to figure out a way to quit friggin

2687

02:00:57,229 --> 02:00:54,960

killing each other and and these

2688

02:00:59,810 --> 02:00:57,239

differences because we're all the same

2689

02:01:01,669 --> 02:00:59,820

we are all the same you know and it just

2690

02:01:02,990 --> 02:01:01,679

says it that's how we figure it out I

2691

02:01:04,970 --> 02:01:03,000

think you've you just figured it out

2692

02:01:07,430 --> 02:01:04,980

once we it's just coming to the

2693

02:01:10,490 --> 02:01:07,440

realization that we are all one that we

2694

02:01:13,790 --> 02:01:10,500

are all interconnected we all can hold

2695

02:01:15,950 --> 02:01:13,800

our individual uniqueness and honor that

2696

02:01:18,169 --> 02:01:15,960

and then we can all

2697

02:01:19,609 --> 02:01:18,179

um you know be connected at the same

2698

02:01:20,750 --> 02:01:19,619

time just because we're different than

2699

02:01:22,209 --> 02:01:20,760

somebody doesn't mean we don't have to

2700

02:01:25,250 --> 02:01:22,219

be connected to them

2701

02:01:26,950 --> 02:01:25,260

no it it is

2702

02:01:30,770 --> 02:01:26,960

um to see

2703

02:01:32,510 --> 02:01:30,780

uh uh if you know you go to another city

2704

02:01:35,810 --> 02:01:32,520

here in the United States you know you

2705

02:01:38,990 --> 02:01:35,820

you know you go from LA to to Nashville

2706

02:01:42,109 --> 02:01:39,000

and and you see you know yeah okay yeah

2707

02:01:46,129 --> 02:01:42,119

you you get it it's Nashville it's

2708

02:01:47,450 --> 02:01:46,139

Chicago it's Miami it's it's not LA and

2709

02:01:49,850 --> 02:01:47,460

people have a different way of doing

2710

02:01:53,089 --> 02:01:49,860

things but we're still all humans

2711

02:01:55,189 --> 02:01:53,099

right and and and and yeah just taking

2712

02:01:58,910 --> 02:01:55,199

another step further you know and just

2713

02:02:01,070 --> 02:01:58,920

go and even if you do it just once and

2714

02:02:04,189 --> 02:02:01,080

you see how small this planet really

2715

02:02:06,649 --> 02:02:04,199

gets man it's it's it's it's it's just

2716

02:02:08,810 --> 02:02:06,659

something that is very beautiful and

2717

02:02:10,669 --> 02:02:08,820

we've got to figure out a way man I I

2718

02:02:12,169 --> 02:02:10,679

don't know how we're gonna do it you

2719

02:02:14,270 --> 02:02:12,179

still want to be able to punch somebody

2720

02:02:16,250 --> 02:02:14,280

in the throat though yeah yeah somebody

2721

02:02:17,570 --> 02:02:16,260

disrespects you absolutely you don't

2722

02:02:20,030 --> 02:02:17,580

want to do that you don't want to give

2723

02:02:23,149 --> 02:02:20,040

it all up no no no there's not giving

2724

02:02:26,030 --> 02:02:23,159

that up but you know they're they're um

2725

02:02:29,149 --> 02:02:26,040

for me I went I moved to Japan at the

2726
02:02:31,189 --> 02:02:29,159
age of 19 and it was the best thing I

2727
02:02:33,410 --> 02:02:31,199
ever did you know it it immediately

2728
02:02:35,750 --> 02:02:33,420
changed my world view I got to see

2729
02:02:37,250 --> 02:02:35,760
things through a different culture to

2730
02:02:38,510 --> 02:02:37,260
see the world through a different lens

2731
02:02:41,330 --> 02:02:38,520
you know different cultural lenses

2732
02:02:44,209 --> 02:02:41,340
different learning a new language it's

2733
02:02:47,570 --> 02:02:44,219
you're right traveling does really help

2734
02:02:50,209 --> 02:02:47,580
open your mind and your heart to um it

2735
02:02:53,030 --> 02:02:50,219
does it really does see the world yeah

2736
02:02:57,109 --> 02:02:53,040
yeah I'm not getting soft don't anybody

2737
02:03:02,089 --> 02:02:57,119
think I'm getting stuffed how

2738
02:03:04,250 --> 02:03:02,099

um how I I have uh listened I've watched

2739

02:03:06,649 --> 02:03:04,260

you and listened to you uh speak

2740

02:03:09,229 --> 02:03:06,659

Japanese with with a Japanese person

2741

02:03:12,050 --> 02:03:09,239

right somebody that'll call you on your

2742

02:03:14,270 --> 02:03:12,060

your BS if you're not and where you've

2743

02:03:15,470 --> 02:03:14,280

had these beautiful uh conversations you

2744

02:03:19,070 --> 02:03:15,480

know going back it's such a beautiful

2745

02:03:20,930 --> 02:03:19,080

language to listen to I love it but you

2746

02:03:24,890 --> 02:03:20,940

didn't you know it's not like you were

2747

02:03:27,290 --> 02:03:24,900

born uh into a Japanese family you know

2748

02:03:30,530 --> 02:03:27,300

how difficult was it to learn Japanese

2749

02:03:33,669 --> 02:03:30,540

at your level I mean you are a

2750

02:03:36,169 --> 02:03:33,679

conversational you're Japanese man

2751
02:03:37,189 --> 02:03:36,179
yeah yeah my that's what my wife would

2752
02:03:39,169 --> 02:03:37,199
say too

2753
02:03:42,589 --> 02:03:39,179
um yeah

2754
02:03:45,770 --> 02:03:42,599
let's see I think I was unique because I

2755
02:03:49,850 --> 02:03:45,780
I was so driven uh at a young age even

2756
02:03:51,950 --> 02:03:49,860
when I I um I remember I got kind of

2757
02:03:54,050 --> 02:03:51,960
weird looks because my my local high

2758
02:03:56,149 --> 02:03:54,060
school didn't offer Japanese they only

2759
02:03:58,910 --> 02:03:56,159
offered Spanish or French and I was so

2760
02:04:02,810 --> 02:03:58,920
hell-bent on learning Japanese that even

2761
02:04:05,149 --> 02:04:02,820
as a junior in high school uh I was able

2762
02:04:08,089 --> 02:04:05,159
to sign up at the local community

2763
02:04:09,530 --> 02:04:08,099

college for a Japanese class and the

2764

02:04:11,149 --> 02:04:09,540

professor was like you're still in high

2765

02:04:12,530 --> 02:04:11,159

school but okay it's whatever go ahead

2766

02:04:15,530 --> 02:04:12,540

you pay the money and you can join the

2767

02:04:18,109 --> 02:04:15,540

class so I was devoted I had started

2768

02:04:20,330 --> 02:04:18,119

learning uh on my own uh well through

2769

02:04:22,970 --> 02:04:20,340

the after the class I studied until I

2770

02:04:24,950 --> 02:04:22,980

got to Japan and then um I was pretty

2771

02:04:26,870 --> 02:04:24,960

fluent within about two years I could

2772

02:04:28,790 --> 02:04:26,880

get along pretty good

2773

02:04:31,850 --> 02:04:28,800

um but living there for for almost five

2774

02:04:33,649 --> 02:04:31,860

years and um continuing to go back and

2775

02:04:36,530 --> 02:04:33,659

forth through business and and now

2776

02:04:39,770 --> 02:04:36,540

Family yeah yeah cool so of course of

2777

02:04:43,430 --> 02:04:39,780

course I remember the first time

2778

02:04:45,490 --> 02:04:43,440

um uh I watched I was like

2779

02:04:49,070 --> 02:04:45,500

oh Reuben

2780

02:04:52,490 --> 02:04:49,080

holy crap man this is like you know and

2781

02:04:55,070 --> 02:04:52,500

uh to have uh I think he ran subtitles

2782

02:04:59,229 --> 02:04:55,080

right didn't you run subtitles oh on the

2783

02:05:05,330 --> 02:05:02,390

man I can't wait to see you uh next week

2784

02:05:07,850 --> 02:05:05,340

uh you're just a good friend you know I

2785

02:05:11,209 --> 02:05:07,860

love you to death I just continue to

2786

02:05:14,330 --> 02:05:11,219

research uh get this get this Crystal

2787

02:05:16,310 --> 02:05:14,340

Skull uh thing done

2788

02:05:19,010 --> 02:05:16,320

um I've been very excited about this for

2789

02:05:22,010 --> 02:05:19,020

a very long time and now all of your

2790

02:05:24,290 --> 02:05:22,020

websites um I've got everything up uh

2791

02:05:27,370 --> 02:05:24,300

we've got of course uh Reuben

2792

02:05:30,350 --> 02:05:27,380

langdon.com we've got uh

2793

02:05:33,770 --> 02:05:30,360

citizenhearing.org uh that is up yep and

2794

02:05:36,109 --> 02:05:33,780

uh interview with Ed Ed extra

2795

02:05:39,410 --> 02:05:36,119

dimensionals and uh is there anything

2796

02:05:41,270 --> 02:05:39,420

else uh yeah we have I actually just

2797

02:05:44,450 --> 02:05:41,280

started a new a new uh membership

2798

02:05:47,030 --> 02:05:44,460

platform on interview with ed.org and

2799

02:05:48,530 --> 02:05:47,040

it's pretty awesome we're we're doing uh

2800

02:05:49,910 --> 02:05:48,540

weekly

2801

02:05:52,370 --> 02:05:49,920

um interviews with channels just like

2802

02:05:55,609 --> 02:05:52,380

the show but we're doing it on on Zoom

2803

02:05:56,930 --> 02:05:55,619

calls and uh we're allowing members to

2804

02:05:58,970 --> 02:05:56,940

interact so it's not just me answering

2805

02:06:00,589 --> 02:05:58,980

the question means we get to kind of get

2806

02:06:03,169 --> 02:06:00,599

some new blood in there asking some good

2807

02:06:05,629 --> 02:06:03,179

stuff and uh it's it's fun we're

2808

02:06:07,129 --> 02:06:05,639

building a nice little community and we

2809

02:06:09,530 --> 02:06:07,139

get to be strange and weird and not have

2810

02:06:12,530 --> 02:06:09,540

to worry about uh the rest of the world

2811

02:06:14,990 --> 02:06:12,540

judging us I love that I love that I

2812

02:06:18,589 --> 02:06:15,000

love that all right so uh interview with

2813

02:06:21,709 --> 02:06:18,599

uh Ed interview with ed.org and the

2814

02:06:24,410 --> 02:06:21,719

links are below everybody Reuben safe

2815

02:06:26,629 --> 02:06:24,420

travels uh to the ship and I will see

2816

02:06:28,189 --> 02:06:26,639

you on the open ocean my friend all

2817

02:06:31,970 --> 02:06:28,199

right likewise thanks Jimmy appreciate

2818

02:06:35,390 --> 02:06:31,980

it the best Reuben Langdon everybody and

2819

02:06:37,729 --> 02:06:35,400

this is going to wrap up our week here

2820

02:06:41,689 --> 02:06:37,739

on Fade to Black I've got the peripod

2821

02:06:44,510 --> 02:06:41,699

festival uh this weekend uh so I've got

2822

02:06:47,330 --> 02:06:44,520

to prepare for that and get ready to go

2823

02:06:48,950 --> 02:06:47,340

tomorrow night uh so no show tomorrow

2824

02:06:52,490 --> 02:06:48,960

night I want everybody to have a great

2825

02:06:54,290 --> 02:06:52,500

safe fun amazing weekend I will uh be

2826

02:06:56,990 --> 02:06:54,300

doing some live streaming and some other

2827

02:06:59,209 --> 02:06:57,000

stuff from the parapod festival and if

2828

02:07:01,550 --> 02:06:59,219

you would like to attend the links to it

2829

02:07:03,470 --> 02:07:01,560

it's in Valencia California the links to

2830

02:07:06,050 --> 02:07:03,480

all of the information that you need are

2831

02:07:09,109 --> 02:07:06,060

below it's Friday and Saturday night

2832

02:07:11,089 --> 02:07:09,119

this weekend so there you go everybody

2833

02:07:13,189 --> 02:07:11,099

have a great weekend Fade to Black it's

2834

02:07:16,070 --> 02:07:13,199

produced by Hilton J Palm Renee Dennis

2835

02:07:19,570 --> 02:07:16,080

and Kevin webmaster is Drew the geek

2836

02:07:21,589 --> 02:07:19,580

music Doug Aldrich intro space boy

2837

02:07:23,570 --> 02:07:21,599

spaceboymusic.com faded black is

2838

02:07:24,490 --> 02:07:23,580

produced by kjcr for the game changer

2839

02:07:27,050 --> 02:07:24,500

Network

2840

02:07:28,609 --> 02:07:27,060

and it cannot be rebroadcast download

2841

02:07:30,470 --> 02:07:28,619

the copy or use anywhere in the known

2842
