our difference is worldwide would vanish

10
00:01:15,660 --> 00:01:14,340
if we were facing an alien threat from

11
00:01:17,480 --> 00:01:15,670
outside this world

28

00:02:03,410 --> 00:02:00,479

30

00:02:08,809 --> 00:02:06,540

to our beautiful city uh you were

31

00:02:11,210 --> 00:02:08,819

presented with uh the Pioneer award

32

00:02:15,050 --> 00:02:11,220

yesterday at the parapot festival oh we

33

00:02:17,270 --> 00:02:15,060

didn't bring the award in oh man it's in

34

00:02:18,530 --> 00:02:17,280

the luggage it's not in the car and

35

00:02:21,050 --> 00:02:18,540

we're going to be here for just a few

36

00:02:23,330 --> 00:02:21,060

minutes because uh Billy's got a car

37

00:02:25,790 --> 00:02:23,340

coming to pick him up he's on his way uh

38

00:02:27,589 --> 00:02:25,800

back to Miami tonight yeah um but here

39

00:02:29,930 --> 00:02:27,599

we are in the bunker

40

00:02:32,990 --> 00:02:29,940

um again I'm gonna say welcome

41

00:02:34,910 --> 00:02:33,000

and uh you and I have done so many shows

42

00:02:37,250 --> 00:02:34,920

over the years yeah uh this is the first

43

00:02:41,170 --> 00:02:37,260

time uh we've always done it you know

44

00:02:44,089 --> 00:02:41,180

remotely but now you're in the bunkers

45

00:02:46,270 --> 00:02:44,099

I feel the vibe man it's a dope bunker

46

00:02:50,690 --> 00:02:46,280

too I love this place

47

00:02:51,949 --> 00:02:50,700

and uh it was it was really cool uh to

48

00:02:54,229 --> 00:02:51,959

watch you

49

00:02:57,589 --> 00:02:54,239

um uh get that award and you know for me

50

00:03:01,550 --> 00:02:57,599

personally to to present it to you

51
00:03:05,089 --> 00:03:01,560
um and to hear the reaction

52
00:03:07,610 --> 00:03:05,099
uh from everybody I'm just going to put

53
00:03:09,410 --> 00:03:07,620
you on the spot yeah uh how do you feel

54
00:03:11,449 --> 00:03:09,420
at a moment like that I mean I was there

55
00:03:13,130 --> 00:03:11,459
I watched a bit but but tell us a little

56
00:03:15,110 --> 00:03:13,140
bit about that what's that like well you

57
00:03:17,830 --> 00:03:15,120
know when you get an award like that you

58
00:03:20,570 --> 00:03:17,840
feel an amazing sense of accomplishment

59
00:03:22,130 --> 00:03:20,580
you feel like the work that you've done

60
00:03:24,770 --> 00:03:22,140
and the time and the energy the effort

61
00:03:27,470 --> 00:03:24,780
you've spent has uh not been for naught

62
00:03:28,850 --> 00:03:27,480
that people have seen and can appreciate

63
00:03:31,670 --> 00:03:28,860

the work that you've put out for the

64

00:03:32,690 --> 00:03:31,680

world for the community uh and it's just

65

00:03:34,610 --> 00:03:32,700

really something that's totally

66

00:03:37,190 --> 00:03:34,620

unexpected and something that just makes

67

00:03:38,930 --> 00:03:37,200

you feel rejuvenated regenerated and

68

00:03:40,850 --> 00:03:38,940

like you are ready to go back out and

69

00:03:42,890 --> 00:03:40,860

put in more work and continue to push

70

00:03:45,890 --> 00:03:42,900

the bar

71

00:03:48,229 --> 00:03:45,900

um I I sensed I mean I could have this

72

00:03:50,509 --> 00:03:48,239

wrong but I know your voice really well

73

00:03:52,250 --> 00:03:50,519

and I I heard things tighten up just a

74

00:03:56,390 --> 00:03:52,260

little bit last night and I was standing

75

00:03:59,390 --> 00:03:56,400

in back of you and uh because you're you

76
00:04:01,670 --> 00:03:59,400
know your fiance Elizabeth Sarah uh Gabe

77
00:04:04,070 --> 00:04:01,680
is there you've got you know friends and

78
00:04:06,770 --> 00:04:04,080
family you know and that I'm there

79
00:04:09,410 --> 00:04:06,780
um and that's got to be extra extra

80
00:04:11,390 --> 00:04:09,420
special my daughter was there your

81
00:04:13,550 --> 00:04:11,400
daughter was there great person yeah you

82
00:04:15,949 --> 00:04:13,560
know I mean uh it's pretty emotional

83
00:04:17,090 --> 00:04:15,959
isn't it it's emotional you know um I

84
00:04:18,710 --> 00:04:17,100
wanted to give a lot of credit to

85
00:04:20,030 --> 00:04:18,720
Elizabeth for the work that she had done

86
00:04:22,069 --> 00:04:20,040
behind the scenes with forbidden

87
00:04:24,770 --> 00:04:22,079
knowledge for the last uh two and a half

88
00:04:26,450 --> 00:04:24,780

years the work that people never see

89

00:04:29,930 --> 00:04:26,460

never hear about don't know about they

90

00:04:31,670 --> 00:04:29,940

see my face 99 of the time

91

00:04:33,770 --> 00:04:31,680

um you know but it's not a one-man show

92

00:04:35,870 --> 00:04:33,780

it's not all you know as you know you've

93

00:04:38,030 --> 00:04:35,880

got a team that you've built you can't

94

00:04:39,950 --> 00:04:38,040

do it all yourself you have to have help

95

00:04:42,770 --> 00:04:39,960

and she's been an integral part in

96

00:04:44,870 --> 00:04:42,780

helping building teams underneath uh

97

00:04:46,550 --> 00:04:44,880

Forbidden Knowledge and allowing uh

98

00:04:48,830 --> 00:04:46,560

delegating workloads to people and

99

00:04:50,930 --> 00:04:48,840

getting things done and helping us be

100

00:04:53,390 --> 00:04:50,940

able to become the best creative minds

101
00:04:55,850 --> 00:04:53,400
that we can possibly be right uh so that

102
00:04:57,890 --> 00:04:55,860
we can really accelerate

103
00:05:00,890 --> 00:04:57,900
um one of the things that

104
00:05:02,810 --> 00:05:00,900
um I had said last night and and I kind

105
00:05:04,850 --> 00:05:02,820
of let myself get away

106
00:05:08,450 --> 00:05:04,860
from myself and I don't let that happen

107
00:05:11,510 --> 00:05:08,460
too often but but the point is a very

108
00:05:13,790 --> 00:05:11,520
very simple one that everybody's got

109
00:05:15,230 --> 00:05:13,800
dreams right we were just cracking jokes

110
00:05:17,689 --> 00:05:15,240
about that right that's how we were

111
00:05:21,110 --> 00:05:17,699
cracking drugs about dreams yeah and uh

112
00:05:24,770 --> 00:05:21,120
everybody's got dreams yeah and don't

113
00:05:27,290 --> 00:05:24,780

let anything hold you back if you need

114

00:05:29,330 --> 00:05:27,300

evidence and I said then I was I was

115

00:05:31,909 --> 00:05:29,340

pretty loud about this last night yeah

116

00:05:34,730 --> 00:05:31,919

if you need evidence if you say okay

117

00:05:38,029 --> 00:05:34,740

show me somebody that's done well here's

118

00:05:39,590 --> 00:05:38,039

Billy Carson right here there's get a

119

00:05:42,830 --> 00:05:39,600

dream together get something together

120

00:05:46,790 --> 00:05:42,840

and go and do it and the other step is

121

00:05:48,770 --> 00:05:46,800

is is get a friend your best friend get

122

00:05:50,990 --> 00:05:48,780

somebody that can walk next to you

123

00:05:53,629 --> 00:05:51,000

somebody that can challenge you not a

124

00:05:56,330 --> 00:05:53,639

yes person yeah no you want somebody

125

00:05:58,909 --> 00:05:56,340

that can challenge you to validate your

126

00:06:01,430 --> 00:05:58,919

thoughts maybe unvalidate some thoughts

127

00:06:04,670 --> 00:06:01,440

too as well oh yeah and and walk side by

128

00:06:06,830 --> 00:06:04,680

side with somebody and like the three of

129

00:06:10,070 --> 00:06:06,840

us have managed to do and we'll continue

130

00:06:12,110 --> 00:06:10,080

to do yeah but uh that that's really one

131

00:06:13,670 --> 00:06:12,120

of the secrets there's many Secrets but

132

00:06:14,930 --> 00:06:13,680

that's one of them isn't it that's one

133

00:06:16,129 --> 00:06:14,940

of them you have to be around first of

134

00:06:18,529 --> 00:06:16,139

all you want to be around people that

135

00:06:20,570 --> 00:06:18,539

are not yes men number one in other

136

00:06:23,029 --> 00:06:20,580

words I'm not the type of person that

137

00:06:25,309 --> 00:06:23,039

has to be uh every everything that I say

138

00:06:27,170 --> 00:06:25,319

has to go and when I say is is the

139

00:06:29,390 --> 00:06:27,180

number one rule and and you better

140

00:06:30,950 --> 00:06:29,400

listen to me it's like that's an

141

00:06:33,830 --> 00:06:30,960

accident waiting to happen right big

142

00:06:36,050 --> 00:06:33,840

time I'm in relationships in my inner

143

00:06:38,270 --> 00:06:36,060

circle and so when I'm with you Jamie

144

00:06:40,790 --> 00:06:38,280

and you're with me it's like let's run

145

00:06:43,129 --> 00:06:40,800

run ideas off each other let's see what

146

00:06:45,650 --> 00:06:43,139

we think is good or maybe is not good

147

00:06:47,090 --> 00:06:45,660

right and I'll tell you maybe this isn't

148

00:06:49,129 --> 00:06:47,100

a good idea you'll tell me I don't know

149

00:06:50,870 --> 00:06:49,139

if that's a good idea or look this is

150

00:06:51,770 --> 00:06:50,880

wrong we just had a situation just a few

151
00:06:52,969 --> 00:06:51,780
minutes ago you were showing me

152
00:06:54,110 --> 00:06:52,979
something on something I was working on

153
00:06:55,210 --> 00:06:54,120
you're saying look you see this right

154
00:06:58,430 --> 00:06:55,220
here

155
00:07:00,950 --> 00:06:58,440
I did I did you know what that's a great

156
00:07:03,550 --> 00:07:00,960
Point yeah and and

157
00:07:06,830 --> 00:07:03,560
just a conversation people yeah

158
00:07:10,010 --> 00:07:06,840
billionaires I said uh okay I'm not

159
00:07:11,450 --> 00:07:10,020
going to get specific but I I Billy and

160
00:07:13,309 --> 00:07:11,460
I were watching something doesn't matter

161
00:07:16,850 --> 00:07:13,319
what I said do you see that right there

162
00:07:18,890 --> 00:07:16,860
that's a mistake that's what you know

163
00:07:20,210 --> 00:07:18,900

and and and I explained it and I said

164

00:07:22,909 --> 00:07:20,220

now let's just go back and watch this

165

00:07:26,629 --> 00:07:22,919

again and and we did and it you know but

166

00:07:29,330 --> 00:07:26,639

that's Billy didn't try to defend or or

167

00:07:31,670 --> 00:07:29,340

try to argue his way no you just listen

168

00:07:34,129 --> 00:07:31,680

yeah and maybe you learn something

169

00:07:37,189 --> 00:07:34,139

exactly you know what with you whenever

170

00:07:39,710 --> 00:07:37,199

I say something to Billy and he uh and

171

00:07:41,870 --> 00:07:39,720

and he wants to tell me no he goes he

172

00:07:45,070 --> 00:07:41,880

goes silent that's that's your secret

173

00:07:56,529 --> 00:07:45,080

Bill he'll go

174

00:08:01,430 --> 00:07:59,210

but when I get that I know I need to

175

00:08:04,670 --> 00:08:01,440

change drugs I need to turn the car man

176

00:08:08,390 --> 00:08:04,680

I need to turn the car but yeah and and

177

00:08:11,390 --> 00:08:08,400

and life I mean right now

178

00:08:15,350 --> 00:08:11,400

um people are asking questions and

179

00:08:18,230 --> 00:08:15,360

seeking answers more than ever yeah and

180

00:08:21,529 --> 00:08:18,240

I watch you and Elizabeth not only in

181

00:08:26,450 --> 00:08:21,539

social media but but your shows together

182

00:08:28,430 --> 00:08:26,460

um you you repeat something over and

183

00:08:31,129 --> 00:08:28,440

over again and I think it needs to be

184

00:08:33,170 --> 00:08:31,139

repeated in that man

185

00:08:36,050 --> 00:08:33,180

don't listen to everybody don't listen

186

00:08:39,290 --> 00:08:36,060

to negative stuff watch what you listen

187

00:08:41,510 --> 00:08:39,300

to be careful of what you say you know

188

00:08:44,329 --> 00:08:41,520

and these things uh need it's like a

189

00:08:46,250 --> 00:08:44,339

mantra yeah you need to constantly I

190

00:08:47,449 --> 00:08:46,260

need to remind myself of that do you do

191

00:08:50,990 --> 00:08:47,459

the same thing do you catch yourself

192

00:08:53,150 --> 00:08:51,000

doing it you know the true uh account of

193

00:08:54,829 --> 00:08:53,160

a person that's growing consciously is a

194

00:08:57,410 --> 00:08:54,839

person that begins to catch themselves

195

00:08:59,389 --> 00:08:57,420

and check them on their own self in

196

00:09:01,550 --> 00:08:59,399

other words if I'm doing something and I

197

00:09:02,990 --> 00:09:01,560

catch myself slipping somewhere whether

198

00:09:04,610 --> 00:09:03,000

it's an emotional slip where there's

199

00:09:07,370 --> 00:09:04,620

some type of a frustration or anger

200

00:09:09,769 --> 00:09:07,380

that's settling in I stop myself I talk

201
00:09:12,350 --> 00:09:09,779
to myself and I check myself and I

202
00:09:14,150 --> 00:09:12,360
become the Observer of my thoughts and I

203
00:09:16,610 --> 00:09:14,160
realize I'm Not My Thoughts I'm the

204
00:09:18,769 --> 00:09:16,620
Observer of my thoughts and once I take

205
00:09:21,590 --> 00:09:18,779
myself into that mind State I can then

206
00:09:23,389 --> 00:09:21,600
change the direction of my emotion I can

207
00:09:25,190 --> 00:09:23,399
feel it I can process it because I

208
00:09:26,030 --> 00:09:25,200
deserve to but then I can move through

209
00:09:32,150 --> 00:09:26,040
it

210
00:09:35,170 --> 00:09:32,160
mean to a lot of people this is like

211
00:09:37,790 --> 00:09:35,180
work and they want the easy Road man

212
00:09:39,590 --> 00:09:37,800
it's going to be an easier there really

213
00:09:43,550 --> 00:09:39,600

isn't is there no there's no easy road

214

00:09:44,930 --> 00:09:43,560

that you know life is difficult I mean

215

00:09:47,990 --> 00:09:44,940

you just look at one nature show and you

216

00:09:49,610 --> 00:09:48,000

can figure that one out quick and we you

217

00:09:51,889 --> 00:09:49,620

know we've been blessed to be at the top

218

00:09:54,050 --> 00:09:51,899

of the food chain because of our

219

00:09:55,430 --> 00:09:54,060

conscious capability in these hands that

220

00:09:57,590 --> 00:09:55,440

we have that can manipulate our

221

00:09:59,570 --> 00:09:57,600

environment without these hands even

222

00:10:01,190 --> 00:09:59,580

with our Consciousness without these

223

00:10:02,990 --> 00:10:01,200

hands we wouldn't be able to manipulate

224

00:10:04,970 --> 00:10:03,000

the environment which means we'd be just

225

00:10:06,410 --> 00:10:04,980

like the Dolphins in the whales smart as

226

00:10:08,990 --> 00:10:06,420

hell but can't do nothing with it right

227

00:10:10,490 --> 00:10:09,000

right and so um you know we have to

228

00:10:12,829 --> 00:10:10,500

understand like look we're the position

229

00:10:15,530 --> 00:10:12,839

of power we're in the business a

230

00:10:17,030 --> 00:10:15,540

position of creation and creativity and

231

00:10:19,009 --> 00:10:17,040

we have to do whatever it takes to

232

00:10:20,990 --> 00:10:19,019

continue to follow that path of

233

00:10:23,389 --> 00:10:21,000

Enlightenment and following our dreams

234

00:10:25,970 --> 00:10:23,399

and our passions and when you go down

235

00:10:28,730 --> 00:10:25,980

these side roads of anger and frustrate

236

00:10:32,030 --> 00:10:28,740

nation and hatred and and all this other

237

00:10:34,850 --> 00:10:32,040

stuff that's low frequency you begin to

238

00:10:37,250 --> 00:10:34,860

be uh caught up in that and you get

239

00:10:39,470 --> 00:10:37,260

diverted off your true dream

240

00:10:42,290 --> 00:10:39,480

just said he wants more seasons of

241

00:10:46,509 --> 00:10:42,300

Jimmy's show on 4bk nice all right all

242

00:10:50,690 --> 00:10:49,670

we got some plans yeah and and when we

243

00:10:52,009 --> 00:10:50,700

are ready

244

00:10:54,470 --> 00:10:52,019

um and it's gonna be sooner than you

245

00:10:57,130 --> 00:10:54,480

think uh uh we are we are about to make

246

00:10:59,449 --> 00:10:57,140

uh something good you know I think every

247

00:11:01,430 --> 00:10:59,459

that's that's kind of weird we've done

248

00:11:02,810 --> 00:11:01,440

movies we've done TV we've done a

249

00:11:05,210 --> 00:11:02,820

million shows we've done all these

250

00:11:07,610 --> 00:11:05,220

conferences everybody's just kind of

251

00:11:09,590 --> 00:11:07,620

waiting when when's When's the Billy

252

00:11:12,670 --> 00:11:09,600

Jimmy right thing what what are you guys

253

00:11:15,889 --> 00:11:12,680

waiting for okay

254

00:11:17,990 --> 00:11:15,899

we've got some you know the the

255

00:11:20,329 --> 00:11:18,000

dangerous thing with Billy and I and

256

00:11:21,769 --> 00:11:20,339

Elizabeth uh and we crack jokes about

257

00:11:25,970 --> 00:11:21,779

this all the time we got to be careful

258

00:11:28,069 --> 00:11:25,980

about about ideas because once something

259

00:11:30,910 --> 00:11:28,079

cool bubbles to the surface we got to do

260

00:11:34,430 --> 00:11:30,920

it we got to get it done and that's it

261

00:11:36,829 --> 00:11:34,440

got to be really careful with that

262

00:11:39,650 --> 00:11:36,839

um now uh let's change gears uh we have

263

00:11:42,710 --> 00:11:39,660

a little bit of of time uh no we're

264

00:11:45,530 --> 00:11:42,720

limited on time Billy's on his way to

265

00:11:47,930 --> 00:11:45,540

the airport with Elizabeth and Gabe and

266

00:11:50,509 --> 00:11:47,940

uh the four of us

267

00:11:52,370 --> 00:11:50,519

um I talk a lot about where I live in

268

00:11:54,530 --> 00:11:52,380

Palmdale and the fact that I'm in the

269

00:11:56,210 --> 00:11:54,540

middle of uh all the secret all the

270

00:11:58,790 --> 00:11:56,220

secret stuff I got all the alien

271

00:12:00,410 --> 00:11:58,800

technology here uh I just took you on a

272

00:12:02,650 --> 00:12:00,420

tour man yeah

273

00:12:06,889 --> 00:12:02,660

um right down the street from my house

274

00:12:10,790 --> 00:12:06,899

and we pulled up to the Skunk Works what

275

00:12:12,829 --> 00:12:10,800

how how cool is that to pull away from

276

00:12:14,990 --> 00:12:12,839

my house and pull up and see that giant

277

00:12:16,250 --> 00:12:15,000

skunk right in front of you listen if

278

00:12:17,329 --> 00:12:16,260

you guys don't know what the Skunk Works

279

00:12:20,449 --> 00:12:17,339

are that's where all the top secret

280

00:12:23,210 --> 00:12:20,459

projects are created and developed for

281

00:12:25,430 --> 00:12:23,220

the military for the space agencies uh

282

00:12:29,030 --> 00:12:25,440

it's an incredible place where a lot of

283

00:12:32,389 --> 00:12:29,040

black budget money has died dove into

284

00:12:34,069 --> 00:12:32,399

right trillions of dollars yes not like

285

00:12:37,630 --> 00:12:34,079

Millions not hundreds of millions

286

00:12:42,050 --> 00:12:40,370

and they they still have projects top

287

00:12:43,790 --> 00:12:42,060

secret black budget projects going on

288

00:12:48,170 --> 00:12:43,800

there right around the corner from where

289

00:12:50,990 --> 00:12:48,180

I'm sitting right now and uh when uh you

290

00:12:54,590 --> 00:12:51,000

you see uh I mean the buildings are one

291

00:12:56,810 --> 00:12:54,600

thing it's the size of that complex it's

292

00:13:00,170 --> 00:12:56,820

the size of the building super massive

293

00:13:05,810 --> 00:13:03,410

those doors those like 10 story doors

294

00:13:07,850 --> 00:13:05,820

were cracked I just wanted to sneak in

295

00:13:10,129 --> 00:13:07,860

there and take a peek it's this wide

296

00:13:12,110 --> 00:13:10,139

right and that one area because I know

297

00:13:14,690 --> 00:13:12,120

what's in there you probably just get

298

00:13:16,190 --> 00:13:14,700

your cell phone in and pop one off yeah

299

00:13:18,530 --> 00:13:16,200

whatever's in there could probably go to

300

00:13:20,090 --> 00:13:18,540

Mars in five minutes so we yeah I know

301
00:13:22,490 --> 00:13:20,100
right

302
00:13:24,650 --> 00:13:22,500
um uh we went uh we took some selfies uh

303
00:13:27,949 --> 00:13:24,660
we'll post them in a bit yeah uh we went

304
00:13:31,790 --> 00:13:27,959
over uh to the sr-71s that are there at

305
00:13:34,850 --> 00:13:31,800
the gates of uh Air Force plant 42. what

306
00:13:37,009 --> 00:13:34,860
a majestic beautiful piece of art that

307
00:13:39,590 --> 00:13:37,019
is isn't it it's incredible it looks

308
00:13:41,990 --> 00:13:39,600
like a sculpture it does it does it is a

309
00:13:45,350 --> 00:13:42,000
sculpture yeah it is it's a flying Mach

310
00:13:47,210 --> 00:13:45,360
6 sculpture yeah and and when you stand

311
00:13:50,090 --> 00:13:47,220
next to it

312
00:13:52,430 --> 00:13:50,100
um a couple of things stick out one it

313
00:13:53,389 --> 00:13:52,440

it's perfect right it's lines are

314

00:13:56,750 --> 00:13:53,399

perfect

315

00:14:00,430 --> 00:13:56,760

it's held together with screws screws

316

00:14:04,190 --> 00:14:00,440

screws Phillips screws Phillips screws

317

00:14:05,629 --> 00:14:04,200

it's like what

318

00:14:07,550 --> 00:14:05,639

I mean

319

00:14:09,829 --> 00:14:07,560

can you imagine how crazy you have to be

320

00:14:11,509 --> 00:14:09,839

to fly that thing at Mach 4 Mach 5 with

321

00:14:13,730 --> 00:14:11,519

holding the hell together by simple

322

00:14:15,949 --> 00:14:13,740

screws and those little Windows the

323

00:14:18,530 --> 00:14:15,959

cockpit is like you know and you know

324

00:14:20,810 --> 00:14:18,540

your head you know you're just fitting

325

00:14:23,329 --> 00:14:20,820

yeah on the inside of that and all it is

326

00:14:29,750 --> 00:14:23,339

it's an engine

327

00:14:32,150 --> 00:14:29,760

strapped onto a couple of engines and

328

00:14:35,090 --> 00:14:32,160

you just it's go time yes go time flying

329

00:14:37,610 --> 00:14:35,100

at the edge of space what do you um when

330

00:14:41,030 --> 00:14:37,620

when you hear these uh different

331

00:14:45,470 --> 00:14:41,040

theories and ideas and testimony

332

00:14:46,970 --> 00:14:45,480

um about an alien craft being out there

333

00:14:49,670 --> 00:14:46,980

um and we were there we were just there

334

00:14:51,230 --> 00:14:49,680

yeah what what goes through your mind do

335

00:14:54,230 --> 00:14:51,240

you think that that is part of our

336

00:14:55,670 --> 00:14:54,240

reality do you think that a craft uh is

337

00:14:57,410 --> 00:14:55,680

out there and has been out there in

338

00:14:59,689 --> 00:14:57,420

backwards engineered into this

339

00:15:01,970 --> 00:14:59,699

technology we have today oh yeah I truly

340

00:15:04,189 --> 00:15:01,980

believe that I believe in the um arvs

341

00:15:06,889 --> 00:15:04,199

alien reproduction vehicles I believe

342

00:15:09,110 --> 00:15:06,899

they exist I believe that uh 1947

343

00:15:11,269 --> 00:15:09,120

incident with the Roswell which wasn't

344

00:15:13,610 --> 00:15:11,279

just one UFO that was brought down there

345

00:15:15,650 --> 00:15:13,620

was several that same day and I believe

346

00:15:17,269 --> 00:15:15,660

the tech our own technology brought

347

00:15:19,310 --> 00:15:17,279

those down and people go how can

348

00:15:21,230 --> 00:15:19,320

somebody travel from another planet or

349

00:15:23,449 --> 00:15:21,240

another solar system would come here and

350

00:15:26,449 --> 00:15:23,459

they can't you know fly the UFO and it

351
00:15:30,170 --> 00:15:26,459
crashes it's called space is dangerous

352
00:15:31,610 --> 00:15:30,180
right yes space is a day we I mean we've

353
00:15:35,030 --> 00:15:31,620
seen how many missions to Mars that

354
00:15:37,370 --> 00:15:35,040
failed everyone except for like two it's

355
00:15:39,230 --> 00:15:37,380
like a dangerous place yeah we bounced

356
00:15:40,670 --> 00:15:39,240
everyone off of the surface because we

357
00:15:42,949 --> 00:15:40,680
can't figure out how to land it so right

358
00:15:44,509 --> 00:15:42,959
we cover it with balloons and just hope

359
00:15:46,730 --> 00:15:44,519
for the best help for the best just pray

360
00:15:48,889 --> 00:15:46,740
hope this thing sends a signal about two

361
00:15:51,590 --> 00:15:48,899
hours later I sent the signal we

362
00:15:53,329 --> 00:15:51,600
survived this one we literally bounced

363
00:15:55,009 --> 00:15:53,339

them out with beach balls and they

364

00:15:57,170 --> 00:15:55,019

bounce for like miles yeah bounce for

365

00:15:58,129 --> 00:15:57,180

miles and we just pray that everything's

366

00:15:59,930 --> 00:15:58,139

still you don't even know where it's

367

00:16:01,970 --> 00:15:59,940

going to end up it could bounce into a

368

00:16:03,769 --> 00:16:01,980

cavern yeah you know with all the

369

00:16:07,129 --> 00:16:03,779

technology that we have that's the best

370

00:16:08,329 --> 00:16:07,139

we've got you know to land on Mars and

371

00:16:10,250 --> 00:16:08,339

you know just these things could be it

372

00:16:12,470 --> 00:16:10,260

could be dangerous to fly somewhere and

373

00:16:14,329 --> 00:16:12,480

if another planet is using some type of

374

00:16:15,829 --> 00:16:14,339

a weapon potentially a scale-out weapon

375

00:16:17,870 --> 00:16:15,839

and they discover that it affects your

376

00:16:19,910 --> 00:16:17,880

navigation it makes you flying crazy

377

00:16:21,769 --> 00:16:19,920

when they figure well we can point this

378

00:16:23,329 --> 00:16:21,779

at them maybe it'll bring it down then

379

00:16:25,610 --> 00:16:23,339

we can steal it we can break it down

380

00:16:27,650 --> 00:16:25,620

into pieces we can take technology out

381

00:16:29,769 --> 00:16:27,660

of it and begin to find out how it works

382

00:16:33,829 --> 00:16:29,779

which I think is exactly what was done

383

00:16:36,710 --> 00:16:33,839

the uh the film that you made

384

00:16:39,290 --> 00:16:36,720

um well you I I say you it was a great

385

00:16:46,129 --> 00:16:39,300

team of people uh that uh the Black

386

00:16:48,050 --> 00:16:46,139

Knight satellite and uh uh that film

387

00:16:53,629 --> 00:16:48,060

um people talk about it people to come

388

00:16:56,090 --> 00:16:53,639

up to me and and it's not uh one answer

389

00:16:59,810 --> 00:16:56,100

it's not one

390

00:17:03,170 --> 00:16:59,820

Theory it's you talking to a bunch of

391

00:17:04,970 --> 00:17:03,180

different experts yeah uh about the

392

00:17:07,510 --> 00:17:04,980

subject is the Black Knight satellite

393

00:17:10,370 --> 00:17:07,520

getting their take on it trying to

394

00:17:12,110 --> 00:17:10,380

figure out what if it's real right

395

00:17:16,429 --> 00:17:12,120

that's the first thing yeah the second

396

00:17:17,929 --> 00:17:16,439

thing if it is what is its purpose right

397

00:17:21,530 --> 00:17:17,939

um and I always felt that that was an

398

00:17:24,110 --> 00:17:21,540

exciting way to look at the film what

399

00:17:26,270 --> 00:17:24,120

did you learn from you know you had

400

00:17:31,010 --> 00:17:26,280

Dolan you had valent and you had myself

401
00:17:33,950 --> 00:17:31,020
and and and uh uh Sonya Grace was so

402
00:17:37,070 --> 00:17:33,960
excellent in the film Broderick Martin

403
00:17:38,810 --> 00:17:37,080
um what did you uh Come Away with did

404
00:17:40,430 --> 00:17:38,820
you yourself did you get the answers

405
00:17:41,750 --> 00:17:40,440
that you were seeking I really need to

406
00:17:44,150 --> 00:17:41,760
get the answers I was seeking you know

407
00:17:45,529 --> 00:17:44,160
in America for example in a court of law

408
00:17:48,650 --> 00:17:45,539
if you have enough circumstantial

409
00:17:50,750 --> 00:17:48,660
evidence you can make a case right and

410
00:17:52,669 --> 00:17:50,760
so I took that concept into the Black

411
00:17:55,669 --> 00:17:52,679
Knight satellite can I put together

412
00:17:58,070 --> 00:17:55,679
enough circumstantial evidence from

413
00:18:00,110 --> 00:17:58,080

these X experts to make a case that this

414

00:18:01,789 --> 00:18:00,120

thing not only is real but that it may

415

00:18:03,830 --> 00:18:01,799

be sending a signal and maybe watching

416

00:18:06,890 --> 00:18:03,840

us and sending a signal back to Epsilon

417

00:18:08,930 --> 00:18:06,900

bartis and I believe I made that case uh

418

00:18:11,029 --> 00:18:08,940

it's just a theory but I believe based

419

00:18:12,409 --> 00:18:11,039

on all the input from all the experts

420

00:18:14,450 --> 00:18:12,419

including yourself you came with that

421

00:18:16,850 --> 00:18:14,460

NSA document that talked about the

422

00:18:19,610 --> 00:18:16,860

communication with BT and communication

423

00:18:21,950 --> 00:18:19,620

back to Epsilon and it just blew me away

424

00:18:23,870 --> 00:18:21,960

and so I think I did make the case and I

425

00:18:26,029 --> 00:18:23,880

found the answers I was looking for at

426

00:18:28,850 --> 00:18:26,039

this object not only is it real it's

427

00:18:30,890 --> 00:18:28,860

above our heads and it's transmitting in

428

00:18:32,990 --> 00:18:30,900

real time probably via quantum

429

00:18:34,789 --> 00:18:33,000

entanglement information back to its

430

00:18:37,610 --> 00:18:34,799

source about what's going on here on

431

00:18:41,270 --> 00:18:37,620

Earth and do you think that the source

432

00:18:44,810 --> 00:18:41,280

is another Mothership or satellite or is

433

00:18:46,610 --> 00:18:44,820

it going straight back to Epsilon it may

434

00:18:49,250 --> 00:18:46,620

go to some type of array that may be out

435

00:18:51,110 --> 00:18:49,260

in deep space and that array may send it

436

00:18:53,450 --> 00:18:51,120

straight to its source

437

00:18:56,110 --> 00:18:53,460

yeah somebody just said Jimmy you had a

438

00:19:02,930 --> 00:18:59,990

Billy and I uh Billy had a presentation

439

00:19:04,909 --> 00:19:02,940

uh we had the awards that night uh I had

440

00:19:08,450 --> 00:19:04,919

the introductions of course with Billy

441

00:19:10,789 --> 00:19:08,460

and and others uh Robert's shock knocked

442

00:19:12,770 --> 00:19:10,799

it out of the park uh this weekend uh

443

00:19:14,990 --> 00:19:12,780

and so many others yeah

444

00:19:17,810 --> 00:19:15,000

um but yeah we had a we had a listen

445

00:19:19,370 --> 00:19:17,820

it's about Robert shock so Robert shock

446

00:19:22,190 --> 00:19:19,380

is a real scientist

447

00:19:26,330 --> 00:19:22,200

he's a real geologist real doctor real

448

00:19:28,130 --> 00:19:26,340

uh you know professor at a college

449

00:19:29,690 --> 00:19:28,140

um and what was uh you know he's been

450

00:19:31,909 --> 00:19:29,700

one of the greatest field of researchers

451

00:19:33,890 --> 00:19:31,919

and that I know of in this field and in

452

00:19:35,510 --> 00:19:33,900

this community and he was sitting in the

453

00:19:37,450 --> 00:19:35,520

front row of my lecture and he was

454

00:19:40,730 --> 00:19:37,460

taking pictures of every slot I put up

455

00:19:42,110 --> 00:19:40,740

that made me feel so good

456

00:19:45,470 --> 00:19:42,120

you know I'm saying to have a real

457

00:19:48,710 --> 00:19:45,480

Professor a real like professional

458

00:19:51,289 --> 00:19:48,720

like admire my work and take pictures of

459

00:19:52,549 --> 00:19:51,299

my each slide and at the end come up and

460

00:19:54,590 --> 00:19:52,559

shake my hand and tell me that was

461

00:19:57,169 --> 00:19:54,600

amazing yeah yeah yeah

462

00:19:58,549 --> 00:19:57,179

um he and thank you for bringing up that

463

00:19:59,570 --> 00:19:58,559

point

464

00:20:02,090 --> 00:19:59,580

um

465

00:20:04,070 --> 00:20:02,100

I I when you say his name you just can't

466

00:20:06,409 --> 00:20:04,080

like uh you know blow pass and let's

467

00:20:08,450 --> 00:20:06,419

move on to another subject he is so

468

00:20:10,909 --> 00:20:08,460

important to the community right and at

469

00:20:11,930 --> 00:20:10,919

the end of his uh presentation I went up

470

00:20:15,470 --> 00:20:11,940

on stage

471

00:20:18,529 --> 00:20:15,480

and uh and I just didn't want him to end

472

00:20:19,970 --> 00:20:18,539

right there I said hold on just hold on

473

00:20:22,010 --> 00:20:19,980

a minute

474

00:20:23,990 --> 00:20:22,020

let me ask you a question

475

00:20:26,870 --> 00:20:24,000

and I said I said to him I'm not making

476

00:20:30,190 --> 00:20:26,880

this up I go uh you trust me right and

477

00:20:34,310 --> 00:20:30,200

as soon as I said that he was like ah

478

00:20:37,430 --> 00:20:34,320

you were there and uh but I said

479

00:20:40,549 --> 00:20:37,440

what was it like what does it feel like

480

00:20:44,990 --> 00:20:40,559

do you know that you changed the world

481

00:20:46,490 --> 00:20:45,000

yeah right and and his answer was you

482

00:20:48,890 --> 00:20:46,500

know what

483

00:20:51,529 --> 00:20:48,900

um there was a point where uh people

484

00:20:53,570 --> 00:20:51,539

were trying to get me fired uh they were

485

00:20:55,669 --> 00:20:53,580

coming at me from all directions that

486

00:20:58,549 --> 00:20:55,679

you're not allowed to to speak your mind

487

00:21:00,409 --> 00:20:58,559

or do research that doesn't fit and

488

00:21:02,330 --> 00:21:00,419

that's not how we do things in the

489

00:21:04,970 --> 00:21:02,340

academic world they came at me they came

490

00:21:07,250 --> 00:21:04,980

at me really hard but at some point and

491

00:21:09,650 --> 00:21:07,260

I loved the way he answered I have to

492

00:21:12,650 --> 00:21:09,660

stay true to myself I have to follow the

493

00:21:16,190 --> 00:21:12,660

real I have to stick to it I'm not going

494

00:21:17,750 --> 00:21:16,200

to fake this yeah this is how I feel and

495

00:21:19,669 --> 00:21:17,760

you know what you know damn the

496

00:21:23,390 --> 00:21:19,679

torpedoes let's just let's just go with

497

00:21:26,930 --> 00:21:23,400

this yeah and and thank goodness that

498

00:21:30,470 --> 00:21:26,940

not only that he did do that but he made

499

00:21:32,950 --> 00:21:30,480

he made this point on stage he said this

500

00:21:36,409 --> 00:21:32,960

wasn't yesterday I made this point in

501
00:21:38,330 --> 00:21:36,419
1993. the is before I had tenure yeah

502
00:21:39,950 --> 00:21:38,340
and that was the pressure that I was

503
00:21:41,690 --> 00:21:39,960
under and at that point I could have

504
00:21:43,130 --> 00:21:41,700
taken the safe road I could have done

505
00:21:45,350 --> 00:21:43,140
that and he's right that's what most

506
00:21:47,930 --> 00:21:45,360
people do I get that and I fully

507
00:21:49,850 --> 00:21:47,940
understand you know your family this

508
00:21:52,130 --> 00:21:49,860
that your career you know you've got

509
00:21:54,250 --> 00:21:52,140
things and uh you know you want your

510
00:21:57,289 --> 00:21:54,260
children maybe to go to

511
00:21:58,850 --> 00:21:57,299
go to college yeah and uh and you're

512
00:22:01,850 --> 00:21:58,860
gonna take the safe road I totally get

513
00:22:03,649 --> 00:22:01,860

that I'm not I'm not going to uh uh

514

00:22:06,529 --> 00:22:03,659

criticize anybody for those decisions

515

00:22:09,350 --> 00:22:06,539

but I will certainly recognize somebody

516

00:22:11,210 --> 00:22:09,360

that's willing to you know say Damn the

517

00:22:14,390 --> 00:22:11,220

Torpedoes and and I don't care what

518

00:22:16,010 --> 00:22:14,400

you're gonna fire at me I'm going to uh

519

00:22:17,990 --> 00:22:16,020

follow my heart and where this is

520

00:22:20,029 --> 00:22:18,000

leading me yeah absolutely I mean he's a

521

00:22:22,130 --> 00:22:20,039

man of his word he's gone out done the

522

00:22:24,590 --> 00:22:22,140

field research in person got his hands

523

00:22:26,049 --> 00:22:24,600

dirty excuse me and come up with his own

524

00:22:28,789 --> 00:22:26,059

hypothesis

525

00:22:30,649 --> 00:22:28,799

excuse me guys uh come over you've got

526

00:22:32,270 --> 00:22:30,659

Fade to Black blend right over there I

527

00:22:35,570 --> 00:22:32,280

know he's coming with his own hypothesis

528

00:22:37,430 --> 00:22:35,580

on uh you know the age of the Sphinx the

529

00:22:39,590 --> 00:22:37,440

age of the pyramids and a lot of these

530

00:22:42,230 --> 00:22:39,600

under other ancient sites like Gobekli

531

00:22:43,669 --> 00:22:42,240

Tepe and karahan Tepe and Darren kuyu

532

00:22:46,490 --> 00:22:43,679

all throughout turkey and everything

533

00:22:48,529 --> 00:22:46,500

else and he's done the research and he's

534

00:22:50,810 --> 00:22:48,539

come up with his own hypothesis based on

535

00:22:53,810 --> 00:22:50,820

his true knowledge that they taught him

536

00:22:56,630 --> 00:22:53,820

at University yeah and what he's learned

537

00:22:59,450 --> 00:22:56,640

is based on the way the science works

538

00:23:01,970 --> 00:22:59,460

that these sites are much older than

539

00:23:03,590 --> 00:23:01,980

what the mainstream is telling us and

540

00:23:05,870 --> 00:23:03,600

they want him to lie and say that it's

541

00:23:07,430 --> 00:23:05,880

not but he is not going to lie he's

542

00:23:10,310 --> 00:23:07,440

going to give you his honest opinion

543

00:23:13,130 --> 00:23:10,320

based on hypothesis based on real true

544

00:23:14,870 --> 00:23:13,140

scientific research and study and

545

00:23:15,830 --> 00:23:14,880

they're much older that's right that's

546

00:23:17,450 --> 00:23:15,840

right

547

00:23:21,710 --> 00:23:17,460

um in the few minutes that we have left

548

00:23:23,930 --> 00:23:21,720

uh literally uh uh Billy's luggage is

549

00:23:25,909 --> 00:23:23,940

waiting to get packed into a car and uh

550

00:23:28,490 --> 00:23:25,919

he's heading to LAX and and going back

551
00:23:30,289 --> 00:23:28,500
to Miami in the brief time that we have

552
00:23:34,250 --> 00:23:30,299
left let me ask you direct

553
00:23:37,730 --> 00:23:34,260
is the government our friend right now

554
00:23:40,909 --> 00:23:37,740
the UFO community and the government is

555
00:23:44,270 --> 00:23:40,919
trying to act like they got our backs

556
00:23:46,669 --> 00:23:44,280
are they our friend no the government is

557
00:23:49,250 --> 00:23:46,679
very slick the governments are experts

558
00:23:51,409 --> 00:23:49,260
in Neuroscience they understand the

559
00:23:55,190 --> 00:23:51,419
manipulation game they know how to cast

560
00:23:56,750 --> 00:23:55,200
spells via words AKA propaganda so they

561
00:23:59,210 --> 00:23:56,760
know how to utilize words and

562
00:24:02,510 --> 00:23:59,220
frequencies in a way and and trick

563
00:24:05,149 --> 00:24:02,520

phrases that are altered and confuse the

564

00:24:07,490 --> 00:24:05,159

human mind they're super expert they pay

565

00:24:09,230 --> 00:24:07,500

people millions of dollars a year to

566

00:24:11,330 --> 00:24:09,240

give them the knowledge on how to

567

00:24:13,430 --> 00:24:11,340

utilize this and cast these spells over

568

00:24:14,270 --> 00:24:13,440

the population and so what the

569

00:24:15,830 --> 00:24:14,280

government does is they're always

570

00:24:18,950 --> 00:24:15,840

looking for an angle for manipulation

571

00:24:21,110 --> 00:24:18,960

for control for power of course for

572

00:24:22,970 --> 00:24:21,120

military strength and everything that

573

00:24:25,909 --> 00:24:22,980

they discover they actually want to

574

00:24:28,330 --> 00:24:25,919

utilize it for weaponization they want

575

00:24:31,490 --> 00:24:28,340

to weaponize virtually almost everything

576
00:24:34,190 --> 00:24:31,500
and any technology that can put down

577
00:24:37,070 --> 00:24:34,200
complete Industries they try to suppress

578
00:24:40,190 --> 00:24:37,080
it they put it down and their main goal

579
00:24:42,529 --> 00:24:40,200
is to trickle out the technology over a

580
00:24:44,870 --> 00:24:42,539
long period of time and extend it as

581
00:24:47,029 --> 00:24:44,880
long as they possibly can given the big

582
00:24:49,070 --> 00:24:47,039
oligarchs enough time to make money what

583
00:24:50,510 --> 00:24:49,080
they're already in and slowly convert

584
00:24:52,730 --> 00:24:50,520
into whatever the next thing is going to

585
00:24:54,590 --> 00:24:52,740
be so in true reality they're not our

586
00:24:56,870 --> 00:24:54,600
friend and they should be working for us

587
00:24:59,570 --> 00:24:56,880
but they got us thinking that we work

588
00:25:01,430 --> 00:24:59,580

for them it's supposed to be of the

589

00:25:03,470 --> 00:25:01,440

People by the people but it's been

590

00:25:05,810 --> 00:25:03,480

flipped on us and because we're too

591

00:25:09,649 --> 00:25:05,820

afraid we continue to let them do it to

592

00:25:12,049 --> 00:25:09,659

us and it's easier I keep going back to

593

00:25:14,270 --> 00:25:12,059

that it's easier for so many just to put

594

00:25:18,350 --> 00:25:14,280

your head in the sand and and and and

595

00:25:20,870 --> 00:25:18,360

and ignore it it's it's easier and and

596

00:25:24,950 --> 00:25:20,880

that's that's the wrong approach we are

597

00:25:26,930 --> 00:25:24,960

in a position right now not uh not of

598

00:25:29,390 --> 00:25:26,940

power but the more power than we've had

599

00:25:31,669 --> 00:25:29,400

before yeah in this right we're not

600

00:25:35,330 --> 00:25:31,679

controlling this situation but we're

601
00:25:37,549 --> 00:25:35,340
getting pretty close and right now is

602
00:25:39,649 --> 00:25:37,559
not the time to relax or get complacent

603
00:25:41,390 --> 00:25:39,659
with this we need to we need to we need

604
00:25:43,490 --> 00:25:41,400
to stay strong don't we we need to stay

605
00:25:45,230 --> 00:25:43,500
strong we need to unite we got to forget

606
00:25:46,669 --> 00:25:45,240
about this divide and conquer stuff that

607
00:25:48,590 --> 00:25:46,679
they keep pulling over our heads and

608
00:25:50,390 --> 00:25:48,600
tricking us with and we have to realize

609
00:25:52,549 --> 00:25:50,400
that the eight billion people are more

610
00:25:54,590 --> 00:25:52,559
powerful together than a part right and

611
00:25:56,870 --> 00:25:54,600
when we completely and truthfully really

612
00:25:59,090 --> 00:25:56,880
truly realize that right that together

613
00:25:59,950 --> 00:25:59,100

we're stronger eight billion against a

614

00:26:04,310 --> 00:25:59,960

hundred

615

00:26:06,350 --> 00:26:04,320

eight billion people against 100 people

616

00:26:08,269 --> 00:26:06,360

this is why the aliens don't talk to us

617

00:26:11,149 --> 00:26:08,279

they look at the planet they go hey

618

00:26:12,649 --> 00:26:11,159

there might be some some high IQs in

619

00:26:13,970 --> 00:26:12,659

there let's take a look and they go wait

620

00:26:15,649 --> 00:26:13,980

a minute no eight billion people being

621

00:26:17,149 --> 00:26:15,659

controlled by a hundred people uh we'll

622

00:26:19,070 --> 00:26:17,159

come back in a couple thousand years to

623

00:26:21,409 --> 00:26:19,080

see where they're at next you guys need

624

00:26:23,870 --> 00:26:21,419

to get something together yeah

625

00:26:24,769 --> 00:26:23,880

um we've only got a couple minutes left

626

00:26:26,810 --> 00:26:24,779

um

627

00:26:28,789 --> 00:26:26,820

Elizabeth is right on the other side of

628

00:26:40,029 --> 00:26:28,799

that door can we get her to come in here

629

00:26:45,110 --> 00:26:43,430

ten years and uh you know just it's just

644

00:27:15,169 --> 00:27:13,620
