

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Tue Apr 04, 2023 LIVE

1
00:00:31,430 --> 00:00:21,450

[Music]

2
00:00:34,910 --> 00:00:31,440

thank you

3
00:00:40,610 --> 00:00:37,670

afternoon Fade to Black breaking news

4
00:00:45,130 --> 00:00:40,620

for this Tuesday that's right Tuesday

5
00:00:48,170 --> 00:00:45,140

April 4th 2023 this is all of the news

6
00:00:50,150 --> 00:00:48,180

that you need I'm Jimmy Church let's get

7
00:00:52,310 --> 00:00:50,160

straight to it on this day in history

8
00:00:55,549 --> 00:00:52,320

1968.

9
00:00:57,830 --> 00:00:55,559

Martin Luther King Jr is assassinated

10
00:01:00,590 --> 00:00:57,840

while standing on the balcony outside of

11
00:01:04,729 --> 00:01:00,600

his second story room at the Lorraine

12
00:01:07,250 --> 00:01:04,739

Motel in Memphis Tennessee tragic day in

13
00:01:09,670 --> 00:01:07,260

American history on this day in 1968 but

14

00:01:12,530 --> 00:01:09,680

let's get to the fader fact

15

00:01:18,590 --> 00:01:12,540

genocide fader fact

16

00:01:22,370 --> 00:01:18,600

the 1994 film Star Trek generations was

17

00:01:23,870 --> 00:01:22,380

the first movie ever to have an official

18

00:01:27,350 --> 00:01:23,880

website

19

00:01:29,570 --> 00:01:27,360

that's crazy and that

20

00:01:30,950 --> 00:01:29,580

is your fader fact here's your breaking

21

00:01:32,710 --> 00:01:30,960

news today I'm not taking the orange

22

00:01:36,350 --> 00:01:32,720

bait by the way

23

00:01:39,469 --> 00:01:36,360

astronomers have detected a repeating

24

00:01:42,050 --> 00:01:39,479

radio signal from an exoplanet and the

25

00:01:44,870 --> 00:01:42,060

star that it orbits both located 12

26

00:01:48,109 --> 00:01:44,880

light years away from Earth the signal

27

00:01:51,590 --> 00:01:48,119

suggests that the earth-sized planet may

28

00:01:54,770 --> 00:01:51,600

have a magnetic field just like ours and

29

00:01:56,569 --> 00:01:54,780

perhaps even an atmosphere Earth's

30

00:01:59,870 --> 00:01:56,579

magnetic field of course protects the

31

00:02:02,330 --> 00:01:59,880

planet's atmosphere which life needs to

32

00:02:04,550 --> 00:02:02,340

survive by deflecting energetic

33

00:02:07,190 --> 00:02:04,560

particles and plasma that stream out

34

00:02:09,529 --> 00:02:07,200

from the Sun finding atmospheres around

35

00:02:13,330 --> 00:02:09,539

planets located outside our solar system

36

00:02:16,850 --> 00:02:13,340

could provide other worlds potentially

37

00:02:19,449 --> 00:02:16,860

have and support life and this is what

38

00:02:21,949 --> 00:02:19,459

we are detecting now

39

00:02:25,070 --> 00:02:21,959

scientists noticed strong radio waves

40

00:02:27,949 --> 00:02:25,080

coming from the Star YZ seti and the

41

00:02:30,890 --> 00:02:27,959

rocky exoplanet that orbits it called y

42

00:02:33,890 --> 00:02:30,900

z said EB did all of this during

43

00:02:37,190 --> 00:02:33,900

observations using the Carl G jansky

44

00:02:39,350 --> 00:02:37,200

very large array of telescopes in New

45

00:02:41,809 --> 00:02:39,360

Mexico the researchers believe the radio

46

00:02:44,990 --> 00:02:41,819

signal was created by interactions

47

00:02:47,509 --> 00:02:45,000

between the planet's magnetic field and

48

00:02:50,690 --> 00:02:47,519

the star this is like a holy crap moment

49

00:02:54,290 --> 00:02:50,700

right there Finland

50

00:02:56,990 --> 00:02:54,300

that's right Finland

51
00:02:59,270 --> 00:02:57,000
has officially become the 31st member of

52
00:03:01,089 --> 00:02:59,280
NATO earlier today marking a major shift

53
00:03:04,670 --> 00:03:01,099
in the security landscape in

54
00:03:08,110 --> 00:03:04,680
northeastern Europe that adds 830 miles

55
00:03:12,170 --> 00:03:08,120
to the alliance's frontier with Russia

56
00:03:13,790 --> 00:03:12,180
the Nordic Nations Ascension was a

57
00:03:19,309 --> 00:03:13,800
session

58
00:03:21,530 --> 00:03:19,319
formal ceremony in NATO headquarters in

59
00:03:24,050 --> 00:03:21,540
Brussels with U.S Secretary of State

60
00:03:27,830 --> 00:03:24,060
Anthony blinken there and NATO Secretary

61
00:03:30,490 --> 00:03:27,840
General James stoltenberg on hand with

62
00:03:34,670 --> 00:03:30,500
Minister for foreign affairs Pekka

63
00:03:36,290 --> 00:03:34,680

javisto all right a man in India now

64

00:03:38,330 --> 00:03:36,300

check this out

65

00:03:46,430 --> 00:03:38,340

man

66

00:03:49,729 --> 00:03:46,440

caught a silver leaf

67

00:03:55,130 --> 00:03:49,739

still relief is a plant fungal disease

68

00:03:56,830 --> 00:03:55,140

in this is a world's first case of human

69

00:03:59,530 --> 00:03:56,840

infection

70

00:04:01,850 --> 00:03:59,540

Medics at the consultant Apollo

71

00:04:04,729 --> 00:04:01,860

multi-specialty hospitals in India wrote

72

00:04:07,850 --> 00:04:04,739

that in a journal in medical mycology

73

00:04:09,710 --> 00:04:07,860

case reports that the 61 year old

74

00:04:12,470 --> 00:04:09,720

patient came to the hospital with

75

00:04:15,050 --> 00:04:12,480

complaints of recurring cough hoarseness

76

00:04:17,990 --> 00:04:15,060

of voice difficulty swallowing and a

77

00:04:21,170 --> 00:04:18,000

sore throat and fatigue which he had had

78

00:04:24,590 --> 00:04:21,180

for about three months the man who

79

00:04:26,749 --> 00:04:24,600

wasn't named is a mushroom hunter and

80

00:04:29,390 --> 00:04:26,759

had no underlying health conditions that

81

00:04:32,629 --> 00:04:29,400

put him at risk and it's unclear when

82

00:04:35,990 --> 00:04:32,639

the incident occurred doctors performed

83

00:04:39,170 --> 00:04:36,000

an x-ray NCT scans the X-ray on his

84

00:04:42,730 --> 00:04:39,180

chest came back normal but the CT scan

85

00:04:46,370 --> 00:04:42,740

results showed an abscess in his neck

86

00:04:49,850 --> 00:04:46,380

now paratracheal abscesses can block

87

00:04:52,730 --> 00:04:49,860

Airwaves and leave to life-threatening

88

00:04:54,830 --> 00:04:52,740

infections which can be deadly if not

89

00:04:59,469 --> 00:04:54,840

caught and treated quickly doctors

90

00:05:02,450 --> 00:04:59,479

diagnosed a man with are you ready

91

00:05:05,450 --> 00:05:02,460

chondrosterium perparium that's right

92

00:05:09,230 --> 00:05:05,460

properium a plant fungus that causes

93

00:05:12,050 --> 00:05:09,240

Silver Leaf Disease in plants

94

00:05:15,469 --> 00:05:12,060

crazy isn't it

95

00:05:19,150 --> 00:05:15,479

uh previously unheard hour-long

96

00:05:23,810 --> 00:05:19,160

recording of the Beatles playing live in

97

00:05:26,270 --> 00:05:23,820

1963 has been Unearthed the recording

98

00:05:28,010 --> 00:05:26,280

which is the earliest known audio of the

99

00:05:31,969 --> 00:05:28,020

band playing in the United Kingdom was

100

00:05:33,670 --> 00:05:31,979

made on April 4th 1963 at a school in

101
00:05:36,650 --> 00:05:33,680
buckinghamshire

102
00:05:39,249 --> 00:05:36,660
Buckingham sure he just don't know how

103
00:05:42,170 --> 00:05:39,259
the Brits say these things do we

104
00:05:45,469 --> 00:05:42,180
buckinghamshire the recording was made

105
00:05:48,529 --> 00:05:45,479
by the then 15 year old Schoolboy John

106
00:05:51,529 --> 00:05:48,539
Bloomfield at a at the private all boy

107
00:05:53,810 --> 00:05:51,539
Stowe boarding school where the Beatles

108
00:05:56,090 --> 00:05:53,820
performed after another pupil his name

109
00:05:58,070 --> 00:05:56,100
was David Moore's wrote to the manager

110
00:06:00,770 --> 00:05:58,080
Brian Epstein and requested that the

111
00:06:03,890 --> 00:06:00,780
band play at the school Epstein asked

112
00:06:06,590 --> 00:06:03,900
for a hundred pounds that's right a

113
00:06:08,629 --> 00:06:06,600

hundred pound fee and Moore's raised the

114

00:06:11,990 --> 00:06:08,639

money by selling tickets to his

115

00:06:15,590 --> 00:06:12,000

schoolmates Bloomfield only revealed the

116

00:06:17,990 --> 00:06:15,600

existence of the recording at the 60th

117

00:06:20,210 --> 00:06:18,000

anniversary of the show approached and

118

00:06:24,170 --> 00:06:20,220

part of the tape received its first

119

00:06:27,350 --> 00:06:24,180

airing on the BBC Radio 4 show

120

00:06:29,749 --> 00:06:27,360

front row last night

121

00:06:33,110 --> 00:06:29,759

I haven't heard it yet but I am going to

122

00:06:35,870 --> 00:06:33,120

check it out two recently discovered

123

00:06:38,210 --> 00:06:35,880

black holes are remarkably close to

124

00:06:40,309 --> 00:06:38,220

Earth and they may represent a

125

00:06:42,469 --> 00:06:40,319

previously unknown category of the

126

00:06:44,150 --> 00:06:42,479

mysterious mass of objects an

127

00:06:46,189 --> 00:06:44,160

international team of astronomers

128

00:06:48,710 --> 00:06:46,199

discovered the black holes using data

129

00:06:51,170 --> 00:06:48,720

from the European space agency's Gaia

130

00:06:53,749 --> 00:06:51,180

Mission combined with a bevy of

131

00:06:59,270 --> 00:06:53,759

ground-based telescopes from around the

132

00:07:01,189 --> 00:06:59,280

world dubbed Gaia bh1 and Gaia bh2 the

133

00:07:03,529 --> 00:07:01,199

two black holes are the closest to Earth

134

00:07:04,850 --> 00:07:03,539

of any discovered so far according to

135

00:07:08,529 --> 00:07:04,860

the esa

136

00:07:11,270 --> 00:07:08,539

a guy at bh1 lives a mere

137

00:07:14,510 --> 00:07:11,280

1560 light years from our solar system

138

00:07:16,850 --> 00:07:14,520

towards a constellation nearly three

139

00:07:21,770 --> 00:07:16,860

times closer than the previous record

140

00:07:24,309 --> 00:07:21,780

holder Gaia bh2 sits about 3 800 light

141

00:07:28,249 --> 00:07:24,319

years away toward the constellation

142

00:07:31,129 --> 00:07:28,259

centaurias both are roughly 9 to 10

143

00:07:35,450 --> 00:07:31,139

times more massive than our sun and sit

144

00:07:39,469 --> 00:07:35,460

within our own Milky Way galaxy this is

145

00:07:41,589 --> 00:07:39,479

absolutely insane all right now I'm

146

00:07:45,770 --> 00:07:41,599

going to leave you with two things first

147

00:07:48,370 --> 00:07:45,780

Elon Musk has officially been dethroned

148

00:07:51,110 --> 00:07:48,380

from the top of Forbes annual World

149

00:07:53,029 --> 00:07:51,120

billionaires list the Tesla and Twitter

150

00:07:55,309 --> 00:07:53,039

Chief is now the second richest

151
00:07:58,370 --> 00:07:55,319
billionaire worth an estimated 180

152
00:08:01,249 --> 00:07:58,380
billion dollars which is 39 billion less

153
00:08:04,850 --> 00:08:01,259
than the previous year the top spot has

154
00:08:07,010 --> 00:08:04,860
been awarded to Bernard Arnold the

155
00:08:08,650 --> 00:08:07,020
chairman of the French luxury goods

156
00:08:11,270 --> 00:08:08,660
giant

157
00:08:12,950 --> 00:08:11,280
lvmh his net worth increased by more

158
00:08:14,350 --> 00:08:12,960
than 50 billion dollars in the past year

159
00:08:18,350 --> 00:08:14,360
to

160
00:08:20,510 --> 00:08:18,360
211 billion dollars Amazon founder Jeff

161
00:08:24,369 --> 00:08:20,520
Bezos lost the most amount of money of

162
00:08:28,610 --> 00:08:24,379
any billionaire on the list yeah he lost

163
00:08:33,469 --> 00:08:28,620

57 billion docs knocking him down from

164

00:08:35,810 --> 00:08:33,479

second position to third oh the Hawa the

165

00:08:37,310 --> 00:08:35,820

Hawaii well now I'm really going to

166

00:08:41,449 --> 00:08:37,320

leave you with this

167

00:08:45,410 --> 00:08:41,459

this is amazing to me both Tiger Woods

168

00:08:48,050 --> 00:08:45,420

and LeBron James were also added and

169

00:08:52,430 --> 00:08:48,060

announced as official billionaires today

170

00:08:54,430 --> 00:08:52,440

from Forbes that's right two guys who

171

00:08:56,090 --> 00:08:54,440

play with balls

172

00:08:59,329 --> 00:08:56,100

seriously

173

00:09:01,070 --> 00:08:59,339

yeah that's insane there you go there's

174

00:09:03,790 --> 00:09:01,080

all your Fade to Black breaking news

175

00:09:06,829 --> 00:09:03,800

that you need for this Monday April 4th

176

00:09:09,949 --> 00:09:06,839

2023 I'm Jimmy church and Fade to Black

177

00:09:17,160 --> 00:09:09,959

breaking news is produced by Renee
