

# FADE TO BLACK

with JIMMY CHURCH

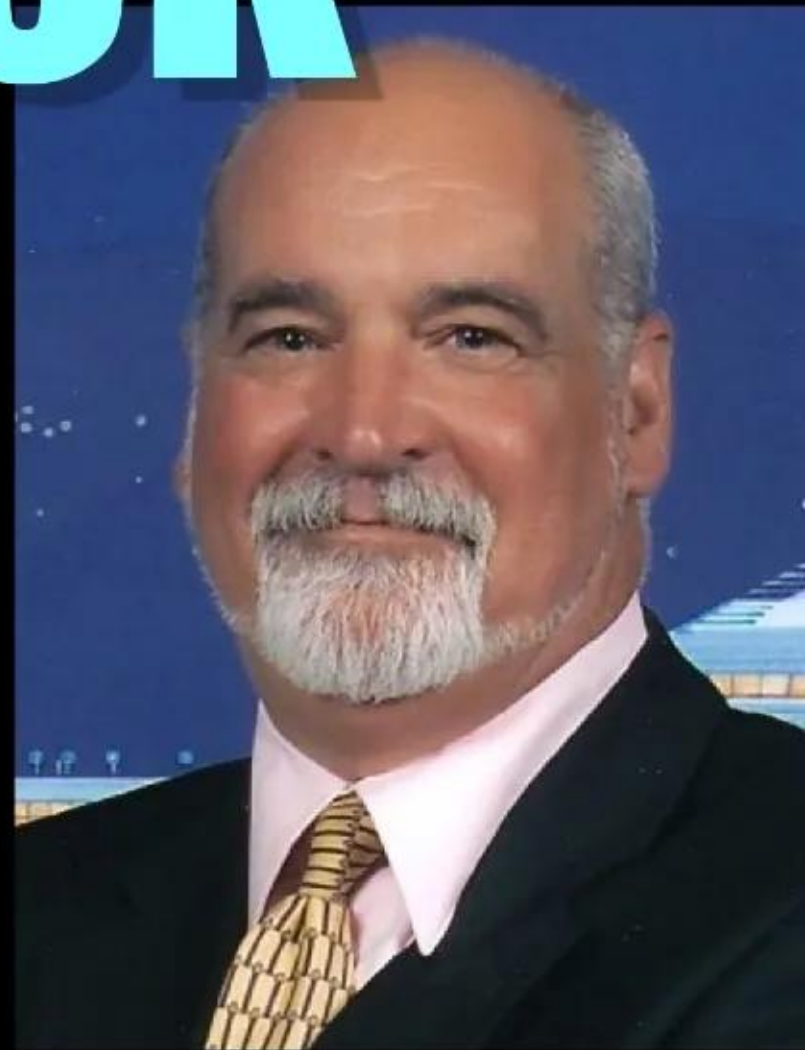

**PRESENTS**

**LES VELEZ**

**ALIEN CONTACT AND OPUS**

**TUE APRIL 18 LIVE**

**700-900PM PT**

1  
00:00:24,250 --> 00:00:19,269

[Music]

2  
00:00:27,529 --> 00:00:24,260

the smoke radio for the masses of July 8

3  
00:00:29,929 --> 00:00:27,539

1947 the Army Air Forces has announced

4  
00:00:36,069 --> 00:00:29,939

that a flying disc has been found and is

5  
00:00:43,549 --> 00:00:39,770

I occasionally think how quickly our

6  
00:00:46,190 --> 00:00:43,559

differences worldwide would vanish if we

7  
00:00:47,230 --> 00:00:46,200

were facing an alien threat from outside

8  
00:00:49,020 --> 00:00:47,240

this work

9  
00:00:49,230 --> 00:00:49,030

[Music]

10  
00:00:51,549 --> 00:00:49,240

[Applause]

11  
00:00:54,470 --> 00:00:51,559

[Music]

12  
00:00:57,350 --> 00:00:54,480

this is Fade to Black with your host

13  
00:00:58,010 --> 00:00:57,360

Jimmy Church on the game changer Radio

14

00:01:01,930 --> 00:00:58,020

Network

15

00:01:06,950 --> 00:01:01,940

[Music]

16

00:01:10,190 --> 00:01:06,960

welcome Fade to Black good evening it is

17

00:01:14,030 --> 00:01:10,200

Tuesday April 18 2023 I'm your sibby

18

00:01:16,370 --> 00:01:14,040

church and tonight Our Guest is UFO and

19

00:01:18,710 --> 00:01:16,380

contact researcher Les Velez he's

20

00:01:21,590 --> 00:01:18,720

joining us for the first time I don't

21

00:01:24,469 --> 00:01:21,600

have an excuse for saying those words uh

22

00:01:27,170 --> 00:01:24,479

but it is about time less is on with us

23

00:01:29,810 --> 00:01:27,180

we're going to be discussing uh E.T

24

00:01:33,050 --> 00:01:29,820

contact alien contact and his

25

00:01:34,910 --> 00:01:33,060

organization Opus it is going to be a

26

00:01:37,130 --> 00:01:34,920

great conversation tonight so buckle up

27

00:01:38,990 --> 00:01:37,140

he's a graduate of the University of

28

00:01:41,390 --> 00:01:39,000

Vermont with a bachelor degree of

29

00:01:44,870 --> 00:01:41,400

Science in Business Administration

30

00:01:47,390 --> 00:01:44,880

beginning in September 1970 he joined

31

00:01:50,149 --> 00:01:47,400

the U.S army as a field artillery

32

00:01:52,429 --> 00:01:50,159

officer was later vice president of

33

00:01:54,170 --> 00:01:52,439

luscom engineering at Silicon Valley

34

00:01:58,789 --> 00:01:54,180

based manufacturers representative

35

00:02:00,469 --> 00:01:58,799

company then he joined mufon in 1991 he

36

00:02:02,210 --> 00:02:00,479

was a field Investigator training

37

00:02:03,950 --> 00:02:02,220

coordinator for film investigators

38

00:02:06,550 --> 00:02:03,960

assistant state director in Northern

39

00:02:09,710 --> 00:02:06,560

California assistant state director

40

00:02:12,589 --> 00:02:09,720

chairman of aerc the abduction

41

00:02:15,070 --> 00:02:12,599

experience or research committee and

42

00:02:19,430 --> 00:02:15,080

team leader of the art the abduction

43

00:02:22,790 --> 00:02:19,440

response team now he is uh when I met

44

00:02:25,309 --> 00:02:22,800

Les he was in Northern California he's

45

00:02:28,610 --> 00:02:25,319

now located out in Texas where he is

46

00:02:30,470 --> 00:02:28,620

joining us tonight and his links are

47

00:02:33,830 --> 00:02:30,480

below but I want to get straight to it

48

00:02:36,130 --> 00:02:33,840

I'm excited because I've got less Velez

49

00:02:38,750 --> 00:02:36,140

on the show with us tonight last one

50

00:02:41,930 --> 00:02:38,760

how are you Jimmy good to be with you

51  
00:02:44,809 --> 00:02:41,940  
yeah it's it's I don't have an excuse uh

52  
00:02:47,030 --> 00:02:44,819  
I I don't but it's about time less I

53  
00:02:50,150 --> 00:02:47,040  
appreciate it and and here's the thing

54  
00:02:52,570 --> 00:02:50,160  
you get the First Time guest disclaimer

55  
00:02:55,790 --> 00:02:52,580  
you had to wait 10 years right

56  
00:02:57,350 --> 00:02:55,800  
which is this Les it's just you and I uh

57  
00:02:59,270 --> 00:02:57,360  
sitting on my couch having a

58  
00:03:00,890 --> 00:02:59,280  
conversation with friends and where the

59  
00:03:02,930 --> 00:03:00,900  
conversation starts and starts where it

60  
00:03:05,449 --> 00:03:02,940  
ends and ends but we're gonna end his

61  
00:03:08,170 --> 00:03:05,459  
friends there you go oh excellent

62  
00:03:13,430 --> 00:03:08,180  
excellent yeah yeah uh

63  
00:03:15,790 --> 00:03:13,440

say uh uh agree okay I agree no except

64

00:03:19,670 --> 00:03:15,800

except

65

00:03:21,610 --> 00:03:19,680

do you do that do you um uh when you get

66

00:03:24,710 --> 00:03:21,620

to those uh customer

67

00:03:27,350 --> 00:03:24,720

uh you know the agreement whatever terms

68

00:03:30,050 --> 00:03:27,360

of service you don't read that stuff do

69

00:03:33,170 --> 00:03:30,060

you you just hell no

70

00:03:35,149 --> 00:03:33,180

I mean I have no idea what I'm clicking

71

00:03:39,110 --> 00:03:35,159

away it could be anything we get your

72

00:03:41,050 --> 00:03:39,120

house yes right right yeah Amazon will

73

00:03:45,589 --> 00:03:41,060

will have your house

74

00:03:47,930 --> 00:03:45,599

no doubt no doubt oh man uh now this is

75

00:03:52,250 --> 00:03:47,940

uh this is great having you on tonight

76

00:03:54,830 --> 00:03:52,260

because your involvement uh with with uh

77

00:03:56,869 --> 00:03:54,840

the UFO community and of course uh

78

00:03:58,009 --> 00:03:56,879

contacties and and abductions and things

79

00:03:59,449 --> 00:03:58,019

like that

80

00:04:02,229 --> 00:03:59,459

um you've been doing this for a very

81

00:04:07,309 --> 00:04:02,239

long time and a part of our community

82

00:04:09,470 --> 00:04:07,319

but also on the Eve of the Senate UFO

83

00:04:11,330 --> 00:04:09,480

hearing which is going on uh tomorrow

84

00:04:13,729 --> 00:04:11,340

tomorrow morning yeah

85

00:04:16,210 --> 00:04:13,739

um and so obviously I want to spend some

86

00:04:19,789 --> 00:04:16,220

time uh talking about that we've got a

87

00:04:23,450 --> 00:04:19,799

long uh a night in front of us uh as far

88

00:04:26,330 --> 00:04:23,460

as information and conversation goes but

89

00:04:27,830 --> 00:04:26,340

um I kind of want to start there I'm

90

00:04:30,350 --> 00:04:27,840

going to start at the end of the story

91

00:04:31,550 --> 00:04:30,360

and then we'll get to the beginning in a

92

00:04:33,770 --> 00:04:31,560

few minutes

93

00:04:35,749 --> 00:04:33,780

um in that

94

00:04:37,129 --> 00:04:35,759

we're gonna hear what we're gonna hear

95

00:04:38,990 --> 00:04:37,139

tomorrow

96

00:04:44,530 --> 00:04:39,000

but we're not going to hear about

97

00:04:47,990 --> 00:04:44,540

abductions no and why why do you think

98

00:04:52,189 --> 00:04:48,000

that is and do you think that there will

99

00:04:56,270 --> 00:04:52,199

be a day when we have say Travis Walton

100

00:04:58,570 --> 00:04:56,280

uh called uh as as a witness uh in in

101  
00:05:01,370 --> 00:04:58,580  
Capitol Hill yeah I think it's coming

102  
00:05:04,370 --> 00:05:01,380  
and and I think this is the first step

103  
00:05:06,950 --> 00:05:04,380  
uh first you know and it's like when I

104  
00:05:09,350 --> 00:05:06,960  
when I started in in doing

105  
00:05:11,570 --> 00:05:09,360  
investigations for mufon

106  
00:05:14,210 --> 00:05:11,580  
um I was a nuts and bolts kind of a guy

107  
00:05:16,210 --> 00:05:14,220  
and you know I was so interested in

108  
00:05:19,430 --> 00:05:16,220  
understanding how these things operated

109  
00:05:21,710 --> 00:05:19,440  
and uh what they look like and and

110  
00:05:23,270 --> 00:05:21,720  
things of that nature and this is

111  
00:05:26,570 --> 00:05:23,280  
exactly what the government is doing

112  
00:05:28,689 --> 00:05:26,580  
right now and it's the same process and

113  
00:05:31,850 --> 00:05:28,699

then the next step

114

00:05:33,830 --> 00:05:31,860

and it will happen I'm sure because

115

00:05:37,070 --> 00:05:33,840

there's millions and millions of people

116

00:05:40,430 --> 00:05:37,080

that have had contact with non-human

117

00:05:43,730 --> 00:05:40,440

intelligences and and so

118

00:05:46,969 --> 00:05:43,740

you know Lou Elizondo you know gets out

119

00:05:49,249 --> 00:05:46,979

there does his thing and you know he's

120

00:05:52,010 --> 00:05:49,259

got the attention by saying hey we

121

00:05:55,790 --> 00:05:52,020

should be concerned if this is a threat

122

00:05:58,070 --> 00:05:55,800

and that's a logical way to to get

123

00:06:00,469 --> 00:05:58,080

Congress to to to pay attention because

124

00:06:02,090 --> 00:06:00,479

if if they say well there's no there's

125

00:06:04,370 --> 00:06:02,100

nothing to see here they're fine you

126  
00:06:06,890 --> 00:06:04,380  
know it would just blow over and when

127  
00:06:09,590 --> 00:06:06,900  
nothing would happen so it's a threat

128  
00:06:12,770 --> 00:06:09,600  
and that's how we're proceeding to

129  
00:06:14,390 --> 00:06:12,780  
understand that hey we need to really uh

130  
00:06:15,650 --> 00:06:14,400  
dig in and try to understand this

131  
00:06:18,469 --> 00:06:15,660  
phenomena

132  
00:06:20,330 --> 00:06:18,479  
and and and I've talked to a number of

133  
00:06:23,090 --> 00:06:20,340  
people including Nick Pope about the

134  
00:06:26,330 --> 00:06:23,100  
fact that hey you know we're missing the

135  
00:06:28,909 --> 00:06:26,340  
boat on this thing we we need to be

136  
00:06:30,770 --> 00:06:28,919  
talking you know more to to the

137  
00:06:33,469 --> 00:06:30,780  
experiencers

138  
00:06:36,050 --> 00:06:33,479

um about their contact and what they do

139

00:06:38,870 --> 00:06:36,060

know and I and I know that the

140

00:06:42,529 --> 00:06:38,880

government is doing just that they're

141

00:06:45,350 --> 00:06:42,539

already doing that but it's way under

142

00:06:49,189 --> 00:06:45,360

under the table right now

143

00:06:52,189 --> 00:06:49,199

um you're you're right about that and I

144

00:06:56,330 --> 00:06:52,199

was surprised I was very happy

145

00:06:58,550 --> 00:06:56,340

but I was surprised uh to see in the

146

00:07:00,770 --> 00:06:58,560

budget in the uh in the Jailer brand

147

00:07:03,770 --> 00:07:00,780

Amendment and and her wording on things

148

00:07:05,749 --> 00:07:03,780

she had a lot of help uh from from

149

00:07:08,809 --> 00:07:05,759

members of this community when you read

150

00:07:10,610 --> 00:07:08,819

the language and and how it was written

151  
00:07:14,749 --> 00:07:10,620  
to have

152  
00:07:19,490 --> 00:07:14,759  
health issues brought into it and so

153  
00:07:22,249 --> 00:07:19,500  
that in a roundabout way is a contactee

154  
00:07:25,129 --> 00:07:22,259  
right now it's a military version of it

155  
00:07:28,309 --> 00:07:25,139  
uh if you know what I'm saying sure but

156  
00:07:30,409 --> 00:07:28,319  
but to have health issues in there is

157  
00:07:32,629 --> 00:07:30,419  
suggesting that humans are making

158  
00:07:34,430 --> 00:07:32,639  
contact with stuff not of this Earth

159  
00:07:36,529 --> 00:07:34,440  
yeah there's

160  
00:07:38,390 --> 00:07:36,539  
and they people talk about the fact well

161  
00:07:40,610 --> 00:07:38,400  
there's no evidence well that's that's

162  
00:07:42,589 --> 00:07:40,620  
evidence that's evidence that people

163  
00:07:45,890 --> 00:07:42,599

have come in contact with this object

164

00:07:47,510 --> 00:07:45,900

and then they've they've had an issue of

165

00:07:52,150 --> 00:07:47,520

some sort some kind of a health issue

166

00:07:55,070 --> 00:07:52,160

whether it's radiation related uh

167

00:07:57,469 --> 00:07:55,080

electromagnetic related x-ray related

168

00:07:59,629 --> 00:07:57,479

gamma ray related

169

00:08:01,070 --> 00:07:59,639

um in my book I talk about that you know

170

00:08:02,749 --> 00:08:01,080

I came out with a book two years ago

171

00:08:04,670 --> 00:08:02,759

called the unknown other and the

172

00:08:07,309 --> 00:08:04,680

existential proposition of alien contact

173

00:08:09,770 --> 00:08:07,319

and I talk about the health issues and

174

00:08:11,749 --> 00:08:09,780

then George Knapp and comb Keller came

175

00:08:14,270 --> 00:08:11,759

out with that uh Skin Walkers at the

176

00:08:17,050 --> 00:08:14,280

Pentagon and they talked about that same

177

00:08:20,450 --> 00:08:17,060

same topic and so you got you know

178

00:08:24,469 --> 00:08:20,460

people like that obviously had the ear

179

00:08:27,350 --> 00:08:24,479

of of uh gillibrand and uh putting that

180

00:08:28,809 --> 00:08:27,360

kind of thing in into the uh into the

181

00:08:32,750 --> 00:08:28,819

bill

182

00:08:36,829 --> 00:08:32,760

I remember when the Condon report came

183

00:08:39,110 --> 00:08:36,839

out and and I get copy of it and John

184

00:08:41,149 --> 00:08:39,120

Burroughs and I uh were on the phone

185

00:08:42,889 --> 00:08:41,159

together and I I caught that one

186

00:08:45,170 --> 00:08:42,899

paragraph and I was a you know that was

187

00:08:47,570 --> 00:08:45,180

a that was a report but there was a

188

00:08:49,790 --> 00:08:47,580

paragraph in there that said I'm

189

00:08:53,769 --> 00:08:49,800

paraphrasing but it was just short too

190

00:08:55,449 --> 00:08:53,779

it's just a few sentences but it said

191

00:08:58,670 --> 00:08:55,459

that

192

00:09:03,230 --> 00:08:58,680

radiation of this type

193

00:09:06,110 --> 00:09:03,240

is a known effect of human contact with

194

00:09:12,110 --> 00:09:08,090

are you reading it because dude I'm

195

00:09:14,530 --> 00:09:12,120

reading it with you I'm like they they

196

00:09:17,810 --> 00:09:14,540

are saying in this report that they know

197

00:09:21,350 --> 00:09:17,820

that they that was one of the first

198

00:09:23,210 --> 00:09:21,360

times that uaps was you know used was in

199

00:09:26,090 --> 00:09:23,220

the condom report but

200

00:09:28,430 --> 00:09:26,100

but to have it there says that they've

201  
00:09:32,170 --> 00:09:28,440  
known about this issue for a long time

202  
00:09:35,269 --> 00:09:32,180  
yeah absolutely and

203  
00:09:37,550 --> 00:09:35,279  
you know you and I and and this

204  
00:09:39,410 --> 00:09:37,560  
community certainly knows the fact that

205  
00:09:42,829 --> 00:09:39,420  
this this whole thing has been going on

206  
00:09:44,570 --> 00:09:42,839  
for eons not not just since 1947. and

207  
00:09:47,449 --> 00:09:44,580  
and you know there's there's cave

208  
00:09:50,090 --> 00:09:47,459  
drawings of of UFOs in France and in

209  
00:09:51,590 --> 00:09:50,100  
Spain uh and that's another thing I have

210  
00:09:54,290 --> 00:09:51,600  
in my book I actually show those

211  
00:09:56,750 --> 00:09:54,300  
drawings uh

212  
00:09:59,150 --> 00:09:56,760  
yeah I mean our government knows what

213  
00:10:00,949 --> 00:09:59,160

the hell is going on and that they're

214

00:10:03,889 --> 00:10:00,959

they're doing the old drip method

215

00:10:05,509 --> 00:10:03,899

they're slowly slowly putting stuff out

216

00:10:08,990 --> 00:10:05,519

there because I guess they're afraid

217

00:10:10,790 --> 00:10:09,000

that the the the the uh you know the

218

00:10:13,730 --> 00:10:10,800

people here in our country will will

219

00:10:16,009 --> 00:10:13,740

freak out and uh I think the majority of

220

00:10:19,310 --> 00:10:16,019

people would not freak out I think uh

221

00:10:22,430 --> 00:10:19,320

that we could probably handle it now

222

00:10:26,090 --> 00:10:22,440

let's uh now now let's go backwards

223

00:10:28,070 --> 00:10:26,100

um what what Drew you to move on

224

00:10:32,329 --> 00:10:28,080

everybody's got their own unique little

225

00:10:34,790 --> 00:10:32,339

story but uh right uh what what you're a

226

00:10:36,889 --> 00:10:34,800

professional you're out there you know I

227

00:10:39,889 --> 00:10:36,899

know how you dress and how you walk I've

228

00:10:44,329 --> 00:10:39,899

seen what you drive right

229

00:10:47,509 --> 00:10:44,339

um you um you have uh a professional

230

00:10:49,130 --> 00:10:47,519

thing about you right and and and do you

231

00:10:50,990 --> 00:10:49,140

know what I'm talking about yeah you

232

00:10:53,210 --> 00:10:51,000

look great you're a professional

233

00:10:55,930 --> 00:10:53,220

um but I don't see that guy

234

00:10:58,910 --> 00:10:55,940

a field investigator

235

00:11:00,829 --> 00:10:58,920

so it's interesting that's a great

236

00:11:03,050 --> 00:11:00,839

question uh Jimmy

237

00:11:04,250 --> 00:11:03,060

um I have to go back to when I was 11

238

00:11:06,970 --> 00:11:04,260

years old

239

00:11:10,090 --> 00:11:06,980

I was living in Connecticut at the time

240

00:11:15,110 --> 00:11:10,100

and uh it was a

241

00:11:17,170 --> 00:11:15,120

Dusk and uh late October and I just was

242

00:11:20,630 --> 00:11:17,180

coming in the house from feeding my dog

243

00:11:22,670 --> 00:11:20,640

and uh I looked to the right and here's

244

00:11:25,690 --> 00:11:22,680

this totally

245

00:11:28,970 --> 00:11:25,700

silent object hovering over a tree line

246

00:11:32,269 --> 00:11:28,980

and uh it was oval in shape

247

00:11:36,350 --> 00:11:32,279

white is silverish kind of a thing and

248

00:11:39,110 --> 00:11:36,360

it was slowly moving and it scared the

249

00:11:42,170 --> 00:11:39,120

crap out of me I was just blown away by

250

00:11:43,790 --> 00:11:42,180

it and I ran in a house and I excitedly

251  
00:11:45,230 --> 00:11:43,800  
told my father about it and tried to get

252  
00:11:47,569 --> 00:11:45,240  
him to come out and by the time I

253  
00:11:49,730 --> 00:11:47,579  
convinced him to come out it was gone

254  
00:11:51,730 --> 00:11:49,740  
and he said well that's probably just a

255  
00:11:55,069 --> 00:11:51,740  
beacon of light reflecting off a cloud

256  
00:11:58,610 --> 00:11:55,079  
and I didn't buy that and shortly

257  
00:12:02,210 --> 00:11:58,620  
thereafter I went to the library and I

258  
00:12:04,190 --> 00:12:02,220  
started to look for books on UFOs and at

259  
00:12:07,550 --> 00:12:04,200  
that time George adamsky was the you

260  
00:12:09,710 --> 00:12:07,560  
know the preeminent writer of UFO stuff

261  
00:12:12,710 --> 00:12:09,720  
talking about his contact with the

262  
00:12:15,650 --> 00:12:12,720  
venusians and uh

263  
00:12:17,870 --> 00:12:15,660

so I really got into it for a while and

264

00:12:19,970 --> 00:12:17,880

then it was like somebody threw a switch

265

00:12:22,550 --> 00:12:19,980

and girls became a little bit more

266

00:12:26,569 --> 00:12:22,560

interesting in my life as I got older

267

00:12:28,690 --> 00:12:26,579

and then I went off to college

268

00:12:31,850 --> 00:12:28,700

got married

269

00:12:33,769 --> 00:12:31,860

and had a couple of kids you know in

270

00:12:37,490 --> 00:12:33,779

that interim of course I was in the

271

00:12:40,069 --> 00:12:37,500

service uh in the military and uh

272

00:12:43,009 --> 00:12:40,079

settled in Connecticut and this

273

00:12:46,850 --> 00:12:43,019

opportunity came up to uh buy into a

274

00:12:51,290 --> 00:12:46,860

business in San Jose California

275

00:12:54,710 --> 00:12:51,300

and so uh I moved the family in 1985

276

00:12:56,629 --> 00:12:54,720

moved out to San Jose and I picked up

277

00:12:59,090 --> 00:12:56,639

the paper one day the San Jose Mercury

278

00:13:00,769 --> 00:12:59,100

News and Stanton Freeman was going to

279

00:13:02,350 --> 00:13:00,779

talk about UFOs in the government

280

00:13:05,389 --> 00:13:02,360

cover-up

281

00:13:07,310 --> 00:13:05,399

well that was like the switch got turned

282

00:13:09,530 --> 00:13:07,320

again and it was like oh crap I gotta go

283

00:13:13,069 --> 00:13:09,540

see this guy and he was going to talk at

284

00:13:14,750 --> 00:13:13,079

San Jose City College and so I went

285

00:13:18,410 --> 00:13:14,760

there expecting to see a handful of

286

00:13:21,230 --> 00:13:18,420

people and the auditorium was packed uh

287

00:13:23,810 --> 00:13:21,240

and uh he gave his you know usual

288

00:13:25,370 --> 00:13:23,820

inimitable lecture really did a great

289

00:13:27,350 --> 00:13:25,380

job on it you know showing all those

290

00:13:29,629 --> 00:13:27,360

redacted pages and things that the

291

00:13:32,150 --> 00:13:29,639

government sent him

292

00:13:35,690 --> 00:13:32,160

and as I'm walking out at the end of

293

00:13:39,769 --> 00:13:35,700

this thing uh mufon has a table in the

294

00:13:42,889 --> 00:13:39,779

foyer and uh so I go over there and I I

295

00:13:45,410 --> 00:13:42,899

ask them what this is all about and so

296

00:13:49,069 --> 00:13:45,420

the he tells me and and they have a

297

00:13:51,230 --> 00:13:49,079

monthly journal and so I decided okay

298

00:13:52,970 --> 00:13:51,240

after talking to this guy that I've got

299

00:13:54,290 --> 00:13:52,980

to get the journal so I started to get

300

00:13:55,970 --> 00:13:54,300

the journal

301  
00:13:58,490 --> 00:13:55,980  
and then after a while that wasn't

302  
00:14:01,910 --> 00:13:58,500  
enough for me and I understood that they

303  
00:14:04,370 --> 00:14:01,920  
had a field investigator as exam and so

304  
00:14:08,090 --> 00:14:04,380  
I I studied up and I I took the exam

305  
00:14:10,069 --> 00:14:08,100  
past it and uh that's when things really

306  
00:14:12,290 --> 00:14:10,079  
got interesting

307  
00:14:13,910 --> 00:14:12,300  
most of the cases that I got involved

308  
00:14:15,290 --> 00:14:13,920  
with were not only sightings but people

309  
00:14:17,690 --> 00:14:15,300  
said that they had contact with

310  
00:14:19,730 --> 00:14:17,700  
non-human intelligences and you know

311  
00:14:22,310 --> 00:14:19,740  
here I am a nuts and bolts kind of a guy

312  
00:14:25,430 --> 00:14:22,320  
right and now now my mind is getting

313  
00:14:29,569 --> 00:14:25,440

expanded you know like oh my God you did

314

00:14:32,389 --> 00:14:29,579

what where when how and and and so

315

00:14:34,850 --> 00:14:32,399

then these people would ask me you know

316

00:14:38,050 --> 00:14:34,860

did I know of other people uh having

317

00:14:40,730 --> 00:14:38,060

similar experiences and I said yes I do

318

00:14:42,650 --> 00:14:40,740

and uh the next thing I'm doing I'm

319

00:14:47,090 --> 00:14:42,660

facilitating a support group in my

320

00:14:49,670 --> 00:14:47,100

office at work and uh and and the

321

00:14:52,370 --> 00:14:49,680

stories that came out of those sessions

322

00:14:56,150 --> 00:14:52,380

were were incredible

323

00:14:58,670 --> 00:14:56,160

um and uh it started to just learn so

324

00:15:00,949 --> 00:14:58,680

much about the phenomena and and what it

325

00:15:03,290 --> 00:15:00,959

is and what it means to these people and

326

00:15:05,509 --> 00:15:03,300

the fact that these people are really

327

00:15:08,629 --> 00:15:05,519

between a rock and a hard place because

328

00:15:11,269 --> 00:15:08,639

a lot of times they can't talk to their

329

00:15:13,490 --> 00:15:11,279

their spouses they can't talk to other

330

00:15:17,930 --> 00:15:13,500

family members they can't certainly talk

331

00:15:20,210 --> 00:15:17,940

to uh uh people at their job and even

332

00:15:22,009 --> 00:15:20,220

their clergy sometimes you know because

333

00:15:25,910 --> 00:15:22,019

then they said well it's a demon you

334

00:15:27,170 --> 00:15:25,920

know and that that's it and uh this

335

00:15:30,170 --> 00:15:27,180

so

336

00:15:32,629 --> 00:15:30,180

um I went through and this is this is

337

00:15:34,189 --> 00:15:32,639

what is really funny about hearing this

338

00:15:34,850 --> 00:15:34,199

from you

339

00:15:37,250 --> 00:15:34,860

um

340

00:15:42,110 --> 00:15:37,260

I have the exact same story

341

00:15:45,290 --> 00:15:42,120

and and in that all of this right have

342

00:15:46,610 --> 00:15:45,300

very very similar stories I was nine

343

00:15:49,670 --> 00:15:46,620

years old

344

00:15:53,810 --> 00:15:49,680

with my friend and we go to the library

345

00:15:57,590 --> 00:15:53,820

I'm you know but the TV show UFO is on

346

00:15:59,470 --> 00:15:57,600

it was 1970 or something 71 and I get

347

00:16:02,769 --> 00:15:59,480

the encyclopedia out

348

00:16:05,569 --> 00:16:02,779

UFO there's a picture the Rex Heflin

349

00:16:10,430 --> 00:16:05,579

photograph you know from Santa at the

350

00:16:13,910 --> 00:16:10,440

top at 1967 and I was hooked so that's

351

00:16:14,990 --> 00:16:13,920

when I was nine and then later on in

352

00:16:17,750 --> 00:16:15,000

life

353

00:16:21,170 --> 00:16:17,760

um uh I meet Steve Murillo our good

354

00:16:23,990 --> 00:16:21,180

friend his name is awesome and uh you

355

00:16:27,410 --> 00:16:24,000

know he's director of LA mufon and so I

356

00:16:30,650 --> 00:16:27,420

go to a mufon meeting 2008.

357

00:16:34,069 --> 00:16:30,660

and I walk in and and it was just like

358

00:16:36,290 --> 00:16:34,079

you're saying glass no I walk in and you

359

00:16:37,389 --> 00:16:36,300

know I'm I'm just kind of keep it to

360

00:16:40,310 --> 00:16:37,399

myself

361

00:16:42,769 --> 00:16:40,320

you know it's good and I hear people

362

00:16:44,930 --> 00:16:42,779

talking hey did you hear about so and so

363

00:16:47,210 --> 00:16:44,940

had an abduction experience and and

364

00:16:48,710 --> 00:16:47,220

we're gonna go to and and somebody over

365

00:16:51,050 --> 00:16:48,720

here is having a conversation did you

366

00:16:53,769 --> 00:16:51,060

see those recent photographs I'm like

367

00:16:57,590 --> 00:16:53,779

my people right

368

00:17:00,370 --> 00:16:57,600

we can talk like this in public yeah and

369

00:17:04,130 --> 00:17:00,380

that was it man I I I I

370

00:17:06,590 --> 00:17:04,140

that mufon was the place to be yeah and

371

00:17:08,569 --> 00:17:06,600

and to gather and you know how Steve did

372

00:17:09,890 --> 00:17:08,579

those just like you guys up in Northern

373

00:17:12,169 --> 00:17:09,900

California

374

00:17:13,490 --> 00:17:12,179

um that was a big meeting man I mean

375

00:17:16,250 --> 00:17:13,500

that was big it was hundreds of people

376

00:17:19,010 --> 00:17:16,260

there oh yeah that's a very good chapter

377

00:17:24,230 --> 00:17:19,020

very good chapter down there yeah it was

378

00:17:26,689 --> 00:17:24,240

amazing and it was exactly as as your

379

00:17:28,909 --> 00:17:26,699

your emotional personal reasons for

380

00:17:30,409 --> 00:17:28,919

doing this it's mine and it's so many

381

00:17:32,750 --> 00:17:30,419

others too and that's why we get

382

00:17:36,409 --> 00:17:32,760

together as a community absolutely

383

00:17:38,510 --> 00:17:36,419

absolutely and you know the story it it

384

00:17:42,409 --> 00:17:38,520

it

385

00:17:45,110 --> 00:17:42,419

I I've always you know wondered besides

386

00:17:48,830 --> 00:17:45,120

that initial experience that I had why

387

00:17:53,330 --> 00:17:48,840

did I continue to to to be so involved

388

00:17:56,150 --> 00:17:53,340

and and as as now that I'm retired I'm

389

00:17:58,370 --> 00:17:56,160

even more involved in all of this and uh

390

00:18:01,430 --> 00:17:58,380

and there there was a couple of times

391

00:18:03,230 --> 00:18:01,440

when I decided okay I've done this I you

392

00:18:05,750 --> 00:18:03,240

know I set up the organization I think

393

00:18:08,330 --> 00:18:05,760

I'm gonna bail out

394

00:18:08,950 --> 00:18:08,340

the universe won't let me

395

00:18:14,029 --> 00:18:08,960

know

396

00:18:16,810 --> 00:18:14,039

you got it yeah it's the Godfather man

397

00:18:20,029 --> 00:18:16,820

it's the Godfather yeah you're De Niro

398

00:18:23,090 --> 00:18:20,039

and uh it's really true every time you

399

00:18:25,190 --> 00:18:23,100

try to walk away yep they suck you back

400

00:18:28,630 --> 00:18:25,200

in yep now

401  
00:18:33,289 --> 00:18:28,640  
um I like the the nuts and bolts aspect

402  
00:18:36,770 --> 00:18:33,299  
of of reality because we were all there

403  
00:18:38,150 --> 00:18:36,780  
at one point you start to learn more I

404  
00:18:40,909 --> 00:18:38,160  
don't think the nuts and bolts stuff has

405  
00:18:44,750 --> 00:18:40,919  
gone away oh no it's a it's a mix of

406  
00:18:47,570 --> 00:18:44,760  
everything but you start to you know

407  
00:18:49,190 --> 00:18:47,580  
through your own experiences and and

408  
00:18:51,710 --> 00:18:49,200  
conversations and meeting other people

409  
00:18:54,169 --> 00:18:51,720  
that there's a whole lot to this story

410  
00:18:56,210 --> 00:18:54,179  
that we don't understand yet how did you

411  
00:18:58,690 --> 00:18:56,220  
start to make that transition

412  
00:19:03,169 --> 00:18:58,700  
well I think the transition

413  
00:19:07,010 --> 00:19:03,179

was was brought up brought to me uh by

414

00:19:10,549 --> 00:19:07,020

these people uh because they they needed

415

00:19:13,130 --> 00:19:10,559

help in some way shape or form and so in

416

00:19:16,850 --> 00:19:13,140

the very beginning when I was basically

417

00:19:18,950 --> 00:19:16,860

just strictly a mufon investigator

418

00:19:20,390 --> 00:19:18,960

um and you know it started the support

419

00:19:22,490 --> 00:19:20,400

group

420

00:19:26,330 --> 00:19:22,500

um one day

421

00:19:27,289 --> 00:19:26,340

um I got a call from uh it was uh it was

422

00:19:29,390 --> 00:19:27,299

uh

423

00:19:31,190 --> 00:19:29,400

I forget who who was the international

424

00:19:33,169 --> 00:19:31,200

director at the time I got this call

425

00:19:34,970 --> 00:19:33,179

there was a reporter from the Monterey

426

00:19:37,070 --> 00:19:34,980

Coast weekly paper that wanted to talk

427

00:19:38,870 --> 00:19:37,080

to an investigator he was writing an

428

00:19:42,529 --> 00:19:38,880

article about UFOs in the whole nine

429

00:19:44,570 --> 00:19:42,539

yards so he contacted me

430

00:19:45,230 --> 00:19:44,580

and uh

431

00:19:47,750 --> 00:19:45,240

um

432

00:19:50,690 --> 00:19:47,760

so we set up a meeting and he took my

433

00:19:53,810 --> 00:19:50,700

picture and we we sat down and talked

434

00:19:56,690 --> 00:19:53,820

for an hour two hours and he wrote this

435

00:19:59,870 --> 00:19:56,700

article up and shortly after the article

436

00:20:03,950 --> 00:19:59,880

came out I got a call from a a woman

437

00:20:06,590 --> 00:20:03,960

down in Carmel and she said I saw your

438

00:20:09,110 --> 00:20:06,600

article I'm really interested

439

00:20:10,850 --> 00:20:09,120

um I I want to understand what's going

440

00:20:12,710 --> 00:20:10,860

on with my brain weights when I'm in

441

00:20:15,830 --> 00:20:12,720

contact with these off Earthly entities

442

00:20:18,890 --> 00:20:15,840

and I say to myself well I I don't know

443

00:20:20,330 --> 00:20:18,900

how to help this person in that way and

444

00:20:23,270 --> 00:20:20,340

then she said she was working with an

445

00:20:26,450 --> 00:20:23,280

emergency room doctor down in Carmel uh

446

00:20:28,850 --> 00:20:26,460

who was a friend and I and I right away

447

00:20:31,669 --> 00:20:28,860

that triggered something that I had a

448

00:20:34,549 --> 00:20:31,679

doctor friend name was Eugene Lipson who

449

00:20:36,890 --> 00:20:34,559

actually co-founded Opus with me

450

00:20:38,630 --> 00:20:36,900

um I called him up and I said there's a

451

00:20:42,950 --> 00:20:38,640

doctor down there that's really into

452

00:20:46,010 --> 00:20:42,960

this whole UFO thing and uh why don't we

453

00:20:49,549 --> 00:20:46,020

just go down there and and meet this

454

00:20:52,250 --> 00:20:49,559

this person you know both of them so we

455

00:20:55,430 --> 00:20:52,260

did we walked into her home and on the

456

00:20:58,850 --> 00:20:55,440

wall uh it was a picture of her standing

457

00:21:02,390 --> 00:20:58,860

on the back of a vessel obviously in

458

00:21:05,870 --> 00:21:02,400

some tropical environment as it turned

459

00:21:07,430 --> 00:21:05,880

out it was the Caribbean and um I said

460

00:21:09,350 --> 00:21:07,440

what were you doing down there just out

461

00:21:11,930 --> 00:21:09,360

of curiosity and she says well I was

462

00:21:13,970 --> 00:21:11,940

helping these treasure hunters and I

463

00:21:15,470 --> 00:21:13,980

said really how were you doing that she

464

00:21:17,029 --> 00:21:15,480

says well I was in contact with the

465

00:21:18,190 --> 00:21:17,039

captain of The Galleon that had gone

466

00:21:23,169 --> 00:21:18,200

down

467

00:21:26,930 --> 00:21:23,179

so it was one of those Carmel homes

468

00:21:29,870 --> 00:21:26,940

oh my God yeah right so evidently she

469

00:21:32,930 --> 00:21:29,880

became very psychic after a near-death

470

00:21:35,529 --> 00:21:32,940

experience let me just jump in yeah the

471

00:21:39,830 --> 00:21:35,539

audience doesn't understand

472

00:21:43,970 --> 00:21:39,840

Carmel there is there is there is what

473

00:21:48,950 --> 00:21:43,980

you picture as nice and then you

474

00:21:52,190 --> 00:21:48,960

then there's caramel right and uh that

475

00:21:54,289 --> 00:21:52,200

is an incredible so was this I say this

476

00:21:55,909 --> 00:21:54,299

with the wink and a knot but was it a

477

00:21:58,909 --> 00:21:55,919

Carmel home

478

00:22:01,549 --> 00:21:58,919

no actually she was she was not in a

479

00:22:07,630 --> 00:22:01,559

what you would call a Carmel home it was

480

00:22:14,510 --> 00:22:11,210

Carmel yeah yeah she wasn't on 17 Mile

481

00:22:16,250 --> 00:22:14,520

Drive or anything like that so I've done

482

00:22:18,049 --> 00:22:16,260

that drive by the way yeah that's

483

00:22:20,570 --> 00:22:18,059

beautiful I've rubber necked on that

484

00:22:23,090 --> 00:22:20,580

drive a few times yeah yeah it's a

485

00:22:26,270 --> 00:22:23,100

that's a good drive okay so anyway so

486

00:22:27,830 --> 00:22:26,280

anyway so we we and she started telling

487

00:22:29,570 --> 00:22:27,840

us stuff about ourselves that there was

488

00:22:32,210 --> 00:22:29,580

no possible way she could understand

489

00:22:34,130 --> 00:22:32,220

that you know one of the one of the uh

490

00:22:36,110 --> 00:22:34,140

the traits of these people that have had

491

00:22:38,510 --> 00:22:36,120

contact with non-human intelligence is

492

00:22:41,270 --> 00:22:38,520

that they they come away with telepathic

493

00:22:43,370 --> 00:22:41,280

capabilities with psychic abilities uh

494

00:22:46,850 --> 00:22:43,380

healing abilities

495

00:22:49,789 --> 00:22:46,860

um you know I uh I gave a presentation

496

00:22:53,930 --> 00:22:49,799

at the muffman's Symposium two years ago

497

00:22:55,190 --> 00:22:53,940

in Vegas and uh in the audience uh was

498

00:23:01,549 --> 00:22:55,200

uh

499

00:23:04,310 --> 00:23:01,559

brain fart on on his name

500

00:23:06,169 --> 00:23:04,320

um it was the it was the uh major at

501  
00:23:09,110 --> 00:23:06,179  
Maelstrom Air Force Base

502  
00:23:11,930 --> 00:23:09,120  
um Salas Robert yeah Robert Salas and

503  
00:23:14,570 --> 00:23:11,940  
his wife okay and they came up to me

504  
00:23:16,370 --> 00:23:14,580  
after we said Can can we talk to you and

505  
00:23:18,289 --> 00:23:16,380  
I said sure So we went over to my table

506  
00:23:20,090 --> 00:23:18,299  
in the exhibitor area

507  
00:23:20,810 --> 00:23:20,100  
because I was Hawking my book at the

508  
00:23:22,669 --> 00:23:20,820  
time

509  
00:23:24,830 --> 00:23:22,679  
and uh

510  
00:23:26,210 --> 00:23:24,840  
they start telling me this story about

511  
00:23:29,210 --> 00:23:26,220  
their abduction

512  
00:23:31,730 --> 00:23:29,220  
they have both been abducted and she

513  
00:23:34,490 --> 00:23:31,740

came back and she never had this ability

514

00:23:39,110 --> 00:23:34,500

beforehand to heal people

515

00:23:42,169 --> 00:23:39,120

this healing capability and and so this

516

00:23:45,169 --> 00:23:42,179

phenomena it's not just one phenomena

517

00:23:49,330 --> 00:23:45,179

it's a multitude of phenomena

518

00:23:51,890 --> 00:23:49,340

and uh it it it has so many different

519

00:23:54,890 --> 00:23:51,900

branches to it you know people talk

520

00:23:57,770 --> 00:23:54,900

about the fact and and we did we did a a

521

00:23:59,090 --> 00:23:57,780

research project uh just recently we

522

00:24:02,930 --> 00:23:59,100

just finished the first phase of it

523

00:24:07,130 --> 00:24:02,940

called the omega-4 project and we sent

524

00:24:09,830 --> 00:24:07,140

this out to uh a therapist and and we

525

00:24:11,750 --> 00:24:09,840

wanted to know what was the the main

526

00:24:14,330 --> 00:24:11,760

thing that their their clients talked

527

00:24:16,730 --> 00:24:14,340

about and and the four things came back

528

00:24:19,190 --> 00:24:16,740

was the greatest number one

529

00:24:22,370 --> 00:24:19,200

orbs number two

530

00:24:24,710 --> 00:24:22,380

no uh yes and Interventional is number

531

00:24:30,649 --> 00:24:24,720

three and number four was Poltergeist

532

00:24:33,430 --> 00:24:30,659

activity and and so I I really firmly

533

00:24:36,830 --> 00:24:33,440

believe that all of all of these

534

00:24:38,750 --> 00:24:36,840

paranormal phenomena are interrelated in

535

00:24:41,090 --> 00:24:38,760

some way shape or form

536

00:24:43,970 --> 00:24:41,100

it's uh it's physics

537

00:24:46,190 --> 00:24:43,980

you know what I mean it's just it's just

538

00:24:48,529 --> 00:24:46,200

a particles interacting with each other

539

00:24:50,090 --> 00:24:48,539

I totally agree with you you know I

540

00:24:52,130 --> 00:24:50,100

think that in the end when we start

541

00:24:55,010 --> 00:24:52,140

connecting the dots we're going to see

542

00:24:58,370 --> 00:24:55,020

that the phenomena no matter what we're

543

00:25:00,649 --> 00:24:58,380

talking about is is all related

544

00:25:03,169 --> 00:25:00,659

um and we just don't we don't have the

545

00:25:07,970 --> 00:25:03,179

capability to understand that yet we're

546

00:25:08,690 --> 00:25:07,980

getting there uh but right now

547

00:25:10,970 --> 00:25:08,700

um

548

00:25:14,149 --> 00:25:10,980

you brought up cave paintings

549

00:25:15,850 --> 00:25:14,159

and so if we look at it like that if we

550

00:25:21,169 --> 00:25:15,860

look into deep history

551  
00:25:24,830 --> 00:25:21,179  
and you see the the paintings or you see

552  
00:25:27,649 --> 00:25:24,840  
sculpture you see art and then you hear

553  
00:25:29,750 --> 00:25:27,659  
the mythology and and the folklore and

554  
00:25:32,029 --> 00:25:29,760  
you read some of the text

555  
00:25:34,070 --> 00:25:32,039  
they were trying to say they didn't have

556  
00:25:38,029 --> 00:25:34,080  
the words

557  
00:25:40,789 --> 00:25:38,039  
to express what they were experiencing

558  
00:25:44,090 --> 00:25:40,799  
you know so it's Angels his voices from

559  
00:25:47,750 --> 00:25:44,100  
heaven then God said to do it this way

560  
00:25:50,510 --> 00:25:47,760  
or you know these different concepts and

561  
00:25:52,690 --> 00:25:50,520  
that goes with ghost or or the afterlife

562  
00:25:56,350 --> 00:25:52,700  
or parallel worlds they didn't know

563  
00:25:59,330 --> 00:25:56,360

right right right as a matter of fact

564

00:26:01,909 --> 00:25:59,340

that's a good point because one of the

565

00:26:04,610 --> 00:26:01,919

one of the uh sections in in the book I

566

00:26:06,289 --> 00:26:04,620

talk about ancient descriptions you know

567

00:26:08,990 --> 00:26:06,299

like the Romans talking about these

568

00:26:12,289 --> 00:26:09,000

shining shields in the sky they called

569

00:26:13,909 --> 00:26:12,299

them Shields you know and because that's

570

00:26:17,210 --> 00:26:13,919

the closest thing they could equate it

571

00:26:19,610 --> 00:26:17,220

to uh and and there's just a plethora of

572

00:26:22,909 --> 00:26:19,620

History you know going back to the

573

00:26:25,490 --> 00:26:22,919

Greeks the Romans uh and beyond that

574

00:26:27,470 --> 00:26:25,500

talk about seeing these things and they

575

00:26:31,730 --> 00:26:27,480

described in various ways you know as

576

00:26:34,970 --> 00:26:31,740

you say God's uh Angels you name it

577

00:26:37,850 --> 00:26:34,980

it's it's all the same thing yeah I mean

578

00:26:42,289 --> 00:26:37,860

it there isn't

579

00:26:45,470 --> 00:26:42,299

um I remember uh L.A Marzulli and I uh

580

00:26:47,890 --> 00:26:45,480

I'm not name-dropping but he has got

581

00:26:52,730 --> 00:26:47,900

such a great take on this subject right

582

00:26:54,890 --> 00:26:52,740

and and I always thought the first time

583

00:26:57,529 --> 00:26:54,900

I wasn't

584

00:27:01,430 --> 00:26:57,539

it wasn't until I was like 21 years old

585

00:27:02,990 --> 00:27:01,440

where I actually sat down and decided to

586

00:27:05,750 --> 00:27:03,000

read the Bible

587

00:27:08,029 --> 00:27:05,760

I read it as a book I am not a religious

588

00:27:10,730 --> 00:27:08,039

thing just read it as a book page one

589

00:27:13,130 --> 00:27:10,740

Genesis right and you know Tim and read

590

00:27:16,430 --> 00:27:13,140

this thing through and and I got to the

591

00:27:17,529 --> 00:27:16,440

end and I you know what popped into my

592

00:27:20,890 --> 00:27:17,539

head

593

00:27:28,149 --> 00:27:20,900

if I insert aliens

594

00:27:35,210 --> 00:27:31,970

and La goes Jimmy it's a great it's

595

00:27:38,690 --> 00:27:35,220

science fiction yeah look at it like

596

00:27:40,549 --> 00:27:38,700

that it's it's not any different and and

597

00:27:45,230 --> 00:27:40,559

I agree they just didn't have another

598

00:27:47,930 --> 00:27:45,240

way to to word it so you know it's not a

599

00:27:50,049 --> 00:27:47,940

religion thing it's just it's it's it's

600

00:27:52,730 --> 00:27:50,059

it's it's it's

601  
00:27:54,529 --> 00:27:52,740  
the lack of we don't have the right

602  
00:27:57,470 --> 00:27:54,539  
words to use

603  
00:27:59,269 --> 00:27:57,480  
with our experiences today we don't have

604  
00:28:00,769 --> 00:27:59,279  
those words yet well what one of the

605  
00:28:02,690 --> 00:28:00,779  
things that that I've come to the

606  
00:28:05,330 --> 00:28:02,700  
conclusion and I think a number of other

607  
00:28:08,269 --> 00:28:05,340  
people have also come to the same

608  
00:28:11,149 --> 00:28:08,279  
conclusion that the these these

609  
00:28:13,730 --> 00:28:11,159  
experiences that the uh people are

610  
00:28:15,710 --> 00:28:13,740  
having with non-human intelligences it

611  
00:28:17,510 --> 00:28:15,720  
becomes a spiritual journey not a

612  
00:28:22,130 --> 00:28:17,520  
religious Journey but a spiritual

613  
00:28:24,049 --> 00:28:22,140

journey and a a changing of a person's

614

00:28:27,169 --> 00:28:24,059

Consciousness

615

00:28:29,149 --> 00:28:27,179

um and uh you know almost without

616

00:28:31,130 --> 00:28:29,159

exception these people come back after

617

00:28:34,010 --> 00:28:31,140

an experience and say hey

618

00:28:36,350 --> 00:28:34,020

they're I'm being told that we need to

619

00:28:38,090 --> 00:28:36,360

be better stewards of the planet we need

620

00:28:40,370 --> 00:28:38,100

to be better to one another we need to

621

00:28:43,130 --> 00:28:40,380

be more loving I mean these are all very

622

00:28:45,110 --> 00:28:43,140

positive things you know and then of

623

00:28:47,750 --> 00:28:45,120

course there's a other people that have

624

00:28:50,630 --> 00:28:47,760

had really terrible experiences but the

625

00:28:54,230 --> 00:28:50,640

majority of people it seems uh have had

626  
00:28:56,870 --> 00:28:54,240  
positive experiences uh with these even

627  
00:29:01,909 --> 00:28:56,880  
though the beginning stages are are

628  
00:29:03,649 --> 00:29:01,919  
traumatic very traumatic now okay let's

629  
00:29:06,590 --> 00:29:03,659  
let's stay right there for a second Les

630  
00:29:10,250 --> 00:29:06,600  
because this is very important we can go

631  
00:29:12,529 --> 00:29:10,260  
and watch fire in the sky right and you

632  
00:29:15,230 --> 00:29:12,539  
know look at Betty and Barney Hill you

633  
00:29:17,330 --> 00:29:15,240  
know and and you know the the lovely

634  
00:29:20,269 --> 00:29:17,340  
Kathleen Martin and sit down and have

635  
00:29:23,350 --> 00:29:20,279  
conversations about the stuff but

636  
00:29:27,529 --> 00:29:23,360  
um you get into

637  
00:29:31,850 --> 00:29:27,539  
millions of people it's not just you

638  
00:29:35,409 --> 00:29:31,860

know a handful of it's It's millions and

639

00:29:39,889 --> 00:29:35,419

it can't be some deeply rooted common

640

00:29:41,750 --> 00:29:39,899

psychosis right it can't be that there

641

00:29:45,110 --> 00:29:41,760

has to be something else going on right

642

00:29:47,330 --> 00:29:45,120

absolutely you know and you mentioned

643

00:29:50,990 --> 00:29:47,340

millions of people we you know uh Bud

644

00:29:54,289 --> 00:29:51,000

Hopkins and David Jacobs uh uh had that

645

00:29:57,950 --> 00:29:54,299

Roper pole done in 80 to 92 that the

646

00:29:59,510 --> 00:29:57,960

Bigelow uh financed I guess and uh you

647

00:30:01,909 --> 00:29:59,520

know they came up with a number like one

648

00:30:04,730 --> 00:30:01,919

in fifty or like six million people at

649

00:30:07,070 --> 00:30:04,740

that time were having experiences just

650

00:30:09,470 --> 00:30:07,080

in the United States that's here that's

651

00:30:12,529 --> 00:30:09,480

just here and so if you you

652

00:30:15,350 --> 00:30:12,539

extrapolate that to this time frame and

653

00:30:16,250 --> 00:30:15,360

that it's a worldwide phenomena

654

00:30:18,409 --> 00:30:16,260

um

655

00:30:20,810 --> 00:30:18,419

my latest theory on all this is that

656

00:30:23,210 --> 00:30:20,820

we've all had an experience whether we

657

00:30:26,570 --> 00:30:23,220

consciously remember it or not

658

00:30:28,730 --> 00:30:26,580

and I got a story about that one of the

659

00:30:31,730 --> 00:30:28,740

support group meetings

660

00:30:33,230 --> 00:30:31,740

that I had when I was in San Jose a

661

00:30:35,090 --> 00:30:33,240

person in the group says to me I've seen

662

00:30:36,950 --> 00:30:35,100

you before I said oh we're in a UFO

663

00:30:38,029 --> 00:30:36,960

conference no I saw you on board the

664

00:30:39,350 --> 00:30:38,039

craft

665

00:30:42,529 --> 00:30:39,360

and

666

00:30:45,649 --> 00:30:42,539

um I said oh really okay

667

00:30:48,230 --> 00:30:45,659

um and I kind of blew it off and uh

668

00:30:51,289 --> 00:30:48,240

it was a year and a half maybe two years

669

00:30:53,870 --> 00:30:51,299

later a totally different person

670

00:30:55,970 --> 00:30:53,880

you know said to me after the meeting

671

00:30:58,250 --> 00:30:55,980

I've seen you before and I said really

672

00:31:00,409 --> 00:30:58,260

UFO what's your UFO conference he said

673

00:31:02,090 --> 00:31:00,419

no no you were sitting on this bench

674

00:31:03,590 --> 00:31:02,100

naked on board the craft and you were

675

00:31:05,870 --> 00:31:03,600

freaking out and they told me to go over

676  
00:31:10,870 --> 00:31:05,880  
to you to calm you down now what do you

677  
00:31:20,510 --> 00:31:15,970  
normally a a normie would go man

678  
00:31:22,669 --> 00:31:20,520  
okay somebody's nuts right but you can't

679  
00:31:24,950 --> 00:31:22,679  
do that because we've all had our own

680  
00:31:28,070 --> 00:31:24,960  
experiences that are just as valid as

681  
00:31:31,070 --> 00:31:28,080  
anybody else's right right right so I do

682  
00:31:34,190 --> 00:31:31,080  
that I I decided I'll go get regressed I

683  
00:31:37,909 --> 00:31:34,200  
wanted to find out what I had three

684  
00:31:40,490 --> 00:31:37,919  
separate regressions none of them

685  
00:31:44,810 --> 00:31:40,500  
could I come up with anything related to

686  
00:31:48,049 --> 00:31:44,820  
you know UFO or alien type things but I

687  
00:31:50,330 --> 00:31:48,059  
had multiple past lives multiple past

688  
00:31:53,210 --> 00:31:50,340

lives and

689

00:31:56,090 --> 00:31:53,220

one of the people that I I came in

690

00:31:57,950 --> 00:31:56,100

contact with uh shortly thereafter said

691

00:32:00,590 --> 00:31:57,960

well you know maybe these people have

692

00:32:05,230 --> 00:32:00,600

tapped into a past life that you had

693

00:32:12,769 --> 00:32:08,810

uh well uh June Steiner yeah of course

694

00:32:14,570 --> 00:32:12,779

did it did it and uh uh oh gosh what was

695

00:32:17,029 --> 00:32:14,580

the other gal's name

696

00:32:19,669 --> 00:32:17,039

God I can't remember the other the other

697

00:32:22,090 --> 00:32:19,679

person that I that I utilized I did two

698

00:32:25,370 --> 00:32:22,100

sessions with her and then one with June

699

00:32:26,570 --> 00:32:25,380

maybe Lori McDonald no it wasn't it

700

00:32:32,210 --> 00:32:26,580

wasn't Lori

701  
00:32:34,730 --> 00:32:32,220  
um oh uh her first name is Diana Diana

702  
00:32:36,950 --> 00:32:34,740  
I think I think I think Lori McDonald

703  
00:32:39,710 --> 00:32:36,960  
introduced us

704  
00:32:42,470 --> 00:32:39,720  
yeah probably yeah I think so now that I

705  
00:32:44,810 --> 00:32:42,480  
think about it absolutely absolutely

706  
00:32:48,350 --> 00:32:44,820  
um okay so back to the regression uh

707  
00:32:51,110 --> 00:32:48,360  
which is also very interesting

708  
00:32:53,450 --> 00:32:51,120  
um do you think we're going to go back

709  
00:32:55,370 --> 00:32:53,460  
to regression but do you think that

710  
00:32:57,110 --> 00:32:55,380  
you've been abducted I mean what's your

711  
00:33:00,350 --> 00:32:57,120  
what's your what's your Vibe on that now

712  
00:33:03,649 --> 00:33:00,360  
yeah my vibe on it right now is that I

713  
00:33:07,310 --> 00:33:03,659

don't seem to have you know any typical

714

00:33:09,590 --> 00:33:07,320

you know no implant type of a thing no

715

00:33:11,350 --> 00:33:09,600

markings on the body

716

00:33:14,509 --> 00:33:11,360

um no physical

717

00:33:16,970 --> 00:33:14,519

problems you know no nosebleeds going on

718

00:33:18,470 --> 00:33:16,980

uh Missing time

719

00:33:24,529 --> 00:33:18,480

I

720

00:33:27,470 --> 00:33:24,539

time and here's that's that's the point

721

00:33:30,409 --> 00:33:27,480

I've had some pretty weird dreams

722

00:33:32,149 --> 00:33:30,419

pretty weird dreams and so whether or

723

00:33:35,149 --> 00:33:32,159

not that dream was a little bit more

724

00:33:36,710 --> 00:33:35,159

weird Than Just A Dream is totally

725

00:33:41,090 --> 00:33:36,720

possible

726

00:33:45,649 --> 00:33:41,100

um but uh no I've

727

00:33:49,250 --> 00:33:45,659

I'm a little I'm I'm more open now to

728

00:33:52,610 --> 00:33:49,260

regression I've always put if I've been

729

00:33:55,070 --> 00:33:52,620

abducted I don't want to know right that

730

00:33:56,269 --> 00:33:55,080

was that's been my take I I just I don't

731

00:33:58,250 --> 00:33:56,279

want to know don't want to find out

732

00:34:01,070 --> 00:33:58,260

right now I feel pretty good about

733

00:34:03,830 --> 00:34:01,080

myself right and I just don't want to go

734

00:34:06,950 --> 00:34:03,840

down that road but uh this past week I

735

00:34:08,230 --> 00:34:06,960

got to see Sarah breskman cosme do a

736

00:34:11,750 --> 00:34:08,240

regression

737

00:34:15,770 --> 00:34:11,760

and I I sat in the back I hosted this

738

00:34:18,889 --> 00:34:15,780

conference and and and so I get to see

739

00:34:20,869 --> 00:34:18,899

the process and and see how she does I

740

00:34:23,089 --> 00:34:20,879

can't speak for everybody else and I you

741

00:34:25,430 --> 00:34:23,099

you and I have a lot of very close

742

00:34:28,810 --> 00:34:25,440

Mutual dear friends that are great

743

00:34:33,649 --> 00:34:28,820

therapists but I don't know their style

744

00:34:35,629 --> 00:34:33,659

but watching Sarah's process and and how

745

00:34:39,129 --> 00:34:35,639

she does it I'm a little more

746

00:34:43,250 --> 00:34:41,629

it's a good point that you know you've

747

00:34:45,409 --> 00:34:43,260

you've had that attitude where you know

748

00:34:47,030 --> 00:34:45,419

I don't I don't want to you may uncover

749

00:34:50,329 --> 00:34:47,040

something that you really don't want to

750

00:34:52,629 --> 00:34:50,339

know or you know what's the difference

751  
00:34:55,010 --> 00:34:52,639  
no I don't want somebody else to know

752  
00:34:57,470 --> 00:34:55,020  
once the toothpaste is out of the tube

753  
00:34:59,390 --> 00:34:57,480  
it's hard to put it back in as they say

754  
00:35:01,730 --> 00:34:59,400  
right and by the way that other

755  
00:35:03,290 --> 00:35:01,740  
regressionist was Diana Celeste I just

756  
00:35:05,930 --> 00:35:03,300  
remembered her name

757  
00:35:07,510 --> 00:35:05,940  
um and they were both in San Jose

758  
00:35:11,150 --> 00:35:07,520  
at the time

759  
00:35:13,190 --> 00:35:11,160  
but um yeah it's it's uh a matter of

760  
00:35:17,150 --> 00:35:13,200  
fact when people come to us and we can

761  
00:35:20,630 --> 00:35:17,160  
talk about what how Opus helps people

762  
00:35:22,910 --> 00:35:20,640  
um is that we we counsel them that hey

763  
00:35:24,890 --> 00:35:22,920

look if you're not absolutely sure that

764

00:35:26,810 --> 00:35:24,900

you want to do hypnosis then you

765

00:35:29,690 --> 00:35:26,820

probably shouldn't do it you need to be

766

00:35:33,050 --> 00:35:29,700

really ready to do it

767

00:35:36,050 --> 00:35:35,210

got that mute button let me tell you

768

00:35:38,870 --> 00:35:36,060

something

769

00:35:40,910 --> 00:35:38,880

this cough button right here is my

770

00:35:43,130 --> 00:35:40,920

friend

771

00:35:45,589 --> 00:35:43,140

yeah okay now you need to turn it back

772

00:35:49,730 --> 00:35:45,599

on Les

773

00:35:56,470 --> 00:35:52,250

um the uh

774

00:36:02,210 --> 00:35:56,480

the mysterious part about it uh for me

775

00:36:04,310 --> 00:36:02,220

is when you go from a very pragmatic

776

00:36:06,530 --> 00:36:04,320

View

777

00:36:08,690 --> 00:36:06,540

there's the universe is a big place

778

00:36:11,390 --> 00:36:08,700

there's got to be lots of Life out there

779

00:36:14,089 --> 00:36:11,400

I can deal with that we're being visited

780

00:36:17,450 --> 00:36:14,099

by something sure right it's just too

781

00:36:21,349 --> 00:36:17,460

big of a place and and then you go from

782

00:36:23,870 --> 00:36:21,359

that into these other layers that are

783

00:36:27,109 --> 00:36:23,880

underneath that and one of those is the

784

00:36:30,349 --> 00:36:27,119

abduction experience and that is a

785

00:36:34,190 --> 00:36:30,359

that's a big step and so for you being a

786

00:36:37,310 --> 00:36:34,200

field investigator when did you feel the

787

00:36:40,849 --> 00:36:37,320

need uh for not only the support groups

788

00:36:42,710 --> 00:36:40,859

inside of mufon but of course forming uh

789

00:36:46,310 --> 00:36:42,720

and founding opus

790

00:36:48,290 --> 00:36:46,320

yeah I think that uh that uh a woman

791

00:36:50,870 --> 00:36:48,300

that her name was Carol Austin by the

792

00:36:52,190 --> 00:36:50,880

way who's since passed away

793

00:36:54,530 --> 00:36:52,200

um

794

00:36:56,270 --> 00:36:54,540

Gene Lipson and I came away from that

795

00:36:58,310 --> 00:36:56,280

meeting with her

796

00:36:59,690 --> 00:36:58,320

um and said how can we possibly help

797

00:37:02,870 --> 00:36:59,700

people like that

798

00:37:05,390 --> 00:37:02,880

and and so we decided to put together a

799

00:37:09,109 --> 00:37:05,400

team and we we chewed on that for a

800

00:37:12,589 --> 00:37:09,119

while and in 1994 uh we officially

801  
00:37:16,010 --> 00:37:12,599  
became a 501 3C uh non-profit

802  
00:37:17,390 --> 00:37:16,020  
organization uh by the name of Opus the

803  
00:37:19,250 --> 00:37:17,400  
organization for paranormal

804  
00:37:21,290 --> 00:37:19,260  
understanding and support and our

805  
00:37:23,450 --> 00:37:21,300  
mission simply put is to help people

806  
00:37:25,430 --> 00:37:23,460  
having paranormal experiences and it's

807  
00:37:27,589 --> 00:37:25,440  
not just strictly

808  
00:37:30,410 --> 00:37:27,599  
um you know contact with non-human

809  
00:37:32,450 --> 00:37:30,420  
intelligence is we we have associations

810  
00:37:35,510 --> 00:37:32,460  
with other organizations that deal with

811  
00:37:38,810 --> 00:37:35,520  
Poltergeist activity or Cryptids or or

812  
00:37:42,650 --> 00:37:38,820  
things of that nature uh or or you know

813  
00:37:44,750 --> 00:37:42,660

demon possession uh and so

814

00:37:48,589 --> 00:37:44,760

um but as it turns out most of the

815

00:37:50,109 --> 00:37:48,599

people that come to us uh are

816

00:37:53,630 --> 00:37:50,119

classic

817

00:37:54,829 --> 00:37:53,640

experiencers contact these abductees if

818

00:37:58,310 --> 00:37:54,839

you will

819

00:37:58,970 --> 00:37:58,320

um and and and so what we've done

820

00:38:01,490 --> 00:37:58,980

um

821

00:38:04,430 --> 00:38:01,500

to help these people is uh the first

822

00:38:07,370 --> 00:38:04,440

thing that we we set up was a uh an

823

00:38:09,410 --> 00:38:07,380

online support group uh which is totally

824

00:38:10,910 --> 00:38:09,420

confidential we have almost 400 people

825

00:38:12,710 --> 00:38:10,920

from around the world literally

826

00:38:15,650 --> 00:38:12,720

literally around the world we have

827

00:38:18,010 --> 00:38:15,660

people from Japan I even got one from uh

828

00:38:21,770 --> 00:38:18,020

Iran in the group

829

00:38:22,849 --> 00:38:21,780

and uh South America Australia Europe of

830

00:38:25,730 --> 00:38:22,859

course

831

00:38:28,609 --> 00:38:25,740

um so it it and these people are talking

832

00:38:30,589 --> 00:38:28,619

you know 24 7 with one another talking

833

00:38:33,790 --> 00:38:30,599

about their experiences asking questions

834

00:38:36,109 --> 00:38:33,800

getting the kind of support

835

00:38:37,849 --> 00:38:36,119

it's proof probably to be the most

836

00:38:39,710 --> 00:38:37,859

important thing for these people because

837

00:38:41,690 --> 00:38:39,720

they understand they're not alone that

838

00:38:44,470 --> 00:38:41,700

there's a lot of other people out there

839

00:38:48,410 --> 00:38:44,480

that are having similar circumstances

840

00:38:52,010 --> 00:38:48,420

but uh I I have to back up even a little

841

00:38:54,770 --> 00:38:52,020

bit further sure like 2007

842

00:38:56,690 --> 00:38:54,780

um uh one of the things that I you know

843

00:38:59,270 --> 00:38:56,700

at the time

844

00:39:01,069 --> 00:38:59,280

mufon was still a very nuts and bolts

845

00:39:02,270 --> 00:39:01,079

type type of an organization they really

846

00:39:04,270 --> 00:39:02,280

haven't

847

00:39:08,270 --> 00:39:04,280

you know zeroed in on the abduction

848

00:39:10,609 --> 00:39:08,280

phenomena and so uh I talked to

849

00:39:12,770 --> 00:39:10,619

um James carrion at the time who was the

850

00:39:14,450 --> 00:39:12,780

international director

851  
00:39:16,550 --> 00:39:14,460  
and uh

852  
00:39:19,490 --> 00:39:16,560  
I said look you know I think we're

853  
00:39:20,990 --> 00:39:19,500  
missing an opportunity here to to do

854  
00:39:24,710 --> 00:39:21,000  
more with these people and understand

855  
00:39:26,990 --> 00:39:24,720  
the phenomena better and so what

856  
00:39:30,470 --> 00:39:27,000  
happened was at that time I already had

857  
00:39:32,930 --> 00:39:30,480  
Opus set up and so I've I volunteered

858  
00:39:35,990 --> 00:39:32,940  
our our assistants you know as an

859  
00:39:38,630 --> 00:39:36,000  
organization and so you know they they

860  
00:39:40,609 --> 00:39:38,640  
did and so all the calls that were

861  
00:39:42,230 --> 00:39:40,619  
coming into mufon at that time were

862  
00:39:43,970 --> 00:39:42,240  
redirected to me

863  
00:39:46,970 --> 00:39:43,980

and uh

864

00:39:49,250 --> 00:39:46,980

and that was amazing to to hear these

865

00:39:51,670 --> 00:39:49,260

people tell their stories on the phone

866

00:39:54,230 --> 00:39:51,680

and then I would contact them afterwards

867

00:39:55,490 --> 00:39:54,240

uh to understand what it is that they

868

00:39:57,829 --> 00:39:55,500

were looking for a lot of them just

869

00:40:00,410 --> 00:39:57,839

wanted to tell their story others were

870

00:40:03,410 --> 00:40:00,420

looking for some type of assistance some

871

00:40:06,770 --> 00:40:03,420

looking for a mental health practitioner

872

00:40:10,670 --> 00:40:06,780

of some sort or a hypnotherapist and uh

873

00:40:13,430 --> 00:40:10,680

so that prompted us to to really start

874

00:40:16,510 --> 00:40:13,440

to set up a referral Network and look

875

00:40:19,730 --> 00:40:16,520

for people that were either uh

876

00:40:22,750 --> 00:40:19,740

knowledgeable in the phenomena or that

877

00:40:26,210 --> 00:40:22,760

we could talk to and and basically train

878

00:40:28,970 --> 00:40:26,220

uh uh you know and and give them advice

879

00:40:30,349 --> 00:40:28,980

on how how to work with these people

880

00:40:32,569 --> 00:40:30,359

um so

881

00:40:34,550 --> 00:40:32,579

and June Steiner was it was an integral

882

00:40:38,569 --> 00:40:34,560

part she was she's you know the past

883

00:40:41,810 --> 00:40:38,579

president of the organization and uh so

884

00:40:44,569 --> 00:40:41,820

uh it it's so we did that we set up this

885

00:40:46,670 --> 00:40:44,579

referral Network and then the latest

886

00:40:48,109 --> 00:40:46,680

thing that we've done is we have a

887

00:40:50,750 --> 00:40:48,119

triage team which we call the

888

00:40:53,210 --> 00:40:50,760

experiencer support team that actually

889

00:40:55,069 --> 00:40:53,220

now does talk to instead of me doing it

890

00:40:56,030 --> 00:40:55,079

all the time we have a group of people

891

00:41:02,750 --> 00:40:56,040

that

892

00:41:05,390 --> 00:41:02,760

they really need and and then we kind of

893

00:41:08,030 --> 00:41:05,400

try to point them in the right direction

894

00:41:11,510 --> 00:41:08,040

um and and it's proved to be very very

895

00:41:14,329 --> 00:41:11,520

beneficial uh as we've gotten a lot of

896

00:41:15,890 --> 00:41:14,339

feedback a lot of positive feedback uh

897

00:41:19,130 --> 00:41:15,900

from these people just telling us you

898

00:41:20,510 --> 00:41:19,140

know how how thankful they are for the

899

00:41:23,750 --> 00:41:20,520

help that they got

900

00:41:26,030 --> 00:41:23,760

uh you mentioned uh I want to talk about

901  
00:41:29,569 --> 00:41:26,040  
the types of support but you you

902  
00:41:33,290 --> 00:41:29,579  
mentioned Omega four but there was also

903  
00:41:36,730 --> 00:41:33,300  
an omega-3 was there an omega-2

904  
00:41:39,470 --> 00:41:36,740  
um you know that's yes I think there was

905  
00:41:43,310 --> 00:41:39,480  
we weren't involved with it uh you know

906  
00:41:45,770 --> 00:41:43,320  
the Omega thing was of course uh

907  
00:41:47,329 --> 00:41:45,780  
um the first one that came out by that

908  
00:41:48,890 --> 00:41:47,339  
uh professor at the University of

909  
00:41:51,589 --> 00:41:48,900  
Connecticut

910  
00:41:53,030 --> 00:41:51,599  
um and again I'm blanking on his name

911  
00:41:56,950 --> 00:41:53,040  
I'm spacing too but it doesn't matter

912  
00:42:01,490 --> 00:41:56,960  
yeah so anyway but you know omega-3 uh

913  
00:42:04,130 --> 00:42:01,500

was actually uh James carrion wanted me

914

00:42:06,890 --> 00:42:04,140

to set up a group of people to really

915

00:42:10,430 --> 00:42:06,900

look at the the phenomena and so what we

916

00:42:13,430 --> 00:42:10,440

did is we took 71 people that were uh

917

00:42:15,710 --> 00:42:13,440

felt that they had been abducted and 51

918

00:42:18,650 --> 00:42:15,720

people is a control group let me just

919

00:42:23,470 --> 00:42:18,660

read read you the conclusions that we

920

00:42:26,089 --> 00:42:23,480

came to uh this is three yeah

921

00:42:27,470 --> 00:42:26,099

where's James carrying today I always

922

00:42:30,609 --> 00:42:27,480

liked that guy

923

00:42:34,849 --> 00:42:30,619

well he's out there

924

00:42:36,470 --> 00:42:34,859

he was on a a recent uh uh documentary

925

00:42:39,109 --> 00:42:36,480

and

926

00:42:43,609 --> 00:42:39,119

um his his attitude about the whole

927

00:42:46,750 --> 00:42:43,619

phenomena is kind of uh negative uh he

928

00:42:50,690 --> 00:42:46,760

thinks it's now you know all

929

00:42:52,730 --> 00:42:50,700

fabricated and you know his his turn

930

00:42:54,589 --> 00:42:52,740

around on it yeah

931

00:42:55,970 --> 00:42:54,599

um I was pretty surprised about that too

932

00:42:58,849 --> 00:42:55,980

which is one of the reasons why I wanted

933

00:43:00,410 --> 00:42:58,859

to reach out to him where

934

00:43:02,329 --> 00:43:00,420

um and I don't want to get sideways on

935

00:43:05,270 --> 00:43:02,339

carrying uh that's that's for another

936

00:43:07,309 --> 00:43:05,280

show but he seems to think that you know

937

00:43:10,370 --> 00:43:07,319

this is some kind of government psyop

938

00:43:13,130 --> 00:43:10,380

you know yeah using using UFOs to cover

939

00:43:15,650 --> 00:43:13,140

up the real the real agenda that they've

940

00:43:19,849 --> 00:43:15,660

got going on so as long as we think it's

941

00:43:22,250 --> 00:43:19,859

UFOs right it's yeah it's a show game

942

00:43:24,589 --> 00:43:22,260

and and that's kind of the way he's

943

00:43:26,510 --> 00:43:24,599

looking at it you know when and is

944

00:43:29,750 --> 00:43:26,520

moving while the other one you know and

945

00:43:32,150 --> 00:43:29,760

and okay but always like to me carried

946

00:43:34,490 --> 00:43:32,160

himself really well oh yeah I I got

947

00:43:36,950 --> 00:43:34,500

along with him very well I I liked him

948

00:43:39,770 --> 00:43:36,960

you know I I've never had an issue with

949

00:43:42,170 --> 00:43:39,780

them but I was just surprised that uh he

950

00:43:44,890 --> 00:43:42,180

had turned around like that afterwards

951  
00:43:47,510 --> 00:43:44,900  
he flip-flopped he did a complete

952  
00:43:50,450 --> 00:43:47,520  
flip-flop okay so I'm Mega three

953  
00:43:52,609 --> 00:43:50,460  
conclusions so in general abductees

954  
00:43:54,530 --> 00:43:52,619  
experiences profile differently than do

955  
00:43:56,630 --> 00:43:54,540  
their comparison counterparts on a

956  
00:43:59,210 --> 00:43:56,640  
number of General psychological and

957  
00:44:00,710 --> 00:43:59,220  
specific neurological variables yet

958  
00:44:02,930 --> 00:44:00,720  
there are remarkable similarities

959  
00:44:04,849 --> 00:44:02,940  
between the experiential group and the

960  
00:44:07,910 --> 00:44:04,859  
comparison group it should be noted that

961  
00:44:10,250 --> 00:44:07,920  
in no case in no case did experiences or

962  
00:44:12,650 --> 00:44:10,260  
comparison group participants show any

963  
00:44:13,849 --> 00:44:12,660

signs of mental illness or personality

964

00:44:16,430 --> 00:44:13,859

disorder

965

00:44:18,650 --> 00:44:16,440

fantasy proneness does not appear to

966

00:44:20,390 --> 00:44:18,660

play a differentiating role between the

967

00:44:22,790 --> 00:44:20,400

experiential and the control groups

968

00:44:24,710 --> 00:44:22,800

however sensitivity to Alternative

969

00:44:27,410 --> 00:44:24,720

realities in early and recurrent

970

00:44:29,450 --> 00:44:27,420

paranormal or Psy experiences seem to

971

00:44:32,150 --> 00:44:29,460

play a role in the abduction experience

972

00:44:34,250 --> 00:44:32,160

you know you know a lot of the debunkers

973

00:44:37,370 --> 00:44:34,260

talk about the fact that you know people

974

00:44:39,829 --> 00:44:37,380

are uh fantasy prone and so they're

975

00:44:41,510 --> 00:44:39,839

they're making all this up

976

00:44:44,270 --> 00:44:41,520

um and then they they also talk about

977

00:44:46,910 --> 00:44:44,280

sleep paralysis uh of course two-thirds

978

00:44:49,670 --> 00:44:46,920

of the cases whether in a bedroom or not

979

00:44:52,010 --> 00:44:49,680

did not involve sleep paralysis and then

980

00:44:54,130 --> 00:44:52,020

the last thing is the false memory

981

00:44:56,630 --> 00:44:54,140

syndrome uh and the American

982

00:45:00,170 --> 00:44:56,640

Psychological Association or any other

983

00:45:02,690 --> 00:45:00,180

mainstream uh psychological diagnostic

984

00:45:03,910 --> 00:45:02,700

system has either ratified or proven

985

00:45:08,589 --> 00:45:03,920

such a

986

00:45:13,190 --> 00:45:08,599

diagnostic uh so and I think

987

00:45:16,490 --> 00:45:13,200

Clancy uh uh the gal from Harvard uh you

988

00:45:20,050 --> 00:45:16,500

utilize that the type of a thing to

989

00:45:23,270 --> 00:45:20,060

debunk uh the uh the phenomena

990

00:45:25,309 --> 00:45:23,280

childhood conflict psychosocial tension

991

00:45:27,890 --> 00:45:25,319

and abuse trauma more than likely

992

00:45:29,089 --> 00:45:27,900

facilitated dissociative coping style in

993

00:45:33,710 --> 00:45:29,099

later life

994

00:45:35,750 --> 00:45:33,720

how much a uh this uh dissociation plays

995

00:45:37,609 --> 00:45:35,760

in the abduction experience remains an

996

00:45:40,069 --> 00:45:37,619

open question

997

00:45:42,230 --> 00:45:40,079

um both experience with and interest in

998

00:45:44,089 --> 00:45:42,240

the abduction phenomena have impact on

999

00:45:46,309 --> 00:45:44,099

how one's body is perceived to function

1000

00:45:48,410 --> 00:45:46,319

and how one views the world and one's

1001  
00:45:51,290 --> 00:45:48,420  
purpose in it and how one defines or

1002  
00:45:53,630 --> 00:45:51,300  
redefines one's Faith or tradition and

1003  
00:45:55,730 --> 00:45:53,640  
beliefs in Athens both experience with

1004  
00:45:58,130 --> 00:45:55,740  
and interest in contact seem to change

1005  
00:46:00,050 --> 00:45:58,140  
one's sense of self and one's worldview

1006  
00:46:01,790 --> 00:46:00,060  
and we talked about that earlier that

1007  
00:46:03,770 --> 00:46:01,800  
these people come back with the fact

1008  
00:46:05,390 --> 00:46:03,780  
that hey we need to be better stewards

1009  
00:46:07,130 --> 00:46:05,400  
of the planet we need to be better to

1010  
00:46:09,530 --> 00:46:07,140  
one another we need to be more loving

1011  
00:46:11,390 --> 00:46:09,540  
abduction experiences believe that there

1012  
00:46:13,490 --> 00:46:11,400  
is a sentient purposive alien

1013  
00:46:15,050 --> 00:46:13,500

intelligence at play in their lives and

1014

00:46:18,230 --> 00:46:15,060

at work in the world

1015

00:46:20,569 --> 00:46:18,240

what the intelligence's goals are seen

1016

00:46:24,050 --> 00:46:20,579

to be more beneficent than benevolent

1017

00:46:26,390 --> 00:46:24,060

more benign than malignant

1018

00:46:27,950 --> 00:46:26,400

this also remains an open question and a

1019

00:46:30,589 --> 00:46:27,960

point of doubt in the minds and hearts

1020

00:46:32,690 --> 00:46:30,599

of some abductees experiences and some

1021

00:46:34,130 --> 00:46:32,700

comparison control participants it also

1022

00:46:35,990 --> 00:46:34,140

remains a point of contention among

1023

00:46:39,589 --> 00:46:36,000

abduction researchers

1024

00:46:41,569 --> 00:46:39,599

uh the brain generally in the temporal

1025

00:46:43,849 --> 00:46:41,579

lobes and limbic system more

1026

00:46:45,530 --> 00:46:43,859

particularly play a mediating role in

1027

00:46:47,990 --> 00:46:45,540

the anomalous experiences such as

1028

00:46:51,109 --> 00:46:48,000

abduction this in no way implies that

1029

00:46:55,250 --> 00:46:51,119

abductions are all are only in the

1030

00:46:56,750 --> 00:46:55,260

abduction abductees heads uh rather it

1031

00:46:59,890 --> 00:46:56,760

points to the likelihood that the

1032

00:47:04,550 --> 00:46:59,900

temporal ability the rapid changeability

1033

00:47:08,510 --> 00:47:04,560

uh that they is a preset or a precursor

1034

00:47:13,870 --> 00:47:10,910

you know Gary Nolan from Stanford

1035

00:47:18,530 --> 00:47:13,880

University uh and uh kit green have been

1036

00:47:21,589 --> 00:47:18,540

working with a group of people and they

1037

00:47:23,030 --> 00:47:21,599

noticed that in their in an area of

1038

00:47:24,710 --> 00:47:23,040

their brain called the claudate

1039

00:47:26,990 --> 00:47:24,720

interputamin there's a lot more

1040

00:47:29,150 --> 00:47:27,000

connections with these people that have

1041

00:47:31,010 --> 00:47:29,160

telepathic capabilities and psychic

1042

00:47:32,690 --> 00:47:31,020

abilities

1043

00:47:34,750 --> 00:47:32,700

and

1044

00:47:37,970 --> 00:47:34,760

this whole thing

1045

00:47:40,370 --> 00:47:37,980

you know to see that the the temporal

1046

00:47:41,930 --> 00:47:40,380

and limbic system are are different in

1047

00:47:43,670 --> 00:47:41,940

the experiences than in the control

1048

00:47:45,950 --> 00:47:43,680

groups

1049

00:47:48,430 --> 00:47:45,960

maybe this is why these people are being

1050

00:47:50,870 --> 00:47:48,440

abducted this is they're they're

1051

00:47:53,450 --> 00:47:50,880

following you know probably an

1052

00:47:55,910 --> 00:47:53,460

experiment that was done eons ago and

1053

00:47:58,550 --> 00:47:55,920

it's generational and you'll find that

1054

00:48:01,069 --> 00:47:58,560

when you talk to an experimenter nine

1055

00:48:03,410 --> 00:48:01,079

times out of ten another family member

1056

00:48:07,370 --> 00:48:03,420

has had an experience or a grandparent

1057

00:48:09,109 --> 00:48:07,380

has had an experience it's in and Gary

1058

00:48:11,510 --> 00:48:09,119

Nolan even talks about the fact that

1059

00:48:15,589 --> 00:48:11,520

some of these changes in on in our

1060

00:48:18,470 --> 00:48:15,599

Evolution have occurred uh at such a

1061

00:48:22,309 --> 00:48:18,480

rapid Pace because usually it takes 600

1062

00:48:25,910 --> 00:48:22,319

000 years for our DNA to change uh in

1063

00:48:29,450 --> 00:48:25,920

any way significant significantly and uh

1064

00:48:32,270 --> 00:48:29,460

he says the Earth is supposedly only is

1065

00:48:34,309 --> 00:48:32,280

only 4.5 billion years old but for all

1066

00:48:37,970 --> 00:48:34,319

these changes to occurred to to be where

1067

00:48:40,970 --> 00:48:37,980

we are the planet has to be a lot older

1068

00:48:43,450 --> 00:48:40,980

like nine billion years old or somebody

1069

00:48:46,010 --> 00:48:43,460

was messing with us way back when

1070

00:48:47,230 --> 00:48:46,020

messing with our DNA to get us to where

1071

00:48:51,770 --> 00:48:47,240

we are today

1072

00:48:54,829 --> 00:48:51,780

is there is there uh not from the

1073

00:48:56,750 --> 00:48:54,839

results of the study but from your

1074

00:48:59,990 --> 00:48:56,760

experience with Opus and and certainly

1075

00:49:03,710 --> 00:49:00,000

with mufon is there a typical abduction

1076  
00:49:06,589 --> 00:49:03,720  
scenario and I was I'm bringing this up

1077  
00:49:09,890 --> 00:49:06,599  
because I was watching and I just

1078  
00:49:13,190 --> 00:49:09,900  
laughed I think it was Jay Leno or you

1079  
00:49:17,150 --> 00:49:13,200  
know it was a a comedian that we know

1080  
00:49:20,390 --> 00:49:17,160  
but younger in the 80s or something on

1081  
00:49:23,089 --> 00:49:20,400  
stage and said brought up alien

1082  
00:49:24,170 --> 00:49:23,099  
abductions and he said I just saw this

1083  
00:49:26,750 --> 00:49:24,180  
the other day

1084  
00:49:30,050 --> 00:49:26,760  
and he goes how come it never happens in

1085  
00:49:33,710 --> 00:49:30,060  
the city it's always Moe and Bob in a

1086  
00:49:36,470 --> 00:49:33,720  
swamp when they're fishing and now we

1087  
00:49:38,990 --> 00:49:36,480  
and you know and it got it got a laugh

1088  
00:49:41,690 --> 00:49:39,000

but that's also the public perception of

1089

00:49:45,589 --> 00:49:41,700

this too as well right people relate to

1090

00:49:48,710 --> 00:49:45,599

that that that is the typical abduction

1091

00:49:51,589 --> 00:49:48,720

is there a typical abduction well I

1092

00:49:54,109 --> 00:49:51,599

think that uh you know uh Bud Hopkins

1093

00:49:56,470 --> 00:49:54,119

talks about in one of his books about

1094

00:50:00,670 --> 00:49:56,480

the woman that was abducted in in

1095

00:50:03,710 --> 00:50:00,680

downtown uh in uh you know New York City

1096

00:50:07,849 --> 00:50:03,720

yeah yeah out of her apartment and Linda

1097

00:50:10,309 --> 00:50:07,859

cartel and and um you know I know of

1098

00:50:11,990 --> 00:50:10,319

another person a personal friend that

1099

00:50:13,970 --> 00:50:12,000

had had an experience in Oakland

1100

00:50:17,630 --> 00:50:13,980

California

1101

00:50:20,569 --> 00:50:17,640

daylight broad daylight in that on a

1102

00:50:23,809 --> 00:50:20,579

Main Street this whole thing happened

1103

00:50:26,210 --> 00:50:23,819

Dan Aykroyd

1104

00:50:28,930 --> 00:50:26,220

I I got to tell you this this is a

1105

00:50:31,849 --> 00:50:28,940

little Side Story okay just remember

1106

00:50:34,130 --> 00:50:31,859

we're talking about things happening in

1107

00:50:37,069 --> 00:50:34,140

the city yes um

1108

00:50:39,650 --> 00:50:37,079

I had I was written up in in one of the

1109

00:50:42,530 --> 00:50:39,660

mufon journals uh this is a couple of

1110

00:50:44,030 --> 00:50:42,540

years ago and uh one of the questions

1111

00:50:46,190 --> 00:50:44,040

they asked me who would move on would

1112

00:50:47,990 --> 00:50:46,200

you like to meet that you haven't met

1113

00:50:50,329 --> 00:50:48,000

and I said well I love to meet Dan

1114

00:50:51,410 --> 00:50:50,339

Aykroyd because Dan Aykroyd is is a

1115

00:50:53,030 --> 00:50:51,420

member

1116

00:50:55,849 --> 00:50:53,040

so

1117

00:50:57,770 --> 00:50:55,859

um you know a month goes by after after

1118

00:51:00,849 --> 00:50:57,780

the article is written and I get a call

1119

00:51:03,530 --> 00:51:00,859

at the time from Chan harzan okay

1120

00:51:05,390 --> 00:51:03,540

director at the time he says hey can I

1121

00:51:08,230 --> 00:51:05,400

give uh Dan Aykroyd your contact

1122

00:51:11,210 --> 00:51:08,240

information I said hell yeah

1123

00:51:15,650 --> 00:51:11,220

so you know and then another month or

1124

00:51:17,030 --> 00:51:15,660

two goes by and and and and I'm I'm

1125

00:51:19,190 --> 00:51:17,040

um doing something I don't even know

1126

00:51:19,990 --> 00:51:19,200

where the hell I was at the time but

1127

00:51:24,470 --> 00:51:20,000

um

1128

00:51:28,010 --> 00:51:24,480

the phone rings and it's Dan Aykroyd and

1129

00:51:30,530 --> 00:51:28,020

we start to talk about his experiences

1130

00:51:32,510 --> 00:51:30,540

and a was in a hotel

1131

00:51:35,390 --> 00:51:32,520

and I think it was in Montreal or

1132

00:51:38,210 --> 00:51:35,400

someplace like that and this this object

1133

00:51:42,890 --> 00:51:38,220

comes that right down the street and it

1134

00:51:45,109 --> 00:51:42,900

looked like a flying bed frame it was

1135

00:51:48,770 --> 00:51:45,119

the weirdest looking thing and then I

1136

00:51:50,750 --> 00:51:48,780

find out that his mother has had

1137

00:51:54,170 --> 00:51:50,760

experiences

1138

00:51:57,049 --> 00:51:54,180

and his father was really into a

1139

00:52:00,290 --> 00:51:57,059

mediumship and and he wrote a book which

1140

00:52:02,150 --> 00:52:00,300

he eventually Dan sent me his father's

1141

00:52:05,089 --> 00:52:02,160

book and a lot of this stuff in that

1142

00:52:06,130 --> 00:52:05,099

book is where uh the Ghostbusters came

1143

00:52:10,490 --> 00:52:06,140

from

1144

00:52:12,410 --> 00:52:10,500

so anyway but yes things are not just

1145

00:52:14,809 --> 00:52:12,420

happening in the woods or in a swamp

1146

00:52:18,410 --> 00:52:14,819

they're all over the place and they can

1147

00:52:21,770 --> 00:52:18,420

happen in broad daylight and

1148

00:52:23,630 --> 00:52:21,780

because people don't some people most

1149

00:52:25,309 --> 00:52:23,640

people don't see what's going on and all

1150

00:52:27,589 --> 00:52:25,319

of a sudden it happens to one particular

1151  
00:52:30,950 --> 00:52:27,599  
person they have some kind of incredible

1152  
00:52:32,870 --> 00:52:30,960  
ability to to block whatever is going on

1153  
00:52:36,049 --> 00:52:32,880  
in our in our minds and our in our

1154  
00:52:38,630 --> 00:52:36,059  
brains uh so that they can do these kind

1155  
00:52:40,670 --> 00:52:38,640  
of things yeah my um I'm not going to

1156  
00:52:44,390 --> 00:52:40,680  
get into any details uh told the story

1157  
00:52:46,750 --> 00:52:44,400  
too many times but my little experience

1158  
00:52:54,589 --> 00:52:46,760  
Sherman Oaks

1159  
00:52:58,849 --> 00:52:54,599  
right right there the valley and unless

1160  
00:53:02,089 --> 00:52:58,859  
that night when all this went down

1161  
00:53:03,349 --> 00:53:02,099  
I literally walked over to my sliding

1162  
00:53:05,630 --> 00:53:03,359  
glass door

1163  
00:53:09,410 --> 00:53:05,640

and looked out and up

1164

00:53:10,549 --> 00:53:09,420

I did I did I did I was like is there a

1165

00:53:14,270 --> 00:53:10,559

ship up there

1166

00:53:17,690 --> 00:53:14,280

how could how can this happen in Sherman

1167

00:53:20,870 --> 00:53:17,700

Oaks but yeah yeah I'm not the only one

1168

00:53:23,390 --> 00:53:20,880

with that story and John Lennon has had

1169

00:53:25,549 --> 00:53:23,400

his famous sighting in in in Manhattan

1170

00:53:28,609 --> 00:53:25,559

from the top of his apartment building

1171

00:53:31,430 --> 00:53:28,619

and and listening to him tell that story

1172

00:53:35,030 --> 00:53:31,440

and it's it's Manhattan downtown sure

1173

00:53:39,230 --> 00:53:35,040

sure no it can happen anywhere anytime

1174

00:53:41,450 --> 00:53:39,240

anywhere anytime so back to the typical

1175

00:53:44,410 --> 00:53:41,460

uh the typical abduction what have you

1176

00:53:47,210 --> 00:53:44,420

found what is a typical abduction

1177

00:53:49,910 --> 00:53:47,220

they all seem to have you know the one

1178

00:53:51,710 --> 00:53:49,920

Baseline type of a situation where a

1179

00:53:53,390 --> 00:53:51,720

person sees an object

1180

00:53:55,250 --> 00:53:53,400

the next thing they know they might have

1181

00:53:58,790 --> 00:53:55,260

missing time

1182

00:54:01,970 --> 00:53:58,800

um and then they you know uh after

1183

00:54:05,390 --> 00:54:01,980

the event but when they find out what

1184

00:54:06,950 --> 00:54:05,400

happened before that missing time they

1185

00:54:09,950 --> 00:54:06,960

find out that they were brought on board

1186

00:54:11,510 --> 00:54:09,960

a craft they were put on a table they

1187

00:54:13,609 --> 00:54:11,520

you know if they were a male they were

1188

00:54:16,790 --> 00:54:13,619

sperm taken if they were a female eggs

1189

00:54:19,010 --> 00:54:16,800

were taken uh they were probed with in

1190

00:54:22,910 --> 00:54:19,020

various orifices you know and or

1191

00:54:24,710 --> 00:54:22,920

implanted with something uh various

1192

00:54:27,710 --> 00:54:24,720

fluids taken

1193

00:54:29,809 --> 00:54:27,720

um and then you know brought back uh

1194

00:54:33,670 --> 00:54:29,819

whether it be

1195

00:54:36,349 --> 00:54:33,680

um you know in their their own clothes

1196

00:54:39,230 --> 00:54:36,359

or somebody else's clothes which happens

1197

00:54:41,390 --> 00:54:39,240

frequently uh or put on

1198

00:54:44,870 --> 00:54:41,400

the wrong way

1199

00:54:50,690 --> 00:54:44,880

um and but then you know all each story

1200

00:54:53,809 --> 00:54:50,700

has its nuances uh you know that uh they

1201

00:54:55,849 --> 00:54:53,819

people see certain things in in the

1202

00:54:59,270 --> 00:54:55,859

craft you know some people get the

1203

00:55:01,190 --> 00:54:59,280

opportunity to fly the craft uh or their

1204

00:55:02,870 --> 00:55:01,200

they they're sat down and they'd look at

1205

00:55:04,750 --> 00:55:02,880

a screen and that all this stuff and

1206

00:55:08,390 --> 00:55:04,760

it's like a learning

1207

00:55:10,730 --> 00:55:08,400

a proposition that's going on or they

1208

00:55:13,010 --> 00:55:10,740

you know they see various creatures not

1209

00:55:15,770 --> 00:55:13,020

only the Grays oh they might see a a

1210

00:55:17,809 --> 00:55:15,780

mantis type or a reptilian or a Nordic

1211

00:55:21,049 --> 00:55:17,819

or a military

1212

00:55:24,349 --> 00:55:21,059

our military uh on board to craft and of

1213

00:55:26,390 --> 00:55:24,359

course this you know retired Israeli

1214

00:55:28,609 --> 00:55:26,400

General that wrote a book his name was

1215

00:55:30,410 --> 00:55:28,619

Jaime shed that talks about the fact

1216

00:55:32,770 --> 00:55:30,420

that yeah we're we're working with the

1217

00:55:35,150 --> 00:55:32,780

aliens and you know they don't want to

1218

00:55:38,690 --> 00:55:35,160

you know show themselves yet because

1219

00:55:40,970 --> 00:55:38,700

they feel we're not ready and uh

1220

00:55:43,670 --> 00:55:40,980

and we have you know bases on the moon

1221

00:55:47,930 --> 00:55:43,680

and on Mars and we're you know it's

1222

00:55:51,670 --> 00:55:47,940

space force is alive and well

1223

00:55:55,430 --> 00:55:51,680

the yeah right right right right

1224

00:55:58,069 --> 00:55:55,440

to to hear that repeated over and over

1225

00:56:02,870 --> 00:55:58,079

again that we are not ready

1226  
00:56:07,069 --> 00:56:02,880  
I have a truer statement cannot be said

1227  
00:56:10,069 --> 00:56:07,079  
if you're ET and you're looking at us

1228  
00:56:14,390 --> 00:56:10,079  
we're like Planet of the Apes exactly

1229  
00:56:16,609 --> 00:56:14,400  
well we we are backwards we're we're so

1230  
00:56:19,490 --> 00:56:16,619  
warrior-like I mean you know we we're

1231  
00:56:21,770 --> 00:56:19,500  
fighting all the time it's ridiculous I

1232  
00:56:24,589 --> 00:56:21,780  
I had an interview last night with a

1233  
00:56:25,849 --> 00:56:24,599  
with a gallon and I I finally told her I

1234  
00:56:28,490 --> 00:56:25,859  
said you know what

1235  
00:56:31,549 --> 00:56:28,500  
if this planet was run by women I don't

1236  
00:56:34,370 --> 00:56:31,559  
think we'd be in such bad shape

1237  
00:56:36,349 --> 00:56:34,380  
yeah we've got too much too much too

1238  
00:56:39,710 --> 00:56:36,359

much testosterone running around yeah

1239

00:56:42,170 --> 00:56:39,720

that's a whole another show I could

1240

00:56:44,329 --> 00:56:42,180

picture it kind of sounds like paradise

1241

00:56:46,430 --> 00:56:44,339

let's take our break right here our

1242

00:56:49,010 --> 00:56:46,440

guest tonight Les Velez we're talking

1243

00:56:52,130 --> 00:56:49,020

about alien and ET abduction and his

1244

00:56:55,309 --> 00:56:52,140

organization Opus much more when we come

1245

00:56:57,109 --> 00:56:55,319

back after this short break stay with us

1246

00:56:59,510 --> 00:56:57,119

this is Jimmy Church of Fade to Black

1247

00:57:01,730 --> 00:56:59,520

please visit all of our sponsors we're

1248

00:57:03,470 --> 00:57:01,740

taking a quick break here all of the

1249

00:57:05,870 --> 00:57:03,480

links are below

1250

00:57:08,270 --> 00:57:05,880

and we'll be right back

1251  
00:57:11,690 --> 00:57:08,280  
this is Jimmy church and I want to

1252  
00:57:13,910 --> 00:57:11,700  
introduce you to lifewaves x39 Stem Cell

1253  
00:57:17,150 --> 00:57:13,920  
Activation patch which has totally

1254  
00:57:19,930 --> 00:57:17,160  
transformed my health my sleep brain and

1255  
00:57:22,490 --> 00:57:19,940  
my eyes I no longer need reading glasses

1256  
00:57:26,150 --> 00:57:22,500  
x39 is a true breakthrough in

1257  
00:57:28,490 --> 00:57:26,160  
regenerative science using light x-39's

1258  
00:57:30,650 --> 00:57:28,500  
patented age reversal Technologies

1259  
00:57:32,390 --> 00:57:30,660  
clinically proven to Signal the

1260  
00:57:34,670 --> 00:57:32,400  
activation of younger stem cells

1261  
00:57:37,910 --> 00:57:34,680  
accelerating the body's natural healing

1262  
00:57:40,190 --> 00:57:37,920  
process x39 promotes restoration and

1263  
00:57:42,650 --> 00:57:40,200

Rejuvenation bringing the life-changing

1264

00:57:44,930 --> 00:57:42,660

benefits that I've experienced by

1265

00:57:48,109 --> 00:57:44,940

naturally elevating a master signaling

1266

00:57:50,870 --> 00:57:48,119

peptide in the body x-39 boost Vitality

1267

00:57:53,750 --> 00:57:50,880

health and wellness and resets 4 000

1268

00:57:56,390 --> 00:57:53,760

genes to a younger healthier State it's

1269

00:58:00,130 --> 00:57:56,400

one patch once a day and you can turn

1270

00:58:03,530 --> 00:58:00,140

back time with x-39 just go to

1271

00:58:07,490 --> 00:58:03,540

healingworksnow.com that's works with an

1272

00:58:09,650 --> 00:58:07,500

X healing works now Dot come hey

1273

00:58:12,109 --> 00:58:09,660

everybody it's Billy Carson also known

1274

00:58:13,910 --> 00:58:12,119

as Forbidden Knowledge I want to talk to

1275

00:58:17,569 --> 00:58:13,920

you about a very special event coming up

1276  
00:58:19,609 --> 00:58:17,579  
July 30th 2023 The Forbidden conscious

1277  
00:58:21,170 --> 00:58:19,619  
Awards we're going to honor people who

1278  
00:58:23,510 --> 00:58:21,180  
have been contributing to the conscious

1279  
00:58:24,950 --> 00:58:23,520  
Community for decades people that you

1280  
00:58:26,390 --> 00:58:24,960  
know and love that have helped you get

1281  
00:58:28,370 --> 00:58:26,400  
to higher levels of thought and

1282  
00:58:30,589 --> 00:58:28,380  
Consciousness and awareness it's going

1283  
00:58:31,849 --> 00:58:30,599  
to be alive in-person event but since

1284  
00:58:33,349 --> 00:58:31,859  
we're going to sell out very fast you

1285  
00:58:35,390 --> 00:58:33,359  
want to make sure you're there in person

1286  
00:58:37,210 --> 00:58:35,400  
and guess what you can help vote for the

1287  
00:58:39,230 --> 00:58:37,220  
winners voting is available on

1288  
00:58:40,849 --> 00:58:39,240

forbiddenknowledge.com and the

1289

00:58:44,030 --> 00:58:40,859

categories are going to be social media

1290

00:58:45,849 --> 00:58:44,040

influencer podcast slash radio host TV

1291

00:58:47,630 --> 00:58:45,859

host actor director producer

1292

00:58:49,069 --> 00:58:47,640

entrepreneurs health and wellness

1293

00:58:51,530 --> 00:58:49,079

philanthropists authors field

1294

00:58:53,270 --> 00:58:51,540

researchers archaeologists space anomaly

1295

00:58:56,150 --> 00:58:53,280

hunters and of course a Lifetime

1296

00:58:58,010 --> 00:58:56,160

Achievement Award I'll be your keynote

1297

00:58:59,990 --> 00:58:58,020

speaker that night at The Forbidden

1298

00:59:02,329 --> 00:59:00,000

conscious Awards we have celebrity

1299

00:59:03,829 --> 00:59:02,339

guests performing we'll have a halftime

1300

00:59:05,450 --> 00:59:03,839

show where we're actually going to

1301  
00:59:08,150 --> 00:59:05,460  
perform music for you and don't forget

1302  
00:59:10,130 --> 00:59:08,160  
about the pre-event mixer where if you

1303  
00:59:11,990 --> 00:59:10,140  
buy a box seat you'll be in the VIP

1304  
00:59:14,690 --> 00:59:12,000  
section and you also have private access

1305  
00:59:17,809 --> 00:59:14,700  
to a big-ip mixer with celebrity guests

1306  
00:59:19,549 --> 00:59:17,819  
shake hands break bread Network and then

1307  
00:59:21,710 --> 00:59:19,559  
walk the red carpet with us and take

1308  
00:59:23,030 --> 00:59:21,720  
amazing photos it's gonna be a night to

1309  
00:59:24,890 --> 00:59:23,040  
remember you don't want to forget this

1310  
00:59:26,569 --> 00:59:24,900  
make sure you hurry up and get your

1311  
00:59:29,030 --> 00:59:26,579  
tickets because you're selling out very

1312  
00:59:30,830 --> 00:59:29,040  
fast I want to see you there forbidden

1313  
00:59:34,430 --> 00:59:30,840

conscious Wars 2023

1314

00:59:37,849 --> 00:59:34,440

[Music]

1315

00:59:40,670 --> 00:59:37,859

River Moon coffee makers of the Fade to

1316

00:59:42,490 --> 00:59:40,680

Black blend truly the best coffee on

1317

00:59:44,750 --> 00:59:42,500

planet Earth just visit

1318

00:59:46,609 --> 00:59:44,760

rivermoonwellness.com or or their Amazon

1319

00:59:48,049 --> 00:59:46,619

store it's all simple to do you can

1320

00:59:50,150 --> 00:59:48,059

check out the Fade to Black blend the

1321

00:59:52,789 --> 00:59:50,160

game changer Blend or any of their black

1322

00:59:56,569 --> 00:59:52,799

moon wellness products it's the only

1323

01:00:01,430 --> 00:59:56,579

coffee I drink it is the best and it's

1324

01:00:06,109 --> 01:00:03,950

all right Welcome Back Fade to Black I

1325

01:00:09,049 --> 01:00:06,119

am your host Jimmy church and uh we've

1326  
01:00:11,630 --> 01:00:09,059  
got some uh New River Moon uh coffee

1327  
01:00:12,650 --> 01:00:11,640  
products uh Fade to Black blend stuff

1328  
01:00:18,010 --> 01:00:12,660  
coming out

1329  
01:00:21,950 --> 01:00:18,020  
and uh I spoke uh spoke to them today

1330  
01:00:24,470 --> 01:00:21,960  
very excited about that and also uh I I

1331  
01:00:27,289 --> 01:00:24,480  
did notice over on the Fade to Black fan

1332  
01:00:30,170 --> 01:00:27,299  
page uh there was a comment there about

1333  
01:00:34,309 --> 01:00:30,180  
the promo code uh for Fade to Black

1334  
01:00:37,609 --> 01:00:34,319  
blend and it's there it's f2b blend all

1335  
01:00:40,130 --> 01:00:37,619  
caps and uh so there you go okay that's

1336  
01:00:41,990 --> 01:00:40,140  
the promo code 15 off of your order it's

1337  
01:00:44,470 --> 01:00:42,000  
the best coffee in the world drinking it

1338  
01:00:52,730 --> 01:00:47,809

ah Fade to Black blend I guess tonight

1339

01:00:55,609 --> 01:00:52,740

Les Velez and uh we're talking about uh

1340

01:00:58,430 --> 01:00:55,619

the abduction phenomenon and that's

1341

01:01:01,490 --> 01:00:58,440

exactly what it is it is worldwide it's

1342

01:01:05,030 --> 01:01:01,500

not just a a United States thing it's

1343

01:01:09,049 --> 01:01:05,040

not a swamp thing in Louisiana thing it

1344

01:01:13,970 --> 01:01:09,059

is it's everywhere and uh you brought up

1345

01:01:16,730 --> 01:01:13,980

bud Hopkins and uh there's also there's

1346

01:01:19,069 --> 01:01:16,740

something about and I'm I'm I've I've

1347

01:01:21,430 --> 01:01:19,079

I've talked to Ralph Blumenthal about

1348

01:01:24,190 --> 01:01:21,440

this uh extensively

1349

01:01:27,190 --> 01:01:24,200

John Mack

1350

01:01:33,849 --> 01:01:27,200

connected the dots

1351

01:01:37,609 --> 01:01:33,859

he died before we found out what it was

1352

01:01:41,390 --> 01:01:37,619

that uh you know what I mean it changed

1353

01:01:43,670 --> 01:01:41,400

his life's Mission and and journey and I

1354

01:01:46,789 --> 01:01:43,680

often wonder what was that one thing

1355

01:01:48,470 --> 01:01:46,799

there was a moment where he had done

1356

01:01:51,710 --> 01:01:48,480

enough sessions where he stepped back

1357

01:01:53,809 --> 01:01:51,720

and went okay I'm all in right and yeah

1358

01:01:56,210 --> 01:01:53,819

I often wonder what what that connection

1359

01:01:59,390 --> 01:01:56,220

was what do you think it was

1360

01:02:01,609 --> 01:01:59,400

well I think that as you said that after

1361

01:02:04,789 --> 01:02:01,619

so many sessions and that was like for

1362

01:02:07,069 --> 01:02:04,799

me too listening to these people uh you

1363

01:02:10,130 --> 01:02:07,079

know in the support groups and and and

1364

01:02:12,950 --> 01:02:10,140

the the sincerity uh you know these

1365

01:02:14,809 --> 01:02:12,960

people didn't want to you know they

1366

01:02:17,569 --> 01:02:14,819

weren't looking for fame or Fortune they

1367

01:02:20,630 --> 01:02:17,579

they were looking for help and so

1368

01:02:23,210 --> 01:02:20,640

something obviously happened and and and

1369

01:02:25,970 --> 01:02:23,220

for John Mack that certainly was the

1370

01:02:29,569 --> 01:02:25,980

case and I think one of the most pivotal

1371

01:02:32,329 --> 01:02:29,579

things for him was that aerial School uh

1372

01:02:35,930 --> 01:02:32,339

incident where he he interviewed all

1373

01:02:39,109 --> 01:02:35,940

these kids and you know

1374

01:02:41,270 --> 01:02:39,119

they saw something it was it was it was

1375

01:02:44,510 --> 01:02:41,280

so real I mean they weren't making this

1376

01:02:46,130 --> 01:02:44,520

stuff up and and so at that point I

1377

01:02:48,589 --> 01:02:46,140

would I would say that that was probably

1378

01:02:51,130 --> 01:02:48,599

the the key key trigger point for him

1379

01:02:54,530 --> 01:02:51,140

that he just said that's it

1380

01:02:59,510 --> 01:02:54,540

this is this is happening folks and you

1381

01:03:02,990 --> 01:02:59,520

know uh it's it's physical it's real and

1382

01:03:06,109 --> 01:03:03,000

then you know uh the the abilities that

1383

01:03:09,530 --> 01:03:06,119

they have seem like magic you know uh as

1384

01:03:11,210 --> 01:03:09,540

uh that uh you hear that uh uh talked

1385

01:03:14,750 --> 01:03:11,220

about all the time you know the ability

1386

01:03:17,630 --> 01:03:14,760

to to go through walls or ceilings or or

1387

01:03:22,849 --> 01:03:17,640

all kinds of different phenomena being

1388

01:03:25,970 --> 01:03:22,859

invisible or or uh or being able to

1389

01:03:27,410 --> 01:03:25,980

pick certain people in a group and the

1390

01:03:30,109 --> 01:03:27,420

rest of people don't see a thing and

1391

01:03:31,970 --> 01:03:30,119

then this person is abducted right out

1392

01:03:36,829 --> 01:03:31,980

of the group

1393

01:03:38,569 --> 01:03:36,839

so um now can I ask you uh about that uh

1394

01:03:40,970 --> 01:03:38,579

their

1395

01:03:44,089 --> 01:03:40,980

you have to

1396

01:03:47,030 --> 01:03:44,099

uh okay let's let's say it happens

1397

01:03:48,710 --> 01:03:47,040

inside of your house your bedroom your

1398

01:03:49,549 --> 01:03:48,720

living room whatever but inside of a

1399

01:03:53,410 --> 01:03:49,559

home

1400

01:03:57,230 --> 01:03:53,420

you have to get out of the house

1401

01:03:59,089 --> 01:03:57,240

and we if it's an abduction right it's

1402

01:04:00,890 --> 01:03:59,099

not a meeting right but if it's

1403

01:04:03,710 --> 01:04:00,900

abduction

1404

01:04:05,470 --> 01:04:03,720

um and we've heard different versions of

1405

01:04:08,210 --> 01:04:05,480

this right passing through a window

1406

01:04:10,309 --> 01:04:08,220

passing through a wall passing through

1407

01:04:12,589 --> 01:04:10,319

the ceiling

1408

01:04:14,930 --> 01:04:12,599

um in some cases being floated out a

1409

01:04:18,950 --> 01:04:14,940

door right the door is open and right

1410

01:04:22,069 --> 01:04:18,960

and and and some people walk out uh what

1411

01:04:25,730 --> 01:04:22,079

what do you typically hear in an

1412

01:04:29,990 --> 01:04:25,740

abduction scenario how they are taken

1413

01:04:32,750 --> 01:04:30,000

yeah it seems to be very common that uh

1414

01:04:35,270 --> 01:04:32,760

all of a sudden that uh you know these

1415

01:04:38,630 --> 01:04:35,280

little uh gray guys come in or the brown

1416

01:04:42,950 --> 01:04:38,640

or blue there's various colors

1417

01:04:45,650 --> 01:04:42,960

um and uh they they can either

1418

01:04:48,470 --> 01:04:45,660

physically walk you out

1419

01:04:51,349 --> 01:04:48,480

you know you being in a trance or they

1420

01:04:54,349 --> 01:04:51,359

can take you right through a wall uh in

1421

01:04:58,069 --> 01:04:54,359

in some way shape or form one of the

1422

01:05:02,530 --> 01:04:58,079

cases that I have in in my book uh is of

1423

01:05:06,890 --> 01:05:02,540

a uh a park ranger uh and his girlfriend

1424

01:05:09,349 --> 01:05:06,900

and one night uh uh this this incident

1425

01:05:12,530 --> 01:05:09,359

happened where they were coming back to

1426

01:05:17,510 --> 01:05:12,540

this was at Sunset Beach uh just uh

1427

01:05:19,430 --> 01:05:17,520

south of uh of Santa Cruz and uh they

1428

01:05:23,210 --> 01:05:19,440

saw this object in the field there was a

1429

01:05:27,230 --> 01:05:23,220

lot of agriculture in that area and uh

1430

01:05:30,109 --> 01:05:27,240

this this huge orangey reddish object

1431

01:05:32,690 --> 01:05:30,119

was basically sitting in the field

1432

01:05:34,670 --> 01:05:32,700

and they looked at it and they turned to

1433

01:05:36,829 --> 01:05:34,680

look at it and then the next thing they

1434

01:05:38,690 --> 01:05:36,839

know they felt very robotic in nature

1435

01:05:42,230 --> 01:05:38,700

and they turned their heads back you

1436

01:05:44,930 --> 01:05:42,240

know to the road and

1437

01:05:47,470 --> 01:05:44,940

the next thing this was like at dusk and

1438

01:05:49,190 --> 01:05:47,480

like five something at the time

1439

01:05:51,650 --> 01:05:49,200

and

1440

01:05:54,950 --> 01:05:51,660

the next thing they know they're at the

1441

01:05:57,890 --> 01:05:54,960

trailer where he was actually living

1442

01:05:59,390 --> 01:05:57,900

and it was like instead of being five

1443

01:06:02,450 --> 01:05:59,400

something and only five minutes from

1444

01:06:04,250 --> 01:06:02,460

where they were to where he he lives it

1445

01:06:07,730 --> 01:06:04,260

was like nine something

1446

01:06:10,730 --> 01:06:07,740

they had that much missing time

1447

01:06:14,030 --> 01:06:10,740

anyway they they didn't talk about it

1448

01:06:16,250 --> 01:06:14,040

they went they finally went to to sleep

1449

01:06:19,870 --> 01:06:16,260

and that night

1450

01:06:22,549 --> 01:06:19,880

he was abducted and she was able to see

1451

01:06:26,390 --> 01:06:22,559

these entities come in

1452

01:06:28,309 --> 01:06:26,400

four of them literally float him up and

1453

01:06:30,230 --> 01:06:28,319

then take him through this the wall of

1454

01:06:32,270 --> 01:06:30,240

of the trailer

1455

01:06:35,990 --> 01:06:32,280

um

1456

01:06:36,770 --> 01:06:36,000

he after this incident he was so freaked

1457

01:06:39,230 --> 01:06:36,780

out

1458

01:06:42,170 --> 01:06:39,240

he basically

1459

01:06:44,089 --> 01:06:42,180

disappeared he he couldn't take it he

1460

01:06:47,089 --> 01:06:44,099

ran off

1461

01:06:49,190 --> 01:06:47,099

um and she eventually you know came to

1462

01:06:51,109 --> 01:06:49,200

our support group and and started to

1463

01:06:54,230 --> 01:06:51,119

tell us the story

1464

01:06:57,470 --> 01:06:54,240

um and of course she she had something

1465

01:07:00,470 --> 01:06:57,480

happen to her as well but she she didn't

1466

01:07:01,970 --> 01:07:00,480

want to go under hypnosis to to go you

1467

01:07:04,849 --> 01:07:01,980

know understand it but there was a mark

1468

01:07:08,029 --> 01:07:04,859

on her body and there was blood uh on

1469

01:07:10,010 --> 01:07:08,039

her hip so they did something to her but

1470

01:07:12,230 --> 01:07:10,020

uh she didn't recall and she didn't want

1471

01:07:15,049 --> 01:07:12,240

to go any further than that it was scary

1472

01:07:19,910 --> 01:07:15,059

enough just to see what happened to him

1473

01:07:21,890 --> 01:07:19,920

um so but let me let me just stop for a

1474

01:07:25,730 --> 01:07:21,900

second because I I just wanna I just

1475

01:07:27,950 --> 01:07:25,740

want to give you Kudos uh Jimmy

1476

01:07:30,410 --> 01:07:27,960

um for what you do

1477

01:07:33,230 --> 01:07:30,420

um it's so important for people like

1478

01:07:35,750 --> 01:07:33,240

yourself that are having these podcasts

1479

01:07:40,430 --> 01:07:35,760

and and getting the word out like this

1480

01:07:42,410 --> 01:07:40,440

because you know we're we're constantly

1481

01:07:44,210 --> 01:07:42,420

trying to better understand what's

1482

01:07:46,670 --> 01:07:44,220

what's happening and then these people

1483

01:07:49,430 --> 01:07:46,680

that are having these experiences need

1484

01:07:52,130 --> 01:07:49,440

help and you know in in so many

1485

01:07:56,089 --> 01:07:52,140

different ways and so what you do is is

1486

01:07:57,710 --> 01:07:56,099

fantastic it's it's it's needed and I

1487

01:08:02,450 --> 01:07:57,720

appreciate the hell out of you Jimmy

1488

01:08:05,690 --> 01:08:02,460

you're doing a fantastic job so anyway I

1489

01:08:08,510 --> 01:08:05,700

appreciate that Les and but I hear I

1490

01:08:11,990 --> 01:08:08,520

hear that over and over again

1491

01:08:14,870 --> 01:08:12,000

um uh not the Kudos part but what I do

1492

01:08:18,410 --> 01:08:14,880

here over and over again is where do we

1493

01:08:22,189 --> 01:08:18,420

go who do we talk to you know there's

1494

01:08:24,050 --> 01:08:22,199

got to be something out there

1495

01:08:25,630 --> 01:08:24,060

um and that's got to be a strange Google

1496

01:08:29,689 --> 01:08:25,640

Search right

1497

01:08:34,430 --> 01:08:29,699

I was abducted by aliens right that's

1498

01:08:39,829 --> 01:08:34,440

that's what what do you do and and

1499

01:08:41,809 --> 01:08:39,839

um the the things that bind and bond our

1500

01:08:45,229 --> 01:08:41,819

community together other are deeply

1501

01:08:48,470 --> 01:08:45,239

deeply personal and probably none more

1502

01:08:51,650 --> 01:08:48,480

personal than something like this where

1503

01:08:54,289 --> 01:08:51,660

you can't talk to your husband or your

1504

01:08:56,809 --> 01:08:54,299

wife about it right you can't talk to

1505

01:08:58,870 --> 01:08:56,819

your co-workers about it right and talk

1506

01:09:03,950 --> 01:08:58,880

to you can't talk to anybody about it

1507

01:09:07,490 --> 01:09:03,960

and and if you do you've got to be ready

1508

01:09:10,010 --> 01:09:07,500

for some pretty strange reactions and so

1509

01:09:11,510 --> 01:09:10,020

therefore people keep it inside of

1510

01:09:15,050 --> 01:09:11,520

themselves

1511

01:09:17,090 --> 01:09:15,060

um I've got many mutual friends uh that

1512

01:09:20,110 --> 01:09:17,100

that we have between us that have

1513

01:09:22,370 --> 01:09:20,120

support groups and they are there man

1514

01:09:24,169 --> 01:09:22,380

they can't come on Fade to Black on

1515

01:09:25,749 --> 01:09:24,179

Tuesdays because they have stuff to do

1516

01:09:29,209 --> 01:09:25,759

right

1517

01:09:31,729 --> 01:09:29,219

on Wednesdays because they have their

1518

01:09:35,030 --> 01:09:31,739

support group and and I think that that

1519

01:09:36,709 --> 01:09:35,040

is great and I'm glad that mufon

1520

01:09:40,070 --> 01:09:36,719

um and and the work of Kathleen Martin

1521

01:09:43,729 --> 01:09:40,080

you know oh yeah in this in this area is

1522

01:09:45,950 --> 01:09:43,739

very very important because of the

1523

01:09:47,150 --> 01:09:45,960

um the physical side and I want to talk

1524

01:09:50,450 --> 01:09:47,160

about that

1525

01:09:52,669 --> 01:09:50,460

but it's the psychological side you know

1526

01:09:55,370 --> 01:09:52,679

people are going through changes and

1527

01:09:58,430 --> 01:09:55,380

they're having to deal with it by

1528

01:10:00,709 --> 01:09:58,440

themselves working through it in their

1529

01:10:02,630 --> 01:10:00,719

own mind and that's got to be tough yeah

1530

01:10:05,810 --> 01:10:02,640

the psychological aspects of it are

1531

01:10:08,150 --> 01:10:05,820

probably even more damaging than the

1532

01:10:10,430 --> 01:10:08,160

physical aspects of it

1533

01:10:14,990 --> 01:10:10,440

um you know the fear the anxiety the

1534

01:10:16,610 --> 01:10:15,000

PTSD uh things of that nature that these

1535

01:10:20,330 --> 01:10:16,620

people Come Away with after their

1536

01:10:23,870 --> 01:10:20,340

experiences uh certainly this is

1537

01:10:26,209 --> 01:10:23,880

something that is very serious and if

1538

01:10:27,169 --> 01:10:26,219

not dealt with I mean it you know people

1539

01:10:29,689 --> 01:10:27,179

have

1540

01:10:32,870 --> 01:10:29,699

not been able to work I mean their their

1541

01:10:35,270 --> 01:10:32,880

lives were so messed up you know they

1542

01:10:37,130 --> 01:10:35,280

they ended up getting divorces they

1543

01:10:39,290 --> 01:10:37,140

could you know be because their wife

1544

01:10:42,709 --> 01:10:39,300

thought they were crazy

1545

01:10:45,350 --> 01:10:42,719

um and and you know they they couldn't

1546

01:10:48,590 --> 01:10:45,360

go to work on a regular basis because

1547

01:10:52,130 --> 01:10:48,600

they were taking drugs uh to suppress

1548

01:10:56,209 --> 01:10:52,140

the the feelings the anxiety the fear

1549

01:10:59,330 --> 01:10:56,219

um it's horrible it's horrible and uh so

1550

01:11:02,570 --> 01:10:59,340

uh this is why you know I think that uh

1551  
01:11:06,410 --> 01:11:02,580  
what we're trying to do as best we can

1552  
01:11:07,910 --> 01:11:06,420  
is to point these people uh in the right

1553  
01:11:08,930 --> 01:11:07,920  
direction whether it's a support group

1554  
01:11:11,209 --> 01:11:08,940  
whether it's a mental health

1555  
01:11:13,189 --> 01:11:11,219  
practitioner to get the kind of help

1556  
01:11:16,550 --> 01:11:13,199  
that they they're really looking for and

1557  
01:11:19,130 --> 01:11:16,560  
what part of the the study that we uh

1558  
01:11:21,950 --> 01:11:19,140  
just uh did the first phase of the

1559  
01:11:25,370 --> 01:11:21,960  
omega-4 study uh when we went out to the

1560  
01:11:28,490 --> 01:11:25,380  
therapist we asked them you know what

1561  
01:11:32,270 --> 01:11:28,500  
type of modality do you utilize to to

1562  
01:11:34,729 --> 01:11:32,280  
help these people and edmr as far as

1563  
01:11:38,570 --> 01:11:34,739

hypnosis is concerned was like the the

1564

01:11:42,110 --> 01:11:38,580

number one followed by qhht

1565

01:11:44,630 --> 01:11:42,120

um and and so um uh this is something

1566

01:11:47,149 --> 01:11:44,640

then that we could translate and put out

1567

01:11:49,850 --> 01:11:47,159

there to the people on our Referral List

1568

01:11:52,310 --> 01:11:49,860

and and try to bring them up to speed

1569

01:11:53,990 --> 01:11:52,320

and and to to give them the the kind of

1570

01:11:54,709 --> 01:11:54,000

information that they need to help these

1571

01:11:58,310 --> 01:11:54,719

people

1572

01:12:01,070 --> 01:11:58,320

I I can only imagine that the the

1573

01:12:03,110 --> 01:12:01,080

typical first conversation that you have

1574

01:12:04,790 --> 01:12:03,120

with somebody is

1575

01:12:07,630 --> 01:12:04,800

I've never really talked about this

1576

01:12:11,209 --> 01:12:07,640

before right is that how it starts out

1577

01:12:13,870 --> 01:12:11,219

oh yeah well they say you know uh you'll

1578

01:12:16,970 --> 01:12:13,880

probably think I'm crazy right right

1579

01:12:18,590 --> 01:12:16,980

and and then a lot of these people that

1580

01:12:21,229 --> 01:12:18,600

come to us have already gone to a

1581

01:12:23,810 --> 01:12:21,239

psychologist or a psychiatrist and they

1582

01:12:25,850 --> 01:12:23,820

find out that they're not crazy and so

1583

01:12:28,010 --> 01:12:25,860

then what you know what what's the next

1584

01:12:31,130 --> 01:12:28,020

step for them and then then they they

1585

01:12:34,850 --> 01:12:31,140

start trying to search and find places

1586

01:12:38,510 --> 01:12:34,860

that they can uh you know comfortably uh

1587

01:12:41,330 --> 01:12:38,520

uh you know tell their story

1588

01:12:45,050 --> 01:12:41,340

um and we're we're totally neutral you

1589

01:12:48,229 --> 01:12:45,060

know we we we uh we monitor the the

1590

01:12:50,750 --> 01:12:48,239

support group very closely uh over the

1591

01:12:52,669 --> 01:12:50,760

years uh since we set it up I've I

1592

01:12:54,709 --> 01:12:52,679

probably only had to kick out like three

1593

01:12:55,910 --> 01:12:54,719

people that got on their high horse and

1594

01:12:57,169 --> 01:12:55,920

said well this is the only way it

1595

01:13:00,890 --> 01:12:57,179

possibly can be and you're all crazy

1596

01:13:02,410 --> 01:13:00,900

right right right right

1597

01:13:06,229 --> 01:13:02,420

um I have

1598

01:13:09,729 --> 01:13:06,239

and I know that you've done this too

1599

01:13:13,669 --> 01:13:09,739

but I've had the opportunity many times

1600

01:13:15,350 --> 01:13:13,679

to sit down face to face with Travis

1601

01:13:19,130 --> 01:13:15,360

Walton and look straight into his

1602

01:13:22,490 --> 01:13:19,140

eyeballs and you know now he's a very

1603

01:13:25,430 --> 01:13:22,500

smart guy very intelligent

1604

01:13:28,010 --> 01:13:25,440

um and and things but you know he went

1605

01:13:30,470 --> 01:13:28,020

through some stuff oh absolutely it's

1606

01:13:32,270 --> 01:13:30,480

the same thing with Whitley

1607

01:13:35,510 --> 01:13:32,280

um Whitley's been a guest at my house

1608

01:13:37,310 --> 01:13:35,520

and and uh you know I just I love that

1609

01:13:39,890 --> 01:13:37,320

guy to death you know he's a friend of

1610

01:13:43,669 --> 01:13:39,900

mine I actually had I had Travis at my

1611

01:13:48,050 --> 01:13:43,679

house and and uh this was years ago uh

1612

01:13:51,169 --> 01:13:48,060

and uh with uh one of his uh uh buddies

1613

01:13:54,649 --> 01:13:51,179

that was on that on that uh trip there

1614

01:13:56,510 --> 01:13:54,659

with him and uh uh he was telling the

1615

01:13:58,430 --> 01:13:56,520

stories about the government how the

1616

01:14:00,709 --> 01:13:58,440

government was hounding him to just be

1617

01:14:02,510 --> 01:14:00,719

quiet yeah they didn't want him to talk

1618

01:14:04,310 --> 01:14:02,520

they didn't want him to talk at all

1619

01:14:07,729 --> 01:14:04,320

about this stuff I had a conversation

1620

01:14:11,030 --> 01:14:07,739

with Travis about that uh one night

1621

01:14:15,709 --> 01:14:11,040

um and where was that oh

1622

01:14:17,510 --> 01:14:15,719

I think I I spoke at uh the mufon uh

1623

01:14:22,070 --> 01:14:17,520

International Symposium

1624

01:14:24,709 --> 01:14:22,080

and uh this was uh uh many years ago

1625

01:14:27,610 --> 01:14:24,719

um but Travis came out and and hung out

1626

01:14:30,590 --> 01:14:27,620

with us out on the patio uh of the hotel

1627

01:14:33,770 --> 01:14:30,600

and we we just got into this

1628

01:14:37,790 --> 01:14:33,780

conversation about that and that was

1629

01:14:40,370 --> 01:14:37,800

very strange uh to and he's got uh he's

1630

01:14:44,810 --> 01:14:40,380

got very strong opinions about this he

1631

01:14:46,790 --> 01:14:44,820

is he's very smart and it's not it's not

1632

01:14:49,490 --> 01:14:46,800

typically what you hear from Travis

1633

01:14:51,950 --> 01:14:49,500

because most most

1634

01:14:54,410 --> 01:14:51,960

um uh people that interview him ask him

1635

01:14:55,550 --> 01:14:54,420

the same five questions and he's you

1636

01:14:58,610 --> 01:14:55,560

know he's got to go through it but

1637

01:15:00,709 --> 01:14:58,620

Travis has a lot to say yeah and so does

1638

01:15:02,930 --> 01:15:00,719

Whitley you know and you look in

1639

01:15:04,490 --> 01:15:02,940

Whitley's eyes it's the same thing with

1640

01:15:06,350 --> 01:15:04,500

Travis

1641

01:15:08,390 --> 01:15:06,360

um you can see the and feel the

1642

01:15:11,149 --> 01:15:08,400

sincerity but you know that they went

1643

01:15:13,430 --> 01:15:11,159

through some stuff man oh yeah it's the

1644

01:15:15,729 --> 01:15:13,440

same thing that anybody else that goes

1645

01:15:18,950 --> 01:15:15,739

through an experience like this that

1646

01:15:23,510 --> 01:15:18,960

trauma may be the right word word

1647

01:15:26,209 --> 01:15:23,520

um with that how many consider it a

1648

01:15:29,450 --> 01:15:26,219

negative experience and how many would

1649

01:15:32,390 --> 01:15:29,460

wouldn't mind it doing it again yeah

1650

01:15:35,149 --> 01:15:32,400

well there's been various studies done

1651

01:15:38,330 --> 01:15:35,159

and and the the numbers that keep coming

1652

01:15:41,030 --> 01:15:38,340

up is that like 60 to 70 percent of the

1653

01:15:44,330 --> 01:15:41,040

people feel that they want these uh

1654

01:15:47,330 --> 01:15:44,340

situations to continue and so then the

1655

01:15:49,970 --> 01:15:47,340

the rest of them are the the negative uh

1656

01:15:52,450 --> 01:15:49,980

experiences that seem to continue to be

1657

01:15:57,290 --> 01:15:52,460

negative uh and that these people cannot

1658

01:15:58,970 --> 01:15:57,300

get past uh that scenario and and I

1659

01:16:00,470 --> 01:15:58,980

believe it's just like here on the

1660

01:16:02,030 --> 01:16:00,480

planet we have good people and we have

1661

01:16:04,010 --> 01:16:02,040

bad people right

1662

01:16:06,169 --> 01:16:04,020

we got the same thing going on up there

1663

01:16:08,090 --> 01:16:06,179

we have we have some good aliens and we

1664

01:16:11,330 --> 01:16:08,100

have some badass aliens

1665

01:16:14,090 --> 01:16:11,340

uh what what what would you consider a a

1666

01:16:16,430 --> 01:16:14,100

negative or bad experience

1667

01:16:18,189 --> 01:16:16,440

well I think what it is is that uh

1668

01:16:21,290 --> 01:16:18,199

people are having

1669

01:16:24,229 --> 01:16:21,300

procedures done on them that are really

1670

01:16:27,890 --> 01:16:24,239

painful and and and then they also come

1671

01:16:30,110 --> 01:16:27,900

back with uh illnesses that uh they uh

1672

01:16:32,630 --> 01:16:30,120

they uh you know

1673

01:16:35,450 --> 01:16:32,640

didn't have before the experience so

1674

01:16:40,010 --> 01:16:35,460

it's it's obviously a factor of of

1675

01:16:42,229 --> 01:16:40,020

having that experience uh and uh in that

1676

01:16:44,930 --> 01:16:42,239

that book I mentioned skin workers at

1677

01:16:47,870 --> 01:16:44,940

the Pentagon you know they this this uh

1678

01:16:49,850 --> 01:16:47,880

person uh uh an orb entered their body

1679

01:16:52,850 --> 01:16:49,860

and certainly thereafter they they had

1680

01:16:55,729 --> 01:16:52,860

an autoimmune disease uh situation go on

1681

01:16:57,290 --> 01:16:55,739

but orbs have also been just the

1682

01:16:58,970 --> 01:16:57,300

opposite they've gone into a person's

1683

01:17:01,790 --> 01:16:58,980

body and cured cancer

1684

01:17:03,890 --> 01:17:01,800

so uh you know so maybe there's good

1685

01:17:06,709 --> 01:17:03,900

orbs and there's bad orbs

1686

01:17:09,709 --> 01:17:06,719

um it's a real mixed bag it really is a

1687

01:17:13,070 --> 01:17:09,719

mixed bag uh thank goodness the majority

1688

01:17:15,770 --> 01:17:13,080

are are positive though yeah it it seems

1689

01:17:19,010 --> 01:17:15,780

that way and then

1690

01:17:22,189 --> 01:17:19,020

um I had somebody mention uh to me this

1691

01:17:24,410 --> 01:17:22,199

is about a year ago uh at a conference

1692

01:17:25,669 --> 01:17:24,420

and said Jimmy you know I heard what you

1693

01:17:27,830 --> 01:17:25,679

said the other night

1694

01:17:30,370 --> 01:17:27,840

um on the show

1695

01:17:34,490 --> 01:17:30,380

um and no

1696

01:17:37,610 --> 01:17:34,500

in general being abducted against your

1697

01:17:40,010 --> 01:17:37,620

will is not a fun experience no matter

1698

01:17:43,970 --> 01:17:40,020

what you experience while you're out

1699

01:17:47,030 --> 01:17:43,980

there right you're still abducted and uh

1700

01:17:48,709 --> 01:17:47,040

so in general it's got to be a negative

1701

01:17:50,450 --> 01:17:48,719

thing and I thought that that was a

1702

01:17:53,570 --> 01:17:50,460

pretty interesting thing yeah I I think

1703

01:17:55,550 --> 01:17:53,580

and we talked about that a little while

1704

01:18:00,669 --> 01:17:55,560

ago is the fact that certainly the the

1705

01:18:04,610 --> 01:18:00,679

initial contact is extremely stressful

1706

01:18:05,990 --> 01:18:04,620

extremely negative I mean you know you

1707

01:18:07,189 --> 01:18:06,000

have these little guys coming to your

1708

01:18:09,290 --> 01:18:07,199

room and the next thing you know you're

1709

01:18:11,810 --> 01:18:09,300

on board a craft and it's it's there and

1710

01:18:14,930 --> 01:18:11,820

they're sticking things in every orifice

1711

01:18:18,709 --> 01:18:14,940

and yeah

1712

01:18:22,669 --> 01:18:18,719

and and then for whatever reason you

1713

01:18:26,330 --> 01:18:22,679

know uh these experiences you know as

1714

01:18:30,830 --> 01:18:26,340

they continue in in most cases they do

1715

01:18:34,189 --> 01:18:30,840

um uh that person comes to accept it and

1716

01:18:36,470 --> 01:18:34,199

not be as traumatized by it uh and

1717

01:18:41,090 --> 01:18:36,480

sometimes they people Strike Up

1718

01:18:44,450 --> 01:18:41,100

relations with individual uh aliens and

1719

01:18:47,930 --> 01:18:44,460

so that every time an incident happens

1720

01:18:50,870 --> 01:18:47,940

that same alien is with the person and

1721

01:18:53,750 --> 01:18:50,880

and so uh it becomes again less

1722

01:18:57,410 --> 01:18:53,760

stressful uh because there seems to be

1723

01:18:59,990 --> 01:18:57,420

an amicable uh relationship there

1724

01:19:05,050 --> 01:19:00,000

um so now

1725

01:19:09,169 --> 01:19:05,060

um what about uh the the

1726

01:19:13,250 --> 01:19:09,179

positive side of this because no matter

1727

01:19:15,590 --> 01:19:13,260

what we can say about an abduction right

1728

01:19:19,090 --> 01:19:15,600

and and how that happens I I get that

1729

01:19:21,290 --> 01:19:19,100

part but it just seems to me

1730

01:19:23,149 --> 01:19:21,300

that and you're right there's good and

1731

01:19:26,390 --> 01:19:23,159

bad in everything I I understand that

1732

01:19:27,950 --> 01:19:26,400

but if they really wanted to make our

1733

01:19:31,010 --> 01:19:27,960

life bad

1734

01:19:33,229 --> 01:19:31,020

I think we would know it right I I just

1735

01:19:34,729 --> 01:19:33,239

think if they wanted to take over the

1736

01:19:36,410 --> 01:19:34,739

world if they wanted to turn us into

1737

01:19:38,510 --> 01:19:36,420

slaves if they wanted to do that yeah

1738

01:19:41,270 --> 01:19:38,520

they wanted to you know I think that we

1739

01:19:44,290 --> 01:19:41,280

would see evidence of that and and we

1740

01:19:47,570 --> 01:19:44,300

don't that's well bad things don't go on

1741

01:19:49,669 --> 01:19:47,580

because they do well I think I think

1742

01:19:53,870 --> 01:19:49,679

there's an aspect of this whole thing

1743

01:19:55,850 --> 01:19:53,880

the hybridization process that uh is

1744

01:19:58,729 --> 01:19:55,860

being talked about

1745

01:20:02,750 --> 01:19:58,739

um where this the sperm and eggs are

1746

01:20:05,930 --> 01:20:02,760

being taken harvested uh from us and

1747

01:20:09,010 --> 01:20:05,940

then these uh hybrid creatures you know

1748

01:20:13,570 --> 01:20:09,020

the mixing of uh our DNA with their DNA

1749

01:20:15,130 --> 01:20:13,580

uh creates uh creates these uh

1750

01:20:18,830 --> 01:20:15,140

entities

1751

01:20:21,830 --> 01:20:18,840

that in some cases according to David

1752

01:20:24,830 --> 01:20:21,840

Jacobs he calls them hubris you can't

1753

01:20:27,709 --> 01:20:24,840

even tell them apart from you and I

1754

01:20:30,530 --> 01:20:27,719

um there was a book written years ago uh

1755

01:20:32,450 --> 01:20:30,540

by women by the name of Helena oh and

1756

01:20:35,630 --> 01:20:32,460

the name of the book is Rachel's eyes

1757

01:20:39,470 --> 01:20:35,640

it's a great book by the way okay so you

1758

01:20:41,090 --> 01:20:39,480

know that yes yeah and and you know her

1759

01:20:43,010 --> 01:20:41,100

daughter went to school with a hybrid

1760

01:20:46,070 --> 01:20:43,020

and the military was bringing her food

1761

01:20:46,910 --> 01:20:46,080

because she couldn't have regular food

1762

01:20:50,390 --> 01:20:46,920

um

1763

01:20:53,330 --> 01:20:50,400

and uh yeah Helen Helen's still alive I

1764

01:20:56,810 --> 01:20:53,340

I talked to her probably last year and

1765

01:20:58,910 --> 01:20:56,820

uh she has some more information but she

1766

01:21:02,390 --> 01:20:58,920

says I I can't release it until I kick

1767

01:21:04,669 --> 01:21:02,400

the bucket which is yeah I heard I I

1768

01:21:05,990 --> 01:21:04,679

heard some chatter about that too as

1769

01:21:08,510 --> 01:21:06,000

well

1770

01:21:11,330 --> 01:21:08,520

um but we do need Rachel's uh Rachel's

1771

01:21:14,570 --> 01:21:11,340

Eyes Part Two for sure but here here's

1772

01:21:18,290 --> 01:21:14,580

the uh here's the thing you said earlier

1773

01:21:20,750 --> 01:21:18,300

in the show that when somebody says no

1774

01:21:24,590 --> 01:21:20,760

you guys are all wrong I'm telling you

1775

01:21:26,209 --> 01:21:24,600

how it how it really goes down that you

1776

01:21:29,709 --> 01:21:26,219

you are so correct

1777

01:21:35,390 --> 01:21:29,719

there has to be and it's a numbers game

1778

01:21:38,149 --> 01:21:35,400

there has to be tens of thousands of E.T

1779

01:21:41,630 --> 01:21:38,159

Advanced civilizations visiting this

1780

01:21:44,270 --> 01:21:41,640

planet it's not just one but and there

1781

01:21:47,209 --> 01:21:44,280

isn't you know just one experience and

1782

01:21:49,970 --> 01:21:47,219

and that's it no It's gotta be it'll

1783

01:21:51,890 --> 01:21:49,980

cross the board different you know it it

1784

01:21:53,750 --> 01:21:51,900

just has to be that way then there's

1785

01:21:58,370 --> 01:21:53,760

there's no way that there was only one

1786

01:22:00,470 --> 01:21:58,380

agenda yeah oh yeah I I totally agree

1787

01:22:03,410 --> 01:22:00,480

um you know supposedly there's you know

1788

01:22:05,090 --> 01:22:03,420

a group of uh good aliens and there's a

1789

01:22:07,189 --> 01:22:05,100

group of bad aliens and the good aliens

1790

01:22:09,050 --> 01:22:07,199

are constantly fighting off the bad ones

1791

01:22:11,030 --> 01:22:09,060

from doing what they want to do to us

1792

01:22:12,290 --> 01:22:11,040

and so so far I guess they've been

1793

01:22:15,350 --> 01:22:12,300

winning

1794

01:22:17,990 --> 01:22:15,360

um but uh you know

1795

01:22:20,689 --> 01:22:18,000

so much of this is conjecture because we

1796

01:22:23,990 --> 01:22:20,699

don't have a definitive answer for most

1797

01:22:26,390 --> 01:22:24,000

of this you know we we have

1798

01:22:29,209 --> 01:22:26,400

people that have had these experiences

1799

01:22:33,169 --> 01:22:29,219

tell us their stories and there seems to

1800

01:22:36,530 --> 01:22:33,179

be a Common Thread so that much we know

1801

01:22:39,709 --> 01:22:36,540

okay but beyond that you know what's

1802

01:22:42,290 --> 01:22:39,719

their true agenda you know whether it's

1803

01:22:44,990 --> 01:22:42,300

it's it's to eventually take over the

1804

01:22:47,390 --> 01:22:45,000

planet by hybridizing everybody you know

1805

01:22:50,330 --> 01:22:47,400

aren't we already hybrids

1806

01:22:53,689 --> 01:22:50,340

right yeah well that's that's yeah and

1807

01:22:56,750 --> 01:22:53,699

we already oh we have to be I mean

1808

01:23:00,709 --> 01:22:56,760

that's I know I don't want to sound like

1809

01:23:04,370 --> 01:23:00,719

I'm a complete idiot listen it's just

1810

01:23:08,390 --> 01:23:04,380

that DNA is universal right and when

1811

01:23:12,110 --> 01:23:08,400

that Universal means the universe right

1812

01:23:14,630 --> 01:23:12,120

so I would think that we're all we're

1813

01:23:17,090 --> 01:23:14,640

all kind of the same uh I don't think

1814

01:23:18,649 --> 01:23:17,100

our DNA is much different than alien DNA

1815

01:23:20,630 --> 01:23:18,659

it's going to be different uh we're

1816

01:23:23,930 --> 01:23:20,640

different our DNA is a little bit

1817

01:23:26,689 --> 01:23:23,940

different than a banana but it's still

1818

01:23:29,510 --> 01:23:26,699

DNA right yeah right

1819

01:23:32,030 --> 01:23:29,520

um but there is a Common Thread I want

1820

01:23:35,090 --> 01:23:32,040

to uh I want to shift gears a little bit

1821

01:23:38,510 --> 01:23:35,100

that I've heard a lot

1822

01:23:41,330 --> 01:23:38,520

um and I remember we remember Nadine

1823

01:23:43,370 --> 01:23:41,340

laylich right yes yeah I haven't heard

1824

01:23:45,250 --> 01:23:43,380

from her in a while I wonder how she's

1825

01:23:48,649 --> 01:23:45,260

doing anyway

1826

01:23:50,330 --> 01:23:48,659

Nadine uh dishes guest on on Fade to

1827

01:23:53,030 --> 01:23:50,340

block a couple of times but I also

1828

01:23:56,450 --> 01:23:53,040

watched her uh speak I gotta I'm losing

1829

01:24:03,169 --> 01:23:59,169

I blew out my voice on this cruise I

1830

01:24:06,229 --> 01:24:03,179

yelled for seven days yep

1831

01:24:09,290 --> 01:24:06,239

um and so Nadine

1832

01:24:11,630 --> 01:24:09,300

said something that

1833

01:24:13,850 --> 01:24:11,640

caught my attention and I've heard it

1834

01:24:16,130 --> 01:24:13,860

repeated over and over again

1835

01:24:19,370 --> 01:24:16,140

in a room

1836

01:24:21,050 --> 01:24:19,380

meeting this type of this and this and

1837

01:24:25,669 --> 01:24:21,060

this but in the back

1838

01:24:28,130 --> 01:24:25,679

is somebody in a U.S military uniform

1839

01:24:31,550 --> 01:24:28,140

do you hear that a lot

1840

01:24:32,810 --> 01:24:31,560

you don't hear it a lot but you do hear

1841

01:24:36,050 --> 01:24:32,820

it

1842

01:24:39,169 --> 01:24:36,060

um you know and and that's when I I

1843

01:24:41,290 --> 01:24:39,179

mentioned the fact that you know are

1844

01:24:44,090 --> 01:24:41,300

they extraterrestrial are they

1845

01:24:46,610 --> 01:24:44,100

interdimensional are they Time Travelers

1846

01:24:49,850 --> 01:24:46,620

are they are military

1847

01:24:51,729 --> 01:24:49,860

or all the above which I believe it is

1848

01:24:54,770 --> 01:24:51,739

it's all the above

1849

01:24:57,649 --> 01:24:54,780

do you think uh when when people make

1850

01:25:02,030 --> 01:24:57,659

those comments uh you know Witnesses and

1851

01:25:05,510 --> 01:25:02,040

things that the government is aware

1852

01:25:10,310 --> 01:25:05,520

and that's one and two

1853

01:25:13,490 --> 01:25:10,320

could some of these abductions be staged

1854

01:25:16,010 --> 01:25:13,500

I I wouldn't put it past them to to do

1855

01:25:18,290 --> 01:25:16,020

something like that yeah I mean well you

1856

01:25:20,930 --> 01:25:18,300

know Melinda Leslie talks about her Mill

1857

01:25:23,330 --> 01:25:20,940

lab uh you know type of abduction and

1858

01:25:25,189 --> 01:25:23,340

what happened with her uh and it was

1859

01:25:27,310 --> 01:25:25,199

basically a fact-finding mission that

1860

01:25:32,390 --> 01:25:27,320

the military put together

1861

01:25:35,270 --> 01:25:32,400

but um yeah I I think there's so many uh

1862

01:25:38,630 --> 01:25:35,280

uh scenarios that are possible with all

1863

01:25:40,970 --> 01:25:38,640

of this you know High strangeness uh

1864

01:25:43,070 --> 01:25:40,980

that that is going on

1865

01:25:45,229 --> 01:25:43,080

um and and

1866

01:25:48,770 --> 01:25:45,239

where where you know what's the end

1867

01:25:51,290 --> 01:25:48,780

point of this or you know people who you

1868

01:25:53,450 --> 01:25:51,300

know that think about the fact that uh

1869

01:25:56,030 --> 01:25:53,460

well you know they're gonna come in here

1870

01:25:58,970 --> 01:25:56,040

and they're gonna take us over and you

1871

01:26:01,070 --> 01:25:58,980

know destroy our way of life and well I

1872

01:26:02,629 --> 01:26:01,080

think if if they wanted to do something

1873

01:26:07,610 --> 01:26:02,639

like that they could have done it eons

1874

01:26:09,110 --> 01:26:07,620

ago and uh right now uh I I think

1875

01:26:10,790 --> 01:26:09,120

they're there they might be just a

1876

01:26:12,370 --> 01:26:10,800

little bit nervous about trying to do

1877

01:26:16,370 --> 01:26:12,380

anything with us

1878

01:26:18,950 --> 01:26:16,380

Isaac Arthur great physicist and an

1879

01:26:20,990 --> 01:26:18,960

amazing guest on the show many times

1880

01:26:24,530 --> 01:26:21,000

um he said something that really opened

1881

01:26:28,129 --> 01:26:24,540

up my eyes he goes Jimmy you know we

1882

01:26:30,410 --> 01:26:28,139

always talk about uh you know uh aliens

1883

01:26:32,390 --> 01:26:30,420

releasing a virus and taking over the

1884

01:26:35,390 --> 01:26:32,400

planet and wiping us out or coming here

1885

01:26:38,090 --> 01:26:35,400

with with Photon cannons and having an

1886

01:26:40,970 --> 01:26:38,100

alien war and Independence Day situation

1887

01:26:44,629 --> 01:26:40,980

he goes that's how they would do it I go

1888

01:26:47,689 --> 01:26:44,639

how would they do it he goes easy

1889

01:26:49,250 --> 01:26:47,699

you pull into our solar system at the

1890

01:26:52,370 --> 01:26:49,260

speed of light

1891

01:26:55,490 --> 01:26:52,380

and then you hit the brakes when you

1892

01:26:59,750 --> 01:26:55,500

dump your garbage

1893

01:27:03,169 --> 01:26:59,760

I said that's interesting

1894

01:27:07,490 --> 01:27:03,179

hit planet Earth with your garbage at

1895

01:27:10,729 --> 01:27:07,500

the speed of light simple easy and and I

1896

01:27:14,270 --> 01:27:10,739

went now now you stop and you think

1897

01:27:16,570 --> 01:27:14,280

about now as as far-fetched and funny as

1898

01:27:20,209 --> 01:27:16,580

that may be

1899

01:27:23,090 --> 01:27:20,219

what he is suggesting is it's not that

1900

01:27:26,030 --> 01:27:23,100

complicated right if they wanted to do

1901

01:27:28,430 --> 01:27:26,040

it they have a solution to doing it and

1902

01:27:31,370 --> 01:27:28,440

it would be very very easy well

1903

01:27:33,830 --> 01:27:31,380

obviously they're they're far Advanced

1904

01:27:37,310 --> 01:27:33,840

with the capabilities that these craft

1905

01:27:39,590 --> 01:27:37,320

have exhibited you know uh

1906

01:27:42,350 --> 01:27:39,600

the type of propulsion though the way

1907

01:27:44,930 --> 01:27:42,360

they can they can move uh the speeds

1908

01:27:47,870 --> 01:27:44,940

that they move at uh doing right angles

1909

01:27:52,610 --> 01:27:47,880

at The Impossible speeds right turn turn

1910

01:27:54,590 --> 01:27:52,620

a human into liquid uh and uh but I I

1911

01:27:58,729 --> 01:27:54,600

had the opportunity to have lunch with

1912

01:28:01,490 --> 01:27:58,739

uh Lu Elizondo uh a couple of years ago

1913

01:28:04,250 --> 01:28:01,500

before kovitz shut everything down and

1914

01:28:06,770 --> 01:28:04,260

uh Terry Lovelace was there because Lou

1915

01:28:09,830 --> 01:28:06,780

was there interviewing Terry Lovelace

1916

01:28:11,930 --> 01:28:09,840

for that show unidentified

1917

01:28:13,669 --> 01:28:11,940

which never got aired that particular

1918

01:28:16,669 --> 01:28:13,679

episode never got aired for whatever

1919

01:28:19,189 --> 01:28:16,679

reason I don't know but it's sitting

1920

01:28:21,590 --> 01:28:19,199

down and talking to him they figured

1921

01:28:25,090 --> 01:28:21,600

that there's an interaction with a very

1922

01:28:29,090 --> 01:28:25,100

low power unit and the skin of The Craft

1923

01:28:32,030 --> 01:28:29,100

that causes some kind of a a interaction

1924

01:28:34,970 --> 01:28:32,040

between space and time uh that they're

1925

01:28:37,189 --> 01:28:34,980

able to do that so and he was making

1926

01:28:40,450 --> 01:28:37,199

drawings and everything I tried to steal

1927

01:28:44,390 --> 01:28:40,460

that from him but it wasn't successful

1928

01:28:46,070 --> 01:28:44,400

and so they know a lot more they know a

1929

01:28:48,350 --> 01:28:46,080

hell of a lot more that they still

1930

01:28:51,350 --> 01:28:48,360

haven't come out with and that that

1931

01:28:54,470 --> 01:28:51,360

first uh Congressional hearing that they

1932

01:28:56,390 --> 01:28:54,480

had that was such a joke the the people

1933

01:28:59,209 --> 01:28:56,400

that they they were interrogating didn't

1934

01:29:02,810 --> 01:28:59,219

know [h\_\_\h] they didn't

1935

01:29:05,350 --> 01:29:02,820

um well or they acted like yeah okay oh

1936

01:29:09,470 --> 01:29:05,360

yeah okay

1937

01:29:11,390 --> 01:29:09,480

Moultrie and gray those two characters I

1938

01:29:14,030 --> 01:29:11,400

I don't think they're going to be

1939

01:29:16,250 --> 01:29:14,040

invited back uh to the uh to the

1940

01:29:17,930 --> 01:29:16,260

grown-ups table tomorrow I I don't see

1941

01:29:19,430 --> 01:29:17,940

that happening

1942

01:29:23,330 --> 01:29:19,440

um but

1943

01:29:26,990 --> 01:29:23,340

if you go back to that original hearing

1944

01:29:31,610 --> 01:29:27,000

um I I rather enjoyed it

1945

01:29:34,970 --> 01:29:31,620

and I I didn't see it quite the way I

1946

01:29:37,610 --> 01:29:34,980

had issues with it okay but

1947

01:29:41,209 --> 01:29:37,620

um there were some nuggets in that

1948

01:29:43,070 --> 01:29:41,219

hearing and for me one of the Nuggets

1949

01:29:44,990 --> 01:29:43,080

was when

1950

01:29:46,729 --> 01:29:45,000

um I don't know if it was Gallagher I'd

1951

01:29:49,970 --> 01:29:46,739

have been Gallagher

1952

01:29:58,149 --> 01:29:49,980

um he goes well what about Malmstrom Air

1953

01:30:02,810 --> 01:30:00,590

I was like man that's a bunch of BS

1954

01:30:04,729 --> 01:30:02,820

right there that that is exactly the one

1955

01:30:08,149 --> 01:30:04,739

that I was thinking of when you started

1956

01:30:10,610 --> 01:30:08,159

to zero in on that that was the one that

1957

01:30:13,189 --> 01:30:10,620

got me it was like are you kidding me

1958

01:30:15,649 --> 01:30:13,199

they didn't know about that

1959

01:30:19,070 --> 01:30:15,659

or or they say they didn't know about

1960

01:30:22,250 --> 01:30:19,080

that so many things and and the Wilson

1961

01:30:25,129 --> 01:30:22,260

Davis document and and bringing that up

1962

01:30:27,229 --> 01:30:25,139

I think they waved it around right and

1963

01:30:28,550 --> 01:30:27,239

uh and and got that put into the

1964

01:30:31,070 --> 01:30:28,560

Congressional Record

1965

01:30:32,570 --> 01:30:31,080

so that's that side of the house that

1966

01:30:34,729 --> 01:30:32,580

that side of the house

1967

01:30:36,350 --> 01:30:34,739

I think had their [h\_\_h] together you know

1968

01:30:39,830 --> 01:30:36,360

they they were asking really good

1969

01:30:43,790 --> 01:30:39,840

questions yeah yeah yeah well if you

1970

01:30:46,070 --> 01:30:43,800

remember Andre Carlson and uh Carson

1971

01:30:50,810 --> 01:30:46,080

um in the beginning of the hearing when

1972

01:30:52,970 --> 01:30:50,820

he said uh this is a UFO hearing

1973

01:30:57,950 --> 01:30:52,980

uh something that hasn't happened in 50

1974

01:31:01,910 --> 01:30:57,960

years now he said UFO and and he wanted

1975

01:31:05,450 --> 01:31:01,920

to absolutely have that and make it

1976

01:31:08,810 --> 01:31:05,460

clear that this was a UFO hearing not a

1977

01:31:12,729 --> 01:31:08,820

hearing about drones not a hearing about

1978

01:31:16,729 --> 01:31:12,739

the military and technology or that no

1979

01:31:19,970 --> 01:31:16,739

it was a UFO hearing and whatever

1980

01:31:21,709 --> 01:31:19,980

happened after that that's fine but I

1981

01:31:23,689 --> 01:31:21,719

like the way that Andre Carson did that

1982

01:31:26,030 --> 01:31:23,699

from the beginning you know and and and

1983

01:31:29,570 --> 01:31:26,040

and and made it very clear that this

1984

01:31:32,750 --> 01:31:29,580

this hearing is about UFOs yeah no I I I

1985

01:31:35,750 --> 01:31:32,760

agree that that that part of it and the

1986

01:31:38,930 --> 01:31:35,760

questioning that the Congress people had

1987

01:31:41,209 --> 01:31:38,940

were good but the answers that they got

1988

01:31:42,770 --> 01:31:41,219

were not good what do you think is going

1989

01:31:45,530 --> 01:31:42,780

to happen tomorrow

1990

01:31:47,330 --> 01:31:45,540

oh that's a good question

1991

01:31:50,570 --> 01:31:47,340

I I think they're going to have a better

1992

01:31:52,669 --> 01:31:50,580

group of people that probably uh are are

1993

01:31:55,490 --> 01:31:52,679

going to be a little bit more Savvy but

1994

01:31:57,709 --> 01:31:55,500

uh you never know with these things uh

1995

01:32:00,110 --> 01:31:57,719

you know there's so much politics at

1996

01:32:01,669 --> 01:32:00,120

play as well you know you got you got a

1997

01:32:03,590 --> 01:32:01,679

faction within the government that

1998

01:32:07,070 --> 01:32:03,600

doesn't want any of this happening right

1999

01:32:08,870 --> 01:32:07,080

and and you know and so they're

2000

01:32:11,030 --> 01:32:08,880

constantly fighting that and that you

2001

01:32:13,669 --> 01:32:11,040

know it's a question of money too

2002

01:32:15,830 --> 01:32:13,679

how do you appropriate money to really

2003

01:32:17,510 --> 01:32:15,840

investigate this properly and I think

2004

01:32:19,250 --> 01:32:17,520

that's the biggest sticking point with

2005

01:32:21,709 --> 01:32:19,260

all of this you got to put in the Fear

2006

01:32:23,090 --> 01:32:21,719

Factor right so that's that's the only

2007

01:32:25,010 --> 01:32:23,100

way that that's going to ultimately

2008

01:32:26,689 --> 01:32:25,020

happen you got to scare the crap out of

2009

01:32:29,450 --> 01:32:26,699

everybody yeah

2010

01:32:32,229 --> 01:32:29,460

um so there is that aspect but here's I

2011

01:32:36,229 --> 01:32:32,239

had Ron James on on the show last night

2012

01:32:38,990 --> 01:32:36,239

and uh and Ron said that

2013

01:32:43,189 --> 01:32:39,000

now now I'm a little confused but he

2014

01:32:46,430 --> 01:32:43,199

said that the classified hearing

2015

01:32:47,930 --> 01:32:46,440

is going to be first and then they were

2016

01:32:51,050 --> 01:32:47,940

going to have the public hearing after

2017

01:32:55,729 --> 01:32:51,060

that but this starts at 7 15 Pacific

2018

01:32:56,810 --> 01:32:55,739

time yes so I don't know if if that is

2019

01:32:59,330 --> 01:32:56,820

correct

2020

01:33:01,990 --> 01:32:59,340

so I don't I don't know either because

2021

01:33:04,910 --> 01:33:02,000

all the notices that I've I've gotten

2022

01:33:06,290 --> 01:33:04,920

saying that it starts at 9 15 and that

2023

01:33:09,290 --> 01:33:06,300

doesn't say anything about being

2024

01:33:12,910 --> 01:33:09,300

classified or non-classified what do you

2025

01:33:17,209 --> 01:33:12,920

mean I okay I'm getting one because

2026

01:33:19,430 --> 01:33:17,219

East Coast time okay yeah because we

2027

01:33:20,990 --> 01:33:19,440

start streaming at uh 7 15 in the

2028

01:33:22,729 --> 01:33:21,000

morning right

2029

01:33:26,750 --> 01:33:22,739

um but

2030

01:33:29,390 --> 01:33:26,760

um I I don't know I I I'm I'm this is

2031

01:33:30,770 --> 01:33:29,400

Senate right the other was a house

2032

01:33:33,350 --> 01:33:30,780

subcommittee

2033

01:33:36,950 --> 01:33:33,360

now we're dealing with the Senate how

2034

01:33:39,110 --> 01:33:36,960

are they going to approach it and I've

2035

01:33:41,510 --> 01:33:39,120

read a couple of the initial press

2036

01:33:43,790 --> 01:33:41,520

releases on this and they're going to

2037

01:33:48,830 --> 01:33:43,800

ask for money so they're going to lay

2038

01:33:51,590 --> 01:33:48,840

out uh the reasons for money and and

2039

01:33:53,870 --> 01:33:51,600

investigations into this are they going

2040

01:33:57,350 --> 01:33:53,880

to steer this into

2041

01:33:58,910 --> 01:33:57,360

uh Chinese balloons right are they going

2042

01:34:02,330 --> 01:33:58,920

to go in that direction and make it a

2043

01:34:05,149 --> 01:34:02,340

military issue or is this going to be an

2044

01:34:06,830 --> 01:34:05,159

ET issue well I think it's going to be a

2045

01:34:07,970 --> 01:34:06,840

military issue I I don't think they're

2046

01:34:12,229 --> 01:34:07,980

they're gonna

2047

01:34:14,930 --> 01:34:12,239

go E.T you know this is a threat we have

2048

01:34:17,810 --> 01:34:14,940

to understand what this is and and try

2049

01:34:21,050 --> 01:34:17,820

to understand how they operate and and I

2050

01:34:23,030 --> 01:34:21,060

I don't think they're gonna you know

2051  
01:34:24,950 --> 01:34:23,040  
because they they certainly haven't done

2052  
01:34:26,330 --> 01:34:24,960  
that because already they say well it's

2053  
01:34:28,729 --> 01:34:26,340  
not the Russians it's not the Chinese

2054  
01:34:30,169 --> 01:34:28,739  
it's not us and so but we don't know

2055  
01:34:31,910 --> 01:34:30,179  
what they are and they haven't come out

2056  
01:34:33,470 --> 01:34:31,920  
with the fact that well they must be

2057  
01:34:35,290 --> 01:34:33,480  
extraterrestrial then

2058  
01:34:39,290 --> 01:34:35,300  
you know but they're not saying that

2059  
01:34:42,110 --> 01:34:39,300  
when you um uh yeah that's such a really

2060  
01:34:45,470 --> 01:34:42,120  
good point and if we go back to the

2061  
01:34:47,090 --> 01:34:45,480  
first hearing not the the report right I

2062  
01:34:48,410 --> 01:34:47,100  
can't believe that was three years ago

2063  
01:34:52,010 --> 01:34:48,420

now yeah

2064

01:34:54,830 --> 01:34:52,020

um uh but the hearing uh last year

2065

01:34:58,250 --> 01:34:54,840

um uh it was Welsh

2066

01:35:00,950 --> 01:34:58,260

Welsh says representative Welsh uh that

2067

01:35:05,090 --> 01:35:00,960

dude deserves a little gold sticky star

2068

01:35:07,490 --> 01:35:05,100

you know right right here he goes

2069

01:35:11,950 --> 01:35:07,500

I want to talk about E.T

2070

01:35:15,770 --> 01:35:11,960

I want to talk about them visiting here

2071

01:35:18,530 --> 01:35:15,780

and it was Bray or Moultrie responded

2072

01:35:20,510 --> 01:35:18,540

with well well we'll discuss that in the

2073

01:35:23,270 --> 01:35:20,520

classified portion of this this

2074

01:35:25,209 --> 01:35:23,280

afternoon and Wells comes back with so

2075

01:35:28,149 --> 01:35:25,219

we're going to be talking about E.T then

2076

01:35:29,709 --> 01:35:28,159

in the classified and I thought man

2077

01:35:33,169 --> 01:35:29,719

exactly

2078

01:35:35,270 --> 01:35:33,179

they Bray and Moultrie were trying to

2079

01:35:38,510 --> 01:35:35,280

steer it in another Direction and that's

2080

01:35:41,209 --> 01:35:38,520

how that subcommittee wanted to hear no

2081

01:35:44,149 --> 01:35:41,219

they wanted to talk about is are we

2082

01:35:46,129 --> 01:35:44,159

being visited by something not of this

2083

01:35:48,169 --> 01:35:46,139

Earth that's what this hearing is about

2084

01:35:50,330 --> 01:35:48,179

right let's talk about Russian

2085

01:35:53,629 --> 01:35:50,340

technology

2086

01:35:55,189 --> 01:35:53,639

yeah that's it so we'll see we'll see

2087

01:35:59,090 --> 01:35:55,199

what happens tomorrow

2088

01:36:01,430 --> 01:35:59,100

did you did you ever uh expect uh this

2089

01:36:03,590 --> 01:36:01,440

kind of stuff to be happening in uh on

2090

01:36:06,890 --> 01:36:03,600

Capitol Hill when he first got started

2091

01:36:09,310 --> 01:36:06,900

with move on no not at all not at all I

2092

01:36:13,689 --> 01:36:09,320

I mean you know uh

2093

01:36:16,010 --> 01:36:13,699

Leslie Kane I know her well and and uh

2094

01:36:17,450 --> 01:36:16,020

the fact that uh you know she was

2095

01:36:20,570 --> 01:36:17,460

involved with that New York Times

2096

01:36:23,570 --> 01:36:20,580

article in 2017.

2097

01:36:27,410 --> 01:36:23,580

um it's it's it's

2098

01:36:29,149 --> 01:36:27,420

it's surreal it's surreal that this is

2099

01:36:32,330 --> 01:36:29,159

actually happening

2100

01:36:35,810 --> 01:36:32,340

um you know and I I think

2101

01:36:39,590 --> 01:36:35,820

there's there's such a Groundswell I

2102

01:36:42,950 --> 01:36:39,600

think of of of uh impetus to to make

2103

01:36:45,050 --> 01:36:42,960

this happen you know it it's it's

2104

01:36:47,570 --> 01:36:45,060

it's like a Consciousness thing that's

2105

01:36:50,270 --> 01:36:47,580

going on like we're we're manipulating

2106

01:36:53,209 --> 01:36:50,280

this process in some way shape or form

2107

01:36:56,270 --> 01:36:53,219

you are I am all the other podcasters

2108

01:36:58,850 --> 01:36:56,280

out there that are doing shows like this

2109

01:37:02,209 --> 01:36:58,860

um and and and now you know the the the

2110

01:37:05,390 --> 01:37:02,219

population you know with shows like uh

2111

01:37:08,090 --> 01:37:05,400

Ancient Aliens and uh uh you know

2112

01:37:10,669 --> 01:37:08,100

unidentified in the whole plethora of

2113

01:37:15,169 --> 01:37:10,679

other uh shows that are talking about

2114

01:37:18,110 --> 01:37:15,179

this subject uh uh is is causing causing

2115

01:37:19,790 --> 01:37:18,120

the non-believers if you will to pay

2116

01:37:21,470 --> 01:37:19,800

attention and say well maybe there is

2117

01:37:22,850 --> 01:37:21,480

something going on and maybe I should

2118

01:37:25,189 --> 01:37:22,860

pay attention

2119

01:37:27,770 --> 01:37:25,199

so if

2120

01:37:31,370 --> 01:37:27,780

you can't have one without the other

2121

01:37:34,370 --> 01:37:31,380

if the government crosses the line right

2122

01:37:36,530 --> 01:37:34,380

and we know what that line is if they

2123

01:37:38,209 --> 01:37:36,540

cross that line we are not alone in the

2124

01:37:40,189 --> 01:37:38,219

universe we're being visited and now

2125

01:37:44,090 --> 01:37:40,199

it's time to talk about this

2126  
01:37:46,550 --> 01:37:44,100  
if if they cross that line then we have

2127  
01:37:48,410 --> 01:37:46,560  
uh the abductions and the hybrid

2128  
01:37:51,590 --> 01:37:48,420  
programs and everything else it needs to

2129  
01:37:54,169 --> 01:37:51,600  
be put on the table right exactly

2130  
01:37:57,050 --> 01:37:54,179  
that is that is absolutely true and you

2131  
01:38:00,110 --> 01:37:57,060  
know one one of the things that I was

2132  
01:38:02,750 --> 01:38:00,120  
able to to talk to Lou about it was what

2133  
01:38:04,550 --> 01:38:02,760  
I was doing and how I was trying to help

2134  
01:38:05,689 --> 01:38:04,560  
these people that are having and of

2135  
01:38:08,030 --> 01:38:05,699  
course he was interviewing Terry

2136  
01:38:10,430 --> 01:38:08,040  
Lovelace you know who wrote the book uh

2137  
01:38:13,669 --> 01:38:10,440  
incident of Devil's Den uh you know when

2138  
01:38:16,490 --> 01:38:13,679

he was in the military and uh uh you

2139

01:38:18,709 --> 01:38:16,500

know incredible detail and and had

2140

01:38:20,030 --> 01:38:18,719

X-rays of the implants that were there

2141

01:38:21,709 --> 01:38:20,040

and that were

2142

01:38:25,310 --> 01:38:21,719

removed

2143

01:38:27,830 --> 01:38:25,320

I mean it's a hell of a story and and so

2144

01:38:30,169 --> 01:38:27,840

the government is already interviewing

2145

01:38:31,669 --> 01:38:30,179

people that have been abducted they

2146

01:38:35,750 --> 01:38:31,679

they're they're they're they're doing

2147

01:38:36,770 --> 01:38:35,760

that already uh and so but are they

2148

01:38:39,470 --> 01:38:36,780

willing

2149

01:38:40,910 --> 01:38:39,480

to bring that to the to the fore I think

2150

01:38:43,550 --> 01:38:40,920

the first step is that we got to

2151  
01:38:45,350 --> 01:38:43,560  
understand what these objects are who

2152  
01:38:48,290 --> 01:38:45,360  
they are if we can possibly understand

2153  
01:38:50,149 --> 01:38:48,300  
it and and of course in a lot of cases

2154  
01:38:53,090 --> 01:38:50,159  
most of the people that are having

2155  
01:38:54,729 --> 01:38:53,100  
experiences know who they are and where

2156  
01:38:58,490 --> 01:38:54,739  
they're from

2157  
01:39:02,209 --> 01:38:58,500  
do you think man I'm so losing my voice

2158  
01:39:06,169 --> 01:39:02,219  
I almost can't talk hold on okay

2159  
01:39:07,910 --> 01:39:06,179  
I'm almost almost ready to call the show

2160  
01:39:09,410 --> 01:39:07,920  
but I'm not going to get it I've got I

2161  
01:39:11,330 --> 01:39:09,420  
gotta troop this thing out I gotta keep

2162  
01:39:14,930 --> 01:39:11,340  
going is

2163  
01:39:18,590 --> 01:39:14,940

um uh then there's the interdimensional

2164

01:39:22,669 --> 01:39:18,600

aspect to this and so let's let's

2165

01:39:25,970 --> 01:39:22,679

address that uh as we wind down here

2166

01:39:28,550 --> 01:39:25,980

um if and I believe that there are if

2167

01:39:32,390 --> 01:39:28,560

there are inter-dimensional

2168

01:39:36,110 --> 01:39:32,400

um beings uh there has to be and lots of

2169

01:39:38,270 --> 01:39:36,120

them sure but is that now a physical

2170

01:39:40,310 --> 01:39:38,280

abduction

2171

01:39:43,189 --> 01:39:40,320

uh you know what I mean if it's

2172

01:39:45,229 --> 01:39:43,199

interdimensional are they arriving here

2173

01:39:47,629 --> 01:39:45,239

and then back into the physical coming

2174

01:39:51,790 --> 01:39:47,639

from another dimension

2175

01:39:54,830 --> 01:39:51,800

um no yeah are they beings of light yes

2176

01:39:58,370 --> 01:39:54,840

right that's generally how they're

2177

01:40:01,850 --> 01:39:58,380

described as beings of light uh that uh

2178

01:40:04,070 --> 01:40:01,860

interface with these people uh uh they

2179

01:40:07,430 --> 01:40:04,080

you know the physical body may not be

2180

01:40:11,030 --> 01:40:07,440

taken but the the astral body uh is is

2181

01:40:13,669 --> 01:40:11,040

is teleported or taken uh from the

2182

01:40:16,850 --> 01:40:13,679

person uh so they have that kind of

2183

01:40:18,890 --> 01:40:16,860

capability because you know the the big

2184

01:40:20,810 --> 01:40:18,900

thing now when people have near-death

2185

01:40:23,750 --> 01:40:20,820

experiences they talk about

2186

01:40:27,590 --> 01:40:23,760

what happens to that energy their energy

2187

01:40:30,830 --> 01:40:27,600

it it it doesn't die it it goes out

2188

01:40:34,070 --> 01:40:30,840

into the universe these people have most

2189

01:40:36,890 --> 01:40:34,080

most cases the the vast majority of

2190

01:40:39,470 --> 01:40:36,900

cases are extremely positive you know

2191

01:40:43,370 --> 01:40:39,480

where they meet these these beings of

2192

01:40:44,510 --> 01:40:43,380

light uh that are very loving

2193

01:40:46,910 --> 01:40:44,520

um I don't know if you ever heard the

2194

01:40:49,910 --> 01:40:46,920

story about this uh woman Doctor Who was

2195

01:40:53,810 --> 01:40:49,920

on a uh kayaking uh trip down in South

2196

01:40:58,310 --> 01:40:53,820

America and she went over a Falls and uh

2197

01:41:01,550 --> 01:40:58,320

got trapped over 30 minutes underwater

2198

01:41:05,030 --> 01:41:01,560

okay and during that period of time uh

2199

01:41:08,450 --> 01:41:05,040

she she started to meet these entities

2200

01:41:11,270 --> 01:41:08,460

and she had this overwhelming uh love

2201

01:41:13,850 --> 01:41:11,280

that she was feeling from them and she

2202

01:41:15,890 --> 01:41:13,860

wanted to go with them and they said no

2203

01:41:18,290 --> 01:41:15,900

no you got things you have to do you

2204

01:41:22,430 --> 01:41:18,300

have to go back and then they mentioned

2205

01:41:25,250 --> 01:41:22,440

to her that her son her young son uh

2206

01:41:29,570 --> 01:41:25,260

would uh tragically die when he turned

2207

01:41:31,910 --> 01:41:29,580

18. and uh and so she

2208

01:41:35,270 --> 01:41:31,920

you know as I said she came out of this

2209

01:41:38,510 --> 01:41:35,280

thing she survived uh went on with life

2210

01:41:40,669 --> 01:41:38,520

her son eventually became 18 she never

2211

01:41:42,890 --> 01:41:40,679

said anything to him about it and he

2212

01:41:44,810 --> 01:41:42,900

tragically died in a car accident

2213

01:41:47,570 --> 01:41:44,820

so

2214

01:41:52,970 --> 01:41:47,580

that brings up a whole nother

2215

01:41:54,530 --> 01:41:52,980

ball of wax that is how how is time

2216

01:41:58,790 --> 01:41:54,540

perceived

2217

01:42:00,169 --> 01:41:58,800

at all is there time I mean it's you

2218

01:42:02,689 --> 01:42:00,179

know how can they

2219

01:42:06,410 --> 01:42:02,699

look at the future like that and and

2220

01:42:10,430 --> 01:42:06,420

tell somebody the the the future events

2221

01:42:14,390 --> 01:42:10,440

and so that's a whole nother subject uh

2222

01:42:16,430 --> 01:42:14,400

with uh understanding Consciousness and

2223

01:42:18,950 --> 01:42:16,440

you know whether it's the past the

2224

01:42:21,530 --> 01:42:18,960

present or the future you know how does

2225

01:42:24,709 --> 01:42:21,540

that and I've worked with psychics these

2226

01:42:27,950 --> 01:42:24,719

people are able to find missing people

2227

01:42:30,830 --> 01:42:27,960

or or dead bodies or things of that

2228

01:42:32,950 --> 01:42:30,840

nature or tell somebody about the fact

2229

01:42:36,290 --> 01:42:32,960

that their their son is going to die

2230

01:42:42,530 --> 01:42:36,300

well it's it's all connected though just

2231

01:42:44,750 --> 01:42:42,540

like exactly exactly it's so easy uh to

2232

01:42:48,310 --> 01:42:44,760

uh travel to the Future

2233

01:42:51,770 --> 01:42:48,320

that that's a physical thing you just

2234

01:42:55,430 --> 01:42:51,780

leave Earth head out that way in One

2235

01:42:58,609 --> 01:42:55,440

Direction as fast as you can go make a

2236

01:43:00,770 --> 01:42:58,619

U-turn and come back and you're going to

2237

01:43:03,290 --> 01:43:00,780

be depending on how long you were gone

2238

01:43:06,770 --> 01:43:03,300

and how fast you were going it could be

2239

01:43:09,470 --> 01:43:06,780

anywhere from five ten years to ten

2240

01:43:12,669 --> 01:43:09,480

thousand years in the future so you get

2241

01:43:17,510 --> 01:43:12,679

to see the future but the trick is

2242

01:43:19,729 --> 01:43:17,520

coming back right so you know going back

2243

01:43:20,629 --> 01:43:19,739

in time going going to the Future that's

2244

01:43:23,570 --> 01:43:20,639

easy

2245

01:43:26,390 --> 01:43:23,580

we're doing it right now right we we are

2246

01:43:28,209 --> 01:43:26,400

time traveling yeah and then is then

2247

01:43:31,370 --> 01:43:28,219

right yeah right right

2248

01:43:34,070 --> 01:43:31,380

so going to the future is is is very

2249

01:43:36,530 --> 01:43:34,080

simple and Einstein has made it very

2250

01:43:39,169 --> 01:43:36,540

elegant uh and and very easy to

2251

01:43:41,090 --> 01:43:39,179

understand so

2252

01:43:43,129 --> 01:43:41,100

ET like you're talking about or

2253

01:43:44,030 --> 01:43:43,139

connecting the dots unless it's very

2254

01:43:47,450 --> 01:43:44,040

simple

2255

01:43:49,370 --> 01:43:47,460

they would have that figured out so go

2256

01:43:51,169 --> 01:43:49,380

yeah go into the future and experiencing

2257

01:43:52,850 --> 01:43:51,179

that and coming back here going you know

2258

01:43:55,609 --> 01:43:52,860

what let me tell you what's going to

2259

01:43:57,350 --> 01:43:55,619

happen well it makes sense to me I don't

2260

01:43:58,430 --> 01:43:57,360

think it's it's that crazy of a thought

2261

01:44:01,250 --> 01:43:58,440

do you

2262

01:44:04,490 --> 01:44:01,260

um well now that you've explained it to

2263

01:44:09,169 --> 01:44:04,500

me that way and yeah it does

2264

01:44:10,370 --> 01:44:09,179

but uh and and how far uh one last

2265

01:44:14,090 --> 01:44:10,380

question

2266

01:44:15,169 --> 01:44:14,100

um uh uh on this subject if you had a

2267

01:44:18,830 --> 01:44:15,179

choice

2268

01:44:21,530 --> 01:44:18,840

how far in the future would you go if if

2269

01:44:24,410 --> 01:44:21,540

you if you wanted to how far would you

2270

01:44:26,090 --> 01:44:24,420

go that's a good question never really

2271

01:44:27,350 --> 01:44:26,100

thought about that

2272

01:44:30,709 --> 01:44:27,360

um

2273

01:44:32,330 --> 01:44:30,719

I you know well I I you know I'm I'm 75

2274

01:44:35,209 --> 01:44:32,340

years old right now

2275

01:44:38,109 --> 01:44:35,219

so I don't know how much further in the

2276

01:44:40,910 --> 01:44:38,119

future I could go and still be around

2277

01:44:44,030 --> 01:44:40,920

but uh yeah it would be interesting just

2278

01:44:46,250 --> 01:44:44,040

to find out how you know when when is

2279

01:44:49,010 --> 01:44:46,260

when is this particular physical body

2280

01:44:52,310 --> 01:44:49,020

going to give up The Ghost and and you

2281

01:44:54,290 --> 01:44:52,320

know go to the next uh realm if you will

2282

01:44:56,750 --> 01:44:54,300

that's it that's as far as you would go

2283

01:45:00,350 --> 01:44:56,760

I would go like a million years well I

2284

01:45:02,750 --> 01:45:00,360

would I would me I would rather go into

2285

01:45:06,649 --> 01:45:02,760

the past and see how the Egyptians did

2286

01:45:09,169 --> 01:45:06,659

what they did yeah yeah I mean yeah that

2287

01:45:12,109 --> 01:45:09,179

to me is fascinating yeah no arguing

2288

01:45:13,910 --> 01:45:12,119

that point I would go straight not the

2289

01:45:16,310 --> 01:45:13,920

resurrection I don't want to see Jesus

2290

01:45:18,410 --> 01:45:16,320

on the cross not that big of a deal to

2291

01:45:20,590 --> 01:45:18,420

me I want to know how they built those

2292

01:45:24,470 --> 01:45:20,600

freaking pyramids oh yeah

2293

01:45:27,250 --> 01:45:24,480

but I would go uh I would go with the

2294

01:45:29,390 --> 01:45:27,260

deep deep future

2295

01:45:32,270 --> 01:45:29,400

million years

2296

01:45:34,370 --> 01:45:32,280

yeah see see what's up that's that's

2297

01:45:36,830 --> 01:45:34,380

what I would do well hope hopefully

2298

01:45:38,689 --> 01:45:36,840

hopefully uh you remember the movie The

2299

01:45:41,750 --> 01:45:38,699

Time Machine the original time machine

2300

01:45:44,930 --> 01:45:41,760

yep you went into the future and it was

2301

01:45:46,330 --> 01:45:44,940

not a good situation and do you if you

2302

01:45:50,350 --> 01:45:46,340

remember

2303

01:45:53,990 --> 01:45:50,360

humans evolved into gray aliens

2304

01:45:58,010 --> 01:45:54,000

how warlocks warlocks yeah the morlocks

2305

01:46:00,050 --> 01:45:58,020

if you read they were described uh in in

2306

01:46:04,330 --> 01:46:00,060

the in the book

2307

01:46:08,510 --> 01:46:04,340

um it was it was describing gray Aliens

2308

01:46:10,550 --> 01:46:08,520

big heads big eyes right gray skin and

2309

01:46:14,689 --> 01:46:10,560

and that's what humans had evolved into

2310

01:46:17,629 --> 01:46:14,699

and he wrote that in 1895 incredible

2311

01:46:19,550 --> 01:46:17,639

incredible well uh Les where can

2312

01:46:22,370 --> 01:46:19,560

everybody get the book uh the unknown

2313

01:46:25,669 --> 01:46:22,380

other and the existential proposition of

2314

01:46:28,070 --> 01:46:25,679

alien contact yeah it's on Amazon and uh

2315

01:46:30,109 --> 01:46:28,080

so you can just go there with the Kindle

2316

01:46:32,930 --> 01:46:30,119

Vision if you're Kindle Prime it's free

2317

01:46:36,169 --> 01:46:32,940

uh regular Kindle is like nine bucks and

2318

01:46:38,629 --> 01:46:36,179

then the paperback is uh 20. all the

2319

01:46:41,270 --> 01:46:38,639

proceeds of of the book uh go directly

2320

01:46:43,609 --> 01:46:41,280

to Opus I don't take anything that's my

2321

01:46:47,350 --> 01:46:43,619

contribution to the cause

2322

01:46:50,209 --> 01:46:47,360

um and of course uh our website is

2323

01:46:52,609 --> 01:46:50,219

opusnetwork.org uh please tell your

2324

01:46:54,350 --> 01:46:52,619

friends you know if if you know that

2325

01:46:57,050 --> 01:46:54,360

they're having issues of this nature

2326

01:46:59,090 --> 01:46:57,060

that we're here to help them uh and and

2327

01:47:01,370 --> 01:46:59,100

so we'd love to hear hear from them and

2328

01:47:03,410 --> 01:47:01,380

and try to help them as best we can

2329

01:47:05,990 --> 01:47:03,420

thank you so much Les for everything

2330

01:47:08,050 --> 01:47:06,000

that you do my man and I look forward

2331

01:47:11,510 --> 01:47:08,060

we're not going to wait 10 years

2332

01:47:13,729 --> 01:47:11,520

we're to our next conversation and

2333

01:47:15,770 --> 01:47:13,739

everybody well I tell you what it was

2334

01:47:17,570 --> 01:47:15,780

great I I really enjoyed this with you

2335

01:47:19,729 --> 01:47:17,580

Jimmy and thank you very much for having

2336

01:47:21,649 --> 01:47:19,739

me on the show and as I said earlier

2337

01:47:23,870 --> 01:47:21,659

you're doing a fantastic job I

2338

01:47:26,510 --> 01:47:23,880

appreciate what you do you're getting

2339

01:47:29,270 --> 01:47:26,520

the word out on this very important

2340

01:47:31,189 --> 01:47:29,280

topic so thank you you are doing the

2341

01:47:34,790 --> 01:47:31,199

real work I'm just the dude of the

2342

01:47:37,609 --> 01:47:34,800

microphone so uh and and and less is

2343

01:47:39,590 --> 01:47:37,619

right the links uh for opusnetwork.org

2344

01:47:41,149 --> 01:47:39,600

are below we've got them over on our

2345

01:47:43,609 --> 01:47:41,159

website we've got it throughout social

2346

01:47:46,850 --> 01:47:43,619

media and definitely go and check out

2347

01:47:50,090 --> 01:47:46,860

the book too as well let's enjoy that

2348

01:47:54,709 --> 01:47:50,100

hearing tomorrow oh yeah for sure thanks

2349

01:47:57,649 --> 01:47:54,719

Jimmy thank you bye-bye Les Velez and

2350

01:48:01,310 --> 01:47:57,659

everybody I've lost my voice I I am

2351

01:48:05,689 --> 01:48:01,320

seconds away for for not having any

2352

01:48:09,050 --> 01:48:05,699

thing left so uh Thank You Les and uh

2353

01:48:12,109 --> 01:48:09,060

and everybody my voice I I I I almost

2354

01:48:15,470 --> 01:48:12,119

got through the entire show but you can

2355

01:48:18,470 --> 01:48:15,480

tell I'm just seconds away from uh

2356

01:48:21,050 --> 01:48:18,480

losing it and I've got a show with

2357

01:48:22,910 --> 01:48:21,060

Christina Gomez first thing in the

2358

01:48:25,550 --> 01:48:22,920

morning we're gonna be live streaming

2359

01:48:28,729 --> 01:48:25,560

the Senate UFO hearing so I'll see

2360

01:48:30,950 --> 01:48:28,739

everybody over on Christina's Channel at

2361

01:48:33,709 --> 01:48:30,960

7 15. Fade to Black is produced by hope

2362

01:48:35,330 --> 01:48:33,719

J Paul and Renee Newman and Michelle

2363

01:48:37,310 --> 01:48:35,340

freed

2364

01:48:39,890 --> 01:48:37,320

there thank you to Dennis and Kevin

2365

01:48:41,950 --> 01:48:39,900

webmasters Drew the geek music Doug

2366

01:48:44,510 --> 01:48:41,960

Aldridge intro space boys

2367

01:48:46,310 --> 01:48:44,520

spaceboymusic.com fade to black is

2368

01:48:48,649 --> 01:48:46,320

produced by kjcr for the game changer

2369

01:48:51,229 --> 01:48:48,659

Network and this broadcast is owned and

2370

01:48:53,209 --> 01:48:51,239

copyrighted 2023 by Fade to Black in the

2371

01:48:55,070 --> 01:48:53,219

game changer networking it cannot be

2372

01:48:56,689 --> 01:48:55,080

rebroadcast downloaded copied or used

2373

01:48:58,430 --> 01:48:56,699

anywhere in the known universe without

2374

01:49:00,350 --> 01:48:58,440

written permission from Fade to Black in

2375

01:49:02,870 --> 01:49:00,360

the game change your network I'll see

2376

01:49:06,709 --> 01:49:02,880

everybody tomorrow night and tomorrow

2377

01:49:15,390 --> 01:49:06,719

morning until then be safe
