

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

Dr. SIMEION HEIN

SCIENCE AND BIGFOOT

WED APRIL 19 LIVE

700-900PM PT

1
00:00:28,509 --> 00:00:23,529

[Music]

2
00:00:31,790 --> 00:00:28,519

the smoke radio for the masses of July 8

3
00:00:34,190 --> 00:00:31,800

1947 the Army Air Forces has announced

4
00:00:36,290 --> 00:00:34,200

that a flying disc has been found and is

5
00:00:39,350 --> 00:00:36,300

now in the possession of the army

6
00:00:40,610 --> 00:00:39,360

game is rigged change the game game

7
00:00:43,970 --> 00:00:40,620

changer

8
00:00:47,810 --> 00:00:43,980

I occasionally think how quickly our

9
00:00:50,389 --> 00:00:47,820

differences worldwide would vanish if we

10
00:00:51,450 --> 00:00:50,399

were facing an alien threat from outside

11
00:00:53,260 --> 00:00:51,460

this work

12
00:00:53,450 --> 00:00:53,270

[Music]

13
00:00:55,750 --> 00:00:53,460

[Applause]

14

00:00:58,729 --> 00:00:55,760

[Music]

15

00:01:01,549 --> 00:00:58,739

this is Fade to Black with your host

16

00:01:02,220 --> 00:01:01,559

Jimmy Church on the game changer Radio

17

00:01:04,490 --> 00:01:02,230

Network

18

00:01:06,429 --> 00:01:04,500

[Music]

19

00:01:10,969 --> 00:01:06,439

foreign

20

00:01:13,609 --> 00:01:10,979

good evening long day today we'll get to

21

00:01:16,910 --> 00:01:13,619

all of that this is Fade to Black it's

22

00:01:19,429 --> 00:01:16,920

Wednesday April 19 2023 I'm Yours Jimmy

23

00:01:22,370 --> 00:01:19,439

church and tonight we're going to do a

24

00:01:25,969 --> 00:01:22,380

full night of Bigfoot and the science of

25

00:01:28,630 --> 00:01:25,979

Bigfoot encounters with Dr Simi and Hein

26

00:01:31,789 --> 00:01:28,640

and here's the deal

27

00:01:34,490 --> 00:01:31,799

uh uh Dr Hein is a former University

28

00:01:37,609 --> 00:01:34,500

professor in statistics and research

29

00:01:40,069 --> 00:01:37,619

methods he came across the idea of

30

00:01:45,350 --> 00:01:40,079

remote viewing back in 1996

31

00:01:49,550 --> 00:01:45,360

and he took it as a skeptic as it should

32

00:01:51,469 --> 00:01:49,560

be since then uh in the training and and

33

00:01:53,870 --> 00:01:51,479

everything else

34

00:01:56,030 --> 00:01:53,880

um they he had to determined that there

35

00:01:58,190 --> 00:01:56,040

was a large scientific knowledge that is

36

00:01:59,870 --> 00:01:58,200

being withheld from public discussion

37

00:02:02,810 --> 00:01:59,880

we're going to be talking about all of

38

00:02:04,550 --> 00:02:02,820

this tonight he established a non-profit

39

00:02:07,190 --> 00:02:04,560

Institute for residents and began

40

00:02:09,109 --> 00:02:07,200

teaching remote viewing classes in

41

00:02:11,630 --> 00:02:09,119

Boulder Colorado continues to teach

42

00:02:13,190 --> 00:02:11,640

online he also became interested in all

43

00:02:16,130 --> 00:02:13,200

those other topics that come along for

44

00:02:19,089 --> 00:02:16,140

the ride crop circles unexplained aerial

45

00:02:22,070 --> 00:02:19,099

phenomena uaps UFOs and

46

00:02:25,550 --> 00:02:22,080

extraterrestrials tonight it is Bigfoot

47

00:02:27,110 --> 00:02:25,560

his website is mountbaldy.com and I

48

00:02:29,150 --> 00:02:27,120

would like to welcome very excited about

49

00:02:33,050 --> 00:02:29,160

tonight's show For the First Time Dr

50

00:02:35,510 --> 00:02:33,060

Simeon Hein Dr Hein good evening how are

51
00:02:38,270 --> 00:02:35,520
you sir hey Jimmy how's it going tonight

52
00:02:40,610 --> 00:02:38,280
thanks for having me here man you know

53
00:02:43,190 --> 00:02:40,620
this is going to be a great night

54
00:02:46,369 --> 00:02:43,200
um but before we get started you get the

55
00:02:50,089 --> 00:02:46,379
First Time guest disclaimer so let's get

56
00:02:52,309 --> 00:02:50,099
that out of the way which is uh Dr Hein

57
00:02:54,290 --> 00:02:52,319
it's just you and I sitting on my couch

58
00:02:55,970 --> 00:02:54,300
having a conversation as friends and

59
00:02:57,890 --> 00:02:55,980
where it starts it starts where it ends

60
00:03:01,009 --> 00:02:57,900
it ends but we're gonna end as friends

61
00:03:03,350 --> 00:03:01,019
there you go that's a that's a 10 year

62
00:03:05,750 --> 00:03:03,360
old tradition on this show the next time

63
00:03:07,790 --> 00:03:05,760

you are you're not going to get it but

64

00:03:10,850 --> 00:03:07,800

tonight you have to accept

65

00:03:14,330 --> 00:03:10,860

I think your disclaimer for me should be

66

00:03:17,449 --> 00:03:14,340

warning you may be distracted by Jimmy's

67

00:03:20,030 --> 00:03:17,459

guitars and feel the urge to play I'm

68

00:03:22,490 --> 00:03:20,040

distracted by your your puppy back there

69

00:03:25,790 --> 00:03:22,500

who seems after behaving yeah Astro

70

00:03:29,030 --> 00:03:25,800

doing a good job seven seven month old

71

00:03:33,649 --> 00:03:29,040

puppy rescue I love that man I I love

72

00:03:35,869 --> 00:03:33,659

that uh Gallup area yeah yeah my uh

73

00:03:37,790 --> 00:03:35,879

three dogs that I don't have any more

74

00:03:41,869 --> 00:03:37,800

they're with uh

75

00:03:44,210 --> 00:03:41,879

um my ex all rescues and you know and

76

00:03:46,250 --> 00:03:44,220

that's that's just the way to go you

77

00:03:51,649 --> 00:03:46,260

know it's just the way to go

78

00:03:55,850 --> 00:03:51,659

um so uh uh before we jump into Bigfoot

79

00:03:57,890 --> 00:03:55,860

uh did you get a chance to watch the UFO

80

00:04:01,250 --> 00:03:57,900

Hearing in the Senate this morning did

81

00:04:04,670 --> 00:04:01,260

you watch that I'm afraid so

82

00:04:07,149 --> 00:04:04,680

I'm afraid so every minute of it I

83

00:04:10,869 --> 00:04:07,159

wanted something a little tougher from

84

00:04:13,910 --> 00:04:10,879

gillibrand yeah yeah

85

00:04:15,649 --> 00:04:13,920

interesting comment uh that was kind of

86

00:04:18,909 --> 00:04:15,659

my takeaway too

87

00:04:23,510 --> 00:04:18,919

um I was expecting her uh she was great

88

00:04:24,770 --> 00:04:23,520

I'm not you know uh but I thought there

89

00:04:25,990 --> 00:04:24,780

was going to be a little more meat on

90

00:04:29,810 --> 00:04:26,000

that bone

91

00:04:33,590 --> 00:04:29,820

exactly even the hill.com

92

00:04:36,950 --> 00:04:33,600

had yesterday 10 questions that they

93

00:04:39,409 --> 00:04:36,960

should ask Dr Kirkpatrick and they

94

00:04:40,730 --> 00:04:39,419

didn't they didn't really push it and

95

00:04:43,189 --> 00:04:40,740

you know there's just a lot more

96

00:04:45,530 --> 00:04:43,199

evidence out there it made me think of

97

00:04:48,530 --> 00:04:45,540

this well-known phrase if all you have

98

00:04:50,810 --> 00:04:48,540

is a hammer everything looks like a nail

99

00:04:53,930 --> 00:04:50,820

and so if you keep narrowing what you

100

00:04:56,510 --> 00:04:53,940

consider to be real data you're just

101
00:04:59,270 --> 00:04:56,520
going to end up with very limited types

102
00:05:01,370 --> 00:04:59,280
of sensor systems that our military has

103
00:05:04,010 --> 00:05:01,380
access to and so forth

104
00:05:07,070 --> 00:05:04,020
plus people have pointed out that he

105
00:05:10,430 --> 00:05:07,080
only has Tim McMillan on Twitter today

106
00:05:13,370 --> 00:05:10,440
said that Kirkpatrick only has access to

107
00:05:17,330 --> 00:05:13,380
20 percent of the data yeah I saw that

108
00:05:21,230 --> 00:05:17,340
tweet I saw that tweet and and Tim is

109
00:05:23,510 --> 00:05:21,240
very studious right right and he's very

110
00:05:27,350 --> 00:05:23,520
cautious with his tweets

111
00:05:28,790 --> 00:05:27,360
so they come out I mean you know he's

112
00:05:30,950 --> 00:05:28,800
you know he's

113
00:05:33,529 --> 00:05:30,960

how do I say that he's like the

114

00:05:36,890 --> 00:05:33,539

detective that you don't want on your

115

00:05:39,650 --> 00:05:36,900

scent that's Tim McMillan and so when he

116

00:05:41,749 --> 00:05:39,660

tweets something out there's there's a

117

00:05:43,790 --> 00:05:41,759

lot of thought behind it and he just

118

00:05:45,890 --> 00:05:43,800

doesn't tweet to tweet

119

00:05:49,610 --> 00:05:45,900

um yeah so I I did catch that comment

120

00:05:52,270 --> 00:05:49,620

here's here's my take and I agree with

121

00:06:00,529 --> 00:05:56,029

gillibrand had a gift given to her two

122

00:06:05,510 --> 00:06:00,539

weeks ago when Sean Kirkpatrick and Avi

123

00:06:08,990 --> 00:06:05,520

Loeb wrote that op-ed piece about the

124

00:06:12,890 --> 00:06:09,000

possibility of alien motherships in our

125

00:06:15,830 --> 00:06:12,900

solar system dropping off probes and

126
00:06:17,870 --> 00:06:15,840
that could be what you know what we are

127
00:06:21,770 --> 00:06:17,880
experiencing here right now on planet

128
00:06:24,050 --> 00:06:21,780
Earth and all gillibrand had to do when

129
00:06:26,650 --> 00:06:24,060
he said today

130
00:06:30,050 --> 00:06:26,660
um I'm paraphrasing uh

131
00:06:32,809 --> 00:06:30,060
no E.T no extraterrestrials in the data

132
00:06:36,110 --> 00:06:32,819
right and he he did this arm motion

133
00:06:38,090 --> 00:06:36,120
right when he said that gillibrand at

134
00:06:40,010 --> 00:06:38,100
that moment well can I ask you about

135
00:06:42,129 --> 00:06:40,020
that op-ed that you just wrote with Avi

136
00:06:45,529 --> 00:06:42,139
lobe because

137
00:06:48,770 --> 00:06:45,539
why would you why would you put your

138
00:06:52,070 --> 00:06:48,780

name on the byline of that as a

139

00:06:55,969 --> 00:06:52,080

co-author and then because there's

140

00:06:58,850 --> 00:06:55,979

something behind that what made you go

141

00:07:01,189 --> 00:06:58,860

out and publish something like that and

142

00:07:04,430 --> 00:07:01,199

then say that there's no data that

143

00:07:06,469 --> 00:07:04,440

represents E.T you know and and it was a

144

00:07:07,909 --> 00:07:06,479

gift for gillibrand and I don't know why

145

00:07:11,330 --> 00:07:07,919

she didn't go there

146

00:07:15,170 --> 00:07:11,340

yeah I was really expecting a little

147

00:07:17,990 --> 00:07:15,180

more you know deep questioning something

148

00:07:20,330 --> 00:07:18,000

that went farther than just the sort of

149

00:07:22,070 --> 00:07:20,340

superficial bureaucratic sort of talk

150

00:07:23,870 --> 00:07:22,080

that we're used to out of Washington and

151

00:07:25,969 --> 00:07:23,880

she's done a really good job

152

00:07:28,490 --> 00:07:25,979

over the past years with this topic

153

00:07:29,689 --> 00:07:28,500

really pushing people to tell us a

154

00:07:33,469 --> 00:07:29,699

little bit more but it didn't happen

155

00:07:35,029 --> 00:07:33,479

today and uh it just feels I'm not sure

156

00:07:36,770 --> 00:07:35,039

the government I'm not sure the

157

00:07:38,990 --> 00:07:36,780

government is capable of handling this

158

00:07:41,450 --> 00:07:39,000

topic honestly I think it may have to

159

00:07:43,790 --> 00:07:41,460

come from people like US citizen

160

00:07:47,570 --> 00:07:43,800

scientists

161

00:07:49,490 --> 00:07:47,580

because like it has traditionally yeah I

162

00:07:52,309 --> 00:07:49,500

mean because Kirkpatrick he said these

163

00:07:54,589 --> 00:07:52,319

things which were very dismissive of

164

00:07:57,469 --> 00:07:54,599

Citizen scientists he made negative

165

00:08:00,230 --> 00:07:57,479

comments about social media blog posts

166

00:08:02,629 --> 00:08:00,240

he said that is in science but I mean if

167

00:08:05,629 --> 00:08:02,639

you just look at the history of Science

168

00:08:07,990 --> 00:08:05,639

in the last century or so the government

169

00:08:10,969 --> 00:08:08,000

funded their own

170

00:08:12,710 --> 00:08:10,979

plain development initiative to compete

171

00:08:15,350 --> 00:08:12,720

with the Wright brothers then it was

172

00:08:16,850 --> 00:08:15,360

Samuel Pierpont Langley if I got his

173

00:08:18,529 --> 00:08:16,860

name correctly right the head of the

174

00:08:20,270 --> 00:08:18,539

Smithsonian at the time and they funded

175

00:08:22,490 --> 00:08:20,280

him to the tune of a hundred thousand

176

00:08:24,050 --> 00:08:22,500

dollars around 1900 which is a lot of

177

00:08:26,029 --> 00:08:24,060

money back then that would be worth you

178

00:08:28,430 --> 00:08:26,039

know millions and millions that's big

179

00:08:31,249 --> 00:08:28,440

money that's all yeah and his the

180

00:08:33,829 --> 00:08:31,259

Langley flyer which had to be launched

181

00:08:36,350 --> 00:08:33,839

from a houseboat in the Potomac never

182

00:08:38,389 --> 00:08:36,360

flew but yet the Wright brothers who

183

00:08:40,730 --> 00:08:38,399

were self-funded high school dropouts

184

00:08:42,889 --> 00:08:40,740

who funded their operation building

185

00:08:45,949 --> 00:08:42,899

bicycles were successful so how could

186

00:08:47,750 --> 00:08:45,959

you be just so dismissive of ordinary

187

00:08:49,250 --> 00:08:47,760

people and say Well it has to you know

188

00:08:51,650 --> 00:08:49,260

the way he was describing it we have to

189

00:08:53,810 --> 00:08:51,660

get these bureaucrats and government

190

00:08:55,550 --> 00:08:53,820

scientists to agree and then it has to

191

00:08:58,070 --> 00:08:55,560

be peer reviewed you already said

192

00:09:01,009 --> 00:08:58,080

peer-reviewed by government agencies

193

00:09:02,690 --> 00:09:01,019

like it all has to stay Within These

194

00:09:05,630 --> 00:09:02,700

bureaucracies that this doesn't make

195

00:09:07,970 --> 00:09:05,640

sense to me yeah it's always about the

196

00:09:11,509 --> 00:09:07,980

funding you know and and in today's

197

00:09:14,930 --> 00:09:11,519

funding environment it's a tough world I

198

00:09:17,990 --> 00:09:14,940

get that but if that's was if that was

199

00:09:19,670 --> 00:09:18,000

part of the focus of the hearing today I

200

00:09:21,110 --> 00:09:19,680

think Kirkpatrick kind of dropped the

201
00:09:24,889 --> 00:09:21,120
ball

202
00:09:27,590 --> 00:09:24,899
um when Ernst uh Senator Ernst when she

203
00:09:31,070 --> 00:09:27,600
came at him and said you know um

204
00:09:33,710 --> 00:09:31,080
are you kind of redundant right are

205
00:09:37,310 --> 00:09:33,720
there other agencies doing this work is

206
00:09:40,850 --> 00:09:37,320
you know and a very good question and

207
00:09:42,949 --> 00:09:40,860
his answer another gift right that was a

208
00:09:45,710 --> 00:09:42,959
softball tossed to him all he had to say

209
00:09:48,889 --> 00:09:45,720
is look we're looking at this stuff but

210
00:09:51,050 --> 00:09:48,899
what if we find the one thing that

211
00:09:52,670 --> 00:09:51,060
points to something off Planet it makes

212
00:09:55,430 --> 00:09:52,680
everything worthwhile and that's what

213
00:09:58,190 --> 00:09:55,440

arrow is here to do that's all I had to

214

00:10:00,710 --> 00:09:58,200

say funding will come your way he kind

215

00:10:02,570 --> 00:10:00,720

of dropped the ball a little bit he used

216

00:10:06,889 --> 00:10:02,580

this an acronym

217

00:10:09,949 --> 00:10:06,899

some sop we want to make this someone

218

00:10:12,949 --> 00:10:09,959

else's problem yeah SCP yeah yeah

219

00:10:16,130 --> 00:10:12,959

someone SCP like let's just kick the can

220

00:10:17,509 --> 00:10:16,140

down the road you know everyone who

221

00:10:20,090 --> 00:10:17,519

studied this subject and you're well

222

00:10:22,070 --> 00:10:20,100

aware of this project sign the engineers

223

00:10:24,410 --> 00:10:22,080

at Wright Patterson who looked at the

224

00:10:25,610 --> 00:10:24,420

Roswell wreckage wrote a report that

225

00:10:28,910 --> 00:10:25,620

said they thought this was

226

00:10:30,050 --> 00:10:28,920

extraterrestrial way back 1947 1948

227

00:10:32,690 --> 00:10:30,060

right

228

00:10:35,630 --> 00:10:32,700

and the report was burnt we don't have

229

00:10:38,570 --> 00:10:35,640

any copies of that it was destroyed so

230

00:10:40,790 --> 00:10:38,580

even within the history of the military

231

00:10:43,190 --> 00:10:40,800

you had people who believed it was

232

00:10:44,690 --> 00:10:43,200

extraterrestrial how can you just say

233

00:10:47,930 --> 00:10:44,700

nowadays well there's just no evidence

234

00:10:50,810 --> 00:10:47,940

when we've had people all along Roscoe

235

00:10:53,569 --> 00:10:50,820

Hill and cutter and all sorts of people

236

00:10:55,670 --> 00:10:53,579

from government agencies breaking ranks

237

00:10:57,110 --> 00:10:55,680

and saying I this has to be something

238

00:10:59,829 --> 00:10:57,120

off planet

239

00:11:02,769 --> 00:10:59,839

and the um

240

00:11:06,290 --> 00:11:02,779

I'll tell you the facts of the case

241

00:11:09,710 --> 00:11:06,300

Kirkpatrick hasn't seen anything for

242

00:11:14,630 --> 00:11:09,720

himself he hasn't had that Paradigm

243

00:11:17,329 --> 00:11:14,640

Shift you know the daylight uh day time

244

00:11:19,970 --> 00:11:17,339

object in the sky that you see you know

245

00:11:23,990 --> 00:11:19,980

the Holy Grail with your own eyeballs he

246

00:11:26,870 --> 00:11:24,000

hasn't seen that and I've seen some I've

247

00:11:29,210 --> 00:11:26,880

seen stuff like you and others I've seen

248

00:11:33,410 --> 00:11:29,220

stuff where I've I don't know what it

249

00:11:36,590 --> 00:11:33,420

was but it wasn't us right I I can't

250

00:11:38,690 --> 00:11:36,600

definitively say what it was but when

251
00:11:42,710 --> 00:11:38,700
you see something like that you know

252
00:11:45,350 --> 00:11:42,720
clearly that it's not us and that's what

253
00:11:47,990 --> 00:11:45,360
drives me to go and find answers he

254
00:11:51,530 --> 00:11:48,000
hasn't had that Paradigm Shift yet

255
00:11:53,990 --> 00:11:51,540
yeah and even if he had he's sticking to

256
00:11:57,410 --> 00:11:54,000
the company line he is I'm not saying

257
00:12:00,110 --> 00:11:57,420
he's a bad guy not at all I I think he's

258
00:12:02,690 --> 00:12:00,120
doing what he believes his job is to do

259
00:12:04,670 --> 00:12:02,700
which is to keep narrowing down the

260
00:12:07,610 --> 00:12:04,680
explanation until we can discount

261
00:12:10,370 --> 00:12:07,620
anything that's off planet or what's

262
00:12:13,509 --> 00:12:10,380
called nowadays nhi non-human

263
00:12:15,889 --> 00:12:13,519

intelligence right but

264

00:12:18,170 --> 00:12:15,899

the only way you can do that is by not

265

00:12:20,449 --> 00:12:18,180

looking at the evidence because there's

266

00:12:23,090 --> 00:12:20,459

so much of it even again I you know I

267

00:12:25,130 --> 00:12:23,100

attended the citizen Hearing in 2013 at

268

00:12:28,490 --> 00:12:25,140

the national Press Club and that was

269

00:12:31,190 --> 00:12:28,500

five days of testimony from people who

270

00:12:34,610 --> 00:12:31,200

had served as missile control launch

271

00:12:36,829 --> 00:12:34,620

officers four of them and they said this

272

00:12:38,630 --> 00:12:36,839

is not our stuff and it's not foreign

273

00:12:41,050 --> 00:12:38,640

adversaries they can't do that and it

274

00:12:43,490 --> 00:12:41,060

took our missiles offline

275

00:12:45,290 --> 00:12:43,500

people like people from the fa people

276

00:12:47,329 --> 00:12:45,300

from the military people from foreign

277

00:12:50,090 --> 00:12:47,339

militaries people from the rentals from

278

00:12:52,430 --> 00:12:50,100

forest group a group of Roswell

279

00:12:54,650 --> 00:12:52,440

Witnesses you just had really good

280

00:12:57,050 --> 00:12:54,660

quality Witnesses for five days

281

00:12:59,449 --> 00:12:57,060

I can't see how you can say there's just

282

00:13:01,430 --> 00:12:59,459

no evidence that any of this is

283

00:13:04,129 --> 00:13:01,440

non-ordinary just doesn't it doesn't

284

00:13:06,769 --> 00:13:04,139

make sense to say that there was one

285

00:13:09,230 --> 00:13:06,779

other part then this is a Bigfoot night

286

00:13:11,030 --> 00:13:09,240

so we'll we'll switch off of this or we

287

00:13:12,350 --> 00:13:11,040

we can talk guitar for the rest of the

288

00:13:15,310 --> 00:13:12,360

show too as well

289

00:13:19,150 --> 00:13:15,320

um is is this

290

00:13:22,310 --> 00:13:19,160

gillibrand was again given another gift

291

00:13:24,590 --> 00:13:22,320

when he said

292

00:13:26,030 --> 00:13:24,600

we've interviewed over two dozen

293

00:13:28,610 --> 00:13:26,040

Witnesses

294

00:13:34,509 --> 00:13:28,620

right there you stop you stop the

295

00:13:39,190 --> 00:13:34,519

hearing oh like who what did they say

296

00:13:42,410 --> 00:13:39,200

right and and it was they just let it go

297

00:13:44,930 --> 00:13:42,420

I don't understand that I want to know

298

00:13:47,690 --> 00:13:44,940

who those two dozen Witnesses were and

299

00:13:51,889 --> 00:13:47,700

and and why gillibrand sent those

300

00:13:53,930 --> 00:13:51,899

witnesses to Arrow uh to you know for an

301
00:13:55,430 --> 00:13:53,940
investigation I I don't get that they

302
00:13:57,590 --> 00:13:55,440
just let it go

303
00:13:59,990 --> 00:13:57,600
yeah and I've spoken to Witnesses who've

304
00:14:01,550 --> 00:14:00,000
told me Point Blank they Engineers top

305
00:14:03,470 --> 00:14:01,560
top-notch Engineers have told me they've

306
00:14:05,329 --> 00:14:03,480
handled this material and they're a

307
00:14:07,850 --> 00:14:05,339
hundred percent convinced it's

308
00:14:10,069 --> 00:14:07,860
non-terrestrial it's not made like

309
00:14:11,629 --> 00:14:10,079
materials that that we see on Earth it's

310
00:14:13,850 --> 00:14:11,639
it's a whole different type of

311
00:14:15,350 --> 00:14:13,860
technology I I've talked to three of

312
00:14:17,150 --> 00:14:15,360
these people so far and none of them

313
00:14:19,490 --> 00:14:17,160

really want to say very much except that

314

00:14:21,350 --> 00:14:19,500

they their group analyzed it and they

315

00:14:23,269 --> 00:14:21,360

concluded it wasn't something from here

316

00:14:24,829 --> 00:14:23,279

so where are those people and these are

317

00:14:27,410 --> 00:14:24,839

really high level people that would

318

00:14:29,449 --> 00:14:27,420

everyone would know if they came forward

319

00:14:30,710 --> 00:14:29,459

so you know who are these Witnesses but

320

00:14:33,050 --> 00:14:30,720

you know I think there's another aspect

321

00:14:34,970 --> 00:14:33,060

to it wasn't there a closed Hearing in

322

00:14:37,490 --> 00:14:34,980

the afternoon just like we had a year

323

00:14:39,470 --> 00:14:37,500

ago so we don't know what's going on

324

00:14:41,389 --> 00:14:39,480

there the the good stuff apparently last

325

00:14:45,670 --> 00:14:41,399

year happened in the afternoon but the

326

00:14:50,210 --> 00:14:45,680

public again didn't hear it nope and uh

327

00:14:53,329 --> 00:14:50,220

this one it's Arrow uh I guess we needed

328

00:14:56,090 --> 00:14:53,339

an explanation of their operation which

329

00:15:00,290 --> 00:14:56,100

he laid out pretty clearly

330

00:15:03,350 --> 00:15:00,300

um and if that was the goal which was to

331

00:15:06,350 --> 00:15:03,360

check in on Arrow and see if they needed

332

00:15:08,329 --> 00:15:06,360

anything and you saw and heard you know

333

00:15:10,370 --> 00:15:08,339

Gilbert okay we'll write that letter for

334

00:15:12,949 --> 00:15:10,380

you we'll take care of this is there

335

00:15:16,129 --> 00:15:12,959

anything else that you need from us okay

336

00:15:18,410 --> 00:15:16,139

I I get all of that but uh the two

337

00:15:22,730 --> 00:15:18,420

videos that he showed yeah actually

338

00:15:26,210 --> 00:15:22,740

pretty interesting uh uh both of them I

339

00:15:28,730 --> 00:15:26,220

think that muscle video was a metallic

340

00:15:30,769 --> 00:15:28,740

balloon of some kind

341

00:15:33,769 --> 00:15:30,779

um he said that they'll never be able to

342

00:15:36,590 --> 00:15:33,779

identify what that was but the other one

343

00:15:39,110 --> 00:15:36,600

where they revealed with the Fleeer

344

00:15:42,590 --> 00:15:39,120

Imaging the tale of the aircraft yeah it

345

00:15:45,230 --> 00:15:42,600

was pretty cool yeah I appreciated that

346

00:15:47,210 --> 00:15:45,240

that's pretty good pretty good A lot

347

00:15:49,430 --> 00:15:47,220

better than the last hearing uh with

348

00:15:50,629 --> 00:15:49,440

that video small food that they did for

349

00:15:53,629 --> 00:15:50,639

sure

350

00:15:56,449 --> 00:15:53,639

um uh one last thing on on where we are

351
00:15:57,829 --> 00:15:56,459
today with uh UFOs and uaps it is pretty

352
00:16:02,810 --> 00:15:57,839
extraordinary

353
00:16:05,930 --> 00:16:02,820
hearings in a year on this subject on

354
00:16:09,470 --> 00:16:05,940
Capitol Hill uh do you feel the tide

355
00:16:12,410 --> 00:16:09,480
changing on this is this something that

356
00:16:16,189 --> 00:16:12,420
um is you know the you know disclosure

357
00:16:19,129 --> 00:16:16,199
and the Big D is are we are we getting

358
00:16:21,710 --> 00:16:19,139
closer is there something tangible out

359
00:16:24,410 --> 00:16:21,720
there now that you can kind of feel

360
00:16:26,750 --> 00:16:24,420
I think we're getting closer uh I think

361
00:16:29,210 --> 00:16:26,760
this is just the beginning of it because

362
00:16:31,430 --> 00:16:29,220
the witnesses I've talked to who've

363
00:16:33,829 --> 00:16:31,440

worked within military you know

364

00:16:36,170 --> 00:16:33,839

intelligence communities they must be

365

00:16:38,629 --> 00:16:36,180

having the same reaction that we are and

366

00:16:40,430 --> 00:16:38,639

they know what's going on with this and

367

00:16:41,689 --> 00:16:40,440

I would imagine they feel some sense of

368

00:16:43,730 --> 00:16:41,699

frustration

369

00:16:46,490 --> 00:16:43,740

that we're really not getting the type

370

00:16:49,129 --> 00:16:46,500

of accountability that we expect from

371

00:16:51,350 --> 00:16:49,139

our government yeah no doubt and I

372

00:16:53,629 --> 00:16:51,360

there's thousands of witnesses out there

373

00:16:55,189 --> 00:16:53,639

it's obvious there are thousands we've

374

00:16:57,769 --> 00:16:55,199

only heard from the tip of the iceberg

375

00:16:59,210 --> 00:16:57,779

and at some point I just think it's

376

00:17:01,189 --> 00:16:59,220

going to be like

377

00:17:03,470 --> 00:17:01,199

it's like the dam you just have to

378

00:17:04,909 --> 00:17:03,480

remove one brick from the dam for the

379

00:17:06,409 --> 00:17:04,919

whole thing to start flowing and

380

00:17:08,270 --> 00:17:06,419

eventually collapse I think some of

381

00:17:10,970 --> 00:17:08,280

these witnesses will eventually say look

382

00:17:12,230 --> 00:17:10,980

we this is just not the way we do things

383

00:17:14,750 --> 00:17:12,240

here in the United States we have to

384

00:17:16,730 --> 00:17:14,760

tell the truth and I think that the

385

00:17:19,250 --> 00:17:16,740

truth will win out in this case even

386

00:17:22,189 --> 00:17:19,260

though we didn't really see evidence of

387

00:17:24,230 --> 00:17:22,199

that today but look the Berlin Wall fell

388

00:17:27,110 --> 00:17:24,240

down a lot faster than anyone thought in

389

00:17:29,390 --> 00:17:27,120

1989 I was working over there in Austria

390

00:17:31,130 --> 00:17:29,400

the year it started and I you could see

391

00:17:32,690 --> 00:17:31,140

the beginnings of it but no one expected

392

00:17:34,370 --> 00:17:32,700

it to crumble that quickly so these

393

00:17:35,630 --> 00:17:34,380

things can really take take on a

394

00:17:37,610 --> 00:17:35,640

momentum that we don't see in the

395

00:17:41,090 --> 00:17:37,620

beginning yeah you're right about that

396

00:17:44,090 --> 00:17:41,100

it was like one day there was talk right

397

00:17:47,810 --> 00:17:44,100

and the next day they were pulling that

398

00:17:50,390 --> 00:17:47,820

thing I mean it uh you remember that

399

00:17:53,450 --> 00:17:50,400

sledgehammers yeah uh that was just

400

00:18:00,049 --> 00:17:53,460

crazy all right let's get to Bigfoot

401
00:18:04,850 --> 00:18:00,059
um uh I'm not sure where to start but I

402
00:18:08,110 --> 00:18:04,860
I kind of want to say this I used to be

403
00:18:13,130 --> 00:18:08,120
on the fence when it came to Bigfoot

404
00:18:18,770 --> 00:18:13,140
and so I always approached it

405
00:18:20,570 --> 00:18:18,780
um as objectively as I could and can't

406
00:18:23,270 --> 00:18:20,580
but here's the thing

407
00:18:25,850 --> 00:18:23,280
I believe that the Patterson gimlin film

408
00:18:29,570 --> 00:18:25,860
is authentic okay

409
00:18:32,330 --> 00:18:29,580
and if ufology had a UFO video like the

410
00:18:36,590 --> 00:18:32,340
Patterson gimlin film it would be case

411
00:18:40,370 --> 00:18:36,600
closed but it's not right Bigfoot is not

412
00:18:43,190 --> 00:18:40,380
case closed and and I'm still but I'm

413
00:18:46,930 --> 00:18:43,200

starting to think that there is

414

00:18:50,990 --> 00:18:46,940

but something more paranormal going on

415

00:18:53,529 --> 00:18:51,000

something more Supernatural that may be

416

00:18:56,810 --> 00:18:53,539

going on and that's where I sit today

417

00:19:00,470 --> 00:18:56,820

but I I just don't have those answers

418

00:19:01,909 --> 00:19:00,480

but I want to go squashing so this is my

419

00:19:03,830 --> 00:19:01,919

opening question

420

00:19:06,890 --> 00:19:03,840

I go squatching

421

00:19:09,409 --> 00:19:06,900

and and I'm by myself

422

00:19:11,890 --> 00:19:09,419

okay all right I'm camping I'm in the

423

00:19:16,010 --> 00:19:11,900

woods it's at night

424

00:19:19,669 --> 00:19:16,020

and I see something

425

00:19:22,909 --> 00:19:19,679

what do you think would be typical of of

426

00:19:25,010 --> 00:19:22,919

a Bigfoot encounter in that kind of

427

00:19:28,010 --> 00:19:25,020

scenario

428

00:19:31,810 --> 00:19:28,020

well typically before you see something

429

00:19:34,970 --> 00:19:31,820

you hear something or you feel something

430

00:19:38,029 --> 00:19:34,980

and this is what I've seen investigating

431

00:19:40,010 --> 00:19:38,039

this subject for a couple years now is

432

00:19:41,690 --> 00:19:40,020

you get these premonitions that

433

00:19:43,970 --> 00:19:41,700

something's not right

434

00:19:46,789 --> 00:19:43,980

or something's different

435

00:19:48,770 --> 00:19:46,799

you may even have some of these

436

00:19:50,930 --> 00:19:48,780

phenomena show up that we typically

437

00:19:53,630 --> 00:19:50,940

associate with UFOs

438

00:19:56,990 --> 00:19:53,640

or other paranormal phenomena ahead of

439

00:20:00,289 --> 00:19:57,000

the Bigfoot encounter like orbs and such

440

00:20:02,270 --> 00:20:00,299

but typically Witnesses and this doesn't

441

00:20:05,150 --> 00:20:02,280

you know there's so many variations in

442

00:20:08,150 --> 00:20:05,160

these types of contact they hear sounds

443

00:20:11,810 --> 00:20:08,160

they hear wood knocking sounds they hear

444

00:20:15,310 --> 00:20:11,820

strange howls there's something else

445

00:20:17,630 --> 00:20:15,320

look at this comment

446

00:20:19,490 --> 00:20:17,640

sandwiches yes you may find your food

447

00:20:20,990 --> 00:20:19,500

disappearing it's things like this now

448

00:20:24,230 --> 00:20:21,000

here's the thing we're very good at

449

00:20:26,090 --> 00:20:24,240

rationalizing and friends I have and

450

00:20:28,250 --> 00:20:26,100

other Witnesses and I've got to know a

451

00:20:29,330 --> 00:20:28,260

lot of people like this being in the you

452

00:20:31,490 --> 00:20:29,340

know the foothills of the Rocky

453

00:20:34,549 --> 00:20:31,500

Mountains it's very easy for your mind

454

00:20:36,650 --> 00:20:34,559

to rationalize it as being just an odd

455

00:20:38,990 --> 00:20:36,660

sounding coyote maybe a bigger coyote

456

00:20:40,909 --> 00:20:39,000

than you're used to hearing or you say

457

00:20:43,070 --> 00:20:40,919

you know that weird feeling I'm getting

458

00:20:44,570 --> 00:20:43,080

maybe I'm just not feeling well or

459

00:20:45,650 --> 00:20:44,580

something you'll rationalize or I'm

460

00:20:48,169 --> 00:20:45,660

worried about something that happened

461

00:20:49,669 --> 00:20:48,179

earlier in the day as I was leaving but

462

00:20:52,610 --> 00:20:49,679

typically what happens is it's a

463

00:20:54,830 --> 00:20:52,620

premonition of an encounter before they

464

00:20:57,350 --> 00:20:54,840

show up at your tent or wherever you

465

00:20:59,810 --> 00:20:57,360

happen to be and there's so many

466

00:21:01,970 --> 00:20:59,820

variations in these types of encounters

467

00:21:04,669 --> 00:21:01,980

Jimmy that there's no way to generalize

468

00:21:07,510 --> 00:21:04,679

it we're even attempting to do that here

469

00:21:11,029 --> 00:21:07,520

some of them seem very

470

00:21:12,470 --> 00:21:11,039

beneficial the harmonious uh you know

471

00:21:14,930 --> 00:21:12,480

cooperative and some of them seem

472

00:21:18,230 --> 00:21:14,940

hostile and everything in between

473

00:21:19,190 --> 00:21:18,240

so now let's change this scenario just a

474

00:21:21,409 --> 00:21:19,200

little bit

475

00:21:26,510 --> 00:21:21,419

it's you and I

476

00:21:30,590 --> 00:21:26,520

sitting there just watching okay and

477

00:21:31,850 --> 00:21:30,600

there's a moment where you're gonna go

478

00:21:34,549 --> 00:21:31,860

oh

479

00:21:38,090 --> 00:21:34,559

right okay there's gonna be that moment

480

00:21:39,770 --> 00:21:38,100

what do you think that would be for you

481

00:21:43,669 --> 00:21:39,780

that you would notice first where you're

482

00:21:45,470 --> 00:21:43,679

going to go Jimmy Jimmy hold on would it

483

00:21:48,830 --> 00:21:45,480

be something internal would it be

484

00:21:50,510 --> 00:21:48,840

Consciousness alerting or something else

485

00:21:53,090 --> 00:21:50,520

smell

486

00:21:55,909 --> 00:21:53,100

yeah well people sometimes report this

487

00:21:59,270 --> 00:21:55,919

mind speak in their minds right some

488

00:22:02,510 --> 00:21:59,280

people like uh Carter Bouchard have

489

00:22:05,330 --> 00:22:02,520

referred to it as psychic nudging

490

00:22:06,950 --> 00:22:05,340

it's something that attempts a type of

491

00:22:09,350 --> 00:22:06,960

Mind Control

492

00:22:12,230 --> 00:22:09,360

even before you're aware of it that's

493

00:22:15,289 --> 00:22:12,240

what makes it such a strange topic

494

00:22:17,750 --> 00:22:15,299

I used to think probably like you maybe

495

00:22:20,090 --> 00:22:17,760

because I listen to a lot of art Bells

496

00:22:21,770 --> 00:22:20,100

interviews with people like Lauren

497

00:22:24,350 --> 00:22:21,780

Coleman that just this was just some

498

00:22:27,470 --> 00:22:24,360

sort of Relic primate a very rare ape

499

00:22:29,149 --> 00:22:27,480

but still a normal mammal but just rare

500

00:22:31,669 --> 00:22:29,159

but that's not what it turned out to be

501
00:22:33,470 --> 00:22:31,679
at all not from the research I've seen

502
00:22:35,570 --> 00:22:33,480
in the last 20 years

503
00:22:38,330 --> 00:22:35,580
it's a lot Stranger than that you could

504
00:22:40,909 --> 00:22:38,340
hear something talking in your mind

505
00:22:43,390 --> 00:22:40,919
attempting to get you to come out of

506
00:22:47,090 --> 00:22:43,400
your tent or your camper

507
00:22:50,330 --> 00:22:47,100
it might be just a feeling to change

508
00:22:53,750 --> 00:22:50,340
directions on the trail if you're hiking

509
00:22:56,270 --> 00:22:53,760
and it might even turn into lost time

510
00:22:58,010 --> 00:22:56,280
missing time you might not even know

511
00:22:59,690 --> 00:22:58,020
what happened in other words you and I

512
00:23:02,450 --> 00:22:59,700
might be in the tent and all of a sudden

513
00:23:04,130 --> 00:23:02,460

it's five hours later right and all we

514

00:23:05,330 --> 00:23:04,140

heard were some howls and we saw

515

00:23:06,470 --> 00:23:05,340

something out there all of a sudden it's

516

00:23:08,090 --> 00:23:06,480

five hours later

517

00:23:09,710 --> 00:23:08,100

it could be like that or maybe not or

518

00:23:10,850 --> 00:23:09,720

maybe they moved your whole tent that's

519

00:23:12,529 --> 00:23:10,860

how you know something that happens

520

00:23:14,630 --> 00:23:12,539

there's reports of that too where people

521

00:23:17,630 --> 00:23:14,640

say they took them out of danger during

522

00:23:19,190 --> 00:23:17,640

snowstorms things like that now you're

523

00:23:20,750 --> 00:23:19,200

suggesting something possibly

524

00:23:23,510 --> 00:23:20,760

interdimensional

525

00:23:25,370 --> 00:23:23,520

yes definitely this does not fit any

526
00:23:26,930 --> 00:23:25,380
categories we're used to and the reason

527
00:23:27,890 --> 00:23:26,940
I think it relates to what you and I

528
00:23:31,549 --> 00:23:27,900
were just talking about a few minutes

529
00:23:35,270 --> 00:23:31,559
ago it has a lot of parallels to UFO

530
00:23:36,669 --> 00:23:35,280
witness encounters including missing

531
00:23:40,510 --> 00:23:36,679
time

532
00:23:44,510 --> 00:23:40,520
cameras and batteries instrument failure

533
00:23:47,330 --> 00:23:44,520
and uh just other strange effects

534
00:23:48,890 --> 00:23:47,340
strange luminosities orbs and things now

535
00:23:50,029 --> 00:23:48,900
this is not every single encounter I

536
00:23:52,430 --> 00:23:50,039
know there are people out there that can

537
00:23:54,049 --> 00:23:52,440
be saying no no Simeon there's just

538
00:23:55,669 --> 00:23:54,059

there are Flesh and Blood encounters

539

00:23:59,029 --> 00:23:55,679

where it does seem like you encountered

540

00:24:00,169 --> 00:23:59,039

just a human primate whatever you think

541

00:24:01,610 --> 00:24:00,179

it is but there are many other

542

00:24:04,070 --> 00:24:01,620

encounters where you get these other

543

00:24:06,590 --> 00:24:04,080

phenomena happening just like

544

00:24:08,390 --> 00:24:06,600

uh in UFO encounters uh you know you

545

00:24:10,490 --> 00:24:08,400

probably know of Stan Gordon who's

546

00:24:12,409 --> 00:24:10,500

written about this in Pennsylvania and

547

00:24:14,270 --> 00:24:12,419

his research on Cryptids and when I

548

00:24:16,669 --> 00:24:14,280

first met Stan at one of these

549

00:24:18,890 --> 00:24:16,679

conferences in 2002 the UFO crash

550

00:24:21,529 --> 00:24:18,900

retrieval conference in Vegas

551
00:24:24,049 --> 00:24:21,539
and he was invited to talk about Bigfoot

552
00:24:26,390 --> 00:24:24,059
UFO encounters where at the same time I

553
00:24:28,850 --> 00:24:26,400
don't think my mind could handle that

554
00:24:32,090 --> 00:24:28,860
for the longest time I would pick up his

555
00:24:34,070 --> 00:24:32,100
book a silent Invasion and then I would

556
00:24:35,810 --> 00:24:34,080
like read a couple pages and put it down

557
00:24:38,690 --> 00:24:35,820
I couldn't understand why you would have

558
00:24:41,390 --> 00:24:38,700
Bigfoot and UFOs in the same fields at

559
00:24:43,810 --> 00:24:41,400
the same time in the same vicinities but

560
00:24:45,710 --> 00:24:43,820
if you see them as being some sort of

561
00:24:47,029 --> 00:24:45,720
interdimensional phenomena something

562
00:24:49,130 --> 00:24:47,039
that's coming through from parallel

563
00:24:50,810 --> 00:24:49,140

realities it kind of makes sense is once

564

00:24:52,730 --> 00:24:50,820

you open that doorway lots of stuff can

565

00:24:56,990 --> 00:24:52,740

come through yeah you're right about

566

00:24:59,570 --> 00:24:57,000

that uh there are a large majority of

567

00:25:01,210 --> 00:24:59,580

Bigfoot researchers that don't want to

568

00:25:04,250 --> 00:25:01,220

discuss UFOs

569

00:25:06,470 --> 00:25:04,260

that that that's you guys

570

00:25:09,649 --> 00:25:06,480

we're talking about Bigfoot here you

571

00:25:13,190 --> 00:25:09,659

know and they don't want but I think

572

00:25:17,029 --> 00:25:13,200

there is a growing segment of those

573

00:25:19,850 --> 00:25:17,039

researchers that are starting to open up

574

00:25:21,430 --> 00:25:19,860

to the possibility of a direct

575

00:25:24,110 --> 00:25:21,440

connection here

576
00:25:24,830 --> 00:25:24,120
one of the reasons why I'm okay with

577
00:25:26,990 --> 00:25:24,840
that

578
00:25:29,090 --> 00:25:27,000
which goes back to the interdimensional

579
00:25:31,310 --> 00:25:29,100
aspect of this

580
00:25:35,029 --> 00:25:31,320
um and the similarities with UFOs which

581
00:25:37,070 --> 00:25:35,039
is Bigfoot seems to appear

582
00:25:40,610 --> 00:25:37,080
and disappear

583
00:25:42,470 --> 00:25:40,620
and that just like things appearing in

584
00:25:44,990 --> 00:25:42,480
the sky and disappearing in the sky

585
00:25:46,669 --> 00:25:45,000
whether it's a parallel world it's

586
00:25:51,350 --> 00:25:46,679
interdimensional there's a portal

587
00:25:53,750 --> 00:25:51,360
opening some vorte I don't know but the

588
00:25:57,049 --> 00:25:53,760

descriptions uh of these eyewitness

589

00:25:59,390 --> 00:25:57,059

encounters are very very similar very

590

00:26:01,610 --> 00:25:59,400

similar there are these patterns and and

591

00:26:04,010 --> 00:26:01,620

Jimmy that's what really

592

00:26:05,990 --> 00:26:04,020

got me really hooked into the topic was

593

00:26:07,730 --> 00:26:06,000

if you started reading the encounter

594

00:26:10,070 --> 00:26:07,740

stories talking to Witnesses yourself

595

00:26:12,049 --> 00:26:10,080

and a lot of these people though I got

596

00:26:13,789 --> 00:26:12,059

to know about the subject who took my RV

597

00:26:15,590 --> 00:26:13,799

classes here in Boulder these are

598

00:26:18,529 --> 00:26:15,600

Colorado natives

599

00:26:21,169 --> 00:26:18,539

many of them had had Bigfoot Sasquatch

600

00:26:23,690 --> 00:26:21,179

Encounters in the Rockies over the years

601
00:26:25,190 --> 00:26:23,700
and it was like a cumulative effect I

602
00:26:27,049 --> 00:26:25,200
think it's just like many of us you have

603
00:26:28,669 --> 00:26:27,059
to hear something a number of times it

604
00:26:30,710 --> 00:26:28,679
could take decades like it did in my

605
00:26:32,750 --> 00:26:30,720
case for it to really sink into our

606
00:26:34,430 --> 00:26:32,760
thick skulls that this is real if people

607
00:26:36,169 --> 00:26:34,440
are experiencing this because there's a

608
00:26:37,669 --> 00:26:36,179
part of you that wants to go back to the

609
00:26:39,890 --> 00:26:37,679
story that you learned in high school

610
00:26:41,750 --> 00:26:39,900
and college which is that these things

611
00:26:43,730 --> 00:26:41,760
are a type of folklore

612
00:26:45,890 --> 00:26:43,740
you know they're not they don't really

613
00:26:48,169 --> 00:26:45,900

exist people are seeing things that that

614

00:26:49,610 --> 00:26:48,179

part of your mind keeps rationalizing it

615

00:26:51,350 --> 00:26:49,620

until you keep encountering the

616

00:26:52,610 --> 00:26:51,360

witnesses and you go wait a minute wait

617

00:26:54,470 --> 00:26:52,620

a minute they're all just like you said

618

00:26:57,289 --> 00:26:54,480

they're all describing the same thing

619

00:27:00,230 --> 00:26:57,299

and some of them describe this sort of

620

00:27:03,789 --> 00:27:00,240

mental confusion they feel around their

621

00:27:06,590 --> 00:27:03,799

Sasquatch encounters time loss uh

622

00:27:08,690 --> 00:27:06,600

another bizarre aspect of it is groups

623

00:27:11,090 --> 00:27:08,700

of witnesses won't describe the same

624

00:27:13,669 --> 00:27:11,100

creature the same way I mean not even

625

00:27:15,950 --> 00:27:13,679

close they'll describe it one will say

626

00:27:18,409 --> 00:27:15,960

it was like a huge primate others will

627

00:27:20,029 --> 00:27:18,419

say it looked more like a cat a cat on

628

00:27:22,850 --> 00:27:20,039

two legs some will say it looked more

629

00:27:24,769 --> 00:27:22,860

like a caveman and they can't even agree

630

00:27:26,149 --> 00:27:24,779

what they saw so there's a lot of

631

00:27:28,669 --> 00:27:26,159

similarities

632

00:27:30,830 --> 00:27:28,679

uh and don't forget the glowing eyes

633

00:27:33,529 --> 00:27:30,840

that emit light we're not talking about

634

00:27:36,769 --> 00:27:33,539

eye reflection here we're talking about

635

00:27:39,169 --> 00:27:36,779

I shine literally glowing eyes that emit

636

00:27:41,090 --> 00:27:39,179

light onto the Forest Trail all the

637

00:27:44,870 --> 00:27:41,100

colors of the rainbow

638

00:27:46,669 --> 00:27:44,880

and it's just the same thing from one

639

00:27:48,950 --> 00:27:46,679

witness to another with you know with

640

00:27:50,750 --> 00:27:48,960

variations so yeah there's the Flesh and

641

00:27:53,630 --> 00:27:50,760

Blood interpretation

642

00:27:55,850 --> 00:27:53,640

but I think those researchers are so

643

00:27:58,190 --> 00:27:55,860

concerned about being accepted by

644

00:28:00,230 --> 00:27:58,200

mainstream Society for whatever reason

645

00:28:01,970 --> 00:28:00,240

they want to be accepted and that's not

646

00:28:04,430 --> 00:28:01,980

usually the best way to go in science

647

00:28:06,590 --> 00:28:04,440

you're maybe not going to be popular for

648

00:28:08,990 --> 00:28:06,600

quite a long time if ever you just have

649

00:28:11,149 --> 00:28:09,000

to accept it but there's so many other

650

00:28:13,490 --> 00:28:11,159

cases where the people said just they

651
00:28:16,430 --> 00:28:13,500
went invisible they turn into something

652
00:28:18,710 --> 00:28:16,440
that looked like Saran Wrap which you

653
00:28:21,409 --> 00:28:18,720
can see in the David Pilates missing

654
00:28:22,789 --> 00:28:21,419
4-1-1 the hunted documentary and what a

655
00:28:25,549 --> 00:28:22,799
lot of people have described that so

656
00:28:28,549 --> 00:28:25,559
what is that what is that well help me

657
00:28:32,830 --> 00:28:28,559
understand what that may be

658
00:28:35,149 --> 00:28:32,840
um is that uh if we

659
00:28:38,090 --> 00:28:35,159
interdimensional is a word that I think

660
00:28:41,510 --> 00:28:38,100
even I use too freely

661
00:28:43,789 --> 00:28:41,520
um it's a it's an easy word to use when

662
00:28:46,070 --> 00:28:43,799
you're trying to describe something that

663
00:28:48,769 --> 00:28:46,080

is Indescribable so you just say

664

00:28:51,350 --> 00:28:48,779

interdimensional but when we use that

665

00:28:54,669 --> 00:28:51,360

kind of term invisible what will Circle

666

00:28:57,649 --> 00:28:54,679

back to that but what is an

667

00:28:59,690 --> 00:28:57,659

interdimensional creature where are they

668

00:29:00,470 --> 00:28:59,700

coming from what is the science behind

669

00:29:06,289 --> 00:29:00,480

that

670

00:29:09,470 --> 00:29:06,299

I I often think of the same thing these

671

00:29:11,690 --> 00:29:09,480

types of life could become invisible

672

00:29:13,669 --> 00:29:11,700

without literally being interdimensional

673

00:29:16,630 --> 00:29:13,679

we already have animals on the planet

674

00:29:20,570 --> 00:29:16,640

that are very good at doing that right

675

00:29:23,810 --> 00:29:20,580

octopus and cuttlefish and types of life

676
00:29:27,070 --> 00:29:23,820
that can blend into their background in

677
00:29:29,750 --> 00:29:27,080
a second millisecond chameleons

678
00:29:32,510 --> 00:29:29,760
chameleons right and we also have

679
00:29:37,190 --> 00:29:32,520
animals like the pistol shrimp that can

680
00:29:39,830 --> 00:29:37,200
stun its prey with sound cavitation you

681
00:29:41,990 --> 00:29:39,840
know sound that's so forceful beyond

682
00:29:44,690 --> 00:29:42,000
your frankenstract back there beyond

683
00:29:48,110 --> 00:29:44,700
what Eddie and could do with that that

684
00:29:51,169 --> 00:29:48,120
it can actually create pressure that can

685
00:29:54,169 --> 00:29:51,179
render you unconscious or injure you so

686
00:29:56,630 --> 00:29:54,179
if we already have known animals that we

687
00:29:58,789 --> 00:29:56,640
accept can do that it's not much of a

688
00:30:01,370 --> 00:29:58,799

stretch that there's probably other

689

00:30:03,289 --> 00:30:01,380

types of life that really got good at

690

00:30:05,630 --> 00:30:03,299

doing that and we can't even see them

691

00:30:08,529 --> 00:30:05,640

anymore in fact they found it to their

692

00:30:11,330 --> 00:30:08,539

advantage to develop this type of

693

00:30:13,310 --> 00:30:11,340

invisibility but having said that it

694

00:30:15,350 --> 00:30:13,320

seems to me that these Bigfoot and other

695

00:30:17,149 --> 00:30:15,360

types of Cryptids that we don't really

696

00:30:21,950 --> 00:30:17,159

have very good names for

697

00:30:25,010 --> 00:30:21,960

uh do seem to really vanish from an area

698

00:30:27,529 --> 00:30:25,020

entirely or because the way they can

699

00:30:30,350 --> 00:30:27,539

move around a campsite or in the forest

700

00:30:32,450 --> 00:30:30,360

people describe it as looking like the

701
00:30:34,730 --> 00:30:32,460
Road Runner on one of those Bugs Bunny

702
00:30:37,310 --> 00:30:34,740
cartoons that you and I used to watch as

703
00:30:38,750 --> 00:30:37,320
a kid it's moving so fast it looks like

704
00:30:40,970 --> 00:30:38,760
a blur

705
00:30:42,889 --> 00:30:40,980
to me that represents an entirely

706
00:30:44,630 --> 00:30:42,899
different type of physics I think I

707
00:30:47,149 --> 00:30:44,640
think we have some idea of what that is

708
00:30:49,789 --> 00:30:47,159
but that's that is something that is

709
00:30:53,389 --> 00:30:49,799
going beyond the norm in quite a big way

710
00:30:56,029 --> 00:30:53,399
the gliding the floating over an area

711
00:30:58,789 --> 00:30:56,039
and that rapid movement people say it's

712
00:31:01,970 --> 00:30:58,799
like it didn't move in the intervening

713
00:31:03,889 --> 00:31:01,980

space whether it be a big big foot or

714

00:31:07,490 --> 00:31:03,899

what's called dog man it seemed to jump

715

00:31:09,830 --> 00:31:07,500

from here to there to there and and just

716

00:31:11,630 --> 00:31:09,840

almost be like a blur in between like

717

00:31:13,610 --> 00:31:11,640

almost like in a different frame of

718

00:31:15,590 --> 00:31:13,620

reference the way Einstein would have

719

00:31:17,930 --> 00:31:15,600

thought about it it's a different type

720

00:31:19,850 --> 00:31:17,940

of space time I think we're dealing with

721

00:31:22,970 --> 00:31:19,860

creatures that are made of a different

722

00:31:26,029 --> 00:31:22,980

type of matter than we're used to

723

00:31:27,710 --> 00:31:26,039

in ordinary reality they've just pushed

724

00:31:30,350 --> 00:31:27,720

it to the extreme where they're going

725

00:31:32,210 --> 00:31:30,360

into another einsteinian frame of

726

00:31:35,090 --> 00:31:32,220

reference with a different speed of

727

00:31:37,370 --> 00:31:35,100

light and a different time scale and

728

00:31:38,769 --> 00:31:37,380

this is why people experience this type

729

00:31:41,090 --> 00:31:38,779

of confusion

730

00:31:43,789 --> 00:31:41,100

it's so hard to talk about this because

731

00:31:46,970 --> 00:31:43,799

the the more intense the experience the

732

00:31:49,070 --> 00:31:46,980

harder it is to talk about and the less

733

00:31:51,230 --> 00:31:49,080

believable it seems because the rest of

734

00:31:53,810 --> 00:31:51,240

us it's hard to imagine what that person

735

00:31:55,730 --> 00:31:53,820

experienced and of course people do not

736

00:31:57,470 --> 00:31:55,740

like the stigma and the ridicule that

737

00:31:59,330 --> 00:31:57,480

comes along with talking about this

738

00:32:00,649 --> 00:31:59,340

subject being laughed at by their

739

00:32:02,450 --> 00:32:00,659

neighbors in their neighborhood or

740

00:32:04,130 --> 00:32:02,460

something like this so we have a lot of

741

00:32:06,350 --> 00:32:04,140

people out there have experienced this

742

00:32:09,710 --> 00:32:06,360

who are not talking about it just like

743

00:32:13,310 --> 00:32:09,720

the UFO topic yeah and uh you write

744

00:32:15,289 --> 00:32:13,320

about the time scale aspect to this

745

00:32:16,610 --> 00:32:15,299

which is something that isn't discussed

746

00:32:18,730 --> 00:32:16,620

enough

747

00:32:22,510 --> 00:32:18,740

um I have heard a couple of physicists

748

00:32:25,250 --> 00:32:22,520

uh bring this up when uh you know

749

00:32:28,909 --> 00:32:25,260

discussing the possibility of Life out

750

00:32:31,789 --> 00:32:28,919

there in the universe and the universe

751

00:32:34,190 --> 00:32:31,799

may be full of it all over the place but

752

00:32:39,430 --> 00:32:34,200

it's just not living in our time

753

00:32:45,190 --> 00:32:42,710

that was a sneeze hold on are you okay

754

00:32:48,230 --> 00:32:45,200

there yes real I

755

00:32:49,310 --> 00:32:48,240

did I hit the uh cough button fast

756

00:32:53,510 --> 00:32:49,320

enough

757

00:32:56,690 --> 00:32:53,520

you did man you did that was loud that

758

00:32:59,810 --> 00:32:56,700

was a real one that was a bomb

759

00:33:03,889 --> 00:32:59,820

um living in a different time scale yeah

760

00:33:08,029 --> 00:33:03,899

so we have difficulty if if if not an

761

00:33:09,769 --> 00:33:08,039

impossible situation of seeing these

762

00:33:12,169 --> 00:33:09,779

things and detecting them because they

763

00:33:14,690 --> 00:33:12,179

just don't live in our time reference so

764

00:33:17,409 --> 00:33:14,700

you're right we're seeing every other

765

00:33:19,389 --> 00:33:17,419

frame and we're getting lucky

766

00:33:21,169 --> 00:33:19,399

with that

767

00:33:23,389 --> 00:33:21,179

exactly

768

00:33:25,190 --> 00:33:23,399

I think it's very hard for a lot of

769

00:33:27,289 --> 00:33:25,200

people to think that way but this is

770

00:33:29,149 --> 00:33:27,299

part of our physics already this isn't

771

00:33:32,990 --> 00:33:29,159

even a new physics and we're not even

772

00:33:35,090 --> 00:33:33,000

talking about even that level Jimmy is

773

00:33:37,730 --> 00:33:35,100

not talking about parallel realities

774

00:33:41,269 --> 00:33:37,740

many worlds interpretation you know Hugh

775

00:33:42,710 --> 00:33:41,279

Everett at Princeton in 1957 developed

776

00:33:44,330 --> 00:33:42,720

this what became to be called the many

777

00:33:47,029 --> 00:33:44,340

worlds interpretation of quantum

778

00:33:50,149 --> 00:33:47,039

mechanics but even not even before we go

779

00:33:52,850 --> 00:33:50,159

there just in our sort of ordinary

780

00:33:54,649 --> 00:33:52,860

reality we can accept the idea that what

781

00:33:57,830 --> 00:33:54,659

seemed to be constants could be

782

00:34:00,830 --> 00:33:57,840

variables to other types of Life which

783

00:34:03,590 --> 00:34:00,840

would make them look blurry and you know

784

00:34:05,930 --> 00:34:03,600

Tom belonged to his credit had a tweet

785

00:34:08,869 --> 00:34:05,940

about that a year ago he said maybe

786

00:34:09,889 --> 00:34:08,879

Bigfoot looks blurry because Bigfoot is

787

00:34:12,109 --> 00:34:09,899

blurry

788

00:34:14,030 --> 00:34:12,119

I think that's actually correct you're

789

00:34:15,950 --> 00:34:14,040

dealing with different constructs of

790

00:34:18,050 --> 00:34:15,960

space and time in physics it's called

791

00:34:20,570 --> 00:34:18,060

permittivity which is the electrical

792

00:34:22,669 --> 00:34:20,580

constant of free space and permeability

793

00:34:24,409 --> 00:34:22,679

the magnetic constant well maybe they're

794

00:34:25,310 --> 00:34:24,419

not constant for all different types of

795

00:34:27,710 --> 00:34:25,320

life

796

00:34:30,290 --> 00:34:27,720

and we know that if those started to

797

00:34:32,750 --> 00:34:30,300

vary it would short out cameras and

798

00:34:35,450 --> 00:34:32,760

batteries cause different senses of time

799

00:34:37,129 --> 00:34:35,460

and make things look inherently blurry

800

00:34:38,990 --> 00:34:37,139

things that have variations and

801
00:34:41,270 --> 00:34:39,000
permittivity and permeability it's

802
00:34:43,690 --> 00:34:41,280
almost like a frequency to us would look

803
00:34:48,349 --> 00:34:43,700
alert yeah well

804
00:34:49,810 --> 00:34:48,359
we I mean it said so I I mean I study

805
00:34:53,710 --> 00:34:49,820
this subject

806
00:34:58,870 --> 00:34:53,720
not Bigfoot the the science behind this

807
00:35:02,270 --> 00:34:58,880
and and I do my best to uh understand

808
00:35:03,970 --> 00:35:02,280
the science behind it but here's here's

809
00:35:08,089 --> 00:35:03,980
the thing

810
00:35:11,990 --> 00:35:08,099
time here on Earth and the frequencies

811
00:35:14,450 --> 00:35:12,000
that we see things in light the

812
00:35:18,290 --> 00:35:14,460
frequencies of things that we hear

813
00:35:20,569 --> 00:35:18,300

are on earth that's our time this is you

814

00:35:22,970 --> 00:35:20,579

know 24 hours and the rotation of the

815

00:35:25,490 --> 00:35:22,980

earth and and the Magnetic and the and

816

00:35:28,430 --> 00:35:25,500

the gravity behind that and the rotation

817

00:35:30,950 --> 00:35:28,440

around the Sun an hour a year all that's

818

00:35:34,310 --> 00:35:30,960

that's what we understand and that's the

819

00:35:37,550 --> 00:35:34,320

frequency that we live in but time is

820

00:35:40,849 --> 00:35:37,560

bent backwards and forwards throughout

821

00:35:43,069 --> 00:35:40,859

not only our solar system but throughout

822

00:35:44,810 --> 00:35:43,079

the Galaxy and uh the Milky Way

823

00:35:46,750 --> 00:35:44,820

throughout the Universe time is

824

00:35:49,190 --> 00:35:46,760

different everywhere it's not the same

825

00:35:50,630 --> 00:35:49,200

right we have a very and this is

826

00:35:53,270 --> 00:35:50,640

actually what I wrote my dissertation

827

00:35:55,849 --> 00:35:53,280

about in in graduate school it's about

828

00:35:58,849 --> 00:35:55,859

how time had become mechanized

829

00:36:00,589 --> 00:35:58,859

and put into this linear idea until we

830

00:36:03,290 --> 00:36:00,599

started to believe that it literally was

831

00:36:05,569 --> 00:36:03,300

linear when we know it isn't right it

832

00:36:07,190 --> 00:36:05,579

could be variable and and this is what

833

00:36:08,690 --> 00:36:07,200

we know from the special theory of

834

00:36:11,510 --> 00:36:08,700

relativity from Einstein all the way

835

00:36:15,290 --> 00:36:11,520

back in 1905 is that time can speed up

836

00:36:18,589 --> 00:36:15,300

it can Slow Down based on your frame of

837

00:36:21,050 --> 00:36:18,599

reference Einstein himself proposed a

838

00:36:24,290 --> 00:36:21,060

variable speed of light in 1907 and

839

00:36:26,270 --> 00:36:24,300

again in 1911 but the idea didn't gain

840

00:36:27,650 --> 00:36:26,280

traction because people had already had

841

00:36:29,569 --> 00:36:27,660

in their mind from his previous work

842

00:36:31,670 --> 00:36:29,579

that it was fixed at this particular

843

00:36:34,130 --> 00:36:31,680

speed that we're all familiar with right

844

00:36:36,290 --> 00:36:34,140

well we suppose it could vary based on

845

00:36:38,390 --> 00:36:36,300

gravity and if that's what we're dealing

846

00:36:41,810 --> 00:36:38,400

with here there could be life forms

847

00:36:46,250 --> 00:36:41,820

based on these types of variations in

848

00:36:48,349 --> 00:36:46,260

you know gravity time and so forth and

849

00:36:50,510 --> 00:36:48,359

it would they wouldn't look like we

850

00:36:52,250 --> 00:36:50,520

would expect ordinary mammals to look

851
00:36:53,750 --> 00:36:52,260
like which is why when you go to the zoo

852
00:36:55,550 --> 00:36:53,760
you don't normally have your batteries

853
00:36:56,750 --> 00:36:55,560
and cameras failing but Witnesses have

854
00:37:02,030 --> 00:36:56,760
told me this is what happened to them

855
00:37:04,430 --> 00:37:02,040
around Bigfoot the um the the part with

856
00:37:07,010 --> 00:37:04,440
that with Einstein

857
00:37:07,910 --> 00:37:07,020
um when he said because

858
00:37:10,790 --> 00:37:07,920
yeah

859
00:37:14,990 --> 00:37:10,800
okay look I'm not a physicist but I play

860
00:37:19,490 --> 00:37:15,000
one on TV okay so let me say this

861
00:37:22,670 --> 00:37:19,500
you can't have math work

862
00:37:24,950 --> 00:37:22,680
in physics if everybody's got a

863
00:37:27,530 --> 00:37:24,960

different speed of light

864

00:37:28,670 --> 00:37:27,540

number that they're plugging into their

865

00:37:31,069 --> 00:37:28,680

algorithms

866

00:37:34,790 --> 00:37:31,079

so they had to have a standard right

867

00:37:37,790 --> 00:37:34,800

every so that so everybody's math would

868

00:37:39,890 --> 00:37:37,800

work it wouldn't work if everybody had

869

00:37:42,829 --> 00:37:39,900

well speed of light is I'm going to use

870

00:37:44,750 --> 00:37:42,839

this reference from this side of of the

871

00:37:46,609 --> 00:37:44,760

universe it's a little faster it's a

872

00:37:50,030 --> 00:37:46,619

little slower than the math goes off

873

00:37:52,069 --> 00:37:50,040

right but Einstein understood that they

874

00:37:54,470 --> 00:37:52,079

argued and argued and argued they came

875

00:37:56,510 --> 00:37:54,480

up with one number and that's the speed

876

00:37:58,490 --> 00:37:56,520

of light that's it it's fixed and that's

877

00:38:01,010 --> 00:37:58,500

the number that we use in all of the

878

00:38:02,930 --> 00:38:01,020

math and I get why they did that but

879

00:38:05,569 --> 00:38:02,940

they also know

880

00:38:08,030 --> 00:38:05,579

time is different everywhere that's it

881

00:38:10,130 --> 00:38:08,040

that's it and we're gonna see things

882

00:38:12,050 --> 00:38:10,140

differently that's there isn't another

883

00:38:15,050 --> 00:38:12,060

way to look at it

884

00:38:18,069 --> 00:38:15,060

right and that is a little too much for

885

00:38:20,930 --> 00:38:18,079

our tiny brains to handle we just do not

886

00:38:24,050 --> 00:38:20,940

we you know just go we want to do what

887

00:38:25,430 --> 00:38:24,060

like The Arrow presentation today in the

888

00:38:28,069 --> 00:38:25,440

front of the Senate armed services

889

00:38:29,690 --> 00:38:28,079

committee we want it all to fit in these

890

00:38:32,089 --> 00:38:29,700

little boxes to be able to check them

891

00:38:34,130 --> 00:38:32,099

off and let go of it and say it's

892

00:38:35,450 --> 00:38:34,140

someone else's problem the pro the thing

893

00:38:38,450 --> 00:38:35,460

is

894

00:38:40,970 --> 00:38:38,460

it's probably a lot more complex than we

895

00:38:42,530 --> 00:38:40,980

were taught and to me Jimmy all of these

896

00:38:46,250 --> 00:38:42,540

topics all of these topics we call

897

00:38:48,890 --> 00:38:46,260

paranormal this is evidence that it's

898

00:38:50,690 --> 00:38:48,900

working in a more complex way than we

899

00:38:52,670 --> 00:38:50,700

were taught in grade school or high

900

00:38:56,329 --> 00:38:52,680

school and that we haven't completely

901
00:38:58,670 --> 00:38:56,339
Applied Physics to the way reality works

902
00:39:01,490 --> 00:38:58,680
because I think if you do

903
00:39:03,770 --> 00:39:01,500
you end up with this idea that there can

904
00:39:07,550 --> 00:39:03,780
be other types of energy and information

905
00:39:09,290 --> 00:39:07,560
that is not on a linear track it doesn't

906
00:39:10,730 --> 00:39:09,300
have a metric in fact we have a name for

907
00:39:13,310 --> 00:39:10,740
things like that we call it fractal

908
00:39:15,470 --> 00:39:13,320
geometry the way nature designs trees

909
00:39:18,710 --> 00:39:15,480
and mountains and clouds not according

910
00:39:20,750 --> 00:39:18,720
to lines but self-similar patterns so we

911
00:39:23,210 --> 00:39:20,760
know that there can also be fractal

912
00:39:25,910 --> 00:39:23,220
types of time let me give you an example

913
00:39:28,490 --> 00:39:25,920

in our own bodies Our Hearts do not beat

914

00:39:31,430 --> 00:39:28,500

in this regular even way

915

00:39:33,589 --> 00:39:31,440

like we would imagine they do they have

916

00:39:35,390 --> 00:39:33,599

a lot of variation because the heart the

917

00:39:37,670 --> 00:39:35,400

whole cardiovascular system has to

918

00:39:39,849 --> 00:39:37,680

continually adapt to our environment so

919

00:39:42,290 --> 00:39:39,859

it looks like a fractal the the

920

00:39:44,450 --> 00:39:42,300

signature of the heartbeat the the

921

00:39:46,130 --> 00:39:44,460

minute looks like the hour looks like a

922

00:39:48,470 --> 00:39:46,140

few seconds it's all the same sort of

923

00:39:50,750 --> 00:39:48,480

variation but it never fits to a line

924

00:39:53,150 --> 00:39:50,760

and that is very hard for us to accept

925

00:39:55,069 --> 00:39:53,160

coming from our Western background our

926
00:39:57,650 --> 00:39:55,079
mechanistic way of looking at it that we

927
00:39:59,569 --> 00:39:57,660
got from Newton and the Cartesian

928
00:40:03,050 --> 00:39:59,579
perspective which wants to break it up

929
00:40:05,270 --> 00:40:03,060
into even little boxes so my idea is in

930
00:40:09,290 --> 00:40:05,280
between those even Little Boxes there's

931
00:40:11,690 --> 00:40:09,300
lots of types of life that learned lots

932
00:40:13,910 --> 00:40:11,700
of things to adapt to the way nature

933
00:40:16,130 --> 00:40:13,920
really works and we're the ones in this

934
00:40:18,050 --> 00:40:16,140
box we're in the arrow box we want it to

935
00:40:19,670 --> 00:40:18,060
make sense we wanted to check the boxes

936
00:40:22,190 --> 00:40:19,680
go home at the end of the day it doesn't

937
00:40:23,750 --> 00:40:22,200
it doesn't quite make sense the way we

938
00:40:25,490 --> 00:40:23,760

think it should I think it has its own

939

00:40:27,349 --> 00:40:25,500

logic but at the end of the day you have

940

00:40:29,569 --> 00:40:27,359

to go on the evidence the evidence is

941

00:40:31,250 --> 00:40:29,579

what the Witnesses are telling you for

942

00:40:33,829 --> 00:40:31,260

too long we've been discounting these

943

00:40:37,010 --> 00:40:33,839

people we've just been finding counter

944

00:40:38,810 --> 00:40:37,020

explanations ways to discredit them and

945

00:40:40,910 --> 00:40:38,820

diminish the importance of what they

946

00:40:44,329 --> 00:40:40,920

tell us they've seen because it doesn't

947

00:40:46,310 --> 00:40:44,339

fit into this linear line let me tell

948

00:40:48,710 --> 00:40:46,320

you someone that has taught has taught

949

00:40:50,810 --> 00:40:48,720

statistics I was taught in graduate

950

00:40:52,970 --> 00:40:50,820

school that you throw out the outliers

951
00:40:55,670 --> 00:40:52,980
that don't fit the line you throw out

952
00:40:57,069 --> 00:40:55,680
the UAP why they don't fit your linear

953
00:41:00,170 --> 00:40:57,079
regression line

954
00:41:01,910 --> 00:41:00,180
nowadays throwing out outliers would be

955
00:41:03,470 --> 00:41:01,920
seen like racism or something you're

956
00:41:05,329 --> 00:41:03,480
throwing out the things that don't fit

957
00:41:06,829 --> 00:41:05,339
your preconceived ideas the way reality

958
00:41:08,270 --> 00:41:06,839
should look right and I think that's

959
00:41:10,849 --> 00:41:08,280
totally skewed our scientific

960
00:41:12,890 --> 00:41:10,859
perspective the regressionally yeah yeah

961
00:41:15,829 --> 00:41:12,900
if it doesn't fit you know you got your

962
00:41:18,589 --> 00:41:15,839
blindness on right and if it's going to

963
00:41:20,030 --> 00:41:18,599

distort not only I hate saying belief

964

00:41:22,130 --> 00:41:20,040

system because that always sounds so

965

00:41:25,670 --> 00:41:22,140

religious to me but if it's going to

966

00:41:28,609 --> 00:41:25,680

alter uh your your theories your

967

00:41:30,589 --> 00:41:28,619

measurements your laboratory setting or

968

00:41:34,930 --> 00:41:30,599

your day-to-day life if it Alters that

969

00:41:39,950 --> 00:41:38,450

we got to back up for a second yes

970

00:41:42,770 --> 00:41:39,960

um

971

00:41:46,130 --> 00:41:42,780

if something is interdimensional and I'm

972

00:41:48,290 --> 00:41:46,140

speaking specifically about Bigfoot we

973

00:41:51,410 --> 00:41:48,300

call them Bigfoot because he leaves

974

00:41:54,349 --> 00:41:51,420

really big Footprints right right okay

975

00:41:55,250 --> 00:41:54,359

all right and I've seen them you've seen

976
00:41:59,589 --> 00:41:55,260
them

977
00:42:02,390 --> 00:41:59,599
when you go from interdimensional

978
00:42:05,270 --> 00:42:02,400
to dimensional and into the physical

979
00:42:09,950 --> 00:42:05,280
physical enough to leave the footprint

980
00:42:15,950 --> 00:42:12,829
what must be happening is that these

981
00:42:17,810 --> 00:42:15,960
creatures or humans whatever you believe

982
00:42:19,370 --> 00:42:17,820
these are there's a big debate whether

983
00:42:21,170 --> 00:42:19,380
they're more on the primate side or the

984
00:42:23,210 --> 00:42:21,180
Native Americans believe they were a

985
00:42:24,770 --> 00:42:23,220
type of human they some of the tribes in

986
00:42:28,010 --> 00:42:24,780
the Northwest even said they traded with

987
00:42:30,109 --> 00:42:28,020
them going back a couple hundred years

988
00:42:31,790 --> 00:42:30,119

but whatever you think they are they

989

00:42:34,130 --> 00:42:31,800

seem to have the ability to modulate

990

00:42:36,109 --> 00:42:34,140

their frequency just like a musical

991

00:42:38,450 --> 00:42:36,119

instrument and that frequency could go

992

00:42:41,030 --> 00:42:38,460

higher and higher until it actually

993

00:42:43,550 --> 00:42:41,040

doesn't interact with physical matter

994

00:42:44,569 --> 00:42:43,560

because matter at its heart and now

995

00:42:46,190 --> 00:42:44,579

we're going to shift to Quantum

996

00:42:49,310 --> 00:42:46,200

Mechanics what are we told matter is

997

00:42:51,470 --> 00:42:49,320

it's basically frequency every every

998

00:42:53,750 --> 00:42:51,480

physical thing is actually a vibration

999

00:42:55,130 --> 00:42:53,760

it has a certain frequency to it which

1000

00:42:58,010 --> 00:42:55,140

is derived from something called the

1001

00:42:59,390 --> 00:42:58,020

Planck's constant the smallest unit of

1002

00:43:02,630 --> 00:42:59,400

action that we can measure it's a really

1003

00:43:06,230 --> 00:43:02,640

small amount uh the time it takes light

1004

00:43:07,670 --> 00:43:06,240

to go across a a nucleus of an atom or

1005

00:43:10,430 --> 00:43:07,680

something it's a very small amount of

1006

00:43:13,430 --> 00:43:10,440

time I heard Brian the frequencies yeah

1007

00:43:16,430 --> 00:43:13,440

I heard Brian Greene describe wrong

1008

00:43:18,589 --> 00:43:16,440

scale once and it blew my mind he said

1009

00:43:21,589 --> 00:43:18,599

it is so small

1010

00:43:23,750 --> 00:43:21,599

that if you blew up

1011

00:43:27,050 --> 00:43:23,760

the plank scale

1012

00:43:31,370 --> 00:43:27,060

to the size of the universe

1013

00:43:33,710 --> 00:43:31,380

okay all right it would be the size of

1014

00:43:35,890 --> 00:43:33,720

an apple tree

1015

00:43:40,069 --> 00:43:35,900

and I was just like

1016

00:43:42,410 --> 00:43:40,079

you know digest that's how small

1017

00:43:45,410 --> 00:43:42,420

the plank scale is

1018

00:43:46,130 --> 00:43:45,420

that's that's that's like incredible to

1019

00:43:49,010 --> 00:43:46,140

me

1020

00:43:50,390 --> 00:43:49,020

yeah yeah it's it's it's it's really

1021

00:43:52,370 --> 00:43:50,400

that tiny

1022

00:43:54,050 --> 00:43:52,380

um and and I guess that reference would

1023

00:43:56,930 --> 00:43:54,060

also go back to string theory too as

1024

00:43:59,450 --> 00:43:56,940

well as far as vibration goes and and

1025

00:44:02,690 --> 00:43:59,460

math comes from something

1026

00:44:04,370 --> 00:44:02,700

right and and Jimmy people in physics

1027

00:44:06,710 --> 00:44:04,380

well-known physicists Nobel Prize

1028

00:44:09,530 --> 00:44:06,720

winners people like Paul Dirac who

1029

00:44:11,630 --> 00:44:09,540

proposed the idea of antimatter and what

1030

00:44:14,210 --> 00:44:11,640

in 1930 or so

1031

00:44:15,890 --> 00:44:14,220

before the particles that were

1032

00:44:17,990 --> 00:44:15,900

discovered a couple years later in

1033

00:44:20,510 --> 00:44:18,000

cosmic background radiation the positron

1034

00:44:22,970 --> 00:44:20,520

people laughed at Dirac

1035

00:44:24,890 --> 00:44:22,980

the idea of an anti-matter universe but

1036

00:44:27,109 --> 00:44:24,900

he said it had to come out of the

1037

00:44:29,030 --> 00:44:27,119

equations of quantum mechanics and yet a

1038

00:44:32,030 --> 00:44:29,040

couple years later they find positron

1039

00:44:34,609 --> 00:44:32,040

the antimatter particle to the electron

1040

00:44:37,609 --> 00:44:34,619

he proposed some of these ideas that

1041

00:44:40,130 --> 00:44:37,619

there could be alternate universes uh

1042

00:44:42,290 --> 00:44:40,140

particles that would be exact opposite

1043

00:44:45,050 --> 00:44:42,300

charge and yet at the time no one could

1044

00:44:47,630 --> 00:44:45,060

quite accept it so even within quantum

1045

00:44:51,349 --> 00:44:47,640

mechanics you have these interpretations

1046

00:44:53,630 --> 00:44:51,359

that allow for the existence of other

1047

00:44:55,309 --> 00:44:53,640

realities and people nowadays are

1048

00:44:57,589 --> 00:44:55,319

looking at this maybe some of the

1049

00:44:59,930 --> 00:44:57,599

particles in our universe spent some of

1050

00:45:01,250 --> 00:44:59,940

their time in other realities and then

1051
00:45:03,890 --> 00:45:01,260
come back so here's the thing about

1052
00:45:05,450 --> 00:45:03,900
frequency and Planck's constant the

1053
00:45:07,970 --> 00:45:05,460
reality that you and I are perceiving

1054
00:45:09,770 --> 00:45:07,980
around us right now I know it looks

1055
00:45:13,010 --> 00:45:09,780
continuous it looks like it's really

1056
00:45:15,410 --> 00:45:13,020
there but that could just be a beat of a

1057
00:45:18,890 --> 00:45:15,420
certain frequency to other life forms it

1058
00:45:21,170 --> 00:45:18,900
could seem really slow like a really low

1059
00:45:23,150 --> 00:45:21,180
base note compared to a treble note

1060
00:45:24,950 --> 00:45:23,160
right and they're moving just like a

1061
00:45:27,410 --> 00:45:24,960
good lead guitarist moves in between

1062
00:45:29,690 --> 00:45:27,420
those very regular bass notes

1063
00:45:31,490 --> 00:45:29,700

they're moving in between our reality

1064

00:45:33,410 --> 00:45:31,500

because they're at a faster frequency in

1065

00:45:35,450 --> 00:45:33,420

our frame of reference this all looks

1066

00:45:37,910 --> 00:45:35,460

continuous it's very convincing as a

1067

00:45:39,950 --> 00:45:37,920

solid structure but to them it might

1068

00:45:41,829 --> 00:45:39,960

look like just an etheric substance they

1069

00:45:44,390 --> 00:45:41,839

can easily move through in and around

1070

00:45:46,849 --> 00:45:44,400

and I think that's what Bigfoot and

1071

00:45:48,829 --> 00:45:46,859

other Cryptids are doing based on what

1072

00:45:51,109 --> 00:45:48,839

the Witnesses are tell us that they're

1073

00:45:52,849 --> 00:45:51,119

seeing and experiencing It just fits

1074

00:45:55,069 --> 00:45:52,859

what they're telling us the experience

1075

00:45:57,170 --> 00:45:55,079

if we stop discounting them and saying

1076
00:45:58,730 --> 00:45:57,180
these are just weird people you know

1077
00:46:00,829 --> 00:45:58,740
these are ice crystals or weather

1078
00:46:03,829 --> 00:46:00,839
balloons that equivalent type argument

1079
00:46:05,630 --> 00:46:03,839
it was a misidentifications of Venus or

1080
00:46:07,849 --> 00:46:05,640
ridiculous explanations like we've heard

1081
00:46:09,650 --> 00:46:07,859
the whole time the same people the same

1082
00:46:12,290 --> 00:46:09,660
explanations have been applied to these

1083
00:46:14,690 --> 00:46:12,300
Cryptids people the law enforcement Park

1084
00:46:17,390 --> 00:46:14,700
Rangers will always say you saw a bear

1085
00:46:20,089 --> 00:46:17,400
or if it's dog man they say well you saw

1086
00:46:21,950 --> 00:46:20,099
a pack of wolves or something or wild

1087
00:46:23,870 --> 00:46:21,960
dogs and you're you've been traumatized

1088
00:46:25,490 --> 00:46:23,880

so you're imagining I don't think that's

1089

00:46:27,890 --> 00:46:25,500

true just like you said earlier in the

1090

00:46:29,630 --> 00:46:27,900

show the reports are too consistent and

1091

00:46:32,210 --> 00:46:29,640

that I think is very

1092

00:46:34,130 --> 00:46:32,220

challenging for our ego mind to accept

1093

00:46:35,930 --> 00:46:34,140

that there's life right outside your

1094

00:46:37,970 --> 00:46:35,940

door that's probably a lot better at

1095

00:46:39,829 --> 00:46:37,980

some things than you are and they can

1096

00:46:42,170 --> 00:46:39,839

stay hidden if they want to that's

1097

00:46:43,970 --> 00:46:42,180

something that's a tall order for many

1098

00:46:45,470 --> 00:46:43,980

of us to accept even for myself it took

1099

00:46:47,390 --> 00:46:45,480

a long time to realize when you go out

1100

00:46:50,510 --> 00:46:47,400

there there can be things that see you

1101
00:46:52,790 --> 00:46:50,520
but you can't see them yeah and when

1102
00:46:55,970 --> 00:46:52,800
when these two realities these two

1103
00:46:58,730 --> 00:46:55,980
frequencies you know they cross and and

1104
00:47:01,670 --> 00:46:58,740
and for a moment in time they are

1105
00:47:03,410 --> 00:47:01,680
visible to each other yeah and we see

1106
00:47:05,809 --> 00:47:03,420
Bigfoot we jump

1107
00:47:08,210 --> 00:47:05,819
does Bigfoot do the same thing are they

1108
00:47:10,130 --> 00:47:08,220
just as startled and surprised to see us

1109
00:47:12,230 --> 00:47:10,140
in their reality

1110
00:47:15,050 --> 00:47:12,240
yeah there do seem to be times when

1111
00:47:17,569 --> 00:47:15,060
they're surprised by people

1112
00:47:19,550 --> 00:47:17,579
um that's when you can sometimes get a

1113
00:47:22,190 --> 00:47:19,560

kind of a hostile reaction if they don't

1114

00:47:23,990 --> 00:47:22,200

want you around and they didn't see you

1115

00:47:25,309 --> 00:47:24,000

uh showing up you know you've had these

1116

00:47:27,290 --> 00:47:25,319

people who said they were about to take

1117

00:47:30,050 --> 00:47:27,300

a picture of them and the lens fell off

1118

00:47:31,609 --> 00:47:30,060

made a clunking sound and even though

1119

00:47:34,970 --> 00:47:31,619

those creatures could have been a half

1120

00:47:36,950 --> 00:47:34,980

mile away they suddenly turned and start

1121

00:47:38,569 --> 00:47:36,960

coming in your direction and all of a

1122

00:47:40,790 --> 00:47:38,579

sudden they're running in your direction

1123

00:47:42,530 --> 00:47:40,800

and some of those people you know that

1124

00:47:44,030 --> 00:47:42,540

what they describe is losing

1125

00:47:47,270 --> 00:47:44,040

consciousness

1126

00:47:48,829 --> 00:47:47,280

uh just experiencing a level of fright

1127

00:47:50,630 --> 00:47:48,839

that they didn't couldn't imagine was

1128

00:47:52,569 --> 00:47:50,640

possible I think you can surprise them

1129

00:47:55,010 --> 00:47:52,579

but more often it's the other way around

1130

00:47:56,630 --> 00:47:55,020

they saw you there and you didn't see

1131

00:47:59,270 --> 00:47:56,640

them and uh

1132

00:48:01,309 --> 00:47:59,280

and some day often travel in groups and

1133

00:48:05,290 --> 00:48:01,319

and sometimes the ones that come close

1134

00:48:07,430 --> 00:48:05,300

to you are just possibly distracting you

1135

00:48:08,990 --> 00:48:07,440

I'm just generalizing here because

1136

00:48:10,550 --> 00:48:09,000

there's so many types of encounters

1137

00:48:13,069 --> 00:48:10,560

you're familiar with Ron Moorhead right

1138

00:48:15,530 --> 00:48:13,079

the Sierra sounds uh-huh yep so when I

1139

00:48:17,450 --> 00:48:15,540

interviewed Ron on my YouTube channel he

1140

00:48:20,089 --> 00:48:17,460

said even though they could hear them on

1141

00:48:21,530 --> 00:48:20,099

the other side of the wall arguing in

1142

00:48:23,150 --> 00:48:21,540

their they have a language it sounds

1143

00:48:25,849 --> 00:48:23,160

some people call it like reverse Samurai

1144

00:48:29,050 --> 00:48:25,859

it's like a very staccato percussive

1145

00:48:32,690 --> 00:48:29,060

sort of Asian sounding language

1146

00:48:35,270 --> 00:48:32,700

John Belushi on Saturday Night Live

1147

00:48:36,770 --> 00:48:35,280

you remember the samurai dude and he

1148

00:48:38,990 --> 00:48:36,780

would go into that that's that's what

1149

00:48:41,390 --> 00:48:39,000

that sounded like to me so

1150

00:48:42,829 --> 00:48:41,400

Ron Moore had said you they would peek

1151

00:48:44,390 --> 00:48:42,839

their head out of their structure you

1152

00:48:46,010 --> 00:48:44,400

never would see them it was like they

1153

00:48:48,050 --> 00:48:46,020

were invisible they could hear them on

1154

00:48:50,930 --> 00:48:48,060

the they had the mics and the walls

1155

00:48:52,910 --> 00:48:50,940

they it was there right there they

1156

00:48:54,290 --> 00:48:52,920

didn't cast Shadows on the hunting

1157

00:48:56,089 --> 00:48:54,300

structure even though the sun was behind

1158

00:48:58,370 --> 00:48:56,099

them they couldn't see them

1159

00:49:00,410 --> 00:48:58,380

just a huge amount of variation in the

1160

00:49:01,970 --> 00:49:00,420

experience it's almost like and Ron said

1161

00:49:04,849 --> 00:49:01,980

in nine visits up there to the High

1162

00:49:07,010 --> 00:49:04,859

Sierras he only saw one once at a

1163

00:49:08,750 --> 00:49:07,020

distance way in the distance just going

1164

00:49:10,910 --> 00:49:08,760

the other direction so it seems more

1165

00:49:13,730 --> 00:49:10,920

often to answer your question they're

1166

00:49:15,410 --> 00:49:13,740

well aware of you but if you know you're

1167

00:49:17,510 --> 00:49:15,420

probably not aware that they're there

1168

00:49:20,690 --> 00:49:17,520

unless they make sounds or want to be

1169

00:49:24,290 --> 00:49:20,700

known Moorhead I'm glad you interviewed

1170

00:49:29,150 --> 00:49:24,300

him he said one thing uh that that

1171

00:49:33,230 --> 00:49:29,160

really struck home to me he said he felt

1172

00:49:37,790 --> 00:49:33,240

like the the it was too Bigfoot arguing

1173

00:49:40,670 --> 00:49:37,800

yeah right that it was conversational it

1174

00:49:43,849 --> 00:49:40,680

was a language and they were arguing

1175

00:49:45,589 --> 00:49:43,859

um probably arguing over Moorhead as far

1176
00:49:47,870 --> 00:49:45,599
as I know they were having an argument

1177
00:49:50,150 --> 00:49:47,880
yeah like who gets to go into the

1178
00:49:51,890 --> 00:49:50,160
hunting Ron made a joke about it who

1179
00:49:54,829 --> 00:49:51,900
gets to go in and eat the humans first

1180
00:49:58,130 --> 00:49:54,839
and he's kidding because Ron only had

1181
00:50:00,290 --> 00:49:58,140
for the most part peaceful encounters

1182
00:50:01,609 --> 00:50:00,300
with them he's you you've heard what he

1183
00:50:03,170 --> 00:50:01,619
had to say sometimes it sounded like

1184
00:50:05,510 --> 00:50:03,180
they were taking the camp apart metal

1185
00:50:07,190 --> 00:50:05,520
hitting metal things being thrown around

1186
00:50:09,109 --> 00:50:07,200
like the they'd go out in the morning

1187
00:50:12,710 --> 00:50:09,119
everything was fine nothing had moved

1188
00:50:14,870 --> 00:50:12,720

like they can generate these sounds in

1189

00:50:16,609 --> 00:50:14,880

the most interesting ways metallic sort

1190

00:50:18,770 --> 00:50:16,619

of they can imitate any sound that we

1191

00:50:21,710 --> 00:50:18,780

can make they can sound like you're a

1192

00:50:23,390 --> 00:50:21,720

dog or a relative calling for you they

1193

00:50:25,190 --> 00:50:23,400

can make you kind of fool you they're

1194

00:50:29,329 --> 00:50:25,200

the Native Americans said that they were

1195

00:50:32,210 --> 00:50:29,339

ventriloquists uh but Ron also mentioned

1196

00:50:33,950 --> 00:50:32,220

strange looking luminous objects moving

1197

00:50:37,130 --> 00:50:33,960

through the forest one looked like a

1198

00:50:39,530 --> 00:50:37,140

lightsaber from Star Wars and that

1199

00:50:42,470 --> 00:50:39,540

tuning fork sound right above the honey

1200

00:50:44,210 --> 00:50:42,480

this is why these all go together these

1201
00:50:46,010 --> 00:50:44,220
phenomena even if some people would like

1202
00:50:48,650 --> 00:50:46,020
it to be separate to people that are on

1203
00:50:51,829 --> 00:50:48,660
the Relic primate category who want this

1204
00:50:53,990 --> 00:50:51,839
just to be gigantopithecus Blacky right

1205
00:50:55,849 --> 00:50:54,000
there's no evidence that that animal

1206
00:50:58,430 --> 00:50:55,859
ever came across the Bering Straits

1207
00:50:59,870 --> 00:50:58,440
there's no bones or any any evidence

1208
00:51:02,150 --> 00:50:59,880
that that creature is here but they

1209
00:51:05,150 --> 00:51:02,160
wanted to be that and and how do we

1210
00:51:07,250 --> 00:51:05,160
explain that part of it and not only you

1211
00:51:10,549 --> 00:51:07,260
know the lack of bodies or DNA or bones

1212
00:51:11,990 --> 00:51:10,559
I mean that's obvious uh uh an obvious

1213
00:51:14,210 --> 00:51:12,000

thing to point out but it's something

1214

00:51:17,750 --> 00:51:14,220

that needs to be discussed but I think

1215

00:51:21,290 --> 00:51:17,760

there's another Step Beyond that which

1216

00:51:23,329 --> 00:51:21,300

is they've got to be communal uh there's

1217

00:51:26,390 --> 00:51:23,339

got to be a husband and wife and

1218

00:51:27,650 --> 00:51:26,400

Offspring living together uh and so

1219

00:51:31,490 --> 00:51:27,660

where are

1220

00:51:32,710 --> 00:51:31,500

the communities why aren't we coming

1221

00:51:38,569 --> 00:51:32,720

upon

1222

00:51:41,329 --> 00:51:38,579

uh a cave with belongings in it or or a

1223

00:51:44,150 --> 00:51:41,339

nesting site with three or four nests

1224

00:51:46,370 --> 00:51:44,160

and and things and and some animal bones

1225

00:51:48,470 --> 00:51:46,380

left over you know what I mean a Bigfoot

1226
00:51:50,630 --> 00:51:48,480
Community we haven't we haven't found

1227
00:51:52,870 --> 00:51:50,640
that

1228
00:51:55,490 --> 00:51:52,880
yeah the American Indians talked about

1229
00:51:57,470 --> 00:51:55,500
groups of them and you know if they had

1230
00:51:59,990 --> 00:51:57,480
peaceful relations they described them

1231
00:52:03,650 --> 00:52:00,000
as just another tribe a very tall hairy

1232
00:52:06,130 --> 00:52:03,660
Giants and and we do have many years of

1233
00:52:08,930 --> 00:52:06,140
reports going back through the 1800s of

1234
00:52:10,790 --> 00:52:08,940
skeletons of giants being found

1235
00:52:12,049 --> 00:52:10,800
throughout the United States especially

1236
00:52:13,910 --> 00:52:12,059
in the Southwest

1237
00:52:15,950 --> 00:52:13,920
and that could be what we're talking

1238
00:52:17,750 --> 00:52:15,960

about there's another possibility based

1239

00:52:20,809 --> 00:52:17,760

on the witness accounts that I've read

1240

00:52:22,250 --> 00:52:20,819

is that the evidence is being destroyed

1241

00:52:24,470 --> 00:52:22,260

or buried

1242

00:52:26,030 --> 00:52:24,480

uh in national parks and so forth

1243

00:52:27,710 --> 00:52:26,040

because they just don't want it the

1244

00:52:30,049 --> 00:52:27,720

bureaucracy doesn't want to deal with it

1245

00:52:32,870 --> 00:52:30,059

they wanted to be someone else's problem

1246

00:52:35,030 --> 00:52:32,880

they they're just bearing the evidence

1247

00:52:37,250 --> 00:52:35,040

and uh

1248

00:52:38,930 --> 00:52:37,260

they don't want to deal with it or in

1249

00:52:41,210 --> 00:52:38,940

other cases people have described being

1250

00:52:43,250 --> 00:52:41,220

an archaeological digs coming across

1251
00:52:45,290 --> 00:52:43,260
these huge bones and just finding it so

1252
00:52:48,650 --> 00:52:45,300
frightening they just wanted to leave

1253
00:52:51,650 --> 00:52:48,660
so when I was when I was a kid I've told

1254
00:52:53,270 --> 00:52:51,660
the story so many times but uh you bring

1255
00:52:57,170 --> 00:52:53,280
up a great point so I'm going to share

1256
00:53:01,510 --> 00:52:57,180
this with you I was in fifth grade

1257
00:53:05,870 --> 00:53:01,520
okay so I'm nine nine years old Chicago

1258
00:53:07,549 --> 00:53:05,880
and we're going to the field museum in

1259
00:53:09,950 --> 00:53:07,559
Chicago one of the great greatest

1260
00:53:13,309 --> 00:53:09,960
museums in the world no doubt no doubt

1261
00:53:14,930 --> 00:53:13,319
about it and I have the brochure teacher

1262
00:53:17,089 --> 00:53:14,940
hands out the brochures to the class I

1263
00:53:21,770 --> 00:53:17,099

got the brochure to the field museum

1264

00:53:26,030 --> 00:53:21,780

and on the cover of the brochure was the

1265

00:53:26,809 --> 00:53:26,040

skeleton of I've it was like a 10-foot

1266

00:53:28,609 --> 00:53:26,819

human

1267

00:53:29,990 --> 00:53:28,619

or something you know but it was there

1268

00:53:32,990 --> 00:53:30,000

and it was on the camera man I can't

1269

00:53:36,170 --> 00:53:33,000

wait to see the giant skeleton this is

1270

00:53:38,630 --> 00:53:36,180

great so we get to the field museum you

1271

00:53:41,809 --> 00:53:38,640

know a month later I've lost sleep over

1272

00:53:44,450 --> 00:53:41,819

this I'm excited and and I'm like

1273

00:53:45,470 --> 00:53:44,460

where's the giant skeleton what are you

1274

00:53:47,750 --> 00:53:45,480

talking about

1275

00:53:48,950 --> 00:53:47,760

the the giant skeleton though it's on

1276

00:53:50,630 --> 00:53:48,960

the cover of the brochure there's no

1277

00:53:54,049 --> 00:53:50,640

giant skeleton here

1278

00:53:57,290 --> 00:53:54,059

and I was so confused now I have gone

1279

00:53:58,910 --> 00:53:57,300

back as an adult as a researcher I can't

1280

00:54:01,910 --> 00:53:58,920

find a word about that

1281

00:54:04,010 --> 00:54:01,920

I can't and I say myself you saw it

1282

00:54:06,109 --> 00:54:04,020

yourself right and we're told a lot of

1283

00:54:09,230 --> 00:54:06,119

these skeletons went to the Smithsonian

1284

00:54:11,630 --> 00:54:09,240

over the decades and yet they claim now

1285

00:54:13,670 --> 00:54:11,640

they don't have any of them so

1286

00:54:16,790 --> 00:54:13,680

I wouldn't be surprised if the evidence

1287

00:54:18,770 --> 00:54:16,800

is being suppressed it's very easy to do

1288

00:54:20,150 --> 00:54:18,780

suppress evidence it's easier than you

1289

00:54:22,010 --> 00:54:20,160

would think because the scientific

1290

00:54:24,109 --> 00:54:22,020

community at large doesn't want their

1291

00:54:26,329 --> 00:54:24,119

Paradigm challenged and they would have

1292

00:54:28,430 --> 00:54:26,339

an interest in doing this uh we're going

1293

00:54:32,650 --> 00:54:28,440

to hit a break in about five minutes

1294

00:54:37,549 --> 00:54:32,660

um and we'll carry over uh this question

1295

00:54:40,910 --> 00:54:37,559

how often do we hear about a UFO

1296

00:54:43,089 --> 00:54:40,920

sighting in a Bigfoot sighting happening

1297

00:54:45,950 --> 00:54:43,099

on the same night

1298

00:54:47,930 --> 00:54:45,960

there there those reports exist and

1299

00:54:49,250 --> 00:54:47,940

against Dan Gordon

1300

00:54:52,010 --> 00:54:49,260

who we're actually going to be talking

1301
00:54:54,290 --> 00:54:52,020
to tomorrow in my Bigfoot Cryptid Zoom

1302
00:54:56,630 --> 00:54:54,300
group we've invited him to talk he's

1303
00:54:59,750 --> 00:54:56,640
written about this and this again was

1304
00:55:01,849 --> 00:54:59,760
one of the biggest challenging types of

1305
00:55:04,130 --> 00:55:01,859
ideas that I encounter they even talk

1306
00:55:06,890 --> 00:55:04,140
about Bigfoot getting out of these craft

1307
00:55:08,510 --> 00:55:06,900
right what is going on there your mind

1308
00:55:10,250 --> 00:55:08,520
wants it to be some sort of escaped

1309
00:55:14,270 --> 00:55:10,260
gorilla you think of it as being less

1310
00:55:16,190 --> 00:55:14,280
evolved than we are but that's just our

1311
00:55:18,230 --> 00:55:16,200
own mental projection there's very

1312
00:55:19,910 --> 00:55:18,240
they're much more than that and they're

1313
00:55:21,950 --> 00:55:19,920

more evolved than we are in some ways

1314

00:55:24,589 --> 00:55:21,960

and perhaps they're on that same

1315

00:55:26,089 --> 00:55:24,599

frequency with extraterrestrials or

1316

00:55:27,890 --> 00:55:26,099

something like that who's ever in those

1317

00:55:30,109 --> 00:55:27,900

crafts but no they are reported together

1318

00:55:33,950 --> 00:55:30,119

and this is what Stan Gordon has talked

1319

00:55:37,910 --> 00:55:33,960

about many times do you um uh

1320

00:55:40,450 --> 00:55:37,920

are you open to the idea that maybe

1321

00:55:43,910 --> 00:55:40,460

uh Bigfoot is completely

1322

00:55:46,010 --> 00:55:43,920

extraterrestrial and arrived on this

1323

00:55:48,710 --> 00:55:46,020

planet from another planet and it's a

1324

00:55:52,609 --> 00:55:48,720

species that has been doing its thing

1325

00:55:54,049 --> 00:55:52,619

for millions of years and it's in a

1326

00:55:56,630 --> 00:55:54,059

different frequency they're

1327

00:55:59,450 --> 00:55:56,640

extraterrestrial and we're just not

1328

00:56:02,410 --> 00:55:59,460

meant to see them

1329

00:56:06,470 --> 00:56:02,420

well there's always the possibility that

1330

00:56:09,470 --> 00:56:06,480

life on Earth was brought here from

1331

00:56:12,230 --> 00:56:09,480

another place the so-called pan spermia

1332

00:56:14,630 --> 00:56:12,240

idea and if they were part of that I

1333

00:56:17,210 --> 00:56:14,640

could see it that way but the fact that

1334

00:56:19,010 --> 00:56:17,220

they're so physically similar to us

1335

00:56:22,849 --> 00:56:19,020

leads me to believe

1336

00:56:25,430 --> 00:56:22,859

that they're the indigenous hominoid

1337

00:56:27,950 --> 00:56:25,440

or hominid depending how you look at it

1338

00:56:29,750 --> 00:56:27,960

and that they evolved in a different

1339

00:56:32,690 --> 00:56:29,760

direction than we did we became very

1340

00:56:34,870 --> 00:56:32,700

technological and mechanistic and they

1341

00:56:38,270 --> 00:56:34,880

stayed on a path of working with

1342

00:56:40,730 --> 00:56:38,280

Nature's internal types of energy and

1343

00:56:42,410 --> 00:56:40,740

systems a different type of physics

1344

00:56:45,170 --> 00:56:42,420

something more along the line of Nikola

1345

00:56:47,390 --> 00:56:45,180

Tesla it's part of nature so they didn't

1346

00:56:49,549 --> 00:56:47,400

need physical technology we already see

1347

00:56:51,049 --> 00:56:49,559

it in lightning in plasmas and orbs and

1348

00:56:53,089 --> 00:56:51,059

ball lightning they learned how to

1349

00:56:55,970 --> 00:56:53,099

develop all of that resonant type of

1350

00:56:57,410 --> 00:56:55,980

Technology just my opinion and they went

1351
00:57:00,170 --> 00:56:57,420
off in a different direction which gave

1352
00:57:02,630 --> 00:57:00,180
them the invisibility Advantage we went

1353
00:57:06,890 --> 00:57:02,640
in the direction of cars and rocket

1354
00:57:08,690 --> 00:57:06,900
ships and homes and technology and we

1355
00:57:10,849 --> 00:57:08,700
consider ourselves to be the more

1356
00:57:12,410 --> 00:57:10,859
evolved species here but I don't think

1357
00:57:14,150 --> 00:57:12,420
that's necessarily the case that's just

1358
00:57:15,290 --> 00:57:14,160
our Collective ego thinking that we're

1359
00:57:17,150 --> 00:57:15,300
the best

1360
00:57:18,130 --> 00:57:17,160
thing on the planet that might not be

1361
00:57:23,750 --> 00:57:18,140
true

1362
00:57:28,490 --> 00:57:23,760
is that why orbs are nearly connected to

1363
00:57:30,109 --> 00:57:28,500

Bigfoot like in in nearly every sighting

1364

00:57:32,390 --> 00:57:30,119

right I mean I've talked to these

1365

00:57:35,030 --> 00:57:32,400

Witnesses here in Colorado and they said

1366

00:57:37,609 --> 00:57:35,040

they've seen Bigfoot emerge from orbs

1367

00:57:40,010 --> 00:57:37,619

just like they can sometimes emerge or

1368

00:57:41,630 --> 00:57:40,020

be seen around UFOs they come out of

1369

00:57:43,370 --> 00:57:41,640

they see the orbs first and they see the

1370

00:57:45,710 --> 00:57:43,380

Bigfoot almost emerge from the orb

1371

00:57:48,349 --> 00:57:45,720

people have reported the Bigfoot holding

1372

00:57:50,329 --> 00:57:48,359

orbs so this is why I think they're

1373

00:57:53,270 --> 00:57:50,339

connected this is a natural type of

1374

00:57:55,730 --> 00:57:53,280

Tesla technology through sound and

1375

00:57:58,010 --> 00:57:55,740

resonance they're able to produce some

1376
00:57:59,870 --> 00:57:58,020
sort of frequency and sound which can

1377
00:58:01,790 --> 00:57:59,880
literally generate

1378
00:58:04,490 --> 00:58:01,800
coherent matter

1379
00:58:06,170 --> 00:58:04,500
and this is the basis for orbs and ball

1380
00:58:08,089 --> 00:58:06,180
lightning and all sorts of paranormal

1381
00:58:09,710 --> 00:58:08,099
phenomena and this is why they're so

1382
00:58:12,230 --> 00:58:09,720
heavily connected to what we call

1383
00:58:14,630 --> 00:58:12,240
paranormal and when we come back I want

1384
00:58:17,390 --> 00:58:14,640
to talk about ball lightning our guests

1385
00:58:19,549 --> 00:58:17,400
tonight Dr Simeon Hein Simeon stay right

1386
00:58:21,589 --> 00:58:19,559
there we'll be right back after this

1387
00:58:23,510 --> 00:58:21,599
short break

1388
00:58:25,849 --> 00:58:23,520

this is Jimmy Church of Fade to Black

1389

00:58:28,069 --> 00:58:25,859

please visit all of our sponsors we're

1390

00:58:29,809 --> 00:58:28,079

taking a quick break here all of the

1391

00:58:32,329 --> 00:58:29,819

links are below

1392

00:58:34,609 --> 00:58:32,339

and we'll be right back

1393

00:58:38,089 --> 00:58:34,619

this is Jimmy church and I want to

1394

00:58:40,309 --> 00:58:38,099

introduce you to lifewaves x39 Stem Cell

1395

00:58:43,490 --> 00:58:40,319

Activation patch which has totally

1396

00:58:46,390 --> 00:58:43,500

transformed my health my sleep brain and

1397

00:58:48,890 --> 00:58:46,400

my eyes I no longer need reading glasses

1398

00:58:52,549 --> 00:58:48,900

x39 is a true breakthrough in

1399

00:58:54,890 --> 00:58:52,559

regenerative science using light x-39's

1400

00:58:57,049 --> 00:58:54,900

patented age reversal Technologies

1401

00:58:58,789 --> 00:58:57,059

clinically proven to Signal the

1402

00:59:01,069 --> 00:58:58,799

activation of younger stem cells

1403

00:59:04,309 --> 00:59:01,079

accelerating the body's natural healing

1404

00:59:06,589 --> 00:59:04,319

process x-39 promotes restoration and

1405

00:59:09,049 --> 00:59:06,599

Rejuvenation bringing the life-changing

1406

00:59:11,329 --> 00:59:09,059

benefits that I've experienced by

1407

00:59:14,510 --> 00:59:11,339

naturally elevating a master signaling

1408

00:59:17,270 --> 00:59:14,520

peptide in the body x39 boost Vitality

1409

00:59:20,150 --> 00:59:17,280

health and wellness and resets 4 000

1410

00:59:22,789 --> 00:59:20,160

genes to a younger healthier State it's

1411

00:59:26,530 --> 00:59:22,799

one patch once a day and you can turn

1412

00:59:29,930 --> 00:59:26,540

back time with x-39 just go to

1413

00:59:30,670 --> 00:59:29,940

healingworksnow.com that's works with an

1414

00:59:34,010 --> 00:59:30,680

X

1415

00:59:36,230 --> 00:59:34,020

healingworks now Dot calm hey everybody

1416

00:59:38,450 --> 00:59:36,240

it's Billy Carson also known as

1417

00:59:40,250 --> 00:59:38,460

Forbidden Knowledge I want to talk to

1418

00:59:43,910 --> 00:59:40,260

you about a very special event coming up

1419

00:59:45,950 --> 00:59:43,920

July 30th 2023 The Forbidden conscious

1420

00:59:47,510 --> 00:59:45,960

Awards we're going to honor people who

1421

00:59:49,849 --> 00:59:47,520

have been contributing to the conscious

1422

00:59:51,289 --> 00:59:49,859

Community for decades people that you

1423

00:59:52,730 --> 00:59:51,299

know and love that have helped you get

1424

00:59:54,710 --> 00:59:52,740

to higher levels of thought and

1425

00:59:57,049 --> 00:59:54,720

Consciousness and awareness it's going

1426
00:59:58,370 --> 00:59:57,059
to be alive in-person event but seats

1427
01:00:00,109 --> 00:59:58,380
are going to sell out very fast you want

1428
01:00:01,789 --> 01:00:00,119
to make sure you're there in person and

1429
01:00:03,549 --> 01:00:01,799
guess what you can help vote for the

1430
01:00:05,569 --> 01:00:03,559
winners voting is available on

1431
01:00:07,250 --> 01:00:05,579
forbiddenknowledge.com and the

1432
01:00:10,370 --> 01:00:07,260
categories are going to be social media

1433
01:00:12,250 --> 01:00:10,380
influencer podcast slash radio host TV

1434
01:00:13,970 --> 01:00:12,260
host actor director producer

1435
01:00:15,410 --> 01:00:13,980
entrepreneurs health and wellness

1436
01:00:17,870 --> 01:00:15,420
philanthropists authors field

1437
01:00:19,670 --> 01:00:17,880
researchers archaeologists space anomaly

1438
01:00:22,490 --> 01:00:19,680

hunters and of course a Lifetime

1439

01:00:24,410 --> 01:00:22,500

Achievement Award I'll be your key note

1440

01:00:26,329 --> 01:00:24,420

speaker that night at The Forbidden

1441

01:00:28,670 --> 01:00:26,339

conscious Awards we have celebrity

1442

01:00:30,230 --> 01:00:28,680

guests performing we'll have a halftime

1443

01:00:31,849 --> 01:00:30,240

show where we're actually going to

1444

01:00:34,490 --> 01:00:31,859

perform music for you and don't forget

1445

01:00:36,470 --> 01:00:34,500

about the pre-event mixer where if you

1446

01:00:38,390 --> 01:00:36,480

buy a box seat you'll be in the VIP

1447

01:00:41,030 --> 01:00:38,400

section and you also have private access

1448

01:00:44,150 --> 01:00:41,040

to a big-ip mixer with celebrity guests

1449

01:00:45,950 --> 01:00:44,160

shake hands break bread Network and then

1450

01:00:47,809 --> 01:00:45,960

walk the red carpet with us and take

1451

01:00:49,069 --> 01:00:47,819

amazing photos it's going to be a night

1452

01:00:51,289 --> 01:00:49,079

to remember you don't want to forget

1453

01:00:52,910 --> 01:00:51,299

this make sure you hurry up and get your

1454

01:00:55,430 --> 01:00:52,920

tickets because you're selling out very

1455

01:00:57,190 --> 01:00:55,440

fast I want to see you there forbidden

1456

01:01:00,770 --> 01:00:57,200

conscious Awards 2023

1457

01:01:04,190 --> 01:01:00,780

[Music]

1458

01:01:07,010 --> 01:01:04,200

River Moon coffee makers of the Fade to

1459

01:01:08,829 --> 01:01:07,020

Black blend truly the best coffee on

1460

01:01:11,089 --> 01:01:08,839

planet Earth just visit

1461

01:01:12,950 --> 01:01:11,099

rivermoonwellness.com or their Amazon

1462

01:01:14,390 --> 01:01:12,960

store it's all simple to do you can

1463

01:01:16,430 --> 01:01:14,400

check out the Fade to Black blend the

1464

01:01:19,130 --> 01:01:16,440

game changer Blend or any of their black

1465

01:01:22,849 --> 01:01:19,140

moon wellness products it's the only

1466

01:01:27,829 --> 01:01:22,859

coffee I drink it is the best and it's

1467

01:01:32,329 --> 01:01:29,690

all right welcome back you've got to

1468

01:01:35,930 --> 01:01:32,339

check out x39 it's a patch I just wear

1469

01:01:39,650 --> 01:01:35,940

on the base of my neck right here uh

1470

01:01:42,530 --> 01:01:39,660

stem cell uh Rejuvenation you look at my

1471

01:01:45,230 --> 01:01:42,540

face I've got my eyesight back I don't

1472

01:01:47,089 --> 01:01:45,240

wear reading glasses anymore it's

1473

01:01:50,150 --> 01:01:47,099

absolutely incredible what that has done

1474

01:01:53,510 --> 01:01:50,160

for me so check out x39 I popped it up

1475

01:01:55,069 --> 01:01:53,520

in uh the chat the links are below and

1476

01:01:58,970 --> 01:01:55,079

of course over on our website too as

1477

01:02:01,849 --> 01:01:58,980

well x39 our guest tonight uh Dr Simeon

1478

01:02:04,010 --> 01:02:01,859

Hein we're talking Bigfoot tonight and

1479

01:02:07,250 --> 01:02:04,020

uh Simeon right before the break

1480

01:02:10,670 --> 01:02:07,260

um you mentioned ball lightning one of

1481

01:02:12,829 --> 01:02:10,680

the most elusive things now we've seen

1482

01:02:15,470 --> 01:02:12,839

it in Wood Cuts we've seen it in

1483

01:02:18,410 --> 01:02:15,480

illustrations this isn't a new

1484

01:02:20,630 --> 01:02:18,420

phenomenon it's been witnessed but

1485

01:02:22,849 --> 01:02:20,640

scientifically

1486

01:02:25,730 --> 01:02:22,859

that's almost paranormal that's like

1487

01:02:28,250 --> 01:02:25,740

fringe science when you get into this

1488

01:02:30,650 --> 01:02:28,260

um help help me understand what is ball

1489

01:02:36,410 --> 01:02:30,660

lightning

1490

01:02:38,150 --> 01:02:36,420

Beyond ordinary states of matter we're

1491

01:02:40,670 --> 01:02:38,160

all familiar with the ordinary states of

1492

01:02:43,130 --> 01:02:40,680

matter solid liquid gases right and

1493

01:02:46,370 --> 01:02:43,140

we're familiar with plasmas which are

1494

01:02:48,289 --> 01:02:46,380

electrically charged gases which are the

1495

01:02:49,730 --> 01:02:48,299

most common form of matter in the

1496

01:02:54,170 --> 01:02:49,740

universe plasmas you know lightning

1497

01:02:55,490 --> 01:02:54,180

Aurora Borealis right fluorescent bulbs

1498

01:02:57,470 --> 01:02:55,500

uh

1499

01:02:59,030 --> 01:02:57,480

little Sparks that you see here and

1500

01:03:01,549 --> 01:02:59,040

there but there's another state of

1501
01:03:04,490 --> 01:03:01,559
matter Beyond plasmas and that is

1502
01:03:08,690 --> 01:03:04,500
self-organized plasmas coherent matter

1503
01:03:10,910 --> 01:03:08,700
and what ball lightning appears to be is

1504
01:03:14,170 --> 01:03:10,920
a type of matter where all the particles

1505
01:03:17,750 --> 01:03:14,180
have given up their individual identity

1506
01:03:19,250 --> 01:03:17,760
and are at the same frequency and the

1507
01:03:23,690 --> 01:03:19,260
same temperature

1508
01:03:26,690 --> 01:03:23,700
so they're able to maintain a type of

1509
01:03:29,450 --> 01:03:26,700
macroscopic

1510
01:03:33,530 --> 01:03:29,460
Quantum coherent Behavior

1511
01:03:35,510 --> 01:03:33,540
and when they do that they're able to

1512
01:03:37,910 --> 01:03:35,520
access types of

1513
01:03:40,250 --> 01:03:37,920

physical properties that ordinary matter

1514

01:03:41,950 --> 01:03:40,260

can't access they're extremely

1515

01:03:45,710 --> 01:03:41,960

compressed

1516

01:03:47,930 --> 01:03:45,720

they can transmute elements

1517

01:03:49,670 --> 01:03:47,940

ball lightning for the most part is at

1518

01:03:53,930 --> 01:03:49,680

room temperature

1519

01:03:55,970 --> 01:03:53,940

it can melt metals or at least turn

1520

01:03:57,589 --> 01:03:55,980

Metals into a type of putty when it

1521

01:03:58,910 --> 01:03:57,599

seemed to go through like a window frame

1522

01:04:00,049 --> 01:03:58,920

an aluminum window frame or something

1523

01:04:02,569 --> 01:04:00,059

like this

1524

01:04:04,190 --> 01:04:02,579

and so ball lightning Jimmy can be some

1525

01:04:06,589 --> 01:04:04,200

is something that we as you mentioned

1526

01:04:09,770 --> 01:04:06,599

it's been in Wood Cuts it's been seen

1527

01:04:12,049 --> 01:04:09,780

for as long as we've been around here it

1528

01:04:15,049 --> 01:04:12,059

is the product of thunderstorms but it

1529

01:04:17,390 --> 01:04:15,059

can exist on its own Beyond

1530

01:04:19,670 --> 01:04:17,400

thunderstorms anytime you time you get a

1531

01:04:22,730 --> 01:04:19,680

type of compressed matter whether it's

1532

01:04:24,829 --> 01:04:22,740

through Sonic compression or physical

1533

01:04:26,930 --> 01:04:24,839

compression like you get in plate

1534

01:04:29,030 --> 01:04:26,940

tectonics of earthquakes where you get

1535

01:04:32,690 --> 01:04:29,040

so-called Earth lights

1536

01:04:37,190 --> 01:04:32,700

or in Laboratories when you find ways of

1537

01:04:40,069 --> 01:04:37,200

compressing matter and uh getting it to

1538

01:04:43,010 --> 01:04:40,079

resonate you can create this Quantum

1539

01:04:45,710 --> 01:04:43,020

coherent matter which it has its own

1540

01:04:47,510 --> 01:04:45,720

types of physics and people uh Ken

1541

01:04:50,390 --> 01:04:47,520

shoulders who is a colleague of Hal put

1542

01:04:53,390 --> 01:04:50,400

off spent a lot of time studying

1543

01:04:54,910 --> 01:04:53,400

microball lightning after he was

1544

01:04:57,470 --> 01:04:54,920

developing

1545

01:05:00,289 --> 01:04:57,480

electronics for the NSA at Stanford

1546

01:05:02,270 --> 01:05:00,299

Research Institute in the 1960s in

1547

01:05:04,370 --> 01:05:02,280

classified research that became the

1548

01:05:07,270 --> 01:05:04,380

basis of the electronics that we all use

1549

01:05:10,309 --> 01:05:07,280

nowadays micro masking techniques for

1550

01:05:12,650 --> 01:05:10,319

microelectronics when he looked at his

1551

01:05:15,410 --> 01:05:12,660

you know Electronics experiments under

1552

01:05:18,470 --> 01:05:15,420

electron microscopes he saw micro ball

1553

01:05:20,930 --> 01:05:18,480

lightning so what we now believe is that

1554

01:05:23,150 --> 01:05:20,940

this type of phenomena exists at a micro

1555

01:05:25,609 --> 01:05:23,160

scale or at the largest Scale of the

1556

01:05:28,130 --> 01:05:25,619

Universe it even exists in things

1557

01:05:31,010 --> 01:05:28,140

possibly like tornadoes which gives them

1558

01:05:33,170 --> 01:05:31,020

this very strong type of force that we

1559

01:05:35,390 --> 01:05:33,180

don't normally see in in thermodynamics

1560

01:05:36,770 --> 01:05:35,400

and vacuums and so forth so it's a very

1561

01:05:38,630 --> 01:05:36,780

interesting state of matter when we see

1562

01:05:40,670 --> 01:05:38,640

it it can be ionizing the air which is

1563

01:05:43,870 --> 01:05:40,680

why it glows but here's the thing about

1564

01:05:46,069 --> 01:05:43,880

ball lightning Jimmy all the researchers

1565

01:05:48,230 --> 01:05:46,079

who've studied this and there's been a

1566

01:05:50,089 --> 01:05:48,240

ton of Russian Research into this topic

1567

01:05:52,010 --> 01:05:50,099

much more than in the US since Nikola

1568

01:05:54,589 --> 01:05:52,020

Tesla started looking into this and

1569

01:05:56,990 --> 01:05:54,599

others even before him who unfortunately

1570

01:05:58,849 --> 01:05:57,000

World War one came along a lot of those

1571

01:06:01,130 --> 01:05:58,859

ball lightning researchers were killed

1572

01:06:03,289 --> 01:06:01,140

on the front lines in World War one so

1573

01:06:05,809 --> 01:06:03,299

we think of Tesla being associated with

1574

01:06:09,710 --> 01:06:05,819

it mostly but a lot of these researchers

1575

01:06:10,789 --> 01:06:09,720

say that it has a black mode a stealth

1576

01:06:13,670 --> 01:06:10,799

mode

1577

01:06:16,609 --> 01:06:13,680

even John Ramirez the former CIA

1578

01:06:19,190 --> 01:06:16,619

missiles signal analyst who's gone been

1579

01:06:22,370 --> 01:06:19,200

on many podcasts and shows

1580

01:06:24,410 --> 01:06:22,380

said that they saw these objects in the

1581

01:06:27,470 --> 01:06:24,420

atmosphere that they described as

1582

01:06:30,170 --> 01:06:27,480

stealth plasma which would be a type of

1583

01:06:31,910 --> 01:06:30,180

orb or very similar to ball lightning so

1584

01:06:34,609 --> 01:06:31,920

it takes a lot of different forms but it

1585

01:06:36,349 --> 01:06:34,619

has a visible form and an invisible form

1586

01:06:39,190 --> 01:06:36,359

and the main thing that we need to

1587

01:06:41,270 --> 01:06:39,200

understand about orbs and ball lightning

1588

01:06:43,190 --> 01:06:41,280

researchers like Ken shoulders have

1589

01:06:45,410 --> 01:06:43,200

talked about this they exist in their

1590

01:06:47,270 --> 01:06:45,420

own reality just like the topics we were

1591

01:06:49,069 --> 01:06:47,280

talking about before the break they're

1592

01:06:51,049 --> 01:06:49,079

in a different type of space time they

1593

01:06:53,329 --> 01:06:51,059

literally change space time

1594

01:06:55,309 --> 01:06:53,339

and this is why reports of ball

1595

01:06:57,549 --> 01:06:55,319

lightning if you look a hundred years

1596

01:07:01,250 --> 01:06:57,559

ago 200 years ago

1597

01:07:03,109 --> 01:07:01,260

Francois arago in France or Walter

1598

01:07:05,089 --> 01:07:03,119

Brandon Germany 1920s who've written

1599

01:07:08,750 --> 01:07:05,099

about ball lightning they said it could

1600

01:07:10,609 --> 01:07:08,760

transport animals and people

1601
01:07:13,370 --> 01:07:10,619
we're not talking about ordinary physics

1602
01:07:17,569 --> 01:07:13,380
here we're talking about something that

1603
01:07:20,390 --> 01:07:17,579
can modify space time and gravity which

1604
01:07:23,210 --> 01:07:20,400
is why it's been such a subject of

1605
01:07:25,190 --> 01:07:23,220
classified government research I should

1606
01:07:28,010 --> 01:07:25,200
just say the Air Force the latest Air

1607
01:07:29,750 --> 01:07:28,020
Force study of ball lightning done by

1608
01:07:31,750 --> 01:07:29,760
none other than the Eric Davis Eric

1609
01:07:34,789 --> 01:07:31,760
Davis we know from the Wilson Davis

1610
01:07:37,069 --> 01:07:34,799
memos yeah he authored this ball

1611
01:07:38,750 --> 01:07:37,079
lightning report for the Air Force and

1612
01:07:41,690 --> 01:07:38,760
if you read through it

1613
01:07:43,670 --> 01:07:41,700

more than half of it is redacted

1614

01:07:45,529 --> 01:07:43,680

it's just white it out Stanton Friedman

1615

01:07:47,450 --> 01:07:45,539

used to joke about they don't black

1616

01:07:50,089 --> 01:07:47,460

things out anymore they they white it

1617

01:07:52,270 --> 01:07:50,099

out it's all white it out why would you

1618

01:07:55,609 --> 01:07:52,280

have redacted

1619

01:07:57,289 --> 01:07:55,619

pages about ball lightning if it's just

1620

01:07:59,690 --> 01:07:57,299

a natural phenomenon if it doesn't have

1621

01:08:02,750 --> 01:07:59,700

some technological application

1622

01:08:03,710 --> 01:08:02,760

are you suggesting

1623

01:08:06,529 --> 01:08:03,720

um

1624

01:08:08,630 --> 01:08:06,539

a new state of matter almost like dark

1625

01:08:11,150 --> 01:08:08,640

matter I mean dark matter is called dark

1626

01:08:14,630 --> 01:08:11,160

matter because it doesn't emit light

1627

01:08:17,390 --> 01:08:14,640

right so that's right

1628

01:08:19,490 --> 01:08:17,400

very important point to me and that's

1629

01:08:20,809 --> 01:08:19,500

why I'm just a little moment of

1630

01:08:23,470 --> 01:08:20,819

self-promotion that's why my latest book

1631

01:08:26,930 --> 01:08:23,480

is called Dark Matter monsters because

1632

01:08:30,530 --> 01:08:26,940

the the ball lightning researchers

1633

01:08:32,749 --> 01:08:30,540

realized that the condensed type of

1634

01:08:35,570 --> 01:08:32,759

coherent matter you have in ball

1635

01:08:37,849 --> 01:08:35,580

lightning and orbs and even microscopic

1636

01:08:40,669 --> 01:08:37,859

ball lightning that people like takayaki

1637

01:08:42,410 --> 01:08:40,679

Japanese researcher wrote about they all

1638

01:08:46,610 --> 01:08:42,420

came to the same conclusion

1639

01:08:48,709 --> 01:08:46,620

is that you create a type of magnetism

1640

01:08:50,950 --> 01:08:48,719

that Paul durac again we mentioned

1641

01:08:53,689 --> 01:08:50,960

earlier called magnetic monopoles

1642

01:08:55,249 --> 01:08:53,699

magnetism without a North and the South

1643

01:08:57,110 --> 01:08:55,259

just pure magnetism kind of like

1644

01:08:59,689 --> 01:08:57,120

electricity you can like turn up the

1645

01:09:01,490 --> 01:08:59,699

knob on electricity we've never figured

1646

01:09:03,110 --> 01:09:01,500

out a way to do that with magnetism

1647

01:09:05,450 --> 01:09:03,120

because it has to have a north and a

1648

01:09:09,370 --> 01:09:05,460

South Pole but magnetic monopoles are

1649

01:09:12,650 --> 01:09:09,380

just magnetism with no north or south

1650

01:09:14,030 --> 01:09:12,660

coherent matter generates magnetic

1651
01:09:16,789 --> 01:09:14,040
monopoles

1652
01:09:19,189 --> 01:09:16,799
and the and which is what Paul Direct

1653
01:09:22,249 --> 01:09:19,199
speculated had to exist based on quantum

1654
01:09:23,930 --> 01:09:22,259
mechanics way back in the 1920s and now

1655
01:09:25,970 --> 01:09:23,940
we've seen evidence for it Science

1656
01:09:27,769 --> 01:09:25,980
magazine which I read all the time has

1657
01:09:31,070 --> 01:09:27,779
reported evidence for magnetic modules

1658
01:09:34,070 --> 01:09:31,080
magnetic monopoles interact with dark

1659
01:09:35,930 --> 01:09:34,080
matter and anything that interacts with

1660
01:09:37,789 --> 01:09:35,940
dark matter is going to have a whole

1661
01:09:40,010 --> 01:09:37,799
different set of properties than we're

1662
01:09:43,630 --> 01:09:40,020
used to an ordinary matter it's going to

1663
01:09:46,309 --> 01:09:43,640

have these abilities for transmutation

1664

01:09:47,749 --> 01:09:46,319

invisibility this is why we suspect so

1665

01:09:50,870 --> 01:09:47,759

much of the Air Force report on ball

1666

01:09:52,789 --> 01:09:50,880

lightning was redacted it gets into

1667

01:09:54,790 --> 01:09:52,799

these areas that have all sorts of

1668

01:09:57,950 --> 01:09:54,800

military applications

1669

01:10:01,130 --> 01:09:57,960

but dark matter since you brought it up

1670

01:10:04,370 --> 01:10:01,140

it's a material that scientists say have

1671

01:10:07,010 --> 01:10:04,380

to exist based on the behavior of

1672

01:10:09,110 --> 01:10:07,020

galaxies and the way light moves and the

1673

01:10:11,689 --> 01:10:09,120

cosmic background radiation through the

1674

01:10:14,930 --> 01:10:11,699

universe to get to us it outnumbered

1675

01:10:18,410 --> 01:10:14,940

ordinary matter by like nine particles

1676

01:10:20,570 --> 01:10:18,420

to one yeah and it's not just out there

1677

01:10:22,790 --> 01:10:20,580

it's right here with us so if you can

1678

01:10:24,470 --> 01:10:22,800

create structures that organize dark

1679

01:10:26,630 --> 01:10:24,480

matter because it doesn't interact with

1680

01:10:27,950 --> 01:10:26,640

us it's hard to detect let's tell let

1681

01:10:29,390 --> 01:10:27,960

everyone know it's not easy to detect

1682

01:10:31,189 --> 01:10:29,400

Dark Matter it doesn't interact with us

1683

01:10:32,870 --> 01:10:31,199

electromagnetically but it has a

1684

01:10:35,410 --> 01:10:32,880

gravitational force but if you can

1685

01:10:38,810 --> 01:10:35,420

organize it into vortices and spirals

1686

01:10:40,970 --> 01:10:38,820

with coherent matter magnetic monopoles

1687

01:10:42,350 --> 01:10:40,980

and so forth and I know this is a lot to

1688

01:10:44,630 --> 01:10:42,360

swallow but this is what the research

1689

01:10:47,390 --> 01:10:44,640

shows for decades of Russian research

1690

01:10:49,850 --> 01:10:47,400

and other researchers you have very

1691

01:10:52,490 --> 01:10:49,860

potent types of matter that can

1692

01:10:56,209 --> 01:10:52,500

reorganize space-time and gravity now

1693

01:11:00,950 --> 01:10:56,219

there have been lots of reports of not

1694

01:11:05,050 --> 01:11:00,960

only Bigfoot stepping out of uh in orb

1695

01:11:08,090 --> 01:11:05,060

um and you're right about that that

1696

01:11:10,910 --> 01:11:08,100

apparently they were Transportation

1697

01:11:14,990 --> 01:11:10,920

methods all right we've also heard

1698

01:11:18,050 --> 01:11:15,000

reports of of balls of energy rolling up

1699

01:11:20,870 --> 01:11:18,060

a street and Witnesses going out and

1700

01:11:24,590 --> 01:11:20,880

looking at it there's a being on the

1701

01:11:27,649 --> 01:11:24,600

inside of it like cruising you know E.T

1702

01:11:29,930 --> 01:11:27,659

whatever it may be uh rolling up the

1703

01:11:32,030 --> 01:11:29,940

street but it's a ball of energy is that

1704

01:11:33,709 --> 01:11:32,040

what we're talking about here it's what

1705

01:11:36,229 --> 01:11:33,719

we're talking about I talked to some

1706

01:11:38,030 --> 01:11:36,239

witnesses over in the UK that were on a

1707

01:11:39,410 --> 01:11:38,040

place called silberry Hill which is

1708

01:11:41,570 --> 01:11:39,420

right in the middle of crop circle

1709

01:11:43,430 --> 01:11:41,580

country there and they were just up

1710

01:11:45,229 --> 01:11:43,440

there camping one night where they said

1711

01:11:46,669 --> 01:11:45,239

it all this sounds so much like the

1712

01:11:49,790 --> 01:11:46,679

Bigfoot encounters it got

1713

01:11:51,649 --> 01:11:49,800

extraordinarily dark and a weird creepy

1714

01:11:52,790 --> 01:11:51,659

feeling came over them and they felt

1715

01:11:54,290 --> 01:11:52,800

like they should leave but they're

1716

01:11:55,729 --> 01:11:54,300

already at the top of this hill it's not

1717

01:11:56,630 --> 01:11:55,739

so easy to get down from there to the

1718

01:11:59,630 --> 01:11:56,640

parking lot

1719

01:12:01,790 --> 01:11:59,640

and they said these orbs came across the

1720

01:12:04,490 --> 01:12:01,800

field by the way these were witnessed by

1721

01:12:06,229 --> 01:12:04,500

other people who didn't know these folks

1722

01:12:07,550 --> 01:12:06,239

Paul and Sonia at the top of Silver Hill

1723

01:12:09,229 --> 01:12:07,560

at the time I've heard them lecture

1724

01:12:10,790 --> 01:12:09,239

separately about this event they saw

1725

01:12:13,010 --> 01:12:10,800

these orbs come down and they said

1726

01:12:16,610 --> 01:12:13,020

within each of these they saw a bean

1727

01:12:17,689 --> 01:12:16,620

sitting inside the orb in a Lotus

1728

01:12:19,610 --> 01:12:17,699

position

1729

01:12:22,010 --> 01:12:19,620

I mean even when I heard this Jimmy it

1730

01:12:25,070 --> 01:12:22,020

was like this is like hard to

1731

01:12:27,050 --> 01:12:25,080

understand or accept but if you under

1732

01:12:28,790 --> 01:12:27,060

you know if you know that ball lightning

1733

01:12:30,669 --> 01:12:28,800

orbs have a different type of physics

1734

01:12:33,709 --> 01:12:30,679

going on within them

1735

01:12:37,130 --> 01:12:33,719

they have these properties that we

1736

01:12:39,050 --> 01:12:37,140

associate with UFOs with Cryptids and

1737

01:12:42,229 --> 01:12:39,060

other types of phenomena

1738

01:12:45,950 --> 01:12:42,239

that it seems all to make sense

1739

01:12:48,770 --> 01:12:45,960

I have uh I know I know a cop

1740

01:12:53,750 --> 01:12:48,780

and uh he was on patrol with his partner

1741

01:12:56,410 --> 01:12:53,760

uh uh about 30 40 years ago in the 70s

1742

01:12:59,090 --> 01:12:56,420

they're on Patrol Pacific Northwest

1743

01:13:02,689 --> 01:12:59,100

coastal town I don't want to get into

1744

01:13:05,270 --> 01:13:02,699

specific but he's told us told the story

1745

01:13:07,130 --> 01:13:05,280

on on this show

1746

01:13:10,450 --> 01:13:07,140

um and I I know him pretty well anyway

1747

01:13:13,790 --> 01:13:10,460

he said they were on patrol at night

1748

01:13:16,610 --> 01:13:13,800

and uh foot patrol they had just parked

1749

01:13:17,950 --> 01:13:16,620

their car and across the street Main

1750

01:13:21,950 --> 01:13:17,960

Street

1751
01:13:26,630 --> 01:13:21,960
on the uh between the first and second

1752
01:13:30,950 --> 01:13:26,640
floor of the building across the street

1753
01:13:34,610 --> 01:13:30,960
a ball of energy was rolling up the

1754
01:13:37,130 --> 01:13:34,620
ledge of the first story right between

1755
01:13:39,350 --> 01:13:37,140
the first and second story and it was

1756
01:13:41,030 --> 01:13:39,360
about three feet in diameter right and

1757
01:13:43,010 --> 01:13:41,040
it's a ball of light and they stop and

1758
01:13:46,310 --> 01:13:43,020
they look they're like what what is that

1759
01:13:47,870 --> 01:13:46,320
they he said dude there was an alien

1760
01:13:50,450 --> 01:13:47,880
inside of it

1761
01:13:53,870 --> 01:13:50,460
and we just stood there and watched it

1762
01:13:55,610 --> 01:13:53,880
roll up this building and and turn the

1763
01:13:57,169 --> 01:13:55,620

corner

1764

01:14:02,510 --> 01:13:57,179

it

1765

01:14:05,149 --> 01:14:02,520

heard from in the past which is

1766

01:14:07,490 --> 01:14:05,159

mythology and folklore and an urban

1767

01:14:10,310 --> 01:14:07,500

legend uh you know about ball lightning

1768

01:14:12,669 --> 01:14:10,320

but here we have this and I've heard

1769

01:14:15,950 --> 01:14:12,679

this kind of story over and over again

1770

01:14:18,890 --> 01:14:15,960

and I I often wonder if it is just

1771

01:14:21,350 --> 01:14:18,900

something very convenient that others

1772

01:14:24,890 --> 01:14:21,360

understand about nature and physics that

1773

01:14:26,810 --> 01:14:24,900

we don't have a grasp of yet

1774

01:14:29,450 --> 01:14:26,820

we don't have a grasp of it because

1775

01:14:31,010 --> 01:14:29,460

something in our educational system and

1776

01:14:32,870 --> 01:14:31,020

the organizations you and I grew up

1777

01:14:35,390 --> 01:14:32,880

around didn't want us to know about this

1778

01:14:37,669 --> 01:14:35,400

we weren't taught about this in school

1779

01:14:40,310 --> 01:14:37,679

but if you look at Nikola Tesla's

1780

01:14:41,750 --> 01:14:40,320

writings and everyone since him Winston

1781

01:14:44,450 --> 01:14:41,760

Bostick

1782

01:14:45,709 --> 01:14:44,460

was a government researcher working for

1783

01:14:48,050 --> 01:14:45,719

doe

1784

01:14:50,209 --> 01:14:48,060

finding peaceful useless of peaceful

1785

01:14:52,310 --> 01:14:50,219

uses of fusion power after World War II

1786

01:14:54,110 --> 01:14:52,320

right they wanted to turn you know

1787

01:14:56,209 --> 01:14:54,120

hydrogen bomb into something useful like

1788

01:14:59,689 --> 01:14:56,219

a type of propulsion or something he

1789

01:15:00,709 --> 01:14:59,699

concluded the same sort of uh came to

1790

01:15:02,990 --> 01:15:00,719

the same conclusions that we're talking

1791

01:15:04,850 --> 01:15:03,000

about here that these are self-organized

1792

01:15:07,010 --> 01:15:04,860

types of plasmas you could have them in

1793

01:15:08,689 --> 01:15:07,020

galaxies at the largest scale you could

1794

01:15:10,970 --> 01:15:08,699

have them in test tubes even the New

1795

01:15:12,050 --> 01:15:10,980

York Times wrote an article about his

1796

01:15:13,610 --> 01:15:12,060

discoveries

1797

01:15:16,370 --> 01:15:13,620

and this is going back all the way to

1798

01:15:18,110 --> 01:15:16,380

the 1950s but I didn't hear about this

1799

01:15:19,669 --> 01:15:18,120

until a few years ago I mean these are

1800

01:15:22,070 --> 01:15:19,679

people that really could have made of

1801

01:15:25,010 --> 01:15:22,080

deep scientific contribution

1802

01:15:28,189 --> 01:15:25,020

if their research hadn't been funded by

1803

01:15:29,630 --> 01:15:28,199

classified agencies this is the issue

1804

01:15:32,149 --> 01:15:29,640

we're dealing with here at least in the

1805

01:15:34,610 --> 01:15:32,159

United States so much of the really good

1806

01:15:37,010 --> 01:15:34,620

science was relegated to special access

1807

01:15:38,930 --> 01:15:37,020

programs and I know you've heard this

1808

01:15:40,250 --> 01:15:38,940

anyone in the UFO field we've heard this

1809

01:15:41,930 --> 01:15:40,260

over and over again but this is what

1810

01:15:44,770 --> 01:15:41,940

happened is the people that were

1811

01:15:48,470 --> 01:15:44,780

pursuing the Tesla type Research into

1812

01:15:51,530 --> 01:15:48,480

plasmoids self-organized matter with all

1813

01:15:54,110 --> 01:15:51,540

of its weird space-time bending effects

1814

01:15:57,770 --> 01:15:54,120

that goes into the Cryptid world as well

1815

01:16:00,169 --> 01:15:57,780

all of that was part of research coming

1816

01:16:02,209 --> 01:16:00,179

from the Air Force for the most part in

1817

01:16:05,390 --> 01:16:02,219

Department of energy

1818

01:16:07,729 --> 01:16:05,400

and they wanted it to be something that

1819

01:16:09,709 --> 01:16:07,739

they kept control of so it was always

1820

01:16:12,890 --> 01:16:09,719

you read these articles even Winston

1821

01:16:14,209 --> 01:16:12,900

Bostic says funded by U.S Air Force and

1822

01:16:15,770 --> 01:16:14,219

then you look at their most recent

1823

01:16:17,689 --> 01:16:15,780

research into the same area it's all

1824

01:16:20,649 --> 01:16:17,699

redacted you have to come to the

1825

01:16:23,330 --> 01:16:20,659

conclusion that this Nikola Tesla type

1826

01:16:25,790 --> 01:16:23,340

self-organized matter based on vibration

1827

01:16:28,310 --> 01:16:25,800

frequency and sound that can generate

1828

01:16:30,350 --> 01:16:28,320

really interesting gravitational and

1829

01:16:32,570 --> 01:16:30,360

space-time effects which is what the

1830

01:16:35,330 --> 01:16:32,580

witnesses report they say they're seen

1831

01:16:37,010 --> 01:16:35,340

somehow all of that got relegated to

1832

01:16:38,810 --> 01:16:37,020

classified research and it didn't make

1833

01:16:40,250 --> 01:16:38,820

it into the type of education that you

1834

01:16:42,050 --> 01:16:40,260

and I know about but there's so many

1835

01:16:43,790 --> 01:16:42,060

people we consider all night and talk

1836

01:16:46,250 --> 01:16:43,800

about these researchers whether Japan

1837

01:16:48,830 --> 01:16:46,260

Russian or American researchers that all

1838

01:16:52,010 --> 01:16:48,840

they call these objects different names

1839

01:16:54,590 --> 01:16:52,020

some of the people called it vortons and

1840

01:16:56,750 --> 01:16:54,600

Matsumoto in Japan called them iconic

1841

01:16:58,790 --> 01:16:56,760

clusters but they all came to the same

1842

01:17:00,229 --> 01:16:58,800

conclusion that some of dark matter we

1843

01:17:02,330 --> 01:17:00,239

don't know what it all is but some of

1844

01:17:04,870 --> 01:17:02,340

the neutrinos these dark neutrinos by

1845

01:17:07,030 --> 01:17:04,880

the way Boyd Bushman you remember him

1846

01:17:09,649 --> 01:17:07,040

he talked about

1847

01:17:11,750 --> 01:17:09,659

neutrino Universe this alternate the

1848

01:17:14,630 --> 01:17:11,760

universe of neutrinos and again that was

1849

01:17:15,950 --> 01:17:14,640

part of LA Martin's research would be if

1850

01:17:17,870 --> 01:17:15,960

it's good enough for the defense

1851

01:17:19,689 --> 01:17:17,880

contractors I would say we're not

1852

01:17:22,370 --> 01:17:19,699

talking about fringe science anymore

1853

01:17:24,830 --> 01:17:22,380

that's a convenient label to try to

1854

01:17:27,169 --> 01:17:24,840

discredit it while at the same time

1855

01:17:29,330 --> 01:17:27,179

these the powers that be are developing

1856

01:17:31,669 --> 01:17:29,340

into these classified patents and so

1857

01:17:32,990 --> 01:17:31,679

forth so this is a huge area of science

1858

01:17:37,070 --> 01:17:33,000

that I think we're coming to understand

1859

01:17:38,990 --> 01:17:37,080

again and it just shows us that we

1860

01:17:40,250 --> 01:17:39,000

actually do understand it I'm just

1861

01:17:43,070 --> 01:17:40,260

challenging you a little bit on that

1862

01:17:45,290 --> 01:17:43,080

statement but not the public science

1863

01:17:47,570 --> 01:17:45,300

that is all right right I'm just down

1864

01:17:49,550 --> 01:17:47,580

the hill from Condon where the Condon

1865

01:17:52,910 --> 01:17:49,560

report I'm down the hill from CU where

1866

01:17:55,729 --> 01:17:52,920

the Condon report was assembled and he

1867

01:17:57,709 --> 01:17:55,739

said that before they started he was

1868

01:17:58,970 --> 01:17:57,719

just going to whitewashed he told people

1869

01:18:00,470 --> 01:17:58,980

working with him we're just going to

1870

01:18:04,610 --> 01:18:00,480

discredit it but we want to make it

1871

01:18:08,810 --> 01:18:04,620

appear like a valid scientific study

1872

01:18:10,610 --> 01:18:08,820

and yet Condon himself had lost his

1873

01:18:13,490 --> 01:18:10,620

security clearance

1874

01:18:16,370 --> 01:18:13,500

because of his interest in Quantum

1875

01:18:19,010 --> 01:18:16,380

tunneling which in the 50s was

1876

01:18:20,990 --> 01:18:19,020

associated with subversive science yes I

1877

01:18:23,209 --> 01:18:21,000

mean I think we could science was so

1878

01:18:25,490 --> 01:18:23,219

politicized since World War II and this

1879

01:18:28,070 --> 01:18:25,500

fear of Communism that anyone associated

1880

01:18:31,970 --> 01:18:28,080

with quantum mechanics and other types

1881

01:18:34,130 --> 01:18:31,980

of new physics had to really watch that

1882

01:18:36,709 --> 01:18:34,140

they weren't blacklisted even Condon who

1883

01:18:39,530 --> 01:18:36,719

we know from the Condon report

1884

01:18:41,510 --> 01:18:39,540

probably did this to get his security

1885

01:18:42,790 --> 01:18:41,520

clearance back yeah he was bought and

1886

01:18:46,189 --> 01:18:42,800

paid for it

1887

01:18:48,050 --> 01:18:46,199

yeah no question about it

1888

01:18:50,689 --> 01:18:48,060

um by the way Boulder in the University

1889

01:18:54,050 --> 01:18:50,699

there beautiful man

1890

01:18:54,610 --> 01:18:54,060

beautiful I I spend a lot of time there

1891

01:18:58,010 --> 01:18:54,620

um

1892

01:19:00,649 --> 01:18:58,020

great place for dogs he is he is he

1893

01:19:04,550 --> 01:19:00,659

keeps looking up at you I'm watching him

1894

01:19:07,310 --> 01:19:04,560

you you can't he he looks up at you he

1895

01:19:09,229 --> 01:19:07,320

just plops right back down he's not he's

1896

01:19:11,270 --> 01:19:09,239

not doing good so far he could be

1897

01:19:12,950 --> 01:19:11,280

causing quite a racket but so far I

1898

01:19:17,090 --> 01:19:12,960

think he must enjoy this conversation if

1899

01:19:19,070 --> 01:19:17,100

he's causing him Astro Astro nah nah

1900

01:19:21,410 --> 01:19:19,080

he's out he's out

1901

01:19:25,910 --> 01:19:21,420

um okay but here's another interesting

1902

01:19:27,890 --> 01:19:25,920

aspect uh to all of this one is ASAP so

1903

01:19:29,570 --> 01:19:27,900

I'm going to swing back to that because

1904

01:19:33,229 --> 01:19:29,580

that's exactly what we're talking about

1905

01:19:36,610 --> 01:19:33,239

here but there has been lots of

1906

01:19:40,430 --> 01:19:36,620

conversation about

1907

01:19:44,270 --> 01:19:40,440

uh balls that look like they had

1908

01:19:46,729 --> 01:19:44,280

lightning in them underneath craft that

1909

01:19:49,010 --> 01:19:46,739

appeared to you know have a

1910

01:19:53,030 --> 01:19:49,020

gravitational you know no no type of

1911

01:19:54,830 --> 01:19:53,040

propulsion but is obviously flying and

1912

01:19:58,010 --> 01:19:54,840

if that's what we're talking about here

1913

01:20:00,590 --> 01:19:58,020

certainly a new form of matter is there

1914

01:20:03,470 --> 01:20:00,600

a gravitational effect with this as two

1915

01:20:05,689 --> 01:20:03,480

as well that would be something of

1916

01:20:09,050 --> 01:20:05,699

interest to Lockheed Skunk Works and

1917

01:20:11,510 --> 01:20:09,060

others no absolutely exactly right

1918

01:20:13,729 --> 01:20:11,520

that is what all of these patents talk

1919

01:20:17,570 --> 01:20:13,739

about even the most recent Lockheed

1920

01:20:20,590 --> 01:20:17,580

Martin patent from 2021 awarded in 2021.

1921

01:20:24,830 --> 01:20:20,600

uh Boyd Bushman was talking about this

1922

01:20:27,709 --> 01:20:24,840

even John Wheeler John Archibald wheeler

1923

01:20:30,290 --> 01:20:27,719

Mainstay of American physics

1924

01:20:31,729 --> 01:20:30,300

thesis supervisor to Hugh Everett who

1925

01:20:34,310 --> 01:20:31,739

comes up with the many worlds

1926

01:20:37,130 --> 01:20:34,320

interpretation that is still that is

1927

01:20:40,490 --> 01:20:37,140

still very popular and suggests the idea

1928

01:20:42,709 --> 01:20:40,500

of multiverses he created this model of

1929

01:20:45,350 --> 01:20:42,719

a particle that he called the Geon which

1930

01:20:48,709 --> 01:20:45,360

was these alternating electric and

1931

01:20:50,689 --> 01:20:48,719

magnetic charges in a toroidal shape

1932

01:20:51,770 --> 01:20:50,699

tour rides are very important in this by

1933

01:20:53,890 --> 01:20:51,780

the way

1934

01:20:57,110 --> 01:20:53,900

and he said that would produce a

1935

01:20:59,990 --> 01:20:57,120

gravitational effect in the middle This

1936

01:21:01,970 --> 01:21:00,000

Is 50 years before Boyd Bushman proposes

1937

01:21:04,010 --> 01:21:01,980

the same idea John Archibald wheeler

1938

01:21:06,649 --> 01:21:04,020

people have been coming up with this

1939

01:21:09,830 --> 01:21:06,659

over and over again and it's my theory

1940

01:21:12,530 --> 01:21:09,840

that because it had the implications of

1941

01:21:15,709 --> 01:21:12,540

creating anti-gravity

1942

01:21:18,410 --> 01:21:15,719

that it kept getting filtered into it's

1943

01:21:19,970 --> 01:21:18,420

kind of segregated into the classified

1944

01:21:22,970 --> 01:21:19,980

black world

1945

01:21:24,649 --> 01:21:22,980

and they kept this out of science

1946

01:21:27,649 --> 01:21:24,659

funding from the National Science

1947

01:21:29,750 --> 01:21:27,659

Foundation University education we've

1948

01:21:33,649 --> 01:21:29,760

all been dumbed down by this and it's a

1949

01:21:36,530 --> 01:21:33,659

big drawback of almost the success of

1950

01:21:39,649 --> 01:21:36,540

the United States since the 50s is that

1951

01:21:42,169 --> 01:21:39,659

the bureaucracies that manage the

1952

01:21:44,149 --> 01:21:42,179

National Security State and we're told

1953

01:21:47,450 --> 01:21:44,159

they've issued these National Security

1954

01:21:49,729 --> 01:21:47,460

orders over 5 000 times since then to

1955

01:21:51,110 --> 01:21:49,739

take to take away people's patents and

1956

01:21:52,790 --> 01:21:51,120

tell them you can't study this and you

1957

01:21:54,830 --> 01:21:52,800

can't tell tell anyone you we even

1958

01:21:57,890 --> 01:21:54,840

visited you to tell tell you not to talk

1959

01:22:01,310 --> 01:21:57,900

about this that sort of process to me

1960

01:22:03,470 --> 01:22:01,320

has siphoned off all of this technology

1961

01:22:06,169 --> 01:22:03,480

at least the thinking about it into

1962

01:22:08,270 --> 01:22:06,179

black budget programs but when you read

1963

01:22:10,250 --> 01:22:08,280

about it from Winston Bostick and John

1964

01:22:12,290 --> 01:22:10,260

Archibald wheeler who also had very

1965

01:22:15,950 --> 01:22:12,300

close ties to the defense establishment

1966

01:22:18,770 --> 01:22:15,960

it's pretty clear that this whole line

1967

01:22:20,689 --> 01:22:18,780

of development of coherent matter has

1968

01:22:23,570 --> 01:22:20,699

been with us the whole time the most of

1969

01:22:26,390 --> 01:22:23,580

our information comes from Soviet and

1970

01:22:29,330 --> 01:22:26,400

Russian scientists Jimmy who came to the

1971

01:22:32,270 --> 01:22:29,340

same conclusion uh there's so many of

1972

01:22:34,669 --> 01:22:32,280

them uh you know

1973

01:22:35,450 --> 01:22:34,679

just one of them Alexander parkemov now

1974

01:22:38,229 --> 01:22:35,460

he

1975

01:22:40,930 --> 01:22:38,239

worked in this classified

1976

01:22:43,550 --> 01:22:40,940

I have that book

1977

01:22:46,130 --> 01:22:43,560

top-notch research he also worked in

1978

01:22:48,890 --> 01:22:46,140

their remote viewing their classified

1979

01:22:50,750 --> 01:22:48,900

remote View and what is he saying here

1980

01:22:52,729 --> 01:22:50,760

if you create these sort of structures

1981

01:22:54,410 --> 01:22:52,739

coherent matter we're talking about you

1982

01:22:56,330 --> 01:22:54,420

get this interaction with the Relic

1983

01:22:58,010 --> 01:22:56,340

neutrinos a component of Dark Matter

1984

01:22:59,390 --> 01:22:58,020

this whole introduction here is about

1985

01:23:01,550 --> 01:22:59,400

dark matter and how it creates

1986

01:23:04,189 --> 01:23:01,560

anti-gravitational effect he talks about

1987

01:23:07,250 --> 01:23:04,199

small black holes coming into the

1988

01:23:09,470 --> 01:23:07,260

atmosphere UFOs so many of these

1989

01:23:11,330 --> 01:23:09,480

researchers even even conventional ball

1990

01:23:13,010 --> 01:23:11,340

lightning researchers talk about UFOs

1991

01:23:14,450 --> 01:23:13,020

and how you have this overlap between

1992

01:23:16,850 --> 01:23:14,460

them that they can't make sense of

1993

01:23:18,530 --> 01:23:16,860

either but it all suggests another type

1994

01:23:20,870 --> 01:23:18,540

of matter now let me tell you one more

1995

01:23:22,490 --> 01:23:20,880

point of reference here which confirms

1996

01:23:26,570 --> 01:23:22,500

what we're all talking about

1997

01:23:29,570 --> 01:23:26,580

Dr Hal putoff's presentation to irva SSC

1998

01:23:32,630 --> 01:23:29,580

meeting joint meaning of Irvine SSE

1999

01:23:36,169 --> 01:23:32,640

in Las Vegas in 2018

2000

01:23:38,270 --> 01:23:36,179

he tells us that the US government has

2001
01:23:40,310 --> 01:23:38,280
had classified UFO research since

2002
01:23:41,870 --> 01:23:40,320
Project Blue Book that he's been

2003
01:23:43,669 --> 01:23:41,880
involved in it and he can't say

2004
01:23:45,110 --> 01:23:43,679
everything about it but he tells us that

2005
01:23:46,370 --> 01:23:45,120
some of the materials that they've

2006
01:23:50,570 --> 01:23:46,380
recovered

2007
01:23:52,970 --> 01:23:50,580
from UFO crashes the so-called bismuth

2008
01:23:54,590 --> 01:23:52,980
magnesium material this is the only one

2009
01:23:56,390 --> 01:23:54,600
he told us about because I asked him

2010
01:23:58,250 --> 01:23:56,400
were there other materials and he said I

2011
01:23:59,810 --> 01:23:58,260
can't talk about it that was his little

2012
01:24:01,430 --> 01:23:59,820
response to me after so what other

2013
01:24:03,530 --> 01:24:01,440

besides bismack needs me looked up for

2014

01:24:05,149 --> 01:24:03,540

things that I can't talk about these

2015

01:24:07,970 --> 01:24:05,159

materials do you know what he said they

2016

01:24:11,390 --> 01:24:07,980

did they literally bent space and time

2017

01:24:14,390 --> 01:24:11,400

by modifying permittivity he showed us

2018

01:24:17,450 --> 01:24:14,400

how they could act like wave guides to

2019

01:24:19,310 --> 01:24:17,460

modify the permittivity of free space

2020

01:24:20,810 --> 01:24:19,320

which he said is normally by physicists

2021

01:24:22,970 --> 01:24:20,820

at 2-1 like we've been talking about

2022

01:24:24,169 --> 01:24:22,980

said everything to an even metric he

2023

01:24:26,870 --> 01:24:24,179

said you could have variable

2024

01:24:29,229 --> 01:24:26,880

permittivity which would bend space time

2025

01:24:32,030 --> 01:24:29,239

and what is the speed of light based on

2026

01:24:33,950 --> 01:24:32,040

permeability and permittivity it's a

2027

01:24:35,390 --> 01:24:33,960

formula and he showed us the formula

2028

01:24:37,810 --> 01:24:35,400

said well you start modifying

2029

01:24:40,669 --> 01:24:37,820

permittivity this would explain why UFOs

2030

01:24:43,669 --> 01:24:40,679

are often different colors shifted to

2031

01:24:45,290 --> 01:24:43,679

Blue yeah and seem to look different

2032

01:24:47,090 --> 01:24:45,300

because they're in a different frame of

2033

01:24:49,310 --> 01:24:47,100

reference if you keep pushing that they

2034

01:24:52,130 --> 01:24:49,320

eventually go invisible but in between

2035

01:24:53,590 --> 01:24:52,140

they appear blue shifted and he's the

2036

01:24:56,750 --> 01:24:53,600

one who talked about

2037

01:24:58,490 --> 01:24:56,760

variable permittivity and then it turns

2038

01:25:00,229 --> 01:24:58,500

out his colleague Ken shoulders they

2039

01:25:01,910 --> 01:25:00,239

worked together for a number of years in

2040

01:25:04,729 --> 01:25:01,920

Austin at an establishment they called

2041

01:25:07,669 --> 01:25:04,739

Jupiter Technologies he's talking about

2042

01:25:09,530 --> 01:25:07,679

variable permittivity in ball lightning

2043

01:25:11,209 --> 01:25:09,540

and orbs and so forth

2044

01:25:12,890 --> 01:25:11,219

you realize they're all talking about

2045

01:25:14,990 --> 01:25:12,900

the same thing they're talking and what

2046

01:25:16,910 --> 01:25:15,000

putoff called it which people are I'm

2047

01:25:21,050 --> 01:25:16,920

sure our listeners viewers are familiar

2048

01:25:24,770 --> 01:25:21,060

with space-time metric engineering yep

2049

01:25:27,370 --> 01:25:24,780

the Soviets called it vacuum engineering

2050

01:25:30,229 --> 01:25:27,380

it's the same thing

2051
01:25:33,110 --> 01:25:30,239
modifying space and time the quantum

2052
01:25:34,850 --> 01:25:33,120
field directly with materials that are

2053
01:25:37,130 --> 01:25:34,860
no longer set to the constants that

2054
01:25:39,470 --> 01:25:37,140
we're all used to yeah

2055
01:25:43,490 --> 01:25:39,480
um uh I'm gonna Circle back to Wheeler

2056
01:25:45,950 --> 01:25:43,500
and Everett uh by the way too my heroes

2057
01:25:48,830 --> 01:25:45,960
um but I live a mile away from Skunk

2058
01:25:51,410 --> 01:25:48,840
Works right you see my finger I'm

2059
01:25:53,990 --> 01:25:51,420
pointing that way the end of the runway

2060
01:25:56,149 --> 01:25:54,000
points at the back of my house right

2061
01:25:58,310 --> 01:25:56,159
there it's right there Palmdale yeah

2062
01:26:00,830 --> 01:25:58,320
yeah yeah I'm in Palmdale everybody

2063
01:26:03,410 --> 01:26:00,840

knows that and every time I have

2064

01:26:05,570 --> 01:26:03,420

visitors over at the house right they're

2065

01:26:08,030 --> 01:26:05,580

from out of town they don't want to see

2066

01:26:09,350 --> 01:26:08,040

the bunker they don't want to see my

2067

01:26:12,410 --> 01:26:09,360

guitars

2068

01:26:13,970 --> 01:26:12,420

Jimmy man take us to Skunk Works they

2069

01:26:15,770 --> 01:26:13,980

want to go to discover and it's just a

2070

01:26:21,350 --> 01:26:15,780

mile down the road and I've seen some

2071

01:26:24,410 --> 01:26:21,360

crazy stuff and I'm I'm convinced uh

2072

01:26:26,870 --> 01:26:24,420

from without going into details

2073

01:26:29,390 --> 01:26:26,880

um but there's some there's some

2074

01:26:30,890 --> 01:26:29,400

anti-gravity research going on I I I

2075

01:26:32,149 --> 01:26:30,900

don't want to say any more than that I

2076

01:26:34,550 --> 01:26:32,159

live here I don't want to get in trouble

2077

01:26:37,729 --> 01:26:34,560

with my neighbors who all work you know

2078

01:26:42,470 --> 01:26:37,739

down the street uh but uh I'm convinced

2079

01:26:44,830 --> 01:26:42,480

of that and now back to two of my heroes

2080

01:26:48,649 --> 01:26:44,840

I've got a lot of hero physicists I do

2081

01:26:51,890 --> 01:26:48,659

man the list is long

2082

01:26:55,010 --> 01:26:51,900

um but Everett and Wheeler

2083

01:26:57,410 --> 01:26:55,020

thought outside of the box

2084

01:27:00,890 --> 01:26:57,420

and they're students and those

2085

01:27:03,410 --> 01:27:00,900

physicists today that go back and review

2086

01:27:05,330 --> 01:27:03,420

wheelers and and Everett's work and

2087

01:27:09,169 --> 01:27:05,340

statements

2088

01:27:11,149 --> 01:27:09,179

um allowed free thinking in in the 50s

2089

01:27:15,110 --> 01:27:11,159

and 60s like we never had before in

2090

01:27:18,770 --> 01:27:15,120

physics but it stopped you know it seems

2091

01:27:21,050 --> 01:27:18,780

like the physics world now in this era

2092

01:27:23,689 --> 01:27:21,060

of funding right yeah you know that

2093

01:27:28,129 --> 01:27:23,699

we're talking about it it's it's gotten

2094

01:27:32,209 --> 01:27:28,139

so narrow that they don't want to rock

2095

01:27:35,450 --> 01:27:32,219

the boat wheeler was a boat Rocker Man I

2096

01:27:37,850 --> 01:27:35,460

mean that if Everett are you kidding me

2097

01:27:39,050 --> 01:27:37,860

right and they don't think that way

2098

01:27:41,570 --> 01:27:39,060

anymore

2099

01:27:45,050 --> 01:27:41,580

um what do you think happened why did it

2100

01:27:48,290 --> 01:27:45,060

get closed down so quickly

2101

01:27:50,030 --> 01:27:48,300

I think everyone got bought off yeah I

2102

01:27:51,950 --> 01:27:50,040

mean I hate to say it but having gone

2103

01:27:54,290 --> 01:27:51,960

through academics having worked at a

2104

01:27:56,870 --> 01:27:54,300

university there are these intense

2105

01:27:59,810 --> 01:27:56,880

pressures to toe the line

2106

01:28:01,669 --> 01:27:59,820

and you get these lectures from I got

2107

01:28:03,050 --> 01:28:01,679

them from my professors you know you do

2108

01:28:05,030 --> 01:28:03,060

want to be successful in this field

2109

01:28:07,610 --> 01:28:05,040

don't you you do want to get promoted

2110

01:28:09,649 --> 01:28:07,620

you want tenure this goes into people's

2111

01:28:10,729 --> 01:28:09,659

minds no matter what organization you

2112

01:28:13,129 --> 01:28:10,739

work in

2113

01:28:15,229 --> 01:28:13,139

and we're threatened with a type of

2114

01:28:17,090 --> 01:28:15,239

economic blackmail in this country that

2115

01:28:19,550 --> 01:28:17,100

if you don't to the line you're going to

2116

01:28:20,990 --> 01:28:19,560

be booted out the door and be on your

2117

01:28:24,590 --> 01:28:21,000

own you could fall through the economic

2118

01:28:26,330 --> 01:28:24,600

cracks right yeah and it what we

2119

01:28:28,490 --> 01:28:26,340

suffered from is something that Europe

2120

01:28:30,890 --> 01:28:28,500

was actually better at than we were in

2121

01:28:32,510 --> 01:28:30,900

the U.S which was engaging the theory

2122

01:28:35,030 --> 01:28:32,520

behind this a little more something that

2123

01:28:36,950 --> 01:28:35,040

Einstein was highly concerned with is

2124

01:28:39,470 --> 01:28:36,960

that physics shouldn't be just about

2125

01:28:41,689 --> 01:28:39,480

predicting what's going to happen in

2126
01:28:43,550 --> 01:28:41,699
physics physics experiments it should

2127
01:28:46,250 --> 01:28:43,560
give us an explanation for how the

2128
01:28:48,050 --> 01:28:46,260
universe works in a way that seems

2129
01:28:49,790 --> 01:28:48,060
intuitively

2130
01:28:53,149 --> 01:28:49,800
to make sense with the world we see

2131
01:28:54,830 --> 01:28:53,159
around us but quantum mechanics and

2132
01:28:56,870 --> 01:28:54,840
modern physics went in another Direction

2133
01:28:59,450 --> 01:28:56,880
which was basically shut up and

2134
01:29:02,810 --> 01:28:59,460
calculate which was you don't need to

2135
01:29:05,629 --> 01:29:02,820
know why what a superposition is of

2136
01:29:07,550 --> 01:29:05,639
particles or why matter can seem like a

2137
01:29:09,830 --> 01:29:07,560
particle or a wave all we need to know

2138
01:29:12,590 --> 01:29:09,840

is that your experiment works out the

2139

01:29:15,890 --> 01:29:12,600

way we expect it to work out so we can

2140

01:29:17,990 --> 01:29:15,900

develop atomic bombs or quantum

2141

01:29:19,729 --> 01:29:18,000

computers or whatever technology you're

2142

01:29:20,990 --> 01:29:19,739

working but we don't need to know why it

2143

01:29:22,189 --> 01:29:21,000

works and I think that's what we're

2144

01:29:24,050 --> 01:29:22,199

missing here and here's what the

2145

01:29:26,930 --> 01:29:24,060

universe keeps telling us it keeps

2146

01:29:30,950 --> 01:29:26,940

throwing UFOs at us Bigfoot Cryptid

2147

01:29:33,010 --> 01:29:30,960

encounters ghosts haunted sites RV

2148

01:29:36,169 --> 01:29:33,020

premonitions

2149

01:29:37,790 --> 01:29:36,179

telepathic experiences things that don't

2150

01:29:40,430 --> 01:29:37,800

fit within that model because it's

2151
01:29:42,530 --> 01:29:40,440
saying to us look you're in a bigger

2152
01:29:44,570 --> 01:29:42,540
reality and those models in and of

2153
01:29:46,729 --> 01:29:44,580
themselves are not sufficient to explain

2154
01:29:49,870 --> 01:29:46,739
what we're seeing around us you need to

2155
01:29:53,629 --> 01:29:49,880
kind of apply it it's the contradiction

2156
01:29:55,970 --> 01:29:53,639
it's the Paradox of success is that once

2157
01:29:58,189 --> 01:29:55,980
you're riding the gravy train

2158
01:30:01,310 --> 01:29:58,199
for a lot of people that are on those

2159
01:30:03,590 --> 01:30:01,320
career paths the farther you go on to

2160
01:30:06,110 --> 01:30:03,600
that path with that organization or

2161
01:30:08,450 --> 01:30:06,120
whatever you do within your profession

2162
01:30:10,610 --> 01:30:08,460
you're less and less likely to want to

2163
01:30:13,790 --> 01:30:10,620

take risks yeah you don't take chances

2164

01:30:15,950 --> 01:30:13,800

you you just don't do it yeah and it was

2165

01:30:18,950 --> 01:30:15,960

Getty Lee of Rush remember what he said

2166

01:30:20,629 --> 01:30:18,960

he said he always maintained this moral

2167

01:30:23,330 --> 01:30:20,639

position I'd never want to do anything

2168

01:30:25,430 --> 01:30:23,340

that went against my morals as an 18

2169

01:30:27,530 --> 01:30:25,440

year old the person I was is an 18 year

2170

01:30:29,510 --> 01:30:27,540

old I never wanted to do anything that

2171

01:30:32,750 --> 01:30:29,520

would offend the person I had been when

2172

01:30:34,970 --> 01:30:32,760

I was 18. and I think a lot of us

2173

01:30:37,669 --> 01:30:34,980

as we go through these different sort of

2174

01:30:39,709 --> 01:30:37,679

Institutions you got come under these

2175

01:30:43,430 --> 01:30:39,719

pressures to play the game to fit the

2176
01:30:45,950 --> 01:30:43,440
mold and that has a negative effect on

2177
01:30:47,570 --> 01:30:45,960
Creative new thinking

2178
01:30:50,629 --> 01:30:47,580
it's exactly what you said a few minutes

2179
01:30:53,030 --> 01:30:50,639
ago the funding got so powerful after

2180
01:30:55,850 --> 01:30:53,040
World War II from all these government

2181
01:30:57,709 --> 01:30:55,860
organizations coming together to to

2182
01:30:59,689 --> 01:30:57,719
fight World War II which was we all

2183
01:31:01,610 --> 01:30:59,699
agree was necessary at the time it had

2184
01:31:03,709 --> 01:31:01,620
to happen but they never came apart at

2185
01:31:06,310 --> 01:31:03,719
the end that National Security State

2186
01:31:08,810 --> 01:31:06,320
never separated and you got all this

2187
01:31:11,090 --> 01:31:08,820
compartmentalization what the Insiders

2188
01:31:13,129 --> 01:31:11,100

you know at to the Stars Academy called

2189

01:31:14,390 --> 01:31:13,139

stove piping those guys all talked about

2190

01:31:17,810 --> 01:31:14,400

you know those folks that worked with

2191

01:31:19,610 --> 01:31:17,820

Tom DeLonge in his ttsa group it's a

2192

01:31:22,370 --> 01:31:19,620

stove piping that doesn't allow people

2193

01:31:24,830 --> 01:31:22,380

to talk to other people in the area

2194

01:31:27,470 --> 01:31:24,840

because they're under these kind of ndas

2195

01:31:29,270 --> 01:31:27,480

security agreements I can't tell you how

2196

01:31:31,729 --> 01:31:29,280

many people I've come across when I

2197

01:31:33,890 --> 01:31:31,739

attempt to get them to elaborate on the

2198

01:31:36,110 --> 01:31:33,900

mysterious materials they've been asked

2199

01:31:38,629 --> 01:31:36,120

to reverse engineer and you know what

2200

01:31:41,090 --> 01:31:38,639

their response often is even in Private

2201

01:31:42,709 --> 01:31:41,100

Industry I signed an NDA with the

2202

01:31:44,270 --> 01:31:42,719

federal government I can't talk anymore

2203

01:31:45,470 --> 01:31:44,280

about this we never had this

2204

01:31:47,870 --> 01:31:45,480

conversation and they don't know where

2205

01:31:50,330 --> 01:31:47,880

the material came from and they don't

2206

01:31:52,970 --> 01:31:50,340

know you know who the uh you know what

2207

01:31:54,970 --> 01:31:52,980

to do to do that in the in the next Lab

2208

01:31:57,649 --> 01:31:54,980

is working on right

2209

01:32:00,470 --> 01:31:57,659

and or you can't talk to the guy in the

2210

01:32:03,590 --> 01:32:00,480

next right next time no you can't do it

2211

01:32:04,850 --> 01:32:03,600

and it's still in effect and back to

2212

01:32:08,810 --> 01:32:04,860

your point

2213

01:32:11,750 --> 01:32:08,820

if we go back to Evert and and Wheeler

2214

01:32:14,390 --> 01:32:11,760

and and Feynman you know what a great

2215

01:32:19,450 --> 01:32:14,400

era and boar right and those guys would

2216

01:32:21,550 --> 01:32:19,460

get together and argue and right and and

2217

01:32:25,070 --> 01:32:21,560

dude

2218

01:32:27,709 --> 01:32:25,080

but they talked it out and they explored

2219

01:32:30,729 --> 01:32:27,719

ideas and what did we get out of that

2220

01:32:33,410 --> 01:32:30,739

well we got things like crazy stuff

2221

01:32:37,790 --> 01:32:33,420

multi-world Multiverse parallel worlds

2222

01:32:41,090 --> 01:32:37,800

entanglement right and these Concepts uh

2223

01:32:44,330 --> 01:32:41,100

that today are exactly what our

2224

01:32:47,950 --> 01:32:44,340

paranormal Supernatural world has been

2225

01:32:52,010 --> 01:32:47,960

discussing remote viewing right exactly

2226

01:32:53,350 --> 01:32:52,020

all in Consciousness right it's it it it

2227

01:32:57,590 --> 01:32:53,360

it it

2228

01:32:59,689 --> 01:32:57,600

but yes yes yes yes this is why parkimov

2229

01:33:02,570 --> 01:32:59,699

talks about cold fusion what's now

2230

01:33:04,850 --> 01:33:02,580

called low energy nuclear reaction with

2231

01:33:06,950 --> 01:33:04,860

the same book about remote viewing

2232

01:33:08,169 --> 01:33:06,960

because it's all the same thing just

2233

01:33:10,669 --> 01:33:08,179

like you're saying

2234

01:33:12,970 --> 01:33:10,679

would you equate

2235

01:33:16,570 --> 01:33:12,980

see this is the thing

2236

01:33:21,709 --> 01:33:16,580

physicists want the world

2237

01:33:24,890 --> 01:33:21,719

to uh understand entanglement the

2238

01:33:28,390 --> 01:33:24,900

Multiverse right String Theory they they

2239

01:33:32,750 --> 01:33:28,400

want all of these crazy science fiction

2240

01:33:35,330 --> 01:33:32,760

right Concepts that works elegantly in

2241

01:33:38,870 --> 01:33:35,340

the math right it plays out and the math

2242

01:33:41,390 --> 01:33:38,880

Works therefore they they describe those

2243

01:33:43,850 --> 01:33:41,400

algorithms to us and paint the picture

2244

01:33:46,250 --> 01:33:43,860

of what they're talking about but they

2245

01:33:48,709 --> 01:33:46,260

don't want to discuss Consciousness and

2246

01:33:50,030 --> 01:33:48,719

they don't want to discuss ghosts and

2247

01:33:55,970 --> 01:33:50,040

they don't want to discuss remote

2248

01:33:58,189 --> 01:33:55,980

viewing or telepathy or or UFOs or it's

2249

01:33:59,990 --> 01:33:58,199

it's bizarre but they're telling us the

2250

01:34:02,990 --> 01:34:00,000

exact same thing

2251

01:34:05,090 --> 01:34:03,000

right they are and uh and this is

2252

01:34:07,729 --> 01:34:05,100

exactly the argument that Hugh Everett

2253

01:34:09,110 --> 01:34:07,739

made back in the 1950s when he was

2254

01:34:11,810 --> 01:34:09,120

working with wheeler and other

2255

01:34:14,149 --> 01:34:11,820

physicists he argued that quantum

2256

01:34:16,189 --> 01:34:14,159

mechanics just doesn't apply only to

2257

01:34:17,870 --> 01:34:16,199

microscopic world isn't that what we

2258

01:34:20,149 --> 01:34:17,880

always hear about quantum mechanics they

2259

01:34:22,189 --> 01:34:20,159

almost Define it the definition of

2260

01:34:24,649 --> 01:34:22,199

quantum mechanics is how the subatomic

2261

01:34:26,629 --> 01:34:24,659

World works well whoever it said why

2262

01:34:28,330 --> 01:34:26,639

would why is there this artificial cut

2263

01:34:31,550 --> 01:34:28,340

off between the micro and the macro

2264

01:34:33,530 --> 01:34:31,560

quantum mechanics has to describe the

2265

01:34:35,209 --> 01:34:33,540

macro world too there's nothing that

2266

01:34:36,890 --> 01:34:35,219

just says well as soon as you get larger

2267

01:34:39,470 --> 01:34:36,900

than atoms quantum mechanics doesn't

2268

01:34:41,090 --> 01:34:39,480

apply there's nothing in the theory that

2269

01:34:44,149 --> 01:34:41,100

should explain why that's true there's

2270

01:34:46,250 --> 01:34:44,159

no reason for the Heisenberg cut as it's

2271

01:34:48,530 --> 01:34:46,260

called it's a magical area where it

2272

01:34:50,629 --> 01:34:48,540

stops working why whoever it's at a

2273

01:34:53,270 --> 01:34:50,639

Schrodinger wave function has to apply

2274

01:34:55,189 --> 01:34:53,280

to macroscopic objects now the way I

2275

01:34:56,450 --> 01:34:55,199

understand that that's exactly what

2276

01:34:58,790 --> 01:34:56,460

you're talking about with remote viewing

2277

01:35:02,149 --> 01:34:58,800

and telepathy this kind of larger scale

2278

01:35:04,310 --> 01:35:02,159

entanglement and resonance which is

2279

01:35:05,990 --> 01:35:04,320

really what quantum mechanics is without

2280

01:35:07,490 --> 01:35:06,000

that type of resonance we wouldn't even

2281

01:35:09,229 --> 01:35:07,500

have this conversation right now because

2282

01:35:12,590 --> 01:35:09,239

all the electronics we're using right

2283

01:35:13,970 --> 01:35:12,600

now is based on Quantum tunneling if the

2284

01:35:16,209 --> 01:35:13,980

mechanics didn't work this wouldn't be

2285

01:35:18,830 --> 01:35:16,219

happening but it's happening at the Mike

2286

01:35:20,810 --> 01:35:18,840

macroscopic scale too and it's what we

2287

01:35:23,709 --> 01:35:20,820

call paranormal phenomena

2288

01:35:28,629 --> 01:35:23,719

it it is it's

2289

01:35:31,550 --> 01:35:28,639

phenomenal to me to have uh a physicist

2290

01:35:35,030 --> 01:35:31,560

look you straight in the eye

2291

01:35:38,930 --> 01:35:35,040

and say well if You observe something

2292

01:35:41,990 --> 01:35:38,940

you can change its state you only gotta

2293

01:35:44,870 --> 01:35:42,000

look at it right you you want to tell me

2294

01:35:46,790 --> 01:35:44,880

that but you've got issues with

2295

01:35:49,790 --> 01:35:46,800

spirituality

2296

01:35:53,629 --> 01:35:49,800

right you've got issues consciousness

2297

01:35:54,490 --> 01:35:53,639

what are you really trying to say here

2298

01:35:56,990 --> 01:35:54,500

um

2299

01:35:59,810 --> 01:35:57,000

Schrodinger you know you get into these

2300

01:36:01,970 --> 01:35:59,820

Concepts that are so far out there but

2301
01:36:03,350 --> 01:36:01,980
they'll say well yeah but the math

2302
01:36:05,810 --> 01:36:03,360
checks out

2303
01:36:07,189 --> 01:36:05,820
but I I don't want to discuss

2304
01:36:09,590 --> 01:36:07,199
consciousness

2305
01:36:12,350 --> 01:36:09,600
I can't measure it

2306
01:36:14,990 --> 01:36:12,360
yeah they they want to cut it off at the

2307
01:36:17,689 --> 01:36:15,000
Quant the microscopic subatomic level

2308
01:36:18,649 --> 01:36:17,699
but they'll say it doesn't apply to our

2309
01:36:20,930 --> 01:36:18,659
scale

2310
01:36:22,070 --> 01:36:20,940
and yet we've all this evidence from all

2311
01:36:24,590 --> 01:36:22,080
the witnesses of these different

2312
01:36:27,169 --> 01:36:24,600
phenomena we've been talking about

2313
01:36:29,270 --> 01:36:27,179

who've experienced this whether it be

2314

01:36:31,370 --> 01:36:29,280

from remote viewing or crop circles

2315

01:36:32,990 --> 01:36:31,380

another topic that I've spent a lot of

2316

01:36:34,669 --> 01:36:33,000

time looking at and we find a way we

2317

01:36:36,890 --> 01:36:34,679

found the same phenomena around crop

2318

01:36:39,350 --> 01:36:36,900

circles people had telepathic

2319

01:36:40,850 --> 01:36:39,360

experiences premonitions of crop circles

2320

01:36:43,189 --> 01:36:40,860

that wouldn't appear for a couple days

2321

01:36:46,490 --> 01:36:43,199

but yet they drew them perfectly in a

2322

01:36:49,070 --> 01:36:46,500

notebook a few days before the orbs time

2323

01:36:51,350 --> 01:36:49,080

loss weird magnetic effects Compass is

2324

01:36:53,209 --> 01:36:51,360

spinning around similar sorts of

2325

01:36:54,890 --> 01:36:53,219

phenomena Jimmy even the ones we made

2326
01:36:56,270 --> 01:36:54,900
experimentally where we paid the farmer

2327
01:36:57,950 --> 01:36:56,280
we would get some of these strange

2328
01:36:59,770 --> 01:36:57,960
effects which you know again is sort of

2329
01:37:02,510 --> 01:36:59,780
a vortices

2330
01:37:04,430 --> 01:37:02,520
Vortex Dark Matter type of interaction

2331
01:37:05,750 --> 01:37:04,440
at least that's the way I look at it but

2332
01:37:07,310 --> 01:37:05,760
here's how I think this applies to

2333
01:37:09,350 --> 01:37:07,320
Cryptids since this is what we're

2334
01:37:11,990 --> 01:37:09,360
originally talking about yeah what were

2335
01:37:15,830 --> 01:37:12,000
we talking about oh Bigfoot the reason

2336
01:37:17,270 --> 01:37:15,840
why Bigfoot is so associated with all of

2337
01:37:20,689 --> 01:37:17,280
these topics we're talking about tonight

2338
01:37:23,410 --> 01:37:20,699

is in my view they're a type of

2339

01:37:25,910 --> 01:37:23,420

human or related to humans a type of

2340

01:37:27,890 --> 01:37:25,920

hominoid as the Russian researchers the

2341

01:37:30,590 --> 01:37:27,900

Russians call it hominology

2342

01:37:32,930 --> 01:37:30,600

that kept developing along these lines

2343

01:37:34,910 --> 01:37:32,940

without the classification and the stove

2344

01:37:36,709 --> 01:37:34,920

piping and the type of bureaucratization

2345

01:37:38,350 --> 01:37:36,719

which for some reason our particular

2346

01:37:41,030 --> 01:37:38,360

species went in that direction

2347

01:37:43,010 --> 01:37:41,040

technological Direction they kept in the

2348

01:37:44,629 --> 01:37:43,020

other direction of the way nature

2349

01:37:46,850 --> 01:37:44,639

already develops all these Quantum

2350

01:37:49,790 --> 01:37:46,860

principles and they just kept developing

2351

01:37:51,830 --> 01:37:49,800

it over thousands over millennia until

2352

01:37:53,629 --> 01:37:51,840

they were capable of doing everything we

2353

01:37:55,990 --> 01:37:53,639

see in that Lockheed Martin patent or

2354

01:38:00,669 --> 01:37:56,000

what Boyd Bushman is talking about

2355

01:38:03,169 --> 01:38:00,679

invisibility cloaking you know

2356

01:38:05,629 --> 01:38:03,179

non-local communication everything you

2357

01:38:08,030 --> 01:38:05,639

see in those patents is what Cryptids

2358

01:38:11,090 --> 01:38:08,040

are capable of doing morphine

2359

01:38:13,490 --> 01:38:11,100

transmutation a lot of them so it just

2360

01:38:16,790 --> 01:38:13,500

seems to me if we think we're figuring

2361

01:38:18,950 --> 01:38:16,800

it out now it's probably just like these

2362

01:38:20,570 --> 01:38:18,960

very interesting animals we were talking

2363

01:38:23,209 --> 01:38:20,580

about at the beginning of the show that

2364

01:38:25,790 --> 01:38:23,219

are naturally invisible

2365

01:38:28,610 --> 01:38:25,800

some other types of life that were has

2366

01:38:30,169 --> 01:38:28,620

evolved at us as as we are thousands of

2367

01:38:31,370 --> 01:38:30,179

years ago kept they just went in a

2368

01:38:33,669 --> 01:38:31,380

different direction and they're here

2369

01:38:36,229 --> 01:38:33,679

with us now at like another civilization

2370

01:38:37,910 --> 01:38:36,239

layered onto ours but they're extremely

2371

01:38:40,610 --> 01:38:37,920

good at being stealthy

2372

01:38:42,950 --> 01:38:40,620

and avoiding us if they want and and

2373

01:38:44,950 --> 01:38:42,960

changing into other frequencies which we

2374

01:38:48,169 --> 01:38:44,960

don't consciously know how to do

2375

01:38:50,450 --> 01:38:48,179

are you technically I'm not putting you

2376

01:38:51,950 --> 01:38:50,460

on the spot here but I want to hear your

2377

01:38:54,470 --> 01:38:51,960

answer

2378

01:38:55,910 --> 01:38:54,480

are we technically talking about skin

2379

01:39:00,070 --> 01:38:55,920

walker Ranch

2380

01:39:04,370 --> 01:39:00,080

you know and and and the entire concept

2381

01:39:05,770 --> 01:39:04,380

of of ASAP which uh to me had nothing to

2382

01:39:08,270 --> 01:39:05,780

do with UFOs

2383

01:39:11,390 --> 01:39:08,280

and had everything to do with everything

2384

01:39:14,390 --> 01:39:11,400

else uh Cryptids and the spiritual yeah

2385

01:39:16,610 --> 01:39:14,400

the vortexes right

2386

01:39:18,950 --> 01:39:16,620

yeah why people like Stephen Green

2387

01:39:21,050 --> 01:39:18,960

Street continue to make fun of this when

2388

01:39:23,209 --> 01:39:21,060

there's so many witnesses not only to

2389

01:39:24,649 --> 01:39:23,219

Skinwalker Ranch of you know I'm talking

2390

01:39:26,570 --> 01:39:24,659

about the New York Post the reporter who

2391

01:39:28,070 --> 01:39:26,580

did some very good UFO research a few

2392

01:39:30,590 --> 01:39:28,080

years ago but now has become very

2393

01:39:32,510 --> 01:39:30,600

critical of us happening this is what

2394

01:39:36,050 --> 01:39:32,520

ASAP was looking at people like James

2395

01:39:37,669 --> 01:39:36,060

Iacaski and Tom Keller and George Knapp

2396

01:39:40,910 --> 01:39:37,679

realized there was a huge crossover

2397

01:39:42,649 --> 01:39:40,920

between the UFO phenomena and the

2398

01:39:45,470 --> 01:39:42,659

phenomena they saw at Skinwalker Ranch

2399

01:39:50,810 --> 01:39:45,480

which at the time was uh owned by Robert

2400

01:39:52,910 --> 01:39:50,820

Bigelow and uh they started OSAP as a

2401

01:39:55,250 --> 01:39:52,920

UFO program but then they realized

2402

01:39:59,030 --> 01:39:55,260

places where these UFOs show up like

2403

01:40:01,850 --> 01:39:59,040

Skinwalker Ranch also had Cryptid

2404

01:40:03,890 --> 01:40:01,860

activity and lots of orbs of course and

2405

01:40:05,870 --> 01:40:03,900

and and things that appear like ball

2406

01:40:07,970 --> 01:40:05,880

lightning that people experiencing Time

2407

01:40:09,590 --> 01:40:07,980

Slips and voices speaking in their heads

2408

01:40:12,229 --> 01:40:09,600

the same sort of thing but this is not

2409

01:40:14,209 --> 01:40:12,239

only happening at Skinwalker Ranch Ted

2410

01:40:16,729 --> 01:40:14,219

Phillips who was an associate of Jay

2411

01:40:19,810 --> 01:40:16,739

Allen heineck did a lot of Trace case

2412

01:40:22,430 --> 01:40:19,820

analyzes thousands of cases

2413

01:40:26,649 --> 01:40:22,440

documented the same phenomena at a place

2414

01:40:29,570 --> 01:40:26,659

called Marley Woods a ranch in Missouri

2415

01:40:32,810 --> 01:40:29,580

identical phenomena to Skinwalker some

2416

01:40:35,270 --> 01:40:32,820

people said even more so strange types

2417

01:40:38,930 --> 01:40:35,280

of animals that we just don't even have

2418

01:40:40,970 --> 01:40:38,940

names for call them Cryptids the orbs

2419

01:40:42,950 --> 01:40:40,980

Ted Phillips called them the Ambrose he

2420

01:40:44,810 --> 01:40:42,960

even said one time one of these orbs

2421

01:40:46,430 --> 01:40:44,820

came over came over a picnic bench there

2422

01:40:48,169 --> 01:40:46,440

that was changed to the ground it

2423

01:40:49,850 --> 01:40:48,179

started coming up in the air the

2424

01:40:51,770 --> 01:40:49,860

anti-gravity effects

2425

01:40:53,990 --> 01:40:51,780

so you get this at these portal areas

2426

01:40:56,830 --> 01:40:54,000

there are some near the Yakima

2427

01:41:01,370 --> 01:40:56,840

Washington area

2428

01:41:04,129 --> 01:41:01,380

Bradshaw Ranch in Sedona right so we

2429

01:41:09,189 --> 01:41:04,139

know about these portal areas and they

2430

01:41:11,810 --> 01:41:09,199

most likely in my view have some sort of

2431

01:41:15,410 --> 01:41:11,820

different mineral or crystalline

2432

01:41:17,090 --> 01:41:15,420

configuration in the ground that gives

2433

01:41:19,310 --> 01:41:17,100

rise to these phenomena it makes it

2434

01:41:20,450 --> 01:41:19,320

easier for coherent matter phenomena to

2435

01:41:23,030 --> 01:41:20,460

arise

2436

01:41:25,669 --> 01:41:23,040

and different types of carbonaceous and

2437

01:41:27,649 --> 01:41:25,679

silica substances that form the basis of

2438

01:41:29,149 --> 01:41:27,659

ball lightning are most likely we know

2439

01:41:30,890 --> 01:41:29,159

in Skinwalker Ranch there's a lot of

2440

01:41:32,270 --> 01:41:30,900

gilsonite which is a carbon-based

2441

01:41:34,189 --> 01:41:32,280

material and and there could be more

2442

01:41:36,590 --> 01:41:34,199

going on than that but it seems like you

2443

01:41:38,030 --> 01:41:36,600

get this in certain places but don't you

2444

01:41:39,530 --> 01:41:38,040

think there's a pretty big overlap

2445

01:41:42,709 --> 01:41:39,540

between all these different sort of

2446

01:41:45,109 --> 01:41:42,719

portal areas the Cryptids the UFOs the

2447

01:41:47,689 --> 01:41:45,119

orbs and then the experiences of the

2448

01:41:49,609 --> 01:41:47,699

people who are there which is a lot of

2449

01:41:51,649 --> 01:41:49,619

really strange phenomena the the

2450

01:41:54,050 --> 01:41:51,659

Skinwalker Ranch area is interesting

2451
01:41:56,410 --> 01:41:54,060
because even before the modern era the

2452
01:41:59,390 --> 01:41:56,420
American Indians who lived in the area

2453
01:42:02,750 --> 01:41:59,400
reported these types of Cryptids types

2454
01:42:06,770 --> 01:42:02,760
of strange phenomena in that whole uh

2455
01:42:08,930 --> 01:42:06,780
who went to a county Basin so it seems

2456
01:42:10,910 --> 01:42:08,940
that these are long lasting effects and

2457
01:42:13,550 --> 01:42:10,920
it would make sense that ASAP was

2458
01:42:15,290 --> 01:42:13,560
interested in this I mean just at a

2459
01:42:16,609 --> 01:42:15,300
minimal level for the same reason we've

2460
01:42:18,590 --> 01:42:16,619
been talking about all this sort of

2461
01:42:20,390 --> 01:42:18,600
Defense contract or interest in ball

2462
01:42:22,189 --> 01:42:20,400
lightning and so forth because there's

2463
01:42:23,270 --> 01:42:22,199

technological applications if you can

2464

01:42:28,090 --> 01:42:23,280

figure it out

2465

01:42:33,950 --> 01:42:31,850

in the short time that we have left

2466

01:42:36,050 --> 01:42:33,960

I've got to ask you the most complicated

2467

01:42:37,550 --> 01:42:36,060

question you know the known universe

2468

01:42:40,370 --> 01:42:37,560

which is this

2469

01:42:43,189 --> 01:42:40,380

consciousness

2470

01:42:48,649 --> 01:42:43,199

does it exist in the physical

2471

01:42:53,750 --> 01:42:51,530

well it's a good question and I don't

2472

01:42:56,510 --> 01:42:53,760

think anyone has the complete answer to

2473

01:42:59,030 --> 01:42:56,520

that but to me it seems based on what we

2474

01:43:02,870 --> 01:42:59,040

know about sound and frequency

2475

01:43:05,510 --> 01:43:02,880

is that Consciousness and intelligence

2476

01:43:09,530 --> 01:43:05,520

generates matter

2477

01:43:12,590 --> 01:43:09,540

but that our particular biological form

2478

01:43:13,669 --> 01:43:12,600

we're only aware of a sliver of it at a

2479

01:43:15,590 --> 01:43:13,679

time

2480

01:43:16,790 --> 01:43:15,600

so that it exists at a lot of different

2481

01:43:20,570 --> 01:43:16,800

levels

2482

01:43:22,970 --> 01:43:20,580

and it's not it's contained in physical

2483

01:43:25,010 --> 01:43:22,980

matter like we appear to be in this you

2484

01:43:28,250 --> 01:43:25,020

know definite space over a certain time

2485

01:43:30,830 --> 01:43:28,260

period so it has this sort of non-local

2486

01:43:34,129 --> 01:43:30,840

quality to it which is also another

2487

01:43:36,590 --> 01:43:34,139

component of these phenomena

2488

01:43:38,270 --> 01:43:36,600

because if you look at people who've had

2489

01:43:40,070 --> 01:43:38,280

near-death experiences and this whole

2490

01:43:41,149 --> 01:43:40,080

other is a whole other topic that people

2491

01:43:42,950 --> 01:43:41,159

who've

2492

01:43:46,070 --> 01:43:42,960

you know you talk to people that were

2493

01:43:49,189 --> 01:43:46,080

heart surgeons who had patients die on

2494

01:43:51,770 --> 01:43:49,199

the operating table and come back

2495

01:43:53,390 --> 01:43:51,780

those patients just knew way too much

2496

01:43:55,729 --> 01:43:53,400

about what had been going on the whole

2497

01:43:56,990 --> 01:43:55,739

time and described what the outside of

2498

01:43:58,910 --> 01:43:57,000

the building looked like I remember

2499

01:44:00,649 --> 01:43:58,920

hearing cases of people who are

2500

01:44:02,629 --> 01:44:00,659

clinically Dead who could describe the

2501

01:44:03,649 --> 01:44:02,639

inside of the elevator shafts and things

2502

01:44:05,629 --> 01:44:03,659

that there's no way they could have

2503

01:44:08,090 --> 01:44:05,639

known about they had like remote viewing

2504

01:44:11,030 --> 01:44:08,100

experiences while they were clinically

2505

01:44:13,250 --> 01:44:11,040

dead so what that shows us is to me at

2506

01:44:15,229 --> 01:44:13,260

least that the conscious component of

2507

01:44:16,270 --> 01:44:15,239

what we are you know goes beyond the

2508

01:44:19,810 --> 01:44:16,280

physical

2509

01:44:25,430 --> 01:44:19,820

and why why

2510

01:44:28,729 --> 01:44:25,440

is it so easy for science today

2511

01:44:30,530 --> 01:44:28,739

to go the easy route and to say that

2512

01:44:33,470 --> 01:44:30,540

Consciousness is just a chemical

2513

01:44:34,910 --> 01:44:33,480

reaction right that it's it's it's in

2514

01:44:37,010 --> 01:44:34,920

every single particle there's a little

2515

01:44:40,010 --> 01:44:37,020

piece of Consciousness you get enough

2516

01:44:42,830 --> 01:44:40,020

Mass together you know this you know

2517

01:44:45,649 --> 01:44:42,840

five pounds of gray goo between our ears

2518

01:44:46,490 --> 01:44:45,659

and Consciousness is just a product of

2519

01:44:52,010 --> 01:44:46,500

that

2520

01:44:54,050 --> 01:44:52,020

they don't they can't they can't measure

2521

01:44:56,330 --> 01:44:54,060

it therefore they can't

2522

01:44:58,609 --> 01:44:56,340

understand it

2523

01:45:01,669 --> 01:44:58,619

I mean everybody knows every physicist

2524

01:45:05,450 --> 01:45:01,679

knows that they can laugh and cry and

2525

01:45:07,970 --> 01:45:05,460

think and talk you know they they know

2526

01:45:11,270 --> 01:45:07,980

that Consciousness is a thing

2527

01:45:14,209 --> 01:45:11,280

but they don't want to discuss it

2528

01:45:16,370 --> 01:45:14,219

yeah we we come from this mechanistic

2529

01:45:18,590 --> 01:45:16,380

scientific Paradigm which we have to

2530

01:45:22,850 --> 01:45:18,600

respect because it was going up against

2531

01:45:25,370 --> 01:45:22,860

a lot of superstitious and just dogmatic

2532

01:45:27,050 --> 01:45:25,380

religious beliefs of the Middle Ages I

2533

01:45:30,890 --> 01:45:27,060

mean at the time

2534

01:45:32,570 --> 01:45:30,900

they wanted to you know basically

2535

01:45:34,310 --> 01:45:32,580

uh

2536

01:45:37,250 --> 01:45:34,320

take anybody who believed in the

2537

01:45:40,609 --> 01:45:37,260

heliocentric theory versus the ptolemaic

2538

01:45:43,010 --> 01:45:40,619

idea yeah yeah and burn you at the stake

2539

01:45:45,709 --> 01:45:43,020

which they did to Giordano Bruno

2540

01:45:47,209 --> 01:45:45,719

yesterday was the first person to

2541

01:45:49,250 --> 01:45:47,219

propose multiverses in the sense of

2542

01:45:51,109 --> 01:45:49,260

improves the infinite Universe he

2543

01:45:54,950 --> 01:45:51,119

suggested other life forms on other

2544

01:45:56,870 --> 01:45:54,960

planets so science had to challenge that

2545

01:45:58,910 --> 01:45:56,880

and I think we can identify because all

2546

01:46:01,490 --> 01:45:58,920

of my modern people are evidence-based

2547

01:46:03,590 --> 01:46:01,500

we actually like to see some no matter

2548

01:46:05,450 --> 01:46:03,600

where you come down on any of the topics

2549

01:46:08,330 --> 01:46:05,460

we're talking about tonight we can all

2550

01:46:09,649 --> 01:46:08,340

agree that we'd like to see evidence one

2551

01:46:11,209 --> 01:46:09,659

way or another and where we're willing

2552

01:46:13,550 --> 01:46:11,219

to go with the evidence

2553

01:46:15,229 --> 01:46:13,560

whether it's the arrow type evidence we

2554

01:46:16,609 --> 01:46:15,239

don't think that's the full range of

2555

01:46:18,590 --> 01:46:16,619

evidence but we're evidence-based people

2556

01:46:22,010 --> 01:46:18,600

now Consciousness is a little hard to

2557

01:46:24,649 --> 01:46:22,020

fit into an evidence-based Paradigm and

2558

01:46:28,070 --> 01:46:24,659

that's our sort of bias as modern people

2559

01:46:29,510 --> 01:46:28,080

because before the modern era if you

2560

01:46:32,270 --> 01:46:29,520

read books in The History of Science

2561

01:46:34,970 --> 01:46:32,280

people were not evidence-based it either

2562

01:46:38,390 --> 01:46:34,980

had to be something that Aristotle said

2563

01:46:40,430 --> 01:46:38,400

or the church believed in and if the

2564

01:46:42,530 --> 01:46:40,440

evidence didn't fit that they said your

2565

01:46:44,149 --> 01:46:42,540

eyes were deceiving you because it

2566

01:46:46,490 --> 01:46:44,159

didn't fit what they were totally

2567

01:46:48,649 --> 01:46:46,500

belief-based we've switched around the

2568

01:46:51,890 --> 01:46:48,659

other way in the last 500 years to be

2569

01:46:54,050 --> 01:46:51,900

evidence-based which biases us more

2570

01:46:55,310 --> 01:46:54,060

towards material stuff and things that

2571

01:46:58,250 --> 01:46:55,320

we can measure and I don't think that's

2572

01:47:01,189 --> 01:46:58,260

a bad thing but it also means that

2573

01:47:03,770 --> 01:47:01,199

phenomena even RV comes down into this

2574

01:47:05,990 --> 01:47:03,780

category it's a little hard to kind of

2575

01:47:07,970 --> 01:47:06,000

identify what is going on there you can

2576

01:47:09,590 --> 01:47:07,980

look at the page later and see what

2577

01:47:12,770 --> 01:47:09,600

people wrote down but you don't know how

2578

01:47:14,450 --> 01:47:12,780

they got it but going along your

2579

01:47:16,490 --> 01:47:14,460

argument a little more there's so much

2580

01:47:19,850 --> 01:47:16,500

about us that doesn't fit into the

2581

01:47:22,550 --> 01:47:19,860

reductionist model of the brain and even

2582

01:47:25,910 --> 01:47:22,560

in Science magazine which I like to read

2583

01:47:28,250 --> 01:47:25,920

on a weekly basis there are articles

2584

01:47:30,169 --> 01:47:28,260

arguing that the reductionist approach

2585

01:47:32,870 --> 01:47:30,179

to the brain and Consciousness doesn't

2586

01:47:36,050 --> 01:47:32,880

add up even the inventor of the

2587

01:47:37,850 --> 01:47:36,060

microchip Federico fujin and there's a

2588

01:47:39,950 --> 01:47:37,860

free documentary you can watch about the

2589

01:47:42,590 --> 01:47:39,960

four lives of Federico fishing

2590

01:47:45,890 --> 01:47:42,600

he argues in there that Consciousness is

2591

01:47:49,729 --> 01:47:45,900

not something that is easily reducible

2592

01:47:51,890 --> 01:47:49,739

to something mechanistic he argues their

2593

01:47:53,450 --> 01:47:51,900

machines will never be conscious at

2594

01:47:54,490 --> 01:47:53,460

least machines as we understand them the

2595

01:47:58,609 --> 01:47:54,500

Consciousness have something to

2596

01:48:00,770 --> 01:47:58,619

experience and understanding and

2597

01:48:03,470 --> 01:48:00,780

feelings which machines don't have

2598

01:48:05,450 --> 01:48:03,480

directly so it's a very good question

2599

01:48:08,810 --> 01:48:05,460

and I think just the way we look at it

2600

01:48:10,310 --> 01:48:08,820

it's hard to we're reduction we like the

2601
01:48:11,990 --> 01:48:10,320
idea of reductions and to break things

2602
01:48:15,350 --> 01:48:12,000
down into Parts but it simply doesn't

2603
01:48:17,990 --> 01:48:15,360
work in the case of who we are yeah it

2604
01:48:20,270 --> 01:48:18,000
remains a mystery and the big brain

2605
01:48:24,590 --> 01:48:20,280
experiment it's still ongoing in

2606
01:48:26,090 --> 01:48:24,600
Switzerland uh the idea it sounds

2607
01:48:29,510 --> 01:48:26,100
plausible

2608
01:48:32,570 --> 01:48:29,520
if we build a computer big enough

2609
01:48:34,550 --> 01:48:32,580
with a trillion connections just like

2610
01:48:38,510 --> 01:48:34,560
the human brain

2611
01:48:40,310 --> 01:48:38,520
it'll work right so they built it and

2612
01:48:43,550 --> 01:48:40,320
it's impressive

2613
01:48:46,970 --> 01:48:43,560

didn't do nothing right and it was just

2614

01:48:50,510 --> 01:48:46,980

like wait a minute I guess the brain is

2615

01:48:53,510 --> 01:48:50,520

actually pretty cool and in the end

2616

01:48:56,390 --> 01:48:53,520

um and I'm paraphrasing all of this but

2617

01:48:58,250 --> 01:48:56,400

in the end the billions of dollars that

2618

01:48:59,810 --> 01:48:58,260

they spent and continue to spend on that

2619

01:49:02,330 --> 01:48:59,820

project

2620

01:49:05,930 --> 01:49:02,340

um the magic that they thought was going

2621

01:49:08,930 --> 01:49:05,940

to happen possible sentience right and

2622

01:49:11,390 --> 01:49:08,940

all of this maybe it did the

2623

01:49:13,910 --> 01:49:11,400

Consciousness could develop

2624

01:49:16,430 --> 01:49:13,920

um and thought patterns and and things

2625

01:49:18,350 --> 01:49:16,440

none of that happened it was just an

2626

01:49:20,689 --> 01:49:18,360

oversized computer

2627

01:49:23,030 --> 01:49:20,699

um the brain works in magical ways and

2628

01:49:26,629 --> 01:49:23,040

you're right the the reduction is part

2629

01:49:28,010 --> 01:49:26,639

they've tried they've tried and I think

2630

01:49:29,870 --> 01:49:28,020

that the more that we study the brain

2631

01:49:31,910 --> 01:49:29,880

the more that we understand that it's

2632

01:49:33,770 --> 01:49:31,920

probably the most amazing Creation in

2633

01:49:36,410 --> 01:49:33,780

the universe

2634

01:49:39,229 --> 01:49:36,420

yeah there's some it's more than just

2635

01:49:42,649 --> 01:49:39,239

the sum of the parts even with trillions

2636

01:49:44,810 --> 01:49:42,659

of synaptic connections which seem to be

2637

01:49:46,669 --> 01:49:44,820

more if you take all the neurons we have

2638

01:49:48,350 --> 01:49:46,679

and all the multiples of connections

2639

01:49:50,689 --> 01:49:48,360

apparently it's more than

2640

01:49:52,370 --> 01:49:50,699

stars in the universe it's just a huge

2641

01:49:54,890 --> 01:49:52,380

amount of connections but even if you

2642

01:49:57,709 --> 01:49:54,900

add all that up it's not just this

2643

01:49:59,570 --> 01:49:57,719

quantitative sort of additive thing

2644

01:50:01,970 --> 01:49:59,580

there's something more to it than that

2645

01:50:04,850 --> 01:50:01,980

that we can't get it and not all

2646

01:50:06,470 --> 01:50:04,860

cultures believe that we're based in our

2647

01:50:08,990 --> 01:50:06,480

brains you know I spent some time

2648

01:50:11,990 --> 01:50:09,000

teaching remote viewing in Japan

2649

01:50:14,930 --> 01:50:12,000

and the Japanese believe that the center

2650

01:50:17,689 --> 01:50:14,940

of our being is in our stomachs in kind

2651
01:50:19,910 --> 01:50:17,699
of our midsection not in our physical

2652
01:50:21,709 --> 01:50:19,920
brain so even that is just a certain

2653
01:50:23,689 --> 01:50:21,719
cultural idea

2654
01:50:25,669 --> 01:50:23,699
but I don't think that Paradigm is ever

2655
01:50:27,770 --> 01:50:25,679
going to explain what's going on here

2656
01:50:30,290 --> 01:50:27,780
and that that reductionist Paradigm is

2657
01:50:31,970 --> 01:50:30,300
just too limit quantum mechanics in and

2658
01:50:34,430 --> 01:50:31,980
of itself

2659
01:50:36,830 --> 01:50:34,440
sort of disassembles the reductionist

2660
01:50:38,870 --> 01:50:36,840
Paradigm because it creates this idea of

2661
01:50:42,050 --> 01:50:38,880
quantum entanglement

2662
01:50:43,790 --> 01:50:42,060
which is not reducible to its parts it's

2663
01:50:47,510 --> 01:50:43,800

some sort of

2664

01:50:49,250 --> 01:50:47,520

kind of long-ranged distribution that

2665

01:50:52,250 --> 01:50:49,260

you get from particles

2666

01:50:54,830 --> 01:50:52,260

that does not reduce to any particular

2667

01:50:56,689 --> 01:50:54,840

part it's a more of a Field Effect and

2668

01:50:58,850 --> 01:50:56,699

this is why it can't really be reduced

2669

01:51:01,729 --> 01:50:58,860

but I think we're still

2670

01:51:04,430 --> 01:51:01,739

you know we brought up around this

2671

01:51:06,430 --> 01:51:04,440

mechanistic idea this was popular in

2672

01:51:08,510 --> 01:51:06,440

medicine for a while

2673

01:51:12,229 --> 01:51:08,520

we know we're more than some of our

2674

01:51:16,609 --> 01:51:12,239

parts yeah and well with speaking of

2675

01:51:18,229 --> 01:51:16,619

entanglement I mean that is that's at

2676

01:51:20,870 --> 01:51:18,239

the speed of now

2677

01:51:23,350 --> 01:51:20,880

right not the speed of light right we're

2678

01:51:28,310 --> 01:51:23,360

talking about at the same time

2679

01:51:30,830 --> 01:51:28,320

is that the magic behind remote viewing

2680

01:51:33,169 --> 01:51:30,840

because remote viewing is not at the

2681

01:51:36,050 --> 01:51:33,179

speed of light either it's at the speed

2682

01:51:38,090 --> 01:51:36,060

of thought it's at the speed of now is

2683

01:51:40,609 --> 01:51:38,100

is entanglement

2684

01:51:44,149 --> 01:51:40,619

is that what is going on that you're

2685

01:51:47,450 --> 01:51:44,159

finding a way uh to entangle particles

2686

01:51:49,910 --> 01:51:47,460

and you know at Great distances but see

2687

01:51:52,070 --> 01:51:49,920

those in real time

2688

01:51:55,430 --> 01:51:52,080

well this is something that's a subject

2689

01:51:58,570 --> 01:51:55,440

of great debate is quantum entanglement

2690

01:52:01,570 --> 01:51:58,580

responsible for these non-local effects

2691

01:52:05,050 --> 01:52:01,580

and RV is one of these

2692

01:52:08,030 --> 01:52:05,060

I think telepathy is intense yeah

2693

01:52:10,550 --> 01:52:08,040

telepathy and pre this is the weird

2694

01:52:13,189 --> 01:52:10,560

thing about it that I it anyone has

2695

01:52:16,070 --> 01:52:13,199

encountered this it's a real mind Bender

2696

01:52:17,930 --> 01:52:16,080

the fact that you can remote view things

2697

01:52:20,030 --> 01:52:17,940

that haven't happened yet and it can be

2698

01:52:21,770 --> 01:52:20,040

accurate as if it already exists out

2699

01:52:24,350 --> 01:52:21,780

there in space-time but it's not here

2700

01:52:25,970 --> 01:52:24,360

physically yet but your RV might picked

2701
01:52:28,250 --> 01:52:25,980
up something that's not going to happen

2702
01:52:29,990 --> 01:52:28,260
until tomorrow or a few days later or a

2703
01:52:32,209 --> 01:52:30,000
week later and people have done

2704
01:52:33,950 --> 01:52:32,219
experiments with this just using binary

2705
01:52:36,830 --> 01:52:33,960
outcomes where they convert the outcomes

2706
01:52:39,950 --> 01:52:36,840
of markets over like 10 years Greg

2707
01:52:42,830 --> 01:52:39,960
collagesic a Canadian extreme distance

2708
01:52:45,109 --> 01:52:42,840
athlete endurance athlete did his own

2709
01:52:47,330 --> 01:52:45,119
test for 13 years and was able to get

2710
01:52:49,609 --> 01:52:47,340
predictions of

2711
01:52:53,390 --> 01:52:49,619
stock market type Financial you know

2712
01:52:56,990 --> 01:52:53,400
binary outcomes up or down about 65 70

2713
01:52:58,669 --> 01:52:57,000

percent accuracy over 5 000 trials

2714

01:53:00,290 --> 01:52:58,679

there's no way you're going to do that

2715

01:53:01,550 --> 01:53:00,300

unless there's a real effect there you

2716

01:53:03,470 --> 01:53:01,560

can't reproduce that over 13 years

2717

01:53:05,689 --> 01:53:03,480

unless it would just look like 50 50

2718

01:53:07,970 --> 01:53:05,699

after 13 years believe me right in the

2719

01:53:11,030 --> 01:53:07,980

statistician but the quantum

2720

01:53:12,830 --> 01:53:11,040

entanglement idea does not suggest that

2721

01:53:15,290 --> 01:53:12,840

you were exchanging information at a

2722

01:53:17,390 --> 01:53:15,300

distance it just says that particles

2723

01:53:18,590 --> 01:53:17,400

that are entangled if one has been the

2724

01:53:20,209 --> 01:53:18,600

other way the other has to spin the

2725

01:53:21,890 --> 01:53:20,219

opposite if you know this one's up the

2726

01:53:24,530 --> 01:53:21,900

other one has to be down it doesn't say

2727

01:53:27,410 --> 01:53:24,540

they can communicate in real time

2728

01:53:29,030 --> 01:53:27,420

so I think it's more likely even though

2729

01:53:31,910 --> 01:53:29,040

quantum entanglement is literally

2730

01:53:34,129 --> 01:53:31,920

holding all this together right now it

2731

01:53:36,649 --> 01:53:34,139

doesn't say that there is a sort of

2732

01:53:38,870 --> 01:53:36,659

communication at a distance personally

2733

01:53:40,850 --> 01:53:38,880

what I think is more likely going on is

2734

01:53:43,729 --> 01:53:40,860

I go back to the Dark Matter explanation

2735

01:53:46,910 --> 01:53:43,739

we're interacting with flows of matter

2736

01:53:48,950 --> 01:53:46,920

that we can't see but that have you know

2737

01:53:51,229 --> 01:53:48,960

they it they have like webs throughout

2738

01:53:53,149 --> 01:53:51,239

the entire Cosmos through our universe

2739

01:53:55,790 --> 01:53:53,159

and probably into the Multiverse this

2740

01:53:57,830 --> 01:53:55,800

sort of fractal web of dark matter like

2741

01:54:00,229 --> 01:53:57,840

these strings of matter and they're

2742

01:54:03,229 --> 01:54:00,239

communicating all the time and this is

2743

01:54:05,870 --> 01:54:03,239

why I think you can relate RV to PK

2744

01:54:08,270 --> 01:54:05,880

I saw demonstrations of this when I was

2745

01:54:11,209 --> 01:54:08,280

in Japan a number of years ago of people

2746

01:54:14,390 --> 01:54:11,219

that could levitate objects over their

2747

01:54:17,570 --> 01:54:14,400

hand in one case this particular

2748

01:54:20,870 --> 01:54:17,580

practitioner levitated a cigarette into

2749

01:54:22,570 --> 01:54:20,880

my shirt pocket from 15 feet away and

2750

01:54:26,149 --> 01:54:22,580

that cigarette

2751

01:54:29,270 --> 01:54:26,159

force it made a right angle turn as it

2752

01:54:31,550 --> 01:54:29,280

was like a torpedo coming at me what is

2753

01:54:33,470 --> 01:54:31,560

this there has to be a wire something no

2754

01:54:35,209 --> 01:54:33,480

I still have the cigarette it made a

2755

01:54:37,729 --> 01:54:35,219

right angle turn and this guy was

2756

01:54:40,129 --> 01:54:37,739

staring at it and it went right into the

2757

01:54:42,530 --> 01:54:40,139

shirt pocket boom you could feel it go

2758

01:54:46,370 --> 01:54:42,540

in and he's not he's 15 feet away

2759

01:54:49,129 --> 01:54:46,380

PK is real and I know this because the

2760

01:54:52,070 --> 01:54:49,139

defense our defense department Pentagon

2761

01:54:53,870 --> 01:54:52,080

was studying Soviet PK experiments in

2762

01:54:55,430 --> 01:54:53,880

the 70s and I can tell you for a fact

2763

01:54:57,290 --> 01:54:55,440

because I've been told this by people

2764

01:54:59,810 --> 01:54:57,300

that were in the room at the time they

2765

01:55:02,750 --> 01:54:59,820

were monitoring Soviet PK experiments

2766

01:55:04,370 --> 01:55:02,760

where Soviet PK practitioners could Bend

2767

01:55:07,070 --> 01:55:04,380

to spoon a thousand miles away from

2768

01:55:09,470 --> 01:55:07,080

Moscow in the spoon bent on command it

2769

01:55:11,689 --> 01:55:09,480

literally bent from a sender A Thousand

2770

01:55:14,450 --> 01:55:11,699

Miles distant from the spoon

2771

01:55:17,209 --> 01:55:14,460

I think PK and RV are related because

2772

01:55:20,030 --> 01:55:17,219

just like parkemov argues they're Dark

2773

01:55:22,189 --> 01:55:20,040

Matter effects so my personal bent is

2774

01:55:23,990 --> 01:55:22,199

more towards these Relic neutrinos

2775

01:55:26,390 --> 01:55:24,000

they're they're called neutrinos when

2776

01:55:29,270 --> 01:55:26,400

they emit them and I think going back to

2777

01:55:31,450 --> 01:55:29,280

coherent matter someone that could emit

2778

01:55:34,790 --> 01:55:31,460

coherent matter in

2779

01:55:36,709 --> 01:55:34,800

a directed way would be levitating and

2780

01:55:39,410 --> 01:55:36,719

pushing objects around since dark matter

2781

01:55:41,450 --> 01:55:39,420

is a gravitationally based type of force

2782

01:55:43,550 --> 01:55:41,460

so I go more in that direction Jimmy

2783

01:55:45,590 --> 01:55:43,560

than in the quantum entanglement view

2784

01:55:47,330 --> 01:55:45,600

just because physicists tell us I'm just

2785

01:55:49,609 --> 01:55:47,340

reading about it earlier today from a

2786

01:55:51,649 --> 01:55:49,619

guy named Anton zellinger who happened

2787

01:55:53,149 --> 01:55:51,659

to win the Nobel Prize last year for

2788

01:55:56,330 --> 01:55:53,159

this quantum entanglement and he's

2789

01:55:58,490 --> 01:55:56,340

arguing you can do quantum teleportation

2790

01:55:59,990 --> 01:55:58,500

but not directly with two particles you

2791

01:56:01,370 --> 01:56:00,000

have to involve a third particle and

2792

01:56:03,470 --> 01:56:01,380

there's sort of a complex way they just

2793

01:56:05,270 --> 01:56:03,480

I read that I read that you you know

2794

01:56:07,250 --> 01:56:05,280

about this so I'm more I won't go more

2795

01:56:08,689 --> 01:56:07,260

in the direction of Dark Matter than I

2796

01:56:11,390 --> 01:56:08,699

have a video on my YouTube channel where

2797

01:56:13,070 --> 01:56:11,400

I argue it's more probably no one knows

2798

01:56:14,990 --> 01:56:13,080

for sure more of a dark matter effect

2799

01:56:17,510 --> 01:56:15,000

than a quantum entanglement effect well

2800

01:56:19,850 --> 01:56:17,520

didn't the Chinese route of time I could

2801
01:56:22,550 --> 01:56:19,860
do this we could talk for the next I

2802
01:56:26,750 --> 01:56:22,560
can't wait to get you back uh didn't the

2803
01:56:30,169 --> 01:56:26,760
Chinese twice over the last year

2804
01:56:31,609 --> 01:56:30,179
change the state of particles and prove

2805
01:56:34,970 --> 01:56:31,619
entanglement

2806
01:56:35,649 --> 01:56:34,980
um from satellite to satellite right

2807
01:56:38,750 --> 01:56:35,659
right

2808
01:56:41,149 --> 01:56:38,760
so there is probably no there is

2809
01:56:43,370 --> 01:56:41,159
probably a way to do it the zeligan you

2810
01:56:46,010 --> 01:56:43,380
know the zellinger way and other ways of

2811
01:56:48,830 --> 01:56:46,020
using the principle to create something

2812
01:56:50,990 --> 01:56:48,840
at a distance I've talked in Boulder to

2813
01:56:53,629 --> 01:56:51,000

people that were working at with quantum

2814

01:56:55,850 --> 01:56:53,639

computers up at nist National Institute

2815

01:56:57,410 --> 01:56:55,860

for standards yeah I've asked them this

2816

01:56:59,270 --> 01:56:57,420

question Jimmy and they said without

2817

01:57:01,430 --> 01:56:59,280

quantum entanglement you wouldn't have

2818

01:57:03,770 --> 01:57:01,440

quantum computers so there must be a way

2819

01:57:05,629 --> 01:57:03,780

yeah so they were arguing the opposite

2820

01:57:07,430 --> 01:57:05,639

of this standard view they said they

2821

01:57:09,169 --> 01:57:07,440

have to be exchanging information or we

2822

01:57:10,910 --> 01:57:09,179

wouldn't have even the idea of a quantum

2823

01:57:13,250 --> 01:57:10,920

computer which now we know exists at

2824

01:57:16,129 --> 01:57:13,260

least for a few you know fractions of a

2825

01:57:18,950 --> 01:57:16,139

second at a time yeah it it it's the

2826

01:57:21,950 --> 01:57:18,960

whole idea you see this is this is the

2827

01:57:25,669 --> 01:57:21,960

part where I keep going back to you know

2828

01:57:28,250 --> 01:57:25,679

a Sean Carroll or some you know atheist

2829

01:57:30,890 --> 01:57:28,260

physicist guy that

2830

01:57:34,430 --> 01:57:30,900

um you know will will tell you how a

2831

01:57:37,189 --> 01:57:34,440

cubit works right that you've got a zero

2832

01:57:41,149 --> 01:57:37,199

one and and a both and the both that

2833

01:57:44,870 --> 01:57:41,159

qubit is entangled in a parallel world

2834

01:57:47,810 --> 01:57:44,880

with a particle uh interact and it's

2835

01:57:48,770 --> 01:57:47,820

that computational power right I'm like

2836

01:57:52,070 --> 01:57:48,780

wait a minute

2837

01:57:55,070 --> 01:57:52,080

you're telling me some Star Trek science

2838

01:57:57,229 --> 01:57:55,080

fiction you know I'm gonna say a bad you

2839

01:57:58,430 --> 01:57:57,239

know [h__h] which I believe is real

2840

01:58:00,950 --> 01:57:58,440

that's not what I'm saying I'm saying

2841

01:58:03,229 --> 01:58:00,960

you're going to feed me that but you

2842

01:58:06,530 --> 01:58:03,239

don't believe in ghosts right this is

2843

01:58:09,050 --> 01:58:06,540

like wait wait exactly thank you you

2844

01:58:11,270 --> 01:58:09,060

can't have it both ways thank you you

2845

01:58:12,709 --> 01:58:11,280

made my day it's exactly what I say

2846

01:58:14,450 --> 01:58:12,719

you're gonna tell me all this spooky

2847

01:58:16,970 --> 01:58:14,460

stuff's going on in quantum entanglement

2848

01:58:21,970 --> 01:58:16,980

and groups of particles and David

2849

01:58:25,129 --> 01:58:21,980

Deutsch of colleague of Sean Carroll yes

2850

01:58:27,229 --> 01:58:25,139

argues that Quantum Computing proves the

2851
01:58:29,149 --> 01:58:27,239
existence of a hue Everett Multiverse

2852
01:58:31,250 --> 01:58:29,159
this is what Deutsche argues is that

2853
01:58:33,109 --> 01:58:31,260
when the computer is doing its thing

2854
01:58:35,030 --> 01:58:33,119
it's in a superposition of all possible

2855
01:58:37,129 --> 01:58:35,040
worlds and then sort of comes down into

2856
01:58:38,990 --> 01:58:37,139
our world with one solution and yet

2857
01:58:41,330 --> 01:58:39,000
those very same people the David

2858
01:58:43,310 --> 01:58:41,340
deutsches and Sean Carroll in particular

2859
01:58:45,470 --> 01:58:43,320
if you've looked at his tweets argue no

2860
01:58:47,930 --> 01:58:45,480
there's no telepathy there's no RV

2861
01:58:50,149 --> 01:58:47,940
there's no ghosts there's no UFOs get

2862
01:58:52,250 --> 01:58:50,159
over it how could you argue we're going

2863
01:58:55,270 --> 01:58:52,260

to multiverses with your freaking

2864

01:58:57,470 --> 01:58:55,280

quantum computers and um Hugh Everett

2865

01:58:59,870 --> 01:58:57,480

branching structure but there's none of

2866

01:59:02,149 --> 01:58:59,880

these phenomena that thousands and

2867

01:59:03,410 --> 01:59:02,159

thousands of people have experienced and

2868

01:59:04,790 --> 01:59:03,420

they've told you about it and they've

2869

01:59:06,470 --> 01:59:04,800

told me about it it doesn't make sense

2870

01:59:08,270 --> 01:59:06,480

that's where those people are completely

2871

01:59:11,149 --> 01:59:08,280

unscientific and illogical yeah

2872

01:59:13,550 --> 01:59:11,159

completely and you know I've read all of

2873

01:59:16,089 --> 01:59:13,560

Sean Carroll's books right I listened to

2874

01:59:21,109 --> 01:59:16,099

all of his lectures I love his podcast

2875

01:59:24,229 --> 01:59:21,119

uh and and and things but man he I don't

2876

01:59:26,390 --> 01:59:24,239

think he has any clue how quickly I'll

2877

01:59:28,910 --> 01:59:26,400

tune out when he goes in that direction

2878

01:59:31,970 --> 01:59:28,920

yeah it's it's weird because I love his

2879

01:59:34,270 --> 01:59:31,980

stuff his explanation of time it's it's

2880

01:59:37,910 --> 01:59:34,280

dude it's some of the best

2881

01:59:41,450 --> 01:59:37,920

and then and then he'll go well you know

2882

01:59:43,669 --> 01:59:41,460

uh yeah he does um he does an AMA once a

2883

01:59:45,410 --> 01:59:43,679

month it's a three-hour show I love it

2884

01:59:47,930 --> 01:59:45,420

right and he goes through and he's

2885

01:59:50,390 --> 01:59:47,940

reading the questions and somebody he'll

2886

01:59:52,790 --> 01:59:50,400

do it man once a month somebody will go

2887

01:59:55,850 --> 01:59:52,800

okay man but what about ghosts what

2888

01:59:58,129 --> 01:59:55,860

about Consciousness right and Carol goes

2889

02:00:01,370 --> 01:59:58,139

I don't have time

2890

02:00:03,770 --> 02:00:01,380

for things that aren't real

2891

02:00:07,490 --> 02:00:03,780

it's like Doom oh

2892

02:00:09,290 --> 02:00:07,500

have you has he bothered to look at the

2893

02:00:11,330 --> 02:00:09,300

rvx

2894

02:00:13,970 --> 02:00:11,340

statistically significance to the end

2895

02:00:16,609 --> 02:00:13,980

Point that's data you know who the most

2896

02:00:18,709 --> 02:00:16,619

spiritual person in the world is

2897

02:00:22,129 --> 02:00:18,719

Sean Carroll when that plane is going

2898

02:00:23,930 --> 02:00:22,139

down I guarantee you man I guarantee it

2899

02:00:28,790 --> 02:00:23,940

I guarantee it he'd be the most

2900

02:00:30,229 --> 02:00:28,800

spiritual mofo sudden conversion yeah I

2901
02:00:32,570 --> 02:00:30,239
have the exact same reaction YouTube

2902
02:00:34,609 --> 02:00:32,580
he's one of the brightest guys we have

2903
02:00:37,129 --> 02:00:34,619
around so good at explaining all of this

2904
02:00:38,870 --> 02:00:37,139
and he's able goes off into parallel

2905
02:00:40,910 --> 02:00:38,880
realities explains to us why it makes

2906
02:00:42,589 --> 02:00:40,920
sense why it's a simpler interpretation

2907
02:00:44,149 --> 02:00:42,599
of quantum mechanics and then he wears

2908
02:00:46,189 --> 02:00:44,159
off when someone asks about this I said

2909
02:00:47,810 --> 02:00:46,199
no that's just fiction that's I never

2910
02:00:49,750 --> 02:00:47,820
have time for that stuff you don't have

2911
02:00:58,430 --> 02:00:49,760
to

2912
02:01:00,229 --> 02:00:58,440
again very very soon where can everybody

2913
02:01:02,930 --> 02:01:00,239

get your books you've got how many out

2914

02:01:05,890 --> 02:01:02,940

now one two three four five six yes Dark

2915

02:01:08,450 --> 02:01:05,900

Matter monsters

2916

02:01:10,209 --> 02:01:08,460

and don't forget opening Minds yeah you

2917

02:01:12,169 --> 02:01:10,219

can get them all at my website

2918

02:01:14,089 --> 02:01:12,179

newcrystalmind.com I love to send people

2919

02:01:15,229 --> 02:01:14,099

signed copies that's a real thrill to me

2920

02:01:17,209 --> 02:01:15,239

but of course you can get them through

2921

02:01:19,209 --> 02:01:17,219

Amazon if you just you know if you want

2922

02:01:22,430 --> 02:01:19,219

to get it usually but go to my website

2923

02:01:25,370 --> 02:01:22,440

newcrystalmind.com I've got a pinned

2924

02:01:27,109 --> 02:01:25,380

post at the top for listeners to

2925

02:01:29,209 --> 02:01:27,119

to get signed copies for me directly

2926

02:01:32,870 --> 02:01:29,219

okay give me I'm gonna I'm gonna post it

2927

02:01:37,149 --> 02:01:32,880

right now it's it's what dub dub yeah

2928

02:01:44,750 --> 02:01:40,930

newcrystalmind.com I can post

2929

02:01:46,970 --> 02:01:44,760

links in the chat

2930

02:01:50,149 --> 02:01:46,980

what a great conversation I I look

2931

02:01:52,430 --> 02:01:50,159

forward to uh the next one brilliant on

2932

02:01:56,030 --> 02:01:52,440

every level thank you so much Simeon and

2933

02:01:58,790 --> 02:01:56,040

enjoy the rest of your night and Astro I

2934

02:02:00,950 --> 02:01:58,800

think it now knows the show is over he

2935

02:02:03,169 --> 02:02:00,960

just looked up I'll talk to you Jimmy

2936

02:02:05,510 --> 02:02:03,179

thank you so much talk to you next time

2937

02:02:08,109 --> 02:02:05,520

great show perfect show thank you so

2938

02:02:11,330 --> 02:02:08,119

much uh Dr Simeon Hein again

2939

02:02:13,609 --> 02:02:11,340

mountbaldi.com and new crystalmind.com

2940

02:02:16,850 --> 02:02:13,619

I've got the links up they're up in

2941

02:02:19,669 --> 02:02:16,860

social media and they're also over on

2942

02:02:21,290 --> 02:02:19,679

our website wow what an amazing show

2943

02:02:24,770 --> 02:02:21,300

tonight that was perfect

2944

02:02:26,930 --> 02:02:24,780

I I got everything in that I love to

2945

02:02:28,490 --> 02:02:26,940

talk about you guys know I was in my

2946

02:02:31,070 --> 02:02:28,500

element tonight

2947

02:02:35,030 --> 02:02:31,080

what a great show what a long day I've

2948

02:02:36,770 --> 02:02:35,040

been broadcasting since 7 00 a.m Fade to

2949

02:02:39,410 --> 02:02:36,780

Black is produced by Hilton J Palm Renee

2950

02:02:41,270 --> 02:02:39,420

Newman and Michelle freed thank you to

2951
02:02:44,410 --> 02:02:41,280
Dennis and Kevin webmaster is Drew the

2952
02:02:46,430 --> 02:02:44,420
geek music Doug Aldrich intro space boy

2953
02:02:48,410 --> 02:02:46,440
spaceboymusic.com Fade to Black is

2954
02:02:51,530 --> 02:02:48,420
produced by kj7 The Game Changer Network
