

FADE TO BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Thur Apr 20, 2023 **LIVE**

1
00:00:21,680 --> 00:00:09,540
foreign

2
00:00:21,690 --> 00:00:35,590
[Music]

3
00:00:42,130 --> 00:00:38,450
good afternoon Fade to Black breaking

4
00:00:44,869 --> 00:00:42,140
news for this Thursday April 20th

5
00:00:49,369 --> 00:00:44,879
2023. this is all of the news that you

6
00:00:52,610 --> 00:00:49,379
need I'm Jimmy church happy 420 day

7
00:00:57,350 --> 00:00:52,620
everybody let's get straight to it on

8
00:01:03,590 --> 00:00:59,770
Soviet aircraft force a Korean Airlines

9
00:01:06,649 --> 00:01:03,600
passenger jet to land in the Soviet

10
00:01:09,230 --> 00:01:06,659
Union after the jet veers into Russian

11
00:01:11,810 --> 00:01:09,240
airspace two people were killed and

12
00:01:14,810 --> 00:01:11,820
several others injured when the jet made

13
00:01:19,910 --> 00:01:14,820

a rough landing and a frozen lake about

14

00:01:21,249 --> 00:01:19,920

300 miles south of murmansk on this day

15

00:01:24,649 --> 00:01:21,259

in

16

00:01:27,550 --> 00:01:24,659

1978. let's get to your fader fact

17

00:01:31,670 --> 00:01:27,560

in 1969

18

00:01:35,149 --> 00:01:31,680

Jim Sullivan recorded an album it was

19

00:01:38,390 --> 00:01:35,159

called UFO which featured lyrics about

20

00:01:40,789 --> 00:01:38,400

being abducted by aliens

21

00:01:42,590 --> 00:01:40,799

Sullivan disappeared six years later

22

00:01:45,230 --> 00:01:42,600

Without a Trace

23

00:01:49,609 --> 00:01:45,240

the only piece of evidence being his

24

00:01:51,590 --> 00:01:49,619

abandoned car found on a desert road

25

00:01:53,870 --> 00:01:51,600

and that

26

00:01:58,069 --> 00:01:53,880

is your fader fact let's get to the

27

00:02:00,649 --> 00:01:58,079

breaking news SpaceX the most powerful

28

00:02:04,190 --> 00:02:00,659

rocket ever built put on quite a show

29

00:02:06,530 --> 00:02:04,200

during its debut launch earlier today

30

00:02:09,050 --> 00:02:06,540

the first ever integrated Starship

31

00:02:12,710 --> 00:02:09,060

rocket soared towards space

32

00:02:15,770 --> 00:02:12,720

from spacex's Seaside star base Facility

33

00:02:20,990 --> 00:02:15,780

have both says Chica Beach in South

34

00:02:24,890 --> 00:02:21,000

Texas Gulf Coast at 9 33 a.m eastern

35

00:02:26,630 --> 00:02:24,900

time the 390 foot tall Starship the

36

00:02:30,290 --> 00:02:26,640

biggest and most powerful rocket ever

37

00:02:34,790 --> 00:02:30,300

built Rose off star bases orbital launch

38

00:02:37,670 --> 00:02:34,800

Mount by its 33 first stage Raptor

39

00:02:41,570 --> 00:02:37,680

engines The Climb didn't last long

40

00:02:44,390 --> 00:02:41,580

however in a 165 foot tall Starship

41

00:02:47,030 --> 00:02:44,400

upper stage was supposed to separate

42

00:02:49,970 --> 00:02:47,040

from the super heavy first stage about

43

00:02:51,770 --> 00:02:49,980

three minutes after liftoff but that

44

00:02:55,250 --> 00:02:51,780

never happened

45

00:02:57,670 --> 00:02:55,260

the two vehicles remain connected and

46

00:03:03,650 --> 00:02:57,680

the stack began to Tumble ultimately

47

00:03:06,290 --> 00:03:03,660

exploding or as SpaceX called it uh it

48

00:03:09,170 --> 00:03:06,300

experienced a rapid unscheduled

49

00:03:12,110 --> 00:03:09,180

disassembly

50

00:03:14,270 --> 00:03:12,120

as uh

51
00:03:17,809 --> 00:03:14,280
uh that was four minutes into launch

52
00:03:20,990 --> 00:03:17,819
yeah bad humor but that SpaceX not me

53
00:03:24,830 --> 00:03:21,000
the giant vehicle reached a maximum

54
00:03:29,170 --> 00:03:24,840
altitude of about 24 miles according to

55
00:03:32,930 --> 00:03:29,180
the data on spacex's launch webcast

56
00:03:35,750 --> 00:03:32,940
NASA has denied claims made by kiev's

57
00:03:38,509 --> 00:03:35,760
City authorities that a mysterious

58
00:03:41,630 --> 00:03:38,519
dazzling flash of Light Above Ukraine's

59
00:03:44,509 --> 00:03:41,640
Capital was caused by one of its defunct

60
00:03:46,490 --> 00:03:44,519
satellites tumbling back to Earth the

61
00:03:49,910 --> 00:03:46,500
bright flash which was seen over the

62
00:03:51,770 --> 00:03:49,920
city at around 10 pm local time prompted

63
00:03:53,449 --> 00:03:51,780

the city's authorities to turn on the

64

00:03:58,149 --> 00:03:53,459

air raid alerts

65

00:04:02,390 --> 00:03:58,159

city data uh seated

66

00:04:04,070 --> 00:04:02,400

citing early data sir he popko the head

67

00:04:07,070 --> 00:04:04,080

of the city's military Administration

68

00:04:09,350 --> 00:04:07,080

said on telegram that the phenomenon was

69

00:04:12,890 --> 00:04:09,360

the result of a NASA space satellite

70

00:04:16,670 --> 00:04:12,900

falling to Earth that's a quote that

71

00:04:19,310 --> 00:04:16,680

NASA later refuted all of this saying

72

00:04:22,610 --> 00:04:19,320

that the time the flash occurred it's a

73

00:04:26,510 --> 00:04:22,620

satellite the dead 600 pound ressi

74

00:04:29,810 --> 00:04:26,520

satellite was still in orbit the

75

00:04:31,790 --> 00:04:29,820

mysterious flash above Kiev has filled a

76

00:04:35,150 --> 00:04:31,800

Ukrainian social media with popular

77

00:04:38,510 --> 00:04:35,160

memes and conspiracy theories many

78

00:04:41,629 --> 00:04:38,520

speculating that aliens aboard UFOs were

79

00:04:43,270 --> 00:04:41,639

the cause of the light in the sky

80

00:04:47,990 --> 00:04:43,280

yeah

81

00:04:50,210 --> 00:04:48,000

Netflix are you ready

82

00:04:51,890 --> 00:04:50,220

they're about to crack down on password

83

00:04:57,350 --> 00:04:51,900

sharing

84

00:04:59,210 --> 00:04:57,360

subscribers and they say it's all coming

85

00:05:03,469 --> 00:04:59,220

to an end

86

00:05:06,469 --> 00:05:03,479

in June modestly delaying a plan that

87

00:05:10,010 --> 00:05:06,479

had caused conservation among many

88

00:05:13,030 --> 00:05:10,020

subscribers of the streaming service in

89

00:05:16,909 --> 00:05:13,040

its quarterly earnings report yesterday

90

00:05:20,090 --> 00:05:16,919

Netflix said it would launch a paid a

91

00:05:23,330 --> 00:05:20,100

password sharing program globally in the

92

00:05:27,529 --> 00:05:23,340

second quarter of the year including in

93

00:05:29,330 --> 00:05:27,539

the U.S now also this is like around the

94

00:05:31,850 --> 00:05:29,340

world in other countries as well the

95

00:05:34,370 --> 00:05:31,860

company had earlier said a plan to

96

00:05:36,950 --> 00:05:34,380

introduce it by the end of March so

97

00:05:38,510 --> 00:05:36,960

there it is want to share your Netflix

98

00:05:40,310 --> 00:05:38,520

password

99

00:05:44,090 --> 00:05:40,320

while you can

100

00:05:49,490 --> 00:05:44,100

but now you gotta pay for it

101
00:05:54,590 --> 00:05:51,730
for decades

102
00:05:58,310 --> 00:05:54,600
weeds smokers across the United States

103
00:06:01,850 --> 00:05:58,320
have celebrated and rolled up on April

104
00:06:07,129 --> 00:06:01,860
20th also known as 420

105
00:06:10,629 --> 00:06:07,139
we day but what does April 20th or the

106
00:06:15,710 --> 00:06:10,639
numbers 420 have to do with marijuana

107
00:06:18,850 --> 00:06:15,720
the Mary Jane weed pot right

108
00:06:22,249 --> 00:06:18,860
there are more than a few theories and

109
00:06:25,370 --> 00:06:22,259
one of the biggest is that 420 was the

110
00:06:28,010 --> 00:06:25,380
police code for weed though that theory

111
00:06:31,129 --> 00:06:28,020
has never been substantiated

112
00:06:33,469 --> 00:06:31,139
it was also said to have been the penal

113
00:06:37,210 --> 00:06:33,479

code in California for marijuana

114

00:06:44,689 --> 00:06:40,610

no it wasn't that either

115

00:06:48,409 --> 00:06:44,699

there's also a Bob Dylan Theory the song

116

00:06:52,730 --> 00:06:48,419

title rainy day woman 12 number 12 and

117

00:06:56,749 --> 00:06:52,740

35 because 12 multiplied by 35 is 420.

118

00:06:59,029 --> 00:06:56,759

in addition to the lyric everybody must

119

00:07:01,189 --> 00:06:59,039

get stoned

120

00:07:05,390 --> 00:07:01,199

but I know it wasn't that either

121

00:07:09,170 --> 00:07:05,400

so still decades later nobody seems to

122

00:07:10,010 --> 00:07:09,180

be 100 sure how April 20th became Weed

123

00:07:15,230 --> 00:07:10,020

Day

124

00:07:20,210 --> 00:07:15,240

but the the most credible theory is mine

125

00:07:26,390 --> 00:07:21,610

yeah

126

00:07:29,450 --> 00:07:26,400

April 20th started with five teenagers

127

00:07:33,830 --> 00:07:29,460

at San Rafael High School

128

00:07:37,270 --> 00:07:33,840

right who would meet daily at 4 20 p.m

129

00:07:40,909 --> 00:07:37,280

near the campus statue of Louis Pasteur

130

00:07:44,930 --> 00:07:40,919

and they would smoke weed

131

00:07:49,249 --> 00:07:44,940

and the students Steve Capper Jeffrey

132

00:07:52,309 --> 00:07:49,259

Noel Dave reddick's Larry Schwartz and

133

00:07:55,070 --> 00:07:52,319

Mark gravich became known around the

134

00:07:58,189 --> 00:07:55,080

high school as The Waldos because they

135

00:08:02,270 --> 00:07:58,199

met along a wall near the statue using

136

00:08:04,689 --> 00:08:02,280

the code 420 to say it was time to

137

00:08:09,469 --> 00:08:04,699

smoke some weed

138

00:08:11,870 --> 00:08:09,479

one of the five Dave reddick's got a job

139

00:08:15,529 --> 00:08:11,880

as a roadie for the Grateful Dead who

140

00:08:21,230 --> 00:08:15,539

printed flyers in 1990 for the deadheads

141

00:08:21,240 --> 00:08:25,070

that's right

142

00:08:30,890 --> 00:08:28,010

for all of them to light up on April

143

00:08:33,709 --> 00:08:30,900

20th at 4 20 P.M

144

00:08:39,529 --> 00:08:33,719

so there you have it

145

00:08:42,769 --> 00:08:41,149

that's all of your Fade to Black

146

00:08:47,509 --> 00:08:42,779

breaking news that you need for this

147

00:08:49,370 --> 00:08:47,519

Thursday April 20th 2023 our murals

148

00:08:52,670 --> 00:08:49,380

Jimmy church and Fade to Black breaking

149

00:08:56,389 --> 00:08:52,680

news is produced by Renee Newman

150

00:09:00,160 --> 00:08:56,399

and I'm going to leave that with go back
