

# FADE TO BLACK

with JIMMY CHURCH

**PRESENTS**

## JIMMY CHURCH

**AMA: ASK ME ANYTHING!**

**MON APRIL 24 LIVE**

**700-900PM PT**

1  
00:00:37,930 --> 00:00:32,950

[Music]

2  
00:00:41,209 --> 00:00:37,940

the smoke radio for the masses of July 8

3  
00:00:43,610 --> 00:00:41,219

1947 the Army Air Forces has announced

4  
00:00:45,709 --> 00:00:43,620

that a flying disc has been found and is

5  
00:00:48,830 --> 00:00:45,719

now in the possession of the army

6  
00:00:52,970 --> 00:00:48,840

game is rigged change the game game

7  
00:00:56,150 --> 00:00:52,980

changer I occasionally think how quickly

8  
00:00:59,510 --> 00:00:56,160

our differences worldwide would vanish

9  
00:01:00,870 --> 00:00:59,520

if we were facing an alien threat from

10  
00:01:02,690 --> 00:01:00,880

outside this work

11  
00:01:02,870 --> 00:01:02,700

[Music]

12  
00:01:05,170 --> 00:01:02,880

[Applause]

13  
00:01:08,090 --> 00:01:05,180

[Music]

14

00:01:10,969 --> 00:01:08,100

this is Fade to Black with your host

15

00:01:11,640 --> 00:01:10,979

Jimmy Church on the game changer Radio

16

00:01:13,190 --> 00:01:11,650

Network

17

00:01:17,109 --> 00:01:13,200

[Music]

18

00:01:22,969 --> 00:01:19,149

good evening

19

00:01:24,310 --> 00:01:22,979

happy Monday this is Faith black it is

20

00:01:26,990 --> 00:01:24,320

April 24

21

00:01:30,410 --> 00:01:27,000

2023 I'm Yours Jimmy Church

22

00:01:33,170 --> 00:01:30,420

tonight oh okay tonight's our AMA we do

23

00:01:36,230 --> 00:01:33,180

this once a month uh ask me anything so

24

00:01:39,469 --> 00:01:36,240

that's what tonight is a few basic rules

25

00:01:42,230 --> 00:01:39,479

all simple uh you can post in the live

26

00:01:44,510 --> 00:01:42,240

chat you can post your questions there

27

00:01:47,990 --> 00:01:44,520

and if you do that in the live chat uh

28

00:01:50,749 --> 00:01:48,000

put it in all caps uh so I can see it it

29

00:01:53,450 --> 00:01:50,759

is a very busy night when we do the AMA

30

00:01:56,030 --> 00:01:53,460

so just put it in all caps and that

31

00:01:58,190 --> 00:01:56,040

makes my life easier even though I don't

32

00:01:59,870 --> 00:01:58,200

wear glasses anymore that was part of

33

00:02:02,210 --> 00:01:59,880

the reasons why I did it but now I'm

34

00:02:05,090 --> 00:02:02,220

used to it so

35

00:02:08,330 --> 00:02:05,100

all caps in the chat and then over on

36

00:02:10,070 --> 00:02:08,340

Twitter hashtag gift to be we have got

37

00:02:11,330 --> 00:02:10,080

uh let me scroll back here there it is

38

00:02:14,449 --> 00:02:11,340

right there post your questions right

39

00:02:16,850 --> 00:02:14,459

here tonight's our monthly AMA so you

40

00:02:18,470 --> 00:02:16,860

know where to do it you can bust a move

41

00:02:25,250 --> 00:02:18,480

right there

42

00:02:31,130 --> 00:02:29,330

and so that is there and uh where else

43

00:02:34,250 --> 00:02:31,140

oh oh Facebook

44

00:02:37,070 --> 00:02:34,260

Facebook on our radio page I should have

45

00:02:38,750 --> 00:02:37,080

that set up and ready to go I never I've

46

00:02:40,490 --> 00:02:38,760

never really figured out how to use it

47

00:02:43,250 --> 00:02:40,500

see there's 12

48

00:02:44,630 --> 00:02:43,260

it doesn't matter I'm not I'm not uh

49

00:02:47,330 --> 00:02:44,640

we'll see if I can figure that out

50

00:02:50,449 --> 00:02:47,340

during the break and uh there you go

51  
00:02:52,850 --> 00:02:50,459  
it's our AMA now we've got five nights

52  
00:02:57,170 --> 00:02:52,860  
of shows this week we have tonight we

53  
00:03:01,009 --> 00:02:57,180  
have the AMA tomorrow night we have uh

54  
00:03:05,089 --> 00:03:01,019  
John Ramirez here for the first time and

55  
00:03:07,850 --> 00:03:05,099  
uh xcia very vocal about disclosure and

56  
00:03:10,009 --> 00:03:07,860  
E.T and contact and all of that stuff so

57  
00:03:12,649 --> 00:03:10,019  
that is going on tomorrow night Big Show

58  
00:03:15,350 --> 00:03:12,659  
tomorrow night Wednesday Richard

59  
00:03:17,649 --> 00:03:15,360  
bleeping Dolan is here

60  
00:03:20,509 --> 00:03:17,659  
and uh we're going to be talking about

61  
00:03:22,130 --> 00:03:20,519  
uh the the Senate hearing of course

62  
00:03:24,110 --> 00:03:22,140  
Arrow

63  
00:03:27,350 --> 00:03:24,120

um and I think there's some similarities

64

00:03:30,350 --> 00:03:27,360

a little bit with nycap and a few other

65

00:03:32,630 --> 00:03:30,360

efforts that went on in the past and we

66

00:03:34,670 --> 00:03:32,640

will be discussing all of that in

67

00:03:37,790 --> 00:03:34,680

relation to today so that is Wednesday

68

00:03:41,750 --> 00:03:37,800

night Thursday night Stephen Bassett is

69

00:03:43,970 --> 00:03:41,760

here from prg uh political activist out

70

00:03:44,750 --> 00:03:43,980

of Washington DC he is here in La at the

71

00:03:47,050 --> 00:03:44,760

moment

72

00:03:51,410 --> 00:03:47,060

and right

73

00:03:54,170 --> 00:03:51,420

uh big big days right now for prg and

74

00:03:56,690 --> 00:03:54,180

what they are doing uh so Stephen is

75

00:04:01,430 --> 00:03:56,700

going to join us and then Wednesday or

76

00:04:03,530 --> 00:04:01,440

Friday night Mick West is here and we

77

00:04:05,270 --> 00:04:03,540

haven't had Mick on the show uh for a

78

00:04:07,430 --> 00:04:05,280

little bit now

79

00:04:10,130 --> 00:04:07,440

um but I was watching some of his

80

00:04:11,390 --> 00:04:10,140

comments about the Senate hearing and

81

00:04:13,789 --> 00:04:11,400

some of the other stuff that he's been

82

00:04:16,789 --> 00:04:13,799

working on lately and he is the perfect

83

00:04:20,990 --> 00:04:16,799

guest to wrap up the week this week uh

84

00:04:25,070 --> 00:04:21,000

because UFOs are in the news so uh

85

00:04:28,610 --> 00:04:25,080

there's that part and then today

86

00:04:30,050 --> 00:04:28,620

um uh as we gear up uh the show and

87

00:04:32,510 --> 00:04:30,060

everybody starts posting your questions

88

00:04:36,590 --> 00:04:32,520

and you get all those ready

89

00:04:41,030 --> 00:04:36,600

um uh big news in the media world slash

90

00:04:45,590 --> 00:04:41,040

UFO world today in that I mean nobody

91

00:04:47,629 --> 00:04:45,600

saw this coming Fox News uh cut loose of

92

00:04:52,189 --> 00:04:47,639

Tucker Carlson

93

00:04:55,430 --> 00:04:52,199

and CNN Cut Loose of Don Lemon

94

00:04:58,790 --> 00:04:55,440

and now so you have

95

00:05:00,650 --> 00:04:58,800

now Don Lemon isn't quite you know the

96

00:05:03,050 --> 00:05:00,660

number one guy over at CNN I suppose

97

00:05:08,150 --> 00:05:03,060

that would be a toss-up between Wolf

98

00:05:11,390 --> 00:05:08,160

Blitzer and um uh Vanderbilt uh guy uh

99

00:05:13,790 --> 00:05:11,400

man His Name Escapes Anderson Cooper so

100

00:05:16,310 --> 00:05:13,800

uh but Don Lemon is is one of their guys

101  
00:05:18,350 --> 00:05:16,320  
uh one of their Superstars over there at

102  
00:05:22,189 --> 00:05:18,360  
CNN but also

103  
00:05:24,650 --> 00:05:22,199  
right uh UFOs I think Don was uh right

104  
00:05:27,249 --> 00:05:24,660  
there part of our community and helping

105  
00:05:30,230 --> 00:05:27,259  
us along and of course Tucker

106  
00:05:32,810 --> 00:05:30,240  
uh now that he's gone who's left at in

107  
00:05:34,010 --> 00:05:32,820  
the Murdoch house to talk about UFOs

108  
00:05:39,050 --> 00:05:34,020  
over there

109  
00:05:42,230 --> 00:05:39,060  
wow and uh but on the same day done

110  
00:05:47,330 --> 00:05:42,240  
nearly in the same fashion

111  
00:05:53,570 --> 00:05:50,689  
there and nobody else is going to say

112  
00:05:56,029 --> 00:05:53,580  
this all right and and I understand why

113  
00:05:58,850 --> 00:05:56,039

I I just don't give a crap anymore I'm

114

00:06:00,290 --> 00:05:58,860

too old to give a crap about anything so

115

00:06:01,730 --> 00:06:00,300

I'm just gonna say it I'm gonna put it

116

00:06:04,730 --> 00:06:01,740

out there

117

00:06:07,090 --> 00:06:04,740

this is not a coincidence

118

00:06:12,409 --> 00:06:07,100

how can it be

119

00:06:13,670 --> 00:06:12,419

CNN and Fox News Cut Loose of their two

120

00:06:16,370 --> 00:06:13,680

superstars

121

00:06:20,749 --> 00:06:16,380

on the same day same way

122

00:06:23,330 --> 00:06:20,759

was there something now I don't know

123

00:06:25,730 --> 00:06:23,340

I'm not saying no I don't I don't I

124

00:06:28,730 --> 00:06:25,740

don't know anything about this

125

00:06:30,650 --> 00:06:28,740

but man you know and you look at this

126

00:06:32,570 --> 00:06:30,660

and you go oh that's

127

00:06:35,770 --> 00:06:32,580

kind of weird

128

00:06:38,270 --> 00:06:35,780

kind of it's kind of strange

129

00:06:39,890 --> 00:06:38,280

you know somebody talked were they

130

00:06:40,610 --> 00:06:39,900

talking to let's just do it on the same

131

00:06:42,950 --> 00:06:40,620

day

132

00:06:44,809 --> 00:06:42,960

let's just do it let's just go one for

133

00:06:48,110 --> 00:06:44,819

one we're gonna cut loose of one you cut

134

00:06:51,170 --> 00:06:48,120

loose of one and well I don't know I

135

00:06:53,090 --> 00:06:51,180

don't I I don't know but it just seems

136

00:06:54,830 --> 00:06:53,100

funky

137

00:06:57,409 --> 00:06:54,840

right so I don't know what now

138

00:07:00,249 --> 00:06:57,419

coincidence no no no no no no no no no

139

00:07:02,990 --> 00:07:00,259

no no no no no no no no

140

00:07:05,029 --> 00:07:03,000

I just don't know I just don't know the

141

00:07:07,010 --> 00:07:05,039

reasons for it

142

00:07:10,010 --> 00:07:07,020

um and maybe we'll never know that's the

143

00:07:11,689 --> 00:07:10,020

other part but uh you know and you know

144

00:07:13,850 --> 00:07:11,699

how it is you know Tucker's gonna land

145

00:07:17,270 --> 00:07:13,860

on his feet well not really

146

00:07:19,129 --> 00:07:17,280

you know whatever Bill O'Reilly whatever

147

00:07:21,350 --> 00:07:19,139

happened to that guy

148

00:07:23,809 --> 00:07:21,360

um or you know I we could go on and on

149

00:07:25,309 --> 00:07:23,819

him to listen names like this but

150

00:07:28,330 --> 00:07:25,319

um when you're when you have the number

151  
00:07:31,610 --> 00:07:28,340  
one show and the number one News Network

152  
00:07:37,070 --> 00:07:31,620  
and let me just tell you something there

153  
00:07:38,529 --> 00:07:37,080  
is no job security out there for anybody

154  
00:07:44,270 --> 00:07:38,539  
that's it

155  
00:07:47,689 --> 00:07:44,280  
have to just stop and think

156  
00:07:49,490 --> 00:07:47,699  
I love amas because nights like this I

157  
00:07:51,589 --> 00:07:49,500  
can just get my thoughts out

158  
00:07:53,270 --> 00:07:51,599  
you know I don't get to I don't get to

159  
00:07:55,730 --> 00:07:53,280  
do this often all I do is ask questions

160  
00:07:58,610 --> 00:07:55,740  
but but here's the thing

161  
00:08:00,469 --> 00:07:58,620  
you know with Tucker yeah you would

162  
00:08:04,070 --> 00:08:00,479  
think you know you're pulling three

163  
00:08:05,870 --> 00:08:04,080

million a night you're number one in all

164

00:08:07,370 --> 00:08:05,880

of Cape you're you're you know you're

165

00:08:10,430 --> 00:08:07,380

the dude or you're on the number one

166

00:08:12,650 --> 00:08:10,440

Network and and and so the question you

167

00:08:15,950 --> 00:08:12,660

know uh man I think we need to cut

168

00:08:18,650 --> 00:08:15,960

Cut Loose of Tucker who's gonna say that

169

00:08:21,170 --> 00:08:18,660

at the table number one number two who

170

00:08:23,809 --> 00:08:21,180

ran to his defense like no I don't think

171

00:08:25,850 --> 00:08:23,819

that's a good idea uh you know the

172

00:08:27,950 --> 00:08:25,860

numbers people the the advertisers how

173

00:08:32,029 --> 00:08:27,960

about the stockholders you know

174

00:08:35,329 --> 00:08:32,039

uh isn't it always the best interest of

175

00:08:36,949 --> 00:08:35,339

a corporation uh uh is the shareholders

176

00:08:40,389 --> 00:08:36,959

right

177

00:08:42,409 --> 00:08:40,399

and you're gonna tank your own stock

178

00:08:44,810 --> 00:08:42,419

you know so isn't there somebody there

179

00:08:46,730 --> 00:08:44,820

that's gonna go you know I I I think uh

180

00:08:49,070 --> 00:08:46,740

we have a responsibility to the

181

00:08:51,769 --> 00:08:49,080

shareholders I think it's a good idea to

182

00:08:53,750 --> 00:08:51,779

just tank their stock and

183

00:08:58,130 --> 00:08:53,760

here's the other thing with Fox which

184

00:09:00,710 --> 00:08:58,140

which is is funky to me number one guy

185

00:09:01,490 --> 00:09:00,720

highest paid highest ratings all of that

186

00:09:05,030 --> 00:09:01,500

stuff

187

00:09:07,550 --> 00:09:05,040

and you fire them but you don't give

188

00:09:10,370 --> 00:09:07,560

them like a little

189

00:09:12,050 --> 00:09:10,380

farewell show do you give them one shot

190

00:09:13,850 --> 00:09:12,060

to just come back and say goodbye to

191

00:09:15,230 --> 00:09:13,860

everybody do you I mean just out of

192

00:09:16,550 --> 00:09:15,240

respect

193

00:09:18,949 --> 00:09:16,560

or

194

00:09:21,710 --> 00:09:18,959

is this just

195

00:09:24,009 --> 00:09:21,720

wow you know something else and then to

196

00:09:26,150 --> 00:09:24,019

have the same thing happen same thing

197

00:09:30,290 --> 00:09:26,160

same thing

198

00:09:31,970 --> 00:09:30,300

to Don Lemon Don Lemon uh let loose

199

00:09:32,930 --> 00:09:31,980

today with the public statement saying

200

00:09:34,850 --> 00:09:32,940

man

201

00:09:36,829 --> 00:09:34,860

I had to hear from my agent that they

202

00:09:38,889 --> 00:09:36,839

fired me this morning they didn't even

203

00:09:41,810 --> 00:09:38,899

call Don

204

00:09:43,970 --> 00:09:41,820

he died man uh this is lick and I just

205

00:09:46,250 --> 00:09:43,980

wanted to you know say hey man uh you

206

00:09:47,870 --> 00:09:46,260

know we got to let you go and you know

207

00:09:49,490 --> 00:09:47,880

hope we're still friends and you know

208

00:09:51,530 --> 00:09:49,500

and then you always hear it you know we

209

00:09:53,690 --> 00:09:51,540

wish him the best of luck and all of

210

00:09:56,509 --> 00:09:53,700

their Endeavors thank you for your

211

00:10:00,710 --> 00:09:56,519

support over the years man

212

00:10:03,410 --> 00:10:00,720

two two wow just just crazy your job is

213

00:10:05,690 --> 00:10:03,420

never secure there is

214

00:10:07,810 --> 00:10:05,700

um any job really but when you get into

215

00:10:09,590 --> 00:10:07,820

the media world

216

00:10:15,050 --> 00:10:09,600

uh

217

00:10:17,090 --> 00:10:15,060

that you never use

218

00:10:19,130 --> 00:10:17,100

ever

219

00:10:20,769 --> 00:10:19,140

I'm going to tell you what that word I'm

220

00:10:25,370 --> 00:10:20,779

going to let you in on a little secret

221

00:10:27,949 --> 00:10:25,380

this is the word you never use

222

00:10:30,910 --> 00:10:27,959

vacation

223

00:10:34,850 --> 00:10:30,920

that's it that's the words you never use

224

00:10:36,889 --> 00:10:34,860

anybody who is is it you know he's got

225

00:10:40,310 --> 00:10:36,899

their own program got their own news

226

00:10:43,009 --> 00:10:40,320

thing and that or the the anchor the

227

00:10:45,530 --> 00:10:43,019

co-anchor whatever it is you don't take

228

00:10:46,850 --> 00:10:45,540

your vacation

229

00:10:52,009 --> 00:10:46,860

ever

230

00:10:54,970 --> 00:10:52,019

or break both of your legs in a ski

231

00:10:58,130 --> 00:10:54,980

accident but other than that you

232

00:10:59,990 --> 00:10:58,140

vacation is not part of your vocabulary

233

00:11:02,269 --> 00:11:00,000

you don't go away because whoever is

234

00:11:04,610 --> 00:11:02,279

going to come in and sit in for you

235

00:11:08,150 --> 00:11:04,620

it's going to take your job

236

00:11:09,350 --> 00:11:08,160

yeah yeah and uh that's that's just the

237

00:11:13,670 --> 00:11:09,360

way it is

238

00:11:19,310 --> 00:11:13,680

so when you hear about dismissals or

239

00:11:23,990 --> 00:11:21,230

the network will go

240

00:11:27,530 --> 00:11:24,000

let's pray they'll do this press release

241

00:11:31,850 --> 00:11:27,540

um Bob Jane

242

00:11:34,790 --> 00:11:31,860

is taking a scheduled vacation

243

00:11:37,670 --> 00:11:34,800

a vacation that was already on the books

244

00:11:41,650 --> 00:11:37,680

yeah right that's it it's over

245

00:11:43,910 --> 00:11:41,660

they're just negotiating your contract

246

00:11:45,889 --> 00:11:43,920

uh that's it that's all they're doing

247

00:11:47,690 --> 00:11:45,899

they're they're figuring out the number

248

00:11:51,410 --> 00:11:47,700

on that check that you're gonna get

249

00:11:55,009 --> 00:11:51,420

that's it that's it vacation

250

00:11:58,550 --> 00:11:55,019

there it is little inside info little

251

00:12:01,190 --> 00:11:58,560

inside poop all right let's uh let's get

252

00:12:04,069 --> 00:12:01,200

started yeah crazy day

253

00:12:06,190 --> 00:12:04,079

man that was a crazy day I didn't I did

254

00:12:08,930 --> 00:12:06,200

not see this cup

255

00:12:15,350 --> 00:12:08,940

who's next

256

00:12:17,210 --> 00:12:15,360

you know oh man if Tucker can go

257

00:12:22,370 --> 00:12:17,220

everybody oh that's what I was gonna

258

00:12:24,590 --> 00:12:22,380

that who over at CNN Don okay cool dude

259

00:12:26,569 --> 00:12:24,600

I guess I don't want CNN and I don't

260

00:12:30,769 --> 00:12:26,579

watch this stuff that often enough to

261

00:12:32,690 --> 00:12:30,779

really have formed an opinion but CNN's

262

00:12:33,650 --> 00:12:32,700

got a lot of people that can fill Don's

263

00:12:35,930 --> 00:12:33,660

## Shoes

264

00:12:38,410 --> 00:12:35,940

it's not a pressure situation over there

265

00:12:44,629 --> 00:12:38,420

Fox on the other hand

266

00:12:49,009 --> 00:12:46,370

man I think that was a little quick on

267

00:12:50,810 --> 00:12:49,019

the draw but

268

00:12:52,610 --> 00:12:50,820

there may be something else behind it I

269

00:12:54,949 --> 00:12:52,620

don't know I don't know

270

00:12:57,430 --> 00:12:54,959

there's uh what are they gonna do

271

00:13:01,430 --> 00:12:57,440

what are they gonna do their prime time

272

00:13:04,190 --> 00:13:01,440

just wow just

273

00:13:06,350 --> 00:13:04,200

after they just cut a check for a

274

00:13:08,629 --> 00:13:06,360

billion dollars well

275

00:13:10,370 --> 00:13:08,639

800 million

276

00:13:13,790 --> 00:13:10,380

wow

277

00:13:16,069 --> 00:13:13,800

unreal unreal day in media okay let's

278

00:13:18,170 --> 00:13:16,079

get things started I wanted to start off

279

00:13:21,410 --> 00:13:18,180

with this

280

00:13:24,050 --> 00:13:21,420

uh uh from Renee

281

00:13:27,170 --> 00:13:24,060

and

282

00:13:29,030 --> 00:13:27,180

Renee's in the chat so I have to uh I

283

00:13:30,710 --> 00:13:29,040

have to do this first or else I get in

284

00:13:32,389 --> 00:13:30,720

trouble and I don't want to get in

285

00:13:35,810 --> 00:13:32,399

trouble with Renee

286

00:13:38,750 --> 00:13:35,820

um is this she she said uh I've got a

287

00:13:41,569 --> 00:13:38,760

question so this is her question from

288

00:13:45,769 --> 00:13:41,579

Renee and yes Renee Newman is in the

289

00:13:48,290 --> 00:13:45,779

chat everybody can uh uh I'm just

290

00:13:51,470 --> 00:13:48,300

letting everybody know she's in the chat

291

00:13:55,009 --> 00:13:51,480

okay here we go from Renee what do you

292

00:13:57,350 --> 00:13:55,019

expect will be the results of E.T crash

293

00:14:00,170 --> 00:13:57,360

retrieval witness and whistleblower

294

00:14:03,069 --> 00:14:00,180

testimony and Dr Greer and Michael

295

00:14:06,350 --> 00:14:03,079

schratz historic disclosure conference

296

00:14:09,290 --> 00:14:06,360

uh the June 12th national Press Club

297

00:14:14,690 --> 00:14:09,300

event in Washington DC

298

00:14:22,310 --> 00:14:19,009

um what what we need from this

299

00:14:22,910 --> 00:14:22,320

I'll tell you what I will answer this

300

00:14:26,269 --> 00:14:22,920

um

301

00:14:29,990 --> 00:14:26,279

in in a more precise manner

302

00:14:31,550 --> 00:14:30,000

uh after I watch the event

303

00:14:33,170 --> 00:14:31,560

um because it's one thing to have a list

304

00:14:35,090 --> 00:14:33,180

of witnesses and stuff like this what

305

00:14:36,769 --> 00:14:35,100

what's the evidence that's going to be

306

00:14:40,310 --> 00:14:36,779

presented how is it going to be

307

00:14:43,069 --> 00:14:40,320

presented and and how effective is it I

308

00:14:45,290 --> 00:14:43,079

can formulate an opinion um after that

309

00:14:48,170 --> 00:14:45,300

because if I have to form an opinion

310

00:14:51,710 --> 00:14:48,180

before this

311

00:14:55,990 --> 00:14:51,720

um I'm I'm gonna say if you if you are

312

00:14:58,730 --> 00:14:56,000

going to have crash retrieval Witnesses

313

00:15:00,949 --> 00:14:58,740

you've you've given

314

00:15:02,269 --> 00:15:00,959

it's hard to get depressed to take

315

00:15:06,590 --> 00:15:02,279

notice of this

316

00:15:08,569 --> 00:15:06,600

but it's hard unless you are going to go

317

00:15:11,090 --> 00:15:08,579

here's some evidence check this out

318

00:15:12,710 --> 00:15:11,100

here's this here's some lab tests here's

319

00:15:15,470 --> 00:15:12,720

this here's some photographs here's this

320

00:15:21,470 --> 00:15:15,480

we have and and all this was taken from

321

00:15:24,110 --> 00:15:21,480

a uh uh or x x site you know why site Z

322

00:15:26,150 --> 00:15:24,120

site and and present it that way that's

323

00:15:28,790 --> 00:15:26,160

the that's the most effective way to get

324

00:15:29,930 --> 00:15:28,800

the attention if it's just going to be

325

00:15:31,730 --> 00:15:29,940

this

326

00:15:34,310 --> 00:15:31,740

it's gonna be a tough one

327

00:15:36,110 --> 00:15:34,320

yeah it's going to be a tough one you

328

00:15:38,810 --> 00:15:36,120

can make it as Sensational as you want

329

00:15:41,750 --> 00:15:38,820

but if it's just all of this without

330

00:15:44,689 --> 00:15:41,760

something really really I mean you got

331

00:15:48,650 --> 00:15:44,699

to have uh something evidential

332

00:15:51,350 --> 00:15:48,660

you have to this is Crash retrieval

333

00:15:54,889 --> 00:15:51,360

you just can't have a story you know

334

00:15:58,370 --> 00:15:54,899

from your uncle that saw you know a

335

00:15:59,750 --> 00:15:58,380

flying saucer crash on his farm and a

336

00:16:01,730 --> 00:15:59,760

bunch of army trucks showed up and they

337

00:16:04,250 --> 00:16:01,740

threw it on the flatbed truck and rolled

338

00:16:07,129 --> 00:16:04,260

it out of town in the cover of darkness

339

00:16:10,910 --> 00:16:07,139

and my uncle says it's true that's not

340

00:16:13,189 --> 00:16:10,920

good enough you know you need to uh

341

00:16:15,170 --> 00:16:13,199

yeah yeah so I don't know what that's

342

00:16:17,870 --> 00:16:15,180

going to be there's a lot of uh

343

00:16:20,990 --> 00:16:17,880

excellent crash retrieval stories out

344

00:16:23,629 --> 00:16:21,000

there that I think are pretty solid uh

345

00:16:26,389 --> 00:16:23,639

the one in Cave Creek in Arizona 1958

346

00:16:29,090 --> 00:16:26,399

it's a pretty solid case

347

00:16:31,069 --> 00:16:29,100

um but that spot was paved over uh with

348

00:16:32,810 --> 00:16:31,079

concrete it's not a parking lot

349

00:16:34,370 --> 00:16:32,820

um today

350

00:16:36,829 --> 00:16:34,380

um I think it's still the original

351  
00:16:38,269 --> 00:16:36,839  
concrete that the Army poured back then

352  
00:16:40,970 --> 00:16:38,279  
but

353  
00:16:42,490 --> 00:16:40,980  
um is there Witnesses from that is there

354  
00:16:46,910 --> 00:16:42,500  
anything left over

355  
00:16:49,850 --> 00:16:46,920  
uh you know so yeah Renee it's an

356  
00:16:51,889 --> 00:16:49,860  
excellent excellent question but one

357  
00:16:56,810 --> 00:16:51,899  
that really honestly can't be answered

358  
00:16:59,170 --> 00:16:56,820  
until after uh the event on June 12th uh

359  
00:17:04,189 --> 00:16:59,180  
but there you go okay

360  
00:17:07,189 --> 00:17:04,199  
Let's uh swing this over to the chat

361  
00:17:10,549 --> 00:17:07,199  
room first up Michael Mansfield

362  
00:17:12,650 --> 00:17:10,559  
Michael Mansfield I have a question uh

363  
00:17:16,850 --> 00:17:12,660

here you know what I have the capability

364

00:17:20,329 --> 00:17:16,860

to do this I have a question that

365

00:17:22,549 --> 00:17:20,339

um undoubtedly is on the majority of

366

00:17:24,949 --> 00:17:22,559

your audience is mine namely what is

367

00:17:27,829 --> 00:17:24,959

your opinion Jimmy of Dr Sean

368

00:17:32,630 --> 00:17:27,839

Kirkpatrick the recently appointed

369

00:17:34,669 --> 00:17:32,640

director of Arrow okay

370

00:17:37,070 --> 00:17:34,679

um

371

00:17:39,470 --> 00:17:37,080

man that's a tough one

372

00:17:41,990 --> 00:17:39,480

that's a tough one Kirkpatrick's kind of

373

00:17:43,549 --> 00:17:42,000

a paradox I love I love calling people

374

00:17:51,230 --> 00:17:43,559

paradoxes

375

00:17:52,130 --> 00:17:51,240

because you say one thing then you do

376

00:17:54,650 --> 00:17:52,140

another

377

00:17:57,610 --> 00:17:54,660

right you write one thing and then you

378

00:18:02,510 --> 00:18:00,710

you change things up on the Fly and you

379

00:18:06,710 --> 00:18:02,520

keep people God's up you know it's just

380

00:18:08,150 --> 00:18:06,720

like I don't know which version of Sean

381

00:18:09,710 --> 00:18:08,160

Patrick you're going to get at that

382

00:18:11,650 --> 00:18:09,720

moment

383

00:18:16,070 --> 00:18:11,660

um because

384

00:18:18,049 --> 00:18:16,080

the uh the things that were said

385

00:18:21,350 --> 00:18:18,059

at the hearing

386

00:18:23,690 --> 00:18:21,360

no no now okay this isn't the guy in

387

00:18:26,810 --> 00:18:23,700

print this isn't the guy anywhere else

388

00:18:28,789 --> 00:18:26,820

but you actually get to hear the voice

389

00:18:31,190 --> 00:18:28,799

and the inflection in the face and the

390

00:18:34,970 --> 00:18:31,200

body and and all of that so at the

391

00:18:40,250 --> 00:18:37,070

it's not E.T

392

00:18:43,250 --> 00:18:40,260

right all the evidence that I've looked

393

00:18:44,330 --> 00:18:43,260

at back nope nope it's not ET so we're

394

00:18:46,909 --> 00:18:44,340

looking at this we're trying to figure

395

00:18:49,789 --> 00:18:46,919

this stuff out but it's not E.T

396

00:18:53,690 --> 00:18:51,770

makes you question what arrows mission

397

00:18:56,150 --> 00:18:53,700

is

398

00:18:58,610 --> 00:18:56,160

which he tried to be uh very elegant

399

00:19:01,250 --> 00:18:58,620

with at the hearing did a pretty good

400

00:19:04,370 --> 00:19:01,260

job but that's not the concern the

401

00:19:07,669 --> 00:19:04,380

concern the paradoxical part

402

00:19:08,870 --> 00:19:07,679

is that just two or three weeks prior to

403

00:19:12,529 --> 00:19:08,880

the hearing

404

00:19:16,610 --> 00:19:12,539

he did this op-ed piece with Avi Loeb

405

00:19:18,010 --> 00:19:16,620

where they postulated that uh some of

406

00:19:22,190 --> 00:19:18,020

these probes

407

00:19:24,770 --> 00:19:22,200

that are being observed and monitored

408

00:19:30,289 --> 00:19:24,780

here in the skies on planet Earth

409

00:19:32,750 --> 00:19:30,299

uh may be deposited in our solar system

410

00:19:35,630 --> 00:19:32,760

from a Mothership

411

00:19:38,510 --> 00:19:35,640

now it's like pump the brakes when that

412

00:19:42,289 --> 00:19:38,520

article came out it was like Wow and I

413

00:19:44,990 --> 00:19:42,299

had said then what data

414

00:19:50,870 --> 00:19:45,000

okay and that's what Kirkpatrick is all

415

00:19:54,610 --> 00:19:50,880

about what data Javi lobe what data are

416

00:19:57,169 --> 00:19:54,620

they basing this on

417

00:19:58,909 --> 00:19:57,179

avilobe isn't going to stick his neck

418

00:20:00,890 --> 00:19:58,919

out

419

00:20:03,890 --> 00:20:00,900

um I know Avi

420

00:20:06,770 --> 00:20:03,900

and he's just pragmatic and he's as

421

00:20:09,409 --> 00:20:06,780

black and white as it gets he's a pure

422

00:20:10,549 --> 00:20:09,419

scientist with an open mind but a pure

423

00:20:12,470 --> 00:20:10,559

scientist

424

00:20:14,330 --> 00:20:12,480

it's all about the data and that's all

425

00:20:15,830 --> 00:20:14,340

he has ever positioned himself with

426

00:20:18,710 --> 00:20:15,840

since the beginning

427

00:20:22,490 --> 00:20:18,720

give me the data let me analyze it the

428

00:20:24,350 --> 00:20:22,500

book extraterrestrial all Based on data

429

00:20:26,390 --> 00:20:24,360

he says in the book he intros in the

430

00:20:29,510 --> 00:20:26,400

book okay this is all about the data

431

00:20:34,490 --> 00:20:29,520

this isn't about theories or a

432

00:20:38,150 --> 00:20:34,500

hypothesis this is just the data

433

00:20:41,630 --> 00:20:38,160

okay and what did Sean Patrick testify

434

00:20:43,490 --> 00:20:41,640

about in the UFO hearings about the data

435

00:20:44,930 --> 00:20:43,500

it's about today that we're collecting

436

00:20:46,310 --> 00:20:44,940

the data we're looking at it we're

437

00:20:49,490 --> 00:20:46,320

trying to figure out what this stuff is

438

00:20:54,169 --> 00:20:49,500

we're looking at the data we need more

439

00:20:56,870 --> 00:20:54,179

data and so for those two guys Based on

440

00:20:59,450 --> 00:20:56,880

data to write an article like that you

441

00:21:01,870 --> 00:20:59,460

have to think they know something

442

00:21:05,810 --> 00:21:01,880

what is it that they're they've observed

443

00:21:07,070 --> 00:21:05,820

what is the what is the collection what

444

00:21:09,950 --> 00:21:07,080

are the numbers what are the sensor

445

00:21:14,630 --> 00:21:09,960

details what are the images what what is

446

00:21:16,370 --> 00:21:14,640

it in the data that would uh um uh

447

00:21:19,490 --> 00:21:16,380

motivate you

448

00:21:21,830 --> 00:21:19,500

to write an article like that

449

00:21:24,590 --> 00:21:21,840

and that got picked up by the media and

450

00:21:27,590 --> 00:21:24,600

it went all crazy

451  
00:21:29,270 --> 00:21:27,600  
right head of Arrow program says alien

452  
00:21:32,210 --> 00:21:29,280  
motherships are dropping off alien

453  
00:21:34,549 --> 00:21:32,220  
probes at Planet Earth had a Harvard

454  
00:21:38,750 --> 00:21:34,559  
Professor right we saw all of that go

455  
00:21:40,870 --> 00:21:38,760  
down and that guy turns around at the

456  
00:21:45,049 --> 00:21:40,880  
UFO hearing and says

457  
00:21:47,090 --> 00:21:45,059  
he teach me tea yeah it's not E.T uh it

458  
00:21:49,070 --> 00:21:47,100  
could be a lot of other things but uh no

459  
00:21:50,630 --> 00:21:49,080  
oh you like my Roswell shirt look at

460  
00:21:55,490 --> 00:21:50,640  
that

461  
00:21:57,830 --> 00:21:55,500  
Ron James courtesy of Ron James

462  
00:22:01,669 --> 00:21:57,840  
um yeah so I'm saying all this as I wear

463  
00:22:04,070 --> 00:22:01,679

my Roswell t-shirt it's like I don't

464

00:22:06,110 --> 00:22:04,080

know which version of Kirkpatrick is

465

00:22:09,110 --> 00:22:06,120

showing up at the party

466

00:22:12,529 --> 00:22:09,120

I don't it's a tough one

467

00:22:14,870 --> 00:22:12,539

it's a tough one I would need to now I

468

00:22:17,230 --> 00:22:14,880

know that many out there

469

00:22:21,049 --> 00:22:17,240

uh want to say

470

00:22:23,870 --> 00:22:21,059

that uh he just works for the man he's a

471

00:22:27,289 --> 00:22:23,880

DOD uh you know career guy

472

00:22:29,990 --> 00:22:27,299

and uh that he was nervous I did make

473

00:22:32,990 --> 00:22:30,000

note of that by the way and that he uh

474

00:22:34,310 --> 00:22:33,000

right and he had the classified portion

475

00:22:36,529 --> 00:22:34,320

of which I don't even know why that

476  
00:22:37,789 --> 00:22:36,539  
would matter uh the classified version

477  
00:22:40,310 --> 00:22:37,799  
of it

478  
00:22:43,010 --> 00:22:40,320  
um I did see the media pick up on his

479  
00:22:45,649 --> 00:22:43,020  
video you know head of Arrow program

480  
00:22:48,169 --> 00:22:45,659  
it's Senate hearing reveals new UFO

481  
00:22:50,390 --> 00:22:48,179  
video now I didn't see a new UFO video

482  
00:22:53,450 --> 00:22:50,400  
but nonetheless

483  
00:22:55,549 --> 00:22:53,460  
um uh is he just Towing the line did he

484  
00:22:57,649 --> 00:22:55,559  
come in and say no E.T because of

485  
00:23:00,890 --> 00:22:57,659  
blowback that he got from writing the

486  
00:23:03,110 --> 00:23:00,900  
article was the article uh the the real

487  
00:23:05,029 --> 00:23:03,120  
Sean uh Kirkpatrick

488  
00:23:06,590 --> 00:23:05,039

or was it the guy that we saw at the

489

00:23:08,630 --> 00:23:06,600

hearing I don't know

490

00:23:10,610 --> 00:23:08,640

I don't know

491

00:23:13,130 --> 00:23:10,620

I'm a perplexed

492

00:23:16,810 --> 00:23:13,140

he's a paradox but that's a great

493

00:23:19,029 --> 00:23:16,820

question Michael and thank you for that

494

00:23:21,590 --> 00:23:19,039

moving on

495

00:23:24,770 --> 00:23:21,600

Audrey May

496

00:23:27,529 --> 00:23:24,780

let's see here Andre May says hey Jimmy

497

00:23:31,490 --> 00:23:27,539

I guess my question is will your voice

498

00:23:36,010 --> 00:23:31,500

hold out tonight it will you can tell

499

00:23:41,630 --> 00:23:38,690

tonight it's on

500

00:23:44,450 --> 00:23:41,640

tonight it is on

501  
00:23:46,789 --> 00:23:44,460  
yeah I really blew it out on that um

502  
00:23:52,490 --> 00:23:46,799  
uh on that ship

503  
00:23:55,610 --> 00:23:52,500  
seven days of fun talking not shutting

504  
00:23:58,250 --> 00:23:55,620  
up Seven Days Seven Nights and man when

505  
00:24:01,970 --> 00:23:58,260  
I got home after the trip

506  
00:24:06,710 --> 00:24:01,980  
I slept I slept I I I got home at noon

507  
00:24:08,210 --> 00:24:06,720  
on Friday and I slept until noon on

508  
00:24:09,350 --> 00:24:08,220  
Saturday

509  
00:24:16,190 --> 00:24:09,360  
yeah

510  
00:24:18,770 --> 00:24:16,200  
did so I I come in

511  
00:24:22,130 --> 00:24:18,780  
popped on the TV you know I missed all

512  
00:24:24,250 --> 00:24:22,140  
of my programs on all my shows and so I

513  
00:24:26,990 --> 00:24:24,260

got something dialed up

514

00:24:32,990 --> 00:24:27,000

and I

515

00:24:34,850 --> 00:24:33,000

not an exaggeration by the way I woke up

516

00:24:37,669 --> 00:24:34,860

at midnight

517

00:24:39,169 --> 00:24:37,679

TV is like it's it's it's in that mode

518

00:24:42,470 --> 00:24:39,179

where stuff is moving around the screen

519

00:24:45,470 --> 00:24:42,480

and I was like man where am I

520

00:24:49,029 --> 00:24:45,480

oh trying to back at home

521

00:24:51,529 --> 00:24:49,039

all right and I've just made it upstairs

522

00:24:53,870 --> 00:24:51,539

and there was a string of clothes so the

523

00:24:57,049 --> 00:24:53,880

next day I woke up at noon

524

00:24:59,810 --> 00:24:57,059

so that's 24 hours man I was like noon

525

00:25:03,470 --> 00:24:59,820

to midnight that's 12 midnight to 12 the

526

00:25:05,750 --> 00:25:03,480

next day 24 hours out and I woke up at

527

00:25:08,570 --> 00:25:05,760

noon I feel pretty good actually but I

528

00:25:10,970 --> 00:25:08,580

had no voice I I remember trying to

529

00:25:12,890 --> 00:25:10,980

speaking anyway I looked down and there was

530

00:25:15,409 --> 00:25:12,900

and I'm sure you've done this because my

531

00:25:18,409 --> 00:25:15,419

house is spotless clean

532

00:25:21,289 --> 00:25:18,419

spotless all right it's just the way I

533

00:25:25,210 --> 00:25:21,299

live there was a string of clothes

534

00:25:29,330 --> 00:25:25,220

from my bedroom door in an arch

535

00:25:31,370 --> 00:25:29,340

across the bedroom that ended at the bed

536

00:25:33,649 --> 00:25:31,380

I don't even remember doing it you know

537

00:25:35,810 --> 00:25:33,659

you know how you walk and you like step

538

00:25:37,730 --> 00:25:35,820

on your socks you step onto the toe of

539

00:25:39,230 --> 00:25:37,740

your sock and you pull it off and then

540

00:25:41,390 --> 00:25:39,240

you step on the toe the other one you

541

00:25:42,950 --> 00:25:41,400

pull it off you throw off his shirt and

542

00:25:46,190 --> 00:25:42,960

maybe your teeth you know it hits the

543

00:25:49,010 --> 00:25:46,200

ground this that boom boom boom that's

544

00:25:51,830 --> 00:25:49,020

exactly and it was in an arch coming

545

00:25:54,950 --> 00:25:51,840

across and ended at the bed I just face

546

00:25:55,970 --> 00:25:54,960

planted yeah yeah and then woke up with

547

00:25:58,370 --> 00:25:55,980

no voice

548

00:26:01,010 --> 00:25:58,380

so yeah it took a

549

00:26:02,870 --> 00:26:01,020

I I was resting all week just to do the

550

00:26:04,909 --> 00:26:02,880

show at night I was you know I'm talking

551  
00:26:06,950 --> 00:26:04,919  
about hey man I can't really talk right

552  
00:26:09,110 --> 00:26:06,960  
now

553  
00:26:10,789 --> 00:26:09,120  
it was like that for a week uh just

554  
00:26:12,289 --> 00:26:10,799  
trying to save my voice for for the

555  
00:26:15,110 --> 00:26:12,299  
night and you you could hear it go away

556  
00:26:16,669 --> 00:26:15,120  
after uh after the first hour of the

557  
00:26:22,810 --> 00:26:16,679  
show second hour of the show I was

558  
00:26:27,769 --> 00:26:25,430  
I can tell

559  
00:26:29,769 --> 00:26:27,779  
thank you for that Audrey let's see what

560  
00:26:32,710 --> 00:26:29,779  
is

561  
00:26:43,190 --> 00:26:32,720  
next up

562  
00:26:45,350 --> 00:26:43,200  
it's not in all caps I'm rolling past it

563  
00:26:47,390 --> 00:26:45,360

right now I can tell you

564

00:26:48,529 --> 00:26:47,400

right now man there's a lot of comments

565

00:26:50,750 --> 00:26:48,539

here

566

00:26:53,029 --> 00:26:50,760

questions in all caps please and thank

567

00:26:55,070 --> 00:26:53,039

you for that John aside is in the house

568

00:26:58,430 --> 00:26:55,080

bill is here

569

00:27:01,549 --> 00:26:58,440

uh as well

570

00:27:06,950 --> 00:27:04,430

this is from Carrie Hughes Carrie Hughes

571

00:27:09,230 --> 00:27:06,960

says hey any interesting things

572

00:27:11,810 --> 00:27:09,240

happening at the bases around you

573

00:27:13,430 --> 00:27:11,820

um well they're all there that that's

574

00:27:16,970 --> 00:27:13,440

that's every day

575

00:27:19,310 --> 00:27:16,980

I I quit taking notes about a year ago a

576

00:27:21,250 --> 00:27:19,320

year and a half ago I just stopped I

577

00:27:25,970 --> 00:27:21,260

mean I remember

578

00:27:27,769 --> 00:27:25,980

uh the first month that uh I moved in uh

579

00:27:32,169 --> 00:27:27,779

first two months about month two months

580

00:27:34,730 --> 00:27:32,179

I did nothing but sit in the backyard

581

00:27:37,130 --> 00:27:34,740

with binoculars

582

00:27:39,590 --> 00:27:37,140

all day and all night if I wasn't doing

583

00:27:42,710 --> 00:27:39,600

the show if I didn't have something to

584

00:27:45,169 --> 00:27:42,720

do I was I was just just just waiting

585

00:27:46,370 --> 00:27:45,179

and something was gonna happen it was

586

00:27:50,750 --> 00:27:46,380

nuts

587

00:27:54,470 --> 00:27:50,760

like the U2

588

00:27:56,330 --> 00:27:54,480

all right I thought was retired when I

589

00:27:58,130 --> 00:27:56,340

called up my first friend I said man you

590

00:28:00,950 --> 00:27:58,140

two just flew overhead those are retired

591

00:28:04,070 --> 00:28:00,960

no they're not just flew over damn man

592

00:28:05,690 --> 00:28:04,080

they're retired no no and so when you

593

00:28:07,850 --> 00:28:05,700

see that for the first time and you're

594

00:28:10,490 --> 00:28:07,860

an aviation guy like I am and you see a

595

00:28:13,730 --> 00:28:10,500

U2 in the sky and you hear I've never

596

00:28:16,130 --> 00:28:13,740

seen it on TV never seen one you know

597

00:28:18,409 --> 00:28:16,140

and now they're over my house like every

598

00:28:20,330 --> 00:28:18,419

other day I'm not supposed to say that

599

00:28:23,450 --> 00:28:20,340

yeah because they're fine top secret

600

00:28:26,930 --> 00:28:23,460

missions but anyway so I I stopped doing

601  
00:28:29,630 --> 00:28:26,940  
that I could just sit in my backyard

602  
00:28:33,710 --> 00:28:29,640  
and see stuff

603  
00:28:38,390 --> 00:28:33,720  
and uh it's crazy so now she wants to

604  
00:28:41,690 --> 00:28:38,400  
know what's happening lately and uh I'll

605  
00:28:43,430 --> 00:28:41,700  
tell you what happened yesterday now

606  
00:28:44,870 --> 00:28:43,440  
it's not that interesting it was very

607  
00:28:46,970 --> 00:28:44,880  
interesting to me

608  
00:28:49,909 --> 00:28:46,980  
but um

609  
00:28:52,930 --> 00:28:49,919  
yesterday it was around noon

610  
00:28:58,250 --> 00:28:52,940  
I'm in my Jeep I'm driving

611  
00:29:00,529 --> 00:28:58,260  
and I'm heading East on a road heading

612  
00:29:02,090 --> 00:29:00,539  
east and if you head east Lockheed Skunk

613  
00:29:06,769 --> 00:29:02,100

Orcs is out there you know it's east of

614

00:29:10,610 --> 00:29:06,779

me so I'm I'm on a road south of uh

615

00:29:12,590 --> 00:29:10,620

Lockheed but heading east

616

00:29:13,730 --> 00:29:12,600

little west of Lockheed but I'm heading

617

00:29:16,370 --> 00:29:13,740

east

618

00:29:20,389 --> 00:29:16,380

and uh something catches my eye to the

619

00:29:23,950 --> 00:29:20,399

left and this is what made it cool

620

00:29:26,750 --> 00:29:23,960

it was a giant

621

00:29:27,950 --> 00:29:26,760

transport cargo plane

622

00:29:31,250 --> 00:29:27,960

okay

623

00:29:33,649 --> 00:29:31,260

and then as I focus and I'm I'm driving

624

00:29:36,830 --> 00:29:33,659

you know so I've got to but it's right

625

00:29:41,210 --> 00:29:36,840

next to me it's just right this this

626  
00:29:43,669 --> 00:29:41,220  
Steep and wow and it's landing gear are

627  
00:29:44,450 --> 00:29:43,679  
down it's a lot of sets of wheels on the

628  
00:29:47,510 --> 00:29:44,460  
back

629  
00:29:49,730 --> 00:29:47,520  
but I could see it right and then all of

630  
00:29:53,330 --> 00:29:49,740  
a sudden it goes fruit turns into a bank

631  
00:29:56,870 --> 00:29:53,340  
and is flying away for me and levels out

632  
00:29:59,149 --> 00:29:56,880  
with its landing gear still down

633  
00:30:01,549 --> 00:29:59,159  
now I'm stopped at a stoplight and I'm

634  
00:30:03,470 --> 00:30:01,559  
looking I'm like man don't they normally

635  
00:30:07,690 --> 00:30:03,480  
put their landing gear up all right

636  
00:30:11,570 --> 00:30:07,700  
right behind it here comes another one

637  
00:30:14,750 --> 00:30:11,580  
turns right behind the other one landing

638  
00:30:17,750 --> 00:30:15,889

it's cool

639

00:30:20,149 --> 00:30:17,760

because they never took off

640

00:30:23,269 --> 00:30:20,159

I was I just sat there at the light for

641

00:30:25,190 --> 00:30:23,279

about 30 45 seconds I just watched him

642

00:30:26,690 --> 00:30:25,200

just go out across the desert and then

643

00:30:29,149 --> 00:30:26,700

descend down

644

00:30:32,210 --> 00:30:29,159

and Landon Edwards they never even

645

00:30:34,970 --> 00:30:32,220

pulled their landing gear up they don't

646

00:30:37,850 --> 00:30:34,980

give a crap they ever pulled up their

647

00:30:39,830 --> 00:30:37,860

landing gear what a cool thing to

648

00:30:43,250 --> 00:30:39,840

observe

649

00:30:47,510 --> 00:30:43,260

right they're Runway hopping two of them

650

00:30:54,970 --> 00:30:51,230

yeah pretty cool big big planes that's

651  
00:31:00,529 --> 00:30:58,010  
so I'm watching

652  
00:31:02,330 --> 00:31:00,539  
and I observe the landing gear that's my

653  
00:31:05,450 --> 00:31:02,340  
mind right

654  
00:31:07,070 --> 00:31:05,460  
but what I'm really thinking is

655  
00:31:10,250 --> 00:31:07,080  
what

656  
00:31:14,450 --> 00:31:10,260  
those planes

657  
00:31:17,269 --> 00:31:14,460  
what is so important that they would

658  
00:31:19,909 --> 00:31:17,279  
have to take off back to back like that

659  
00:31:24,289 --> 00:31:19,919  
right just rip

660  
00:31:26,810 --> 00:31:24,299  
like that not fold up the landing gear

661  
00:31:29,870 --> 00:31:26,820  
and then flight they don't truck it over

662  
00:31:32,149 --> 00:31:29,880  
there they don't fly it over there

663  
00:31:33,769 --> 00:31:32,159

they put it on a transport so it can't

664

00:31:36,110 --> 00:31:33,779

be seen

665

00:31:38,810 --> 00:31:36,120

and then put it what what's on the

666

00:31:41,870 --> 00:31:38,820

planes I just want to know

667

00:31:43,669 --> 00:31:41,880

I'm just I'm just I'm just asking

668

00:31:47,029 --> 00:31:43,679

I don't know

669

00:31:48,289 --> 00:31:47,039

but I bet it's really really cool and

670

00:31:52,070 --> 00:31:48,299

that's what I was thinking about at that

671

00:31:54,649 --> 00:31:52,080

stoplight all right here we go let's

672

00:31:57,590 --> 00:31:54,659

keep this going tonight's our AMA Post

673

00:32:01,370 --> 00:31:57,600

in the chat post all caps in the chat

674

00:32:02,570 --> 00:32:01,380

you can post over on Twitter uh too as

675

00:32:07,149 --> 00:32:02,580

well

676

00:32:10,190 --> 00:32:07,159

and uh so that's going I think I've uh

677

00:32:11,750 --> 00:32:10,200

uh Jimmy will you have a chance this is

678

00:32:15,049 --> 00:32:11,760

from Olivia will you have a chance to

679

00:32:18,289 --> 00:32:15,059

stop by citd no I will be on the East

680

00:32:21,850 --> 00:32:18,299

Coast during citd uh with the private

681

00:32:24,110 --> 00:32:21,860

thing that I had booked last year and

682

00:32:27,230 --> 00:32:24,120

citdg just popped up a couple of months

683

00:32:29,210 --> 00:32:27,240

ago and so when I got the invite I had

684

00:32:32,330 --> 00:32:29,220

to say no because I'm not going to turn

685

00:32:34,370 --> 00:32:32,340

around and and tell something uh you

686

00:32:36,230 --> 00:32:34,380

know another thing that I had booked and

687

00:32:38,210 --> 00:32:36,240

contracts and stuff yeah you guys aren't

688

00:32:41,450 --> 00:32:38,220

as important as citd I'm going to cancel

689

00:32:43,909 --> 00:32:41,460

no no no that's not cool it's not cool

690

00:32:45,529 --> 00:32:43,919

so I'm just demanding my word I'm going

691

00:32:47,389 --> 00:32:45,539

to follow through with it yes this is

692

00:32:50,450 --> 00:32:47,399

the first time in what 10 years nine

693

00:32:53,090 --> 00:32:50,460

years uh eight years whatever it is uh

694

00:32:54,649 --> 00:32:53,100

that I have not been a part of citd but

695

00:32:58,310 --> 00:32:54,659

uh I'm sure it's going to be a fine

696

00:32:59,810 --> 00:32:58,320

event and Captain Ron and everybody that

697

00:33:02,450 --> 00:32:59,820

is involved over there really really

698

00:33:05,510 --> 00:33:02,460

good people so I hope that they have a

699

00:33:08,210 --> 00:33:05,520

great successful event okay all right

700

00:33:12,110 --> 00:33:08,220

and that is over on Twitter that is in

701  
00:33:14,049 --> 00:33:12,120  
hashtag f2bq you can also post up in the

702  
00:33:17,690 --> 00:33:14,059  
hashtag

703  
00:33:19,610 --> 00:33:17,700  
f2b which is

704  
00:33:23,269 --> 00:33:19,620  
um do you miss talking with us on the

705  
00:33:27,970 --> 00:33:26,210  
kinda what when

706  
00:33:31,909 --> 00:33:27,980  
um and that's from Betty Joe

707  
00:33:33,669 --> 00:33:31,919  
here's I I have done so many nights of

708  
00:33:35,210 --> 00:33:33,679  
live shows

709  
00:33:39,049 --> 00:33:35,220  
that

710  
00:33:40,430 --> 00:33:39,059  
um uh in the beginning you know in the

711  
00:33:42,130 --> 00:33:40,440  
first couple of years I'm talking about

712  
00:33:44,389 --> 00:33:42,140  
Coast to Coast I'm Fade to Black

713  
00:33:46,669 --> 00:33:44,399

everybody's a new caller

714

00:33:49,850 --> 00:33:46,679

everybody's new everybody's got

715

00:33:54,710 --> 00:33:49,860

something interesting to say and after

716

00:33:57,590 --> 00:33:54,720

four five six seven years of that

717

00:33:59,570 --> 00:33:57,600

um and I like you know I like hearing

718

00:34:01,370 --> 00:33:59,580

from you know some of the regulars and

719

00:34:03,649 --> 00:34:01,380

things and and they would call up

720

00:34:05,450 --> 00:34:03,659

prepared and would have something you

721

00:34:07,549 --> 00:34:05,460

know ready to go and then there were

722

00:34:08,930 --> 00:34:07,559

others that you know they were just

723

00:34:10,849 --> 00:34:08,940

calling because we're friends and didn't

724

00:34:14,389 --> 00:34:10,859

really have anything and wanted me to

725

00:34:17,270 --> 00:34:14,399

you know and and after a while I mean

726  
00:34:19,730 --> 00:34:17,280  
for me it kind of lost it's lost her

727  
00:34:22,310 --> 00:34:19,740  
just a little bit because the excitement

728  
00:34:25,310 --> 00:34:22,320  
of a first-time caller that's really

729  
00:34:27,349 --> 00:34:25,320  
cool I don't know this person and

730  
00:34:30,109 --> 00:34:27,359  
they're taking the time to call me and

731  
00:34:32,389 --> 00:34:30,119  
they've undoubtedly have got something

732  
00:34:34,129 --> 00:34:32,399  
very interesting and and personal to say

733  
00:34:36,470 --> 00:34:34,139  
I loved that

734  
00:34:38,990 --> 00:34:36,480  
I love that I love that part of it but

735  
00:34:40,849 --> 00:34:39,000  
turning it around into an AMA and our

736  
00:34:42,589 --> 00:34:40,859  
new show format the way that we've got

737  
00:34:46,550 --> 00:34:42,599  
it going now yeah I think it's pretty

738  
00:34:50,990 --> 00:34:46,560

cool so uh I'm kind of digging this will

739

00:34:53,869 --> 00:34:51,000

I go back and do uh uh phones again

740

00:34:57,050 --> 00:34:53,879

maybe you know I got the setup I can do

741

00:35:01,390 --> 00:34:57,060

it but uh I'm just enjoying this part of

742

00:35:09,290 --> 00:35:05,210

I do miss um mark from Dallas though

743

00:35:14,030 --> 00:35:09,300

Miss mark from Dallas okay let's see

744

00:35:19,450 --> 00:35:18,349

heated heavy 505. that's not your real

745

00:35:23,150 --> 00:35:19,460

name

746

00:35:28,250 --> 00:35:23,160

recommended electric acoustic guitar my

747

00:35:33,349 --> 00:35:31,790

depends on budget but you can get I mean

748

00:35:35,810 --> 00:35:33,359

because if I show you my acoustic

749

00:35:37,910 --> 00:35:35,820

electric okay this is mine

750

00:35:41,510 --> 00:35:37,920

I mean well I've got a couple of these

751  
00:35:43,990 --> 00:35:41,520  
this is my favorite one

752  
00:35:46,569 --> 00:35:44,000  
okay this is

753  
00:35:49,310 --> 00:35:46,579  
this is a strat

754  
00:35:52,450 --> 00:35:49,320  
and you can see the little that's a

755  
00:35:56,690 --> 00:35:52,460  
wooden alien sticker on it right there

756  
00:36:00,010 --> 00:35:56,700  
and so this is American made

757  
00:36:05,089 --> 00:36:02,870  
acoustic Sonic it's called

758  
00:36:08,390 --> 00:36:05,099  
um but this is not cheap this is not a

759  
00:36:12,109 --> 00:36:08,400  
cheap guitar it is I mean it plays

760  
00:36:13,730 --> 00:36:12,119  
wonderfully it's just got it's got the

761  
00:36:15,950 --> 00:36:13,740  
right tone and

762  
00:36:17,450 --> 00:36:15,960  
things going on this is about three

763  
00:36:19,730 --> 00:36:17,460

thousand dollars

764

00:36:21,710 --> 00:36:19,740

Okay so

765

00:36:24,890 --> 00:36:21,720

you can get there are a lot of really

766

00:36:26,450 --> 00:36:24,900

good Acoustics out there now this this I

767

00:36:28,970 --> 00:36:26,460

have and I have the Telly version of

768

00:36:31,010 --> 00:36:28,980

this too as well and the reason why is

769

00:36:34,609 --> 00:36:31,020

because it plays like an electric sounds

770

00:36:36,589 --> 00:36:34,619

like an acoustic and you can blend the

771

00:36:39,290 --> 00:36:36,599

electric pickup with the acoustic pickup

772

00:36:40,970 --> 00:36:39,300

and it's kind of Fishman in here

773

00:36:43,790 --> 00:36:40,980

um as well and so you can blend

774

00:36:45,829 --> 00:36:43,800

everything together and and uh it sounds

775

00:36:48,050 --> 00:36:45,839

amazing but it plays like an electric

776

00:36:49,790 --> 00:36:48,060

sounds like an acoustic or it sounds

777

00:36:52,430 --> 00:36:49,800

like an electric that plays like an

778

00:36:57,069 --> 00:36:52,440

acoustic it's like both so that's a nice

779

00:37:02,630 --> 00:36:59,810

Ibanez makes some really good uh

780

00:37:06,349 --> 00:37:02,640

inexpensive Acoustics you know anywhere

781

00:37:08,870 --> 00:37:06,359

from 500 400 500 up to you know eight

782

00:37:13,069 --> 00:37:08,880

900 in that range you know professional

783

00:37:15,050 --> 00:37:13,079

grade that sound great uh Taylor same

784

00:37:17,510 --> 00:37:15,060

thing there you don't have to get the

785

00:37:20,990 --> 00:37:17,520

most expensive tailors you you just jump

786

00:37:23,829 --> 00:37:21,000

down a step and get into that 500 600

787

00:37:26,230 --> 00:37:23,839

range excellent guitars

788

00:37:28,450 --> 00:37:26,240

Yamaha same thing there

789

00:37:31,790 --> 00:37:28,460

uh really really really really really

790

00:37:32,930 --> 00:37:31,800

excellent acoustic guitars Martin same

791

00:37:39,829 --> 00:37:32,940

thing

792

00:37:41,030 --> 00:37:39,839

purely acoustic with electric stuff on

793

00:37:46,310 --> 00:37:41,040

it

794

00:37:49,790 --> 00:37:46,320

those and probably would lean on the

795

00:37:51,670 --> 00:37:49,800

tailor uh pretty hard if you want an

796

00:37:54,109 --> 00:37:51,680

acoustic that plays like an electric

797

00:37:55,250 --> 00:37:54,119

then definitely check out the acoustic

798

00:37:57,790 --> 00:37:55,260

Sonics

799

00:38:01,130 --> 00:37:57,800

um when I say 3000 that's retail price

800

00:38:03,290 --> 00:38:01,140

the tally version which I have over here

801  
00:38:05,329 --> 00:38:03,300  
it's just harder to get to that's about

802  
00:38:07,730 --> 00:38:05,339  
two grand

803  
00:38:10,130 --> 00:38:07,740  
um it's a thousand dollars less again

804  
00:38:12,410 --> 00:38:10,140  
plays excellent same pickup setup and

805  
00:38:16,130 --> 00:38:12,420  
and everything's just shaped like a a

806  
00:38:19,609 --> 00:38:16,140  
Telly and it's made in Mexico and uh

807  
00:38:23,030 --> 00:38:19,619  
tremendous guitar but uh I love that

808  
00:38:25,250 --> 00:38:23,040  
Strat acoustic Sonic it is it's just a

809  
00:38:26,870 --> 00:38:25,260  
perfect guitar perfect

810  
00:38:28,990 --> 00:38:26,880  
uh

811  
00:38:35,750 --> 00:38:29,000  
Shay

812  
00:38:45,950 --> 00:38:37,430  
Jimmy

813  
00:38:45,960 --> 00:38:51,710

if I showed you the truth

814

00:38:56,150 --> 00:38:53,810

I I'm not going to get up I'm not going

815

00:38:57,470 --> 00:38:56,160

to get up and do this but

816

00:39:00,010 --> 00:38:57,480

um

817

00:39:02,450 --> 00:39:00,020

I have

818

00:39:04,190 --> 00:39:02,460

uh I thought I had something quicker

819

00:39:06,770 --> 00:39:04,200

here

820

00:39:10,670 --> 00:39:06,780

I have a set of dusting tools for

821

00:39:14,089 --> 00:39:10,680

guitars yeah a set of brushes that get

822

00:39:17,210 --> 00:39:14,099

underneath the pickups and

823

00:39:18,950 --> 00:39:17,220

um uh in in the machine heads and

824

00:39:21,050 --> 00:39:18,960

everything and you get in all the crafts

825

00:39:23,630 --> 00:39:21,060

I got a whole set of these brushes

826

00:39:26,930 --> 00:39:23,640

and I'll just go down the line but

827

00:39:29,089 --> 00:39:26,940

nothing like right the terry cloth and

828

00:39:31,310 --> 00:39:29,099

uh there you go and you can see right

829

00:39:35,290 --> 00:39:31,320

let's see even got some grease spots on

830

00:39:38,690 --> 00:39:35,300

it because I do use this and I walk down

831

00:39:41,569 --> 00:39:38,700

uh the guitars and I just go in in order

832

00:39:45,010 --> 00:39:41,579

I hit all the spots man I just hit all

833

00:39:50,450 --> 00:39:45,020

spots and kind of just it's in them all

834

00:39:53,089 --> 00:39:50,460

dusted out and yeah I do it constantly

835

00:39:54,109 --> 00:39:53,099

I do it constantly these are always at

836

00:39:57,890 --> 00:39:54,119

the ready

837

00:40:01,490 --> 00:39:57,900

and uh I like people when my my daughter

838

00:40:04,730 --> 00:40:01,500

stopped by the house uh this weekend

839

00:40:07,130 --> 00:40:04,740

and uh

840

00:40:09,230 --> 00:40:07,140

I think it was on Saturday and so she

841

00:40:10,190 --> 00:40:09,240

comes by and she's got some friends with

842

00:40:14,390 --> 00:40:10,200

her

843

00:40:17,210 --> 00:40:14,400

and we posed

844

00:40:26,030 --> 00:40:17,220

in my living room

845

00:40:31,130 --> 00:40:29,030

I swear I I am the biggest doofus when

846

00:40:35,870 --> 00:40:31,140

it comes to this stuff okay so there we

847

00:40:41,750 --> 00:40:40,069

in my living room right cool shot right

848

00:40:42,890 --> 00:40:41,760

but you see those guitars in the

849

00:40:44,930 --> 00:40:42,900

background

850

00:40:46,010 --> 00:40:44,940

I want people when they come in and of

851  
00:40:47,810 --> 00:40:46,020  
course they're going to want to see the

852  
00:40:49,810 --> 00:40:47,820  
bunker and all of that so I don't want

853  
00:40:51,770 --> 00:40:49,820  
my stuff Dusty

854  
00:40:53,390 --> 00:40:51,780  
no

855  
00:40:54,829 --> 00:40:53,400  
you can't have people come in and go

856  
00:40:58,670 --> 00:40:54,839  
dude

857  
00:41:00,250 --> 00:40:58,680  
This is Dusty no no no no no no no I am

858  
00:41:03,230 --> 00:41:00,260  
constantly

859  
00:41:05,150 --> 00:41:03,240  
and I got my little things and like

860  
00:41:08,569 --> 00:41:05,160  
they're like little flat toothbrushes

861  
00:41:10,910 --> 00:41:08,579  
they're like flat and you can yeah

862  
00:41:14,630 --> 00:41:10,920  
you know you've got it bad when you have

863  
00:41:17,510 --> 00:41:14,640

to have tools like that when I was a kid

864

00:41:19,670 --> 00:41:17,520

you took these and you stick these under

865

00:41:21,410 --> 00:41:19,680

the strings and pull it through right

866

00:41:24,290 --> 00:41:21,420

like this

867

00:41:27,770 --> 00:41:24,300

I don't have to do that anymore

868

00:41:30,650 --> 00:41:27,780

Tucker Can't I know right yeah that's

869

00:41:36,650 --> 00:41:33,829

let's see here this is Jessica do you

870

00:41:38,950 --> 00:41:36,660

know that NASA in Hebrew means to

871

00:41:42,290 --> 00:41:38,960

deceive

872

00:41:43,310 --> 00:41:42,300

who knew is that true is it spelled the

873

00:41:48,050 --> 00:41:43,320

same

874

00:41:48,060 --> 00:41:51,710

oh my God

875

00:41:56,870 --> 00:41:54,230

so over

876

00:41:59,150 --> 00:41:56,880

over in Israel when NASA does the launch

877

00:42:01,190 --> 00:41:59,160

what do they say the United States Space

878

00:42:03,650 --> 00:42:01,200

Administration

879

00:42:06,170 --> 00:42:03,660

they don't say NASA or do they and then

880

00:42:08,270 --> 00:42:06,180

they just all laugh and say too deceived

881

00:42:11,450 --> 00:42:08,280

just

882

00:42:13,310 --> 00:42:11,460

is that true is that really true

883

00:42:15,490 --> 00:42:13,320

I don't know if I'd pop that up in

884

00:42:19,190 --> 00:42:15,500

Twitter but uh

885

00:42:21,109 --> 00:42:19,200

uh that's that's interesting no I I did

886

00:42:22,069 --> 00:42:21,119

not know that I thought I'd heard a lot

887

00:42:25,250 --> 00:42:22,079

of uh

888

00:42:28,010 --> 00:42:25,260

uh a lot of things but no that's a good

889

00:42:33,650 --> 00:42:30,410

let's see

890

00:42:37,310 --> 00:42:33,660

who's next we found exoplanets we have

891

00:42:40,430 --> 00:42:37,320

found EXO moons any of those planets

892

00:42:43,430 --> 00:42:40,440

cause we know they what

893

00:42:46,190 --> 00:42:43,440

we found exoplanets

894

00:42:49,790 --> 00:42:46,200

we found EXO moons

895

00:42:52,370 --> 00:42:49,800

have we found oh wow okay so Jonathan

896

00:42:54,650 --> 00:42:52,380

says we found exoplanets have we found

897

00:42:58,190 --> 00:42:54,660

EXO moons on any of those planets

898

00:43:01,130 --> 00:42:58,200

because we know they yeah I can I can

899

00:43:03,349 --> 00:43:01,140

finish the line there in uh genocide

900

00:43:06,050 --> 00:43:03,359

um because they help with life right at

901

00:43:08,930 --> 00:43:06,060

least hours does here for sure

902

00:43:11,569 --> 00:43:08,940

without a moon I think that a planet

903

00:43:13,609 --> 00:43:11,579

would develop life is going to figure

904

00:43:16,370 --> 00:43:13,619

out a way to survive

905

00:43:19,790 --> 00:43:16,380

you know uh and that's even with a title

906

00:43:22,910 --> 00:43:19,800

locked planet and and things where

907

00:43:24,890 --> 00:43:22,920

um the uh one side of the planet's

908

00:43:26,569 --> 00:43:24,900

always facing its Sun where it's always

909

00:43:28,430 --> 00:43:26,579

hot and on the other side it's it's

910

00:43:31,270 --> 00:43:28,440

cooler

911

00:43:38,150 --> 00:43:35,870

life which okay so sunlight Shadow you

912

00:43:40,670 --> 00:43:38,160

have the ring that has both that's where

913

00:43:44,390 --> 00:43:40,680

your life forms right you have a forest

914

00:43:45,950 --> 00:43:44,400

a ringed Forest around the planet

915

00:43:47,569 --> 00:43:45,960

um but yeah I think that life will

916

00:43:51,050 --> 00:43:47,579

always have a way to survive but

917

00:43:54,829 --> 00:43:51,060

certainly our moon helped us it's like a

918

00:43:56,450 --> 00:43:54,839

spoon always stirring up the chili you

919

00:43:58,069 --> 00:43:56,460

know you're cooking your chili all day

920

00:43:59,510 --> 00:43:58,079

for your chili cook-off and you've got

921

00:44:02,450 --> 00:43:59,520

to stir it all the time that's what the

922

00:44:04,609 --> 00:44:02,460

moon does it's always stirring our you

923

00:44:07,069 --> 00:44:04,619

know the the oceans are not

924

00:44:10,190 --> 00:44:07,079

in one place all the time you know

925

00:44:13,910 --> 00:44:10,200

getting stagnant and nasty no that's

926  
00:44:15,650 --> 00:44:13,920  
what the moon does so but yes so last

927  
00:44:16,970 --> 00:44:15,660  
week

928  
00:44:19,490 --> 00:44:16,980  
um

929  
00:44:20,990 --> 00:44:19,500  
well well that's not entirely true I'm

930  
00:44:22,670 --> 00:44:21,000  
gonna back up

931  
00:44:25,250 --> 00:44:22,680  
um so last week they did announce that

932  
00:44:28,309 --> 00:44:25,260  
they found a moon

933  
00:44:30,530 --> 00:44:28,319  
um uh with uh the I think it was James

934  
00:44:34,510 --> 00:44:30,540  
Webb it might have been with Tess

935  
00:44:37,190 --> 00:44:34,520  
but they have observed uh uh an

936  
00:44:37,970 --> 00:44:37,200  
exoplanet's moon but that's not entirely

937  
00:44:41,569 --> 00:44:37,980  
true

938  
00:44:44,150 --> 00:44:41,579

I mean look look at okay I know we're

939

00:44:45,950 --> 00:44:44,160

talking about exoplanets here but if we

940

00:44:49,010 --> 00:44:45,960

just talk about the planets in our solar

941

00:44:52,730 --> 00:44:49,020

system they've all got moons every

942

00:44:54,349 --> 00:44:52,740

single one of them everyone you know and

943

00:44:56,390 --> 00:44:54,359

one of the coolest things you can do is

944

00:44:59,329 --> 00:44:56,400

look at Jupiter and tell us with your

945

00:45:04,309 --> 00:44:59,339

own telescope and look at its moons it's

946

00:45:04,319 --> 00:45:11,450

Tom lemon was a twit

947

00:45:15,829 --> 00:45:14,750

uh people are going to uh

948

00:45:22,250 --> 00:45:15,839

uh

949

00:45:24,230 --> 00:45:22,260

to have some the rumors are the

950

00:45:26,089 --> 00:45:24,240

conspiracies are going to be out there

951  
00:45:28,309 --> 00:45:26,099  
about Tucker and Don Lemon for a while I

952  
00:45:29,690 --> 00:45:28,319  
don't think that's gonna go away anytime

953  
00:45:32,390 --> 00:45:29,700  
soon

954  
00:45:36,410 --> 00:45:32,400  
Mike O'Donnell Jimmy you taped a video

955  
00:45:40,010 --> 00:45:36,420  
of ufps coming into our Dimension I did

956  
00:45:41,630 --> 00:45:40,020  
I did oh I did but Mick West uh debunked

957  
00:45:44,390 --> 00:45:41,640  
it yeah we'll talk about that on Friday

958  
00:45:46,790 --> 00:45:44,400  
night when um if that's the tape that

959  
00:45:49,010 --> 00:45:46,800  
you're talking about

960  
00:45:51,230 --> 00:45:49,020  
um what did I call that

961  
00:45:53,089 --> 00:45:51,240  
Midnight Madness in Palmdale or

962  
00:45:55,730 --> 00:45:53,099  
something like that

963  
00:45:57,109 --> 00:45:55,740

um and I saw it again uh like two nights

964

00:45:59,329 --> 00:45:57,119

ago

965

00:46:00,829 --> 00:45:59,339

I was heading out back not in the same

966

00:46:03,170 --> 00:46:00,839

spot in the sky it's a little further

967

00:46:05,270 --> 00:46:03,180

west a little further east same thing

968

00:46:07,490 --> 00:46:05,280

though lighting up and going blue

969

00:46:09,370 --> 00:46:07,500

lighting up and going blue where I

970

00:46:13,910 --> 00:46:09,380

filmed it last time was like straight

971

00:46:16,250 --> 00:46:13,920

North uh this from my location uh was

972

00:46:18,050 --> 00:46:16,260

like Northeast of where I was at so I

973

00:46:21,230 --> 00:46:18,060

was just at a little bit of an angle

974

00:46:23,089 --> 00:46:21,240

maybe 15 degrees this way uh 20 degrees

975

00:46:24,950 --> 00:46:23,099

uh but doing the same thing and I was

976

00:46:27,650 --> 00:46:24,960

gonna tape it and I thought man

977

00:46:29,270 --> 00:46:27,660

and a Midwest is going to ask me for the

978

00:46:31,490 --> 00:46:29,280

time of day and then he's going to say

979

00:46:34,550 --> 00:46:31,500

that it was starlink and then and I'm

980

00:46:36,890 --> 00:46:34,560

going to be sad so I just sat there and

981

00:46:40,670 --> 00:46:36,900

enjoyed it myself but I think that's

982

00:46:46,550 --> 00:46:42,790

uh genocide

983

00:46:51,290 --> 00:46:46,560

to buy the dozens

984

00:46:54,770 --> 00:46:51,300

yes yes I did I I think that night

985

00:46:58,250 --> 00:46:54,780

I think I probably caught maybe 20 on

986

00:47:00,050 --> 00:46:58,260

tape 20 me I don't know maybe more

987

00:47:03,349 --> 00:47:00,060

um but I didn't get the end and I didn't

988

00:47:05,030 --> 00:47:03,359

get the beginning uh it just uh fired

989

00:47:07,190 --> 00:47:05,040

with a capital f

990

00:47:08,329 --> 00:47:07,200

yeah they were both fired yeah that's

991

00:47:12,290 --> 00:47:08,339

still crazy

992

00:47:18,770 --> 00:47:12,300

I I just uh Jimmy do you watch

993

00:47:24,230 --> 00:47:18,780

succession yes I do and yes I did see

994

00:47:25,849 --> 00:47:24,240

Logan Roy died Brian Cox now if you

995

00:47:28,190 --> 00:47:25,859

haven't seen the show or if you haven't

996

00:47:31,069 --> 00:47:28,200

been caught up on the last two or three

997

00:47:32,510 --> 00:47:31,079

episodes two episodes sorry about that I

998

00:47:35,690 --> 00:47:32,520

didn't mean to drop that one on you but

999

00:47:40,430 --> 00:47:35,700

Logan Roy dead

1000

00:47:44,930 --> 00:47:43,250

I thought it was a Logan Roy trick

1001  
00:47:47,270 --> 00:47:44,940  
you know that he was gonna pop up later

1002  
00:47:49,809 --> 00:47:47,280  
huh I'm not dead you guys tried to come

1003  
00:47:59,030 --> 00:47:54,790  
uh but no no no no no Logan Roy dead

1004  
00:48:03,109 --> 00:47:59,040  
and and now Roman and Ken

1005  
00:48:05,690 --> 00:48:03,119  
are the co-ceos

1006  
00:48:08,089 --> 00:48:05,700  
man

1007  
00:48:13,550 --> 00:48:08,099  
that's crazy I love that show that show

1008  
00:48:15,349 --> 00:48:13,560  
is really good his apartment Ken Ken Roy

1009  
00:48:17,750 --> 00:48:15,359  
his apartment in New York and it's

1010  
00:48:20,809 --> 00:48:17,760  
gorgeous is for sale

1011  
00:48:23,870 --> 00:48:20,819  
one 29 million

1012  
00:48:26,150 --> 00:48:23,880  
I think it's for sale right now and so

1013  
00:48:28,790 --> 00:48:26,160

you always see the interior shots of it

1014

00:48:32,390 --> 00:48:28,800

it's it's really nice the the shots that

1015

00:48:34,190 --> 00:48:32,400

they have now on whatever realtor.com or

1016

00:48:36,770 --> 00:48:34,200

whatever it's on

1017

00:48:39,290 --> 00:48:36,780

um the same Furniture yeah it's that's

1018

00:48:42,050 --> 00:48:39,300

it that's it that apartment is for sale

1019

00:48:44,390 --> 00:48:42,060

for 29 million let's see how about

1020

00:48:46,970 --> 00:48:44,400

yellow jackets is yellow I saw that is

1021

00:48:48,950 --> 00:48:46,980

yellow jackets back for season two I

1022

00:48:51,950 --> 00:48:48,960

mean I saw season one

1023

00:48:53,630 --> 00:48:51,960

uh final season of succession a lot of

1024

00:48:55,430 --> 00:48:53,640

excellent acting happening Yellow

1025

00:48:58,490 --> 00:48:55,440

Jackets is

1026  
00:49:00,170 --> 00:48:58,500  
yeah I mean I'm gonna have to check that

1027  
00:49:03,230 --> 00:49:00,180  
out because I did see yellow jackets

1028  
00:49:03,890 --> 00:49:03,240  
popping up again but I didn't know

1029  
00:49:05,510 --> 00:49:03,900  
um

1030  
00:49:07,550 --> 00:49:05,520  
uh

1031  
00:49:09,950 --> 00:49:07,560  
I haven't heard about a season two but I

1032  
00:49:12,349 --> 00:49:09,960  
haven't had the time to look it up

1033  
00:49:15,050 --> 00:49:12,359  
um I'm watching so many things right now

1034  
00:49:17,329 --> 00:49:15,060  
I'm watching the new Kiefer Sutherland

1035  
00:49:19,130 --> 00:49:17,339  
uh rabbit hole

1036  
00:49:22,849 --> 00:49:19,140  
it's pretty good

1037  
00:49:25,490 --> 00:49:22,859  
um I'm in love with American Auto if you

1038  
00:49:27,650 --> 00:49:25,500

guys haven't seen that uh very funny

1039

00:49:29,870 --> 00:49:27,660

comedy American Auto

1040

00:49:34,130 --> 00:49:29,880

uh man I'm watching so many different

1041

00:49:36,890 --> 00:49:34,140

things right now uh Ted lasso of course

1042

00:49:40,730 --> 00:49:36,900

um I just watched that new movie I

1043

00:49:42,710 --> 00:49:40,740

squeezed this in uh ghosted

1044

00:49:45,890 --> 00:49:42,720

yeah

1045

00:49:47,809 --> 00:49:45,900

actually I know I know I know

1046

00:49:49,849 --> 00:49:47,819

you know another secret agent love story

1047

00:49:51,710 --> 00:49:49,859

but uh it's pretty good it's actually

1048

00:49:53,750 --> 00:49:51,720

pretty good

1049

00:49:55,910 --> 00:49:53,760

okay I wasn't expecting a TV

1050

00:49:57,589 --> 00:49:55,920

conversation I have no idea what I'm

1051

00:49:59,950 --> 00:49:57,599

watching anymore

1052

00:50:02,870 --> 00:49:59,960

uh

1053

00:50:05,270 --> 00:50:02,880

let's see I should have been scrolling

1054

00:50:08,569 --> 00:50:05,280

while I was talking you would think that

1055

00:50:11,630 --> 00:50:08,579

I have I have this down uh to a smoother

1056

00:50:14,750 --> 00:50:11,640

process I was listening to uh Brian

1057

00:50:17,270 --> 00:50:14,760

Greene uh the other night to an AMA he's

1058

00:50:20,630 --> 00:50:17,280

doing the same thing I'm doing okay I'm

1059

00:50:23,510 --> 00:50:20,640

scrolling through the live chat okay I'm

1060

00:50:27,290 --> 00:50:23,520

looking for my next question

1061

00:50:29,510 --> 00:50:27,300

uh uh yes I did

1062

00:50:30,710 --> 00:50:29,520

I'm gonna make I'm gonna comment on this

1063

00:50:33,829 --> 00:50:30,720

really quick

1064

00:50:35,809 --> 00:50:33,839

um uh Jimmy reported on cow's mutilation

1065

00:50:39,050 --> 00:50:35,819

today on uh faded black breaking news

1066

00:50:42,470 --> 00:50:39,060

now this this actually broke on Friday

1067

00:50:43,809 --> 00:50:42,480

uh what's today Monday uh maybe it was

1068

00:50:48,349 --> 00:50:43,819

Saturday

1069

00:50:51,290 --> 00:50:48,359

and I don't know what I was doing

1070

00:50:52,270 --> 00:50:51,300

but uh I was working but uh I was doing

1071

00:50:56,750 --> 00:50:52,280

something

1072

00:51:00,230 --> 00:50:56,760

and my phone goes bleep and I pick it up

1073

00:51:03,650 --> 00:51:00,240

and I see it's a news alert

1074

00:51:06,770 --> 00:51:03,660

so I have a few keywords on news alerts

1075

00:51:08,089 --> 00:51:06,780

right like any cattle mutilations that

1076  
00:51:09,230 --> 00:51:08,099  
happen you know that's in my search

1077  
00:51:13,849 --> 00:51:09,240  
words

1078  
00:51:15,650 --> 00:51:13,859  
I kid but UFOs is one of and and that

1079  
00:51:19,250 --> 00:51:15,660  
pops up

1080  
00:51:23,950 --> 00:51:19,260  
six cows mutilated

1081  
00:51:25,490 --> 00:51:23,960  
on highway I was like what

1082  
00:51:30,309 --> 00:51:25,500  
and

1083  
00:51:34,670 --> 00:51:30,319  
I could not believe everybody

1084  
00:51:37,250 --> 00:51:34,680  
I could not believe that all of the

1085  
00:51:40,130 --> 00:51:37,260  
catch terms

1086  
00:51:44,210 --> 00:51:40,140  
from Linda Moulton house reporting over

1087  
00:51:47,630 --> 00:51:44,220  
the years we're all in one article

1088  
00:51:50,089 --> 00:51:47,640

okay so I jumped around it's it's on all

1089

00:51:52,309 --> 00:51:50,099

the news outlets

1090

00:51:56,390 --> 00:51:52,319

um man I read it on CNN I think I read

1091

00:51:57,950 --> 00:51:56,400

it on Fox I had read it on MSNBC

1092

00:52:00,650 --> 00:51:57,960

just wanted to make sure that it was

1093

00:52:02,870 --> 00:52:00,660

real anyway all of those those those

1094

00:52:06,370 --> 00:52:02,880

terms

1095

00:52:14,569 --> 00:52:09,710

surgical precision

1096

00:52:16,089 --> 00:52:14,579

no tire tracks no footprints

1097

00:52:20,569 --> 00:52:16,099

right

1098

00:52:23,390 --> 00:52:20,579

butt cut out tongue cut out

1099

00:52:25,430 --> 00:52:23,400

laser Precision of the skin being peeled

1100

00:52:27,109 --> 00:52:25,440

I didn't see it I just read the article

1101

00:52:30,829 --> 00:52:27,119

I didn't see any pictures

1102

00:52:32,690 --> 00:52:30,839

but everything the same terms that Linda

1103

00:52:36,829 --> 00:52:32,700

has been reporting on over the years all

1104

00:52:40,790 --> 00:52:38,750

yep

1105

00:52:42,950 --> 00:52:40,800

no footprints

1106

00:52:47,710 --> 00:52:42,960

no disturbance

1107

00:52:52,490 --> 00:52:50,809

put that in your pipe and smoke it

1108

00:52:55,069 --> 00:52:52,500

that was crazy

1109

00:52:57,890 --> 00:52:55,079

that was absolutely nuts uh flying

1110

00:53:01,130 --> 00:52:57,900

monkeys Jimmy if you could repeat only

1111

00:53:03,290 --> 00:53:01,140

one meal from your recent Cruise which

1112

00:53:12,530 --> 00:53:03,300

one

1113

00:53:16,309 --> 00:53:15,349

man that was I didn't have a bad meal

1114

00:53:19,010 --> 00:53:16,319

foreign

1115

00:53:21,230 --> 00:53:19,020

I didn't have a bad meal no I didn't

1116

00:53:24,829 --> 00:53:21,240

have a bad meal the first night on the

1117

00:53:26,569 --> 00:53:24,839

cruise prime rib in the main restaurant

1118

00:53:29,990 --> 00:53:26,579

on Pitch

1119

00:53:31,849 --> 00:53:30,000

should have I should have ordered two of

1120

00:53:33,349 --> 00:53:31,859

those it was incredible

1121

00:53:36,349 --> 00:53:33,359

um all of the desserts were really good

1122

00:53:39,829 --> 00:53:36,359

uh Lobster on the second formal night

1123

00:53:42,170 --> 00:53:39,839

was was extraordinary

1124

00:53:43,270 --> 00:53:42,180

um I'm trying to think the sushi on the

1125

00:53:46,609 --> 00:53:43,280

last night

1126

00:53:49,609 --> 00:53:46,619

oh that was repeatable yeah that was

1127

00:53:52,970 --> 00:53:49,619

yeah yeah maybe Sushi last night in

1128

00:53:54,829 --> 00:53:52,980

Izumi that was it was pretty pretty good

1129

00:53:57,890 --> 00:53:54,839

actually

1130

00:53:59,930 --> 00:53:57,900

um the ponzu sauce was amazing yeah I'd

1131

00:54:02,450 --> 00:53:59,940

say I'd repeat but but you can't do

1132

00:54:04,150 --> 00:54:02,460

sushi like two nights in a row

1133

00:54:06,589 --> 00:54:04,160

you can't I mean

1134

00:54:08,150 --> 00:54:06,599

you know Mercury build up and other

1135

00:54:10,730 --> 00:54:08,160

things you know you need to you know

1136

00:54:13,730 --> 00:54:10,740

that Sushi is a once in a while special

1137

00:54:18,650 --> 00:54:13,740

thing you can't do it every no get your

1138

00:54:22,130 --> 00:54:18,660

body all toxic okay uh but yeah yeah

1139

00:54:24,890 --> 00:54:22,140

yeah they had a carne asada night that

1140

00:54:27,230 --> 00:54:24,900

was really really good too as well

1141

00:54:28,609 --> 00:54:27,240

yeah and I'm just talking about the main

1142

00:54:30,109 --> 00:54:28,619

restaurant

1143

00:54:33,230 --> 00:54:30,119

um every night they had three four

1144

00:54:35,630 --> 00:54:33,240

things five things on the main menu uh

1145

00:54:36,890 --> 00:54:35,640

to select from oh I mean just everything

1146

00:54:42,049 --> 00:54:36,900

was good

1147

00:54:43,910 --> 00:54:42,059

were great all the breakfasts were great

1148

00:54:47,510 --> 00:54:43,920

um I had a couple of breakfast in my

1149

00:54:49,069 --> 00:54:47,520

stateroom on my balcony and I mean I

1150

00:54:51,109 --> 00:54:49,079

couldn't believe free you just ordered

1151  
00:54:53,270 --> 00:54:51,119  
man they just deliver it two pots of

1152  
00:54:55,190 --> 00:54:53,280  
coffee

1153  
00:54:57,530 --> 00:54:55,200  
I mean I just I I couldn't believe it

1154  
00:54:59,990 --> 00:54:57,540  
and it was a made to order omelette man

1155  
00:55:01,130 --> 00:55:00,000  
it was just like crazy it's delivered to

1156  
00:55:02,450 --> 00:55:01,140  
my cabin

1157  
00:55:07,130 --> 00:55:02,460  
okay

1158  
00:55:12,829 --> 00:55:11,270  
let's see this is from Lisa

1159  
00:55:16,609 --> 00:55:12,839  
Lisa how do you see your last name

1160  
00:55:17,890 --> 00:55:16,619  
nandity nand Daddy nand Daddy I bet it's

1161  
00:55:22,010 --> 00:55:17,900  
nand Daddy

1162  
00:55:23,030 --> 00:55:22,020  
nanditi nandedi Nan Lisa nand daddy she

1163  
00:55:24,950 --> 00:55:23,040

says

1164

00:55:27,650 --> 00:55:24,960

any good night vision sightings on the

1165

00:55:29,930 --> 00:55:27,660

cruise yes yes we did two nights of

1166

00:55:31,190 --> 00:55:29,940

night vision uh they were out there

1167

00:55:33,589 --> 00:55:31,200

every night but it was it was pretty

1168

00:55:36,710 --> 00:55:33,599

windy plus we were busy at night um

1169

00:55:39,470 --> 00:55:36,720

having a lot of fun but uh yeah we did

1170

00:55:41,750 --> 00:55:39,480

the first night uh going up yeah yeah I

1171

00:55:43,609 --> 00:55:41,760

had a couple of uh uh really cool

1172

00:55:46,910 --> 00:55:43,619

sightings and they were the opposite of

1173

00:55:50,030 --> 00:55:46,920

normal what I would say is a normal uh

1174

00:55:54,230 --> 00:55:50,040

thing two times

1175

00:55:55,790 --> 00:55:54,240

very high object large

1176

00:55:58,069 --> 00:55:55,800

stopped

1177

00:56:00,410 --> 00:55:58,079

now we had about 10 pairs of night

1178

00:56:01,370 --> 00:56:00,420

vision goggles out on the deck I brought

1179

00:56:06,049 --> 00:56:01,380

two

1180

00:56:09,470 --> 00:56:06,059

and uh so we had probably a dozen pair

1181

00:56:12,290 --> 00:56:09,480

I brought my lasers everybody had lasers

1182

00:56:14,390 --> 00:56:12,300

and Reuben had his lasers and so we were

1183

00:56:16,490 --> 00:56:14,400

able to do all of that so we were all

1184

00:56:19,190 --> 00:56:16,500

focused on these same objects at the

1185

00:56:20,750 --> 00:56:19,200

same time and we all watched this thing

1186

00:56:23,089 --> 00:56:20,760

it was clipping along pretty good pretty

1187

00:56:25,309 --> 00:56:23,099

good it was big and it's just like right

1188

00:56:28,010 --> 00:56:25,319

above us and it just slowed down and

1189

00:56:31,069 --> 00:56:28,020

stopped just stop

1190

00:56:33,829 --> 00:56:31,079

and that happened twice about

1191

00:56:36,290 --> 00:56:33,839

15 minutes apart maybe a half no about

1192

00:56:39,349 --> 00:56:36,300

15 minutes apart but to see something

1193

00:56:41,150 --> 00:56:39,359

just park like that could be a satellite

1194

00:56:44,329 --> 00:56:41,160

being positioned

1195

00:56:45,589 --> 00:56:44,339

sure no question about it but it was uh

1196

00:56:48,849 --> 00:56:45,599

uh

1197

00:56:52,190 --> 00:56:48,859

pretty cool all right

1198

00:56:54,589 --> 00:56:52,200

let's take a break and

1199

00:56:56,569 --> 00:56:54,599

um uh let's get this in this is faded

1200

00:56:59,150 --> 00:56:56,579

black tonight's our AMA you can post in

1201  
00:57:01,190 --> 00:56:59,160  
the live chat and if you do that do all

1202  
00:57:04,250 --> 00:57:01,200  
caps for me please you can also post and

1203  
00:57:09,890 --> 00:57:04,260  
hashtag if2b over on Twitter and also

1204  
00:57:14,450 --> 00:57:12,170  
this is Jimmy Church of Fade to Black

1205  
00:57:16,670 --> 00:57:14,460  
please visit all of our sponsors we're

1206  
00:57:18,410 --> 00:57:16,680  
taking a quick break here all of the

1207  
00:57:20,870 --> 00:57:18,420  
links are below

1208  
00:57:23,089 --> 00:57:20,880  
and we'll be right back

1209  
00:57:26,569 --> 00:57:23,099  
this is Jimmy church and I want to

1210  
00:57:28,790 --> 00:57:26,579  
introduce you to lifewaves x39 Stem Cell

1211  
00:57:32,030 --> 00:57:28,800  
Activation patch which has totally

1212  
00:57:34,930 --> 00:57:32,040  
transformed my health my sleep brain and

1213  
00:57:37,430 --> 00:57:34,940

my eyes I no longer need reading glasses

1214

00:57:41,089 --> 00:57:37,440

x39 is a true breakthrough in

1215

00:57:43,430 --> 00:57:41,099

regenerative science using light x-39's

1216

00:57:45,589 --> 00:57:43,440

patented age reversal Technologies

1217

00:57:47,329 --> 00:57:45,599

clinically proven to Signal the

1218

00:57:49,609 --> 00:57:47,339

activation of younger stem cells

1219

00:57:52,849 --> 00:57:49,619

accelerating the body's natural healing

1220

00:57:55,130 --> 00:57:52,859

process x39 promotes restoration and

1221

00:57:57,589 --> 00:57:55,140

Rejuvenation bringing the life-changing

1222

00:57:59,870 --> 00:57:57,599

benefits that I've experienced by

1223

00:58:02,990 --> 00:57:59,880

naturally elevating a master signaling

1224

00:58:05,750 --> 00:58:03,000

peptide in the body x39 boost Vitality

1225

00:58:08,569 --> 00:58:05,760

health and wellness and resets 4 000

1226

00:58:11,270 --> 00:58:08,579

genes to a younger healthier State it's

1227

00:58:15,069 --> 00:58:11,280

one patch once a day and you can turn

1228

00:58:18,470 --> 00:58:15,079

back time with x-39 just go to

1229

00:58:22,430 --> 00:58:18,480

healingworksnow.com that's works with an

1230

00:58:24,589 --> 00:58:22,440

X healing works now Dot come hey

1231

00:58:27,049 --> 00:58:24,599

everybody it's Billy Carson also known

1232

00:58:28,849 --> 00:58:27,059

as Forbidden Knowledge I want to talk to

1233

00:58:32,510 --> 00:58:28,859

you about a very special event coming up

1234

00:58:34,490 --> 00:58:32,520

July 30th 2023 The Forbidden conscious

1235

00:58:36,049 --> 00:58:34,500

Awards we're going to honor people who

1236

00:58:38,390 --> 00:58:36,059

have been contributing to the conscious

1237

00:58:39,890 --> 00:58:38,400

Community for decades people that you

1238

00:58:41,329 --> 00:58:39,900

know and love that have helped you get

1239

00:58:43,309 --> 00:58:41,339

to higher levels of thought and

1240

00:58:45,650 --> 00:58:43,319

Consciousness and awareness it's going

1241

00:58:46,970 --> 00:58:45,660

to be alive in-person event but seats

1242

00:58:48,710 --> 00:58:46,980

are going to sell out very fast you want

1243

00:58:50,390 --> 00:58:48,720

to make sure you're there in person and

1244

00:58:52,150 --> 00:58:50,400

guess what you can help vote for the

1245

00:58:54,170 --> 00:58:52,160

winners voting is available on

1246

00:58:55,789 --> 00:58:54,180

forbiddenknowledge.com and the

1247

00:58:58,970 --> 00:58:55,799

categories are going to be social media

1248

00:59:00,849 --> 00:58:58,980

influencer podcast slash radio host TV

1249

00:59:02,569 --> 00:59:00,859

host actor director producer

1250

00:59:04,010 --> 00:59:02,579

entrepreneurs health and wellness

1251

00:59:06,470 --> 00:59:04,020

philanthropists authors field

1252

00:59:08,270 --> 00:59:06,480

researchers archaeologists space anomaly

1253

00:59:11,089 --> 00:59:08,280

hunters and of course a Lifetime

1254

00:59:13,010 --> 00:59:11,099

Achievement Award I'll be your key note

1255

00:59:14,930 --> 00:59:13,020

speaker that night at The Forbidden

1256

00:59:17,270 --> 00:59:14,940

conscious Awards we have celebrity

1257

00:59:18,829 --> 00:59:17,280

guests performing we'll have a halftime

1258

00:59:20,450 --> 00:59:18,839

show where we're actually going to

1259

00:59:23,089 --> 00:59:20,460

perform music for you and don't forget

1260

00:59:25,069 --> 00:59:23,099

about the pre-event mixer where if you

1261

00:59:26,990 --> 00:59:25,079

buy a box seat you'll be in the VIP

1262

00:59:29,210 --> 00:59:27,000

section and you also have private access

1263

00:59:31,910 --> 00:59:29,220

to a Big Apple mixer with celebrity

1264

00:59:34,370 --> 00:59:31,920

guests shake hands great bread Network

1265

00:59:36,349 --> 00:59:34,380

and then walk the red carpet with us and

1266

00:59:37,609 --> 00:59:36,359

take amazing photos it's going to be a

1267

00:59:39,530 --> 00:59:37,619

night to remember you don't want to

1268

00:59:41,030 --> 00:59:39,540

forget this make sure you hurry up and

1269

00:59:43,030 --> 00:59:41,040

get your tickets because you're selling

1270

00:59:45,820 --> 00:59:43,040

out very fast I want to see you there

1271

00:59:49,430 --> 00:59:45,830

forbidden conscious Awards 2023

1272

00:59:52,849 --> 00:59:49,440

[Music]

1273

00:59:55,670 --> 00:59:52,859

River Moon coffee makers of the Fade to

1274

00:59:57,549 --> 00:59:55,680

Black blend truly the best coffee on

1275

00:59:59,809 --> 00:59:57,559

planet Earth just visit

1276

01:00:01,609 --> 00:59:59,819

rivermoonwellness.com or or their Amazon

1277

01:00:03,049 --> 01:00:01,619

store it's all simple to do you can

1278

01:00:05,150 --> 01:00:03,059

check out the Fade to Black blend the

1279

01:00:07,789 --> 01:00:05,160

game changer Blend or any of their black

1280

01:00:11,569 --> 01:00:07,799

moon wellness products it's the only

1281

01:00:17,030 --> 01:00:11,579

coffee I drink it is the best and it's

1282

01:00:23,089 --> 01:00:19,130

all right Welcome Back Fade to Black

1283

01:00:28,609 --> 01:00:23,099

tonight is our AMA ask me anything you

1284

01:00:30,770 --> 01:00:28,619

can post your uh uh questions over uh

1285

01:00:32,870 --> 01:00:30,780

hashtag f2b on Twitter post them up in

1286

01:00:37,190 --> 01:00:32,880

the live chat if you post up in the live

1287

01:00:40,849 --> 01:00:37,200

chat uh please put it in all caps uh the

1288

01:00:43,069 --> 01:00:40,859

live chat is uh extremely busy and well

1289

01:00:45,770 --> 01:00:43,079

so is Twitter and and so is our Facebook

1290

01:00:49,730 --> 01:00:45,780

page too as well but uh I'm trying to

1291

01:00:52,329 --> 01:00:49,740

bounce around and get everything in and

1292

01:00:53,950 --> 01:00:52,339

uh so there you go all right

1293

01:00:56,750 --> 01:00:53,960

okay

1294

01:00:58,789 --> 01:00:56,760

yellow jacket is back it's gotten

1295

01:01:01,490 --> 01:00:58,799

crazier just a suggestion don't eat

1296

01:01:04,010 --> 01:01:01,500

dinner while you watch it oh really okay

1297

01:01:07,130 --> 01:01:04,020

all right all right Yellow Jackets

1298

01:01:10,370 --> 01:01:07,140

season two season one man that was that

1299

01:01:13,370 --> 01:01:10,380

was uh that was it was good though I

1300

01:01:15,109 --> 01:01:13,380

mean heavy acting heavy situation uh

1301

01:01:18,950 --> 01:01:15,119

that they found themselves in you know

1302

01:01:22,549 --> 01:01:18,960

plane crash yeah pretty pretty nuts okay

1303

01:01:24,710 --> 01:01:22,559

that seemed to go on forever

1304

01:01:27,890 --> 01:01:24,720

yeah okay

1305

01:01:30,710 --> 01:01:27,900

uh let's get back to the questions again

1306

01:01:33,470 --> 01:01:30,720

post all caps in the live chat hashtag

1307

01:01:35,030 --> 01:01:33,480

f2b over on Twitter

1308

01:01:38,210 --> 01:01:35,040

um and oh you know what I didn't check

1309

01:01:40,490 --> 01:01:38,220

my email tonight uh here we go okay

1310

01:01:42,950 --> 01:01:40,500

let's see

1311

01:01:46,010 --> 01:01:42,960

ah

1312

01:01:47,230 --> 01:01:46,020

two two two two two uh this is from

1313

01:01:50,210 --> 01:01:47,240

Justin

1314

01:01:54,049 --> 01:01:50,220

uh email what is your favorite style

1315

01:01:57,710 --> 01:01:54,059

pizza and toppings okay my favorite I

1316

01:01:59,329 --> 01:01:57,720

can't get my favorite is classic Chicago

1317

01:02:03,589 --> 01:01:59,339

deep dish

1318

01:02:06,230 --> 01:02:03,599

right Gino's Giordano's

1319

01:02:09,650 --> 01:02:06,240

um Lumen uh malnatis is is really good

1320

01:02:11,750 --> 01:02:09,660

too as well that's right Illuminati

1321

01:02:13,370 --> 01:02:11,760

um uh but I can't get it here in

1322

01:02:15,170 --> 01:02:13,380

Southern California I have to order it

1323

01:02:16,789 --> 01:02:15,180

frozen and have it shipped in very

1324

01:02:19,370 --> 01:02:16,799

expensive

1325

01:02:22,370 --> 01:02:19,380

um but I do it from time to time uh just

1326

01:02:24,109 --> 01:02:22,380

as a special treat so that's my favorite

1327

01:02:27,289 --> 01:02:24,119

style of pizza

1328

01:02:29,990 --> 01:02:27,299

certain but I can't get it my second

1329

01:02:32,569 --> 01:02:30,000

favorite style of pizza is

1330

01:02:35,569 --> 01:02:32,579

easier to get but it's never the same

1331

01:02:37,730 --> 01:02:35,579

and that is your classic New York thin

1332

01:02:40,190 --> 01:02:37,740

crust you go to New York and you have it

1333

01:02:41,870 --> 01:02:40,200

there's nothing like it there's a few

1334

01:02:44,390 --> 01:02:41,880

places out here in California that make

1335

01:02:47,030 --> 01:02:44,400

it and I also make it myself

1336

01:02:49,970 --> 01:02:47,040

I have a really cool Pizza Pan and and I

1337

01:02:53,990 --> 01:02:49,980

do that but my favorite toppings I have

1338

01:02:55,670 --> 01:02:54,000

two if I just go and I'm being very

1339

01:02:59,990 --> 01:02:55,680

serious about this

1340

01:03:02,349 --> 01:03:00,000

if I just get a pizza

1341

01:03:05,270 --> 01:03:02,359

I'm in New York where

1342

01:03:07,789 --> 01:03:05,280

I just want pepperoni mushroom and

1343

01:03:12,710 --> 01:03:10,670

that's my favorite pizza I do like a

1344

01:03:15,410 --> 01:03:12,720

Hawaiian pizza from time to time I do

1345

01:03:17,510 --> 01:03:15,420

you know I like uh something with

1346

01:03:20,210 --> 01:03:17,520

everything on it I like that you know

1347

01:03:23,089 --> 01:03:20,220

green peppers and onions and black

1348

01:03:25,250 --> 01:03:23,099

olives and sausage and ham and pepperoni

1349

01:03:26,990 --> 01:03:25,260

and and you know I like that too as well

1350

01:03:29,809 --> 01:03:27,000

extra sauce

1351

01:03:33,470 --> 01:03:29,819

um but no if I if I'm just going to

1352

01:03:34,990 --> 01:03:33,480

enjoy have a pizza slice that tastes

1353

01:03:37,370 --> 01:03:35,000

like pizza

1354

01:03:38,990 --> 01:03:37,380

pepperoni mushroom onions

1355

01:03:40,630 --> 01:03:39,000

people wrong

1356

01:03:44,030 --> 01:03:40,640

um Friday night

1357

01:03:47,270 --> 01:03:44,040

my daughter Nicole invited me out to

1358

01:03:49,309 --> 01:03:47,280

dinner uh with my mother-in-law Evelyn

1359

01:03:52,130 --> 01:03:49,319

the three of us and they took me to this

1360

01:03:55,210 --> 01:03:52,140

place in North Hollywood on Friday night

1361

01:04:00,109 --> 01:03:55,220

called Flame amazing in North Hollywood

1362

01:04:02,870 --> 01:04:00,119

uh uh Reseda and Tim reseda on Vanowen

1363

01:04:05,210 --> 01:04:02,880

uh called Flame Pizza amazing amazing I

1364

01:04:09,530 --> 01:04:05,220

met Paul the owner there and and and and

1365

01:04:12,770 --> 01:04:09,540

and had a great night but uh Wood Fired

1366

01:04:14,349 --> 01:04:12,780

wood fired pizza and it was incredible

1367

01:04:19,730 --> 01:04:14,359

yeah

1368

01:04:22,609 --> 01:04:19,740

pepperoni onions uh sausage plain pie it

1369

01:04:24,349 --> 01:04:22,619

was called the Richie by the way uh it

1370

01:04:27,349 --> 01:04:24,359

was just delicious

1371

01:04:29,809 --> 01:04:27,359

you know and it's something about that

1372

01:04:32,809 --> 01:04:29,819

because it comes down to the dough the

1373

01:04:35,349 --> 01:04:32,819

sauce the prep and and you let the pizza

1374

01:04:38,089 --> 01:04:35,359

come through instead of you know being

1375

01:04:40,069 --> 01:04:38,099

uh overwhelmed with a bunch of different

1376

01:04:41,690 --> 01:04:40,079

toppings so yeah I know I know it sounds

1377

01:04:43,789 --> 01:04:41,700

basic

1378

01:04:45,829 --> 01:04:43,799

um sometimes I like a little side of

1379

01:04:48,589 --> 01:04:45,839

marinara and kind of dip it

1380

01:04:52,130 --> 01:04:48,599

as I eat it too as well but pepperoni

1381

01:04:54,770 --> 01:04:52,140

mushroom onions okay so that came in via

1382

01:04:57,109 --> 01:04:54,780

email and there's more

1383

01:04:59,750 --> 01:04:57,119

um and you can certainly email me too as

1384

01:05:01,069 --> 01:04:59,760

well I'll try to stay on top of that

1385

01:05:03,710 --> 01:05:01,079

tonight

1386

01:05:07,670 --> 01:05:03,720

and uh keep this going okay

1387

01:05:08,510 --> 01:05:07,680

all right what's your I just what's for

1388

01:05:10,849 --> 01:05:08,520

dinner

1389

01:05:12,890 --> 01:05:10,859

it's from third Stone seriously what is

1390

01:05:15,349 --> 01:05:12,900

your favorite food or meal to cook and

1391

01:05:18,349 --> 01:05:15,359

eat and share nothing better than

1392

01:05:21,950 --> 01:05:20,030

grilled Meats doesn't matter chicken

1393

01:05:28,490 --> 01:05:21,960

steak

1394

01:05:29,569 --> 01:05:28,500

um but uh grilled food I like cooking

1395

01:05:31,970 --> 01:05:29,579

Italian

1396

01:05:35,630 --> 01:05:31,980

I'm really good at it I'm really good at

1397

01:05:40,030 --> 01:05:35,640

saucers I just damn I'm I'm good I'm good

1398

01:05:43,130 --> 01:05:40,040

some say great so uh yeah yeah but no

1399

01:05:45,410 --> 01:05:43,140

grilling is the way to go Grill some

1400

01:05:50,690 --> 01:05:45,420

corn on the cob everything on the grill

1401

01:05:55,130 --> 01:05:52,910

Grill is the way to go burgers and hot

1402

01:05:57,770 --> 01:05:55,140

dogs on the grill there's nothing better

1403

01:06:01,309 --> 01:05:57,780

had a little dinner party here about six

1404

01:06:03,530 --> 01:06:01,319

months ago you know we did sliders

1405

01:06:05,510 --> 01:06:03,540

that I had never done that before I

1406

01:06:08,089 --> 01:06:05,520

covered the grill I've got pictures of

1407

01:06:10,150 --> 01:06:08,099

it somewhere covered the grill with like

1408

01:06:13,370 --> 01:06:10,160

50 sliders

1409

01:06:15,950 --> 01:06:13,380

and Brad was over with Michelle we had

1410

01:06:18,530 --> 01:06:15,960

so much fun and and yeah we cooked

1411

01:06:22,730 --> 01:06:18,540

slightly they were so good that was it

1412

01:06:25,010 --> 01:06:22,740

it was Mustard Pickle slice of cheese

1413

01:06:27,710 --> 01:06:25,020

on a dinner roll

1414

01:06:31,849 --> 01:06:27,720

sliders and we made the slider patties

1415

01:06:34,069 --> 01:06:31,859

with uh a little mini coffee cup

1416

01:06:36,430 --> 01:06:34,079

and Brad and I were just pressing them

1417

01:06:38,930 --> 01:06:36,440

out it was him man it was fun

1418

01:06:42,829 --> 01:06:38,940

that was a good day

1419

01:06:45,589 --> 01:06:42,839

all right next up we have

1420

01:06:48,829 --> 01:06:45,599

what is your theory of the agenda of

1421

01:06:52,609 --> 01:06:48,839

these cattle mutilations and under

1422

01:06:57,250 --> 01:06:52,619

discussed topic everywhere I know and I

1423

01:06:59,150 --> 01:06:57,260

thought Android this is a great question

1424

01:07:02,390 --> 01:06:59,160

I thought

1425

01:07:03,950 --> 01:07:02,400

uh when I saw the headline

1426

01:07:05,750 --> 01:07:03,960

um and then I turned around and I

1427

01:07:07,609 --> 01:07:05,760

emailed myself like two or three of them

1428

01:07:10,250 --> 01:07:07,619

so I wouldn't forget I wanted to go back

1429

01:07:12,230 --> 01:07:10,260

and read I go over to Twitter

1430

01:07:14,890 --> 01:07:12,240

I was like wow I bet you this is blowing

1431

01:07:17,630 --> 01:07:14,900

up crickets

1432

01:07:20,270 --> 01:07:17,640

crickets still crickets

1433

01:07:24,849 --> 01:07:20,280

I would have thought you know you want

1434

01:07:28,130 --> 01:07:24,859

to head you want a headline about UFOs

1435

01:07:31,010 --> 01:07:28,140

right there you would have thought you

1436

01:07:32,450 --> 01:07:31,020

know and and that other uh that there

1437

01:07:34,069 --> 01:07:32,460

would be some follow-up stuff maybe

1438

01:07:37,370 --> 01:07:34,079

there will be

1439

01:07:41,089 --> 01:07:37,380

um it was I I think it was released on a

1440

01:07:43,010 --> 01:07:41,099

Saturday which is an odd day for the new

1441

01:07:45,170 --> 01:07:43,020

cycle it's not like releasing this on a

1442

01:07:47,450 --> 01:07:45,180

Monday or Tuesday like you know today

1443

01:07:49,010 --> 01:07:47,460

with Tucker Carlson and and and Don

1444

01:07:51,109 --> 01:07:49,020

Lemon

1445

01:07:56,329 --> 01:07:51,119

um and the other news uh of the day as

1446

01:07:58,549 --> 01:07:56,339

well so yeah yeah and you would what is

1447

01:08:00,230 --> 01:07:58,559

the agenda behind it I mean that's

1448

01:08:02,510 --> 01:08:00,240

that's your

1449

01:08:06,589 --> 01:08:02,520

um and I say this so often

1450

01:08:08,750 --> 01:08:06,599

if you're a journalist right if you are

1451

01:08:14,150 --> 01:08:08,760

a journalist out there if you work for

1452

01:08:17,870 --> 01:08:14,160

CNN if you work for fox this is a gift

1453

01:08:20,269 --> 01:08:17,880

is a gift you're given then go this and

1454

01:08:22,910 --> 01:08:20,279

man

1455

01:08:24,110 --> 01:08:22,920

find out how this is getting done and

1456

01:08:25,370 --> 01:08:24,120

why

1457

01:08:29,329 --> 01:08:25,380

yeah

1458

01:08:31,729 --> 01:08:29,339

I mean if okay I would rather

1459

01:08:34,370 --> 01:08:31,739

cattle mutilations

1460

01:08:36,530 --> 01:08:34,380

b-e-t

1461

01:08:38,950 --> 01:08:36,540

because I understand it

1462

01:08:42,110 --> 01:08:38,960

I understand a fully I I totally get it

1463

01:08:45,650 --> 01:08:42,120

I totally understand it

1464

01:08:48,669 --> 01:08:45,660

if cattle mutilations are being done by

1465

01:08:52,490 --> 01:08:48,679

humans corporations the military

1466

01:08:57,169 --> 01:08:52,500

wasted youth whatever it is right

1467

01:09:00,769 --> 01:08:57,179

that's a huge story

1468

01:09:02,809 --> 01:09:00,779

right if it's ET it's not that big of a

1469

01:09:05,570 --> 01:09:02,819

story it's like well okay of course ET

1470

01:09:08,150 --> 01:09:05,580

would be doing that

1471

01:09:11,329 --> 01:09:08,160

right okay

1472

01:09:14,209 --> 01:09:11,339

but but the the the the story for a

1473

01:09:16,070 --> 01:09:14,219

journalist is right there

1474

01:09:18,890 --> 01:09:16,080

and I I would have thought that it would

1475

01:09:20,570 --> 01:09:18,900

have been picked up by now so we'll see

1476

01:09:22,669 --> 01:09:20,580

maybe we'll still get some action on

1477

01:09:24,829 --> 01:09:22,679

this

1478

01:09:27,289 --> 01:09:24,839

I mean I couldn't believe my eyes I

1479

01:09:31,010 --> 01:09:27,299

couldn't believe what I was reading no

1480

01:09:35,749 --> 01:09:31,020

blood surgical precision

1481

01:09:37,910 --> 01:09:35,759

yeah wow wow and the way that uh the

1482

01:09:39,410 --> 01:09:37,920

sheriff described I don't want to gross

1483

01:09:41,809 --> 01:09:39,420

everybody out so I'm not going to get

1484

01:09:44,570 --> 01:09:41,819

into too many details here but when they

1485

01:09:46,370 --> 01:09:44,580

talk about how the tongue was cut out

1486

01:09:47,510 --> 01:09:46,380

and where it was cut out and how it was

1487

01:09:50,269 --> 01:09:47,520

cut out

1488

01:09:52,370 --> 01:09:50,279

it's like how do you do that

1489

01:09:53,809 --> 01:09:52,380

what

1490

01:09:57,169 --> 01:09:53,819

no blood

1491

01:10:01,610 --> 01:09:57,179

no Footprints no tire tracks these cows

1492

01:10:05,510 --> 01:10:01,620

were just dropped off yeah crazy

1493

01:10:07,250 --> 01:10:05,520

crazy don't know I I I I I I just

1494

01:10:11,570 --> 01:10:07,260

don't

1495

01:10:15,830 --> 01:10:11,580

okay

1496

01:10:19,250 --> 01:10:15,840

let's see Don Bay

1497

01:10:22,010 --> 01:10:19,260

Jimmy if you could monetarily appraise a

1498

01:10:24,770 --> 01:10:22,020

UFO sighting experience

1499

01:10:27,890 --> 01:10:24,780

what would it be worth to you Jimmy if

1500

01:10:29,930 --> 01:10:27,900

you could monetarily appraise

1501

01:10:31,370 --> 01:10:29,940

a UFO side I don't understand the

1502

01:10:34,010 --> 01:10:31,380

question what's the question

1503

01:10:37,070 --> 01:10:34,020

like appraiser car

1504

01:10:40,430 --> 01:10:37,080

so you would pay somebody to appraise

1505

01:10:44,090 --> 01:10:40,440

the value of your car and so you want

1506

01:10:47,149 --> 01:10:44,100

somebody to appraise the value of

1507

01:10:49,370 --> 01:10:47,159

your UFO experience is that that's kind

1508

01:10:51,229 --> 01:10:49,380

of a weird question

1509

01:10:54,110 --> 01:10:51,239

why would someone I wouldn't charge for

1510

01:10:56,990 --> 01:10:54,120

that email it to me let me check it out

1511

01:10:59,810 --> 01:10:57,000

I'll give you my opinion

1512

01:11:02,450 --> 01:10:59,820

to the best of my ability

1513

01:11:04,910 --> 01:11:02,460

if I'm reading this right Jimmy if you

1514

01:11:08,990 --> 01:11:04,920

could monetarily appraise

1515

01:11:11,930 --> 01:11:09,000

a UFO sighting experience what would it

1516

01:11:14,689 --> 01:11:11,940

be worth to you

1517

01:11:17,030 --> 01:11:14,699

with a dollar sign I don't know never

1518

01:11:21,410 --> 01:11:17,040

charge for that I have no idea

1519

01:11:25,370 --> 01:11:21,420

no idea Dan uh or is it Don Dan Dan uh

1520

01:11:28,610 --> 01:11:25,380

put it in an email you got my attention

1521

01:11:31,850 --> 01:11:28,620

you got my attention

1522

01:11:35,510 --> 01:11:31,860

okay next up

1523

01:11:36,590 --> 01:11:35,520

Matt Mayfield Jimmy great shows lined up

1524

01:11:39,169 --> 01:11:36,600

this week

1525

01:11:41,390 --> 01:11:39,179

yeah I agree yeah we have an amazing

1526

01:11:43,370 --> 01:11:41,400

week of shows coming up

1527

01:11:45,229 --> 01:11:43,380

um next week too and the week after all

1528

01:11:47,290 --> 01:11:45,239

right they're all good every week is

1529

01:11:50,450 --> 01:11:47,300

good

1530

01:11:54,590 --> 01:11:50,460

uh when is James Webb going to reveal

1531

01:11:56,450 --> 01:11:54,600

Trappist as having life also what is

1532

01:11:58,490 --> 01:11:56,460

your favorite Guitar Man lots of Guitar

1533

01:11:59,450 --> 01:11:58,500

questions tonight

1534

01:12:02,390 --> 01:11:59,460

um

1535

01:12:05,689 --> 01:12:02,400

uh

1536

01:12:11,330 --> 01:12:05,699

I am going to

1537

01:12:15,830 --> 01:12:13,149

I can't

1538

01:12:20,030 --> 01:12:15,840

describe it accurately enough but

1539

01:12:24,950 --> 01:12:20,040

there's something in my bones that says

1540

01:12:28,970 --> 01:12:24,960

something pretty big is on the horizon

1541

01:12:31,790 --> 01:12:28,980

I just don't know what that is

1542

01:12:36,110 --> 01:12:31,800

and the reason for me to say something

1543

01:12:38,450 --> 01:12:36,120

like that is if you go back to the last

1544

01:12:41,270 --> 01:12:38,460

three or four years or five years of

1545

01:12:45,130 --> 01:12:41,280

news Cycles not only with UFOs but with

1546

01:12:49,930 --> 01:12:45,140

everything hurricanes earthquakes

1547

01:12:56,270 --> 01:12:51,729

everything

1548

01:12:59,450 --> 01:12:56,280

is bigger and bigger and bigger and

1549

01:13:01,010 --> 01:12:59,460

bigger and bigger to the point where the

1550

01:13:02,570 --> 01:13:01,020

news today

1551  
01:13:06,169 --> 01:13:02,580  
for

1552  
01:13:09,890 --> 01:13:06,179  
uh it to be attention grabbing

1553  
01:13:13,189 --> 01:13:09,900  
you know it's got to be huge

1554  
01:13:15,410 --> 01:13:13,199  
Tucker Carlson today adds big news but

1555  
01:13:17,810 --> 01:13:15,420  
that's what it takes in in today's news

1556  
01:13:18,970 --> 01:13:17,820  
cycle you just can't float stuff by

1557  
01:13:22,630 --> 01:13:18,980  
anymore

1558  
01:13:24,890 --> 01:13:22,640  
so I I I would expect

1559  
01:13:28,370 --> 01:13:24,900  
especially after everything else that

1560  
01:13:31,070 --> 01:13:28,380  
has happened uh with uh the James Webb

1561  
01:13:34,310 --> 01:13:31,080  
um you know tomorrow night okay

1562  
01:13:39,530 --> 01:13:34,320  
tomorrow night Japan

1563  
01:13:42,770 --> 01:13:39,540

a private company in Japan is landing a

1564

01:13:46,189 --> 01:13:42,780

Rover on Mars

1565

01:13:48,649 --> 01:13:46,199

a private com I mean on on the moon a

1566

01:13:51,649 --> 01:13:48,659

private company this has never been done

1567

01:13:54,350 --> 01:13:51,659

before now in any other year

1568

01:13:56,870 --> 01:13:54,360

this is the biggest news of mankind

1569

01:14:00,709 --> 01:13:56,880

think about it think about how big news

1570

01:14:04,430 --> 01:14:00,719

you know Sputnik was Telstar right uh

1571

01:14:07,490 --> 01:14:04,440

Mercury Gemini Apollo soyuz

1572

01:14:10,870 --> 01:14:07,500

Sky lab you know all of these momentous

1573

01:14:14,330 --> 01:14:10,880

events just one on top of another right

1574

01:14:18,590 --> 01:14:14,340

this what's going down tomorrow on the

1575

01:14:20,930 --> 01:14:18,600

moon if it's successful is humongo

1576

01:14:22,430 --> 01:14:20,940

it's not big enough for news it's not

1577

01:14:24,590 --> 01:14:22,440

big enough for a headline

1578

01:14:26,030 --> 01:14:24,600

it's going to be buried

1579

01:14:31,310 --> 01:14:26,040

yeah

1580

01:14:35,149 --> 01:14:31,320

it's crazy so the the next time around

1581

01:14:37,130 --> 01:14:35,159

the next thing that it is going to be

1582

01:14:40,250 --> 01:14:37,140

big

1583

01:14:44,209 --> 01:14:40,260

I can I can just feel it I mean we are

1584

01:14:47,209 --> 01:14:44,219

so acclimated now to the shock

1585

01:14:48,709 --> 01:14:47,219

I mean to the shock the shock to the

1586

01:14:51,590 --> 01:14:48,719

system

1587

01:14:52,669 --> 01:14:51,600

um you remember back in 2005 right the

1588

01:14:54,590 --> 01:14:52,679

tsunami

1589

01:14:56,570 --> 01:14:54,600

do you remember that

1590

01:14:57,649 --> 01:14:56,580

how big of a shock to the system do you

1591

01:14:59,270 --> 01:14:57,659

need

1592

01:15:01,729 --> 01:14:59,280

and that's you know you look back and

1593

01:15:05,689 --> 01:15:03,410

that's where we are

1594

01:15:09,430 --> 01:15:05,699

with the news today it's got to be the

1595

01:15:12,890 --> 01:15:09,440

craziest the biggest news

1596

01:15:15,890 --> 01:15:12,900

it's nuts and that's where we are so I I

1597

01:15:17,930 --> 01:15:15,900

feel like Uh something's about to break

1598

01:15:22,669 --> 01:15:17,940

um I just feel it I think that there is

1599

01:15:26,330 --> 01:15:22,679

a lot of a lot of expectation and I also

1600

01:15:28,149 --> 01:15:26,340

I really really believe

1601  
01:15:30,830 --> 01:15:28,159  
that

1602  
01:15:32,570 --> 01:15:30,840  
the man

1603  
01:15:36,350 --> 01:15:32,580  
through the media

1604  
01:15:40,729 --> 01:15:36,360  
has prepped us has softened us up so

1605  
01:15:43,910 --> 01:15:40,739  
much that we can just about absorb any

1606  
01:15:45,310 --> 01:15:43,920  
headline now without the big freak out

1607  
01:15:49,669 --> 01:15:45,320  
yeah yeah

1608  
01:15:51,410 --> 01:15:49,679  
so the news of E.T yeah I don't think

1609  
01:15:53,630 --> 01:15:51,420  
it's going to be that big of a deal

1610  
01:15:57,850 --> 01:15:53,640  
no not like it would have been 20 years

1611  
01:16:04,850 --> 01:16:01,750  
so ah yep let's see what's next

1612  
01:16:06,649 --> 01:16:04,860  
Tian Juarez whatever happened to that

1613  
01:16:08,030 --> 01:16:06,659

underwater base off the coast of Malibu

1614

01:16:12,890 --> 01:16:08,040

still there

1615

01:16:14,990 --> 01:16:12,900

now right now go to Google Earth go to

1616

01:16:17,030 --> 01:16:15,000

satellite view and just right there

1617

01:16:20,149 --> 01:16:17,040

Point Magoo

1618

01:16:22,610 --> 01:16:20,159

it's still there I think now

1619

01:16:25,310 --> 01:16:22,620

um I looked at it last year I think it's

1620

01:16:27,649 --> 01:16:25,320

like labeled UFO base

1621

01:16:30,110 --> 01:16:27,659

or they had that label on it for a

1622

01:16:32,209 --> 01:16:30,120

minute I haven't checked let's see hold

1623

01:16:34,669 --> 01:16:32,219

on let's see let's see if they have it

1624

01:16:36,649 --> 01:16:34,679

labeled let's see here let's just go

1625

01:16:45,169 --> 01:16:36,659

this is how easily you can do it just go

1626

01:16:56,890 --> 01:16:50,450

there we go let's go to satellites there

1627

01:16:58,990 --> 01:16:56,900

we go there's Point Magoo let's zoom in

1628

01:17:04,850 --> 01:16:59,000

and

1629

01:17:09,110 --> 01:17:06,480

uh

1630

01:17:17,530 --> 01:17:09,120

[Music]

1631

01:17:22,010 --> 01:17:19,070

wow

1632

01:17:26,149 --> 01:17:22,020

do they have this ghosted out no no they

1633

01:17:30,410 --> 01:17:26,159

oh there it is there it is okay oh it's

1634

01:17:38,410 --> 01:17:33,590

I had a label on it okay so now what if

1635

01:17:46,610 --> 01:17:40,330

underwater

1636

01:17:49,270 --> 01:17:46,620

UFO base Malibu California okay

1637

01:17:53,510 --> 01:17:49,280

yeah sure enough

1638

01:17:55,669 --> 01:17:53,520

so it will take you there in the search

1639

01:17:58,669 --> 01:17:55,679

but uh there it is

1640

01:17:58,679 --> 01:18:02,630

man that's an interesting structure

1641

01:18:07,070 --> 01:18:04,910

that is an interesting structure so

1642

01:18:08,689 --> 01:18:07,080

still there hasn't gone anywhere I

1643

01:18:09,830 --> 01:18:08,699

thought for a second it was ghosted out

1644

01:18:12,770 --> 01:18:09,840

but it's not

1645

01:18:17,649 --> 01:18:12,780

it's right there if you look up uh Point

1646

01:18:24,770 --> 01:18:21,410

there it is and if you want to look at

1647

01:18:26,750 --> 01:18:24,780

just look at uh so underwater UFO base

1648

01:18:29,630 --> 01:18:26,760

uh it's right there it's a tourist

1649

01:18:32,450 --> 01:18:29,640

attraction and Point Doom as a tourist

1650

01:18:34,310 --> 01:18:32,460

attraction uh both locations pop up so

1651  
01:18:36,790 --> 01:18:34,320  
that's all you got to do underwater UFO

1652  
01:18:40,970 --> 01:18:36,800  
base yeah still there

1653  
01:18:43,130 --> 01:18:40,980  
okay let's see who is up next let me

1654  
01:18:45,950 --> 01:18:43,140  
bounce back here to Twitter

1655  
01:18:52,270 --> 01:18:45,960  
and

1656  
01:18:57,590 --> 01:18:55,010  
Nancy Thames what did you think about

1657  
01:18:59,930 --> 01:18:57,600  
Linda Moulton Howe's video on the tall

1658  
01:19:02,030 --> 01:18:59,940  
White's prediction for earth I didn't

1659  
01:19:04,310 --> 01:19:02,040  
see is this new

1660  
01:19:04,970 --> 01:19:04,320  
is this new I will

1661  
01:19:06,590 --> 01:19:04,980  
um

1662  
01:19:09,530 --> 01:19:06,600  
I'll check it out

1663  
01:19:11,870 --> 01:19:09,540

I'll tell you if it's new

1664

01:19:14,930 --> 01:19:11,880

um and I need a little more information

1665

01:19:19,550 --> 01:19:14,940

on this too as well

1666

01:19:20,750 --> 01:19:19,560

um yeah so yeah I'll look at it okay I

1667

01:19:22,850 --> 01:19:20,760

don't have a comment because I don't

1668

01:19:25,550 --> 01:19:22,860

know which version and if there's

1669

01:19:28,430 --> 01:19:25,560

something new new out

1670

01:19:30,350 --> 01:19:28,440

um then no I wouldn't uh

1671

01:19:35,270 --> 01:19:30,360

I would know about it I wouldn't have an

1672

01:19:36,590 --> 01:19:35,280

opinion yet so uh there you go okay you

1673

01:19:38,870 --> 01:19:36,600

mentioned a while back you were working

1674

01:19:40,550 --> 01:19:38,880

on some new music just curious if you

1675

01:19:43,370 --> 01:19:40,560

had any free time to finish up anything

1676

01:19:45,110 --> 01:19:43,380

yet I'm getting close I no I'm not close

1677

01:19:47,390 --> 01:19:45,120

to finishing things up I've got about

1678

01:19:51,649 --> 01:19:47,400

four or five things written

1679

01:19:54,709 --> 01:19:51,659

um uh uh my drum machine which is right

1680

01:19:56,450 --> 01:19:54,719

here literally it's on its own stand it

1681

01:19:59,090 --> 01:19:56,460

sits next to me and I'm I've been

1682

01:20:03,290 --> 01:19:59,100

getting that done and working on it

1683

01:20:06,590 --> 01:20:03,300

um I have gone as far as to moving uh a

1684

01:20:10,189 --> 01:20:06,600

base into the studio which is right here

1685

01:20:12,169 --> 01:20:10,199

in case you've never seen it but

1686

01:20:14,990 --> 01:20:12,179

yeah right here

1687

01:20:16,790 --> 01:20:15,000

Fender P Bass

1688

01:20:19,430 --> 01:20:16,800

a real

1689

01:20:22,729 --> 01:20:19,440

Fender P bass nice color too Fender sent

1690

01:20:25,070 --> 01:20:22,739

this to me so I've got this in here

1691

01:20:27,649 --> 01:20:25,080

and so yes

1692

01:20:29,450 --> 01:20:27,659

I am

1693

01:20:33,350 --> 01:20:29,460

tightening some stuff up I'm gonna get

1694

01:20:37,430 --> 01:20:33,360

like 10 songs done I'm gonna get 10

1695

01:20:39,229 --> 01:20:37,440

um 10 things done so I am actively

1696

01:20:42,110 --> 01:20:39,239

working on it

1697

01:20:44,689 --> 01:20:42,120

um free time right now is at a very very

1698

01:20:47,930 --> 01:20:44,699

serious premium

1699

01:20:49,610 --> 01:20:47,940

it's uh it's it's out of control

1700

01:20:52,850 --> 01:20:49,620

and it's out of control I've got so many

1701  
01:20:55,250 --> 01:20:52,860  
things going on I've got uh I've got the

1702  
01:20:57,410 --> 01:20:55,260  
I've got a sky watch that's coming up

1703  
01:20:59,270 --> 01:20:57,420  
here in Joshua Tree with Billy Carson

1704  
01:21:02,810 --> 01:20:59,280  
that's coming up

1705  
01:21:05,030 --> 01:21:02,820  
um I'm I've got uh Miami I've got the

1706  
01:21:07,790 --> 01:21:05,040  
Awards coming up I've got Egypt coming

1707  
01:21:12,169 --> 01:21:07,800  
up I've uh before that I've got England

1708  
01:21:15,830 --> 01:21:12,179  
I've also got Bolivia uh Peru I'm going

1709  
01:21:18,050 --> 01:21:15,840  
down uh there Machu Picchu uh with Brian

1710  
01:21:21,770 --> 01:21:18,060  
Forrester

1711  
01:21:25,729 --> 01:21:21,780  
um and uh plus uh into the Vortex and

1712  
01:21:28,970 --> 01:21:25,739  
and there's a second TV series that is

1713  
01:21:32,689 --> 01:21:28,980

bubbling now in the background

1714

01:21:35,149 --> 01:21:32,699

um this Thursday uh I'm shooting uh

1715

01:21:36,950 --> 01:21:35,159

scenes for another movie uh this

1716

01:21:38,930 --> 01:21:36,960

Thursday

1717

01:21:42,229 --> 01:21:38,940

um uh that I just shot for last weekend

1718

01:21:43,310 --> 01:21:42,239

to this weekend this past weekend just

1719

01:21:46,090 --> 01:21:43,320

crazy

1720

01:21:48,830 --> 01:21:46,100

I've got a very very very busy schedule

1721

01:21:50,810 --> 01:21:48,840

and I'm trying to I've got all the stuff

1722

01:21:53,630 --> 01:21:50,820

in my head musically and I'm just trying

1723

01:21:56,630 --> 01:21:53,640

to get it out so yeah I'm working on it

1724

01:21:59,870 --> 01:21:56,640

and I'm also writing a book and uh and

1725

01:22:02,890 --> 01:21:59,880

I'm doing that that's it so how do I

1726

01:22:05,689 --> 01:22:02,900

have time to watch movies and TV

1727

01:22:09,290 --> 01:22:05,699

uh there's no secret I don't know how I

1728

01:22:12,010 --> 01:22:09,300

get it all done but uh yeah there you go

1729

01:22:16,910 --> 01:22:12,020

okay let's see what's next

1730

01:22:18,709 --> 01:22:16,920

uh what is next let's stay over here

1731

01:22:23,930 --> 01:22:18,719

uh

1732

01:22:26,810 --> 01:22:23,940

remember me on Coast to Coast

1733

01:22:29,149 --> 01:22:26,820

yeah I I do I remember me on Coast to

1734

01:22:34,729 --> 01:22:33,229

I do Coast was a trip

1735

01:22:41,090 --> 01:22:34,739

uh

1736

01:22:43,310 --> 01:22:41,100

okay

1737

01:22:46,550 --> 01:22:43,320

talk about when you found our Bell bro

1738

01:22:47,810 --> 01:22:46,560

please thank you okay

1739

01:22:50,530 --> 01:22:47,820

um

1740

01:22:54,229 --> 01:22:50,540

Coast to Coast

1741

01:22:56,689 --> 01:22:54,239

the one thing I never got tired of I

1742

01:22:59,450 --> 01:22:56,699

never got tired of doing coasts but just

1743

01:23:02,510 --> 01:22:59,460

like any job when you do it over and

1744

01:23:04,790 --> 01:23:02,520

over and over again uh you get smooth

1745

01:23:06,350 --> 01:23:04,800

and and you know you understand the

1746

01:23:08,990 --> 01:23:06,360

system and it doesn't matter what you do

1747

01:23:10,490 --> 01:23:09,000

whatever whatever it is right okay so it

1748

01:23:12,290 --> 01:23:10,500

was the same thing for coast

1749

01:23:14,390 --> 01:23:12,300

but

1750

01:23:17,149 --> 01:23:14,400

every night

1751

01:23:20,510 --> 01:23:17,159

because I broadcast from their studios

1752

01:23:22,550 --> 01:23:20,520

in uh Sherman Oaks so I'm in the studio

1753

01:23:25,070 --> 01:23:22,560

man I'm in the coast to coast George

1754

01:23:27,950 --> 01:23:25,080

Nori studio and it's beautiful it's big

1755

01:23:32,270 --> 01:23:27,960

it's nice it's that never got tired of

1756

01:23:35,270 --> 01:23:32,280

walking in there but here's the thing

1757

01:23:37,550 --> 01:23:35,280

when that music Started okay so I have

1758

01:23:41,530 --> 01:23:37,560

the the studio clock in front of me the

1759

01:23:48,890 --> 01:23:45,530

I'd hit him and I would just

1760

01:23:51,530 --> 01:23:48,900

the my hair would stand I thought

1761

01:23:52,990 --> 01:23:51,540

right it's me I'm hosting coach and I

1762

01:23:57,410 --> 01:23:53,000

got the music coming through the camp

1763

01:24:00,770 --> 01:23:57,420

dude I just cranked it up and and I'm in

1764

01:24:01,550 --> 01:24:00,780

man I'm just yeah I never got tired of

1765

01:24:04,669 --> 01:24:01,560

that

1766

01:24:07,250 --> 01:24:04,679

man I just got amped up every single

1767

01:24:09,110 --> 01:24:07,260

night now here's the other thing

1768

01:24:11,209 --> 01:24:09,120

so

1769

01:24:13,010 --> 01:24:11,219

um I can't speak for the other host I

1770

01:24:14,570 --> 01:24:13,020

don't know how George did I know how art

1771

01:24:17,030 --> 01:24:14,580

did it a little bit

1772

01:24:18,649 --> 01:24:17,040

um it's been so long now but

1773

01:24:21,590 --> 01:24:18,659

um I don't listen to the other host I

1774

01:24:25,010 --> 01:24:21,600

just did my show my way

1775

01:24:27,590 --> 01:24:25,020

and so I would do a little monologue at

1776

01:24:29,990 --> 01:24:27,600

the beginning and I would time it it was

1777

01:24:32,930 --> 01:24:30,000

like 10 minutes 5 minutes 10 minutes

1778

01:24:33,709 --> 01:24:32,940

and but here's the thing you come off of

1779

01:24:37,729 --> 01:24:33,719

that

1780

01:24:40,430 --> 01:24:37,739

music and it's cranking in in your at me

1781

01:24:42,530 --> 01:24:40,440

right you cannot

1782

01:24:46,610 --> 01:24:42,540

think about

1783

01:24:49,850 --> 01:24:46,620

the audience

1784

01:24:52,729 --> 01:24:49,860

and you can't make

1785

01:24:56,870 --> 01:24:52,739

a mistake

1786

01:25:03,890 --> 01:24:56,880

you can't flub a comma a period

1787

01:25:05,870 --> 01:25:03,900

a breath a word a syllable a letter

1788

01:25:07,669 --> 01:25:05,880

no

1789

01:25:10,310 --> 01:25:07,679

can't do it

1790

01:25:13,910 --> 01:25:10,320

and now so what you're asking well then

1791

01:25:17,810 --> 01:25:16,070

oh it's possible

1792

01:25:19,970 --> 01:25:17,820

because I did

1793

01:25:21,830 --> 01:25:19,980

you know and I'm probably I've made lots

1794

01:25:23,689 --> 01:25:21,840

of mistakes I'm not even close to

1795

01:25:27,410 --> 01:25:23,699

suggesting that I was perfect

1796

01:25:30,530 --> 01:25:27,420

no but you are able to how about five

1797

01:25:32,870 --> 01:25:30,540

mistakes in ten minutes right no because

1798

01:25:36,910 --> 01:25:32,880

adrenaline takes over

1799

01:25:40,130 --> 01:25:36,920

there is a performance aspect to this

1800

01:25:42,410 --> 01:25:40,140

like Broadway or being in a band or

1801

01:25:45,250 --> 01:25:42,420

whatever the live news whatever it is

1802

01:25:48,470 --> 01:25:45,260

when it's live live

1803

01:25:49,970 --> 01:25:48,480

adrenaline takes over and your brain is

1804

01:25:51,110 --> 01:25:49,980

ultra focused

1805

01:25:52,550 --> 01:25:51,120

yeah

1806

01:25:59,890 --> 01:25:52,560

yep

1807

01:26:02,689 --> 01:25:59,900

would do that music would just

1808

01:26:05,090 --> 01:26:02,699

laser focus me the same thing I'm Fade

1809

01:26:08,209 --> 01:26:05,100

to Black every night

1810

01:26:11,030 --> 01:26:08,219

all right what was the question oh

1811

01:26:14,390 --> 01:26:11,040

talk about when you found Art Bell

1812

01:26:17,090 --> 01:26:14,400

um that that is actually a great story

1813

01:26:19,310 --> 01:26:17,100

and at the time I worked for a company

1814

01:26:22,370 --> 01:26:19,320

still around still a big company called

1815

01:26:24,950 --> 01:26:22,380

Alesis a-l-e-s-i-s

1816

01:26:28,189 --> 01:26:24,960

and at the time I think I was the

1817

01:26:33,050 --> 01:26:28,199

Southern California sales rep

1818

01:26:34,610 --> 01:26:33,060

and uh which meant uh uh my customers

1819

01:26:36,790 --> 01:26:34,620

were you know all the music stores

1820

01:26:41,090 --> 01:26:36,800

Guitar Centers things like that

1821

01:26:43,430 --> 01:26:41,100

and uh have a Southwest because I

1822

01:26:46,490 --> 01:26:43,440

covered Arizona Nevada and Southern

1823

01:26:48,830 --> 01:26:46,500

California and I went from La all the

1824

01:26:52,189 --> 01:26:48,840

way to San Diego from LA out to Palm

1825

01:26:54,290 --> 01:26:52,199

Springs so that chunk plus Las Vegas and

1826  
01:26:56,870 --> 01:26:54,300  
so I didn't do Reno but I did Las Vegas

1827  
01:26:59,629 --> 01:26:56,880  
and then I did all of the State of

1828  
01:27:01,970 --> 01:26:59,639  
Arizona so that was my territory and I

1829  
01:27:03,830 --> 01:27:01,980  
was traveling I just that's it that's it

1830  
01:27:06,169 --> 01:27:03,840  
all I did was just another city every

1831  
01:27:09,590 --> 01:27:06,179  
single day of the week that's it right

1832  
01:27:11,810 --> 01:27:09,600  
okay so I'm down in San Diego and I

1833  
01:27:14,450 --> 01:27:11,820  
would do San Diego

1834  
01:27:16,610 --> 01:27:14,460  
once a week I drive down and spend the

1835  
01:27:21,229 --> 01:27:16,620  
night and then drive back the next day

1836  
01:27:23,870 --> 01:27:21,239  
and that's a long drive from LA to San

1837  
01:27:26,330 --> 01:27:23,880  
Diego especially during traffic time so

1838  
01:27:29,030 --> 01:27:26,340

it's three four five hour drive

1839

01:27:31,370 --> 01:27:29,040

I'm listening to talk radio and I'm

1840

01:27:32,090 --> 01:27:31,380

coming back one night and I would listen

1841

01:27:32,870 --> 01:27:32,100

to

1842

01:27:36,530 --> 01:27:32,880

um

1843

01:27:37,850 --> 01:27:36,540

uh whatever I can't even remember the

1844

01:27:42,430 --> 01:27:37,860

name of the station I was a sports

1845

01:27:45,350 --> 01:27:42,440

station Jim Rome and Dan Patrick and and

1846

01:27:47,870 --> 01:27:45,360

Steve uh man I can't remember his last

1847

01:27:50,750 --> 01:27:47,880

name he's still on the air

1848

01:27:54,890 --> 01:27:50,760

um hacksaw Hamilton

1849

01:27:57,530 --> 01:27:54,900

um and then uh so I'm coming back and

1850

01:27:59,990 --> 01:27:57,540

I'm listening to talk radio I bounce off

1851

01:28:02,750 --> 01:28:00,000

of sports and I'm listening to

1852

01:28:04,610 --> 01:28:02,760

like AM 640

1853

01:28:05,810 --> 01:28:04,620

where coast to coast is today I believe

1854

01:28:10,510 --> 01:28:05,820

that's what it was

1855

01:28:10,520 --> 01:28:15,410

93 right in there

1856

01:28:19,850 --> 01:28:18,169

I'm on the freeway it's dark

1857

01:28:23,629 --> 01:28:19,860

10 o'clock at night

1858

01:28:25,370 --> 01:28:23,639

and and I'm getting closer to LA and I'm

1859

01:28:27,950 --> 01:28:25,380

listening to this show

1860

01:28:29,629 --> 01:28:27,960

talking about

1861

01:28:32,149 --> 01:28:29,639

UFOs

1862

01:28:33,830 --> 01:28:32,159

I don't know who Art Bell is but that

1863

01:28:35,390 --> 01:28:33,840

was the first night and unless I'm like

1864

01:28:38,689 --> 01:28:35,400

oh my God

1865

01:28:40,430 --> 01:28:38,699

this is perfect

1866

01:28:43,189 --> 01:28:40,440

it might have been Art's first broadcast

1867

01:28:46,129 --> 01:28:43,199

I don't know but I was listening to talk

1868

01:28:47,990 --> 01:28:46,139

radio every single day of the week I'm

1869

01:28:51,169 --> 01:28:48,000

driving all over

1870

01:28:53,810 --> 01:28:51,179

the western United States and listening

1871

01:28:58,610 --> 01:28:53,820

to talk radio and I just I caught so

1872

01:29:04,250 --> 01:29:01,070

I'm listening and listening and I'm

1873

01:29:06,649 --> 01:29:04,260

caught up in it man I'm all up in it and

1874

01:29:10,189 --> 01:29:06,659

he might have been talking about Area 51

1875

01:29:12,229 --> 01:29:10,199

or maybe it was Roswell whatever

1876

01:29:14,470 --> 01:29:12,239

and I could not believe what I was

1877

01:29:19,310 --> 01:29:14,480

listening to and I pull into

1878

01:29:21,950 --> 01:29:19,320

my house my condo in Sherman Oaks

1879

01:29:24,110 --> 01:29:21,960

and I sit in my driveway because I know

1880

01:29:26,930 --> 01:29:24,120

it's AM radio and if I pull into the

1881

01:29:28,790 --> 01:29:26,940

garage I'm gonna lose it so I'm sitting

1882

01:29:30,550 --> 01:29:28,800

out front

1883

01:29:32,990 --> 01:29:30,560

and now wait for the commercial

1884

01:29:36,649 --> 01:29:33,000

commercial comes on I open up the gates

1885

01:29:39,290 --> 01:29:36,659

I Dash in I park my car right running

1886

01:29:41,990 --> 01:29:39,300

upstairs get into my kind of turning on

1887

01:29:43,850 --> 01:29:42,000

the stereo and I'm getting it I'm like

1888

01:29:46,850 --> 01:29:43,860

okay okay okay okay

1889

01:29:51,709 --> 01:29:46,860

I've got no am antenna

1890

01:29:56,750 --> 01:29:53,209

no

1891

01:29:59,270 --> 01:29:56,760

so then uh and that depth that was it

1892

01:30:01,669 --> 01:29:59,280

and so the friend I was like man I gotta

1893

01:30:04,010 --> 01:30:01,679

figure this out so the next day

1894

01:30:05,209 --> 01:30:04,020

I still don't know it's Art Bell you got

1895

01:30:07,910 --> 01:30:05,219

to remember this is before the internet

1896

01:30:10,729 --> 01:30:07,920

this is I have no idea what's going on

1897

01:30:13,129 --> 01:30:10,739

I've no I no no clue on anything

1898

01:30:14,510 --> 01:30:13,139

and uh so the next day I go to like

1899

01:30:18,290 --> 01:30:14,520

fries

1900

01:30:19,669 --> 01:30:18,300

and and I get an AM radio antenna you

1901

01:30:21,770 --> 01:30:19,679

know they just got to plug into those

1902

01:30:24,110 --> 01:30:21,780

two plugs on the the back of the stereo

1903

01:30:25,910 --> 01:30:24,120

so I buy one of those and I buy an AM

1904

01:30:30,649 --> 01:30:25,920

clock radio

1905

01:30:32,750 --> 01:30:30,659

bedroom

1906

01:30:35,570 --> 01:30:32,760

okay so now I'm all set

1907

01:30:38,570 --> 01:30:35,580

next night I get the AM radio it's

1908

01:30:40,790 --> 01:30:38,580

dialing man I it's cool I've got it it's

1909

01:30:42,050 --> 01:30:40,800

all hooked up it's the next night it's

1910

01:30:44,930 --> 01:30:42,060

10 o'clock

1911

01:30:46,610 --> 01:30:44,940

and I'm in my living room and I'm PR I

1912

01:30:48,470 --> 01:30:46,620

can't find it

1913

01:30:51,110 --> 01:30:48,480

I'm like man

1914

01:30:54,770 --> 01:30:51,120

was that like a one-time thing

1915

01:30:58,370 --> 01:30:54,780

can't find it and and I kind of give up

1916

01:31:00,169 --> 01:30:58,380

and I go into my bedroom and I fire up

1917

01:31:02,750 --> 01:31:00,179

this little clock radio

1918

01:31:04,250 --> 01:31:02,760

and I was like man I go back down to my

1919

01:31:07,310 --> 01:31:04,260

car and I'm like okay it's right here

1920

01:31:09,050 --> 01:31:07,320

it's AM 640 I go back up it's not

1921

01:31:11,750 --> 01:31:09,060

picking up in my living room for some

1922

01:31:12,649 --> 01:31:11,760

reason I go into my bedroom and it's

1923

01:31:14,990 --> 01:31:12,659

there

1924

01:31:16,970 --> 01:31:15,000

I hear it it's another show about UFOs

1925

01:31:19,850 --> 01:31:16,980

I'm like oh my God

1926

01:31:22,010 --> 01:31:19,860

this is amazing so I jump in bed but

1927

01:31:24,649 --> 01:31:22,020

it's like phasing In and Out In and Out

1928

01:31:28,430 --> 01:31:24,659

in and out I couldn't get it locked on

1929

01:31:33,770 --> 01:31:28,440

and I'm so upset with this

1930

01:31:38,149 --> 01:31:33,780

um uh the next day I returned that radio

1931

01:31:41,390 --> 01:31:38,159

and I bought a Sony and it was a square

1932

01:31:45,229 --> 01:31:41,400

block had a CD player on the top thing

1933

01:31:47,810 --> 01:31:45,239

but it also had speaker outputs

1934

01:31:49,430 --> 01:31:47,820

okay there's a clock radio digital

1935

01:31:52,070 --> 01:31:49,440

so I take that home

1936

01:31:55,250 --> 01:31:52,080

plug in the AM antenna I get it and this

1937

01:31:58,010 --> 01:31:55,260

thing locked on that night

1938

01:32:01,189 --> 01:31:58,020

## Crystal Clear Coast to Coast AM

1939

01:32:03,470 --> 01:32:01,199

the next day I got speakers and I hooked

1940

01:32:06,169 --> 01:32:03,480

those up and had them on both ends of my

1941

01:32:08,930 --> 01:32:06,179

bed on each nightstand with this clock

1942

01:32:11,629 --> 01:32:08,940

radio and I could just sit and listen to

1943

01:32:14,209 --> 01:32:11,639

Art Bell in the dark

1944

01:32:17,870 --> 01:32:14,219

yep yep and that's how I discovered our

1945

01:32:19,910 --> 01:32:17,880

belt it took like it took it seemed like

1946

01:32:23,590 --> 01:32:19,920

it took about a week for me to get it

1947

01:32:27,890 --> 01:32:23,600

all perfect but when I had it dialed in

1948

01:32:31,129 --> 01:32:27,900

uh it was it was it was perfect yeah it

1949

01:32:34,550 --> 01:32:31,139

was absolutely perfect and now I've told

1950

01:32:36,530 --> 01:32:34,560

this other part of the story uh before

1951

01:32:42,590 --> 01:32:36,540

um I've mentioned this on coast to coast

1952

01:32:47,330 --> 01:32:44,149

I'm not going to say my phone number

1953

01:32:48,290 --> 01:32:47,340

because I still use it today for a

1954

01:32:51,530 --> 01:32:48,300

couple of things

1955

01:32:56,629 --> 01:32:51,540

okay my phone number from back then

1956

01:32:57,590 --> 01:32:56,639

um but so I'm I'm in bed and I hear art

1957

01:33:01,250 --> 01:32:57,600

go

1958

01:33:03,530 --> 01:33:01,260

and uh the number is 818 blah blah blah

1959

01:33:07,490 --> 01:33:03,540

blah blah blah blah

1960

01:33:13,129 --> 01:33:10,129

that was like you know and I and I wait

1961

01:33:15,110 --> 01:33:13,139

I said did he just say my phone number

1962

01:33:17,750 --> 01:33:15,120

and then I listened again it was the

1963

01:33:19,310 --> 01:33:17,760

last number was one digit off that my

1964

01:33:21,290 --> 01:33:19,320

home phone number

1965

01:33:23,510 --> 01:33:21,300

how could I never got any Coast to Coast

1966

01:33:25,490 --> 01:33:23,520

calls at the house but and they still

1967

01:33:27,470 --> 01:33:25,500

use that number today but

1968

01:33:30,590 --> 01:33:27,480

what it told me

1969

01:33:32,030 --> 01:33:30,600

was that show was coming out of my

1970

01:33:34,070 --> 01:33:32,040

neighborhood

1971

01:33:36,649 --> 01:33:34,080

and I didn't know it then I didn't find

1972

01:33:38,030 --> 01:33:36,659

out for a couple of more years that

1973

01:33:40,490 --> 01:33:38,040

Coast to Coast was across the street

1974

01:33:45,169 --> 01:33:40,500

from my house that part I didn't know

1975

01:33:48,530 --> 01:33:45,179

I did not know and probably around the

1976

01:33:50,689 --> 01:33:48,540

year 2

1977

01:33:53,990 --> 01:33:50,699

000. like right in there because that

1978

01:33:55,070 --> 01:33:54,000

was 94.95 around the year 2000

1979

01:33:58,610 --> 01:33:55,080

um I had a friend of mine that went to

1980

01:34:00,770 --> 01:33:58,620

go work for Fox Sports and and took me

1981

01:34:02,689 --> 01:34:00,780

down I was like what and so there used

1982

01:34:04,330 --> 01:34:02,699

to be a Denny's on the bottom floor of

1983

01:34:07,550 --> 01:34:04,340

the Coast to Coast Building

1984

01:34:10,010 --> 01:34:07,560

and uh which I ate at all the time they

1985

01:34:12,530 --> 01:34:10,020

tore that Denny's out and they made it

1986

01:34:14,270 --> 01:34:12,540

Fox Sports Radio Studios so when you're

1987

01:34:15,770 --> 01:34:14,280

driving down the road there on Sepulveda

1988

01:34:18,950 --> 01:34:15,780

you can look at it Sepulveda and Van

1989

01:34:21,649 --> 01:34:18,960

Nuys Boulevard and you look you can see

1990

01:34:23,030 --> 01:34:21,659

all those Fox sports broadcasters right

1991

01:34:25,430 --> 01:34:23,040

you can look you can stop on the

1992

01:34:26,930 --> 01:34:25,440

sidewalk and look in the window and see

1993

01:34:28,430 --> 01:34:26,940

them broadcasting all around the world

1994

01:34:31,910 --> 01:34:28,440

they're going all the way up there's

1995

01:34:33,950 --> 01:34:31,920

like six radio Studios right in a row

1996

01:34:36,530 --> 01:34:33,960

and that's when I found out that Coast

1997

01:34:38,689 --> 01:34:36,540

was upstairs from there

1998

01:34:40,430 --> 01:34:38,699

so that's it that's how I discovered Art

1999

01:34:42,050 --> 01:34:40,440

Bell okay

2000

01:34:44,149 --> 01:34:42,060

uh

2001

01:34:46,850 --> 01:34:44,159

see

2002

01:34:50,270 --> 01:34:46,860

uh be good to meet you in Manchester in

2003

01:34:52,250 --> 01:34:50,280

August yes Chris I will see you now

2004

01:34:54,590 --> 01:34:52,260

we're doing two events there

2005

01:34:55,570 --> 01:34:54,600

oh I'm gonna let everybody know we are

2006

01:34:59,270 --> 01:34:55,580

doing

2007

01:35:02,450 --> 01:34:59,280

uh an event in London

2008

01:35:05,090 --> 01:35:02,460

uh prior to the Manchester

2009

01:35:07,250 --> 01:35:05,100

so I'll get the information up this week

2010

01:35:14,629 --> 01:35:07,260

for everybody on that

2011

01:35:14,639 --> 01:35:18,770

did you hear that

2012

01:35:23,990 --> 01:35:21,709

that was loud whatever it was I I don't

2013

01:35:25,310 --> 01:35:24,000

know what that was and I'm not going to

2014

01:35:27,169 --> 01:35:25,320

uh freak out

2015

01:35:35,410 --> 01:35:27,179

that was loud

2016

01:35:38,810 --> 01:35:35,420

Awakening expo here we go to

2017

01:35:42,229 --> 01:35:38,820

I'm gonna give you the exact dates on

2018

01:35:46,430 --> 01:35:42,239

this right now and then the week before

2019

01:35:52,390 --> 01:35:46,440

that or a few days before that is

2020

01:35:53,990 --> 01:35:52,400

so Awakening is come on come on

2021

01:35:58,189 --> 01:35:54,000

is

2022

01:36:02,510 --> 01:35:58,199

where's where's the dates August uh 25th

2023

01:36:04,970 --> 01:36:02,520

26th and 27th 2023 at the bowlers

2024

01:36:07,070 --> 01:36:04,980

Exposition Center right there in

2025

01:36:11,330 --> 01:36:07,080

Manchester

2026

01:36:14,570 --> 01:36:11,340

um and uh so the week before that so it

2027

01:36:18,229 --> 01:36:14,580

would be uh a few days before that I'm

2028

01:36:21,470 --> 01:36:18,239

gonna guess and say uh August 22nd or

2029

01:36:23,570 --> 01:36:21,480

23rd we're in London I don't have the

2030

01:36:25,729 --> 01:36:23,580

exact venue in front of me um so we're

2031

01:36:27,709 --> 01:36:25,739

doing two events there

2032

01:36:28,850 --> 01:36:27,719

um whatever's closer to you Chris if

2033

01:36:30,350 --> 01:36:28,860

you're going to be in Manchester I'll

2034

01:36:33,709 --> 01:36:30,360

see you in Manchester if you live in

2035

01:36:36,410 --> 01:36:33,719

London uh come out and see us in London

2036

01:36:37,550 --> 01:36:36,420

but that's coming up in August and uh

2037

01:36:42,410 --> 01:36:37,560

I'll see you there it's going to be

2038

01:36:46,850 --> 01:36:44,450

let's see

2039

01:36:53,450 --> 01:36:46,860

okay the big question are you ready

2040

01:36:55,570 --> 01:36:53,460

Ginger or Marianne Marianne and why

2041

01:36:57,610 --> 01:36:55,580

um

2042

01:37:00,050 --> 01:36:57,620

uh

2043

01:37:03,070 --> 01:37:00,060

I never

2044

01:37:05,870 --> 01:37:03,080

I think Ginger

2045

01:37:08,149 --> 01:37:05,880

was supposed to be and I I thought this

2046

01:37:10,850 --> 01:37:08,159

when I was a little kid too as well that

2047

01:37:12,890 --> 01:37:10,860

Ginger was supposed to be this I mean

2048

01:37:14,689 --> 01:37:12,900

I'm five or six thinking these thoughts

2049

01:37:16,189 --> 01:37:14,699

you know like she was supposed to be

2050

01:37:17,750 --> 01:37:16,199

like sexy

2051

01:37:19,850 --> 01:37:17,760

supposed to be hot

2052

01:37:21,350 --> 01:37:19,860

right and and the way she talked and

2053

01:37:24,350 --> 01:37:21,360

walked and this and her hair and things

2054

01:37:27,709 --> 01:37:24,360

I'm right and that was just never really

2055

01:37:29,090 --> 01:37:27,719

appealing to me Mary Ann was hot

2056

01:37:32,450 --> 01:37:29,100

hot

2057

01:37:34,310 --> 01:37:32,460

so yeah yeah I like Barry Marianne just

2058

01:37:38,689 --> 01:37:34,320

was just like

2059

01:37:42,950 --> 01:37:41,510

I was always a Marianne guy

2060

01:37:45,110 --> 01:37:42,960

yep

2061

01:37:47,870 --> 01:37:45,120

so there you go I mean that's kind of

2062

01:37:50,410 --> 01:37:47,880

one of those basic questions too that uh

2063

01:37:53,629 --> 01:37:50,420

people get asked these days Coco Pepsi

2064

01:37:55,970 --> 01:37:53,639

boxers are briefs right okay you know I

2065

01:37:58,970 --> 01:37:55,980

get it vanilla or chocolate and ice

2066

01:38:02,030 --> 01:37:58,980

cream Ginger or Marianne what is it man

2067

01:38:05,149 --> 01:38:02,040

what is it so uh but

2068

01:38:07,149 --> 01:38:05,159

and I think people people expand I don't

2069

01:38:09,890 --> 01:38:07,159

know do they

2070

01:38:12,350 --> 01:38:09,900

Ginger Man Ginger all the way I don't

2071

01:38:13,910 --> 01:38:12,360

know what is it that people expect but

2072

01:38:15,530 --> 01:38:13,920

for I'm just telling you the truth

2073

01:38:17,810 --> 01:38:15,540

straight up

2074

01:38:23,090 --> 01:38:17,820

I never got Ginger

2075

01:38:27,229 --> 01:38:23,100

name is David right on David

2076

01:38:31,010 --> 01:38:27,239

okay let's keep this flowing let's see

2077

01:38:31,020 --> 01:38:36,050

hard saying hi that's funny

2078

01:38:36,060 --> 01:38:41,990

okay let's see what we got here

2079

01:38:46,970 --> 01:38:44,810

oh here we go Susie and Boulder has

2080

01:38:50,930 --> 01:38:46,980

Stephen quell ever been a guest on Fade

2081

01:38:52,669 --> 01:38:50,940

to Black no no Stephen hasn't and

2082

01:38:57,890 --> 01:38:52,679

um

2083

01:38:58,570 --> 01:38:57,900

with Stephen

2084

01:39:02,689 --> 01:38:58,580

um

2085

01:39:04,790 --> 01:39:02,699

Stephen if I could get if I thought that

2086

01:39:07,189 --> 01:39:04,800

I could get Steven

2087

01:39:10,270 --> 01:39:07,199

focused

2088

01:39:14,510 --> 01:39:10,280

right because I uh

2089

01:39:16,729 --> 01:39:14,520

uh I I I don't want to talk religion

2090

01:39:19,790 --> 01:39:16,739

and what what I have found was Steven

2091

01:39:22,370 --> 01:39:19,800

over the years and it he's changed he's

2092

01:39:28,250 --> 01:39:22,380

even gone more extreme but he's to

2093

01:39:32,750 --> 01:39:30,890

ET UFOs life in the universe and and and

2094

01:39:36,530 --> 01:39:32,760

had some very interesting thoughts on

2095

01:39:38,810 --> 01:39:36,540

ancient history and and and and and now

2096

01:39:41,689 --> 01:39:38,820

he'll go

2097

01:39:43,910 --> 01:39:41,699

uh and I'm I'm just I'm making a joke

2098

01:39:45,290 --> 01:39:43,920

here uh okay so don't take me 100

2099

01:39:49,430 --> 01:39:45,300

serious

2100

01:39:52,310 --> 01:39:49,440

but uh UFO was uh seen today video and

2101  
01:39:53,689 --> 01:39:52,320  
filmed over Philadelphia and I don't

2102  
01:39:56,149 --> 01:39:53,699  
know if you've seen the video the video

2103  
01:39:58,189 --> 01:39:56,159  
is very interesting by the way

2104  
01:40:01,030 --> 01:39:58,199  
and then he talks about Jesus for the

2105  
01:40:03,830 --> 01:40:01,040  
next two hours and and it it it it

2106  
01:40:06,470 --> 01:40:03,840  
said that and that's fine for him and

2107  
01:40:07,490 --> 01:40:06,480  
his audience I'm saying that for Fade to

2108  
01:40:10,790 --> 01:40:07,500  
Black

2109  
01:40:14,090 --> 01:40:10,800  
could I get Steve to talk about ancient

2110  
01:40:17,090 --> 01:40:14,100  
history or Egypt or E.T for two hours

2111  
01:40:18,410 --> 01:40:17,100  
and and keep the religious side out of

2112  
01:40:21,169 --> 01:40:18,420  
it

2113  
01:40:23,209 --> 01:40:21,179

um or or make sure that if the religious

2114

01:40:25,669 --> 01:40:23,219

side comes in like with you know

2115

01:40:28,490 --> 01:40:25,679

somebody like LA Marzulli

2116

01:40:29,930 --> 01:40:28,500

um that you do it in a way that

2117

01:40:32,570 --> 01:40:29,940

interests me

2118

01:40:34,910 --> 01:40:32,580

I'm not worried about the audience you

2119

01:40:36,709 --> 01:40:34,920

know I'm worried you got to keep my

2120

01:40:39,770 --> 01:40:36,719

interest and if it goes the other way I

2121

01:40:42,229 --> 01:40:39,780

I zone out I don't like zoning out and

2122

01:40:44,149 --> 01:40:42,239

if I zone out and I lose track of the

2123

01:40:45,830 --> 01:40:44,159

conversation because I'm not you know

2124

01:40:48,590 --> 01:40:45,840

and that's what I don't want Steve to do

2125

01:40:50,510 --> 01:40:48,600

I mean to me personally and if it goes

2126  
01:40:54,169 --> 01:40:50,520  
off that way then it kind of reflects

2127  
01:40:56,990 --> 01:40:54,179  
back into the show so but man I used to

2128  
01:40:58,430 --> 01:40:57,000  
I used to be glued to Steve Quayle back

2129  
01:41:01,550 --> 01:40:58,440  
in the day

2130  
01:41:03,709 --> 01:41:01,560  
for sure but uh his audience and what

2131  
01:41:08,090 --> 01:41:03,719  
works for him isn't uh

2132  
01:41:09,530 --> 01:41:08,100  
uh isn't the same as as it was before

2133  
01:41:12,470 --> 01:41:09,540  
oh

2134  
01:41:15,050 --> 01:41:12,480  
let me see here what's this Renee Randy

2135  
01:41:18,649 --> 01:41:15,060  
Rhodes Gibson Flying V and Gibson Les

2136  
01:41:23,870 --> 01:41:18,659  
Paul with polka dots 15 grand each are

2137  
01:41:28,129 --> 01:41:26,689  
let's see here this is funny this is

2138  
01:41:31,490 --> 01:41:28,139

just the conversation going on in the

2139

01:41:34,850 --> 01:41:31,500

chat I've only got my poor Ibanez RG for

2140

01:41:40,129 --> 01:41:34,860

300 bucks dude I've got like five RG 300

2141

01:41:43,310 --> 01:41:40,139

guitars I love cheap RGS and you know

2142

01:41:45,830 --> 01:41:43,320

300 bucks right but I love them that

2143

01:41:49,850 --> 01:41:45,840

green Sparkle one right there

2144

01:41:53,330 --> 01:41:49,860

man 300 bucks all day long I love that

2145

01:41:55,370 --> 01:41:53,340

guitar I've got uh I've got another I've

2146

01:41:57,590 --> 01:41:55,380

got a red one over there

2147

01:42:00,590 --> 01:41:57,600

RG 350.

2148

01:42:03,830 --> 01:42:00,600

it's rg350 you know you pick those up

2149

01:42:06,350 --> 01:42:03,840

all day long 300 bucks 400 bucks but if

2150

01:42:10,370 --> 01:42:06,360

they play right who cares

2151  
01:42:12,169 --> 01:42:10,380  
I love them I love RGS I love the necks

2152  
01:42:15,109 --> 01:42:12,179  
yeah I don't have any more I only have

2153  
01:42:17,149 --> 01:42:15,119  
got the white one the red one and the

2154  
01:42:20,090 --> 01:42:17,159  
green Sparkle one in here

2155  
01:42:21,350 --> 01:42:20,100  
I've got some more around I love rg's

2156  
01:42:25,490 --> 01:42:21,360  
man

2157  
01:42:27,250 --> 01:42:25,500  
nothing wrong with them RG 350 the 450s

2158  
01:42:31,010 --> 01:42:27,260  
are cool

2159  
01:42:33,550 --> 01:42:31,020  
rg550 I've got a few of those and those

2160  
01:42:37,070 --> 01:42:33,560  
are really nice I also have an rg565

2161  
01:42:38,570 --> 01:42:37,080  
that I am totally in lust with I love

2162  
01:42:40,550 --> 01:42:38,580  
that guitar

2163  
01:42:41,810 --> 01:42:40,560

um it's not in here it's uh somewhere

2164

01:42:43,729 --> 01:42:41,820

else

2165

01:42:47,149 --> 01:42:43,739

okay

2166

01:42:50,930 --> 01:42:47,159

man lots of Guitar talk uh tonight I

2167

01:42:53,030 --> 01:42:50,940

really dig that let's see

2168

01:42:54,770 --> 01:42:53,040

oh so somebody asked me earlier what's

2169

01:42:56,510 --> 01:42:54,780

my favorite guitar amp

2170

01:42:58,070 --> 01:42:56,520

um

2171

01:43:04,510 --> 01:42:58,080

Marshall

2172

01:43:09,530 --> 01:43:06,890

correctly done

2173

01:43:11,629 --> 01:43:09,540

and you know with the right cab and

2174

01:43:12,470 --> 01:43:11,639

everything nothing sounds like a

2175

01:43:15,410 --> 01:43:12,480

marshall

2176

01:43:17,090 --> 01:43:15,420

nothing nothing so I love mine it's

2177

01:43:19,490 --> 01:43:17,100

right there I've got a little fender

2178

01:43:23,810 --> 01:43:19,500

combo next to it it's pretty cool I've

2179

01:43:26,750 --> 01:43:23,820

got one of the joyo mini tube amps uh on

2180

01:43:28,310 --> 01:43:26,760

my 412 slant cabinet uh down the hall in

2181

01:43:30,950 --> 01:43:28,320

the rehearsal room that thing sounds

2182

01:43:35,149 --> 01:43:30,960

great a little noisy but I got the Eddie

2183

01:43:37,729 --> 01:43:35,159

Van Halen 5150 uh knockoff joyo it's

2184

01:43:40,910 --> 01:43:37,739

like this big little lunchbox uh tubes

2185

01:43:43,790 --> 01:43:40,920

it's nice I dig that and then

2186

01:43:46,430 --> 01:43:43,800

um in the living room I have a a hot

2187

01:43:49,010 --> 01:43:46,440

tone I call it a whole tone

2188

01:43:51,169 --> 01:43:49,020

there's only one t so it looks like

2189

01:43:53,030 --> 01:43:51,179

whole tone to me

2190

01:43:54,830 --> 01:43:53,040

um anyway I got one of those in the

2191

01:43:57,590 --> 01:43:54,840

living room with a little orange 110

2192

01:44:00,290 --> 01:43:57,600

cabinet and that amp is about this big a

2193

01:44:02,149 --> 01:44:00,300

little tiny little knobs I'm not kidding

2194

01:44:04,550 --> 01:44:02,159

the knobs are like this big

2195

01:44:08,570 --> 01:44:04,560

and you adjust it going across and it

2196

01:44:10,090 --> 01:44:08,580

sounds pretty good yeah it's pretty good

2197

01:44:15,290 --> 01:44:10,100

um

2198

01:44:21,169 --> 01:44:18,709

Lee should Pluto be a planet again yes

2199

01:44:25,790 --> 01:44:21,179

Pluto should be a planet again

2200

01:44:29,090 --> 01:44:28,070

should have never been demoted you can't

2201

01:44:31,750 --> 01:44:29,100

get

2202

01:44:34,669 --> 01:44:31,760

I mean I mean once you're in you're in

2203

01:44:36,229 --> 01:44:34,679

once you once you're a planet you're a

2204

01:44:38,149 --> 01:44:36,239

planet you don't you don't get that

2205

01:44:40,070 --> 01:44:38,159

taken away from you

2206

01:44:41,270 --> 01:44:40,080

you know you deal with it so it's the

2207

01:44:43,970 --> 01:44:41,280

smallest

2208

01:44:46,070 --> 01:44:43,980

okay so there's got to be not

2209

01:44:51,169 --> 01:44:46,080

everybody's a winner

2210

01:44:56,330 --> 01:44:51,179

today you know and you would think you

2211

01:44:58,129 --> 01:44:56,340

know uh so and and uh uh baseball soccer

2212

01:45:00,890 --> 01:44:58,139

you know there's no second place

2213

01:45:03,050 --> 01:45:00,900

everybody gets a trophy except the

2214

01:45:05,689 --> 01:45:03,060

planet Pluto

2215

01:45:07,010 --> 01:45:05,699

I still can't believe how is that

2216

01:45:09,950 --> 01:45:07,020

possible

2217

01:45:13,550 --> 01:45:09,960

you get to planetary status you stay

2218

01:45:15,590 --> 01:45:13,560

there there has to be a smallest planet

2219

01:45:18,350 --> 01:45:15,600

what Mercury is going to get voted out

2220

01:45:22,970 --> 01:45:18,360

next it's two it's too small men it's a

2221

01:45:26,450 --> 01:45:22,980

it's a moon it's a moon of the Sun

2222

01:45:30,770 --> 01:45:29,149

it's made me so angry all right let's

2223

01:45:33,830 --> 01:45:30,780

see here what else we got what else we

2224

01:45:35,390 --> 01:45:33,840

got uh

2225

01:45:38,090 --> 01:45:35,400

uh Jimmy do you have a problem with your

2226

01:45:40,250 --> 01:45:38,100

lighting no my um I have automatic

2227

01:45:43,189 --> 01:45:40,260

lights here

2228

01:45:44,990 --> 01:45:43,199

so these lights

2229

01:45:47,030 --> 01:45:45,000

that I'm holding my hands up they're

2230

01:45:48,649 --> 01:45:47,040

hooked up to my camera

2231

01:45:51,290 --> 01:45:48,659

you see that

2232

01:45:55,149 --> 01:45:51,300

they're hooked up to my camera

2233

01:45:57,890 --> 01:45:55,159

um so as I you know

2234

01:46:00,709 --> 01:45:57,900

that's what's going on

2235

01:46:04,370 --> 01:46:00,719

I can I can turn off the automatic part

2236

01:46:06,410 --> 01:46:04,380

of it but during the day it's it's lit

2237

01:46:09,229 --> 01:46:06,420

up a bit different in here and at night

2238

01:46:11,450 --> 01:46:09,239

it's different and so keeping it on

2239

01:46:12,950 --> 01:46:11,460

automatic is better because right now I

2240

01:46:16,310 --> 01:46:12,960

would have to go in and adjust the

2241

01:46:19,490 --> 01:46:16,320

settings uh before the show and that

2242

01:46:21,649 --> 01:46:19,500

that's you know I I can turn it off it's

2243

01:46:23,810 --> 01:46:21,659

not that big of a deal but

2244

01:46:26,930 --> 01:46:23,820

um I spent a lot of money on these

2245

01:46:28,729 --> 01:46:26,940

lights for their automatic features and

2246

01:46:30,709 --> 01:46:28,739

there you go

2247

01:46:33,470 --> 01:46:30,719

so that's what's going on I had somebody

2248

01:46:35,570 --> 01:46:33,480

in here this weekend and uh

2249

01:46:37,609 --> 01:46:35,580

man you guys are just nothing but guitar

2250

01:46:41,930 --> 01:46:37,619

talk tonight

2251  
01:46:44,570 --> 01:46:41,940  
and I can only do so much guitar talk

2252  
01:46:45,770 --> 01:46:44,580  
I'm loving Breaking Bad I never watched

2253  
01:46:48,490 --> 01:46:45,780  
Breaking Bad

2254  
01:46:52,070 --> 01:46:48,500  
I didn't but Better Call Saul

2255  
01:46:54,410 --> 01:46:52,080  
oh man six seasons

2256  
01:46:57,350 --> 01:46:54,420  
if you haven't if you haven't watched

2257  
01:46:59,930 --> 01:46:57,360  
Better Call Saul

2258  
01:47:01,850 --> 01:46:59,940  
it's worth it now I haven't watched

2259  
01:47:04,850 --> 01:47:01,860  
Breaking Bad so I can't compare the two

2260  
01:47:07,609 --> 01:47:04,860  
but man Better Call Saul I really

2261  
01:47:10,070 --> 01:47:07,619  
enjoyed it and

2262  
01:47:11,510 --> 01:47:10,080  
I can't get into Ted asso for some

2263  
01:47:13,729 --> 01:47:11,520

reason what

2264

01:47:16,609 --> 01:47:13,739

man that's the bet okay you I'm gonna

2265

01:47:19,669 --> 01:47:16,619

tell you the problem with Ted lasso

2266

01:47:24,109 --> 01:47:19,679

seasons one and two

2267

01:47:27,310 --> 01:47:24,119

the best one-liners rapid fire comedy

2268

01:47:31,609 --> 01:47:27,320

from everybody on the set

2269

01:47:33,770 --> 01:47:31,619

they they got so good now they're having

2270

01:47:37,370 --> 01:47:33,780

for having to push it a little bit to

2271

01:47:38,810 --> 01:47:37,380

get to the same rapid fire one-liner so

2272

01:47:40,129 --> 01:47:38,820

it was so good I'm writing him down I'm

2273

01:47:41,750 --> 01:47:40,139

like Ben I'm going to use that on the

2274

01:47:42,770 --> 01:47:41,760

show that one's pretty good right there

2275

01:47:44,629 --> 01:47:42,780

I'm going to write that one down too

2276

01:47:46,129 --> 01:47:44,639

that's that that's pretty good it was

2277

01:47:48,530 --> 01:47:46,139

that great

2278

01:47:50,870 --> 01:47:48,540

um uh I'm waiting for the storyline to

2279

01:47:53,209 --> 01:47:50,880

catch this season because it's the final

2280

01:47:56,149 --> 01:47:53,219

season but I know I really enjoyed Ted

2281

01:47:59,270 --> 01:47:56,159

lasso um I still am

2282

01:48:02,169 --> 01:47:59,280

um the rapid fire one-liners are are

2283

01:48:04,490 --> 01:48:02,179

fewer and far between right now so

2284

01:48:07,729 --> 01:48:04,500

apparently more Texas cows being

2285

01:48:10,370 --> 01:48:07,739

mutilated are you saying in addition to

2286

01:48:12,229 --> 01:48:10,380

hmm

2287

01:48:13,490 --> 01:48:12,239

what do you think about how they are

2288

01:48:15,770 --> 01:48:13,500

getting I don't know how they're getting

2289

01:48:17,390 --> 01:48:15,780

mutilated they don't know

2290

01:48:20,689 --> 01:48:17,400

they don't know

2291

01:48:25,250 --> 01:48:20,699

all they said was Precision Precision

2292

01:48:30,290 --> 01:48:25,260

cutting and no blood yeah

2293

01:48:32,570 --> 01:48:30,300

yeah so I don't know uh handmaid's tale

2294

01:48:33,470 --> 01:48:32,580

um I I look I understand that it's

2295

01:48:35,990 --> 01:48:33,480

really really really really really

2296

01:48:39,470 --> 01:48:36,000

really great

2297

01:48:41,090 --> 01:48:39,480

um but I I'm so far behind

2298

01:48:42,950 --> 01:48:41,100

um on so many things in the handmaid's

2299

01:48:44,209 --> 01:48:42,960

Tale one of them the third fourth season

2300

01:48:47,149 --> 01:48:44,219

now

2301

01:48:48,709 --> 01:48:47,159

um but I I understand it's really really

2302

01:48:51,649 --> 01:48:48,719

really really really good

2303

01:48:53,870 --> 01:48:51,659

so I don't know if I'll uh ever get

2304

01:48:56,209 --> 01:48:53,880

around to it I'm waiting for uh

2305

01:48:59,270 --> 01:48:56,219

Yellowstone the second half of the

2306

01:49:01,669 --> 01:48:59,280

Season uh to uh to come in

2307

01:49:02,930 --> 01:49:01,679

and I understand it's going to be the

2308

01:49:06,590 --> 01:49:02,940

last season

2309

01:49:08,810 --> 01:49:06,600

only one Jimmy only one what did I miss

2310

01:49:12,649 --> 01:49:08,820

the first look these these tweets are

2311

01:49:16,250 --> 01:49:12,659

are the these are going by uh

2312

01:49:20,570 --> 01:49:16,260

uh too fast okay

2313

01:49:27,290 --> 01:49:23,330

uh hey Jim is from Scott Coast to Coast

2314

01:49:30,590 --> 01:49:27,300

had some legendary Collins ever have uh

2315

01:49:32,510 --> 01:49:30,600

a John Teeter call-in no no I never had

2316

01:49:34,550 --> 01:49:32,520

John Teeter call in

2317

01:49:36,169 --> 01:49:34,560

no I didn't even think I had a time

2318

01:49:36,970 --> 01:49:36,179

traveler call

2319

01:49:40,250 --> 01:49:36,980

no

2320

01:49:43,129 --> 01:49:40,260

uncomfortable I didn't ask for any but

2321

01:49:47,810 --> 01:49:43,139

uh no

2322

01:49:51,770 --> 01:49:49,850

but I never had somebody claim that they

2323

01:49:52,810 --> 01:49:51,780

were time traveler and I would have

2324

01:49:56,030 --> 01:49:52,820

loved

2325

01:50:00,050 --> 01:49:56,040

for uh a John Teeter call that came in

2326

01:50:03,169 --> 01:50:00,060

on uh Twitter by the way hashtag f2b

2327

01:50:07,189 --> 01:50:03,179

um I highly recommend triple zero

2328

01:50:09,530 --> 01:50:07,199

only one okay you guys lost me

2329

01:50:12,109 --> 01:50:09,540

hey Jimmy love

2330

01:50:13,689 --> 01:50:12,119

uh love your life uh with all due

2331

01:50:15,660 --> 01:50:13,699

respect um

2332

01:50:17,109 --> 01:50:15,670

okay all right

2333

01:50:19,850 --> 01:50:17,119

[Music]

2334

01:50:22,189 --> 01:50:19,860

okay so let me post this up it's really

2335

01:50:24,530 --> 01:50:22,199

long okay

2336

01:50:26,689 --> 01:50:24,540

um I I know and understand how you feel

2337

01:50:29,209 --> 01:50:26,699

about the Lazar situation but would you

2338

01:50:30,890 --> 01:50:29,219

ever consider having him on

2339

01:50:37,430 --> 01:50:30,900

uh

2340

01:50:45,169 --> 01:50:40,729

I'm gonna have Lazar on

2341

01:50:47,990 --> 01:50:45,179

but by himself

2342

01:50:50,209 --> 01:50:48,000

I don't want any of his handlers Jeremy

2343

01:50:52,490 --> 01:50:50,219

Corbell I don't want any of you know

2344

01:50:55,250 --> 01:50:52,500

anybody whispering in his ear Jeremy

2345

01:50:59,030 --> 01:50:55,260

Corbell I don't want that going on if I

2346

01:51:02,149 --> 01:50:59,040

could have uh Bob on the show and we

2347

01:51:03,830 --> 01:51:02,159

could just just talk just talk

2348

01:51:05,990 --> 01:51:03,840

yeah I would do it

2349

01:51:08,390 --> 01:51:06,000

but there can't be any limitations put

2350

01:51:10,550 --> 01:51:08,400

on the show

2351

01:51:15,410 --> 01:51:10,560

he would never do it

2352

01:51:17,750 --> 01:51:15,420

why he did Rogan is because he had

2353

01:51:20,390 --> 01:51:17,760

somebody running interference but I

2354

01:51:21,590 --> 01:51:20,400

don't I I think for even for Rogan I

2355

01:51:24,350 --> 01:51:21,600

don't think Rogan would do that again

2356

01:51:28,189 --> 01:51:24,360

not not but it was just it was just bad

2357

01:51:29,030 --> 01:51:28,199

that was really bad radio

2358

01:51:32,149 --> 01:51:29,040

um

2359

01:51:34,729 --> 01:51:32,159

so yeah see Jimmy I highly recommend

2360

01:51:36,770 --> 01:51:34,739

Picard I I started to watch it I watched

2361

01:51:38,629 --> 01:51:36,780

like the first two episodes

2362

01:51:41,090 --> 01:51:38,639

um and I know everybody's digging it let

2363

01:51:43,729 --> 01:51:41,100

me tell you why I didn't dig it I did

2364

01:51:46,970 --> 01:51:43,739

watch two episodes I was hoping it was

2365

01:51:50,629 --> 01:51:49,129

he's too old to be the captain of a

2366

01:51:53,870 --> 01:51:50,639

Starship

2367

01:51:56,390 --> 01:51:53,880

he's too old can't pull pull him out of

2368

01:51:58,850 --> 01:51:56,400

retirement and he's got his walker with

2369

01:52:01,970 --> 01:51:58,860

the little tennis balls on it you know

2370

01:52:05,689 --> 01:52:01,980

and and and coming up okay I'm back and

2371

01:52:09,109 --> 01:52:05,699

it's just like games now

2372

01:52:10,609 --> 01:52:09,119

no no no no no no no no no no and so

2373

01:52:13,430 --> 01:52:10,619

for me

2374

01:52:15,229 --> 01:52:13,440

um I had to check out so please

2375

01:52:17,689 --> 01:52:15,239

everybody I know if you're Star Trek fan

2376

01:52:19,609 --> 01:52:17,699

and you're a Picard fan and I I get it I

2377

01:52:22,970 --> 01:52:19,619

totally get it

2378

01:52:26,689 --> 01:52:22,980

um for me it was too geriatric to the

2379

01:52:29,570 --> 01:52:26,699

the geriatric aspect of it

2380

01:52:31,790 --> 01:52:29,580

um I mean he was just like

2381

01:52:40,609 --> 01:52:37,689

uh going onto the bridge uh 15 minutes

2382

01:52:42,890 --> 01:52:40,619

one of his tennis balls fell off of The

2383

01:52:45,530 --> 01:52:42,900

Walker you know and it's just like man

2384

01:52:47,629 --> 01:52:45,540

you can't you can't do that you can't do

2385

01:52:48,970 --> 01:52:47,639

that type of card so

2386

01:52:52,370 --> 01:52:48,980

all right

2387

01:52:53,209 --> 01:52:52,380

uh everybody's loving it though

2388

01:52:59,330 --> 01:52:53,219

um

2389

01:53:02,270 --> 01:52:59,340

do that was spectacular

2390

01:53:06,229 --> 01:53:02,280

that what what I had that Sushi dinner

2391

01:53:09,770 --> 01:53:06,239

on Royal a Royal Caribbean that Sushi

2392

01:53:11,870 --> 01:53:09,780

dinner in La exactly how I had it there

2393

01:53:13,550 --> 01:53:11,880

300 bucks

2394

01:53:15,530 --> 01:53:13,560

and I was like it was like twenty

2395

01:53:17,090 --> 01:53:15,540

dollars 30 bucks that it was the most

2396

01:53:21,169 --> 01:53:17,100

expensive thing you could order on their

2397

01:53:24,770 --> 01:53:21,179

menu yeah 30 bucks insanely great

2398

01:53:27,229 --> 01:53:24,780

yeah yeah it's it's really good

2399

01:53:30,010 --> 01:53:27,239

let's see but only one you didn't pick

2400

01:53:32,870 --> 01:53:30,020

one you listened many I don't understand

2401  
01:53:34,970 --> 01:53:32,880  
you got to be more specific I don't even

2402  
01:53:41,410 --> 01:53:34,980  
know which one I picked which

2403  
01:53:41,420 --> 01:53:45,410  
okay all right

2404  
01:53:47,870 --> 01:53:46,270  
uh

2405  
01:53:51,169 --> 01:53:47,880  
[Music]

2406  
01:53:52,970 --> 01:53:51,179  
uh it's simple math they lost 875

2407  
01:53:54,830 --> 01:53:52,980  
million in the lawsuit they had to cut

2408  
01:53:58,669 --> 01:53:54,840  
loose of his salary

2409  
01:54:00,890 --> 01:53:58,679  
uh let's see okay uh any suggestions on

2410  
01:54:03,350 --> 01:54:00,900  
the night watch starter kit been outside

2411  
01:54:07,370 --> 01:54:03,360  
since I have moved but need to figure

2412  
01:54:10,930 --> 01:54:07,380  
out if what I have seen is a UFO or ISS

2413  
01:54:14,390 --> 01:54:10,940

okay the easiest way to do that uh Matt

2414

01:54:18,350 --> 01:54:14,400

just gets uh

2415

01:54:19,970 --> 01:54:18,360

um a Skywatch program uh star watch I

2416

01:54:21,709 --> 01:54:19,980

forget which one that I have here but

2417

01:54:23,870 --> 01:54:21,719

it'll tell you when the ISS is coming

2418

01:54:25,390 --> 01:54:23,880

over and you'll also get an alert on

2419

01:54:28,129 --> 01:54:25,400

your phone

2420

01:54:31,070 --> 01:54:28,139

ISS in 10 minutes and you run outside

2421

01:54:32,510 --> 01:54:31,080

and and and and there you go you get to

2422

01:54:35,270 --> 01:54:32,520

see it with your naked eye and then

2423

01:54:37,970 --> 01:54:35,280

you'll know if it's the ISS you can also

2424

01:54:39,709 --> 01:54:37,980

identify other satellites right here on

2425

01:54:41,450 --> 01:54:39,719

your phone GPS is going to tell you

2426

01:54:44,810 --> 01:54:41,460

everything that's cruising around up in

2427

01:54:47,930 --> 01:54:44,820

the sky uh above your home so there's

2428

01:54:49,750 --> 01:54:47,940

that but get

2429

01:54:52,609 --> 01:54:49,760

um

2430

01:54:55,490 --> 01:54:52,619

the best thing to do is to when you get

2431

01:54:59,149 --> 01:54:55,500

night vision you want to Gen 2 or a gen

2432

01:55:02,149 --> 01:54:59,159

3 uh monocular or binocular you know one

2433

01:55:05,330 --> 01:55:02,159

that has two or one that's a scope

2434

01:55:06,530 --> 01:55:05,340

um but uh invest in invest into one of

2435

01:55:08,629 --> 01:55:06,540

them

2436

01:55:10,609 --> 01:55:08,639

um yeah if you got a couple of grand you

2437

01:55:12,770 --> 01:55:10,619

can get what you want there's plenty of

2438

01:55:15,229 --> 01:55:12,780

choices out there if you want to jump

2439

01:55:17,270 --> 01:55:15,239

below that the psionics is pretty good I

2440

01:55:18,950 --> 01:55:17,280

have one of those and if you want to

2441

01:55:22,129 --> 01:55:18,960

save some money get a psionics and

2442

01:55:24,109 --> 01:55:22,139

there's a digital version of it right

2443

01:55:26,870 --> 01:55:24,119

now that is well they're both digital

2444

01:55:30,709 --> 01:55:26,880

but there's like one that mimics the

2445

01:55:33,410 --> 01:55:30,719

tubes that that I have in my Gen 2 and

2446

01:55:36,890 --> 01:55:33,420

gen 3 uh by psionics and according to

2447

01:55:38,689 --> 01:55:36,900

Ben Hansen they are really really good

2448

01:55:41,990 --> 01:55:38,699

and I'll see if I can get that

2449

01:55:45,050 --> 01:55:42,950

um

2450

01:55:47,629 --> 01:55:45,060

uh from Ben Hansen about that new

2451

01:55:50,209 --> 01:55:47,639

psionics he says it's really good let's

2452

01:55:53,090 --> 01:55:50,219

see have you seen Stephen green Street's

2453

01:55:56,270 --> 01:55:53,100

basement office videos for the New York

2454

01:55:58,550 --> 01:55:56,280

Post YouTube channel no

2455

01:56:01,910 --> 01:55:58,560

no and that's coming in from cup

2456

01:56:04,729 --> 01:56:01,920

Creations no I haven't is that the one

2457

01:56:07,310 --> 01:56:04,739

that Nick Pope was on

2458

01:56:09,530 --> 01:56:07,320

I mean I I think that's that's what's

2459

01:56:12,770 --> 01:56:09,540

called basement off but anyway no I

2460

01:56:15,350 --> 01:56:12,780

haven't seen any of them uh so I don't

2461

01:56:18,290 --> 01:56:15,360

have any idea

2462

01:56:22,729 --> 01:56:18,300

um Jimmy could you eat a whole pizza by

2463

01:56:26,870 --> 01:56:24,590

probably

2464

01:56:28,430 --> 01:56:26,880

depends on how much money's on the table

2465

01:56:32,950 --> 01:56:28,440

uh

2466

01:56:35,470 --> 01:56:32,960

to I'm just scrolling through Pizzeria

2467

01:56:38,990 --> 01:56:35,480

Bianco from Phoenix

2468

01:56:43,189 --> 01:56:39,000

Let's see we are out of time I'm just

2469

01:56:48,169 --> 01:56:43,199

trying to squeeze in a couple more

2470

01:56:50,209 --> 01:56:48,179

uh before I have to wrap this up uh

2471

01:56:52,910 --> 01:56:50,219

Jimmy we have mutilations here in the UK

2472

01:56:55,129 --> 01:56:52,920

too but it's all covered up yeah I I

2473

01:56:59,330 --> 01:56:55,139

imagine it that's why I was so surprised

2474

01:57:01,609 --> 01:56:59,340

to see this article I mean you know now

2475

01:57:02,510 --> 01:57:01,619

there was also another comment and I

2476

01:57:04,310 --> 01:57:02,520

don't know if

2477

01:57:07,550 --> 01:57:04,320

um it was in all of the articles that I

2478

01:57:09,350 --> 01:57:07,560

read that there are mutilations going on

2479

01:57:12,410 --> 01:57:09,360

right now across the United States and

2480

01:57:14,930 --> 01:57:12,420

like this is a multi-agency situation

2481

01:57:17,450 --> 01:57:14,940

right now these six were found along the

2482

01:57:20,089 --> 01:57:17,460

same Highway in Texas uh but they

2483

01:57:24,229 --> 01:57:20,099

mentioned something about across the

2484

01:57:26,030 --> 01:57:24,239

United States now I don't know well I'm

2485

01:57:29,390 --> 01:57:26,040

gonna stay on top of this I think it's

2486

01:57:30,410 --> 01:57:29,400

uh very interesting Jimmy what's your

2487

01:57:36,649 --> 01:57:30,420

most

2488

01:57:39,890 --> 01:57:37,970

you know what

2489

01:57:43,430 --> 01:57:39,900

man you know I've seen ghosts I've done

2490

01:57:45,709 --> 01:57:43,440

this on my shoes you know things moving

2491

01:57:47,810 --> 01:57:45,719

around probably hallucinating all that

2492

01:57:49,970 --> 01:57:47,820

stuff yeah okay but I got to tell you

2493

01:57:53,030 --> 01:57:49,980

when the I want to believe poster fell

2494

01:57:55,070 --> 01:57:53,040

down and how it broke and the thing on

2495

01:57:56,810 --> 01:57:55,080

it and then I turn around and the foam

2496

01:57:59,390 --> 01:57:56,820

core is on the floor over here on the

2497

01:58:02,570 --> 01:57:59,400

same day that was that was a head

2498

01:58:06,050 --> 01:58:02,580

scratcher I saved the hook the broken

2499

01:58:08,750 --> 01:58:06,060

hook it's it's thick like a credit card

2500

01:58:12,530 --> 01:58:08,760

uh that

2501  
01:58:14,209 --> 01:58:12,540  
unless somebody came in my my home and

2502  
01:58:16,790 --> 01:58:14,219  
pulled that down and broke it on purpose

2503  
01:58:19,250 --> 01:58:16,800  
then that was 100 the craziest

2504  
01:58:21,649 --> 01:58:19,260  
paranormal thing ever

2505  
01:58:25,370 --> 01:58:21,659  
um really glad I didn't see it live

2506  
01:58:28,189 --> 01:58:25,380  
because that would uh let's see how much

2507  
01:58:30,589 --> 01:58:28,199  
for that green manalishi guitar behind

2508  
01:58:32,930 --> 01:58:30,599  
you which one oh are you talking about

2509  
01:58:36,649 --> 01:58:32,940  
the Peter Green

2510  
01:58:39,470 --> 01:58:36,659  
you're talking about this one uh no no

2511  
01:58:40,310 --> 01:58:39,480  
no no no no you don't have that kind of

2512  
01:58:42,589 --> 01:58:40,320  
Dash

2513  
01:58:44,390 --> 01:58:42,599

but it is the green manalishi isn't it

2514

01:58:46,370 --> 01:58:44,400

beautiful look at that thing he's

2515

01:58:48,290 --> 01:58:46,380

talking about that one right there

2516

01:58:51,350 --> 01:58:48,300

anything's sweet ah he might well that's

2517

01:58:53,570 --> 01:58:51,360

kind of green manalishi too but that if

2518

01:58:56,030 --> 01:58:53,580

there is a real one it's that one if

2519

01:58:58,729 --> 01:58:56,040

you're talking about Peter Green

2520

01:59:01,250 --> 01:58:58,739

yeah good eye uh Jimmy you think that

2521

01:59:04,490 --> 01:59:01,260

nuclear war worries Rising again as

2522

01:59:06,770 --> 01:59:04,500

League two increased sightings Brian I

2523

01:59:07,870 --> 01:59:06,780

die I don't I don't believe that and I

2524

01:59:11,390 --> 01:59:07,880

think that

2525

01:59:14,450 --> 01:59:11,400

dude we had this nuclear war threat

2526

01:59:18,350 --> 01:59:14,460

happen every six months if you go back

2527

01:59:20,810 --> 01:59:18,360

historically and and think about you

2528

01:59:22,550 --> 01:59:20,820

remember uh uh four or five years ago

2529

01:59:23,810 --> 01:59:22,560

when North Korea was firing those

2530

01:59:27,050 --> 01:59:23,820

missiles

2531

01:59:29,810 --> 01:59:27,060

you know towards Hawaii and the alarms

2532

01:59:31,850 --> 01:59:29,820

the air raid sirens went off in Guam or

2533

01:59:34,729 --> 01:59:31,860

whatever right Hawaii I mean that's

2534

01:59:38,450 --> 01:59:34,739

that's right there I mean that's crazy

2535

01:59:40,430 --> 01:59:38,460

stuff going on nuclear testing in North

2536

01:59:43,070 --> 01:59:40,440

Korea or Pakistan or wherever this stuff

2537

01:59:45,890 --> 01:59:43,080

goes on uh right now the saber rattling

2538

01:59:48,890 --> 01:59:45,900

uh that is happening with uh Belarus and

2539

01:59:51,649 --> 01:59:48,900

and of course uh Ukraine and Putin this

2540

01:59:53,450 --> 01:59:51,659

stuff this chatter happens you know it's

2541

01:59:56,270 --> 01:59:53,460

just every six months if you go back

2542

01:59:59,750 --> 01:59:56,280

just go back and look at history and see

2543

02:00:01,550 --> 01:59:59,760

how that is repeated Time After Time the

2544

02:00:05,149 --> 02:00:01,560

Cuban Missile Crisis you want to talk

2545

02:00:08,629 --> 02:00:05,159

about a crazy nuclear situation think

2546

02:00:10,850 --> 02:00:08,639

about the pressure of of humanity right

2547

02:00:15,950 --> 02:00:10,860

of the what with the pressure they were

2548

02:00:17,810 --> 02:00:15,960

under at that moment so yeah it happens

2549

02:00:19,550 --> 02:00:17,820

I am we're not going to have a nuclear

2550

02:00:24,050 --> 02:00:19,560

war I'm not worried about that I'm not

2551  
02:00:27,109 --> 02:00:24,060  
I'm I'm not I'm not spending my days we

2552  
02:00:30,109 --> 02:00:27,119  
all worry about it we all do and we all

2553  
02:00:33,950 --> 02:00:30,119  
should but am I am I just stopping my

2554  
02:00:35,990 --> 02:00:33,960  
day no I'm not say the black is produced

2555  
02:00:38,450 --> 02:00:36,000  
by him J Palm Renee Newman and Michelle

2556  
02:00:40,490 --> 02:00:38,460  
freed thank you to Dennis and Kevin

2557  
02:00:43,030 --> 02:00:40,500  
webmaster is through the geek music Doug

2558  
02:00:45,530 --> 02:00:43,040  
Aldridge intro space boy

2559  
02:00:47,390 --> 02:00:45,540  
spaceboymusic.com painted black is

2560  
02:00:49,310 --> 02:00:47,400  
produced by kjcr for the game changer

2561  
02:00:52,490 --> 02:00:49,320  
Network and this broadcast is owned and

2562  
02:00:54,589 --> 02:00:52,500  
copywriting 2023 by Fade to Black and

2563  
02:00:56,510 --> 02:00:54,599

The Game Changer Network Inc it cannot

2564

02:00:58,189 --> 02:00:56,520

be rebroadcast analog to copied or used

2565

02:00:59,990 --> 02:00:58,199

anywhere in the known universe without

2566

02:01:01,430 --> 02:01:00,000

written permission from Fade to Black or

2567

02:01:05,330 --> 02:01:01,440

the game changer Network tomorrow night

2568

02:01:08,930 --> 02:01:05,340

right here John Ramirez until then I

2569

02:01:11,780 --> 02:01:08,940

want everybody to be safe it's time to

2570

02:01:15,950 --> 02:01:11,790

Fade to Black
