Church let's get straight to it busy

7
00:00:47,150 --> 00:00:42,620
news day today on this day in history

8
00:00:50,450 --> 00:00:47,160
1980 the United States forces launched a

9
00:00:54,049 --> 00:00:50,460
mission to rescue American hostages in

10
00:00:57,170 --> 00:00:54,059
Iran but the attempt failed and eight

11
00:01:01,869 --> 00:00:57,180
U.S service members were killed on this

12
00:01:05,329 --> 00:01:01,879
day in 1980. here's your fader fact

13
00:01:09,770 --> 00:01:05,339

catnip that's right

14

00:01:13,310 --> 00:01:09,780

catnip catnip Stoner material catnip is

15

00:01:17,270 --> 00:01:13,320

10 times more effective at repelling

16

00:01:20,570 --> 00:01:17,280

mosquitoes than DEET the main substance

17

00:01:23,630 --> 00:01:20,580

used in insect repellents

18

00:01:25,789 --> 00:01:23,640

that's right two uses

19

00:01:29,870 --> 00:01:25,799

for catnip

20

00:01:34,190 --> 00:01:29,880

here's your Fade to Black breaking news

21

00:01:36,950 --> 00:01:34,200

this is huge six cows were found dead

22

00:01:40,010 --> 00:01:36,960

and mutilated along a state highway in

23

00:01:42,770 --> 00:01:40,020

East Central Texas with their tongues

24

00:01:45,289 --> 00:01:42,780

completely removed and have prompted an

25

00:01:49,130 --> 00:01:45,299

investigation by a County's sheriff's

26

00:01:52,130 --> 00:01:49,140

office ranchers in Madison County first

27

00:01:55,429 --> 00:01:52,140

reported a six-year-old Longhorn cross

28

00:01:56,929 --> 00:01:55,439

cow lying on her side dead and mutilated

29

00:01:59,569 --> 00:01:56,939

according to her release from the

30

00:02:03,469 --> 00:01:59,579

Madison County Sheriff's Office the

31

00:02:06,770 --> 00:02:03,479

cow's tongue was removed with no blood

32

00:02:08,690 --> 00:02:06,780

spill and a straight clean cut with

33

00:02:11,210 --> 00:02:08,700

apparent precision and that's a quote

34

00:02:13,729 --> 00:02:11,220

from the Sheriff's Office had been made

35

00:02:16,190 --> 00:02:13,739

to remove the hide around the cow's

36

00:02:18,830 --> 00:02:16,200

mouth on one side according to the

37

00:02:21,650 --> 00:02:18,840

Sheriff's Office while looking into the

38

00:02:23,990 --> 00:02:21,660

Longhorns Cross death investigators

39

00:02:27,490 --> 00:02:24,000

learned of five other cows that were

40

00:02:30,170 --> 00:02:27,500

also found in a similar brutal condition

41

00:02:34,010 --> 00:02:30,180

each cow was from a different different

42

00:02:35,630 --> 00:02:34,020

pasture and herd and was found at a

43

00:02:38,510 --> 00:02:35,640

different location along the area of the

44

00:02:42,470 --> 00:02:38,520

state highway near Brazos and Robertson

45

00:02:45,470 --> 00:02:42,480

counties on two of the cows a circular

46

00:02:49,850 --> 00:02:45,480

cut had also been made removing the anus

47

00:02:52,190 --> 00:02:49,860

and the external genitalia quote this

48

00:02:54,589 --> 00:02:52,200

circular cut was made with the same

49

00:02:58,009 --> 00:02:54,599

precision as the cuts noted around the

50

00:03:01,130 --> 00:02:58,019

jaw lines of each cow and quote that is

51
00:03:03,470 --> 00:03:01,140
directly from the Sheriff's office there

52
00:03:06,650 --> 00:03:03,480
were no signs of struggle or blood spill

53
00:03:09,470 --> 00:03:06,660
no Footprints or tire tracks in the area

54
00:03:12,050 --> 00:03:09,480
around any of the cows and the Sheriff's

55
00:03:13,970 --> 00:03:12,060
Office also said it is coordinating with

56
00:03:17,149 --> 00:03:13,980
other law enforcement agencies for

57
00:03:19,910 --> 00:03:17,159
information noting multiple similar

58
00:03:22,970 --> 00:03:19,920
incidents in the United States the cause

59
00:03:26,750 --> 00:03:22,980
of death of all six cows remains unknown

60
00:03:29,809 --> 00:03:26,760
and the sheriff's office is also asking

61
00:03:33,170 --> 00:03:29,819
anyone with information to come forward

62
00:03:36,110 --> 00:03:33,180
foreign wow

63
00:03:39,710 --> 00:03:36,120

well the big news of the day well

64

00:03:41,990 --> 00:03:39,720

there's two news stories that involve

65

00:03:47,030 --> 00:03:42,000

the news and the first

66

00:03:49,369 --> 00:03:47,040

Fox and Tucker Carlson have severed ties

67

00:03:52,250 --> 00:03:49,379

fox said in a stunning announcement

68

00:03:54,350 --> 00:03:52,260

earlier today today's shocking

69

00:03:56,270 --> 00:03:54,360

announcement that fox had parted ways

70

00:03:59,210 --> 00:03:56,280

with Carlson appeared to come quite

71

00:04:02,390 --> 00:03:59,220

abruptly Tucker Carlson was informed

72

00:04:06,170 --> 00:04:02,400

this morning that Fox News had decided

73

00:04:09,470 --> 00:04:06,180

to part ways with the prime time host in

74

00:04:13,970 --> 00:04:09,480

some rankings he's the number one number

75

00:04:16,129 --> 00:04:13,980

one show in all of cable television this

76

00:04:18,409 --> 00:04:16,139

is incredible just prior to the

77

00:04:21,890 --> 00:04:18,419

Network's announcement Fox had been

78

00:04:24,230 --> 00:04:21,900

promoting its uh air on Monday night uh

79

00:04:27,110 --> 00:04:24,240

interview by Carlson with a GOP

80

00:04:29,930 --> 00:04:27,120

Presidential candidate and on Carlson's

81

00:04:33,430 --> 00:04:29,940

Friday show he concluded the program

82

00:04:35,409 --> 00:04:33,440

with saying hey I'll be back on Monday

83

00:04:38,330 --> 00:04:35,419

end quote

84

00:04:40,430 --> 00:04:38,340

Friday's show turned out to be Tucker's

85

00:04:44,510 --> 00:04:40,440

last there's going to be no farewell

86

00:04:48,830 --> 00:04:44,520

show that's it it has just ended now

87

00:04:52,390 --> 00:04:48,840

along with Fox and Tucker CNN has parted

88

00:04:54,830 --> 00:04:52,400

ways with its long time host Don Lemon

89

00:04:57,350 --> 00:04:54,840

the announcement happened at the same

90

00:04:59,810 --> 00:04:57,360

time as the Fox News announcement it

91

00:05:02,749 --> 00:04:59,820

came without explanation and also

92

00:05:06,350 --> 00:05:02,759

astonished the media industry it's a

93

00:05:09,050 --> 00:05:06,360

crazy media day lemon joined CNN in

94

00:05:11,990 --> 00:05:09,060

September of 2006.

95

00:05:14,170 --> 00:05:12,000

in a statement of his own lemon said

96

00:05:18,770 --> 00:05:14,180

that his agent told him this morning

97

00:05:21,710 --> 00:05:18,780

that CNN had terminated him which is

98

00:05:22,850 --> 00:05:21,720

strangely similar to how Tucker got the

99

00:05:24,409 --> 00:05:22,860

news

100

00:05:26,210 --> 00:05:24,419

wow

101

00:05:29,629 --> 00:05:26,220

all right

102

00:05:32,450 --> 00:05:29,639

nearly 300 silver coins believed to be

103

00:05:34,610 --> 00:05:32,460

more than one thousand years old have

104

00:05:38,270 --> 00:05:34,620

been discovered near a Viking Fortress

105

00:05:40,909 --> 00:05:38,280

site in Northwest Denmark the Trove

106

00:05:43,490 --> 00:05:40,919

lying in two spots not that far apart

107

00:05:46,730 --> 00:05:43,500

was Unearthed by a girl who was metal

108

00:05:49,610 --> 00:05:46,740

detecting in a corn field last Autumn

109

00:05:53,270 --> 00:05:49,620

the silver coins found about five miles

110

00:05:55,490 --> 00:05:53,280

from the fire cat Viking ring Fort near

111

00:05:57,409 --> 00:05:55,500

the town of hobro from their

112

00:06:01,670 --> 00:05:57,419

inscriptions they are believed to date

113

00:06:04,909 --> 00:06:01,680

back to the 980s the artifacts will go

114
