

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

PAUL ANTHONY WALLIS

ET CONTACT IN THE BIBLE

MON MAY 01 **LIVE**

700-900PM PT

1
00:00:27,130 --> 00:00:22,150

[Music]

2
00:00:30,410 --> 00:00:27,140

the smoke radio for the masses of July 8

3
00:00:32,810 --> 00:00:30,420

1947 the Army Air Forces has announced

4
00:00:34,970 --> 00:00:32,820

that a flying disc has been found and is

5
00:00:36,830 --> 00:00:34,980

now in the possession of the army

6
00:00:39,290 --> 00:00:36,840

game is great is where it changed the

7
00:00:42,590 --> 00:00:39,300

game game changer

8
00:00:46,430 --> 00:00:42,600

I occasionally think how quickly our

9
00:00:49,069 --> 00:00:46,440

differences worldwide would vanish if we

10
00:00:49,990 --> 00:00:49,079

were facing an alien threat from outside

11
00:00:51,900 --> 00:00:50,000

this work

12
00:00:52,090 --> 00:00:51,910

[Music]

13
00:00:54,369 --> 00:00:52,100

[Applause]

14

00:00:57,350 --> 00:00:54,379

[Music]

15

00:01:00,229 --> 00:00:57,360

this is Fade to Black with your host

16

00:01:00,850 --> 00:01:00,239

Jimmy Church on the game changer Radio

17

00:01:04,270 --> 00:01:00,860

Network

18

00:01:11,690 --> 00:01:08,630

all right good evening Fade to Black I

19

00:01:15,289 --> 00:01:11,700

mean Super church today is May 1st it is

20

00:01:19,190 --> 00:01:15,299

a Monday and tonight's broadcast is

21

00:01:23,450 --> 00:01:19,200

brought to you by accidental truth it is

22

00:01:26,149 --> 00:01:23,460

streaming right now and it is like a hit

23

00:01:27,890 --> 00:01:26,159

streaming right now on all of those

24

00:01:29,690 --> 00:01:27,900

streaming services you can go and rent

25

00:01:33,950 --> 00:01:29,700

and purchase the film now accidental

26
00:01:37,130 --> 00:01:33,960
truth the links are below and I'm gonna

27
00:01:39,649 --> 00:01:37,140
say it I'm gonna say it again my eight

28
00:01:43,490 --> 00:01:39,659
seconds in this film makes the movie

29
00:01:46,010 --> 00:01:43,500
It's won all the awards because of my

30
00:01:49,370 --> 00:01:46,020
eight seconds I kid I kid it's a great

31
00:01:53,270 --> 00:01:49,380
movie it's a documentary that our entire

32
00:01:54,789 --> 00:01:53,280
Community is now required to watch so

33
00:01:58,190 --> 00:01:54,799
the links are below

34
00:02:01,190 --> 00:01:58,200
accidental truth our guest tonight all

35
00:02:02,929 --> 00:02:01,200
the way from Queensland Australia Paul

36
00:02:05,330 --> 00:02:02,939
Wallace is with us we're going to be

37
00:02:07,670 --> 00:02:05,340
talking about tonight uh two of my

38
00:02:10,309 --> 00:02:07,680

favorite subjects that combine into one

39

00:02:11,869 --> 00:02:10,319

ET contact in the Bible we're going to

40

00:02:13,910 --> 00:02:11,879

be getting into some forgotten secrets

41

00:02:15,890 --> 00:02:13,920

about human progress political power

42

00:02:18,949 --> 00:02:15,900

emotional intelligence and human

43

00:02:21,589 --> 00:02:18,959

potential all of the things that I enjoy

44

00:02:25,130 --> 00:02:21,599

talking about every single night here on

45

00:02:29,210 --> 00:02:25,140

Fade to Black and before I get into a

46

00:02:30,770 --> 00:02:29,220

really long bio for Paul I'm not going

47

00:02:32,690 --> 00:02:30,780

to do that I want to get straight to the

48

00:02:35,630 --> 00:02:32,700

show but he is known for the Eden series

49

00:02:38,630 --> 00:02:35,640

his best-selling series of titles in

50

00:02:41,030 --> 00:02:38,640

paleo contact endorsed by George Nori

51
00:02:42,650 --> 00:02:41,040
and Eric Von daniken his interviews and

52
00:02:46,309 --> 00:02:42,660
documentaries on the Paul Wall channel

53
00:02:49,009 --> 00:02:46,319
in the fifth kind and El Quinto Tipo are

54
00:02:50,270 --> 00:02:49,019
watched by millions worldwide and I

55
00:02:52,250 --> 00:02:50,280
would like to welcome for the first time

56
00:02:54,470 --> 00:02:52,260
I've been waiting for this to fade to

57
00:02:56,869 --> 00:02:54,480
black Paul Wallace there he is right

58
00:02:59,690 --> 00:02:56,879
there Paul welcome man how you doing

59
00:03:01,309 --> 00:02:59,700
g'day Jimmy I'm fantastic and all the

60
00:03:03,710 --> 00:03:01,319
better for being with you today thank

61
00:03:07,070 --> 00:03:03,720
you so much for having me on man this is

62
00:03:08,509 --> 00:03:07,080
great and and okay before we get started

63
00:03:10,850 --> 00:03:08,519

let's get the First Time guest

64

00:03:12,410 --> 00:03:10,860

disclaimer out of the way all right so

65

00:03:13,910 --> 00:03:12,420

let's do that the next time you're on

66

00:03:16,490 --> 00:03:13,920

the show you don't get it but you get it

67

00:03:17,930 --> 00:03:16,500

tonight Paul which is it's just you and

68

00:03:19,970 --> 00:03:17,940

I sitting on my couch having a

69

00:03:22,009 --> 00:03:19,980

conversation as friends and where that

70

00:03:23,930 --> 00:03:22,019

conversation starts it starts and where

71

00:03:26,690 --> 00:03:23,940

it ends it ends but we're gonna end as

72

00:03:29,710 --> 00:03:26,700

friends there you go approve agree

73

00:03:31,490 --> 00:03:29,720

that's a good plan yeah

74

00:03:35,210 --> 00:03:31,500

all right

75

00:03:36,710 --> 00:03:35,220

um so I saw in the chat and you and I

76

00:03:37,729 --> 00:03:36,720

were talking about this right before the

77

00:03:39,830 --> 00:03:37,739

show

78

00:03:44,210 --> 00:03:39,840

um I saw in the chat uh Happy Birthday

79

00:03:46,250 --> 00:03:44,220

Paul and I replied back is it today is

80

00:03:48,589 --> 00:03:46,260

it tomorrow I'm always confused with

81

00:03:52,550 --> 00:03:48,599

this because he's a time traveler

82

00:03:55,670 --> 00:03:52,560

so yes I'm in the future yes was it last

83

00:03:58,850 --> 00:03:55,680

week is it today is it tomorrow or and

84

00:04:02,750 --> 00:03:58,860

and happy birthday well thanks Jimmy my

85

00:04:05,089 --> 00:04:02,760

birthday is the 29th of April so uh

86

00:04:06,410 --> 00:04:05,099

unfortunately everyone's uh missed it

87

00:04:08,149 --> 00:04:06,420

other than those have already commented

88

00:04:10,070 --> 00:04:08,159

but I am in the future being in

89

00:04:13,850 --> 00:04:10,080

Australia it's Tuesday where I am so

90

00:04:16,729 --> 00:04:13,860

yeah it's so crazy to me I've um I don't

91

00:04:19,250 --> 00:04:16,739

want to sound naive or

92

00:04:23,689 --> 00:04:19,260

um no dumb is the word I don't want to

93

00:04:25,670 --> 00:04:23,699

sound dumb but is it possible for me to

94

00:04:29,650 --> 00:04:25,680

jump on a plane

95

00:04:32,510 --> 00:04:29,660

fly to Australia celebrate my birthday

96

00:04:35,450 --> 00:04:32,520

and then turn around and fly back to Los

97

00:04:37,790 --> 00:04:35,460

Angeles and celebrate my birthday a

98

00:04:40,430 --> 00:04:37,800

second time on the same day

99

00:04:42,409 --> 00:04:40,440

with a very fast plane I'm sure that's

100

00:04:44,390 --> 00:04:42,419

possible I haven't checked it out it's

101
00:04:46,430 --> 00:04:44,400
not something I've tried but next time

102
00:04:49,189 --> 00:04:46,440
we speak I'll be able to confirm yeah

103
00:04:51,770 --> 00:04:49,199
yeah I mean you know like I I've

104
00:04:53,749 --> 00:04:51,780
wondered about that it's a great idea I

105
00:04:56,510 --> 00:04:53,759
mean when we had Concord it was possible

106
00:04:58,670 --> 00:04:56,520
to leave London and arrive in New York

107
00:05:01,249 --> 00:04:58,680
slightly before when you left London so

108
00:05:03,170 --> 00:05:01,259
that's that's a treat we we've missed

109
00:05:05,390 --> 00:05:03,180
but hopefully it'll be coming back again

110
00:05:06,830 --> 00:05:05,400
before too long now what if you just

111
00:05:09,430 --> 00:05:06,840
kept going

112
00:05:12,530 --> 00:05:09,440
right and the end of

113
00:05:16,390 --> 00:05:12,540

1962 right I

114

00:05:20,390 --> 00:05:19,189

this stuff out yet but anyway welcome to

115

00:05:22,129 --> 00:05:20,400

the show it's great to have you here

116

00:05:25,070 --> 00:05:22,139

thank you

117

00:05:28,490 --> 00:05:25,080

um we have so many different areas and

118

00:05:30,650 --> 00:05:28,500

and zones that we can go into but but

119

00:05:32,810 --> 00:05:30,660

I'm going to start off uh with the

120

00:05:36,350 --> 00:05:32,820

obvious question

121

00:05:38,150 --> 00:05:36,360

um this is a subject that I think a lot

122

00:05:40,430 --> 00:05:38,160

of people now are starting to recognize

123

00:05:42,430 --> 00:05:40,440

and talk about but it wasn't the case 20

124

00:05:45,770 --> 00:05:42,440

years ago wasn't the case five years ago

125

00:05:48,249 --> 00:05:45,780

when did you first start to dive into

126

00:05:51,950 --> 00:05:48,259

this part of reality

127

00:05:55,370 --> 00:05:51,960

I first started to Deep dive into it

128

00:05:57,950 --> 00:05:55,380

around five years ago as I was on the

129

00:06:00,350 --> 00:05:57,960

research path for my first book of paleo

130

00:06:02,150 --> 00:06:00,360

contact escaping from Eden but it had

131

00:06:04,969 --> 00:06:02,160

been in the back of my mind for a long

132

00:06:07,490 --> 00:06:04,979

time I was 11 years old when my mum and

133

00:06:10,550 --> 00:06:07,500

dad introduced me to Eric Von daniken

134

00:06:13,189 --> 00:06:10,560

and so he had been in my mind since that

135

00:06:16,249 --> 00:06:13,199

time just pointing out that we have

136

00:06:18,770 --> 00:06:16,259

difficulty explaining ourselves as a

137

00:06:21,230 --> 00:06:18,780

species without allowing for the

138

00:06:23,210 --> 00:06:21,240

possibility of external interventions to

139

00:06:26,270 --> 00:06:23,220

nudge our development along and I knew

140

00:06:27,950 --> 00:06:26,280

that Eric had begun his journey in the

141

00:06:30,409 --> 00:06:27,960

world of theology

142

00:06:32,570 --> 00:06:30,419

in the world of Bible translation that's

143

00:06:35,330 --> 00:06:32,580

what got him on to the path of paleo

144

00:06:38,870 --> 00:06:35,340

contact so that was in my mind and then

145

00:06:41,150 --> 00:06:38,880

in 2009 Pope Benedict XVI the most

146

00:06:44,029 --> 00:06:41,160

conservative Pope in my lifetime called

147

00:06:46,850 --> 00:06:44,039

on the pontifical Academy of Sciences to

148

00:06:49,309 --> 00:06:46,860

discuss the theological implications of

149

00:06:51,650 --> 00:06:49,319

contact with other civilizations

150

00:06:53,749 --> 00:06:51,660

that got my attention because it was

151
00:06:55,490 --> 00:06:53,759
only 400 years ago the same institution

152
00:06:57,529 --> 00:06:55,500
was burning people alive for merely

153
00:07:00,350 --> 00:06:57,539
suggesting there might be intelligent

154
00:07:03,950 --> 00:07:00,360
life on other planets and the way that

155
00:07:05,990 --> 00:07:03,960
whole event was prefaced and the way his

156
00:07:08,990 --> 00:07:06,000
spokespeople met the Press afterwards

157
00:07:11,570 --> 00:07:09,000
gave the impression that the Vatican was

158
00:07:13,490 --> 00:07:11,580
expecting some kind of disclosure to be

159
00:07:15,710 --> 00:07:13,500
made by some other authority and they

160
00:07:17,930 --> 00:07:15,720
wanted to get in there first and those

161
00:07:20,450 --> 00:07:17,940
were the two things that made me

162
00:07:22,550 --> 00:07:20,460
think there's something I really need to

163
00:07:24,650 --> 00:07:22,560

get to the bottom of one of the Pope

164

00:07:26,870 --> 00:07:24,660

spokesman it was the senior astronomer

165

00:07:29,390 --> 00:07:26,880

at the Vatican Observatory Reverend Dr

166

00:07:31,010 --> 00:07:29,400

guy consolmano said we shouldn't be

167

00:07:32,570 --> 00:07:31,020

surprised to encounter aliens because

168

00:07:35,029 --> 00:07:32,580

they're in the Bible they're in the Old

169

00:07:36,710 --> 00:07:35,039

Testament and in the New Testament and

170

00:07:39,650 --> 00:07:36,720

when he said that he put out a great

171

00:07:41,450 --> 00:07:39,660

challenge to Believers and theologians

172

00:07:43,850 --> 00:07:41,460

all around the world to go back to the

173

00:07:46,189 --> 00:07:43,860

Bible and have another look and work out

174

00:07:48,170 --> 00:07:46,199

are there aliens in the Bible and I

175

00:07:50,809 --> 00:07:48,180

thought I have to take that challenge up

176

00:07:52,790 --> 00:07:50,819

someone is going to write that book and

177

00:07:55,430 --> 00:07:52,800

I want it to be me because I know

178

00:08:00,350 --> 00:07:55,440

there's something there that we haven't

179

00:08:02,089 --> 00:08:00,360

quite named does it was it a surprise to

180

00:08:07,010 --> 00:08:02,099

you

181

00:08:08,870 --> 00:08:07,020

um to find out that we all know uh what

182

00:08:10,790 --> 00:08:08,880

heresy meant you know three four five

183

00:08:13,670 --> 00:08:10,800

hundred years ago it was it was a dark

184

00:08:17,029 --> 00:08:13,680

area and if you were bringing up the Sun

185

00:08:19,189 --> 00:08:17,039

and the Moon and Earth and and what may

186

00:08:21,790 --> 00:08:19,199

be going on out there or you you had a

187

00:08:25,969 --> 00:08:21,800

very short life span it's just a fact

188

00:08:29,529 --> 00:08:25,979

and and today the Vatican is funding

189

00:08:32,750 --> 00:08:29,539

their own observatories right it's like

190

00:08:34,430 --> 00:08:32,760

wait a minute here and when you started

191

00:08:36,829 --> 00:08:34,440

to find out about the vatican's

192

00:08:38,690 --> 00:08:36,839

fascination with the universe and what

193

00:08:42,110 --> 00:08:38,700

was going on what what went through your

194

00:08:44,630 --> 00:08:42,120

mind is that does that verify and vilify

195

00:08:46,850 --> 00:08:44,640

those in the past and including up to

196

00:08:49,670 --> 00:08:46,860

Eric Von daniken

197

00:08:53,030 --> 00:08:49,680

well there has clearly been a big shift

198

00:08:55,190 --> 00:08:53,040

because we've gone from burning people

199

00:08:57,769 --> 00:08:55,200

at the stake people like Giordano Bruno

200

00:09:00,769 --> 00:08:57,779

who talked about life elsewhere in the

201
00:09:03,170 --> 00:09:00,779
cosmos or putting people like Galileo

202
00:09:05,530 --> 00:09:03,180
under house arrest for the rest of his

203
00:09:09,530 --> 00:09:05,540
life for talking about a different model

204
00:09:13,210 --> 00:09:09,540
of the solar system to a couple of years

205
00:09:17,389 --> 00:09:13,220
ago Pope Francis sent birthday greetings

206
00:09:20,030 --> 00:09:17,399
honoring Eric Von daniken so something

207
00:09:22,550 --> 00:09:20,040
has changed and I certainly knew that

208
00:09:24,889 --> 00:09:22,560
there was material to be dealt with in

209
00:09:28,550 --> 00:09:24,899
the Bible that would suggest a populated

210
00:09:30,769 --> 00:09:28,560
universe but I was intrigued to see what

211
00:09:33,889 --> 00:09:30,779
has made the shift why have they made

212
00:09:35,389 --> 00:09:33,899
that change and as I say back in 2009 I

213
00:09:37,910 --> 00:09:35,399

felt it was because

214

00:09:40,190 --> 00:09:37,920

they believed other authorities were

215

00:09:43,250 --> 00:09:40,200

going to do some kind of a disclosure

216

00:09:45,110 --> 00:09:43,260

and this was forcing them to change gear

217

00:09:46,850 --> 00:09:45,120

but I think there's a pastoral reason

218

00:09:49,070 --> 00:09:46,860

for it as well

219

00:09:51,470 --> 00:09:49,080

I think there are enough people in the

220

00:09:53,630 --> 00:09:51,480

know in the Vatican

221

00:09:55,790 --> 00:09:53,640

people who know that close encounters

222

00:09:58,490 --> 00:09:55,800

are a real phenomenon people who know

223

00:10:00,050 --> 00:09:58,500

that ufology is something real that we

224

00:10:02,690 --> 00:10:00,060

are in contact there are enough people

225

00:10:05,329 --> 00:10:02,700

in the know to be saying we need to

226

00:10:07,370 --> 00:10:05,339

prepare the faithful for this so that if

227

00:10:09,949 --> 00:10:07,380

it becomes blindingly obvious that we're

228

00:10:12,650 --> 00:10:09,959

in contact it doesn't blow our whole

229

00:10:15,350 --> 00:10:12,660

ship out of the water we need to show

230

00:10:18,050 --> 00:10:15,360

that we've got room in our theology to

231

00:10:19,910 --> 00:10:18,060

accommodate a populated universe and so

232

00:10:21,829 --> 00:10:19,920

I think there was a pastoral reason

233

00:10:24,290 --> 00:10:21,839

behind it as well of saying we might

234

00:10:26,449 --> 00:10:24,300

need to disclose a little bit more just

235

00:10:28,850 --> 00:10:26,459

for the sake of helping the faithful do

236

00:10:32,269 --> 00:10:28,860

business with new information

237

00:10:34,790 --> 00:10:32,279

there is the obvious question that

238

00:10:38,210 --> 00:10:34,800

everybody in the community wants to know

239

00:10:40,910 --> 00:10:38,220

the answer to and I don't know if the if

240

00:10:42,769 --> 00:10:40,920

this is in or out of your wheelhouse but

241

00:10:45,829 --> 00:10:42,779

certainly you have an opinion

242

00:10:49,150 --> 00:10:45,839

does the Vatican know are they sitting

243

00:10:52,970 --> 00:10:49,160

on those secrets of contact with ET

244

00:10:55,490 --> 00:10:52,980

short answer yes they know for a number

245

00:10:58,509 --> 00:10:55,500

of reasons firstly they know through

246

00:11:01,610 --> 00:10:58,519

pastoral experience so we have the

247

00:11:04,269 --> 00:11:01,620

Vatican senior advisor in the Paranormal

248

00:11:07,009 --> 00:11:04,279

which is Monsignor Colorado Balducci

249

00:11:09,170 --> 00:11:07,019

speaking openly saying that people who

250

00:11:11,870 --> 00:11:09,180

experience Close Encounters are not

251
00:11:13,690 --> 00:11:11,880
reporting a demonic phenomenon or a

252
00:11:15,889 --> 00:11:13,700
psychological episode

253
00:11:17,750 --> 00:11:15,899
psychiatric breakdown they are

254
00:11:21,170 --> 00:11:17,760
describing a totally different kind of

255
00:11:23,150 --> 00:11:21,180
entity one that merits serious study so

256
00:11:25,910 --> 00:11:23,160
we know that they know pastorally that

257
00:11:29,530 --> 00:11:25,920
people are having contact experiences

258
00:11:32,329 --> 00:11:29,540
we also know that at a an elite

259
00:11:35,090 --> 00:11:32,339
theological level there are plenty of

260
00:11:37,190 --> 00:11:35,100
Scholars in the Roman Catholic world who

261
00:11:38,930 --> 00:11:37,200
know that there are ETS in the Bible

262
00:11:40,850 --> 00:11:38,940
because I've been in conversation with

263
00:11:43,370 --> 00:11:40,860

them and because from time to time they

264

00:11:45,590 --> 00:11:43,380

do write things in very small print in

265

00:11:47,750 --> 00:11:45,600

the footnotes of Bibles letting you know

266

00:11:49,970 --> 00:11:47,760

that something else is going on in this

267

00:11:53,210 --> 00:11:49,980

text so they know for that reason as

268

00:11:56,150 --> 00:11:53,220

well third reason they know is that for

269

00:11:58,130 --> 00:11:56,160

centuries as Catholic countries have

270

00:12:01,250 --> 00:11:58,140

gone in conquering other people's

271

00:12:02,750 --> 00:12:01,260

countries they have a requisition

272

00:12:04,210 --> 00:12:02,760

sequestered

273

00:12:06,769 --> 00:12:04,220

technology

274

00:12:08,990 --> 00:12:06,779

texts artifacts

275

00:12:12,530 --> 00:12:09,000

that strongly suggest previous

276

00:12:14,930 --> 00:12:12,540

civilizations and ET contact and those

277

00:12:17,150 --> 00:12:14,940

objects have been taken from those

278

00:12:19,130 --> 00:12:17,160

countries and I'm in particular thinking

279

00:12:22,370 --> 00:12:19,140

about the invasions of Central and South

280

00:12:25,430 --> 00:12:22,380

America and they find their way to the

281

00:12:29,509 --> 00:12:25,440

European courts of Spain and Portugal

282

00:12:31,190 --> 00:12:29,519

and the Vatican we know that because of

283

00:12:32,990 --> 00:12:31,200

the leakage that there's been in the

284

00:12:35,690 --> 00:12:33,000

century since the leakage of information

285

00:12:38,090 --> 00:12:35,700

that's come from sources that only

286

00:12:40,250 --> 00:12:38,100

existed for a while in the Vatican

287

00:12:42,710 --> 00:12:40,260

Library so for all those reasons yes the

288

00:12:46,910 --> 00:12:42,720

Vatican knows

289

00:12:50,509 --> 00:12:46,920

when I was a kid hang on

290

00:12:52,430 --> 00:12:50,519

when I was a kid 20 21 all right 40

291

00:12:54,590 --> 00:12:52,440

years ago

292

00:12:56,150 --> 00:12:54,600

um I did this on my own but I read the

293

00:12:58,730 --> 00:12:56,160

Bible I'm not going to go through the

294

00:13:01,790 --> 00:12:58,740

story it's whatever everybody's got this

295

00:13:02,750 --> 00:13:01,800

story but I decided to read it as a

296

00:13:05,150 --> 00:13:02,760

novel

297

00:13:08,030 --> 00:13:05,160

okay I hadn't done it

298

00:13:10,910 --> 00:13:08,040

started you know started Genesis and

299

00:13:11,990 --> 00:13:10,920

started pounding the pages I got to the

300

00:13:13,970 --> 00:13:12,000

end

301
00:13:15,069 --> 00:13:13,980
um and flipped the book over and started

302
00:13:19,430 --> 00:13:15,079
it over

303
00:13:20,410 --> 00:13:19,440
and on my own at the age of 20 21 right

304
00:13:24,829 --> 00:13:20,420
in there

305
00:13:26,389 --> 00:13:24,839
I said to myself if we insert the word

306
00:13:29,650 --> 00:13:26,399
aliens

307
00:13:33,050 --> 00:13:29,660
we've got us a good movie here

308
00:13:36,650 --> 00:13:33,060
I did that all on my own Paul and it was

309
00:13:40,190 --> 00:13:36,660
later because it wasn't like I'm a

310
00:13:43,790 --> 00:13:40,200
genius it's that it's kind of obvious

311
00:13:46,490 --> 00:13:43,800
and yeah I wasn't the only one and in in

312
00:13:48,110 --> 00:13:46,500
your eating books um this is exactly

313
00:13:50,930 --> 00:13:48,120

what you write about right

314

00:13:53,629 --> 00:13:50,940

that's exactly right and you don't need

315

00:13:56,509 --> 00:13:53,639

to insert any words that aren't there to

316

00:13:58,610 --> 00:13:56,519

get the alien story what I argue in the

317

00:14:02,150 --> 00:13:58,620

Eden series is all you need to do is go

318

00:14:05,150 --> 00:14:02,160

to the root meanings of keywords go to

319

00:14:07,129 --> 00:14:05,160

the root meaning of Elohim which is the

320

00:14:09,949 --> 00:14:07,139

earliest word in the Bible that gets

321

00:14:12,110 --> 00:14:09,959

translated sometimes as God sometimes as

322

00:14:14,210 --> 00:14:12,120

demons sometimes as landlords what's

323

00:14:16,810 --> 00:14:14,220

going on with that word so I drill down

324

00:14:22,910 --> 00:14:16,820

into the root meanings of Elohim

325

00:14:25,250 --> 00:14:22,920

EI Shaddai Yahweh Olam kavod ruach if

326

00:14:28,310 --> 00:14:25,260

all you do is go to the etymology of

327

00:14:30,650 --> 00:14:28,320

those words and reread the stories it

328

00:14:33,889 --> 00:14:30,660

becomes obvious you are reading stories

329

00:14:36,230 --> 00:14:33,899

of ancient E.T contact and in my latest

330

00:14:38,690 --> 00:14:36,240

book the Eden conspiracy I say you don't

331

00:14:41,210 --> 00:14:38,700

even have to do that you can leave all

332

00:14:43,790 --> 00:14:41,220

those words and translated and then just

333

00:14:46,250 --> 00:14:43,800

look at what happens in the story and

334

00:14:48,889 --> 00:14:46,260

its stories his stories of invasion it's

335

00:14:51,110 --> 00:14:48,899

stories of colonization it's stories of

336

00:14:54,110 --> 00:14:51,120

non-human beings debating over what to

337

00:14:56,389 --> 00:14:54,120

do with Project Earth so it really is a

338

00:14:58,310 --> 00:14:56,399

story that's hidden in plain sight

339

00:15:00,350 --> 00:14:58,320

I've got friends that are serious

340

00:15:03,590 --> 00:15:00,360

biblical Scholars right they can quote

341

00:15:06,050 --> 00:15:03,600

anything and and stuff and they will say

342

00:15:07,970 --> 00:15:06,060

you know uh

343

00:15:10,610 --> 00:15:07,980

it's pretty good science fiction if you

344

00:15:14,329 --> 00:15:10,620

really read it right yes they will admit

345

00:15:17,329 --> 00:15:14,339

to that it's really really well written

346

00:15:20,150 --> 00:15:17,339

and very clear and do you think that our

347

00:15:23,210 --> 00:15:20,160

level of understanding of being able to

348

00:15:25,490 --> 00:15:23,220

understand and comprehend uh today is

349

00:15:28,129 --> 00:15:25,500

better so we now can look at the Bible

350

00:15:30,170 --> 00:15:28,139

with that set of Eyes Without Really any

351

00:15:33,710 --> 00:15:30,180

nudging or assistance

352

00:15:36,829 --> 00:15:33,720

definitely I think anyone who's seen a

353

00:15:39,769 --> 00:15:36,839

launch of the Space Shuttle or watched

354

00:15:41,930 --> 00:15:39,779

footage of a Saturn V launch will find

355

00:15:44,150 --> 00:15:41,940

it very easy to recognize similar

356

00:15:47,509 --> 00:15:44,160

phenomena in the Bible so when you get

357

00:15:50,689 --> 00:15:47,519

to Exodus 33 and you've got a

358

00:15:52,910 --> 00:15:50,699

description of a pillar with a cloud and

359

00:15:55,370 --> 00:15:52,920

fire that can take off vertically and

360

00:15:57,230 --> 00:15:55,380

land vertically and will shake the

361

00:15:59,509 --> 00:15:57,240

ground as it does and you have to clear

362

00:16:01,910 --> 00:15:59,519

the territory for a wide area so people

363

00:16:04,269 --> 00:16:01,920

aren't killed by the blast we recognize

364

00:16:07,610 --> 00:16:04,279

immediately what that is talking about

365

00:16:09,769 --> 00:16:07,620

when another text in Second Kings for

366

00:16:12,829 --> 00:16:09,779

instance says that there was a hole in

367

00:16:15,410 --> 00:16:12,839

the sky and then a craft came through

368

00:16:18,410 --> 00:16:15,420

that hole with fire and smoke and landed

369

00:16:21,110 --> 00:16:18,420

on the planet's surface we have a

370

00:16:23,629 --> 00:16:21,120

framework by which to understand that or

371

00:16:26,150 --> 00:16:23,639

a hole in the sky and beings ascending

372

00:16:28,310 --> 00:16:26,160

into the sky and descending down onto

373

00:16:30,310 --> 00:16:28,320

the Earth's surface this is Jacob's

374

00:16:33,410 --> 00:16:30,320

description of what happened at Bethel

375

00:16:36,769 --> 00:16:33,420

we understand that when Ezekiel says

376

00:16:41,569 --> 00:16:36,779

that he's in a capsule that is driven by

377

00:16:44,389 --> 00:16:41,579

an engine that is powering rotors we

378

00:16:46,490 --> 00:16:44,399

think helicopter we think drone but for

379

00:16:48,350 --> 00:16:46,500

centuries there were translators who had

380

00:16:50,509 --> 00:16:48,360

never seen a rocket launch didn't know

381

00:16:53,150 --> 00:16:50,519

what a wormhole was didn't know what a

382

00:16:55,249 --> 00:16:53,160

helicopter or a drone was and so when

383

00:16:57,650 --> 00:16:55,259

they came to those texts they really

384

00:17:00,769 --> 00:16:57,660

struggled to express what they were

385

00:17:03,829 --> 00:17:00,779

reading in the Hebrew but the Wonder of

386

00:17:06,230 --> 00:17:03,839

the Bible is that we still have the

387

00:17:08,150 --> 00:17:06,240

ancient Hebrew texts we can go back to

388

00:17:10,549 --> 00:17:08,160

them we can go back to the root meanings

389

00:17:11,449 --> 00:17:10,559

we can re-read the stories and say oh my

390

00:17:13,610 --> 00:17:11,459

goodness

391

00:17:16,429 --> 00:17:13,620

I think I know what I'm looking at here

392

00:17:19,610 --> 00:17:16,439

I'm looking at a close encounter I'm

393

00:17:21,970 --> 00:17:19,620

looking at an extraterrestrial entity

394

00:17:24,949 --> 00:17:21,980

I'm looking at what we would call

395

00:17:28,250 --> 00:17:24,959

artificial insemination I'm looking at a

396

00:17:30,169 --> 00:17:28,260

hybridization program we have the

397

00:17:32,150 --> 00:17:30,179

language for it and so it's probably

398

00:17:35,029 --> 00:17:32,160

long overdue that we go back to the

399

00:17:38,150 --> 00:17:35,039

texts and re-translate them because we

400

00:17:41,210 --> 00:17:38,160

have an understanding now that matches

401
00:17:43,190 --> 00:17:41,220
what our ancestors wanted to tell us and

402
00:17:46,310 --> 00:17:43,200
show us but which has been obscured for

403
00:17:48,350 --> 00:17:46,320
Centuries by translations produced by

404
00:17:49,490 --> 00:17:48,360
people who'd never seen or imagined

405
00:17:53,210 --> 00:17:49,500
these things

406
00:17:55,610 --> 00:17:53,220
do you focus on because I can go in both

407
00:17:58,490 --> 00:17:55,620
directions but do you focus on the Old

408
00:18:01,669 --> 00:17:58,500
Testament do you focus on the Hebrew

409
00:18:04,850 --> 00:18:01,679
side of things or do you uh or or do you

410
00:18:07,430 --> 00:18:04,860
Place more focus on the New Testament

411
00:18:10,370 --> 00:18:07,440
well in my books in the Eden Series so

412
00:18:12,789 --> 00:18:10,380
far I've majored on the Hebrew Canon

413
00:18:17,150 --> 00:18:12,799

what we call the Old Testament because

414

00:18:19,669 --> 00:18:17,160

there is an amazing range of stories of

415

00:18:22,850 --> 00:18:19,679

ET contact and they're told really

416

00:18:25,730 --> 00:18:22,860

openly not only do we have the record of

417

00:18:27,529 --> 00:18:25,740

the experiences and the encounters and

418

00:18:30,409 --> 00:18:27,539

the periods of History where we were

419

00:18:33,230 --> 00:18:30,419

governed by non-human entities but the

420

00:18:37,310 --> 00:18:33,240

Bible itself tells us about when that

421

00:18:39,230 --> 00:18:37,320

narrative was changed and suppressed to

422

00:18:42,350 --> 00:18:39,240

change the focus of the people of Israel

423

00:18:44,450 --> 00:18:42,360

onto worship and Obedience of the

424

00:18:46,669 --> 00:18:44,460

ultimate God and they wanted all those

425

00:18:49,549 --> 00:18:46,679

other stories forgotten even that change

426

00:18:51,350 --> 00:18:49,559

in suppression is there in the Old

427

00:18:54,169 --> 00:18:51,360

Testament the Hebrew scriptures so I

428

00:18:56,630 --> 00:18:54,179

focused on that but I do touch on the

429

00:18:59,390 --> 00:18:56,640

New Testament as well because when you

430

00:19:01,850 --> 00:18:59,400

re-read those old stories it reframes

431

00:19:03,590 --> 00:19:01,860

how you understand what happens in the

432

00:19:06,590 --> 00:19:03,600

gospels and New Testament and you begin

433

00:19:08,630 --> 00:19:06,600

to recognize that is an ET layer to

434

00:19:12,110 --> 00:19:08,640

those stories as well

435

00:19:14,330 --> 00:19:12,120

now and we are talking about uh we're

436

00:19:16,310 --> 00:19:14,340

going to back up here but uh staying

437

00:19:18,409 --> 00:19:16,320

here for a second if we can Paul

438

00:19:21,770 --> 00:19:18,419

how much time difference are we talking

439

00:19:23,690 --> 00:19:21,780

about because and and you're the scholar

440

00:19:26,690 --> 00:19:23,700

here I'm not I'm just a dude on a

441

00:19:28,070 --> 00:19:26,700

microphone okay so I just pretend to be

442

00:19:32,810 --> 00:19:28,080

smart

443

00:19:35,110 --> 00:19:32,820

um but if we have the 300 A.D version of

444

00:19:37,930 --> 00:19:35,120

the Bible right

445

00:19:42,230 --> 00:19:37,940

whenever that that big meeting happened

446

00:19:46,070 --> 00:19:42,240

and then the translations of those books

447

00:19:47,870 --> 00:19:46,080

which happened around 100 150 A.D that

448

00:19:51,890 --> 00:19:47,880

were originally written in Greek right

449

00:19:55,549 --> 00:19:51,900

so that's after Jesus left the Earth and

450

00:19:58,789 --> 00:19:55,559

came back and and and then we go to the

451
00:20:00,650 --> 00:19:58,799
Old Testament and those texts how much

452
00:20:03,049 --> 00:20:00,660
time are we talking about here is it a

453
00:20:05,029 --> 00:20:03,059
thousand years uh in between them or

454
00:20:07,090 --> 00:20:05,039
more

455
00:20:10,490 --> 00:20:07,100
well the

456
00:20:15,230 --> 00:20:10,500
the Old Testament as we know it was

457
00:20:18,350 --> 00:20:15,240
really forming in the 6th Century BCE

458
00:20:21,890 --> 00:20:18,360
and that was when the the change of the

459
00:20:23,690 --> 00:20:21,900
narratives was completed and we had a an

460
00:20:27,049 --> 00:20:23,700
Old Testament that now appeared to be

461
00:20:30,230 --> 00:20:27,059
all about God and the stories of ET

462
00:20:31,730 --> 00:20:30,240
contact were slightly harder to spot but

463
00:20:35,390 --> 00:20:31,740

they're all still there so that's the

464

00:20:39,590 --> 00:20:35,400

6th Century BCE and then you get to Year

465

00:20:43,090 --> 00:20:39,600

Dot and really from about a hundred A.D

466

00:20:46,250 --> 00:20:43,100

onwards you had a kaleidoscope of texts

467

00:20:48,650 --> 00:20:46,260

representing the new Christian tradition

468

00:20:50,630 --> 00:20:48,660

and it was a kaleidoscope of experiences

469

00:20:54,409 --> 00:20:50,640

and ideas and theologies

470

00:20:57,289 --> 00:20:54,419

and that gradually got narrowed down to

471

00:21:01,270 --> 00:20:57,299

the official Canon uh really from the

472

00:21:06,049 --> 00:21:01,280

the 300s on so you've got yes

473

00:21:09,289 --> 00:21:06,059

908 to 900 year period between those two

474

00:21:11,270 --> 00:21:09,299

points but all the while of course you

475

00:21:13,610 --> 00:21:11,280

do have powers who are wanting to

476
00:21:15,590 --> 00:21:13,620
control the narrative who are wanting to

477
00:21:17,150 --> 00:21:15,600
say our religion is about this our

478
00:21:19,789 --> 00:21:17,160
religion is about that and it's not

479
00:21:22,130 --> 00:21:19,799
about those other things but by the time

480
00:21:25,750 --> 00:21:22,140
you get to the end of the 300s Christian

481
00:21:29,450 --> 00:21:25,760
Orthodoxy has really been nailed down

482
00:21:31,730 --> 00:21:29,460
and the ET narratives that the early

483
00:21:33,830 --> 00:21:31,740
church fathers had spotted would no

484
00:21:36,430 --> 00:21:33,840
longer to be talked about and had become

485
00:21:40,549 --> 00:21:36,440
an enormous taboo

486
00:21:42,289 --> 00:21:40,559
so the the time I'm about right and I'm

487
00:21:44,390 --> 00:21:42,299
not saying that because I'm patting

488
00:21:46,850 --> 00:21:44,400

myself on the back it's because I'm

489

00:21:49,370 --> 00:21:46,860

heading this into a Direction so if

490

00:21:51,409 --> 00:21:49,380

we're at 380 then we have 100 A.D and

491

00:21:53,810 --> 00:21:51,419

then we go back to 600 BC when things

492

00:21:57,169 --> 00:21:53,820

started to officially get written down

493

00:21:59,930 --> 00:21:57,179

those things at 600 BC are from an oral

494

00:22:01,850 --> 00:21:59,940

tradition and a history that spans a

495

00:22:03,590 --> 00:22:01,860

couple thousand a few thousand years

496

00:22:06,590 --> 00:22:03,600

before that right

497

00:22:10,070 --> 00:22:06,600

yes you've got oral tradition but you do

498

00:22:13,430 --> 00:22:10,080

also have written texts prior to the 6th

499

00:22:16,549 --> 00:22:13,440

Century BCE that had carried the memory

500

00:22:19,730 --> 00:22:16,559

of earlier generations and the uh the

501
00:22:21,350 --> 00:22:19,740
ancestors of the tribes of Israel so

502
00:22:23,510 --> 00:22:21,360
there were written texts but they were

503
00:22:26,330 --> 00:22:23,520
worked together into a single book and

504
00:22:28,430 --> 00:22:26,340
then edited re-edited to tell a more

505
00:22:31,070 --> 00:22:28,440
harmonious seeming story

506
00:22:35,029 --> 00:22:31,080
and and those ancient texts were

507
00:22:38,630 --> 00:22:35,039
Egyptian Sumerian and Hebrew well the

508
00:22:40,730 --> 00:22:38,640
roots really were Sumerian right so the

509
00:22:42,590 --> 00:22:40,740
earliest stories would be the stories of

510
00:22:45,409 --> 00:22:42,600
Beginnings that you can find in Genesis

511
00:22:47,930 --> 00:22:45,419
1 to 11 and they would represent really

512
00:22:51,049 --> 00:22:47,940
the abrahamic tradition so the idea that

513
00:22:53,630 --> 00:22:51,059

Abraham and Sarah grew up in a

514

00:22:55,549 --> 00:22:53,640

sumerian-based culture and then they

515

00:22:57,830 --> 00:22:55,559

moved to establish their own tradition

516

00:22:59,330 --> 00:22:57,840

and they sowed into their tradition all

517

00:23:01,130 --> 00:22:59,340

the stories of Beginnings with which

518

00:23:03,350 --> 00:23:01,140

they had grown up and they wrote a

519

00:23:05,630 --> 00:23:03,360

summary form of them let's put it that

520

00:23:07,490 --> 00:23:05,640

way we can tell the story that way and

521

00:23:11,690 --> 00:23:07,500

certainly when you read Genesis 1 to 11

522

00:23:14,450 --> 00:23:11,700

you can see it is a summary form of the

523

00:23:16,850 --> 00:23:14,460

ancient Sumerian stories that can be

524

00:23:19,010 --> 00:23:16,860

found in that culture ancient Babylonia

525

00:23:21,289 --> 00:23:19,020

Arcadia and Assyria

526

00:23:24,890 --> 00:23:21,299

however we didn't know that

527

00:23:27,789 --> 00:23:24,900

until the 1800s when finally we could

528

00:23:30,890 --> 00:23:27,799

translate the couple of hundred thousand

529

00:23:32,570 --> 00:23:30,900

cuneiform tablets that were dug up from

530

00:23:34,610 --> 00:23:32,580

those ancient cultures we didn't know

531

00:23:37,610 --> 00:23:34,620

what was on them we didn't even know it

532

00:23:40,370 --> 00:23:37,620

was a language until the 1800s and as

533

00:23:42,289 --> 00:23:40,380

soon as George Smith gets down and

534

00:23:44,990 --> 00:23:42,299

translates them using the translation

535

00:23:47,870 --> 00:23:45,000

they'd found the bay he stood

536

00:23:49,490 --> 00:23:47,880

inscription he recognized all the source

537

00:23:51,409 --> 00:23:49,500

narratives that produced the stories

538

00:23:53,630 --> 00:23:51,419

we're familiar with in the Bible so

539

00:23:56,210 --> 00:23:53,640

that's the roots of the biblical stories

540

00:23:58,490 --> 00:23:56,220

to be found in ancient Sumeria and it's

541

00:24:00,409 --> 00:23:58,500

when you read the stories alongside each

542

00:24:03,230 --> 00:24:00,419

other that's like taking the red pill in

543

00:24:05,870 --> 00:24:03,240

The Matrix suddenly you can never read

544

00:24:09,470 --> 00:24:05,880

the Bible in the old way again because

545

00:24:12,289 --> 00:24:09,480

you realize the Elohim stories and many

546

00:24:16,070 --> 00:24:12,299

of the Yahweh stories too are based on

547

00:24:18,110 --> 00:24:16,080

the Sumerian stories of Sky people and

548

00:24:21,430 --> 00:24:18,120

we have a word for Sky people today and

549

00:24:24,770 --> 00:24:21,440

it's ETS yeah yeah astronauts Ed

550

00:24:28,610 --> 00:24:24,780

astronauts that's right absolutely and

551
00:24:30,230 --> 00:24:28,620
so uh this isn't too far out of left

552
00:24:33,890 --> 00:24:30,240
field

553
00:24:36,470 --> 00:24:33,900
um but if we look at uh well let's just

554
00:24:37,750 --> 00:24:36,480
say people like me The Fringe right like

555
00:24:43,070 --> 00:24:37,760
you

556
00:24:47,289 --> 00:24:43,080
about this for a very long time uh about

557
00:24:50,870 --> 00:24:47,299
knowledge existing before 3000 BC before

558
00:24:53,330 --> 00:24:50,880
Mesopotamia and before Giza and if we

559
00:24:57,409 --> 00:24:53,340
look at the Bible and it's timing of

560
00:24:59,510 --> 00:24:57,419
things it's saying the same things that

561
00:25:01,610 --> 00:24:59,520
not only our community has been talking

562
00:25:05,450 --> 00:25:01,620
about but now other things that have

563
00:25:07,909 --> 00:25:05,460

been put forward lately that there was a

564

00:25:12,770 --> 00:25:07,919

high technology situation that existed

565

00:25:16,909 --> 00:25:12,780

10 000 BC 12 000 BC uh we have Gobekli

566

00:25:21,289 --> 00:25:16,919

Tepe today but but that being said

567

00:25:24,710 --> 00:25:21,299

everything didn't start at 3000 BC if we

568

00:25:26,930 --> 00:25:24,720

take the Bible literally then we had

569

00:25:29,090 --> 00:25:26,940

Advanced culturally Advanced

570

00:25:32,870 --> 00:25:29,100

civilization and cultures around the

571

00:25:34,730 --> 00:25:32,880

world way before 3000 BC and the Bible

572

00:25:38,510 --> 00:25:34,740

says it so

573

00:25:41,750 --> 00:25:38,520

yes it does and again root meanings gets

574

00:25:43,990 --> 00:25:41,760

you there so if you go to Genesis 11 for

575

00:25:47,029 --> 00:25:44,000

instance Genesis 10 and 11.

576

00:25:52,310 --> 00:25:47,039

first of all we're told something very

577

00:25:54,350 --> 00:25:52,320

odd it says that there was a time when

578

00:25:56,029 --> 00:25:54,360

the land of the Earth had a single

579

00:25:58,610 --> 00:25:56,039

coastline

580

00:26:02,510 --> 00:25:58,620

now that gets translated often as a

581

00:26:04,130 --> 00:26:02,520

single language and a single lip and the

582

00:26:06,169 --> 00:26:04,140

two words are put alongside each other

583

00:26:07,909 --> 00:26:06,179

as if they're saying the same things but

584

00:26:10,010 --> 00:26:07,919

there are two things we're being told in

585

00:26:11,510 --> 00:26:10,020

that text by root meanings one is that

586

00:26:13,610 --> 00:26:11,520

all the people spoke the same language

587

00:26:14,990 --> 00:26:13,620

and the other is that all the land was

588

00:26:16,850 --> 00:26:15,000

joined up

589

00:26:19,010 --> 00:26:16,860

you think wait a minute that's not the

590

00:26:22,070 --> 00:26:19,020

story of homo sapiens the land was never

591

00:26:23,750 --> 00:26:22,080

joined up in in human history was it and

592

00:26:25,610 --> 00:26:23,760

then just prior to that in the previous

593

00:26:28,970 --> 00:26:25,620

chapter it says it was in the generation

594

00:26:30,769 --> 00:26:28,980

of peleg that the lands separated that

595

00:26:33,049 --> 00:26:30,779

the continent separated

596

00:26:36,590 --> 00:26:33,059

so here we've got a reference to a

597

00:26:38,810 --> 00:26:36,600

civilization that predates everything we

598

00:26:42,590 --> 00:26:38,820

know about Homo sapiens

599

00:26:44,510 --> 00:26:42,600

is it true well we wouldn't know through

600

00:26:47,450 --> 00:26:44,520

archeology because anything from that

601
00:26:49,930 --> 00:26:47,460
time would be ground to a powder by this

602
00:26:53,630 --> 00:26:49,940
point this was what was studied in the

603
00:26:56,149 --> 00:26:53,640
silurian hypothesis but we have text

604
00:26:59,510 --> 00:26:56,159
saying it was so what do we do with that

605
00:27:01,430 --> 00:26:59,520
and then get into Genesis 11 and you

606
00:27:03,289 --> 00:27:01,440
read that alongside the Sumerian when

607
00:27:05,029 --> 00:27:03,299
you get to the Tower of Babel you

608
00:27:08,029 --> 00:27:05,039
realize you're reading about either a

609
00:27:09,830 --> 00:27:08,039
launch pad or a Stargate this was the

610
00:27:12,830 --> 00:27:09,840
place where people left the planet to

611
00:27:16,269 --> 00:27:12,840
get to space stations is what the texts

612
00:27:18,590 --> 00:27:16,279
say so that is a previous Advanced

613
00:27:21,490 --> 00:27:18,600

space-faring civilization that in

614

00:27:24,769 --> 00:27:21,500

Genesis 11 gets bombed back into a

615

00:27:26,510 --> 00:27:24,779

pre-stone-age state and I argue in

616

00:27:28,370 --> 00:27:26,520

escaping from Eden that by the time you

617

00:27:31,250 --> 00:27:28,380

get there

618

00:27:35,029 --> 00:27:31,260

Genesis 11 you probably read about five

619

00:27:37,730 --> 00:27:35,039

planetary resets in the texts

620

00:27:39,909 --> 00:27:37,740

and as I said earlier how would we know

621

00:27:42,769 --> 00:27:39,919

well we would know if we were in contact

622

00:27:45,230 --> 00:27:42,779

with others who had curated those

623

00:27:47,570 --> 00:27:45,240

stories for us and were telling us what

624

00:27:49,970 --> 00:27:47,580

was what and we might know from

625

00:27:52,310 --> 00:27:49,980

survivors of more recent cataclysms

626
00:27:55,070 --> 00:27:52,320
which is something referenced by Plato

627
00:27:58,310 --> 00:27:55,080
for instance when he introduces the

628
00:28:00,950 --> 00:27:58,320
story of Atlantis but it's there in the

629
00:28:01,970 --> 00:28:00,960
Bible successive civilizations on planet

630
00:28:04,430 --> 00:28:01,980
Earth

631
00:28:07,250 --> 00:28:04,440
doesn't often get preached on that way

632
00:28:11,029 --> 00:28:07,260
but it is all there waiting to be

633
00:28:14,350 --> 00:28:11,039
spotted and the dots to be joined

634
00:28:17,870 --> 00:28:14,360
spaceship lands in the White House lawn

635
00:28:20,990 --> 00:28:17,880
Jesus steps off and says I'm back

636
00:28:24,470 --> 00:28:21,000
are you surprised

637
00:28:26,210 --> 00:28:24,480
am I surprised I uh I would not be

638
00:28:28,909 --> 00:28:26,220

surprised because

639

00:28:31,549 --> 00:28:28,919

that is certainly one way you can read

640

00:28:33,769 --> 00:28:31,559

the Ascension story that's recorded for

641

00:28:37,549 --> 00:28:33,779

us in the New Testament it says that the

642

00:28:39,830 --> 00:28:37,559

story of Jesus as far as his ministry in

643

00:28:42,830 --> 00:28:39,840

and around Jerusalem was concerned that

644

00:28:44,390 --> 00:28:42,840

that Ministry ended after he had been

645

00:28:47,870 --> 00:28:44,400

resurrected or survived the cross and

646

00:28:49,970 --> 00:28:47,880

then he got taken up into the sky in

647

00:28:51,230 --> 00:28:49,980

front of all of us in front of all these

648

00:28:53,870 --> 00:28:51,240

eyewitnesses

649

00:28:55,850 --> 00:28:53,880

well you know in the past how would you

650

00:28:58,029 --> 00:28:55,860

picture that you'd picture that as his

651

00:29:00,890 --> 00:28:58,039

body being lifted up into the heavens

652

00:29:02,690 --> 00:29:00,900

well we now know he's going to run out

653

00:29:05,510 --> 00:29:02,700

of oxygen pretty quickly if it's done

654

00:29:08,149 --> 00:29:05,520

that way and you can read it another way

655

00:29:10,430 --> 00:29:08,159

he was taken up into the sky in exactly

656

00:29:12,710 --> 00:29:10,440

the same way that other eyewitnesses

657

00:29:15,649 --> 00:29:12,720

have described it Through the Ages taken

658

00:29:18,289 --> 00:29:15,659

up in a craft same way Elijah was same

659

00:29:19,370 --> 00:29:18,299

way Ezekiel was and if it was taken up

660

00:29:23,450 --> 00:29:19,380

that way

661

00:29:25,909 --> 00:29:23,460

he would land on the White House lawn

662

00:29:27,830 --> 00:29:25,919

maybe he'd come to Canberra the capital

663

00:29:30,169 --> 00:29:27,840

of Australia instead let's not make

664

00:29:32,510 --> 00:29:30,179

assumptions yeah okay yeah yeah right

665

00:29:34,610 --> 00:29:32,520

now maybe I wouldn't be too surprised it

666

00:29:37,190 --> 00:29:34,620

wouldn't be the Vatican though vatican's

667

00:29:41,090 --> 00:29:37,200

right out that that's that

668

00:29:43,389 --> 00:29:41,100

um but uh is so if we if we look at it

669

00:29:48,470 --> 00:29:43,399

this way

670

00:29:50,570 --> 00:29:48,480

the the the the leaders of towns of

671

00:29:54,409 --> 00:29:50,580

villages of groups of people of tribes

672

00:29:56,330 --> 00:29:54,419

in in ancient times could not go back to

673

00:29:58,669 --> 00:29:56,340

town and say

674

00:30:00,769 --> 00:29:58,679

I was just hanging out with ET and and

675

00:30:04,250 --> 00:30:00,779

he says don't drink the water

676

00:30:06,409 --> 00:30:04,260

you you can't do that right you've got

677

00:30:09,490 --> 00:30:06,419

to come back to town and go you know God

678

00:30:13,970 --> 00:30:09,500

said don't drink the water

679

00:30:16,909 --> 00:30:13,980

and the town would understand that so it

680

00:30:20,930 --> 00:30:16,919

turns into a belief system a religion

681

00:30:23,690 --> 00:30:20,940

today with what you are suggesting here

682

00:30:27,049 --> 00:30:23,700

is this also a belief system and a

683

00:30:31,310 --> 00:30:27,059

religion if if you if you understand the

684

00:30:35,330 --> 00:30:31,320

same context uh from ancient history if

685

00:30:38,450 --> 00:30:35,340

we are to believe a belief system in ET

686

00:30:40,190 --> 00:30:38,460

in contact is this a new version of

687

00:30:43,909 --> 00:30:40,200

religion

688

00:30:46,669 --> 00:30:43,919

people do say that but I don't think

689

00:30:48,649 --> 00:30:46,679

that's a helpful way to see it I when I

690

00:30:50,450 --> 00:30:48,659

think of religion I think of something

691

00:30:52,370 --> 00:30:50,460

that's not just a system of beliefs

692

00:30:54,830 --> 00:30:52,380

telling people what to believe but it

693

00:30:57,590 --> 00:30:54,840

sort of tells people what to do as well

694

00:30:59,990 --> 00:30:57,600

and it's one of the reasons I love the

695

00:31:02,029 --> 00:31:00,000

ancient Sumerian texts because they are

696

00:31:04,370 --> 00:31:02,039

not the texts of any religion in the

697

00:31:07,430 --> 00:31:04,380

world and those texts are not there to

698

00:31:10,430 --> 00:31:07,440

tell anybody what to do they are simply

699

00:31:12,590 --> 00:31:10,440

reports of what happened and I think

700

00:31:15,350 --> 00:31:12,600

many of our sacred texts around the

701
00:31:18,830 --> 00:31:15,360
world are much more like that than we

702
00:31:22,430 --> 00:31:18,840
generally think that many of our ancient

703
00:31:25,130 --> 00:31:22,440
texts are describing experiences rather

704
00:31:27,710 --> 00:31:25,140
than saying Thou shalt do this Thou

705
00:31:30,289 --> 00:31:27,720
shalt not do that I think the problem

706
00:31:32,690 --> 00:31:30,299
with seeing it as a religion is that you

707
00:31:34,190 --> 00:31:32,700
then start to empower New Elites new

708
00:31:35,930 --> 00:31:34,200
priesthoods you know people who know

709
00:31:38,210 --> 00:31:35,940
what's what who'll tell you what's right

710
00:31:40,190 --> 00:31:38,220
and what's wrong and what to believe and

711
00:31:43,430 --> 00:31:40,200
it's actually a very democratizing thing

712
00:31:45,529 --> 00:31:43,440
to discover these ancient texts and I

713
00:31:47,930 --> 00:31:45,539

hear from people every week who read my

714

00:31:49,610 --> 00:31:47,940

books and they say this is what I've

715

00:31:52,850 --> 00:31:49,620

always thought this is what I've always

716

00:31:54,409 --> 00:31:52,860

seen in the Bible for myself and now I

717

00:31:56,330 --> 00:31:54,419

feel I've got permission to say it so

718

00:31:59,269 --> 00:31:56,340

it's actually a very liberating thing of

719

00:32:01,430 --> 00:31:59,279

people saying I've always seen this I've

720

00:32:05,049 --> 00:32:01,440

always thought that without having to be

721

00:32:08,450 --> 00:32:05,059

told by an authority

722

00:32:10,070 --> 00:32:08,460

now we're talking about science

723

00:32:12,289 --> 00:32:10,080

that's what we're talking about here

724

00:32:13,730 --> 00:32:12,299

right we're talking about science and so

725

00:32:16,250 --> 00:32:13,740

much

726

00:32:18,409 --> 00:32:16,260

um is out there from different

727

00:32:21,470 --> 00:32:18,419

scientists I'm not talking about Newton

728

00:32:24,289 --> 00:32:21,480

where who is a very religious man and

729

00:32:27,230 --> 00:32:24,299

very open-minded very smart but today

730

00:32:31,730 --> 00:32:27,240

there's a hard Line in the Sand with

731

00:32:33,529 --> 00:32:31,740

physicists and scientists with uh you

732

00:32:35,090 --> 00:32:33,539

know the religious beliefs or the

733

00:32:37,789 --> 00:32:35,100

supernatural the Paranormal it doesn't

734

00:32:40,909 --> 00:32:37,799

matter Consciousness right

735

00:32:42,470 --> 00:32:40,919

um and if this all comes to pass it's

736

00:32:43,970 --> 00:32:42,480

going to be the scientists those

737

00:32:46,810 --> 00:32:43,980

atheists out there that are going to be

738

00:32:50,810 --> 00:32:46,820

the most spiritual

739

00:32:52,730 --> 00:32:50,820

oh that's yes there'll be a lot of

740

00:32:54,889 --> 00:32:52,740

change and a lot of reframing to happen

741

00:32:57,950 --> 00:32:54,899

if we're suddenly in an era of

742

00:33:00,230 --> 00:32:57,960

disclosure but there are pockets of

743

00:33:02,510 --> 00:33:00,240

science that wouldn't be too surprised I

744

00:33:05,149 --> 00:33:02,520

mean after all it is scientists and

745

00:33:08,330 --> 00:33:05,159

technicians who put together the

746

00:33:11,090 --> 00:33:08,340

European space agency's mission to test

747

00:33:13,669 --> 00:33:11,100

the theory of panspermia that's the

748

00:33:16,549 --> 00:33:13,679

theory that life on Earth came from off

749

00:33:18,590 --> 00:33:16,559

planet and that the genetic coding for

750

00:33:20,450 --> 00:33:18,600

biological conscious life is endemic

751

00:33:22,130 --> 00:33:20,460

throughout the cosmos so a lot of

752

00:33:24,529 --> 00:33:22,140

scientists had to be involved in putting

753

00:33:27,769 --> 00:33:24,539

those projects together to test for that

754

00:33:29,810 --> 00:33:27,779

if you spend time with DNA scientists

755

00:33:32,570 --> 00:33:29,820

you'll find a lot of people who hold to

756

00:33:34,490 --> 00:33:32,580

panspermia because they would argue the

757

00:33:37,850 --> 00:33:34,500

time frame of the planet isn't long

758

00:33:40,669 --> 00:33:37,860

enough for DNA to have formed randomly

759

00:33:44,149 --> 00:33:40,679

and then you go to some deep experts in

760

00:33:46,130 --> 00:33:44,159

genetic coding to Maxima kukoff Vladimir

761

00:33:48,049 --> 00:33:46,140

shareback they're from the fezenko of

762

00:33:50,690 --> 00:33:48,059

astrophysics School Institute in the

763

00:33:53,450 --> 00:33:50,700

764

00:33:55,190 --> 00:33:53,460

authorities in DNA research and they'll

765

00:33:58,370 --> 00:33:55,200

tell you it's not just the time frame

766

00:34:00,889 --> 00:33:58,380

it's the structure of DNA itself that

767

00:34:03,529 --> 00:34:00,899

tells you there's been some intelligence

768

00:34:05,690 --> 00:34:03,539

behind what landed on our planet and

769

00:34:07,130 --> 00:34:05,700

resulted in all the life on Earth you

770

00:34:10,129 --> 00:34:07,140

can go to other fields of science as

771

00:34:12,409 --> 00:34:10,139

well go to neuroscience meet the

772

00:34:13,430 --> 00:34:12,419

scientists who study acquired Savant

773

00:34:15,290 --> 00:34:13,440

syndrome

774

00:34:17,930 --> 00:34:15,300

and they will tell you about this

775

00:34:21,109 --> 00:34:17,940

syndrome where higher cognitive

776

00:34:23,329 --> 00:34:21,119

abilities can be knocked on by accident

777

00:34:26,149 --> 00:34:23,339

because our brains have higher cognitive

778

00:34:29,089 --> 00:34:26,159

abilities in the off position

779

00:34:31,669 --> 00:34:29,099

and are conventional evolutionary theory

780

00:34:34,430 --> 00:34:31,679

cannot explain that

781

00:34:36,950 --> 00:34:34,440

but ancestral stories that talk about ET

782

00:34:39,430 --> 00:34:36,960

interventions in our development that

783

00:34:42,470 --> 00:34:39,440

storyline matches perfectly what our

784

00:34:44,149 --> 00:34:42,480

neuroscientists are discovering so there

785

00:34:46,310 --> 00:34:44,159

are pockets of scientists ready to jump

786

00:34:48,169 --> 00:34:46,320

up and say I told you so

787

00:34:51,230 --> 00:34:48,179

and then there'll be others who might be

788

00:34:53,329 --> 00:34:51,240

having to recant all their textbooks of

789

00:34:56,270 --> 00:34:53,339

course yeah that's

790

00:34:57,190 --> 00:34:56,280

that's thing because so many

791

00:35:00,530 --> 00:34:57,200

um

792

00:35:02,930 --> 00:35:00,540

there are rock star personalities out

793

00:35:07,609 --> 00:35:02,940

there very intelligent people right I'm

794

00:35:09,770 --> 00:35:07,619

not here to name names but atheists and

795

00:35:12,230 --> 00:35:09,780

and technically I'm an atheist right

796

00:35:17,510 --> 00:35:12,240

okay so I don't mean it in a derogatory

797

00:35:21,170 --> 00:35:17,520

way but they will say that DNA and

798

00:35:22,849 --> 00:35:21,180

Consciousness is just random luck

799

00:35:25,670 --> 00:35:22,859

all right this is like wait wait wait

800

00:35:28,849 --> 00:35:25,680

wait wait wait wait wait stop with that

801
00:35:31,730 --> 00:35:28,859
that and literally because they don't

802
00:35:34,670 --> 00:35:31,740
want to offend their fan base Paul right

803
00:35:37,370 --> 00:35:34,680
and they've they've got Legions of these

804
00:35:39,230 --> 00:35:37,380
followers and they can't go with some

805
00:35:42,589 --> 00:35:39,240
kind of intelligent design or something

806
00:35:44,630 --> 00:35:42,599
else going on here but the numbers just

807
00:35:47,870 --> 00:35:44,640
don't add up it's a mathematical thing

808
00:35:51,010 --> 00:35:47,880
the odds of DNA creating itself because

809
00:35:55,849 --> 00:35:51,020
of a lightning bolt that hit a crystal

810
00:35:58,310 --> 00:35:55,859
uh in a in a creek bed and suddenly DNA

811
00:36:00,050 --> 00:35:58,320
just appeared on planet Earth uh it

812
00:36:02,990 --> 00:36:00,060
doesn't work that way does it

813
00:36:05,470 --> 00:36:03,000

no it doesn't and in fact uh Vladimir

814

00:36:08,030 --> 00:36:05,480

sherbach and Maxima kukov in 2013

815

00:36:10,310 --> 00:36:08,040

produced their research showing that the

816

00:36:13,790 --> 00:36:10,320

chance of it happening randomly these

817

00:36:15,230 --> 00:36:13,800

patterns in our DNA is one in 10

818

00:36:17,329 --> 00:36:15,240

trillion

819

00:36:20,270 --> 00:36:17,339

so that means it didn't happen randomly

820

00:36:22,010 --> 00:36:20,280

to put it in layman's terms and yes I

821

00:36:25,550 --> 00:36:22,020

think you know the really strong atheist

822

00:36:27,530 --> 00:36:25,560

might have a problem with that except

823

00:36:30,470 --> 00:36:27,540

maybe they just need to be more focused

824

00:36:34,370 --> 00:36:30,480

on what they know I'm quite happy for

825

00:36:36,050 --> 00:36:34,380

them to be atheists in the sense that

826

00:36:38,510 --> 00:36:36,060

they are rejecting a particular

827

00:36:40,730 --> 00:36:38,520

explanation of the universe or a

828

00:36:43,310 --> 00:36:40,740

particular explanation of God

829

00:36:46,010 --> 00:36:43,320

but they're actually hiding from certain

830

00:36:47,750 --> 00:36:46,020

facts like that information in our DNA

831

00:36:49,190 --> 00:36:47,760

if they want to maintain a view that

832

00:36:52,730 --> 00:36:49,200

there's nothing Beyond this planet

833

00:36:54,829 --> 00:36:52,740

there's no intelligence Beyond us that

834

00:36:56,990 --> 00:36:54,839

then stops being science and it starts

835

00:36:59,510 --> 00:36:57,000

being something else yeah that's right

836

00:37:01,430 --> 00:36:59,520

and why why are they and we're going to

837

00:37:05,030 --> 00:37:01,440

circle back to the Bible everybody just

838

00:37:07,670 --> 00:37:05,040

relax but why the denial of an interest

839

00:37:10,310 --> 00:37:07,680

in consciousness

840

00:37:12,589 --> 00:37:10,320

I don't know it's getting harder to

841

00:37:16,010 --> 00:37:12,599

avoid of course the longer we have

842

00:37:18,890 --> 00:37:16,020

quantum physics as part of the world of

843

00:37:20,450 --> 00:37:18,900

physics because the place of

844

00:37:23,750 --> 00:37:20,460

Consciousness has been sort of

845

00:37:26,569 --> 00:37:23,760

rediscovered in that field of study I

846

00:37:28,910 --> 00:37:26,579

think of enough study is allowed on

847

00:37:31,490 --> 00:37:28,920

near-death experiences so people who

848

00:37:34,130 --> 00:37:31,500

Flatline have experiences while they're

849

00:37:36,410 --> 00:37:34,140

Flatline and then return the more data

850

00:37:37,970 --> 00:37:36,420

we have of that kind raises more

851
00:37:40,609 --> 00:37:37,980
interesting questions about what

852
00:37:43,010 --> 00:37:40,619
Consciousness is and how it's supported

853
00:37:45,650 --> 00:37:43,020
and how it relates to this material I we

854
00:37:48,370 --> 00:37:45,660
need to do a lot of science on that

855
00:37:50,450 --> 00:37:48,380
but I think to have very strong

856
00:37:53,170 --> 00:37:50,460
pronouncements on the nature of

857
00:37:56,270 --> 00:37:53,180
Consciousness without an appeal to data

858
00:37:57,470 --> 00:37:56,280
well that's just embarrassing that is

859
00:37:59,870 --> 00:37:57,480
not science

860
00:38:02,270 --> 00:37:59,880
is it because they can't they can't

861
00:38:04,370 --> 00:38:02,280
measure it right they can't perform a

862
00:38:07,069 --> 00:38:04,380
lab experiment and they can't turn this

863
00:38:08,569 --> 00:38:07,079

into numbers therefore it's a waste of

864

00:38:13,310 --> 00:38:08,579

time

865

00:38:15,650 --> 00:38:13,320

yes I I think that is it and not wanting

866

00:38:18,470 --> 00:38:15,660

to be rude but there are people who are

867

00:38:20,990 --> 00:38:18,480

very comfortable in the world of maths

868

00:38:23,210 --> 00:38:21,000

and numbers and anything that's less

869

00:38:25,130 --> 00:38:23,220

controllable replicatable anything

870

00:38:28,630 --> 00:38:25,140

outside of the modern scientific method

871

00:38:31,730 --> 00:38:28,640

they get very anxious about and that

872

00:38:33,589 --> 00:38:31,740

frankly might be an emotional

873

00:38:35,569 --> 00:38:33,599

intelligence issue that we need to

874

00:38:37,430 --> 00:38:35,579

embrace and say there there's a whole

875

00:38:40,970 --> 00:38:37,440

load of territory where we have to go

876

00:38:42,950 --> 00:38:40,980

where we can't bring our

877

00:38:47,150 --> 00:38:42,960

our worldview that says there's nothing

878

00:38:49,490 --> 00:38:47,160

Beyond matter and Mathematics we have to

879

00:38:51,349 --> 00:38:49,500

look at other kinds of data and then

880

00:38:54,349 --> 00:38:51,359

process it together it doesn't mean that

881

00:38:55,790 --> 00:38:54,359

we lose our rational thought it doesn't

882

00:38:57,770 --> 00:38:55,800

mean that we stop being critical

883

00:39:00,530 --> 00:38:57,780

thinkers it just says we're willing to

884

00:39:05,089 --> 00:39:00,540

look at other data

885

00:39:06,470 --> 00:39:05,099

now if we go uh to Newton and before I

886

00:39:08,210 --> 00:39:06,480

think that's a very critical time

887

00:39:11,270 --> 00:39:08,220

actually you know three four hundred

888

00:39:13,970 --> 00:39:11,280

years ago when some will say you know

889

00:39:17,150 --> 00:39:13,980

the real science started right but but

890

00:39:20,569 --> 00:39:17,160

Newton uh was hermeticist he was an

891

00:39:22,490 --> 00:39:20,579

alchemist he was a religious scholar he

892

00:39:25,970 --> 00:39:22,500

was a mathematician he was an astronomer

893

00:39:28,670 --> 00:39:25,980

he was a physicist uh his math we still

894

00:39:33,349 --> 00:39:28,680

use today it was a very profound

895

00:39:36,290 --> 00:39:33,359

individual and before him it was okay to

896

00:39:38,089 --> 00:39:36,300

be a philosopher and a scientist and

897

00:39:41,450 --> 00:39:38,099

call yourself a physicist a

898

00:39:43,670 --> 00:39:41,460

mathematician and a religious person and

899

00:39:46,210 --> 00:39:43,680

it drove the thoughts of Consciousness

900

00:39:49,310 --> 00:39:46,220

all the way back to the dawn of man

901
00:39:51,770 --> 00:39:49,320
that's the way things worked why did

902
00:39:54,109 --> 00:39:51,780
that stop it seemed like the Ancients

903
00:39:57,109 --> 00:39:54,119
really had it together

904
00:39:59,690 --> 00:39:57,119
yes yes they did and I mean what you've

905
00:40:02,329 --> 00:39:59,700
described is is the Renaissance Man

906
00:40:05,450 --> 00:40:02,339
uh the man who studies the whole of

907
00:40:07,970 --> 00:40:05,460
reality the man who can do science and

908
00:40:10,130 --> 00:40:07,980
philosophy and see it as part of

909
00:40:12,829 --> 00:40:10,140
studying nature this was really the gift

910
00:40:16,069 --> 00:40:12,839
of hermeticism that there was no

911
00:40:18,230 --> 00:40:16,079
separation between these fields it was

912
00:40:22,130 --> 00:40:18,240
all an attempt to understand what

913
00:40:24,349 --> 00:40:22,140

reality is and how it works why that

914

00:40:26,870 --> 00:40:24,359

broke down that's a really good question

915

00:40:29,089 --> 00:40:26,880

but certainly it was a time when

916

00:40:31,490 --> 00:40:29,099

religious authorities were fighting for

917

00:40:35,390 --> 00:40:31,500

control of the narrative

918

00:40:38,089 --> 00:40:35,400

and they did shut down a lot of leading

919

00:40:41,930 --> 00:40:38,099

thinkers in that time you know people

920

00:40:43,790 --> 00:40:41,940

arrested place under house arrest burned

921

00:40:45,890 --> 00:40:43,800

alive in the most horrible ways I mean

922

00:40:49,430 --> 00:40:45,900

that was a very strong signal for the

923

00:40:51,650 --> 00:40:49,440

Next Generation not to muck up the

924

00:40:52,730 --> 00:40:51,660

narrative and so when you had someone

925

00:40:56,089 --> 00:40:52,740

like

926

00:40:58,970 --> 00:40:56,099

um uh fuccino had set up his university

927

00:41:01,130 --> 00:40:58,980

studying all these different fields

928

00:41:03,589 --> 00:41:01,140

the religious authorities didn't want to

929

00:41:06,530 --> 00:41:03,599

joined up picture and they shut that

930

00:41:08,450 --> 00:41:06,540

University down so I think that was part

931

00:41:11,690 --> 00:41:08,460

of the problem that this was about

932

00:41:13,550 --> 00:41:11,700

managing information controlling the

933

00:41:15,410 --> 00:41:13,560

narrative and you couldn't have

934

00:41:17,630 --> 00:41:15,420

individuals who are experts on

935

00:41:20,329 --> 00:41:17,640

everything because that was the church's

936

00:41:22,310 --> 00:41:20,339

job so I think that was a big part of it

937

00:41:25,569 --> 00:41:22,320

but there was a worldview shift going on

938

00:41:28,130 --> 00:41:25,579

as well because with advances in science

939

00:41:31,609 --> 00:41:28,140

came the growth of something called

940

00:41:34,210 --> 00:41:31,619

scientism which is the idea that you

941

00:41:38,089 --> 00:41:34,220

can't talk about anything as fact

942

00:41:40,190 --> 00:41:38,099

outside the realm of Science and that of

943

00:41:43,670 --> 00:41:40,200

course led up to the culture wars of the

944

00:41:47,329 --> 00:41:43,680

1800s with Christians retreating into

945

00:41:49,069 --> 00:41:47,339

their world and others into their worlds

946

00:41:52,970 --> 00:41:49,079

and that's probably when the Great

947

00:41:55,730 --> 00:41:52,980

separation occurred and it gave birth to

948

00:41:58,609 --> 00:41:55,740

new movements of people hungry and

949

00:42:01,010 --> 00:41:58,619

thirsty to study the whole of life but

950

00:42:03,050 --> 00:42:01,020

from scientific start point and so

951
00:42:05,329 --> 00:42:03,060
that's when people like blavatsky appear

952
00:42:08,450 --> 00:42:05,339
and start doing their work attempting to

953
00:42:10,849 --> 00:42:08,460
to really get a grip on non-material

954
00:42:13,069 --> 00:42:10,859
spiritual phenomena but using the

955
00:42:15,050 --> 00:42:13,079
language of science to do it so it's a

956
00:42:18,109 --> 00:42:15,060
pretty long complex story but I would

957
00:42:21,230 --> 00:42:18,119
love us to get back to that place where

958
00:42:23,150 --> 00:42:21,240
we say we are interested in the whole of

959
00:42:26,690 --> 00:42:23,160
it we're interested in all of it we're

960
00:42:29,810 --> 00:42:26,700
interested in science Consciousness the

961
00:42:31,670 --> 00:42:29,820
material the immaterial a migrate hero

962
00:42:34,730 --> 00:42:31,680
in this is Plato

963
00:42:37,310 --> 00:42:34,740

Plato is widely acknowledged as one of

964

00:42:40,430 --> 00:42:37,320

the greatest thinkers of all time there

965

00:42:43,069 --> 00:42:40,440

was a British mathematician who said

966

00:42:44,690 --> 00:42:43,079

famously that the whole of the western

967

00:42:46,370 --> 00:42:44,700

tradition of philosophy could be

968

00:42:48,230 --> 00:42:46,380

regarded as no more than a series of

969

00:42:49,970 --> 00:42:48,240

footnotes to Plato

970

00:42:52,849 --> 00:42:49,980

and nobody disagreed with him that's how

971

00:42:55,130 --> 00:42:52,859

great Plato was and he was a person who

972

00:42:57,470 --> 00:42:55,140

was willing to say I have science

973

00:43:00,349 --> 00:42:57,480

conclusions I've reached through logic

974

00:43:02,450 --> 00:43:00,359

applied to things we can all observe I

975

00:43:05,690 --> 00:43:02,460

have information from Altered States Of

976
00:43:08,270 --> 00:43:05,700
Consciousness I have information from

977
00:43:10,670 --> 00:43:08,280
contact experiences and from ancient

978
00:43:13,370 --> 00:43:10,680
ancestral narratives and the survivors

979
00:43:16,010 --> 00:43:13,380
of previous civilizations he was able to

980
00:43:18,530 --> 00:43:16,020
say all of that and put that in his

981
00:43:21,470 --> 00:43:18,540
writings as part of a view of everything

982
00:43:23,109 --> 00:43:21,480
and I think there is a new Hunger for a

983
00:43:25,490 --> 00:43:23,119
view of everything that doesn't

984
00:43:27,829 --> 00:43:25,500
compartmentalize that gets the whole

985
00:43:30,349 --> 00:43:27,839
picture because we want to know who we

986
00:43:33,050 --> 00:43:30,359
are and what's possible for human beings

987
00:43:34,990 --> 00:43:33,060
and you need that global view to answer

988
00:43:37,970 --> 00:43:35,000

questions like that

989

00:43:40,190 --> 00:43:37,980

the when you think about and I agree

990

00:43:44,750 --> 00:43:40,200

with you about Plato oh two points about

991

00:43:47,450 --> 00:43:44,760

that one Plato gave full credit to

992

00:43:49,630 --> 00:43:47,460

ancient Egyptians in ancient Egypt for

993

00:43:52,430 --> 00:43:49,640

his views of philosophy

994

00:43:54,349 --> 00:43:52,440

and there was a few other uh Greek

995

00:43:56,630 --> 00:43:54,359

philosophers at that time too as well

996

00:43:59,089 --> 00:43:56,640

that gave credit where credit was due

997

00:44:01,089 --> 00:43:59,099

but I always like that part about Plato

998

00:44:03,109 --> 00:44:01,099

that's Point number one number two yes

999

00:44:06,050 --> 00:44:03,119

Plato's Cave

1000

00:44:09,410 --> 00:44:06,060

we're talking about 400 BC here

1001
00:44:10,970 --> 00:44:09,420
and to talk about and it makes you

1002
00:44:14,870 --> 00:44:10,980
wonder

1003
00:44:16,609 --> 00:44:14,880
what he knew and what he saw for him to

1004
00:44:19,730 --> 00:44:16,619
put those ideas he didn't have the

1005
00:44:23,150 --> 00:44:19,740
ability to go watch some Marvel movie

1006
00:44:26,030 --> 00:44:23,160
right to some Doctor Strange movie

1007
00:44:29,870 --> 00:44:26,040
he's talking about multi-world he's

1008
00:44:33,650 --> 00:44:29,880
talking about world alternate uh you

1009
00:44:35,569 --> 00:44:33,660
know it it inter dementia he is talking

1010
00:44:36,890 --> 00:44:35,579
about a deep philosophical narrative

1011
00:44:40,010 --> 00:44:36,900
right

1012
00:44:42,410 --> 00:44:40,020
um and he did that at 400 BC where does

1013
00:44:46,609 --> 00:44:42,420

he get these ideas unless there was

1014

00:44:49,910 --> 00:44:46,619

something for him to write about

1015

00:44:53,690 --> 00:44:49,920

yes well I mean he had a framework that

1016

00:44:56,150 --> 00:44:53,700

he got from ancient Egypt uh via the

1017

00:44:58,550 --> 00:44:56,160

Greek legislator Solon it was a real

1018

00:45:01,190 --> 00:44:58,560

historical person and there's plenty of

1019

00:45:03,890 --> 00:45:01,200

language in Plato that suggests

1020

00:45:08,329 --> 00:45:03,900

um Eastern thought Indian thought maybe

1021

00:45:11,390 --> 00:45:08,339

via Egypt maybe directly but he's also

1022

00:45:13,490 --> 00:45:11,400

very open that he has become convinced

1023

00:45:15,950 --> 00:45:13,500

of these things and he says these are

1024

00:45:17,809 --> 00:45:15,960

things I concluded but cannot prove

1025

00:45:21,230 --> 00:45:17,819

but he says he's become convinced of

1026
00:45:24,170 --> 00:45:21,240
them through the ellessinian Mysteries

1027
00:45:26,569 --> 00:45:24,180
and that means an altered state of

1028
00:45:28,849 --> 00:45:26,579
consciousness that enabled him to

1029
00:45:31,910 --> 00:45:28,859
communicate with beings in other

1030
00:45:34,190 --> 00:45:31,920
dimensions now he he says this

1031
00:45:37,490 --> 00:45:34,200
absolutely openly in his books what

1032
00:45:40,010 --> 00:45:37,500
amazes me is that I read those books in

1033
00:45:42,290 --> 00:45:40,020
my twenties as my training to become a

1034
00:45:45,370 --> 00:45:42,300
priest in the Church of England and

1035
00:45:48,050 --> 00:45:45,380
somehow I missed all those juicy bits

1036
00:45:50,390 --> 00:45:48,060
and I think what it was is we were given

1037
00:45:51,829 --> 00:45:50,400
handouts on Plato that were the bits

1038
00:45:54,190 --> 00:45:51,839

relevant to the formation of Christian

1039

00:45:56,630 --> 00:45:54,200

Theology and all these bits about

1040

00:45:58,970 --> 00:45:56,640

psycho-effective tea ceremonies were

1041

00:46:01,130 --> 00:45:58,980

left off the handouts so I had to go

1042

00:46:03,410 --> 00:46:01,140

back to Plato and ReDiscover all this

1043

00:46:05,089 --> 00:46:03,420

and say how have we forgotten this and

1044

00:46:06,950 --> 00:46:05,099

how have we become so coy and

1045

00:46:08,109 --> 00:46:06,960

embarrassed about talking about this

1046

00:46:11,750 --> 00:46:08,119

kind of information

1047

00:46:14,569 --> 00:46:11,760

all these centuries later when it was

1048

00:46:16,190 --> 00:46:14,579

part of mainstream conversation two and

1049

00:46:18,230 --> 00:46:16,200

a half thousand years ago

1050

00:46:22,010 --> 00:46:18,240

that's exactly right I did the same

1051

00:46:25,250 --> 00:46:22,020

thing and when you read today especially

1052

00:46:26,990 --> 00:46:25,260

now you know in 2023 where we're a

1053

00:46:30,829 --> 00:46:27,000

little smarter than we were 100 years

1054

00:46:33,170 --> 00:46:30,839

ago a lot smarter and our ability to

1055

00:46:35,890 --> 00:46:33,180

understand and to comprehend right and

1056

00:46:39,190 --> 00:46:35,900

and think through you read Plato today

1057

00:46:41,829 --> 00:46:39,200

and all you got to do is

1058

00:46:45,710 --> 00:46:41,839

400 BC

1059

00:46:49,030 --> 00:46:45,720

what right that's what you do uh you

1060

00:46:53,569 --> 00:46:49,040

know we're talking about 2400 years ago

1061

00:46:55,849 --> 00:46:53,579

uh a belief system and and a study

1062

00:46:57,710 --> 00:46:55,859

system that was already based on

1063

00:47:00,950 --> 00:46:57,720

teachings and stuff that was learned

1064

00:47:03,109 --> 00:47:00,960

from before so from before that's right

1065

00:47:07,069 --> 00:47:03,119

from a previous culture previous

1066

00:47:10,010 --> 00:47:07,079

civilization and he he openly references

1067

00:47:12,410 --> 00:47:10,020

that he said the Egyptians got this from

1068

00:47:15,589 --> 00:47:12,420

the survivors of Atlantis the previous

1069

00:47:18,349 --> 00:47:15,599

civilization again unembarrassed today

1070

00:47:21,349 --> 00:47:18,359

you mentioned Atlantis and uh people

1071

00:47:23,750 --> 00:47:21,359

roll their eyes at you okay this this is

1072

00:47:25,370 --> 00:47:23,760

where he got what he regarded as solid

1073

00:47:26,630 --> 00:47:25,380

information from

1074

00:47:28,550 --> 00:47:26,640

now

1075

00:47:30,890 --> 00:47:28,560

um uh before we head to the break I want

1076

00:47:33,829 --> 00:47:30,900

to you made a really good point

1077

00:47:37,069 --> 00:47:33,839

um that the Sumerian attacks were not

1078

00:47:40,069 --> 00:47:37,079

about uh a sales pitch

1079

00:47:43,130 --> 00:47:40,079

right it wasn't it wasn't a sales pitch

1080

00:47:45,950 --> 00:47:43,140

um it was a newspaper

1081

00:47:50,390 --> 00:47:45,960

right it was documenting things

1082

00:47:53,569 --> 00:47:50,400

if if that is the case and I agree of

1083

00:47:57,170 --> 00:47:53,579

course but if if that is the case

1084

00:47:59,870 --> 00:47:57,180

the what were they basing it on were

1085

00:48:04,190 --> 00:47:59,880

they basing it on eyewitness stuff were

1086

00:48:06,230 --> 00:48:04,200

they basing it on uh because it it may

1087

00:48:09,589 --> 00:48:06,240

stretch depends on how you want to

1088

00:48:12,650 --> 00:48:09,599

translate this anywhere from uh five to

1089

00:48:17,210 --> 00:48:12,660

ten to two to four hundred thousand

1090

00:48:20,349 --> 00:48:17,220

years of of time of of of History

1091

00:48:23,270 --> 00:48:20,359

so what do you think it was based on

1092

00:48:26,030 --> 00:48:23,280

that's a really good question because

1093

00:48:29,089 --> 00:48:26,040

the text that we find from ancient

1094

00:48:31,790 --> 00:48:29,099

Sumeria Babylonia Arcadia and Assyria

1095

00:48:35,329 --> 00:48:31,800

are from a certain period in time we can

1096

00:48:38,390 --> 00:48:35,339

date that but when we read the the

1097

00:48:41,030 --> 00:48:38,400

codices the forwards to these pieces of

1098

00:48:44,150 --> 00:48:41,040

literature it makes clear that these are

1099

00:48:46,910 --> 00:48:44,160

stories that go back way into the deep

1100

00:48:49,430 --> 00:48:46,920

past way prior to the Sumerian

1101

00:48:51,589 --> 00:48:49,440

civilization and I think you're right

1102

00:48:55,430 --> 00:48:51,599

that some of the stories do touch upon

1103

00:48:58,910 --> 00:48:55,440

interventions that were perhaps 200

1104

00:49:01,010 --> 00:48:58,920

000 years ago and so the development of

1105

00:49:04,010 --> 00:49:01,020

homo sapiens as we know ourselves to be

1106

00:49:07,069 --> 00:49:04,020

is a very long story with a number of

1107

00:49:08,930 --> 00:49:07,079

interventions I certainly believe there

1108

00:49:12,109 --> 00:49:08,940

was one two hundred thousand years ago

1109

00:49:14,750 --> 00:49:12,119

by visitors who wanted to use us as a

1110

00:49:17,569 --> 00:49:14,760

Workforce I believe there's strong

1111

00:49:19,609 --> 00:49:17,579

archaeological evidence for mining in

1112

00:49:22,550 --> 00:49:19,619

that time now that's at a time when our

1113

00:49:24,109 --> 00:49:22,560

ancestors is looked similar to us but

1114

00:49:25,970 --> 00:49:24,119

they weren't as clever as us they

1115

00:49:27,410 --> 00:49:25,980

were't clever enough to create a farm

1116

00:49:29,990 --> 00:49:27,420

but they were clever enough to work in

1117

00:49:32,870 --> 00:49:30,000

someone else's mind and then there's

1118

00:49:35,089 --> 00:49:32,880

clearly another intervention around 10

1119

00:49:38,750 --> 00:49:35,099

000 years ago I argue in escaping from

1120

00:49:40,730 --> 00:49:38,760

Eden which lifted us from that level to

1121

00:49:43,250 --> 00:49:40,740

knowing how to farm knowing how to do

1122

00:49:45,589 --> 00:49:43,260

animal husbandry and now we can have

1123

00:49:47,690 --> 00:49:45,599

surpluses specialized build cities

1124

00:49:49,250 --> 00:49:47,700

become a civilization

1125

00:49:51,589 --> 00:49:49,260

I would suggest there's another

1126
00:49:54,790 --> 00:49:51,599
intervention around sixty thousand years

1127
00:49:57,710 --> 00:49:54,800
ago that Native Americans and Aboriginal

1128
00:50:00,530 --> 00:49:57,720
Australians speak about another lesson

1129
00:50:02,390 --> 00:50:00,540
in Agronomy but on a different model to

1130
00:50:04,490 --> 00:50:02,400
the one we were provided with 10 000

1131
00:50:06,950 --> 00:50:04,500
years ago so those are just three

1132
00:50:09,349 --> 00:50:06,960
examples of interventions and those

1133
00:50:12,109 --> 00:50:09,359
stories are all embedded in the Sumerian

1134
00:50:14,569 --> 00:50:12,119
story and the codices the introductions

1135
00:50:17,569 --> 00:50:14,579
make clear that this is a library of

1136
00:50:19,849 --> 00:50:17,579
memory from the deep past that they are

1137
00:50:22,130 --> 00:50:19,859
now curating in their own cultural

1138
00:50:24,950 --> 00:50:22,140

Library

1139

00:50:27,290 --> 00:50:24,960

um uh anthropologists will tell you that

1140

00:50:29,750 --> 00:50:27,300

homo sapien sapien is about 200 000

1141

00:50:31,190 --> 00:50:29,760

years old on the far side of things they

1142

00:50:32,750 --> 00:50:31,200

don't really even push it to three

1143

00:50:36,589 --> 00:50:32,760

hundred thousand right they're kind of

1144

00:50:41,270 --> 00:50:36,599

fixed on this 200 000 number

1145

00:50:44,270 --> 00:50:41,280

um the Sumerian texts point to uh

1146

00:50:47,210 --> 00:50:44,280

genetic modification 200 000 years ago

1147

00:50:49,910 --> 00:50:47,220

now you've got the scientific cap and

1148

00:50:52,309 --> 00:50:49,920

then you've got us right the two calves

1149

00:50:56,329 --> 00:50:52,319

that are completely separated coming up

1150

00:51:01,190 --> 00:50:56,339

with the same exact number the fastest

1151

00:51:03,890 --> 00:51:01,200

it's suspicious isn't it you think

1152

00:51:06,109 --> 00:51:03,900

you know the uh the missing link that

1153

00:51:09,829 --> 00:51:06,119

the proverbial right Missing Link has

1154

00:51:11,930 --> 00:51:09,839

never been found and the changes that we

1155

00:51:14,750 --> 00:51:11,940

just if we just go with the forehead

1156

00:51:16,970 --> 00:51:14,760

right just just before it and the nose

1157

00:51:19,010 --> 00:51:16,980

forget about the skin in hair and bone

1158

00:51:21,109 --> 00:51:19,020

structure and all that okay all right

1159

00:51:23,150 --> 00:51:21,119

but if we just go with that glorious

1160

00:51:26,030 --> 00:51:23,160

forehead that we have

1161

00:51:28,130 --> 00:51:26,040

that's that's hundreds of millions of

1162

00:51:29,510 --> 00:51:28,140

years of evolution that apparently

1163

00:51:31,190 --> 00:51:29,520

happened

1164

00:51:34,430 --> 00:51:31,200

overnight

1165

00:51:39,130 --> 00:51:34,440

two hundred thousand years ago isn't it

1166

00:51:42,170 --> 00:51:39,140

is is is the Sumerian text correct

1167

00:51:44,210 --> 00:51:42,180

yes I think we you're right there is

1168

00:51:46,010 --> 00:51:44,220

that correlation of information from

1169

00:51:48,770 --> 00:51:46,020

science and from ancient texts that says

1170

00:51:51,770 --> 00:51:48,780

200 000 years ago and there's also an

1171

00:51:53,809 --> 00:51:51,780

agreement around 10 000 years ago as

1172

00:51:56,450 --> 00:51:53,819

well so that's a bit of a Smoking Gun

1173

00:51:59,870 --> 00:51:56,460

those correlations but you know the

1174

00:52:02,510 --> 00:51:59,880

whole of evolution uh as a theory has a

1175

00:52:05,630 --> 00:52:02,520

challenge in that what the fossil record

1176

00:52:08,210 --> 00:52:05,640

shows is a succession of coherent

1177

00:52:11,329 --> 00:52:08,220

functional creatures so it's not just

1178

00:52:13,910 --> 00:52:11,339

our foreign that appears like that you

1179

00:52:16,609 --> 00:52:13,920

have whole life forms that appear like

1180

00:52:19,190 --> 00:52:16,619

that and that's where we go back to the

1181

00:52:20,930 --> 00:52:19,200

intelligence in the DNA because if you

1182

00:52:23,089 --> 00:52:20,940

talk to evolutionary scientists today

1183

00:52:26,569 --> 00:52:23,099

and ask for an explanation of the

1184

00:52:29,089 --> 00:52:26,579

succession of coherent animals sometimes

1185

00:52:30,950 --> 00:52:29,099

with quite complex systems that you

1186

00:52:33,770 --> 00:52:30,960

couldn't develop in stages the whole

1187

00:52:36,829 --> 00:52:33,780

system has to be there in one full swoop

1188

00:52:39,530 --> 00:52:36,839

the answer to how that happens is well

1189

00:52:41,750 --> 00:52:39,540

there are codes that belong together to

1190

00:52:44,089 --> 00:52:41,760

produce that respiratory system or that

1191

00:52:45,589 --> 00:52:44,099

kind of skin or that kind of fish-shaped

1192

00:52:48,290 --> 00:52:45,599

tail or whatever it is you're looking

1193

00:52:51,250 --> 00:52:48,300

for and so when we hear the language of

1194

00:52:54,049 --> 00:52:51,260

groups of codes that belong together

1195

00:52:57,650 --> 00:52:54,059

it's very difficult to separate that

1196

00:53:00,470 --> 00:52:57,660

from a concept of intelligence but still

1197

00:53:02,450 --> 00:53:00,480

the effort is made to to deny that

1198

00:53:04,250 --> 00:53:02,460

there's that connection so it's not just

1199

00:53:06,650 --> 00:53:04,260

a problem with Humanity it's a problem

1200

00:53:08,329 --> 00:53:06,660

with all life on Earth but I find

1201

00:53:11,690 --> 00:53:08,339

interesting the correlations that you

1202

00:53:13,970 --> 00:53:11,700

mentioned and the narratives that if you

1203

00:53:16,609 --> 00:53:13,980

think about it the story is about us

1204

00:53:18,650 --> 00:53:16,619

being engineered as a slave species who

1205

00:53:20,690 --> 00:53:18,660

does that glorify why would you invent

1206

00:53:24,049 --> 00:53:20,700

that story it doesn't glorify us or our

1207

00:53:25,849 --> 00:53:24,059

ancestors doesn't glorify our visitors

1208

00:53:28,549 --> 00:53:25,859

what I believe when I find the

1209

00:53:30,770 --> 00:53:28,559

correlations from culture to culture is

1210

00:53:32,870 --> 00:53:30,780

that every culture around the world has

1211

00:53:35,690 --> 00:53:32,880

remembered that because it was a

1212

00:53:38,150 --> 00:53:35,700

traumatic experience and the stories

1213

00:53:40,870 --> 00:53:38,160

that overlap from culture to culture are

1214

00:53:43,490 --> 00:53:40,880

the stories of these shifts and changes

1215

00:53:45,230 --> 00:53:43,500

that were very important in human

1216

00:53:48,109 --> 00:53:45,240

development but that were quite

1217

00:53:50,270 --> 00:53:48,119

traumatic to experience and that's why

1218

00:53:53,270 --> 00:53:50,280

there's this Fusion of what we've

1219

00:53:55,730 --> 00:53:53,280

remembered and what we've forgotten and

1220

00:53:56,690 --> 00:53:55,740

why we have to piece that picture back

1221

00:54:00,230 --> 00:53:56,700

together

1222

00:54:01,790 --> 00:54:00,240

is uh do we have a few I'm so glad you

1223

00:54:04,370 --> 00:54:01,800

said that do we have a few different

1224

00:54:07,970 --> 00:54:04,380

pictures we need to piece together we

1225

00:54:10,309 --> 00:54:07,980

have the contig the contiguous Earth in

1226

00:54:12,910 --> 00:54:10,319

the Bible number one two we have

1227

00:54:17,870 --> 00:54:12,920

Atlantis three we have Sumerian attacks

1228

00:54:20,990 --> 00:54:17,880

and all suggesting uh uh an ancient

1229

00:54:24,950 --> 00:54:21,000

civilization and an ancient past that we

1230

00:54:28,849 --> 00:54:24,960

don't recognize today but also the three

1231

00:54:31,430 --> 00:54:28,859

don't necessarily fit together into one

1232

00:54:33,290 --> 00:54:31,440

story or do they is there a way to

1233

00:54:36,049 --> 00:54:33,300

stitch them together

1234

00:54:39,170 --> 00:54:36,059

people often ask me this can I give them

1235

00:54:40,790 --> 00:54:39,180

a really detailed timeline that pins

1236

00:54:43,730 --> 00:54:40,800

everything down and tries all the

1237

00:54:46,670 --> 00:54:43,740

stories together and the answer is no I

1238

00:54:49,190 --> 00:54:46,680

can't really I think what I can say is

1239

00:54:51,290 --> 00:54:49,200

the coherent picture that emerges is

1240

00:54:52,190 --> 00:54:51,300

that life on Earth is much older than we

1241

00:54:54,829 --> 00:54:52,200

thought

1242

00:54:57,410 --> 00:54:54,839

and civilization on Earth is much older

1243

00:55:00,170 --> 00:54:57,420

than we thought and interventions in our

1244

00:55:02,630 --> 00:55:00,180

development far more numerous than we

1245

00:55:04,490 --> 00:55:02,640

may have thought I think beyond that

1246

00:55:07,309 --> 00:55:04,500

it's very difficult to pin down a

1247

00:55:10,250 --> 00:55:07,319

precise timeline but it's quite enough

1248

00:55:12,049 --> 00:55:10,260

of a leap for most of us to realize that

1249

00:55:14,210 --> 00:55:12,059

homo sapiens might not be the first

1250

00:55:16,490 --> 00:55:14,220

civilization on planet Earth and that on

1251

00:55:18,890 --> 00:55:16,500

its own is frightening to a lot of

1252

00:55:22,549 --> 00:55:18,900

people and when you consider that

1253

00:55:25,130 --> 00:55:22,559

civilizations may have come and gone

1254

00:55:28,069 --> 00:55:25,140

feeling this vulnerable on our planet

1255

00:55:31,010 --> 00:55:28,079

that's a place not many people really

1256

00:55:33,589 --> 00:55:31,020

want to go but the story of life on

1257

00:55:35,210 --> 00:55:33,599

Earth is much longer and I actually find

1258

00:55:37,609 --> 00:55:35,220

that very exciting is there's so much

1259

00:55:41,809 --> 00:55:37,619

more to learn but that's exactly the

1260

00:55:43,730 --> 00:55:41,819

point and and most don't want they think

1261

00:55:46,130 --> 00:55:43,740

that this version of us

1262

00:55:49,970 --> 00:55:46,140

right now is forever

1263

00:55:52,430 --> 00:55:49,980

right and that's their comfort zone the

1264

00:55:54,770 --> 00:55:52,440

thought of what you mean we could have

1265

00:55:57,109 --> 00:55:54,780

it's possible we can only be around for

1266

00:55:59,210 --> 00:55:57,119

2 000 years that we could actually

1267

00:56:02,109 --> 00:55:59,220

have a nuclear war and end everything

1268

00:56:04,790 --> 00:56:02,119

the short answer is yes right we could

1269

00:56:08,569 --> 00:56:04,800

this all could end tomorrow

1270

00:56:10,430 --> 00:56:08,579

and this may have happened many times in

1271

00:56:11,870 --> 00:56:10,440

the past but people don't want to talk

1272

00:56:12,770 --> 00:56:11,880

about that they're not comfortable with

1273

00:56:17,510 --> 00:56:12,780

that

1274

00:56:19,490 --> 00:56:17,520

makes us feel very vulnerable but also

1275

00:56:21,530 --> 00:56:19,500

the other side of it is if you say well

1276

00:56:23,690 --> 00:56:21,540

did you know that our ancestors said

1277

00:56:25,670 --> 00:56:23,700

that we could be smarter than this that

1278

00:56:28,010 --> 00:56:25,680

we can actually switch on more of our

1279

00:56:29,510 --> 00:56:28,020

brains than this and they had protocols

1280

00:56:31,309 --> 00:56:29,520

to help us with that

1281

00:56:33,589 --> 00:56:31,319

a lot of people don't want to go there

1282

00:56:37,549 --> 00:56:33,599

because of

1283

00:56:39,230 --> 00:56:37,559

I the fear of responsibility for a far

1284

00:56:42,290 --> 00:56:39,240

bigger brain I don't know what it is are

1285

00:56:44,030 --> 00:56:42,300

we comfortable just being slaves and

1286

00:56:45,710 --> 00:56:44,040

living a conventional life and then

1287

00:56:48,290 --> 00:56:45,720

dying and then finding out after we've

1288

00:56:50,750 --> 00:56:48,300

died what was really possible I'm quite

1289

00:56:53,030 --> 00:56:50,760

completely the other way that when my

1290

00:56:55,910 --> 00:56:53,040

ancestors say our ancestors were smarter

1291

00:56:57,589 --> 00:56:55,920

and they had to dumb us down to be like

1292

00:56:59,510 --> 00:56:57,599

this they had to put things in the

1293

00:57:01,910 --> 00:56:59,520

environment to dumb us down to be like

1294

00:57:05,089 --> 00:57:01,920

this that gives me an appetite to say

1295

00:57:07,609 --> 00:57:05,099

okay how do I clean up my environment

1296

00:57:09,770 --> 00:57:07,619

how do I switch my brain on and you've

1297

00:57:11,750 --> 00:57:09,780

only got to study a few cases of

1298

00:57:14,990 --> 00:57:11,760

acquired Savant syndrome to be asking

1299

00:57:17,510 --> 00:57:15,000

the question can we be developing higher

1300

00:57:19,730 --> 00:57:17,520

cognitive powers without brain injuries

1301
00:57:22,370 --> 00:57:19,740
so on and so forth that's really where

1302
00:57:25,010 --> 00:57:22,380
I'm going that's what makes me excited I

1303
00:57:28,069 --> 00:57:25,020
I laugh because

1304
00:57:29,329 --> 00:57:28,079
the most spiritual person on planet

1305
00:57:32,510 --> 00:57:29,339
Earth

1306
00:57:37,270 --> 00:57:32,520
is the atheist physicist as the plane is

1307
00:57:45,650 --> 00:57:40,670
yes you know and it's it's it's really

1308
00:57:49,190 --> 00:57:45,660
true and and but yet there is this uh

1309
00:57:52,670 --> 00:57:49,200
this safe Zone that probably half of the

1310
00:57:55,370 --> 00:57:52,680
planet probably have is okay with that

1311
00:57:58,309 --> 00:57:55,380
there's nothing to trip out on this is

1312
00:57:59,930 --> 00:57:58,319
all there is there's nothing there's

1313
00:58:02,809 --> 00:57:59,940

nothing else

1314

00:58:04,730 --> 00:58:02,819

and that's my Pandora's Box Paul I never

1315

00:58:05,930 --> 00:58:04,740

want to have a pot I never want to be

1316

00:58:08,690 --> 00:58:05,940

that person

1317

00:58:10,910 --> 00:58:08,700

no this is why I love Play-Doh so much

1318

00:58:13,730 --> 00:58:10,920

and Plato is very well aware that we all

1319

00:58:16,370 --> 00:58:13,740

die but he felt that the great purpose

1320

00:58:18,710 --> 00:58:16,380

of life was to find out what's real find

1321

00:58:22,069 --> 00:58:18,720

out what's possible to learn what he

1322

00:58:24,049 --> 00:58:22,079

called Sophia wisdom and to have the

1323

00:58:26,870 --> 00:58:24,059

best human experience that you could

1324

00:58:29,870 --> 00:58:26,880

possibly have and in the Eden conspiracy

1325

00:58:33,109 --> 00:58:29,880

I say how about we do that collectively

1326

00:58:35,930 --> 00:58:33,119

can we have a better human experience as

1327

00:58:37,970 --> 00:58:35,940

societies as cultures and our ancestors

1328

00:58:39,710 --> 00:58:37,980

said yes we can

1329

00:58:41,990 --> 00:58:39,720

does it uh we're going to take a break

1330

00:58:45,289 --> 00:58:42,000

here in about 60 seconds uh it's not a

1331

00:58:49,549 --> 00:58:45,299

hard break but if that becomes the case

1332

00:58:53,569 --> 00:58:49,559

as as you uh so well put it

1333

00:58:57,470 --> 00:58:53,579

does that end the necessity of the

1334

00:59:00,349 --> 00:58:57,480

Vatican or or powers that need to

1335

00:59:02,589 --> 00:59:00,359

control if you take away that biggest

1336

00:59:06,230 --> 00:59:02,599

question of all

1337

00:59:07,690 --> 00:59:06,240

then they do they lose the control that

1338

00:59:11,150 --> 00:59:07,700

they need

1339

00:59:14,030 --> 00:59:11,160

yes I think religious control has often

1340

00:59:16,190 --> 00:59:14,040

been built on anxiety about this life

1341

00:59:19,130 --> 00:59:16,200

and what comes next and I think it's

1342

00:59:22,130 --> 00:59:19,140

very positive to lose that to lose that

1343

00:59:24,349 --> 00:59:22,140

anxiety and to lose that control the

1344

00:59:26,809 --> 00:59:24,359

vaticans still have a role because

1345

00:59:29,150 --> 00:59:26,819

people will always want to know how to

1346

00:59:31,370 --> 00:59:29,160

have a better Human Experience how to

1347

00:59:33,770 --> 00:59:31,380

connect with spiritual phenomena how to

1348

00:59:35,510 --> 00:59:33,780

switch on their higher cognitive

1349

00:59:37,609 --> 00:59:35,520

faculties and the vatican's got a

1350

00:59:39,829 --> 00:59:37,619

wonderful library that it can Plumb to

1351
00:59:41,750 --> 00:59:39,839
bring out some teaching on that so

1352
00:59:44,690 --> 00:59:41,760
there's always a place for Spiritual

1353
00:59:48,049 --> 00:59:44,700
teachers and the Vatican can certainly

1354
00:59:51,289 --> 00:59:48,059
do that but I think any Authority that

1355
00:59:54,170 --> 00:59:51,299
seeks to manage people control the

1356
00:59:56,030 --> 00:59:54,180
narrative control people through a

1357
00:59:58,010 --> 00:59:56,040
religion that's based on anxiety about

1358
01:00:00,530 --> 00:59:58,020
this life and what comes after I think

1359
01:00:02,089 --> 01:00:00,540
we've done that for long enough

1360
01:00:04,069 --> 01:00:02,099
all right stay right there our guest

1361
01:00:05,930 --> 01:00:04,079
tonight Paul Wallace he's live from

1362
01:00:07,789 --> 01:00:05,940
Queensland Australia we're going to take

1363
01:00:10,250 --> 01:00:07,799

a quick break this is Fade to Black stay

1364

01:00:14,329 --> 01:00:12,109

this is Jimmy Church of Fade to Black

1365

01:00:16,549 --> 01:00:14,339

please visit all of our sponsors we're

1366

01:00:18,410 --> 01:00:16,559

taking a quick break here all of the

1367

01:00:20,870 --> 01:00:18,420

links are below

1368

01:00:23,150 --> 01:00:20,880

and we'll be right back

1369

01:00:26,630 --> 01:00:23,160

this is Jimmy church and I want to

1370

01:00:28,849 --> 01:00:26,640

introduce you to lifewaves x39 Stem Cell

1371

01:00:32,030 --> 01:00:28,859

Activation batch which has totally

1372

01:00:34,930 --> 01:00:32,040

transformed my health my sleep brain and

1373

01:00:37,430 --> 01:00:34,940

my eyes I no longer need reading glasses

1374

01:00:41,089 --> 01:00:37,440

x39 is a true breakthrough in

1375

01:00:43,430 --> 01:00:41,099

regenerative science using light x-39's

1376
01:00:45,589 --> 01:00:43,440
patented age reversal Technologies

1377
01:00:47,329 --> 01:00:45,599
clinically proven to Signal the

1378
01:00:49,609 --> 01:00:47,339
activation of younger stem cells

1379
01:00:52,849 --> 01:00:49,619
accelerating the body's natural healing

1380
01:00:55,130 --> 01:00:52,859
process x39 promotes restoration and

1381
01:00:57,589 --> 01:00:55,140
Rejuvenation bringing the life-changing

1382
01:00:59,870 --> 01:00:57,599
benefits that I've experienced by

1383
01:01:03,049 --> 01:00:59,880
naturally elevating a master signaling

1384
01:01:05,750 --> 01:01:03,059
peptide in the body x39 boosts Vitality

1385
01:01:08,630 --> 01:01:05,760
health and wellness and resets 4 000

1386
01:01:11,270 --> 01:01:08,640
genes to a younger healthier State it's

1387
01:01:15,010 --> 01:01:11,280
one patch once a day and you can turn

1388
01:01:18,410 --> 01:01:15,020

back time with x-39 just go to

1389

01:01:19,210 --> 01:01:18,420

healingworksnow.com that's works with an

1390

01:01:21,829 --> 01:01:19,220

X

1391

01:01:24,410 --> 01:01:21,839

healingworks now Dot

1392

01:01:26,750 --> 01:01:24,420

hey everybody it's Billy Carson also

1393

01:01:28,250 --> 01:01:26,760

known as Forbidden Knowledge I want to

1394

01:01:31,910 --> 01:01:28,260

talk to you about a very special event

1395

01:01:34,010 --> 01:01:31,920

coming up July 30th 2023 The Forbidden

1396

01:01:35,630 --> 01:01:34,020

conscious Awards we're going to honor

1397

01:01:38,030 --> 01:01:35,640

people who have been contributing to the

1398

01:01:39,530 --> 01:01:38,040

conscious Community for decades people

1399

01:01:41,270 --> 01:01:39,540

that you know and love that have helped

1400

01:01:43,250 --> 01:01:41,280

you get to higher levels of thought and

1401
01:01:45,589 --> 01:01:43,260
Consciousness and awareness it's going

1402
01:01:46,910 --> 01:01:45,599
to be alive in-person event but seats

1403
01:01:48,650 --> 01:01:46,920
are going to sell out very fast you want

1404
01:01:50,270 --> 01:01:48,660
to make sure you're there in person and

1405
01:01:52,089 --> 01:01:50,280
guess what you can help vote for the

1406
01:01:54,109 --> 01:01:52,099
winners voting is available on

1407
01:01:55,730 --> 01:01:54,119
forbiddenknowledge.com and the

1408
01:01:58,910 --> 01:01:55,740
categories are going to be social media

1409
01:02:00,730 --> 01:01:58,920
influencer podcast slash radio host TV

1410
01:02:02,510 --> 01:02:00,740
host actor director producer

1411
01:02:04,010 --> 01:02:02,520
entrepreneurs health and wellness

1412
01:02:06,410 --> 01:02:04,020
philanthropists authors field

1413
01:02:08,210 --> 01:02:06,420

researchers archaeologists space anomaly

1414

01:02:11,030 --> 01:02:08,220

hunters and of course a Lifetime

1415

01:02:12,950 --> 01:02:11,040

Achievement Award I'll be your keynote

1416

01:02:14,870 --> 01:02:12,960

speaker that night at The Forbidden

1417

01:02:17,210 --> 01:02:14,880

conscious Awards we have celebrity

1418

01:02:18,770 --> 01:02:17,220

guests performing we'll have a halftime

1419

01:02:20,390 --> 01:02:18,780

show where we're actually going to

1420

01:02:23,030 --> 01:02:20,400

perform music for you and don't forget

1421

01:02:25,010 --> 01:02:23,040

about the pre-event mixer where if you

1422

01:02:26,930 --> 01:02:25,020

buy a box seat you'll be in the VIP

1423

01:02:29,569 --> 01:02:26,940

section and you also have private access

1424

01:02:32,750 --> 01:02:29,579

to a big IP mixer with celebrity guests

1425

01:02:34,490 --> 01:02:32,760

shake hands break bread Network and then

1426

01:02:36,349 --> 01:02:34,500

walk the red carpet with us and take

1427

01:02:37,609 --> 01:02:36,359

amazing photos it's going to be a night

1428

01:02:39,829 --> 01:02:37,619

to remember you don't want to forget

1429

01:02:41,450 --> 01:02:39,839

this make sure you hurry up and get your

1430

01:02:43,910 --> 01:02:41,460

tickets because you're selling out very

1431

01:02:45,730 --> 01:02:43,920

fast I want to see you there forbidden

1432

01:02:49,370 --> 01:02:45,740

conscious Awards 2023

1433

01:02:52,789 --> 01:02:49,380

[Music]

1434

01:02:55,609 --> 01:02:52,799

River Moon coffee makers of the Fade to

1435

01:02:57,430 --> 01:02:55,619

Black blend truly the best coffee on

1436

01:02:59,690 --> 01:02:57,440

planet Earth just visit

1437

01:03:01,549 --> 01:02:59,700

rivermoonwellness.com or or their Amazon

1438

01:03:02,990 --> 01:03:01,559

store it's all simple to do you can

1439

01:03:05,030 --> 01:03:03,000

check out the Fade to Black blend the

1440

01:03:07,730 --> 01:03:05,040

game changer Blend or any of their black

1441

01:03:11,450 --> 01:03:07,740

moon wellness products it's the only

1442

01:03:16,430 --> 01:03:11,460

coffee I drink it is the best and it's

1443

01:03:20,690 --> 01:03:19,250

all right Welcome Back Fade to Black I

1444

01:03:22,670 --> 01:03:20,700

am your host Jimmy church and tonight

1445

01:03:25,190 --> 01:03:22,680

Our Guest is Paul Wallace live from

1446

01:03:27,890 --> 01:03:25,200

Queensland Australia people want to know

1447

01:03:31,789 --> 01:03:27,900

how I got my vision back you watch this

1448

01:03:36,410 --> 01:03:31,799

show every day you watched I had glasses

1449

01:03:38,630 --> 01:03:36,420

on I couldn't see I can see it's x 39

1450

01:03:40,490 --> 01:03:38,640

you've got to do it I've got a patch

1451

01:03:41,690 --> 01:03:40,500

look look right here right here on the

1452

01:03:44,450 --> 01:03:41,700

back of my neck

1453

01:03:46,549 --> 01:03:44,460

there it is it's the patch that I wear

1454

01:03:48,710 --> 01:03:46,559

I'm putting it back putting the patch

1455

01:03:50,930 --> 01:03:48,720

back putting it back I don't want it off

1456

01:03:53,630 --> 01:03:50,940

but that's what I wear it's on the back

1457

01:03:56,690 --> 01:03:53,640

of my neck get your vision back x39 the

1458

01:03:59,510 --> 01:03:56,700

links are below our guest tonight uh

1459

01:04:02,030 --> 01:03:59,520

Paul Wallace and and Paul

1460

01:04:05,870 --> 01:04:02,040

um the great conversation and this is

1461

01:04:07,730 --> 01:04:05,880

what I I I want to turn a little bit

1462

01:04:08,569 --> 01:04:07,740

here and talk about technology in the

1463

01:04:11,569 --> 01:04:08,579

Bible

1464

01:04:14,049 --> 01:04:11,579

and the reason for that

1465

01:04:18,289 --> 01:04:14,059

is I recently just got back from Egypt

1466

01:04:21,730 --> 01:04:18,299

and I talk about Egypt all the time and

1467

01:04:27,589 --> 01:04:21,740

I'm fascinated with it but the one thing

1468

01:04:31,670 --> 01:04:27,599

is the Dogma that we are fed which has

1469

01:04:34,370 --> 01:04:31,680

become truth okay and the Dogma is this

1470

01:04:38,349 --> 01:04:34,380

that tribes

1471

01:04:42,049 --> 01:04:38,359

Stone Age man wearing animal skins

1472

01:04:43,970 --> 01:04:42,059

wandered out of the desert and then a

1473

01:04:46,789 --> 01:04:43,980

couple of weeks later

1474

01:04:50,809 --> 01:04:46,799

built a Great Pyramid that's that's the

1475

01:04:54,950 --> 01:04:50,819

Dogma that's the dogma and we are fed it

1476

01:04:58,789 --> 01:04:54,960

over and over again that we buy into it

1477

01:05:01,609 --> 01:04:58,799

and it doesn't fit and that's where high

1478

01:05:05,690 --> 01:05:01,619

technology comes into play here it

1479

01:05:09,109 --> 01:05:05,700

wasn't it it wasn't a dirt ramp in in

1480

01:05:10,849 --> 01:05:09,119

palm trees something else uh is involved

1481

01:05:14,630 --> 01:05:10,859

here I don't know what it is

1482

01:05:18,170 --> 01:05:14,640

but the Bible is helping us isn't it

1483

01:05:20,270 --> 01:05:18,180

yes it is I had exactly the same

1484

01:05:23,809 --> 01:05:20,280

experience when I went to Egypt many

1485

01:05:27,170 --> 01:05:23,819

years ago and whenever you see the

1486

01:05:29,450 --> 01:05:27,180

really interesting Advanced artifacts oh

1487

01:05:31,670 --> 01:05:29,460

that's pre-dynastic

1488

01:05:33,650 --> 01:05:31,680

uh what does that mean well it's before

1489

01:05:35,809 --> 01:05:33,660

the Egyptian history that we really know

1490

01:05:38,270 --> 01:05:35,819

about okay who were the pre-dynastic

1491

01:05:40,069 --> 01:05:38,280

Egyptians and as you say the answer is

1492

01:05:42,109 --> 01:05:40,079

well they were farmers

1493

01:05:44,809 --> 01:05:42,119

they were farmers and then all of a

1494

01:05:46,789 --> 01:05:44,819

sudden they produced technology that we

1495

01:05:48,530 --> 01:05:46,799

don't know how they made it and that we

1496

01:05:51,230 --> 01:05:48,540

could hardly replicate it and it was

1497

01:05:54,230 --> 01:05:51,240

more advanced than all the stuff that we

1498

01:05:57,470 --> 01:05:54,240

know about so there's no evolution of

1499

01:05:59,630 --> 01:05:57,480

technology that could be pointed to now

1500

01:06:02,930 --> 01:05:59,640

what's interesting about the Bible is

1501

01:06:06,109 --> 01:06:02,940

that when it gets to technology the

1502

01:06:08,450 --> 01:06:06,119

technology that's named does not belong

1503

01:06:11,809 --> 01:06:08,460

to the humans

1504

01:06:15,170 --> 01:06:11,819

it belongs to somebody else another

1505

01:06:17,030 --> 01:06:15,180

civilization and as we spoke earlier

1506

01:06:19,609 --> 01:06:17,040

it's really the stories of the sky

1507

01:06:20,690 --> 01:06:19,619

people retold are the stories of the

1508

01:06:23,870 --> 01:06:20,700

Elohim

1509

01:06:27,410 --> 01:06:23,880

technology

1510

01:06:31,250 --> 01:06:27,420

so it's the Elohim called Yahweh in

1511

01:06:34,789 --> 01:06:31,260

Exodus 33 who has that rocket and by the

1512

01:06:36,890 --> 01:06:34,799

way we were saying earlier do we have a

1513

01:06:39,529 --> 01:06:36,900

better understanding of what we're

1514

01:06:42,890 --> 01:06:39,539

looking at in the texts I would say even

1515

01:06:44,569 --> 01:06:42,900

post Elon Musk we can understand Exodus

1516

01:06:46,970 --> 01:06:44,579

33 better

1517

01:06:49,970 --> 01:06:46,980

because prior to Elon Musk and SpaceX

1518

01:06:52,190 --> 01:06:49,980

nobody could picture a Saturn V type

1519

01:06:54,170 --> 01:06:52,200

rocket Landing vertically as it's

1520

01:06:56,809 --> 01:06:54,180

described in Exodus 33 now it's been

1521

01:06:59,390 --> 01:06:56,819

done it can land on a postage stamp and

1522

01:07:01,430 --> 01:06:59,400

we can simply read and take it face

1523

01:07:03,650 --> 01:07:01,440

value what's described there so that

1524

01:07:06,529 --> 01:07:03,660

technology belongs to Yahweh in Exodus

1525

01:07:09,770 --> 01:07:06,539

33 there's other technology associated

1526
01:07:12,170 --> 01:07:09,780
with him in the Book of Ezekiel and it's

1527
01:07:14,390 --> 01:07:12,180
technology that includes

1528
01:07:16,849 --> 01:07:14,400
flying technology

1529
01:07:18,609 --> 01:07:16,859
space fairing technology that can arrive

1530
01:07:21,890 --> 01:07:18,619
through wormholes

1531
01:07:24,529 --> 01:07:21,900
Advanced Weaponry in the Book of Ezekiel

1532
01:07:26,930 --> 01:07:24,539
and then remote Communications devices

1533
01:07:29,210 --> 01:07:26,940
in the story of the Ark of the Covenant

1534
01:07:31,970 --> 01:07:29,220
and the urum and the thumb in

1535
01:07:33,950 --> 01:07:31,980
but in all these there's a sense of

1536
01:07:36,230 --> 01:07:33,960
mystery around the technology Moses

1537
01:07:38,990 --> 01:07:36,240
wants to see this technology that he's

1538
01:07:41,750 --> 01:07:39,000

never seen before Ezekiel is fascinated

1539

01:07:43,789 --> 01:07:41,760

by this fine technology he's never seen

1540

01:07:46,849 --> 01:07:43,799

before and then terrified by the

1541

01:07:48,049 --> 01:07:46,859

Weaponry that he's never seen before and

1542

01:07:50,870 --> 01:07:48,059

when we get to the communications

1543

01:07:53,569 --> 01:07:50,880

devices the narrators who write about

1544

01:07:56,150 --> 01:07:53,579

those in the Hebrew scriptures clearly

1545

01:07:58,130 --> 01:07:56,160

do not know how they work

1546

01:08:01,250 --> 01:07:58,140

and they're describing something that

1547

01:08:04,010 --> 01:08:01,260

perhaps even the priests and Prophets of

1548

01:08:05,450 --> 01:08:04,020

the time didn't know how they worked and

1549

01:08:08,150 --> 01:08:05,460

it's possible that what they'd actually

1550

01:08:10,430 --> 01:08:08,160

done with the urum and the thumb in for

1551

01:08:13,190 --> 01:08:10,440

instance was to try and recreate

1552

01:08:14,569 --> 01:08:13,200

technology they'd seen somebody else

1553

01:08:17,150 --> 01:08:14,579

using

1554

01:08:19,669 --> 01:08:17,160

and that picture of ancient technology

1555

01:08:21,169 --> 01:08:19,679

in the Bible mirrors what we find in

1556

01:08:24,229 --> 01:08:21,179

other places

1557

01:08:27,709 --> 01:08:24,239

in the popovu we have technology that's

1558

01:08:30,289 --> 01:08:27,719

being described as if it were a creature

1559

01:08:33,530 --> 01:08:30,299

or you go to

1560

01:08:35,990 --> 01:08:33,540

um the uh there's a wonderful carving in

1561

01:08:38,329 --> 01:08:36,000

the Ashland of Queen shook of the Jaguar

1562

01:08:41,749 --> 01:08:38,339

Dynasty using remote communication

1563

01:08:43,610 --> 01:08:41,759

technology but the way it's depicted it

1564

01:08:45,709 --> 01:08:43,620

looks like the Carver knows what the

1565

01:08:48,349 --> 01:08:45,719

thing is knows what it does

1566

01:08:51,530 --> 01:08:48,359

but it's an approximation of technology

1567

01:08:54,410 --> 01:08:51,540

that was seen so all this suggests to me

1568

01:08:57,470 --> 01:08:54,420

that ancient technology didn't have any

1569

01:09:00,530 --> 01:08:57,480

Evolution behind it because it came with

1570

01:09:04,430 --> 01:09:00,540

visitors it came with ETS

1571

01:09:06,249 --> 01:09:04,440

now why is it is it just because it's

1572

01:09:10,070 --> 01:09:06,259

an easy out

1573

01:09:11,689 --> 01:09:10,080

when you hear different Scholars look at

1574

01:09:14,209 --> 01:09:11,699

what you're talking about and I've seen

1575

01:09:16,570 --> 01:09:14,219

I've got carvings here on the wall by

1576

01:09:20,209 --> 01:09:16,580

the way I've got mine and and

1577

01:09:22,669 --> 01:09:20,219

uh uh Central American carvings on my

1578

01:09:26,050 --> 01:09:22,679

walls that clearly show something pretty

1579

01:09:32,390 --> 01:09:26,060

nuts but they will say it's jewelry

1580

01:09:35,269 --> 01:09:32,400

right yes yes it's ornamental it's yes

1581

01:09:38,150 --> 01:09:35,279

you think is that just their easy way

1582

01:09:42,709 --> 01:09:38,160

out without explaining it themselves

1583

01:09:45,769 --> 01:09:42,719

it's a half answer so when you go to

1584

01:09:49,550 --> 01:09:45,779

Mexico or Guatemala and you look at the

1585

01:09:52,610 --> 01:09:49,560

carvings of what the uh priest kings and

1586

01:09:56,870 --> 01:09:52,620

queens wore you and I will look and say

1587

01:10:00,350 --> 01:09:56,880

that's a space helmet that's a Bluetooth

1588

01:10:02,330 --> 01:10:00,360

and then we asked the guide how come

1589

01:10:04,070 --> 01:10:02,340

they're wearing a Bluetooth how come

1590

01:10:06,530 --> 01:10:04,080

they're wearing breathing apparatus with

1591

01:10:09,350 --> 01:10:06,540

that helmet they will say just as you

1592

01:10:11,810 --> 01:10:09,360

said oh no that is what they wore as

1593

01:10:13,550 --> 01:10:11,820

representations of their advancement and

1594

01:10:15,650 --> 01:10:13,560

Power

1595

01:10:17,630 --> 01:10:15,660

but the question is why

1596

01:10:20,510 --> 01:10:17,640

why does something that looks like

1597

01:10:22,729 --> 01:10:20,520

breathing apparatus denote advancement

1598

01:10:25,490 --> 01:10:22,739

and power why does something that looks

1599

01:10:27,770 --> 01:10:25,500

like a Bluetooth and that is used in the

1600

01:10:29,990 --> 01:10:27,780

place of the voices represent

1601

01:10:33,169 --> 01:10:30,000

advancement and power why did they

1602

01:10:35,510 --> 01:10:33,179

choose those images to show that they

1603

01:10:38,930 --> 01:10:35,520

were Advanced beings why did they wear

1604

01:10:41,450 --> 01:10:38,940

brooches that look like aircraft why

1605

01:10:44,450 --> 01:10:41,460

that symbol and that's the question that

1606

01:10:47,930 --> 01:10:44,460

isn't answered but I would say it's a

1607

01:10:50,149 --> 01:10:47,940

very democratizing age and it's very

1608

01:10:51,290 --> 01:10:50,159

right for people like you and me to go

1609

01:10:53,689 --> 01:10:51,300

and

1610

01:10:56,990 --> 01:10:53,699

allow ourselves to see what's right in

1611

01:10:59,630 --> 01:10:57,000

front of us to risk sounding dumb and

1612

01:11:01,970 --> 01:10:59,640

saying but doesn't that look like a

1613

01:11:05,270 --> 01:11:01,980

single pilot aircraft

1614

01:11:07,910 --> 01:11:05,280

doesn't that look like a Bluetooth and

1615

01:11:09,830 --> 01:11:07,920

yes it does if the explanation is these

1616

01:11:12,229 --> 01:11:09,840

are representations of power you have to

1617

01:11:13,970 --> 01:11:12,239

say why why did Queen shook in the

1618

01:11:16,130 --> 01:11:13,980

Jaguar Dynasty

1619

01:11:17,450 --> 01:11:16,140

reckon that wearing things that looked

1620

01:11:20,750 --> 01:11:17,460

like that

1621

01:11:22,850 --> 01:11:20,760

would make them look more advanced and I

1622

01:11:25,910 --> 01:11:22,860

think the answer is they were imitating

1623

01:11:28,910 --> 01:11:25,920

a previous culture who had that

1624

01:11:31,490 --> 01:11:28,920

technology knew what it was this is how

1625

01:11:34,070 --> 01:11:31,500

to make it work right they saw it and

1626

01:11:36,050 --> 01:11:34,080

it's here's the thing

1627

01:11:37,910 --> 01:11:36,060

um and and we're gonna swing it back to

1628

01:11:39,950 --> 01:11:37,920

ancient Egypt but when you look at these

1629

01:11:42,590 --> 01:11:39,960

carvings

1630

01:11:44,990 --> 01:11:42,600

um I I'm tempted to pull something off

1631

01:11:49,430 --> 01:11:45,000

of the wall I won't do that but when you

1632

01:11:50,630 --> 01:11:49,440

look and these Kings or got whatever who

1633

01:11:55,990 --> 01:11:50,640

was depicted

1634

01:11:58,790 --> 01:11:56,000

hands on levers feet on pedals right and

1635

01:12:04,390 --> 01:11:58,800

tell me what king was sitting on this

1636

01:12:11,750 --> 01:12:09,290

I know what are they depicting exactly

1637

01:12:14,630 --> 01:12:11,760

so uh you know you go for an academic

1638

01:12:17,930 --> 01:12:14,640

answer what are they depicting so you're

1639

01:12:20,630 --> 01:12:17,940

describing the sarcophagus lid of King

1640

01:12:23,810 --> 01:12:20,640

pacao from Palenque it's right here you

1641

01:12:25,790 --> 01:12:23,820

go you you go to a um

1642

01:12:27,169 --> 01:12:25,800

uh what's the word for it somebody who

1643

01:12:30,850 --> 01:12:27,179

studies symbology

1644

01:12:34,370 --> 01:12:30,860

uh go to Linda Sheila and she will say

1645

01:12:37,550 --> 01:12:34,380

he is in a device that is transporting

1646

01:12:41,689 --> 01:12:37,560

him through the Milky Way

1647

01:12:44,450 --> 01:12:41,699

as soon as Eric Von daniken repeats that

1648

01:12:47,090 --> 01:12:44,460

and says that's what it is Linda Shield

1649

01:12:48,410 --> 01:12:47,100

is suddenly really embarrassed and she

1650

01:12:50,570 --> 01:12:48,420

has to say oh I didn't mean it literally

1651

01:12:51,590 --> 01:12:50,580

uh that's what it is that's what the

1652

01:12:53,030 --> 01:12:51,600

picture is but it doesn't mean it's

1653

01:12:55,550 --> 01:12:53,040

anything real I didn't mean to say it

1654

01:12:57,470 --> 01:12:55,560

was anything real but this is the great

1655

01:13:00,410 --> 01:12:57,480

this is the role of the writer this is

1656

01:13:02,750 --> 01:13:00,420

the role I really Revel in it's saying

1657

01:13:05,030 --> 01:13:02,760

here's the data we all agree that's the

1658

01:13:08,030 --> 01:13:05,040

data that's the picture isn't it you

1659

01:13:12,050 --> 01:13:08,040

said this doesn't that mean this

1660

01:13:15,050 --> 01:13:12,060

isn't the implication of that this why

1661

01:13:17,810 --> 01:13:15,060

would people in ancient mesoamerica want

1662

01:13:20,689 --> 01:13:17,820

to depict their King traveling in a

1663

01:13:23,110 --> 01:13:20,699

craft through the Milky Way answer me

1664

01:13:26,410 --> 01:13:23,120

that and that's when the answer gets

1665

01:13:29,510 --> 01:13:26,420

vague unless we're willing to accept

1666

01:13:32,570 --> 01:13:29,520

they meant what they said they meant

1667

01:13:34,729 --> 01:13:32,580

what they drew they meant it as it is

1668

01:13:36,709 --> 01:13:34,739

and now it's our turn to Think Through

1669

01:13:39,890 --> 01:13:36,719

the implications of that

1670

01:13:42,290 --> 01:13:39,900

in in 1992

1671

01:13:44,450 --> 01:13:42,300

um there was a great debate as the

1672

01:13:46,310 --> 01:13:44,460

Sphinx started to get redated right by

1673

01:13:50,270 --> 01:13:46,320

Dr Robert shock and and John Anthony

1674

01:13:53,330 --> 01:13:50,280

West and the debate started and the

1675

01:13:55,790 --> 01:13:53,340

position of the Skeptics uh professional

1676

01:13:59,149 --> 01:13:55,800

geologists I might add

1677

01:14:03,169 --> 01:13:59,159

um was that there is no evidence of

1678

01:14:05,149 --> 01:14:03,179

anything prior to 3000 BC so show us

1679

01:14:08,209 --> 01:14:05,159

anything and then we can have a

1680

01:14:10,550 --> 01:14:08,219

discussion but until that point

1681

01:14:12,770 --> 01:14:10,560

everything stays the way it is the

1682

01:14:16,130 --> 01:14:12,780

Sphinx is staying with its dating the

1683

01:14:19,189 --> 01:14:16,140

the the Great Pyramid is and then three

1684

01:14:22,130 --> 01:14:19,199

years later go back Lee tappy and

1685

01:14:26,770 --> 01:14:22,140

Gobekli Tepe didn't predate Egypt by a

1686

01:14:30,410 --> 01:14:26,780

couple of weeks if Jesus by 7 000 years

1687

01:14:34,250 --> 01:14:30,420

yes and and in a way that I might argue

1688

01:14:36,830 --> 01:14:34,260

is as elegant or more elegant than what

1689

01:14:40,729 --> 01:14:36,840

the Egyptians were doing seven thousand

1690

01:14:42,169 --> 01:14:40,739

years later right yes but it doesn't

1691

01:14:43,910 --> 01:14:42,179

change the argument today it doesn't

1692

01:14:46,910 --> 01:14:43,920

change the Dogma

1693

01:14:49,870 --> 01:14:46,920

it should do quebecue Tepe is a

1694

01:14:53,090 --> 01:14:49,880

profoundly important find

1695

01:14:55,970 --> 01:14:53,100

for a number of reasons I mean the date

1696

01:14:59,149 --> 01:14:55,980

first of all a megalithic

1697

01:15:01,310 --> 01:14:59,159

Society produced that site and we're now

1698

01:15:04,010 --> 01:15:01,320

realizing the site at quebecue Tepe is

1699

01:15:06,130 --> 01:15:04,020

far larger than even we first imagined

1700

01:15:08,870 --> 01:15:06,140

so again you've got that question of

1701
01:15:10,729 --> 01:15:08,880
hunter-gatherer hunter-gatherers they're

1702
01:15:12,370 --> 01:15:10,739
not even farmers at that point in our

1703
01:15:14,090 --> 01:15:12,380
history by our understanding

1704
01:15:15,470 --> 01:15:14,100
hunter-gatherers have produced this

1705
01:15:18,709 --> 01:15:15,480
megalithic

1706
01:15:22,130 --> 01:15:18,719
site that doesn't fit

1707
01:15:24,770 --> 01:15:22,140
it was in 1998 that Manfred Hoin took a

1708
01:15:27,290 --> 01:15:24,780
team to another part of turkey Southeast

1709
01:15:29,870 --> 01:15:27,300
turkey to karaka Dag where they

1710
01:15:33,709 --> 01:15:29,880
identified what they strongly argued was

1711
01:15:35,750 --> 01:15:33,719
the first known Farm the first

1712
01:15:38,090 --> 01:15:35,760
where naturally occurring plants were

1713
01:15:41,270 --> 01:15:38,100

turned into cultivatable crops the first

1714

01:15:43,669 --> 01:15:41,280

occurrence of animal husbandry he took a

1715

01:15:46,310 --> 01:15:43,679

team from the University of as in Norway

1716

01:15:48,950 --> 01:15:46,320

in the max Institute in Cologne Germany

1717

01:15:51,050 --> 01:15:48,960

and they studied that and they said this

1718

01:15:52,490 --> 01:15:51,060

Great Leap Forward which is so long

1719

01:15:55,729 --> 01:15:52,500

fascinated archaeologists and

1720

01:15:58,189 --> 01:15:55,739

anthropologists happened here and it was

1721

01:16:00,229 --> 01:15:58,199

so local it may have been a single

1722

01:16:02,270 --> 01:16:00,239

family that suddenly

1723

01:16:04,550 --> 01:16:02,280

genetically modified plants and do

1724

01:16:06,470 --> 01:16:04,560

animal husbandry and then it Peppers up

1725

01:16:09,169 --> 01:16:06,480

all around the world so it was a very

1726

01:16:11,169 --> 01:16:09,179

exciting find the very first Farm the

1727

01:16:15,830 --> 01:16:11,179

beginning of civilization as we know it

1728

01:16:19,850 --> 01:16:15,840

except a few hundred miles down the road

1729

01:16:22,189 --> 01:16:19,860

has built a megalithic site tell me how

1730

01:16:26,030 --> 01:16:22,199

those go together and it strongly

1731

01:16:29,689 --> 01:16:26,040

suggests to me a pivot in human history

1732

01:16:31,850 --> 01:16:29,699

a pivot between two civilizations one

1733

01:16:35,030 --> 01:16:31,860

that is coming to the end of its time

1734

01:16:36,770 --> 01:16:35,040

and carefully Bears its remains because

1735

01:16:39,950 --> 01:16:36,780

that's what happened to go back to Tepe

1736

01:16:42,590 --> 01:16:39,960

and then there's a re-emergence

1737

01:16:45,410 --> 01:16:42,600

uh in the same country as it is today in

1738

01:16:48,590 --> 01:16:45,420

southeast turkey so one

1739

01:16:50,750 --> 01:16:48,600

culture extinct one re-emerges and the

1740

01:16:53,209 --> 01:16:50,760

timing is really suspicious because it

1741

01:16:56,090 --> 01:16:53,219

is in the recovery from the younger

1742

01:16:58,910 --> 01:16:56,100

driest cold period that that pivot is

1743

01:17:01,250 --> 01:16:58,920

happening now this I think lends

1744

01:17:03,430 --> 01:17:01,260

Credence to what Graeme Hancock talks

1745

01:17:07,010 --> 01:17:03,440

about where he talks about previous

1746

01:17:11,209 --> 01:17:07,020

civilizations and the survivors of those

1747

01:17:13,310 --> 01:17:11,219

seeding everything we know about and I I

1748

01:17:14,410 --> 01:17:13,320

applaud him for his work in highlighting

1749

01:17:19,729 --> 01:17:14,420

that

1750

01:17:22,430 --> 01:17:19,739

yes but our ancestors were also very

1751

01:17:25,610 --> 01:17:22,440

specific about what regions of space

1752

01:17:29,630 --> 01:17:25,620

many of our helpers came from and they

1753

01:17:32,750 --> 01:17:29,640

named the Pleiades Sirius and Orion and

1754

01:17:35,570 --> 01:17:32,760

they named it all around the world so

1755

01:17:38,390 --> 01:17:35,580

just as it go back to Tepe you've got

1756

01:17:41,630 --> 01:17:38,400

images and motifs that can be found all

1757

01:17:43,310 --> 01:17:41,640

around the planet that explanation of

1758

01:17:45,110 --> 01:17:43,320

the Great Leap Forward can be found all

1759

01:17:47,030 --> 01:17:45,120

around the planet as well and that's why

1760

01:17:50,630 --> 01:17:47,040

I think we really need to do business

1761

01:17:53,990 --> 01:17:50,640

with the ET aspect of the story

1762

01:17:55,610 --> 01:17:54,000

um can I throw in one other wrench

1763

01:17:56,930 --> 01:17:55,620

may I

1764

01:17:58,850 --> 01:17:56,940

you may

1765

01:18:02,149 --> 01:17:58,860

go back Lee tappy

1766

01:18:06,110 --> 01:18:02,159

the birthplace of Abraham is it the

1767

01:18:09,070 --> 01:18:06,120

biblically right right and you throw

1768

01:18:14,149 --> 01:18:09,080

that at not anywhere on the planet right

1769

01:18:17,390 --> 01:18:14,159

specifically that region right there and

1770

01:18:20,390 --> 01:18:17,400

and the the other part so I want you to

1771

01:18:22,390 --> 01:18:20,400

respond I like you oh yeah I know right

1772

01:18:27,370 --> 01:18:22,400

um but is this

1773

01:18:30,410 --> 01:18:27,380

the ability to construct Gobekli Tepe

1774

01:18:32,330 --> 01:18:30,420

requires everything that anthropologists

1775

01:18:34,910 --> 01:18:32,340

are in denial about

1776

01:18:37,370 --> 01:18:34,920

you need organization you need a

1777

01:18:39,290 --> 01:18:37,380

government you need agriculture you've

1778

01:18:40,850 --> 01:18:39,300

got a clothes you've got to feed you

1779

01:18:43,550 --> 01:18:40,860

have to have the technology you have to

1780

01:18:45,950 --> 01:18:43,560

have the knowledge of coring you have to

1781

01:18:49,970 --> 01:18:45,960

be artistic you have to be able to do

1782

01:18:55,010 --> 01:18:49,980

think in 3D in in your artwork a lot of

1783

01:18:57,830 --> 01:18:55,020

this is uh relief carving and 3D and all

1784

01:18:59,110 --> 01:18:57,840

of those things were not uh supposed to

1785

01:19:03,110 --> 01:18:59,120

exist

1786

01:19:06,050 --> 01:19:03,120

in BC and that's a whole lot of boxes to

1787

01:19:07,310 --> 01:19:06,060

check isn't it and then throwing Abraham

1788

01:19:09,770 --> 01:19:07,320

right

1789

01:19:13,070 --> 01:19:09,780

well that's a that's a great question

1790

01:19:15,470 --> 01:19:13,080

because uh caracadag is supposedly the

1791

01:19:18,590 --> 01:19:15,480

first Farm except the Great Leap Forward

1792

01:19:21,709 --> 01:19:18,600

had obviously already happened thousands

1793

01:19:24,950 --> 01:19:21,719

of years prior for Gobekli Tepe to be

1794

01:19:27,950 --> 01:19:24,960

there so you've got a series of

1795

01:19:29,689 --> 01:19:27,960

beginnings of civilization and we're

1796

01:19:32,209 --> 01:19:29,699

beginning to Echo what we said earlier

1797

01:19:34,970 --> 01:19:32,219

that's described in the Bible now

1798

01:19:37,550 --> 01:19:34,980

Abraham is certainly a story of

1799

01:19:40,189 --> 01:19:37,560

Beginnings in the Bible could where it

1800

01:19:42,350 --> 01:19:40,199

occurs in the can and as it is now it's

1801

01:19:45,890 --> 01:19:42,360

the beginning of Jewish history

1802

01:19:48,350 --> 01:19:45,900

I would suggest that embedded in the

1803

01:19:51,290 --> 01:19:48,360

story of Abraham and Sarah is an even

1804

01:19:54,110 --> 01:19:51,300

more ancient story than that

1805

01:19:58,430 --> 01:19:54,120

even more ancient than the Great Leap

1806

01:20:00,350 --> 01:19:58,440

Forward with regard to agronomy

1807

01:20:03,590 --> 01:20:00,360

if you go

1808

01:20:07,910 --> 01:20:03,600

further east to India you will hear the

1809

01:20:13,390 --> 01:20:07,920

stories of Brahma and Sarah Swati the

1810

01:20:18,530 --> 01:20:15,890

those names sound rather familiar don't

1811

01:20:21,229 --> 01:20:18,540

they Abraham Sarah

1812

01:20:23,090 --> 01:20:21,239

and Abraham is honored as the father of

1813

01:20:24,830 --> 01:20:23,100

and we usually say the father of many

1814

01:20:29,830 --> 01:20:24,840

nations

1815

01:20:32,350 --> 01:20:29,840

Bible

1816

01:20:35,750 --> 01:20:32,360

where you've got

1817

01:20:38,149 --> 01:20:35,760

Ishmael and Isaac

1818

01:20:41,149 --> 01:20:38,159

the Arabic peoples the Semitic peoples

1819

01:20:44,050 --> 01:20:41,159

but it says many nations What If Abraham

1820

01:20:46,310 --> 01:20:44,060

is the father of the many nations

1821

01:20:49,250 --> 01:20:46,320

suddenly you realize

1822

01:20:52,790 --> 01:20:49,260

it's a parallel story to Brahma

1823

01:20:55,310 --> 01:20:52,800

the father of humanity and there's a

1824

01:20:57,709 --> 01:20:55,320

clue in the Bible that it is a story of

1825

01:20:59,570 --> 01:20:57,719

human Origins not just Jewish Origins

1826

01:21:00,470 --> 01:20:59,580

that we find in Abraham and Sarah first

1827

01:21:02,270 --> 01:21:00,480

of all

1828

01:21:04,490 --> 01:21:02,280

they are a couple that's not going to

1829

01:21:07,610 --> 01:21:04,500

have children they have children after a

1830

01:21:09,890 --> 01:21:07,620

close encounter experience and two

1831

01:21:13,550 --> 01:21:09,900

generations after you've got two

1832

01:21:17,510 --> 01:21:13,560

different kinds of human being in their

1833

01:21:20,390 --> 01:21:17,520

bloodline you've got the smooth skinned

1834

01:21:22,250 --> 01:21:20,400

clever sophisticated one and then you've

1835

01:21:24,590 --> 01:21:22,260

got one who's much bigger and stronger

1836

01:21:27,110 --> 01:21:24,600

and covered in red hair

1837

01:21:29,570 --> 01:21:27,120

and the smooth skin human being has to

1838

01:21:31,970 --> 01:21:29,580

work out how to get dominance over the

1839

01:21:34,010 --> 01:21:31,980

environment well that to me sounds like

1840

01:21:36,590 --> 01:21:34,020

a story from a time when there was more

1841

01:21:39,229 --> 01:21:36,600

than one kind of hominid more than one

1842

01:21:41,270 --> 01:21:39,239

kind of human on the Earth's surface and

1843

01:21:44,209 --> 01:21:41,280

the smooth one had to work out how to

1844

01:21:45,649 --> 01:21:44,219

get dominance that's a story of human

1845

01:21:48,649 --> 01:21:45,659

Origins

1846

01:21:52,310 --> 01:21:48,659

so putting all that together Abraham

1847

01:21:54,530 --> 01:21:52,320

Sarah Brahma Saraswati two kinds of

1848

01:21:56,990 --> 01:21:54,540

humans you realize that Abraham and

1849

01:21:59,930 --> 01:21:57,000

Sarah is every bit as much a story of

1850

01:22:02,390 --> 01:21:59,940

Beginnings as the story of Adam and Eve

1851

01:22:04,910 --> 01:22:02,400

as the story of Noah and his family in

1852

01:22:08,030 --> 01:22:04,920

the repopulation and I would suggest

1853

01:22:11,570 --> 01:22:08,040

that all those stories are about the

1854

01:22:15,649 --> 01:22:11,580

reset of civilization on Earth and

1855

01:22:19,490 --> 01:22:15,659

quebecue Tepe adjacent to karaka Dag is

1856

01:22:22,250 --> 01:22:19,500

hard copy evidence of one planetary

1857

01:22:24,050 --> 01:22:22,260

reset the most recent one from about ten

1858

01:22:28,430 --> 01:22:24,060

thousand years ago and once you've seen

1859

01:22:34,149 --> 01:22:30,649

go back Lee tappy

1860

01:22:37,010 --> 01:22:34,159

um I mean at least to this point

1861

01:22:39,410 --> 01:22:37,020

be the most important Discovery in the

1862

01:22:42,050 --> 01:22:39,420

history of of humankind up until now

1863

01:22:46,610 --> 01:22:42,060

there's many more to be discovered but

1864

01:22:49,070 --> 01:22:46,620

it is certainly dramatic and yeah I'm

1865

01:22:51,950 --> 01:22:49,080

very surprised that the media and and

1866

01:22:53,810 --> 01:22:51,960

the educational system hasn't changed

1867

01:22:58,490 --> 01:22:53,820

their focus I think it's that important

1868

01:23:00,229 --> 01:22:58,500

isn't it it is it is because it does

1869

01:23:03,169 --> 01:23:00,239

more than throw a huge question mark

1870

01:23:05,510 --> 01:23:03,179

over everything we thought we knew about

1871

01:23:08,149 --> 01:23:05,520

the history of the human race and human

1872

01:23:11,030 --> 01:23:08,159

development it really does so you're

1873

01:23:12,830 --> 01:23:11,040

right archaeologically it is the most

1874

01:23:16,130 --> 01:23:12,840

important find

1875

01:23:20,450 --> 01:23:16,140

potentially alongside one other and that

1876

01:23:22,310 --> 01:23:20,460

was the find of gilgamesh's Tomb in

1877

01:23:25,610 --> 01:23:22,320

1993.

1878

01:23:27,830 --> 01:23:25,620

because there we had the opportunity to

1879

01:23:30,470 --> 01:23:27,840

scientifically test what I said earlier

1880

01:23:32,330 --> 01:23:30,480

that there's an ET aspect to the story

1881

01:23:35,750 --> 01:23:32,340

of the Great Leap Forward

1882

01:23:38,149 --> 01:23:35,760

if that was gilgamesh's tomb then we

1883

01:23:40,189 --> 01:23:38,159

could test whatever's there for any

1884

01:23:43,610 --> 01:23:40,199

evidence that it was something other

1885

01:23:47,090 --> 01:23:43,620

than a human being in that sarcophagus

1886

01:23:50,270 --> 01:23:47,100

and it was York Fassbender who made that

1887

01:23:52,130 --> 01:23:50,280

find through soil magnetization and it

1888

01:23:54,350 --> 01:23:52,140

could have been the fine not only of the

1889

01:23:57,290 --> 01:23:54,360

century but of all time to be able to

1890

01:23:59,450 --> 01:23:57,300

test that were the Sumerian Sky people

1891

01:24:01,970 --> 01:23:59,460

fact or fiction

1892

01:24:04,970 --> 01:24:01,980

and having found it and it was so

1893

01:24:08,209 --> 01:24:04,980

important that within days of going into

1894

01:24:10,250 --> 01:24:08,219

Iraq in the incursion of 1993 there was

1895

01:24:12,830 --> 01:24:10,260

a militarily protected archaeological

1896

01:24:15,110 --> 01:24:12,840

dig to retrieve that sarcophagus and

1897

01:24:17,630 --> 01:24:15,120

then silence

1898

01:24:19,070 --> 01:24:17,640

no more mention of it nothing mentioned

1899

01:24:20,870 --> 01:24:19,080

until a few years later when York

1900

01:24:22,970 --> 01:24:20,880

Fassbender says we decided not to

1901

01:24:25,130 --> 01:24:22,980

investigate any further thought it would

1902

01:24:27,410 --> 01:24:25,140

be safer to bury the site that is just

1903

01:24:29,830 --> 01:24:27,420

not logical you don't go to the effort

1904

01:24:33,110 --> 01:24:29,840

of getting a militarily guarded

1905

01:24:37,250 --> 01:24:33,120

archaeological Expedition into Iraq days

1906

01:24:40,370 --> 01:24:37,260

after invading and then change your mind

1907

01:24:42,229 --> 01:24:40,380

I think the logic says we got it we

1908

01:24:44,090 --> 01:24:42,239

tested it we didn't want to test it in

1909

01:24:46,550 --> 01:24:44,100

public in case the fines were too

1910

01:24:48,530 --> 01:24:46,560

earth-shattering if the if the result

1911

01:24:51,050 --> 01:24:48,540

was not earth-shattering we would

1912

01:24:54,410 --> 01:24:51,060

publish it but since nothing has been

1913

01:24:56,630 --> 01:24:54,420

published I think something was found I

1914

01:24:58,910 --> 01:24:56,640

think put that alongside gerberley Tepe

1915

01:25:01,490 --> 01:24:58,920

and you have really retold the whole

1916

01:25:03,290 --> 01:25:01,500

story of humanity

1917

01:25:04,669 --> 01:25:03,300

I believe

1918

01:25:07,370 --> 01:25:04,679

um and by the way we're going to circle

1919

01:25:10,490 --> 01:25:07,380

back to communication devices

1920

01:25:12,830 --> 01:25:10,500

um uh I meant to do that a while ago

1921

01:25:14,090 --> 01:25:12,840

the conversation is too fascinating it's

1922

01:25:15,709 --> 01:25:14,100

going to go where it's going to go

1923

01:25:17,709 --> 01:25:15,719

organically

1924

01:25:22,250 --> 01:25:17,719

um but but it's this

1925

01:25:25,310 --> 01:25:22,260

out of all of The evolutionary points

1926

01:25:26,990 --> 01:25:25,320

that got us here I think one of the most

1927

01:25:29,689 --> 01:25:27,000

important

1928

01:25:34,630 --> 01:25:29,699

is the domestication of wheat

1929

01:25:39,470 --> 01:25:34,640

and it is from a scientific standpoint

1930

01:25:43,209 --> 01:25:39,480

insane to think through this but we are

1931

01:25:46,209 --> 01:25:43,219

also suggesting here

1932

01:25:51,649 --> 01:25:46,219

that it was some dude

1933

01:25:53,390 --> 01:25:51,659

Barefoot in the desert instead of uh out

1934

01:25:55,910 --> 01:25:53,400

hunting and Gathering

1935

01:25:58,669 --> 01:25:55,920

and and and helping his family survive

1936

01:26:01,970 --> 01:25:58,679

his wife comes up and says hey

1937

01:26:05,830 --> 01:26:01,980

we got to feed the kids and he says I

1938

01:26:09,770 --> 01:26:05,840

got an idea here right yeah yeah

1939

01:26:12,649 --> 01:26:09,780

I've been splicing jeans

1940

01:26:13,810 --> 01:26:12,659

give me a minute I'm close I'm close

1941

01:26:16,250 --> 01:26:13,820

yeah

1942

01:26:19,550 --> 01:26:16,260

that to me

1943

01:26:23,689 --> 01:26:19,560

is something that was taught

1944

01:26:26,570 --> 01:26:23,699

right oh yes I think and with that idea

1945

01:26:29,149 --> 01:26:26,580

definitely I think it is the most

1946

01:26:32,629 --> 01:26:29,159

obvious conclusion to reach when you

1947

01:26:35,870 --> 01:26:32,639

look at what had to be done to change

1948

01:26:38,390 --> 01:26:35,880

and naturally occur in Grass into wheat

1949

01:26:41,870 --> 01:26:38,400

as we know it cultivatable wheat you

1950

01:26:44,570 --> 01:26:41,880

have to alter two genes

1951

01:26:46,370 --> 01:26:44,580

okay so that's my joke that he hadn't

1952

01:26:48,229 --> 01:26:46,380

gone out under Gathering because he was

1953

01:26:50,930 --> 01:26:48,239

splicing jeans that's what he had to do

1954

01:26:55,669 --> 01:26:50,940

he had to alter two genes just to

1955

01:26:58,430 --> 01:26:55,679

produce wheat and at karaka dag he

1956

01:27:02,330 --> 01:26:58,440

modified this dude this Barefoot dude

1957

01:27:05,390 --> 01:27:02,340

modified 11 naturally occurring plants

1958

01:27:07,970 --> 01:27:05,400

now to put that in perspective I lived

1959

01:27:09,950 --> 01:27:07,980

on the farm that belonged to William

1960

01:27:12,890 --> 01:27:09,960

Pharaoh now if you don't know the name

1961

01:27:15,470 --> 01:27:12,900

William Farah he is the guy who produced

1962

01:27:17,570 --> 01:27:15,480

Federation wheat that was the kind of

1963

01:27:20,030 --> 01:27:17,580

wheat that was able to grow in a harsh

1964

01:27:22,850 --> 01:27:20,040

climate of Australia so the Brits got

1965

01:27:24,410 --> 01:27:22,860

here took over rather than learning from

1966

01:27:27,290 --> 01:27:24,420

the Aboriginal Australians they want to

1967

01:27:29,209 --> 01:27:27,300

reinvent the wheel and find wheat that

1968

01:27:31,370 --> 01:27:29,219

they can cultivate in Australia none of

1969

01:27:34,610 --> 01:27:31,380

the European strains can do it

1970

01:27:36,890 --> 01:27:34,620

so it has to be altered it took William

1971

01:27:40,370 --> 01:27:36,900

Farah who was

1972

01:27:43,310 --> 01:27:40,380

a the son of a farmer he'd grown up in

1973

01:27:46,729 --> 01:27:43,320

farming and he had all the advantages of

1974

01:27:48,709 --> 01:27:46,739

19th century science to work out how to

1975

01:27:51,530 --> 01:27:48,719

modify wheat that was already

1976

01:27:55,550 --> 01:27:51,540

cultivable to produce Federation we

1977

01:27:57,950 --> 01:27:55,560

took him 20 years with all those

1978

01:28:01,010 --> 01:27:57,960

advantages to say I've done it to one

1979

01:28:04,189 --> 01:28:01,020

plant I've changed British wheat into

1980

01:28:07,189 --> 01:28:04,199

Federation week 20 years and yet this

1981

01:28:09,890 --> 01:28:07,199

Barefoot dude in karako diet can do that

1982

01:28:12,709 --> 01:28:09,900

11 times over in his spare time one is

1983

01:28:15,229 --> 01:28:12,719

not busy surviving it's ridiculous

1984

01:28:19,129 --> 01:28:15,239

it it blows my mind

1985

01:28:22,189 --> 01:28:19,139

and I don't the it it's kind of like a

1986

01:28:25,610 --> 01:28:22,199

case uh Paul a few willowbakum's razor

1987

01:28:28,669 --> 01:28:25,620

you know because the story that we are

1988

01:28:32,810 --> 01:28:28,679

told is complex

1989

01:28:36,110 --> 01:28:32,820

right it no it it wasn't he was just

1990

01:28:38,689 --> 01:28:36,120

taught somebody came in and showed him

1991

01:28:41,750 --> 01:28:38,699

what to do you you are not and I'm

1992

01:28:44,570 --> 01:28:41,760

serious about this literally wearing

1993

01:28:46,729 --> 01:28:44,580

animal skins wondering how you are going

1994

01:28:49,189 --> 01:28:46,739

to survive the night

1995

01:28:51,470 --> 01:28:49,199

with your family and wake up in the

1996

01:28:53,870 --> 01:28:51,480

morning alive and you're going to be

1997

01:28:56,810 --> 01:28:53,880

that person and then turn around and

1998

01:28:59,750 --> 01:28:56,820

start genetically splicing organic

1999

01:29:01,250 --> 01:28:59,760

material to domesticate

2000

01:29:03,110 --> 01:29:01,260

no

2001

01:29:05,090 --> 01:29:03,120

or take the kidney pain

2002

01:29:07,310 --> 01:29:05,100

I mean the kidney bean is poisonous if

2003

01:29:10,250 --> 01:29:07,320

you pick it up off the ground and eat it

2004

01:29:12,169 --> 01:29:10,260

so was it that same Barefoot dude who

2005

01:29:14,209 --> 01:29:12,179

having nearly poisoned his family says

2006

01:29:16,070 --> 01:29:14,219

let's eat these again but boil them for

2007

01:29:18,290 --> 01:29:16,080

12 minutes first

2008

01:29:20,750 --> 01:29:18,300

I mean you don't get there through

2009

01:29:23,149 --> 01:29:20,760

guesswork you have to be helped and the

2010

01:29:26,689 --> 01:29:23,159

fact is our ancestors all around the

2011

01:29:29,990 --> 01:29:26,699

world say we had help they just say it

2012

01:29:32,090 --> 01:29:30,000

like it is our ancestors were visited

2013

01:29:34,189 --> 01:29:32,100

the Aboriginal Australians in the

2014

01:29:38,209 --> 01:29:34,199

Northern Territory the yongu people will

2015

01:29:39,850 --> 01:29:38,219

say the Mimi people taught us how to

2016

01:29:42,470 --> 01:29:39,860

farm and how to live off the land

2017

01:29:44,930 --> 01:29:42,480

Cherokee people will say people came

2018

01:29:46,149 --> 01:29:44,940

from the Pleiades who taught us these

2019

01:29:48,950 --> 01:29:46,159

things

2020

01:29:52,010 --> 01:29:48,960

Ashura from the Pleiades in the Bible

2021

01:29:53,629 --> 01:29:52,020

taught our ancestors these things and

2022

01:29:55,669 --> 01:29:53,639

that is

2023

01:29:57,890 --> 01:29:55,679

an explanation that makes sense we don't

2024

01:30:01,070 --> 01:29:57,900

have an explanation outside of what our

2025

01:30:03,169 --> 01:30:01,080

ancestors said and do we really have a

2026

01:30:05,209 --> 01:30:03,179

reason to question it why would they

2027

01:30:06,410 --> 01:30:05,219

invent that story it doesn't glorify

2028

01:30:09,890 --> 01:30:06,420

them

2029

01:30:12,410 --> 01:30:09,900

it's well it's the same thing with uh uh

2030

01:30:15,290 --> 01:30:12,420

uh our chromosome count

2031

01:30:18,530 --> 01:30:15,300

and chromosome pairs and and how Homo

2032

01:30:20,629 --> 01:30:18,540

sapiens are Homo sapiens and and what's

2033

01:30:23,270 --> 01:30:20,639

up there was so much information in two

2034

01:30:26,030 --> 01:30:23,280

pairs of chromosomes but we're missing

2035

01:30:28,370 --> 01:30:26,040

those two but primates have it

2036

01:30:31,189 --> 01:30:28,380

so why aren't they the ones developing

2037

01:30:34,129 --> 01:30:31,199

the internet and nuclear weapons

2038

01:30:36,470 --> 01:30:34,139

right yes that's right and it is such a

2039

01:30:41,270 --> 01:30:36,480

precise alteration

2040

01:30:43,430 --> 01:30:41,280

uh that raises huge questions so I think

2041

01:30:45,770 --> 01:30:43,440

I don't understand this because surely

2042

01:30:48,229 --> 01:30:45,780

academics make their living by asking

2043

01:30:50,090 --> 01:30:48,239

big questions and then writing books and

2044

01:30:51,709 --> 01:30:50,100

papers to answer them wouldn't it be

2045

01:30:55,189 --> 01:30:51,719

interesting to have some bigger

2046

01:30:59,270 --> 01:30:55,199

questions on the table once again

2047

01:31:02,030 --> 01:30:59,280

but that's it and and I I think that

2048

01:31:04,490 --> 01:31:02,040

I think that history

2049

01:31:07,550 --> 01:31:04,500

far history in the future is going to

2050

01:31:09,250 --> 01:31:07,560

prove us to be to be on the right side

2051

01:31:12,290 --> 01:31:09,260

of the fence here

2052

01:31:14,629 --> 01:31:12,300

and I'm not here to embarrass people or

2053

01:31:17,209 --> 01:31:14,639

anything I'm just trying to get to the

2054

01:31:19,189 --> 01:31:17,219

answers to these these questions and

2055

01:31:21,590 --> 01:31:19,199

what I have been taught just doesn't

2056

01:31:23,810 --> 01:31:21,600

make any sense and that's all that I'm

2057

01:31:27,470 --> 01:31:23,820

saying there's when we look at the

2058

01:31:29,689 --> 01:31:27,480

Sumerian text and it clearly states the

2059

01:31:32,209 --> 01:31:29,699

answers to everything that we have been

2060

01:31:34,970 --> 01:31:32,219

very perplexed about it's like the

2061

01:31:37,790 --> 01:31:34,980

Occam's razor thing maybe the simplest

2062

01:31:41,350 --> 01:31:37,800

answer here is the right one why make

2063

01:31:45,290 --> 01:31:41,360

this so complex or say that you don't

2064

01:31:48,229 --> 01:31:45,300

or if all you did was take the overlap a

2065

01:31:51,470 --> 01:31:48,239

story from ancient Sumeria and Guatemala

2066

01:31:54,830 --> 01:31:51,480

and Mexico and Nigeria and the Zulu

2067

01:31:57,050 --> 01:31:54,840

people and ancient Greece and the north

2068

01:31:59,270 --> 01:31:57,060

stories and The Vedic store if all you

2069

01:32:01,669 --> 01:31:59,280

took was the overlap you would have a

2070

01:32:03,590 --> 01:32:01,679

coherent picture about who we are and

2071

01:32:09,470 --> 01:32:03,600

where we came from

2072

01:32:16,370 --> 01:32:12,470

back at like the story of Noah and he

2073

01:32:19,790 --> 01:32:16,380

brought this up earlier if you what uh

2074

01:32:21,950 --> 01:32:19,800

uh oh it was called Noah right the movie

2075

01:32:24,590 --> 01:32:21,960

that came out like 10 years ago that's

2076

01:32:27,370 --> 01:32:24,600

right with Russell Crowe yeah right yeah

2077

01:32:30,070 --> 01:32:27,380

that's it that's why I didn't remember

2078

01:32:34,610 --> 01:32:30,080

oh man is

2079

01:32:36,830 --> 01:32:34,620

that uh on being kind I'm being kind uh

2080

01:32:39,830 --> 01:32:36,840

is is that

2081

01:32:42,470 --> 01:32:39,840

they took Special Care

2082

01:32:44,090 --> 01:32:42,480

to respect the Bible in the writing of

2083

01:32:46,430 --> 01:32:44,100

that screenplay

2084

01:32:47,870 --> 01:32:46,440

you take the Bible out and you're

2085

01:32:50,090 --> 01:32:47,880

watching

2086

01:32:52,129 --> 01:32:50,100

E.T contact

2087

01:32:54,470 --> 01:32:52,139

that's what the Watchers that's exactly

2088

01:32:57,530 --> 01:32:54,480

what's being depicted in that in in that

2089

01:33:01,850 --> 01:32:57,540

movie although they were trying to

2090

01:33:03,950 --> 01:33:01,860

respect the the Bible as it sat it was a

2091

01:33:09,649 --> 01:33:03,960

very interesting picture to watch there

2092

01:33:12,470 --> 01:33:09,659

was a huge ET contact uh storyline there

2093

01:33:14,330 --> 01:33:12,480

yes there was and it would be very

2094

01:33:16,490 --> 01:33:14,340

interesting for anyone who knew the

2095

01:33:19,189 --> 01:33:16,500

Sumerian stories to watch the Russell

2096

01:33:20,990 --> 01:33:19,199

Crowe knower as well because there is an

2097

01:33:24,290 --> 01:33:21,000

acknowledgment in the Sumerian telling

2098

01:33:28,430 --> 01:33:24,300

of the Noah story of contact experiences

2099

01:33:29,330 --> 01:33:28,440

being part of what happened and why it

2100

01:33:32,330 --> 01:33:29,340

happened

2101

01:33:34,310 --> 01:33:32,340

uh so it's it's even more interesting to

2102

01:33:37,490 --> 01:33:34,320

re-watch that when you've read the

2103

01:33:39,350 --> 01:33:37,500

Sumerian texts now can we go back to uh

2104

01:33:41,810 --> 01:33:39,360

you mentioned uh communication devices

2105

01:33:43,669 --> 01:33:41,820

uh what specific uh story in the Bible

2106

01:33:46,370 --> 01:33:43,679

talks about this

2107

01:33:50,649 --> 01:33:46,380

so the Ark of the Covenant is this

2108

01:33:54,709 --> 01:33:50,659

fascinating piece that is constructed

2109

01:33:57,050 --> 01:33:54,719

for the leaders of the tribes of Israel

2110

01:33:58,669 --> 01:33:57,060

to

2111

01:34:02,750 --> 01:33:58,679

perform things that look like

2112

01:34:05,450 --> 01:34:02,760

technological feats so the ark seems to

2113

01:34:08,209 --> 01:34:05,460

be able to generate a vortices of wind

2114

01:34:12,950 --> 01:34:08,219

for instance which is interesting on its

2115

01:34:15,470 --> 01:34:12,960

own it's the vested object of um

2116

01:34:17,930 --> 01:34:15,480

of Israelite society which means it

2117

01:34:20,149 --> 01:34:17,940

represents the authority to govern and

2118

01:34:24,950 --> 01:34:20,159

that hints that it belonging to the

2119

01:34:26,570 --> 01:34:24,960

powers that governed before but Moses is

2120

01:34:29,390 --> 01:34:26,580

told that

2121

01:34:32,390 --> 01:34:29,400

when this device has been constructed

2122

01:34:35,570 --> 01:34:32,400

according to precise instructions when

2123

01:34:40,550 --> 01:34:35,580

he is seated near it that is when he

2124

01:34:44,330 --> 01:34:40,560

will get communication from Yahweh

2125

01:34:48,590 --> 01:34:44,340

and that therefore what the leader says

2126
01:34:50,990 --> 01:34:48,600
when he's sat adjacent to the ark has to

2127
01:34:52,310 --> 01:34:51,000
be believed implicitly and obeyed

2128
01:34:54,770 --> 01:34:52,320
implicitly

2129
01:34:56,750 --> 01:34:54,780
and it runs in parallel with other

2130
01:35:00,050 --> 01:34:56,760
vested object stories from around the

2131
01:35:01,910 --> 01:35:00,060
world so you can go to well I mean queen

2132
01:35:03,649 --> 01:35:01,920
shook is another example when she's in

2133
01:35:05,990 --> 01:35:03,659
the place of the voices wearing that

2134
01:35:08,030 --> 01:35:06,000
thing that looks like a Bluetooth she's

2135
01:35:10,370 --> 01:35:08,040
getting communication from The Feathered

2136
01:35:12,470 --> 01:35:10,380
serpents and therefore what she says

2137
01:35:14,689 --> 01:35:12,480
must be believed and must be obeyed so

2138
01:35:17,330 --> 01:35:14,699

you've got that parallel there or you

2139

01:35:19,850 --> 01:35:17,340

can go to the country of my father's on

2140

01:35:22,610 --> 01:35:19,860

my father's side Ghana you've only got

2141

01:35:24,830 --> 01:35:22,620

the right to govern over the Ashanti

2142

01:35:27,530 --> 01:35:24,840

people if you're Seated on this

2143

01:35:30,169 --> 01:35:27,540

particular device called The Golden

2144

01:35:31,129 --> 01:35:30,179

Throne very similar to the Ark of the

2145

01:35:34,370 --> 01:35:31,139

Covenant

2146

01:35:37,370 --> 01:35:34,380

and what's Curious is that all these

2147

01:35:39,830 --> 01:35:37,380

stories associate the power to speak

2148

01:35:42,410 --> 01:35:39,840

authoritatively and to govern

2149

01:35:44,270 --> 01:35:42,420

with an intelligence that's absent

2150

01:35:47,149 --> 01:35:44,280

that's in some other place some other

2151
01:35:49,370 --> 01:35:47,159
dimension so The Feathered serpents uh

2152
01:35:51,649 --> 01:35:49,380
who knows where but Queen shook's

2153
01:35:53,810 --> 01:35:51,659
getting communication

2154
01:35:55,430 --> 01:35:53,820
Yahweh is who knows where but when

2155
01:35:57,709 --> 01:35:55,440
you're seated by the Ark of the Covenant

2156
01:36:00,350 --> 01:35:57,719
you get in communication and you can

2157
01:36:04,550 --> 01:36:00,360
reign in his name and we've got a little

2158
01:36:08,030 --> 01:36:04,560
echo of that going on in 2023 King

2159
01:36:11,930 --> 01:36:08,040
Charles III is going to be crowned

2160
01:36:14,750 --> 01:36:11,940
seated above the stone of Destiny the

2161
01:36:17,149 --> 01:36:14,760
stone of scone or scone

2162
01:36:20,570 --> 01:36:17,159
now it's used for the crowning of

2163
01:36:22,189 --> 01:36:20,580

English kings and queens because it

2164

01:36:23,990 --> 01:36:22,199

gives them the authority to govern over

2165

01:36:25,970 --> 01:36:24,000

Scotland because it's their vested

2166

01:36:27,950 --> 01:36:25,980

object it was used for the coronation of

2167

01:36:29,390 --> 01:36:27,960

Scottish Kings and then before then it

2168

01:36:31,669 --> 01:36:29,400

was in Ireland and it was used for the

2169

01:36:32,750 --> 01:36:31,679

coronation of Irish Kings and before it

2170

01:36:35,270 --> 01:36:32,760

was in Ireland

2171

01:36:39,649 --> 01:36:35,280

it was in the Middle East and The Story

2172

01:36:43,250 --> 01:36:39,659

Goes it was part of the standing stones

2173

01:36:45,470 --> 01:36:43,260

that Jacob built at the place where he

2174

01:36:48,050 --> 01:36:45,480

experienced Close Encounters

2175

01:36:50,870 --> 01:36:48,060

so this is a bizarre story

2176
01:36:53,870 --> 01:36:50,880
King Charles is basing his authority to

2177
01:36:56,510 --> 01:36:53,880
rule over Scotland because he's got an

2178
01:36:59,270 --> 01:36:56,520
object that comes from a place that

2179
01:37:01,189 --> 01:36:59,280
experienced close encounters with beings

2180
01:37:03,290 --> 01:37:01,199
from outer space coming down from space

2181
01:37:05,629 --> 01:37:03,300
going back up into space

2182
01:37:07,370 --> 01:37:05,639
Jacob builds the standing stones and now

2183
01:37:10,129 --> 01:37:07,380
we've got a bit of it

2184
01:37:12,229 --> 01:37:10,139
so why is a sovereign in the 21st

2185
01:37:16,010 --> 01:37:12,239
century again associating his authority

2186
01:37:17,530 --> 01:37:16,020
to rule with an ET based story

2187
01:37:23,090 --> 01:37:17,540
because

2188
01:37:25,250 --> 01:37:23,100

experience of governance goes back to

2189

01:37:28,550 --> 01:37:25,260

that time when we were governed by the

2190

01:37:31,129 --> 01:37:28,560

ETS who met Jacob in Bethel so on and so

2191

01:37:33,950 --> 01:37:31,139

forth or the ETS who use the Bluetooths

2192

01:37:35,930 --> 01:37:33,960

in Guatemala or the ETS who crafted the

2193

01:37:40,149 --> 01:37:35,940

original Ark of the Covenant in the

2194

01:37:43,610 --> 01:37:40,159

Levant it's part of the same pattern

2195

01:37:46,550 --> 01:37:43,620

uh like I said because it's true

2196

01:37:50,810 --> 01:37:46,560

because it's true yeah there was I I I

2197

01:37:54,649 --> 01:37:50,820

try to uh I try to keep religion out of

2198

01:37:58,010 --> 01:37:54,659

my show and politics uh you can't avoid

2199

01:37:59,689 --> 01:37:58,020

but it's the conspiracy of religion that

2200

01:38:01,970 --> 01:37:59,699

I will talk about all day long and

2201

01:38:05,590 --> 01:38:01,980

that's what not conspiracy in a criminal

2202

01:38:10,910 --> 01:38:05,600

sense well kind of but in in this case

2203

01:38:14,149 --> 01:38:10,920

where we cannot uh ignore the facts here

2204

01:38:17,689 --> 01:38:14,159

right and and if we follow the chain of

2205

01:38:20,330 --> 01:38:17,699

custody of that stone uh all the way

2206

01:38:24,470 --> 01:38:20,340

back it goes back to the Middle East it

2207

01:38:26,090 --> 01:38:24,480

doesn't come from The Plains of uh you

2208

01:38:28,910 --> 01:38:26,100

know it doesn't come from Salisbury Hill

2209

01:38:32,510 --> 01:38:28,920

right it doesn't come from Ferry it

2210

01:38:35,570 --> 01:38:32,520

comes from the Middle East and from an

2211

01:38:38,090 --> 01:38:35,580

origin story that evolves

2212

01:38:40,310 --> 01:38:38,100

something not of this Earth I don't want

2213

01:38:42,470 --> 01:38:40,320

to say but it could be anything but but

2214

01:38:43,490 --> 01:38:42,480

that's but that's that's the chain of

2215

01:38:44,930 --> 01:38:43,500

custody

2216

01:38:48,830 --> 01:38:44,940

yes

2217

01:38:50,450 --> 01:38:48,840

and you know even if that weren't true

2218

01:38:52,250 --> 01:38:50,460

even if it were found at the stoner

2219

01:38:55,669 --> 01:38:52,260

scone really did come from Salisbury and

2220

01:38:57,530 --> 01:38:55,679

the whole story was made up why does The

2221

01:39:01,129 --> 01:38:57,540

Sovereign in the 21st century want to

2222

01:39:03,709 --> 01:39:01,139

root his authority in an ET narrative

2223

01:39:05,209 --> 01:39:03,719

and it is because of this pattern and I

2224

01:39:07,370 --> 01:39:05,219

think it's because of our cultural

2225

01:39:10,070 --> 01:39:07,380

memory that originally we were governed

2226

01:39:12,709 --> 01:39:10,080

by beings not of this Earth who then

2227

01:39:14,450 --> 01:39:12,719

handed over authority to human successes

2228

01:39:17,270 --> 01:39:14,460

that's the story of Gilgamesh the

2229

01:39:20,209 --> 01:39:17,280

crossover King it's the story told by

2230

01:39:22,010 --> 01:39:20,219

the Nigerian people the ethic people who

2231

01:39:22,790 --> 01:39:22,020

talk about the

2232

01:39:25,610 --> 01:39:22,800

um

2233

01:39:28,370 --> 01:39:25,620

the ojisu the original rulers from the

2234

01:39:30,830 --> 01:39:28,380

heaven who then handed authority over to

2235

01:39:32,750 --> 01:39:30,840

the O Bar you can find that story

2236

01:39:35,390 --> 01:39:32,760

repeating in The Vedic stories an

2237

01:39:39,189 --> 01:39:35,400

Egyptian story it's a universal story

2238

01:39:41,870 --> 01:39:39,199

authority to rule comes from off planet

2239

01:39:43,490 --> 01:39:41,880

and the human position holders well

2240

01:39:45,709 --> 01:39:43,500

they're just human position holders

2241

01:39:48,770 --> 01:39:45,719

that's the big picture and it's there in

2242

01:39:50,750 --> 01:39:48,780

the Bible too now you're all upset the

2243

01:39:53,570 --> 01:39:50,760

other half of the audience that I

2244

01:39:55,490 --> 01:39:53,580

haven't upset yet tonight which is and

2245

01:40:01,330 --> 01:39:55,500

then you have the pilgrimage Jamaica

2246

01:40:04,189 --> 01:40:01,340

right and to to get to a piece of Rock

2247

01:40:07,850 --> 01:40:04,199

that it came from off planet

2248

01:40:10,550 --> 01:40:07,860

that that's that's that's crazy I mean

2249

01:40:14,050 --> 01:40:10,560

that's it when you and you read the the

2250

01:40:17,050 --> 01:40:14,060

the chain of custody story behind that

2251

01:40:20,990 --> 01:40:17,060

and you see what it looks like

2252

01:40:23,390 --> 01:40:21,000

uh it it very much mirrors what's about

2253

01:40:27,590 --> 01:40:23,400

to happen at the coronation

2254

01:40:29,030 --> 01:40:27,600

yes it does what I find in the Bible is

2255

01:40:31,490 --> 01:40:29,040

really interesting and this is in my new

2256

01:40:35,689 --> 01:40:31,500

book the Eden conspiracy is that there

2257

01:40:38,149 --> 01:40:35,699

was a time the 8th Century BCE when the

2258

01:40:39,830 --> 01:40:38,159

Kings wanted to get rid of all those

2259

01:40:41,770 --> 01:40:39,840

objects and all those places of

2260

01:40:44,450 --> 01:40:41,780

pilgrimage because there were so many

2261

01:40:47,209 --> 01:40:44,460

throughout the Levant there were so many

2262

01:40:49,310 --> 01:40:47,219

Standing Stones marking places of

2263

01:40:51,709 --> 01:40:49,320

contact there were so many carvings

2264

01:40:53,750 --> 01:40:51,719

representing the beings who came in the

2265

01:40:55,669 --> 01:40:53,760

past and they wanted to pair all that

2266

01:40:57,649 --> 01:40:55,679

down get rid of that except the

2267

01:40:59,870 --> 01:40:57,659

information is still there in the text

2268

01:41:02,750 --> 01:40:59,880

of the Bible saying this was the pattern

2269

01:41:04,550 --> 01:41:02,760

this was our cultural memory and that's

2270

01:41:06,590 --> 01:41:04,560

why I think the Bible is such an

2271

01:41:10,189 --> 01:41:06,600

important document I think it's one of

2272

01:41:13,669 --> 01:41:10,199

the most detailed depictions of paleo

2273

01:41:15,649 --> 01:41:13,679

contact in our written record which is

2274

01:41:18,010 --> 01:41:15,659

why I keep going back to it in my books

2275

01:41:21,350 --> 01:41:18,020

and saying look at this

2276

01:41:22,970 --> 01:41:21,360

exactly now okay can we talk about the

2277

01:41:26,149 --> 01:41:22,980

prime directive

2278

01:41:28,850 --> 01:41:26,159

there's a reason why

2279

01:41:29,870 --> 01:41:28,860

um I'm gonna tie Star Trek into to all

2280

01:41:34,010 --> 01:41:29,880

of this

2281

01:41:36,890 --> 01:41:34,020

and it's this Paul the prime directive

2282

01:41:40,850 --> 01:41:36,900

um if you and I went out on a Starship

2283

01:41:43,490 --> 01:41:40,860

and and we found uh cavemen you know a

2284

01:41:46,609 --> 01:41:43,500

civil you know the startings of

2285

01:41:48,649 --> 01:41:46,619

something intelligent are we and and

2286

01:41:50,570 --> 01:41:48,659

they're still trying to

2287

01:41:52,910 --> 01:41:50,580

you know rub two stones together and

2288

01:41:54,590 --> 01:41:52,920

start a fire are you and I gonna toss

2289

01:41:56,930 --> 01:41:54,600

him a Bic lighter

2290

01:41:59,229 --> 01:41:56,940

right and go dude it's much easier than

2291

01:42:02,689 --> 01:41:59,239

that here check this out

2292

01:42:04,770 --> 01:42:02,699

well if we if we wanted to be worshiped

2293

01:42:06,609 --> 01:42:04,780

as Gods we might do that

2294

01:42:09,229 --> 01:42:06,619

[Music]

2295

01:42:12,709 --> 01:42:09,239

that's a really good point right

2296

01:42:14,810 --> 01:42:12,719

I can make fire yeah they're God their

2297

01:42:17,450 --> 01:42:14,820

God would have glasses

2298

01:42:21,350 --> 01:42:17,460

um so so

2299

01:42:23,510 --> 01:42:21,360

um with et's contact with us which

2300

01:42:25,370 --> 01:42:23,520

apparently has been going on for

2301

01:42:27,290 --> 01:42:25,380

probably as long as Earth has been

2302

01:42:29,109 --> 01:42:27,300

around

2303

01:42:32,629 --> 01:42:29,119

um what's the intention of that contact

2304

01:42:35,090 --> 01:42:32,639

because it seems like there has been

2305

01:42:36,950 --> 01:42:35,100

help a lot of it we just talked about

2306

01:42:40,750 --> 01:42:36,960

the domestication of wheat for example

2307

01:42:44,330 --> 01:42:40,760

but crime directive come into play

2308

01:42:46,070 --> 01:42:44,340

uh uh what What's the real mission of

2309

01:42:48,050 --> 01:42:46,080

E.T then

2310

01:42:51,890 --> 01:42:48,060

that's a great question

2311

01:42:53,330 --> 01:42:51,900

it was Christmas 2020 just before when

2312

01:42:55,370 --> 01:42:53,340

hey mashed

2313

01:42:57,649 --> 01:42:55,380

step forward and met the Press he was

2314

01:43:00,950 --> 01:42:57,659

the Brigadier General who for 27 years

2315

01:43:03,530 --> 01:43:00,960

was Israel's chief of space security

2316

01:43:05,149 --> 01:43:03,540

uh so it was his job to know about these

2317

01:43:06,649 --> 01:43:05,159

things and he said on the basis of his

2318

01:43:09,890 --> 01:43:06,659

knowledge his understanding is that

2319

01:43:14,030 --> 01:43:09,900

we've been in contact with a Galactic

2320

01:43:15,649 --> 01:43:14,040

Federation for a long time at a covert

2321

01:43:18,950 --> 01:43:15,659

government level

2322

01:43:21,109 --> 01:43:18,960

but it has chosen not to self-disclose

2323

01:43:23,930 --> 01:43:21,119

until you and I have a better

2324

01:43:26,209 --> 01:43:23,940

understanding of what space is and what

2325

01:43:28,729 --> 01:43:26,219

spaceships are that was his phrase very

2326

01:43:32,390 --> 01:43:28,739

intriguing phrase now when he said that

2327

01:43:34,070 --> 01:43:32,400

I am just um disappointed that the

2328

01:43:35,810 --> 01:43:34,080

world's press didn't take a lot more

2329

01:43:37,990 --> 01:43:35,820

notice of that because it was a very

2330

01:43:40,970 --> 01:43:38,000

credible person coming out with a story

2331

01:43:43,129 --> 01:43:40,980

and not a new story the stories there in

2332

01:43:45,709 --> 01:43:43,139

the Bible in the Sumerian in The Vedic

2333

01:43:48,350 --> 01:43:45,719

in the Nordic stories so on and so forth

2334

01:43:50,629 --> 01:43:48,360

chosen not to self-disclose I think

2335

01:43:53,930 --> 01:43:50,639

that's true so we can get very

2336

01:43:55,729 --> 01:43:53,940

frustrated with the US government for

2337

01:43:58,070 --> 01:43:55,739

instance in having so much classified

2338

01:43:59,990 --> 01:43:58,080

information that it won't disclose or

2339

01:44:02,689 --> 01:44:00,000

the Vatican has so much classified it

2340

01:44:05,149 --> 01:44:02,699

won't disclose but I believe that policy

2341

01:44:08,390 --> 01:44:05,159

of non-disclosure has not been set at

2342

01:44:11,689 --> 01:44:08,400

the human level it's been set up here

2343

01:44:13,729 --> 01:44:11,699

why what's the agenda well the fact that

2344

01:44:16,910 --> 01:44:13,739

it's a federation reminds us that it's a

2345

01:44:19,669 --> 01:44:16,920

plurality of demographics who are

2346

01:44:21,290 --> 01:44:19,679

interested in Project Earth and the

2347

01:44:25,010 --> 01:44:21,300

Bible says the same there was a whole

2348

01:44:28,910 --> 01:44:25,020

range of beings who came in the past

2349

01:44:31,550 --> 01:44:28,920

some to help some to nurture but others

2350

01:44:34,250 --> 01:44:31,560

to exploit and to colonize there was a

2351

01:44:37,070 --> 01:44:34,260

whole spectrum of experiences of paleo

2352

01:44:39,050 --> 01:44:37,080

contact and unfortunately it's the

2353

01:44:42,229 --> 01:44:39,060

positive kind that's kind of got

2354

01:44:44,570 --> 01:44:42,239

forgotten and we remember the traumatic

2355

01:44:46,550 --> 01:44:44,580

stories and you know often when you say

2356

01:44:49,010 --> 01:44:46,560

the word aliens people will immediately

2357

01:44:50,810 --> 01:44:49,020

think Mars Attacks Invasion of the Body

2358

01:44:54,709 --> 01:44:50,820

snatches Independence Day they won't

2359

01:44:56,450 --> 01:44:54,719

think uh to uh tuition in Agronomy you

2360

01:44:58,370 --> 01:44:56,460

know helping us to build better Farms or

2361

01:45:00,649 --> 01:44:58,380

live more sustainably but that's all

2362

01:45:02,629 --> 01:45:00,659

part of the spectrum then you've got you

2363

01:45:05,990 --> 01:45:02,639

mentioned Genesis 6 earlier in our

2364

01:45:08,090 --> 01:45:06,000

conversation stories of hybridization

2365

01:45:10,129 --> 01:45:08,100

so there's a whole spectrum of agendas

2366

01:45:12,229 --> 01:45:10,139

some are here to help because they love

2367

01:45:14,209 --> 01:45:12,239

human beings and they want to nurture

2368

01:45:17,209 --> 01:45:14,219

human civilization

2369

01:45:19,250 --> 01:45:17,219

some are here because they like humans

2370

01:45:20,570 --> 01:45:19,260

and they want more of what we've got in

2371

01:45:23,330 --> 01:45:20,580

their gene pool so there's the

2372

01:45:25,070 --> 01:45:23,340

hybridization program we hear of it in

2373

01:45:26,990 --> 01:45:25,080

Genesis 6 we hear of it in the Book of

2374

01:45:29,689 --> 01:45:27,000

Enoch and in other narratives around the

2375

01:45:32,330 --> 01:45:29,699

world and then we've got others here for

2376

01:45:34,070 --> 01:45:32,340

exploitation those who used our

2377

01:45:35,990 --> 01:45:34,080

ancestors in the Minds two hundred

2378

01:45:38,330 --> 01:45:36,000

thousand years ago for instance

2379

01:45:40,030 --> 01:45:38,340

the reason there's a federation is

2380

01:45:42,890 --> 01:45:40,040

because there is

2381

01:45:45,470 --> 01:45:42,900

disharmony and conflict and a variety of

2382

01:45:49,669 --> 01:45:45,480

agendas and they are sitting in some

2383

01:45:51,830 --> 01:45:49,679

kind of an uneasy agreement or truce

2384

01:45:54,590 --> 01:45:51,840

only there's a bit of leakage

2385

01:45:57,050 --> 01:45:54,600

we say uh prime directive but people

2386

01:46:00,169 --> 01:45:57,060

having contact experiences all the time

2387

01:46:02,570 --> 01:46:00,179

and we always have so that suggests to

2388

01:46:05,990 --> 01:46:02,580

me that the agreement of non-disclosure

2389

01:46:08,570 --> 01:46:06,000

is not water tight and it's a little bit

2390

01:46:10,189 --> 01:46:08,580

less watertight now than it's been for a

2391

01:46:12,709 --> 01:46:10,199

long time

2392

01:46:16,129 --> 01:46:12,719

what's the next step though

2393

01:46:20,209 --> 01:46:16,139

is is the next step us or them

2394

01:46:22,850 --> 01:46:20,219

right something something's got you know

2395

01:46:26,450 --> 01:46:22,860

what I mean something's got to give and

2396

01:46:28,870 --> 01:46:26,460

it I I don't know if it shows like this

2397

01:46:32,090 --> 01:46:28,880

authors and researchers like yourself

2398

01:46:33,109 --> 01:46:32,100

and you're a host and a media presenter

2399

01:46:35,870 --> 01:46:33,119

yourself

2400

01:46:39,350 --> 01:46:35,880

is is it is it up to us

2401

01:46:41,930 --> 01:46:39,360

or is it ET is it our government what

2402

01:46:46,370 --> 01:46:41,940

what's the next step in this

2403

01:46:48,709 --> 01:46:46,380

well I My Hope Is that the future is not

2404

01:46:51,890 --> 01:46:48,719

set in stone I don't believe it is and I

2405

01:46:53,930 --> 01:46:51,900

think that's why we have leakage that's

2406

01:46:55,850 --> 01:46:53,940

why we have a push and pull even at a

2407

01:46:57,830 --> 01:46:55,860

human level you know among our

2408

01:47:00,050 --> 01:46:57,840

intelligence government authorities

2409

01:47:01,910 --> 01:47:00,060

military authorities how much disclosure

2410

01:47:03,649 --> 01:47:01,920

should there be this much or this much

2411

01:47:06,290 --> 01:47:03,659

and there's this push and pull going on

2412

01:47:08,870 --> 01:47:06,300

I think that's happening on the Galactic

2413

01:47:10,209 --> 01:47:08,880

Federation level as well to use hamished

2414

01:47:13,430 --> 01:47:10,219

language

2415

01:47:15,590 --> 01:47:13,440

personally I have an old-fashioned

2416

01:47:18,050 --> 01:47:15,600

belief in democracy and a love of

2417

01:47:19,790 --> 01:47:18,060

democracy what that means is I want to

2418

01:47:22,430 --> 01:47:19,800

know who's representing us

2419

01:47:24,890 --> 01:47:22,440

in those conversations in whose

2420

01:47:27,649 --> 01:47:24,900

interests the decisions being made who

2421

01:47:31,250 --> 01:47:27,659

are our friends on that council with

2422

01:47:33,770 --> 01:47:31,260

whom can we do good exopolitics

2423

01:47:36,709 --> 01:47:33,780

and my hope is that there are enough

2424

01:47:40,729 --> 01:47:36,719

friends in high places that we can shart

2425

01:47:42,649 --> 01:47:40,739

a positive way forward for Humanity I

2426

01:47:45,350 --> 01:47:42,659

think a lot of people are very anxious

2427

01:47:48,649 --> 01:47:45,360

about what the powers that be have in

2428

01:47:51,590 --> 01:47:48,659

mind for us around the planet in the

2429

01:47:53,750 --> 01:47:51,600

future decades well my hope is that the

2430

01:47:55,910 --> 01:47:53,760

outcomes are not set in stone

2431

01:47:57,770 --> 01:47:55,920

that there are still conversations going

2432

01:48:01,609 --> 01:47:57,780

on that we do have friends in high

2433

01:48:03,649 --> 01:48:01,619

places and that contact is not only at a

2434

01:48:06,109 --> 01:48:03,659

covert government level as Hammer shed

2435

01:48:08,810 --> 01:48:06,119

said people all around the world are

2436

01:48:12,169 --> 01:48:08,820

having contact experiences and

2437

01:48:14,990 --> 01:48:12,179

communication experiences and I think we

2438

01:48:17,629 --> 01:48:15,000

need to embrace that instead of

2439

01:48:20,149 --> 01:48:17,639

ridiculing it make the most of

2440

01:48:22,189 --> 01:48:20,159

information that is Flowing to us in

2441

01:48:24,590 --> 01:48:22,199

that way because I think that's our best

2442

01:48:26,629 --> 01:48:24,600

hope of charting a positive way forward

2443

01:48:29,810 --> 01:48:26,639

where we're not the victims where we're

2444

01:48:32,510 --> 01:48:29,820

not constantly lied to or manipulated we

2445

01:48:34,669 --> 01:48:32,520

need to get ourselves in the picture as

2446

01:48:36,530 --> 01:48:34,679

best we can and that's why our love

2447

01:48:38,990 --> 01:48:36,540

shows like yours Jimmy conversations

2448

01:48:41,570 --> 01:48:39,000

like this because it is bringing more

2449

01:48:44,629 --> 01:48:41,580

and more people into the conversation

2450

01:48:47,270 --> 01:48:44,639

and I think information is power the

2451

01:48:50,450 --> 01:48:47,280

more we know the more hope we have of

2452

01:48:53,109 --> 01:48:50,460

being players in our own future

2453

01:48:55,850 --> 01:48:53,119

who would best represent us would it be

2454

01:49:00,229 --> 01:48:55,860

science you know physicists like Brian

2455

01:49:02,109 --> 01:49:00,239

Greene or uh would it be the pope uh

2456

01:49:05,450 --> 01:49:02,119

would it uh

2457

01:49:07,750 --> 01:49:05,460

or Matthew McConaughey right right yeah

2458

01:49:10,310 --> 01:49:07,760

I was going to say Jody Foster

2459

01:49:13,669 --> 01:49:10,320

we're talking about contact aren't we

2460

01:49:15,169 --> 01:49:13,679

yeah I I I put Jody up on that list I

2461

01:49:17,510 --> 01:49:15,179

wouldn't have any issues with that at

2462

01:49:18,950 --> 01:49:17,520

all but who would best represent us

2463

01:49:22,370 --> 01:49:18,960

would it be science would it be math

2464

01:49:26,149 --> 01:49:22,380

religion philosophy uh hopefully not a

2465

01:49:27,950 --> 01:49:26,159

politician uh but ah yes that's why I

2466

01:49:30,169 --> 01:49:27,960

say I hope it's not only at a covert

2467

01:49:32,450 --> 01:49:30,179

government level and I don't think it is

2468

01:49:34,669 --> 01:49:32,460

uh I don't think we have to you know

2469

01:49:37,189 --> 01:49:34,679

single it down to saying if we have to

2470

01:49:39,590 --> 01:49:37,199

pick one you know let's pick a social

2471

01:49:43,010 --> 01:49:39,600

entrepreneur or a religious leader

2472

01:49:45,590 --> 01:49:43,020

because contact is far more plural than

2473

01:49:47,510 --> 01:49:45,600

that I mean the movie is so fascinating

2474

01:49:51,350 --> 01:49:47,520

the movie contact was written by Carl

2475

01:49:52,910 --> 01:49:51,360

Sagan who officially didn't believe we

2476

01:49:54,590 --> 01:49:52,920

were in contact

2477

01:49:56,870 --> 01:49:54,600

she was an absolute skeptic about that

2478

01:49:59,870 --> 01:49:56,880

officially is very skeptical about

2479

01:50:02,629 --> 01:49:59,880

contact in the Deep past until you read

2480

01:50:04,250 --> 01:50:02,639

all the papers he wrote in the 1960s and

2481

01:50:06,709 --> 01:50:04,260

then you watched the movie that was

2482

01:50:08,270 --> 01:50:06,719

produced from his novel I think even if

2483

01:50:10,609 --> 01:50:08,280

you didn't think he could present it as

2484

01:50:13,250 --> 01:50:10,619

science he presented it a story for the

2485

01:50:16,129 --> 01:50:13,260

world to know about the idea of contact

2486

01:50:18,890 --> 01:50:16,139

and that novel wrestles with this

2487

01:50:21,550 --> 01:50:18,900

question who should represent us

2488

01:50:24,709 --> 01:50:21,560

should it be a religious person

2489

01:50:26,330 --> 01:50:24,719

should it be a scientific person and

2490

01:50:28,550 --> 01:50:26,340

that whole debate is had in the movie

2491

01:50:31,250 --> 01:50:28,560

but my hope is it's not down to an

2492

01:50:32,930 --> 01:50:31,260

individual Community or a single

2493

01:50:36,109 --> 01:50:32,940

individual

2494

01:50:39,050 --> 01:50:36,119

contact is going on in every country in

2495

01:50:40,550 --> 01:50:39,060

every culture around the world regular

2496

01:50:43,970 --> 01:50:40,560

human beings are having contact

2497

01:50:45,709 --> 01:50:43,980

experiences children are having them our

2498

01:50:47,570 --> 01:50:45,719

politicians are having them as well

2499

01:50:49,250 --> 01:50:47,580

because I think our visitors have the

2500

01:50:52,550 --> 01:50:49,260

intelligence to know that to have a

2501
01:50:55,310 --> 01:50:52,560
communication with us it needs to be in

2502
01:50:57,169 --> 01:50:55,320
that plural way and there's no way of

2503
01:51:00,109 --> 01:50:57,179
having a conversation with Humanity

2504
01:51:02,169 --> 01:51:00,119
unless it's done in that plural way so

2505
01:51:07,070 --> 01:51:02,179
that gives me some hope

2506
01:51:09,530 --> 01:51:07,080
with um uh with Giorgio sucolos with his

2507
01:51:10,970 --> 01:51:09,540
extreme popularity these days and it's

2508
01:51:16,910 --> 01:51:10,980
it's totally awesome

2509
01:51:21,470 --> 01:51:16,920
good fan it's and and you know uh the

2510
01:51:24,770 --> 01:51:21,480
meme right it's aliens well Ancient

2511
01:51:26,890 --> 01:51:24,780
Aliens has done an awful lot Eric Bond

2512
01:51:31,910 --> 01:51:26,900
Anakin in general

2513
01:51:35,450 --> 01:51:31,920

to force the questions that's all right

2514

01:51:38,229 --> 01:51:35,460

but if we go back and and start to

2515

01:51:44,030 --> 01:51:38,239

adjust things and look at the past

2516

01:51:48,290 --> 01:51:44,040

has it been uh an E.T alien influence on

2517

01:51:51,410 --> 01:51:48,300

just about everything if we stop and and

2518

01:51:53,990 --> 01:51:51,420

take a look at it we can say God we can

2519

01:51:56,229 --> 01:51:54,000

say angels we can say heavens we can

2520

01:52:00,410 --> 01:51:56,239

insert any narrative we want into this

2521

01:52:02,870 --> 01:52:00,420

but is that the case and if it is is

2522

01:52:05,149 --> 01:52:02,880

that the problem moving forward like

2523

01:52:09,590 --> 01:52:05,159

contact

2524

01:52:12,830 --> 01:52:09,600

yes how much interference has happened

2525

01:52:15,950 --> 01:52:12,840

if interventions have happened at the

2526

01:52:18,709 --> 01:52:15,960

level of shaping us as a species that

2527

01:52:21,530 --> 01:52:18,719

suggests a very Hands-On relationship

2528

01:52:25,310 --> 01:52:21,540

doesn't it and there was a book written

2529

01:52:29,450 --> 01:52:25,320

long time ago now by a presbyterian

2530

01:52:31,850 --> 01:52:29,460

Minister called Robert Kirk in the 1600s

2531

01:52:33,410 --> 01:52:31,860

now Presbyterian Minister people should

2532

01:52:35,450 --> 01:52:33,420

straight away know that means a very

2533

01:52:37,790 --> 01:52:35,460

conservative individual that's a very

2534

01:52:41,330 --> 01:52:37,800

conservative kind of Christianity but

2535

01:52:43,430 --> 01:52:41,340

Robert Kirk was a parish minister

2536

01:52:45,590 --> 01:52:43,440

and a man of great intelligence and

2537

01:52:48,109 --> 01:52:45,600

compassion who listened to the locals

2538

01:52:50,090 --> 01:52:48,119

and their experience of life in

2539

01:52:52,310 --> 01:52:50,100

Aberfoyle Scotland

2540

01:52:54,590 --> 01:52:52,320

and as he listened to them he realized

2541

01:52:56,870 --> 01:52:54,600

he was hearing about

2542

01:52:57,709 --> 01:52:56,880

a hybridization program that was going

2543

01:53:02,750 --> 01:52:57,719

on

2544

01:53:04,669 --> 01:53:02,760

beings and as he followed that White

2545

01:53:08,030 --> 01:53:04,679

Rabbit he reached the conclusion

2546

01:53:11,810 --> 01:53:08,040

conclusion that there is a non-human

2547

01:53:13,970 --> 01:53:11,820

layer to the governance of humanity all

2548

01:53:17,810 --> 01:53:13,980

around the world and it's been in place

2549

01:53:19,729 --> 01:53:17,820

for a very long time and he published

2550

01:53:21,169 --> 01:53:19,739

that book which is incredibly courageous

2551

01:53:24,649 --> 01:53:21,179

thing to do

2552

01:53:27,350 --> 01:53:24,659

but he was in fact repeating what

2553

01:53:30,050 --> 01:53:27,360

indigenous cultures has said since time

2554

01:53:33,109 --> 01:53:30,060

immemorial that no understanding of the

2555

01:53:36,290 --> 01:53:33,119

world is complete until you recognize

2556

01:53:38,689 --> 01:53:36,300

there is a non-human layer to our

2557

01:53:40,910 --> 01:53:38,699

government and I argue in the Eden

2558

01:53:43,970 --> 01:53:40,920

conspiracy that the Bible teaches us

2559

01:53:45,709 --> 01:53:43,980

that that in their original forms the

2560

01:53:48,890 --> 01:53:45,719

biblical narratives the teaching us

2561

01:53:51,530 --> 01:53:48,900

about covert government hidden hands in

2562

01:53:54,290 --> 01:53:51,540

our political and economic life and the

2563

01:53:56,629 --> 01:53:54,300

fact that that Hidden Hand is an ET hand

2564

01:53:58,250 --> 01:53:56,639

they too believed you won't understand

2565

01:53:59,990 --> 01:53:58,260

what's going on

2566

01:54:02,930 --> 01:54:00,000

you won't understand why the position

2567

01:54:05,629 --> 01:54:02,940

holders behave in the way they do until

2568

01:54:08,530 --> 01:54:05,639

you realize there's a non-human layer to

2569

01:54:11,149 --> 01:54:08,540

the Uber policies that run everything

2570

01:54:13,430 --> 01:54:11,159

doesn't necessarily mean that every

2571

01:54:16,490 --> 01:54:13,440

single policy was decided by an ET

2572

01:54:18,770 --> 01:54:16,500

Authority but some and when we're

2573

01:54:20,629 --> 01:54:18,780

mystified by decisions that are taken

2574

01:54:22,970 --> 01:54:20,639

that appear to have

2575

01:54:24,890 --> 01:54:22,980

the interest of ordinary human beings

2576

01:54:27,050 --> 01:54:24,900

nowhere in view

2577

01:54:29,030 --> 01:54:27,060

I think there's a very big clue there's

2578

01:54:32,149 --> 01:54:29,040

an ET hand in that decision whether it's

2579

01:54:36,590 --> 01:54:32,159

decisions to do with banking money

2580

01:54:38,629 --> 01:54:36,600

supply Warfare Public Health very often

2581

01:54:41,209 --> 01:54:38,639

we see things that don't make sense from

2582

01:54:44,270 --> 01:54:41,219

a human perspective and our ancestors

2583

01:54:46,790 --> 01:54:44,280

say no it won't make sense there is a

2584

01:54:48,350 --> 01:54:46,800

council perpetually debating how many

2585

01:54:51,050 --> 01:54:48,360

human beings there should be on the

2586

01:54:53,030 --> 01:54:51,060

planet how long lived they should be how

2587

01:54:54,770 --> 01:54:53,040

healthy they should be what access to

2588

01:54:58,129 --> 01:54:54,780

information they should have what access

2589

01:55:00,950 --> 01:54:58,139

to clean water safe foods medications

2590

01:55:02,510 --> 01:55:00,960

that's reported in the Bible by cultures

2591

01:55:04,669 --> 01:55:02,520

all around the world and they're the

2592

01:55:06,770 --> 01:55:04,679

same struggles we're having today we're

2593

01:55:09,470 --> 01:55:06,780

experiencing culture wars not only

2594

01:55:12,109 --> 01:55:09,480

around medicine but around farming and I

2595

01:55:15,470 --> 01:55:12,119

would argue these culture wars all have

2596

01:55:17,510 --> 01:55:15,480

their roots in the non-human layer in

2597

01:55:20,330 --> 01:55:17,520

the conflicts of that Galactic

2598

01:55:21,830 --> 01:55:20,340

Federation to use hermashed's language

2599

01:55:26,870 --> 01:55:21,840

profound

2600

01:55:29,510 --> 01:55:26,880

everybody chase you down is it as simple

2601
01:55:31,430 --> 01:55:29,520
as uh paulanthonywallis.com

2602
01:55:33,530 --> 01:55:31,440
you can find me there if you're looking

2603
01:55:35,149 --> 01:55:33,540
for coaching you can find me there you

2604
01:55:37,609 --> 01:55:35,159
can find all my books there you can go

2605
01:55:39,830 --> 01:55:37,619
to Amazon where you'll find all my Eden

2606
01:55:43,189 --> 01:55:39,840
titles and you can find me at fifth kind

2607
01:55:45,229 --> 01:55:43,199
dot TV the fifth kind TV on YouTube and

2608
01:55:47,510 --> 01:55:45,239
the Paul Wallace Channel on YouTube as

2609
01:55:49,790 --> 01:55:47,520
well man I can't wait to get you back on

2610
01:55:51,770 --> 01:55:49,800
the show I waited too long for this but

2611
01:55:54,770 --> 01:55:51,780
it was a brilliant night thank you so

2612
01:55:56,810 --> 01:55:54,780
much Paul be safe thanks Jimmy and uh

2613
01:55:59,270 --> 01:55:56,820

again happy birthday

2614

01:56:01,250 --> 01:55:59,280

thank you it's been a pleasure the

2615

01:56:04,310 --> 01:56:01,260

absolute very best Paul Wallace and

2616

01:56:05,870 --> 01:56:04,320

again Paul's links are below we've got

2617

01:56:08,570 --> 01:56:05,880

them over on the website and we've got

2618

01:56:11,090 --> 01:56:08,580

them throughout social media it is fifth

2619

01:56:14,689 --> 01:56:11,100

kind that's with the five fifth kind dot

2620

01:56:17,149 --> 01:56:14,699

TV and Paul Anthony wallace.com I'm your

2621

01:56:19,669 --> 01:56:17,159

host Jimmy church and uh I've got to get

2622

01:56:22,070 --> 01:56:19,679

out of here we just want a poll to poll

2623

01:56:25,370 --> 01:56:22,080

with Paul excellent conversation tonight

2624

01:56:27,790 --> 01:56:25,380

thank you so much and uh what have I got

2625

01:56:30,470 --> 01:56:27,800

going on tomorrow does anybody know

2626
01:56:31,669 --> 01:56:30,480
tomorrow night is

2627
01:56:33,890 --> 01:56:31,679
oh

2628
01:56:35,930 --> 01:56:33,900
Dave Schrader tomorrow night right here

2629
01:56:38,750 --> 01:56:35,940
on Fade to Black everybody Dave Schrader

2630
01:56:41,570 --> 01:56:38,760
tomorrow night it is going to be great

2631
01:56:43,729 --> 01:56:41,580
thank you Paul again Paul Anthony
