

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

STEVE MERA

'PROJECT DOORYWAY' UFO STUDY

THUR MAY 04 **LIVE**

700-900PM PT

1
00:00:10,860 --> 00:00:19,210

[Music]

2
00:00:19,220 --> 00:00:22,429

thank you

3
00:00:30,230 --> 00:00:26,890

the smoke radio for the masses of July 8

4
00:00:32,569 --> 00:00:30,240

1947 the Army Air Forces has announced

5
00:00:38,709 --> 00:00:32,579

that applying disc has been found and is

6
00:00:46,190 --> 00:00:42,410

I occasionally think how quickly our

7
00:00:48,830 --> 00:00:46,200

differences worldwide would vanish if we

8
00:00:49,860 --> 00:00:48,840

were facing an alien threat from outside

9
00:00:51,650 --> 00:00:49,870

this work

10
00:00:54,189 --> 00:00:51,660

[Music]

11
00:00:57,170 --> 00:00:54,199

[Applause]

12
00:00:59,990 --> 00:00:57,180

this is Fade to Black with your host

13
00:01:00,630 --> 00:01:00,000

Jimmy Church on the game changer Radio

14

00:01:04,210 --> 00:01:00,640

Network

15

00:01:11,410 --> 00:01:07,429

all right good evening Fade to Black I'm

16

00:01:15,950 --> 00:01:11,420

your host Jimmy church today is May 4th

17

00:01:19,550 --> 00:01:15,960

2023. this is Fade to Black May the 4th

18

00:01:21,190 --> 00:01:19,560

be with you and this episode is brought

19

00:01:24,050 --> 00:01:21,200

to you by

20

00:01:26,570 --> 00:01:24,060

accidental truth the new documentary by

21

00:01:27,890 --> 00:01:26,580

Ron James it is now streaming on all

22

00:01:30,890 --> 00:01:27,900

platforms

23

00:01:33,530 --> 00:01:30,900

this is the documentary for our

24

00:01:35,950 --> 00:01:33,540

community go and check it out and I'll

25

00:01:40,670 --> 00:01:35,960

say it and you got to be ready for it

26
00:01:43,670 --> 00:01:40,680
my eight seconds make the entire film I

27
00:01:45,890 --> 00:01:43,680
got eight seconds but I don't waste it

28
00:01:49,090 --> 00:01:45,900
go and check it out right now on all

29
00:01:52,010 --> 00:01:49,100
streaming platforms the links are below

30
00:01:53,990 --> 00:01:52,020
all right tonight

31
00:01:56,569 --> 00:01:54,000
we are joined with one and only Steve

32
00:01:59,210 --> 00:01:56,579
Mara he's back with us live from the

33
00:02:00,530 --> 00:01:59,220
United Kingdom and tonight we're going

34
00:02:03,710 --> 00:02:00,540
to discuss a lot of things we're going

35
00:02:06,170 --> 00:02:03,720
to focus on Project doorway it's a new

36
00:02:09,229 --> 00:02:06,180
study in scientific inquiry into the UFO

37
00:02:11,809 --> 00:02:09,239
phenomena its capabilities and its

38
00:02:15,470 --> 00:02:11,819

interaction it's going to be a great

39

00:02:17,570 --> 00:02:15,480

show tonight Steve is undoubtedly the

40

00:02:19,309 --> 00:02:17,580

UK's most respected researcher in the

41

00:02:21,350 --> 00:02:19,319

Realms of ufology unexplained in

42

00:02:23,510 --> 00:02:21,360

Supernatural he's got over a thousand

43

00:02:26,390 --> 00:02:23,520

hours of mainstream alternative TV

44

00:02:30,710 --> 00:02:26,400

programming under his belt but he is

45

00:02:32,290 --> 00:02:30,720

also the founder and the uh of the

46

00:02:35,229 --> 00:02:32,300

scientific establishment of

47

00:02:39,710 --> 00:02:35,239

parapsychology established back in 1996

48

00:02:42,770 --> 00:02:39,720

and he has also got phenomena magazine

49

00:02:45,350 --> 00:02:42,780

which I read every single month it is

50

00:02:47,270 --> 00:02:45,360

the world's largest e-zine of its kind

51

00:02:52,030 --> 00:02:47,280

check this out distributed in 12

52

00:02:55,790 --> 00:02:52,040

countries four languages to over 1.8

53

00:02:58,369 --> 00:02:55,800

million subscribers is links are below

54

00:03:00,790 --> 00:02:58,379

phenomena magazine.co.uk and of course

55

00:03:03,770 --> 00:03:00,800

Zohar

56

00:03:05,930 --> 00:03:03,780

stargatv.com those links are below and I

57

00:03:08,030 --> 00:03:05,940

would like to welcome back to fade to

58

00:03:11,750 --> 00:03:08,040

black all the way from England my good

59

00:03:13,970 --> 00:03:11,760

friend Steve Mara Steve my brother how

60

00:03:16,250 --> 00:03:13,980

you doing my friend I'm doing very well

61

00:03:18,589 --> 00:03:16,260

Jimmy thanks for having me on the show

62

00:03:20,690 --> 00:03:18,599

um it's good it's always a pleasure it

63

00:03:24,250 --> 00:03:20,700

it you know it's just great to hear your

64

00:03:26,570 --> 00:03:24,260

voice man it's it's it's so great

65

00:03:28,190 --> 00:03:26,580

now we were talking about that earlier

66

00:03:31,250 --> 00:03:28,200

I'm not going to bring that up but I

67

00:03:35,149 --> 00:03:31,260

just had this weird experience uh a few

68

00:03:37,430 --> 00:03:35,159

weeks ago with you and your voice and

69

00:03:40,009 --> 00:03:37,440

um yeah yeah it was it was it was

70

00:03:41,570 --> 00:03:40,019

strange man it really happened so there

71

00:03:44,930 --> 00:03:41,580

you go don't worry everybody I didn't

72

00:03:46,610 --> 00:03:44,940

have any strange dreams about Steve or

73

00:03:49,850 --> 00:03:46,620

anything like that but he just popped up

74

00:03:52,250 --> 00:03:49,860

in my electronics in my house uh very

75

00:03:55,850 --> 00:03:52,260

mysterious situation but welcome back

76

00:04:01,009 --> 00:03:55,860

and um before I say what have you been

77

00:04:02,930 --> 00:04:01,019

up to and and everything else uh we have

78

00:04:05,089 --> 00:04:02,940

a pretty cool thing that we're going to

79

00:04:07,390 --> 00:04:05,099

be doing this August

80

00:04:10,070 --> 00:04:07,400

um out there in Manchester

81

00:04:11,630 --> 00:04:10,080

yeah yeah we're looking forward to

82

00:04:14,570 --> 00:04:11,640

seeing you here Jimmy I mean everybody's

83

00:04:16,490 --> 00:04:14,580

excited to uh to have you coming over

84

00:04:18,830 --> 00:04:16,500

that's just it's amazing but we've got

85

00:04:20,750 --> 00:04:18,840

each and every year we put on a number

86

00:04:22,490 --> 00:04:20,760

of events and one of those is the

87

00:04:24,770 --> 00:04:22,500

largest one

88

00:04:26,810 --> 00:04:24,780

um it's the largest events covering the

89

00:04:29,210 --> 00:04:26,820

subjects of UFOs the power and all the

90

00:04:31,129 --> 00:04:29,220

strange and the profound and it's known

91

00:04:32,810 --> 00:04:31,139

as The Awakening Expo and it's the

92

00:04:33,409 --> 00:04:32,820

largest snow in Europe

93

00:04:35,090 --> 00:04:33,419

um

94

00:04:36,290 --> 00:04:35,100

so roughly about a couple of thousand

95

00:04:39,530 --> 00:04:36,300

people two and a half thousand people

96

00:04:41,689 --> 00:04:39,540

turn up on the day uh stretched over

97

00:04:43,730 --> 00:04:41,699

three days actually Friday the Saturday

98

00:04:47,150 --> 00:04:43,740

the Sunday this is one of the images for

99

00:04:50,030 --> 00:04:47,160

me uh from the Friday VIP ticket sales

100

00:04:52,670 --> 00:04:50,040

and of course we have uh Craig Charles

101
00:04:55,189 --> 00:04:52,680
who's going to be joining us from Red

102
00:04:57,590 --> 00:04:55,199
Dwarf if anybody doesn't know him his

103
00:04:59,469 --> 00:04:57,600
also does a lot of music gigs and he's

104
00:05:02,810 --> 00:04:59,479
also also

105
00:05:03,890 --> 00:05:02,820
an artist himself so he's uh he we could

106
00:05:06,469 --> 00:05:03,900
have been looking forward to seeing it

107
00:05:08,749 --> 00:05:06,479
because he's recently just done a

108
00:05:11,629 --> 00:05:08,759
television series

109
00:05:13,010 --> 00:05:11,639
um investigating the subject of UFOs and

110
00:05:15,409 --> 00:05:13,020
that's uh and some of the most

111
00:05:17,390 --> 00:05:15,419
interesting cases around the world in

112
00:05:19,249 --> 00:05:17,400
you know someone throughout the UK which

113
00:05:20,930 --> 00:05:19,259

have been fascinating over the uh the

114

00:05:22,550 --> 00:05:20,940

last few years so we're really looking

115

00:05:24,950 --> 00:05:22,560

forward to seeing it we've got a an

116

00:05:26,270 --> 00:05:24,960

absolute Stellar lineup

117

00:05:28,490 --> 00:05:26,280

um to be honest is you know it's

118

00:05:30,529 --> 00:05:28,500

everything and anything is going to be

119

00:05:32,650 --> 00:05:30,539

being covered over the three-day period

120

00:05:36,590 --> 00:05:32,660

right from August

121

00:05:37,909 --> 00:05:36,600

24th sorry 2015 to 67th

122

00:05:47,950 --> 00:05:37,919

of

123

00:05:50,510 --> 00:05:47,960

Dwarf that was amazing

124

00:05:52,550 --> 00:05:50,520

yeah is that's the first thing that

125

00:05:54,350 --> 00:05:52,560

people come to mind oh Red Dwarf is the

126
00:05:56,029 --> 00:05:54,360
first thing you know people but you know

127
00:05:57,890 --> 00:05:56,039
a lot of people know him even before he

128
00:06:00,650 --> 00:05:57,900
does a lot of them

129
00:06:03,170 --> 00:06:00,660
um Club DJing and those sort of things

130
00:06:06,230 --> 00:06:03,180
as well so it's uh he's well known in

131
00:06:09,710 --> 00:06:06,240
the music industry throughout the UK

132
00:06:10,730 --> 00:06:09,720
uh but uh Red Dwarf when it first

133
00:06:13,490 --> 00:06:10,740
started

134
00:06:18,189 --> 00:06:13,500
I I said to myself from the first

135
00:06:22,430 --> 00:06:18,199
episode I was like this was made for me

136
00:06:25,909 --> 00:06:22,440
it was it was weird it was quirky it was

137
00:06:28,909 --> 00:06:25,919
that typical UK humor that we we have

138
00:06:31,430 --> 00:06:28,919

you know uh but Castaways in space in

139

00:06:33,290 --> 00:06:31,440

the sense of species right right right I

140

00:06:36,529 --> 00:06:33,300

loved it it was a it was it was just

141

00:06:37,730 --> 00:06:36,539

amazing but uh to put an event like this

142

00:06:39,650 --> 00:06:37,740

together of course you know we've got

143

00:06:41,029 --> 00:06:39,660

Billy Carson

144

00:06:43,550 --> 00:06:41,039

um you know at the center of this but

145

00:06:47,150 --> 00:06:43,560

Melissa Tittle and and James Fox and

146

00:06:50,990 --> 00:06:47,160

Mary Rodwell and uh Nick Pope and and

147

00:06:54,650 --> 00:06:51,000

Daryl Sims is is coming as well

148

00:06:56,330 --> 00:06:54,660

um and then of course uh the European

149

00:06:57,950 --> 00:06:56,340

side of things

150

00:06:59,350 --> 00:06:57,960

um is going to be represented there too

151
00:07:01,490 --> 00:06:59,360
as well so

152
00:07:03,890 --> 00:07:01,500
it's kind of like the United States

153
00:07:07,249 --> 00:07:03,900
comes to Manchester and we're gonna

154
00:07:08,629 --> 00:07:07,259
Mingle for a few days yes absolutely and

155
00:07:10,129 --> 00:07:08,639
I think this would be really interesting

156
00:07:11,330 --> 00:07:10,139
because

157
00:07:13,490 --> 00:07:11,340
um we're going to be hearing a lot about

158
00:07:16,610 --> 00:07:13,500
new information you know that's been

159
00:07:19,189 --> 00:07:16,620
brought forward new research and it's

160
00:07:20,570 --> 00:07:19,199
interesting times you know is a lot of a

161
00:07:23,210 --> 00:07:20,580
lot of strange things have happened over

162
00:07:25,010 --> 00:07:23,220
the last couple of years and it's about

163
00:07:27,050 --> 00:07:25,020

time now that people coming forward with

164

00:07:28,430 --> 00:07:27,060

new data new information and a lot of

165

00:07:29,629 --> 00:07:28,440

things are happening in the background

166

00:07:32,330 --> 00:07:29,639

which

167

00:07:35,210 --> 00:07:32,340

slowly but surely's engine goes slowly

168

00:07:37,089 --> 00:07:35,220

more towards like some explanations as

169

00:07:40,129 --> 00:07:37,099

to what some of these things represent

170

00:07:41,210 --> 00:07:40,139

now you have been and one of the things

171

00:07:47,510 --> 00:07:41,220

that

172

00:07:50,029 --> 00:07:47,520

you've been at the center of this you've

173

00:07:52,610 --> 00:07:50,039

been one of those guys you've been uh

174

00:07:53,930 --> 00:07:52,620

behind this you've been pushing you've

175

00:07:56,390 --> 00:07:53,940

been investigating you've been

176

00:07:59,930 --> 00:07:56,400

researching this for a very very very

177

00:08:02,210 --> 00:07:59,940

long time but your knowledge base you

178

00:08:05,450 --> 00:08:02,220

know you've done so much research and

179

00:08:08,450 --> 00:08:05,460

and so when I say something like that to

180

00:08:12,170 --> 00:08:08,460

a researcher like yourself and then you

181

00:08:15,890 --> 00:08:12,180

find the world in this crazy position

182

00:08:19,070 --> 00:08:15,900

finally where it is being discussed it

183

00:08:20,930 --> 00:08:19,080

is now out in the open Steve honestly

184

00:08:26,029 --> 00:08:20,940

and be straight with me we're friends

185

00:08:28,369 --> 00:08:26,039

did you ever think we would be here no I

186

00:08:30,110 --> 00:08:28,379

did not I mean he was always the you

187

00:08:32,510 --> 00:08:30,120

know the elephant in the room discussion

188

00:08:35,209 --> 00:08:32,520

you know it was one of those well you

189

00:08:37,550 --> 00:08:35,219

know people just would give you a raised

190

00:08:39,170 --> 00:08:37,560

eyebrow regarding the subject UFOs but

191

00:08:43,909 --> 00:08:39,180

now

192

00:08:46,190 --> 00:08:43,919

quickly that was digested and accepted

193

00:08:47,870 --> 00:08:46,200

by the general public you know because

194

00:08:49,370 --> 00:08:47,880

you've got the general pulley said no no

195

00:08:52,370 --> 00:08:49,380

we don't believe in all that rubbish

196

00:08:54,829 --> 00:08:52,380

it's all you know fairy tales and fake

197

00:08:56,570 --> 00:08:54,839

stories and then all of a sudden when we

198

00:08:59,990 --> 00:08:56,580

get announcements like the Pentagon

199

00:09:02,630 --> 00:09:00,000

saying that these things are real

200

00:09:04,550 --> 00:09:02,640

um and other departments scientific

201
00:09:06,829 --> 00:09:04,560
departments and Specialists which say

202
00:09:09,050 --> 00:09:06,839
yes this is something going on here

203
00:09:11,210 --> 00:09:09,060
then I was just surprised the quick

204
00:09:15,170 --> 00:09:11,220
turnaround from being non-believers to

205
00:09:16,730 --> 00:09:15,180
just accepting it so quickly and but it

206
00:09:18,230 --> 00:09:16,740
isn't the topic that you know is the

207
00:09:19,910 --> 00:09:18,240
elevator room anymore because you know

208
00:09:21,829 --> 00:09:19,920
you can freely talk about it and say hey

209
00:09:24,350 --> 00:09:21,839
you know what it's uh this is what the

210
00:09:26,750 --> 00:09:24,360
guys saying and that makes a big

211
00:09:28,430 --> 00:09:26,760
difference I didn't think we'd ever get

212
00:09:30,829 --> 00:09:28,440
to that point I thought it was always

213
00:09:32,810 --> 00:09:30,839

going to be school degree and things

214

00:09:34,310 --> 00:09:32,820

swept under the carpet as they always

215

00:09:35,870 --> 00:09:34,320

have been

216

00:09:37,790 --> 00:09:35,880

um but you know what the more you look

217

00:09:40,610 --> 00:09:37,800

into this now I'm thinking that well

218

00:09:42,769 --> 00:09:40,620

maybe it's it's not just a matter of

219

00:09:45,410 --> 00:09:42,779

just closing some information to the

220

00:09:48,170 --> 00:09:45,420

General Public I think there's a there's

221

00:09:50,329 --> 00:09:48,180

an agenda to do so and that's what's

222

00:09:52,610 --> 00:09:50,339

really interesting because

223

00:09:55,070 --> 00:09:52,620

um things like that cost a lot of time a

224

00:09:56,870 --> 00:09:55,080

lot of money and they're very carefully

225

00:09:58,310 --> 00:09:56,880

planned out and that's what makes these

226

00:10:02,210 --> 00:09:58,320

things very interesting

227

00:10:04,430 --> 00:10:02,220

now here's okay can I give you my take

228

00:10:05,269 --> 00:10:04,440

I'm going to give you my brief take on

229

00:10:08,290 --> 00:10:05,279

it

230

00:10:12,170 --> 00:10:08,300

my brief take is this my personal

231

00:10:15,350 --> 00:10:12,180

feelings on this is that you know I

232

00:10:19,009 --> 00:10:15,360

wanted this I wanted it really bad

233

00:10:23,889 --> 00:10:19,019

but now that we are here

234

00:10:29,090 --> 00:10:27,110

isn't it always the way I mean also our

235

00:10:31,250 --> 00:10:29,100

focus in trying to get somebody to cop

236

00:10:33,530 --> 00:10:31,260

up and say these things are real

237

00:10:37,130 --> 00:10:33,540

I've kind of did they're disintegrated

238

00:10:38,889 --> 00:10:37,140

in a day and now we have to focus on why

239

00:10:41,810 --> 00:10:38,899

are they telling us

240

00:10:45,230 --> 00:10:41,820

I mean because it was our own little

241

00:10:47,990 --> 00:10:45,240

secret society you know we're all you

242

00:10:50,509 --> 00:10:48,000

know a band of merry men and women right

243

00:10:52,250 --> 00:10:50,519

we are Camelot and we're out there

244

00:10:55,430 --> 00:10:52,260

fighting the good fight and everything

245

00:10:59,870 --> 00:10:55,440

against the man and and and and and and

246

00:11:01,190 --> 00:10:59,880

and and and now it's like you know I

247

00:11:03,829 --> 00:11:01,200

mean I really hope that there is going

248

00:11:06,290 --> 00:11:03,839

to be some formal proper disclosure come

249

00:11:08,329 --> 00:11:06,300

at the end of this that I'm very

250

00:11:10,130 --> 00:11:08,339

positive about the negative side about

251

00:11:14,269 --> 00:11:10,140

is is that when it's all out I'll be out

252

00:11:19,550 --> 00:11:16,730

I hear that a lot and and you know what

253

00:11:22,490 --> 00:11:19,560

it's only going to be better uh for you

254

00:11:24,590 --> 00:11:22,500

and I and and and others that have been

255

00:11:27,769 --> 00:11:24,600

doing this for a long time because

256

00:11:31,130 --> 00:11:27,779

there'll be so much more to discuss and

257

00:11:34,130 --> 00:11:31,140

and we won't have to be behind the veil

258

00:11:36,470 --> 00:11:34,140

um so I I think it's going to expand and

259

00:11:38,630 --> 00:11:36,480

and it's going to be amazing that's

260

00:11:41,990 --> 00:11:38,640

that's what I take you know I get the

261

00:11:43,370 --> 00:11:42,000

email every day so Jimmy it's closure

262

00:11:45,530 --> 00:11:43,380

you know it's about that what are you

263

00:11:48,710 --> 00:11:45,540

going to do for a job I'm like man my

264

00:11:50,269 --> 00:11:48,720

job is set let's hope that that happens

265

00:11:51,889 --> 00:11:50,279

yeah they said there's got a lot of

266

00:11:54,230 --> 00:11:51,899

people are going to

267

00:11:56,870 --> 00:11:54,240

um be wanting to find out more about

268

00:11:58,970 --> 00:11:56,880

this then when it really comes to comes

269

00:12:00,889 --> 00:11:58,980

to pass I mean you know what was even

270

00:12:03,530 --> 00:12:00,899

the possibility that the United States

271

00:12:04,550 --> 00:12:03,540

government might seek out people like

272

00:12:06,470 --> 00:12:04,560

yourself

273

00:12:09,050 --> 00:12:06,480

and Linda Moore and how many other

274

00:12:10,610 --> 00:12:09,060

people because they're used to

275

00:12:13,069 --> 00:12:10,620

delivering this in sort of information

276

00:12:14,750 --> 00:12:13,079

to the public and these people are

277

00:12:16,550 --> 00:12:14,760

trustworthy now you know did the

278

00:12:18,050 --> 00:12:16,560

audience know that the people know that

279

00:12:19,550 --> 00:12:18,060

because people you know they've seen

280

00:12:20,389 --> 00:12:19,560

them do this for years deliver this

281

00:12:22,370 --> 00:12:20,399

information

282

00:12:23,990 --> 00:12:22,380

maybe the US government might start to

283

00:12:25,850 --> 00:12:24,000

utilize if you expect that knock on the

284

00:12:28,850 --> 00:12:25,860

door one day Jimmy to say we want to you

285

00:12:31,240 --> 00:12:28,860

know can you help us out

286

00:12:33,490 --> 00:12:31,250

maybe they already have

287

00:12:35,810 --> 00:12:33,500

[Laughter]

288

00:12:37,430 --> 00:12:35,820

ah I'm talking about that when we get to

289

00:12:41,930 --> 00:12:37,440

the UK

290

00:12:44,150 --> 00:12:41,940

um so uh and and okay so let's actually

291

00:12:46,370 --> 00:12:44,160

start here

292

00:12:47,990 --> 00:12:46,380

um you've been doing a lot of research

293

00:12:50,210 --> 00:12:48,000

and and tonight we're going to talk

294

00:12:53,210 --> 00:12:50,220

about project doorway and some other

295

00:12:55,790 --> 00:12:53,220

things but um last night I had Dave

296

00:12:57,290 --> 00:12:55,800

Schrader on the show uh and and as you

297

00:13:01,009 --> 00:12:57,300

know Dave and I used to host Coast to

298

00:13:04,610 --> 00:13:01,019

Coast together and and I I love uh

299

00:13:09,050 --> 00:13:04,620

bouncing ideas off of him because we're

300

00:13:11,090 --> 00:13:09,060

so similar and the uh the question that

301

00:13:14,569 --> 00:13:11,100

I'm about to ask I've also asked a few

302

00:13:16,190 --> 00:13:14,579

times over uh the last few weeks with

303

00:13:18,410 --> 00:13:16,200

with veterans

304

00:13:20,150 --> 00:13:18,420

and so I'm going to ask you this let's

305

00:13:22,190 --> 00:13:20,160

start here before we get into project

306

00:13:25,069 --> 00:13:22,200

doorway it's all connected though right

307

00:13:28,629 --> 00:13:25,079

in that you've been doing this for so

308

00:13:32,030 --> 00:13:28,639

long but what have you learned

309

00:13:36,170 --> 00:13:32,040

what's the one thing that you can share

310

00:13:39,650 --> 00:13:36,180

with us what is it that you have learned

311

00:13:42,230 --> 00:13:39,660

wow that's uh that's a one Mega question

312

00:13:44,090 --> 00:13:42,240

uh because I've learned a lot of things

313

00:13:47,090 --> 00:13:44,100

as time has gone on but if you're

314

00:13:49,490 --> 00:13:47,100

talking about real things that stand out

315

00:13:52,190 --> 00:13:49,500

um you know I mean my my mentors back in

316

00:13:56,569 --> 00:13:52,200

the early 80s were telling me look you

317

00:13:59,090 --> 00:13:56,579

know UFOs represent Northern pulsecraft

318

00:14:01,730 --> 00:13:59,100

um by and they're flown by you know

319

00:14:04,129 --> 00:14:01,740

occupants that are coming from distant

320

00:14:05,210 --> 00:14:04,139

planets in the universe and traveling to

321

00:14:08,090 --> 00:14:05,220

Earth

322

00:14:10,730 --> 00:14:08,100

and that was just simply that but we

323

00:14:12,710 --> 00:14:10,740

know much more now that the UFO

324

00:14:16,370 --> 00:14:12,720

phenomenal if you want to refer in its

325

00:14:18,350 --> 00:14:16,380

new term UAP is much more than just the

326

00:14:20,690 --> 00:14:18,360

nuts and bolts craft and the

327

00:14:22,670 --> 00:14:20,700

capabilities of some of these things and

328

00:14:25,449 --> 00:14:22,680

put it outside the range of normal

329

00:14:28,750 --> 00:14:25,459

physics as we currently understand so

330

00:14:33,230 --> 00:14:28,760

for me it was an eye-opening regarding

331

00:14:36,170 --> 00:14:33,240

the world we perceive the reality that

332

00:14:38,750 --> 00:14:36,180

we thought was a real strong wall and we

333

00:14:42,530 --> 00:14:38,760

could never get through it you know it's

334

00:14:43,970 --> 00:14:42,540

just solid matter there it's exists and

335

00:14:46,730 --> 00:14:43,980

we're part of it

336

00:14:50,269 --> 00:14:46,740

but the more I've learned over the years

337

00:14:52,850 --> 00:14:50,279

is to suggests that reality is playable

338

00:14:55,730 --> 00:14:52,860

and it can't be broken but it can be

339

00:14:59,030 --> 00:14:55,740

bent it can be put in favor to some

340

00:15:01,250 --> 00:14:59,040

things and it can be manipulated and one

341

00:15:02,509 --> 00:15:01,260

thing for sure is that it isn't what we

342

00:15:04,910 --> 00:15:02,519

initially thought

343

00:15:07,250 --> 00:15:04,920

and we're currently finding more out and

344

00:15:09,290 --> 00:15:07,260

as time goes on and as we expand physics

345

00:15:11,090 --> 00:15:09,300

we're slow going to realize that the

346

00:15:13,970 --> 00:15:11,100

world that we perceive is not exactly

347

00:15:17,389 --> 00:15:13,980

what the world that we thought

348

00:15:22,730 --> 00:15:17,399

and so what you are saying

349

00:15:25,250 --> 00:15:22,740

is that uh our ability to understand and

350

00:15:27,949 --> 00:15:25,260

your ability to understand has just

351

00:15:31,009 --> 00:15:27,959

gotten better right that that the

352

00:15:33,949 --> 00:15:31,019

ability to understand before was what we

353

00:15:37,069 --> 00:15:33,959

understood about Apollo capsules right

354

00:15:40,370 --> 00:15:37,079

everything had to be metal with the dude

355

00:15:43,610 --> 00:15:40,380

in it and and flying across space and

356

00:15:47,750 --> 00:15:43,620

these vast distances but that may not be

357

00:15:50,030 --> 00:15:47,760

the case uh it's it's some of it but it

358

00:15:50,949 --> 00:15:50,040

certainly wouldn't suggest that it's all

359

00:15:53,150 --> 00:15:50,959

of it

360

00:15:55,189 --> 00:15:53,160

yeah absolutely I mean it's like any

361

00:15:58,009 --> 00:15:55,199

study you know you you quickly assume

362

00:16:01,069 --> 00:15:58,019

that if I'm going to study this then I'm

363

00:16:02,689 --> 00:16:01,079

going to learn more and if we're going

364

00:16:04,490 --> 00:16:02,699

to learn more than the amount of

365

00:16:07,069 --> 00:16:04,500

information I need to learn is going to

366

00:16:08,750 --> 00:16:07,079

slowly slowly decrease that's not the

367

00:16:10,310 --> 00:16:08,760

case when it comes to the study of UFOs

368

00:16:13,009 --> 00:16:10,320

because as soon as you start opening all

369

00:16:15,170 --> 00:16:13,019

these other doors it leads to multiple

370

00:16:16,910 --> 00:16:15,180

other things where she think oh hang on

371

00:16:18,889 --> 00:16:16,920

a second I've got to not only do I have

372

00:16:20,509 --> 00:16:18,899

to understand about UFOs I have to

373

00:16:22,610 --> 00:16:20,519

understand about how paranormal

374

00:16:24,889 --> 00:16:22,620

phenomenex is experienced I have to

375

00:16:26,569 --> 00:16:24,899

understand about how the human brain and

376

00:16:28,850 --> 00:16:26,579

how we perceive and cognate these

377

00:16:31,310 --> 00:16:28,860

experiences I have to look into the

378

00:16:33,590 --> 00:16:31,320

environment and what's happening in the

379

00:16:37,730 --> 00:16:33,600

environment and and also many things

380

00:16:39,470 --> 00:16:37,740

even constant physics now that's a this

381

00:16:41,990 --> 00:16:39,480

is a subject that once you start

382

00:16:44,870 --> 00:16:42,000

studying it it expands it's the opposite

383

00:16:47,629 --> 00:16:44,880

way around and you end up on a

384

00:16:49,850 --> 00:16:47,639

never-ending Journey uh an obsessive one

385

00:16:52,490 --> 00:16:49,860

which you know I doubt you could even

386

00:16:55,009 --> 00:16:52,500

cover it in a lifetime to be honest you

387

00:16:57,410 --> 00:16:55,019

you bring up a great point though even

388

00:16:59,389 --> 00:16:57,420

the great physicist and and if we look

389

00:17:02,509 --> 00:16:59,399

at something like the Fermi Paradox

390

00:17:04,669 --> 00:17:02,519

right and and you know if you go back to

391

00:17:08,870 --> 00:17:04,679

Oppenheimer or Feynman you know any of

392

00:17:11,329 --> 00:17:08,880

the any wheeler right if you go back uh

393

00:17:14,090 --> 00:17:11,339

to that time period they were still

394

00:17:18,710 --> 00:17:14,100

thinking the same way that we were

395

00:17:23,350 --> 00:17:18,720

flying saucers made of metal and dudes

396

00:17:27,069 --> 00:17:23,360

and doodettes flying these they didn't

397

00:17:30,049 --> 00:17:27,079

consider because they didn't understand

398

00:17:32,030 --> 00:17:30,059

the Alternatives which you know folding

399

00:17:34,250 --> 00:17:32,040

space bending space multi-realities

400

00:17:36,830 --> 00:17:34,260

parallel worlds faster than speed of

401

00:17:39,710 --> 00:17:36,840

light or any no they didn't they didn't

402

00:17:41,990 --> 00:17:39,720

have a grasp on those Concepts uh they

403

00:17:44,750 --> 00:17:42,000

certainly do now and they definitely tie

404

00:17:46,549 --> 00:17:44,760

into the UFO phenomenon right yeah I

405

00:17:47,870 --> 00:17:46,559

mean the UFO phenomenon let's see if you

406

00:17:52,669 --> 00:17:47,880

put it

407

00:17:56,289 --> 00:17:52,679

is one that I seems to have occupied the

408

00:17:58,970 --> 00:17:56,299

neighborhood the local neighborhood

409

00:18:00,470 --> 00:17:58,980

we're finding evidence of things on Mars

410

00:18:03,590 --> 00:18:00,480

and the moon and things like that and

411

00:18:05,029 --> 00:18:03,600

yeah the local neighborhood and but if

412

00:18:07,490 --> 00:18:05,039

you're looking at the evidence to

413

00:18:09,830 --> 00:18:07,500

support extraterrestrials or traveling

414

00:18:12,650 --> 00:18:09,840

the vast distances of space which we

415

00:18:16,789 --> 00:18:12,660

initially thought and were told

416

00:18:19,070 --> 00:18:16,799

that is being superseded by the evidence

417

00:18:21,710 --> 00:18:19,080

to support that there are realities

418

00:18:26,210 --> 00:18:21,720

right next door to us uh could we being

419

00:18:28,789 --> 00:18:26,220

utilized by phenomena jumping in and out

420

00:18:31,669 --> 00:18:28,799

now if you look at the progression of

421

00:18:35,570 --> 00:18:31,679

research that's trying to reach a

422

00:18:38,150 --> 00:18:35,580

conclusion that is well ahead of the

423

00:18:39,950 --> 00:18:38,160

evidence supporting that these

424

00:18:41,930 --> 00:18:39,960

whatever they are

425

00:18:43,970 --> 00:18:41,940

are traveling the vast distance of space

426

00:18:46,330 --> 00:18:43,980

from all these other planets

427

00:18:49,370 --> 00:18:46,340

and and you know

428

00:18:50,270 --> 00:18:49,380

this is you know why we think that way

429

00:18:52,370 --> 00:18:50,280

now

430

00:18:56,390 --> 00:18:52,380

it's because we're trying to figure out

431

00:18:58,250 --> 00:18:56,400

how to get there that's why oh yeah we

432

00:19:00,350 --> 00:18:58,260

are absolutely we're trying to figure

433

00:19:03,529 --> 00:19:00,360

out how to get there because we know

434

00:19:08,110 --> 00:19:03,539

that a hundred thousand years in a ship

435

00:19:12,830 --> 00:19:11,390

you don't want to go that way you've got

436

00:19:15,950 --> 00:19:12,840

we've got to figure out a way around

437

00:19:17,810 --> 00:19:15,960

that and it he has already done that and

438

00:19:19,789 --> 00:19:17,820

that that's why we think that way right

439

00:19:21,950 --> 00:19:19,799

yeah I mean you know when we first

440

00:19:23,450 --> 00:19:21,960

talked about traveling to Mars it wasn't

441

00:19:25,490 --> 00:19:23,460

about how we were going to get there

442

00:19:27,710 --> 00:19:25,500

proportion wise or what type of ships

443

00:19:29,750 --> 00:19:27,720

going to be required we knew you could

444

00:19:31,250 --> 00:19:29,760

generate a manufacturer the biggest

445

00:19:33,529 --> 00:19:31,260

problem is I mean three or four

446

00:19:35,090 --> 00:19:33,539

astronauts are in the tin can for seven

447

00:19:36,950 --> 00:19:35,100

months or eight months without killing

448

00:19:39,710 --> 00:19:36,960

each other

449

00:19:42,830 --> 00:19:39,720

let alone a hundred thousand years yeah

450

00:19:47,029 --> 00:19:42,840

yeah yeah yeah yeah yeah uh I I the the

451

00:19:50,330 --> 00:19:47,039

subject today is is is is unreal to me

452

00:19:52,750 --> 00:19:50,340

and the more that physics exposes itself

453

00:19:55,669 --> 00:19:52,760

and the more that science exposes itself

454

00:19:58,490 --> 00:19:55,679

and you know they are trying to get

455

00:20:00,590 --> 00:19:58,500

people like you and I to understand this

456

00:20:03,049 --> 00:20:00,600

crazy world of physics and theoretical

457

00:20:05,090 --> 00:20:03,059

physics and quantum physics that we're

458

00:20:07,190 --> 00:20:05,100

all talking about the same thing and

459

00:20:09,710 --> 00:20:07,200

that's that's what I really enjoy

460

00:20:11,930 --> 00:20:09,720

yeah it is it's the more we study this

461

00:20:14,390 --> 00:20:11,940

the more we're pointing into certain

462

00:20:16,789 --> 00:20:14,400

directions and one of the most constant

463

00:20:18,710 --> 00:20:16,799

things that keeps coming up is about

464

00:20:20,810 --> 00:20:18,720

Quantum reality and quantum mechanics

465

00:20:23,390 --> 00:20:20,820

and of course we're only just starting

466

00:20:25,430 --> 00:20:23,400

in that subject you know but the more we

467

00:20:27,409 --> 00:20:25,440

start to learn about that I think it's

468

00:20:29,330 --> 00:20:27,419

going to start to reveal

469

00:20:32,630 --> 00:20:29,340

how some phenomena

470

00:20:36,049 --> 00:20:32,640

has the capabilities of manifesting what

471

00:20:40,130 --> 00:20:36,059

did you um as uh what what a great segue

472

00:20:44,270 --> 00:20:40,140

in the project doorway because uh as as

473

00:20:47,450 --> 00:20:44,280

we discussed the study does it suggest

474

00:20:50,990 --> 00:20:47,460

to you that everything is connected and

475

00:20:53,270 --> 00:20:51,000

I'm talking about ghost and near-death

476

00:20:56,630 --> 00:20:53,280

experiences and Consciousness uh

477

00:20:58,909 --> 00:20:56,640

combined with entanglement and in

478

00:21:01,930 --> 00:20:58,919

multiple worlds and in the Multiverse

479

00:21:07,909 --> 00:21:05,750

the powers of the mind right and and

480

00:21:10,370 --> 00:21:07,919

everything that is involved with that at

481

00:21:13,490 --> 00:21:10,380

the quantum level is everything just

482

00:21:15,409 --> 00:21:13,500

connected well when we start to look at

483

00:21:17,270 --> 00:21:15,419

um all the varied type of experiences

484

00:21:19,010 --> 00:21:17,280

people have

485

00:21:21,289 --> 00:21:19,020

um throughout the world and they are

486

00:21:22,130 --> 00:21:21,299

massively varied

487

00:21:24,230 --> 00:21:22,140

um

488

00:21:25,669 --> 00:21:24,240

there is an interconnection thread

489

00:21:29,210 --> 00:21:25,679

between them all

490

00:21:32,630 --> 00:21:29,220

and what you have to do you have to

491

00:21:34,430 --> 00:21:32,640

literally use in the form of paranormal

492

00:21:37,130 --> 00:21:34,440

mechanics in a sense of speaking is take

493

00:21:39,350 --> 00:21:37,140

apart look at the mechanism behind the

494

00:21:41,510 --> 00:21:39,360

phenomena each and every one and you

495

00:21:43,190 --> 00:21:41,520

start to draw similarities of

496

00:21:45,049 --> 00:21:43,200

comparisons now one of the biggest

497

00:21:46,730 --> 00:21:45,059

problems for us when we started in the

498

00:21:49,130 --> 00:21:46,740

subject we were kept in this box of

499

00:21:51,049 --> 00:21:49,140

ufology and we're trying to make this

500

00:21:53,870 --> 00:21:51,059

picture to find out what the hell is

501
00:21:55,970 --> 00:21:53,880
going on and the biggest problem for us

502
00:21:58,490 --> 00:21:55,980
is that some of the things we needed for

503
00:22:01,070 --> 00:21:58,500
that those pieces of the Apostle did it

504
00:22:03,529 --> 00:22:01,080
even lie in the subjects of ufology lied

505
00:22:05,029 --> 00:22:03,539
in past psychological research the

506
00:22:07,850 --> 00:22:05,039
supernatural the Paranormal the

507
00:22:09,649 --> 00:22:07,860
metaphysical the spiritual

508
00:22:11,630 --> 00:22:09,659
um it was I don't know if this was done

509
00:22:13,730 --> 00:22:11,640
on purpose Jimmy that it was originally

510
00:22:15,830 --> 00:22:13,740
compartmentalized in this way to keep us

511
00:22:17,390 --> 00:22:15,840
out these other subjects to stop his

512
00:22:20,930 --> 00:22:17,400
building a better picture and quite

513
00:22:22,010 --> 00:22:20,940

understand or it's just been created and

514

00:22:23,690 --> 00:22:22,020

it's just one of those things because

515

00:22:25,909 --> 00:22:23,700

for instance you know you've got the

516

00:22:27,890 --> 00:22:25,919

Ghostbuster guys the ghost hunting guys

517

00:22:30,529 --> 00:22:27,900

they won't deal with the UFO guys and

518

00:22:32,750 --> 00:22:30,539

UFO guys wouldn't deal with them really

519

00:22:36,529 --> 00:22:32,760

there's priority that they did because

520

00:22:39,049 --> 00:22:36,539

we're dealing fundamentally of many many

521

00:22:40,610 --> 00:22:39,059

connecting phenomena here so much so I

522

00:22:43,010 --> 00:22:40,620

mean you question it this is an

523

00:22:44,630 --> 00:22:43,020

extraterrestrial Source coming from some

524

00:22:47,990 --> 00:22:44,640

other planets

525

00:22:52,570 --> 00:22:48,000

and it's really alien to our world then

526

00:22:55,250 --> 00:22:52,580

why should it have over 64 of attributes

527

00:22:58,190 --> 00:22:55,260

within the Paranormal which is an

528

00:22:59,810 --> 00:22:58,200

Earthly ancient phenomena

529

00:23:01,730 --> 00:22:59,820

and you think well that can't be by

530

00:23:03,649 --> 00:23:01,740

coincidence and the more you look the

531

00:23:05,870 --> 00:23:03,659

more you find the connections and that's

532

00:23:07,610 --> 00:23:05,880

what led us to think okay there's a lot

533

00:23:09,890 --> 00:23:07,620

more going on here so we have to take

534

00:23:11,750 --> 00:23:09,900

all those walls down so there's that

535

00:23:14,210 --> 00:23:11,760

compartmentalization don't exist anymore

536

00:23:16,250 --> 00:23:14,220

I start looking at the subject as a

537

00:23:19,130 --> 00:23:16,260

whole like in a subject of phenomenology

538

00:23:20,390 --> 00:23:19,140

the whole thing and then you start to

539

00:23:23,210 --> 00:23:20,400

get little pieces of deposit and you

540

00:23:25,990 --> 00:23:23,220

think okay yeah that kind of fits within

541

00:23:28,909 --> 00:23:26,000

the subjects of UFOs

542

00:23:31,430 --> 00:23:28,919

any one of these let's say that these

543

00:23:34,250 --> 00:23:31,440

are dominoes okay these are dominoes

544

00:23:35,690 --> 00:23:34,260

sitting upright psychic phenomenon at a

545

00:23:37,850 --> 00:23:35,700

physical phenomenon supernatural

546

00:23:40,190 --> 00:23:37,860

phenomena spiritual phenomena paranormal

547

00:23:43,370 --> 00:23:40,200

phenomenon they these are all dominant

548

00:23:44,510 --> 00:23:43,380

if one of these Falls don't they all

549

00:23:50,210 --> 00:23:44,520

fall

550

00:23:52,130 --> 00:23:50,220

fundamental part of what you're trying

551
00:23:55,130 --> 00:23:52,140
to conclude will never be obtained

552
00:23:58,190 --> 00:23:55,140
because it's a requirement of all these

553
00:24:01,310 --> 00:23:58,200
certain areas it's each one I'm saying

554
00:24:02,990 --> 00:24:01,320
the opposite you are right yes okay so

555
00:24:05,810 --> 00:24:03,000
take what you just said and flip it over

556
00:24:08,330 --> 00:24:05,820
backwards what I meant to say was if we

557
00:24:11,029 --> 00:24:08,340
face it I'm a better host than that I

558
00:24:12,950 --> 00:24:11,039
should have asked the question better it

559
00:24:14,750 --> 00:24:12,960
is the domino effect yes I understand

560
00:24:17,330 --> 00:24:14,760
what you gain that now yeah you're

561
00:24:21,049 --> 00:24:17,340
absolutely right yeah it does these is

562
00:24:23,390 --> 00:24:21,059
proven then they're all proven yes and

563
00:24:26,409 --> 00:24:23,400

the whole thing being Theory collapses

564

00:24:29,390 --> 00:24:26,419

like a castle of cats it really does yes

565

00:24:31,549 --> 00:24:29,400

and now and you're but you are also

566

00:24:34,789 --> 00:24:31,559

right now let's go back to your your

567

00:24:37,430 --> 00:24:34,799

answer though to my incorrect question

568

00:24:40,430 --> 00:24:37,440

if we pull one of these out

569

00:24:41,770 --> 00:24:40,440

then we also have a problem right if one

570

00:24:45,289 --> 00:24:41,780

of these

571

00:24:46,850 --> 00:24:45,299

ends up having an issue then we're gonna

572

00:24:50,029 --> 00:24:46,860

have problems with everything else

573

00:24:50,990 --> 00:24:50,039

including ET and maybe even physics in

574

00:24:52,789 --> 00:24:51,000

general

575

00:24:53,870 --> 00:24:52,799

that's right I mean if you just do an

576

00:24:56,149 --> 00:24:53,880

example pull out that's a physical

577

00:24:57,710 --> 00:24:56,159

phenomenon throw that away you know the

578

00:25:00,470 --> 00:24:57,720

big one of the biggest problem is you

579

00:25:02,450 --> 00:25:00,480

know that you know we talked with seti

580

00:25:03,649 --> 00:25:02,460

astronomers you know the guys there

581

00:25:06,049 --> 00:25:03,659

doing the work

582

00:25:08,270 --> 00:25:06,059

and they said something quite unusual to

583

00:25:09,110 --> 00:25:08,280

us actually they said space is unusually

584

00:25:11,029 --> 00:25:09,120

quiet

585

00:25:12,710 --> 00:25:11,039

I thought well that's interesting well

586

00:25:14,750 --> 00:25:12,720

when you look at the statistical surveys

587

00:25:16,549 --> 00:25:14,760

the new ones I'll come out now in

588

00:25:18,409 --> 00:25:16,559

regarding how many UFOs are seen around

589

00:25:20,450 --> 00:25:18,419

the world now of course you have to be

590

00:25:22,610 --> 00:25:20,460

conservative because not all countries

591

00:25:24,409 --> 00:25:22,620

are taking part in this and you have to

592

00:25:26,710 --> 00:25:24,419

say some of them are hoaxes and some of

593

00:25:30,769 --> 00:25:26,720

them are fakes some of misidentified

594

00:25:35,330 --> 00:25:30,779

however multiple thousands are seen each

595

00:25:37,370 --> 00:25:35,340

day over a period of just 24 hours now

596

00:25:40,070 --> 00:25:37,380

wherever all these thousands and

597

00:25:42,169 --> 00:25:40,080

thousands of UFOs coming from well there

598

00:25:43,789 --> 00:25:42,179

doesn't seem to be enough evidence that

599

00:25:45,950 --> 00:25:43,799

there's a super highway passing

600

00:25:48,350 --> 00:25:45,960

backwards and forwards to Earth yes they

601
00:25:50,269 --> 00:25:48,360
might get some things now and again NASA

602
00:25:53,269 --> 00:25:50,279
fill some anomalies as well as we know

603
00:25:54,890 --> 00:25:53,279
but we don't have a super highway Jimmy

604
00:25:56,690 --> 00:25:54,900
going back because of also where are

605
00:25:58,010 --> 00:25:56,700
they coming from so the theoretics

606
00:26:00,370 --> 00:25:58,020
behind this is that they must be

607
00:26:03,010 --> 00:26:00,380
manifesting in certain locations

608
00:26:05,570 --> 00:26:03,020
materialize go about their business

609
00:26:08,149 --> 00:26:05,580
dematerialize we always are seeing video

610
00:26:10,850 --> 00:26:08,159
footage of people and experiences with

611
00:26:12,890 --> 00:26:10,860
Waters saying yes this object just

612
00:26:14,750 --> 00:26:12,900
seemed to fade out I just blinked out it

613
00:26:16,669 --> 00:26:14,760

disappeared it switched on like a light

614

00:26:19,130 --> 00:26:16,679

bulb it just appeared there you know

615

00:26:20,870 --> 00:26:19,140

they seemingly have this capabilities of

616

00:26:23,810 --> 00:26:20,880

pocketing and popping out of our reality

617

00:26:25,789 --> 00:26:23,820

and that's the case and we didn't have

618

00:26:27,649 --> 00:26:25,799

metaphysical phenomena involved that

619

00:26:30,409 --> 00:26:27,659

would be an impossibility metaphysical

620

00:26:32,810 --> 00:26:30,419

phenomenals to exist then the highway

621

00:26:35,450 --> 00:26:32,820

would have to exist and that would be a

622

00:26:39,310 --> 00:26:35,460

visible thing that would be like the M5

623

00:26:42,789 --> 00:26:39,320

or M6 at 5 PM in London right absolutely

624

00:26:45,590 --> 00:26:42,799

absolutely yeah which uh is I understand

625

00:26:49,370 --> 00:26:45,600

it's pretty gnarly that's what I have

626

00:26:52,490 --> 00:26:49,380

heard so I do yeah yeah it is the

627

00:26:56,570 --> 00:26:52,500

um uh the the other part of that is

628

00:26:58,810 --> 00:26:56,580

where astronomers and and physicists

629

00:27:03,710 --> 00:26:58,820

will bring up that part of the argument

630

00:27:06,649 --> 00:27:03,720

that we would see Interstellar travel we

631

00:27:10,549 --> 00:27:06,659

would see trade routes we would see

632

00:27:14,029 --> 00:27:10,559

evidence of this occurring because they

633

00:27:16,789 --> 00:27:14,039

are still thinking uh you know nuts and

634

00:27:18,590 --> 00:27:16,799

bolts that that's how the travel would

635

00:27:20,930 --> 00:27:18,600

be and

636

00:27:23,390 --> 00:27:20,940

um that's probably not the case you

637

00:27:25,370 --> 00:27:23,400

wouldn't be no I don't think so I think

638

00:27:29,390 --> 00:27:25,380

you know if we if we dealing with an

639

00:27:32,570 --> 00:27:29,400

extra special Advanced civilization then

640

00:27:35,570 --> 00:27:32,580

surely they've worked out how method to

641

00:27:37,970 --> 00:27:35,580

cross such fast distances without having

642

00:27:40,669 --> 00:27:37,980

to literally travel now we could think

643

00:27:41,930 --> 00:27:40,679

about Wormhole technology I think my

644

00:27:44,510 --> 00:27:41,940

personal opinion is that they're

645

00:27:47,510 --> 00:27:44,520

utilizing Stars there's huge energies

646

00:27:49,789 --> 00:27:47,520

and magnetic fields around Stars could

647

00:27:52,490 --> 00:27:49,799

be utilized to create him literally a

648

00:27:55,130 --> 00:27:52,500

puncher hole through from star to star

649

00:27:56,870 --> 00:27:55,140

like Star hoppers in a sense of speaking

650

00:27:59,330 --> 00:27:56,880

and why would I come to such a

651
00:28:02,149 --> 00:27:59,340
conclusion the Soho satellites which

652
00:28:04,390 --> 00:28:02,159
have been monitoring our song for quite

653
00:28:08,690 --> 00:28:04,400
a number of years now the amount of

654
00:28:11,570 --> 00:28:08,700
recorded video footage of UFOs around

655
00:28:13,850 --> 00:28:11,580
the Sun entering the sun coming out of

656
00:28:15,350 --> 00:28:13,860
the sun is ridiculous there's still

657
00:28:18,409 --> 00:28:15,360
thousands of these things that are

658
00:28:20,990 --> 00:28:18,419
regularly recorded and reported you know

659
00:28:24,049 --> 00:28:21,000
and it's far too many to just throw away

660
00:28:26,750 --> 00:28:24,059
that theory that they're utilizing Stars

661
00:28:28,610 --> 00:28:26,760
somehow because they seem to be

662
00:28:30,169 --> 00:28:28,620
non-physical how can a craft just enter

663
00:28:32,930 --> 00:28:30,179

into the sun you think if you burn up

664

00:28:35,390 --> 00:28:32,940

but that's our physics and that's our

665

00:28:37,490 --> 00:28:35,400

understanding you know and how does an

666

00:28:39,470 --> 00:28:37,500

apparition walk through a wall where

667

00:28:42,409 --> 00:28:39,480

people claim to being abducted how do

668

00:28:44,390 --> 00:28:42,419

they be taken through a solid wall you

669

00:28:46,789 --> 00:28:44,400

know it's our physics which seems to

670

00:28:48,529 --> 00:28:46,799

cause that limitation of how we think

671

00:28:50,210 --> 00:28:48,539

and I think we obviously get out of that

672

00:28:52,430 --> 00:28:50,220

as soon as you draw a line and say okay

673

00:28:54,169 --> 00:28:52,440

is beyond that there's a new form of

674

00:28:56,750 --> 00:28:54,179

physics involved then everything will

675

00:29:01,310 --> 00:28:56,760

kind of seem to be slots into place

676
00:29:04,549 --> 00:29:01,320
well and and so uh before we move on

677
00:29:08,330 --> 00:29:04,559
if uh back to that domino theory right

678
00:29:10,789 --> 00:29:08,340
that Domino idea the metaphysical side

679
00:29:13,190 --> 00:29:10,799
of this ships appearing and disappearing

680
00:29:14,750 --> 00:29:13,200
and and and trust me Steve and I know

681
00:29:18,110 --> 00:29:14,760
you've gone through the same experience

682
00:29:21,289 --> 00:29:18,120
you know that I have and when you see

683
00:29:23,450 --> 00:29:21,299
that for the first time like I have

684
00:29:26,870 --> 00:29:23,460
dude I start to question my own reality

685
00:29:29,090 --> 00:29:26,880
and I I also start to question about how

686
00:29:30,950 --> 00:29:29,100
I'm going to speak to people because I

687
00:29:33,889 --> 00:29:30,960
don't want to sound like I have lost my

688
00:29:36,409 --> 00:29:33,899

friggin mind but you still see it and

689

00:29:40,250 --> 00:29:36,419

there's no other way to explain it but

690

00:29:43,370 --> 00:29:40,260

isn't that what ghosts are right isn't

691

00:29:47,210 --> 00:29:43,380

that what Bigfoot is brewing isn't that

692

00:29:50,149 --> 00:29:47,220

the Paranormal phenomena isn't that the

693

00:29:54,110 --> 00:29:50,159

spirit world isn't that everything else

694

00:29:57,230 --> 00:29:54,120

right it is yeah it's all interconnected

695

00:29:59,930 --> 00:29:57,240

you know how if you look at breaking

696

00:30:02,450 --> 00:29:59,940

down the aspects of each and every if

697

00:30:04,669 --> 00:30:02,460

you refer to say Cryptids you know

698

00:30:06,350 --> 00:30:04,679

creative encounters they seem to be uh

699

00:30:08,630 --> 00:30:06,360

bit like Poltergeist because their

700

00:30:12,350 --> 00:30:08,640

favorite juices you know most people say

701
00:30:15,590 --> 00:30:12,360
oh my God I was overwhelmed by a weird

702
00:30:17,630 --> 00:30:15,600
feeling of fear a horror terror I've

703
00:30:19,370 --> 00:30:17,640
never felt before right you know that's

704
00:30:24,669 --> 00:30:19,380
that's like Poltergeist stuff does that

705
00:30:30,350 --> 00:30:28,250
through demological phenomena it smelled

706
00:30:33,289 --> 00:30:30,360
during paranormal disturbances it

707
00:30:35,930 --> 00:30:33,299
smelled during UFO incidents the the

708
00:30:38,870 --> 00:30:35,940
smell of salt is strongly connected with

709
00:30:41,210 --> 00:30:38,880
all of this phenomenon and the more you

710
00:30:44,029 --> 00:30:41,220
go the more you look to say hang on a

711
00:30:47,450 --> 00:30:44,039
second please connect there's something

712
00:30:49,789 --> 00:30:47,460
going on here where the physics of it

713
00:30:51,350 --> 00:30:49,799

are found throughout all

714

00:30:53,630 --> 00:30:51,360

now

715

00:30:55,850 --> 00:30:53,640

um The sulfur thing that's just British

716

00:30:57,950 --> 00:30:55,860

folklore they're just talking British

717

00:31:01,490 --> 00:30:57,960

stuff now that's like that's that's UK

718

00:31:04,669 --> 00:31:01,500

stuff you know I have

719

00:31:08,930 --> 00:31:04,679

um uh and and so of the listeners right

720

00:31:11,510 --> 00:31:08,940

where you go through life uh in this

721

00:31:14,090 --> 00:31:11,520

research and and this community of ours

722

00:31:16,010 --> 00:31:14,100

and there's a lot of check boxes a lot

723

00:31:18,710 --> 00:31:16,020

of experiences you want to go through

724

00:31:20,810 --> 00:31:18,720

right and I'm Steve I'm checking them

725

00:31:23,210 --> 00:31:20,820

off you know one by one they're all

726

00:31:25,730 --> 00:31:23,220

happening I don't want the soul for

727

00:31:28,669 --> 00:31:25,740

check box that one is down on the bottom

728

00:31:30,529 --> 00:31:28,679

of the Liz fan I uh that's that's when

729

00:31:33,950 --> 00:31:30,539

you're gonna back up and go

730

00:31:36,289 --> 00:31:33,960

all right uh there is something going on

731

00:31:38,450 --> 00:31:36,299

yeah I haven't done the sulfur thing yet

732

00:31:41,810 --> 00:31:38,460

now Emily it's really interesting you

733

00:31:43,970 --> 00:31:41,820

know I mean if we look at James Fox most

734

00:31:46,310 --> 00:31:43,980

recent moment of contact documentary

735

00:31:49,370 --> 00:31:46,320

there's a little aspect in there where

736

00:31:50,990 --> 00:31:49,380

uh one of these entities was captured

737

00:31:56,029 --> 00:31:51,000

and

738

00:31:59,930 --> 00:31:56,039

unfortunately passed away

739

00:32:02,690 --> 00:31:59,940

and the smell of sulfur that he had

740

00:32:05,510 --> 00:32:02,700

absorbed not only onto his clothing but

741

00:32:08,450 --> 00:32:05,520

within his pores of his skin

742

00:32:10,970 --> 00:32:08,460

filled the hospital and it took them

743

00:32:13,610 --> 00:32:10,980

months to get rid of that smell that's

744

00:32:15,169 --> 00:32:13,620

exactly the same as another case that

745

00:32:17,810 --> 00:32:15,179

took place

746

00:32:19,850 --> 00:32:17,820

um of a gentleman he was a geologist who

747

00:32:22,850 --> 00:32:19,860

saw crafty with London looked like a

748

00:32:25,070 --> 00:32:22,860

silver UFO he walked up to it to shout

749

00:32:27,830 --> 00:32:25,080

he thought it was some experimental crap

750

00:32:30,230 --> 00:32:27,840

of some sort and it was a square air

751
00:32:32,510 --> 00:32:30,240
then of some floor on the side and this

752
00:32:34,850 --> 00:32:32,520
thing took off and it burned

753
00:32:37,490 --> 00:32:34,860
uh literally a chat pattern onto his

754
00:32:39,950 --> 00:32:37,500
chest he was rushed to hospital exactly

755
00:32:41,870 --> 00:32:39,960
the same thing he the smell of sulfur

756
00:32:43,789 --> 00:32:41,880
filled his clothing and filled his paws

757
00:32:46,250 --> 00:32:43,799
of his skin and again it's what monster

758
00:32:49,669 --> 00:32:46,260
rid the smell of sulfur from the

759
00:32:52,370 --> 00:32:49,679
hospital that same smell of sulfur is

760
00:32:55,070 --> 00:32:52,380
suddenly fills the air during Cryptid

761
00:32:57,590 --> 00:32:55,080
encounters Bigfoot encounters it fills

762
00:32:59,510 --> 00:32:57,600
the Air Jordan UFO incidents it fills

763
00:33:01,430 --> 00:32:59,520

the edge or in paranormal disturbances

764

00:33:03,529 --> 00:33:01,440

and it's very commonly known throughout

765

00:33:06,529 --> 00:33:03,539

you know this developer demological

766

00:33:08,330 --> 00:33:06,539

phenomena so why should that be why

767

00:33:11,210 --> 00:33:08,340

should we have all these interconnection

768

00:33:16,210 --> 00:33:11,220

things yeah that's that's right and what

769

00:33:22,610 --> 00:33:19,610

my second name I mean how do you how do

770

00:33:24,169 --> 00:33:22,620

you this is what I felt bad for him in

771

00:33:27,470 --> 00:33:24,179

that case

772

00:33:30,350 --> 00:33:27,480

and I'm not this isn't my comedy act in

773

00:33:33,649 --> 00:33:30,360

Las Vegas this is uh Fade to Black this

774

00:33:35,389 --> 00:33:33,659

is how do you explain that to your wife

775

00:33:37,789 --> 00:33:35,399

because that's what he did if you

776

00:33:39,889 --> 00:33:37,799

remember he stopped home his clothes

777

00:33:43,190 --> 00:33:39,899

were all torn up remember he's got the

778

00:33:45,370 --> 00:33:43,200

bird on his chest he reeks of sulfur and

779

00:33:51,049 --> 00:33:45,380

he's got to go in and tell a UFO story

780

00:33:54,590 --> 00:33:51,059

and you've got to I mean that's that's a

781

00:33:57,230 --> 00:33:54,600

that's it yeah but he's he's um

782

00:34:01,250 --> 00:33:57,240

he quickly

783

00:34:04,850 --> 00:34:01,260

fell ill very quickly and ended up in

784

00:34:06,649 --> 00:34:04,860

hospital for quite some time and his son

785

00:34:08,329 --> 00:34:06,659

actually did a you know did a full

786

00:34:10,730 --> 00:34:08,339

document and everything kept all the

787

00:34:12,770 --> 00:34:10,740

information and uh literally wrote up

788

00:34:16,690 --> 00:34:12,780

everything regarding his experience but

789

00:34:20,089 --> 00:34:16,700

uh yeah it's it's a profound one now

790

00:34:21,710 --> 00:34:20,099

that okay I don't want to spend a whole

791

00:34:26,570 --> 00:34:21,720

lot of time on this but I just want to

792

00:34:29,629 --> 00:34:26,580

refresh my memory that's when he had his

793

00:34:32,930 --> 00:34:29,639

truck he was walking his dog right and

794

00:34:35,329 --> 00:34:32,940

he went out near the forest Falcon was

795

00:34:37,190 --> 00:34:35,339

it Falcon Lake is the environment but I

796

00:34:38,510 --> 00:34:37,200

know he was into a geology and he was he

797

00:34:40,369 --> 00:34:38,520

had a little

798

00:34:41,930 --> 00:34:40,379

um hammer with him and he was going

799

00:34:44,930 --> 00:34:41,940

looking for sorts of you know different

800

00:34:46,790 --> 00:34:44,940

types of uh stoves and things and he was

801
00:34:48,950 --> 00:34:46,800
just passing the day and he heard a

802
00:34:51,349 --> 00:34:48,960
craft some type of hobby he looked up he

803
00:34:52,669 --> 00:34:51,359
was very low just above the trees he

804
00:34:55,730 --> 00:34:52,679
looked like it was in some form of

805
00:34:58,370 --> 00:34:55,740
distress it was a perfect silver Flying

806
00:35:00,770 --> 00:34:58,380
Saucer type I craft

807
00:35:03,530 --> 00:35:00,780
he he watched it come down to in the

808
00:35:05,630 --> 00:35:03,540
distance Ali saw it landing on a ridge

809
00:35:07,849 --> 00:35:05,640
he made his way there the door was

810
00:35:09,410 --> 00:35:07,859
actually open on the craft he made his

811
00:35:12,770 --> 00:35:09,420
way there I think Julie was obviously

812
00:35:14,810 --> 00:35:12,780
some type of top secret U.S military uh

813
00:35:16,970 --> 00:35:14,820

crafters had been flying maybe it came

814

00:35:19,010 --> 00:35:16,980

under some problems but he was also an

815

00:35:20,690 --> 00:35:19,020

engineer so I thought maybe I might be

816

00:35:22,849 --> 00:35:20,700

able to help out these guys might be in

817

00:35:24,530 --> 00:35:22,859

trouble so he walks up towards the door

818

00:35:26,690 --> 00:35:24,540

which was open

819

00:35:28,609 --> 00:35:26,700

and he shouted him guys do you need any

820

00:35:31,609 --> 00:35:28,619

help and he did hear some chattering in

821

00:35:33,950 --> 00:35:31,619

there chatter yeah yeah and then what

822

00:35:35,990 --> 00:35:33,960

happened was all of a sudden he didn't

823

00:35:38,030 --> 00:35:36,000

realize but he's standing next to the

824

00:35:40,730 --> 00:35:38,040

side of this subject that is an air then

825

00:35:43,190 --> 00:35:40,740

or some type of exhaust and uh and

826

00:35:45,950 --> 00:35:43,200

that's thing is this thing just blasts

827

00:35:47,630 --> 00:35:45,960

at him and took off silently and then

828

00:35:49,849 --> 00:35:47,640

wobbled around a little bit and then

829

00:35:52,910 --> 00:35:49,859

took up took away

830

00:35:55,310 --> 00:35:52,920

um and that burnt right through his

831

00:35:56,569 --> 00:35:55,320

clothing and made that burn mark pattern

832

00:35:59,870 --> 00:35:56,579

on his skin

833

00:36:01,730 --> 00:35:59,880

and um and he was uh yeah he was quite

834

00:36:03,470 --> 00:36:01,740

severely ill for quite some time after

835

00:36:04,569 --> 00:36:03,480

that incident yeah it's an incredible

836

00:36:07,910 --> 00:36:04,579

photograph

837

00:36:10,849 --> 00:36:07,920

of of him with his exposed chest in that

838

00:36:14,030 --> 00:36:10,859

that pattern that's uh burned it's big

839

00:36:17,690 --> 00:36:14,040

it's like yeah yeah yeah yeah

840

00:36:20,390 --> 00:36:17,700

um now uh what are how many how many

841

00:36:22,849 --> 00:36:20,400

people were involved in this study

842

00:36:25,190 --> 00:36:22,859

uh well there's really I mean I I

843

00:36:27,230 --> 00:36:25,200

initiated with a colleague called Barry

844

00:36:30,109 --> 00:36:27,240

Fitzgerald though many people know Barry

845

00:36:32,150 --> 00:36:30,119

Fitzgerald from being the head

846

00:36:33,950 --> 00:36:32,160

um investigator of Ghost Hunters

847

00:36:36,230 --> 00:36:33,960

International

848

00:36:37,910 --> 00:36:36,240

um which was a TV show that was on

849

00:36:39,710 --> 00:36:37,920

sci-fi they went to 53 different

850

00:36:41,329 --> 00:36:39,720

countries investigating paranormal

851

00:36:45,470 --> 00:36:41,339

phenomena

852

00:36:49,310 --> 00:36:45,480

um but his uh his passion is um ancient

853

00:36:51,950 --> 00:36:49,320

sites and UFOs those sort of things and

854

00:36:54,650 --> 00:36:51,960

uh we've both been involved heavily in

855

00:36:55,430 --> 00:36:54,660

in the Paranormal I went I think I went

856

00:36:58,190 --> 00:36:55,440

a little bit further into

857

00:37:00,410 --> 00:36:58,200

parapsychological research and uh

858

00:37:02,870 --> 00:37:00,420

experiments which we conducted we

859

00:37:04,310 --> 00:37:02,880

conducted there was 17 experiments which

860

00:37:06,230 --> 00:37:04,320

were conducted only five have been

861

00:37:08,089 --> 00:37:06,240

released in a public domain yet at this

862

00:37:11,270 --> 00:37:08,099

moment in time but those were very very

863

00:37:13,310 --> 00:37:11,280

interesting and it was a there was um

864

00:37:16,370 --> 00:37:13,320

an area that I was also interested in

865

00:37:18,650 --> 00:37:16,380

the UFO phenomena but you know I kind of

866

00:37:21,589 --> 00:37:18,660

exhausted everything I could do in the

867

00:37:24,410 --> 00:37:21,599

UFOs I thought well you know I I want

868

00:37:26,930 --> 00:37:24,420

answers where do I go to get them I used

869

00:37:29,569 --> 00:37:26,940

to think oh well the books the the

870

00:37:33,890 --> 00:37:29,579

authors and you read them but you don't

871

00:37:35,450 --> 00:37:33,900

get the answers you get more data and

872

00:37:38,270 --> 00:37:35,460

the data and the data and data keeps

873

00:37:39,950 --> 00:37:38,280

growing to the point where I felt like I

874

00:37:42,290 --> 00:37:39,960

was only adding them Stone to the

875

00:37:44,810 --> 00:37:42,300

mountain I already had and I thought I

876

00:37:47,030 --> 00:37:44,820

won answers how do we get them how do we

877

00:37:49,010 --> 00:37:47,040

advance this subject you know public

878

00:37:50,810 --> 00:37:49,020

inquiries into the UI and we do need a

879

00:37:52,150 --> 00:37:50,820

new one to be honest with Jimmy now now

880

00:37:54,530 --> 00:37:52,160

we always started to understand

881

00:37:56,569 --> 00:37:54,540

paranormal aspects and the metaphysical

882

00:37:59,150 --> 00:37:56,579

phenomena of stuff

883

00:38:00,530 --> 00:37:59,160

but back then you know in the 60s we

884

00:38:02,390 --> 00:38:00,540

started having these things you know

885

00:38:04,490 --> 00:38:02,400

these inquiries into the UFO phenomena

886

00:38:06,310 --> 00:38:04,500

whole different matter but then we need

887

00:38:10,250 --> 00:38:06,320

some well we

888

00:38:12,530 --> 00:38:10,260

2023 now surely we've got some answers

889

00:38:15,109 --> 00:38:12,540

and I thought well if we haven't then

890

00:38:17,510 --> 00:38:15,119

how do we get it so I thought let's do

891

00:38:21,410 --> 00:38:17,520

some studying and the first thing where

892

00:38:23,450 --> 00:38:21,420

we actually did myself and Barry was to

893

00:38:25,010 --> 00:38:23,460

do statistics and we looked at the

894

00:38:27,530 --> 00:38:25,020

amount of sightings taking place around

895

00:38:31,370 --> 00:38:27,540

the world then we looked and listed the

896

00:38:32,990 --> 00:38:31,380

most the 200 most significant UFO

897

00:38:35,390 --> 00:38:33,000

incidents worldwide

898

00:38:37,790 --> 00:38:35,400

and we cross-referenced it using two

899

00:38:40,329 --> 00:38:37,800

different satellites in orbit uh one

900

00:38:43,730 --> 00:38:40,339

which is which is mapping the Earth's

901
00:38:46,910 --> 00:38:43,740
gravitational anomalies and another one

902
00:38:48,290 --> 00:38:46,920
is mapping magnetic anomalies and we

903
00:38:52,490 --> 00:38:48,300
overlaid them

904
00:38:56,510 --> 00:38:52,500
and what we found is that all

905
00:38:58,310 --> 00:38:56,520
all 200 of those major incidents the

906
00:38:59,630 --> 00:38:58,320
most credible ones that took place

907
00:39:03,589 --> 00:38:59,640
around the planet

908
00:39:06,770 --> 00:39:03,599
took place in locations in regions where

909
00:39:10,250 --> 00:39:06,780
there was a positive magnetic anomaly of

910
00:39:12,890 --> 00:39:10,260
over 200 Nano Tesla and then we realized

911
00:39:14,870 --> 00:39:12,900
okay can that be by chance

912
00:39:17,630 --> 00:39:14,880
and of course when we increase that from

913
00:39:20,150 --> 00:39:17,640

200 to 2000 we realize that is not by

914

00:39:22,370 --> 00:39:20,160

chance you know not only we're having

915

00:39:25,370 --> 00:39:22,380

strange disappearances like David

916

00:39:28,069 --> 00:39:25,380

Pilates work uh in areas where positive

917

00:39:30,470 --> 00:39:28,079

magnetic regions of over 200 Nano Tesla

918

00:39:32,930 --> 00:39:30,480

it's happening in all the major

919

00:39:36,410 --> 00:39:32,940

locations around the world where these

920

00:39:37,910 --> 00:39:36,420

UFOs incidents are happening and we're

921

00:39:40,190 --> 00:39:37,920

not just talking you know seeing a light

922

00:39:42,410 --> 00:39:40,200

in the sky here these are major cases

923

00:39:44,329 --> 00:39:42,420

and for that

924

00:39:46,069 --> 00:39:44,339

can't be by chance there's got to be

925

00:39:49,910 --> 00:39:46,079

something which is going on there and

926

00:39:53,750 --> 00:39:49,920

that's what led us in to realizing that

927

00:39:55,970 --> 00:39:53,760

the UFO phenomena has a very very strong

928

00:39:58,130 --> 00:39:55,980

Association it's a geological and

929

00:40:01,130 --> 00:39:58,140

geophysical the ground of the Earth

930

00:40:03,890 --> 00:40:01,140

itself as opposed to the sky you know

931

00:40:05,870 --> 00:40:03,900

most UFOs are flying from one place to

932

00:40:08,089 --> 00:40:05,880

the other but you know most of them are

933

00:40:10,190 --> 00:40:08,099

doing geological testifying beams of

934

00:40:11,750 --> 00:40:10,200

light Downs at the ground you know they

935

00:40:14,630 --> 00:40:11,760

they were monitoring obviously

936

00:40:15,829 --> 00:40:14,640

everything that we're doing as well but

937

00:40:19,010 --> 00:40:15,839

there's some strong connection

938

00:40:23,089 --> 00:40:19,020

geological geophysical here and the last

939

00:40:26,750 --> 00:40:23,099

straw was is when the tsa came out and

940

00:40:29,089 --> 00:40:26,760

um and basically mentioned about the uh

941

00:40:32,089 --> 00:40:29,099

you know how these things have certain

942

00:40:35,390 --> 00:40:32,099

methods of being able to move around

943

00:40:38,990 --> 00:40:35,400

and um what was flying on the walls or

944

00:40:41,750 --> 00:40:39,000

being underwater in the sky in space

945

00:40:43,970 --> 00:40:41,760

um but what they left out was well these

946

00:40:47,870 --> 00:40:43,980

things have the capabilities to fly into

947

00:40:49,790 --> 00:40:47,880

mountains you know that I know that you

948

00:40:51,650 --> 00:40:49,800

have uh somebody peeking around the

949

00:40:54,050 --> 00:40:51,660

corner in the background oh that'd be

950

00:40:57,550 --> 00:40:54,060

jacking with me yeah I loved it yeah

951
00:40:59,589 --> 00:40:57,560

thank you thank you Jackie

952
00:41:03,410 --> 00:40:59,599

yeah

953
00:41:04,970 --> 00:41:03,420

as I do Jimmy because you've seen them

954
00:41:06,790 --> 00:41:04,980

you know right

955
00:41:08,990 --> 00:41:06,800

um they go into the ground they go into

956
00:41:11,210 --> 00:41:09,000

hillsides they go into Mountains they're

957
00:41:14,390 --> 00:41:11,220

going to you know how can they do that

958
00:41:15,950 --> 00:41:14,400

these are physical they just simply go

959
00:41:18,890 --> 00:41:15,960

into going some houses so there's a

960
00:41:20,329 --> 00:41:18,900

there's another method of

961
00:41:25,670 --> 00:41:20,339

now

962
00:41:28,130 --> 00:41:25,680

um the if if we go back and we look at a

963
00:41:30,290 --> 00:41:28,140

different reports that that are

964

00:41:31,970 --> 00:41:30,300

surfacing now I'm just at the at the

965

00:41:35,089 --> 00:41:31,980

government level where this research is

966

00:41:36,650 --> 00:41:35,099

there and you know we've got stuff you

967

00:41:38,329 --> 00:41:36,660

know out of France we've got stuff out

968

00:41:41,030 --> 00:41:38,339

of the UK we've certainly got stuff here

969

00:41:44,089 --> 00:41:41,040

out of the United States and

970

00:41:47,270 --> 00:41:44,099

um that starts talking about

971

00:41:50,650 --> 00:41:47,280

a frequencies

972

00:41:53,270 --> 00:41:50,660

um and and B possible injuries and then

973

00:41:57,109 --> 00:41:53,280

associated with that

974

00:42:00,890 --> 00:41:57,119

um and then a third part with this that

975

00:42:05,150 --> 00:42:00,900

frequencies may also affect the meta

976
00:42:06,890 --> 00:42:05,160
materials and how they are viewed and

977
00:42:07,970 --> 00:42:06,900
utilized

978
00:42:11,150 --> 00:42:07,980
um but we're all talking about

979
00:42:14,630 --> 00:42:11,160
frequencies here and then you have the

980
00:42:17,210 --> 00:42:14,640
witnesses themselves speaking about this

981
00:42:18,950 --> 00:42:17,220
so that makes item number four and

982
00:42:20,810 --> 00:42:18,960
they're all tied together

983
00:42:23,569 --> 00:42:20,820
yeah now this is really interesting

984
00:42:25,970 --> 00:42:23,579
because when we look after doing two

985
00:42:28,490 --> 00:42:25,980
years of research and we did travel

986
00:42:30,410 --> 00:42:28,500
around to different countries around the

987
00:42:32,630 --> 00:42:30,420
world to conduct This research because

988
00:42:35,329 --> 00:42:32,640

we wanted to go to these locations and

989

00:42:38,870 --> 00:42:35,339

prove it that these things are these

990

00:42:41,410 --> 00:42:38,880

locations are very potent and they're

991

00:42:44,630 --> 00:42:41,420

all women pretty much aware away from

992

00:42:46,130 --> 00:42:44,640

anyone you know not humans I think the

993

00:42:48,829 --> 00:42:46,140

phenomenalize that sometimes especially

994

00:42:51,950 --> 00:42:48,839

the way it's manifested and what was

995

00:42:53,930 --> 00:42:51,960

really interesting is we we did a report

996

00:42:57,650 --> 00:42:53,940

and it was the first scientific report

997

00:42:59,329 --> 00:42:57,660

that we did on Project doorway and um I

998

00:43:01,430 --> 00:42:59,339

distributed it out onto the internet

999

00:43:03,290 --> 00:43:01,440

shortly for a small period of time to

1000

00:43:06,530 --> 00:43:03,300

see how things would go

1001
00:43:10,309 --> 00:43:06,540
and um I was contacted by the scientific

1002
00:43:12,470 --> 00:43:10,319
Coalition of UAP studies in the U.S

1003
00:43:14,930 --> 00:43:12,480
and um

1004
00:43:17,030 --> 00:43:14,940
yeah and uh they Caleb asked me to join

1005
00:43:19,910 --> 00:43:17,040
you know and another thought well this

1006
00:43:22,609 --> 00:43:19,920
is interesting because I am aware of the

1007
00:43:26,450 --> 00:43:22,619
seu what the work they do and they're

1008
00:43:28,910 --> 00:43:26,460
quite a high priority organization the

1009
00:43:30,710 --> 00:43:28,920
likes of people uh Travis Taylor has

1010
00:43:32,990 --> 00:43:30,720
been there in July and Sanders been

1011
00:43:35,870 --> 00:43:33,000
there and uh and of course it's also

1012
00:43:38,930 --> 00:43:35,880
associated with how Potter Eric Davis

1013
00:43:41,030 --> 00:43:38,940

and I was told how you know um helpful

1014

00:43:44,750 --> 00:43:41,040

suffered looked at our work

1015

00:43:46,550 --> 00:43:44,760

and um that led me to think okay you

1016

00:43:50,030 --> 00:43:46,560

know what when we was we're getting

1017

00:43:52,309 --> 00:43:50,040

somewhere here and uh and that pushed us

1018

00:43:55,490 --> 00:43:52,319

even further and of course the further

1019

00:43:58,370 --> 00:43:55,500

we went down that road and we realized

1020

00:44:01,190 --> 00:43:58,380

that we can go to these places and have

1021

00:44:03,050 --> 00:44:01,200

interactions with this phenomenon and

1022

00:44:05,290 --> 00:44:03,060

and what did you find out let me pop

1023

00:44:07,550 --> 00:44:05,300

this up here real quick this is

1024

00:44:10,250 --> 00:44:07,560

semi-related uh well everything is

1025

00:44:12,650 --> 00:44:10,260

connected yes what did you start to find

1026
00:44:14,450 --> 00:44:12,660
out well you know what when we were able

1027
00:44:15,950 --> 00:44:14,460
to find lupine I mean because the

1028
00:44:18,050 --> 00:44:15,960
biggest thing is usually a shot in the

1029
00:44:20,750 --> 00:44:18,060
dark I'm gonna go out and see UFO

1030
00:44:23,569 --> 00:44:20,760
tonight can you guarantee it well we can

1031
00:44:25,970 --> 00:44:23,579
over a period of time we can because we

1032
00:44:27,290 --> 00:44:25,980
know where to go because we know where

1033
00:44:29,870 --> 00:44:27,300
they seem really phenomenal is

1034
00:44:32,210 --> 00:44:29,880
manifesting so when we go out to these

1035
00:44:33,790 --> 00:44:32,220
locations it allows us to conduct tests

1036
00:44:36,530 --> 00:44:33,800
at the time of phenomena being present

1037
00:44:38,450 --> 00:44:36,540
when we did go out into these to do

1038
00:44:41,089 --> 00:44:38,460

these tests we found out that a lot of

1039

00:44:43,430 --> 00:44:41,099

these objects these craft or light

1040

00:44:45,349 --> 00:44:43,440

phenomena some of them are intelligent

1041

00:44:47,210 --> 00:44:45,359

light forms that's something else we've

1042

00:44:49,430 --> 00:44:47,220

got to get into because people are

1043

00:44:51,230 --> 00:44:49,440

mistaking them they called UAP but there

1044

00:44:53,270 --> 00:44:51,240

are there's something else going on in

1045

00:44:56,750 --> 00:44:53,280

the atmosphere as well regarding

1046

00:44:58,730 --> 00:44:56,760

intelligent light forms but um they're

1047

00:45:01,370 --> 00:44:58,740

generating impersonic sound

1048

00:45:02,930 --> 00:45:01,380

the UFOs themselves and we measured it

1049

00:45:05,630 --> 00:45:02,940

we measure two different frequencies

1050

00:45:08,510 --> 00:45:05,640

coming from them one of which is a very

1051
00:45:10,190 --> 00:45:08,520
low frequency and um and another one is

1052
00:45:12,170 --> 00:45:10,200
around about the 19 her frequency which

1053
00:45:14,329 --> 00:45:12,180
is a little bit higher and the 90 Hertz

1054
00:45:16,730 --> 00:45:14,339
equals it generates fear as well there's

1055
00:45:19,069 --> 00:45:16,740
a fear it's nickname the fair frequency

1056
00:45:20,930 --> 00:45:19,079
in power psychology and they are

1057
00:45:22,490 --> 00:45:20,940
producing it and that is where we have

1058
00:45:25,309 --> 00:45:22,500
those wonderful moments like the Steven

1059
00:45:27,950 --> 00:45:25,319
Spielberg movie you know where Coastal

1060
00:45:29,990 --> 00:45:27,960
counters of the Third Kind where we sat

1061
00:45:32,450 --> 00:45:30,000
in his truck he's reading his map and

1062
00:45:36,109 --> 00:45:32,460
all of a sudden all the critics go quiet

1063
00:45:38,089 --> 00:45:36,119

and then this incident happens the UFO

1064

00:45:40,670 --> 00:45:38,099

now

1065

00:45:42,410 --> 00:45:40,680

Craig is a hairy meme for sound it's as

1066

00:45:44,150 --> 00:45:42,420

simple as that because it's a warning

1067

00:45:46,309 --> 00:45:44,160

mechanism to them they can hear him for

1068

00:45:48,410 --> 00:45:46,319

Sonic and as you're walking through Tall

1069

00:45:50,630 --> 00:45:48,420

Grass you know these brushes against it

1070

00:45:52,370 --> 00:45:50,640

generates into Sonic sound so if you

1071

00:45:53,569 --> 00:45:52,380

think there's Predators around so they

1072

00:45:55,910 --> 00:45:53,579

fall quiet

1073

00:45:58,430 --> 00:45:55,920

and this is the same process why people

1074

00:46:01,550 --> 00:45:58,440

have this sudden quietness there's even

1075

00:46:04,910 --> 00:46:01,560

Birds you know us can hear infrasound

1076
00:46:06,410 --> 00:46:04,920
and they can they suddenly just go quiet

1077
00:46:09,410 --> 00:46:06,420
um and the phenomena generates that

1078
00:46:12,530 --> 00:46:09,420
sometimes that's experience prior to the

1079
00:46:14,150 --> 00:46:12,540
UFO sightings itself but they are

1080
00:46:18,230 --> 00:46:14,160
generating this themselves and we've

1081
00:46:20,990 --> 00:46:18,240
recorded this yeah and so it it makes me

1082
00:46:24,109 --> 00:46:21,000
wonder Steve that it's it's not

1083
00:46:26,750 --> 00:46:24,119
necessarily that's the way we react and

1084
00:46:29,630 --> 00:46:26,760
you know the species on the earth react

1085
00:46:33,710 --> 00:46:29,640
to it but it just may be the operation

1086
00:46:37,309 --> 00:46:33,720
of the ship itself right where it is uh

1087
00:46:40,790 --> 00:46:37,319
cloaking itself it's a it's the systems

1088
00:46:42,770 --> 00:46:40,800

on the ship doing their thing uh maybe

1089

00:46:44,870 --> 00:46:42,780

it's cloaking uncloaking the amount of

1090

00:46:48,589 --> 00:46:44,880

materials are doing it's what happens

1091

00:46:50,930 --> 00:46:48,599

when it enters or exits through uh some

1092

00:46:52,670 --> 00:46:50,940

type of portal or Wormhole and we've

1093

00:46:55,790 --> 00:46:52,680

seen more and more evidence of that

1094

00:46:59,089 --> 00:46:55,800

around the world world and that it's

1095

00:47:01,190 --> 00:46:59,099

just the sound emitting from like when

1096

00:47:02,510 --> 00:47:01,200

you hear a jet fly overhead yeah

1097

00:47:04,609 --> 00:47:02,520

absolutely it could be certainly a

1098

00:47:07,250 --> 00:47:04,619

byproduct of the uh of the Cross

1099

00:47:11,150 --> 00:47:07,260

mechanisms certainly

1100

00:47:14,390 --> 00:47:11,160

um but uh what's really interesting is

1101

00:47:16,309 --> 00:47:14,400

that a lot of these objects have anoric

1102

00:47:18,190 --> 00:47:16,319

field around them in other words they

1103

00:47:21,410 --> 00:47:18,200

look like light

1104

00:47:23,510 --> 00:47:21,420

and there's a craft in there

1105

00:47:26,030 --> 00:47:23,520

and he's anoric field around the light

1106

00:47:28,010 --> 00:47:26,040

it covers the the outside of the crack

1107

00:47:30,890 --> 00:47:28,020

now when you we've got measuring

1108

00:47:33,829 --> 00:47:30,900

equipment now which looks and measures

1109

00:47:36,349 --> 00:47:33,839

the Delight formation and can give us a

1110

00:47:38,510 --> 00:47:36,359

breakdown on that a frequency of light

1111

00:47:42,470 --> 00:47:38,520

surrounding some of these objects it's

1112

00:47:45,050 --> 00:47:42,480

been done in has done in Norway as well

1113

00:47:46,010 --> 00:47:45,060

where they've looked at these objects in

1114

00:47:48,290 --> 00:47:46,020

the sky

1115

00:47:51,290 --> 00:47:48,300

and not all of them are natural for

1116

00:47:53,690 --> 00:47:51,300

known by the way and the measuring just

1117

00:47:56,089 --> 00:47:53,700

as we measured there's a terahertz

1118

00:47:59,349 --> 00:47:56,099

frequency around

1119

00:48:05,030 --> 00:48:02,809

this is this is one of your images oh

1120

00:48:06,770 --> 00:48:05,040

this is Barry Fitzgerald and Perry's

1121

00:48:08,630 --> 00:48:06,780

Amazing by the way

1122

00:48:12,410 --> 00:48:08,640

um nobody's first class is better than

1123

00:48:14,870 --> 00:48:12,420

Barry Fitzgerald okay so uh what's going

1124

00:48:18,230 --> 00:48:14,880

on here well this is in one of those

1125

00:48:19,790 --> 00:48:18,240

locations positive magnetic regions

1126
00:48:22,730 --> 00:48:19,800
um and you can see how far away we are

1127
00:48:25,190 --> 00:48:22,740
from the city there you know and Barry's

1128
00:48:28,790 --> 00:48:25,200
well you know we're deep deep into the

1129
00:48:31,550 --> 00:48:28,800
into the desert uh away from everybody

1130
00:48:32,569 --> 00:48:31,560
and uh this is the manifestation of of

1131
00:48:34,670 --> 00:48:32,579
three

1132
00:48:36,710 --> 00:48:34,680
of those objects now we nicknamed him

1133
00:48:38,329 --> 00:48:36,720
and well we nicknamed them the Amber

1134
00:48:40,370 --> 00:48:38,339
gamblers because they tend to be Amber

1135
00:48:42,770 --> 00:48:40,380
usually in color

1136
00:48:44,690 --> 00:48:42,780
um but they are intelligent and they act

1137
00:48:47,510 --> 00:48:44,700
intelligently this is one of his own

1138
00:48:50,510 --> 00:48:47,520

photographs from Arizona September 2012.

1139

00:48:52,370 --> 00:48:50,520

uh we have daylight photographs we have

1140

00:48:54,470 --> 00:48:52,380

video footage

1141

00:48:56,270 --> 00:48:54,480

um we even have structured craft which

1142

00:48:58,430 --> 00:48:56,280

we've managed to you know get very close

1143

00:49:00,170 --> 00:48:58,440

photography and video of them if they

1144

00:49:01,970 --> 00:49:00,180

allow us because sometimes they just

1145

00:49:03,650 --> 00:49:01,980

don't allow us and we it seriously it's

1146

00:49:05,450 --> 00:49:03,660

really criminal in the trunk then

1147

00:49:08,089 --> 00:49:05,460

they'll suddenly appear

1148

00:49:12,050 --> 00:49:08,099

um but this was um again another

1149

00:49:14,750 --> 00:49:12,060

location where phenomena manifests

1150

00:49:17,569 --> 00:49:14,760

and knows about his business now how do

1151

00:49:21,170 --> 00:49:17,579

you explain this though

1152

00:49:22,670 --> 00:49:21,180

explain uh what is actually going on

1153

00:49:25,550 --> 00:49:22,680

here

1154

00:49:28,250 --> 00:49:25,560

um when you have an lhp like this

1155

00:49:30,050 --> 00:49:28,260

aluminous Halo phenomenon uh we're

1156

00:49:32,089 --> 00:49:30,060

looking at a physical craft are we

1157

00:49:34,370 --> 00:49:32,099

looking at an energy source are we

1158

00:49:36,230 --> 00:49:34,380

looking well It's tricky because there

1159

00:49:40,609 --> 00:49:36,240

are two things out there look identical

1160

00:49:44,510 --> 00:49:40,619

and I can prove that because I video

1161

00:49:46,930 --> 00:49:44,520

um military video footage now of them of

1162

00:49:49,730 --> 00:49:46,940

the US military in Afghanistan

1163

00:49:52,809 --> 00:49:49,740

firing a missile and hitting two of

1164

00:49:55,550 --> 00:49:52,819

these these objects and they just

1165

00:49:57,170 --> 00:49:55,560

disintegrated and then reformed and

1166

00:49:58,849 --> 00:49:57,180

carried on doing what they were doing as

1167

00:50:00,290 --> 00:49:58,859

if they weren't physical in nature at

1168

00:50:02,510 --> 00:50:00,300

all

1169

00:50:04,370 --> 00:50:02,520

um but then there are also structured

1170

00:50:06,290 --> 00:50:04,380

crafts which generates an auric field so

1171

00:50:08,690 --> 00:50:06,300

it's very difficult to tell

1172

00:50:10,910 --> 00:50:08,700

but what we do know is that when when

1173

00:50:12,410 --> 00:50:10,920

I'm being part of the SCU you get to

1174

00:50:14,630 --> 00:50:12,420

hear about some of the tests that other

1175

00:50:16,490 --> 00:50:14,640

people were doing how put up was heavily

1176

00:50:18,170 --> 00:50:16,500

involved in better material analysis as

1177

00:50:19,790 --> 00:50:18,180

you probably know

1178

00:50:22,430 --> 00:50:19,800

um some of that documentation that was

1179

00:50:26,030 --> 00:50:22,440

released was the experiments utilized

1180

00:50:28,550 --> 00:50:26,040

utilizing UFO meta materials and how

1181

00:50:30,170 --> 00:50:28,560

they acted under certain conditions one

1182

00:50:31,970 --> 00:50:30,180

of those conditions now this is what's

1183

00:50:34,849 --> 00:50:31,980

really interesting one of those

1184

00:50:36,530 --> 00:50:34,859

conditions was they applied a terahertz

1185

00:50:37,849 --> 00:50:36,540

frequency

1186

00:50:40,130 --> 00:50:37,859

to it

1187

00:50:43,309 --> 00:50:40,140

and that meta material lost its weight

1188

00:50:45,589 --> 00:50:43,319

value immediately until they turned the

1189

00:50:47,990 --> 00:50:45,599

light source frequency off

1190

00:50:50,089 --> 00:50:48,000

and that terahertz that was a terahertz

1191

00:50:53,450 --> 00:50:50,099

frequency so

1192

00:50:56,630 --> 00:50:53,460

the light source generated might be able

1193

00:50:58,910 --> 00:50:56,640

to keep the craft Aloft because of what

1194

00:51:00,589 --> 00:50:58,920

it's made of those type of metal

1195

00:51:03,290 --> 00:51:00,599

materials

1196

00:51:04,670 --> 00:51:03,300

what did you make of uh before we hit

1197

00:51:07,730 --> 00:51:04,680

the Break

1198

00:51:10,069 --> 00:51:07,740

um uh what did you make of the uh

1199

00:51:12,710 --> 00:51:10,079

breaking news over the weekend of the

1200

00:51:14,690 --> 00:51:12,720

cattle mutilations out here in Texas

1201
00:51:19,010 --> 00:51:14,700
oh I still did the cattle mutilations

1202
00:51:22,190 --> 00:51:19,020
and I think my my theory behind this is

1203
00:51:25,309 --> 00:51:22,200
all about the uh it's all about immunity

1204
00:51:27,530 --> 00:51:25,319
and because you know we now know through

1205
00:51:29,990 --> 00:51:27,540
scientists who have taken samples from

1206
00:51:32,390 --> 00:51:30,000
the brains of these animals

1207
00:51:35,270 --> 00:51:32,400
um to find out what was going on at the

1208
00:51:37,190 --> 00:51:35,280
time uh this incident happened and a

1209
00:51:38,930 --> 00:51:37,200
huge amount of cortisone huge amounts of

1210
00:51:40,970 --> 00:51:38,940
adrenaline the animals are alive when

1211
00:51:42,950 --> 00:51:40,980
these things when these terrible acts

1212
00:51:44,809 --> 00:51:42,960
happen to them but I think there's a

1213
00:51:48,470 --> 00:51:44,819

reason for that and the reason for that

1214

00:51:52,190 --> 00:51:48,480

I suddenly your immune system goes into

1215

00:51:54,349 --> 00:51:52,200

hyperdrive and it sends all that good

1216

00:51:57,410 --> 00:51:54,359

stuff straight to the mucous membranes

1217

00:51:59,630 --> 00:51:57,420

mucous membranes uh they will be found

1218

00:52:01,069 --> 00:51:59,640

in all soft tissue

1219

00:52:03,829 --> 00:52:01,079

and the blood

1220

00:52:05,630 --> 00:52:03,839

uh this is where animal you know these

1221

00:52:08,690 --> 00:52:05,640

mutilations on the bodies are taking

1222

00:52:10,490 --> 00:52:08,700

place the soft tissue and the blood and

1223

00:52:12,650 --> 00:52:10,500

it leads me to believe that it's down to

1224

00:52:15,470 --> 00:52:12,660

immunities as if something is trying to

1225

00:52:18,589 --> 00:52:15,480

figure out you know how these animals

1226
00:52:21,490 --> 00:52:18,599
are out every day so I need you know 24

1227
00:52:25,549 --> 00:52:21,500
hours a day every day of the year living

1228
00:52:27,410 --> 00:52:25,559
are affected by the many thousands which

1229
00:52:30,589 --> 00:52:27,420
we don't realize many thousands of

1230
00:52:32,930 --> 00:52:30,599
diseases and illnesses that they have on

1231
00:52:34,910 --> 00:52:32,940
a regular basis and have to deal with

1232
00:52:36,349 --> 00:52:34,920
and I believe it's down to the immune

1233
00:52:39,049 --> 00:52:36,359
system it's something that's been going

1234
00:52:41,210 --> 00:52:39,059
on there so no phenomenon no new one

1235
00:52:44,450 --> 00:52:41,220
Jimmy because I've got records from

1236
00:52:46,609 --> 00:52:44,460
Dublin it goes back to 1600s happening I

1237
00:52:48,290 --> 00:52:46,619
even talked with people who had

1238
00:52:51,170 --> 00:52:48,300

documentation and go back even further

1239

00:52:52,849 --> 00:52:51,180

than that it's not a new phenomenon it's

1240

00:52:54,650 --> 00:52:52,859

an old one but it's been going on for a

1241

00:52:58,490 --> 00:52:54,660

very long time when I read that account

1242

00:53:03,049 --> 00:52:58,500

in Dublin of the sheep right and and and

1243

00:53:06,770 --> 00:53:03,059

and and I'm reading the words on how

1244

00:53:09,170 --> 00:53:06,780

they were trying to describe the

1245

00:53:13,609 --> 00:53:09,180

hundreds of sheep from separate herds

1246

00:53:15,650 --> 00:53:13,619

you know that uh uh were mutilated it

1247

00:53:16,730 --> 00:53:15,660

was it was like I was reading it from

1248

00:53:21,109 --> 00:53:16,740

today

1249

00:53:23,390 --> 00:53:21,119

it was nearly the exact situation that

1250

00:53:26,030 --> 00:53:23,400

we are going through now and they were

1251
00:53:28,069 --> 00:53:26,040
just as perplexed if not more perplexed

1252
00:53:30,770 --> 00:53:28,079
back then than we are today with our

1253
00:53:32,450 --> 00:53:30,780
scientific Minds that's right yeah

1254
00:53:34,250 --> 00:53:32,460
Trump's had the same problem last year

1255
00:53:36,470 --> 00:53:34,260
with Paul says they're still having

1256
00:53:38,210 --> 00:53:36,480
occasional instances but there was a

1257
00:53:40,069 --> 00:53:38,220
massive amount of horses for sure which

1258
00:53:42,230 --> 00:53:40,079
mutilates it and even the Press came out

1259
00:53:44,690 --> 00:53:42,240
as it should have said these these

1260
00:53:47,809 --> 00:53:44,700
animals have been profoundly mutilated

1261
00:53:50,210 --> 00:53:47,819
and and uh the the thing about the

1262
00:53:52,490 --> 00:53:50,220
Dublin uh case I just talked about this

1263
00:53:53,930 --> 00:53:52,500

uh uh last week

1264

00:53:59,030 --> 00:53:53,940

um is that

1265

00:54:01,670 --> 00:53:59,040

back then and I'm not being stupid I'm

1266

00:54:03,950 --> 00:54:01,680

just being logical here

1267

00:54:05,890 --> 00:54:03,960

they understood sheep better than than

1268

00:54:09,910 --> 00:54:05,900

we do today

1269

00:54:11,589 --> 00:54:09,920

yeah yeah right right you're all right

1270

00:54:15,430 --> 00:54:11,599

they they

1271

00:54:19,910 --> 00:54:15,440

for them to go wait hang on a minute

1272

00:54:22,670 --> 00:54:19,920

this this is this is this is strange

1273

00:54:25,730 --> 00:54:22,680

for them you know because that that was

1274

00:54:28,549 --> 00:54:25,740

their life right and and this was the

1275

00:54:31,490 --> 00:54:28,559

focus of and and they were completely

1276

00:54:32,650 --> 00:54:31,500

dumbfounded they were perplexed and that

1277

00:54:35,990 --> 00:54:32,660

was

1278

00:54:37,670 --> 00:54:36,000

1606 I believe yeah I mean I think the

1279

00:54:39,290 --> 00:54:37,680

web has taken's got a bit lazy more

1280

00:54:41,690 --> 00:54:39,300

recently because they seems to be

1281

00:54:44,390 --> 00:54:41,700

dropping minimum height now I mean we

1282

00:54:46,130 --> 00:54:44,400

were measuring the certain wounds

1283

00:54:49,549 --> 00:54:46,140

um on animals which have been mutilated

1284

00:54:50,930 --> 00:54:49,559

and the some of the broken bones uh

1285

00:54:53,450 --> 00:54:50,940

suggest impact

1286

00:54:54,770 --> 00:54:53,460

uh it's an impact site

1287

00:54:56,510 --> 00:54:54,780

um and you can tell from the

1288

00:54:59,450 --> 00:54:56,520

investigation that some of these things

1289

00:55:01,370 --> 00:54:59,460

have been dropped up to 300 feet in high

1290

00:55:03,950 --> 00:55:01,380

in fact it was an incident in Colorado

1291

00:55:06,470 --> 00:55:03,960

where one was found in a tree you know

1292

00:55:08,210 --> 00:55:06,480

many cattle climbing trees these days

1293

00:55:10,069 --> 00:55:08,220

you know oh you haven't heard of flying

1294

00:55:12,349 --> 00:55:10,079

cattle come on

1295

00:55:14,390 --> 00:55:12,359

yeah but yeah there's this we can we can

1296

00:55:15,950 --> 00:55:14,400

look at the uh the impact winds now and

1297

00:55:17,510 --> 00:55:15,960

we can say yeah this animal's been

1298

00:55:19,490 --> 00:55:17,520

dropped from hay Not only was he

1299

00:55:21,650 --> 00:55:19,500

mutilated but it didn't even bother

1300

00:55:23,930 --> 00:55:21,660

putting it back down on the ground

1301

00:55:26,750 --> 00:55:23,940

now when we come back

1302

00:55:30,410 --> 00:55:26,760

um I don't don't get ahead of your skis

1303

00:55:32,950 --> 00:55:30,420

okay I'm going to set this up I'm going

1304

00:55:36,049 --> 00:55:32,960

to show this blueprint

1305

00:55:39,230 --> 00:55:36,059

and and then when we come back we're

1306

00:55:41,390 --> 00:55:39,240

going to show the the actual image okay

1307

00:55:46,490 --> 00:55:41,400

so don't get ahead of your skis don't

1308

00:55:49,670 --> 00:55:46,500

describe don't blow it just just talk

1309

00:55:52,609 --> 00:55:49,680

about the blueprint can you do that for

1310

00:55:57,410 --> 00:55:52,619

me Steve absolutely it's called a setup

1311

00:56:00,410 --> 00:55:57,420

in radio Okay so okay so uh what are we

1312

00:56:02,230 --> 00:56:00,420

looking at here okay so

1313

00:56:05,990 --> 00:56:02,240

um

1314

00:56:08,990 --> 00:56:06,000

October yeah theoretics

1315

00:56:11,390 --> 00:56:09,000

um October 2016

1316

00:56:14,690 --> 00:56:11,400

um and in Florida over the Carnival

1317

00:56:17,030 --> 00:56:14,700

Cruises was a big Port where all those

1318

00:56:20,870 --> 00:56:17,040

ships uh allowed up to take people away

1319

00:56:24,349 --> 00:56:20,880

on cruises something caught the eye of

1320

00:56:27,349 --> 00:56:24,359

hundreds of witnesses and it was this

1321

00:56:28,910 --> 00:56:27,359

the strange looking craft now when I

1322

00:56:30,710 --> 00:56:28,920

first saw this I thought but it looks

1323

00:56:33,589 --> 00:56:30,720

like something straight out of a Star

1324

00:56:35,329 --> 00:56:33,599

Wars film it can't be real uh and there

1325

00:56:37,849 --> 00:56:35,339

was video footage of not only one pair

1326
00:56:40,490 --> 00:56:37,859
he said emerges it was several and many

1327
00:56:43,309 --> 00:56:40,500
eyewitnesses but what was really really

1328
00:56:46,750 --> 00:56:43,319
interesting is the fact that this was

1329
00:56:50,990 --> 00:56:46,760
moving overhead traveling in the sky

1330
00:56:53,030 --> 00:56:51,000
relatively low at about 20 miles per

1331
00:56:55,069 --> 00:56:53,040
hour there's no way this should have

1332
00:56:58,670 --> 00:56:55,079
been kept Aloft if it wasn't a balloon

1333
00:57:00,410 --> 00:56:58,680
he was traveling Against the Wind and it

1334
00:57:03,290 --> 00:57:00,420
clearly looked like it has two large

1335
00:57:06,650 --> 00:57:03,300
engines it had a cockpit a glass floor

1336
00:57:10,630 --> 00:57:06,660
for observation clearly looks to be ours

1337
00:57:14,210 --> 00:57:10,640
no identification markings no numbering

1338
00:57:16,130 --> 00:57:14,220

no lighting nothing I would stand out to

1339

00:57:19,430 --> 00:57:16,140

say okay you know this is something

1340

00:57:21,349 --> 00:57:19,440

which is in the public domain and to me

1341

00:57:23,569 --> 00:57:21,359

when I looked at it I know I had to say

1342

00:57:25,010 --> 00:57:23,579

well you know what I've the uh the video

1343

00:57:26,990 --> 00:57:25,020

footage has been looked at it's been

1344

00:57:28,970 --> 00:57:27,000

analyzed they're all authentic the

1345

00:57:30,349 --> 00:57:28,980

witnesses well they reported they did

1346

00:57:32,150 --> 00:57:30,359

see it

1347

00:57:33,530 --> 00:57:32,160

um and it simply is no explanation for

1348

00:57:37,430 --> 00:57:33,540

it but

1349

00:57:39,890 --> 00:57:37,440

what it does show for me is that there

1350

00:57:42,589 --> 00:57:39,900

is very much likely that we do have some

1351

00:57:46,970 --> 00:57:42,599

wonderful toys out there that we will

1352

00:57:50,990 --> 00:57:46,980

clearly misidentify as UFOs and so we've

1353

00:57:53,990 --> 00:57:51,000

got uh we've got a few definitions uh

1354

00:57:57,470 --> 00:57:54,000

uh a few definitions Divine we have the

1355

00:57:59,809 --> 00:57:57,480

the cockpit we have uh this at about 22

1356

00:58:02,270 --> 00:57:59,819

feet in length we've got two engines one

1357

00:58:04,309 --> 00:58:02,280

on either side

1358

00:58:07,370 --> 00:58:04,319

um we've got different intakes we have

1359

00:58:08,329 --> 00:58:07,380

landing gear we've got a lot of details

1360

00:58:10,910 --> 00:58:08,339

here

1361

00:58:15,049 --> 00:58:10,920

um but what is confusing

1362

00:58:17,690 --> 00:58:15,059

is the 20 mile per hour aspect of this

1363

00:58:20,089 --> 00:58:17,700

yeah with that I know I've got everybody

1364

00:58:23,510 --> 00:58:20,099

scratching their heads so when we come

1365

00:58:25,010 --> 00:58:23,520

back we will do the big reveal our guest

1366

00:58:27,890 --> 00:58:25,020

tonight the one and only live from the

1367

00:58:29,870 --> 00:58:27,900

UK drinking Jackie's coffee Mr Steve

1368

00:58:32,690 --> 00:58:29,880

Mara we'll be right back after this

1369

00:58:34,549 --> 00:58:32,700

short break stay with us

1370

00:58:36,829 --> 00:58:34,559

this is Jimmy Church a Fade to Black

1371

00:58:39,109 --> 00:58:36,839

please visit all of our sponsors we're

1372

00:58:40,849 --> 00:58:39,119

taking a quick break here all of the

1373

00:58:43,309 --> 00:58:40,859

links are below

1374

00:58:45,650 --> 00:58:43,319

and we'll be right back

1375

00:58:49,130 --> 00:58:45,660

this is Jimmy church and I want to

1376

00:58:51,349 --> 00:58:49,140

introduce you to lifewaves x39 Stem Cell

1377

00:58:54,530 --> 00:58:51,359

Activation batch which has totally

1378

00:58:57,309 --> 00:58:54,540

transformed my health my sleep brain and

1379

00:58:59,930 --> 00:58:57,319

my eyes I no longer need reading glasses

1380

00:59:03,530 --> 00:58:59,940

x39 is a true breakthrough in

1381

00:59:05,870 --> 00:59:03,540

regenerative science using light x-39's

1382

00:59:08,089 --> 00:59:05,880

patented age reversal Technologies

1383

00:59:09,770 --> 00:59:08,099

clinically proven to Signal the

1384

00:59:12,109 --> 00:59:09,780

activation of younger stem cells

1385

00:59:15,349 --> 00:59:12,119

accelerating the body's natural healing

1386

00:59:17,630 --> 00:59:15,359

process x39 promotes restoration and

1387

00:59:20,089 --> 00:59:17,640

Rejuvenation bringing the life-changing

1388

00:59:22,370 --> 00:59:20,099

benefits that I've experienced by

1389

00:59:25,490 --> 00:59:22,380

naturally elevating a master signaling

1390

00:59:28,250 --> 00:59:25,500

peptide in the body x39 boost Vitality

1391

00:59:31,190 --> 00:59:28,260

health and wellness and resets 4 000

1392

00:59:33,770 --> 00:59:31,200

genes to a younger healthier State it's

1393

00:59:37,510 --> 00:59:33,780

one patch once a day and you can turn

1394

00:59:40,910 --> 00:59:37,520

back time with x-39 just go to

1395

00:59:44,930 --> 00:59:40,920

healingworksnow.com that's works with an

1396

00:59:47,089 --> 00:59:44,940

X healingworks now Dot calm hey

1397

00:59:49,549 --> 00:59:47,099

everybody it's Billy Carson also known

1398

00:59:51,349 --> 00:59:49,559

as Forbidden Knowledge I want to talk to

1399

00:59:55,010 --> 00:59:51,359

you about a very special event coming up

1400

00:59:57,049 --> 00:59:55,020

July 30th 2023 The Forbidden conscious

1401
00:59:58,549 --> 00:59:57,059
Awards we're going to honor people who

1402
01:00:00,950 --> 00:59:58,559
have been contributing to the conscious

1403
01:00:02,390 --> 01:00:00,960
Community for decades people that you

1404
01:00:03,829 --> 01:00:02,400
know and love that have helped you get

1405
01:00:05,809 --> 01:00:03,839
to higher levels of thought and

1406
01:00:08,089 --> 01:00:05,819
Consciousness and awareness it's going

1407
01:00:09,470 --> 01:00:08,099
to be alive in-person event but seats

1408
01:00:11,210 --> 01:00:09,480
are going to sell out very fast you want

1409
01:00:12,829 --> 01:00:11,220
to make sure you're there in person and

1410
01:00:14,650 --> 01:00:12,839
guess what you can help vote for the

1411
01:00:16,670 --> 01:00:14,660
winners voting is available on

1412
01:00:18,289 --> 01:00:16,680
forbiddenknowledge.com and the

1413
01:00:21,410 --> 01:00:18,299

categories are going to be social media

1414

01:00:23,289 --> 01:00:21,420

influencer podcast slash radio host TV

1415

01:00:25,069 --> 01:00:23,299

host actor director producer

1416

01:00:26,510 --> 01:00:25,079

entrepreneurs health and wellness

1417

01:00:28,970 --> 01:00:26,520

philanthropists authors field

1418

01:00:30,710 --> 01:00:28,980

researchers archaeologists space anomaly

1419

01:00:33,530 --> 01:00:30,720

hunters and of course a Lifetime

1420

01:00:35,450 --> 01:00:33,540

Achievement Award I'll be your key note

1421

01:00:37,370 --> 01:00:35,460

speaker that night at The Forbidden

1422

01:00:39,770 --> 01:00:37,380

conscious Awards we have celebrity

1423

01:00:41,329 --> 01:00:39,780

guests performing we'll have a halftime

1424

01:00:42,890 --> 01:00:41,339

show where we're actually going to

1425

01:00:45,589 --> 01:00:42,900

perform music for you and don't forget

1426

01:00:47,569 --> 01:00:45,599

about the pre-event mixer where if you

1427

01:00:49,490 --> 01:00:47,579

buy a box seat you'll be in the VIP

1428

01:00:52,130 --> 01:00:49,500

section and you also have private access

1429

01:00:55,250 --> 01:00:52,140

to a VIP mixer with celebrity guests

1430

01:00:56,990 --> 01:00:55,260

shake hands break bread Network and then

1431

01:00:58,910 --> 01:00:57,000

walk the red carpet with us and take

1432

01:01:00,170 --> 01:00:58,920

amazing photos it's going to be a night

1433

01:01:02,329 --> 01:01:00,180

to remember you don't want to forget

1434

01:01:04,010 --> 01:01:02,339

this make sure you hurry up and get your

1435

01:01:06,470 --> 01:01:04,020

tickets because you're selling out very

1436

01:01:08,240 --> 01:01:06,480

fast I want to see you there forbidden

1437

01:01:11,870 --> 01:01:08,250

conscious Awards 2023

1438

01:01:15,289 --> 01:01:11,880

[Music]

1439

01:01:18,109 --> 01:01:15,299

River Moon coffee makers of the Fade to

1440

01:01:19,930 --> 01:01:18,119

Black blend truly the best coffee on

1441

01:01:22,190 --> 01:01:19,940

planet Earth just visit

1442

01:01:24,049 --> 01:01:22,200

rivermoonwellness.com or their Amazon

1443

01:01:25,490 --> 01:01:24,059

store it's all simple to do you can

1444

01:01:27,589 --> 01:01:25,500

check out the Fade to Black blend the

1445

01:01:30,230 --> 01:01:27,599

game changer Blend or any of their black

1446

01:01:34,010 --> 01:01:30,240

moon wellness products it's the only

1447

01:01:38,809 --> 01:01:34,020

coffee I drink it is the best and it's

1448

01:01:38,819 --> 01:01:42,049

uh yeah

1449

01:01:47,390 --> 01:01:43,670

um

1450

01:01:52,910 --> 01:01:49,370

I just got a shipment

1451
01:01:55,730 --> 01:01:52,920
of river Moon big big bags they send me

1452
01:01:58,370 --> 01:01:55,740
the the Jimmy Church bags and I gotta

1453
01:02:01,430 --> 01:01:58,380
tell you nothing that it's Christmas

1454
01:02:03,890 --> 01:02:01,440
nothing makes me feel better than a

1455
01:02:06,410 --> 01:02:03,900
river Moon coffee package coming in the

1456
01:02:09,710 --> 01:02:06,420
mail our guest tonight live from the UK

1457
01:02:13,970 --> 01:02:09,720
Steve Merritt is with us now Steve we

1458
01:02:16,549 --> 01:02:13,980
did the setup uh before the break and

1459
01:02:21,829 --> 01:02:16,559
I'll pop this up for everybody here

1460
01:02:23,809 --> 01:02:21,839
and it's this uh craft that was cited uh

1461
01:02:26,750 --> 01:02:23,819
hundreds of witnesses uh there were some

1462
01:02:28,549 --> 01:02:26,760
video footage and and so forth

1463
01:02:31,970 --> 01:02:28,559

um very

1464

01:02:35,630 --> 01:02:31,980

um specific uh Dimensions here we have

1465

01:02:39,950 --> 01:02:35,640

22 feet we have 38 feet wide

1466

01:02:43,069 --> 01:02:39,960

um and a lot of identifiable

1467

01:02:48,490 --> 01:02:43,079

things on this craft and one of them uh

1468

01:02:52,250 --> 01:02:48,500

that you mentioned was a a glass floor

1469

01:02:54,470 --> 01:02:52,260

observation window no isn't isn't that

1470

01:02:55,849 --> 01:02:54,480

interesting you know what it is

1471

01:02:57,410 --> 01:02:55,859

interesting I mean everything screams

1472

01:02:59,089 --> 01:02:57,420

out and see if that business hours I

1473

01:03:00,530 --> 01:02:59,099

mean was almost last time you saw UFOs

1474

01:03:02,630 --> 01:03:00,540

your blood didn't get a little like

1475

01:03:04,789 --> 01:03:02,640

aircraft

1476

01:03:06,650 --> 01:03:04,799

um you know and Rocket engines I will

1477

01:03:09,829 --> 01:03:06,660

like rocket engines you know it's just

1478

01:03:11,690 --> 01:03:09,839

an observation uh cockpit where you can

1479

01:03:13,130 --> 01:03:11,700

look down and you can actually see below

1480

01:03:14,930 --> 01:03:13,140

you as well so it's obviousness on

1481

01:03:17,329 --> 01:03:14,940

tattoos I don't know if it's an

1482

01:03:19,849 --> 01:03:17,339

observational crafter or you know but um

1483

01:03:22,510 --> 01:03:19,859

it's everything screams out his hours

1484

01:03:25,130 --> 01:03:22,520

and the problem is is

1485

01:03:27,650 --> 01:03:25,140

able to it's you tell them he's got to

1486

01:03:29,329 --> 01:03:27,660

be used to utilizing anti-gravity now

1487

01:03:31,490 --> 01:03:29,339

don't get me wrong I'm sure this thing

1488

01:03:33,710 --> 01:03:31,500

can really pick up some speed with those

1489

01:03:37,069 --> 01:03:33,720

Hefty engines on either the end of the

1490

01:03:39,890 --> 01:03:37,079

trout but there was no noise neither it

1491

01:03:41,690 --> 01:03:39,900

was completely silent okay

1492

01:03:45,490 --> 01:03:41,700

I think it could be something very

1493

01:03:49,549 --> 01:03:45,500

strange and how's this for strange

1494

01:03:52,010 --> 01:03:49,559

bam now that is just one still

1495

01:03:52,970 --> 01:03:52,020

from the video footage

1496

01:03:55,130 --> 01:03:52,980

um it's been you know obviously it's

1497

01:03:57,829 --> 01:03:55,140

been enhanced as to be able to sharpened

1498

01:03:59,630 --> 01:03:57,839

up but you can clearly make out that

1499

01:04:01,910 --> 01:03:59,640

that looks something straight out of a

1500

01:04:04,910 --> 01:04:01,920

Star Wars film

1501

01:04:07,150 --> 01:04:04,920

um but no that's what it was traveling

1502

01:04:09,890 --> 01:04:07,160

literally 20 mile an hour

1503

01:04:12,109 --> 01:04:09,900

across the sky you can see that there's

1504

01:04:14,270 --> 01:04:12,119

some reflection on it uh which matches

1505

01:04:15,829 --> 01:04:14,280

up to the angle and where it was in

1506

01:04:19,670 --> 01:04:15,839

position on that day

1507

01:04:22,190 --> 01:04:19,680

and um it's just yeah it's got to be

1508

01:04:25,430 --> 01:04:22,200

ours and if that is ours then we have to

1509

01:04:28,130 --> 01:04:25,440

say okay with massive anti-gravity we've

1510

01:04:30,410 --> 01:04:28,140

mastered noise canceling technology you

1511

01:04:31,849 --> 01:04:30,420

know and uh and and it didn't you know

1512

01:04:34,490 --> 01:04:31,859

they find these things around They Don't

1513

01:04:35,990 --> 01:04:34,500

Really Care Now what people say or what

1514

01:04:38,510 --> 01:04:36,000

they browse it because I think most

1515

01:04:41,690 --> 01:04:38,520

people just got a point to the sky and

1516

01:04:44,150 --> 01:04:41,700

say UFO rather than anything else

1517

01:04:45,349 --> 01:04:44,160

um and then the photos on the left are

1518

01:04:48,710 --> 01:04:45,359

other

1519

01:04:51,710 --> 01:04:48,720

craft that I've been seen this was from

1520

01:04:54,049 --> 01:04:51,720

last year I've been photographed being

1521

01:04:57,289 --> 01:04:54,059

test flown and we just looked profound

1522

01:04:58,970 --> 01:04:57,299

in shape but it's very unusual and to me

1523

01:05:02,510 --> 01:04:58,980

that's always that's got to be ours

1524

01:05:05,510 --> 01:05:02,520

Jimmy and um that means that we do have

1525

01:05:08,809 --> 01:05:05,520

some wonderful toys out there you know

1526

01:05:10,849 --> 01:05:08,819

uh Steve and everybody knows what I'm

1527

01:05:14,270 --> 01:05:10,859

about to say you know that I live in

1528

01:05:18,710 --> 01:05:14,280

Palmdale right I'm one mile from Skunk

1529

01:05:24,650 --> 01:05:18,720

Works all right one mile the runway

1530

01:05:27,890 --> 01:05:24,660

faces my home so I sit out there on on

1531

01:05:29,630 --> 01:05:27,900

the second floor of my my house you've

1532

01:05:32,210 --> 01:05:29,640

got to come out and hang out with me

1533

01:05:35,390 --> 01:05:32,220

Steve it's so much fun

1534

01:05:38,690 --> 01:05:35,400

um because what you've seen this is like

1535

01:05:40,910 --> 01:05:38,700

every day out here so on the second

1536

01:05:42,410 --> 01:05:40,920

floor I have a balcony I have a balcony

1537

01:05:44,750 --> 01:05:42,420

on the first one you know but on the

1538

01:05:47,990 --> 01:05:44,760

second floor I have a balcony and I can

1539

01:05:51,109 --> 01:05:48,000

see out and over things it's nuts I got

1540

01:05:54,530 --> 01:05:51,119

a couple chairs a little table I got my

1541

01:05:56,930 --> 01:05:54,540

binoculars and I just sit out there and

1542

01:05:59,289 --> 01:05:56,940

it's like bird watching except it's a

1543

01:06:02,210 --> 01:05:59,299

different kind of bird yeah

1544

01:06:04,910 --> 01:06:02,220

this is uh this is this is pretty crazy

1545

01:06:07,789 --> 01:06:04,920

so I'm going to uh swing this over and

1546

01:06:09,589 --> 01:06:07,799

enlarge this for everybody uh there's

1547

01:06:11,569 --> 01:06:09,599

your observation Windows very

1548

01:06:13,630 --> 01:06:11,579

interesting you can see the landing gear

1549

01:06:17,630 --> 01:06:13,640

the landing gear is down

1550

01:06:20,990 --> 01:06:17,640

uh those do look like

1551

01:06:24,529 --> 01:06:21,000

um uh jet as some type of jet engine

1552

01:06:27,710 --> 01:06:24,539

some kind of forward propulsion but you

1553

01:06:32,150 --> 01:06:27,720

know what's lacking here is aerodynamics

1554

01:06:34,250 --> 01:06:32,160

yeah I don't see I don't see lift I

1555

01:06:36,770 --> 01:06:34,260

don't see that it almost looks like it

1556

01:06:38,690 --> 01:06:36,780

could go in both directions

1557

01:06:40,370 --> 01:06:38,700

well actually when I first thought about

1558

01:06:41,990 --> 01:06:40,380

it I was like is it something I just

1559

01:06:44,510 --> 01:06:42,000

desired to reflect you know to lift up

1560

01:06:45,650 --> 01:06:44,520

from the water then it's angular shape

1561

01:06:47,630 --> 01:06:45,660

well

1562

01:06:50,390 --> 01:06:47,640

that is really not too sure I didn't

1563

01:06:52,910 --> 01:06:50,400

know what to make of it um but um I have

1564

01:06:55,010 --> 01:06:52,920

the video footage and I've gone through

1565

01:06:56,870 --> 01:06:55,020

it over and over again and you know

1566

01:06:58,970 --> 01:06:56,880

what's clearly not there as well is

1567

01:07:01,670 --> 01:06:58,980

there's no markets there's no stunt bars

1568

01:07:05,270 --> 01:07:01,680

no number identifications uh there's

1569

01:07:08,450 --> 01:07:05,280

absolutely nothing on it at all it looks

1570

01:07:09,829 --> 01:07:08,460

Mandalorian they does actually yeah it

1571

01:07:11,870 --> 01:07:09,839

does it does look something straight out

1572

01:07:14,089 --> 01:07:11,880

of Star Wars stuff that's got a Star

1573

01:07:14,870 --> 01:07:14,099

Wars vibe to it doesn't it it really

1574

01:07:17,270 --> 01:07:14,880

does

1575

01:07:19,010 --> 01:07:17,280

you know what you know what that dude

1576

01:07:20,510 --> 01:07:19,020

said many years ago wasn't it George

1577

01:07:25,250 --> 01:07:20,520

Lucas would be envy of some of the

1578

01:07:31,010 --> 01:07:28,190

I absolutely love this now

1579

01:07:34,609 --> 01:07:31,020

um let me ask you this as uh we move

1580

01:07:36,410 --> 01:07:34,619

forward here how much

1581

01:07:38,930 --> 01:07:36,420

um and you've done so much analysis

1582

01:07:44,450 --> 01:07:38,940

Steve so uh you know you don't have to

1583

01:07:46,130 --> 01:07:44,460

be specific but how much uh is is ours

1584

01:07:47,990 --> 01:07:46,140

you know you're seeing something crazy

1585

01:07:50,750 --> 01:07:48,000

in the sky you can't explain it because

1586

01:07:52,789 --> 01:07:50,760

you've never seen it before but it's

1587

01:07:55,730 --> 01:07:52,799

ours if you were gonna come up with a

1588

01:07:57,589 --> 01:07:55,740

number how much of it is ours I would

1589

01:08:01,010 --> 01:07:57,599

say more percentage more of those hours

1590

01:08:02,750 --> 01:08:01,020

than that now you know because now we've

1591

01:08:05,630 --> 01:08:02,760

got to a point where we you know our

1592

01:08:07,370 --> 01:08:05,640

technology is uh almost as good as

1593

01:08:08,930 --> 01:08:07,380

nearly as their technology and some of

1594

01:08:11,150 --> 01:08:08,940

these things even if you're just test

1595

01:08:13,309 --> 01:08:11,160

flying you know but I mean they've been

1596

01:08:15,230 --> 01:08:13,319

doing this for a long long time with

1597

01:08:17,150 --> 01:08:15,240

numerous different ways different types

1598

01:08:18,709 --> 01:08:17,160

of propulsion engines even nuclear

1599

01:08:21,289 --> 01:08:18,719

engines which they did with the Betsy

1600

01:08:24,590 --> 01:08:21,299

cash Institute the poor ladies that got

1601

01:08:27,050 --> 01:08:24,600

literally nuclear blasted by an objects

1602

01:08:30,289 --> 01:08:27,060

which was being followed by about quite

1603

01:08:32,090 --> 01:08:30,299

a number of helicopters back in 1918

1604

01:08:34,849 --> 01:08:32,100

that literally was happening just days

1605

01:08:36,530 --> 01:08:34,859

between the vendorship with Forest UFO

1606

01:08:40,189 --> 01:08:36,540

incident over here in the Betty cash

1607

01:08:43,070 --> 01:08:40,199

London incident over there so it's

1608

01:08:45,470 --> 01:08:43,080

um you know the yeah do you think

1609

01:08:47,630 --> 01:08:45,480

they're connected I don't I don't think

1610

01:08:50,749 --> 01:08:47,640

they're connected and but I think it's

1611

01:08:52,249 --> 01:08:50,759

just some canny you know that uh things

1612

01:08:53,630 --> 01:08:52,259

have happened around about that same

1613

01:08:55,849 --> 01:08:53,640

time

1614

01:08:59,269 --> 01:08:55,859

um but I would say the biggest problem

1615

01:09:01,910 --> 01:08:59,279

for us is immediately trying to identify

1616

01:09:04,430 --> 01:09:01,920

something in the sky now but the biggest

1617

01:09:06,229 --> 01:09:04,440

giveaway is that they don't seem to have

1618

01:09:08,110 --> 01:09:06,239

or we don't seem to have the

1619

01:09:12,169 --> 01:09:08,120

capabilities I don't think

1620

01:09:15,050 --> 01:09:12,179

to go into the Beyond physics here like

1621

01:09:18,709 --> 01:09:15,060

with the real phenomena represents when

1622

01:09:21,650 --> 01:09:18,719

they materialize and dematerialize they

1623

01:09:24,110 --> 01:09:21,660

can manage to morph change shape color

1624

01:09:26,209 --> 01:09:24,120

and size

1625

01:09:29,749 --> 01:09:26,219

um you know I mean I've got reports you

1626
01:09:32,390 --> 01:09:29,759
know from the 1960s saying that uh huge

1627
01:09:35,510 --> 01:09:32,400
objects were seen cylindrical craft it's

1628
01:09:39,470 --> 01:09:35,520
clearly not ours Pizza upon radar they

1629
01:09:42,410 --> 01:09:39,480
were seen by pilots and it looked like

1630
01:09:44,749 --> 01:09:42,420
just a long cigar but over a period of a

1631
01:09:47,930 --> 01:09:44,759
few minutes these two appendages came

1632
01:09:51,289 --> 01:09:47,940
out of it to look like wings and it

1633
01:09:53,510 --> 01:09:51,299
started pinging a 727 Tracer in other

1634
01:09:56,570 --> 01:09:53,520
words it was trying to pretend to be a

1635
01:10:00,650 --> 01:09:56,580
plane and it even knew the exact

1636
01:10:03,110 --> 01:10:00,660
pink to push out to show that radar

1637
01:10:05,330 --> 01:10:03,120
information would be an aircraft or one

1638
01:10:07,070 --> 01:10:05,340

of ours rather than anything unusual you

1639

01:10:08,930 --> 01:10:07,080

know it just goes to show how clever and

1640

01:10:11,570 --> 01:10:08,940

deceptive and invasive these things can

1641

01:10:13,310 --> 01:10:11,580

be exceptional but I would say when

1642

01:10:15,050 --> 01:10:13,320

you're immediately looking something in

1643

01:10:17,390 --> 01:10:15,060

the sky and you know it's something

1644

01:10:19,550 --> 01:10:17,400

quite profound and it's not a civilian

1645

01:10:21,470 --> 01:10:19,560

aircraft first thing is to assume it

1646

01:10:23,350 --> 01:10:21,480

might be ours as opposed to theirs

1647

01:10:26,689 --> 01:10:23,360

because it's a better

1648

01:10:27,950 --> 01:10:26,699

likelihood than it would be

1649

01:10:30,410 --> 01:10:27,960

um but then if you start seeing

1650

01:10:32,450 --> 01:10:30,420

something where he's duplicates it

1651
01:10:34,970 --> 01:10:32,460
materializes and game retirement demon

1652
01:10:36,770 --> 01:10:34,980
civilizers changes shape morphs I think

1653
01:10:38,290 --> 01:10:36,780
we're dealing clearly with the phenomena

1654
01:10:41,169 --> 01:10:38,300
there yeah

1655
01:10:44,750 --> 01:10:41,179
we have been researching anti-gravity

1656
01:10:48,229 --> 01:10:44,760
corporations the military DARPA for

1657
01:10:51,290 --> 01:10:48,239
decades and decades you know and to to

1658
01:10:54,470 --> 01:10:51,300
think that we haven't made inroads and

1659
01:10:56,390 --> 01:10:54,480
and great successes uh with that I think

1660
01:10:58,970 --> 01:10:56,400
that's being rather naive

1661
01:11:00,890 --> 01:10:58,980
yeah great I created anti-gravity device

1662
01:11:03,530 --> 01:11:00,900
in my own kitchen it's not that hard

1663
01:11:05,689 --> 01:11:03,540

it's very simple just got three pieces

1664

01:11:07,790 --> 01:11:05,699

of bols award you know glued them

1665

01:11:10,189 --> 01:11:07,800

together in a triangle then I put three

1666

01:11:11,270 --> 01:11:10,199

pins in each corner and they put a very

1667

01:11:14,750 --> 01:11:11,280

strong

1668

01:11:17,750 --> 01:11:14,760

um piece of wire which connects all the

1669

01:11:20,090 --> 01:11:17,760

way around and uh and lit it up with 50

1670

01:11:23,510 --> 01:11:20,100

000 Hertz and it went

1671

01:11:26,270 --> 01:11:23,520

that's what it does 50 000 straight into

1672

01:11:28,310 --> 01:11:26,280

it just you know just causes it causes

1673

01:11:30,950 --> 01:11:28,320

the levitation you know there's a little

1674

01:11:33,530 --> 01:11:30,960

uh I mean I was an engineer myself for

1675

01:11:37,010 --> 01:11:33,540

many years and I worked at NATO

1676

01:11:39,830 --> 01:11:37,020

um on communication so it's it was quite

1677

01:11:41,450 --> 01:11:39,840

well known that there are easier methods

1678

01:11:43,970 --> 01:11:41,460

of really easy methods of generating

1679

01:11:46,970 --> 01:11:43,980

anti-gravity but when you want it to

1680

01:11:48,590 --> 01:11:46,980

propose in a Direction that's when it

1681

01:11:52,669 --> 01:11:48,600

starts getting tricky that's when you

1682

01:11:54,590 --> 01:11:52,679

start introducing you know magnetics and

1683

01:11:57,050 --> 01:11:54,600

um propulsion engines and things like

1684

01:11:59,810 --> 01:11:57,060

that yeah I I think there's some stuff

1685

01:12:02,750 --> 01:11:59,820

involved I can't you know speak with

1686

01:12:07,010 --> 01:12:02,760

absolute certainty here but but I think

1687

01:12:08,630 --> 01:12:07,020

that our modern aircraft uh today uh the

1688

01:12:11,030 --> 01:12:08,640

Skins

1689

01:12:13,630 --> 01:12:11,040

um and what is on the outside I think

1690

01:12:17,450 --> 01:12:13,640

there's an electrostatic electromagnetic

1691

01:12:21,169 --> 01:12:17,460

anti-gravidic uh component to that they

1692

01:12:22,310 --> 01:12:21,179

they they they float too easily well

1693

01:12:23,810 --> 01:12:22,320

they did that with a certainly would

1694

01:12:26,810 --> 01:12:23,820

just stealth Bobo we know that because

1695

01:12:28,669 --> 01:12:26,820

Aviation experts said that craft cannot

1696

01:12:31,550 --> 01:12:28,679

take off on that length of Runway

1697

01:12:34,250 --> 01:12:31,560

because we know the statistics we know

1698

01:12:36,590 --> 01:12:34,260

it's weight we know its size so

1699

01:12:39,110 --> 01:12:36,600

therefore it needs this length and wrong

1700

01:12:43,750 --> 01:12:39,120

way to take up it doesn't it requires

1701

01:12:47,390 --> 01:12:43,760

literally a third of it and uh

1702

01:12:48,830 --> 01:12:47,400

I see them take off out here right man I

1703

01:12:50,750 --> 01:12:48,840

can't say a whole lot I don't want to

1704

01:12:54,770 --> 01:12:50,760

get in trouble with with my neighbors

1705

01:12:56,930 --> 01:12:54,780

and things but you watch it Steve

1706

01:12:59,149 --> 01:12:56,940

um and like two or three things just pop

1707

01:13:02,570 --> 01:12:59,159

into your head one that looks impossible

1708

01:13:06,370 --> 01:13:02,580

two I can't hear a damn thing and three

1709

01:13:09,470 --> 01:13:06,380

it's freaking floating right

1710

01:13:12,470 --> 01:13:09,480

that's that's it just pops into your it

1711

01:13:13,970 --> 01:13:12,480

just doesn't it doesn't look right I

1712

01:13:15,530 --> 01:13:13,980

think you actually hit hit the nail on

1713

01:13:17,810 --> 01:13:15,540

the head there they're using that type

1714

01:13:21,169 --> 01:13:17,820

of um pushing

1715

01:13:24,590 --> 01:13:21,179

um electrons and energy through the

1716

01:13:27,290 --> 01:13:24,600

wings to give it lift it reduces its

1717

01:13:29,330 --> 01:13:27,300

weight value basically very similar to

1718

01:13:31,430 --> 01:13:29,340

The Meta material stuff they completely

1719

01:13:34,370 --> 01:13:31,440

loses weight value I know I know I know

1720

01:13:36,709 --> 01:13:34,380

I know I know and look I look I know I

1721

01:13:40,010 --> 01:13:36,719

sound like you know Mr Crazy Town dude

1722

01:13:42,590 --> 01:13:40,020

but when you when you see it right

1723

01:13:45,410 --> 01:13:42,600

that's the that's the whole that's it's

1724

01:13:47,570 --> 01:13:45,420

a whole other ball game okay

1725

01:13:50,630 --> 01:13:47,580

um we've got here

1726

01:13:55,250 --> 01:13:50,640

um uh the Spectrum analysis of uh has

1727

01:13:59,209 --> 01:13:55,260

Stalin and uh one of my uh all-time

1728

01:14:01,070 --> 01:13:59,219

favorite uh uh situations

1729

01:14:05,510 --> 01:14:01,080

um and events let's just call this and

1730

01:14:08,870 --> 01:14:05,520

and and an event right

1731

01:14:11,229 --> 01:14:08,880

um uh what's going on here well you know

1732

01:14:15,590 --> 01:14:11,239

what it's a it's a location in Norway

1733

01:14:17,630 --> 01:14:15,600

and it's in a a positive magnetic region

1734

01:14:19,610 --> 01:14:17,640

again and they've been having light

1735

01:14:21,229 --> 01:14:19,620

phenomena strange light phenomena taking

1736

01:14:23,510 --> 01:14:21,239

place multiple different colors and

1737

01:14:25,970 --> 01:14:23,520

shapes and sizes for many years being at

1738

01:14:27,470 --> 01:14:25,980

least actually a scientific Observatory

1739

01:14:29,750 --> 01:14:27,480

up there on the top of the hills there

1740

01:14:32,570 --> 01:14:29,760

now it's only a very small town has

1741

01:14:34,430 --> 01:14:32,580

Dallin and uh the scientists which have

1742

01:14:36,410 --> 01:14:34,440

been involved in this long-term study

1743

01:14:39,350 --> 01:14:36,420

have been photographing and videoing

1744

01:14:41,270 --> 01:14:39,360

these particular anomalies now some of

1745

01:14:42,950 --> 01:14:41,280

them are structural but look like this

1746

01:14:45,169 --> 01:14:42,960

particular person effort looks like it's

1747

01:14:48,470 --> 01:14:45,179

quite triangular with numerous different

1748

01:14:51,410 --> 01:14:48,480

lights uh we were in across the valley

1749

01:14:52,970 --> 01:14:51,420

um and initially it was thought because

1750

01:14:55,250 --> 01:14:52,980

it was a scientific document was

1751

01:14:58,010 --> 01:14:55,260

released in 2007 initially they thought

1752

01:15:00,890 --> 01:14:58,020

it was some type of Earth-like phenomena

1753

01:15:02,810 --> 01:15:00,900

however interviews with these same

1754

01:15:04,910 --> 01:15:02,820

scientists now they're changed it soon

1755

01:15:08,090 --> 01:15:04,920

because what they're saying is these

1756

01:15:10,610 --> 01:15:08,100

these lights have started firing pencil

1757

01:15:14,030 --> 01:15:10,620

Beam lights down to the ground like

1758

01:15:15,830 --> 01:15:14,040

little lasers and these positions are

1759

01:15:18,649 --> 01:15:15,840

holding the ball game so what they did

1760

01:15:21,470 --> 01:15:18,659

it do you special like what we did is to

1761

01:15:23,990 --> 01:15:21,480

be able to measure the frequency of

1762

01:15:26,270 --> 01:15:24,000

light around these whatever these things

1763

01:15:29,149 --> 01:15:26,280

are and it was in that terahertz

1764

01:15:32,689 --> 01:15:29,159

frequency again and it keeps popping up

1765

01:15:35,689 --> 01:15:32,699

this terahertz frequency it pops up in

1766

01:15:39,410 --> 01:15:35,699

our research of ancient sites when the

1767

01:15:41,750 --> 01:15:39,420

sun enters into the chambers uh at these

1768

01:15:43,130 --> 01:15:41,760

uh locations in Ireland and in the UK

1769

01:15:46,430 --> 01:15:43,140

and all the places around the world

1770

01:15:48,350 --> 01:15:46,440

during Solstice drawing Equinox when the

1771

01:15:51,770 --> 01:15:48,360

sun is just in the right position to

1772

01:15:54,050 --> 01:15:51,780

enter that chamber the Sun at setting

1773

01:15:56,390 --> 01:15:54,060

and the Sun at Rising is produced in the

1774

01:15:58,790 --> 01:15:56,400

very same Terror frequency

1775

01:16:00,950 --> 01:15:58,800

and this is why sometimes we get so many

1776

01:16:04,010 --> 01:16:00,960

associations between some of this

1777

01:16:06,649 --> 01:16:04,020

phenomena life phenomenon UFOs and

1778

01:16:08,330 --> 01:16:06,659

locations where ancient sites are well

1779

01:16:10,070 --> 01:16:08,340

the good thing is about how it's done is

1780

01:16:11,750 --> 01:16:10,080

is that there's a continuing phenomena

1781

01:16:13,870 --> 01:16:11,760

we're planning on hopefully getting

1782

01:16:16,970 --> 01:16:13,880

there next year myself and Bali because

1783

01:16:18,530 --> 01:16:16,980

we've we know from the people that live

1784

01:16:20,510 --> 01:16:18,540

in the town because people are talking

1785

01:16:22,070 --> 01:16:20,520

to the people who live in Israel they're

1786

01:16:24,290 --> 01:16:22,080

talking to the scientists up on the

1787

01:16:26,149 --> 01:16:24,300

hilltops we go down and talk to the

1788

01:16:28,669 --> 01:16:26,159

people in the town Jimmy they're having

1789

01:16:30,410 --> 01:16:28,679

really really profound experiences

1790

01:16:32,209 --> 01:16:30,420

they're seeing craft they're seeing

1791

01:16:34,630 --> 01:16:32,219

entities they're having paranormal

1792

01:16:39,169 --> 01:16:34,640

things happen

1793

01:16:41,270 --> 01:16:39,179

like like what I I've known about

1794

01:16:44,390 --> 01:16:41,280

they made the announcement about the

1795

01:16:46,250 --> 01:16:44,400

permanent Observatory station which I

1796

01:16:49,550 --> 01:16:46,260

was so thankful that somebody actually

1797

01:16:52,370 --> 01:16:49,560

took the initiative uh to to not to

1798

01:16:54,530 --> 01:16:52,380

choose not to ignore this the phenomenon

1799

01:16:56,689 --> 01:16:54,540

was being observed and and videotaped

1800

01:16:58,610 --> 01:16:56,699

and photographed for a very long time so

1801

01:17:00,770 --> 01:16:58,620

they decided to put a permanent

1802

01:17:06,410 --> 01:17:00,780

observation tower up there that's

1803

01:17:08,810 --> 01:17:06,420

running 24 7. very cool but if if the

1804

01:17:10,930 --> 01:17:08,820

town which is very small and it is

1805

01:17:14,270 --> 01:17:10,940

remote but if they are having

1806

01:17:15,950 --> 01:17:14,280

experiences why why don't they take that

1807

01:17:19,189 --> 01:17:15,960

a step further and what kind of

1808

01:17:20,330 --> 01:17:19,199

experiences are are they having well the

1809

01:17:22,610 --> 01:17:20,340

scientists didn't I don't think the

1810

01:17:24,950 --> 01:17:22,620

scientists really were engaged with the

1811

01:17:27,050 --> 01:17:24,960

general public at Living that Village so

1812

01:17:29,689 --> 01:17:27,060

much and because it was kind of coming

1813

01:17:31,490 --> 01:17:29,699

into that operation uh they may not have

1814

01:17:33,530 --> 01:17:31,500

even taken time into having an

1815

01:17:35,930 --> 01:17:33,540

observatory stuck on a hill somewhere

1816

01:17:38,570 --> 01:17:35,940

you know uh because like I say you know

1817

01:17:40,729 --> 01:17:38,580

it is in a very rural location

1818

01:17:41,810 --> 01:17:40,739

um however I you said it's small and

1819

01:17:44,270 --> 01:17:41,820

it's remote

1820

01:17:47,390 --> 01:17:44,280

but contacts that we've made

1821

01:17:50,390 --> 01:17:47,400

with people that know the people that

1822

01:17:51,950 --> 01:17:50,400

live there this is what they're saying

1823

01:17:54,290 --> 01:17:51,960

is that they're seeing

1824

01:17:56,270 --> 01:17:54,300

physical crafting traps in the sky

1825

01:17:59,390 --> 01:17:56,280

they're seeing landed crafts they're

1826
01:18:02,090 --> 01:17:59,400
seeing entities they're having outbreaks

1827
01:18:04,610 --> 01:18:02,100
of paranormal things taking place

1828
01:18:06,290 --> 01:18:04,620
and yet with all these light phenomena

1829
01:18:09,590 --> 01:18:06,300
which is literally you know it's

1830
01:18:11,689 --> 01:18:09,600
happening on a regular basis it and of

1831
01:18:13,370 --> 01:18:11,699
course what did we do Jimmy well we went

1832
01:18:16,010 --> 01:18:13,380
back and we said let's put it through

1833
01:18:18,890 --> 01:18:16,020
and see where this lies it lies in a

1834
01:18:22,850 --> 01:18:18,900
positive magnetic anomaly of over 200

1835
01:18:25,610 --> 01:18:22,860
Nano Tesla again in this I it was like a

1836
01:18:28,010 --> 01:18:25,620
signature location where phenomenon is

1837
01:18:31,010 --> 01:18:28,020
manifesting and what's also interesting

1838
01:18:33,709 --> 01:18:31,020

that I found on a medical wise is that

1839

01:18:36,290 --> 01:18:33,719

these areas are very extremely low in

1840

01:18:37,850 --> 01:18:36,300

bacteria and I only found out out by

1841

01:18:41,149 --> 01:18:37,860

visiting the hospital one day and there

1842

01:18:44,090 --> 01:18:41,159

were these new doors fitted on a

1843

01:18:46,669 --> 01:18:44,100

recovery Ward and they had an

1844

01:18:48,590 --> 01:18:46,679

electromagnetic

1845

01:18:51,050 --> 01:18:48,600

seal around the door

1846

01:18:54,010 --> 01:18:51,060

and I said Cinema what's was this these

1847

01:18:56,450 --> 01:18:54,020

new does why why do you have these and

1848

01:18:58,430 --> 01:18:56,460

upset to me that well you know but we

1849

01:18:59,750 --> 01:18:58,440

know bacteria doesn't cross over well it

1850

01:19:01,729 --> 01:18:59,760

doesn't like magnetics the

1851
01:19:04,430 --> 01:19:01,739
electromagnetics of that seal stops the

1852
01:19:07,490 --> 01:19:04,440
bacteria getting over that threshold so

1853
01:19:09,770 --> 01:19:07,500
they are trying to keep a bacterial low

1854
01:19:12,169 --> 01:19:09,780
level area in these recovery Awards

1855
01:19:13,729 --> 01:19:12,179
where people come up to operations the

1856
01:19:15,770 --> 01:19:13,739
thoughts of myself will you take that on

1857
01:19:18,410 --> 01:19:15,780
a grander scale of a location like

1858
01:19:21,350 --> 01:19:18,420
positive magnetic regions

1859
01:19:24,110 --> 01:19:21,360
then we have low bacterial areas so if

1860
01:19:25,970 --> 01:19:24,120
phenomena is manifesting there it's

1861
01:19:29,090 --> 01:19:25,980
manifested in areas where there's low

1862
01:19:31,189 --> 01:19:29,100
bacteria and maybe leave engine area as

1863
01:19:32,810 --> 01:19:31,199

well as low bacteria it's like in an

1864

01:19:34,970 --> 01:19:32,820

operation guy you're washing your hands

1865

01:19:36,709 --> 01:19:34,980

before the operation and then after all

1866

01:19:38,510 --> 01:19:36,719

about your business and then washing

1867

01:19:40,669 --> 01:19:38,520

your hands afterwards into that ideal

1868

01:19:43,970 --> 01:19:40,679

locations where these things seem to be

1869

01:19:47,270 --> 01:19:43,980

manifesting man that is fascinating

1870

01:19:49,189 --> 01:19:47,280

I have never I just learned something

1871

01:19:50,630 --> 01:19:49,199

I've never thought about it in those

1872

01:19:52,970 --> 01:19:50,640

terms

1873

01:19:56,030 --> 01:19:52,980

um that makes a lot of sense and with

1874

01:19:58,850 --> 01:19:56,040

wow wow wow wow wow wow we got a

1875

01:20:02,470 --> 01:19:58,860

full scientific document that shows the

1876

01:20:05,330 --> 01:20:02,480

effects on bacteria with magnetics

1877

01:20:07,970 --> 01:20:05,340

electromagnetics and it's incredible

1878

01:20:09,770 --> 01:20:07,980

and when we realize on a grander scale

1879

01:20:12,649 --> 01:20:09,780

and we're talking the magnetics of

1880

01:20:14,990 --> 01:20:12,659

planet Earth in searching key locations

1881

01:20:17,510 --> 01:20:15,000

where they're so positive they reach

1882

01:20:19,669 --> 01:20:17,520

such high levels your bacterial levels

1883

01:20:21,229 --> 01:20:19,679

are literally right down

1884

01:20:24,110 --> 01:20:21,239

now

1885

01:20:28,310 --> 01:20:24,120

um in in Heston

1886

01:20:32,149 --> 01:20:28,320

um the the phenomena I've seen the video

1887

01:20:34,790 --> 01:20:32,159

and I've seen still images and it looks

1888

01:20:36,530 --> 01:20:34,800

to me now I I think I'm seeing two

1889

01:20:39,130 --> 01:20:36,540

different things

1890

01:20:43,729 --> 01:20:39,140

um and we're actually seeing that here

1891

01:20:46,490 --> 01:20:43,739

it looks like it's under some type of

1892

01:20:49,490 --> 01:20:46,500

intelligent control I think I think that

1893

01:20:53,270 --> 01:20:49,500

is clear but it's an erratic

1894

01:20:54,830 --> 01:20:53,280

control it it's not like it's making

1895

01:20:57,709 --> 01:20:54,840

sense

1896

01:20:59,510 --> 01:20:57,719

do you get the same feeling absolutely

1897

01:21:00,890 --> 01:20:59,520

yeah I mean we've seen video footage all

1898

01:21:03,890 --> 01:21:00,900

over the world like they see those are

1899

01:21:05,570 --> 01:21:03,900

over CCTV black and white ones from uh

1900

01:21:07,430 --> 01:21:05,580

from South America where I was going

1901
01:21:08,570 --> 01:21:07,440
through a small village and it was just

1902
01:21:09,950 --> 01:21:08,580
a bowl of light it was just moving

1903
01:21:11,689 --> 01:21:09,960
around erratically but it's you know

1904
01:21:13,790 --> 01:21:11,699
it's a fast sizes thing but he's moving

1905
01:21:15,770 --> 01:21:13,800
around and we see this quite a lot in

1906
01:21:18,290 --> 01:21:15,780
the subject of UFOs because people say

1907
01:21:20,630 --> 01:21:18,300
it's strange it's as if it's alive

1908
01:21:23,570 --> 01:21:20,640
because it's dodging around like it's

1909
01:21:25,970 --> 01:21:23,580
some type of fly right yeah that's

1910
01:21:28,790 --> 01:21:25,980
exactly my point

1911
01:21:31,370 --> 01:21:28,800
um and now here

1912
01:21:33,890 --> 01:21:31,380
um this trial and this is the second

1913
01:21:35,890 --> 01:21:33,900

point I wanted to make about Hess Stalin

1914

01:21:38,090 --> 01:21:35,900

is that the the

1915

01:21:40,790 --> 01:21:38,100

triangle-shaped craft with the red light

1916

01:21:44,510 --> 01:21:40,800

on on the front of it here that looks

1917

01:21:48,350 --> 01:21:44,520

physical to me and some of the hestylin

1918

01:21:51,950 --> 01:21:48,360

lights I have also thought looked like

1919

01:21:54,770 --> 01:21:51,960

physical craft others the majority of

1920

01:21:58,669 --> 01:21:54,780

hestylin looks like it's an energy

1921

01:22:01,430 --> 01:21:58,679

source exactly I received a mix of both

1922

01:22:03,290 --> 01:22:01,440

what do you think wow I believe so

1923

01:22:05,390 --> 01:22:03,300

because this is what we discovered as we

1924

01:22:07,910 --> 01:22:05,400

were going through on these particular

1925

01:22:10,070 --> 01:22:07,920

locations around the world we found that

1926

01:22:11,990 --> 01:22:10,080

they seemingly ones which look to be

1927

01:22:13,970 --> 01:22:12,000

structured across with or it feels

1928

01:22:16,610 --> 01:22:13,980

around them and there are ones which

1929

01:22:20,149 --> 01:22:16,620

seem to be in it's like a new subject

1930

01:22:21,830 --> 01:22:20,159

here intelligent light forms and like I

1931

01:22:23,870 --> 01:22:21,840

said I did have that piece I've still

1932

01:22:27,470 --> 01:22:23,880

got this video please now from

1933

01:22:32,090 --> 01:22:27,480

Afghanistan taken in 2011. it's a U.S

1934

01:22:34,430 --> 01:22:32,100

military base and they fire a missile at

1935

01:22:37,189 --> 01:22:34,440

four of these objects hang them with the

1936

01:22:38,050 --> 01:22:37,199

base and to look at them they look just

1937

01:22:41,330 --> 01:22:38,060

like

1938

01:22:43,490 --> 01:22:41,340

Amber fiery balls of light but they seem

1939

01:22:46,070 --> 01:22:43,500

to be dropping something this is what we

1940

01:22:49,130 --> 01:22:46,080

refer to as the beaded phenomena it's

1941

01:22:51,410 --> 01:22:49,140

like miniature tiny balls of Light which

1942

01:22:53,270 --> 01:22:51,420

somehow are magnetically connected in a

1943

01:22:55,070 --> 01:22:53,280

line and they drop from these the

1944

01:22:57,229 --> 01:22:55,080

droppers that you drop in these things

1945

01:22:58,910 --> 01:22:57,239

and it just fade out as they're dropping

1946

01:23:01,729 --> 01:22:58,920

them as if they're the brawn into this

1947

01:23:05,570 --> 01:23:01,739

reality and they disappear they fired on

1948

01:23:08,630 --> 01:23:05,580

them it hit directly two of them out of

1949

01:23:11,390 --> 01:23:08,640

the four is shattered as like glass

1950

01:23:14,209 --> 01:23:11,400

shatters but all of a sudden

1951

01:23:16,790 --> 01:23:14,219

comes back solid again and just carries

1952

01:23:18,050 --> 01:23:16,800

on doing its thing and it was incredible

1953

01:23:19,729 --> 01:23:18,060

to see I mean you've got the night

1954

01:23:21,530 --> 01:23:19,739

vision footage you've got the real the

1955

01:23:23,570 --> 01:23:21,540

real looking footage at that time is

1956

01:23:26,090 --> 01:23:23,580

what the normal through cameras and it's

1957

01:23:29,689 --> 01:23:26,100

incredible so I think some of these

1958

01:23:32,330 --> 01:23:29,699

things are light forms

1959

01:23:34,310 --> 01:23:32,340

which seemingly are intelligent and some

1960

01:23:37,930 --> 01:23:34,320

of these things are literally are craft

1961

01:23:39,649 --> 01:23:37,940

with lights around or lights around them

1962

01:23:43,630 --> 01:23:39,659

when

1963

01:23:46,610 --> 01:23:43,640

um okay this here

1964

01:23:51,550 --> 01:23:46,620

Let's uh let's zoom in on this right

1965

01:23:54,470 --> 01:23:51,560

here that looks like a craft

1966

01:23:58,070 --> 01:23:54,480

this was flying through the valley up in

1967

01:24:01,970 --> 01:23:58,080

and has Stalin that's not an a group of

1968

01:24:04,130 --> 01:24:01,980

uh what I would normally classify as you

1969

01:24:07,010 --> 01:24:04,140

know natural phenomenon ball lightning

1970

01:24:09,830 --> 01:24:07,020

some something happening with with the

1971

01:24:13,669 --> 01:24:09,840

rock formations or it's you know it's a

1972

01:24:16,970 --> 01:24:13,679

geographical phenomena no this looks

1973

01:24:19,370 --> 01:24:16,980

like a physical craft of some kind

1974

01:24:22,490 --> 01:24:19,380

yeah it does what was interesting in

1975

01:24:25,130 --> 01:24:22,500

that location they also get the the ones

1976

01:24:28,010 --> 01:24:25,140

that people thought were light phenomena

1977

01:24:30,110 --> 01:24:28,020

natural light phenomena earthlights but

1978

01:24:32,689 --> 01:24:30,120

what's intriguing is is that when there

1979

01:24:36,530 --> 01:24:32,699

are aircraft around they seem to just

1980

01:24:39,410 --> 01:24:36,540

disappear they seem to evade

1981

01:24:41,570 --> 01:24:39,420

aircraft in the facility so as if you

1982

01:24:43,550 --> 01:24:41,580

don't want to be seen most of this stuff

1983

01:24:45,709 --> 01:24:43,560

is being captured without a human

1984

01:24:47,990 --> 01:24:45,719

presence being there the automated

1985

01:24:49,910 --> 01:24:48,000

blanket monitoring through specialized

1986

01:24:52,790 --> 01:24:49,920

equipment in these Labs which are on top

1987

01:24:54,770 --> 01:24:52,800

of the mail and there's constantly 24 7

1988

01:24:56,630 --> 01:24:54,780

recording and taking photographs of

1989

01:24:59,149 --> 01:24:56,640

anything that might be profound or

1990

01:25:00,770 --> 01:24:59,159

unusual or removing in the sky yes it

1991

01:25:02,450 --> 01:25:00,780

does record aircraft but when it's

1992

01:25:04,610 --> 01:25:02,460

recording aircraft you don't see these

1993

01:25:07,310 --> 01:25:04,620

things around there seemingly enough to

1994

01:25:09,470 --> 01:25:07,320

be intelligent to be able to evade even

1995

01:25:12,229 --> 01:25:09,480

being seen by a military or civilian

1996

01:25:14,810 --> 01:25:12,239

aircraft passing over the area uh one

1997

01:25:18,709 --> 01:25:14,820

last question before we move on

1998

01:25:21,709 --> 01:25:18,719

um you can see my mouse here a majority

1999

01:25:24,649 --> 01:25:21,719

not all not all uh and like this craft

2000

01:25:30,070 --> 01:25:24,659

here doesn't fit this but hostile in the

2001

01:25:33,229 --> 01:25:30,080

majority of the images and video footage

2002

01:25:35,270 --> 01:25:33,239

are moving in this direction over the

2003

01:25:37,750 --> 01:25:35,280

top of the ridge right and they're

2004

01:25:41,630 --> 01:25:37,760

they're like right here

2005

01:25:44,270 --> 01:25:41,640

why do you think that is is it because

2006

01:25:46,910 --> 01:25:44,280

of what's underneath the hill is that

2007

01:25:48,830 --> 01:25:46,920

well yeah I mean is it like I said he's

2008

01:25:50,750 --> 01:25:48,840

always a geological geophysical

2009

01:25:53,330 --> 01:25:50,760

connection somewhere

2010

01:25:55,550 --> 01:25:53,340

um yeah you know the these um you know

2011

01:25:58,310 --> 01:25:55,560

there's been mining there it's been done

2012

01:26:00,890 --> 01:25:58,320

before there's a lot of iron in certain

2013

01:26:02,750 --> 01:26:00,900

parts of those Hills and but it's a

2014

01:26:04,250 --> 01:26:02,760

positive magnetic region it might be

2015

01:26:06,709 --> 01:26:04,260

following some type of Earth energies

2016

01:26:08,930 --> 01:26:06,719

this is what initially thought okay they

2017

01:26:11,209 --> 01:26:08,940

must be Earth lights but they don't act

2018

01:26:13,189 --> 01:26:11,219

like the Martha lights you know the

2019

01:26:16,430 --> 01:26:13,199

Martha lights are Earth-like phenomena

2020

01:26:19,010 --> 01:26:16,440

we now know that but they don't act like

2021

01:26:21,290 --> 01:26:19,020

them in fact one came literally 30 feet

2022

01:26:23,149 --> 01:26:21,300

away from the observation unit the

2023

01:26:26,510 --> 01:26:23,159

scientific observation he was filming

2024

01:26:28,430 --> 01:26:26,520

these objects and as it as it moves past

2025

01:26:30,950 --> 01:26:28,440

it morphed and changed shape and it

2026

01:26:33,110 --> 01:26:30,960

changed speed uh and in some cases

2027

01:26:34,490 --> 01:26:33,120

didn't even change color

2028

01:26:38,590 --> 01:26:34,500

um you're thinking it's some type of

2029

01:26:41,629 --> 01:26:38,600

gaseous reaction like that right right

2030

01:26:43,910 --> 01:26:41,639

plasma yeah yeah I mean you know what

2031

01:26:46,010 --> 01:26:43,920

they don't tend to Traverse great

2032

01:26:48,110 --> 01:26:46,020

distances but these things seem to go

2033

01:26:50,990 --> 01:26:48,120

right across the whole valley yeah yeah

2034

01:26:55,310 --> 01:26:51,000

it's incredible incredible

2035

01:26:58,070 --> 01:26:55,320

um uh I I just I can't say I almost I

2036

01:27:00,890 --> 01:26:58,080

almost let something slip let's just say

2037

01:27:04,189 --> 01:27:00,900

this I'm very interested in the Marvel

2038

01:27:06,410 --> 01:27:04,199

lights and I would love to maybe do some

2039

01:27:08,270 --> 01:27:06,420

media about it okay that's all I'm gonna

2040

01:27:09,649 --> 01:27:08,280

say that's all I'm gonna say Steve

2041

01:27:12,229 --> 01:27:09,659

that's all I'm gonna say I'm gonna leave

2042

01:27:12,970 --> 01:27:12,239

that right there

2043

01:27:16,689 --> 01:27:12,980

um

2044

01:27:22,010 --> 01:27:16,699

uh let's see

2045

01:27:27,649 --> 01:27:25,610

another glamorate effect yes

2046

01:27:29,750 --> 01:27:27,659

now we've stumbled across this and it's

2047

01:27:32,930 --> 01:27:29,760

not a good thing really now what I'll

2048

01:27:35,510 --> 01:27:32,940

tell you how what happened is that some

2049

01:27:38,390 --> 01:27:35,520

of these locations we go to

2050

01:27:42,169 --> 01:27:38,400

um suddenly we will have an appearance

2051

01:27:45,890 --> 01:27:42,179

take place and it's big it's a big

2052

01:27:48,229 --> 01:27:45,900

object it's got multiple lights and it's

2053

01:27:50,689 --> 01:27:48,239

producing a beautiful colors they're

2054

01:27:51,470 --> 01:27:50,699

like welders art lights and a lovely

2055

01:27:53,870 --> 01:27:51,480

display

2056

01:27:55,910 --> 01:27:53,880

but what tends to happen is which we

2057

01:27:58,729 --> 01:27:55,920

didn't really know is that we're

2058

01:27:59,870 --> 01:27:58,739

entering some type of day's State we'll

2059

01:28:01,610 --> 01:27:59,880

just

2060

01:28:03,830 --> 01:28:01,620

I don't know what you can call it the

2061

01:28:05,270 --> 01:28:03,840

Observer Factory kind of locked on it

2062

01:28:06,970 --> 01:28:05,280

you don't even think to take a

2063

01:28:10,070 --> 01:28:06,980

photograph something you're

2064

01:28:12,229 --> 01:28:10,080

hypnotized hypnotized well right this is

2065

01:28:14,750 --> 01:28:12,239

where we wanted to more where's the

2066

01:28:18,350 --> 01:28:14,760

scientific study behind this right so

2067

01:28:19,149 --> 01:28:18,360

what we started doing is utilizing flow

2068

01:28:24,169 --> 01:28:19,159

time

2069

01:28:25,010 --> 01:28:24,179

biosensing EEG readers connected to our

2070

01:28:28,430 --> 01:28:25,020

head

2071

01:28:30,169 --> 01:28:28,440

by a mobile phone and it's measuring our

2072

01:28:32,090 --> 01:28:30,179

own brainwave activity during

2073

01:28:34,430 --> 01:28:32,100

experiences and you know what's

2074

01:28:37,910 --> 01:28:34,440

happening what's happening is when we

2075

01:28:40,010 --> 01:28:37,920

get into that mode is that we are

2076

01:28:43,189 --> 01:28:40,020

switching it switches from your normal

2077

01:28:45,110 --> 01:28:43,199

conscious perception into Theta wave

2078

01:28:47,470 --> 01:28:45,120

and of course that Theta wave is

2079

01:28:51,350 --> 01:28:47,480

responsible for memories false memories

2080

01:28:53,390 --> 01:28:51,360

perception alterations it's we are

2081

01:28:55,129 --> 01:28:53,400

changing our brain waves are changing

2082

01:28:58,669 --> 01:28:55,139

during the process now that has happened

2083

01:29:00,410 --> 01:28:58,679

as quick as 20 seconds once you realize

2084

01:29:03,290 --> 01:29:00,420

there's this connection between you and

2085

01:29:05,450 --> 01:29:03,300

my object in other words it shows that

2086

01:29:07,250 --> 01:29:05,460

it's suddenly interested in you

2087

01:29:10,250 --> 01:29:07,260

you've got a connection

2088

01:29:12,410 --> 01:29:10,260

but then something happens and what

2089

01:29:15,110 --> 01:29:12,420

happens to you end up in this glamored

2090

01:29:17,450 --> 01:29:15,120

effect and you Theta brain waves start

2091

01:29:19,370 --> 01:29:17,460

to take over and that is something

2092

01:29:22,669 --> 01:29:19,380

that's got to be being produced by

2093

01:29:25,910 --> 01:29:22,679

somehow the phenomena itself we've also

2094

01:29:28,189 --> 01:29:25,920

seen this in studies in paranormal

2095

01:29:30,290 --> 01:29:28,199

experiences as well

2096

01:29:32,330 --> 01:29:30,300

um and it's very interesting another

2097

01:29:34,970 --> 01:29:32,340

connection here how phenomena is

2098

01:29:37,010 --> 01:29:34,980

inducing theater brainwave activity it's

2099

01:29:40,250 --> 01:29:37,020

like putting you in a state

2100

01:29:42,050 --> 01:29:40,260

that you don't act normal sometimes

2101

01:29:44,149 --> 01:29:42,060

people will see these things or see

2102

01:29:46,129 --> 01:29:44,159

something really profound and then it'll

2103

01:29:48,229 --> 01:29:46,139

disappear and they won't even talk to

2104

01:29:49,790 --> 01:29:48,239

the person there's two for a minute and

2105

01:29:52,010 --> 01:29:49,800

then they suddenly go did you just see

2106

01:29:54,470 --> 01:29:52,020

that before and he's like why didn't you

2107

01:29:56,330 --> 01:29:54,480

act at the time you're not allowed

2108

01:29:58,910 --> 01:29:56,340

because that you're still in this

2109

01:30:01,490 --> 01:29:58,920

theater wave and you have to get out of

2110

01:30:04,610 --> 01:30:01,500

it and of course the phenomena seemingly

2111

01:30:06,350 --> 01:30:04,620

has this connection not only has the

2112

01:30:07,790 --> 01:30:06,360

Observer could you know this could this

2113

01:30:09,470 --> 01:30:07,800

conscious connection with The Observers

2114

01:30:12,290 --> 01:30:09,480

I think it's like a conflict between

2115

01:30:15,709 --> 01:30:12,300

both if it's established that theater

2116

01:30:17,390 --> 01:30:15,719

brain waves uh starts to happen you are

2117

01:30:19,189 --> 01:30:17,400

in that glamored state like you said

2118

01:30:21,169 --> 01:30:19,199

it's like being hypnotized in a set of

2119

01:30:24,110 --> 01:30:21,179

speaker without even knowing it

2120

01:30:26,990 --> 01:30:24,120

did you take a picture no did you were

2121

01:30:30,189 --> 01:30:27,000

you scared no did you run no what did

2122

01:30:32,209 --> 01:30:30,199

you do uh nothing

2123

01:30:34,129 --> 01:30:32,219

would you know what do you know what

2124

01:30:36,110 --> 01:30:34,139

it's happened to me and people know me

2125

01:30:39,649 --> 01:30:36,120

and they said look I was traveling in a

2126

01:30:43,250 --> 01:30:39,659

vehicle it came right over the road 30

2127

01:30:45,350 --> 01:30:43,260

feet above we slowly but everybody in

2128

01:30:47,629 --> 01:30:45,360

the car saw it

2129

01:30:49,910 --> 01:30:47,639

I'm out of the car Jimmy I would this is

2130

01:30:52,129 --> 01:30:49,920

me I was slub the brakes on I'm out the

2131

01:30:53,870 --> 01:30:52,139

car I'm giving Chase I want to know what

2132

01:30:56,750 --> 01:30:53,880

it is what the hell is that

2133

01:30:58,729 --> 01:30:56,760

no for some reason for God damn reason

2134

01:31:00,950 --> 01:30:58,739

I'm going down the road for another mile

2135

01:31:02,750 --> 01:31:00,960

or two and then I suddenly say did

2136

01:31:04,490 --> 01:31:02,760

everybody say that I mean what's all

2137

01:31:06,709 --> 01:31:04,500

that about I mean and then it suddenly

2138

01:31:09,470 --> 01:31:06,719

also brings to life like oh my god did

2139

01:31:11,990 --> 01:31:09,480

you just see that man why would we not

2140

01:31:14,270 --> 01:31:12,000

allowed to act on it

2141

01:31:15,910 --> 01:31:14,280

it's as if it was seized by the

2142

01:31:19,910 --> 01:31:15,920

phenomena at that moment

2143

01:31:22,790 --> 01:31:19,920

and would this be not all but would this

2144

01:31:25,189 --> 01:31:22,800

be part of the answers for missing time

2145

01:31:27,709 --> 01:31:25,199

I believe some of them are also us

2146

01:31:31,010 --> 01:31:27,719

Factor experiences as well it's just a

2147

01:31:35,149 --> 01:31:31,020

terminology often used in the UK when

2148

01:31:38,330 --> 01:31:35,159

you see during this glamored effect your

2149

01:31:41,390 --> 01:31:38,340

surroundings feel strange void of people

2150

01:31:42,950 --> 01:31:41,400

void of cars void of traffic noise void

2151
01:31:45,530 --> 01:31:42,960
of anything

2152
01:31:48,229 --> 01:31:45,540
you just this event is the only thing

2153
01:31:51,229 --> 01:31:48,239
that exists within your mind that means

2154
01:31:53,030 --> 01:31:51,239
the phenomena is locked with you there's

2155
01:31:53,930 --> 01:31:53,040
a cohabity happening there it's a

2156
01:31:56,330 --> 01:31:53,940
conduit

2157
01:31:59,090 --> 01:31:56,340
until it releases you you don't

2158
01:32:02,330 --> 01:31:59,100
seemingly act consciously the normal way

2159
01:32:05,030 --> 01:32:02,340
you should do yeah this this isn't

2160
01:32:06,110 --> 01:32:05,040
this isn't cool or fun

2161
01:32:13,310 --> 01:32:06,120
no

2162
01:32:15,709 --> 01:32:13,320
happen all the time because people will

2163
01:32:18,050 --> 01:32:15,719

see things traversing backwards and

2164

01:32:20,209 --> 01:32:18,060

Floors but hey if these guys want to

2165

01:32:22,970 --> 01:32:20,219

stop and pay interest in you well that's

2166

01:32:24,649 --> 01:32:22,980

a whole different ball game and uh I

2167

01:32:27,410 --> 01:32:24,659

wouldn't always I'll be honest to say to

2168

01:32:29,990 --> 01:32:27,420

you I wouldn't always advise to do so

2169

01:32:31,790 --> 01:32:30,000

without caution

2170

01:32:34,729 --> 01:32:31,800

um because you know you don't know what

2171

01:32:35,870 --> 01:32:34,739

what's it going to lead to

2172

01:32:39,709 --> 01:32:35,880

um and that's that's the problem

2173

01:32:41,090 --> 01:32:39,719

regarding some of these close encounter

2174

01:32:43,070 --> 01:32:41,100

um incidents where you've got this

2175

01:32:44,689 --> 01:32:43,080

Observer and conscious connection with

2176

01:32:47,510 --> 01:32:44,699

the filona

2177

01:32:50,870 --> 01:32:47,520

and so here we have the the meth

2178

01:32:54,250 --> 01:32:50,880

connection oh no that's that's sugar or

2179

01:32:56,450 --> 01:32:54,260

meth it's uh it is refined sugar

2180

01:32:57,830 --> 01:32:56,460

it's sufficient sugar I mean what do

2181

01:32:59,629 --> 01:32:57,840

people do when they call Sky Watchers

2182

01:33:03,169 --> 01:32:59,639

Jimmy they take the candy bars with them

2183

01:33:05,810 --> 01:33:03,179

they take the Coca-Cola with them full

2184

01:33:07,790 --> 01:33:05,820

of sugar so much refined sugar I don't

2185

01:33:09,350 --> 01:33:07,800

know I'm the same how many actual same

2186

01:33:11,390 --> 01:33:09,360

I'm a lover I'm addicted to the damn

2187

01:33:13,129 --> 01:33:11,400

thing right like many other people are

2188

01:33:16,790 --> 01:33:13,139

but when I'm going out on an

2189

01:33:19,669 --> 01:33:16,800

investigation I starve myself for 72

2190

01:33:20,770 --> 01:33:19,679

hours I have no refined sugar at all in

2191

01:33:24,110 --> 01:33:20,780

the system

2192

01:33:26,750 --> 01:33:24,120

I'll tell you the reasons why because it

2193

01:33:30,169 --> 01:33:26,760

takes only a handful of this stuff

2194

01:33:32,209 --> 01:33:30,179

to kill your adrenal system in other

2195

01:33:33,709 --> 01:33:32,219

words it disconnects your fight or

2196

01:33:35,810 --> 01:33:33,719

flight response

2197

01:33:38,570 --> 01:33:35,820

so when you're out there and that

2198

01:33:41,810 --> 01:33:38,580

natural innate ability that we all have

2199

01:33:44,510 --> 01:33:41,820

you know that survival sense where we

2200

01:33:46,250 --> 01:33:44,520

you know you feel your arms go all the

2201
01:33:47,450 --> 01:33:46,260
grooves bumping the hair risers on the

2202
01:33:49,189 --> 01:33:47,460
back of your neck

2203
01:33:52,010 --> 01:33:49,199
it's coming from the skin Skin's the

2204
01:33:55,250 --> 01:33:52,020
biggest organ on your body and

2205
01:33:57,410 --> 01:33:55,260
it reacts it tells us things it tells if

2206
01:33:58,910 --> 01:33:57,420
you're in a Paranormal Investigator it

2207
01:34:01,610 --> 01:33:58,920
tells them when they go into certain

2208
01:34:03,410 --> 01:34:01,620
places like ah well I might not see it I

2209
01:34:05,450 --> 01:34:03,420
might not hear it I might not smell it

2210
01:34:06,890 --> 01:34:05,460
but you know what my body's telling me

2211
01:34:09,110 --> 01:34:06,900
something's gone normal in here

2212
01:34:10,550 --> 01:34:09,120
something's not right it doesn't like it

2213
01:34:13,729 --> 01:34:10,560

wants me out of here that's just that

2214

01:34:16,550 --> 01:34:13,739

bite of Life response we rely on that

2215

01:34:20,390 --> 01:34:16,560

and we rely on that in cases like this

2216

01:34:22,610 --> 01:34:20,400

because sometimes people become so

2217

01:34:24,229 --> 01:34:22,620

feared that your natural body is saying

2218

01:34:26,149 --> 01:34:24,239

get the hell out of that it's telling

2219

01:34:27,709 --> 01:34:26,159

you it's a warning mechanism and it

2220

01:34:30,169 --> 01:34:27,719

can't they can't even recognize it

2221

01:34:32,390 --> 01:34:30,179

because there's so much refined sugar

2222

01:34:34,910 --> 01:34:32,400

system in the revised sugar in their

2223

01:34:36,950 --> 01:34:34,920

system that it's caused adrenal weakness

2224

01:34:39,649 --> 01:34:36,960

so that he can't even detect the fact of

2225

01:34:41,990 --> 01:34:39,659

life that's a problem when people are

2226
01:34:43,550 --> 01:34:42,000
out there investigating you have to rely

2227
01:34:46,550 --> 01:34:43,560
on your own senses it's the best piece

2228
01:34:49,850 --> 01:34:46,560
of equipment we have is our own ways of

2229
01:34:51,770 --> 01:34:49,860
sensors sensory perception of this and

2230
01:34:53,270 --> 01:34:51,780
we rely on those people have said I do

2231
01:34:55,430 --> 01:34:53,280
you know we sign up it's like when

2232
01:34:57,350 --> 01:34:55,440
selling a house anyone can go and buy a

2233
01:34:59,629 --> 01:34:57,360
house but what do we rely on mostly

2234
01:35:02,570 --> 01:34:59,639
Jimmy we go into that it's what it feels

2235
01:35:05,090 --> 01:35:02,580
like isn't it it's oh it feels good it

2236
01:35:06,709 --> 01:35:05,100
feels nice it feels homely you know this

2237
01:35:08,030 --> 01:35:06,719
is what if he's got enough you know you

2238
01:35:09,770 --> 01:35:08,040

know what that's a bit of a strange

2239

01:35:12,649 --> 01:35:09,780

feeling here they're not going to buy it

2240

01:35:14,570 --> 01:35:12,659

this is how much we rely on this to work

2241

01:35:17,209 --> 01:35:14,580

and it's the same thing through this

2242

01:35:20,330 --> 01:35:17,219

process as well now okay refined sugar

2243

01:35:22,189 --> 01:35:20,340

but what about my Mom's Apple Pie can I

2244

01:35:24,709 --> 01:35:22,199

say

2245

01:35:27,350 --> 01:35:24,719

tell it to change the type of sugar use

2246

01:35:29,270 --> 01:35:27,360

natural sugar yeah natural sugar and and

2247

01:35:31,189 --> 01:35:29,280

I'm okay now

2248

01:35:32,570 --> 01:35:31,199

um I'm not making light of this but what

2249

01:35:37,689 --> 01:35:32,580

about things like

2250

01:35:42,890 --> 01:35:41,209

other things uh that we would need to be

2251
01:35:44,930 --> 01:35:42,900
we're fine I mean you know what it's

2252
01:35:46,790 --> 01:35:44,940
things with intense refined sugar in it

2253
01:35:48,709 --> 01:35:46,800
I mean it's your candy bars it's your

2254
01:35:50,570 --> 01:35:48,719
it's soft drinks like you know which

2255
01:35:51,830 --> 01:35:50,580
have got a massive amount of refined

2256
01:35:54,830 --> 01:35:51,840
sugar in them

2257
01:35:57,050 --> 01:35:54,840
you know and that's what people do they

2258
01:35:58,370 --> 01:35:57,060
consume more when they're out and what

2259
01:36:00,530 --> 01:35:58,380
they're doing is they're stuck there

2260
01:36:03,110 --> 01:36:00,540
hopefully going to have some type of

2261
01:36:05,270 --> 01:36:03,120
close encounter right and not and

2262
01:36:07,669 --> 01:36:05,280
basically ruining the only thing that

2263
01:36:09,410 --> 01:36:07,679

will tell them it's not good to be there

2264

01:36:10,149 --> 01:36:09,420

right right right right right right

2265

01:36:13,790 --> 01:36:10,159

right

2266

01:36:16,550 --> 01:36:13,800

Beer's okay beer is okay as long as this

2267

01:36:19,490 --> 01:36:16,560

day yeah you can get a beer for which

2268

01:36:22,189 --> 01:36:19,500

doesn't you know it's not uh uh created

2269

01:36:25,129 --> 01:36:22,199

with uh with refined sugars yeah okay so

2270

01:36:28,490 --> 01:36:25,139

just refined sugar then justify sugar

2271

01:36:31,010 --> 01:36:28,500

yes the rest of my diet is is in is in

2272

01:36:33,110 --> 01:36:31,020

the okay Zone yeah it's a very profound

2273

01:36:35,390 --> 01:36:33,120

thing for financial is unlike anything

2274

01:36:38,090 --> 01:36:35,400

else it is a poison believe it or not it

2275

01:36:40,910 --> 01:36:38,100

is um it is a poison to the body I I

2276

01:36:42,830 --> 01:36:40,920

just don't do refined sugars anymore I I

2277

01:36:45,649 --> 01:36:42,840

I I don't do it

2278

01:36:48,530 --> 01:36:45,659

um pure cane sugar you know you know and

2279

01:36:53,870 --> 01:36:48,540

yeah uh that's it that's a difference I

2280

01:36:56,870 --> 01:36:53,880

don't use it but what I don't do is is

2281

01:36:59,030 --> 01:36:56,880

the the crazy candies and the crazy uh

2282

01:37:00,950 --> 01:36:59,040

sodas and drinks and and all that no

2283

01:37:02,810 --> 01:37:00,960

I've completely eliminated that stuff

2284

01:37:07,390 --> 01:37:02,820

out of my diet

2285

01:37:11,330 --> 01:37:07,400

um but I it it hasn't sped me up though

2286

01:37:13,490 --> 01:37:11,340

I don't run any faster so I have to go

2287

01:37:16,250 --> 01:37:13,500

do the test I have not put it to the

2288

01:37:21,050 --> 01:37:16,260

test that's very interesting though

2289

01:37:23,510 --> 01:37:21,060

um uh here we go now this is um it's

2290

01:37:25,550 --> 01:37:23,520

just something that everybody uh talks

2291

01:37:29,270 --> 01:37:25,560

about and wants to practice I've got my

2292

01:37:32,209 --> 01:37:29,280

own version of it but uh ce5

2293

01:37:34,430 --> 01:37:32,219

yeah well you know what we we know now

2294

01:37:37,030 --> 01:37:34,440

through experiments that phenomena can

2295

01:37:41,090 --> 01:37:37,040

be conjured when I'm there was a very

2296

01:37:43,370 --> 01:37:41,100

interesting and very well known

2297

01:37:46,070 --> 01:37:43,380

um experiments were taking place during

2298

01:37:51,169 --> 01:37:46,080

1998 in the UK in a small town known of

2299

01:37:53,990 --> 01:37:51,179

Norfolk called the skull experiment and

2300

01:37:56,209 --> 01:37:54,000

um that went on until the late 1990s

2301

01:37:59,270 --> 01:37:56,219

then there was some further work done

2302

01:38:01,970 --> 01:37:59,280

with some friends of mine and the

2303

01:38:05,930 --> 01:38:01,980

advanced stages of school experiment and

2304

01:38:08,209 --> 01:38:05,940

then I went on into a an expert known as

2305

01:38:11,030 --> 01:38:08,219

um project phenomena

2306

01:38:14,030 --> 01:38:11,040

and that was further into the skull

2307

01:38:16,729 --> 01:38:14,040

experience where phenomena can be

2308

01:38:18,350 --> 01:38:16,739

conjured now what's really interesting

2309

01:38:20,090 --> 01:38:18,360

is though there was an awesome

2310

01:38:22,490 --> 01:38:20,100

experiment called the Phillips moment

2311

01:38:24,950 --> 01:38:22,500

it's a place in Canada and Ontario with

2312

01:38:28,010 --> 01:38:24,960

a number of of psychologists and

2313

01:38:31,189 --> 01:38:28,020

Specialists that literally created a

2314

01:38:34,669 --> 01:38:31,199

ghost in a literal sense it had actually

2315

01:38:36,169 --> 01:38:34,679

its own physical existence it was like a

2316

01:38:38,149 --> 01:38:36,179

Tall part

2317

01:38:40,189 --> 01:38:38,159

um and it was created it was part of an

2318

01:38:43,430 --> 01:38:40,199

experiment and it was shown to be

2319

01:38:45,649 --> 01:38:43,440

positive these things like there's

2320

01:38:49,550 --> 01:38:45,659

really no difference in having five

2321

01:38:53,030 --> 01:38:49,560

people five medium sat around a sales

2322

01:38:56,030 --> 01:38:53,040

table and having something materialized

2323

01:38:57,830 --> 01:38:56,040

then there is five meditators out on the

2324

01:39:00,050 --> 01:38:57,840

beach looking up at the sky trying to

2325

01:39:02,750 --> 01:39:00,060

physically have something appear it's

2326

01:39:04,430 --> 01:39:02,760

the same thing as C5 is that the C5

2327

01:39:05,629 --> 01:39:04,440

initial statement training is no

2328

01:39:08,330 --> 01:39:05,639

different

2329

01:39:11,689 --> 01:39:08,340

and the old German metaphysical Society

2330

01:39:14,330 --> 01:39:11,699

it became a real Society it's exactly

2331

01:39:16,550 --> 01:39:14,340

the same method if you meditating on

2332

01:39:18,110 --> 01:39:16,560

mediumship so we always know that

2333

01:39:20,149 --> 01:39:18,120

there's always been this method of being

2334

01:39:21,470 --> 01:39:20,159

able to conjure phenomena and it is the

2335

01:39:24,050 --> 01:39:21,480

real phenomena by the way when you

2336

01:39:25,250 --> 01:39:24,060

conjure it isn't there oh this is uh you

2337

01:39:27,410 --> 01:39:25,260

know it's a it's just something

2338

01:39:29,689 --> 01:39:27,420

representing it it is the real phenomena

2339

01:39:31,970 --> 01:39:29,699

that you can conjure and it gets into

2340

01:39:33,950 --> 01:39:31,980

you know if you go back years ago or go

2341

01:39:35,390 --> 01:39:33,960

back into the magic and Conjuring of

2342

01:39:38,870 --> 01:39:35,400

stuff and Witchcraft things like that

2343

01:39:40,370 --> 01:39:38,880

but you all want the same thing we know

2344

01:39:42,350 --> 01:39:40,380

that they're going to happen now when we

2345

01:39:46,070 --> 01:39:42,360

locked into these doing these particular

2346

01:39:47,709 --> 01:39:46,080

experiments we realized very quickly I

2347

01:39:50,990 --> 01:39:47,719

mean during school

2348

01:39:52,430 --> 01:39:51,000

the latter a stages of school I mean

2349

01:39:55,310 --> 01:39:52,440

skull experiment had to get shut down

2350

01:39:56,270 --> 01:39:55,320

because it was invaded by non-human

2351
01:39:58,850 --> 01:39:56,280
entities

2352
01:40:02,030 --> 01:39:58,860
as when they first appeared on the scene

2353
01:40:05,090 --> 01:40:02,040
long before UFOs were talked about this

2354
01:40:07,550 --> 01:40:05,100
was we're alien beings into dimensional

2355
01:40:09,830 --> 01:40:07,560
beings Alistair Crowley came head to

2356
01:40:13,430 --> 01:40:09,840
head with one it was referred to Aslam

2357
01:40:15,830 --> 01:40:13,440
in 19 it was 1908 and of course exactly

2358
01:40:18,410 --> 01:40:15,840
the same and the photograph to the left

2359
01:40:20,990 --> 01:40:18,420
is one which is the drawing from what

2360
01:40:23,090 --> 01:40:21,000
Alice the Crowley said 1919 his

2361
01:40:24,530 --> 01:40:23,100
experience with this internet mission do

2362
01:40:26,990 --> 01:40:24,540
you know what Jimmy it's the first time

2363
01:40:29,410 --> 01:40:27,000

you ever got his book kicked and that is

2364

01:40:33,229 --> 01:40:29,420

the really bothered himness

2365

01:40:33,950 --> 01:40:33,239

he bothered him yes it bothered him a

2366

01:40:36,050 --> 01:40:33,960

lot

2367

01:40:38,390 --> 01:40:36,060

yeah he didn't have control he lost

2368

01:40:42,050 --> 01:40:38,400

complete control right and this thing

2369

01:40:43,550 --> 01:40:42,060

had him you know it came through and

2370

01:40:45,410 --> 01:40:43,560

um what's interesting is the photographs

2371

01:40:47,930 --> 01:40:45,420

to the in the middle is he is a

2372

01:40:51,229 --> 01:40:47,940

photograph taken only a number of years

2373

01:40:53,510 --> 01:40:51,239

ago as part of the Stephen Greer

2374

01:40:55,070 --> 01:40:53,520

um meditation Circle you know they sit

2375

01:40:58,250 --> 01:40:55,080

around and they meditate about having

2376

01:41:01,189 --> 01:40:58,260

experiences and uh and these things were

2377

01:41:03,950 --> 01:41:01,199

photographed just like in school

2378

01:41:07,430 --> 01:41:03,960

there were entities photographed and

2379

01:41:09,950 --> 01:41:07,440

video filmed and they had to close it

2380

01:41:13,490 --> 01:41:09,960

down they had to shut it down the

2381

01:41:16,370 --> 01:41:13,500

mediums lost control of the circle

2382

01:41:19,370 --> 01:41:16,380

but the problem with that is is that

2383

01:41:21,709 --> 01:41:19,380

whatever these entities were they stayed

2384

01:41:22,970 --> 01:41:21,719

with the the main guy helped me who was

2385

01:41:24,410 --> 01:41:22,980

running the experiment in school and

2386

01:41:26,149 --> 01:41:24,420

Robin fry who's unfortunately passed

2387

01:41:27,950 --> 01:41:26,159

away now they stayed with him for the

2388

01:41:30,709 --> 01:41:27,960

rest of his life they invaded his life

2389

01:41:32,450 --> 01:41:30,719

like they hitchhiker for that effect and

2390

01:41:34,250 --> 01:41:32,460

that's not good because sometimes this

2391

01:41:37,609 --> 01:41:34,260

phenomenon does have a stink in its tail

2392

01:41:39,290 --> 01:41:37,619

even Robert Bigelow said no you know I

2393

01:41:40,970 --> 01:41:39,300

can't believe due to somebody expert

2394

01:41:43,310 --> 01:41:40,980

after did these certain experiments at

2395

01:41:46,850 --> 01:41:43,320

Skinwalker that I had these multiple

2396

01:41:49,729 --> 01:41:46,860

serendipities so much bad stuff happen

2397

01:41:51,050 --> 01:41:49,739

in my life and it wasn't just him there

2398

01:41:52,550 --> 01:41:51,060

were more than members of the Nets that

2399

01:41:54,470 --> 01:41:52,560

went through exactly the same thing so

2400

01:41:57,890 --> 01:41:54,480

sometimes I think you could press it too

2401
01:41:59,450 --> 01:41:57,900
much and it gets into your skin because

2402
01:42:01,490 --> 01:41:59,460
it draws you in because you're

2403
01:42:03,050 --> 01:42:01,500
interested and that could be a problem

2404
01:42:05,750 --> 01:42:03,060
sometimes because then it can start

2405
01:42:07,790 --> 01:42:05,760
hitchhiking into your lives and cause

2406
01:42:10,070 --> 01:42:07,800
all sorts of chaos sometimes

2407
01:42:11,990 --> 01:42:10,080
what I always found fascinating about

2408
01:42:14,810 --> 01:42:12,000
lamb

2409
01:42:17,629 --> 01:42:14,820
um and I I can't wait for your comment

2410
01:42:20,330 --> 01:42:17,639
on this is that that was in 1919 most

2411
01:42:22,850 --> 01:42:20,340
people don't they they look at lamb and

2412
01:42:27,229 --> 01:42:22,860
they think that this was 1955. it wasn't

2413
01:42:29,689 --> 01:42:27,239

this was 1919. and lamb was a personal

2414

01:42:31,609 --> 01:42:29,699

experience with Aleister Crowley this

2415

01:42:33,290 --> 01:42:31,619

wasn't spread out through the media this

2416

01:42:36,950 --> 01:42:33,300

wasn't put in newspapers around the

2417

01:42:40,310 --> 01:42:36,960

world this wasn't known in uh by the

2418

01:42:41,870 --> 01:42:40,320

masses it's a very very small private

2419

01:42:44,689 --> 01:42:41,880

incident

2420

01:42:46,450 --> 01:42:44,699

um that was shared with Alistar and his

2421

01:42:49,729 --> 01:42:46,460

close circle of people

2422

01:42:54,709 --> 01:42:49,739

what was reported later on all the way

2423

01:42:57,290 --> 01:42:54,719

through to today is what Aleister saw in

2424

01:43:00,770 --> 01:42:57,300

1919 and it wasn't the other way around

2425

01:43:02,450 --> 01:43:00,780

was it no absolutely I mean this is a

2426

01:43:05,750 --> 01:43:02,460

daily day I mean it goes up even before

2427

01:43:08,030 --> 01:43:05,760

then you know the experiences of the

2428

01:43:09,950 --> 01:43:08,040

manifestation of entities through the

2429

01:43:12,709 --> 01:43:09,960

practice of spiritualism

2430

01:43:15,350 --> 01:43:12,719

you know in the 1600s you know we do an

2431

01:43:17,629 --> 01:43:15,360

even you know documented incidences then

2432

01:43:19,729 --> 01:43:17,639

of things turned up that did not not

2433

01:43:22,370 --> 01:43:19,739

definitely not you know non-human

2434

01:43:24,590 --> 01:43:22,380

looking uh but the problem you know the

2435

01:43:26,209 --> 01:43:24,600

thing is with this is that you know the

2436

01:43:28,910 --> 01:43:26,219

real Society got into it what's the

2437

01:43:32,090 --> 01:43:28,920

German metaphysical uh Association one

2438

01:43:33,709 --> 01:43:32,100

time the group uh and it became the real

2439

01:43:36,410 --> 01:43:33,719

Society because they started

2440

01:43:38,689 --> 01:43:36,420

communicating with what they believed

2441

01:43:41,330 --> 01:43:38,699

was non-human entities which happens

2442

01:43:43,250 --> 01:43:41,340

this is where they originated around the

2443

01:43:46,370 --> 01:43:43,260

original rates had originated around the

2444

01:43:49,490 --> 01:43:46,380

sales tables not UFOs in the skies right

2445

01:43:51,169 --> 01:43:49,500

that's right yeah and uh and what they

2446

01:43:52,790 --> 01:43:51,179

did is they realized that they could ask

2447

01:43:55,550 --> 01:43:52,800

questions and gain answers and they were

2448

01:43:57,530 --> 01:43:55,560

trying to get information dribson drugs

2449

01:43:58,910 --> 01:43:57,540

they never got a full picture they only

2450

01:44:01,609 --> 01:43:58,920

got little drifts and traps because

2451

01:44:04,010 --> 01:44:01,619

that's what it does it draws you in uh

2452

01:44:06,229 --> 01:44:04,020

of advanced to Advanced technological

2453

01:44:08,689 --> 01:44:06,239

information it might be being utilized

2454

01:44:10,510 --> 01:44:08,699

during aviation technology and this is

2455

01:44:14,629 --> 01:44:10,520

what was being used

2456

01:44:17,330 --> 01:44:14,639

join the brill process and the German

2457

01:44:20,270 --> 01:44:17,340

Advanced technological scientists which

2458

01:44:22,189 --> 01:44:20,280

were working on Aviation stuff and do

2459

01:44:25,850 --> 01:44:22,199

you know what it didn't surprise me that

2460

01:44:29,570 --> 01:44:25,860

during the 1970s that Boeing had secret

2461

01:44:31,910 --> 01:44:29,580

meetings at Seance locations

2462

01:44:35,149 --> 01:44:31,920

because they thought that it could get

2463

01:44:37,490 --> 01:44:35,159

technological information about Aviation

2464

01:44:40,669 --> 01:44:37,500

details from a source they were

2465

01:44:42,709 --> 01:44:40,679

communicating through the sentences

2466

01:44:44,689 --> 01:44:42,719

that's right well you had the founder of

2467

01:44:48,910 --> 01:44:44,699

bell helicopters doing the same thing

2468

01:44:54,609 --> 01:44:48,920

yes yeah and and and

2469

01:45:01,430 --> 01:44:54,619

the uh the nine let's go okay exactly

2470

01:45:02,750 --> 01:45:01,440

yeah and the uh the the influential that

2471

01:45:04,189 --> 01:45:02,760

look

2472

01:45:06,410 --> 01:45:04,199

okay

2473

01:45:07,330 --> 01:45:06,420

I'm just gonna piss everybody off right

2474

01:45:13,189 --> 01:45:07,340

now

2475

01:45:16,970 --> 01:45:13,199

the world wants to think that UFOs uh

2476

01:45:19,750 --> 01:45:16,980

only made contact with yahoos that are

2477

01:45:22,970 --> 01:45:19,760

fishing in the swamps of Louisiana

2478

01:45:25,070 --> 01:45:22,980

yeah right that that's the intelligence

2479

01:45:28,189 --> 01:45:25,080

that's it and that's the picture that is

2480

01:45:31,629 --> 01:45:28,199

painted when we talk about the nine and

2481

01:45:35,030 --> 01:45:31,639

we talk about the real and we talk about

2482

01:45:37,490 --> 01:45:35,040

Boeing and you know the the Battle of

2483

01:45:41,390 --> 01:45:37,500

bell helicopters uh

2484

01:45:44,930 --> 01:45:41,400

we are talking about p people that are

2485

01:45:48,109 --> 01:45:44,940

supposed to be the Smart Ones the

2486

01:45:50,750 --> 01:45:48,119

influential ones the industrialists the

2487

01:45:52,790 --> 01:45:50,760

ones that run corporations the ones that

2488

01:45:56,050 --> 01:45:52,800

are the movers and the thinkers they

2489

01:46:00,490 --> 01:45:56,060

can't be fooled by stuff like this right

2490

01:46:05,270 --> 01:46:00,500

yeah they believe in this

2491

01:46:08,149 --> 01:46:05,280

they Trust in this they know the

2492

01:46:11,689 --> 01:46:08,159

phenomenon is real and they are always

2493

01:46:16,490 --> 01:46:11,699

making contact and that's it that's it

2494

01:46:20,930 --> 01:46:16,500

it's not Bob and and and Bob and Bernie

2495

01:46:22,790 --> 01:46:20,940

in a fishing boat in in Louisiana that's

2496

01:46:25,250 --> 01:46:22,800

that's simply not the case is it Steve

2497

01:46:27,290 --> 01:46:25,260

it isn't no I mean he's surprising

2498

01:46:29,930 --> 01:46:27,300

actually saw the heads of departments

2499

01:46:32,330 --> 01:46:29,940

have been involved in these studies uh

2500

01:46:35,270 --> 01:46:32,340

it's very quiet you know but you know

2501
01:46:36,950 --> 01:46:35,280
because it was beneficial sometimes just

2502
01:46:39,649 --> 01:46:36,960
sometimes they were given bits of

2503
01:46:43,129 --> 01:46:39,659
information which was viable it was was

2504
01:46:46,129 --> 01:46:43,139
Advanced information about aviation

2505
01:46:49,370 --> 01:46:46,139
technology and it started to manufacture

2506
01:46:50,930 --> 01:46:49,380
and use it and guess what it works you

2507
01:46:52,370 --> 01:46:50,940
know but do you know what they pressed

2508
01:46:54,169 --> 01:46:52,380
and sometimes they just wouldn't get

2509
01:46:56,149 --> 01:46:54,179
everything that they wanted to it's

2510
01:46:58,970 --> 01:46:56,159
because the whole thing is designed to

2511
01:47:00,350 --> 01:46:58,980
keep you coming back you know keep

2512
01:47:01,729 --> 01:47:00,360
coming back we know we don't want to

2513
01:47:04,430 --> 01:47:01,739

tell you anything because you'll just go

2514

01:47:06,290 --> 01:47:04,440

and keep that going because the

2515

01:47:08,930 --> 01:47:06,300

phenomena eventually gets under your

2516

01:47:11,510 --> 01:47:08,940

skin you know and he likes to invest

2517

01:47:13,330 --> 01:47:11,520

into your life he's happy with me I mean

2518

01:47:16,609 --> 01:47:13,340

I've been in this field now for 40 years

2519

01:47:18,169 --> 01:47:16,619

paranormal youthological and I find I

2520

01:47:20,450 --> 01:47:18,179

have to live in a house where I have

2521

01:47:21,950 --> 01:47:20,460

disturbances all the time I live in a

2522

01:47:25,310 --> 01:47:21,960

house where I know when I can go outside

2523

01:47:27,709 --> 01:47:25,320

and see UFOs it's crazy it's crazy I

2524

01:47:29,689 --> 01:47:27,719

don't need to go to locations they seek

2525

01:47:31,970 --> 01:47:29,699

me out and I know sometimes when they do

2526

01:47:33,890 --> 01:47:31,980

I live in a crazy world now because I've

2527

01:47:36,470 --> 01:47:33,900

opened the door too why Jimmy I'll be

2528

01:47:39,550 --> 01:47:36,480

honest with you I have and it won't shut

2529

01:47:42,729 --> 01:47:39,560

properly now and uh yeah

2530

01:47:48,530 --> 01:47:42,739

it's jammed open yeah

2531

01:47:50,270 --> 01:47:48,540

oh man now this um uh well I've kind of

2532

01:47:52,689 --> 01:47:50,280

saved the best for last but this is

2533

01:47:54,830 --> 01:47:52,699

extremely interesting to me

2534

01:47:58,310 --> 01:47:54,840

and uh

2535

01:48:00,109 --> 01:47:58,320

uh I I want to get the size just right

2536

01:48:03,770 --> 01:48:00,119

so everybody can read it okay there I've

2537

01:48:06,669 --> 01:48:03,780

got it differentials in uh application

2538

01:48:08,510 --> 01:48:06,679

analysis polarized light microscopy

2539

01:48:10,930 --> 01:48:08,520

environmental scanning electron

2540

01:48:13,729 --> 01:48:10,940

microscopy and atomic Force microscopy

2541

01:48:16,189 --> 01:48:13,739

this is that we've got an experiment

2542

01:48:18,950 --> 01:48:16,199

here we've got a two different mugs we

2543

01:48:22,070 --> 01:48:18,960

have a and b take us through this teeth

2544

01:48:24,169 --> 01:48:22,080

okay now join in the investigation in

2545

01:48:26,750 --> 01:48:24,179

the 2000s

2546

01:48:28,790 --> 01:48:26,760

um of a poltergeist infestation

2547

01:48:32,510 --> 01:48:28,800

and there are having quite a number of

2548

01:48:35,330 --> 01:48:32,520

what is referred to as airports now this

2549

01:48:36,890 --> 01:48:35,340

is an incident where for instance you're

2550

01:48:39,830 --> 01:48:36,900

drinking a cup of tea or you put

2551
01:48:41,990 --> 01:48:39,840
something down and suddenly it just you

2552
01:48:43,850 --> 01:48:42,000
reach over to it to get it again it's

2553
01:48:46,669 --> 01:48:43,860
vanished it's gone

2554
01:48:48,770 --> 01:48:46,679
and it what's really weird is it turns

2555
01:48:51,350 --> 01:48:48,780
up in some other location

2556
01:48:53,090 --> 01:48:51,360
it's usually one of two places a place

2557
01:48:54,649 --> 01:48:53,100
where you'd never put it like a bottle

2558
01:48:56,930 --> 01:48:54,659
of milk in an airing comment for an

2559
01:48:59,330 --> 01:48:56,940
example where you keep your towels or

2560
01:49:01,430 --> 01:48:59,340
it's in the most obvious place it's in

2561
01:49:03,470 --> 01:49:01,440
the middle of the floor in in the living

2562
01:49:05,810 --> 01:49:03,480
room where you can't miss it you know

2563
01:49:07,970 --> 01:49:05,820

but it's an act it's a paranormal act

2564

01:49:10,729 --> 01:49:07,980

now for many years we know science

2565

01:49:13,550 --> 01:49:10,739

thought that this is simply a an object

2566

01:49:16,490 --> 01:49:13,560

that is dematerialized by some unknown

2567

01:49:18,590 --> 01:49:16,500

physics method and materialize

2568

01:49:22,070 --> 01:49:18,600

so what we did is what we asked the

2569

01:49:25,370 --> 01:49:24,169

so do you have any moments like this you

2570

01:49:27,410 --> 01:49:25,380

said well actually I only bought them

2571

01:49:31,070 --> 01:49:27,420

three months ago at Christmas I bought a

2572

01:49:32,629 --> 01:49:31,080

set of four ceramic white molds I said

2573

01:49:34,970 --> 01:49:32,639

well is it possible we can take the

2574

01:49:37,189 --> 01:49:34,980

airport as mug away for analysis and

2575

01:49:39,169 --> 01:49:37,199

could you possibly give us a test sample

2576

01:49:40,310 --> 01:49:39,179

log the other mug hasn't it is in the

2577

01:49:42,229 --> 01:49:40,320

airport

2578

01:49:44,390 --> 01:49:42,239

to see if there's any difference between

2579

01:49:46,250 --> 01:49:44,400

okay let me stop you right there and

2580

01:49:49,490 --> 01:49:46,260

explain to everybody we've got the

2581

01:49:52,310 --> 01:49:49,500

affected mug the one that has the high

2582

01:49:55,070 --> 01:49:52,320

strangeness and we have one from the set

2583

01:49:57,890 --> 01:49:55,080

of mugs that wasn't a part of the high

2584

01:50:00,950 --> 01:49:57,900

strangeness correct absolutely correct

2585

01:50:02,090 --> 01:50:00,960

yeah I mean yeah these were bought as a

2586

01:50:04,250 --> 01:50:02,100

pack of four

2587

01:50:07,010 --> 01:50:04,260

and they came up the production line of

2588

01:50:07,970 --> 01:50:07,020

ceramic production line all together so

2589

01:50:09,290 --> 01:50:07,980

you'd think they're all going to be

2590

01:50:11,330 --> 01:50:09,300

roughly the same

2591

01:50:13,850 --> 01:50:11,340

so you know what we measured the books

2592

01:50:16,850 --> 01:50:13,860

there was no difference almost 309 grams

2593

01:50:19,010 --> 01:50:16,860

319 grams and of course there were some

2594

01:50:21,709 --> 01:50:19,020

differences you know slight differences

2595

01:50:23,810 --> 01:50:21,719

in the electromagnetics of it slight

2596

01:50:25,970 --> 01:50:23,820

differences in the early radiation

2597

01:50:28,310 --> 01:50:25,980

levels

2598

01:50:30,890 --> 01:50:28,320

um but overall if you were to pick up

2599

01:50:33,470 --> 01:50:30,900

this Jimmy you'd look at it and feel it

2600

01:50:34,910 --> 01:50:33,480

and you say they're absolutely identical

2601
01:50:35,870 --> 01:50:34,920
you would not be able to tell one from

2602
01:50:39,229 --> 01:50:35,880
the other

2603
01:50:41,530 --> 01:50:39,239
but are all changed when we put mug a

2604
01:50:44,450 --> 01:50:41,540
the upholstered mug under analysis

2605
01:50:47,270 --> 01:50:44,460
followed by three the mug which was the

2606
01:50:50,510 --> 01:50:47,280
sample mode now what happens is that's

2607
01:50:53,330 --> 01:50:50,520
broken down and locked microscopically

2608
01:50:56,330 --> 01:50:53,340
at what's going on in the mug

2609
01:50:57,590 --> 01:50:56,340
and if your computer at that time could

2610
01:51:00,649 --> 01:50:57,600
measure

2611
01:51:03,649 --> 01:51:00,659
such as the the likelihood of it being

2612
01:51:07,850 --> 01:51:03,659
the mug that left the answer would be no

2613
01:51:10,970 --> 01:51:07,860

it is not the mug that left it's a mimic

2614

01:51:14,030 --> 01:51:10,980

it's a replica because it and the

2615

01:51:16,490 --> 01:51:14,040

reasons be because it's vastly different

2616

01:51:19,129 --> 01:51:16,500

it doesn't look it doesn't feel it but

2617

01:51:22,250 --> 01:51:19,139

on the neuromicroscope it's vastly

2618

01:51:25,490 --> 01:51:22,260

different the diathermic reactions in

2619

01:51:28,850 --> 01:51:25,500

this particular month were crazy

2620

01:51:31,189 --> 01:51:28,860

were absolutely crazy and

2621

01:51:33,649 --> 01:51:31,199

we have to argue now was it even the

2622

01:51:36,350 --> 01:51:33,659

same book yeah right right and so what

2623

01:51:37,850 --> 01:51:36,360

what what what what what the testing

2624

01:51:40,680 --> 01:51:37,860

shows

2625

01:51:46,609 --> 01:51:40,690

is that my gay should be the normal one

2626

01:51:51,590 --> 01:51:48,830

Global book that's just nobody's normal

2627

01:51:53,750 --> 01:51:51,600

Ceramics nothing unusual about that and

2628

01:51:57,050 --> 01:51:53,760

you look at a and you think well it's

2629

01:51:58,850 --> 01:51:57,060

not it's so different you'd even go to

2630

01:52:00,950 --> 01:51:58,860

as far as to say it's not even the

2631

01:52:02,990 --> 01:52:00,960

market left now what's really

2632

01:52:06,290 --> 01:52:03,000

interesting is that the diathermic

2633

01:52:07,910 --> 01:52:06,300

reaction that took place in this month

2634

01:52:11,629 --> 01:52:07,920

we'd seen before

2635

01:52:13,189 --> 01:52:11,639

and I scoured through my UFO files I

2636

01:52:15,070 --> 01:52:13,199

mean I took over map it which is an

2637

01:52:18,410 --> 01:52:15,080

organization so it's been running since

2638

01:52:20,629 --> 01:52:18,420

1974 and I went through hundreds and

2639

01:52:21,950 --> 01:52:20,639

hundreds of documents of UFO files and

2640

01:52:23,390 --> 01:52:21,960

you had seen this diathermic reaction

2641

01:52:26,030 --> 01:52:23,400

we've also where I couldn't find the

2642

01:52:27,590 --> 01:52:26,040

damn thing it took me several months and

2643

01:52:30,830 --> 01:52:27,600

suddenly I had that light bulb moment

2644

01:52:33,169 --> 01:52:30,840

one day it's not in my UFO files

2645

01:52:40,209 --> 01:52:33,179

it's it's so it's not in the Paranormal

2646

01:52:45,709 --> 01:52:42,709

let's look at this for a second so the

2647

01:52:49,430 --> 01:52:45,719

radiation levels uh almost doubled

2648

01:52:50,810 --> 01:52:49,440

yeah right if if I'm reading the data

2649

01:52:53,530 --> 01:52:50,820

correctly here

2650

01:52:57,290 --> 01:52:53,540

right yeah uh

2651

01:52:59,689 --> 01:52:57,300

the weight stayed the same

2652

01:53:02,510 --> 01:52:59,699

um now the ATT the approximate

2653

01:53:05,209 --> 01:53:02,520

transference time of 96 Minutes what is

2654

01:53:07,629 --> 01:53:05,219

that that's that's when it disappeared

2655

01:53:11,570 --> 01:53:07,639

till it was discovered

2656

01:53:16,070 --> 01:53:11,580

the uh temperature uh normality of six

2657

01:53:19,850 --> 01:53:16,080

degrees the temperature anomaly is 21

2658

01:53:21,950 --> 01:53:19,860

degrees yes no it's the object the

2659

01:53:25,129 --> 01:53:21,960

airported object was warmer than it

2660

01:53:30,080 --> 01:53:28,850

um I the displace it was moved to 47

2661

01:53:33,649 --> 01:53:30,090

inches yes

2662

01:53:39,970 --> 01:53:37,030

15 degrees warmer than normality the

2663

01:53:44,689 --> 01:53:39,980

electromagnetic differential was

2664

01:53:47,629 --> 01:53:44,699

8.08 is that micrograms yes

2665

01:53:49,450 --> 01:53:47,639

radiation differential

2666

01:53:54,229 --> 01:53:49,460

um uh is

2667

01:53:56,750 --> 01:53:54,239

.47 msv yes that you know that doesn't

2668

01:53:59,930 --> 01:53:56,760

make any sense uh well it's it's the

2669

01:54:01,609 --> 01:53:59,940

scales reference to the meters the

2670

01:54:04,010 --> 01:54:01,619

equipment that we use to measure there

2671

01:54:05,750 --> 01:54:04,020

are measures we're talking about the the

2672

01:54:07,850 --> 01:54:05,760

rad differential I'm talking about the

2673

01:54:10,189 --> 01:54:07,860

experiment that doesn't yes it doesn't

2674

01:54:12,649 --> 01:54:10,199

it should not should not be

2675

01:54:15,770 --> 01:54:12,659

everything points to mug a not being the

2676

01:54:17,990 --> 01:54:15,780

mugged left because if it is it's all

2677

01:54:19,609 --> 01:54:18,000

under some serious serious changes to

2678

01:54:22,070 --> 01:54:19,619

you and what stood out was the

2679

01:54:25,729 --> 01:54:22,080

diathermic reaction and when I said I

2680

01:54:28,790 --> 01:54:25,739

originally found it I found it it was in

2681

01:54:31,970 --> 01:54:28,800

the UFO documentation of Case Files

2682

01:54:34,430 --> 01:54:31,980

a UFO incident that took place the

2683

01:54:37,370 --> 01:54:34,440

number of years back was seen to

2684

01:54:39,530 --> 01:54:37,380

manifest close to the ground

2685

01:54:42,530 --> 01:54:39,540

it was investigated I think it might

2686

01:54:45,649 --> 01:54:42,540

have been even more involved in this and

2687

01:54:48,169 --> 01:54:45,659

it affected the area of plant growth

2688

01:54:50,209 --> 01:54:48,179

so the guys the scientist guys came out

2689

01:54:52,669 --> 01:54:50,219

and they took samples of the plants

2690

01:54:55,129 --> 01:54:52,679

which is known as plant biological

2691

01:54:57,290 --> 01:54:55,139

traumatology tests

2692

01:55:00,590 --> 01:54:57,300

and what did they find in those plants

2693

01:55:02,209 --> 01:55:00,600

they're exactly the same diathermic

2694

01:55:05,209 --> 01:55:02,219

reaction

2695

01:55:07,689 --> 01:55:05,219

so my uh big question is

2696

01:55:12,070 --> 01:55:07,699

if a mug suddenly

2697

01:55:14,750 --> 01:55:12,080

materializes in a haunted house or UFO

2698

01:55:18,470 --> 01:55:14,760

materializes out in a field they're

2699

01:55:20,270 --> 01:55:18,480

utilizing the very same physics and we

2700

01:55:22,129 --> 01:55:20,280

just don't understand what that is we're

2701

01:55:24,350 --> 01:55:22,139

going to figure it out you know today

2702

01:55:25,609 --> 01:55:24,360

Steve look uh

2703

01:55:32,530 --> 01:55:25,619

today

2704

01:55:34,669 --> 01:55:32,540

black magic to us

2705

01:55:37,370 --> 01:55:34,679

it's simple

2706

01:55:40,010 --> 01:55:37,380

and and and you know and if we go back

2707

01:55:42,050 --> 01:55:40,020

in time and and again I don't want to

2708

01:55:45,109 --> 01:55:42,060

sound like I'm a completely naive here

2709

01:55:48,590 --> 01:55:45,119

but if we go back in time you know 200

2710

01:55:51,470 --> 01:55:48,600

years ago and and and tell everybody

2711

01:55:54,410 --> 01:55:51,480

about you know flying to the Moon you

2712

01:55:56,689 --> 01:55:54,420

know rocket ships that's sorcery black

2713

01:56:00,050 --> 01:55:56,699

man you try to convince somebody 200

2714

01:56:02,390 --> 01:56:00,060

years ago of what a microwave oven does

2715

01:56:06,169 --> 01:56:02,400

right but we have those in every kitchen

2716

01:56:09,950 --> 01:56:06,179

you mean I can heat up my coffee in 15

2717

01:56:13,370 --> 01:56:09,960

seconds absolutely by pressing a button

2718

01:56:15,649 --> 01:56:13,380

right that's black magic sorcery and

2719

01:56:17,330 --> 01:56:15,659

it's the same thing that we are root for

2720

01:56:20,689 --> 01:56:17,340

we just don't understand it yet we don't

2721

01:56:22,490 --> 01:56:20,699

have the capacity to get there yeah yeah

2722

01:56:24,050 --> 01:56:22,500

but what's interesting is that is

2723

01:56:25,669 --> 01:56:24,060

another connection between a

2724

01:56:27,169 --> 01:56:25,679

youthological phenomena and the

2725

01:56:29,450 --> 01:56:27,179

Paranormal

2726

01:56:32,629 --> 01:56:29,460

it's a hundred percent it's the same

2727

01:56:35,709 --> 01:56:32,639

thing it's the same thing uh we are out

2728

01:56:40,430 --> 01:56:35,719

of time and I wanted to

2729

01:56:43,550 --> 01:56:40,440

uh get to man because this is one of my

2730

01:56:46,490 --> 01:56:43,560

favorite sites on on planet Earth can

2731

01:56:49,209 --> 01:56:46,500

you do this can you do me a favor can we

2732

01:56:52,850 --> 01:56:49,219

do this in 90 seconds

2733

01:56:54,530 --> 01:56:52,860

giant rock yeah think about giant

2734

01:56:56,810 --> 01:56:54,540

Rockies everybody said you know well it

2735

01:56:58,729 --> 01:56:56,820

was it was very big from the 30s people

2736

01:57:00,229 --> 01:56:58,739

don't gather that in the biggest events

2737

01:57:02,810 --> 01:57:00,239

in the world it's like it's like you

2738

01:57:05,270 --> 01:57:02,820

your very first contacts in the desert

2739

01:57:07,490 --> 01:57:05,280

you know we'll just go and visit and it

2740

01:57:08,930 --> 01:57:07,500

was very popular but it was popular for

2741

01:57:11,930 --> 01:57:08,940

the wrong things it was nothing to do

2742

01:57:15,229 --> 01:57:11,940

with UFO seen in the sky what happened

2743

01:57:16,430 --> 01:57:15,239

was entities were seen coming out of the

2744

01:57:20,450 --> 01:57:16,440

Rock

2745

01:57:21,950 --> 01:57:20,460

three of them entities came out what out

2746

01:57:23,950 --> 01:57:21,960

of the runway let me tell any about that

2747

01:57:26,870 --> 01:57:23,960

geophysical geological

2748

01:57:28,790 --> 01:57:26,880

Association this is what the giant rock

2749

01:57:30,890 --> 01:57:28,800

is you know how it all began and of

2750

01:57:34,070 --> 01:57:30,900

course this you know we got Twisted into

2751

01:57:35,810 --> 01:57:34,080

oh yes UFOs was seen in the sky yes UFOs

2752

01:57:37,310 --> 01:57:35,820

have been seen in the sky there but

2753

01:57:38,689 --> 01:57:37,320

there wasn't the initiation the

2754

01:57:40,129 --> 01:57:38,699

initiation of these entities coming

2755

01:57:42,530 --> 01:57:40,139

through the Rock

2756

01:57:44,870 --> 01:57:42,540

you go you know it's noted as the second

2757

01:57:46,370 --> 01:57:44,880

largest piece of single lock in the

2758

01:57:49,850 --> 01:57:46,380

world

2759

01:57:52,129 --> 01:57:49,860

um and where is it where is it where

2760

01:57:55,250 --> 01:57:52,139

people have had these experiences it's

2761

01:57:56,510 --> 01:57:55,260

in a positive magnetic region now you

2762

01:58:00,250 --> 01:57:56,520

will measure these but you can actually

2763

01:58:05,030 --> 01:58:00,260

measure on the scale down the bottom of

2764

01:58:07,430 --> 01:58:05,040

250 Nano Tesla positive it's another one

2765

01:58:09,470 --> 01:58:07,440

of those locations it's it's crazy

2766

01:58:11,570 --> 01:58:09,480

because now you can go to one of these

2767

01:58:13,669 --> 01:58:11,580

particular locations and go well what is

2768

01:58:16,010 --> 01:58:13,679

there and then you suddenly hang on a

2769

01:58:18,890 --> 01:58:16,020

second that's where Travis Walton had

2770

01:58:21,649 --> 01:58:18,900

his experience you know it's when the

2771

01:58:22,669 --> 01:58:21,659

hopskinville aliens attacks there's the

2772

01:58:25,550 --> 01:58:22,679

cabin

2773

01:58:29,169 --> 01:58:25,560

you know it is where the Flatwoods

2774

01:58:31,990 --> 01:58:29,179

Monster appeared is where the river

2775

01:58:35,750 --> 01:58:32,000

alien incident took place at school

2776

01:58:37,250 --> 01:58:35,760

they're all the same places and I think

2777

01:58:38,870 --> 01:58:37,260

there's really good reason for that

2778

01:58:43,010 --> 01:58:38,880

Jimmy

2779

01:58:46,729 --> 01:58:43,020

and the uh in in this image and follow

2780

01:58:49,970 --> 01:58:46,739

my cursor that's the 29 Palms uh freeway

2781

01:58:51,830 --> 01:58:49,980

that that goes through there and along

2782

01:58:53,510 --> 01:58:51,840

that freeway

2783

01:58:56,930 --> 01:58:53,520

um on the North and the South Side

2784

01:59:00,169 --> 01:58:56,940

actually uh but on the North side right

2785

01:59:04,930 --> 01:59:00,179

where my cursors I have had some of the

2786

01:59:07,609 --> 01:59:04,940

most fantastic sightings ever right

2787

01:59:10,070 --> 01:59:07,619

including of course giant rock giant

2788

01:59:11,990 --> 01:59:10,080

rock is one of my favorite places and

2789

01:59:14,089 --> 01:59:12,000

I'm going to be doing a private sky

2790

01:59:14,990 --> 01:59:14,099

watch with Billy Carson um out there

2791

01:59:18,950 --> 01:59:15,000

next

2792

01:59:22,189 --> 01:59:18,960

and I just did one with Billy at Giant

2793

01:59:25,189 --> 01:59:22,199

Rock okay so here's giant rock right

2794

01:59:27,530 --> 01:59:25,199

here right okay so over here see this

2795

01:59:30,229 --> 01:59:27,540

hill on the right side of this picture

2796

01:59:33,169 --> 01:59:30,239

we took my Jeep

2797

01:59:35,290 --> 01:59:33,179

Steve and we drove up and parked on the

2798

01:59:40,129 --> 01:59:35,300

top of this hill you've got it up there

2799

01:59:41,810 --> 01:59:40,139

now from this angle you can't tell but

2800

01:59:44,330 --> 01:59:41,820

from the top of that Hill you're looking

2801
01:59:47,089 --> 01:59:44,340
down on giant rock you should see the

2802
01:59:50,810 --> 01:59:47,099
pictures and we saw there with chairs

2803
01:59:53,390 --> 01:59:50,820
and night vision it was you know a half

2804
01:59:55,729 --> 01:59:53,400
dozen dozen of us uh Billy and I and

2805
01:59:58,910 --> 01:59:55,739
Elizabeth and and some friends and and

2806
02:00:01,390 --> 01:59:58,920
had the most amazing sky watch and I

2807
02:00:05,209 --> 02:00:01,400
think I'm I'm in agreement

2808
02:00:08,570 --> 02:00:05,219
that's the reason why giant rock in that

2809
02:00:10,970 --> 02:00:08,580
area is a very very very special place

2810
02:00:14,689 --> 02:00:10,980
and the Integratron is there and and

2811
02:00:16,790 --> 02:00:14,699
yeah absolutely is a location where UFOs

2812
02:00:19,310 --> 02:00:16,800
it would seemingly manifest in a

2813
02:00:21,470 --> 02:00:19,320

positive magnetic region there is some

2814

02:00:23,089 --> 02:00:21,480

Physics that are involved it's not just

2815

02:00:25,129 --> 02:00:23,099

random where these things are just

2816

02:00:27,229 --> 02:00:25,139

turning up when my manifesting there's

2817

02:00:29,030 --> 02:00:27,239

some purpose that they're doing it and

2818

02:00:30,649 --> 02:00:29,040

it does have that connection with the

2819

02:00:32,629 --> 02:00:30,659

geology of the Earth

2820

02:00:34,370 --> 02:00:32,639

well I'm going to be seeing you in a

2821

02:00:37,010 --> 02:00:34,380

couple of months my friend August 20th

2822

02:00:41,050 --> 02:00:37,020

let's move forward to it I've been

2823

02:00:43,490 --> 02:00:41,060

practicing man I'm telling you hello

2824

02:00:47,330 --> 02:00:43,500

I can't wait it's gonna be so much fun

2825

02:00:50,570 --> 02:00:47,340

uh Steve listen uh uh behave I know that

2826

02:00:52,850 --> 02:00:50,580

you're constantly producing uh New Media

2827

02:00:55,370 --> 02:00:52,860

you're always working on stuff I'm

2828

02:00:57,530 --> 02:00:55,380

excited uh keep us posted when the stuff

2829

02:00:58,729 --> 02:00:57,540

is released so we can check it out over

2830

02:01:00,050 --> 02:00:58,739

here

2831

02:01:01,669 --> 02:01:00,060

um I'll see you in a couple of months

2832

02:01:03,589 --> 02:01:01,679

but I can't wait until you're on the

2833

02:01:05,570 --> 02:01:03,599

show with us again thank you so much my

2834

02:01:07,669 --> 02:01:05,580

friend wonderful thank you very much

2835

02:01:10,189 --> 02:01:07,679

Jimmy talk to you soon you're the very

2836

02:01:14,270 --> 02:01:10,199

best it's Steve Mara and now I do have

2837

02:01:15,649 --> 02:01:14,280

uh Steve's uh uh links and and websites

2838

02:01:18,410 --> 02:01:15,659

and everything they are in the

2839

02:01:20,510 --> 02:01:18,420

description box below they are over on

2840

02:01:23,450 --> 02:01:20,520

the website and we have them up

2841

02:01:26,169 --> 02:01:23,460

throughout social media thank you so

2842

02:01:30,470 --> 02:01:26,179

much and that's gonna wrap this episode

2843

02:01:32,330 --> 02:01:30,480

of uh Fades of black and we're heading

2844

02:01:34,129 --> 02:01:32,340

into the weekend we've got a great week

2845

02:01:36,830 --> 02:01:34,139

lined up next week

2846

02:01:39,109 --> 02:01:36,840

we'll be posting all of that uh over the

2847

02:01:41,030 --> 02:01:39,119

weekend but until then I want everybody

2848

02:01:43,550 --> 02:01:41,040

to have a great safe fun amazing weekend

2849

02:01:45,649 --> 02:01:43,560

Fade to Black is produced by Hilton J

2850
