

FADE TO BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Mon May 08, 2023 **LIVE**

1
00:00:03,300 --> 00:00:09,930
foreign

2
00:00:37,069 --> 00:00:22,060
[Music]

3
00:00:43,930 --> 00:00:39,830
welcome and good afternoon Fade to Black

4
00:00:47,150 --> 00:00:43,940
breaking news for Monday May 8th

5
00:00:49,670 --> 00:00:47,160
2023. this is all of the news that you

6
00:00:51,709 --> 00:00:49,680
need I'm Jimmy church and let's get

7
00:00:54,590 --> 00:00:51,719
straight to it I'm fresh off

8
00:00:56,150 --> 00:00:54,600
of a weekend in Las Vegas by the way

9
00:00:58,850 --> 00:00:56,160
spend it at the Luxe service Hall

10
00:01:00,590 --> 00:00:58,860
business and I did some other stuff you

11
00:01:04,009 --> 00:01:00,600
know you got to get some r r in right

12
00:01:07,390 --> 00:01:04,019
but uh life is good I'm back let's get

13
00:01:13,190 --> 00:01:07,400

to the news on this day in history

14

00:01:16,609 --> 00:01:13,200

1950 police in silk Borg Denmark were

15

00:01:19,910 --> 00:01:16,619

alerted to the discovery of a corpse in

16

00:01:23,270 --> 00:01:19,920

a bog it was revealed to be a remarkably

17

00:01:26,749 --> 00:01:23,280

preserved bog body and was given the

18

00:01:29,570 --> 00:01:26,759

name toland man his remains as well as

19

00:01:33,230 --> 00:01:29,580

those of Elling woman which were found

20

00:01:37,850 --> 00:01:33,240

nearby are on display at the silkborg

21

00:01:40,249 --> 00:01:37,860

Museum on this day in 1950. here's your

22

00:01:43,490 --> 00:01:40,259

fader fact

23

00:01:47,510 --> 00:01:43,500

since the 15th century

24

00:01:49,789 --> 00:01:47,520

the national animal of Scotland

25

00:01:51,289 --> 00:01:49,799

is the Unicorn

26

00:01:53,330 --> 00:01:51,299

and that

27

00:01:56,510 --> 00:01:53,340

is your fader fact let's get to the

28

00:02:00,170 --> 00:01:56,520

breaking news scientists have named a

29

00:02:03,109 --> 00:02:00,180

group of butterflies after Sauron from

30

00:02:06,350 --> 00:02:03,119

The Lord of the Rings experts hit on the

31

00:02:09,229 --> 00:02:06,360

name sorana because of the black rings

32

00:02:12,170 --> 00:02:09,239

on the insects orange wings reminded

33

00:02:15,170 --> 00:02:12,180

them of the All-Seeing Eye described in

34

00:02:18,110 --> 00:02:15,180

the J.R.R tolkien's books the Natural

35

00:02:20,690 --> 00:02:18,120

History Museum of London hopes the

36

00:02:23,750 --> 00:02:20,700

unusual title will draw attention to the

37

00:02:26,630 --> 00:02:23,760

species and help generate more research

38

00:02:30,290 --> 00:02:26,640

two species of butterfly the serrana

39

00:02:32,869 --> 00:02:30,300

Triangular and the serrana arijera are

40

00:02:36,170 --> 00:02:32,879

the first members of the group but it is

41

00:02:39,710 --> 00:02:36,180

expected many more species will join

42

00:02:43,430 --> 00:02:39,720

them Sauron saurana

43

00:02:45,229 --> 00:02:43,440

the United Nations nuclear watchdog

44

00:02:47,509 --> 00:02:45,239

we've got to keep our eyes on this by

45

00:02:51,110 --> 00:02:47,519

the way that's why it's obviously a

46

00:02:55,210 --> 00:02:51,120

watchdog group has raised concerns as to

47

00:03:00,350 --> 00:02:57,949

nuclear power plant describing the

48

00:03:03,830 --> 00:03:00,360

situation as increasingly unpredictable

49

00:03:06,530 --> 00:03:03,840

after Moscow ordered the evacuation of

50

00:03:10,190 --> 00:03:06,540

residents more than 1600 people

51
00:03:13,130 --> 00:03:10,200
including 660 children have been

52
00:03:16,250 --> 00:03:13,140
evacuated the nuclear plant Europe's

53
00:03:18,589 --> 00:03:16,260
largest nuclear power station is held by

54
00:03:21,770 --> 00:03:18,599
Russian forces but mostly operated by

55
00:03:24,070 --> 00:03:21,780
Ukrainian Workforce the evacuation of

56
00:03:26,509 --> 00:03:24,080
the Town amid rumors of an anticipated

57
00:03:29,750 --> 00:03:26,519
counter-offensive which the southern

58
00:03:32,690 --> 00:03:29,760
region likely will be a major Target as

59
00:03:34,009 --> 00:03:32,700
Kiev seeks to push back moscow's

60
00:03:36,589 --> 00:03:34,019
invasion

61
00:03:38,750 --> 00:03:36,599
yeah we don't need a nuclear disaster

62
00:03:43,369 --> 00:03:38,760
okay

63
00:03:46,250 --> 00:03:43,379

a 48 year old woman survived five days

64

00:03:49,970 --> 00:03:46,260

stranded in the bush in Australia by

65

00:03:53,990 --> 00:03:49,980

eating candy and drinking a single

66

00:03:55,850 --> 00:03:54,000

bottle of wine Lillian IP set off on

67

00:03:57,710 --> 00:03:55,860

what was meant to be a short trip on

68

00:04:00,470 --> 00:03:57,720

Sunday traveling through the dense bush

69

00:04:02,690 --> 00:04:00,480

in Victoria but she hit a dead end after

70

00:04:05,930 --> 00:04:02,700

taking a wrong turn and her vehicle

71

00:04:08,270 --> 00:04:05,940

became stuck in the mud Miss IP who

72

00:04:09,949 --> 00:04:08,280

doesn't drink by the way only had a

73

00:04:13,250 --> 00:04:09,959

bottle of wine in the car she was

74

00:04:16,370 --> 00:04:13,260

planning to give it as a present after

75

00:04:18,830 --> 00:04:16,380

five nights stranded she was discovered

76
00:04:22,909 --> 00:04:18,840
by emergency services this past Friday

77
00:04:26,210 --> 00:04:22,919
as they flew overhead as part of the

78
00:04:27,909 --> 00:04:26,220
search absolutely incredible yeah wine

79
00:04:30,249 --> 00:04:27,919
and candy

80
00:04:33,170 --> 00:04:30,259
survivor's tools

81
00:04:36,110 --> 00:04:33,180
Canada's oil and gas producers shut down

82
00:04:38,330 --> 00:04:36,120
some production after Alberta was hit by

83
00:04:40,610 --> 00:04:38,340
an unprecedented Wildfire season

84
00:04:42,950 --> 00:04:40,620
although rain and cooler weather are

85
00:04:46,189 --> 00:04:42,960
expected to bring some relief later

86
00:04:47,990 --> 00:04:46,199
today the country's main oil producing

87
00:04:51,469 --> 00:04:48,000
Province declared a state of emergency

88
00:04:54,950 --> 00:04:51,479

on Saturday due to wildfires shutting

89

00:04:57,950 --> 00:04:54,960

production of at least 185

90

00:05:00,469 --> 00:04:57,960

000 Bears of oil equivalent per day or

91

00:05:04,189 --> 00:05:00,479

about 2 percent of total Canadian output

92

00:05:06,950 --> 00:05:04,199

and displacing nearly 30 000 residents

93

00:05:09,710 --> 00:05:06,960

Canada is home to the world's third

94

00:05:12,530 --> 00:05:09,720

largest reserves and most of these are

95

00:05:15,710 --> 00:05:12,540

in Northern Alberta's vast oil sands

96

00:05:19,490 --> 00:05:15,720

more than 100 wildfires are still active

97

00:05:23,870 --> 00:05:19,500

with more than 30 classified as out of

98

00:05:27,409 --> 00:05:23,880

control I'll keep you posted now Virgin

99

00:05:30,350 --> 00:05:27,419

Galactic now virgin Galactica is still

100

00:05:34,249 --> 00:05:30,360

operational that satellite division is

101
00:05:37,610 --> 00:05:34,259
the version the Virgin uh division that

102
00:05:40,189 --> 00:05:37,620
has gone bankrupt but Virgin Galactic is

103
00:05:43,129 --> 00:05:40,199
still happening they will fly to space

104
00:05:46,430 --> 00:05:43,139
for the first time in nearly two years

105
00:05:50,629 --> 00:05:46,440
later this month the company announced

106
00:05:53,990 --> 00:05:50,639
today that it's targeting late May uh

107
00:05:58,550 --> 00:05:54,000
for Unity 25. it's fifth ever space

108
00:06:00,590 --> 00:05:58,560
flight and first since July of 2021 and

109
00:06:02,450 --> 00:06:00,600
that's when Richard Branson launched

110
00:06:05,330 --> 00:06:02,460
into space with three other passengers

111
00:06:07,969 --> 00:06:05,340
like virgin galactic's four previous

112
00:06:11,090 --> 00:06:07,979
space flights the coming Mission will be

113
00:06:14,570 --> 00:06:11,100

a test but it is expected to be the last

114

00:06:16,550 --> 00:06:14,580

such trial Unity 25 is the final

115

00:06:19,969 --> 00:06:16,560

assessment of the full space flight

116

00:06:24,850 --> 00:06:19,979

system before commercial space tourism

117

00:06:27,830 --> 00:06:24,860

starts check this in late June

118

00:06:29,270 --> 00:06:27,840

absolutely incredible all right I'm

119

00:06:30,770 --> 00:06:29,280

pretty excited so I'm going to leave you

120

00:06:33,469 --> 00:06:30,780

with this

121

00:06:36,770 --> 00:06:33,479

the summer movie season

122

00:06:39,350 --> 00:06:36,780

is kicking off all right it's already

123

00:06:41,689 --> 00:06:39,360

happening and the list of stuff that are

124

00:06:43,909 --> 00:06:41,699

a must-see at least for me and I'm

125

00:06:46,370 --> 00:06:43,919

sharing this with you is pretty

126
00:06:49,610 --> 00:06:46,380
impressive now we already know that on

127
00:06:53,689 --> 00:06:49,620
May 5th Guardian Guardians of the Galaxy

128
00:06:56,090 --> 00:06:53,699
vol 3 premiered in theaters and that is

129
00:07:00,170 --> 00:06:56,100
out now pretty good reviews by the way

130
00:07:03,650 --> 00:07:00,180
but listen to what is upcoming over the

131
00:07:06,830 --> 00:07:03,660
next few months it's insane you have

132
00:07:10,550 --> 00:07:06,840
Spider-Man across the spider verse and

133
00:07:14,450 --> 00:07:10,560
that premieres on June 2nd excited about

134
00:07:19,390 --> 00:07:14,460
that Transformers rise of the beasts

135
00:07:23,510 --> 00:07:19,400
that premieres June 9th The Flash

136
00:07:25,790 --> 00:07:23,520
premieres June 16th and for me what I

137
00:07:26,589 --> 00:07:25,800
think is going to be the movie of the

138
00:07:30,529 --> 00:07:26,599

year

139

00:07:34,189 --> 00:07:30,539

asteroid City by Wes Anderson that

140

00:07:38,330 --> 00:07:34,199

premieres June 16th and then you have

141

00:07:42,050 --> 00:07:38,340

Indiana Jones and the dial of Destiny

142

00:07:43,969 --> 00:07:42,060

that's June 30th and right after that

143

00:07:47,270 --> 00:07:43,979

you have Mission Impossible dead

144

00:07:49,490 --> 00:07:47,280

reckoning part one isn't this like

145

00:07:52,430 --> 00:07:49,500

Mission Impossible five and that

146

00:07:55,430 --> 00:07:52,440

premieres July 12th and then you have

147

00:07:58,070 --> 00:07:55,440

the second most exciting movie of the

148

00:08:01,550 --> 00:07:58,080

year for me personally Barbie

149

00:08:05,230 --> 00:08:01,560

and that pretty that premieres July 21st

150

00:08:07,730 --> 00:08:05,240

and then uh also on the same day

151
00:08:10,249 --> 00:08:07,740
Oppenheimer I'm really looking forward

152
00:08:14,450 --> 00:08:10,259
to this that also premieres on July 21st

153
00:08:18,830 --> 00:08:14,460
and then you have the Meg 2. that's

154
00:08:21,409 --> 00:08:18,840
right the meg2 the trench that is August

155
00:08:24,589 --> 00:08:21,419
4th and then one of my favorite video

156
00:08:28,129 --> 00:08:24,599
games of of all time is Gran Turismo on

157
00:08:30,650 --> 00:08:28,139
Sony PlayStation the movie version of

158
00:08:32,570 --> 00:08:30,660
this premieres August 11th it's called

159
00:08:34,610 --> 00:08:32,580
Gran Turismo

160
00:08:37,310 --> 00:08:34,620
and and you probably already got the

161
00:08:40,610 --> 00:08:37,320
idea behind the film right a player of

162
00:08:43,490 --> 00:08:40,620
the game gets really really good gets

163
00:08:46,370 --> 00:08:43,500

noticed and then gets pulled into a

164

00:08:47,449 --> 00:08:46,380

racing team so that premieres I'm gonna

165

00:08:51,410 --> 00:08:47,459

check that out it's going to be great

166

00:08:54,710 --> 00:08:51,420

that's August 11th and then Blue Beetle

167

00:08:57,590 --> 00:08:54,720

now Blue Beetle premieres August 18th

168

00:09:01,610 --> 00:08:57,600

and this is uh one of the first if not

169

00:09:05,210 --> 00:09:01,620

the first Latino superheroes and that is

170

00:09:08,030 --> 00:09:05,220

August 18th that is an amazing summer

171

00:09:10,070 --> 00:09:08,040

season of movies coming up back to back

172

00:09:12,170 --> 00:09:10,080

to back to back to back I left out all

173

00:09:14,509 --> 00:09:12,180

the fluff this is just the good stuff

174

00:09:17,150 --> 00:09:14,519

all right there's your Fade to Black

175

00:09:20,690 --> 00:09:17,160

breaking news all of the news that you

176

00:09:24,009 --> 00:09:20,700

need for this Monday May 8th 2023

177

00:09:27,230 --> 00:09:24,019

forbade uh forbade

178

00:09:30,290 --> 00:09:27,240

Fade to Black breaking news is produced

179

00:09:32,389 --> 00:09:30,300

by Renee Newman I'm Jimmy church and I

180

00:09:36,920 --> 00:09:32,399

just have one thing to say
