

# FADE TO BLACK

with JIMMY CHURCH

**PRESENTS**

**Dr. KEN JEREMIAH**

**THE SPEAR OF DESTINY**

**TUE MAY 09 LIVE**

**700-900PM PT**

1  
00:00:01,920 --> 00:00:16,430  
foreign

2  
00:00:16,440 --> 00:00:33,850  
[Music]

3  
00:00:38,690 --> 00:00:36,470  
Air Forces has announced that applying

4  
00:00:40,310 --> 00:00:38,700  
disc has been found and is now in the

5  
00:00:43,369 --> 00:00:40,320  
possession of the army

6  
00:00:47,150 --> 00:00:43,379  
game is rigged change the game game

7  
00:00:50,750 --> 00:00:47,160  
changer I occasionally think how quickly

8  
00:00:54,110 --> 00:00:50,760  
our differences worldwide would vanish

9  
00:00:55,450 --> 00:00:54,120  
if we were facing an alien threat from

10  
00:00:57,260 --> 00:00:55,460  
outside this work

11  
00:00:57,440 --> 00:00:57,270  
[Music]

12  
00:00:59,709 --> 00:00:57,450  
[Applause]

13  
00:01:02,689 --> 00:00:59,719

[Music]

14

00:01:05,570 --> 00:01:02,699

this is Fade to Black with your host

15

00:01:06,210 --> 00:01:05,580

Jimmy Church on the game changer Radio

16

00:01:09,530 --> 00:01:06,220

Network

17

00:01:17,450 --> 00:01:13,490

all right good evening Fade to Black

18

00:01:20,210 --> 00:01:17,460

today is Tuesday May 9th I am your host

19

00:01:23,749 --> 00:01:20,220

Jimmy church and our guest tonight is Dr

20

00:01:27,469 --> 00:01:23,759

Ken Jeremiah and tonight's broadcast is

21

00:01:30,770 --> 00:01:27,479

brought to you by accidental truth it is

22

00:01:33,710 --> 00:01:30,780

the new documentary hit documentary now

23

00:01:37,910 --> 00:01:33,720

streaming on all platforms the links for

24

00:01:40,810 --> 00:01:37,920

it are below directed by Ron James this

25

00:01:44,270 --> 00:01:40,820

is the documentary that is a must view

26  
00:01:46,730 --> 00:01:44,280  
for everybody in our community so go and

27  
00:01:50,510 --> 00:01:46,740  
check it out again the links are below

28  
00:01:52,550 --> 00:01:50,520  
and and I say it every time my eight

29  
00:01:55,789 --> 00:01:52,560  
seconds in this film

30  
00:01:57,410 --> 00:01:55,799  
chest it makes it it makes the entire

31  
00:01:59,990 --> 00:01:57,420  
film eight seconds

32  
00:02:03,350 --> 00:02:00,000  
but there are eight good seconds check

33  
00:02:07,490 --> 00:02:03,360  
out Axel Dental truth today our guest

34  
00:02:10,430 --> 00:02:07,500  
tonight is Dr Ken Jeremiah and we are

35  
00:02:14,030 --> 00:02:10,440  
going to be discussing his research he's

36  
00:02:16,790 --> 00:02:14,040  
he's written about uh mummification and

37  
00:02:20,510 --> 00:02:16,800  
some other things over the years but all

38  
00:02:22,490 --> 00:02:20,520

of this has led him to the Spear of

39

00:02:24,350 --> 00:02:22,500

Destiny he has written more than 12

40

00:02:27,110 --> 00:02:24,360

books about mummification and other

41

00:02:29,510 --> 00:02:27,120

historical phenomena including Zen arts

42

00:02:32,690 --> 00:02:29,520

and writing living Buddhas Christian

43

00:02:35,089 --> 00:02:32,700

mummification Eternal remains remnants

44

00:02:38,410 --> 00:02:35,099

of a distant past creatures real and

45

00:02:43,070 --> 00:02:38,420

imaginary in Chinese and Japanese art

46

00:02:45,710 --> 00:02:43,080

and uh shadowgu the art of tea and

47

00:02:48,530 --> 00:02:45,720

making millions a 500 year old cabalis

48

00:02:50,150 --> 00:02:48,540

guy to conquering chance he has appeared

49

00:02:51,890 --> 00:02:50,160

on numerous podcasts and television

50

00:02:55,430 --> 00:02:51,900

interviews including History Channels

51  
00:02:57,550 --> 00:02:55,440  
Ancient Aliens and The Unexplained with

52  
00:03:00,530 --> 00:02:57,560  
William Shatner his link can

53  
00:03:02,330 --> 00:03:00,540  
jeremiah.com is below we have it over on

54  
00:03:04,550 --> 00:03:02,340  
our website and throughout social media

55  
00:03:07,729 --> 00:03:04,560  
and I want to get straight to it tonight

56  
00:03:09,350 --> 00:03:07,739  
I'm going to say welcome Dr Ken Jeremiah

57  
00:03:11,869 --> 00:03:09,360  
for the first time to fade to black

58  
00:03:13,369 --> 00:03:11,879  
welcome man how you doing not bad Jimmy

59  
00:03:15,949 --> 00:03:13,379  
thanks for having me it's great to be

60  
00:03:18,649 --> 00:03:15,959  
here it's good to see you yeah it's good

61  
00:03:21,589 --> 00:03:18,659  
to see you and uh you get the First Time

62  
00:03:24,350 --> 00:03:21,599  
guest disclaimer and I is this the first

63  
00:03:27,770 --> 00:03:24,360

time you you've been on Fade to block on

64

00:03:30,470 --> 00:03:27,780

your show yes yeah wow I I I I thought

65

00:03:34,250 --> 00:03:30,480

that you were on before and I went and

66

00:03:36,770 --> 00:03:34,260

looked at a lot of shows right and and

67

00:03:39,050 --> 00:03:36,780

I'm getting old uh so you get the First

68

00:03:41,809 --> 00:03:39,060

Time guest disclaimer tonight Ken which

69

00:03:43,610 --> 00:03:41,819

is uh it's just you and I sitting on my

70

00:03:45,410 --> 00:03:43,620

couch having a conversation as friends

71

00:03:47,809 --> 00:03:45,420

and where that conversation starts it

72

00:03:50,149 --> 00:03:47,819

starts where it ends it ends but we're

73

00:03:54,589 --> 00:03:50,159

gonna end his friends all right sounds

74

00:03:55,610 --> 00:03:54,599

good you accept I accept the rules

75

00:03:58,309 --> 00:03:55,620

all right

76

00:04:00,830 --> 00:03:58,319

consequences I guess too

77

00:04:03,410 --> 00:04:00,840

tonight is is gonna be one of those

78

00:04:06,530 --> 00:04:03,420

shows I think uh both uh you and I know

79

00:04:09,589 --> 00:04:06,540

uh that uh we know what's about to

80

00:04:11,869 --> 00:04:09,599

happen on on on the broadcast and I'm

81

00:04:15,710 --> 00:04:11,879

very excited about this

82

00:04:18,969 --> 00:04:15,720

um but uh I have to Let's back up for a

83

00:04:22,069 --> 00:04:18,979

second because I'm a little confused

84

00:04:24,490 --> 00:04:22,079

about the road traveled from

85

00:04:27,409 --> 00:04:24,500

mummification of which you're an expert

86

00:04:30,530 --> 00:04:27,419

uh to the Spear of Destiny so we're

87

00:04:33,530 --> 00:04:30,540

actually we kind of got to start there

88

00:04:35,890 --> 00:04:33,540

um but I want to start off with this

89

00:04:38,629 --> 00:04:35,900

I just got back from Egypt

90

00:04:42,650 --> 00:04:38,639

and you know you know the mummies right

91

00:04:45,230 --> 00:04:42,660

and but one of the things that I did

92

00:04:47,990 --> 00:04:45,240

um on on this last trip and I'm going

93

00:04:51,650 --> 00:04:48,000

back again in a couple of months but I

94

00:04:55,129 --> 00:04:51,660

went to the new uh not not the new Grand

95

00:04:57,530 --> 00:04:55,139

Museum uh that's still not finished but

96

00:04:59,390 --> 00:04:57,540

I went to the other new Museum there and

97

00:05:04,490 --> 00:04:59,400

it's the Museum of culture and history

98

00:05:07,629 --> 00:05:04,500

of Egypt and that is where they now have

99

00:05:10,430 --> 00:05:07,639

the Pharaohs and the families

100

00:05:13,730 --> 00:05:10,440

and you may remember this when they had

101  
00:05:16,370 --> 00:05:13,740  
the big parade through Cairo and you

102  
00:05:19,790 --> 00:05:16,380  
know the fireworks and and the ceremony

103  
00:05:21,530 --> 00:05:19,800  
of them you know taking uh and it's very

104  
00:05:23,570 --> 00:05:21,540  
it's a very spiritual thing you know

105  
00:05:26,210 --> 00:05:23,580  
this is a very special thing for Egypt

106  
00:05:27,830 --> 00:05:26,220  
but uh they brought all of the mummies

107  
00:05:30,590 --> 00:05:27,840  
down and then

108  
00:05:32,650 --> 00:05:30,600  
um put them in this new Museum and I was

109  
00:05:36,610 --> 00:05:32,660  
able to go there

110  
00:05:41,930 --> 00:05:36,620  
and here here's my takeaway

111  
00:05:43,370 --> 00:05:41,940  
it is pretty mind-blowing to go up to

112  
00:05:45,770 --> 00:05:43,380  
Ramses

113  
00:05:47,510 --> 00:05:45,780

first second third fourth fifth I don't

114

00:05:50,330 --> 00:05:47,520

know they have 15 of them there I think

115

00:05:53,330 --> 00:05:50,340

right each one

116

00:05:54,950 --> 00:05:53,340

um up close right where you can get

117

00:05:58,730 --> 00:05:54,960

you're not allowed to photograph you're

118

00:06:02,029 --> 00:05:58,740

not allowed to talk uh down there it's

119

00:06:05,990 --> 00:06:02,039

it's very spec it's a sanctuary and you

120

00:06:09,170 --> 00:06:06,000

have to respect that but um to go up

121

00:06:12,290 --> 00:06:09,180

close and and look

122

00:06:14,810 --> 00:06:12,300

um it's like they were they died

123

00:06:17,870 --> 00:06:14,820

yesterday I don't know how to explain it

124

00:06:20,330 --> 00:06:17,880

there's a strange there's a strange

125

00:06:22,550 --> 00:06:20,340

feeling that comes over you because they

126  
00:06:26,150 --> 00:06:22,560  
are in such

127  
00:06:28,850 --> 00:06:26,160  
um great condition uh considering you

128  
00:06:31,790 --> 00:06:28,860  
know thousands of years have passed

129  
00:06:34,070 --> 00:06:31,800  
um and what got your interest into uh

130  
00:06:36,590 --> 00:06:34,080  
mummification was it Boris Karloff was

131  
00:06:38,930 --> 00:06:36,600  
it the mummy uh

132  
00:06:40,969 --> 00:06:38,940  
no it actually had nothing to do with

133  
00:06:43,670 --> 00:06:40,979  
Egypt at all um I used to run tour

134  
00:06:45,650 --> 00:06:43,680  
groups through Japan and uh I've

135  
00:06:47,270 --> 00:06:45,660  
translated a whole bunch of Hiroshima

136  
00:06:49,610 --> 00:06:47,280  
Survivor testimonies but I used to bring

137  
00:06:53,510 --> 00:06:49,620  
people through Tokyo Kyoto and Hiroshima

138  
00:06:55,550 --> 00:06:53,520

and um one year after my job had ended I

139

00:06:58,370 --> 00:06:55,560

decided to go up to Northern Japan and

140

00:07:00,350 --> 00:06:58,380

explore and um

141

00:07:03,290 --> 00:07:00,360

I was talking to an older gentleman a

142

00:07:06,290 --> 00:07:03,300

gentleman on a train from Sapporo to

143

00:07:08,629 --> 00:07:06,300

asahikawa that's in Hokkaido Japan's

144

00:07:10,430 --> 00:07:08,639

northernmost Island and where speaking

145

00:07:12,290 --> 00:07:10,440

in Japanese and I explained to him that

146

00:07:14,629 --> 00:07:12,300

I'm looking for unusual phenomena that I

147

00:07:17,210 --> 00:07:14,639

haven't seen before in Japan so he asked

148

00:07:19,070 --> 00:07:17,220

me if I'd seen the Soko shimbuzu and I

149

00:07:20,450 --> 00:07:19,080

didn't know what that word meant so I

150

00:07:22,249 --> 00:07:20,460

asked him to explain it and I thought I

151

00:07:23,510 --> 00:07:22,259

was misunderstanding them because he was

152

00:07:25,969 --> 00:07:23,520

talking about people who mummified

153

00:07:28,670 --> 00:07:25,979

themselves while they were still alive

154

00:07:30,830 --> 00:07:28,680

and it made no sense at all to me but

155

00:07:32,210 --> 00:07:30,840

that's what he was actually saying and

156

00:07:34,430 --> 00:07:32,220

he said they were all located in the

157

00:07:35,629 --> 00:07:34,440

Yamagata Prefecture so I literally got

158

00:07:37,490 --> 00:07:35,639

out of the train

159

00:07:39,170 --> 00:07:37,500

got something to eat jumped right back

160

00:07:41,450 --> 00:07:39,180

on another train and went back back to

161

00:07:42,589 --> 00:07:41,460

Yamagata Prefecture in that first year I

162

00:07:50,629 --> 00:07:42,599

met

163

00:07:52,550 --> 00:07:50,639

## Buddhas The Men Who mummified themselves

164

00:07:55,070 --> 00:07:52,560

while they were still alive and they're

165

00:07:56,629 --> 00:07:55,080

maybe five on display so what I did I

166

00:07:58,430 --> 00:07:56,639

did a ton of research on that I

167

00:08:00,230 --> 00:07:58,440

translated two books from Japanese one

168

00:08:01,969 --> 00:08:00,240

from French and one from Italian put it

169

00:08:04,490 --> 00:08:01,979

all together in my book living Buddhas

170

00:08:06,350 --> 00:08:04,500

and then continued doing television

171

00:08:08,710 --> 00:08:06,360

shows podcasts and that kind of type of

172

00:08:11,150 --> 00:08:08,720

thing about the phenomenon

173

00:08:12,710 --> 00:08:11,160

can I stop you right there Ken for a

174

00:08:14,930 --> 00:08:12,720

second

175

00:08:17,270 --> 00:08:14,940

um I'm sure that everybody is a little

176

00:08:19,390 --> 00:08:17,280

dumbfounded uh you know with that kind

177

00:08:22,510 --> 00:08:19,400

of statement yeah

178

00:08:27,350 --> 00:08:22,520

mummification while you are still alive

179

00:08:31,430 --> 00:08:27,360

yes okay well obviously still alive

180

00:08:34,370 --> 00:08:31,440

two mummification is it exactly what you

181

00:08:37,909 --> 00:08:34,380

are saying yes and I'll explain it if

182

00:08:39,649 --> 00:08:37,919

you'd like yes please so they all

183

00:08:41,449 --> 00:08:39,659

almost everyone who did this was a

184

00:08:43,850 --> 00:08:41,459

member of the shingon sect of Buddhism

185

00:08:47,030 --> 00:08:43,860

and that was founded by kobudaishi who

186

00:08:50,150 --> 00:08:47,040

supposedly sealed himself in a cave and

187

00:08:51,650 --> 00:08:50,160

his uh hair and fingernails continued to

188

00:08:53,810 --> 00:08:51,660

grow after his death but of course when

189

00:08:56,389 --> 00:08:53,820

you're dealing with mummies and the dead

190

00:08:58,130 --> 00:08:56,399

that type of phenomenon seems to

191

00:08:59,990 --> 00:08:58,140

happen and people just misinterpret it

192

00:09:02,449 --> 00:09:00,000

what happens is the skin gets dry and

193

00:09:05,090 --> 00:09:02,459

pulls away exposing more hair and

194

00:09:06,829 --> 00:09:05,100

exposing more fingernails so when you

195

00:09:08,870 --> 00:09:06,839

see that in Old text it's nothing

196

00:09:10,570 --> 00:09:08,880

nothing miraculous or anything like that

197

00:09:13,070 --> 00:09:10,580

but these individuals were following

198

00:09:15,650 --> 00:09:13,080

kobudaishi and they were also members of

199

00:09:17,630 --> 00:09:15,660

a sect called shugenda and after the

200

00:09:20,930 --> 00:09:17,640

Meiji restoration the government ordered

201  
00:09:23,090 --> 00:09:20,940  
the all religions to fall under the

202  
00:09:25,250 --> 00:09:23,100  
banner of Shinto or Buddhism and

203  
00:09:27,470 --> 00:09:25,260  
basically shugendo picked shingon

204  
00:09:29,870 --> 00:09:27,480  
Buddhism and became kind of one with

205  
00:09:32,150 --> 00:09:29,880  
that the individuals who engage in this

206  
00:09:34,790 --> 00:09:32,160  
process of self-mummification gradually

207  
00:09:38,150 --> 00:09:34,800  
cut out the amount of food they ate so

208  
00:09:40,250 --> 00:09:38,160  
they call it mokujikigo and mokujikigo

209  
00:09:43,250 --> 00:09:40,260  
literally translates to tree eating

210  
00:09:46,370 --> 00:09:43,260  
because when they cut out grains they

211  
00:09:49,610 --> 00:09:46,380  
substituted the grains with pine bark

212  
00:09:51,470 --> 00:09:49,620  
Pine resin and pine needles so they

213  
00:09:53,389 --> 00:09:51,480

continue eating these things that are

214

00:09:54,889 --> 00:09:53,399

preservative in nature trying to

215

00:09:57,650 --> 00:09:54,899

literally preserve the body from the

216

00:09:59,570 --> 00:09:57,660

inside out in two cases there's a lot of

217

00:10:01,970 --> 00:09:59,580

false information out there and in some

218

00:10:03,769 --> 00:10:01,980

cases it's really strange because my

219

00:10:06,230 --> 00:10:03,779

book on the subject is the only book in

220

00:10:07,430 --> 00:10:06,240

English so people who are getting it

221

00:10:08,690 --> 00:10:07,440

from an English language book it's

222

00:10:11,210 --> 00:10:08,700

coming from my book and they're just

223

00:10:13,310 --> 00:10:11,220

misquoting it I've heard before on

224

00:10:15,889 --> 00:10:13,320

television shows where people are saying

225

00:10:17,990 --> 00:10:15,899

that every one of them drank lacquer

226

00:10:19,250 --> 00:10:18,000

that did not happen and if you're

227

00:10:21,710 --> 00:10:19,260

drinking straight lack you'll die

228

00:10:24,889 --> 00:10:21,720

immediately it's it's not like a maybe

229

00:10:27,170 --> 00:10:24,899

you will die immediately right with two

230

00:10:30,290 --> 00:10:27,180

of them what happened was

231

00:10:32,090 --> 00:10:30,300

they had um urushi which comes from a

232

00:10:34,610 --> 00:10:32,100

tree and it's poisonous it's highly

233

00:10:36,590 --> 00:10:34,620

poisonous but it was in the water supply

234

00:10:39,170 --> 00:10:36,600

so they were drinking it but it was a

235

00:10:41,150 --> 00:10:39,180

small amount it's like if you go to New

236

00:10:43,550 --> 00:10:41,160

Mexico you can go to certain Spas where

237

00:10:45,769 --> 00:10:43,560

they have arsenic water and you drink

238

00:10:47,990 --> 00:10:45,779

arsenic water and you're in it but of

239

00:10:51,350 --> 00:10:48,000

course pure arsenic will just kill you

240

00:10:53,269 --> 00:10:51,360

it's really my new to Mark amounts but

241

00:10:56,210 --> 00:10:53,279

in two of the cases yes they did have

242

00:10:59,030 --> 00:10:56,220

arushi which is a type of lacquer and

243

00:11:00,650 --> 00:10:59,040

that also helped to preserve the body so

244

00:11:02,870 --> 00:11:00,660

what they would do

245

00:11:04,610 --> 00:11:02,880

the reasons behind it are complex and I

246

00:11:07,730 --> 00:11:04,620

can get into that later if you want but

247

00:11:10,250 --> 00:11:07,740

basically as time progressed they

248

00:11:12,170 --> 00:11:10,260

gradually cut out all foods and they

249

00:11:13,850 --> 00:11:12,180

only had pine bark pine needles Pine

250

00:11:15,889 --> 00:11:13,860

resin so they're starving themselves to

251  
00:11:17,569 --> 00:11:15,899  
death and then at the point they think

252  
00:11:20,210 --> 00:11:17,579  
that they're nearing death

253  
00:11:22,610 --> 00:11:20,220  
they bury themselves a lot alive in an

254  
00:11:25,310 --> 00:11:22,620  
underground coffin and their followers

255  
00:11:27,230 --> 00:11:25,320  
would seal the top of the Tomb and put a

256  
00:11:30,350 --> 00:11:27,240  
bamboo breathing tube in place

257  
00:11:32,870 --> 00:11:30,360  
and in the Tomb they had their Mala

258  
00:11:35,449 --> 00:11:32,880  
which are like rosary beads and a belt

259  
00:11:37,069 --> 00:11:35,459  
and they would meditate bringing that

260  
00:11:39,410 --> 00:11:37,079  
Bell and the followers would wait

261  
00:11:41,630 --> 00:11:39,420  
outside the coffin outside the tomb

262  
00:11:43,430 --> 00:11:41,640  
until they heard that Bell stop ringing

263  
00:11:45,710 --> 00:11:43,440

and once it stopped ringing they just

264

00:11:46,970 --> 00:11:45,720

assumed that the individual had died so

265

00:11:49,370 --> 00:11:46,980

they pulled the breathing tube out

266

00:11:50,630 --> 00:11:49,380

buried the coffin and they left it there

267

00:11:52,430 --> 00:11:50,640

for three years

268

00:11:53,930 --> 00:11:52,440

when they pulled the bodies back out

269

00:11:55,730 --> 00:11:53,940

after three years and three is

270

00:11:57,290 --> 00:11:55,740

significant in most world religions

271

00:12:01,130 --> 00:11:57,300

especially Buddhism

272

00:12:03,590 --> 00:12:01,140

uh the Buddha the Dharma the Sangha the

273

00:12:05,210 --> 00:12:03,600

three Noble Truths uh Four Noble Truths

274

00:12:07,370 --> 00:12:05,220

but you have the three

275

00:12:09,170 --> 00:12:07,380

um the three paths basically you need to

276

00:12:11,090 --> 00:12:09,180

to follow the vulnerable truth which is

277

00:12:12,790 --> 00:12:11,100

through the Noble eighthful Path and

278

00:12:15,889 --> 00:12:12,800

that kind of stuff but

279

00:12:17,870 --> 00:12:15,899

once they dug the bodies up if the

280

00:12:19,790 --> 00:12:17,880

bodies had been preserved they were

281

00:12:22,610 --> 00:12:19,800

thought to be like Saints the Christian

282

00:12:25,670 --> 00:12:22,620

a Christian equivalent of saints and

283

00:12:28,130 --> 00:12:25,680

they were clean redressed and put in a

284

00:12:30,290 --> 00:12:28,140

special temple Hall called sokobutsudo

285

00:12:33,050 --> 00:12:30,300

if for some reason the body didn't

286

00:12:35,630 --> 00:12:33,060

mummify they performed an exorcism and

287

00:12:37,150 --> 00:12:35,640

simply reburied the body mm-hmm

288

00:12:39,110 --> 00:12:37,160

that's the whole idea of

289

00:12:41,509 --> 00:12:39,120

self-mummification and they're known as

290

00:12:45,470 --> 00:12:41,519

Soko shimbutsu or living Buddhas

291

00:12:48,470 --> 00:12:45,480

so you eat wood basically and pine bark

292

00:12:53,750 --> 00:12:48,480

and pine resin yeah right right wow wow

293

00:12:55,730 --> 00:12:53,760

I I never heard this yeah and uh I I

294

00:12:56,990 --> 00:12:55,740

love learning something uh for the first

295

00:12:59,210 --> 00:12:57,000

time

296

00:13:03,230 --> 00:12:59,220

um okay so let's continue

297

00:13:04,910 --> 00:13:03,240

um on on this journey here so then that

298

00:13:06,230 --> 00:13:04,920

if you want led me to Christian

299

00:13:08,750 --> 00:13:06,240

mummification

300

00:13:11,569 --> 00:13:08,760

because the whole idea behind the

301  
00:13:13,670 --> 00:13:11,579  
Buddhist self-mummification was they

302  
00:13:15,590 --> 00:13:13,680  
performed austerities throughout their

303  
00:13:17,990 --> 00:13:15,600  
lives and they thought that the body

304  
00:13:22,009 --> 00:13:18,000  
possessed an inherent power that could

305  
00:13:23,750 --> 00:13:22,019  
be useful for human beings so there are

306  
00:13:27,050 --> 00:13:23,760  
many stories especially this one

307  
00:13:28,250 --> 00:13:27,060  
individual called tetsamonkai who

308  
00:13:30,829 --> 00:13:28,260  
traveled around the countryside

309  
00:13:33,050 --> 00:13:30,839  
performing Miracles and he'd witnessed

310  
00:13:35,449 --> 00:13:33,060  
an outbreak of an eye illness in Tokyo

311  
00:13:37,970 --> 00:13:35,459  
and it was called Edo at the time but he

312  
00:13:40,550 --> 00:13:37,980  
sees an outbreak of an eye illness and

313  
00:13:43,970 --> 00:13:40,560

prays for a cure and people who came

314

00:13:45,410 --> 00:13:43,980

around him were actually cured so they

315

00:13:47,569 --> 00:13:45,420

were thought to have these miraculous

316

00:13:51,710 --> 00:13:47,579

powers and they were inherent within the

317

00:13:53,629 --> 00:13:51,720

body itself but if they simply got rid

318

00:13:56,569 --> 00:13:53,639

of the body if they burned the body as

319

00:13:58,910 --> 00:13:56,579

was the tip custom then all the powers

320

00:14:01,129 --> 00:13:58,920

that are in the body are gone and of

321

00:14:03,170 --> 00:14:01,139

course they wanted to go to the tushta

322

00:14:06,350 --> 00:14:03,180

heaven they wanted to train under the

323

00:14:08,810 --> 00:14:06,360

future Buddha maitreya miroku in

324

00:14:10,910 --> 00:14:08,820

Japanese who would eventually come and

325

00:14:12,710 --> 00:14:10,920

help human beings at their greatest time

326

00:14:14,810 --> 00:14:12,720

of need which is happening don't worry

327

00:14:17,269 --> 00:14:14,820

anyone it's happening millions of years

328

00:14:19,970 --> 00:14:17,279

from now but they wanted to train at the

329

00:14:21,949 --> 00:14:19,980

tush to happen with him so they had to

330

00:14:23,389 --> 00:14:21,959

direct their own deaths so that's why

331

00:14:24,889 --> 00:14:23,399

they buried themselves alive in

332

00:14:27,470 --> 00:14:24,899

meditative posture

333

00:14:30,110 --> 00:14:27,480

but the whole idea that there's some

334

00:14:32,269 --> 00:14:30,120

sort of an inherent power in the body

335

00:14:35,150 --> 00:14:32,279

you see it in a lot of religions where

336

00:14:37,190 --> 00:14:35,160

they in here in Hawaii we call it Mana

337

00:14:40,730 --> 00:14:37,200

but you have an Indian religion The

338

00:14:41,750 --> 00:14:40,740

Prana key in Japanese Chi and Chinese a

339

00:14:43,250 --> 00:14:41,760

whole bunch of others throughout

340

00:14:46,009 --> 00:14:43,260

religions in the world

341

00:14:47,990 --> 00:14:46,019

if there's some sort of a power that's

342

00:14:50,090 --> 00:14:48,000

inherent in the body you need the body

343

00:14:52,430 --> 00:14:50,100

preserved and what I started noticing

344

00:14:54,350 --> 00:14:52,440

was in Catholic and Orthodox

345

00:14:56,569 --> 00:14:54,360

Christianity the exact same thing

346

00:14:59,590 --> 00:14:56,579

happens they have actual bodies

347

00:15:02,990 --> 00:14:59,600

mummified on display throughout Europe

348

00:15:04,730 --> 00:15:03,000

and before they were behind glass people

349

00:15:07,370 --> 00:15:04,740

would go up to those bodies and want to

350

00:15:09,050 --> 00:15:07,380

make physical contact with them and I

351  
00:15:11,329 --> 00:15:09,060  
remember going to a church years ago in

352  
00:15:13,610 --> 00:15:11,339  
Canada and I forgot the name of it a big

353  
00:15:15,829 --> 00:15:13,620  
cathedral but on the way out you see all

354  
00:15:17,389 --> 00:15:15,839  
sorts of crutches and canes and that

355  
00:15:19,069 --> 00:15:17,399  
type of thing where people who had

356  
00:15:21,889 --> 00:15:19,079  
entered the church to pray in front of

357  
00:15:24,230 --> 00:15:21,899  
the bone of a saint came out being able

358  
00:15:25,970 --> 00:15:24,240  
to walk again where previously they had

359  
00:15:28,370 --> 00:15:25,980  
impediments to that

360  
00:15:30,350 --> 00:15:28,380  
so the whole idea that there's this

361  
00:15:31,490 --> 00:15:30,360  
power inherent in the body is also in

362  
00:15:33,470 --> 00:15:31,500  
Christianity

363  
00:15:35,449 --> 00:15:33,480

so what I decided to do was looking to

364

00:15:37,370 --> 00:15:35,459

the history of Christianity because

365

00:15:39,170 --> 00:15:37,380

those bodies are everywhere throughout

366

00:15:41,210 --> 00:15:39,180

Europe the ones that look like they're

367

00:15:44,389 --> 00:15:41,220

still rosy red they were mummified with

368

00:15:45,110 --> 00:15:44,399

an arsenic-based solution and there are

369

00:15:47,509 --> 00:15:45,120

a whole bunch of other different

370

00:15:49,730 --> 00:15:47,519

solutions every single church member is

371

00:15:52,129 --> 00:15:49,740

always mummified and even today when you

372

00:15:54,590 --> 00:15:52,139

go to awake that body has been mummified

373

00:15:57,170 --> 00:15:54,600

it has formaldehyde for the most part in

374

00:15:58,790 --> 00:15:57,180

it because if not those bodies would be

375

00:16:01,870 --> 00:15:58,800

decaying in front of people it would be

376

00:16:05,329 --> 00:16:01,880

a disgusting site a disgusting display

377

00:16:06,949 --> 00:16:05,339

instead of something that might be in a

378

00:16:08,990 --> 00:16:06,959

sense beautiful but at least gives

379

00:16:12,590 --> 00:16:09,000

people an opportunity to say good their

380

00:16:13,910 --> 00:16:12,600

goodbyes it's a spiritual tradition so

381

00:16:16,009 --> 00:16:13,920

that led me to Christianity and

382

00:16:17,569 --> 00:16:16,019

eventually you can see how now it led me

383

00:16:20,389 --> 00:16:17,579

to Nazism

384

00:16:21,650 --> 00:16:20,399

Heinrich Himmler Adolf Hitler and their

385

00:16:23,629 --> 00:16:21,660

connection with the Roman Catholic

386

00:16:25,610 --> 00:16:23,639

church and the Red Cross and then to the

387

00:16:31,069 --> 00:16:25,620

spirit of Destiny obviously so it's a

388

00:16:32,930 --> 00:16:31,079

long trip but it it took me here wow um

389

00:16:37,249 --> 00:16:32,940

if we

390

00:16:40,850 --> 00:16:37,259

um that's a great segue actually

391

00:16:43,670 --> 00:16:40,860

um if we go back throughout history and

392

00:16:46,790 --> 00:16:43,680

and you look like uh you look at Helen

393

00:16:48,889 --> 00:16:46,800

uh you look at Charlemagne you look at

394

00:16:50,569 --> 00:16:48,899

the Knights Templar

395

00:16:55,189 --> 00:16:50,579

um and others

396

00:16:58,790 --> 00:16:55,199

um everybody was heading to Jerusalem to

397

00:17:00,829 --> 00:16:58,800

get biblical relics of some kind whether

398

00:17:03,410 --> 00:17:00,839

it was you know their search was for the

399

00:17:06,710 --> 00:17:03,420

Ark of the Covenant uh the True Cross

400

00:17:09,289 --> 00:17:06,720

the Spear of Destiny the Holy Grail uh

401  
00:17:12,110 --> 00:17:09,299  
and you know the list is extremely long

402  
00:17:15,289 --> 00:17:12,120  
here uh this has been going on for a

403  
00:17:17,090 --> 00:17:15,299  
very long time hasn't it yes it has for

404  
00:17:19,010 --> 00:17:17,100  
as long as I can figure out

405  
00:17:21,409 --> 00:17:19,020  
um because even before Christian

406  
00:17:23,990 --> 00:17:21,419  
mummification started and even before

407  
00:17:26,929 --> 00:17:24,000  
the Buddhist mummification started

408  
00:17:28,429 --> 00:17:26,939  
um even before the Egyptians started the

409  
00:17:31,250 --> 00:17:28,439  
earliest known mummies are in South

410  
00:17:33,110 --> 00:17:31,260  
America off the Atacama Coast in Chile

411  
00:17:35,330 --> 00:17:33,120  
and Peru and they were the chinchoro

412  
00:17:36,710 --> 00:17:35,340  
mummies and the chinchuros had two

413  
00:17:38,450 --> 00:17:36,720

different types of mummification there

414

00:17:41,270 --> 00:17:38,460

was the red style and the black style

415

00:17:44,210 --> 00:17:41,280

red style made use of

416

00:17:46,669 --> 00:17:44,220

uh red ochre and the black style was

417

00:17:48,350 --> 00:17:46,679

black manganese oxide which was they

418

00:17:50,330 --> 00:17:48,360

treated the the masks and the rest of

419

00:17:51,950 --> 00:17:50,340

the body but basically

420

00:17:55,010 --> 00:17:51,960

a lot of the mummies that were found

421

00:17:57,289 --> 00:17:55,020

were children which tells us that they

422

00:17:59,510 --> 00:17:57,299

were grieving parents and wanted the the

423

00:18:01,370 --> 00:17:59,520

mummies of their children to remain with

424

00:18:03,049 --> 00:18:01,380

them and they actually displayed them in

425

00:18:05,230 --> 00:18:03,059

homes and even touched them up as time

426

00:18:07,310 --> 00:18:05,240

went on but what they would do is

427

00:18:09,770 --> 00:18:07,320

disgusting as it might seem in Modern

428

00:18:11,930 --> 00:18:09,780

Times And in in the United States in

429

00:18:13,070 --> 00:18:11,940

Europe and wherever people are watching

430

00:18:14,390 --> 00:18:13,080

this

431

00:18:15,529 --> 00:18:14,400

um what they used to do is take the skin

432

00:18:18,169 --> 00:18:15,539

off

433

00:18:20,029 --> 00:18:18,179

flip it inside out and then get rid of

434

00:18:22,430 --> 00:18:20,039

all the internal organs and restuff the

435

00:18:24,230 --> 00:18:22,440

body with things like twigs and

436

00:18:26,750 --> 00:18:24,240

anything else they could find grasses

437

00:18:29,210 --> 00:18:26,760

Twigs just to prop the body up itself

438

00:18:31,190 --> 00:18:29,220

then they'd reapply the skin and then

439

00:18:33,710 --> 00:18:31,200

put a wooden mask over the face or clay

440

00:18:34,970 --> 00:18:33,720

mask in a couple cases I believe and

441

00:18:36,529 --> 00:18:34,980

then they would treat the body with

442

00:18:38,330 --> 00:18:36,539

either Red Oak or a black manganese

443

00:18:40,250 --> 00:18:38,340

oxide and if you looked at these and you

444

00:18:42,830 --> 00:18:40,260

didn't know they were human beings

445

00:18:44,690 --> 00:18:42,840

they look like kind of scary looking

446

00:18:46,909 --> 00:18:44,700

dolls you might not even know that

447

00:18:49,370 --> 00:18:46,919

they're actually mummies but if anyone

448

00:18:52,070 --> 00:18:49,380

if anyone wants to just type in uh

449

00:18:53,990 --> 00:18:52,080

chinchoro and look for pictures alone

450

00:18:55,850 --> 00:18:54,000

you'll see a ton tons of examples of

451  
00:18:58,370 --> 00:18:55,860  
them now

452  
00:19:01,490 --> 00:18:58,380  
um I I don't want to go sideways but you

453  
00:19:05,830 --> 00:19:01,500  
just reminded me of something so just

454  
00:19:09,710 --> 00:19:05,840  
very briefly uh four or five years ago

455  
00:19:13,909 --> 00:19:09,720  
uh the the Nazca mummies appeared uh

456  
00:19:17,450 --> 00:19:13,919  
caused quite a bit of uh uh well they

457  
00:19:21,529 --> 00:19:17,460  
went viral literally

458  
00:19:23,630 --> 00:19:21,539  
um and you know found in Peru and three

459  
00:19:26,990 --> 00:19:23,640  
fingers long

460  
00:19:30,350 --> 00:19:27,000  
um uh covered in white powder

461  
00:19:34,190 --> 00:19:30,360  
um quite a few but the big one uh was

462  
00:19:36,230 --> 00:19:34,200  
was quite quite amazing looking

463  
00:19:38,450 --> 00:19:36,240

um what did you what did you make of of

464

00:19:40,370 --> 00:19:38,460

those do you do you think they were

465

00:19:44,330 --> 00:19:40,380

authentic

466

00:19:45,650 --> 00:19:44,340

uh I don't know I really don't know

467

00:19:48,110 --> 00:19:45,660

um

468

00:19:49,909 --> 00:19:48,120

some of them definitely look like

469

00:19:52,549 --> 00:19:49,919

they're real

470

00:19:53,210 --> 00:19:52,559

um but you can tell the difference too

471

00:19:54,470 --> 00:19:53,220

um

472

00:19:59,990 --> 00:19:54,480

so

473

00:20:02,390 --> 00:20:00,000

real human beings and I don't know why

474

00:20:04,190 --> 00:20:02,400

they did this but in some cases

475

00:20:07,730 --> 00:20:04,200

the people who care for the mummies

476

00:20:10,730 --> 00:20:07,740

today have put wigs on them so last time

477

00:20:12,529 --> 00:20:10,740

I was in Peru I saw two of them in a

478

00:20:14,450 --> 00:20:12,539

museum a really small Museum actually

479

00:20:16,130 --> 00:20:14,460

but they had these wigs that were

480

00:20:20,150 --> 00:20:16,140

strangely out of place

481

00:20:23,510 --> 00:20:20,160

you see other ones though that um

482

00:20:26,630 --> 00:20:23,520

they look like white casts and they show

483

00:20:28,549 --> 00:20:26,640

three-fingered Peruvian mummies and

484

00:20:29,930 --> 00:20:28,559

those things I don't believe are even

485

00:20:32,690 --> 00:20:29,940

mummies I don't think they're human

486

00:20:35,150 --> 00:20:32,700

beings in there and it's like

487

00:20:37,430 --> 00:20:35,160

um if anyone's been to Palm Pompeii

488

00:20:39,169 --> 00:20:37,440

anyone who's watching this if you go to

489

00:20:41,210 --> 00:20:39,179

Pompeii

490

00:20:43,549 --> 00:20:41,220

um all the so-called bodies that you're

491

00:20:46,789 --> 00:20:43,559

looking at aren't bodies at all what

492

00:20:47,930 --> 00:20:46,799

those are when the Lava Flow came and

493

00:20:50,750 --> 00:20:47,940

killed people

494

00:20:52,850 --> 00:20:50,760

when it hit the bodies the bodies have

495

00:20:55,070 --> 00:20:52,860

gases in them and that kind of thing as

496

00:20:57,470 --> 00:20:55,080

the the lava was Cooling and the body

497

00:21:00,110 --> 00:20:57,480

who were literally destroyed the gases

498

00:21:02,810 --> 00:21:00,120

left to pocket so people came in and

499

00:21:04,909 --> 00:21:02,820

made plaster casts of the pockets so

500

00:21:07,970 --> 00:21:04,919

what you're seeing are casts of bodies

501  
00:21:09,830 --> 00:21:07,980  
and not actual human bodies so if you

502  
00:21:12,169 --> 00:21:09,840  
take a look at those Peruvian mummies

503  
00:21:13,610 --> 00:21:12,179  
the NASCAR mummies some of them you can

504  
00:21:16,310 --> 00:21:13,620  
look at and say these are blatantly

505  
00:21:18,470 --> 00:21:16,320  
human beings and they're in a poor state

506  
00:21:20,330 --> 00:21:18,480  
of preservation too they some of them

507  
00:21:22,750 --> 00:21:20,340  
you know do have flesh still on the

508  
00:21:24,950 --> 00:21:22,760  
bones but others are mostly just bone

509  
00:21:26,270 --> 00:21:24,960  
that doesn't mean they're not mummies

510  
00:21:28,070 --> 00:21:26,280  
they're still mummies but when you look

511  
00:21:29,630 --> 00:21:28,080  
at the white ones and you see like

512  
00:21:31,789 --> 00:21:29,640  
online you see things like

513  
00:21:34,130 --> 00:21:31,799

three-fingered Peruvian mummies and that

514

00:21:36,950 --> 00:21:34,140

kind of thing if this is actually just a

515

00:21:39,230 --> 00:21:36,960

cast and just from my experience it

516

00:21:40,430 --> 00:21:39,240

looks like it's a cast of a body you

517

00:21:41,870 --> 00:21:40,440

could just take two fingers off and

518

00:21:44,090 --> 00:21:41,880

shave off the edge so it looks like

519

00:21:46,029 --> 00:21:44,100

nothing was gone that you could you

520

00:21:49,490 --> 00:21:46,039

could modify those bodies

521

00:21:53,210 --> 00:21:49,500

I look at that I looked at the MRIs and

522

00:21:55,610 --> 00:21:53,220

the x-rays of the bones in the hands

523

00:21:58,370 --> 00:21:55,620

and that's what I found very interesting

524

00:22:00,310 --> 00:21:58,380

is there was definitely just three bones

525

00:22:03,409 --> 00:22:00,320

going back to the wrist

526

00:22:06,770 --> 00:22:03,419

it didn't look like anything was you

527

00:22:09,529 --> 00:22:06,780

know cut away or funky on the on the

528

00:22:11,450 --> 00:22:09,539

pinky and also the joints of the fingers

529

00:22:13,909 --> 00:22:11,460

you know because the fingers were you

530

00:22:15,649 --> 00:22:13,919

know like a foot long it was just very

531

00:22:18,710 --> 00:22:15,659

strange to me I'm not a I'm not an

532

00:22:20,690 --> 00:22:18,720

expert at all in this are these the ones

533

00:22:23,390 --> 00:22:20,700

that look white from the outside yeah

534

00:22:26,149 --> 00:22:23,400

they look like plaster cast yeah white

535

00:22:27,770 --> 00:22:26,159

powder on the outside right yeah I

536

00:22:29,810 --> 00:22:27,780

didn't realize that

537

00:22:33,230 --> 00:22:29,820

um that there were MRIs that showed

538

00:22:35,990 --> 00:22:33,240

bonds the Mr item and x-rayed them and

539

00:22:38,810 --> 00:22:36,000

they also do tissue samples oh I didn't

540

00:22:41,710 --> 00:22:38,820

realize that okay yeah yeah yeah so very

541

00:22:47,149 --> 00:22:41,720

this is very strange okay so

542

00:22:48,890 --> 00:22:47,159

so how did how did uh again you know

543

00:22:51,409 --> 00:22:48,900

she's you know I was talking about Helen

544

00:22:53,149 --> 00:22:51,419

and and Charlemagne and the Knights

545

00:22:56,390 --> 00:22:53,159

Templar and every you know the the pill

546

00:22:59,930 --> 00:22:56,400

pilgrimage going to Jerusalem looking

547

00:23:01,909 --> 00:22:59,940

for a Biblical artifacts you know from

548

00:23:03,649 --> 00:23:01,919

the time of Jesus and before of course

549

00:23:06,289 --> 00:23:03,659

as well

550

00:23:07,669 --> 00:23:06,299

um and then Hitler he he went around the

551  
00:23:10,850 --> 00:23:07,679  
world man he was looking for everything

552  
00:23:13,370 --> 00:23:10,860  
everywhere we've all seen Indiana Jones

553  
00:23:14,169 --> 00:23:13,380  
right which actually lays it out pretty

554  
00:23:16,909 --> 00:23:14,179  
well

555  
00:23:20,210 --> 00:23:16,919  
but uh Hitler was going to the Himalayas

556  
00:23:21,950 --> 00:23:20,220  
right I mean he was he was all over the

557  
00:23:24,890 --> 00:23:21,960  
place looking for these spiritual

558  
00:23:28,490 --> 00:23:24,900  
artifacts that may help him

559  
00:23:32,149 --> 00:23:28,500  
um uh and the Reich take over the world

560  
00:23:34,850 --> 00:23:32,159  
um what led you ultimately to the sphere

561  
00:23:39,529 --> 00:23:37,130  
um it did have its background in

562  
00:23:42,230 --> 00:23:39,539  
religion but just to clarify too um

563  
00:23:45,350 --> 00:23:42,240

before World War II we're dealing in

564

00:23:49,250 --> 00:23:45,360

1930s and Hitler was a big fan of Elena

565

00:23:51,950 --> 00:23:49,260

blavatsky uh founder of theosophy he was

566

00:23:54,049 --> 00:23:51,960

he he and Himmler especially were big

567

00:23:57,710 --> 00:23:54,059

fans of the spiritualism movement that

568

00:24:00,230 --> 00:23:57,720

was in in full effect at that point and

569

00:24:02,630 --> 00:24:00,240

they were recovering from the end of the

570

00:24:04,669 --> 00:24:02,640

second Reich which we'll get into later

571

00:24:06,230 --> 00:24:04,679

um and this is before they actually

572

00:24:09,110 --> 00:24:06,240

started the Third Reich it was it was

573

00:24:11,270 --> 00:24:09,120

just beginning it was primarily Himmler

574

00:24:13,549 --> 00:24:11,280

who was the one looking for Spiritual

575

00:24:15,710 --> 00:24:13,559

artifacts but both Himmler and Hitler

576

00:24:17,810 --> 00:24:15,720

before the war were into occult

577

00:24:19,970 --> 00:24:17,820

practices and they were looking into

578

00:24:22,909 --> 00:24:19,980

everything and bolivatsky had some

579

00:24:25,070 --> 00:24:22,919

strange things going on as far as hiring

580

00:24:26,450 --> 00:24:25,080

mediums to contact the spiritual world

581

00:24:28,130 --> 00:24:26,460

and that kind of thing and Hitler and

582

00:24:31,970 --> 00:24:28,140

Himmler did the same thing

583

00:24:34,130 --> 00:24:31,980

once World War II began though Hitler

584

00:24:37,789 --> 00:24:34,140

actually told Himmler to stop doing that

585

00:24:40,070 --> 00:24:37,799

stuff and he just continued um he he had

586

00:24:42,529 --> 00:24:40,080

a team of people going into Tibet to

587

00:24:44,570 --> 00:24:42,539

find Shambhala and

588

00:24:46,909 --> 00:24:44,580

he was looking for Spiritual artifacts

589

00:24:48,649 --> 00:24:46,919

everywhere and he was obsessed with the

590

00:24:50,570 --> 00:24:48,659

Holy Roman Empire Treasures actually

591

00:24:54,590 --> 00:24:50,580

most Germans were because they believed

592

00:24:57,010 --> 00:24:54,600

it was theirs and whether people have

593

00:25:00,350 --> 00:24:57,020

you know looked into this history or not

594

00:25:03,049 --> 00:25:00,360

for years it was in Nuremberg that's

595

00:25:05,149 --> 00:25:03,059

where really belongs from their opinion

596

00:25:06,770 --> 00:25:05,159

and they had it moved to Vienna and

597

00:25:07,430 --> 00:25:06,780

Austria

598

00:25:10,190 --> 00:25:07,440

um

599

00:25:12,230 --> 00:25:10,200

one story goes it's to to get it out of

600

00:25:15,049 --> 00:25:12,240

Napoleon's grasp because Napoleon had

601  
00:25:18,529 --> 00:25:15,059  
his sights on it but um they had an

602  
00:25:20,270 --> 00:25:18,539  
affair and uh it was unloan to Vienna

603  
00:25:22,370 --> 00:25:20,280  
and they just never returned it after

604  
00:25:25,310 --> 00:25:22,380  
that so it ended up being in safe

605  
00:25:27,529 --> 00:25:25,320  
keeping away from Napoleon but

606  
00:25:29,870 --> 00:25:27,539  
um it stayed there again just because of

607  
00:25:32,990 --> 00:25:29,880  
that fair that they had now

608  
00:25:35,930 --> 00:25:33,000  
um I have heard a few different things

609  
00:25:37,850 --> 00:25:35,940  
um uh over the years and the Spear of

610  
00:25:40,730 --> 00:25:37,860  
Destiny especially is one of those

611  
00:25:43,250 --> 00:25:40,740  
things just like the True Cross or

612  
00:25:47,149 --> 00:25:43,260  
pieces of the True Cross right

613  
00:25:50,210 --> 00:25:47,159

um very hard to to get a chain of

614

00:25:52,549 --> 00:25:50,220

custody and and be able to follow it

615

00:25:54,169 --> 00:25:52,559

back same thing you know how many holy

616

00:25:56,330 --> 00:25:54,179

Grails are there on this planet right

617

00:25:59,570 --> 00:25:56,340

now a hundred

618

00:26:00,890 --> 00:25:59,580

um uh of different shapes and sizes and

619

00:26:02,810 --> 00:26:00,900

materials

620

00:26:06,049 --> 00:26:02,820

um and the Spear of Destiny is kind of

621

00:26:08,570 --> 00:26:06,059

like that too I mean all the way to I

622

00:26:10,430 --> 00:26:08,580

had heard a rumor

623

00:26:13,370 --> 00:26:10,440

um and there was a few claims you can

624

00:26:15,710 --> 00:26:13,380

laugh at any point if you want but I had

625

00:26:17,630 --> 00:26:15,720

heard a rumor that the United States got

626

00:26:20,810 --> 00:26:17,640

the Spear of Destiny brought it back

627

00:26:22,970 --> 00:26:20,820

here because they wanted to keep it safe

628

00:26:26,210 --> 00:26:22,980

and they were the ones that returned it

629

00:26:28,669 --> 00:26:26,220

uh to Vienna but the one that they

630

00:26:30,110 --> 00:26:28,679

returned to Vienna was a copy and the

631

00:26:32,990 --> 00:26:30,120

real one is still here in the United

632

00:26:37,970 --> 00:26:33,000

States I mean stories like that is that

633

00:26:39,049 --> 00:26:37,980

is that is there any reality to this

634

00:26:40,730 --> 00:26:39,059

um

635

00:26:42,789 --> 00:26:40,740

so

636

00:26:45,950 --> 00:26:42,799

well I'm going to get into the specifics

637

00:26:48,230 --> 00:26:45,960

regarding the Spear of Destiny and all

638

00:26:49,909 --> 00:26:48,240

the copies and that kind of thing in

639

00:26:51,830 --> 00:26:49,919

much more detail later

640

00:26:53,450 --> 00:26:51,840

but

641

00:26:55,850 --> 00:26:53,460

there are some people out there in the

642

00:26:58,130 --> 00:26:55,860

United States who know a bit more than I

643

00:27:00,649 --> 00:26:58,140

do about this subject and I broached

644

00:27:03,169 --> 00:27:00,659

that once I said do you think it's

645

00:27:06,049 --> 00:27:03,179

possible that the one in Vienna is not

646

00:27:09,950 --> 00:27:06,059

the oldest Lance that the the real one

647

00:27:11,330 --> 00:27:09,960

was taken by the US and switched and

648

00:27:13,250 --> 00:27:11,340

they said

649

00:27:15,649 --> 00:27:13,260

this is one individual in particular I'm

650

00:27:17,930 --> 00:27:15,659

thinking of he's 86 years old extremely

651  
00:27:20,870 --> 00:27:17,940  
intelligent on this subject

652  
00:27:22,789 --> 00:27:20,880  
um and he sparked my interest even more

653  
00:27:24,409 --> 00:27:22,799  
than than I already more interest than I

654  
00:27:26,210 --> 00:27:24,419  
already had regarding the Spear of

655  
00:27:27,830 --> 00:27:26,220  
Destiny the Lance that stabbed the side

656  
00:27:31,010 --> 00:27:27,840  
of Jesus

657  
00:27:33,890 --> 00:27:31,020  
um but he said no that did didn't happen

658  
00:27:35,210 --> 00:27:33,900  
at all and then I started reading a

659  
00:27:36,890 --> 00:27:35,220  
whole bunch of books because I'm working

660  
00:27:39,890 --> 00:27:36,900  
on a book on this beer of Destiny I'm

661  
00:27:41,510 --> 00:27:39,900  
about 240 Pages deep right now but I

662  
00:27:44,450 --> 00:27:41,520  
started reading some books by Kenneth

663  
00:27:45,590 --> 00:27:44,460

Alford and I have one in front of me

664

00:27:47,870 --> 00:27:45,600

um

665

00:27:50,690 --> 00:27:47,880

and he wrote a whole book a whole bunch

666

00:27:53,269 --> 00:27:50,700

of books about how U.S soldiers were

667

00:27:56,029 --> 00:27:53,279

stealing Nazi artifacts and even Jewish

668

00:27:57,490 --> 00:27:56,039

artifacts that the Nazis had stolen and

669

00:28:00,169 --> 00:27:57,500

bringing them back to the United States

670

00:28:02,390 --> 00:28:00,179

so in the United States during World War

671

00:28:04,010 --> 00:28:02,400

II

672

00:28:06,049 --> 00:28:04,020

um there were a whole whole bunch of

673

00:28:07,610 --> 00:28:06,059

people especially in the art world that

674

00:28:10,430 --> 00:28:07,620

supported the Nazis

675

00:28:12,590 --> 00:28:10,440

and a lot of the money or at least some

676  
00:28:14,029 --> 00:28:12,600  
of the money I should say that the Nazis

677  
00:28:16,250 --> 00:28:14,039  
needed actually came from the United

678  
00:28:17,810 --> 00:28:16,260  
States individuals within the United

679  
00:28:19,370 --> 00:28:17,820  
States not the government but

680  
00:28:21,710 --> 00:28:19,380  
individuals especially within the art

681  
00:28:23,210 --> 00:28:21,720  
world and some really big names and

682  
00:28:25,190 --> 00:28:23,220  
there are tons of books on the subject

683  
00:28:27,830 --> 00:28:25,200  
and I recommend Ken Alfred's books he

684  
00:28:29,390 --> 00:28:27,840  
wrote about three of them but in two of

685  
00:28:32,029 --> 00:28:29,400  
the books he wrote

686  
00:28:35,330 --> 00:28:32,039  
I noticed something a little bit weird

687  
00:28:37,310 --> 00:28:35,340  
and um

688  
00:28:39,529 --> 00:28:37,320

it had to do with him mentioning that

689

00:28:43,789 --> 00:28:39,539

there was a copy of the Holy Roman

690

00:28:47,390 --> 00:28:43,799

Empire Treasures that were actually in

691

00:28:50,029 --> 00:28:47,400

um the Fort Benning Museum in Georgia

692

00:28:52,789 --> 00:28:50,039

and I called Fort Benning

693

00:28:54,950 --> 00:28:52,799

said I'm working on my own book I'd like

694

00:28:56,450 --> 00:28:54,960

to come down and see the copies because

695

00:28:57,350 --> 00:28:56,460

I talked to my older friend and he's

696

00:29:00,230 --> 00:28:57,360

like

697

00:29:02,870 --> 00:29:00,240

that doesn't make any sense we know who

698

00:29:05,810 --> 00:29:02,880

created himmler's Lance we know who made

699

00:29:07,549 --> 00:29:05,820

the akan copy the Viennese Lance we have

700

00:29:09,769 --> 00:29:07,559

a good idea of when and where it was

701  
00:29:11,930 --> 00:29:09,779  
made the actual person who put it

702  
00:29:13,490 --> 00:29:11,940  
together a different story and I'll get

703  
00:29:14,390 --> 00:29:13,500  
into that later

704  
00:29:15,590 --> 00:29:14,400  
um

705  
00:29:17,990 --> 00:29:15,600  
but

706  
00:29:20,810 --> 00:29:18,000  
he said there's no way this happened so

707  
00:29:23,950 --> 00:29:20,820  
I called Ken Alford and I said I read

708  
00:29:27,590 --> 00:29:23,960  
three of your books you mentioned this

709  
00:29:29,389 --> 00:29:27,600  
Fort Benning when I called them said we

710  
00:29:31,970 --> 00:29:29,399  
don't have anything like that

711  
00:29:33,710 --> 00:29:31,980  
I said it's not on display I have the

712  
00:29:37,070 --> 00:29:33,720  
Ascension numbers it's downstairs can

713  
00:29:38,750 --> 00:29:37,080

you go check on it for me and they said

714

00:29:40,250 --> 00:29:38,760

no we don't have to check there's no

715

00:29:41,330 --> 00:29:40,260

essential number like that it doesn't

716

00:29:43,909 --> 00:29:41,340

exist

717

00:29:45,889 --> 00:29:43,919

so I called Ken Alford and I said

718

00:29:48,110 --> 00:29:45,899

they're telling me this never existed

719

00:29:51,049 --> 00:29:48,120

here you have it in three of your books

720

00:29:52,850 --> 00:29:51,059

can you explain this and at first no

721

00:29:54,169 --> 00:29:52,860

offense to him I I didn't know him at

722

00:29:56,090 --> 00:29:54,179

the time

723

00:29:58,070 --> 00:29:56,100

um I thought maybe he embellished his

724

00:29:59,870 --> 00:29:58,080

books uh you know I like when I'm

725

00:30:02,330 --> 00:29:59,880

reading something I'm really skeptical

726  
00:30:04,490 --> 00:30:02,340  
until I can you know three other sources

727  
00:30:05,810 --> 00:30:04,500  
basically I'm looking for information on

728  
00:30:07,610 --> 00:30:05,820  
and if you're dealing with something

729  
00:30:10,250 --> 00:30:07,620  
like this I want to see the actual

730  
00:30:13,190 --> 00:30:10,260  
objects right the Museum's saying they

731  
00:30:15,409 --> 00:30:13,200  
didn't have it so Ken Alford

732  
00:30:17,510 --> 00:30:15,419  
sent me

733  
00:30:20,930 --> 00:30:17,520  
all the documentation that he actually

734  
00:30:22,310 --> 00:30:20,940  
used in the book and let me see if I can

735  
00:30:26,750 --> 00:30:22,320  
blow this up just so I can read it

736  
00:30:28,909 --> 00:30:26,760  
carefully it says this is from the um

737  
00:30:30,409 --> 00:30:28,919  
from the office of the Provost Marshal

738  
00:30:32,810 --> 00:30:30,419

General the United States Army

739

00:30:35,269 --> 00:30:32,820

Washington DC it says subject

740

00:30:38,810 --> 00:30:35,279

investigation of alleged grand larceny

741

00:30:40,250 --> 00:30:38,820

regarding Lieutenant Colonel Joseph W

742

00:30:41,570 --> 00:30:40,260

Hensel

743

00:30:46,870 --> 00:30:41,580

and

744

00:30:50,450 --> 00:30:46,880

that he sent me this is his actual

745

00:30:52,370 --> 00:30:50,460

unclassified military documents and

746

00:30:53,870 --> 00:30:52,380

documents from the museum itself which

747

00:30:56,930 --> 00:30:53,880

include

748

00:30:59,450 --> 00:30:56,940

under this it says exhibits a b c and d

749

00:31:01,310 --> 00:30:59,460

and it has descriptions of the objects

750

00:31:03,409 --> 00:31:01,320

that are at Fort Benning

751  
00:31:05,389 --> 00:31:03,419  
um Museum

752  
00:31:07,250 --> 00:31:05,399  
and Fort batting is saying they have no

753  
00:31:08,930 --> 00:31:07,260  
knowledge of this I sent that to them

754  
00:31:11,090 --> 00:31:08,940  
and they said you're going to have to

755  
00:31:13,370 --> 00:31:11,100  
speak to someone who's in charge but it

756  
00:31:15,590 --> 00:31:13,380  
was like a like someone high up high

757  
00:31:18,350 --> 00:31:15,600  
ranking in the Army and they told me

758  
00:31:22,850 --> 00:31:18,360  
they wouldn't give me any information

759  
00:31:24,169 --> 00:31:22,860  
that it didn't exist and what I had what

760  
00:31:26,450 --> 00:31:24,179  
wasn't real they wouldn't even talk to

761  
00:31:28,130 --> 00:31:26,460  
me about it and I I called Ken Alfred

762  
00:31:30,049 --> 00:31:28,140  
again and I said this is what just

763  
00:31:32,269 --> 00:31:30,059

happened and he said the last time he

764

00:31:34,250 --> 00:31:32,279

was down there talking about it they

765

00:31:36,470 --> 00:31:34,260

actually pulled a gun on him and said

766

00:31:38,690 --> 00:31:36,480

that they escorted him out and then they

767

00:31:41,870 --> 00:31:38,700

called him a Neo-Nazi outside

768

00:31:44,510 --> 00:31:41,880

no you just said descriptions a b c and

769

00:31:51,169 --> 00:31:44,520

d uh what were in those descriptions

770

00:31:55,909 --> 00:31:53,389

I mean I'm assuming that one of those is

771

00:31:57,710 --> 00:31:55,919

the Spear of Destiny right so here we

772

00:31:59,990 --> 00:31:57,720

got right here

773

00:32:01,789 --> 00:32:00,000

as this goes through and it is a ton of

774

00:32:03,830 --> 00:32:01,799

it so

775

00:32:05,690 --> 00:32:03,840

just to give you an example here

776

00:32:07,130 --> 00:32:05,700

and I don't have the photographs but it

777

00:32:09,710 --> 00:32:07,140

starts with the photographs attached to

778

00:32:11,450 --> 00:32:09,720

this basic Community communication we're

779

00:32:13,190 --> 00:32:11,460

compared with the originals and it was

780

00:32:14,690 --> 00:32:13,200

established Beyond possibility of a

781

00:32:17,269 --> 00:32:14,700

doubt that the photograph represent

782

00:32:19,970 --> 00:32:17,279

pictures of crude replicas of the crown

783

00:32:23,210 --> 00:32:19,980

scepter and the Imperial Apple now keep

784

00:32:25,789 --> 00:32:23,220

in mind the US government told me this

785

00:32:29,810 --> 00:32:25,799

doesn't exist and this is this is

786

00:32:32,330 --> 00:32:29,820

Declassified uh information from them it

787

00:32:34,909 --> 00:32:32,340

says photographs of the original and

788

00:32:36,649 --> 00:32:34,919

authentic Crown scepter and Imperial

789

00:32:38,510 --> 00:32:36,659

Apple are attached when I don't have

790

00:32:40,250 --> 00:32:38,520

those pictures and these photographs

791

00:32:42,889 --> 00:32:40,260

were compared by Lieutenant Colonel

792

00:32:45,110 --> 00:32:42,899

Edwin cretzman with the authentic

793

00:32:47,389 --> 00:32:45,120

articles and are hereby certified to be

794

00:32:48,649 --> 00:32:47,399

photographs of Originals the chief

795

00:32:50,389 --> 00:32:48,659

points of difference which are

796

00:32:51,590 --> 00:32:50,399

resolution from the photographs of the

797

00:32:53,269 --> 00:32:51,600

following and this is where we get into

798

00:32:55,730 --> 00:32:53,279

the a b c and d

799

00:32:56,750 --> 00:32:55,740

a in the crown the enamel panels I'm not

800

00:32:58,850 --> 00:32:56,760

going to go through the whole thing but

801  
00:33:00,769 --> 00:32:58,860  
just a general idea the enamel panels

802  
00:33:02,210 --> 00:33:00,779  
representing various historic figures in

803  
00:33:04,310 --> 00:33:02,220  
the original have been replaced by

804  
00:33:06,710 --> 00:33:04,320  
panels depicting a crude Imperial Eagle

805  
00:33:08,330 --> 00:33:06,720  
the size shape and setting of the stones

806  
00:33:11,269 --> 00:33:08,340  
are quite different in the two versions

807  
00:33:13,130 --> 00:33:11,279  
and it continues then B the differences

808  
00:33:15,169 --> 00:33:13,140  
between the original of the Imperial

809  
00:33:16,310 --> 00:33:15,179  
apple and the imitation are immediately

810  
00:33:18,529 --> 00:33:16,320  
obvious

811  
00:33:21,049 --> 00:33:18,539  
see the differences between the original

812  
00:33:22,610 --> 00:33:21,059  
scepter are chiefly discernible in the

813  
00:33:24,409 --> 00:33:22,620

base of the scepter in which the

814

00:33:26,630 --> 00:33:24,419

imitation comes to a triangular Point

815

00:33:28,430 --> 00:33:26,640

while the genuine receptor is delicately

816

00:33:30,350 --> 00:33:28,440

informed with a slight rise in the

817

00:33:31,549 --> 00:33:30,360

middle and that continues from there

818

00:33:46,130 --> 00:33:31,559

and

819

00:33:51,169 --> 00:33:46,140

read this receive date it says

820

00:33:53,630 --> 00:33:51,179

11 December 1945. wow so

821

00:33:55,850 --> 00:33:53,640

the thing is they're saying this doesn't

822

00:33:58,130 --> 00:33:55,860

exist now there's no doubt in my mind

823

00:34:00,830 --> 00:33:58,140

that it's a it's a copy of the Holy

824

00:34:03,470 --> 00:34:00,840

Roman Empire Treasures but

825

00:34:05,810 --> 00:34:03,480

the one in Vienna are the Holy Roman

826  
00:34:09,109 --> 00:34:05,820  
Empire Treasures they're the real ones

827  
00:34:11,210 --> 00:34:09,119  
there was a copy in aachen

828  
00:34:12,889 --> 00:34:11,220  
there was another copy of one of the

829  
00:34:14,690 --> 00:34:12,899  
items in Rome

830  
00:34:15,589 --> 00:34:14,700  
and then you had

831  
00:34:21,530 --> 00:34:15,599  
um

832  
00:34:24,169 --> 00:34:21,540  
General Patton who was also obsessed

833  
00:34:26,329 --> 00:34:24,179  
with the spear but I haven't been able

834  
00:34:29,210 --> 00:34:26,339  
to find anything to substantiate that

835  
00:34:31,790 --> 00:34:29,220  
there are some soldiers that claim that

836  
00:34:33,530 --> 00:34:31,800  
he was carrying around a spear that

837  
00:34:36,589 --> 00:34:33,540  
looked just like the one in Vienna after

838  
00:34:39,349 --> 00:34:36,599

the one in Vienna was put into

839

00:34:41,570 --> 00:34:39,359

safekeeping so if there was another one

840

00:34:43,129 --> 00:34:41,580

maybe he had a copy of it made just like

841

00:34:45,770 --> 00:34:43,139

Himmler had a copy of it made and we'll

842

00:34:47,270 --> 00:34:45,780

get into that in more detail after but

843

00:34:49,909 --> 00:34:47,280

the one in Georgia

844

00:34:52,490 --> 00:34:49,919

it doesn't matter if it's copy or not

845

00:34:54,950 --> 00:34:52,500

we don't know who would have made it and

846

00:34:57,349 --> 00:34:54,960

to me it's obvious now that it did exist

847

00:35:01,490 --> 00:34:57,359

at that Museum and for whatever reason

848

00:35:03,109 --> 00:35:01,500

it's gone so it was stolen once perhaps

849

00:35:06,410 --> 00:35:03,119

maybe it was made here in the United

850

00:35:08,510 --> 00:35:06,420

States but maybe someone stole it again

851  
00:35:11,990 --> 00:35:08,520  
because even the copies are worth a

852  
00:35:16,370 --> 00:35:12,000  
fortune yeah that's right that's right

853  
00:35:19,329 --> 00:35:16,380  
um and the uh okay can I pull up this

854  
00:35:23,030 --> 00:35:19,339  
first image so everybody can kind of

855  
00:35:26,030 --> 00:35:23,040  
understand a little bit about what we're

856  
00:35:29,569 --> 00:35:26,040  
talking because this starts to get

857  
00:35:33,650 --> 00:35:29,579  
um uh pretty complex but this is also a

858  
00:35:35,750 --> 00:35:33,660  
very very fun and interesting subject to

859  
00:35:37,370 --> 00:35:35,760  
get into and I think all of this have a

860  
00:35:41,329 --> 00:35:37,380  
general interest in in the Spear of

861  
00:35:43,370 --> 00:35:41,339  
Destiny which uh is the spear that

862  
00:35:45,290 --> 00:35:43,380  
pierced the body of Christ when he was

863  
00:35:47,870 --> 00:35:45,300

on the cross

864

00:35:49,550 --> 00:35:47,880

um now before I bring up this image

865

00:35:52,010 --> 00:35:49,560

um I wanted your comment on one thing

866

00:35:54,290 --> 00:35:52,020

because everybody will be able to see

867

00:35:56,690 --> 00:35:54,300

exactly what I'm bringing up right now

868

00:35:59,390 --> 00:35:56,700

when you see this

869

00:36:01,910 --> 00:35:59,400

um in the images of the Spear of Destiny

870

00:36:03,890 --> 00:36:01,920

that that are out there including the

871

00:36:08,089 --> 00:36:03,900

one in Vienna

872

00:36:12,050 --> 00:36:08,099

um that the outside that looks like a

873

00:36:15,130 --> 00:36:12,060

knife and a knife blade is not the spear

874

00:36:17,930 --> 00:36:15,140

that is a that is a protective

875

00:36:21,230 --> 00:36:17,940

ornamental thing that's on the outside

876

00:36:24,470 --> 00:36:21,240

of the actual spear which is

877

00:36:25,990 --> 00:36:24,480

um like a nail I I don't have a better

878

00:36:28,910 --> 00:36:26,000

way to explain

879

00:36:31,370 --> 00:36:28,920

if if you don't mind instead of pulling

880

00:36:33,290 --> 00:36:31,380

that image up first how about just the

881

00:36:36,170 --> 00:36:33,300

image of a real first century Roman

882

00:36:38,930 --> 00:36:36,180

Lance and I sent it to you earlier okay

883

00:36:42,290 --> 00:36:38,940

um which is I believe you're talking

884

00:36:46,310 --> 00:36:42,300

about the this

885

00:36:48,710 --> 00:36:46,320

yes okay all right so

886

00:36:51,170 --> 00:36:48,720

what's going to happen next for those of

887

00:36:52,790 --> 00:36:51,180

you watching or listening to this and I

888

00:36:54,950 --> 00:36:52,800

hope you're watching it because these

889

00:36:56,150 --> 00:36:54,960

images you're gonna see something on the

890

00:36:57,890 --> 00:36:56,160

show

891

00:37:01,130 --> 00:36:57,900

but you won't be able to find a picture

892

00:37:03,770 --> 00:37:01,140

of anywhere and this show is honestly

893

00:37:05,810 --> 00:37:03,780

the first time it's ever going to be

894

00:37:07,069 --> 00:37:05,820

shown publicly

895

00:37:10,910 --> 00:37:07,079

um

896

00:37:14,210 --> 00:37:10,920

what I I I I I hope you have a security

897

00:37:17,630 --> 00:37:14,220

team in place by the way it's it's gone

898

00:37:20,510 --> 00:37:17,640

it's gone okay it's not where you would

899

00:37:24,050 --> 00:37:20,520

ever think it is right now let's not get

900

00:37:27,710 --> 00:37:24,060

ahead of our skis yes all right so radio

901  
00:37:32,870 --> 00:37:30,829  
so you know it's difficult sometimes uh

902  
00:37:34,670 --> 00:37:32,880  
just I don't mean to like interrupt this

903  
00:37:36,470 --> 00:37:34,680  
whole like presentation but it's

904  
00:37:38,630 --> 00:37:36,480  
difficult sometimes because I've spent

905  
00:37:40,670 --> 00:37:38,640  
the last like five years doing research

906  
00:37:43,430 --> 00:37:40,680  
on this for the book I mean I've read

907  
00:37:45,589 --> 00:37:43,440  
thousands of pages of stuff I've spoken

908  
00:37:47,270 --> 00:37:45,599  
to so many people and I have so many

909  
00:37:51,410 --> 00:37:47,280  
historical artifacts that have to do

910  
00:37:53,569 --> 00:37:51,420  
with this so this is a Roman Lance

911  
00:37:54,950 --> 00:37:53,579  
um that I purchased years ago this is a

912  
00:37:57,230 --> 00:37:54,960  
first century Roman Lance and that's

913  
00:38:00,050 --> 00:37:57,240

what it looks like and this one is

914

00:38:01,490 --> 00:38:00,060

extremely well preserved and it's been

915

00:38:03,950 --> 00:38:01,500

treated so you don't have to worry about

916

00:38:07,010 --> 00:38:03,960

human oil a lot of time on with blades

917

00:38:09,109 --> 00:38:07,020

you have to really worry about human oil

918

00:38:10,670 --> 00:38:09,119

um because it destroys it we actually

919

00:38:12,109 --> 00:38:10,680

had this thing treated so you can handle

920

00:38:15,470 --> 00:38:12,119

it without gloves or anything like that

921

00:38:18,109 --> 00:38:15,480

but before this thing comes up just note

922

00:38:19,790 --> 00:38:18,119

that's what a real uh first century

923

00:38:22,910 --> 00:38:19,800

Roman Lance looks like

924

00:38:26,569 --> 00:38:22,920

and then we always picture you know a

925

00:38:29,210 --> 00:38:26,579

lance or a spear a spear tip you know to

926

00:38:31,490 --> 00:38:29,220

look like right okay obviously there

927

00:38:34,870 --> 00:38:31,500

would have been a wooden uh staff you

928

00:38:38,750 --> 00:38:34,880

know attached to this there right

929

00:38:42,130 --> 00:38:38,760

yeah I can shut this sorry I had to shut

930

00:38:44,990 --> 00:38:42,140

that window oh okay all right over here

931

00:38:47,569 --> 00:38:45,000

it's fine that's fine um and yeah

932

00:38:49,490 --> 00:38:47,579

everybody you can see um I have to

933

00:38:51,290 --> 00:38:49,500

adjust my camera just a little bit uh

934

00:38:52,970 --> 00:38:51,300

I'm slouching

935

00:38:56,450 --> 00:38:52,980

um you can see my mouse down here at the

936

00:38:58,490 --> 00:38:56,460

bottom that's obviously where uh the

937

00:39:02,690 --> 00:38:58,500

shaft is inserted

938

00:39:05,930 --> 00:39:02,700

um into the the tip of of the spear now

939

00:39:07,970 --> 00:39:05,940

this is first century yes that's what a

940

00:39:09,710 --> 00:39:07,980

first century Roman Lance looks like and

941

00:39:11,329 --> 00:39:09,720

you got to remember too as we start

942

00:39:13,609 --> 00:39:11,339

doing the

943

00:39:14,690 --> 00:39:13,619

the real presentation of the Spear of

944

00:39:17,510 --> 00:39:14,700

Destiny

945

00:39:19,250 --> 00:39:17,520

Heinrich Himmler and Adolf Hitler they

946

00:39:21,530 --> 00:39:19,260

might have been evil but they were not

947

00:39:23,150 --> 00:39:21,540

stupid people there's no way they looked

948

00:39:24,530 --> 00:39:23,160

at what you're going to see next and

949

00:39:26,450 --> 00:39:24,540

thought it was the first century Roman

950

00:39:28,730 --> 00:39:26,460

Lance but they still wanted it and they

951  
00:39:30,170 --> 00:39:28,740  
wanted it for a real reason and it's way

952  
00:39:31,849 --> 00:39:30,180  
more important than a first century

953  
00:39:34,370 --> 00:39:31,859  
Roman Lance

954  
00:39:36,050 --> 00:39:34,380  
the images you're going to see though

955  
00:39:38,750 --> 00:39:36,060  
so

956  
00:39:40,609 --> 00:39:38,760  
before explaining any of this

957  
00:39:43,430 --> 00:39:40,619  
the one in the middle

958  
00:39:45,829 --> 00:39:43,440  
is the so-called Lance that you would

959  
00:39:48,710 --> 00:39:45,839  
find in Vienna today you can go to the

960  
00:39:52,010 --> 00:39:48,720  
uh the shotscomber

961  
00:39:54,589 --> 00:39:52,020  
um at uh the hofberg museum in Vienna

962  
00:39:56,210 --> 00:39:54,599  
Austria and you can see this it's on

963  
00:39:59,030 --> 00:39:56,220

display

964

00:40:00,589 --> 00:39:59,040

the one on the left is a copy made and I

965

00:40:02,990 --> 00:40:00,599

believe I'd have to check but I think it

966

00:40:05,810 --> 00:40:03,000

was like 400 years later in you know

967

00:40:07,190 --> 00:40:05,820

commemoration of the one in Vienna made

968

00:40:08,810 --> 00:40:07,200

in aachen but it might have been made

969

00:40:12,470 --> 00:40:08,820

way after that I just don't remember

970

00:40:15,589 --> 00:40:12,480

offhand the one on the right

971

00:40:16,910 --> 00:40:15,599

is the one that there are no pictures of

972

00:40:18,770 --> 00:40:16,920

anywhere

973

00:40:20,930 --> 00:40:18,780

this is the first time it's ever being

974

00:40:22,250 --> 00:40:20,940

shown publicly

975

00:40:24,050 --> 00:40:22,260

and

976

00:40:26,870 --> 00:40:24,060

um I honestly to tell you the truth

977

00:40:28,910 --> 00:40:26,880

debated even showing this

978

00:40:29,690 --> 00:40:28,920

um but I'm one of those people that

979

00:40:32,270 --> 00:40:29,700

think

980

00:40:34,790 --> 00:40:32,280

it's not okay to hide historical events

981

00:40:36,170 --> 00:40:34,800

that the truth is definitely necessary

982

00:40:37,430 --> 00:40:36,180

no matter what

983

00:40:39,710 --> 00:40:37,440

and what you're going to hear tonight

984

00:40:40,970 --> 00:40:39,720

and this is proof of it right here the

985

00:40:42,710 --> 00:40:40,980

thing on the right

986

00:40:44,930 --> 00:40:42,720

um

987

00:40:47,470 --> 00:40:44,940

it's going to shatter what's in history

988

00:40:50,930 --> 00:40:47,480

textbooks it's going to rewrite

989

00:40:52,849 --> 00:40:50,940

portions of World War II what you'll

990

00:40:54,230 --> 00:40:52,859

what you'll hear about and what you'll

991

00:40:56,390 --> 00:40:54,240

read about

992

00:40:58,750 --> 00:40:56,400

um didn't happen when it comes to the

993

00:41:03,829 --> 00:40:58,760

Lance itself

994

00:41:07,370 --> 00:41:03,839

yeah please okay so since we are here

995

00:41:09,589 --> 00:41:07,380

and uh we know that this is the one in

996

00:41:11,690 --> 00:41:09,599

the middle is uh the one that's in the

997

00:41:14,390 --> 00:41:11,700

museum in Vienna I'm going to explain

998

00:41:16,250 --> 00:41:14,400

well and so are you of course what

999

00:41:20,510 --> 00:41:16,260

actually we are looking at the one on

1000

00:41:22,910 --> 00:41:20,520

the left is uh is a copy and then the

1001  
00:41:26,210 --> 00:41:22,920  
one on the right let's just go ahead and

1002  
00:41:27,349 --> 00:41:26,220  
put it out there you took this

1003  
00:41:30,890 --> 00:41:27,359  
photograph

1004  
00:41:33,829 --> 00:41:30,900  
yeah and you

1005  
00:41:36,230 --> 00:41:33,839  
you have this in your possession

1006  
00:41:39,890 --> 00:41:36,240  
yes it's not in Hawaii with me it's in a

1007  
00:41:41,990 --> 00:41:39,900  
safe deposit clock yes yes but this this

1008  
00:41:45,050 --> 00:41:42,000  
one is yours

1009  
00:41:47,870 --> 00:41:45,060  
so we'll get into that too as well

1010  
00:41:50,630 --> 00:41:47,880  
everybody brace yourself this is gonna

1011  
00:41:52,370 --> 00:41:50,640  
be huge yeah for what we have just

1012  
00:41:54,770 --> 00:41:52,380  
revealed to you

1013  
00:41:58,370 --> 00:41:54,780

okay now

1014

00:42:02,930 --> 00:41:58,380

um what I had said earlier was and we

1015

00:42:05,089 --> 00:42:02,940

showed you the first century uh Roman uh

1016

00:42:08,270 --> 00:42:05,099

tip spear tip

1017

00:42:10,310 --> 00:42:08,280

um this is the one that's in Vienna and

1018

00:42:14,990 --> 00:42:10,320

that's

1019

00:42:17,030 --> 00:42:15,000

the spear right there this is a a a

1020

00:42:20,030 --> 00:42:17,040

protection that is around the the

1021

00:42:23,390 --> 00:42:20,040

outside of it it is wrapped and then

1022

00:42:26,930 --> 00:42:23,400

this is a gold sheath uh for uh

1023

00:42:30,109 --> 00:42:26,940

decoration that was uh wrapped around it

1024

00:42:32,569 --> 00:42:30,119

you can see the bottom here that's the

1025

00:42:35,569 --> 00:42:32,579

bottom of the spear tip so when I

1026

00:42:37,670 --> 00:42:35,579

described it as shaped like a nail I

1027

00:42:39,230 --> 00:42:37,680

wonder can I can I explain this a little

1028

00:42:41,210 --> 00:42:39,240

bit more fully if you don't mind yeah

1029

00:42:44,329 --> 00:42:41,220

well we're gonna well what I'm trying

1030

00:42:46,190 --> 00:42:44,339

yes absolutely just just that one okay

1031

00:42:51,050 --> 00:42:46,200

so

1032

00:42:53,569 --> 00:42:51,060

that spear

1033

00:42:57,890 --> 00:42:53,579

was split in half

1034

00:42:59,750 --> 00:42:57,900

accidentally but they split it in half

1035

00:43:02,150 --> 00:42:59,760

because they wanted to insert something

1036

00:43:04,190 --> 00:43:02,160

that looked like a nail to represent one

1037

00:43:05,569 --> 00:43:04,200

of the nails from the cross so the thing

1038

00:43:07,370 --> 00:43:05,579

you're looking at that looks like a nail

1039

00:43:09,950 --> 00:43:07,380

that's not what a first century Roman

1040

00:43:14,030 --> 00:43:09,960

nail would have looked like

1041

00:43:18,170 --> 00:43:14,040

that was manufactured to re to basically

1042

00:43:20,089 --> 00:43:18,180

take the place of a nail but so the

1043

00:43:21,890 --> 00:43:20,099

sheath in the center there are actually

1044

00:43:23,510 --> 00:43:21,900

three sheaths there and the reason the

1045

00:43:25,069 --> 00:43:23,520

sheets are there are to hold the Lance

1046

00:43:26,750 --> 00:43:25,079

in place because it was accidentally

1047

00:43:27,829 --> 00:43:26,760

broken into when they were inserting

1048

00:43:30,530 --> 00:43:27,839

that nail

1049

00:43:33,050 --> 00:43:30,540

if you take those things off the top

1050

00:43:35,089 --> 00:43:33,060

the wire off the top you can slide those

1051

00:43:39,050 --> 00:43:35,099

off the top of the Lance

1052

00:43:41,030 --> 00:43:39,060

then you get to this uh golden sheath if

1053

00:43:43,250 --> 00:43:41,040

you slide that off you'll find a silver

1054

00:43:44,390 --> 00:43:43,260

sheath that has inscriptions on both

1055

00:43:47,270 --> 00:43:44,400

sides of it

1056

00:43:49,849 --> 00:43:47,280

if you slide the silver one off you end

1057

00:43:51,890 --> 00:43:49,859

up having an iron sheath and when you

1058

00:43:54,770 --> 00:43:51,900

slide that one off you can pull the nail

1059

00:43:56,150 --> 00:43:54,780

out and when you pull the nail out there

1060

00:43:58,250 --> 00:43:56,160

are bits of metal

1061

00:44:01,849 --> 00:43:58,260

and those bits of metal are thought to

1062

00:44:03,589 --> 00:44:01,859

be the ones bits from the real first

1063

00:44:06,950 --> 00:44:03,599

century Roman Lance that pierced the

1064

00:44:10,490 --> 00:44:06,960

side of Jesus this is just a container

1065

00:44:13,849 --> 00:44:10,500

and uh which is what um yes and and

1066

00:44:16,730 --> 00:44:13,859

thank you for that because when you look

1067

00:44:19,670 --> 00:44:16,740

at uh when everybody sees the sphere of

1068

00:44:22,790 --> 00:44:19,680

Destiny which was uh uh one of the

1069

00:44:25,250 --> 00:44:22,800

points that you just made here that

1070

00:44:27,230 --> 00:44:25,260

um I think is very important is that

1071

00:44:30,349 --> 00:44:27,240

when you see this visually you think

1072

00:44:33,770 --> 00:44:30,359

you're seeing something else but no it's

1073

00:44:36,410 --> 00:44:33,780

not there is this is wrapped this is I

1074

00:44:38,690 --> 00:44:36,420

think this is silver wire if I'm correct

1075

00:44:41,690 --> 00:44:38,700

right it's in that silver wire they used

1076

00:44:43,130 --> 00:44:41,700

to to hold everything in place and I

1077

00:44:45,530 --> 00:44:43,140

think it's iron but I could be wrong

1078

00:44:49,490 --> 00:44:45,540

okay and then we have the same thing

1079

00:44:57,589 --> 00:44:49,500

here all right A reproduction and then

1080

00:45:06,470 --> 00:45:03,550

um now also uh we have um

1081

00:45:09,589 --> 00:45:06,480

uh what was I going to say we have a

1082

00:45:12,710 --> 00:45:09,599

deconstruction as well uh that will be

1083

00:45:17,390 --> 00:45:12,720

coming up uh that everybody can see and

1084

00:45:20,150 --> 00:45:17,400

so when you compare that to this now you

1085

00:45:21,470 --> 00:45:20,160

understand when you see the Spear of

1086

00:45:24,349 --> 00:45:21,480

Destiny and what we're talking about

1087

00:45:28,010 --> 00:45:24,359

tonight talking about this we are not

1088

00:45:30,290 --> 00:45:28,020

talking about this and it is a very

1089

00:45:34,250 --> 00:45:30,300

important Point

1090

00:45:37,490 --> 00:45:34,260

um let's uh uh this this right here is

1091

00:45:39,829 --> 00:45:37,500

about as interesting as it gets

1092

00:45:42,290 --> 00:45:39,839

um well no this whole show is about as

1093

00:45:44,510 --> 00:45:42,300

interesting as it gets but what are we

1094

00:45:46,370 --> 00:45:44,520

looking at here Ken

1095

00:45:48,589 --> 00:45:46,380

so

1096

00:45:49,970 --> 00:45:48,599

the copy the thing that I said you you

1097

00:45:51,050 --> 00:45:49,980

wouldn't be able to find a picture of

1098

00:45:53,390 --> 00:45:51,060

anywhere

1099

00:45:55,010 --> 00:45:53,400

that belonged to Heinrich Himmler and

1100

00:45:58,550 --> 00:45:55,020

Heinrich Himmler if anyone doesn't know

1101  
00:46:01,010 --> 00:45:58,560  
was for a time uh Adolf Hitler's number

1102  
00:46:03,109 --> 00:46:01,020  
one guy in the man responsible for

1103  
00:46:05,030 --> 00:46:03,119  
beginning the SS which started as

1104  
00:46:07,670 --> 00:46:05,040  
Hitler's personal guard and then kind of

1105  
00:46:10,790 --> 00:46:07,680  
expanded from there and they had their

1106  
00:46:12,710 --> 00:46:10,800  
own religion it was a Nazism religion

1107  
00:46:14,569 --> 00:46:12,720  
basically but they had their own

1108  
00:46:16,970 --> 00:46:14,579  
marriage ceremonies they had their own

1109  
00:46:18,829 --> 00:46:16,980  
rules they had their own spiritual

1110  
00:46:20,390 --> 00:46:18,839  
ceremonies as weird as that might sound

1111  
00:46:22,430 --> 00:46:20,400  
to some people because of the evil

1112  
00:46:25,010 --> 00:46:22,440  
things they did but they had their their

1113  
00:46:27,829 --> 00:46:25,020

own spiritual beliefs and they were

1114

00:46:29,270 --> 00:46:27,839

Christian based even though they morphed

1115

00:46:31,730 --> 00:46:29,280

it into something completely different

1116

00:46:33,770 --> 00:46:31,740

and did Evil things with it and they

1117

00:46:35,930 --> 00:46:33,780

even targeted the Jews in

1118

00:46:37,550 --> 00:46:35,940

in one sense it gets way more

1119

00:46:39,290 --> 00:46:37,560

complicated but in one sense because the

1120

00:46:41,210 --> 00:46:39,300

Jews were responsible for Killing Jesus

1121

00:46:43,010 --> 00:46:41,220

and that was one of the excuses they

1122

00:46:45,530 --> 00:46:43,020

used for all this but here's where it

1123

00:46:47,270 --> 00:46:45,540

gets interesting in so far as the spirit

1124

00:46:49,790 --> 00:46:47,280

of Destiny goes and actually if you

1125

00:46:52,010 --> 00:46:49,800

think of it this way too if he didn't

1126

00:46:53,510 --> 00:46:52,020

care at all about Christianity

1127

00:46:55,790 --> 00:46:53,520

why was he so obsessed with Christian

1128

00:46:57,829 --> 00:46:55,800

relics he wanted Christian relics

1129

00:46:59,809 --> 00:46:57,839

because he thought they they had power

1130

00:47:01,670 --> 00:46:59,819

within them but here's where it gets

1131

00:47:03,470 --> 00:47:01,680

really interesting with Heinrich Himmler

1132

00:47:05,990 --> 00:47:03,480

if you start reading books about the

1133

00:47:08,809 --> 00:47:06,000

Spear of Destiny and the Nazi annexation

1134

00:47:11,630 --> 00:47:08,819

of Austria what we call the outclass

1135

00:47:13,309 --> 00:47:11,640

Heinrich Himmler was the one who took

1136

00:47:15,650 --> 00:47:13,319

possession of this Lance and the rest of

1137

00:47:17,450 --> 00:47:15,660

the Holy Roman Empire Treasures Hitler

1138

00:47:19,730 --> 00:47:17,460

wasn't there that day and all the

1139

00:47:22,130 --> 00:47:19,740

history textbooks say that Hitler was

1140

00:47:24,829 --> 00:47:22,140

the one there but we have documents that

1141

00:47:27,050 --> 00:47:24,839

he signed that same day in Munich he

1142

00:47:29,270 --> 00:47:27,060

wasn't there Heinrich Himmler was and

1143

00:47:31,790 --> 00:47:29,280

Heinrich Himmler delayed The Invasion by

1144

00:47:33,109 --> 00:47:31,800

three days for security arrangements and

1145

00:47:35,450 --> 00:47:33,119

that's how it's worded in one of the

1146

00:47:37,430 --> 00:47:35,460

documents that he signed he was the one

1147

00:47:38,990 --> 00:47:37,440

who took possession of this but the

1148

00:47:42,050 --> 00:47:39,000

interesting thing is

1149

00:47:44,270 --> 00:47:42,060

you already saw a copy of this

1150

00:47:45,650 --> 00:47:44,280

um not of the one in Vienna so you saw a

1151  
00:47:46,730 --> 00:47:45,660  
copy of the one in Vienna the one that's

1152  
00:47:49,970 --> 00:47:46,740  
in aachen

1153  
00:47:52,190 --> 00:47:49,980  
and that was aged so it looks like it's

1154  
00:47:55,010 --> 00:47:52,200  
just as old as the one in Vienna okay

1155  
00:47:56,990 --> 00:47:55,020  
let's back up this is akan the one on

1156  
00:47:59,450 --> 00:47:57,000  
the left this is Vienna in the middle

1157  
00:48:02,870 --> 00:47:59,460  
and this is the one on the right is

1158  
00:48:05,150 --> 00:48:02,880  
yours yes the one on the right belonged

1159  
00:48:07,130 --> 00:48:05,160  
to Heinrich Himmler and then Adolf

1160  
00:48:08,510 --> 00:48:07,140  
Hitler and then Heinrich Himmler took

1161  
00:48:12,050 --> 00:48:08,520  
possession of it again

1162  
00:48:14,569 --> 00:48:12,060  
so well I'm saying this wrong the one in

1163  
00:48:16,970 --> 00:48:14,579

the middle the one in Vienna belonged to

1164

00:48:18,829 --> 00:48:16,980

Heinrich Himmler then Adolf Hitler and

1165

00:48:21,230 --> 00:48:18,839

then Heinrich Himmler took possession of

1166

00:48:23,569 --> 00:48:21,240

it but only for like a month but before

1167

00:48:26,270 --> 00:48:23,579

I get into that the one on the right is

1168

00:48:28,670 --> 00:48:26,280

Heinrich himmler's copy and he didn't

1169

00:48:30,470 --> 00:48:28,680

have it aged which means he didn't care

1170

00:48:33,650 --> 00:48:30,480

if people thought that it was the one

1171

00:48:35,450 --> 00:48:33,660

Vienna so the theory that he switched

1172

00:48:37,730 --> 00:48:35,460

his copy with the one in Vienna doesn't

1173

00:48:40,010 --> 00:48:37,740

make any sense now that people are

1174

00:48:42,650 --> 00:48:40,020

seeing this for the first time this is

1175

00:48:45,530 --> 00:48:42,660

anyone watching this this is the first

1176

00:48:47,329 --> 00:48:45,540

time this is ever shown in public

1177

00:48:49,250 --> 00:48:47,339

this Lance

1178

00:48:50,510 --> 00:48:49,260

is going to rip apart some of the

1179

00:48:53,510 --> 00:48:50,520

history stories some of the history

1180

00:48:55,430 --> 00:48:53,520

textbooks already because the conspiracy

1181

00:48:56,809 --> 00:48:55,440

theorists that say Heinrich Himmler

1182

00:48:58,730 --> 00:48:56,819

replaced it and it's not the right one

1183

00:49:02,329 --> 00:48:58,740

there's no way that's that happened

1184

00:49:04,490 --> 00:49:02,339

because that is his Lance it's not aged

1185

00:49:06,650 --> 00:49:04,500

he had this made though this is where

1186

00:49:08,210 --> 00:49:06,660

things get really interesting and a

1187

00:49:11,569 --> 00:49:08,220

little bit complex

1188

00:49:12,770 --> 00:49:11,579

he had this made five years before the

1189

00:49:15,770 --> 00:49:12,780

annexation

1190

00:49:16,670 --> 00:49:15,780

so five years before this was already in

1191

00:49:19,250 --> 00:49:16,680

the plan

1192

00:49:21,050 --> 00:49:19,260

that they were going to Annex Austria

1193

00:49:24,710 --> 00:49:21,060

and they were going to take possession

1194

00:49:27,290 --> 00:49:24,720

of the Holy Roman Empire Treasures

1195

00:49:30,050 --> 00:49:27,300

and what Heinrich Himmler did

1196

00:49:31,849 --> 00:49:30,060

now think of this he's obsessed with the

1197

00:49:34,190 --> 00:49:31,859

Holy Roman Empire Treasures but

1198

00:49:36,050 --> 00:49:34,200

especially the Lance why else would he

1199

00:49:39,170 --> 00:49:36,060

have have one made five years before

1200

00:49:43,490 --> 00:49:40,970

what did he do when he had possession of

1201  
00:49:46,430 --> 00:49:43,500  
the one in Vienna for a month before he

1202  
00:49:48,530 --> 00:49:46,440  
put it with the rest of the Nazi stash

1203  
00:49:50,930 --> 00:49:48,540  
he took the bits of metal from the one

1204  
00:49:52,250 --> 00:49:50,940  
in Vienna and he transferred it to his

1205  
00:49:54,589 --> 00:49:52,260  
own Lance

1206  
00:50:01,790 --> 00:49:54,599  
there's a

1207  
00:50:04,510 --> 00:50:01,800  
the actual spear that touched the side

1208  
00:50:07,430 --> 00:50:04,520  
of Jesus that had Jesus's blood on it

1209  
00:50:10,309 --> 00:50:07,440  
could control the destiny of the world

1210  
00:50:12,829 --> 00:50:10,319  
and my personal belief is Heinrich him

1211  
00:50:15,050 --> 00:50:12,839  
would believe that he truly believed

1212  
00:50:16,790 --> 00:50:15,060  
that he had some sort of a King Arthur

1213  
00:50:19,370 --> 00:50:16,800

fantasy going with the castle that he

1214

00:50:20,870 --> 00:50:19,380

moved the SS into he was collecting all

1215

00:50:22,250 --> 00:50:20,880

of these religious artifacts from all

1216

00:50:24,530 --> 00:50:22,260

over the world not just Christianity but

1217

00:50:26,630 --> 00:50:24,540

he was obsessed with Christianity he was

1218

00:50:29,930 --> 00:50:26,640

especially obsessed with the Spear of

1219

00:50:31,670 --> 00:50:29,940

Destiny but he gave it back he could

1220

00:50:35,210 --> 00:50:31,680

have kept that one on his desk but he

1221

00:50:39,050 --> 00:50:35,220

didn't right he just so he take so he he

1222

00:50:44,990 --> 00:50:39,060

takes it apart right he unwraps it

1223

00:50:48,950 --> 00:50:45,000

um he takes out the the metal uh from

1224

00:50:50,750 --> 00:50:48,960

the original Lance removes that uh maybe

1225

00:50:53,329 --> 00:50:50,760

he replaced it with other bits of metal

1226

00:50:58,730 --> 00:50:53,339

but anyway he wraps it back up and gives

1227

00:51:03,290 --> 00:50:58,740

it back to uh the museum and he has this

1228

00:51:05,930 --> 00:51:03,300

new one uh made which is here now at the

1229

00:51:08,270 --> 00:51:05,940

top of this this is the display box

1230

00:51:09,710 --> 00:51:08,280

but up here at the top you can see the

1231

00:51:12,589 --> 00:51:09,720

HH

1232

00:51:15,770 --> 00:51:12,599

right here uh he's got a little spear

1233

00:51:17,569 --> 00:51:15,780

tip if you want to call it right that

1234

00:51:19,370 --> 00:51:17,579

comes off so that thing comes off and

1235

00:51:21,290 --> 00:51:19,380

the the only thing that's there for if

1236

00:51:23,990 --> 00:51:21,300

you pull it off even though you know

1237

00:51:25,790 --> 00:51:24,000

it's not it's just a container for bits

1238

00:51:28,849 --> 00:51:25,800

of metal from what he thought was the

1239

00:51:31,609 --> 00:51:28,859

actual uh Lance that pierced Jesus it

1240

00:51:33,349 --> 00:51:31,619

actually has a very sharp tip so you

1241

00:51:35,210 --> 00:51:33,359

could actually Pierce yourself on it and

1242

00:51:38,150 --> 00:51:35,220

that thing just covers it up

1243

00:51:41,690 --> 00:51:38,160

so now as we look at this one really

1244

00:51:43,450 --> 00:51:41,700

closely and you have this what appears

1245

00:51:47,569 --> 00:51:43,460

to be writing here

1246

00:51:50,450 --> 00:51:47,579

and the way that the gold sheath is now

1247

00:51:52,609 --> 00:51:50,460

one one of the notes that I think all of

1248

00:51:56,390 --> 00:51:52,619

us visually can make is how neatly the

1249

00:51:58,430 --> 00:51:56,400

wire wrap is done here versus what we

1250

00:52:00,530 --> 00:51:58,440

are looking at

1251

00:52:02,930 --> 00:52:00,540

um uh with the one in Vienna and of

1252

00:52:07,069 --> 00:52:02,940

course the knockoff that's here and then

1253

00:52:10,549 --> 00:52:07,079

yours which is Heinrich himmler's and

1254

00:52:12,710 --> 00:52:10,559

then we have what does this say and what

1255

00:52:14,750 --> 00:52:12,720

language is this going down the middle

1256

00:52:16,430 --> 00:52:14,760

so

1257

00:52:19,250 --> 00:52:16,440

what you're seeing is actually what's

1258

00:52:20,450 --> 00:52:19,260

coming through from the other side

1259

00:52:21,710 --> 00:52:20,460

um I'm going to give it to you it's it's

1260

00:52:23,930 --> 00:52:21,720

in Latin

1261

00:52:25,549 --> 00:52:23,940

so

1262

00:52:28,430 --> 00:52:25,559

we're dealing with the one in Austria

1263

00:52:32,089 --> 00:52:28,440

but um Heinrich himmler's Lance was made

1264

00:52:34,430 --> 00:52:32,099

obviously to resemble it in size and

1265

00:52:35,990 --> 00:52:34,440

shape and everything about it so the one

1266

00:52:38,030 --> 00:52:36,000

in Austria which means it's also

1267

00:52:41,450 --> 00:52:38,040

Heinrich himmler's Lance and the akan

1268

00:52:43,730 --> 00:52:41,460

copy is 50.5 centimeters long and it has

1269

00:52:46,130 --> 00:52:43,740

three sleeves the first one is iron

1270

00:52:52,069 --> 00:52:46,140

the second one with inscriptions is

1271

00:52:55,270 --> 00:52:52,079

silver and it says uh henrikus tertius

1272

00:52:58,069 --> 00:52:55,280

Romano imperator or [h\_\_h]

1273

00:53:01,730 --> 00:52:58,079

argentum and then there's a number there

1274

00:53:03,589 --> 00:53:01,740

and then it says in the so on the silver

1275

00:53:06,470 --> 00:53:03,599

on one side that's what it says on the

1276

00:53:09,829 --> 00:53:06,480

second side it says Santos Mauritius and

1277

00:53:11,150 --> 00:53:09,839

then it says fabricari at conversiones

1278

00:53:19,430 --> 00:53:11,160

clavi

1279

00:53:21,470 --> 00:53:19,440

translated now when I translate this at

1280

00:53:24,349 --> 00:53:21,480

first it might not make sense it's only

1281

00:53:25,730 --> 00:53:24,359

because they left out one word it says

1282

00:53:27,950 --> 00:53:25,740

Heinrich

1283

00:53:31,250 --> 00:53:27,960

by the grace of God

1284

00:53:34,069 --> 00:53:31,260

for the third Roman Emperor builder of

1285

00:53:36,049 --> 00:53:34,079

the Empire caused this silver to be made

1286

00:53:38,150 --> 00:53:36,059

for the attachment of the nail of our

1287

00:53:39,530 --> 00:53:38,160

Lord and the Lance of the holy Saint

1288

00:53:41,630 --> 00:53:39,540

Mauritius

1289

00:53:44,510 --> 00:53:41,640

now Heinrich

1290

00:53:47,690 --> 00:53:44,520

now this is interesting too this refers

1291

00:53:52,430 --> 00:53:47,700

to Heinrich which is Henry the Fowler

1292

00:53:54,829 --> 00:53:52,440

who lived from 876 to 936. Heinrich

1293

00:53:58,450 --> 00:53:54,839

Himmler thought he was The Reincarnation

1294

00:54:03,890 --> 00:54:01,430

fascinating man absolutely fascinating

1295

00:54:04,809 --> 00:54:03,900

and

1296

00:54:11,210 --> 00:54:04,819

um

1297

00:54:13,910 --> 00:54:11,220

this Photograph here uh is this of

1298

00:54:16,490 --> 00:54:13,920

is this what is in your possession with

1299

00:54:18,109 --> 00:54:16,500

this display box yes and that belonged

1300

00:54:20,390 --> 00:54:18,119

to Heinrich Himmler as well and it's

1301  
00:54:26,990 --> 00:54:20,400  
very heavy it's way more heavy than you

1302  
00:54:32,510 --> 00:54:28,490  
man

1303  
00:54:35,569 --> 00:54:32,520  
okay let's go to uh this next image and

1304  
00:54:37,790 --> 00:54:35,579  
then uh we'll take a break

1305  
00:54:39,290 --> 00:54:37,800  
so this image has to be followed up by

1306  
00:54:41,750 --> 00:54:39,300  
the ones that show the back of this

1307  
00:54:43,910 --> 00:54:41,760  
cross but these are all of the Holy

1308  
00:54:46,010 --> 00:54:43,920  
Roman Empire treasures and these are the

1309  
00:54:48,589 --> 00:54:46,020  
real ones the ones that are at the shots

1310  
00:54:52,010 --> 00:54:48,599  
comma in the hofberg museum in Vienna

1311  
00:54:53,630 --> 00:54:52,020  
Austria so you have the Holy swords you

1312  
00:54:55,370 --> 00:54:53,640  
obviously have the Holy what they call

1313  
00:54:57,349 --> 00:54:55,380

the holy Apple the crown and the crown

1314

00:54:59,150 --> 00:54:57,359

on the uh

1315

00:55:01,549 --> 00:54:59,160

initially had nothing to do with German

1316

00:55:03,890 --> 00:55:01,559

kings or anything the crown is Byzantine

1317

00:55:06,589 --> 00:55:03,900

and it was adopted later and they used

1318

00:55:09,049 --> 00:55:06,599

you can see the Spear of Destiny right

1319

00:55:11,150 --> 00:55:09,059

if you're looking at this picture on the

1320

00:55:13,790 --> 00:55:11,160

right hand side a role of the Spears and

1321

00:55:16,190 --> 00:55:13,800

the Sabers you'll see it standing up

1322

00:55:17,770 --> 00:55:16,200

that's the Spear of Destiny and they use

1323

00:55:21,650 --> 00:55:17,780

that

1324

00:55:23,510 --> 00:55:21,660

to give Kings their power so obviously

1325

00:55:25,670 --> 00:55:23,520

we'll get into the reichs the first

1326

00:55:27,109 --> 00:55:25,680

Reich was the Holy Roman Empire and then

1327

00:55:29,270 --> 00:55:27,119

you had the second Reich the Third Reich

1328

00:55:31,549 --> 00:55:29,280

which was Adolf Hitler and then there's

1329

00:55:34,190 --> 00:55:31,559

another one planned and that's why they

1330

00:55:36,530 --> 00:55:34,200

want the Lance and uh I'll explain where

1331

00:55:38,809 --> 00:55:36,540

that's coming from as well but if this

1332

00:55:42,230 --> 00:55:38,819

is the close-up of the right truth the

1333

00:55:44,990 --> 00:55:42,240

right screws is the holy uh the holy

1334

00:55:47,210 --> 00:55:45,000

um the Holy Cross basically and it's um

1335

00:55:48,890 --> 00:55:47,220

the Holy Roman Empire Treasures this is

1336

00:55:50,030 --> 00:55:48,900

the cross the reich's cross and you've

1337

00:55:52,130 --> 00:55:50,040

got to remember the Holy Roman Empire

1338

00:55:56,589 --> 00:55:52,140

was neither holy nor Roman it was all

1339

00:56:05,150 --> 00:56:01,010

and this is where the this is this is

1340

00:56:07,670 --> 00:56:05,160

what holds the Spear of Destiny so for a

1341

00:56:10,130 --> 00:56:07,680

time during World War II

1342

00:56:12,290 --> 00:56:10,140

it was missing but if you take a look at

1343

00:56:14,809 --> 00:56:12,300

the back of it right

1344

00:56:17,329 --> 00:56:14,819

that's it unopened it still doesn't look

1345

00:56:22,730 --> 00:56:17,339

like there's anything strange going on

1346

00:56:27,109 --> 00:56:24,530

and that's what it looks like with all

1347

00:56:28,910 --> 00:56:27,119

the compartments in you know completely

1348

00:56:30,849 --> 00:56:28,920

opened and you see in the center of that

1349

00:56:33,950 --> 00:56:30,859

you see

1350

00:56:36,049 --> 00:56:33,960

a spot where they actually had the Spear

1351

00:56:37,730 --> 00:56:36,059

of Destiny that's where they hid it for

1352

00:56:39,049 --> 00:56:37,740

a while during the war that's where it

1353

00:56:41,270 --> 00:56:39,059

was kept

1354

00:56:43,609 --> 00:56:41,280

and previously the other two

1355

00:56:45,589 --> 00:56:43,619

compartments tell you the truth I'm not

1356

00:56:47,750 --> 00:56:45,599

sure and I asked the same question

1357

00:56:50,809 --> 00:56:47,760

before and like I couldn't get an answer

1358

00:56:52,549 --> 00:56:50,819

because even in Vienna the people at the

1359

00:56:54,290 --> 00:56:52,559

Museum said that they weren't sure what

1360

00:56:56,390 --> 00:56:54,300

was actually held in there now if you

1361

00:56:58,670 --> 00:56:56,400

look at the size of them in comparison

1362

00:57:00,410 --> 00:56:58,680

to the Lance itself it couldn't have

1363

00:57:03,410 --> 00:57:00,420

been any of the other Holy Roman Empire

1364

00:57:04,790 --> 00:57:03,420

Treasures so it had to have been

1365

00:57:07,370 --> 00:57:04,800

something small and it could have just

1366

00:57:08,930 --> 00:57:07,380

been like as stupid as this might sound

1367

00:57:10,370 --> 00:57:08,940

it could have just been a bit of a bone

1368

00:57:13,370 --> 00:57:10,380

from a saint or something like that

1369

00:57:15,290 --> 00:57:13,380

because the reason they had the Spear of

1370

00:57:17,450 --> 00:57:15,300

Destiny from Vienna in the top portion

1371

00:57:19,250 --> 00:57:17,460

of it is because they thought it had

1372

00:57:21,410 --> 00:57:19,260

bits of metal from the actual Lance that

1373

00:57:23,329 --> 00:57:21,420

pierced Jesus hence Jesus's blood on it

1374

00:57:26,109 --> 00:57:23,339

so we're dealing with things that are

1375

00:57:28,630 --> 00:57:26,119

used to sanctify the cross so anything

1376

00:57:31,309 --> 00:57:28,640

that had religious significance

1377

00:57:33,650 --> 00:57:31,319

belonging to a saint a holy person or

1378

00:57:35,750 --> 00:57:33,660

anything like that that could have been

1379

00:57:38,450 --> 00:57:35,760

it and of course there were tons of

1380

00:57:41,750 --> 00:57:38,460

charlatans going on uh with you know

1381

00:57:43,010 --> 00:57:41,760

pieces of the the real true cross uh but

1382

00:57:44,450 --> 00:57:43,020

they were just pieces of wood that

1383

00:57:47,329 --> 00:57:44,460

people pulled from different places to

1384

00:57:49,490 --> 00:57:47,339

make money but the church did have a

1385

00:57:50,990 --> 00:57:49,500

lineage of certain pieces and of course

1386

00:57:53,089 --> 00:57:51,000

none of them date to the first century

1387

00:57:54,530 --> 00:57:53,099

but they had a lineage so it could have

1388

00:57:57,530 --> 00:57:54,540

been you know could have been something

1389

00:57:59,150 --> 00:57:57,540

like that that they gave up after time

1390

00:58:00,410 --> 00:57:59,160

um I have really no idea what they had

1391

00:58:03,650 --> 00:58:00,420

in those though

1392

00:58:05,990 --> 00:58:03,660

so we're gonna get into the analysis but

1393

00:58:08,750 --> 00:58:06,000

you know the the million dollar question

1394

00:58:09,549 --> 00:58:08,760

is

1395

00:58:13,490 --> 00:58:09,559

um

1396

00:58:17,329 --> 00:58:13,500

the Himmler version of the Spear of

1397

00:58:21,650 --> 00:58:17,339

Destiny which is now in your possession

1398

00:58:26,150 --> 00:58:21,660

um may have may contain the original

1399

00:58:29,690 --> 00:58:26,160

metal from the lands that pierced Jesus

1400

00:58:34,190 --> 00:58:29,700

and had his blood on it yes

1401

00:58:37,609 --> 00:58:34,200

are those same pieces of metal

1402

00:58:40,789 --> 00:58:37,619

first century Roman lands medal that

1403

00:58:44,030 --> 00:58:40,799

pierced Jesus with his blood on it

1404

00:58:47,289 --> 00:58:44,040

is still with the Spear of Destiny that

1405

00:58:49,549 --> 00:58:47,299

is in your possession yes

1406

00:58:51,410 --> 00:58:49,559

well you better keep this in mind though

1407

00:58:53,510 --> 00:58:51,420

there's no way to know for sure where it

1408

00:58:55,730 --> 00:58:53,520

came from right I know we know it's

1409

00:58:58,250 --> 00:58:55,740

first century because it was tested but

1410

00:59:00,530 --> 00:58:58,260

I could take bits of that like the the

1411

00:59:03,109 --> 00:59:00,540

Lance that I showed you that's actually

1412

00:59:04,370 --> 00:59:03,119

from the first century if I wanted to I

1413

00:59:05,630 --> 00:59:04,380

could buy another one of those that's

1414

00:59:08,450 --> 00:59:05,640

not in good shape

1415

00:59:10,010 --> 00:59:08,460

and just break off little bits of it and

1416

00:59:11,750 --> 00:59:10,020

stick it in any lats and say you know

1417

00:59:13,250 --> 00:59:11,760

what test it it's for a century it

1418

00:59:15,890 --> 00:59:13,260

doesn't mean it here's the side of Jesus

1419

00:59:18,650 --> 00:59:15,900

the only thing I'm saying is Heinrich

1420

00:59:21,289 --> 00:59:18,660

Himmler and Adolf Hitler thought it did

1421

00:59:23,030 --> 00:59:21,299

and stated so did the people who had the

1422

00:59:24,890 --> 00:59:23,040

Lance in Vienna and they still have the

1423

00:59:27,589 --> 00:59:24,900

lance there but Heinrich Himmler just

1424

00:59:31,190 --> 00:59:27,599

switched the metal up

1425

00:59:33,230 --> 00:59:31,200

um do you look over your shoulder a lot

1426

00:59:35,210 --> 00:59:33,240

no because I no longer have it in my

1427

00:59:37,490 --> 00:59:35,220

possession I have in a safety if you

1428

00:59:40,789 --> 00:59:37,500

know what I mean you know I mean this is

1429

00:59:43,010 --> 00:59:40,799

uh uh this this is pretty extraordinary

1430

00:59:46,549 --> 00:59:43,020

and there's quite a few people that

1431

00:59:48,109 --> 00:59:46,559

would be very interested in this yes

1432

00:59:50,089 --> 00:59:48,119

I'm going to write a whole book on the

1433

00:59:52,309 --> 00:59:50,099

subject I'm already 200 and whatever it

1434

00:59:54,170 --> 00:59:52,319

is 40 pages deep I just have to finish

1435

00:59:56,510 --> 00:59:54,180

up three chapters in the center of it

1436

00:59:58,609 --> 00:59:56,520

and finish up the ending and I'm almost

1437

01:00:01,010 --> 00:59:58,619

done with the ending anyways somebody

1438

01:00:01,520 --> 01:00:01,020

just said do you feel any additional

1439

01:00:09,069 --> 01:00:01,530

powers

1440

01:00:13,190 --> 01:00:11,569

all right all right let's let's take a

1441

01:00:14,809 --> 01:00:13,200

quick break we'll be right back this is

1442

01:00:19,430 --> 01:00:14,819

Fade to Black stay with us our guest

1443

01:00:24,109 --> 01:00:21,829

this is Jimmy Church of Fade to Black

1444

01:00:26,390 --> 01:00:24,119

please visit all of our sponsors we're

1445

01:00:28,069 --> 01:00:26,400

taking a quick break here all of the

1446

01:00:30,470 --> 01:00:28,079

links are below

1447

01:00:32,809 --> 01:00:30,480

and we'll be right back

1448

01:00:36,289 --> 01:00:32,819

this is Jimmy church and I want to

1449

01:00:38,510 --> 01:00:36,299

introduce you to lifewaves x39 Stem Cell

1450

01:00:41,750 --> 01:00:38,520

Activation batch which has totally

1451  
01:00:44,589 --> 01:00:41,760  
transformed my health my sleep brain and

1452  
01:00:47,150 --> 01:00:44,599  
my eyes I no longer need reading glasses

1453  
01:00:50,750 --> 01:00:47,160  
x39 is a true breakthrough in

1454  
01:00:53,089 --> 01:00:50,760  
regenerative science using light x-39's

1455  
01:00:55,250 --> 01:00:53,099  
patented age reversal Technologies

1456  
01:00:56,990 --> 01:00:55,260  
clinically proven to Signal the

1457  
01:00:59,329 --> 01:00:57,000  
activation of younger stem cells

1458  
01:01:02,569 --> 01:00:59,339  
accelerating the body's natural healing

1459  
01:01:04,849 --> 01:01:02,579  
process x39 promotes restoration and

1460  
01:01:07,250 --> 01:01:04,859  
Rejuvenation bringing the life-changing

1461  
01:01:09,530 --> 01:01:07,260  
benefits that I've experienced by

1462  
01:01:12,710 --> 01:01:09,540  
naturally elevating a master signaling

1463  
01:01:15,470 --> 01:01:12,720

peptide in the body x-39 boost Vitality

1464

01:01:18,289 --> 01:01:15,480

health and wellness and resets 4 000

1465

01:01:20,930 --> 01:01:18,299

genes to a younger healthier State it's

1466

01:01:24,730 --> 01:01:20,940

one patch once a day and you can turn

1467

01:01:28,130 --> 01:01:24,740

back time with x-39 just go to

1468

01:01:32,089 --> 01:01:28,140

healingworksnow.com that's works with an

1469

01:01:34,250 --> 01:01:32,099

X healing works now Dot com hey

1470

01:01:36,650 --> 01:01:34,260

everybody it's Billy Carson also known

1471

01:01:38,450 --> 01:01:36,660

as Forbidden Knowledge I want to talk to

1472

01:01:42,109 --> 01:01:38,460

you about a very special event coming up

1473

01:01:44,150 --> 01:01:42,119

July 30th 2023 The Forbidden conscious

1474

01:01:45,710 --> 01:01:44,160

Awards we're going to honor people who

1475

01:01:48,049 --> 01:01:45,720

have been contributing to the conscious

1476  
01:01:49,490 --> 01:01:48,059  
Community for decades people that you

1477  
01:01:50,990 --> 01:01:49,500  
know and love that have helped you get

1478  
01:01:52,970 --> 01:01:51,000  
to higher levels of thought and

1479  
01:01:55,250 --> 01:01:52,980  
Consciousness and awareness it's going

1480  
01:01:56,569 --> 01:01:55,260  
to be alive in-person event but seats

1481  
01:01:58,370 --> 01:01:56,579  
are going to sell out very fast you want

1482  
01:01:59,990 --> 01:01:58,380  
to make sure you're there in person and

1483  
01:02:01,750 --> 01:02:00,000  
guess what you can help vote for the

1484  
01:02:03,829 --> 01:02:01,760  
winners voting is available on

1485  
01:02:05,450 --> 01:02:03,839  
forbiddenknowledge.com and the

1486  
01:02:08,569 --> 01:02:05,460  
categories are going to be social media

1487  
01:02:10,450 --> 01:02:08,579  
influencer podcast slash radio host TV

1488  
01:02:12,170 --> 01:02:10,460

host actor director producer

1489

01:02:13,670 --> 01:02:12,180

entrepreneurs health and wellness

1490

01:02:16,130 --> 01:02:13,680

philanthropists authors field

1491

01:02:17,870 --> 01:02:16,140

researchers archaeologists space anomaly

1492

01:02:20,690 --> 01:02:17,880

hunters and of course a Lifetime

1493

01:02:22,609 --> 01:02:20,700

Achievement Award I'll be your keynote

1494

01:02:24,530 --> 01:02:22,619

speaker that night at The Forbidden

1495

01:02:26,870 --> 01:02:24,540

conscious Awards we have celebrity

1496

01:02:28,430 --> 01:02:26,880

guests performing we'll have a halftime

1497

01:02:30,109 --> 01:02:28,440

show where we're actually going to

1498

01:02:32,870 --> 01:02:30,119

perform music for you and don't forget

1499

01:02:35,150 --> 01:02:32,880

about the pre-event sir where if you buy

1500

01:02:37,490 --> 01:02:35,160

a box seat you'll be in the VIP section

1501  
01:02:39,829 --> 01:02:37,500  
and you also have private access to a

1502  
01:02:42,770 --> 01:02:39,839  
big-ip mixer with celebrity guests shake

1503  
01:02:44,630 --> 01:02:42,780  
hands great bread Network and then walk

1504  
01:02:46,250 --> 01:02:44,640  
the red carpet with us and take amazing

1505  
01:02:47,630 --> 01:02:46,260  
photos it's going to be a night to

1506  
01:02:49,490 --> 01:02:47,640  
remember you don't want to forget this

1507  
01:02:51,109 --> 01:02:49,500  
make sure you hurry up and get your

1508  
01:02:53,630 --> 01:02:51,119  
tickets because you're selling out very

1509  
01:02:55,410 --> 01:02:53,640  
fast I want to see you there forbidden

1510  
01:02:59,030 --> 01:02:55,420  
conscious Wars 2023

1511  
01:03:02,450 --> 01:02:59,040  
[Music]

1512  
01:03:05,270 --> 01:03:02,460  
River Moon coffee makers of the Fade to

1513  
01:03:07,150 --> 01:03:05,280

Black blend truly the best coffee on

1514

01:03:09,410 --> 01:03:07,160

planet Earth just visit

1515

01:03:11,210 --> 01:03:09,420

rivermoonwellness.com or or their Amazon

1516

01:03:12,650 --> 01:03:11,220

store it's all simple to do you can

1517

01:03:14,750 --> 01:03:12,660

check out the Fade to Black blend the

1518

01:03:17,390 --> 01:03:14,760

game changer Blend or any of their black

1519

01:03:21,170 --> 01:03:17,400

moon wellness products it's the only

1520

01:03:27,170 --> 01:03:21,180

coffee I drink it is the best and it's

1521

01:03:31,309 --> 01:03:29,750

all right Welcome Back Fade to Black I

1522

01:03:34,490 --> 01:03:31,319

am your host stupid Church yeah that's

1523

01:03:37,970 --> 01:03:34,500

right x39 right there the links are over

1524

01:03:39,530 --> 01:03:37,980

at jimmychurchradio.com and we've uh got

1525

01:03:43,190 --> 01:03:39,540

it up throughout social media too as

1526

01:03:46,069 --> 01:03:43,200

well did a post today uh uh my team did

1527

01:03:49,390 --> 01:03:46,079

of x39 and go check it out our guest

1528

01:03:53,630 --> 01:03:49,400

tonight Dr Kenneth uh uh Dr Ken Kenneth

1529

01:03:57,309 --> 01:03:53,640

Ken Jeremiah and we're talking about uh

1530

01:03:58,970 --> 01:03:57,319

his journey to the Spear of Destiny

1531

01:04:02,089 --> 01:03:58,980

and

1532

01:04:04,190 --> 01:04:02,099

um I was uh looking at uh Ken some of

1533

01:04:07,069 --> 01:04:04,200

the comments and and I found them

1534

01:04:09,650 --> 01:04:07,079

interesting about how confusing this is

1535

01:04:13,010 --> 01:04:09,660

and that's exactly the point

1536

01:04:17,569 --> 01:04:13,020

um it is confusing and when you go

1537

01:04:21,890 --> 01:04:17,579

um copies borrowed stolen replaced

1538

01:04:23,990 --> 01:04:21,900

um and the uh again I'm always about

1539

01:04:26,210 --> 01:04:24,000

provenance right and a chain of custody

1540

01:04:30,170 --> 01:04:26,220

it's a it's a difficult thing to deal

1541

01:04:33,770 --> 01:04:30,180

with here and the original one that was

1542

01:04:35,630 --> 01:04:33,780

in Vienna may be in possession of the

1543

01:04:39,049 --> 01:04:35,640

United States government and it may be

1544

01:04:40,970 --> 01:04:39,059

at at the Ford bending Museum which

1545

01:04:43,250 --> 01:04:40,980

um I've heard those rumors I've also

1546

01:04:44,569 --> 01:04:43,260

heard the patent rumors

1547

01:04:47,630 --> 01:04:44,579

um now

1548

01:04:49,250 --> 01:04:47,640

um all right so we'll we'll explain uh

1549

01:04:50,990 --> 01:04:49,260

the best that we can all of this tonight

1550

01:04:54,289 --> 01:04:51,000

everybody

1551

01:04:56,210 --> 01:04:54,299

um two questions uh I think they're

1552

01:04:59,390 --> 01:04:56,220

rather obvious

1553

01:05:02,390 --> 01:04:59,400

um the first is is it legal to have this

1554

01:05:05,270 --> 01:05:04,010

I don't know

1555

01:05:09,289 --> 01:05:05,280

yeah

1556

01:05:13,970 --> 01:05:09,299

it's a sketchy area isn't it but

1557

01:05:20,809 --> 01:05:17,690

um and uh the segment how did how did

1558

01:05:24,170 --> 01:05:20,819

you how did you uh come upon it

1559

01:05:30,710 --> 01:05:24,180

so if it's okay can I start at the

1560

01:05:35,809 --> 01:05:33,530

now what I'm going to tell you is false

1561

01:05:37,430 --> 01:05:35,819

but uh this is what shows up in the

1562

01:05:39,470 --> 01:05:37,440

majority of History textbooks they talk

1563

01:05:42,049 --> 01:05:39,480

about the Spear of Destiny the Lance

1564

01:05:44,270 --> 01:05:42,059

that pierce the sight of Jesus that has

1565

01:05:45,770 --> 01:05:44,280

an unbroken chain of custody up until

1566

01:05:47,569 --> 01:05:45,780

modern day and it's the one that's in

1567

01:05:49,910 --> 01:05:47,579

Vienna now we already know that the one

1568

01:05:52,730 --> 01:05:49,920

in Vienna isn't a real Holy Roman Empire

1569

01:05:55,490 --> 01:05:52,740

Lance it's a carolingian lance way too

1570

01:05:57,349 --> 01:05:55,500

late for first century so that can't be

1571

01:06:00,589 --> 01:05:57,359

true but here's the story you'll see in

1572

01:06:02,750 --> 01:06:00,599

textbooks supposedly a saint called

1573

01:06:06,309 --> 01:06:02,760

Saint longinus pierced the side of Jesus

1574

01:06:09,829 --> 01:06:06,319

with the Lance but I'm a linguist

1575

01:06:11,750 --> 01:06:09,839

longinus was never a name uh longinus

1576

01:06:14,390 --> 01:06:11,760

meant Spearman so we don't have a name

1577

01:06:15,950 --> 01:06:14,400

we have a random soldier who in the

1578

01:06:18,530 --> 01:06:15,960

first century pierced the side of Jesus

1579

01:06:21,410 --> 01:06:18,540

with the Lance okay then it supposedly

1580

01:06:23,630 --> 01:06:21,420

passed down to Saint Mauritius St Morris

1581

01:06:27,170 --> 01:06:23,640

who headed the thieben Legion in the

1582

01:06:30,970 --> 01:06:27,180

third century and he died in 287.

1583

01:06:34,730 --> 01:06:30,980

then it passed on to maximianus Hercules

1584

01:06:38,450 --> 01:06:34,740

maximian in English the Emperor who died

1585

01:06:40,750 --> 01:06:38,460

in the year 305. then it went on to

1586

01:06:46,849 --> 01:06:40,760

Constantine who

1587

01:06:47,690 --> 01:06:46,859

died in 337 and Constantine

1588

01:06:50,510 --> 01:06:47,700

um

1589

01:06:53,390 --> 01:06:50,520

started the first Reich so the First

1590

01:06:55,670 --> 01:06:53,400

Holy Roman Empire was Constantine and

1591

01:06:58,670 --> 01:06:55,680

that's what he you gotta remember it was

1592

01:07:00,049 --> 01:06:58,680

all German not Roman and not holy and

1593

01:07:02,049 --> 01:07:00,059

obviously you know how many people

1594

01:07:05,029 --> 01:07:02,059

Constantine ordered dead

1595

01:07:07,309 --> 01:07:05,039

so that was the first Reich then the

1596

01:07:09,950 --> 01:07:07,319

land supposedly passed to theodosius

1597

01:07:12,349 --> 01:07:09,960

then supposedly the visigoth leader

1598

01:07:15,170 --> 01:07:12,359

Alaric then and this is complete

1599

01:07:17,150 --> 01:07:15,180

falsehood supposedly passed to Attila

1600

01:07:19,549 --> 01:07:17,160

the Hun when he sacked Rome took all the

1601  
01:07:20,510 --> 01:07:19,559  
Holy Roman Empire empire treasures and a

1602  
01:07:22,430 --> 01:07:20,520  
whole bunch of other things and

1603  
01:07:25,190 --> 01:07:22,440  
supposedly as he was riding out of the

1604  
01:07:26,750 --> 01:07:25,200  
city through the Lance at some Soldier

1605  
01:07:30,049 --> 01:07:26,760  
and it ended up back in the possession

1606  
01:07:33,829 --> 01:07:30,059  
of the Roman and then you had it going

1607  
01:07:37,190 --> 01:07:33,839  
to Justinian and then Charles Martel who

1608  
01:07:39,410 --> 01:07:37,200  
died in 741 and then it went to his

1609  
01:07:42,250 --> 01:07:39,420  
grandson Charlemagne or Charles the

1610  
01:07:45,529 --> 01:07:42,260  
great who started the carolingian Empire

1611  
01:07:48,470 --> 01:07:45,539  
and the Lance that's in Vienna

1612  
01:07:50,170 --> 01:07:48,480  
this is now if you think of it

1613  
01:07:54,349 --> 01:07:50,180

about

1614

01:07:57,349 --> 01:07:54,359

750 years after Jesus died the Lance

1615

01:07:59,809 --> 01:07:57,359

that is in Vienna was created during

1616

01:08:01,789 --> 01:07:59,819

this time period during the carolingian

1617

01:08:03,109 --> 01:08:01,799

Empire which obviously lasted with you

1618

01:08:05,690 --> 01:08:03,119

know more than just charlem and it

1619

01:08:09,410 --> 01:08:05,700

continued for for centuries after that

1620

01:08:11,450 --> 01:08:09,420

but um we we know that the Lance there

1621

01:08:13,849 --> 01:08:11,460

came from this

1622

01:08:16,249 --> 01:08:13,859

Carol engine Empire started by

1623

01:08:18,169 --> 01:08:16,259

Charlemagne or Charles the great then it

1624

01:08:22,189 --> 01:08:18,179

passed to there's some Missing Years in

1625

01:08:25,430 --> 01:08:22,199

here it passed to Frederick Barbarossa

1626

01:08:27,050 --> 01:08:25,440

then Frederick II Napoleon in some tax

1627

01:08:30,709 --> 01:08:27,060

is said to have had it he never did

1628

01:08:33,650 --> 01:08:30,719

that's complete falsehood and that's at

1629

01:08:35,870 --> 01:08:33,660

that time when now dealing with uh 1700s

1630

01:08:39,349 --> 01:08:35,880

it was moved from Nuremberg back to

1631

01:08:41,749 --> 01:08:39,359

Vienna and then eventually you had

1632

01:08:44,930 --> 01:08:41,759

Himmler had it then Hitler then back to

1633

01:08:46,669 --> 01:08:44,940

Himmler and the rest is history at the

1634

01:08:48,470 --> 01:08:46,679

end of World War II when things started

1635

01:08:50,570 --> 01:08:48,480

going wrong

1636

01:08:53,150 --> 01:08:50,580

Heinrich Himmler who obviously killed

1637

01:08:56,870 --> 01:08:53,160

himself by popping a cyanide tablet

1638

01:09:00,229 --> 01:08:56,880

after he was captured by U.S soldiers he

1639

01:09:03,349 --> 01:09:00,239

had ordered his SS troop to destroy the

1640

01:09:05,990 --> 01:09:03,359

copies of the Viennese Holy Roman Empire

1641

01:09:08,090 --> 01:09:06,000

Treasures and they threw everything into

1642

01:09:11,150 --> 01:09:08,100

Lake Zell so according to other history

1643

01:09:13,550 --> 01:09:11,160

textbooks now even the Spear of Destiny

1644

01:09:15,650 --> 01:09:13,560

was tossed into Lake Zell

1645

01:09:18,709 --> 01:09:15,660

what really happened

1646

01:09:20,809 --> 01:09:18,719

one of the SS guys took that Lance

1647

01:09:22,130 --> 01:09:20,819

smuggled it out of Berlin and into

1648

01:09:24,769 --> 01:09:22,140

Munich

1649

01:09:26,809 --> 01:09:24,779

and it was sold in 1954.

1650

01:09:29,749 --> 01:09:26,819

for quite a bit of money

1651

01:09:32,329 --> 01:09:29,759

it went to France then England then

1652

01:09:35,769 --> 01:09:32,339

California then Montana

1653

01:09:42,289 --> 01:09:37,809

the um

1654

01:09:43,789 --> 01:09:42,299

uh was there anything ever found at the

1655

01:09:46,490 --> 01:09:43,799

bottom of the lake I know that they

1656

01:09:48,050 --> 01:09:46,500

dredged it and and and looked and looked

1657

01:09:50,150 --> 01:09:48,060

and looked

1658

01:09:51,470 --> 01:09:50,160

um I'm a little confused about that too

1659

01:09:54,590 --> 01:09:51,480

as well if they would have found

1660

01:09:57,010 --> 01:09:54,600

something I'm sure it would have been

1661

01:10:00,770 --> 01:09:57,020

kept on the down low

1662

01:10:03,169 --> 01:10:00,780

the replicas that are in Fort Benning is

1663

01:10:04,490 --> 01:10:03,179

that the stuff from the lake no

1664

01:10:06,890 --> 01:10:04,500  
definitely isn't because we have

1665

01:10:08,090 --> 01:10:06,900  
pictures of those copies it definitely

1666

01:10:08,689 --> 01:10:08,100  
was not

1667

01:10:12,830 --> 01:10:08,699  
um

1668

01:10:14,209 --> 01:10:12,840  
not the same right right and so what's

1669

01:10:16,189 --> 01:10:14,219  
in Fort Benning

1670

01:10:18,110 --> 01:10:16,199  
we don't know that like they're

1671

01:10:19,790 --> 01:10:18,120  
literally saying they never had any

1672

01:10:20,570 --> 01:10:19,800  
copies there

1673

01:10:22,310 --> 01:10:20,580  
um

1674

01:10:27,110 --> 01:10:22,320  
it just doesn't

1675

01:10:27,890 --> 01:10:27,120  
thing doesn't make sense

1676

01:10:29,990 --> 01:10:27,900

um

1677

01:10:31,729 --> 01:10:30,000

it would be so easy if we could just see

1678

01:10:34,010 --> 01:10:31,739

them and obviously we wouldn't even have

1679

01:10:36,169 --> 01:10:34,020

to make you know tests on it

1680

01:10:38,570 --> 01:10:36,179

um because

1681

01:10:40,850 --> 01:10:38,580

once you see it I I know already what it

1682

01:10:42,410 --> 01:10:40,860

would look like that we we blatantly

1683

01:10:45,110 --> 01:10:42,420

know that they're copies and probably

1684

01:10:47,689 --> 01:10:45,120

not even good copies I just want to know

1685

01:10:48,890 --> 01:10:47,699

who created them what they look like and

1686

01:10:51,050 --> 01:10:48,900

where they are because that would give

1687

01:10:54,770 --> 01:10:51,060

us a little bit of insight

1688

01:10:56,390 --> 01:10:54,780

um into where it came from you know it

1689

01:10:58,010 --> 01:10:56,400

could have just been created here in the

1690

01:10:59,990 --> 01:10:58,020

United States sometime after the war by

1691

01:11:02,090 --> 01:11:00,000

someone who was a fan like if you think

1692

01:11:03,950 --> 01:11:02,100

of what Himmler did where he was such a

1693

01:11:05,390 --> 01:11:03,960

fan let's say he he didn't even know the

1694

01:11:07,010 --> 01:11:05,400

onclus was going to happen he was just

1695

01:11:08,090 --> 01:11:07,020

such a fan of this that he had a copy

1696

01:11:10,189 --> 01:11:08,100

made

1697

01:11:12,050 --> 01:11:10,199

let's say Patton did the same thing that

1698

01:11:14,270 --> 01:11:12,060

he was so obsessed with the spear itself

1699

01:11:15,470 --> 01:11:14,280

that he had a copy made since he he

1700

01:11:18,350 --> 01:11:15,480

probably didn't think he would have

1701

01:11:20,090 --> 01:11:18,360

access to the original ever he could

1702

01:11:22,250 --> 01:11:20,100

have someone who was just obsessed with

1703

01:11:25,310 --> 01:11:22,260

this stuff and just have a copy made for

1704

01:11:27,950 --> 01:11:25,320

themselves and we don't know since the

1705

01:11:29,270 --> 01:11:27,960

Army isn't they're not being helpful in

1706

01:11:31,570 --> 01:11:29,280

Fort Benning

1707

01:11:33,950 --> 01:11:31,580

the museum there's claims that they had

1708

01:11:37,010 --> 01:11:33,960

they have nothing

1709

01:11:39,169 --> 01:11:37,020

no records with this and of course I'll

1710

01:11:40,729 --> 01:11:39,179

send you this later if you want the the

1711

01:11:43,189 --> 01:11:40,739

records that

1712

01:11:45,590 --> 01:11:43,199

um Ken Alford dug up

1713

01:11:47,750 --> 01:11:45,600

State just the opposite and it's from

1714

01:11:49,490 --> 01:11:47,760

the Department of War

1715

01:11:51,530 --> 01:11:49,500

the Provost Marsh I'm looking at another

1716

01:11:53,530 --> 01:11:51,540

document right here the war department

1717

01:11:56,570 --> 01:11:53,540

Office of the Provost Marshal General

1718

01:11:59,209 --> 01:11:56,580

and again investigation of alleged grand

1719

01:12:02,149 --> 01:11:59,219

larceny by Lieutenant Colonel Joseph

1720

01:12:04,250 --> 01:12:02,159

Hensel and if Hensel was still alive I'd

1721

01:12:06,470 --> 01:12:04,260

have some questions for him because the

1722

01:12:09,169 --> 01:12:06,480

truth is he didn't steal this

1723

01:12:10,490 --> 01:12:09,179

he didn't steal it from Austria and I'm

1724

01:12:12,890 --> 01:12:10,500

guessing too he didn't steal it from

1725

01:12:14,390 --> 01:12:12,900

Nazis I don't know who made this and

1726

01:12:16,010 --> 01:12:14,400

anything about it

1727

01:12:18,950 --> 01:12:16,020

the only thing I do know

1728

01:12:20,930 --> 01:12:18,960

we had an extra copy and that can't be

1729

01:12:22,490 --> 01:12:20,940

explained and I I don't think I'll ever

1730

01:12:25,729 --> 01:12:22,500

be able to explain it although I'd love

1731

01:12:27,470 --> 01:12:25,739

to now I know we briefly touched upon

1732

01:12:28,610 --> 01:12:27,480

this earlier

1733

01:12:31,910 --> 01:12:28,620

um but

1734

01:12:32,930 --> 01:12:31,920

um it's just for more clarification for

1735

01:12:36,970 --> 01:12:32,940

myself

1736

01:12:39,470 --> 01:12:36,980

Himmler has this this copy made

1737

01:12:40,910 --> 01:12:39,480

and deliberately

1738

01:12:42,350 --> 01:12:40,920

had it

1739

01:12:45,770 --> 01:12:42,360

knew

1740

01:12:48,890 --> 01:12:45,780

right now here's the interesting thing

1741

01:12:51,770 --> 01:12:48,900

um obviously everyone in Europe knows

1742

01:12:53,570 --> 01:12:51,780

what knew before World War II they all

1743

01:12:55,850 --> 01:12:53,580

knew what the spear looked like

1744

01:12:57,709 --> 01:12:55,860

because there were photographs of it and

1745

01:13:01,010 --> 01:12:57,719

it was on display at all of the major

1746

01:13:03,470 --> 01:13:01,020

ceremonies any religious ceremony or any

1747

01:13:05,870 --> 01:13:03,480

ceremony whatsoever at the shots comma

1748

01:13:07,550 --> 01:13:05,880

at the hoffenberg Museum in Vienna they

1749

01:13:09,830 --> 01:13:07,560

would have that on display with the rest

1750

01:13:14,689 --> 01:13:09,840

of the Holy Roman Empire Treasures so

1751

01:13:16,669 --> 01:13:14,699

everyone in Europe from late 1800s up

1752

01:13:18,410 --> 01:13:16,679

until you know World War II and after

1753

01:13:21,290 --> 01:13:18,420

everyone knew what the thing looked like

1754

01:13:23,209 --> 01:13:21,300

so it wouldn't take too much time for

1755

01:13:26,270 --> 01:13:23,219

him to just all right I want that thing

1756

01:13:28,669 --> 01:13:26,280

duplicated and even in the 1800s that

1757

01:13:30,470 --> 01:13:28,679

thing was on display in Vienna you could

1758

01:13:33,050 --> 01:13:30,480

go into the museum and take a look at it

1759

01:13:35,030 --> 01:13:33,060

and there are images of you know

1760

01:13:37,430 --> 01:13:35,040

soldiers during World War II U.S

1761

01:13:40,310 --> 01:13:37,440

soldiers and Nazis shoulders soldiers

1762

01:13:42,950 --> 01:13:40,320

handling the thing but before that

1763

01:13:45,290 --> 01:13:42,960

people were in the museum looking at it

1764

01:13:47,390 --> 01:13:45,300

um Trevin Trevor ravencroft although

1765

01:13:49,910 --> 01:13:47,400

it's not true talked about how when

1766

01:13:52,430 --> 01:13:49,920

Hitler was a little boy he would go to

1767

01:13:54,350 --> 01:13:52,440

the museum and stare at it and he was

1768

01:13:57,470 --> 01:13:54,360

obsessed with it as well and he did

1769

01:13:59,390 --> 01:13:57,480

mention it in Mein Kampf but

1770

01:14:02,270 --> 01:13:59,400

he didn't go into real detail with it

1771

01:14:04,430 --> 01:14:02,280

and Trevor Ravenscroft he wrote a book

1772

01:14:07,250 --> 01:14:04,440

called the Spear of Destiny a lot of the

1773

01:14:09,830 --> 01:14:07,260

so-called facts he gathered from mediums

1774

01:14:11,930 --> 01:14:09,840

so contacting dead people so you if you

1775

01:14:13,430 --> 01:14:11,940

read that you gotta you gotta really

1776

01:14:14,870 --> 01:14:13,440

second guess everything that's in that

1777

01:14:17,689 --> 01:14:14,880

entire text

1778

01:14:21,290 --> 01:14:17,699

yeah and here's the other weird

1779

01:14:23,030 --> 01:14:21,300

thing I mean if I'm Himmler I'm just

1780

01:14:26,030 --> 01:14:23,040

going out on it

1781

01:14:29,270 --> 01:14:26,040

um I'm gonna show you a guitar in just a

1782

01:14:32,149 --> 01:14:29,280

second but to to show you my point but

1783

01:14:35,050 --> 01:14:32,159

if I'm Emler dude I'm gonna I'm gonna if

1784

01:14:38,689 --> 01:14:35,060

I'm gonna make a knockoff right

1785

01:14:41,570 --> 01:14:38,699

I'm gonna make a knock off why would you

1786

01:14:42,910 --> 01:14:41,580

have it look new and let me let me show

1787

01:14:48,110 --> 01:14:42,920

you something

1788

01:14:53,570 --> 01:14:49,850

a knockoff

1789

01:14:55,790 --> 01:14:53,580

of Eddie Van Halen's guitar

1790

01:15:00,130 --> 01:14:55,800

all right pretty freaking cool isn't it

1791

01:15:03,649 --> 01:15:00,140

it is all the way down to the worn wood

1792

01:15:07,070 --> 01:15:03,659

right now I could have

1793

01:15:09,590 --> 01:15:07,080

the brand new version of this guitar

1794

01:15:11,209 --> 01:15:09,600

that's not as cool you want it to look

1795

01:15:13,490 --> 01:15:11,219

like

1796

01:15:19,010 --> 01:15:13,500

right do you understand what I'm saying

1797

01:15:22,790 --> 01:15:19,020

why would Himmler have I I it it there's

1798

01:15:27,130 --> 01:15:22,800

there's a reason behind it and maybe I I

1799

01:15:31,070 --> 01:15:27,140

guess you don't want people to know so

1800

01:15:33,830 --> 01:15:31,080

yeah you have it obviously looking not

1801

01:15:36,110 --> 01:15:33,840

like the real thing to throw people off

1802

01:15:39,530 --> 01:15:36,120

the scent let's say I had Eddie's real

1803

01:15:43,010 --> 01:15:39,540

guitar right and I had a real one and it

1804

01:15:47,689 --> 01:15:43,020

was a brand new version of it

1805

01:15:49,430 --> 01:15:47,699

um uh that that wouldn't feel right I I

1806

01:15:51,350 --> 01:15:49,440

couldn't convince anybody that that's

1807

01:15:53,750 --> 01:15:51,360

really Eddie's guitar

1808

01:15:57,290 --> 01:15:53,760

right because it's brand new he never

1809

01:15:59,510 --> 01:15:57,300

played that but if you have an aged

1810

01:16:01,610 --> 01:15:59,520

version of it like something like this

1811

01:16:04,970 --> 01:16:01,620

and I have a few it's called oddly

1812

01:16:07,490 --> 01:16:04,980

enough it's called A Relic but why

1813

01:16:09,890 --> 01:16:07,500

didn't uh you know why didn't Himmler

1814

01:16:12,110 --> 01:16:09,900

just take it the next step and drop it

1815

01:16:14,930 --> 01:16:12,120

down some stairs or drag it behind a car

1816

01:16:18,110 --> 01:16:14,940

for a few blocks you know and and kind

1817

01:16:19,430 --> 01:16:18,120

of rough it up a little bit because

1818

01:16:24,830 --> 01:16:19,440

so

1819

01:16:27,169 --> 01:16:24,840

were already making copies of these

1820

01:16:30,110 --> 01:16:27,179

important Holy Roman Empire Treasures

1821

01:16:31,550 --> 01:16:30,120

if you age not like no joke I'd be able

1822

01:16:34,250 --> 01:16:31,560

to tell the difference only because I

1823

01:16:36,770 --> 01:16:34,260

spent so many years now researching this

1824

01:16:38,209 --> 01:16:36,780

phenomenon but if I didn't know what I

1825

01:16:40,490 --> 01:16:38,219

was looking at and you showed me the

1826

01:16:41,870 --> 01:16:40,500

akan copy and the Viennese copy and did

1827

01:16:44,149 --> 01:16:41,880

you know like the old card trick where

1828

01:16:45,590 --> 01:16:44,159

you're moving one and I bet you most

1829

01:16:48,410 --> 01:16:45,600

people would look at that and not know

1830

01:16:50,450 --> 01:16:48,420

which one was the Viennese copy the one

1831

01:16:51,890 --> 01:16:50,460

that supposedly really contained the

1832

01:16:54,530 --> 01:16:51,900

bits of metal that pierced the side of

1833

01:16:57,290 --> 01:16:54,540

Jesus but if if you're looking so the

1834

01:17:00,470 --> 01:16:57,300

making of the copies is a real thing and

1835

01:17:03,050 --> 01:17:00,480

if you think of um the old Christian by

1836

01:17:05,870 --> 01:17:03,060

old I mean the old practice that some

1837

01:17:07,370 --> 01:17:05,880

Christian monks Buddhist monks and Hindu

1838

01:17:09,770 --> 01:17:07,380

practitioners use where they would

1839

01:17:13,370 --> 01:17:09,780

transcribe the holy text

1840

01:17:16,250 --> 01:17:13,380

as a like a tribute to the holy

1841

01:17:18,229 --> 01:17:16,260

individuals who wrote the text so the

1842

01:17:20,149 --> 01:17:18,239

whole idea of copying had another

1843

01:17:23,390 --> 01:17:20,159

religious significance

1844

01:17:25,189 --> 01:17:23,400

if Heinrich Himmler we know who made his

1845

01:17:26,510 --> 01:17:25,199

Lance and I forgot the guy's name he was

1846

01:17:29,330 --> 01:17:26,520

a Jewish guy

1847

01:17:31,970 --> 01:17:29,340

um uh and this was five years before the

1848

01:17:34,729 --> 01:17:31,980

end class so it wasn't you know someone

1849

01:17:38,510 --> 01:17:34,739

being forced to do it before that

1850

01:17:40,430 --> 01:17:38,520

um but if he really wanted it to pass as

1851

01:17:43,669 --> 01:17:40,440

the one in Vienna he would have had it

1852

01:17:45,110 --> 01:17:43,679

aged but people looking at that now who

1853

01:17:46,729 --> 01:17:45,120

don't know enough about history to know

1854

01:17:48,470 --> 01:17:46,739

that's not a first century Roman Lance

1855

01:17:49,790 --> 01:17:48,480

they don't know there's bits of metal

1856

01:17:51,830 --> 01:17:49,800

inside that

1857

01:17:53,450 --> 01:17:51,840

no one would look if you gave me the all

1858

01:17:56,330 --> 01:17:53,460

three of those and I didn't know what I

1859

01:17:58,310 --> 01:17:56,340

know now right I seriously I wouldn't

1860

01:17:59,570 --> 01:17:58,320

even pick the Viennese the the one that

1861

01:18:01,910 --> 01:17:59,580

looks the oldest to me is the one in

1862

01:18:04,209 --> 01:18:01,920

akkin yeah it does it does it's got a

1863

01:18:07,729 --> 01:18:04,219

different vibe to it especially

1864

01:18:09,709 --> 01:18:07,739

and what we're talking you know just to

1865

01:18:12,709 --> 01:18:09,719

show everybody real briefly what we're

1866

01:18:13,689 --> 01:18:12,719

talking about here

1867

01:18:19,490 --> 01:18:13,699

um

1868

01:18:22,729 --> 01:18:19,500

this is the copy on the uh Vienna's in

1869

01:18:25,550 --> 01:18:22,739

the middle and Heinrich himmler's is is

1870

01:18:29,590 --> 01:18:25,560

on the right here and so looking at this

1871

01:18:34,010 --> 01:18:29,600

I would say that the knockoff this one

1872

01:18:38,330 --> 01:18:34,020

is yeah it just looks more authentic to

1873

01:18:40,430 --> 01:18:38,340

me yeah now uh let's talk about the bits

1874

01:18:42,709 --> 01:18:40,440

of metal you know uh what's on the

1875

01:18:45,910 --> 01:18:42,719

inside how big are these bits of metal

1876

01:18:51,709 --> 01:18:48,709

are they slivers

1877

01:18:54,590 --> 01:18:51,719

uh they're more like like if you took

1878

01:18:56,990 --> 01:18:54,600

the the Roman Lance the image you

1879

01:18:58,550 --> 01:18:57,000

brought up first and if I just took like

1880

01:18:59,689 --> 01:18:58,560

a little Hammer to the edge then you

1881

01:19:02,450 --> 01:18:59,699

wouldn't even have to do this too hard

1882

01:19:05,510 --> 01:19:02,460

because it's it's fragile but you just

1883

01:19:07,490 --> 01:19:05,520

tap it you'll get little bits popping

1884

01:19:09,350 --> 01:19:07,500

off like little Pebbles that kind of

1885

01:19:12,649 --> 01:19:09,360

thing but obviously they're flat because

1886

01:19:17,149 --> 01:19:12,659

it's you know a steel

1887

01:19:20,630 --> 01:19:17,159

does that make sense yes okay so

1888

01:19:24,530 --> 01:19:20,640

uh let's uh let's pull this up here

1889

01:19:27,169 --> 01:19:24,540

um so we can look at the component

1890

01:19:30,530 --> 01:19:27,179

um this is a very old drawing

1891

01:19:32,930 --> 01:19:30,540

um when when uh what's the time period

1892

01:19:34,550 --> 01:19:32,940

uh from this analysis

1893

01:19:36,649 --> 01:19:34,560

oh I don't remember

1894

01:19:39,290 --> 01:19:36,659

and I don't even remember what book this

1895

01:19:41,270 --> 01:19:39,300

came from but what this is is showing

1896

01:19:43,550 --> 01:19:41,280

how the Lance is actually put together

1897

01:19:44,930 --> 01:19:43,560

so if you take a look at the the one on

1898

01:19:47,090 --> 01:19:44,940

the left

1899

01:19:49,490 --> 01:19:47,100

the whole Lance that's what a Carol

1900

01:19:52,310 --> 01:19:49,500

engine Lance would actually look like so

1901

01:19:54,610 --> 01:19:52,320

the one in Vienna the one in Hawken and

1902

01:19:58,850 --> 01:19:54,620

Heinrich himmler's copy they're all

1903

01:20:01,250 --> 01:19:58,860

modeled after Carolina lances but when

1904

01:20:04,669 --> 01:20:01,260

they were inserting the nail which you

1905

01:20:06,470 --> 01:20:04,679

see it says like one C on the bottom yep

1906

01:20:08,030 --> 01:20:06,480

we're inserting that they accidentally

1907

01:20:12,850 --> 01:20:08,040

snapped it in half

1908

01:20:15,649 --> 01:20:12,860

and that's where the so the the iron

1909

01:20:17,570 --> 01:20:15,659

wrappings on the top if you look at the

1910

01:20:20,030 --> 01:20:17,580

third thing in from the left the iron

1911

01:20:22,610 --> 01:20:20,040

wrappings are to hold the nail itself in

1912

01:20:25,669 --> 01:20:22,620

place but the sleeves the three sleeves

1913

01:20:27,229 --> 01:20:25,679

that um are the center of it are to hold

1914

01:20:30,169 --> 01:20:27,239

the Lance together because it's actually

1915

01:20:34,189 --> 01:20:31,790

and they are on the show on the left

1916

01:20:37,010 --> 01:20:34,199

hand side two of them but the first one

1917

01:20:38,689 --> 01:20:37,020

is iron the middle one is silver and the

1918

01:20:40,850 --> 01:20:38,699

outer one is gold

1919

01:20:43,310 --> 01:20:40,860

and here they only show the silver and

1920

01:20:45,530 --> 01:20:43,320

gold they don't have the iron layer and

1921

01:20:46,729 --> 01:20:45,540

it could be because they left one on the

1922

01:20:49,250 --> 01:20:46,739

Lance

1923

01:20:50,570 --> 01:20:49,260

where you see that I or one or whatever

1924

01:20:52,010 --> 01:20:50,580

it is I think it's supposed to be a one

1925

01:20:53,090 --> 01:20:52,020

but it looks like an i the way they have

1926

01:20:55,130 --> 01:20:53,100

it there

1927

01:20:57,410 --> 01:20:55,140

um maybe it's because that's supposed to

1928

01:20:58,850 --> 01:20:57,420

just be the um the iron one but I don't

1929

01:21:00,530 --> 01:20:58,860

think so because it looks like you have

1930

01:21:02,030 --> 01:21:00,540

an inscription on the outside so maybe

1931

01:21:03,890 --> 01:21:02,040

there for whatever reason they're only

1932

01:21:05,750 --> 01:21:03,900

showing two of them there is an iron

1933

01:21:08,630 --> 01:21:05,760

sleeve underneath the though in Vienna

1934

01:21:12,110 --> 01:21:08,640

man this is so fascinating okay

1935

01:21:15,110 --> 01:21:12,120

uh here it is without sleeves now this

1936

01:21:19,610 --> 01:21:15,120

is Vienna

1937

01:21:21,410 --> 01:21:19,620

uh yes that should be the Viennese one

1938

01:21:25,370 --> 01:21:21,420

yes that is

1939

01:21:26,330 --> 01:21:25,380

and it's broken the nail is broken right

1940

01:21:29,149 --> 01:21:26,340

here

1941

01:21:32,510 --> 01:21:29,159

uh not the nail the Lance itself was

1942

01:21:34,790 --> 01:21:32,520

snapped in half okay

1943

01:21:36,590 --> 01:21:34,800

so this thing that looks like a nail it

1944

01:21:39,709 --> 01:21:36,600

doesn't extend throughout the entire

1945

01:21:41,090 --> 01:21:39,719

thing in this what you see on the bottom

1946

01:21:42,649 --> 01:21:41,100

of it if you go back to that original

1947

01:21:45,470 --> 01:21:42,659

later you don't have to do it now but if

1948

01:21:48,229 --> 01:21:45,480

you go back to it later you'll see that

1949

01:21:51,470 --> 01:21:48,239

they extended it

1950

01:21:54,050 --> 01:21:51,480

so if you if you can zoom in on that the

1951

01:21:59,209 --> 01:21:57,290

you see how there's nothing as far as a

1952

01:22:02,030 --> 01:21:59,219

nail goes that extends to the bottom

1953

01:22:03,890 --> 01:22:02,040

right what they did they just extended

1954

01:22:05,090 --> 01:22:03,900

this thing that's holding it in place oh

1955

01:22:07,209 --> 01:22:05,100

you can't see where I'm pointing where

1956

01:22:10,970 --> 01:22:07,219

am I I'm stupid here

1957

01:22:12,290 --> 01:22:10,980

I do that all the time no they they just

1958

01:22:15,290 --> 01:22:12,300

extended this thing up a little bit

1959

01:22:17,270 --> 01:22:15,300

against the um

1960

01:22:19,070 --> 01:22:17,280

um the the golden whatever you want to

1961

01:22:21,110 --> 01:22:19,080

call it the golden sheath

1962

01:22:22,729 --> 01:22:21,120

um just for aesthetic purposes I believe

1963

01:22:24,530 --> 01:22:22,739

but the nail itself is doesn't go

1964

01:22:26,689 --> 01:22:24,540

through the entire lens the nail itself

1965

01:22:28,250 --> 01:22:26,699

is like a normal nail size it just

1966

01:22:31,490 --> 01:22:28,260

that's not what they look like that's

1967

01:22:33,649 --> 01:22:31,500

it's symbolic of the actual nails

1968

01:22:35,450 --> 01:22:33,659

and speaking of stupid they just

1969

01:22:39,229 --> 01:22:35,460

reopened something I was told the other

1970

01:22:41,270 --> 01:22:39,239

day I'm in uh I'm in Hilo Hawaii or just

1971

01:22:43,790 --> 01:22:41,280

outside of Hilo anyways

1972

01:22:46,189 --> 01:22:43,800

um and I was told

1973

01:22:48,050 --> 01:22:46,199

there's this like pillar in the water I

1974

01:22:49,430 --> 01:22:48,060

told there's a local legend that if you

1975

01:22:51,950 --> 01:22:49,440

swim around it three times something

1976

01:22:53,510 --> 01:22:51,960

will happen it's like well what will

1977

01:22:55,790 --> 01:22:53,520

happen is it good or bad and they said

1978

01:22:58,610 --> 01:22:55,800

we don't know no one's ever tried it

1979

01:23:00,410 --> 01:22:58,620

before so I did it and it was low tide

1980

01:23:02,689 --> 01:23:00,420

and I'm fighting the waves going around

1981

01:23:04,490 --> 01:23:02,699

it three times and ripped myself apart

1982

01:23:06,229 --> 01:23:04,500

on Barnacles and I got Cuts all over

1983

01:23:07,450 --> 01:23:06,239

myself and I just reopened one of my

1984

01:23:10,030 --> 01:23:07,460

hands

1985

01:23:13,729 --> 01:23:10,040

that's stupidity for you

1986

01:23:16,130 --> 01:23:13,739

listen to the local Legends man what are

1987

01:23:19,250 --> 01:23:16,140

you doing

1988

01:23:20,590 --> 01:23:19,260

yay yay so let's go to this next image

1989

01:23:23,510 --> 01:23:20,600

here

1990

01:23:25,850 --> 01:23:23,520

and I'm starting to become kind of the

1991

01:23:28,669 --> 01:23:25,860

expert here

1992

01:23:30,770 --> 01:23:28,679

um oh hold on hold on for a second it's

1993

01:23:40,209 --> 01:23:30,780

got to uh

1994

01:23:40,219 --> 01:23:44,750

and this is the knockoff

1995

01:23:48,169 --> 01:23:46,550

and the way you can tell

1996

01:23:50,209 --> 01:23:48,179

if you just look at the top of it

1997

01:23:51,530 --> 01:23:50,219

there's a space between the nail and the

1998

01:23:53,090 --> 01:23:51,540

rest of it

1999

01:23:56,570 --> 01:23:53,100

the one in Vienna doesn't have a space

2000

01:23:59,209 --> 01:23:56,580

that right here uh uh if you go down

2001

01:24:04,790 --> 01:24:01,490

see those two windows they actually call

2002

01:24:07,729 --> 01:24:04,800

them when oh keep going up further up

2003

01:24:10,250 --> 01:24:07,739

right there you see a space uh-huh on

2004

01:24:12,590 --> 01:24:10,260

both sides of the nail

2005

01:24:14,510 --> 01:24:12,600

you see what I'm talking about I do

2006

01:24:15,890 --> 01:24:14,520

so that space

2007

01:24:25,010 --> 01:24:15,900

on both sides of the nail you don't see

2008

01:24:30,530 --> 01:24:27,590

that's the Himmler copy

2009

01:24:34,490 --> 01:24:30,540

and and I'm assuming you took this

2010

01:24:38,330 --> 01:24:36,350

that stand used to belong to Heinrich

2011

01:24:44,870 --> 01:24:38,340

Himmler as well he kept it on his desk

2012

01:24:49,550 --> 01:24:47,810

no spaces right but that's himmler's

2013

01:24:54,590 --> 01:24:49,560

copy right one Indiana there's no

2014

01:24:59,630 --> 01:24:57,350

have you taken this apart

2015

01:25:01,189 --> 01:24:59,640

we have yep

2016

01:25:02,750 --> 01:25:01,199

and

2017

01:25:03,830 --> 01:25:02,760

there are bits of metal but that doesn't

2018

01:25:06,770 --> 01:25:03,840

mean anything

2019

01:25:09,229 --> 01:25:06,780

like I said I could if I wanted to

2020

01:25:10,910 --> 01:25:09,239

I could take one of these copies or I

2021

01:25:12,050 --> 01:25:10,920

could have another copy made myself by

2022

01:25:14,810 --> 01:25:12,060

someone who knows what they're doing

2023

01:25:16,430 --> 01:25:14,820

take bits of metal from an actual Roman

2024

01:25:18,110 --> 01:25:16,440

Lance from the first century and put

2025

01:25:20,450 --> 01:25:18,120

them in there I don't think it ever

2026

01:25:21,590 --> 01:25:20,460

pierce the side of the bits of metal I

2027

01:25:23,390 --> 01:25:21,600

don't think it's from a lance that

2028

01:25:27,470 --> 01:25:23,400

actually appears the side of Jesus but

2029

01:25:29,770 --> 01:25:27,480

Himmler did and Hitler did right right

2030

01:25:32,689 --> 01:25:29,780

like obviously

2031

01:25:34,850 --> 01:25:32,699

the Lance itself didn't exist before the

2032

01:25:37,370 --> 01:25:34,860

Canon Vienna didn't exist before the

2033

01:25:40,430 --> 01:25:37,380

Carol engine Empire so it didn't exist

2034

01:25:43,430 --> 01:25:40,440

before the year 742 and it didn't exist

2035

01:25:44,990 --> 01:25:43,440

before Charles the great Charlemagne

2036

01:25:47,750 --> 01:25:45,000

um what

2037

01:25:50,030 --> 01:25:47,760

what I keep wondering is at what point

2038

01:25:51,590 --> 01:25:50,040

did the original Lance that they thought

2039

01:25:53,390 --> 01:25:51,600

pierced the sight of Jesus the one that

2040

01:25:55,189 --> 01:25:53,400

would have looked like the the Roman

2041

01:25:57,410 --> 01:25:55,199

Lance the first century Roman Lance I

2042

01:25:59,990 --> 01:25:57,420

showed you earlier at what point did

2043

01:26:01,910 --> 01:26:00,000

that either go missing or at what point

2044

01:26:03,590 --> 01:26:01,920

did that thing just start deteriorating

2045

01:26:06,830 --> 01:26:03,600

so much that they took bits of metal

2046

01:26:11,149 --> 01:26:06,840

from it and created a Carol engine Lance

2047

01:26:13,490 --> 01:26:11,159

obviously in the 8th Century how's it

2048

01:26:15,890 --> 01:26:13,500

and we'll never have that information we

2049

01:26:19,370 --> 01:26:15,900

have old texts with really old text with

2050

01:26:22,250 --> 01:26:19,380

pictures of uh of Kings holding it but

2051

01:26:24,590 --> 01:26:22,260

when I say old text we're talking you

2052

01:26:29,450 --> 01:26:24,600

know something that's maybe

2053

01:26:31,850 --> 01:26:29,460

uh 1200s so that's a thousand two

2054

01:26:33,530 --> 01:26:31,860

hundred years later we can't call that a

2055

01:26:36,229 --> 01:26:33,540

historical Christian tax and that's why

2056

01:26:38,390 --> 01:26:36,239

it actually it shouldn't anger me but

2057

01:26:40,189 --> 01:26:38,400

sometimes when I'm talking to people

2058

01:26:42,110 --> 01:26:40,199

about different religions and it happens

2059

01:26:44,510 --> 01:26:42,120

all the time for whatever reason in

2060

01:26:46,669 --> 01:26:44,520

Christianity and in Buddhism and I'm

2061

01:26:49,070 --> 01:26:46,679

personally Buddhist but I grew up half

2062

01:26:49,970 --> 01:26:49,080

Christian so I I'm well versed in both

2063

01:26:51,950 --> 01:26:49,980

faiths

2064

01:26:55,310 --> 01:26:51,960

I always find it weird when people say

2065

01:26:57,709 --> 01:26:55,320

no I read this in a real historical text

2066

01:26:59,390 --> 01:26:57,719

and I look at it and in some cases the

2067

01:27:02,330 --> 01:26:59,400

historical taxes let's say from the year

2068

01:27:04,370 --> 01:27:02,340

700 or from the First Council the the

2069

01:27:08,689 --> 01:27:04,380

church's first Council which I believe

2070

01:27:11,570 --> 01:27:08,699

was 836 or 863 something like that

2071

01:27:14,209 --> 01:27:11,580

um but I'm like all right if you think

2072

01:27:17,330 --> 01:27:14,219

this is real historical evidence

2073

01:27:18,950 --> 01:27:17,340

of what Jesus did when he was alive then

2074

01:27:20,750 --> 01:27:18,960

you would have no problem with me

2075

01:27:22,729 --> 01:27:20,760

talking about something that happened

2076

01:27:25,910 --> 01:27:22,739

800 years ago

2077

01:27:28,070 --> 01:27:25,920

basically if you think of it 750 years

2078

01:27:31,610 --> 01:27:28,080

before I was alive and you'd say that

2079

01:27:34,310 --> 01:27:31,620

was a reliable historical source I don't

2080

01:27:39,110 --> 01:27:34,320

think so no you're much closer to the

2081

01:27:42,229 --> 01:27:39,120

reliable source in a in a safer way that

2082

01:27:44,810 --> 01:27:42,239

they were right yeah there's there's no

2083

01:27:47,870 --> 01:27:44,820

documentation there's it's all it's all

2084

01:27:51,169 --> 01:27:47,880

oral tradition at that point it's not

2085

01:27:54,590 --> 01:27:51,179

like there are Greek or you know

2086

01:27:56,649 --> 01:27:54,600

documents or some kind of uh you know

2087

01:27:59,450 --> 01:27:56,659

bill of sale

2088

01:28:00,649 --> 01:27:59,460

there isn't anything to do that with

2089

01:28:04,669 --> 01:28:00,659

um can I ask you

2090

01:28:08,030 --> 01:28:04,679

um how are these how are these bits uh

2091

01:28:09,950 --> 01:28:08,040

displayed or held in place they're not

2092

01:28:12,050 --> 01:28:09,960

so when you pull that nail out they move

2093

01:28:14,689 --> 01:28:12,060

around

2094

01:28:16,729 --> 01:28:14,699

they were literally dropped in there and

2095

01:28:19,070 --> 01:28:16,739

then the nail was put in place to to

2096

01:28:22,910 --> 01:28:19,080

like sandwich it in the center

2097

01:28:24,709 --> 01:28:22,920

really yeah so it could be anything

2098

01:28:27,290 --> 01:28:24,719

right that's right like I'm literally

2099

01:28:29,330 --> 01:28:27,300

when I say I I could I wouldn't do it

2100

01:28:31,910 --> 01:28:29,340

with my own because I like that that

2101

01:28:34,729 --> 01:28:31,920

first century Roman Lance but I could

2102

01:28:37,729 --> 01:28:34,739

probably go out and buy one that's in uh

2103

01:28:40,490 --> 01:28:37,739

poor shape but did get dated to the

2104

01:28:42,950 --> 01:28:40,500

first century and I could buy one for

2105

01:28:45,470 --> 01:28:42,960

maybe 300 bucks like anyone can go out

2106

01:28:46,610 --> 01:28:45,480

and buy one that's in the one I have is

2107

01:28:49,850 --> 01:28:46,620

in great shape that's why I wouldn't

2108

01:28:52,610 --> 01:28:49,860

damage that but let's say if I were

2109

01:28:54,530 --> 01:28:52,620

if I were a common artist and I actually

2110

01:28:56,629 --> 01:28:54,540

wanted to do this

2111

01:28:58,729 --> 01:28:56,639

I could hire someone pay someone a few

2112

01:29:01,189 --> 01:28:58,739

thousand dollars to create a duplicate

2113

01:29:03,770 --> 01:29:01,199

make it look like the one in Vienna and

2114

01:29:06,229 --> 01:29:03,780

then buy a first century Roman Lance for

2115

01:29:07,790 --> 01:29:06,239

300 bucks break off bits of metal put it

2116

01:29:08,870 --> 01:29:07,800

in there and then pass this off as

2117

01:29:11,570 --> 01:29:08,880

something real

2118

01:29:13,550 --> 01:29:11,580

but Heinrich Himmler didn't do that he

2119

01:29:15,530 --> 01:29:13,560

didn't care about making people think

2120

01:29:18,530 --> 01:29:15,540

it's real which blows apart that theory

2121

01:29:21,470 --> 01:29:18,540

that he replaced the one in Vienna with

2122

01:29:23,110 --> 01:29:21,480

his own and he has the real one

2123

01:29:26,209 --> 01:29:23,120

um so that theory is out of the picture

2124

01:29:28,430 --> 01:29:26,219

and there's no evidence whatsoever that

2125

01:29:30,649 --> 01:29:28,440

Patton actually had one we do know that

2126  
01:29:31,490 --> 01:29:30,659  
he loved it and he was in incense with

2127  
01:29:33,410 --> 01:29:31,500  
it

2128  
01:29:35,030 --> 01:29:33,420  
um or that's probably the wrong word

2129  
01:29:36,770 --> 01:29:35,040  
um he was obsessed with it that's

2130  
01:29:39,129 --> 01:29:36,780  
probably a better word

2131  
01:29:43,070 --> 01:29:39,139  
um and we now have you know information

2132  
01:29:45,229 --> 01:29:43,080  
real information that there was a set of

2133  
01:29:47,510 --> 01:29:45,239  
copies in Georgia in the United States

2134  
01:29:49,910 --> 01:29:47,520  
but from the descriptions

2135  
01:29:52,310 --> 01:29:49,920  
and it looked like it was a real legal

2136  
01:29:54,649 --> 01:29:52,320  
investigation that the Army carried out

2137  
01:29:57,050 --> 01:29:54,659  
we know those weren't real either so

2138  
01:29:58,729 --> 01:29:57,060

that it rips apart the U.S being

2139

01:30:01,550 --> 01:29:58,739

involved with some sort of a cover-up

2140

01:30:03,410 --> 01:30:01,560

Theory as well uh all we know is the

2141

01:30:05,810 --> 01:30:03,420

oldest one in existence

2142

01:30:07,970 --> 01:30:05,820

is in this is it's it's so much simpler

2143

01:30:11,030 --> 01:30:07,980

like the way we get here is really

2144

01:30:13,669 --> 01:30:11,040

complex and it gets convoluted but it's

2145

01:30:15,530 --> 01:30:13,679

really simple the one in Vienna is the

2146

01:30:17,390 --> 01:30:15,540

oldest Lance we know of

2147

01:30:19,610 --> 01:30:17,400

but it's not a you know a first century

2148

01:30:23,570 --> 01:30:19,620

Roman Lance it's Carol engine lands

2149

01:30:26,149 --> 01:30:23,580

the next oldest one is the copy in akan

2150

01:30:26,990 --> 01:30:26,159

and then the only other copy that we

2151  
01:30:29,149 --> 01:30:27,000  
have

2152  
01:30:30,890 --> 01:30:29,159  
on display anywhere

2153  
01:30:32,990 --> 01:30:30,900  
is the one that's now in the United

2154  
01:30:35,629 --> 01:30:33,000  
States that used to belong to Heinrich

2155  
01:30:38,450 --> 01:30:35,639  
Himmler and before him Adolf Hitler

2156  
01:30:39,290 --> 01:30:38,460  
the Roman Catholic church has half of a

2157  
01:30:41,750 --> 01:30:39,300  
lance

2158  
01:30:43,430 --> 01:30:41,760  
and that one is in Saint Peter's

2159  
01:30:46,729 --> 01:30:43,440  
Cathedral and it's actually in one of

2160  
01:30:50,270 --> 01:30:46,739  
the um support beams one of the columns

2161  
01:30:52,129 --> 01:30:50,280  
as you walk in and the other part of

2162  
01:30:53,570 --> 01:30:52,139  
that is in France but if you take a look

2163  
01:30:57,709 --> 01:30:53,580

at that Lance and you can find pictures

2164

01:30:58,729 --> 01:30:57,719

of this half of it anyways in um if you

2165

01:31:00,470 --> 01:30:58,739

just take a look at those pictures

2166

01:31:02,270 --> 01:31:00,480

online

2167

01:31:04,910 --> 01:31:02,280

we're not dealing with the Carol engine

2168

01:31:06,770 --> 01:31:04,920

Lance so and we know where it came from

2169

01:31:08,030 --> 01:31:06,780

too and we know why half of it is in

2170

01:31:10,070 --> 01:31:08,040

France it had to deal with the church

2171

01:31:11,810 --> 01:31:10,080

maintaining its power and sharing its

2172

01:31:12,890 --> 01:31:11,820

power with the leaders of France at the

2173

01:31:15,470 --> 01:31:12,900

time

2174

01:31:17,570 --> 01:31:15,480

um that's a no-brainer it has nothing to

2175

01:31:19,790 --> 01:31:17,580

do with the real uh Lance that appears

2176  
01:31:21,590 --> 01:31:19,800  
the side of Jesus and then we have

2177  
01:31:22,490 --> 01:31:21,600  
another copy

2178  
01:31:24,350 --> 01:31:22,500  
um

2179  
01:31:26,930 --> 01:31:24,360  
where is it

2180  
01:31:28,970 --> 01:31:26,940  
I think it's in Armenia but it's not

2181  
01:31:30,800 --> 01:31:28,980  
even a lance so if you type in our

2182  
01:31:32,590 --> 01:31:30,810  
Armenian

2183  
01:31:35,450 --> 01:31:32,600  
[Music]

2184  
01:31:39,350 --> 01:31:35,460  
Armenian holy lands or Spear of Destiny

2185  
01:31:40,850 --> 01:31:39,360  
Armenia what you'll see is a flag finial

2186  
01:31:42,850 --> 01:31:40,860  
it's the thing that goes on top of a

2187  
01:31:45,470 --> 01:31:42,860  
flagpost it's

2188  
01:31:48,770 --> 01:31:45,480

not a spirit it's not a lance it's a

2189

01:31:50,990 --> 01:31:48,780

flag final yeah yeah I've seen that um

2190

01:31:53,090 --> 01:31:51,000

I'll tell you something cool unrelated

2191

01:31:58,550 --> 01:31:53,100

though

2192

01:32:02,750 --> 01:31:58,560

um in the Armenian cathedral in Venice

2193

01:32:06,229 --> 01:32:02,760

Italy all right it's the oldest uh

2194

01:32:09,290 --> 01:32:06,239

Christian cathedral in Italy

2195

01:32:12,410 --> 01:32:09,300

um uh The Armenian Church is extremely

2196

01:32:16,490 --> 01:32:12,420

old right okay so there

2197

01:32:18,310 --> 01:32:16,500

they have on display a gift from Armenia

2198

01:32:21,169 --> 01:32:18,320

are you ready

2199

01:32:22,430 --> 01:32:21,179

the world's oldest

2200

01:32:24,850 --> 01:32:22,440

sword

2201

01:32:29,090 --> 01:32:24,860

oh really yeah that's cool

2202

01:32:30,709 --> 01:32:29,100

it's bronze and it's 8

2203

01:32:36,010 --> 01:32:30,719

000 years old

2204

01:32:39,229 --> 01:32:36,020

Bronze Age

2205

01:32:41,510 --> 01:32:39,239

yeah yeah yeah go and figure that out uh

2206

01:32:44,330 --> 01:32:41,520

okay that's just a little side note okay

2207

01:32:46,310 --> 01:32:44,340

so let's uh now we've got another set of

2208

01:32:48,470 --> 01:32:46,320

images here uh what are we looking at

2209

01:32:50,390 --> 01:32:48,480

here Ken

2210

01:32:51,890 --> 01:32:50,400

um I was actually just trying to find

2211

01:32:53,689 --> 01:32:51,900

something for you

2212

01:32:55,010 --> 01:32:53,699

um well actually I wanted to find

2213

01:32:57,350 --> 01:32:55,020

something for

2214

01:32:59,090 --> 01:32:57,360

um your Watchers or your listeners

2215

01:33:01,790 --> 01:32:59,100

they

2216

01:33:02,689 --> 01:33:01,800

the tests that were done to date the

2217

01:33:05,990 --> 01:33:02,699

spear

2218

01:33:07,550 --> 01:33:06,000

in the bits of metal inside there's a

2219

01:33:09,590 --> 01:33:07,560

documentary

2220

01:33:11,930 --> 01:33:09,600

uh in which the the person who did all

2221

01:33:13,550 --> 01:33:11,940

the tests if you just I think it

2222

01:33:17,450 --> 01:33:13,560

initially aired on the History Channel

2223

01:33:20,750 --> 01:33:17,460

but if you just type in

2224

01:33:23,209 --> 01:33:20,760

um Spirit of Destiny and look for not a

2225

01:33:25,010 --> 01:33:23,219

like a full hour-long documentary it was

2226

01:33:27,649 --> 01:33:25,020

like a half hour documentary where they

2227

01:33:30,530 --> 01:33:27,659

only talked about the testing of it

2228

01:33:32,689 --> 01:33:30,540

and um I wish

2229

01:33:35,450 --> 01:33:32,699

I really wish I could find this but I'll

2230

01:33:36,950 --> 01:33:35,460

look and what I'll do is um send it to

2231

01:33:39,770 --> 01:33:36,960

you once I do find it I was actually

2232

01:33:41,450 --> 01:33:39,780

just pulling up my text on it

2233

01:33:43,430 --> 01:33:41,460

um there was a

2234

01:33:45,350 --> 01:33:43,440

there were two tests that were performed

2235

01:33:49,129 --> 01:33:45,360

and one of them was in 2005 and one of

2236

01:33:51,470 --> 01:33:49,139

them was in 2012 and they were somehow

2237

01:33:52,910 --> 01:33:51,480

testing the carbon in the metal which I

2238

01:33:54,770 --> 01:33:52,920

don't I don't know anything about how to

2239

01:33:56,750 --> 01:33:54,780

do that or even if it's accurate I

2240

01:33:58,669 --> 01:33:56,760

couldn't say anything about it

2241

01:34:00,410 --> 01:33:58,679

um but if people want to do their own

2242

01:34:02,450 --> 01:34:00,420

research just a bit it wouldn't take you

2243

01:34:04,270 --> 01:34:02,460

long and you can just watch it I bet you

2244

01:34:07,250 --> 01:34:04,280

can even watch it for free online

2245

01:34:09,350 --> 01:34:07,260

uh anyway what we're looking at right at

2246

01:34:11,030 --> 01:34:09,360

right here if you look at it since we

2247

01:34:13,010 --> 01:34:11,040

have spaces in the top

2248

01:34:17,570 --> 01:34:13,020

this is the copy

2249

01:34:21,129 --> 01:34:17,580

because they're windows

2250

01:34:23,149 --> 01:34:21,139

and there's an old text at ludaprint

2251

01:34:23,930 --> 01:34:23,159

ludaprint of

2252

01:34:25,370 --> 01:34:23,940

um

2253

01:34:27,050 --> 01:34:25,380

wherever he was from if you type in

2254

01:34:31,729 --> 01:34:27,060

ludibrant he's a he was a famous

2255

01:34:34,490 --> 01:34:31,739

historian and in his text which he wrote

2256

01:34:36,050 --> 01:34:34,500

in kind of an old form of Italian he

2257

01:34:37,370 --> 01:34:36,060

called them

2258

01:34:39,470 --> 01:34:37,380

windows

2259

01:34:41,810 --> 01:34:39,480

and the Italian word for window is

2260

01:34:44,629 --> 01:34:41,820

finestra so they finance today the

2261

01:34:45,950 --> 01:34:44,639

windows uh the Latin form I think was

2262

01:34:47,570 --> 01:34:45,960

closer to the Spanish but I don't

2263

01:34:50,149 --> 01:34:47,580

remember it's been years since I studied

2264

01:34:51,830 --> 01:34:50,159

Latin he used a word that was kind of in

2265

01:34:53,990 --> 01:34:51,840

the in between the two and I have it in

2266

01:34:56,330 --> 01:34:54,000

my book but obviously the book won't be

2267

01:34:58,790 --> 01:34:56,340

published for a few years I'm still

2268

01:35:01,910 --> 01:34:58,800

shopping around for publishers

2269

01:35:04,189 --> 01:35:01,920

well this is going to be huge now in

2270

01:35:05,149 --> 01:35:04,199

this um I can't I I can't wait for the

2271

01:35:07,850 --> 01:35:05,159

book

2272

01:35:10,850 --> 01:35:07,860

um uh very excited about that in this

2273

01:35:13,330 --> 01:35:10,860

breakdown of the parts which is also

2274

01:35:18,050 --> 01:35:13,340

um in a in in the previous illustrations

2275

01:35:20,750 --> 01:35:18,060

what is 1D and one e

2276

01:35:23,030 --> 01:35:20,760

so

2277

01:35:24,649 --> 01:35:23,040

the sides of I know you can't see where

2278

01:35:26,450 --> 01:35:24,659

I'm putting my current where your cursor

2279

01:35:29,510 --> 01:35:26,460

is right now if you go to the left and

2280

01:35:30,770 --> 01:35:29,520

you look at the side of the the sheaths

2281

01:35:32,990 --> 01:35:30,780

themselves

2282

01:35:35,270 --> 01:35:33,000

those sheaths

2283

01:35:36,649 --> 01:35:35,280

they're on both sides but they're not

2284

01:35:39,590 --> 01:35:36,659

one piece

2285

01:35:43,129 --> 01:35:39,600

so they were put on two different pieces

2286

01:35:45,649 --> 01:35:43,139

and they were fastened together correct

2287

01:35:47,990 --> 01:35:45,659

those are the rivet holes

2288

01:35:51,350 --> 01:35:48,000

on the side so you have to imagine that

2289

01:35:52,910 --> 01:35:51,360

they're attached to the whole uh sleeve

2290

01:35:54,770 --> 01:35:52,920

itself but they're on the side of it

2291

01:35:56,450 --> 01:35:54,780

those are the rivets that connect the

2292

01:35:57,229 --> 01:35:56,460

front of it to the back of it on the

2293

01:36:01,430 --> 01:35:57,239

lens

2294

01:36:03,110 --> 01:36:01,440

and so but these are flat

2295

01:36:03,770 --> 01:36:03,120

yes so

2296

01:36:06,830 --> 01:36:03,780

um

2297

01:36:09,470 --> 01:36:06,840

I would never do this but let's say I

2298

01:36:12,050 --> 01:36:09,480

wanted to take apart one of the sheaths

2299

01:36:14,330 --> 01:36:12,060

that's on Heinrich himmler's land I

2300

01:36:18,530 --> 01:36:14,340

could pull it off the Lance itself

2301  
01:36:20,990 --> 01:36:18,540  
and then just pop the sides apart

2302  
01:36:22,790 --> 01:36:21,000  
so you have two that were flat so think

2303  
01:36:24,350 --> 01:36:22,800  
of it this way the metal itself was

2304  
01:36:26,570 --> 01:36:24,360  
completely flat

2305  
01:36:28,189 --> 01:36:26,580  
and then they were wrapped around and

2306  
01:36:29,629 --> 01:36:28,199  
both sides wrapped around two different

2307  
01:36:32,330 --> 01:36:29,639  
pieces of metal

2308  
01:36:34,189 --> 01:36:32,340  
joined together on the sides

2309  
01:36:36,050 --> 01:36:34,199  
so you have the rivets in this flat

2310  
01:36:38,030 --> 01:36:36,060  
piece of metal before it's bent around

2311  
01:36:40,910 --> 01:36:38,040  
the lens

2312  
01:36:43,910 --> 01:36:40,920  
man this is just fascinating

2313  
01:36:51,169 --> 01:36:48,169

no here there's the cross right there's

2314

01:36:52,669 --> 01:36:51,179

the crown uh I don't see the Apple here

2315

01:36:54,890 --> 01:36:52,679

where's the Apple

2316

01:36:56,689 --> 01:36:54,900

oh there it is

2317

01:37:00,290 --> 01:36:56,699

um yes that's it

2318

01:37:05,390 --> 01:37:03,110

and those are obviously who who's who's

2319

01:37:06,950 --> 01:37:05,400

this I'm trying to see tell you the

2320

01:37:08,570 --> 01:37:06,960

truth I'm not sure where that is but I

2321

01:37:09,830 --> 01:37:08,580

have that information

2322

01:37:12,350 --> 01:37:09,840

um and obviously I can get it to you

2323

01:37:14,629 --> 01:37:12,360

later I have I'm in you know I'm in

2324

01:37:16,550 --> 01:37:14,639

Hawaii for the next month or so uh when

2325

01:37:19,610 --> 01:37:16,560

I get back to Massachusetts you know I

2326

01:37:22,310 --> 01:37:19,620

could send you this stuff but um there's

2327

01:37:24,830 --> 01:37:22,320

a whole bunch of books on the theft of

2328

01:37:28,250 --> 01:37:24,840

Nazi treasures and

2329

01:37:30,950 --> 01:37:28,260

um the pursuit of Nazi Treasures uh by

2330

01:37:33,649 --> 01:37:30,960

U.S servicemen and this might have been

2331

01:37:36,050 --> 01:37:33,659

the first time that they got this back

2332

01:37:38,570 --> 01:37:36,060

from the Nazi horde and then this is

2333

01:37:40,850 --> 01:37:38,580

before they returned it to Vienna and

2334

01:37:43,250 --> 01:37:40,860

that's my game and there's a there's a

2335

01:37:46,370 --> 01:37:43,260

good book on the subject called

2336

01:37:47,090 --> 01:37:46,380

um Hitler's holy relics

2337

01:37:49,790 --> 01:37:47,100

um

2338

01:37:52,129 --> 01:37:49,800

Ken Alfred books although they're

2339

01:37:54,290 --> 01:37:52,139

controversial he did some serious

2340

01:37:56,510 --> 01:37:54,300

research they're all academic books but

2341

01:37:58,010 --> 01:37:56,520

the spoils of World War II and he had

2342

01:38:01,490 --> 01:37:58,020

like two other ones that were great

2343

01:38:04,970 --> 01:38:01,500

books and there's another one too that

2344

01:38:08,090 --> 01:38:04,980

was made into a a movie starring Brad

2345

01:38:11,870 --> 01:38:08,100

Pitt and George Clooney yeah what was

2346

01:38:13,970 --> 01:38:11,880

that called oh I forgot but um there's a

2347

01:38:17,390 --> 01:38:13,980

book the real book on on the real

2348

01:38:19,729 --> 01:38:17,400

incident the movie itself I wasn't a

2349

01:38:21,890 --> 01:38:19,739

huge fan of but I'm a historian and I

2350

01:38:24,590 --> 01:38:21,900

like you know I like things that really

2351  
01:38:27,050 --> 01:38:24,600  
are true to you know what happened so

2352  
01:38:30,169 --> 01:38:27,060  
that is like a more mainstream

2353  
01:38:32,090 --> 01:38:30,179  
book on uh looking for Nazi Treasures

2354  
01:38:33,709 --> 01:38:32,100  
but that still won't give you the kind

2355  
01:38:38,350 --> 01:38:33,719  
of information I think some of your

2356  
01:38:42,290 --> 01:38:38,360  
viewers and listeners would want yeah

2357  
01:38:43,850 --> 01:38:42,300  
Monument Men yes that is it yes you know

2358  
01:38:44,830 --> 01:38:43,860  
what's interesting about this Photograph

2359  
01:38:47,570 --> 01:38:44,840  
though

2360  
01:38:49,610 --> 01:38:47,580  
you didn't even mention this

2361  
01:38:52,990 --> 01:38:49,620  
they also found

2362  
01:38:55,610 --> 01:38:53,000  
Michael Jackson's glove

2363  
01:38:57,890 --> 01:38:55,620

which tells you he's way older than he

2364

01:38:59,990 --> 01:38:57,900

thought he was I just thought I'd throw

2365

01:39:01,270 --> 01:39:00,000

that in there just in case nobody uh

2366

01:39:04,729 --> 01:39:01,280

caught that

2367

01:39:06,950 --> 01:39:04,739

but uh there it is right there

2368

01:39:11,410 --> 01:39:06,960

um yeah monument man I liked Monument

2369

01:39:15,590 --> 01:39:14,090

there's so many books out there on you

2370

01:39:18,709 --> 01:39:15,600

know looking for Holy Roman Empire

2371

01:39:20,330 --> 01:39:18,719

treasures and looking for Nazis you know

2372

01:39:23,810 --> 01:39:20,340

stolen artwork and that kind of thing

2373

01:39:26,390 --> 01:39:23,820

there's even a there's a book called

2374

01:39:28,070 --> 01:39:26,400

um the Hitler's art Thief which is a

2375

01:39:29,570 --> 01:39:28,080

good one but it focuses more on like

2376

01:39:32,930 --> 01:39:29,580

missing paintings and those kind of

2377

01:39:36,709 --> 01:39:32,940

things that they they took from others

2378

01:39:39,470 --> 01:39:36,719

now uh you avoided answering so I'll ask

2379

01:39:42,890 --> 01:39:39,480

again how did you how did you uh come to

2380

01:39:45,110 --> 01:39:42,900

possess uh the Spear of Destiny

2381

01:39:47,149 --> 01:39:45,120

I bought it

2382

01:39:49,790 --> 01:39:47,159

how did something like that go up for

2383

01:39:51,950 --> 01:39:49,800

sale I mean I'm capable we all want to

2384

01:39:57,709 --> 01:39:51,960

know

2385

01:40:03,770 --> 01:40:00,229

um it it it's

2386

01:40:05,870 --> 01:40:03,780

um it could have been cheap number one

2387

01:40:09,410 --> 01:40:05,880

but two

2388

01:40:12,470 --> 01:40:09,420

um how it's almost like a movie and and

2389

01:40:14,990 --> 01:40:12,480

in fact this is an excellent movie

2390

01:40:17,390 --> 01:40:15,000

um and I'm sure Hollywood beat would be

2391

01:40:19,390 --> 01:40:17,400

very interested in making it

2392

01:40:23,570 --> 01:40:19,400

um that's not advertised on Craigslist

2393

01:40:26,030 --> 01:40:23,580

of course all right so uh how how does

2394

01:40:28,070 --> 01:40:26,040

one find out about something like this

2395

01:40:31,070 --> 01:40:28,080

popping up for sale

2396

01:40:36,590 --> 01:40:34,310

one of the biggest art heists that ever

2397

01:40:38,870 --> 01:40:36,600

happened in the entire world minus what

2398

01:40:41,750 --> 01:40:38,880

the Nazis did all over Europe

2399

01:40:42,590 --> 01:40:41,760

was in New York City oh I'm sorry in

2400

01:40:47,470 --> 01:40:42,600

Boston

2401  
01:40:50,810 --> 01:40:47,480  
Day Parade yeah

2402  
01:40:53,030 --> 01:40:50,820  
one Museum was

2403  
01:40:55,430 --> 01:40:53,040  
basically cleared out millions of

2404  
01:40:57,290 --> 01:40:55,440  
dollars worth of really famous painting

2405  
01:40:59,149 --> 01:40:57,300  
and most of them never surfaced again

2406  
01:41:00,229 --> 01:40:59,159  
some of them they they ended up finding

2407  
01:41:02,330 --> 01:41:00,239  
because they figured out who actually

2408  
01:41:03,530 --> 01:41:02,340  
stole them but the ones that were

2409  
01:41:05,890 --> 01:41:03,540  
already sold

2410  
01:41:09,110 --> 01:41:05,900  
they've never surfaced again

2411  
01:41:12,050 --> 01:41:09,120  
yes in World War II paintings and

2412  
01:41:13,129 --> 01:41:12,060  
artwork that was stolen by Goring uh

2413  
01:41:14,750 --> 01:41:13,139

Hess

2414

01:41:16,010 --> 01:41:14,760

Hitler

2415

01:41:17,270 --> 01:41:16,020

and

2416

01:41:19,250 --> 01:41:17,280

um there was another guy who was

2417

01:41:22,669 --> 01:41:19,260

fascinated with artwork and I his name's

2418

01:41:25,129 --> 01:41:22,679

escaping me Himmler was a religious item

2419

01:41:27,950 --> 01:41:25,139

fanatic but others wanted the artwork

2420

01:41:31,129 --> 01:41:27,960

and we're still missing tons of pieces

2421

01:41:34,790 --> 01:41:31,139

including the delt the Ghent Altarpiece

2422

01:41:36,830 --> 01:41:34,800

and that supposedly contained a map

2423

01:41:40,010 --> 01:41:36,840

which would tell you where the Ark of

2424

01:41:41,570 --> 01:41:40,020

the Covenant was and that's a whole you

2425

01:41:42,770 --> 01:41:41,580

could have me on it for a different you

2426  
01:41:45,530 --> 01:41:42,780  
know different time talking about what

2427  
01:41:47,930 --> 01:41:45,540  
the Ark of the Covenant really was but

2428  
01:41:50,870 --> 01:41:47,940  
um that's missing it's never been found

2429  
01:41:53,330 --> 01:41:50,880  
and if you think of this there's no way

2430  
01:41:55,189 --> 01:41:53,340  
it's destroyed someone owns that that's

2431  
01:41:58,010 --> 01:41:55,199  
in someone's house

2432  
01:42:02,149 --> 01:41:58,020  
and I've seen homes that have full

2433  
01:42:03,649 --> 01:42:02,159  
walk-in vaults downstairs with items you

2434  
01:42:06,470 --> 01:42:03,659  
couldn't I couldn't possibly imagine

2435  
01:42:09,109 --> 01:42:06,480  
even owning like they just don't exist

2436  
01:42:11,090 --> 01:42:09,119  
and let's say right now like I'll give

2437  
01:42:13,070 --> 01:42:11,100  
you a for instance and I'm going to

2438  
01:42:17,510 --> 01:42:13,080

preface this by saying I am not a Nazi

2439

01:42:19,910 --> 01:42:17,520

or a Neo-Nazi but I inherited a flag in

2440

01:42:21,890 --> 01:42:19,920

two metals that were Nazi

2441

01:42:23,990 --> 01:42:21,900

now you can't sell those anywhere

2442

01:42:26,030 --> 01:42:24,000

they're illegal in Germany which means

2443

01:42:28,430 --> 01:42:26,040

because they're illegal in Germany most

2444

01:42:30,470 --> 01:42:28,440

of Europe you can't sell it you can't go

2445

01:42:32,209 --> 01:42:30,480

online with auction houses and sell it

2446

01:42:34,250 --> 01:42:32,219

and almost anything you try to post

2447

01:42:36,590 --> 01:42:34,260

online they'll take you down because

2448

01:42:37,910 --> 01:42:36,600

they don't want you know anything to do

2449

01:42:39,890 --> 01:42:37,920

with the swastika or anything like that

2450

01:42:42,770 --> 01:42:39,900

and all the metals had swastikas on them

2451

01:42:46,070 --> 01:42:42,780

and I had a huge I still have it now but

2452

01:42:49,570 --> 01:42:46,080

it's a huge Nazi flag that if you read

2453

01:42:53,629 --> 01:42:49,580

the top of it was from Berlin and

2454

01:42:57,109 --> 01:42:53,639

supposedly it belonged where Hitler was

2455

01:42:58,609 --> 01:42:57,119

like near his bunker and

2456

01:43:00,470 --> 01:42:58,619

I wanted to get rid of it I didn't want

2457

01:43:02,570 --> 01:43:00,480

it in my house I'm like I have a lot of

2458

01:43:05,810 --> 01:43:02,580

spiritual items from Buddhism mostly

2459

01:43:08,510 --> 01:43:05,820

Buddhist stuff in my house and hundreds

2460

01:43:10,790 --> 01:43:08,520

of books because I'm a weirdo but um I

2461

01:43:14,750 --> 01:43:10,800

didn't want that near my spiritual

2462

01:43:16,609 --> 01:43:14,760

Buddhist items no no no no not at all I

2463

01:43:18,350 --> 01:43:16,619

grabbed one of my friends who sells a

2464

01:43:20,510 --> 01:43:18,360

whole bunch of stuff like that and I

2465

01:43:23,629 --> 01:43:20,520

said do me a favor just sell it to sell

2466

01:43:25,129 --> 01:43:23,639

it to whoever whoever you can and give

2467

01:43:28,070 --> 01:43:25,139

me the money he's like yep no problem

2468

01:43:29,930 --> 01:43:28,080

and then I got a phone call he still has

2469

01:43:32,390 --> 01:43:29,940

it right now

2470

01:43:35,570 --> 01:43:32,400

um I got a phone call maybe a week later

2471

01:43:38,570 --> 01:43:35,580

and he said uh I'm gonna I'm gonna sell

2472

01:43:40,490 --> 01:43:38,580

the medals but the flag is fake I'm like

2473

01:43:42,590 --> 01:43:40,500

what do you mean and at my house he

2474

01:43:44,209 --> 01:43:42,600

actually brought out uh some weird light

2475

01:43:45,290 --> 01:43:44,219

that I'd never seen before he was

2476

01:43:47,629 --> 01:43:45,300

looking at things he's like I don't know

2477

01:43:49,850 --> 01:43:47,639

about this one he said the Nazis never

2478

01:43:52,129 --> 01:43:49,860

stitched like this he said they stitched

2479

01:43:54,410 --> 01:43:52,139

in straight lines at the base of the

2480

01:43:56,149 --> 01:43:54,420

flag and he said these are crossed like

2481

01:43:57,770 --> 01:43:56,159

they never did that so this one's fake

2482

01:43:59,629 --> 01:43:57,780

and it looks if you look at this thing

2483

01:44:02,750 --> 01:43:59,639

like I'm not an expert in that kind of

2484

01:44:05,209 --> 01:44:02,760

stuff I would say it was real right I

2485

01:44:07,550 --> 01:44:05,219

mean it looks real it it looks that old

2486

01:44:09,169 --> 01:44:07,560

everything about it and he's like no

2487

01:44:11,209 --> 01:44:09,179

it's not real I'll give it back to you

2488

01:44:12,950 --> 01:44:11,219

next week he said it's only worth about

2489

01:44:15,830 --> 01:44:12,960

30 bucks and that's just because of the

2490

01:44:18,290 --> 01:44:15,840

material it's made out of in in the um

2491

01:44:22,430 --> 01:44:18,300

I'll tell you a funny story uh about

2492

01:44:24,229 --> 01:44:22,440

this this would have been in the late

2493

01:44:27,290 --> 01:44:24,239

80s

2494

01:44:32,149 --> 01:44:27,300

um I get a a really nice black leather

2495

01:44:34,250 --> 01:44:32,159

jacket and I wanted to throw some uh uh

2496

01:44:36,050 --> 01:44:34,260

metals on it and just you know you know

2497

01:44:39,109 --> 01:44:36,060

you know how it was you know you you

2498

01:44:41,870 --> 01:44:39,119

know dress up the metal jacket so I go

2499

01:44:44,390 --> 01:44:41,880

to a military surplus store here in

2500

01:44:46,550 --> 01:44:44,400

Southern California the biggest one

2501

01:44:48,649 --> 01:44:46,560

and I went in and I told the guy what I

2502

01:44:50,870 --> 01:44:48,659

wanted I want some you know MacArthur

2503

01:44:53,149 --> 01:44:50,880

Stars you know whatever you know I just

2504

01:44:57,169 --> 01:44:53,159

want some cool stuff to put on I said

2505

01:44:59,810 --> 01:44:57,179

hey do you have um you know a Russian

2506

01:45:01,669 --> 01:44:59,820

star uh that would look cool because I

2507

01:45:04,790 --> 01:45:01,679

actually I have a I have a real one yeah

2508

01:45:06,490 --> 01:45:04,800

I do and then and then he looks at me

2509

01:45:09,430 --> 01:45:06,500

and he goes

2510

01:45:12,590 --> 01:45:09,440

no Nazi stuff

2511

01:45:14,350 --> 01:45:12,600

he just looked right after dude I knew I

2512

01:45:17,570 --> 01:45:14,360

wasn't even going there

2513

01:45:20,810 --> 01:45:17,580

but it was just so funny how he looked

2514

01:45:22,790 --> 01:45:20,820

at me man and he was serious you know

2515

01:45:24,770 --> 01:45:22,800

he's probably a war vet you know a

2516

01:45:27,229 --> 01:45:24,780

military vet and things but it was

2517

01:45:28,370 --> 01:45:27,239

really funny how he looked at me the

2518

01:45:31,960 --> 01:45:28,380

next question

2519

01:45:36,790 --> 01:45:31,970

I'm gonna answer it was really funny

2520

01:45:41,810 --> 01:45:39,350

but uh but I did get the Russian star

2521

01:45:43,850 --> 01:45:41,820

yeah that's awesome nice yeah that was

2522

01:45:46,250 --> 01:45:43,860

pretty cool I I wore that with pride I

2523

01:45:47,590 --> 01:45:46,260

have no idea where that jacket is uh to

2524

01:45:51,649 --> 01:45:47,600

today

2525

01:45:55,550 --> 01:45:51,659

40 years ago but it was just so funny

2526

01:45:59,450 --> 01:45:55,560

and and I think I asked him Ken I said

2527

01:46:01,430 --> 01:45:59,460

why no it's not legal I think I think

2528

01:46:03,649 --> 01:46:01,440

everybody told me that was 40 years ago

2529

01:46:06,290 --> 01:46:03,659

but Matt's what my memory

2530

01:46:10,970 --> 01:46:06,300

uh what my memory says

2531

01:46:13,729 --> 01:46:10,980

um but uh and and so would the would

2532

01:46:17,709 --> 01:46:13,739

this Spear of Destiny fall under that

2533

01:46:22,070 --> 01:46:17,719

category if it's uh if it's a Himmler

2534

01:46:24,410 --> 01:46:22,080

produced knockoff I think so but so

2535

01:46:26,629 --> 01:46:24,420

although

2536

01:46:29,870 --> 01:46:26,639

I think in the United States it's not

2537

01:46:32,629 --> 01:46:29,880

illegal to actually sell Nazi things I

2538

01:46:34,790 --> 01:46:32,639

think most auction houses simply don't

2539

01:46:38,149 --> 01:46:34,800

do it because

2540

01:46:40,310 --> 01:46:38,159

countries in Europe prohibited there was

2541

01:46:42,229 --> 01:46:40,320

some time ago I I don't remember if it

2542

01:46:44,750 --> 01:46:42,239

was two or three years ago though an

2543

01:46:48,830 --> 01:46:44,760

engraved watch that used to belong to

2544

01:46:50,870 --> 01:46:48,840

Adolf Hitler was sold from a auction

2545

01:46:53,750 --> 01:46:50,880

house I think it was in Georgia actually

2546

01:46:55,310 --> 01:46:53,760

uh for millions of dollars or it's like

2547

01:46:57,410 --> 01:46:55,320

a million 200 000 something like

2548

01:46:59,209 --> 01:46:57,420

something ridiculous

2549

01:47:02,330 --> 01:46:59,219

um and of course the seller's name

2550

01:47:03,050 --> 01:47:02,340

wasn't ever really I'm sorry the buyer's

2551  
01:47:05,209 --> 01:47:03,060  
name

2552  
01:47:07,070 --> 01:47:05,219  
wasn't ever released and the person who

2553  
01:47:09,109 --> 01:47:07,080  
sold it to

2554  
01:47:11,090 --> 01:47:09,119  
um or gave it to the auction house to

2555  
01:47:13,850 --> 01:47:11,100  
auction it that wasn't ever released

2556  
01:47:16,609 --> 01:47:13,860  
either so everyone remained Anonymous

2557  
01:47:19,010 --> 01:47:16,619  
with this one obviously the seller and

2558  
01:47:21,530 --> 01:47:19,020  
the auction house itself made out pretty

2559  
01:47:23,570 --> 01:47:21,540  
well whatever that amount was and if you

2560  
01:47:26,570 --> 01:47:23,580  
just type in uh engraved Hitler with

2561  
01:47:28,070 --> 01:47:26,580  
Hitler's watch sells for at auction the

2562  
01:47:30,770 --> 01:47:28,080  
name of the auction house which I don't

2563  
01:47:31,790 --> 01:47:30,780

remember and the amount will definitely

2564

01:47:33,470 --> 01:47:31,800

come up

2565

01:47:35,209 --> 01:47:33,480

someone had mentioned it to me and I

2566

01:47:37,070 --> 01:47:35,219

checked it out and I I just couldn't

2567

01:47:39,109 --> 01:47:37,080

believe I thought you couldn't sell that

2568

01:47:41,930 --> 01:47:39,119

that kind of thing at all in the U.S

2569

01:47:45,109 --> 01:47:41,940

so what's next we've done you know the

2570

01:47:49,370 --> 01:47:45,119

big reveal here today on the show and we

2571

01:47:51,050 --> 01:47:49,380

know that himmler's uh knockoff I'm just

2572

01:47:55,129 --> 01:47:51,060

gonna call it a knockout you know his

2573

01:47:58,250 --> 01:47:55,139

copy of this fear of Destiny is is here

2574

01:48:00,470 --> 01:47:58,260

in the United States and you have it

2575

01:48:01,490 --> 01:48:00,480

um what what's next

2576

01:48:03,350 --> 01:48:01,500

um is

2577

01:48:07,729 --> 01:48:03,360

that you're going to have people asking

2578

01:48:09,830 --> 01:48:07,739

you about it now uh uh now that it's

2579

01:48:11,750 --> 01:48:09,840

public so what's going to happen after

2580

01:48:14,330 --> 01:48:11,760

this I'm gonna finish that book I'm

2581

01:48:16,550 --> 01:48:14,340

going to shop around for a publisher

2582

01:48:19,490 --> 01:48:16,560

um my previous you know Publishers or

2583

01:48:21,890 --> 01:48:19,500

for the most part academic Publishers

2584

01:48:24,290 --> 01:48:21,900

um that's not the kind of you know

2585

01:48:27,709 --> 01:48:24,300

audience that I want for this book so um

2586

01:48:29,689 --> 01:48:27,719

even my agent she deals with more

2587

01:48:31,550 --> 01:48:29,699

academic work and she you know handles

2588

01:48:33,410 --> 01:48:31,560

the television things and the podcasting

2589

01:48:35,629 --> 01:48:33,420

well some of the podcast things she

2590

01:48:36,590 --> 01:48:35,639

didn't she didn't handle this one

2591

01:48:39,649 --> 01:48:36,600

um

2592

01:48:42,709 --> 01:48:39,659

but that book's going to come out

2593

01:48:45,169 --> 01:48:42,719

there's an article coming out soon

2594

01:48:46,790 --> 01:48:45,179

um by ancient Origins that I wrote

2595

01:48:48,470 --> 01:48:46,800

that's going to come out I think on the

2596

01:48:50,090 --> 01:48:48,480

22nd of this month

2597

01:48:51,649 --> 01:48:50,100

there's another article that's going to

2598

01:48:55,189 --> 01:48:51,659

be coming out that I have to actually

2599

01:48:57,169 --> 01:48:55,199

finish soon but um outside of the things

2600

01:48:59,030 --> 01:48:57,179

I'm doing with it

2601  
01:49:01,810 --> 01:48:59,040  
and I'm I'm going to make sure this

2602  
01:49:04,729 --> 01:49:01,820  
doesn't happen but you have to remember

2603  
01:49:07,370 --> 01:49:04,739  
this this Lance

2604  
01:49:09,470 --> 01:49:07,380  
was symbolic of the German kings

2605  
01:49:11,629 --> 01:49:09,480  
it's the thing that that's at one point

2606  
01:49:14,450 --> 01:49:11,639  
the Pope used to give power to the

2607  
01:49:15,290 --> 01:49:14,460  
German kings and then they carried the

2608  
01:49:17,750 --> 01:49:15,300  
Lance

2609  
01:49:19,250 --> 01:49:17,760  
the German kings always carried lands

2610  
01:49:22,070 --> 01:49:19,260  
until they introduced the Byzantine

2611  
01:49:24,530 --> 01:49:22,080  
crown and then it went into you know it

2612  
01:49:26,870 --> 01:49:24,540  
went on display but you have the first

2613  
01:49:28,850 --> 01:49:26,880

strike the First Holy Roman Empire the

2614

01:49:31,729 --> 01:49:28,860

first strike was Constantine

2615

01:49:34,430 --> 01:49:31,739

then you have the second Reich

2616

01:49:36,050 --> 01:49:34,440

um which was Bismarck so Bismarck

2617

01:49:38,750 --> 01:49:36,060

started that

2618

01:49:41,750 --> 01:49:38,760

and where am I here I was actually just

2619

01:49:44,810 --> 01:49:41,760

looking for the date of Bismarck late

2620

01:49:46,189 --> 01:49:44,820

1800s but I haven't even here

2621

01:49:49,490 --> 01:49:46,199

no I don't

2622

01:49:51,709 --> 01:49:49,500

but after Bismarck your Third Reich was

2623

01:49:54,229 --> 01:49:51,719

obviously Hitler which started the third

2624

01:49:56,750 --> 01:49:54,239

Holy Roman Empire which is again neither

2625

01:49:59,149 --> 01:49:56,760

holy nor Roman it was always German

2626  
01:50:01,370 --> 01:49:59,159  
first right second right Third Reich

2627  
01:50:03,530 --> 01:50:01,380  
and there is a forthright planned

2628  
01:50:05,090 --> 01:50:03,540  
whether people know it or not there was

2629  
01:50:08,870 --> 01:50:05,100  
What's called the rat lines

2630  
01:50:10,490 --> 01:50:08,880  
and the Holy Roman Empire Church

2631  
01:50:12,350 --> 01:50:10,500  
in Italy

2632  
01:50:14,930 --> 01:50:12,360  
in the Vatican

2633  
01:50:15,890 --> 01:50:14,940  
in conjunction with the Red Cross which

2634  
01:50:17,870 --> 01:50:15,900  
was

2635  
01:50:19,430 --> 01:50:17,880  
um creating passports for people to

2636  
01:50:21,890 --> 01:50:19,440  
leave the country because especially

2637  
01:50:24,290 --> 01:50:21,900  
with the Jewish populations the Nazis

2638  
01:50:26,689 --> 01:50:24,300

took all their IDs they no longer were

2639

01:50:29,450 --> 01:50:26,699

considered people their passports were

2640

01:50:31,189 --> 01:50:29,460

gone so the Red Cross was issuing

2641

01:50:34,070 --> 01:50:31,199

emergency passports so they could leave

2642

01:50:36,830 --> 01:50:34,080

the country a bishop in Milan

2643

01:50:40,310 --> 01:50:36,840

with the approval of the Pope allowed

2644

01:50:43,189 --> 01:50:40,320

them to make fake passports for war

2645

01:50:46,370 --> 01:50:43,199

criminals and that's why Joseph Mengele

2646

01:50:49,669 --> 01:50:46,380

died of natural causes in I think it was

2647

01:50:52,250 --> 01:50:49,679

Belize in a beach on a beach in Belize

2648

01:50:56,570 --> 01:50:52,260

but he lived in Argentina in Argentina

2649

01:50:58,189 --> 01:50:56,580

today there are huge German areas where

2650

01:51:00,109 --> 01:50:58,199

only German has spoken and there's

2651  
01:51:03,109 --> 01:51:00,119  
there's documentaries on this it's in

2652  
01:51:05,510 --> 01:51:03,119  
different books it's in Doc it's in uh

2653  
01:51:07,070 --> 01:51:05,520  
regular movies as well that are based on

2654  
01:51:10,430 --> 01:51:07,080  
you know the documentaries and based on

2655  
01:51:14,090 --> 01:51:10,440  
true stories but a fourth Reich a fourth

2656  
01:51:16,790 --> 01:51:14,100  
Holy Roman Empire was supposed to uh

2657  
01:51:18,890 --> 01:51:16,800  
start from South America and here's an

2658  
01:51:20,930 --> 01:51:18,900  
interesting thing most people think when

2659  
01:51:23,689 --> 01:51:20,940  
they think of thing you know Hitler and

2660  
01:51:25,430 --> 01:51:23,699  
Himmler and all of the big names that

2661  
01:51:27,530 --> 01:51:25,440  
that was it they're done

2662  
01:51:29,810 --> 01:51:27,540  
they had children

2663  
01:51:33,490 --> 01:51:29,820

Hitler's Children had children over

2664

01:51:36,109 --> 01:51:33,500

there of her own and himmler's kids

2665

01:51:37,010 --> 01:51:36,119

himmler's daughter and

2666

01:51:38,990 --> 01:51:37,020

um

2667

01:51:42,109 --> 01:51:39,000

I think it was Himmler

2668

01:51:44,390 --> 01:51:42,119

I might be wrong some of the uh the war

2669

01:51:46,010 --> 01:51:44,400

criminals they had children and some of

2670

01:51:49,430 --> 01:51:46,020

them and there's a whole book on this

2671

01:51:51,830 --> 01:51:49,440

called um children of Nazis and it's

2672

01:51:53,870 --> 01:51:51,840

worthwhile and in that book children of

2673

01:51:57,709 --> 01:51:53,880

Nazis they talk about how some of these

2674

01:51:59,990 --> 01:51:57,719

these descendants of Nazi war criminals

2675

01:52:03,530 --> 01:52:00,000

are actually going to skinhead meetings

2676

01:52:05,330 --> 01:52:03,540

and it reminds me in World War II he had

2677

01:52:09,830 --> 01:52:05,340

three major divisions within the Nazis

2678

01:52:11,930 --> 01:52:09,840

he had the SD the SA and the SS and

2679

01:52:14,090 --> 01:52:11,940

when you're dealing with the SA those

2680

01:52:16,430 --> 01:52:14,100

were the thugs on the street

2681

01:52:18,350 --> 01:52:16,440

we had the SA all those guys they were

2682

01:52:20,689 --> 01:52:18,360

just the thugs that were starting

2683

01:52:23,209 --> 01:52:20,699

violence and they were used just to

2684

01:52:25,010 --> 01:52:23,219

incite people and then the SS came in

2685

01:52:26,990 --> 01:52:25,020

and they were the ones in charge and

2686

01:52:28,970 --> 01:52:27,000

it's almost like they're kind of doing

2687

01:52:32,270 --> 01:52:28,980

the same thing where they're making

2688

01:52:35,689 --> 01:52:32,280

contacts with Neo-Nazi you know

2689

01:52:37,850 --> 01:52:35,699

skinheads and those might be the on the

2690

01:52:39,770 --> 01:52:37,860

the ground soldiers that eventually the

2691

01:52:40,910 --> 01:52:39,780

Nazis themselves won't care about like

2692

01:52:42,229 --> 01:52:40,920

they're going to help us start the

2693

01:52:43,790 --> 01:52:42,239

movement they're going to do what we

2694

01:52:47,410 --> 01:52:43,800

want them to do and then we don't care

2695

01:52:52,250 --> 01:52:50,350

the night of the

2696

01:52:54,890 --> 01:52:52,260

Long Knives

2697

01:52:56,689 --> 01:52:54,900

think of what the SS did the night of

2698

01:53:00,290 --> 01:52:56,699

the Long Knives they went went through

2699

01:53:02,270 --> 01:53:00,300

their Nazi the sa and killed them all

2700

01:53:04,070 --> 01:53:02,280

they killed everyone who was in charge

2701  
01:53:05,330 --> 01:53:04,080  
of every Division and then absorbed the

2702  
01:53:07,550 --> 01:53:05,340  
rest

2703  
01:53:09,830 --> 01:53:07,560  
like they got rid of the real people in

2704  
01:53:11,990 --> 01:53:09,840  
charge of the SA and the same thing

2705  
01:53:15,350 --> 01:53:12,000  
Could Happen uh wouldn't they be

2706  
01:53:18,770 --> 01:53:15,360  
interested in uh the Spear of Destiny

2707  
01:53:21,410 --> 01:53:18,780  
the Himmler version so this this item is

2708  
01:53:26,030 --> 01:53:21,420  
supposed to be the key to the resurgence

2709  
01:53:31,850 --> 01:53:28,790  
that's crazy town everybody don't send

2710  
01:53:36,470 --> 01:53:31,860  
me email about this I'm just the show

2711  
01:53:38,270 --> 01:53:36,480  
host but yeah yeah it's such um uh and

2712  
01:53:40,370 --> 01:53:38,280  
again when you follow this back and you

2713  
01:53:43,129 --> 01:53:40,380

chase it back it is just absolutely

2714

01:53:44,209 --> 01:53:43,139

fascinating and so interesting

2715

01:53:46,609 --> 01:53:44,219

um I want to thank you for the

2716

01:53:49,010 --> 01:53:46,619

conversation tonight and and and and and

2717

01:53:51,229 --> 01:53:49,020

the big reveal

2718

01:53:54,169 --> 01:53:51,239

um I'm I'm just very curious about the

2719

01:53:56,090 --> 01:53:54,179

future of this item and and and and and

2720

01:53:59,030 --> 01:53:56,100

what's going to happen next absolutely

2721

01:54:01,070 --> 01:53:59,040

fascinating when the book comes out uh

2722

01:54:02,570 --> 01:54:01,080

uh we'll have you back on the show and I

2723

01:54:04,850 --> 01:54:02,580

look forward to the next conversation

2724

01:54:07,729 --> 01:54:04,860

thank you so much again thank you for

2725

01:54:10,550 --> 01:54:07,739

having me have a great time out there in

2726

01:54:13,790 --> 01:54:10,560

Hawaii behave and be well all right

2727

01:54:18,169 --> 01:54:13,800

thank you thank you so much Dr Kenneth

2728

01:54:20,149 --> 01:54:18,179

Jeremiah so there you go the Spear of

2729

01:54:22,910 --> 01:54:20,159

Destiny what a great presentation

2730

01:54:25,970 --> 01:54:22,920

tonight and I

2731

01:54:29,390 --> 01:54:25,980

um uh over the years I watched the

2732

01:54:31,310 --> 01:54:29,400

documentary by the way that he referred

2733

01:54:34,310 --> 01:54:31,320

to earlier I've seen a few documentaries

2734

01:54:36,950 --> 01:54:34,320

on it and I've I've tried to do my own

2735

01:54:39,770 --> 01:54:36,960

Deep dive into it trying to figure out

2736

01:54:43,310 --> 01:54:39,780

actually what's going on and and I found

2737

01:54:46,790 --> 01:54:43,320

out what his research has revealed which

2738

01:54:49,910 --> 01:54:46,800

is there there are many copies of it and

2739

01:54:52,669 --> 01:54:49,920

what is sitting in in the museum in

2740

01:54:54,470 --> 01:54:52,679

Vienna now you know is the real one here

2741

01:54:56,810 --> 01:54:54,480

in the United States did they get a

2742

01:55:00,050 --> 01:54:56,820

knockoff is there a knockoff of the

2743

01:55:02,090 --> 01:55:00,060

knockoff don't know all of this is

2744

01:55:05,330 --> 01:55:02,100

fascinating what a great conversation

2745

01:55:09,970 --> 01:55:05,340

tonight thank you so much Ken and uh

2746

01:55:12,590 --> 01:55:09,980

Ken's website links are below and uh

2747

01:55:14,209 --> 01:55:12,600

kenjeremiah.com and there you go what a

2748

01:55:17,870 --> 01:55:14,219

great show tonight I want to thank

2749

01:55:20,770 --> 01:55:17,880

everybody for hanging out with us and uh

2750

01:55:23,990 --> 01:55:20,780

tomorrow night I am doing

2751

01:55:26,090 --> 01:55:24,000

artificial intelligence all of that is

2752

01:55:27,950 --> 01:55:26,100

going down tomorrow night Fade to Black

2753

01:55:30,890 --> 01:55:27,960

is produced by Hilton J Palm Renee

2754

01:55:32,870 --> 01:55:30,900

Newman and Michelle freed thank you to

2755

01:55:36,370 --> 01:55:32,880

Dennis and Kevin webmaster is Drew the

2756

01:55:39,050 --> 01:55:36,380

geek music Doug Aldrich intro space boys

2757

01:55:41,030 --> 01:55:39,060

spaceboymusic.com fade to black is

2758

01:55:43,010 --> 01:55:41,040

produced by kjcr for the game changer

2759

01:55:46,490 --> 01:55:43,020

Network and this broadcast is owned and

2760

01:55:48,590 --> 01:55:46,500

copyrighted 2023 by Fade to Black and

2761

01:55:50,629 --> 01:55:48,600

The Game Changer Network Inc it cannot

2762

01:55:52,370 --> 01:55:50,639

be rebroadcast downloaded copied or used

2763

01:55:54,229 --> 01:55:52,380

anywhere in the known universe without

2764

01:55:56,390 --> 01:55:54,239

written permission from Fade to Black or

2765

01:55:58,609 --> 01:55:56,400

the game changer Network until tomorrow

2766

01:56:06,920 --> 01:55:58,619

night artificial intelligence

2767

01:56:41,410 --> 01:56:22,010

[Music]
