

# FADE TO BLACK

with JIMMY CHURCH

PRESENTS

BILLY CARSON

4BK 2023 WORLD TOUR

THUR MAY 11 LIVE

700-900PM PT

1  
00:00:24,170 --> 00:00:20,529

[Music]

2  
00:00:27,830 --> 00:00:24,180

the smoke radio for the masses Headline

3  
00:00:29,689 --> 00:00:27,840

Edition of July 8 1947 the Army Air

4  
00:00:31,669 --> 00:00:29,699

Forces has announced that a flying disc

5  
00:00:33,229 --> 00:00:31,679

has been found and is now in the

6  
00:00:37,610 --> 00:00:33,239

possession of the army

7  
00:00:40,910 --> 00:00:37,620

game is rigged change the game changer

8  
00:00:44,750 --> 00:00:40,920

I occasionally think how quickly our

9  
00:00:47,330 --> 00:00:44,760

differences worldwide would vanish if we

10  
00:00:48,400 --> 00:00:47,340

were facing an alien threat from outside

11  
00:00:50,180 --> 00:00:48,410

this work

12  
00:00:50,390 --> 00:00:50,190

[Music]

13  
00:00:52,850 --> 00:00:50,400

[Applause]

14

00:00:55,610 --> 00:00:52,860

[Music]

15

00:00:58,490 --> 00:00:55,620

this is Fade to Black with your host

16

00:00:59,160 --> 00:00:58,500

Jimmy Church on the game changer Radio

17

00:01:02,510 --> 00:00:59,170

Network

18

00:01:08,030 --> 00:01:04,729

all right all right all right Fade to

19

00:01:09,429 --> 00:01:08,040

Black what is today today's Thursday May

20

00:01:12,590 --> 00:01:09,439

11

21

00:01:14,090 --> 00:01:12,600

2023. I am your host Jimmy church

22

00:01:18,410 --> 00:01:14,100

tonight

23

00:01:21,649 --> 00:01:18,420

now it's been

24

00:01:24,350 --> 00:01:21,659

made even more special we'll get into

25

00:01:26,749 --> 00:01:24,360

all of that in a moment but our guest

26

00:01:28,670 --> 00:01:26,759

tonight is Billy Carson of forbidden

27

00:01:31,550 --> 00:01:28,680

knowledge and

28

00:01:34,789 --> 00:01:31,560

um we have a lot of stuff uh to go

29

00:01:36,649 --> 00:01:34,799

through tonight and and I know that uh

30

00:01:38,990 --> 00:01:36,659

we talk about these things quite often

31

00:01:40,969 --> 00:01:39,000

but we don't we don't get an opportunity

32

00:01:43,249 --> 00:01:40,979

to just sit down and lay it all out and

33

00:01:45,950 --> 00:01:43,259

we're going to be doing that tonight as

34

00:01:49,130 --> 00:01:45,960

well as uh you know we're going to talk

35

00:01:51,469 --> 00:01:49,140

about life in general and there's a lot

36

00:01:53,510 --> 00:01:51,479

of things going on out there in the

37

00:01:56,630 --> 00:01:53,520

world and apparently

38

00:02:00,469 --> 00:01:56,640

even with Billy Carson Billy Carson the

39

00:02:02,149 --> 00:02:00,479

CEO of a Forbidden Knowledge Forbidden

40

00:02:05,870 --> 00:02:02,159

Knowledge Inc forbiddenknowledge.com

41

00:02:10,430 --> 00:02:05,880

forbid knowledge.tv he is a writer he's

42

00:02:13,970 --> 00:02:10,440

an author he's a coach uh he's a TV host

43

00:02:16,250 --> 00:02:13,980

he is a film director I don't know what

44

00:02:18,589 --> 00:02:16,260

else man I I you know what I'm just

45

00:02:19,450 --> 00:02:18,599

gonna bring him in and go

46

00:02:23,270 --> 00:02:19,460

dude

47

00:02:26,750 --> 00:02:23,280

[Laughter]

48

00:02:28,610 --> 00:02:26,760

man how you doing Billy and uh you know

49

00:02:34,430 --> 00:02:28,620

your

50

00:02:36,949 --> 00:02:34,440

around

51  
00:02:38,330 --> 00:02:36,959  
um and uh you and I all right so we're

52  
00:02:41,690 --> 00:02:38,340  
eating dinner we're having dinner we're

53  
00:02:43,430 --> 00:02:41,700  
having fun or comparing our shoes or

54  
00:02:44,570 --> 00:02:43,440  
whatever and I could go man you know

55  
00:02:48,050 --> 00:02:44,580  
what

56  
00:02:51,410 --> 00:02:48,060  
man I would love

57  
00:02:54,650 --> 00:02:51,420  
to get into Pottery yeah the next thing

58  
00:02:57,050 --> 00:02:54,660  
I know Billy Carson and he's also one of

59  
00:03:02,630 --> 00:02:57,060  
the best honoring artists in the world

60  
00:03:05,990 --> 00:03:02,640  
he's got his own Kiln and he glazes his

61  
00:03:07,729 --> 00:03:06,000  
own clay welcome to the show Billy

62  
00:03:09,710 --> 00:03:07,739  
Carson Billy how you doing my friend

63  
00:03:11,869 --> 00:03:09,720

what's going on I'm doing great man

64

00:03:13,490 --> 00:03:11,879

doing good just landed Kane just got

65

00:03:15,949 --> 00:03:13,500

back from La unfortunately had to cut

66

00:03:17,690 --> 00:03:15,959

the trip a little bit short but uh just

67

00:03:19,910 --> 00:03:17,700

good good to be on your show man good to

68

00:03:22,369 --> 00:03:19,920

be here talking to the fader knots well

69

00:03:26,509 --> 00:03:22,379

here's the thing and thank you for that

70

00:03:28,850 --> 00:03:26,519

um and I just found out uh a few minutes

71

00:03:32,330 --> 00:03:28,860

ago and there's a reason why we were 15

72

00:03:36,290 --> 00:03:32,340

seconds late because I was busy packing

73

00:03:39,290 --> 00:03:36,300

the car uh with gifts for Billy and you

74

00:03:41,390 --> 00:03:39,300

know planning my dinner tonight and and

75

00:03:42,949 --> 00:03:41,400

everything and after the show Billy and

76  
00:03:45,710 --> 00:03:42,959  
I were gonna go out and paint the town

77  
00:03:48,470 --> 00:03:45,720  
red and we had all these and then and

78  
00:03:50,930 --> 00:03:48,480  
then uh find out Billy's back in Miami

79  
00:03:53,149 --> 00:03:50,940  
he's not even in town now I've got to

80  
00:03:55,850 --> 00:03:53,159  
take all my crap out of the car I had

81  
00:03:58,070 --> 00:03:55,860  
gifts wrapped do you know I'm sorry man

82  
00:04:00,830 --> 00:03:58,080  
do you know how long it takes for me to

83  
00:04:04,009 --> 00:04:00,840  
wrap a present do you have anything yeah

84  
00:04:07,009 --> 00:04:04,019  
do you have any idea is this gift bags

85  
00:04:08,809 --> 00:04:07,019  
gift bags are the easiest way is to get

86  
00:04:10,550 --> 00:04:08,819  
you see you don't even feel the guilt

87  
00:04:12,289 --> 00:04:10,560  
you don't even feel it you don't even

88  
00:04:14,630 --> 00:04:12,299

feel it

89

00:04:16,729 --> 00:04:14,640

um I'm sorry I knew I told Elizabeth

90

00:04:18,830 --> 00:04:16,739

that man he's going to be really uh you

91

00:04:20,270 --> 00:04:18,840

know let down but I just it was an

92

00:04:24,790 --> 00:04:20,280

emergency I had to really get back here

93

00:04:29,689 --> 00:04:27,350

you know it was so funny

94

00:04:31,070 --> 00:04:29,699

when Billy comes in of course he's late

95

00:04:34,010 --> 00:04:31,080

you know but

96

00:04:38,650 --> 00:04:34,020

I see the background I'm like dang that

97

00:04:42,650 --> 00:04:38,660

hotel room looks just like your studio

98

00:04:43,210 --> 00:04:42,660

and you just pack it up with you and go

99

00:04:47,270 --> 00:04:43,220

um

100

00:04:49,189 --> 00:04:47,280

uh you know uh Billy I was uh we've got

101  
00:04:51,230 --> 00:04:49,199  
a lot to talk about tonight not a lot of

102  
00:04:53,510 --> 00:04:51,240  
us to go through

103  
00:04:56,810 --> 00:04:53,520  
um but I was

104  
00:05:00,050 --> 00:04:56,820  
um uh speaking with somebody last week

105  
00:05:02,870 --> 00:05:00,060  
who isn't part of our Circle right but

106  
00:05:04,610 --> 00:05:02,880  
but in the community but not me you know

107  
00:05:06,189 --> 00:05:04,620  
and we're just having a general

108  
00:05:09,590 --> 00:05:06,199  
conversation

109  
00:05:11,689 --> 00:05:09,600  
and this person brings up

110  
00:05:13,670 --> 00:05:11,699  
um a question that you know I get a lot

111  
00:05:17,050 --> 00:05:13,680  
and and it's fine

112  
00:05:20,990 --> 00:05:17,060  
what's that how did you and Billy meet

113  
00:05:23,450 --> 00:05:21,000

and it seems like you guys have all of

114

00:05:26,689 --> 00:05:23,460

these things going on uh out there you

115

00:05:29,210 --> 00:05:26,699

guys are great friends and and I love

116

00:05:30,350 --> 00:05:29,220

that and the community sees that in the

117

00:05:33,050 --> 00:05:30,360

both of you

118

00:05:35,210 --> 00:05:33,060

and and I stopped and I said well I

119

00:05:39,110 --> 00:05:35,220

can't answer the first question yeah I

120

00:05:45,290 --> 00:05:42,890

um Billy is a coach he's a coach Sports

121

00:05:47,810 --> 00:05:45,300

life things you know he's a coach and I

122

00:05:52,370 --> 00:05:47,820

listen to him a lot but one of the

123

00:05:54,770 --> 00:05:52,380

things that we do talk about a lot

124

00:05:56,330 --> 00:05:54,780

um and you and Elizabeth do this too so

125

00:05:58,610 --> 00:05:56,340

I kind of want to start here for

126  
00:06:00,290 --> 00:05:58,620  
everybody so they actually pick up on

127  
00:06:04,129 --> 00:06:00,300  
the vibe

128  
00:06:07,070 --> 00:06:04,139  
um if you want to progress in life if

129  
00:06:10,129 --> 00:06:07,080  
you want to Glow if you want to feel the

130  
00:06:11,150 --> 00:06:10,139  
things that you desire you know those if

131  
00:06:13,850 --> 00:06:11,160  
you were

132  
00:06:15,189 --> 00:06:13,860  
get a friend that you trust

133  
00:06:17,990 --> 00:06:15,199  
right

134  
00:06:20,570 --> 00:06:18,000  
absolutely I mean is that like is that

135  
00:06:24,170 --> 00:06:20,580  
the secret sauce is that is that is that

136  
00:06:26,150 --> 00:06:24,180  
is it all kind of center around that

137  
00:06:29,090 --> 00:06:26,160  
well definitely it's a it's a huge part

138  
00:06:30,230 --> 00:06:29,100

I mean a lot of people are out in the

139

00:06:32,570 --> 00:06:30,240

middle of the ocean swimming by

140

00:06:35,510 --> 00:06:32,580

themselves uh or the people that are

141

00:06:37,790 --> 00:06:35,520

swimming around them are not on the same

142

00:06:40,010 --> 00:06:37,800

level they are consciously or even

143

00:06:42,110 --> 00:06:40,020

passionately as to what they're trying

144

00:06:44,270 --> 00:06:42,120

to achieve in their lives and so the

145

00:06:47,890 --> 00:06:44,280

mistake that we make sometimes we try to

146

00:06:50,930 --> 00:06:47,900

bring people along with us and it's not

147

00:06:53,570 --> 00:06:50,940

everyone's Journey your journey is not

148

00:06:55,370 --> 00:06:53,580

everyone's Journey however there are

149

00:06:57,230 --> 00:06:55,380

some people that are going along the

150

00:06:58,969 --> 00:06:57,240

same path where our paths kind of

151  
00:07:01,070 --> 00:06:58,979  
crisscross and intersect and go along

152  
00:07:02,629 --> 00:07:01,080  
the same route for some time and they're

153  
00:07:03,830 --> 00:07:02,639  
on the same frequency they're on the

154  
00:07:05,749 --> 00:07:03,840  
same energy they have the same

155  
00:07:07,790 --> 00:07:05,759  
inspiration motivation and same passions

156  
00:07:08,990 --> 00:07:07,800  
and those are the kind of people that

157  
00:07:10,070 --> 00:07:09,000  
you want to link up with those are the

158  
00:07:12,230 --> 00:07:10,080  
kind of people you want to spend time

159  
00:07:14,629 --> 00:07:12,240  
and energy with because it's going to be

160  
00:07:16,129 --> 00:07:14,639  
an even energy exchange like when I'm

161  
00:07:17,330 --> 00:07:16,139  
with you Jimmy we're working we're

162  
00:07:19,189 --> 00:07:17,340  
hanging out we're doing whatever we're

163  
00:07:20,930 --> 00:07:19,199

doing it's always an even energy

164

00:07:22,909 --> 00:07:20,940

exchange there I don't feel like I'm

165

00:07:25,070 --> 00:07:22,919

being drained and you don't feel like

166

00:07:26,930 --> 00:07:25,080

you're being drained so that's what

167

00:07:29,390 --> 00:07:26,940

needs to happen you need to be put

168

00:07:31,490 --> 00:07:29,400

yourself in the circle of people that

169

00:07:34,909 --> 00:07:31,500

are going to help push you help you

170

00:07:37,010 --> 00:07:34,919

thrive and and and really be happy for

171

00:07:38,749 --> 00:07:37,020

your achievements applaud you be your

172

00:07:41,450 --> 00:07:38,759

cheerleader for when you accomplish

173

00:07:43,070 --> 00:07:41,460

something great not troll you or hate on

174

00:07:45,469 --> 00:07:43,080

you or talk about you behind your back

175

00:07:48,290 --> 00:07:45,479

and so you got to make that solid Circle

176

00:07:53,510 --> 00:07:48,300

because those people will help you rise

177

00:07:58,189 --> 00:07:53,520

it it it's so true and uh the the the

178

00:08:00,710 --> 00:07:58,199

the reason for that is you don't want to

179

00:08:03,350 --> 00:08:00,720

I have people

180

00:08:07,210 --> 00:08:03,360

um not everybody certainly but

181

00:08:12,529 --> 00:08:07,220

but I have people that come up uh to me

182

00:08:16,850 --> 00:08:12,539

and will ask me about the show or ask me

183

00:08:19,309 --> 00:08:16,860

about Egypt or UFOs or or whatever and

184

00:08:21,650 --> 00:08:19,319

and that's great but you know what

185

00:08:24,890 --> 00:08:21,660

people don't ask me

186

00:08:27,589 --> 00:08:24,900

they don't come up and go how you doing

187

00:08:30,830 --> 00:08:27,599

that's right how are you doing

188

00:08:34,250 --> 00:08:30,840

you know and and that that that's Direct

189

00:08:37,070 --> 00:08:34,260

that's who you want around you

190

00:08:38,990 --> 00:08:37,080

you know and in a lot of ways

191

00:08:41,149 --> 00:08:39,000

um that's the conversation that you and

192

00:08:44,149 --> 00:08:41,159

I have right Jimmy how are you doing

193

00:08:46,550 --> 00:08:44,159

well Billy okay let's talk about you

194

00:08:49,130 --> 00:08:46,560

know Billy how you doing how are you

195

00:08:52,070 --> 00:08:49,140

doing and and and that's what you need

196

00:08:53,750 --> 00:08:52,080

you don't need uh people around you to a

197

00:08:57,710 --> 00:08:53,760

the yes

198

00:09:00,889 --> 00:08:57,720

people or know people or or somebody

199

00:09:03,050 --> 00:09:00,899

that is is is not there because of trust

200

00:09:05,269 --> 00:09:03,060

you want people around you that are

201  
00:09:07,850 --> 00:09:05,279  
going to challenge you and that are

202  
00:09:11,150 --> 00:09:07,860  
really there because they care and

203  
00:09:13,910 --> 00:09:11,160  
that's that's that kind of support you

204  
00:09:15,949 --> 00:09:13,920  
can't purchase that right you can't go

205  
00:09:18,590 --> 00:09:15,959  
out and find it it's just going to find

206  
00:09:20,810 --> 00:09:18,600  
you isn't it yeah it's going to find you

207  
00:09:23,150 --> 00:09:20,820  
we want it's really amazing how the

208  
00:09:25,850 --> 00:09:23,160  
universe works because once you

209  
00:09:27,829 --> 00:09:25,860  
are on your hero's journey

210  
00:09:30,230 --> 00:09:27,839  
and you're really tapped in and and

211  
00:09:32,930 --> 00:09:30,240  
really understanding who you truly are

212  
00:09:34,250 --> 00:09:32,940  
as a person and you begin to really go

213  
00:09:36,889 --> 00:09:34,260

out there and Thrive while you're

214

00:09:39,110 --> 00:09:36,899

following your passion it's amazing how

215

00:09:41,690 --> 00:09:39,120

you will begin to attract the people

216

00:09:44,329 --> 00:09:41,700

into your life that need to be there for

217

00:09:47,030 --> 00:09:44,339

you versus chasing people when you're

218

00:09:48,889 --> 00:09:47,040

chasing you're not attracting and when

219

00:09:50,570 --> 00:09:48,899

you're chasing it's like that character

220

00:09:51,829 --> 00:09:50,580

they utilize at the end of that string

221

00:09:52,850 --> 00:09:51,839

right like the government puts the

222

00:09:54,290 --> 00:09:52,860

carrot out there and they keep you

223

00:09:56,269 --> 00:09:54,300

running towards this character when you

224

00:09:58,370 --> 00:09:56,279

get 65 you can get this little tiny

225

00:10:00,290 --> 00:09:58,380

check they got the carrot dangling in

226

00:10:02,810 --> 00:10:00,300

front of you the carrot is absolutely

227

00:10:05,329 --> 00:10:02,820

worthless but when you begin to attract

228

00:10:07,610 --> 00:10:05,339

when you focus on the power inside of

229

00:10:09,590 --> 00:10:07,620

you go to Inner Space and you begin to

230

00:10:11,210 --> 00:10:09,600

attract the people into your life that

231

00:10:14,449 --> 00:10:11,220

need to be there that's when things

232

00:10:16,970 --> 00:10:14,459

begin to shift why is it

233

00:10:19,430 --> 00:10:16,980

um I I didn't I didn't plan on going off

234

00:10:23,410 --> 00:10:19,440

into this direction but let's stay there

235

00:10:27,650 --> 00:10:23,420

for a second thank you for that because

236

00:10:29,630 --> 00:10:27,660

we we are programmed

237

00:10:34,389 --> 00:10:29,640

about a dream

238

00:10:37,730 --> 00:10:34,399

we are programmed What happiness is

239

00:10:40,430 --> 00:10:37,740

allegedly right and this is programmed

240

00:10:42,769 --> 00:10:40,440

into us and you're right so you get to

241

00:10:45,490 --> 00:10:42,779

the end of the journey and you kind of

242

00:10:47,990 --> 00:10:45,500

take a look around and go

243

00:10:52,130 --> 00:10:48,000

this was happiness

244

00:10:55,670 --> 00:10:52,140

right this was the secret to life I

245

00:10:58,009 --> 00:10:55,680

don't I I don't feel any different I did

246

00:10:59,990 --> 00:10:58,019

everything they told me to do I got the

247

00:11:03,710 --> 00:11:00,000

promotions

248

00:11:05,269 --> 00:11:03,720

um I I got my pool in the backyard right

249

00:11:09,350 --> 00:11:05,279

that was supposed to bring me happiness

250

00:11:12,410 --> 00:11:09,360

I finally got a four-car garage right

251

00:11:15,170 --> 00:11:12,420

all of these things that are are

252

00:11:17,690 --> 00:11:15,180

programmed into us that's not happiness

253

00:11:19,610 --> 00:11:17,700

is it no no it's not really happiness

254

00:11:20,810 --> 00:11:19,620

now those things can add luxuries to

255

00:11:21,949 --> 00:11:20,820

your life that make your life seem a

256

00:11:23,449 --> 00:11:21,959

little bit smoother and better or you

257

00:11:25,670 --> 00:11:23,459

feel like you've been rewarded for the

258

00:11:28,610 --> 00:11:25,680

work that you've done but you know

259

00:11:30,470 --> 00:11:28,620

happiness man is spending a birthday

260

00:11:32,930 --> 00:11:30,480

with you know with a good friend like

261

00:11:35,090 --> 00:11:32,940

you Jimmy last year you know on the Nile

262

00:11:37,970 --> 00:11:35,100

overlooking the Wilderness you know

263

00:11:40,610 --> 00:11:37,980

nature and just celebrating and have a

264

00:11:42,170 --> 00:11:40,620

good time and celebrating each other uh

265

00:11:45,050 --> 00:11:42,180

you know things like that spending time

266

00:11:46,910 --> 00:11:45,060

with your better half and uh you know

267

00:11:49,550 --> 00:11:46,920

trying to see how you guys can continue

268

00:11:51,769 --> 00:11:49,560

to grow and build and bring emotional

269

00:11:53,990 --> 00:11:51,779

support to one another and those kind of

270

00:11:56,110 --> 00:11:54,000

kinds of things and you know that's what

271

00:11:59,150 --> 00:11:56,120

happened this really truly is all about

272

00:12:02,810 --> 00:11:59,160

understanding the the how to smell the

273

00:12:05,269 --> 00:12:02,820

roses you know I used to just go months

274

00:12:08,389 --> 00:12:05,279

and months and months and just you know

275

00:12:10,610 --> 00:12:08,399

grinding Non-Stop and I I re I came to

276

00:12:12,769 --> 00:12:10,620

the realization like I had blown 10

277

00:12:16,009 --> 00:12:12,779

years without smelling any roses so now

278

00:12:19,910 --> 00:12:16,019

I stop and smell the roses every chance

279

00:12:23,389 --> 00:12:19,920

it's like Oh Billy dropped out his

280

00:12:25,850 --> 00:12:23,399

high-tech Studio high-tech studio and

281

00:12:27,949 --> 00:12:25,860

this dream choked up I'm here yeah no

282

00:12:32,329 --> 00:12:27,959

you're you're you're back you're not

283

00:12:35,870 --> 00:12:32,339

there you're back and but but that is

284

00:12:38,150 --> 00:12:35,880

important and uh you're right yeah we

285

00:12:39,970 --> 00:12:38,160

spent my birthday on the Nile the best

286

00:12:42,949 --> 00:12:39,980

birthday ever right

287

00:12:45,829 --> 00:12:42,959

Elizabeth's birthday what did I do

288

00:12:51,170 --> 00:12:45,839

I jumped on a plane I went out and hung

289

00:12:53,210 --> 00:12:51,180

out with my friends and and you know

290

00:12:56,269 --> 00:12:53,220

what that was a pretty epic weekend I

291

00:12:59,269 --> 00:12:56,279

might add but that's what you do you

292

00:13:02,449 --> 00:12:59,279

know and I I I I can't express that

293

00:13:04,490 --> 00:13:02,459

enough now this is where we tie this in

294

00:13:06,970 --> 00:13:04,500

to the ancients

295

00:13:10,129 --> 00:13:06,980

before the internet

296

00:13:13,910 --> 00:13:10,139

before you and I text him ten times a

297

00:13:15,650 --> 00:13:13,920

day before this right before these

298

00:13:19,190 --> 00:13:15,660

connections

299

00:13:24,610 --> 00:13:19,200

um the Ancients knew

300

00:13:28,449 --> 00:13:24,620

about the mind about the value of family

301

00:13:32,509 --> 00:13:28,459

and friendships and and and

302

00:13:36,170 --> 00:13:32,519

Consciousness and the what was special

303

00:13:39,290 --> 00:13:36,180

about life they understood feminine and

304

00:13:41,750 --> 00:13:39,300

the masculine and and ways to support

305

00:13:43,730 --> 00:13:41,760

each other and and to look around in

306

00:13:47,629 --> 00:13:43,740

nature and Mother Earth and everything

307

00:13:50,389 --> 00:13:47,639

else they understood all of that and

308

00:13:54,370 --> 00:13:50,399

here we are right here we are today in

309

00:13:57,769 --> 00:13:54,380

2023 trying to re-teach these things

310

00:14:00,889 --> 00:13:57,779

that were known thousands of years ago

311

00:14:02,150 --> 00:14:00,899

why why did we forget all of these

312

00:14:03,769 --> 00:14:02,160

values

313

00:14:07,370 --> 00:14:03,779

well you know

314

00:14:09,110 --> 00:14:07,380

um technology is a huge distraction it's

315

00:14:11,629 --> 00:14:09,120

got a lot of benefits to humanity of

316

00:14:14,090 --> 00:14:11,639

course I mean we can't deny that but at

317

00:14:17,870 --> 00:14:14,100

the same time technology can become a

318

00:14:19,490 --> 00:14:17,880

huge distraction and so you know when we

319

00:14:21,650 --> 00:14:19,500

both were growing up Jimmy you know we

320

00:14:24,110 --> 00:14:21,660

didn't have cell phones pagers we had

321

00:14:26,150 --> 00:14:24,120

four channels on TV

322

00:14:28,850 --> 00:14:26,160

um and there was no cable TV didn't even

323

00:14:31,550 --> 00:14:28,860

exist yet so all of a sudden you just

324

00:14:33,590 --> 00:14:31,560

have to interact you have to engage with

325

00:14:36,350 --> 00:14:33,600

the people that you're around right you

326

00:14:37,970 --> 00:14:36,360

have to socialize with with people uh

327

00:14:40,069 --> 00:14:37,980

you had to go outside and play you

328

00:14:44,629 --> 00:14:40,079

couldn't stay on a screen all day

329

00:14:47,329 --> 00:14:44,639

tapping on it and so technology in some

330

00:14:50,230 --> 00:14:47,339

ways have lifted Humanity to take us to

331

00:14:54,230 --> 00:14:50,240

bigger Heights but at the same time

332

00:14:57,170 --> 00:14:54,240

consciously and socially it's also kind

333

00:14:58,850 --> 00:14:57,180

of held us back and disconnected us from

334

00:15:00,889 --> 00:14:58,860

who we truly are and disconnected us

335

00:15:03,829 --> 00:15:00,899

from one another as well

336

00:15:08,150 --> 00:15:03,839

and how did we get it back though I mean

337

00:15:10,730 --> 00:15:08,160

is it is the world depending on uh you

338

00:15:12,110 --> 00:15:10,740

and I you know and others like us of

339

00:15:15,230 --> 00:15:12,120

course

340

00:15:19,009 --> 00:15:15,240

um but is is that you know we can

341

00:15:21,949 --> 00:15:19,019

contribute but how do we get it back on

342

00:15:25,670 --> 00:15:21,959

a global scale because back in the day

343

00:15:28,069 --> 00:15:25,680

it was normal right it was it was a way

344

00:15:31,730 --> 00:15:28,079

of life uh today it's not that kind of

345

00:15:34,850 --> 00:15:31,740

party and I don't think

346

00:15:37,250 --> 00:15:34,860

I mean okay you've got friends you've

347

00:15:40,329 --> 00:15:37,260

got family members I've even seen you do

348

00:15:42,769 --> 00:15:40,339

it too I do it you're sitting at dinner

349

00:15:44,569 --> 00:15:42,779

and and you look around at the

350

00:15:47,090 --> 00:15:44,579

restaurant or look around at your own

351

00:15:50,110 --> 00:15:47,100

table and everybody's on their cell

352

00:15:52,210 --> 00:15:50,120

phone when they have a live person

353

00:15:56,150 --> 00:15:52,220

sitting there right in front of them

354

00:15:58,610 --> 00:15:56,160

right that that to me doesn't make any

355

00:16:00,710 --> 00:15:58,620

sense I know that

356

00:16:03,110 --> 00:16:00,720

um you and I do enough uh projects

357

00:16:06,110 --> 00:16:03,120

together and when we do a project like

358

00:16:07,610 --> 00:16:06,120

right now tonight we're about to talk

359

00:16:09,949 --> 00:16:07,620

for two hours

360

00:16:13,790 --> 00:16:09,959

right and we're not gonna mess with our

361

00:16:16,550 --> 00:16:13,800

cell phones can you imagine suggesting

362

00:16:18,829 --> 00:16:16,560

to somebody hey check this out

363

00:16:20,329 --> 00:16:18,839

put your phone down for three hours and

364

00:16:23,629 --> 00:16:20,339

just talk to somebody

365

00:16:25,730 --> 00:16:23,639

right that they would lose their minds

366

00:16:27,650 --> 00:16:25,740

or they go crazy a lot of people will go

367

00:16:29,750 --> 00:16:27,660

crazy absolutely crazy

368

00:16:33,230 --> 00:16:29,760

you know we're we've gotten so used to

369

00:16:35,689 --> 00:16:33,240

the stimulus of the streams and the

370

00:16:38,930 --> 00:16:35,699

feeds and everything else and so there's

371

00:16:41,870 --> 00:16:38,940

this consistent or persistent need for

372

00:16:43,670 --> 00:16:41,880

dopamine uh from these um from these

373

00:16:45,470 --> 00:16:43,680

streams and feeds that we're looking for

374

00:16:47,749 --> 00:16:45,480

consistently over and over again so it's

375

00:16:50,269 --> 00:16:47,759

an addiction it's a it's an actual

376

00:16:52,069 --> 00:16:50,279

addiction and the only way to come

377

00:16:55,430 --> 00:16:52,079

overcome this is to continue to bring

378

00:16:57,710 --> 00:16:55,440

people's awareness to it the thing that

379

00:17:00,290 --> 00:16:57,720

a lot of people don't realize is that

380

00:17:03,410 --> 00:17:00,300

they're in court in this addictive loop

381

00:17:05,030 --> 00:17:03,420

with uh information all right too much

382

00:17:07,069 --> 00:17:05,040

information as a matter of fact and so

383

00:17:08,150 --> 00:17:07,079

when you bring awareness to it I'll just

384

00:17:10,309 --> 00:17:08,160

tell you a couple things that we did

385

00:17:13,130 --> 00:17:10,319

even in my house we implemented specific

386

00:17:15,710 --> 00:17:13,140

days where we spend family time and for

387

00:17:18,650 --> 00:17:15,720

that entire full day there is no cell

388

00:17:20,750 --> 00:17:18,660

phone activity whatsoever good and so

389

00:17:22,130 --> 00:17:20,760

for those full day for those days that

390

00:17:24,530 --> 00:17:22,140

are selected and you're on the calendar

391

00:17:27,650 --> 00:17:24,540

on the schedule those days are pure

392

00:17:28,309 --> 00:17:27,660

family days it's my job to plan the day

393

00:17:30,230 --> 00:17:28,319

okay

394

00:17:33,110 --> 00:17:30,240

uh you know in terms of what we're going

395

00:17:35,450 --> 00:17:33,120

to do as a family uh and there'll be no

396

00:17:37,190 --> 00:17:35,460

cell phones and so we have to begin to

397

00:17:39,169 --> 00:17:37,200

think outside the box now that we've

398

00:17:42,409 --> 00:17:39,179

brought awareness to the problem and the

399

00:17:44,450 --> 00:17:42,419

issue okay what's the solution so now we

400

00:17:46,010 --> 00:17:44,460

have to begin to think okay one solution

401  
00:17:47,750 --> 00:17:46,020  
is let's set up a family day no cell

402  
00:17:49,549 --> 00:17:47,760  
phones for the day when we have dinner

403  
00:17:52,130 --> 00:17:49,559  
if we're out eating dinner if we're

404  
00:17:54,650 --> 00:17:52,140  
having um a a family dinner or something

405  
00:17:55,970 --> 00:17:54,660  
else is going on unless it's a real

406  
00:17:57,830 --> 00:17:55,980  
urgent situation

407  
00:17:59,570 --> 00:17:57,840  
let's avoid the cell phones let's

408  
00:18:01,130 --> 00:17:59,580  
interact let's engage with one another

409  
00:18:02,990 --> 00:18:01,140  
so we have to learn how to make

410  
00:18:04,909 --> 00:18:03,000  
conscious efforts to do this on a

411  
00:18:07,010 --> 00:18:04,919  
consistent basis and then teach our kids

412  
00:18:08,510 --> 00:18:07,020  
to do the same so they can continue to

413  
00:18:09,230 --> 00:18:08,520

pass it down to the Next Generation as

414

00:18:12,110 --> 00:18:09,240

well

415

00:18:14,510 --> 00:18:12,120

and Billy practices what he preaches I'm

416

00:18:19,010 --> 00:18:14,520

not going to show them the text uh that

417

00:18:22,090 --> 00:18:19,020

that I sent you the other day so

418

00:18:25,850 --> 00:18:22,100

so I I need Ed to talk to Billy right

419

00:18:29,450 --> 00:18:25,860

needed to talk to Billy I mean and

420

00:18:32,150 --> 00:18:29,460

normally normally in a normal situation

421

00:18:36,230 --> 00:18:32,160

I can prove this to anybody Billy will

422

00:18:37,490 --> 00:18:36,240

respond to my text in seconds true I

423

00:18:39,890 --> 00:18:37,500

don't know it doesn't matter what

424

00:18:42,890 --> 00:18:39,900

Billy's doing I I I'll get the reply

425

00:18:46,130 --> 00:18:42,900

right in in seconds so I text Bill hey

426

00:18:49,190 --> 00:18:46,140

man uh what's up I got nothing

427

00:18:50,570 --> 00:18:49,200

so that that's level one it's like 10

428

00:18:54,470 --> 00:18:50,580

minutes later

429

00:18:57,110 --> 00:18:54,480

Billy uh please uh give me a call

430

00:19:00,950 --> 00:18:57,120

it's 15 minutes later now we're like a

431

00:19:03,610 --> 00:19:00,960

half hour in and now the violence starts

432

00:19:07,730 --> 00:19:03,620

in my text right

433

00:19:10,070 --> 00:19:07,740

and and I'm like dude and so after a

434

00:19:12,890 --> 00:19:10,080

half a day of this

435

00:19:14,990 --> 00:19:12,900

it concluded with okay man I guess my

436

00:19:19,549 --> 00:19:15,000

best friend is ghosting me man live a

437

00:19:21,230 --> 00:19:19,559

good life send right bang that out and I

438

00:19:24,470 --> 00:19:21,240

threw the phone on the table and I'm

439

00:19:26,510 --> 00:19:24,480

like take that Carson and finally he

440

00:19:30,529 --> 00:19:26,520

texts me back hey man it's no cell phone

441

00:19:34,130 --> 00:19:30,539

day here and I sat back and I just

442

00:19:36,590 --> 00:19:34,140

thought man yeah oh I just I felt

443

00:19:39,770 --> 00:19:36,600

horrible but you know you put a smile on

444

00:19:41,870 --> 00:19:39,780

my face but but that you practice what

445

00:19:44,630 --> 00:19:41,880

you preach right I don't know maybe he

446

00:19:46,130 --> 00:19:44,640

was really ghosting me um no you have to

447

00:19:48,590 --> 00:19:46,140

man you have to you know it's uh and

448

00:19:50,330 --> 00:19:48,600

it's important too and it you know we

449

00:19:53,029 --> 00:19:50,340

have to come up with these ways to

450

00:19:54,710 --> 00:19:53,039

disconnect so we could so that we can

451  
00:19:56,210 --> 00:19:54,720  
reconnect really is what it's all about

452  
00:19:58,310 --> 00:19:56,220  
you know

453  
00:20:00,529 --> 00:19:58,320  
it is so um

454  
00:20:02,690 --> 00:20:00,539  
excuse me you caught me uh made coffee

455  
00:20:05,450 --> 00:20:02,700  
drink oh by the way

456  
00:20:07,970 --> 00:20:05,460  
uh let everybody know Billy came over uh

457  
00:20:11,690 --> 00:20:07,980  
to my house a couple of weeks ago

458  
00:20:13,190 --> 00:20:11,700  
and uh Billy Elizabeth and Gabe and tell

459  
00:20:17,510 --> 00:20:13,200  
everybody

460  
00:20:21,110 --> 00:20:17,520  
how good my coffee is I mean when you

461  
00:20:24,169 --> 00:20:21,120  
come to my house do I play

462  
00:20:27,370 --> 00:20:24,179  
no man listen Jimmy don't play he

463  
00:20:31,070 --> 00:20:27,380

brought out the dark roast

464

00:20:32,810 --> 00:20:31,080

oh great coffee phenomenal coffee it was

465

00:20:33,890 --> 00:20:32,820

cold too I needed that coffee because I

466

00:20:35,390 --> 00:20:33,900

don't know what in the world's going on

467

00:20:38,390 --> 00:20:35,400

out there in California but it was ice

468

00:20:40,970 --> 00:20:38,400

cold uh but no great coffee man and we

469

00:20:42,110 --> 00:20:40,980

had a great time uh just phenomenal

470

00:20:44,270 --> 00:20:42,120

coffee though I definitely highly

471

00:20:45,710 --> 00:20:44,280

recommend it for sure it's really it was

472

00:20:47,810 --> 00:20:45,720

my first time tasting it was it was

473

00:20:49,669 --> 00:20:47,820

phenomenal yeah I'm not here for the uh

474

00:20:52,909 --> 00:20:49,679

the props but man we had a good time

475

00:20:54,830 --> 00:20:52,919

that day and I am sipping the reason why

476

00:20:58,789 --> 00:20:54,840

I say that is I'm sipping that coffee

477

00:21:02,930 --> 00:20:58,799

that you drank it's so good so anyway

478

00:21:07,490 --> 00:21:05,270

we're not sort of seven the SR-71

479

00:21:10,549 --> 00:21:07,500

Blackbird which was pretty cool you know

480

00:21:13,310 --> 00:21:10,559

what when you reached up uh to that

481

00:21:15,110 --> 00:21:13,320

you're so much taller than I am and you

482

00:21:18,169 --> 00:21:15,120

put your hand on the edge of the wing

483

00:21:19,190 --> 00:21:18,179

and I was watching you run your hand

484

00:21:22,970 --> 00:21:19,200

down

485

00:21:29,270 --> 00:21:22,980

and and this is what Billy said

486

00:21:32,090 --> 00:21:29,280

it's it's artwork yeah it is yeah it's

487

00:21:35,570 --> 00:21:32,100

hard work man it's it's crazy

488

00:21:37,850 --> 00:21:35,580

um last year uh yeah it's about a year

489

00:21:41,750 --> 00:21:37,860

ago we go to the Bahamas

490

00:21:44,029 --> 00:21:41,760

and you said to me well it was uh not

491

00:21:45,830 --> 00:21:44,039

you Elizabeth and you know we were

492

00:21:49,370 --> 00:21:45,840

sitting at uh dinner

493

00:21:52,130 --> 00:21:49,380

but uh okay uh next year's going to be a

494

00:21:55,430 --> 00:21:52,140

crazy year uh this is what we've got

495

00:21:57,169 --> 00:21:55,440

going on and uh this is what we would

496

00:22:01,130 --> 00:21:57,179

like to do and we started to put this

497

00:22:03,950 --> 00:22:01,140

list together and it it seemed at the

498

00:22:05,270 --> 00:22:03,960

time I mean I know who I'm dealing with

499

00:22:07,909 --> 00:22:05,280

but

500

00:22:10,570 --> 00:22:07,919

seemed like at the time that we were

501  
00:22:14,630 --> 00:22:10,580  
biting off more than we could chew

502  
00:22:17,750 --> 00:22:14,640  
right now right I mean it was it was a

503  
00:22:21,470 --> 00:22:17,760  
it was it was gnarly it's a lot

504  
00:22:24,110 --> 00:22:21,480  
we got it done got it done man we got it

505  
00:22:26,390 --> 00:22:24,120  
done execute execution is key execution

506  
00:22:27,890 --> 00:22:26,400  
is key and that's why I rock with you

507  
00:22:30,529 --> 00:22:27,900  
Jimmy that's why we work well together

508  
00:22:32,450 --> 00:22:30,539  
because we're all about execution we're

509  
00:22:34,789 --> 00:22:32,460  
all about following through

510  
00:22:36,470 --> 00:22:34,799  
uh and you know we'll go above and

511  
00:22:37,909 --> 00:22:36,480  
beyond the Call of Duty to make sure

512  
00:22:40,730 --> 00:22:37,919  
that we execute and that's very

513  
00:22:42,710 --> 00:22:40,740

important we've uh we've got a list of

514

00:22:44,810 --> 00:22:42,720

things and

515

00:22:46,909 --> 00:22:44,820

um as we're not going to do it all at

516

00:22:51,610 --> 00:22:46,919

once or anything like that but uh I want

517

00:22:54,049 --> 00:22:51,620

to go through and there are reasons for

518

00:22:57,350 --> 00:22:54,059

each one of these things that we are

519

00:22:58,310 --> 00:22:57,360

doing it it it it when you look at the

520

00:23:01,909 --> 00:22:58,320

list

521

00:23:04,850 --> 00:23:01,919

okay yeah it looks like a lot of stuff

522

00:23:08,270 --> 00:23:04,860

but there is there is a thought and

523

00:23:11,270 --> 00:23:08,280

reason behind each thing

524

00:23:14,930 --> 00:23:11,280

um and so here we are uh we're in the

525

00:23:17,810 --> 00:23:14,940

middle of the May we're going into June

526

00:23:21,470 --> 00:23:17,820

um and the first thing that we've got uh

527

00:23:25,370 --> 00:23:21,480

kicking off the first major uh event is

528

00:23:27,890 --> 00:23:25,380

is coming up in July so we don't have I

529

00:23:30,770 --> 00:23:27,900

thought we had something in June but we

530

00:23:32,690 --> 00:23:30,780

don't uh we'll Circle back to that right

531

00:23:34,549 --> 00:23:32,700

Billy we don't have anything in June I'm

532

00:23:36,470 --> 00:23:34,559

not missing it

533

00:23:38,450 --> 00:23:36,480

I think everything in June that I had

534

00:23:42,549 --> 00:23:38,460

was virtual okay

535

00:23:46,250 --> 00:23:42,559

um so yeah it's it's a lot

536

00:23:49,430 --> 00:23:46,260

but I think June and we knew this uh

537

00:23:52,730 --> 00:23:49,440

June was a month that we had free and we

538

00:23:54,710 --> 00:23:52,740

had December free so yeah it stands

539

00:23:57,710 --> 00:23:54,720

right now we still have June and and

540

00:23:59,870 --> 00:23:57,720

December free right that was our goal

541

00:24:00,649 --> 00:23:59,880

was to get to December right that was

542

00:24:02,029 --> 00:24:00,659

yeah

543

00:24:04,370 --> 00:24:02,039

okay

544

00:24:09,529 --> 00:24:04,380

um but coming up

545

00:24:12,409 --> 00:24:09,539

um uh in in July which is July 30th it's

546

00:24:17,029 --> 00:24:12,419

the first annual forbidden conscious

547

00:24:19,250 --> 00:24:17,039

awards at uh the Adrian Arts Center uh

548

00:24:23,210 --> 00:24:19,260

for the Performing Arts um right there

549

00:24:26,210 --> 00:24:23,220

in Miami Florida but that this is not

550

00:24:30,710 --> 00:24:26,220

just an awards this is this is much more

551  
00:24:34,430 --> 00:24:30,720  
than that but there's a reason to have

552  
00:24:36,710 --> 00:24:34,440  
an awards uh ceremony an event like this

553  
00:24:40,490 --> 00:24:36,720  
what is that reason

554  
00:24:45,529 --> 00:24:40,500  
the reason is uh if you look at all

555  
00:24:48,830 --> 00:24:45,539  
other fields of uh work genres uh

556  
00:24:52,070 --> 00:24:48,840  
creativity entertainment they all have

557  
00:24:55,310 --> 00:24:52,080  
given themselves a ceremony in which

558  
00:24:57,169 --> 00:24:55,320  
they actually you know give credit and

559  
00:24:59,510 --> 00:24:57,179  
flowers to the people that have done

560  
00:25:03,350 --> 00:24:59,520  
work that they feel have impacted their

561  
00:25:05,149 --> 00:25:03,360  
lives in a specific way music acting art

562  
00:25:07,490 --> 00:25:05,159  
you name it there there are all these

563  
00:25:09,110 --> 00:25:07,500

award ceremonies out there uh even

564

00:25:11,090 --> 00:25:09,120

Medical in the medical industry and

565

00:25:14,029 --> 00:25:11,100

everything else on the mainstream side

566

00:25:15,710 --> 00:25:14,039

of course Hollywood and so you look at

567

00:25:18,710 --> 00:25:15,720

that and you go how they've legitimized

568

00:25:20,149 --> 00:25:18,720

themselves by awarding themselves which

569

00:25:21,350 --> 00:25:20,159

is nothing wrong with that because I

570

00:25:24,409 --> 00:25:21,360

think you should celebrate people's

571

00:25:26,149 --> 00:25:24,419

successes and hard work and efforts when

572

00:25:27,649 --> 00:25:26,159

I looked around and I looked at our

573

00:25:30,890 --> 00:25:27,659

community I noticed that people were

574

00:25:32,090 --> 00:25:30,900

getting awards from time to time uh you

575

00:25:33,169 --> 00:25:32,100

know like they would have there would be

576  
00:25:34,430 --> 00:25:33,179  
a conference and then there would be

577  
00:25:36,950 --> 00:25:34,440  
some awards handed out there'll be

578  
00:25:39,590 --> 00:25:36,960  
accomplishing some awards but I saw a

579  
00:25:40,970 --> 00:25:39,600  
huge need to cover a vast array of

580  
00:25:42,890 --> 00:25:40,980  
categories

581  
00:25:45,370 --> 00:25:42,900  
and not just a Lifetime Achievement

582  
00:25:47,750 --> 00:25:45,380  
Award or awarding a specific

583  
00:25:49,130 --> 00:25:47,760  
multi-category like you know podcasts

584  
00:25:52,310 --> 00:25:49,140  
and things like that I saw that there's

585  
00:25:54,230 --> 00:25:52,320  
so many such a wide range of categories

586  
00:25:57,289 --> 00:25:54,240  
where people are doing work even just a

587  
00:25:59,570 --> 00:25:57,299  
social media influencer is not a it's

588  
00:26:01,250 --> 00:25:59,580

not an easy job influencing people in

589

00:26:03,649 --> 00:26:01,260

the proper way through social media to

590

00:26:05,029 --> 00:26:03,659

make conscious and right decisions and

591

00:26:07,789 --> 00:26:05,039

so I said to myself and I talked to

592

00:26:10,370 --> 00:26:07,799

Elizabeth I said man we gotta we should

593

00:26:12,230 --> 00:26:10,380

do an award ceremony and you know and uh

594

00:26:14,149 --> 00:26:12,240

that we can recognize people so we we

595

00:26:16,250 --> 00:26:14,159

gave Jimmy a call and we ran it by him

596

00:26:18,409 --> 00:26:16,260

and it's like here let's let's do these

597

00:26:20,750 --> 00:26:18,419

forbidden conscious Awards let's have a

598

00:26:23,269 --> 00:26:20,760

huge ceremony where we can recognize

599

00:26:25,490 --> 00:26:23,279

people for their efforts and how they've

600

00:26:27,710 --> 00:26:25,500

impacted people's lives while they are

601  
00:26:29,870 --> 00:26:27,720  
still alive give them their flowers now

602  
00:26:31,310 --> 00:26:29,880  
let's not wait until something happens

603  
00:26:33,230 --> 00:26:31,320  
God forbid and then all of a sudden

604  
00:26:34,610 --> 00:26:33,240  
we're just putting up a bunch of memes

605  
00:26:37,490 --> 00:26:34,620  
and images of them all over the place

606  
00:26:40,010 --> 00:26:37,500  
let's begin to recognize people and also

607  
00:26:41,870 --> 00:26:40,020  
let's also legitimize ourselves by

608  
00:26:43,970 --> 00:26:41,880  
giving credit to the people that are

609  
00:26:46,909 --> 00:26:43,980  
putting in the effort on the behalf of

610  
00:26:49,310 --> 00:26:46,919  
humanity and let's do that now and so

611  
00:26:51,830 --> 00:26:49,320  
that's how it came about uh and so we

612  
00:26:54,230 --> 00:26:51,840  
came up with 12 amazing categories

613  
00:26:56,510 --> 00:26:54,240

really 11 categories and one twelfth

614

00:26:59,690 --> 00:26:56,520

Lifetime Achievement Award which would

615

00:27:02,570 --> 00:26:59,700

be picked by forbidden knowledge but um

616

00:27:04,610 --> 00:27:02,580

it I think it just was time for us to

617

00:27:07,010 --> 00:27:04,620

set the bar really really high in other

618

00:27:09,110 --> 00:27:07,020

words not to take away from any other

619

00:27:10,789 --> 00:27:09,120

awards that have been given out not to

620

00:27:13,970 --> 00:27:10,799

take I've been the recipient of awards

621

00:27:16,310 --> 00:27:13,980

I'm very grateful and very happy and I

622

00:27:18,350 --> 00:27:16,320

really really appreciate the recognition

623

00:27:21,590 --> 00:27:18,360

and the blessing but I think there's

624

00:27:24,769 --> 00:27:21,600

another level even above these that uh

625

00:27:26,690 --> 00:27:24,779

will give us as a community the full and

626

00:27:29,269 --> 00:27:26,700

total established recognition that we

627

00:27:31,430 --> 00:27:29,279

deserve and I anticipate on having the

628

00:27:34,190 --> 00:27:31,440

mainstream media there to witness this

629

00:27:35,390 --> 00:27:34,200

and to see this and to document this uh

630

00:27:38,690 --> 00:27:35,400

and we want to do it at the highest

631

00:27:41,450 --> 00:27:38,700

level a 10 Star Event where uh we really

632

00:27:43,669 --> 00:27:41,460

legitimize ourselves and begin to make

633

00:27:45,830 --> 00:27:43,679

forbidden knowledge common knowledge we

634

00:27:47,450 --> 00:27:45,840

want that to be the new cool and the

635

00:27:48,470 --> 00:27:47,460

other stuff to be like and you know

636

00:27:50,090 --> 00:27:48,480

that's what you're on I mean that's

637

00:27:51,950 --> 00:27:50,100

basic let's talk about some some deep

638

00:27:54,169 --> 00:27:51,960

stuff let's talk about you know some

639

00:27:55,730 --> 00:27:54,179

from some Forbidden Knowledge and so

640

00:27:58,730 --> 00:27:55,740

that's what we're trying to do and we

641

00:28:00,950 --> 00:27:58,740

are literally going to create a paradigm

642

00:28:02,510 --> 00:28:00,960

shift in the way that people are

643

00:28:05,269 --> 00:28:02,520

recognized and I think it's going to

644

00:28:07,909 --> 00:28:05,279

give a great incentive for people that

645

00:28:09,769 --> 00:28:07,919

maybe didn't get an award this year they

646

00:28:12,890 --> 00:28:09,779

go wow there's something for me to

647

00:28:14,630 --> 00:28:12,900

Aspire to this guy I'm I I know a lot

648

00:28:16,430 --> 00:28:14,640

about this topic and I'm working I'm

649

00:28:17,810 --> 00:28:16,440

grinding I'm doing pretty let me step my

650

00:28:19,430 --> 00:28:17,820

game up and see if I can reach more

651  
00:28:21,169 --> 00:28:19,440  
people let me try to see how more

652  
00:28:22,850 --> 00:28:21,179  
impactful I can be let me come up with

653  
00:28:25,010 --> 00:28:22,860  
some more revolutionary projects and

654  
00:28:27,110 --> 00:28:25,020  
ideas because man I'd love to have one

655  
00:28:29,029 --> 00:28:27,120  
of those Awards on my shelf just for the

656  
00:28:31,010 --> 00:28:29,039  
recognition and I think it's going to

657  
00:28:32,750 --> 00:28:31,020  
make people not compete against each

658  
00:28:35,390 --> 00:28:32,760  
other but compete against themselves to

659  
00:28:37,909 --> 00:28:35,400  
become better to work harder and to see

660  
00:28:40,130 --> 00:28:37,919  
that there is some type of a reward the

661  
00:28:42,110 --> 00:28:40,140  
end of the tunnel whereas before there

662  
00:28:45,169 --> 00:28:42,120  
was nothing but an investment of a lot

663  
00:28:46,669 --> 00:28:45,179

of time and a lot of money uh but so we

664

00:28:48,409 --> 00:28:46,679

want to give more people an opportunity

665

00:28:51,110 --> 00:28:48,419

to have something on their mantle that

666

00:28:52,490 --> 00:28:51,120

they can look up and say wow uh not only

667

00:28:54,110 --> 00:28:52,500

am I helping Humanity I'm getting

668

00:28:55,909 --> 00:28:54,120

recognized for it and I think that's

669

00:28:58,310 --> 00:28:55,919

very very important yeah there's

670

00:29:02,330 --> 00:28:58,320

something to be said man about having

671

00:29:06,230 --> 00:29:02,340

something really special we know

672

00:29:09,190 --> 00:29:06,240

um uh musicians man they want that MTV

673

00:29:13,250 --> 00:29:09,200

astronaut sitting in their house right

674

00:29:17,810 --> 00:29:13,260

you know Oscars Emmys Golden Globes uh

675

00:29:20,090 --> 00:29:17,820

Grammys all of those things are those uh

676  
00:29:23,389 --> 00:29:20,100  
mean a lot to people personally because

677  
00:29:25,789 --> 00:29:23,399  
it's part of their journey and it you

678  
00:29:28,789 --> 00:29:25,799  
know to to get it's it's something to

679  
00:29:31,010 --> 00:29:28,799  
work for and to strive for and it's a

680  
00:29:34,730 --> 00:29:31,020  
pretty good feeling when you get it but

681  
00:29:39,130 --> 00:29:34,740  
in our community that was something uh

682  
00:29:44,870 --> 00:29:39,140  
that was seriously lacking until now

683  
00:29:47,930 --> 00:29:44,880  
most people they think that somebody and

684  
00:29:50,230 --> 00:29:47,940  
I'll just pull pull a name out I'll just

685  
00:29:54,289 --> 00:29:50,240  
just I'll just put uh

686  
00:29:57,529 --> 00:29:54,299  
Melinda Leslie you know uh you know some

687  
00:30:00,649 --> 00:29:57,539  
who uh and I'm just it's just a random

688  
00:30:03,529 --> 00:30:00,659

name right uh Melinda is great but this

689

00:30:06,470 --> 00:30:03,539

is somebody that has been out there

690

00:30:09,470 --> 00:30:06,480

I've been dedicated because of her own

691

00:30:11,630 --> 00:30:09,480

personal journey and there are so many

692

00:30:15,350 --> 00:30:11,640

Melinda Leslies out there that have

693

00:30:18,169 --> 00:30:15,360

given their life their resources their

694

00:30:21,889 --> 00:30:18,179

times probably in a lot of cases gave up

695

00:30:23,810 --> 00:30:21,899

friendships family members maybe a

696

00:30:26,750 --> 00:30:23,820

husband or a wife or two you know and

697

00:30:29,389 --> 00:30:26,760

things where they have sacrificed

698

00:30:32,810 --> 00:30:29,399

everything for this community for so

699

00:30:35,810 --> 00:30:32,820

long and and for what

700

00:30:39,730 --> 00:30:35,820

for what well it's their own personal

701  
00:30:43,610 --> 00:30:39,740  
Journey but people need to be recognized

702  
00:30:46,310 --> 00:30:43,620  
that we appreciate that and so that was

703  
00:30:49,310 --> 00:30:46,320  
the approach that you and Elizabeth and

704  
00:30:52,070 --> 00:30:49,320  
I very early on it's like day one day

705  
00:30:55,789 --> 00:30:52,080  
one when we talked about the awards that

706  
00:30:57,889 --> 00:30:55,799  
the community was going to do this it

707  
00:31:00,470 --> 00:30:57,899  
was the community that was going to

708  
00:31:02,930 --> 00:31:00,480  
recognize those inside of the community

709  
00:31:03,769 --> 00:31:02,940  
and there isn't a better way to do it is

710  
00:31:06,110 --> 00:31:03,779  
there

711  
00:31:08,990 --> 00:31:06,120  
yeah not a better way and guess what

712  
00:31:12,110 --> 00:31:09,000  
real actual voting when we got tens of

713  
00:31:14,090 --> 00:31:12,120

thousands of votes for people and I was

714

00:31:15,830 --> 00:31:14,100

going through the you know the the

715

00:31:17,930 --> 00:31:15,840

spreadsheet of all the votes and there

716

00:31:19,789 --> 00:31:17,940

were names in there of people I didn't

717

00:31:21,230 --> 00:31:19,799

even know who these people were so I

718

00:31:23,450 --> 00:31:21,240

would start googling and looking them up

719

00:31:25,490 --> 00:31:23,460

I'm like oh man I found so much so so

720

00:31:28,490 --> 00:31:25,500

many great content creators and people

721

00:31:30,289 --> 00:31:28,500

that had insight on different topics I

722

00:31:33,350 --> 00:31:30,299

was like wow just going through this

723

00:31:35,990 --> 00:31:33,360

this voting Registrar of names I found

724

00:31:38,630 --> 00:31:36,000

great incredible people in there that I

725

00:31:39,970 --> 00:31:38,640

now follow myself so it was a it was an

726

00:31:42,710 --> 00:31:39,980

eye-opener for me as well because

727

00:31:44,690 --> 00:31:42,720

there's so many people out here man

728

00:31:46,549 --> 00:31:44,700

working and grinding and trying to share

729

00:31:48,610 --> 00:31:46,559

their knowledge with the world it's

730

00:31:53,090 --> 00:31:48,620

incredible

731

00:31:57,590 --> 00:31:53,100

the um uh the process of this

732

00:32:00,110 --> 00:31:57,600

I cannot wait because when when somebody

733

00:32:02,510 --> 00:32:00,120

receives an award I know what it's like

734

00:32:05,570 --> 00:32:02,520

I've only won one and it was a pretty

735

00:32:08,930 --> 00:32:05,580

good feeling by the way but

736

00:32:11,389 --> 00:32:08,940

um to know that this comes from the

737

00:32:13,850 --> 00:32:11,399

community this doesn't come from a boys

738

00:32:15,889 --> 00:32:13,860

club it doesn't come from a Girls Club

739

00:32:20,570 --> 00:32:15,899

this doesn't come from an Insider secret

740

00:32:22,730 --> 00:32:20,580

room it says in friends giving awards to

741

00:32:27,169 --> 00:32:22,740

friends right

742

00:32:28,970 --> 00:32:27,179

um which is cool I guess uh but my award

743

00:32:32,389 --> 00:32:28,980

came from friends

744

00:32:35,389 --> 00:32:32,399

um but um but it it's coming from the

745

00:32:38,210 --> 00:32:35,399

community it's the community that is

746

00:32:40,730 --> 00:32:38,220

speaking here and it can't be any more

747

00:32:42,350 --> 00:32:40,740

special I am so excited about this so we

748

00:32:46,430 --> 00:32:42,360

have

749

00:32:48,889 --> 00:32:46,440

um uh this is going off in Miami we're

750

00:32:51,130 --> 00:32:48,899

doing 12 Awards 11 categories one

751  
00:32:55,490 --> 00:32:51,140  
Lifetime Achievement Award

752  
00:32:58,430 --> 00:32:55,500  
and uh the cat categories which I I just

753  
00:33:02,450 --> 00:32:58,440  
posted the website for this

754  
00:33:05,570 --> 00:33:02,460  
um where you can go so I encourage if

755  
00:33:07,549 --> 00:33:05,580  
you have a somebody that has inspired

756  
00:33:10,130 --> 00:33:07,559  
you doesn't matter what category is you

757  
00:33:12,649 --> 00:33:10,140  
know there's a list there but if you've

758  
00:33:14,810 --> 00:33:12,659  
got somebody that has inspired you you

759  
00:33:18,110 --> 00:33:14,820  
can nominate them

760  
00:33:23,450 --> 00:33:18,120  
I'm not nominating Billy's not

761  
00:33:26,029 --> 00:33:23,460  
nominating right you you nominate you go

762  
00:33:28,070 --> 00:33:26,039  
and we've got what a week left do we

763  
00:33:31,009 --> 00:33:28,080

have two weeks left or one week

764

00:33:33,169 --> 00:33:31,019

uh I believe that we've just got the

765

00:33:36,230 --> 00:33:33,179

final count in for the top three

766

00:33:38,389 --> 00:33:36,240

nominees in each category and now they

767

00:33:41,389 --> 00:33:38,399

have a chance to go and go to that same

768

00:33:43,669 --> 00:33:41,399

link and all those nominees will be

769

00:33:45,230 --> 00:33:43,679

there and now they can research each one

770

00:33:46,850 --> 00:33:45,240

each one has links to the work they've

771

00:33:50,450 --> 00:33:46,860

done so you can research each one of

772

00:33:53,450 --> 00:33:50,460

those top three in each category uh and

773

00:33:56,389 --> 00:33:53,460

then you can uh vote for the one that

774

00:33:59,450 --> 00:33:56,399

you feel has the the you know as will or

775

00:34:01,070 --> 00:33:59,460

has impacted your life uh the most or

776  
00:34:02,450 --> 00:34:01,080  
somebody you really feel like I'm a real

777  
00:34:04,190 --> 00:34:02,460  
fan of this person or I love this person

778  
00:34:06,289 --> 00:34:04,200  
I love their work whatever it is right

779  
00:34:07,970 --> 00:34:06,299  
and that will help us actually pick the

780  
00:34:10,790 --> 00:34:07,980  
winner because we have to have these

781  
00:34:12,349 --> 00:34:10,800  
trophies fully engraved before uh and

782  
00:34:14,510 --> 00:34:12,359  
you know give time for errors and

783  
00:34:16,369 --> 00:34:14,520  
mistakes of delivery and all that before

784  
00:34:17,990 --> 00:34:16,379  
way before the event actually happens

785  
00:34:20,149 --> 00:34:18,000  
that way there's no last second

786  
00:34:23,629 --> 00:34:20,159  
surprises everyone should be able to get

787  
00:34:28,329 --> 00:34:23,639  
their award do we know if off is gonna

788  
00:34:36,290 --> 00:34:30,770

he gets the Hermetic principle of the

789

00:34:41,510 --> 00:34:38,930

I'm sure I'm sure he'll be watching well

790

00:34:43,609 --> 00:34:41,520

you know it's the community voting and

791

00:34:48,349 --> 00:34:43,619

uh so that's exciting so this is coming

792

00:34:51,109 --> 00:34:48,359

up uh July 30th 2023 again I posted the

793

00:34:53,089 --> 00:34:51,119

links up you can go to for everything

794

00:34:54,169 --> 00:34:53,099

that we're talking about tonight by the

795

00:34:56,530 --> 00:34:54,179

way

796

00:34:59,450 --> 00:34:56,540

um you can go to

797

00:35:01,250 --> 00:34:59,460

forbiddenknowledge.com and everything is

798

00:35:04,370 --> 00:35:01,260

there that you need but I popped up the

799

00:35:06,650 --> 00:35:04,380

link right now and you can go and and

800

00:35:09,349 --> 00:35:06,660

check out all of that

801  
00:35:11,210 --> 00:35:09,359  
um now okay so but staying on the same

802  
00:35:12,770 --> 00:35:11,220  
subject

803  
00:35:15,890 --> 00:35:12,780  
um I

804  
00:35:18,470 --> 00:35:15,900  
I'm watching and you know what tonight

805  
00:35:21,050 --> 00:35:18,480  
after the show I know you and Elizabeth

806  
00:35:23,990 --> 00:35:21,060  
always have plans and it's late there

807  
00:35:29,150 --> 00:35:24,000  
but there is a new four-part documentary

808  
00:35:30,770 --> 00:35:29,160  
right now on Netflix about Cleopatra

809  
00:35:32,870 --> 00:35:30,780  
have you seen this yet have you heard

810  
00:35:34,609 --> 00:35:32,880  
about it I've only heard about the the

811  
00:35:36,890 --> 00:35:34,619  
you know that it was up and coming I've

812  
00:35:38,270 --> 00:35:36,900  
seen a couple of uh screenshotted images

813  
00:35:41,089 --> 00:35:38,280

and I've been looking forward to

814

00:35:42,349 --> 00:35:41,099

watching it right okay so now I'm just

815

00:35:44,810 --> 00:35:42,359

gonna say it

816

00:35:47,569 --> 00:35:44,820

and you know I love you Billy all right

817

00:35:51,710 --> 00:35:47,579

yeah but there's this line in it it's

818

00:35:55,130 --> 00:35:51,720

episode one and so it's a combination of

819

00:35:59,390 --> 00:35:55,140

acting reenactments with profession you

820

00:36:01,130 --> 00:35:59,400

know researchers uh so anyway

821

00:36:04,609 --> 00:36:01,140

um and it's amazing it's just amazing

822

00:36:06,710 --> 00:36:04,619

but they open it up with uh they kind of

823

00:36:10,130 --> 00:36:06,720

show Cleopatra

824

00:36:12,589 --> 00:36:10,140

uh this is not a spoiler everybody you

825

00:36:14,930 --> 00:36:12,599

get this in the first one minute of

826

00:36:17,270 --> 00:36:14,940

episode one so it's not going to kill

827

00:36:20,329 --> 00:36:17,280

anything but dude it's epic this is what

828

00:36:23,829 --> 00:36:20,339

happens so they show Cleopatra and they

829

00:36:27,829 --> 00:36:23,839

do right and it's not Elizabeth Taylor

830

00:36:30,410 --> 00:36:27,839

it's not do you or right okay so anyway

831

00:36:33,109 --> 00:36:30,420

and see she's coming down to a beautiful

832

00:36:34,730 --> 00:36:33,119

makeup and you know like and then they

833

00:36:37,849 --> 00:36:34,740

cut and they've got this college

834

00:36:41,589 --> 00:36:37,859

professor of History right and she goes

835

00:36:45,910 --> 00:36:41,599

so I'm just gonna tell everybody now

836

00:36:51,109 --> 00:36:45,920

Cleopatra was black

837

00:36:55,550 --> 00:36:51,119

just like that just like that just not

838

00:37:00,890 --> 00:36:55,560

making it just like that and I went here

839

00:37:03,470 --> 00:37:00,900

with this is going to be awesome and

840

00:37:05,630 --> 00:37:03,480

um so anyway it it's a great documentary

841

00:37:08,630 --> 00:37:05,640

I'm up to uh episode three I'm gonna

842

00:37:13,270 --> 00:37:08,640

watch uh four tonight but it sounds like

843

00:37:18,170 --> 00:37:13,280

a docu drama yeah it's a docudrama it is

844

00:37:20,690 --> 00:37:18,180

really well made man wow top top top

845

00:37:22,910 --> 00:37:20,700

tippity top shelf it's like Forbidden

846

00:37:26,150 --> 00:37:22,920

Knowledge production value it's like

847

00:37:28,210 --> 00:37:26,160

yeah it's like really really good

848

00:37:32,210 --> 00:37:28,220

um but I gotta check it out right away

849

00:37:34,069 --> 00:37:32,220

the uh the part about it we were just uh

850

00:37:36,050 --> 00:37:34,079

there's a reason why I brought it up uh

851  
00:37:38,690 --> 00:37:36,060  
not that Cleopatra was black and they

852  
00:37:42,109 --> 00:37:38,700  
revealed that that was pretty odd but

853  
00:37:43,069 --> 00:37:42,119  
anyway the um the part that they talk

854  
00:37:45,650 --> 00:37:43,079  
about

855  
00:37:50,930 --> 00:37:45,660  
that they really stress

856  
00:37:53,329 --> 00:37:50,940  
is that she really wanted to no she's a

857  
00:37:56,750 --> 00:37:53,339  
Ptolemy and and and and and and and and

858  
00:38:00,370 --> 00:37:56,760  
Greek and all of that um but

859  
00:38:03,530 --> 00:38:00,380  
um she really loved

860  
00:38:05,630 --> 00:38:03,540  
Egypt she loved the people she loved the

861  
00:38:09,349 --> 00:38:05,640  
religion she loves the process she loves

862  
00:38:12,770 --> 00:38:09,359  
the the the the the ceremony and what it

863  
00:38:15,829 --> 00:38:12,780

what it was to be an Egyptian and and

864

00:38:18,589 --> 00:38:15,839

that she was really frustrated with

865

00:38:22,069 --> 00:38:18,599

everybody that came in and and invaded

866

00:38:25,130 --> 00:38:22,079

the country ignored what it was to be an

867

00:38:28,250 --> 00:38:25,140

Egyptian and trying to bring in their

868

00:38:31,550 --> 00:38:28,260

own flavor of whatever what is Persia or

869

00:38:35,510 --> 00:38:31,560

Greek or you know uh the Romans Hittites

870

00:38:37,790 --> 00:38:35,520

you know and invaded the country

871

00:38:42,290 --> 00:38:37,800

um and they really spend a lot of time

872

00:38:45,109 --> 00:38:42,300

on that where she went and and knew

873

00:38:46,970 --> 00:38:45,119

everything how to speak the language how

874

00:38:50,329 --> 00:38:46,980

to write the language what the history

875

00:38:52,970 --> 00:38:50,339

was uh what the gods of things the

876

00:38:55,310 --> 00:38:52,980

ceremony and they spend a lot of time on

877

00:38:58,310 --> 00:38:55,320

that in the documentary the reason why I

878

00:39:02,390 --> 00:38:58,320

bring that up is the Egypt is so old

879

00:39:06,050 --> 00:39:02,400

Billy that even the Egyptians in

880

00:39:09,109 --> 00:39:06,060

Cleopatra's time had forgotten about

881

00:39:11,109 --> 00:39:09,119

their own past because they were dealing

882

00:39:13,790 --> 00:39:11,119

with three thousand years of History

883

00:39:14,990 --> 00:39:13,800

they didn't know about their own history

884

00:39:17,990 --> 00:39:15,000

did they

885

00:39:20,829 --> 00:39:18,000

no they didn't there's this pre-dynastic

886

00:39:23,870 --> 00:39:20,839

Egypt that existed in deep Antiquity

887

00:39:28,670 --> 00:39:23,880

which is really a mind-blowing ancient

888

00:39:32,750 --> 00:39:30,650

I don't know that's weird yeah the deep

889

00:39:34,730 --> 00:39:32,760

and deep Antiquity is this mind-blowing

890

00:39:37,250 --> 00:39:34,740

culture mind-blowing culture

891

00:39:40,190 --> 00:39:37,260

mind-blowing pre-dynastic era Egyptian

892

00:39:43,430 --> 00:39:40,200

culture that existed uh that literally

893

00:39:46,130 --> 00:39:43,440

will blow away anything that came after

894

00:39:49,609 --> 00:39:46,140

I mean they were super High-Tech high

895

00:39:51,230 --> 00:39:49,619

civilization uh and uh you know when you

896

00:39:53,089 --> 00:39:51,240

read some of the other ancient tabs you

897

00:39:55,550 --> 00:39:53,099

discover that there was some type of war

898

00:39:57,950 --> 00:39:55,560

that occurred that diminished that but

899

00:40:00,470 --> 00:39:57,960

then we come into the dynastic error and

900

00:40:03,589 --> 00:40:00,480

they then built rebuilt civilization

901

00:40:06,170 --> 00:40:03,599

again uh back up to a high level but

902

00:40:09,170 --> 00:40:06,180

there's so much that happened far beyond

903

00:40:10,790 --> 00:40:09,180

what they can even begin to remember and

904

00:40:12,710 --> 00:40:10,800

of course a lot of records and things

905

00:40:14,870 --> 00:40:12,720

like that would get lost

906

00:40:16,430 --> 00:40:14,880

um people copied over tablets onto

907

00:40:18,050 --> 00:40:16,440

different types of parchment papers and

908

00:40:19,970 --> 00:40:18,060

hid them in caves and things so so much

909

00:40:22,190 --> 00:40:19,980

information had been have been lost and

910

00:40:24,530 --> 00:40:22,200

of course you have the Library of

911

00:40:26,569 --> 00:40:24,540

Alexandria Heist that stole a lot of

912

00:40:28,069 --> 00:40:26,579

that information they they burn some

913

00:40:29,930 --> 00:40:28,079

stuff but they really it really was a

914

00:40:31,490 --> 00:40:29,940

heist they really stole a lot of stuff

915

00:40:33,530 --> 00:40:31,500

from the Library of Alexandria really

916

00:40:34,849 --> 00:40:33,540

was a theft and a lot of that stuff I

917

00:40:37,430 --> 00:40:34,859

believe is underneath the Vatican until

918

00:40:39,290 --> 00:40:37,440

this very day so you know it's like a

919

00:40:40,910 --> 00:40:39,300

mystery so yeah I can believe that they

920

00:40:42,530 --> 00:40:40,920

really were scratching their heads

921

00:40:44,210 --> 00:40:42,540

trying to figure out like well what

922

00:40:46,550 --> 00:40:44,220

happened three thousand four hundred

923

00:40:48,829 --> 00:40:46,560

five thousand years prior to us

924

00:40:51,170 --> 00:40:48,839

you know uh I know that the dynastic

925

00:40:53,030 --> 00:40:51,180

error literally inherited a lot of the

926  
00:40:55,069 --> 00:40:53,040  
ancient megalithic structures they were

927  
00:41:02,329 --> 00:40:55,079  
already there

928  
00:41:04,970 --> 00:41:02,339  
reality of the situation uh you know

929  
00:41:06,849 --> 00:41:04,980  
speaking about Cleopatra everybody knows

930  
00:41:12,530 --> 00:41:06,859  
who she is right

931  
00:41:14,690 --> 00:41:12,540  
Egypt is so old we we don't know the

932  
00:41:19,430 --> 00:41:14,700  
true age we don't know

933  
00:41:22,210 --> 00:41:19,440  
but Egypt is so old that Cleopatra is a

934  
00:41:25,750 --> 00:41:22,220  
closer relative to you and I

935  
00:41:30,530 --> 00:41:25,760  
than the first dynasty of Egypt yeah

936  
00:41:36,650 --> 00:41:34,250  
I mean how is it possible you know and

937  
00:41:38,810 --> 00:41:36,660  
and that's that's what we are really

938  
00:41:40,790 --> 00:41:38,820

dealing with here today we have books

939

00:41:43,190 --> 00:41:40,800

and we have the internet and we have

940

00:41:46,130 --> 00:41:43,200

libraries and everything else they

941

00:41:48,829 --> 00:41:46,140

didn't have that for their own History A

942

00:41:53,150 --> 00:41:48,839

lot of it was written and a lot of it

943

00:41:56,390 --> 00:41:53,160

was destroyed and it was also easier to

944

00:41:59,329 --> 00:41:56,400

hide if you wanted to hide something I

945

00:42:02,569 --> 00:41:59,339

mean Alchemy and hermeticism and the

946

00:42:05,329 --> 00:42:02,579

things that were uh studied in Egypt

947

00:42:08,450 --> 00:42:05,339

that stuff is easy to conceal back then

948

00:42:09,890 --> 00:42:08,460

if you wanted to and that's kind of the

949

00:42:11,390 --> 00:42:09,900

way it went right

950

00:42:13,370 --> 00:42:11,400

yo that's the way it went I mean look

951  
00:42:16,370 --> 00:42:13,380  
what I got on my desk right here

952  
00:42:19,130 --> 00:42:16,380  
the Egyptian Book of the Dead with the

953  
00:42:21,770 --> 00:42:19,140  
Papyrus of ani inside of it

954  
00:42:23,690 --> 00:42:21,780  
and this version is really amazing I

955  
00:42:26,510 --> 00:42:23,700  
mean I'm gonna do a little read on my

956  
00:42:29,210 --> 00:42:26,520  
YouTube account soon because as you dig

957  
00:42:32,030 --> 00:42:29,220  
into this Papyrus and start looking at

958  
00:42:35,150 --> 00:42:32,040  
it and reading it it's mind-blowing how

959  
00:42:37,910 --> 00:42:35,160  
many cultures coming after even the

960  
00:42:40,310 --> 00:42:37,920  
dynastic eras begin to take some from

961  
00:42:41,810 --> 00:42:40,320  
this really ancient information and then

962  
00:42:43,490 --> 00:42:41,820  
and implement it and then actually

963  
00:42:45,950 --> 00:42:43,500

utilize it and keep some ancient

964

00:42:50,210 --> 00:42:45,960

Traditions moving forward and going it's

965

00:42:52,250 --> 00:42:50,220

really mind-blowing to see how this is

966

00:42:54,770 --> 00:42:52,260

um a mirror of things that have come out

967

00:42:56,930 --> 00:42:54,780

after a lot of it made it into biblical

968

00:42:58,910 --> 00:42:56,940

texts and other religions you know Islam

969

00:43:01,670 --> 00:42:58,920

and so forth a lot of this stuff is like

970

00:43:04,130 --> 00:43:01,680

the foundation text but a lot of it was

971

00:43:05,510 --> 00:43:04,140

pretty dynastic so it's really amazing

972

00:43:06,950 --> 00:43:05,520

man there's so much that has gone on

973

00:43:08,750 --> 00:43:06,960

when you go to Egypt and you we went to

974

00:43:10,790 --> 00:43:08,760

Egypt you find out that they keep

975

00:43:13,130 --> 00:43:10,800

building on top of older structures and

976  
00:43:14,870 --> 00:43:13,140  
building on top of older structures like

977  
00:43:16,849 --> 00:43:14,880  
if we're in apple we were in aberdos

978  
00:43:19,490 --> 00:43:16,859  
right and you have the Temple of Osiris

979  
00:43:22,069 --> 00:43:19,500  
around back it's much lower

980  
00:43:24,410 --> 00:43:22,079  
and it almost begs the question what's

981  
00:43:25,609 --> 00:43:24,420  
even underneath that right besides the

982  
00:43:27,470 --> 00:43:25,619  
shafts and everything else and

983  
00:43:30,650 --> 00:43:27,480  
everywhere you go you discover it's just

984  
00:43:33,530 --> 00:43:30,660  
been built on top of built on top uh and

985  
00:43:34,790 --> 00:43:33,540  
so man this the history and the story is

986  
00:43:37,069 --> 00:43:34,800  
just incredible I think they found

987  
00:43:39,349 --> 00:43:37,079  
another 200 pyramids buried underneath

988  
00:43:40,609 --> 00:43:39,359

underneath the Sands of Giza with

989

00:43:43,309 --> 00:43:40,619

satellites

990

00:43:45,050 --> 00:43:43,319

so this the story is going to be a

991

00:43:47,630 --> 00:43:45,060

never-ending story as to what happened

992

00:43:50,270 --> 00:43:47,640

what's there what's hidden what's to be

993

00:43:52,130 --> 00:43:50,280

uncovered it can go on for hundreds more

994

00:43:56,510 --> 00:43:52,140

years and I still think we won't find

995

00:43:59,329 --> 00:43:56,520

everything out yeah the sand works

996

00:44:01,790 --> 00:43:59,339

you can hide anything man you know

997

00:44:04,970 --> 00:44:01,800

anything could be under there when

998

00:44:07,250 --> 00:44:04,980

um uh I want to move on but one of the

999

00:44:10,069 --> 00:44:07,260

best examples I can give of this

1000

00:44:13,210 --> 00:44:10,079

overdose is perfect because abados has

1001  
00:44:15,950 --> 00:44:13,220  
been abados is one of the oldest

1002  
00:44:18,890 --> 00:44:15,960  
officially one of the oldest sites all

1003  
00:44:21,770 --> 00:44:18,900  
right it goes back to menet and Narmer

1004  
00:44:25,250 --> 00:44:21,780  
right and also the the leaders that were

1005  
00:44:28,250 --> 00:44:25,260  
pre-dynastic and and their families and

1006  
00:44:30,890 --> 00:44:28,260  
and how they they buried in the ground

1007  
00:44:32,510 --> 00:44:30,900  
before they started building stuff that

1008  
00:44:35,630 --> 00:44:32,520  
was going up but that's not the point

1009  
00:44:38,930 --> 00:44:35,640  
but that's how old abados still sits

1010  
00:44:41,870 --> 00:44:38,940  
there and it's been built upon for at

1011  
00:44:45,290 --> 00:44:41,880  
least five thousand years at least yeah

1012  
00:44:49,309 --> 00:44:45,300  
the the but the best example and I

1013  
00:44:51,950 --> 00:44:49,319

really enjoyed this so we go down

1014

00:44:53,210 --> 00:44:51,960

um uh we're we're next to the Ben

1015

00:44:59,150 --> 00:44:53,220

pyramid

1016

00:45:00,710 --> 00:44:59,160

and uh so we we go into I don't want to

1017

00:45:03,309 --> 00:45:00,720

get into the details but we go

1018

00:45:07,329 --> 00:45:03,319

underground and we tour this mass today

1019

00:45:13,190 --> 00:45:07,339

but but when you come back out

1020

00:45:14,990 --> 00:45:13,200

and you look and now you say to yourself

1021

00:45:18,790 --> 00:45:15,000

covered in sand

1022

00:45:20,930 --> 00:45:18,800

yeah and so you're visualizing

1023

00:45:24,950 --> 00:45:20,940

what is under

1024

00:45:28,490 --> 00:45:24,960

and it's sand above and unless you knew

1025

00:45:31,430 --> 00:45:28,500

specifically about this or any other of

1026  
00:45:32,750 --> 00:45:31,440  
thousands of sites across Egypt it's

1027  
00:45:33,890 --> 00:45:32,760  
covered in sand you wouldn't even know

1028  
00:45:35,990 --> 00:45:33,900  
it was there

1029  
00:45:39,470 --> 00:45:36,000  
you wouldn't even know I mean we all

1030  
00:45:42,230 --> 00:45:39,480  
we've all seen the the 1800s photos of

1031  
00:45:44,870 --> 00:45:42,240  
the Great Sphinx you know covered in

1032  
00:45:47,270 --> 00:45:44,880  
sand up to its up to the neck

1033  
00:45:49,550 --> 00:45:47,280  
um and so many uh ancient sites are

1034  
00:45:51,589 --> 00:45:49,560  
still being uncovered and dug up out of

1035  
00:45:53,809 --> 00:45:51,599  
the Sands till this very day there's

1036  
00:45:57,230 --> 00:45:53,819  
people that's that uh archaeologists

1037  
00:46:00,650 --> 00:45:57,240  
that submit requests to dig every single

1038  
00:46:02,450 --> 00:46:00,660

day and uh you know in Egypt and every

1039

00:46:05,270 --> 00:46:02,460

month or two months there's another

1040

00:46:06,950 --> 00:46:05,280

incredible Discovery coming up out of

1041

00:46:08,349 --> 00:46:06,960

the sand there's a whole world down

1042

00:46:09,890 --> 00:46:08,359

there

1043

00:46:14,750 --> 00:46:09,900

the

1044

00:46:15,530 --> 00:46:14,760

um uh uh uh how do I want to say this

1045

00:46:23,450 --> 00:46:15,540

um

1046

00:46:25,370 --> 00:46:23,460

correctly I'm not so sure now I I think

1047

00:46:27,650 --> 00:46:25,380

the rest of the world eventually is

1048

00:46:33,069 --> 00:46:27,660

gonna say okay enough is enough

1049

00:46:35,690 --> 00:46:33,079

but I'm not so sure that they want to

1050

00:46:38,690 --> 00:46:35,700

discover everything

1051

00:46:42,890 --> 00:46:38,700

there are I think that they know that

1052

00:46:47,569 --> 00:46:42,900

there is stuff there that they just

1053

00:46:51,109 --> 00:46:47,579

don't want revealed period that's it

1054

00:46:53,390 --> 00:46:51,119

because it's too you look at Giza and

1055

00:46:56,510 --> 00:46:53,400

it's to me it's just too easy to fund a

1056

00:46:59,089 --> 00:46:56,520

bunch of uh dump trucks to to go in and

1057

00:47:00,890 --> 00:46:59,099

start removing sand and let's see what's

1058

00:47:03,190 --> 00:47:00,900

under there let's quit playing around

1059

00:47:05,450 --> 00:47:03,200

with this stuff

1060

00:47:07,609 --> 00:47:05,460

do you get that feeling

1061

00:47:09,470 --> 00:47:07,619

yeah it would be so easy to do I mean

1062

00:47:11,690 --> 00:47:09,480

obviously it's just uh and you've been

1063

00:47:13,490 --> 00:47:11,700

there you can see it's it's loose sand

1064

00:47:15,770 --> 00:47:13,500

too so it's very easy to get that sand

1065

00:47:17,569 --> 00:47:15,780

out of there gradually uh obviously you

1066

00:47:19,010 --> 00:47:17,579

have to be you know very careful with

1067

00:47:20,030 --> 00:47:19,020

what's what you're digging because you

1068

00:47:21,890 --> 00:47:20,040

don't want to damage something that

1069

00:47:24,349 --> 00:47:21,900

could be down there but with the help of

1070

00:47:26,569 --> 00:47:24,359

that satellite penetrating radar that

1071

00:47:28,670 --> 00:47:26,579

they have you can have a good idea to

1072

00:47:31,190 --> 00:47:28,680

map out where you can begin to start to

1073

00:47:33,109 --> 00:47:31,200

dig but they don't want everyone to know

1074

00:47:34,849 --> 00:47:33,119

what's down there this is why they

1075

00:47:37,069 --> 00:47:34,859

suppress information like the tunnels

1076

00:47:38,990 --> 00:47:37,079

that lead from Giza all the way to Iraq

1077

00:47:40,910 --> 00:47:39,000

they don't want anyone knowing about

1078

00:47:42,530 --> 00:47:40,920

that how do they dig those how do they

1079

00:47:45,950 --> 00:47:42,540

build those you know how do they

1080

00:47:48,710 --> 00:47:45,960

excavate that much material and where

1081

00:47:50,450 --> 00:47:48,720

did all that excavated material go uh

1082

00:47:52,970 --> 00:47:50,460

what's underneath the Sphinx you know

1083

00:47:55,370 --> 00:47:52,980

why is it have these uh channels going

1084

00:47:57,410 --> 00:47:55,380

underneath in these tunnels and and

1085

00:47:59,030 --> 00:47:57,420

Halls underneath it they don't want

1086

00:48:00,710 --> 00:47:59,040

anyone to know because those things are

1087

00:48:03,170 --> 00:48:00,720

talked about in other ancient tablets

1088

00:48:04,970 --> 00:48:03,180

and texts and it would actually give

1089

00:48:07,970 --> 00:48:04,980

credit to those tablets and texts and it

1090

00:48:10,190 --> 00:48:07,980

would redate the entire region I I

1091

00:48:12,670 --> 00:48:10,200

totally believe it would redate it

1092

00:48:17,329 --> 00:48:12,680

Beyond Gobekli Tepe

1093

00:48:20,210 --> 00:48:17,339

the um the images uh we're gonna move on

1094

00:48:23,450 --> 00:48:20,220

in just a second the images that the

1095

00:48:26,930 --> 00:48:23,460

British did as they discovered uh

1096

00:48:30,290 --> 00:48:26,940

different temples there in the 1800s I

1097

00:48:33,290 --> 00:48:30,300

was so thankful Napoleon too as well

1098

00:48:35,450 --> 00:48:33,300

or they went in and they didn't have

1099

00:48:39,530 --> 00:48:35,460

cameras but they had really good artists

1100

00:48:43,550 --> 00:48:39,540

right and so draw this out and so when

1101  
00:48:46,609 --> 00:48:43,560  
they go and and and and and show these

1102  
00:48:49,309 --> 00:48:46,619  
and you look at the temples today they

1103  
00:48:51,829 --> 00:48:49,319  
were cracking doors right they were

1104  
00:48:54,790 --> 00:48:51,839  
unsealing things and walking in and they

1105  
00:48:59,030 --> 00:48:54,800  
were it's the same

1106  
00:49:01,730 --> 00:48:59,040  
the same version today is what they were

1107  
00:49:04,010 --> 00:49:01,740  
discovering back then it's not like

1108  
00:49:06,589 --> 00:49:04,020  
these are modern Recreations let's read

1109  
00:49:10,430 --> 00:49:06,599  
classes of the walls right let's clean

1110  
00:49:12,349 --> 00:49:10,440  
this place up no it's exactly uh the way

1111  
00:49:14,270 --> 00:49:12,359  
things were constructed it's incredible

1112  
00:49:15,470 --> 00:49:14,280  
yeah that's incredible absolutely

1113  
00:49:18,829 --> 00:49:15,480

incredible we're gonna have a great time

1114

00:49:21,470 --> 00:49:18,839

going there again uh this October the

1115

00:49:23,210 --> 00:49:21,480

the 10-day tour is completely sold out

1116

00:49:24,470 --> 00:49:23,220

and uh we're gonna have a great time

1117

00:49:27,890 --> 00:49:24,480

we're gonna celebrate your birthday in

1118

00:49:30,710 --> 00:49:27,900

Egypt again man man man I I don't know

1119

00:49:32,510 --> 00:49:30,720

how we're gonna top it I don't we we're

1120

00:49:35,390 --> 00:49:32,520

going to

1121

00:49:37,250 --> 00:49:35,400

um but yeah so that is uh that's coming

1122

00:49:41,990 --> 00:49:37,260

up we'll we'll get to that in just a

1123

00:49:44,690 --> 00:49:42,000

second yeah uh but uh next

1124

00:49:46,370 --> 00:49:44,700

um coming up um August 4th now this is

1125

00:49:49,490 --> 00:49:46,380

just in a month and a half this is uh

1126  
00:49:53,690 --> 00:49:49,500  
coming up pretty quick here August 4th

1127  
00:49:56,510 --> 00:49:53,700  
um we are doing a UFO hunt again out

1128  
00:49:59,770 --> 00:49:56,520  
here in California and this is August

1129  
00:50:02,750 --> 00:49:59,780  
4th through the 6th um in Joshua Tree

1130  
00:50:05,930 --> 00:50:02,760  
and this is an opportunity for everybody

1131  
00:50:08,450 --> 00:50:05,940  
that's going to be small intimate uh

1132  
00:50:10,550 --> 00:50:08,460  
semi-private uh this is We're not gonna

1133  
00:50:14,150 --> 00:50:10,560  
have hundreds of people there

1134  
00:50:17,150 --> 00:50:14,160  
um but uh where you get to hang out uh

1135  
00:50:20,150 --> 00:50:17,160  
with Billy and I and Elizabeth for the

1136  
00:50:22,130 --> 00:50:20,160  
weekend in Joshua Tree and we're also

1137  
00:50:23,089 --> 00:50:22,140  
going to go to giant rock

1138  
00:50:26,450 --> 00:50:23,099

yeah

1139

00:50:30,250 --> 00:50:26,460

it's gonna be great man last year we was

1140

00:50:36,349 --> 00:50:33,410

it was last it was it was okay last

1141

00:50:39,290 --> 00:50:36,359

September okay last September yeah so we

1142

00:50:41,569 --> 00:50:39,300

we go out there uh last year we have

1143

00:50:45,050 --> 00:50:41,579

this uh amazing Forbidden Knowledge

1144

00:50:47,569 --> 00:50:45,060

black card holders UFO hunt uh featuring

1145

00:50:49,970 --> 00:50:47,579

Jimmy church and Elizabeth and I and we

1146

00:50:52,490 --> 00:50:49,980

go out and the first night we're hanging

1147

00:50:54,650 --> 00:50:52,500

out and I'm like so I'm anticipating

1148

00:50:56,329 --> 00:50:54,660

seeing something like right away in the

1149

00:50:58,250 --> 00:50:56,339

skies Dark Skies

1150

00:51:00,530 --> 00:50:58,260

and we we really don't see too much of

1151  
00:51:02,329 --> 00:51:00,540  
anything and I'm like oh boy yeah people

1152  
00:51:03,829 --> 00:51:02,339  
came from all over the place but the

1153  
00:51:04,870 --> 00:51:03,839  
next time you go out there we go at the

1154  
00:51:08,210 --> 00:51:04,880  
giant rock

1155  
00:51:10,609 --> 00:51:08,220  
and Jimmy says I got an idea let's let's

1156  
00:51:12,650 --> 00:51:10,619  
get up to the top of this Cliff face

1157  
00:51:15,710 --> 00:51:12,660  
so he takes his Jeep up to top of the

1158  
00:51:17,450 --> 00:51:15,720  
Cliff face uh I take my SUV halfway up

1159  
00:51:20,329 --> 00:51:17,460  
because I don't have enough guts

1160  
00:51:22,250 --> 00:51:20,339  
and uh and we all go to the top of this

1161  
00:51:24,230 --> 00:51:22,260  
Cliff face when we camp out

1162  
00:51:27,770 --> 00:51:24,240  
and uh

1163  
00:51:30,770 --> 00:51:27,780

that night with oh my goodness

1164

00:51:33,530 --> 00:51:30,780

the sky lit up amazing what's happening

1165

00:51:37,790 --> 00:51:33,540

this is bizarre no we got a guy lit up

1166

00:51:39,170 --> 00:51:37,800

that night with so many yeah with so

1167

00:51:41,270 --> 00:51:39,180

many

1168

00:51:42,829 --> 00:51:41,280

um UFOs that's all you can call them we

1169

00:51:45,230 --> 00:51:42,839

were tracking satellites we saw some

1170

00:51:49,490 --> 00:51:45,240

satellites we tracked the ISS we knew

1171

00:51:52,430 --> 00:51:49,500

where that was uh we saw actual

1172

00:51:54,410 --> 00:51:52,440

in person UFOs with the naked eye and

1173

00:51:56,150 --> 00:51:54,420

with the infrared goggles that was crazy

1174

00:51:57,829 --> 00:51:56,160

and it was a great night

1175

00:52:03,829 --> 00:51:57,839

hey you know what it was like it was

1176

00:52:07,970 --> 00:52:06,109

crisscross is going all over the place

1177

00:52:09,470 --> 00:52:07,980

they were slowing down and stopping and

1178

00:52:11,089 --> 00:52:09,480

looked like they were interacting and

1179

00:52:12,650 --> 00:52:11,099

some would go this way someone go that

1180

00:52:14,089 --> 00:52:12,660

way say we just some would just poof

1181

00:52:17,150 --> 00:52:14,099

take off and go

1182

00:52:18,609 --> 00:52:17,160

it was incredible incredible so we're

1183

00:52:21,290 --> 00:52:18,619

really looking forward to this one

1184

00:52:22,370 --> 00:52:21,300

Gabe's never really seen the UFO so I'm

1185

00:52:25,849 --> 00:52:22,380

we're looking forward to Bringing

1186

00:52:27,890 --> 00:52:25,859

Gabriel Elizabeth's son with us uh to

1187

00:52:31,430 --> 00:52:27,900

this hunt and he's going to have a

1188

00:52:32,750 --> 00:52:31,440

mind-blowing time and you guys out there

1189

00:52:34,190 --> 00:52:32,760

you're more than welcome to come we're

1190

00:52:35,390 --> 00:52:34,200

only taking a very small amount of

1191

00:52:37,370 --> 00:52:35,400

people because something like this you

1192

00:52:40,370 --> 00:52:37,380

can't have 100 people no no no no no

1193

00:52:43,910 --> 00:52:40,380

very small and yeah

1194

00:52:46,430 --> 00:52:43,920

um but this is the thing we're gonna eat

1195

00:52:49,970 --> 00:52:46,440

we're gonna drink together not drink

1196

00:52:51,950 --> 00:52:49,980

well yeah maybe drink but but uh we're

1197

00:52:54,589 --> 00:52:51,960

gonna have breakfast lunch dinner we've

1198

00:52:56,089 --> 00:52:54,599

got a couple of uh uh Consciousness

1199

00:52:59,930 --> 00:52:56,099

things that we're going to be doing

1200

00:53:02,089 --> 00:52:59,940

we've got uh a medicine wheel and some

1201  
00:53:04,730 --> 00:53:02,099  
indigenous stuff that we're going to be

1202  
00:53:06,290 --> 00:53:04,740  
checking out too as well uh we've got a

1203  
00:53:08,750 --> 00:53:06,300  
great piece of property out there that's

1204  
00:53:10,730 --> 00:53:08,760  
got a lot of special things about it so

1205  
00:53:13,609 --> 00:53:10,740  
we're going to be gathering there and

1206  
00:53:16,670 --> 00:53:13,619  
it's an opportunity uh to make friends

1207  
00:53:18,829 --> 00:53:16,680  
and memory you know that that'll last a

1208  
00:53:21,950 --> 00:53:18,839  
lifetime but you get to you know we're

1209  
00:53:24,470 --> 00:53:21,960  
all gonna hang out together as a group

1210  
00:53:27,230 --> 00:53:24,480  
and go through this and and last year so

1211  
00:53:28,370 --> 00:53:27,240  
we went to Giant Rock everybody uh

1212  
00:53:30,890 --> 00:53:28,380  
listen to me

1213  
00:53:33,230 --> 00:53:30,900

come out we're going to have sandwiches

1214

00:53:37,250 --> 00:53:33,240

we're gonna we're gonna have fun we're

1215

00:53:39,770 --> 00:53:37,260

gonna watch the sunset uh giant rock is

1216

00:53:43,609 --> 00:53:39,780

one of the most craziest things on

1217

00:53:47,270 --> 00:53:43,619

planet Earth planet Earth it is singular

1218

00:53:48,770 --> 00:53:47,280

that crazy uh and amazing of a place and

1219

00:53:50,990 --> 00:53:48,780

we're gonna do all of that and then

1220

00:53:53,630 --> 00:53:51,000

we're gonna go and uh you know we've got

1221

00:53:57,730 --> 00:53:53,640

all the gear we've got everything to

1222

00:54:02,089 --> 00:53:57,740

make this just a special Class A

1223

00:54:05,270 --> 00:54:02,099

uh event and weekend so this is also

1224

00:54:07,309 --> 00:54:05,280

over at [forbiddenknowledge.com](http://forbiddenknowledge.com)

1225

00:54:10,250 --> 00:54:07,319

um it's right there there's a tour just

1226

00:54:12,530 --> 00:54:10,260

scroll down uh it's uh I believe it's

1227

00:54:14,049 --> 00:54:12,540

just called The Forbidden UFO hunt like

1228

00:54:17,630 --> 00:54:14,059

it should be yeah

1229

00:54:21,309 --> 00:54:17,640

you can also go to eventbrite.com and

1230

00:54:22,990 --> 00:54:21,319

just type in Billy Carson Eventbrite

1231

00:54:25,849 --> 00:54:23,000

e-v-e-n-t-b-r-i-t-e

1232

00:54:28,609 --> 00:54:25,859

eventbrite.com type in Billy Carson

1233

00:54:29,930 --> 00:54:28,619

it'll pop right up we're only taking a

1234

00:54:32,329 --> 00:54:29,940

small amount of people because something

1235

00:54:34,190 --> 00:54:32,339

like this has to be very intimate so if

1236

00:54:37,069 --> 00:54:34,200

you want to come you have to register

1237

00:54:39,349 --> 00:54:37,079

for it ASAP because we are not taking

1238

00:54:40,549 --> 00:54:39,359

100 people to giant rock that's just not

1239

00:54:43,970 --> 00:54:40,559

gonna happen we don't even have enough

1240

00:54:46,670 --> 00:54:43,980

goggles to pass around no no no I can

1241

00:54:49,130 --> 00:54:46,680

happen this is the way to do it now

1242

00:54:50,089 --> 00:54:49,140

check out check out this post here Billy

1243

00:54:56,150 --> 00:54:50,099

you ready

1244

00:54:58,670 --> 00:54:56,160

yeah sandwiches are a must Subs are fast

1245

00:55:01,130 --> 00:54:58,680

that's exactly what we did didn't we

1246

00:55:04,309 --> 00:55:01,140

that's exactly what we did man and we we

1247

00:55:06,650 --> 00:55:04,319

had those folding chairs you know uh we

1248

00:55:08,750 --> 00:55:06,660

went up there man and uh just camped out

1249

00:55:10,250 --> 00:55:08,760

on the Cliff face and was so beautiful

1250

00:55:11,930 --> 00:55:10,260

there were people who were spending the

1251  
00:55:14,030 --> 00:55:11,940  
night out there in the desert some

1252  
00:55:16,069 --> 00:55:14,040  
people were doing fireworks beneath us

1253  
00:55:18,650 --> 00:55:16,079  
like you know off in the side down down

1254  
00:55:20,750 --> 00:55:18,660  
to the side uh it was like a little

1255  
00:55:25,370 --> 00:55:20,760  
party that was just for us you know and

1256  
00:55:29,329 --> 00:55:25,380  
then we look up and man what a night

1257  
00:55:32,569 --> 00:55:29,339  
what an incredible night and and where

1258  
00:55:36,470 --> 00:55:32,579  
we sit giant rock is like 10 stories

1259  
00:55:38,569 --> 00:55:36,480  
tall right it's ginormous where we are

1260  
00:55:42,290 --> 00:55:38,579  
where we will take everybody

1261  
00:55:46,549 --> 00:55:42,300  
we were looking down on the fireworks

1262  
00:55:50,569 --> 00:55:46,559  
yeah we were looking at the top of giant

1263  
00:55:52,849 --> 00:55:50,579

rock yeah looking down at the campfire

1264

00:55:56,270 --> 00:55:52,859

we were looking down and uh that's where

1265

00:55:58,849 --> 00:55:56,280

we were we were uh way up there and and

1266

00:56:01,490 --> 00:55:58,859

uh and it I just can't wait that's going

1267

00:56:04,609 --> 00:56:01,500

to be amazing again everybody this is

1268

00:56:07,430 --> 00:56:04,619

August 4th through the 6th 2023 and

1269

00:56:09,829 --> 00:56:07,440

it's going to be very very small if you

1270

00:56:13,250 --> 00:56:09,839

want to come and hang out with us and

1271

00:56:16,069 --> 00:56:13,260

and have the the most amazing weekend

1272

00:56:19,370 --> 00:56:16,079

um go now Forbidden Knowledge and and

1273

00:56:21,049 --> 00:56:19,380

look at the Forbidden uh UFO hunt get

1274

00:56:23,569 --> 00:56:21,059

signed up and come and hang out with us

1275

00:56:24,710 --> 00:56:23,579

it's going to be an amazing weekend it's

1276

00:56:26,690 --> 00:56:24,720

a guarantee

1277

00:56:28,010 --> 00:56:26,700

oh yeah that's gonna be a great one I'm

1278

00:56:29,510 --> 00:56:28,020

looking forward to that I'm looking

1279

00:56:31,490 --> 00:56:29,520

forward to seeing Gabe's face when he

1280

00:56:34,250 --> 00:56:31,500

sees these UFOs man he's gonna he's

1281

00:56:36,349 --> 00:56:34,260

gonna lose it he's gonna lose it and

1282

00:56:38,750 --> 00:56:36,359

what do you think uh we've got like two

1283

00:56:41,210 --> 00:56:38,760

minutes before uh uh we're gonna take a

1284

00:56:44,750 --> 00:56:41,220

quick commercial break what do you think

1285

00:56:46,549 --> 00:56:44,760

Billy is is going on in Washington DC

1286

00:56:49,309 --> 00:56:46,559

right now I know you pay a lot of

1287

00:56:52,130 --> 00:56:49,319

attention to this but there man it's

1288

00:56:54,950 --> 00:56:52,140

like UFOs every day of the week now out

1289

00:56:57,530 --> 00:56:54,960

of Washington DC what's the Forbidden

1290

00:57:00,230 --> 00:56:57,540

Knowledge here what's the hidden truth

1291

00:57:03,650 --> 00:57:00,240

I think it's follow the money you know

1292

00:57:05,210 --> 00:57:03,660

um I said this before to someone we've

1293

00:57:07,069 --> 00:57:05,220

literally we meaning the United States

1294

00:57:08,390 --> 00:57:07,079

or the military industrial complex I

1295

00:57:11,450 --> 00:57:08,400

should say not more than the United

1296

00:57:13,730 --> 00:57:11,460

States has already uh pretty much taken

1297

00:57:16,309 --> 00:57:13,740

over the entire planet uh there's really

1298

00:57:18,470 --> 00:57:16,319

nobody else to go in and shake up to

1299

00:57:20,870 --> 00:57:18,480

take the resources to be quite honest

1300

00:57:23,170 --> 00:57:20,880

with you and because of that that means

1301

00:57:25,790 --> 00:57:23,180

all the war money has dried up

1302

00:57:28,790 --> 00:57:25,800

significantly and I mean significantly

1303

00:57:31,609 --> 00:57:28,800

dried up and so what's happening now is

1304

00:57:34,849 --> 00:57:31,619

we've got the space force We've Got to

1305

00:57:36,470 --> 00:57:34,859

Now create the fear because it's like uh

1306

00:57:38,690 --> 00:57:36,480

you know what's the gentleman's name he

1307

00:57:41,750 --> 00:57:38,700

said this you know fear reaction

1308

00:57:44,150 --> 00:57:41,760

solution right and uh David Ike said

1309

00:57:46,490 --> 00:57:44,160

that before and so you have to create

1310

00:57:50,210 --> 00:57:46,500

the fear the fear is we want to create

1311

00:57:51,530 --> 00:57:50,220

fear on these UFOs uaps now that there

1312

00:57:53,630 --> 00:57:51,540

could be a threat to National Security

1313

00:57:55,190 --> 00:57:53,640

that these things could be doing things

1314

00:57:57,470 --> 00:57:55,200

they could be attacking us they could be

1315

00:58:00,349 --> 00:57:57,480

whatever and then you have a situation

1316

00:58:02,150 --> 00:58:00,359

somewhere okay we have to check this

1317

00:58:04,670 --> 00:58:02,160

reaction people are really getting

1318

00:58:07,849 --> 00:58:04,680

anxiety from this we have the solution

1319

00:58:10,069 --> 00:58:07,859

you need we now need to take 10 trillion

1320

00:58:11,630 --> 00:58:10,079

this year out of the budget and we need

1321

00:58:13,010 --> 00:58:11,640

to push it into the space force so we

1322

00:58:15,230 --> 00:58:13,020

can develop these face force

1323

00:58:16,670 --> 00:58:15,240

Technologies and weapons and so forth so

1324

00:58:19,130 --> 00:58:16,680

I just think it's a way to generate

1325

00:58:21,049 --> 00:58:19,140

income I think the UFOs are a

1326

00:58:23,990 --> 00:58:21,059

combination of real UFOs and a

1327

00:58:25,790 --> 00:58:24,000

combination of man-made uaps uh but I

1328

00:58:28,549 --> 00:58:25,800

think you're taking advantage of the

1329

00:58:31,970 --> 00:58:28,559

situation so they can reroute trillions

1330

00:58:34,010 --> 00:58:31,980

into uh you know creating things for

1331

00:58:36,049 --> 00:58:34,020

space instead before they would just

1332

00:58:37,730 --> 00:58:36,059

steal the money and then Oliver North

1333

00:58:39,650 --> 00:58:37,740

would just not know where the money went

1334

00:58:41,210 --> 00:58:39,660

magically now I've been saying oh yeah

1335

00:58:42,829 --> 00:58:41,220

there's a there's a real need now

1336

00:58:45,230 --> 00:58:42,839

because there's a threat to National

1337

00:58:47,210 --> 00:58:45,240

even Global Security so we're going to

1338

00:58:48,349 --> 00:58:47,220

need to take 10 trillion or 15 trillion

1339

00:58:50,510 --> 00:58:48,359

and we're going to start working on

1340

00:58:53,150 --> 00:58:50,520

these projects that we're going to give

1341

00:58:55,250 --> 00:58:53,160

to private corporations so you can't put

1342

00:58:57,109 --> 00:58:55,260

a foia in and find out exactly what

1343

00:58:58,670 --> 00:58:57,119

we're doing but just keep in mind just

1344

00:59:00,829 --> 00:58:58,680

know that trying to keep you guys safe

1345

00:59:03,650 --> 00:59:00,839

and think it's all about making money

1346

00:59:04,609 --> 00:59:03,660

yeah right now UFOs are such a clickable

1347

00:59:05,510 --> 00:59:04,619

thing

1348

00:59:09,430 --> 00:59:05,520

yeah

1349

00:59:12,230 --> 00:59:09,440

um and what do you make of

1350

00:59:14,690 --> 00:59:12,240

Logan Paul I don't know if you're aware

1351  
00:59:16,849 --> 00:59:14,700  
of this Logan Paul you know the

1352  
00:59:21,109 --> 00:59:16,859  
podcaster guy the guy

1353  
00:59:22,569 --> 00:59:21,119  
that uh wants to fight uh uh May weather

1354  
00:59:28,789 --> 00:59:22,579  
right

1355  
00:59:31,490 --> 00:59:28,799  
anyway uh he says he's got a uh the

1356  
00:59:32,930 --> 00:59:31,500  
UFO video now and that he offered

1357  
00:59:35,990 --> 00:59:32,940  
somebody a hundred thousand dollars for

1358  
00:59:38,510 --> 00:59:36,000  
the video the guy turned it down but he

1359  
00:59:39,430 --> 00:59:38,520  
secretly recorded it with like a button

1360  
00:59:44,510 --> 00:59:39,440  
camera

1361  
00:59:47,390 --> 00:59:44,520  
and and now he has this video is this

1362  
00:59:50,270 --> 00:59:47,400  
because UFOs are clickable right and it

1363  
00:59:52,910 --> 00:59:50,280

creates attention and that's what he's

1364

00:59:54,170 --> 00:59:52,920

doing here or do you think that Logan

1365

00:59:56,210 --> 00:59:54,180

Paul

1366

00:59:59,870 --> 00:59:56,220

um suddenly you know like I said UFOs

1367

01:00:03,410 --> 00:59:59,880

are everywhere now we got Logan Paul uh

1368

01:00:05,750 --> 01:00:03,420

in on the our little Community man our

1369

01:00:08,690 --> 01:00:05,760

little Safe Community yeah has been

1370

01:00:10,190 --> 01:00:08,700

infiltrated yeah I know what do you

1371

01:00:12,349 --> 01:00:10,200

think of that you think he's sitting on

1372

01:00:14,870 --> 01:00:12,359

uh the video

1373

01:00:17,630 --> 01:00:14,880

it's possible but it also could be clout

1374

01:00:19,130 --> 01:00:17,640

chasing off of a popular term to

1375

01:00:20,569 --> 01:00:19,140

generate more views I mean we know that

1376

01:00:21,650 --> 01:00:20,579

he makes you know hundreds of millions

1377

01:00:23,630 --> 01:00:21,660

of dollars a year from his YouTube

1378

01:00:24,829 --> 01:00:23,640

account alone not to mention any other

1379

01:00:26,329 --> 01:00:24,839

fighters in the hype and everything else

1380

01:00:27,650 --> 01:00:26,339

that he does he was just in my

1381

01:00:28,730 --> 01:00:27,660

neighborhood he was that my next door

1382

01:00:30,470 --> 01:00:28,740

neighbor just the other day taking

1383

01:00:32,150 --> 01:00:30,480

pictures with the kids and stuff he's

1384

01:00:35,089 --> 01:00:32,160

down here a lot

1385

01:00:37,309 --> 01:00:35,099

um but he um it's possible that he did

1386

01:00:40,970 --> 01:00:37,319

record something but it's also possible

1387

01:00:42,650 --> 01:00:40,980

that uh it's not as spectacular as it

1388

01:00:44,690 --> 01:00:42,660

may sound but it definitely will

1389

01:00:47,750 --> 01:00:44,700

generate a lot of clicks because UFOs

1390

01:00:49,609 --> 01:00:47,760

are a Hot Topic UFOs uaps anything

1391

01:00:51,710 --> 01:00:49,619

dealing with aliens those are super

1392

01:00:53,510 --> 01:00:51,720

super hot topics right now whereas

1393

01:00:54,890 --> 01:00:53,520

before it was a tin foil hat wearing

1394

01:00:57,049 --> 01:00:54,900

stuff but now that the government's been

1395

01:00:59,210 --> 01:00:57,059

coming forward a lot more it's become a

1396

01:01:00,530 --> 01:00:59,220

normal conversation and and thanks to

1397

01:01:02,210 --> 01:01:00,540

you know people like yourself Jimmy

1398

01:01:04,309 --> 01:01:02,220

who's for the for many years have been

1399

01:01:06,049 --> 01:01:04,319

fighting the upward battle trying to get

1400

01:01:08,030 --> 01:01:06,059

people to understand that we are the

1401  
01:01:10,730 --> 01:01:08,040  
disclosure they're finally waking up and

1402  
01:01:11,990 --> 01:01:10,740  
going wow Jimmy and Billy and and Dolan

1403  
01:01:13,730 --> 01:01:12,000  
they were all right they were right this

1404  
01:01:14,470 --> 01:01:13,740  
whole time right right right right right

1405  
01:01:17,329 --> 01:01:14,480  
right right right

1406  
01:01:19,490 --> 01:01:17,339  
you know what's weird and and thank you

1407  
01:01:21,109 --> 01:01:19,500  
for that you know what's weird I'm gonna

1408  
01:01:23,569 --> 01:01:21,119  
go on the record

1409  
01:01:25,609 --> 01:01:23,579  
um Logan Paul you know I watched this

1410  
01:01:26,510 --> 01:01:25,619  
recent video I've seen his videos in the

1411  
01:01:29,510 --> 01:01:26,520  
past

1412  
01:01:32,809 --> 01:01:29,520  
I'm going to go on the record and I may

1413  
01:01:34,370 --> 01:01:32,819

piss some people off I don't care

1414

01:01:40,010 --> 01:01:34,380

smart

1415

01:01:42,230 --> 01:01:40,020

he's got he's got he's got a heck of a

1416

01:01:45,049 --> 01:01:42,240

he's smart

1417

01:01:48,829 --> 01:01:45,059

he's a smart dude he's not he's not a

1418

01:01:51,170 --> 01:01:48,839

dummy he's just a smart guy I think he

1419

01:01:55,609 --> 01:01:51,180

plays what he plays and he acts when he

1420

01:01:58,130 --> 01:01:55,619

acts but I think um I think he's got an

1421

01:02:02,210 --> 01:01:58,140

addict full of toys and and and they're

1422

01:02:04,789 --> 01:02:02,220

all working I'm serious he's a smart guy

1423

01:02:07,150 --> 01:02:04,799

Logan Paul's a smart dude there's a play

1424

01:02:11,150 --> 01:02:07,160

going on here I haven't figured it out

1425

01:02:13,370 --> 01:02:11,160

but uh you know whatever whatever he's

1426

01:02:15,109 --> 01:02:13,380

got I think we're gonna see it uh here

1427

01:02:16,910 --> 01:02:15,119

pretty soon let's take a quick break

1428

01:02:18,589 --> 01:02:16,920

Billy you stay right there we'll be

1429

01:02:21,289 --> 01:02:18,599

right back this is Fade to Black I guess

1430

01:02:23,270 --> 01:02:21,299

tonight the one and only Billy Carson

1431

01:02:25,609 --> 01:02:23,280

this is Jimmy Church your Fade to Black

1432

01:02:27,829 --> 01:02:25,619

please visit all of our sponsors we're

1433

01:02:29,569 --> 01:02:27,839

taking a quick break here all of the

1434

01:02:31,750 --> 01:02:29,579

links are below

1435

01:02:36,289 --> 01:02:31,760

and we'll be right back

1436

01:02:38,750 --> 01:02:36,299

join us November 10th 11th and 12th 2023

1437

01:02:41,390 --> 01:02:38,760

as disclosure Fest foundation and Fade

1438

01:02:43,970 --> 01:02:41,400

to Black radio presents Stairway To the

1439

01:02:46,370 --> 01:02:43,980

Stars a human Origins Science and

1440

01:02:49,430 --> 01:02:46,380

Technology Expo live at the Luxor Hotel

1441

01:02:51,710 --> 01:02:49,440

and Casino and the Las Vegas Strip with

1442

01:02:53,690 --> 01:02:51,720

live talks lectures and workshops by

1443

01:02:55,849 --> 01:02:53,700

World Acclaim researchers and authors

1444

01:02:58,370 --> 01:02:55,859

this is Jimmy Church by the way and I'll

1445

01:03:00,710 --> 01:02:58,380

be your host all weekend long featuring

1446

01:03:02,809 --> 01:03:00,720

topics like human Origins ancient

1447

01:03:05,750 --> 01:03:02,819

Technologies indigenous teachings

1448

01:03:08,089 --> 01:03:05,760

workshops a mass meditation yoga and

1449

01:03:10,849 --> 01:03:08,099

sound healing music and so much more

1450

01:03:13,670 --> 01:03:10,859

don't miss our intimate Skywatch and

1451  
01:03:16,549 --> 01:03:13,680  
meteor shower over the infamous Area 51

1452  
01:03:18,289 --> 01:03:16,559  
airspace in Rachel Nevada with a special

1453  
01:03:20,630 --> 01:03:18,299  
surprise celebrity host guiding us

1454  
01:03:24,470 --> 01:03:20,640  
through the night also introducing our

1455  
01:03:26,690 --> 01:03:24,480  
disclosure Fest VR Starship area with

1456  
01:03:29,450 --> 01:03:26,700  
dozens of rides you've gotta check it

1457  
01:03:31,010 --> 01:03:29,460  
out this event will sell out for more

1458  
01:03:33,950 --> 01:03:31,020  
information and tickets Please visit

1459  
01:03:36,170 --> 01:03:33,960  
disclosure yourfest.org this is Jimmy

1460  
01:03:39,829 --> 01:03:36,180  
church and I want to introduce you to

1461  
01:03:42,289 --> 01:03:39,839  
lifewaves x39 Stem Cell Activation batch

1462  
01:03:45,770 --> 01:03:42,299  
which has totally transformed my health

1463  
01:03:48,710 --> 01:03:45,780

my sleep brain and my eyes I no longer

1464

01:03:50,750 --> 01:03:48,720

need reading glasses x39 is a true

1465

01:03:54,890 --> 01:03:50,760

breakthrough in regenerative science

1466

01:03:57,530 --> 01:03:54,900

using light x-39's patented age reversal

1467

01:03:59,510 --> 01:03:57,540

Technologies clinically proven to Signal

1468

01:04:01,789 --> 01:03:59,520

the activation of younger stem cells

1469

01:04:05,030 --> 01:04:01,799

accelerating the body's natural healing

1470

01:04:07,309 --> 01:04:05,040

process x39 promotes restoration and

1471

01:04:09,770 --> 01:04:07,319

Rejuvenation bringing the life-changing

1472

01:04:12,049 --> 01:04:09,780

benefits that I've experienced by

1473

01:04:15,170 --> 01:04:12,059

naturally elevating a master signaling

1474

01:04:17,569 --> 01:04:15,180

peptide in the body x39 boost Vitality

1475

01:04:19,789 --> 01:04:17,579

health and wellness and resets four

1476

01:04:23,089 --> 01:04:19,799

thousand genes to a younger healthier

1477

01:04:27,190 --> 01:04:23,099

State it's one patch once a day and you

1478

01:04:30,589 --> 01:04:27,200

can turn back time with x-39 just go to

1479

01:04:32,289 --> 01:04:30,599

healingworksnow.com that's works with an

1480

01:04:35,690 --> 01:04:32,299

X healing

1481

01:04:37,970 --> 01:04:35,700

worksnow.com hey everybody it's Billy

1482

01:04:39,890 --> 01:04:37,980

Carson also known as Forbidden Knowledge

1483

01:04:42,710 --> 01:04:39,900

I want to talk to you about a very

1484

01:04:45,530 --> 01:04:42,720

special event coming up July 30th 2023

1485

01:04:46,910 --> 01:04:45,540

The Forbidden conscious Awards we're

1486

01:04:48,470 --> 01:04:46,920

going to honor people who have been

1487

01:04:50,809 --> 01:04:48,480

contributing to the conscious Community

1488

01:04:52,430 --> 01:04:50,819

for decades people that you know and

1489

01:04:54,410 --> 01:04:52,440

love that have helped you get to higher

1490

01:04:55,970 --> 01:04:54,420

levels of thought and Consciousness and

1491

01:04:58,010 --> 01:04:55,980

awareness it's going to be alive

1492

01:04:59,510 --> 01:04:58,020

in-person event but seats are going to

1493

01:05:01,250 --> 01:04:59,520

sell out very fast you want to make sure

1494

01:05:03,289 --> 01:05:01,260

you're there in person and guess what

1495

01:05:05,270 --> 01:05:03,299

you can help vote for the winners voting

1496

01:05:07,190 --> 01:05:05,280

is available on [forbiddenknowledge.com](http://forbiddenknowledge.com)

1497

01:05:09,770 --> 01:05:07,200

and the categories are going to be

1498

01:05:12,289 --> 01:05:09,780

social media influencer podcast slash

1499

01:05:14,329 --> 01:05:12,299

radio host TV host actor director

1500

01:05:16,130 --> 01:05:14,339

producer entrepreneurs health and

1501  
01:05:18,589 --> 01:05:16,140  
wellness philanthropists authors field

1502  
01:05:20,329 --> 01:05:18,599  
researchers archaeologists space anomaly

1503  
01:05:23,270 --> 01:05:20,339  
hunters and of course a Lifetime

1504  
01:05:25,069 --> 01:05:23,280  
Achievement Award I'll be your keynote

1505  
01:05:26,990 --> 01:05:25,079  
speaker that night at The Forbidden

1506  
01:05:29,329 --> 01:05:27,000  
conscious Awards we have celebrity

1507  
01:05:30,890 --> 01:05:29,339  
guests performing we'll have a halftime

1508  
01:05:32,450 --> 01:05:30,900  
show where we're actually going to

1509  
01:05:34,789 --> 01:05:32,460  
perform music for for you and don't

1510  
01:05:36,829 --> 01:05:34,799  
forget about the pre-event mixer where

1511  
01:05:38,870 --> 01:05:36,839  
if you buy a box seat you'll be in the

1512  
01:05:41,270 --> 01:05:38,880  
VIP section and you also have private

1513  
01:05:43,970 --> 01:05:41,280

access to a big-ip mixer with celebrity

1514

01:05:46,370 --> 01:05:43,980

guests shake hands break bread Network

1515

01:05:48,410 --> 01:05:46,380

and then walk the red carpet with us and

1516

01:05:49,670 --> 01:05:48,420

take amazing photos it's going to be a

1517

01:05:51,589 --> 01:05:49,680

night to remember you don't want to

1518

01:05:53,089 --> 01:05:51,599

forget this make sure you hurry up and

1519

01:05:55,089 --> 01:05:53,099

get your tickets because they're selling

1520

01:05:57,890 --> 01:05:55,099

out very fast I want to see you there

1521

01:06:01,490 --> 01:05:57,900

forbidden conscious Wars 2023

1522

01:06:04,910 --> 01:06:01,500

[Music]

1523

01:06:07,730 --> 01:06:04,920

River Moon coffee makers of the Fade to

1524

01:06:09,549 --> 01:06:07,740

Black blend truly the best coffee on

1525

01:06:11,809 --> 01:06:09,559

planet Earth just visit

1526

01:06:13,670 --> 01:06:11,819

rivermoonwellness.com or their Amazon

1527

01:06:15,109 --> 01:06:13,680

store it's all simple to do you can

1528

01:06:17,210 --> 01:06:15,119

check out the Fade to Black blend the

1529

01:06:19,849 --> 01:06:17,220

game changer Blend or any of their black

1530

01:06:23,569 --> 01:06:19,859

moon wellness products it's the only

1531

01:06:52,190 --> 01:06:23,579

coffee I drink it is the best and it's

1532

01:06:52,200 --> 01:06:58,010

I think you're muted

1533

01:07:03,529 --> 01:07:01,190

oh I muted oh yeah I was just

1534

01:07:04,970 --> 01:07:03,539

complaining about you so I muted myself

1535

01:07:07,490 --> 01:07:04,980

okay

1536

01:07:10,370 --> 01:07:07,500

yeah yeah yeah yeah I was complaining I

1537

01:07:12,289 --> 01:07:10,380

was complaining I told everybody I I was

1538

01:07:14,630 --> 01:07:12,299

just saying

1539

01:07:17,450 --> 01:07:14,640

um uh that we were going to go to Casa

1540

01:07:19,849 --> 01:07:17,460

Vega we're gonna do in studio a

1541

01:07:21,950 --> 01:07:19,859

bachelor's gifts and a whole evening

1542

01:07:23,510 --> 01:07:21,960

planned and you blew me out you blew me

1543

01:07:27,710 --> 01:07:23,520

out but yeah

1544

01:07:30,950 --> 01:07:27,720

um but okay now uh I want to say this uh

1545

01:07:34,849 --> 01:07:30,960

there are two events this year only two

1546

01:07:38,150 --> 01:07:34,859

that Billy and I are not doing together

1547

01:07:41,990 --> 01:07:38,160

and it's because we're doing the the

1548

01:07:44,870 --> 01:07:42,000

dates fell on top of each other Billy's

1549

01:07:48,289 --> 01:07:44,880

going to Cambodia yeah yeah yeah and I

1550

01:07:51,289 --> 01:07:48,299

was gonna go I was gonna go but that

1551

01:07:53,690 --> 01:07:51,299

trip it the only dates available uh to

1552

01:07:55,910 --> 01:07:53,700

get that locked in overlapped his

1553

01:07:57,950 --> 01:07:55,920

Stairway To the Stars Billy was going to

1554

01:07:59,750 --> 01:07:57,960

do Stairway To the Stars we've been

1555

01:08:02,210 --> 01:07:59,760

talking about doing all of this for the

1556

01:08:04,609 --> 01:08:02,220

last couple of years and now Billy I'm

1557

01:08:07,910 --> 01:08:04,619

gonna miss you I'm gonna miss you yeah

1558

01:08:10,549 --> 01:08:07,920

so you're going to Cambodia we'll swing

1559

01:08:12,049 --> 01:08:10,559

back to that but uh you're taking a

1560

01:08:14,690 --> 01:08:12,059

whole crew out there that's probably

1561

01:08:17,030 --> 01:08:14,700

sold out by now too as well there's

1562

01:08:19,189 --> 01:08:17,040

actually about five seats left for the

1563

01:08:20,749 --> 01:08:19,199

Cambodia trip so they can go to four

1564

01:08:23,450 --> 01:08:20,759

bidden Lodge with the number four four

1565

01:08:25,249 --> 01:08:23,460

bidding knowledge.com click on tours

1566

01:08:27,890 --> 01:08:25,259

um if you want to come to Cambodia come

1567

01:08:31,189 --> 01:08:27,900

to Anchor wat the largest temple complex

1568

01:08:33,590 --> 01:08:31,199

in the world go to Tao prom and all the

1569

01:08:36,709 --> 01:08:33,600

surrounding temples it's going to be a

1570

01:08:39,829 --> 01:08:36,719

life-changing event uh just a mystical

1571

01:08:42,650 --> 01:08:39,839

imagine incredible Place imagine hiking

1572

01:08:44,510 --> 01:08:42,660

up cooling mountain to a 90 meter

1573

01:08:46,510 --> 01:08:44,520

waterfall and going swimming with the

1574

01:08:50,570 --> 01:08:46,520

monks it's just a breathtaking

1575

01:08:52,610 --> 01:08:50,580

opportunity ah or you can come to my

1576

01:08:57,059 --> 01:08:52,620

event and see Kara top

1577

01:08:57,069 --> 01:09:01,630

[Laughter]

1578

01:09:08,630 --> 01:09:05,530

okay so yeah you got a point there

1579

01:09:12,370 --> 01:09:08,640

did I just say that I said that out loud

1580

01:09:14,450 --> 01:09:12,380

I said that out loud oh man

1581

01:09:15,829 --> 01:09:14,460

yeah I'm sure you're you know Stairway

1582

01:09:19,550 --> 01:09:15,839

To the Stars is going to be amazing too

1583

01:09:20,749 --> 01:09:19,560

but yeah yeah we got Carrot Top right so

1584

01:09:22,370 --> 01:09:20,759

if you're looking for an incredible

1585

01:09:24,110 --> 01:09:22,380

spiritual journey you can go to either

1586

01:09:26,329 --> 01:09:24,120

one of these events and have a great

1587

01:09:28,610 --> 01:09:26,339

time and learn from a lot of great

1588

01:09:30,950 --> 01:09:28,620

people yeah it's gonna be amazing it's

1589

01:09:36,050 --> 01:09:30,960

going to be amazing okay so next up

1590

01:09:38,630 --> 01:09:36,060

so let's see uh August 4th okay all

1591

01:09:41,510 --> 01:09:38,640

right so then August is a busy month for

1592

01:09:44,689 --> 01:09:41,520

us my friend we got to get through it

1593

01:09:47,870 --> 01:09:44,699

you know um I I said to Billy the other

1594

01:09:49,550 --> 01:09:47,880

night uh we're talking on the phone and

1595

01:09:52,430 --> 01:09:49,560

you know we're just you know scheduling

1596

01:09:56,530 --> 01:09:52,440

talking about things and and I go well

1597

01:10:03,290 --> 01:10:01,130

sleep is for Susie sometimes I I I I

1598

01:10:05,330 --> 01:10:03,300

used to

1599

01:10:10,250 --> 01:10:05,340

um uh and we laugh about this all the

1600

01:10:13,010 --> 01:10:10,260

time I used to for so long dude I would

1601  
01:10:16,490 --> 01:10:13,020  
sleep in till noon and if I didn't sleep

1602  
01:10:20,410 --> 01:10:16,500  
until at least noon

1603  
01:10:24,770 --> 01:10:20,420  
um I I felt like I was cheating myself

1604  
01:10:26,270 --> 01:10:24,780  
well now if I spend an extra minute

1605  
01:10:29,149 --> 01:10:26,280  
sleeping

1606  
01:10:31,189 --> 01:10:29,159  
I'm cheating myself yeah I want to get

1607  
01:10:34,729 --> 01:10:31,199  
up man I want to get up I I don't care

1608  
01:10:37,550 --> 01:10:34,739  
five hours sleep it's more than I need I

1609  
01:10:41,330 --> 01:10:37,560  
want to get up and I want to experience

1610  
01:10:43,250 --> 01:10:41,340  
life I I don't want to waste a minute I

1611  
01:10:45,590 --> 01:10:43,260  
don't want to waste a minute Billy waste

1612  
01:10:47,330 --> 01:10:45,600  
that's that's that's crazy isn't it you

1613  
01:10:49,010 --> 01:10:47,340

just don't want to waste time

1614

01:10:51,470 --> 01:10:49,020

you don't want to waste any time man

1615

01:10:53,390 --> 01:10:51,480

time is really really precious

1616

01:10:55,550 --> 01:10:53,400

and people always you know say you know

1617

01:10:57,770 --> 01:10:55,560

how do you get all this stuff done

1618

01:10:59,209 --> 01:10:57,780

you know the some sometimes I ask them

1619

01:11:00,530 --> 01:10:59,219

say well how many hours do you sleep at

1620

01:11:02,990 --> 01:11:00,540

night well I got to get my eight to nine

1621

01:11:04,970 --> 01:11:03,000

hours some people say 10 hours and I'm

1622

01:11:07,250 --> 01:11:04,980

going that for me that's just too long

1623

01:11:08,870 --> 01:11:07,260

sleep is important it's important for

1624

01:11:11,570 --> 01:11:08,880

the brain it's important to cleanse the

1625

01:11:13,310 --> 01:11:11,580

brain detox the brain spinal fluid goes

1626

01:11:15,830 --> 01:11:13,320

in and washes your brain at night you

1627

01:11:17,209 --> 01:11:15,840

need that sleep your body needs to reset

1628

01:11:20,090 --> 01:11:17,219

and recharge

1629

01:11:22,790 --> 01:11:20,100

uh but you know I think people can

1630

01:11:25,370 --> 01:11:22,800

probably get away with uh six hours

1631

01:11:28,550 --> 01:11:25,380

maybe Max I mean I don't sleep six but

1632

01:11:30,890 --> 01:11:28,560

six hours you know I think anything more

1633

01:11:33,290 --> 01:11:30,900

than that you're losing after you

1634

01:11:36,229 --> 01:11:33,300

calculate how many hours extra and

1635

01:11:38,510 --> 01:11:36,239

multiply that by years when it turns

1636

01:11:39,950 --> 01:11:38,520

into you're sleeping for years I don't

1637

01:11:41,930 --> 01:11:39,960

want to sleep for years I want to

1638

01:11:44,510 --> 01:11:41,940

experience what's going on I want to

1639

01:11:46,550 --> 01:11:44,520

come up with new ideas work on projects

1640

01:11:49,130 --> 01:11:46,560

you know I want to be I want to travel

1641

01:11:51,169 --> 01:11:49,140

see the world I want to impact people's

1642

01:11:53,209 --> 01:11:51,179

lives I want to help people be of

1643

01:11:55,790 --> 01:11:53,219

service to others I just don't want to

1644

01:11:59,689 --> 01:11:55,800

spend my my my last day sleeping it all

1645

01:12:02,390 --> 01:11:59,699

away yeah you know when you okay we're

1646

01:12:05,450 --> 01:12:02,400

gonna get to the rest of August but you

1647

01:12:10,130 --> 01:12:05,460

know and this isn't morose this isn't

1648

01:12:10,990 --> 01:12:10,140

like dark but you don't want to be let's

1649

01:12:15,709 --> 01:12:11,000

say

1650

01:12:19,669 --> 01:12:15,719

you're 80 years old and and things are

1651  
01:12:22,250 --> 01:12:19,679  
winding down right and and and you know

1652  
01:12:24,470 --> 01:12:22,260  
this right okay and your family's over

1653  
01:12:28,570 --> 01:12:24,480  
at the house and you don't want to be

1654  
01:12:34,850 --> 01:12:32,030  
what I would give for an extra minute

1655  
01:12:38,390 --> 01:12:34,860  
right right and and what I would give

1656  
01:12:41,510 --> 01:12:38,400  
for an extra day what I would give for

1657  
01:12:42,790 --> 01:12:41,520  
that right now well the time that you

1658  
01:12:45,530 --> 01:12:42,800  
spend

1659  
01:12:47,750 --> 01:12:45,540  
wasting right you don't want to be you

1660  
01:12:51,169 --> 01:12:47,760  
don't want no I don't I don't want to

1661  
01:12:53,330 --> 01:12:51,179  
feel like that I just don't I I want to

1662  
01:12:58,550 --> 01:12:53,340  
feel like man you know what

1663  
01:13:00,770 --> 01:12:58,560

okay half of it I I wasted it was fun it

1664

01:13:06,290 --> 01:13:00,780

was I had a lot of fun wasting time

1665

01:13:08,450 --> 01:13:06,300

right but the second half I man I earned

1666

01:13:10,250 --> 01:13:08,460

every minute you know what I mean and I

1667

01:13:12,709 --> 01:13:10,260

I lived it to the fullest and and that's

1668

01:13:14,870 --> 01:13:12,719

really that which people have to realize

1669

01:13:17,689 --> 01:13:14,880

yeah I hate to interrupt you people have

1670

01:13:20,209 --> 01:13:17,699

to realize that there's only 24 hours in

1671

01:13:21,830 --> 01:13:20,219

a day right and so if you're sleeping

1672

01:13:24,169 --> 01:13:21,840

eight hours it leaves you with 16 hours

1673

01:13:26,149 --> 01:13:24,179

most people are driving hour to and from

1674

01:13:29,209 --> 01:13:26,159

work sometimes even more than that you

1675

01:13:32,510 --> 01:13:29,219

take off another 2.5 for for transit to

1676

01:13:34,550 --> 01:13:32,520

work right uh and then you got to take

1677

01:13:36,229 --> 01:13:34,560

off time to eat you got to eat three

1678

01:13:38,270 --> 01:13:36,239

meals a day on average the average

1679

01:13:39,649 --> 01:13:38,280

person eating three meals a day that's

1680

01:13:41,750 --> 01:13:39,659

going to come out to probably close to

1681

01:13:43,669 --> 01:13:41,760

another three hours total time if you

1682

01:13:45,590 --> 01:13:43,679

some will be less some will be more but

1683

01:13:47,990 --> 01:13:45,600

about another three hours you know

1684

01:13:50,870 --> 01:13:48,000

you're down to 10 hours and 10 and a

1685

01:13:53,570 --> 01:13:50,880

half hours now uh and then you gotta you

1686

01:13:56,030 --> 01:13:53,580

know hopefully get home and see your

1687

01:13:57,830 --> 01:13:56,040

kids but don't forget about work you

1688

01:14:01,070 --> 01:13:57,840

take off another eight hours on average

1689

01:14:02,990 --> 01:14:01,080

work and see your kids for maybe two all

1690

01:14:04,729 --> 01:14:03,000

of a sudden there's no time left and

1691

01:14:08,270 --> 01:14:04,739

that's the end of your day that's the

1692

01:14:11,930 --> 01:14:08,280

end of your day you can't waste uh a

1693

01:14:15,550 --> 01:14:11,940

minute of it so now you know I just uh I

1694

01:14:22,310 --> 01:14:19,130

I I drink my meals I don't wait at

1695

01:14:24,830 --> 01:14:22,320

stoplights anymore no no I didn't

1696

01:14:27,709 --> 01:14:24,840

capture I did a I did a I did a number

1697

01:14:31,729 --> 01:14:27,719

and the average person

1698

01:14:35,570 --> 01:14:31,739

um uh if you live to 75 you spend six

1699

01:14:37,430 --> 01:14:35,580

months at stoplights so yeah I run stop

1700

01:14:39,350 --> 01:14:37,440

lights now I just love them

1701

01:14:42,229 --> 01:14:39,360

don't do this at home guys don't do this

1702

01:14:45,290 --> 01:14:42,239

at home I just run a stopwatch

1703

01:14:47,570 --> 01:14:45,300

um so uh August is a busy month so uh

1704

01:14:50,030 --> 01:14:47,580

August 4th through the 6th we're out

1705

01:14:52,430 --> 01:14:50,040

here in California in Joshua Tree a

1706

01:14:55,610 --> 01:14:52,440

couple of weeks later 10 days later

1707

01:14:58,310 --> 01:14:55,620

um we are heading over to the United

1708

01:15:01,669 --> 01:14:58,320

Kingdom and The Forbidden Knowledge

1709

01:15:04,550 --> 01:15:01,679

World Tour continues

1710

01:15:08,030 --> 01:15:04,560

um and we start things off August 22nd

1711

01:15:10,070 --> 01:15:08,040

in London what are we doing in London oh

1712

01:15:12,950 --> 01:15:10,080

London's going to be amazing it's going

1713

01:15:14,330 --> 01:15:12,960

to be an amazing venue really nice uh

1714

01:15:15,890 --> 01:15:14,340

people are getting their tickets now so

1715

01:15:18,530 --> 01:15:15,900

if you're in London if you're in the UK

1716

01:15:21,290 --> 01:15:18,540

come see us in London it's going to be

1717

01:15:23,810 --> 01:15:21,300

an amazing show we'll have of course

1718

01:15:26,870 --> 01:15:23,820

myself Billy Carson Jimmy Church

1719

01:15:28,790 --> 01:15:26,880

Elizabeth Hoekstra uh it's just going to

1720

01:15:32,450 --> 01:15:28,800

be one of those great shows an uplifting

1721

01:15:35,330 --> 01:15:32,460

inspiring inspirational esoteric ancient

1722

01:15:37,370 --> 01:15:35,340

knowledge show it's going to be hype

1723

01:15:39,649 --> 01:15:37,380

energetic I'm going to have the crowd

1724

01:15:41,149 --> 01:15:39,659

all to be interactive I don't want

1725

01:15:42,530 --> 01:15:41,159

people sitting there falling asleep you

1726

01:15:44,330 --> 01:15:42,540

know I go to a lot of these conferences

1727

01:15:46,970 --> 01:15:44,340

man people are sitting there you know

1728

01:15:49,790 --> 01:15:46,980

their heads are slapping all around no

1729

01:15:52,370 --> 01:15:49,800

sleeping here all hype all energy all

1730

01:15:55,010 --> 01:15:52,380

excitement enthusiasm and then we leave

1731

01:15:58,310 --> 01:15:55,020

there that that said uh the Kindred

1732

01:16:03,229 --> 01:15:58,320

Hammersmith man not playing around this

1733

01:16:06,590 --> 01:16:03,239

is a world-class venue uh there in

1734

01:16:09,169 --> 01:16:06,600

um in in London and Roger Snipes

1735

01:16:10,669 --> 01:16:09,179

yeah oh yeah Roger he'll be he'll be

1736

01:16:13,070 --> 01:16:10,679

there he'll be speaking as well that's

1737

01:16:15,830 --> 01:16:13,080

right and you know he's he's becoming a

1738

01:16:18,350 --> 01:16:15,840

a well-known actor over there now as

1739

01:16:21,830 --> 01:16:18,360

well as a bodybuilder and a trainer and

1740

01:16:23,209 --> 01:16:21,840

a and a fitness coach and uh his social

1741

01:16:24,950 --> 01:16:23,219

media is really pop and I think he's

1742

01:16:27,050 --> 01:16:24,960

over a million followers now just on

1743

01:16:28,310 --> 01:16:27,060

Instagram alone uh but so he's doing

1744

01:16:30,830 --> 01:16:28,320

really really well he's going to come

1745

01:16:32,510 --> 01:16:30,840

and talk uh you know he's on that same

1746

01:16:34,430 --> 01:16:32,520

frequency with Elizabeth in terms of

1747

01:16:36,470 --> 01:16:34,440

biohacking and all that kind of great

1748

01:16:39,709 --> 01:16:36,480

stuff right and really teaching some

1749

01:16:41,149 --> 01:16:39,719

some incredible mind and body hacks uh

1750

01:16:43,250 --> 01:16:41,159

so it's going to be a full when you get

1751

01:16:46,070 --> 01:16:43,260

done with this uh you know this

1752

01:16:47,870 --> 01:16:46,080

conference you're gonna have had learned

1753

01:16:50,209 --> 01:16:47,880

so many different things on various

1754

01:16:53,090 --> 01:16:50,219

different topics I think the people will

1755

01:16:54,470 --> 01:16:53,100

be completely full you know mentally and

1756

01:16:56,750 --> 01:16:54,480

they'll have a lot to go back and

1757

01:16:58,550 --> 01:16:56,760

meditate on and a lot of solutions to

1758

01:17:01,790 --> 01:16:58,560

implementing to their life because this

1759

01:17:03,830 --> 01:17:01,800

tour is about providing Solutions not

1760

01:17:06,530 --> 01:17:03,840

just complaining about problems not just

1761

01:17:08,510 --> 01:17:06,540

rambling off hot quotes but really

1762

01:17:10,430 --> 01:17:08,520

really talking about how do we implement

1763

01:17:12,110 --> 01:17:10,440

this in our life how do we apply these

1764

01:17:15,169 --> 01:17:12,120

this new knowledge into our life because

1765

01:17:17,570 --> 01:17:15,179

knowledge is not power the application

1766

01:17:19,490 --> 01:17:17,580

of knowledge is power you have to begin

1767

01:17:21,770 --> 01:17:19,500

to apply you have to put the action

1768

01:17:23,770 --> 01:17:21,780

steps behind the knowledge in order to

1769

01:17:25,430 --> 01:17:23,780

see a difference in your life

1770

01:17:32,209 --> 01:17:25,440

the

1771

01:17:34,250 --> 01:17:32,219

um about this I mean for me is that I

1772

01:17:36,290 --> 01:17:34,260

get to hang out

1773

01:17:38,149 --> 01:17:36,300

with everybody that's always in shape

1774

01:17:40,070 --> 01:17:38,159

you know so I get

1775

01:17:41,630 --> 01:17:40,080

to I get to flaunt

1776

01:17:43,850 --> 01:17:41,640

I get to flaunt

1777

01:17:47,090 --> 01:17:43,860

I get I get to go hey so check this out

1778

01:17:48,709 --> 01:17:47,100

man what do you think

1779

01:17:51,110 --> 01:17:48,719

what do you think

1780

01:17:52,610 --> 01:17:51,120

you think

1781

01:17:54,709 --> 01:17:52,620

you're going to be in shape Jimmy by

1782

01:17:56,810 --> 01:17:54,719

then you're going to be sure man look I

1783

01:17:59,390 --> 01:17:56,820

look pretty good you look better man

1784

01:18:01,970 --> 01:17:59,400

listen you since since last year's Egypt

1785

01:18:04,370 --> 01:18:01,980

trip till now today yeah night and day

1786

01:18:05,270 --> 01:18:04,380

difference night and day you know I feel

1787

01:18:10,790 --> 01:18:05,280

it

1788

01:18:13,250 --> 01:18:10,800

um I just gotta say that nothing is free

1789

01:18:15,470 --> 01:18:13,260

you got to put in the work you got to

1790

01:18:18,050 --> 01:18:15,480

put in the time

1791

01:18:21,050 --> 01:18:18,060

um but Billy legitimately was just here

1792

01:18:23,450 --> 01:18:21,060

at the house I put in a nice gym I got a

1793

01:18:25,250 --> 01:18:23,460

nice gym don't I nice gym in the house

1794

01:18:27,590 --> 01:18:25,260

man nice Jim and I can tell you've been

1795

01:18:29,689 --> 01:18:27,600

using yeah yeah yeah it's legit it's

1796

01:18:35,169 --> 01:18:29,699

yeah you can see the ashtrays and coffee

1797

01:18:41,450 --> 01:18:38,450

okay I got shot glasses and a Dean

1798

01:18:44,570 --> 01:18:41,460

Martin bar in a in in in the gym which

1799

01:18:48,830 --> 01:18:44,580

is important to keep your focus

1800

01:18:51,830 --> 01:18:48,840

um but yeah yeah you have to uh put in

1801

01:18:54,290 --> 01:18:51,840

the time and and the other thing uh

1802

01:18:56,570 --> 01:18:54,300

let's let's dance on this because uh

1803

01:18:58,490 --> 01:18:56,580

we're not done with August that's that's

1804

01:19:01,310 --> 01:18:58,500

just the first two weeks of August we

1805

01:19:05,149 --> 01:19:01,320

got to get to the last week of August

1806

01:19:07,130 --> 01:19:05,159

um but but the whole thing with this is

1807

01:19:10,189 --> 01:19:07,140

I think working out is great I think

1808

01:19:13,010 --> 01:19:10,199

sleep is great I am everybody knows I'm

1809

01:19:16,130 --> 01:19:13,020

grounding and I I cannot I cannot

1810

01:19:17,990 --> 01:19:16,140

function if if I don't ground now you

1811

01:19:19,910 --> 01:19:18,000

know and I do all of these things but

1812

01:19:23,570 --> 01:19:19,920

it's also about diet

1813

01:19:25,550 --> 01:19:23,580

you know it is it's about diet I do eat

1814

01:19:28,130 --> 01:19:25,560

too much of the wrong stuff because I

1815

01:19:32,890 --> 01:19:28,140

love it and I don't want to deny myself

1816

01:19:35,810 --> 01:19:32,900

of Happiness all right but you have to

1817

01:19:37,490 --> 01:19:35,820

balance that out with a lot of really

1818

01:19:39,169 --> 01:19:37,500

good stuff you got to do the fresh

1819

01:19:41,209 --> 01:19:39,179

fruits you got to eat salads you got

1820

01:19:43,729 --> 01:19:41,219

there there's things that you have to do

1821

01:19:46,550 --> 01:19:43,739

to balance out

1822

01:19:48,590 --> 01:19:46,560

McDonald's or whatever it is

1823

01:19:52,189 --> 01:19:48,600

but right you know what I mean and it's

1824

01:19:55,189 --> 01:19:52,199

it's work because it's too easy to just

1825

01:19:58,790 --> 01:19:55,199

have fun all the time and and not work

1826

01:20:03,290 --> 01:19:58,800

out and not have Diet to sleep in to do

1827

01:20:05,810 --> 01:20:03,300

this that's easy to do yeah to to to do

1828

01:20:08,270 --> 01:20:05,820

the right thing is hard

1829

01:20:11,510 --> 01:20:08,280

doing the right thing you got to put in

1830

01:20:15,649 --> 01:20:11,520

work if you want to fail and get F's on

1831

01:20:18,370 --> 01:20:15,659

your report card that's easy yeah that's

1832

01:20:21,890 --> 01:20:18,380

easy you want A's on your report card

1833

01:20:24,470 --> 01:20:21,900

you gotta put in the work that'll work

1834

01:20:27,050 --> 01:20:24,480

nothing is free nothing is free yeah all

1835

01:20:30,350 --> 01:20:27,060

right so let's get to the last week okay

1836

01:20:33,950 --> 01:20:30,360

so uh that's week number three the last

1837

01:20:35,630 --> 01:20:33,960

week week number four of August uh we go

1838

01:20:37,490 --> 01:20:35,640

from London

1839

01:20:40,850 --> 01:20:37,500  
to Manchester

1840

01:20:42,830 --> 01:20:40,860  
yes World Tour continues uh this is

1841

01:20:44,990 --> 01:20:42,840  
going to be a huge event this is the

1842

01:20:46,850 --> 01:20:45,000  
biggest event in Europe isn't it

1843

01:20:50,270 --> 01:20:46,860  
it's the biggest event in Europe and

1844

01:20:52,550 --> 01:20:50,280  
it's 75 sold out so if you're in the UK

1845

01:20:55,610 --> 01:20:52,560  
and you want to come to Manchester make

1846

01:20:57,490 --> 01:20:55,620  
sure you get your tickets ASAP go to

1847

01:21:04,370 --> 01:20:57,500  
awaken

1848

01:21:07,790 --> 01:21:04,380  
ufo.com get your tickets this event is

1849

01:21:10,130 --> 01:21:07,800  
massive I can't wait there's thousands

1850

01:21:11,470 --> 01:21:10,140  
of people will be there thousands it's

1851

01:21:14,270 --> 01:21:11,480

going to be incredible

1852

01:21:17,689 --> 01:21:14,280

and uh you were there last year too as

1853

01:21:19,729 --> 01:21:17,699

well a different a different venue uh

1854

01:21:22,490 --> 01:21:19,739

now it's back at the bowlers um

1855

01:21:24,530 --> 01:21:22,500

Exhibition Center this time around and

1856

01:21:28,370 --> 01:21:24,540

the lineup

1857

01:21:30,770 --> 01:21:28,380

um again uh Awakening ufo.com uh we also

1858

01:21:33,110 --> 01:21:30,780

have information over on my site and and

1859

01:21:36,530 --> 01:21:33,120

Billy site too as well

1860

01:21:40,490 --> 01:21:36,540

um but I'm very excited about a few uh

1861

01:21:43,130 --> 01:21:40,500

our friends our co-workers our uh you

1862

01:21:44,630 --> 01:21:43,140

know our group our tribe is going to be

1863

01:21:47,689 --> 01:21:44,640

there and I'm talking about Melissa

1864

01:21:50,390 --> 01:21:47,699

tittle's going to be there and and of

1865

01:21:52,130 --> 01:21:50,400

course uh Elizabeth is going to be their

1866

01:21:54,169 --> 01:21:52,140

Roderick Martin is going to be there

1867

01:21:56,689 --> 01:21:54,179

really looking forward to that Donnie

1868

01:21:59,750 --> 01:21:56,699

arcade is coming over

1869

01:22:02,450 --> 01:21:59,760

um so we we've got um our our Circle

1870

01:22:04,790 --> 01:22:02,460

this is the forbidden tour the two we've

1871

01:22:08,390 --> 01:22:04,800

got Craig Charles at this event

1872

01:22:11,510 --> 01:22:08,400

I am so excited about meeting Craig

1873

01:22:13,910 --> 01:22:11,520

Charles yeah nice it's going to be an

1874

01:22:15,890 --> 01:22:13,920

incredible event uh you know the energy

1875

01:22:17,750 --> 01:22:15,900

is going to be intense with that many

1876

01:22:20,090 --> 01:22:17,760

people vibrating on the same frequency

1877

01:22:21,729 --> 01:22:20,100

and eager to learn and hear information

1878

01:22:25,070 --> 01:22:21,739

and new information

1879

01:22:27,410 --> 01:22:25,080

performance and music performances uh

1880

01:22:29,090 --> 01:22:27,420

it's gonna be hype man again my goal

1881

01:22:30,770 --> 01:22:29,100

again is to not have one of those

1882

01:22:32,149 --> 01:22:30,780

conferences where people's heads are

1883

01:22:34,250 --> 01:22:32,159

swinging all around and they're

1884

01:22:35,930 --> 01:22:34,260

slobbering on themselves but to keep

1885

01:22:37,570 --> 01:22:35,940

people fully engaged and excited and

1886

01:22:40,070 --> 01:22:37,580

happy and energized

1887

01:22:42,590 --> 01:22:40,080

we got we've got Billy's going to be

1888

01:22:46,070 --> 01:22:42,600

there Craig Charles James Fox of course

1889

01:22:50,030 --> 01:22:46,080

Melissa Tittle Daryl Sims is coming over

1890

01:22:54,050 --> 01:22:50,040

Nick Pope Mary Rodwell is winging it in

1891

01:22:55,790 --> 01:22:54,060

we got Nick Kyle L A Marzulli is going

1892

01:22:59,149 --> 01:22:55,800

to be there Johnny Enoch's going to be

1893

01:23:03,169 --> 01:22:59,159

the Mohammed Ibrahim Muhammad coming in

1894

01:23:08,169 --> 01:23:03,179

from Cairo how cool is that yeah

1895

01:23:16,070 --> 01:23:11,450

of course Steve Mara and uh Barry uh

1896

01:23:19,310 --> 01:23:16,080

Fitzgerald but uh that is uh not only an

1897

01:23:21,050 --> 01:23:19,320

amazing line of uh presenters but just a

1898

01:23:24,590 --> 01:23:21,060

great bunch of people

1899

01:23:25,610 --> 01:23:24,600

yeah yeah good people to be around uh

1900

01:23:28,430 --> 01:23:25,620

very

1901

01:23:31,010 --> 01:23:28,440

um honorable these people are not fake

1902

01:23:33,110 --> 01:23:31,020

you know uh you see what you get they're

1903

01:23:36,110 --> 01:23:33,120

the real people man they just love and

1904

01:23:39,110 --> 01:23:36,120

have a passion for this community and

1905

01:23:41,630 --> 01:23:39,120

what they can bring educational wise and

1906

01:23:43,310 --> 01:23:41,640

spiritual wise to the table and you're

1907

01:23:45,070 --> 01:23:43,320

going to see see it you know in

1908

01:23:48,169 --> 01:23:45,080

Manchester so I'm looking forward to it

1909

01:23:51,350 --> 01:23:48,179

the and you know what

1910

01:23:55,209 --> 01:23:51,360

um uh I'm excited about and it's kind of

1911

01:23:58,370 --> 01:23:55,219

like stating the obvious but

1912

01:24:00,229 --> 01:23:58,380

Europe this is a great event it's the

1913

01:24:03,530 --> 01:24:00,239

biggest event of its kind in Europe

1914

01:24:06,290 --> 01:24:03,540

right but we always hear about

1915

01:24:08,990 --> 01:24:06,300

the United States and and these events

1916

01:24:12,590 --> 01:24:09,000

right and the other thing is here in the

1917

01:24:15,709 --> 01:24:12,600

United States we hear about all of the

1918

01:24:17,209 --> 01:24:15,719

uh paranormal the ghosts the UFOs and

1919

01:24:19,850 --> 01:24:17,219

the other stuff that go on over in

1920

01:24:23,149 --> 01:24:19,860

Europe and we don't get a chance to this

1921

01:24:25,370 --> 01:24:23,159

time around we're taking our crew and

1922

01:24:27,830 --> 01:24:25,380

we're going to the United Kingdom and we

1923

01:24:30,709 --> 01:24:27,840

get to hang out with the great people of

1924

01:24:32,630 --> 01:24:30,719

not only the United Kingdom but the rest

1925

01:24:34,430 --> 01:24:32,640

of Europe and that's the part that I'm

1926

01:24:37,790 --> 01:24:34,440

looking forward to I just want to hang

1927

01:24:40,430 --> 01:24:37,800

out and talk and meet with everyone

1928

01:24:41,870 --> 01:24:40,440

yeah it's gonna be phenomenal and I'm

1929

01:24:44,390 --> 01:24:41,880

sure we'll get a chance to sneak off

1930

01:24:45,410 --> 01:24:44,400

right after the conference and go take a

1931

01:24:47,390 --> 01:24:45,420

private tour I'm trying to get Maria

1932

01:24:49,370 --> 01:24:47,400

Wheatley she's got great connections at

1933

01:24:51,229 --> 01:24:49,380

Stonehenge to where we can actually go

1934

01:24:52,910 --> 01:24:51,239

up and touch the stone so that's going

1935

01:24:55,010 --> 01:24:52,920

to be pretty cool too man you know what

1936

01:24:58,370 --> 01:24:55,020

out of all of this you know you know

1937

01:25:00,410 --> 01:24:58,380

Barry and and and Steve and you know the

1938

01:25:02,450 --> 01:25:00,420

crew I love all those guys Michael I

1939

01:25:03,350 --> 01:25:02,460

love those dudes I do I do I really do I

1940

01:25:08,510 --> 01:25:03,360

really do

1941

01:25:13,870 --> 01:25:11,390

and hang out with Maria Wheatley this is

1942

01:25:18,350 --> 01:25:13,880

going to be amazing so everybody

1943

01:25:20,390 --> 01:25:18,360

Awakening expo.com let me uh I think

1944

01:25:22,010 --> 01:25:20,400

that most of the people in the UK uh

1945

01:25:24,709 --> 01:25:22,020

know about this event but I'm going to

1946

01:25:27,350 --> 01:25:24,719

pop this up in the comments uh for

1947

01:25:32,510 --> 01:25:27,360

everybody to go and check out there it

1948

01:25:34,850 --> 01:25:32,520

is there is the link now uh real quick

1949

01:25:36,649 --> 01:25:34,860

Jimmy for don't forget this for the

1950

01:25:39,890 --> 01:25:36,659

people who are in America who aren't

1951

01:25:43,430 --> 01:25:39,900

going to go to the UK this event will be

1952

01:25:46,490 --> 01:25:43,440

live streamed exclusively on Forbidden

1953

01:25:49,729 --> 01:25:46,500

Knowledge TV so go to your app store

1954

01:25:52,189 --> 01:25:49,739

wherever it is on iOS or Google play or

1955

01:25:53,630 --> 01:25:52,199

Samsung Apple TV Roku and get the

1956

01:25:56,209 --> 01:25:53,640

Forbidden Knowledge with the number four

1957

01:25:58,910 --> 01:25:56,219

Forbidden Knowledge TV app because we

1958

01:26:00,649 --> 01:25:58,920

will be live streaming this event uh

1959

01:26:03,709 --> 01:26:00,659

from Manchester

1960

01:26:06,410 --> 01:26:03,719

I was looking for my

1961

01:26:08,629 --> 01:26:06,420

I have my app I was going to show it to

1962

01:26:11,390 --> 01:26:08,639

everybody I got too much stuff going

1963

01:26:15,470 --> 01:26:11,400

down on my phone but I have the the 4bk

1964

01:26:18,290 --> 01:26:15,480

app uh too as well and uh by the way

1965

01:26:19,970 --> 01:26:18,300

it took Billy to install that on my

1966

01:26:21,709 --> 01:26:19,980

phone because I just don't know what I'm

1967

01:26:23,810 --> 01:26:21,719

doing with these phones that was so

1968

01:26:26,629 --> 01:26:23,820

funny gave Billy my phone I did did not

1969

01:26:28,610 --> 01:26:26,639

Bill did yeah I got it on this I'll

1970

01:26:32,110 --> 01:26:28,620

figure this out for me man I I don't

1971

01:26:35,930 --> 01:26:32,120

know what's an app

1972

01:26:39,890 --> 01:26:35,940

Jimmy let me help you out with that

1973

01:26:41,990 --> 01:26:39,900

um but yes uh get uh get the 4bk app and

1974

01:26:46,129 --> 01:26:42,000

uh everything is right there

1975

01:26:49,189 --> 01:26:46,139

um and now uh lately

1976

01:26:51,830 --> 01:26:49,199

Egypt is back in the news now we've got

1977

01:26:56,090 --> 01:26:51,840

we've got some crazy stuff

1978

01:26:59,390 --> 01:26:56,100

uh that is going on over in Egypt now my

1979

01:27:01,370 --> 01:26:59,400

event Stairway To the Stars is you know

1980

01:27:03,830 --> 01:27:01,380

it's at the Luxor and what is great

1981

01:27:06,169 --> 01:27:03,840

about that is it's it's Egypt right you

1982

01:27:07,310 --> 01:27:06,179

got the pyramid you got that giant

1983

01:27:11,390 --> 01:27:07,320

Sphinx

1984

01:27:14,870 --> 01:27:11,400

um out front but the the inside and and

1985

01:27:17,990 --> 01:27:14,880

the the Imaging of the place is really

1986

01:27:20,330 --> 01:27:18,000

really cool and and I just enjoy that

1987

01:27:23,030 --> 01:27:20,340

atmosphere but they have a King Tut

1988

01:27:26,030 --> 01:27:23,040

exhibit there where you can go into King

1989

01:27:28,070 --> 01:27:26,040

Tut's tomb really well done you were

1990

01:27:33,229 --> 01:27:28,080

liking some of my pictures that I posted

1991

01:27:37,370 --> 01:27:33,239

about that and yeah very very very cool

1992

01:27:40,910 --> 01:27:37,380

um and and I like what the Luxor does

1993

01:27:45,290 --> 01:27:40,920

about awareness of this very important

1994

01:27:47,570 --> 01:27:45,300

subject right which is Egypt and that's

1995

01:27:50,350 --> 01:27:47,580

really cool but

1996

01:27:55,010 --> 01:27:50,360

right now Egypt is back in the news

1997

01:27:58,669 --> 01:27:55,020

we've got uh a new chamber that wasn't

1998

01:28:01,970 --> 01:27:58,679

supposed to exist that is right there at

1999

01:28:05,510 --> 01:28:01,980

the entrance of the Great Pyramid uh for

2000

01:28:07,850 --> 01:28:05,520

years and this is in addition to the

2001  
01:28:11,209 --> 01:28:07,860  
chamber that is above the grand gallery

2002  
01:28:13,910 --> 01:28:11,219  
now they are suggesting that there are

2003  
01:28:16,430 --> 01:28:13,920  
other Chambers there I think that they

2004  
01:28:19,129 --> 01:28:16,440  
found them they're just not just closing

2005  
01:28:24,050 --> 01:28:19,139  
everything right away but how many times

2006  
01:28:26,629 --> 01:28:24,060  
can zahihai wasp say Billy nothing new

2007  
01:28:29,629 --> 01:28:26,639  
there's nothing inside the gray pyramid

2008  
01:28:32,209 --> 01:28:29,639  
there is nothing left to discover well

2009  
01:28:34,430 --> 01:28:32,219  
apparently there is right yeah oh yeah

2010  
01:28:36,770 --> 01:28:34,440  
there's a lot to discover what's amazing

2011  
01:28:38,450 --> 01:28:36,780  
about that chamber if you look at the

2012  
01:28:41,149 --> 01:28:38,460  
way that chamber is shaped

2013  
01:28:43,850 --> 01:28:41,159

you take the throat chakra symbol and

2014

01:28:46,370 --> 01:28:43,860

overlap it onto an image of that

2015

01:28:48,169 --> 01:28:46,380

discovered chamber it's a perfect match

2016

01:28:53,390 --> 01:28:48,179

to the throat chakra

2017

01:28:57,530 --> 01:28:53,400

crazy really yeah perfect match now when

2018

01:29:01,729 --> 01:28:57,540

you look at uh that chamber

2019

01:29:03,110 --> 01:29:01,739

it looks to me now

2020

01:29:05,689 --> 01:29:03,120

um

2021

01:29:08,390 --> 01:29:05,699

that that's not a mistake

2022

01:29:10,910 --> 01:29:08,400

right that that's a that's a that's a

2023

01:29:13,729 --> 01:29:10,920

hallway that's what that's what it looks

2024

01:29:16,790 --> 01:29:13,739

like to me it's a hallway but if you

2025

01:29:20,570 --> 01:29:16,800

look at the back end of it at the end of

2026

01:29:23,689 --> 01:29:20,580

that there is something there I think

2027

01:29:27,470 --> 01:29:23,699

that's an entrance to another room uh

2028

01:29:30,110 --> 01:29:27,480

and and a continuation of things and and

2029

01:29:33,350 --> 01:29:30,120

they know that I don't think that that

2030

01:29:35,149 --> 01:29:33,360

Discovery was by accident uh they found

2031

01:29:38,870 --> 01:29:35,159

it and it's there

2032

01:29:42,410 --> 01:29:38,880

um and the shape of it is it's leading

2033

01:29:43,850 --> 01:29:42,420

you right it's a hallway you think that

2034

01:29:45,110 --> 01:29:43,860

there's a doorway at the end of that

2035

01:29:47,090 --> 01:29:45,120

hallway

2036

01:29:49,669 --> 01:29:47,100

there's definitely an entrance to get to

2037

01:29:53,570 --> 01:29:49,679

another section and that section goes to

2038

01:29:56,090 --> 01:29:53,580

another women's properties some type of

2039

01:29:58,310 --> 01:29:56,100

underground tunnel system that can take

2040

01:30:00,290 --> 01:29:58,320

you out underneath the Sands of Giza for

2041

01:30:01,550 --> 01:30:00,300

miles

2042

01:30:02,270 --> 01:30:01,560

now

2043

01:30:05,510 --> 01:30:02,280

um

2044

01:30:08,930 --> 01:30:05,520

let me let me run something by you

2045

01:30:11,030 --> 01:30:08,940

so you build the Pyramid man out of the

2046

01:30:12,590 --> 01:30:11,040

thousands of conversations you and I

2047

01:30:15,229 --> 01:30:12,600

have had about the Great Pyramid right

2048

01:30:17,649 --> 01:30:15,239

so but here's one we haven't had let me

2049

01:30:20,149 --> 01:30:17,659

just bounce this idea off of you

2050

01:30:22,790 --> 01:30:20,159

you're building the Great Pyramid

2051

01:30:24,649 --> 01:30:22,800

however right did you forget about it

2052

01:30:27,169 --> 01:30:24,659

that's not what this conversation is

2053

01:30:30,169 --> 01:30:27,179

about but you're building it and you

2054

01:30:32,510 --> 01:30:30,179

build that King's chamber and you build

2055

01:30:34,310 --> 01:30:32,520

a trap door in the front that they did

2056

01:30:36,729 --> 01:30:34,320

right there's three Granite blocks that

2057

01:30:39,709 --> 01:30:36,739

came down and sealed It Off

2058

01:30:42,709 --> 01:30:39,719

well that would mean

2059

01:30:46,689 --> 01:30:42,719

whoever is on the inside

2060

01:30:51,770 --> 01:30:46,699

is trapped yeah

2061

01:30:54,950 --> 01:30:51,780

or are they no was there a way to get

2062

01:30:58,310 --> 01:30:54,960

out of the king's chamber

2063

01:31:01,550 --> 01:30:58,320

right after you seal the doors off right

2064

01:31:05,270 --> 01:31:01,560

yeah and then you leave and then reseal

2065

01:31:08,270 --> 01:31:05,280

it I think that there is another exit

2066

01:31:11,750 --> 01:31:08,280

out of the king's chamber that leads

2067

01:31:13,430 --> 01:31:11,760

somewhere else and if we already know

2068

01:31:15,590 --> 01:31:13,440

that there's something above the grand

2069

01:31:17,870 --> 01:31:15,600

Gallery but do you understand the

2070

01:31:20,270 --> 01:31:17,880

concept that I'm laying out here oh yeah

2071

01:31:22,729 --> 01:31:20,280

absolutely peel it off what you're gonna

2072

01:31:25,370 --> 01:31:22,739

seal it off with 20 dudes in there what

2073

01:31:28,790 --> 01:31:25,380

with one boxes and they're gonna sit

2074

01:31:32,990 --> 01:31:28,800

around until they die no they had they

2075

01:31:35,330 --> 01:31:33,000

had they must have have an exit

2076

01:31:36,530 --> 01:31:35,340

so they had a way out yeah they had a

2077

01:31:39,649 --> 01:31:36,540

way out right what do you think about

2078

01:31:41,510 --> 01:31:39,659

that yeah when you look into uh the

2079

01:31:44,229 --> 01:31:41,520

ancient texts and you discover there was

2080

01:31:47,810 --> 01:31:44,239

a second pyramid War where Amun raw

2081

01:31:49,129 --> 01:31:47,820

actually hid in some Chambers inside the

2082

01:31:51,470 --> 01:31:49,139

Great Pyramid

2083

01:31:54,110 --> 01:31:51,480

and then he escaped they had surrounded

2084

01:31:56,450 --> 01:31:54,120

it but he had escaped from somewhere

2085

01:32:00,229 --> 01:31:56,460

somehow throughout through the pyramid

2086

01:32:01,430 --> 01:32:00,239

interior and he escaped uh so you know

2087

01:32:03,470 --> 01:32:01,440

this lets you know that definitely

2088

01:32:05,689 --> 01:32:03,480

there's hidden Chambers and ways to get

2089

01:32:07,790 --> 01:32:05,699

out through hidden passageways and

2090

01:32:10,250 --> 01:32:07,800

probably secret or false doorways and

2091

01:32:13,430 --> 01:32:10,260

entrances and exits I mean to get out of

2092

01:32:15,410 --> 01:32:13,440

that thing and he escaped so uh you know

2093

01:32:17,870 --> 01:32:15,420

this was thousands of years ago so

2094

01:32:20,450 --> 01:32:17,880

there's all kind of hidden Chambers and

2095

01:32:22,729 --> 01:32:20,460

probably false doors and false walls

2096

01:32:25,189 --> 01:32:22,739

that lead to other places within the

2097

01:32:26,870 --> 01:32:25,199

pyramid and of course the builders would

2098

01:32:28,370 --> 01:32:26,880

have uh constructed it in a way where

2099

01:32:31,910 --> 01:32:28,380

they wouldn't seal themselves on the

2100

01:32:36,410 --> 01:32:31,920

inside yeah it just makes sense to me

2101

01:32:38,810 --> 01:32:36,420

yeah when when we uh when we go back

2102

01:32:40,970 --> 01:32:38,820

over like the the serapium by the way

2103

01:32:43,610 --> 01:32:40,980

too as well which is a mind-blowing

2104

01:32:46,310 --> 01:32:43,620

situation but right next uh to the

2105

01:32:48,229 --> 01:32:46,320

serapium where you have the step pyramid

2106

01:32:52,010 --> 01:32:48,239

uh Dozier

2107

01:32:53,510 --> 01:32:52,020

the construction of that now if we go to

2108

01:32:55,310 --> 01:32:53,520

the timeline you know what forget the

2109

01:32:57,470 --> 01:32:55,320

timelines forget about that that we we

2110

01:32:59,209 --> 01:32:57,480

don't have enough time to to get pissed

2111

01:33:02,030 --> 01:32:59,219

off tonight and start talking about that

2112

01:33:04,250 --> 01:33:02,040

stuff but

2113

01:33:05,750 --> 01:33:04,260

there's three and a half kilometers of

2114

01:33:08,570 --> 01:33:05,760

tunnels

2115

01:33:10,729 --> 01:33:08,580

in that pyramid that's right and and

2116

01:33:13,850 --> 01:33:10,739

most people don't understand they just

2117

01:33:17,709 --> 01:33:13,860

think it's a pile of rocks yeah yeah and

2118

01:33:19,310 --> 01:33:17,719

and I I just said three and a half

2119

01:33:22,910 --> 01:33:19,320

kilometers

2120

01:33:28,310 --> 01:33:22,920

yeah they're the design of that and the

2121

01:33:32,750 --> 01:33:28,320

ideas behind it were not lost between

2122

01:33:35,870 --> 01:33:32,760

um uh Sakara and ashore in that area and

2123

01:33:38,990 --> 01:33:35,880

and Giza no no no no no no no no no no

2124

01:33:43,669 --> 01:33:39,000

no no no no no I'm just not buying

2125

01:33:46,550 --> 01:33:43,679

into it the same ideas and Concepts

2126

01:33:47,590 --> 01:33:46,560

um and uh the the inside of the bent

2127

01:33:50,330 --> 01:33:47,600

pyramid

2128

01:33:54,189 --> 01:33:50,340

I'm gonna say it right now Billy and I

2129

01:33:57,169 --> 01:33:54,199

were there right it's Hollow

2130

01:33:59,750 --> 01:33:57,179

it's Hollow that freaking thing is

2131

01:34:01,550 --> 01:33:59,760

hollow you go down you go down in the

2132

01:34:04,070 --> 01:34:01,560

bottom of the bend pyramid and look up

2133

01:34:06,229 --> 01:34:04,080

you can't see the top of the room you

2134

01:34:09,550 --> 01:34:06,239

can't see at the top it's it's so

2135

01:34:11,870 --> 01:34:09,560

massive you're talking about uh well

2136

01:34:15,169 --> 01:34:11,880

convert the kilometers to miles we're

2137

01:34:17,570 --> 01:34:15,179

talking about 2.1 miles of tunnels right

2138

01:34:19,370 --> 01:34:17,580

and you know so I've gone all the way

2139

01:34:21,649 --> 01:34:19,380

through the entire tunnel system and

2140

01:34:23,870 --> 01:34:21,659

gotten all the way to the end and at the

2141

01:34:27,410 --> 01:34:23,880

very Apex on the inside of the pyramid

2142

01:34:28,430 --> 01:34:27,420

to look over into this massive Hollow

2143

01:34:31,010 --> 01:34:28,440

area

2144

01:34:32,870 --> 01:34:31,020

uh and then you got to come back so

2145

01:34:34,149 --> 01:34:32,880

you're talking about it's a Four Mile

2146

01:34:41,090 --> 01:34:34,159

Journey

2147

01:34:43,610 --> 01:34:41,100

that's crazy that's that's insane to me

2148

01:34:45,590 --> 01:34:43,620

and so I I believe and I I think it's

2149

01:34:50,030 --> 01:34:45,600

the same thing with Vancouver I think

2150

01:34:52,790 --> 01:34:50,040

it's the same thing with uh uh coffrey

2151  
01:34:56,750 --> 01:34:52,800  
um as it uh it was soon to be discovered

2152  
01:34:58,189 --> 01:34:56,760  
with Khufu there is no way but they this

2153  
01:35:01,610 --> 01:34:58,199  
is what they want you to believe they

2154  
01:35:03,950 --> 01:35:01,620  
don't they don't want the real knowledge

2155  
01:35:07,910 --> 01:35:03,960  
there they want you to think that it's

2156  
01:35:10,189 --> 01:35:07,920  
just a pile of rocks right right that

2157  
01:35:11,629 --> 01:35:10,199  
and that's it it's just dude it's just a

2158  
01:35:13,610 --> 01:35:11,639  
pile of rocks that's all that's here

2159  
01:35:16,610 --> 01:35:13,620  
there's nothing on the inside of it

2160  
01:35:20,390 --> 01:35:16,620  
there's nothing to discover you know no

2161  
01:35:22,610 --> 01:35:20,400  
they designed it to hide all of that

2162  
01:35:24,890 --> 01:35:22,620  
stuff that is on the inside of it and

2163  
01:35:27,229 --> 01:35:24,900

and and that's the truth isn't it and

2164

01:35:29,870 --> 01:35:27,239

it's it's not the opposite that's the

2165

01:35:32,510 --> 01:35:29,880

real truth they designed it to hide the

2166

01:35:35,149 --> 01:35:32,520

entrances they designed it to hide the

2167

01:35:38,870 --> 01:35:35,159

passageways they designed it to keep it

2168

01:35:41,570 --> 01:35:38,880

hidden right yeah absolutely it's a work

2169

01:35:42,830 --> 01:35:41,580

of art it's an architectural Masterpiece

2170

01:35:44,689 --> 01:35:42,840

all of them are

2171

01:35:46,310 --> 01:35:44,699

and what's really interesting it always

2172

01:35:48,649 --> 01:35:46,320

points back to

2173

01:35:50,990 --> 01:35:48,659

um one master architect

2174

01:35:53,510 --> 01:35:51,000

uh and as you look all around the world

2175

01:35:55,910 --> 01:35:53,520

and you see similarities between the

2176  
01:35:57,770 --> 01:35:55,920  
pyramid structures or with the ones that

2177  
01:36:00,350 --> 01:35:57,780  
are at Giza you have to understand

2178  
01:36:02,930 --> 01:36:00,360  
there's one master architect that then

2179  
01:36:05,209 --> 01:36:02,940  
gave These Blueprints out and taught the

2180  
01:36:08,930 --> 01:36:05,219  
construction techniques to have people

2181  
01:36:10,430 --> 01:36:08,940  
reproduce it's mind-boggling and of

2182  
01:36:12,590 --> 01:36:10,440  
course as you know still to this very

2183  
01:36:15,350 --> 01:36:12,600  
day we can't even come close to

2184  
01:36:18,890 --> 01:36:15,360  
duplicating and so man you're talking

2185  
01:36:22,189 --> 01:36:18,900  
about a golden age you can't have wars

2186  
01:36:24,770 --> 01:36:22,199  
you can't have geological disasters

2187  
01:36:27,470 --> 01:36:24,780  
happening everything must be complete

2188  
01:36:29,510 --> 01:36:27,480

peace and Tranquility in order to allow

2189

01:36:31,090 --> 01:36:29,520

that type of construction to go on and

2190

01:36:35,510 --> 01:36:31,100

happen

2191

01:36:37,729 --> 01:36:35,520

what was yeah okay check this out this

2192

01:36:39,350 --> 01:36:37,739

just came in my cell phone just lit up

2193

01:36:41,570 --> 01:36:39,360

you ready

2194

01:36:44,330 --> 01:36:41,580

yeah I'm trying to think of the name of

2195

01:36:47,689 --> 01:36:44,340

this hotel you and I stayed at there's

2196

01:36:50,270 --> 01:36:47,699

Sarah bressman cosme right now uh just

2197

01:36:54,050 --> 01:36:50,280

arrived in Luxor what was the name of

2198

01:36:58,390 --> 01:36:54,060

that hotel the the um the palace the

2199

01:37:00,729 --> 01:36:58,400

palace yeah man do you miss that oh man

2200

01:37:04,250 --> 01:37:00,739

it's like

2201

01:37:06,830 --> 01:37:04,260

we stayed only in five star everywhere

2202

01:37:09,830 --> 01:37:06,840

we went and with Ultimate Security and

2203

01:37:11,930 --> 01:37:09,840

that was one of the greatest stops along

2204

01:37:14,209 --> 01:37:11,940

the way was to go to that Palace an

2205

01:37:17,330 --> 01:37:14,219

actual real palace that's converted into

2206

01:37:19,310 --> 01:37:17,340

a hotel kings and queens and leaders of

2207

01:37:21,770 --> 01:37:19,320

countries have stayed there and eaten

2208

01:37:23,870 --> 01:37:21,780

there and so it was like you know it's

2209

01:37:26,990 --> 01:37:23,880

amazing to just be in that energy and be

2210

01:37:29,149 --> 01:37:27,000

in a place where you know a lot of very

2211

01:37:31,430 --> 01:37:29,159

what the world would consider highly

2212

01:37:33,649 --> 01:37:31,440

very important people and now here we

2213

01:37:35,629 --> 01:37:33,659

come the real important people to come

2214

01:37:38,270 --> 01:37:35,639

and enjoy it as well so it was great it

2215

01:37:41,750 --> 01:37:38,280

was beautiful it's very nostalgic great

2216

01:37:44,149 --> 01:37:41,760

place that's where um Howard Carter when

2217

01:37:45,770 --> 01:37:44,159

he discovered King Tut's tomb that's

2218

01:37:49,189 --> 01:37:45,780

where he had his press conference from

2219

01:37:52,189 --> 01:37:49,199

the steps of that hotel and to see those

2220

01:37:54,110 --> 01:37:52,199

are very famous photographs today but

2221

01:37:56,270 --> 01:37:54,120

there it is right there anyway the

2222

01:38:00,709 --> 01:37:56,280

hallways at that at the at the Winter

2223

01:38:03,229 --> 01:38:00,719

Palace the hallways you could a 747 you

2224

01:38:07,729 --> 01:38:03,239

could drive down these always right

2225

01:38:10,250 --> 01:38:07,739

anyway my my room at that hotel same as

2226

01:38:12,169 --> 01:38:10,260

yours was bigger than my parents first

2227

01:38:14,570 --> 01:38:12,179

house

2228

01:38:17,090 --> 01:38:14,580

yeah these are some super massive rooms

2229

01:38:19,310 --> 01:38:17,100

man man I walked in there with this

2230

01:38:21,830 --> 01:38:19,320

ain't right this this right here this

2231

01:38:23,149 --> 01:38:21,840

ain't right but I love it

2232

01:38:25,729 --> 01:38:23,159

um but

2233

01:38:28,729 --> 01:38:25,739

um Sarah oh here she is I think she's

2234

01:38:31,850 --> 01:38:28,739

listening to the show okay so she just

2235

01:38:34,669 --> 01:38:31,860

sent me um some pictures I wanna I wanna

2236

01:38:37,430 --> 01:38:34,679

make sure that we do this

2237

01:38:40,729 --> 01:38:37,440

um on our next trip

2238

01:38:44,270 --> 01:38:40,739

she got she's just sending me way too

2239

01:38:48,530 --> 01:38:44,280

much stuff stop so I can scroll back

2240

01:38:51,890 --> 01:38:48,540

um uh the the tomb of Osiris in Giza

2241

01:38:53,689 --> 01:38:51,900

yeah I I I want to do that

2242

01:38:56,209 --> 01:38:53,699

um we're going we're sorry it's already

2243

01:38:58,729 --> 01:38:56,219

locked in we're gonna go down uh we're

2244

01:39:00,530 --> 01:38:58,739

gonna see the tomb of Osiris we're gonna

2245

01:39:02,689 --> 01:39:00,540

go to the Assyrian as well and go down

2246

01:39:05,570 --> 01:39:02,699

and see the atomically

2247

01:39:07,970 --> 01:39:05,580

etched uh flower of life into the column

2248

01:39:10,189 --> 01:39:07,980

the the stone columns he was just

2249

01:39:14,090 --> 01:39:10,199

talking about that we're doing it all

2250

01:39:15,890 --> 01:39:14,100

and um and it looks it you know I've

2251

01:39:18,649 --> 01:39:15,900

heard some people go man it's it's just

2252

01:39:22,810 --> 01:39:18,659

so deep and it's so the it's a ladder

2253

01:39:26,510 --> 01:39:22,820

right it's not that good but uh that

2254

01:39:28,010 --> 01:39:26,520

sarcophagus is is right there with its

2255

01:39:31,550 --> 01:39:28,020

lid

2256

01:39:33,169 --> 01:39:31,560

um a jar and the sarcophagus looks very

2257

01:39:36,830 --> 01:39:33,179

similar

2258

01:39:39,950 --> 01:39:36,840

to the seraphim that's right not only

2259

01:39:42,169 --> 01:39:39,960

does it look similar but when you look

2260

01:39:44,390 --> 01:39:42,179

at this this is deep underground right

2261

01:39:46,370 --> 01:39:44,400

and it goes right it's almost 100 feet

2262

01:39:49,010 --> 01:39:46,380

right it's something like that

2263

01:39:51,250 --> 01:39:49,020

it's uh it's a ways down to tinkies

2264

01:39:55,669 --> 01:39:51,260

um how

2265

01:39:59,090 --> 01:39:55,679

does I don't know a hundred ton

2266

01:40:02,330 --> 01:39:59,100

and granite so at least 100 maybe more

2267

01:40:05,629 --> 01:40:02,340

more 100 ton people

2268

01:40:07,850 --> 01:40:05,639

how does that get down there just the

2269

01:40:10,430 --> 01:40:07,860

same questions are you know with the

2270

01:40:12,830 --> 01:40:10,440

with the serapium I have the same you

2271

01:40:16,129 --> 01:40:12,840

know you can't help but but ask these

2272

01:40:18,110 --> 01:40:16,139

questions how is this possible unless

2273

01:40:20,870 --> 01:40:18,120

there were some serious technology

2274

01:40:24,830 --> 01:40:20,880

involved that we know nothing about

2275

01:40:30,229 --> 01:40:24,840

with the therapy and with this Assyrian

2276

01:40:32,030 --> 01:40:30,239

um shaft and and that megalithic uh

2277

01:40:35,330 --> 01:40:32,040

sarcophagus down there which is not for

2278

01:40:37,910 --> 01:40:35,340

a dead body it's to me it was Osiris's

2279

01:40:39,470 --> 01:40:37,920

Halls of amenti this is where they would

2280

01:40:41,689 --> 01:40:39,480

put their body into a Rejuvenation

2281

01:40:44,090 --> 01:40:41,699

chamber that though talks about in the

2282

01:40:46,250 --> 01:40:44,100

animal tablets and the only way to get

2283

01:40:49,070 --> 01:40:46,260

these super massive megalithic

2284

01:40:52,129 --> 01:40:49,080

sarcophagi into these alcoves and these

2285

01:40:54,050 --> 01:40:52,139

and these channels and Slots is through

2286

01:40:56,270 --> 01:40:54,060

teleportation that's the only way

2287

01:40:58,610 --> 01:40:56,280

there's no other way to get them there

2288

01:41:01,550 --> 01:40:58,620

because in order to carve them in that

2289

01:41:04,070 --> 01:41:01,560

spot first of all you need uh something

2290

01:41:07,570 --> 01:41:04,080

that was three to four times larger than

2291

01:41:10,129 --> 01:41:07,580

the actual final piece itself yeah

2292

01:41:15,290 --> 01:41:10,139

you need a block of a granite that's 50

2293

01:41:17,870 --> 01:41:15,300

foot by 30 foot by 30 foot right to end

2294

01:41:21,169 --> 01:41:17,880

up carving a 20-foot box out of that a

2295

01:41:23,149 --> 01:41:21,179

perfect one exactly exactly and think

2296

01:41:24,709 --> 01:41:23,159

about the excavation processor you first

2297

01:41:26,629 --> 01:41:24,719

of all they wouldn't those those giant

2298

01:41:29,629 --> 01:41:26,639

massive pieces wouldn't fit to even be

2299

01:41:31,610 --> 01:41:29,639

carved so in my personal opinion they

2300

01:41:34,250 --> 01:41:31,620

literally were teleported into those

2301

01:41:36,550 --> 01:41:34,260

spots they used some type of uh

2302

01:41:39,649 --> 01:41:36,560

um you know matter anti-matter

2303

01:41:41,090 --> 01:41:39,659

technology maybe to decompile them and

2304

01:41:43,129 --> 01:41:41,100

then transfer them to the location and

2305

01:41:44,930 --> 01:41:43,139

recompile them I'm not sure how it was

2306

01:41:46,129 --> 01:41:44,940

done this is all hypothesis but in my

2307

01:41:47,570 --> 01:41:46,139

personal opinion the only way I could

2308

01:41:50,030 --> 01:41:47,580

see it being done and how they could be

2309

01:41:51,530 --> 01:41:50,040

put into those positions in those tight

2310

01:41:54,290 --> 01:41:51,540

spots and those tight alcoves

2311

01:41:55,729 --> 01:41:54,300

underground and those shafts it has to

2312

01:41:58,550 --> 01:41:55,739

be teleportation

2313

01:42:02,149 --> 01:41:58,560

and these boxes people don't understand

2314

01:42:07,129 --> 01:42:02,159

man I show them the video it's the size

2315

01:42:09,169 --> 01:42:07,139

of a a a a trailer on a semi truck

2316

01:42:11,570 --> 01:42:09,179

you're talking about something that big

2317

01:42:13,850 --> 01:42:11,580

and and you don't so when I'm showing

2318

01:42:16,310 --> 01:42:13,860

people the video you've done the same

2319

01:42:20,570 --> 01:42:16,320

thing Billy where you're walking down

2320

01:42:22,970 --> 01:42:20,580

and you look at the the sarcophagus in

2321

01:42:25,310 --> 01:42:22,980

the chamber in a video where you don't

2322

01:42:27,649 --> 01:42:25,320

have any perception of its size it's

2323

01:42:30,709 --> 01:42:27,659

like okay all right they think it's like

2324

01:42:32,390 --> 01:42:30,719

the coffin that you buy at Costco right

2325

01:42:33,649 --> 01:42:32,400

do you know what I mean that's what they

2326

01:42:37,970 --> 01:42:33,659

think they're looking at they're looking

2327

01:42:39,830 --> 01:42:37,980

at Dracula's freaking coffin no and then

2328

01:42:45,050 --> 01:42:39,840

and then

2329

01:42:47,689 --> 01:42:45,060

video of you and I standing next to this

2330

01:42:50,570 --> 01:42:47,699

thing where we are underneath the lid

2331

01:42:54,050 --> 01:42:50,580

the lid is above our head and you look

2332

01:42:57,290 --> 01:42:54,060

at that they go oh holy crap what it's

2333

01:42:58,250 --> 01:42:57,300

it's that bad what have I been trying to

2334

01:43:00,649 --> 01:42:58,260

tell you

2335

01:43:02,629 --> 01:43:00,659

well how did they get that in there well

2336

01:43:04,189 --> 01:43:02,639

yeah I've been talking about this for

2337

01:43:06,770 --> 01:43:04,199

years right

2338

01:43:12,229 --> 01:43:06,780

um and it's it's it's insane and you

2339

01:43:16,450 --> 01:43:12,239

don't have any idea uh any perception of

2340

01:43:20,030 --> 01:43:16,460

size of weight and the logistics of

2341

01:43:23,149 --> 01:43:20,040

allegedly just sliding these in there

2342

01:43:26,750 --> 01:43:23,159

they didn't have they weren't using a

2343

01:43:29,209 --> 01:43:26,760

dolly from from freaking Home Depot you

2344

01:43:32,030 --> 01:43:29,219

know a refrigerator dolly with a strap

2345

01:43:33,890 --> 01:43:32,040

on it right right yeah now what that

2346

01:43:37,430 --> 01:43:33,900

would work definitely wasn't copper

2347

01:43:40,609 --> 01:43:37,440

chisels and chicken bones no and and uh

2348

01:43:43,250 --> 01:43:40,619

and tripods with you know hand woven

2349

01:43:46,310 --> 01:43:43,260

ropes I mean come on the stuff they tell

2350

01:43:47,870 --> 01:43:46,320

us is outlandish the the truth of the

2351

01:43:49,310 --> 01:43:47,880

fact of the matter is these things

2352

01:43:51,169 --> 01:43:49,320

literally can only get there if they

2353

01:43:52,910 --> 01:43:51,179

were teleported dematerialized and

2354

01:43:55,310 --> 01:43:52,920

re-materialized in this specific

2355

01:43:57,290 --> 01:43:55,320

location that's there's no other way

2356

01:43:59,330 --> 01:43:57,300

when uh now we're going to be going

2357

01:44:02,629 --> 01:43:59,340

there October 5th through the 15th it's

2358

01:44:07,310 --> 01:44:02,639

already sold out we warned everybody we

2359

01:44:11,149 --> 01:44:07,320

told everybody and uh this tour is sold

2360

01:44:14,270 --> 01:44:11,159

out that is it it's done and and things

2361

01:44:16,070 --> 01:44:14,280

but uh we'll be live streaming and doing

2362

01:44:18,590 --> 01:44:16,080

everything else that we did from uh the

2363

01:44:20,930 --> 01:44:18,600

tour last time we've still got a lot of

2364

01:44:22,490 --> 01:44:20,940

footage and and stuff uh from the last

2365

01:44:24,709 --> 01:44:22,500

tour

2366

01:44:27,350 --> 01:44:24,719

um we we're gonna make a documentary

2367

01:44:29,510 --> 01:44:27,360

well okay maybe maybe that'll still

2368

01:44:30,410 --> 01:44:29,520

happen but we we'll have enough stuff

2369

01:44:35,750 --> 01:44:30,420

for

2370

01:44:38,990 --> 01:44:35,760

last trip but oh yeah

2371

01:44:40,250 --> 01:44:39,000

um we can talk about the serapium all we

2372

01:44:43,070 --> 01:44:40,260

want

2373

01:44:46,149 --> 01:44:43,080

um and that's cool and that's great but

2374

01:44:50,870 --> 01:44:46,159

it's the Colossus of memnon

2375

01:44:52,669 --> 01:44:50,880

when when you pull up and you look at

2376

01:44:54,530 --> 01:44:52,679

and there there's two right they're

2377

01:44:56,450 --> 01:44:54,540

sitting next to each other again right

2378

01:44:58,310 --> 01:44:56,460

in the middle of a field right in the

2379

01:45:00,910 --> 01:44:58,320

middle of nowhere

2380

01:45:03,169 --> 01:45:00,920

um and and you pull up on this and then

2381

01:45:05,750 --> 01:45:03,179

you realize

2382

01:45:07,490 --> 01:45:05,760

now how many how many stories tall do

2383

01:45:09,590 --> 01:45:07,500

you think those are they've got to be 50

2384

01:45:13,430 --> 01:45:09,600

60 feet so what is that five stories

2385

01:45:15,310 --> 01:45:13,440

five six stories yeah five six stories

2386

01:45:20,090 --> 01:45:15,320

um uh

2387

01:45:21,649 --> 01:45:20,100

single piece of red granite

2388

01:45:27,830 --> 01:45:21,659

one piece

2389

01:45:29,510 --> 01:45:27,840

can you imagine it just it's so it's so

2390

01:45:32,090 --> 01:45:29,520

big

2391

01:45:34,010 --> 01:45:32,100

um I don't know about you Billy but when

2392

01:45:35,870 --> 01:45:34,020

you look at that the first thing that

2393

01:45:40,149 --> 01:45:35,880

goes through my mind is how

2394

01:45:42,709 --> 01:45:40,159

the second question is why right

2395

01:45:45,109 --> 01:45:42,719

but I know I know the answer to that why

2396

01:45:49,850 --> 01:45:45,119

how do you move

2397

01:45:54,050 --> 01:45:49,860

big

2398

01:45:56,090 --> 01:45:54,060

yeah well the the why the why the answer

2399

01:45:59,090 --> 01:45:56,100

to why is actually pretty easy because

2400

01:46:01,310 --> 01:45:59,100

it was easy for them that's why it

2401  
01:46:03,910 --> 01:46:01,320  
actually was easy this technology that

2402  
01:46:07,129 --> 01:46:03,920  
they had was so good and so Cutting Edge

2403  
01:46:10,209 --> 01:46:07,139  
that it was easy for them to take what

2404  
01:46:12,890 --> 01:46:10,219  
would have been originally probably uh

2405  
01:46:15,290 --> 01:46:12,900  
150 foot piece of granite to carve it

2406  
01:46:17,510 --> 01:46:15,300  
down to that colossi of memnon and

2407  
01:46:20,990 --> 01:46:17,520  
there's two of them sitting there

2408  
01:46:24,590 --> 01:46:21,000  
um and it's now how do you even Harvest

2409  
01:46:28,189 --> 01:46:24,600  
a chunk of granite that large

2410  
01:46:30,830 --> 01:46:28,199  
and do you do you uh do you etch it and

2411  
01:46:32,510 --> 01:46:30,840  
carve it there on site at the Quarry and

2412  
01:46:35,689 --> 01:46:32,520  
then bring over the finished work or do

2413  
01:46:37,669 --> 01:46:35,699

you just drop off this megalithic ball

2414

01:46:40,490 --> 01:46:37,679

of granite and have somebody carve it on

2415

01:46:43,430 --> 01:46:40,500

site that part will never know but they

2416

01:46:46,430 --> 01:46:43,440

definitely did not load them as we're

2417

01:46:48,470 --> 01:46:46,440

told in the back of boats and sell them

2418

01:46:52,370 --> 01:46:48,480

down the Nile it didn't happen

2419

01:46:58,550 --> 01:46:52,380

no that part I'm pretty confident in

2420

01:47:01,310 --> 01:46:58,560

yeah they are so they are so big and in

2421

01:47:04,490 --> 01:47:01,320

in today's world

2422

01:47:07,850 --> 01:47:04,500

right today 2023.

2423

01:47:12,050 --> 01:47:07,860

if you went to somebody that owned a a a

2424

01:47:13,850 --> 01:47:12,060

a Granite Quarry and you said okay check

2425

01:47:16,609 --> 01:47:13,860

this out bro

2426

01:47:19,070 --> 01:47:16,619

um I need something about I need

2427

01:47:21,410 --> 01:47:19,080

something about eight stories tall you

2428

01:47:24,550 --> 01:47:21,420

know it's got to be about 60 feet deep

2429

01:47:27,830 --> 01:47:24,560

and maybe 40 feet wide

2430

01:47:30,649 --> 01:47:27,840

yeah I need two of those and I need

2431

01:47:31,910 --> 01:47:30,659

those delivered uh to my house in

2432

01:47:34,090 --> 01:47:31,920

Oklahoma

2433

01:47:38,149 --> 01:47:34,100

and they would tell you

2434

01:47:40,010 --> 01:47:38,159

impossible yeah it doesn't exist and

2435

01:47:40,870 --> 01:47:40,020

even if it did there's no way to get it

2436

01:47:44,629 --> 01:47:40,880

there

2437

01:47:47,930 --> 01:47:44,639

that that's the that's the fact that's a

2438

01:47:51,830 --> 01:47:47,940

fact that's not imaginary that is not

2439

01:47:56,450 --> 01:47:51,840

anything else and right there are two of

2440

01:47:59,870 --> 01:47:56,460

them sitting side by side so big that

2441

01:48:03,050 --> 01:47:59,880

you can't turn your head up to to see

2442

01:48:05,450 --> 01:48:03,060

the top it's like the most insane thing

2443

01:48:08,270 --> 01:48:05,460

ever I I just can't wrap my head around

2444

01:48:10,550 --> 01:48:08,280

it just doesn't make any sense yeah it's

2445

01:48:12,229 --> 01:48:10,560

wild they really had such a

2446

01:48:14,810 --> 01:48:12,239

sophisticated high level of technology

2447

01:48:17,870 --> 01:48:14,820

that made it so easy for them to

2448

01:48:20,450 --> 01:48:17,880

accomplish these Feats these wonders and

2449

01:48:23,510 --> 01:48:20,460

so for us from our perspective here with

2450

01:48:26,149 --> 01:48:23,520

what we call modern technology we're

2451

01:48:28,490 --> 01:48:26,159

just only rediscovering what already

2452

01:48:31,970 --> 01:48:28,500

existed and we have yet to ReDiscover

2453

01:48:34,729 --> 01:48:31,980

the true technology of the ancients I

2454

01:48:36,830 --> 01:48:34,739

can't wait I I'm so I'm more excited

2455

01:48:38,510 --> 01:48:36,840

about this trip to Egypt than the last

2456

01:48:41,570 --> 01:48:38,520

one

2457

01:48:44,510 --> 01:48:41,580

first trip and it was great it was

2458

01:48:48,430 --> 01:48:44,520

awesome it was perfect but now I've got

2459

01:48:50,689 --> 01:48:48,440

a better concept I have a better

2460

01:48:54,950 --> 01:48:50,699

understanding and I thought I knew Egypt

2461

01:48:59,330 --> 01:48:54,960

well before it's that going back it's

2462

01:49:02,510 --> 01:48:59,340

the sense of Discovery because it's all

2463

01:49:04,010 --> 01:49:02,520

there if that's what you want to do if

2464

01:49:06,229 --> 01:49:04,020

you want to get your learn on and

2465

01:49:08,270 --> 01:49:06,239

discover that's where you go you go to

2466

01:49:10,609 --> 01:49:08,280

Egypt and we're going back and I cannot

2467

01:49:12,290 --> 01:49:10,619

wait but I wanted to ask you this I've

2468

01:49:15,530 --> 01:49:12,300

uh here's another question I've never

2469

01:49:17,810 --> 01:49:15,540

asked you I'm very curious

2470

01:49:20,870 --> 01:49:17,820

what's your favorite site

2471

01:49:23,570 --> 01:49:20,880

what's your favorite the the what's the

2472

01:49:25,070 --> 01:49:23,580

tippity top what's your number one in

2473

01:49:28,370 --> 01:49:25,080

Egypt

2474

01:49:30,830 --> 01:49:28,380

the favorite site for me right now would

2475

01:49:33,530 --> 01:49:30,840

probably be Apple symbol

2476

01:49:35,990 --> 01:49:33,540

even though it's been moved up the cliff

2477

01:49:39,050 --> 01:49:36,000

because of the the you know the uh the

2478

01:49:41,149 --> 01:49:39,060

damn damn yeah but what's so intriguing

2479

01:49:44,209 --> 01:49:41,159

is the fact that that's how they made it

2480

01:49:46,250 --> 01:49:44,219

you know and they took a mountain

2481

01:49:47,629 --> 01:49:46,260

and they did this in a few places around

2482

01:49:49,010 --> 01:49:47,639

the world which is why I'm going to go

2483

01:49:50,870 --> 01:49:49,020

to every single one and I'm going to

2484

01:49:54,109 --> 01:49:50,880

document the tool marks and the same

2485

01:49:56,390 --> 01:49:54,119

technique being used at Apple symbol the

2486

01:49:59,629 --> 01:49:56,400

kailash temples

2487

01:50:01,370 --> 01:49:59,639

um in India the Lolly Bella temples uh

2488

01:50:04,790 --> 01:50:01,380

that are carved out of a mountain in

2489

01:50:07,490 --> 01:50:04,800

Ethiopia and Jordan they're all done

2490

01:50:10,609 --> 01:50:07,500

using the same exact technique and they

2491

01:50:12,410 --> 01:50:10,619

all have the similar uh tool marks and

2492

01:50:15,410 --> 01:50:12,420

you're talking about Excavating a

2493

01:50:18,530 --> 01:50:15,420

mountain from the outside going in blind

2494

01:50:20,390 --> 01:50:18,540

and if you're off by one centimeter you

2495

01:50:22,129 --> 01:50:20,400

can't build the interior you can't

2496

01:50:25,010 --> 01:50:22,139

create the incredible release on the

2497

01:50:26,570 --> 01:50:25,020

inside it's all going to be off and it

2498

01:50:28,189 --> 01:50:26,580

did with such Precision that it would

2499

01:50:31,490 --> 01:50:28,199

align with the solstice and illuminate

2500

01:50:34,729 --> 01:50:31,500

the Gods in the back of the temple so to

2501  
01:50:36,890 --> 01:50:34,739  
me that is just incredible when you go

2502  
01:50:38,510 --> 01:50:36,900  
and you walk inside of Apple symbol

2503  
01:50:41,570 --> 01:50:38,520  
first of all when you turn this corner

2504  
01:50:44,930 --> 01:50:41,580  
and you finally glance and glaze Your

2505  
01:50:48,590 --> 01:50:44,940  
Eyes On This Magnificent architectural

2506  
01:50:51,350 --> 01:50:48,600  
Masterpiece and then you walk inside and

2507  
01:50:54,169 --> 01:50:51,360  
they give you this giant key to these

2508  
01:50:56,330 --> 01:50:54,179  
magnificent like megalithic doors things

2509  
01:50:58,370 --> 01:50:56,340  
man it's just it's mind-blowing but then

2510  
01:51:00,470 --> 01:50:58,380  
again to see that that technique was

2511  
01:51:02,270 --> 01:51:00,480  
used all around the world

2512  
01:51:03,649 --> 01:51:02,280  
and you can go to these places and

2513  
01:51:06,530 --> 01:51:03,659

document it which is what I'm going to

2514

01:51:08,510 --> 01:51:06,540

do uh it's gonna be mind-blowing and so

2515

01:51:11,330 --> 01:51:08,520

I would say right now that's probably

2516

01:51:13,609 --> 01:51:11,340

you know uh it just stands out because

2517

01:51:16,490 --> 01:51:13,619

when you are Excavating from the outside

2518

01:51:19,129 --> 01:51:16,500

going in you can't be off by not even

2519

01:51:21,950 --> 01:51:19,139

one centimeter because it becomes

2520

01:51:23,330 --> 01:51:21,960

compounded and magnified and the error

2521

01:51:25,669 --> 01:51:23,340

becomes greater and greater as you

2522

01:51:27,649 --> 01:51:25,679

continue to move in the Rock so they had

2523

01:51:30,530 --> 01:51:27,659

some super sophisticated type of

2524

01:51:32,629 --> 01:51:30,540

Technology on cutting technology that

2525

01:51:34,370 --> 01:51:32,639

was either laser guided or some other

2526  
01:51:37,370 --> 01:51:34,380  
guided that we aren't even aware of yet

2527  
01:51:39,290 --> 01:51:37,380  
that a lot such Precision that they were

2528  
01:51:40,669 --> 01:51:39,300  
able to make this incredible interior

2529  
01:51:44,990 --> 01:51:40,679  
and carve it out which you're going to

2530  
01:51:49,129 --> 01:51:45,000  
see it's mind-blowing yeah Abu symbol

2531  
01:51:51,950 --> 01:51:49,139  
um more incredible than Abu symbol

2532  
01:51:59,380 --> 01:51:51,960  
is watching the documentary of them

2533  
01:52:04,810 --> 01:52:00,910  
[Music]

2534  
01:52:08,030 --> 01:52:04,820  
you know they literally had

2535  
01:52:10,070 --> 01:52:08,040  
the best Engineers on planet Earth right

2536  
01:52:11,870 --> 01:52:10,080  
hired we we need to do this we've got to

2537  
01:52:14,149 --> 01:52:11,880  
build the dam we've got a you know the

2538  
01:52:16,129 --> 01:52:14,159

Nile and and this is one of the most

2539

01:52:18,890 --> 01:52:16,139

sacred places in the world but that's

2540

01:52:20,689 --> 01:52:18,900

got to move over here right yeah okay

2541

01:52:23,149 --> 01:52:20,699

all right so they get the best of the

2542

01:52:25,790 --> 01:52:23,159

best the biggest equipment the best

2543

01:52:29,810 --> 01:52:25,800

welders the best hard hats the best the

2544

01:52:33,729 --> 01:52:29,820

best the best of the best

2545

01:52:37,370 --> 01:52:33,739

and all they did was drop it right there

2546

01:52:40,750 --> 01:52:37,380

they had to cut everything into pieces

2547

01:52:44,209 --> 01:52:40,760

yeah and mess that up

2548

01:52:46,910 --> 01:52:44,219

watching them trying to reassemble

2549

01:52:50,689 --> 01:52:46,920

um and and the struggle now they they

2550

01:52:53,510 --> 01:52:50,699

got it done right but but here's the

2551  
01:52:55,250 --> 01:52:53,520  
thing here's here's the beauty of it you

2552  
01:52:57,169 --> 01:52:55,260  
can tell

2553  
01:53:00,649 --> 01:52:57,179  
I'm not I'm not putting it down Billy

2554  
01:53:01,510 --> 01:53:00,659  
but you can laugh it's just a little off

2555  
01:53:04,310 --> 01:53:01,520  
yeah

2556  
01:53:05,990 --> 01:53:04,320  
it's not the same it's not the same and

2557  
01:53:07,550 --> 01:53:06,000  
they did they didn't get the angles

2558  
01:53:09,169 --> 01:53:07,560  
right they didn't get the thing right

2559  
01:53:11,149 --> 01:53:09,179  
they didn't get the height right you

2560  
01:53:15,350 --> 01:53:11,159  
know if they did the best that they

2561  
01:53:18,109 --> 01:53:15,360  
could and I respect that but it really

2562  
01:53:20,450 --> 01:53:18,119  
shows you how together the ancient

2563  
01:53:22,970 --> 01:53:20,460

Egyptians really were and how how they

2564

01:53:25,609 --> 01:53:22,980

had it because uh modern technology

2565

01:53:27,290 --> 01:53:25,619

really really struggled and almost

2566

01:53:29,149 --> 01:53:27,300

didn't get it done

2567

01:53:31,550 --> 01:53:29,159

and they still didn't get the perfect

2568

01:53:34,790 --> 01:53:31,560

alignment no they're five degrees off

2569

01:53:37,310 --> 01:53:34,800

five degrees if you that's like saying

2570

01:53:40,250 --> 01:53:37,320

that I beat uh Usain Bolt by five

2571

01:53:41,330 --> 01:53:40,260

seconds you know I mean I would you know

2572

01:53:43,070 --> 01:53:41,340

that would that would be in the Guinness

2573

01:53:45,770 --> 01:53:43,080

World Book of Records you know five

2574

01:53:47,629 --> 01:53:45,780

degrees is a lot yep yep yep it's an

2575

01:53:50,270 --> 01:53:47,639

incredible documentary I've watched it

2576

01:53:52,910 --> 01:53:50,280

so many times hey Billy give my best to

2577

01:53:54,649 --> 01:53:52,920

Gabe and and to Elizabeth uh of course

2578

01:53:57,290 --> 01:53:54,659

I'll be talking to you tomorrow we've

2579

01:53:59,090 --> 01:53:57,300

got a lot of stuff that uh we need to do

2580

01:54:02,330 --> 01:53:59,100

and get done and we will get everything

2581

01:54:04,490 --> 01:54:02,340

done it's gonna be an amazing year

2582

01:54:06,649 --> 01:54:04,500

um just thank you so much and again uh

2583

01:54:09,530 --> 01:54:06,659

give my best to Elizabeth and I know

2584

01:54:11,209 --> 01:54:09,540

that she runs the show so thank her for

2585

01:54:13,550 --> 01:54:11,219

letting you on Fade to black tonight

2586

01:54:16,010 --> 01:54:13,560

will you do that for me I will thank you

2587

01:54:18,290 --> 01:54:16,020

I appreciate it you're the best Billy

2588

01:54:22,970 --> 01:54:18,300

thank you so much my brother

2589

01:54:25,310 --> 01:54:22,980

the best Billy Carson and yes we have an

2590

01:54:27,050 --> 01:54:25,320

amazing year coming up I am so looking

2591

01:54:28,910 --> 01:54:27,060

forward to it

2592

01:54:32,090 --> 01:54:28,920

um I want to thank um everybody for

2593

01:54:36,109 --> 01:54:32,100

hanging out with Billy and I tonight and

2594

01:54:40,609 --> 01:54:36,119

uh we have uh uh not only a busy year

2595

01:54:44,030 --> 01:54:40,619

coming up but uh for me and this this

2596

01:54:47,149 --> 01:54:44,040

doesn't happen too often I actually have

2597

01:54:49,129 --> 01:54:47,159

a full weekend off right now in front of

2598

01:54:51,350 --> 01:54:49,139

me and I haven't done this in a long

2599

01:54:53,390 --> 01:54:51,360

time so I'm going to relax this weekend

2600

01:54:55,310 --> 01:54:53,400

yes

2601  
01:54:57,530 --> 01:54:55,320  
I'm gonna get caught up on some TV

2602  
01:55:00,050 --> 01:54:57,540  
series I'm gonna get caught up on some

2603  
01:55:02,930 --> 01:55:00,060  
fast food and I'm gonna get caught up on

2604  
01:55:05,750 --> 01:55:02,940  
some sleep we've got an amazing week

2605  
01:55:08,209 --> 01:55:05,760  
next week lined up on Fade to black and

2606  
01:55:09,890 --> 01:55:08,219  
I'll tell you about all of it later on

2607  
01:55:11,890 --> 01:55:09,900  
this weekend after I get some rest Fade

2608  
01:55:15,470 --> 01:55:11,900  
to Black is produced by Hilton J Palm

2609  
01:55:18,530 --> 01:55:15,480  
Renee Newman and Michelle fried thank

2610  
01:55:20,270 --> 01:55:18,540  
you to Dennis and Kevin webmaster is

2611  
01:55:23,810 --> 01:55:20,280  
through the geek music Doug Aldridge

2612  
01:55:25,729 --> 01:55:23,820  
intro space boys spaceboymusic.com fade

2613  
01:55:26,990 --> 01:55:25,739

to black is produced by kjcr for the

2614

01:55:30,649 --> 01:55:27,000

game changer Network and this broadcast
