

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Thur May 11, 2023 **LIVE**

1
00:00:35,889 --> 00:00:21,270

[Music]

2
00:00:42,369 --> 00:00:39,350

welcome Fade to Black breaking news for

3
00:00:46,729 --> 00:00:42,379

this Thursday May 11

4
00:00:48,650 --> 00:00:46,739

2023 this is all of the news that you

5
00:00:50,930 --> 00:00:48,660

need I'm Jimmy Church

6
00:00:53,770 --> 00:00:50,940

let's get straight to it on this day in

7
00:00:56,770 --> 00:00:53,780

history 1997.

8
00:01:00,770 --> 00:00:56,780

IBM's chess playing computer deep blue

9
00:01:04,310 --> 00:01:00,780

defeated Gary Kasparov in the last game

10
00:01:07,190 --> 00:01:04,320

of a six game match to claim a three and

11
00:01:10,310 --> 00:01:07,200

a half to two and a half Victory it won

12
00:01:12,969 --> 00:01:10,320

two games and had three draws it marked

13
00:01:17,030 --> 00:01:12,979

the first time a current world champion

14

00:01:21,789 --> 00:01:17,040

had lost a match to a computer under

15

00:01:24,950 --> 00:01:21,799

tournament conditions on this day in

16

00:01:29,929 --> 00:01:24,960

1997. here's your fader fact I didn't

17

00:01:32,810 --> 00:01:29,939

know this one this is good fader fact

18

00:01:37,069 --> 00:01:32,820

when your mother was born

19

00:01:38,840 --> 00:01:37,079

she was already carrying the egg that

20

00:01:40,069 --> 00:01:38,850

would become you

21

00:01:41,749 --> 00:01:40,079

[Music]

22

00:01:44,690 --> 00:01:41,759

and that

23

00:01:47,030 --> 00:01:44,700

is your fader fact let's get to the

24

00:01:48,469 --> 00:01:47,040

breaking news we've got lots of stuff

25

00:01:53,330 --> 00:01:48,479

today

26
00:01:56,389 --> 00:01:53,340
cool man a rock likely to be a meteorite

27
00:02:00,350 --> 00:01:56,399
crashed into a New Jersey home this past

28
00:02:04,310 --> 00:02:00,360
Monday on May 8th damaging a bedroom but

29
00:02:06,950 --> 00:02:04,320
causing no injuries no one was at Susie

30
00:02:09,770 --> 00:02:06,960
copp's home in Hopewell Township New

31
00:02:13,430 --> 00:02:09,780
Jersey when the space rock made its

32
00:02:15,650 --> 00:02:13,440
entrance the meteorite landed around 1pm

33
00:02:18,650 --> 00:02:15,660
Eastern Time crashing through the roof

34
00:02:21,890 --> 00:02:18,660
and landing in the bedroom belonging to

35
00:02:24,710 --> 00:02:21,900
cop's father judging by the damage the

36
00:02:26,990 --> 00:02:24,720
meteorite Hit the Floor bounced to the

37
00:02:29,030 --> 00:02:27,000
ceiling and came to rest in the corner

38
00:02:33,229 --> 00:02:29,040

of the room the metallic rock measures

39

00:02:36,229 --> 00:02:33,239

about four inches by six inches now

40

00:02:38,470 --> 00:02:36,239

authorities are still investigating the

41

00:02:40,970 --> 00:02:38,480

origin of the Space Rock but Derek Pitt

42

00:02:44,210 --> 00:02:40,980

the chief astronomer at the Franklin

43

00:02:46,610 --> 00:02:44,220

Institute in Philadelphia said that it

44

00:02:48,949 --> 00:02:46,620

could be about four to five billion

45

00:02:51,589 --> 00:02:48,959

years old it's possible that the

46

00:02:54,830 --> 00:02:51,599

meteorite was part of a meteor shower

47

00:02:59,390 --> 00:02:54,840

that occurs between April 19th and May

48

00:03:01,130 --> 00:02:59,400

29th each year nobody injured and that

49

00:03:02,089 --> 00:03:01,140

is incredible I wonder if you can sell

50

00:03:10,070 --> 00:03:02,099

it

51
00:03:12,470 --> 00:03:10,080
metallic all right dark energy that

52
00:03:14,809 --> 00:03:12,480
mysterious force that apparently is

53
00:03:17,630 --> 00:03:14,819
driving and accelerating expansion of

54
00:03:21,229 --> 00:03:17,640
the universe is spread evenly through

55
00:03:23,449 --> 00:03:21,239
space and time all of this according to

56
00:03:26,509 --> 00:03:23,459
new results that have just been released

57
00:03:29,050 --> 00:03:26,519
the findings also better constrain how

58
00:03:32,570 --> 00:03:29,060
much of the universe's energy and matter

59
00:03:35,110 --> 00:03:32,580
all of that content of dark energy and

60
00:03:38,089 --> 00:03:35,120
what it accounts for the study team said

61
00:03:40,369 --> 00:03:38,099
they reached their conclusions after

62
00:03:43,970 --> 00:03:40,379
analyzing observations of Galaxy

63
00:03:47,030 --> 00:03:43,980

clusters made by the E Rosita x-ray

64

00:03:50,630 --> 00:03:47,040

instrument which searches the entire sky

65

00:03:53,330 --> 00:03:50,640

over the Earth for these two hard to

66

00:03:57,050 --> 00:03:53,340

find constellations of galaxies e

67

00:03:59,750 --> 00:03:57,060

Rosarita is mounted on Specter RG a

68

00:04:03,050 --> 00:03:59,760

Russian German Space Telescope that

69

00:04:06,170 --> 00:04:03,060

launched into Earth orbit back into 2019

70

00:04:09,350 --> 00:04:06,180

the team's researcher was published last

71

00:04:13,550 --> 00:04:09,360

month in the journey monthly notices of

72

00:04:15,969 --> 00:04:13,560

the Royal Astronomical Society

73

00:04:19,250 --> 00:04:15,979

evenly distributed

74

00:04:22,790 --> 00:04:19,260

wind turbines have generated more

75

00:04:26,270 --> 00:04:22,800

electricity than gas for the first time

76
00:04:28,909 --> 00:04:26,280
in the United Kingdom in the first three

77
00:04:31,070 --> 00:04:28,919
months of this year a third of the

78
00:04:33,469 --> 00:04:31,080
country's electricity came from wind

79
00:04:37,249 --> 00:04:33,479
farms research from the Imperial College

80
00:04:39,890 --> 00:04:37,259
of London has shown National Grid has

81
00:04:43,909 --> 00:04:39,900
also confirmed that April saw a record

82
00:04:48,050 --> 00:04:43,919
period of solar energy Generation by

83
00:04:52,510 --> 00:04:48,060
2035 the UK aims for all of its

84
00:04:55,909 --> 00:04:52,520
electricity to have net zero emissions

85
00:05:00,409 --> 00:04:55,919
yeah pretty incredible all right

86
00:05:03,710 --> 00:05:00,419
check this out a Swiss Village has been

87
00:05:06,670 --> 00:05:03,720
ordered to evacuate amid warnings of a

88
00:05:09,409 --> 00:05:06,680

large mass of rock and it is huge

89

00:05:12,590 --> 00:05:09,419

looming overhead could come tumbling

90

00:05:15,290 --> 00:05:12,600

down in the coming days leaders in

91

00:05:18,170 --> 00:05:15,300

briennes held a town hall event

92

00:05:22,070 --> 00:05:18,180

yesterday and told residents they would

93

00:05:23,150 --> 00:05:22,080

have to leave by 6 PM local time this

94

00:05:25,850 --> 00:05:23,160

Friday

95

00:05:28,670 --> 00:05:25,860

the head of the early warning Service as

96

00:05:30,770 --> 00:05:28,680

Stefan Schneider said that measurements

97

00:05:33,590 --> 00:05:30,780

indicated that a strong acceleration

98

00:05:36,650 --> 00:05:33,600

over a large area in recent days and up

99

00:05:40,310 --> 00:05:36,660

to 2 million cubic meters of rock

100

00:05:44,870 --> 00:05:40,320

material will collapse or slide in the

101
00:05:47,450 --> 00:05:44,880
coming 7 to 24 days

102
00:05:50,090 --> 00:05:47,460
wow

103
00:05:54,050 --> 00:05:50,100
evidence from West Africa about human

104
00:05:57,170 --> 00:05:54,060
evolution it's pretty scarce but a new

105
00:06:00,230 --> 00:05:57,180
article in the journal major ecology and

106
00:06:03,129 --> 00:06:00,240
evolution adds to our understanding with

107
00:06:07,249 --> 00:06:03,139
the study of the oldest directly dated

108
00:06:09,890 --> 00:06:07,259
archaeological site in West Africa the

109
00:06:13,909 --> 00:06:09,900
site shows technological continuity

110
00:06:16,670 --> 00:06:13,919
spanning roughly 140

111
00:06:20,230 --> 00:06:16,680
000 years the new study led by

112
00:06:24,110 --> 00:06:20,240
scientists from the Max Planck Institute

113
00:06:25,850 --> 00:06:24,120

in uh Dakar and the University of

114

00:06:28,969 --> 00:06:25,860

Sheffield and the University of South

115

00:06:32,809 --> 00:06:28,979

Florida extends the time frame in which

116

00:06:36,830 --> 00:06:32,819

Middle Stone Age toolkits are known from

117

00:06:39,529 --> 00:06:36,840

West Africa to 150 000 years ago based

118

00:06:44,210 --> 00:06:39,539

on excavations from the near Coastal

119

00:06:47,390 --> 00:06:44,220

site of Barney one the site itself is

120

00:06:51,070 --> 00:06:47,400

located close to the modern Coastline so

121

00:06:55,790 --> 00:06:51,080

south of Dakar in Senegal

122

00:06:58,610 --> 00:06:55,800

150 000 years of continuous Tech

123

00:07:01,450 --> 00:06:58,620

Improvement it's pretty incredible

124

00:07:05,290 --> 00:07:01,460

now allowed

125

00:07:07,969 --> 00:07:05,300

annoyed goat was

126
00:07:11,450 --> 00:07:07,979
wow that's a sneeze in the middle of the

127
00:07:13,850 --> 00:07:11,460
news that is news

128
00:07:17,809 --> 00:07:13,860
all right let me get back to it a loud

129
00:07:22,150 --> 00:07:17,819
annoyed goat was mistaken for a human

130
00:07:24,770 --> 00:07:22,160
screaming for Help by Oklahoma Police

131
00:07:26,629 --> 00:07:24,780
officers from the Enid Police Department

132
00:07:29,450 --> 00:07:26,639
received a report about a person

133
00:07:32,450 --> 00:07:29,460
shouting for help but ended up finding

134
00:07:34,969 --> 00:07:32,460
yeah a pretty sassy farm animal at the

135
00:07:37,670 --> 00:07:34,979
scene instead according to Oklahoma's

136
00:07:41,390 --> 00:07:37,680
Enid Police Department Officer David

137
00:07:43,610 --> 00:07:41,400
Snead and officer Neal story responded

138
00:07:46,550 --> 00:07:43,620

to a report about a person calling out

139

00:07:48,409 --> 00:07:46,560

for help on Monday when the officers

140

00:07:50,930 --> 00:07:48,419

arrived at the area where the caller

141

00:07:54,290 --> 00:07:50,940

heard the shouts they started hearing

142

00:07:57,290 --> 00:07:54,300

the please themselves

143

00:08:01,070 --> 00:07:57,300

well and then there's a video and in the

144

00:08:04,370 --> 00:08:01,080

video you hear it's a goat both officers

145

00:08:06,409 --> 00:08:04,380

had a lot of the video after seeing the

146

00:08:08,450 --> 00:08:06,419

farm animal after they made the

147

00:08:11,210 --> 00:08:08,460

discovery someone looking after the goat

148

00:08:14,029 --> 00:08:11,220

approaches in the video and says

149

00:08:17,210 --> 00:08:14,039

he's a little upset because I separated

150

00:08:19,430 --> 00:08:17,220

him from his friends you've got to see

151
00:08:21,830 --> 00:08:19,440
the video it's pretty cool all right I'm

152
00:08:24,129 --> 00:08:21,840
Gonna Leave You with

153
00:08:28,249 --> 00:08:24,139
you get ready

154
00:08:30,890 --> 00:08:28,259
Washington State University has received

155
00:08:35,029 --> 00:08:30,900
a U.S Food and Drug Administration

156
00:08:39,050 --> 00:08:35,039
authorization to have wait for it

157
00:08:42,050 --> 00:08:39,060
to have Gene edited pigs enter the food

158
00:08:46,130 --> 00:08:42,060
chain for a human consumption and in

159
00:08:51,670 --> 00:08:46,140
this case as tasty again wait for it

160
00:08:55,610 --> 00:08:51,680
as tasty German style sausages

161
00:08:58,190 --> 00:08:55,620
oh man sorry about that the public has

162
00:09:02,050 --> 00:08:58,200
their own opinions including me about

163
00:09:05,630 --> 00:09:02,060

Gene edited meat on our tables but

164

00:09:08,150 --> 00:09:05,640

WSU thinks that pigs will help this

165

00:09:11,570 --> 00:09:08,160

spell misinformation and improve

166

00:09:13,190 --> 00:09:11,580

perceptions of this technology and I

167

00:09:15,650 --> 00:09:13,200

gotta say

168

00:09:18,230 --> 00:09:15,660

it ain't gonna happen

169

00:09:19,790 --> 00:09:18,240

there you go there's all of the Fade to

170

00:09:21,910 --> 00:09:19,800

Black breaking news that you need for

171

00:09:25,190 --> 00:09:21,920

this Thursday May 10

172

00:09:27,410 --> 00:09:25,200

2023 faded black breaking news is

173

00:09:28,670 --> 00:09:27,420

produced by Renee Newman I'm Jimmy

174

00:09:33,890 --> 00:09:28,680

Church
