

# FADE TO BLACK

with JIMMY CHURCH

**PRESENTS**

## JEROME CLARK

### CUFOS AND THE UFO HYPOTHESIS

**MON MAY 15 LIVE**

**700-900PM PT**

1  
00:00:33,069 --> 00:00:28,150

[Music]

2  
00:00:36,350 --> 00:00:33,079

the spoke radio for the masses of July 8

3  
00:00:38,750 --> 00:00:36,360

1947 the Army Air Forces has announced

4  
00:00:41,270 --> 00:00:38,760

that a flying disc has been found and is

5  
00:00:45,170 --> 00:00:41,280

now in the possession of the army

6  
00:00:48,529 --> 00:00:45,180

rigs change the game game

7  
00:00:52,190 --> 00:00:48,539

I occasionally think how quickly our

8  
00:00:54,650 --> 00:00:52,200

difference is worldwide would vanish if

9  
00:00:56,030 --> 00:00:54,660

we were facing an alien threat from

10  
00:00:57,840 --> 00:00:56,040

outside this work

11  
00:00:58,020 --> 00:00:57,850

[Music]

12  
00:01:00,310 --> 00:00:58,030

[Applause]

13  
00:01:03,290 --> 00:01:00,320

[Music]

14

00:01:06,109 --> 00:01:03,300

this is Fade to Black with your host

15

00:01:06,790 --> 00:01:06,119

Jimmy Church on the game changer Radio

16

00:01:10,250 --> 00:01:06,800

Network

17

00:01:10,260 --> 00:01:14,750

all right good evening Fade to block

18

00:01:14,760 --> 00:01:17,410

um

19

00:01:22,210 --> 00:01:20,469

today's Monday May 15

20

00:01:24,950 --> 00:01:22,220

2023

21

00:01:27,230 --> 00:01:24,960

and uh tonight Our Guest was going to be

22

00:01:29,450 --> 00:01:27,240

Jerome Clark Jerry Clark

23

00:01:32,149 --> 00:01:29,460

and uh he's got some internet issues

24

00:01:33,530 --> 00:01:32,159

that uh we just couldn't get resolved I

25

00:01:35,630 --> 00:01:33,540

was on the phone with him for about 45

26

00:01:37,609 --> 00:01:35,640

minutes tried to get it tried to get it

27

00:01:39,469 --> 00:01:37,619

up and running couldn't pull it off all

28

00:01:42,649 --> 00:01:39,479

the way up until Showtime I held off

29

00:01:45,109 --> 00:01:42,659

till like three minutes ago uh to make

30

00:01:47,749 --> 00:01:45,119

the announcement but uh we'll get Jerry

31

00:01:50,410 --> 00:01:47,759

back as soon we're gonna do an AMA and

32

00:01:53,210 --> 00:01:50,420

tonight's AMA is brought to you by

33

00:01:55,810 --> 00:01:53,220

accidental truth that's right the new

34

00:01:59,030 --> 00:01:55,820

movie by Ron James documentary

35

00:02:03,109 --> 00:01:59,040

accidental truth UFO Revelations it is

36

00:02:04,850 --> 00:02:03,119

streaming it is a hit on all platforms

37

00:02:09,109 --> 00:02:04,860

you can go run it you can go and buy it

38

00:02:11,170 --> 00:02:09,119

but it is required viewing by everyone

39

00:02:14,449 --> 00:02:11,180

in our community

40

00:02:16,790 --> 00:02:14,459

accidental truth the new film by Ron

41

00:02:18,290 --> 00:02:16,800

James All right so tonight we're going

42

00:02:20,869 --> 00:02:18,300

to do an Ama

43

00:02:23,089 --> 00:02:20,879

and uh that's what happens The Show Must

44

00:02:25,790 --> 00:02:23,099

Go On The Show Must Go On And I don't

45

00:02:27,470 --> 00:02:25,800

get a chance I don't get a chance to Yap

46

00:02:29,210 --> 00:02:27,480

anymore I was talking about that the

47

00:02:32,170 --> 00:02:29,220

other day I just don't get a chance to

48

00:02:35,809 --> 00:02:32,180

Yap I used to Yap a lot I just feel that

49

00:02:39,229 --> 00:02:35,819

I don't get a chance to Yap and that's

50

00:02:41,030 --> 00:02:39,239

why I enjoy uh the amas and and just

51  
00:02:43,369 --> 00:02:41,040  
hanging out with you guys and doing that

52  
00:02:45,470 --> 00:02:43,379  
and I try to do them about once a month

53  
00:02:47,869 --> 00:02:45,480  
it's been a while we almost got one in

54  
00:02:50,770 --> 00:02:47,879  
last week when we had another emergency

55  
00:02:54,050 --> 00:02:50,780  
issue but that one resolved itself

56  
00:02:56,869 --> 00:02:54,060  
so uh there you go

57  
00:02:59,270 --> 00:02:56,879  
um let's see I'm not a good student I

58  
00:03:02,150 --> 00:02:59,280  
still haven't seen it oh Monica you got

59  
00:03:04,610 --> 00:03:02,160  
to go see it it's an excellent film

60  
00:03:07,190 --> 00:03:04,620  
accidental truth it's excellent

61  
00:03:09,350 --> 00:03:07,200  
I am watching

62  
00:03:13,550 --> 00:03:09,360  
um there are a few really good series

63  
00:03:16,490 --> 00:03:13,560

out right now and watching and one of

64

00:03:19,009 --> 00:03:16,500

them is called Silo and if you haven't

65

00:03:19,970 --> 00:03:19,019

checked it out oh I'm trying to think is

66

00:03:30,890 --> 00:03:19,980

it

67

00:03:34,610 --> 00:03:30,900

good

68

00:03:37,729 --> 00:03:34,620

I'm also watching uh season two of from

69

00:03:41,149 --> 00:03:37,739

season two that's uh that's pretty

70

00:03:44,089 --> 00:03:41,159

amazing and uh see what else am I what

71

00:03:45,610 --> 00:03:44,099

10 last so of course and I know

72

00:03:50,390 --> 00:03:45,620

everybody

73

00:03:53,089 --> 00:03:50,400

is uh watching succession and man last

74

00:03:55,070 --> 00:03:53,099

night it's you know the last three all

75

00:03:56,630 --> 00:03:55,080

season has been intense but these last

76

00:03:59,770 --> 00:03:56,640

three

77

00:04:03,830 --> 00:03:59,780

um episodes of succession

78

00:04:05,690 --> 00:04:03,840

extremely extremely emotional and on

79

00:04:06,890 --> 00:04:05,700

subjects that were always just kind of

80

00:04:11,089 --> 00:04:06,900

in the background

81

00:04:12,890 --> 00:04:11,099

right and and you know SIV and Tom you

82

00:04:14,690 --> 00:04:12,900

knew that there were issues between the

83

00:04:16,550 --> 00:04:14,700

two of them and you you know you saw but

84

00:04:18,890 --> 00:04:16,560

but it never

85

00:04:21,830 --> 00:04:18,900

it never like bubbled over boiled over

86

00:04:23,230 --> 00:04:21,840

you know it just never and those two and

87

00:04:26,450 --> 00:04:23,240

no no

88

00:04:28,790 --> 00:04:26,460

oh no that stuff got put on the table

89

00:04:32,570 --> 00:04:28,800

last week and again last night anyway

90

00:04:34,909 --> 00:04:32,580

I'm really enjoying uh succession so uh

91

00:04:36,890 --> 00:04:34,919

I'm watching those four series I feel

92

00:04:38,870 --> 00:04:36,900

like I'm leaving something out oh the

93

00:04:42,790 --> 00:04:38,880

new season of Rick and Morty's out but

94

00:04:46,370 --> 00:04:42,800

since Justin royland got arrested uh

95

00:04:48,110 --> 00:04:46,380

for whatever domestic abuse and the

96

00:04:50,629 --> 00:04:48,120

show's not the same to me and it's it's

97

00:04:52,969 --> 00:04:50,639

difficult for me to watch so season six

98

00:04:55,210 --> 00:04:52,979

is out I watched the first episode and I

99

00:04:59,030 --> 00:04:55,220

was like man

100

00:05:00,469 --> 00:04:59,040

something's missing so anyway uh that's

101  
00:05:02,390 --> 00:05:00,479  
out

102  
00:05:06,170 --> 00:05:02,400  
um and there you go uh there's a few

103  
00:05:08,450 --> 00:05:06,180  
movies I gave you the list of uh of all

104  
00:05:12,230 --> 00:05:08,460  
the movies that are coming out uh this

105  
00:05:14,210 --> 00:05:12,240  
summer it is going to be amazing okay so

106  
00:05:16,070 --> 00:05:14,220  
I don't even know see this is what I'm

107  
00:05:18,290 --> 00:05:16,080  
talking about I get to ramble oh let me

108  
00:05:22,370 --> 00:05:18,300  
tell you about my dream

109  
00:05:26,270 --> 00:05:22,380  
okay so uh put everything in all caps

110  
00:05:30,110 --> 00:05:26,280  
okay uh let's see here let me start

111  
00:05:33,909 --> 00:05:30,120  
highlighting I'm going to start

112  
00:05:39,110 --> 00:05:33,919  
highlighting wow look at that uh

113  
00:05:42,110 --> 00:05:39,120

okay you guys are are pretty busy okay

114

00:05:43,610 --> 00:05:42,120

um let's see hi wow okay okay all right

115

00:05:48,350 --> 00:05:43,620

all right yeah keep the questions coming

116

00:05:50,210 --> 00:05:48,360

keep me busy uh tonight and uh keep keep

117

00:05:52,490 --> 00:05:50,220

everything in all caps

118

00:05:54,950 --> 00:05:52,500

looks like I've got about 20 or 30 lined

119

00:05:58,070 --> 00:05:54,960

up here so far so

120

00:06:03,409 --> 00:06:00,830

all right

121

00:06:07,330 --> 00:06:03,419

ah Cleopatra yeah that was pretty good

122

00:06:15,170 --> 00:06:10,790

Queen Charlotte

123

00:06:16,730 --> 00:06:15,180

you know the uh the uh spin-off of uh

124

00:06:19,370 --> 00:06:16,740

Bridgerton

125

00:06:23,390 --> 00:06:19,380

uh I tried I tried I got the first

126

00:06:25,129 --> 00:06:23,400

episode in I'm assuming

127

00:06:32,570 --> 00:06:25,139

um

128

00:06:36,409 --> 00:06:32,580

let's see here

129

00:06:38,570 --> 00:06:36,419

but uh that was tough but Lisa Lisa Reed

130

00:06:40,370 --> 00:06:38,580

she's probably listening right now so

131

00:06:41,749 --> 00:06:40,380

she comes Jimmy man you gotta see you

132

00:06:44,150 --> 00:06:41,759

gotta see he's got Queen Charlotte

133

00:06:45,770 --> 00:06:44,160

that's so good it is so good I was like

134

00:06:49,249 --> 00:06:45,780

okay cool because I love Bridgerton

135

00:06:51,770 --> 00:06:49,259

Bridge or Tim was great and uh

136

00:06:53,629 --> 00:06:51,780

uh on her recommendation I'm just gonna

137

00:06:54,770 --> 00:06:53,639

say it on her recommendation I gave it a

138

00:06:57,710 --> 00:06:54,780

shot

139

00:07:00,650 --> 00:06:57,720

so I will go back and visit it

140

00:07:06,050 --> 00:07:00,660

um I watched part of Yellowjackets

141

00:07:08,870 --> 00:07:06,060

and I'm holding off on that I need to uh

142

00:07:11,210 --> 00:07:08,880

I need to have like a full weekend

143

00:07:14,330 --> 00:07:11,220

um so I can do yellow jackets all at the

144

00:07:16,570 --> 00:07:14,340

same time and coming up uh this weekend

145

00:07:18,469 --> 00:07:16,580

I won't be able to do anything because

146

00:07:20,409 --> 00:07:18,479

I'm going to tell you guys what I'm

147

00:07:23,270 --> 00:07:20,419

doing this weekend

148

00:07:24,950 --> 00:07:23,280

all right don't let me forget I got to

149

00:07:27,050 --> 00:07:24,960

tell you about my dream I had last night

150

00:07:29,450 --> 00:07:27,060

I'm gonna freak you guys out

151  
00:07:33,370 --> 00:07:29,460  
um this weekend

152  
00:07:36,170 --> 00:07:33,380  
over at Cassidy Church

153  
00:07:38,270 --> 00:07:36,180  
River Moon coffee has come into town

154  
00:07:38,990 --> 00:07:38,280  
that's right Juanita and Jeff are flying

155  
00:07:40,430 --> 00:07:39,000  
in

156  
00:07:41,230 --> 00:07:40,440  
um they're gonna stay with me for the

157  
00:07:49,189 --> 00:07:41,240  
weekend

158  
00:07:51,529 --> 00:07:49,199  
so I've got uh the the uh fade to black

159  
00:07:55,430 --> 00:07:51,539  
circle of trust

160  
00:07:57,350 --> 00:07:55,440  
um so I've got about uh uh a dozen or so

161  
00:07:58,670 --> 00:07:57,360  
that's it I can't fit any more in my

162  
00:08:01,969 --> 00:07:58,680  
house

163  
00:08:07,089 --> 00:08:01,979

um uh that are going to be here

164

00:08:11,150 --> 00:08:07,099

um and uh so we're going to play guitar

165

00:08:13,129 --> 00:08:11,160

uh radio control trucks in the backyard

166

00:08:15,350 --> 00:08:13,139

we're gonna do Sky watching of course

167

00:08:17,390 --> 00:08:15,360

we're gonna barbecue

168

00:08:18,830 --> 00:08:17,400

um and we're gonna hang out and and do

169

00:08:21,170 --> 00:08:18,840

stuff all weekend so that's my weekend

170

00:08:24,529 --> 00:08:21,180

this weekend so there's no yellow

171

00:08:27,909 --> 00:08:24,539

jackets all right

172

00:08:31,430 --> 00:08:27,919

okay so my dream

173

00:08:35,089 --> 00:08:31,440

my dream this is

174

00:08:37,130 --> 00:08:35,099

I you guys already know I don't like it

175

00:08:40,370 --> 00:08:37,140

when

176

00:08:42,350 --> 00:08:40,380

somebody says to me

177

00:08:44,089 --> 00:08:42,360

hey man I had a crazy dream last night

178

00:08:52,970 --> 00:08:44,099

I'm gonna tell you about it and then I

179

00:08:58,790 --> 00:08:55,310

I don't want to do this I don't want to

180

00:09:00,769 --> 00:08:58,800

do that but okay so anyway uh uh and

181

00:09:02,269 --> 00:09:00,779

that being said I'm gonna do that to you

182

00:09:04,190 --> 00:09:02,279

right now

183

00:09:07,610 --> 00:09:04,200

but

184

00:09:10,970 --> 00:09:07,620

okay

185

00:09:13,310 --> 00:09:10,980

now this is how to so today I had a I

186

00:09:18,710 --> 00:09:13,320

had a zoom meeting

187

00:09:23,210 --> 00:09:20,990

before the meeting kicked off there was

188

00:09:24,710 --> 00:09:23,220

three or four people uh there early in

189

00:09:28,190 --> 00:09:24,720

US man I gotta tell you guys about my

190

00:09:30,410 --> 00:09:28,200

dream and so I did and when I got to the

191

00:09:32,389 --> 00:09:30,420

end of it

192

00:09:34,430 --> 00:09:32,399

um you guys don't know who this way his

193

00:09:35,990 --> 00:09:34,440

name's Dean dingoes

194

00:09:40,610 --> 00:09:36,000

never

195

00:09:42,610 --> 00:09:40,620

tell anybody about that dream

196

00:09:44,750 --> 00:09:42,620

ever

197

00:09:46,730 --> 00:09:44,760

and uh

198

00:09:51,769 --> 00:09:46,740

so

199

00:09:53,449 --> 00:09:51,779

but I'm going to tell you the the well

200

00:09:55,850 --> 00:09:53,459

I'm Gonna Leave the strangest part out

201  
00:09:58,550 --> 00:09:55,860  
because it's pretty strange but I had

202  
00:10:01,970 --> 00:09:58,560  
this dream it involved um

203  
00:10:04,009 --> 00:10:01,980  
somebody that and I okay okay so uh let

204  
00:10:07,009 --> 00:10:04,019  
me get to the end so this morning I wake

205  
00:10:11,269 --> 00:10:07,019  
up spin around put my feet on the floor

206  
00:10:12,410 --> 00:10:11,279  
and I go oh it's Monday let's go new

207  
00:10:14,990 --> 00:10:12,420  
week

208  
00:10:18,350 --> 00:10:15,000  
wow that was a crazy dream

209  
00:10:20,150 --> 00:10:18,360  
and I remembered all of it Vivid

210  
00:10:21,829 --> 00:10:20,160  
and you know that doesn't happen too you

211  
00:10:24,769 --> 00:10:21,839  
know I've all of it

212  
00:10:26,990 --> 00:10:24,779  
so all right I'm gonna clean it up

213  
00:10:28,430 --> 00:10:27,000

somewhat

214

00:10:31,490 --> 00:10:28,440

because it's some of it's just too

215

00:10:33,470 --> 00:10:31,500

Twisted it's it's too Twisted to to put

216

00:10:34,930 --> 00:10:33,480

out there in the airwaves

217

00:10:38,810 --> 00:10:34,940

um but there was

218

00:10:42,190 --> 00:10:38,820

it centered around this

219

00:10:47,329 --> 00:10:42,200

um old man when I say old like old

220

00:10:50,810 --> 00:10:47,339

gray-haired bald glasses skinny tall

221

00:10:53,329 --> 00:10:50,820

um old I don't know 80 you know um and

222

00:10:55,430 --> 00:10:53,339

and this morning as I recalled

223

00:10:59,329 --> 00:10:55,440

everything

224

00:11:02,750 --> 00:10:59,339

I don't know who this person is

225

00:11:06,290 --> 00:11:02,760

okay so that's the end of I just want to

226

00:11:08,810 --> 00:11:06,300

you know as I that that's the end of it

227

00:11:09,949 --> 00:11:08,820

okay so anyway

228

00:11:12,230 --> 00:11:09,959

um

229

00:11:14,410 --> 00:11:12,240

I keep running into him in the in the in

230

00:11:17,269 --> 00:11:14,420

the dream

231

00:11:19,370 --> 00:11:17,279

and he seems

232

00:11:22,970 --> 00:11:19,380

kind of strange

233

00:11:24,410 --> 00:11:22,980

maybe evil I don't know well I I don't

234

00:11:26,750 --> 00:11:24,420

know I don't but but there's something

235

00:11:28,970 --> 00:11:26,760

about this guy and I keep running into

236

00:11:30,970 --> 00:11:28,980

him and I keep running into him and then

237

00:11:40,610 --> 00:11:30,980

in the dream

238

00:11:44,509 --> 00:11:40,620

and he's standing next to my bed right

239

00:11:49,569 --> 00:11:44,519

here and he's wearing

240

00:11:51,530 --> 00:11:49,579

um a robe a multi-colored robe

241

00:11:53,630 --> 00:11:51,540

okay I'll just leave that right there

242

00:11:54,949 --> 00:11:53,640

he's wearing a multi-colored robe and he

243

00:11:59,090 --> 00:11:54,959

opens it

244

00:12:01,430 --> 00:11:59,100

and then wrapped around his body well

245

00:12:02,090 --> 00:12:01,440

his torso

246

00:12:04,250 --> 00:12:02,100

um

247

00:12:07,670 --> 00:12:04,260

is a snake

248

00:12:10,009 --> 00:12:07,680

and it's orange and black and it's a big

249

00:12:11,870 --> 00:12:10,019

snake just it's like a python or

250

00:12:13,550 --> 00:12:11,880

something but it's orange and black all

251

00:12:15,370 --> 00:12:13,560

the way up to his neck

252

00:12:18,290 --> 00:12:15,380

and he

253

00:12:20,870 --> 00:12:18,300

walks out of my bedroom and it's this

254

00:12:24,350 --> 00:12:20,880

house by the way he walks out

255

00:12:26,870 --> 00:12:24,360

of the bedroom now my bedroom has

256

00:12:35,569 --> 00:12:26,880

double doors

257

00:12:38,329 --> 00:12:35,579

walking out I look over my shoulder I

258

00:12:41,870 --> 00:12:38,339

jump out of bed and I say

259

00:12:46,730 --> 00:12:44,690

and I jump out of bed he he continues

260

00:12:48,829 --> 00:12:46,740

out

261

00:12:50,329 --> 00:12:48,839

um the bedroom door

262

00:12:53,690 --> 00:12:50,339

doors

263

00:12:56,750 --> 00:12:53,700

and I go over to my dresser

264

00:12:59,389 --> 00:12:56,760

and uh pull open the top dresser drawer

265

00:13:03,290 --> 00:12:59,399

and I reach in for the gun

266

00:13:07,730 --> 00:13:03,300

and I pull out a handful

267

00:13:10,930 --> 00:13:07,740

of double a batteries silver

268

00:13:15,410 --> 00:13:10,940

double a batteries

269

00:13:16,730 --> 00:13:15,420

and I run over and through the double

270

00:13:19,550 --> 00:13:16,740

doors

271

00:13:22,670 --> 00:13:19,560

and he's down at the bottom of my stairs

272

00:13:26,150 --> 00:13:22,680

and my stairs kind of curve around right

273

00:13:28,910 --> 00:13:26,160

and then fan out he's down at the bottom

274

00:13:30,410 --> 00:13:28,920

of the stairs and he's looking up at me

275

00:13:34,629 --> 00:13:30,420

and

276

00:13:37,670 --> 00:13:34,639

the the the the

277

00:13:39,050 --> 00:13:37,680

this guy I don't know it's like flowing

278

00:13:40,910 --> 00:13:39,060

bro I don't know

279

00:13:46,370 --> 00:13:40,920

but anyway

280

00:13:46,380 --> 00:13:51,110

[Music]

281

00:13:56,870 --> 00:13:54,110

letters and then

282

00:13:58,610 --> 00:13:56,880

I wake up

283

00:14:02,569 --> 00:13:58,620

yeah

284

00:14:04,550 --> 00:14:02,579

and that's you know and that so

285

00:14:06,050 --> 00:14:04,560

that's that was the end I don't know

286

00:14:09,230 --> 00:14:06,060

what happened to the guy I don't know

287

00:14:11,569 --> 00:14:09,240

who he was but I will say as far as

288

00:14:16,610 --> 00:14:11,579

dreams go and I love dreams

289

00:14:19,129 --> 00:14:16,620

this was the strangest dream I have ever

290

00:14:24,230 --> 00:14:19,139

had and I've had some whack I've had

291

00:14:25,730 --> 00:14:24,240

some why I I can't I can't the snake the

292

00:14:29,090 --> 00:14:25,740

double a batteries

293

00:14:32,930 --> 00:14:29,100

why didn't I pull out you know no I I

294

00:14:35,569 --> 00:14:32,940

pulled out double a batteries and I was

295

00:14:38,269 --> 00:14:35,579

chucking batteries at them like a Dodger

296

00:14:42,710 --> 00:14:38,279

game against the Giants

297

00:14:44,389 --> 00:14:42,720

I just okay so there you go and and yeah

298

00:14:45,829 --> 00:14:44,399

so I woke up and that's when I spun

299

00:14:47,689 --> 00:14:45,839

around and put my feet on the floor and

300

00:14:50,090 --> 00:14:47,699

I was like ah man it's so rested I feel

301

00:14:52,250 --> 00:14:50,100

so good what was that dream

302

00:14:53,870 --> 00:14:52,260

and yeah

303

00:14:56,269 --> 00:14:53,880

yeah so that's how we're going to start

304

00:14:57,949 --> 00:14:56,279

off the AMA tonight we're starting off

305

00:14:59,750 --> 00:14:57,959

with that

306

00:15:01,250 --> 00:14:59,760

I don't know I don't know I've been

307

00:15:03,949 --> 00:15:01,260

thinking about it all day I told three

308

00:15:07,569 --> 00:15:03,959

people today about that dream it like

309

00:15:13,069 --> 00:15:09,590

don't know

310

00:15:16,569 --> 00:15:13,079

that's all I've got all right we're

311

00:15:21,170 --> 00:15:16,579

doing an AMA tonight

312

00:15:25,430 --> 00:15:21,180

I've uh asked everybody uh to post your

313

00:15:27,530 --> 00:15:25,440

questions all caps in the chat genocide

314

00:15:29,269 --> 00:15:27,540  
has told everybody bill has told

315

00:15:31,970 --> 00:15:29,279  
everybody just put it in all caps so I

316

00:15:35,389 --> 00:15:31,980  
can see it I've got a bunch of uh stuff

317

00:15:37,910 --> 00:15:35,399  
already highlighted and ready to go and

318

00:15:42,170 --> 00:15:37,920  
uh I can't wait to hear you guys

319

00:15:47,870 --> 00:15:45,470  
he was like you know what he looked like

320

00:15:50,090 --> 00:15:47,880  
he looked like Smithers

321

00:15:52,370 --> 00:15:50,100  
he's kind of like that he's kind of like

322

00:15:55,310 --> 00:15:52,380  
the Smithers wear glasses I can't

323

00:15:57,050 --> 00:15:55,320  
remember but if Smithers doesn't wear

324

00:15:59,810 --> 00:15:57,060  
glasses he was like Smithers with

325

00:16:00,970 --> 00:15:59,820  
glasses but like a real human but he

326

00:16:04,610 --> 00:16:00,980

kind of had that

327

00:16:09,189 --> 00:16:04,620

you know that thing about him yeah gray

328

00:16:14,389 --> 00:16:09,199

hair bald yeah it was okay

329

00:16:16,310 --> 00:16:14,399

all right let's go up first tonight for

330

00:16:20,290 --> 00:16:16,320

tonight's AMA is

331

00:16:23,389 --> 00:16:20,300

Paul Martin Paul says

332

00:16:25,850 --> 00:16:23,399

uh stating my question from last AMA

333

00:16:29,449 --> 00:16:25,860

which I guess didn't get answered

334

00:16:32,990 --> 00:16:29,459

how close are we to the singularity and

335

00:16:33,850 --> 00:16:33,000

will we survive it

336

00:16:35,710 --> 00:16:33,860

um

337

00:16:38,569 --> 00:16:35,720

uh

338

00:16:41,650 --> 00:16:38,579

okay depends on which version of it if

339

00:16:46,610 --> 00:16:41,660

you are saying that

340

00:16:50,629 --> 00:16:46,620

uh if if A.I

341

00:16:51,889 --> 00:16:50,639

we cross the line now ai is Now smarter

342

00:16:56,150 --> 00:16:51,899

than us

343

00:16:59,329 --> 00:16:56,160

that point The Singularity you know if

344

00:17:02,569 --> 00:16:59,339

that's what you're referring to

345

00:17:05,870 --> 00:17:02,579

um will we survive that

346

00:17:07,490 --> 00:17:05,880

um probably not

347

00:17:11,270 --> 00:17:07,500

I believe not

348

00:17:13,610 --> 00:17:11,280

probably not now it's not that the

349

00:17:16,309 --> 00:17:13,620

singularity you know that AI would take

350

00:17:19,909 --> 00:17:16,319

us over but I can assure you that

351  
00:17:23,650 --> 00:17:19,919  
whoever whatever country has has the

352  
00:17:26,569 --> 00:17:23,660  
juice card who is in possession of of

353  
00:17:30,230 --> 00:17:26,579  
AGI at that point

354  
00:17:32,990 --> 00:17:30,240  
artificial intelligence average uh

355  
00:17:35,029 --> 00:17:33,000  
general intelligence AGI

356  
00:17:39,730 --> 00:17:35,039  
um they're going to rule the world and

357  
00:17:43,150 --> 00:17:39,740  
and they have a at that moment right

358  
00:17:46,370 --> 00:17:43,160  
that to the second

359  
00:17:52,789 --> 00:17:46,380  
the decisions are theirs or ours you

360  
00:17:58,490 --> 00:17:56,470  
turn off all the electricity

361  
00:18:02,150 --> 00:17:58,500  
in China

362  
00:18:06,470 --> 00:18:04,310  
a couple of minutes later China goes

363  
00:18:07,610 --> 00:18:06,480

dark

364

00:18:11,210 --> 00:18:07,620

yeah

365

00:18:12,409 --> 00:18:11,220

that's the crazy part if China gets

366

00:18:13,549 --> 00:18:12,419

there first

367

00:18:19,310 --> 00:18:13,559

right

368

00:18:20,810 --> 00:18:19,320

all the electricity in the United States

369

00:18:21,950 --> 00:18:20,820

go

370

00:18:25,070 --> 00:18:21,960

done

371

00:18:31,330 --> 00:18:25,080

and it it would be over

372

00:18:34,190 --> 00:18:31,340

it would be like that it is yeah now

373

00:18:36,830 --> 00:18:34,200

beyond that right so the next thing you

374

00:18:38,930 --> 00:18:36,840

know we're we're running on generators

375

00:18:42,230 --> 00:18:38,940

and we've got nuclear missiles flying

376

00:18:44,350 --> 00:18:42,240

around that's is the end so so but let's

377

00:18:51,830 --> 00:18:44,360

say

378

00:18:53,990 --> 00:18:51,840

we some of us survived that all right so

379

00:18:56,930 --> 00:18:54,000

the population of the earth goes from 8

380

00:18:58,310 --> 00:18:56,940

billion people to I don't know ten

381

00:19:00,950 --> 00:18:58,320

thousand

382

00:19:02,270 --> 00:19:00,960

okay let's say it happens like that at

383

00:19:05,930 --> 00:19:02,280

that point

384

00:19:08,990 --> 00:19:05,940

um which is like two days later

385

00:19:13,430 --> 00:19:09,000

um artificial intelligence will have

386

00:19:15,409 --> 00:19:13,440

restarted everything and are you know

387

00:19:19,549 --> 00:19:15,419

taken over factories manufacturing

388

00:19:22,730 --> 00:19:19,559

themselves and then you've got Elon Musk

389

00:19:24,830 --> 00:19:22,740

um t-1000s running around with with AI

390

00:19:27,110 --> 00:19:24,840

in it and that's that's what's going to

391

00:19:31,990 --> 00:19:27,120

rule the Earth they don't need us humans

392

00:19:36,529 --> 00:19:34,250

one side of it

393

00:19:39,710 --> 00:19:36,539

the other side

394

00:19:42,370 --> 00:19:39,720

is that that scenario that I just

395

00:19:45,830 --> 00:19:42,380

painted for you

396

00:19:48,529 --> 00:19:45,840

maybe impossible

397

00:19:52,070 --> 00:19:48,539

to achieve in the foreseeable future I

398

00:19:53,990 --> 00:19:52,080

don't think chat GPT is is you know

399

00:19:57,890 --> 00:19:54,000

that's nothing you have to worry about

400

00:20:00,230 --> 00:19:57,900

it's not really a i a i anyway

401  
00:20:03,049 --> 00:20:00,240  
um but the other side of it is

402  
00:20:05,210 --> 00:20:03,059  
it could be a hundred years out before

403  
00:20:08,690 --> 00:20:05,220  
we're even close

404  
00:20:11,870 --> 00:20:08,700  
and by that time hopefully we've got

405  
00:20:15,890 --> 00:20:11,880  
some regulations in play and we would

406  
00:20:20,210 --> 00:20:15,900  
never allow things to run rampant

407  
00:20:22,789 --> 00:20:20,220  
okay so there's there's two answers

408  
00:20:26,750 --> 00:20:22,799  
all right and the safe one if I was a

409  
00:20:29,990 --> 00:20:26,760  
safe betting man if I if I was

410  
00:20:38,210 --> 00:20:33,890  
I'm going 30 to 50 years out

411  
00:20:41,210 --> 00:20:38,220  
yeah now that isn't uh that's not what

412  
00:20:44,630 --> 00:20:41,220  
uh Ray Kurzweil says but he's changed

413  
00:20:46,669 --> 00:20:44,640

his date uh a few times so there you go

414

00:20:48,590 --> 00:20:46,679

all right coming up next is from flying

415

00:20:53,529 --> 00:20:48,600

monkeys okay Jimmy

416

00:20:56,510 --> 00:20:53,539

if your smart home and it is smart

417

00:21:00,289 --> 00:20:56,520

if your smart home locks you out who do

418

00:21:03,110 --> 00:21:00,299

you call now this is yeah and don't say

419

00:21:05,630 --> 00:21:03,120

Ghostbusters okay now

420

00:21:08,750 --> 00:21:05,640

um here

421

00:21:10,430 --> 00:21:08,760

um uh you know I have a I have an app on

422

00:21:15,770 --> 00:21:10,440

my phone I'm not going to show you

423

00:21:16,909 --> 00:21:15,780

everything here but if I go out to here

424

00:21:22,130 --> 00:21:16,919

um you know what I don't want to show

425

00:21:24,710 --> 00:21:22,140

that but that I have the ability here to

426

00:21:27,350 --> 00:21:24,720

lock and unlock all of my doors right

427

00:21:30,169 --> 00:21:27,360

I've got windows and broken window

428

00:21:32,330 --> 00:21:30,179

sensors here too as well that I can turn

429

00:21:34,010 --> 00:21:32,340

on and off of course thermostat and

430

00:21:36,289 --> 00:21:34,020

garage door

431

00:21:39,770 --> 00:21:36,299

um it is here as well and some other

432

00:21:42,649 --> 00:21:39,780

stuff I don't want to show the screen

433

00:21:44,810 --> 00:21:42,659

but

434

00:21:48,169 --> 00:21:44,820

it's a problem

435

00:21:50,630 --> 00:21:48,179

if I and this is my fear

436

00:21:52,549 --> 00:21:50,640

if I go outside because I keep

437

00:21:56,330 --> 00:21:52,559

everything is on lockdown right

438

00:21:59,990 --> 00:21:56,340

everything is is completely locked down

439

00:22:02,510 --> 00:22:00,000

um on my front door

440

00:22:07,270 --> 00:22:02,520

um and well now I think about it two

441

00:22:12,230 --> 00:22:07,280

other doors but is an electric door lock

442

00:22:13,669 --> 00:22:12,240

and on that you can arm it from the

443

00:22:16,669 --> 00:22:13,679

outside

444

00:22:18,710 --> 00:22:16,679

okay you click that and the door locks

445

00:22:20,870 --> 00:22:18,720

and it's there for a reason you walk

446

00:22:22,909 --> 00:22:20,880

outside you turn around it's unlocked

447

00:22:26,149 --> 00:22:22,919

but you go outside and you hit that lock

448

00:22:28,250 --> 00:22:26,159

and you can hear it it locks all right

449

00:22:30,049 --> 00:22:28,260

now

450

00:22:33,070 --> 00:22:30,059

I have

451  
00:22:37,610 --> 00:22:33,080  
a few times

452  
00:22:39,049 --> 00:22:37,620  
walked outside into my front yard and

453  
00:22:41,570 --> 00:22:39,059  
shut the door

454  
00:22:43,190 --> 00:22:41,580  
and hit that lock button

455  
00:22:46,190 --> 00:22:43,200  
that's right

456  
00:22:49,610 --> 00:22:46,200  
yep yep and I've stood on my back and I

457  
00:22:53,029 --> 00:22:49,620  
hear it I hear from it back to [h\_\_h]

458  
00:22:54,950 --> 00:22:53,039  
and if I didn't have my phone with me

459  
00:22:56,750 --> 00:22:54,960  
I'm screwed

460  
00:23:00,529 --> 00:22:56,760  
there's no way for me to get back in the

461  
00:23:01,610 --> 00:23:00,539  
house now oh there's a code

462  
00:23:04,130 --> 00:23:01,620  
yeah

463  
00:23:06,770 --> 00:23:04,140

there's a code do I know it

464

00:23:09,470 --> 00:23:06,780

I know it for my keypad on the inside of

465

00:23:15,370 --> 00:23:09,480

the house my alarm system

466

00:23:18,409 --> 00:23:15,380

you know and the code that I have for my

467

00:23:20,630 --> 00:23:18,419

exterior doors

468

00:23:22,750 --> 00:23:20,640

um that you see where I'm going with

469

00:23:25,669 --> 00:23:22,760

this I haven't memorized it

470

00:23:27,470 --> 00:23:25,679

and uh I needed now that I've been

471

00:23:29,149 --> 00:23:27,480

reminded of it I'll go back and change

472

00:23:31,310 --> 00:23:29,159

it but that's my paranoid thing that's

473

00:23:34,490 --> 00:23:31,320

my Pandora's Box that I'm gonna walk

474

00:23:37,430 --> 00:23:34,500

outside and do it and and lock myself

475

00:23:41,510 --> 00:23:37,440

out and if I do

476

00:23:44,029 --> 00:23:41,520

I'm breaking in I gotta break a window

477

00:23:46,549 --> 00:23:44,039

um the police are going to show up and

478

00:23:49,190 --> 00:23:46,559

I've got issues that I you know I've

479

00:23:52,250 --> 00:23:49,200

already had this happen to me twice now

480

00:23:55,549 --> 00:23:52,260

um and yeah yeah that's it that's part

481

00:23:57,110 --> 00:23:55,559

of uh living in a smart home and I think

482

00:24:00,169 --> 00:23:57,120

that

483

00:24:03,230 --> 00:24:00,179

um uh most people most

484

00:24:05,570 --> 00:24:03,240

right that have a smart home that have

485

00:24:08,330 --> 00:24:05,580

taken the steps know exactly what I'm

486

00:24:11,090 --> 00:24:08,340

talking about yesterday I was on a zoom

487

00:24:15,590 --> 00:24:11,100

call with uh uh Billy Carson

488

00:24:17,870 --> 00:24:15,600

and uh FaceTime Zoom whatever and and

489

00:24:20,149 --> 00:24:17,880

he's looking down at his phone and not

490

00:24:22,250 --> 00:24:20,159

at the camera I go Billy Focus up up he

491

00:24:24,110 --> 00:24:22,260

goes dude I'm trying to get my air

492

00:24:28,610 --> 00:24:24,120

conditioning to turn on it's freaking

493

00:24:30,649 --> 00:24:28,620

hot in here and I go and that is uh

494

00:24:33,830 --> 00:24:30,659

something that people now experience

495

00:24:37,190 --> 00:24:33,840

every single day and I remember uh that

496

00:24:39,289 --> 00:24:37,200

episode of Black Mirror from uh probably

497

00:24:40,850 --> 00:24:39,299

three years ago four years ago the smart

498

00:24:43,130 --> 00:24:40,860

home that goes crazy

499

00:24:45,770 --> 00:24:43,140

you you did the wrong thing you didn't

500

00:24:49,070 --> 00:24:45,780

tip your Uber driver with the app or

501  
00:24:51,289 --> 00:24:49,080  
whatever you know whatever and the next

502  
00:24:53,330 --> 00:24:51,299  
thing you know

503  
00:24:57,110 --> 00:24:53,340  
um you have a revolution and your smart

504  
00:24:59,870 --> 00:24:57,120  
home uh turns on you your Roomba right

505  
00:25:02,750 --> 00:24:59,880  
eats your cat whatever it is and then

506  
00:25:06,649 --> 00:25:02,760  
it's the thermostats it's stuff being

507  
00:25:10,789 --> 00:25:06,659  
delivered it's it's crazy right that's

508  
00:25:13,070 --> 00:25:10,799  
that's the smart home dilemma because

509  
00:25:14,990 --> 00:25:13,080  
um I have lights that are automatic I

510  
00:25:17,570 --> 00:25:15,000  
have the thermostat that's automatic I

511  
00:25:19,430 --> 00:25:17,580  
have my locks and doors and windows and

512  
00:25:22,130 --> 00:25:19,440  
everything else that are all automatic

513  
00:25:25,310 --> 00:25:22,140

and it's all sitting on my smartphone

514

00:25:28,250 --> 00:25:25,320

yeah yeah it's it's crazy and I I

515

00:25:29,570 --> 00:25:28,260

remember and I know you guys are saying

516

00:25:31,190 --> 00:25:29,580

to yourselves right now Jimmy's a little

517

00:25:34,070 --> 00:25:31,200

hypocritical because he said he would

518

00:25:36,289 --> 00:25:34,080

never do it and I did say that

519

00:25:38,990 --> 00:25:36,299

I did

520

00:25:40,970 --> 00:25:39,000

I happen to have a home now that

521

00:25:43,370 --> 00:25:40,980

came half smart

522

00:25:46,130 --> 00:25:43,380

and I finished the job and now it's

523

00:25:48,529 --> 00:25:46,140

fully smart

524

00:25:50,930 --> 00:25:48,539

all of it

525

00:25:56,110 --> 00:25:50,940

you know the convenience

526

00:25:59,029 --> 00:25:56,120

um okay here's oh I'm gonna get uh to uh

527

00:26:01,130 --> 00:25:59,039

uh uh questions here in a second here's

528

00:26:03,230 --> 00:26:01,140

some of the convenience factors of a

529

00:26:06,310 --> 00:26:03,240

smart home okay

530

00:26:11,710 --> 00:26:09,590

every window

531

00:26:17,210 --> 00:26:11,720

both floors

532

00:26:18,529 --> 00:26:17,220

every door in the garage door all have

533

00:26:19,970 --> 00:26:18,539

sensors

534

00:26:21,649 --> 00:26:19,980

okay

535

00:26:24,590 --> 00:26:21,659

and so

536

00:26:28,970 --> 00:26:24,600

anything that opens

537

00:26:30,409 --> 00:26:28,980

any sensor there's a ding right Bing

538

00:26:33,350 --> 00:26:30,419

okay

539

00:26:37,370 --> 00:26:33,360

open the door to say hello to some Bing

540

00:26:38,570 --> 00:26:37,380

right you hear it I have not well thank

541

00:26:40,669 --> 00:26:38,580

God

542

00:26:44,450 --> 00:26:40,679

but

543

00:26:46,970 --> 00:26:44,460

I haven't heard the Bing

544

00:26:50,570 --> 00:26:46,980

unless I've binged it

545

00:26:53,090 --> 00:26:50,580

you don't want the Bing to happen

546

00:26:55,010 --> 00:26:53,100

that you didn't do

547

00:26:57,230 --> 00:26:55,020

and that's a fear

548

00:27:02,269 --> 00:26:57,240

you don't want to be upstairs in bed

549

00:27:09,350 --> 00:27:05,529

because that means something got opened

550

00:27:11,930 --> 00:27:09,360

now now it's great right you need but

551  
00:27:13,850 --> 00:27:11,940  
but it's kind of a weird thing it's just

552  
00:27:16,130 --> 00:27:13,860  
always in the background I might just

553  
00:27:19,970 --> 00:27:16,140  
always wondering

554  
00:27:22,789 --> 00:27:19,980  
um will I ever hear it so there you go

555  
00:27:23,930 --> 00:27:22,799  
here's the other part that's great

556  
00:27:26,570 --> 00:27:23,940  
all right

557  
00:27:28,669 --> 00:27:26,580  
middle of the night

558  
00:27:31,850 --> 00:27:28,679  
it's hot in here

559  
00:27:35,810 --> 00:27:33,950  
air conditioning didn't even get out of

560  
00:27:39,409 --> 00:27:35,820  
bed just roll back over go back to sleep

561  
00:27:47,690 --> 00:27:44,529  
the opposite and it's cold in here

562  
00:27:52,130 --> 00:27:47,700  
pop pop it off

563  
00:27:54,169 --> 00:27:52,140

that's amazing and you get really used

564

00:27:55,850 --> 00:27:54,179

to it sitting watching a movie air

565

00:27:58,669 --> 00:27:55,860

conditioning is blasting on your face

566

00:28:02,710 --> 00:27:58,679

and you're like man huh you know what

567

00:28:09,289 --> 00:28:05,750

you really get used to it really really

568

00:28:11,210 --> 00:28:09,299

really quick I haven't experienced the

569

00:28:13,549 --> 00:28:11,220

bad side of it okay

570

00:28:17,029 --> 00:28:13,559

let's see let's go back to here we've

571

00:28:20,390 --> 00:28:17,039

got Aaron Baka Aaron says Jimmy

572

00:28:23,269 --> 00:28:20,400

what would be your top tour stops on a

573

00:28:27,529 --> 00:28:23,279

road trip around the USA Top tour spots

574

00:28:28,130 --> 00:28:27,539

top top tour for UFOs

575

00:28:31,870 --> 00:28:28,140

um

576

00:28:36,169 --> 00:28:34,730

ah I would I would want to experience

577

00:28:39,710 --> 00:28:36,179

some of the stuff that I said I would

578

00:28:46,130 --> 00:28:43,130

yeah Waverly would be a tour stop

579

00:28:49,789 --> 00:28:46,140

skin walker Ranch tour stop

580

00:28:51,950 --> 00:28:49,799

Four Corners crestone uh Colorado uh

581

00:28:53,810 --> 00:28:51,960

tour stop

582

00:28:56,750 --> 00:28:53,820

um uh

583

00:29:00,549 --> 00:28:56,760

uh let's see

584

00:29:02,630 --> 00:29:00,559

um I've been to most of the other places

585

00:29:04,430 --> 00:29:02,640

but those would be pretty good tour

586

00:29:07,669 --> 00:29:04,440

stops now cities

587

00:29:09,710 --> 00:29:07,679

now let's go over cities

588

00:29:12,890 --> 00:29:09,720

um um I mean I would like to see the

589

00:29:15,230 --> 00:29:12,900

Ohio penitentiary from uh

590

00:29:16,070 --> 00:29:15,240

um okay so anyway

591

00:29:19,370 --> 00:29:16,080

um

592

00:29:27,710 --> 00:29:22,789

Chicago Indianapolis Detroit

593

00:29:29,269 --> 00:29:27,720

uh Louisville Nashville Memphis

594

00:29:32,090 --> 00:29:29,279

um St Louis

595

00:29:33,710 --> 00:29:32,100

uh Kansas City

596

00:29:35,590 --> 00:29:33,720

um Milwaukee

597

00:29:38,029 --> 00:29:35,600

uh Des Moines

598

00:29:40,970 --> 00:29:38,039

uh Atlanta

599

00:29:43,130 --> 00:29:40,980

Charlotte uh New York City of course

600

00:29:46,549 --> 00:29:43,140

Manhattan

601  
00:29:53,110 --> 00:29:50,870  
um oh I said Atlanta of of course Miami

602  
00:29:57,950 --> 00:29:53,120  
uh uh

603  
00:30:02,570 --> 00:29:57,960  
Nolan's uh Dallas Houston El Paso

604  
00:30:10,130 --> 00:30:06,769  
uh Albuquerque Roswell

605  
00:30:12,769 --> 00:30:10,140  
uh Boulder Colorado

606  
00:30:15,710 --> 00:30:12,779  
um Phoenix which would include like

607  
00:30:20,269 --> 00:30:17,510  
um and then up and down the coast here

608  
00:30:23,510 --> 00:30:20,279  
Portland maybe if they if they ever

609  
00:30:26,330 --> 00:30:23,520  
figure out that City I might go back

610  
00:30:28,789 --> 00:30:26,340  
um Seattle is a maybe if they've figured

611  
00:30:31,789 --> 00:30:28,799  
out oh Devil's Tower

612  
00:30:34,250 --> 00:30:31,799  
Devil's Tower I've I've never been there

613  
00:30:36,409 --> 00:30:34,260

I've never been to Devil's Tower

614

00:30:37,909 --> 00:30:36,419

so yeah

615

00:30:43,430 --> 00:30:37,919

uh

616

00:30:47,149 --> 00:30:43,440

there you go that's what I would do all

617

00:30:53,750 --> 00:30:50,389

okay emergent

618

00:30:57,649 --> 00:30:53,760

or fundamental consciousness

619

00:31:07,850 --> 00:31:00,710

um hold on a second here

620

00:31:07,860 --> 00:31:12,710

um this is um

621

00:31:12,720 --> 00:31:19,990

this is good I like this

622

00:31:20,000 --> 00:31:30,549

oh really

623

00:31:36,049 --> 00:31:34,610

yes exactly Okay so

624

00:31:41,510 --> 00:31:36,059

uh

625

00:31:41,520 --> 00:31:45,529

um

626  
00:31:53,810 --> 00:31:49,310  
I'm going to say

627  
00:31:57,350 --> 00:31:55,070  
yeah

628  
00:32:03,590 --> 00:31:57,360  
okay

629  
00:32:03,600 --> 00:32:07,850  
it's my take

630  
00:32:13,490 --> 00:32:10,549  
that it's a little bit of both

631  
00:32:15,649 --> 00:32:13,500  
I don't think it's one extreme or the

632  
00:32:20,289 --> 00:32:15,659  
other

633  
00:32:25,850 --> 00:32:23,630  
is your personality is your soul is your

634  
00:32:27,470 --> 00:32:25,860  
Consciousness is who you are is it

635  
00:32:28,389 --> 00:32:27,480  
because of

636  
00:32:30,289 --> 00:32:28,399  
the

637  
00:32:32,269 --> 00:32:30,299  
environment

638  
00:32:35,149 --> 00:32:32,279

around you or is it something that

639

00:32:38,330 --> 00:32:35,159

develops over time is it something that

640

00:32:41,630 --> 00:32:38,340

is already there and doesn't change over

641

00:32:43,490 --> 00:32:41,640

time are you who you are and and so

642

00:32:45,950 --> 00:32:43,500

there's there are a few different ways

643

00:32:48,409 --> 00:32:45,960

to look at it and and I'm not this isn't

644

00:32:50,630 --> 00:32:48,419

a cop-out

645

00:32:53,690 --> 00:32:50,640

um I do believe

646

00:32:56,090 --> 00:32:53,700

thou humans and and sentient animals and

647

00:32:58,310 --> 00:32:56,100

things of course we can see we can feel

648

00:33:00,169 --> 00:32:58,320

the love and the Consciousness that is

649

00:33:02,990 --> 00:33:00,179

there right

650

00:33:07,970 --> 00:33:03,000

okay the sadness the happiness

651  
00:33:19,970 --> 00:33:09,889  
it's in

652  
00:33:22,789 --> 00:33:19,980  
and I know this sounds crazy

653  
00:33:25,090 --> 00:33:22,799  
but

654  
00:33:27,409 --> 00:33:25,100  
um if

655  
00:33:29,990 --> 00:33:27,419  
there just may be a little bit of

656  
00:33:32,870 --> 00:33:30,000  
Consciousness in in all particles

657  
00:33:34,310 --> 00:33:32,880  
but I think that it also exists outside

658  
00:33:37,610 --> 00:33:34,320  
of the body

659  
00:33:41,930 --> 00:33:37,620  
as well and if it exists outside of the

660  
00:33:43,549 --> 00:33:41,940  
body is it already entering you

661  
00:33:45,769 --> 00:33:43,559  
fully

662  
00:33:48,769 --> 00:33:45,779  
what it is

663  
00:33:52,190 --> 00:33:48,779

that there isn't anything emergent

664

00:33:55,070 --> 00:33:52,200

right so it's it's kind of it's kind of

665

00:33:58,549 --> 00:33:55,080

I think it's kind of a mix of both

666

00:34:02,930 --> 00:33:58,559

you know and because we can't

667

00:34:06,289 --> 00:34:02,940

um observe or measure at least not yet

668

00:34:11,230 --> 00:34:06,299

nobody really knows

669

00:34:14,089 --> 00:34:11,240

but I think part of the answer is when

670

00:34:16,909 --> 00:34:14,099

you yell at your car

671

00:34:21,290 --> 00:34:16,919

I've said this a million times

672

00:34:23,869 --> 00:34:21,300

slap your car and call it a name I mean

673

00:34:25,970 --> 00:34:23,879

put a dent in it kick it and call it a

674

00:34:29,629 --> 00:34:25,980

name see if it starts for you the next

675

00:34:33,409 --> 00:34:31,669

I'm just saying

676

00:34:34,430 --> 00:34:33,419

see if you don't get a flat tire on the

677

00:34:35,990 --> 00:34:34,440

way to work

678

00:34:39,889 --> 00:34:36,000

yeah

679

00:34:42,589 --> 00:34:39,899

it's it's kind of weird

680

00:34:43,849 --> 00:34:42,599

it's kind of weird so yeah uh I think

681

00:34:48,409 --> 00:34:43,859

it's a mix of both

682

00:34:50,869 --> 00:34:48,419

let's see I'm not reading these in

683

00:34:54,190 --> 00:34:50,879

advance genocide what are your thoughts

684

00:34:56,930 --> 00:34:54,200

on the UFO phenomenon being Ultra

685

00:34:59,570 --> 00:34:56,940

terrestrials well

686

00:35:02,089 --> 00:34:59,580

of course the answer is yes

687

00:35:05,210 --> 00:35:02,099

but not all of them

688

00:35:07,310 --> 00:35:05,220

no not all of them

689

00:35:08,870 --> 00:35:07,320

um there's there's

690

00:35:12,290 --> 00:35:08,880

we

691

00:35:14,270 --> 00:35:12,300

I was listening to a presentation the

692

00:35:15,770 --> 00:35:14,280

other night on the Drake equation the

693

00:35:17,930 --> 00:35:15,780

new version of the Drake equation I

694

00:35:19,550 --> 00:35:17,940

forget the name of the professor that

695

00:35:21,890 --> 00:35:19,560

has modified it

696

00:35:23,089 --> 00:35:21,900

um it's got a new name but anyway so I'm

697

00:35:27,109 --> 00:35:23,099

listening to this

698

00:35:28,910 --> 00:35:27,119

and the original Drake equation with the

699

00:35:32,510 --> 00:35:28,920

numbers that were plugged into it back

700

00:35:34,550 --> 00:35:32,520

in the late 50s the number that was spit

701  
00:35:38,410 --> 00:35:34,560  
out

702  
00:35:41,930 --> 00:35:38,420  
of the Drake equation was ten thousand

703  
00:35:44,530 --> 00:35:41,940  
ten thousand

704  
00:35:48,550 --> 00:35:44,540  
Advance extraterrestrial civilizations

705  
00:35:51,770 --> 00:35:50,210  
now

706  
00:35:53,510 --> 00:35:51,780  
um with the new version of the Drake

707  
00:35:55,190 --> 00:35:53,520  
equation because back then we we didn't

708  
00:35:57,650 --> 00:35:55,200  
know anything we didn't know anything

709  
00:35:59,930 --> 00:35:57,660  
about the Milky Way you know what we

710  
00:36:03,470 --> 00:35:59,940  
knew about the Milky Way our own Galaxy

711  
00:36:05,150 --> 00:36:03,480  
uh back you know when when Fermi and

712  
00:36:06,710 --> 00:36:05,160  
Drake uh were having all these

713  
00:36:08,510 --> 00:36:06,720

conversations you know what we knew

714

00:36:13,390 --> 00:36:08,520

nothing

715

00:36:19,370 --> 00:36:16,250

everything else man

716

00:36:21,109 --> 00:36:19,380

good Lord we have come so far in the

717

00:36:25,010 --> 00:36:21,119

last 70 years

718

00:36:28,430 --> 00:36:25,020

80 years and now

719

00:36:30,890 --> 00:36:28,440

the the basics of the basics I mean to

720

00:36:33,230 --> 00:36:30,900

get to the number 10 000 and the Drake

721

00:36:37,210 --> 00:36:33,240

equation you're literally plugging in

722

00:36:40,670 --> 00:36:37,220

one in two and ten and fifth

723

00:36:43,190 --> 00:36:40,680

now the numbers that you have to plug in

724

00:36:45,170 --> 00:36:43,200

are in the trillions

725

00:36:46,730 --> 00:36:45,180

just for our Milky Way

726  
00:36:54,349 --> 00:36:46,740  
trillions

727  
00:36:57,170 --> 00:36:54,359  
now that are coming out of the Drake

728  
00:36:59,150 --> 00:36:57,180  
equation are insane

729  
00:37:01,490 --> 00:36:59,160  
so where where does that lead me with

730  
00:37:02,710 --> 00:37:01,500  
ultra terrestrials

731  
00:37:06,190 --> 00:37:02,720  
all right

732  
00:37:09,710 --> 00:37:06,200  
there the amount

733  
00:37:12,530 --> 00:37:09,720  
of advanced extraterrestrial

734  
00:37:14,690 --> 00:37:12,540  
civilizations that are aware of planet

735  
00:37:17,089 --> 00:37:14,700  
Earth and that have been here the amount

736  
00:37:19,670 --> 00:37:17,099  
is a number that

737  
00:37:20,750 --> 00:37:19,680  
it's too big to even say I don't know I

738  
00:37:23,870 --> 00:37:20,760

don't even know if you could wrap your

739

00:37:26,750 --> 00:37:23,880

head around it the amount of um Advanced

740

00:37:29,390 --> 00:37:26,760

extraterrestrial civilizations that are

741

00:37:31,329 --> 00:37:29,400

aware of planet Earth and the life that

742

00:37:34,370 --> 00:37:31,339

is here right now

743

00:37:35,630 --> 00:37:34,380

I would say if I was going to pull a

744

00:37:38,870 --> 00:37:35,640

number out

745

00:37:42,290 --> 00:37:38,880

I would say

746

00:37:43,490 --> 00:37:42,300

at least 100 billion

747

00:37:46,069 --> 00:37:43,500

yeah

748

00:37:49,069 --> 00:37:46,079

100 billion

749

00:37:50,089 --> 00:37:49,079

it's it's that crazy it's that big of a

750

00:37:52,010 --> 00:37:50,099

number

751  
00:37:56,270 --> 00:37:52,020  
and so if we're going to stretch it out

752  
00:37:58,970 --> 00:37:56,280  
like out of that a percentage a tenth of

753  
00:38:02,870 --> 00:37:58,980  
a percent a hundredth of a percent that

754  
00:38:05,170 --> 00:38:02,880  
have visited this planet a thousandth of

755  
00:38:07,550 --> 00:38:05,180  
a percent you're still dealing with

756  
00:38:11,089 --> 00:38:07,560  
hundreds of Millions

757  
00:38:13,609 --> 00:38:11,099  
so out of that how many would be ultra

758  
00:38:15,950 --> 00:38:13,619  
terrestrials ah man it's it's it's it's

759  
00:38:19,250 --> 00:38:15,960  
it's Millions

760  
00:38:21,710 --> 00:38:19,260  
you know but but that's a small fraction

761  
00:38:25,010 --> 00:38:21,720  
of everything else

762  
00:38:26,990 --> 00:38:25,020  
right are there actual physical not

763  
00:38:29,690 --> 00:38:27,000

Ultra terrestrials are there actual

764

00:38:32,170 --> 00:38:29,700  
physical dudes and dudettes in

765

00:38:35,930 --> 00:38:32,180  
spacecraft flying around

766

00:38:37,550 --> 00:38:35,940  
and and and cruise yes

767

00:38:45,770 --> 00:38:37,560  
a lot

768

00:38:48,470 --> 00:38:45,780  
point is it's just a numbers game the

769

00:38:51,050 --> 00:38:48,480  
number is so big

770

00:38:55,250 --> 00:38:51,060  
you know and when we

771

00:38:57,109 --> 00:38:55,260  
um when we really look at uh we just

772

00:38:58,730 --> 00:38:57,119  
said you know fundamental let's go back

773

00:39:01,910 --> 00:38:58,740  
to the fundamental if we go back to the

774

00:39:05,030 --> 00:39:01,920  
basics the fundamental basics

775

00:39:07,190 --> 00:39:05,040  
and we look at the size of the Milky Way

776

00:39:09,170 --> 00:39:07,200

which is a hundred and fifty thousand

777

00:39:11,810 --> 00:39:09,180

light years across

778

00:39:14,770 --> 00:39:11,820

it's actually bigger but let's just go

779

00:39:17,870 --> 00:39:14,780

with that around 150

780

00:39:20,630 --> 00:39:17,880

thousand light years across it would

781

00:39:23,390 --> 00:39:20,640

take you 150 000 years at the speed of

782

00:39:25,910 --> 00:39:23,400

light 150

783

00:39:28,370 --> 00:39:25,920

000 years at the speed of light just to

784

00:39:33,290 --> 00:39:28,380

go across our Milky Way

785

00:39:35,750 --> 00:39:33,300

edge to edge our Milky Way is just a

786

00:39:37,490 --> 00:39:35,760

tiny little speck of nothing in the

787

00:39:41,089 --> 00:39:37,500

universe

788

00:39:43,130 --> 00:39:41,099

there are literally trillions of us

789

00:39:48,290 --> 00:39:43,140

and there's already in our Milky Way

790

00:39:51,410 --> 00:39:48,300

trillions of other things it's that big

791

00:39:53,630 --> 00:39:51,420

it's huge then that you don't you don't

792

00:39:56,270 --> 00:39:53,640

you don't understand

793

00:39:58,670 --> 00:39:56,280

how much is out there you don't

794

00:40:00,770 --> 00:39:58,680

today we are starting to wrap our head

795

00:40:04,250 --> 00:40:00,780

around that so when you get into a

796

00:40:07,609 --> 00:40:04,260

question like this I'm telling you when

797

00:40:10,430 --> 00:40:07,619

we get into probabilities and how

798

00:40:11,990 --> 00:40:10,440

anything is possible this that's where

799

00:40:16,190 --> 00:40:12,000

this comes into play

800

00:40:18,530 --> 00:40:16,200

it's all possible and and and probable

801  
00:40:21,290 --> 00:40:18,540  
and has happened

802  
00:40:24,530 --> 00:40:21,300  
yeah okay let's move on

803  
00:40:25,490 --> 00:40:24,540  
the uh another version of that

804  
00:40:34,430 --> 00:40:25,500  
um

805  
00:40:36,710 --> 00:40:34,440  
big the universe is when I talk about

806  
00:40:38,530 --> 00:40:36,720  
numbers

807  
00:40:41,930 --> 00:40:38,540  
this right here

808  
00:40:44,690 --> 00:40:41,940  
this me whatever you know I'll pick up

809  
00:40:47,690 --> 00:40:44,700  
this drum machine right whatever those

810  
00:40:51,290 --> 00:40:47,700  
extra headphones over there this can of

811  
00:40:54,650 --> 00:40:51,300  
uh deoxite fader cleaner that's actually

812  
00:40:55,910 --> 00:40:54,660  
called look it says fader you see that

813  
00:41:03,290 --> 00:40:55,920

fader

814

00:41:05,290 --> 00:41:03,300

this right here is a collection of

815

00:41:07,010 --> 00:41:05,300

particles

816

00:41:10,370 --> 00:41:07,020

atoms

817

00:41:12,890 --> 00:41:10,380

right and there's only so many a part of

818

00:41:16,370 --> 00:41:12,900

and they combine a certain way and

819

00:41:20,990 --> 00:41:16,380

that's it but it's not infinite

820

00:41:23,930 --> 00:41:21,000

so when I say it's a numbers game

821

00:41:25,849 --> 00:41:23,940

this is manufactured in a factory here

822

00:41:29,109 --> 00:41:25,859

on planet Earth right

823

00:41:32,450 --> 00:41:29,119

fader I love that stuff deoxit fader

824

00:41:35,990 --> 00:41:32,460

it's manufactured in a factory

825

00:41:38,450 --> 00:41:36,000

but it's a numbers game so

826

00:41:42,230 --> 00:41:38,460

particles only combine so many different

827

00:41:44,930 --> 00:41:42,240

ways there are versions of this

828

00:41:46,609 --> 00:41:44,940

floating out in space

829

00:41:47,390 --> 00:41:46,619

or particles that have just come

830

00:41:50,329 --> 00:41:47,400

together

831

00:41:53,150 --> 00:41:50,339

in the same exact fashion somewhere out

832

00:41:55,069 --> 00:41:53,160

there probably infinite amounts of them

833

00:41:57,829 --> 00:41:55,079

actually

834

00:41:59,390 --> 00:41:57,839

um that's it it's just a numbers game I

835

00:42:00,710 --> 00:41:59,400

don't know how many versions of me are

836

00:42:04,550 --> 00:42:00,720

out there

837

00:42:08,630 --> 00:42:04,560

I don't or of you or of planet Earth

838

00:42:11,089 --> 00:42:08,640

so it's so big that okay so the odds of

839

00:42:13,010 --> 00:42:11,099

this being made

840

00:42:15,230 --> 00:42:13,020

actually the numbers aren't that big

841

00:42:17,510 --> 00:42:15,240

it's not that big of a number but now

842

00:42:20,089 --> 00:42:17,520

let's go what about planet Earth and all

843

00:42:22,790 --> 00:42:20,099

of the people on it everybody on planet

844

00:42:24,829 --> 00:42:22,800

Earth is there a duplicate of everybody

845

00:42:27,650 --> 00:42:24,839

here yes

846

00:42:32,690 --> 00:42:31,250

so Ultra terrestrials a lot of them

847

00:42:35,150 --> 00:42:32,700

let's move on

848

00:42:38,150 --> 00:42:35,160

all right let's see this is from Audrey

849

00:42:40,190 --> 00:42:38,160

May Jimmy I binged the Cleopatra Series

850

00:42:45,290 --> 00:42:40,200

this weekend it was great

851  
00:42:48,530 --> 00:42:45,300  
did you binge it all I did man you know

852  
00:42:50,630 --> 00:42:48,540  
what I've seen a lot of uh cleopatrists

853  
00:42:53,870 --> 00:42:50,640  
I've seen the original Richard Burton

854  
00:42:55,430 --> 00:42:53,880  
and uh uh Elizabeth Taylor I've seen

855  
00:42:57,650 --> 00:42:55,440  
that one like I don't know how many

856  
00:43:00,890 --> 00:42:57,660  
times I just I love the movie it's so

857  
00:43:03,109 --> 00:43:00,900  
great anyway uh yes

858  
00:43:05,630 --> 00:43:03,119  
um I watched it and I watched episode

859  
00:43:10,790 --> 00:43:05,640  
four twice

860  
00:43:13,609 --> 00:43:10,800  
yeah yeah pretty interesting and I think

861  
00:43:15,530 --> 00:43:13,619  
now I like the way that they put

862  
00:43:17,809 --> 00:43:15,540  
together the history on this and and and

863  
00:43:20,450 --> 00:43:17,819

got the collection of facts together and

864

00:43:23,510 --> 00:43:20,460

how they presented it I think it's it's

865

00:43:25,910 --> 00:43:23,520

it's accurate it's as accurate as

866

00:43:28,730 --> 00:43:25,920

anything that I have uh heard before

867

00:43:32,930 --> 00:43:28,740

though there's one and should I

868

00:43:34,849 --> 00:43:32,940

okay let me I'm Gonna Leave This up for

869

00:43:37,309 --> 00:43:34,859

a second and then I'm going to go to the

870

00:43:41,450 --> 00:43:37,319

end I want everybody

871

00:43:46,970 --> 00:43:45,770

should I give a spoiler on Cleopatra a

872

00:43:48,890 --> 00:43:46,980

small one

873

00:43:52,910 --> 00:43:48,900

are you guys okay with it

874

00:43:55,910 --> 00:43:52,920

just tell me yes are you okay with if

875

00:43:58,370 --> 00:43:55,920

you've seen it it doesn't matter but if

876

00:44:00,589 --> 00:43:58,380

you haven't seen it are you okay with me

877

00:44:02,750 --> 00:44:00,599

doing a spoiler

878

00:44:04,970 --> 00:44:02,760

because there was a really good one

879

00:44:08,630 --> 00:44:04,980

okay so I'm gonna watch I'm gonna watch

880

00:44:09,770 --> 00:44:08,640

the chat that so the discussion uh comes

881

00:44:13,370 --> 00:44:09,780

up

882

00:44:15,770 --> 00:44:13,380

um flying monkeys says yes yes okay you

883

00:44:17,690 --> 00:44:15,780

guys are okay with it Elizabeth Taylor's

884

00:44:19,790 --> 00:44:17,700

arguably one of the most beautiful women

885

00:44:23,510 --> 00:44:19,800

uh ever yeah there's no question about

886

00:44:25,630 --> 00:44:23,520

it okay uh uh it's two thousand years

887

00:44:27,530 --> 00:44:25,640

ago so it's not a spoiler okay all right

888

00:44:30,410 --> 00:44:27,540

is this

889

00:44:32,950 --> 00:44:30,420

all right that um

890

00:44:35,750 --> 00:44:32,960

if we

891

00:44:39,849 --> 00:44:35,760

uh look at what history has been trying

892

00:44:43,270 --> 00:44:39,859

to do which is trying to find

893

00:44:47,230 --> 00:44:43,280

uh Cleopatra's tomb

894

00:44:50,870 --> 00:44:47,240

and this has been going on for a while

895

00:44:53,569 --> 00:44:50,880

Alexander's tomb right okay Anthony's

896

00:44:56,030 --> 00:44:53,579

tomb where are these tombs at

897

00:44:58,130 --> 00:44:56,040

and

898

00:44:59,270 --> 00:44:58,140

haven't been able to find it

899

00:45:02,990 --> 00:44:59,280

all right

900

00:45:05,390 --> 00:45:03,000

would we uh find it

901  
00:45:07,130 --> 00:45:05,400  
I don't know why haven't we found it

902  
00:45:08,630 --> 00:45:07,140  
again I don't know I don't have the

903  
00:45:10,970 --> 00:45:08,640  
answers to these things

904  
00:45:15,530 --> 00:45:10,980  
but

905  
00:45:19,849 --> 00:45:15,540  
they gave a little hint in this

906  
00:45:22,010 --> 00:45:19,859  
and I thought it was profound

907  
00:45:26,150 --> 00:45:22,020  
and that is

908  
00:45:30,890 --> 00:45:29,030  
no she's not in a tomb

909  
00:45:35,450 --> 00:45:30,900  
they floated or

910  
00:45:39,890 --> 00:45:35,460  
out to sea did a floating funeral pyre

911  
00:45:39,900 --> 00:45:46,190  
that's why there's no too

912  
00:45:46,200 --> 00:45:51,890  
that makes an awful lot of sense

913  
00:45:57,170 --> 00:45:55,069

and and the reason is you know with what

914

00:46:00,829 --> 00:45:57,180

Rome was doing at that time and what

915

00:46:03,230 --> 00:46:00,839

Cleopatra had done and did

916

00:46:06,670 --> 00:46:03,240

um and remember she had three kids right

917

00:46:17,569 --> 00:46:10,190

you don't want

918

00:46:19,309 --> 00:46:17,579

an uprising they were having a tough

919

00:46:20,750 --> 00:46:19,319

enough time

920

00:46:22,490 --> 00:46:20,760

um with Egypt

921

00:46:26,150 --> 00:46:22,500

um and other things that were going on

922

00:46:28,250 --> 00:46:26,160

in the Roman senate and and stuff that

923

00:46:31,609 --> 00:46:28,260

it's best that we take these two and

924

00:46:32,990 --> 00:46:31,619

just eliminate they're not going to have

925

00:46:34,849 --> 00:46:33,000

a tomb they're not going to be buried

926  
00:46:36,170 --> 00:46:34,859  
they're not going to be on land and I

927  
00:46:40,069 --> 00:46:36,180  
thought that

928  
00:46:43,309 --> 00:46:40,079  
that makes an awful lot of sense now is

929  
00:46:45,250 --> 00:46:43,319  
is that the case well

930  
00:46:49,790 --> 00:46:45,260  
um yeah

931  
00:46:50,569 --> 00:46:49,800  
there's a reason why we have poured over

932  
00:46:52,670 --> 00:46:50,579  
um

933  
00:46:55,910 --> 00:46:52,680  
uh uh

934  
00:46:56,930 --> 00:46:55,920  
poured over every single thing that we

935  
00:46:59,329 --> 00:46:56,940  
can

936  
00:47:02,809 --> 00:46:59,339  
we have poured over

937  
00:47:03,770 --> 00:47:02,819  
and and and there has been a lot of uh

938  
00:47:12,010 --> 00:47:03,780

nothing

939

00:47:16,670 --> 00:47:15,109

well we have witnesses testified to

940

00:47:18,650 --> 00:47:16,680

Congress okay I don't know if I've gone

941

00:47:21,050 --> 00:47:18,660

far I do have

942

00:47:23,569 --> 00:47:21,060

man there's a lot of uh a lot of

943

00:47:27,589 --> 00:47:23,579

questions here let me go uh

944

00:47:30,950 --> 00:47:27,599

Jimmy have you ever had a pedicure nope

945

00:47:34,430 --> 00:47:30,960

I have that's literally a question right

946

00:47:38,990 --> 00:47:34,440

there have I ever had a pedicure I have

947

00:47:43,069 --> 00:47:39,000

not ever had uh

948

00:47:46,490 --> 00:47:43,079

okay Jimmy have you watched future man

949

00:47:49,069 --> 00:47:46,500

on Hulu why do I why does that ring a

950

00:47:52,030 --> 00:47:49,079

bell hold on for a second

951  
00:47:55,430 --> 00:47:52,040  
future man Hulu

952  
00:47:56,990 --> 00:47:55,440  
seems like I've seen it let me see what

953  
00:48:04,250 --> 00:47:57,000  
it is

954  
00:48:10,730 --> 00:48:08,750  
uh yeah I have uh I have seen it now I

955  
00:48:13,430 --> 00:48:10,740  
need to go back

956  
00:48:15,710 --> 00:48:13,440  
right right right right right right yes

957  
00:48:18,290 --> 00:48:15,720  
yes yes yes yes I do remember this now

958  
00:48:21,170 --> 00:48:18,300  
that's right Seth Rogue yeah it was it

959  
00:48:23,569 --> 00:48:21,180  
was good yeah I liked future man

960  
00:48:26,329 --> 00:48:23,579  
yeah okay let's see if I've gone back

961  
00:48:28,730 --> 00:48:26,339  
far enough uh Cleopatra do you know what

962  
00:48:30,950 --> 00:48:28,740  
happened uh let's see okay let's see

963  
00:48:31,970 --> 00:48:30,960

this is up next Jessica Rodriguez do you

964

00:48:34,010 --> 00:48:31,980

know what happened to the Knights

965

00:48:35,930 --> 00:48:34,020

Templar series that was supposed to air

966

00:48:41,030 --> 00:48:35,940

on 4bk

967

00:48:48,650 --> 00:48:44,510

um I know too much about I think

968

00:48:51,430 --> 00:48:48,660

I think there might be something on Gaia

969

00:48:59,569 --> 00:48:55,730

man I think I just got myself in trouble

970

00:49:03,410 --> 00:48:59,579

but uh there you go Jessica I don't know

971

00:49:07,670 --> 00:49:03,420

um I I can't comment anymore uh let's

972

00:49:12,710 --> 00:49:09,230

all right

973

00:49:15,290 --> 00:49:12,720

next hides in Long Grass do we have the

974

00:49:16,309 --> 00:49:15,300

witnesses pilots who testified to

975

00:49:19,370 --> 00:49:16,319

Congress

976  
00:49:20,870 --> 00:49:19,380  
you know this is a part of the rumor

977  
00:49:23,210 --> 00:49:20,880  
Central

978  
00:49:27,349 --> 00:49:23,220  
when it comes to

979  
00:49:30,349 --> 00:49:27,359  
uh efology and social media and stuff

980  
00:49:32,329 --> 00:49:30,359  
um so many

981  
00:49:34,250 --> 00:49:32,339  
you know say that they have insiders

982  
00:49:36,890 --> 00:49:34,260  
they know this they know that they know

983  
00:49:38,950 --> 00:49:36,900  
who has testified uh to Congress they

984  
00:49:41,990 --> 00:49:38,960  
know who has talked to Arrow they know

985  
00:49:44,270 --> 00:49:42,000  
you know uh

986  
00:49:46,910 --> 00:49:44,280  
there's only been like two or three

987  
00:49:49,250 --> 00:49:46,920  
names for me

988  
00:49:52,010 --> 00:49:49,260

um I'm not going to say it out loud that

989

00:49:55,670 --> 00:49:52,020

I think probably have because I've heard

990

00:49:58,970 --> 00:49:55,680

them say that they have done it

991

00:50:01,910 --> 00:49:58,980

um but I don't know

992

00:50:04,609 --> 00:50:01,920

um because it's so Hush Hush I don't

993

00:50:07,790 --> 00:50:04,619

know if they are talking to an aide a

994

00:50:11,150 --> 00:50:07,800

staffer of a congressman or a

995

00:50:14,329 --> 00:50:11,160

congressperson or Senator or whatever or

996

00:50:16,609 --> 00:50:14,339

if they've interviewed directly you know

997

00:50:19,569 --> 00:50:16,619

with uh with arrow

998

00:50:23,690 --> 00:50:19,579

or a tip I I

999

00:50:25,849 --> 00:50:23,700

you know so I I don't know and then we

1000

00:50:28,849 --> 00:50:25,859

have this other thing

1001

00:50:31,309 --> 00:50:28,859

um that Greer is doing at the national

1002

00:50:33,890 --> 00:50:31,319

Press Club next month

1003

00:50:35,930 --> 00:50:33,900

it's uh in a few weeks I'm not going to

1004

00:50:36,770 --> 00:50:35,940

attend I've got other stuff that I'm

1005

00:50:39,109 --> 00:50:36,780

doing

1006

00:50:42,050 --> 00:50:39,119

so I'm not going to be there

1007

00:50:43,550 --> 00:50:42,060

who is Greer going to present even

1008

00:50:46,609 --> 00:50:43,560

that's all hush hush I know Michael

1009

00:50:50,870 --> 00:50:46,619

schrat is involved but is he a witness

1010

00:50:54,349 --> 00:50:50,880

or is he just an organizer of the event

1011

00:50:56,450 --> 00:50:54,359

um is you know he's a great archivist so

1012

00:50:59,809 --> 00:50:56,460

is he just getting dated together for

1013

00:51:04,190 --> 00:50:59,819

the presentation but but who is Greer

1014

00:51:06,230 --> 00:51:04,200

gonna parade on stage and are these

1015

00:51:09,589 --> 00:51:06,240

is there going to be a suggestion that

1016

00:51:12,470 --> 00:51:09,599

some of these Witnesses or whoever Greer

1017

00:51:15,890 --> 00:51:12,480

you know puts forward have

1018

00:51:17,930 --> 00:51:15,900

uh talk to somebody in Washington DC

1019

00:51:20,270 --> 00:51:17,940

I keep saying testified you know maybe

1020

00:51:21,349 --> 00:51:20,280

gave a briefing in a classified setting

1021

00:51:31,910 --> 00:51:21,359

I don't know

1022

00:51:33,710 --> 00:51:31,920

how all of this is so hush-hush and

1023

00:51:37,309 --> 00:51:33,720

maybe it's so hush-hush because it's not

1024

00:51:41,569 --> 00:51:38,930

I do not know

1025

00:51:43,010 --> 00:51:41,579

so do we have a list of witnesses no we

1026

00:51:45,589 --> 00:51:43,020

do not

1027

00:51:48,890 --> 00:51:45,599

a couple of names bandied about

1028

00:51:51,950 --> 00:51:48,900

nothing official you know so has

1029

00:51:54,410 --> 00:51:51,960

gillibrand said anything no no as

1030

00:51:55,790 --> 00:51:54,420

anybody in congress any Representatives

1031

00:51:57,890 --> 00:51:55,800

no

1032

00:52:02,390 --> 00:51:57,900

um so it's it's just weird it's weird

1033

00:52:04,790 --> 00:52:02,400

all right next uh let's see this is from

1034

00:52:07,609 --> 00:52:04,800

Lori Bell Jimmy can you pull that

1035

00:52:12,950 --> 00:52:07,619

glittery green guitar off the wall and

1036

00:52:14,990 --> 00:52:12,960

strum a few notes which oh that one

1037

00:52:16,910 --> 00:52:15,000

um oh man

1038

00:52:19,490 --> 00:52:16,920

oh man I don't want this AMA to turn

1039

00:52:20,510 --> 00:52:19,500

into this but this is uh it's a pretty

1040

00:52:23,270 --> 00:52:20,520

cool guitar

1041

00:52:25,010 --> 00:52:23,280

I've had this for a while

1042

00:52:28,690 --> 00:52:25,020

um but there it is yeah isn't it

1043

00:52:32,329 --> 00:52:28,700

beautiful I've been asked Archie

1044

00:52:33,950 --> 00:52:32,339

and uh beautiful guitar

1045

00:52:37,370 --> 00:52:33,960

beautiful guitar

1046

00:52:41,930 --> 00:52:40,490

oh it's yeah it's in tune

1047

00:52:43,230 --> 00:52:41,940

um

1048

00:52:44,569 --> 00:52:43,240

but uh

1049

00:52:47,329 --> 00:52:44,579

[Music]

1050

00:52:49,790 --> 00:52:47,339

it um

1051

00:52:53,390 --> 00:52:49,800

it's just I haven't I haven't set it up

1052

00:52:55,490 --> 00:52:53,400

but man it just looks good this guitar

1053

00:52:57,890 --> 00:52:55,500

um that doesn't that look good doesn't

1054

00:52:58,849 --> 00:52:57,900

that just look good look at that thing

1055

00:53:01,670 --> 00:52:58,859

man

1056

00:53:04,309 --> 00:53:01,680

yeah that thing looks nice okay

1057

00:53:06,890 --> 00:53:04,319

um I was at The NAMM Show one year and

1058

00:53:09,349 --> 00:53:06,900

I'm walking through

1059

00:53:11,690 --> 00:53:09,359

and I'm coming up to this is like 10

1060

00:53:14,630 --> 00:53:11,700

years ago and I'm coming up to the

1061

00:53:16,730 --> 00:53:14,640

Ibanez booth and this was a brand new

1062

00:53:19,010 --> 00:53:16,740

guitar that they had just released I had

1063

00:53:21,530 --> 00:53:19,020

never seen it I saw it from like 100

1064

00:53:22,790 --> 00:53:21,540

yards away and it's hanging there's you

1065

00:53:24,230 --> 00:53:22,800

know there's a hundred guitars hanging

1066

00:53:25,910 --> 00:53:24,240

on this wall but this one's like right

1067

00:53:28,010 --> 00:53:25,920

in the middle and I kept walking

1068

00:53:31,130 --> 00:53:28,020

straight towards it and I walked right

1069

00:53:32,690 --> 00:53:31,140

up to it I went I'm I'm Gonna Get You

1070

00:53:36,589 --> 00:53:32,700

and I did

1071

00:53:38,809 --> 00:53:36,599

so there it is and uh

1072

00:53:41,510 --> 00:53:38,819

there you go all right I'm making this

1073

00:53:47,809 --> 00:53:44,390

kind of weird

1074

00:53:48,650 --> 00:53:47,819

we've got a few green guitars now and I

1075

00:53:53,270 --> 00:53:48,660

didn't

1076  
00:53:56,690 --> 00:53:53,280  
so there you go all right Lori I hope

1077  
00:53:58,030 --> 00:53:56,700  
you enjoyed that it is uh indeed a

1078  
00:54:01,190 --> 00:53:58,040  
beautiful guitar

1079  
00:54:02,690 --> 00:54:01,200  
uh Jessica Rodriguez Jessica only one

1080  
00:54:05,450 --> 00:54:02,700  
question tonight when am I going to

1081  
00:54:08,630 --> 00:54:05,460  
start the news uh

1082  
00:54:10,130 --> 00:54:08,640  
um uh uh when is it going to release I

1083  
00:54:15,170 --> 00:54:10,140  
don't have a release date

1084  
00:54:18,290 --> 00:54:15,180  
you're dealing with networks even uh

1085  
00:54:20,930 --> 00:54:18,300  
with somebody as cool as Gaia

1086  
00:54:24,190 --> 00:54:20,940  
networks are still Networks

1087  
00:54:29,089 --> 00:54:24,200  
I can't figure that stuff out

1088  
00:54:31,010 --> 00:54:29,099

when I I I could be the most famous

1089

00:54:35,650 --> 00:54:31,020

successful and richest person in the

1090

00:54:37,910 --> 00:54:35,660

world if I could figure out TV networks

1091

00:54:42,470 --> 00:54:37,920

their secrets and then write a book

1092

00:54:46,849 --> 00:54:44,569

people that work at the networks know

1093

00:54:51,349 --> 00:54:46,859

the Seekers It's Crazy

1094

00:54:54,910 --> 00:54:51,359

it's a it's a that that is uh

1095

00:54:59,950 --> 00:54:54,920

that is a wacky world okay

1096

00:54:59,960 --> 00:55:06,170

[Music]

1097

00:55:12,650 --> 00:55:08,750

Jimmy

1098

00:55:15,470 --> 00:55:12,660

E.T thinks Close Encounters is a comedy

1099

00:55:17,630 --> 00:55:15,480

your thoughts

1100

00:55:22,790 --> 00:55:20,930

man I I just don't want to sound like

1101

00:55:26,390 --> 00:55:22,800

I'm repeating myself

1102

00:55:29,450 --> 00:55:26,400

when close encounters came out

1103

00:55:31,849 --> 00:55:29,460

and you can you know when it holds up

1104

00:55:35,089 --> 00:55:31,859

today right holds up strong strong movie

1105

00:55:37,970 --> 00:55:35,099

I watch it all the time I do

1106

00:55:40,790 --> 00:55:37,980

um but when it came out and if you go

1107

00:55:43,069 --> 00:55:40,800

back I think it was about 70 when did

1108

00:55:45,530 --> 00:55:43,079

that come out 77

1109

00:55:47,450 --> 00:55:45,540

yes you know right in there

1110

00:55:51,170 --> 00:55:47,460

think about that

1111

00:55:54,290 --> 00:55:51,180

what where is this

1112

00:55:58,069 --> 00:55:54,300

knowledge this concept coming from

1113

00:56:00,349 --> 00:55:58,079

when it comes to Spielberg and and the

1114

00:56:03,230 --> 00:56:00,359

creative team behind that because you

1115

00:56:06,950 --> 00:56:03,240

had Jacques valet of course you had uh

1116

00:56:10,250 --> 00:56:06,960

uh Dr heineck and others that were

1117

00:56:12,370 --> 00:56:10,260

consultants and and where where is this

1118

00:56:13,970 --> 00:56:12,380

coming from

1119

00:56:16,549 --> 00:56:13,980

so

1120

00:56:18,950 --> 00:56:16,559

ET when things Close Encounters as a

1121

00:56:21,470 --> 00:56:18,960

comedy and I understand

1122

00:56:23,089 --> 00:56:21,480

it's pretty funny

1123

00:56:25,630 --> 00:56:23,099

but I don't think so

1124

00:56:30,770 --> 00:56:25,640

I think that version

1125

00:56:33,890 --> 00:56:30,780

of of the story of contact

1126

00:56:36,950 --> 00:56:33,900

that version up there is

1127

00:56:38,809 --> 00:56:36,960

is one of thousands of of contact

1128

00:56:42,770 --> 00:56:38,819

experiences

1129

00:56:47,930 --> 00:56:45,290

I've said it way too many times

1130

00:56:50,510 --> 00:56:47,940

Close Encounters of the Third Kind is a

1131

00:56:52,930 --> 00:56:50,520

documentary there really isn't another

1132

00:56:56,089 --> 00:56:52,940

way to to put it

1133

00:56:58,790 --> 00:56:56,099

now I'll tell you I'll tell you what is

1134

00:57:01,849 --> 00:56:58,800

funny here Mars Attacks

1135

00:57:03,530 --> 00:57:01,859

right man I gotta get a haircut Mars

1136

00:57:08,450 --> 00:57:03,540

Attacks

1137

00:57:09,230 --> 00:57:08,460

um when you see the Martians laugh at

1138

00:57:12,470 --> 00:57:09,240

different

1139

00:57:14,809 --> 00:57:12,480

things about humans and Earth you see

1140

00:57:16,510 --> 00:57:14,819

that that I think is also pretty

1141

00:57:21,530 --> 00:57:16,520

accurate

1142

00:57:24,290 --> 00:57:21,540

I did just like it's it's kind of funny

1143

00:57:25,910 --> 00:57:24,300

where I think we we need to laugh at

1144

00:57:30,170 --> 00:57:25,920

ourselves sometimes

1145

00:57:31,490 --> 00:57:30,180

i i i i yeah yeah that was Mars Attacks

1146

00:57:32,930 --> 00:57:31,500

accurate

1147

00:57:34,670 --> 00:57:32,940

well I don't know if they would come

1148

00:57:38,270 --> 00:57:34,680

from Mars

1149

00:57:41,750 --> 00:57:38,280

yeah so there you go all right let's see

1150

00:57:43,849 --> 00:57:41,760

what's what we got next before I take my

1151  
00:57:47,030 --> 00:57:43,859  
break

1152  
00:57:49,130 --> 00:57:47,040  
okay this is from

1153  
00:57:51,530 --> 00:57:49,140  
Jimmy what are your favorite guitar

1154  
00:57:55,670 --> 00:57:51,540  
strings I use fender

1155  
00:58:03,530 --> 00:57:59,990  
Fender guitar strings why I changed the

1156  
00:58:08,030 --> 00:58:03,540  
strings on them too often to to care

1157  
00:58:10,670 --> 00:58:08,040  
about other strings that's number one

1158  
00:58:12,410 --> 00:58:10,680  
um I've always felt like ah some are

1159  
00:58:15,049 --> 00:58:12,420  
different but a string is a string as a

1160  
00:58:17,630 --> 00:58:15,059  
string there's only so many string

1161  
00:58:19,490 --> 00:58:17,640  
factories in the world

1162  
00:58:22,010 --> 00:58:19,500  
and they're all they're all like in

1163  
00:58:26,030 --> 00:58:22,020

Switzerland so the stuff comes over on

1164

00:58:28,549 --> 00:58:26,040

big things and and and they you know to

1165

00:58:29,510 --> 00:58:28,559

manufacture guitar strings is it that's

1166

00:58:37,309 --> 00:58:29,520

a

1167

00:58:38,750 --> 00:58:37,319

they wound how they put together string

1168

00:58:40,609 --> 00:58:38,760

winders and all of that that's a

1169

00:58:43,849 --> 00:58:40,619

different story altogether but

1170

00:58:45,410 --> 00:58:43,859

I change them too often to to care I've

1171

00:58:50,270 --> 00:58:45,420

always got fresh strength so everything

1172

00:58:53,750 --> 00:58:50,280

in here is new why because Fender sends

1173

00:58:57,589 --> 00:58:53,760

me boxes of strings over there I've got

1174

00:59:00,589 --> 00:58:57,599

four giant boxes of guitar strings right

1175

00:59:02,690 --> 00:59:00,599

over there and so

1176

00:59:05,450 --> 00:59:02,700

that's it so fender

1177

00:59:08,630 --> 00:59:05,460

Fender man I know that I I used to do

1178

00:59:11,569 --> 00:59:08,640

you know slinkies and elixir and and

1179

00:59:12,890 --> 00:59:11,579

whatever strings over the years Dean

1180

00:59:15,230 --> 00:59:12,900

Markley

1181

00:59:19,670 --> 00:59:15,240

ah they always sounded kind of the same

1182

00:59:21,230 --> 00:59:19,680

to me so it was never a big deal all

1183

00:59:23,750 --> 00:59:21,240

right uh

1184

00:59:26,870 --> 00:59:23,760

uh let's see here uh you know what let's

1185

00:59:32,329 --> 00:59:30,470

a break I'll be right back

1186

00:59:34,609 --> 00:59:32,339

this is Jimmy Church you Fade to Black

1187

00:59:36,890 --> 00:59:34,619

please visit all of our sponsors we're

1188

00:59:38,630 --> 00:59:36,900

taking a quick break here all of the

1189

00:59:40,809 --> 00:59:38,640

links are below

1190

00:59:45,349 --> 00:59:40,819

and we'll be right back

1191

00:59:47,809 --> 00:59:45,359

join us November 10th 11th and 12th 2023

1192

00:59:50,450 --> 00:59:47,819

as disclosure Fest foundation and Fade

1193

00:59:53,030 --> 00:59:50,460

to Black radio presents Stairway To the

1194

00:59:55,430 --> 00:59:53,040

Stars a human Origins Science and

1195

00:59:58,490 --> 00:59:55,440

Technology Expo live at the Luxor Hotel

1196

01:00:00,770 --> 00:59:58,500

and Casino and the Las Vegas Strip with

1197

01:00:02,750 --> 01:00:00,780

live talks lectures and workshops by

1198

01:00:04,910 --> 01:00:02,760

World Acclaim researchers and authors

1199

01:00:07,430 --> 01:00:04,920

this is Jimmy Church by the way and I'll

1200

01:00:09,710 --> 01:00:07,440

be your host all weekend long featuring

1201  
01:00:11,870 --> 01:00:09,720  
topics like human Origins ancient

1202  
01:00:14,809 --> 01:00:11,880  
Technologies indigenous teachings

1203  
01:00:17,150 --> 01:00:14,819  
workshops a mass meditation yoga and

1204  
01:00:19,910 --> 01:00:17,160  
sound healing music and so much more

1205  
01:00:22,789 --> 01:00:19,920  
don't miss our intimate sky watch and

1206  
01:00:25,670 --> 01:00:22,799  
meteor shower over the infamous Area 51

1207  
01:00:27,410 --> 01:00:25,680  
airspace in Rachel Nevada with a special

1208  
01:00:29,690 --> 01:00:27,420  
surprise celebrity host guiding us

1209  
01:00:33,589 --> 01:00:29,700  
through the night also introducing our

1210  
01:00:35,809 --> 01:00:33,599  
disclosure Fest VR Starship area with

1211  
01:00:38,569 --> 01:00:35,819  
dozens of rides you've gotta check it

1212  
01:00:40,069 --> 01:00:38,579  
out this event will sell out for more

1213  
01:00:43,370 --> 01:00:40,079

information and tickets Please visit

1214

01:00:46,130 --> 01:00:43,380

disclosure fest.org this is Jimmy church

1215

01:00:49,730 --> 01:00:46,140

and I want to introduce you to lifewaves

1216

01:00:52,190 --> 01:00:49,740

x39 Stem Cell Activation patch which has

1217

01:00:55,069 --> 01:00:52,200

totally transformed my health my sleep

1218

01:00:57,770 --> 01:00:55,079

brain and my eyes I no longer need

1219

01:00:59,809 --> 01:00:57,780

reading glasses x39 is a true

1220

01:01:04,010 --> 01:00:59,819

breakthrough in regenerative science

1221

01:01:06,589 --> 01:01:04,020

using light x-39's patented age reversal

1222

01:01:08,569 --> 01:01:06,599

Technologies clinically proven to Signal

1223

01:01:10,849 --> 01:01:08,579

the activation of younger stem cells

1224

01:01:14,089 --> 01:01:10,859

accelerating the body's natural healing

1225

01:01:16,370 --> 01:01:14,099

process x39 promotes restoration and

1226  
01:01:18,829 --> 01:01:16,380  
Rejuvenation bringing the life-changing

1227  
01:01:21,109 --> 01:01:18,839  
benefits that I've experienced by

1228  
01:01:24,289 --> 01:01:21,119  
naturally elevating a master signaling

1229  
01:01:26,990 --> 01:01:24,299  
peptide in the body x39 boosts Vitality

1230  
01:01:29,930 --> 01:01:27,000  
health and wellness and resets 4 000

1231  
01:01:32,510 --> 01:01:29,940  
genes to a younger healthier State it's

1232  
01:01:36,250 --> 01:01:32,520  
one patch once a day and you can turn

1233  
01:01:39,650 --> 01:01:36,260  
back time with x-39 just go to

1234  
01:01:41,349 --> 01:01:39,660  
healingworksnow.com that's works with an

1235  
01:01:44,750 --> 01:01:41,359  
X healing

1236  
01:01:47,030 --> 01:01:44,760  
worksnow.com hey everybody it's Billy

1237  
01:01:48,950 --> 01:01:47,040  
Carson also known as Forbidden Knowledge

1238  
01:01:51,770 --> 01:01:48,960

I want to talk to you about a very

1239

01:01:54,589 --> 01:01:51,780

special event coming up July 30th 2023

1240

01:01:55,970 --> 01:01:54,599

The Forbidden conscious Awards we're

1241

01:01:57,589 --> 01:01:55,980

going to honor people who have been

1242

01:01:59,930 --> 01:01:57,599

contributing to the conscious Community

1243

01:02:01,549 --> 01:01:59,940

for decades people that you know and

1244

01:02:03,470 --> 01:02:01,559

love that have helped you get to higher

1245

01:02:05,030 --> 01:02:03,480

levels of thought and Consciousness and

1246

01:02:07,130 --> 01:02:05,040

awareness it's going to be alive

1247

01:02:08,630 --> 01:02:07,140

in-person event but seats are going to

1248

01:02:10,309 --> 01:02:08,640

sell out very fast you want to make sure

1249

01:02:12,349 --> 01:02:10,319

you're there in person and guess what

1250

01:02:14,329 --> 01:02:12,359

you can help vote for the winners voting

1251  
01:02:16,250 --> 01:02:14,339  
is available on forbiddenknowledge.com

1252  
01:02:18,890 --> 01:02:16,260  
and the categories are going to be

1253  
01:02:21,410 --> 01:02:18,900  
social media influencer podcast slash

1254  
01:02:23,450 --> 01:02:21,420  
radio host TV host actor director

1255  
01:02:25,190 --> 01:02:23,460  
producer entrepreneurs health and

1256  
01:02:27,650 --> 01:02:25,200  
wellness philanthropists authors field

1257  
01:02:29,450 --> 01:02:27,660  
researchers archaeologists space anomaly

1258  
01:02:32,270 --> 01:02:29,460  
hunters and of course a Lifetime

1259  
01:02:34,130 --> 01:02:32,280  
Achievement Award I'll be your key note

1260  
01:02:36,109 --> 01:02:34,140  
speaker that night at The Forbidden

1261  
01:02:38,450 --> 01:02:36,119  
conscious Awards we have celebrity

1262  
01:02:40,010 --> 01:02:38,460  
guests performing we'll have a halftime

1263  
01:02:41,750 --> 01:02:40,020

show where we're actually going to

1264

01:02:44,329 --> 01:02:41,760

perform music for you and don't forget

1265

01:02:46,250 --> 01:02:44,339

about the pre-event mixer where if you

1266

01:02:48,230 --> 01:02:46,260

buy a box seat you'll be in the VIP

1267

01:02:50,870 --> 01:02:48,240

section and you also have private access

1268

01:02:53,990 --> 01:02:50,880

to a big-ip mixer with celebrity guests

1269

01:02:55,730 --> 01:02:54,000

shake hands break bread Network and then

1270

01:02:57,650 --> 01:02:55,740

walk the red carpet with us and take

1271

01:02:58,910 --> 01:02:57,660

amazing photos it's going to be a night

1272

01:03:01,130 --> 01:02:58,920

to remember you don't want to forget

1273

01:03:02,750 --> 01:03:01,140

this make sure you hurry up and get your

1274

01:03:05,210 --> 01:03:02,760

tickets because you're selling out very

1275

01:03:06,980 --> 01:03:05,220

fast I want to see you there forbidden

1276

01:03:10,609 --> 01:03:06,990

conscious Awards 2023

1277

01:03:14,030 --> 01:03:10,619

[Music]

1278

01:03:16,849 --> 01:03:14,040

River Moon coffee makers of the Fade to

1279

01:03:18,670 --> 01:03:16,859

Black blend truly the best coffee on

1280

01:03:20,930 --> 01:03:18,680

planet Earth just visit

1281

01:03:22,789 --> 01:03:20,940

rivermoonwellness.com or or their Amazon

1282

01:03:24,230 --> 01:03:22,799

store it's all simple to do you can

1283

01:03:26,270 --> 01:03:24,240

check out the Fade to Black blend the

1284

01:03:28,970 --> 01:03:26,280

game changer Blend or any of their black

1285

01:03:32,750 --> 01:03:28,980

moon wellness products it's the only

1286

01:03:38,510 --> 01:03:32,760

coffee I drink it is the best and it's

1287

01:03:42,109 --> 01:03:40,789

all right Welcome Back Fade to Black I'm

1288

01:03:45,230 --> 01:03:42,119

your assuming church tonight we're doing

1289

01:03:47,510 --> 01:03:45,240

an AMA our guest tonight uh that was

1290

01:03:50,569 --> 01:03:47,520

scheduled Jerome Clark oh man I was so

1291

01:03:53,089 --> 01:03:50,579

looking forward uh to finally having uh

1292

01:03:55,430 --> 01:03:53,099

Jerry on the show but had some internet

1293

01:03:59,329 --> 01:03:55,440

issues that we just couldn't get

1294

01:04:03,170 --> 01:03:59,339

resolved and uh so here we are Show Must

1295

01:04:05,870 --> 01:04:03,180

Go On so we're doing uh um an AMA which

1296

01:04:09,710 --> 01:04:05,880

I normally uh schedule uh once a month

1297

01:04:13,549 --> 01:04:09,720

anyway so our once a month AMA is now

1298

01:04:16,970 --> 01:04:13,559

tonight by the way there it is LightWave

1299

01:04:19,910 --> 01:04:16,980

life wave x39

1300

01:04:21,190 --> 01:04:19,920

um incredible look look look look look

1301

01:04:24,250 --> 01:04:21,200

look

1302

01:04:27,589 --> 01:04:24,260

there's another one there's a c c

1303

01:04:31,190 --> 01:04:27,599

and that's it it's just a patch

1304

01:04:34,789 --> 01:04:31,200

just a patch like this right goes on

1305

01:04:37,789 --> 01:04:34,799

right on the back of my neck and it's

1306

01:04:40,250 --> 01:04:37,799

just incredible I haven't worn glasses

1307

01:04:45,289 --> 01:04:40,260

now since February

1308

01:04:51,589 --> 01:04:47,930

I'm like healthy all right uh tonight

1309

01:04:53,329 --> 01:04:51,599

we're doing an AMA and uh let's see

1310

01:04:57,589 --> 01:04:53,339

where do we leave off

1311

01:05:00,470 --> 01:04:57,599

uh please have Ross Kohler uh back on uh

1312

01:05:03,950 --> 01:05:00,480

again yes I love Ross

1313

01:05:07,670 --> 01:05:03,960

I love Ross there there's some his

1314

01:05:10,609 --> 01:05:07,680

um his book is really good by the way

1315

01:05:13,970 --> 01:05:10,619

um the uh

1316

01:05:16,490 --> 01:05:13,980

um and and if you haven't uh read uh his

1317

01:05:18,470 --> 01:05:16,500

book and the documentary is okay uh you

1318

01:05:21,650 --> 01:05:18,480

know from the book the book is very

1319

01:05:24,170 --> 01:05:21,660

in-depth and his he's he's got he's got

1320

01:05:26,150 --> 01:05:24,180

connections he's got connections and

1321

01:05:29,270 --> 01:05:26,160

there's so much going on right now so I

1322

01:05:30,950 --> 01:05:29,280

wouldn't mind picking Ross's brain I

1323

01:05:32,030 --> 01:05:30,960

know that we're booked up over the next

1324

01:05:34,430 --> 01:05:32,040

month

1325

01:05:35,990 --> 01:05:34,440

um but I'll see what I can do I'll see

1326

01:05:39,750 --> 01:05:36,000

what I can do I would like to get Ross

1327

01:05:41,049 --> 01:05:39,760

back on the show let's see this is from

1328

01:05:44,089 --> 01:05:41,059

[Music]

1329

01:05:46,370 --> 01:05:44,099

Leah Leah Knox uh what are your thoughts

1330

01:05:52,069 --> 01:05:46,380

on the akashic records and that's a

1331

01:05:58,010 --> 01:05:54,530

I think it all stems back for me uh back

1332

01:06:01,430 --> 01:05:58,020

to uh Consciousness and Consciousness

1333

01:06:04,130 --> 01:06:01,440

existing outside of the body that um you

1334

01:06:06,770 --> 01:06:04,140

know the akashic records

1335

01:06:08,870 --> 01:06:06,780

um I've I've you know Emily Harrison is

1336

01:06:11,809 --> 01:06:08,880

is so good with that Maureen St Germain

1337

01:06:13,490 --> 01:06:11,819

who is going to be on uh with us uh

1338

01:06:16,010 --> 01:06:13,500

later on this week

1339

01:06:17,510 --> 01:06:16,020

um so many very talented people out

1340

01:06:20,630 --> 01:06:17,520

there that uh

1341

01:06:23,450 --> 01:06:20,640

have knowledge and are able to access uh

1342

01:06:27,069 --> 01:06:23,460

the akashic records

1343

01:06:30,109 --> 01:06:27,079

um uh that you know every okay there's

1344

01:06:32,329 --> 01:06:30,119

here's uh I'm gonna talk to Maureen

1345

01:06:34,010 --> 01:06:32,339

about this this week there's there's a

1346

01:06:36,109 --> 01:06:34,020

couple of Parts about the akashic

1347

01:06:38,809 --> 01:06:36,119

records that I've always been really

1348

01:06:41,029 --> 01:06:38,819

confused about so

1349

01:06:44,150 --> 01:06:41,039

um everything that ever was or ever will

1350

01:06:46,010 --> 01:06:44,160

be is is written in store all right it's

1351

01:06:51,410 --> 01:06:46,020

it's all there and then you can go and

1352

01:06:54,109 --> 01:06:51,420

access it so wait a minute you know uh

1353

01:06:57,289 --> 01:06:54,119

uh then there's no free will well you

1354

01:07:00,890 --> 01:06:57,299

can re-write the akashic I've always

1355

01:07:04,010 --> 01:07:00,900

been a little bit confused on on that

1356

01:07:06,890 --> 01:07:04,020

part of it and how the process works

1357

01:07:09,230 --> 01:07:06,900

um so I'll ask Maureen St Germain uh

1358

01:07:13,190 --> 01:07:09,240

about that this week I mean I've just

1359

01:07:15,410 --> 01:07:13,200

always wondered about that right uh

1360

01:07:18,230 --> 01:07:15,420

free will

1361

01:07:20,410 --> 01:07:18,240

Free Will and if it's already in the

1362

01:07:22,910 --> 01:07:20,420

akashic records

1363

01:07:24,770 --> 01:07:22,920

I'll ask Maureen about it

1364

01:07:25,970 --> 01:07:24,780

um but staying on this issue of free

1365

01:07:28,990 --> 01:07:25,980

will

1366

01:07:31,490 --> 01:07:29,000

here you know is everything determined

1367

01:07:33,470 --> 01:07:31,500

predetermined determined

1368

01:07:35,029 --> 01:07:33,480

or

1369

01:07:38,410 --> 01:07:35,039

not

1370

01:07:43,130 --> 01:07:38,420

right and there's free will

1371

01:07:45,589 --> 01:07:43,140

this is this is this is where

1372

01:07:46,789 --> 01:07:45,599

this is where my mind starts to collapse

1373

01:07:49,849 --> 01:07:46,799

on itself

1374

01:07:52,549 --> 01:07:49,859

when I think about this

1375

01:07:52,559 --> 01:07:56,569

everything

1376

01:08:02,630 --> 01:08:00,370

is doing its thing

1377

01:08:05,450 --> 01:08:02,640

gravity's running particles are

1378

01:08:06,910 --> 01:08:05,460

combining gases are created dust clouds

1379

01:08:11,569 --> 01:08:06,920

planets form

1380

01:08:15,470 --> 01:08:11,579

stars form galaxies form and all of this

1381

01:08:19,849 --> 01:08:15,480

is happening right it's all happened and

1382

01:08:25,070 --> 01:08:19,859

then is it that everything

1383

01:08:29,870 --> 01:08:26,689

because

1384

01:08:32,030 --> 01:08:29,880

and is it just math

1385

01:08:34,130 --> 01:08:32,040

and that everything is just going to run

1386

01:08:37,430 --> 01:08:34,140

its course

1387

01:08:39,410 --> 01:08:37,440

and that we can't alter the physical

1388

01:08:42,050 --> 01:08:39,420

side of the future and I'm talking about

1389

01:08:45,249 --> 01:08:42,060

the creation of of new galaxies new

1390

01:08:50,090 --> 01:08:45,259

stars new planets New Life

1391

01:08:51,970 --> 01:08:50,100

that um that wait a minute now are we in

1392

01:08:55,970 --> 01:08:51,980

a

1393

01:08:58,669 --> 01:08:55,980

determined mindset here

1394

01:09:01,249 --> 01:08:58,679

right we can't

1395

01:09:04,970 --> 01:09:01,259

stop the creation of a of a new Galaxy

1396

01:09:09,669 --> 01:09:04,980

or a new star cluster a new planet

1397

01:09:12,169 --> 01:09:09,679

uh a news a news solar star system

1398

01:09:13,970 --> 01:09:12,179

and if that's the case then things are

1399

01:09:17,809 --> 01:09:13,980

going to and if if that's the case and

1400

01:09:19,789 --> 01:09:17,819

you go inside of that and you go to a

1401

01:09:21,769 --> 01:09:19,799

planet if the planet is created and then

1402

01:09:26,030 --> 01:09:21,779

everything is just going to run its

1403

01:09:29,229 --> 01:09:26,040

court is everything just going to happen

1404

01:09:31,189 --> 01:09:29,239

and you think

1405

01:09:33,349 --> 01:09:31,199

you are

1406

01:09:37,370 --> 01:09:33,359

achieving free will

1407

01:09:39,410 --> 01:09:37,380

but the decision that you made yes or no

1408

01:09:41,030 --> 01:09:39,420

and you say yes you were going to say

1409

01:09:43,490 --> 01:09:41,040

yes anyway

1410

01:09:46,249 --> 01:09:43,500

oh no I was gonna say no well you didn't

1411

01:09:49,370 --> 01:09:46,259

say no okay now I'm saying no well

1412

01:09:51,229 --> 01:09:49,380

that's part of it too

1413

01:09:53,749 --> 01:09:51,239

it's kind of weird

1414

01:09:57,470 --> 01:09:53,759

but I would like to think that we have

1415

01:10:01,790 --> 01:09:57,480

free will so now let's enter into the

1416

01:10:07,729 --> 01:10:05,330

right it's it's a fascinating subject to

1417

01:10:11,390 --> 01:10:07,739

me so at the end of everything

1418

01:10:13,270 --> 01:10:11,400

everything is done 100 trillion years in

1419

01:10:16,510 --> 01:10:13,280

the future everything is done

1420

01:10:21,709 --> 01:10:16,520

Gravity the protons photons

1421

01:10:26,030 --> 01:10:21,719

electrons atoms all come apart right

1422

01:10:29,149 --> 01:10:26,040

strong and weak forces is run out of

1423

01:10:32,050 --> 01:10:29,159

energy and everything just

1424

01:10:36,950 --> 01:10:32,060

ceases to be

1425

01:10:39,530 --> 01:10:36,960

but the Mind continues and Consciousness

1426

01:10:43,189 --> 01:10:39,540

continues there are no particles you

1427

01:10:46,450 --> 01:10:43,199

need energy to keep the thinking

1428

01:10:50,689 --> 01:10:46,460

clusters of Consciousness running so

1429

01:10:54,229 --> 01:10:50,699

okay all right I I get that so just like

1430

01:10:58,970 --> 01:10:54,239

a sporadic little burst of something is

1431

01:11:00,290 --> 01:10:58,980

is you know in the empty space but is it

1432

01:11:06,709 --> 01:11:00,300

possible that

1433

01:11:09,110 --> 01:11:06,719

a a conscious globule of of thought can

1434

01:11:11,689 --> 01:11:09,120

see that and and go and eat it you know

1435

01:11:14,030 --> 01:11:11,699

like Pac-Man I don't know I don't know

1436

01:11:18,770 --> 01:11:14,040

does that continue

1437

01:11:20,830 --> 01:11:18,780

akashic records and is that what we

1438

01:11:23,570 --> 01:11:20,840

access

1439

01:11:25,570 --> 01:11:23,580

yeah and like I said that's where my

1440

01:11:29,149 --> 01:11:25,580

mind kind of collapses on all of this

1441

01:11:32,030 --> 01:11:29,159

gets really good I love uh to think

1442

01:11:36,950 --> 01:11:32,040

about all of this let's see could we see

1443

01:11:39,229 --> 01:11:36,960

an AI war with AI versus AI 100 percent

1444

01:11:41,090 --> 01:11:39,239

that's from genocide by the way let's

1445

01:11:43,790 --> 01:11:41,100

pop this up there

1446

01:11:45,890 --> 01:11:43,800

you'll be seeing AI War hey I've ever

1447

01:11:47,990 --> 01:11:45,900

seen yes

1448

01:11:51,590 --> 01:11:48,000

that's inevitable

1449

01:11:57,770 --> 01:11:51,600

that's going on right now somewhere yeah

1450

01:12:00,590 --> 01:11:58,910

yeah

1451

01:12:02,149 --> 01:12:00,600

man what was that

1452

01:12:06,790 --> 01:12:02,159

um

1453

01:12:11,510 --> 01:12:06,800

well I I forget the Clone Wars right

1454

01:12:13,310 --> 01:12:11,520

the Clone Wars yeah yeah I could see

1455

01:12:19,250 --> 01:12:13,320

that

1456

01:12:21,410 --> 01:12:19,260

says when will there be more info on

1457

01:12:22,790 --> 01:12:21,420

Vegas in November had a couple of

1458

01:12:25,490 --> 01:12:22,800

meetings about this over the last couple

1459

01:12:27,470 --> 01:12:25,500

of days uh we have a couple of big

1460

01:12:30,290 --> 01:12:27,480

announcements uh that are going to be

1461

01:12:34,130 --> 01:12:30,300

happening over the next week and I think

1462

01:12:36,950 --> 01:12:34,140

that will be full Boogie uh by the end

1463

01:12:39,410 --> 01:12:36,960

of next week and and all of the info

1464

01:12:42,649 --> 01:12:39,420

that you need will be out there but

1465

01:12:45,050 --> 01:12:42,659

we've got a lot of cool things happening

1466

01:12:46,870 --> 01:12:45,060

yeah I would like to announce things

1467

01:12:48,770 --> 01:12:46,880

right now

1468

01:12:51,169 --> 01:12:48,780

but

1469

01:12:53,630 --> 01:12:51,179

I'll let Adrian do the timing of it I

1470

01:12:56,630 --> 01:12:53,640

mean we have videos and advertising and

1471

01:12:58,910 --> 01:12:56,640

marketing and and things that and

1472

01:13:01,870 --> 01:12:58,920

graphics and stuff that is uh being

1473

01:13:05,870 --> 01:13:01,880

worked on uh but it it all looks amazing

1474

01:13:09,169 --> 01:13:05,880

and I'll let Adrian uh and his team roll

1475

01:13:12,890 --> 01:13:09,179

that out but man we've got some exciting

1476

01:13:14,149 --> 01:13:12,900

stuff uh happening with that so Stairway

1477

01:13:17,390 --> 01:13:14,159

To the Stars if you go to

1478

01:13:22,930 --> 01:13:19,130

um I think that there's some new stuff

1479

01:13:26,630 --> 01:13:22,940

up there now uh but we will have a bunch

1480

01:13:27,770 --> 01:13:26,640

of uh stuff uh over the next week and I

1481

01:13:30,830 --> 01:13:27,780

think that

1482

01:13:32,990 --> 01:13:30,840

probably in in about two weeks I think

1483

01:13:36,229 --> 01:13:33,000

we'll be done done

1484

01:13:39,050 --> 01:13:36,239

um so yeah there you go all right and

1485

01:13:40,550 --> 01:13:39,060

Ken I know that you're going and and I

1486

01:13:41,649 --> 01:13:40,560

can't wait to see you there okay let's

1487

01:13:45,050 --> 01:13:41,659

see

1488

01:13:47,770 --> 01:13:45,060

uh this is from Plain Sight Jimmy have

1489

01:13:52,250 --> 01:13:47,780

you ever read Derek Sheffield a deadly

1490

01:13:55,370 --> 01:13:52,260

concealment about the Belgian 8990 wave

1491

01:13:56,870 --> 01:13:55,380

no I have not let me I'll order it right

1492

01:14:00,350 --> 01:13:56,880

now let's see here

1493

01:14:02,990 --> 01:14:00,360

let's go see I have the technology so

1494

01:14:06,709 --> 01:14:03,000

let's go here so it's Derek Sheffield

1495

01:14:16,270 --> 01:14:06,719

let's see here if I got this right d e

1496

01:14:16,280 --> 01:14:21,830

Elton let's just go with Belgian

1497

01:14:25,430 --> 01:14:23,630

okay

1498

01:14:31,310 --> 01:14:25,440

oh wow

1499

01:14:36,410 --> 01:14:32,810

huh

1500

01:14:41,390 --> 01:14:39,050

oh here it is okay

1501

01:14:45,590 --> 01:14:41,400

what's it called

1502

01:14:52,669 --> 01:14:48,970

to to here it is right here

1503

01:14:57,070 --> 01:14:54,830

deadly concealment okay I'm gonna order

1504

01:15:02,510 --> 01:14:57,080

this now

1505

01:15:06,530 --> 01:15:02,520

and uh there you go all right no I

1506

01:15:07,250 --> 01:15:06,540

haven't read it it came out in 1996.

1507

01:15:10,090 --> 01:15:07,260

um

1508

01:15:13,310 --> 01:15:10,100

oh oh oh oh oh oh oh oh

1509

01:15:15,229 --> 01:15:13,320

what did I I ordered two things here

1510

01:15:18,169 --> 01:15:15,239

hold on for a second I ordered something

1511

01:15:22,750 --> 01:15:20,570

uh you know what whatever

1512

01:15:25,070 --> 01:15:22,760

all right

1513

01:15:29,030 --> 01:15:25,080

the book goes eight bucks something else

1514

01:15:33,850 --> 01:15:29,040

was 90 and I ordered it anyway okay well

1515

01:15:39,530 --> 01:15:36,530

that was an expensive paperback it was

1516

01:15:45,590 --> 01:15:43,430

ended up being 98. okay uh so no I

1517

01:15:49,189 --> 01:15:45,600

haven't read it I came out in 1996. I

1518

01:15:50,510 --> 01:15:49,199

will check it out I appreciate uh the

1519

01:15:54,290 --> 01:15:50,520

heads up on that

1520

01:15:58,490 --> 01:15:54,300

all right let's see

1521

01:16:01,850 --> 01:15:58,500

the only problem with smartening uh

1522

01:16:05,149 --> 01:16:01,860

okay let's see here it says from Joseph

1523

01:16:10,310 --> 01:16:07,250

Joseph Richie USA still looking to get

1524

01:16:12,350 --> 01:16:10,320

strange experiences after having a ghost

1525

01:16:16,669 --> 01:16:12,360

in your house

1526

01:16:18,890 --> 01:16:16,679

um yeah the ah

1527

01:16:22,669 --> 01:16:18,900

um the Paranormal side of things still

1528

01:16:24,350 --> 01:16:22,679

occurs here but it's not as bad as it

1529

01:16:26,510 --> 01:16:24,360

was a year ago where it was like

1530

01:16:29,030 --> 01:16:26,520

something every single day and and

1531

01:16:30,350 --> 01:16:29,040

craziness and Poltergeist and all that

1532

01:16:32,570 --> 01:16:30,360

stuff

1533

01:16:35,570 --> 01:16:32,580

um I'm still getting the shoe action and

1534

01:16:37,910 --> 01:16:35,580

I still have noises in the house I

1535

01:16:41,149 --> 01:16:37,920

haven't had you know like pictures fall

1536

01:16:44,630 --> 01:16:41,159

off the wall and and stuff that hasn't

1537

01:16:45,310 --> 01:16:44,640

happened in in a couple of years but

1538

01:16:48,590 --> 01:16:45,320

um

1539

01:16:53,330 --> 01:16:48,600

I love that stuff

1540

01:16:54,649 --> 01:16:53,340

I do I enjoy it but I enjoy it more with

1541

01:16:57,590 --> 01:16:54,659

friends

1542

01:17:00,590 --> 01:16:57,600

yeah I I like it better with people

1543

01:17:02,330 --> 01:17:00,600

around me you know I brought up Waverly

1544

01:17:04,850 --> 01:17:02,340

earlier and I've always said I would

1545

01:17:07,550 --> 01:17:04,860

never go to Waverly you know I I'm not

1546

01:17:09,110 --> 01:17:07,560

going to go into uh haunted prison yeah

1547

01:17:12,050 --> 01:17:09,120

I'm not going to go to a haunted

1548

01:17:14,709 --> 01:17:12,060

hospital I'm not I'm not going to go and

1549

01:17:17,330 --> 01:17:14,719

do Silent Hill I'm just not gonna do it

1550

01:17:20,149 --> 01:17:17,340

if I have a group of friends around me

1551

01:17:21,169 --> 01:17:20,159

and somebody that goes in first that's

1552

01:17:29,870 --> 01:17:21,179

different

1553

01:17:32,689 --> 01:17:29,880

it we um we uh went to the ghost town

1554

01:17:35,390 --> 01:17:32,699

um last month uh here in Santa Clarita

1555

01:17:37,610 --> 01:17:35,400

and that was a lot of fun that was a lot

1556

01:17:41,090 --> 01:17:37,620

of fun going up there but there was like

1557

01:17:43,910 --> 01:17:41,100

200 people there okay and my daughter

1558

01:17:46,610 --> 01:17:43,920

and her friends and I've got people

1559

01:17:49,130 --> 01:17:46,620

around me so if I'm gonna go into a

1560

01:17:51,890 --> 01:17:49,140

haunted Schoolhouse which we did and

1561

01:17:57,590 --> 01:17:51,900

I've got people around me I'm okay with

1562

01:18:00,410 --> 01:17:57,600

that would I go into a haunted 1870

1563

01:18:01,370 --> 01:18:00,420

single room school house at night by

1564

01:18:02,930 --> 01:18:01,380

myself

1565

01:18:09,350 --> 01:18:02,940

no

1566

01:18:11,510 --> 01:18:09,360

do it and that's that was from Joseph

1567

01:18:14,030 --> 01:18:11,520

Joseph thank you for that

1568

01:18:15,830 --> 01:18:14,040

um uh I

1569

01:18:19,250 --> 01:18:15,840

I if I have a group of people around me

1570

01:18:21,709 --> 01:18:19,260

I want to experience everything I do and

1571

01:18:23,870 --> 01:18:21,719

that includes Bigfoot and of course UFOs

1572

01:18:27,350 --> 01:18:23,880

and ghosts and

1573

01:18:31,370 --> 01:18:27,360

um uh Seance and and those things yeah

1574

01:18:35,510 --> 01:18:31,380

yeah I dig it I dig it I really do all

1575

01:18:39,669 --> 01:18:35,520

right let's see what have I got coming

1576

01:18:47,810 --> 01:18:43,610

uh uh Jimmy do I have a paranormal

1577

01:18:49,870 --> 01:18:47,820

experience you want to share

1578

01:18:55,149 --> 01:18:49,880

parent I've

1579

01:18:59,270 --> 01:18:55,159

uh what haven't I shared

1580

01:19:02,810 --> 01:18:59,280

what haven't New or Old

1581

01:19:06,590 --> 01:19:02,820

um hmm hmm

1582

01:19:08,450 --> 01:19:06,600

new or old

1583

01:19:11,990 --> 01:19:08,460

um I always go

1584

01:19:16,669 --> 01:19:12,000

um one the I I haven't told the story

1585

01:19:18,890 --> 01:19:16,679

too many times so I'll share it again

1586

01:19:21,830 --> 01:19:18,900

I'm not gonna say where I'm not going to

1587

01:19:23,810 --> 01:19:21,840

get into that but uh or who or what I'm

1588

01:19:28,010 --> 01:19:23,820

just going to tell you the experience

1589

01:19:32,810 --> 01:19:28,020

I'm at a Airbnb and the Airbnb

1590

01:19:35,810 --> 01:19:32,820

the house was from like 1880 and no TV

1591

01:19:39,350 --> 01:19:35,820

no radio no stereo in the house

1592

01:19:41,870 --> 01:19:39,360

okay pretty cool authentic

1593

01:19:44,750 --> 01:19:41,880

all you know antique furniture and stuff

1594

01:19:49,970 --> 01:19:44,760

it was pretty cool and in the bedroom

1595

01:19:51,610 --> 01:19:49,980

was this armoire and in the armoire was

1596

01:19:54,050 --> 01:19:51,620

a wedding dress

1597

01:19:56,689 --> 01:19:54,060

and I thought that that was pretty cool

1598

01:19:59,330 --> 01:19:56,699

and there was a picture of the Bride in

1599

01:20:01,790 --> 01:19:59,340

that wedding dress inside the armoire

1600

01:20:04,010 --> 01:20:01,800

with the description written on it and

1601

01:20:07,250 --> 01:20:04,020

it's like this thing and I was like wow

1602

01:20:10,610 --> 01:20:07,260

that's kind of cool kind of creepy

1603

01:20:13,430 --> 01:20:10,620

but kind of cool all right

1604

01:20:16,270 --> 01:20:13,440

so I'm in bed

1605

01:20:18,890 --> 01:20:16,280

the bedroom door which is to my right

1606

01:20:22,910 --> 01:20:18,900

had one of those

1607

01:20:24,470 --> 01:20:22,920

glass door handle old you know what I'm

1608

01:20:25,850 --> 01:20:24,480

talking about right the glass door

1609

01:20:28,430 --> 01:20:25,860

handle

1610

01:20:29,330 --> 01:20:28,440

right clear glass it's not Crystal it's

1611

01:20:32,090 --> 01:20:29,340

glass

1612

01:20:34,250 --> 01:20:32,100

but it had one of those and and and so

1613

01:20:36,290 --> 01:20:34,260

to close the bedroom door

1614

01:20:39,410 --> 01:20:36,300

it's kind of warped a little bit it was

1615

01:20:41,090 --> 01:20:39,420

nice but it kind of had to push it and

1616

01:20:44,030 --> 01:20:41,100

it kind of end then you would hear it Go

1617

01:20:47,570 --> 01:20:44,040

click right and latch Okay so

1618

01:20:50,149 --> 01:20:47,580

click slatch and to open it that glass

1619

01:20:52,669 --> 01:20:50,159

knob you had to twist it and to get that

1620

01:20:56,270 --> 01:20:52,679

thing unstuck could [h\_\_h] and would open

1621

01:21:00,169 --> 01:20:56,280

all right so it's closed pushed it done

1622

01:21:04,610 --> 01:21:00,179

latched I'm in bed and I swear on all

1623

01:21:06,530 --> 01:21:04,620

that I love I have my iPad on my lap

1624

01:21:10,430 --> 01:21:06,540

and that

1625

01:21:13,510 --> 01:21:10,440

freaking door handle twisted

1626

01:21:17,890 --> 01:21:13,520

and opened and it goes

1627

01:21:22,390 --> 01:21:17,900

and opens like six inches

1628

01:21:25,850 --> 01:21:22,400

I heard it and laugh I Heard It Go click

1629

01:21:29,510 --> 01:21:25,860

and I watch that thing swing open man

1630

01:21:32,030 --> 01:21:29,520

and I'm telling you

1631

01:21:33,590 --> 01:21:32,040

I stayed in bed

1632

01:21:36,189 --> 01:21:33,600

I didn't get up

1633

01:21:38,870 --> 01:21:36,199

nope

1634

01:21:44,270 --> 01:21:38,880

I left it right there

1635

01:21:50,209 --> 01:21:46,970

uh Jimmy if I gifted you some ruby

1636

01:21:53,270 --> 01:21:50,219

slippers would you let's see uh

1637

01:21:55,189 --> 01:21:53,280

uh I'm looking two two two two two two

1638

01:21:58,250 --> 01:21:55,199

two two two Jimmy I'm looking for a

1639

01:22:01,310 --> 01:21:58,260

hypnotherapist for et contact when

1640

01:22:04,669 --> 01:22:01,320

younger uh any good places I could begin

1641

01:22:06,850 --> 01:22:04,679

my search uh reach out to Sarah breskman

1642

01:22:12,229 --> 01:22:06,860

cosme she's good

1643

01:22:14,030 --> 01:22:12,239

uh Kathleen Martin uh reach out to her

1644

01:22:16,669 --> 01:22:14,040

um she's really good

1645

01:22:22,010 --> 01:22:16,679

um the people that I know locally here

1646

01:22:22,910 --> 01:22:22,020

in LA are very very busy so uh Yvonne

1647

01:22:25,010 --> 01:22:22,920

Smith

1648

01:22:27,290 --> 01:22:25,020

um is great but I think she's really

1649

01:22:28,850 --> 01:22:27,300

busy but she can reach out to Yvonne

1650

01:22:32,209 --> 01:22:28,860

Smith so there's three right there Sarah

1651

01:22:35,090 --> 01:22:32,219

bressman cosme Yvonne Smith

1652

01:22:39,010 --> 01:22:35,100

and uh Kathleen Martin

1653

01:22:42,410 --> 01:22:39,020

you can go one of those uh let's see

1654

01:22:44,149 --> 01:22:42,420

uh that's a great question if you had

1655

01:22:49,030 --> 01:22:44,159

the ruby slippers

1656

01:22:56,149 --> 01:22:53,270

oh man where if I could you know like

1657

01:22:58,070 --> 01:22:56,159

instantly just go click click click

1658

01:23:01,250 --> 01:22:58,080

right and go somewhere you know what I

1659

01:23:07,310 --> 01:23:02,990

I would go to

1660

01:23:11,270 --> 01:23:07,320

pizza and then come back that's what I

1661

01:23:13,130 --> 01:23:11,280

would do but I click and go now I'd save

1662

01:23:15,290 --> 01:23:13,140

that for a time machine and and and and

1663

01:23:16,910 --> 01:23:15,300

stuff but if I could instantly just like

1664

01:23:20,450 --> 01:23:16,920

go anywhere

1665

01:23:23,870 --> 01:23:20,460

man I go to genos go to Lou Malnati's

1666

01:23:27,050 --> 01:23:23,880

man fly to just go to Chicago

1667

01:23:30,169 --> 01:23:27,060

did a deep dish pizza and then come back

1668

01:23:31,850 --> 01:23:30,179

and get a movie going Close Encounters

1669

01:23:35,390 --> 01:23:31,860

of the Third Kind God that sounds so

1670

01:23:40,250 --> 01:23:35,400

good man right now deep dish pizza

1671

01:23:45,770 --> 01:23:42,189

[Music]

1672

01:23:49,970 --> 01:23:45,780

uh Jimmy what do you think about RFK Jr

1673

01:23:53,090 --> 01:23:49,980

saying the CIA killed JFK and RFK

1674

01:23:53,990 --> 01:23:53,100

well hey he's he's

1675

01:23:57,709 --> 01:23:54,000

um

1676

01:24:00,050 --> 01:23:57,719

he's he's a Kennedy he's like a second

1677

01:24:03,970 --> 01:24:00,060

nephew right

1678

01:24:07,669 --> 01:24:03,980

a third cousin I I forget his connection

1679

01:24:10,189 --> 01:24:07,679

uh to JFK into RFK

1680

01:24:13,130 --> 01:24:10,199

but I know he's a Kennedy

1681

01:24:14,090 --> 01:24:13,140

um and he says some Rowdy stuff man he

1682

01:24:16,310 --> 01:24:14,100

does

1683

01:24:22,610 --> 01:24:16,320

uh

1684

01:24:25,130 --> 01:24:22,620

that's a that's a heck of a claim

1685

01:24:27,590 --> 01:24:25,140

anything is possible though and

1686

01:24:30,770 --> 01:24:27,600

especially with the with those two I

1687

01:24:32,630 --> 01:24:30,780

don't know and he might be right

1688

01:24:36,290 --> 01:24:32,640

um I've only seen I haven't heard him

1689

01:24:39,229 --> 01:24:36,300

say it I've I've read the same things uh

1690

01:24:41,030 --> 01:24:39,239

uh that that are out there but

1691

01:24:44,149 --> 01:24:41,040

um I've never talked to him and I've

1692

01:24:47,149 --> 01:24:44,159

never had him on the show so there you

1693

01:24:49,610 --> 01:24:47,159

go okay right on Jimmy thank you yes you

1694

01:24:51,709 --> 01:24:49,620

are good it's not crazy it's true about

1695

01:24:54,350 --> 01:24:51,719

particles that's where all they come

1696

01:24:56,090 --> 01:24:54,360

from yeah yeah see see see see somebody

1697

01:24:59,090 --> 01:24:56,100

agrees with me

1698

01:24:59,990 --> 01:24:59,100

yeah I like that when that when that

1699

01:25:03,410 --> 01:25:00,000

happens

1700

01:25:07,070 --> 01:25:03,420

somebody has agreed with me let's see

1701  
01:25:11,090 --> 01:25:07,080  
man you guys 10 000 was only for the

1702  
01:25:15,590 --> 01:25:11,100  
Milky Way uh that's yeah

1703  
01:25:18,530 --> 01:25:15,600  
in in 1956 or whenever Frank Drake uh

1704  
01:25:20,689 --> 01:25:18,540  
first came out with the equation and

1705  
01:25:24,410 --> 01:25:20,699  
that was the first number that he that

1706  
01:25:26,810 --> 01:25:24,420  
he popped up with was was ten thousand

1707  
01:25:28,790 --> 01:25:26,820  
and knowing what we know now here's

1708  
01:25:33,649 --> 01:25:28,800  
here's what's good let me tell you what

1709  
01:25:35,570 --> 01:25:33,659  
Frank Drake didn't know then this is 50

1710  
01:25:37,010 --> 01:25:35,580  
years ago 70 years ago this is what he

1711  
01:25:40,010 --> 01:25:37,020  
didn't know

1712  
01:25:43,250 --> 01:25:40,020  
when you walk out in your backyard and

1713  
01:25:47,149 --> 01:25:43,260

you look up and on a normal night no

1714

01:25:49,250 --> 01:25:47,159

clouds on a normal night you can see

1715

01:25:51,590 --> 01:25:49,260

around

1716

01:25:54,410 --> 01:25:51,600

5 000 Stars

1717

01:25:58,790 --> 01:25:54,420

okay normal night no clouds

1718

01:26:02,390 --> 01:25:58,800

five thousand stars with your eyeballs

1719

01:26:05,990 --> 01:26:02,400

what Frank Drake didn't know then

1720

01:26:07,810 --> 01:26:06,000

that every single star has at least one

1721

01:26:10,550 --> 01:26:07,820

planet

1722

01:26:12,530 --> 01:26:10,560

back then Frank Drake didn't even know

1723

01:26:15,530 --> 01:26:12,540

if there was another planet outside of

1724

01:26:18,250 --> 01:26:15,540

our own solar system

1725

01:26:20,750 --> 01:26:18,260

they thought it was possible

1726

01:26:24,950 --> 01:26:20,760

but we didn't know and he certainly

1727

01:26:26,870 --> 01:26:24,960

didn't know now would Frank Drake

1728

01:26:29,270 --> 01:26:26,880

come up with a number like 10 000

1729

01:26:31,790 --> 01:26:29,280

knowing just what I just said going

1730

01:26:35,629 --> 01:26:31,800

outside looking up every Star has at

1731

01:26:37,370 --> 01:26:35,639

least a planet in in your own backyard

1732

01:26:39,649 --> 01:26:37,380

forget about the rest of the world

1733

01:26:41,090 --> 01:26:39,659

anywhere you go let me let me give you

1734

01:26:44,270 --> 01:26:41,100

an example

1735

01:26:46,610 --> 01:26:44,280

this is a guitar pick

1736

01:26:50,270 --> 01:26:46,620

okay

1737

01:26:54,290 --> 01:26:50,280

everybody knows how big a guitar pick is

1738

01:26:56,450 --> 01:26:54,300

so you go out in your backyard you I

1739

01:26:59,090 --> 01:26:56,460

don't have a dime I don't have change on

1740

01:27:00,530 --> 01:26:59,100

me so because of that I don't have a

1741

01:27:04,370 --> 01:27:00,540

penny or anything like that let me see

1742

01:27:06,470 --> 01:27:04,380

do I have a oh wait wait holy crap

1743

01:27:09,169 --> 01:27:06,480

look at this

1744

01:27:13,310 --> 01:27:09,179

I have a quarter

1745

01:27:17,030 --> 01:27:14,750

God I haven't seen one of these in a

1746

01:27:20,030 --> 01:27:17,040

long time okay so you go out in your

1747

01:27:24,169 --> 01:27:20,040

backyard with a quarter you hold this at

1748

01:27:27,709 --> 01:27:24,179

arm's length at any black spot in the

1749

01:27:30,530 --> 01:27:27,719

sky no stars no stars find a spot in the

1750

01:27:32,990 --> 01:27:30,540

sky with no stars and you hold this up

1751  
01:27:38,689 --> 01:27:33,000  
at that spot

1752  
01:27:38,699 --> 01:27:46,070  
000 galaxies

1753  
01:27:50,870 --> 01:27:47,750  
250

1754  
01:27:52,629 --> 01:27:50,880  
000 and you can take this

1755  
01:27:55,310 --> 01:27:52,639  
and then move it over

1756  
01:27:57,590 --> 01:27:55,320  
the length of the quarter just move it

1757  
01:27:59,990 --> 01:27:57,600  
this far go we're

1758  
01:28:09,290 --> 01:28:00,000  
250 000 more

1759  
01:28:13,310 --> 01:28:09,300  
over

1760  
01:28:14,510 --> 01:28:13,320  
your backyard Horizon to Horizon and

1761  
01:28:17,030 --> 01:28:14,520  
then

1762  
01:28:19,370 --> 01:28:17,040  
go to the other side of the earth do it

1763  
01:28:22,010 --> 01:28:19,380

again go down to Antarctica do it again

1764

01:28:24,649 --> 01:28:22,020

go up to the North Pole do it again go

1765

01:28:28,310 --> 01:28:24,659

anywhere on the planet go any in

1766

01:28:30,530 --> 01:28:28,320

anywhere at night on planet Earth

1767

01:28:34,669 --> 01:28:30,540

all over the night sky

1768

01:28:38,930 --> 01:28:34,679

and hold out and that's how many

1769

01:28:47,990 --> 01:28:41,209

think about that

1770

01:28:51,470 --> 01:28:48,000

that

1771

01:28:53,030 --> 01:28:51,480

so of Frank Drake I mean with the Drake

1772

01:28:54,770 --> 01:28:53,040

equation

1773

01:28:57,229 --> 01:28:54,780

have been written a little bit

1774

01:28:59,090 --> 01:28:57,239

differently and what do you have thought

1775

01:29:01,430 --> 01:28:59,100

about it a little bit differently I can

1776

01:29:05,030 --> 01:29:01,440

tell you this at number 10 000 would

1777

01:29:11,149 --> 01:29:06,590

at least

1778

01:29:14,990 --> 01:29:11,159

six maybe seven zeros

1779

01:29:18,649 --> 01:29:15,000

yeah like that all right let's see who

1780

01:29:23,169 --> 01:29:18,659

is up next uh

1781

01:29:29,209 --> 01:29:26,570

this is one active

1782

01:29:30,590 --> 01:29:29,219

uh chat room tonight I can't I cannot

1783

01:29:33,410 --> 01:29:30,600

possibly

1784

01:29:34,970 --> 01:29:33,420

get through all of this okay let me get

1785

01:29:37,430 --> 01:29:34,980

you guys are just chatting back and

1786

01:29:43,850 --> 01:29:38,750

uh

1787

01:29:47,050 --> 01:29:43,860

yeah it was it was really good

1788

01:29:49,490 --> 01:29:47,060

it was really good

1789

01:29:50,930 --> 01:29:49,500

it was two thousand years ago so it's

1790

01:29:52,850 --> 01:29:50,940

not a spoiler

1791

01:30:03,790 --> 01:29:52,860

okay

1792

01:30:09,890 --> 01:30:06,890

Jimmy is from Anonymous human have you

1793

01:30:12,290 --> 01:30:09,900

been taken aboard an alien ship yet not

1794

01:30:17,689 --> 01:30:12,300

that I know of

1795

01:30:23,689 --> 01:30:17,699

somebody just posted a question about

1796

01:30:30,110 --> 01:30:27,470

I'm I'm gonna do a re I just I said too

1797

01:30:32,270 --> 01:30:30,120

much uh we've got something that's going

1798

01:30:35,870 --> 01:30:32,280

to be coming up in the future all right

1799

01:30:39,709 --> 01:30:35,880

but let's put that aside for a second

1800

01:30:41,990 --> 01:30:39,719

if I had missing time

1801  
01:30:46,370 --> 01:30:42,000  
right where I know

1802  
01:30:48,830 --> 01:30:46,380  
that I left somewhere at six o'clock and

1803  
01:30:51,709 --> 01:30:48,840  
it's a few miles away and I don't show

1804  
01:30:54,530 --> 01:30:51,719  
up at my house until midnight and I have

1805  
01:30:57,169 --> 01:30:54,540  
missing six hours in the middle and I

1806  
01:31:00,290 --> 01:30:57,179  
can't remember anything

1807  
01:31:02,750 --> 01:31:00,300  
um do I get regressed

1808  
01:31:07,850 --> 01:31:04,850  
let me put it to you well no is the

1809  
01:31:10,129 --> 01:31:07,860  
answer but let me put it to you this way

1810  
01:31:13,490 --> 01:31:10,139  
as long as I wasn't hurt

1811  
01:31:17,270 --> 01:31:13,500  
physically like had gashes or Cuts or

1812  
01:31:19,070 --> 01:31:17,280  
bruises or things or broken limbs you

1813  
01:31:21,770 --> 01:31:19,080

know something traumatic happened to me

1814

01:31:24,890 --> 01:31:21,780

that I would need to okay but if I'm

1815

01:31:26,090 --> 01:31:24,900

just normal I'm like man missing six

1816

01:31:28,850 --> 01:31:26,100

hours

1817

01:31:32,810 --> 01:31:28,860

okay but I'm fine right everything is

1818

01:31:37,669 --> 01:31:35,629

I don't get regressed

1819

01:31:41,510 --> 01:31:37,679

no I don't find out

1820

01:31:42,950 --> 01:31:41,520

I I don't want to know I don't want uh

1821

01:31:50,090 --> 01:31:42,960

uh

1822

01:31:55,310 --> 01:31:50,100

I'm gonna have to have a reason to do it

1823

01:31:56,990 --> 01:31:55,320

other than that if I'm fine I don't want

1824

01:31:58,490 --> 01:31:57,000

to know

1825

01:32:06,830 --> 01:31:58,500

all right

1826

01:32:13,550 --> 01:32:09,830

past life regression yeah okay

1827

01:32:14,870 --> 01:32:13,560

go see if I lived at on Atlantis could I

1828

01:32:19,669 --> 01:32:14,880

get some answers about the Great

1829

01:32:20,750 --> 01:32:19,679

Pyramids uh or whatever yeah yeah I'm

1830

01:32:28,610 --> 01:32:20,760

down for that

1831

01:32:30,229 --> 01:32:28,620

with no no no no no no no missing no no

1832

01:32:32,270 --> 01:32:30,239

not going to do it

1833

01:32:34,850 --> 01:32:32,280

Jimmy if you could interview any

1834

01:32:37,189 --> 01:32:34,860

paranormal researcher that is no longer

1835

01:32:38,810 --> 01:32:37,199

with us that you haven't interviewed of

1836

01:32:42,709 --> 01:32:38,820

course who would it be

1837

01:32:47,450 --> 01:32:42,719

easy answer two I have two it's a time

1838

01:32:49,910 --> 01:32:47,460

well uh yeah it's kind of two

1839

01:32:52,669 --> 01:32:49,920

Lloyd pie

1840

01:32:55,070 --> 01:32:52,679

and Dr Carla Turner

1841

01:32:57,709 --> 01:32:55,080

yeah I mean Jay Allen heineck is an

1842

01:33:01,490 --> 01:32:57,719

obvious one James McDonald uh Donald

1843

01:33:03,590 --> 01:33:01,500

Kehoe uh they would be you know all

1844

01:33:07,189 --> 01:33:03,600

great interviews oh man it would just be

1845

01:33:07,850 --> 01:33:07,199

unreal to to do that but

1846

01:33:09,530 --> 01:33:07,860

um

1847

01:33:11,870 --> 01:33:09,540

Lloyd pie

1848

01:33:14,270 --> 01:33:11,880

and Dr Carla Turner

1849

01:33:16,129 --> 01:33:14,280

yeah man I would love to have

1850

01:33:22,430 --> 01:33:16,139

interviewed Lloyd pie

1851

01:33:29,870 --> 01:33:24,830

here's here's the part about that that

1852

01:33:31,490 --> 01:33:29,880

is pretty messed up both Lloyd and Dr

1853

01:33:33,169 --> 01:33:31,500

Carla Turner

1854

01:33:36,410 --> 01:33:33,179

I mean they were talking about

1855

01:33:38,750 --> 01:33:36,420

Trailblazers groundbreaking just amazing

1856

01:33:44,090 --> 01:33:38,760

knowledge and and things and stuff just

1857

01:33:47,629 --> 01:33:44,100

piled up and great in both died

1858

01:33:49,310 --> 01:33:47,639

of fast-acting cancer

1859

01:33:51,890 --> 01:33:49,320

like

1860

01:33:54,050 --> 01:33:51,900

I'm exaggerating and I don't want to be

1861

01:33:57,709 --> 01:33:54,060

Cavalier about

1862

01:34:01,669 --> 01:33:57,719

um anybody uh you know that that goes

1863

01:34:03,350 --> 01:34:01,679

through that but it seemed to me

1864

01:34:11,930 --> 01:34:03,360

that

1865

01:34:18,370 --> 01:34:14,689

two days later you die it's just like

1866

01:34:22,430 --> 01:34:18,380

there was just not just fast it's crazy

1867

01:34:25,010 --> 01:34:22,440

those two very similar very strange

1868

01:34:27,649 --> 01:34:25,020

I'm not suggesting anything but the two

1869

01:34:30,350 --> 01:34:27,659

that I would love to interview that I

1870

01:34:32,330 --> 01:34:30,360

never got a chance to Dr Carla Turner

1871

01:34:35,510 --> 01:34:32,340

and Lloyd pie

1872

01:34:37,790 --> 01:34:35,520

both just caught the whole community in

1873

01:34:41,510 --> 01:34:37,800

the world by surprise they were sick one

1874

01:34:44,209 --> 01:34:41,520

day and then cancer took them just like

1875

01:34:47,090 --> 01:34:44,219

that it was very strange

1876

01:34:50,870 --> 01:34:47,100

all right Jimmy why do you say go

1877

01:34:53,510 --> 01:34:50,880

Beckley tappy go back Lee tepy is uh

1878

01:34:56,870 --> 01:34:53,520

without a doubt

1879

01:34:59,149 --> 01:34:56,880

the most important Discovery to date

1880

01:35:02,629 --> 01:34:59,159

in human history

1881

01:35:04,250 --> 01:35:02,639

yeah right there I mean more important

1882

01:35:05,510 --> 01:35:04,260

than King Tut yeah more important than

1883

01:35:07,930 --> 01:35:05,520

King Tut

1884

01:35:11,510 --> 01:35:07,940

yeah King Cuts tomb

1885

01:35:14,990 --> 01:35:11,520

uh more important than Troy

1886

01:35:19,430 --> 01:35:15,000

right more important than any disc just

1887

01:35:22,250 --> 01:35:19,440

uh as far as this planet what has been

1888

01:35:24,970 --> 01:35:22,260

discovered here now out there in space

1889

01:35:28,910 --> 01:35:24,980

and exoplanets and stuff those are other

1890

01:35:31,430 --> 01:35:28,920

now would exoplanets rate with Gobekli

1891

01:35:36,370 --> 01:35:31,440

Tepe whoo

1892

01:35:40,510 --> 01:35:36,380

maybe not so go back Lee Tepe is a site

1893

01:35:42,910 --> 01:35:40,520

in modern day Turkey on the Syria

1894

01:35:46,010 --> 01:35:42,920

Turkish border

1895

01:35:48,770 --> 01:35:46,020

and so

1896

01:35:54,350 --> 01:35:52,550

it's the oldest megalithic site

1897

01:35:59,270 --> 01:35:54,360

on Earth

1898

01:36:01,870 --> 01:35:59,280

before its Discovery inner in officially

1899

01:36:05,810 --> 01:36:01,880

the date is 1995.

1900

01:36:07,790 --> 01:36:05,820

it was locally known a little bit uh

1901

01:36:11,450 --> 01:36:07,800

before that but but let's just go with

1902

01:36:12,709 --> 01:36:11,460

1995 and that's only 20 30 years ago 25

1903

01:36:14,689 --> 01:36:12,719

years ago

1904

01:36:18,290 --> 01:36:14,699

before that

1905

01:36:21,649 --> 01:36:18,300

the oldest thing on earth allegedly up

1906

01:36:25,970 --> 01:36:21,659

to that point was Giza

1907

01:36:31,250 --> 01:36:25,980

right ancient Egypt 3000 BC that was the

1908

01:36:33,890 --> 01:36:31,260

oldest and Gobekli Tepe is 7 000 years

1909

01:36:36,530 --> 01:36:33,900

older than that

1910

01:36:38,870 --> 01:36:36,540

and it wasn't supposed to exist and now

1911

01:36:40,850 --> 01:36:38,880

we have found other go Beckley tepies

1912

01:36:42,830 --> 01:36:40,860

too as well so

1913

01:36:44,450 --> 01:36:42,840

um and I think that these discoveries

1914

01:36:46,490 --> 01:36:44,460

are going to continue but that's how

1915

01:36:48,110 --> 01:36:46,500

important Gobekli Tepe is wasn't

1916

01:36:50,689 --> 01:36:48,120

supposed to exist

1917

01:36:52,790 --> 01:36:50,699

so there you go and that's why I say go

1918

01:36:54,290 --> 01:36:52,800

back to Tepe because

1919

01:36:57,169 --> 01:36:54,300

um I

1920

01:37:00,169 --> 01:36:57,179

it their

1921

01:37:02,810 --> 01:37:00,179

there isn't enough discussion about

1922

01:37:04,970 --> 01:37:02,820

Gobekli Tepe and I understand the Great

1923

01:37:07,910 --> 01:37:04,980

Pyramid my goodness Ben it's it's

1924

01:37:10,490 --> 01:37:07,920

amazing I understand the Sphinx it's

1925

01:37:13,390 --> 01:37:10,500

amazing I've been there I love it right

1926

01:37:16,910 --> 01:37:13,400

the Ben pyramid the step pyramid the

1927

01:37:19,870 --> 01:37:16,920

abados dendara Luxor Karnak these are

1928

01:37:25,930 --> 01:37:19,880

great places it's amazing yes for sure

1929

01:37:30,550 --> 01:37:25,940

right okay and I understand I get it

1930

01:37:33,410 --> 01:37:30,560

is 7 000 years older than that seven

1931

01:37:36,709 --> 01:37:33,420

thousand years

1932

01:37:38,750 --> 01:37:36,719

and we're not even sure about they may

1933

01:37:41,110 --> 01:37:38,760

be older than that I mean that's the

1934

01:37:43,970 --> 01:37:41,120

carbon dating of of

1935

01:37:46,189 --> 01:37:43,980

you know for the stone circles because

1936

01:37:50,390 --> 01:37:46,199

it was still deliberately buried so

1937

01:37:51,729 --> 01:37:50,400

we've carbon dated that but it it could

1938

01:37:58,310 --> 01:37:51,739

be

1939

01:38:00,229 --> 01:37:58,320

so yeah it's crazy right at the end of

1940

01:38:02,090 --> 01:38:00,239

the last ice age it's just wasn't

1941

01:38:04,610 --> 01:38:02,100

supposed to exist and it does and

1942

01:38:07,910 --> 01:38:04,620

there's more that's why I say go back

1943

01:38:10,490 --> 01:38:07,920

Lee tappy I need people

1944

01:38:14,209 --> 01:38:10,500

um to be aware

1945

01:38:17,750 --> 01:38:14,219

that I would have thought uh

1946

01:38:26,990 --> 01:38:23,629

if I ran CNN if I ran Fox if I ran BBC

1947

01:38:28,790 --> 01:38:27,000

I I would tomorrow because it hasn't

1948

01:38:31,790 --> 01:38:28,800

been done yet but I I would tomorrow

1949

01:38:35,270 --> 01:38:31,800

that would be the headline

1950

01:38:38,090 --> 01:38:35,280

oldest oldest megalithic site ever on

1951

01:38:40,790 --> 01:38:38,100

planet Earth go Beckley I would make

1952

01:38:43,669 --> 01:38:40,800

everybody aware of go back to tappy

1953

01:38:45,770 --> 01:38:43,679

that's why I say it I want people to go

1954

01:38:47,410 --> 01:38:45,780

go back to Tempe what's that

1955

01:38:50,030 --> 01:38:47,420

oh

1956

01:38:52,669 --> 01:38:50,040

that's why he said that's what go

1957

01:38:53,930 --> 01:38:52,679

Beckley Tempe is that's why I do it and

1958

01:38:55,270 --> 01:38:53,940

I'll never stop

1959

01:38:59,030 --> 01:38:55,280

all right

1960

01:39:02,990 --> 01:38:59,040

uh Indiana Jones next release date I

1961

01:39:04,669 --> 01:39:03,000

just announced that okay so there you go

1962

01:39:05,870 --> 01:39:04,679

um I did that last week on the news I

1963

01:39:08,390 --> 01:39:05,880

can't remember

1964

01:39:11,149 --> 01:39:08,400

I'd have to go and look it up but uh

1965

01:39:14,090 --> 01:39:11,159

excited about that

1966

01:39:15,590 --> 01:39:14,100

why is each person only allowed one

1967

01:39:17,209 --> 01:39:15,600

question

1968

01:39:18,830 --> 01:39:17,219

that's why

1969

01:39:23,649 --> 01:39:18,840

right there

1970

01:39:26,629 --> 01:39:23,659

Jessica you can do whatever you want and

1971

01:39:27,770 --> 01:39:26,639

martinus Maximus thank you for the super

1972

01:39:31,250 --> 01:39:27,780

sticker

1973

01:39:33,000 --> 01:39:31,260

very cool I have no freaking idea how

1974

01:39:36,129 --> 01:39:33,010

much more 80s

1975

01:39:40,910 --> 01:39:36,139

[Music]

1976

01:39:45,890 --> 01:39:43,610

E.T shows up in your room this is from

1977

01:39:48,890 --> 01:39:45,900

Lord Nelson the great E.T shows up in

1978

01:39:52,490 --> 01:39:48,900

your room and you have three

1979

01:39:55,010 --> 01:39:52,500

three questions that you can ask

1980

01:39:57,229 --> 01:39:55,020

what are your three questions well the

1981

01:40:01,250 --> 01:39:57,239

first one

1982

01:40:01,260 --> 01:40:05,510

where are you from

1983

01:40:12,709 --> 01:40:08,750

that's the first one second

1984

01:40:12,719 --> 01:40:16,010

third

1985

01:40:22,610 --> 01:40:19,910

is math the way to go or

1986

01:40:26,209 --> 01:40:22,620

is there another way to figure things

1987

01:40:28,189 --> 01:40:26,219

out and would we understand that you got

1988

01:40:31,250 --> 01:40:28,199

to have the one deep existential

1989

01:40:33,350 --> 01:40:31,260

philosophical scientific question in

1990

01:40:34,189 --> 01:40:33,360

there but the obvious one where are you

1991

01:40:37,430 --> 01:40:34,199

from

1992

01:40:41,090 --> 01:40:37,440

dude I don't know to point if you can't

1993

01:40:43,370 --> 01:40:41,100

you know where are you from

1994

01:40:46,850 --> 01:40:43,380

how did you get here

1995

01:40:48,169 --> 01:40:46,860

right Wormhole faster than the speed of

1996

01:40:53,570 --> 01:40:48,179

light

1997

01:40:55,189 --> 01:40:53,580

spent a million years uh cruising Across

1998

01:40:56,930 --> 01:40:55,199

the Universe are you from Zeta

1999

01:40:59,689 --> 01:40:56,940

reticulate whatever you know how long

2000

01:41:03,709 --> 01:40:59,699

you know and how did you get here that's

2001  
01:41:05,990 --> 01:41:03,719  
question two third would we understand

2002  
01:41:08,590 --> 01:41:06,000  
the meaning of it all

2003  
01:41:11,149 --> 01:41:08,600  
yeah

2004  
01:41:13,450 --> 01:41:11,159  
it's it's so funny

2005  
01:41:17,510 --> 01:41:13,460  
um that that's just a brilliant question

2006  
01:41:19,629 --> 01:41:17,520  
one of the things that really pisses me

2007  
01:41:22,250 --> 01:41:19,639  
off

2008  
01:41:27,050 --> 01:41:22,260  
makes me angry

2009  
01:41:29,330 --> 01:41:27,060  
is when somebody tries to sound smart

2010  
01:41:31,310 --> 01:41:29,340  
and says

2011  
01:41:35,390 --> 01:41:31,320  
well you know that that would be

2012  
01:41:40,850 --> 01:41:35,400  
cheating uh uh the law of physics

2013  
01:41:45,290 --> 01:41:43,669

that it's just like anybody that says

2014

01:41:50,270 --> 01:41:45,300

that I don't even care if it's a

2015

01:41:56,090 --> 01:41:50,280

physicist but if it's a researcher or

2016

01:42:00,470 --> 01:41:59,689

some of your folks just think it doesn't

2017

01:42:04,070 --> 01:42:00,480

matter

2018

01:42:07,870 --> 01:42:04,080

right you you say something like that

2019

01:42:11,149 --> 01:42:07,880

the the laws of physics

2020

01:42:13,370 --> 01:42:11,159

would have to be have to be different

2021

01:42:14,570 --> 01:42:13,380

in different locations throughout the

2022

01:42:16,790 --> 01:42:14,580

Milky Way and then beyond that

2023

01:42:19,370 --> 01:42:16,800

throughout the Universe it's

2024

01:42:23,270 --> 01:42:19,380

the same everywhere couldn't be

2025

01:42:24,770 --> 01:42:23,280

couldn't be no gravity's different time

2026

01:42:28,689 --> 01:42:24,780

is different

2027

01:42:32,990 --> 01:42:28,699

just man this is no no no no no no no

2028

01:42:35,570 --> 01:42:33,000

and it's the laws of physical as we

2029

01:42:38,209 --> 01:42:35,580

understand them to be

2030

01:42:39,590 --> 01:42:38,219

right what were the laws of physics 300

2031

01:42:42,290 --> 01:42:39,600

years ago

2032

01:42:47,090 --> 01:42:42,300

is there like two

2033

01:42:50,450 --> 01:42:47,100

right was there a discussion of entropy

2034

01:42:53,330 --> 01:42:50,460

a thousand years ago no this is stuff

2035

01:42:55,850 --> 01:42:53,340

that we learn over time

2036

01:42:59,450 --> 01:42:55,860

you know and what would our basic

2037

01:43:02,810 --> 01:42:59,460

understanding be of the laws of physics

2038

01:43:05,810 --> 01:43:02,820

in 50 years it would be great you know

2039

01:43:08,750 --> 01:43:05,820

it's the the the the the stuff that

2040

01:43:12,470 --> 01:43:08,760

especially on the quantum side that has

2041

01:43:14,810 --> 01:43:12,480

allowed stuff like this to be made and

2042

01:43:21,070 --> 01:43:14,820

circuitry and everything else that's new

2043

01:43:26,570 --> 01:43:23,510

Ah that's why I would ask I would ask

2044

01:43:29,870 --> 01:43:26,580

I'm gonna ask ET you know what what is

2045

01:43:31,850 --> 01:43:29,880

it what it I mean are are we on the

2046

01:43:33,830 --> 01:43:31,860

right path or is there something else

2047

01:43:34,870 --> 01:43:33,840

out there and would we be able to

2048

01:43:38,930 --> 01:43:34,880

understand

2049

01:43:41,810 --> 01:43:38,940

the answer to this question

2050

01:43:44,930 --> 01:43:41,820

would we do do we have the capacity to

2051

01:43:48,490 --> 01:43:44,940

understand that all right

2052

01:43:51,530 --> 01:43:48,500

uh Jimmy what is the scariest

2053

01:43:54,470 --> 01:43:51,540

paranormal experience you've had in the

2054

01:43:57,890 --> 01:43:54,480

form of a ghost I mean I've told the

2055

01:44:00,470 --> 01:43:57,900

story so many times and it uh and it

2056

01:44:03,649 --> 01:44:00,480

just always comes back to me

2057

01:44:05,870 --> 01:44:03,659

and um I have recently reached out to

2058

01:44:07,910 --> 01:44:05,880

and I'm in communication with the person

2059

01:44:11,109 --> 01:44:07,920

that lived in this house

2060

01:44:13,609 --> 01:44:11,119

um this is 1980

2061

01:44:16,729 --> 01:44:13,619

1988 in Hollywood

2062

01:44:18,890 --> 01:44:16,739

and so the person that lived in this

2063

01:44:21,290 --> 01:44:18,900

house we are now exchanging emails after

2064

01:44:23,450 --> 01:44:21,300

man 40 years man it's been a long time

2065

01:44:25,790 --> 01:44:23,460

so anyway

2066

01:44:28,790 --> 01:44:25,800

um just a simple thing but it was crazy

2067

01:44:30,770 --> 01:44:28,800

I pulled up two o'clock in the morning 2

2068

01:44:34,010 --> 01:44:30,780

30 in the morning meeting people at this

2069

01:44:36,050 --> 01:44:34,020

house and I look over

2070

01:44:39,590 --> 01:44:36,060

and I see somebody looking out the

2071

01:44:42,410 --> 01:44:39,600

window at my car just a few uh 20 feet

2072

01:44:45,169 --> 01:44:42,420

away and I see I see the face I see the

2073

01:44:46,209 --> 01:44:45,179

curtains pull aside I see this face look

2074

01:44:49,370 --> 01:44:46,219

out

2075

01:44:52,669 --> 01:44:49,380

and so I go up and I knock on the door

2076

01:44:55,189 --> 01:44:52,679

nobody answers no the the the short

2077

01:44:58,090 --> 01:44:55,199

version of this story is

2078

01:45:00,950 --> 01:44:58,100

I'm I'm pretty angry that I'm knocking

2079

01:45:02,450 --> 01:45:00,960

you know and and I see somebody in the

2080

01:45:05,629 --> 01:45:02,460

house but nobody's answering the door

2081

01:45:10,010 --> 01:45:05,639

and and so forcing me to sit outside at

2082

01:45:12,830 --> 01:45:10,020

2 30 in the morning now uh the person

2083

01:45:15,410 --> 01:45:12,840

that I'm talking she pulls up behind me

2084

01:45:19,129 --> 01:45:15,420

she's got somebody with her uh she pulls

2085

01:45:22,430 --> 01:45:19,139

up behind and then and and and I go man

2086

01:45:24,290 --> 01:45:22,440

I think uh somebody I think your

2087

01:45:25,669 --> 01:45:24,300

roommate's in there or something Chris

2088

01:45:29,270 --> 01:45:25,679

is in there

2089

01:45:31,970 --> 01:45:29,280

she goes no no and right then she goes

2090

01:45:35,330 --> 01:45:31,980

no nobody's in there right then Chris

2091

01:45:37,370 --> 01:45:35,340

pulls in with her roommate they pull up

2092

01:45:39,410 --> 01:45:37,380

he gets out of the car he's a he's an

2093

01:45:43,669 --> 01:45:39,420

actor but he's a big dude

2094

01:45:47,870 --> 01:45:43,679

I'm like okay if you guys are out here

2095

01:45:52,129 --> 01:45:47,880

who's in the house and Chris is like

2096

01:45:52,910 --> 01:45:52,139

we go and we unlock the door and and go

2097

01:45:55,850 --> 01:45:52,920

in

2098

01:45:58,490 --> 01:45:55,860

and there's nobody there

2099

01:45:59,510 --> 01:45:58,500

nobody everything locked

2100

01:46:02,090 --> 01:45:59,520

um

2101  
01:46:04,370 --> 01:46:02,100  
that was a two-bedroom house living room

2102  
01:46:06,890 --> 01:46:04,380  
two bedrooms kitchen

2103  
01:46:08,930 --> 01:46:06,900  
a bathroom that's it everything locked

2104  
01:46:11,629 --> 01:46:08,940  
up everything's cool and and there you

2105  
01:46:15,709 --> 01:46:11,639  
go that that freaked me out

2106  
01:46:17,149 --> 01:46:15,719  
that freaked me out so yeah let's see

2107  
01:46:20,209 --> 01:46:17,159  
here who

2108  
01:46:22,490 --> 01:46:20,219  
flying monkeys thank you

2109  
01:46:25,010 --> 01:46:22,500  
thank you flying monkeys 10 bucks man

2110  
01:46:29,530 --> 01:46:25,020  
that is very cool thank you for that all

2111  
01:46:32,750 --> 01:46:29,540  
right let's see what we got up next

2112  
01:46:36,109 --> 01:46:32,760  
oh flying monkeys I get the ruby

2113  
01:46:40,930 --> 01:46:36,119

slippers now oh man okay

2114

01:46:46,790 --> 01:46:44,750

uh let's see reading this for the first

2115

01:46:48,770 --> 01:46:46,800

time Jimmy have you had Dean Raiden on

2116

01:46:51,250 --> 01:46:48,780

the show if not you should I've had him

2117

01:46:56,530 --> 01:46:51,260

on the show twice Dean Raiden is amazing

2118

01:47:00,290 --> 01:46:58,850

I should get Dean back on the show he's

2119

01:47:01,629 --> 01:47:00,300

amazing this is one of the smartest

2120

01:47:05,090 --> 01:47:01,639

people that I know

2121

01:47:06,890 --> 01:47:05,100

Skyhawk 88 says would consider doing a

2122

01:47:09,229 --> 01:47:06,900

VIP weekend ghost hunt with Dave

2123

01:47:10,550 --> 01:47:09,239

Schrader I would love to do that I would

2124

01:47:13,370 --> 01:47:10,560

jump on that

2125

01:47:16,450 --> 01:47:13,380

um yeah that Dave and I that would be

2126

01:47:16,460 --> 01:47:20,930

when and where could a Waverly

2127

01:47:25,310 --> 01:47:23,570

I go to Waverly with Schrader but we

2128

01:47:28,729 --> 01:47:25,320

need a couple of big dudes and we would

2129

01:47:32,390 --> 01:47:28,739

need okay so we need uh we need a medium

2130

01:47:34,609 --> 01:47:32,400

I need a bodyguard I need a body I need

2131

01:47:37,070 --> 01:47:34,619

somebody big Schrader Schrader is a big

2132

01:47:39,050 --> 01:47:37,080

dude but he's not a bodyguard type he's

2133

01:47:42,410 --> 01:47:39,060

an investigator so you we would need

2134

01:47:45,470 --> 01:47:42,420

four we would need me the the paranoid

2135

01:47:47,570 --> 01:47:45,480

doofus that scared Dave Schrader the

2136

01:47:49,370 --> 01:47:47,580

intelligent guy the medium that's

2137

01:47:51,229 --> 01:47:49,380

connecting with The Ghost and the

2138

01:47:53,169 --> 01:47:51,239

friggin bodyguard that would make me

2139

01:47:56,810 --> 01:47:53,179

feel safe some

2140

01:47:59,330 --> 01:47:56,820

dude I I I have them

2141

01:48:01,550 --> 01:47:59,340

so that's what that would be fun

2142

01:48:03,770 --> 01:48:01,560

that's a really great idea thank you for

2143

01:48:06,609 --> 01:48:03,780

that Skyhawk that's a really great idea

2144

01:48:12,709 --> 01:48:06,619

I'm gonna put that on the front burner

2145

01:48:18,050 --> 01:48:15,649

Spirit of the trees Jimmy what are

2146

01:48:20,930 --> 01:48:18,060

what are genuine thoughts on the

2147

01:48:22,850 --> 01:48:20,940

Sasquatch Nation

2148

01:48:25,970 --> 01:48:22,860

I'm still in the

2149

01:48:31,990 --> 01:48:28,609

UFOs though I'm in the middle and here's

2150

01:48:37,990 --> 01:48:32,000

the fence I'm I'm here one side

2151  
01:48:41,270 --> 01:48:38,000  
Sasquatch is uh an Undiscovered species

2152  
01:48:43,970 --> 01:48:41,280  
hiding from men just biological just

2153  
01:48:46,250 --> 01:48:43,980  
just a primate wandering around the

2154  
01:48:48,290 --> 01:48:46,260  
woods avoiding contact with humans

2155  
01:48:50,390 --> 01:48:48,300  
there's that and then you have the other

2156  
01:48:57,310 --> 01:48:50,400  
side which is everything

2157  
01:49:03,350 --> 01:49:00,590  
everything's got you know Sasquatches

2158  
01:49:04,910 --> 01:49:03,360  
um and I'm I'm like in the middle I'm in

2159  
01:49:07,870 --> 01:49:04,920  
the middle I'm in the middle I don't

2160  
01:49:10,010 --> 01:49:07,880  
know what side of that Android

2161  
01:49:11,689 --> 01:49:10,020  
paranormal thank you for that too as

2162  
01:49:14,390 --> 01:49:11,699  
well and you guys are cool

2163  
01:49:15,890 --> 01:49:14,400

uh ten bucks yeah that's cool I really

2164

01:49:16,550 --> 01:49:15,900

appreciate it

2165

01:49:18,709 --> 01:49:16,560

um

2166

01:49:21,709 --> 01:49:18,719

I'm in the middle

2167

01:49:23,030 --> 01:49:21,719

oh yeah uh and it may be a combination

2168

01:49:26,689 --> 01:49:23,040

of both

2169

01:49:29,330 --> 01:49:26,699

now or uh is there a third is there a

2170

01:49:33,950 --> 01:49:29,340

third selection

2171

01:49:37,930 --> 01:49:36,229

yeah anything is possible

2172

01:49:39,830 --> 01:49:37,940

Anything is Possible

2173

01:49:43,050 --> 01:49:39,840

okay

2174

01:49:43,060 --> 01:49:49,430

[Music]

2175

01:49:54,229 --> 01:49:51,109

oh man

2176

01:49:56,510 --> 01:49:54,239

I'm starting to see double there is so

2177

01:49:58,729 --> 01:49:56,520

much stuff here tonight okay I'm gonna

2178

01:50:02,090 --> 01:49:58,739

go to the end let's go to the end and

2179

01:50:04,490 --> 01:50:02,100

I'll go backwards there is a Big Foot

2180

01:50:06,590 --> 01:50:04,500

okay so I'm officially at the end thank

2181

01:50:08,270 --> 01:50:06,600

you for that

2182

01:50:10,910 --> 01:50:08,280

um do you believe the arrow

2183

01:50:13,490 --> 01:50:10,920

whistleblower letter that James Fox read

2184

01:50:18,169 --> 01:50:13,500

is proof Kirkpatrick is purposefully

2185

01:50:22,129 --> 01:50:18,179

playing dumb about E.T publicly to

2186

01:50:24,770 --> 01:50:22,139

prevent an avalanche of press okay and

2187

01:50:26,950 --> 01:50:24,780

and and thank you for this

2188

01:50:32,390 --> 01:50:30,050

Kirkpatrick Sean Kirkpatrick

2189

01:50:35,930 --> 01:50:32,400

um is an enigma

2190

01:50:38,629 --> 01:50:35,940

let me explain he's an enigma he wrote

2191

01:50:40,669 --> 01:50:38,639

that paper co-authored with Avi lobe

2192

01:50:42,010 --> 01:50:40,679

about alien motherships you know

2193

01:50:45,950 --> 01:50:42,020

possibly

2194

01:50:49,310 --> 01:50:45,960

dropping off probes uh to planets and in

2195

01:50:52,010 --> 01:50:49,320

our solar system and and you know to and

2196

01:50:55,189 --> 01:50:52,020

and and so and then a few weeks later

2197

01:50:57,470 --> 01:50:55,199

shows up at Senate with Jilla brand and

2198

01:50:59,090 --> 01:50:57,480

says absolutely nothing that E.T is not

2199

01:51:01,129 --> 01:50:59,100

part of what he does and he has no

2200

01:51:03,530 --> 01:51:01,139

evidence of E.T it's like weird right

2201

01:51:04,370 --> 01:51:03,540

it's like this Enigma

2202

01:51:06,709 --> 01:51:04,380

um

2203

01:51:08,629 --> 01:51:06,719

I talked to James Fox today and I'm

2204

01:51:11,330 --> 01:51:08,639

going to speak to James Fox about some

2205

01:51:13,430 --> 01:51:11,340

other stuff tomorrow I'm gonna ask him

2206

01:51:15,470 --> 01:51:13,440

his thoughts on this so tomorrow on

2207

01:51:20,030 --> 01:51:15,480

tomorrow night's show

2208

01:51:24,169 --> 01:51:20,040

um I'll Circle back uh with with uh his

2209

01:51:28,250 --> 01:51:24,179

take on that but Kirkpatrick is a DOD

2210

01:51:31,910 --> 01:51:28,260

guy he's a DOD guy he's a lifer he's a

2211

01:51:35,390 --> 01:51:31,920

lifer so is he gonna is he gonna toe the

2212

01:51:36,770 --> 01:51:35,400

line if he has to toe the line

2213

01:51:41,149 --> 01:51:36,780

um yes

2214

01:51:44,930 --> 01:51:41,159

I I believe that I think that he would

2215

01:51:44,940 --> 01:51:50,270

he would follow orders

2216

01:51:55,550 --> 01:51:53,689

when did you okay hold on I'm just when

2217

01:51:59,209 --> 01:51:55,560

did you stop hosting Coast to Coast AM

2218

01:51:59,219 --> 01:52:02,689

2021

2219

01:52:07,790 --> 01:52:04,910

yeah yeah it's right in the middle of

2220

01:52:10,310 --> 01:52:07,800

the pandemic 2020 2021 somewhere in

2221

01:52:12,709 --> 01:52:10,320

there I can't

2222

01:52:15,350 --> 01:52:12,719

um take a shot every time some Jimmy

2223

01:52:19,070 --> 01:52:15,360

says go back Lee Tepe I'll I'll get

2224

01:52:22,310 --> 01:52:19,080

everybody drunk we used to do that go

2225

01:52:27,109 --> 01:52:25,189

we used to do that we I think there was

2226

01:52:30,050 --> 01:52:27,119

a lot of drinking uh going on with go

2227

01:52:32,990 --> 01:52:30,060

back like Tempe especially

2228

01:52:36,010 --> 01:52:33,000

um Jimmy uh oh okay that's what I just

2229

01:52:40,609 --> 01:52:36,020

read that question was posted twice

2230

01:52:43,189 --> 01:52:40,619

uh uh sir no third one what do you eat I

2231

01:52:44,830 --> 01:52:43,199

know I know I know the third question

2232

01:52:47,629 --> 01:52:44,840

I think that would be a fourth question

2233

01:52:50,629 --> 01:52:47,639

but there would be 10 questions I would

2234

01:52:54,229 --> 01:52:50,639

ask E.T but definitely diet would come

2235

01:52:56,149 --> 01:52:54,239

into it at some point but

2236

01:52:58,189 --> 01:52:56,159

um but if I only have three questions

2237

01:53:01,310 --> 01:52:58,199

you know to start things off

2238

01:53:04,129 --> 01:53:01,320

you're kind of limited right but if I

2239

01:53:06,109 --> 01:53:04,139

can now the conversation

2240

01:53:10,149 --> 01:53:06,119

do you have music what about food what

2241

01:53:13,250 --> 01:53:10,159

about Arts what about movies right uh uh

2242

01:53:15,830 --> 01:53:13,260

the artistic side of things

2243

01:53:18,350 --> 01:53:15,840

right I I would definitely want to get

2244

01:53:20,870 --> 01:53:18,360

into all of that but yeah where does

2245

01:53:22,810 --> 01:53:20,880

your energy come from right

2246

01:53:26,209 --> 01:53:22,820

yeah yeah

2247

01:53:30,310 --> 01:53:26,219

sex we want to know about that how do

2248

01:53:34,850 --> 01:53:30,320

you guys you know it oh it's I'm yes

2249

01:53:38,530 --> 01:53:34,860

yeah there's a whole list of things uh

2250

01:53:41,270 --> 01:53:38,540

that would come in uh and yeah yeah

2251

01:53:42,350 --> 01:53:41,280

the fourth question is if I go back with

2252

01:53:50,990 --> 01:53:42,360

you

2253

01:53:54,229 --> 01:53:51,000

which which planet

2254

01:53:57,709 --> 01:53:54,239

how old do you think the planet is our

2255

01:54:01,550 --> 01:53:59,990

it's a tough one I don't think we

2256

01:54:06,050 --> 01:54:01,560

actually know for sure

2257

01:54:08,629 --> 01:54:06,060

all right now there are things

2258

01:54:12,229 --> 01:54:08,639

um accumulated knowledge and the

2259

01:54:15,070 --> 01:54:12,239

accepted number is four and a half

2260

01:54:17,990 --> 01:54:15,080

billion years that's our planet our sun

2261

01:54:20,330 --> 01:54:18,000

our solar system four and a half billion

2262

01:54:24,109 --> 01:54:20,340

years old all right so that's the

2263

01:54:25,930 --> 01:54:24,119

accepted number that is thrown around

2264

01:54:28,629 --> 01:54:25,940

um life

2265

01:54:34,250 --> 01:54:28,639

on this planet

2266

01:54:37,129 --> 01:54:34,260

adjust right because for two billion

2267

01:54:39,470 --> 01:54:37,139

years it was nothing but molten lava

2268

01:54:44,030 --> 01:54:39,480

there were no trees everything was

2269

01:54:45,709 --> 01:54:44,040

molten lava volcanoes all that the other

2270

01:54:50,410 --> 01:54:45,719

stuff came later and the planet cooled

2271

01:54:54,830 --> 01:54:50,420

down and things so uh we've had

2272

01:54:56,689 --> 01:54:54,840

allegedly about two billion years of

2273

01:55:00,350 --> 01:54:56,699

life

2274

01:55:02,930 --> 01:55:00,360

okay microbial the Kickstart and then

2275

01:55:05,750 --> 01:55:02,940

and then moving forward all of this is

2276

01:55:08,450 --> 01:55:05,760

allegedly so how old is the planet okay

2277

01:55:10,129 --> 01:55:08,460

but how long has life been on this

2278

01:55:12,470 --> 01:55:10,139

planet okay that's another number and

2279

01:55:15,229 --> 01:55:12,480

then how long has intelligent life

2280

01:55:17,330 --> 01:55:15,239

sentient life uh been on this planet all

2281

01:55:18,890 --> 01:55:17,340

three different things so Planet four

2282

01:55:21,290 --> 01:55:18,900

and a half billion years old that's what

2283

01:55:23,390 --> 01:55:21,300

you're talking about planet Earth so

2284

01:55:26,570 --> 01:55:23,400

there you go okay let me back up I've

2285

01:55:29,169 --> 01:55:26,580

got time for maybe one more question

2286

01:55:34,370 --> 01:55:29,179

and I'm just

2287

01:55:37,189 --> 01:55:34,380

uh yes okay this is Jimmy have you seen

2288

01:55:40,430 --> 01:55:37,199

the show from yes if so what are your

2289

01:55:43,609 --> 01:55:40,440

thoughts excellent now it wasn't what I

2290

01:55:47,270 --> 01:55:43,619

thought I I almost didn't watch from

2291

01:55:50,450 --> 01:55:47,280

okay all right

2292

01:55:52,370 --> 01:55:50,460

zombies well it's not really zombies as

2293

01:55:54,229 --> 01:55:52,380

it turns out and there's a pretty cool

2294

01:55:57,830 --> 01:55:54,239

backstory here

2295

01:56:01,790 --> 01:55:57,840

from is second season

2296

01:56:03,590 --> 01:56:01,800

is about this town that if you drive to

2297

01:56:05,750 --> 01:56:03,600

it you can't leave

2298

01:56:07,850 --> 01:56:05,760

right so you're on a road and it circles

2299

01:56:12,229 --> 01:56:07,860

back and you're stuck in this town

2300

01:56:16,370 --> 01:56:12,239

and so everybody that lives there

2301

01:56:18,709 --> 01:56:16,380

um uh our our new friends well some have

2302

01:56:21,850 --> 01:56:18,719

been there for a while but

2303

01:56:24,950 --> 01:56:21,860

at night

2304

01:56:27,410 --> 01:56:24,960

the baddies come out

2305

01:56:30,950 --> 01:56:27,420

and they're kind of freaky

2306

01:56:33,410 --> 01:56:30,960

so somebody shows up at your door knocks

2307

01:56:35,750 --> 01:56:33,420

and says hey

2308

01:56:38,149 --> 01:56:35,760

I'm lonely can you come out and play

2309

01:56:42,590 --> 01:56:38,159

with me and just man you know I'm just

2310

01:56:46,910 --> 01:56:42,600

you know you know the weird smiles

2311

01:56:49,609 --> 01:56:46,920

come on you know yeah to coach you to to

2312

01:56:51,770 --> 01:56:49,619

go outside and then they eat you

2313

01:56:56,390 --> 01:56:51,780

like literally

2314

01:57:00,530 --> 01:56:56,400

um but don't let that take away from the

2315

01:57:03,410 --> 01:57:00,540

writers and creators of the TV show Lost

2316

01:57:07,370 --> 01:57:03,420

are the writers and creators of this

2317

01:57:11,149 --> 01:57:07,380

show from it's in its second season

2318

01:57:16,070 --> 01:57:11,159

um it's pretty good man it's pretty dang

2319

01:57:25,189 --> 01:57:16,080

good so I I am I am addicted to it

2320

01:57:29,870 --> 01:57:28,129

the drag is I have one I'm out of time

2321

01:57:31,910 --> 01:57:29,880

the drag is

2322

01:57:33,950 --> 01:57:31,920

I I'd like to binge everything all at

2323

01:57:35,510 --> 01:57:33,960

once and I'm stuck on from I have to

2324

01:57:37,790 --> 01:57:35,520

wait every week

2325

01:57:39,470 --> 01:57:37,800

for the new episode to come out Jimmy

2326

01:57:44,330 --> 01:57:39,480

have you read the book

2327

01:57:45,950 --> 01:57:44,340

alien interview by Lawrence Spencer no I

2328

01:57:50,270 --> 01:57:45,960

have not

2329

01:57:53,030 --> 01:57:50,280

um and that is from disarray I will uh I

2330

01:57:56,450 --> 01:57:53,040

will I will order that next

2331

01:57:59,330 --> 01:57:56,460

alien interview uh have you read Real

2332

01:58:01,910 --> 01:57:59,340

Magic by Dean Raiden I have I have that

2333

01:58:04,070 --> 01:58:01,920

book I actually have that book

2334

01:58:05,570 --> 01:58:04,080

so there you go all right I'm out of

2335

01:58:10,750 --> 01:58:05,580

here uh what am I doing tomorrow night

2336

01:58:12,709 --> 01:58:10,760

tomorrow night on the show we have

2337

01:58:15,050 --> 01:58:12,719

[Music]

2338

01:58:17,870 --> 01:58:15,060

let me see here hold on

2339

01:58:19,430 --> 01:58:17,880

tomorrow night on Fade to Black is oh

2340

01:58:20,930 --> 01:58:19,440

yeah tomorrow night Whitley streamer

2341

01:58:23,030 --> 01:58:20,940

live from the UK

2342

01:58:27,350 --> 01:58:23,040

tomorrow night Whitley's treeber is here

2343

01:58:29,810 --> 01:58:27,360

his new book called them is number one

2344

01:58:33,709 --> 01:58:29,820

right now so tomorrow night Whitley

2345

01:58:36,350 --> 01:58:33,719

Streep is with us I am so happy uh

2346

01:58:38,810 --> 01:58:36,360

that this book has taken off it is

2347

01:58:41,570 --> 01:58:38,820

something that makes me feel really

2348

01:58:43,550 --> 01:58:41,580

really good all right Fade to Black is

2349

01:58:46,189 --> 01:58:43,560

produced by Hilton J Palm Renee Newman

2350

01:58:48,169 --> 01:58:46,199

and Michelle freed very special thanks

2351

01:58:50,709 --> 01:58:48,179

to Dennis and Kevin webmasters Drew the

2352

01:58:52,669 --> 01:58:50,719

geek music Doug Oliver's intro space boy

2353

01:58:54,589 --> 01:58:52,679

spaceboymusic.com Fade to Black is

2354

01:58:56,750 --> 01:58:54,599

produced by kjcr of the game changer

2355

01:58:59,930 --> 01:58:56,760

network is broadcasting his own and

2356

01:59:01,970 --> 01:58:59,940

copyrighted 2023 by Fade to Black in the

2357

01:59:03,950 --> 01:59:01,980

game changer number King it cannot be

2358

01:59:05,629 --> 01:59:03,960

rebroadcast downloaded copied or used

2359

01:59:07,370 --> 01:59:05,639

anywhere in the known universe without

2360

01:59:08,629 --> 01:59:07,380

written permission from Fade to Black in

2361

01:59:10,550 --> 01:59:08,639

the game changer Network I'm Yours

2362

01:59:13,910 --> 01:59:10,560

Champion Church until tomorrow night

2363

01:59:16,550 --> 01:59:13,920

with Whitley streamer that's right

2364

01:59:24,910 --> 01:59:16,560

I want you to be safe

2365

01:59:24,920 --> 01:59:36,350

[Music]
