

# FADE TO BLACK

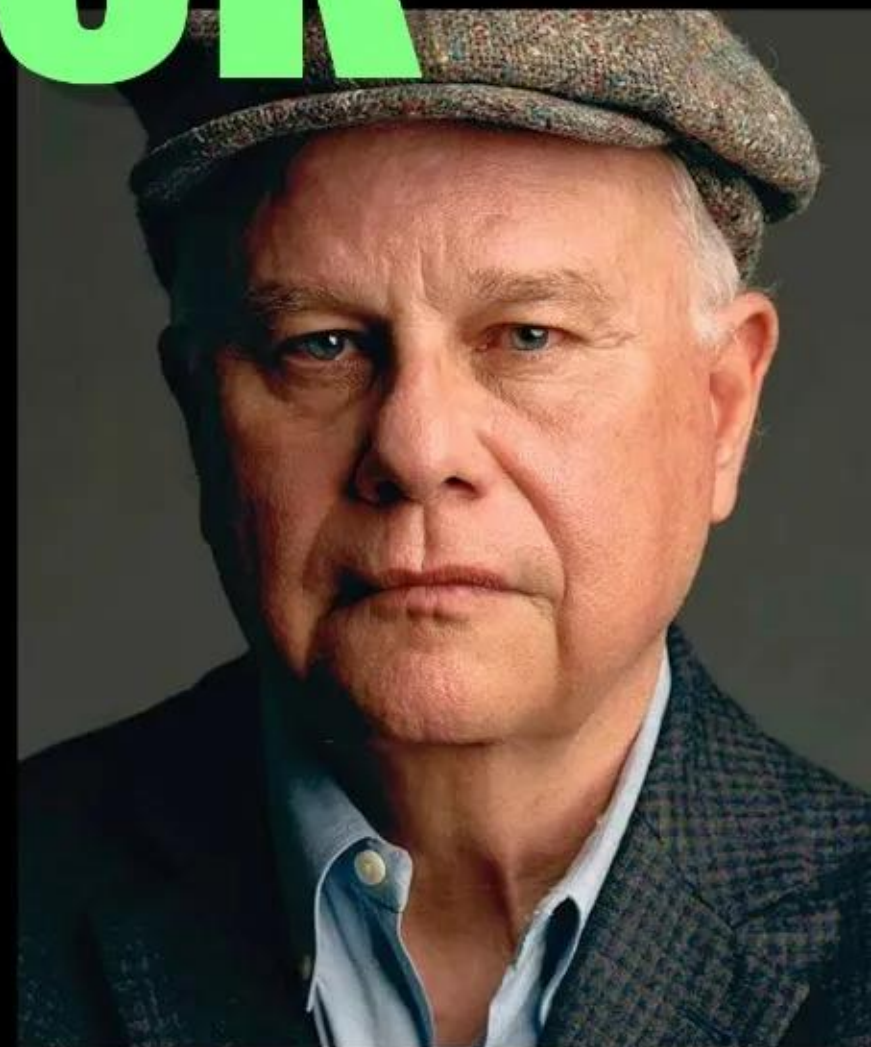

with JIMMY CHURCH  
PRESENTS

## WHITLEY STRIEBER

NEW #1 BOOK: 'THEM'

TUE MAY 16 **LIVE**

700-900PM PT

1  
00:00:01,979 --> 00:00:11,530  
foreign

2  
00:00:11,540 --> 00:00:28,929  
[Music]

3  
00:00:33,770 --> 00:00:31,609  
Air Forces has announced that a flying

4  
00:00:35,389 --> 00:00:33,780  
disc has been found and is now in the

5  
00:00:38,450 --> 00:00:35,399  
possession of the army

6  
00:00:42,170 --> 00:00:38,460  
game is worth change the game game

7  
00:00:45,770 --> 00:00:42,180  
changer I occasionally think how quickly

8  
00:00:49,190 --> 00:00:45,780  
our differences worldwide would vanish

9  
00:00:50,530 --> 00:00:49,200  
if we were facing an alien threat from

10  
00:00:52,350 --> 00:00:50,540  
outside this work

11  
00:00:52,530 --> 00:00:52,360  
[Music]

12  
00:00:54,850 --> 00:00:52,540  
[Applause]

13  
00:00:57,770 --> 00:00:54,860

[Music]

14

00:01:00,650 --> 00:00:57,780

this is Fade to Black with your host

15

00:01:01,300 --> 00:01:00,660

Jimmy Church on the game changer Radio

16

00:01:05,350 --> 00:01:01,310

Network

17

00:01:10,010 --> 00:01:05,360

[Music]

18

00:01:13,370 --> 00:01:10,020

good evening everyone it is Tuesday May

19

00:01:15,469 --> 00:01:13,380

16 2023 I am your host Jimmy church and

20

00:01:18,649 --> 00:01:15,479

tonight well this is Fade to Black by

21

00:01:22,910 --> 00:01:18,659

the way tonight Whitley streber joins us

22

00:01:26,030 --> 00:01:22,920

and Whitley is here to talk about his

23

00:01:28,550 --> 00:01:26,040

new number one best-selling book it is

24

00:01:30,710 --> 00:01:28,560

called them he's live from the United

25

00:01:32,270 --> 00:01:30,720

Kingdom tonight normally he's uh you

26

00:01:35,749 --> 00:01:32,280

know right down the street from me here

27

00:01:37,370 --> 00:01:35,759

uh I miss him dearly already and he's

28

00:01:40,069 --> 00:01:37,380

live from England and here's the thing

29

00:01:41,749 --> 00:01:40,079

I'm not going to go through a long bio

30

00:01:43,850 --> 00:01:41,759

tonight with Whitley no I want to get

31

00:01:45,789 --> 00:01:43,860

straight to the show but the facts are

32

00:01:48,350 --> 00:01:45,799

the facts his website

33

00:01:49,910 --> 00:01:48,360

unknowncountry.com is among the largest

34

00:01:53,389 --> 00:01:49,920

in the world dealing with paranormal

35

00:01:58,190 --> 00:01:53,399

phenomena and his podcast Dreamland has

36

00:02:01,370 --> 00:01:58,200

produced weekly for over 20 years and

37

00:02:03,889 --> 00:02:01,380

that is all I have to say I'm just going

38

00:02:06,889 --> 00:02:03,899

to go straight to it say Whitley good

39

00:02:10,430 --> 00:02:06,899

morning young man how are

40

00:02:13,250 --> 00:02:10,440

good morning it's good to be be here

41

00:02:14,630 --> 00:02:13,260

good morning for me yeah I it's about

42

00:02:16,910 --> 00:02:14,640

three o'clock in the morning here or

43

00:02:18,610 --> 00:02:16,920

something yeah yeah

44

00:02:21,050 --> 00:02:18,620

very quiet

45

00:02:23,210 --> 00:02:21,060

this is this is a thing

46

00:02:25,250 --> 00:02:23,220

I remember you telling me once many

47

00:02:28,210 --> 00:02:25,260

years ago you said Jimmy

48

00:02:32,869 --> 00:02:28,220

I get up at 3am to meditate every night

49

00:02:36,910 --> 00:02:32,879

I do I I I am good well now tonight

50

00:02:43,550 --> 00:02:41,089

exactly exactly and uh but uh

51  
00:02:44,509 --> 00:02:43,560  
congratulations uh the book is number

52  
00:02:46,910 --> 00:02:44,519  
one

53  
00:02:49,550 --> 00:02:46,920  
um it's got to make you feel pretty good

54  
00:02:51,710 --> 00:02:49,560  
yeah it's people are people are liking

55  
00:02:53,509 --> 00:02:51,720  
the book uh it's a you know a lot of

56  
00:02:55,369 --> 00:02:53,519  
hard work went into that it's

57  
00:02:56,509 --> 00:02:55,379  
two years of

58  
00:02:57,850 --> 00:02:56,519  
work

59  
00:03:00,350 --> 00:02:57,860  
and

60  
00:03:03,290 --> 00:03:00,360  
mucho trouble it was a hard book to

61  
00:03:07,309 --> 00:03:03,300  
write on a lot of different levels but

62  
00:03:08,570 --> 00:03:07,319  
uh I'm glad there's a response because

63  
00:03:15,710 --> 00:03:08,580

of

64

00:03:20,149 --> 00:03:15,720

in though and say that um uh you and I

65

00:03:22,369 --> 00:03:20,159

talk a lot and it seemed that and and

66

00:03:24,229 --> 00:03:22,379

you know and we talk and and we hang out

67

00:03:27,170 --> 00:03:24,239

in those things but

68

00:03:29,330 --> 00:03:27,180

um every time that I talk to you

69

00:03:31,250 --> 00:03:29,340

um lately over the last couple of years

70

00:03:33,470 --> 00:03:31,260

Jimmy you know honestly man I gotta get

71

00:03:35,869 --> 00:03:33,480

back to work I gotta get back to work I

72

00:03:40,070 --> 00:03:35,879

gotta get back I gotta get that was it

73

00:03:43,309 --> 00:03:40,080

yeah yeah your passion uh about this uh

74

00:03:45,530 --> 00:03:43,319

has been very apparent uh over over the

75

00:03:47,930 --> 00:03:45,540

last two years and and it's the subject

76

00:03:49,430 --> 00:03:47,940

of the book too as well

77

00:03:51,229 --> 00:03:49,440

um which we're going to be discussing

78

00:03:54,830 --> 00:03:51,239

tonight but here's the thing

79

00:03:59,990 --> 00:03:54,840

the forward is Jacques valet

80

00:04:02,089 --> 00:04:00,000

um how did that happen and and well can

81

00:04:05,089 --> 00:04:02,099

you discuss that yeah the first thing

82

00:04:10,390 --> 00:04:05,099

that I I sent the book to Mitch Horowitz

83

00:04:13,030 --> 00:04:10,400

Jacques Valley Diana pasoka uh uh uh

84

00:04:16,550 --> 00:04:13,040

Jeff kreipel

85

00:04:21,430 --> 00:04:16,560

John Alexander uh and a number of other

86

00:04:25,070 --> 00:04:21,440

people uh Colin Kelleher Hal putoff

87

00:04:27,110 --> 00:04:25,080

and uh quite a few

88

00:04:29,930 --> 00:04:27,120

and

89

00:04:33,110 --> 00:04:29,940

I got back I asked for blurbs I didn't

90

00:04:35,810 --> 00:04:33,120

ask anybody for anything else I got back

91

00:04:37,370 --> 00:04:35,820

from Mitch Horowitz two days later I

92

00:04:41,330 --> 00:04:37,380

mean he devoured the book in a couple

93

00:04:43,730 --> 00:04:41,340

days and wrote a preface to it saying it

94

00:04:45,770 --> 00:04:43,740

was the most important book on the

95

00:04:49,370 --> 00:04:45,780

subject since uh Jacques ballet's

96

00:04:53,210 --> 00:04:49,380

passport to Magonia and then

97

00:04:56,270 --> 00:04:53,220

about a week later Jacques himself

98

00:04:58,310 --> 00:04:56,280

comes back with a forward essentially

99

00:05:01,790 --> 00:04:58,320

saying that the book is essential

100

00:05:04,790 --> 00:05:01,800

reading uh because uh especially for

101

00:05:07,909 --> 00:05:04,800

policy makers because it talks a lot

102

00:05:08,990 --> 00:05:07,919

about the need to develop coherent

103

00:05:11,629 --> 00:05:09,000

policy

104

00:05:13,430 --> 00:05:11,639

and also what

105

00:05:16,129 --> 00:05:13,440

whatever is here

106

00:05:18,469 --> 00:05:16,139

his policy towards us is because they do

107

00:05:20,870 --> 00:05:18,479

have policies they have consistent

108

00:05:23,870 --> 00:05:20,880

policies and if you look carefully into

109

00:05:27,170 --> 00:05:23,880

the into the into this record you can

110

00:05:29,689 --> 00:05:27,180

find those policies so the those and

111

00:05:32,029 --> 00:05:29,699

then Jack then Jeff kreifel says Whitley

112

00:05:35,570 --> 00:05:32,039

I've got to write an afterward because

113

00:05:37,129 --> 00:05:35,580

Jeff went through

114

00:05:40,430 --> 00:05:37,139

with me

115

00:05:42,770 --> 00:05:40,440

the trouble that came because of this

116

00:05:43,969 --> 00:05:42,780

book because what some things I had

117

00:05:47,990 --> 00:05:43,979

written

118

00:05:52,370 --> 00:05:48,000

before they were published they caused a

119

00:05:54,110 --> 00:05:52,380

major kerfuffle and uh that my apartment

120

00:05:55,610 --> 00:05:54,120

was broken into

121

00:05:57,469 --> 00:05:55,620

my

122

00:05:59,570 --> 00:05:57,479

a lot of things happened anyway we'll

123

00:06:03,050 --> 00:05:59,580

get into that but

124

00:06:04,370 --> 00:06:03,060

uh so he wrote it afterward and then all

125

00:06:05,689 --> 00:06:04,380

of the others

126

00:06:09,890 --> 00:06:05,699

uh

127

00:06:12,350 --> 00:06:09,900

I didn't I mentioned him everyone else

128

00:06:16,210 --> 00:06:12,360

wrote blurbs so it's got a lot of

129

00:06:19,850 --> 00:06:17,749

you

130

00:06:21,590 --> 00:06:19,860

um I I want to talk about Mitch Horace

131

00:06:25,370 --> 00:06:21,600

for a second

132

00:06:29,270 --> 00:06:25,380

um Mitch and then we're gonna uh get

133

00:06:32,629 --> 00:06:29,280

going here but but Mitch is uh somebody

134

00:06:34,309 --> 00:06:32,639

that I have the greatest respect for uh

135

00:06:35,870 --> 00:06:34,319

because of his

136

00:06:38,450 --> 00:06:35,880

um well first off he's just an

137

00:06:43,189 --> 00:06:38,460

all-around nice guy right but he's very

138

00:06:47,809 --> 00:06:43,199

smart and his family yeah yeah his

139

00:06:49,790 --> 00:06:47,819

foundation is is solid he he's just got

140

00:06:52,430 --> 00:06:49,800

so much research and so much knowledge

141

00:06:55,430 --> 00:06:52,440

right and and then there's the literary

142

00:06:58,189 --> 00:06:55,440

side of him too as well he's just an

143

00:07:00,950 --> 00:06:58,199

extraordinarily intelligent person and

144

00:07:05,629 --> 00:07:00,960

so for him to come back and and mention

145

00:07:09,129 --> 00:07:05,639

to you uh comparing your work uh this

146

00:07:12,650 --> 00:07:09,139

latest work uh them uh to Jacques valet

147

00:07:14,390 --> 00:07:12,660

that that that hits home I mean that's

148

00:07:16,189 --> 00:07:14,400

coming from yeah that was that was

149

00:07:18,409 --> 00:07:16,199

pretty pretty impressive I was very

150

00:07:21,290 --> 00:07:18,419

grateful for that I have to tell you

151  
00:07:24,950 --> 00:07:21,300  
and uh and then

152  
00:07:28,430 --> 00:07:24,960  
thing is that he he says in the preface

153  
00:07:31,670 --> 00:07:28,440  
he mentioned shock's book and then then

154  
00:07:33,469 --> 00:07:31,680  
the forward is from Jacques and they

155  
00:07:36,969 --> 00:07:33,479  
didn't have any idea

156  
00:07:38,660 --> 00:07:36,979  
that either of them was writing anything

157  
00:07:40,189 --> 00:07:38,670  
is that sneaky

158  
00:07:43,390 --> 00:07:40,199  
[Laughter]

159  
00:07:45,950 --> 00:07:43,400  
I don't know I just fell together

160  
00:07:49,129 --> 00:07:45,960  
did you did you meditate did you

161  
00:07:51,170 --> 00:07:49,139  
manifest that right did you you reach

162  
00:07:54,350 --> 00:07:51,180  
out to me I just

163  
00:07:56,689 --> 00:07:54,360

I just tried to just you know get some

164

00:08:00,110 --> 00:07:56,699

notice and some support for my book and

165

00:08:04,070 --> 00:08:00,120

it worked very well as it turned out the

166

00:08:06,290 --> 00:08:04,080

um uh you were okay I want to talk about

167

00:08:09,290 --> 00:08:06,300

the issues at your house uh for a second

168

00:08:10,790 --> 00:08:09,300

uh if you don't mind and you can go as

169

00:08:13,490 --> 00:08:10,800

far as you want to go

170

00:08:16,129 --> 00:08:13,500

um but when

171

00:08:18,890 --> 00:08:16,139

um everything started to go down

172

00:08:20,689 --> 00:08:18,900

um you had called me and and we talked

173

00:08:24,110 --> 00:08:20,699

and you had sent me some videos okay

174

00:08:26,350 --> 00:08:24,120

that's all I'm gonna say right yeah I'm

175

00:08:30,529 --> 00:08:26,360

getting this update nearly in real time

176

00:08:34,430 --> 00:08:30,539

and uh and we talked through that later

177

00:08:35,750 --> 00:08:34,440

that week or it was shortly after that

178

00:08:37,550 --> 00:08:35,760

it was days but

179

00:08:40,550 --> 00:08:37,560

um you came out to my house for dinner

180

00:08:43,250 --> 00:08:40,560

right and and

181

00:08:46,130 --> 00:08:43,260

um I gave you some grief I said Whitley

182

00:08:48,410 --> 00:08:46,140

we were sitting out now you know I feel

183

00:08:49,670 --> 00:08:48,420

kind of bad about it but we're sitting

184

00:08:51,829 --> 00:08:49,680

out and we had a bunch of people that

185

00:08:54,889 --> 00:08:51,839

were having a great time and you who

186

00:08:58,250 --> 00:08:54,899

were watching the cameras on your house

187

00:09:00,290 --> 00:08:58,260

on your phone right that's right it sure

188

00:09:03,769 --> 00:09:00,300

was yeah yeah yeah and I go Whitley

189

00:09:06,190 --> 00:09:03,779

focus focus we're talking to you and and

190

00:09:09,889 --> 00:09:06,200

and at that time

191

00:09:13,490 --> 00:09:09,899

to have that kind of stuff go down it's

192

00:09:15,829 --> 00:09:13,500

an intrusion into your space Oh yeah I

193

00:09:18,470 --> 00:09:15,839

mean what did that I could I can watch

194

00:09:20,570 --> 00:09:18,480

the cameras right now from here I know

195

00:09:22,850 --> 00:09:20,580

you can you probably are

196

00:09:25,009 --> 00:09:22,860

um but not at the moment

197

00:09:28,070 --> 00:09:25,019

um what was I you know you're my friend

198

00:09:30,470 --> 00:09:28,080

and I was watching uh I saw your

199

00:09:33,949 --> 00:09:30,480

demeanor change over that uh that month

200

00:09:36,710 --> 00:09:33,959

or so uh when all of this was going down

201  
00:09:38,570 --> 00:09:36,720  
um how did you how did you deal with it

202  
00:09:41,090 --> 00:09:38,580  
because you have to reach down inside of

203  
00:09:44,210 --> 00:09:41,100  
yourself and and get through it nobody's

204  
00:09:48,650 --> 00:09:44,220  
gonna get through it for you but you

205  
00:09:50,570 --> 00:09:48,660  
well I I focused on the fact that the

206  
00:09:52,490 --> 00:09:50,580  
book would be published it would be

207  
00:09:54,590 --> 00:09:52,500  
written and it would be published

208  
00:09:55,910 --> 00:09:54,600  
that was my focus

209  
00:09:56,990 --> 00:09:55,920  
and

210  
00:10:01,370 --> 00:09:57,000  
um

211  
00:10:05,509 --> 00:10:03,050  
the first thing that happened was that

212  
00:10:07,790 --> 00:10:05,519  
all a series of explosions

213  
00:10:09,290 --> 00:10:07,800

around the house which were mostly those

214

00:10:10,490 --> 00:10:09,300

were probably the videos I showed you

215

00:10:12,050 --> 00:10:10,500

because those are the they were all

216

00:10:14,509 --> 00:10:12,060

picked up on video

217

00:10:17,810 --> 00:10:14,519

and um

218

00:10:20,630 --> 00:10:17,820

then the next thing where the

219

00:10:23,389 --> 00:10:20,640

what's the the break-in

220

00:10:25,910 --> 00:10:23,399

which it was

221

00:10:28,910 --> 00:10:25,920

strange because

222

00:10:31,430 --> 00:10:28,920

you know they didn't need to do it they

223

00:10:33,650 --> 00:10:31,440

didn't need to there there was no sign

224

00:10:36,170 --> 00:10:33,660

of a break-in when I

225

00:10:38,630 --> 00:10:36,180

came home for my assist to give the

226

00:10:41,090 --> 00:10:38,640

listeners or are you on video now are we

227

00:10:44,329 --> 00:10:41,100

on videos yeah we are we are oh oh okay

228

00:10:50,389 --> 00:10:44,339

good now so the viewers and or listeners

229

00:10:53,630 --> 00:10:50,399

uh yeah an idea uh I I had gone out to

230

00:10:56,030 --> 00:10:53,640

exercises I do most mornings and it was

231

00:10:57,370 --> 00:10:56,040

about eight o'clock I came in

232

00:11:00,009 --> 00:10:57,380

and

233

00:11:02,449 --> 00:11:00,019

I I was

234

00:11:03,290 --> 00:11:02,459

noticed immediately as I walked into the

235

00:11:06,650 --> 00:11:03,300

bedroom

236

00:11:08,269 --> 00:11:06,660

that all my drawers were

237

00:11:10,430 --> 00:11:08,279

open

238

00:11:13,190 --> 00:11:10,440

and I thought holy God

239

00:11:15,949 --> 00:11:13,200

and there's no sign of any damage to the

240

00:11:17,090 --> 00:11:15,959

door of any kind it was just blocked as

241

00:11:20,090 --> 00:11:17,100

normal

242

00:11:21,550 --> 00:11:20,100

and I thought somebody's been in here

243

00:11:24,650 --> 00:11:21,560

and

244

00:11:27,410 --> 00:11:24,660

you know I called the cops but there was

245

00:11:29,269 --> 00:11:27,420

nothing to do because you know I I could

246

00:11:31,069 --> 00:11:29,279

have filed a police report but there was

247

00:11:33,290 --> 00:11:31,079

no evidence of anything

248

00:11:35,210 --> 00:11:33,300

except some open drawers there was no

249

00:11:38,269 --> 00:11:35,220

nothing there was nothing

250

00:11:41,389 --> 00:11:38,279

so uh

251

00:11:43,190 --> 00:11:41,399

I kind of thought you know maybe I

252

00:11:45,350 --> 00:11:43,200

better increase my security here because

253

00:11:46,670 --> 00:11:45,360

I did have the cameras but the thing

254

00:11:48,590 --> 00:11:46,680

that was

255

00:11:51,530 --> 00:11:48,600

that troubled me and it didn't trouble

256

00:11:53,810 --> 00:11:51,540

me right away but it troubled me when I

257

00:11:55,130 --> 00:11:53,820

really thought about it a few hours

258

00:11:59,750 --> 00:11:55,140

later

259

00:12:04,970 --> 00:11:59,760

that the router had been offline

260

00:12:07,069 --> 00:12:04,980

that morning for the first time in

261

00:12:09,190 --> 00:12:07,079

oh years

262

00:12:13,550 --> 00:12:09,200

something had happened the day before

263

00:12:17,630 --> 00:12:13,560

and I had gotten uh a notification that

264

00:12:20,329 --> 00:12:17,640

the that there was another computer

265

00:12:22,130 --> 00:12:20,339

trying to get onto my network

266

00:12:24,650 --> 00:12:22,140

and

267

00:12:27,110 --> 00:12:24,660

I thought to myself at the time this is

268

00:12:30,110 --> 00:12:27,120

I shouldn't get no one should even be

269

00:12:33,530 --> 00:12:30,120

able to see this network let alone

270

00:12:36,970 --> 00:12:33,540

get on to it so maybe I need a more

271

00:12:41,030 --> 00:12:36,980

secure router so I turned the router off

272

00:12:42,470 --> 00:12:41,040

that night and ordered a new router no

273

00:12:44,090 --> 00:12:42,480

it must have been yeah it was the day

274

00:12:45,889 --> 00:12:44,100

before it was afternoon

275

00:12:48,110 --> 00:12:45,899

before that it happened because I

276

00:12:51,110 --> 00:12:48,120

ordered a new router in time for it to

277

00:12:53,810 --> 00:12:51,120

come from Amazon overnight and it was

278

00:12:57,590 --> 00:12:53,820

gonna it was due there the next day

279

00:13:02,150 --> 00:12:57,600

and uh the day the break-in happened so

280

00:13:05,090 --> 00:13:02,160

the break-in happened on the only day

281

00:13:06,170 --> 00:13:05,100

that the router wasn't turned on in

282

00:13:09,769 --> 00:13:06,180

years

283

00:13:12,470 --> 00:13:09,779

and that creeped me out when I really

284

00:13:14,750 --> 00:13:12,480

thought about it I thought what in what

285

00:13:17,810 --> 00:13:14,760

could be going on here because it I then

286

00:13:21,650 --> 00:13:17,820

thought well whoever it was

287

00:13:23,569 --> 00:13:21,660

tried to they they were responsible for

288

00:13:26,810 --> 00:13:23,579

that intrusion attempt

289

00:13:28,430 --> 00:13:26,820

in the first place somebody with a lot

290

00:13:30,290 --> 00:13:28,440

of computer skill

291

00:13:32,210 --> 00:13:30,300

so why in the world would they come in

292

00:13:33,710 --> 00:13:32,220

here and open drawers I mean it's just

293

00:13:37,610 --> 00:13:33,720

pointless

294

00:13:39,829 --> 00:13:37,620

and you know I I ordered some new

295

00:13:43,490 --> 00:13:39,839

cameras and additional cameras I've now

296

00:13:46,310 --> 00:13:43,500

got two Interlocking Systems in the in

297

00:13:48,889 --> 00:13:46,320

the house it's very very secure do you

298

00:13:51,170 --> 00:13:48,899

remember you you called me I just want

299

00:13:54,769 --> 00:13:51,180

to share this with everybody because uh

300

00:13:57,350 --> 00:13:54,779

it it's funny now but Whitley calls

301  
00:13:59,509 --> 00:13:57,360  
me it's not not to me not yet I'm

302  
00:14:01,610 --> 00:13:59,519  
working on it

303  
00:14:04,069 --> 00:14:01,620  
uh Willie calls me because Jimmy I got a

304  
00:14:05,569 --> 00:14:04,079  
a question to ask you I said I said

305  
00:14:07,550 --> 00:14:05,579  
what's up but he goes

306  
00:14:09,170 --> 00:14:07,560  
um what kind of security system do you

307  
00:14:12,650 --> 00:14:09,180  
have what can you recommend I was like

308  
00:14:14,810 --> 00:14:12,660  
what what are you asking me and and

309  
00:14:16,690 --> 00:14:14,820  
that's when he said I need I need I need

310  
00:14:20,930 --> 00:14:16,700  
to seriously upgrade

311  
00:14:22,850 --> 00:14:20,940  
and and the the tone in your voice you

312  
00:14:24,470 --> 00:14:22,860  
don't call up a friend and ask you know

313  
00:14:27,110 --> 00:14:24,480

what kind of security system do you have

314

00:14:30,470 --> 00:14:27,120

unless there's a reason right

315

00:14:32,449 --> 00:14:30,480

yeah that's right yeah no I called you

316

00:14:36,230 --> 00:14:32,459

and you know I got a lot of help also

317

00:14:38,269 --> 00:14:36,240

from Jim semi van uh the CIA guy who he

318

00:14:39,590 --> 00:14:38,279

because he when he was in operations he

319

00:14:41,810 --> 00:14:39,600

was uh

320

00:14:44,689 --> 00:14:41,820

security

321

00:14:47,990 --> 00:14:44,699

was one of his expertise areas of

322

00:14:49,970 --> 00:14:48,000

expertise and so he advised me one of

323

00:14:52,430 --> 00:14:49,980

the things that has happened

324

00:14:55,610 --> 00:14:52,440

uh was that

325

00:14:58,790 --> 00:14:55,620

after this occurred I got a

326

00:15:01,970 --> 00:14:58,800

a electronic

327

00:15:04,129 --> 00:15:01,980

uh door lock and

328

00:15:06,949 --> 00:15:04,139

someone came

329

00:15:10,189 --> 00:15:06,959

and looked over the system

330

00:15:14,389 --> 00:15:10,199

and that their their image showed up on

331

00:15:15,769 --> 00:15:14,399

the on the electronic locks camera

332

00:15:19,129 --> 00:15:15,779

and

333

00:15:21,889 --> 00:15:19,139

as well as a video of them walking up

334

00:15:24,050 --> 00:15:21,899

and looking around and

335

00:15:26,810 --> 00:15:24,060

um it's right in the camera too yeah

336

00:15:28,610 --> 00:15:26,820

you've seen it yeah right he's right in

337

00:15:31,069 --> 00:15:28,620

the camera he goes

338

00:15:33,470 --> 00:15:31,079

right I was like he's looking over the

339

00:15:36,470 --> 00:15:33,480

system he's looking over everything yeah

340

00:15:38,990 --> 00:15:36,480

yeah and he looked

341

00:15:42,350 --> 00:15:39,000

can I say he looked military

342

00:15:45,350 --> 00:15:42,360

he looks special ops to me he did to a

343

00:15:46,610 --> 00:15:45,360

lot of people and Jim semivan said

344

00:15:48,889 --> 00:15:46,620

uh

345

00:15:51,710 --> 00:15:48,899

he said he looked at the video very

346

00:15:54,050 --> 00:15:51,720

carefully and he said he is examining

347

00:15:57,350 --> 00:15:54,060

every aspect of your security system

348

00:16:03,410 --> 00:15:57,360

including the strength of your door

349

00:16:06,410 --> 00:16:03,420

and he is a thief or something worse

350

00:16:09,230 --> 00:16:06,420

and he's never come back

351

00:16:14,030 --> 00:16:09,240

in fact no one ever comes to my door

352

00:16:18,170 --> 00:16:14,040

except my maid I'm very careful about my

353

00:16:21,050 --> 00:16:18,180

address I don't give it out right but

354

00:16:23,930 --> 00:16:21,060

you know we've had I had all these

355

00:16:25,250 --> 00:16:23,940

explosions which would happen when I was

356

00:16:28,910 --> 00:16:25,260

meditating

357

00:16:31,189 --> 00:16:28,920

and that had been disturbing and I

358

00:16:33,350 --> 00:16:31,199

hadn't really I first the first one was

359

00:16:34,189 --> 00:16:33,360

happened the previous January and I

360

00:16:37,069 --> 00:16:34,199

thought

361

00:16:39,170 --> 00:16:37,079

Art Kids uh playing the firecrackers

362

00:16:41,329 --> 00:16:39,180

maybe some of the neighborhood kids know

363

00:16:42,889 --> 00:16:41,339

I meditate because some people that you

364

00:16:45,350 --> 00:16:42,899

know they know who I am live right

365

00:16:49,430 --> 00:16:45,360

around there maybe they're they're

366

00:16:50,930 --> 00:16:49,440

giving me a hard time or maybe just kids

367

00:16:52,610 --> 00:16:50,940

throwing around firecrackers there's

368

00:16:53,629 --> 00:16:52,620

about two or three weeks after New

369

00:16:55,850 --> 00:16:53,639

Year's

370

00:16:57,230 --> 00:16:55,860

so I figured uh forget about it's not

371

00:16:58,730 --> 00:16:57,240

important

372

00:17:01,810 --> 00:16:58,740

then

373

00:17:08,750 --> 00:17:04,549

this incredible

374

00:17:10,370 --> 00:17:08,760

explosion occurred which

375

00:17:11,870 --> 00:17:10,380

startled people all over the

376

00:17:14,390 --> 00:17:11,880

neighborhood in the whole in the

377

00:17:16,549 --> 00:17:14,400

neighborhood app was full of people

378

00:17:18,949 --> 00:17:16,559

saying what blew up you know what was it

379

00:17:21,770 --> 00:17:18,959

and I figured out from the number of

380

00:17:23,750 --> 00:17:21,780

reports that it had been heard over at

381

00:17:28,490 --> 00:17:23,760

least a square mile

382

00:17:31,430 --> 00:17:28,500

and the however the main Flash

383

00:17:33,710 --> 00:17:31,440

and sparking of it seemed to be right in

384

00:17:34,970 --> 00:17:33,720

front of my apartment and it had really

385

00:17:36,950 --> 00:17:34,980

been loud

386

00:17:39,710 --> 00:17:36,960

and I thought you know this is getting

387

00:17:42,049 --> 00:17:39,720

serious this is not a toy this is not a

388

00:17:43,549 --> 00:17:42,059

Skyrocket or a firecracker this was

389

00:17:46,190 --> 00:17:43,559

something big

390

00:17:49,490 --> 00:17:46,200

and uh you know I I began to think maybe

391

00:17:51,590 --> 00:17:49,500

I had a get out of here maybe maybe I'm

392

00:17:54,049 --> 00:17:51,600

in trouble here because some this is not

393

00:17:56,830 --> 00:17:54,059

this isn't some kid playing around other

394

00:18:00,049 --> 00:17:56,840

fireworks something else

395

00:18:01,669 --> 00:18:00,059

and then a few months later the break-in

396

00:18:04,669 --> 00:18:01,679

takes place

397

00:18:06,950 --> 00:18:04,679

and I'm working on a book and I'm trying

398

00:18:09,230 --> 00:18:06,960

to figure out what happened

399

00:18:11,510 --> 00:18:09,240

and what was wrong

400

00:18:12,590 --> 00:18:11,520

and who was doing it

401

00:18:14,810 --> 00:18:12,600

well

402

00:18:16,850 --> 00:18:14,820

I ended up

403

00:18:20,029 --> 00:18:16,860

not I haven't figured out who was doing

404

00:18:22,190 --> 00:18:20,039

it I I don't know I don't know they were

405

00:18:23,870 --> 00:18:22,200

people though I don't think it was a

406

00:18:26,090 --> 00:18:23,880

little gray for the Grays or anything

407

00:18:28,010 --> 00:18:26,100

like that I think it was people who are

408

00:18:29,930 --> 00:18:28,020

and and it suggests to me there are

409

00:18:32,330 --> 00:18:29,940

people who are connected to this thing

410

00:18:34,850 --> 00:18:32,340

in some ways that most of us are not

411

00:18:36,850 --> 00:18:34,860

because why would they single me out

412

00:18:41,150 --> 00:18:36,860

otherwise

413

00:18:44,570 --> 00:18:41,160

I did figure out why

414

00:18:49,010 --> 00:18:44,580

and it was basically because I was

415

00:18:52,130 --> 00:18:49,020

talking too much and writing too much

416

00:18:59,930 --> 00:18:56,870

things that are sensitive to

417

00:19:02,270 --> 00:18:59,940

these beings that we think I think of as

418

00:19:06,470 --> 00:19:02,280

the visitors things they don't want out

419

00:19:10,610 --> 00:19:06,480

and these are not

420

00:19:13,130 --> 00:19:10,620

things that you and I would consider you

421

00:19:15,350 --> 00:19:13,140

know Secrets Revelations their

422

00:19:16,789 --> 00:19:15,360

vulnerabilities

423

00:19:18,529 --> 00:19:16,799

and

424

00:19:20,330 --> 00:19:18,539

I'm not going to talk about them anymore

425

00:19:22,310 --> 00:19:20,340

because

426  
00:19:24,650 --> 00:19:22,320  
you know they obviously were frightened

427  
00:19:27,130 --> 00:19:24,660  
they were scared

428  
00:19:29,450 --> 00:19:27,140  
by what by my my

429  
00:19:33,049 --> 00:19:29,460  
verbal diarrhea

430  
00:19:36,470 --> 00:19:33,059  
and uh to not not so much on shows but

431  
00:19:38,810 --> 00:19:36,480  
to friends and uh you being one of them

432  
00:19:41,810 --> 00:19:38,820  
and uh but it's nothing that someone

433  
00:19:44,930 --> 00:19:41,820  
would say oh we gotta know that right

434  
00:19:47,810 --> 00:19:44,940  
it's just it's just uh that there are

435  
00:19:51,549 --> 00:19:47,820  
vulnerabilities there are there are and

436  
00:19:54,650 --> 00:19:51,559  
uh so I don't talk about that anymore

437  
00:19:57,650 --> 00:19:54,660  
did you did you have

438  
00:19:58,870 --> 00:19:57,660

um some of this in the book originally

439

00:20:02,810 --> 00:19:58,880

yeah

440

00:20:06,169 --> 00:20:02,820

and it was removed I removed it I

441

00:20:07,490 --> 00:20:06,179

removed I removed everything that I

442

00:20:08,930 --> 00:20:07,500

thought

443

00:20:12,409 --> 00:20:08,940

could

444

00:20:16,490 --> 00:20:12,419

be troubling

445

00:20:19,130 --> 00:20:16,500

but nothing that was important

446

00:20:21,350 --> 00:20:19,140

uh because the important stuff is all

447

00:20:22,970 --> 00:20:21,360

still there including in the chapter

448

00:20:24,590 --> 00:20:22,980

about what happened to me you get

449

00:20:27,950 --> 00:20:24,600

everything you need to know in that

450

00:20:30,770 --> 00:20:27,960

chapter because you know my job here is

451

00:20:33,049 --> 00:20:30,780

not keeping secrets it's not it's not

452

00:20:35,289 --> 00:20:33,059

about keeping secrets it's the opposite

453

00:20:40,970 --> 00:20:35,299

I'm the guy who's supposed to tell

454

00:20:42,650 --> 00:20:40,980

things and uh I stumbled onto

455

00:20:46,430 --> 00:20:42,660

onto

456

00:20:48,230 --> 00:20:46,440

some very sensitive things and uh paid

457

00:20:51,110 --> 00:20:48,240

the price and fortunately I figured it

458

00:20:54,890 --> 00:20:51,120

out and now we're copacetic we're good

459

00:20:56,990 --> 00:20:54,900

um yeah go ahead when uh when the

460

00:20:59,029 --> 00:20:57,000

break-in happened

461

00:21:00,289 --> 00:20:59,039

um your electronics are there you're out

462

00:21:03,230 --> 00:21:00,299

working out

463

00:21:05,210 --> 00:21:03,240

yeah was

464

00:21:07,970 --> 00:21:05,220

um was anything accessed on your

465

00:21:09,590 --> 00:21:07,980

computer and was the book maybe

466

00:21:12,529 --> 00:21:09,600

downloaded

467

00:21:16,070 --> 00:21:12,539

well the book wasn't this the book was

468

00:21:18,710 --> 00:21:16,080

just in mid writing but and I I have the

469

00:21:20,390 --> 00:21:18,720

book when I save I save to so many

470

00:21:22,370 --> 00:21:20,400

different places at the same time that

471

00:21:24,470 --> 00:21:22,380

there's no way to get rid of it nobody

472

00:21:27,230 --> 00:21:24,480

in other words you could have read they

473

00:21:30,590 --> 00:21:27,240

could have read well writing about what

474

00:21:32,110 --> 00:21:30,600

developed the next Saturday this was a

475

00:21:34,610 --> 00:21:32,120

Thursday that half-breaking happened

476

00:21:36,470 --> 00:21:34,620

then on Saturday

477

00:21:39,529 --> 00:21:36,480

I was um

478

00:21:40,850 --> 00:21:39,539

sitting in the park with a one of my

479

00:21:43,789 --> 00:21:40,860

grandkids

480

00:21:46,310 --> 00:21:43,799

and all of a sudden

481

00:21:49,130 --> 00:21:46,320

this feeling came over me that I needed

482

00:21:50,870 --> 00:21:49,140

to look at the website and I just had my

483

00:21:52,490 --> 00:21:50,880

phone you know and I thought what are

484

00:21:55,250 --> 00:21:52,500

you thinking about the website for you

485

00:21:57,770 --> 00:21:55,260

it's a beautiful morning

486

00:21:59,090 --> 00:21:57,780

enjoy your child your grandchild for

487

00:22:00,830 --> 00:21:59,100

coming sakes

488

00:22:03,169 --> 00:22:00,840

and um

489

00:22:05,450 --> 00:22:03,179

but I opened my phone and went to the

490

00:22:07,970 --> 00:22:05,460

back back end of the website

491

00:22:09,950 --> 00:22:07,980

and just as I went to the back end of

492

00:22:11,750 --> 00:22:09,960

the website someone

493

00:22:16,010 --> 00:22:11,760

came in

494

00:22:17,649 --> 00:22:16,020

with one of the admin usernames and

495

00:22:23,390 --> 00:22:17,659

started

496

00:22:24,649 --> 00:22:23,400

very quickly and they were using a brute

497

00:22:28,610 --> 00:22:24,659

forcing

498

00:22:31,970 --> 00:22:28,620

program to try to find the password

499

00:22:33,470 --> 00:22:31,980

and so I got a hold of the webmaster I

500

00:22:36,049 --> 00:22:33,480

said this is happening and he said well

501  
00:22:39,590 --> 00:22:36,059  
let's uh go on to the security system

502  
00:22:42,110 --> 00:22:39,600  
and close down his IP address and so we

503  
00:22:44,149 --> 00:22:42,120  
did that seconds later it came back from

504  
00:22:46,070 --> 00:22:44,159  
another IP address and another and we we

505  
00:22:48,529 --> 00:22:46,080  
found them all over the world from IP

506  
00:22:50,210 --> 00:22:48,539  
address to IP address they were flying

507  
00:22:52,430 --> 00:22:50,220  
and um

508  
00:22:55,010 --> 00:22:52,440  
finally it stopped

509  
00:22:57,169 --> 00:22:55,020  
and from the back end in other words

510  
00:23:01,870 --> 00:22:57,179  
with no emails or anything like that or

511  
00:23:05,450 --> 00:23:01,880  
no vocal uh the webmaster gave me a new

512  
00:23:08,330 --> 00:23:05,460  
admin username and

513  
00:23:11,930 --> 00:23:08,340

uh password we shut down all of the

514

00:23:14,510 --> 00:23:11,940

others and uh gave everyone who has ACT

515

00:23:16,130 --> 00:23:14,520

back-end access new usernames and

516

00:23:18,049 --> 00:23:16,140

passwords

517

00:23:19,430 --> 00:23:18,059

and um

518

00:23:21,590 --> 00:23:19,440

uh

519

00:23:23,510 --> 00:23:21,600

I got home

520

00:23:25,370 --> 00:23:23,520

and I the first thing I wanted to do was

521

00:23:26,750 --> 00:23:25,380

open my computer and look at the website

522

00:23:28,730 --> 00:23:26,760

from the front end just be sure

523

00:23:30,110 --> 00:23:28,740

everything was still in good shape

524

00:23:31,909 --> 00:23:30,120

because I could we couldn't I couldn't

525

00:23:33,590 --> 00:23:31,919

be absolutely sure although he thought

526  
00:23:35,210 --> 00:23:33,600  
it was fine

527  
00:23:37,909 --> 00:23:35,220  
and

528  
00:23:39,649 --> 00:23:37,919  
the second I entered

529  
00:23:41,630 --> 00:23:39,659  
the website

530  
00:23:44,330 --> 00:23:41,640  
they had my password

531  
00:23:47,690 --> 00:23:44,340  
and my new admin

532  
00:23:50,029 --> 00:23:47,700  
and they were going to town wrecking the

533  
00:23:51,590 --> 00:23:50,039  
bookstore and Rec starting to wreck all

534  
00:23:52,970 --> 00:23:51,600  
the different parts of the website they

535  
00:23:56,210 --> 00:23:52,980  
could

536  
00:23:58,190 --> 00:23:56,220  
and we got rid of them

537  
00:24:00,169 --> 00:23:58,200  
pretty quickly

538  
00:24:02,450 --> 00:24:00,179

but it was

539

00:24:05,029 --> 00:24:02,460

amazing

540

00:24:06,230 --> 00:24:05,039

in fact they had when they had come into

541

00:24:09,350 --> 00:24:06,240

the apartment

542

00:24:11,210 --> 00:24:09,360

they'd opened the drawers as a diversion

543

00:24:13,370 --> 00:24:11,220

and put a key logger on the computer

544

00:24:15,710 --> 00:24:13,380

which we later found

545

00:24:19,669 --> 00:24:15,720

now here's a question

546

00:24:21,529 --> 00:24:19,679

why why bother to open the drawers they

547

00:24:23,450 --> 00:24:21,539

there was no other sign that they'd even

548

00:24:24,770 --> 00:24:23,460

entered the apartment

549

00:24:26,690 --> 00:24:24,780

and

550

00:24:29,270 --> 00:24:26,700

they could have put the key logger on

551  
00:24:32,810 --> 00:24:29,280  
without my even knowing it

552  
00:24:34,850 --> 00:24:32,820  
see what I mean yeah I did and with no

553  
00:24:36,169 --> 00:24:34,860  
tip off whatsoever because this wasn't

554  
00:24:38,210 --> 00:24:36,179  
about

555  
00:24:41,630 --> 00:24:38,220  
getting into my website wrecking my

556  
00:24:44,630 --> 00:24:41,640  
website it was about intimidating me

557  
00:24:48,950 --> 00:24:44,640  
and it got worse because all of a sudden

558  
00:24:52,130 --> 00:24:48,960  
someone in England who has been on the

559  
00:24:54,409 --> 00:24:52,140  
website is a fan and dear friend

560  
00:24:58,130 --> 00:24:54,419  
started to say

561  
00:24:59,870 --> 00:24:58,140  
they were getting all of their old

562  
00:25:02,930 --> 00:24:59,880  
emails

563  
00:25:05,870 --> 00:25:02,940

from months ago that they sent to people

564

00:25:06,950 --> 00:25:05,880

at random were pouring back onto their

565

00:25:10,130 --> 00:25:06,960

computer and they didn't understand

566

00:25:13,549 --> 00:25:10,140

where they were coming from then

567

00:25:15,649 --> 00:25:13,559

the back end of the website began to

568

00:25:19,610 --> 00:25:15,659

show their email address as one of the

569

00:25:20,930 --> 00:25:19,620

admins suggesting that they were the

570

00:25:22,669 --> 00:25:20,940

culprits

571

00:25:25,370 --> 00:25:22,679

when they weren't

572

00:25:27,529 --> 00:25:25,380

and this is a characteristic of this

573

00:25:30,350 --> 00:25:27,539

level of this

574

00:25:33,590 --> 00:25:30,360

they will always go after

575

00:25:36,110 --> 00:25:33,600

people you to try to drive a wedge

576  
00:25:37,730 --> 00:25:36,120  
between people you work with and people

577  
00:25:40,130 --> 00:25:37,740  
you love

578  
00:25:43,669 --> 00:25:40,140  
that is a characteristic of it so it was

579  
00:25:44,630 --> 00:25:43,679  
a that's a that's like a signature and

580  
00:25:47,570 --> 00:25:44,640  
uh

581  
00:25:49,190 --> 00:25:47,580  
I thought to myself it's then

582  
00:25:51,409 --> 00:25:49,200  
they're doing this

583  
00:25:53,390 --> 00:25:51,419  
and they're mad at me

584  
00:25:55,669 --> 00:25:53,400  
and I'm not going to say too much more

585  
00:25:58,850 --> 00:25:55,679  
here because I don't want to get mad at

586  
00:26:00,590 --> 00:25:58,860  
me again no no I don't want that I don't

587  
00:26:02,930 --> 00:26:00,600  
want that either but

588  
00:26:06,590 --> 00:26:02,940

um you

589

00:26:08,570 --> 00:26:06,600

um it must have felt like uh driving

590

00:26:10,070 --> 00:26:08,580

around

591

00:26:12,409 --> 00:26:10,080

um you know in the middle of the

592

00:26:15,310 --> 00:26:12,419

Apocalypse right like the last man

593

00:26:17,690 --> 00:26:15,320

standing in a black and white sepia tone

594

00:26:21,830 --> 00:26:17,700

Dreamscape oh I just said the name of

595

00:26:24,890 --> 00:26:21,840

your in a Dreamland right with with no

596

00:26:28,070 --> 00:26:24,900

with no way out

597

00:26:31,190 --> 00:26:28,080

it must be a pretty helpless feeling

598

00:26:33,169 --> 00:26:31,200

it was awful yeah and it still is

599

00:26:35,649 --> 00:26:33,179

frankly and and I started leading the

600

00:26:39,230 --> 00:26:35,659

country as often as possible

601  
00:26:43,669 --> 00:26:39,240  
so back to the book because that's when

602  
00:26:46,909 --> 00:26:43,679  
this happened uh uh we were and I I

603  
00:26:48,890 --> 00:26:46,919  
forget oh I I remember I was inviting

604  
00:26:51,529 --> 00:26:48,900  
you over for dinner and you said no

605  
00:26:54,350 --> 00:26:51,539  
church I'm I'm I'm I'm I'm blowing this

606  
00:26:56,390 --> 00:26:54,360  
Popsicle stand and I said I said what's

607  
00:27:00,049 --> 00:26:56,400  
going on you said man I gotta I gotta

608  
00:27:02,210 --> 00:27:00,059  
finish this book and so I'm just gonna

609  
00:27:05,210 --> 00:27:02,220  
leave the country uh for a few months

610  
00:27:08,330 --> 00:27:05,220  
and and I'm just gonna this book is too

611  
00:27:10,070 --> 00:27:08,340  
important and I I just I need to get out

612  
00:27:12,950 --> 00:27:10,080  
of here and you did it was like two days

613  
00:27:15,169 --> 00:27:12,960

later uh out of the country

614

00:27:17,210 --> 00:27:15,179

I found some friends

615

00:27:19,430 --> 00:27:17,220

who have been on my website for years

616

00:27:22,190 --> 00:27:19,440

and are good friends and

617

00:27:23,029 --> 00:27:22,200

so I wrote the book basically in their

618

00:27:25,430 --> 00:27:23,039

kitchen

619

00:27:27,409 --> 00:27:25,440

with you know the kids running around

620

00:27:30,590 --> 00:27:27,419

rock and roll music playing and the dogs

621

00:27:33,769 --> 00:27:30,600

capering around and uh and me sitting

622

00:27:35,269 --> 00:27:33,779

there in a corner typing away and I

623

00:27:37,850 --> 00:27:35,279

wrote the book there

624

00:27:42,169 --> 00:27:37,860

and it was good because you know I was

625

00:27:44,930 --> 00:27:42,179

in a nice family home and uh with people

626

00:27:46,789 --> 00:27:44,940

who were have been who've been who know

627

00:27:48,830 --> 00:27:46,799

my work well and have been friends and

628

00:27:50,409 --> 00:27:48,840

you know I'm a very friendly person I

629

00:27:52,490 --> 00:27:50,419

don't I'm not

630

00:27:54,289 --> 00:27:52,500

ceremonial I'm not into the whole

631

00:27:57,409 --> 00:27:54,299

celebrity stick at all

632

00:28:00,970 --> 00:27:57,419

uh so I don't have a big car

633

00:28:05,149 --> 00:28:00,980

no no nothing like that so

634

00:28:07,730 --> 00:28:05,159

uh they uh it was uh it was a good good

635

00:28:10,250 --> 00:28:07,740

situation and you know I'm back here now

636

00:28:13,010 --> 00:28:10,260

and I'm in a little flat now I'm not in

637

00:28:14,390 --> 00:28:13,020

anyone's home because you know you can't

638

00:28:17,090 --> 00:28:14,400

you don't know where at your welcome

639

00:28:21,590 --> 00:28:17,100

yeah you don't want to do that what's it

640

00:28:25,130 --> 00:28:21,600

like let me ask you uh uh what's it like

641

00:28:26,149 --> 00:28:25,140

when you get as a writer when you get in

642

00:28:28,310 --> 00:28:26,159

the zone

643

00:28:31,130 --> 00:28:28,320

right you don't have any blight nothing

644

00:28:34,490 --> 00:28:31,140

is in your way right nothing all of a

645

00:28:37,250 --> 00:28:34,500

sudden you can't stop right what's it

646

00:28:40,310 --> 00:28:37,260

like when you get in the zone Zone

647

00:28:42,590 --> 00:28:40,320

Jimmy it's wonderful that is

648

00:28:44,450 --> 00:28:42,600

one of the reasons every writer writes

649

00:28:47,510 --> 00:28:44,460

because

650

00:28:49,909 --> 00:28:47,520

you you know you're doing it right all

651  
00:28:50,690 --> 00:28:49,919  
of a sudden and this is what is meant to

652  
00:28:54,350 --> 00:28:50,700  
be

653  
00:28:57,289 --> 00:28:54,360  
and there's this it starts to sing out

654  
00:28:58,669 --> 00:28:57,299  
of you at least to me and you know

655  
00:29:01,669 --> 00:28:58,679  
there's other Chimes when you're

656  
00:29:03,890 --> 00:29:01,679  
struggling to make every you know to

657  
00:29:07,370 --> 00:29:03,900  
to hang two words together

658  
00:29:08,049 --> 00:29:07,380  
but this this was not like that

659  
00:29:11,510 --> 00:29:08,059  
um

660  
00:29:13,730 --> 00:29:11,520  
you can't hang two words together that's

661  
00:29:17,510 --> 00:29:13,740  
gotta be awful

662  
00:29:20,510 --> 00:29:17,520  
um but but uh you came back

663  
00:29:21,830 --> 00:29:20,520

um and uh and you told me you said I

664

00:29:24,649 --> 00:29:21,840

finished the book

665

00:29:28,190 --> 00:29:24,659

yeah and and realistically speaking this

666

00:29:30,529 --> 00:29:28,200

wasn't that long ago no no this wasn't

667

00:29:32,389 --> 00:29:30,539

that long ago and I said and I asked I

668

00:29:34,490 --> 00:29:32,399

said are you happy you said uh Jimmy

669

00:29:37,490 --> 00:29:34,500

it's just it came out of me I got it

670

00:29:41,330 --> 00:29:37,500

done and and I'm very happy

671

00:29:46,190 --> 00:29:41,340

um and so would you say that that the

672

00:29:49,130 --> 00:29:46,200

time away uh from not only the issues of

673

00:29:50,750 --> 00:29:49,140

what was going on at your home but uh

674

00:29:52,310 --> 00:29:50,760

also the other distractions of the

675

00:29:55,070 --> 00:29:52,320

United States and and everything else

676  
00:29:58,669 --> 00:29:55,080  
where you can just go and and be Whitley

677  
00:30:00,529 --> 00:29:58,679  
right well I yeah my life distractions I

678  
00:30:02,149 --> 00:30:00,539  
mean I have a lot of friends and I'm

679  
00:30:06,470 --> 00:30:02,159  
always running around and

680  
00:30:07,909 --> 00:30:06,480  
uh you know and used to call it toaster

681  
00:30:09,649 --> 00:30:07,919  
polishing

682  
00:30:11,149 --> 00:30:09,659  
she you know because I was doing

683  
00:30:12,830 --> 00:30:11,159  
anything but right

684  
00:30:14,930 --> 00:30:12,840  
and she would say Whitley what are you

685  
00:30:16,850 --> 00:30:14,940  
doing and I'd say well I'm fixing such

686  
00:30:18,769 --> 00:30:16,860  
as I said Whitley your toaster polish

687  
00:30:20,169 --> 00:30:18,779  
and go back in the office and get to

688  
00:30:23,510 --> 00:30:20,179

work

689

00:30:25,610 --> 00:30:23,520

so but you know I can't do too much HOSA

690

00:30:27,769 --> 00:30:25,620

polishing when there's no toasters so

691

00:30:29,090 --> 00:30:27,779

I'm in good shape here

692

00:30:33,769 --> 00:30:29,100

um

693

00:30:36,110 --> 00:30:33,779

and but I you know I I had to get this

694

00:30:37,610 --> 00:30:36,120

book book right

695

00:30:40,630 --> 00:30:37,620

because it's

696

00:30:43,370 --> 00:30:40,640

you know it's all of my work is sort of

697

00:30:45,110 --> 00:30:43,380

sort of somewhat under the radar right

698

00:30:47,750 --> 00:30:45,120

now although this book appears to be

699

00:30:49,010 --> 00:30:47,760

breaking out I must admit

700

00:30:50,810 --> 00:30:49,020

um

701  
00:30:56,210 --> 00:30:50,820  
and

702  
00:31:02,389 --> 00:30:58,990  
if this ever

703  
00:31:04,789 --> 00:31:02,399  
coalesces to the point

704  
00:31:06,049 --> 00:31:04,799  
where someone is saying there is a

705  
00:31:09,350 --> 00:31:06,059  
connection

706  
00:31:12,590 --> 00:31:09,360  
between the stories of the various

707  
00:31:15,950 --> 00:31:12,600  
contact stories and

708  
00:31:17,810 --> 00:31:15,960  
the UFOs uaps I guess we call them now

709  
00:31:19,730 --> 00:31:17,820  
flying around in the sky

710  
00:31:20,750 --> 00:31:19,740  
this book is going to become vitally

711  
00:31:22,130 --> 00:31:20,760  
important

712  
00:31:24,590 --> 00:31:22,140  
because

713  
00:31:27,950 --> 00:31:24,600

using the book

714

00:31:30,110 --> 00:31:27,960

it's possible to understand

715

00:31:32,870 --> 00:31:30,120

something about

716

00:31:35,330 --> 00:31:32,880

this presence that is here and you know

717

00:31:37,789 --> 00:31:35,340

I don't divide it into different species

718

00:31:40,010 --> 00:31:37,799

from different planets and stuff because

719

00:31:43,490 --> 00:31:40,020

I'm only going to talk about things I

720

00:31:45,409 --> 00:31:43,500

can prove not about things I've heard or

721

00:31:47,810 --> 00:31:45,419

heard from some whistleblower or

722

00:31:51,230 --> 00:31:47,820

something like that no way I'm going to

723

00:31:54,830 --> 00:31:51,240

talk about things I personally know

724

00:31:56,210 --> 00:31:54,840

and what I know is there is a presence

725

00:31:58,669 --> 00:31:56,220

here

726

00:32:03,769 --> 00:31:58,679

it is very strange

727

00:32:06,710 --> 00:32:03,779

it is very evolved it is very subtle

728

00:32:08,330 --> 00:32:06,720

and it appears to be having a great deal

729

00:32:11,029 --> 00:32:08,340

of trouble communicating with us

730

00:32:13,669 --> 00:32:11,039

coherently on one level

731

00:32:17,510 --> 00:32:13,679

on another level it is

732

00:32:20,950 --> 00:32:17,520

communicating with us and influencing us

733

00:32:24,950 --> 00:32:20,960

very profoundly and very directly

734

00:32:26,750 --> 00:32:24,960

it they don't talk they do things by

735

00:32:30,409 --> 00:32:26,760

demonstration

736

00:32:33,649 --> 00:32:30,419

and like what happened to me was a

737

00:32:35,870 --> 00:32:33,659

perfect example and it mirrors all the

738

00:32:37,789 --> 00:32:35,880

conflicts other conflicts the military's

739

00:32:41,510 --> 00:32:37,799

had a lot of conflicts in this this

740

00:32:44,090 --> 00:32:41,520

stuff with this stuff and the way these

741

00:32:47,450 --> 00:32:44,100

conflicts work are all the same

742

00:32:49,990 --> 00:32:47,460

it is someone trying to demonstrate

743

00:32:52,789 --> 00:32:50,000

their displeasure at something

744

00:32:55,970 --> 00:32:52,799

rather than to say no we want don't want

745

00:32:58,610 --> 00:32:55,980

you to do this no this is dangerous no

746

00:33:02,570 --> 00:32:58,620

this is we don't want this they will

747

00:33:05,870 --> 00:33:02,580

demonstrate it by example and that's why

748

00:33:08,090 --> 00:33:05,880

they they don't go to Washington and say

749

00:33:09,649 --> 00:33:08,100

and Moscow and say watch out for these

750

00:33:11,570 --> 00:33:09,659

nukes you're going to get this get this

751

00:33:15,049 --> 00:33:11,580

is going to get out of hand they go to

752

00:33:18,350 --> 00:33:15,059

the facilities and they demonstrate the

753

00:33:21,649 --> 00:33:18,360

dangers and their power by doing things

754

00:33:24,230 --> 00:33:21,659

like uh causing that facility in Russia

755

00:33:27,769 --> 00:33:24,240

to start to count down to a launch on

756

00:33:30,409 --> 00:33:27,779

its own and causing facilities in this

757

00:33:33,169 --> 00:33:30,419

country to have their missiles

758

00:33:35,450 --> 00:33:33,179

retargeted uh

759

00:33:39,230 --> 00:33:35,460

they that's what they do

760

00:33:42,169 --> 00:33:39,240

and in my life that's exactly what they

761

00:33:44,149 --> 00:33:42,179

did they demonstrated displeasure they

762

00:33:46,549 --> 00:33:44,159

didn't say anything they demonstrated a

763

00:33:48,590 --> 00:33:46,559

disclosure and is that because they

764

00:33:51,110 --> 00:33:48,600

can't say anything or because we can't

765

00:33:53,330 --> 00:33:51,120

hear them I think it's because we can't

766

00:33:56,810 --> 00:33:53,340

hear them I agree with you I think we

767

00:34:00,230 --> 00:33:56,820

can't hear them yeah we can't Whitley

768

00:34:02,710 --> 00:34:00,240

let me let me lay something out uh uh

769

00:34:06,710 --> 00:34:02,720

and and tie this into your experiences

770

00:34:10,730 --> 00:34:06,720

we like to think today that we have a

771

00:34:13,490 --> 00:34:10,740

grip and that we're smart and that an

772

00:34:15,829 --> 00:34:13,500

hour knowledge goes from you know like

773

00:34:17,510 --> 00:34:15,839

electrons and quarks you know the very

774

00:34:19,250 --> 00:34:17,520

small all the way to the edge of the

775

00:34:20,930 --> 00:34:19,260

universe and the very big right and then

776

00:34:23,990 --> 00:34:20,940

and we're trying to learn about

777

00:34:27,169 --> 00:34:24,000

everything in between but to be

778

00:34:29,450 --> 00:34:27,179

perfectly Frank the most of everything

779

00:34:32,510 --> 00:34:29,460

that is in between we know nothing about

780

00:34:34,190 --> 00:34:32,520

Dark Matter Dark Energy so much so that

781

00:34:36,829 --> 00:34:34,200

we just call it dark we don't even know

782

00:34:39,290 --> 00:34:36,839

what it is we can't measure we can't and

783

00:34:44,329 --> 00:34:39,300

and we think we know a lot but actually

784

00:34:46,070 --> 00:34:44,339

we don't know much at all they do you

785

00:34:48,349 --> 00:34:46,080

know and if somebody we've got three

786

00:34:50,570 --> 00:34:48,359

year 100 Years of science behind us

787

00:34:52,730 --> 00:34:50,580

right since Newton you know today you

788

00:34:54,470 --> 00:34:52,740

said let's call it 300 years

789

00:34:58,609 --> 00:34:54,480

um but if you're dealing with the

790

00:35:02,329 --> 00:34:58,619

species that is a billion years Advanced

791

00:35:05,089 --> 00:35:02,339

on physics than we are and surely we

792

00:35:08,390 --> 00:35:05,099

don't understand and we can't hear them

793

00:35:11,210 --> 00:35:08,400

it that has to be the play here

794

00:35:13,730 --> 00:35:11,220

um and it would be by demonstration it

795

00:35:16,670 --> 00:35:13,740

we wouldn't be able to understand even

796

00:35:23,329 --> 00:35:20,150

I think that's right I think also

797

00:35:25,550 --> 00:35:23,339

that you reach a point

798

00:35:27,290 --> 00:35:25,560

I would guess

799

00:35:29,210 --> 00:35:27,300

in your development where you know

800

00:35:31,490 --> 00:35:29,220

essentially everything

801  
00:35:33,710 --> 00:35:31,500  
and it may be

802  
00:35:36,470 --> 00:35:33,720  
that if you're not careful you stumble

803  
00:35:40,250 --> 00:35:36,480  
into knowledge of the future as well

804  
00:35:43,970 --> 00:35:40,260  
right right so you know the future and

805  
00:35:47,930 --> 00:35:43,980  
the past right and if that's true

806  
00:35:51,050 --> 00:35:47,940  
then you are no longer alive because you

807  
00:35:53,510 --> 00:35:51,060  
can't have new experience you're dead

808  
00:35:58,130 --> 00:35:53,520  
but still moving

809  
00:36:01,010 --> 00:35:58,140  
and that could be I think maybe one of

810  
00:36:02,390 --> 00:36:01,020  
the reasons they're here yeah wouldn't

811  
00:36:04,609 --> 00:36:02,400  
it that would that would kind of suck

812  
00:36:09,170 --> 00:36:04,619  
that would be a nightmare it would be

813  
00:36:12,170 --> 00:36:09,180

nice to be trapped in a reality never

814

00:36:17,270 --> 00:36:12,180

able never able to experience anything

815

00:36:19,730 --> 00:36:17,280

new or no surprises no wonder but you

816

00:36:23,930 --> 00:36:19,740

and I and all of us in this world and

817

00:36:27,050 --> 00:36:23,940

the way we are everything is always new

818

00:36:30,109 --> 00:36:27,060

fresh we for all we know we could be

819

00:36:32,810 --> 00:36:30,119

riding a rail and down a going down a

820

00:36:35,210 --> 00:36:32,820

track that is absolutely never going to

821

00:36:38,690 --> 00:36:35,220

change we're on our track

822

00:36:42,410 --> 00:36:38,700

but that's not how we perceive it we

823

00:36:46,430 --> 00:36:42,420

perceive it as new always every instant

824

00:36:49,490 --> 00:36:46,440

is new and then it goes racing back into

825

00:36:51,770 --> 00:36:49,500

the past as becomes old and becomes and

826

00:36:52,970 --> 00:36:51,780

even as we're talking it's happening

827

00:36:56,270 --> 00:36:52,980

right now

828

00:36:59,510 --> 00:36:56,280

and you know there was an article in the

829

00:37:01,490 --> 00:36:59,520

magazine science in April of 1977 which

830

00:37:05,410 --> 00:37:01,500

I think is very important

831

00:37:07,970 --> 00:37:05,420

by the two great uh uh

832

00:37:10,270 --> 00:37:07,980

astrophysicists I believe I I forget

833

00:37:13,370 --> 00:37:10,280

exactly what their titles were

834

00:37:16,069 --> 00:37:13,380

dbh Kuiper who I guess he was an

835

00:37:18,170 --> 00:37:16,079

astronomer he he discovered the Kuiper

836

00:37:20,930 --> 00:37:18,180

belt the uh

837

00:37:24,650 --> 00:37:20,940

of asteroids and uh

838

00:37:25,569 --> 00:37:24,660

I mean of radiation and

839

00:37:30,190 --> 00:37:25,579

um

840

00:37:33,950 --> 00:37:30,200

Michael Mark Morris another great

841

00:37:36,710 --> 00:37:33,960

science scientist and they speculated in

842

00:37:39,890 --> 00:37:38,030

about

843

00:37:41,930 --> 00:37:39,900

whether or not someone who came here

844

00:37:44,030 --> 00:37:41,940

from another world would be secretive or

845

00:37:46,370 --> 00:37:44,040

not and they concluded that they would

846

00:37:48,349 --> 00:37:46,380

be and they would be because they would

847

00:37:52,790 --> 00:37:48,359

only be here for one reason

848

00:37:56,270 --> 00:37:52,800

and that would be to experience our

849

00:37:58,910 --> 00:37:56,280

innovations that what for us was new

850

00:38:01,190 --> 00:37:58,920

they they wouldn't be interested in in

851

00:38:03,650 --> 00:38:01,200

our science obviously because our

852

00:38:06,829 --> 00:38:03,660

science would be Child's Play to them

853

00:38:08,630 --> 00:38:06,839

and they wouldn't be interested in

854

00:38:10,069 --> 00:38:08,640

communicating with us because they

855

00:38:12,310 --> 00:38:10,079

probably would know how that would end

856

00:38:16,990 --> 00:38:12,320

they've probably done that many times

857

00:38:19,310 --> 00:38:17,000

but they would be interested in our

858

00:38:21,730 --> 00:38:19,320

self-discovery and our discovery of the

859

00:38:25,550 --> 00:38:21,740

world around us in watching that

860

00:38:28,210 --> 00:38:25,560

therefore they would hide and they would

861

00:38:31,150 --> 00:38:28,220

watch us just like an anthropologist

862

00:38:34,130 --> 00:38:31,160

will back when we had

863

00:38:36,829 --> 00:38:34,140

untouched tribes in the world they would

864

00:38:39,829 --> 00:38:36,839

try to stay back so that the people

865

00:38:42,650 --> 00:38:39,839

wouldn't engage with them and so that

866

00:38:44,770 --> 00:38:42,660

they could observe what their real lives

867

00:38:47,630 --> 00:38:44,780

were like

868

00:38:48,770 --> 00:38:47,640

when you watch your grandchild learn to

869

00:38:50,510 --> 00:38:48,780

ride a bike

870

00:38:52,190 --> 00:38:50,520

you're not you're not discovering

871

00:38:55,310 --> 00:38:52,200

anything new you already know how to

872

00:38:59,030 --> 00:38:55,320

ride a bike but you need to experience

873

00:39:00,470 --> 00:38:59,040

it right through your grandchild and

874

00:39:03,170 --> 00:39:00,480

we're doing the same thing here as

875

00:39:05,569 --> 00:39:03,180

humans aren't we we're trying to

876  
00:39:07,730 --> 00:39:05,579  
discover exoplanet to more exoplanets

877  
00:39:10,609 --> 00:39:07,740  
we're trying to figure out the alien

878  
00:39:12,950 --> 00:39:10,619  
life that's possibly out there and we

879  
00:39:16,069 --> 00:39:12,960  
have tests in the James Webb Space tell

880  
00:39:18,170 --> 00:39:16,079  
that's what we're doing we want to go

881  
00:39:20,150 --> 00:39:18,180  
and see where everybody else is at and

882  
00:39:22,550 --> 00:39:20,160  
that's that that makes perfect sense to

883  
00:39:26,089 --> 00:39:22,560  
me Whitley perfect yeah perfect sense

884  
00:39:29,030 --> 00:39:26,099  
and and we we and we're we're the New

885  
00:39:31,190 --> 00:39:29,040  
Kids on the Block compared to them and

886  
00:39:33,589 --> 00:39:31,200  
you know they are

887  
00:39:36,710 --> 00:39:33,599  
and yet they've got a problem

888  
00:39:40,849 --> 00:39:36,720

and the problem is this

889

00:39:41,930 --> 00:39:40,859

what we are in danger from two

890

00:39:45,410 --> 00:39:41,940

directions

891

00:39:47,030 --> 00:39:45,420

from nuking each other and from

892

00:39:50,210 --> 00:39:47,040

I'm not going to call it climate change

893

00:39:55,790 --> 00:39:50,220

because it's uh that's such a loaded

894

00:39:58,569 --> 00:39:55,800

phrase uh but from a change in

895

00:40:02,510 --> 00:39:58,579

the environment which is in part

896

00:40:05,450 --> 00:40:02,520

induced probably by our activities in

897

00:40:07,310 --> 00:40:05,460

this part in part is part of Nature and

898

00:40:09,470 --> 00:40:07,320

I say that pretty certainly because

899

00:40:10,670 --> 00:40:09,480

we've we live in a period and we have

900

00:40:13,310 --> 00:40:10,680

for the past

901  
00:40:15,290 --> 00:40:13,320  
to 2.8 million years

902  
00:40:18,050 --> 00:40:15,300  
where there are long periods where the

903  
00:40:21,530 --> 00:40:18,060  
plant is encrusted in ice and short

904  
00:40:24,050 --> 00:40:21,540  
periods of interglacial and we're

905  
00:40:26,810 --> 00:40:24,060  
at the end of an interglacial and there

906  
00:40:28,069 --> 00:40:26,820  
all these upheavals are starting again

907  
00:40:30,170 --> 00:40:28,079  
so

908  
00:40:32,030 --> 00:40:30,180  
whatever happens over the next couple of

909  
00:40:32,870 --> 00:40:32,040  
hundred years this is going to change a

910  
00:40:35,450 --> 00:40:32,880  
lot

911  
00:40:38,329 --> 00:40:35,460  
and maybe it's going to be very

912  
00:40:40,250 --> 00:40:38,339  
destructive of us and maybe during the

913  
00:40:42,530 --> 00:40:40,260

context of that with all the pressure

914

00:40:45,710 --> 00:40:42,540

we're under there may be a nuclear

915

00:40:47,150 --> 00:40:45,720

exchange just like this threatening now

916

00:40:49,250 --> 00:40:47,160

frankly

917

00:40:51,470 --> 00:40:49,260

and they may know that

918

00:40:54,050 --> 00:40:51,480

and they may

919

00:40:56,270 --> 00:40:54,060

think be thinking to themselves

920

00:40:59,210 --> 00:40:56,280

how do we

921

00:41:00,609 --> 00:40:59,220

help them out of this piccolarian

922

00:41:03,170 --> 00:41:00,619

without

923

00:41:05,810 --> 00:41:03,180

destroying our own

924

00:41:08,630 --> 00:41:05,820

reason for being here because the second

925

00:41:10,670 --> 00:41:08,640

we expose ourselves to them even a

926

00:41:11,630 --> 00:41:10,680

little bit even basically for five

927

00:41:15,829 --> 00:41:11,640

minutes

928

00:41:17,630 --> 00:41:15,839

their entire culture turns toward us

929

00:41:18,890 --> 00:41:17,640

this is something called cultural

930

00:41:20,990 --> 00:41:18,900

colonization

931

00:41:23,930 --> 00:41:21,000

and we're not interested in our

932

00:41:26,750 --> 00:41:23,940

Innovations anymore we want those flying

933

00:41:28,670 --> 00:41:26,760

saucers we want that anti-gravity we

934

00:41:30,290 --> 00:41:28,680

want that incredible metal that they

935

00:41:34,010 --> 00:41:30,300

have we don't want all of us we want

936

00:41:36,710 --> 00:41:34,020

their lifespans we want their ability to

937

00:41:38,630 --> 00:41:36,720

to communicate telepathically we want

938

00:41:40,490 --> 00:41:38,640

all of their stuff our stuff doesn't

939

00:41:43,130 --> 00:41:40,500

matter anymore because it's stupid and

940

00:41:46,730 --> 00:41:43,140

childish we want their stuff this

941

00:41:49,190 --> 00:41:46,740

happened all around planet Earth as the

942

00:41:52,430 --> 00:41:49,200

Europeans with their more impressive

943

00:41:54,950 --> 00:41:52,440

technology went around the world and

944

00:41:57,050 --> 00:41:54,960

touched these other civilizations the

945

00:42:00,829 --> 00:41:57,060

other civilizations felt disempowered

946

00:42:03,770 --> 00:42:00,839

and they ceased to innovate on their own

947

00:42:06,950 --> 00:42:03,780

and that's exactly what they are afraid

948

00:42:09,950 --> 00:42:06,960

of and it's it is I think the one of the

949

00:42:12,230 --> 00:42:09,960

reasons they hide not the only reason

950

00:42:13,010 --> 00:42:12,240

because there's some darker reasons for

951  
00:42:15,109 --> 00:42:13,020  
sure

952  
00:42:16,010 --> 00:42:15,119  
but it is one of the main reasons they

953  
00:42:19,089 --> 00:42:16,020  
hide

954  
00:42:22,310 --> 00:42:19,099  
why do we always want

955  
00:42:28,730 --> 00:42:22,320  
uh somebody else to fix our problems

956  
00:42:31,490 --> 00:42:28,740  
right why because they seem unfixable

957  
00:42:35,329 --> 00:42:31,500  
they seem unfixable I was riding along

958  
00:42:37,069 --> 00:42:35,339  
in my car I got a a new Toyota

959  
00:42:39,890 --> 00:42:37,079  
a couple of years ago

960  
00:42:43,370 --> 00:42:39,900  
it had 4 000 miles on it

961  
00:42:45,950 --> 00:42:43,380  
and one of the tires disintegrated

962  
00:42:47,810 --> 00:42:45,960  
and now you know I obviously Toyota

963  
00:42:49,430 --> 00:42:47,820

wasn't putting the most fabulous tires

964

00:42:51,349 --> 00:42:49,440

on its new cars

965

00:42:52,970 --> 00:42:51,359

I mean if I build a beautiful car and

966

00:42:55,130 --> 00:42:52,980

then put cheap tires on it but they do

967

00:42:57,470 --> 00:42:55,140

that that's one of the worst habits of

968

00:42:59,569 --> 00:42:57,480

all the auto auto companies anyway

969

00:43:01,730 --> 00:42:59,579

I could not figure out how to fix that

970

00:43:03,410 --> 00:43:01,740

thing as it turned out I didn't need to

971

00:43:05,990 --> 00:43:03,420

worry about it because

972

00:43:08,530 --> 00:43:06,000

when the guy from AAA came and opened

973

00:43:11,510 --> 00:43:08,540

the trunk it turned out it had no spare

974

00:43:15,230 --> 00:43:11,520

the car was

975

00:43:18,170 --> 00:43:15,240

was shipped shipped with a little kit

976

00:43:19,790 --> 00:43:18,180

you know with a with some Chunk in it

977

00:43:22,550 --> 00:43:19,800

that you stick in the tire to blow it up

978

00:43:24,890 --> 00:43:22,560

again right when the tires in pieces on

979

00:43:27,530 --> 00:43:24,900

the highway behind you that is not going

980

00:43:30,650 --> 00:43:27,540

to be helpful no no so

981

00:43:33,050 --> 00:43:30,660

so uh that was complicated but but in

982

00:43:34,550 --> 00:43:33,060

any case it was all somebody else I

983

00:43:36,290 --> 00:43:34,560

couldn't fix anything any of that I

984

00:43:40,069 --> 00:43:36,300

couldn't even change the tire at this

985

00:43:42,109 --> 00:43:40,079

point in my life uh and if even I had a

986

00:43:44,390 --> 00:43:42,119

spirit of change I would have called AAA

987

00:43:46,730 --> 00:43:44,400

and we're all like that I have no idea

988

00:43:49,010 --> 00:43:46,740

how our computer works none

989

00:43:51,530 --> 00:43:49,020

and uh I know people who can explain

990

00:43:54,950 --> 00:43:51,540

very clearly why AI is not intelligent

991

00:43:56,750 --> 00:43:54,960

how it works but I'm not one of them and

992

00:43:58,790 --> 00:43:56,760

you're not one of them no

993

00:44:03,290 --> 00:43:58,800

I mean I look inside this computer and I

994

00:44:06,109 --> 00:44:03,300

have not the slightest idea how it works

995

00:44:07,430 --> 00:44:06,119

what all the little doodads in it mean

996

00:44:10,490 --> 00:44:07,440

or anything

997

00:44:13,849 --> 00:44:10,500

you know if a virus if a virus I have to

998

00:44:20,150 --> 00:44:13,859

wonder about this but let's say a virus

999

00:44:22,970 --> 00:44:20,160

killed all of the software and uh

1000

00:44:25,970 --> 00:44:22,980

industrial engineers in the world right

1001  
00:44:28,490 --> 00:44:25,980  
and only people like you and I are left

1002  
00:44:31,069 --> 00:44:28,500  
do you know how long it would be till we

1003  
00:44:34,550 --> 00:44:31,079  
saw another cell phone

1004  
00:44:37,790 --> 00:44:34,560  
like 10 000 years it would be awesome we

1005  
00:44:41,329 --> 00:44:37,800  
would time we would be helpless it would

1006  
00:44:43,670 --> 00:44:41,339  
be completely helpless did you um I I

1007  
00:44:47,030 --> 00:44:43,680  
don't know if you caught this news

1008  
00:44:49,910 --> 00:44:47,040  
um I reported on this yesterday Ford

1009  
00:44:51,890 --> 00:44:49,920  
now this goes along with Volvo and

1010  
00:44:53,630 --> 00:44:51,900  
Volkswagen and a bunch of other car

1011  
00:44:56,510 --> 00:44:53,640  
manufacturers around the world what Ford

1012  
00:44:59,569 --> 00:44:56,520  
announced uh yesterday

1013  
00:45:06,230 --> 00:44:59,579

starting now on all of their vehicles

1014

00:45:10,370 --> 00:45:08,809

right no more AM radio

1015

00:45:13,010 --> 00:45:10,380

not to myself

1016

00:45:14,390 --> 00:45:13,020

I mean there's still a lot of AM radio

1017

00:45:17,210 --> 00:45:14,400

in this country but then I thought about

1018

00:45:19,730 --> 00:45:17,220

I thought about Coast to Coast

1019

00:45:22,250 --> 00:45:19,740

yeah me too yeah

1020

00:45:24,010 --> 00:45:22,260

coast to coast in their car

1021

00:45:26,809 --> 00:45:24,020

a long lot

1022

00:45:29,329 --> 00:45:26,819

but they do that I don't understand what

1023

00:45:30,490 --> 00:45:29,339

are they saving money by not having AM

1024

00:45:33,410 --> 00:45:30,500

radio

1025

00:45:35,030 --> 00:45:33,420

there's just another idea of what how

1026  
00:45:37,670 --> 00:45:35,040  
how are we going to annoy the customers

1027  
00:45:40,130 --> 00:45:37,680  
and show our power over right let's

1028  
00:45:42,410 --> 00:45:40,140  
let's take out something they like even

1029  
00:45:44,690 --> 00:45:42,420  
though it it's probably more costly to

1030  
00:45:45,970 --> 00:45:44,700  
take it out than to leave it in and and

1031  
00:45:48,890 --> 00:45:45,980  
and

1032  
00:45:50,569 --> 00:45:48,900  
the association you know that you know

1033  
00:45:53,210 --> 00:45:50,579  
all the automakers that hang out with

1034  
00:45:55,670 --> 00:45:53,220  
each other and and discuss things they

1035  
00:45:58,370 --> 00:45:55,680  
said that well basically everybody's

1036  
00:46:00,950 --> 00:45:58,380  
streaming anyway and you're streaming

1037  
00:46:02,390 --> 00:46:00,960  
with your phone and you're using Apple

1038  
00:46:04,730 --> 00:46:02,400

carplay

1039

00:46:08,750 --> 00:46:04,740

and you're just plugging in so we're

1040

00:46:10,910 --> 00:46:08,760

just gonna go with that and and you know

1041

00:46:13,190 --> 00:46:10,920

it's like the future but the first step

1042

00:46:17,510 --> 00:46:13,200

first thing to go

1043

00:46:20,210 --> 00:46:17,520

um is uh is the am AM radio button is is

1044

00:46:24,290 --> 00:46:20,220

gone that's crazy isn't it

1045

00:46:26,450 --> 00:46:24,300

is bizarre it's annoying if you know

1046

00:46:28,250 --> 00:46:26,460

it's like this business of the most cars

1047

00:46:30,829 --> 00:46:28,260

no longer have spare tires which I found

1048

00:46:33,890 --> 00:46:30,839

out the hard way I can't affix it flat

1049

00:46:36,530 --> 00:46:33,900

what is that good I mean yeah it's a can

1050

00:46:39,290 --> 00:46:36,540

of Fix-A-Flat instead of a spare tire oh

1051  
00:46:40,309 --> 00:46:39,300  
come on I mean guys I mean this this is

1052  
00:46:43,309 --> 00:46:40,319  
so

1053  
00:46:50,329 --> 00:46:43,319  
little

1054  
00:46:52,550 --> 00:46:50,339  
and you know they just seem to I I don't

1055  
00:46:54,829 --> 00:46:52,560  
know they can't help it they because

1056  
00:46:58,609 --> 00:46:54,839  
it's not just it's dozens of different

1057  
00:47:00,829 --> 00:46:58,619  
businesses and uh always nickeling and

1058  
00:47:03,170 --> 00:47:00,839  
diming you to death and you know

1059  
00:47:06,410 --> 00:47:03,180  
nowadays you get on an airplane and

1060  
00:47:08,089 --> 00:47:06,420  
it's such a miserable experience I like

1061  
00:47:10,370 --> 00:47:08,099  
to travel but I sure as hell don't like

1062  
00:47:12,230 --> 00:47:10,380  
to fly yeah now it's the worst it was

1063  
00:47:15,829 --> 00:47:12,240

it's the worst

1064

00:47:17,750 --> 00:47:15,839

um and and here's um uh talking I'm

1065

00:47:21,410 --> 00:47:17,760

gonna swing this back to E.T but it's

1066

00:47:23,750 --> 00:47:21,420

the same subject and which is this

1067

00:47:26,710 --> 00:47:23,760

um we you know we have no more rabbit

1068

00:47:29,450 --> 00:47:26,720

ears right there's no more

1069

00:47:32,089 --> 00:47:29,460

uh uh television you know everything is

1070

00:47:33,770 --> 00:47:32,099

digital everything is is light piped

1071

00:47:35,150 --> 00:47:33,780

everything is Optical everything is in

1072

00:47:36,950 --> 00:47:35,160

the ground everything is a digital

1073

00:47:40,250 --> 00:47:36,960

stream now

1074

00:47:42,050 --> 00:47:40,260

um and and in the case of anything going

1075

00:47:45,410 --> 00:47:42,060

whack

1076

00:47:47,150 --> 00:47:45,420

um we don't it's it's like we we won't

1077

00:47:49,190 --> 00:47:47,160

have radio you're not going to be able

1078

00:47:51,890 --> 00:47:49,200

to turn on your TV if something goes

1079

00:47:53,870 --> 00:47:51,900

crazy because the digital services are

1080

00:47:58,130 --> 00:47:53,880

down but it's also

1081

00:48:00,530 --> 00:47:58,140

not broadcasting out to ET they're not

1082

00:48:02,510 --> 00:48:00,540

picking up because everything is now in

1083

00:48:05,630 --> 00:48:02,520

ground is that one of the reasons that

1084

00:48:07,730 --> 00:48:05,640

you think that uh possibly we're not

1085

00:48:10,609 --> 00:48:07,740

picking up a bunch of ET signals because

1086

00:48:12,829 --> 00:48:10,619

yeah I think I think I think it probably

1087

00:48:15,230 --> 00:48:12,839

is first of all the only signals that

1088

00:48:18,349 --> 00:48:15,240

we've ever produced that would that

1089

00:48:22,270 --> 00:48:18,359

would penetrate out into into space

1090

00:48:24,770 --> 00:48:22,280

beyond the atmosphere television signals

1091

00:48:28,190 --> 00:48:24,780

uh interestingly enough the first thing

1092

00:48:31,609 --> 00:48:28,200

I think we might find from ET would be

1093

00:48:33,970 --> 00:48:31,619

fragments of a television show uh

1094

00:48:36,290 --> 00:48:33,980

from us from another world that would be

1095

00:48:38,390 --> 00:48:36,300

fantastically cool I have to tell you

1096

00:48:41,569 --> 00:48:38,400

but um

1097

00:48:43,910 --> 00:48:41,579

the outer limits or something right

1098

00:48:46,910 --> 00:48:43,920

exactly their version of The Outer

1099

00:48:50,329 --> 00:48:46,920

Limits but um the

1100

00:48:54,050 --> 00:48:50,339

uh the

1101

00:48:55,849 --> 00:48:54,060

that was a short period in our life in

1102

00:48:58,690 --> 00:48:55,859

in the in the history of the species

1103

00:49:02,870 --> 00:48:58,700

it's still going on but it's

1104

00:49:05,270 --> 00:49:02,880

vastly less than it used to be and you

1105

00:49:06,950 --> 00:49:05,280

know we we had about 50 years when we

1106

00:49:08,150 --> 00:49:06,960

were generating a lot of Television

1107

00:49:09,530 --> 00:49:08,160

signals

1108

00:49:12,410 --> 00:49:09,540

and

1109

00:49:14,450 --> 00:49:12,420

so we're you know we've gone radio

1110

00:49:16,010 --> 00:49:14,460

silent too but you know the thing that

1111

00:49:19,370 --> 00:49:16,020

worries me about this is the

1112

00:49:22,670 --> 00:49:19,380

extraordinary vulnerability of the

1113

00:49:24,710 --> 00:49:22,680

digital systems and that it rely on

1114

00:49:29,690 --> 00:49:24,720

satellite Communications

1115

00:49:32,990 --> 00:49:29,700

to solar activity I wrote a book years

1116

00:49:34,609 --> 00:49:33,000

ago a short book called solar flares in

1117

00:49:38,210 --> 00:49:34,619

2009

1118

00:49:39,770 --> 00:49:38,220

that sold like 12 copies because it

1119

00:49:43,010 --> 00:49:39,780

turned out nobody cared about silver

1120

00:49:46,309 --> 00:49:43,020

Affairs and uh they probably should

1121

00:49:49,010 --> 00:49:46,319

because there was an incident in 1858

1122

00:49:51,770 --> 00:49:49,020

known as the Carrington incident where

1123

00:49:55,150 --> 00:49:51,780

a very heavy duty solar flare hit the

1124

00:49:57,890 --> 00:49:55,160

planet and you know they all only had uh

1125

00:49:59,510 --> 00:49:57,900

telegraphs at the time and all of a

1126  
00:50:02,210 --> 00:49:59,520  
sudden all the telegraphs started

1127  
00:50:04,849 --> 00:50:02,220  
sparking and Telegraph operators were

1128  
00:50:07,730 --> 00:50:04,859  
thrown across the room Etc and no one of

1129  
00:50:08,450 --> 00:50:07,740  
course had any idea what was going on

1130  
00:50:11,329 --> 00:50:08,460  
um

1131  
00:50:14,089 --> 00:50:11,339  
if that happened today it would wipe out

1132  
00:50:15,910 --> 00:50:14,099  
a large number of satellites and a large

1133  
00:50:18,890 --> 00:50:15,920  
number of systems on the ground

1134  
00:50:23,510 --> 00:50:18,900  
including in parts of the United States

1135  
00:50:26,930 --> 00:50:23,520  
especially major Transformers upon which

1136  
00:50:29,870 --> 00:50:26,940  
our whole power grid depends and these

1137  
00:50:32,210 --> 00:50:29,880  
huge these huge Transformers

1138  
00:50:36,290 --> 00:50:32,220

would have to it would take years to

1139

00:50:39,349 --> 00:50:36,300

replace them years without electricity

1140

00:50:41,809 --> 00:50:39,359

and cars your car wouldn't start

1141

00:50:45,890 --> 00:50:41,819

it it yeah if your car had been parked

1142

00:50:49,670 --> 00:50:45,900

Outdoors you'd be fried probably so it

1143

00:50:51,290 --> 00:50:49,680

would be a a major major catastrophe

1144

00:50:53,390 --> 00:50:51,300

uh

1145

00:50:55,010 --> 00:50:53,400

and we don't think about it we don't

1146

00:50:58,609 --> 00:50:55,020

worry about it

1147

00:51:01,069 --> 00:50:58,619

and we should well you rode superstorm

1148

00:51:03,890 --> 00:51:01,079

and so you've you know you've thought

1149

00:51:07,390 --> 00:51:03,900

about this stuff before do you think

1150

00:51:11,390 --> 00:51:07,400

that our government is thinking about

1151  
00:51:14,870 --> 00:51:11,400  
these things and are are doing you know

1152  
00:51:16,430 --> 00:51:14,880  
doing something preventive no against

1153  
00:51:18,230 --> 00:51:16,440  
nothing

1154  
00:51:21,650 --> 00:51:18,240  
I mean look at the look at the weather

1155  
00:51:23,329 --> 00:51:21,660  
the weather is I mean in the in the day

1156  
00:51:26,510 --> 00:51:23,339  
after tomorrow which is the movie based

1157  
00:51:29,569 --> 00:51:26,520  
on superstorm uh there are tornadoes

1158  
00:51:31,970 --> 00:51:29,579  
whirling around in Los Angeles

1159  
00:51:33,890 --> 00:51:31,980  
and their tornado was swirling around in

1160  
00:51:36,049 --> 00:51:33,900  
Los Angeles now

1161  
00:51:38,569 --> 00:51:36,059  
yeah uh and people are laughing it's oh

1162  
00:51:41,030 --> 00:51:38,579  
God a tornado in L.A and I think to

1163  
00:51:42,890 --> 00:51:41,040

myself you forget superstorm

1164

00:51:48,049 --> 00:51:42,900

we forget so quickly

1165

00:51:49,849 --> 00:51:48,059

and it and um uh they used to call those

1166

00:51:52,430 --> 00:51:49,859

storms Superstars but now they call them

1167

00:51:54,970 --> 00:51:52,440

bomb Cyclones and

1168

00:52:01,190 --> 00:51:58,069

superstorm the book superstorm which is

1169

00:52:03,250 --> 00:52:01,200

based on ideas that I got from the

1170

00:52:07,010 --> 00:52:03,260

master of the key from the book The key

1171

00:52:11,030 --> 00:52:07,020

that strange individual who accosted me

1172

00:52:12,410 --> 00:52:11,040

in my hotel room in 1998 and said so

1173

00:52:13,910 --> 00:52:12,420

many prophetic things it was just

1174

00:52:16,010 --> 00:52:13,920

unbelievable it was most books of

1175

00:52:18,410 --> 00:52:16,020

Prophecy are full of crap

1176

00:52:21,049 --> 00:52:18,420

that one isn't

1177

00:52:25,010 --> 00:52:21,059

the stuff in it that he the predictions

1178

00:52:26,870 --> 00:52:25,020

he made in almost 99 accurate in fact

1179

00:52:29,930 --> 00:52:26,880

there's only one prediction that hasn't

1180

00:52:32,809 --> 00:52:29,940

come true and that is that there there

1181

00:52:36,109 --> 00:52:32,819

would be a type of computer that would

1182

00:52:39,890 --> 00:52:36,119

be extremely

1183

00:52:42,470 --> 00:52:39,900

a high density uh

1184

00:52:45,470 --> 00:52:42,480

intelligence because it would be based

1185

00:52:47,870 --> 00:52:45,480

on a gas it would there would be a gas

1186

00:52:48,790 --> 00:52:47,880

that could that could uh hold

1187

00:52:51,650 --> 00:52:48,800

information

1188

00:52:54,770 --> 00:52:51,660

that hasn't happened yet

1189

00:52:57,589 --> 00:52:54,780

but the rest of it pretty much all has I

1190

00:53:00,170 --> 00:52:57,599

have I have that gas I had this shrimp

1191

00:53:01,849 --> 00:53:00,180

salad from lunch and

1192

00:53:05,630 --> 00:53:01,859

um but but let me

1193

00:53:08,990 --> 00:53:05,640

um this is uh and we'll pick up when we

1194

00:53:13,430 --> 00:53:09,000

come back after uh the break

1195

00:53:16,609 --> 00:53:13,440

um right now where we have uh

1196

00:53:18,230 --> 00:53:16,619

discussions about UFOs and contact in

1197

00:53:21,349 --> 00:53:18,240

E.T

1198

00:53:23,630 --> 00:53:21,359

um on on both sides of the aisle

1199

00:53:25,370 --> 00:53:23,640

um uh all across the country inside of

1200

00:53:27,530 --> 00:53:25,380

our community outside of our community

1201  
00:53:29,569 --> 00:53:27,540  
Capitol Hill Washington DC the

1202  
00:53:31,609 --> 00:53:29,579  
Department of Defense we've got we've

1203  
00:53:33,950 --> 00:53:31,619  
got hearings that we've got reports

1204  
00:53:37,190 --> 00:53:33,960  
we've got committees we've got task

1205  
00:53:40,609 --> 00:53:37,200  
force this it's never been like this

1206  
00:53:42,410 --> 00:53:40,619  
before and I know there's two things

1207  
00:53:44,770 --> 00:53:42,420  
that are going on either they're trying

1208  
00:53:48,349 --> 00:53:44,780  
to get out in front of something

1209  
00:53:50,329 --> 00:53:48,359  
or they know something you know some

1210  
00:53:52,150 --> 00:53:50,339  
event that is about to happen they're

1211  
00:53:55,569 --> 00:53:52,160  
trying to get out in front of it or two

1212  
00:53:58,370 --> 00:53:55,579  
they know that something's about to leak

1213  
00:54:00,349 --> 00:53:58,380

and they need to get out in front of

1214

00:54:02,710 --> 00:54:00,359

that that's that's what what do you

1215

00:54:04,790 --> 00:54:02,720

think the reasons are for all of this

1216

00:54:07,130 --> 00:54:04,800

conversation that's been going on the

1217

00:54:08,329 --> 00:54:07,140

last few years

1218

00:54:10,430 --> 00:54:08,339

um

1219

00:54:12,349 --> 00:54:10,440

uh well I think that there's an awful

1220

00:54:15,349 --> 00:54:12,359

lot hidden behind the scenes

1221

00:54:18,470 --> 00:54:15,359

I I think it's not as much as people

1222

00:54:22,069 --> 00:54:18,480

believe largely because a lot of it has

1223

00:54:23,630 --> 00:54:22,079

been destroyed or lost or offloaded to

1224

00:54:26,750 --> 00:54:23,640

Private Industry and is no longer

1225

00:54:30,069 --> 00:54:26,760

accessible through normal legal channels

1226  
00:54:33,349 --> 00:54:30,079  
and not not accessible to Congress

1227  
00:54:34,970 --> 00:54:33,359  
but I think that what's happening is

1228  
00:54:37,849 --> 00:54:34,980  
that

1229  
00:54:40,849 --> 00:54:37,859  
there is so much under the surface here

1230  
00:54:43,430 --> 00:54:40,859  
that it can't be contained well like how

1231  
00:54:47,270 --> 00:54:43,440  
big is it if you look at the Pentagon

1232  
00:54:50,630 --> 00:54:47,280  
claims every year that they they cannot

1233  
00:54:54,410 --> 00:54:50,640  
audit something more than half of their

1234  
00:54:56,930 --> 00:54:54,420  
assets and uh there's this vast amount

1235  
00:54:58,849 --> 00:54:56,940  
of money that is quote unquote missing

1236  
00:55:02,089 --> 00:54:58,859  
it's not missing

1237  
00:55:03,950 --> 00:55:02,099  
and they can audit their assets that's

1238  
00:55:05,210 --> 00:55:03,960

the stuff that we're not supposed to

1239

00:55:11,390 --> 00:55:05,220

know about

1240

00:55:13,309 --> 00:55:11,400

and that is huge it's massive it's it is

1241

00:55:16,609 --> 00:55:13,319

whatever it is

1242

00:55:19,730 --> 00:55:16,619

it it it seems to me that we could be

1243

00:55:22,490 --> 00:55:19,740

supporting Breakaway civilization just

1244

00:55:27,710 --> 00:55:22,500

like Richard Dolan suggests and right

1245

00:55:31,130 --> 00:55:27,720

here right Among Us and uh because it's

1246

00:55:33,829 --> 00:55:31,140

a huge amounts of money and material

1247

00:55:35,870 --> 00:55:33,839

that's just off the books

1248

00:55:39,829 --> 00:55:35,880

off the books

1249

00:55:43,490 --> 00:55:39,839

so they know all of that I remember back

1250

00:55:46,370 --> 00:55:43,500

when uh Congressman Schiff uh

1251

00:55:49,510 --> 00:55:46,380

uh not not the shift that we have today

1252

00:55:52,130 --> 00:55:49,520

but uh uh he was a republican New Mexico

1253

00:55:54,829 --> 00:55:52,140

New Mexico Republican yeah right right

1254

00:55:56,930 --> 00:55:54,839

right and he um

1255

00:55:58,430 --> 00:55:56,940

one of the things he was elected to do

1256

00:56:01,010 --> 00:55:58,440

was to find out the truth about the

1257

00:56:03,650 --> 00:56:01,020

Roswell incident and so he started

1258

00:56:07,150 --> 00:56:03,660

working on it asked the Department of

1259

00:56:09,410 --> 00:56:07,160

Defense and was like asking uh

1260

00:56:10,750 --> 00:56:09,420

King Tut to answer a question or

1261

00:56:13,309 --> 00:56:10,760

something it's just not going to happen

1262

00:56:15,770 --> 00:56:13,319

a mere Congressman a freshman

1263

00:56:18,410 --> 00:56:15,780

congressman is will get nothing out of

1264

00:56:20,569 --> 00:56:18,420

the Department of Defense at all

1265

00:56:22,130 --> 00:56:20,579

I know that because I've known Senate

1266

00:56:25,790 --> 00:56:22,140

very powerful Senators who couldn't get

1267

00:56:27,230 --> 00:56:25,800

anything out of them either so uh he

1268

00:56:29,329 --> 00:56:27,240

didn't get anywhere there

1269

00:56:31,430 --> 00:56:29,339

and he started asking around you know

1270

00:56:34,970 --> 00:56:31,440

what should I do and I came onto his

1271

00:56:36,410 --> 00:56:34,980

radar and I and others said go to the

1272

00:56:38,030 --> 00:56:36,420

focus could then call the General

1273

00:56:41,569 --> 00:56:38,040

Accounting Office

1274

00:56:43,790 --> 00:56:41,579

and because the defense department has

1275

00:56:45,109 --> 00:56:43,800

to answer their questions they have to

1276  
00:56:47,390 --> 00:56:45,119  
legally

1277  
00:56:49,670 --> 00:56:47,400  
so he did

1278  
00:56:53,569 --> 00:56:49,680  
and the result was

1279  
00:56:55,309 --> 00:56:53,579  
he was told that everything every record

1280  
00:57:02,109 --> 00:56:55,319  
from Roswell

1281  
00:57:06,170 --> 00:57:02,119  
from 1947 to 1952 had been destroyed

1282  
00:57:08,210 --> 00:57:06,180  
zero left and when we try to look back

1283  
00:57:10,609 --> 00:57:08,220  
into the past

1284  
00:57:12,710 --> 00:57:10,619  
to find out what they knew and what

1285  
00:57:14,870 --> 00:57:12,720  
happened we're going to find more and

1286  
00:57:16,790 --> 00:57:14,880  
more of that has happened

1287  
00:57:19,089 --> 00:57:16,800  
and we're also going to find what

1288  
00:57:22,010 --> 00:57:19,099

general Exon Arthur Exon told me about

1289

00:57:24,230 --> 00:57:22,020

and he's the man was a he was commanding

1290

00:57:26,450 --> 00:57:24,240

officer at Wright-Patt at one point and

1291

00:57:28,790 --> 00:57:26,460

he was at the error material command

1292

00:57:30,650 --> 00:57:28,800

when the Roswell materials were brought

1293

00:57:36,290 --> 00:57:30,660

in when it was when it was so right

1294

00:57:38,750 --> 00:57:36,300

field in 1947 and in 1988 he told me

1295

00:57:42,770 --> 00:57:38,760

he's a family friend which is why he

1296

00:57:46,010 --> 00:57:42,780

talked to me uh he told me that

1297

00:57:48,170 --> 00:57:46,020

he was still going to write to confer

1298

00:57:51,530 --> 00:57:48,180

with the scientific team that was

1299

00:57:54,230 --> 00:57:51,540

working on this to to so that because he

1300

00:57:56,990 --> 00:57:54,240

had personal notes and

1301  
00:57:58,549 --> 00:57:57,000  
memories of

1302  
00:58:00,950 --> 00:57:58,559  
meetings that have been held years

1303  
00:58:04,609 --> 00:58:00,960  
before where there had been no records

1304  
00:58:06,829 --> 00:58:04,619  
kept and these guys to this day pencils

1305  
00:58:08,569 --> 00:58:06,839  
up as the rule of the day

1306  
00:58:12,109 --> 00:58:08,579  
in other words they've kept too many

1307  
00:58:15,290 --> 00:58:12,119  
secrets too well and the result is a lot

1308  
00:58:18,430 --> 00:58:15,300  
has been lost to history and it also

1309  
00:58:21,530 --> 00:58:18,440  
means that each generation

1310  
00:58:23,210 --> 00:58:21,540  
redoes what the last generation did

1311  
00:58:26,510 --> 00:58:23,220  
without knowing it's already been done

1312  
00:58:27,849 --> 00:58:26,520  
it's that's bound to be the case

1313  
00:58:32,630 --> 00:58:27,859

um

1314

00:58:36,170 --> 00:58:32,640

yeah but but ultimately though

1315

00:58:38,630 --> 00:58:36,180

um it would also seem that uh you know

1316

00:58:40,730 --> 00:58:38,640

with with the web uh James Webb the

1317

00:58:42,890 --> 00:58:40,740

Space Telescope there's other telescopes

1318

00:58:45,470 --> 00:58:42,900

uh as well it's not just the James Webb

1319

00:58:48,770 --> 00:58:45,480

and we have the test system and stuff

1320

00:58:52,430 --> 00:58:48,780

um that something is going to get

1321

00:58:54,890 --> 00:58:52,440

discovered and there is uh a large

1322

00:58:59,109 --> 00:58:54,900

International Community uh Whitley that

1323

00:59:03,289 --> 00:58:59,119

is uh uh running stuff uh up in space

1324

00:59:05,390 --> 00:59:03,299

and and looking and if if the government

1325

00:59:08,329 --> 00:59:05,400

doesn't come clean now and something

1326

00:59:10,730 --> 00:59:08,339

else is discovered uh scientifically

1327

00:59:14,089 --> 00:59:10,740

kind of like the movie contact then

1328

00:59:15,950 --> 00:59:14,099

you've got a real problem on your hands

1329

00:59:18,770 --> 00:59:15,960

well they do have a problem in their

1330

00:59:22,130 --> 00:59:18,780

hands and I have a feeling that that

1331

00:59:25,010 --> 00:59:22,140

there's an probably a lot of

1332

00:59:26,329 --> 00:59:25,020

relationship and correspondence behind

1333

00:59:29,930 --> 00:59:26,339

the scenes

1334

00:59:31,190 --> 00:59:29,940

to perhaps even policies in place to

1335

00:59:34,789 --> 00:59:31,200

control

1336

00:59:37,430 --> 00:59:34,799

uh the dissemination of the discovery of

1337

00:59:40,010 --> 00:59:37,440

an alien presence in the world in the

1338

00:59:43,730 --> 00:59:40,020

universe somewhere in other words if we

1339

00:59:45,890 --> 00:59:43,740

discover uh signs of signs of not only

1340

00:59:47,470 --> 00:59:45,900

life but intelligent life

1341

00:59:50,870 --> 00:59:47,480

uh

1342

00:59:55,150 --> 00:59:50,880

and so I think that's a that's that's

1343

00:59:59,270 --> 00:59:55,160

also a real possibility that we could uh

1344

01:00:01,670 --> 00:59:59,280

that could be suppressed because of the

1345

01:00:03,230 --> 01:00:01,680

fear that if it's not suppressed the

1346

01:00:04,549 --> 01:00:03,240

whole can of worms is going to end up

1347

01:00:08,089 --> 01:00:04,559

getting opened

1348

01:00:11,450 --> 01:00:08,099

the International Community I mean I I

1349

01:00:13,370 --> 01:00:11,460

I don't know I I just want your opinion

1350

01:00:14,990 --> 01:00:13,380

on this before we go to the break I

1351

01:00:17,390 --> 01:00:15,000

don't know if the United States has that

1352

01:00:20,270 --> 01:00:17,400

kind of influence on other state actors

1353

01:00:23,089 --> 01:00:20,280

around the world of somebody else wants

1354

01:00:25,130 --> 01:00:23,099

this information to come out uh I think

1355

01:00:28,490 --> 01:00:25,140

it's going to happen and the United

1356

01:00:30,170 --> 01:00:28,500

States won't have a say in like a

1357

01:00:32,150 --> 01:00:30,180

discovery with the James Webb Space

1358

01:00:34,730 --> 01:00:32,160

teller that's an International Coalition

1359

01:00:38,150 --> 01:00:34,740

right yeah

1360

01:00:40,910 --> 01:00:38,160

that that's got to be a concern or maybe

1361

01:00:45,890 --> 01:00:40,920

they're hoping the James Webb will find

1362

01:00:48,109 --> 01:00:45,900

it so then they can uh talk about E.T in

1363

01:00:50,510 --> 01:00:48,119

a different way and they know I think

1364

01:00:52,010 --> 01:00:50,520

that bill the beans I've always thought

1365

01:00:56,089 --> 01:00:52,020

that one of the things that would be

1366

01:00:59,569 --> 01:00:56,099

helpful is if we found E.T

1367

01:01:02,930 --> 01:00:59,579

then we could begin a dialogue about E.T

1368

01:01:05,930 --> 01:01:02,940

and ease into the idea that ET has

1369

01:01:09,170 --> 01:01:05,940

already found us that that could be

1370

01:01:11,210 --> 01:01:09,180

that could be very helpful

1371

01:01:13,430 --> 01:01:11,220

culturally and socially it could make it

1372

01:01:15,589 --> 01:01:13,440

easier for us to handle this

1373

01:01:17,569 --> 01:01:15,599

Let's uh let's continue all of this

1374

01:01:20,990 --> 01:01:17,579

after the break Whitley stay right there

1375

01:01:23,349 --> 01:01:21,000

our guest tonight is Whitley streber and

1376

01:01:26,150 --> 01:01:23,359

tonight's broadcast is brought to you by

1377

01:01:28,910 --> 01:01:26,160

accidental truth this is Ron James new

1378

01:01:31,190 --> 01:01:28,920

documentary it is streaming it's a big

1379

01:01:34,370 --> 01:01:31,200

hit it's streaming on all platforms go

1380

01:01:37,670 --> 01:01:34,380

and check it out accidental truth this

1381

01:01:40,970 --> 01:01:37,680

is required viewing by everybody in our

1382

01:01:42,890 --> 01:01:40,980

community stay with us

1383

01:01:45,289 --> 01:01:42,900

this is Jimmy Church of Fade to Black

1384

01:01:47,510 --> 01:01:45,299

please visit all of our sponsors we're

1385

01:01:49,250 --> 01:01:47,520

taking a quick break here all of the

1386

01:01:51,490 --> 01:01:49,260

links are below

1387

01:01:55,970 --> 01:01:51,500

and we'll be right back

1388

01:01:58,430 --> 01:01:55,980

join us November 10th 11th and 12th 2023

1389

01:02:01,130 --> 01:01:58,440

as disclosure Fest foundation and Fade

1390

01:02:03,589 --> 01:02:01,140

to Black radio presents Stairway To the

1391

01:02:06,049 --> 01:02:03,599

Stars a human Origins Science and

1392

01:02:09,170 --> 01:02:06,059

Technology Expo live at the Luxor Hotel

1393

01:02:11,450 --> 01:02:09,180

and Casino and the Las Vegas Strip with

1394

01:02:13,430 --> 01:02:11,460

live talks and lectures and workshops by

1395

01:02:15,530 --> 01:02:13,440

World Acclaim researchers and authors

1396

01:02:18,109 --> 01:02:15,540

this is Jimmy Church by the way and I'll

1397

01:02:20,390 --> 01:02:18,119

be your host all weekend long featuring

1398

01:02:22,549 --> 01:02:20,400

topics like human Origins ancient

1399

01:02:25,430 --> 01:02:22,559

Technologies indigenous teachings

1400

01:02:27,829 --> 01:02:25,440

workshops a mass meditation yoga and

1401  
01:02:30,589 --> 01:02:27,839  
sound healing music and so much more

1402  
01:02:33,410 --> 01:02:30,599  
don't miss our intimate sky watch and

1403  
01:02:36,289 --> 01:02:33,420  
meteor shower over the infamous Area 51

1404  
01:02:38,030 --> 01:02:36,299  
airspace in Rachel Nevada with special

1405  
01:02:40,309 --> 01:02:38,040  
surprise celebrity host guiding us

1406  
01:02:44,210 --> 01:02:40,319  
through the night also introducing our

1407  
01:02:46,430 --> 01:02:44,220  
disclosure Fest VR Starship area with

1408  
01:02:49,190 --> 01:02:46,440  
dozens of rides you've gotta check it

1409  
01:02:50,750 --> 01:02:49,200  
out this event will sell out for more

1410  
01:02:53,990 --> 01:02:50,760  
information and tickets Please visit

1411  
01:02:56,750 --> 01:02:54,000  
disclosure fest.org this is Jimmy church

1412  
01:03:00,349 --> 01:02:56,760  
and I want to introduce you to lifewaves

1413  
01:03:02,870 --> 01:03:00,359

x39 Stem Cell Activation batch which has

1414

01:03:05,690 --> 01:03:02,880

totally transformed my health my sleep

1415

01:03:08,390 --> 01:03:05,700

brain and my eyes I no longer need

1416

01:03:10,490 --> 01:03:08,400

reading glasses x39 is a true

1417

01:03:14,630 --> 01:03:10,500

breakthrough in regenerative science

1418

01:03:17,270 --> 01:03:14,640

using light x-39's patented age reversal

1419

01:03:19,190 --> 01:03:17,280

Technologies clinically proven to Signal

1420

01:03:21,530 --> 01:03:19,200

the activation of younger stem cells

1421

01:03:24,770 --> 01:03:21,540

accelerating the body's natural healing

1422

01:03:27,049 --> 01:03:24,780

process x39 promotes restoration and

1423

01:03:29,510 --> 01:03:27,059

Rejuvenation bringing the life-changing

1424

01:03:31,789 --> 01:03:29,520

benefits that I've experienced by

1425

01:03:34,970 --> 01:03:31,799

naturally elevating a master signaling

1426

01:03:37,670 --> 01:03:34,980

peptide in the body x39 boosts Vitality

1427

01:03:40,549 --> 01:03:37,680

health and wellness and resets 4 000

1428

01:03:43,190 --> 01:03:40,559

genes to a younger healthier State it's

1429

01:03:46,930 --> 01:03:43,200

one patch once a day and you can turn

1430

01:03:50,329 --> 01:03:46,940

back time with x-39 just go to

1431

01:03:52,030 --> 01:03:50,339

healingworksnow.com that's works with an

1432

01:03:55,430 --> 01:03:52,040

X healing

1433

01:03:57,710 --> 01:03:55,440

worksnow.com hey everybody it's Billy

1434

01:03:59,630 --> 01:03:57,720

Carson also known as Forbidden Knowledge

1435

01:04:02,450 --> 01:03:59,640

I want to talk to you about a very

1436

01:04:05,270 --> 01:04:02,460

special event coming up July 30th 2023

1437

01:04:06,650 --> 01:04:05,280

The Forbidden conscious Awards we're

1438

01:04:08,270 --> 01:04:06,660

going to honor people who have been

1439

01:04:10,609 --> 01:04:08,280

contributing to the conscious Community

1440

01:04:12,230 --> 01:04:10,619

for decades people that you know and

1441

01:04:14,150 --> 01:04:12,240

love that have helped you get to higher

1442

01:04:15,710 --> 01:04:14,160

levels of thought and Consciousness and

1443

01:04:17,750 --> 01:04:15,720

awareness it's going to be alive

1444

01:04:19,250 --> 01:04:17,760

in-person event but seats are going to

1445

01:04:20,990 --> 01:04:19,260

sell out very fast you want to make sure

1446

01:04:23,030 --> 01:04:21,000

you're there in person and guess what

1447

01:04:25,010 --> 01:04:23,040

you can help vote for the winners voting

1448

01:04:26,930 --> 01:04:25,020

is available on [forbiddenknowledge.com](http://forbiddenknowledge.com)

1449

01:04:29,569 --> 01:04:26,940

and the categories are going to be

1450

01:04:32,089 --> 01:04:29,579

social media influencer podcast slash

1451

01:04:34,130 --> 01:04:32,099

radio host TV host actor director

1452

01:04:35,930 --> 01:04:34,140

producer entrepreneurs health and

1453

01:04:38,329 --> 01:04:35,940

wellness philanthropists authors field

1454

01:04:40,130 --> 01:04:38,339

researchers archaeologists space anomaly

1455

01:04:42,950 --> 01:04:40,140

hunters and of course a Lifetime

1456

01:04:44,870 --> 01:04:42,960

Achievement Award I'll be your key note

1457

01:04:46,789 --> 01:04:44,880

speaker that night at The Forbidden

1458

01:04:49,130 --> 01:04:46,799

conscious Awards we have celebrity

1459

01:04:50,690 --> 01:04:49,140

guests performing we'll have a halftime

1460

01:04:52,250 --> 01:04:50,700

show where we're actually going to

1461

01:04:54,589 --> 01:04:52,260

perform music for for you and don't

1462

01:04:56,630 --> 01:04:54,599

forget about the pre-event mixer where

1463

01:04:58,670 --> 01:04:56,640

if you buy a box seat you'll be in the

1464

01:05:01,069 --> 01:04:58,680

VIP section and you also have private

1465

01:05:03,770 --> 01:05:01,079

access to a big-ip mixer with celebrity

1466

01:05:06,170 --> 01:05:03,780

guests shake hands break bread Network

1467

01:05:08,210 --> 01:05:06,180

and then walk the red carpet with us and

1468

01:05:09,410 --> 01:05:08,220

take amazing photos it's going to be a

1469

01:05:11,390 --> 01:05:09,420

night to remember you don't want to

1470

01:05:12,890 --> 01:05:11,400

forget this make sure you hurry up and

1471

01:05:14,890 --> 01:05:12,900

get your tickets because you're selling

1472

01:05:17,620 --> 01:05:14,900

out very fast I want to see you there

1473

01:05:21,230 --> 01:05:17,630

forbidden conscious Awards 2023

1474

01:05:24,650 --> 01:05:21,240

[Music]

1475

01:05:27,470 --> 01:05:24,660

River Moon coffee makers of the Fade to

1476

01:05:29,349 --> 01:05:27,480

Black blend truly the best coffee on

1477

01:05:31,609 --> 01:05:29,359

planet Earth just visit

1478

01:05:33,410 --> 01:05:31,619

rivermoonwellness.com or or their Amazon

1479

01:05:34,849 --> 01:05:33,420

store it's all simple to do you can

1480

01:05:36,950 --> 01:05:34,859

check out the Fade to Black blend the

1481

01:05:39,589 --> 01:05:36,960

game changer Blend or any of their black

1482

01:05:43,370 --> 01:05:39,599

moon wellness products it's the only

1483

01:05:48,829 --> 01:05:43,380

coffee I drink it is the best and it's

1484

01:05:53,390 --> 01:05:51,289

all right Welcome Back Fade to Black I'm

1485

01:05:55,130 --> 01:05:53,400

your host Jimmy church tonight A Whitley

1486

01:05:57,770 --> 01:05:55,140

streamer is with us we're talking about

1487

01:06:00,049 --> 01:05:57,780

his new book and other things tonight uh

1488

01:06:03,470 --> 01:06:00,059

it's number one right now it is called

1489

01:06:05,089 --> 01:06:03,480

them and you can uh go and pick it up

1490

01:06:08,750 --> 01:06:05,099

right now from Amazon yeah it's number

1491

01:06:12,230 --> 01:06:08,760

one and uh so let's get straight back to

1492

01:06:13,670 --> 01:06:12,240

it Whitley and one of

1493

01:06:16,329 --> 01:06:13,680

um you know

1494

01:06:21,789 --> 01:06:16,339

Okay so we've had two hearings

1495

01:06:24,710 --> 01:06:21,799

one was UFO focused uh the the the

1496

01:06:27,589 --> 01:06:24,720

Congressional the representative version

1497

01:06:32,029 --> 01:06:27,599

of it we had the Gila brand hearing and

1498

01:06:35,750 --> 01:06:32,039

that was Aero budget focused uh and with

1499

01:06:39,589 --> 01:06:35,760

zero mention of of E.T or or anything

1500

01:06:44,109 --> 01:06:39,599

like that but uh the the one thing that

1501

01:06:47,089 --> 01:06:44,119

I haven't heard uh much about are

1502

01:06:51,109 --> 01:06:47,099

experiencers and and those out there

1503

01:06:53,510 --> 01:06:51,119

that have have made direct contact they

1504

01:06:56,150 --> 01:06:53,520

just want to keep this military-centric

1505

01:07:00,049 --> 01:06:56,160

why do you think it is

1506

01:07:02,029 --> 01:07:00,059

because we're out of control of the

1507

01:07:05,809 --> 01:07:02,039

whole experience or phenomenon

1508

01:07:08,990 --> 01:07:05,819

and the military side of it suggests

1509

01:07:12,650 --> 01:07:09,000

that that we the government may be able

1510

01:07:14,270 --> 01:07:12,660

to do its job in in and protect the

1511

01:07:16,430 --> 01:07:14,280

population

1512

01:07:18,829 --> 01:07:16,440

but you know I it's

1513

01:07:22,910 --> 01:07:18,839

that is a

1514

01:07:25,490 --> 01:07:22,920

uh area well Louisville for example will

1515

01:07:29,870 --> 01:07:25,500

not communicate with me at all

1516

01:07:32,750 --> 01:07:29,880

not at all he won't talk to me he won't

1517

01:07:33,770 --> 01:07:32,760

email back anything

1518

01:07:36,049 --> 01:07:33,780

um

1519

01:07:38,029 --> 01:07:36,059

Chris Mellon whom I know of well and not

1520

01:07:39,470 --> 01:07:38,039

not well I mean I I know him he's a

1521

01:07:41,109 --> 01:07:39,480

great guy by the way

1522

01:07:43,430 --> 01:07:41,119

uh

1523

01:07:46,010 --> 01:07:43,440

feels that he does not want to be on

1524

01:07:49,190 --> 01:07:46,020

Dreamland because he does not want to

1525

01:07:53,230 --> 01:07:49,200

make the link between the experiencer

1526

01:07:55,789 --> 01:07:53,240

side of it and the more Hardware

1527

01:07:57,049 --> 01:07:55,799

oriented side of it

1528

01:08:05,809 --> 01:07:57,059

and

1529

01:08:07,910 --> 01:08:05,819

point out in the book is

1530

01:08:09,589 --> 01:08:07,920

that uh

1531

01:08:13,849 --> 01:08:09,599

excuse me

1532

01:08:20,209 --> 01:08:17,809

the whatever's here has gone into the

1533

01:08:22,610 --> 01:08:20,219

lives of people

1534

01:08:24,709 --> 01:08:22,620

and what have they done they've taken

1535

01:08:27,709 --> 01:08:24,719

sexual material

1536

01:08:29,870 --> 01:08:27,719

eggs and sperm it took sperm for me

1537

01:08:31,910 --> 01:08:29,880

right out of my body

1538

01:08:34,789 --> 01:08:31,920

and did it

1539

01:08:38,329 --> 01:08:34,799

brutally I mean I was raped I was

1540

01:08:40,450 --> 01:08:38,339

torn up inside my body uh

1541

01:08:46,370 --> 01:08:40,460

and

1542

01:08:49,430 --> 01:08:46,380

fetuses taken out of them

1543

01:08:51,410 --> 01:08:49,440

and you can't say

1544

01:08:53,570 --> 01:08:51,420

with a straight face that yes we're your

1545

01:08:56,090 --> 01:08:53,580

government we are protecting you we're

1546

01:08:58,970 --> 01:08:56,100

doing our job when this can happen in

1547

01:09:00,890 --> 01:08:58,980

the middle of the night and that they

1548

01:09:04,130 --> 01:09:00,900

has let it happen for

1549

01:09:05,450 --> 01:09:04,140

years and years and didn't did nothing

1550

01:09:07,729 --> 01:09:05,460

about it because they couldn't do

1551

01:09:10,430 --> 01:09:07,739

anything about it

1552

01:09:12,709 --> 01:09:10,440

um oh there's Whispers always that there

1553

01:09:15,229 --> 01:09:12,719

was some kind of agreement that the

1554

01:09:17,209 --> 01:09:15,239

government would let it happen and if

1555

01:09:20,570 --> 01:09:17,219

that's true and there's paperwork about

1556

01:09:23,890 --> 01:09:20,580

that my God yeah that's a problem that's

1557

01:09:26,930 --> 01:09:23,900

a huge major well it's all a problem

1558

01:09:30,470 --> 01:09:26,940

but here's another point though

1559

01:09:33,590 --> 01:09:30,480

um if they want to make it military

1560

01:09:36,890 --> 01:09:33,600

fine they've got rental shim where

1561

01:09:41,150 --> 01:09:36,900

you've got Burrows and peniston uh that

1562

01:09:43,970 --> 01:09:41,160

had Direct contact and and there's a

1563

01:09:47,630 --> 01:09:43,980

witness situation and uh a physical

1564

01:09:50,090 --> 01:09:47,640

situation we know what uh uh boroughs

1565

01:09:53,990 --> 01:09:50,100

went through uh John Burroughs yeah sure

1566

01:09:57,350 --> 01:09:54,000

and uh and pennison uh as well and

1567

01:10:00,410 --> 01:09:57,360

shouldn't they be called as a contactee

1568

01:10:03,650 --> 01:10:00,420

Witnesses it's military there's plenty

1569

01:10:05,709 --> 01:10:03,660

of paperwork here's the problem

1570

01:10:07,790 --> 01:10:05,719

you open

1571

01:10:10,669 --> 01:10:07,800

that any

1572

01:10:12,470 --> 01:10:10,679

any of that that door even a crack in

1573

01:10:15,530 --> 01:10:12,480

the whole door comes flying off in your

1574

01:10:17,090 --> 01:10:15,540

face that's what Their Fear is

1575

01:10:20,870 --> 01:10:17,100

so

1576

01:10:23,209 --> 01:10:20,880

I I'm hoping that Jacque Valley is right

1577

01:10:25,790 --> 01:10:23,219

and that policy makers will read the

1578

01:10:28,550 --> 01:10:25,800

book I'm going to try to get it into the

1579

01:10:31,729 --> 01:10:28,560

hands of some of them uh

1580

01:10:35,689 --> 01:10:31,739

and you know it's hard to get past

1581

01:10:37,250 --> 01:10:35,699

pass their their staffs and you know the

1582

01:10:39,590 --> 01:10:37,260

staffs people are going to take a look

1583

01:10:41,149 --> 01:10:39,600

and look at that and just toss it over

1584

01:10:42,169 --> 01:10:41,159

their shoulder

1585

01:10:45,590 --> 01:10:42,179

um

1586

01:10:49,010 --> 01:10:45,600

but if some people like Christian

1587

01:10:52,550 --> 01:10:49,020

gillibrand did breed them they would get

1588

01:10:54,709 --> 01:10:52,560

an idea of how to do this correctly and

1589

01:10:57,590 --> 01:10:54,719

usefully because the book lays it right

1590

01:10:59,149 --> 01:10:57,600

out it's very clear the first half of

1591

01:11:02,090 --> 01:10:59,159

the book shows

1592

01:11:05,990 --> 01:11:02,100

how communication and interactions

1593

01:11:08,390 --> 01:11:06,000

actually work that it's not the simple

1594

01:11:10,189 --> 01:11:08,400

abduction scenario that's popularized in

1595

01:11:12,890 --> 01:11:10,199

the media that is a much more complex

1596

01:11:14,330 --> 01:11:12,900

experience and the second half of it

1597

01:11:15,649 --> 01:11:14,340

shows

1598

01:11:17,990 --> 01:11:15,659

both

1599

01:11:21,229 --> 01:11:18,000

what has happened and what happened in

1600

01:11:23,770 --> 01:11:21,239

the early days and why it was that the

1601

01:11:26,990 --> 01:11:23,780

visitors themselves by what they did

1602

01:11:29,090 --> 01:11:27,000

placed the military in a position where

1603

01:11:30,950 --> 01:11:29,100

they had to keep it secret

1604

01:11:33,590 --> 01:11:30,960

they had no choice

1605

01:11:34,790 --> 01:11:33,600

and I think that was done on purpose it

1606

01:11:38,390 --> 01:11:34,800

was deliberate

1607

01:11:41,090 --> 01:11:38,400

and it was to give the presence

1608

01:11:42,770 --> 01:11:41,100

which I sort of interchangeably uses the

1609

01:11:45,169 --> 01:11:42,780

visitors because I'm not sure it's just

1610

01:11:47,649 --> 01:11:45,179

one species or what exactly it is even

1611

01:11:50,390 --> 01:11:47,659

if it's any species

1612

01:11:52,130 --> 01:11:50,400

to give them and make sure they always

1613

01:11:54,590 --> 01:11:52,140

had the upper hand

1614

01:11:56,750 --> 01:11:54,600

and that they could carry out their

1615

01:11:59,510 --> 01:11:56,760

activities in secret with without the

1616

01:12:01,010 --> 01:11:59,520

public resisting them because you know

1617

01:12:02,330 --> 01:12:01,020

if I had known

1618

01:12:06,709 --> 01:12:02,340

uh

1619

01:12:08,390 --> 01:12:06,719

never have bought a Country House in

1620

01:12:11,330 --> 01:12:08,400

fact I would guess that second homes

1621

01:12:13,850 --> 01:12:11,340

would be completely that that market

1622

01:12:15,350 --> 01:12:13,860

would be totaled because who would want

1623

01:12:19,850 --> 01:12:15,360

to be out in the country in the under

1624

01:12:22,010 --> 01:12:19,860

their circumstances the the uh national

1625

01:12:24,050 --> 01:12:22,020

parks would be emptied

1626

01:12:26,209 --> 01:12:24,060

you know David politis would be a big

1627

01:12:28,630 --> 01:12:26,219

hero instead of sort of considered a

1628

01:12:31,430 --> 01:12:28,640

kook by most of the media

1629

01:12:33,410 --> 01:12:31,440

but gillibran

1630

01:12:38,330 --> 01:12:33,420

um is that you bring up such an

1631

01:12:41,689 --> 01:12:38,340

interesting point because it seems that

1632

01:12:42,290 --> 01:12:41,699

um she slid in and her staff

1633

01:12:46,310 --> 01:12:42,300

um

1634

01:12:50,209 --> 01:12:46,320

uh a direct reference to

1635

01:12:54,830 --> 01:12:50,219

Witnesses in contact with uaps and and

1636

01:12:56,810 --> 01:12:54,840

health considerations now she did yeah

1637

01:13:00,110 --> 01:12:56,820

yeah and you're only going to write that

1638

01:13:01,790 --> 01:13:00,120

if if you know something or somebody has

1639

01:13:04,910 --> 01:13:01,800

given you the information to put in

1640

01:13:07,790 --> 01:13:04,920

there that that there is contact that is

1641

01:13:10,790 --> 01:13:07,800

going on and we need to take care of

1642

01:13:13,729 --> 01:13:10,800

anybody that may have some issues and

1643

01:13:17,030 --> 01:13:13,739

and that was in there and you know what

1644

01:13:19,030 --> 01:13:17,040

they also ought to do is compensate the

1645

01:13:22,090 --> 01:13:19,040

people who have been beat up by the

1646

01:13:25,729 --> 01:13:22,100

intelligence community

1647

01:13:27,950 --> 01:13:25,739

uh like a lot of people like me and some

1648

01:13:30,229 --> 01:13:27,960

other people who have been public out

1649

01:13:34,250 --> 01:13:30,239

there in the public have been lied about

1650

01:13:36,709 --> 01:13:34,260

and marginalized ruthlessly and it's an

1651  
01:13:39,350 --> 01:13:36,719  
intentional thing it's not an accident

1652  
01:13:41,390 --> 01:13:39,360  
and uh

1653  
01:13:42,530 --> 01:13:41,400  
it needs to be admitted that these

1654  
01:13:44,630 --> 01:13:42,540  
people had

1655  
01:13:49,250 --> 01:13:44,640  
were telling the truth

1656  
01:13:52,450 --> 01:13:49,260  
and that there were buried in lies and

1657  
01:14:00,050 --> 01:13:53,990  
the

1658  
01:14:02,870 --> 01:14:00,060  
language uh that Jilla brand

1659  
01:14:07,790 --> 01:14:02,880  
um had had put into the budget

1660  
01:14:12,950 --> 01:14:07,800  
um which is effectively law right that

1661  
01:14:17,090 --> 01:14:12,960  
um not only is this a a concern but this

1662  
01:14:20,149 --> 01:14:17,100  
is a reality right this isn't this isn't

1663  
01:14:22,490 --> 01:14:20,159

Gene Roddenberry anymore that's right no

1664

01:14:25,850 --> 01:14:22,500

no not by a long shot yeah not by a long

1665

01:14:29,630 --> 01:14:25,860

shot and and I think that's where we are

1666

01:14:32,090 --> 01:14:29,640

today and it's not because of hearsay or

1667

01:14:34,010 --> 01:14:32,100

circumstantial evidence there is

1668

01:14:35,990 --> 01:14:34,020

something much more real to the

1669

01:14:38,030 --> 01:14:36,000

phenomenon going on that they are aware

1670

01:14:39,050 --> 01:14:38,040

of that's the correct way to look at it

1671

01:14:42,410 --> 01:14:39,060

right

1672

01:14:44,510 --> 01:14:42,420

I would think so well also you know it's

1673

01:14:46,610 --> 01:14:44,520

a it's a good time because now we're

1674

01:14:48,950 --> 01:14:46,620

looking back on the abduction phenomenon

1675

01:14:51,290 --> 01:14:48,960

it's not common now I haven't I don't

1676

01:14:54,950 --> 01:14:51,300

think it happens at all anymore frankly

1677

01:14:56,689 --> 01:14:54,960

I think back in 1975 if you had come out

1678

01:14:59,810 --> 01:14:56,699

with this it would have been an

1679

01:15:01,149 --> 01:14:59,820

immediate threat but now it's more

1680

01:15:03,110 --> 01:15:01,159

historical

1681

01:15:05,810 --> 01:15:03,120

and uh

1682

01:15:08,390 --> 01:15:05,820

uh I think they can safely say that this

1683

01:15:10,490 --> 01:15:08,400

was an episode in its past

1684

01:15:12,830 --> 01:15:10,500

and what they want to say about it I

1685

01:15:14,149 --> 01:15:12,840

don't know why it happened I think I

1686

01:15:16,490 --> 01:15:14,159

know why it happened

1687

01:15:20,330 --> 01:15:16,500

I think that someone was

1688

01:15:21,709 --> 01:15:20,340

was doing two things uh I think they

1689

01:15:25,070 --> 01:15:21,719

were

1690

01:15:27,590 --> 01:15:25,080

making some kind of a record of us and

1691

01:15:28,790 --> 01:15:27,600

probably of all the hope everything on

1692

01:15:32,570 --> 01:15:28,800

the planet

1693

01:15:35,270 --> 01:15:32,580

and a genetic record and I think they

1694

01:15:37,070 --> 01:15:35,280

were they were creating

1695

01:15:39,470 --> 01:15:37,080

people

1696

01:15:41,810 --> 01:15:39,480

that perhaps they were trying to create

1697

01:15:43,610 --> 01:15:41,820

people who could interface with them

1698

01:15:46,610 --> 01:15:43,620

you know in other words people who are a

1699

01:15:51,110 --> 01:15:46,620

bridge between the two species

1700

01:15:54,290 --> 01:15:51,120

uh I I think those things were were done

1701

01:15:58,250 --> 01:15:54,300

and were they successful

1702

01:16:00,830 --> 01:15:58,260

they may have been I I have no idea the

1703

01:16:03,530 --> 01:16:00,840

one incident which I've mentioned on the

1704

01:16:06,590 --> 01:16:03,540

show before the so-called cigarette

1705

01:16:08,990 --> 01:16:06,600

smoking boy uh

1706

01:16:11,750 --> 01:16:09,000

uh is an example of someone who

1707

01:16:14,510 --> 01:16:11,760

obviously did not work out he was not

1708

01:16:16,510 --> 01:16:14,520

successful now he was a terribly

1709

01:16:19,790 --> 01:16:16,520

troubled and

1710

01:16:22,850 --> 01:16:19,800

individual suffering greatly and

1711

01:16:25,729 --> 01:16:22,860

I I and not a day goes by that I don't

1712

01:16:29,930 --> 01:16:25,739

think of him and the others like him who

1713

01:16:32,990 --> 01:16:29,940

were perhaps made by people who were not

1714

01:16:34,669 --> 01:16:33,000

humans but beings who were willing to

1715

01:16:36,950 --> 01:16:34,679

experiment with us

1716

01:16:39,590 --> 01:16:36,960

in in even more radical ways than we

1717

01:16:41,090 --> 01:16:39,600

would experiment with animals but I

1718

01:16:43,250 --> 01:16:41,100

think that happened

1719

01:16:47,209 --> 01:16:43,260

and uh

1720

01:16:50,810 --> 01:16:47,219

uh but it's all as I say now it's all in

1721

01:16:53,209 --> 01:16:50,820

the past we can look back on it and

1722

01:16:54,110 --> 01:16:53,219

maybe it's time to start to say to the

1723

01:16:56,270 --> 01:16:54,120

public

1724

01:17:00,229 --> 01:16:56,280

yeah we couldn't do anything about it

1725

01:17:03,130 --> 01:17:00,239

and we got we we gotta we took some some

1726

01:17:05,750 --> 01:17:03,140

body blows here but we survived

1727

01:17:10,149 --> 01:17:05,760

uh I think it's probably time to start

1728

01:17:15,830 --> 01:17:14,630

yeah I'm sure sure if we go I I think

1729

01:17:17,570 --> 01:17:15,840

that

1730

01:17:18,790 --> 01:17:17,580

um we we've been going through some

1731

01:17:21,669 --> 01:17:18,800

phases

1732

01:17:24,050 --> 01:17:21,679

and E.T

1733

01:17:27,590 --> 01:17:24,060

it doesn't matter there's there's

1734

01:17:29,270 --> 01:17:27,600

probably millions of uh Advanced

1735

01:17:31,130 --> 01:17:29,280

civilizations out there that are aware

1736

01:17:33,950 --> 01:17:31,140

of planet Earth uh they're they're

1737

01:17:35,750 --> 01:17:33,960

checking out the entire Milky Way in the

1738

01:17:37,669 --> 01:17:35,760

universe for for life out there just

1739

01:17:41,390 --> 01:17:37,679

like we're doing the same thing here but

1740

01:17:43,010 --> 01:17:41,400

that being said they are aware of where

1741

01:17:46,669 --> 01:17:43,020

we are technically

1742

01:17:49,310 --> 01:17:46,679

so you didn't have to hide from

1743

01:17:51,950 --> 01:17:49,320

electricity and radar and missiles and

1744

01:17:54,590 --> 01:17:51,960

defense systems a thousand years ago you

1745

01:17:56,930 --> 01:17:54,600

didn't even have to do that 150 years

1746

01:18:00,890 --> 01:17:56,940

ago the Wright brothers didn't show up

1747

01:18:02,750 --> 01:18:00,900

on the scene until 1903 right right okay

1748

01:18:05,689 --> 01:18:02,760

so but

1749

01:18:07,669 --> 01:18:05,699

um and as radar and other things

1750

01:18:10,490 --> 01:18:07,679

sophistication started to come into play

1751

01:18:13,310 --> 01:18:10,500

in the mid-1940s

1752

01:18:15,669 --> 01:18:13,320

um they had tactics had to change

1753

01:18:17,530 --> 01:18:15,679

today I think it's more of an

1754

01:18:20,390 --> 01:18:17,540

interdimensional

1755

01:18:22,790 --> 01:18:20,400

you know there's there's something else

1756

01:18:25,610 --> 01:18:22,800

uh happening in the way that they

1757

01:18:27,590 --> 01:18:25,620

approach this planet and people

1758

01:18:29,090 --> 01:18:27,600

um that is different from the past like

1759

01:18:31,790 --> 01:18:29,100

you're saying we can look back and look

1760

01:18:34,370 --> 01:18:31,800

at the the historical differences right

1761

01:18:37,189 --> 01:18:34,380

and and maybe that's why abductions

1762

01:18:40,550 --> 01:18:37,199

aren't quite as frequent or or sightings

1763

01:18:42,830 --> 01:18:40,560

or Landings uh because the processes are

1764

01:18:44,870 --> 01:18:42,840

different today it's would that be a

1765

01:18:48,229 --> 01:18:44,880

good assessment right it's also possible

1766

01:18:49,250 --> 01:18:48,239

that the the the entities are different

1767

01:18:52,550 --> 01:18:49,260

like

1768

01:18:56,750 --> 01:18:52,560

we used to have the nordics

1769

01:18:57,770 --> 01:18:56,760

here I met some of them I encountered

1770

01:19:01,370 --> 01:18:57,780

some of them

1771

01:19:03,890 --> 01:19:01,380

uh I know other people in our area

1772

01:19:07,010 --> 01:19:03,900

who don't want known that they did but

1773

01:19:09,169 --> 01:19:07,020

the other people who did as well

1774

01:19:12,470 --> 01:19:09,179

uh and

1775

01:19:16,430 --> 01:19:12,480

they were real they were entirely real

1776

01:19:19,550 --> 01:19:16,440

physically real now they're gone

1777

01:19:21,890 --> 01:19:19,560

and what happened to them why did they

1778

01:19:23,390 --> 01:19:21,900

leave did they get think to themselves

1779

01:19:26,510 --> 01:19:23,400

ah this is just

1780

01:19:29,870 --> 01:19:26,520

too boring we don't want to fool with

1781

01:19:32,330 --> 01:19:29,880

these cats or two the two they're too

1782

01:19:34,550 --> 01:19:32,340

dull or they're too violent or they're

1783

01:19:36,169 --> 01:19:34,560

too scary or whatever it was but then

1784

01:19:38,030 --> 01:19:36,179

they're not here anymore

1785

01:19:41,209 --> 01:19:38,040

or were they driven off by another

1786

01:19:43,970 --> 01:19:41,219

species with a graze say to them

1787

01:19:45,590 --> 01:19:43,980

these people are they're our problem not

1788

01:19:48,590 --> 01:19:45,600

yours get out

1789

01:19:50,510 --> 01:19:48,600

and they left I don't know but something

1790

01:19:53,330 --> 01:19:50,520

caused that to happen

1791

01:19:56,330 --> 01:19:53,340

there's a whole level of this that we

1792

01:19:59,570 --> 01:19:56,340

can't quite see but we know is there

1793

01:20:01,430 --> 01:19:59,580

like the time I encountered the

1794

01:20:04,250 --> 01:20:01,440

I don't I haven't talked to mentioned

1795

01:20:05,209 --> 01:20:04,260

this in a long time I'll tell this story

1796

01:20:07,850 --> 01:20:05,219

um

1797

01:20:08,930 --> 01:20:07,860

I woke up one night in my apartment in

1798

01:20:14,330 --> 01:20:08,940

New York

1799

01:20:17,390 --> 01:20:14,340

with my head in the lap of a huge woman

1800

01:20:20,689 --> 01:20:17,400

whose body towered up I was on the couch

1801

01:20:23,510 --> 01:20:20,699

in the living room I I wasn't uh in the

1802

01:20:25,610 --> 01:20:23,520

bed or anything and I I was stunned I

1803

01:20:27,110 --> 01:20:25,620

mean I I started to jump up and I found

1804

01:20:29,510 --> 01:20:27,120

I couldn't move

1805

01:20:31,790 --> 01:20:29,520

and then I found them asking me inside

1806

01:20:33,890 --> 01:20:31,800

my head what they could they do to help

1807

01:20:35,270 --> 01:20:33,900

me this is right when the communion tour

1808

01:20:37,970 --> 01:20:35,280

was starting

1809

01:20:40,070 --> 01:20:37,980

and so I blurted out

1810

01:20:42,770 --> 01:20:40,080

perhaps the stupidest thing that's ever

1811

01:20:46,430 --> 01:20:42,780

been said to an alien

1812

01:20:48,649 --> 01:20:46,440

you could show me one of your children

1813

01:20:50,870 --> 01:20:48,659

and it was

1814

01:20:54,350 --> 01:20:50,880

what made it stupid was

1815

01:20:57,290 --> 01:20:54,360

here's this these extraordinary beings

1816

01:21:01,250 --> 01:20:57,300

are there and they asked me what I they

1817

01:21:02,450 --> 01:21:01,260

can do to help me not to inform me but

1818

01:21:04,250 --> 01:21:02,460

to help

1819

01:21:07,310 --> 01:21:04,260

I could have said you could give me a

1820

01:21:09,169 --> 01:21:07,320

UFO you could let me take pictures of

1821

01:21:11,689 --> 01:21:09,179

you I could have said all kinds of

1822

01:21:13,070 --> 01:21:11,699

things like that but instead I blurted

1823

01:21:15,770 --> 01:21:13,080

this out

1824

01:21:17,870 --> 01:21:15,780

uh I and I said to Anne afterwards I'm

1825

01:21:20,390 --> 01:21:17,880

so I've never felt so stupid in my life

1826

01:21:22,430 --> 01:21:20,400

she said no quickly you're not stupid

1827

01:21:25,130 --> 01:21:22,440

you're the only person that's ever this

1828

01:21:27,290 --> 01:21:25,140

has ever happened to and this is the

1829

01:21:29,330 --> 01:21:27,300

first thing and at least you were able

1830

01:21:33,470 --> 01:21:29,340

to say something

1831

01:21:35,689 --> 01:21:33,480

so time passes a month or two

1832

01:21:37,550 --> 01:21:35,699

I'm in the old airport in Denver

1833

01:21:40,430 --> 01:21:37,560

Stapleton Airport

1834

01:21:42,890 --> 01:21:40,440

and I'm waiting for my ride I'm doing my

1835

01:21:43,729 --> 01:21:42,900

author tour I'm like touring around in

1836

01:21:47,270 --> 01:21:43,739

uh

1837

01:21:49,669 --> 01:21:47,280

and um

1838

01:21:53,330 --> 01:21:49,679

waiting for my ride

1839

01:21:55,189 --> 01:21:53,340

and all of a sudden

1840

01:21:57,950 --> 01:21:55,199

the following

1841

01:22:00,290 --> 01:21:57,960

completely incredible and funny

1842

01:22:02,630 --> 01:22:00,300

wonderful thing happens

1843

01:22:07,610 --> 01:22:02,640

three people show up

1844

01:22:11,570 --> 01:22:07,620

a man a human male a normal looking man

1845

01:22:12,890 --> 01:22:11,580

a gigantic child who's like a giant

1846

01:22:15,350 --> 01:22:12,900

six-year-old

1847

01:22:17,270 --> 01:22:15,360

is a has the features of you know

1848

01:22:19,910 --> 01:22:17,280

unformed features of a child but he's

1849

01:22:21,590 --> 01:22:19,920

nearly as tall as the guy

1850

01:22:25,910 --> 01:22:21,600

and

1851

01:22:29,510 --> 01:22:25,920

what struck me as an obvious Gray

1852

01:22:31,729 --> 01:22:29,520

wearing a cheap dress like from dollar

1853

01:22:35,149 --> 01:22:31,739

store or somewhere

1854

01:22:39,490 --> 01:22:35,159

and covered with what I I could only

1855

01:22:43,189 --> 01:22:39,500

think was mortician's wax this face just

1856

01:22:46,430 --> 01:22:43,199

so poorly disguised the whole thing was

1857

01:22:47,870 --> 01:22:46,440

just absurd and and amazing

1858

01:22:50,570 --> 01:22:47,880

and

1859

01:22:53,750 --> 01:22:50,580

they're they've disguised themselves as

1860

01:22:56,330 --> 01:22:53,760

golfers they're carrying the cheapest

1861

01:22:58,490 --> 01:22:56,340

most anemic golf bags and golf clubs

1862

01:22:59,810 --> 01:22:58,500

like you've ever seen in your life

1863

01:23:02,390 --> 01:22:59,820

and

1864

01:23:05,570 --> 01:23:02,400

they stop in front of me

1865

01:23:07,669 --> 01:23:05,580

and the woman and the boy start to play

1866

01:23:12,050 --> 01:23:07,679

patty cake

1867

01:23:14,110 --> 01:23:12,060

faster and faster and faster until you

1868

01:23:17,630 --> 01:23:14,120

can't even see their hands you hear this

1869

01:23:19,990 --> 01:23:17,640

going on and a crowd gathers people are

1870

01:23:22,850 --> 01:23:20,000

watching this if we're stunned by this

1871

01:23:25,610 --> 01:23:22,860

thing going on with the hands and then

1872

01:23:27,290 --> 01:23:25,620

they stop and the boy sort of Bops a

1873

01:23:29,630 --> 01:23:27,300

couple times like he's you know sort of

1874

01:23:32,390 --> 01:23:29,640

still in the rhythm of it and he turns

1875

01:23:34,910 --> 01:23:32,400

around and walks toward the wall

1876

01:23:38,149 --> 01:23:34,920

and then you don't see him anymore

1877

01:23:40,669 --> 01:23:38,159

then I turn around back and the guy and

1878

01:23:42,770 --> 01:23:40,679

the woman are also gone

1879

01:23:46,010 --> 01:23:42,780

and someone said to me

1880

01:23:48,410 --> 01:23:46,020

standing beside me did you see that and

1881

01:23:50,990 --> 01:23:48,420

I said I think I did he said let's go

1882

01:23:54,709 --> 01:23:51,000

have a drink and at that moment my ride

1883

01:23:56,390 --> 01:23:54,719

shows up and I go out to the car and

1884

01:23:58,310 --> 01:23:56,400

we're driving out of the

1885

01:24:00,590 --> 01:23:58,320

to drive the

1886

01:24:02,209 --> 01:24:00,600

drive it's stapled an airport and I

1887

01:24:06,590 --> 01:24:02,219

think my God

1888

01:24:11,149 --> 01:24:08,709

my God

1889

01:24:13,189 --> 01:24:11,159

and I've often wondered who the guy was

1890

01:24:14,330 --> 01:24:13,199

who said let's have a drink and what

1891

01:24:15,950 --> 01:24:14,340

would have happened if I had a drink

1892

01:24:18,890 --> 01:24:15,960

with me right right right right right

1893

01:24:21,649 --> 01:24:18,900

right because he was he was not a

1894

01:24:23,149 --> 01:24:21,659

tourist he was something it was he was

1895

01:24:25,550 --> 01:24:23,159

something else

1896

01:24:27,709 --> 01:24:25,560

but what I've experienced

1897

01:24:30,890 --> 01:24:27,719

and what a story to tell

1898

01:24:32,750 --> 01:24:30,900

but it's not a story of and yes they

1899

01:24:34,910 --> 01:24:32,760

gave me the flying saucer I asked for

1900

01:24:38,630 --> 01:24:34,920

yes they took me

1901

01:24:41,830 --> 01:24:38,640

yeah but they did okay so

1902

01:24:44,950 --> 01:24:41,840

um uh here's what I'm saying

1903

01:24:49,250 --> 01:24:44,960

go ahead no go ahead go ahead

1904

01:24:52,790 --> 01:24:49,260

but it it this this story had an ending

1905

01:24:54,709 --> 01:24:52,800

did you feel the ending did you know

1906

01:24:56,930 --> 01:24:54,719

that this was the ending the answering

1907

01:25:00,950 --> 01:24:56,940

of the quote did you know all of this

1908

01:25:03,410 --> 01:25:00,960

was uh I like the morticians wax comment

1909

01:25:06,709 --> 01:25:03,420

did you see this coming

1910

01:25:09,950 --> 01:25:06,719

no right I I didn't expect anything like

1911

01:25:11,149 --> 01:25:09,960

this to happen uh I I didn't realize

1912

01:25:12,830 --> 01:25:11,159

that they showed me one of their

1913

01:25:15,290 --> 01:25:12,840

children until I was in in the car

1914

01:25:17,450 --> 01:25:15,300

leaving the airport right right and but

1915

01:25:19,490 --> 01:25:17,460

but here's an interesting thing there's

1916

01:25:20,990 --> 01:25:19,500

supposed to be such a hostility between

1917

01:25:22,610 --> 01:25:21,000

the Grays and

1918

01:25:25,189 --> 01:25:22,620

these nordics

1919

01:25:28,669 --> 01:25:25,199

that we're told that that's that's the

1920

01:25:31,130 --> 01:25:28,679

meme but they were together the woman

1921

01:25:33,169 --> 01:25:31,140

was clearly a gray I mean I could see it

1922

01:25:34,910 --> 01:25:33,179

clearly but probably most people

1923

01:25:36,229 --> 01:25:34,920

couldn't see it because they didn't you

1924

01:25:38,630 --> 01:25:36,239

know they don't expect to see something

1925

01:25:42,410 --> 01:25:38,640

like that and if you learn as much about

1926

01:25:44,090 --> 01:25:42,420

the brain as I have and how it processes

1927

01:25:46,790 --> 01:25:44,100

perceptions

1928

01:25:50,330 --> 01:25:46,800

if you don't expect if something comes into

1929

01:25:54,290 --> 01:25:50,340

your view that you don't expect to see

1930

01:25:58,070 --> 01:25:54,300

you you won't see it very usually won't

1931

01:26:01,189 --> 01:25:58,080

see it and so people didn't see her as

1932

01:26:04,370 --> 01:26:01,199

what I saw which was a damn gray very

1933

01:26:08,689 --> 01:26:04,380

poorly disguised they saw a woman

1934

01:26:11,750 --> 01:26:08,699

come kind of like E.T uh with Spielberg

1935

01:26:15,649 --> 01:26:11,760

remember when E.T was wearing uh the

1936

01:26:17,870 --> 01:26:15,659

dress right remember the the E.T put on

1937

01:26:19,669 --> 01:26:17,880

the oh yeah I'm I'm remembering it yeah

1938

01:26:22,129 --> 01:26:19,679

yeah in the movie

1939

01:26:23,390 --> 01:26:22,139

um I wanted to ask you about this so we

1940

01:26:25,850 --> 01:26:23,400

have um

1941

01:26:27,709 --> 01:26:25,860

uh some pretty extraordinary things uh

1942

01:26:31,610 --> 01:26:27,719

going on over the last uh five years

1943

01:26:35,629 --> 01:26:31,620

obviously fravor and and dietricht and

1944

01:26:38,810 --> 01:26:35,639

and and the Nimitz stuff and East Coast

1945

01:26:39,830 --> 01:26:38,820

West Coast Pacific Navy and thing and

1946

01:26:42,470 --> 01:26:39,840

other

1947

01:26:44,510 --> 01:26:42,480

stuff has has revealed itself and then

1948

01:26:47,870 --> 01:26:44,520

two weeks ago Whitley like out of

1949

01:26:49,729 --> 01:26:47,880

nowhere as if the hearings weren't

1950

01:26:51,770 --> 01:26:49,739

enough in the Department of Defense and

1951

01:26:53,330 --> 01:26:51,780

Susan Goff and whatever else you wanted

1952

01:26:57,850 --> 01:26:53,340

to throw out there

1953

01:27:00,950 --> 01:26:57,860

we got cattle mutilations in Texas

1954

01:27:03,290 --> 01:27:00,960

when that story broke what went through

1955

01:27:05,030 --> 01:27:03,300

your mind it's just like it's almost too

1956

01:27:06,590 --> 01:27:05,040

much everything is just coming out at

1957

01:27:08,270 --> 01:27:06,600

the same time would you make of those

1958

01:27:11,270 --> 01:27:08,280

cattle mutilations

1959

01:27:12,770 --> 01:27:11,280

well I I you know knowing Linda as long

1960

01:27:14,570 --> 01:27:12,780

as I have I know a fair amount about

1961

01:27:15,350 --> 01:27:14,580

Cattlemen relations

1962

01:27:17,629 --> 01:27:15,360

um

1963

01:27:20,450 --> 01:27:17,639

and uh

1964

01:27:21,950 --> 01:27:20,460

I thought to myself well I'm not

1965

01:27:24,290 --> 01:27:21,960

surprised and I've never been

1966

01:27:26,810 --> 01:27:24,300

particularly surprised by them the

1967

01:27:29,570 --> 01:27:26,820

reason being that

1968

01:27:32,870 --> 01:27:29,580

whoever's here

1969

01:27:34,729 --> 01:27:32,880

is exploiting the cattle in exactly the

1970

01:27:37,370 --> 01:27:34,739

same way we do

1971

01:27:39,709 --> 01:27:37,380

in other words they're using it for

1972

01:27:42,290 --> 01:27:39,719

something we use them for a food source

1973

01:27:44,629 --> 01:27:42,300

maybe this is maybe they use them for a

1974

01:27:47,149 --> 01:27:44,639

food source too and they have chosen to

1975

01:27:49,550 --> 01:27:47,159

use these same animals we use in order

1976

01:27:52,010 --> 01:27:49,560

not to alarm us I would assume

1977

01:27:55,729 --> 01:27:52,020

and of course it's not working very well

1978

01:27:57,350 --> 01:27:55,739

but uh and I you know there's all of

1979

01:28:01,669 --> 01:27:57,360

this stuff about it being a military

1980

01:28:04,970 --> 01:28:01,679

operation and being a

1981

01:28:07,070 --> 01:28:04,980

predators and and it's some of it's got

1982

01:28:08,510 --> 01:28:07,080

to be predatory and

1983

01:28:10,189 --> 01:28:08,520

but I don't think it's a military

1984

01:28:12,470 --> 01:28:10,199

operation

1985

01:28:14,510 --> 01:28:12,480

I think it's them

1986

01:28:17,570 --> 01:28:14,520

and um

1987

01:28:18,950 --> 01:28:17,580

I'm amazed when people cling to these

1988

01:28:21,890 --> 01:28:18,960

ideas

1989

01:28:24,770 --> 01:28:21,900

that it must be the military and

1990

01:28:26,390 --> 01:28:24,780

if you've seen these things that I've

1991

01:28:27,709 --> 01:28:26,400

never seen one but that Linda has

1992

01:28:30,830 --> 01:28:27,719

described

1993

01:28:32,870 --> 01:28:30,840

and that there are plenty of pictures of

1994

01:28:36,229 --> 01:28:32,880

not only in her books but also in other

1995

01:28:38,450 --> 01:28:36,239

areas this is not predator action

1996

01:28:41,510 --> 01:28:38,460

and why in the world would the military

1997

01:28:45,610 --> 01:28:41,520

do that and how

1998

01:28:49,370 --> 01:28:45,620

because a cow is a big thing a big heavy

1999

01:28:52,010 --> 01:28:49,380

unwilling creature two thousand pounds

2000

01:28:54,410 --> 01:28:52,020

man two thousand pounds yes and you know

2001

01:28:57,290 --> 01:28:54,420

and I grew up in cattle country I grew

2002

01:28:58,430 --> 01:28:57,300

up with cattle I've herded cattle and

2003

01:29:00,850 --> 01:28:58,440

it's not

2004

01:29:05,149 --> 01:29:00,860

there's no no no

2005

01:29:05,930 --> 01:29:05,159

couple of Goofs pfcs are going to go out

2006

01:29:08,390 --> 01:29:05,940

there

2007

01:29:10,250 --> 01:29:08,400

with some kind of a stun gun and do this

2008

01:29:13,310 --> 01:29:10,260

it's just not going to happen

2009

01:29:17,090 --> 01:29:13,320

it takes some kind of ability that we

2010

01:29:19,729 --> 01:29:17,100

don't have frankly to overpower an

2011

01:29:21,770 --> 01:29:19,739

animal like that and and you know these

2012

01:29:23,930 --> 01:29:21,780

carcasses are lying there with no blood

2013

01:29:24,709 --> 01:29:23,940

in them and no blood on the ground come

2014

01:29:27,950 --> 01:29:24,719

on

2015

01:29:29,930 --> 01:29:27,960

it's not you know why would the military

2016

01:29:32,330 --> 01:29:29,940

want to take blood out of a cattle

2017

01:29:34,070 --> 01:29:32,340

unless unless it's you know there's

2018

01:29:36,310 --> 01:29:34,080

vampires creeping around in the military

2019

01:29:38,270 --> 01:29:36,320

but

2020

01:29:42,229 --> 01:29:38,280

ah

2021

01:29:44,570 --> 01:29:42,239

um but all of the Hallmarks uh that

2022

01:29:46,070 --> 01:29:44,580

Linda has brought to our attention over

2023

01:29:47,570 --> 01:29:46,080

the years

2024

01:29:50,570 --> 01:29:47,580

all of it

2025

01:29:53,689 --> 01:29:50,580

was in this press release yeah I know

2026

01:29:57,110 --> 01:29:53,699

all of it I know yeah no Footprints no

2027

01:29:58,970 --> 01:29:57,120

uh no predators no blood surgical

2028

01:30:01,850 --> 01:29:58,980

Precision

2029

01:30:04,490 --> 01:30:01,860

um anus removed tongue surgically cut

2030

01:30:06,550 --> 01:30:04,500

out and this coming from you know the

2031

01:30:11,149 --> 01:30:06,560

ranchers and the sheriff's department

2032

01:30:12,790 --> 01:30:11,159

who must be very familiar with cattle

2033

01:30:17,209 --> 01:30:12,800

and cattle country and if they're gonna

2034

01:30:20,090 --> 01:30:17,219

say that this is a a mutilation and this

2035

01:30:22,729 --> 01:30:20,100

is why that uh they know the difference

2036

01:30:26,390 --> 01:30:22,739

between something that is natural and

2037

01:30:28,430 --> 01:30:26,400

something that is not and and then they

2038

01:30:32,689 --> 01:30:28,440

found a seventh one so it was originally

2039

01:30:34,129 --> 01:30:32,699

six and then they uh amended uh the

2040

01:30:36,110 --> 01:30:34,139

press release and said that they found

2041

01:30:37,850 --> 01:30:36,120

the seventh one along the same stretch

2042

01:30:40,430 --> 01:30:37,860

of highway

2043

01:30:43,370 --> 01:30:40,440

um but to have all of Linda's right just

2044

01:30:46,189 --> 01:30:43,380

right in a row uh I I thought that that

2045

01:30:48,350 --> 01:30:46,199

was pretty amazing I thought it was too

2046

01:30:50,689 --> 01:30:48,360

I thought I thought to myself that these

2047

01:30:52,669 --> 01:30:50,699

guys have been breeding Linda's books or

2048

01:30:55,729 --> 01:30:52,679

listening to her because she's been

2049

01:30:58,370 --> 01:30:55,739

talking about this for since the 80s

2050

01:30:59,689 --> 01:30:58,380

uh

2051

01:31:06,169 --> 01:30:59,699

the

2052

01:31:10,850 --> 01:31:06,179

cattle mutilation numbers have gone down

2053

01:31:13,490 --> 01:31:10,860

so have the numbers of uh abductions and

2054

01:31:15,830 --> 01:31:13,500

in other words it's just as the number I

2055

01:31:17,629 --> 01:31:15,840

said that backwards of abductions if it

2056

01:31:20,090 --> 01:31:17,639

has gone down so have the number of

2057

01:31:23,090 --> 01:31:20,100

cattle mutilations gone down

2058

01:31:25,090 --> 01:31:23,100

and this so this is quite an unusual

2059

01:31:27,770 --> 01:31:25,100

incident but if you go back into the 70s

2060

01:31:29,570 --> 01:31:27,780

there was loads of them happening and

2061

01:31:31,070 --> 01:31:29,580

the reason is there's not as many et's

2062

01:31:33,950 --> 01:31:31,080

here as there used to be

2063

01:31:36,470 --> 01:31:33,960

physical ones I mean I don't think well

2064

01:31:38,390 --> 01:31:36,480

there was another comment at the end of

2065

01:31:41,689 --> 01:31:38,400

the article uh where the sheriff's

2066

01:31:44,030 --> 01:31:41,699

department said that they were alerting

2067

01:31:46,910 --> 01:31:44,040

um other agencies around the United

2068

01:31:49,669 --> 01:31:46,920

States and internationally because there

2069

01:31:51,890 --> 01:31:49,679

are multiple

2070

01:31:53,390 --> 01:31:51,900

um incidents that are going on at the

2071

01:31:55,910 --> 01:31:53,400

same time they wanted communication

2072

01:31:58,189 --> 01:31:55,920

there that was oh I see I did not know

2073

01:32:00,830 --> 01:31:58,199

that that's new the last line that was

2074

01:32:04,370 --> 01:32:00,840

the last part of uh the press release

2075

01:32:05,990 --> 01:32:04,380

and I thought to myself what what does

2076

01:32:09,709 --> 01:32:06,000

that mean

2077

01:32:11,629 --> 01:32:09,719

right you know that we have alerted uh

2078

01:32:15,110 --> 01:32:11,639

multiple agencies and our International

2079

01:32:18,050 --> 01:32:15,120

Partners uh because yeah I should say

2080

01:32:19,850 --> 01:32:18,060

yeah yeah pretty crazy and somebody's

2081

01:32:21,590 --> 01:32:19,860

here stopped stock stocking up their

2082

01:32:28,610 --> 01:32:21,600

freezers for a journey somewhere else

2083

01:32:35,870 --> 01:32:32,689

when uh when I hear the Skeptics

2084

01:32:38,510 --> 01:32:35,880

or those out there that that want to use

2085

01:32:41,510 --> 01:32:38,520

Capital mutilations as an example of BS

2086

01:32:45,110 --> 01:32:41,520

you know in tin foil hat stuff yeah when

2087

01:32:47,810 --> 01:32:45,120

it comes to UFOs the one thing that I

2088

01:32:48,950 --> 01:32:47,820

just go straight to if you want an

2089

01:32:51,950 --> 01:32:48,960

example

2090

01:32:55,490 --> 01:32:51,960

this is how science works

2091

01:32:57,890 --> 01:32:55,500

this is what we do we are looking for

2092

01:33:01,330 --> 01:32:57,900

new species we're out trapping speed

2093

01:33:03,830 --> 01:33:01,340

we're out every single day in the Amazon

2094

01:33:07,370 --> 01:33:03,840

stealing moms away from their babies

2095

01:33:09,410 --> 01:33:07,380

right right and bringing him back and

2096

01:33:11,270 --> 01:33:09,420

stealing babies away from their moms and

2097

01:33:15,229 --> 01:33:11,280

not bringing them back that's a hundred

2098

01:33:18,530 --> 01:33:15,239

percent and that's what we do why would

2099

01:33:21,470 --> 01:33:18,540

we think that E.T would be any different

2100

01:33:23,570 --> 01:33:21,480

or if we went to another planet and

2101  
01:33:26,689 --> 01:33:23,580  
there was life on that planet would we

2102  
01:33:29,450 --> 01:33:26,699  
bring something back would we pick

2103  
01:33:31,570 --> 01:33:29,460  
something up I I would I would think

2104  
01:33:34,850 --> 01:33:31,580  
that we would Whitley

2105  
01:33:36,590 --> 01:33:34,860  
I think that you know and I've I think

2106  
01:33:38,810 --> 01:33:36,600  
it was in uh

2107  
01:33:39,850 --> 01:33:38,820  
a new world my previous book on this

2108  
01:33:44,870 --> 01:33:39,860  
subject

2109  
01:33:46,790 --> 01:33:44,880  
uh where I I outlined

2110  
01:33:48,770 --> 01:33:46,800  
what we would do

2111  
01:33:50,030 --> 01:33:48,780  
and it's just exactly what's being done

2112  
01:33:53,930 --> 01:33:50,040  
to us

2113  
01:33:57,709 --> 01:33:53,940

and uh and for the same reasons

2114

01:33:59,930 --> 01:33:57,719

we would not it's not that we wouldn't

2115

01:34:01,910 --> 01:33:59,940

be able to

2116

01:34:05,870 --> 01:34:01,920

uh

2117

01:34:09,050 --> 01:34:05,880

we wouldn't be able to to know that they

2118

01:34:10,970 --> 01:34:09,060

had a higher regard from themselves

2119

01:34:12,709 --> 01:34:10,980

than they

2120

01:34:15,290 --> 01:34:12,719

they did for the other animals on their

2121

01:34:17,390 --> 01:34:15,300

Planet it would be that they couldn't

2122

01:34:19,189 --> 01:34:17,400

communicate with us well enough to do it

2123

01:34:23,209 --> 01:34:19,199

any other way

2124

01:34:26,030 --> 01:34:23,219

and they would want sexual material they

2125

01:34:28,550 --> 01:34:26,040

might even want to create we would want

2126  
01:34:32,750 --> 01:34:28,560  
excuse me sexual material for sure we

2127  
01:34:35,270 --> 01:34:32,760  
would want DNA uh we might very well be

2128  
01:34:38,149 --> 01:34:35,280  
able to want to commune to create

2129  
01:34:41,330 --> 01:34:38,159  
versions of them in our own context to

2130  
01:34:42,610 --> 01:34:41,340  
see if we could find some way of raising

2131  
01:34:45,850 --> 01:34:42,620  
them

2132  
01:34:49,970 --> 01:34:45,860  
so that they could communicate with us

2133  
01:34:51,709 --> 01:34:49,980  
because the problem is going to be a

2134  
01:34:54,350 --> 01:34:51,719  
huge one

2135  
01:34:55,669 --> 01:34:54,360  
in terms of communication I point this

2136  
01:34:57,110 --> 01:34:55,679  
out in them

2137  
01:34:59,030 --> 01:34:57,120  
uh

2138  
01:35:01,729 --> 01:34:59,040

if you think about

2139

01:35:03,290 --> 01:35:01,739

communicating with dolphins how hard

2140

01:35:06,709 --> 01:35:03,300

that is

2141

01:35:08,689 --> 01:35:06,719

we have no idea what their songs mean or

2142

01:35:12,830 --> 01:35:08,699

any of those citations

2143

01:35:16,850 --> 01:35:12,840

we can barely communicate with apes and

2144

01:35:19,129 --> 01:35:16,860

only on our own terms never on theirs

2145

01:35:21,050 --> 01:35:19,139

we can't communicate with our own dogs

2146

01:35:24,350 --> 01:35:21,060

and cats on their terms we have to teach

2147

01:35:26,689 --> 01:35:24,360

them our ways in or we have to teach

2148

01:35:29,750 --> 01:35:26,699

them their names we have to train them

2149

01:35:32,930 --> 01:35:29,760

to do what we want them to do but we can

2150

01:35:36,169 --> 01:35:32,940

never understand the way they

2151

01:35:38,990 --> 01:35:36,179

communicate with each other at all

2152

01:35:40,550 --> 01:35:39,000

now you add to that

2153

01:35:44,030 --> 01:35:40,560

someone

2154

01:35:46,550 --> 01:35:44,040

uh evolving in a completely different

2155

01:35:49,310 --> 01:35:46,560

planetary environment with even maybe

2156

01:35:51,530 --> 01:35:49,320

different minerals and a completely

2157

01:35:55,070 --> 01:35:51,540

different system of perception of

2158

01:35:57,169 --> 01:35:55,080

different brain the Gat is a gap is

2159

01:35:59,330 --> 01:35:57,179

going to be massive

2160

01:36:02,510 --> 01:35:59,340

and in fact there's one letter in the

2161

01:36:05,629 --> 01:36:02,520

book uh called visitors in the trees

2162

01:36:09,290 --> 01:36:05,639

where you can see them stage step by

2163

01:36:12,050 --> 01:36:09,300

step trying to build a basis of

2164

01:36:13,310 --> 01:36:12,060

communication with this witness and it's

2165

01:36:20,390 --> 01:36:13,320

remarkable

2166

01:36:23,770 --> 01:36:20,400

and uh their main issue there was trying

2167

01:36:27,290 --> 01:36:23,780

to make sure that the witness did not

2168

01:36:31,070 --> 01:36:27,300

forget what was happening or decide that

2169

01:36:35,510 --> 01:36:31,080

it wasn't real because when when

2170

01:36:38,450 --> 01:36:35,520

when we are exposed to something that is

2171

01:36:40,729 --> 01:36:38,460

completely novel The Brain can't handle

2172

01:36:42,890 --> 01:36:40,739

it it does not handle it well at all

2173

01:36:45,890 --> 01:36:42,900

we will forget that

2174

01:36:49,070 --> 01:36:45,900

or decide it wasn't real very quickly

2175

01:36:49,970 --> 01:36:49,080

if we notice it at all

2176

01:36:54,350 --> 01:36:49,980

um

2177

01:36:55,450 --> 01:36:54,360

uh there's a video out on YouTube

2178

01:36:59,090 --> 01:36:55,460

where

2179

01:37:01,970 --> 01:36:59,100

you're asked to count the number of

2180

01:37:04,310 --> 01:37:01,980

times some people are passing a

2181

01:37:07,450 --> 01:37:04,320

basketball back and forth to each other

2182

01:37:10,490 --> 01:37:07,460

and you count the number of times

2183

01:37:13,910 --> 01:37:10,500

and then you find out

2184

01:37:15,770 --> 01:37:13,920

that a gorilla walked across the stage

2185

01:37:18,050 --> 01:37:15,780

while you were doing this and you never

2186

01:37:20,570 --> 01:37:18,060

saw like a room most people don't see

2187

01:37:22,669 --> 01:37:20,580

the girl I did not see the gorilla

2188

01:37:24,410 --> 01:37:22,679

but when I was pointed out to me then

2189

01:37:25,729 --> 01:37:24,420

the gorilla clearly the gorilla was

2190

01:37:29,810 --> 01:37:25,739

there

2191

01:37:34,550 --> 01:37:29,820

these guys the ETS are that gorilla

2192

01:37:36,890 --> 01:37:34,560

and we're not seeing them and the uh if

2193

01:37:38,990 --> 01:37:36,900

we went to another world they would be

2194

01:37:40,790 --> 01:37:39,000

in the same position we would probably

2195

01:37:42,290 --> 01:37:40,800

be able to walk right down their streets

2196

01:37:46,729 --> 01:37:42,300

and they wouldn't see us

2197

01:37:48,890 --> 01:37:46,739

be amazing would it be because uh well

2198

01:37:50,510 --> 01:37:48,900

for a lot of different reasons but one

2199

01:37:54,830 --> 01:37:50,520

of them could be

2200

01:37:57,229 --> 01:37:54,840

uh uh that we just not we are not to

2201  
01:37:58,370 --> 01:37:57,239  
them and them to us that we are not in

2202  
01:38:03,470 --> 01:37:58,380  
the same

2203  
01:38:08,270 --> 01:38:03,480  
time frame or yeah that's very possible

2204  
01:38:11,689 --> 01:38:08,280  
right because the Grays move like light

2205  
01:38:12,910 --> 01:38:11,699  
they move incredibly fast I mean I've

2206  
01:38:14,750 --> 01:38:12,920  
seen them

2207  
01:38:19,610 --> 01:38:14,760  
moving

2208  
01:38:22,490 --> 01:38:19,620  
I would not believe the the uh accuracy

2209  
01:38:23,750 --> 01:38:22,500  
and speed of scene you know there's very

2210  
01:38:26,450 --> 01:38:23,760  
little talked about this because not

2211  
01:38:28,970 --> 01:38:26,460  
many people who've seen these things but

2212  
01:38:31,850 --> 01:38:28,980  
see them moving in a group

2213  
01:38:37,970 --> 01:38:31,860

they are they move exactly like a school

2214

01:38:41,270 --> 01:38:37,980

of fish I mean so fast and so quickly

2215

01:38:43,669 --> 01:38:41,280

and and throwing off all kinds of all

2216

01:38:45,350 --> 01:38:43,679

kinds of mental things that make you

2217

01:38:47,229 --> 01:38:45,360

think it's a pack of dogs a pack of this

2218

01:38:50,149 --> 01:38:47,239

and packet that you have to be

2219

01:38:53,209 --> 01:38:50,159

pre-practiced to know and to and to stay

2220

01:38:55,430 --> 01:38:53,219

with the business at hand that this that

2221

01:38:58,189 --> 01:38:55,440

what is happening here is this is these

2222

01:39:02,270 --> 01:38:58,199

are not dogs and these are this is these

2223

01:39:05,810 --> 01:39:02,280

little creatures are are grapes

2224

01:39:08,330 --> 01:39:05,820

uh we don't have anything like that in

2225

01:39:10,070 --> 01:39:08,340

our experience our minds don't work that

2226

01:39:12,950 --> 01:39:10,080

way our perceptual systems don't work

2227

01:39:15,950 --> 01:39:12,960

that way we can't do that are they

2228

01:39:19,490 --> 01:39:15,960

skipping frames right are they just in a

2229

01:39:21,850 --> 01:39:19,500

their shirt is fast they're so fast you

2230

01:39:24,530 --> 01:39:21,860

can't tell it's they're almost

2231

01:39:26,810 --> 01:39:24,540

unbelievably fast you know what they're

2232

01:39:30,229 --> 01:39:26,820

like and this is something I thought

2233

01:39:33,709 --> 01:39:30,239

they might be they are as accurate and

2234

01:39:43,189 --> 01:39:33,719

as fast as machines

2235

01:39:45,410 --> 01:39:43,199

what is that what does that suggest I

2236

01:39:47,330 --> 01:39:45,420

mean what I mean that would say to me

2237

01:39:50,510 --> 01:39:47,340

look Whitley

2238

01:39:55,430 --> 01:39:50,520

I'm gonna I I I could turn this into too

2239

01:39:59,350 --> 01:39:55,440

long of a statement but if I if I were

2240

01:40:02,450 --> 01:39:59,360

the head of uh uh Silicon Valley

2241

01:40:05,990 --> 01:40:02,460

Corporation Google for instance

2242

01:40:09,370 --> 01:40:06,000

I would be very interested in

2243

01:40:15,530 --> 01:40:09,380

immortality and you would achieve that

2244

01:40:19,550 --> 01:40:15,540

by getting this into a robot

2245

01:40:23,450 --> 01:40:19,560

no food no disease no sleep no issues

2246

01:40:25,729 --> 01:40:23,460

right and then and this could be exactly

2247

01:40:28,490 --> 01:40:25,739

what you're talking about there but

2248

01:40:29,570 --> 01:40:28,500

there's another no there no reason to

2249

01:40:31,910 --> 01:40:29,580

live

2250

01:40:35,390 --> 01:40:31,920

hey we're right back to that aren't we

2251

01:40:38,030 --> 01:40:35,400

yeah but we could but we could fly for

2252

01:40:39,050 --> 01:40:38,040

10 000 years in a flying saucer uh to

2253

01:40:46,070 --> 01:40:39,060

another

2254

01:40:49,550 --> 01:40:46,080

considerations of of oxygen or food or

2255

01:40:52,610 --> 01:40:49,560

or sleep and exactly it takes all of

2256

01:40:54,530 --> 01:40:52,620

that out of the play which is what the

2257

01:40:57,110 --> 01:40:54,540

Grays would represent I would think

2258

01:41:03,649 --> 01:40:59,990

but you know you can't do that and be

2259

01:41:05,689 --> 01:41:03,659

alive in my uh book uh my novel The

2260

01:41:07,810 --> 01:41:05,699

grays

2261

01:41:13,669 --> 01:41:11,030

I suggest that they

2262

01:41:16,850 --> 01:41:13,679

they lost their soul to the machine they

2263

01:41:19,669 --> 01:41:16,860

became over time they replaced so much

2264

01:41:21,770 --> 01:41:19,679

of their biology that they cease to be

2265

01:41:25,990 --> 01:41:21,780

biological creatures and became machines

2266

01:41:29,870 --> 01:41:26,000

right and now they're they're looking

2267

01:41:33,050 --> 01:41:29,880

for a heart they're like the Tin Man

2268

01:41:36,229 --> 01:41:33,060

in Wizard of Oz

2269

01:41:39,530 --> 01:41:36,239

in real life because

2270

01:41:41,870 --> 01:41:39,540

they no longer have

2271

01:41:44,510 --> 01:41:41,880

they're no longer alive

2272

01:41:47,330 --> 01:41:44,520

they only have a memory of life because

2273

01:41:50,030 --> 01:41:47,340

a machine is never going to be alive and

2274

01:41:53,030 --> 01:41:50,040

it's never going to be alive because it

2275

01:41:56,470 --> 01:41:53,040

cannot die if you can't die

2276

01:42:03,770 --> 01:41:59,570

I've often said

2277

01:42:07,970 --> 01:42:05,930

um I would go back to school

2278

01:42:10,010 --> 01:42:07,980

that's what I would do I wouldn't take

2279

01:42:13,430 --> 01:42:10,020

it I would ah my vacation a little bit

2280

01:42:15,470 --> 01:42:13,440

but you know I would go and learn for

2281

01:42:16,990 --> 01:42:15,480

the rest of my time right I would just

2282

01:42:21,950 --> 01:42:17,000

go and learn

2283

01:42:24,890 --> 01:42:21,960

and if if that went on forever

2284

01:42:27,290 --> 01:42:24,900

okay all right back to your point

2285

01:42:30,229 --> 01:42:27,300

what if that happened forever

2286

01:42:34,490 --> 01:42:30,239

how smart do you get

2287

01:42:37,910 --> 01:42:34,500

how how much knowledge do you possess

2288

01:42:40,490 --> 01:42:37,920

if you spend a Million Years Learning

2289

01:42:42,830 --> 01:42:40,500

you end up you end up in a situation

2290

01:42:44,629 --> 01:42:42,840

where the universe seems no bigger than

2291

01:42:50,330 --> 01:42:44,639

something lying in the palm of your hand

2292

01:42:51,410 --> 01:42:50,340

it's boring and and exactly yes the

2293

01:42:54,169 --> 01:42:51,420

agony

2294

01:42:56,090 --> 01:42:54,179

of being alive and dead at the same time

2295

01:42:57,729 --> 01:42:56,100

that's what happens when you know

2296

01:43:01,490 --> 01:42:57,739

everything

2297

01:43:03,530 --> 01:43:01,500

is it now okay so let's back up a step

2298

01:43:05,149 --> 01:43:03,540

and I know that uh you've written about

2299

01:43:07,189 --> 01:43:05,159

this and and we've talked about this

2300

01:43:08,090 --> 01:43:07,199

somewhat but let's let's talk about it

2301

01:43:13,310 --> 01:43:08,100

now

2302

01:43:16,790 --> 01:43:13,320

is this the intelligent design that has

2303

01:43:20,270 --> 01:43:16,800

been referenced is this the Creator is

2304

01:43:24,050 --> 01:43:20,280

this what is out there spitting out like

2305

01:43:26,990 --> 01:43:24,060

like Merlin universes you know and

2306

01:43:29,270 --> 01:43:27,000

creating DNA is that what we're

2307

01:43:31,189 --> 01:43:29,280

ultimately talking about

2308

01:43:33,169 --> 01:43:31,199

well if that's true then there's

2309

01:43:36,709 --> 01:43:33,179

something out there running from its own

2310

01:43:38,450 --> 01:43:36,719

immortality and and thrown off all kinds

2311

01:43:43,129 --> 01:43:38,460

of universes and experiences and

2312

01:43:46,490 --> 01:43:43,139

everything it can to to uh

2313

01:43:49,310 --> 01:43:46,500

find some way to Bear its

2314

01:43:52,490 --> 01:43:49,320

Eternal and unending consciousness

2315

01:43:54,290 --> 01:43:52,500

and that that could be true so there's

2316

01:43:56,870 --> 01:43:54,300

another we're coming towards the end of

2317

01:43:58,609 --> 01:43:56,880

our time here and I I want to talk about

2318

01:44:02,149 --> 01:43:58,619

a little bit about the second part of my

2319

01:44:03,770 --> 01:44:02,159

book the military part and the part

2320

01:44:06,890 --> 01:44:03,780

about the brain we've talked about the

2321

01:44:10,370 --> 01:44:06,900

brain a little bit but uh what I did

2322

01:44:14,030 --> 01:44:10,380

with it was I went back to the beginning

2323

01:44:17,510 --> 01:44:14,040

which is it really begins in 1946 not in

2324

01:44:19,669 --> 01:44:17,520

1947 or possibly in 1945 because I think

2325

01:44:23,390 --> 01:44:19,679

Jacqueline and Paola Harris nailed it

2326

01:44:27,770 --> 01:44:23,400

with Trinity about that event but in

2327

01:44:28,370 --> 01:44:27,780

1946 if White Sands they were fairing

2328

01:44:28,669 --> 01:44:28,380

off

2329

01:44:30,290 --> 01:44:28,679

[Music]

2330

01:44:32,390 --> 01:44:30,300

um

2331

01:44:35,149 --> 01:44:32,400

german-made missiles and experimenting

2332

01:44:37,010 --> 01:44:35,159

with them that because they had captured

2333

01:44:40,910 --> 01:44:37,020

them after the war

2334

01:44:42,109 --> 01:44:40,920

and they kept some of them get would get

2335

01:44:44,510 --> 01:44:42,119

shot down

2336

01:44:47,390 --> 01:44:44,520

and funny things happen to him and you

2337

01:44:49,430 --> 01:44:47,400

can you know I I didn't I don't have any

2338

01:44:51,530 --> 01:44:49,440

behind the scenes hidden information

2339

01:44:54,050 --> 01:44:51,540

except things that have happened to me

2340

01:44:55,490 --> 01:44:54,060

personally to probably be classified if

2341

01:44:58,310 --> 01:44:55,500

they'd happen to somebody behind the

2342

01:45:00,229 --> 01:44:58,320

scenes but I'm not behind the scenes but

2343

01:45:03,350 --> 01:45:00,239

um uh

2344

01:45:06,169 --> 01:45:03,360

what I did was I went to the old

2345

01:45:08,750 --> 01:45:06,179

newspapers and the news stories

2346

01:45:11,629 --> 01:45:08,760

and because this stuff wasn't secret

2347

01:45:13,970 --> 01:45:11,639

then you know it wasn't being kept

2348

01:45:15,229 --> 01:45:13,980

secret they were just uh confused by

2349

01:45:19,790 --> 01:45:15,239

what was happening

2350

01:45:23,149 --> 01:45:19,800

and I found that there had been a lot of

2351

01:45:25,129 --> 01:45:23,159

of activity and I think that the

2352

01:45:28,430 --> 01:45:25,139

military began to shoot back and that's

2353

01:45:30,890 --> 01:45:28,440

possibly why Roswell happened and then

2354

01:45:33,830 --> 01:45:30,900

there's the um another incident that

2355

01:45:39,850 --> 01:45:33,840

happened in the context of uh

2356

01:45:43,550 --> 01:45:39,860

of the 1952 July 1952 uh Washington

2357

01:45:45,950 --> 01:45:43,560

flyovers that and that was the an

2358

01:45:49,010 --> 01:45:45,960

incident where something

2359

01:45:54,109 --> 01:45:49,020

came out of the Pacific out of the

2360

01:45:57,649 --> 01:45:54,119

Atlantic uh uh uh military area on fire

2361

01:46:00,169 --> 01:45:57,659

was not absolutely not immediate as much

2362

01:46:05,209 --> 01:46:00,179

moving much too slowly and it was on a

2363

01:46:09,830 --> 01:46:05,219

very flat trajectory uh and crashed in

2364

01:46:12,229 --> 01:46:09,840

uh in uh West Virginia and people saw

2365

01:46:15,290 --> 01:46:12,239

something they saw some what was

2366

01:46:18,229 --> 01:46:15,300

probably an escape capsule of whoever

2367

01:46:20,149 --> 01:46:18,239

had been in the the in the thing moving

2368

01:46:23,330 --> 01:46:20,159

around in the woods

2369

01:46:26,990 --> 01:46:23,340

and all of this happened

2370

01:46:30,050 --> 01:46:27,000

and the military was was fighting then

2371

01:46:32,090 --> 01:46:30,060

and initially being effective in that

2372

01:46:34,129 --> 01:46:32,100

they were successfully shooting them

2373

01:46:36,350 --> 01:46:34,139

down they don't they can't do that

2374

01:46:39,370 --> 01:46:36,360

anymore but they were then

2375

01:46:41,870 --> 01:46:39,380

uh and

2376

01:46:45,169 --> 01:46:41,880

so I got into all of that and I thought

2377

01:46:46,550 --> 01:46:45,179

to myself okay let's let's keep doing

2378

01:46:48,709 --> 01:46:46,560

this

2379

01:46:50,090 --> 01:46:48,719

what about the secrecy

2380

01:46:53,390 --> 01:46:50,100

and so

2381

01:46:56,870 --> 01:46:53,400

I I looked up not

2382

01:46:59,090 --> 01:46:56,880

trying to parse it all out what I did

2383

01:47:03,050 --> 01:46:59,100

was I went into the scientific papers

2384

01:47:05,109 --> 01:47:03,060

that people like uh helped put off have

2385

01:47:13,129 --> 01:47:05,119

published

2386

01:47:16,609 --> 01:47:13,139

lot of papers and you can find in their

2387

01:47:19,870 --> 01:47:16,619

published work an intense interest in

2388

01:47:26,390 --> 01:47:19,880

things like how gravity functions

2389

01:47:27,770 --> 01:47:26,400

and how uh uh how uh things like high

2390

01:47:31,250 --> 01:47:27,780

energy

2391

01:47:34,550 --> 01:47:31,260

beams based on lasers would work and so

2392

01:47:38,390 --> 01:47:34,560

forth and I'm quite sure that all of

2393

01:47:40,250 --> 01:47:38,400

that material is part is is classified

2394

01:47:41,990 --> 01:47:40,260

it's that's the secret

2395

01:47:43,729 --> 01:47:42,000

that that's what they're working on

2396

01:47:45,229 --> 01:47:43,739

because what I found

2397

01:47:47,570 --> 01:47:45,239

was

2398

01:47:48,950 --> 01:47:47,580

a consistent effort

2399

01:47:56,750 --> 01:47:48,960

to

2400

01:48:04,970 --> 01:47:56,760

weapon that was

2401

01:48:06,830 --> 01:48:04,980

also basically a beam of of energy which

2402

01:48:09,649 --> 01:48:06,840

would of course move much much faster

2403

01:48:11,390 --> 01:48:09,659

than any missile ever could and those

2404

01:48:13,729 --> 01:48:11,400

are the two things that they are we're

2405

01:48:15,649 --> 01:48:13,739

doing and probably still are doing I

2406

01:48:17,570 --> 01:48:15,659

don't know if Hal is but I'm sure those

2407

01:48:20,270 --> 01:48:17,580

two things are the main things that are

2408

01:48:22,129 --> 01:48:20,280

being worked at on behind the scenes and

2409

01:48:24,470 --> 01:48:22,139

all I did to find this out was just to

2410

01:48:27,530 --> 01:48:24,480

read the published materials I didn't

2411

01:48:30,830 --> 01:48:27,540

need to be and of course there was there

2412

01:48:33,169 --> 01:48:30,840

was some material I found also about the

2413

01:48:37,310 --> 01:48:33,179

number of Pilots that have have suffered

2414

01:48:39,350 --> 01:48:37,320

from this and and how Havana syndrome is

2415

01:48:41,510 --> 01:48:39,360

related to the brain damage that those

2416

01:48:45,890 --> 01:48:41,520

Pilots have experienced

2417

01:48:51,890 --> 01:48:49,609

I know that these beings have a habit of

2418

01:48:54,530 --> 01:48:51,900

trying to divide people

2419

01:48:57,290 --> 01:48:54,540

and to come between people

2420

01:48:58,609 --> 01:48:57,300

and to cause Division and that kind of

2421

01:49:00,709 --> 01:48:58,619

thing because I've had that in my own

2422

01:49:03,950 --> 01:49:00,719

life and I thought to myself what if

2423

01:49:06,709 --> 01:49:03,960

they are the origin of Havana syndrome

2424

01:49:12,410 --> 01:49:06,719

and they are trying to use it to to

2425

01:49:15,229 --> 01:49:12,420

cause uh ruptures in our society and why

2426

01:49:17,689 --> 01:49:15,239

would they do that yeah why well the

2427

01:49:22,209 --> 01:49:17,699

answer is very clear

2428

01:49:26,209 --> 01:49:22,219

and it goes back to what uh uh

2429

01:49:29,270 --> 01:49:26,219

Phil Corso said so many years ago that

2430

01:49:32,270 --> 01:49:29,280

he was told by one of them

2431

01:49:34,850 --> 01:49:32,280

that what was on offer to us was a new

2432

01:49:37,310 --> 01:49:34,860

world if you can take it

2433

01:49:38,570 --> 01:49:37,320

if you can take it is the operative

2434

01:49:40,609 --> 01:49:38,580

thing here

2435

01:49:42,229 --> 01:49:40,619

and and this is we're coming up toward

2436

01:49:45,830 --> 01:49:42,239

the end of our time together and when

2437

01:49:48,830 --> 01:49:45,840

I'm a great message of this book is

2438

01:49:50,750 --> 01:49:48,840

we have to be strong

2439

01:49:54,649 --> 01:49:50,760

we have to keep

2440

01:49:58,250 --> 01:49:54,659

our wits about us and not lose sight

2441

01:50:00,430 --> 01:49:58,260

of what we are looking for which are two

2442

01:50:03,410 --> 01:50:00,440

things one is

2443

01:50:07,070 --> 01:50:03,420

understanding this and a clear

2444

01:50:09,590 --> 01:50:07,080

relationship with it and two is the

2445

01:50:13,850 --> 01:50:09,600

ability to use what we learn for our own

2446

01:50:16,609 --> 01:50:13,860

purposes because whoever is here

2447

01:50:19,790 --> 01:50:16,619

can move around this universe in ways

2448

01:50:22,189 --> 01:50:19,800

that we need to learn and fast there's

2449

01:50:23,510 --> 01:50:22,199

no reason that mankind has to sit here

2450

01:50:27,169 --> 01:50:23,520

on this planet

2451  
01:50:30,590 --> 01:50:27,179  
and watch the watch the parade parade go

2452  
01:50:32,450 --> 01:50:30,600  
by we can join that parade

2453  
01:50:35,209 --> 01:50:32,460  
we can do it

2454  
01:50:38,390 --> 01:50:35,219  
and all we need

2455  
01:50:40,370 --> 01:50:38,400  
is to be able to take it that means to

2456  
01:50:42,950 --> 01:50:40,380  
take the grief

2457  
01:50:44,990 --> 01:50:42,960  
and it means to rest it the knowledge

2458  
01:50:48,169 --> 01:50:45,000  
out of their hands

2459  
01:50:50,090 --> 01:50:48,179  
it means to be strong

2460  
01:50:53,270 --> 01:50:50,100  
that's what they're looking for and

2461  
01:50:56,510 --> 01:50:53,280  
that's why all this crap goes down to

2462  
01:51:00,290 --> 01:50:56,520  
push us around and to see if we are

2463  
01:51:03,830 --> 01:51:00,300

strong enough to Prevail on our own in

2464

01:51:06,890 --> 01:51:03,840

this big complicated and probably very

2465

01:51:12,290 --> 01:51:06,900

diff very dangerous universe

2466

01:51:15,830 --> 01:51:12,300

well isn't that the only way to uh

2467

01:51:18,410 --> 01:51:15,840

develop the mindset of

2468

01:51:20,510 --> 01:51:18,420

if you want to change the world if you

2469

01:51:22,070 --> 01:51:20,520

want things to change then you have to

2470

01:51:25,250 --> 01:51:22,080

be that change

2471

01:51:28,010 --> 01:51:25,260

right exactly exactly right it's the

2472

01:51:32,209 --> 01:51:28,020

oldest oldest thing in the book sink or

2473

01:51:35,810 --> 01:51:32,219

swim no exactly child thrown into the

2474

01:51:38,030 --> 01:51:35,820

water and this parent says sink or swim

2475

01:51:42,709 --> 01:51:38,040

and the child is going to swim or not

2476

01:51:47,030 --> 01:51:42,719

and and I I just want to uh to ask you

2477

01:51:50,149 --> 01:51:47,040

this for for those out there why why

2478

01:51:52,970 --> 01:51:50,159

should they read them I mean what's

2479

01:51:55,490 --> 01:51:52,980

what's the what can they expect out of

2480

01:51:59,030 --> 01:51:55,500

it well what they can expect out of it

2481

01:52:00,830 --> 01:51:59,040

is it's the only analysis of the

2482

01:52:03,950 --> 01:52:00,840

relationship with the visitors that's

2483

01:52:08,330 --> 01:52:06,290

certainly outside of the secret world

2484

01:52:10,790 --> 01:52:08,340

and probably inside it too would be my

2485

01:52:12,050 --> 01:52:10,800

guess the only one there's never been

2486

01:52:16,209 --> 01:52:12,060

another

2487

01:52:19,070 --> 01:52:16,219

and it is accurate in that it does

2488

01:52:20,990 --> 01:52:19,080

analyze the relationship in the first

2489

01:52:23,689 --> 01:52:21,000

half of the book between the close

2490

01:52:28,010 --> 01:52:23,699

encounter Witnesses and the visitors in

2491

01:52:30,649 --> 01:52:28,020

all of its wonder and glory and danger

2492

01:52:34,310 --> 01:52:30,659

and that never been done I take 11

2493

01:52:36,709 --> 01:52:34,320

letters they are not one or two of them

2494

01:52:39,109 --> 01:52:36,719

are about abductions but they are about

2495

01:52:42,229 --> 01:52:39,119

a whole different kind of relationship

2496

01:52:45,470 --> 01:52:42,239

that is huge that is extremely complex

2497

01:52:49,430 --> 01:52:45,480

and varied and it is totally under the

2498

01:52:51,950 --> 01:52:49,440

radar under the radar nobody talks about

2499

01:52:54,649 --> 01:52:51,960

this stuff and then the second half of

2500

01:52:58,370 --> 01:52:54,659

the book I go into

2501  
01:53:00,470 --> 01:52:58,380  
how the brain works why we have had so

2502  
01:53:04,070 --> 01:53:00,480  
much trouble understanding this

2503  
01:53:07,970 --> 01:53:04,080  
what the military has done and right and

2504  
01:53:11,030 --> 01:53:07,980  
what it is done wrong and how it is that

2505  
01:53:13,669 --> 01:53:11,040  
it wasn't a decision on our part to keep

2506  
01:53:15,950 --> 01:53:13,679  
all of this secret we were maneuvered

2507  
01:53:18,470 --> 01:53:15,960  
into that by the visitors and exactly

2508  
01:53:20,450 --> 01:53:18,480  
how they did it and it gives government

2509  
01:53:24,470 --> 01:53:20,460  
a chance to say

2510  
01:53:28,070 --> 01:53:24,480  
yes we were maneuvered into it but now

2511  
01:53:31,070 --> 01:53:28,080  
that's over and it's time for us to come

2512  
01:53:34,250 --> 01:53:31,080  
clean for the public to begin to think

2513  
01:53:36,890 --> 01:53:34,260

about this and above all for our trained

2514

01:53:40,390 --> 01:53:36,900

scientists and academics to really think

2515

01:53:44,149 --> 01:53:40,400

about this because they never have Jimmy

2516

01:53:46,370 --> 01:53:44,159

the great sign I wish to God that

2517

01:53:49,729 --> 01:53:46,380

Stephen Hawking had a chance to think

2518

01:53:52,310 --> 01:53:49,739

more about this than he did it's just a

2519

01:53:55,430 --> 01:53:52,320

few scary pronouncements it's not enough

2520

01:54:00,229 --> 01:53:55,440

from mind like his and the and and the

2521

01:54:05,149 --> 01:54:00,239

academic Community the no one has ever

2522

01:54:07,669 --> 01:54:05,159

really seriously gone into just how our

2523

01:54:11,030 --> 01:54:07,679

mythology and the mythologies of the

2524

01:54:12,350 --> 01:54:11,040

world work with this because we always

2525

01:54:16,189 --> 01:54:12,360

stop

2526  
01:54:18,350 --> 01:54:16,199  
too short and we assume that all these

2527  
01:54:21,470 --> 01:54:18,360  
stories of the Gods the demons the

2528  
01:54:23,930 --> 01:54:21,480  
Angels Etc are basically in the head

2529  
01:54:27,350 --> 01:54:23,940  
they're imaginary

2530  
01:54:29,030 --> 01:54:27,360  
what if they're not that's right and if

2531  
01:54:31,129 --> 01:54:29,040  
E.T

2532  
01:54:34,189 --> 01:54:31,139  
is here

2533  
01:54:37,970 --> 01:54:34,199  
and has been here a long time then

2534  
01:54:41,390 --> 01:54:37,980  
probably they aren't and recently there

2535  
01:54:44,510 --> 01:54:41,400  
was discovered that five million years

2536  
01:54:47,390 --> 01:54:44,520  
ago there was an extraordinary and

2537  
01:54:50,870 --> 01:54:47,400  
unaccountable change in the way the

2538  
01:54:52,490 --> 01:54:50,880

human genome is put together

2539

01:54:54,350 --> 01:54:52,500

did somebody

2540

01:54:57,470 --> 01:54:54,360

do that

2541

01:55:00,890 --> 01:54:57,480

if if we weren't constantly bending over

2542

01:55:04,910 --> 01:55:00,900

backwards to say yes anything but E.T

2543

01:55:08,030 --> 01:55:04,920

yeah right right we might make some

2544

01:55:10,850 --> 01:55:08,040

serious progress you know I was talking

2545

01:55:14,510 --> 01:55:10,860

to uh well I've done this a few times

2546

01:55:17,209 --> 01:55:14,520

Whitley I'm glad you brought this up uh

2547

01:55:20,390 --> 01:55:17,219

but I'm I'm speaking to a PhD

2548

01:55:22,070 --> 01:55:20,400

Anthropologist right okay somebody that

2549

01:55:24,410 --> 01:55:22,080

just knows everything about everything

2550

01:55:27,530 --> 01:55:24,420

right allegedly

2551  
01:55:29,149 --> 01:55:27,540  
and so I bring up I go well how do you

2552  
01:55:32,450 --> 01:55:29,159  
explain

2553  
01:55:35,870 --> 01:55:32,460  
200 000 years ago that homo sapien

2554  
01:55:38,870 --> 01:55:35,880  
sapien just appeared and and how do you

2555  
01:55:40,189 --> 01:55:38,880  
explain 46 chromosome pairs instead of

2556  
01:55:43,609 --> 01:55:40,199  
48.

2557  
01:55:47,209 --> 01:55:43,619  
well and this was the answer Whitley you

2558  
01:55:49,370 --> 01:55:47,219  
don't understand nature just does stuff

2559  
01:55:52,070 --> 01:55:49,380  
but that's that that's what you're

2560  
01:55:56,510 --> 01:55:52,080  
that's your answer that's your answer

2561  
01:55:59,270 --> 01:55:56,520  
that they they they don't have an answer

2562  
01:56:00,590 --> 01:55:59,280  
yeah because that what he really was

2563  
01:56:03,709 --> 01:56:00,600

saying is

2564

01:56:06,470 --> 01:56:03,719

you do understand we don't have an

2565

01:56:08,570 --> 01:56:06,480

answer we don't have an answer I I just

2566

01:56:11,390 --> 01:56:08,580

love it's it's just great that they they

2567

01:56:12,890 --> 01:56:11,400

won't go anywhere outside of the box

2568

01:56:15,290 --> 01:56:12,900

you're right dude because they're

2569

01:56:17,450 --> 01:56:15,300

because they live in the box and if he

2570

01:56:19,010 --> 01:56:17,460

went outside the box on your show it

2571

01:56:22,970 --> 01:56:19,020

could ruin his career

2572

01:56:25,070 --> 01:56:22,980

and that has to end we have to that you

2573

01:56:27,950 --> 01:56:25,080

know Jeff [h\_\_h] my dear friend and

2574

01:56:30,310 --> 01:56:27,960

co-author of Supernatural published a

2575

01:56:34,910 --> 01:56:30,320

terrific book called

2576

01:56:37,490 --> 01:56:34,920

superhumanities that lays out

2577

01:56:41,510 --> 01:56:37,500

all of the things about the human

2578

01:56:43,490 --> 01:56:41,520

species that the academic community

2579

01:56:46,790 --> 01:56:43,500

will not acknowledge

2580

01:56:50,090 --> 01:56:46,800

and points out that these people like

2581

01:56:52,010 --> 01:56:50,100

one of the great Darlings of Academia

2582

01:56:54,229 --> 01:56:52,020

Jacques durita

2583

01:56:55,910 --> 01:56:54,239

he was telepathic

2584

01:57:00,890 --> 01:56:55,920

but they never mentioned that that's

2585

01:57:06,169 --> 01:57:03,770

because it's it doesn't fit the mold it

2586

01:57:08,570 --> 01:57:06,179

doesn't fit no they don't no if they

2587

01:57:10,070 --> 01:57:08,580

can't measure it right if they can't if

2588

01:57:12,530 --> 01:57:10,080

they can't observe they can't put that

2589

01:57:15,850 --> 01:57:12,540

in the laboratory that is not part of

2590

01:57:19,370 --> 01:57:15,860

the conversation right and they they

2591

01:57:22,870 --> 01:57:19,380

want to believe that we are small

2592

01:57:29,709 --> 01:57:22,880

enough to understand

2593

01:57:34,189 --> 01:57:29,719

I think we're way too big to understand

2594

01:57:35,350 --> 01:57:34,199

there's a hundred trillion synapses in

2595

01:57:38,270 --> 01:57:35,360

here

2596

01:57:40,970 --> 01:57:38,280

that's half the number of stars in the

2597

01:57:43,910 --> 01:57:40,980

entire universe right here

2598

01:57:46,669 --> 01:57:43,920

this thing is a few hundred thousand

2599

01:57:50,629 --> 01:57:46,679

years old and believe you me we have not

2600

01:57:52,310 --> 01:57:50,639

opened all those doors yet no way

2601  
01:57:55,910 --> 01:57:52,320

no way

2602  
01:57:57,410 --> 01:57:55,920

and ET if ET is here knows that and

2603  
01:57:59,629 --> 01:57:57,420

that's probably why they're here because

2604  
01:58:01,250 --> 01:57:59,639

they found that interesting and never

2605  
01:58:03,470 --> 01:58:01,260

think for a moment that we're not as

2606  
01:58:05,629 --> 01:58:03,480

intelligent as they are we don't have as

2607  
01:58:08,689 --> 01:58:05,639

much experience clearly

2608  
01:58:10,850 --> 01:58:08,699

but intelligence I'm not sure that we

2609  
01:58:13,250 --> 01:58:10,860

aren't believing

2610  
01:58:15,290 --> 01:58:13,260

we are at the head kid on the Block and

2611  
01:58:17,390 --> 01:58:15,300

when it comes into intelligence we are

2612  
01:58:21,609 --> 01:58:17,400

certainly highly intelligent

2613  
01:58:26,689 --> 01:58:21,619

DNA DNA is universal I I think

2614

01:58:30,109 --> 01:58:26,699

the uh the capacity of understanding

2615

01:58:33,470 --> 01:58:30,119

gets uh bigger for us every single day

2616

01:58:37,030 --> 01:58:33,480

and we'll eventually get there uh well

2617

01:58:40,310 --> 01:58:37,040

but we have we have the machine to do it

2618

01:58:43,070 --> 01:58:40,320

we sure do we do we sure do

2619

01:58:44,990 --> 01:58:43,080

and um Whitley I miss you already man

2620

01:58:47,629 --> 01:58:45,000

hurry up and come home all right I'm

2621

01:58:50,270 --> 01:58:47,639

coming home soon I'll be home soon

2622

01:58:52,910 --> 01:58:50,280

and uh dinner at my place all right yeah

2623

01:58:55,570 --> 01:58:52,920

thank you Jimmy it's a good one

2624

01:58:58,189 --> 01:58:55,580

I'll talk to you soon see you soon

2625

01:59:00,530 --> 01:58:58,199

yeah thank you so much Whitley the new

2626

01:59:03,410 --> 01:59:00,540

book is called them it is number one

2627

01:59:06,050 --> 01:59:03,420

right now on Amazon you can go and get

2628

01:59:08,570 --> 01:59:06,060

it now uh it's an incredible read

2629

01:59:11,629 --> 01:59:08,580

Whitley strieber thank you so much my

2630

01:59:14,330 --> 01:59:11,639

friend you're the absolute very best and

2631

01:59:15,890 --> 01:59:14,340

uh so there you go and and tomorrow I'll

2632

01:59:18,530 --> 01:59:15,900

just let everybody know tomorrow in the

2633

01:59:22,790 --> 01:59:18,540

middle of the day I will uh be doing the

2634

01:59:25,189 --> 01:59:22,800

live stream uh with the the CEO of

2635

01:59:27,950 --> 01:59:25,199

lifewave x39 that's going to go on

2636

01:59:30,109 --> 01:59:27,960

tomorrow and I will uh get everything up

2637

01:59:32,209 --> 01:59:30,119

for the community uh for you to come and

2638

01:59:34,070 --> 01:59:32,219

join us it's going to be very very

2639

01:59:36,530 --> 01:59:34,080

interesting and fun this is Fade to

2640

01:59:38,629 --> 01:59:36,540

Black I am your host Jimmy church that

2641

01:59:41,270 --> 01:59:38,639

was a great conversation with Whitley

2642

01:59:43,430 --> 01:59:41,280

streber he is the absolute best Fade to

2643

01:59:46,250 --> 01:59:43,440

Black is produced by Hilton J Palm Renee

2644

01:59:48,530 --> 01:59:46,260

Newman and Michelle fried thank you to

2645

01:59:50,570 --> 01:59:48,540

Dennis and Kevin webmaster is through

2646

01:59:53,629 --> 01:59:50,580

the geek music Doug Aldridge intro space

2647

01:59:55,070 --> 01:59:53,639

boys spaceboymusic.com fade to black is

2648

01:59:56,810 --> 01:59:55,080

produced by KJ Sierra for the game

2649

01:59:59,930 --> 01:59:56,820

changer Network and this broadcast is

2650

02:00:01,729 --> 01:59:59,940

owned and copyrighted 2023 by Fade to
