

# FADE TO BLACK

with **JIMMY CHURCH**  
**PRESENTS**

# BREAKING NEWS

Thur May 18, 2023 **LIVE**

1  
00:00:00,840 --> 00:00:10,380  
thank you

2  
00:00:35,930 --> 00:00:22,520  
[Music]

3  
00:00:41,950 --> 00:00:38,750  
good afternoon Fade to Black breaking

4  
00:00:46,670 --> 00:00:41,960  
news for this Thursday May 18

5  
00:00:48,770 --> 00:00:46,680  
2023 this is all of the news that you

6  
00:00:53,389 --> 00:00:48,780  
need I'm Jimmy Church let's get straight

7  
00:00:55,250 --> 00:00:53,399  
to it on this day in history 1980

8  
00:00:57,410 --> 00:00:55,260  
following an earthquake where the

9  
00:01:00,529 --> 00:00:57,420  
magnitude of 5.1 on the Richter Scale

10  
00:01:02,750 --> 00:01:00,539  
Mount Saint Helens in Washington state

11  
00:01:05,810 --> 00:01:02,760  
erupted in one of the greatest volcanic

12  
00:01:06,910 --> 00:01:05,820  
explosions ever recorded in North

13  
00:01:10,130 --> 00:01:06,920

America

14

00:01:13,130 --> 00:01:10,140

on this day in 1980 that mountain just

15

00:01:16,750 --> 00:01:13,140

vanished by the way that day here's your

16

00:01:19,490 --> 00:01:16,760

fader fact this is interesting

17

00:01:22,429 --> 00:01:19,500

100 years ago

18

00:01:26,630 --> 00:01:22,439

in 1923

19

00:01:30,230 --> 00:01:26,640

Cleveland Ohio was the fifth largest

20

00:01:34,730 --> 00:01:30,240

city in the United States behind only

21

00:01:40,370 --> 00:01:34,740

Detroit Philadelphia Chicago and New

22

00:01:42,530 --> 00:01:40,380

York City today it's number 54.

23

00:01:45,649 --> 00:01:42,540

seriously

24

00:01:49,069 --> 00:01:45,659

and that is your fader fact let's get to

25

00:01:51,710 --> 00:01:49,079

the breaking news an amateur rocket set

26

00:01:53,690 --> 00:01:51,720

a new record last month soaring far

27

00:01:55,969 --> 00:01:53,700

higher than Mount Everest

28

00:01:58,550 --> 00:01:55,979

on April 16th

29

00:02:01,730 --> 00:01:58,560

students from Embry Riddle Aeronautical

30

00:02:05,230 --> 00:02:01,740

University launched a small rocket to a

31

00:02:09,229 --> 00:02:05,240

maximum altitude of 47 732 feet about

32

00:02:13,850 --> 00:02:09,239

1.6 times higher than Everest which

33

00:02:15,350 --> 00:02:13,860

stands at 29 032 feet tall the feet also

34

00:02:17,869 --> 00:02:15,360

more than doubled the previous record

35

00:02:21,229 --> 00:02:17,879

set by U.S undergraduate and Collegiate

36

00:02:23,809 --> 00:02:21,239

amateurs which was 22

37

00:02:26,570 --> 00:02:23,819

000 feet the launch from right here in

38

00:02:28,850 --> 00:02:26,580

the Mojave desert in California broke

39

00:02:31,330 --> 00:02:28,860

the sound barrier easily reaching Mach

40

00:02:34,190 --> 00:02:31,340

1.5 during his

41

00:02:36,650 --> 00:02:34,200

26.1 second flight

42

00:02:38,330 --> 00:02:36,660

and while we are on the subject of Mount

43

00:02:41,990 --> 00:02:38,340

Everest by the way

44

00:02:45,830 --> 00:02:42,000

Tommy Rita one of the world's greatest

45

00:02:48,050 --> 00:02:45,840

Mountain guides regained his title for

46

00:02:51,009 --> 00:02:48,060

the most climbs of Mount Everest after

47

00:02:55,250 --> 00:02:51,019

scaling the peak for a 27th time

48

00:02:58,610 --> 00:02:55,260

yesterday just three days after a fellow

49

00:02:59,710 --> 00:02:58,620

Sherpa climber equaled his previous

50

00:03:05,210 --> 00:02:59,720

record

51  
00:03:07,790 --> 00:03:05,220  
Kami is 53 years old he reached a 29 032

52  
00:03:11,270 --> 00:03:07,800  
foot Summit guiding another group of

53  
00:03:13,490 --> 00:03:11,280  
climbers and everybody reached the peak

54  
00:03:16,130 --> 00:03:13,500  
safe and sound

55  
00:03:17,449 --> 00:03:16,140  
53 years old absolutely incredible now

56  
00:03:23,170 --> 00:03:17,459  
check this out

57  
00:03:26,630 --> 00:03:23,180  
and 1100 year old that's 1 100 year old

58  
00:03:29,990 --> 00:03:26,640  
Hebrew Bible that is one of the oldest

59  
00:03:34,130 --> 00:03:30,000  
surviving biblical manuscripts sold for

60  
00:03:36,530 --> 00:03:34,140  
38 million dollars in New York yesterday

61  
00:03:40,670 --> 00:03:36,540  
it's only 1100 years old that's not that

62  
00:03:43,369 --> 00:03:40,680  
old right 38 million dollars it's called

63  
00:03:45,530 --> 00:03:43,379

the Codex Sassoon a leather-bound

64

00:03:48,530 --> 00:03:45,540

handwritten parchment volume containing

65

00:03:51,470 --> 00:03:48,540

a nearly complete Hebrew Bible was

66

00:03:55,430 --> 00:03:51,480

purchased by former U.S ambassador to

67

00:03:57,949 --> 00:03:55,440

Romania Alfred H Moses on behalf of the

68

00:04:02,270 --> 00:03:57,959

American Friends of the Anu and donated

69

00:04:03,890 --> 00:04:02,280

to Anu Museum in Tel Aviv it's one of

70

00:04:07,190 --> 00:04:03,900

the highest prices paid for any

71

00:04:08,809 --> 00:04:07,200

manuscript sold at auction back in 2021

72

00:04:11,929 --> 00:04:08,819

a rare copy of the United States

73

00:04:15,649 --> 00:04:11,939

Constitution sold for 43 million dollars

74

00:04:19,789 --> 00:04:15,659

and the Leonardo da Vinci codex sold for

75

00:04:23,629 --> 00:04:19,799

31 million dollars back in 1994. didn't

76

00:04:26,570 --> 00:04:23,639

didn't build Gates buy that right wasn't

77

00:04:28,670 --> 00:04:26,580

that Bill Gates I can't remember

78

00:04:31,490 --> 00:04:28,680

earlier today

79

00:04:33,830 --> 00:04:31,500

the Supreme Court this is today right

80

00:04:36,530 --> 00:04:33,840

before Showtime earlier today the

81

00:04:37,749 --> 00:04:36,540

Supreme Court ruled that the late Andy

82

00:04:40,550 --> 00:04:37,759

Warhol

83

00:04:43,129 --> 00:04:40,560

infringed on a photographer's copyright

84

00:04:45,950 --> 00:04:43,139

when he created a series of silk screens

85

00:04:49,969 --> 00:04:45,960

based on a photograph of the late singer

86

00:04:51,950 --> 00:04:49,979

Prince the Andy Warhol Foundation said

87

00:04:54,350 --> 00:04:51,960

it disagreed with the Court's decision

88

00:04:56,390 --> 00:04:54,360

but that it welcomed the majority's

89

00:05:00,050 --> 00:04:56,400

clarification that its decision is

90

00:05:02,450 --> 00:05:00,060

limited to that single licensing and

91

00:05:05,650 --> 00:05:02,460

does not question the legality of Andy

92

00:05:09,590 --> 00:05:05,660

warhol's creation of the prince series

93

00:05:11,770 --> 00:05:09,600

all of that done in 1984 uh Andy Warhol

94

00:05:14,650 --> 00:05:11,780

of course died in

95

00:05:16,790 --> 00:05:14,660

1987. all right

96

00:05:18,430 --> 00:05:16,800

archaeologists this is incredible right

97

00:05:21,530 --> 00:05:18,440

here this is incredible breaking news

98

00:05:24,529 --> 00:05:21,540

archaeologists working in Saudi Arabia

99

00:05:26,110 --> 00:05:24,539

and Jordan have discovered the oldest

100

00:05:27,770 --> 00:05:26,120

known

101  
00:05:31,490 --> 00:05:27,780  
blueprints

102  
00:05:33,610 --> 00:05:31,500  
that's right the extremely precise

103  
00:05:37,189 --> 00:05:33,620  
depictions I'm putting that in quotes

104  
00:05:39,890 --> 00:05:37,199  
engraved on stoned slabs detail huge

105  
00:05:43,850 --> 00:05:39,900  
structures to funnel wild animals such

106  
00:05:46,070 --> 00:05:43,860  
as gazelles into enclosures were where

107  
00:05:48,710 --> 00:05:46,080  
whole herds could be slaughtered and

108  
00:05:50,990 --> 00:05:48,720  
according to a new study that was

109  
00:05:54,650 --> 00:05:51,000  
published yesterday in the scientific

110  
00:05:57,170 --> 00:05:54,660  
journal plus one the accurate drawings

111  
00:05:59,689 --> 00:05:57,180  
of the massive kites that's what these

112  
00:06:01,610 --> 00:05:59,699  
enclosures are called suggested that the

113  
00:06:04,010 --> 00:06:01,620

people who built and used the traps had

114

00:06:06,890 --> 00:06:04,020

Advanced and sophisticated knowledge of

115

00:06:10,490 --> 00:06:06,900

perceived space and were able to process

116

00:06:13,909 --> 00:06:10,500

complex spatial information the Stone

117

00:06:16,310 --> 00:06:13,919

Age Hunting traps date back about 9 000

118

00:06:18,830 --> 00:06:16,320

years and are known as kites because of

119

00:06:21,050 --> 00:06:18,840

the shape that they form the ancient

120

00:06:23,689 --> 00:06:21,060

traps were first discovered in deserts

121

00:06:26,809 --> 00:06:23,699

of the Middle East in the 1920s by

122

00:06:30,010 --> 00:06:26,819

aircraft and pilots who spotted the

123

00:06:33,230 --> 00:06:30,020

shapes below in the landscapes

124

00:06:35,570 --> 00:06:33,240

absolutely incredible all right I'm

125

00:06:40,490 --> 00:06:35,580

Gonna Leave You with this

126  
00:06:45,890 --> 00:06:40,500  
a 76 year old man has been charged with

127  
00:06:48,770 --> 00:06:45,900  
the 2005 theft of an iconic pair of ruby

128  
00:06:51,170 --> 00:06:48,780  
slippers that's right stolen from the

129  
00:06:53,870 --> 00:06:51,180  
Judy Garland Museum in Grand Rapids

130  
00:06:57,290 --> 00:06:53,880  
Michigan the ones the actress wore

131  
00:06:59,090 --> 00:06:57,300  
actually wore in the Wizard of Oz and

132  
00:07:03,110 --> 00:06:59,100  
that remained missing until they

133  
00:07:05,809 --> 00:07:03,120  
recovered 13 years later Terry J Martin

134  
00:07:08,689 --> 00:07:05,819  
who lives about 12 miles south of the

135  
00:07:12,170 --> 00:07:08,699  
museum uh named for the hometown hero

136  
00:07:15,290 --> 00:07:12,180  
was indicted by a Federal grand jury in

137  
00:07:17,390 --> 00:07:15,300  
Minnesota on a charge of theft of major

138  
00:07:21,170 --> 00:07:17,400

artwork in connection with breaking in

139

00:07:23,330 --> 00:07:21,180

overnight smashing Plexiglas cases and

140

00:07:25,510 --> 00:07:23,340

taking the size five and a half slippers

141

00:07:29,089 --> 00:07:25,520

that were then on loan to the museum

142

00:07:31,909 --> 00:07:29,099

from a Hollywood collector now the

143

00:07:34,129 --> 00:07:31,919

one-page indictment offered no other

144

00:07:36,830 --> 00:07:34,139

clues about how the theft was carried

145

00:07:39,529 --> 00:07:36,840

out where the shoes had been for the

146

00:07:43,790 --> 00:07:39,539

years before their recovery or how the

147

00:07:46,309 --> 00:07:43,800

FBI determined that Martin was the thief

148

00:07:47,749 --> 00:07:46,319

there you go there's all the fate of

149

00:07:51,770 --> 00:07:47,759

black breaking news that you need for

150

00:07:53,450 --> 00:07:51,780

this Thursday May 18 2023 paid a black

151

00:07:55,610 --> 00:07:53,460

breaking news is produced by Renee

152

00:08:00,540 --> 00:07:55,620

Newman I'm Jimmy Church
