

# FADE TO BLACK

with JIMMY CHURCH

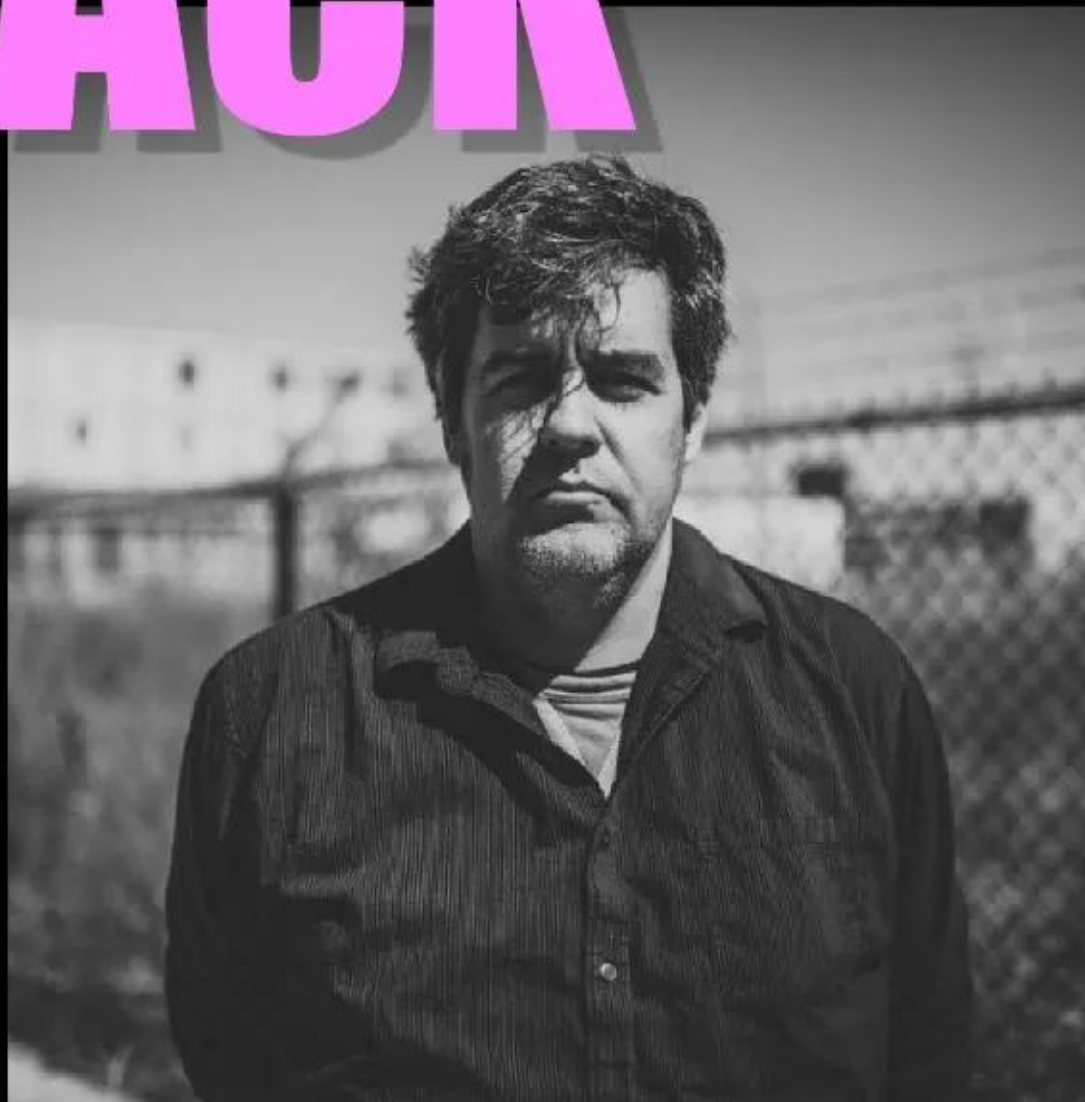

PRESENTS

TEA KRULOS

THE CHICAGO MOTHMAN

MON MAY 22 **LIVE**

700-900PM PT

1  
00:00:09,840 --> 00:00:18,840  
foreign

2  
00:00:18,850 --> 00:00:36,250  
[Music]

3  
00:00:41,150 --> 00:00:38,930  
Air Forces has announced that applying

4  
00:00:43,389 --> 00:00:41,160  
disc has been found and is now in the

5  
00:00:47,090 --> 00:00:43,399  
possession of the army

6  
00:00:50,389 --> 00:00:47,100  
change the game game changer

7  
00:00:54,229 --> 00:00:50,399  
I occasionally think how quickly our

8  
00:00:56,869 --> 00:00:54,239  
differences worldwide to Advantage if we

9  
00:00:57,860 --> 00:00:56,879  
were facing an alien threat from outside

10  
00:00:59,640 --> 00:00:57,870  
this work

11  
00:00:59,850 --> 00:00:59,650  
[Music]

12  
00:01:02,450 --> 00:00:59,860  
[Applause]

13  
00:01:05,030 --> 00:01:02,460

[Music]

14

00:01:07,910 --> 00:01:05,040

this is Fade to Black with your host

15

00:01:08,620 --> 00:01:07,920

Jimmy Church on the game changer Radio

16

00:01:11,929 --> 00:01:08,630

Network

17

00:01:19,850 --> 00:01:16,370

all right good evening Fade to Black it

18

00:01:20,810 --> 00:01:19,860

is Monday May 22nd 2023 I'm Yours Jimmy

19

00:01:23,810 --> 00:01:20,820

Church

20

00:01:25,490 --> 00:01:23,820

and tonight Our Guest is uh T cruellos

21

00:01:27,950 --> 00:01:25,500

and we've got a lot of things we're

22

00:01:30,890 --> 00:01:27,960

going to be discussing tonight but let's

23

00:01:32,450 --> 00:01:30,900

just say the Great Lakes area and the

24

00:01:33,950 --> 00:01:32,460

Paranormal and the supernatural some

25

00:01:36,890 --> 00:01:33,960

Cryptids and stuff like that we're going

26

00:01:41,090 --> 00:01:36,900

to be doing all of that tonight I just

27

00:01:43,190 --> 00:01:41,100

came off of an amazing weekend I had a

28

00:01:45,770 --> 00:01:43,200

house guests here all weekend and uh

29

00:01:49,190 --> 00:01:45,780

River Moon coffee Juanita and Jeff flew

30

00:01:51,710 --> 00:01:49,200

in from Minneapolis and then I gathered

31

00:01:54,889 --> 00:01:51,720

a bunch of my friends and we cooked out

32

00:01:56,690 --> 00:01:54,899

and laughed and drank and and did a

33

00:01:59,690 --> 00:01:56,700

bunch of touristy things all weekend

34

00:02:03,469 --> 00:01:59,700

long and normally when I do something

35

00:02:08,930 --> 00:02:03,479

like that I take I take Monday off not

36

00:02:10,190 --> 00:02:08,940

today oh no oh no no we are rocking and

37

00:02:11,570 --> 00:02:10,200

rolling it's going to be a great show

38

00:02:14,390 --> 00:02:11,580

tonight really looking forward to this

39

00:02:16,270 --> 00:02:14,400

tea is a freelance writer he's an author

40

00:02:18,710 --> 00:02:16,280

from Milwaukee Wisconsin

41

00:02:21,830 --> 00:02:18,720

and he's a regular contributor to

42

00:02:24,050 --> 00:02:21,840

Publications like River West currents M

43

00:02:26,630 --> 00:02:24,060

magazine 40 in times and the shepherd

44

00:02:28,850 --> 00:02:26,640

Express he has also published in a wide

45

00:02:31,610 --> 00:02:28,860

variety of other Publications including

46

00:02:34,850 --> 00:02:31,620

the New York press the guardian the

47

00:02:39,290 --> 00:02:34,860

Boston Phoenix maximum rock and roll the

48

00:02:41,210 --> 00:02:39,300

onions AV club and pop mythology some of

49

00:02:44,509 --> 00:02:41,220

his favorite subjects to explore and

50

00:02:47,570 --> 00:02:44,519

write about include subcultures the

51  
00:02:49,970 --> 00:02:47,580  
unique stuff people places as well as

52  
00:02:52,670 --> 00:02:49,980  
art and music well we'll find out about

53  
00:02:55,309 --> 00:02:52,680  
that tonight won't we all of his

54  
00:02:58,850 --> 00:02:55,319  
websites are below and links to his

55  
00:03:00,110 --> 00:02:58,860  
various stuff including tcruelos.com and

56  
00:03:02,330 --> 00:03:00,120  
I would like to welcome for the first

57  
00:03:03,650 --> 00:03:02,340  
time to feed the black T cruelos and

58  
00:03:06,050 --> 00:03:03,660  
he's right there in front of me T

59  
00:03:08,570 --> 00:03:06,060  
welcome to the show my man hey how's it

60  
00:03:12,110 --> 00:03:08,580  
going thanks for having me yeah thank

61  
00:03:15,770 --> 00:03:12,120  
you and and here you go t so you get the

62  
00:03:17,509 --> 00:03:15,780  
First Time guest disclaimer okay so

63  
00:03:18,949 --> 00:03:17,519

we're gonna do that right now T it's

64

00:03:20,990 --> 00:03:18,959

just you and I sitting on my couch

65

00:03:22,970 --> 00:03:21,000

having a conversation as friends and

66

00:03:24,830 --> 00:03:22,980

where that conversation starts and

67

00:03:27,770 --> 00:03:24,840

starts and where it ends it ends but

68

00:03:32,390 --> 00:03:27,780

working man to his friends except do you

69

00:03:35,449 --> 00:03:32,400

accept the challenge I do absolutely

70

00:03:37,670 --> 00:03:35,459

big relief uh we got some uh noise

71

00:03:41,649 --> 00:03:37,680

coming from your background there is it

72

00:03:48,890 --> 00:03:46,250

yeah yeah it's coming in loud and strong

73

00:03:52,430 --> 00:03:48,900

I don't think anything's on oh hold on

74

00:03:55,550 --> 00:03:52,440

watch this I'm gonna mute you yeah yeah

75

00:03:58,449 --> 00:03:55,560

it's coming in from your end okay it's

76  
00:04:03,830 --> 00:03:58,459  
quite wow

77  
00:04:10,330 --> 00:04:03,840  
I wonder what that is hmm okay stay stay

78  
00:04:20,330 --> 00:04:16,430  
no okay that kind of helped okay let's

79  
00:04:22,790 --> 00:04:20,340  
man man man man okay we're gonna have to

80  
00:04:24,370 --> 00:04:22,800  
ignore it if you go down to your

81  
00:04:28,129 --> 00:04:24,380  
settings T

82  
00:04:30,469 --> 00:04:28,139  
we're live right now uh the three

83  
00:04:33,710 --> 00:04:30,479  
hamburgers the three dots next to your

84  
00:04:36,710 --> 00:04:33,720  
picture edit mic settings make sure Echo

85  
00:04:41,510 --> 00:04:36,720  
cancellation is turned on

86  
00:04:44,450 --> 00:04:41,520  
and uh we'll take it from there because

87  
00:04:48,350 --> 00:04:44,460  
it's turned on on my end

88  
00:04:52,129 --> 00:04:48,360

okay the settings I'm going to yeah the

89

00:04:54,350 --> 00:04:52,139

three dots right above your picture

90

00:04:57,530 --> 00:04:54,360

down below

91

00:05:00,710 --> 00:04:57,540

okay okay see where it says edit mic

92

00:05:02,930 --> 00:05:00,720

settings see when I turn off Echo

93

00:05:06,770 --> 00:05:02,940

cancellation and then turn it back on

94

00:05:09,650 --> 00:05:06,780

see that fixed it for a minute

95

00:05:12,950 --> 00:05:09,660

okay yeah I I don't know what's going on

96

00:05:16,129 --> 00:05:12,960

there are your speakers on in the uh

97

00:05:20,330 --> 00:05:18,409

yeah yeah we've got something weird it

98

00:05:21,830 --> 00:05:20,340

wasn't going on before okay the echo

99

00:05:25,550 --> 00:05:21,840

cancellation should be off you're saying

100

00:05:28,010 --> 00:05:25,560

no on on it is on okay okay all right

101

00:05:31,010 --> 00:05:28,020

well we gotta ride through this

102

00:05:32,570 --> 00:05:31,020

it is definitely

103

00:05:34,969 --> 00:05:32,580

um

104

00:05:36,650 --> 00:05:34,979

yeah you turned it off there for a

105

00:05:38,510 --> 00:05:36,660

second yeah

106

00:05:39,469 --> 00:05:38,520

okay all right well let's see what

107

00:05:42,710 --> 00:05:39,479

happens

108

00:05:45,230 --> 00:05:42,720

okay yeah we don't have at this point we

109

00:05:48,529 --> 00:05:45,240

don't have much of a choice okay

110

00:05:53,210 --> 00:05:48,539

um I grew up in the Great Lakes

111

00:05:55,909 --> 00:05:53,220

and uh uh Waukegan North Chicago you

112

00:05:58,189 --> 00:05:55,919

know that area and I can see Milwaukee

113

00:06:01,370 --> 00:05:58,199

from the beach right you could just look

114

00:06:03,409 --> 00:06:01,380

up and look around the corner and and uh

115

00:06:05,450 --> 00:06:03,419

and and we would always talk about that

116

00:06:07,430 --> 00:06:05,460

as as kids

117

00:06:11,330 --> 00:06:07,440

um but what I didn't hear about a whole

118

00:06:13,249 --> 00:06:11,340

lot is kids like I do now is the

119

00:06:15,409 --> 00:06:13,259

Paranormal and the Supernatural and the

120

00:06:19,189 --> 00:06:15,419

other stuff that is going on in in that

121

00:06:21,409 --> 00:06:19,199

area well got your interest into this

122

00:06:24,710 --> 00:06:21,419

Wisconsin is a weird place

123

00:06:27,350 --> 00:06:24,720

it's uh it's one of the weirdest places

124

00:06:29,629 --> 00:06:27,360

that I've encountered and I've traveled

125

00:06:33,770 --> 00:06:29,639

around the world so

126

00:06:37,550 --> 00:06:33,780

I mean I remember when I was a kid

127

00:06:39,290 --> 00:06:37,560

um my my family knew that I had interest

128

00:06:42,170 --> 00:06:39,300

in strange stuff

129

00:06:43,909 --> 00:06:42,180

so they would cut out newspaper articles

130

00:06:47,270 --> 00:06:43,919

they saw that they thought my interest

131

00:06:49,969 --> 00:06:47,280

me and and one day they gave me this

132

00:06:52,670 --> 00:06:49,979

newspaper article about how people had

133

00:06:54,950 --> 00:06:52,680

been reporting seeing a werewolf

134

00:06:58,070 --> 00:06:54,960

in the Elkhorn area

135

00:06:59,749 --> 00:06:58,080

uh elkhorn's a small town it's maybe an

136

00:07:02,270 --> 00:06:59,759

uh our

137

00:07:05,930 --> 00:07:02,280

west of Milwaukee

138

00:07:08,689 --> 00:07:05,940

and that article really captured my

139

00:07:10,670 --> 00:07:08,699

imagination because it said that people

140

00:07:13,670 --> 00:07:10,680

in Elkhorn were seeing this werewolf

141

00:07:14,809 --> 00:07:13,680

running around a Farm Lane called Bray

142

00:07:17,510 --> 00:07:14,819

Road

143

00:07:19,969 --> 00:07:17,520

and one person had seen this thing

144

00:07:21,409 --> 00:07:19,979

sitting at the side of the road eating

145

00:07:24,230 --> 00:07:21,419

some Roadkill

146

00:07:25,790 --> 00:07:24,240

so every time we'd go for a drive I

147

00:07:28,850 --> 00:07:25,800

would look out the window at the corn

148

00:07:30,409 --> 00:07:28,860

fields right really convinced that I was

149

00:07:31,850 --> 00:07:30,419

going to see a werewolf that was gonna

150

00:07:35,330 --> 00:07:31,860

jump out

151  
00:07:39,050 --> 00:07:35,340  
and um that was a piece of Ray Road of

152  
00:07:41,029 --> 00:07:39,060  
course yes I have a famous Cryptid story

153  
00:07:43,730 --> 00:07:41,039  
but there's a lot going on here there's

154  
00:07:45,170 --> 00:07:43,740  
a lot of UFO sightings in Wisconsin all

155  
00:07:48,290 --> 00:07:45,180  
over the state

156  
00:07:50,689 --> 00:07:48,300  
in fact we have three small towns here

157  
00:07:53,570 --> 00:07:50,699  
that all claim that they're the UFO

158  
00:07:55,850 --> 00:07:53,580  
capital of Wisconsin and they all have

159  
00:07:59,150 --> 00:07:55,860  
their own little like you know alien day

160  
00:08:02,029 --> 00:07:59,160  
UFO day type Festival

161  
00:08:03,830 --> 00:08:02,039  
um lots of ghost stories especially here

162  
00:08:06,469 --> 00:08:03,840  
in Milwaukee we have a lot of old

163  
00:08:07,670 --> 00:08:06,479

buildings that are still standing in

164

00:08:10,809 --> 00:08:07,680

downtown

165

00:08:13,969 --> 00:08:10,819

so places like the famous Pfister Hotel

166

00:08:16,309 --> 00:08:13,979

which is very famous amongst major

167

00:08:17,510 --> 00:08:16,319

league baseball players because many of

168

00:08:21,050 --> 00:08:17,520

them have said that they've had

169

00:08:23,150 --> 00:08:21,060

encounters there and but that's just one

170

00:08:25,790 --> 00:08:23,160

there's so many ghost stories around the

171

00:08:27,350 --> 00:08:25,800

city and all over the state now what do

172

00:08:29,930 --> 00:08:27,360

you think what do you think is causing

173

00:08:32,990 --> 00:08:29,940

it because you can only blame so much on

174

00:08:35,630 --> 00:08:33,000

on beer and cheese right yeah right

175

00:08:37,670 --> 00:08:35,640

right and uh making light of it right

176

00:08:41,269 --> 00:08:37,680

there's got to be something else going

177

00:08:45,710 --> 00:08:43,070

um I think it's a couple things I mean

178

00:08:48,050 --> 00:08:45,720

for one thing our our state just has a

179

00:08:49,430 --> 00:08:48,060

very rich storytelling history in

180

00:08:51,590 --> 00:08:49,440

general

181

00:08:54,410 --> 00:08:51,600

um going back to the indigenous people

182

00:08:56,690 --> 00:08:54,420

who lived here and then we have a very

183

00:08:59,389 --> 00:08:56,700

strong Tavern culture so like you say

184

00:09:01,970 --> 00:08:59,399

people do like to drink and tell stories

185

00:09:04,670 --> 00:09:01,980

but um yeah I think it's just one of

186

00:09:07,210 --> 00:09:04,680

those special spots that attracts

187

00:09:10,430 --> 00:09:07,220

weirdness it's kind of

188

00:09:15,290 --> 00:09:10,440

Midwestern creepy weirdness

189

00:09:17,810 --> 00:09:15,300

no it it's true and it's a very very

190

00:09:20,090 --> 00:09:17,820

um heavily influenced indigenous culture

191

00:09:23,090 --> 00:09:20,100

uh through that area well all across

192

00:09:25,670 --> 00:09:23,100

North America for sure yeah but Chicago

193

00:09:27,949 --> 00:09:25,680

Wisconsin

194

00:09:30,850 --> 00:09:27,959

um the names of of all the towns and

195

00:09:34,610 --> 00:09:30,860

cities are all indigenous

196

00:09:38,329 --> 00:09:34,620

and and so there is that that Spirit

197

00:09:41,530 --> 00:09:38,339

realm Vibe uh that continues where we

198

00:09:43,970 --> 00:09:41,540

may equate some of that as being modern

199

00:09:45,530 --> 00:09:43,980

but it just may have been there for

200

00:09:48,290 --> 00:09:45,540

centuries right

201  
00:09:50,990 --> 00:09:48,300  
yeah um I love there's such a a lot of

202  
00:09:53,870 --> 00:09:51,000  
Rich stories from indigenous culture

203  
00:09:56,690 --> 00:09:53,880  
that talk about Thunderbirds and water

204  
00:09:59,150 --> 00:09:56,700  
serpents and uh the Wendigo

205  
00:10:01,610 --> 00:09:59,160  
of course and so

206  
00:10:04,009 --> 00:10:01,620  
you know it has that long history of

207  
00:10:06,050 --> 00:10:04,019  
these stories here yeah

208  
00:10:08,750 --> 00:10:06,060  
um can we talk about the Thunderbirds

209  
00:10:09,590 --> 00:10:08,760  
for a second yeah

210  
00:10:15,910 --> 00:10:09,600  
um

211  
00:10:19,850 --> 00:10:15,920  
spent a bunch of years in Indianapolis

212  
00:10:21,949 --> 00:10:19,860  
same place right it's just a couple of

213  
00:10:24,590 --> 00:10:21,959

corn fields apart all right same as

214

00:10:26,150 --> 00:10:24,600

Milwaukee right everything is uh all

215

00:10:27,949 --> 00:10:26,160

these towns and and the people are

216

00:10:30,769 --> 00:10:27,959

pretty similar

217

00:10:34,610 --> 00:10:30,779

um but when I was uh in Indianapolis in

218

00:10:36,410 --> 00:10:34,620

the early 70s mid 70s uh there were

219

00:10:38,810 --> 00:10:36,420

these reports of these giant

220

00:10:42,350 --> 00:10:38,820

Thunderbirds I mean I mean in the media

221

00:10:45,290 --> 00:10:42,360

in the paper and and some were caught on

222

00:10:47,269 --> 00:10:45,300

film this was like a pretty big media

223

00:10:49,269 --> 00:10:47,279

sensation in the 70s and I know that you

224

00:10:52,910 --> 00:10:49,279

remember this

225

00:10:55,550 --> 00:10:52,920

what do you make of those stories and

226

00:10:58,490 --> 00:10:55,560

and I don't strike it up to imagination

227

00:11:00,769 --> 00:10:58,500

or some kind of mass hysteria I think

228

00:11:03,230 --> 00:11:00,779

they were actually seen

229

00:11:04,730 --> 00:11:03,240

yeah I think so too uh they're very

230

00:11:07,670 --> 00:11:04,740

compelling stories

231

00:11:10,670 --> 00:11:07,680

um the stories from Illinois and um even

232

00:11:13,130 --> 00:11:10,680

here in Wisconsin my friend Allison

233

00:11:15,230 --> 00:11:13,140

Jornland she's a great ghost researcher

234

00:11:18,290 --> 00:11:15,240

and and really kind of the expert on

235

00:11:21,170 --> 00:11:18,300

ghost lore here in Milwaukee

236

00:11:24,170 --> 00:11:21,180

um but she has a relative that saw a

237

00:11:26,690 --> 00:11:24,180

Thunderbird in Brookfield which is a

238

00:11:30,170 --> 00:11:26,700

suburb of Milwaukee he was at the

239

00:11:32,810 --> 00:11:30,180

hospital his his wife was giving birth

240

00:11:35,509 --> 00:11:32,820

to their child and he was kind of pacing

241

00:11:38,630 --> 00:11:35,519

around the waiting room and he says a

242

00:11:41,930 --> 00:11:38,640

bird the size of a small airplane

243

00:11:44,569 --> 00:11:41,940

Flew Over the hospital and he watched it

244

00:11:45,949 --> 00:11:44,579

like kind of fly over and

245

00:11:48,650 --> 00:11:45,959

um Allison says that he's a very

246

00:11:50,870 --> 00:11:48,660

credible witness you know not

247

00:11:53,329 --> 00:11:50,880

someone that needs medication or

248

00:11:55,610 --> 00:11:53,339

something like that and there's other

249

00:11:58,069 --> 00:11:55,620

stories like that from around the

250

00:12:00,710 --> 00:11:58,079

Midwest side of her too very compelling

251  
00:12:04,310 --> 00:12:00,720  
reports of Thunderbird sightings do you

252  
00:12:07,190 --> 00:12:04,320  
ever go ghost hunting yeah

253  
00:12:10,009 --> 00:12:07,200  
um I wrote a book that came out in 2015

254  
00:12:14,269 --> 00:12:10,019  
it was titled Monster Hunters

255  
00:12:17,630 --> 00:12:14,279  
and I was a a fan of paranormal stuff

256  
00:12:20,210 --> 00:12:17,640  
but not really involved and my goal with

257  
00:12:22,490 --> 00:12:20,220  
that book was I wanted to meet some of

258  
00:12:25,610 --> 00:12:22,500  
these people and find out what they do

259  
00:12:28,190 --> 00:12:25,620  
and how they do it and and why and all

260  
00:12:30,769 --> 00:12:28,200  
that uh so I was fortunate in that

261  
00:12:32,569 --> 00:12:30,779  
there's a team here in Milwaukee they're

262  
00:12:35,810 --> 00:12:32,579  
called the paranormal investigators of

263  
00:12:38,449 --> 00:12:35,820

Milwaukee and they let me tag along with

264

00:12:42,290 --> 00:12:38,459

them for about a year and a half

265

00:12:45,710 --> 00:12:42,300

and uh yeah I went on probably 12 or 15

266

00:12:48,889 --> 00:12:45,720

different ghost Expeditions it's very

267

00:12:52,430 --> 00:12:48,899

interesting stuff yeah don't stop there

268

00:12:56,990 --> 00:12:52,440

12 is a good number yeah you got your

269

00:13:00,650 --> 00:12:57,000

feet wet yes yeah this it's crazy isn't

270

00:13:02,509 --> 00:13:00,660

it yeah yeah and uh and I haven't done a

271

00:13:04,970 --> 00:13:02,519

lot in recent years because I've been

272

00:13:06,829 --> 00:13:04,980

busy with other projects but it's

273

00:13:09,290 --> 00:13:06,839

certainly something that I enjoy doing

274

00:13:11,509 --> 00:13:09,300

and and I found it to be really relaxing

275

00:13:15,290 --> 00:13:11,519

actually a lot of times

276

00:13:19,370 --> 00:13:15,300

so anything stand out

277

00:13:21,530 --> 00:13:19,380

oh well one uh place we investigated we

278

00:13:23,629 --> 00:13:21,540

happened to both be on the road me and

279

00:13:26,329 --> 00:13:23,639

some of their team members and we met up

280

00:13:28,670 --> 00:13:26,339

in Kentucky to investigate Bobby

281

00:13:32,329 --> 00:13:28,680

Mackey's Music World

282

00:13:35,329 --> 00:13:32,339

and that's kind of a well-known haunted

283

00:13:35,990 --> 00:13:35,339

location and it was creepy that's for

284

00:13:38,690 --> 00:13:36,000

sure

285

00:13:41,569 --> 00:13:38,700

it was a creepy night I did did you go

286

00:13:44,569 --> 00:13:41,579

to the hole did you check it out yeah

287

00:13:50,030 --> 00:13:44,579

yes yes the the well to the portal to

288

00:13:51,769 --> 00:13:50,040

hell yes and and I I don't know if I

289

00:13:54,889 --> 00:13:51,779

um that that kind of kind of me out a

290

00:13:57,170 --> 00:13:54,899

little bit yeah I love ghost hunting but

291

00:14:00,050 --> 00:13:57,180

there's you know when you have something

292

00:14:01,790 --> 00:14:00,060

called the portal to hell right you know

293

00:14:04,629 --> 00:14:01,800

with the reputation behind it I'm going

294

00:14:07,610 --> 00:14:04,639

to leave that to the professionals but

295

00:14:08,930 --> 00:14:07,620

uh anything anything happen

296

00:14:09,530 --> 00:14:08,940

yeah

297

00:14:12,590 --> 00:14:09,540

um

298

00:14:14,750 --> 00:14:12,600

I would say team members I didn't

299

00:14:16,490 --> 00:14:14,760

experience this myself but I believe

300

00:14:19,069 --> 00:14:16,500

these people because I hung out with

301

00:14:20,269 --> 00:14:19,079

them for quite a while and

302

00:14:21,650 --> 00:14:20,279

um one of them

303

00:14:25,490 --> 00:14:21,660

says that they felt like they were

304

00:14:27,829 --> 00:14:25,500

possessed by a very angry spirit and

305

00:14:31,009 --> 00:14:27,839

they just had this like kind of blind

306

00:14:33,850 --> 00:14:31,019

rage where they said they they felt like

307

00:14:37,990 --> 00:14:33,860

choking their teammates you know

308

00:14:41,449 --> 00:14:38,000

and uh yeah it was like this evil

309

00:14:43,069 --> 00:14:41,459

sense of being that came over them and

310

00:14:45,650 --> 00:14:43,079

another teammate remember that same

311

00:14:48,410 --> 00:14:45,660

night she actually says that she lost

312

00:14:50,990 --> 00:14:48,420

her vision she was sitting there and she

313

00:14:53,810 --> 00:14:51,000

went blind and she couldn't feel her

314

00:14:56,449 --> 00:14:53,820

hands at all and she was kind of crying

315

00:14:58,850 --> 00:14:56,459

about this and someone was like hey

316

00:15:00,290 --> 00:14:58,860

what's wrong and she was like I can't

317

00:15:01,189 --> 00:15:00,300

see anything and they're like well it's

318

00:15:03,230 --> 00:15:01,199

dark

319

00:15:04,490 --> 00:15:03,240

and she was like no I mean I can't see

320

00:15:08,329 --> 00:15:04,500

anything

321

00:15:11,889 --> 00:15:08,339

and uh she was you know very frightened

322

00:15:16,490 --> 00:15:11,899

right it's dark

323

00:15:20,750 --> 00:15:18,410

um yeah I've had my own experiences with

324

00:15:25,009 --> 00:15:20,760

ghost hunting and

325

00:15:27,230 --> 00:15:25,019

um when uh after I've done maybe three

326

00:15:29,509 --> 00:15:27,240

four different things

327

00:15:32,509 --> 00:15:29,519

um and after each one

328

00:15:35,629 --> 00:15:32,519

tea I walked away going well

329

00:15:37,310 --> 00:15:35,639

I can't speak for everything

330

00:15:40,790 --> 00:15:37,320

I can't

331

00:15:42,710 --> 00:15:40,800

but this stuff is real yeah and and I

332

00:15:45,290 --> 00:15:42,720

had different I had different levels and

333

00:15:47,509 --> 00:15:45,300

different types of things happen but but

334

00:15:49,670 --> 00:15:47,519

all of it pretty much unexplainable I

335

00:15:52,189 --> 00:15:49,680

mean I I couldn't explain it and you

336

00:15:55,069 --> 00:15:52,199

know disembodied voices and and weird

337

00:15:58,069 --> 00:15:55,079

footsteps and knocks and stuff in rooms

338

00:16:00,769 --> 00:15:58,079

that you know because we had camera and

339

00:16:03,110 --> 00:16:00,779

and and sound and lights and things that

340

00:16:05,930 --> 00:16:03,120

we had everything completely quiet you

341

00:16:07,970 --> 00:16:05,940

know for production and and then the

342

00:16:10,670 --> 00:16:07,980

stuff is happening it dude it was yeah

343

00:16:13,550 --> 00:16:10,680

it was pretty it's pretty remarkable I I

344

00:16:15,530 --> 00:16:13,560

still don't have explanations I just

345

00:16:18,410 --> 00:16:15,540

think we need more research

346

00:16:21,170 --> 00:16:18,420

yeah yeah yeah I've never experienced

347

00:16:22,850 --> 00:16:21,180

anything directly myself however I've

348

00:16:23,930 --> 00:16:22,860

talked to a lot of people and I believe

349

00:16:26,509 --> 00:16:23,940

them

350

00:16:29,930 --> 00:16:26,519

uh because they're very genuine about

351

00:16:34,790 --> 00:16:29,940

what they've experienced and so uh that

352

00:16:37,610 --> 00:16:34,800

is some evidence to me you know have you

353

00:16:40,430 --> 00:16:37,620

okay so uh we're gonna get into the

354

00:16:42,350 --> 00:16:40,440

Chicago Mothman first but uh before we

355

00:16:44,509 --> 00:16:42,360

get there

356

00:16:47,810 --> 00:16:44,519

um ultimately

357

00:16:49,550 --> 00:16:47,820

um have you had that that first-hand

358

00:16:52,670 --> 00:16:49,560

experience whether it's seeing something

359

00:16:54,410 --> 00:16:52,680

or hearing something that causes you to

360

00:16:55,670 --> 00:16:54,420

back up and go okay whoa what's

361

00:17:00,170 --> 00:16:55,680

Happening Here

362

00:17:02,110 --> 00:17:00,180

well I did see a UFO one night and uh

363

00:17:05,030 --> 00:17:02,120

that was pretty compelling I've never

364

00:17:06,470 --> 00:17:05,040

witnessed anything like that before what

365

00:17:09,110 --> 00:17:06,480

would you see

366

00:17:11,569 --> 00:17:09,120

well it is a funny story because I was

367

00:17:13,669 --> 00:17:11,579

when I was working on that same book

368

00:17:15,409 --> 00:17:13,679

um one thing I wanted to do was I wanted

369

00:17:17,870 --> 00:17:15,419

to get out there in the field with a

370

00:17:20,150 --> 00:17:17,880

Bigfoot researcher

371

00:17:22,189 --> 00:17:20,160

um so I found a really cool guy his

372

00:17:23,929 --> 00:17:22,199

name's Jim Sherman

373

00:17:26,929 --> 00:17:23,939

um he's in Michigan

374

00:17:29,630 --> 00:17:26,939

and um and he was like sure yeah I'm

375

00:17:31,789 --> 00:17:29,640

gonna do this investigation later this

376

00:17:33,530 --> 00:17:31,799

summer why don't you come with me

377

00:17:35,510 --> 00:17:33,540

so we went out we're looking for

378

00:17:38,630 --> 00:17:35,520

bigfoots and

379

00:17:40,310 --> 00:17:38,640

um it was very interesting and the last

380

00:17:43,190 --> 00:17:40,320

night we were there

381

00:17:46,070 --> 00:17:43,200

I was just about to go asleep and I

382

00:17:47,570 --> 00:17:46,080

heard this blood curdling howl outside

383

00:17:50,090 --> 00:17:47,580

of my tent

384

00:17:53,210 --> 00:17:50,100

which scared me pretty badly

385

00:17:56,270 --> 00:17:53,220

no it was probably an aggressive coyote

386

00:17:59,150 --> 00:17:56,280

and not a Bigfoot but

387

00:18:01,130 --> 00:17:59,160

I I'm awake and I I go over to Jim's

388

00:18:02,870 --> 00:18:01,140

Jeep and we're both sitting there in the

389

00:18:03,830 --> 00:18:02,880

Jeep kind of looking to see what we can

390

00:18:05,510 --> 00:18:03,840

see

391

00:18:08,810 --> 00:18:05,520

and I was like man I must be really

392

00:18:11,330 --> 00:18:08,820

scared because that star up in the sky

393

00:18:13,010 --> 00:18:11,340

is shaking I must be shaking

394

00:18:14,450 --> 00:18:13,020

and I was like wait a minute that's the

395

00:18:16,549 --> 00:18:14,460

only thing moving though

396

00:18:18,409 --> 00:18:16,559

so I was like Jim do you see this and we

397

00:18:21,049 --> 00:18:18,419

got out and we saw it was like this

398

00:18:24,590 --> 00:18:21,059

giant ball of light that was up in the

399

00:18:26,690 --> 00:18:24,600

sky and it would zip really fast over to

400

00:18:29,630 --> 00:18:26,700

a different part of the sky and kind of

401  
00:18:32,450 --> 00:18:29,640  
hover and Bob there and then zip back

402  
00:18:35,150 --> 00:18:32,460  
over here and move up and down and

403  
00:18:36,230 --> 00:18:35,160  
sometimes light was emanating out of the

404  
00:18:38,350 --> 00:18:36,240  
bottom of it

405  
00:18:41,990 --> 00:18:38,360  
and we looked at it through binoculars

406  
00:18:44,330 --> 00:18:42,000  
uh we did take video of it and I got to

407  
00:18:47,090 --> 00:18:44,340  
learn the frustration of this because

408  
00:18:48,950 --> 00:18:47,100  
the video doesn't look good

409  
00:18:52,130 --> 00:18:48,960  
because it's hard to focus on it it's

410  
00:18:54,950 --> 00:18:52,140  
moving around and it's blurry

411  
00:18:57,409 --> 00:18:54,960  
um but I've never seen anything

412  
00:18:58,909 --> 00:18:57,419  
move like that and there's no

413  
00:19:02,390 --> 00:18:58,919

explanation

414

00:19:03,409 --> 00:19:02,400

that satisfies me I it wasn't a drone it

415

00:19:06,110 --> 00:19:03,419

was moving

416

00:19:08,330 --> 00:19:06,120

way too erratically it wasn't a

417

00:19:11,450 --> 00:19:08,340

helicopter or something so I don't know

418

00:19:14,870 --> 00:19:11,460

what it was but it was very unusual well

419

00:19:17,690 --> 00:19:14,880

and see but now you're the crazy person

420

00:19:20,029 --> 00:19:17,700

that you write about yes yeah I got to

421

00:19:21,470 --> 00:19:20,039

experience it that firsthand because I

422

00:19:23,930 --> 00:19:21,480

would tell people about it and they'd be

423

00:19:26,390 --> 00:19:23,940

like really and you were hanging out in

424

00:19:30,310 --> 00:19:26,400

the sun all day with a guy who looks for

425

00:19:33,830 --> 00:19:30,320

bigfoots and then you saw this thing and

426  
00:19:36,230 --> 00:19:33,840  
they're smoking weed yeah you know and

427  
00:19:39,470 --> 00:19:36,240  
and I get all of that

428  
00:19:41,510 --> 00:19:39,480  
um but but the the special part about

429  
00:19:44,390 --> 00:19:41,520  
this is not only now it's like welcome

430  
00:19:47,330 --> 00:19:44,400  
to the family right okay so you have

431  
00:19:49,490 --> 00:19:47,340  
that part but you you almost don't want

432  
00:19:51,529 --> 00:19:49,500  
to tell the whole story you almost don't

433  
00:19:54,890 --> 00:19:51,539  
want to tell a game because you just

434  
00:19:57,230 --> 00:19:54,900  
become the crazy person so you want to

435  
00:20:00,130 --> 00:19:57,240  
tell the rational part of it right Mark

436  
00:20:03,950 --> 00:20:00,140  
that you feel that people are going to

437  
00:20:05,390 --> 00:20:03,960  
uh into to buy you know to purchase what

438  
00:20:07,870 --> 00:20:05,400

you're selling

439

00:20:10,909 --> 00:20:07,880

um but once that Paradigm Shift happens

440

00:20:13,250 --> 00:20:10,919

now do you find yourself listening to

441

00:20:16,970 --> 00:20:13,260

people with their experiences a little

442

00:20:20,210 --> 00:20:16,980

bit differently yeah oh yeah absolutely

443

00:20:22,130 --> 00:20:20,220

you know it definitely changed my

444

00:20:26,090 --> 00:20:22,140

perception of things

445

00:20:28,370 --> 00:20:26,100

you know and uh it's it's made me more

446

00:20:30,529 --> 00:20:28,380

interested in in the subject matter for

447

00:20:34,070 --> 00:20:30,539

sure the

448

00:20:37,789 --> 00:20:34,080

um uh the openness that we have right

449

00:20:39,529 --> 00:20:37,799

now with uh uh Washington DC on the

450

00:20:43,190 --> 00:20:39,539

subject and the media and people coming

451  
00:20:45,169 --> 00:20:43,200  
forward and and it seems like it's in

452  
00:20:47,510 --> 00:20:45,179  
you know it's in the news every single

453  
00:20:51,049 --> 00:20:47,520  
day now it's in the budget right it's in

454  
00:20:54,950 --> 00:20:51,059  
the 2022 2023 budgets

455  
00:20:58,669 --> 00:20:54,960  
um that's that's pretty crazy but does

456  
00:21:01,070 --> 00:20:58,679  
it make it uh easier for you to not only

457  
00:21:02,990 --> 00:21:01,080  
write about these subjects but to talk

458  
00:21:04,789 --> 00:21:03,000  
about them openly in public now and

459  
00:21:07,610 --> 00:21:04,799  
without any fear

460  
00:21:09,710 --> 00:21:07,620  
oh sure I think people like make the

461  
00:21:11,750 --> 00:21:09,720  
connection that it's um

462  
00:21:14,029 --> 00:21:11,760  
that people take this subject seriously

463  
00:21:14,930 --> 00:21:14,039

including people some people in the

464

00:21:17,390 --> 00:21:14,940

government

465

00:21:19,850 --> 00:21:17,400

and so it's become a little bit more of

466

00:21:23,029 --> 00:21:19,860

a mainstream topic I guess that's how I

467

00:21:25,430 --> 00:21:23,039

would phrase it yeah you can refer to

468

00:21:27,409 --> 00:21:25,440

the mainstream media reporting on it you

469

00:21:30,830 --> 00:21:27,419

know this is

470

00:21:31,850 --> 00:21:30,840

um some of the top news agency is not

471

00:21:36,049 --> 00:21:31,860

like

472

00:21:39,049 --> 00:21:36,059

some lone weird person who's you know

473

00:21:43,190 --> 00:21:39,059

writing other UFO Manifesto or something

474

00:21:44,930 --> 00:21:43,200

yeah yeah you know there's a okay so in

475

00:21:48,169 --> 00:21:44,940

the past and we all love the 40 and

476  
00:21:51,350 --> 00:21:48,179  
times right okay yeah yeah uh if you can

477  
00:21:53,930 --> 00:21:51,360  
go and get your Yaya's out there

478  
00:21:56,750 --> 00:21:53,940  
um right and and and we all did and we

479  
00:21:58,669 --> 00:21:56,760  
all still do for sure yeah a little bit

480  
00:22:01,549 --> 00:21:58,679  
different when the New York Times puts

481  
00:22:04,789 --> 00:22:01,559  
this on the front page right right yeah

482  
00:22:06,710 --> 00:22:04,799  
yeah I I find that interesting okay so

483  
00:22:10,490 --> 00:22:06,720  
now

484  
00:22:12,409 --> 00:22:10,500  
um I have never and I thought that I

485  
00:22:15,529 --> 00:22:12,419  
been down the block I've never heard of

486  
00:22:19,789 --> 00:22:15,539  
the Chicago Mothman uh when did you

487  
00:22:22,970 --> 00:22:19,799  
first uh hear about the Chicago Mothman

488  
00:22:25,610 --> 00:22:22,980

um I think there was a couple reports of

489

00:22:28,970 --> 00:22:25,620

this in 2011.

490

00:22:32,149 --> 00:22:28,980

and I do remember hearing about that I

491

00:22:33,830 --> 00:22:32,159

think but the big wave really came in

492

00:22:37,190 --> 00:22:33,840

2016.

493

00:22:40,130 --> 00:22:37,200

all of a sudden it you know the internet

494

00:22:42,770 --> 00:22:40,140

was blowing up with all of these Mothman

495

00:22:46,070 --> 00:22:42,780

sightings at first they were mostly in

496

00:22:47,570 --> 00:22:46,080

the city of Chicago and then the reports

497

00:22:50,289 --> 00:22:47,580

started to come in

498

00:22:53,510 --> 00:22:50,299

from other locations around the Midwest

499

00:22:55,850 --> 00:22:53,520

and I of course was immediately very

500

00:22:58,310 --> 00:22:55,860

curious about it because Chicago's not

501  
00:23:00,230 --> 00:22:58,320  
very far from Milwaukee right it's about

502  
00:23:01,669 --> 00:23:00,240  
an hour and a half you can you can

503  
00:23:04,070 --> 00:23:01,679  
cruise down there

504  
00:23:06,350 --> 00:23:04,080  
so I was like wow this is happening

505  
00:23:09,529 --> 00:23:06,360  
um in my own backyard

506  
00:23:11,990 --> 00:23:09,539  
uh I also happened to know some of the

507  
00:23:13,430 --> 00:23:12,000  
investigators who were looking into the

508  
00:23:16,190 --> 00:23:13,440  
cases

509  
00:23:20,510 --> 00:23:16,200  
so I was kind of seeing what what they

510  
00:23:24,830 --> 00:23:20,520  
had to say about about this and it's a

511  
00:23:26,870 --> 00:23:24,840  
very confusing case because

512  
00:23:29,390 --> 00:23:26,880  
uh and I've tried to look at it as

513  
00:23:31,070 --> 00:23:29,400

objectively as I can

514

00:23:34,370 --> 00:23:31,080

but I think there's a couple things

515

00:23:36,649 --> 00:23:34,380

going on I think one there are people

516

00:23:38,450 --> 00:23:36,659

who are actually seeing something

517

00:23:41,090 --> 00:23:38,460

because they've come forward they've

518

00:23:43,669 --> 00:23:41,100

been interviewed I also think that there

519

00:23:49,250 --> 00:23:43,679

is a joker out there

520

00:23:51,590 --> 00:23:49,260

who is bored maybe and fabricating

521

00:23:55,970 --> 00:23:51,600

Mothman reports

522

00:23:59,810 --> 00:23:55,980

so it's hard to tell where the line one

523

00:24:02,450 --> 00:23:59,820

story stops and the next begins

524

00:24:04,970 --> 00:24:02,460

so okay

525

00:24:08,450 --> 00:24:04,980

um I I so I jumped into this and one of

526

00:24:12,169 --> 00:24:08,460

the things that caught my eye was uh the

527

00:24:14,450 --> 00:24:12,179

NPR right national public radio and uh

528

00:24:16,430 --> 00:24:14,460

covering this and

529

00:24:18,470 --> 00:24:16,440

um which is this is something that NPR

530

00:24:21,529 --> 00:24:18,480

doesn't normally do I'm talking about

531

00:24:26,149 --> 00:24:21,539

you know uh a network that stays inside

532

00:24:29,830 --> 00:24:26,159

of the box I I love the MPR but I don't

533

00:24:32,690 --> 00:24:29,840

go to them for my Cryptids right

534

00:24:35,930 --> 00:24:32,700

I'll go into with them but they covered

535

00:24:38,750 --> 00:24:35,940

it and they covered it extensively

536

00:24:41,690 --> 00:24:38,760

um and they uh they took it pretty

537

00:24:44,630 --> 00:24:41,700

serious didn't they yeah yeah

538

00:24:47,090 --> 00:24:44,640

and uh okay so how did the local media

539

00:24:51,890 --> 00:24:47,100

started to cover it out there

540

00:24:55,130 --> 00:24:51,900

well I mean it it's been covered by

541

00:24:57,049 --> 00:24:55,140

like Paranormal sites have reported on

542

00:24:58,250 --> 00:24:57,059

it and have gotten most of the reports

543

00:25:01,370 --> 00:24:58,260

themselves

544

00:25:04,430 --> 00:25:01,380

so mufon got some of the reports there's

545

00:25:06,649 --> 00:25:04,440

a site called Phantoms and monsters that

546

00:25:09,649 --> 00:25:06,659

was getting reports and uh the singular

547

00:25:11,330 --> 00:25:09,659

forteon Society is a group here in

548

00:25:13,730 --> 00:25:11,340

Wisconsin actually

549

00:25:17,029 --> 00:25:13,740

so they were just

550

00:25:19,610 --> 00:25:17,039

sharing the reports it did pick up like

551  
00:25:23,990 --> 00:25:19,620  
a pretty good media interest especially

552  
00:25:27,769 --> 00:25:24,000  
in 2016 2017 it was reported by like

553  
00:25:30,830 --> 00:25:27,779  
like you said NPR Chicago Tribune uh

554  
00:25:32,450 --> 00:25:30,840  
Vice did an article about this

555  
00:25:34,310 --> 00:25:32,460  
so

556  
00:25:36,409 --> 00:25:34,320  
um there's a lot of coverage in it on it

557  
00:25:37,970 --> 00:25:36,419  
and

558  
00:25:40,789 --> 00:25:37,980  
most of them were just sharing they

559  
00:25:42,590 --> 00:25:40,799  
weren't like really delving into

560  
00:25:44,149 --> 00:25:42,600  
story of where these might have come

561  
00:25:47,690 --> 00:25:44,159  
from

562  
00:25:51,049 --> 00:25:47,700  
and uh okay so

563  
00:25:52,970 --> 00:25:51,059

do you think that some of it was hoaxed

564

00:25:55,850 --> 00:25:52,980

I do

565

00:25:57,710 --> 00:25:55,860

um and one of the reasons is if you take

566

00:25:59,090 --> 00:25:57,720

all the reports and start to read

567

00:26:02,210 --> 00:25:59,100

through them

568

00:26:04,430 --> 00:26:02,220

you start to find that a lot of them

569

00:26:08,029 --> 00:26:04,440

have similar language and I don't mean

570

00:26:11,990 --> 00:26:08,039

they're describing the same thing

571

00:26:13,789 --> 00:26:12,000

um but the way that it's written has a

572

00:26:15,769 --> 00:26:13,799

certain formula and I notice that

573

00:26:19,430 --> 00:26:15,779

because I'm a writer

574

00:26:22,130 --> 00:26:19,440

so I'm like this report is awfully

575

00:26:25,269 --> 00:26:22,140

similar sounding to this one they're

576

00:26:29,450 --> 00:26:25,279

using a lot of similar word usage

577

00:26:30,529 --> 00:26:29,460

and the sort of Rhythm of the writing is

578

00:26:32,990 --> 00:26:30,539

the same

579

00:26:38,029 --> 00:26:33,000

so I do think that there was a person or

580

00:26:40,669 --> 00:26:38,039

persons who were anonymously hoaxing

581

00:26:43,610 --> 00:26:40,679

um some of these reports like I say

582

00:26:46,370 --> 00:26:43,620

there are some where the person

583

00:26:48,529 --> 00:26:46,380

actually did you know come forward and

584

00:26:49,850 --> 00:26:48,539

say I saw this and you know I'm

585

00:26:52,789 --> 00:26:49,860

reporting it

586

00:26:56,210 --> 00:26:52,799

so I think that there might be something

587

00:26:59,990 --> 00:26:56,220

to it but maybe it inspired

588

00:27:02,690 --> 00:27:00,000

someone who likes hoaxing to start

589

00:27:05,149 --> 00:27:02,700

fabricating their own

590

00:27:09,169 --> 00:27:05,159

so it's um it's a little bit it's kind

591

00:27:15,049 --> 00:27:11,690

um I'm okay so

592

00:27:17,149 --> 00:27:15,059

um I have uh I have two this is an

593

00:27:20,149 --> 00:27:17,159

interesting take

594

00:27:21,950 --> 00:27:20,159

um so I've got two I've got two reports

595

00:27:25,010 --> 00:27:21,960

here

596

00:27:27,409 --> 00:27:25,020

um and let's let's go through this just

597

00:27:31,190 --> 00:27:27,419

for a second because we have witness

598

00:27:32,990 --> 00:27:31,200

Aaron drain right and she says I was

599

00:27:35,810 --> 00:27:33,000

spending the afternoon on the rooftop I

600

00:27:37,970 --> 00:27:35,820

saw something in the sky video evidence

601  
00:27:40,310 --> 00:27:37,980  
fairly high up and fairly far away it

602  
00:27:43,669 --> 00:27:40,320  
wasn't being buffeted about by the wind

603  
00:27:45,230 --> 00:27:43,679  
it was moving slowly but not randomly

604  
00:27:50,029 --> 00:27:45,240  
then we have

605  
00:27:51,890 --> 00:27:50,039  
witness Jeff okay Jeff says at first I

606  
00:27:53,810 --> 00:27:51,900  
thought it was a bird but none I'd seen

607  
00:27:55,730 --> 00:27:53,820  
before because it was just so huge and

608  
00:27:58,610 --> 00:27:55,740  
the way it was flopping its wings the

609  
00:28:01,789 --> 00:27:58,620  
longer I watched it it was like what the

610  
00:28:04,370 --> 00:28:01,799  
hell is is that thing it was freaky

611  
00:28:05,149 --> 00:28:04,380  
yeah I kind of see what you're saying

612  
00:28:07,130 --> 00:28:05,159  
there

613  
00:28:09,590 --> 00:28:07,140

it's you know when when the internet

614

00:28:12,230 --> 00:28:09,600

first started there was this famous

615

00:28:13,970 --> 00:28:12,240

cartoon and it's a dog who's on the

616

00:28:16,549 --> 00:28:13,980

computer and he's talking to another dog

617

00:28:18,470 --> 00:28:16,559

and he says nobody knows that you're a

618

00:28:20,510 --> 00:28:18,480

dog on the internet

619

00:28:22,789 --> 00:28:20,520

see the problem is when you get an

620

00:28:24,769 --> 00:28:22,799

anonymous report on the internet

621

00:28:27,710 --> 00:28:24,779

was that who where did that come from

622

00:28:30,590 --> 00:28:27,720

who wrote it it could be a witness that

623

00:28:32,090 --> 00:28:30,600

saw a Mothman or it could be some 12

624

00:28:34,250 --> 00:28:32,100

year old kid

625

00:28:36,890 --> 00:28:34,260

that wants to mess around with UFO

626  
00:28:39,890 --> 00:28:36,900  
investigators just to be a jerk you know

627  
00:28:42,610 --> 00:28:39,900  
and that's hard to tell right right now

628  
00:28:46,789 --> 00:28:42,620  
let's get to the

629  
00:28:49,789 --> 00:28:46,799  
uh the the reporting and reports uh for

630  
00:28:52,490 --> 00:28:49,799  
my Witnesses uh that that you feel was

631  
00:28:58,310 --> 00:28:55,430  
um I mean the 106 out in my mind was uh

632  
00:29:01,250 --> 00:28:58,320  
the singular fortean Society went and

633  
00:29:04,970 --> 00:29:01,260  
visited a guy who said he had had an

634  
00:29:06,830 --> 00:29:04,980  
encounter in Mukwonago which is a small

635  
00:29:11,029 --> 00:29:06,840  
town here in Wisconsin

636  
00:29:14,390 --> 00:29:11,039  
and uh they said that he still look like

637  
00:29:17,570 --> 00:29:14,400  
he was shaken up by this uh he described

638  
00:29:19,970 --> 00:29:17,580

how he was talking to his friend on the

639

00:29:21,649 --> 00:29:19,980

phone he drove up to his parents house

640

00:29:23,389 --> 00:29:21,659

and he didn't want to disturb them

641

00:29:26,210 --> 00:29:23,399

because it was late so he was sitting in

642

00:29:29,149 --> 00:29:26,220

his car finishing his phone call

643

00:29:31,610 --> 00:29:29,159

and he saw this like humanoid form that

644

00:29:34,549 --> 00:29:31,620

stepped from behind a Street Lamp

645

00:29:39,470 --> 00:29:34,559

and he knows that it was

646

00:29:41,750 --> 00:29:39,480

grayish black had red eyes and wings but

647

00:29:44,750 --> 00:29:41,760

he showed the location where he said

648

00:29:46,549 --> 00:29:44,760

that this encounter happened and walked

649

00:29:48,889 --> 00:29:46,559

through the whole thing and seemed very

650

00:29:50,210 --> 00:29:48,899

genuine about that so someone like that

651  
00:29:54,310 --> 00:29:50,220  
you know I'm willing to give the benefit

652  
00:29:58,549 --> 00:29:54,320  
of the doubt you know and how uh

653  
00:30:02,090 --> 00:29:58,559  
obviously we have uh Point Pleasant and

654  
00:30:05,029 --> 00:30:02,100  
and and John Keel

655  
00:30:06,590 --> 00:30:05,039  
um and now we've got to start to see if

656  
00:30:08,930 --> 00:30:06,600  
we can connect the dots to see if we're

657  
00:30:11,990 --> 00:30:08,940  
talking about the same phenomena uh what

658  
00:30:17,330 --> 00:30:13,130  
um I mean it's a very similar

659  
00:30:18,169 --> 00:30:17,340  
description as far as the entity itself

660  
00:30:19,730 --> 00:30:18,179  
um

661  
00:30:21,710 --> 00:30:19,740  
but I don't I don't know whether

662  
00:30:24,950 --> 00:30:21,720  
similarities there are

663  
00:30:27,769 --> 00:30:24,960

the thing was when this happened in 2016

664

00:30:30,289 --> 00:30:27,779

of course a lot of people associate The

665

00:30:32,090 --> 00:30:30,299

Point Pleasant Mothman with being this

666

00:30:33,889 --> 00:30:32,100

harbinger of Doom

667

00:30:37,430 --> 00:30:33,899

that ended with the Silver Bridge

668

00:30:39,529 --> 00:30:37,440

collapsing so people were like oh we

669

00:30:41,570 --> 00:30:39,539

know what's going to happen in Chicago

670

00:30:44,149 --> 00:30:41,580

well you know a lot of bad stuff happens

671

00:30:46,430 --> 00:30:44,159

in Chicago all the time so it's maybe

672

00:30:49,070 --> 00:30:46,440

hard to tell

673

00:30:50,510 --> 00:30:49,080

um but yeah I don't know what could be I

674

00:30:53,330 --> 00:30:50,520

mean my theory has always been that

675

00:30:55,850 --> 00:30:53,340

these are inter-dimensional beings of

676  
00:30:57,889 --> 00:30:55,860  
some sort that can kind of pop in and

677  
00:30:59,750 --> 00:30:57,899  
out between dimensions

678  
00:31:02,090 --> 00:30:59,760  
is the one that makes sense to me what

679  
00:31:03,889 --> 00:31:02,100  
about the site you mentioned red eyes

680  
00:31:05,810 --> 00:31:03,899  
what about the size and the physical

681  
00:31:08,750 --> 00:31:05,820  
characteristics

682  
00:31:10,850 --> 00:31:08,760  
um of the Chicago Mothman

683  
00:31:12,830 --> 00:31:10,860  
that's you know and this is

684  
00:31:14,870 --> 00:31:12,840  
why I think some of the reports are

685  
00:31:17,029 --> 00:31:14,880  
suspicious actually they were all very

686  
00:31:21,049 --> 00:31:17,039  
similar in their description and saying

687  
00:31:24,889 --> 00:31:21,059  
that it was about six feet tall had big

688  
00:31:27,230 --> 00:31:24,899

red glowing eyes Wings humanoid grayish

689

00:31:29,810 --> 00:31:27,240

black color but

690

00:31:32,690 --> 00:31:29,820

almost in some of the reports are like I

691

00:31:33,950 --> 00:31:32,700

saw it flying above me it was about six

692

00:31:35,870 --> 00:31:33,960

feet tall

693

00:31:37,549 --> 00:31:35,880

and I was like how would you be able to

694

00:31:39,230 --> 00:31:37,559

measure that you know

695

00:31:41,630 --> 00:31:39,240

it's kind of hard to tell how big

696

00:31:43,789 --> 00:31:41,640

something is when it's flying above you

697

00:31:47,450 --> 00:31:43,799

so I almost found the consistent

698

00:31:49,610 --> 00:31:47,460

description to be suspicious

699

00:31:52,130 --> 00:31:49,620

so

700

00:31:54,850 --> 00:31:52,140

um I and you're right about that

701  
00:31:58,970 --> 00:31:54,860  
so I had house guests this weekend right

702  
00:32:01,310 --> 00:31:58,980  
and we were in the backyard and and I've

703  
00:32:04,070 --> 00:32:01,320  
got I live in the desert and one thing

704  
00:32:07,070 --> 00:32:04,080  
that we have out here is we have giant

705  
00:32:10,070 --> 00:32:07,080  
Ravens okay now I don't know if there's

706  
00:32:14,630 --> 00:32:10,080  
another species of ravens out there

707  
00:32:17,750 --> 00:32:14,640  
uh called giant big ass Ravens but we

708  
00:32:20,630 --> 00:32:17,760  
have that species of Raven out here and

709  
00:32:22,669 --> 00:32:20,640  
so but when they're up flying you can't

710  
00:32:25,250 --> 00:32:22,679  
you don't know how big they are when

711  
00:32:26,870 --> 00:32:25,260  
they swoop down over your backyard a few

712  
00:32:28,669 --> 00:32:26,880  
feet off the ground and you see that

713  
00:32:30,649 --> 00:32:28,679

that wingspan is you know four feet

714

00:32:33,409 --> 00:32:30,659

across you kind of jump back and go man

715

00:32:35,750 --> 00:32:33,419

those things are huge but you can't tell

716

00:32:37,610 --> 00:32:35,760

how big those are when they're up in the

717

00:32:40,850 --> 00:32:37,620

sky you just can't do it so for somebody

718

00:32:44,330 --> 00:32:40,860

to say uh the size of something flying

719

00:32:47,269 --> 00:32:44,340

overhead uh unless you know the size of

720

00:32:50,029 --> 00:32:47,279

a plane okay you can make a guess on a

721

00:32:51,289 --> 00:32:50,039

single engine Cessna but it's just

722

00:32:53,090 --> 00:32:51,299

something else that you've never seen

723

00:32:55,610 --> 00:32:53,100

before no I think it's nearly impossible

724

00:32:57,230 --> 00:32:55,620

to make a guess at at the size yeah or

725

00:32:59,570 --> 00:32:57,240

people are saying how tall it is they

726

00:33:02,149 --> 00:32:59,580

see it sitting on a rooftop I mean

727

00:33:03,769 --> 00:33:02,159

if you see a person up on a rooftop

728

00:33:05,269 --> 00:33:03,779

you're not going to be able to guess how

729

00:33:07,389 --> 00:33:05,279

tall they are

730

00:33:09,830 --> 00:33:07,399

you know down to the inches

731

00:33:12,830 --> 00:33:09,840

another interesting Theory too by the

732

00:33:16,190 --> 00:33:12,840

way someone pointed this out there has

733

00:33:18,950 --> 00:33:16,200

been an influx of owls creeping into

734

00:33:23,630 --> 00:33:18,960

Chicago and the reason why is there's

735

00:33:25,430 --> 00:33:23,640

been an increase in uh Vermin like rats

736

00:33:27,830 --> 00:33:25,440

so the owls are coming into the city

737

00:33:29,269 --> 00:33:27,840

because there's a big food supply there

738

00:33:32,990 --> 00:33:29,279

so

739

00:33:35,330 --> 00:33:33,000

think a lot of people especially if

740

00:33:37,549 --> 00:33:35,340

they've maybe never seen an owl in the

741

00:33:39,769 --> 00:33:37,559

dark and they see it sitting on

742

00:33:41,409 --> 00:33:39,779

something it could look pretty weird to

743

00:33:45,970 --> 00:33:41,419

someone

744

00:33:49,669 --> 00:33:45,980

uh okay and so are you suggesting

745

00:33:51,769 --> 00:33:49,679

that people are seeing giant owls and

746

00:33:53,990 --> 00:33:51,779

mistaking that from Mothman

747

00:33:56,930 --> 00:33:54,000

I mean it could be a possibility in some

748

00:33:59,870 --> 00:33:56,940

cases you know I just I like to try to

749

00:34:02,029 --> 00:33:59,880

put all the options on the table and

750

00:34:04,730 --> 00:34:02,039

think about which ones make sense and

751  
00:34:06,529 --> 00:34:04,740  
which ones don't you know but I don't

752  
00:34:07,850 --> 00:34:06,539  
know I mean I I never like to tell

753  
00:34:09,530 --> 00:34:07,860  
people

754  
00:34:12,470 --> 00:34:09,540  
what they saw

755  
00:34:16,369 --> 00:34:12,480  
because I don't know but always walking

756  
00:34:18,649 --> 00:34:16,379  
through it okay so the um and then uh we

757  
00:34:21,710 --> 00:34:18,659  
can kind of move on uh before we run out

758  
00:34:23,629 --> 00:34:21,720  
of time in this uh section of the show

759  
00:34:25,190 --> 00:34:23,639  
um when you re-released your two

760  
00:34:27,349 --> 00:34:25,200  
articles

761  
00:34:31,010 --> 00:34:27,359  
um uh that you had written about the the

762  
00:34:33,050 --> 00:34:31,020  
Mothman what were the uh what did you

763  
00:34:35,570 --> 00:34:33,060

rewrite in both that needed to be

764

00:34:39,290 --> 00:34:37,010

um

765

00:34:41,629 --> 00:34:39,300

I you know I I reflected some of the

766

00:34:43,669 --> 00:34:41,639

more recent sightings there has

767

00:34:47,750 --> 00:34:43,679

apparently been recent sightings around

768

00:34:50,930 --> 00:34:47,760

the O'Hare Airport area a lot lately see

769

00:34:53,629 --> 00:34:50,940

a lot of reports coming in from there

770

00:34:56,210 --> 00:34:53,639

um so I updated with that and then I

771

00:34:57,770 --> 00:34:56,220

just I wrote a short piece to go with

772

00:35:00,230 --> 00:34:57,780

the other articles that talked about

773

00:35:02,810 --> 00:35:00,240

mothman's influence on pop culture

774

00:35:05,270 --> 00:35:02,820

because mothman's kind of a star you

775

00:35:09,109 --> 00:35:05,280

know if you go on Instagram you see a

776  
00:35:11,210 --> 00:35:09,119  
lot of artists uh who do you know create

777  
00:35:13,310 --> 00:35:11,220  
drawings and um

778  
00:35:15,950 --> 00:35:13,320  
t-shirts and stuff like that even

779  
00:35:18,410 --> 00:35:15,960  
costumes so I just kind of reflected

780  
00:35:19,310 --> 00:35:18,420  
about how mothman's chemical pop star

781  
00:35:22,250 --> 00:35:19,320  
now

782  
00:35:24,349 --> 00:35:22,260  
well yeah that's certainly true when

783  
00:35:27,470 --> 00:35:24,359  
when we go back if you go back to uh

784  
00:35:29,690 --> 00:35:27,480  
Point Pleasant in 66

785  
00:35:31,069 --> 00:35:29,700  
um the internet today is is a funny

786  
00:35:33,650 --> 00:35:31,079  
thing where we can share information

787  
00:35:36,530 --> 00:35:33,660  
well I don't need to explain what the

788  
00:35:39,530 --> 00:35:36,540

internet is but but we can do stuff uh

789

00:35:41,990 --> 00:35:39,540

fairly quickly and instantly and and

790

00:35:44,930 --> 00:35:42,000

it's it's easy enough to do but it

791

00:35:48,650 --> 00:35:44,940

wasn't that kind of party in 1966. and

792

00:35:50,569 --> 00:35:48,660

it seemed that uh uh you could have

793

00:35:53,089 --> 00:35:50,579

rumors on the street and you can play

794

00:35:55,730 --> 00:35:53,099

the game telephone yeah okay all right

795

00:35:58,910 --> 00:35:55,740

and whisper in somebody's ear but things

796

00:36:01,490 --> 00:35:58,920

were too similar and and and in

797

00:36:03,470 --> 00:36:01,500

different Geographic areas

798

00:36:05,329 --> 00:36:03,480

um in and around that area which ended

799

00:36:07,970 --> 00:36:05,339

with of course uh the bridge collapse

800

00:36:10,550 --> 00:36:07,980

and then apparently well not completely

801  
00:36:14,510 --> 00:36:10,560  
but apparently most of the terror ended

802  
00:36:17,690 --> 00:36:14,520  
um at that point yeah but today with the

803  
00:36:19,910 --> 00:36:17,700  
Chicago Mothman side of things

804  
00:36:23,230 --> 00:36:19,920  
um I almost see a connection with the

805  
00:36:26,810 --> 00:36:23,240  
Thunderbird and could

806  
00:36:28,609 --> 00:36:26,820  
you said owl but could the witnesses be

807  
00:36:31,130 --> 00:36:28,619  
seeing the Thunderbird thinking it's

808  
00:36:33,770 --> 00:36:31,140  
human because it's so big or the

809  
00:36:38,089 --> 00:36:33,780  
opposite they could be seeing you know

810  
00:36:41,450 --> 00:36:38,099  
the Chicago Mothman and then identifying

811  
00:36:43,730 --> 00:36:41,460  
it as a Thunderbird because they would

812  
00:36:45,170 --> 00:36:43,740  
both be very very big with large

813  
00:36:48,290 --> 00:36:45,180

wingspans

814

00:36:50,089 --> 00:36:48,300

yeah no that's a very good theory and I

815

00:36:53,150 --> 00:36:50,099

should point out that a lot of the

816

00:36:55,430 --> 00:36:53,160

reports describe this humanoid with red

817

00:36:57,470 --> 00:36:55,440

eyes but not all of them some things

818

00:37:00,230 --> 00:36:57,480

have gotten lumped into these Mothman

819

00:37:03,050 --> 00:37:00,240

sightings but if you look at what the

820

00:37:05,870 --> 00:37:03,060

the Witnesses are reporting they're

821

00:37:07,430 --> 00:37:05,880

actually just one for example describe

822

00:37:09,829 --> 00:37:07,440

seeing something that they thought

823

00:37:12,290 --> 00:37:09,839

looked sort of like a pterodactyl

824

00:37:14,990 --> 00:37:12,300

so I mean that would fit very much with

825

00:37:16,310 --> 00:37:15,000

a Thunderbird description you know they

826

00:37:17,750 --> 00:37:16,320

might have been seeing that and then

827

00:37:20,270 --> 00:37:17,760

just made the connection to a

828

00:37:24,470 --> 00:37:20,280

pterodactyl because it was big you know

829

00:37:28,370 --> 00:37:24,480

okay somebody just said the photo on the

830

00:37:31,130 --> 00:37:28,380

bridge in Chicago has me puzzled what is

831

00:37:32,690 --> 00:37:31,140

that can you guys post the link let me

832

00:37:35,930 --> 00:37:32,700

see this picture what picture are they

833

00:37:39,010 --> 00:37:35,940

referring to I'm not sure

834

00:37:43,910 --> 00:37:39,020

um okay remember one with the bridge

835

00:37:45,950 --> 00:37:43,920

okay uh Bill post the link or Dennis uh

836

00:37:47,930 --> 00:37:45,960

post the link in the chat

837

00:37:49,670 --> 00:37:47,940

you guys can't talk about stuff like

838

00:37:53,510 --> 00:37:49,680

that without posting the link that is

839

00:37:54,950 --> 00:37:53,520

very uncool to do that to me live uh

840

00:37:57,349 --> 00:37:54,960

during the show

841

00:38:02,030 --> 00:37:57,359

no I don't see it here so uh post the

842

00:38:03,950 --> 00:38:02,040

link so I can uh go and and check it out

843

00:38:05,750 --> 00:38:03,960

um have you seen photographs I know that

844

00:38:08,329 --> 00:38:05,760

there's been mention of video and images

845

00:38:12,230 --> 00:38:08,339

have you seen any anything

846

00:38:14,990 --> 00:38:12,240

one of the original reporters from 2011

847

00:38:18,470 --> 00:38:15,000

um it shows someone took a pack a

848

00:38:20,270 --> 00:38:18,480

picture of a statue a statue of a Native

849

00:38:23,210 --> 00:38:20,280

American it used to be on top of a

850

00:38:27,170 --> 00:38:23,220

tobacco shop there in the background you

851

00:38:29,690 --> 00:38:27,180

can see something that looks weird

852

00:38:32,089 --> 00:38:29,700

um but the explanation that I believe

853

00:38:34,010 --> 00:38:32,099

would probably be true for that photo is

854

00:38:37,790 --> 00:38:34,020

it looks like a kite actually a

855

00:38:40,670 --> 00:38:37,800

bat-shaped kite okay someone is probably

856

00:38:43,670 --> 00:38:40,680

um flying I know there have been a

857

00:38:47,690 --> 00:38:43,680

couple of photos that have been debunked

858

00:38:48,950 --> 00:38:47,700

because they were faked you know but I'm

859

00:38:52,130 --> 00:38:48,960

not saying that that's what this photo

860

00:38:55,849 --> 00:38:52,140

is I'm not familiar with it at all

861

00:38:57,530 --> 00:38:55,859

now you said earlier and this is uh

862

00:38:58,910 --> 00:38:57,540

we're gonna kind of change gears a

863

00:39:03,050 --> 00:38:58,920

little bit we're gonna stay on subject

864

00:39:03,650 --> 00:39:03,060

though but you said interdimensional

865

00:39:06,410 --> 00:39:03,660

um

866

00:39:08,930 --> 00:39:06,420

that's a very interesting term that I

867

00:39:13,550 --> 00:39:08,940

use every night here on the show but why

868

00:39:19,550 --> 00:39:17,030

that makes sense to me because we very

869

00:39:21,890 --> 00:39:19,560

rarely find like true evidence of these

870

00:39:23,690 --> 00:39:21,900

Cryptids right except for maybe a

871

00:39:26,450 --> 00:39:23,700

footprint once in a while stuff like

872

00:39:28,130 --> 00:39:26,460

that but it just it seems to me like

873

00:39:33,050 --> 00:39:28,140

that's the way that they can escape

874

00:39:36,170 --> 00:39:33,060

detection so well is they can shift

875

00:39:37,910 --> 00:39:36,180

um between our world and another one so

876

00:39:39,349 --> 00:39:37,920

they don't leave evidence behind you

877

00:39:42,829 --> 00:39:39,359

can't catch them

878

00:39:46,790 --> 00:39:42,839

in that or something like that you know

879

00:39:48,410 --> 00:39:46,800

well physics today that's exactly what

880

00:39:51,770 --> 00:39:48,420

they're trying to convince us of right

881

00:39:54,410 --> 00:39:51,780

that that is now part of our reality

882

00:39:57,890 --> 00:39:54,420

um when before it was spirits and

883

00:40:00,470 --> 00:39:57,900

mediums and our dead and Hilda coming

884

00:40:04,069 --> 00:40:00,480

back to visit us

885

00:40:06,050 --> 00:40:04,079

um but there if these things are real I

886

00:40:08,510 --> 00:40:06,060

believe that they are there's got to be

887

00:40:11,390 --> 00:40:08,520

a scientific explanation behind them

888

00:40:14,270 --> 00:40:11,400

would interdimensional be a Band-Aid

889

00:40:16,670 --> 00:40:14,280

like a catch-all

890

00:40:17,810 --> 00:40:16,680

um yeah I think so I mean that's

891

00:40:21,109 --> 00:40:17,820

probably

892

00:40:23,390 --> 00:40:21,119

how I'm viewing it I mean I just I don't

893

00:40:24,650 --> 00:40:23,400

know what other explanations that there

894

00:40:26,510 --> 00:40:24,660

could be

895

00:40:29,150 --> 00:40:26,520

um I'm certainly open to other

896

00:40:31,130 --> 00:40:29,160

possibilities but it's this one that

897

00:40:34,550 --> 00:40:31,140

kind of made sense to me like

898

00:40:37,010 --> 00:40:34,560

some sort of portal interdimensional

899

00:40:40,730 --> 00:40:37,020

portal that these things can move

900

00:40:43,490 --> 00:40:40,740

between now we're talking about Mothman

901  
00:40:45,650 --> 00:40:43,500  
but what about everything else

902  
00:40:47,390 --> 00:40:45,660  
yeah I think it could apply to a lot of

903  
00:40:50,329 --> 00:40:47,400  
Cryptids

904  
00:40:55,609 --> 00:40:50,339  
um reports of ghosts you know stuff like

905  
00:41:00,230 --> 00:40:57,250  
yes yes

906  
00:41:03,470 --> 00:41:00,240  
millions of people can't be crazy right

907  
00:41:06,950 --> 00:41:03,480  
yeah all right all right

908  
00:41:10,490 --> 00:41:06,960  
um and when uh

909  
00:41:11,750 --> 00:41:10,500  
you you run the uh the the Paranormal

910  
00:41:13,790 --> 00:41:11,760  
Festival

911  
00:41:15,829 --> 00:41:13,800  
um of the Paranormal conference in

912  
00:41:19,130 --> 00:41:15,839  
Milwaukee right yeah and you've been

913  
00:41:21,530 --> 00:41:19,140

doing that for almost eight years yeah

914

00:41:25,130 --> 00:41:21,540

um what have you learned from doing that

915

00:41:26,990 --> 00:41:25,140

my my view on this has changed greatly

916

00:41:30,230 --> 00:41:27,000

from what you know

917

00:41:33,410 --> 00:41:30,240

25 30 years ago the way I approached the

918

00:41:35,450 --> 00:41:33,420

subject and where I am now I'm 180

919

00:41:38,450 --> 00:41:35,460

degrees in the opposite direction

920

00:41:40,670 --> 00:41:38,460

yeah oh I've learned a lot through the

921

00:41:43,849 --> 00:41:40,680

conference and heard a lot of

922

00:41:46,550 --> 00:41:43,859

interesting theories and uh have met

923

00:41:49,670 --> 00:41:46,560

some really great researchers so I'm

924

00:41:52,609 --> 00:41:49,680

always learning new stuff and um

925

00:41:56,150 --> 00:41:52,619

thinking about new stuff so it's really

926  
00:41:58,609 --> 00:41:56,160  
wonderful to be in that position and get

927  
00:42:00,829 --> 00:41:58,619  
to meet new people every year and

928  
00:42:03,890 --> 00:42:00,839  
there's some people I see once a year

929  
00:42:05,810 --> 00:42:03,900  
and I set the Paranormal conference

930  
00:42:07,910 --> 00:42:05,820  
um so yeah I've heard

931  
00:42:09,370 --> 00:42:07,920  
a lot of things that

932  
00:42:12,410 --> 00:42:09,380  
um again

933  
00:42:14,390 --> 00:42:12,420  
new ideas and so what have you learned

934  
00:42:16,490 --> 00:42:14,400  
that's what I want to know I'm gonna

935  
00:42:19,670 --> 00:42:16,500  
I'll tell you what I've learned I could

936  
00:42:22,609 --> 00:42:19,680  
I can go down the list like this and and

937  
00:42:25,310 --> 00:42:22,619  
go deep with it because

938  
00:42:27,770 --> 00:42:25,320

um I not only do I interview a lot of

939

00:42:30,970 --> 00:42:27,780

people but I'm a sponge

940

00:42:35,569 --> 00:42:30,980

um and it's my job but I find myself

941

00:42:38,870 --> 00:42:35,579

changing my mind you know and and I'm

942

00:42:40,609 --> 00:42:38,880

just not the same person so we all walk

943

00:42:43,910 --> 00:42:40,619

away with something that we have learned

944

00:42:46,370 --> 00:42:43,920

and and you in your position

945

00:42:48,710 --> 00:42:46,380

um I'm just curious man what what is it

946

00:42:50,329 --> 00:42:48,720

that you won okay yeah I just learned

947

00:42:52,609 --> 00:42:50,339

something

948

00:42:54,950 --> 00:42:52,619

uh I think one thing I've been more

949

00:42:56,510 --> 00:42:54,960

open-minded over the years is about

950

00:42:58,790 --> 00:42:56,520

Bigfoot

951

00:43:00,950 --> 00:42:58,800

um I think when I first had interest in

952

00:43:02,990 --> 00:43:00,960

that I I thought it was just kind of

953

00:43:05,809 --> 00:43:03,000

funny like I was like oh yeah come on

954

00:43:07,609 --> 00:43:05,819

Bigfoot but I've seen evidence and

955

00:43:09,770 --> 00:43:07,619

talked to people where

956

00:43:13,670 --> 00:43:09,780

um they've turned me into kind of a

957

00:43:15,230 --> 00:43:13,680

believer in that subject in particular

958

00:43:19,309 --> 00:43:15,240

um I've seen a lot of interesting photos

959

00:43:21,770 --> 00:43:19,319

video first-hand accounts so I changed

960

00:43:24,470 --> 00:43:21,780

my mind on that I think for sure so

961

00:43:29,750 --> 00:43:24,480

before you were a skeptic I would say so

962

00:43:33,890 --> 00:43:29,760

yeah yeah a skeptic of it not uh Bigfoot

963

00:43:37,609 --> 00:43:33,900

not being real at all or it being a

964

00:43:39,410 --> 00:43:37,619

species that was yet to be discovered or

965

00:43:42,730 --> 00:43:39,420

something that is just inter-dimensional

966

00:43:46,550 --> 00:43:42,740

from planet uh from the constellation

967

00:43:49,490 --> 00:43:46,560

Arcturus right I mean

968

00:43:51,890 --> 00:43:49,500

I think when it first went into it I my

969

00:43:54,829 --> 00:43:51,900

percentage of believing in it was very

970

00:43:58,430 --> 00:43:54,839

small and I think one of the reasons why

971

00:44:02,170 --> 00:43:58,440

is I'd seen so many cartoony depictions

972

00:44:05,030 --> 00:44:02,180

of Bigfoot and sometimes Bigfoot Hunters

973

00:44:09,589 --> 00:44:05,040

Will's like come on this can't

974

00:44:11,690 --> 00:44:09,599

this is just like you know someone

975

00:44:13,309 --> 00:44:11,700

I don't know some guy running around in

976

00:44:16,910 --> 00:44:13,319

a fursuit or something

977

00:44:19,550 --> 00:44:16,920

but you know uh like I I have talked to

978

00:44:22,910 --> 00:44:19,560

a lot of compelling Witnesses and and

979

00:44:24,890 --> 00:44:22,920

seen a lot of stuff so I've yeah I've

980

00:44:26,750 --> 00:44:24,900

been convinced and so where are you

981

00:44:30,290 --> 00:44:26,760

today though

982

00:44:35,390 --> 00:44:30,300

oh say I'm I I maybe went from like 10

983

00:44:38,870 --> 00:44:35,400

up to 95 or something it's a pretty big

984

00:44:41,510 --> 00:44:38,880

jump and and do you think it's a species

985

00:44:42,710 --> 00:44:41,520

uh that is just avoiding humans or do

986

00:44:45,770 --> 00:44:42,720

you think it's something more

987

00:44:48,589 --> 00:44:45,780

Supernatural in that case I do think it

988

00:44:51,770 --> 00:44:48,599

could possibly be a species that has

989

00:44:54,290 --> 00:44:51,780

avoided uh people

990

00:44:56,210 --> 00:44:54,300

um I am also open to like the idea of it

991

00:44:58,010 --> 00:44:56,220

being some sort of interdimensional

992

00:45:00,050 --> 00:44:58,020

thing but I think it possibly could be

993

00:45:02,750 --> 00:45:00,060

an unknown species we still all do

994

00:45:05,089 --> 00:45:02,760

discover species of animals

995

00:45:07,069 --> 00:45:05,099

on a regular basis which is really kind

996

00:45:09,230 --> 00:45:07,079

of amazing you think the whole world is

997

00:45:11,569 --> 00:45:09,240

populated that we've seen everything and

998

00:45:13,370 --> 00:45:11,579

explored every nook and cranny of the

999

00:45:17,329 --> 00:45:13,380

Earth but but we really haven't

1000

00:45:20,569 --> 00:45:17,339

but how do you explain uh the the lack

1001  
00:45:23,930 --> 00:45:20,579  
of bones or bodies we haven't had any

1002  
00:45:26,329 --> 00:45:23,940  
roadkill you know up in Wisconsin all

1003  
00:45:29,750 --> 00:45:26,339  
you guys do is drive by roadkill right

1004  
00:45:31,790 --> 00:45:29,760  
it's it's a lot yeah yeah

1005  
00:45:33,530 --> 00:45:31,800  
um uh we hit a lot of deer and and

1006  
00:45:37,849 --> 00:45:33,540  
things it's just you know it's part of

1007  
00:45:39,829 --> 00:45:37,859  
life but no fresh Bigfoot on the side of

1008  
00:45:42,349 --> 00:45:39,839  
the road how do we explain that

1009  
00:45:44,089 --> 00:45:42,359  
uh well the the way someone explained it

1010  
00:45:45,290 --> 00:45:44,099  
to me is they're like how often do

1011  
00:45:47,390 --> 00:45:45,300  
people find

1012  
00:45:49,970 --> 00:45:47,400  
a skeleton of a bear I mean it does

1013  
00:45:53,470 --> 00:45:49,980

happen but it's not extremely common

1014

00:45:56,089 --> 00:45:53,480

well we hit a lot of bears

1015

00:45:59,210 --> 00:45:56,099

we see a lot of bears come up and attack

1016

00:46:02,450 --> 00:45:59,220

cars we see a lot of bears come in and

1017

00:46:04,069 --> 00:46:02,460

raid your your cooler while you are gone

1018

00:46:07,250 --> 00:46:04,079

on your campsite and you catch them on

1019

00:46:11,450 --> 00:46:07,260

the trail cam you know we okay so we

1020

00:46:14,870 --> 00:46:11,460

yeah okay uh uh bear carcasses but we

1021

00:46:18,970 --> 00:46:14,880

see I I've seen a grizzly bear and her

1022

00:46:22,010 --> 00:46:18,980

three Cubs walk right in my backyard

1023

00:46:25,010 --> 00:46:22,020

I've seen that

1024

00:46:27,650 --> 00:46:25,020

um so the the Species part which

1025

00:46:30,170 --> 00:46:27,660

anything is possible like the giant

1026  
00:46:32,390 --> 00:46:30,180  
panda right okay that didn't show up

1027  
00:46:36,170 --> 00:46:32,400  
until 100 years ago

1028  
00:46:40,069 --> 00:46:36,180  
um but uh I I I have issues with no

1029  
00:46:43,309 --> 00:46:40,079  
bones I do I I have issues with that

1030  
00:46:45,349 --> 00:46:43,319  
yeah um yeah I don't know I mean that's

1031  
00:46:47,930 --> 00:46:45,359  
why I think it's interdimensional

1032  
00:46:50,770 --> 00:46:47,940  
I think I think Bigfoot are chewbacas

1033  
00:46:53,569 --> 00:46:50,780  
you know that one that would explain

1034  
00:46:57,170 --> 00:46:53,579  
that would check all my boxes and I'm

1035  
00:46:59,450 --> 00:46:57,180  
okay with that the the Species part with

1036  
00:47:02,510 --> 00:46:59,460  
me I'm not I'm not as confident about

1037  
00:47:05,630 --> 00:47:02,520  
like I am something interdimensional or

1038  
00:47:06,770 --> 00:47:05,640

arriving in a Vortex or through a portal

1039

00:47:09,109 --> 00:47:06,780

yeah

1040

00:47:10,910 --> 00:47:09,119

uh by the way here in Wisconsin There's

1041

00:47:13,910 --> 00:47:10,920

a very large State Park called The

1042

00:47:16,670 --> 00:47:13,920

Kettle Moraine and there's been a lot of

1043

00:47:17,750 --> 00:47:16,680

Bigfoot sightings there and where is

1044

00:47:19,550 --> 00:47:17,760

that

1045

00:47:22,250 --> 00:47:19,560

sort of in the middle of the state of

1046

00:47:27,230 --> 00:47:22,260

Wisconsin takes up a couple hundred

1047

00:47:30,950 --> 00:47:27,240

acres so and and Wisconsin

1048

00:47:33,290 --> 00:47:30,960

um aside from the shoreline right maybe

1049

00:47:35,690 --> 00:47:33,300

in count Green Bay too as well but maybe

1050

00:47:40,010 --> 00:47:35,700

not as much but aside from the shoreline

1051

00:47:42,170 --> 00:47:40,020

Wisconsin is trees right it's it's thick

1052

00:47:44,390 --> 00:47:42,180

and if you want to hide out there and

1053

00:47:46,430 --> 00:47:44,400

never you know disconnect from the human

1054

00:47:48,770 --> 00:47:46,440

race you can do it in Wisconsin can't

1055

00:47:50,510 --> 00:47:48,780

you oh yeah yeah there's a lot of

1056

00:47:52,609 --> 00:47:50,520

Farmland but there's a lot of forest

1057

00:47:56,750 --> 00:47:52,619

still yeah a lot of forests a lot of

1058

00:48:00,349 --> 00:47:56,760

Hills uh yeah yeah no question about it

1059

00:48:02,990 --> 00:48:00,359

um now if if if that part of it in

1060

00:48:06,770 --> 00:48:03,000

physics is what is going on

1061

00:48:08,690 --> 00:48:06,780

is that the spirit world too as well I

1062

00:48:12,410 --> 00:48:08,700

mean are the dots connected

1063

00:48:14,510 --> 00:48:12,420

I think so or they could be

1064

00:48:16,010 --> 00:48:14,520

um I don't know I mean

1065

00:48:17,809 --> 00:48:16,020

I've heard a lot of different theories

1066

00:48:21,230 --> 00:48:17,819

about ghosts of course uh

1067

00:48:24,410 --> 00:48:21,240

interdimensional spirits of dead people

1068

00:48:27,349 --> 00:48:24,420

um I mean they're both interesting

1069

00:48:29,809 --> 00:48:27,359

theories I I would have to guess that

1070

00:48:31,490 --> 00:48:29,819

some of them must be connected to people

1071

00:48:32,990 --> 00:48:31,500

because people see ghosts of people that

1072

00:48:36,589 --> 00:48:33,000

they know you know

1073

00:48:39,109 --> 00:48:36,599

that were part of their life so and is

1074

00:48:43,730 --> 00:48:39,119

there a commonality

1075

00:48:46,190 --> 00:48:43,740

um uh T of of the types of stories that

1076

00:48:50,150 --> 00:48:46,200

have been part of the folklore and pop

1077

00:48:55,190 --> 00:48:50,160

culture in Wisconsin

1078

00:49:01,849 --> 00:48:57,970

they're just you know a lot of typical

1079

00:49:02,809 --> 00:49:01,859

ghost stories usually

1080

00:49:07,130 --> 00:49:02,819

um

1081

00:49:09,349 --> 00:49:07,140

people recognizing relatives sometimes

1082

00:49:13,250 --> 00:49:09,359

um or

1083

00:49:16,370 --> 00:49:13,260

you know like a captain Frederick past

1084

00:49:18,230 --> 00:49:16,380

who was the founder of the Pabst Brewery

1085

00:49:20,089 --> 00:49:18,240

he's a common ghost as seen in Milwaukee

1086

00:49:22,430 --> 00:49:20,099

there's actually three different places

1087

00:49:24,770 --> 00:49:22,440

that are supposed to be haunted by him

1088

00:49:27,770 --> 00:49:24,780

so we do have some historical figures

1089

00:49:30,589 --> 00:49:27,780

that are ghosts

1090

00:49:33,829 --> 00:49:30,599

um and it's a very common occurrence

1091

00:49:36,230 --> 00:49:33,839

here I lead a walking ghost tour for

1092

00:49:38,809 --> 00:49:36,240

American Ghost walks here in Milwaukee

1093

00:49:42,170 --> 00:49:38,819

uh which is a lot of fun I get to talk

1094

00:49:45,890 --> 00:49:42,180

about history and some ghost stories and

1095

00:49:48,109 --> 00:49:45,900

I am amazed at how many people come up

1096

00:49:50,750 --> 00:49:48,119

to me after a tour because they feel

1097

00:49:52,309 --> 00:49:50,760

comfortable talking to me about this and

1098

00:49:54,370 --> 00:49:52,319

they'll tell me very similar stories

1099

00:49:57,290 --> 00:49:54,380

about you know

1100

00:49:57,890 --> 00:49:57,300

seeing their deceased mother

1101  
00:50:01,790 --> 00:49:57,900  
um

1102  
00:50:03,609 --> 00:50:01,800  
door slamming shut cold spots stuff like

1103  
00:50:06,290 --> 00:50:03,619  
that and um

1104  
00:50:10,010 --> 00:50:06,300  
uh yeah very

1105  
00:50:12,950 --> 00:50:10,020  
common stories and lots of them

1106  
00:50:14,930 --> 00:50:12,960  
is your house haunted

1107  
00:50:16,790 --> 00:50:14,940  
I don't think this one is it is an old

1108  
00:50:19,790 --> 00:50:16,800  
house actually

1109  
00:50:21,530 --> 00:50:19,800  
it was built in the late 1800s but I

1110  
00:50:23,510 --> 00:50:21,540  
haven't experienced anything here you

1111  
00:50:26,030 --> 00:50:23,520  
haven't have you

1112  
00:50:28,730 --> 00:50:26,040  
um I have and my house is on the newer

1113  
00:50:31,790 --> 00:50:28,740

side it's it's old but it's on the newer

1114

00:50:35,089 --> 00:50:31,800

side of old does that even make sense

1115

00:50:38,870 --> 00:50:35,099

about it is built in the 80s okay so not

1116

00:50:41,450 --> 00:50:38,880

the 1880s uh the 1980s but this house is

1117

00:50:43,510 --> 00:50:41,460

completely friggin haunted you know

1118

00:50:47,089 --> 00:50:43,520

there's stuff moving all the time

1119

00:50:49,190 --> 00:50:47,099

and uh like for real I'm not making

1120

00:50:50,690 --> 00:50:49,200

stuff up it's like it's like crazy town

1121

00:50:54,170 --> 00:50:50,700

here

1122

00:50:56,390 --> 00:50:54,180

um and I I just accepted it but then

1123

00:50:57,650 --> 00:50:56,400

when you have things like and when we

1124

00:51:00,829 --> 00:50:57,660

come back out for the break we'll talk

1125

00:51:03,970 --> 00:51:00,839

about Krampus for instance and where you

1126  
00:51:07,549 --> 00:51:03,980  
have these stories that are handed down

1127  
00:51:08,990 --> 00:51:07,559  
generation after generation and I

1128  
00:51:13,190 --> 00:51:09,000  
believe that all of it's based in

1129  
00:51:15,109 --> 00:51:13,200  
reality but then as as it as children

1130  
00:51:17,690 --> 00:51:15,119  
um growing up to be adults we can

1131  
00:51:20,809 --> 00:51:17,700  
Manifest this stuff into our reality of

1132  
00:51:23,329 --> 00:51:20,819  
of if we push it hard enough right like

1133  
00:51:25,910 --> 00:51:23,339  
a thought projection yeah sure

1134  
00:51:28,309 --> 00:51:25,920  
yeah yeah where do you think the ghosts

1135  
00:51:29,809 --> 00:51:28,319  
in your house come from I don't know I

1136  
00:51:32,150 --> 00:51:29,819  
don't know we talked about it all

1137  
00:51:33,950 --> 00:51:32,160  
weekend I had I don't know I don't know

1138  
00:51:36,829 --> 00:51:33,960

if they were here before the house was

1139

00:51:38,150 --> 00:51:36,839

built you know the Mojave Indians I live

1140

00:51:40,609 --> 00:51:38,160

in the desert

1141

00:51:42,230 --> 00:51:40,619

um is it that is it something else

1142

00:51:46,549 --> 00:51:42,240

um my neighbors haven't told me anything

1143

00:51:48,950 --> 00:51:46,559

too crazy so I you know it's not like

1144

00:51:50,930 --> 00:51:48,960

you know the Manson family lived here at

1145

00:51:54,170 --> 00:51:50,940

one time or something so I don't I'm not

1146

00:51:56,270 --> 00:51:54,180

I don't have any of that uh but that

1147

00:51:58,609 --> 00:51:56,280

doesn't change the reality of of what

1148

00:52:00,950 --> 00:51:58,619

has been going on here

1149

00:52:05,150 --> 00:52:00,960

um it feels feminine does that make

1150

00:52:08,450 --> 00:52:05,160

sense sure yeah I don't feel threatened

1151  
00:52:11,650 --> 00:52:08,460  
um you know I don't wake up with bite

1152  
00:52:14,450 --> 00:52:11,660  
marks well that's good

1153  
00:52:18,049 --> 00:52:14,460  
none of that but yeah stuff is moving

1154  
00:52:20,510 --> 00:52:18,059  
and you hear things and stuff is you

1155  
00:52:25,010 --> 00:52:20,520  
know fell off the walls and fallen off

1156  
00:52:26,809 --> 00:52:25,020  
of countertops I've watched and uh you

1157  
00:52:29,270 --> 00:52:26,819  
know I have stuff moving in my closet

1158  
00:52:32,109 --> 00:52:29,280  
every single day that every single day

1159  
00:52:35,990 --> 00:52:32,119  
but every other day yeah yeah yeah yeah

1160  
00:52:38,690 --> 00:52:36,000  
so but but nothing has hit me in the

1161  
00:52:42,710 --> 00:52:38,700  
head that's good

1162  
00:52:45,230 --> 00:52:42,720  
but uh 1880s so uh for you I would think

1163  
00:52:46,970 --> 00:52:45,240

that there is something surviving in the

1164

00:52:50,089 --> 00:52:46,980

house but the reason why I bring that up

1165

00:52:52,309 --> 00:52:50,099

and and like going back to Krampus and

1166

00:52:55,430 --> 00:52:52,319

the other stories that are told around

1167

00:52:58,430 --> 00:52:55,440

campfires uh around the country and and

1168

00:53:01,309 --> 00:52:58,440

certainly through uh Wisconsin all the

1169

00:53:04,430 --> 00:53:01,319

way to the Chicago Mothman right that

1170

00:53:05,450 --> 00:53:04,440

this stuff is based in reality and I

1171

00:53:07,670 --> 00:53:05,460

think that there are a lot of

1172

00:53:12,049 --> 00:53:07,680

similarities between them

1173

00:53:15,109 --> 00:53:12,059

yeah yeah I do too when you see uh uh

1174

00:53:20,030 --> 00:53:15,119

Krampus doesn't cramp aside from cramp

1175

00:53:23,210 --> 00:53:22,130

could be in the same family tree for

1176

00:53:24,530 --> 00:53:23,220

sure

1177

00:53:27,349 --> 00:53:24,540

and where did you first hear about

1178

00:53:31,549 --> 00:53:29,150

um you know I saw on the internet

1179

00:53:33,589 --> 00:53:31,559

somewhere and it was like one of those

1180

00:53:36,290 --> 00:53:33,599

articles that's like hey did you know

1181

00:53:38,870 --> 00:53:36,300

that there used to be this crazy

1182

00:53:41,150 --> 00:53:38,880

tradition where people would dress up

1183

00:53:43,970 --> 00:53:41,160

like this monster and scare children

1184

00:53:47,630 --> 00:53:43,980

into behaving in the old world you know

1185

00:53:50,210 --> 00:53:47,640

Germany Austria other European countries

1186

00:53:53,329 --> 00:53:50,220

I was like wow I never knew that that's

1187

00:53:55,730 --> 00:53:53,339

that's interesting and then I started to

1188

00:53:57,549 --> 00:53:55,740

see that there were cities all over the

1189

00:53:59,870 --> 00:53:57,559

place that did their own Krampus

1190

00:54:02,630 --> 00:53:59,880

celebration where people would wear

1191

00:54:06,829 --> 00:54:02,640

costumes and it looked like a lot of fun

1192

00:54:10,190 --> 00:54:06,839

and I was like why on Earth do we not

1193

00:54:12,829 --> 00:54:10,200

celebrate that in Milwaukee because as

1194

00:54:16,250 --> 00:54:12,839

you might know Milwaukee has a very rich

1195

00:54:19,450 --> 00:54:16,260

German Heritage it was the beer Barons

1196

00:54:22,670 --> 00:54:19,460

uh pass Blatz Schlitz

1197

00:54:25,430 --> 00:54:22,680

they built Milwaukee into a city through

1198

00:54:27,650 --> 00:54:25,440

the the German Brewing industry

1199

00:54:29,690 --> 00:54:27,660

so we had a very large German population

1200

00:54:33,410 --> 00:54:29,700

here

1201

00:54:35,870 --> 00:54:33,420

um so I was like this is a natural fit

1202

00:54:38,809 --> 00:54:35,880

and um and then I was like well I'm

1203

00:54:40,730 --> 00:54:38,819

gonna organize it then so I just kind of

1204

00:54:43,910 --> 00:54:40,740

put the call out there on social media

1205

00:54:48,470 --> 00:54:43,920

and a bunch of

1206

00:54:52,309 --> 00:54:48,480

um local artists and performers and you

1207

00:54:55,490 --> 00:54:52,319

know people interested in German culture

1208

00:54:58,910 --> 00:54:55,500

all began to participate and it's grown

1209

00:55:00,950 --> 00:54:58,920

into a really huge event now it's a it's

1210

00:55:03,049 --> 00:55:00,960

pretty much doubled in size almost every

1211

00:55:07,130 --> 00:55:03,059

year that we've done it yeah right on

1212

00:55:09,490 --> 00:55:07,140

and and now Krampus depends on well you

1213

00:55:13,370 --> 00:55:09,500

know there isn't a kind

1214

00:55:15,829 --> 00:55:13,380

gentle uh image of Krampus out there but

1215

00:55:18,490 --> 00:55:15,839

that's a that's a pretty that's a pretty

1216

00:55:20,750 --> 00:55:18,500

intimidating scary creature

1217

00:55:23,569 --> 00:55:20,760

isn't it yeah

1218

00:55:25,250 --> 00:55:23,579

yeah um you know and kids do go to our

1219

00:55:27,230 --> 00:55:25,260

event and they get scared uh they're

1220

00:55:29,809 --> 00:55:27,240

supposed to be scared but our performers

1221

00:55:31,430 --> 00:55:29,819

are all pretty good if they see that kid

1222

00:55:33,349 --> 00:55:31,440

looks really scared a lot of times

1223

00:55:35,270 --> 00:55:33,359

they'll take off their mask and they'll

1224

00:55:38,030 --> 00:55:35,280

be like hey you know I'm the swearing

1225

00:55:41,809 --> 00:55:38,040

this mask and uh a real monster that's

1226

00:55:43,730 --> 00:55:41,819

gonna kidnap you so

1227

00:55:45,290 --> 00:55:43,740

um but I think it's great these uh kids

1228

00:55:49,250 --> 00:55:45,300

are getting to experience this and

1229

00:55:50,809 --> 00:55:49,260

they're gonna be able to pass this down

1230

00:55:51,650 --> 00:55:50,819

um to the Next Generation if they want

1231

00:55:54,230 --> 00:55:51,660

to

1232

00:55:55,670 --> 00:55:54,240

yeah yeah exactly let's uh let's take

1233

00:55:59,870 --> 00:55:55,680

our break here we're at the top of the

1234

00:56:02,210 --> 00:55:59,880

hour and uh here's the thing though uh

1235

00:56:04,250 --> 00:56:02,220

when we come back off of The Break

1236

00:56:07,309 --> 00:56:04,260

um I kind of want to stay here for a

1237

00:56:09,710 --> 00:56:07,319

minute uh if we can tea but

1238

00:56:12,109 --> 00:56:09,720

um there there's another part about this

1239

00:56:14,210 --> 00:56:12,119

that I want to talk about which is I

1240

00:56:17,030 --> 00:56:14,220

think people are okay with the subject

1241

00:56:19,069 --> 00:56:17,040

uh today and and we see that in pop

1242

00:56:22,549 --> 00:56:19,079

culture we see that with television and

1243

00:56:24,230 --> 00:56:22,559

film and books and and so forth so I

1244

00:56:25,790 --> 00:56:24,240

wanna I'm gonna stay on the pop culture

1245

00:56:29,030 --> 00:56:25,800

part of this which is what you write

1246

00:56:32,510 --> 00:56:29,040

about when we come back after this short

1247

00:56:33,589 --> 00:56:32,520

break our guest tonight T cruelos and we

1248

00:56:36,829 --> 00:56:33,599

are talking about a lot of things

1249

00:56:39,290 --> 00:56:36,839

tonight but we're talking about the

1250

00:56:40,790 --> 00:56:39,300

great lakes and monsters we'll be right

1251  
00:56:43,069 --> 00:56:40,800  
back this is Jimmy Church of Fade to

1252  
00:56:45,410 --> 00:56:43,079  
Black please visit all of our sponsors

1253  
00:56:47,329 --> 00:56:45,420  
we're taking a quick break here all of

1254  
00:56:49,730 --> 00:56:47,339  
the links are below

1255  
00:56:53,990 --> 00:56:49,740  
and we'll be right back

1256  
00:56:56,510 --> 00:56:54,000  
join us November 10th 11th and 12th 2023

1257  
00:56:59,210 --> 00:56:56,520  
as disclosure Fest foundation and Fade

1258  
00:57:01,730 --> 00:56:59,220  
to Black radio presents Stairway To the

1259  
00:57:04,250 --> 00:57:01,740  
Stars a human Origins Science and

1260  
00:57:07,250 --> 00:57:04,260  
Technology Expo live at the Luxor Hotel

1261  
00:57:09,530 --> 00:57:07,260  
and Casino and the Las Vegas Strip with

1262  
00:57:11,510 --> 00:57:09,540  
live talks lectures and workshops by

1263  
00:57:13,609 --> 00:57:11,520

World Acclaim researchers and authors

1264

00:57:16,190 --> 00:57:13,619

this is Jimmy Church by the way and I'll

1265

00:57:18,470 --> 00:57:16,200

be your host all weekend long featuring

1266

00:57:20,650 --> 00:57:18,480

topics like human Origins ancient

1267

00:57:23,569 --> 00:57:20,660

Technologies indigenous teachings

1268

00:57:25,910 --> 00:57:23,579

workshops a mass meditation yoga and

1269

00:57:28,670 --> 00:57:25,920

sound healing music and so much more

1270

00:57:31,549 --> 00:57:28,680

don't miss our intimate sky watch and

1271

00:57:34,370 --> 00:57:31,559

meteor shower over the infamous Area 51

1272

00:57:36,109 --> 00:57:34,380

airspace in Rachel Nevada with special

1273

00:57:38,390 --> 00:57:36,119

surprise celebrity host guiding us

1274

00:57:42,290 --> 00:57:38,400

through the night also introducing our

1275

00:57:44,569 --> 00:57:42,300

disclosure Fest VR Starship area with

1276

00:57:47,270 --> 00:57:44,579

dozens of rides you've gotta check it

1277

00:57:48,829 --> 00:57:47,280

out this event will sell out for more

1278

00:57:52,130 --> 00:57:48,839

information and tickets Please visit

1279

00:57:54,829 --> 00:57:52,140

disclosure s.org this is Jimmy church

1280

00:57:58,430 --> 00:57:54,839

and I want to introduce you to lifewaves

1281

00:58:00,950 --> 00:57:58,440

x39 Stem Cell Activation patch which has

1282

00:58:03,770 --> 00:58:00,960

totally transformed my health my sleep

1283

00:58:06,530 --> 00:58:03,780

brain and my eyes I no longer need

1284

00:58:08,569 --> 00:58:06,540

reading glasses x39 is a true

1285

00:58:12,710 --> 00:58:08,579

breakthrough in regenerative science

1286

00:58:15,349 --> 00:58:12,720

using light x-39's patented age reversal

1287

00:58:17,270 --> 00:58:15,359

Technologies clinically proven to Signal

1288

00:58:19,609 --> 00:58:17,280

the activation of younger stem cells

1289

00:58:22,849 --> 00:58:19,619

accelerating the body's natural healing

1290

00:58:25,130 --> 00:58:22,859

process x39 promotes restoration and

1291

00:58:27,589 --> 00:58:25,140

Rejuvenation bringing the life-changing

1292

00:58:29,870 --> 00:58:27,599

benefits that I've experienced by

1293

00:58:33,049 --> 00:58:29,880

naturally elevating a master signaling

1294

00:58:35,750 --> 00:58:33,059

peptide in the body x39 boost Vitality

1295

00:58:38,630 --> 00:58:35,760

health and wellness and resets 4 000

1296

00:58:41,270 --> 00:58:38,640

genes to a younger healthier State it's

1297

00:58:45,010 --> 00:58:41,280

one patch once a day and you can turn

1298

00:58:48,410 --> 00:58:45,020

back time with x-39 just go to

1299

00:58:50,109 --> 00:58:48,420

healingworksnow.com that's works with an

1300

00:58:53,510 --> 00:58:50,119

X healing

1301

00:58:55,789 --> 00:58:53,520

worksnow.com hey everybody it's Billy

1302

00:58:57,710 --> 00:58:55,799

Carson also known as Forbidden Knowledge

1303

00:59:00,530 --> 00:58:57,720

I want to talk to you about a very

1304

00:59:03,289 --> 00:59:00,540

special event coming up July 30th 2023

1305

00:59:04,730 --> 00:59:03,299

The Forbidden conscious Awards we're

1306

00:59:06,289 --> 00:59:04,740

going to honor people who have been

1307

00:59:08,630 --> 00:59:06,299

contributing to the conscious Community

1308

00:59:10,250 --> 00:59:08,640

for decades people that you know and

1309

00:59:12,230 --> 00:59:10,260

love that have helped you get to higher

1310

00:59:13,789 --> 00:59:12,240

levels of thought and Consciousness and

1311

00:59:15,829 --> 00:59:13,799

awareness it's going to be alive

1312

00:59:17,329 --> 00:59:15,839

in-person event but seats are going to

1313

00:59:19,069 --> 00:59:17,339

sell out very fast you want to make sure

1314

00:59:21,109 --> 00:59:19,079

you're there in person and guess what

1315

00:59:23,089 --> 00:59:21,119

you can help vote for the winners voting

1316

00:59:25,010 --> 00:59:23,099

is available on forbiddenknowledge.com

1317

00:59:27,589 --> 00:59:25,020

and the categories are going to be

1318

00:59:30,109 --> 00:59:27,599

social media influencer podcast slash

1319

00:59:32,210 --> 00:59:30,119

radio host TV host actor director

1320

00:59:33,950 --> 00:59:32,220

producer entrepreneurs health and

1321

00:59:36,410 --> 00:59:33,960

wellness philanthropists authors field

1322

00:59:38,210 --> 00:59:36,420

researchers archaeologists space anomaly

1323

00:59:40,970 --> 00:59:38,220

hunters and of course a Lifetime

1324

00:59:42,890 --> 00:59:40,980

Achievement Award I'll be your keynote

1325

00:59:44,809 --> 00:59:42,900

speaker that night at The Forbidden

1326

00:59:47,150 --> 00:59:44,819

conscious Awards we have celebrity

1327

00:59:48,710 --> 00:59:47,160

guests performing we'll have a halftime

1328

00:59:50,450 --> 00:59:48,720

show where we're actually going to

1329

00:59:53,030 --> 00:59:50,460

perform music for you and don't forget

1330

00:59:54,950 --> 00:59:53,040

about the pre-event mixer where if you

1331

00:59:56,870 --> 00:59:54,960

buy a box seat you'll be in the VIP

1332

00:59:59,569 --> 00:59:56,880

section and you also have private access

1333

01:00:02,690 --> 00:59:59,579

to a big-ip mixer with celebrity guests

1334

01:00:04,370 --> 01:00:02,700

shake hands break bread Network and then

1335

01:00:06,349 --> 01:00:04,380

walk the red carpet with us and take

1336

01:00:07,609 --> 01:00:06,359

amazing photos it's going to be a night

1337

01:00:09,770 --> 01:00:07,619

to remember you don't want to forget

1338

01:00:11,450 --> 01:00:09,780

this make sure you hurry up and get your

1339

01:00:13,910 --> 01:00:11,460

tickets because you're selling out very

1340

01:00:15,680 --> 01:00:13,920

fast I want to see you there forbidden

1341

01:00:19,309 --> 01:00:15,690

conscious Awards 2023

1342

01:00:22,730 --> 01:00:19,319

[Music]

1343

01:00:25,549 --> 01:00:22,740

River Moon coffee makers of the Fade to

1344

01:00:27,430 --> 01:00:25,559

Black blend truly the best coffee on

1345

01:00:29,690 --> 01:00:27,440

planet Earth just visit

1346

01:00:31,549 --> 01:00:29,700

rivermoonwellness.com or their Amazon

1347

01:00:32,990 --> 01:00:31,559

store it's all simple to do you can

1348

01:00:35,030 --> 01:00:33,000

check out the Fade to Black blend the

1349

01:00:37,730 --> 01:00:35,040

game changer Blend or any of their black

1350

01:00:41,450 --> 01:00:37,740

moon wellness products it's the only

1351

01:00:46,690 --> 01:00:41,460

coffee I drink it is the best and it's

1352

01:00:46,700 --> 01:00:54,069

uh yeah River Moon coffee oh

1353

01:00:59,270 --> 01:00:57,109

Fade to Black blend hanging out with a

1354

01:01:00,589 --> 01:00:59,280

river Moon coffee uh Juanita and Jeff

1355

01:01:04,150 --> 01:01:00,599

they flew out

1356

01:01:06,650 --> 01:01:04,160

uh from Minnesota flew out this weekend

1357

01:01:09,170 --> 01:01:06,660

and uh they brought a bunch of coffee

1358

01:01:12,410 --> 01:01:09,180

with them and we handed it out uh to our

1359

01:01:15,289 --> 01:01:12,420

our dinner guests and and things and

1360

01:01:17,510 --> 01:01:15,299

it's just the absolute best I popped up

1361

01:01:19,730 --> 01:01:17,520

the link in the chat you guys know where

1362

01:01:22,250 --> 01:01:19,740

to go you can go to the Amazon store and

1363

01:01:24,289 --> 01:01:22,260

and everything else the promo code is uh

1364

01:01:28,190 --> 01:01:24,299

f2b blend that's all you got to do 15

1365

01:01:31,670 --> 01:01:28,200

off of your order today uh there you go

1366

01:01:35,510 --> 01:01:31,680

I guess not Tia Crudo I said Tia T I

1367

01:01:38,030 --> 01:01:35,520

said why it's such an attempting uh

1368

01:01:40,609 --> 01:01:38,040

thing to say but uh T Cruella's is with

1369

01:01:43,130 --> 01:01:40,619

us and uh we're talking about the

1370

01:01:45,109 --> 01:01:43,140

Paranormal and Supernatural uh

1371

01:01:47,630 --> 01:01:45,119

throughout the Great Lakes uh region

1372

01:01:50,210 --> 01:01:47,640

there uh but I think that there is

1373

01:01:53,390 --> 01:01:50,220

something bigger going on

1374

01:01:55,390 --> 01:01:53,400

um with all of the ghost hunting shows

1375

01:01:59,030 --> 01:01:55,400

and the Bigfoot shows

1376

01:02:01,670 --> 01:01:59,040

advertisers that stuff is supported by

1377

01:02:05,630 --> 01:02:01,680

you know the community and what people

1378

01:02:07,910 --> 01:02:05,640

want to see uh this is something that

1379

01:02:10,970 --> 01:02:07,920

the entire world is interested in aren't

1380

01:02:12,890 --> 01:02:10,980

they oh yeah absolutely

1381

01:02:15,410 --> 01:02:12,900

um even there's worldwide interest in

1382

01:02:18,589 --> 01:02:15,420

stuff that happens here in Wisconsin you

1383

01:02:21,530 --> 01:02:18,599

know there's been famous cases so

1384

01:02:24,589 --> 01:02:21,540

we've got a reputation the Beast of Bray

1385

01:02:27,410 --> 01:02:24,599

Road Bigfoot sightings UFOs

1386

01:02:29,809 --> 01:02:27,420

serial killers all sorts of crazy stuff

1387

01:02:31,789 --> 01:02:29,819

okay that's right that's right you guys

1388

01:02:33,530 --> 01:02:31,799

had serial killers there too as well I

1389

01:02:37,069 --> 01:02:33,540

forgot about that

1390

01:02:40,190 --> 01:02:37,079

um the uh uh besides the Beast of Bray

1391

01:02:44,150 --> 01:02:40,200

Road uh what's another big case out of

1392

01:02:48,890 --> 01:02:48,230

I love UFO cases for sure over the years

1393

01:02:51,890 --> 01:02:48,900

um

1394

01:02:54,530 --> 01:02:51,900

there's I mean these are more historic

1395

01:02:56,930 --> 01:02:54,540

but lake monsters we've had a lot of

1396

01:03:01,309 --> 01:02:56,940

lake monster reports which one of the

1397

01:03:06,589 --> 01:03:03,829

um well they used to do a festival every

1398

01:03:09,470 --> 01:03:06,599

year in a town called Dundee it's on

1399

01:03:13,430 --> 01:03:09,480

Long Lake and there's been a lot of UFO

1400

01:03:16,609 --> 01:03:13,440

sightings above Long Lake area

1401  
01:03:18,890 --> 01:03:16,619  
um there's a very interesting historical

1402  
01:03:20,049 --> 01:03:18,900  
case it happened here in Milwaukee it

1403  
01:03:23,329 --> 01:03:20,059  
was in

1404  
01:03:25,010 --> 01:03:23,339  
1897 and it was a they called it a

1405  
01:03:28,789 --> 01:03:25,020  
mystery airship

1406  
01:03:30,410 --> 01:03:28,799  
but it was um you know this is 1897

1407  
01:03:32,690 --> 01:03:30,420  
there's not a lot of stuff flying around

1408  
01:03:35,690 --> 01:03:32,700  
in the sky but people saw this giant

1409  
01:03:37,370 --> 01:03:35,700  
glowing disc that cruised right over the

1410  
01:03:39,650 --> 01:03:37,380  
downtown area

1411  
01:03:42,829 --> 01:03:39,660  
so that's one of the stories I talk

1412  
01:03:45,470 --> 01:03:42,839  
about on the tour that I do

1413  
01:03:48,109 --> 01:03:45,480

um also you know and I think that

1414

01:03:51,289 --> 01:03:48,119

they're not recognized as much as they

1415

01:03:56,030 --> 01:03:51,299

should be but Coral Lorenzen and her

1416

01:03:59,870 --> 01:03:56,040

husband Jim they founded the apro which

1417

01:04:02,630 --> 01:03:59,880

was sort of a forerunner of mufon apro

1418

01:04:04,490 --> 01:04:02,640

yeah oh yeah and they

1419

01:04:08,390 --> 01:04:04,500

um they founded that group when they

1420

01:04:10,490 --> 01:04:08,400

were living in Sturgeon Bay which is uh

1421

01:04:13,250 --> 01:04:10,500

you know it's on Door County which is

1422

01:04:14,450 --> 01:04:13,260

somewhat close to Green Bay it's on the

1423

01:04:17,150 --> 01:04:14,460

Green Bay

1424

01:04:19,390 --> 01:04:17,160

and they were inspired to start the

1425

01:04:23,150 --> 01:04:19,400

group because they're in Sturgeon Bay

1426

01:04:26,030 --> 01:04:23,160

this was in the the 50s there was a

1427

01:04:27,010 --> 01:04:26,040

large group of people who saw a UFO that

1428

01:04:29,870 --> 01:04:27,020

came

1429

01:04:33,170 --> 01:04:29,880

cruising right over the city

1430

01:04:35,150 --> 01:04:33,180

and that really inspired them to

1431

01:04:38,390 --> 01:04:35,160

start the group and they they did a

1432

01:04:41,210 --> 01:04:38,400

newsletter which was you know

1433

01:04:43,730 --> 01:04:41,220

before the internet days if you wanted

1434

01:04:45,109 --> 01:04:43,740

to talk about a subject like that you

1435

01:04:49,069 --> 01:04:45,119

didn't have a lot of

1436

01:04:50,690 --> 01:04:49,079

um venues to do that in so a newsletter

1437

01:04:53,089 --> 01:04:50,700

was one of the ways that you could

1438

01:04:55,730 --> 01:04:53,099

communicate with other people about this

1439

01:04:58,309 --> 01:04:55,740

so they're really important in UFO

1440

01:05:00,770 --> 01:04:58,319

history I think and um

1441

01:05:03,650 --> 01:05:00,780

I I mean I know a lot of like

1442

01:05:05,450 --> 01:05:03,660

people who are into UFO research and

1443

01:05:07,430 --> 01:05:05,460

stuff have probably heard of them

1444

01:05:09,410 --> 01:05:07,440

but you know they're not I don't think

1445

01:05:11,930 --> 01:05:09,420

that they're recognized as much as as

1446

01:05:15,950 --> 01:05:11,940

they should be well in the UFO Community

1447

01:05:18,049 --> 01:05:15,960

apro was very very important and I I

1448

01:05:20,990 --> 01:05:18,059

think that most of uh

1449

01:05:23,809 --> 01:05:21,000

of uh the people that get into heavy

1450

01:05:26,750 --> 01:05:23,819

research in in our community and start

1451

01:05:30,349 --> 01:05:26,760

to jump into the history uh we certainly

1452

01:05:34,010 --> 01:05:30,359

recognize apro and nycap you know those

1453

01:05:36,289 --> 01:05:34,020

precursors too uh not only move Farm but

1454

01:05:39,950 --> 01:05:36,299

they were happening at the same time as

1455

01:05:42,910 --> 01:05:39,960

Project Blue Book and there was a big

1456

01:05:45,710 --> 01:05:42,920

big big interest uh across this country

1457

01:05:48,349 --> 01:05:45,720

uh from citizens to do their own

1458

01:05:50,510 --> 01:05:48,359

research because the government and Blue

1459

01:05:53,510 --> 01:05:50,520

Book wasn't answering those questions

1460

01:05:56,329 --> 01:05:53,520

for them and that's what aphro did apro

1461

01:05:59,510 --> 01:05:56,339

came along and tried to fill uh those

1462

01:06:01,490 --> 01:05:59,520

gaps because people wanted answers yeah

1463

01:06:03,650 --> 01:06:01,500

it is it's really great I was able to

1464

01:06:06,890 --> 01:06:03,660

find a collection that collects their

1465

01:06:09,049 --> 01:06:06,900

early newsletters from the 50s and um

1466

01:06:11,569 --> 01:06:09,059

there it was definitely a labor of love

1467

01:06:12,710 --> 01:06:11,579

you could tell it was uh created on a

1468

01:06:14,630 --> 01:06:12,720

typewriter

1469

01:06:16,430 --> 01:06:14,640

you know that's all you had to do with

1470

01:06:19,430 --> 01:06:16,440

that they they type wrote the whole

1471

01:06:21,770 --> 01:06:19,440

newsletter and uh you know they they did

1472

01:06:23,990 --> 01:06:21,780

their own illustrations and graphs and

1473

01:06:27,470 --> 01:06:24,000

stuff like that and it's kind of cool to

1474

01:06:29,690 --> 01:06:27,480

see that yeah and um let's stay on that

1475

01:06:33,650 --> 01:06:29,700

for a second because

1476

01:06:36,950 --> 01:06:33,660

the when you go back historically

1477

01:06:41,270 --> 01:06:36,960

um into like afro and nightcap and you

1478

01:06:43,730 --> 01:06:41,280

see uh the not only the sightings but

1479

01:06:46,789 --> 01:06:43,740

the way that they were reported you

1480

01:06:49,670 --> 01:06:46,799

bring up a great Point 1897 what was in

1481

01:06:51,470 --> 01:06:49,680

the sky in 1897 right well not even an

1482

01:06:56,270 --> 01:06:51,480

airplane you know the answer is nothing

1483

01:06:59,809 --> 01:06:56,280

right except for Thunderbirds but

1484

01:07:03,250 --> 01:06:59,819

um when you go into uh the 50s and you

1485

01:07:07,069 --> 01:07:03,260

look at those original uh afro and nycap

1486

01:07:10,609 --> 01:07:07,079

uh citing reports we're talking about in

1487

01:07:14,510 --> 01:07:10,619

some cases thousands of miles an hour

1488

01:07:16,849 --> 01:07:14,520

um uh taking uh right turns flying at

1489

01:07:19,549 --> 01:07:16,859

these Fantastical speeds

1490

01:07:21,589 --> 01:07:19,559

um without without wings they have the

1491

01:07:24,230 --> 01:07:21,599

saucers were some descriptions but we

1492

01:07:27,069 --> 01:07:24,240

had others too as well but they're also

1493

01:07:29,630 --> 01:07:27,079

very similar to what we are seeing today

1494

01:07:32,710 --> 01:07:29,640

but before we gotta remember that we're

1495

01:07:35,210 --> 01:07:32,720

we're talking about 70 years ago

1496

01:07:37,250 --> 01:07:35,220

somebody was seeing something in the sky

1497

01:07:39,710 --> 01:07:37,260

weren't they and you can't just say that

1498

01:07:43,069 --> 01:07:39,720

it was us because we simply didn't have

1499

01:07:46,490 --> 01:07:43,079

that technology back then no yeah yeah

1500

01:07:48,829 --> 01:07:46,500

yeah and some of their terminology you

1501

01:07:51,289 --> 01:07:48,839

know has has changed but you're right in

1502

01:07:54,170 --> 01:07:51,299

that very consistent with UFOs that

1503

01:07:56,990 --> 01:07:54,180

people report seeing today and

1504

01:08:00,650 --> 01:07:57,000

um and apro did a great job in this

1505

01:08:03,349 --> 01:08:00,660

newsletter because Coral Lorenzen who

1506

01:08:06,470 --> 01:08:03,359

did a lot of the writing on it was also

1507

01:08:08,750 --> 01:08:06,480

a journalist so she knew like how to ask

1508

01:08:11,510 --> 01:08:08,760

the right questions and provide

1509

01:08:13,250 --> 01:08:11,520

information in a clear and concise way

1510

01:08:15,230 --> 01:08:13,260

so

1511

01:08:17,329 --> 01:08:15,240

um yes it's very interesting to read

1512

01:08:20,150 --> 01:08:17,339

those old reports and how consistent

1513

01:08:22,669 --> 01:08:20,160

they are and the reports had to come in

1514

01:08:24,829 --> 01:08:22,679

some would come in Via telephone the

1515

01:08:26,870 --> 01:08:24,839

other ones would come in in an envelope

1516

01:08:30,050 --> 01:08:26,880

there's a thing called the mail where

1517

01:08:33,829 --> 01:08:30,060

people don't remember this but we used

1518

01:08:37,669 --> 01:08:33,839

to have stuff delivered and and that's

1519

01:08:39,709 --> 01:08:37,679

how afro and and nightcap2 as well uh

1520

01:08:43,189 --> 01:08:39,719

even like the you know the the different

1521

01:08:44,870 --> 01:08:43,199

reporting Services uh of sightings a lot

1522

01:08:47,749 --> 01:08:44,880

of the stuff people had to take the time

1523

01:08:50,090 --> 01:08:47,759

to write it down and if they wrote it

1524

01:08:52,849 --> 01:08:50,100

down and and bought a stamp and put it

1525

01:08:54,530 --> 01:08:52,859

in the mail they did it for a reason I

1526

01:08:56,689 --> 01:08:54,540

don't think that they were hoaxing this

1527

01:08:58,669 --> 01:08:56,699

is something that they actually saw and

1528

01:09:03,349 --> 01:08:58,679

they wanted to report it and document it

1529

01:09:05,930 --> 01:09:03,359

yeah and once their reputation you know

1530

01:09:08,329 --> 01:09:05,940

kind of got out then people would drive

1531

01:09:11,510 --> 01:09:08,339

and visit them in person to tell them

1532

01:09:14,030 --> 01:09:11,520

stories and you know so that takes some

1533

01:09:16,189 --> 01:09:14,040

dedication too if you're gonna drive

1534

01:09:18,829 --> 01:09:16,199

halfway across the state just so you can

1535

01:09:22,370 --> 01:09:18,839

talk to someone because that experience

1536

01:09:24,530 --> 01:09:22,380

you had was so impactful on you

1537

01:09:27,289 --> 01:09:24,540

that you're looking for someone to help

1538

01:09:29,450 --> 01:09:27,299

you with the answers you know uh what do

1539

01:09:34,010 --> 01:09:29,460

you think is happening today with this

1540

01:09:37,789 --> 01:09:34,020

UFOs yeah because now it's everywhere it

1541

01:09:40,610 --> 01:09:37,799

is truly uh uh everywhere it's not just

1542

01:09:42,950 --> 01:09:40,620

the UFO community and I was talking

1543

01:09:45,890 --> 01:09:42,960

about it it's it's it's it seems to be

1544

01:09:48,229 --> 01:09:45,900

from every direction Academia to the

1545

01:09:51,950 --> 01:09:48,239

Pentagon to the White House and

1546

01:09:54,229 --> 01:09:51,960

throughout the states and and mass media

1547

01:09:56,689 --> 01:09:54,239

I I think people

1548

01:09:59,270 --> 01:09:56,699

all sorts of people

1549

01:10:02,330 --> 01:09:59,280

um really want answers to this they've

1550

01:10:04,250 --> 01:10:02,340

seen some of the footage in the reports

1551

01:10:06,050 --> 01:10:04,260

and um

1552

01:10:08,450 --> 01:10:06,060

they they don't a lot of people don't

1553

01:10:10,790 --> 01:10:08,460

think it's a joke anymore they want to

1554

01:10:14,630 --> 01:10:10,800

know what's going on including people in

1555

01:10:17,030 --> 01:10:14,640

governments and Academia so

1556

01:10:20,689 --> 01:10:17,040

um yeah I think there's a real hunger

1557

01:10:21,890 --> 01:10:20,699

for information and answers and I hope

1558

01:10:24,050 --> 01:10:21,900

that we get some

1559

01:10:26,930 --> 01:10:24,060

do you think the government is sitting

1560

01:10:29,090 --> 01:10:26,940

on secrets yeah

1561

01:10:31,189 --> 01:10:29,100

they always are

1562

01:10:32,570 --> 01:10:31,199

that's a that's their job in a way

1563

01:10:35,930 --> 01:10:32,580

sometimes

1564

01:10:40,610 --> 01:10:35,940

but is it going to be easy for them to

1565

01:10:45,470 --> 01:10:43,030

I don't know I mean you know one person

1566

01:10:48,649 --> 01:10:45,480

can change a lot

1567

01:10:50,510 --> 01:10:48,659

you know if you get the right person

1568

01:10:53,810 --> 01:10:50,520

that maybe that will start to come out

1569

01:10:56,330 --> 01:10:53,820

is the world ready for it

1570

01:10:59,390 --> 01:10:56,340

I don't think so you don't think the

1571

01:11:02,810 --> 01:10:59,400

wall can handle the truth

1572

01:11:05,390 --> 01:11:02,820

um I mean they'll have to but I don't

1573

01:11:07,610 --> 01:11:05,400

know if they're ready well yeah and why

1574

01:11:11,149 --> 01:11:07,620

is that I mean you you said I don't

1575

01:11:14,330 --> 01:11:11,159

think so pretty quickly why is that

1576

01:11:17,510 --> 01:11:14,340

I mean I I get a little skeptical about

1577

01:11:20,390 --> 01:11:17,520

the human race sometimes I don't know

1578

01:11:22,729 --> 01:11:20,400

I don't know what

1579

01:11:25,370 --> 01:11:22,739

um there's a lot of

1580

01:11:29,110 --> 01:11:25,380

division amongst people

1581

01:11:32,450 --> 01:11:29,120

a lot of arguing about kind of worthless

1582

01:11:34,550 --> 01:11:32,460

mundane stuff so when you see how people

1583

01:11:36,410 --> 01:11:34,560

react to some stuff

1584

01:11:38,270 --> 01:11:36,420

you kind of have to wonder

1585

01:11:40,070 --> 01:11:38,280

what's going to happen when this slaps

1586

01:11:41,930 --> 01:11:40,080

them across the face

1587

01:11:44,510 --> 01:11:41,940

that uh

1588

01:11:46,250 --> 01:11:44,520

that they're here you know

1589

01:11:48,350 --> 01:11:46,260

I don't know I just I sometimes just

1590

01:11:50,510 --> 01:11:48,360

don't have faith in

1591

01:11:53,510 --> 01:11:50,520

Human Nature

1592

01:11:55,490 --> 01:11:53,520

in in general uh

1593

01:11:56,930 --> 01:11:55,500

I think you know there's a lot I think

1594

01:11:58,729 --> 01:11:56,940

some people will be able to handle it

1595

01:12:02,810 --> 01:11:58,739

and are expecting it and

1596

01:12:10,910 --> 01:12:08,330

well okay but just like

1597

01:12:13,070 --> 01:12:10,920

um physics or science or the

1598

01:12:15,350 --> 01:12:13,080

supernatural the Paranormal or whatever

1599

01:12:17,689 --> 01:12:15,360

it may be lost history

1600

01:12:22,149 --> 01:12:17,699

we're getting smarter and smarter every

1601

01:12:25,570 --> 01:12:22,159

day and we are exposed to so much

1602

01:12:28,910 --> 01:12:25,580

and so when it comes to the possibility

1603

01:12:30,530 --> 01:12:28,920

of lots of life in our Milky Way I'm not

1604

01:12:32,209 --> 01:12:30,540

even talking about the universe I'm just

1605

01:12:34,610 --> 01:12:32,219

talking about us and our Celestial

1606

01:12:39,830 --> 01:12:34,620

neighborhood here our little slice of

1607

01:12:42,169 --> 01:12:39,840

the pie that we Now understand and I'm

1608

01:12:44,750 --> 01:12:42,179

talking about globally that there must

1609

01:12:50,270 --> 01:12:44,760

be lots of Life out there I don't think

1610

01:12:54,350 --> 01:12:51,890

um

1611

01:12:57,229 --> 01:12:54,360

it's gonna surprise

1612

01:12:58,220 --> 01:12:57,239

some people for sure

1613

01:13:00,350 --> 01:12:58,230

um I mean

1614

01:13:01,850 --> 01:13:00,360

[Music]

1615

01:13:04,550 --> 01:13:01,860

I don't know I guess it depends who

1616

01:13:05,810 --> 01:13:04,560

you're talking about specifically

1617

01:13:07,250 --> 01:13:05,820

so

1618

01:13:10,970 --> 01:13:07,260

are you doing

1619

01:13:12,470 --> 01:13:10,980

if there's an issue and maybe maybe from

1620

01:13:14,590 --> 01:13:12,480

a religious

1621

01:13:17,810 --> 01:13:14,600

you know side of it

1622

01:13:21,050 --> 01:13:17,820

okay there could be some concerns there

1623

01:13:23,030 --> 01:13:21,060

yeah even that uh the different

1624

01:13:26,510 --> 01:13:23,040

religious leaders will have their own

1625

01:13:28,250 --> 01:13:26,520

spin on it that's true and and be able

1626

01:13:31,310 --> 01:13:28,260

to try to control the narrative like

1627

01:13:35,689 --> 01:13:31,320

they've done for Millennia right

1628

01:13:38,270 --> 01:13:35,699

um but I think that would be a a sort of

1629

01:13:40,850 --> 01:13:38,280

a major concern but if you're thinking

1630

01:13:43,370 --> 01:13:40,860

rationaly and you're not too radically

1631

01:13:46,010 --> 01:13:43,380

fundamentalized

1632

01:13:49,010 --> 01:13:46,020

um that there there has to be life out

1633

01:13:51,530 --> 01:13:49,020

there and we can't be the only one

1634

01:13:53,930 --> 01:13:51,540

it's so uh

1635

01:13:56,570 --> 01:13:53,940

it's so weird to think that a generation

1636

01:14:00,050 --> 01:13:56,580

from now it just might be the normal

1637

01:14:02,810 --> 01:14:00,060

thing that we're living side by side by

1638

01:14:05,090 --> 01:14:02,820

other civilizations and they're going to

1639

01:14:07,490 --> 01:14:05,100

look back at this time frame and be like

1640

01:14:10,070 --> 01:14:07,500

remember when nobody when

1641

01:14:12,229 --> 01:14:10,080

you know this wasn't a thing it's just

1642

01:14:14,149 --> 01:14:12,239

it's weird to think about

1643

01:14:15,729 --> 01:14:14,159

I mean I hope I get to see it in my

1644

01:14:18,649 --> 01:14:15,739

lifetime

1645

01:14:21,649 --> 01:14:18,659

and you know that's a really good point

1646

01:14:23,990 --> 01:14:21,659

because if we look at

1647

01:14:25,790 --> 01:14:24,000

um and there's a I'm going to segue this

1648

01:14:28,130 --> 01:14:25,800

back into ghost here in just a second

1649

01:14:33,229 --> 01:14:28,140

everything is connected but if you don't

1650

01:14:35,530 --> 01:14:33,239

get the kids today kids 10 11 12 15 18

1651

01:14:38,870 --> 01:14:35,540

20 21 years old

1652

01:14:44,450 --> 01:14:38,880

they have been raised on the internet

1653

01:14:46,189 --> 01:14:44,460

and exposed to Media of of All Sorts

1654

01:14:48,350 --> 01:14:46,199

whether it's music videos movies

1655

01:14:50,890 --> 01:14:48,360

streaming services and their

1656

01:14:54,649 --> 01:14:50,900

relationships and their friends

1657

01:14:57,530 --> 01:14:54,659

they have been exposed to ET and the ET

1658

01:14:59,410 --> 01:14:57,540

presence differently than you and I in

1659

01:15:03,410 --> 01:14:59,420

Our Generations have

1660

01:15:05,810 --> 01:15:03,420

they I don't think there's any doubt

1661

01:15:08,870 --> 01:15:05,820

that we are not alone with them I think

1662

01:15:10,970 --> 01:15:08,880

it's it's just a way of life now

1663

01:15:13,370 --> 01:15:10,980

yeah no I totally agree

1664

01:15:15,590 --> 01:15:13,380

it's um

1665

01:15:18,050 --> 01:15:15,600

like like you say there's so much media

1666

01:15:20,810 --> 01:15:18,060

that they absorb and it's it's kind of

1667

01:15:25,310 --> 01:15:20,820

the norm in a lot of that

1668

01:15:28,729 --> 01:15:25,320

the um the uh when you're ghost hunting

1669

01:15:32,810 --> 01:15:28,739

okay so here we have

1670

01:15:35,570 --> 01:15:32,820

when we're looking for UFOs back when uh

1671

01:15:39,050 --> 01:15:35,580

afro and nycap in the early days of

1672

01:15:42,290 --> 01:15:39,060

mufan or whatever you had uh a camera

1673

01:15:44,510 --> 01:15:42,300

with film in it if you were lucky yeah

1674

01:15:47,090 --> 01:15:44,520

um and you had binoculars and if you

1675

01:15:49,630 --> 01:15:47,100

were lucky uh maybe you had a telescope

1676

01:15:53,570 --> 01:15:49,640

but that was it today we've got

1677

01:15:55,610 --> 01:15:53,580

electronic uh collection devices uh

1678

01:15:57,530 --> 01:15:55,620

everywhere for the common man we have

1679

01:16:00,110 --> 01:15:57,540

night vision we have the ability to

1680

01:16:03,890 --> 01:16:00,120

shoot video and and shoot images

1681

01:16:05,090 --> 01:16:03,900

everybody carries this on them and we

1682

01:16:06,709 --> 01:16:05,100

have the software to do those

1683

01:16:08,930 --> 01:16:06,719

conversions right right there right

1684

01:16:11,030 --> 01:16:08,940

right on our there's an app for

1685

01:16:13,430 --> 01:16:11,040

everything yeah

1686

01:16:15,189 --> 01:16:13,440

um and and we it's the same thing with

1687

01:16:18,169 --> 01:16:15,199

the supernatural

1688

01:16:21,709 --> 01:16:18,179

where you are able to go on a ghost hunt

1689

01:16:24,169 --> 01:16:21,719

you're no longer swinging a pendulum you

1690

01:16:26,950 --> 01:16:24,179

know what I mean or having a seance you

1691

01:16:30,530 --> 01:16:26,960

know burning some herbs and looking for

1692

01:16:32,149 --> 01:16:30,540

ectoplasm right or a shaking table

1693

01:16:34,970 --> 01:16:32,159

um it's not that kind of party anymore

1694

01:16:37,610 --> 01:16:34,980

now you've got all of these uh

1695

01:16:40,970 --> 01:16:37,620

electronic sensor devices to go on a

1696

01:16:43,250 --> 01:16:40,980

ghost hunt with is that helping prove

1697

01:16:46,070 --> 01:16:43,260

the phenomena and that it may be

1698

01:16:49,610 --> 01:16:46,080

something electrical you know that

1699

01:16:52,790 --> 01:16:49,620

there's something else uh within the

1700

01:16:55,729 --> 01:16:52,800

laws of physics that is going on

1701

01:16:57,530 --> 01:16:55,739

yeah I mean the technology has evolved

1702

01:16:59,770 --> 01:16:57,540

and I think it's great because it gives

1703

01:17:03,470 --> 01:16:59,780

you more tools it gives you a bigger

1704

01:17:06,350 --> 01:17:03,480

tool kit you know so like you say my

1705

01:17:08,990 --> 01:17:06,360

phone has got a camera you can shoot

1706

01:17:11,930 --> 01:17:09,000

video on it it's got a measuring things

1707

01:17:13,310 --> 01:17:11,940

you can measure so I I think those

1708

01:17:16,010 --> 01:17:13,320

things

1709

01:17:18,830 --> 01:17:16,020

um are helpful to have but I mean I

1710

01:17:22,669 --> 01:17:18,840

think the greatest tool you have is your

1711

01:17:26,030 --> 01:17:22,679

own senses you know your own brain and

1712

01:17:28,490 --> 01:17:26,040

um your eyes and your ears and uh that's

1713

01:17:30,590 --> 01:17:28,500

the best way to perceive things

1714

01:17:32,709 --> 01:17:30,600

when you're when you're out with I think

1715

01:17:35,209 --> 01:17:32,719

you said the the marrow the Milwaukee

1716

01:17:36,530 --> 01:17:35,219

paranormal what were they called uh

1717

01:17:39,229 --> 01:17:36,540

paranormal investigators of Milwaukee

1718

01:17:42,709 --> 01:17:39,239

yeah right so when you're out so that

1719

01:17:45,950 --> 01:17:42,719

would be the Paranormal and p i the the

1720

01:17:48,830 --> 01:17:45,960

pen yeah when you're out with the pims

1721

01:17:51,950 --> 01:17:48,840

yeah and you got a k meter that goes off

1722

01:17:54,470 --> 01:17:51,960

right you've got some kind of night

1723

01:17:57,830 --> 01:17:54,480

vision image going across what do you

1724

01:18:03,530 --> 01:18:00,770

well I mean it depends on the situation

1725

01:18:06,169 --> 01:18:03,540

sometimes there is a rather mundane

1726

01:18:08,090 --> 01:18:06,179

explanation for it you know you're close

1727

01:18:11,390 --> 01:18:08,100

to an electrical box or something like

1728

01:18:13,130 --> 01:18:11,400

that but um other times it is unknown

1729

01:18:15,050 --> 01:18:13,140

you know I'm not saying necessarily

1730

01:18:16,490 --> 01:18:15,060

paranormal but

1731

01:18:19,250 --> 01:18:16,500

um unknown

1732

01:18:21,649 --> 01:18:19,260

um they have gotten some interesting

1733

01:18:24,770 --> 01:18:21,659

evidence the most interesting thing that

1734

01:18:27,410 --> 01:18:24,780

they've gotten I think are EVPs that's

1735

01:18:29,149 --> 01:18:27,420

where I was going I like the way you did

1736

01:18:33,590 --> 01:18:29,159

that that's exactly where I'm going next

1737

01:18:38,750 --> 01:18:35,630

sure how it's happening you're going to

1738

01:18:42,110 --> 01:18:38,760

answer the question on me but if it's

1739

01:18:44,030 --> 01:18:42,120

triggering an electronic device that's

1740

01:18:47,169 --> 01:18:44,040

recording that's one thing but to have

1741

01:18:50,330 --> 01:18:47,179

that actually be a voice

1742

01:18:52,430 --> 01:18:50,340

is something else all together how is

1743

01:18:53,870 --> 01:18:52,440

that happening if you don't have a

1744

01:18:57,229 --> 01:18:53,880

throat

1745

01:18:59,570 --> 01:18:57,239

I I don't know I I will say that they

1746

01:19:02,750 --> 01:18:59,580

have recorded some EVPs that have made

1747

01:19:06,410 --> 01:19:02,760

my hair stand on end because they're

1748

01:19:08,689 --> 01:19:06,420

clear and they're very eerie so I don't

1749

01:19:10,370 --> 01:19:08,699

know how a ghost would be able to

1750

01:19:13,790 --> 01:19:10,380

manifest that

1751

01:19:14,930 --> 01:19:13,800

but it's it's not static it's it's a

1752

01:19:20,930 --> 01:19:14,940

clear

1753

01:19:22,370 --> 01:19:20,940

um so yeah that's that's one of the

1754

01:19:24,050 --> 01:19:22,380

things that's probably creeped me out

1755

01:19:26,630 --> 01:19:24,060

the most in

1756

01:19:28,610 --> 01:19:26,640

looking at ghost evidence is hearing

1757

01:19:30,410 --> 01:19:28,620

some of these EVPs especially ones that

1758

01:19:32,149 --> 01:19:30,420

are specific you know

1759

01:19:34,790 --> 01:19:32,159

there was um

1760

01:19:37,610 --> 01:19:34,800

they were doing an investigation on a

1761

01:19:38,990 --> 01:19:37,620

haunted Farm here in Wisconsin or maybe

1762

01:19:41,930 --> 01:19:39,000

it was in Illinois

1763

01:19:44,930 --> 01:19:41,940

and one of them was pulling down uh they

1764

01:19:47,450 --> 01:19:44,940

had an attic with a stairwell that you

1765

01:19:49,130 --> 01:19:47,460

pull down you know it unfolds and then

1766

01:19:50,930 --> 01:19:49,140

you can go up into the Attic

1767

01:19:53,870 --> 01:19:50,940

so they're starting to pull this down

1768

01:19:55,610 --> 01:19:53,880

and um they caught an EVP right when

1769

01:19:59,149 --> 01:19:55,620

that was happening and it's a voice

1770

01:20:01,490 --> 01:19:59,159

saying I don't want them to go up the

1771

01:20:03,910 --> 01:20:01,500

ladder like that

1772

01:20:06,410 --> 01:20:03,920

and I was like wow that's

1773

01:20:09,169 --> 01:20:06,420

referencing this ladder-like stairwell

1774

01:20:12,709 --> 01:20:09,179

that they're pulling down oddly specific

1775

01:20:16,130 --> 01:20:12,719

right yeah yeah yeah so they have a

1776

01:20:20,570 --> 01:20:16,140

couple like that where it's prices have

1777

01:20:25,790 --> 01:20:23,270

um you mean just like recording yeah in

1778

01:20:29,570 --> 01:20:25,800

my house or something no with them have

1779

01:20:33,290 --> 01:20:29,580

you been present when an EVP uh at an

1780

01:20:35,990 --> 01:20:33,300

EVP session yeah oh yeah yeah and have

1781

01:20:38,330 --> 01:20:36,000

you caught the EVP

1782

01:20:41,030 --> 01:20:38,340

uh I haven't I don't think that caught

1783

01:20:43,370 --> 01:20:41,040

any of the EVPs on my recorder what they

1784

01:20:44,149 --> 01:20:43,380

do is all the group members

1785

01:20:47,030 --> 01:20:44,159

um

1786

01:20:48,830 --> 01:20:47,040

have a recorder on them

1787

01:20:49,910 --> 01:20:48,840

right and they do a time stamp so you're

1788

01:20:51,649 --> 01:20:49,920

all like

1789

01:20:53,450 --> 01:20:51,659

you know you can reference each other's

1790

01:20:56,450 --> 01:20:53,460

audio recordings

1791

01:20:57,950 --> 01:20:56,460

and I've never caught one on mine but if

1792

01:21:00,649 --> 01:20:57,960

I have been with them when they've

1793

01:21:02,630 --> 01:21:00,659

caught it yeah and so well that's that's

1794

01:21:05,090 --> 01:21:02,640

my question my question is have you been

1795

01:21:09,410 --> 01:21:05,100

present uh when one of these sessions

1796

01:21:12,350 --> 01:21:09,420

happen yeah you see the method yeah

1797

01:21:14,149 --> 01:21:12,360

you're listening to the background you

1798

01:21:16,310 --> 01:21:14,159

know who was there you know the question

1799

01:21:18,590 --> 01:21:16,320

that was asked and then you turn around

1800

01:21:21,709 --> 01:21:18,600

and you hear something on a recorder and

1801

01:21:23,209 --> 01:21:21,719

you were there yeah do you know that you

1802

01:21:25,850 --> 01:21:23,219

didn't hear anything but there it is

1803

01:21:27,709 --> 01:21:25,860

clearly on the recorder it's a it's a

1804

01:21:30,830 --> 01:21:27,719

pretty good Paradigm Shift of your

1805

01:21:33,110 --> 01:21:30,840

reality isn't it yeah oh yeah

1806

01:21:35,930 --> 01:21:33,120

it makes you um

1807

01:21:37,310 --> 01:21:35,940

makes you feel like you're not alone

1808

01:21:41,030 --> 01:21:37,320

you know

1809

01:21:43,070 --> 01:21:41,040

like maybe there's something talking and

1810

01:21:44,810 --> 01:21:43,080

in my room right now and I just don't

1811

01:21:46,729 --> 01:21:44,820

know about it well I I just think it's

1812

01:21:52,310 --> 01:21:46,739

electronic

1813

01:21:56,950 --> 01:21:52,320

something going on in The Ether around

1814

01:21:59,270 --> 01:21:56,960

you and they are able to manifest the

1815

01:22:02,870 --> 01:21:59,280

electromagnetic principles that are

1816

01:22:05,510 --> 01:22:02,880

happening and through the digital

1817

01:22:08,750 --> 01:22:05,520

circuits that are there

1818

01:22:11,330 --> 01:22:08,760

to to get that to react in a way and and

1819

01:22:13,910 --> 01:22:11,340

get it recorded I think that that is

1820

01:22:15,950 --> 01:22:13,920

what's going on it I

1821

01:22:17,570 --> 01:22:15,960

from a purely from its physics

1822

01:22:20,030 --> 01:22:17,580

standpoint

1823

01:22:23,870 --> 01:22:20,040

um is it a spirit sure yeah it's that

1824

01:22:25,610 --> 01:22:23,880

but that's why EVPs happen and that's

1825

01:22:27,189 --> 01:22:25,620

how they are created that's what I think

1826

01:22:28,910 --> 01:22:27,199

I think it's some kind of

1827

01:22:30,890 --> 01:22:28,920

electromagnetic interference that's

1828

01:22:33,110 --> 01:22:30,900

going on in the room and it's also

1829

01:22:36,590 --> 01:22:33,120

throughout the Universe it's not just in

1830

01:22:39,229 --> 01:22:36,600

you know Milwaukee or my house it's it's

1831

01:22:42,530 --> 01:22:39,239

everywhere around us

1832

01:22:46,130 --> 01:22:42,540

well yeah I see what you're saying

1833

01:22:48,229 --> 01:22:46,140

that's interesting yeah yeah yeah now

1834

01:22:49,490 --> 01:22:48,239

um why do you think

1835

01:22:51,950 --> 01:22:49,500

um

1836

01:22:55,550 --> 01:22:51,960

okay what's your definition of

1837

01:23:00,590 --> 01:22:57,950

well there's probably more than one

1838

01:23:03,110 --> 01:23:00,600

um conspiracies do happen

1839

01:23:05,390 --> 01:23:03,120

they have happened historically we know

1840

01:23:07,550 --> 01:23:05,400

about it because we later find out

1841

01:23:09,169 --> 01:23:07,560

but what's your definition of a

1842

01:23:14,090 --> 01:23:09,179

conspiracy

1843

01:23:16,490 --> 01:23:14,100

uh something done secretly to uh you

1844

01:23:19,669 --> 01:23:16,500

know seize power or

1845

01:23:22,910 --> 01:23:19,679

influence a world happening

1846

01:23:26,209 --> 01:23:22,920

um by clandestine methods

1847

01:23:30,229 --> 01:23:26,219

I would say okay so that's that's a pop

1848

01:23:33,350 --> 01:23:30,239

culture definition of conspiracy if you

1849

01:23:35,990 --> 01:23:33,360

look up and which is I agree with but if

1850

01:23:39,950 --> 01:23:36,000

you look up conspiracy in Webster's

1851

01:23:43,430 --> 01:23:39,960

Dictionary it's going to say more than

1852

01:23:45,410 --> 01:23:43,440

one person meaning two getting together

1853

01:23:48,590 --> 01:23:45,420

to commit a crime

1854

01:23:52,250 --> 01:23:48,600

sure hence the charge of conspiracy in

1855

01:23:55,250 --> 01:23:52,260

court right so two people conspiring for

1856

01:23:58,490 --> 01:23:55,260

the bank robbery or whatever that's the

1857

01:24:01,130 --> 01:23:58,500

definition of conspiracy pop culture has

1858

01:24:03,229 --> 01:24:01,140

gotten away from that and turned it into

1859

01:24:05,810 --> 01:24:03,239

what you just said right there which I

1860

01:24:08,209 --> 01:24:05,820

agree with too as well oh that's a you

1861

01:24:09,490 --> 01:24:08,219

know Chemtrails that's a conspiracy

1862

01:24:14,090 --> 01:24:09,500

right

1863

01:24:16,130 --> 01:24:14,100

UFOs is a conspiracy by our government

1864

01:24:18,530 --> 01:24:16,140

um but it's not the true definition of

1865

01:24:22,330 --> 01:24:18,540

it but if we go to your definition of

1866

01:24:25,430 --> 01:24:22,340

conspiracy why has Society

1867

01:24:30,950 --> 01:24:25,440

jumped so quickly to believe everything

1868

01:24:35,510 --> 01:24:32,990

um I would say a major reason is that

1869

01:24:39,110 --> 01:24:35,520

our government has done a lot of shady

1870

01:24:42,530 --> 01:24:39,120

stuff over the years and so it's built a

1871

01:24:43,910 --> 01:24:42,540

culture of distrust in them and what

1872

01:24:47,630 --> 01:24:43,920

they have to say

1873

01:24:51,470 --> 01:24:47,640

so when people theorize about why things

1874

01:24:54,649 --> 01:24:51,480

happen people tend to believe it because

1875

01:24:59,270 --> 01:24:54,659

they think it sounds right and it fits

1876

01:25:03,410 --> 01:25:01,790

so you know I mean there's different

1877

01:25:04,729 --> 01:25:03,420

reasons why people believe different

1878

01:25:07,430 --> 01:25:04,739

things

1879

01:25:10,250 --> 01:25:07,440

um sometimes it's a personal thing or an

1880

01:25:11,930 --> 01:25:10,260

experience that they've had

1881

01:25:14,390 --> 01:25:11,940

um other people

1882

01:25:18,229 --> 01:25:14,400

have fallen down a YouTube rabbit hole

1883

01:25:20,810 --> 01:25:18,239

and um had these ideas kind of

1884

01:25:22,970 --> 01:25:20,820

uh Emer they've immersed into these

1885

01:25:25,850 --> 01:25:22,980

ideas so

1886

01:25:28,910 --> 01:25:25,860

I mean it conspiracy is kind of a broad

1887

01:25:31,370 --> 01:25:28,920

topic it can apply to many different

1888

01:25:37,790 --> 01:25:34,729

um some more believable than others and

1889

01:25:40,370 --> 01:25:37,800

some like I said that are you know

1890

01:25:41,870 --> 01:25:40,380

actual conspiracies that did we know

1891

01:25:44,270 --> 01:25:41,880

took place

1892

01:25:47,689 --> 01:25:44,280

well yeah for sure

1893

01:25:51,770 --> 01:25:47,699

um but there's I there there must be

1894

01:25:54,669 --> 01:25:51,780

some underlying uh reason for this and

1895

01:25:56,990 --> 01:25:54,679

it doesn't matter culturally or or

1896

01:25:59,330 --> 01:25:57,000

geographically it's not a specific

1897

01:26:04,669 --> 01:25:59,340

region this is this is all over the

1898

01:26:07,430 --> 01:26:04,679

world now and uh too quickly if it

1899

01:26:10,729 --> 01:26:07,440

doesn't fit your Paradigm somebody yells

1900

01:26:14,870 --> 01:26:10,739

it's got to be a conspiracy and then we

1901

01:26:19,010 --> 01:26:14,880

have an agreement with that and it is an

1902

01:26:20,930 --> 01:26:19,020

absolute phenomenon where in it over the

1903

01:26:24,830 --> 01:26:20,940

last you know I'm going to say five

1904

01:26:28,129 --> 01:26:24,840

years maybe six yeah six years where

1905

01:26:30,770 --> 01:26:28,139

this is it we everything is a conspiracy

1906

01:26:34,370 --> 01:26:30,780

now and it doesn't matter what media

1907

01:26:36,530 --> 01:26:34,380

Outlet to go to uh it's it's no longer

1908

01:26:39,890 --> 01:26:36,540

reporting the news it's reporting the

1909

01:26:41,870 --> 01:26:39,900

opinion of a conspiracy and Society is

1910

01:26:45,830 --> 01:26:41,880

okay with that and I'm just wondering

1911

01:26:47,330 --> 01:26:45,840

why I think it's a lot and again it

1912

01:26:50,030 --> 01:26:47,340

depends what you're talking about but a

1913

01:26:52,729 --> 01:26:50,040

lot of it is uh part of a bigger

1914

01:26:54,669 --> 01:26:52,739

cultural divide this is a very divided

1915

01:26:59,110 --> 01:26:54,679

country when it comes to

1916

01:27:01,490 --> 01:26:59,120

politics lifestyle and other choices so

1917

01:27:02,750 --> 01:27:01,500

conspiracies a lot of times historically

1918

01:27:06,770 --> 01:27:02,760

in the past

1919

01:27:07,790 --> 01:27:06,780

have been used to demonize your enemy

1920

01:27:11,390 --> 01:27:07,800

right

1921

01:27:14,149 --> 01:27:11,400

so if you say that you know if you don't

1922

01:27:16,850 --> 01:27:14,159

like Democrats let's say and you say

1923

01:27:19,910 --> 01:27:16,860

that they're they eat babies and worship

1924

01:27:23,030 --> 01:27:19,920

Satan and you know all this stuff

1925

01:27:25,669 --> 01:27:23,040

that kind of is a confirmation bias for

1926

01:27:27,890 --> 01:27:25,679

yourself so it makes sense to you you're

1927

01:27:30,649 --> 01:27:27,900

like yeah that does sound right they

1928

01:27:32,030 --> 01:27:30,659

would do that you know and vice versa

1929

01:27:35,870 --> 01:27:32,040

too you know

1930

01:27:39,709 --> 01:27:35,880

um there's conspiracies about

1931

01:27:41,510 --> 01:27:39,719

all sorts of groups of people and um a

1932

01:27:44,450 --> 01:27:41,520

lot of that is

1933

01:27:46,970 --> 01:27:44,460

just part of the

1934

01:27:47,890 --> 01:27:46,980

the big divide that we have

1935

01:27:51,370 --> 01:27:47,900

yeah

1936

01:27:54,110 --> 01:27:51,380

and and I think that's

1937

01:27:57,290 --> 01:27:54,120

you're certainly correct in in in

1938

01:27:59,330 --> 01:27:57,300

putting it that way but it's also more

1939

01:28:00,890 --> 01:27:59,340

fundamental

1940

01:28:03,590 --> 01:28:00,900

um it could be

1941

01:28:05,750 --> 01:28:03,600

I'll make something up uh just off the

1942

01:28:07,729 --> 01:28:05,760

top of my head I can start a conspiracy

1943

01:28:11,090 --> 01:28:07,739

right now in this show about traffic

1944

01:28:14,390 --> 01:28:11,100

lights yeah right I can do it right now

1945

01:28:16,669 --> 01:28:14,400

and suddenly that'll take off I could

1946

01:28:18,590 --> 01:28:16,679

make up a conspiracy right now in the

1947

01:28:21,830 --> 01:28:18,600

show about chocolate chip cookies

1948

01:28:25,370 --> 01:28:21,840

I could make it and it would run and

1949

01:28:28,070 --> 01:28:25,380

have legs and go viral that's what I'm

1950

01:28:31,129 --> 01:28:28,080

referring to it's that it's the

1951

01:28:33,550 --> 01:28:31,139

catch-all uh it's the drought it's the

1952

01:28:37,490 --> 01:28:33,560

vaccines it's it's it's the common cold

1953

01:28:40,070 --> 01:28:37,500

it's it's Chemtrails it's it's flight

1954

01:28:42,530 --> 01:28:40,080

patterns of commercial airlines in

1955

01:28:44,930 --> 01:28:42,540

between small Regional airports I don't

1956

01:28:47,750 --> 01:28:44,940

care what it is but everything is a

1957

01:28:51,290 --> 01:28:47,760

conspiracy today that's referred to in

1958

01:28:54,050 --> 01:28:51,300

our society it's just too ready and

1959

01:28:57,350 --> 01:28:54,060

willing to put that label on it like

1960

01:29:00,110 --> 01:28:57,360

everything is shifted in the reality

1961

01:29:02,510 --> 01:29:00,120

well it is so easy to spread those ideas

1962

01:29:05,149 --> 01:29:02,520

now too like you said you could easily

1963

01:29:06,890 --> 01:29:05,159

start a conspiracy with your show I mean

1964

01:29:09,050 --> 01:29:06,900

it's a great thing it's a great thing

1965

01:29:12,410 --> 01:29:09,060

that people now have the freedom to

1966

01:29:13,910 --> 01:29:12,420

create a podcast or you know a web show

1967

01:29:16,129 --> 01:29:13,920

or something like that

1968

01:29:18,950 --> 01:29:16,139

but it also means that people can very

1969

01:29:20,890 --> 01:29:18,960

easily spread

1970

01:29:24,590 --> 01:29:20,900

um misinformation

1971

01:29:28,490 --> 01:29:24,600

a lot of times people also weaponize

1972

01:29:29,810 --> 01:29:28,500

conspiracies so you might find that this

1973

01:29:32,689 --> 01:29:29,820

idea floating around was actually

1974

01:29:33,530 --> 01:29:32,699

planted there by a Russian troll or

1975

01:29:36,830 --> 01:29:33,540

something

1976

01:29:39,290 --> 01:29:36,840

because they want to sow Discord

1977

01:29:42,229 --> 01:29:39,300

so um there's different motivations as

1978

01:29:45,110 --> 01:29:42,239

to why people share some of this stuff

1979

01:29:48,470 --> 01:29:45,120

and um you know I think it's

1980

01:29:53,090 --> 01:29:48,480

important for people to analyze the

1981

01:29:55,490 --> 01:29:53,100

media that they're looking at and try to

1982

01:29:57,950 --> 01:29:55,500

figure out where it's coming from and

1983

01:29:59,689 --> 01:29:57,960

what the motivations for spreading it

1984

01:30:03,050 --> 01:29:59,699

might be

1985

01:30:05,390 --> 01:30:03,060

well uh you brought up uh I love that if

1986

01:30:08,030 --> 01:30:05,400

you're a dog right people don't know

1987

01:30:09,410 --> 01:30:08,040

you're a dog yeah well

1988

01:30:12,110 --> 01:30:09,420

is

1989

01:30:15,169 --> 01:30:12,120

exactly the problem with social media

1990

01:30:17,810 --> 01:30:15,179

yeah and and I put

1991

01:30:21,229 --> 01:30:17,820

um I put out the warnings uh probably

1992

01:30:25,250 --> 01:30:21,239

seven eight maybe even nine years ago

1993

01:30:27,470 --> 01:30:25,260

uh and I had said you don't know who

1994

01:30:30,709 --> 01:30:27,480

you're fighting with right now on social

1995

01:30:33,590 --> 01:30:30,719

media you don't know yeah you know and

1996

01:30:36,590 --> 01:30:33,600

and that that person that you're that

1997

01:30:40,129 --> 01:30:36,600

thing that that image that you're

1998

01:30:41,209 --> 01:30:40,139

arguing with uh may not need to eat or

1999

01:30:43,490 --> 01:30:41,219

sleep

2000

01:30:45,350 --> 01:30:43,500

right that this is something that's

2001

01:30:48,169 --> 01:30:45,360

automatic that is inside of your head

2002

01:30:50,090 --> 01:30:48,179

you you need to sleep but this thing is

2003

01:30:51,709 --> 01:30:50,100

right you need to eat you need to go to

2004

01:30:55,850 --> 01:30:51,719

work you need to take your kids to

2005

01:30:58,910 --> 01:30:55,860

school but not some of these things that

2006

01:31:02,030 --> 01:30:58,920

you're fighting with and they are able

2007

01:31:05,090 --> 01:31:02,040

to sow the seeds and and plant the ideas

2008

01:31:08,390 --> 01:31:05,100

out there and it's not even a human

2009

01:31:11,990 --> 01:31:08,400

being doing it and that's crazy I think

2010

01:31:15,110 --> 01:31:12,000

that the man whoever that may be has

2011

01:31:17,209 --> 01:31:15,120

figured that out right T yeah yeah you

2012

01:31:19,129 --> 01:31:17,219

know I miss a little bit there's a lot

2013

01:31:21,110 --> 01:31:19,139

of things I love about the internet it's

2014

01:31:23,689 --> 01:31:21,120

giving me some wonderful connections

2015

01:31:26,330 --> 01:31:23,699

I've met people online I've been able to

2016

01:31:28,729 --> 01:31:26,340

share my ideas online and and that's

2017

01:31:30,229 --> 01:31:28,739

fantastic but I do kind of miss you know

2018

01:31:32,870 --> 01:31:30,239

back in the old days if you thought

2019

01:31:35,629 --> 01:31:32,880

someone was an idiot then you had to go

2020

01:31:39,050 --> 01:31:35,639

find them in person and say hey I think

2021

01:31:41,689 --> 01:31:39,060

you're an idiot you know and then you'd

2022

01:31:44,450 --> 01:31:41,699

have a chance to maybe punch the person

2023

01:31:46,310 --> 01:31:44,460

or explain to the person who you are

2024

01:31:48,709 --> 01:31:46,320

and but you're having a conversation

2025

01:31:51,709 --> 01:31:48,719

with a real person you know

2026

01:31:53,570 --> 01:31:51,719

and now like you say it's you're arguing

2027

01:31:56,870 --> 01:31:53,580

with someone on the internet and you're

2028

01:31:58,970 --> 01:31:56,880

not sure who this person is it also a

2029

01:32:01,310 --> 01:31:58,980

lot of times I think people just don't

2030

01:32:03,169 --> 01:32:01,320

understand each other because they're

2031

01:32:05,330 --> 01:32:03,179

not hearing your voice they're not

2032

01:32:08,030 --> 01:32:05,340

seeing your facial expression

2033

01:32:11,149 --> 01:32:08,040

and so you get into these arguments that

2034

01:32:11,159 --> 01:32:17,030

tent

2035

01:32:22,970 --> 01:32:20,870

I think a lot of it is machined okay I

2036

01:32:26,629 --> 01:32:22,980

don't even think that you're so I think

2037

01:32:29,510 --> 01:32:26,639

there's uh that technology is there

2038

01:32:33,169 --> 01:32:29,520

um for sure and I'm talking about not a

2039

01:32:37,250 --> 01:32:33,179

few and there's there's a possibility of

2040

01:32:40,729 --> 01:32:37,260

it literally tens of millions of AI

2041

01:32:44,149 --> 01:32:40,739

machine learning uh sock puppet uh

2042

01:32:46,490 --> 01:32:44,159

accounts on Twitter right now it's bad

2043

01:32:48,290 --> 01:32:46,500

now and it's it's only going to get it's

2044

01:32:50,810 --> 01:32:48,300

only gonna get worse it's improving the

2045

01:32:54,229 --> 01:32:50,820

AI is getting better you can do deep

2046

01:32:56,629 --> 01:32:54,239

fakes where you know um if you want to

2047

01:32:59,270 --> 01:32:56,639

sabotage a political opponent let's say

2048

01:33:00,709 --> 01:32:59,280

you can make a really convincing deep

2049

01:33:03,229 --> 01:33:00,719

fake of them

2050

01:33:06,169 --> 01:33:03,239

saying you know hey I'm about to push

2051

01:33:08,930 --> 01:33:06,179

the nuke button or something you know

2052

01:33:11,870 --> 01:33:08,940

it's coming you know it's coming uh it's

2053

01:33:14,450 --> 01:33:11,880

not it's not if it's when yeah

2054

01:33:15,649 --> 01:33:14,460

um and uh but the other part about this

2055

01:33:19,550 --> 01:33:15,659

is

2056

01:33:23,570 --> 01:33:19,560

um I engage in social media uh pretty

2057

01:33:26,330 --> 01:33:23,580

much like I 100 of the time if I do it's

2058

01:33:28,870 --> 01:33:26,340

with somebody that I know somebody that

2059

01:33:31,910 --> 01:33:28,880

I've met in person

2060

01:33:34,610 --> 01:33:31,920

I don't know you

2061

01:33:37,370 --> 01:33:34,620

and not only do I not know you I don't

2062

01:33:40,430 --> 01:33:37,380

know if you're male female old

2063

01:33:42,350 --> 01:33:40,440

young if you're employed have a job if

2064

01:33:44,330 --> 01:33:42,360

you're educated I don't know anything

2065

01:33:46,669 --> 01:33:44,340

about you I don't know anything about

2066

01:33:48,470 --> 01:33:46,679

your reality and and I certainly can't

2067

01:33:51,649 --> 01:33:48,480

hear your voice

2068

01:33:53,870 --> 01:33:51,659

so I'm not I'm I just can't I can't do

2069

01:33:56,709 --> 01:33:53,880

that like I can't invest the time or the

2070

01:34:01,189 --> 01:33:56,719

energy into it but

2071

01:34:04,129 --> 01:34:01,199

everybody else does and they take bait

2072

01:34:06,290 --> 01:34:04,139

don't they yeah I've been guilty it's

2073

01:34:07,970 --> 01:34:06,300

happened to me a couple times where I

2074

01:34:10,490 --> 01:34:07,980

got sucked into something and I'm like

2075

01:34:11,810 --> 01:34:10,500

wait a minute why am I arguing

2076

01:34:14,209 --> 01:34:11,820

with someone I don't know on the

2077

01:34:18,169 --> 01:34:14,219

internet what a waste of my time

2078

01:34:21,530 --> 01:34:18,179

you know so yeah yeah yeah and and it's

2079

01:34:25,310 --> 01:34:21,540

but it's our culture though yeah

2080

01:34:26,990 --> 01:34:25,320

that's that's the thing why do you

2081

01:34:30,229 --> 01:34:27,000

um what's your opinion why do you think

2082

01:34:34,010 --> 01:34:30,239

this happened so quickly because in 1995

2083

01:34:35,990 --> 01:34:34,020

we had AOL we had no idea the

2084

01:34:38,270 --> 01:34:36,000

implications of social media we didn't

2085

01:34:40,910 --> 01:34:38,280

have a clue we didn't understand what

2086

01:34:44,890 --> 01:34:40,920

the internet was about to do to us we

2087

01:34:47,810 --> 01:34:44,900

still had stores that were opened right

2088

01:34:52,790 --> 01:34:47,820

we had no idea what was about to happen

2089

01:34:55,689 --> 01:34:52,800

and then here in 25 short years yeah

2090

01:34:58,910 --> 01:34:55,699

um our our culture has changed our DNA

2091

01:35:00,590 --> 01:34:58,920

has fundamentally been altered why do

2092

01:35:01,850 --> 01:35:00,600

you think we allowed it to happen so

2093

01:35:05,390 --> 01:35:01,860

quickly

2094

01:35:07,310 --> 01:35:05,400

so addictive I mean I I was a late

2095

01:35:09,610 --> 01:35:07,320

bloomer to the internet I did not get my

2096

01:35:13,729 --> 01:35:09,620

first email until

2097

01:35:17,450 --> 01:35:13,739

2001. wow finally set up an email

2098

01:35:19,129 --> 01:35:17,460

and the reason why it I imagined all of

2099

01:35:21,350 --> 01:35:19,139

this at that point I was like I don't

2100

01:35:24,050 --> 01:35:21,360

want to be stuck in front of a computer

2101

01:35:26,570 --> 01:35:24,060

like I want to be out there living my

2102

01:35:30,050 --> 01:35:26,580

life you know so finally I got an email

2103

01:35:33,550 --> 01:35:30,060

and and this is crazy for me to think I

2104

01:35:37,430 --> 01:35:33,560

got that email in 2001 and I want I went

2105

01:35:38,870 --> 01:35:37,440

once maybe every two weeks I walked to

2106

01:35:41,149 --> 01:35:38,880

the library

2107

01:35:42,590 --> 01:35:41,159

where you could have 30 minutes of

2108

01:35:46,189 --> 01:35:42,600

computer time

2109

01:35:47,810 --> 01:35:46,199

I checked my email once every two weeks

2110

01:35:50,390 --> 01:35:47,820

and then you know if I wanted to look

2111

01:35:52,370 --> 01:35:50,400

something up I would look stuff up on

2112

01:35:54,350 --> 01:35:52,380

the internet and I'd spend a half hour

2113

01:35:58,790 --> 01:35:54,360

every two weeks on the internet

2114

01:36:02,169 --> 01:35:58,800

now I've got this dumb phone with me and

2115

01:36:05,750 --> 01:36:02,179

I'm checking my social media my email

2116

01:36:07,729 --> 01:36:05,760

all the time and and people

2117

01:36:10,850 --> 01:36:07,739

like to have attention it's a really

2118

01:36:12,890 --> 01:36:10,860

human need so that's why you you see so

2119

01:36:15,530 --> 01:36:12,900

many people are addicted to taking

2120

01:36:18,410 --> 01:36:15,540

selfies and checking in everywhere they

2121

01:36:21,590 --> 01:36:18,420

go and trying to pull stuff so they get

2122

01:36:24,290 --> 01:36:21,600

more and more likes and it becomes very

2123

01:36:27,169 --> 01:36:24,300

consuming where your brain is always

2124

01:36:28,129 --> 01:36:27,179

connected to the internet and

2125

01:36:30,050 --> 01:36:28,139

um

2126

01:36:31,790 --> 01:36:30,060

like I say there's a lot of things I

2127

01:36:34,689 --> 01:36:31,800

love about the internet but I think it's

2128

01:36:38,689 --> 01:36:34,699

also very dangerous to do that because

2129

01:36:41,629 --> 01:36:38,699

you create a sense of reality that isn't

2130

01:36:44,270 --> 01:36:41,639

really reality

2131

01:36:47,689 --> 01:36:44,280

you know what I find myself doing

2132

01:36:49,370 --> 01:36:47,699

I do it a lot actually I'll be out with

2133

01:36:51,290 --> 01:36:49,380

friends I'll be out with dinner I'll be

2134

01:36:53,570 --> 01:36:51,300

at a conference it doesn't matter I'm

2135

01:36:56,810 --> 01:36:53,580

around I you know I'm constantly around

2136

01:36:58,910 --> 01:36:56,820

people right and I have people around me

2137

01:37:01,070 --> 01:36:58,920

I'll say these words

2138

01:37:03,649 --> 01:37:01,080

put your phones down

2139

01:37:05,689 --> 01:37:03,659

stop looking at your phones stop stop

2140

01:37:08,450 --> 01:37:05,699

stop

2141

01:37:10,669 --> 01:37:08,460

yeah you want to hang out at this table

2142

01:37:12,649 --> 01:37:10,679

you want to talk you want you want to be

2143

01:37:14,629 --> 01:37:12,659

amongst put your phone down

2144

01:37:17,030 --> 01:37:14,639

well I think that's a great thing it's a

2145

01:37:18,410 --> 01:37:17,040

great thing and you know I

2146

01:37:22,250 --> 01:37:18,420

uh

2147

01:37:24,169 --> 01:37:22,260

to I need to do a better job of it yeah

2148

01:37:25,790 --> 01:37:24,179

me too I do spend times I've been on the

2149

01:37:28,250 --> 01:37:25,800

phone I'm like why are you sitting here

2150

01:37:30,770 --> 01:37:28,260

playing on your phone when you could

2151

01:37:32,990 --> 01:37:30,780

be having a more meaningful conversation

2152

01:37:34,790 --> 01:37:33,000

with someone in the same room as you

2153

01:37:38,870 --> 01:37:34,800

sometimes well you know what I think is

2154

01:37:41,149 --> 01:37:38,880

rude okay there should be we we should

2155

01:37:44,689 --> 01:37:41,159

have some basic ethics here but let me

2156

01:37:47,030 --> 01:37:44,699

tell you what is rude you're sitting uh

2157

01:37:48,470 --> 01:37:47,040

who's standing sitting you could be

2158

01:37:50,450 --> 01:37:48,480

having lunch or you could be just

2159

01:37:53,510 --> 01:37:50,460

standing having a conversation with

2160

01:37:57,229 --> 01:37:53,520

somebody right just talking and their

2161

01:37:58,850 --> 01:37:57,239

phone dings and they look at it and

2162

01:38:02,629 --> 01:37:58,860

interrupt

2163

01:38:05,629 --> 01:38:02,639

so apparently the phone is more

2164

01:38:09,590 --> 01:38:05,639

important than you yeah and that is

2165

01:38:11,629 --> 01:38:09,600

freaking rude yeah show people man put

2166

01:38:14,629 --> 01:38:11,639

your phone on vibrate put it in your

2167

01:38:17,270 --> 01:38:14,639

pocket have the conversation if it's

2168

01:38:19,430 --> 01:38:17,280

dinged and it vibrated in your pocket

2169

01:38:20,870 --> 01:38:19,440

check it when you're walking away but

2170

01:38:22,610 --> 01:38:20,880

when you're standing in front of

2171

01:38:25,910 --> 01:38:22,620

somebody or you're sitting at a table

2172

01:38:27,590 --> 01:38:25,920

and you're having a conversation and

2173

01:38:29,149 --> 01:38:27,600

eating or drinking or whatever and your

2174

01:38:31,850 --> 01:38:29,159

phone dings and you pick it up and look

2175

01:38:33,709 --> 01:38:31,860

at it you just told that person sitting

2176

01:38:36,950 --> 01:38:33,719

in front of you it could be your mom

2177

01:38:41,090 --> 01:38:36,960

that they are not that important yeah

2178

01:38:44,930 --> 01:38:41,100

ding is more important and that man I'm

2179

01:38:47,030 --> 01:38:44,940

telling you I'm telling you oh and and

2180

01:38:50,050 --> 01:38:47,040

I'm gonna I'm gonna fight this till my

2181

01:38:52,129 --> 01:38:50,060

last breath we know

2182

01:38:55,189 --> 01:38:52,139

standard with this

2183

01:38:57,290 --> 01:38:55,199

yeah no I I I agree entirely I remember

2184

01:38:59,689 --> 01:38:57,300

this was this was quite a while ago this

2185

01:39:01,250 --> 01:38:59,699

was when I was single I went on a first

2186

01:39:04,010 --> 01:39:01,260

date and

2187

01:39:05,930 --> 01:39:04,020

this person was uh on their phone the

2188

01:39:09,050 --> 01:39:05,940

whole time like oh sorry sorry I just

2189

01:39:11,570 --> 01:39:09,060

want to you know I was like

2190

01:39:13,669 --> 01:39:11,580

this is the worst date I've gone on

2191

01:39:16,490 --> 01:39:13,679

you know

2192

01:39:21,410 --> 01:39:16,500

it's uh people can't separate themselves

2193

01:39:23,689 --> 01:39:21,420

from that no and and I um uh I'm gonna

2194

01:39:25,970 --> 01:39:23,699

talk about time travel but uh and we're

2195

01:39:27,590 --> 01:39:25,980

almost out we're almost out of time so I

2196

01:39:30,530 --> 01:39:27,600

don't want to time travel out of time

2197

01:39:35,270 --> 01:39:30,540

I'm going to circle back to that but um

2198

01:39:35,280 --> 01:39:39,229

oh

2199

01:39:45,050 --> 01:39:41,930

I need a sip of river Moon coffee all

2200

01:39:49,910 --> 01:39:47,090

I don't think there is anything wrong

2201

01:39:53,090 --> 01:39:49,920

with that first date and you looking at

2202

01:39:54,590 --> 01:39:53,100

it right in the eye and going put your

2203

01:39:57,890 --> 01:39:54,600

phone away

2204

01:40:01,250 --> 01:39:57,900

right there just call it out yeah call

2205

01:40:03,709 --> 01:40:01,260

it out put your phone away

2206

01:40:06,530 --> 01:40:03,719

that's it that's it I think that is just

2207

01:40:09,470 --> 01:40:06,540

rude Beyond word that's like you know

2208

01:40:11,689 --> 01:40:09,480

you know what the example is

2209

01:40:14,290 --> 01:40:11,699

you're sitting having that first date

2210

01:40:17,149 --> 01:40:14,300

and then somebody at the next table

2211

01:40:19,610 --> 01:40:17,159

starts talking to her she gets up

2212

01:40:21,290 --> 01:40:19,620

doesn't say anything to you just gets up

2213

01:40:23,270 --> 01:40:21,300

and goes over and starts having a guy

2214

01:40:27,410 --> 01:40:23,280

and leaves you alone at the table it's

2215

01:40:30,350 --> 01:40:27,420

the exact same thing it's friggin rude

2216

01:40:33,110 --> 01:40:30,360

so that when you're around somebody put

2217

01:40:35,149 --> 01:40:33,120

your phone down you got all that alone

2218

01:40:37,129 --> 01:40:35,159

time when you go to the bathroom take

2219

01:40:40,070 --> 01:40:37,139

your phone take your phone to the

2220

01:40:41,689 --> 01:40:40,080

bathroom if it's that important yeah but

2221

01:40:43,970 --> 01:40:41,699

that's that's the world that we live in

2222

01:40:46,790 --> 01:40:43,980

today and I think we need some ethics

2223

01:40:49,850 --> 01:40:46,800

police to come in and start telling

2224

01:40:52,189 --> 01:40:49,860

everybody uh what side of the table your

2225

01:40:54,590 --> 01:40:52,199

fork and your spoon go on and how you're

2226

01:40:56,570 --> 01:40:54,600

supposed to do this thing you know and

2227

01:40:58,250 --> 01:40:56,580

that's that's where I'm at I'm I'm it's

2228

01:41:01,490 --> 01:40:58,260

frustrating to me

2229

01:41:03,350 --> 01:41:01,500

it is it's a

2230

01:41:06,169 --> 01:41:03,360

yeah like I say it's like an addiction

2231

01:41:09,229 --> 01:41:06,179

you know for a lot of people

2232

01:41:10,910 --> 01:41:09,239

is time travel real

2233

01:41:14,090 --> 01:41:10,920

I don't know

2234

01:41:16,310 --> 01:41:14,100

um I think it's possible

2235

01:41:17,810 --> 01:41:16,320

uh I heard an interesting theory that

2236

01:41:20,870 --> 01:41:17,820

UFOs

2237

01:41:23,930 --> 01:41:20,880

might just be us from the future sure

2238

01:41:25,729 --> 01:41:23,940

taking uh you know History tour maybe

2239

01:41:28,850 --> 01:41:25,739

kind of like my walking tour of downtown

2240

01:41:32,209 --> 01:41:28,860

Milwaukee except it's a

2241

01:41:34,850 --> 01:41:32,219

you know a flight back in the time

2242

01:41:37,910 --> 01:41:34,860

maybe those spots on Twitter are time

2243

01:41:40,129 --> 01:41:37,920

travel right yeah the um

2244

01:41:41,090 --> 01:41:40,139

they figured out how to go back in time

2245

01:41:42,590 --> 01:41:41,100

and

2246

01:41:44,330 --> 01:41:42,600

cash in

2247

01:41:49,330 --> 01:41:44,340

yeah

2248

01:41:52,669 --> 01:41:49,340

what about uh uh the Mandela effect

2249

01:41:54,410 --> 01:41:52,679

you know is is that time travelers you

2250

01:41:57,050 --> 01:41:54,420

know going back and messing with our

2251

01:42:00,109 --> 01:41:57,060

timeline and they can't mess with our

2252

01:42:02,570 --> 01:42:00,119

memory yeah they mess with the facts

2253

01:42:05,870 --> 01:42:02,580

right which in turn mess with our memory

2254

01:42:07,370 --> 01:42:05,880

is that an example of Time Travelers

2255

01:42:10,910 --> 01:42:07,380

it could be

2256

01:42:12,830 --> 01:42:10,920

um I I think Mandela effect also could

2257

01:42:16,609 --> 01:42:12,840

be like we're talking interdimensional

2258

01:42:20,750 --> 01:42:16,619

thing Multiverse type of something is

2259

01:42:23,149 --> 01:42:20,760

slipped through the cracks where there's

2260

01:42:26,810 --> 01:42:23,159

um you know kind of like breadcrumbs

2261

01:42:31,790 --> 01:42:26,820

left over from some sort of collision

2262

01:42:33,530 --> 01:42:31,800

between these Dimensions or multiverses

2263

01:42:34,310 --> 01:42:33,540

um I don't know I I'm very interested in

2264

01:42:38,450 --> 01:42:34,320

it

2265

01:42:40,729 --> 01:42:38,460

um

2266

01:42:44,030 --> 01:42:40,739

gear theories about it

2267

01:42:47,570 --> 01:42:44,040

time travel you know I'm not finding

2268

01:42:49,910 --> 01:42:47,580

I've been uh researching it a little bit

2269

01:42:53,149 --> 01:42:49,920

I haven't gotten too deep into it

2270

01:42:55,430 --> 01:42:53,159

I'm not finding anything that's really

2271

01:42:57,950 --> 01:42:55,440

compelled me yet

2272

01:43:01,129 --> 01:42:57,960

really no

2273

01:43:03,109 --> 01:43:01,139

so have you checked out John Teeter

2274

01:43:06,590 --> 01:43:03,119

yeah I've read a little bit about that

2275

01:43:10,010 --> 01:43:06,600

case okay and

2276

01:43:14,750 --> 01:43:10,020

I mean I think it's interesting but

2277

01:43:23,109 --> 01:43:14,760

from what I remember it seemed like uh

2278

01:43:30,169 --> 01:43:27,169

a single person or two out there anybody

2279

01:43:34,910 --> 01:43:30,179

can do deduce anything and and and get

2280

01:43:37,790 --> 01:43:34,920

it to fit into your your your lane okay

2281

01:43:41,689 --> 01:43:37,800

all right it doesn't matter you know so

2282

01:43:43,390 --> 01:43:41,699

uh that's fine here's the deal uh with

2283

01:43:46,910 --> 01:43:43,400

John Teeter

2284

01:43:48,350 --> 01:43:46,920

nobody's been busted

2285

01:43:55,010 --> 01:43:48,360

nobody

2286

01:43:56,810 --> 01:43:55,020

that was presented online with John

2287

01:43:58,189 --> 01:43:56,820

Teeter now I'm saying

2288

01:44:01,129 --> 01:43:58,199

it's not

2289

01:44:04,370 --> 01:44:01,139

he's not a proven factual time traveler

2290

01:44:06,890 --> 01:44:04,380

okay but what I am saying is you've got

2291

01:44:09,530 --> 01:44:06,900

photographs of his time machine and his

2292

01:44:11,450 --> 01:44:09,540

car and you have all of the the type

2293

01:44:12,770 --> 01:44:11,460

setting and the manuals and the

2294

01:44:14,810 --> 01:44:12,780

instructions and all the information

2295

01:44:16,669 --> 01:44:14,820

about the computer side of things and

2296

01:44:19,070 --> 01:44:16,679

everything else that was presented

2297

01:44:21,350 --> 01:44:19,080

online for quite a while and it's all

2298

01:44:23,750 --> 01:44:21,360

there none of that stuff has been

2299

01:44:25,790 --> 01:44:23,760

brought forward you know an

2300

01:44:27,950 --> 01:44:25,800

ex-girlfriend hasn't shown up saying

2301

01:44:30,649 --> 01:44:27,960

that was my boyfriend back then he was a

2302

01:44:33,470 --> 01:44:30,659

doofus and he did this and here's the

2303

01:44:35,510 --> 01:44:33,480

evidence and here's the the model that

2304

01:44:37,669 --> 01:44:35,520

he built here's the stickers that he had

2305

01:44:41,090 --> 01:44:37,679

made to put on the time machine you know

2306

01:44:44,450 --> 01:44:41,100

no no no no no none of that has

2307

01:44:48,649 --> 01:44:44,460

happened when he said I'm gone

2308

01:44:50,750 --> 01:44:48,659

he was gone that's the part of it that

2309

01:44:54,169 --> 01:44:50,760

uh if I'm gonna say black and white and

2310

01:44:56,050 --> 01:44:54,179

pragmatic you know about this tea

2311

01:44:59,209 --> 01:44:56,060

you can't keep things secret forever

2312

01:45:01,250 --> 01:44:59,219

somebody's gonna leak it that's true

2313

01:45:04,669 --> 01:45:01,260

that's true he's gonna blow it for you

2314

01:45:09,350 --> 01:45:04,679

and here we are in 2023.

2315

01:45:12,410 --> 01:45:09,360

um uh that was 1990 right right no uh

2316

01:45:17,270 --> 01:45:12,420

2000 that was two thousand earlier yeah

2317

01:45:24,950 --> 01:45:20,390

um yeah I know I haven't read he wrote a

2318

01:45:27,229 --> 01:45:24,960

book I believe right no no not he did

2319

01:45:30,109 --> 01:45:27,239

not no someone else right

2320

01:45:32,570 --> 01:45:30,119

I thought he did

2321

01:45:34,970 --> 01:45:32,580

um I knew that there was a book about

2322

01:45:37,970 --> 01:45:34,980

him then maybe I haven't read it I

2323

01:45:39,890 --> 01:45:37,980

haven't read it sorry and it's pot I

2324

01:45:42,530 --> 01:45:39,900

mean it's it's but but did John Teeter

2325

01:45:46,129 --> 01:45:42,540

write a book no no no no okay John

2326

01:45:48,830 --> 01:45:46,139

Teeter was a a guy that showed up on a

2327

01:45:51,709 --> 01:45:48,840

couple of forums uh one for Coast to

2328

01:45:53,810 --> 01:45:51,719

Coast AM and another one called uh the

2329

01:45:58,070 --> 01:45:53,820

time travel Institute okay two two

2330

01:45:59,930 --> 01:45:58,080

different forms in 1999 in in in 2000

2331

01:46:03,350 --> 01:45:59,940

and said hey

2332

01:46:05,930 --> 01:46:03,360

I'm from 2036 ask me anything

2333

01:46:10,129 --> 01:46:05,940

all right that's that's all too pretty

2334

01:46:12,350 --> 01:46:10,139

much in a nutshell uh what went down and

2335

01:46:15,470 --> 01:46:12,360

he hung out he posted photographs he

2336

01:46:17,030 --> 01:46:15,480

face he did stuff he hung out for for a

2337

01:46:19,490 --> 01:46:17,040

few months and then he said you know I

2338

01:46:21,770 --> 01:46:19,500

got to go back uh it was great hanging

2339

01:46:24,410 --> 01:46:21,780

out with you but uh bye and that was the

2340

01:46:26,510 --> 01:46:24,420

end of it oh I I think what I'm thinking

2341

01:46:29,149 --> 01:46:26,520

of then someone must have taken like his

2342

01:46:31,070 --> 01:46:29,159

posts and photos and collected that into

2343

01:46:33,770 --> 01:46:31,080

some sort of yeah that's been done a few

2344

01:46:35,330 --> 01:46:33,780

times okay yeah so I haven't read that I

2345

01:46:37,370 --> 01:46:35,340

would like to

2346

01:46:39,470 --> 01:46:37,380

yeah it's pretty fascinating now what

2347

01:46:43,910 --> 01:46:39,480

okay so

2348

01:46:45,229 --> 01:46:43,920

um Einstein painted a a pretty good

2349

01:46:47,570 --> 01:46:45,239

theory

2350

01:46:50,330 --> 01:46:47,580

for traveling to the Future

2351

01:46:52,850 --> 01:46:50,340

that's easy it is it's easy it's easy

2352

01:46:55,430 --> 01:46:52,860

it's just a physical phenomenon you and

2353

01:46:58,790 --> 01:46:55,440

I can we're time traveling right now

2354

01:47:01,310 --> 01:46:58,800

actually but we could travel to the to

2355

01:47:05,149 --> 01:47:01,320

the far future uh pretty easily but it's

2356

01:47:07,970 --> 01:47:05,159

going backwards that is difficult

2357

01:47:10,729 --> 01:47:07,980

um what do you make of that if if we

2358

01:47:13,189 --> 01:47:10,739

don't see Time Travelers today

2359

01:47:16,430 --> 01:47:13,199

from the future I'm not talking about

2360

01:47:18,470 --> 01:47:16,440

UFOs does that mean that time travel may

2361

01:47:20,570 --> 01:47:18,480

be impossible

2362

01:47:22,669 --> 01:47:20,580

no I don't think it's impossible

2363

01:47:25,010 --> 01:47:22,679

I don't think there's much that's

2364

01:47:27,890 --> 01:47:25,020

impossible

2365

01:47:29,689 --> 01:47:27,900

um you know I I believe that technology

2366

01:47:32,030 --> 01:47:29,699

could be developed

2367

01:47:36,229 --> 01:47:32,040

and there's uh what was his name there's

2368

01:47:40,250 --> 01:47:36,239

a a professor Dr Ronald Mallett I think

2369

01:47:42,649 --> 01:47:40,260

yeah Ronald Mallett yeah smart guy yeah

2370

01:47:45,229 --> 01:47:42,659

he's uh that's been his like his life

2371

01:47:48,770 --> 01:47:45,239

work is trying to figure that out and um

2372

01:47:50,990 --> 01:47:48,780

he seems pretty convinced that it can be

2373

01:47:54,649 --> 01:47:51,000

done so

2374

01:47:58,010 --> 01:47:54,659

you know yeah and he uh okay well he he

2375

01:47:59,990 --> 01:47:58,020

tried to do it with lasers and you know

2376

01:48:02,930 --> 01:48:00,000

he got some funding I think he was at

2377

01:48:05,930 --> 01:48:02,940

what was he at University of Connecticut

2378

01:48:09,770 --> 01:48:05,940

yeah yeah that sounds right one of those

2379

01:48:13,129 --> 01:48:09,780

uh New England states yeah yeah and uh I

2380

01:48:14,930 --> 01:48:13,139

had mine this show once or twice uh sure

2381

01:48:17,330 --> 01:48:14,940

sure

2382

01:48:19,250 --> 01:48:17,340

um and and I like his story he missed

2383

01:48:21,350 --> 01:48:19,260

his dad and he wanted to go back and and

2384

01:48:24,649 --> 01:48:21,360

re-establish his relationship with his

2385

01:48:26,030 --> 01:48:24,659

dad and and if and maybe save his life I

2386

01:48:28,129 --> 01:48:26,040

think his dad had a heart attack or

2387

01:48:29,750 --> 01:48:28,139

something at a young age and yeah maybe

2388

01:48:32,270 --> 01:48:29,760

he wanted to go back and say Dad you

2389

01:48:34,370 --> 01:48:32,280

gotta eat less potato chips you know

2390

01:48:37,550 --> 01:48:34,380

what I mean it yeah straightened him out

2391

01:48:41,570 --> 01:48:37,560

but um and and I like the story behind

2392

01:48:44,990 --> 01:48:41,580

that the the problem is

2393

01:48:48,050 --> 01:48:45,000

um are you going to physically

2394

01:48:52,129 --> 01:48:48,060

go back in time or are you going to

2395

01:48:55,609 --> 01:48:52,139

mentally go back in time you know and

2396

01:48:57,890 --> 01:48:55,619

and how do you establish this uh what do

2397

01:48:59,810 --> 01:48:57,900

you think it's possible to physically

2398

01:49:03,490 --> 01:48:59,820

take you

2399

01:49:07,070 --> 01:49:03,500

and and and go back in time where

2400

01:49:08,689 --> 01:49:07,080

the the community would physically see

2401  
01:49:10,189 --> 01:49:08,699  
you and you would be a part of that

2402  
01:49:13,070 --> 01:49:10,199  
timeline

2403  
01:49:15,109 --> 01:49:13,080  
I mean I don't understand how that could

2404  
01:49:17,570 --> 01:49:15,119  
happen but that doesn't mean that it's

2405  
01:49:18,530 --> 01:49:17,580  
impossible I just

2406  
01:49:20,350 --> 01:49:18,540  
um

2407  
01:49:23,390 --> 01:49:20,360  
you know I'm not

2408  
01:49:25,070 --> 01:49:23,400  
scientifically trained so I'm not sure

2409  
01:49:26,810 --> 01:49:25,080  
how it could happen

2410  
01:49:30,410 --> 01:49:26,820  
Richard Dolan

2411  
01:49:32,090 --> 01:49:30,420  
um said to me once and and he's right

2412  
01:49:34,310 --> 01:49:32,100  
about this because I thought about the

2413  
01:49:37,850 --> 01:49:34,320

exact same thing he said look man if you

2414

01:49:40,070 --> 01:49:37,860

go back in time then that means that uh

2415

01:49:42,109 --> 01:49:40,080

everything goes back in time the entire

2416

01:49:45,709 --> 01:49:42,119

universe everything you can't it just

2417

01:49:48,129 --> 01:49:45,719

can't be you you would be reversing time

2418

01:49:51,590 --> 01:49:48,139

for everybody else

2419

01:49:56,750 --> 01:49:51,600

and and I kind of understand that part

2420

01:50:00,410 --> 01:49:56,760

of the argument so the the the part that

2421

01:50:03,709 --> 01:50:00,420

is so romantic to us is the science

2422

01:50:06,950 --> 01:50:03,719

fiction side of it we still continue

2423

01:50:09,950 --> 01:50:06,960

moving forward right life isn't changing

2424

01:50:12,290 --> 01:50:09,960

here it's just us that gets to go back

2425

01:50:13,790 --> 01:50:12,300

and visit that the you know the one that

2426

01:50:16,430 --> 01:50:13,800

got away

2427

01:50:19,430 --> 01:50:16,440

um and and that's the part that

2428

01:50:21,770 --> 01:50:19,440

we want to believe in right the Romantic

2429

01:50:24,709 --> 01:50:21,780

science fiction version of time travel

2430

01:50:27,290 --> 01:50:24,719

right because everyone or most people

2431

01:50:29,510 --> 01:50:27,300

have something where they're like I wish

2432

01:50:32,330 --> 01:50:29,520

I could go back in time and

2433

01:50:34,310 --> 01:50:32,340

change that moment a little bit where I

2434

01:50:37,790 --> 01:50:34,320

made a bad decision or something bad

2435

01:50:40,070 --> 01:50:37,800

happened yeah would you would you do it

2436

01:50:42,050 --> 01:50:40,080

I don't think so you know I think that

2437

01:50:44,570 --> 01:50:42,060

having those painful

2438

01:50:45,470 --> 01:50:44,580

life lessons develop who you are as a

2439

01:50:47,510 --> 01:50:45,480

person

2440

01:50:49,129 --> 01:50:47,520

and you gotta accept it and keep moving

2441

01:50:52,129 --> 01:50:49,139

forward and

2442

01:50:54,350 --> 01:50:52,139

you know it's just

2443

01:50:56,649 --> 01:50:54,360

you know if you don't wish you had

2444

01:50:59,450 --> 01:50:56,659

better grades in math class

2445

01:51:01,490 --> 01:50:59,460

I do wish I had better grades in math

2446

01:51:04,910 --> 01:51:01,500

class that was my worst subject for sure

2447

01:51:06,770 --> 01:51:04,920

I do mine too yeah life is a journey you

2448

01:51:09,830 --> 01:51:06,780

know and and everything that has

2449

01:51:13,310 --> 01:51:09,840

happened is made you who it's what has

2450

01:51:16,070 --> 01:51:13,320

brought you here right now and if you

2451  
01:51:18,169 --> 01:51:16,080  
went back and altered anything you and I

2452  
01:51:21,169 --> 01:51:18,179  
aren't having this conversation right

2453  
01:51:23,770 --> 01:51:21,179  
exactly your kids aren't born right

2454  
01:51:27,109 --> 01:51:23,780  
that's it forget that right

2455  
01:51:30,709 --> 01:51:27,119  
because you that one little butterfly

2456  
01:51:33,590 --> 01:51:30,719  
effect is gonna throw you uh completely

2457  
01:51:36,410 --> 01:51:33,600  
somewhere else and it's you're not going

2458  
01:51:39,109 --> 01:51:36,420  
to be who you are today to wish that you

2459  
01:51:41,930 --> 01:51:39,119  
could go back and change something from

2460  
01:51:44,990 --> 01:51:41,940  
the past exactly and you know um I was

2461  
01:51:47,750 --> 01:51:45,000  
bad at math I'm still bad at math and

2462  
01:51:50,689 --> 01:51:47,760  
but you know that made me realize I love

2463  
01:51:53,390 --> 01:51:50,699

working with words so I focused on that

2464

01:51:55,250 --> 01:51:53,400

but so if I went back in time and you

2465

01:51:58,250 --> 01:51:55,260

know improved myself to be a

2466

01:52:00,890 --> 01:51:58,260

mathematician and I became

2467

01:52:03,770 --> 01:52:00,900

um you know an accountant instead

2468

01:52:05,390 --> 01:52:03,780

my my life I might have more money or

2469

01:52:06,530 --> 01:52:05,400

something but I don't know that I would

2470

01:52:07,669 --> 01:52:06,540

be happier

2471

01:52:08,810 --> 01:52:07,679

you know

2472

01:52:11,510 --> 01:52:08,820

now

2473

01:52:14,629 --> 01:52:11,520

um uh before we go I was staying on time

2474

01:52:17,870 --> 01:52:14,639

travel by the way so

2475

01:52:23,209 --> 01:52:17,880

physics today especially in the quantum

2476

01:52:25,729 --> 01:52:23,219

uh version of this will suggest uh the

2477

01:52:29,510 --> 01:52:25,739

multi-world theory and multiple

2478

01:52:33,310 --> 01:52:29,520

dimensions and that there are

2479

01:52:36,590 --> 01:52:33,320

infinite versions of T cruelos infinite

2480

01:52:40,609 --> 01:52:36,600

everything that is possible is happening

2481

01:52:43,310 --> 01:52:40,619

right now with you just to the left and

2482

01:52:45,830 --> 01:52:43,320

to the right right would you go and

2483

01:52:47,510 --> 01:52:45,840

visit one of those timelines would you

2484

01:52:49,430 --> 01:52:47,520

go out of this one

2485

01:52:51,590 --> 01:52:49,440

to another one

2486

01:52:54,530 --> 01:52:51,600

that's a good question

2487

01:52:55,850 --> 01:52:54,540

I mean I think I would be curious

2488

01:52:58,669 --> 01:52:55,860

for sure

2489

01:53:00,709 --> 01:52:58,679

but I would be kind of afraid

2490

01:53:03,169 --> 01:53:00,719

I maybe don't wanna

2491

01:53:05,629 --> 01:53:03,179

see myself in other timelines I might be

2492

01:53:07,430 --> 01:53:05,639

afraid of what I would see maybe I'm a

2493

01:53:08,870 --> 01:53:07,440

bad person in some of these other

2494

01:53:12,290 --> 01:53:08,880

timelines

2495

01:53:15,350 --> 01:53:12,300

or an unhappy one you know so Jeffrey

2496

01:53:19,729 --> 01:53:15,360

Dahmer right right you never yeah you

2497

01:53:22,010 --> 01:53:19,739

know you don't yeah and uh when I always

2498

01:53:24,169 --> 01:53:22,020

look at it this way no they're in the

2499

01:53:27,229 --> 01:53:24,179

world of probabilities that one's not

2500

01:53:30,169 --> 01:53:27,239

probable right I I could never be that

2501

01:53:32,930 --> 01:53:30,179

person but this is what physics is

2502

01:53:36,229 --> 01:53:32,940

saying is part of our reality that the

2503

01:53:39,350 --> 01:53:36,239

math is saying this is the way that it

2504

01:53:43,250 --> 01:53:39,360

is well if that's the case and the

2505

01:53:44,930 --> 01:53:43,260

algorithms are showing this then why

2506

01:53:47,570 --> 01:53:44,940

can't a physicist believe in

2507

01:53:49,310 --> 01:53:47,580

Consciousness existing outside of the

2508

01:53:52,850 --> 01:53:49,320

body why can't a physicist believe in

2509

01:53:55,490 --> 01:53:52,860

ghosts you know why can't it's weird

2510

01:53:57,410 --> 01:53:55,500

they want to have it both ways they

2511

01:54:00,709 --> 01:53:57,420

don't want to believe in the in the

2512

01:54:02,629 --> 01:54:00,719

Supernatural but they'll tell you that

2513

01:54:04,189 --> 01:54:02,639

there are infinite versions of you in

2514

01:54:06,830 --> 01:54:04,199

the Multiverse

2515

01:54:08,570 --> 01:54:06,840

yeah yeah it is um

2516

01:54:10,669 --> 01:54:08,580

I mean I I'm sure that there probably

2517

01:54:14,149 --> 01:54:10,679

are some physicists who are open to

2518

01:54:16,370 --> 01:54:14,159

Concepts like that but I haven't been no

2519

01:54:20,930 --> 01:54:16,380

that's true I don't think I have either

2520

01:54:22,790 --> 01:54:20,940

to be honest yeah so yeah it is Faith in

2521

01:54:25,189 --> 01:54:22,800

in different things is

2522

01:54:28,129 --> 01:54:25,199

you know it's it's strange that people

2523

01:54:30,530 --> 01:54:28,139

will believe one thing but not another

2524

01:54:31,850 --> 01:54:30,540

where can everybody go and read your

2525

01:54:34,490 --> 01:54:31,860

latest stuff

2526

01:54:36,790 --> 01:54:34,500

best place to go is my website is uh T

2527

01:54:39,169 --> 01:54:36,800

Cruella's

2528

01:54:42,109 --> 01:54:39,179

t-e-a-k-r-u-l-o-s.com that's got links

2529

01:54:44,990 --> 01:54:42,119

to the books I've written I do a column

2530

01:54:47,930 --> 01:54:45,000

on my website uh a couple times a month

2531

01:54:50,629 --> 01:54:47,940

called tease weird week and I just write

2532

01:54:53,510 --> 01:54:50,639

about whatever subject I'm interested in

2533

01:54:55,129 --> 01:54:53,520

writing about that particular week and I

2534

01:54:57,109 --> 01:54:55,139

also have a link there where people can

2535

01:54:59,510 --> 01:54:57,119

see upcoming appearances that I'm doing

2536

01:55:01,629 --> 01:54:59,520

and stuff like that thank you so much T

2537

01:55:03,709 --> 01:55:01,639

what a great conversation

2538

01:55:05,450 --> 01:55:03,719

yeah it's great to talk to you and I

2539

01:55:07,729 --> 01:55:05,460

look forward to having you on the show

2540

01:55:08,810 --> 01:55:07,739

again very soon thank you so much great

2541

01:55:12,169 --> 01:55:08,820

thank you

2542

01:55:14,390 --> 01:55:12,179

great conversation tonight T Cruz and uh

2543

01:55:17,629 --> 01:55:14,400

his links are below we have everything

2544

01:55:21,050 --> 01:55:17,639

over on social media and of course up on

2545

01:55:23,750 --> 01:55:21,060

our website and now tomorrow night I

2546

01:55:26,750 --> 01:55:23,760

have gene boyda on the show and tomorrow

2547

01:55:29,990 --> 01:55:26,760

night we're doing taboo topics taboo

2548

01:55:31,609 --> 01:55:30,000

topics all night long tomorrow night on

2549

01:55:34,669 --> 01:55:31,619

Fade to Black what a perfect show

2550

01:55:37,189 --> 01:55:34,679

tonight and uh yeah man I'm telling you

2551

01:55:40,970 --> 01:55:37,199

the Chicago Mothman

2552

01:55:43,070 --> 01:55:40,980

who knew who knew Fade to Black gets

2553

01:55:45,770 --> 01:55:43,080

produced by Hilton J Palm Renee Newman

2554

01:55:47,570 --> 01:55:45,780

and Michelle freed

2555

01:55:49,790 --> 01:55:47,580

thank you to Dennis and Kevin what

2556

01:55:53,090 --> 01:55:49,800

Masters drew the geek music Doug Aldrich

2557

01:55:55,070 --> 01:55:53,100

intro space boys spaceboymusic.com fade

2558

01:55:56,450 --> 01:55:55,080

to black is produced by ktcr for the

2559

01:56:00,590 --> 01:55:56,460

game changer Network and this broadcast

2560

01:56:02,689 --> 01:56:00,600

is owned and copyrighted 2023 by Fade to

2561

01:56:04,850 --> 01:56:02,699

Black in the game changer Network Inc it

2562

01:56:06,590 --> 01:56:04,860

cannot be rebroadcast downloaded copied

2563

01:56:08,629 --> 01:56:06,600

or used anywhere in the known universe

2564

01:56:10,129 --> 01:56:08,639

without written permission from Fade to

2565

01:56:11,629 --> 01:56:10,139

block of the game changer Network I'm

2566

01:56:13,370 --> 01:56:11,639

your Timmy Church

2567

01:56:15,709 --> 01:56:13,380

till tomorrow night with Gene I want

2568

01:56:22,460 --> 01:56:15,719

everybody to be safe

2569

01:56:22,470 --> 01:56:43,430

[Music]

2570

01:56:43,440 --> 01:56:49,410

thank you
