

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

JEAN BROIDA

TABOO TOPICS

TUE MAY 23 LIVE

700-900PM PT

1
00:00:24,790 --> 00:00:19,870

[Music]

2
00:00:28,130 --> 00:00:24,800

the smoke radio for the masses of July 8

3
00:00:30,470 --> 00:00:28,140

1947 the Army Air Forces has announced

4
00:00:32,630 --> 00:00:30,480

that applying disc has been found and is

5
00:00:35,690 --> 00:00:32,640

now in the possession of the army

6
00:00:39,470 --> 00:00:35,700

game is rigged change the game game

7
00:00:43,069 --> 00:00:39,480

changer I occasionally think how quickly

8
00:00:46,430 --> 00:00:43,079

our difference is worldwide would vanish

9
00:00:47,780 --> 00:00:46,440

if we were facing an alien threat from

10
00:00:49,600 --> 00:00:47,790

outside this work

11
00:00:49,780 --> 00:00:49,610

[Music]

12
00:00:52,250 --> 00:00:49,790

[Applause]

13
00:00:55,069 --> 00:00:52,260

[Music]

14

00:00:57,889 --> 00:00:55,079

this is Fade to Black with your host

15

00:00:58,550 --> 00:00:57,899

Jimmy Church on the game changer Radio

16

00:01:02,029 --> 00:00:58,560

Network

17

00:01:08,270 --> 00:01:05,509

all right good evening Fade to Black it

18

00:01:10,670 --> 00:01:08,280

is what is today Wednesday it's a

19

00:01:12,050 --> 00:01:10,680

Tuesday is it Tuesday or is it Wednesday

20

00:01:15,190 --> 00:01:12,060

hold on I'll tell you right now it's

21

00:01:17,990 --> 00:01:15,200

Tuesday May 23rd

22

00:01:21,609 --> 00:01:18,000

2023 I'm your host Jimmy church and

23

00:01:24,350 --> 00:01:21,619

tonight's show is brought to you by

24

00:01:26,630 --> 00:01:24,360

accidental truth it is the new

25

00:01:30,590 --> 00:01:26,640

documentary out right now streaming on

26
00:01:33,830 --> 00:01:30,600
all platforms and directed by Ron James

27
00:01:37,190 --> 00:01:33,840
the links for it are below go and check

28
00:01:40,330 --> 00:01:37,200
out accidental truth it is required

29
00:01:43,789 --> 00:01:40,340
viewing from everyone in our community

30
00:01:47,149 --> 00:01:43,799
accidental truth tonight on the show I'm

31
00:01:48,890 --> 00:01:47,159
very excited tonight Gene breuda is with

32
00:01:50,770 --> 00:01:48,900
us and she's with us for the first time

33
00:01:53,090 --> 00:01:50,780
uh we're going to be talking about

34
00:01:55,130 --> 00:01:53,100
everything tonight we're going to jump

35
00:01:59,090 --> 00:01:55,140
all around she is a veteran

36
00:02:01,249 --> 00:01:59,100
investigative reporter and mscis has

37
00:02:03,530 --> 00:02:01,259
written hundreds of published articles

38
00:02:05,330 --> 00:02:03,540

on wide-ranging subjects from politics

39

00:02:07,969 --> 00:02:05,340

to health and finance and Technology

40

00:02:11,210 --> 00:02:07,979

climate the Paranormal and much more

41

00:02:13,790 --> 00:02:11,220

I've got her book on UFOs here in the

42

00:02:17,750 --> 00:02:13,800

studio we'll be talking about that too

43

00:02:20,630 --> 00:02:17,760

as well and she is able to connect the

44

00:02:22,970 --> 00:02:20,640

dots and expose Above Top Secret

45

00:02:27,350 --> 00:02:22,980

information cover-ups suppressed sources

46

00:02:28,910 --> 00:02:27,360

and Arcane occult knowledge that's what

47

00:02:30,470 --> 00:02:28,920

I'm talking about and I would like to

48

00:02:32,510 --> 00:02:30,480

welcome for the first time to fade to

49

00:02:35,030 --> 00:02:32,520

black the one and only Gene Brady there

50

00:02:37,430 --> 00:02:35,040

she is right there Gene good evening

51

00:02:39,770 --> 00:02:37,440

young lady how you doing

52

00:02:42,410 --> 00:02:39,780

good evening good evening and howdy

53

00:02:44,690 --> 00:02:42,420

howdy it's such a pleasure to be with

54

00:02:47,210 --> 00:02:44,700

you mister to be here with you Mr Church

55

00:02:49,910 --> 00:02:47,220

I'd love to be you too but you know we

56

00:02:52,190 --> 00:02:49,920

could switch days for switch lives for a

57

00:02:55,130 --> 00:02:52,200

day yeah and clearly I'm excited to be

58

00:02:57,949 --> 00:02:55,140

here it's about you just calm down yeah

59

00:03:01,369 --> 00:02:57,959

it's about time it's about time and uh

60

00:03:04,910 --> 00:03:01,379

okay so let's actually start here uh you

61

00:03:07,190 --> 00:03:04,920

get the First Time guest disclaimer okay

62

00:03:08,630 --> 00:03:07,200

so we can calm down with that Gene it's

63

00:03:10,490 --> 00:03:08,640

just you and I sitting on my couch

64

00:03:12,229 --> 00:03:10,500

having a conversation as friends and

65

00:03:14,030 --> 00:03:12,239

where that conversation starts it starts

66

00:03:16,369 --> 00:03:14,040

where it ends it ends but we're gonna

67

00:03:19,330 --> 00:03:16,379

end his friends there you go you ready

68

00:03:27,710 --> 00:03:23,270

oh hey here um I'm gonna I'm gonna start

69

00:03:30,290 --> 00:03:27,720

with the uh the typical question

70

00:03:32,390 --> 00:03:30,300

um but for you it's uh it really applies

71

00:03:34,790 --> 00:03:32,400

you've been at this for a very very very

72

00:03:37,430 --> 00:03:34,800

long time

73

00:03:40,550 --> 00:03:37,440

um let's turn back uh the pages a little

74

00:03:43,309 --> 00:03:40,560

bit here and and I I just want to know

75

00:03:45,970 --> 00:03:43,319

where your interest started in the

76

00:03:49,430 --> 00:03:45,980

subjects that this community covers

77

00:03:51,949 --> 00:03:49,440

UFO's Consciousness Bigfoot uh

78

00:03:54,050 --> 00:03:51,959

historical places around the world you

79

00:03:57,589 --> 00:03:54,060

know lost history

80

00:04:00,289 --> 00:03:57,599

um you write and and and cover all of

81

00:04:03,789 --> 00:04:00,299

these topics but but what happened was

82

00:04:07,130 --> 00:04:03,799

there a a single event uh years ago

83

00:04:12,009 --> 00:04:07,140

there was there was a single series of

84

00:04:15,589 --> 00:04:12,019

events when I was a lonely geeky child

85

00:04:18,710 --> 00:04:15,599

so I turned to books for comfort and

86

00:04:21,170 --> 00:04:18,720

Solace devoured books devoured all the

87

00:04:22,909 --> 00:04:21,180

books at home devoured all the books at

88

00:04:25,909 --> 00:04:22,919

the school library

89

00:04:28,730 --> 00:04:25,919

and then through music lesson

90

00:04:31,730 --> 00:04:28,740

connections and a mother who taught at

91

00:04:34,490 --> 00:04:31,740

the local University campus got

92

00:04:37,129 --> 00:04:34,500

access to University libraries and it

93

00:04:39,230 --> 00:04:37,139

was there that I discovered there were

94

00:04:42,710 --> 00:04:39,240

new shelves I'd never seen before at

95

00:04:44,629 --> 00:04:42,720

school at my school on the Paranormal

96

00:04:47,150 --> 00:04:44,639

and so I started leaving through those

97

00:04:50,570 --> 00:04:47,160

and that was a really interesting ghosts

98

00:04:52,670 --> 00:04:50,580

ESP but the subject that really grabbed

99

00:04:54,290 --> 00:04:52,680

me for and I'll never know why actually

100

00:04:56,450 --> 00:04:54,300

I think I do know why we could talk

101
00:04:58,430 --> 00:04:56,460
about that later but for some reason and

102
00:05:02,650 --> 00:04:58,440
other people have felt this too I would

103
00:05:05,990 --> 00:05:02,660
I gravitated toward the topic of UFOs

104
00:05:08,689 --> 00:05:06,000
and I can State categorically that Eric

105
00:05:11,870 --> 00:05:08,699
Von Donegan shaped my opinions

106
00:05:14,330 --> 00:05:11,880
originally and to this day I credit him

107
00:05:17,210 --> 00:05:14,340
with my lifelong interest in the topic

108
00:05:20,150 --> 00:05:17,220
he after all came from a lay background

109
00:05:22,550 --> 00:05:20,160
didn't have college degrees father was

110
00:05:25,249 --> 00:05:22,560
in the hotel business he took it upon

111
00:05:28,070 --> 00:05:25,259
himself to start questioning history as

112
00:05:31,490 --> 00:05:28,080
taught in school and he wrote of course

113
00:05:33,350 --> 00:05:31,500

now Infamous Chariots of the Gods the

114

00:05:37,070 --> 00:05:33,360

other author that sticks out in my mind

115

00:05:39,890 --> 00:05:37,080

is Jay Allen heineck Dr J Allen heineck

116

00:05:43,010 --> 00:05:39,900

of Project Blue Book Fame he wrote

117

00:05:46,490 --> 00:05:43,020

Flying Saucer expose lots of guys did

118

00:05:50,270 --> 00:05:46,500

back in the day and reputed scientific

119

00:05:52,070 --> 00:05:50,280

Minds military Minds my dad was a

120

00:05:54,590 --> 00:05:52,080

nuclear physicist well I shouldn't say

121

00:05:58,129 --> 00:05:54,600

physics a nuclear technician more

122

00:06:00,350 --> 00:05:58,139

appropriately and uh he was in he worked

123

00:06:02,990 --> 00:06:00,360

as a contractor at the Pentagon for a

124

00:06:05,810 --> 00:06:03,000

year so when I got involved in the in

125

00:06:09,650 --> 00:06:05,820

reading books by Von Donegan and heineck

126

00:06:12,230 --> 00:06:09,660

when I was about 14 15 years old

127

00:06:14,270 --> 00:06:12,240

I took these books those two books in

128

00:06:16,249 --> 00:06:14,280

particular one by heineck and Chariots

129

00:06:19,189 --> 00:06:16,259

of the Gods to my dad in the kitchen one

130

00:06:23,090 --> 00:06:19,199

day I said Dad these guys they're not

131

00:06:25,129 --> 00:06:23,100

just Kooks one's an astrophysicists Dr

132

00:06:28,070 --> 00:06:25,139

heineck and the other is well researched

133

00:06:31,010 --> 00:06:28,080

he's got he paints a good scientific

134

00:06:32,450 --> 00:06:31,020

argument let's just say and I didn't

135

00:06:34,850 --> 00:06:32,460

know if my dad knew anything about the

136

00:06:38,150 --> 00:06:34,860

topic or not I just said do you think

137

00:06:40,430 --> 00:06:38,160

there's any possibility that the topic

138

00:06:41,510 --> 00:06:40,440

of UFOs are the phenomenon of UFOs is

139

00:06:43,909 --> 00:06:41,520

real

140

00:06:46,370 --> 00:06:43,919

and because he was the smartest guy I

141

00:06:49,189 --> 00:06:46,380

knew the most scientific guy I knew and

142

00:06:50,809 --> 00:06:49,199

he thought about he took two three Beats

143

00:06:53,210 --> 00:06:50,819

and he looked me right in the eye and he

144

00:06:59,029 --> 00:06:56,029

right now the US government has no

145

00:07:01,370 --> 00:06:59,039

scientific evidence that supports the

146

00:07:04,430 --> 00:07:01,380

existence of UFOs

147

00:07:07,010 --> 00:07:04,440

and now I'm thinking either he knew that

148

00:07:09,890 --> 00:07:07,020

was a lie and he'd been afraid to say

149

00:07:12,230 --> 00:07:09,900

that right right he was actually reverse

150

00:07:15,050 --> 00:07:12,240

engineering UFO technology and he found

151
00:07:19,629 --> 00:07:15,060
that question very problematical coming

152
00:07:23,089 --> 00:07:19,639
from a basically prepubescent daughter

153
00:07:26,510 --> 00:07:23,099
terribly inquisitive you know or he was

154
00:07:29,330 --> 00:07:26,520
being honest and saying no and I haven't

155
00:07:32,930 --> 00:07:29,340
run across this basically but the way

156
00:07:36,650 --> 00:07:32,940
he he just the fact that he took so long

157
00:07:38,210 --> 00:07:36,660
to choose his words that long it was it

158
00:07:40,249 --> 00:07:38,220
seemed like a very long time it was

159
00:07:42,529 --> 00:07:40,259
really very long but the whole thing

160
00:07:45,170 --> 00:07:42,539
seemed a little hinky to me and now we

161
00:07:47,089 --> 00:07:45,180
know now we know that the period of time

162
00:07:49,270 --> 00:07:47,099
that I was talking about with him so

163
00:07:53,270 --> 00:07:49,280

let's put this all in a temporal context

164

00:07:54,890 --> 00:07:53,280

was publishing in the early 1970s and I

165

00:07:58,129 --> 00:07:54,900

came along his books three four years

166

00:07:59,749 --> 00:07:58,139

later so mid 1970s I'm asking my dad in

167

00:08:02,270 --> 00:07:59,759

the kitchen and I'm talking about

168

00:08:05,270 --> 00:08:02,280

research that was going on from say

169

00:08:08,330 --> 00:08:05,280

after World War II so the mid-1940s to

170

00:08:10,430 --> 00:08:08,340

the mid-1950s that was a Heyday of UFO

171

00:08:13,249 --> 00:08:10,440

research and that's when my dad was

172

00:08:16,969 --> 00:08:13,259

involved with nuclear development so

173

00:08:19,129 --> 00:08:16,979

that's why I was wondering if the if the

174

00:08:22,309 --> 00:08:19,139

even at the subconscious level at that

175

00:08:25,010 --> 00:08:22,319

age in the 70s I knew there had to be a

176

00:08:27,589 --> 00:08:25,020

link between smart guy scientists

177

00:08:29,930 --> 00:08:27,599

whatever they're working on and UFO

178

00:08:32,329 --> 00:08:29,940

research because we know know

179

00:08:34,670 --> 00:08:32,339

historically that smart guy scientists

180

00:08:36,790 --> 00:08:34,680

were asked when they had completed other

181

00:08:39,050 --> 00:08:36,800

obligations and projects within the

182

00:08:41,449 --> 00:08:39,060

military-industrial complex when they'd

183

00:08:44,870 --> 00:08:41,459

finish with those if they were trusted

184

00:08:46,670 --> 00:08:44,880

if they did good work if they passed all

185

00:08:49,610 --> 00:08:46,680

the security checks and things like that

186

00:08:51,650 --> 00:08:49,620

they they were taken to Area 51 or

187

00:08:54,430 --> 00:08:51,660

places like that to hangars with UFOs

188

00:08:57,470 --> 00:08:54,440

shown UFOs and said would you like to

189

00:09:01,810 --> 00:08:57,480

just like help me with his name but the

190

00:09:08,389 --> 00:09:05,570

the engineer who can draw from memory

191

00:09:10,310 --> 00:09:08,399

schematics if UFOs he's done it so much

192

00:09:15,949 --> 00:09:10,320

yeah and

193

00:09:19,850 --> 00:09:15,959

um I uh the Eric Von daniken thing I

194

00:09:23,150 --> 00:09:19,860

thought that was my own unique story my

195

00:09:25,610 --> 00:09:23,160

mom giving me his book in 1970 and and

196

00:09:28,610 --> 00:09:25,620

going to see you know Church of the Gods

197

00:09:31,130 --> 00:09:28,620

the movie and and things that that was

198

00:09:32,590 --> 00:09:31,140

my own unique thing now a couple of

199

00:09:34,430 --> 00:09:32,600

thousand interviews later

200

00:09:35,030 --> 00:09:34,440

[Laughter]

201
00:09:37,850 --> 00:09:35,040
um

202
00:09:40,430 --> 00:09:37,860
I I get that answer over and over again

203
00:09:44,389 --> 00:09:40,440
and a couple of years ago

204
00:09:46,370 --> 00:09:44,399
uh Eric uh asked me to be one of his

205
00:09:50,750 --> 00:09:46,380
first guests on his new podcast and I

206
00:09:52,910 --> 00:09:50,760
said yeah sure that's an honor and uh so

207
00:09:56,150 --> 00:09:52,920
the first question Gene I'm not making

208
00:09:59,570 --> 00:09:56,160
this up either he goes so Jimmy

209
00:10:02,090 --> 00:09:59,580
what got you into UFOs I go

210
00:10:05,210 --> 00:10:02,100
you right

211
00:10:07,310 --> 00:10:05,220
and uh any kind of giggles and and I

212
00:10:09,170 --> 00:10:07,320
said but but Eric I have asked that same

213
00:10:10,910 --> 00:10:09,180

question

214

00:10:14,570 --> 00:10:10,920

um to hundreds and hundreds and hundreds

215

00:10:16,850 --> 00:10:14,580

of guests and they all point to you and

216

00:10:20,630 --> 00:10:16,860

I thought it was my own unique little

217

00:10:22,490 --> 00:10:20,640

thing where I planted a flag and and it

218

00:10:26,870 --> 00:10:22,500

was my own little world no

219

00:10:30,530 --> 00:10:26,880

um he has influenced so many and I'm not

220

00:10:33,230 --> 00:10:30,540

so sure he may kind of have an idea Gene

221

00:10:35,570 --> 00:10:33,240

but I think he has no idea yeah I don't

222

00:10:39,170 --> 00:10:35,580

think so either it is no idea and I'll

223

00:10:40,970 --> 00:10:39,180

tell you why I paid some small amount of

224

00:10:43,490 --> 00:10:40,980

extra money to be in a more private

225

00:10:45,590 --> 00:10:43,500

workshop with him so 40 people and

226

00:10:48,230 --> 00:10:45,600

contact in the desert where I met you

227

00:10:51,350 --> 00:10:48,240

West contact into the Other Desert West

228

00:10:53,810 --> 00:10:51,360

so in California and this was before all

229

00:10:56,990 --> 00:10:53,820

the health emergency stuff so people

230

00:10:58,910 --> 00:10:57,000

roamed freely I thought well meeting

231

00:11:02,170 --> 00:10:58,920

Eric Von Donegan especially in close

232

00:11:05,030 --> 00:11:02,180

quarters was on my bucket list as a UF a

233

00:11:07,009 --> 00:11:05,040

researcher and a fan of Eric vonton

234

00:11:08,690 --> 00:11:07,019

again I was a fan girl at this event I

235

00:11:10,790 --> 00:11:08,700

just went around getting selfies with

236

00:11:12,170 --> 00:11:10,800

everybody and so my selfie with him is

237

00:11:13,730 --> 00:11:12,180

one of my prized possessions and I

238

00:11:16,069 --> 00:11:13,740

wouldn't have it if I weren't the

239

00:11:18,050 --> 00:11:16,079

assertive person that I am he was

240

00:11:20,449 --> 00:11:18,060

setting up for this workshop and he was

241

00:11:22,670 --> 00:11:20,459

speaking in German to his young

242

00:11:25,430 --> 00:11:22,680

assistant who was The Tech Guy I could

243

00:11:27,290 --> 00:11:25,440

tell and Eric was struggling with some

244

00:11:30,110 --> 00:11:27,300

tech stuff he's trying to get his slides

245

00:11:32,870 --> 00:11:30,120

queued up and I'm thinking this is my

246

00:11:34,550 --> 00:11:32,880

time to get my selfie so I weasel my way

247

00:11:36,350 --> 00:11:34,560

I just walked I didn't weasel I walked

248

00:11:38,090 --> 00:11:36,360

right up to him he's sitting down at a

249

00:11:40,490 --> 00:11:38,100

desk he's helpless I walk up I've got my

250

00:11:42,590 --> 00:11:40,500

camera ready and and the focus ready I

251
00:11:44,269 --> 00:11:42,600
said I I am one of your biggest fans you

252
00:11:45,830 --> 00:11:44,279
got me in the UFOs and he's basically

253
00:11:48,829 --> 00:11:45,840
like so what

254
00:11:51,710 --> 00:11:48,839
[Music]

255
00:11:53,690 --> 00:11:51,720
lines of smile took the picture and I'm

256
00:11:55,730 --> 00:11:53,700
so glad I did because after the workshop

257
00:11:57,710 --> 00:11:55,740
I would shoot away naturally after the

258
00:11:59,389 --> 00:11:57,720
workshop he had time for like six

259
00:12:01,850 --> 00:11:59,399
pictures with people before he just got

260
00:12:04,190 --> 00:12:01,860
too tired and off he went and it wasn't

261
00:12:06,650 --> 00:12:04,200
too much he didn't walk the earth plane

262
00:12:10,610 --> 00:12:06,660
for too much longer than that and so it

263
00:12:12,350 --> 00:12:10,620

really was an honor yeah yeah I have uh

264

00:12:14,329 --> 00:12:12,360

one of my favorite pictures I'm going to

265

00:12:18,650 --> 00:12:14,339

show to you here

266

00:12:20,690 --> 00:12:18,660

um it's in my files as the selfie you

267

00:12:23,449 --> 00:12:20,700

ready I'm ready

268

00:12:29,990 --> 00:12:23,459

I think we're all ready yes oh my gosh

269

00:12:32,269 --> 00:12:30,000

who isn't there I'm blinded oh and

270

00:12:35,269 --> 00:12:32,279

um I'm interviewing this is live on the

271

00:12:37,910 --> 00:12:35,279

radio uh and it's it's the full picture

272

00:12:40,730 --> 00:12:37,920

but during the commercial break I'm like

273

00:12:44,090 --> 00:12:40,740

man I gotta take a selfie of this oh

274

00:12:47,150 --> 00:12:44,100

yeah the best part is is Eric look at

275

00:12:51,290 --> 00:12:47,160

Eric's face I mean you know it doesn't

276

00:12:52,129 --> 00:12:51,300

get whatever whatever yeah because I had

277

00:12:54,050 --> 00:12:52,139

horned my

278

00:12:55,490 --> 00:12:54,060

gotten myself and by the way I was going

279

00:12:58,670 --> 00:12:55,500

to show you but my camera's in the other

280

00:13:00,889 --> 00:12:58,680

room so maybe after a break but uh you

281

00:13:03,470 --> 00:13:00,899

know to prove that I'm not lying uh

282

00:13:05,030 --> 00:13:03,480

because and also I'd sat I was sitting

283

00:13:07,190 --> 00:13:05,040

in the front row I mean there were four

284

00:13:10,670 --> 00:13:07,200

rows of people ten in a row basically

285

00:13:12,710 --> 00:13:10,680

and I know I've I'm of I'm this person

286

00:13:14,930 --> 00:13:12,720

I'm the person he's talking to I'm his

287

00:13:16,490 --> 00:13:14,940

audience and I wasn't the only one who

288

00:13:17,629 --> 00:13:16,500

was his audience in the audience but I'm

289

00:13:21,110 --> 00:13:17,639

very well schooled and I'm very

290

00:13:22,970 --> 00:13:21,120

articulate and I'm very mouthy so once

291

00:13:24,949 --> 00:13:22,980

you got into the workshop I'm following

292

00:13:26,509 --> 00:13:24,959

right along and this was two with other

293

00:13:29,750 --> 00:13:26,519

people at the convention too following

294

00:13:32,629 --> 00:13:29,760

along in conversation and asking

295

00:13:35,150 --> 00:13:32,639

intelligent your main questions and

296

00:13:37,129 --> 00:13:35,160

making intelligent Jermaine comments at

297

00:13:38,750 --> 00:13:37,139

all the right times well he was a bit

298

00:13:43,730 --> 00:13:38,760

combative and argumentative at first

299

00:13:45,889 --> 00:13:43,740

because I'd riled him by ruffling by

300

00:13:48,170 --> 00:13:45,899

upsetting his flow before the workshop

301

00:13:49,610 --> 00:13:48,180

and I get it I get that totally as a

302

00:13:51,530 --> 00:13:49,620

person who does presentations and

303

00:13:54,470 --> 00:13:51,540

performance I totally get that and I was

304

00:13:56,269 --> 00:13:54,480

in that sense disrespectful but I don't

305

00:13:58,129 --> 00:13:56,279

have any regrets because that's what he

306

00:14:00,769 --> 00:13:58,139

gets paid to do okay he's he should know

307

00:14:02,949 --> 00:14:00,779

he's a celeb and and he's so humble and

308

00:14:05,269 --> 00:14:02,959

modest I will say yeah

309

00:14:07,310 --> 00:14:05,279

he knows he was come he was

310

00:14:09,050 --> 00:14:07,320

confrontational at first in the workshop

311

00:14:11,030 --> 00:14:09,060

but I want him over I want him over

312

00:14:13,550 --> 00:14:11,040

because it's just you know my charm is

313

00:14:15,889 --> 00:14:13,560

irresistible for one thing but when you

314

00:14:18,769 --> 00:14:15,899

get people who know the topics in the

315

00:14:20,350 --> 00:14:18,779

same confined space the the in my

316

00:14:23,750 --> 00:14:20,360

opinion the enthusiasm becomes

317

00:14:26,449 --> 00:14:23,760

infectious and he showed video that he

318

00:14:28,970 --> 00:14:26,459

had commissioned or of working that

319

00:14:31,850 --> 00:14:28,980

commissioned inside the Great Pyramid in

320

00:14:35,710 --> 00:14:31,860

Egypt going a little robot with a camera

321

00:14:38,509 --> 00:14:35,720

on it going up a new passage an unbefore

322

00:14:39,829 --> 00:14:38,519

unexplored passage and up and up and up

323

00:14:42,470 --> 00:14:39,839

this rapid goes and it meets a little

324

00:14:45,110 --> 00:14:42,480

wall and so they bring the thing back

325

00:14:47,269 --> 00:14:45,120

and they neuter and they get a little

326

00:14:49,009 --> 00:14:47,279

more funding and they put a basically a

327

00:14:51,230 --> 00:14:49,019

drill or a hammer on this thing and it

328

00:14:52,970 --> 00:14:51,240

goes in and it destroys the wall so it

329

00:14:53,870 --> 00:14:52,980

can get through and it goes through and

330

00:14:55,370 --> 00:14:53,880

it goes through and it goes through and

331

00:14:56,750 --> 00:14:55,380

finally gets to a dead end and there's

332

00:14:59,689 --> 00:14:56,760

like

333

00:15:01,790 --> 00:14:59,699

a spike or something there's there's

334

00:15:04,970 --> 00:15:01,800

some Hardware in there yeah yeah

335

00:15:08,030 --> 00:15:04,980

inexplicable Hardware in there and not

336

00:15:12,050 --> 00:15:08,040

much else and yeah it was two copper

337

00:15:14,750 --> 00:15:12,060

plugs two copper plugs yeah yeah that

338

00:15:16,310 --> 00:15:14,760

was very conclusive but uh nonetheless

339

00:15:18,170 --> 00:15:16,320

fascinating if you like that sort of

340

00:15:21,710 --> 00:15:18,180

icky thing which I do now what do you

341

00:15:24,949 --> 00:15:21,720

clearly you do too yeah I I studied that

342

00:15:27,530 --> 00:15:24,959

uh for uh it's called Gayton brings a

343

00:15:29,930 --> 00:15:27,540

door it's uh it's a fascinating part of

344

00:15:31,910 --> 00:15:29,940

the uh the Giza Pyramid well we'll

345

00:15:33,889 --> 00:15:31,920

Circle back to that I do want to talk

346

00:15:36,769 --> 00:15:33,899

about Egypt and and sites around the

347

00:15:39,590 --> 00:15:36,779

world but I want to get your take on

348

00:15:40,790 --> 00:15:39,600

because you've been doing this uh for so

349

00:15:45,170 --> 00:15:40,800

long

350

00:15:48,170 --> 00:15:45,180

um did you ever see a day where uh we

351

00:15:50,750 --> 00:15:48,180

would not only have the Pentagon and

352

00:15:53,150 --> 00:15:50,760

Congress and Washington but but

353

00:15:57,530 --> 00:15:53,160

universities and the community and the

354

00:16:00,650 --> 00:15:57,540

media all at the same time uh presenting

355

00:16:02,710 --> 00:16:00,660

the subject of UFOs to the world like we

356

00:16:05,689 --> 00:16:02,720

are today did you see this coming ever

357

00:16:07,550 --> 00:16:05,699

well it was on my mind constantly and

358

00:16:09,949 --> 00:16:07,560

something I hope for but what's most

359

00:16:13,069 --> 00:16:09,959

interesting to me is that despite all of

360

00:16:16,009 --> 00:16:13,079

that aforementioned by you the general

361

00:16:18,350 --> 00:16:16,019

public doesn't know about any of that

362

00:16:19,970 --> 00:16:18,360

in other words after all those years of

363

00:16:22,550 --> 00:16:19,980

CIA funded

364

00:16:27,829 --> 00:16:22,560

discrediting

365

00:16:30,110 --> 00:16:27,839

and disparaging and ruining careers I

366

00:16:32,689 --> 00:16:30,120

had hoped for a public apology quite

367

00:16:35,449 --> 00:16:32,699

honestly and I know that's a little much

368

00:16:38,689 --> 00:16:35,459

to hope for but I had hoped that some

369

00:16:41,150 --> 00:16:38,699

agency would come out and say well

370

00:16:44,509 --> 00:16:41,160

we weren't completely telling the truth

371

00:16:47,090 --> 00:16:44,519

but instead this new structure has grown

372

00:16:51,170 --> 00:16:47,100

up all of a sudden out of the Pentagon

373

00:16:53,509 --> 00:16:51,180

that uh in order to defend their Naval

374

00:16:54,889 --> 00:16:53,519

Airmen especially in other branches of

375

00:16:57,170 --> 00:16:54,899

government personnel and other branches

376

00:16:59,090 --> 00:16:57,180

of government they've decided to admit

377

00:17:01,189 --> 00:16:59,100

yeah these things exist and we don't

378

00:17:03,710 --> 00:17:01,199

know what they are but that didn't make

379

00:17:06,049 --> 00:17:03,720

front front page news interestingly

380

00:17:09,230 --> 00:17:06,059

enough that came out and I think it was

381

00:17:10,909 --> 00:17:09,240

April or May of 2020 and there were

382

00:17:12,470 --> 00:17:10,919

other health issues going on in the

383

00:17:15,110 --> 00:17:12,480

country in the world at that time as you

384

00:17:16,250 --> 00:17:15,120

may recall so what better time I guess

385

00:17:19,250 --> 00:17:16,260

to

386

00:17:20,689 --> 00:17:19,260

leak the so-called Tic Tac videos or

387

00:17:22,909 --> 00:17:20,699

they didn't leak them they Declassified

388

00:17:24,770 --> 00:17:22,919

them and then they said yeah these are

389

00:17:26,329 --> 00:17:24,780

these are our property they're

390

00:17:27,590 --> 00:17:26,339

government property they're the real

391

00:17:30,289 --> 00:17:27,600

thing in other words

392

00:17:32,390 --> 00:17:30,299

so basically all the analysis that on

393

00:17:34,549 --> 00:17:32,400

the analysis the discussion that had

394

00:17:36,710 --> 00:17:34,559

come before that regarding those

395

00:17:39,590 --> 00:17:36,720

specific videos and any other like them

396

00:17:42,230 --> 00:17:39,600

plus any other military or non-military

397

00:17:44,570 --> 00:17:42,240

citing ever in history

398

00:17:46,130 --> 00:17:44,580

comes back up for review

399

00:17:49,070 --> 00:17:46,140

and it's kind of like the legalization

400

00:17:51,049 --> 00:17:49,080

of pot where we spring people out of

401
00:17:52,070 --> 00:17:51,059
jail who were formally criminalized

402
00:17:54,409 --> 00:17:52,080
because they're not criminals anymore

403
00:17:55,610 --> 00:17:54,419
how about that big fat apology from the

404
00:17:58,549 --> 00:17:55,620
federal government for all the people

405
00:18:00,409 --> 00:17:58,559
who were reviled for covering UFOs in a

406
00:18:02,029 --> 00:18:00,419
very serious way and now it's being

407
00:18:03,710 --> 00:18:02,039
covered in a very serious way and still

408
00:18:05,210 --> 00:18:03,720
the average person doesn't know it's

409
00:18:07,549 --> 00:18:05,220
being covered in a very serious way

410
00:18:08,930 --> 00:18:07,559
that's my take on it yeah no that's a

411
00:18:11,810 --> 00:18:08,940
that's a really really really really

412
00:18:13,850 --> 00:18:11,820
good point and

413
00:18:15,529 --> 00:18:13,860

um there's there's another part to that

414

00:18:20,390 --> 00:18:15,539

though

415

00:18:22,490 --> 00:18:20,400

um it seems at least from where I sit

416

00:18:27,590 --> 00:18:22,500

uh that the world is so much more

417

00:18:30,890 --> 00:18:27,600

educated now right much smarter and when

418

00:18:33,590 --> 00:18:30,900

when heinek and and blue book in the 40s

419

00:18:36,289 --> 00:18:33,600

and 50s and 60s and and that's Donald

420

00:18:39,110 --> 00:18:36,299

Keyhole and and James McDonald and and

421

00:18:43,010 --> 00:18:39,120

everybody else that was involved uh with

422

00:18:45,049 --> 00:18:43,020

uh UFOs in the investigation of them

423

00:18:47,690 --> 00:18:45,059

um we didn't have an understanding of

424

00:18:50,810 --> 00:18:47,700

like we do today of the universe and and

425

00:18:53,890 --> 00:18:50,820

planets and the size of things

426

00:18:56,270 --> 00:18:53,900

um today I think everybody knows

427

00:18:58,190 --> 00:18:56,280

universe is a very big place and it's

428

00:19:00,650 --> 00:18:58,200

got to be full of life

429

00:19:02,810 --> 00:19:00,660

and that's the other interesting part

430

00:19:06,310 --> 00:19:02,820

where I think the planet is handling

431

00:19:09,830 --> 00:19:06,320

things pretty well don't you

432

00:19:12,230 --> 00:19:09,840

respectfully I have to agree somewhat

433

00:19:15,289 --> 00:19:12,240

but disagree that

434

00:19:17,570 --> 00:19:15,299

first people know people generally know

435

00:19:19,430 --> 00:19:17,580

more about say astronomy or the nature

436

00:19:20,750 --> 00:19:19,440

of nature it's not at all clear to me

437

00:19:23,390 --> 00:19:20,760

that that is true especially after

438

00:19:25,970 --> 00:19:23,400

Decades of dumbing down I've seen videos

439

00:19:27,409 --> 00:19:25,980

YouTube videos and and you can find the

440

00:19:30,110 --> 00:19:27,419

other spectrum of this as well you can

441

00:19:32,810 --> 00:19:30,120

find plenty educated and smart youth who

442

00:19:35,750 --> 00:19:32,820

who will be Our Saviors in the future I

443

00:19:37,909 --> 00:19:35,760

have no no worry about the decline of

444

00:19:39,890 --> 00:19:37,919

that that aspect of the decline of

445

00:19:41,930 --> 00:19:39,900

civilization as we know it however

446

00:19:44,930 --> 00:19:41,940

there's plenty of reporters wandering

447

00:19:46,430 --> 00:19:44,940

around college campuses where basically

448

00:19:48,650 --> 00:19:46,440

students don't know where they live

449

00:19:52,549 --> 00:19:48,660

cannot find the United States on a map

450

00:19:54,590 --> 00:19:52,559

okay so I'm I'm thinking so so one thing

451
00:19:56,810 --> 00:19:54,600
is it's not at all clear to me that the

452
00:19:59,090 --> 00:19:56,820
the average person is better educated

453
00:20:01,430 --> 00:19:59,100
about science generally than they were

454
00:20:03,770 --> 00:20:01,440
after World War II and I say that

455
00:20:06,049 --> 00:20:03,780
because remember after World War II

456
00:20:09,049 --> 00:20:06,059
there was this rise in and spike in

457
00:20:11,270 --> 00:20:09,059
interest in science and technology went

458
00:20:13,970 --> 00:20:11,280
along with this recruiting of smart

459
00:20:16,150 --> 00:20:13,980
smart people after World War II people

460
00:20:18,650 --> 00:20:16,160
who demonstrated their cleverness both

461
00:20:20,690 --> 00:20:18,660
mechanically as Engineers but also

462
00:20:22,909 --> 00:20:20,700
theoretically as well and so very smart

463
00:20:24,289 --> 00:20:22,919

people were recruited and also came in

464

00:20:26,210 --> 00:20:24,299

from foreign countries through Project

465

00:20:28,370 --> 00:20:26,220

Paperclip Etc

466

00:20:30,590 --> 00:20:28,380

so there were kids books I grew up with

467

00:20:33,010 --> 00:20:30,600

kids books in the library about let's

468

00:20:37,250 --> 00:20:33,020

what would it be like to go to the Moon

469

00:20:40,450 --> 00:20:37,260

and we had on TV soon after the Jetsons

470

00:20:43,970 --> 00:20:40,460

in the 60s before that there were pulp

471

00:20:46,250 --> 00:20:43,980

comics and Pope dime novels and things

472

00:20:49,850 --> 00:20:46,260

like that about that that grew out of

473

00:20:53,270 --> 00:20:49,860

H.G Wells and Jules Verne there's been

474

00:20:56,150 --> 00:20:53,280

thought about science

475

00:20:59,090 --> 00:20:56,160

fact science fiction science fantasy for

476
00:21:02,570 --> 00:20:59,100
a very very very very long time

477
00:21:05,029 --> 00:21:02,580
and the story that I'm thinking about is

478
00:21:06,950 --> 00:21:05,039
Betty Hill of Betty and Barney Hill the

479
00:21:10,310 --> 00:21:06,960
famous abduction that I cover in my book

480
00:21:13,690 --> 00:21:10,320
unknown objects the top 10 US UFO cases

481
00:21:19,250 --> 00:21:16,610
Betty after being abducted and having

482
00:21:21,950 --> 00:21:19,260
had a rigorous medical exam which was

483
00:21:24,529 --> 00:21:21,960
not at all pleasant but not but but

484
00:21:26,330 --> 00:21:24,539
somehow she she reported afterwards

485
00:21:28,549 --> 00:21:26,340
years afterwards that she came out of it

486
00:21:31,789 --> 00:21:28,559
smiling and feeling chatty and chatted

487
00:21:34,190 --> 00:21:31,799
up the captain of the ship who showed

488
00:21:35,870 --> 00:21:34,200

her a star map basically and said well

489

00:21:37,490 --> 00:21:35,880

we live here she said where are you

490

00:21:39,049 --> 00:21:37,500

where do you live and he said well we

491

00:21:40,850 --> 00:21:39,059

live here and he showed a star map we

492

00:21:42,970 --> 00:21:40,860

live here and this is our system and we

493

00:21:46,070 --> 00:21:42,980

do this we trade with these guys

494

00:21:48,529 --> 00:21:46,080

and he said so you've seen where we live

495

00:21:49,970 --> 00:21:48,539

now you know where you live relative to

496

00:21:53,330 --> 00:21:49,980

there right you could you could show me

497

00:21:55,070 --> 00:21:53,340

and she's like oh no I don't no I don't

498

00:21:56,330 --> 00:21:55,080

know anything about astronomy or

499

00:21:58,250 --> 00:21:56,340

anything like that I mean I don't even

500

00:22:01,310 --> 00:21:58,260

think she knew the word astronomy quite

501
00:22:03,529 --> 00:22:01,320
honestly she she was a well a social

502
00:22:05,270 --> 00:22:03,539
worker just wasn't her field you know

503
00:22:06,710 --> 00:22:05,280
I'm not degrading her intelligence I'm

504
00:22:09,289 --> 00:22:06,720
sure she was plenty smart she just

505
00:22:11,090 --> 00:22:09,299
hadn't learned that all right but when

506
00:22:13,250 --> 00:22:11,100
you grow up with a dad who's a super

507
00:22:15,370 --> 00:22:13,260
scientist you get introduced to books

508
00:22:17,990 --> 00:22:15,380
about space face you know

509
00:22:19,730 --> 00:22:18,000
yeah so I think it really depends on who

510
00:22:22,310 --> 00:22:19,740
you hang out with and I think you Jimmy

511
00:22:25,730 --> 00:22:22,320
hang out with people who know a lot

512
00:22:27,770 --> 00:22:25,740
about space no that that's true though

513
00:22:30,710 --> 00:22:27,780

where

514

00:22:33,710 --> 00:22:30,720

um uh you would watch I think Jay Leno

515

00:22:36,710 --> 00:22:33,720

did it uh a lot you know the man on the

516

00:22:39,049 --> 00:22:36,720

street stuff and would go out and and

517

00:22:41,450 --> 00:22:39,059

ask people you know basic questions

518

00:22:42,669 --> 00:22:41,460

about history and geography and and

519

00:22:46,490 --> 00:22:42,679

whatever

520

00:22:50,149 --> 00:22:46,500

and nobody knew the answers

521

00:22:51,649 --> 00:22:50,159

to some very basic questions and the

522

00:22:53,330 --> 00:22:51,659

questions that you and I would go oh

523

00:22:57,289 --> 00:22:53,340

come on you know who's on a five dollar

524

00:22:59,470 --> 00:22:57,299

bill who's on the penny uh who or you

525

00:23:04,370 --> 00:22:59,480

know these questions and

526

00:23:07,850 --> 00:23:04,380

what and that you're right about that I

527

00:23:09,950 --> 00:23:07,860

I I I I think I have to agree and then

528

00:23:12,409 --> 00:23:09,960

maybe get a little deeper why is why at

529

00:23:14,330 --> 00:23:12,419

one time was a penny called a red Cent

530

00:23:16,490 --> 00:23:14,340

where does that term come from Red scent

531

00:23:18,950 --> 00:23:16,500

what's a red scent well it's kind of

532

00:23:20,390 --> 00:23:18,960

racist well what about a no it's from

533

00:23:22,070 --> 00:23:20,400

the copper it's from the copper

534

00:23:23,810 --> 00:23:22,080

Independence Oh I thought you're talking

535

00:23:25,250 --> 00:23:23,820

about an Indian Head Penny yeah the

536

00:23:27,470 --> 00:23:25,260

Indian had pennies I thought it was from

537

00:23:29,570 --> 00:23:27,480

the copper content well it could be it

538

00:23:31,970 --> 00:23:29,580

might be right we would want to go there

539

00:23:33,230 --> 00:23:31,980

we don't want to go there that's what I

540

00:23:35,149 --> 00:23:33,240

said I don't know if most people don't

541

00:23:38,210 --> 00:23:35,159

even know there was an Indian head penny

542

00:23:42,649 --> 00:23:38,220

well what about oh okay and then we have

543

00:23:45,789 --> 00:23:42,659

things like uh the the UFO hearings uh

544

00:23:48,710 --> 00:23:45,799

well we had one UFO hearing and then one

545

00:23:53,870 --> 00:23:48,720

Arrow budget hearing uh the second

546

00:23:56,750 --> 00:23:53,880

hearing uh uh wasn't uh as UFO Centric

547

00:23:58,970 --> 00:23:56,760

as certainly the first one was did that

548

00:24:00,529 --> 00:23:58,980

I'm sorry about the 2022 National

549

00:24:03,590 --> 00:24:00,539

Defense budget

550

00:24:06,049 --> 00:24:03,600

the the the the hearing in the House of

551
00:24:08,690 --> 00:24:06,059
Representatives last year with Andre

552
00:24:10,850 --> 00:24:08,700
Carson uh chairing

553
00:24:14,870 --> 00:24:10,860
um that was we haven't had anything like

554
00:24:18,110 --> 00:24:14,880
that uh since the 1960s you know it was

555
00:24:19,430 --> 00:24:18,120
50 years yeah yeah yeah well what's

556
00:24:21,830 --> 00:24:19,440
really interesting is that all of a

557
00:24:24,110 --> 00:24:21,840
sudden since 2020 with you know first

558
00:24:27,049 --> 00:24:24,120
came the Pentagon disclosure and I've

559
00:24:29,149 --> 00:24:27,059
been talking about writing about

560
00:24:31,190 --> 00:24:29,159
preaching about disclosures everybody

561
00:24:33,230 --> 00:24:31,200
everybody in UFO research has been

562
00:24:35,570 --> 00:24:33,240
talking about disclosure when will it

563
00:24:38,110 --> 00:24:35,580

come it's got to come it will come

564

00:24:40,909 --> 00:24:38,120

it will come next year

565

00:24:42,350 --> 00:24:40,919

1993 is the year of disclosure Etc et

566

00:24:44,570 --> 00:24:42,360

cetera and finally it did come but it

567

00:24:47,690 --> 00:24:44,580

came with a whimper not a bang

568

00:24:51,010 --> 00:24:47,700

and the next year or two the government

569

00:24:55,130 --> 00:24:51,020

rolls out new agencies and new acronyms

570

00:24:57,470 --> 00:24:55,140

UFO becomes UAP an identified aerial

571

00:25:00,110 --> 00:24:57,480

phenomenon I did a couple shows just

572

00:25:02,930 --> 00:25:00,120

picking that term apart linguistically

573

00:25:05,990 --> 00:25:02,940

what's the military reasoning behind

574

00:25:07,490 --> 00:25:06,000

this new brainwashing term basically

575

00:25:09,350 --> 00:25:07,500

this all has to do with public

576
00:25:13,549 --> 00:25:09,360
perception of things which is ultimately

577
00:25:16,490 --> 00:25:13,559
a type of brainwashing and so why has

578
00:25:20,029 --> 00:25:16,500
the term UFO fallen out of favor I think

579
00:25:22,669 --> 00:25:20,039
it's to obfuscate and and obscure the

580
00:25:24,590 --> 00:25:22,679
topic entirely UAP what's that it's

581
00:25:27,049 --> 00:25:24,600
non-controversial it's not a hot button

582
00:25:28,970 --> 00:25:27,059
at all UFO it's a hot button right you

583
00:25:33,049 --> 00:25:28,980
must be crazy to believe in UFOs yeah

584
00:25:36,289 --> 00:25:33,059
well UFO and uh UFO means one thing to

585
00:25:40,930 --> 00:25:36,299
anybody aliens not of this Earth that's

586
00:25:43,490 --> 00:25:40,940
what UFO means and yeah and and UAP

587
00:25:45,289 --> 00:25:43,500
nothing to most people right that could

588
00:25:46,690 --> 00:25:45,299

it certainly I don't think that people

589

00:25:49,850 --> 00:25:46,700

make a connection

590

00:25:52,970 --> 00:25:49,860

uh to uh you know little green men from

591

00:25:55,610 --> 00:25:52,980

Mars when they hear UAP and I think that

592

00:25:57,710 --> 00:25:55,620

that was done with intention and the

593

00:25:59,570 --> 00:25:57,720

other what's also interesting about that

594

00:26:01,730 --> 00:25:59,580

name change is that the word object has

595

00:26:04,250 --> 00:26:01,740

now changed to phenomenon and if you

596

00:26:06,350 --> 00:26:04,260

think about it the object would be the

597

00:26:08,330 --> 00:26:06,360

craft but what's really interesting is

598

00:26:12,049 --> 00:26:08,340

what you just alluded to or just said

599

00:26:14,210 --> 00:26:12,059

that the real interest is in my opinion

600

00:26:17,149 --> 00:26:14,220

is are the occupants the people inside

601
00:26:18,769 --> 00:26:17,159
the craft and when I talk about this a

602
00:26:21,649 --> 00:26:18,779
lot of people who really aren't that

603
00:26:25,130 --> 00:26:21,659
into the topic don't really consider the

604
00:26:27,890 --> 00:26:25,140
ramifications of if you if you allow for

605
00:26:30,049 --> 00:26:27,900
the existence of The Craft you pretty

606
00:26:31,730 --> 00:26:30,059
much have to allow for the existence of

607
00:26:33,710 --> 00:26:31,740
somebody who built them and drives them

608
00:26:36,890 --> 00:26:33,720
around or flies them around

609
00:26:38,630 --> 00:26:36,900
and that gets a little scarier for a lot

610
00:26:42,409 --> 00:26:38,640
of people well it does it does for me

611
00:26:44,210 --> 00:26:42,419
too because if we if we back up a few

612
00:26:47,390 --> 00:26:44,220
decades

613
00:26:52,549 --> 00:26:47,400

um the the original ideas and myself

614

00:26:55,070 --> 00:26:52,559

included was a a craft some metallic

615

00:26:56,930 --> 00:26:55,080

thing spanning the universe with some

616

00:27:01,250 --> 00:26:56,940

little dude in there you know with you

617

00:27:04,730 --> 00:27:01,260

know flying this thing and and today uh

618

00:27:06,529 --> 00:27:04,740

I'm not so sure if that is that's the

619

00:27:09,590 --> 00:27:06,539

case with some of them yeah absolutely

620

00:27:12,890 --> 00:27:09,600

but I think there's so many different

621

00:27:15,110 --> 00:27:12,900

types of civilizations out there that

622

00:27:17,890 --> 00:27:15,120

they could be getting here any number of

623

00:27:22,190 --> 00:27:17,900

ways and and and

624

00:27:25,669 --> 00:27:22,200

uh they are seen any number of ways

625

00:27:27,830 --> 00:27:25,679

whether it is uh interdimensional if

626

00:27:29,390 --> 00:27:27,840

it's through a portal

627

00:27:32,390 --> 00:27:29,400

um or if there is something else going

628

00:27:34,730 --> 00:27:32,400

on or if the ship is even solid you know

629

00:27:37,370 --> 00:27:34,740

we don't even know that

630

00:27:39,590 --> 00:27:37,380

um I think that the perception is is so

631

00:27:42,529 --> 00:27:39,600

wide these days don't you

632

00:27:46,070 --> 00:27:42,539

I do I do and I think you're entirely

633

00:27:47,169 --> 00:27:46,080

right why would their own if there were

634

00:27:50,330 --> 00:27:47,179

any

635

00:27:52,669 --> 00:27:50,340

extraterrestrial species why wouldn't

636

00:27:54,649 --> 00:27:52,679

there be lots you know if there was a

637

00:27:56,750 --> 00:27:54,659

single one why wouldn't there be lots of

638

00:27:59,450 --> 00:27:56,760

them and I'm not even talking about

639

00:28:04,090 --> 00:27:59,460

Drake's equation which I think is

640

00:28:07,789 --> 00:28:04,100

part of the CIA mind

641

00:28:10,549 --> 00:28:07,799

F I don't know what I don't know how

642

00:28:13,370 --> 00:28:10,559

censored we are here but censored worse

643

00:28:15,409 --> 00:28:13,380

but but we got you Gene we got you yeah

644

00:28:20,450 --> 00:28:15,419

you catch my drift

645

00:28:22,490 --> 00:28:20,460

I do I do the Drake equation and here I

646

00:28:26,510 --> 00:28:22,500

was talking about this last week

647

00:28:29,269 --> 00:28:26,520

Drake Frank Drake uh when he originally

648

00:28:31,850 --> 00:28:29,279

wrote it out and and spit out his first

649

00:28:34,430 --> 00:28:31,860

number the number that he came up with

650

00:28:36,649 --> 00:28:34,440

was ten thousand now let's explain for

651
00:28:39,350 --> 00:28:36,659
listeners who don't know the Drake

652
00:28:42,230 --> 00:28:39,360
equation is a mathematical formula that

653
00:28:44,690 --> 00:28:42,240
basically says there are so many what

654
00:28:47,870 --> 00:28:44,700
Star Trek would call m-class planets so

655
00:28:50,090 --> 00:28:47,880
many potentially Haverhill planets as

656
00:28:52,430 --> 00:28:50,100
far as we can extrapolate or determine

657
00:28:55,250 --> 00:28:52,440
mathematically by projecting what we

658
00:28:59,110 --> 00:28:55,260
know based into what we don't know that

659
00:29:02,630 --> 00:28:59,120
the probability is so high there must be

660
00:29:05,269 --> 00:29:02,640
extraterrestrial intelligent life beings

661
00:29:08,510 --> 00:29:05,279
elsewhere go ahead and and and what

662
00:29:10,909 --> 00:29:08,520
would that number be and when he wrote

663
00:29:14,029 --> 00:29:10,919

that uh equation which I think was

664

00:29:16,010 --> 00:29:14,039

necessary and it's still valuable today

665

00:29:19,789 --> 00:29:16,020

but when he wrote it we hadn't

666

00:29:22,190 --> 00:29:19,799

discovered we wouldn't discover uh our

667

00:29:24,230 --> 00:29:22,200

first exoplanet for another 40 years he

668

00:29:26,870 --> 00:29:24,240

wrote that in 1955. well we wouldn't

669

00:29:30,470 --> 00:29:26,880

Discover It empirically but I maintained

670

00:29:32,570 --> 00:29:30,480

that we have had we nations of Earth we

671

00:29:35,409 --> 00:29:32,580

people of Earth have had contact with

672

00:29:37,490 --> 00:29:35,419

Ester terrestrials since time immemorial

673

00:29:41,450 --> 00:29:37,500

that they have been contacting

674

00:29:45,230 --> 00:29:41,460

government agents and agencies in more

675

00:29:46,549 --> 00:29:45,240

recent history and making secret pacts

676
00:29:50,149 --> 00:29:46,559
and deals

677
00:29:53,510 --> 00:29:50,159
that are affecting societies today and

678
00:29:55,190 --> 00:29:53,520
not necessarily for our benefit we may

679
00:29:57,889 --> 00:29:55,200
be seeing some benefits but not

680
00:30:02,450 --> 00:29:57,899
necessarily for the overall benefit of

681
00:30:04,490 --> 00:30:02,460
human impediments and and so uh and I

682
00:30:05,690 --> 00:30:04,500
agree with that but here's here's the

683
00:30:09,409 --> 00:30:05,700
issue though

684
00:30:11,750 --> 00:30:09,419
is that the government is saying over

685
00:30:16,010 --> 00:30:11,760
and over again whether it's Susan Goff

686
00:30:17,690 --> 00:30:16,020
at uh the Pentagon or uh any of the

687
00:30:19,370 --> 00:30:17,700
secretary by the way if you didn't know

688
00:30:21,130 --> 00:30:19,380

people yes yes

689

00:30:24,590 --> 00:30:21,140

um it is

690

00:30:26,690 --> 00:30:24,600

uh we just don't know we don't

691

00:30:29,090 --> 00:30:26,700

understand we need to find out we just

692

00:30:30,409 --> 00:30:29,100

don't know yeah and the weird thing I

693

00:30:32,210 --> 00:30:30,419

have to interject the weird thing is

694

00:30:35,409 --> 00:30:32,220

that the government is acting like these

695

00:30:38,510 --> 00:30:35,419

brand new agencies since 2020 2021 2022

696

00:30:39,830 --> 00:30:38,520

our starting toddler Raza Clean Slate

697

00:30:41,930 --> 00:30:39,840

that we know nothing about the

698

00:30:44,510 --> 00:30:41,940

phenomenon what what about all these

699

00:30:46,789 --> 00:30:44,520

Decades of research what about mufon

700

00:30:48,470 --> 00:30:46,799

what about all the other intelligence

701
00:30:50,470 --> 00:30:48,480
gathering agencies and evidence

702
00:30:53,810 --> 00:30:50,480
Gathering agencies

703
00:30:55,310 --> 00:30:53,820
even NORAD I mean come on you're not

704
00:30:56,510 --> 00:30:55,320
just starting from scratch and they're

705
00:30:59,269 --> 00:30:56,520
acting like they're starting from

706
00:31:01,190 --> 00:30:59,279
scratch what up with that Jimmy yeah

707
00:31:04,070 --> 00:31:01,200
well if you go back you brought up Jay

708
00:31:05,230 --> 00:31:04,080
Allen heineck right and and his book the

709
00:31:08,450 --> 00:31:05,240
the the

710
00:31:10,149 --> 00:31:08,460
uh forget the exact title the report on

711
00:31:14,450 --> 00:31:10,159
Project Blue Book that was written in

712
00:31:16,909 --> 00:31:14,460
1977. and he was an angry man when he

713
00:31:21,649 --> 00:31:16,919

wrote that book yes he was he was very

714

00:31:26,090 --> 00:31:21,659

angry and fed up ski he was and when you

715

00:31:32,330 --> 00:31:29,210

and the way that he wrote about it uh

716

00:31:34,310 --> 00:31:32,340

back then his his anger his bitterness

717

00:31:37,730 --> 00:31:34,320

towards the government and the Air Force

718

00:31:40,549 --> 00:31:37,740

in general that they did not take any of

719

00:31:43,909 --> 00:31:40,559

it seriously and and if they were taking

720

00:31:46,909 --> 00:31:43,919

it seriously he had to represent to the

721

00:31:49,430 --> 00:31:46,919

public that it was a nothing burger and

722

00:31:52,549 --> 00:31:49,440

that they had to explain everything away

723

00:31:54,649 --> 00:31:52,559

and he clearly said that that is not the

724

00:31:59,690 --> 00:31:54,659

case the way that he wrote about it in

725

00:32:02,510 --> 00:31:59,700

77 is fresh words today in 2023 the book

726

00:32:05,149 --> 00:32:02,520

could be published today and and be just

727

00:32:07,909 --> 00:32:05,159

as legible and readable and same with

728

00:32:10,190 --> 00:32:07,919

major Donald Q Kehoe you mentioned

729

00:32:12,370 --> 00:32:10,200

earlier a friend of mine a neighbor of

730

00:32:17,409 --> 00:32:12,380

mine was cleaning out his mother's house

731

00:32:19,970 --> 00:32:17,419

found a copy a rare copy of keho's

732

00:32:23,090 --> 00:32:19,980

flying saucers are real

733

00:32:26,990 --> 00:32:23,100

and gave it to me a year ago or so it's

734

00:32:30,350 --> 00:32:27,000

amazing this is this is for First Source

735

00:32:32,870 --> 00:32:30,360

for UFO research for many people yeah I

736

00:32:34,970 --> 00:32:32,880

have a published in the 50s with this

737

00:32:37,490 --> 00:32:34,980

fresh research they were doing and he

738

00:32:39,610 --> 00:32:37,500

was reviled by his own people by the

739

00:32:42,610 --> 00:32:39,620

military he was

740

00:32:46,490 --> 00:32:42,620

oh it just makes me so bad

741

00:32:49,730 --> 00:32:46,500

and and so where are we though today is

742

00:32:53,510 --> 00:32:49,740

is is disclosure

743

00:32:56,690 --> 00:32:53,520

um around the corner is that where we

744

00:32:57,710 --> 00:32:56,700

happened it's it's here it it done did

745

00:33:03,590 --> 00:32:57,720

it

746

00:33:05,930 --> 00:33:03,600

well to what degree though because

747

00:33:11,350 --> 00:33:05,940

um and the the reason why I say that

748

00:33:15,529 --> 00:33:11,360

is there are so many millions of people

749

00:33:19,310 --> 00:33:15,539

that their version of disclosure is

750

00:33:21,590 --> 00:33:19,320

absolutely 100 what they need is the

751

00:33:23,509 --> 00:33:21,600

president to step up to the podium and

752

00:33:26,090 --> 00:33:23,519

say we're not alone and do that on live

753

00:33:28,130 --> 00:33:26,100

TV anything short of that they don't

754

00:33:31,909 --> 00:33:28,140

want to hear you when I say oh no we've

755

00:33:35,389 --> 00:33:31,919

we have disclosure no not to them

756

00:33:38,450 --> 00:33:35,399

you know so uh when do we when do you

757

00:33:40,909 --> 00:33:38,460

think that we will get to that point so

758

00:33:43,430 --> 00:33:40,919

the rest of the world can go okay now we

759

00:33:46,509 --> 00:33:43,440

can talk about this that's a very good

760

00:33:50,990 --> 00:33:46,519

question and I don't know the answer

761

00:33:54,470 --> 00:33:51,000

will there will Werner Von Braun's

762

00:33:58,549 --> 00:33:54,480

prediction that the US government will

763

00:34:01,669 --> 00:33:58,559

stage a final false flag attack

764

00:34:02,810 --> 00:34:01,679

or perception of an imminent attack by

765

00:34:06,850 --> 00:34:02,820

aliens

766

00:34:09,950 --> 00:34:06,860

to as our Mo as our last total mind F

767

00:34:13,310 --> 00:34:09,960

basically after pitting us against the

768

00:34:16,369 --> 00:34:13,320

rooskis in the Cold War and uh against

769

00:34:19,070 --> 00:34:16,379

various enemies in succession the Middle

770

00:34:20,930 --> 00:34:19,080

Eastern countries came next there were

771

00:34:25,669 --> 00:34:20,940

he made a series of predictions as

772

00:34:29,270 --> 00:34:25,679

recorded by multiple people that

773

00:34:32,510 --> 00:34:29,280

the government had plans well ahead of

774

00:34:33,530 --> 00:34:32,520

time to keep people fearful and to keep

775

00:34:35,869 --> 00:34:33,540

that

776

00:34:38,210 --> 00:34:35,879

Black Ops funding going as well I mean

777

00:34:39,589 --> 00:34:38,220

think about one other thing I really

778

00:34:41,810 --> 00:34:39,599

like to think about is think of all the

779

00:34:43,490 --> 00:34:41,820

billions and now trillions of dollars

780

00:34:45,889 --> 00:34:43,500

that have been spent on Black Ops to

781

00:34:49,190 --> 00:34:45,899

cover up UFOs specifically think of all

782

00:34:52,490 --> 00:34:49,200

the agencies and agents how many people

783

00:34:54,290 --> 00:34:52,500

have I met in my life alone I know I

784

00:34:56,510 --> 00:34:54,300

just know we're government agents

785

00:34:58,550 --> 00:34:56,520

because of the way they debunked the

786

00:35:00,470 --> 00:34:58,560

phenomenon when I was talking positively

787

00:35:04,570 --> 00:35:00,480

about it in groups

788

00:35:09,230 --> 00:35:04,580

how do I know mufon was infiltrated by

789

00:35:10,130 --> 00:35:09,240

agencies and agents to debunk and

790

00:35:12,250 --> 00:35:10,140

um

791

00:35:19,310 --> 00:35:12,260

it

792

00:35:21,710 --> 00:35:19,320

I went to uh

793

00:35:23,450 --> 00:35:21,720

uh Colorado move on meeting where the

794

00:35:25,849 --> 00:35:23,460

state director was present and I asked

795

00:35:27,230 --> 00:35:25,859

him the director of the state Colorado

796

00:35:31,609 --> 00:35:27,240

mufon

797

00:35:34,190 --> 00:35:31,619

you who aren't familiar uh in charge of

798

00:35:36,589 --> 00:35:34,200

collecting reports of UFO sightings for

799

00:35:38,750 --> 00:35:36,599

decades I said what actually happens to

800

00:35:41,329 --> 00:35:38,760

the state of what is the point any more

801
00:35:43,030 --> 00:35:41,339
of collecting this information and this

802
00:35:47,030 --> 00:35:43,040
would have been in about

803
00:35:48,950 --> 00:35:47,040
2014 okay so about 10 years ago what is

804
00:35:51,410 --> 00:35:48,960
the point of collecting more data surely

805
00:35:53,690 --> 00:35:51,420
we know beyond any shadow of a doubt

806
00:35:56,390 --> 00:35:53,700
that these things exist there's plenty

807
00:35:58,609 --> 00:35:56,400
of observation plenty of images plenty

808
00:36:01,490 --> 00:35:58,619
of video plenty of testimony plenty of

809
00:36:03,650 --> 00:36:01,500
confirmation why are we still doing this

810
00:36:07,130 --> 00:36:03,660
what's the point and where does this

811
00:36:08,990 --> 00:36:07,140
stuff go and the director said the data

812
00:36:13,569 --> 00:36:09,000
is collected and sent off to Washington

813
00:36:15,290 --> 00:36:13,579

DC where scientists

814

00:36:16,010 --> 00:36:15,300

analyze it

815

00:36:18,589 --> 00:36:16,020

um

816

00:36:22,010 --> 00:36:18,599

and his whole tone was like

817

00:36:25,010 --> 00:36:22,020

you couldn't understand it you dip

818

00:36:27,170 --> 00:36:25,020

and that made me so mad just his whole

819

00:36:30,950 --> 00:36:27,180

attitude and that told me right there

820

00:36:33,050 --> 00:36:30,960

this is a that anybody anymore I hate to

821

00:36:34,970 --> 00:36:33,060

say it I'm sorry to anybody who still

822

00:36:37,370 --> 00:36:34,980

believes in mufon and there are some

823

00:36:39,950 --> 00:36:37,380

chapters of mufon that do great good the

824

00:36:41,690 --> 00:36:39,960

the one near where I live has great

825

00:36:43,490 --> 00:36:41,700

members who do great presentations but

826

00:36:45,829 --> 00:36:43,500

I'm just saying to you it's not the

827

00:36:47,390 --> 00:36:45,839

force that it once was and the data is

828

00:36:51,410 --> 00:36:47,400

going into a black hole it's like the

829

00:36:53,030 --> 00:36:51,420

end of Raiders of the Lost Ark where as

830

00:36:54,410 --> 00:36:53,040

an analogy you know instead of a

831

00:36:55,970 --> 00:36:54,420

physical Warehouse there's a data

832

00:36:58,010 --> 00:36:55,980

warehouse and this stuff is just being

833

00:37:01,190 --> 00:36:58,020

dumped into a data warehouse

834

00:37:04,190 --> 00:37:01,200

never to be seen again yeah well uh

835

00:37:07,010 --> 00:37:04,200

nycap went through that too as well with

836

00:37:10,670 --> 00:37:07,020

uh you know Donald Kehoe uh and when

837

00:37:12,109 --> 00:37:10,680

nightcap was first formed uh by Townsend

838

00:37:16,190 --> 00:37:12,119

in the 50s

839

00:37:19,490 --> 00:37:16,200

um it was it was the the board right the

840

00:37:22,370 --> 00:37:19,500

board was was all uh U.S Navy Admirals

841

00:37:25,450 --> 00:37:22,380

and retired and current and then later

842

00:37:29,089 --> 00:37:25,460

the CIA was sort of involved but later

843

00:37:32,030 --> 00:37:29,099

nycap was man that was a CIA front

844

00:37:33,650 --> 00:37:32,040

organization by the time things things

845

00:37:37,430 --> 00:37:33,660

wrapped up and then you had the same

846

00:37:39,650 --> 00:37:37,440

thing happen uh with uh tsa where you

847

00:37:41,569 --> 00:37:39,660

know you have 12. so the Stars Academy

848

00:37:46,130 --> 00:37:41,579

oh I knew that was a fraud from the

849

00:37:50,349 --> 00:37:46,140

get-go the promises they made well the

850

00:37:52,910 --> 00:37:50,359

guy the guy they picked the front delam

851
00:37:55,849 --> 00:37:52,920
rock star or something

852
00:37:58,609 --> 00:37:55,859
yeah yeah it was a band called Blink 182

853
00:38:00,650 --> 00:37:58,619
but the point I'm not again I'm not

854
00:38:03,589 --> 00:38:00,660
diminishing his talent as a performer it

855
00:38:06,589 --> 00:38:03,599
just seemed strange that such a person

856
00:38:08,510 --> 00:38:06,599
would be after amongst all the people in

857
00:38:10,430 --> 00:38:08,520
the world who actually researched UFOs

858
00:38:13,069 --> 00:38:10,440
and have high credibility in the topic

859
00:38:15,890 --> 00:38:13,079
why would this guy be the guy speaking

860
00:38:19,970 --> 00:38:15,900
about this at when he has

861
00:38:22,190 --> 00:38:19,980
top top shelf Engineers on in this

862
00:38:24,230 --> 00:38:22,200
company and other people and they're

863
00:38:25,790 --> 00:38:24,240

saying we're going to show you the goods

864

00:38:27,349 --> 00:38:25,800

we've got the goods and we're going to

865

00:38:29,810 --> 00:38:27,359

open the kimono we're going to show you

866

00:38:32,150 --> 00:38:29,820

the stuff they never did and I knew they

867

00:38:36,170 --> 00:38:32,160

never would I knew they were just

868

00:38:40,490 --> 00:38:36,180

Putin in the wind well but but why is

869

00:38:42,589 --> 00:38:40,500

this the difficulty facing uh not only

870

00:38:46,609 --> 00:38:42,599

the agencies but the White House and the

871

00:38:51,230 --> 00:38:46,619

Pentagon uh with disclosure that they

872

00:38:53,270 --> 00:38:51,240

they do know uh an awful lot and if they

873

00:38:54,910 --> 00:38:53,280

start to open this up any further

874

00:38:58,550 --> 00:38:54,920

they're going to have to start

875

00:39:03,710 --> 00:38:58,560

explaining themselves and certainly uh

876

00:39:07,849 --> 00:39:05,810

yes

877

00:39:10,130 --> 00:39:07,859

but I think the

878

00:39:12,109 --> 00:39:10,140

perhaps doesn't get explored very often

879

00:39:14,510 --> 00:39:12,119

and it's creepy that's why it doesn't

880

00:39:18,109 --> 00:39:14,520

get explored because I think the

881

00:39:21,770 --> 00:39:18,119

ultimate truth in reality that was first

882

00:39:24,109 --> 00:39:21,780

discussed after World War II by Scholars

883

00:39:26,930 --> 00:39:24,119

looking into this

884

00:39:28,430 --> 00:39:26,940

new topic for Truman first and then

885

00:39:31,010 --> 00:39:28,440

Eisenhower

886

00:39:33,410 --> 00:39:31,020

that

887

00:39:36,470 --> 00:39:33,420

the fact is

888

00:39:39,589 --> 00:39:36,480

that as far as my research leads me to

889

00:39:42,470 --> 00:39:39,599

believe or know

890

00:39:45,230 --> 00:39:42,480

ETS have been living with humans since

891

00:39:48,730 --> 00:39:45,240

time immemorial and they've been shaping

892

00:39:51,230 --> 00:39:48,740

us to some extent they're basically

893

00:39:53,870 --> 00:39:51,240

non-interventive but they did show up to

894

00:39:56,210 --> 00:39:53,880

stop nuclear or at least alter nuclear

895

00:39:58,430 --> 00:39:56,220

proliferation

896

00:40:01,130 --> 00:39:58,440

so it doesn't tear shreds in the time

897

00:40:02,930 --> 00:40:01,140

space continuum and alter other planets

898

00:40:05,210 --> 00:40:02,940

galaxies dimensions

899

00:40:07,910 --> 00:40:05,220

but basically non-interference prime

900

00:40:10,010 --> 00:40:07,920

directive however the reality seems to

901
00:40:13,190 --> 00:40:10,020
be that they live and work amongst us

902
00:40:15,470 --> 00:40:13,200
and there's so much testimony on this at

903
00:40:17,089 --> 00:40:15,480
both the personal experiential level

904
00:40:19,069 --> 00:40:17,099
I've had people come up to me at

905
00:40:23,630 --> 00:40:19,079
conferences and such

906
00:40:25,730 --> 00:40:23,640
after shows like this contact me and say

907
00:40:28,370 --> 00:40:25,740
this weird thing happened and I knew

908
00:40:30,650 --> 00:40:28,380
this person when I was in school and

909
00:40:33,290 --> 00:40:30,660
here's a story I I knew this girl when I

910
00:40:35,150 --> 00:40:33,300
was in school she was very odd she had a

911
00:40:36,530 --> 00:40:35,160
pale complexion her hair was weird her

912
00:40:39,710 --> 00:40:36,540
eyes were weird she didn't go outside

913
00:40:41,510 --> 00:40:39,720

much and blah blah blah woof woof and

914

00:40:42,950 --> 00:40:41,520

then ultimately there are circumstances

915

00:40:45,230 --> 00:40:42,960

that lead the person to believe that in

916

00:40:47,050 --> 00:40:45,240

fact this person was not from this world

917

00:40:50,990 --> 00:40:47,060

was an alien of some kind or a hybrid

918

00:40:54,349 --> 00:40:51,000

and had substantiating proof for it also

919

00:40:56,210 --> 00:40:54,359

some some kind of documentation or proof

920

00:40:57,589 --> 00:40:56,220

which I wouldn't have today I I

921

00:40:59,329 --> 00:40:57,599

personally would not have today but they

922

00:41:01,310 --> 00:40:59,339

at the time would have to substantiate

923

00:41:02,810 --> 00:41:01,320

their claim okay so not just pull it out

924

00:41:04,370 --> 00:41:02,820

of the air yes some of these tails are

925

00:41:06,530 --> 00:41:04,380

pulled out of the air some of them are

926
00:41:08,930 --> 00:41:06,540
completely fabricated completely untrue

927
00:41:12,050 --> 00:41:08,940
but given the large quantity of

928
00:41:15,530 --> 00:41:12,060
anecdotes and reports

929
00:41:18,950 --> 00:41:15,540
and experiences it's it's almost like

930
00:41:20,810 --> 00:41:18,960
Drake's equation for this statistic out

931
00:41:22,310 --> 00:41:20,820
of all of those reports surely some of

932
00:41:24,349 --> 00:41:22,320
them are true it's almost impossible to

933
00:41:27,530 --> 00:41:24,359
believe that none of them is true unless

934
00:41:29,030 --> 00:41:27,540
the phenomenon really isn't true unless

935
00:41:30,950 --> 00:41:29,040
there really aren't UFOs and there

936
00:41:32,690 --> 00:41:30,960
really aren't et's but it's pretty clear

937
00:41:34,609 --> 00:41:32,700
to me that our government acknowledged

938
00:41:37,010 --> 00:41:34,619

the existence of both a long time ago

939

00:41:39,109 --> 00:41:37,020

and if our government believes it I tend

940

00:41:41,569 --> 00:41:39,119

to believe it so in fact it's not even a

941

00:41:44,750 --> 00:41:41,579

matter of belief because for me belief

942

00:41:46,190 --> 00:41:44,760

implies religion or faith and nothing

943

00:41:48,950 --> 00:41:46,200

wrong with that I have beliefs I have

944

00:41:52,670 --> 00:41:48,960

faith but and what I have faith in

945

00:41:55,490 --> 00:41:52,680

things but for me the UFO topic or

946

00:41:57,470 --> 00:41:55,500

phenomenon is science ultimately science

947

00:41:59,750 --> 00:41:57,480

and metaphysics physics and metaphysics

948

00:42:01,970 --> 00:41:59,760

and I think our government has known

949

00:42:04,550 --> 00:42:01,980

this for quite a long time when they

950

00:42:06,050 --> 00:42:04,560

discovered craft could not be piloted

951
00:42:08,510 --> 00:42:06,060
the craft they were trying to reverse

952
00:42:12,230 --> 00:42:08,520
engineer could not be piloted in some

953
00:42:14,630 --> 00:42:12,240
cases without a brain craft interface

954
00:42:17,170 --> 00:42:14,640
that the driver the pilot had to

955
00:42:19,849 --> 00:42:17,180
interface with the craft

956
00:42:22,310 --> 00:42:19,859
biometrically this is

957
00:42:24,950 --> 00:42:22,320
this kind of thinking that we are

958
00:42:28,270 --> 00:42:24,960
integrated with these other beings

959
00:42:31,790 --> 00:42:28,280
somehow they're integral to our society

960
00:42:35,569 --> 00:42:31,800
behind the scenes this is creepy to

961
00:42:38,270 --> 00:42:35,579
people and yet because I'm attuned to

962
00:42:40,370 --> 00:42:38,280
this thinking and that I allow easily to

963
00:42:43,849 --> 00:42:40,380

have aliens in the world

964

00:42:46,069 --> 00:42:43,859

I I guess you could say my sensors are

965

00:42:48,109 --> 00:42:46,079

open I'm receptive to the possibility

966

00:42:50,210 --> 00:42:48,119

that anyone I meet anywhere at any time

967

00:42:51,829 --> 00:42:50,220

might be an E.T and there have been

968

00:42:53,630 --> 00:42:51,839

times in my life I was convinced yes

969

00:42:55,910 --> 00:42:53,640

this person I'm talking to is definitely

970

00:42:59,329 --> 00:42:55,920

not completely human maybe not at all

971

00:43:01,430 --> 00:42:59,339

human just chance passing sometimes one

972

00:43:04,250 --> 00:43:01,440

in particular stands out my mind we

973

00:43:06,230 --> 00:43:04,260

started this was at a camp out lots of

974

00:43:08,510 --> 00:43:06,240

people there I'm wandering along with

975

00:43:12,349 --> 00:43:08,520

friends guys playing a guitar in an open

976
00:43:14,390 --> 00:43:12,359
field sitting on a log uh turns out we

977
00:43:16,970 --> 00:43:14,400
both had spent time in Colorado he

978
00:43:19,130 --> 00:43:16,980
started singing John Denver's song and

979
00:43:22,210 --> 00:43:19,140
I'm harmonizing with him and we're and

980
00:43:24,410 --> 00:43:22,220
he's making up filting lyrics

981
00:43:26,329 --> 00:43:24,420
about something we've been talking about

982
00:43:28,609 --> 00:43:26,339
and I'm following right along I'm right

983
00:43:30,290 --> 00:43:28,619
in his head I'm anticipating basically

984
00:43:32,510 --> 00:43:30,300
what he's about to say

985
00:43:33,470 --> 00:43:32,520
and we're singing along and after was

986
00:43:36,050 --> 00:43:33,480
over

987
00:43:39,050 --> 00:43:36,060
it was we had not rehearsed or practiced

988
00:43:41,329 --> 00:43:39,060

but it was a complicated rendition of a

989

00:43:42,770 --> 00:43:41,339

song that isn't easy to begin with and

990

00:43:44,089 --> 00:43:42,780

then walked away never to see each other

991

00:43:46,430 --> 00:43:44,099

again but basically in parting I said

992

00:43:48,230 --> 00:43:46,440

you seem very familiar to me as if we'd

993

00:43:50,510 --> 00:43:48,240

met before and he said I feel the same

994

00:43:53,870 --> 00:43:52,309

yeah

995

00:43:55,430 --> 00:43:53,880

the the

996

00:44:01,270 --> 00:43:55,440

um the

997

00:44:05,210 --> 00:44:01,280

the knowledge of this if if this was

998

00:44:08,150 --> 00:44:05,220

mentioned in an official capacity that

999

00:44:09,589 --> 00:44:08,160

yeah E.T okay yes flying saucers are

1000

00:44:14,150 --> 00:44:09,599

real but

1001
00:44:15,650 --> 00:44:14,160
uh they are actually Among Us is that is

1002
00:44:18,290 --> 00:44:15,660
that something that the world can handle

1003
00:44:20,569 --> 00:44:18,300
or is that a step too far too fast is

1004
00:44:23,569 --> 00:44:20,579
that getting well you absolutely can

1005
00:44:25,370 --> 00:44:23,579
handle yes yes yes and I'll tell you I

1006
00:44:28,370 --> 00:44:25,380
always like to say I ask what if at this

1007
00:44:31,190 --> 00:44:28,380
point what if the CIA had spent those

1008
00:44:33,410 --> 00:44:31,200
billions and trillions of dollars

1009
00:44:35,990 --> 00:44:33,420
prepping people for the existence of

1010
00:44:38,930 --> 00:44:36,000
UFOs whether for positive for neutral or

1011
00:44:41,210 --> 00:44:38,940
for negative in other words for the most

1012
00:44:42,530 --> 00:44:41,220
part they're benign for the most part

1013
00:44:44,569 --> 00:44:42,540

they're positive for the most part

1014

00:44:46,550 --> 00:44:44,579

they're negative so watch out you know

1015

00:44:50,089 --> 00:44:46,560

the CIA could have taken a much

1016

00:44:52,309 --> 00:44:50,099

different position from the get-go but

1017

00:44:55,670 --> 00:44:52,319

it didn't the CIA was formed with the

1018

00:44:59,210 --> 00:44:55,680

express purpose of using muscle

1019

00:45:00,710 --> 00:44:59,220

Force to stop conversation reasonable

1020

00:45:03,050 --> 00:45:00,720

and intelligent conversation about

1021

00:45:04,849 --> 00:45:03,060

anything having to do with UFOs and they

1022

00:45:06,170 --> 00:45:04,859

killed people who didn't stop talking

1023

00:45:08,809 --> 00:45:06,180

about it

1024

00:45:10,190 --> 00:45:08,819

I'm thinking about Forrestal first head

1025

00:45:12,650 --> 00:45:10,200

of the Navy

1026

00:45:15,410 --> 00:45:12,660

who wouldn't stop talking about it so

1027

00:45:16,910 --> 00:45:15,420

they declared him mentally uh well

1028

00:45:18,349 --> 00:45:16,920

depressed he had clinical depression

1029

00:45:20,510 --> 00:45:18,359

they put him in Mayo Clinic and then

1030

00:45:22,550 --> 00:45:20,520

showed him out a window

1031

00:45:24,530 --> 00:45:22,560

pretty much I mean that's the story I

1032

00:45:26,270 --> 00:45:24,540

believe it's not the official report but

1033

00:45:28,250 --> 00:45:26,280

you get them out of the way and so many

1034

00:45:30,710 --> 00:45:28,260

voices have been silenced over the year

1035

00:45:32,750 --> 00:45:30,720

what if those voices had been supported

1036

00:45:34,309 --> 00:45:32,760

what if they'd been encouraged what have

1037

00:45:37,089 --> 00:45:34,319

been what if all those people who were

1038

00:45:39,230 --> 00:45:37,099

hooted down had been thrust forward as

1039

00:45:42,290 --> 00:45:39,240

experts in their field subject matter

1040

00:45:46,790 --> 00:45:42,300

experts what if the CIA had run

1041

00:45:49,450 --> 00:45:46,800

campaigns and commercials about not not

1042

00:45:53,510 --> 00:45:49,460

as sugary necessarily as

1043

00:45:56,089 --> 00:45:53,520

E.T the movie phone home that whole

1044

00:45:58,190 --> 00:45:56,099

relationship but maybe yeah what can I

1045

00:46:00,170 --> 00:45:58,200

say what about painting the real picture

1046

00:46:01,609 --> 00:46:00,180

of what's really going on that would

1047

00:46:04,809 --> 00:46:01,619

have been refreshing

1048

00:46:10,670 --> 00:46:04,819

you know yeah and and and

1049

00:46:15,770 --> 00:46:10,680

if we forget about you know in 1980 1970

1050

00:46:19,210 --> 00:46:15,780

to 2023 when we go back and look at the

1051
00:46:24,430 --> 00:46:19,220
reports and the sightings uh before

1052
00:46:28,970 --> 00:46:24,440
1950 of of absolutely Fantastical

1053
00:46:31,970 --> 00:46:28,980
phenomenal sightings and speed and uh

1054
00:46:34,450 --> 00:46:31,980
things that those weren't in the sky

1055
00:46:37,069 --> 00:46:34,460
back then we didn't have that technology

1056
00:46:39,050 --> 00:46:37,079
exactly yeah that's why I like to

1057
00:46:41,690 --> 00:46:39,060
research that period yeah because

1058
00:46:44,150 --> 00:46:41,700
there's just no question that that what

1059
00:46:46,309 --> 00:46:44,160
they were seeing or experiencing or

1060
00:46:48,290 --> 00:46:46,319
Genuine UFOs not reverse engineered

1061
00:46:50,089 --> 00:46:48,300
human UFOs go ahead sorry yeah no but

1062
00:46:53,690 --> 00:46:50,099
that's exactly the point because today

1063
00:46:55,670 --> 00:46:53,700

we have way too much technology it's

1064

00:46:57,970 --> 00:46:55,680

just everywhere and what about the

1065

00:47:00,589 --> 00:46:57,980

medieval paintings

1066

00:47:02,390 --> 00:47:00,599

in fact I saw some of these paintings in

1067

00:47:05,510 --> 00:47:02,400

Europe I had the great Fortune to study

1068

00:47:08,089 --> 00:47:05,520

abroad as a junior in college and I had

1069

00:47:09,950 --> 00:47:08,099

the great Fortune to tour around and and

1070

00:47:11,150 --> 00:47:09,960

I over I've always liked museums and

1071

00:47:13,430 --> 00:47:11,160

collections of books and things like

1072

00:47:16,130 --> 00:47:13,440

that Antiquities if you will

1073

00:47:18,849 --> 00:47:16,140

and

1074

00:47:21,770 --> 00:47:18,859

sorry what were you talking about

1075

00:47:23,329 --> 00:47:21,780

some Renaissance oh yeah the paintings

1076

00:47:24,829 --> 00:47:23,339

so I was looking at paintings

1077

00:47:25,970 --> 00:47:24,839

we hear about UFOs or anything I'm just

1078

00:47:27,950 --> 00:47:25,980

wandering along and here's one of these

1079

00:47:30,170 --> 00:47:27,960

ones that people talk about today it's

1080

00:47:34,190 --> 00:47:30,180

the one where a lot of these paintings

1081

00:47:36,050 --> 00:47:34,200

were had to be religious so in the and a

1082

00:47:37,609 --> 00:47:36,060

lot of them are a central panel and then

1083

00:47:39,470 --> 00:47:37,619

side panels

1084

00:47:41,690 --> 00:47:39,480

okay so structurally and I was into

1085

00:47:44,150 --> 00:47:41,700

stained glass at the time Architectural

1086

00:47:46,190 --> 00:47:44,160

Glass so these kinds of so you have

1087

00:47:47,930 --> 00:47:46,200

paintings kind of symbolic or

1088

00:47:50,150 --> 00:47:47,940

representing in the shapes of stained

1089

00:47:51,530 --> 00:47:50,160

glass windows where they have a curve at

1090

00:47:53,569 --> 00:47:51,540

the top they come to a curve at the top

1091

00:47:55,910 --> 00:47:53,579

and then there's side panels that also

1092

00:47:59,410 --> 00:47:55,920

curve so you get Madonna and child in

1093

00:48:02,089 --> 00:47:59,420

the middle quite often and then

1094

00:48:03,770 --> 00:48:02,099

cortisons or whoever commissioned the

1095

00:48:06,470 --> 00:48:03,780

painting their family and friends

1096

00:48:08,690 --> 00:48:06,480

hanging around the side panels or a

1097

00:48:11,210 --> 00:48:08,700

nature scene or a hunting scene or some

1098

00:48:13,730 --> 00:48:11,220

other thing going on that's a little

1099

00:48:16,430 --> 00:48:13,740

less religious a little more secular

1100

00:48:18,109 --> 00:48:16,440

well in one of these paintings there's a

1101

00:48:20,450 --> 00:48:18,119

guy in one of us in the background

1102

00:48:24,650 --> 00:48:20,460

basically walking his dog he's out with

1103

00:48:28,490 --> 00:48:24,660

his dog both are looking up in the sky

1104

00:48:31,010 --> 00:48:28,500

the dog has a pointed snout that's

1105

00:48:32,210 --> 00:48:31,020

making a triangle basically up toward

1106

00:48:33,770 --> 00:48:32,220

this thing they're looking at and

1107

00:48:38,530 --> 00:48:33,780

they're looking at what his own can only

1108

00:48:41,930 --> 00:48:38,540

be described as a hat-shaped UF UFO and

1109

00:48:43,130 --> 00:48:41,940

when Scholars started analyzing these

1110

00:48:45,109 --> 00:48:43,140

pictures when people were started saying

1111

00:48:46,970 --> 00:48:45,119

what what is that thing in the sky in

1112

00:48:51,609 --> 00:48:46,980

that painting this guy was saying well

1113

00:48:55,550 --> 00:48:51,619

it's you know it's an odd-shaped bird

1114

00:48:57,530 --> 00:48:55,560

it's uh the planet Venus it's swamp gas

1115

00:48:59,450 --> 00:48:57,540

I mean it's like they had red heinek

1116

00:49:01,550 --> 00:48:59,460

before heinek made those crap little

1117

00:49:03,530 --> 00:49:01,560

proclamations hundreds of years later

1118

00:49:04,849 --> 00:49:03,540

but they were just at a loss they didn't

1119

00:49:06,170 --> 00:49:04,859

know well anybody who knows anything

1120

00:49:07,970 --> 00:49:06,180

about UFOs is looking at that they're

1121

00:49:10,069 --> 00:49:07,980

going it's UFOs and then there's another

1122

00:49:12,109 --> 00:49:10,079

one where there's one ship in the

1123

00:49:14,450 --> 00:49:12,119

central panel being chased by another

1124

00:49:16,250 --> 00:49:14,460

ship it'd be this way to you one ship

1125

00:49:17,990 --> 00:49:16,260

here and then behind it chasing it the

1126

00:49:19,670 --> 00:49:18,000

action's going this way the ship are

1127

00:49:22,010 --> 00:49:19,680

going this way and the guy in front is

1128

00:49:24,970 --> 00:49:22,020

looking around behind like oh sh oh

1129

00:49:27,710 --> 00:49:24,980

shoot how close is he

1130

00:49:30,470 --> 00:49:27,720

and people Scholars were saying no no no

1131

00:49:33,530 --> 00:49:30,480

it isn't what it obviously is they were

1132

00:49:35,750 --> 00:49:33,540

saying these are other things that are

1133

00:49:37,910 --> 00:49:35,760

being misinterpreted yeah and in

1134

00:49:39,950 --> 00:49:37,920

Egyptian in the Egyptian cave paintings

1135

00:49:41,450 --> 00:49:39,960

it was always stylized flowers those

1136

00:49:43,790 --> 00:49:41,460

light bulbs that are plugged in those

1137

00:49:46,190 --> 00:49:43,800

huge light bulbs with filaments inside

1138

00:49:49,069 --> 00:49:46,200

them those are stylized flowers

1139

00:49:51,770 --> 00:49:49,079

yeah right I've seen that I I've seen

1140

00:49:54,950 --> 00:49:51,780

that in person and I can tell you what

1141

00:49:57,950 --> 00:49:54,960

it's not it's not a lotus flower what

1142

00:50:00,770 --> 00:49:57,960

about the Nuremberg wood cut right and

1143

00:50:04,430 --> 00:50:00,780

and yeah that's crazy that's one of my

1144

00:50:07,309 --> 00:50:04,440

favorite examples that is a battle in

1145

00:50:10,609 --> 00:50:07,319

the sky which is what they were

1146

00:50:15,349 --> 00:50:10,619

depicting and it's cylinders and

1147

00:50:18,410 --> 00:50:15,359

triangles and balls and explosions crazy

1148

00:50:22,010 --> 00:50:18,420

assortment of shapes yep yep yep yep yep

1149

00:50:25,069 --> 00:50:22,020

yep smoldering buildings yeah yeah

1150

00:50:25,930 --> 00:50:25,079

explosions apparently debris fell to the

1151
00:50:28,730 --> 00:50:25,940
ground

1152
00:50:31,730 --> 00:50:28,740
eyewitness accounts what was in the sky

1153
00:50:33,829 --> 00:50:31,740
back then in 1500 just somebody an

1154
00:50:35,990 --> 00:50:33,839
aerial battle took place according to

1155
00:50:39,230 --> 00:50:36,000
eyewitnesses that's right that's right

1156
00:50:41,990 --> 00:50:39,240
and you know so somebody in the 1500s

1157
00:50:43,849 --> 00:50:42,000
wasn't it uh yeah 1500.

1158
00:50:46,190 --> 00:50:43,859
um somebody just explained to me what

1159
00:50:49,089 --> 00:50:46,200
they were seeing in the sky and then we

1160
00:50:52,010 --> 00:50:49,099
can move on but until then

1161
00:50:54,230 --> 00:50:52,020
right and and that was their version of

1162
00:50:57,829 --> 00:50:54,240
the Polaroid you know they have to right

1163
00:51:00,530 --> 00:50:57,839

and and get this done and and that was a

1164

00:51:03,710 --> 00:51:00,540

wood cut so it could get printed right

1165

00:51:05,329 --> 00:51:03,720

and so yeah yeah I'm I've always been

1166

00:51:07,609 --> 00:51:05,339

fascinated with that and so the

1167

00:51:10,010 --> 00:51:07,619

government to say today well we know

1168

00:51:12,470 --> 00:51:10,020

nothing now I think that they know a

1169

00:51:15,049 --> 00:51:12,480

whole lot it's just tons I know tons and

1170

00:51:18,109 --> 00:51:15,059

tons of tons and so for you to ask

1171

00:51:19,790 --> 00:51:18,119

could the public accept yes the public

1172

00:51:20,990 --> 00:51:19,800

will accept anything if it's presented

1173

00:51:23,630 --> 00:51:21,000

the right way

1174

00:51:25,490 --> 00:51:23,640

the public unfortunate the majority of

1175

00:51:27,890 --> 00:51:25,500

the public don't question much I'm

1176
00:51:29,690 --> 00:51:27,900
saying I'm sorry to say I was raised to

1177
00:51:30,480 --> 00:51:29,700
question authority

1178
00:51:32,150 --> 00:51:30,490
and I do

1179
00:51:35,089 --> 00:51:32,160
[Laughter]

1180
00:51:37,490 --> 00:51:35,099
right not everybody does and a lot of

1181
00:51:38,569 --> 00:51:37,500
people claim they don't have time or

1182
00:51:40,849 --> 00:51:38,579
interest

1183
00:51:43,250 --> 00:51:40,859
and in fact perhaps they don't who I

1184
00:51:44,870 --> 00:51:43,260
might say they don't but they don't take

1185
00:51:47,930 --> 00:51:44,880
the interest that you and I do in these

1186
00:51:50,870 --> 00:51:47,940
topics so what they believe what they're

1187
00:51:52,130 --> 00:51:50,880
told basically sure sure why do you

1188
00:51:55,190 --> 00:51:52,140

think

1189

00:51:58,130 --> 00:51:55,200

um there seems to be well doesn't seem

1190

00:52:00,049 --> 00:51:58,140

to be this is the way it's been going

1191

00:52:02,270 --> 00:52:00,059

um that we only want to hear from the

1192

00:52:05,270 --> 00:52:02,280

military on this you know military

1193

00:52:09,049 --> 00:52:05,280

pilots and the military take on this and

1194

00:52:11,930 --> 00:52:09,059

and so forth when we have so much

1195

00:52:14,270 --> 00:52:11,940

information and eyewitness and and

1196

00:52:16,790 --> 00:52:14,280

imagery and everything else from the

1197

00:52:18,470 --> 00:52:16,800

citizens of this country but uh we're

1198

00:52:21,290 --> 00:52:18,480

not hearing from them why do you think

1199

00:52:23,450 --> 00:52:21,300

that is well I think it's the next phase

1200

00:52:26,809 --> 00:52:23,460

of military industrial control over the

1201
00:52:29,270 --> 00:52:26,819
entire topic of UFOs now uaps but you've

1202
00:52:30,829 --> 00:52:29,280
raised the excellent point of the

1203
00:52:33,890 --> 00:52:30,839
disparagement the current disparagement

1204
00:52:35,630 --> 00:52:33,900
of the civilian scientists that's the

1205
00:52:38,270 --> 00:52:35,640
term they're using now the civilian

1206
00:52:40,849 --> 00:52:38,280
scientists so that would be Eric Von

1207
00:52:42,589 --> 00:52:40,859
Donegan one of the original civilian

1208
00:52:46,130 --> 00:52:42,599
scientists that would be you and me

1209
00:52:49,370 --> 00:52:46,140
we're civilian scientists so is a

1210
00:52:51,950 --> 00:52:49,380
scientist a person with a degree is in

1211
00:52:56,089 --> 00:52:51,960
other words what constitutes a scientist

1212
00:52:58,250 --> 00:52:56,099
Avi Loeb he's a Harvard scientist does

1213
00:53:01,309 --> 00:52:58,260

that an astronomer at Harvard does that

1214

00:53:04,010 --> 00:53:01,319

put him in the position of being a

1215

00:53:07,309 --> 00:53:04,020

pundit for astronomy and aerial

1216

00:53:09,589 --> 00:53:07,319

phenomenon apparently the globalists

1217

00:53:11,270 --> 00:53:09,599

think it does because he's his views are

1218

00:53:13,250 --> 00:53:11,280

promoted all the time in in the

1219

00:53:16,069 --> 00:53:13,260

mainstream media certain voices get

1220

00:53:19,549 --> 00:53:16,079

heard certain voices never get heard

1221

00:53:23,089 --> 00:53:19,559

uh Graham Hancock has just released his

1222

00:53:24,829 --> 00:53:23,099

movie or documentary miniseries and it's

1223

00:53:27,290 --> 00:53:24,839

great of course it's great because it's

1224

00:53:30,589 --> 00:53:27,300

Graham Hancock why isn't he a household

1225

00:53:33,109 --> 00:53:30,599

word on the topic of UFOs and and the

1226

00:53:35,690 --> 00:53:33,119

research of human origin which is by the

1227

00:53:37,430 --> 00:53:35,700

way my passion human origin and it was

1228

00:53:39,230 --> 00:53:37,440

the study of human origin that led me to

1229

00:53:42,049 --> 00:53:39,240

UFOs

1230

00:53:44,030 --> 00:53:42,059

yeah I'm the same way well it's all

1231

00:53:46,910 --> 00:53:44,040

connected though Gene yes it's all

1232

00:53:48,950 --> 00:53:46,920

connected oh everything is connected and

1233

00:53:51,290 --> 00:53:48,960

everything goes back to UFO close in

1234

00:53:55,370 --> 00:53:51,300

human origin everything does to me which

1235

00:53:59,089 --> 00:53:55,380

is why to me the Revelation that ET is

1236

00:54:01,010 --> 00:53:59,099

Among Us they come to visit also we're a

1237

00:54:02,510 --> 00:54:01,020

science experiment to them or a bunch of

1238

00:54:05,150 --> 00:54:02,520

them that at one point I read there's

1239

00:54:07,490 --> 00:54:05,160

hundreds of science experiments run by

1240

00:54:09,470 --> 00:54:07,500

different alien societies here on Earth

1241

00:54:11,750 --> 00:54:09,480

they have different attitudes toward

1242

00:54:13,730 --> 00:54:11,760

humans and different interests and the

1243

00:54:15,950 --> 00:54:13,740

purposes of their experiments vary as

1244

00:54:17,809 --> 00:54:15,960

you would expect okay so some are well

1245

00:54:19,730 --> 00:54:17,819

disposed toward humans some really don't

1246

00:54:22,130 --> 00:54:19,740

care one way or the other and the others

1247

00:54:23,690 --> 00:54:22,140

hate us and just what's you know just as

1248

00:54:27,410 --> 00:54:23,700

soon would see it as dead or in their

1249

00:54:29,930 --> 00:54:27,420

digestive systems right the idea that

1250

00:54:32,690 --> 00:54:29,940

they live work exist amongst us for me

1251
00:54:35,510 --> 00:54:32,700
is quite palatable because I have an

1252
00:54:37,670 --> 00:54:35,520
affinity for my clan of star people and

1253
00:54:39,829 --> 00:54:37,680
others that are Friendlies with them and

1254
00:54:42,530 --> 00:54:39,839
I have an aversion to the Clans or

1255
00:54:44,630 --> 00:54:42,540
species that don't like humans because

1256
00:54:49,069 --> 00:54:44,640
right now I'm in a human form and I came

1257
00:54:51,950 --> 00:54:49,079
to help Earth and human people right so

1258
00:54:54,890 --> 00:54:51,960
I think it would be very be very easy to

1259
00:54:57,650 --> 00:54:54,900
sway human opinion Mass opinion to think

1260
00:54:59,630 --> 00:54:57,660
favorably of E.T if that's the desired

1261
00:55:01,670 --> 00:54:59,640
objective but it's not clear to me that

1262
00:55:04,730 --> 00:55:01,680
all ETR friendlies in fact it's clear

1263
00:55:07,390 --> 00:55:04,740

they're not all friendlies so how then

1264

00:55:11,390 --> 00:55:07,400

does a government agency

1265

00:55:14,030 --> 00:55:11,400

regulate thought about a phenomenon such

1266

00:55:16,190 --> 00:55:14,040

as UFOs can the government regulate

1267

00:55:19,790 --> 00:55:16,200

thought when we know from firsthand

1268

00:55:22,010 --> 00:55:19,800

reports these intelligences these beings

1269

00:55:24,470 --> 00:55:22,020

are entirely capable of communicating

1270

00:55:26,450 --> 00:55:24,480

with humans when they want to and they

1271

00:55:28,809 --> 00:55:26,460

can also do what they want when they

1272

00:55:32,390 --> 00:55:28,819

want to here

1273

00:55:35,089 --> 00:55:32,400

for those out there Gene that go why

1274

00:55:36,770 --> 00:55:35,099

would they come in uh cattle mutilations

1275

00:55:39,349 --> 00:55:36,780

why would they do why would they abduct

1276

00:55:41,809 --> 00:55:39,359

him why would they you know Betty and

1277

00:55:44,870 --> 00:55:41,819

Barney why would they do this to Travis

1278

00:55:47,809 --> 00:55:44,880

Walton let me explain something the

1279

00:55:49,910 --> 00:55:47,819

first chance we got when we are

1280

00:55:54,410 --> 00:55:49,920

Interstellar and we're visiting other

1281

00:55:57,530 --> 00:55:54,420

planets we'll be doing the same thing I

1282

00:55:59,809 --> 00:55:57,540

guarantee it I guarantee it hey check

1283

00:56:03,770 --> 00:55:59,819

that out that little creature grab it

1284

00:56:06,530 --> 00:56:03,780

boom on board do yourself yeah do it now

1285

00:56:08,329 --> 00:56:06,540

on Earth we do it now biology field

1286

00:56:13,750 --> 00:56:08,339

biologists think about marine biology

1287

00:56:19,370 --> 00:56:16,490

yeah what about sea world that's a

1288

00:56:23,210 --> 00:56:19,380

perfect example but we're okay with that

1289

00:56:25,069 --> 00:56:23,220

right are we not everybody is but no

1290

00:56:28,130 --> 00:56:25,079

what I'm saying is we're okay with it

1291

00:56:30,109 --> 00:56:28,140

but yeah it's an established cultural

1292

00:56:32,990 --> 00:56:30,119

institution right right right right

1293

00:56:35,150 --> 00:56:33,000

right we can't use that as a comparison

1294

00:56:38,870 --> 00:56:35,160

Jimmy what do you mean we can't it's the

1295

00:56:42,109 --> 00:56:38,880

exact same we are taking moms away from

1296

00:56:45,470 --> 00:56:42,119

their children right we're literally

1297

00:56:50,750 --> 00:56:47,809

and when we go Interstellar we'll be

1298

00:56:53,930 --> 00:56:50,760

doing it then too so why why the big

1299

00:56:58,510 --> 00:56:53,940

question of would ET be doing this not

1300

00:57:01,549 --> 00:56:58,520

all but I would understand if they did

1301

00:57:03,710 --> 00:57:01,559

I'm not I'm not at all opposed to it it

1302

00:57:06,410 --> 00:57:03,720

just makes sense I think one of the most

1303

00:57:08,870 --> 00:57:06,420

potent forces in the universe is and in

1304

00:57:11,690 --> 00:57:08,880

all existence is curiosity

1305

00:57:12,589 --> 00:57:11,700

and I think a lot of what is going on on

1306

00:57:16,309 --> 00:57:12,599

Earth

1307

00:57:17,870 --> 00:57:16,319

right now and historically is driven by

1308

00:57:21,609 --> 00:57:17,880

curiosity

1309

00:57:24,349 --> 00:57:21,619

what I think Earth is a big what if

1310

00:57:26,630 --> 00:57:24,359

experimental experimental station what

1311

00:57:27,770 --> 00:57:26,640

if what if we just alter the variables a

1312

00:57:29,510 --> 00:57:27,780

little bit this way

1313

00:57:32,210 --> 00:57:29,520

and I've read a couple of very

1314

00:57:33,770 --> 00:57:32,220

interesting accounts of how Earth was

1315

00:57:40,730 --> 00:57:33,780

formed

1316

00:57:44,750 --> 00:57:40,740

alien species to achieve

1317

00:57:47,210 --> 00:57:44,760

where we are today and how humans were

1318

00:57:51,109 --> 00:57:47,220

originally engineered

1319

00:57:54,049 --> 00:57:51,119

to be non-reproductive which meant that

1320

00:57:56,750 --> 00:57:54,059

the species that bioengineered us and

1321

00:57:59,690 --> 00:57:56,760

put us on Earth to cultivate us

1322

00:58:02,690 --> 00:57:59,700

basically as a species had to come back

1323

00:58:05,510 --> 00:58:02,700

periodically to replenish the stock so

1324

00:58:08,030 --> 00:58:05,520

because we would die off and then a

1325

00:58:10,790 --> 00:58:08,040

decision was made basically the client

1326
00:58:12,710 --> 00:58:10,800
who ordered human beings on Earth said

1327
00:58:15,170 --> 00:58:12,720
we don't want to pay the contract

1328
00:58:17,390 --> 00:58:15,180
anymore to maintain this species so we

1329
00:58:20,990 --> 00:58:17,400
don't care if they die off but other

1330
00:58:22,910 --> 00:58:21,000
species of ETS and intelligences in the

1331
00:58:26,770 --> 00:58:22,920
universe has said oh no no we can't let

1332
00:58:29,930 --> 00:58:26,780
the humans go they're too precious

1333
00:58:32,329 --> 00:58:29,940
so let's give them reproduction sure

1334
00:58:35,450 --> 00:58:32,339
there was a big debate about that oh no

1335
00:58:37,849 --> 00:58:35,460
no no we shouldn't do that but they did

1336
00:58:39,410 --> 00:58:37,859
and so we got reproduction that may be

1337
00:58:40,549 --> 00:58:39,420
behind the story of Adam and Eve

1338
00:58:42,349 --> 00:58:40,559

actually although I have other ideas

1339

00:58:44,329 --> 00:58:42,359

about that as well but at some point in

1340

00:58:46,549 --> 00:58:44,339

our history we became capable of

1341

00:58:48,710 --> 00:58:46,559

reproduction and at that point the ETS

1342

00:58:51,530 --> 00:58:48,720

who would bioengineered to stop coming

1343

00:58:53,870 --> 00:58:51,540

to Earth they didn't have to anymore and

1344

00:58:56,390 --> 00:58:53,880

that's when things that was really the

1345

00:58:59,210 --> 00:58:56,400

beginning of the population situation we

1346

00:59:01,670 --> 00:58:59,220

faced today which is

1347

00:59:03,650 --> 00:59:01,680

some people say we're overpopulated on

1348

00:59:06,230 --> 00:59:03,660

Earth some people say we could sustain

1349

00:59:08,750 --> 00:59:06,240

the population if we allocated resources

1350

00:59:10,549 --> 00:59:08,760

differently Elon Musk and some people

1351
00:59:13,190 --> 00:59:10,559
are saying we are actually in a

1352
00:59:15,049 --> 00:59:13,200
depopulation curve and buses came out

1353
00:59:19,609 --> 00:59:15,059
and said I think in 10 or 20 years we're

1354
00:59:23,329 --> 00:59:20,990
deflation

1355
00:59:25,549 --> 00:59:23,339
that there will be so many old people

1356
00:59:29,510 --> 00:59:25,559
and not enough young people to take care

1357
00:59:31,549 --> 00:59:29,520
of them or sustain their economies there

1358
00:59:34,609 --> 00:59:31,559
will be a collapsible a global economic

1359
00:59:37,789 --> 00:59:34,619
collapse there will come a time I'm

1360
00:59:42,589 --> 00:59:37,799
going to make a prediction uh 500 to a

1361
00:59:45,650 --> 00:59:42,599
thousand years from now we will be fully

1362
00:59:48,589 --> 00:59:45,660
Interstellar and and we we know about

1363
00:59:51,109 --> 00:59:48,599

the limitations of this planet this is

1364

00:59:56,809 --> 00:59:51,119

what we will be doing we're going to be

1365

00:59:58,809 --> 00:59:56,819

building ships full of DNA and life and

1366

01:00:01,730 --> 00:59:58,819

sending them out

1367

01:00:05,809 --> 01:00:01,740

send them in and if the if the ship

1368

01:00:07,549 --> 01:00:05,819

finds something that is habitable

1369

01:00:12,770 --> 01:00:07,559

ship's gonna

1370

01:00:17,030 --> 01:00:12,780

blow a uh a seed right and and terraform

1371

01:00:20,569 --> 01:00:17,040

and and and get life going so Humanity

1372

01:00:23,210 --> 01:00:20,579

can continue once we burn this thing to

1373

01:00:26,569 --> 01:00:23,220

the ground well that's more or less what

1374

01:00:29,690 --> 01:00:26,579

musk has said has promised Earth is that

1375

01:00:31,849 --> 01:00:29,700

we we will colonize Mars under his

1376

01:00:35,930 --> 01:00:31,859

Direction and the direction of SpaceX

1377

01:00:38,329 --> 01:00:35,940

the hardware of SpaceX we will colonize

1378

01:00:40,970 --> 01:00:38,339

Mars to preserve the human species

1379

01:00:43,450 --> 01:00:40,980

should we mess up Earth to the point

1380

01:00:46,370 --> 01:00:43,460

where it becomes no longer habitable

1381

01:00:50,089 --> 01:00:46,380

well if there's a population implosion

1382

01:00:52,789 --> 01:00:50,099

coming I don't see that that's an issue

1383

01:00:55,490 --> 01:00:52,799

necessarily and if we can't handle our

1384

01:00:58,010 --> 01:00:55,500

own home planet what makes us fit to go

1385

01:01:01,190 --> 01:00:58,020

trash other planets

1386

01:01:03,410 --> 01:01:01,200

just saying just saying

1387

01:01:06,289 --> 01:01:03,420

is there doesn't seem to be a bit

1388

01:01:08,809 --> 01:01:06,299

Escapist to say hey we can't handle it

1389

01:01:11,930 --> 01:01:08,819

on Earth we can't manage it here

1390

01:01:14,089 --> 01:01:11,940

so let's go to Mars just to make sure

1391

01:01:16,970 --> 01:01:14,099

there's humans left over should things

1392

01:01:18,849 --> 01:01:16,980

go horribly wrong on earth right or or

1393

01:01:22,190 --> 01:01:18,859

really really

1394

01:01:24,250 --> 01:01:22,200

make it a Club Med you know and I'm not

1395

01:01:27,170 --> 01:01:24,260

saying don't go to Mars sorry go ahead

1396

01:01:28,849 --> 01:01:27,180

it'll be a Club Med for the Rich and

1397

01:01:31,190 --> 01:01:28,859

Famous

1398

01:01:33,170 --> 01:01:31,200

yeah yeah think about it let's take our

1399

01:01:36,289 --> 01:01:33,180

break right here our guest night Jean

1400

01:01:39,349 --> 01:01:36,299

Broda is with us this is Fade to Black

1401

01:01:41,329 --> 01:01:39,359

stay with us we'll be right back

1402

01:01:43,670 --> 01:01:41,339

this is Jimmy Church of Fade to Black

1403

01:01:45,890 --> 01:01:43,680

please visit all of our sponsors we're

1404

01:01:47,630 --> 01:01:45,900

taking a quick break here all of the

1405

01:01:49,809 --> 01:01:47,640

links are below

1406

01:01:54,349 --> 01:01:49,819

and we'll be right back

1407

01:01:56,809 --> 01:01:54,359

join us November 10th 11th and 12th 2023

1408

01:01:59,510 --> 01:01:56,819

as disclosure Fest foundation and Fade

1409

01:02:01,970 --> 01:01:59,520

to Black radio presents Stairway To the

1410

01:02:04,490 --> 01:02:01,980

Stars a human Origins Science and

1411

01:02:07,549 --> 01:02:04,500

Technology Expo live at the Luxor Hotel

1412

01:02:09,829 --> 01:02:07,559

and Casino and the Las Vegas Strip with

1413

01:02:11,809 --> 01:02:09,839

live talks and lectures and workshops by

1414

01:02:13,910 --> 01:02:11,819

World Acclaim researchers and authors

1415

01:02:16,490 --> 01:02:13,920

this is Jimmy Church by the way and I'll

1416

01:02:18,770 --> 01:02:16,500

be your host all weekend long featuring

1417

01:02:20,930 --> 01:02:18,780

topics like human Origins ancient

1418

01:02:23,809 --> 01:02:20,940

Technologies indigenous teachings

1419

01:02:26,150 --> 01:02:23,819

workshops a mass meditation yoga and

1420

01:02:28,970 --> 01:02:26,160

sound healing music and so much more

1421

01:02:31,789 --> 01:02:28,980

don't miss our intimate Skywatch and

1422

01:02:34,609 --> 01:02:31,799

meteor shower over the infamous Area 51

1423

01:02:36,410 --> 01:02:34,619

airspace in Rachel Nevada with special

1424

01:02:38,690 --> 01:02:36,420

surprise celebrity host guiding us

1425

01:02:42,589 --> 01:02:38,700

through the night also introducing our

1426
01:02:44,809 --> 01:02:42,599
disclosure Fest VR Starship area with

1427
01:02:47,569 --> 01:02:44,819
dozens of rides you've gotta check it

1428
01:02:49,069 --> 01:02:47,579
out this event will sell out for more

1429
01:02:52,370 --> 01:02:49,079
information and tickets Please visit

1430
01:02:55,130 --> 01:02:52,380
disclosure fest.org this is Jimmy church

1431
01:02:58,730 --> 01:02:55,140
and I want to introduce you to lifewaves

1432
01:03:01,190 --> 01:02:58,740
x39 Stem Cell Activation patch which has

1433
01:03:04,069 --> 01:03:01,200
totally transformed my health my sleep

1434
01:03:06,770 --> 01:03:04,079
brain and my eyes I no longer need

1435
01:03:08,809 --> 01:03:06,780
reading glasses x39 is a true

1436
01:03:13,010 --> 01:03:08,819
breakthrough in regenerative science

1437
01:03:15,589 --> 01:03:13,020
using light x-39's patented age reversal

1438
01:03:17,569 --> 01:03:15,599

Technologies clinically proven to Signal

1439

01:03:19,849 --> 01:03:17,579

the activation of younger stem cells

1440

01:03:23,089 --> 01:03:19,859

accelerating the body's natural healing

1441

01:03:25,430 --> 01:03:23,099

process x-39 promotes restoration and

1442

01:03:27,829 --> 01:03:25,440

Rejuvenation bringing the life-changing

1443

01:03:30,109 --> 01:03:27,839

benefits that I've experienced by

1444

01:03:33,289 --> 01:03:30,119

naturally elevating a master signaling

1445

01:03:36,049 --> 01:03:33,299

peptide in the body x39 boosts Vitality

1446

01:03:38,930 --> 01:03:36,059

health and wellness and resets 4 000

1447

01:03:41,510 --> 01:03:38,940

genes to a younger healthier State it's

1448

01:03:45,250 --> 01:03:41,520

one patch once a day and you can turn

1449

01:03:48,650 --> 01:03:45,260

back time with x-39 just go to

1450

01:03:50,349 --> 01:03:48,660

healingworksnow.com that's works with an

1451

01:03:53,750 --> 01:03:50,359

X healing

1452

01:03:56,030 --> 01:03:53,760

worksnow.com hey everybody it's Billy

1453

01:03:57,950 --> 01:03:56,040

Carson also known as Forbidden Knowledge

1454

01:04:00,770 --> 01:03:57,960

I want to talk to you about a very

1455

01:04:03,589 --> 01:04:00,780

special event coming up July 30th 2023

1456

01:04:04,970 --> 01:04:03,599

The Forbidden conscious Awards we're

1457

01:04:06,589 --> 01:04:04,980

going to honor people who have been

1458

01:04:08,930 --> 01:04:06,599

contributing to the conscious Community

1459

01:04:10,549 --> 01:04:08,940

for decades people that you know and

1460

01:04:12,470 --> 01:04:10,559

love that have helped you get to higher

1461

01:04:14,030 --> 01:04:12,480

levels of thought and Consciousness and

1462

01:04:16,069 --> 01:04:14,040

awareness it's going to be alive

1463

01:04:17,569 --> 01:04:16,079

in-person event but seats are going to

1464

01:04:19,309 --> 01:04:17,579

sell out very fast you want to make sure

1465

01:04:21,349 --> 01:04:19,319

you're there in person and guess what

1466

01:04:23,329 --> 01:04:21,359

you can help vote for the winners voting

1467

01:04:25,250 --> 01:04:23,339

is available on forbiddenknowledge.com

1468

01:04:27,890 --> 01:04:25,260

and the categories are going to be

1469

01:04:30,349 --> 01:04:27,900

social media influencer podcast slash

1470

01:04:32,450 --> 01:04:30,359

radio host TV host actor director

1471

01:04:34,190 --> 01:04:32,460

producer entrepreneurs health and

1472

01:04:36,650 --> 01:04:34,200

wellness philanthropists authors field

1473

01:04:38,450 --> 01:04:36,660

researchers archaeologists space anomaly

1474

01:04:41,210 --> 01:04:38,460

hunters and of course a Lifetime

1475

01:04:43,130 --> 01:04:41,220

Achievement Award I'll be your key note

1476

01:04:45,109 --> 01:04:43,140

speaker that night at The Forbidden

1477

01:04:47,450 --> 01:04:45,119

conscious Awards we have celebrity

1478

01:04:49,010 --> 01:04:47,460

guests performing we'll have a halftime

1479

01:04:50,690 --> 01:04:49,020

show where we're actually going to

1480

01:04:53,270 --> 01:04:50,700

perform music for you and don't forget

1481

01:04:55,190 --> 01:04:53,280

about the pre-event mixer where if you

1482

01:04:57,170 --> 01:04:55,200

buy a box seat you'll be in the VIP

1483

01:04:59,809 --> 01:04:57,180

section and you also have private access

1484

01:05:02,930 --> 01:04:59,819

to a VIP mixer with celebrity guests

1485

01:05:04,670 --> 01:05:02,940

shake hands break bread Network and then

1486

01:05:06,589 --> 01:05:04,680

walk the red carpet with us and take

1487

01:05:07,849 --> 01:05:06,599

amazing photos it's going to be a night

1488

01:05:10,010 --> 01:05:07,859

to remember you don't want to forget

1489

01:05:11,690 --> 01:05:10,020

this make sure you hurry up and get your

1490

01:05:14,150 --> 01:05:11,700

tickets because they're selling out very

1491

01:05:15,930 --> 01:05:14,160

fast I want to see you there forbidden

1492

01:05:19,549 --> 01:05:15,940

conscious Awards 2023

1493

01:05:22,970 --> 01:05:19,559

[Music]

1494

01:05:25,789 --> 01:05:22,980

River Moon coffee makers of the Fade to

1495

01:05:27,609 --> 01:05:25,799

Black blend truly the best coffee on

1496

01:05:29,870 --> 01:05:27,619

planet Earth just visit

1497

01:05:31,730 --> 01:05:29,880

rivermoonwellness.com or their Amazon

1498

01:05:33,170 --> 01:05:31,740

store it's all simple to do you can

1499

01:05:35,270 --> 01:05:33,180

check out the Fade to Black blend the

1500

01:05:37,910 --> 01:05:35,280

game changer Blend or any of their black

1501

01:05:41,690 --> 01:05:37,920

moon wellness products it's the only

1502

01:05:46,730 --> 01:05:41,700

coffee I drink it is the best and it's

1503

01:05:46,740 --> 01:05:52,549

River Moon coffee it's right here

1504

01:05:59,030 --> 01:05:55,789

links are below and I need all I can

1505

01:06:04,849 --> 01:05:59,040

because Jean Broda is with us tonight on

1506

01:06:07,390 --> 01:06:04,859

the show and Gene one of the uh more uh

1507

01:06:11,690 --> 01:06:07,400

oh you need to unmute yourself that's uh

1508

01:06:16,970 --> 01:06:11,700

you need there Gekko um the

1509

01:06:18,589 --> 01:06:16,980

um the human Origins aspect of of us is

1510

01:06:20,150 --> 01:06:18,599

something that has been completely

1511

01:06:22,730 --> 01:06:20,160

covered up

1512

01:06:25,130 --> 01:06:22,740

talk about a taboo topic right and if

1513

01:06:27,890 --> 01:06:25,140

you're in Academia

1514

01:06:29,990 --> 01:06:27,900

um you're not allowed to explore or step

1515

01:06:32,089 --> 01:06:30,000

outside of the box

1516

01:06:35,210 --> 01:06:32,099

um and there's so many examples around

1517

01:06:39,289 --> 01:06:35,220

this planet uh that that show us things

1518

01:06:42,230 --> 01:06:39,299

but but why is this such a concern with

1519

01:06:44,630 --> 01:06:42,240

the establishment the man to keep this

1520

01:06:47,450 --> 01:06:44,640

stuff hidden from us

1521

01:06:51,410 --> 01:06:47,460

well that's another great question and

1522

01:06:52,370 --> 01:06:51,420

again it's not clear in my mind why

1523

01:06:53,450 --> 01:06:52,380

except

1524

01:06:56,510 --> 01:06:53,460

power

1525

01:06:59,150 --> 01:06:56,520

money control

1526

01:07:01,250 --> 01:06:59,160

globalism these are

1527

01:07:03,890 --> 01:07:01,260

short and short one-word answers but

1528

01:07:05,870 --> 01:07:03,900

what else could it be

1529

01:07:11,390 --> 01:07:05,880

I mean

1530

01:07:16,849 --> 01:07:14,329

not very eloquent but I think there is I

1531

01:07:18,470 --> 01:07:16,859

don't think it's very deep I think they

1532

01:07:19,430 --> 01:07:18,480

want they want it and they don't want us

1533

01:07:22,569 --> 01:07:19,440

to have it

1534

01:07:25,430 --> 01:07:22,579

being knowledge technology

1535

01:07:29,150 --> 01:07:25,440

but things like

1536

01:07:33,230 --> 01:07:29,160

um uh that are getting discovered every

1537

01:07:35,210 --> 01:07:33,240

day and uh one of the uh subjects that I

1538

01:07:38,450 --> 01:07:35,220

talk about a lot on the show is go back

1539

01:07:40,549 --> 01:07:38,460

Lee tappy and and my sign off every

1540

01:07:43,549 --> 01:07:40,559

night on Coast to Coast AM was always go

1541

01:07:45,529 --> 01:07:43,559

Beckley Tepe my sign off here is go back

1542

01:07:49,430 --> 01:07:45,539

Lee tappy I put it in all of my

1543

01:07:53,210 --> 01:07:49,440

commercials and and and uh raising the

1544

01:07:57,430 --> 01:07:53,220

awareness of it because uh Gobekli Tepe

1545

01:08:00,890 --> 01:07:57,440

is an example of uh Academia for

1546

01:08:04,730 --> 01:08:00,900

forever said everything started in

1547

01:08:07,069 --> 01:08:04,740

Mesopotamia everything started in Giza

1548

01:08:09,770 --> 01:08:07,079

3000 BC that's it there's nothing else

1549

01:08:13,190 --> 01:08:09,780

to see here and then go back Lee Tepe

1550

01:08:16,669 --> 01:08:13,200

comes along at 7 000 years older than

1551

01:08:21,169 --> 01:08:16,679

Giza not 7 000 years old seven thousand

1552

01:08:23,090 --> 01:08:21,179

years older than a Mesopotamia and it

1553

01:08:25,970 --> 01:08:23,100

wasn't supposed to exist and certainly

1554

01:08:29,090 --> 01:08:25,980

that rewrites history but it's not

1555

01:08:32,150 --> 01:08:29,100

headline news like it should be and

1556

01:08:34,010 --> 01:08:32,160

that's an example of things that are

1557

01:08:35,450 --> 01:08:34,020

going to be and continue to be

1558

01:08:37,550 --> 01:08:35,460

discovered right

1559

01:08:41,150 --> 01:08:37,560

I agree completely

1560

01:08:45,169 --> 01:08:41,160

we know that academic institutions are

1561

01:08:48,289 --> 01:08:45,179

hand in glove with government agencies

1562

01:08:50,990 --> 01:08:48,299

that control information dissemination

1563

01:08:53,689 --> 01:08:51,000

for example the cover-up of giant human

1564

01:08:56,329 --> 01:08:53,699

beings by the Smithsonian

1565

01:08:57,769 --> 01:08:56,339

notably okay so we we know this goes on

1566

01:09:01,249 --> 01:08:57,779

and we know it's been going on for a

1567

01:09:04,010 --> 01:09:01,259

long long time but Becky tepley so go

1568

01:09:06,590 --> 01:09:04,020

Beckley Deputy so interesting when I saw

1569

01:09:08,630 --> 01:09:06,600

pictures of it I got really excited it

1570

01:09:10,789 --> 01:09:08,640

stirred in memories and there were so

1571

01:09:12,890 --> 01:09:10,799

some very notable features that arose

1572

01:09:14,990 --> 01:09:12,900

immediately including the fact that the

1573

01:09:17,329 --> 01:09:15,000

whole site was backfilled with a small

1574

01:09:19,910 --> 01:09:17,339

pebble that doesn't exist anywhere in

1575

01:09:22,789 --> 01:09:19,920

this area it was transported in somehow

1576

01:09:26,329 --> 01:09:22,799

and the site was intentionally buried

1577

01:09:30,229 --> 01:09:26,339

with this non-native Rock to hide it

1578

01:09:34,030 --> 01:09:30,239

basically or or smooth it over and when

1579

01:09:40,070 --> 01:09:34,040

they started uncovering these pillars

1580

01:09:42,110 --> 01:09:40,080

the the carving on them is not

1581

01:09:43,849 --> 01:09:42,120

um it's not the kind of relief where

1582

01:09:45,169 --> 01:09:43,859

it's carved out

1583

01:09:48,050 --> 01:09:45,179

it's kind of relief where you have to

1584

01:09:51,050 --> 01:09:48,060

carve everything else away so it's not

1585

01:09:53,150 --> 01:09:51,060

bar relief it's the other kind where it

1586

01:09:55,310 --> 01:09:53,160

sticks up and out so you've got

1587

01:09:57,650 --> 01:09:55,320

creatures crawling around corners and

1588

01:10:01,850 --> 01:09:57,660

hands wrapping around corners on these

1589

01:10:03,410 --> 01:10:01,860

pillars basically and it requires a lot

1590

01:10:04,790 --> 01:10:03,420

of artistic

1591

01:10:07,669 --> 01:10:04,800

planning

1592

01:10:09,350 --> 01:10:07,679

and execution skills to do that sort of

1593

01:10:10,790 --> 01:10:09,360

work and so the first thing I thought

1594

01:10:12,890 --> 01:10:10,800

was not only are these things very

1595

01:10:14,510 --> 01:10:12,900

ancient but they're elaborate they're

1596

01:10:17,209 --> 01:10:14,520

very elaborate they're highly symbolic

1597

01:10:19,790 --> 01:10:17,219

they're artistically refined not

1598

01:10:22,250 --> 01:10:19,800

primitive this is not primitive art and

1599

01:10:24,649 --> 01:10:22,260

the first utterance out of the pundit's

1600

01:10:26,689 --> 01:10:24,659

mouth was that it had to be a temple

1601

01:10:29,209 --> 01:10:26,699

site this is a temple site and my first

1602

01:10:32,270 --> 01:10:29,219

thought was this is a UFO landing site

1603

01:10:35,510 --> 01:10:32,280

and I looked at these the the structures

1604

01:10:38,390 --> 01:10:35,520

that have been likened unto tuning Forks

1605

01:10:40,610 --> 01:10:38,400

it's a basically it's a pillar that

1606

01:10:41,510 --> 01:10:40,620

comes up and tees out at the top T's at

1607

01:10:44,110 --> 01:10:41,520

the top

1608

01:10:46,970 --> 01:10:44,120

there was a an above ground

1609

01:10:49,010 --> 01:10:46,980

monorails above ground train being built

1610

01:10:51,590 --> 01:10:49,020

for light rail around Denver Colorado

1611

01:10:53,570 --> 01:10:51,600

and Aurora Colorado when I was living

1612

01:10:55,490 --> 01:10:53,580

there and I'm telling you I took

1613

01:10:58,610 --> 01:10:55,500

pictures of those structural supports to

1614

01:11:01,550 --> 01:10:58,620

hold up the very heavy train track that

1615

01:11:04,729 --> 01:11:01,560

was going to be going over Lawns and

1616

01:11:07,430 --> 01:11:04,739

other roads and along the highway for

1617

01:11:09,770 --> 01:11:07,440

commuting and it's the same structure

1618

01:11:11,930 --> 01:11:09,780

they poured it in concrete but it is the

1619

01:11:14,570 --> 01:11:11,940

same shape it's a structural element

1620

01:11:16,790 --> 01:11:14,580

it's not a tuning fork it's not a

1621

01:11:19,189 --> 01:11:16,800

Celestial tuning fork it's a structural

1622

01:11:22,310 --> 01:11:19,199

element that's designed to carry a great

1623

01:11:24,470 --> 01:11:22,320

load if it were a temple it would have a

1624

01:11:27,770 --> 01:11:24,480

roof there's no roof here

1625

01:11:30,830 --> 01:11:27,780

this is not this this isn't designed for

1626

01:11:33,350 --> 01:11:30,840

something to Nestle Down in or on top of

1627

01:11:36,470 --> 01:11:33,360

somehow and these were arranged in rings

1628

01:11:38,810 --> 01:11:36,480

okay so either they are landing

1629

01:11:40,729 --> 01:11:38,820

structures and or they may have been

1630

01:11:42,709 --> 01:11:40,739

able to be activated through sound

1631

01:11:45,350 --> 01:11:42,719

Technologies resonance Technologies

1632

01:11:47,209 --> 01:11:45,360

Michael tellinger of South Africa

1633

01:11:49,430 --> 01:11:47,219

getting into resonance Technologies

1634

01:11:52,070 --> 01:11:49,440

other people too but his work is really

1635

01:11:53,990 --> 01:11:52,080

fascinating you have to have him on the

1636

01:11:55,610 --> 01:11:54,000

show if you haven't already I have man

1637

01:11:57,950 --> 01:11:55,620

you know what I'm talking about oh I do

1638

01:12:02,450 --> 01:11:57,960

he's been in this house he's been to my

1639

01:12:05,030 --> 01:12:02,460

house so that that site that 14 000 year

1640

01:12:07,250 --> 01:12:05,040

old site with elaborate Stone carvings

1641

01:12:08,810 --> 01:12:07,260

it's just short of having hieroglyphics

1642

01:12:11,870 --> 01:12:08,820

in it I don't think there's anything

1643

01:12:13,970 --> 01:12:11,880

that's interpreted as uh

1644

01:12:15,649 --> 01:12:13,980

glyphic you know um language

1645

01:12:17,810 --> 01:12:15,659

representation I don't think they found

1646

01:12:21,350 --> 01:12:17,820

anything like that have they no it's

1647

01:12:25,610 --> 01:12:21,360

pictorial not yet but that that uh

1648

01:12:28,689 --> 01:12:25,620

pillar 43 I think it's 43. that kind of

1649

01:12:32,930 --> 01:12:28,699

looks like a zodiac

1650

01:12:36,290 --> 01:12:32,940

there's something Celestial there which

1651

01:12:38,450 --> 01:12:36,300

I I it doesn't feel earthy to me it

1652

01:12:41,810 --> 01:12:38,460

looks like the constellations are

1653

01:12:44,870 --> 01:12:41,820

represented there and if you're going

1654

01:12:46,790 --> 01:12:44,880

back to 12 000 BC

1655

01:12:50,030 --> 01:12:46,800

um which allegedly everything was

1656

01:12:52,490 --> 01:12:50,040

hunter-gatherers right how would they

1657

01:12:55,729 --> 01:12:52,500

how would they look to the heavens and

1658

01:12:59,149 --> 01:12:55,739

represent a zodiac which didn't happen

1659

01:13:02,149 --> 01:12:59,159

until what dendara in Egypt you know

1660

01:13:04,189 --> 01:13:02,159

it's ridiculous it's Unthinkable all of

1661

01:13:08,750 --> 01:13:04,199

it is Unthinkable for primitive humans

1662

01:13:10,970 --> 01:13:08,760

there is no part of that site that makes

1663

01:13:13,850 --> 01:13:10,980

any sense in the context of primitive

1664

01:13:16,130 --> 01:13:13,860

human cultures and societies but then

1665

01:13:19,189 --> 01:13:16,140

really neither does Stonehenge I don't

1666

01:13:21,950 --> 01:13:19,199

buy the theory personally I don't buy

1667

01:13:24,770 --> 01:13:21,960

the theory that the rocks at Stonehenge

1668

01:13:26,990 --> 01:13:24,780

were rolled over logs hundreds of miles

1669

01:13:29,330 --> 01:13:27,000

away from hundreds of miles away to

1670

01:13:31,910 --> 01:13:29,340

build stone Edge I've I find that hard

1671

01:13:34,130 --> 01:13:31,920

to swallow quite honestly and I find it

1672

01:13:36,110 --> 01:13:34,140

hard to believe that thousands and

1673

01:13:37,850 --> 01:13:36,120

thousands of slave laborers built the

1674

01:13:39,770 --> 01:13:37,860

pyramids honestly I just don't think

1675

01:13:41,689 --> 01:13:39,780

that's what had happened I don't think

1676
01:13:43,910 --> 01:13:41,699
that's how it happened I think Advanced

1677
01:13:47,090 --> 01:13:43,920
Technologies assisted if not did it all

1678
01:13:48,010 --> 01:13:47,100
and did it all fast very fast it was

1679
01:13:50,870 --> 01:13:48,020
easy

1680
01:13:55,010 --> 01:13:50,880
I don't know how they did it

1681
01:13:57,169 --> 01:13:55,020
um when uh the first of the putting the

1682
01:14:00,130 --> 01:13:57,179
Great Pyramid aside I have my own

1683
01:14:04,189 --> 01:14:00,140
opinions on that I've been there

1684
01:14:06,890 --> 01:14:04,199
but but the first time when you go to

1685
01:14:09,050 --> 01:14:06,900
Sakara and you roll up on the Ben

1686
01:14:10,850 --> 01:14:09,060
pyramid right and it's sitting out there

1687
01:14:11,990 --> 01:14:10,860
in the middle of the desert and you walk

1688
01:14:16,729 --> 01:14:12,000

up to that

1689

01:14:18,590 --> 01:14:16,739

it is so freaking big you don't

1690

01:14:21,050 --> 01:14:18,600

understand because it's sitting out

1691

01:14:22,850 --> 01:14:21,060

there and it looks like you can reach

1692

01:14:25,729 --> 01:14:22,860

out and touch it then you start the walk

1693

01:14:27,830 --> 01:14:25,739

right it's like a mile and you're not

1694

01:14:30,550 --> 01:14:27,840

getting any closer by the time you get

1695

01:14:34,970 --> 01:14:30,560

there and you're looking at this thing

1696

01:14:38,990 --> 01:14:34,980

no matter what it was easy

1697

01:14:41,570 --> 01:14:39,000

and it's big and by the time you know

1698

01:14:43,850 --> 01:14:41,580

and The Red Pyramid is a mile behind you

1699

01:14:46,850 --> 01:14:43,860

right you turn around and or two miles

1700

01:14:49,370 --> 01:14:46,860

away uh The Red Pyramid is sitting right

1701

01:14:50,450 --> 01:14:49,380

there but allegedly built at the same

1702

01:14:53,030 --> 01:14:50,460

time

1703

01:14:55,430 --> 01:14:53,040

so wait a minute and and then you know a

1704

01:14:58,189 --> 01:14:55,440

few months later they start Giza right

1705

01:15:01,130 --> 01:14:58,199

and they build three pyramids there

1706

01:15:04,490 --> 01:15:01,140

um and if you put 20 000 people if you

1707

01:15:07,430 --> 01:15:04,500

follow you know Orthodox Academia twenty

1708

01:15:10,209 --> 01:15:07,440

thousand people per pyramid uh over 20

1709

01:15:13,669 --> 01:15:10,219

years it's like everybody in Egypt

1710

01:15:17,570 --> 01:15:13,679

apparently man woman and child

1711

01:15:20,570 --> 01:15:17,580

everybody was building pyramids and that

1712

01:15:22,130 --> 01:15:20,580

simply wasn't no no no no if that were

1713

01:15:23,930 --> 01:15:22,140

happening don't you think there'd be

1714

01:15:25,669 --> 01:15:23,940

lots and lots and lots and lots of

1715

01:15:28,790 --> 01:15:25,679

Egyptian art showing people building

1716

01:15:31,310 --> 01:15:28,800

pyramids and there's none there's none

1717

01:15:34,729 --> 01:15:31,320

there are no tools

1718

01:15:37,850 --> 01:15:34,739

left over from building the pyramids I I

1719

01:15:39,350 --> 01:15:37,860

find that people people who say it had

1720

01:15:41,510 --> 01:15:39,360

to have been humans because there's

1721

01:15:43,669 --> 01:15:41,520

nothing but humans I mean that's a

1722

01:15:46,490 --> 01:15:43,679

pretty weak argument first of all in my

1723

01:15:48,649 --> 01:15:46,500

view because I I believe there are

1724

01:15:50,689 --> 01:15:48,659

individuals who are not humans so it's

1725

01:15:52,430 --> 01:15:50,699

easy for me to believe that non-humans

1726

01:15:53,750 --> 01:15:52,440

could build things like pyramids on

1727

01:15:57,229 --> 01:15:53,760

Earth it's very easy for me to believe

1728

01:15:59,450 --> 01:15:57,239

that or or allow it as a theory okay a

1729

01:16:01,729 --> 01:15:59,460

working Theory but people who cannot

1730

01:16:05,450 --> 01:16:01,739

allow for extraterrestrials for anything

1731

01:16:07,490 --> 01:16:05,460

but humans cannot go there it has to be

1732

01:16:10,450 --> 01:16:07,500

humans there's nothing else it could be

1733

01:16:13,010 --> 01:16:10,460

and that's true with the site in turkey

1734

01:16:14,209 --> 01:16:13,020

and all the other sites the sites in

1735

01:16:16,310 --> 01:16:14,219

South America

1736

01:16:18,950 --> 01:16:16,320

there there's one you bring up a good

1737

01:16:21,050 --> 01:16:18,960

point so let's swing this back uh a

1738

01:16:23,410 --> 01:16:21,060

second let's put the car in reverse

1739

01:16:26,810 --> 01:16:23,420

if you have two and a half million

1740

01:16:29,930 --> 01:16:26,820

blocks on the geese of plateau forget

1741

01:16:32,689 --> 01:16:29,940

about the other 75 pyramids in in Egypt

1742

01:16:35,209 --> 01:16:32,699

let's just talk about Giza so kafri and

1743

01:16:37,010 --> 01:16:35,219

Khufu right the two main pyramids two

1744

01:16:39,770 --> 01:16:37,020

and a half million blocks each

1745

01:16:43,750 --> 01:16:39,780

that's a lot of copper chisels

1746

01:16:47,630 --> 01:16:43,760

and I would think right copper is soft

1747

01:16:50,570 --> 01:16:47,640

but there would be pits of copper

1748

01:16:52,970 --> 01:16:50,580

chisels yeah we would see millions of

1749

01:16:54,610 --> 01:16:52,980

them and where are they that's all

1750

01:16:57,590 --> 01:16:54,620

that's right okay

1751
01:16:59,990 --> 01:16:57,600
very easy question somebody Point those

1752
01:17:02,090 --> 01:17:00,000
to me there are archaeologists haven't

1753
01:17:03,410 --> 01:17:02,100
have uncovered

1754
01:17:06,110 --> 01:17:03,420
evidence

1755
01:17:10,189 --> 01:17:06,120
near the pyramids of human habitation

1756
01:17:12,649 --> 01:17:10,199
they found beer and bread

1757
01:17:13,970 --> 01:17:12,659
but it is not at all clear that these

1758
01:17:16,850 --> 01:17:13,980
humans were involved in building

1759
01:17:19,490 --> 01:17:16,860
pyramids because where are the tools

1760
01:17:22,070 --> 01:17:19,500
where where's any

1761
01:17:24,229 --> 01:17:22,080
there's a little bit of graffiti at the

1762
01:17:27,709 --> 01:17:24,239
pyramids maybe you saw some in your

1763
01:17:29,649 --> 01:17:27,719

travels but uh graffitis a very

1764

01:17:32,750 --> 01:17:29,659

interesting cultural expression right

1765

01:17:35,270 --> 01:17:32,760

and even in the graffiti there's

1766

01:17:38,090 --> 01:17:35,280

no that I've seen and I'm no expert on

1767

01:17:41,110 --> 01:17:38,100

graffiti at the pyramids but

1768

01:17:43,490 --> 01:17:41,120

you would think that if this

1769

01:17:44,990 --> 01:17:43,500

massive Public Works was going on

1770

01:17:46,669 --> 01:17:45,000

generation after generation after

1771

01:17:48,110 --> 01:17:46,679

generation with all these people and all

1772

01:17:51,229 --> 01:17:48,120

these blocks and all this rigmarole

1773

01:17:53,689 --> 01:17:51,239

especially if it involved ropes and logs

1774

01:17:56,630 --> 01:17:53,699

or whatever kinds of Technologies modern

1775

01:17:58,370 --> 01:17:56,640

Engineers say would have to be involved

1776

01:18:00,410 --> 01:17:58,380

right

1777

01:18:02,510 --> 01:18:00,420

there'd be traces of it there'd be

1778

01:18:05,030 --> 01:18:02,520

stories there'd be songs there'd be

1779

01:18:06,350 --> 01:18:05,040

pictures there I mean these people drew

1780

01:18:08,450 --> 01:18:06,360

everything

1781

01:18:10,189 --> 01:18:08,460

why are there no pictures of this that's

1782

01:18:13,990 --> 01:18:10,199

right that's right but they there's

1783

01:18:17,270 --> 01:18:14,000

plenty of bread making recipes right

1784

01:18:19,490 --> 01:18:17,280

beer making yeah beer making wine we've

1785

01:18:24,709 --> 01:18:19,500

got that we found uh containers you know

1786

01:18:26,570 --> 01:18:24,719

amphoras uh faces and they scrape on the

1787

01:18:28,370 --> 01:18:26,580

inside and they they can do analysis to

1788

01:18:30,770 --> 01:18:28,380

see what was inside there and they know

1789

01:18:32,450 --> 01:18:30,780

they drank beer not wine beer they had

1790

01:18:34,850 --> 01:18:32,460

beer they were making beer in other

1791

01:18:36,169 --> 01:18:34,860

words they were fermenting beer and they

1792

01:18:38,390 --> 01:18:36,179

were making bread although that might

1793

01:18:41,290 --> 01:18:38,400

have been unleavened come to think of it

1794

01:18:44,810 --> 01:18:41,300

yeah but anything about beer and bread

1795

01:18:46,790 --> 01:18:44,820

again again we have lots of evidence of

1796

01:18:50,630 --> 01:18:46,800

that okay so they could bake and they

1797

01:18:54,470 --> 01:18:50,640

they were uh they were uh making beer

1798

01:18:56,750 --> 01:18:54,480

lots of fish heads right yeah but

1799

01:19:01,030 --> 01:18:56,760

where's everything else that's right

1800

01:19:03,530 --> 01:19:01,040

that's right do you feel that I agree

1801

01:19:07,010 --> 01:19:03,540

do you feel that

1802

01:19:10,250 --> 01:19:07,020

um in the future that uh people like

1803

01:19:13,729 --> 01:19:10,260

Zachariah sitchin uh were on the right

1804

01:19:16,370 --> 01:19:13,739

side of history that that that that is

1805

01:19:19,490 --> 01:19:16,380

closer to our reality of our human

1806

01:19:22,669 --> 01:19:19,500

Origins than the other part that we are

1807

01:19:25,070 --> 01:19:22,679

taught in school yes absolutely and when

1808

01:19:28,010 --> 01:19:25,080

I first read Zechariah sitchin it

1809

01:19:30,590 --> 01:19:28,020

resonated so profoundly with me that I

1810

01:19:32,630 --> 01:19:30,600

was surprised anyone would debunk him

1811

01:19:35,810 --> 01:19:32,640

but I immediately found debunkers of

1812

01:19:38,030 --> 01:19:35,820

sichin saying how does he claim to know

1813

01:19:41,149 --> 01:19:38,040

ancient Sumerian by the way for those

1814

01:19:41,870 --> 01:19:41,159

who don't know Zechariah sitchin was the

1815

01:19:44,630 --> 01:19:41,880

first

1816

01:19:47,870 --> 01:19:44,640

linguist well he wasn't the linguist the

1817

01:19:50,290 --> 01:19:47,880

first per the first citizen scientist to

1818

01:19:52,729 --> 01:19:50,300

say he had successfully translated

1819

01:19:56,630 --> 01:19:52,739

Sumerian texts when no one else had been

1820

01:19:59,510 --> 01:19:56,640

able to do so and he had decoded

1821

01:20:02,870 --> 01:19:59,520

among other things the human creation

1822

01:20:06,169 --> 01:20:02,880

myth or history as I think of it from

1823

01:20:08,390 --> 01:20:06,179

Sumerian clay tablets tablets which by

1824

01:20:10,729 --> 01:20:08,400

the way are almost all cylindrical and

1825

01:20:13,430 --> 01:20:10,739

they get rolled out I saw a whole bunch

1826

01:20:16,070 --> 01:20:13,440

of these in museums in Europe and

1827

01:20:17,750 --> 01:20:16,080

Scholars at the time didn't know what

1828

01:20:19,130 --> 01:20:17,760

they were what to make of them and then

1829

01:20:21,470 --> 01:20:19,140

somebody I think was playing around with

1830

01:20:22,790 --> 01:20:21,480

one on Play-Doh or something one day and

1831

01:20:25,850 --> 01:20:22,800

they noticed it left an imprint they

1832

01:20:28,910 --> 01:20:25,860

went whoa if you roll it out it makes a

1833

01:20:29,750 --> 01:20:28,920

tableau it's it's uh like a cartoon I

1834

01:20:31,729 --> 01:20:29,760

mean it

1835

01:20:33,350 --> 01:20:31,739

and they began to decipher those and

1836

01:20:34,850 --> 01:20:33,360

they get you know compare they rolled

1837

01:20:37,910 --> 01:20:34,860

out cylinders and they began to compare

1838

01:20:39,770 --> 01:20:37,920

the texts and then the first ones they

1839

01:20:41,030 --> 01:20:39,780

got were counting with numbers numbers

1840

01:20:44,270 --> 01:20:41,040

are always easiest when you're

1841

01:20:48,169 --> 01:20:44,280

deciphering codes so numbers repeated

1842

01:20:50,270 --> 01:20:48,179

often and easy to represent so

1843

01:20:53,570 --> 01:20:50,280

they found accounting records for

1844

01:20:55,490 --> 01:20:53,580

livestock and grain those were the first

1845

01:20:58,189 --> 01:20:55,500

Sumerian records but then they stumbled

1846

01:20:59,750 --> 01:20:58,199

across creation myth which was that the

1847

01:21:03,110 --> 01:20:59,760

Anunnaki

1848

01:21:05,450 --> 01:21:03,120

ETS came from their home planet to get

1849

01:21:07,189 --> 01:21:05,460

gold from Earth to save their planet's

1850

01:21:10,310 --> 01:21:07,199

atmosphere a certain kind of gold

1851
01:21:12,830 --> 01:21:10,320
monatomic and they found plenty of gold

1852
01:21:14,689 --> 01:21:12,840
in Africa so they put spaceports in the

1853
01:21:17,630 --> 01:21:14,699
north of Africa the cradle of

1854
01:21:19,370 --> 01:21:17,640
civilization and they mined gold in the

1855
01:21:21,890 --> 01:21:19,380
south of Africa where Michael tellinger

1856
01:21:25,010 --> 01:21:21,900
is and stewed artifacts all over the

1857
01:21:28,189 --> 01:21:25,020
place there when Giants roamed the Earth

1858
01:21:32,689 --> 01:21:28,199
interesting interesting stuff yeah well

1859
01:21:35,689 --> 01:21:32,699
the the the the crazy part for me

1860
01:21:40,550 --> 01:21:35,699
is this I want your opinion

1861
01:21:43,910 --> 01:21:40,560
sitchin lays out a series of numbers

1862
01:21:45,830 --> 01:21:43,920
um but you know between 200 and 400 000

1863
01:21:50,330 --> 01:21:45,840

years ago when all of the stuff is going

1864

01:21:53,390 --> 01:21:50,340

down and then an anthropologist uh will

1865

01:21:55,669 --> 01:21:53,400

tell you and and any history book that

1866

01:21:58,970 --> 01:21:55,679

homo sapien sapien the modern version of

1867

01:22:04,209 --> 01:21:58,980

us is 200 000 years old

1868

01:22:08,209 --> 01:22:04,219

and it matches up with uh sitchin's work

1869

01:22:11,890 --> 01:22:08,219

as he was transcribing these texts but

1870

01:22:14,149 --> 01:22:11,900

yet an anthropologist won't in any way

1871

01:22:16,669 --> 01:22:14,159

uh say that there was something else

1872

01:22:18,470 --> 01:22:16,679

that interfered with us whether it's the

1873

01:22:22,430 --> 01:22:18,480

count of chromosomes or DNA

1874

01:22:25,209 --> 01:22:22,440

modifications or or how we just appeared

1875

01:22:29,810 --> 01:22:25,219

here on this planet but yet sitchin

1876

01:22:32,990 --> 01:22:29,820

explains it pretty elegantly and it just

1877

01:22:35,930 --> 01:22:33,000

shows me that if it's Occam's razor

1878

01:22:38,470 --> 01:22:35,940

right the simplest I think the way that

1879

01:22:41,270 --> 01:22:38,480

sitchin and and Lloyd pie and others

1880

01:22:44,270 --> 01:22:41,280

have laid it out makes a lot of sense

1881

01:22:46,790 --> 01:22:44,280

and I think that we should explore it

1882

01:22:47,890 --> 01:22:46,800

yes and let's remember too that sitchin

1883

01:22:51,530 --> 01:22:47,900

wasn't

1884

01:22:54,350 --> 01:22:51,540

theorizing so much as transcribing what

1885

01:22:57,290 --> 01:22:54,360

he found written right I don't think he

1886

01:22:59,330 --> 01:22:57,300

was editorializing very much

1887

01:23:01,910 --> 01:22:59,340

no I don't think he was either and

1888

01:23:04,490 --> 01:23:01,920

what's really interesting he was decried

1889

01:23:06,050 --> 01:23:04,500

as a fraud originally by mainstream

1890

01:23:07,490 --> 01:23:06,060

anthropologists and linguists who said

1891

01:23:09,110 --> 01:23:07,500

how could he possibly know what he's

1892

01:23:12,290 --> 01:23:09,120

talking about nobody knows this language

1893

01:23:13,970 --> 01:23:12,300

how could he know okay so they said it's

1894

01:23:16,250 --> 01:23:13,980

impossible what he's done is impossible

1895

01:23:18,830 --> 01:23:16,260

so it can't be true and then other

1896

01:23:21,350 --> 01:23:18,840

Scholars got on the case and they

1897

01:23:23,750 --> 01:23:21,360

confirmed his translations so one

1898

01:23:26,149 --> 01:23:23,760

question is how did sitchin get his

1899

01:23:29,330 --> 01:23:26,159

knowledge did he get divine inspiration

1900

01:23:31,430 --> 01:23:29,340

you know was he channeling a being that

1901

01:23:33,229 --> 01:23:31,440

was giving him the clues and visiting

1902

01:23:38,050 --> 01:23:33,239

him in his dreams or something like that

1903

01:23:41,090 --> 01:23:38,060

I I don't I don't know that he ever

1904

01:23:42,709 --> 01:23:41,100

explained how he arrived at these

1905

01:23:45,590 --> 01:23:42,719

translations I don't know I haven't read

1906

01:23:48,350 --> 01:23:45,600

that at this point again I'm no expert

1907

01:23:50,090 --> 01:23:48,360

on him but I've read enough to know that

1908

01:23:53,689 --> 01:23:50,100

he's totally resonating where I with

1909

01:23:56,630 --> 01:23:53,699

where I'm coming from that humans would

1910

01:23:59,149 --> 01:23:56,640

not be here as we are Homo sapiens

1911

01:24:01,790 --> 01:23:59,159

sapiens would not be Homo Sapien sapiens

1912

01:24:03,649 --> 01:24:01,800

without the intervention of some ETS

1913

01:24:06,229 --> 01:24:03,659

and that we have

1914

01:24:08,689 --> 01:24:06,239

ET genetics in us that so-called mystery

1915

01:24:12,130 --> 01:24:08,699

DNA the right it doesn't occur in any

1916

01:24:15,709 --> 01:24:12,140

other mammal on earth hello

1917

01:24:18,430 --> 01:24:15,719

it wouldn't surprise me if he if he

1918

01:24:21,530 --> 01:24:18,440

channeled some of this

1919

01:24:24,770 --> 01:24:21,540

it wouldn't I mean I I have been told

1920

01:24:28,130 --> 01:24:24,780

that he he did uh Channel this I don't

1921

01:24:30,590 --> 01:24:28,140

want to get into that but yeah it's a

1922

01:24:33,649 --> 01:24:30,600

sidebar but however he got his knowledge

1923

01:24:35,810 --> 01:24:33,659

he was decried as a fraud and that

1924

01:24:37,970 --> 01:24:35,820

turned out he wasn't and there was no

1925

01:24:41,209 --> 01:24:37,980

public apology from the mainstream of

1926

01:24:44,750 --> 01:24:41,219

course right but we know that his

1927

01:24:47,149 --> 01:24:44,760

translations hold water and this is and

1928

01:24:49,490 --> 01:24:47,159

that humans were bioengineered by the

1929

01:24:52,130 --> 01:24:49,500

Anunnaki to mine gold in the African

1930

01:24:54,590 --> 01:24:52,140

heat because the Anunnaki were wimps and

1931

01:24:58,130 --> 01:24:54,600

the slave race they brought with them

1932

01:25:02,330 --> 01:24:58,140

the EG were also wimps and couldn't

1933

01:25:04,729 --> 01:25:02,340

handle it it was hot they were tired

1934

01:25:08,149 --> 01:25:04,739

right right right

1935

01:25:09,590 --> 01:25:08,159

um I am I'm very excited that uh in

1936

01:25:12,830 --> 01:25:09,600

November

1937

01:25:15,010 --> 01:25:12,840

um uh I'm finally going to make it down

1938

01:25:19,189 --> 01:25:15,020

to Peru

1939

01:25:22,070 --> 01:25:19,199

and I'm Machu Picchu but I'm also going

1940

01:25:23,330 --> 01:25:22,080

uh I'm gonna go see the skulls and I'm

1941

01:25:25,010 --> 01:25:23,340

gonna do all of that stuff I'm going

1942

01:25:28,669 --> 01:25:25,020

with a Brian Forrester and I'm going to

1943

01:25:29,930 --> 01:25:28,679

lead this to her but nice but I got to

1944

01:25:33,530 --> 01:25:29,940

tell you

1945

01:25:35,030 --> 01:25:33,540

the Nazca Lines okay do you mind can we

1946

01:25:37,610 --> 01:25:35,040

talk about the Nazca Lines for a second

1947

01:25:39,050 --> 01:25:37,620

oh yeah I talked about that on a legit

1948

01:25:41,090 --> 01:25:39,060

paranormal news

1949

01:25:43,310 --> 01:25:41,100

a couple three weeks ago by the way I'm

1950

01:25:47,630 --> 01:25:43,320

I'm a feature on that show Wednesday

1951

01:25:49,550 --> 01:25:47,640

nights it's seven o'clock

1952

01:25:51,169 --> 01:25:49,560

Central so that's eight o'clock Eastern

1953

01:25:54,169 --> 01:25:51,179

eight o'clock Eastern you all could work

1954

01:25:57,350 --> 01:25:54,179

it out from there legit paranormal news

1955

01:25:59,390 --> 01:25:57,360

and I'm jet fuel Gene royda

1956

01:26:01,430 --> 01:25:59,400

bring in all the UFO news and other

1957

01:26:04,970 --> 01:26:01,440

stuff they want to talk about that's fun

1958

01:26:07,189 --> 01:26:04,980

on a Wednesday but when I was a kid you

1959

01:26:11,390 --> 01:26:07,199

and I are the same age so if we back up

1960

01:26:15,649 --> 01:26:11,400

and uh 19 I I remember this like it was

1961

01:26:17,930 --> 01:26:15,659

yesterday 70 71 when the movie came out

1962

01:26:21,590 --> 01:26:17,940

Chariots of the Gods and I would wait

1963

01:26:24,470 --> 01:26:21,600

for the TV commercial right because they

1964

01:26:26,510 --> 01:26:24,480

would show uh this is before I had a

1965

01:26:29,390 --> 01:26:26,520

chance to go to the the theater to see

1966

01:26:32,510 --> 01:26:29,400

it in person but they would show the

1967

01:26:36,350 --> 01:26:32,520

Nazca Lines right right because that was

1968

01:26:41,689 --> 01:26:36,360

a big deal it still is right but but to

1969

01:26:46,910 --> 01:26:41,699

me personally it was incredible and the

1970

01:26:49,189 --> 01:26:46,920

idea that these ginormous uh glyphs you

1971

01:26:52,850 --> 01:26:49,199

know carved in the desert that can only

1972

01:26:56,209 --> 01:26:52,860

be seen from above when when you're 10

1973

01:26:58,550 --> 01:26:56,219

years old your mind is messed with and

1974

01:27:01,129 --> 01:26:58,560

it was like man that makes perfect sense

1975

01:27:03,890 --> 01:27:01,139

to me I'm finally going to be able to go

1976

01:27:06,950 --> 01:27:03,900

and see them from the air and we're

1977

01:27:08,570 --> 01:27:06,960

discovering more and more uh glyphs uh

1978

01:27:10,729 --> 01:27:08,580

down there all the time there's there

1979

01:27:12,470 --> 01:27:10,739

was a new find I I reported on this

1980

01:27:15,410 --> 01:27:12,480

sweat as I say two three weeks ago

1981

01:27:20,270 --> 01:27:15,420

there's been a second Discovery they're

1982

01:27:23,050 --> 01:27:20,280

using modern in modern Technologies to

1983

01:27:25,729 --> 01:27:23,060

do aerial detection

1984

01:27:27,410 --> 01:27:25,739

from satellite imagery I think so

1985

01:27:30,530 --> 01:27:27,420

they're finding faint traces you know

1986

01:27:35,350 --> 01:27:30,540

lines that are much fainter but patterns

1987

01:27:38,330 --> 01:27:35,360

and so was it 400 more 600 more 100 more

1988

01:27:40,129 --> 01:27:38,340

like that something like that yeah that

1989

01:27:43,070 --> 01:27:40,139

cat that they found on the side of the

1990

01:27:44,990 --> 01:27:43,080

mountain with the cat ears

1991

01:27:47,390 --> 01:27:45,000

man that is the most to me anyway

1992

01:27:48,709 --> 01:27:47,400

they're huge

1993

01:27:52,550 --> 01:27:48,719

huge drawings

1994

01:27:55,850 --> 01:27:52,560

are huge these the technology is that

1995

01:27:58,310 --> 01:27:55,860

rock has been scraped away somehow to

1996

01:27:59,870 --> 01:27:58,320

the depth of about one inch and about 10

1997

01:28:06,590 --> 01:27:59,880

inches wide

1998

01:28:09,590 --> 01:28:06,600

that the surface rock is of a lighter

1999

01:28:12,169 --> 01:28:09,600

color and when you scratch it off

2000

01:28:14,689 --> 01:28:12,179

you get the contrast of a darker Rock

2001

01:28:16,490 --> 01:28:14,699

underneath to the surface soil

2002

01:28:19,790 --> 01:28:16,500

okay fine

2003

01:28:22,790 --> 01:28:19,800

but these things are huge measured in

2004

01:28:25,870 --> 01:28:22,800

fractions of miles right hundreds of

2005

01:28:28,550 --> 01:28:25,880

yards hundreds of meters and yards so

2006

01:28:31,490 --> 01:28:28,560

and valdonigan made the point that if

2007

01:28:33,590 --> 01:28:31,500

you actually kind of back off and look

2008

01:28:35,629 --> 01:28:33,600

at the whole Mountain the shape of the

2009

01:28:38,090 --> 01:28:35,639

whole Mountain it looks as if the top of

2010

01:28:39,970 --> 01:28:38,100

a mountain has just been sheared off

2011

01:28:42,950 --> 01:28:39,980

to create a

2012

01:28:45,350 --> 01:28:42,960

surface for these lines

2013

01:28:47,090 --> 01:28:45,360

the lines are on a flat surface that

2014

01:28:49,370 --> 01:28:47,100

should be Mountaintop in other words

2015

01:28:52,250 --> 01:28:49,380

you're familiar with that right yes I am

2016

01:28:54,410 --> 01:28:52,260

I am that's just crazy the scale of that

2017

01:28:57,830 --> 01:28:54,420

kind of a work is it

2018

01:28:59,149 --> 01:28:57,840

that's almost incomprehensible but there

2019

01:29:02,090 --> 01:28:59,159

it is it exists

2020

01:29:04,250 --> 01:29:02,100

exists it exists and so for things that

2021

01:29:06,229 --> 01:29:04,260

exist that are hard to explain

2022

01:29:10,430 --> 01:29:06,239

that International governments just want

2023

01:29:12,530 --> 01:29:10,440

to say well don't you know just throw a

2024

01:29:14,270 --> 01:29:12,540

blanket over it let's not talk about it

2025

01:29:16,310 --> 01:29:14,280

let's pretend it doesn't exist because

2026

01:29:18,830 --> 01:29:16,320

we can't explain it with governments if

2027

01:29:21,169 --> 01:29:18,840

they can't explain it or control it it's

2028

01:29:25,189 --> 01:29:21,179

dangerous so getting you know looping

2029

01:29:30,649 --> 01:29:25,199

back to the modern task forces to study

2030

01:29:34,070 --> 01:29:30,659

uaps UFOs uh they uh

2031

01:29:36,530 --> 01:29:34,080

that sorry I've just I got so many

2032

01:29:37,970 --> 01:29:36,540

thoughts Bill mailing all at once but uh

2033

01:29:41,750 --> 01:29:37,980

they are

2034

01:29:44,590 --> 01:29:41,760

oh my gosh they're just oh I had it but

2035

01:29:48,890 --> 01:29:44,600

I lost it help me help me Jimmy

2036

01:29:52,270 --> 01:29:48,900

I'll help you with this help me I had it

2037

01:29:55,010 --> 01:29:52,280

but I lost it there

2038

01:29:58,310 --> 01:29:55,020

how is it possible

2039

01:30:02,810 --> 01:29:58,320

to a thousand years ago to create these

2040

01:30:05,209 --> 01:30:02,820

glyphs Without A View From the sky right

2041

01:30:07,729 --> 01:30:05,219

there it just somebody wouldn't make

2042

01:30:09,530 --> 01:30:07,739

sense why would you do it

2043

01:30:11,570 --> 01:30:09,540

I I just don't understand I can't wait

2044

01:30:15,110 --> 01:30:11,580

to see why would you in the first place

2045

01:30:18,169 --> 01:30:15,120

if you because you can't see them now is

2046

01:30:20,570 --> 01:30:18,179

it on the ground as a picture right the

2047

01:30:22,550 --> 01:30:20,580

same with crop circles a crop and I I

2048

01:30:24,590 --> 01:30:22,560

report a lot on crop circles one of my

2049

01:30:27,169 --> 01:30:24,600

favorite topics for one thing it's

2050

01:30:28,669 --> 01:30:27,179

non-threatening to people UFO's kind of

2051

01:30:30,770 --> 01:30:28,679

intimidate people

2052

01:30:33,350 --> 01:30:30,780

but crop circles for some reason

2053

01:30:36,169 --> 01:30:33,360

non-threatening even though they're they

2054

01:30:39,290 --> 01:30:36,179

can be kind of creepy but

2055

01:30:42,350 --> 01:30:39,300

uh again viewable only from an altitude

2056

01:30:45,590 --> 01:30:42,360

from the air and they occur mostly in

2057

01:30:48,350 --> 01:30:45,600

the rolling pasture lens of Central

2058

01:30:49,850 --> 01:30:48,360

South Central England that's crop circle

2059

01:30:54,229 --> 01:30:49,860

Central

2060

01:30:56,870 --> 01:30:54,239

so there they have Hills and mounds but

2061

01:30:59,290 --> 01:30:56,880

it's not famous for Alps you know that's

2062

01:31:02,990 --> 01:30:59,300

elsewhere in Europe

2063

01:31:05,030 --> 01:31:03,000

so why do these things exist there yeah

2064

01:31:06,590 --> 01:31:05,040

what's the purpose of the Nazca Lines

2065

01:31:13,010 --> 01:31:06,600

though

2066

01:31:17,629 --> 01:31:16,669

some of the patterns look like Landing

2067

01:31:20,810 --> 01:31:17,639

strips

2068

01:31:24,110 --> 01:31:20,820

parallel lines converging lines lines of

2069

01:31:26,570 --> 01:31:24,120

acute angles intersecting lines some

2070

01:31:28,850 --> 01:31:26,580

look like airfields others are are

2071

01:31:31,490 --> 01:31:28,860

pictures of things and they almost look

2072

01:31:34,010 --> 01:31:31,500

like doodlings like if you were in a

2073

01:31:37,129 --> 01:31:34,020

task force left on Earth to monitor the

2074

01:31:39,770 --> 01:31:37,139

situation if you were of a species that

2075

01:31:41,990 --> 01:31:39,780

lived hundreds or thousands of years

2076

01:31:44,209 --> 01:31:42,000

and you had a lot of time basically to

2077

01:31:46,370 --> 01:31:44,219

pass on Earth

2078

01:31:48,350 --> 01:31:46,380

maybe you would just start doodling

2079

01:31:50,570 --> 01:31:48,360

maybe Earth was kind of like an Etch A

2080

01:31:52,070 --> 01:31:50,580

Sketch or you know a notepad that an

2081

01:31:54,169 --> 01:31:52,080

artist pad where they're just like well

2082

01:31:56,689 --> 01:31:54,179

you know they've got spaceship they've

2083

01:31:58,310 --> 01:31:56,699

got lasers let's just blast you know

2084

01:32:01,850 --> 01:31:58,320

there's these cool animals over there

2085

01:32:12,850 --> 01:32:01,860

let's in Africa let's go monkeys let's

2086

01:32:17,810 --> 01:32:15,649

directional signals like we were here

2087

01:32:19,729 --> 01:32:17,820

you know Kilroy was here

2088

01:32:20,510 --> 01:32:19,739

Hillary was here

2089

01:32:24,229 --> 01:32:20,520

um

2090

01:32:25,610 --> 01:32:24,239

Karen's c-a-i-r-n little uh piles of

2091

01:32:28,970 --> 01:32:25,620

stones that Mark the way to something

2092

01:32:32,350 --> 01:32:28,980

else you know you you are at Earth turn

2093

01:32:35,810 --> 01:32:32,360

right to get to Saturn

2094

01:32:40,490 --> 01:32:35,820

turn left to go to Alpha Centauri

2095

01:32:41,229 --> 01:32:40,500

could be it it could um also

2096

01:32:44,270 --> 01:32:41,239

um

2097

01:32:47,209 --> 01:32:44,280

uh beings we're visiting what do you

2098

01:32:49,790 --> 01:32:47,219

think asking people well this is one of

2099

01:32:52,629 --> 01:32:49,800

my ideas so the Nazca people are being

2100

01:32:55,250 --> 01:32:52,639

visited and they had a couple of

2101

01:32:58,430 --> 01:32:55,260

opportunities to go up in the ships and

2102

01:33:02,030 --> 01:32:58,440

then look down at their Village and and

2103

01:33:04,970 --> 01:33:02,040

they were able to direct and communicate

2104

01:33:08,410 --> 01:33:04,980

with the land and and have the artist

2105

01:33:13,310 --> 01:33:08,420

create those but then after

2106

01:33:16,250 --> 01:33:13,320

the visits stopped they continued they

2107

01:33:19,430 --> 01:33:16,260

continued to draw the Nazca Lines to to

2108

01:33:22,129 --> 01:33:19,440

get their friends to come back right and

2109

01:33:25,729 --> 01:33:22,139

we're here and I think that's another

2110

01:33:28,850 --> 01:33:25,739

part of it and and for some reason uh

2111

01:33:32,090 --> 01:33:28,860

the visits uh in that area just stopped

2112

01:33:33,470 --> 01:33:32,100

and they they were they were sad you

2113

01:33:36,290 --> 01:33:33,480

know and they were always looking to the

2114

01:33:38,750 --> 01:33:36,300

sky and they were trying to you know

2115

01:33:41,930 --> 01:33:38,760

paint a happy place for them to come

2116

01:33:43,910 --> 01:33:41,940

back and did anybody even live there at

2117

01:33:46,250 --> 01:33:43,920

that time I'm not familiar with the

2118

01:33:49,010 --> 01:33:46,260

history of the area well I know the

2119

01:33:53,110 --> 01:33:49,020

Nazca Lines are dating back as I recall

2120

01:33:55,430 --> 01:33:53,120

it's 500 BC to 500 A.D basically yeah

2121

01:33:58,250 --> 01:33:55,440

about a thousand at least the first set

2122

01:34:02,090 --> 01:33:58,260

that they found that is correct but then

2123

01:34:04,189 --> 01:34:02,100

no they're not all that old but what is

2124

01:34:06,830 --> 01:34:04,199

are there villages up there in that

2125

01:34:08,689 --> 01:34:06,840

territory are there are evidence there

2126

01:34:11,229 --> 01:34:08,699

that there had been you know an

2127

01:34:14,390 --> 01:34:11,239

adaptation yes of course we have uh

2128

01:34:16,669 --> 01:34:14,400

Pumapunku and and the sun Temple which

2129

01:34:20,229 --> 01:34:16,679

is right there

2130

01:34:26,209 --> 01:34:20,239

um and Lake Titicaca

2131

01:34:29,689 --> 01:34:26,219

and and so there's been a constant uh uh

2132

01:34:32,330 --> 01:34:29,699

constant life there uh dating back to

2133

01:34:35,590 --> 01:34:32,340

about uh three to four thousand BC that

2134

01:34:38,689 --> 01:34:35,600

we uh uh again

2135

01:34:40,370 --> 01:34:38,699

Academia will state what do the native

2136

01:34:42,649 --> 01:34:40,380

people say about it don't they have

2137

01:34:44,330 --> 01:34:42,659

stories about it yeah the gods built it

2138

01:34:46,490 --> 01:34:44,340

that's what they said well there you go

2139

01:34:49,250 --> 01:34:46,500

problem solved it was the gods we know

2140

01:34:51,470 --> 01:34:49,260

they're ETS well when the Spanish showed

2141

01:34:53,110 --> 01:34:51,480

up they were like so who built this I

2142

01:34:56,750 --> 01:34:53,120

don't know

2143

01:34:59,570 --> 01:34:56,760

that was literally the answer uh it was

2144

01:35:02,209 --> 01:34:59,580

already here the gods built it

2145

01:35:04,010 --> 01:35:02,219

um and so and Pumapunku the the

2146

01:35:07,310 --> 01:35:04,020

interesting thing aside from the h

2147

01:35:09,410 --> 01:35:07,320

blocks and and Ancient Aliens and and

2148

01:35:12,590 --> 01:35:09,420

and so forth

2149

01:35:15,729 --> 01:35:12,600

um uh you know I I think sucralose for

2150

01:35:20,990 --> 01:35:15,739

the work that he's done uh with us but

2151
01:35:23,689 --> 01:35:21,000
that astronomically for it to point at

2152
01:35:26,930 --> 01:35:23,699
something it would have to have been

2153
01:35:29,030 --> 01:35:26,940
built 15 000 years ago to point at a

2154
01:35:32,330 --> 01:35:29,040
specific uh constellation in the sky

2155
01:35:35,450 --> 01:35:32,340
because of the shift yeah because of the

2156
01:35:39,470 --> 01:35:35,460
stars from the perspective of Earth over

2157
01:35:42,530 --> 01:35:39,480
time so when I I mentioned to uh and

2158
01:35:45,110 --> 01:35:42,540
this points back to Academia Gene so

2159
01:35:47,390 --> 01:35:45,120
when I mention this uh to Michio Kaku

2160
01:35:50,689 --> 01:35:47,400
and we were just talking privately right

2161
01:35:53,990 --> 01:35:50,699
and I I pointed out uh to him and he's

2162
01:35:56,330 --> 01:35:54,000
got he's got a pretty open mind but when

2163
01:35:58,550 --> 01:35:56,340

I talked to him about Pumapunku and the

2164

01:36:01,270 --> 01:35:58,560

possibility of it being fifteen thousand

2165

01:36:04,430 --> 01:36:01,280

years so he he goes

2166

01:36:06,970 --> 01:36:04,440

let me stop you right there right and I

2167

01:36:11,990 --> 01:36:06,980

was like but but

2168

01:36:15,530 --> 01:36:12,000

no no he yeah yeah yeah Ice Age no

2169

01:36:18,169 --> 01:36:15,540

nothing no no stop and it was it was

2170

01:36:22,370 --> 01:36:18,179

very interesting to me to have him

2171

01:36:25,430 --> 01:36:22,380

instead of uh you know just inquisitive

2172

01:36:27,350 --> 01:36:25,440

or maybe a little bit of an open mind I

2173

01:36:28,610 --> 01:36:27,360

know right they can't even allow for it

2174

01:36:31,970 --> 01:36:28,620

what's that about

2175

01:36:34,610 --> 01:36:31,980

stop he was like don't want to hear it

2176

01:36:38,030 --> 01:36:34,620

don't want to hear it I I actually feel

2177

01:36:40,370 --> 01:36:38,040

sorry for people who can't allow for

2178

01:36:42,830 --> 01:36:40,380

even I can't even imagine

2179

01:36:45,050 --> 01:36:42,840

well that's why Gobekli Tepe is such a

2180

01:36:47,689 --> 01:36:45,060

big deal it's threatening to a lot of

2181

01:36:50,149 --> 01:36:47,699

people's sometimes you know that's

2182

01:36:53,689 --> 01:36:50,159

really the deck the CIA was

2183

01:36:55,669 --> 01:36:53,699

was told to play back in the 50s that

2184

01:36:58,910 --> 01:36:55,679

was the deck they were handed to play

2185

01:37:00,950 --> 01:36:58,920

was the fear deck you know that we don't

2186

01:37:03,530 --> 01:37:00,960

understand it there therefore we fear it

2187

01:37:05,750 --> 01:37:03,540

instead of trying to understand it so

2188

01:37:08,689 --> 01:37:05,760

that we don't fear it which would have

2189

01:37:11,870 --> 01:37:08,699

been an equally rational maybe more

2190

01:37:13,550 --> 01:37:11,880

rational approach to the phenomenon but

2191

01:37:16,430 --> 01:37:13,560

if you want to keep control if you

2192

01:37:18,290 --> 01:37:16,440

realize if you're let's just say you're

2193

01:37:21,649 --> 01:37:18,300

high up in the military

2194

01:37:24,470 --> 01:37:21,659

high up enough to know secrets and

2195

01:37:27,350 --> 01:37:24,480

perhaps also in Eros or high and or high

2196

01:37:30,950 --> 01:37:27,360

up in Aerospace the companion industry

2197

01:37:33,950 --> 01:37:30,960

to the military right and uh you're

2198

01:37:37,270 --> 01:37:33,960

you're realizing that we have what we

2199

01:37:40,070 --> 01:37:37,280

now know as computers fiber optics

2200

01:37:42,050 --> 01:37:40,080

velcro but all kinds of microwaves

2201

01:37:43,970 --> 01:37:42,060

microwave ovens all kinds of

2202

01:37:45,950 --> 01:37:43,980

technologies that

2203

01:37:48,709 --> 01:37:45,960

could be profitable

2204

01:37:51,590 --> 01:37:48,719

in the future of your country

2205

01:37:54,709 --> 01:37:51,600

and why not ride that profit if you

2206

01:37:56,570 --> 01:37:54,719

could by controlling it so don't give it

2207

01:37:58,729 --> 01:37:56,580

out freely to the people you know Tesla

2208

01:38:00,649 --> 01:37:58,739

Nikola Tesla was all about free energy

2209

01:38:01,430 --> 01:38:00,659

gift the energy of the Earth to the

2210

01:38:07,729 --> 01:38:01,440

people

2211

01:38:09,950 --> 01:38:07,739

happening in the history of UFOs on

2212

01:38:13,370 --> 01:38:09,960

Earth it's been the opposite it's been

2213

01:38:15,649 --> 01:38:13,380

major control freaks keeping down this

2214

01:38:18,470 --> 01:38:15,659

truth embargo that Steve Bassett talks

2215

01:38:20,450 --> 01:38:18,480

about the intrusive embargo on UFOs and

2216

01:38:22,790 --> 01:38:20,460

it's finally being blown apart not not

2217

01:38:25,729 --> 01:38:22,800

blown apart like I said it's it's come

2218

01:38:26,810 --> 01:38:25,739

apart with a whimper you know not me not

2219

01:38:29,149 --> 01:38:26,820

where are the National headlines

2220

01:38:30,890 --> 01:38:29,159

Pentagon admits UFOs are real and we

2221

01:38:32,870 --> 01:38:30,900

don't know what they are

2222

01:38:35,390 --> 01:38:32,880

can't have that because you don't

2223

01:38:38,870 --> 01:38:35,400

understand it we have to fear it

2224

01:38:41,209 --> 01:38:38,880

well it's see this is where they tell us

2225

01:38:44,270 --> 01:38:41,219

this is where the government messed up

2226

01:38:46,070 --> 01:38:44,280

all right now they've got they've

2227

01:38:48,770 --> 01:38:46,080

painted themselves in the corner and

2228

01:38:52,370 --> 01:38:48,780

this isn't the proverbial Corner they've

2229

01:38:57,830 --> 01:38:52,380

painted themselves into the corner in

2230

01:39:01,330 --> 01:38:57,840

that uh instead of uh doing the the

2231

01:39:03,649 --> 01:39:01,340

Tesla Model which Tesla said

2232

01:39:07,250 --> 01:39:03,659

electricity is everywhere give it free

2233

01:39:11,510 --> 01:39:07,260

right and and and I can show you how to

2234

01:39:15,169 --> 01:39:11,520

do it well uh if it comes out

2235

01:39:17,510 --> 01:39:15,179

that the government has had knowledge of

2236

01:39:20,810 --> 01:39:17,520

free accessible energy for the planet

2237

01:39:23,770 --> 01:39:20,820

that could solve every could feed and

2238

01:39:26,990 --> 01:39:23,780

heat and clothe and provide light

2239

01:39:29,810 --> 01:39:27,000

to everybody on this planet the schools

2240

01:39:32,870 --> 01:39:29,820

you know heat and and and and light

2241

01:39:34,729 --> 01:39:32,880

schools and and food distribution you

2242

01:39:37,790 --> 01:39:34,739

mean you've been sitting on this

2243

01:39:39,370 --> 01:39:37,800

technology now talk about burning this

2244

01:39:42,410 --> 01:39:39,380

place down

2245

01:39:44,450 --> 01:39:42,420

there would be quite a few upset people

2246

01:39:47,450 --> 01:39:44,460

and that's they painted themselves in

2247

01:39:49,729 --> 01:39:47,460

the corner there's there's no way to

2248

01:39:53,810 --> 01:39:49,739

disclose that something else has to

2249

01:39:57,070 --> 01:39:53,820

happen for them to get out of this uh to

2250

01:40:00,410 --> 01:39:57,080

get a hall pass because right now

2251
01:40:02,629 --> 01:40:00,420
oh man there will be some angry people

2252
01:40:06,590 --> 01:40:02,639
on this planet well I thought there'd be

2253
01:40:09,110 --> 01:40:06,600
angry people when the Pentagon said

2254
01:40:11,209 --> 01:40:09,120
those videos were real we've did

2255
01:40:13,030 --> 01:40:11,219
classified them and those guys those

2256
01:40:16,129 --> 01:40:13,040
those military personnel were not crazy

2257
01:40:18,410 --> 01:40:16,139
they weren't battle fatigued they

2258
01:40:20,209 --> 01:40:18,420
actually saw what they saw and we

2259
01:40:21,470 --> 01:40:20,219
support them now we're not going to fire

2260
01:40:23,570 --> 01:40:21,480
them we're not going to threaten their

2261
01:40:26,450 --> 01:40:23,580
families and kill them all we're gonna

2262
01:40:28,010 --> 01:40:26,460
say come forward whistleblowers by the

2263
01:40:29,689 --> 01:40:28,020

way with with the blowers are not coming

2264

01:40:31,250 --> 01:40:29,699

forward because apparently it's kind of

2265

01:40:33,470 --> 01:40:31,260

lip service this new government

2266

01:40:36,290 --> 01:40:33,480

initiative to get whistleblowers to come

2267

01:40:39,370 --> 01:40:36,300

forward is apparently not what it's

2268

01:40:43,250 --> 01:40:39,380

purported to be oh there's a shock right

2269

01:40:45,530 --> 01:40:43,260

and uh what's more interesting in a way

2270

01:40:47,570 --> 01:40:45,540

are deathbed confessions because let's

2271

01:40:49,189 --> 01:40:47,580

face it you got nothing to lose on the

2272

01:40:50,629 --> 01:40:49,199

death bed

2273

01:40:52,490 --> 01:40:50,639

and there have been some very

2274

01:40:55,250 --> 01:40:52,500

interesting confessions because it's

2275

01:40:58,729 --> 01:40:55,260

been that long now this cover-up has

2276

01:41:02,209 --> 01:40:58,739

been going on 70 years so if you were

2277

01:41:05,330 --> 01:41:02,219

10 10 years old 20 years old

2278

01:41:07,310 --> 01:41:05,340

then you're 90 now and it's about that

2279

01:41:09,830 --> 01:41:07,320

time for you yeah so we're getting these

2280

01:41:11,930 --> 01:41:09,840

deathbed confessions of and they're

2281

01:41:13,550 --> 01:41:11,940

saying that I would have said something

2282

01:41:15,770 --> 01:41:13,560

earlier but they threatened me they

2283

01:41:17,570 --> 01:41:15,780

threatened my family I threat my pension

2284

01:41:19,490 --> 01:41:17,580

they threaten my this they threaten that

2285

01:41:22,250 --> 01:41:19,500

threaten threatened threat well

2286

01:41:24,830 --> 01:41:22,260

we live in a society where government

2287

01:41:27,290 --> 01:41:24,840

agencies summarily threaten people who

2288

01:41:29,629 --> 01:41:27,300

want to deliver a narrative that is

2289

01:41:30,649 --> 01:41:29,639

truthful but unpopular with the

2290

01:41:33,530 --> 01:41:30,659

government

2291

01:41:36,530 --> 01:41:33,540

well where does that put us actually in

2292

01:41:40,189 --> 01:41:36,540

terms of what kind of culture we are are

2293

01:41:45,350 --> 01:41:40,199

we a Democratic Republic anymore

2294

01:41:48,770 --> 01:41:45,360

well when uh when Jilla brand is such a

2295

01:41:51,590 --> 01:41:48,780

great point because in gillibrand's

2296

01:41:54,050 --> 01:41:51,600

Amendment where she did whistleblower is

2297

01:41:56,510 --> 01:41:54,060

not the right uh she she didn't use

2298

01:41:59,510 --> 01:41:56,520

those words but there that there

2299

01:42:01,129 --> 01:41:59,520

wouldn't be any uh downside to coming

2300

01:42:04,129 --> 01:42:01,139

forward we're not going to touch your

2301
01:42:05,629 --> 01:42:04,139
pension all right no reprisals right and

2302
01:42:07,790 --> 01:42:05,639
and so

2303
01:42:11,870 --> 01:42:07,800
um with that

2304
01:42:13,729 --> 01:42:11,880
um the the way that they disclosed those

2305
01:42:17,709 --> 01:42:13,739
three videos they just said the videos

2306
01:42:20,570 --> 01:42:17,719
are real in other words it's not a a

2307
01:42:22,970 --> 01:42:20,580
it's not an unreal video it's a real

2308
01:42:26,629 --> 01:42:22,980
video but we can't talk about what's in

2309
01:42:28,609 --> 01:42:26,639
the video and then gillibrand uh puts

2310
01:42:30,290 --> 01:42:28,619
that wording specifically in the

2311
01:42:34,250 --> 01:42:30,300
amendment it seems like we're going

2312
01:42:36,709 --> 01:42:34,260
forward and then Kirkpatrick uh last

2313
01:42:39,830 --> 01:42:36,719

month comes out in the arrow hearing and

2314

01:42:42,410 --> 01:42:39,840

says I ain't got no E.T there's no

2315

01:42:46,010 --> 01:42:42,420

evidence sense of E.T anywhere right

2316

01:42:49,490 --> 01:42:46,020

right it's very strange the current

2317

01:42:51,530 --> 01:42:49,500

narrative is that the craft exists

2318

01:42:53,870 --> 01:42:51,540

we don't know where they are we don't

2319

01:42:55,850 --> 01:42:53,880

know who created them and we have no

2320

01:43:00,890 --> 01:42:55,860

reason to think that any intelligent

2321

01:43:05,689 --> 01:43:03,410

what doesn't seem to be great dot

2322

01:43:10,010 --> 01:43:05,699

connecting where I come from it doesn't

2323

01:43:13,729 --> 01:43:10,020

make and remember I'm a DOT connector so

2324

01:43:15,530 --> 01:43:13,739

you know again if you're ill-informed if

2325

01:43:18,290 --> 01:43:15,540

you don't think things through that

2326

01:43:20,930 --> 01:43:18,300

would probably seem very reasonable and

2327

01:43:22,910 --> 01:43:20,940

sensible and you would believe it but to

2328

01:43:25,370 --> 01:43:22,920

other people who are analytical or have

2329

01:43:28,970 --> 01:43:25,380

done research it just doesn't wash I

2330

01:43:32,330 --> 01:43:28,980

mean it doesn't hold true it just

2331

01:43:38,270 --> 01:43:32,340

just another lie right it well it seems

2332

01:43:40,930 --> 01:43:38,280

that there is some audible chatter some

2333

01:43:44,870 --> 01:43:40,940

from The New York Times uh some from

2334

01:43:48,109 --> 01:43:44,880

Carson Andre Carson's hearing

2335

01:43:49,850 --> 01:43:48,119

um and the Wilson Davis document it

2336

01:43:52,669 --> 01:43:49,860

seems like there's some chatter now

2337

01:43:56,030 --> 01:43:52,679

about uh

2338

01:43:58,370 --> 01:43:56,040

crash retrievals and the gut being in

2339

01:44:01,550 --> 01:43:58,380

possession of this and you cannot be in

2340

01:44:04,070 --> 01:44:01,560

the possession of Crash retrievals and

2341

01:44:07,129 --> 01:44:04,080

say that there's nothing going on here

2342

01:44:11,270 --> 01:44:07,139

we don't know right we're trying to you

2343

01:44:12,950 --> 01:44:11,280

you can't have that both ways I agree do

2344

01:44:15,830 --> 01:44:12,960

you think that that is what the

2345

01:44:18,290 --> 01:44:15,840

whistleblowers are that's the intention

2346

01:44:20,689 --> 01:44:18,300

is to get somebody to come out of

2347

01:44:24,530 --> 01:44:20,699

Lockheed and say I've been working on

2348

01:44:26,689 --> 01:44:24,540

this sap and yes we do have and this is

2349

01:44:28,850 --> 01:44:26,699

where it is is that where things are

2350

01:44:32,270 --> 01:44:28,860

going and do you think that the Senate

2351
01:44:34,669 --> 01:44:32,280
Congress house representative that their

2352
01:44:35,950 --> 01:44:34,679
interest is trying to get to the bottom

2353
01:44:38,470 --> 01:44:35,960
of it

2354
01:44:41,390 --> 01:44:38,480
I think that

2355
01:44:44,330 --> 01:44:41,400
contractors government contractors have

2356
01:44:47,270 --> 01:44:44,340
no self-interest or incentive to

2357
01:44:49,669 --> 01:44:47,280
whistleblow I think the whistleblowers

2358
01:44:50,870 --> 01:44:49,679
are people I've talked about for a long

2359
01:44:52,370 --> 01:44:50,880
time

2360
01:44:54,229 --> 01:44:52,380
experiencers

2361
01:44:58,370 --> 01:44:54,239
who

2362
01:45:01,669 --> 01:44:58,380
experienced because they're fearful of

2363
01:45:04,370 --> 01:45:01,679

losing their jobs of being ridiculed and

2364

01:45:06,970 --> 01:45:04,380

ostracized ostracized in society

2365

01:45:09,830 --> 01:45:06,980

because of the CIA

2366

01:45:11,810 --> 01:45:09,840

long-term program to discredit

2367

01:45:17,030 --> 01:45:11,820

and debunk

2368

01:45:19,850 --> 01:45:17,040

and that part I I suspect

2369

01:45:22,790 --> 01:45:19,860

the reason that the certainly a driving

2370

01:45:24,050 --> 01:45:22,800

reason behind the Pentagon disclosure of

2371

01:45:26,209 --> 01:45:24,060

2020

2372

01:45:28,189 --> 01:45:26,219

was that they were in the awkward

2373

01:45:30,830 --> 01:45:28,199

position of having very credible

2374

01:45:32,810 --> 01:45:30,840

Witnesses hundreds now thousands of

2375

01:45:35,510 --> 01:45:32,820

credible Witnesses in various military

2376

01:45:37,070 --> 01:45:35,520

branches but especially the Navy on

2377

01:45:40,669 --> 01:45:37,080

these carriers out at sea floating

2378

01:45:42,709 --> 01:45:40,679

around seeing UFO phenomenon I dated a

2379

01:45:45,770 --> 01:45:42,719

guy who was in one of on one of these

2380

01:45:48,050 --> 01:45:45,780

carriers and he said we saw UFOs all the

2381

01:45:50,090 --> 01:45:48,060

time all the time

2382

01:45:51,649 --> 01:45:50,100

all the time and if we talked about him

2383

01:45:53,330 --> 01:45:51,659

people just laughed at us so we didn't

2384

01:45:56,510 --> 01:45:53,340

talk about them but we saw them all the

2385

01:45:59,750 --> 01:45:56,520

time they're a common phenomenon at C he

2386

01:46:03,830 --> 01:45:59,760

said and uh

2387

01:46:05,990 --> 01:46:03,840

I think the government decided that it

2388

01:46:08,270 --> 01:46:06,000

wasn't going to be tenable to continue

2389

01:46:10,370 --> 01:46:08,280

threatening all these people and also

2390

01:46:12,530 --> 01:46:10,380

these people were experiencing profound

2391

01:46:14,750 --> 01:46:12,540

psychological disorders

2392

01:46:17,450 --> 01:46:14,760

because they had to keep a very profound

2393

01:46:19,970 --> 01:46:17,460

secret a very deep secret from everybody

2394

01:46:22,910 --> 01:46:19,980

and basically they have to deny it to

2395

01:46:24,590 --> 01:46:22,920

themselves in order to believe that it's

2396

01:46:26,689 --> 01:46:24,600

true you have to convince yourself it's

2397

01:46:28,609 --> 01:46:26,699

true to make a lie convincing you have

2398

01:46:31,129 --> 01:46:28,619

to believe it and they're basically

2399

01:46:32,750 --> 01:46:31,139

having to brainwash themselves and I

2400

01:46:35,330 --> 01:46:32,760

think that became the snapping Point

2401

01:46:37,790 --> 01:46:35,340

yeah and there were so many of these

2402

01:46:41,629 --> 01:46:37,800

reports accumulating that the government

2403

01:46:43,910 --> 01:46:41,639

realized we gotta we got it's like a uh

2404

01:46:46,250 --> 01:46:43,920

pressure cooker that if we don't let the

2405

01:46:47,930 --> 01:46:46,260

steam off it's going to explode in our

2406

01:46:50,209 --> 01:46:47,940

faces and a bad thing is going to happen

2407

01:46:52,490 --> 01:46:50,219

so let's give them an Avenue to

2408

01:46:54,770 --> 01:46:52,500

whistleblow safely most people don't

2409

01:46:57,410 --> 01:46:54,780

care anyway about UFOs because because

2410

01:46:59,030 --> 01:46:57,420

for decades now we've been telling them

2411

01:47:00,410 --> 01:46:59,040

you must be crazy to believe in them so

2412

01:47:02,570 --> 01:47:00,420

most people don't spend any time

2413

01:47:04,370 --> 01:47:02,580

thinking about them at all or what it

2414

01:47:07,850 --> 01:47:04,380

might mean if there were aliens Among Us

2415

01:47:09,410 --> 01:47:07,860

which there are so so you know you get a

2416

01:47:11,510 --> 01:47:09,420

certain category of person the military

2417

01:47:13,790 --> 01:47:11,520

personnel allowed to talk about it now

2418

01:47:15,890 --> 01:47:13,800

without fear of reprisal without fear of

2419

01:47:18,530 --> 01:47:15,900

losing their jobs or anything like that

2420

01:47:20,149 --> 01:47:18,540

and yet they aren't this is what I'm

2421

01:47:23,030 --> 01:47:20,159

reading in the literature they aren't

2422

01:47:25,609 --> 01:47:23,040

coming forward and whistleblowing so why

2423

01:47:28,129 --> 01:47:25,619

would that be

2424

01:47:30,350 --> 01:47:28,139

for investigation to follow

2425

01:47:34,310 --> 01:47:30,360

well in here but you've got the top 10

2426

01:47:38,330 --> 01:47:34,320

UFO cases right in unknown objects and

2427

01:47:41,030 --> 01:47:38,340

if the hearings and what the Senate

2428

01:47:45,709 --> 01:47:41,040

there is right there and uh everybody

2429

01:47:48,590 --> 01:47:45,719

forwards or backwards it's it's correct

2430

01:47:53,270 --> 01:47:48,600

no it did

2431

01:47:55,070 --> 01:47:53,280

I can read the entire Amazon hold yes

2432

01:47:56,450 --> 01:47:55,080

you can go to Amazon my excellent

2433

01:47:58,729 --> 01:47:56,460

roommate did the art I know I'm

2434

01:48:00,290 --> 01:47:58,739

interrupting you at ceremony it's

2435

01:48:03,470 --> 01:48:00,300

terrible here's the nighttime retrieval

2436

01:48:06,950 --> 01:48:03,480

see the army truck yeah there it is but

2437

01:48:11,090 --> 01:48:06,960

but go ahead Jimmy I'm sorry Gene naked

2438

01:48:14,149 --> 01:48:11,100

if they if they want to stay uh so

2439

01:48:16,310 --> 01:48:14,159

military Centric in in who is coming

2440

01:48:21,050 --> 01:48:16,320

forward and talking about this we've got

2441

01:48:23,209 --> 01:48:21,060

rental shim oh I love renderson oh yeah

2442

01:48:25,970 --> 01:48:23,219

I just talked about that on paranormal

2443

01:48:29,330 --> 01:48:25,980

legit paranormal news well uh uh we

2444

01:48:32,030 --> 01:48:29,340

everybody is alive and it's a it's an

2445

01:48:34,310 --> 01:48:32,040

Air Force case and we have all the

2446

01:48:36,229 --> 01:48:34,320

documentation there's a landmark

2447

01:48:38,629 --> 01:48:36,239

settlement you're familiar with the

2448

01:48:41,510 --> 01:48:38,639

military the VA settlements of course of

2449

01:48:43,430 --> 01:48:41,520

course I've had uh Colonel halt was

2450

01:48:45,950 --> 01:48:43,440

awarded millions of dollars for the

2451

01:48:48,050 --> 01:48:45,960

cancer that he got as a direct result of

2452

01:48:49,790 --> 01:48:48,060

contact with UFO on the ground and

2453

01:48:52,550 --> 01:48:49,800

that's what his that's what the lawsuit

2454

01:48:54,109 --> 01:48:52,560

said John Burroughs you mean John

2455

01:48:56,930 --> 01:48:54,119

Burrough was it Burroughs yeah it was

2456

01:49:00,169 --> 01:48:56,940

Burrows but I apologize I corrected

2457

01:49:02,930 --> 01:49:00,179

Burroughs go ahead why why doesn't uh

2458

01:49:06,470 --> 01:49:02,940

the Senate intelligence committee bring

2459

01:49:08,149 --> 01:49:06,480

boroughs forward bring halt forward and

2460

01:49:09,770 --> 01:49:08,159

forward they are they on these

2461

01:49:12,530 --> 01:49:09,780

committees

2462

01:49:15,590 --> 01:49:12,540

I I don't understand it that's what I

2463

01:49:17,930 --> 01:49:15,600

want to know why don't we have actual

2464

01:49:19,729 --> 01:49:17,940

subject matter experts on these

2465

01:49:23,209 --> 01:49:19,739

committees even you people from the

2466

01:49:27,530 --> 01:49:26,320

yeah David Duchovny

2467

01:49:30,770 --> 01:49:27,540

[Music]

2468

01:49:33,050 --> 01:49:30,780

but if if that's what they want to do if

2469

01:49:35,750 --> 01:49:33,060

they want to stay uh you know in

2470

01:49:37,010 --> 01:49:35,760

military circles you've got a modern

2471

01:49:40,669 --> 01:49:37,020

case

2472

01:49:43,310 --> 01:49:40,679

all the witnesses are alive and with us

2473

01:49:46,070 --> 01:49:43,320

and and you have all of the

2474

01:49:48,290 --> 01:49:46,080

documentation and all of the reports

2475

01:49:51,109 --> 01:49:48,300

everything that was done by the United

2476

01:49:53,990 --> 01:49:51,119

States Air Force it's it's all right

2477

01:49:57,770 --> 01:49:54,000

there and you are able to question and

2478

01:50:00,109 --> 01:49:57,780

get testimony from those that were there

2479

01:50:03,850 --> 01:50:00,119

and I I don't know they don't and

2480

01:50:08,530 --> 01:50:06,709

well and and I think that there's also a

2481

01:50:13,550 --> 01:50:08,540

connection back to gillibrand because

2482

01:50:18,470 --> 01:50:13,560

gillibrand again wrote uh into the budget

2483

01:50:21,410 --> 01:50:18,480

and and and into law uh to protect those

2484

01:50:23,390 --> 01:50:21,420

that would be affect their that their

2485

01:50:26,870 --> 01:50:23,400

health would be affected and I think

2486

01:50:29,270 --> 01:50:26,880

that she was referring uh directly at

2487

01:50:32,209 --> 01:50:29,280

John Burroughs and and and and and

2488

01:50:34,910 --> 01:50:32,219

everything that he went through after

2489

01:50:39,129 --> 01:50:34,920

his contact in in the rendelshim forest

2490

01:50:42,169 --> 01:50:39,139

so they obviously know that uaps UFOs

2491

01:50:44,930 --> 01:50:42,179

are affecting people directly and they

2492

01:50:46,129 --> 01:50:44,940

have evidence of this you know but they

2493

01:50:48,590 --> 01:50:46,139

want to say that they don't understand

2494

01:50:52,430 --> 01:50:48,600

the phenomena it's it's it's so

2495

01:50:55,550 --> 01:50:52,440

perplexing it is perplexing it's spy

2496

01:50:58,490 --> 01:50:55,560

versus spy versus spy versus spy

2497

01:51:00,890 --> 01:50:58,500

there's so many layers of deception

2498

01:51:03,530 --> 01:51:00,900

and you know the best lies are founded

2499

01:51:05,689 --> 01:51:03,540

on some truth the most convincing lies

2500

01:51:08,330 --> 01:51:05,699

are founded on some truth

2501

01:51:11,450 --> 01:51:08,340

so there's probably some truth

2502

01:51:17,109 --> 01:51:14,390

yeah I know and you know it's job

2503

01:51:20,390 --> 01:51:17,119

security for us Jimmy

2504

01:51:23,570 --> 01:51:20,400

as paranormal researchers we'll never

2505

01:51:26,149 --> 01:51:23,580

run out of stuff to talk about one last

2506

01:51:29,330 --> 01:51:26,159

question before I let you go

2507

01:51:31,790 --> 01:51:29,340

um administrations come and go but the

2508

01:51:34,729 --> 01:51:31,800

agencies and the military these are

2509

01:51:37,970 --> 01:51:34,739

lifers these are careers that and and

2510

01:51:40,669 --> 01:51:37,980

agendas that continue after each

2511

01:51:42,530 --> 01:51:40,679

Administration goes through

2512

01:51:46,070 --> 01:51:42,540

um its cycle

2513

01:51:49,189 --> 01:51:46,080

um is is this stuff ever revealed uh to

2514

01:51:52,490 --> 01:51:49,199

an Administration or is a president just

2515

01:51:53,629 --> 01:51:52,500

not important enough uh to to be right

2516

01:51:57,850 --> 01:51:53,639

in

2517

01:52:02,090 --> 01:51:57,860

well you probably heard that

2518

01:52:03,770 --> 01:52:02,100

the Prime Minister slash president of

2519

01:52:07,689 --> 01:52:03,780

Russia

2520

01:52:10,669 --> 01:52:07,699

told the story of

2521

01:52:12,590 --> 01:52:10,679

being of being approached when he became

2522

01:52:15,109 --> 01:52:12,600

he alternates with the other guy to be

2523

01:52:17,270 --> 01:52:15,119

president or prime minister of Russia so

2524

01:52:20,030 --> 01:52:17,280

he said in one of his terms he was

2525

01:52:22,189 --> 01:52:20,040

approached by uh

2526

01:52:25,850 --> 01:52:22,199

basically a secret agent

2527

01:52:29,030 --> 01:52:25,860

with a briefcase handcuffed to his wrist

2528

01:52:30,890 --> 01:52:29,040

and he went into a private office on

2529

01:52:34,250 --> 01:52:30,900

handcuffed the briefcase opened it up

2530

01:52:36,530 --> 01:52:34,260

and gave him a briefing on UFOs

2531

01:52:39,350 --> 01:52:36,540

and he said the same thing happens to

2532

01:52:40,850 --> 01:52:39,360

presidents of the United States and

2533

01:52:43,430 --> 01:52:40,860

there was at least one president of the

2534

01:52:45,590 --> 01:52:43,440

United States who alluded to that that

2535

01:52:48,470 --> 01:52:45,600

conversation or interview and was told

2536

01:52:50,570 --> 01:52:48,480

ixnay on on the average you know don't

2537

01:52:53,090 --> 01:52:50,580

blab about it don't be talking about

2538

01:52:54,950 --> 01:52:53,100

this to anybody and there were other and

2539

01:52:56,930 --> 01:52:54,960

so I think certain presidents get the

2540

01:52:58,850 --> 01:52:56,940

briefing and others don't

2541

01:53:00,530 --> 01:52:58,860

in the United States that seems to be

2542

01:53:03,530 --> 01:53:00,540

what's going on some presidents

2543

01:53:06,229 --> 01:53:03,540

apparently just don't get it but it was

2544

01:53:09,850 --> 01:53:06,239

the former prime minister of defense of

2545

01:53:13,550 --> 01:53:09,860

Canada Paul Hillier who really

2546

01:53:16,430 --> 01:53:13,560

broke that aspect of the story that when

2547

01:53:18,649 --> 01:53:16,440

he took over his office within two weeks

2548

01:53:21,649 --> 01:53:18,659

he had files Crossing his desk on the

2549

01:53:23,990 --> 01:53:21,659

UFO phenomenon whether he whether he

2550

01:53:26,570 --> 01:53:24,000

received a private briefing or not he

2551

01:53:29,689 --> 01:53:26,580

started to receive incontrovertible

2552

01:53:33,109 --> 01:53:29,699

evidence that these things exist and so

2553

01:53:35,990 --> 01:53:33,119

after his term he began to whistleblow

2554

01:53:38,390 --> 01:53:36,000

and talk about a credible witness and

2555

01:53:40,790 --> 01:53:38,400

yet there were still debunkers saying

2556

01:53:42,530 --> 01:53:40,800

that Hellyer was making it up that he

2557

01:53:46,370 --> 01:53:42,540

was grandstanding

2558

01:53:48,010 --> 01:53:46,380

it was just you know what

2559

01:53:50,990 --> 01:53:48,020

why would he

2560

01:53:52,910 --> 01:53:51,000

just doesn't make sense so what's the

2561

01:53:55,669 --> 01:53:52,920

next step though I I don't think that

2562

01:53:57,970 --> 01:53:55,679

the community should relax maybe Mars

2563

01:54:01,189 --> 01:53:57,980

Attacks yeah

2564

01:54:03,470 --> 01:54:01,199

I mean think about project uh blue is it

2565

01:54:10,390 --> 01:54:03,480

blue beam between the Holograms in space

2566

01:54:15,470 --> 01:54:13,250

anything is possible well we kind of had

2567

01:54:18,290 --> 01:54:15,480

that when we were firing missiles over

2568

01:54:21,109 --> 01:54:18,300

the United States back in February uh

2569

01:54:23,330 --> 01:54:21,119

Revelation is Jehovah going to show up

2570

01:54:25,490 --> 01:54:23,340

and fight you know that would get back

2571

01:54:26,870 --> 01:54:25,500

to Sumerian myth is it going to be enlil

2572

01:54:33,109 --> 01:54:26,880

and

2573

01:54:34,970 --> 01:54:33,119

Inky Inky yeah the other end the two end

2574

01:54:36,350 --> 01:54:34,980

half brothers are they going to show up

2575

01:54:38,810 --> 01:54:36,360

with their spaceships and have another

2576

01:54:41,030 --> 01:54:38,820

aerial battle like in that wood cut from

2577

01:54:43,550 --> 01:54:41,040

the Middle Ages in Germany I think it'll

2578

01:54:45,770 --> 01:54:43,560

be Elvis stay tuned Hendrix it'll be

2579

01:54:47,870 --> 01:54:45,780

Elvis and Jimi Hendrix that's why the

2580

01:54:50,629 --> 01:54:47,880

aliens come to Earth it's just like a

2581

01:54:53,510 --> 01:54:50,639

constant scene here it's it's a show

2582

01:54:57,169 --> 01:54:53,520

it's a scene it's a movie they love it

2583

01:54:59,870 --> 01:54:57,179

here thank you so much and everybody uh

2584

01:55:01,870 --> 01:54:59,880

you can get uh unknown objects right

2585

01:55:04,430 --> 01:55:01,880

there on Amazon

2586

01:55:06,410 --> 01:55:04,440

no we put up the link in the chat for

2587

01:55:09,229 --> 01:55:06,420

you Gene so it's right there everybody

2588

01:55:10,850 --> 01:55:09,239

go and get it Gene thank you so much and

2589

01:55:12,950 --> 01:55:10,860

I can't wait to have you back on the

2590

01:55:14,810 --> 01:55:12,960

show Jim it's been a real pleasure I

2591

01:55:16,609 --> 01:55:14,820

can't believe the time went so fast and

2592

01:55:18,169 --> 01:55:16,619

I'm glad so anytime I'm glancing over

2593

01:55:20,330 --> 01:55:18,179

I'm looking at the chat there's been

2594

01:55:24,070 --> 01:55:20,340

some very interesting chat here too your

2595

01:55:27,169 --> 01:55:24,080

audience is on the ball I salute you all

2596

01:55:29,689 --> 01:55:27,179

Gene you're the best I remember uh

2597

01:55:31,970 --> 01:55:29,699

everybody when when I met Gene and uh

2598

01:55:35,390 --> 01:55:31,980

she gave me her book and and we talked

2599

01:55:38,149 --> 01:55:35,400

uh briefly and I don't know why we

2600

01:55:40,129 --> 01:55:38,159

waited so long uh to get you on the show

2601
01:55:42,050 --> 01:55:40,139
it just doesn't make any sense but we'll

2602
01:55:43,790 --> 01:55:42,060
have you back on soon thank you so much

2603
01:55:46,330 --> 01:55:43,800
Gene be safe out there and keep doing

2604
01:55:50,270 --> 01:55:46,340
your thing thanks Jimmy bye everybody

2605
01:55:52,370 --> 01:55:50,280
great conversation Gene boyda and again

2606
01:55:54,470 --> 01:55:52,380
um uh bill has got the link up for

2607
01:55:57,590 --> 01:55:54,480
unknown objects it's right there in the

2608
01:56:01,010 --> 01:55:57,600
chat we've got it over on our website

2609
01:56:02,689 --> 01:56:01,020
and throughout social media there you go

2610
01:56:05,090 --> 01:56:02,699
great conversation tonight thank you so

2611
01:56:07,250 --> 01:56:05,100
much Gene and uh what am I doing

2612
01:56:10,430 --> 01:56:07,260
tomorrow night tomorrow night on the

2613
01:56:12,050 --> 01:56:10,440

show oh tomorrow night I got Drew Beason

2614

01:56:15,770 --> 01:56:12,060

on the show we're going to be talking

2615

01:56:18,290 --> 01:56:15,780

about D.B Cooper the Zodiac Killer and

2616

01:56:20,109 --> 01:56:18,300

uh and some other stuff it's gonna be

2617

01:56:23,810 --> 01:56:20,119

really great all of that tomorrow night

2618

01:56:25,790 --> 01:56:23,820

with uh uh Drew Beason all right so

2619

01:56:28,010 --> 01:56:25,800

that's tomorrow night thank you so much

2620

01:56:31,250 --> 01:56:28,020

everybody perfect show perfect

2621

01:56:32,990 --> 01:56:31,260

conversation and I want everybody to be

2622

01:56:34,790 --> 01:56:33,000

safe out there Fade to Black is produced

2623

01:56:37,490 --> 01:56:34,800

by Hilton J Palm Renee Newman and

2624

01:56:39,590 --> 01:56:37,500

Michelle fried thank you to Dennis and

2625

01:56:42,550 --> 01:56:39,600

Kevin webmaster is Drew the geek music

2626

01:56:45,050 --> 01:56:42,560

Doug Aldridge intro space boys

2627

01:56:47,090 --> 01:56:45,060

spaceboymusic.com fade to black is

2628

01:56:49,250 --> 01:56:47,100

produced by kjcr for the game changer

2629

01:56:52,669 --> 01:56:49,260
