

FADE TO BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Tue May 23, 2023 **LIVE**

1
00:00:26,980 --> 00:00:14,850
thank you

2
00:00:26,990 --> 00:00:40,630
[Music]

3
00:00:48,110 --> 00:00:43,549
good afternoon Fade to Black breaking

4
00:00:51,470 --> 00:00:48,120
news for this Tuesday May 23 2023 this

5
00:00:53,810 --> 00:00:51,480
is all of the news that you need I'm

6
00:00:56,389 --> 00:00:53,820
Jimmy Church let's get straight to it

7
00:00:58,209 --> 00:00:56,399
lots of stuff today on this day in

8
00:01:03,709 --> 00:00:58,219
history

9
00:01:08,929 --> 00:01:03,719
1430 Joan of Arc was captured in France

10
00:01:14,090 --> 00:01:08,939
a year later on May 30th 1431 she was

11
00:01:17,810 --> 00:01:14,100
executed at the age of 19. wow on this

12
00:01:19,670 --> 00:01:17,820
day in 1430 here's your fader fact

13
00:01:23,749 --> 00:01:19,680

check this out

14

00:01:27,070 --> 00:01:23,759

the ancient Romans used to drop a piece

15

00:01:31,969 --> 00:01:27,080

of toast into their wine for good health

16

00:01:35,030 --> 00:01:31,979

which is why today we toast

17

00:01:36,890 --> 00:01:35,040

seriously and that

18

00:01:38,090 --> 00:01:36,900

is your favorite fact I know you didn't

19

00:01:40,490 --> 00:01:38,100

know that

20

00:01:43,130 --> 00:01:40,500

you do now let's get to the breaking

21

00:01:51,050 --> 00:01:47,469

a Russian politician died of as of yet

22

00:01:53,870 --> 00:01:51,060

unknown causes after falling ill on a

23

00:01:56,749 --> 00:01:53,880

plane over the weekend on Saturday the

24

00:02:00,410 --> 00:01:56,759

latest in a string of mysterious deaths

25

00:02:02,690 --> 00:02:00,420

among Russian Elites Russia's Deputy

26
00:02:06,289 --> 00:02:02,700
minister of Science and higher education

27
00:02:10,070 --> 00:02:06,299
his name is Peter kucharenko 46 years

28
00:02:13,610 --> 00:02:10,080
old died while returning from a trip to

29
00:02:16,430 --> 00:02:13,620
Cuba journalists Roman super who fled

30
00:02:19,010 --> 00:02:16,440
Russia shortly after it invaded Ukraine

31
00:02:20,890 --> 00:02:19,020
last February said on his telegram

32
00:02:25,430 --> 00:02:20,900
channel that he had spoken with

33
00:02:28,309 --> 00:02:25,440
kucharenko just days before fleeing he

34
00:02:32,510 --> 00:02:28,319
said kucharenko feared for his safety

35
00:02:36,350 --> 00:02:32,520
and he encouraged him to leave Russia

36
00:02:38,690 --> 00:02:36,360
now at least 13 high-profile Russian

37
00:02:42,350 --> 00:02:38,700
businessmen have reportedly died by

38
00:02:45,050 --> 00:02:42,360

Suicide or unexplained accidents in the

39

00:02:47,210 --> 00:02:45,060

last year with six of them associated

40

00:02:50,589 --> 00:02:47,220

with Russia's two largest energy

41

00:02:55,190 --> 00:02:50,599

companies hmm

42

00:02:58,070 --> 00:02:55,200

France has banned domestic short-haul

43

00:03:01,790 --> 00:02:58,080

flights where train Alternatives exist

44

00:03:03,470 --> 00:03:01,800

in a bid to cut carbon emissions the law

45

00:03:06,589 --> 00:03:03,480

came into Force two years after

46

00:03:09,890 --> 00:03:06,599

lawmakers voted to end routes where the

47

00:03:12,949 --> 00:03:09,900

same Journey could be made by train in

48

00:03:15,170 --> 00:03:12,959

under two and a half hours the ban

49

00:03:18,110 --> 00:03:15,180

Albert rules out air travel between

50

00:03:21,649 --> 00:03:18,120

Paris and cities in France while

51
00:03:25,149 --> 00:03:21,659
connecting flights are unaffected

52
00:03:28,190 --> 00:03:25,159
that's crazy during the last few days

53
00:03:30,410 --> 00:03:28,200
astronomers have pointed at their

54
00:03:32,809 --> 00:03:30,420
telescopes toward a familiar celestial

55
00:03:37,009 --> 00:03:32,819
object in our spring night sky for a

56
00:03:40,850 --> 00:03:37,019
look at a rare event a new Supernova a

57
00:03:43,910 --> 00:03:40,860
star that has literally burst upon the

58
00:03:47,030 --> 00:03:43,920
scene this new Supernova has appeared in

59
00:03:50,449 --> 00:03:47,040
a galaxy beyond our own the Galaxy is

60
00:03:53,509 --> 00:03:50,459
known as Messier 101 and is a large

61
00:03:56,449 --> 00:03:53,519
Loosely wound spread out open-faced a

62
00:03:59,809 --> 00:03:56,459
spiral galaxy which can be viewed

63
00:04:02,690 --> 00:03:59,819

through a small telescope the Pinwheel

64

00:04:05,210 --> 00:04:02,700

Galaxy containing the new Supernova is

65

00:04:08,330 --> 00:04:05,220

located near the Big Dipper extending

66

00:04:10,429 --> 00:04:08,340

from the two stars in the handle now if

67

00:04:12,949 --> 00:04:10,439

you continue that line in a similar

68

00:04:17,689 --> 00:04:12,959

distance beyond the handle it will place

69

00:04:19,729 --> 00:04:17,699

you in the general vicinity of M101 go

70

00:04:22,270 --> 00:04:19,739

and check it out it's got a brand new

71

00:04:26,810 --> 00:04:22,280

bright star

72

00:04:30,050 --> 00:04:26,820

super typhoon mawar is barreling towards

73

00:04:32,570 --> 00:04:30,060

Guam today threatening to slam into the

74

00:04:37,010 --> 00:04:32,580

U.S territory as the strongest storm

75

00:04:39,830 --> 00:04:37,020

there in more than 60 years the typhoon

76
00:04:42,350 --> 00:04:39,840
which has strengthened rapidly in recent

77
00:04:44,570 --> 00:04:42,360
days is posing a triple threat of

78
00:04:47,650 --> 00:04:44,580
Devastation including deadly winds

79
00:04:50,990 --> 00:04:47,660
equivalent to a category 5 hurricane

80
00:04:53,749 --> 00:04:51,000
25-foot Storm surges and torrential

81
00:04:55,670 --> 00:04:53,759
rainfall the typhoon could reach the

82
00:04:59,350 --> 00:04:55,680
equivalent of a category 5 hurricane

83
00:05:03,469 --> 00:04:59,360
with winds that exceed

84
00:05:05,990 --> 00:05:03,479
157 miles per hour before landfall if

85
00:05:08,689 --> 00:05:06,000
this were to happen mawar would be the

86
00:05:12,350 --> 00:05:08,699
fifth category five equivalent storm on

87
00:05:16,249 --> 00:05:12,360
the planet to date this year the average

88
00:05:19,310 --> 00:05:16,259

number for an entire calendar year and

89

00:05:22,550 --> 00:05:19,320

hurricane and typhoon seasons are only

90

00:05:28,790 --> 00:05:25,909

well man has killed off much of the

91

00:05:31,430 --> 00:05:28,800

Earth's existing wildlife and some

92

00:05:33,890 --> 00:05:31,440

scientists argue that human activity has

93

00:05:37,010 --> 00:05:33,900

set off the world's sixth mass

94

00:05:39,529 --> 00:05:37,020

extinction event the new research now

95

00:05:42,350 --> 00:05:39,539

shows Global animal populations are

96

00:05:45,710 --> 00:05:42,360

declining more rapidly than earlier

97

00:05:48,230 --> 00:05:45,720

believe authors of the study published

98

00:05:51,890 --> 00:05:48,240

in the journal biological reviews on May

99

00:05:54,890 --> 00:05:51,900

15th analyzed more than 71 000 animal

100

00:05:58,610 --> 00:05:54,900

species spanning mammals birds reptiles

101
00:06:01,430 --> 00:05:58,620
amphibians fishes and insects to assess

102
00:06:03,830 --> 00:06:01,440
their population growth over time they

103
00:06:06,770 --> 00:06:03,840
found that 49 of these species are

104
00:06:09,890 --> 00:06:06,780
stable but 48 percent have shrinking

105
00:06:12,529 --> 00:06:09,900
populations and only 3 percent have

106
00:06:14,990 --> 00:06:12,539
populations on the rise of the

107
00:06:19,730 --> 00:06:15,000
population and Extinction risk of more

108
00:06:23,510 --> 00:06:19,740
than 150 300 species evaluated by the

109
00:06:26,689 --> 00:06:23,520
committee 28 are considered facing the

110
00:06:30,350 --> 00:06:26,699
threat of Extinction

111
00:06:32,689 --> 00:06:30,360
well it's happening Netflix is

112
00:06:35,570 --> 00:06:32,699
officially beginning its Crackdown on

113
00:06:38,629 --> 00:06:35,580

users who share passwords in the United

114

00:06:41,749 --> 00:06:38,639

States the streaming video company said

115

00:06:44,749 --> 00:06:41,759

today that it is now sending out emails

116

00:06:46,730 --> 00:06:44,759

to all U.S subscribers who share

117

00:06:49,430 --> 00:06:46,740

passwords with people outside of their

118

00:06:53,090 --> 00:06:49,440

household as part of a long planned move

119

00:06:55,909 --> 00:06:53,100

to limit password sharing the email also

120

00:06:58,670 --> 00:06:55,919

stated and I quote to share an account

121

00:07:00,830 --> 00:06:58,680

with someone outside a household a user

122

00:07:04,370 --> 00:07:00,840

can transfer a profile to a new

123

00:07:07,070 --> 00:07:04,380

membership that they pay for or else an

124

00:07:08,950 --> 00:07:07,080

extra member to their account for an

125

00:07:12,230 --> 00:07:08,960

additional

126
00:07:17,270 --> 00:07:12,240
7.99 per month

127
00:07:21,050 --> 00:07:17,280
and finally I'll leave you with this

128
00:07:26,170 --> 00:07:21,060
tick tock is confident of stopping a ban

129
00:07:29,710 --> 00:07:26,180
in the United States and Montana its CEO

130
00:07:34,670 --> 00:07:29,720
Susie Chu I'm not making that up

131
00:07:36,890 --> 00:07:34,680
shoe Z Chu said earlier today after the

132
00:07:40,129 --> 00:07:36,900
Chinese Zone social media app launched a

133
00:07:43,730 --> 00:07:40,139
legal challenge the unprecedented ban

134
00:07:45,469 --> 00:07:43,740
set to start in 2024 is shaping as a

135
00:07:47,469 --> 00:07:45,479
test case for the United States as

136
00:07:49,550 --> 00:07:47,479
lawmakers in Washington

137
00:07:54,110 --> 00:07:49,560
increasingly call for a national

138
00:07:57,110 --> 00:07:54,120

prohibition citing security concerns Shu

139

00:08:00,409 --> 00:07:57,120

was speaking just hours after tick tock

140

00:08:03,650 --> 00:08:00,419

filed suit in U.S federal court arguing

141

00:08:07,309 --> 00:08:03,660

that Montana's ban violates protected

142

00:08:10,909 --> 00:08:07,319

right to free speech the video sharing

143

00:08:13,670 --> 00:08:10,919

app owned by Chinese firm bite dance is

144

00:08:16,010 --> 00:08:13,680

Accused by a swath of U.S politicians

145

00:08:18,469 --> 00:08:16,020

being under the tutelage of the Chinese

146

00:08:21,409 --> 00:08:18,479

government and the tool of espionage

147

00:08:25,249 --> 00:08:21,419

managed by Beijing something the company

148

00:08:28,369 --> 00:08:25,259

denies Montana Governor Greg gianforte

149

00:08:31,909 --> 00:08:28,379

signed the prohibition into law on May

150

00:08:34,250 --> 00:08:31,919

17th saying on Twitter that he endorsed

151

00:08:37,010 --> 00:08:34,260

it in order to protect montanan's

152

00:08:39,769 --> 00:08:37,020

personal and private data from the

153

00:08:42,709 --> 00:08:39,779

Chinese Communist Party

154

00:08:44,329 --> 00:08:42,719

there you go it's all the Fade to Black

155

00:08:47,930 --> 00:08:44,339

breaking news that you need for this

156

00:08:50,030 --> 00:08:47,940

Tuesday May 23 2023 paid the black

157

00:08:53,389 --> 00:08:50,040

breaking news is produced by Renee

158

00:08:57,340 --> 00:08:53,399

Newman I'm Jimmy Church go back Lee

159

00:09:19,450 --> 00:09:09,480

[Music]
