

FADE TO BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Wed May 24, 2023 **LIVE**

1
00:00:37,050 --> 00:00:27,080

[Music]

2
00:00:41,049 --> 00:00:37,060

thank you

3
00:00:47,950 --> 00:00:44,209

welcome Fade to Black breaking news for

4
00:00:50,750 --> 00:00:47,960

this Wednesday May 24th

5
00:00:51,590 --> 00:00:50,760

2023. this is all of the news that you

6
00:00:53,930 --> 00:00:51,600

need

7
00:00:56,170 --> 00:00:53,940

I'm Jimmy Church all right let's get

8
00:01:01,069 --> 00:00:56,180

straight to it on this day in history

9
00:01:04,490 --> 00:01:01,079

1883. a brilliant feat of 19th century

10
00:01:06,170 --> 00:01:04,500

engineering the Brooklyn Bridge spanning

11
00:01:09,050 --> 00:01:06,180

the East River from Brooklyn to

12
00:01:11,929 --> 00:01:09,060

Manhattan Island in New York City opened

13
00:01:16,730 --> 00:01:11,939

this day in 1883 and it was designed by

14

00:01:18,830 --> 00:01:16,740

civil engineer John Augustus Roebling

15

00:01:22,070 --> 00:01:18,840

um let's say in 1883 wow that's a long

16

00:01:24,830 --> 00:01:22,080

time ago here's your fader fact

17

00:01:28,370 --> 00:01:24,840

genocide

18

00:01:30,890 --> 00:01:28,380

their colors don't matter

19

00:01:34,850 --> 00:01:30,900

fruit loops loops

20

00:01:37,249 --> 00:01:34,860

are all the same flavor

21

00:01:38,630 --> 00:01:37,259

there's your fader fact let's get to the

22

00:01:41,749 --> 00:01:38,640

breaking news

23

00:01:44,690 --> 00:01:41,759

breaking just before the broadcast at 18

24

00:01:46,550 --> 00:01:44,700

at Turner one of the most popular music

25

00:01:52,910 --> 00:01:46,560

artists of all time

26

00:01:56,630 --> 00:01:52,920

has died she was 83 years old wow

27

00:02:00,050 --> 00:01:56,640

rest in peace Tina all right

28

00:02:02,569 --> 00:02:00,060

Virgin Galactic has released a video

29

00:02:06,230 --> 00:02:02,579

introducing to the public the pilots who

30

00:02:08,389 --> 00:02:06,240

will fly the company's VSS Unity space

31

00:02:11,690 --> 00:02:08,399

plane which is gearing up for its final

32

00:02:15,410 --> 00:02:11,700

test flight the sub-orbital flight known

33

00:02:18,830 --> 00:02:15,420

as Unity 25 is set to take off tomorrow

34

00:02:21,650 --> 00:02:18,840

Thursday May 25th and will be the final

35

00:02:25,490 --> 00:02:21,660

step on Virgin galactic's mission to

36

00:02:28,490 --> 00:02:25,500

commercial space flight the unity uh 25

37

00:02:31,369 --> 00:02:28,500

crew will consist of Beth Moses Luke

38

00:02:35,030 --> 00:02:31,379

Mays and Mission specialist emila

39

00:02:36,850 --> 00:02:35,040

Gilbert and Christopher Huey the test

40

00:02:39,490 --> 00:02:36,860

flight will pave the way for virgin

41

00:02:43,790 --> 00:02:39,500

galactic's first commercial flight

42

00:02:47,930 --> 00:02:43,800

dubbed at galactic01 which is set to

43

00:02:50,089 --> 00:02:47,940

take place next month in late June

44

00:02:54,110 --> 00:02:50,099

now virgin is still in the news today

45

00:02:57,110 --> 00:02:54,120

because virgin orbit the other division

46

00:02:59,690 --> 00:02:57,120

of Virgin the satellite launch company

47

00:03:02,089 --> 00:02:59,700

that filed for bankruptcy uh close to

48

00:03:05,509 --> 00:03:02,099

two months ago said it has agreed to

49

00:03:08,570 --> 00:03:05,519

sell key assets worth over 35 million

50

00:03:11,949 --> 00:03:08,580

dollars to three aerospace companies and

51
00:03:14,030 --> 00:03:11,959
will now officially seize operations

52
00:03:18,050 --> 00:03:14,040
california-based aerospace companies

53
00:03:20,690 --> 00:03:18,060
straddle launch rocket lab and launcher

54
00:03:23,509 --> 00:03:20,700
are the winning bidders of a weeks-long

55
00:03:29,290 --> 00:03:23,519
sale process that ended in a bankruptcy

56
00:03:35,690 --> 00:03:32,149
archaeologists have Unearthed an

57
00:03:39,530 --> 00:03:35,700
elaborate leather horse saddle possibly

58
00:03:43,670 --> 00:03:39,540
the oldest ever found from a grave in

59
00:03:47,930 --> 00:03:43,680
north western China the saddle preserved

60
00:03:50,690 --> 00:03:47,940
for up to 2 700 years in the Arid desert

61
00:03:53,750 --> 00:03:50,700
was discovered in the Tomb of a woman at

62
00:03:57,949 --> 00:03:53,760
a cemetery in Yang Hai in the Turpin

63
00:03:59,990 --> 00:03:57,959

Basin of China the saddle two cowhide

64

00:04:03,130 --> 00:04:00,000

cushions filled with a mixture of straw

65

00:04:08,750 --> 00:04:03,140

and deer and camel hair was made between

66

00:04:12,970 --> 00:04:08,760

724 and 396 BC all of this according to

67

00:04:17,810 --> 00:04:12,980

radio carbon dating testing all right

68

00:04:21,349 --> 00:04:17,820

early humans in Europe were making and

69

00:04:23,150 --> 00:04:21,359

controlling fire at least 50 000 years

70

00:04:26,150 --> 00:04:23,160

earlier than previously thought

71

00:04:29,570 --> 00:04:26,160

researchers and Harriet white University

72

00:04:31,370 --> 00:04:29,580

in Scotland have found and in a paper

73

00:04:34,790 --> 00:04:31,380

published in the journal Nature

74

00:04:38,030 --> 00:04:34,800

scientific reports the scientists showed

75

00:04:42,050 --> 00:04:38,040

that our ancestors in Europe were using

76
00:04:43,850 --> 00:04:42,060
Fires for cooking Heating and defense at

77
00:04:45,950 --> 00:04:43,860
least 250

78
00:04:49,010 --> 00:04:45,960
000 years ago previous evidence had

79
00:04:52,730 --> 00:04:49,020
suggested humans were managing fire in

80
00:04:54,110 --> 00:04:52,740
Europe much later than this around 200

81
00:04:57,530 --> 00:04:54,120
000 years ago

82
00:05:00,469 --> 00:04:57,540
using forensic chemical methods all of

83
00:05:03,350 --> 00:05:00,479
this to identify molecules of incomplete

84
00:05:05,890 --> 00:05:03,360
burning the researchers team at Harriet

85
00:05:09,469 --> 00:05:05,900
Watts School of energy geoscience

86
00:05:13,550 --> 00:05:09,479
infrastructure and Society detected fire

87
00:05:17,450 --> 00:05:13,560
at valdo Carlos II an archaeological

88
00:05:22,790 --> 00:05:17,460

site near Madrid in Spain

89

00:05:25,490 --> 00:05:22,800

well check this out a paralyzed man has

90

00:05:27,710 --> 00:05:25,500

been able to walk simply by thinking

91

00:05:31,249 --> 00:05:27,720

about it thanks to an electronic brain

92

00:05:34,909 --> 00:05:31,259

implant a medical first he says has

93

00:05:37,730 --> 00:05:34,919

changed his life 40 year old Gert Jan

94

00:05:41,390 --> 00:05:37,740

askum was paralyzed in a cycling

95

00:05:43,909 --> 00:05:41,400

accident 12 years ago the electronic

96

00:05:47,510 --> 00:05:43,919

implants wirelessly transmit his

97

00:05:50,990 --> 00:05:47,520

thoughts to his legs and feet via a

98

00:05:53,810 --> 00:05:51,000

second implant on his spine the system

99

00:05:56,810 --> 00:05:53,820

is still at an experimental stage but

100

00:06:00,050 --> 00:05:56,820

the team's aim was to get it out of the

101
00:06:02,930 --> 00:06:00,060
lab and into the clinic as soon as

102
00:06:05,749 --> 00:06:02,940
possible the next goal they want to

103
00:06:08,150 --> 00:06:05,759
miniaturize everything and I'll keep you

104
00:06:10,969 --> 00:06:08,160
posted well I talked about this

105
00:06:14,570 --> 00:06:10,979
yesterday I first reported about super

106
00:06:18,110 --> 00:06:14,580
typhoon mawar well super typhoon mawar

107
00:06:20,990 --> 00:06:18,120
now has battled uh battered the U.S

108
00:06:22,850 --> 00:06:21,000
territory of Guam bringing damaging

109
00:06:25,430 --> 00:06:22,860
winds and rain and knocking out power

110
00:06:27,710 --> 00:06:25,440
for most of the island the eye of the

111
00:06:30,230 --> 00:06:27,720
category 4 storm passed over the

112
00:06:32,409 --> 00:06:30,240
northern part of Guam uh on Wednesday

113
00:06:36,230 --> 00:06:32,419

evening bringing

114

00:06:38,510 --> 00:06:36,240

145 mile per hour winds it is one of the

115

00:06:41,510 --> 00:06:38,520

strongest typhoons to hit the U.S

116

00:06:45,230 --> 00:06:41,520

territory in years as of Wednesday

117

00:06:48,309 --> 00:06:45,240

afternoon local time only one thousand

118

00:06:51,830 --> 00:06:48,319

out of 52 000 customers on the island

119

00:06:53,390 --> 00:06:51,840

had power all right and again I will

120

00:06:57,830 --> 00:06:53,400

keep you posted

121

00:07:00,710 --> 00:06:57,840

now I will leave you with this

122

00:07:02,650 --> 00:07:00,720

and please listen closely

123

00:07:07,129 --> 00:07:02,660

because yesterday

124

00:07:09,350 --> 00:07:07,139

Twitter's owner Elon Musk hinted at a

125

00:07:10,390 --> 00:07:09,360

potential artificial intelligence

126
00:07:14,510 --> 00:07:10,400
project

127
00:07:19,550 --> 00:07:14,520
spearheaded by three of his companies x

128
00:07:22,309 --> 00:07:19,560
dot a i Twitter and Tesla as the race

129
00:07:28,010 --> 00:07:22,319
for artificial intelligence dominance

130
00:07:30,529 --> 00:07:28,020
starts to heat up Elon said and I quote

131
00:07:33,230 --> 00:07:30,539
I don't want to jump the gun here on

132
00:07:35,390 --> 00:07:33,240
announcements but open AI has a

133
00:07:37,850 --> 00:07:35,400
relationship with Microsoft that seems

134
00:07:40,790 --> 00:07:37,860
to work pretty well so it's possible

135
00:07:43,850 --> 00:07:40,800
that x dot Ai and Twitter and Tesla

136
00:07:45,890 --> 00:07:43,860
would have something similar I think

137
00:07:49,129 --> 00:07:45,900
that there should be a significant third

138
00:07:52,610 --> 00:07:49,139

horse in the race here I don't think AI

139

00:07:55,150 --> 00:07:52,620

will try and destroy all of humanity but

140

00:08:00,589 --> 00:07:55,160

it might put us under strict control

141

00:08:01,909 --> 00:08:00,599

there's non-zero chance of AI going full

142

00:08:04,309 --> 00:08:01,919

Terminator

143

00:08:07,309 --> 00:08:04,319

end quote

144

00:08:08,930 --> 00:08:07,319

and that is all of the Fade to Black

145

00:08:12,770 --> 00:08:08,940

breaking news that you need for this

146

00:08:14,689 --> 00:08:12,780

Wednesday May 24 2023 paid to Black

147

00:08:18,230 --> 00:08:14,699

breaking news is produced by Renee

148

00:08:22,450 --> 00:08:18,240

Newman I'm Jimmy Church go back Lee
